In connection with the Conversion, 3,060,058 shares of common stock, par value \$0.01 per share, of the Company (the “Common Stock”) were sold in a subscription and community offering (the “Offering”) to certain depositors of the Bank and other investors at a price of \$8.00 per share, for aggregate gross proceeds of approximately \$24.5 million. In addition and in accordance with the Plan, approximately 2,089,939 additional shares of Common Stock (without taking into consideration cash paid in lieu of fractional shares) were issued to the public shareholders (i.e., shareholders other than the MHC) of United Community Bancorp (“United Community Bancorp-Federal”), the former federally-chartered mid-tier holding company for the Bank, as of the closing date of the Conversion in exchange for their outstanding shares of common stock of United Community Bancorp-Federal. Each such share of common stock of United Community Bancorp-Federal was converted into the right to receive 0.6573 share of Common Stock.

The Common Stock issued in the Offering and the Conversion was registered under the Securities Act of 1933, as amended, pursuant to a registration statement on Form S-1 (File No. 333-172827) filed initially with the Securities and Exchange Commission (“SEC”) on March 15, 2011, as amended, and declared effective by the SEC on November 9, 2012 (“Form S-1”).

The Common Stock is deemed registered under Section 12(b) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), pursuant to subsection (a) of Rule 12g-3 promulgated under the Exchange Act as a result of the Company becoming the successor issuer to United Community Bancorp-Federal in connection with the Conversion.
