ABOUT THE MEETING

This proxy statement and the accompanying proxy card are being mailed to shareholders beginning on or about March 27, 2008.

Who is soliciting my vote?

The Board of Directors (“Board”) of Triple-S Management Corporation (“Corporation”) is soliciting your vote at the meeting.

What will I be voting on?

The election of three “Group 1” directors for a three-year term (*see* page 8)

The amendment of Article TENTH B of the Amended and Restated Articles of Incorporation of the Corporation (“Articles”) (*see* page 31).

The amendment of Article TENTH C of the Articles (*see* page 32).

The approval of the Triple-S Management Corporation 2007 Incentive Plan (“Plan”) (*see* page 33).

How many votes do I have?

You will have one vote for every share of our Class A common stock (hereinafter “Class A shares”) and Class B common stock (hereinafter “Class B shares”), entitled to vote, that you owned as of the close of business on March 18, 2008, the record date for the annual meeting. Class A shares and Class B shares are sometimes referred to collectively as common stock.

How many votes can be cast by all shareholders?

As of the record date there were 32,309,363 shares of common stock issued and outstanding and entitled to vote, consisting of 16,042,809 issued and outstanding Class A shares and 16,266,554 issued and outstanding Class B shares. Each share of common stock is entitled to one vote and all shares of each class shall vote together as a single class on all matters brought before the annual meeting. The shares are entitled to vote by any proxy card that is properly executed and received before 9:00 a.m. on the day of the annual meeting.

How many shares must be present to hold the meeting?

A majority of the issued and outstanding shares of common stock of the Corporation. If at the designated time quorum is not reached, the annual meeting will be postponed for a half hour, after which one-third (1/3) of the voting shares issued and outstanding will constitute a quorum. We urge you to vote by proxy even if you plan to attend the annual meeting so that we will know as soon as possible that enough voting shares will be present for us to hold the annual meeting.

How do I vote?

You can vote either in person at the meeting, by telephone, internet or mail, whether or not you attend the meeting.

To vote *by mail*, you must fill out the enclosed proxy card, date and sign it, and return it in the enclosed postage-paid envelope.

To vote *by telephone* call toll-free 1-800-PROXIES (1-800-776-9437) from any touch-tone telephone and follow the instructions. Please have your proxy card available when you make the call.

To vote *by internet* access www.voteproxy.com and follow the on-screen instructions. Have your proxy card available when you access the web page.

If you plan to vote via telephone or internet, you may enter your voting instructions until noon Eastern Time the day before the annual meeting. After such time voting instructions will not be accepted via telephone or internet.

Who can be present at the annual meeting?

Only holders of our common stock may be present at the annual meeting. No other person, including those persons accompanying a shareholder, will be allowed at the annual meeting.

To vote in person at the annual meeting or be present at the meeting, holders of Class B shares must present a Legal Proxy, which can be obtained through their broker.

Who will bear the cost of soliciting proxies?

We will bear the entire cost of soliciting proxies for the annual meeting, including the preparation, assembly, printing and mailing of this proxy statement, the proxy card and any additional solicitation materials furnished to shareholders. The original solicitation of proxies by mail may be supplemented by solicitation in person, telephone, facsimile, email or any other means by our directors, officers or certain persons on behalf of our Board. No additional compensation will be paid to those individuals for any such services. In addition, our Board may engage one or more solicitation agents to aid in the solicitation of proxies. We will bear the additional costs of such a solicitation, which, together with the costs of the preparation, assembly, printing and mailing of this proxy statement, the proxy card and any additional solicitation materials furnished to shareholders, are not expected to exceed \$200,000. Currently no solicitation agents have been engaged.

Can I change my vote?

Yes. A shareholder may revoke his or her proxy or change his or her vote at any time before the proxy is voted at the annual meeting. You can revoke your proxy or change your vote in one of four ways:

1. by sending a signed notice of revocation to our corporate secretary to revoke your proxy;
2. by sending to our corporate secretary a completed proxy card bearing a later date than your original proxy indicating the change in your vote;
3. by logging on to the Internet website specified on the proxy card in the same manner you would to submit your proxy electronically or calling the telephone number specified on the proxy card, and in each case following the instructions to revoke or change your vote; or
4. by attending the annual meeting and voting in person, which will automatically cancel any proxy previously given, or by revoking your proxy in person.

If you choose any of the first two methods, you must take the described action no later than the 2008 annual meeting. If you choose the third method, you have until noon Eastern Time the day before the annual meeting to enter instructions to revoke or change your vote. If your shares are held in street name by a broker, bank or other financial institution, you must contact that institution to change your vote.

How are my votes counted?

You may either vote *for* or *withhold authority* to vote for each nominee for our Board. You may vote *for* or *against* or you may *abstain* on the other proposals. If you *withhold authority* to vote with respect to any nominee, your shares will be counted for purposes of establishing a quorum, but will have no effect on the election of that nominee. If you *abstain* from voting on the other proposals, your shares will be counted as present for purposes of establishing a quorum, and the abstention will have the same effect as a vote *against* that proposal.

How many votes are required to elect directors and to adopt the other proposals?

Directors are elected (Proposal 1) by a majority of the votes cast by the holders of our common stock at the annual meeting.

The amendment of the Articles (Proposals 2 and 3), and the approval of the Plan (Proposal 4) require the affirmative vote of a majority of the issued and outstanding shares of common stock, entitled to vote, as of the record date.

Could other matters be decided at the meeting?

We do not know of any other matters that may come before the annual meeting. However, if any new matter requiring the vote of our shareholders is properly presented before the annual meeting, proxies may be voted with respect thereto at the discretion of the proxy holders.

What happens if the meeting is postponed or adjourned?

Your proxy will still be good and may be voted at the postponed or adjourned meeting. You will still be able to change or revoke your proxy until it is voted.

What should I receive?

This proxy statement, our Annual Report, the Notice of Annual Meeting of Shareholders and the proxy card, which are being mailed to you on or about March 27, 2008. Our Annual Report includes our audited financial statements for the year ended December 31, 2007, duly audited by KPMG LLP, as independent registered public accounting firm.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires that our directors and executive officers file with the SEC reports of ownership and changes in ownership of our stock and to furnish us with copies of all Section 16(a) forms they file.

Based solely on our review of the copies of such reports we received or written representations that no other reports were required, we believe that, during 2007, all filing requirements applicable to our officers and directors were satisfied.

In December 2007, each of our directors and executive officers untimely filed a Form 4, reporting shares received under the Plan.

BOARD OF DIRECTORS

Our Articles and the Bylaws of the Corporation (“Bylaws”) establish that our Board shall consist of not less than nine (9) directors, nor more than nineteen (19) directors, from which at least the majority must be representatives of the “community,” as such term is defined by the Blue Cross and Blue Shield Association (“BCBSA”). The number of directors shall be fixed from time to time, by resolution of the Board.

Our Board is a staggered board divided into three groups, consisting of five (5), six (6) and seven (7) directors, respectively. Each director serves for a term ending on the date of the third annual meeting of shareholders following the annual meeting at which such director was elected or until his successor has been elected and qualified. In the event that there is a vacancy on our Board, or a new directorship is created, our Board shall choose a successor by the affirmative vote of a majority of the current directors, or by an election at an annual or special meeting called for that purpose. A director elected to fill a vacancy shall be elected for the unexpired term of his or her predecessor in office or, if the vacancy is caused by an increase in the number of directors, until the next election of one or more directors by shareholders and in either case, may be reelected for only two (2) additional successive terms. In accordance with our Bylaws, the President and Chief Executive Officer, is a member of the Board and is excluded from the three groups of directors. In addition, our Articles and Bylaws provide that, with the exception of the President and Chief Executive Officer, directors may not be elected to the Board for more than three terms or serve as such for more than nine years. Accordingly, doctor Wilmer Rodríguez-Silva, doctor Arturo Córdova-López and doctor Wilfredo López-Hernández are not being nominated for election at the annual meeting.

PROPOSAL 1: ELECTION OF THREE GROUP 1 DIRECTORS FOR A THREE-YEAR TERM

On February 28, 2008 our Board approved a resolution reducing its size to 17 members. The effectiveness and implementation of this resolution is contingent on the approval by the shareholders of Proposal 2. Due to our Board’s reduction in size, “Group 1” of the directors will now be comprised of three members instead of five members. At the annual meeting, shareholders will only be entitled to vote for the election of the three nominees proposed by the Board.

At the meeting, three directors assigned to “Group 1” will be elected to serve until the 2011 annual meeting of shareholders or until their respective successors are elected and qualified. The remaining 14 directors will continue to serve as directors, as follows: until the 2009 annual meeting of shareholders, in the case of the six directors assigned to “Group 2,” and until the 2010 annual meeting of shareholders, in the case of the seven directors assigned to “Group 3,” or in each case until their successors are elected and qualified.

The persons named as proxies in the accompanying proxy card have advised us that, unless otherwise instructed, they intend to vote at the meeting the shares covered by the proxies **FOR** the election of the three nominees named below, and that if any one or more of such nominees should become unavailable for election they intend to vote such shares **FOR** the election of such substitute nominees as your board may propose. We have no knowledge that any nominee will become unavailable for election.

Information relating to principal occupation, business experience and directorships during the past five years (including positions held with us, age and the period during which each director has served) is set forth below.

STANDING COMMITTEES

The Bylaws provide that our Board may, by resolution passed by a majority of the entire board, designate one or more committees. The Corporation currently has the following standing committees: corporate governance, nominations, compensation and audit. All members of the standing committees serve for a one year term. In addition to these standing committees, we have a number of ad hoc committees. According to BCBSA requirements, our officers and employees, including those of our subsidiaries, cannot be members of the Compensation, Nominations or Audit Committees.

A brief description of each of the Nominations Committee, Compensation Committee and the Audit Committee is set forth below:

Nominations Committee

The duties of the nominations committee are to (i) identify and recommend individuals who are best suited to become members of our Board, who will be presented as candidates endorsed by the Board at the annual meeting of shareholders, (ii) recommend to our Board the best qualified candidates to fill vacancies, (iii) evaluate the performance of the directors pursuant to criteria and objectives established by the Board from time to time; (iv) establish and periodically review the qualifications of the candidates to be endorsed by the Board and (v) recommend to the Board the best qualified candidates to occupy the position of our president. The Nominations Committee Charter is available at the Corporation's web site: www.triplesmanagement.com.

Also, the committee reviews and recommends a board composition that meets the independence criteria set forth by the NYSE, the BCBSA and good governance practices. It recommends the nomination of directors to terms of office which meet the BCBSA guidelines established for a staggered term board and reviews board members group evaluations. Based on these evaluations, the committee may either recommend re-nominations or replacements when their terms expire, or if the member's term has not elapsed recommend corrective actions to address performance weaknesses. If the deficiencies are of a significant nature, the committee may recommend the replacement of such director.

The committee met 5 times during the fiscal year ended on December 31, 2007. As of March 27, 2008, the members of the committee are: Mr. Miguel Nazario-Franco, Chair of the committee, Mr. Álvarez-Gallardo, Mr. Morgan-Stubbe, Mr. Figueroa-Collazo, Ms. Culpeper-Ramírez, Dr. Muñoz-Zayas and Mr. Rodríguez-Díaz. The Board has determined all members of the nominations committee are independent within the meaning of the NYSE rules.

(3) The Nominations Committee's duties are to ensure that the Board has the plans, procedures, and resources needed to identify, recruit, and retain directors. The Nominations Committee will identify the individuals who, in their judgment, are best qualified to serve on the Board and present its recommendations to the Board for endorsement at the annual meeting. This committee will also make recommendations to fill any vacancies in the Board that might arise from time to time.

They include the following: (a) not having filed for bankruptcy, nor granted a fraudulent general assignment for the benefit of creditors, (b) not have been convicted of a felony or grave misdemeanor which involves moral depravation or turpitude, and (c) comply with any applicable requirements under BCBSA rules.

(5) The Nominations Committee develops qualifying criteria and is responsible for identifying, interviewing, and recommending to the Board those potential candidates that, in their judgment, are best qualified. Throughout this process, the committee may verify that the selected individuals possess the following specific qualities or skills: (a) experience or relevant knowledge, (b) time availability and commitment, (c) good reputation, (d) analytical thinking, (e) ability to work as a team, (f) independent judgment, and (g) ability to verbalize and present ideas in a rational and eloquent fashion. In addition, the Nominations Committee may include other requirements that it may deem necessary to strengthen the Corporation and fulfill its needs as vacancies occur. This practice is aimed at complying with good corporate governance practices.

(6) The Nominations Committee has the authority to hire and terminate the services of any professional third-party search firm to identify potential candidates for the position of director. During 2007, the Committee hired the services of a third party search firm to evaluate and identify possible nominees for the Board.

(7) The committee identified and recommended the nominations of Dr. José Hawayek-Alemañy and Ms. Adamina Soto-Martínez, each of whom is currently a member of our Board.

AUDIT COMMITTEE REPORT

The Audit Committee Charter ("Charter") establishes that the Audit Committee ("Committee") shall consist of three or more members of the Board. The Board has determined that each member of the Committee is independent. In making this determination, the Board follows the audit committee independence standards set forth in the NYSE's director independence rules. Currently, the Committee is comprised of six directors all of whom are independent under such standards. The Committee held ten meetings during the year ended December 31, 2007. Form 10-K and Form 10-Q filings were discussed in four of such meetings.

The role of the Committee is to assist the Board in its oversight of our financial reporting process, as well as our internal and external audit processes, independent registered public accounting firm's qualifications and performance of the internal audit function. The Committee also is responsible for the appointment, compensation, retention and oversight of the independent registered public accounting firm and the establishment of procedures for handling complaints. The Committee operates pursuant to the Charter that was adopted by the Board and ratified on January 31, 2008.

The Charter states that: (1) the Chair of the Audit Committee shall be appointed by the members of the Committee and (2) the Committee shall appoint the Vice-President of the Internal Audit Office when such position is vacant. The Committee has the resources and authority to discharge its responsibilities, including the authority to engage independent registered public accounting firm for special audits, reviews, and other procedures and to retain special counsel and other experts, consultants, or advisors. The Committee appoints or terminates the engagement of the independent registered public accounting firm and reviews the proposed audit scope and approach, including coordination of the audit effort with the Internal Audit Office.

In the performance of its oversight function, the Committee has considered and discussed our audited consolidated financial statements for the fiscal year ended December 31, 2007 with management and KPMG LLP, our independent registered public accounting firm.

The Committee has also discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees." In addition, the Committee has received the written disclosures and the letter from KPMG LLP required by Independence Standards Board Standard No. 1 ("Independence Discussion with Audit Committees"), as currently modified or supplemented. The Committee has also considered whether the provision of non-audit services by the independent registered public accounting firm to the Corporation is compatible with maintaining the auditors' independence, and has discussed with the independent auditors the auditors' independence from us and our management.

Table of Contents

As set forth in the Charter, management is responsible for: (1) the preparation, presentation, and integrity of our consolidated financial statements, and (2) maintaining appropriate accounting and financial reporting principles, policies, and internal controls and procedures that comply with accounting standards and applicable laws and regulations. The independent registered public accounting firm, KPMG LLP, is responsible for auditing our consolidated financial statements and expressing an opinion as to their conformity with U.S. generally accepted accounting principles.

The members of the Committee are not employees of the Corporation or any of its subsidiaries. While some of them may be accountants or auditors by profession, the Committee relies on, and makes no independent verification of, the financial or other information presented to it or representations made by management or the independent registered public accounting firm. Accordingly, the Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles and policies, or internal controls and procedures, designed to achieve compliance with accounting standards, and applicable laws and regulations.

Based on the Committee's consideration of the audited consolidated financial statements and the discussions referred to above with management and the independent registered public accounting firm, and subject to the limitations on the role and responsibilities of the Committee set forth in the Charter and those discussed above, the Committee recommended and the Board approved that our audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2007 for filing with the SEC.

No portion of this Audit Committee Report shall be deemed to be incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, through any general statement incorporating by reference in its entirety the Proxy Statement in which this report appears, except to the extent that the Corporation specifically incorporates this report or a portion of it by reference. In addition, this report shall not be deemed to be filed under either the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended.

COMPENSATION DISCUSSION AND ANALYSIS

The Board's Compensation Committee oversees the design and administration of the Corporation's executive and director compensation programs. The Compensation Committee works to ensure that the total compensation paid to the executive officers and outside directors is fair, reasonable and competitive with its peer group.

The individuals who served as our chief executive officer and chief financial officer during fiscal 2007, as well as the other individuals included in the Summary Compensation Table, are referred to as the "Named Executive Officers."

The Compensation Committee is comprised of only independent directors and is responsible for the administration of the Corporation's executive compensation program. Prior to May 2007, the Compensation Committee was comprised of a majority of independent directors (four out of five). The Compensation Committee met twelve times during 2007.

The Compensation Committee has the sole authority to engage the services of outside consultants to assist them. The Compensation Committee retained Frederic W. Cook & Co., Inc. ("Cook") as its compensation consultant during 2007 to advise the Compensation Committee in all matters related to the executives' and directors' compensation.

Our executive compensation program is designed to support the attainment of our vision, business strategy, and operating imperatives. Specifically, we believe that the most effective executive compensation program is one that is designed to reward the achievement of specific annual and long-term goals which align the executives' interests with those of the shareholders, and ultimately improve shareholder value.

To this end, our compensation program is designed to accomplish the following objectives:

Reinforce business values through the alignment of our efforts to deliver superior results for customers and shareholders, belief in good governance, socially responsible business practices, and high ethical standards.

Reinforce a high performance culture with clear emphasis on accountability and variable pay. The variable pay program is intended to drive a high performance culture that emphasizes both near and longer-term results.

Deliver compensation that is reasonable and competitive so that we can attract and retain talented leaders and motivate those leaders to achieve superior results. At the same time, we believe that compensation should be set responsibly to ensure a reasonable rate of return on our human capital expenditures.

Require levels of share ownership that increase with role scope. Executives will be required to own and hold a number of shares while in executive or policymaking roles to align their economic interests with other shareholders.

Determining Executive Compensation

We compare the compensation of the Named Executive Officers to that of companies with which we compete for talent, capital, and for customers. Those companies include private or publicly-held companies, stand-alone businesses or divisions of larger corporations. Our size and/or organizational complexity are considered when selecting comparable companies in Puerto Rico and the United States and data analysis methods. Within our general competitive framework, specific comparisons may vary by type of role.

Cook provided the Compensation Committee with relevant market data and alternatives to consider when making compensation decisions. Using data prepared by Cook, the Compensation Committee compared each element of total compensation to a defined list of direct industry competitors (“Insurance and Managed Care Peer Group”).

The Insurance and Managed Care Peer Group consists of companies against which the Compensation Committee believes we will compete for talent, capital, and customers or are comparable to us. The companies comprising the Insurance and Managed Care Peer Group are:

AMERIGROUP Corporation	Erie Indemnity Company	Sierra Health Services, Inc.
21st Century Insurance Group	HCC Insurance Holdings, Inc.	State Auto Financial Corporation
Alleghany Corporation	HealthSpring, Inc.	WellCare Health Plans, Inc.
Aspen Insurance Holdings Ltd	Infinity Property & Casualty Corporation	Zenith National Insurance Corporation
Centene Corporation	Magellan Health Services	
Delphi Financial Group, Inc.	Molina Healthcare, Inc.	

For comparison purposes, our annual revenues are at the median of the Insurance and Managed Care Peer Group. Total compensation is targeted at the median (50th percentile) of the Insurance and Managed Care Peer Group for all components of pay, including: base salary, short and long-term variable pay opportunities, benefits and perquisites.

Based on our compensation philosophy, a significant percentage of total compensation is delivered in the form of incentive compensation. There is no pre-established policy or target for the allocation between either cash and non-cash or short-term and long-term incentive compensation. Rather, the Compensation Committee reviews competitive pay information provided by Cook as well as our current operating goals and environment to determine the appropriate level and mix of incentive compensation. Actual amounts earned from incentive compensation are realized only as a result of individual or the Corporation’s performance, depending on the type of award, based on a comparison of actual results to pre-established goals.

Role of Individual Pay Components

Executive compensation historically has been delivered predominantly through base salary, annual cash bonuses, long-term incentive awards as well as retirement programs and a non-qualified deferred compensation plan.

Base Salary

Base salaries are used to recognize an employee’s immediate contribution to the organization, experience, knowledge, and responsibilities of each particular role. Base salaries are also used to compensate the Named Executive Officers for assuming a significant level of responsibility, to provide financial stability, to be market competitive, and to secure an appropriate level of incentive.

According to our Salary Adjustment Policy (the “Policy”) salary adjustments are based on a number of relevant factors, including: particular importance of the position to us, individual performance, growth in

position, market level increases, our financial performance and ability to pay. Also, the Policy establishes that base pay adjustments send clear performance messages and make moderate distinctions based on performance; for executives, significant distinctions in performance are recognized through our annual cash program. In addition, this Policy requires that timing for increases be consistent with market practice, and base salaries for executives are reviewed and adjusted as necessary on an annual basis to ensure pay levels remain competitive, as well as the time of promotion or changes in responsibilities.

Annual Cash Bonus

The annual cash bonus portion of an executive's total compensation opportunity is intended to accomplish a number of objectives, including: reinforce the optimization of operating results throughout the year, achievement of our stated objectives; pay for performance and reinforce individual accountability; support our long-term objective to create shareholder value; and to provide market competitive cash compensation when performance objectives are met or exceeded. This bonus can be highly variable from year to year depending on actual performance results.

The annual cash bonus is based on achievement of the Corporation's and individual business units' goals that are established at the beginning of each year. Goals are approved by the Board and include financial goals, such as consolidated premium earned and net income, as well as specific performance goals for each Named Executive Officer. The annual amount, if any, of the annual cash bonus is based on an evaluation of each Named Executive Officer's performance and on the financial goal achievement. Depending on the performance for the year, payment under the annual incentive may range from 0 percent to 150 percent of the target bonuses established by the Compensation Committee. The Compensation Committee approves the awards and has discretion to determine any changes to the amount to be paid. The final recommendation of the Compensation Committee is approved by the Board.

Target bonuses are currently established at 70 percent of base salary for the Chief Executive Officer ("CEO") and from 50 percent to 70 percent for the other Named Executive Officers. For the CEO and the Chief Financial Officer, the financial performance goals are based 80 percent on the Corporation's actual financial performance, against the corporate objectives for that year, and 20 percent on non-financial performance. This includes individual objectives that can be quantitative or qualitative. For all other executive officers, the performance measures are based 30 percent on the Corporation's actual financial performance, against the corporate objectives for that year, 50 percent on the actual performance of the corresponding business unit for which the executive is responsible, and 20 percent on the executive officer's non-financial performance, as established by the Compensation Committee.

In addition, we pay an annual bonus each December to all of our active employees, including the Named Executive Officers. This bonus is determined based on a non-performance predetermined formula and paid if the employee has worked more than 700 hours as of September 30 of each year and is an employee at the date of payment. The amount paid under this bonus approximates nine percent of base salary and, with respect to the bonus payable to the Named Executive Officers, is included in the bonus column of the Summary of Compensation Table.

Long-Term Incentive Awards

During 2007, on the closing of our initial public offering, we awarded stock options, restricted stock awards and performance awards to 11 executive officers, including Named Executive Officers, under the Plan. We believe that long-term incentives are an important and essential element that need to be offered as part of the total compensation program of the Corporation as a public entity to ensure our ability to attract, motivate, and retain top talent. As such, our long-term incentives to key management are designed to accomplish a number of important objectives:

Align management and shareholder interests

Balance the short-term orientation of other compensation elements

Provide a variable portion of total compensation tied to long-term market and financial performance of the Corporation

Build executive stock ownership

Hold executives accountable for their long-term decisions

Reinforce collaboration across the Corporation

Retain key executives over the long term

Share success with those who directly impact our performance results

At the time of this award, the Compensation Committee determined the terms of the award, including the performance period and the performance objectives relating to the award of performance shares. At the conclusion of a performance share award performance period, the Compensation Committee will review actual performance versus the pre-established performance goals to determine whether the performance objectives were met in whole or in part, and the associated payment that may be due as a result. The Compensation Committee carefully considered the impact of stock option expensing, as well as dilution, in order to achieve a balance between our cost, competitiveness and maintaining employee incentives.

The awards granted on the date of our initial public offering, were intended to provide what we deem to be a proper and competitive balance between stock options, restricted stock awards and performance awards. Based on the fair value of the awards determined in accordance with the Statement of Financial Accounting Standards (SFAS) No. 123(R), *Share-Based Payment*, approximately 51% of the cost of the grant was delivered in stock options that only benefit participants when the stock price increases, approximately 25% of the cost was delivered in restricted stock awards, which allows us to retain key talent over the long term, and the remaining 24% was delivered in performance awards, which allows us to tie compensation to the long-term market and financial performance of the Corporation.

Future long-term incentives may be delivered through a variety of award types that we may adopt in the future, including: stock options, restricted stock/units, performance-based equity (performance shares), performance-based cash (performance cash), and other equity/non-equity award types (e.g., stock SARs/cash SARs). We intend to provide long-term awards through a combination of some of the above mentioned types of awards.

Retirement Programs

Executive officers participate in our qualified and non-qualified employee retirement programs designed to provide retirement income. Our qualified and non-qualified pension plans provide a retirement income base.

Non-Qualified Deferred Compensation Plan

The purpose of this program is to provide certain executives who elect to become participants with the opportunity of deferring a portion of their compensation to a later date and benefiting from the tax advantages related thereto.

Role of Executive Officers in Compensation Decisions

The Compensation Committee makes all compensation decisions for Named Executive Officers of the Corporation. Decisions regarding the non-equity compensation of other executive officers are made by the Chief Executive Officer. The CEO annually reviews the performance of the other Named Executive Officer. The conclusions reached and recommendations based on these reviews, including with respect to salary adjustments and annual incentive award amounts, are presented to the Compensation Committee. The Compensation Committee reviews and approves or recommends changes in the compensation of the Named Executive Officers, including the CEO, and makes recommendations for final approval to the Board.

Compensation of Named Executive Officers for 2007

As part of the process of becoming a corporation whose shares are publicly-traded, the Compensation Committee evaluated the different components of compensation of the executive officers. The purpose was to ascertain compensation at adequate levels (defined as total compensation targeted at median external pay levels) when compared with peer companies and to retain its executive officers.

As part of the engagement of Cook, the Compensation Committee reviewed each pay component to align compensation for the first time to that of similar companies. The main purpose was to assure that we established a competitive compensation program. Based on the initial analysis, we began providing long-term incentive awards during 2007.

Base Salary

In setting base salaries for 2007, the Compensation Committee considered the following factors:

The corporate budget, meaning our overall budget for base salary increases. The corporate budget was established based on planned performance for 2007. The objective of the budget is to allow salary increases to retain and motivate successful performers while maintaining affordability within our business plan.

The relative pay differences for different job levels.

Individual performance base salary increases were driven by individual performance assessments.

Evaluation of peer group data specified to each executive position, where applicable. However, the Compensation Committee may exercise subjective judgment in determining final pay recommendations.

In establishing Mr. Ruiz' s base salary for 2007, the Compensation Committee applied the principles described above. In an executive session, the Compensation Committee assessed Mr. Ruiz' s 2006 performance, based on established corporate goals and financial objectives. They considered the Corporation' s and Mr. Ruiz' s accomplishment of objectives that had been established at the beginning of the year, strategic direction of the Corporation and its own subjective assessment of his performance. The Compensation Committee approved the salary increase of Mr. Ruiz and recommended it to the Board, which also approved it.

For all other Named Executive Officers salary increases were based on the aforementioned principles and were in line with budget increases.

Long-Term Incentive Awards

On the closing date of our initial public offering, the Compensation Committee awarded certain executive officers, including Named Executive Officers, stock options, restricted stock awards and performance awards. A summary of the long-term incentive awards granted during 2007 is included on the Grants of Plan Based Awards table.

Non-Equity Incentive Plan

The non-equity incentive award for 2007 was based on the performance of the Corporation against the stated objectives. For 2007, our reported net income was \$58.5 million, which exceeded the targeted level and reached the superior level. Also, total operating revenues, excluding net investment income, was \$1.5 billion, which was just at targeted level.

In February 2008, the Compensation Committee and the Board approved payments to the Named Executive Officers under the 2007 non-equity incentive plan, in the amounts set-forth below in the Summary Compensation Table. Payments were made within the parameters established.

Compensation Committee Report

The Corporation’s Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required above with management and, based on such review and discussions, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this proxy statement.

- The Compensation Committee established the performance measures for purposes of determining the amounts payable for the year ended December 31, 2007. The amounts shown under the Threshold column assume that the lowest levels are met by the Corporation or business unit. The amount of the annual bonus can be zero if the lowest level is not achieved. Awards, if any, under this plan are payable in the first quarter of the following year. Amounts approved for 2007 are reflected in the Summary Compensation Table – Non-Equity Incentive Plan Compensation column.
- All stock options were granted at an exercise price equal to the offering price on the New York Stock Exchange of our Class B shares.
- The grant date fair value of these awards was calculated in accordance with the provisions SFAS No. 123(R). There is no assurance that the value realized by Named Executive Officers, if any, will be at or near the amounts shown in this column. Future compensation resulting from option grants will be based solely on the performance of our stock price.
- Represents the number of stock options granted on the date of our initial public offering under the Plan.
- Represents the number of restricted stocks awarded on the date of our initial public offering under the Plan. Restricted stocks were considered issued and outstanding as of December 31, 2007, however, they

have a three year vesting period. Restricted stocks have the right as any other shareholder to receive any dividend declared by the Corporation on its Class B shares.

- (6) Represents the number of performance awards granted on the date of our initial public offering under the Plan. Performance awards vest at the end of a three-year period only if performance measures were achieved by Named Executive Officers. The threshold payout was determined at 50% of target and the maximum payout was determined at 200% of target. Performance measures have not been determined yet by the Compensation Committee.

- (2) Unvested restricted stock grants vest in equal installments on December 7, 2008, December 7, 2009 and December 7, 2010.
- (3) The market value of restricted stock and performance awards that have not vested was calculated by multiplying the closing price of our Class B shares on December 31, 2007 (\$20.21), by the applicable number of shares.
- (4) Unvested performance awards vest on December 31, 2010 depending on the achievement of performance measures by Named Executive Officers.

(1) Participant is eligible for early retirement under both plans. Additional details on early retirement payments and benefit formula and eligibility standards can be found in the sections titled “Non-Contributory Defined Benefit Pension Plan” and “Supplementary Retirement Plan” below.

We sponsor a Non-Contributory Retirement Program for certain of our employees. The compensation covered by the pension plans is the annual salary as set forth in the Summary Compensation Table. The Supplemental Retirement Program covers benefits in excess of the Internal Revenue Service (“IRS”) limits that apply to the Non-Contributory Retirement Program, which is a qualified program under IRS rules. The following is a summary of the pension plans’ provisions.

Non-Contributory Defined-Benefit Pension Plan

Employees eligible for participation – Employees age 21 or older with one year of service with a Blue Cross and/or Blue Shield organization are eligible to participate. An employee becomes a Participant on the January 1 or July 1 coincident with or next following the completion of the age and service participation requirements.

Employees of a subsidiary that participate in this Program are treated as employees of the Sponsoring Employer for purposes of this Program.

Average earnings – Highest average annual rate of pay from any five consecutive calendar year periods out of the last ten years. Each year's earnings are limited to \$200,000 (as indexed). As permitted under the Economic Growth and Tax Relief Reconciliation Act of 2001 ("EGTRRA"), for purposes of calculating Final Average Earnings for participants who are employed on or after January 1, 2002, the \$200,000 limit applied retroactively to the 1994 Program year. For 2007, the pension earnings are limited to \$225,000.

Accrued benefit – Single life benefit equal to the following:

- i. 2% of Final Average Earnings multiplied by Plan and Association Service (defined as years worked by an employee working with the BCBSA)
- ii. up to 30 years, minus
- iii. Prior Plan benefit (if any)

The Accrued Benefit cannot be less than the benefit calculated considering Employer Service only.

Normal retirement

iv. Eligibility – Termination of employment after both the attainment of age 65 and after either the fifth anniversary of Program participation or completion of five years of Vesting Service.

v. Benefit – The Accrued Benefit payable at Normal Retirement Date.

To be eligible for early retirement, termination of employment should occur after attaining age 55 with five years of Plan Service. The benefit will be the Accrued Benefit at Normal Retirement Date reduced using factors that are actuarially equivalent to the age 62 benefit. There is no reduction if retirement occurs after age 62.

The Plan also has a special early retirement. To be eligible, the termination of employment should occur after attaining 30 years of Plan Service and election of immediate benefit commencement. The Accrued Benefit is calculated at date of termination with no early retirement reductions. This benefit replaces the Early Retirement benefit for those meeting the Special Early Retirement benefit eligibility.

Forms of payment – The standard form is a straight life annuity. The automatic form of payment for a single Participant is the standard form, and for a married Participant at the benefit commencement date there is a reduced qualified joint and survivor annuity, with 50% of the benefit continuing to the surviving spouse upon the earlier death of the Participant.

In lieu of the automatic form of payment, a Participant may elect, with the proper spousal consent, one of the optional forms of annuity payment or, alternatively, a single lump sum payment.

Supplementary Retirement Plan

Employees eligible for participation – Employees with Qualified Retirement Program (the "Non-Contributory Retirement Program") benefits limited by the IRC maximum compensation and benefit limits are eligible to participate.

Final average earnings – The highest average annual rate of pay from any five consecutive calendar year periods out of the last ten years.

Accrued benefit – Single life benefit equal to the following:

- vi. 2% of Final Average Earnings multiplied by Plan and Association Service up to 30 years, minus
- vii. Prior Plan benefit (if any), minus

viii. Qualified Retirement Program Benefit

The Accrued Benefit cannot be less than the benefit calculated considering Employer Service only.

Normal retirement

ix. Eligibility – Termination of employment after both the attainment of age 65 and after either the fifth anniversary of Program participation or completion of five years of Vesting Service.

x. Benefit – The Accrued Benefit payable at Normal Retirement Date.

Early retirement

The automatic form of payment for a single Participant is the standard form and for a married Participant at the benefit commencement date is a reduced qualified joint and survivor annuity, with 50% of the benefit continuing to the surviving spouse upon the earlier death of the Participant.

The monthly stipend for health insurance is included within the "Fees Earned or Paid in Cash" column.

In addition, the Board holds an annual off-site meeting to discuss our strategic direction and to comply with educational requirements, among other purposes. Members may be accompanied by their spouses, whose transportation and other costs are paid by us. Certain executives and their spouses accompany the Board as it may be necessary. Some of the activities at this meeting could be considered non-work related; however, due to the difficulty in allocating the specific cost to each member and since total cost is estimated at less than \$5,000 per person, such amount was not included in the above table under "All Other Compensation."

OTHER RELATIONSHIPS, TRANSACTIONS AND EVENTS

Certain directors and executive officers of the Corporation have immediate family members who are employed by the Corporation or its subsidiaries. The compensation of these family members is established in accordance with the employment and compensation practices applicable to employees with equivalent qualifications and responsibilities and holding similar positions.

In the ordinary course of business, the Corporation's subsidiaries provide insurance to a number of individual directors and executive officers of the Corporation, to the medical practices of such directors, and to members of their respective immediate families. The Corporation's subsidiaries also provide insurance to *Méndez & Co., Inc.*, *Menaco Corporation*, *Clínica Las Américas Guaynabo*, *Palmas del Mar Properties, Inc.*, *B. Fernández & Hermanos, Inc.*, *Pan Pepin (a wholly-owned subsidiary of B Fernandez & Hermanos Holding)*, *Kevane Grant Thorton, LLP*, *San Jorge Medical Specialties* and *Vernet, Inc.* Certain directors and nominees have material ownership interests in or occupy senior positions at these entities, including as President and Director. The aggregate amount paid to the Corporation's subsidiaries for services to these entities in 2007 amounted to approximately \$3,734,788. The terms on which the Corporation's subsidiaries provide insurance to related parties are substantially the same as the terms offered to unrelated parties.

Directors of the Corporation that are physicians, dentists or their affiliated entities are also service providers of Triple-S, Inc. in the ordinary course of their business as physicians and dentists. Some of our directors, their immediate family members and affiliated entities received more than \$120,000 in compensation for services as healthcare providers for one of the Corporation's subsidiaries. Dr. Wilmer Rodríguez-Silva, chairman of the Board, received approximately \$191,430 in 2007. Dr. Porfirio Díaz-Torres, a director of our Board, and members of his immediate family received approximately \$374,161 in 2007. *Clínica Las Américas Guaynabo*, a medical clinic of which our director, Dr. Arturo Córdova-López, is Medical Director and a

principal shareholder, received total payments from Triple-S, Inc. of approximately \$1,950,593 in 2007. *San Jorge Children's Medical Specialties*, a medical group of which our director, Dr. Luis A. Clavell-Rodríguez, is the managing partner and controlling shareholder, received total payments from Triple-S, Inc of approximately \$540,684 in 2007. *San Jorge Children's Hospital*, a hospital at which Dr. Luis A. Clavell-Rodríguez is the Chief Medical Officer, received total payments from TSI of approximately \$10,207,699 in 2007. The terms of the provider agreements with Triple-S, Inc. pursuant to which the above payments were made are the same as the terms of the provider agreements of physicians and healthcare organizations who are not directors or affiliated with directors of the Corporation.

While the Corporation periodically monitors transactions with related persons, the Corporation has not adopted a formal written policy regarding the review, approval or ratification of transactions with related persons. On an annual basis, each director and executive officer of the Corporation is obligated to complete a Director and Officer Questionnaire which requires disclosure of any transactions with the Corporation in which the director or executive officer, or any member of his or her immediate family, have a direct or indirect material interest.

AMENDMENTS TO THE AMENDED AND RESTATED ARTICLES OF INCORPORATION

On February 28, 2008, our Board adopted resolutions approving the amendments to the Articles, and recommended that they be presented for shareholder approval at the annual meeting of shareholders, as required by the Articles. The adoption of the amendments to the Articles would modify the composition of the three groups into which our Board is divided, making them more consistent with those contained in the articles of incorporation of comparable publicly-traded companies and the requirements of the BCBSA. For the reasons set forth below, our Board believes that it is in the best interest of the Corporation and that of its shareholders to adopt the amendments to the Articles (Proposals 2 and 3).

Currently, the Articles of the Corporation establish that the Board shall be divided into three groups, consisting of five (5), six (6) and seven (7) directors, respectively. Although our By-laws provide that our Board may determine its size by resolution, the current staggered board provision included in our Articles prevents our Board from exercising the authority granted to it by our By-laws. Our Board believes that it should be afforded the flexibility currently provided by our By-laws, which in turn, will enable it to make decisions regarding its effectiveness and productivity.

During the 2008 Annual Meeting of Shareholders, a proposal for adopting certain amendments to our Articles will be presented. Our Board believes that the amendments present changes that are important to the continued improvement of its performance.

PROPOSAL 2: AMENDMENT OF ARTICLE TENTH B OF THE AMENDED AND RESTATED ARTICLES OF INCORPORATION

Proposal 2 is presented by the Board to amend Article TENTH B of our Articles. Proposal 2 eliminates the requirement that each group of directors be comprised of a specific number of directors and authorizes the Board to make certain changes regarding the size of each group of the Board.

TENTH:

B. Subject to the terms of this paragraph. ~~The~~ ~~the~~ Board of Directors is ~~shall be~~ divided into three groups, ~~plus the President of the Corporation,~~ respectively designated "Group 1," "Group 2," and "Group 3," as nearly equal in number as possible and whose term expire at different times. Directors in each group shall be elected for a term ending on the date of the third annual meeting of shareholders following the annual meeting at which such director is elected. The Board of Directors may (i) reduce the size of each group of directors and (ii) nominate directors for shorter terms of office and assign such nominees to another group, in order to meet the requirements of the first sentence of this paragraph by

~~the 2010 annual meeting of shareholders. The first is made up of five (5) directors, the second group is composed of six (6) directors, and the third group is made up of seven (7) directors. The terms of the groups will be placed at intervals, therefore, the term of the first group of directors will end in the Shareholders Annual Meeting in the year 2005; the term of the second group of directors will end in the Shareholders Annual Meeting in the year 2006 and the term of the third group of directors will end in the Shareholders Annual Meeting in the year 2007.~~

Reasons for Voting in Favor of the Proposal

Our Board may determine its size by resolution pursuant to an amendment to our Articles approved in the 2007 Annual Meeting of Shareholders. Our Articles provide, however, that our Board must be comprised of at least nine (9) directors but no more than nineteen (19). Our Board is currently comprised of nineteen (19) directors.

Our Board has considered the advantages and disadvantages of its current size. In connection with the 2008 Annual Meeting of Shareholders, the Board has approved a resolution to reduce the number of directors from nineteen (19) to seventeen (17). The Corporation will achieve this reduction by proposing three (3) nominees to fill the five (5) vacancies up for election by shareholders at the 2008 annual meeting of shareholders. The Board also has voted to approve Proposal 2, which amends Article TENTH B of the Articles in order to provide flexibility in the determination of the size of each of the groups into which our Board is divided, and recommends it to our shareholders as being in the best interest of the Corporation and our shareholders. In reaching this determination, our Board concluded that the flexibility and added efficiency that a smaller board of directors provides a company whose shares are publicly-traded outweighed the benefits of a larger board of directors.

At present, our Articles establish that the Board shall be divided into three groups, consisting of five (5), six (6) and seven (7) directors, respectively. Upon the approval by our shareholders of Proposal 2, the Board resolution reducing the amount of directors serving on our Board will take effect. Our Board will reduce the size of each group of directors in the manner it deems appropriate and nominate sufficient directors to fill the remaining vacancies in each group at annual meetings of shareholders following the 2008 annual meeting of shareholders. This process will begin at the 2008 annual meeting of shareholders and will be completed at the 2010 annual meeting of shareholders.

Vote Requirement

The affirmative vote of the majority of the issued and outstanding shares of common stock entitled to vote on the record date is required to approve the amendment to Article TENTH B of the Articles. This reduced vote requirement is due to the approval by the BCBSA of this Proposal 2.

The Board believes that the proposal to approve the amendment to Article TENTH B of the Articles is in the best interests of our shareholders and recommends a vote FOR the proposal.

PROPOSAL 3: AMENDMENT OF ARTICLE TENTH C OF THE AMENDED AND RESTATED ARTICLES OF INCORPORATION

Proposal 3 is presented by the Board to amend Article TENTH C of our Articles. Proposal 3 eliminates director term limits and certain provisions that have been addressed in Proposal 2.

TENTH:

~~C. The term each group member subsequently elected at the Shareholders Annual Meeting will occupy will be three (3) years. Every director will perform his/her duties until his/her successor is duly elected and in possession of his/her position. No director, except the Corporation's President, while fulfilling said hierarchie duties, may be elected for more than three (3) terms or serve as such for more than nine (9) years. The President of the Corporation, which is also **shall be** a member of the Board of Directors; **and will be** is~~

excluded from the aforementioned groups. **Every director will perform his/her duties until his/her successor is duly elected and in possession of his/her position.**

Reasons for Voting in Favor of the Proposal

Our Board has considered the advantages and disadvantages of current director term limits, and has voted to approve Proposal 3 and recommends it to our shareholders as being in the best interest of the Corporation and our shareholders. The elimination of director term limits is intended to provide and promote greater stability, continuity and knowledge of the Corporation's business affairs and financial strategies. The approval of Proposal 3 would ensure the retention of directors with prior experience as directors of the Corporation and that are familiar with the Corporation's strategies and operations. Experienced directors are a valuable resource and, with their knowledge about the Corporation's business and affairs, are better positioned to make decisions that are in the best interests of the Corporation and its shareholders. The Board believes that maintaining director term limits would risk the loss of directors with core knowledge of the Corporation, its business and its operations that has been gained during their service to the Corporation and its shareholders. The Board believes that the elimination of director term limits will also help attract more qualified candidates who are willing to commit the time and dedication necessary to understand the Corporation and its competitive environment.

Moreover, the elimination of director term limits does not compromise the directors' accountability to our shareholders. Every director is required to uphold his or her fiduciary duties to the Corporation and our shareholders, regardless of whether the duration of the director's stay on the Board. Although the shareholders have an opportunity to express any dissatisfaction they may have with a director by withholding votes from said director when standing for election, if this proposal is approved, our current and any future director may be indefinitely elected to our Board.

Vote Requirement

The affirmative vote of the majority of the issued and outstanding shares of common stock entitled to vote on the record date is required to approve the amendment to Article TENTH C of the Articles.

The Board believes that the proposal to approve the amendment to Article TENTH C of the Articles is in the best interests of our shareholders and recommends a vote FOR the proposal.

PROPOSAL 4: APPROVAL OF THE TRIPLE-S MANAGEMENT CORPORATION 2007 INCENTIVE PLAN

2007 Incentive Plan

On October 16, 2007, our Board adopted the Triple-S Management Corporation 2007 Incentive Plan (the "Plan"). The purposes of our Plan are to create incentives designed to motivate our employees to significantly contribute toward our growth and profitability, to provide our executives, directors and other employees, and persons who, by their position, ability and diligence, are able to make important contributions to our growth and profitability, with an incentive to assist us in achieving our long-term corporate objectives, to attract and retain executives and other employees of outstanding competence, and to provide such persons with an opportunity to acquire an equity interest in us.

According to the Plan, we may grant incentive stock options, non-qualified stock options, stock appreciation rights, restricted stock, deferred shares, performance awards, including cash bonus awards, and other stock-based awards, to our officers and key employees, and those of our subsidiaries. In addition, the Plan authorized the grant of equity-based compensation incentives to our directors and to any independent contractors and consultants who by their position, ability and diligence are able to make important contributions to our future growth and profitability. Generally, all classes of our employees are eligible to participate in the Plan. On October 16, 2007 the Board awarded performance stocks, restricted stocks and stock options to various executive officers of the Corporation.

We have reserved a maximum of 4,700,000 shares of our authorized Class B common stock for issuance upon the exercise of awards to be granted pursuant to the Plan. Each share issued under an option or under a restricted stock award will be counted against this limit. Shares to be delivered at the time a stock option is exercised or at the time a restricted stock award is made may be available from authorized but unissued shares or from stock previously issued but which we have reacquired and hold in our treasury.

Shareholder approval will provide shareholders with a complete picture of all aspects of director and executive compensation, and to qualify the Plan with the Department of the Treasury of the Commonwealth of Puerto Rico, which would allow the recipient of a grant of qualified stock options to receive certain tax benefits. The following is a summary of the material provisions of the Plan and is qualified in its entirety by reference to the complete text of the Plan, a copy of which is attached to this proxy statement as [Exhibit B](#).

Plan Term. The Plan will have a 10-year term, subject to earlier termination by our Board.

Authorized Shares. Subject to adjustment, up to 4,700,000 of the shares of our Class B shares outstanding will be available for awards to be granted under the Plan. No participant in the Plan may receive stock options and stock appreciation rights in any calendar year that relate to more than 600,000 shares of our class B shares. Shares of common stock to be issued under the Plan may be made available from authorized but unissued Class B shares or Class B shares that we acquire.

If an award (other than a substitute award as defined below) terminates, is forfeited, cancelled or settled for cash then the shares covered by such award will again be available for issuance under the Plan. In addition, shares tendered or withheld in payment of an exercise price or for withholding taxes also will again be available for issuance under the Plan. Shares of our common stock underlying substitute awards shall not reduce the number of such shares available for delivery under the Plan. A “substitute award” is any award granted in assumption of, or in substitution for, an outstanding award previously granted by a company acquired by us or with which we combine.

Administration. The Compensation Committee will administer the Plan and will have authority to select individuals to whom awards are granted, determine the types of awards and number of shares covered, and determine the terms and conditions of awards, including the applicable vesting schedule, performance conditions, and whether the award will be settled in cash, shares or a combination of the two.

Types of Awards. The Plan will provide for grants of incentive stock options, non-qualified stock options, stock appreciation rights, restricted stock, deferred shares, performance awards, including cash bonus awards, and other stock-based awards.

Stock options. An option is the right to purchase shares of Class B common stock at a future date at a specified exercise price. The per share exercise price of options will be determined by the Compensation Committee but may not be less than the closing price of a share of our Class B common stock on the date of grant (other than a substitute award). The Compensation Committee determines the date after which options may be exercised in whole or in part, and the expiration date of each option. However, no option award will be exercisable after the expiration of 10 years from the date the option is granted.

Stock appreciation rights. A stock appreciation right is a contractual right granted to the participant to receive, in cash or shares, an amount equal to the appreciation of one share of Class B common stock from the date of grant. Any stock appreciation rights will be granted subject to the same terms and conditions applicable to options, as described above.

Restricted stock/restricted stock units. Shares of restricted stock are shares of our Class B common stock subject to restrictions on transfer and a substantial risk of forfeiture. A restricted stock unit consists of a contractual right denominated in shares of our Class B common stock which represents the right to receive the value of a share of Class B common stock at a future date, subject to certain vesting and other restrictions. While we currently intend that these awards generally will provide at least a 3-year vesting period if vesting is based on continued employment (1 year if based on achievement of performance objectives), restricted stock and restricted stock units will be subject to

restrictions and such other terms and conditions as the Compensation Committee may determine, which restrictions and such other terms and conditions may lapse separately or in combination at such time or times, in such installments or otherwise, as the Compensation Committee may deem appropriate.

Performance Awards. The Plan will provide that grants of performance awards, including cash-denominated awards and (if determined by the Compensation Committee) restricted stock, restricted stock units or other stock-based awards, will be made based upon, and subject to achieving, certain “performance objectives.” Performance objectives with respect to those awards that are intended to qualify as “performance-based compensation” for purposes of Section 162(m) of the Internal Revenue Code are limited to premiums earned; net sales; revenue; revenue growth or product revenue growth; operating income (before or after taxes); pre- or after-tax income (before or after allocation of corporate overhead and bonus); net earnings; earnings per share; net income (before or after taxes); return on equity; total shareholder return; return on assets or net assets; appreciation in and/or maintenance of share price; market share; gross profits; earnings (including earnings before taxes, earnings before interest and taxes or earnings before interest, taxes, depreciation and amortization); economic value-added models or equivalent metrics; comparisons with various stock market indices; reductions in costs; cash flow or cash flow per share (before or after dividends); return on capital (including return on total capital or return on invested capital); cash flow return on investment; improvement in or attainment of expense levels or working capital levels; operating margins, gross margins, net margin or cash margin; year-end cash; debt reductions; shareholder equity; market share; regulatory achievements; and implementation, completion or attainment of measurable objectives with respect to research, development, products or projects and recruiting and maintaining personnel. The maximum number of shares of our Class B common stock subject to a performance award in any fiscal year is 150,000 shares and the maximum amount that can be earned in respect of a performance award denominated in cash or value other than shares on an annualized basis is \$3.0 million

Deferred shares. An award of deferred shares entitles the participant to receive shares of our Class B common stock upon the expiration of a specified deferral period. In addition, deferred shares may be subject to restrictions on transferability, forfeiture and other restrictions as determined by the Compensation Committee.

Other awards. The Compensation Committee is authorized to grant other stock-based awards, either alone or in addition to other awards granted under the Plan. Other awards may be settled in shares, cash, awards granted under the Plan or any other form of property as the Compensation Committee determines.

Eligibility. All our employees and members of our Board will be eligible to participate in the Plan. From time to time, our Board will determine who will be granted awards, the number of shares or performance units subject to such grants, and the terms of awards. Under the Plan, awards may be granted to our employees, our directors and other individuals providing services to us, including but not limited to consultants, advisors and independent contractors. As of December 31, 2007, there were about 2,300 people who would have been eligible to receive awards under the Plan.

Adjustments. The Compensation Committee shall adjust the terms of any outstanding awards and the number of shares of Class B common stock issuable under the Plan for any change in shares of our common stock resulting from a stock split, reverse stock split, stock dividend, spin-off, combination or reclassification of our Class B common stock, an issuance of shares pursuant to the anti-dilution provisions of the Class B common stock or any other event that affects our capitalization if the Compensation Committee determines an adjustment is equitable or appropriate.

Termination of Service and Change in Control. The Compensation Committee will determine the effect of a termination of employment and a change in control (as defined in the Plan) or service on awards granted under the Plan.

Plan Benefits. Future benefits under the Plan are not currently determinable. However, current benefits granted to our directors, named executive officers and all our other employees would not have been increased

if they had been made under the Plan. Grants of performance stock, restricted stock and stock options to our named executive officers are shown in the Grant of Plan-Based Awards table in the proxy statement.

Amendment, Modification and Termination. The Board may from time to time suspend, discontinue, revise or amend the Plan and the Compensation Committee may amend the terms of any award in any respect, provided that no such action will adversely impair or affect the rights of a holder of an outstanding award under the Plan without the holder's consent, and no such action will be taken without shareholder approval, if required by the rules of the stock exchange on which our shares are traded.

Vote Requirement

The affirmative vote of the majority of the votes present in person or by proxy by shareholders entitled to vote at the Annual Meeting of Shareholders is required to approve the Plan. Therefore, abstentions shall have the effect of a vote against the proposal. Broker-non-votes will have no effect on the proposal.

The Board believes that the proposal to approve the Plan is in the best interests of our shareholders and recommends a vote FOR the proposal.

(c) Any Shares delivered pursuant to an Award may consist, in whole or in part, of authorized and unissued Shares or Shares acquired by the Company.

(d) In the event that the Committee shall determine that any dividend or other distribution (whether in the form of cash, Shares or other securities), recapitalization, stock split, reverse stock split, reorganization,

merger, consolidation, split-up, spin-off, combination, repurchase or exchange of Shares or other securities of the Company, issuance of warrants or other rights to purchase Shares or other securities of the Company, issuance of Shares pursuant to the anti-dilution provisions of the Shares, or other similar corporate transaction or event affects the Shares such that an adjustment is appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, then the Committee shall adjust equitably any or all of (i) the number and type of Shares (or other securities) which thereafter may be made the subject of Awards, including the aggregate and individual limits specified in Section 5(a), (ii) the number and type of Shares (or other securities) subject to outstanding Awards, and (iii) the grant, purchase, or exercise price with respect to any Award or, if deemed appropriate, make provision for a cash payment to the holder of an outstanding Award; *provided, however*, that the number of Shares subject to any Award denominated in Shares shall always be a whole number.

(c) The Committee shall determine the time or times at which an Option may be exercised in whole or in part.

(d) The Committee shall determine the method or methods by which, and the form or forms, including, without limitation, cash, Shares, other Awards, or any combination thereof, having a Fair Market Value on the exercise date equal to the relevant exercise price, in which, payment of the exercise price with respect thereto may be made or deemed to have been made.

(e) The terms of any Incentive Stock Option granted under the Plan shall comply in all respects with the provisions of Section 422 of the Code, or any successor provision thereto, and any regulations promulgated thereunder.

(f) The terms of any Qualified Stock Option granted under the Plan shall comply in all respects with the provisions of Section 1046 of the PR Code, or any successor provision thereto, and any regulations promulgated thereunder.

Section 7. *Stock Appreciation Rights.*

(a) The Committee is hereby authorized to grant Stock Appreciation Rights (“**SARs**”) to Participants with terms and conditions as the Committee shall determine not inconsistent with the provisions of the Plan.

(b) SARs may be granted hereunder to Participants either alone (“**freestanding**”) or in addition to other Awards granted under the Plan (“**tandem**”) and may, but need not, relate to a specific Option granted under Section 6.

(c) Any tandem SAR related to an Option may be granted at the same time such Option is granted or at any time thereafter before exercise or expiration of such Option. In the case of any tandem SAR related to any Option, the SAR or applicable portion thereof shall not be exercisable until the related Option or applicable portion thereof is exercisable and shall terminate and no longer be exercisable upon the termination or exercise of the related Option, except that a SAR granted with respect to less than the full number of Shares covered by a related Option shall not be reduced until the exercise or termination of the related Option exceeds the

number of Shares not covered by the SAR. Any Option related to any tandem SAR shall no longer be exercisable to the extent the related SAR has been exercised.

(d) A freestanding SAR shall not have a term of greater than 10 years or, unless it is a Substitute Award, an exercise price less than 100% of Fair Market Value of the Share on the date of grant.

Section 8. *Restricted Stock and Restricted Stock Units.*

(a) The Committee is hereby authorized to grant Awards of Restricted Stock and Restricted Stock Units to Participants.

(b) Shares of Restricted Stock and Restricted Stock Units shall be subject to such restrictions as the Committee may impose (including, without limitation, any limitation on the right to vote a Share of Restricted Stock or the right to receive any dividend or other right), which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise, as the Committee may deem appropriate.

(c) Any share of Restricted Stock granted under the Plan may be evidenced in such manner as the Committee may deem appropriate including, without limitation, book-entry registration or issuance of a stock certificate or certificates. In the event any stock certificate is issued in respect of shares of Restricted Stock granted under the Plan, such certificate shall be registered in the name of the Participant and shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock.

(d) The Committee may in its discretion, when it finds that a waiver would be in the best interests of the Company, waive in whole or in part any or all restrictions with respect to Shares of Restricted Stock or Restricted Stock Units.

(e) If the Committee intends that an Award under this Section 8 shall constitute or give rise to “qualified performance based compensation” under Section 162(m) of the Code, such Award may be structured in accordance with the requirements of Section 9(c), including without limitation, the performance criteria and the Award limitation set forth therein, and any such Award shall be considered a Performance Award for purposes of the Plan.

Section 9. *Performance Awards.*

(a) The Committee is hereby authorized to grant Performance Awards to Participants with terms and conditions as the Committee shall determine not inconsistent with the provisions of the Plan.

(b) Performance Awards may be denominated as a cash amount, number of Shares, or a combination thereof and are Awards which may be earned upon achievement or satisfaction of performance conditions specified by the Committee. In addition, the Committee may specify that any other Award shall constitute a Performance Award by conditioning the right of a Participant to exercise the Award or have it settled, and the timing thereof, upon achievement or satisfaction of such performance conditions as may be specified by the Committee. The Committee may use such business criteria and other measures of performance as it may deem appropriate in establishing any performance conditions. Subject to the terms of the Plan, the performance goals to be achieved during any Performance Period, the length of any Performance Period, the amount of any Performance Award granted and the amount of any payment or transfer to be made pursuant to any Performance Award shall be determined by the Committee.

(c) Every Performance Award shall, if the Committee intends that such Award should constitute “qualified performance-based compensation” for purposes of Section 162(m) of the Code, include a pre-established formula, such that payment, retention or vesting of the Award is subject to the achievement during a performance period or periods, as determined by the Committee, of a level or levels of, or increases in, in each case as determined by the Committee, one or more performance measures with respect to the Company, including without limitation the following: revenue growth, operating income growth, premiums earned; net sales; revenue or product revenue growth; operating income (before or after taxes); pre- or after-tax income (before or after allocation of corporate overhead and bonus); net earnings; earnings per share, earnings per share growth; net income (before or after taxes); return on equity; total shareholder return; return on assets or net assets; appreciation in and/or maintenance of share price; market share; gross profits; earnings (including

earnings before taxes, earnings before interest and taxes or earnings before interest, taxes, depreciation and amortization); comparisons with various stock market indices; reductions in costs; cash flow or cash flow per share (before or after dividends); return on capital (including return on total capital or return on invested capital); cash flow return on investment; improvement in or attainment of expense levels or working capital levels; operating margins, gross margins or cash margin; year-end cash; debt reductions; shareholder equity; regulatory achievements; and implementation, completion or attainment of measurable objectives with respect to research, development, products or projects and recruiting and maintaining personnel, each as determined in accordance with generally accepted accounting principles, where applicable, as consistently applied by the Company. Performance criteria may be measured on an absolute (*e.g.*, plan or budget) or relative basis. Relative performance may be measured against a group of peer companies, a financial market index, or other acceptable objective and quantifiable indices. Except in the case of an award intended to qualify as “performance-based compensation” under Section 162(m) of the Code, if the Committee determines that a change in the business, operations, corporate structure or capital structure of the Company, or the manner in which the Company conducts its business, or other events or circumstances render the performance objectives unsuitable, the Committee may modify the performance objectives or the related minimum acceptable level of achievement, in whole or in part, as the Committee deems appropriate and equitable. Performance measures may vary from Performance Award to Performance Award, respectively, and from Participant to Participant, and may be established on a stand-alone basis, in tandem or in the alternative. The Committee shall have the power to impose such other restrictions on Awards subject to this Section 9(c) as it may deem necessary or appropriate to ensure that such Awards satisfy all requirements for “performance-based compensation” within the meaning of Section 162(m)(4)(C) of the Code, or any successor provision thereto. Notwithstanding any provision of the Plan to the contrary, the Committee shall not be authorized to increase the amount payable under any Award to which this Section 9(c) applies upon attainment of such pre-established formula.

(d) *Settlement of Performance Awards; Other Terms.*

Settlement of Performance Awards shall be in cash, Shares, other Awards or other property, or a combination thereof, in the discretion of the Committee. Performance Awards will be distributed only after the end of the relevant Performance Period. The Committee may, in its discretion, increase or reduce the amount of a settlement otherwise to be made in connection with such Performance Awards, but may not exercise discretion to increase any such amount payable to a Covered Employee in respect of a Performance Award intended to qualify as “performance-based compensation” for purposes of Section 162(m) of the Code. Any settlement which changes the form of payment from that originally specified shall be implemented in a manner such that the Performance Award and other related Awards do not, solely for that reason, fail to qualify as “performance-based compensation” for purposes of Section 162(m) of the Code. The Committee shall specify the circumstances in which such Performance Awards shall be paid or forfeited in the event of termination of employment by the Participant.

Section 10. *Other Stock-Based Awards.* The Committee is authorized, subject to limitations under applicable law, to grant to Participants such other Awards that may be denominated or payable in, valued in whole or in part by reference to, or otherwise based on, or related to, Shares or factors that may influence the value of Shares, including, without limitation, convertible or exchangeable debt securities, other rights convertible or exchangeable into Shares, purchase rights for Shares, Awards with value and payment contingent upon performance of the Company or business units thereof or any other factors designated by the Committee. The Committee shall determine the terms and conditions of such Awards. Shares delivered pursuant to an Award in the nature of a purchase right granted under this Section 10 shall be purchased for such consideration, paid for at such times, by such methods, and in such forms, including, without limitation, cash, Shares, other Awards, notes, or other property, as the Committee shall determine. Cash awards, as an element of or supplement to any other Award under the Plan, may also be granted pursuant to this Section 10.

Section 11. *Effect of Termination of Service on Awards.* The Committee may provide, by rule or regulation or in any Award Agreement, or may determine in any individual case, the circumstances in which Awards shall be exercised, vested, paid or forfeited in the event a Participant ceases to provide Service to the Company or any Affiliate prior to the end of a performance period or exercise or settlement of such Award.

Section 12. *General Provisions Applicable to Awards.*

(a) Awards shall be granted for no cash consideration or for such minimal cash consideration as may be required by applicable law.

(b) Awards may, in the discretion of the Committee, be granted either alone or in addition to or in tandem with any other Award or any award granted under any other plan of the Company. Awards granted in addition to or in tandem with other Awards, or in addition to or in tandem with awards granted under any other plan of the Company, may be granted either at the same time as or at a different time from the grant of such other Awards or awards.

(c) Subject to the terms of the Plan, payments or transfers to be made by the Company upon the grant, exercise or payment of an Award may be made in the form of cash, Shares, other securities or other Awards, or any combination thereof, as determined by the Committee in its discretion at the time of grant, and may be made in a single payment or transfer, in installments, or on a deferred basis, in each case in accordance with rules and procedures established by the Committee. Such rules and procedures may include, without limitation, provisions for the payment or crediting of reasonable interest on installment or deferred payments or the grant or crediting of dividend equivalents in respect of installment or deferred payments.

(d) Except as may be permitted by the Committee or as specifically provided in an Award Agreement, (i) no Award and no right under any Award shall be assignable, alienable, saleable or transferable by a Participant otherwise than by will or pursuant to Section 12(e) and (ii) each Award, and each right under any Award, shall be exercisable during the Participant's lifetime only by the Participant or, if permissible under applicable law, by the Participant's guardian or legal representative. The provisions of this paragraph shall not apply to any Award which has been fully exercised, earned or paid, as the case may be, and shall not preclude forfeiture of an Award in accordance with the terms thereof.

(e) A Participant may designate a Beneficiary or change a previous beneficiary designation at such times prescribed by the Committee by using forms and following procedures approved or accepted by the Committee for that purpose. If no Beneficiary designated by the Participant is eligible to receive payments or other benefits or exercise rights that are available under the Plan at the Participant's death, the Beneficiary shall be the Participant's estate.

(f) All certificates for Shares and/or Shares or other securities delivered under the Plan pursuant to any Award or the exercise thereof shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan or the rules, regulations, and other requirements of the Securities and Exchange Commission, any stock exchange upon which such Shares or other securities are then listed, and any applicable Federal or state securities laws, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

(g) Unless otherwise specifically provided in the applicable Award Agreement, upon a Change in Control, the Committee shall determine whether outstanding Options shall become fully exercisable and/or vested and whether outstanding Awards (other than Options) shall become fully vested and/or payable. In addition, the Committee shall determine the treatment of outstanding Awards in connection with any transaction or transactions resulting in a Change in Control.

(h) The Committee may impose restrictions on any Award with respect to non-competition, confidentiality and other restrictive covenants, as it deems necessary in its sole discretion.

Section 13. *Amendments and Termination.*

(a) Except to the extent prohibited by applicable law and unless otherwise expressly provided in an Award Agreement or in the Plan, the Board may amend, alter, suspend, discontinue, or terminate the Plan or any portion thereof at any time; *provided, however*, that no such amendment, alteration, suspension, Discontinuation or termination shall be made without (i) shareholder approval if such approval is required by the listed company rules of the stock exchange, if any, on which the Shares are principally traded or quoted or (ii) the consent of the affected Participant, if such action would adversely affect the rights of such Participant under any outstanding Award, except to the extent any such amendment, alteration, suspension, discontinuance or

termination is made to cause the Plan to comply with applicable law, stock exchange rules and regulations or accounting or tax rules and regulations. Notwithstanding anything to the contrary herein, the Committee may amend the Plan in such manner as may be necessary to enable the Plan to achieve its stated purposes in any jurisdiction in a tax-efficient manner and in compliance with local rules and regulations.

(b) The Committee may waive any conditions or rights under, amend any terms of, or amend, alter, suspend, discontinue or terminate, any Award theretofore granted, prospectively or retroactively, without the consent of any relevant Participant or holder or beneficiary of an Award, *provided, however*, that no such action shall adversely affect the rights of any affected Participant or holder or beneficiary under any Award theretofore granted under the Plan, except to the extent any such action is made to cause the Plan to comply with applicable law, stock exchange rules and regulations or accounting or tax rules and regulations; and *provided further* that, except as provided in Section 5(d), no such action shall directly or indirectly, through cancellation and regrant or any other method, reduce, or have the effect of reducing, the exercise price of any Award established at the time of grant thereof and *provided further*, that the Committee's authority under this Section 13(b) is limited in the case of Awards subject to Section 9(c), as set forth in Section 9(c).

(c) Except as noted in Section 9(c), the Committee shall be authorized to make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of events (including, without limitation, the events described in Section 5(d)) affecting the Company, or the financial statements of the Company, or of changes in applicable laws, regulations or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan.

(d) Any provision of the Plan or any Award Agreement to the contrary notwithstanding, the Committee may cause any Award granted hereunder to be canceled in consideration of a cash payment or alternative Award made to the holder of such canceled Award equal in value to the Fair Market Value of such canceled Award, except that this Section 13(d) shall not be interpreted to permit any transaction that is prohibited by the second proviso of Section 13(b) relating to the direct or indirect repricing of Awards.

(e) The Committee may correct any defect, supply any omission, or reconcile any inconsistency in the Plan or any Award in the manner and to the extent it shall deem desirable to carry the Plan into effect.

Section 14. *Miscellaneous.*

(a) No employee, Participant or other person shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment of employees, Participants, or holders or beneficiaries of Awards under the Plan. The terms and conditions of Awards need not be the same with respect to each recipient. Any Award granted under the Plan shall be a one-time Award which does not constitute a promise of future grants. The Company, in its sole discretion, maintains the Right to make available future grants hereunder.

(b) The Company shall be authorized to withhold from any Award granted or any payment due or transfer made under any Award or under the Plan or from any compensation or other amount owing to a Participant the amount (in cash, Shares, other securities or other Awards) of required withholding taxes due in respect of an Award, its exercise, or any payment or transfer under such Award or under the Plan and to take such other action (including, without limitation, providing for elective payment of such amounts in cash or Shares by the Participant) as may be necessary in the opinion of the Company to satisfy all obligations for the payment of such taxes.

(c) Nothing contained in the Plan shall prevent the Company from adopting or continuing in effect other or additional compensation arrangements, and such arrangements may be either generally applicable or applicable only in specific cases.

(d) The grant of an Award shall not be construed as giving a Participant the right to be retained in the employ of, or to continue to provide services to, the Company or any Affiliate. Further, the Company or the applicable Affiliate may at any time dismiss a Participant, free from any liability, or any claim under the Plan, unless otherwise expressly provided in the Plan or in any Award Agreement or in any other agreement binding

the parties. The receipt of any Award under the Plan is not intended to confer any rights on the receiving Participant except as set forth in such Award.

(e) If any provision of the Plan or any Award is or becomes or is deemed to be invalid, illegal, or unenforceable in any jurisdiction, or as to any person or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to applicable laws, or if it cannot be so construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction, person or Award, and the remainder of the Plan and any such Award shall remain in full force and effect.

(f) Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company and a Participant or any other person. To the extent that any person acquires a right to receive payments from the Company pursuant to an Award, such right shall be no greater than the right of any unsecured general creditor of the Company.

(g) No fractional Shares shall be issued or delivered pursuant to the Plan or any Award, and the Committee shall determine whether cash or other securities shall be paid or transferred in lieu of any fractional Shares, or whether such fractional Shares or any rights thereto shall be canceled, terminated or otherwise eliminated.

Section 15. *Effective Date of the Plan.* The Plan shall be effective as of November 1, 2007.

Section 16. *Term of the Plan.* No Award shall be granted under the Plan after the tenth year anniversary of its adoption by the Board. However, unless otherwise expressly provided in the Plan or in an applicable Award Agreement, any Award theretofore granted may extend beyond such date, and the authority of the Committee to amend, alter, adjust, suspend, discontinue, or terminate any such Award, or to waive any conditions or rights under any such Award, and the authority of the Board to amend the Plan, shall extend beyond such date.

Section 17. *Section 409A of the Code.* With respect to Awards subject to Section 409A of the Code, the Plan is intended to comply with the requirements of Section 409A, and the provisions hereof shall be interpreted in a manner that satisfies the requirements of Section 409A and the related regulations, and the Plan shall be operated accordingly. If any provision of the Plan or any term or condition of any Award would otherwise frustrate or conflict with this intent, the provision, term or condition will be interpreted and deemed amended so as to avoid this conflict.
