1. Description of Business and Organization

We are a leading global cruise company which operates the Norwegian Cruise Line, Oceania Cruises and Regent Seven Seas Cruises brands. As of March 31, 2017, we had 24 ships with approximately 46,500 Berths. We plan to introduce eight additional ships through 2025 and we have an option to introduce two additional ships for delivery in 2026 and 2027, subject to certain conditions. One of the eight ships, Norwegian Joy, a ship tailored for Chinese travelers, was delivered in April 2017. Norwegian Bliss and an additional Breakaway Plus Class Ship are on order for delivery in the spring of 2018 and fall of 2019. We have an Explorer Class Ship on order for delivery in the winter of 2020. Project Leonardo will introduce an additional four ships with expected delivery dates through 2025. These additions to our fleet (exclusive of the option for two additional ships) will increase our total Berths to approximately 72,300.

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying consolidated financial statements are unaudited and, in our opinion, contain all normal recurring adjustments necessary for a fair statement of the results for the periods presented.

Our operations are seasonal and results for interim periods are not necessarily indicative of the results for the entire fiscal year. Historically, demand for cruises has been strongest during the Northern Hemisphere’s summer months. The interim consolidated financial statements should be read in conjunction with the audited consolidated financial statements for the year ended December 31, 2016, which are included in our most recently filed Annual Report on Form 10-K.

Reclassification

Certain amounts in prior periods have been reclassified to conform to the current period presentation.

Earnings Per Share

A reconciliation between basic and diluted earnings per share was as follows (in thousands, except share and per share data):

	Three Months Ended March 31,	
	2017	2016
Net income	\$ 61,910	\$ 73,229
Basic weighted-average shares outstanding	227,468,526	227,239,533
Dilutive effect of awards	1,087,426	872,502
Diluted weighted-average shares outstanding	228,555,952	228,112,035
Basic earnings per share	\$ 0.27	\$ 0.32
Diluted earnings per share	\$ 0.27	\$ 0.32

For the three months ended March 31, 2017 and 2016 a total of 7.5 million and 7.6 million shares, respectively, have been excluded from diluted weighted-average shares outstanding because the effect of including them would have been anti-dilutive.

Revenue and Expense Recognition

Revenue and expenses include port fees and taxes. The amounts included on a gross basis are \$71.7 million and \$62.5 million for the three months ended March 31, 2017 and 2016, respectively.

Foreign Currency

The majority of our transactions are settled in U.S. dollars. We translate assets and liabilities of our foreign subsidiaries at exchange rates in effect at the balance sheet date. Gains or losses resulting from transactions denominated in other currencies are recognized in our consolidated statements of operations within other income (expense), net and such losses were approximately \$2.7 million and \$4.2 million for the three months ended March 31, 2017 and 2016, respectively.

Recently Issued Accounting Pronouncements

In January 2017, the Financial Accounting Standards Board (“FASB”) issued Accounting Standards Update (“ASU”) No. 2017-04 which simplifies the test for goodwill impairment by eliminating Step 2 from the goodwill impairment test. Step 2 measures a goodwill impairment loss by comparing the implied fair value of a reporting unit’s goodwill with the carrying amount of that goodwill. The guidance is effective for annual or any interim goodwill impairment tests in years beginning after December 15, 2019. Early adoption is permitted for interim or annual goodwill impairment tests performed on testing dates after January 1, 2017. We do not expect to early adopt this guidance. We are currently evaluating the impact of the adoption of this guidance to our consolidated financial statements.

In August 2016, the FASB issued ASU No. 2016-15 which amends Topic 230 (Statement of Cash Flows) to eliminate discrepancies in reporting certain items in the statement of cash flows. The guidance is effective for annual periods beginning after December 15, 2017 and interim periods within those annual periods with early adoption permitted. The transition should be made using a retrospective approach. We do not believe that the adoption of this guidance will be material to our consolidated statements of cash flows.

In May 2016, the FASB issued ASU No. 2016-12 which addresses improvements to the guidance on revenue from contracts from customers regarding collectability, noncash consideration, and completed contracts at transition. Additionally, it provides a practical expedient for contract modifications at transition and an accounting policy election related to the presentation of sales taxes and other similar taxes collected from customers. The effective date of this guidance is upon adoption of ASU No. 2014-09 which is presented below. We are currently evaluating the impact of the adoption of this guidance to our consolidated financial statements.

In May 2016, the FASB issued ASU No. 2016-11 which is a rescission of Securities and Exchange Commission guidance related to the issuance of ASU No. 2014-09 which is presented below. The effective date of this guidance is upon adoption of ASU No. 2014-09. We are currently evaluating the impact of the adoption of this guidance to our consolidated financial statements.

In April 2016, the FASB issued ASU No. 2016-10 which does not change the core principle of the guidance in ASU No. 2014-09 but clarifies two aspects: identifying performance obligations and the licensing implementation guidance, while retaining the related principles for those areas. The effective date of this guidance is upon adoption of ASU No. 2014-09. We are currently evaluating the impact of the adoption of this guidance to our consolidated financial statements.

In February 2016, the FASB issued ASU No. 2016-02 which sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract (i.e. lessees and lessors). The ASU requires lessees to recognize assets and liabilities on the balance sheet for the rights and obligations created by all leases with terms of more than 12 months. The ASU further modifies lessors’ classification criteria for leases and the accounting for sales-type and direct financing leases. The ASU will also require qualitative and quantitative disclosures designed to give financial statement users additional information on the amount, timing, and uncertainty of cash flows arising from leases. The ASU is effective for annual reporting periods, and interim periods within those annual periods, beginning after December 15, 2018 with early adoption permitted. The ASU is to be applied using a modified retrospective approach. We are currently reviewing our existing leases to evaluate the impact of the adoption of this guidance to our consolidated financial statements.

In May 2014, the FASB issued ASU No. 2014-09 which requires entities to recognize revenue through the application of a five-step model, including identification of the contract, identification of the performance obligations, determination of the transaction price, allocation of the transaction price to the performance obligation and recognition of revenue as the entity satisfies the performance obligations. Entities have the option of using either a full retrospective or a modified approach to adopt the guidance.

In August 2015, the FASB issued ASU No. 2015-14 deferring the effective date for one year. We can elect to adopt the provisions of ASU No. 2014-09 for annual periods beginning after December 15, 2017 including interim periods within that reporting period or we can elect to early adopt the guidance as of the original effective date. We expect to adopt a modified retrospective application for annual periods beginning after December 15, 2017. We have initiated an assessment of our systems, data and processes related to the implementation of this guidance. This assessment is expected to be completed during 2017. Additionally, we are currently evaluating

our performance obligations and believe that our application of the guidance could result in changes in classification and additional disclosures.

5. Property and Equipment, net

Property and equipment, net increased \$31.5 million for the three months ended March 31, 2017 primarily due to ship improvement projects and ships under construction.

6. Fair Value Measurements and Derivatives

Fair value is defined as the price at which an orderly transaction to sell an asset or to transfer a liability would take place between market participants at the measurement date under current market conditions (that is, an exit price at the measurement date from the perspective of a market participant that holds the asset or owes the liability).

Fair Value Hierarchy

The following hierarchy for inputs used in measuring fair value should maximize the use of observable inputs and minimize the use of unobservable inputs by requiring that the most observable inputs be used when available:

Level 1 Quoted prices in active markets for identical assets or liabilities that are accessible at the measurement dates.

Level 2 Significant other observable inputs that are used by market participants in pricing the asset or liability based on market data obtained from independent sources.

Level 3 Significant unobservable inputs we believe market participants would use in pricing the asset or liability based on the best information available.

Derivatives

We are exposed to market risk attributable to changes in interest rates, foreign currency exchange rates and fuel prices. We attempt to minimize these risks through a combination of our normal operating and financing activities and through the use of derivatives. We assess whether derivatives used in hedging transactions are “highly effective” in offsetting changes in the cash flow of our hedged forecasted transactions. We use regression analysis for this hedge relationship and high effectiveness is achieved when a statistically valid relationship reflects a high degree of offset and correlation between the fair values of the derivative and the hedged forecasted transaction. Cash flows from the derivatives are classified in the same category as the cash flows from the underlying hedged transaction. The determination of ineffectiveness is based on the amount of dollar offset between the cumulative change in fair value of the derivative and the cumulative change in fair value of the hedged transaction at the end of the reporting period. If it is determined that a derivative is not highly effective as a hedge, or if the hedged forecasted transaction is no longer probable of occurring, then the amount recognized in accumulated other comprehensive income (loss) is released to earnings. In addition, the ineffective portion of our highly effective hedges is recognized in earnings immediately and reported in other income (expense), net in our consolidated statements of operations. There are no amounts excluded from the assessment of hedge effectiveness and there are no credit-risk-related contingent features in our derivative agreements.

We monitor concentrations of credit risk associated with financial and other institutions with which we conduct significant business. Credit risk, including but not limited to counterparty non-performance under derivatives and our New Revolving Loan Facility, is not considered significant, as we primarily conduct business with large, well-established financial institutions that we have established relationships with and that have credit risks acceptable to us or the credit risk is spread out among a large number of creditors. We do not anticipate non-performance by any of our significant counterparties. The following table sets forth our derivatives measured at fair value and discloses the balance sheet location (in thousands):

The fair values of swap and forward contracts are determined based on inputs that are readily available in public markets or can be derived from information available in publicly quoted markets. The Company determines the value of options and collars utilizing an option pricing model based on inputs that are either readily available in public markets or can be derived from information available in publicly quoted markets. The option pricing model used by the Company is an industry standard model for valuing options and is used by the broker/dealer community. The inputs to this option pricing model are the option strike price, underlying price, risk-free rate of interest, time to expiration, and volatility. The fair value of option contracts considers both the intrinsic value and any remaining time value associated with those derivatives that have not yet settled. The Company also considers counterparty credit risk and its own credit risk in its determination of all estimated fair values. Our derivatives and financial instruments were categorized as Level 2 in the fair value hierarchy, and we had no derivatives or financial instruments categorized as Level 1 or Level 3.

Our derivative contracts include rights of offset with our counterparties. We have elected to net certain assets and liabilities within counterparties when the rights of offset exist. We are not required to post cash collateral related to our derivative instruments.

The following table discloses the gross and net amounts recognized within assets and liabilities (in thousands):

Fuel Swaps

As of March 31, 2017, we had fuel swaps maturing through December 31, 2020 which are used to mitigate the financial impact of volatility in fuel prices pertaining to approximately 1.6 million metric tons of our projected fuel purchases.

The effects on the consolidated financial statements of the fuel swaps which were designated as cash flow hedges were as follows (in thousands):

	Three Months Ended March 31,	
	2017	2016
Loss recognized in other comprehensive income – effective portion	\$ (26,203)	\$ (9,506)
Loss recognized in other income (expense), net – ineffective portion	(370)	(5,227)
Amount reclassified from accumulated other comprehensive income (loss) into fuel expense	8,003	31,137

We had fuel swaps that matured which were not designated as cash flow hedges. These fuel swaps were previously designated as cash flow hedges and were dedesignated due to a change in our expected future fuel purchases mix.

The effects on the consolidated financial statements of the fuel swaps which were dedesignated and recognized into earnings were as follows (in thousands):

Amount reclassified from accumulated other comprehensive income (loss) into other income (expense), net	\$ —	\$ 1,529

Foreign Currency Options

We had foreign currency options that matured which consisted of call options with deferred premiums. These options were used to mitigate the financial impact of volatility in foreign currency exchange rates related to our ship construction contracts denominated in euros. If the spot rate at the date the ships were delivered was less than the strike price under these option contracts, we would have paid the deferred premium and would not exercise the foreign currency options.

The effects on the consolidated financial statements of the foreign currency options which were designated as cash flow hedges were as follows (in thousands):

	Three Months Ended March 31,	
	2017	2016
Amount reclassified from accumulated other comprehensive income (loss) into depreciation and amortization expense	\$ 330	\$ 330

Foreign Currency Forward Contracts

As of March 31, 2017, we had foreign currency forward contracts which are used to mitigate the financial impact of volatility in foreign currency exchange rates related to our ship construction contracts denominated in euros. The notional amount of our foreign currency forward contracts was €2.6 billion, or \$2.8 billion based on the euro/U.S. dollar exchange rate as of March 31, 2017.

The effects on the consolidated financial statements of the foreign currency forward contracts which were designated as cash flow hedges were as follows (in thousands):

Foreign Currency Collar

We had foreign currency collars that matured and were used to mitigate the volatility of foreign currency exchange rates related to our ship construction contracts denominated in euros.

Interest Rate Swaps

As of March 31, 2017, we had interest rate swap agreements to hedge our exposure to interest rate movements and to manage our interest expense. The notional amount of outstanding debt associated with the interest rate swap agreements was \$282.0 million as of March 31, 2017.

The effects on the consolidated financial statements of the interest rate swaps which were designated as cash flow hedges were as follows (in thousands):

Long-Term Debt

As of March 31, 2017 and December 31, 2016, the fair value of our long-term debt, including the current portion, was \$6,294.0 million and \$6,525.7 million, respectively, which was \$8.7 million and \$11.6 million higher, respectively, than the carrying values. The difference between the fair value and carrying value of our long-term debt is due to our fixed and variable rate debt obligations carrying interest rates that are above or below market rates at the measurement dates. The fair value of our long-term debt was calculated based on estimated rates for the same or similar instruments with similar terms and remaining maturities resulting in Level 2 inputs in the fair value hierarchy. Market risk associated with our long-term variable rate debt is the potential increase in interest expense from an increase in interest rates. The calculation of the fair value of our long-term debt is considered a Level 2 input.

Other

The carrying amounts reported in the consolidated balance sheets of all other financial assets and liabilities approximate fair value.

7. Employee Benefits and Compensation Plans

Share-Based Compensation

As a result of our adoption of ASU No. 2016-09, in the first quarter of 2017, we began accounting for forfeitures as they occur, rather than estimating expected forfeitures. Pursuant to the modified-retrospective application, the net cumulative effect of this change was recognized as a \$2.2 million increase to retained earnings as of January 1, 2017 (we refer you to our consolidated statements of changes in shareholders' equity).

8. Commitments and Contingencies

Ship Construction Contracts

Norwegian Joy was delivered in April 2017, we refer you to Note 10—“Subsequent Events”. We have two other Breakaway Plus Class Ships on order for delivery in the spring of 2018 and fall of 2019, respectively. Norwegian Joy and the two other Breakaway Plus Class Ships are approximately 168,000 Gross Tons each with approximately 3,880 to 4,000 Berths each. We have an Explorer Class Ship on order for delivery in the winter of 2020. We have export credit financing in place that provides financing for 80% of each ship’s contract price. As of March 31, 2017, the aggregate cost of these four ships on order was approximately € 3.1 billion or \$3.3 billion based on the exchange rate as of March 31, 2017.

Project Leonardo will introduce an additional four ships with expected delivery dates through 2025 and we have an option to introduce two additional ships for delivery in 2026 and 2027, subject to certain conditions. These four ships are each approximately 140,000 Gross Tons with approximately 3,300 Berths. The contract price for each of the additional four ships is approximately €800.0 million or \$852.2 million based on the exchange rate as of March 31, 2017. For ships expected to be delivered after 2023, the contract price is subject to adjustment under certain circumstances. We have export credit financing in place for the four ships that provides financing for 80% of the contract price of each ship expected to be delivered through 2025, subject to certain conditions.

In connection with the contracts to build the ships, we do not anticipate any contractual breaches or cancellation to occur. However, if any would occur, it could result in, among other things, the forfeiture of prior deposits or payments made by us and potential claims and impairment losses which may materially impact our business, financial condition and results of operations.

Litigation

In the normal course of our business, various claims and lawsuits have been filed or are pending against us. Most of these claims and lawsuits are covered by insurance and, accordingly, the maximum amount of our liability is typically limited to our deductible amount.

Nonetheless, the ultimate outcome of these claims and lawsuits that are not covered by insurance cannot be determined at this time. We have evaluated our overall exposure with respect to all of our threatened and pending litigation and, to the extent required, we have accrued amounts for all estimable probable losses associated with our deemed exposure. We are currently unable to estimate any other potential contingent losses beyond those accrued, as discovery is not complete nor is adequate information available to estimate such range of loss or potential recovery. However, based on our current knowledge, we do not believe that the aggregate amount or range of reasonably possible losses with respect to these matters will be material to our consolidated results of operations, financial condition or cash flows. We intend to vigorously defend our legal position on all claims and, to the extent necessary, seek recovery.

9. Supplemental Cash Flow Information

For the three months ended March 31, 2017 and 2016 we had non-cash investing activities in connection with property and equipment of \$23.0 million and \$7.5 million, respectively.

10. Subsequent Events

Norwegian Joy was delivered in April 2017. This ship is approximately 168,000 Gross Tons with approximately 3,880 Berths.

In April 2017, we obtained export credit financing for the four Project Leonardo ships that provides financing for 80% of the contract price of each ship expected to be delivered through 2025, subject to certain conditions.

Non-GAAP Financial Measures

We use certain non-GAAP financial measures, such as Net Revenue, Adjusted Net Revenue, Net Yield, Adjusted Net Yield, Net Cruise Cost, Adjusted Net Cruise Cost Excluding Fuel, Adjusted EBITDA, Adjusted Net Income and Adjusted EPS, to enable us to analyze our performance. See “Terminology” for the definitions of these non-GAAP financial measures. We utilize Net Revenue and Net Yield to manage our business on a day-to-day basis and believe that they are the most relevant measures of our revenue performance because they reflect the revenue earned by us net of significant variable costs. In measuring our ability to control costs in a manner that positively impacts net income, we believe changes in Net Cruise Cost and Adjusted Net Cruise Cost Excluding Fuel to be the most relevant indicators of our performance.

As our business includes the sourcing of passengers and deployment of vessels outside of the U.S., a portion of our revenue and expenses are denominated in foreign currencies, particularly British pound, Canadian dollar, euro and Australian dollar which are subject to fluctuations in currency exchange rates versus our reporting currency, the U.S. dollar. In order to monitor results excluding these fluctuations, we calculate certain non-GAAP measures on a Constant Currency basis whereby current period revenue and expenses denominated in foreign currencies are converted to U.S. dollars using currency exchange rates of the comparable period. We believe that presenting these non-GAAP measures on both a reported and Constant Currency basis is useful in providing a more comprehensive view of trends in our business.

We believe that Adjusted EBITDA is appropriate as a supplemental financial measure as it is used by management to assess operating performance. We believe that Adjusted EBITDA is a useful measure in determining our performance as it reflects certain operating drivers of our business, such as sales growth, operating costs, marketing, general and administrative expense and other operating income and expense. Adjusted EBITDA is not a defined term under GAAP. Adjusted EBITDA is not intended to be a measure of liquidity or cash flows from operations or a measure comparable to net income as it does not take into account certain requirements such as capital expenditures and related depreciation, principal and interest payments and tax payments and it includes other supplemental adjustments.

In addition, Adjusted Net Revenue and Adjusted Net Yield, which exclude certain business combination accounting entries, are non-GAAP financial measures that we believe are useful as supplemental measures in evaluating the performance of our operating business and provide greater transparency into our results of operations. Adjusted Net Income and Adjusted EPS are non-GAAP financial measures that exclude certain amounts and are used to supplement GAAP net income and EPS. We use Adjusted Net Income and Adjusted EPS as key performance measures of our earnings performance. We believe that both management and investors benefit from referring to these non-GAAP financial measures in assessing our performance and when planning, forecasting and analyzing future periods. These non-GAAP financial measures also facilitate management’s internal comparison to our historical performance. In addition, management uses Adjusted EPS as a performance measure for our incentive compensation. The amounts excluded in the presentation of these non-GAAP financial measures may vary from period to period; accordingly, our presentation of Adjusted Net Revenue, Adjusted Net Yield, Adjusted Net Income and Adjusted EPS may not be indicative of future adjustments or results. For

example, for the year ended December 31, 2016, we incurred \$28.0 million of amounts related to the extinguishment of debt and \$11.2 million of deferred financing fees due to the refinancing of certain credit facilities. We included these as adjustments in the reconciliation of Adjusted Net Income since these amounts are not representative of our day-to-day operations and we have included similar adjustments in prior periods; however, these adjustments did not occur and are not included in the periods presented within this Form 10-Q.

[Table of Contents](#)

You are encouraged to evaluate each adjustment used in calculating our non-GAAP financial measures and the reasons we consider our non-GAAP financial measures appropriate for supplemental analysis. In evaluating our non-GAAP financial measures, you should be aware that in the future we may incur expenses similar to the adjustments in our presentation. Our non-GAAP financial measures have limitations as analytical tools, and you should not consider these measures in isolation or as a substitute for analysis of our results as reported under GAAP. Our presentation of our non-GAAP financial measures should not be construed as an inference that our future results will be unaffected by unusual or non-recurring items. Our non-GAAP financial measures may not be comparable to other companies. Please see a historical reconciliation of these measures to the most comparable GAAP measure presented in our consolidated financial statements below in the “Results of Operations” section.

Financial Presentation

Revenue from our cruise and cruise-related activities are categorized by us as “passenger ticket revenue” and “onboard and other revenue.” Passenger ticket revenue and onboard and other revenue vary according to product offering, the size of the ship in operation, the length of cruises operated and the markets in which the ship operates. Our revenue is seasonal based on demand for cruises, which has historically been strongest during the Northern Hemisphere’s summer months.

Passenger ticket revenue primarily consists of revenue for accommodations, meals in certain restaurants on the ship, certain onboard entertainment, and includes revenue for service charges and air and land transportation to and from the ship to the extent guests purchase these items from us. Onboard and other revenue primarily consists of revenue from gaming, beverage sales, shore excursions, specialty dining, retail sales, spa services, photo services as well as certain Bareboat Charter revenue. We record onboard revenue from onboard activities we perform directly or that are performed by independent concessionaires, from which we receive a share of their revenue.

Our cruise operating expense is classified as follows:

- Commissions, transportation and other primarily consists of direct costs associated with passenger ticket revenue. These costs include travel agent commissions, air and land transportation expenses, related credit card fees, costs associated with service charges, certain port expenses and the costs associated with shore excursions and hotel accommodations included as part of the overall cruise purchase price.
- Onboard and other primarily consists of direct costs that are incurred in connection with onboard and other revenue. These include costs incurred in connection with gaming, beverage sales and shore excursions.

Critical Accounting Policies

For a discussion of our critical accounting policies and estimates, see “Critical Accounting Policies” included in our Annual Report on Form 10-K for the year ended December 31, 2016 under the caption “Management’s Discussion and Analysis of Financial Condition and Results of Operations.” We have made no significant changes to our critical accounting policies and estimates from those described in our Annual Report on Form 10-K for the year ended December 31, 2016.

However, in accordance with *Item 303(a)(3)(ii) of Regulation S-K and Section V of SEC Release No. 33-8350*, we are including additional disclosure which is presented below:

Asset Impairment

We review our long-lived assets, principally ships, for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Assets are grouped and evaluated at the lowest level for which there are identifiable

cash flows that are largely independent of the cash flows of other groups of assets. We consider historical performance and future estimated results in our evaluation of potential impairment and then compare the carrying amount of the asset to the estimated future cash flows expected to result from the use of the asset. If the carrying amount of the asset exceeds the estimated expected undiscounted future cash flows, we measure the amount of the impairment by comparing the carrying amount of the asset to its fair value. We estimate fair value based on the best information available making whatever estimates, judgments and projections we considered necessary. The estimation of fair value is generally measured by discounting expected future cash flows at discount rates commensurate with the risk involved.

We evaluate goodwill for impairment annually or more frequently when an event occurs or circumstances change that indicates the carrying value of a reporting unit may not be recoverable. For our evaluation of goodwill and tradenames we use the Step 0 Test which allows us to first assess qualitative factors to determine whether it is more likely than not (i.e., more than 50%) that the fair value of a reporting unit is less than its carrying value. In order to make this evaluation, we consider the following circumstances:

- General macroeconomic conditions such as a deterioration in general economic conditions; limitations on accessing capital; fluctuations in foreign exchange rates; or other developments in equity and credit markets;
- Industry and market conditions such as a deterioration in the environment in which an entity operates; an increased competitive environment; a decline in market-dependent multiples or metrics (in both absolute terms and relative to peers); a change in the market for an entity's products or services; or a regulatory or political development;
- Changes in cost factors that have a negative effect on earnings and cash flows;
- Overall financial performance (for both actual and expected performance);
- Entity and reporting unit specific events such as changes in management, key personnel, strategy, or customers; litigation; or a change in the composition or carrying amount of net assets; and
- Share price (in both absolute terms and relative to peers).

We believe our estimates and judgments with respect to our long-lived assets, principally ships, and goodwill and other indefinite-lived intangible assets are reasonable. Nonetheless, if there was a material change in assumptions used in the determination of such fair values or if there is a material change in the conditions or circumstances that influence such assets, we could be required to record an impairment charge. If a material change occurred, we may conduct a quantitative assessment comparing the fair value of each reporting unit to its carrying value, including goodwill. This is called the Step I Test which consists of a combined approach using the expected future cash flows and market multiples to determine the fair value of the reporting units.

In the third quarter of 2016, based on the performance of the Oceania Cruises reporting unit, we performed an interim goodwill impairment evaluation consisting of a Step I Test. Based on that evaluation, we determined that there was no impairment of goodwill because its fair value exceeded its carrying value. For our annual impairment evaluation, we performed a Step 0 Test for the Norwegian reporting unit and Step I Tests for the Regent Seven Seas and the Oceania Cruises reporting units. As a result of the Step 0 Test for the Norwegian reporting unit, we determined there were no factors indicating it was more likely than not (i.e., more than 50%) that the fair value of the reporting unit was less than its carrying value. Based on the results of the Step I Tests, we determined there was no impairment of goodwill because the fair value of the Oceania Cruises and Regent Seven Seas reporting units exceeded their carrying values by 24% and 81%, respectively. However, if the fair value of any reporting unit declines in future periods, its goodwill may become impaired at that time. As of December 31, 2016 and March 31, 2017, there was \$523.0 million, \$462.1 million and \$403.8 million of goodwill for the Oceania Cruises, Regent Seven Seas and Norwegian reporting units, respectively. As of December 31, 2016, our annual review consisting of the Step 0 and Step I Tests supported the carrying values of these assets. Subsequent to December 31, 2016, the Company has continued to monitor the results of each of these reporting units and will perform the necessary tests should events occur or circumstances change that indicate the carrying value of a reporting unit may not be recoverable.

Quarterly Overview

In February 2017, we announced that we plan to introduce an additional four ships with expected delivery dates through 2025 and we have an option to introduce two additional ships for delivery in 2026 and 2027, subject to certain conditions. These four ships are each approximately 140,000 Gross Tons with approximately 3,300 Berths. The contract price for each of the additional four ships is approximately €800.0 million or \$852.2 million based on the exchange rate as of March 31, 2017. For ships expected to be delivered after 2023, the contract price is subject to adjustment under certain circumstances. We have export credit financing in place for the four ships that provides financing for 80% of the contract price of each ship expected to be delivered through 2025, subject to certain conditions.

Three months ended March 31, 2017 (“2017”) compared to three months ended March 31, 2016 (“2016”)

Revenue

Total revenue increased 6.8% to \$1.2 billion in 2017 compared to \$1.1 billion in 2016 due to an increase in passenger ticket pricing and higher onboard and other revenue. Gross Yield increased 5.7%. Net Revenue in 2017 increased 6.0% to \$888.2 million from \$838.2 million in 2016 due to an increase in Capacity Days of 1.0% and an increase in Net Yield of 4.9% partially offset by a slight decrease in Occupancy Percentage. The increase in Capacity Days was primarily due to Sirena joining our fleet in April 2016 and the delivery of Seven Seas Explorer in June 2016 partially offset by Dry-docks during the period. The increase in Gross Yield and Net Yield was primarily due to an increase in passenger ticket pricing and higher onboard and other revenue. Adjusted Net Revenue, in 2016, includes a deferred revenue fair value adjustment of \$0.5 million related to the Acquisition of Prestige. On a Constant Currency basis, Net Yield and Adjusted Net Yield increased 5.6% and 5.5%, respectively, in 2017 compared to 2016.

Expense

Gross Cruise Cost increased 7.9% in 2017 compared to 2016 due to an increase in total cruise operating expense and marketing, general and administrative expenses. Total cruise operating expense increased 8.3% in 2017 compared to 2016 primarily due to the increase in Capacity Days as discussed above, crew payroll and related costs and an increase in repairs and maintenance including Dry-dock expenses. Total other operating expense increased 10.4% in 2017 compared to 2016 primarily due to an increase in depreciation and amortization expense primarily due to ship improvement projects and the ship additions as well as an increase in marketing, general and administrative expenses primarily due to an increase in share-based compensation expense of \$3.0 million. On a Capacity Day basis, Net Cruise Cost increased 6.1% (6.2% on a Constant Currency basis) due to an increase in crew payroll and related costs, maintenance and repairs including Dry-dock and share-based compensation expense discussed above. Adjusted Net Cruise Cost Excluding Fuel per Capacity Day increased 5.8% (on an actual and a Constant Currency basis) primarily due to the increase in expenses discussed above.

Interest expense, net decreased to \$53.0 million in 2017 from \$59.8 million in 2016 reflecting a decrease in average debt outstanding partially offset by an increase in LIBOR rates.

Other income (expense), net was an expense of \$2.8 million in 2017 compared to income of \$2.8 million in 2016. In 2017, the expense was primarily related to losses on foreign currency exchange and unrealized and realized losses on derivatives. In 2016, the income was primarily related to unrealized gains on derivatives partially offset by realized losses on derivatives and losses on foreign currency exchange.

In 2017, we had an income tax expense of \$2.0 million compared to \$1.1 million in 2016.

Liquidity and Capital Resources

General

As of March 31, 2017, our liquidity was \$969.8 million consisting of \$219.8 million in cash and cash equivalents and \$750.0 million under our New Revolving Loan Facility. Our primary ongoing liquidity requirements are to finance working capital, capital expenditures and debt service.

As of March 31, 2017, we had a working capital deficit of \$2.0 billion. This deficit included \$1.4 billion of advance ticket sales, which represents the revenue we collect in advance of sailing dates, and accordingly, are substantially more like deferred revenue balances

rather than actual current cash liabilities. Our business model, along with our New Revolving Loan Facility, allows us to operate with a working capital deficit and still meet our operating, investing and financing needs.

We evaluate potential sources of additional liquidity, including the capital markets, in the ordinary course of business. We believe that prevailing market conditions, particularly in the debt capital markets, are generally favorable. We will continue to evaluate opportunities to optimize our capital structure, taking into consideration our current and expected capital requirements, our assessment of prevailing market conditions and expectations regarding future conditions, and the contractual and other restrictions to which we are subject.

Sources and Uses of Cash

In this section, references to “2017” refer to the three months ended March 31, 2017 and references to “2016” refer to the three months ended March 31, 2016.

Net cash provided by operating activities was \$434.9 million in 2017 as compared to \$330.1 million in 2016. The net cash provided by operating activities included timing differences in cash receipts and payments relating to operating assets and liabilities. Advance ticket sales increased to \$222.9 million in 2017 compared to \$148.6 million in 2016.

Net cash used in investing activities was \$117.8 million in 2017 and \$133.2 million in 2016, primarily related to payments for ship improvements, ships under construction and shoreside projects.

Net cash used in financing activities was \$225.7 million in 2017 and \$158.0 million in 2016 primarily due to net repayments of our New Revolving Loan Facility and other loan facilities. Additionally, in 2016, we had the repurchase of our ordinary shares.

Future Capital Commitments

Future capital commitments consist of contracted commitments, including ship construction contracts, and future expected capital expenditures necessary for operations. As of March 31, 2017, excluding Project Leonardo, our anticipated capital expenditures were \$1.1 billion for the remainder of 2017, \$1.3 billion for the year ending December 31, 2018 and \$1.2 billion for the year ending December 31, 2019, of which we have export credit financing in place for the expenditures related to ship construction contracts of \$0.8 billion for the remainder of 2017, \$0.7 billion for 2018 and \$0.6 billion for 2019.

Project Leonardo will introduce an additional four ships with expected delivery dates through 2025 and we have an option to introduce two additional ships for delivery in 2026 and 2027, subject to certain conditions. These four ships are each approximately 140,000 Gross Tons with approximately 3,300 Berths. The contract price for each of the additional four ships is approximately €800.0 million or \$852.2 million based on the exchange rate as of March 31, 2017. For ships expected to be delivered after 2023, the contract price is subject to adjustment under certain circumstances. The additional anticipated capital expenditures for these ships were \$70.8 million for the remainder of 2017, \$5.2 million for the year ending December 31, 2018 and \$6.4 million for the year ending December 31, 2019, of which we have export credit financing in place for the expenditures related to ship construction contracts of \$54.5 million for 2018.

Norwegian Joy was delivered in April 2017, we refer you to our consolidated notes to our financial statements, Note 10—“Subsequent Events”. We have two other Breakaway Plus Class Ships on order for delivery in the spring of 2018 and fall of 2019, respectively. Norwegian Joy and the two other Breakaway Plus Class Ships are approximately 168,000 Gross Tons each with approximately 3,880 to 4,000 Berths each. We have an Explorer Class Ship on order for delivery in the winter of 2020. The combined contract price of these four ships was approximately €3.1 billion, or \$3.3 billion based on the euro/U.S. dollar exchange rate as of March 31, 2017. We have export credit financing in place that provides financing for 80% of each ship’s contract price.

In connection with the contracts to build the ships, we do not anticipate any contractual breaches or cancellation to occur. However, if any would occur, it could result in, among other things, the forfeiture of prior deposits or payments made by us and potential claims and impairment losses which may materially impact our business, financial condition and results of operations.

Capitalized interest for the three months ended March 31, 2017 and 2016 was \$8.5 million and \$7.1 million, respectively, primarily associated with construction of our newbuild ships.

Off-Balance Sheet Transactions

None.

Other

Certain service providers may require collateral in the normal course of our business. The amount of collateral may change based on certain terms and conditions.

As a routine part of our business, depending on market conditions, exchange rates, pricing and our strategy for growth, we regularly consider opportunities to enter into contracts for the building of additional ships. We may also consider the sale of ships, potential acquisitions and strategic alliances. If any of these were to occur, they may be financed through the incurrence of additional permitted indebtedness, through cash flows from operations, or through the issuance of debt, equity or equity-related securities.

Funding Sources

Certain of our debt agreements contain covenants that, among other things, require us to maintain a minimum level of liquidity, as well as limit our net funded debt-to-capital ratio, maintain certain other ratios and restrict our ability to pay dividends. Substantially all of our ships and other property and equipment are pledged as collateral for certain of our debt. We believe we were in compliance with these covenants as of March 31, 2017.

The impact of changes in world economies and especially the global credit markets can create a challenging environment and may reduce future consumer demand for cruises and adversely affect our counterparty credit risks. In the event this environment deteriorates, our business, financial condition and results of operations could be adversely impacted.

We believe our cash on hand, expected future operating cash inflows, additional available borrowings under our New Revolving Loan Facility and our ability to issue debt securities or additional equity securities, will be sufficient to fund operations, debt payment requirements, capital expenditures and maintain compliance with covenants under our debt agreements over the next twelve-month period. There is no assurance that cash flows from operations and additional financings will be available in the future to fund our future obligations.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

General

We are exposed to market risk attributable to changes in interest rates, foreign currency exchange rates and fuel prices. We attempt to minimize these risks through a combination of our normal operating and financing activities and through the use of derivatives. The financial impacts of these derivative instruments are primarily offset by corresponding changes in the underlying exposures being hedged. We achieve this by closely matching the notional, term and conditions of the derivatives with the underlying risk being hedged. We do not hold or issue derivatives for trading or other speculative purposes. Derivative positions are monitored using techniques including market valuations and sensitivity analyses.

Interest Rate Risk

As of March 31, 2017, we had interest rate swap agreements to hedge our exposure to interest rate movements and to manage our interest expense. As of March 31, 2017, 56% of our debt was fixed and 44% was variable, which includes the effects of the interest rate swaps. The notional amount of outstanding debt associated with the interest rate swap agreements as of March 31, 2017 was \$282.0 million. Based on our March 31, 2017 outstanding variable rate debt balance, a one percentage point increase in annual LIBOR interest rates would increase our annual interest expense by approximately \$27.4 million excluding the effects of capitalization of interest.

Foreign Currency Exchange Rate Risk

As of March 31, 2017, we had foreign currency derivatives to hedge the exposure to volatility in foreign currency exchange rates related to our ship construction contracts denominated in euros. These derivatives hedge the foreign currency exchange rate risk on a portion of the payments on our ship construction contracts. The payments not hedged aggregate €188.5 million, or \$200.8 million based on the euro/U.S. dollar exchange rate as of March 31, 2017. We estimate that a 10% change in the euro as of March 31, 2017 would result in a \$20.1 million change in the U.S. dollar value of the foreign currency denominated remaining payments.

Fuel Price Risk

Our exposure to market risk for changes in fuel prices relates to the forecasted purchases of fuel on our ships. Fuel expense, as a percentage of our total cruise operating expense, was 12.3% for the three months ended March 31, 2017 and 2016. We use fuel derivative agreements to mitigate the financial impact of fluctuations in fuel prices and as of March 31, 2017, we had hedged approximately 78%, 66%, 49% and 18% of our 2017, 2018, 2019 and 2020 projected metric tons of fuel purchases, respectively. We estimate that a 10% increase in our weighted-average fuel price would increase our anticipated 2017 fuel expense by \$22.3 million. This increase would be partially offset by an increase in the fair value of our fuel swap agreements of \$13.4 million. Fair value of our derivative contracts is derived using valuation models that utilize the income valuation approach. These valuation models take into account the contract terms such as maturity, as well as other inputs such as fuel types, fuel curves, creditworthiness of the counterparty and the Company, as well as other data points.

Item 4. Controls and Procedures

Evaluation of Disclosure Controls and Procedures

Our management has evaluated, with the participation of our Chief Executive Officer and Chief Financial Officer, the effectiveness of our disclosure controls and procedures, as such term is defined in Rule 13a-15(e) under the Securities Exchange Act of 1934, as amended, as of March 31, 2017. There are inherent limitations to the effectiveness of any system of disclosure controls and procedures, including the possibility of human error and the circumvention or overriding of the controls and procedures. Accordingly, even effective disclosure controls and procedures can only provide reasonable assurance of achieving their control objectives. Based upon management's evaluation, our Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures were effective as of March 31, 2017 to provide reasonable assurance that the information required to be disclosed by us in the reports we file or submit under the Securities Exchange Act of 1934, as amended, is recorded, processed, summarized and reported within the time periods specified in the rules and forms of the Securities and Exchange Commission, and that it is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosure.

Changes in Internal Control Over Financial Reporting

There have been no changes in our internal control over financial reporting during the quarter ended March 31, 2017 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

Limitations on the Effectiveness of Controls

It should be noted that any system of controls, however well designed and operated, can provide only reasonable, and not absolute, assurance that the objectives of the system will be met. In addition, the design of any control system is based in part upon certain assumptions about the likelihood of future events. Because of these and other inherent limitations of control systems, there is only the reasonable assurance that our controls will succeed in achieving their goals under all potential future conditions.

PART II. OTHER INFORMATION

Item 1. Legal Proceedings

In the normal course of our business, various claims and lawsuits have been filed or are pending against us. Most of these claims and lawsuits are covered by insurance and, accordingly, the maximum amount of our liability is typically limited to our deductible amount.

Nonetheless, the ultimate outcome of these claims and lawsuits that are not covered by insurance cannot be determined at this time. We have evaluated our overall exposure with respect to all of our threatened and pending litigation and, to the extent required, we have accrued amounts for all estimable probable losses associated with our deemed exposure. We are currently unable to estimate any other potential contingent losses beyond those accrued, as discovery is not complete nor is adequate information available to estimate such range of loss or potential recovery. However, based on our current knowledge, we do not believe that the aggregate amount or range of reasonably possible losses with respect to these matters will be material to our consolidated results of operations, financial condition or cash flows. We intend to vigorously defend our legal position on all claims and, to the extent necessary, seek recovery.

Item 1A. Risk Factors

We refer you to our 2016 Annual Report on Form 10-K for a discussion of the risk factors that affect our business and financial results. We wish to caution the reader that the risk factors discussed in “Item 1A. Risk Factors” in our 2016 Annual Report on Form 10-K, elsewhere in this report or other Securities and Exchange Commission filings, could cause future results to differ materially from those stated in any forward-looking statements.

Item 2. Unregistered Sales of Equity Securities and Use of Proceeds

Purchases of Equity Securities by the Issuer

On April 29, 2014, NCLH’s Board of Directors authorized, and NCLH announced, a three-year share repurchase program for up to \$500.0 million. The share repurchase program was scheduled to expire on April 29, 2017, but was extended through April 29, 2020. NCLH may make repurchases in the open market, in privately negotiated transactions, in accelerated repurchase programs or in structured share repurchase programs, and any repurchases may be made pursuant to Rule 10b5-1 plans. There was no share repurchase activity during the three months ended March 31, 2017, and as of March 31, 2017, \$263.5 million remained available for repurchases of our outstanding ordinary shares under the share repurchase program.

1. Definitions; Recitals. The capitalized terms used herein shall have the same definitions as set forth in the Lease, unless otherwise defined herein. The foregoing recitals are true and correct and are incorporated herein by this reference.

The Reserved Monthly Parking Rent shall be abated through December 31, 2016. Commencing on January 1, 2017, Tenant shall pay the Reserved Monthly Parking Rent to Landlord as Additional Rental. The Reserved Monthly Parking Rent is subject to change upon thirty (30) days' prior written notice by Landlord, but in no event shall the Reserved Monthly Parking Rent be increased on more than one (1) occasion in any twelve (12) consecutive month period. Tenant shall be liable for any sales taxes on its paid parking spaces.

4. **Amendment to Relocatable Spaces.** The parties hereby acknowledge and agree that as of the Amendment Commencement Date, Landlord will no longer have the right to relocate the Relocatable Spaces and the Relocatable Spaces shall be allocated as follows: (a) seventy (70) of the Relocatable Spaces shall be provided to Tenant for its non-exclusive use within the Building 8 Garage at a cost of \$[*] per space per month, and (b) twenty-five (25) of the Relocatable Spaces shall be provided to Tenant for its non-exclusive use within the garage adjacent to the building located at 7600 Corporate Center Drive, Miami, Florida (collectively, the "Unreserved Spaces") at a cost of \$[*] per space per month ("Unreserved Monthly Parking Rent"). Tenant shall be liable for any sales taxes on its paid parking spaces.

5. **Termination Option.** Notwithstanding anything to the contrary contained herein, Tenant may at any time after the Effective Date, deliver written notice to Landlord terminating Tenant's right to use any of the Unreserved Spaces, the Building 8 Garage Reserved Covered Spaces, and the Reserved Space (collectively, the "Eleventh Amendment Parking Spaces") upon no less than fifteen (15) days prior written notice. An electronic signature means any electronic sound, symbol or process attached to or logically associated with a record and executed and adopted by a party with the intent to sign such record, including facsimile or e-mail electronic signatures. All executed counterparts shall constitute one agreement, and each counterpart shall be deemed an original. The parties hereby acknowledge and agree that electronic records and electronic signatures, as well as facsimile signatures, may be used in connection with the execution of this Amendment and electronic signatures, facsimile signatures or signatures transmitted by electronic mail in so-called pdf format shall be legal and binding and shall have the same full force and effect as if a paper original of this Amendment had been delivered and had been signed using a handwritten signature. Landlord and Tenant (i) agree that an electronic signature, whether digital or encrypted, of a party to this Amendment is intended to authenticate this writing and to have the same force and effect as a manual signature, (ii) intend to be bound by the signatures (whether original, faxed or electronic) on any document sent or delivered by facsimile or, electronic mail, or other electronic means, (iii) are aware that the other party will rely on such signatures, and (iv) hereby waive any defenses to the enforcement of the terms of this Amendment based on the foregoing forms of signature. If this Amendment has been executed by electronic signature, all parties executing this document are expressly consenting under the Electronic Signatures in Global and National Commerce Act ("E-SIGN"), and Uniform Electronic Transactions Act ("UETA"), that a signature by fax, email or other electronic means shall constitute an Electronic Signature to an Electronic Record under both E-SIGN and UETA with respect to this specific transaction.

7. **Miscellaneous.** With the exception of those matters set forth in this Amendment, Tenant's leasing of the Premises shall be subject to all terms, covenants and conditions of the Lease. In the event of any express conflict or inconsistency between the terms of this Amendment and the terms of the Lease, the terms of this Amendment shall control and govern. Except as expressly modified by this Amendment, all other terms and conditions of the Lease are hereby ratified and affirmed. The parties acknowledge that the Lease is a valid and enforceable agreement and that, as of the date hereof to the best of Tenant's actual knowledge, Tenant holds no claims against Landlord or its agents which might serve as the basis of any other set-off against accruing rent and other charges or any other remedy at law or in equity.

IN WITNESS WHEREOF, the foregoing Eleventh Amendment to Lease is dated effective as of the date and year first written above.

EMPLOYMENT AGREEMENT

THIS EMPLOYMENT AGREEMENT (this “Agreement”) is made and entered into this 18th day of October 2015, by and between NCL (Bahamas) Ltd., a company organized under the laws of Bermuda (the “Company”), and Robin T. Lindsay (the “Executive”).

RECITALS

THE PARTIES ENTER THIS AGREEMENT on the basis of the following facts, understandings and intentions:

A. The Company desires to offer the Executive the benefits set forth in this Agreement and provide for the services of the Executive on the terms and conditions set forth in this Agreement.

B. The Executive desires to be employed by the Company on the terms and conditions set forth in this Agreement.

C. This Agreement shall govern the employment relationship between the Executive and the Company and all of its affiliates from and after the date hereof, and supersedes and negates any previous agreements with respect to such relationship.

AGREEMENT

NOW, THEREFORE, in consideration of the above recitals incorporated herein and the mutual covenants and promises contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby expressly acknowledged, the parties agree as follows:

1. Retention and Duties.

1.1 Retention. The Company does hereby agree to employ the Executive for the Period of Employment (as such term is defined in Section 2) on the terms and conditions expressly set forth in this Agreement. The Executive does hereby accept and agree to such employment, on the terms and conditions expressly set forth in this Agreement.

1.2 Duties. During the Period of Employment, the Executive shall serve the Company as its Executive Vice President, Vessel Operations, and shall be appointed to such position on the first day of the Period of Employment. The Executive shall have duties and obligations generally consistent with that position as the Company may assign from time to time. The Executive shall comply with the corporate policies of the Company as they are in effect from time to time throughout the Period of Employment (including, without limitation, the Company’s Code of Ethical Business Conduct policy, as it may change from time to time). During the Period of Employment, the Executive shall report directly to the President and Chief Executive Officer of the Company, or his/her designee. During the Period of Employment, the Executive shall perform services for Norwegian Cruise Line Holdings Ltd., a company organized under the laws of Bermuda (the “Parent”), and the Parent’s other subsidiaries, but shall not be entitled to any additional compensation with respect to such services.

1.3 No Other Employment; Minimum Time Commitment. During the Period of Employment, the Executive shall (i) devote substantially all of the Executive's business time, energy and skill to the performance of the Executive's duties for the Company, (ii) perform such duties in a faithful, effective and efficient manner to the best of Executive's abilities, and (iii) hold no other employment. The Executive's service on the boards of directors (or similar body) of other business entities is subject to the approval of the Board of Directors of the Parent (the "Board"), provided that the Executive shall be permitted to serve on one board of directors (or similar bodies) during the Period of Employment, subject to the Company's rights to require the Executive's resignation pursuant to the following sentence. The Company shall have the right to require the Executive to resign from any board or similar body (including, without limitation, any association, corporate, civic or charitable board or similar body) which he may then serve if the Board reasonably determines that the Executive's service on such board or body materially interferes with the effective discharge of the Executive's duties and responsibilities or that any business related to such service is then in competition with any business of the Company or any of its Affiliates (as such term is defined in Section 5.5), successors or assigns.

1.4 No Breach of Contract. The Executive hereby represents to the Company that: (i) the execution and delivery of this Agreement by the Executive and the Company and the performance by the Executive of the Executive's duties hereunder do not and shall not constitute a breach of, conflict with, or otherwise contravene or cause a default under, the terms of any other agreement or policy to which the Executive is a party or otherwise bound or any judgment, order or decree to which the Executive is subject; (ii) that the Executive has no information (including, without limitation, confidential information and trade secrets) relating to any other Person (as such term is defined in Section 5.5) which would prevent, or be violated by, the Executive entering into this Agreement or carrying out Executive's duties hereunder; (iii) the Executive is not bound by any employment, consulting, non-compete, confidentiality, trade secret or similar agreement (other than this Agreement) with any other Person; and (iv) the Executive understands the Company will rely upon the accuracy and truth of the representations and warranties of the Executive set forth herein and the Executive consents to such reliance.

1.5 Location. During the Period of Employment, the Executive's principal place of employment shall be the Company's principal executive office as it may be located from time to time. The Executive agrees that he will be regularly present at the Company's principal executive office. The Executive acknowledges that he will be required to travel from time to time in the course of performing Executive's duties for the Company.

2. **Period of Employment.** The “Period of Employment” shall be a period commencing on September 1, 2015 (the “Effective Date”) and ending at the close of business on the first December 31st following the third anniversary of the Effective Date (the “Termination Date”); provided, however, that this Agreement shall be automatically renewed, and the Period of Employment shall be automatically extended for one (1) additional year on the Termination Date and each anniversary of the Termination Date thereafter, unless either party gives written notice at least sixty (60) days prior to the expiration of the Period of Employment (including any renewal thereof) of such party’s desire to terminate the Period of Employment (such notice to be delivered in accordance with Section 18). The term “Period of Employment” shall include any extension thereof pursuant to the preceding sentence. Notwithstanding the foregoing, the Period of Employment is subject to earlier termination as provided below in this Agreement.

3. **Compensation.**

3.1 **Base Salary.** During the Period of Employment, the Company shall pay the Executive a base salary (the “Base Salary”), which shall be paid biweekly or in such other installments as shall be consistent with the Company’s regular payroll practices in effect from time to time. The Executive’s Base Salary shall be at an annualized rate of Six Hundred thousand dollars (\$600,000.00). The Compensation Committee of the Board (the “Compensation Committee”) will review the Executive’s rate of Base Salary on an annual basis and may, in its sole discretion, increase (but not decrease) the rate then in effect.

3.2 **Incentive Bonus.** Beginning with the 2015 fiscal year, the Executive shall be eligible to receive an incentive bonus for each fiscal year of the Company that occurs during the Period of Employment (“Incentive Bonus”); provided that, except as provided in Section 5.3, the Executive must be employed by the Company at the time the Company pays the Incentive Bonus with respect to any such fiscal year in order to be eligible for an Incentive Bonus with respect to that fiscal year (and, if the Executive is not so employed at such time, in no event shall he have been considered to have “earned” any Incentive Bonus with respect to the fiscal year in question). The Executive’s actual Incentive Bonus amount for a particular fiscal year shall be determined by the Compensation Committee in its sole discretion, based on performance objectives (which may include corporate, business unit or division, financial, strategic, individual or other objectives) established with respect to that particular fiscal year by the Compensation Committee. Any Incentive Bonus becoming payable for a particular fiscal year shall be paid in the following fiscal year following the close of the audit and generally by March 31.

3.3 **Equity Award.** The Executive shall be eligible to participate in the Parent’s 2013 Performance Incentive Plan (together with any successor equity incentive plan, the “Parent Equity Plan”) and to receive grants of equity awards under the Parent Equity Plan as may be approved from time to time by the Compensation Committee in its sole discretion.

4. **Benefits.**

4.1 Retirement, Welfare and Fringe Benefits. During the Period of Employment, the Executive shall be entitled to participate, on a basis generally consistent with other similarly situated executives, in all employee pension and welfare benefit plans and programs, all fringe benefit plans and programs and all other benefit plans and programs (including those providing for perquisites or similar benefits) that are made available by the Company to the Company's other similarly situated executives generally, in accordance with the eligibility and participation provisions of such plans and as such plans or programs may be in effect from time to time. The Executive's participation in the foregoing plans and programs is subject to the eligibility and participation provisions of such plans, and the Company's right to amend or terminate such plans from time to time in accordance with their terms.

4.2 Medical Executive Reimbursement Plan. During the Period of Employment, the Company will provide the Executive, and the Executive's spouse and dependent children, with a Medical Executive Reimbursement Plan (the "MERP"), subject to the terms and conditions of such plan.

4.3 Company Automobile. During the Period of Employment, the Company shall provide the Executive with a monthly cash car allowance of up to One thousand Two hundred dollars (\$1,200.00) per month, in accordance with the Company's policy as in effect from time to time.

4.4 Reimbursement of Business Expenses. The Executive is authorized to incur reasonable expenses in carrying out the Executive's duties for the Company under this Agreement and shall be entitled to reimbursement for all reasonable business expenses the Executive incurs during the Period of Employment in connection with carrying out the Executive's duties for the Company, subject to the Company's expense reimbursement policies and any pre-approval policies in effect from time to time.

4.5 Vacation and Other Leave. During the Period of Employment, the Executive's annual rate of vacation accrual shall be five (5) weeks per year; provided that such vacation shall accrue on a bi-weekly basis in accordance with the Company's regular payroll cycle and be subject to the Company's vacation policies in effect from time to time. The Executive shall also be entitled to all other holiday and leave pay generally available to other similarly situated executives of the Company.

5. **Termination.**

5.1 Termination by the Company. The Executive's employment by the Company, and the Period of Employment, may be terminated at any time by the Company: (i) with Cause (as such term is defined in Section 5.5), or (ii) without Cause, or (iii) in the event of the Executive's death, or (iv) in the event that the Board determines in good faith that the Executive has a Disability (as such term is defined in Section 5.5).

5.2 Termination by the Executive. The Executive's employment by the Company, and the Period of Employment, may be terminated by the Executive with or without Good Reason (as such term is defined in Section 5.5) upon written notice to the Company (such notice to be delivered in accordance with Section 18).

5.3 Benefits Upon Termination. If the Executive's employment by the Company is terminated during the Period of Employment for any reason by the Company or by the Executive, or upon or following the expiration of the Period of Employment (in any case, the date that the Executive's employment by the Company terminates is referred to as the "Severance Date"), the Company shall have no further obligation to make or provide to the Executive, and the Executive shall have no further right to receive or obtain from the Company, any payments or benefits except as follows:

- (a) The Company shall pay the Executive (or, in the event of Executive's death, the Executive's estate) any Accrued Obligations (as such term is defined in Section 5.5);

- (b) Unless the provisions of Section 5.3(c) below apply, if, during the Period of Employment, the Executive's employment with the Company is terminated (1) by the Company without Cause (and other than due to the Executive's death or in connection with a good faith determination by the Board that the Executive has a Disability), (2) by the Executive for Good Reason, or (3) as a result of the Company's provision of notice to the Executive that this Agreement shall not be extended or further extended, the Executive shall be entitled to the following benefits:

- (i) The Company shall pay the Executive (in addition to the Accrued Obligations), subject to tax withholding and other authorized deductions, an amount equal to two times Executive's Base Salary at the annualized rate in effect on the Severance Date. Such amount is referred to hereinafter as the "Severance Benefit." Subject to Section 5.7(a), the Company shall pay the Severance Benefit to the Executive in substantially equal installments in accordance with the Company's standard payroll practices over a period of twelve (12) consecutive months, with the first installment payable in the month following the month in which the Executive's Separation from Service (as such term is defined in Section 5.5) occurs. (For purposes of clarity, each such installment shall equal the applicable fraction of the aggregate Severance Benefit.)

- Subject to the Executive's continued payment of the same percentage of the applicable premiums as he was paying on the Severance Date, the Company will pay or reimburse the Executive for Executive's premiums charged to continue medical and dental coverage pursuant to the Consolidated Omnibus Budget Reconciliation Act ("COBRA"), and the Executive shall also be entitled to continued participation in the MERP, at the same or reasonably equivalent medical coverage for the Executive (and, if applicable, the Executive's eligible dependents) as in effect immediately prior to the Severance Date, to the extent that the Executive elects such continued coverage (the "COBRA Benefit"); provided that the Company's obligation to make any payment or reimbursement pursuant to this clause (ii) shall, subject to Section 5.7(a), commence with
- (ii) continuation coverage for the month following the month in which the Executive's Separation from Service occurs and shall cease with continuation coverage for the eighteenth month following the month in which the Executive's Separation from Service occurs (or, if earlier, shall cease upon the first to occur of the Executive's death, the date the Executive becomes eligible for coverage under the health plan of a future employer, or the date the Company ceases to offer group medical coverage or the MERP to its active executive employees or the Company is otherwise under no obligation to offer COBRA continuation coverage to the Executive). To the extent the Executive elects COBRA coverage, he shall notify the Company in writing of such election prior to such coverage taking effect and complete any other continuation coverage enrollment procedures the Company may then have in place.

- The Company shall pay the Executive, subject to tax withholding and other authorized deductions, a pro-rata portion of the Incentive Bonus for the fiscal year in which the Executive's employment terminates (the "Pro-Rata Bonus"). The Pro-Rata Bonus shall equal the Incentive Bonus for the
- (iii) fiscal year of termination multiplied by a fraction, the numerator of which is the number of days in the current fiscal year through the Severance Date and the denominator is 365. Any Pro-Rata Bonus that becomes payable will be paid if and when the Incentive Bonus for active employees is paid (following the completion of the audit in the following calendar year).

- If, during the Period of Employment and within three months prior to a Change in Control or twenty-four months following a Change in Control, the Executive's employment with the Company is terminated (1) by the Company without Cause (and other than due to the Executive's death or in connection with a good faith determination by the Board that the Executive has a Disability), or (2) by the Executive for Good Reason, or
- (c) (3) as a result of the Company's provision of notice to the Executive that this Agreement shall not be extended or further extended, the Executive shall be entitled to the following benefits in lieu of the benefits described under Section 5.3(b):

The Company shall pay the Executive (in addition to the Accrued Obligations), subject to tax withholding and other authorized deductions, an amount equal to two times Executive's Base Salary at the annualized rate in effect on the Severance Date. Such amount is referred to hereinafter as the "Change in Control Severance Benefit." Subject to Section 5.7(a), the Company shall pay the

(i) Change in Control Severance Benefit to the Executive in substantially equal installments in accordance with the Company's standard payroll practices over a period of twelve (12) consecutive months, with the first installment payable in the month following the month in which the Executive's Separation from Service (as such term is defined in Section 5.5) occurs. (For purposes of clarity, each such installment shall equal the applicable fraction of the aggregate Change in Control Severance Benefit.)

(ii) The Company shall provide the COBRA Benefit described in Section 5.3(b)(ii) above on the terms and conditions specified in that section until the eighteenth month following the month in which the Executive's Separation from Service occurs.

(iii) The Company shall pay the Executive, subject to tax withholding and other authorized deductions, the Pro-Rata Bonus, as described in Section 5.3(b)(iii) above.

(iv) At the Severance Date, all then outstanding and unvested equity awards granted under the Parent Equity Plan or any predecessor equity incentive plan shall receive full accelerated vesting.

Notwithstanding the foregoing provisions of this Section 5.3, if the Executive breaches Executive's obligations under Section 6 of this Agreement at any time, from and after the date of such breach and not in any way in limitation of any right or remedy otherwise available to the Company, the Executive will no longer be entitled to, and the Company will no longer be obligated to pay, any remaining unpaid portion of the Severance Benefit or Change in Control Severance Benefit, the Pro-Rata Bonus, or the COBRA Benefit; provided that, if the Executive provides the release contemplated by Section 5.4, in no event shall the Executive be entitled to a Severance Benefit or Change in Control Severance Benefit payment of less than \$5,000, which amount the parties agree is good and adequate consideration, in and of itself, for the Executive's release contemplated by Section 5.4.

(d)

- (e) The foregoing provisions of this Section 5.3 shall not affect: (i) the Executive's receipt of benefits otherwise due terminated employees under group insurance coverage consistent with the terms of the applicable Company welfare benefit plan; or (ii) the Executive's rights under COBRA to continue participation in medical, dental, hospitalization and life insurance coverage.

5.4 Release; Exclusive Remedy.

- (a) This Section 5.4 shall apply notwithstanding anything else contained in this Agreement or any stock option or other equity-based award agreement to the contrary. As a condition precedent to any Company obligation to the Executive pursuant to Sections 5.3(b) or (c), the Executive shall, upon or promptly following his or her last day of employment with the Company (and in any event within twenty-one (21) days following the Executive's last day of employment), execute a general release agreement in substantially the form of Exhibit A (with such amendments that may be necessary to ensure the release is enforceable to the fullest extent permissible under then applicable law), and such release agreement shall have not been revoked by the Executive pursuant to any revocation rights afforded by applicable law.

- (b) The Executive agrees that the payments and benefits contemplated by Section 5.3 (and any applicable acceleration of vesting of an equity-based award in accordance with the terms of such award in connection with the termination of the Executive's employment) shall constitute the exclusive and sole remedy for any termination of Executive's employment and the Executive covenants not to assert or pursue any other remedies, at law or in equity, with respect to any termination of employment. The Company and the Executive acknowledge and agree that there is no duty of the Executive to mitigate damages under this Agreement. All amounts paid to the Executive pursuant to Section 5.3 shall be paid without regard to whether the Executive has taken or takes actions to mitigate damages. The Executive agrees to resign, on the Severance Date, as an officer and director of the Company and any Affiliate of the Company, and as a fiduciary of any benefit plan of the Company or any Affiliate of the Company, and to promptly execute and provide to the Company any further documentation, as requested by the Company, to confirm such resignation.

5.5 Certain Defined Terms.

- (a) As used herein, "Accrued Obligations" means:
- (i) any Base Salary that had accrued but had not been paid on or before the Severance Date (including accrued and unpaid vacation time to the extent that the Executive is entitled to accrued vacation in accordance with the Company's policy in effect at the applicable time); and (ii) any reimbursement due to the Executive pursuant to Section 4.4 for expenses reasonably incurred by the Executive on or before the Severance Date and documented and pre-approved, to the extent applicable, in accordance with the Company's expense reimbursement policies in effect at the applicable time.

- As used herein, “Affiliate” of the Company means a Person that directly or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, the Company. As used in this definition, the term “control,” including the correlative terms “controlling,” “controlled by” and “under common control with,” means the possession, directly or indirectly, of the power to direct or cause the direction of management or policies (whether through ownership of securities or any partnership or other ownership interest, by contract or otherwise) of a Person. For purposes of clarity and without limiting the generality of the foregoing, the term “Affiliate” includes any Person that meets the definition of “Affiliate” and is, directly or indirectly through any other Person, engaged in the Business (as such term is defined in Section 6.2) if that Person is controlled by Apollo Global Management, LLC or any of its affiliated funds or Genting HK and its affiliates. However, any Person that would not otherwise be an Affiliate of the Company but for its ownership by Apollo Global Management, LLC or its affiliated funds shall not be considered an Affiliate if such Person is not, directly or indirectly through any other Person, engaged in the Business (as such term is defined in Section 6.2).
- (b)
- (c) As used herein, “Cause” shall mean, as reasonably determined by the Chief Executive Officer based on the information then known to him, that one or more of the following has occurred:
- (i) the Executive has committed a felony (under the laws of the United States or any relevant state, or a similar crime or offense under the applicable laws of any relevant foreign jurisdiction), other than through vicarious liability not related to the Company or any of its Affiliates;
 - (ii) the Executive has engaged in acts of fraud, dishonesty or other acts of willful misconduct;
 - (iii) the Executive willfully fails to perform or uphold Executive’s duties under this Agreement and/or willfully fails to comply with reasonable directives of the Board and/or Chief Executive Officer, in either case after there has been delivered to the Executive a written demand for performance from the Company and the Executive fails to remedy such condition(s) within ten (10) days of receiving such written notice thereof; or
-

- (iv) any breach by the Executive of the provisions of Section 6, or any material breach by the Executive of any other contract he is a party to with the Company or any of its Affiliates.
 - (d) As used herein, “Change in Control” shall mean the following:
 - (i) The consummation by the Parent of a merger, consolidation, reorganization, or business combination, other than a transaction:
 - (A) Which results in the Parent’s voting securities outstanding immediately before the transaction continuing to represent (either by remaining outstanding or by being converted into voting securities of the Parent or the Person that, as a result of the transaction, controls, directly or indirectly, the Parent or owns, directly or indirectly, all or substantially all of the Parent’s assets or otherwise succeeds to the business of the Parent (the Parent or such person, the “Successor Entity”)) directly or indirectly, at least a majority of the combined voting power of the Successor Entity’s outstanding voting securities immediately after the transaction, and;
 - (B) After which no person or group (as such terms are used in Sections 13(d) and 14(d)(2) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”)) beneficially owns (within the meaning of Rule 13d-3 under the Exchange Act) voting securities representing 50% or more of the combined voting power of the Successor Entity; provided, however, that no person or group shall be treated for purposes of this Section 5.5(d)(i)(B) as beneficially owning 50% or more of combined voting power of the Successor Entity solely as a result of the voting power held in the Parent prior to the consummation of the transaction; or
 - (ii) A sale or other disposition of all or substantially all of the Parent’s assets in any single transaction or series of related transactions; or
 - (iii) A transaction or series of transactions (other than an offering of stock to the general public through a registration statement filed with the Securities and Exchange Commission) whereby any person or group (as such terms are used in Sections 13(d) and 14(d)(2) of the Exchange Act) (other than the Parent, any of its subsidiaries, an employee benefit plan maintained by the Parent or any of its subsidiaries or a person or group that, prior to such transaction, directly or indirectly controls, is controlled by, or is under common control with, the Parent) directly or indirectly acquires beneficial ownership (within the meaning of Rule 13d-3 under the Exchange Act) of securities of the Parent and immediately after such acquisition possesses more than 50% of the total combined voting power of the Parent’s securities outstanding immediately after such acquisition; or
-

- (iv) Individuals who, on the Effective Date, constitute the Board together with any new director(s) whose election by the Board was not in connection with an actual or threatened proxy contest, cease for any reason to constitute a majority thereof.

- (e) As used herein, "Disability" shall mean a physical or mental impairment which, as reasonably determined by the Board, renders the Executive unable to perform the essential functions of Executive's employment with the Company, even with reasonable accommodation that does not impose an undue hardship on the Company, for more than 90 days in any 180-day period, unless a longer period is required by federal or state law, in which case that longer period would apply.

- (f) As used herein, "Good Reason" shall mean that the Executive has complied with the "Good Reason Process" following the occurrence of any of the following events (referred to individually as a "Good Reason Event" and collectively as "Good Reason Events"): (A) any substantial adverse change, not consented to by the Executive in a writing signed by the Executive, in the nature or scope of the Executive's responsibilities, authorities, powers, functions, or duties; (B) an involuntary reduction in the Executive's Base Salary; (C) a breach by the Company of any of its material obligations under this Agreement; or (D) the requirement that the Executive be relocated from the Company's primary offices at which the Executive is principally employed to a location more than sixty (60) miles from the Company's current principal offices, or the requirement by the Company for the Executive to be based anywhere other than the Company's principal offices at such current location (or more than sixty (60) miles therefrom) on an extended basis, except for required travel on the Company's business to an extent substantially consistent with the Executive's current business travel obligations.

- (g) As used herein, "Good Reason Process" shall mean that (i) the Executive reasonably determines in good faith that a Good Reason Event has occurred; (ii) the Executive notifies the Company in writing (such notice to be delivered in accordance with Section 18) of the occurrence of the Good Reason Event within 10 days thereof and the Executive's intent to terminate employment as a result thereof; and (iii) one or more of the Good Reason Events continues to exist for a period of more than thirty (30) days following such notice and has not been modified or cured in a manner acceptable to the Executive, in which case the Executive's employment shall automatically terminate on the thirty-first (31st) day after the date such notice is given.

(h) As used herein, the term “Person” shall be construed broadly and shall include, without limitation, an individual, a partnership, a limited liability company, a corporation, an association, a joint stock company, a trust, a joint venture, an unincorporated organization and a governmental entity or any department, agency or political subdivision thereof.

(i) As used herein, a “Separation from Service” occurs when the Executive dies, retires, or otherwise has a termination of employment with the Company that constitutes a “separation from service” within the meaning of Treasury Regulation Section 1.409A-1(h)(1), without regard to the optional alternative definitions available thereunder.

5.6 Notice of Termination. Any termination of the Executive’s employment under this Agreement shall be communicated by written notice of termination from the terminating party to the other party. This notice of termination must be delivered in accordance with Section 18 and must indicate the specific provision(s) of this Agreement relied upon in effecting the termination and the basis of any termination by the Company for Cause or by the Executive for Good Reason.

5.7 Section 409A.

(a) If the Executive is a “specified employee” within the meaning of Treasury Regulation Section 1.409A-1(i) as of the date of the Executive’s Separation from Service, the Executive shall not be entitled to any payment or benefit pursuant to Sections 5.3(b) or (c) until the earlier of (i) the date which is six (6) months after Executive’s Separation from Service for any reason other than death, or (ii) the date of the Executive’s death. The provisions of this paragraph shall only apply if, and to the extent, required to avoid the imputation of any tax, penalty or interest pursuant to Section 409A of the Code. For purposes of clarity, the six (6) month delay shall not apply in the case of any short-term deferral as contemplated by Treasury Regulation Section 1.409A-1(b)(4) or severance pay contemplated by Treasury Regulation Section 1.409A-1(b)(9)(iii) to the extent of the limits set forth therein. Any amounts otherwise payable to the Executive upon or in the six (6) month period following the Executive’s Separation from Service that are not so paid by reason of this Section 5.7(a) shall be paid (without interest) as soon as practicable (and in all events within thirty (30) days) after the date that is six (6) months after the Executive’s Separation from Service (or, if earlier, as soon as practicable, and in all events within thirty (30) days, after the date of the Executive’s death).

- To the extent that any benefits pursuant to Sections 5.3(b)(ii) or (c)(ii) or reimbursements pursuant to Section 4 are taxable to the Executive, any reimbursement payment due to the Executive pursuant to any such provision shall be paid to the Executive on or before the last day of the Executive's taxable year following the taxable year in which the related expense was incurred. The benefits and reimbursements pursuant to Sections 5.3(b)(ii) and (c)(ii) and Section 4 are not subject to liquidation or exchange for another benefit and the amount of such benefits and reimbursements that the Executive receives in one taxable year shall not affect the amount of such benefits or reimbursements that the Executive receives in any other taxable year.
- (b)

- Any installment payments provided for in this Agreement shall be treated as separate payments for purposes of Section 409A of the Code. To the extent required to avoid the imputation of any tax, penalty or interest pursuant to Section 409A of the Code, the definition of Change in Control will be interpreted to mean a change in the ownership, effective control or ownership of a substantial portion of assets of Parent within the meaning of Section 409A of the Code. This Agreement is intended to comply with the requirements of Section 409A of the Code and shall be interpreted consistent with this intent so as to avoid the imputation of any tax, penalty or interest pursuant to Section 409A of the Code.
- (c)

5.8 Possible Limitation of Benefits in Connection with a Change in Control. Notwithstanding anything contained in this Agreement to the contrary, if following a change in ownership or effective control or in the ownership of a substantial portion of assets (in each case, within the meaning of Section 280G of the Code), the tax imposed by Section 4999 of the Code or any similar or successor tax (the "Excise Tax") applies to any payments, benefits and/or amounts received by the Executive pursuant to this Agreement or otherwise, including, without limitation, any acceleration of the vesting of outstanding stock options or other equity awards (collectively, the "Total Payments"), then the Total Payments shall be reduced (but not below zero) so that the maximum amount of the Total Payments (after reduction) shall be one dollar (\$1.00) less than the amount which would cause the Total Payments to be subject to the Excise Tax; provided that such reduction to the Total Payments shall be made only if the total after-tax benefit to the Executive is greater after giving effect to such reduction than if no such reduction had been made. If such a reduction is required, the Company shall reduce or eliminate the Total Payments by first reducing or eliminating any cash payments under this Agreement, then by reducing or eliminating any accelerated vesting of stock options, then by reducing or eliminating any accelerated vesting of other equity awards, then by reducing or eliminating any other remaining Total Payments, in each case in reverse order beginning with the payments which are to be paid the farthest in time from the date of the transaction triggering the Excise Tax. The provisions of this Section 5.8 shall take precedence over the provisions of any other plan, arrangement or agreement governing the Executive's rights and entitlements to any benefits or compensation.

6. Protective Covenants.

6.1 Confidential Information; Inventions.

- The Executive shall not disclose or use at any time, either during the Period of Employment or thereafter, any Confidential Information (as defined below) of which the Executive is or becomes aware, whether or not such information is developed by Executive, except to the extent that such disclosure or use is directly related to and required by the Executive's performance in good faith of duties for the Company. The Executive will take all appropriate steps to safeguard Confidential Information in Executive's possession and to protect it against disclosure, misuse, espionage, loss and theft. The Executive shall deliver to the Company at the termination of the Period of Employment, or at any time the Company may request, all memoranda, notes, plans, records, reports, computer tapes and software and other documents and data (and copies thereof) relating to the Confidential Information or the Work Product (as hereinafter defined) of the business of the
- (a) Company or any of its Affiliates which the Executive may then possess or have under Executive's control. Notwithstanding the foregoing, the Executive may truthfully respond to a lawful and valid subpoena or other legal process, but shall give the Company the earliest possible notice thereof, shall, as much in advance of the return date as possible, make available to the Company and its counsel the documents and other information sought, and shall assist the Company and such counsel in resisting or otherwise responding to such process. Nothing in this Agreement prohibits Executive from reporting possible violations of federal law or regulation to any governmental agency or entity, or making other disclosures that are protected under the whistleblower provisions of federal law or regulation. Executive does not need the prior authorization to make any such reports or disclosures and is not required to notify the Employer of such reports or disclosures.

- As used in this Agreement, the term "Confidential Information" means information that is not generally known to the public and that is used, developed or obtained by the Company or its Affiliates in connection with their businesses, including, but not limited to, information, observations and data obtained by the Executive while employed by the Company or any predecessors thereof (including those obtained prior to the Effective Date) concerning (i) the business or affairs of the Company (or such predecessors), (ii) products or services, (iii) fees, costs and pricing structures, (iv) designs, (v) analyses, (vi) drawings, photographs and reports, (vii) computer software, including operating systems, applications and program listings, (viii) flow charts, manuals and documentation, (ix) data bases, (x) accounting and business methods, (xi) inventions, devices, new developments, methods and processes, whether patentable or unpatentable and whether or not reduced to practice, (xii) customers and clients and customer or client lists, (xiii) other copyrightable works, (xiv) all production methods, processes, technology and trade secrets, and (xv) all similar and related information in whatever form. Confidential Information will not include any information that has been published (other than a disclosure by the Executive in breach of this Agreement) in a form generally available to the public prior to the date the Executive proposes to disclose or use such information. Confidential Information will not be deemed to have been published merely because individual portions of the information have been separately published, but only if all material features comprising such information have been published in combination.
- (b)

- As used in this Agreement, the term “Work Product” means all inventions, innovations, improvements, technical information, systems, software developments, methods, designs, analyses, drawings, reports, service marks, trademarks, trade names, logos and all similar or related information (whether patentable or unpatentable, copyrightable, registerable as a trademark, reduced to writing, or otherwise) which relates to the Company’s or any of its Affiliates’ actual or anticipated business, research and development or existing or future products or services and which are conceived, developed or made by the Executive (whether or not during usual business hours, whether or not by the use of the facilities of the Company or any of its Affiliates, and whether or not alone or in conjunction with any other person) while employed by the Company (including those conceived, developed or made prior to the Effective Date) together with all patent applications, letters patent, trademark, trade name and service mark applications or registrations, copyrights and reissues thereof that may be granted for or upon any of the foregoing. All Work Product that the
- (c) Executive may have discovered, invented or originated during Executive’s employment by the Company or any of its Affiliates prior to the Effective Date or that she may discover, invent or originate during the Period of Employment or at any time prior to the Severance Date, shall be the exclusive property of the Company and its Affiliates, as applicable, and Executive hereby assigns all of Executive’s right, title and interest in and to such Work Product to the Company or its applicable Affiliate, including all intellectual property rights therein. Executive shall promptly disclose all Work Product to the Company, shall execute at the request of the Company any assignments or other documents the Company may deem necessary to protect or perfect its (or any of its Affiliates’, as applicable) rights therein, and shall assist the Company, at the Company’s expense, in obtaining, defending and enforcing the Company’s (or any of its Affiliates’, as applicable) rights therein. The Executive hereby appoints the Company as Executive’s attorney-in-fact to execute on Executive’s behalf any assignments or other documents deemed necessary by the Company to protect or perfect the Company’s (and any of its Affiliates’, as applicable) rights to any Work Product.
-

6.2 Restriction on Competition. The Executive acknowledges that, in the course of Executive's employment with the Company and/or its Affiliates, he has become familiar, or will become familiar, with the Company's and its Affiliates' and their predecessors' trade secrets and with other Confidential Information concerning the Company, its Affiliates and their respective predecessors and that Executive's services have been and will be of special, unique and extraordinary value to the Company and its Affiliates. The Executive agrees that if the Executive were to become employed by, or substantially involved in, the business of a competitor of the Company or any of its Affiliates following the Severance Date, it would be very difficult for the Executive not to rely on or use the Company's and its Affiliates' trade secrets and Confidential Information. Thus, to avoid the inevitable disclosure of the Company's and its Affiliates' trade secrets and Confidential Information, and to protect such trade secrets and Confidential Information and the Company's and its Affiliates' relationships and goodwill with customers, during the Period of Employment and for a period of twenty-four months after the Severance Date, the Executive will not directly or indirectly through any other Person engage in, enter the employ of, render any services to, have any ownership interest in, nor participate in the financing, operation, management or control of, any Competing Business. For purposes of this Agreement, the phrase "directly or indirectly through any other Person engage in" shall include, without limitation, any direct or indirect ownership or profit participation interest in such enterprise, whether as an owner, stockholder, member, partner, joint venturer or otherwise, and shall include any direct or indirect participation in such enterprise as an employee, consultant, director, officer, licensor of technology or otherwise. For purposes of this Agreement, "Competing Business" means a Person anywhere in the continental United States and elsewhere in the world where the Company and its Affiliates engage in business, or reasonably anticipate engaging in business, on the Severance Date (the "Restricted Area") that at any time during the Period of Employment has competed, or at any time during the twelve month period following the Severance Date competes, with the Company or any of its Affiliates in the passenger cruise ship industry (the "Business"). Nothing herein shall prohibit the Executive from being a passive owner of not more than 2% of the outstanding stock of any class of a corporation which is publicly traded, so long as the Executive has no active participation in the business of such corporation. Notwithstanding the foregoing, the Executive and the Company may agree that the Company shall waive all or a portion of the non-competition restrictions provided for in this Section 6.2 in exchange for the Executive's agreement to forfeit all or a portion of the Severance Benefit payable under Section 5.3(b) or the Change in Control Severance Benefit payable under Section 5.3(c). Any such agreement between the Executive and the Company shall be documented in the general release agreement provided for in Section 5.4 or in such other written agreement between the Executive and the Company determined by the Company.

6.3 Non-Solicitation of Employees and Consultants. During the Period of Employment and for a period of twenty-four months after the Severance Date, the Executive will not directly or indirectly through any other Person (i) induce or attempt to induce any employee or independent contractor of the Company or any Affiliate of the Company to leave the employ or service, as applicable, of the Company or such Affiliate, or in any way interfere with the relationship between the Company or any such Affiliate, on the one hand, and any employee or independent contractor thereof, on the other hand, or (ii) hire any person who was an employee of the Company or any Affiliate of the Company until twelve months after such individual's employment relationship with the Company or such Affiliate has been terminated.

6.4 Non-Solicitation of Customers. During the Period of Employment and for a period of twenty-four months after the Severance Date, the Executive will not directly or indirectly through any other Person influence or attempt to influence customers, vendors, suppliers, licensors, lessors, joint venturers, associates, consultants, agents, or partners of the Company or any Affiliate of the Company to divert their business away from the Company or such Affiliate, and the Executive will not otherwise interfere with, disrupt or attempt to disrupt the business relationships, contractual or otherwise, between the Company or any Affiliate of the Company, on the one hand, and any of its or their customers, suppliers, vendors, lessors, licensors, joint venturers, associates, officers, employees, consultants, managers, partners, members or investors, on the other hand.

6.5 Understanding of Covenants. The Executive represents that he (i) is familiar with and has carefully considered the foregoing covenants set forth in this Section 6 (together, the “Restrictive Covenants”), (ii) is fully aware of Executive’s obligations hereunder, (iii) agrees to the reasonableness of the length of time, scope and geographic coverage, as applicable, of the Restrictive Covenants, (iv) agrees that the Company and its Affiliates currently conduct business throughout the continental United States and the rest of the world, (v) agrees that the Restrictive Covenants are necessary to protect the Company’s and its Affiliates’ confidential and proprietary information, good will, stable workforce, and customer relations, and (vi) agrees that the Restrictive Covenants will continue in effect for the applicable periods set forth above in this Section 6 regardless of whether the Executive is then entitled to receive severance pay or benefits from the Company. The Executive understands that the Restrictive Covenants may limit Executive’s ability to earn a livelihood in a business similar to the Business of the Company and any of its Affiliates, but he nevertheless believes that he has received and will receive sufficient consideration and other benefits as an employee of the Company and as otherwise provided hereunder or as described in the recitals hereto to clearly justify such restrictions which, in any event (given Executive’s education, skills and ability), the Executive does not believe would prevent Executive from otherwise earning a living. The Executive agrees that the Restrictive Covenants do not confer a benefit upon the Company disproportionate to the detriment of the Executive.

6.6 Enforcement. The Executive agrees that the Executive's services are unique and that he has access to Confidential Information and Work Product. Accordingly, without limiting the generality of Section 17, the Executive agrees that a breach by the Executive of any of the covenants in this Section 6 would cause immediate and irreparable harm to the Company that would be difficult or impossible to measure, and that damages to the Company for any such injury would therefore be an inadequate remedy for any such breach. Therefore, the Executive agrees that in the event of any breach or threatened breach of any provision of this Section 6, the Company shall be entitled, in addition to and without limitation upon all other remedies the Company may have under this Agreement, at law or otherwise, to obtain specific performance, injunctive relief and/or other appropriate relief (without posting any bond or deposit) in order to enforce or prevent any violations of the provisions of this Section 6. The Executive further agrees that the applicable period of time any Restrictive Covenant is in effect following the Severance Date, as determined pursuant to the foregoing provisions of this Section 6, shall be extended by the same amount of time that Executive is in breach of any Restrictive Covenant.

7. **Withholding Taxes.** Notwithstanding anything else herein to the contrary, the Company may withhold (or cause there to be withheld, as the case may be) from any amounts otherwise due or payable under or pursuant to this Agreement such federal, state and local income, employment, or other taxes as may be required to be withheld pursuant to any applicable law or regulation.

8. **Successors and Assigns.**

(a) This Agreement is personal to the Executive and without the prior written consent of the Company shall not be assignable by the Executive otherwise than by will or the laws of descent and distribution. This Agreement shall inure to the benefit of and be enforceable by the Executive's legal representatives.

(b) This Agreement shall inure to the benefit of and be binding upon the Company and its successors and assigns. Without limiting the generality of the preceding sentence, the Company will require any successor (whether direct or indirect, by purchase, merger, consolidation or otherwise) to all or substantially all of the business and/or assets of the Company to assume expressly and agree to perform this Agreement in the same manner and to the same extent that the Company would be required to perform it if no such succession had taken place. As used in this Agreement, "Company" shall mean the Company as hereinbefore defined and any successor or assignee, as applicable, which assumes and agrees to perform this Agreement by operation of law or otherwise.

9. **Number and Gender; Examples.** Where the context requires, the singular shall include the plural, the plural shall include the singular, and any gender shall include all other genders. Where specific language is used to clarify by example a general statement contained herein, such specific language shall not be deemed to modify, limit or restrict in any manner the construction of the general statement to which it relates.

10. **Section Headings.** The section headings of, and titles of paragraphs and subparagraphs contained in, this Agreement are for the purpose of convenience only, and they neither form a part of this Agreement nor are they to be used in the construction or interpretation thereof.

11. **Governing Law.** THIS AGREEMENT WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF FLORIDA, WITHOUT GIVING EFFECT TO ANY CHOICE OF LAW OR CONFLICTING PROVISION OR RULE (WHETHER OF THE STATE OF FLORIDA OR ANY OTHER JURISDICTION) THAT WOULD CAUSE THE LAWS OF ANY JURISDICTION OTHER THAN THE STATE OF FLORIDA TO BE APPLIED. IN FURTHERANCE OF THE FOREGOING, THE INTERNAL LAW OF THE STATE OF FLORIDA WILL CONTROL THE INTERPRETATION AND CONSTRUCTION OF THIS AGREEMENT, EVEN IF UNDER SUCH JURISDICTION'S CHOICE OF LAW OR CONFLICT OF LAW ANALYSIS, THE SUBSTANTIVE LAW OF SOME OTHER JURISDICTION WOULD ORDINARILY APPLY.

12. **Severability.** It is the desire and intent of the parties hereto that the provisions of this Agreement be enforced to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. Accordingly, if any particular provision of this Agreement shall be adjudicated by a court of competent jurisdiction to be invalid, prohibited or unenforceable under any present or future law, and if the rights and obligations of any party under this Agreement will not be materially and adversely affected thereby, such provision, as to such jurisdiction, shall be ineffective, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction, and to this end the provisions of this Agreement are declared to be severable; furthermore, in lieu of such invalid or unenforceable provision there will be added automatically as a part of this Agreement, a legal, valid and enforceable provision as similar in terms to such invalid or unenforceable provision as may be possible. Notwithstanding the foregoing, if such provision could be more narrowly drawn (as to geographic scope, period of duration or otherwise) so as not to be invalid, prohibited or unenforceable in such jurisdiction, it shall, as to such jurisdiction, be so narrowly drawn, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

13. **Entire Agreement; Legal Effect.** This Agreement embodies the entire agreement of the parties hereto respecting the matters within its scope. This Agreement supersedes all prior and contemporaneous agreements of the parties hereto that directly or indirectly bear upon the subject matter hereof. Any prior negotiations, correspondence, agreements, proposals or understandings relating to the subject matter hereof shall be deemed to have been merged into this Agreement, and to the extent inconsistent herewith, such negotiations, correspondence, agreements, proposals, or understandings shall be deemed to be of no force or effect. There are no representations, warranties, or agreements, whether express or implied, or oral or written, with respect to the subject matter hereof, except as expressly set forth herein.

14. **Modifications.** This Agreement may not be amended, modified or changed (in whole or in part), except by a formal, definitive written agreement expressly referring to this Agreement, which agreement is executed by both of the parties hereto.

15. Waiver. Neither the failure nor any delay on the part of a party to exercise any right, remedy, power or privilege under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege preclude any other or further exercise of the same or of any right, remedy, power or privilege, nor shall any waiver of any right, remedy, power or privilege with respect to any occurrence be construed as a waiver of such right, remedy, power or privilege with respect to any other occurrence. No waiver shall be effective unless it is in writing and is signed by the party asserted to have granted such waiver.

16. Waiver of Jury Trial. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT.

17. Remedies. Each of the parties to this Agreement and any such person or entity granted rights hereunder whether or not such person or entity is a signatory hereto shall be entitled to enforce its rights under this Agreement specifically to recover damages and costs for any breach of any provision of this Agreement and to exercise all other rights existing in its favor. The parties hereto agree and acknowledge that money damages may not be an adequate remedy for any breach of the provisions of this Agreement and that each party may in its sole discretion apply to any court of law or equity of competent jurisdiction for specific performance, injunctive relief and/or other appropriate equitable relief (without posting any bond or deposit) in order to enforce or prevent any violations of the provisions of this Agreement. Each party shall be responsible for paying its own attorneys' fees, costs and other expenses pertaining to any such legal proceeding and enforcement regardless of whether an award or finding or any judgment or verdict thereon is entered against either party.

18. Notices. Any notice provided for in this Agreement must be in writing and must be either personally delivered, transmitted via telecopier, mailed by first class mail (postage prepaid and return receipt requested) or sent by reputable overnight courier service (charges prepaid) to the recipient at the address below indicated or at such other address or to the attention of such other person as the recipient party has specified by prior written notice to the sending party. Notices will be deemed to have been given hereunder and received when delivered personally, when received if transmitted via telecopier, five days after deposit in the U.S. mail and one day after deposit with a reputable overnight courier service.

19. Counterparts. This Agreement shall become binding when one or more counterparts hereof, individually or taken together, shall bear the signatures of all of the parties reflected hereon as the signatories. Photographic or other electronic copies of such signed counterparts may be used in lieu of the originals for any purpose.

20. Legal Counsel; Mutual Drafting. Each party recognizes that this is a legally binding contract and acknowledges and agrees that they have had the opportunity to consult with legal counsel of their choice. Each party has cooperated in the drafting, negotiation and preparation of this Agreement. Hence, in any construction to be made of this Agreement, the same shall not be construed against either party on the basis of that party being the drafter of such language. The Executive agrees and acknowledges that he has read and understands this Agreement, is entering into it freely and voluntarily, and has been advised to seek counsel prior to entering into this Agreement and has had ample opportunity to do so.

21. Clawback. All bonuses and equity awards granted under this Agreement, the Parent Equity Plan or any other incentive plan are subject to the terms of the Company's or Parent's recoupment, clawback or similar policy as it may be in effect from time to time, as well as any similar provisions of applicable law, any of which could in certain circumstances require repayment or forfeiture of bonuses or awards or any shares or other cash or property received with respect to the bonuses or awards (including any value received from a disposition of the shares acquired upon payment of the bonuses or equity awards).

FORM OF RELEASE AGREEMENT

This Release Agreement (this "Release Agreement") is entered into this ____ day of _____ 20__, by and between [____], an individual ("Executive"), and NCL (Bahamas) Ltd., a company organized under the laws of Bermuda (the "Company").

WHEREAS, Executive has been employed by the Company or one of its subsidiaries; and

WHEREAS, Executive's employment by the Company or one of its subsidiaries has terminated and, in connection with the Executive's Employment Agreement with the Company, dated as of [_____] (the "Employment Agreement"), the Company and Executive desire to enter into this Release Agreement upon the terms set forth herein;

NOW, THEREFORE, in consideration of the covenants undertaken and the releases contained in this Release Agreement, and in consideration of the obligations of the Company to pay severance and other benefits (conditioned upon this Release Agreement) under and pursuant to the Employment Agreement, Executive and the Company agree as follows:

1. Termination of Employment. Executive's employment with the Company terminated on [_____, _____] (the "Separation Date"). Executive waives any right or claim to reinstatement as an employee of the Company and each of its affiliates. Executive hereby confirms that Executive does not hold any position as an officer, director or employee with the Company and each of its affiliates. Executive acknowledges and agrees that Executive has received all amounts owed for Executive's regular and usual salary (including, but not limited to, any overtime, bonus, accrued vacation, commissions, or other wages), reimbursement of expenses, sick pay and usual benefits.

2. Release. Executive, on behalf of Executive, Executive's descendants, dependents, heirs, executors, administrators, assigns, and successors, and each of them, hereby covenants not to sue and fully releases and discharges the Company and each of its parents, subsidiaries and affiliates, past and present, as well as its and their trustees, directors, officers, members, managers, partners, agents, attorneys, insurers, employees, stockholders, representatives, assigns, and successors, past and present, and each of them, hereinafter together and collectively referred to as the "Releasees," with respect to and from any and all claims, wages, demands, rights, liens, agreements or contracts (written or oral), covenants, actions, suits, causes of action, obligations, debts, costs, expenses, attorneys' fees, damages, judgments, orders and liabilities of whatever kind or nature in law, equity or otherwise, whether now known or unknown, suspected or unsuspected, and whether or not concealed or hidden (each, a "Claim"), which he now owns or holds or he has at any time heretofore owned or held or may in the future hold as against any of said Releasees (including, without limitation, any Claim arising out of or in any way connected with Executive's service as an officer, director, employee, member or manager of any Releasee, Executive's separation from Executive's position as an officer, director, employee, manager and/or member, as applicable, of any Releasee, or any other transactions, occurrences, acts or omissions or any loss, damage or injury whatever), whether known or unknown, suspected or unsuspected, resulting from any act or omission by or on the part of said Releasees, or any of them, committed or omitted prior to the date of this Release Agreement including, without limiting the generality of the foregoing, any Claim under Title VII of the Civil Rights Act of 1964, the Age Discrimination in Employment Act of 1967, the Americans with Disabilities Act, the Family and Medical Leave Act of 1993, or any other federal, state or local law, regulation, or ordinance, or any Claim for severance pay, equity compensation, bonus, sick leave, holiday pay, vacation pay, life insurance, health or medical insurance or any other fringe benefit, workers' compensation or disability (the "Release"); provided, however, that the foregoing Release does not apply to any obligation of the Company to Executive pursuant to any of the following: (1) any equity-based awards previously granted by the Company or its affiliates to Executive, to the extent that such awards continue after the termination of Executive's employment with the Company in accordance with the applicable terms of such awards (and subject to any limited period in which to exercise such awards following such termination of employment); (2) any right to indemnification that Executive may have pursuant to the Bylaws of the Company, its Articles of Incorporation or under any written indemnification agreement with the Company (or any corresponding provision of any subsidiary or affiliate of the Company) or applicable state law with respect to any loss, damages or expenses (including but not limited to attorneys' fees to the extent otherwise provided) that Executive may in the future incur with respect to Executive's service as an employee, officer or director of the Company or any of its subsidiaries or affiliates; (3) with respect to any rights that Executive may have to insurance coverage for such losses, damages or expenses under any Company (or subsidiary or affiliate) directors and officers liability insurance policy; (4) any rights to continued medical or dental coverage that Executive may have under COBRA (or similar applicable state law); (5) any rights to the severance and other benefits payable under Section 5.3 of the Employment Agreement in accordance with the terms of the Employment Agreement; or (6) any rights to payment of benefits that Executive may have under a retirement plan sponsored or maintained by the Company or its affiliates that is intended to qualify under Section 401(a) of the Internal Revenue Code of 1986, as amended. In addition, this Release does not cover any Claim that cannot be so released as a matter of applicable law. Executive acknowledges and agrees that he has received any and all leave and other benefits that she has been and is entitled to pursuant to the Family and Medical Leave Act of 1993.

3. ADEA Waiver. Executive expressly acknowledges and agrees that by entering into this Release Agreement, Executive is waiving any and all rights or Claims that he may have arising under the Age Discrimination in Employment Act of 1967, as amended (the "ADEA"), which have arisen on or before the date of execution of this Release Agreement. Executive further expressly acknowledges and agrees that:

A. In return for this Release Agreement, the Executive will receive consideration beyond that which the Executive was already entitled to receive before entering into this Release Agreement;

B. Executive is hereby advised in writing by this Release Agreement to consult with an attorney before signing this Release Agreement;

C. Executive has voluntarily chosen to enter into this Release Agreement and has not been forced or pressured in any way to sign it;

D. Executive was given a copy of this Release Agreement on [_____, 20__] and informed that he had twenty one (21) days within which to consider this Release Agreement and that if he wished to execute this Release Agreement prior to expiration of such 21-day period, he should execute the Endorsement attached hereto;

E. Executive was informed that he had seven (7) days following the date of execution of this Release Agreement in which to revoke this Release Agreement, and this Release Agreement will become null and void if Executive elects revocation during that time. Any revocation must be in writing and must be received by the Company during the seven-day revocation period. In the event that Executive exercises Executive's right of revocation, neither the Company nor Executive will have any obligations under this Release Agreement;

F. Nothing in this Release Agreement prevents or precludes Executive from challenging or seeking a determination in good faith of the validity of this waiver under the ADEA, nor does it impose any condition precedent, penalties or costs from doing so, unless specifically authorized by federal law.

4. Non-Disparagement. Executive agrees not to make, directly or indirectly, whether verbal or in writing, any damaging or disparaging statements, representations or remarks about or concerning Employer or any of the Released Parties.

5. No Transferred Claims. Executive warrants and represents that the Executive has not heretofore assigned or transferred to any person not a party to this Release Agreement any released matter or any part or portion thereof and she shall defend, indemnify and hold the Company and each of its affiliates harmless from and against any claim (including the payment of attorneys' fees and costs actually incurred whether or not litigation is commenced) based on or in connection with or arising out of any such assignment or transfer made, purported or claimed.

6. Severability. It is the desire and intent of the parties hereto that the provisions of this Release Agreement be enforced to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. Accordingly, if any particular provision of this Release Agreement shall be adjudicated by a court of competent jurisdiction to be invalid, prohibited or unenforceable under any present or future law, such provision, as to such jurisdiction, shall be ineffective, without invalidating the remaining provisions of this Release Agreement or affecting the validity or enforceability of such provision in any other jurisdiction; furthermore, in lieu of such invalid or unenforceable provision there will be added automatically as a part of this Release Agreement, a legal, valid and enforceable provision as similar in terms to such invalid or unenforceable provision as may be possible. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be invalid, prohibited or unenforceable in such jurisdiction, it shall, as to such jurisdiction, be so narrowly drawn, without invalidating the remaining provisions of this Release Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

7. Counterparts. This Release Agreement may be executed in separate counterparts, each of which is deemed to be an original and all of which taken together constitute one and the same agreement. This Release Agreement shall become binding when one or more counterparts hereof, individually or taken together, shall bear the signatures of all of the parties reflected hereon as the signatories. Photographic or other electronic copies of such signed counterparts may be used in lieu of the originals for any purpose.

8. Successors. This Release Agreement is personal to Executive and shall not, without the prior written consent of the Company, be assignable by Executive. This Release Agreement shall inure to the benefit of and be binding upon the Company and its respective successors and assigns and any such successor or assignee shall be deemed substituted for the Company under the terms of this Release Agreement for all purposes. As used herein, “successor” and “assignee” shall include any person, firm, corporation or other business entity which at any time, whether by purchase, merger, acquisition of assets, or otherwise, directly or indirectly acquires the ownership of the Company, acquires all or substantially all of the Company’s assets, or to which the Company assigns this Release Agreement by operation of law or otherwise.

9. Governing Law. THIS RELEASE AGREEMENT WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH UNITED STATES FEDERAL LAW AND, TO THE EXTENT NOT PREEMPTED BY UNITED STATES FEDERAL LAW, THE LAWS OF THE STATE OF FLORIDA, WITHOUT GIVING EFFECT TO ANY CHOICE OF LAW OR CONFLICTING PROVISION OR RULE (WHETHER OF THE STATE OF FLORIDA OR ANY OTHER JURISDICTION) THAT WOULD CAUSE THE LAWS OF ANY JURISDICTION OTHER THAN UNITED STATES FEDERAL LAW AND THE LAW OF THE STATE OF FLORIDA TO BE APPLIED. IN FURTHERANCE OF THE FOREGOING, APPLICABLE FEDERAL LAW AND, TO THE EXTENT NOT PREEMPTED BY APPLICABLE FEDERAL LAW, THE INTERNAL LAW OF THE STATE OF FLORIDA, WILL CONTROL THE INTERPRETATION AND CONSTRUCTION OF THIS RELEASE AGREEMENT, EVEN IF UNDER SUCH JURISDICTION’S CHOICE OF LAW OR CONFLICT OF LAW ANALYSIS, THE SUBSTANTIVE LAW OF SOME OTHER JURISDICTION WOULD ORDINARILY APPLY.

10. Amendment and Waiver. The provisions of this Release Agreement may be amended and waived only with the prior written consent of the Company and Executive, and no course of conduct or failure or delay in enforcing the provisions of this Release Agreement shall be construed as a waiver of such provisions or affect the validity, binding effect or enforceability of this Release Agreement or any provision hereof.

11. Descriptive Headings. The descriptive headings of this Release Agreement are inserted for convenience only and do not constitute a part of this Release Agreement.

12. Construction. Where specific language is used to clarify by example a general statement contained herein, such specific language shall not be deemed to modify, limit or restrict in any manner the construction of the general statement to which it relates. The language used in this Release Agreement shall be deemed to be the language chosen by the parties to express their mutual intent, and no rule of strict construction shall be applied against any party.

13. Nouns and Pronouns. Whenever the context may require, any pronouns used herein shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns and pronouns shall include the plural and vice-versa.

14. Legal Counsel. Each party recognizes that this is a legally binding contract and acknowledges and agrees that they have had the opportunity to consult with legal counsel of their choice. Executive acknowledges and agrees that he has read and understands this Release Agreement completely, is entering into it freely and voluntarily, and has been advised to seek counsel prior to entering into this Release Agreement and he has had ample opportunity to do so.

The undersigned have read and understand the consequences of this Release Agreement and voluntarily sign it. The undersigned declare under penalty of perjury under the laws of the State of Florida that the foregoing is true and correct.

6 INTEREST

6.1 Fixed or Floating Interest Rate

The Borrower shall provide notification, signed by a duly authorised signatory of the Borrower, to the Agent at least [*] days before the first Drawdown Date specifying which of the Fixed Interest Rate or the Floating Interest Rate shall be applicable to all Advances until the date of payment of the final repayment instalment of the Loan.

6.2 Fixed Interest Rate

If the Borrower has specified a Fixed Interest Rate pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*), the Loan shall bear interest in respect of each Interest Period at the Fixed Interest Rate. Such interest shall accrue on the actual number of days elapsed based upon a 360 day year and shall be paid on the last day of each Interest Period.

6.3 Floating Interest Rate

If:

- (a) the Borrower has specified a Floating Interest Rate pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*); or

- (c) SIMEST has requested a change of currency pursuant to the Interest Make-Up Agreement and such change of currency is not agreed by the Borrower or Lenders in accordance with Clause 6.16 (*Change of currency*); or
- (d) SIMEST has failed to make a net payment of interest to the Lenders pursuant to the Interest Make-Up Agreement,

the rate of interest on the Loan in respect of any Interest Period shall be the Floating Interest Rate applicable for that Interest Period and the following provisions of this Clause 6 (*Interest*) shall apply (in the case of the circumstances referred to in paragraph (b) above, with effect from the date on which the Interest Make-up Agreement ceases to be in effect, with such consequential amendments as shall be necessary to give effect to the switch from a Fixed Interest Rate to a Floating Interest Rate).

6.4 Payment of Floating Interest Rate

Subject to the provisions of this Agreement, interest on the Loan, as applicable, in respect of each Interest Period shall accrue on the actual number of days elapsed based upon a 360 day year and shall be paid by the Borrower on the last day of that Interest Period.

6.5 Notification of Interest Periods and Floating Interest Rate

The Agent shall notify the Borrower and each Lender of each Floating Interest Rate and the duration of each Interest Period as soon as reasonably practicable after each is determined and no later than the Quotation Date.

6.6 Market disruption

The following provisions of this Clause 6 (*Interest*) apply if:

- (a) no rate is quoted on “Thomson Reuters Page LIBOR 01 or LIBOR 02” (or any other page replacing it) and the Lenders do not, before 1.00 p.m. (London time) on the Quotation Date for an Interest Period, provide quotations to the Agent in order to fix LIBOR; or
- (b) at least 1 Business Day before the start of an Interest Period, Lenders having Contributions together amounting to more than [*] per cent. of the Loan (or, if an Advance has not been made, Commitments amounting to more than [*] per cent. of the Total Commitments) notify the Agent that LIBOR fixed by the Agent would not accurately reflect the cost to those Lenders of funding their respective Contributions (or any part of them) during the Interest Period in the London Interbank Market at or about 11.00 a.m. (London time) on the Quotation Date for the Interest Period; or
- (c) at least 1 Business Day before the start of an Interest Period, the Agent is notified by a Lender (the “**Affected Lender**”) that for any reason it is unable to obtain Dollars in the London Interbank Market in order to fund its Contribution (or any part of it) during the Interest Period.

6.7 Notification of market disruption

The Agent shall promptly notify the Borrower and each of the Lenders stating the circumstances falling within Clause 6.6 (*Market disruption*) which have caused its notice to be given.

6.8 Suspension of drawdown

If the Agent’s notice under Clause 6.6 (*Market disruption*) is served before an Advance is made:

- (a) in a case falling within paragraphs (a) or (b) of Clause 6.6 (*Market disruption*), the Lenders’ obligations to make that Advance;
- (b) in a case falling within paragraph (c) of Clause 6.6 (*Market disruption*), the Affected Lender’s obligation to participate in that Advance;

shall be suspended while the circumstances referred to in the Agent’s notice continue.

6.9 Negotiation of alternative rate of interest

If the Agent's notice under Clause 6.7 (*Notification of market disruption*) is served after an Advance is made, the Borrower, the Agent and the Lenders or (as the case may be) the Affected Lender shall use reasonable endeavours to agree, in consultation with SACE, within the 30 days after the date on which the Agent serves its notice under Clause 6.7 (*Notification of market disruption*) (the "**Negotiation Period**"), an alternative interest rate or (as the case may be) an alternative basis for the Lenders or (as the case may be) the Affected Lender to fund or continue to fund their or its Contribution during the Interest Period concerned.

6.10 Application of agreed alternative rate of interest

Any alternative interest rate or an alternative basis which is agreed during the Negotiation Period shall take effect in accordance with the terms agreed.

6.11 Alternative rate of interest in absence of agreement

If an alternative interest rate or alternative basis is not agreed within the Negotiation Period, and the relevant circumstances are continuing at the end of the Negotiation Period, then the Agent shall, with the agreement of each Lender or (as the case may be) the Affected Lender (and in consultation with SACE), set an interest period and interest rate representing the cost of funding of the Lenders or (as the case may be) the Affected Lender in Dollars or in any available currency of their or its Contribution plus the Margin; and the procedure provided for by this Clause 6.11 (*Alternative rate of interest in absence of agreement*) shall be repeated if the relevant circumstances are continuing at the end of the interest period so set by the Agent.

6.12 Notice of prepayment

If the Borrower does not agree with an interest rate set by the Agent under Clause 6.11 (*Alternative rate of interest in absence of agreement*), the Borrower may give the Agent not less than 15 Business Days', or, if the Fixed Interest Rate has been selected pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*), 30 days, notice of its intention to prepay at the end of the interest period set by the Agent.

6.13 Prepayment; termination of Commitments

A notice under Clause 6.12 (*Notice of prepayment*) shall be irrevocable; the Agent shall promptly notify the Lenders or (as the case may require) the Affected Lender and, if the Fixed Interest Rate has been selected by the Borrower, SIMEST of the Borrower's notice of intended prepayment; and:

- (a) on the date on which the Agent serves that notice, the Total Commitments or (as the case may require) the Commitment of the Affected Lender shall be cancelled; and
- (b) on the last Business Day of the Interest Period set by the Agent, the Borrower shall prepay (without premium or penalty subject to the provisions of Clause 20.2 (*Breakage costs and SIMEST arrangements*)) the Loan or, as the case may be, the Affected Lender's Contribution, together with accrued interest thereon at the applicable rate (being either the Floating Interest Rate or the Fixed Interest Rate as specified by the Borrower pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*)).

6.14 Application of prepayment

The provisions of Clause 16 (*Cancellation, Prepayment and Mandatory Prepayment*) shall apply in relation to the prepayment.

6.15 Certain Circumstances

Notwithstanding anything to the contrary in this Agreement:

- (a) in the event of any circumstances falling within Clause 6.6 (*Market disruption*) which might affect the advance of an Advance on a Drawdown Date (the "**Relevant Circumstances**");

- (i) occurring and being continuing on the date falling ninety (90) days before the proposed Drawdown Date (the “**Relevant Date**”), each Lender will notify the Borrower (through the Agent) of the Relevant Circumstances on the Relevant Date or, if the Relevant Date is not a Business Day, on the next following Business Day; and
- (ii) occurring after the Relevant Date, each Lender will notify the Borrower (through the Agent) immediately each Lender become aware of the Relevant Circumstances;

- in the event of any Relevant Circumstances falling within paragraphs (a) or (b) of Clause 6.6 (*Market disruption*) (the “**Pricing-Related Relevant Circumstances**”) occurring before an Advance is made available and notwithstanding the provisions of Clause 6.8 (*Suspension of drawdown*), each Lender will fund its respective Contributions by reference to the agreed alternative rate of interest in accordance with Clauses 6.9 (*Negotiation of alternative rate of interest*), 6.10 (*Application of agreed alternative rate of interest*) and 6.11 (*Alternative rate of interest in absence of agreement*) as if the provisions of such Clauses applied not only in the event that the Pricing-Related Relevant Circumstances have been notified by the Agent to the Borrower after the making of the Advance but also before the making of the Advance.
- (b)

- in the event of any Relevant Circumstances falling within paragraph (c) of Clause 6.6 (*Market disruption*) (the “**Availability-Related Relevant Circumstances**”) occurring before the Loan is made and notwithstanding the provisions of Clause 6.8 (*Suspension of drawdown*), each Lender will enter into good faith discussions with the Borrower for a period not exceeding 10 Business Days in order to discuss a basis on which the Lenders could be able to fund their respective Contributions in Dollars (or, if unavailable in Dollars, then in any available currency). Such discussions shall be without obligation on the Lenders provided that during such discussion period, such circumstances continue.
- (c)

6.16 Change of currency

- In the event that the Agent notifies the Borrower that SIMEST has requested a change in the currency of the Loan in accordance with clause 6.3 of the Interest Make-Up Agreement, the Borrower and the Lenders shall, without obligation, consider such request for a change of currency acting reasonably for a period of not exceeding 10 Business Days. Following such discussions the Agent shall report the decision of the Borrower and the Lenders to SIMEST, providing their reason for any negative decision.
- (a)
- In the event that a change of currency is agreed the Parties agree to negotiate in good faith the necessary changes to the Loan Agreement, the Finance Documents, the SACE Insurance Policy and the Interest Make-Up Agreement in order to document the change in currency.
- (b)
- In the event that a change in currency is not acceptable to the Lenders or the Borrower, the provision of paragraph (c) of Clause 6.3 (*Floating Interest Rate*) shall apply.
- (c)

8 SACE PREMIUM AND ITALIAN AUTHORITIES

8.1 SACE Premium

The estimated SACE Premium for a maximum amount of [*] (being [*] per cent. ([*]%) of the Maximum Loan Amount) is due and payable in two instalments as follows:

- (a) the first instalment of the SACE Premium being an amount of [*] (calculated as being [*] per cent. ([*]%) of [*] per cent. ([*]%) of the Maximum Loan Amount) (the “**First Instalment**”) shall be paid by the Borrower to SACE (provided that the Borrower and the Lenders have been notified by the SACE Agent that the SACE Insurance Policy has been issued) on the earlier of (i) the date falling 30 days after the issuance of the SACE Insurance Policy and (ii) 16 June 2017, being the date falling 6 months after the date of SACE’s board approval; and
- (b) the second instalment of the SACE Premium being an amount of [*] (calculated as being [*] per cent. ([*]%) of [*] per cent. ([*]%) of the Maximum Loan Amount) (the “**Second Instalment**”) and shall be payable on the first Drawdown Date. For the sake of clarity, no set-off with the First Instalment shall be permitted.

8.2 Reimbursement by the Borrower of the SACE Premium

The Borrower irrevocably agrees to pay the First Instalment, and to instruct the Lenders to pay the Second Instalment on behalf of the Borrower as follows:

- (a) the Borrower has requested and the Lenders have agreed to reimburse the payment of one hundred per cent. (100%) of the First Instalment to the Borrower on the first Drawdown Date, it being agreed that such First Instalment shall be paid to SACE by the Borrower in accordance with paragraph (a) of Clause 8.1 (*SACE Premium*) and upon notification by the Agent to the Borrower (i) of the issuance of the SACE Insurance Policy documentation in the form required by paragraph (d) of Clause 3.6 (*No later than five (5) Business Days before the First Drawdown Date*), and (ii) of the amount of the First Instalment; and
- (b) the Borrower has requested and the Lenders have agreed to finance the payment of one hundred per cent. (100%) of the Second Instalment on the first Drawdown Date in accordance with paragraph (c) of Clause 2.1 (*Amount of facility*) of this Agreement.

Consequently, the Borrower hereby irrevocably instructs the Agent on behalf of the Lenders to pay the Second Instalment to SACE on the first Drawdown Date in accordance with paragraph (c) of Clause 2.1 (*Amount of facility*) of this Agreement and to reimburse the Borrower by the Borrower drawing under the Loan the amount of the First Instalment in accordance with paragraph (b) of Clause 2.1 (*Amount of facility*) of this Agreement.

The First Instalment and Second Instalment each financed by the Loan will be repayable in any event by the Borrower to the Lenders in the manner specified in Clause 5 (*Repayment*) and under any and all circumstances including but without limitation in the event of prepayment or acceleration of the Loan.

8.3 Italian Authorities

- (a) The Borrower acknowledges and agrees that the Agent and the Lenders are entitled to provide the Italian Authorities with any information they may have relative to the Loan and the business of the Group, to allow the Italian Authorities to inspect all their records relating to this Agreement and the other Transaction Documents and to furnish them with copies thereof. Any such information relative to the Loan may also be given by any Italian Authorities to international institutions charged with collecting statistical data.
- (b) The Borrower acknowledges that, in the making of any decision or determination or the exercise of any discretion or the taking or refraining to take any action under this Agreement or any of the other Finance Documents, the Agent and the Lenders shall be deemed to have acted reasonably if they have acted on the instructions of either of the Italian Authorities.
- (c) Each Party further undertakes not to act in a manner which is inconsistent with the terms of the SACE Insurance Policy and the Interest Make-up Agreement.

8.4 Refund

- (a) The Borrower shall, at the latest on the date falling sixty (60) days before the Intended Delivery Date, provide a notice in writing to the SACE Agent (who will promptly forward it to other Lenders and SACE), signed by an authorised signatory of the Borrower, indicating the amount of the Delivery Advance, being the amount set out in Schedule 6 (*Drawdown Schedule*) under the column entitled “Advance to be drawn under this Agreement” to be drawn on the Delivery Date less (i) any amount cancelled based on the Conversion Rate and (ii) the Refund (as defined below) to be refunded in accordance with paragraph (b), such amount of the Refund to be confirmed by SACE at least six (6) Business Days prior to the Delivery Date. The Borrower hereby agrees and shall confirm in such notice that the remaining Commitments shall be deemed to be cancelled. The Borrower acknowledges, for the avoidance of doubt, that the shortfall to be paid to the Builder at the Delivery Date shall be funded and paid directly by the Borrower to the Builder.

- (b) If the sum of the Advances drawn by the Borrower together with the amount notified by the Borrower pursuant to paragraph (a) and (a)(i) above (being the amount set out in Schedule 6 (*Drawdown Schedule*) under the column entitled “Advance to be drawn under this Agreement” to be drawn on the Delivery Date, less any amount cancelled based on the Conversion Rate) equals an aggregate of less than the Maximum Loan Amount, and provided that no Event of Default has occurred and is then continuing and no loss has occurred under the SACE Insurance Policy, the Borrower shall be entitled to a refund of the Second Instalment of the SACE Premium in an amount calculated by SACE on the undrawn amount (the “**Refund**”). For the avoidance of doubt, the First Instalment of the SACE Premium is non-refundable, irrespective of whether any disbursements have been made under this Agreement and irrespective of whether the SACE Insurance Policy has been terminated.

- (c) Any refund of the Second Instalment of the SACE Premium, whether in whole or in part, must be expressly requested by the SACE Agent to SACE in writing following receipt by the SACE Agent of the Borrower’s notice referred to in paragraph (a) above.

- (d) To the extent the Borrower is entitled to the Refund, SACE shall transfer the Refund as soon as practicably possible to the SACE Agent who shall as soon as practicably possible following receipt thereof transfer such amount to the Borrower. The Borrower hereby acknowledges that SACE shall not be liable to pay interest to the Borrower on the amount of the Refund.

- (e) Under the terms of the SACE Insurance Policy, the Parties acknowledge that SACE will withhold an amount of [*] per cent. ([*]%) from the amount of the SACE Premium to be refunded. Such withholding, charged as a lump sum to cover administration and management costs for the SACE Insurance Policy, may not, in any event, amount to less than the equivalent of [*] Euros (€[*]) or more than the equivalent of [*] Euros (€[*]), calculated by SACE at the European Central Bank EUR/USD exchange rate as at the date of the refund request.

- (f) Except as set out in paragraph (a) and (c) above, no part of the SACE Premium is refundable to any Obligor.
- (g) In no event shall the SACE Agent be liable for any refund of the SACE Premium to be made by SACE or for the calculation of any Refund and/or withholding thereof.

10 TAXES, INCREASED COSTS, COSTS AND RELATED CHARGES

10.1 Definitions

- (a) In this Agreement:

“Protected Party” means a Secured Party which is or will be subject to any liability, or required to make any payment, for or on account of Tax in relation to a sum received or receivable (or any sum deemed for the purposes of Tax to be received or receivable) under a Finance Document;

“Tax Credit” means a credit against, relief or remission for, or repayment of any Tax.

“Tax Deduction” means a deduction or withholding for or on account of Tax from a payment under a Finance Document other than a FATCA Deduction.

“Tax Payment” means either the increase in a payment made by an Obligor to a Secured Party under Clause 10.2 (*Tax gross-up*) or a payment under Clause 10.3 (*Tax indemnity*).

- (b) Unless a contrary indication appears, in this Clause 10 (*Taxes, Increased Costs, Costs and Related Charges*) reference to **“determines”** or **“determined”** means a determination made in the absolute discretion of the person making the determination.

10.2 Tax gross-up

- (a) Each Obligor shall make all payments to be made by it under the Finance Documents without any Tax Deduction, unless a Tax Deduction is required by law.

- (b) The Borrower shall promptly upon becoming aware that an Obligor must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Agent accordingly. Similarly, a Lender shall notify the Agent on becoming so aware in respect of a payment payable to that Lender. If the Agent receives such notification from a Lender it shall notify the Borrower and that Obligor.

- (c) If a Tax Deduction is required by law to be made by an Obligor, the amount of the payment due from that Obligor shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required.

- (d) A payment shall not be increased under paragraph (c) above if on the date on which the payment falls due the Obligor making the payment is able to demonstrate that the payment could have been made to the Lender without the Tax Deduction had that Lender (having been given notice of the documentation requested under Clause 10.7 (*Lender Status*) at least 30 Business Days prior to such payment date) complied with its obligations under Clause 10.7 (*Lender Status*).

- (e) If an Obligor is required to make a Tax Deduction, that Obligor shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.

- (f) Within thirty days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Obligor making that Tax Deduction shall deliver to the Agent for the Secured Party entitled to the payment evidence reasonably satisfactory to that Secured Party that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.

10.3 Tax indemnity

- (a) The Borrower shall (within three Business Days of demand by the Agent) pay to a Protected Party an amount equal to the loss, liability or cost which that Protected Party determines will be or has been (directly or indirectly) suffered for or on account of Tax by that Protected Party in respect of a Finance Document.

- (b) Paragraph (a) above shall not apply:

- (i) with respect to any Tax assessed on a Secured Party:

(A) under the law of the jurisdiction in which that Secured Party is incorporated or, if different, the jurisdiction (or jurisdictions) in which that Secured Party is treated as resident for tax purposes; or

(B) under the law of the jurisdiction in which that Lender's Facility Office is located in respect of amounts received or receivable in that jurisdiction,

if that Tax is imposed on or calculated by reference to the net income received or receivable (but not any sum deemed to be received or receivable) by that Secured Party; or

- (ii) to the extent a loss, liability or cost is compensated for by an increased payment under Clause 10.2 (*Tax gross-up*) or would have been compensated for by an increased payment under Clause 10.2 (*Tax gross-up*) but was not so compensated solely because an exclusion in paragraph (d) of Clause 10.2 (*Tax gross-up*) applied, or relates to a FATCA Deduction required to be made by a Party; or

- (iii) with respect to the Taxes in the nature of a branch profits tax imposed by Section 884(a) of the Code that is imposed by any jurisdiction described in paragraph (b)(i)(B) above.

- (c) A Protected Party making, or intending to make a claim under paragraph (a) above shall promptly notify the Agent of the event which will give, or has given, rise to the claim, following which the Agent shall notify the Borrower.

- (d) A Protected Party shall, on receiving a payment from an Obligor under this Clause 10.3 (*Tax indemnity*), notify the Agent.

10.4 Tax Credit

If an Obligor makes a Tax Payment and the relevant Creditor Party determines that:

- (a) a Tax Credit is attributable to an increased payment of which that Tax Payment forms part, to that Tax Payment or to a Tax Deduction in consequence of which that Tax Payment was required; and

- (b) that Creditor Party has obtained, retained and utilised that Tax Credit,

the Creditor Party shall pay an amount to the Obligor which that Creditor Party determines will leave it (after that payment) in the same after-Tax position as it would have been in had the Tax Payment not been required to be made by the Obligor.

10.5 Stamp taxes

The Borrower shall pay and, within three Business Days of demand, indemnify each Secured Party against any cost, loss or liability that Secured Party incurs in relation to all stamp duty, registration and other similar Taxes payable in respect of any Finance Document.

10.6 VAT

All amounts expressed to be payable under a Finance Document by any Party to a Secured Party which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply, and accordingly, subject to paragraph (b) below, if VAT is or becomes chargeable on any supply made by any Secured Party to any Party under a Finance Document and such Secured Party is required to account to the relevant tax authority for the VAT, that Party must pay to such Secured Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT (and such Secured Party must promptly provide an appropriate VAT invoice to that Party).

(a) If VAT is or becomes chargeable on any supply made by any Secured Party (the “**Supplier**”) to any other Secured Party (the “**Recipient**”) under a Finance Document, and any Party other than the Recipient (the “**Relevant Party**”) is required by the terms of any Finance Document to pay an amount equal to the consideration for that supply to the Supplier (rather than being required to reimburse or indemnify the Recipient in respect of that consideration):

(i) (where the Supplier is the person required to account to the relevant tax authority for the VAT) the Relevant Party must also pay to the Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The Recipient must (where this paragraph (i) applies) promptly pay to the Relevant Party an amount equal to any credit or repayment the Recipient receives from the relevant tax authority which the Recipient reasonably determines relates to the VAT chargeable on that supply; and

(ii) (where the Recipient is the person required to account to the relevant tax authority for the VAT) the Relevant Party must promptly, following demand from the Recipient, pay to the Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.

(c) Where a Finance Document requires any Party to reimburse or indemnify a Secured Party for any cost or expense, that Party shall reimburse or indemnify (as the case may be) such Secured Party for the full amount of such cost or expense, including such part of it as represents VAT, save to the extent that such Secured Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.

(d) Any reference in this Clause 10.6 (*VAT*) to any Party being required to account to a tax authority for VAT shall, at any time when such Party is treated as a member of a group for VAT purposes, include a reference to another member of that group being required to so account to the relevant tax authority.

(e) In relation to any supply made by a Secured Party to any Party under a Finance Document, if reasonably requested by such Secured Party, that Party must promptly provide such Secured Party with details of that Party’s VAT registration and such other information as is reasonably requested in connection with such Secured Party’s VAT reporting requirements in relation to such supply.

10.7 Lender Status

- (a) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under a Finance Document shall deliver to the Agent and the Borrower, at the time or times reasonably requested by the Agent or the Borrower, such properly completed and executed documentation reasonably requested by the Agent or the Borrower (and which it is reasonable for the Lender to complete and execute) as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Agent or the Borrower, shall deliver such other documentation as prescribed by applicable law and reasonably requested by the Agent or the Borrower as will enable the Agent or the Borrower to determine whether or not such Lender is subject to backup withholding or information reporting requirements.

- (b) Any Lender shall, to the extent it is legally entitled to do so, and where it is entitled to an exemption from, or reduction of, U.S. federal withholding tax, deliver to the Agent and the Borrower on or prior to the date on which such Lender becomes a Lender under this Agreement or promptly thereafter (and from time to time thereafter as prescribed by applicable law or upon the request of the Agent or the Borrower), duly executed and properly completed copies of Internal Revenue Service Form W-9 or W-8, as applicable, certifying that it is not subject to U.S. federal backup withholding and, in the case of a non-U.S. Lender that is eligible for an exemption from, or reduction of, U.S. federal withholding Tax establishing an exemption from, or reduction of, U.S. federal withholding Tax.

10.8 FATCA Deduction

- (a) Each Party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no Party shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction.

- (b) Each Party shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or the basis of such FATCA Deduction) notify the Party to whom it is making the payment and, in addition, shall notify the Borrower, the Agent and the other Secured Parties.

10.9 FATCA Information

- (a) Subject to paragraph (c) below, each Party shall, within ten Business Days of a reasonable request by another Party:
- (i) confirm to that other Party whether it is:
 - (A) a FATCA Exempt Party; or
 - (B) not a FATCA Exempt Party;
 - (ii) supply to that other Party such forms, documentation and other information relating to its status under FATCA as that other Party reasonably requests for the purposes of that other Party's compliance with FATCA; and
 - (iii) supply to that other Party such forms, documentation and other information relating to its status as that other Party reasonably requests for the purposes of that other Party's compliance with any other law, regulation, or exchange of information regime.
- (b) If a Party confirms to another Party pursuant to paragraph (a)(i) above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not or has ceased to be a FATCA Exempt Party, that Party shall notify that other Party reasonably promptly.

(c) Paragraph (a) above shall not oblige any Creditor Party to do anything, and paragraph (a)(iii) above shall not oblige any other Party to do anything, which would or might in its reasonable opinion constitute a breach of:

- (i) any law or regulation;
- (ii) any fiduciary duty; or
- (iii) any duty of confidentiality.

(d) If a Party fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with paragraph (a)(i) or (ii) above (including, for the avoidance of doubt, where paragraph (c) above applies), then such Party shall be treated for the purposes of the Finance Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the Party in question provides the requested confirmation, forms, documentation or other information.

(e) Each Lender shall, within ten Business Days of (i) where the relevant Lender is a Lender at the date of this Agreement, the date of this Agreement and (ii) where the relevant Lender is a Transferee Lender, the effective date of a Transfer Certificate under Clause 24.4 (*Effective Date of Transfer Certificate*), supply to the Agent:

(i) CDP confirms, and the Borrower acknowledges, that as at the date of this Agreement CPD is a FATCA Exempt Party.

10.10 Increased Costs

(a) If after the date of this Agreement by reason of (x) any change in law or in its interpretation or administration and/or (y) compliance with any request from or requirement of any central bank or other fiscal, monetary or other authority including but without limitation the Basel Committee on Banking Regulations and Supervisory Practices whether or not having the force of law:

- (i) any of the Lenders incurs a cost as a result of its performing its obligations under this Agreement and/or its making available its Commitment hereunder; or

- (ii) there is any increase in the cost to any of the Lenders of funding or maintaining all or any of the advances comprised in a class of advances formed by or including its Commitment advanced or to be advanced by it hereunder; or
- (iii) any of the Lenders incurs a cost as a result of its having entered into and/or its assuming or maintaining its commitment under this Agreement; or
- (iv) any of the Lenders becomes liable to make any payment on account of Tax or otherwise (other than Tax on its overall net income) on or calculated by reference to the amount of its Commitment advanced or to be advanced hereunder and/or any sum received or receivable by it hereunder; or
- (v) any of the Lenders suffers any decrease in its rate of return as a result of any changes in the requirements relating to capital ratios, monetary control ratios, the payment of special deposits, liquidity costs or other similar requirements affecting that Lender,

then the Borrower shall on demand pay to the Agent for the account of the relevant Lender or Lenders amounts sufficient to indemnify the relevant Lender or Lenders against, as the case may be, such cost, such increased cost (or such proportion of such increased cost as is in the reasonable opinion of the relevant Lender or Lenders attributable to the funding or maintaining of its or their Commitment(s) hereunder) or such liability.

(b) This Clause 10.10 (*Increased Costs*) does not apply to the extent any increased cost is:

- (i) attributable to a Tax Deduction required by law to be made by an Obligor;
- (ii) attributable to a FATCA Deduction required to be made by a Party;
- (iii) compensated for by Clause 10.3 (*Tax indemnity*) (or would have been compensated for under Clause 10.3 (*Tax indemnity*) but was not compensated solely because any of the exclusions in paragraph (b) of Clause 10.3 (*Tax indemnity*) applied); or
- (iv) attributable to the wilful breach by the relevant Creditor Party or its Affiliates of any law of regulation.

In this Clause 10.10 (*Increased Costs*), a reference to a “Tax Deduction” has the same meaning given to the term in Clause 10.1 (*Definitions*).

- (c) A Lender affected by any provision of this Clause 10.10 (*Increased Costs*) shall promptly inform the Agent after becoming aware of the relevant change and its possible results (which notice shall be conclusive evidence of the relevant change and its possible results) and the Agent shall, as soon as reasonably practicable thereafter, notify the Borrower of the change and its possible results. Without affecting the Borrower’s obligations under this Clause 10.10 (*Increased Costs*) and in consultation with the Agent and the Italian Authorities, the affected Lender will then take all such reasonable steps as may be open to it to mitigate the effect of the change (for example (if then possible) by changing its Facility Office or transferring some or all of its rights and obligations under this Agreement to another financial institution reasonably acceptable to the Borrower and the Agent and the Italian Authorities). The reasonable costs of mitigating the effect of any such change shall be borne by the Borrower save where such costs are of an internal administrative nature and are not incurred in dealings by any Lender with third parties.

10.11 Transaction Costs

The Borrower undertakes to pay to the Agent, upon demand, all costs and expenses, duties and fees, including but without limitation pre-agreed legal costs (which, for avoidance of doubt are exclusive of VAT and disbursements) out of pocket expenses and travel costs, reasonably incurred by the Italian Authorities, the Joint Mandated Lead Arrangers and the Lenders (but not including any bank which becomes a Lender after the date of this Agreement) in connection with the negotiation, preparation and execution of all agreements, guarantees, security agreements and related documents entered into, or to be entered into, for the purpose of the transaction contemplated hereby as well as all costs and expenses, duties and fees incurred by the Agent or the Lenders in connection with the registration, filing, enforcement or discharge of the said guarantees or security agreements, including without limitation the fees and expenses of legal advisers and insurance experts (provided that such insurance costs are not to exceed ten thousand Dollars (\$10,000)) and the fees and expenses of the Italian Authorities (including the fees and expenses of its legal advisers) payable by the Joint Mandated Lead Arrangers to the Italian Authorities, the cost of registration and discharge of security interests and the related travel and out of pocket expenses; the Borrower further undertakes to pay to the Agent all costs, expenses, duties and fees incurred by the Lenders and the Italian Authorities in connection with any variation of this Agreement and the related documents, guarantees and security agreements, any supplements thereto and waiver given in relation thereto, in connection with the investigation of any potential Event of Default, the enforcement or preservation of any rights under this Agreement and/or the related guarantees and security agreements, including in each case the fees and expenses of legal advisers, and in connection with the consultations or proceedings made necessary or in the opinion of the Agent desirable by the acts of, or failure to act on the part of, the Borrower.

10.12 Costs of delayed Delivery Date

10.13 SACE obligations

In the event that following such negotiations the Borrower and the Lenders fail to agree on such revised terms, the Borrower shall be obliged to prepay, on demand by the Agent, the outstanding principal amount of the Loan to the extent of the amount covered pursuant to the SACE Insurance Policy. If, during the period while negotiations are on-going pursuant to this paragraph (b) of Clause 16.4 (*Mandatory prepayment – SACE Insurance Policy*) the events described in paragraph (b) of Clause 16.4 (*Mandatory prepayment – SACE Insurance Policy*) should occur, the Borrower shall be obliged to prepay the Loan in full as required by paragraph (a) of Clause 16.4 (*Mandatory prepayment – SACE Insurance Policy*).

Without limiting its generality, Clause 20.1 (*Indemnities regarding borrowing and repayment of Loan*) covers:

- (a) any claim, expense, liability or loss, including a loss of a prospective profit, incurred by a Lender in liquidating or employing deposits from third parties acquired or arranged to fund or maintain all or any part of its Contribution and/or any overdue amount (or an aggregate amount which includes its Contribution or any overdue amount);
- (b) if the Borrower has selected the Fixed Interest Rate in accordance with Clause 6.1 (*Fixed or Floating Interest Rate*), all of the amounts that SIMEST is entitled to charge, whether for taxes, costs, expenses, indemnities, penalties, losses or liabilities whatsoever, under and in accordance with the Interest Make-up Agreement, including without limitation, as a result of any prepayment of all or any part of the Loan under this Agreement (whether voluntary, mandatory, following acceleration of the Loan or otherwise), as a result of an Interest Make-Up Event or as a result of the Borrower deciding to switch from the Fixed Interest Rate to another interest rate after the Drawdown Date and/or an Interest Make-up Event. Such amounts include, without limitation, (i) breakage costs, (ii) any amount due as a consequence of the close-out of any hedging arrangement entered into by SIMEST in relation to this Agreement, (iii) default interest and penalties (*maggiorazioni*) whenever applicable, and (iv) all amounts (if any) to be returned by the Agent to SIMEST under and pursuant to the Interest Make-Up Agreement; and
- (c) any other costs whatsoever or howsoever arising under or in respect of the Interest Make-Up Agreement which are passed to the Agent,

and any such costs imposed by SIMEST shall be paid by the Borrower to SIMEST through the Agent.

For the purposes of this Clause 20.2 (*Breakage costs and SIMEST arrangements*) “**Interest Make-Up Event**” means the occurrence of any circumstances which result in the termination, cancellation, revocation, cessation or suspension (in each case, in whole or in part) of the Interest Make-Up Agreement or the Interest Make-Up Agreement otherwise ceases or may cease to be in full force and effect or the Agent notifies the Borrower that the Fixed Interest Rate is not available for any reason, in each case, in accordance with the terms of the Interest Make-Up Agreement.

20.3 Miscellaneous indemnities

The Borrower shall fully indemnify each Secured Party severally on their respective demands in respect of all claims, expenses, liabilities and losses which may be made or brought against or incurred by a Secured Party, in any country, as a result of or in connection with:

- (a) any action taken, or omitted or neglected to be taken, under or in connection with any Finance Document by the Agent or any other Secured Party or by any receiver appointed under a Finance Document;
- (b) any other Pertinent Matter,

other than claims, expenses, liabilities and losses which are shown to have been directly and mainly caused by the dishonesty or wilful misconduct of the officers or employees of the Secured Party concerned.

Without prejudice to its generality, this Clause 20.3 (*Miscellaneous indemnities*) covers (i) any claims, expenses, liabilities and losses which arise, or are asserted, under or in connection with any law relating to safety at sea, the ISM Code or any Environmental Laws or any Sanctions and (ii) any claims, expenses, liabilities (including, without limitation, under a reputational standpoint) and losses which arise, or are asserted, against CDP under or in connection with any breach by the Borrower of any of the provisions paragraphs (nn) to (rr) of Clause 11.2 (*Continuing representations and warranties*) and/or of Clause 12.27 (*Code of Ethics and Model*).

20.4 Currency indemnity

If any sum due from an Obligor to a Secured Party under a Finance Document or under any order or judgment relating to a Finance Document has to be converted from the currency in which the Finance Document provided for the sum to be paid (the “**Contractual Currency**”) into another currency (the “**Payment Currency**”) for the purpose of:

- (a) making or lodging any claim or proof against an Obligor, whether in its liquidation, any arrangement involving it or otherwise; or
- (b) obtaining an order or judgment from any court or other tribunal; or
- (c) enforcing any such order or judgment,

the Borrower shall indemnify the Secured Party concerned against the loss arising when the amount of the payment actually received by that Secured Party is converted at the available rate of exchange into the Contractual Currency.

In this Clause 20.4 (*Currency indemnity*) the “**available rate of exchange**” means the rate at which the Secured Party concerned is able at the opening of business (Paris time) on the Business Day after it receives the sum concerned to purchase the Contractual Currency with the Payment Currency.

This Clause 20.4 (*Currency indemnity*) creates a separate liability of the Borrower which is distinct from its other liabilities under the Finance Documents and which shall not be merged in any judgment or order relating to those other liabilities.

20.5 Certification of amounts

A notice which is signed by 2 officers of a Secured Party, which states that a specified amount, or aggregate amount, is due to that Secured Party under this Clause 20 (*Indemnities*) and which indicates (without necessarily specifying a detailed breakdown) the matters in respect of which the amount, or aggregate amount, is due shall be prima facie evidence that the amount, or aggregate amount, is due.

20.6 Sums deemed due to a Lender

For the purposes of this Clause 20 (*Indemnities*), a sum payable by the Borrower to the Agent for distribution to a Lender shall be treated as a sum due to that Lender.

20.7 SACE obligations

To the extent that this Clause 20 (*Indemnities*) imposes obligations or restrictions on a Secured Party, such obligations or restrictions shall not apply to SACE and SACE shall have no obligations hereunder nor be constrained by such restrictions.

21 ILLEGALITY, ETC.

21.1 Illegality and Sanctions

This Clause 21 (*Illegality, etc.*) applies if:

- (a) a Lender (the “**Notifying Lender**”) notifies the Agent that:
 - (i) it becomes unlawful or contrary to any law, regulation or Sanctions – including by way of civil, administrative or criminal liability - in any applicable jurisdiction for the Notifying Lender to perform any of its obligations as contemplated by the Finance Documents or to fund its participation in the Loan; and/or
 - (ii) it becomes unlawful or contrary to any law, regulation or Sanctions – including by way of civil, administrative or criminal liability - in any applicable jurisdiction for the Notifying Lender to maintain its participation in the Loan; or
- (b) an Obligor is or becomes a Prohibited Person,
(such event, an “**Illegality or Sanctions Event**”).

21.2 Notification of illegality

- (a) The Agent shall promptly notify the Borrower, the Obligors and the other Lenders of the notice under Clause 21 (*Illegality, etc.*) which the Agent receives from the Notifying Lender.

Upon receipt of the notice under paragraph (a) above and provided that such Illegality or Sanctions Event is not applicable with immediate effect (in which case paragraph (a) of Clause 21.3 (*Prepayment; termination of Commitment*) will apply immediately and this paragraph (b) of Clause 21.2 (*Notification of illegality*) will not apply, the Agent shall, where the Borrower has selected the Fixed Interest Rate pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*), inform SIMEST in writing in order to start consultations between themselves (pursuant to clause 6 of the Interest Make-Up Agreement) with a view to exploring any possible solution to mitigate the Illegality or Sanctions Event preventing that Lender from performing any of its obligations under a Finance Document or funding or maintaining its share in the Loan. Any solution agreed between the Agent and SIMEST at the end of the consultation period (which shall last for a period of ten (10) days from the service of such notice on SIMEST) will be binding among themselves and shall be notified by the Agent to each Obligor immediately thereafter (and in any case no later than ten (10) days following such decision).
- (b)
- (c) If at the end of the consultation procedure set out in paragraph (b) above, no solution is agreed between the Agent and SIMEST, the Agent must immediately notify the Lenders and the Obligors.

21.3 Prepayment; termination of Commitment

- (a) After notification under paragraph (c) above or (in case the Interest Make-Up Agreement has ceased to be in force and effect or the Fixed Interest Rate has not been selected pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*)) after notification under paragraph (a) above and subject to Clause 21.4 (*Mitigation*) below the Borrower must repay or prepay that Lender's share in the Loan on the date specified in paragraph (c) below together with any breakage costs payable under Clause 20.2 (*Breakage costs and SIMEST arrangements*) and any indemnity payable under paragraph (c) of Clause 20.2 (*Breakage costs and SIMEST arrangements*) in respect of the Interest Make-Up Agreement;
- (b) On the Agent notifying the Borrower under paragraph (c) of Clause 21.2 (*Notification of illegality*), the Notifying Lender's Commitment shall terminate; and thereupon or, if later, on the date specified in the Notifying Lender's notice under Clause 21.1 (*Illegality and Sanctions*) as the date on which the notified event would become effective the Borrower shall prepay the Notifying Lender's Contribution and shall pay compensation to the Notifying Lender calculated in accordance with Clause 16.2 (*Voluntary prepayment*).
- (c) The date for repayment or prepayment of a Lender's share in the Loan will be:
- (i) the date specified by the Agent in the notification under paragraph (b) above; or
 - (ii) in case the Interest Make-Up Agreement has ceased to be in full force and effect or the Fixed Interest Rate has not been selected pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*), the last day of the current Interest Period for the relevant Advance or Advances or, if earlier, the date specified by the Lender in the notification under paragraph (a) above and which must not be earlier than the last day of any applicable grace period allowed by law.

21.4 Mitigation

- (a) Each Secured Party shall, in consultation with the Borrowers, take all reasonable steps to mitigate any circumstances which arise and which would result in any amount becoming payable under or pursuant to, or cancelled pursuant to Clause 21.1 (*Illegality and Sanctions*) including (but not limited to) transferring its rights and obligations under the Finance Documents to another Affiliate or Facility Office.
- (b) Paragraph (a) above does not in any way limit the obligations of any Obligor under the Finance Documents.

22 SET-OFF

22.1 Application of credit balances

Each Creditor Party may without prior notice:

- (a) apply any balance (whether or not then due) which at any time stands to the credit of any account in the name of the Borrower at any office in any country of that Creditor Party in or towards satisfaction of any sum then due from the Borrower to that Creditor Party under any of the Finance Documents; and
- (b) for that purpose:
- (i) break, or alter the maturity of, all or any part of a deposit of the Borrower;
 - (ii) convert or translate all or any part of a deposit or other credit balance into Dollars;

- (iii) enter into any other transaction or make any entry with regard to the credit balance which the Creditor Party concerned considers appropriate.

22.2 Existing rights unaffected

No Creditor Party shall be obliged to exercise any of its rights under Clause 22.1 (*Application of credit balances*); and those rights shall be without prejudice and in addition to any right of set-off, combination of accounts, charge, lien or other right or remedy to which a Creditor Party is entitled (whether under the general law or any document).

22.3 Sums deemed due to a Lender

For the purposes of this Clause 22 (*Set-Off*), a sum payable by the Borrower to the Agent for distribution to, or for the account of, a Lender shall be treated as a sum due to that Lender; and each Lender's proportion of a sum so payable for distribution to, or for the account of, the Lenders shall be treated as a sum due to such Lender.

22.4 No Security Interest

This Clause 22 (*Set-Off*) gives the Creditor Parties a contractual right of set-off only, and does not create any equitable charge or other Security Interest over any credit balance of the Borrower.

23 BAIL-IN

Notwithstanding any other term of any Finance Document or any other agreement, arrangement or understanding between the parties to a Finance Document, each Party acknowledges and accepts that any liability of any party to a Finance Document under or in connection with the Finance Documents may be subject to Bail-In Action by the relevant Resolution Authority and acknowledges and accepts to be bound by the effect of:

- (a) any Bail-In Action in relation to any such liability, including (without limitation):
 - (i) a reduction, in full or in part, in the principal amount, or outstanding amount due (including any accrued but unpaid interest) in respect of any such liability;
 - (ii) a conversion of all, or part of, any such liability into shares or other instruments of ownership that may be issued to, or conferred on, it; and
 - (iii) a cancellation of any such liability; and
- (b) a variation of any term of any Finance Document to the extent necessary to give effect to any Bail-in Action in relation to any such liability.

24 CHANGES TO THE LENDERS

24.1 Transfer by a Lender

Subject to Clause 24.5 (*No transfer without Transfer Certificate*), Clause 24.17 (*Assignment or transfer to SACE*) and Clause 24.14 (*Change of Facility Office*), a Lender (the “**Transferor Lender**”) may at any time provided they have obtained the prior written consent of the Italian Authorities cause:

- (a) its rights in respect of all or part of its Contribution; or
- (b) its obligations in respect of all or part of its Commitment; or
- (c) a combination of (a) and (b),

to be (in the case of its rights) transferred to, or (in the case of its obligations) assumed by, in whole or in part any of its Affiliates or another bank or financial institution or a trust, fund or other entity which is regularly engaged in or established for the purpose of making, purchasing or investing in loans, securities or other financial assets (a “**Transferee Lender**”) by delivering to the Agent a completed certificate in the form set out in Schedule 4 (*Form of Transfer Certificate*) with any modifications approved or required by the Agent (a “**Transfer Certificate**”) executed by the Transferor Lender and the Transferee Lender.

However any rights and obligations of the Transferor Lender in its capacity as Agent or Security Trustee will have to be dealt with separately in accordance with the provisions of Clauses 26 (*Role of the Agent and the Joint Mandated Lead Arrangers*) and 27 (*The Security Trustee*) respectively.

24.2 Conditions of assignment or transfer

- (a) The consent of the Borrower is required at all times (subject to the provisions of Clauses 24.5 (*No transfer without Transfer Certificate*) and 24.17 (*Assignment or transfer to SACE*) for an assignment or transfer by an Existing Lender, unless (i) there is an Event of Default or (ii) the assignment or transfer is to another Lender or an Affiliate of a Lender.
- (b) The consent of the Borrower to an assignment or transfer must not be unreasonably withheld or delayed. The Borrower will be deemed to have given its consent ten (10) Business Days after the Existing Lender has requested it unless consent is expressly refused by that Borrower within that time.
- (c) The assignment or transfer must be with respect to a minimum Commitment of [*] Dollars (\$[*]) or, if less, the Existing Lender’s full Commitment.

24.3 Transfer Certificate, delivery and notification

As soon as reasonably practicable after a Transfer Certificate is delivered to the Agent, it shall (unless it has reason to believe that the Transfer Certificate may be defective):

- (a) sign the Transfer Certificate on behalf of itself, the Borrower, any other Obligors, the Security Trustee and each of the other Lenders;
- (b) on behalf of the Transferee Lender, send to the Borrower and each Obligor letters or faxes notifying them of the Transfer Certificate and attaching a copy of it; and
- (c) send to the Transferee Lender copies of the letters or faxes sent under paragraph (b) above,

but the Agent shall only be obliged to execute a Transfer Certificate delivered to it by the Transferor Lender and the Transferee Lender once it is satisfied it has complied with all necessary “know your customer” or other similar checks under all applicable laws and regulations in relation to the transfer to that Transferee Lender.

24.4 Effective Date of Transfer Certificate

A Transfer Certificate becomes effective on the date, if any, specified in the Transfer Certificate as its effective date, provided that it is signed by the Agent under Clause 24.3 (*Transfer Certificate, delivery and notification*) on or before that date.

24.5 No transfer without Transfer Certificate

Except as provided in Clause 24.16 (*Security over Lenders’ rights*), no assignment or transfer of any right or obligation of a Lender under any Finance Document is binding on, or effective in relation to, the Borrower, any Obligor, the Agent or the Security Trustee unless it is effected, evidenced or perfected by a Transfer Certificate.

24.6 Lender re-organisation; waiver of Transfer Certificate

However, if a Lender enters into any merger, de-merger or other reorganisation as a result of which all its rights or obligations vest in another person (the “**successor**”), the Agent may, if it sees fit, by notice to the successor and the Borrower and the Security Trustee waive the need for the execution and delivery of a Transfer Certificate; and, upon service of the Agent’s notice, the successor shall become a Lender with the same Commitment and Contribution as were held by the predecessor Lender.

24.7 Effect of Transfer Certificate

A Transfer Certificate takes effect in accordance with English law as follows:

- (a) to the extent specified in the Transfer Certificate, all rights and interests (present, future or contingent) which the Transferor Lender has under or by virtue of the Finance Documents are assigned to the Transferee Lender absolutely, free of any defects in the Transferor Lender’s title and of any rights or equities which the Borrower or any Obligor had against the Transferor Lender;
- (b) the Transferor Lender’s Commitment is discharged to the extent specified in the Transfer Certificate;
- (c) the Transferee Lender becomes a Lender with the Contribution previously held by the Transferor Lender and a Commitment of an amount specified in the Transfer Certificate;
- (d) the Transferee Lender becomes bound by all the provisions of the Finance Documents which are applicable to the Lenders generally, including those about pro-rata sharing and the exclusion of liability on the part of, and the indemnification of, the Agent and the Security Trustee and, to the extent that the Transferee Lender becomes bound by those provisions (other than those relating to exclusion of liability), the Transferor Lender ceases to be bound by them;
- (e) any part of the Loan which the Transferee Lender advances after the Transfer Certificate’s effective date ranks in point of priority and security in the same way as it would have ranked had it been advanced by the transferor, assuming that any defects in the transferor’s title and any rights or equities of the Borrower or any Obligor against the Transferor Lender had not existed;
- (f) the Transferee Lender becomes entitled to all the rights under the Finance Documents which are applicable to the Lenders generally, including but not limited to those relating to the Majority Lenders and those under Clause 6.6 (*Market disruption*) and Clause 9 (*Fees*), and to the extent that the Transferee Lender becomes entitled to such rights, the Transferor Lender ceases to be entitled to them; and
- (g) in respect of any breach of a warranty, undertaking, condition or other provision of a Finance Document or any misrepresentation made in or in connection with a Finance Document, the Transferee Lender shall be entitled to recover damages by reference to the loss incurred by it as a result of the breach or misrepresentation, irrespective of whether the original Lender would have incurred a loss of that kind or amount.

The rights and equities of the Borrower or any Obligor referred to above include, but are not limited to, any right of set off and any other kind of cross-claim.

24.8 Maintenance of register of Lenders

During the Security Period the Agent shall maintain a register in which it shall record the name, Commitment, Contribution and administrative details (including the Facility Office) from time to time of each Lender holding a Transfer Certificate and the effective date (in accordance with Clause 24.4 (*Effective Date of Transfer Certificate*)) of the Transfer Certificate; and the Agent shall make the register available for inspection by any Lender, the Security Trustee and the Borrower during normal banking hours, subject to receiving at least 3 Business Days' prior notice.

24.9 Reliance on register of Lenders

The entries on that register shall, in the absence of manifest error, be conclusive in determining the identities of the Lenders and the amounts of their Commitments and Contributions and the effective dates of Transfer Certificates and may be relied upon by the Agent and the other parties to the Finance Documents for all purposes relating to the Finance Documents.

24.10 Authorisation of Agent to sign Transfer Certificates

The Borrower, the Security Trustee and each Lender irrevocably authorise the Agent to sign Transfer Certificates on its behalf.

24.11 Fees and Costs

In respect of any Transfer Certificate:

- (a) the Agent shall be entitled to recover a registration fee of five thousand Euros (€5,000) from the Transferor Lender or (at the Agent's option) the Transferee Lender;
- (b) the Transferee Lender shall pay to the Agent, upon demand, all reasonable costs and expenses, duties and fees, including but without limitation legal costs and out of pocket expenses, incurred by the Agent or the Lenders in connection with any necessary amendment to or supplementing of the Transaction Documents or any of them or the SACE Insurance Policy as a consequence of the assignment or transfer; and
- (c) the Transferee Lender shall pay to the Agent, upon demand, such amount as is payable to the Italian Authorities to cover its costs of giving its approval under Clause 24.1 (*Transfer by a Lender*).

24.12 Sub-participation; subrogation assignment

A Lender may sub-participate all or any part of its rights and/or obligations under or in connection with the Finance Documents without the consent of, or any notice to, the Borrower, any Obligor, the Agent or the Security Trustee but with the prior written consent of SACE.

24.13 Disclosure of information

A Lender may disclose to a potential Transferee Lender or sub participant any information which the Lender has received in relation to the Borrower, any Obligor or their affairs under or in connection with any Finance Document, unless the information is clearly of a confidential nature.

24.14 Change of Facility Office

Subject to the prior written consent of SACE, a Lender may change its Facility Office by giving notice to the Agent and the change shall become effective on the later of:

- (a) the date on which the Agent receives the notice; and

- the date, if any, specified in the notice as the date on which the change will come into effect, provided that if (i) a Lender assigns or transfers any of its rights or obligations under the Finance Documents or changes its Facility Office, and (ii) as a result of circumstances existing at the date the assignment, transfer or change occurs, an Obligor would be obliged to make a payment or an increased payment to the new Lender or Lender acting through its new Facility Office under Clause 10 (*Taxes, Increased Costs, Costs and Related Charges*), then the new Lender or Lender acting through its new Facility Office is only entitled to receive payment under that Clause to the same extent as the existing Lender or Lender acting through its previous Facility Office would have been if the assignment, transfer or change had not occurred.
- (b)

24.15 Notification

On receiving such a notice, the Agent shall notify the Borrower and the Security Trustee; and, until the Agent receives such a notice, it shall be entitled to assume that a Lender is acting through the Facility Office of which the Agent last had notice.

24.16 Security over Lenders' rights

In addition to the other rights provided to Lenders under this Clause 24 (*Changes to the Lenders*) each Lender may without consulting with or obtaining consent from the Borrower or any Obligor but subject to the prior written consent of SACE, at any time charge, assign or otherwise create a Security Interest in or over (whether by way of collateral or otherwise) all or any of its rights under any Finance Document to secure obligations of that Lender (i) to the benefit of any Affiliate and/or (ii) within the framework of its, or its Affiliates, direct or indirect funding operations including, without limitation:

- (a) any charge, assignment or other Security Interest to secure obligations to a federal reserve, central bank or a multilateral development bank (including the European Investment Bank and the European Investment Fund); and
- (b) in the case of any Lender which is a fund, any charge, assignment or other Security Interest granted to any holders (or trustee or representatives of holders) of obligations owed, or securities issued, by that Lender as security for those obligations or securities;
- except that no such charge, assignment or Security Interest shall:
- (i) release a Lender from any of its obligations under the Finance Documents or substitute the beneficiary of the relevant charge, assignment or Security Interest for the Lender as a party to any of the Finance Documents; or
- (ii) alter the obligations of the Obligor or require any payments to be made by the Borrower or any Obligor or grant to any person any more extensive rights than those required to be made or granted to the relevant Lender under the Finance Documents.

24.17 Assignment or transfer to SACE

- Notwithstanding the above provisions of this Clause 24 (*Changes to the Lenders*) each Lender and the Agent shall, if so instructed by SACE in accordance with the provisions of the SACE Insurance Policy and without any requirement for the consent of any Obligor, assign its rights or (as the case may be) transfer its rights and obligations to SACE (but for the avoidance of doubt, SACE will not assume any of the Lenders' obligations pursuant to Clauses 10 (*Taxes, Increased Costs, Costs and Related Charges*) or 33 (*Confidentiality*) of this Agreement), which assignment or transfer shall take effect upon the date stated in the relevant documentation subject to SACE being satisfied that it has complied with all necessary "know your customer" requirements in relation to such assignment or transfer;
- (a)

- (b) The Agent shall promptly notify the Obligors of any such assignment or transfer to SACE and, following an Event of Default, the Obligors shall pay to the Agent, upon demand, all reasonable costs and expenses, duties and fees, including but without limitation legal costs and out of pocket expenses, incurred by SACE, the Agent or the Lenders in connection with any such assignment or transfer.

24.18 No prejudice to SACE rights

Nothing in the Finance Documents shall prejudice or otherwise limit:

- (a) the rights of any Lender to assign its rights or transfer its rights and obligations, under, or in connection with, any Finance Document to SACE or as directed by SACE; and
- (b) the right of SACE to be subrogated to any Lender's rights under, or in connection with, any Finance Document.

24.19 SACE's power to direct

The Creditor Parties agree and the Obligors acknowledge that SACE has the right to direct the decision-making of the Agent and/or the Security Trustee, including (without limitation) following an Event of Default.

24.20 Definition of Affiliate

For the purposes of this Clause 24 (*Changes to the Lenders*), the definition of "Affiliate" in respect of Crédit Agricole Corporate and Investment Bank shall, for the avoidance of doubt, include any other member of Crédit Agricole Group, and in particular:

- (a) Crédit Agricole S.A.;
- (b) Caisses Régionales de Crédit Agricole;
- (c) Crédit Agricole Assurances;
- (d) LCL SA; and/or
- (e) any company or legal entity in which one or more of the companies or entities referred to in paragraphs (a) to (d) above, together or separately, owns a direct majority interest.

25 CHANGES TO THE OBLIGORS

25.1 No change without consent

No Obligor may assign any of its rights or transfer any of its rights or obligations under the Finance Documents.

26 ROLE OF THE AGENT AND THE JOINT MANDATED LEAD ARRANGERS

26.1 Appointment of the Agent

- (a) Each other Secured Party appoints the Agent to act as its agent under and in connection with this Agreement and the other Finance Documents, the SACE Insurance Policy and the Interest Make Up Agreement.
- (b) Each other Secured Party authorises the Agent to exercise the rights, powers, authorities and discretions specifically given to the Agent under or in connection with the Finance Documents together with any other incidental rights, powers, authorities and discretions.

26.2 Duties of the Agent

- (a) The Agent shall promptly forward to a Party the original or a copy of any document which is delivered to the Agent for that Party by any other Party.
- (b) Except where a Finance Document specifically provides otherwise, the Agent is not obliged to review or check the adequacy, accuracy or completeness of any document it forwards to another Party.
- (c) If the Agent receives notice from a Party referring to this Agreement, describing an Event of Default and stating that the circumstance described is an Event of Default, it shall promptly notify the other Secured Parties.
- (d) If the Agent is aware of the non-payment of any principal, interest, commitment fee or other fee payable to a Secured Party (other than the Agent or a Joint Mandated Lead Arranger) under this Agreement it shall promptly notify the other Secured Parties.
- (e) The Agent's duties under the Finance Documents are solely administrative in nature.

26.3 Role of Joint Mandated Lead Arrangers

None of the Joint Mandated Lead Arrangers has any obligations of any kind to any other Party under or in connection with any Transaction Document, the Interest Make-Up Agreement or the SACE Insurance Policy.

26.4 No fiduciary duties

- (a) Nothing in this Agreement constitutes the Agent or any of the Joint Mandated Lead Arrangers as a trustee or fiduciary of any other person.
- (b) Neither the Agent nor any of the Joint Mandated Lead Arrangers shall be bound to account to any Lender for any sum or the profit element of any sum received by it for its own account.

26.5 Business with the Guarantor

The Agent and each of the Joint Mandated Lead Arrangers may accept deposits from, lend money to and generally engage in any kind of banking or other business with any Affiliate or Subsidiary of the Guarantor.

26.6 Rights and discretions of the Agent

- (a) The Agent may rely on:
 - (i) any representation, notice or document believed by it to be genuine, correct and appropriately authorised; and
 - (ii) any statement made by a director, authorised signatory or employee of any person regarding any matters which may reasonably be assumed to be within his knowledge or within his power to verify.
- (b) The Agent may assume (unless it has received notice to the contrary in its capacity as agent for the Lenders) that:
 - (i) no Event of Default has occurred (unless it has actual knowledge of an Event of Default); and

- (ii) any right, power, authority or discretion vested in any Party or the Lenders has not been exercised.
 - (c) The Agent may engage, pay for and rely on the advice or services of any lawyers, accountants, surveyors or other experts.
 - (d) The Agent may act in relation to the Finance Documents through its personnel and agents.
 - (e) The Agent may disclose to any other Party any information it reasonably believes it has received as the Agent under this Agreement.
- Notwithstanding any other provision of any Finance Document to the contrary, neither the Agent nor any of the Joint Mandated Lead Arrangers is obliged to do or omit to do anything if it would or might in its reasonable opinion constitute a breach of any law or regulation or a breach of a fiduciary duty or duty of confidentiality.

26.7 Lenders' and SACE's instructions

- (a) Unless a contrary indication appears in a Finance Document, the Agent shall:
 - (i) exercise any right, power, authority or discretion vested in it as Agent in accordance with any instructions given to it by the Majority Lenders and SACE (or, if so instructed by the Majority Lenders and SACE, refrain from exercising any right, power, authority or discretion vested in it as the Agent); and
 - (ii) not be liable for any act (or omission) if it acts (or refrains from taking any action) in accordance with an instruction of the Majority Lenders and SACE.
 - (b) Unless a contrary indication appears in a Finance Document, any instructions given by the Majority Lenders and SACE will be binding on all the Secured Parties.
 - (c) The Agent may refrain from acting in accordance with the instructions of the Majority Lenders and SACE until it has received such security as it may require for any cost, loss or liability (together with any associated VAT) which it may incur in complying with the instructions.
 - (d) In the absence of instructions from the Majority Lenders and SACE the Agent may act (or refrain from taking action) as it considers to be in the best interest of the Secured Parties.
 - (e) The Agent is not authorised to act on behalf of a Lender (without first obtaining that Lender's consent) in any legal or arbitration proceedings relating to any Finance Document.
- Notwithstanding anything to the contrary, the Lenders agree that if the Agent (acting in its sole discretion) is of the opinion that or if any Lender notifies the Agent that it is of the opinion that, the prior approval of the Italian Authorities should be obtained in relation to the exercise or non-exercise by the Agent or the Lenders of any power, authority or discretion specifically given to them under or in connection with the Finance Documents or in relation to any other incidental rights, powers, authorities or discretions, then the Agent shall seek such approval of the Italian Authorities prior to such exercise or non-exercise.

26.8 Responsibility for documentation

The Agent is not responsible for:

- (a) the adequacy, accuracy and/or completeness of any information (whether oral or written) supplied by the Agent, a Joint Mandated Lead Arranger, an Obligor or any other person given in or in connection with any Transaction Document, the SACE Insurance Policy or the Interest Make-Up Agreement; nor for

- (b) the legality, validity, effectiveness, adequacy or enforceability of any Transaction Document the SACE Insurance Policy or the Interest Make-Up Agreement or any other agreement, arrangement or document entered into, made or executed in anticipation of or in connection with any Transaction Document, the SACE Insurance Policy or the Interest Make-Up Agreement.

26.9 Exclusion of liability

- (a) Without limiting paragraph (b) of Clause 26.9 (*Exclusion of liability*), the Agent will not be liable for any action taken by it under or in connection with any Finance Document, the SACE Insurance Policy or the Interest Make-Up Agreement, unless directly caused by its Gross Negligence or wilful misconduct.

- (c) The Agent will not be liable for any delay (or any related consequences) in crediting an account with an amount required under the Finance Documents, the SACE Insurance Policy or the Interest Make-Up Agreement to be paid by the Agent if the Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Agent for that purpose.

- (d) Nothing in this Agreement shall oblige the Agent or a Joint Mandated Lead Arranger to carry out any “know your customer” or other checks in relation to any person on behalf of any Lender and each Lender confirms to the Agent and the Joint Mandated Lead Arrangers that it is solely responsible for any such checks it is required to carry out and that it may not rely on any statement in relation to such checks made by the Agent or a Joint Mandated Lead Arranger.

- (a) the Recovering Creditor Party shall, within three (3) Business Days, notify details of the receipt or recovery to the Agent;
- (b) the Agent shall determine whether the receipt or recovery is in excess of the amount the Recovering Creditor Party would have been paid had the receipt or recovery been received or made by the Agent and distributed in accordance with Clause 19 (*Application of sums received*) and Clause 30 (*Payment Mechanics*), without taking account of any Tax which would be imposed on the Agent in relation to the receipt, recovery or distribution; and
- (c) the Recovering Creditor Party shall, within three (3) Business Days of demand by the Agent, pay to the Agent an amount (the “**Sharing Payment**”) equal to such receipt or recovery less any amount which the Agent determines may be retained by the Recovering Creditor Party as its share of any payment to be made, in accordance with Clause 19 (*Application of sums received*) and Clause 30 (*Payment Mechanics*).

29.4 Reversal of redistribution

If any part of the Sharing Payment received or recovered by a Recovering Creditor Party becomes repayable and is repaid by that Recovering Creditor Party, then:

- (a) each Lender which has received a share of the relevant Sharing Payment pursuant to Clause 29.2 (*Redistribution of payments*) shall, upon request of the Agent, pay to the Agent for account of that Recovering Creditor Party an amount equal to the appropriate part of its share of the Sharing Payment (together with an amount as is necessary to reimburse that Recovering Creditor Party for its proportion of any interest on the Sharing Payment which that Recovering Creditor Party is required to pay); and

- (b) that Recovering Creditor Party's rights of subrogation in respect of any reimbursement shall be cancelled and the relevant Obligor will be liable to the reimbursing Creditor Party for the amount so reimbursed.

29.5 Exceptions

If any provision of a Finance Document is or subsequently becomes void, unenforceable or illegal, that shall not affect the validity, enforceability or legality of the other provisions of that Finance Document or of the provisions of any other Finance Document.

36.3 Counterparts

A Finance Document may be executed in any number of counterparts.

36.4 Third party rights

- (a) Except for SACE and its successors, transferees and assignees or as otherwise provided in a Finance Document, a person who is not a Party has no right under the Contracts (Rights of Third Parties) Act 1999 (the “**Third Party Act**”) to enforce or to enjoy the benefit of any term of this Agreement.

1.4 Non-applicable provisions between the Guarantor and German Lenders

The Guarantor acknowledges and agrees that to the extent required for compliance with Section 7 of the Foreign Commerce Regulation (*Außenwirtschaftsverordnung*) (the “Foreign Commerce Regulation”) and any other anti-boycott legislation, in connection with section 4 paragraph (1)(a)(3) of the Foreign Trade Law (*Außenwirtschaftsgesetz*) by any Lender incorporated or having its registered office or Facility Office in the Federal Republic of Germany (a **“German Lender”**), the Guarantor does not make (a) any representation under Clause 10.12 (*Sanctions*) or (b) any undertakings under any of Clause 11.19 (*Illicit Payments*), Clause 11.20 (*Prohibited Payments*), and Clause 11.21 (*Sanctions*) of this Guarantee, to or in favour of any German Lender.

The Guarantor unconditionally and irrevocably:

- (a) guarantees to the Security Trustee punctual performance by the Borrower of all the Borrower's obligations under or in connection with the Loan Agreement and every other Finance Document;
- (b) undertakes to the Security Trustee that whenever the Borrower does not pay any amount when due under or in connection with the Loan Agreement and the other Finance Documents, the Guarantor shall immediately on demand pay that amount as if it was the principal obligor;
- (c) agrees that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify the Security Trustee and each other Secured Party immediately on demand by the Security Trustee against any cost, loss or liability it incurs as a result of the Borrower not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under the Loan Agreement or any other Finance Document on the date when it would have been due. Any such demand for indemnification shall be made through the Security Trustee, for itself or on behalf of the Secured Parties. The amount payable by the Guarantor under this indemnity will not exceed the amount it would have had to pay under this Clause 2.1 (*Guarantee and indemnity*) if the amount claimed had been recoverable on the basis of a guarantee.

2.2 No limit on number of demands

The Security Trustee may serve any number of demands under Clause 2.1 (*Guarantee and indemnity*).

3 LIABILITY AS PRINCIPAL AND INDEPENDENT DEBTOR

3.1 Principal and independent debtor

The Guarantor shall be liable under this Guarantee as a principal and independent debtor and accordingly it shall not have, as regards this Guarantee, any of the rights or defences of a surety.

3.2 Waiver of rights and defences

Without limiting the generality of Clause 3.1 (*Principal and independent debtor*), the obligations of the Guarantor under this Guarantee will not be affected by an act, omission, matter or thing which, but for this Clause, would reduce, release or prejudice any of its obligations under this Guarantee (without limitation and whether or not known to it or any Secured Party) including:

- (a) any time, waiver or consent granted to, or composition with, the Borrower or other person;
- (b) the release of the Borrower or any other person under the terms of any composition or arrangement with any creditor of any affiliate of the Borrower;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, the Borrower or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of the Borrower or any other person;
- (e) any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of any Finance Document or any other document or security including without limitation any change in the purpose of, any extension of or any increase in any facility or the addition of any new facility under any Finance Document or other document or security;

The Guarantor shall pay to the Security Trustee on its demand the amount of all expenses incurred by the Security Trustee or any other Secured Party in connection with any matter arising out of this Guarantee or any Security Interest connected with it, including any advice, claim or proceedings relating to this Guarantee or such a Security Interest.

4.2 Fees and expenses payable under Loan Agreement

Clause 4.1 (*Costs of preservation of rights, enforcement etc*) is without prejudice to the Guarantor's liabilities in respect of the Borrower's obligations under clauses 9 (*Fees*) and 10 (*Taxes, Increased Costs, Costs and Related Charges*) of the Loan Agreement and under similar provisions of other Finance Documents.

5 ADJUSTMENT OF TRANSACTIONS

5.1 Reinstatement of obligation to pay

The Guarantor shall pay to the Security Trustee on its demand any amount which any Secured Party is required, or agrees, to pay pursuant to any claim by, or settlement with, a trustee in bankruptcy of the Borrower or of any other Obligor (or similar person) on the ground that the Loan Agreement or any other Finance Document, or a payment by the Borrower or of such other Obligor, was invalid or on any similar ground.

6 PAYMENTS

6.1 Method of payments

Any amount due under this Guarantee shall be paid:

- (a) in immediately available funds;
- (b) to such account as the Security Trustee may from time to time notify to the Guarantor;
- (c) without any form of set-off, cross-claim or condition; and

- (d) free and clear of any tax deduction except a tax deduction which the Guarantor is required by law to make.

6.2 Grossing-up for taxes

If the Guarantor is required by law to make a tax deduction, the amount due to the Security Trustee shall be increased by the amount necessary to ensure that the Security Trustee and (if the payment is not due to the Security Trustee for its own account) the Secured Party beneficially interested in the payment receives and retains a net amount which, after the tax deduction, is equal to the full amount that it would otherwise have received.

6.3 Tax Credits

If an additional payment is made by the Guarantor under this Clause and any Secured Party determines that it has received or been granted a credit against or relief of or calculated with reference to the deduction giving rise to such additional payment, such Secured Party shall, to the extent that it can do so without prejudice to the retention of the amount of such credit, relief, remission or repayment and provided that it has received the cash benefit of such credit, relief or remission, pay to the Guarantor such amount as such Secured Party shall in its reasonable opinion have concluded to be attributable to the relevant deduction. Any such payment shall be conclusive evidence of the amount due to the Guarantor hereunder and shall be accepted by the Guarantor in full and final settlement of its rights of reimbursement hereunder in respect of such deduction. Nothing herein contained shall interfere with the right of each Secured Party to arrange its tax affairs in whatever manner it thinks fit.

- 6.4** To the extent that this Clause 6 (*Payments*) imposes obligations or restrictions on a Secured Party, such obligations or restrictions shall not apply to SACE and SACE shall have no obligations hereunder nor be constrained by such restrictions.

7 INTEREST

7.1 Accrual of interest

Any amount due under this Guarantee shall carry interest after the date on which the Security Trustee demands payment of it until it is actually paid, unless interest on that same amount also accrues under the Loan Agreement.

7.2 Calculation of interest

Interest on sums payable under this Guarantee shall be calculated and accrue in the same way as interest under clause 6 (*Interest*) of the Loan Agreement.

7.3 Guarantee extends to interest payable under Loan Agreement

For the avoidance of doubt, it is confirmed that this Guarantee covers all interest payable under the Loan Agreement, including that payable under clause 17 (*Interest on Late Payments*) of the Loan Agreement.

8 SUBORDINATION

8.1 Subordination of rights of Guarantor

Until all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full and unless the Agent otherwise directs, all rights which the Guarantor at any time has (whether in respect of this Guarantee or any other transaction) against the Borrower, any other Obligor or their respective assets shall be fully subordinated to the rights of the Secured Parties under the Finance Documents; and in particular, the Guarantor shall not:

- (f) claim any subrogation or right of contribution or other right in respect of any Finance Document or any sum received or recovered by any Secured Party under a Finance Document.

If the Guarantor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Secured Parties by the Obligors under or in connection with the Finance Documents to be repaid in full on trust for the Secured Parties and shall promptly pay or transfer the same to the Security Trustee or as the Security Trustee may direct for application in accordance with the Loan Agreement and the Finance Documents.

9 ENFORCEMENT

9.1 No requirement to commence proceedings against Borrower

The Guarantor waives any right it may have of first requiring the Security Trustee or any other Secured Party to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Guarantor under this Guarantee. Neither the Security Trustee nor any other Secured Party will need to make any demand under, commence any proceedings under, or enforce any guarantee or any Security Interest contained in or created by, the Loan Agreement or any other Finance Document before claiming or commencing proceedings under this Guarantee. This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

- (a) refrain from applying or enforcing any other moneys, security or rights held or received by it (or any trustee or agent on its behalf which, in the case of a Secured Party, shall include the Agent and the Security Trustee) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and the Guarantor shall not be entitled to the benefit of the same; and

14.8 Applicability of provisions of Guarantee to other rights

Clauses 3 (*Liability as Principal and Independent Debtor*) and 17 (*Invalidity of Loan Agreement*) shall also apply to any right of set-off or netting or to combine accounts which the Guarantor creates by an agreement entered into at the time of this Guarantee or at any later time (notwithstanding that the agreement does not include provisions similar to Clauses 3 (*Liability as Principal and Independent Debtor*) and 17 (*Invalidity of Loan Agreement*)), being an agreement referring to this Guarantee.

4.8 Disbursement of Advance to third party

5 REPAYMENT

5.1 Number of repayment instalments

The Borrower shall repay the Loan by twenty-four (24) consecutive six-monthly instalments from the earlier of (i) the Delivery Date and (ii) the date of actual disbursement of the respective delivery instalment (the "**Starting Point of Repayment**").

5.2 Repayment Dates

The first repayment instalment shall be repaid on the date falling six (6) months after the Starting Point of Repayment and the last repayment instalment on the date falling one hundred and forty-four (144) months after the Starting Point of Repayment, each date of payment of an instalment being a “**Repayment Date**”.

5.3 Amount of repayment instalments

Each repayment instalment of the Loan shall be of an equal amount.

5.4 Final Repayment Date

On the final Repayment Date, the Borrower shall additionally pay to the Agent for the account of the Creditor Parties all other sums then accrued or owing under any Finance Document.

6 INTEREST

6.1 Fixed or Floating Interest Rate

The Borrower shall provide notification, signed by a duly authorised signatory of the Borrower, to the Agent at least [*] days before the first Drawdown Date specifying which of the Fixed Interest Rate or the Floating Interest Rate shall be applicable to all Advances until the date of payment of the final repayment instalment of the Loan.

6.2 Fixed Interest Rate

If the Borrower has specified a Fixed Interest Rate pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*), the Loan shall bear interest in respect of each Interest Period at the Fixed Interest Rate. Such interest shall accrue on the actual number of days elapsed based upon a 360 day year and shall be paid on the last day of each Interest Period.

6.3 Floating Interest Rate

If:

- (a) the Borrower has specified a Floating Interest Rate pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*); or

- (c) SIMEST has requested a change of currency pursuant to the Interest Make-Up Agreement and such change of currency is not agreed by the Borrower or Lenders in accordance with Clause 6.16 (*Change of currency*); or
- (d) SIMEST has failed to make a net payment of interest to the Lenders pursuant to the Interest Make-Up Agreement,

the rate of interest on the Loan in respect of any Interest Period shall be the Floating Interest Rate applicable for that Interest Period and the following provisions of this Clause 6 (*Interest*) shall apply (in the case of the circumstances referred to in paragraph (b) above, with effect from the date on which the Interest Make-up Agreement ceases to be in effect, with such consequential amendments as shall be necessary to give effect to the switch from a Fixed Interest Rate to a Floating Interest Rate).

6.4 Payment of Floating Interest Rate

Subject to the provisions of this Agreement, interest on the Loan, as applicable, in respect of each Interest Period shall accrue on the actual number of days elapsed based upon a 360 day year and shall be paid by the Borrower on the last day of that Interest Period.

6.5 Notification of Interest Periods and Floating Interest Rate

The Agent shall notify the Borrower and each Lender of each Floating Interest Rate and the duration of each Interest Period as soon as reasonably practicable after each is determined and no later than the Quotation Date.

6.6 Market disruption

The following provisions of this Clause 6 (*Interest*) apply if:

- (a) no rate is quoted on “Thomson Reuters Page LIBOR 01 or LIBOR 02” (or any other page replacing it) and the Lenders do not, before 1.00 p.m. (London time) on the Quotation Date for an Interest Period, provide quotations to the Agent in order to fix LIBOR; or
- (b) at least 1 Business Day before the start of an Interest Period, Lenders having Contributions together amounting to more than [*] per cent. of the Loan (or, if an Advance has not been made, Commitments amounting to more than [*] per cent. of the Total Commitments) notify the Agent that LIBOR fixed by the Agent would not accurately reflect the cost to those Lenders of funding their respective Contributions (or any part of them) during the Interest Period in the London Interbank Market at or about 11.00 a.m. (London time) on the Quotation Date for the Interest Period; or
- (c) at least 1 Business Day before the start of an Interest Period, the Agent is notified by a Lender (the “**Affected Lender**”) that for any reason it is unable to obtain Dollars in the London Interbank Market in order to fund its Contribution (or any part of it) during the Interest Period.

6.7 Notification of market disruption

The Agent shall promptly notify the Borrower and each of the Lenders stating the circumstances falling within Clause 6.6 (*Market disruption*) which have caused its notice to be given.

6.8 Suspension of drawdown

If the Agent’s notice under Clause 6.6 (*Market disruption*) is served before an Advance is made:

- (a) in a case falling within paragraphs (a) or (b) of Clause 6.6 (*Market disruption*), the Lenders’ obligations to make that Advance;
- (b) in a case falling within paragraph (c) of Clause 6.6 (*Market disruption*), the Affected Lender’s obligation to participate in that Advance;

shall be suspended while the circumstances referred to in the Agent’s notice continue.

6.9 Negotiation of alternative rate of interest

If the Agent's notice under Clause 6.7 (*Notification of market disruption*) is served after an Advance is made, the Borrower, the Agent and the Lenders or (as the case may be) the Affected Lender shall use reasonable endeavours to agree, in consultation with SACE, within the 30 days after the date on which the Agent serves its notice under Clause 6.7 (*Notification of market disruption*) (the "**Negotiation Period**"), an alternative interest rate or (as the case may be) an alternative basis for the Lenders or (as the case may be) the Affected Lender to fund or continue to fund their or its Contribution during the Interest Period concerned.

6.10 Application of agreed alternative rate of interest

Any alternative interest rate or an alternative basis which is agreed during the Negotiation Period shall take effect in accordance with the terms agreed.

6.11 Alternative rate of interest in absence of agreement

If an alternative interest rate or alternative basis is not agreed within the Negotiation Period, and the relevant circumstances are continuing at the end of the Negotiation Period, then the Agent shall, with the agreement of each Lender or (as the case may be) the Affected Lender (and in consultation with SACE), set an interest period and interest rate representing the cost of funding of the Lenders or (as the case may be) the Affected Lender in Dollars or in any available currency of their or its Contribution plus the Margin; and the procedure provided for by this Clause 6.11 (*Alternative rate of interest in absence of agreement*) shall be repeated if the relevant circumstances are continuing at the end of the interest period so set by the Agent.

6.12 Notice of prepayment

If the Borrower does not agree with an interest rate set by the Agent under Clause 6.11 (*Alternative rate of interest in absence of agreement*), the Borrower may give the Agent not less than 15 Business Days', or, if the Fixed Interest Rate has been selected pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*), 30 days, notice of its intention to prepay at the end of the interest period set by the Agent.

6.13 Prepayment; termination of Commitments

A notice under Clause 6.12 (*Notice of prepayment*) shall be irrevocable; the Agent shall promptly notify the Lenders or (as the case may require) the Affected Lender and, if the Fixed Interest Rate has been selected by the Borrower, SIMEST of the Borrower's notice of intended prepayment; and:

- (a) on the date on which the Agent serves that notice, the Total Commitments or (as the case may require) the Commitment of the Affected Lender shall be cancelled; and
- (b) on the last Business Day of the Interest Period set by the Agent, the Borrower shall prepay (without premium or penalty subject to the provisions of Clause 20.2 (*Breakage costs and SIMEST arrangements*)) the Loan or, as the case may be, the Affected Lender's Contribution, together with accrued interest thereon at the applicable rate (being either the Floating Interest Rate or the Fixed Interest Rate as specified by the Borrower pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*)).

6.14 Application of prepayment

The provisions of Clause 16 (*Cancellation, Prepayment and Mandatory Prepayment*) shall apply in relation to the prepayment.

6.15 Certain Circumstances

Notwithstanding anything to the contrary in this Agreement:

- (a) in the event of any circumstances falling within Clause 6.6 (*Market disruption*) which might affect the advance of an Advance on a Drawdown Date (the "**Relevant Circumstances**");

- (i) occurring and being continuing on the date falling ninety (90) days before the proposed Drawdown Date (the “**Relevant Date**”), each Lender will notify the Borrower (through the Agent) of the Relevant Circumstances on the Relevant Date or, if the Relevant Date is not a Business Day, on the next following Business Day; and
- (ii) occurring after the Relevant Date, each Lender will notify the Borrower (through the Agent) immediately each Lender become aware of the Relevant Circumstances;

- (b) in the event of any Relevant Circumstances falling within paragraphs (a) or (b) of Clause 6.6 (*Market disruption*) (the “**Pricing-Related Relevant Circumstances**”) occurring before an Advance is made available and notwithstanding the provisions of Clause 6.8 (*Suspension of drawdown*), each Lender will fund its respective Contributions by reference to the agreed alternative rate of interest in accordance with Clauses 6.9 (*Negotiation of alternative rate of interest*), 6.10 (*Application of agreed alternative rate of interest*) and 6.11 (*Alternative rate of interest in absence of agreement*) as if the provisions of such Clauses applied not only in the event that the Pricing-Related Relevant Circumstances have been notified by the Agent to the Borrower after the making of the Advance but also before the making of the Advance.

- (c) in the event of any Relevant Circumstances falling within paragraph (c) of Clause 6.6 (*Market disruption*) (the “**Availability-Related Relevant Circumstances**”) occurring before the Loan is made and notwithstanding the provisions of Clause 6.8 (*Suspension of drawdown*), each Lender will enter into good faith discussions with the Borrower for a period not exceeding 10 Business Days in order to discuss a basis on which the Lenders could be able to fund their respective Contributions in Dollars (or, if unavailable in Dollars, then in any available currency). Such discussions shall be without obligation on the Lenders provided that during such discussion period, such circumstances continue.

6.16 Change of currency

- (a) In the event that the Agent notifies the Borrower that SIMEST has requested a change in the currency of the Loan in accordance with clause 6.3 of the Interest Make-Up Agreement, the Borrower and the Lenders shall, without obligation, consider such request for a change of currency acting reasonably for a period of not exceeding 10 Business Days. Following such discussions the Agent shall report the decision of the Borrower and the Lenders to SIMEST, providing their reason for any negative decision.
- (b) In the event that a change of currency is agreed the Parties agree to negotiate in good faith the necessary changes to the Loan Agreement, the Finance Documents, the SACE Insurance Policy and the Interest Make-Up Agreement in order to document the change in currency.
- (c) In the event that a change in currency is not acceptable to the Lenders or the Borrower, the provision of paragraph (c) of Clause 6.3 (*Floating Interest Rate*) shall apply.

7 INTEREST PERIODS

7.1 Commencement of Interest Periods

The first Interest Period applicable to an Advance shall commence on the Drawdown Date in respect of that Advance and each subsequent Interest Period shall commence on the expiry of the preceding Interest Period.

- (a) 6 months; or

- (b) in the case of the first Interest Period applicable to the second and any subsequent Advance, a period ending on the last day of the Interest Period then current, whereupon all of the Advances shall be consolidated and treated as a single Advance; and

7.3 Duration of Interest Periods for Repayment Instalments

8 SACE PREMIUM AND ITALIAN AUTHORITIES

8.1 SACE Premium

The estimated SACE Premium for a maximum amount of [*] (being [*] per cent. ([*]%) of the Maximum Loan Amount) is due and payable in two instalments as follows:

- (a) the first instalment of the SACE Premium being an amount of [*] (calculated as being [*] per cent. ([*]%) of [*] per cent. ([*]%) of the Maximum Loan Amount) (the “**First Instalment**”) shall be paid by the Borrower to SACE (provided that the Borrower and the Lenders have been notified by the SACE Agent that the SACE Insurance Policy has been issued) on the earlier of (i) the date falling 30 days after the issuance of the SACE Insurance Policy and (ii) 16 June 2017, being the date falling 6 months after the date of SACE’s board approval; and
- (b) the second instalment of the SACE Premium being an amount of [*] (calculated as being [*] per cent. ([*]%) of [*] per cent. ([*]%) of the Maximum Loan Amount) (the “**Second Instalment**”) and shall be payable on the first Drawdown Date. For the sake of clarity, no set-off with the First Instalment shall be permitted.

8.2 Reimbursement by the Borrower of the SACE Premium

The Borrower irrevocably agrees to pay the First Instalment, and to instruct the Lenders to pay the Second Instalment on behalf of the Borrower as follows:

- (a) the Borrower has requested and the Lenders have agreed to reimburse the payment of one hundred per cent. (100%) of the First Instalment to the Borrower on the first Drawdown Date, it being agreed that such First Instalment shall be paid to SACE by the Borrower in accordance with paragraph (a) of Clause 8.1 (*SACE Premium*) and upon notification by the Agent to the Borrower (i) of the issuance of the SACE Insurance Policy documentation in the form required by paragraph (d) of Clause 3.6 (*No later than five (5) Business Days before the First Drawdown Date*), and (ii) of the amount of the First Instalment; and
- (b) the Borrower has requested and the Lenders have agreed to finance the payment of one hundred per cent. (100%) of the Second Instalment on the first Drawdown Date in accordance with paragraph (c) of Clause 2.1 (*Amount of facility*) of this Agreement.

Consequently, the Borrower hereby irrevocably instructs the Agent on behalf of the Lenders to pay the Second Instalment to SACE on the first Drawdown Date in accordance with paragraph (c) of Clause 2.1 (*Amount of facility*) of this Agreement and to reimburse the Borrower by the Borrower drawing under the Loan the amount of the First Instalment in accordance with paragraph (b) of Clause 2.1 (*Amount of facility*) of this Agreement.

The First Instalment and Second Instalment each financed by the Loan will be repayable in any event by the Borrower to the Lenders in the manner specified in Clause 5 (*Repayment*) and under any and all circumstances including but without limitation in the event of prepayment or acceleration of the Loan.

8.3 Italian Authorities

- (a) The Borrower acknowledges and agrees that the Agent and the Lenders are entitled to provide the Italian Authorities with any information they may have relative to the Loan and the business of the Group, to allow the Italian Authorities to inspect all their records relating to this Agreement and the other Transaction Documents and to furnish them with copies thereof. Any such information relative to the Loan may also be given by any Italian Authorities to international institutions charged with collecting statistical data.
- (b) The Borrower acknowledges that, in the making of any decision or determination or the exercise of any discretion or the taking or refraining to take any action under this Agreement or any of the other Finance Documents, the Agent and the Lenders shall be deemed to have acted reasonably if they have acted on the instructions of either of the Italian Authorities.
- (c) Each Party further undertakes not to act in a manner which is inconsistent with the terms of the SACE Insurance Policy and the Interest Make-up Agreement.

8.4 Refund

- (a) The Borrower shall, at the latest on the date falling sixty (60) days before the Intended Delivery Date, provide a notice in writing to the SACE Agent (who will promptly forward it to other Lenders and SACE), signed by an authorised signatory of the Borrower, indicating the amount of the Delivery Advance, being the amount set out in Schedule 6 (*Drawdown Schedule*) under the column entitled “Advance to be drawn under this Agreement” to be drawn on the Delivery Date less (i) any amount cancelled based on the Conversion Rate and (ii) the Refund (as defined below) to be refunded in accordance with paragraph (b), such amount of the Refund to be confirmed by SACE at least six (6) Business Days prior to the Delivery Date. The Borrower hereby agrees and shall confirm in such notice that the remaining Commitments shall be deemed to be cancelled. The Borrower acknowledges, for the avoidance of doubt, that the shortfall to be paid to the Builder at the Delivery Date shall be funded and paid directly by the Borrower to the Builder.

- (b) If the sum of the Advances drawn by the Borrower together with the amount notified by the Borrower pursuant to paragraph (a) and (a)(i) above (being the amount set out in Schedule 6 (*Drawdown Schedule*) under the column entitled “Advance to be drawn under this Agreement” to be drawn on the Delivery Date, less any amount cancelled based on the Conversion Rate) equals an aggregate of less than the Maximum Loan Amount, and provided that no Event of Default has occurred and is then continuing and no loss has occurred under the SACE Insurance Policy, the Borrower shall be entitled to a refund of the Second Instalment of the SACE Premium in an amount calculated by SACE on the undrawn amount (the “**Refund**”). For the avoidance of doubt, the First Instalment of the SACE Premium is non-refundable, irrespective of whether any disbursements have been made under this Agreement and irrespective of whether the SACE Insurance Policy has been terminated.

- (c) Any refund of the Second Instalment of the SACE Premium, whether in whole or in part, must be expressly requested by the SACE Agent to SACE in writing following receipt by the SACE Agent of the Borrower’s notice referred to in paragraph (a) above.

- (d) To the extent the Borrower is entitled to the Refund, SACE shall transfer the Refund as soon as practicably possible to the SACE Agent who shall as soon as practicably possible following receipt thereof transfer such amount to the Borrower. The Borrower hereby acknowledges that SACE shall not be liable to pay interest to the Borrower on the amount of the Refund.

- (e) Under the terms of the SACE Insurance Policy, the Parties acknowledge that SACE will withhold an amount of [*] per cent. ([*]%) from the amount of the SACE Premium to be refunded. Such withholding, charged as a lump sum to cover administration and management costs for the SACE Insurance Policy, may not, in any event, amount to less than the equivalent of [*] Euros (€[*]) or more than the equivalent of [*] Euros (€[*]), calculated by SACE at the European Central Bank EUR/USD exchange rate as at the date of the refund request.

- (f) Except as set out in paragraph (a) and (c) above, no part of the SACE Premium is refundable to any Obligor.
- (g) In no event shall the SACE Agent be liable for any refund of the SACE Premium to be made by SACE or for the calculation of any Refund and/or withholding thereof.

10 TAXES, INCREASED COSTS, COSTS AND RELATED CHARGES

10.1 Definitions

- (a) In this Agreement:

“Protected Party” means a Secured Party which is or will be subject to any liability, or required to make any payment, for or on account of Tax in relation to a sum received or receivable (or any sum deemed for the purposes of Tax to be received or receivable) under a Finance Document;

“Tax Credit” means a credit against, relief or remission for, or repayment of any Tax.

“Tax Deduction” means a deduction or withholding for or on account of Tax from a payment under a Finance Document other than a FATCA Deduction.

“Tax Payment” means either the increase in a payment made by an Obligor to a Secured Party under Clause 10.2 (*Tax gross-up*) or a payment under Clause 10.3 (*Tax indemnity*).

- (b) Unless a contrary indication appears, in this Clause 10 (*Taxes, Increased Costs, Costs and Related Charges*) reference to **“determines”** or **“determined”** means a determination made in the absolute discretion of the person making the determination.

10.2 Tax gross-up

- (a) Each Obligor shall make all payments to be made by it under the Finance Documents without any Tax Deduction, unless a Tax Deduction is required by law.

- (b) The Borrower shall promptly upon becoming aware that an Obligor must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Agent accordingly. Similarly, a Lender shall notify the Agent on becoming so aware in respect of a payment payable to that Lender. If the Agent receives such notification from a Lender it shall notify the Borrower and that Obligor.

- (c) If a Tax Deduction is required by law to be made by an Obligor, the amount of the payment due from that Obligor shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required.

- (d) A payment shall not be increased under paragraph (c) above if on the date on which the payment falls due the Obligor making the payment is able to demonstrate that the payment could have been made to the Lender without the Tax Deduction had that Lender (having been given notice of the documentation requested under Clause 10.7 (*Lender Status*) at least 30 Business Days prior to such payment date) complied with its obligations under Clause 10.7 (*Lender Status*).

- (e) If an Obligor is required to make a Tax Deduction, that Obligor shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.

- (f) Within thirty days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Obligor making that Tax Deduction shall deliver to the Agent for the Secured Party entitled to the payment evidence reasonably satisfactory to that Secured Party that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.

10.3 Tax indemnity

- (a) The Borrower shall (within three Business Days of demand by the Agent) pay to a Protected Party an amount equal to the loss, liability or cost which that Protected Party determines will be or has been (directly or indirectly) suffered for or on account of Tax by that Protected Party in respect of a Finance Document.

- (b) Paragraph (a) above shall not apply:

- (i) with respect to any Tax assessed on a Secured Party:

(A) under the law of the jurisdiction in which that Secured Party is incorporated or, if different, the jurisdiction (or jurisdictions) in which that Secured Party is treated as resident for tax purposes; or

(B) under the law of the jurisdiction in which that Lender's Facility Office is located in respect of amounts received or receivable in that jurisdiction,

if that Tax is imposed on or calculated by reference to the net income received or receivable (but not any sum deemed to be received or receivable) by that Secured Party; or

- (ii) to the extent a loss, liability or cost is compensated for by an increased payment under Clause 10.2 (*Tax gross-up*) or would have been compensated for by an increased payment under Clause 10.2 (*Tax gross-up*) but was not so compensated solely because an exclusion in paragraph (d) of Clause 10.2 (*Tax gross-up*) applied, or relates to a FATCA Deduction required to be made by a Party; or

- (iii) with respect to the Taxes in the nature of a branch profits tax imposed by Section 884(a) of the Code that is imposed by any jurisdiction described in paragraph (b)(i)(B) above.

- (c) A Protected Party making, or intending to make a claim under paragraph (a) above shall promptly notify the Agent of the event which will give, or has given, rise to the claim, following which the Agent shall notify the Borrower.

- (d) A Protected Party shall, on receiving a payment from an Obligor under this Clause 10.3 (*Tax indemnity*), notify the Agent.

10.4 Tax Credit

If an Obligor makes a Tax Payment and the relevant Creditor Party determines that:

- (a) a Tax Credit is attributable to an increased payment of which that Tax Payment forms part, to that Tax Payment or to a Tax Deduction in consequence of which that Tax Payment was required; and

- (b) that Creditor Party has obtained, retained and utilised that Tax Credit,

the Creditor Party shall pay an amount to the Obligor which that Creditor Party determines will leave it (after that payment) in the same after-Tax position as it would have been in had the Tax Payment not been required to be made by the Obligor.

10.5 Stamp taxes

The Borrower shall pay and, within three Business Days of demand, indemnify each Secured Party against any cost, loss or liability that Secured Party incurs in relation to all stamp duty, registration and other similar Taxes payable in respect of any Finance Document.

10.6 VAT

(a) All amounts expressed to be payable under a Finance Document by any Party to a Secured Party which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply, and accordingly, subject to paragraph (b) below, if VAT is or becomes chargeable on any supply made by any Secured Party to any Party under a Finance Document and such Secured Party is required to account to the relevant tax authority for the VAT, that Party must pay to such Secured Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT (and such Secured Party must promptly provide an appropriate VAT invoice to that Party).

(b) If VAT is or becomes chargeable on any supply made by any Secured Party (the “**Supplier**”) to any other Secured Party (the “**Recipient**”) under a Finance Document, and any Party other than the Recipient (the “**Relevant Party**”) is required by the terms of any Finance Document to pay an amount equal to the consideration for that supply to the Supplier (rather than being required to reimburse or indemnify the Recipient in respect of that consideration):

(i) (where the Supplier is the person required to account to the relevant tax authority for the VAT) the Relevant Party must also pay to the Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The Recipient must (where this paragraph (i) applies) promptly pay to the Relevant Party an amount equal to any credit or repayment the Recipient receives from the relevant tax authority which the Recipient reasonably determines relates to the VAT chargeable on that supply; and

(ii) (where the Recipient is the person required to account to the relevant tax authority for the VAT) the Relevant Party must promptly, following demand from the Recipient, pay to the Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.

(c) Where a Finance Document requires any Party to reimburse or indemnify a Secured Party for any cost or expense, that Party shall reimburse or indemnify (as the case may be) such Secured Party for the full amount of such cost or expense, including such part of it as represents VAT, save to the extent that such Secured Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.

(d) Any reference in this Clause 10.6 (*VAT*) to any Party being required to account to a tax authority for VAT shall, at any time when such Party is treated as a member of a group for VAT purposes, include a reference to another member of that group being required to so account to the relevant tax authority.

(e) In relation to any supply made by a Secured Party to any Party under a Finance Document, if reasonably requested by such Secured Party, that Party must promptly provide such Secured Party with details of that Party’s VAT registration and such other information as is reasonably requested in connection with such Secured Party’s VAT reporting requirements in relation to such supply.

10.7 Lender Status

(a) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under a Finance Document shall deliver to the Agent and the Borrower, at the time or times reasonably requested by the Agent or the Borrower, such properly completed and executed documentation reasonably requested by the Agent or the Borrower (and which it is reasonable for the Lender to complete and execute) as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Agent or the Borrower, shall deliver such other documentation as prescribed by applicable law and reasonably requested by the Agent or the Borrower as will enable the Agent or the Borrower to determine whether or not such Lender is subject to backup withholding or information reporting requirements.

(b) Any Lender shall, to the extent it is legally entitled to do so, and where it is entitled to an exemption from, or reduction of, U.S. federal withholding tax, deliver to the Agent and the Borrower on or prior to the date on which such Lender becomes a Lender under this Agreement or promptly thereafter (and from time to time thereafter as prescribed by applicable law or upon the request of the Agent or the Borrower), duly executed and properly completed copies of Internal Revenue Service Form W-9 or W-8, as applicable, certifying that it is not subject to U.S. federal backup withholding and, in the case of a non-U.S. Lender that is eligible for an exemption from, or reduction of, U.S. federal withholding Tax establishing an exemption from, or reduction of, U.S. federal withholding Tax.

10.8 FATCA Deduction

(a) Each Party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no Party shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction.

(b) Each Party shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or the basis of such FATCA Deduction) notify the Party to whom it is making the payment and, in addition, shall notify the Borrower, the Agent and the other Secured Parties.

10.9 FATCA Information

(a) Subject to paragraph (c) below, each Party shall, within ten Business Days of a reasonable request by another Party:

(i) confirm to that other Party whether it is:

(A) a FATCA Exempt Party; or

(B) not a FATCA Exempt Party;

(ii) supply to that other Party such forms, documentation and other information relating to its status under FATCA as that other Party reasonably requests for the purposes of that other Party's compliance with FATCA; and

(iii) supply to that other Party such forms, documentation and other information relating to its status as that other Party reasonably requests for the purposes of that other Party's compliance with any other law, regulation, or exchange of information regime.

(b) If a Party confirms to another Party pursuant to paragraph (a)(i) above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not or has ceased to be a FATCA Exempt Party, that Party shall notify that other Party reasonably promptly.

(c) Paragraph (a) above shall not oblige any Creditor Party to do anything, and paragraph (a)(iii) above shall not oblige any other Party to do anything, which would or might in its reasonable opinion constitute a breach of:

- (i) any law or regulation;
- (ii) any fiduciary duty; or
- (iii) any duty of confidentiality.

(d) If a Party fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with paragraph (a)(i) or (ii) above (including, for the avoidance of doubt, where paragraph (c) above applies), then such Party shall be treated for the purposes of the Finance Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the Party in question provides the requested confirmation, forms, documentation or other information.

(e) Each Lender shall, within ten Business Days of (i) where the relevant Lender is a Lender at the date of this Agreement, the date of this Agreement and (ii) where the relevant Lender is a Transferee Lender, the effective date of a Transfer Certificate under Clause 24.4 (*Effective Date of Transfer Certificate*), supply to the Agent:

- (i) a withholding certificate on Form W-8, Form W-9 or any other relevant form; or
- (ii) any withholding statement or other document, authorisation or waiver as the Agent may require to certify or establish the status of such Lender under FATCA or that other law or regulation.

(f) The Agent shall provide any withholding certificate, withholding statement, document, authorisation or waiver it receives from a Lender pursuant to paragraph (e) above to the relevant Borrower.

(g) If any withholding certificate, withholding statement, document, authorisation or waiver provided to the Agent by a Lender pursuant to paragraph (e) above is or becomes materially inaccurate or incomplete, that Lender shall promptly update it and provide such updated withholding certificate, withholding statement, document, authorisation or waiver to the Agent unless it is unlawful for the Lender to do so (in which case the Lender shall promptly notify the Agent). The Agent shall provide any such updated withholding certificate, withholding statement, document, authorisation or waiver to the relevant Borrower.

(h) The Agent may rely on any withholding certificate, withholding statement, document, authorisation or waiver it receives from a Lender pursuant to paragraph (e) or (g) above without further verification. The Agent shall not be liable for any action taken by it under or in connection with paragraphs (e), (f) or (g) above.

(i) CDP confirms, and the Borrower acknowledges, that as at the date of this Agreement CPD is a FATCA Exempt Party.

10.10 Increased Costs

(a) If after the date of this Agreement by reason of (x) any change in law or in its interpretation or administration and/or (y) compliance with any request from or requirement of any central bank or other fiscal, monetary or other authority including but without limitation the Basel Committee on Banking Regulations and Supervisory Practices whether or not having the force of law:

- (i) any of the Lenders incurs a cost as a result of its performing its obligations under this Agreement and/or its making available its Commitment hereunder; or

- (ii) there is any increase in the cost to any of the Lenders of funding or maintaining all or any of the advances comprised in a class of advances formed by or including its Commitment advanced or to be advanced by it hereunder; or
- (iii) any of the Lenders incurs a cost as a result of its having entered into and/or its assuming or maintaining its commitment under this Agreement; or
- (iv) any of the Lenders becomes liable to make any payment on account of Tax or otherwise (other than Tax on its overall net income) on or calculated by reference to the amount of its Commitment advanced or to be advanced hereunder and/or any sum received or receivable by it hereunder; or
- (v) any of the Lenders suffers any decrease in its rate of return as a result of any changes in the requirements relating to capital ratios, monetary control ratios, the payment of special deposits, liquidity costs or other similar requirements affecting that Lender,

then the Borrower shall on demand pay to the Agent for the account of the relevant Lender or Lenders amounts sufficient to indemnify the relevant Lender or Lenders against, as the case may be, such cost, such increased cost (or such proportion of such increased cost as is in the reasonable opinion of the relevant Lender or Lenders attributable to the funding or maintaining of its or their Commitment(s) hereunder) or such liability.

(b) This Clause 10.10 (*Increased Costs*) does not apply to the extent any increased cost is:

- (i) attributable to a Tax Deduction required by law to be made by an Obligor;
- (ii) attributable to a FATCA Deduction required to be made by a Party;
- (iii) compensated for by Clause 10.3 (*Tax indemnity*) (or would have been compensated for under Clause 10.3 (*Tax indemnity*) but was not compensated solely because any of the exclusions in paragraph (b) of Clause 10.3 (*Tax indemnity*) applied); or
- (iv) attributable to the wilful breach by the relevant Creditor Party or its Affiliates of any law of regulation.

In this Clause 10.10 (*Increased Costs*), a reference to a “Tax Deduction” has the same meaning given to the term in Clause 10.1 (*Definitions*).

- (c) A Lender affected by any provision of this Clause 10.10 (*Increased Costs*) shall promptly inform the Agent after becoming aware of the relevant change and its possible results (which notice shall be conclusive evidence of the relevant change and its possible results) and the Agent shall, as soon as reasonably practicable thereafter, notify the Borrower of the change and its possible results. Without affecting the Borrower’s obligations under this Clause 10.10 (*Increased Costs*) and in consultation with the Agent and the Italian Authorities, the affected Lender will then take all such reasonable steps as may be open to it to mitigate the effect of the change (for example (if then possible) by changing its Facility Office or transferring some or all of its rights and obligations under this Agreement to another financial institution reasonably acceptable to the Borrower and the Agent and the Italian Authorities). The reasonable costs of mitigating the effect of any such change shall be borne by the Borrower save where such costs are of an internal administrative nature and are not incurred in dealings by any Lender with third parties.

10.11 Transaction Costs

The Borrower undertakes to pay to the Agent, upon demand, all costs and expenses, duties and fees, including but without limitation pre-agreed legal costs (which, for avoidance of doubt are exclusive of VAT and disbursements) out of pocket expenses and travel costs, reasonably incurred by the Italian Authorities, the Joint Mandated Lead Arrangers and the Lenders (but not including any bank which becomes a Lender after the date of this Agreement) in connection with the negotiation, preparation and execution of all agreements, guarantees, security agreements and related documents entered into, or to be entered into, for the purpose of the transaction contemplated hereby as well as all costs and expenses, duties and fees incurred by the Agent or the Lenders in connection with the registration, filing, enforcement or discharge of the said guarantees or security agreements, including without limitation the fees and expenses of legal advisers and insurance experts (provided that such insurance costs are not to exceed ten thousand Dollars (\$10,000)) and the fees and expenses of the Italian Authorities (including the fees and expenses of its legal advisers) payable by the Joint Mandated Lead Arrangers to the Italian Authorities, the cost of registration and discharge of security interests and the related travel and out of pocket expenses; the Borrower further undertakes to pay to the Agent all costs, expenses, duties and fees incurred by the Lenders and the Italian Authorities in connection with any variation of this Agreement and the related documents, guarantees and security agreements, any supplements thereto and waiver given in relation thereto, in connection with the investigation of any potential Event of Default, the enforcement or preservation of any rights under this Agreement and/or the related guarantees and security agreements, including in each case the fees and expenses of legal advisers, and in connection with the consultations or proceedings made necessary or in the opinion of the Agent desirable by the acts of, or failure to act on the part of, the Borrower.

10.12 Costs of delayed Delivery Date

The Borrower undertakes to pay to the Agent, upon demand, any costs incurred by the Lenders and/or the Italian Authorities in funding the Loan in the event that the Delivery Date is later than the Intended Delivery Date unless the Borrower has given the Agent at least three (3) Business Days' notification of such delay in the Delivery Date.

10.13 SACE obligations

To the extent that this Clause 10 (*Taxes, Increased Costs, Costs and Related Charges*) imposes obligations or restrictions on a Secured Party, such obligations or restrictions shall not apply to SACE and SACE shall have no obligations hereunder nor be constrained by such restrictions.

On the service of a notice under paragraph (a) of Clause 18.21 (*Actions following an Event of Default*), the Commitments and all other obligations of each Lender to the Borrower under this Agreement shall terminate.

18.23 Acceleration of Loan

On the service of a notice under paragraph (b) of Clause 18.21 (*Actions following an Event of Default*), the Loan, all accrued interest and all other amounts accrued or owing from the Borrower or any Obligor under this Agreement and every other Finance Document shall become immediately due and payable or, as the case may be, payable on demand.

18.24 Further amounts payable

Upon an acceleration of repayment of the Loan following an Event of Default the Borrower shall be liable to pay compensation calculated in accordance with Clause 16.2 (*Voluntary prepayment*).

18.25 Multiple notices; action without notice

The Agent may serve notices under paragraphs (a) and (b) of Clause 18.21 (*Actions following an Event of Default*) simultaneously or on different dates and it may take any action referred to in paragraph (c) of Clause 18.21 (*Actions following an Event of Default*) if no such notice is served or simultaneously with or at any time after the service of both or either of such notices.

18.26 Notification of Secured Parties and Obligors

The Agent shall send to the Italian Authorities, each Lender and each Obligor a copy or the text of any notice which the Agent serves on the Borrower under Clause 18.21 (*Actions following an Event of Default*); but the notice shall become effective when it is served on the Borrower, and no failure or delay by the Agent to send a copy or the text of the notice to any other person shall invalidate the notice or provide any Obligor with any form of claim or defence.

18.27 Lender's rights unimpaired

Nothing in this Clause 18 (*Events of Default*) shall be taken to impair or restrict the exercise of any right given to individual Lenders under a Finance Document or the general law; and, in particular, this Clause is without prejudice to Clauses 2.4 (*Creditor Parties' rights and obligations*) and 2.6 (*Obligations of Lenders several*).

18.28 Exclusion of Secured Party liability

No Secured Party, and no receiver or manager appointed by the Agent, shall have any liability to an Obligor:

- (a) for any loss caused by an exercise of rights under, or enforcement of a Security Interest created by, a Finance Document or by any failure or delay to exercise such a right or to enforce such a Security Interest; or
- (b) as mortgagee in possession or otherwise, for any income or principal amount which might have been produced by or realised from any asset comprised in such a Security Interest or for any reduction (however caused) in the value of such an asset.

19 APPLICATION OF SUMS RECEIVED

19.1 Receipts

Except as any Finance Document may otherwise provide, all sums received under this Agreement or any other Finance Document by the Agent, on behalf of the Lenders, or by any of the Lenders for any reason whatsoever will be applied:

- (a) in priority, to payments of any kind due or in arrears in the order of their due payment dates and first, to fees, charges and expenses, second, to interest payable pursuant to Clause 17 (*Interest on Late Payments*), third, to interest payable pursuant to Clause 6 (*Interest*), fourth, to the principal of the Loan payable pursuant to Clause 5 (*Repayment*), fifth, to any sums due pursuant to Clause 20.2 (*Breakage costs and SIMEST arrangements*) and, sixth, to any other sums due under this Agreement or any other Finance Document and, if relevant, *pro rata* to each of the Lenders; or
- (b) if no payments are in arrears or if these payments have been discharged as set out above, then and to sums remaining due under this Agreement or any other Finance Document and, if relevant, *pro rata* to each of the Lenders and in each case in inverse order of maturity, the interest being recalculated accordingly.

20 INDEMNITIES

20.1 Indemnities regarding borrowing and repayment of Loan

The Borrower shall fully indemnify the Agent and each Lender or SIMEST (but without double counting to the extent that a Lender is making a claim in respect of amounts owing to SIMEST) on the Agent's demand in respect of all claims, expenses, liabilities and losses which are made or brought against or incurred by that Secured Party, or which that Secured Party reasonably and with due diligence estimates that it will incur, as a result of or in connection with:

- (a) any part of the Loan not being borrowed on the date specified in a Drawdown Notice for any reason other than a default by the Lender claiming the indemnity;
- (b) the receipt or recovery of all or any part of the Loan or an overdue sum otherwise than on the last day of an Interest Period or other relevant period;
- (c) any failure (for whatever reason) by the Borrower to make payment of any amount due under a Finance Document on the due date or, if so payable, on demand (after giving credit for any default interest paid by the Borrower on the amount concerned under Clause 17 (*Interest on Late Payments*)); and
- (d) the occurrence and/or continuance of an Event of Default and/or the acceleration of repayment of the Loan under Clause 18 (*Events of Default*).

20.2 Breakage costs and SIMEST arrangements

Without limiting its generality, Clause 20.1 (*Indemnities regarding borrowing and repayment of Loan*) covers:

- (a) any claim, expense, liability or loss, including a loss of a prospective profit, incurred by a Lender in liquidating or employing deposits from third parties acquired or arranged to fund or maintain all or any part of its Contribution and/or any overdue amount (or an aggregate amount which includes its Contribution or any overdue amount);
- (b) if the Borrower has selected the Fixed Interest Rate in accordance with Clause 6.1 (*Fixed or Floating Interest Rate*), all of the amounts that SIMEST is entitled to charge, whether for taxes, costs, expenses, indemnities, penalties, losses or liabilities whatsoever, under and in accordance with the Interest Make-up Agreement, including without limitation, as a result of any prepayment of all or any part of the Loan under this Agreement (whether voluntary, mandatory, following acceleration of the Loan or otherwise), as a result of an Interest Make-Up Event or as a result of the Borrower deciding to switch from the Fixed Interest Rate to another interest rate after the Drawdown Date and/or an Interest Make-up Event. Such amounts include, without limitation, (i) breakage costs, (ii) any amount due as a consequence of the close-out of any hedging arrangement entered into by SIMEST in relation to this Agreement, (iii) default interest and penalties (*maggiorazioni*) whenever applicable, and (iv) all amounts (if any) to be returned by the Agent to SIMEST under and pursuant to the Interest Make-Up Agreement; and
- (c) any other costs whatsoever or howsoever arising under or in respect of the Interest Make-Up Agreement which are passed to the Agent,

and any such costs imposed by SIMEST shall be paid by the Borrower to SIMEST through the Agent.

For the purposes of this Clause 20.2 (*Breakage costs and SIMEST arrangements*) “**Interest Make-Up Event**” means the occurrence of any circumstances which result in the termination, cancellation, revocation, cessation or suspension (in each case, in whole or in part) of the Interest Make-Up Agreement or the Interest Make-Up Agreement otherwise ceases or may cease to be in full force and effect or the Agent notifies the Borrower that the Fixed Interest Rate is not available for any reason, in each case, in accordance with the terms of the Interest Make-Up Agreement.

20.3 Miscellaneous indemnities

The Borrower shall fully indemnify each Secured Party severally on their respective demands in respect of all claims, expenses, liabilities and losses which may be made or brought against or incurred by a Secured Party, in any country, as a result of or in connection with:

- (a) any action taken, or omitted or neglected to be taken, under or in connection with any Finance Document by the Agent or any other Secured Party or by any receiver appointed under a Finance Document;
- (b) any other Pertinent Matter,

other than claims, expenses, liabilities and losses which are shown to have been directly and mainly caused by the dishonesty or wilful misconduct of the officers or employees of the Secured Party concerned.

Without prejudice to its generality, this Clause 20.3 (*Miscellaneous indemnities*) covers (i) any claims, expenses, liabilities and losses which arise, or are asserted, under or in connection with any law relating to safety at sea, the ISM Code or any Environmental Laws or any Sanctions and (ii) any claims, expenses, liabilities (including, without limitation, under a reputational standpoint) and losses which arise, or are asserted, against CDP under or in connection with any breach by the Borrower of any of the provisions paragraphs (nn) to (rr) of Clause 11.2 (*Continuing representations and warranties*) and/or of Clause 12.27 (*Code of Ethics and Model*).

20.4 Currency indemnity

If any sum due from an Obligor to a Secured Party under a Finance Document or under any order or judgment relating to a Finance Document has to be converted from the currency in which the Finance Document provided for the sum to be paid (the “**Contractual Currency**”) into another currency (the “**Payment Currency**”) for the purpose of:

- (a) making or lodging any claim or proof against an Obligor, whether in its liquidation, any arrangement involving it or otherwise; or
- (b) obtaining an order or judgment from any court or other tribunal; or
- (c) enforcing any such order or judgment,

the Borrower shall indemnify the Secured Party concerned against the loss arising when the amount of the payment actually received by that Secured Party is converted at the available rate of exchange into the Contractual Currency.

In this Clause 20.4 (*Currency indemnity*) the “**available rate of exchange**” means the rate at which the Secured Party concerned is able at the opening of business (Paris time) on the Business Day after it receives the sum concerned to purchase the Contractual Currency with the Payment Currency.

This Clause 20.4 (*Currency indemnity*) creates a separate liability of the Borrower which is distinct from its other liabilities under the Finance Documents and which shall not be merged in any judgment or order relating to those other liabilities.

20.5 Certification of amounts

A notice which is signed by 2 officers of a Secured Party, which states that a specified amount, or aggregate amount, is due to that Secured Party under this Clause 20 (*Indemnities*) and which indicates (without necessarily specifying a detailed breakdown) the matters in respect of which the amount, or aggregate amount, is due shall be prima facie evidence that the amount, or aggregate amount, is due.

20.6 Sums deemed due to a Lender

For the purposes of this Clause 20 (*Indemnities*), a sum payable by the Borrower to the Agent for distribution to a Lender shall be treated as a sum due to that Lender.

20.7 SACE obligations

To the extent that this Clause 20 (*Indemnities*) imposes obligations or restrictions on a Secured Party, such obligations or restrictions shall not apply to SACE and SACE shall have no obligations hereunder nor be constrained by such restrictions.

21 ILLEGALITY, ETC.

21.1 Illegality and Sanctions

This Clause 21 (*Illegality, etc.*) applies if:

- (a) a Lender (the “**Notifying Lender**”) notifies the Agent that:
 - (i) it becomes unlawful or contrary to any law, regulation or Sanctions – including by way of civil, administrative or criminal liability - in any applicable jurisdiction for the Notifying Lender to perform any of its obligations as contemplated by the Finance Documents or to fund its participation in the Loan; and/or
 - (ii) it becomes unlawful or contrary to any law, regulation or Sanctions – including by way of civil, administrative or criminal liability - in any applicable jurisdiction for the Notifying Lender to maintain its participation in the Loan; or
- (b) an Obligor is or becomes a Prohibited Person,
(such event, an “**Illegality or Sanctions Event**”).

21.2 Notification of illegality

- (a) The Agent shall promptly notify the Borrower, the Obligors and the other Lenders of the notice under Clause 21 (*Illegality, etc.*) which the Agent receives from the Notifying Lender.

Upon receipt of the notice under paragraph (a) above and provided that such Illegality or Sanctions Event is not applicable with immediate effect (in which case paragraph (a) of Clause 21.3 (*Prepayment; termination of Commitment*) will apply immediately and this paragraph (b) of Clause 21.2 (*Notification of illegality*) will not apply, the Agent shall, where the Borrower has selected the Fixed Interest Rate pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*), inform SIMEST in writing in order to start consultations between themselves (pursuant to clause 6 of the Interest Make-Up Agreement) with a view to exploring any possible solution to mitigate the Illegality or Sanctions Event preventing that Lender from performing any of its obligations under a Finance Document or funding or maintaining its share in the Loan. Any solution agreed between the Agent and SIMEST at the end of the consultation period (which shall last for a period of ten (10) days from the service of such notice on SIMEST) will be binding among themselves and shall be notified by the Agent to each Obligor immediately thereafter (and in any case no later than ten (10) days following such decision).

- (c) If at the end of the consultation procedure set out in paragraph (b) above, no solution is agreed between the Agent and SIMEST, the Agent must immediately notify the Lenders and the Obligors.

21.3 Prepayment; termination of Commitment

- (a) After notification under paragraph (c) above or (in case the Interest Make-Up Agreement has ceased to be in force and effect or the Fixed Interest Rate has not been selected pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*)) after notification under paragraph (a) above and subject to Clause 21.4 (*Mitigation*) below the Borrower must repay or prepay that Lender's share in the Loan on the date specified in paragraph (c) below together with any breakage costs payable under Clause 20.2 (*Breakage costs and SIMEST arrangements*) and any indemnity payable under paragraph (c) of Clause 20.2 (*Breakage costs and SIMEST arrangements*) in respect of the Interest Make-Up Agreement;
- (b) On the Agent notifying the Borrower under paragraph (c) of Clause 21.2 (*Notification of illegality*), the Notifying Lender's Commitment shall terminate; and thereupon or, if later, on the date specified in the Notifying Lender's notice under Clause 21.1 (*Illegality and Sanctions*) as the date on which the notified event would become effective the Borrower shall prepay the Notifying Lender's Contribution and shall pay compensation to the Notifying Lender calculated in accordance with Clause 16.2 (*Voluntary prepayment*).
- (c) The date for repayment or prepayment of a Lender's share in the Loan will be:
- (i) the date specified by the Agent in the notification under paragraph (b) above; or
 - (ii) in case the Interest Make-Up Agreement has ceased to be in full force and effect or the Fixed Interest Rate has not been selected pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*), the last day of the current Interest Period for the relevant Advance or Advances or, if earlier, the date specified by the Lender in the notification under paragraph (a) above and which must not be earlier than the last day of any applicable grace period allowed by law.

21.4 Mitigation

- (a) Each Secured Party shall, in consultation with the Borrowers, take all reasonable steps to mitigate any circumstances which arise and which would result in any amount becoming payable under or pursuant to, or cancelled pursuant to Clause 21.1 (*Illegality and Sanctions*) including (but not limited to) transferring its rights and obligations under the Finance Documents to another Affiliate or Facility Office.
- (b) Paragraph (a) above does not in any way limit the obligations of any Obligor under the Finance Documents.

22 SET-OFF

22.1 Application of credit balances

Each Creditor Party may without prior notice:

- (a) apply any balance (whether or not then due) which at any time stands to the credit of any account in the name of the Borrower at any office in any country of that Creditor Party in or towards satisfaction of any sum then due from the Borrower to that Creditor Party under any of the Finance Documents; and
- (b) for that purpose:
- (i) break, or alter the maturity of, all or any part of a deposit of the Borrower;
 - (ii) convert or translate all or any part of a deposit or other credit balance into Dollars;

- (iii) enter into any other transaction or make any entry with regard to the credit balance which the Creditor Party concerned considers appropriate.

22.2 Existing rights unaffected

No Creditor Party shall be obliged to exercise any of its rights under Clause 22.1 (*Application of credit balances*); and those rights shall be without prejudice and in addition to any right of set-off, combination of accounts, charge, lien or other right or remedy to which a Creditor Party is entitled (whether under the general law or any document).

22.3 Sums deemed due to a Lender

For the purposes of this Clause 22 (*Set-Off*), a sum payable by the Borrower to the Agent for distribution to, or for the account of, a Lender shall be treated as a sum due to that Lender; and each Lender's proportion of a sum so payable for distribution to, or for the account of, the Lenders shall be treated as a sum due to such Lender.

22.4 No Security Interest

This Clause 22 (*Set-Off*) gives the Creditor Parties a contractual right of set-off only, and does not create any equitable charge or other Security Interest over any credit balance of the Borrower.

23 BAIL-IN

Notwithstanding any other term of any Finance Document or any other agreement, arrangement or understanding between the parties to a Finance Document, each Party acknowledges and accepts that any liability of any party to a Finance Document under or in connection with the Finance Documents may be subject to Bail-In Action by the relevant Resolution Authority and acknowledges and accepts to be bound by the effect of:

- (a) any Bail-In Action in relation to any such liability, including (without limitation):
 - (i) a reduction, in full or in part, in the principal amount, or outstanding amount due (including any accrued but unpaid interest) in respect of any such liability;
 - (ii) a conversion of all, or part of, any such liability into shares or other instruments of ownership that may be issued to, or conferred on, it; and
 - (iii) a cancellation of any such liability; and
- (b) a variation of any term of any Finance Document to the extent necessary to give effect to any Bail-in Action in relation to any such liability.

24 CHANGES TO THE LENDERS

24.1 Transfer by a Lender

Subject to Clause 24.5 (*No transfer without Transfer Certificate*), Clause 24.17 (*Assignment or transfer to SACE*) and Clause 24.14 (*Change of Facility Office*), a Lender (the “**Transferor Lender**”) may at any time provided they have obtained the prior written consent of the Italian Authorities cause:

- (a) its rights in respect of all or part of its Contribution; or
- (b) its obligations in respect of all or part of its Commitment; or
- (c) a combination of (a) and (b),

to be (in the case of its rights) transferred to, or (in the case of its obligations) assumed by, in whole or in part any of its Affiliates or another bank or financial institution or a trust, fund or other entity which is regularly engaged in or established for the purpose of making, purchasing or investing in loans, securities or other financial assets (a “**Transferee Lender**”) by delivering to the Agent a completed certificate in the form set out in Schedule 4 (*Form of Transfer Certificate*) with any modifications approved or required by the Agent (a “**Transfer Certificate**”) executed by the Transferor Lender and the Transferee Lender.

However any rights and obligations of the Transferor Lender in its capacity as Agent or Security Trustee will have to be dealt with separately in accordance with the provisions of Clauses 26 (*Role of the Agent and the Joint Mandated Lead Arrangers*) and 27 (*The Security Trustee*) respectively.

24.2 Conditions of assignment or transfer

- (a) The consent of the Borrower is required at all times (subject to the provisions of Clauses 24.5 (*No transfer without Transfer Certificate*) and 24.17 (*Assignment or transfer to SACE*) for an assignment or transfer by an Existing Lender, unless (i) there is an Event of Default or (ii) the assignment or transfer is to another Lender or an Affiliate of a Lender.
- (b) The consent of the Borrower to an assignment or transfer must not be unreasonably withheld or delayed. The Borrower will be deemed to have given its consent ten (10) Business Days after the Existing Lender has requested it unless consent is expressly refused by that Borrower within that time.
- (c) The assignment or transfer must be with respect to a minimum Commitment of [*] Dollars (\$[*]) or, if less, the Existing Lender’s full Commitment.

24.3 Transfer Certificate, delivery and notification

As soon as reasonably practicable after a Transfer Certificate is delivered to the Agent, it shall (unless it has reason to believe that the Transfer Certificate may be defective):

- (a) sign the Transfer Certificate on behalf of itself, the Borrower, any other Obligors, the Security Trustee and each of the other Lenders;
- (b) on behalf of the Transferee Lender, send to the Borrower and each Obligor letters or faxes notifying them of the Transfer Certificate and attaching a copy of it; and
- (c) send to the Transferee Lender copies of the letters or faxes sent under paragraph (b) above,

but the Agent shall only be obliged to execute a Transfer Certificate delivered to it by the Transferor Lender and the Transferee Lender once it is satisfied it has complied with all necessary “know your customer” or other similar checks under all applicable laws and regulations in relation to the transfer to that Transferee Lender.

24.4 Effective Date of Transfer Certificate

A Transfer Certificate becomes effective on the date, if any, specified in the Transfer Certificate as its effective date, provided that it is signed by the Agent under Clause 24.3 (*Transfer Certificate, delivery and notification*) on or before that date.

24.5 No transfer without Transfer Certificate

Except as provided in Clause 24.16 (*Security over Lenders’ rights*), no assignment or transfer of any right or obligation of a Lender under any Finance Document is binding on, or effective in relation to, the Borrower, any Obligor, the Agent or the Security Trustee unless it is effected, evidenced or perfected by a Transfer Certificate.

24.6 Lender re-organisation; waiver of Transfer Certificate

However, if a Lender enters into any merger, de-merger or other reorganisation as a result of which all its rights or obligations vest in another person (the “**successor**”), the Agent may, if it sees fit, by notice to the successor and the Borrower and the Security Trustee waive the need for the execution and delivery of a Transfer Certificate; and, upon service of the Agent’s notice, the successor shall become a Lender with the same Commitment and Contribution as were held by the predecessor Lender.

24.7 Effect of Transfer Certificate

A Transfer Certificate takes effect in accordance with English law as follows:

- (a) to the extent specified in the Transfer Certificate, all rights and interests (present, future or contingent) which the Transferor Lender has under or by virtue of the Finance Documents are assigned to the Transferee Lender absolutely, free of any defects in the Transferor Lender’s title and of any rights or equities which the Borrower or any Obligor had against the Transferor Lender;
- (b) the Transferor Lender’s Commitment is discharged to the extent specified in the Transfer Certificate;
- (c) the Transferee Lender becomes a Lender with the Contribution previously held by the Transferor Lender and a Commitment of an amount specified in the Transfer Certificate;
- (d) the Transferee Lender becomes bound by all the provisions of the Finance Documents which are applicable to the Lenders generally, including those about pro-rata sharing and the exclusion of liability on the part of, and the indemnification of, the Agent and the Security Trustee and, to the extent that the Transferee Lender becomes bound by those provisions (other than those relating to exclusion of liability), the Transferor Lender ceases to be bound by them;
- (e) any part of the Loan which the Transferee Lender advances after the Transfer Certificate’s effective date ranks in point of priority and security in the same way as it would have ranked had it been advanced by the transferor, assuming that any defects in the transferor’s title and any rights or equities of the Borrower or any Obligor against the Transferor Lender had not existed;
- (f) the Transferee Lender becomes entitled to all the rights under the Finance Documents which are applicable to the Lenders generally, including but not limited to those relating to the Majority Lenders and those under Clause 6.6 (*Market disruption*) and Clause 9 (*Fees*), and to the extent that the Transferee Lender becomes entitled to such rights, the Transferor Lender ceases to be entitled to them; and
- (g) in respect of any breach of a warranty, undertaking, condition or other provision of a Finance Document or any misrepresentation made in or in connection with a Finance Document, the Transferee Lender shall be entitled to recover damages by reference to the loss incurred by it as a result of the breach or misrepresentation, irrespective of whether the original Lender would have incurred a loss of that kind or amount.

The rights and equities of the Borrower or any Obligor referred to above include, but are not limited to, any right of set off and any other kind of cross-claim.

24.8 Maintenance of register of Lenders

During the Security Period the Agent shall maintain a register in which it shall record the name, Commitment, Contribution and administrative details (including the Facility Office) from time to time of each Lender holding a Transfer Certificate and the effective date (in accordance with Clause 24.4 (*Effective Date of Transfer Certificate*)) of the Transfer Certificate; and the Agent shall make the register available for inspection by any Lender, the Security Trustee and the Borrower during normal banking hours, subject to receiving at least 3 Business Days' prior notice.

24.9 Reliance on register of Lenders

The entries on that register shall, in the absence of manifest error, be conclusive in determining the identities of the Lenders and the amounts of their Commitments and Contributions and the effective dates of Transfer Certificates and may be relied upon by the Agent and the other parties to the Finance Documents for all purposes relating to the Finance Documents.

24.10 Authorisation of Agent to sign Transfer Certificates

The Borrower, the Security Trustee and each Lender irrevocably authorise the Agent to sign Transfer Certificates on its behalf.

24.11 Fees and Costs

In respect of any Transfer Certificate:

- (a) the Agent shall be entitled to recover a registration fee of five thousand Euros (€5,000) from the Transferor Lender or (at the Agent's option) the Transferee Lender;
- (b) the Transferee Lender shall pay to the Agent, upon demand, all reasonable costs and expenses, duties and fees, including but without limitation legal costs and out of pocket expenses, incurred by the Agent or the Lenders in connection with any necessary amendment to or supplementing of the Transaction Documents or any of them or the SACE Insurance Policy as a consequence of the assignment or transfer; and
- (c) the Transferee Lender shall pay to the Agent, upon demand, such amount as is payable to the Italian Authorities to cover its costs of giving its approval under Clause 24.1 (*Transfer by a Lender*).

24.12 Sub-participation; subrogation assignment

A Lender may sub-participate all or any part of its rights and/or obligations under or in connection with the Finance Documents without the consent of, or any notice to, the Borrower, any Obligor, the Agent or the Security Trustee but with the prior written consent of SACE.

24.13 Disclosure of information

A Lender may disclose to a potential Transferee Lender or sub participant any information which the Lender has received in relation to the Borrower, any Obligor or their affairs under or in connection with any Finance Document, unless the information is clearly of a confidential nature.

24.14 Change of Facility Office

Subject to the prior written consent of SACE, a Lender may change its Facility Office by giving notice to the Agent and the change shall become effective on the later of:

- (a) the date on which the Agent receives the notice; and

- the date, if any, specified in the notice as the date on which the change will come into effect, provided that if (i) a Lender assigns or transfers any of its rights or obligations under the Finance Documents or changes its Facility Office, and (ii) as a result of circumstances existing at the date the assignment, transfer or change occurs, an Obligor would be obliged to make a payment or an increased payment to the new Lender or Lender acting through its new Facility Office under Clause 10 (*Taxes, Increased Costs, Costs and Related Charges*), then the new Lender or Lender acting through its new Facility Office is only entitled to receive payment under that Clause to the same extent as the existing Lender or Lender acting through its previous Facility Office would have been if the assignment, transfer or change had not occurred.
- (b)

24.15 Notification

On receiving such a notice, the Agent shall notify the Borrower and the Security Trustee; and, until the Agent receives such a notice, it shall be entitled to assume that a Lender is acting through the Facility Office of which the Agent last had notice.

24.16 Security over Lenders' rights

In addition to the other rights provided to Lenders under this Clause 24 (*Changes to the Lenders*) each Lender may without consulting with or obtaining consent from the Borrower or any Obligor but subject to the prior written consent of SACE, at any time charge, assign or otherwise create a Security Interest in or over (whether by way of collateral or otherwise) all or any of its rights under any Finance Document to secure obligations of that Lender (i) to the benefit of any Affiliate and/or (ii) within the framework of its, or its Affiliates, direct or indirect funding operations including, without limitation:

- (a) any charge, assignment or other Security Interest to secure obligations to a federal reserve, central bank or a multilateral development bank (including the European Investment Bank and the European Investment Fund); and
- (b) in the case of any Lender which is a fund, any charge, assignment or other Security Interest granted to any holders (or trustee or representatives of holders) of obligations owed, or securities issued, by that Lender as security for those obligations or securities;

except that no such charge, assignment or Security Interest shall:

- (i) release a Lender from any of its obligations under the Finance Documents or substitute the beneficiary of the relevant charge, assignment or Security Interest for the Lender as a party to any of the Finance Documents; or
- (ii) alter the obligations of the Obligor or require any payments to be made by the Borrower or any Obligor or grant to any person any more extensive rights than those required to be made or granted to the relevant Lender under the Finance Documents.

24.17 Assignment or transfer to SACE

Notwithstanding the above provisions of this Clause 24 (*Changes to the Lenders*) each Lender and the Agent shall, if so instructed by SACE in accordance with the provisions of the SACE Insurance Policy and without any requirement for the consent of any Obligor, assign its rights or (as the case may be) transfer its rights and obligations to SACE (but for the avoidance of doubt, SACE will not assume any of the Lenders' obligations pursuant to Clauses 10 (*Taxes, Increased Costs, Costs and Related Charges*) or 33 (*Confidentiality*) of this Agreement), which assignment or transfer shall take effect upon the date stated in the relevant documentation subject to SACE being satisfied that it has complied with all necessary "know your customer" requirements in relation to such assignment or transfer;

(a)

- (b) The Agent shall promptly notify the Obligors of any such assignment or transfer to SACE and, following an Event of Default, the Obligors shall pay to the Agent, upon demand, all reasonable costs and expenses, duties and fees, including but without limitation legal costs and out of pocket expenses, incurred by SACE, the Agent or the Lenders in connection with any such assignment or transfer.

24.18 No prejudice to SACE rights

Nothing in the Finance Documents shall prejudice or otherwise limit:

- (a) the rights of any Lender to assign its rights or transfer its rights and obligations, under, or in connection with, any Finance Document to SACE or as directed by SACE; and
- (b) the right of SACE to be subrogated to any Lender's rights under, or in connection with, any Finance Document.

24.19 SACE's power to direct

The Creditor Parties agree and the Obligors acknowledge that SACE has the right to direct the decision-making of the Agent and/or the Security Trustee, including (without limitation) following an Event of Default.

24.20 Definition of Affiliate

For the purposes of this Clause 24 (*Changes to the Lenders*), the definition of "Affiliate" in respect of Crédit Agricole Corporate and Investment Bank shall, for the avoidance of doubt, include any other member of Crédit Agricole Group, and in particular:

- (a) Crédit Agricole S.A.;
- (b) Caisses Régionales de Crédit Agricole;
- (c) Crédit Agricole Assurances;
- (d) LCL SA; and/or
- (e) any company or legal entity in which one or more of the companies or entities referred to in paragraphs (a) to (d) above, together or separately, owns a direct majority interest.

25 CHANGES TO THE OBLIGORS

25.1 No change without consent

No Obligor may assign any of its rights or transfer any of its rights or obligations under the Finance Documents.

26 ROLE OF THE AGENT AND THE JOINT MANDATED LEAD ARRANGERS

26.1 Appointment of the Agent

- (a) Each other Secured Party appoints the Agent to act as its agent under and in connection with this Agreement and the other Finance Documents, the SACE Insurance Policy and the Interest Make Up Agreement.
- (b) Each other Secured Party authorises the Agent to exercise the rights, powers, authorities and discretions specifically given to the Agent under or in connection with the Finance Documents together with any other incidental rights, powers, authorities and discretions.

26.2 Duties of the Agent

- (a) The Agent shall promptly forward to a Party the original or a copy of any document which is delivered to the Agent for that Party by any other Party.
- (b) Except where a Finance Document specifically provides otherwise, the Agent is not obliged to review or check the adequacy, accuracy or completeness of any document it forwards to another Party.
- (c) If the Agent receives notice from a Party referring to this Agreement, describing an Event of Default and stating that the circumstance described is an Event of Default, it shall promptly notify the other Secured Parties.
- (d) If the Agent is aware of the non-payment of any principal, interest, commitment fee or other fee payable to a Secured Party (other than the Agent or a Joint Mandated Lead Arranger) under this Agreement it shall promptly notify the other Secured Parties.

IT IS AGREED as follows:

1 INTERPRETATION

1.1 Defined expressions

Words and expressions defined in the Loan Agreement shall have the same meanings when used in this Guarantee unless the context otherwise requires.

1.2 Construction of certain terms

1.3 Application of construction and interpretation provisions of Loan Agreement

Clauses 1.2 (*Construction of certain terms*) to 1.6 (*General Interpretation*) of the Loan Agreement apply, with any necessary modifications, to this Guarantee.

1.4 Non-applicable provisions between the Guarantor and German Lenders

The Guarantor acknowledges and agrees that to the extent required for compliance with Section 7 of the Foreign Commerce Regulation (*Außenwirtschaftsverordnung*) (the “Foreign Commerce Regulation”) and any other anti-boycott legislation, in connection with section 4 paragraph (1)(a)(3) of the Foreign Trade Law (*Außenwirtschaftsgesetz*) by any Lender incorporated or having its registered office or Facility Office in the Federal Republic of Germany (a **“German Lender”**), the Guarantor does not make (a) any representation under Clause 10.12 (*Sanctions*) or (b) any undertakings under any of Clause 11.19 (*Illicit Payments*), Clause 11.20 (*Prohibited Payments*), and Clause 11.21 (*Sanctions*) of this Guarantee, to or in favour of any German Lender.

2 GUARANTEE

2.1 Guarantee and indemnity

The Guarantor unconditionally and irrevocably:

(a) guarantees to the Security Trustee punctual performance by the Borrower of all the Borrower's obligations under or in connection with the Loan Agreement and every other Finance Document;

(b) undertakes to the Security Trustee that whenever the Borrower does not pay any amount when due under or in connection with the Loan Agreement and the other Finance Documents, the Guarantor shall immediately on demand pay that amount as if it was the principal obligor;

(c) agrees that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify the Security Trustee and each other Secured Party immediately on demand by the Security Trustee against any cost, loss or liability it incurs as a result of the Borrower not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under the Loan Agreement or any other Finance Document on the date when it would have been due. Any such demand for indemnification shall be made through the Security Trustee, for itself or on behalf of the Secured Parties. The amount payable by the Guarantor under this indemnity will not exceed the amount it would have had to pay under this Clause 2.1 (*Guarantee and indemnity*) if the amount claimed had been recoverable on the basis of a guarantee.

2.2 No limit on number of demands

The Security Trustee may serve any number of demands under Clause 2.1 (*Guarantee and indemnity*).

3 LIABILITY AS PRINCIPAL AND INDEPENDENT DEBTOR

3.1 Principal and independent debtor

The Guarantor shall be liable under this Guarantee as a principal and independent debtor and accordingly it shall not have, as regards this Guarantee, any of the rights or defences of a surety.

3.2 Waiver of rights and defences

Without limiting the generality of Clause 3.1 (*Principal and independent debtor*), the obligations of the Guarantor under this Guarantee will not be affected by an act, omission, matter or thing which, but for this Clause, would reduce, release or prejudice any of its obligations under this Guarantee (without limitation and whether or not known to it or any Secured Party) including:

(a) any time, waiver or consent granted to, or composition with, the Borrower or other person;

(b) the release of the Borrower or any other person under the terms of any composition or arrangement with any creditor of any affiliate of the Borrower;

(c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, the Borrower or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;

(d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of the Borrower or any other person;

(e) any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of any Finance Document or any other document or security including without limitation any change in the purpose of, any extension of or any increase in any facility or the addition of any new facility under any Finance Document or other document or security;

- (f) any insolvency or similar proceedings;
- (g) any arrangement or concession (including a rescheduling or acceptance of partial payments) relating to, or affecting, the Finance Documents;
- (h) any release or loss whatsoever of any guarantee, right or Security Interest created by the Finance Documents;
- (i) any failure whatsoever promptly or properly to exercise or enforce any such right or Security Interest, including a failure to realise for its full market value an asset covered by such a Security Interest; or
- (j) any other Finance Document or any Security Interest now being or later becoming void, unenforceable, illegal or invalid or otherwise defective for any reason, including a neglect to register it.

4 EXPENSES

4.1 Costs of preservation of rights, enforcement etc

The Guarantor shall pay to the Security Trustee on its demand the amount of all expenses incurred by the Security Trustee or any other Secured Party in connection with any matter arising out of this Guarantee or any Security Interest connected with it, including any advice, claim or proceedings relating to this Guarantee or such a Security Interest.

4.2 Fees and expenses payable under Loan Agreement

Clause 4.1 (*Costs of preservation of rights, enforcement etc*) is without prejudice to the Guarantor's liabilities in respect of the Borrower's obligations under clauses 9 (*Fees*) and 10 (*Taxes, Increased Costs, Costs and Related Charges*) of the Loan Agreement and under similar provisions of other Finance Documents.

5 ADJUSTMENT OF TRANSACTIONS

5.1 Reinstatement of obligation to pay

The Guarantor shall pay to the Security Trustee on its demand any amount which any Secured Party is required, or agrees, to pay pursuant to any claim by, or settlement with, a trustee in bankruptcy of the Borrower or of any other Obligor (or similar person) on the ground that the Loan Agreement or any other Finance Document, or a payment by the Borrower or of such other Obligor, was invalid or on any similar ground.

6 PAYMENTS

6.1 Method of payments

Any amount due under this Guarantee shall be paid:

- (a) in immediately available funds;
- (b) to such account as the Security Trustee may from time to time notify to the Guarantor;
- (c) without any form of set-off, cross-claim or condition; and

- (d) free and clear of any tax deduction except a tax deduction which the Guarantor is required by law to make.

6.2 Grossing-up for taxes

If the Guarantor is required by law to make a tax deduction, the amount due to the Security Trustee shall be increased by the amount necessary to ensure that the Security Trustee and (if the payment is not due to the Security Trustee for its own account) the Secured Party beneficially interested in the payment receives and retains a net amount which, after the tax deduction, is equal to the full amount that it would otherwise have received.

6.3 Tax Credits

If an additional payment is made by the Guarantor under this Clause and any Secured Party determines that it has received or been granted a credit against or relief of or calculated with reference to the deduction giving rise to such additional payment, such Secured Party shall, to the extent that it can do so without prejudice to the retention of the amount of such credit, relief, remission or repayment and provided that it has received the cash benefit of such credit, relief or remission, pay to the Guarantor such amount as such Secured Party shall in its reasonable opinion have concluded to be attributable to the relevant deduction. Any such payment shall be conclusive evidence of the amount due to the Guarantor hereunder and shall be accepted by the Guarantor in full and final settlement of its rights of reimbursement hereunder in respect of such deduction. Nothing herein contained shall interfere with the right of each Secured Party to arrange its tax affairs in whatever manner it thinks fit.

- 6.4** To the extent that this Clause 6 (*Payments*) imposes obligations or restrictions on a Secured Party, such obligations or restrictions shall not apply to SACE and SACE shall have no obligations hereunder nor be constrained by such restrictions.

7 INTEREST

7.1 Accrual of interest

Any amount due under this Guarantee shall carry interest after the date on which the Security Trustee demands payment of it until it is actually paid, unless interest on that same amount also accrues under the Loan Agreement.

7.2 Calculation of interest

Interest on sums payable under this Guarantee shall be calculated and accrue in the same way as interest under clause 6 (*Interest*) of the Loan Agreement.

7.3 Guarantee extends to interest payable under Loan Agreement

For the avoidance of doubt, it is confirmed that this Guarantee covers all interest payable under the Loan Agreement, including that payable under clause 17 (*Interest on Late Payments*) of the Loan Agreement.

8 SUBORDINATION

8.1 Subordination of rights of Guarantor

Until all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full and unless the Agent otherwise directs, all rights which the Guarantor at any time has (whether in respect of this Guarantee or any other transaction) against the Borrower, any other Obligor or their respective assets shall be fully subordinated to the rights of the Secured Parties under the Finance Documents; and in particular, the Guarantor shall not:

- (a) claim, or in a bankruptcy of the Borrower or any other Obligor prove for, any amount payable to the Guarantor by the Borrower or any other Obligor, whether in respect of this Guarantee or any other transaction;
- (b) take or enforce any Security Interest for any such amount;
- (c) exercise any right to be indemnified by an Obligor;
- (d) bring legal or other proceedings for an order requiring the Borrower or any other Obligor to make any payment, or perform any obligation, in respect of which any Guarantor has given a guarantee, undertaking or indemnity under this Guarantee;
- (e) claim to set-off any such amount against any amount payable by the Guarantor to the Borrower or any other Obligor; or
- (f) claim any subrogation or right of contribution or other right in respect of any Finance Document or any sum received or recovered by any Secured Party under a Finance Document.

If the Guarantor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Secured Parties by the Obligors under or in connection with the Finance Documents to be repaid in full on trust for the Secured Parties and shall promptly pay or transfer the same to the Security Trustee or as the Security Trustee may direct for application in accordance with the Loan Agreement and the Finance Documents.

9 ENFORCEMENT

9.1 No requirement to commence proceedings against Borrower

The Guarantor waives any right it may have of first requiring the Security Trustee or any other Secured Party to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Guarantor under this Guarantee. Neither the Security Trustee nor any other Secured Party will need to make any demand under, commence any proceedings under, or enforce any guarantee or any Security Interest contained in or created by, the Loan Agreement or any other Finance Document before claiming or commencing proceedings under this Guarantee. This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

9.2 Conclusive evidence of certain matters

However, as against the Guarantor:

- (a) any judgment or order of a court in England or the jurisdiction of the Approved Flag or Bermuda or the United States of America in connection with the Loan Agreement; and
 - (b) any statement or admission by the Borrower in connection with the Loan Agreement,
- shall be binding and conclusive as to all matters of fact and law to which it relates.

9.3 Suspense account

Until all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full, the Security Trustee and any Secured Party may:

- (a) refrain from applying or enforcing any other moneys, security or rights held or received by it (or any trustee or agent on its behalf which, in the case of a Secured Party, shall include the Agent and the Security Trustee) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and the Guarantor shall not be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any moneys received from any Guarantor or on account of any Guarantor's liability under this Guarantee.

10 REPRESENTATIONS AND WARRANTIES

10.1 General

- (a) any law or regulation; or
- (b) the constitutional documents of the Guarantor; or
- (c) any contractual or other obligation or restriction which is binding on the Guarantor or any of its assets.

10.7 No withholding taxes

All payments which the Guarantor is liable to make under this Guarantee may be made without deduction or withholding for or on account of any tax payable under any law of Bermuda or the United States of America.

5 REPAYMENT

5.1 Number of repayment instalments

The Borrower shall repay the Loan by twenty-four (24) consecutive six-monthly instalments from the earlier of (i) the Delivery Date and (ii) the date of actual disbursement of the respective delivery instalment (the "**Starting Point of Repayment**").

If the Borrower has specified a Fixed Interest Rate pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*), the Loan shall bear interest in respect of each Interest Period at the Fixed Interest Rate. Such interest shall accrue on the actual number of days elapsed based upon a 360 day year and shall be paid on the last day of each Interest Period.

- (c) SIMEST has requested a change of currency pursuant to the Interest Make-Up Agreement and such change of currency is not agreed by the Borrower or Lenders in accordance with Clause 6.16 (*Change of currency*); or
- (d) SIMEST has failed to make a net payment of interest to the Lenders pursuant to the Interest Make-Up Agreement,

the rate of interest on the Loan in respect of any Interest Period shall be the Floating Interest Rate applicable for that Interest Period and the following provisions of this Clause 6 (*Interest*) shall apply (in the case of the circumstances referred to in paragraph (b) above, with effect from the date on which the Interest Make-up Agreement ceases to be in effect, with such consequential amendments as shall be necessary to give effect to the switch from a Fixed Interest Rate to a Floating Interest Rate).

6.4 Payment of Floating Interest Rate

Subject to the provisions of this Agreement, interest on the Loan, as applicable, in respect of each Interest Period shall accrue on the actual number of days elapsed based upon a 360 day year and shall be paid by the Borrower on the last day of that Interest Period.

The Agent shall notify the Borrower and each Lender of each Floating Interest Rate and the duration of each Interest Period as soon as reasonably practicable after each is determined and no later than the Quotation Date.

6.6 Market disruption

The following provisions of this Clause 6 (*Interest*) apply if:

- at least 1 Business Day before the start of an Interest Period, Lenders having Contributions together amounting to more than [*] per cent. of the Loan (or, if an Advance has not been made, Commitments amounting to more than [*] per cent. of the Total Commitments) notify the Agent that EURIBOR fixed by the Agent would not accurately reflect the cost to those Lenders of funding their respective Contributions (or any part of them) during the Interest Period in the Relevant Interbank Market at or about 11.00 a.m. (CET time) on the Quotation Date for the Interest Period; or
- (b)
- (c) at least 1 Business Day before the start of an Interest Period, the Agent is notified by a Lender (the “**Affected Lender**”) that for any reason it is unable to obtain Euros in the Relevant Interbank Market in order to fund its Contribution (or any part of it) during the Interest Period.

6.7 Notification of market disruption

The Agent shall promptly notify the Borrower and each of the Lenders stating the circumstances falling within Clause 6.6 (*Market disruption*) which have caused its notice to be given.

- (b) in a case falling within paragraph (c) of Clause 6.6 (*Market disruption*), the Affected Lender’s obligation to participate in that Advance;

If the Agent’s notice under Clause 6.7 (*Notification of market disruption*) is served after an Advance is made, the Borrower, the Agent and the Lenders or (as the case may be) the Affected Lender shall use reasonable endeavours to agree, in consultation with SACE, within the 30 days after the date on which the Agent serves its notice under Clause 6.7 (*Notification of market disruption*) (the “**Negotiation Period**”), an alternative interest rate or (as the case may be) an alternative basis for the Lenders or (as the case may be) the Affected Lender to fund or continue to fund their or its Contribution during the Interest Period concerned.

6.10 Application of agreed alternative rate of interest

Any alternative interest rate or an alternative basis which is agreed during the Negotiation Period shall take effect in accordance with the terms agreed.

6.11 Alternative rate of interest in absence of agreement

If an alternative interest rate or alternative basis is not agreed within the Negotiation Period, and the relevant circumstances are continuing at the end of the Negotiation Period, then the Agent shall, with the agreement of each Lender or (as the case may be) the Affected Lender (and in consultation with SACE), set an interest period and interest rate representing the cost of funding of the Lenders or (as the case may be) the Affected Lender in Euros or in any available currency of their or its Contribution plus the Margin; and the procedure provided for by this Clause 6.11 (*Alternative rate of interest in absence of agreement*) shall be repeated if the relevant circumstances are continuing at the end of the interest period so set by the Agent.

6.12 Notice of prepayment

If the Borrower does not agree with an interest rate set by the Agent under Clause 6.11 (*Alternative rate of interest in absence of agreement*), the Borrower may give the Agent not less than 15 Business Days', or, if the Fixed Interest Rate has been selected pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*), 30 days, notice of its intention to prepay at the end of the interest period set by the Agent.

6.13 Prepayment; termination of Commitments

A notice under Clause 6.12 (*Notice of prepayment*) shall be irrevocable; the Agent shall promptly notify the Lenders or (as the case may require) the Affected Lender and, if the Fixed Interest Rate has been selected by the Borrower, SIMEST of the Borrower's notice of intended prepayment; and:

- (a) on the date on which the Agent serves that notice, the Total Commitments or (as the case may require) the Commitment of the Affected Lender shall be cancelled; and

6.14 Application of prepayment

The provisions of Clause 16 (*Cancellation, Prepayment and Mandatory Prepayment*) shall apply in relation to the prepayment.

6.15 Certain Circumstances

Notwithstanding anything to the contrary in this Agreement:

- (a) in the event of any circumstances falling within Clause 6.6 (*Market disruption*) which might affect the advance of an Advance on a Drawdown Date (the "**Relevant Circumstances**"):
 - (i) occurring and being continuing on the date falling ninety (90) days before the proposed Drawdown Date (the "**Relevant Date**"), each Lender will notify the Borrower (through the Agent) of the Relevant Circumstances on the Relevant Date or, if the Relevant Date is not a Business Day, on the next following Business Day; and
 - (ii) occurring after the Relevant Date, each Lender will notify the Borrower (through the Agent) immediately each Lender become aware of the Relevant Circumstances;

- (b) in the event of any Relevant Circumstances falling within paragraphs (a) or (b) of Clause 6.6 (*Market disruption*) (the "**Pricing-Related Relevant Circumstances**") occurring before an Advance is made available and notwithstanding the provisions of Clause 6.8 (*Suspension of drawdown*), each Lender will fund its respective Contributions by reference to the agreed alternative rate of interest in accordance with Clauses 6.9 (*Negotiation of alternative rate of interest*), 6.10 (*Application of agreed alternative rate of interest*) and 6.11 (*Alternative rate of interest in absence of agreement*) as if the provisions of such Clauses applied not only in the event that the Pricing-Related Relevant Circumstances have been notified by the Agent to the Borrower after the making of the Advance but also before the making of the Advance.

- (c) in the event of any Relevant Circumstances falling within paragraph (c) of Clause 6.6 (*Market disruption*) (the “**Availability-Related Relevant Circumstances**”) occurring before the Loan is made and notwithstanding the provisions of Clause 6.8 (*Suspension of drawdown*), each Lender will enter into good faith discussions with the Borrower for a period not exceeding 10 Business Days in order to discuss a basis on which the Lenders could be able to fund their respective Contributions in Euros (or, if unavailable in Euros, then in any available currency). Such discussions shall be without obligation on the Lenders provided that during such discussion period, such circumstances continue.

6.16 Change of currency

- (a) In the event that the Agent notifies the Borrower that SIMEST has requested a change in the currency of the Loan in accordance with clause 6.3 of the Interest Make-Up Agreement, the Borrower and the Lenders shall, without obligation, consider such request for a change of currency acting reasonably for a period of not exceeding 10 Business Days. Following such discussions the Agent shall report the decision of the Borrower and the Lenders to SIMEST, providing their reason for any negative decision.
- (b) In the event that a change of currency is agreed the Parties agree to negotiate in good faith the necessary changes to the Loan Agreement, the Finance Documents, the SACE Insurance Policy and the Interest Make-Up Agreement in order to document the change in currency.
- (c) In the event that a change in currency is not acceptable to the Lenders or the Borrower, the provision of paragraph (c) of Clause 6.3 (*Floating Interest Rate*) shall apply.

8.1 SACE Premium

The estimated SACE Premium for a maximum amount of [*] (being [*] per cent. ([*]%) of the Maximum Loan Amount) is due and payable in two instalments as follows:

- (a) the first instalment of the SACE Premium being an amount of [*] (calculated as being [*] per cent. ([*]%) of [*] per cent. ([*]%) of the Maximum Loan Amount) (the “**First Instalment**”) shall be paid by the Borrower to SACE (provided that the Borrower and the Lenders have been notified by the SACE Agent that the SACE Insurance Policy has been issued) on the earlier of (i) the date falling 30 days after the issuance of the SACE Insurance Policy and (ii) 16 June 2017, being the date falling 6 months after the date of SACE’s board approval; and
- (b) the second instalment of the SACE Premium being an amount of [*] (calculated as being [*] per cent. ([*]%) of [*] per cent. ([*]%) of the Maximum Loan Amount) (the “**Second Instalment**”) and shall be payable on the first Drawdown Date. For the sake of clarity, no set-off with the First Instalment shall be permitted.

8.2 Reimbursement by the Borrower of the SACE Premium

The Borrower irrevocably agrees to pay the First Instalment, and to instruct the Lenders to pay the Second Instalment on behalf of the Borrower as follows:

- (a) the Borrower has requested and the Lenders have agreed to reimburse the payment of one hundred per cent. (100%) of the First Instalment to the Borrower on the first Drawdown Date, it being agreed that such First Instalment shall be paid to SACE by the Borrower in accordance with paragraph (a) of Clause 8.1 (*SACE Premium*) and upon notification by the Agent to the Borrower (i) of the issuance of the SACE Insurance Policy documentation in the form required by paragraph (d) of Clause 3.6 (*No later than five (5) Business Days before the First Drawdown Date*), and (ii) of the amount of the First Instalment; and
- (b) the Borrower has requested and the Lenders have agreed to finance the payment of one hundred per cent. (100%) of the Second Instalment on the first Drawdown Date in accordance with paragraph (c) of Clause 2.1 (*Amount of facility*) of this Agreement.

Consequently, the Borrower hereby irrevocably instructs the Agent on behalf of the Lenders to pay the Second Instalment to SACE on the first Drawdown Date in accordance with paragraph (c) of Clause 2.1 (*Amount of facility*) of this Agreement and to reimburse the Borrower by the Borrower drawing under the Loan the amount of the First Instalment in accordance with paragraph (b) of Clause 2.1 (*Amount of facility*) of this Agreement.

The First Instalment and Second Instalment each financed by the Loan will be repayable in any event by the Borrower to the Lenders in the manner specified in Clause 5 (*Repayment*) and under any and all circumstances including but without limitation in the event of prepayment or acceleration of the Loan.

8.3 Italian Authorities

- (a) The Borrower acknowledges and agrees that the Agent and the Lenders are entitled to provide the Italian Authorities with any information they may have relative to the Loan and the business of the Group, to allow the Italian Authorities to inspect all their records relating to this Agreement and the other Transaction Documents and to furnish them with copies thereof. Any such information relative to the Loan may also be given by any Italian Authorities to international institutions charged with collecting statistical data.

- (b) The Borrower acknowledges that, in the making of any decision or determination or the exercise of any discretion or the taking or refraining to take any action under this Agreement or any of the other Finance Documents, the Agent and the Lenders shall be deemed to have acted reasonably if they have acted on the instructions of either of the Italian Authorities.
- (c) Each Party further undertakes not to act in a manner which is inconsistent with the terms of the SACE Insurance Policy and the Interest Make-up Agreement.

8.4 Refund

- (a) The Borrower shall, at the latest on the date falling sixty (60) days before the Intended Delivery Date, provide a notice in writing to the SACE Agent (who will promptly forward it to other Lenders and SACE), signed by an authorised signatory of the Borrower, indicating the amount of the Delivery Advance, being the amount set out in Schedule 6 (*Drawdown Schedule*) under the column entitled “Advance to be drawn under this Agreement” to be drawn on the Delivery Date less (i) any amount cancelled and (ii) the Refund (as defined below) to be refunded in accordance with paragraph (b), such amount of the Refund to be confirmed by SACE at least six (6) Business Days prior to the Delivery Date. The Borrower hereby agrees and shall confirm in such notice that the remaining Commitments shall be deemed to be cancelled. The Borrower acknowledges, for the avoidance of doubt, that the shortfall to be paid to the Builder at the Delivery Date shall be funded and paid directly by the Borrower to the Builder.

- (b) If the sum of the Advances drawn by the Borrower together with the amount notified by the Borrower pursuant to paragraph (a) and (a)(i) above (being the amount set out in Schedule 6 (*Drawdown Schedule*) under the column entitled “Advance to be drawn under this Agreement” to be drawn on the Delivery Date, less any amount cancelled) equals an aggregate of less than the Maximum Loan Amount, and provided that no Event of Default has occurred and is then continuing and no loss has occurred under the SACE Insurance Policy, the Borrower shall be entitled to a refund of the Second Instalment of the SACE Premium in an amount calculated by SACE on the undrawn amount (the “**Refund**”). For the avoidance of doubt, the First Instalment of the SACE Premium is non-refundable, irrespective of whether any disbursements have been made under this Agreement and irrespective of whether the SACE Insurance Policy has been terminated.

- (c) Any refund of the Second Instalment of the SACE Premium, whether in whole or in part, must be expressly requested by the SACE Agent to SACE in writing following receipt by the SACE Agent of the Borrower’s notice referred to in paragraph (a) above.

- (d) To the extent the Borrower is entitled to the Refund, SACE shall transfer the Refund as soon as practicably possible to the SACE Agent who shall as soon as practicably possible following receipt thereof transfer such amount to the Borrower. The Borrower hereby acknowledges that SACE shall not be liable to pay interest to the Borrower on the amount of the Refund.

- (e) Under the terms of the SACE Insurance Policy, the Parties acknowledge that SACE will withhold an amount of [*] per cent. ([*]%) from the amount of the SACE Premium to be refunded. Such withholding, charged as a lump sum to cover administration and management costs for the SACE Insurance Policy, may not, in any event, amount to less than [*] Euros (€[*]) or more than [*] Euros (€[*]), calculated by SACE as at the date of the refund request.

- (f) Except as set out in paragraph (a) and (c) above, no part of the SACE Premium is refundable to any Obligor.

- (g) In no event shall the SACE Agent be liable for any refund of the SACE Premium to be made by SACE or for the calculation of any Refund and/or withholding thereof.

10 TAXES, INCREASED COSTS, COSTS AND RELATED CHARGES

10.1 Definitions

- (a) In this Agreement:

“Protected Party” means a Secured Party which is or will be subject to any liability, or required to make any payment, for or on account of Tax in relation to a sum received or receivable (or any sum deemed for the purposes of Tax to be received or receivable) under a Finance Document;

“Tax Credit” means a credit against, relief or remission for, or repayment of any Tax.

“Tax Deduction” means a deduction or withholding for or on account of Tax from a payment under a Finance Document other than a FATCA Deduction.

“Tax Payment” means either the increase in a payment made by an Obligor to a Secured Party under Clause 10.2 (*Tax gross-up*) or a payment under Clause 10.3 (*Tax indemnity*).

- (b) Unless a contrary indication appears, in this Clause 10 (*Taxes, Increased Costs, Costs and Related Charges*) reference to **“determines”** or **“determined”** means a determination made in the absolute discretion of the person making the determination.

10.2 Tax gross-up

- (a) Each Obligor shall make all payments to be made by it under the Finance Documents without any Tax Deduction, unless a Tax Deduction is required by law.

- (b) The Borrower shall promptly upon becoming aware that an Obligor must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Agent accordingly. Similarly, a Lender shall notify the Agent on becoming so aware in respect of a payment payable to that Lender. If the Agent receives such notification from a Lender it shall notify the Borrower and that Obligor.

- (c) If a Tax Deduction is required by law to be made by an Obligor, the amount of the payment due from that Obligor shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required.

- (d) A payment shall not be increased under paragraph (c) above if on the date on which the payment falls due the Obligor making the payment is able to demonstrate that the payment could have been made to the Lender without the Tax Deduction had that Lender (having been given notice of the documentation requested under Clause 10.7 (*Lender Status*) at least 30 Business Days prior to such payment date) complied with its obligations under Clause 10.7 (*Lender Status*).

- (e) If an Obligor is required to make a Tax Deduction, that Obligor shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.

- (f) Within thirty days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Obligor making that Tax Deduction shall deliver to the Agent for the Secured Party entitled to the payment evidence reasonably satisfactory to that Secured Party that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.

10.3 Tax indemnity

- The Borrower shall (within three Business Days of demand by the Agent) pay to a Protected Party an amount equal to the loss, liability or cost which that Protected Party determines will be or has been (directly or indirectly) suffered for or on account of Tax by that Protected Party in respect of a Finance Document.
- (a)
- (b) Paragraph (a) above shall not apply:
- (i) with respect to any Tax assessed on a Secured Party:
- (A) under the law of the jurisdiction in which that Secured Party is incorporated or, if different, the jurisdiction (or jurisdictions) in which that Secured Party is treated as resident for tax purposes; or
- (B) under the law of the jurisdiction in which that Lender's Facility Office is located in respect of amounts received or receivable in that jurisdiction,
- if that Tax is imposed on or calculated by reference to the net income received or receivable (but not any sum deemed to be received or receivable) by that Secured Party; or
- (ii) to the extent a loss, liability or cost is compensated for by an increased payment under Clause 10.2 (*Tax gross-up*) or would have been compensated for by an increased payment under Clause 10.2 (*Tax gross-up*) but was not so compensated solely because an exclusion in paragraph (d) of Clause 10.2 (*Tax gross-up*) applied, or relates to a FATCA Deduction required to be made by a Party; or
- (iii) with respect to the Taxes in the nature of a branch profits tax imposed by Section 884(a) of the Code that is imposed by any jurisdiction described in paragraph (b)(i)(B) above.
- (c) A Protected Party making, or intending to make a claim under paragraph (a) above shall promptly notify the Agent of the event which will give, or has given, rise to the claim, following which the Agent shall notify the Borrower.
- (d) A Protected Party shall, on receiving a payment from an Obligor under this Clause 10.3 (*Tax indemnity*), notify the Agent.

10.4 Tax Credit

If an Obligor makes a Tax Payment and the relevant Creditor Party determines that:

- (a) a Tax Credit is attributable to an increased payment of which that Tax Payment forms part, to that Tax Payment or to a Tax Deduction in consequence of which that Tax Payment was required; and
- (b) that Creditor Party has obtained, retained and utilised that Tax Credit,

the Creditor Party shall pay an amount to the Obligor which that Creditor Party determines will leave it (after that payment) in the same after-Tax position as it would have been in had the Tax Payment not been required to be made by the Obligor.

10.5 Stamp taxes

The Borrower shall pay and, within three Business Days of demand, indemnify each Secured Party against any cost, loss or liability that Secured Party incurs in relation to all stamp duty, registration and other similar Taxes payable in respect of any Finance Document.

10.6 VAT

(a) All amounts expressed to be payable under a Finance Document by any Party to a Secured Party which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply, and accordingly, subject to paragraph (b) below, if VAT is or becomes chargeable on any supply made by any Secured Party to any Party under a Finance Document and such Secured Party is required to account to the relevant tax authority for the VAT, that Party must pay to such Secured Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT (and such Secured Party must promptly provide an appropriate VAT invoice to that Party).

(b) If VAT is or becomes chargeable on any supply made by any Secured Party (the “**Supplier**”) to any other Secured Party (the “**Recipient**”) under a Finance Document, and any Party other than the Recipient (the “**Relevant Party**”) is required by the terms of any Finance Document to pay an amount equal to the consideration for that supply to the Supplier (rather than being required to reimburse or indemnify the Recipient in respect of that consideration):

(i) (where the Supplier is the person required to account to the relevant tax authority for the VAT) the Relevant Party must also pay to the Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The Recipient must (where this paragraph (i) applies) promptly pay to the Relevant Party an amount equal to any credit or repayment the Recipient receives from the relevant tax authority which the Recipient reasonably determines relates to the VAT chargeable on that supply; and

(ii) (where the Recipient is the person required to account to the relevant tax authority for the VAT) the Relevant Party must promptly, following demand from the Recipient, pay to the Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.

(c) Where a Finance Document requires any Party to reimburse or indemnify a Secured Party for any cost or expense, that Party shall reimburse or indemnify (as the case may be) such Secured Party for the full amount of such cost or expense, including such part of it as represents VAT, save to the extent that such Secured Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.

(d) Any reference in this Clause 10.6 (*VAT*) to any Party being required to account to a tax authority for VAT shall, at any time when such Party is treated as a member of a group for VAT purposes, include a reference to another member of that group being required to so account to the relevant tax authority.

(e) In relation to any supply made by a Secured Party to any Party under a Finance Document, if reasonably requested by such Secured Party, that Party must promptly provide such Secured Party with details of that Party’s VAT registration and such other information as is reasonably requested in connection with such Secured Party’s VAT reporting requirements in relation to such supply.

10.7 Lender Status

(a) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under a Finance Document shall deliver to the Agent and the Borrower, at the time or times reasonably requested by the Agent or the Borrower, such properly completed and executed documentation reasonably requested by the Agent or the Borrower (and which it is reasonable for the Lender to complete and execute) as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Agent or the Borrower, shall deliver such other documentation as prescribed by applicable law and reasonably requested by the Agent or the Borrower as will enable the Agent or the Borrower to determine whether or not such Lender is subject to backup withholding or information reporting requirements.

- Any Lender shall, to the extent it is legally entitled to do so, and where it is entitled to an exemption from, or reduction of, U.S. federal withholding tax, deliver to the Agent and the Borrower on or prior to the date on which such Lender becomes a Lender under this Agreement or promptly thereafter (and from time to time thereafter as prescribed by applicable law or upon the request of the Agent or the Borrower), duly executed and properly completed copies of Internal Revenue Service Form W-9 or W-8, as applicable, certifying that it is not subject to U.S. federal backup withholding and, in the case of a non-U.S. Lender that is eligible for an exemption from, or reduction of, U.S. federal withholding Tax establishing an exemption from, or reduction of, U.S. federal withholding Tax.
- (b)

10.8 FATCA Deduction

- Each Party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no Party shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction.
- (a)
- Each Party shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or the basis of such FATCA Deduction) notify the Party to whom it is making the payment and, in addition, shall notify the Borrower, the Agent and the other Secured Parties.
- (b)

10.9 FATCA Information

- Subject to paragraph (c) below, each Party shall, within ten Business Days of a reasonable request by another Party:
- (a)
- (i) confirm to that other Party whether it is:
- (A) a FATCA Exempt Party; or
- (B) not a FATCA Exempt Party;
- (ii) supply to that other Party such forms, documentation and other information relating to its status under FATCA as that other Party reasonably requests for the purposes of that other Party's compliance with FATCA; and
- (iii) supply to that other Party such forms, documentation and other information relating to its status as that other Party reasonably requests for the purposes of that other Party's compliance with any other law, regulation, or exchange of information regime.
- If a Party confirms to another Party pursuant to paragraph (a)(i) above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not or has ceased to be a FATCA Exempt Party, that Party shall notify that other Party reasonably promptly.
- (b)
- Paragraph (a) above shall not oblige any Creditor Party to do anything, and paragraph (a)(iii) above shall not oblige any other Party to do anything, which would or might in its reasonable opinion constitute a breach of:
- (c)
- (i) any law or regulation;
- (ii) any fiduciary duty; or

(iii) any duty of confidentiality.

(d) If a Party fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with paragraph (a)(i) or (ii) above (including, for the avoidance of doubt, where paragraph (c) above applies), then such Party shall be treated for the purposes of the Finance Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the Party in question provides the requested confirmation, forms, documentation or other information.

(e) Each Lender shall, within ten Business Days of (i) where the relevant Lender is a Lender at the date of this Agreement, the date of this Agreement and (ii) where the relevant Lender is a Transferee Lender, the effective date of a Transfer Certificate under Clause 24.4 (*Effective Date of Transfer Certificate*), supply to the Agent:

(i) a withholding certificate on Form W-8, Form W-9 or any other relevant form; or

(ii) any withholding statement or other document, authorisation or waiver as the Agent may require to certify or establish the status of such Lender under FATCA or that other law or regulation.

(f) The Agent shall provide any withholding certificate, withholding statement, document, authorisation or waiver it receives from a Lender pursuant to paragraph (e) above to the relevant Borrower.

(g) If any withholding certificate, withholding statement, document, authorisation or waiver provided to the Agent by a Lender pursuant to paragraph (e) above is or becomes materially inaccurate or incomplete, that Lender shall promptly update it and provide such updated withholding certificate, withholding statement, document, authorisation or waiver to the Agent unless it is unlawful for the Lender to do so (in which case the Lender shall promptly notify the Agent). The Agent shall provide any such updated withholding certificate, withholding statement, document, authorisation or waiver to the relevant Borrower.

(h) The Agent may rely on any withholding certificate, withholding statement, document, authorisation or waiver it receives from a Lender pursuant to paragraph (e) or (g) above without further verification. The Agent shall not be liable for any action taken by it under or in connection with paragraphs (e), (f) or (g) above.

(i) CDP confirms, and the Borrower acknowledges, that as at the date of this Agreement CPD is a FATCA Exempt Party.

10.10 Increased Costs

(a) If after the date of this Agreement by reason of (x) any change in law or in its interpretation or administration and/or (y) compliance with any request from or requirement of any central bank or other fiscal, monetary or other authority including but without limitation the Basel Committee on Banking Regulations and Supervisory Practices whether or not having the force of law:

(i) any of the Lenders incurs a cost as a result of its performing its obligations under this Agreement and/or its making available its Commitment hereunder; or

(ii) there is any increase in the cost to any of the Lenders of funding or maintaining all or any of the advances comprised in a class of advances formed by or including its Commitment advanced or to be advanced by it hereunder; or

(iii) any of the Lenders incurs a cost as a result of its having entered into and/or its assuming or maintaining its commitment under this Agreement; or

- (iv) any of the Lenders becomes liable to make any payment on account of Tax or otherwise (other than Tax on its overall net income) on or calculated by reference to the amount of its Commitment advanced or to be advanced hereunder and/or any sum received or receivable by it hereunder; or
- (v) any of the Lenders suffers any decrease in its rate of return as a result of any changes in the requirements relating to capital ratios, monetary control ratios, the payment of special deposits, liquidity costs or other similar requirements affecting that Lender,

then the Borrower shall on demand pay to the Agent for the account of the relevant Lender or Lenders amounts sufficient to indemnify the relevant Lender or Lenders against, as the case may be, such cost, such increased cost (or such proportion of such increased cost as is in the reasonable opinion of the relevant Lender or Lenders attributable to the funding or maintaining of its or their Commitment(s) hereunder) or such liability.

(b) This Clause 10.10 (*Increased Costs*) does not apply to the extent any increased cost is:

- (i) attributable to a Tax Deduction required by law to be made by an Obligor;
- (ii) attributable to a FATCA Deduction required to be made by a Party;
- (iii) compensated for by Clause 10.3 (*Tax indemnity*) (or would have been compensated for under Clause 10.3 (*Tax indemnity*) but was not compensated solely because any of the exclusions in paragraph (b) of Clause 10.3 (*Tax indemnity*) applied); or
- (iv) attributable to the wilful breach by the relevant Creditor Party or its Affiliates of any law of regulation.

In this Clause 10.10 (*Increased Costs*), a reference to a “Tax Deduction” has the same meaning given to the term in Clause 10.1 (*Definitions*).

- (c) A Lender affected by any provision of this Clause 10.10 (*Increased Costs*) shall promptly inform the Agent after becoming aware of the relevant change and its possible results (which notice shall be conclusive evidence of the relevant change and its possible results) and the Agent shall, as soon as reasonably practicable thereafter, notify the Borrower of the change and its possible results. Without affecting the Borrower’s obligations under this Clause 10.10 (*Increased Costs*) and in consultation with the Agent and the Italian Authorities, the affected Lender will then take all such reasonable steps as may be open to it to mitigate the effect of the change (for example (if then possible) by changing its Facility Office or transferring some or all of its rights and obligations under this Agreement to another financial institution reasonably acceptable to the Borrower and the Agent and the Italian Authorities). The reasonable costs of mitigating the effect of any such change shall be borne by the Borrower save where such costs are of an internal administrative nature and are not incurred in dealings by any Lender with third parties.

10.11 Transaction Costs

The Borrower undertakes to pay to the Agent, upon demand, all costs and expenses, duties and fees, including but without limitation pre-agreed legal costs (which, for avoidance of doubt are exclusive of VAT and disbursements) out of pocket expenses and travel costs, reasonably incurred by the Italian Authorities, the Joint Mandated Lead Arrangers and the Lenders (but not including any bank which becomes a Lender after the date of this Agreement) in connection with the negotiation, preparation and execution of all agreements, guarantees, security agreements and related documents entered into, or to be entered into, for the purpose of the transaction contemplated hereby as well as all costs and expenses, duties and fees incurred by the Agent or the Lenders in connection with the registration, filing, enforcement or discharge of the said guarantees or security agreements, including without limitation the fees and expenses of legal advisers and insurance experts (provided that such insurance costs are not to exceed ten thousand Dollars (\$10,000)) and the fees and expenses of the Italian Authorities (including the fees and expenses of its legal advisers) payable by the Joint Mandated Lead Arrangers to the Italian Authorities, the cost of registration and discharge of security interests and the related travel and out of pocket expenses; the Borrower further undertakes to pay to the Agent all costs, expenses, duties and fees incurred by the Lenders and the Italian Authorities in connection with any variation of this Agreement and the related documents, guarantees and security agreements, any supplements thereto and waiver given in relation thereto, in connection with the investigation of any potential Event of Default, the enforcement or preservation of any rights under this Agreement and/or the related guarantees and security agreements, including in each case the fees and expenses of legal advisers, and in connection with the consultations or proceedings made necessary or in the opinion of the Agent desirable by the acts of, or failure to act on the part of, the Borrower.

10.12 Costs of delayed Delivery Date

The Borrower undertakes to pay to the Agent, upon demand, any costs incurred by the Lenders and/or the Italian Authorities in funding the Loan in the event that the Delivery Date is later than the Intended Delivery Date unless the Borrower has given the Agent at least three (3) Business Days' notification of such delay in the Delivery Date.

10.13 SACE obligations

To the extent that this Clause 10 (*Taxes, Increased Costs, Costs and Related Charges*) imposes obligations or restrictions on a Secured Party, such obligations or restrictions shall not apply to SACE and SACE shall have no obligations hereunder nor be constrained by such restrictions.

18.22 Termination of Commitments

On the service of a notice under paragraph (a) of Clause 18.21 (*Actions following an Event of Default*), the Commitments and all other obligations of each Lender to the Borrower under this Agreement shall terminate.

18.23 Acceleration of Loan

On the service of a notice under paragraph (b) of Clause 18.21 (*Actions following an Event of Default*), the Loan, all accrued interest and all other amounts accrued or owing from the Borrower or any Obligor under this Agreement and every other Finance Document shall become immediately due and payable or, as the case may be, payable on demand.

18.24 Further amounts payable

Upon an acceleration of repayment of the Loan following an Event of Default the Borrower shall be liable to pay compensation calculated in accordance with Clause 16.2 (*Voluntary prepayment*).

18.25 Multiple notices; action without notice

The Agent may serve notices under paragraphs (a) and (b) of Clause 18.21 (*Actions following an Event of Default*) simultaneously or on different dates and it may take any action referred to in paragraph (c) of Clause 18.21 (*Actions following an Event of Default*) if no such notice is served or simultaneously with or at any time after the service of both or either of such notices.

18.26 Notification of Secured Parties and Obligors

The Agent shall send to the Italian Authorities, each Lender and each Obligor a copy or the text of any notice which the Agent serves on the Borrower under Clause 18.21 (*Actions following an Event of Default*); but the notice shall become effective when it is served on the Borrower, and no failure or delay by the Agent to send a copy or the text of the notice to any other person shall invalidate the notice or provide any Obligor with any form of claim or defence.

18.27 Lender's rights unimpaired

Nothing in this Clause 18 (*Events of Default*) shall be taken to impair or restrict the exercise of any right given to individual Lenders under a Finance Document or the general law; and, in particular, this Clause is without prejudice to Clauses 2.4 (*Creditor Parties' rights and obligations*) and 2.6 (*Obligations of Lenders several*).

18.28 Exclusion of Secured Party liability

No Secured Party, and no receiver or manager appointed by the Agent, shall have any liability to an Obligor:

- (a) for any loss caused by an exercise of rights under, or enforcement of a Security Interest created by, a Finance Document or by any failure or delay to exercise such a right or to enforce such a Security Interest; or
- (b) as mortgagee in possession or otherwise, for any income or principal amount which might have been produced by or realised from any asset comprised in such a Security Interest or for any reduction (however caused) in the value of such an asset.

19 APPLICATION OF SUMS RECEIVED

19.1 Receipts

Except as any Finance Document may otherwise provide, all sums received under this Agreement or any other Finance Document by the Agent, on behalf of the Lenders, or by any of the Lenders for any reason whatsoever will be applied:

- (a) in priority, to payments of any kind due or in arrears in the order of their due payment dates and first, to fees, charges and expenses, second, to interest payable pursuant to Clause 17 (*Interest on Late Payments*), third, to interest payable pursuant to Clause 6 (*Interest*), fourth, to the principal of the Loan payable pursuant to Clause 5 (*Repayment*), fifth, to any sums due pursuant to Clause 20.2 (*Breakage costs and SIMEST arrangements*) and, sixth, to any other sums due under this Agreement or any other Finance Document and, if relevant, *pro rata* to each of the Lenders; or
- (b) if no payments are in arrears or if these payments have been discharged as set out above, then and to sums remaining due under this Agreement or any other Finance Document and, if relevant, *pro rata* to each of the Lenders and in each case in inverse order of maturity, the interest being recalculated accordingly.

20 INDEMNITIES

20.1 Indemnities regarding borrowing and repayment of Loan

The Borrower shall fully indemnify the Agent and each Lender or SIMEST (but without double counting to the extent that a Lender is making a claim in respect of amounts owing to SIMEST) on the Agent's demand in respect of all claims, expenses, liabilities and losses which are made or brought against or incurred by that Secured Party, or which that Secured Party reasonably and with due diligence estimates that it will incur, as a result of or in connection with:

- (a) any part of the Loan not being borrowed on the date specified in a Drawdown Notice for any reason other than a default by the Lender claiming the indemnity;
- (b) the receipt or recovery of all or any part of the Loan or an overdue sum otherwise than on the last day of an Interest Period or other relevant period;
- (c) any failure (for whatever reason) by the Borrower to make payment of any amount due under a Finance Document on the due date or, if so payable, on demand (after giving credit for any default interest paid by the Borrower on the amount concerned under Clause 17 (*Interest on Late Payments*)); and

- (d) the occurrence and/or continuance of an Event of Default and/or the acceleration of repayment of the Loan under Clause 18 (*Events of Default*).

20.2 Breakage costs and SIMEST arrangements

Without limiting its generality, Clause 20.1 (*Indemnities regarding borrowing and repayment of Loan*) covers:

- (a) any claim, expense, liability or loss, including a loss of a prospective profit, incurred by a Lender in liquidating or employing deposits from third parties acquired or arranged to fund or maintain all or any part of its Contribution and/or any overdue amount (or an aggregate amount which includes its Contribution or any overdue amount);

- (b) if the Borrower has selected the Fixed Interest Rate in accordance with Clause 6.1 (*Fixed or Floating Interest Rate*), all of the amounts that SIMEST is entitled to charge, whether for taxes, costs, expenses, indemnities, penalties, losses or liabilities whatsoever, under and in accordance with the Interest Make-up Agreement, including without limitation, as a result of any prepayment of all or any part of the Loan under this Agreement (whether voluntary, mandatory, following acceleration of the Loan or otherwise), as a result of an Interest Make-Up Event or as a result of the Borrower deciding to switch from the Fixed Interest Rate to another interest rate after the Drawdown Date and/or an Interest Make-up Event. Such amounts include, without limitation, (i) breakage costs, (ii) any amount due as a consequence of the close-out of any hedging arrangement entered into by SIMEST in relation to this Agreement, (iii) default interest and penalties (*maggiorazioni*) whenever applicable, and (iv) all amounts (if any) to be returned by the Agent to SIMEST under and pursuant to the Interest Make-Up Agreement; and

- (c) any other costs whatsoever or howsoever arising under or in respect of the Interest Make-Up Agreement which are passed to the Agent,

and any such costs imposed by SIMEST shall be paid by the Borrower to SIMEST through the Agent.

For the purposes of this Clause 20.2 (*Breakage costs and SIMEST arrangements*) “**Interest Make-Up Event**” means the occurrence of any circumstances which result in the termination, cancellation, revocation, cessation or suspension (in each case, in whole or in part) of the Interest Make-Up Agreement or the Interest Make-Up Agreement otherwise ceases or may cease to be in full force and effect or the Agent notifies the Borrower that the Fixed Interest Rate is not available for any reason, in each case, in accordance with the terms of the Interest Make-Up Agreement.

20.3 Miscellaneous indemnities

The Borrower shall fully indemnify each Secured Party severally on their respective demands in respect of all claims, expenses, liabilities and losses which may be made or brought against or incurred by a Secured Party, in any country, as a result of or in connection with:

- (a) any action taken, or omitted or neglected to be taken, under or in connection with any Finance Document by the Agent or any other Secured Party or by any receiver appointed under a Finance Document;
- (b) any other Pertinent Matter,

other than claims, expenses, liabilities and losses which are shown to have been directly and mainly caused by the dishonesty or wilful misconduct of the officers or employees of the Secured Party concerned.

Without prejudice to its generality, this Clause 20.3 (*Miscellaneous indemnities*) covers (i) any claims, expenses, liabilities and losses which arise, or are asserted, under or in connection with any law relating to safety at sea, the ISM Code or any Environmental Laws or any Sanctions and (ii) any claims, expenses, liabilities (including, without limitation, under a reputational standpoint) and losses which arise, or are asserted, against CDP under or in connection with any breach by the Borrower of any of the provisions paragraphs (nn) to (rr) of Clause 11.2 (*Continuing representations and warranties*) and/or of Clause 12.26 (*Code of Ethics and Model*).

20.4 Currency indemnity

If any sum due from an Obligor to a Secured Party under a Finance Document or under any order or judgment relating to a Finance Document has to be converted from the currency in which the Finance Document provided for the sum to be paid (the “**Contractual Currency**”) into another currency (the “**Payment Currency**”) for the purpose of:

- (a) making or lodging any claim or proof against an Obligor, whether in its liquidation, any arrangement involving it or otherwise; or
- (b) obtaining an order or judgment from any court or other tribunal; or
- (c) enforcing any such order or judgment,

the Borrower shall indemnify the Secured Party concerned against the loss arising when the amount of the payment actually received by that Secured Party is converted at the available rate of exchange into the Contractual Currency.

In this Clause 20.4 (*Currency indemnity*) the “**available rate of exchange**” means the rate at which the Secured Party concerned is able at the opening of business (Paris time) on the Business Day after it receives the sum concerned to purchase the Contractual Currency with the Payment Currency.

This Clause 20.4 (*Currency indemnity*) creates a separate liability of the Borrower which is distinct from its other liabilities under the Finance Documents and which shall not be merged in any judgment or order relating to those other liabilities.

20.5 Certification of amounts

A notice which is signed by 2 officers of a Secured Party, which states that a specified amount, or aggregate amount, is due to that Secured Party under this Clause 20 (*Indemnities*) and which indicates (without necessarily specifying a detailed breakdown) the matters in respect of which the amount, or aggregate amount, is due shall be prima facie evidence that the amount, or aggregate amount, is due.

20.6 Sums deemed due to a Lender

For the purposes of this Clause 20 (*Indemnities*), a sum payable by the Borrower to the Agent for distribution to a Lender shall be treated as a sum due to that Lender.

20.7 SACE obligations

To the extent that this Clause 20 (*Indemnities*) imposes obligations or restrictions on a Secured Party, such obligations or restrictions shall not apply to SACE and SACE shall have no obligations hereunder nor be constrained by such restrictions.

21 ILLEGALITY, ETC.

21.1 Illegality and Sanctions

This Clause 21 (*Illegality, etc.*) applies if:

- (a) a Lender (the “**Notifying Lender**”) notifies the Agent that:
 - (i) it becomes unlawful or contrary to any law, regulation or Sanctions – including by way of civil, administrative or criminal liability - in any applicable jurisdiction for the Notifying Lender to perform any of its obligations as contemplated by the Finance Documents or to fund its participation in the Loan; and/or
 - (ii) it becomes unlawful or contrary to any law, regulation or Sanctions – including by way of civil, administrative or criminal liability - in any applicable jurisdiction for the Notifying Lender to maintain its participation in the Loan; or
- (b) an Obligor is or becomes a Prohibited Person,

(such event, an “**Illegality or Sanctions Event**”).

21.2 Notification of illegality

- (a) The Agent shall promptly notify the Borrower, the Obligors and the other Lenders of the notice under Clause 21 (*Illegality, etc.*) which the Agent receives from the Notifying Lender.

Upon receipt of the notice under paragraph (a) above and provided that such Illegality or Sanctions Event is not applicable with immediate effect (in which case paragraph (a) of Clause 21.3 (*Prepayment; termination of Commitment*) will apply immediately and this paragraph (b) of Clause 21.2 (*Notification of illegality*) will not apply, the Agent shall, where the Borrower has selected the Fixed Interest Rate pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*), inform SIMEST in writing in order to start consultations between themselves (pursuant to clause 6 of the Interest Make-Up Agreement) with a view to exploring any possible solution to mitigate the Illegality or Sanctions Event preventing that Lender from performing any of its obligations under a Finance Document or funding or maintaining its share in the Loan. Any solution agreed between the Agent and SIMEST at the end of the consultation period (which shall last for a period of ten (10) days from the service of such notice on SIMEST) will be binding among themselves and shall be notified by the Agent to each Obligor immediately thereafter (and in any case no later than ten (10) days following such decision).

- (c) If at the end of the consultation procedure set out in paragraph (b) above, no solution is agreed between the Agent and SIMEST, the Agent must immediately notify the Lenders and the Obligors.

21.3 Prepayment; termination of Commitment

- (a) After notification under paragraph (c) above or (in case the Interest Make-Up Agreement has ceased to be in force and effect or the Fixed Interest Rate has not been selected pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*)) after notification under paragraph (a) above and subject to Clause 21.4 (*Mitigation*) below the Borrower must repay or prepay that Lender’s share in the Loan on the date specified in paragraph (c) below together with any breakage costs payable under Clause 20.2 (*Breakage costs and SIMEST arrangements*) and any indemnity payable under paragraph (c) of Clause 20.2 (*Breakage costs and SIMEST arrangements*) in respect of the Interest Make-Up Agreement;

- On the Agent notifying the Borrower under paragraph (c) of Clause 21.2 (*Notification of illegality*), the Notifying Lender's Commitment shall terminate; and thereupon or, if later, on the date specified in the Notifying Lender's notice under Clause 21.1 (*Illegality and Sanctions*) as the date on which the notified event would become effective the Borrower shall prepay the Notifying Lender's Contribution and shall pay compensation to the Notifying Lender calculated in accordance with Clause 16.2 (*Voluntary prepayment*).
- (b)
- (c) The date for repayment or prepayment of a Lender's share in the Loan will be:
- (i) the date specified by the Agent in the notification under paragraph (b) above; or
- (ii) in case the Interest Make-Up Agreement has ceased to be in full force and effect or the Fixed Interest Rate has not been selected pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*), the last day of the current Interest Period for the relevant Advance or Advances or, if earlier, the date specified by the Lender in the notification under paragraph (a) above and which must not be earlier than the last day of any applicable grace period allowed by law.

21.4 Mitigation

- Each Secured Party shall, in consultation with the Borrowers, take all reasonable steps to mitigate any circumstances which arise and which would result in any amount becoming payable under or pursuant to, or cancelled pursuant to Clause 21.1 (*Illegality and Sanctions*) including (but not limited to) transferring its rights and obligations under the Finance Documents to another Affiliate or Facility Office.
- (a)
- (b) Paragraph (a) above does not in any way limit the obligations of any Obligor under the Finance Documents.

22 SET-OFF

22.1 Application of credit balances

Each Creditor Party may without prior notice:

- apply any balance (whether or not then due) which at any time stands to the credit of any account in the name of the Borrower at any office in any country of that Creditor Party in or towards satisfaction of any sum then due from the Borrower to that Creditor Party under any of the Finance Documents; and
- (a)
- (b) for that purpose:
- (i) break, or alter the maturity of, all or any part of a deposit of the Borrower;
- (ii) convert or translate all or any part of a deposit or other credit balance into Euros;
- (iii) enter into any other transaction or make any entry with regard to the credit balance which the Creditor Party concerned considers appropriate.

22.2 Existing rights unaffected

No Creditor Party shall be obliged to exercise any of its rights under Clause 22.1 (*Application of credit balances*); and those rights shall be without prejudice and in addition to any right of set-off, combination of accounts, charge, lien or other right or remedy to which a Creditor Party is entitled (whether under the general law or any document).

22.3 Sums deemed due to a Lender

For the purposes of this Clause 22 (*Set-Off*), a sum payable by the Borrower to the Agent for distribution to, or for the account of, a Lender shall be treated as a sum due to that Lender; and each Lender's proportion of a sum so payable for distribution to, or for the account of, the Lenders shall be treated as a sum due to such Lender.

22.4 No Security Interest

This Clause 22 (*Set-Off*) gives the Creditor Parties a contractual right of set-off only, and does not create any equitable charge or other Security Interest over any credit balance of the Borrower.

23 BAIL-IN

Notwithstanding any other term of any Finance Document or any other agreement, arrangement or understanding between the parties to a Finance Document, each Party acknowledges and accepts that any liability of any party to a Finance Document under or in connection with the Finance Documents may be subject to Bail-In Action by the relevant Resolution Authority and acknowledges and accepts to be bound by the effect of:

- (a) any Bail-In Action in relation to any such liability, including (without limitation):
 - (i) a reduction, in full or in part, in the principal amount, or outstanding amount due (including any accrued but unpaid interest) in respect of any such liability;
 - (ii) a conversion of all, or part of, any such liability into shares or other instruments of ownership that may be issued to, or conferred on, it; and
 - (iii) a cancellation of any such liability; and
- (b) a variation of any term of any Finance Document to the extent necessary to give effect to any Bail-in Action in relation to any such liability.

24 CHANGES TO THE LENDERS

24.1 Transfer by a Lender

Subject to Clause 24.5 (*No transfer without Transfer Certificate*), Clause 24.17 (*Assignment or transfer to SACE*) and Clause 24.14 (*Change of Facility Office*), a Lender (the “**Transferor Lender**”) may at any time provided they have obtained the prior written consent of the Italian Authorities cause:

- (a) its rights in respect of all or part of its Contribution; or
- (b) its obligations in respect of all or part of its Commitment; or
- (c) a combination of (a) and (b),

to be (in the case of its rights) transferred to, or (in the case of its obligations) assumed by, in whole or in part any of its Affiliates or another bank or financial institution or a trust, fund or other entity which is regularly engaged in or established for the purpose of making, purchasing or investing in loans, securities or other financial assets (a “**Transferee Lender**”) by delivering to the Agent a completed certificate in the form set out in Schedule 4 (*Form of Transfer Certificate*) with any modifications approved or required by the Agent (a “**Transfer Certificate**”) executed by the Transferor Lender and the Transferee Lender.

However any rights and obligations of the Transferor Lender in its capacity as Agent or Security Trustee will have to be dealt with separately in accordance with the provisions of Clauses 26 (*Role of the Agent and the Joint Mandated Lead Arrangers*) and 27 (*The Security Trustee*) respectively.

24.2 Conditions of assignment or transfer

- The consent of the Borrower is required at all times (subject to the provisions of Clauses 24.5 (*No transfer without Transfer Certificate*) and 24.17 (*Assignment or transfer to SACE*) for an assignment or transfer by an Existing Lender, unless (i) there is an Event of Default or (ii) the assignment or transfer is to another Lender or an Affiliate of a Lender.
- (a) The consent of the Borrower to an assignment or transfer must not be unreasonably withheld or delayed. The Borrower will be deemed to have given its consent ten (10) Business Days after the Existing Lender has requested it unless consent is expressly refused by that Borrower within that time.
 - (b) The assignment or transfer must be with respect to a minimum Commitment of [*] Euros (€[*]) or, if less, the Existing Lender's full Commitment.
 - (c)

24.3 Transfer Certificate, delivery and notification

As soon as reasonably practicable after a Transfer Certificate is delivered to the Agent, it shall (unless it has reason to believe that the Transfer Certificate may be defective):

- (a) sign the Transfer Certificate on behalf of itself, the Borrower, any other Obligors, the Security Trustee and each of the other Lenders;
- (b) on behalf of the Transferee Lender, send to the Borrower and each Obligor letters or faxes notifying them of the Transfer Certificate and attaching a copy of it; and
- (c) send to the Transferee Lender copies of the letters or faxes sent under paragraph (b) above,

but the Agent shall only be obliged to execute a Transfer Certificate delivered to it by the Transferor Lender and the Transferee Lender once it is satisfied it has complied with all necessary "know your customer" or other similar checks under all applicable laws and regulations in relation to the transfer to that Transferee Lender.

24.4 Effective Date of Transfer Certificate

A Transfer Certificate becomes effective on the date, if any, specified in the Transfer Certificate as its effective date, provided that it is signed by the Agent under Clause 24.3 (*Transfer Certificate, delivery and notification*) on or before that date.

24.5 No transfer without Transfer Certificate

Except as provided in Clause 24.16 (*Security over Lenders' rights*), no assignment or transfer of any right or obligation of a Lender under any Finance Document is binding on, or effective in relation to, the Borrower, any Obligor, the Agent or the Security Trustee unless it is effected, evidenced or perfected by a Transfer Certificate.

24.6 Lender re-organisation; waiver of Transfer Certificate

However, if a Lender enters into any merger, de-merger or other reorganisation as a result of which all its rights or obligations vest in another person (the "successor"), the Agent may, if it sees fit, by notice to the successor and the Borrower and the Security Trustee waive the need for the execution and delivery of a Transfer Certificate; and, upon service of the Agent's notice, the successor shall become a Lender with the same Commitment and Contribution as were held by the predecessor Lender.

24.7 Effect of Transfer Certificate

A Transfer Certificate takes effect in accordance with English law as follows:

- (a) to the extent specified in the Transfer Certificate, all rights and interests (present, future or contingent) which the Transferor Lender has under or by virtue of the Finance Documents are assigned to the Transferee Lender absolutely, free of any defects in the Transferor Lender's title and of any rights or equities which the Borrower or any Obligor had against the Transferor Lender;
- (b) the Transferor Lender's Commitment is discharged to the extent specified in the Transfer Certificate;
- (c) the Transferee Lender becomes a Lender with the Contribution previously held by the Transferor Lender and a Commitment of an amount specified in the Transfer Certificate;
- (d) the Transferee Lender becomes bound by all the provisions of the Finance Documents which are applicable to the Lenders generally, including those about pro-rata sharing and the exclusion of liability on the part of, and the indemnification of, the Agent and the Security Trustee and, to the extent that the Transferee Lender becomes bound by those provisions (other than those relating to exclusion of liability), the Transferor Lender ceases to be bound by them;
- (e) any part of the Loan which the Transferee Lender advances after the Transfer Certificate's effective date ranks in point of priority and security in the same way as it would have ranked had it been advanced by the transferor, assuming that any defects in the transferor's title and any rights or equities of the Borrower or any Obligor against the Transferor Lender had not existed;
- (f) the Transferee Lender becomes entitled to all the rights under the Finance Documents which are applicable to the Lenders generally, including but not limited to those relating to the Majority Lenders and those under Clause 6.6 (*Market disruption*) and Clause 9 (*Fees*), and to the extent that the Transferee Lender becomes entitled to such rights, the Transferor Lender ceases to be entitled to them; and
- (g) in respect of any breach of a warranty, undertaking, condition or other provision of a Finance Document or any misrepresentation made in or in connection with a Finance Document, the Transferee Lender shall be entitled to recover damages by reference to the loss incurred by it as a result of the breach or misrepresentation, irrespective of whether the original Lender would have incurred a loss of that kind or amount.

The rights and equities of the Borrower or any Obligor referred to above include, but are not limited to, any right of set off and any other kind of cross-claim.

24.8 Maintenance of register of Lenders

During the Security Period the Agent shall maintain a register in which it shall record the name, Commitment, Contribution and administrative details (including the Facility Office) from time to time of each Lender holding a Transfer Certificate and the effective date (in accordance with Clause 24.4 (*Effective Date of Transfer Certificate*)) of the Transfer Certificate; and the Agent shall make the register available for inspection by any Lender, the Security Trustee and the Borrower during normal banking hours, subject to receiving at least 3 Business Days' prior notice.

24.9 Reliance on register of Lenders

The entries on that register shall, in the absence of manifest error, be conclusive in determining the identities of the Lenders and the amounts of their Commitments and Contributions and the effective dates of Transfer Certificates and may be relied upon by the Agent and the other parties to the Finance Documents for all purposes relating to the Finance Documents.

24.10 Authorisation of Agent to sign Transfer Certificates

The Borrower, the Security Trustee and each Lender irrevocably authorise the Agent to sign Transfer Certificates on its behalf.

24.11 Fees and Costs

In respect of any Transfer Certificate:

- (a) the Agent shall be entitled to recover a registration fee of five thousand Euros (€5,000) from the Transferor Lender or (at the Agent's option) the Transferee Lender;
- (b) the Transferee Lender shall pay to the Agent, upon demand, all reasonable costs and expenses, duties and fees, including but without limitation legal costs and out of pocket expenses, incurred by the Agent or the Lenders in connection with any necessary amendment to or supplementing of the Transaction Documents or any of them or the SACE Insurance Policy as a consequence of the assignment or transfer; and
- (c) the Transferee Lender shall pay to the Agent, upon demand, such amount as is payable to the Italian Authorities to cover its costs of giving its approval under Clause 24.1 (*Transfer by a Lender*).

24.12 Sub-participation; subrogation assignment

A Lender may sub-participate all or any part of its rights and/or obligations under or in connection with the Finance Documents without the consent of, or any notice to, the Borrower, any Obligor, the Agent or the Security Trustee but with the prior written consent of SACE.

24.13 Disclosure of information

A Lender may disclose to a potential Transferee Lender or sub participant any information which the Lender has received in relation to the Borrower, any Obligor or their affairs under or in connection with any Finance Document, unless the information is clearly of a confidential nature.

24.14 Change of Facility Office

Subject to the prior written consent of SACE, a Lender may change its Facility Office by giving notice to the Agent and the change shall become effective on the later of:

- (a) the date on which the Agent receives the notice; and
- (b) the date, if any, specified in the notice as the date on which the change will come into effect, provided that if (i) a Lender assigns or transfers any of its rights or obligations under the Finance Documents or changes its Facility Office, and (ii) as a result of circumstances existing at the date the assignment, transfer or change occurs, an Obligor would be obliged to make a payment or an increased payment to the new Lender or Lender acting through its new Facility Office under Clause 10 (*Taxes, Increased Costs, Costs and Related Charges*), then the new Lender or Lender acting through its new Facility Office is only entitled to receive payment under that Clause to the same extent as the existing Lender or Lender acting through its previous Facility Office would have been if the assignment, transfer or change had not occurred.

24.15 Notification

On receiving such a notice, the Agent shall notify the Borrower and the Security Trustee; and, until the Agent receives such a notice, it shall be entitled to assume that a Lender is acting through the Facility Office of which the Agent last had notice.

24.16 Security over Lenders' rights

In addition to the other rights provided to Lenders under this Clause 24 (*Changes to the Lenders*) each Lender may without consulting with or obtaining consent from the Borrower or any Obligor but subject to the prior written consent of SACE, at any time charge, assign or otherwise create a Security Interest in or over (whether by way of collateral or otherwise) all or any of its rights under any Finance Document to secure obligations of that Lender (i) to the benefit of any Affiliate and/or (ii) within the framework of its, or its Affiliates, direct or indirect funding operations including, without limitation:

- (a) any charge, assignment or other Security Interest to secure obligations to a federal reserve, central bank or a multilateral development bank (including the European Investment Bank and the European Investment Fund); and
- (b) in the case of any Lender which is a fund, any charge, assignment or other Security Interest granted to any holders (or trustee or representatives of holders) of obligations owed, or securities issued, by that Lender as security for those obligations or securities;

except that no such charge, assignment or Security Interest shall:

- (i) release a Lender from any of its obligations under the Finance Documents or substitute the beneficiary of the relevant charge, assignment or Security Interest for the Lender as a party to any of the Finance Documents; or
- (ii) alter the obligations of the Obligor or require any payments to be made by the Borrower or any Obligor or grant to any person any more extensive rights than those required to be made or granted to the relevant Lender under the Finance Documents.

24.17 Assignment or transfer to SACE

Notwithstanding the above provisions of this Clause 24 (*Changes to the Lenders*) each Lender and the Agent shall, if so instructed by SACE in accordance with the provisions of the SACE Insurance Policy and without any requirement for the consent of any Obligor, assign its rights or (as the case may be) transfer its rights and obligations to SACE (but for the avoidance of doubt, SACE will not assume any of the Lenders' obligations pursuant to Clauses 10 (*Taxes, Increased Costs, Costs and Related Charges*) or 33 (*Confidentiality*) of this Agreement), which assignment or transfer shall take effect upon the date stated in the relevant documentation subject to SACE being satisfied that it has complied with all necessary "know your customer" requirements in relation to such assignment or transfer;

- (b) The Agent shall promptly notify the Obligors of any such assignment or transfer to SACE and, following an Event of Default, the Obligors shall pay to the Agent, upon demand, all reasonable costs and expenses, duties and fees, including but without limitation legal costs and out of pocket expenses, incurred by SACE, the Agent or the Lenders in connection with any such assignment or transfer.

24.18 No prejudice to SACE rights

Nothing in the Finance Documents shall prejudice or otherwise limit:

- (a) the rights of any Lender to assign its rights or transfer its rights and obligations, under, or in connection with, any Finance Document to SACE or as directed by SACE; and
- (b) the right of SACE to be subrogated to any Lender's rights under, or in connection with, any Finance Document.

24.19 SACE's power to direct

The Creditor Parties agree and the Obligors acknowledge that SACE has the right to direct the decision-making of the Agent and/or the Security Trustee, including (without limitation) following an Event of Default.

25 CHANGES TO THE OBLIGORS

25.1 No change without consent

No Obligor may assign any of its rights or transfer any of its rights or obligations under the Finance Documents.

26 ROLE OF THE AGENT AND THE JOINT MANDATED LEAD ARRANGERS

26.1 Appointment of the Agent

- (a) Each other Secured Party appoints the Agent to act as its agent under and in connection with this Agreement and the other Finance Documents, the SACE Insurance Policy and the Interest Make Up Agreement.

- (b) Each other Secured Party authorises the Agent to exercise the rights, powers, authorities and discretions specifically given to the Agent under or in connection with the Finance Documents together with any other incidental rights, powers, authorities and discretions.

26.2 Duties of the Agent

- (a) The Agent shall promptly forward to a Party the original or a copy of any document which is delivered to the Agent for that Party by any other Party.
- (b) Except where a Finance Document specifically provides otherwise, the Agent is not obliged to review or check the adequacy, accuracy or completeness of any document it forwards to another Party.
- (c) If the Agent receives notice from a Party referring to this Agreement, describing an Event of Default and stating that the circumstance described is an Event of Default, it shall promptly notify the other Secured Parties.
- (d) If the Agent is aware of the non-payment of any principal, interest, commitment fee or other fee payable to a Secured Party (other than the Agent or a Joint Mandated Lead Arranger) under this Agreement it shall promptly notify the other Secured Parties.
- (e) The Agent's duties under the Finance Documents are solely administrative in nature.

26.3 Role of Joint Mandated Lead Arrangers

None of the Joint Mandated Lead Arrangers has any obligations of any kind to any other Party under or in connection with any Transaction Document, the Interest Make-Up Agreement or the SACE Insurance Policy.

26.4 No fiduciary duties

- (a) Nothing in this Agreement constitutes the Agent or any of the Joint Mandated Lead Arrangers as a trustee or fiduciary of any other person.
- (b) Neither the Agent nor any of the Joint Mandated Lead Arrangers shall be bound to account to any Lender for any sum or the profit element of any sum received by it for its own account.

A Finance Document may be executed in any number of counterparts.

36.4 Third party rights

- (a) Except for SACE and its successors, transferees and assignees or as otherwise provided in a Finance Document, a person who is not a Party has no right under the Contracts (Rights of Third Parties) Act 1999 (the “**Third Party Act**”) to enforce or to enjoy the benefit of any term of this Agreement.

Clauses 1.2 (*Construction of certain terms*) to 1.6 (*General Interpretation*) of the Loan Agreement apply, with any necessary modifications, to this Guarantee.

1.4 Non-applicable provisions between the Guarantor and German Lenders

The Guarantor acknowledges and agrees that to the extent required for compliance with Section 7 of the Foreign Commerce Regulation (*Außenwirtschaftsverordnung*) (the “Foreign Commerce Regulation”) and any other anti-boycott legislation, in connection with section 4 paragraph (1)(a)(3) of the Foreign Trade Law (*Außenwirtschaftsgesetz*) by any Lender incorporated or having its registered office or Facility Office in the Federal Republic of Germany (a **“German Lender”**), the Guarantor does not make (a) any representation under Clause 10.12 (*Sanctions*) or (b) any undertakings under any of Clause 11.19 (*Illicit Payments*), Clause 11.20 (*Prohibited Payments*), and Clause 11.21 (*Sanctions*) of this Guarantee, to or in favour of any German Lender.

2 GUARANTEE

2.1 Guarantee and indemnity

The Guarantor unconditionally and irrevocably:

(a) guarantees to the Security Trustee punctual performance by the Borrower of all the Borrower's obligations under or in connection with the Loan Agreement and every other Finance Document;

(b) undertakes to the Security Trustee that whenever the Borrower does not pay any amount when due under or in connection with the Loan Agreement and the other Finance Documents, the Guarantor shall immediately on demand pay that amount as if it was the principal obligor;

(c) agrees that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify the Security Trustee and each other Secured Party immediately on demand by the Security Trustee against any cost, loss or liability it incurs as a result of the Borrower not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under the Loan Agreement or any other Finance Document on the date when it would have been due. Any such demand for indemnification shall be made through the Security Trustee, for itself or on behalf of the Secured Parties. The amount payable by the Guarantor under this indemnity will not exceed the amount it would have had to pay under this Clause 2.1 (*Guarantee and indemnity*) if the amount claimed had been recoverable on the basis of a guarantee.

2.2 No limit on number of demands

The Security Trustee may serve any number of demands under Clause 2.1 (*Guarantee and indemnity*).

3 LIABILITY AS PRINCIPAL AND INDEPENDENT DEBTOR

3.1 Principal and independent debtor

The Guarantor shall be liable under this Guarantee as a principal and independent debtor and accordingly it shall not have, as regards this Guarantee, any of the rights or defences of a surety.

3.2 Waiver of rights and defences

Without limiting the generality of Clause 3.1 (*Principal and independent debtor*), the obligations of the Guarantor under this Guarantee will not be affected by an act, omission, matter or thing which, but for this Clause, would reduce, release or prejudice any of its obligations under this Guarantee (without limitation and whether or not known to it or any Secured Party) including:

(a) any time, waiver or consent granted to, or composition with, the Borrower or other person;

(b) the release of the Borrower or any other person under the terms of any composition or arrangement with any creditor of any affiliate of the Borrower;

(c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, the Borrower or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;

(d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of the Borrower or any other person;

(e) any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of any Finance Document or any other document or security including without limitation any change in the purpose of, any extension of or any increase in any facility or the addition of any new facility under any Finance Document or other document or security;

- (f) any insolvency or similar proceedings;
- (g) any arrangement or concession (including a rescheduling or acceptance of partial payments) relating to, or affecting, the Finance Documents;
- (h) any release or loss whatsoever of any guarantee, right or Security Interest created by the Finance Documents;

4 EXPENSES

4.1 Costs of preservation of rights, enforcement etc

The Guarantor shall pay to the Security Trustee on its demand the amount of all expenses incurred by the Security Trustee or any other Secured Party in connection with any matter arising out of this Guarantee or any Security Interest connected with it, including any advice, claim or proceedings relating to this Guarantee or such a Security Interest.

4.2 Fees and expenses payable under Loan Agreement

Clause 4.1 (*Costs of preservation of rights, enforcement etc*) is without prejudice to the Guarantor's liabilities in respect of the Borrower's obligations under clauses 9 (*Fees*) and 10 (*Taxes, Increased Costs, Costs and Related Charges*) of the Loan Agreement and under similar provisions of other Finance Documents.

5 ADJUSTMENT OF TRANSACTIONS

5.1 Reinstatement of obligation to pay

The Guarantor shall pay to the Security Trustee on its demand any amount which any Secured Party is required, or agrees, to pay pursuant to any claim by, or settlement with, a trustee in bankruptcy of the Borrower or of any other Obligor (or similar person) on the ground that the Loan Agreement or any other Finance Document, or a payment by the Borrower or of such other Obligor, was invalid or on any similar ground.

6 PAYMENTS

6.1 Method of payments

Any amount due under this Guarantee shall be paid:

- (a) in immediately available funds;
- (b) to such account as the Security Trustee may from time to time notify to the Guarantor;
- (c) without any form of set-off, cross-claim or condition; and

- (d) free and clear of any tax deduction except a tax deduction which the Guarantor is required by law to make.

6.2 Grossing-up for taxes

If the Guarantor is required by law to make a tax deduction, the amount due to the Security Trustee shall be increased by the amount necessary to ensure that the Security Trustee and (if the payment is not due to the Security Trustee for its own account) the Secured Party beneficially interested in the payment receives and retains a net amount which, after the tax deduction, is equal to the full amount that it would otherwise have received.

6.3 Tax Credits

If an additional payment is made by the Guarantor under this Clause and any Secured Party determines that it has received or been granted a credit against or relief of or calculated with reference to the deduction giving rise to such additional payment, such Secured Party shall, to the extent that it can do so without prejudice to the retention of the amount of such credit, relief, remission or repayment and provided that it has received the cash benefit of such credit, relief or remission, pay to the Guarantor such amount as such Secured Party shall in its reasonable opinion have concluded to be attributable to the relevant deduction. Any such payment shall be conclusive evidence of the amount due to the Guarantor hereunder and shall be accepted by the Guarantor in full and final settlement of its rights of reimbursement hereunder in respect of such deduction. Nothing herein contained shall interfere with the right of each Secured Party to arrange its tax affairs in whatever manner it thinks fit.

- 6.4** To the extent that this Clause 6 (*Payments*) imposes obligations or restrictions on a Secured Party, such obligations or restrictions shall not apply to SACE and SACE shall have no obligations hereunder nor be constrained by such restrictions.

7 INTEREST

7.1 Accrual of interest

Any amount due under this Guarantee shall carry interest after the date on which the Security Trustee demands payment of it until it is actually paid, unless interest on that same amount also accrues under the Loan Agreement.

7.2 Calculation of interest

Interest on sums payable under this Guarantee shall be calculated and accrue in the same way as interest under clause 6 (*Interest*) of the Loan Agreement.

7.3 Guarantee extends to interest payable under Loan Agreement

For the avoidance of doubt, it is confirmed that this Guarantee covers all interest payable under the Loan Agreement, including that payable under clause 17 (*Interest on Late Payments*) of the Loan Agreement.

8 SUBORDINATION

8.1 Subordination of rights of Guarantor

Until all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full and unless the Agent otherwise directs, all rights which the Guarantor at any time has (whether in respect of this Guarantee or any other transaction) against the Borrower, any other Obligor or their respective assets shall be fully subordinated to the rights of the Secured Parties under the Finance Documents; and in particular, the Guarantor shall not:

- (a) claim, or in a bankruptcy of the Borrower or any other Obligor prove for, any amount payable to the Guarantor by the Borrower or any other Obligor, whether in respect of this Guarantee or any other transaction;
- (b) take or enforce any Security Interest for any such amount;
- (c) exercise any right to be indemnified by an Obligor;
- (d) bring legal or other proceedings for an order requiring the Borrower or any other Obligor to make any payment, or perform any obligation, in respect of which any Guarantor has given a guarantee, undertaking or indemnity under this Guarantee;
- (e) claim to set-off any such amount against any amount payable by the Guarantor to the Borrower or any other Obligor; or
- (f) claim any subrogation or right of contribution or other right in respect of any Finance Document or any sum received or recovered by any Secured Party under a Finance Document.

If the Guarantor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Secured Parties by the Obligors under or in connection with the Finance Documents to be repaid in full on trust for the Secured Parties and shall promptly pay or transfer the same to the Security Trustee or as the Security Trustee may direct for application in accordance with the Loan Agreement and the Finance Documents.

9 ENFORCEMENT

9.1 No requirement to commence proceedings against Borrower

The Guarantor waives any right it may have of first requiring the Security Trustee or any other Secured Party to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Guarantor under this Guarantee. Neither the Security Trustee nor any other Secured Party will need to make any demand under, commence any proceedings under, or enforce any guarantee or any Security Interest contained in or created by, the Loan Agreement or any other Finance Document before claiming or commencing proceedings under this Guarantee. This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

9.2 Conclusive evidence of certain matters

9.3 Suspense account

Until all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full, the Security Trustee and any Secured Party may:

- (a) refrain from applying or enforcing any other moneys, security or rights held or received by it (or any trustee or agent on its behalf which, in the case of a Secured Party, shall include the Agent and the Security Trustee) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and the Guarantor shall not be entitled to the benefit of the same; and

(C) affect the ability of the Guarantor to comply with the financial covenants contained in Clause 11.15 (*Financial Covenants*) if such covenants were to be tested immediately following the grant of such loan or the issuance of such guarantee, as demonstrated by evidence satisfactory to the Security Trustee.

11.18 Most favoured nations

The Guarantor undertakes that if at any time after the date of this Guarantee it enters into any financial contract or financial document relating to any Financial Indebtedness with or which has the support of any export credit agency and which contains *pari passu* provisions or cross default provisions which are more favourable to the lenders than those contained in paragraph (l) of clause 11.2 (*Continuing representations and warranties*) of the Loan Agreement and clause 18.6 (*Cross default*) of the Loan Agreement respectively, the Guarantor shall immediately notify the Borrower and the Agent of such provisions and the relevant provisions contained in the Loan Agreement shall be deemed amended so that such more favourable *pari passu* provisions or cross default provisions are granted to the Creditor Parties pursuant to the Loan Agreement.

The Guarantor shall comply, or procure compliance with all Sanctions.

11.22 Additional Undertakings

The Guarantor shall not and shall procure that no Obligor shall do (or fail to do) or cause or permit another person to do (or omit to do) anything which is likely to:

- (a) make it unlawful for an Obligor to perform any of its obligations under the Transaction Documents;
- (b) cause any obligation of an Obligor under the Finance Documents to cease to be legal, valid, binding or enforceable if that cessation individually or together with any other cessations materially or adversely affects the interests of the Secured Parties under the Transaction Documents;

13.3 Sums deemed due to a Lender

For the purposes of this Clause 13 (*Set-Off*), a sum payable by the Guarantor to the Security Trustee for distribution to, or for the account of, a Lender shall be treated as a sum due to that Lender; and each Lender's proportion of a sum so payable for distribution to, or for the account of, the Lenders shall be treated as a sum due to that Lender.

The Guarantor agrees with the Security Trustee to be bound by all provisions of the Loan Agreement which are applicable to the Obligors in the same way as if those provisions had been set out (with any necessary modifications) in this Guarantee.

14.7 Applicability of provisions of Guarantee to other Security Interests

Any Security Interest which the Guarantor creates (whether at the time at which it signs this Guarantee or at any later time) to secure any liability under this Guarantee shall be a principal and independent security, and Clauses 3 (*Liability as Principal and Independent Debtor*) and 17 (*Invalidity of Loan Agreement*) shall, with any necessary modifications, apply to it, notwithstanding that the document creating the Security Interest neither describes it as a principal or independent security nor includes provisions similar to Clauses 3 (*Liability as Principal and Independent Debtor*) and 17 (*Invalidity of Loan Agreement*).

14.8 Applicability of provisions of Guarantee to other rights

Clauses 3 (*Liability as Principal and Independent Debtor*) and 17 (*Invalidity of Loan Agreement*) shall also apply to any right of set-off or netting or to combine accounts which the Guarantor creates by an agreement entered into at the time of this Guarantee or at any later time (notwithstanding that the agreement does not include provisions similar to Clauses 3 (*Liability as Principal and Independent Debtor*) and 17 (*Invalidity of Loan Agreement*)), being an agreement referring to this Guarantee.

14.12 SACE subrogation

The Guarantor acknowledges that immediately upon any payment by SACE of any amount due under the SACE Insurance Policy, SACE shall be automatically subrogated to the extent of such payment to the rights of the Security Trustee under this Guarantee in accordance with the SACE Insurance Policy.

In the event of:

- (a) the Loan Agreement or any provision thereof now being or later becoming, with immediate or retrospective effect, void, illegal, unenforceable or otherwise invalid for any reason whatsoever; or
- (b) without limiting the scope of paragraph (a), a bankruptcy of the Borrower, the introduction of any law or any other matter resulting in the Borrower being discharged from liability under the Loan Agreement, or the Loan Agreement ceasing to operate (for example, by interest ceasing to accrue);

this Guarantee shall cover any amount which would have been or become payable under or in connection with the Loan Agreement if the Loan Agreement had been and remained entirely valid, legal and enforceable, or the Borrower had not suffered bankruptcy, or any combination of such events or circumstances, as the case may be, and the Borrower had remained fully liable under it for liabilities whether invalidly incurred or validly incurred but subsequently retrospectively invalidated; and references in this Guarantee to amounts payable by the Borrower under or in connection with the Loan Agreement shall include references to any amount which would have so been or become payable as aforesaid.

6.2 Fixed Interest Rate

If the Borrower has specified a Fixed Interest Rate pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*), the Loan shall bear interest in respect of each Interest Period at the Fixed Interest Rate. Such interest shall accrue on the actual number of days elapsed based upon a 360 day year and shall be paid on the last day of each Interest Period.

If:

- (a) the Borrower has specified a Floating Interest Rate pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*); or

- (c) SIMEST has requested a change of currency pursuant to the Interest Make-Up Agreement and such change of currency is not agreed by the Borrower or Lenders in accordance with Clause 6.16 (*Change of currency*); or
- (d) SIMEST has failed to make a net payment of interest to the Lenders pursuant to the Interest Make-Up Agreement,

the rate of interest on the Loan in respect of any Interest Period shall be the Floating Interest Rate applicable for that Interest Period and the following provisions of this Clause 6 (*Interest*) shall apply (in the case of the circumstances referred to in paragraph (b) above, with effect from the date on which the Interest Make-up Agreement ceases to be in effect, with such consequential amendments as shall be necessary to give effect to the switch from a Fixed Interest Rate to a Floating Interest Rate).

6.4 Payment of Floating Interest Rate

Subject to the provisions of this Agreement, interest on the Loan, as applicable, in respect of each Interest Period shall accrue on the actual number of days elapsed based upon a 360 day year and shall be paid by the Borrower on the last day of that Interest Period.

6.5 Notification of Interest Periods and Floating Interest Rate

The Agent shall notify the Borrower and each Lender of each Floating Interest Rate and the duration of each Interest Period as soon as reasonably practicable after each is determined and no later than the Quotation Date.

6.6 Market disruption

The following provisions of this Clause 6 (*Interest*) apply if:

- (a) no rate is quoted on “Thomson Reuters Page EURIBOR01” (or any other page replacing it) and the Lenders do not, before 1.00 p.m. (CET time) on the Quotation Date for an Interest Period, provide quotations to the Agent in order to fix EURIBOR; or
- (b) at least 1 Business Day before the start of an Interest Period, Lenders having Contributions together amounting to more than [*] per cent. of the Loan (or, if an Advance has not been made, Commitments amounting to more than [*] per cent. of the Total Commitments) notify the Agent that EURIBOR fixed by the Agent would not accurately reflect the cost to those Lenders of funding their respective Contributions (or any part of them) during the Interest Period in the Relevant Interbank Market at or about 11.00 a.m. (CET time) on the Quotation Date for the Interest Period; or
- (c) at least 1 Business Day before the start of an Interest Period, the Agent is notified by a Lender (the “**Affected Lender**”) that for any reason it is unable to obtain Euros in the Relevant Interbank Market in order to fund its Contribution (or any part of it) during the Interest Period.

6.7 Notification of market disruption

The Agent shall promptly notify the Borrower and each of the Lenders stating the circumstances falling within Clause 6.6 (*Market disruption*) which have caused its notice to be given.

6.8 Suspension of drawdown

If the Agent’s notice under Clause 6.6 (*Market disruption*) is served before an Advance is made:

- (a) in a case falling within paragraphs (a) or (b) of Clause 6.6 (*Market disruption*), the Lenders’ obligations to make that Advance;
- (b) in a case falling within paragraph (c) of Clause 6.6 (*Market disruption*), the Affected Lender’s obligation to participate in that Advance;

shall be suspended while the circumstances referred to in the Agent’s notice continue.

6.9 Negotiation of alternative rate of interest

If the Agent’s notice under Clause 6.7 (*Notification of market disruption*) is served after an Advance is made, the Borrower, the Agent and the Lenders or (as the case may be) the Affected Lender shall use reasonable endeavours to agree, in consultation with SACE, within the 30 days after the date on which the Agent serves its notice under Clause 6.7 (*Notification of market disruption*) (the “**Negotiation Period**”), an alternative interest rate or (as the case may be) an alternative basis for the Lenders or (as the case may be) the Affected Lender to fund or continue to fund their or its Contribution during the Interest Period concerned.

6.10 Application of agreed alternative rate of interest

Any alternative interest rate or an alternative basis which is agreed during the Negotiation Period shall take effect in accordance with the terms agreed.

6.11 Alternative rate of interest in absence of agreement

If an alternative interest rate or alternative basis is not agreed within the Negotiation Period, and the relevant circumstances are continuing at the end of the Negotiation Period, then the Agent shall, with the agreement of each Lender or (as the case may be) the Affected Lender (and in consultation with SACE), set an interest period and interest rate representing the cost of funding of the Lenders or (as the case may be) the Affected Lender in Euros or in any available currency of their or its Contribution plus the Margin; and the procedure provided for by this Clause 6.11 (*Alternative rate of interest in absence of agreement*) shall be repeated if the relevant circumstances are continuing at the end of the interest period so set by the Agent.

6.12 Notice of prepayment

If the Borrower does not agree with an interest rate set by the Agent under Clause 6.11 (*Alternative rate of interest in absence of agreement*), the Borrower may give the Agent not less than 15 Business Days', or, if the Fixed Interest Rate has been selected pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*), 30 days, notice of its intention to prepay at the end of the interest period set by the Agent.

6.13 Prepayment; termination of Commitments

A notice under Clause 6.12 (*Notice of prepayment*) shall be irrevocable; the Agent shall promptly notify the Lenders or (as the case may require) the Affected Lender and, if the Fixed Interest Rate has been selected by the Borrower, SIMEST of the Borrower's notice of intended prepayment; and:

- (a) on the date on which the Agent serves that notice, the Total Commitments or (as the case may require) the Commitment of the Affected Lender shall be cancelled; and
- (b) on the last Business Day of the Interest Period set by the Agent, the Borrower shall prepay (without premium or penalty subject to the provisions of Clause 20.2 (*Breakage costs and SIMEST arrangements*)) the Loan or, as the case may be, the Affected Lender's Contribution, together with accrued interest thereon at the applicable rate (being either the Floating Interest Rate or the Fixed Interest Rate as specified by the Borrower pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*)).

6.14 Application of prepayment

The provisions of Clause 16 (*Cancellation, Prepayment and Mandatory Prepayment*) shall apply in relation to the prepayment.

6.15 Certain Circumstances

Notwithstanding anything to the contrary in this Agreement:

- (a) in the event of any circumstances falling within Clause 6.6 (*Market disruption*) which might affect the advance of an Advance on a Drawdown Date (the "**Relevant Circumstances**"):
 - (i) occurring and being continuing on the date falling ninety (90) days before the proposed Drawdown Date (the "**Relevant Date**"), each Lender will notify the Borrower (through the Agent) of the Relevant Circumstances on the Relevant Date or, if the Relevant Date is not a Business Day, on the next following Business Day; and
 - (ii) occurring after the Relevant Date, each Lender will notify the Borrower (through the Agent) immediately each Lender become aware of the Relevant Circumstances;

- (b) in the event of any Relevant Circumstances falling within paragraphs (a) or (b) of Clause 6.6 (*Market disruption*) (the "**Pricing-Related Relevant Circumstances**") occurring before an Advance is made available and notwithstanding the provisions of Clause 6.8 (*Suspension of drawdown*), each Lender will fund its respective Contributions by reference to the agreed alternative rate of interest in accordance with Clauses 6.9 (*Negotiation of alternative rate of interest*), 6.10 (*Application of agreed alternative rate of interest*) and 6.11 (*Alternative rate of interest in absence of agreement*) as if the provisions of such Clauses applied not only in the event that the Pricing-Related Relevant Circumstances have been notified by the Agent to the Borrower after the making of the Advance but also before the making of the Advance.

- (c) in the event of any Relevant Circumstances falling within paragraph (c) of Clause 6.6 (*Market disruption*) (the “**Availability-Related Relevant Circumstances**”) occurring before the Loan is made and notwithstanding the provisions of Clause 6.8 (*Suspension of drawdown*), each Lender will enter into good faith discussions with the Borrower for a period not exceeding 10 Business Days in order to discuss a basis on which the Lenders could be able to fund their respective Contributions in Euros (or, if unavailable in Euros, then in any available currency). Such discussions shall be without obligation on the Lenders provided that during such discussion period, such circumstances continue.

6.16 Change of currency

- (a) In the event that the Agent notifies the Borrower that SIMEST has requested a change in the currency of the Loan in accordance with clause 6.3 of the Interest Make-Up Agreement, the Borrower and the Lenders shall, without obligation, consider such request for a change of currency acting reasonably for a period of not exceeding 10 Business Days. Following such discussions the Agent shall report the decision of the Borrower and the Lenders to SIMEST, providing their reason for any negative decision.
- (b) In the event that a change of currency is agreed the Parties agree to negotiate in good faith the necessary changes to the Loan Agreement, the Finance Documents, the SACE Insurance Policy and the Interest Make-Up Agreement in order to document the change in currency.
- (c) In the event that a change in currency is not acceptable to the Lenders or the Borrower, the provision of paragraph (c) of Clause 6.3 (*Floating Interest Rate*) shall apply.

7 INTEREST PERIODS

- (a) 6 months; or
- (b) in the case of the first Interest Period applicable to the second and any subsequent Advance, a period ending on the last day of the Interest Period then current, whereupon all of the Advances shall be consolidated and treated as a single Advance; and

8 SACE PREMIUM AND ITALIAN AUTHORITIES

8.1 SACE Premium

The estimated SACE Premium for a maximum amount of [*] (being [*] per cent. ([*]%) of the Maximum Loan Amount) is due and payable in two instalments as follows:

- (a) the first instalment of the SACE Premium being an amount of [*] (calculated as being [*] per cent. ([*]%) of [*] per cent. ([*]%) of the Maximum Loan Amount) (the “**First Instalment**”) shall be paid by the Borrower to SACE (provided that the Borrower and the Lenders have been notified by the SACE Agent that the SACE Insurance Policy has been issued) on the earlier of (i) the date falling 30 days after the issuance of the SACE Insurance Policy and (ii) 16 June 2017, being the date falling 6 months after the date of SACE’s board approval; and
- (b) the second instalment of the SACE Premium being an amount of [*] (calculated as being [*] per cent. ([*]%) of [*] per cent. ([*]%) of the Maximum Loan Amount) (the “**Second Instalment**”) and shall be payable on the first Drawdown Date. For the sake of clarity, no set-off with the First Instalment shall be permitted.

8.2 Reimbursement by the Borrower of the SACE Premium

The Borrower irrevocably agrees to pay the First Instalment, and to instruct the Lenders to pay the Second Instalment on behalf of the Borrower as follows:

- (a) the Borrower has requested and the Lenders have agreed to reimburse the payment of one hundred per cent. (100%) of the First Instalment to the Borrower on the first Drawdown Date, it being agreed that such First Instalment shall be paid to SACE by the Borrower in accordance with paragraph (a) of Clause 8.1 (*SACE Premium*) and upon notification by the Agent to the Borrower (i) of the issuance of the SACE Insurance Policy documentation in the form required by paragraph (d) of Clause 3.6 (*No later than five (5) Business Days before the First Drawdown Date*), and (ii) of the amount of the First Instalment; and
- (b) the Borrower has requested and the Lenders have agreed to finance the payment of one hundred per cent. (100%) of the Second Instalment on the first Drawdown Date in accordance with paragraph (c) of Clause 2.1 (*Amount of facility*) of this Agreement.

Consequently, the Borrower hereby irrevocably instructs the Agent on behalf of the Lenders to pay the Second Instalment to SACE on the first Drawdown Date in accordance with paragraph (c) of Clause 2.1 (*Amount of facility*) of this Agreement and to reimburse the Borrower by the Borrower drawing under the Loan the amount of the First Instalment in accordance with paragraph (b) of Clause 2.1 (*Amount of facility*) of this Agreement.

The First Instalment and Second Instalment each financed by the Loan will be repayable in any event by the Borrower to the Lenders in the manner specified in Clause 5 (*Repayment*) and under any and all circumstances including but without limitation in the event of prepayment or acceleration of the Loan.

8.3 Italian Authorities

- (a) The Borrower acknowledges and agrees that the Agent and the Lenders are entitled to provide the Italian Authorities with any information they may have relative to the Loan and the business of the Group, to allow the Italian Authorities to inspect all their records relating to this Agreement and the other Transaction Documents and to furnish them with copies thereof. Any such information relative to the Loan may also be given by any Italian Authorities to international institutions charged with collecting statistical data.

- (b) The Borrower acknowledges that, in the making of any decision or determination or the exercise of any discretion or the taking or refraining to take any action under this Agreement or any of the other Finance Documents, the Agent and the Lenders shall be deemed to have acted reasonably if they have acted on the instructions of either of the Italian Authorities.
- (c) Each Party further undertakes not to act in a manner which is inconsistent with the terms of the SACE Insurance Policy and the Interest Make-up Agreement.

8.4 Refund

- (a) The Borrower shall, at the latest on the date falling sixty (60) days before the Intended Delivery Date, provide a notice in writing to the SACE Agent (who will promptly forward it to other Lenders and SACE), signed by an authorised signatory of the Borrower, indicating the amount of the Delivery Advance, being the amount set out in Schedule 6 (*Drawdown Schedule*) under the column entitled “Advance to be drawn under this Agreement” to be drawn on the Delivery Date less (i) any amount cancelled and (ii) the Refund (as defined below) to be refunded in accordance with paragraph (b), such amount of the Refund to be confirmed by SACE at least six (6) Business Days prior to the Delivery Date. The Borrower hereby agrees and shall confirm in such notice that the remaining Commitments shall be deemed to be cancelled. The Borrower acknowledges, for the avoidance of doubt, that the shortfall to be paid to the Builder at the Delivery Date shall be funded and paid directly by the Borrower to the Builder.

- (b) If the sum of the Advances drawn by the Borrower together with the amount notified by the Borrower pursuant to paragraph (a) and (a)(i) above (being the amount set out in Schedule 6 (*Drawdown Schedule*) under the column entitled “Advance to be drawn under this Agreement” to be drawn on the Delivery Date, less any amount cancelled) equals an aggregate of less than the Maximum Loan Amount, and provided that no Event of Default has occurred and is then continuing and no loss has occurred under the SACE Insurance Policy, the Borrower shall be entitled to a refund of the Second Instalment of the SACE Premium in an amount calculated by SACE on the undrawn amount (the “**Refund**”). For the avoidance of doubt, the First Instalment of the SACE Premium is non-refundable, irrespective of whether any disbursements have been made under this Agreement and irrespective of whether the SACE Insurance Policy has been terminated.

- (c) Any refund of the Second Instalment of the SACE Premium, whether in whole or in part, must be expressly requested by the SACE Agent to SACE in writing following receipt by the SACE Agent of the Borrower’s notice referred to in paragraph (a) above.

- (d) To the extent the Borrower is entitled to the Refund, SACE shall transfer the Refund as soon as practicably possible to the SACE Agent who shall as soon as practicably possible following receipt thereof transfer such amount to the Borrower. The Borrower hereby acknowledges that SACE shall not be liable to pay interest to the Borrower on the amount of the Refund.

- (e) Under the terms of the SACE Insurance Policy, the Parties acknowledge that SACE will withhold an amount of [*] per cent. ([*]%) from the amount of the SACE Premium to be refunded. Such withholding, charged as a lump sum to cover administration and management costs for the SACE Insurance Policy, may not, in any event, amount to less than [*] Euros (€[*]) or more than [*] Euros (€[*]), calculated by SACE as at the date of the refund request.

- (f) Except as set out in paragraph (a) and (c) above, no part of the SACE Premium is refundable to any Obligor.

- (g) In no event shall the SACE Agent be liable for any refund of the SACE Premium to be made by SACE or for the calculation of any Refund and/or withholding thereof.

10 TAXES, INCREASED COSTS, COSTS AND RELATED CHARGES

10.1 Definitions

- (a) In this Agreement:

“**Protected Party**” means a Secured Party which is or will be subject to any liability, or required to make any payment, for or on account of Tax in relation to a sum received or receivable (or any sum deemed for the purposes of Tax to be received or receivable) under a Finance Document;

“**Tax Credit**” means a credit against, relief or remission for, or repayment of any Tax.

“**Tax Deduction**” means a deduction or withholding for or on account of Tax from a payment under a Finance Document other than a FATCA Deduction.

“**Tax Payment**” means either the increase in a payment made by an Obligor to a Secured Party under Clause 10.2 (*Tax gross-up*) or a payment under Clause 10.3 (*Tax indemnity*).

- (b) Unless a contrary indication appears, in this Clause 10 (*Taxes, Increased Costs, Costs and Related Charges*) reference to “**determines**” or “**determined**” means a determination made in the absolute discretion of the person making the determination.

10.2 Tax gross-up

- (a) Each Obligor shall make all payments to be made by it under the Finance Documents without any Tax Deduction, unless a Tax Deduction is required by law.

- (b) The Borrower shall promptly upon becoming aware that an Obligor must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Agent accordingly. Similarly, a Lender shall notify the Agent on becoming so aware in respect of a payment payable to that Lender. If the Agent receives such notification from a Lender it shall notify the Borrower and that Obligor.

- (c) If a Tax Deduction is required by law to be made by an Obligor, the amount of the payment due from that Obligor shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required.

- (d) A payment shall not be increased under paragraph (c) above if on the date on which the payment falls due the Obligor making the payment is able to demonstrate that the payment could have been made to the Lender without the Tax Deduction had that Lender (having been given notice of the documentation requested under Clause 10.7 (*Lender Status*)) at least 30 Business Days prior to such payment date) complied with its obligations under Clause 10.7 (*Lender Status*).

- (e) If an Obligor is required to make a Tax Deduction, that Obligor shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.

- (f) Within thirty days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Obligor making that Tax Deduction shall deliver to the Agent for the Secured Party entitled to the payment evidence reasonably satisfactory to that Secured Party that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.

10.3 Tax indemnity

- The Borrower shall (within three Business Days of demand by the Agent) pay to a Protected Party an amount equal to the loss, liability or cost which that Protected Party determines will be or has been (directly or indirectly) suffered for or on account of Tax by that Protected Party in respect of a Finance Document.
- (a) Paragraph (a) above shall not apply:
- (i) with respect to any Tax assessed on a Secured Party:
 - (A) under the law of the jurisdiction in which that Secured Party is incorporated or, if different, the jurisdiction (or jurisdictions) in which that Secured Party is treated as resident for tax purposes; or
 - (B) under the law of the jurisdiction in which that Lender's Facility Office is located in respect of amounts received or receivable in that jurisdiction,if that Tax is imposed on or calculated by reference to the net income received or receivable (but not any sum deemed to be received or receivable) by that Secured Party; or
 - (ii) to the extent a loss, liability or cost is compensated for by an increased payment under Clause 10.2 (*Tax gross-up*) or would have been compensated for by an increased payment under Clause 10.2 (*Tax gross-up*) but was not so compensated solely because an exclusion in paragraph (d) of Clause 10.2 (*Tax gross-up*) applied, or relates to a FATCA Deduction required to be made by a Party; or
 - (iii) with respect to the Taxes in the nature of a branch profits tax imposed by Section 884(a) of the Code that is imposed by any jurisdiction described in paragraph (b)(i)(B) above.
- (c) A Protected Party making, or intending to make a claim under paragraph (a) above shall promptly notify the Agent of the event which will give, or has given, rise to the claim, following which the Agent shall notify the Borrower.
- (d) A Protected Party shall, on receiving a payment from an Obligor under this Clause 10.3 (*Tax indemnity*), notify the Agent.

10.4 Tax Credit

If an Obligor makes a Tax Payment and the relevant Creditor Party determines that:

- (a) a Tax Credit is attributable to an increased payment of which that Tax Payment forms part, to that Tax Payment or to a Tax Deduction in consequence of which that Tax Payment was required; and
- (b) that Creditor Party has obtained, retained and utilised that Tax Credit,

the Creditor Party shall pay an amount to the Obligor which that Creditor Party determines will leave it (after that payment) in the same after-Tax position as it would have been in had the Tax Payment not been required to be made by the Obligor.

10.5 Stamp taxes

The Borrower shall pay and, within three Business Days of demand, indemnify each Secured Party against any cost, loss or liability that Secured Party incurs in relation to all stamp duty, registration and other similar Taxes payable in respect of any Finance Document.

10.6 VAT

All amounts expressed to be payable under a Finance Document by any Party to a Secured Party which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply, and accordingly, subject to paragraph (b) below, if VAT is or becomes chargeable on any supply made by any Secured Party to any Party under a Finance Document and such Secured Party is required to account to the relevant tax authority for the VAT, that Party must pay to such Secured Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT (and such Secured Party must promptly provide an appropriate VAT invoice to that Party).

(a) If VAT is or becomes chargeable on any supply made by any Secured Party (the “**Supplier**”) to any other Secured Party (the “**Recipient**”) under a Finance Document, and any Party other than the Recipient (the “**Relevant Party**”) is required by the terms of any Finance Document to pay an amount equal to the consideration for that supply to the Supplier (rather than being required to reimburse or indemnify the Recipient in respect of that consideration):

(i) (where the Supplier is the person required to account to the relevant tax authority for the VAT) the Relevant Party must also pay to the Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The Recipient must (where this paragraph (i) applies) promptly pay to the Relevant Party an amount equal to any credit or repayment the Recipient receives from the relevant tax authority which the Recipient reasonably determines relates to the VAT chargeable on that supply; and

(ii) (where the Recipient is the person required to account to the relevant tax authority for the VAT) the Relevant Party must promptly, following demand from the Recipient, pay to the Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.

(c) Where a Finance Document requires any Party to reimburse or indemnify a Secured Party for any cost or expense, that Party shall reimburse or indemnify (as the case may be) such Secured Party for the full amount of such cost or expense, including such part of it as represents VAT, save to the extent that such Secured Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.

(d) Any reference in this Clause 10.6 (*VAT*) to any Party being required to account to a tax authority for VAT shall, at any time when such Party is treated as a member of a group for VAT purposes, include a reference to another member of that group being required to so account to the relevant tax authority.

(e) In relation to any supply made by a Secured Party to any Party under a Finance Document, if reasonably requested by such Secured Party, that Party must promptly provide such Secured Party with details of that Party’s VAT registration and such other information as is reasonably requested in connection with such Secured Party’s VAT reporting requirements in relation to such supply.

10.7 Lender Status

(a) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under a Finance Document shall deliver to the Agent and the Borrower, at the time or times reasonably requested by the Agent or the Borrower, such properly completed and executed documentation reasonably requested by the Agent or the Borrower (and which it is reasonable for the Lender to complete and execute) as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Agent or the Borrower, shall deliver such other documentation as prescribed by applicable law and reasonably requested by the Agent or the Borrower as will enable the Agent or the Borrower to determine whether or not such Lender is subject to backup withholding or information reporting requirements.

- Any Lender shall, to the extent it is legally entitled to do so, and where it is entitled to an exemption from, or reduction of, U.S. federal withholding tax, deliver to the Agent and the Borrower on or prior to the date on which such Lender becomes a Lender under this Agreement or promptly thereafter (and from time to time thereafter as prescribed by applicable law or upon the request of the Agent or the Borrower), duly executed and properly completed copies of Internal Revenue Service Form W-9 or W-8, as applicable, certifying that it is not subject to U.S. federal backup withholding and, in the case of a non-U.S. Lender that is eligible for an exemption from, or reduction of, U.S. federal withholding Tax establishing an exemption from, or reduction of, U.S. federal withholding Tax.
- (b)

10.8 FATCA Deduction

- Each Party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no Party shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction.
- (a)
- Each Party shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or the basis of such FATCA Deduction) notify the Party to whom it is making the payment and, in addition, shall notify the Borrower, the Agent and the other Secured Parties.
- (b)

10.9 FATCA Information

- Subject to paragraph (c) below, each Party shall, within ten Business Days of a reasonable request by another Party:
- (a)
- (i) confirm to that other Party whether it is:
- (A) a FATCA Exempt Party; or
- (B) not a FATCA Exempt Party;
- (ii) supply to that other Party such forms, documentation and other information relating to its status under FATCA as that other Party reasonably requests for the purposes of that other Party's compliance with FATCA; and
- (iii) supply to that other Party such forms, documentation and other information relating to its status as that other Party reasonably requests for the purposes of that other Party's compliance with any other law, regulation, or exchange of information regime.
- If a Party confirms to another Party pursuant to paragraph (a)(i) above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not or has ceased to be a FATCA Exempt Party, that Party shall notify that other Party reasonably promptly.
- (b)
- Paragraph (a) above shall not oblige any Creditor Party to do anything, and paragraph (a)(iii) above shall not oblige any other Party to do anything, which would or might in its reasonable opinion constitute a breach of:
- (c)
- (i) any law or regulation;
- (ii) any fiduciary duty; or

(iii) any duty of confidentiality.

(d) If a Party fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with paragraph (a)(i) or (ii) above (including, for the avoidance of doubt, where paragraph (c) above applies), then such Party shall be treated for the purposes of the Finance Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the Party in question provides the requested confirmation, forms, documentation or other information.

(e) Each Lender shall, within ten Business Days of (i) where the relevant Lender is a Lender at the date of this Agreement, the date of this Agreement and (ii) where the relevant Lender is a Transferee Lender, the effective date of a Transfer Certificate under Clause 24.4 (*Effective Date of Transfer Certificate*), supply to the Agent:

(i) CDP confirms, and the Borrower acknowledges, that as at the date of this Agreement CPD is a FATCA Exempt Party.

10.10 Increased Costs

(a) If after the date of this Agreement by reason of (x) any change in law or in its interpretation or administration and/or (y) compliance with any request from or requirement of any central bank or other fiscal, monetary or other authority including but without limitation the Basel Committee on Banking Regulations and Supervisory Practices whether or not having the force of law:

(i) any of the Lenders incurs a cost as a result of its performing its obligations under this Agreement and/or its making available its Commitment hereunder; or

(ii) there is any increase in the cost to any of the Lenders of funding or maintaining all or any of the advances comprised in a class of advances formed by or including its Commitment advanced or to be advanced by it hereunder; or

(iii) any of the Lenders incurs a cost as a result of its having entered into and/or its assuming or maintaining its commitment under this Agreement; or

- (iv) any of the Lenders becomes liable to make any payment on account of Tax or otherwise (other than Tax on its overall net income) on or calculated by reference to the amount of its Commitment advanced or to be advanced hereunder and/or any sum received or receivable by it hereunder; or
- (v) any of the Lenders suffers any decrease in its rate of return as a result of any changes in the requirements relating to capital ratios, monetary control ratios, the payment of special deposits, liquidity costs or other similar requirements affecting that Lender,

then the Borrower shall on demand pay to the Agent for the account of the relevant Lender or Lenders amounts sufficient to indemnify the relevant Lender or Lenders against, as the case may be, such cost, such increased cost (or such proportion of such increased cost as is in the reasonable opinion of the relevant Lender or Lenders attributable to the funding or maintaining of its or their Commitment(s) hereunder) or such liability.

(b) This Clause 10.10 (*Increased Costs*) does not apply to the extent any increased cost is:

- (i) attributable to a Tax Deduction required by law to be made by an Obligor;
- (ii) attributable to a FATCA Deduction required to be made by a Party;
- (iii) compensated for by Clause 10.3 (*Tax indemnity*) (or would have been compensated for under Clause 10.3 (*Tax indemnity*) but was not compensated solely because any of the exclusions in paragraph (b) of Clause 10.3 (*Tax indemnity*) applied); or
- (iv) attributable to the wilful breach by the relevant Creditor Party or its Affiliates of any law of regulation.

In this Clause 10.10 (*Increased Costs*), a reference to a “Tax Deduction” has the same meaning given to the term in Clause 10.1 (*Definitions*).

- (c) A Lender affected by any provision of this Clause 10.10 (*Increased Costs*) shall promptly inform the Agent after becoming aware of the relevant change and its possible results (which notice shall be conclusive evidence of the relevant change and its possible results) and the Agent shall, as soon as reasonably practicable thereafter, notify the Borrower of the change and its possible results. Without affecting the Borrower’s obligations under this Clause 10.10 (*Increased Costs*) and in consultation with the Agent and the Italian Authorities, the affected Lender will then take all such reasonable steps as may be open to it to mitigate the effect of the change (for example (if then possible) by changing its Facility Office or transferring some or all of its rights and obligations under this Agreement to another financial institution reasonably acceptable to the Borrower and the Agent and the Italian Authorities). The reasonable costs of mitigating the effect of any such change shall be borne by the Borrower save where such costs are of an internal administrative nature and are not incurred in dealings by any Lender with third parties.

10.11 Transaction Costs

The Borrower undertakes to pay to the Agent, upon demand, all costs and expenses, duties and fees, including but without limitation pre-agreed legal costs (which, for avoidance of doubt are exclusive of VAT and disbursements) out of pocket expenses and travel costs, reasonably incurred by the Italian Authorities, the Joint Mandated Lead Arrangers and the Lenders (but not including any bank which becomes a Lender after the date of this Agreement) in connection with the negotiation, preparation and execution of all agreements, guarantees, security agreements and related documents entered into, or to be entered into, for the purpose of the transaction contemplated hereby as well as all costs and expenses, duties and fees incurred by the Agent or the Lenders in connection with the registration, filing, enforcement or discharge of the said guarantees or security agreements, including without limitation the fees and expenses of legal advisers and insurance experts (provided that such insurance costs are not to exceed ten thousand Dollars (\$10,000)) and the fees and expenses of the Italian Authorities (including the fees and expenses of its legal advisers) payable by the Joint Mandated Lead Arrangers to the Italian Authorities, the cost of registration and discharge of security interests and the related travel and out of pocket expenses; the Borrower further undertakes to pay to the Agent all costs, expenses, duties and fees incurred by the Lenders and the Italian Authorities in connection with any variation of this Agreement and the related documents, guarantees and security agreements, any supplements thereto and waiver given in relation thereto, in connection with the investigation of any potential Event of Default, the enforcement or preservation of any rights under this Agreement and/or the related guarantees and security agreements, including in each case the fees and expenses of legal advisers, and in connection with the consultations or proceedings made necessary or in the opinion of the Agent desirable by the acts of, or failure to act on the part of, the Borrower.

10.12 Costs of delayed Delivery Date

10.13 SACE obligations

19.1 Receipts

Except as any Finance Document may otherwise provide, all sums received under this Agreement or any other Finance Document by the Agent, on behalf of the Lenders, or by any of the Lenders for any reason whatsoever will be applied:

- (a) in priority, to payments of any kind due or in arrears in the order of their due payment dates and first, to fees, charges and expenses, second, to interest payable pursuant to Clause 17 (*Interest on Late Payments*), third, to interest payable pursuant to Clause 6 (*Interest*), fourth, to the principal of the Loan payable pursuant to Clause 5 (*Repayment*), fifth, to any sums due pursuant to Clause 20.2 (*Breakage costs and SIMEST arrangements*) and, sixth, to any other sums due under this Agreement or any other Finance Document and, if relevant, *pro rata* to each of the Lenders; or
- (b) if no payments are in arrears or if these payments have been discharged as set out above, then and to sums remaining due under this Agreement or any other Finance Document and, if relevant, *pro rata* to each of the Lenders and in each case in inverse order of maturity, the interest being recalculated accordingly.

20 INDEMNITIES

20.1 Indemnities regarding borrowing and repayment of Loan

The Borrower shall fully indemnify the Agent and each Lender or SIMEST (but without double counting to the extent that a Lender is making a claim in respect of amounts owing to SIMEST) on the Agent's demand in respect of all claims, expenses, liabilities and losses which are made or brought against or incurred by that Secured Party, or which that Secured Party reasonably and with due diligence estimates that it will incur, as a result of or in connection with:

- (a) any part of the Loan not being borrowed on the date specified in a Drawdown Notice for any reason other than a default by the Lender claiming the indemnity;
- (b) the receipt or recovery of all or any part of the Loan or an overdue sum otherwise than on the last day of an Interest Period or other relevant period;
- (c) any failure (for whatever reason) by the Borrower to make payment of any amount due under a Finance Document on the due date or, if so payable, on demand (after giving credit for any default interest paid by the Borrower on the amount concerned under Clause 17 (*Interest on Late Payments*)); and

- (d) the occurrence and/or continuance of an Event of Default and/or the acceleration of repayment of the Loan under Clause 18 (*Events of Default*).

20.2 Breakage costs and SIMEST arrangements

Without limiting its generality, Clause 20.1 (*Indemnities regarding borrowing and repayment of Loan*) covers:

- (a) any claim, expense, liability or loss, including a loss of a prospective profit, incurred by a Lender in liquidating or employing deposits from third parties acquired or arranged to fund or maintain all or any part of its Contribution and/or any overdue amount (or an aggregate amount which includes its Contribution or any overdue amount);

if the Borrower has selected the Fixed Interest Rate in accordance with Clause 6.1 (*Fixed or Floating Interest Rate*), all of the amounts that SIMEST is entitled to charge, whether for taxes, costs, expenses, indemnities, penalties, losses or liabilities whatsoever, under and in accordance with the Interest Make-Up Agreement, including without limitation, as a result of any prepayment of all or any part of the Loan under this Agreement (whether voluntary, mandatory, following acceleration of the Loan or otherwise), as a result of an Interest Make-Up Event or as a result of the Borrower deciding to switch from the Fixed Interest Rate to another interest rate after the Drawdown Date and/or an Interest Make-up Event. Such amounts include, without limitation, (i) breakage costs, (ii) any amount due as a consequence of the close-out of any hedging arrangement entered into by SIMEST in relation to this Agreement, (iii) default interest and penalties (*maggiorazioni*) whenever applicable, and (iv) all amounts (if any) to be returned by the Agent to SIMEST under and pursuant to the Interest Make-Up Agreement; and

- (c) any other costs whatsoever or howsoever arising under or in respect of the Interest Make-Up Agreement which are passed to the Agent,

and any such costs imposed by SIMEST shall be paid by the Borrower to SIMEST through the Agent.

For the purposes of this Clause 20.2 (*Breakage costs and SIMEST arrangements*) “**Interest Make-Up Event**” means the occurrence of any circumstances which result in the termination, cancellation, revocation, cessation or suspension (in each case, in whole or in part) of the Interest Make-Up Agreement or the Interest Make-Up Agreement otherwise ceases or may cease to be in full force and effect or the Agent notifies the Borrower that the Fixed Interest Rate is not available for any reason, in each case, in accordance with the terms of the Interest Make-Up Agreement.

20.3 Miscellaneous indemnities

The Borrower shall fully indemnify each Secured Party severally on their respective demands in respect of all claims, expenses, liabilities and losses which may be made or brought against or incurred by a Secured Party, in any country, as a result of or in connection with:

- (a) any action taken, or omitted or neglected to be taken, under or in connection with any Finance Document by the Agent or any other Secured Party or by any receiver appointed under a Finance Document;
- (b) any other Pertinent Matter,

other than claims, expenses, liabilities and losses which are shown to have been directly and mainly caused by the dishonesty or wilful misconduct of the officers or employees of the Secured Party concerned.

Without prejudice to its generality, this Clause 20.3 (*Miscellaneous indemnities*) covers (i) any claims, expenses, liabilities and losses which arise, or are asserted, under or in connection with any law relating to safety at sea, the ISM Code or any Environmental Laws or any Sanctions and (ii) any claims, expenses, liabilities (including, without limitation, under a reputational standpoint) and losses which arise, or are asserted, against CDP under or in connection with any breach by the Borrower of any of the provisions paragraphs (nn) to (rr) of Clause 11.2 (*Continuing representations and warranties*) and/or of Clause 12.26 (*Code of Ethics and Model*).

20.4 Currency indemnity

If any sum due from an Obligor to a Secured Party under a Finance Document or under any order or judgment relating to a Finance Document has to be converted from the currency in which the Finance Document provided for the sum to be paid (the “**Contractual Currency**”) into another currency (the “**Payment Currency**”) for the purpose of:

- (a) making or lodging any claim or proof against an Obligor, whether in its liquidation, any arrangement involving it or otherwise; or
- (b) obtaining an order or judgment from any court or other tribunal; or
- (c) enforcing any such order or judgment,

the Borrower shall indemnify the Secured Party concerned against the loss arising when the amount of the payment actually received by that Secured Party is converted at the available rate of exchange into the Contractual Currency.

In this Clause 20.4 (*Currency indemnity*) the “**available rate of exchange**” means the rate at which the Secured Party concerned is able at the opening of business (Paris time) on the Business Day after it receives the sum concerned to purchase the Contractual Currency with the Payment Currency.

This Clause 20.4 (*Currency indemnity*) creates a separate liability of the Borrower which is distinct from its other liabilities under the Finance Documents and which shall not be merged in any judgment or order relating to those other liabilities.

20.5 Certification of amounts

A notice which is signed by 2 officers of a Secured Party, which states that a specified amount, or aggregate amount, is due to that Secured Party under this Clause 20 (*Indemnities*) and which indicates (without necessarily specifying a detailed breakdown) the matters in respect of which the amount, or aggregate amount, is due shall be prima facie evidence that the amount, or aggregate amount, is due.

20.6 Sums deemed due to a Lender

For the purposes of this Clause 20 (*Indemnities*), a sum payable by the Borrower to the Agent for distribution to a Lender shall be treated as a sum due to that Lender.

20.7 SACE obligations

To the extent that this Clause 20 (*Indemnities*) imposes obligations or restrictions on a Secured Party, such obligations or restrictions shall not apply to SACE and SACE shall have no obligations hereunder nor be constrained by such restrictions.

21 ILLEGALITY, ETC.

21.1 Illegality and Sanctions

This Clause 21 (*Illegality, etc.*) applies if:

- (a) a Lender (the “**Notifying Lender**”) notifies the Agent that:
 - (i) it becomes unlawful or contrary to any law, regulation or Sanctions – including by way of civil, administrative or criminal liability - in any applicable jurisdiction for the Notifying Lender to perform any of its obligations as contemplated by the Finance Documents or to fund its participation in the Loan; and/or
 - (ii) it becomes unlawful or contrary to any law, regulation or Sanctions – including by way of civil, administrative or criminal liability - in any applicable jurisdiction for the Notifying Lender to maintain its participation in the Loan; or
- (b) an Obligor is or becomes a Prohibited Person,

(such event, an “**Illegality or Sanctions Event**”).

21.2 Notification of illegality

- (a) The Agent shall promptly notify the Borrower, the Obligors and the other Lenders of the notice under Clause 21 (*Illegality, etc.*) which the Agent receives from the Notifying Lender.

Upon receipt of the notice under paragraph (a) above and provided that such Illegality or Sanctions Event is not applicable with immediate effect (in which case paragraph (a) of Clause 21.3 (*Prepayment; termination of Commitment*) will apply immediately and this paragraph (b) of Clause 21.2 (*Notification of illegality*) will not apply, the Agent shall, where the Borrower has selected the Fixed Interest Rate pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*), inform SIMEST in writing in order to start consultations between themselves (pursuant to clause 6 of the Interest Make-Up Agreement) with a view to exploring any possible solution to mitigate the Illegality or Sanctions Event preventing that Lender from performing any of its obligations under a Finance Document or funding or maintaining its share in the Loan. Any solution agreed between the Agent and SIMEST at the end of the consultation period (which shall last for a period of ten (10) days from the service of such notice on SIMEST) will be binding among themselves and shall be notified by the Agent to each Obligor immediately thereafter (and in any case no later than ten (10) days following such decision).

- (c) If at the end of the consultation procedure set out in paragraph (b) above, no solution is agreed between the Agent and SIMEST, the Agent must immediately notify the Lenders and the Obligors.

21.3 Prepayment; termination of Commitment

After notification under paragraph (c) above or (in case the Interest Make-Up Agreement has ceased to be in force and effect or the Fixed Interest Rate has not been selected pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*)) after notification under paragraph (a) above and subject to Clause 21.4 (*Mitigation*) below the Borrower must repay or prepay that Lender’s share in the Loan on the date specified in paragraph (c) below together with any breakage costs payable under Clause 20.2 (*Breakage costs and SIMEST arrangements*) and any indemnity payable under paragraph (c) of Clause 20.2 (*Breakage costs and SIMEST arrangements*) in respect of the Interest Make-Up Agreement;

- On the Agent notifying the Borrower under paragraph (c) of Clause 21.2 (*Notification of illegality*), the Notifying Lender's Commitment shall terminate; and thereupon or, if later, on the date specified in the Notifying Lender's notice under Clause 21.1 (*Illegality and Sanctions*) as the date on which the notified event would become effective the Borrower shall prepay the Notifying Lender's Contribution and shall pay compensation to the Notifying Lender calculated in accordance with Clause 16.2 (*Voluntary prepayment*).
- (b)
- (c) The date for repayment or prepayment of a Lender's share in the Loan will be:
- (i) the date specified by the Agent in the notification under paragraph (b) above; or
- (ii) in case the Interest Make-Up Agreement has ceased to be in full force and effect or the Fixed Interest Rate has not been selected pursuant to Clause 6.1 (*Fixed or Floating Interest Rate*), the last day of the current Interest Period for the relevant Advance or Advances or, if earlier, the date specified by the Lender in the notification under paragraph (a) above and which must not be earlier than the last day of any applicable grace period allowed by law.

21.4 Mitigation

- Each Secured Party shall, in consultation with the Borrowers, take all reasonable steps to mitigate any circumstances which arise and which would result in any amount becoming payable under or pursuant to, or cancelled pursuant to Clause 21.1 (*Illegality and Sanctions*) including (but not limited to) transferring its rights and obligations under the Finance Documents to another Affiliate or Facility Office.
- (a)
- (b) Paragraph (a) above does not in any way limit the obligations of any Obligor under the Finance Documents.

22 SET-OFF

22.1 Application of credit balances

Each Creditor Party may without prior notice:

- apply any balance (whether or not then due) which at any time stands to the credit of any account in the name of the Borrower at any office in any country of that Creditor Party in or towards satisfaction of any sum then due from the Borrower to that Creditor Party under any of the Finance Documents; and
- (a)
- (b) for that purpose:
- (i) break, or alter the maturity of, all or any part of a deposit of the Borrower;
- (ii) convert or translate all or any part of a deposit or other credit balance into Euros;
- (iii) enter into any other transaction or make any entry with regard to the credit balance which the Creditor Party concerned considers appropriate.

22.2 Existing rights unaffected

No Creditor Party shall be obliged to exercise any of its rights under Clause 22.1 (*Application of credit balances*); and those rights shall be without prejudice and in addition to any right of set-off, combination of accounts, charge, lien or other right or remedy to which a Creditor Party is entitled (whether under the general law or any document).

22.3 Sums deemed due to a Lender

For the purposes of this Clause 22 (*Set-Off*), a sum payable by the Borrower to the Agent for distribution to, or for the account of, a Lender shall be treated as a sum due to that Lender; and each Lender's proportion of a sum so payable for distribution to, or for the account of, the Lenders shall be treated as a sum due to such Lender.

22.4 No Security Interest

This Clause 22 (*Set-Off*) gives the Creditor Parties a contractual right of set-off only, and does not create any equitable charge or other Security Interest over any credit balance of the Borrower.

23 BAIL-IN

Notwithstanding any other term of any Finance Document or any other agreement, arrangement or understanding between the parties to a Finance Document, each Party acknowledges and accepts that any liability of any party to a Finance Document under or in connection with the Finance Documents may be subject to Bail-In Action by the relevant Resolution Authority and acknowledges and accepts to be bound by the effect of:

- (a) any Bail-In Action in relation to any such liability, including (without limitation):
 - (i) a reduction, in full or in part, in the principal amount, or outstanding amount due (including any accrued but unpaid interest) in respect of any such liability;
 - (ii) a conversion of all, or part of, any such liability into shares or other instruments of ownership that may be issued to, or conferred on, it; and
 - (iii) a cancellation of any such liability; and
- (b) a variation of any term of any Finance Document to the extent necessary to give effect to any Bail-in Action in relation to any such liability.

24 CHANGES TO THE LENDERS

24.1 Transfer by a Lender

Subject to Clause 24.5 (*No transfer without Transfer Certificate*), Clause 24.17 (*Assignment or transfer to SACE*) and Clause 24.14 (*Change of Facility Office*), a Lender (the “**Transferor Lender**”) may at any time provided they have obtained the prior written consent of the Italian Authorities cause:

- (a) its rights in respect of all or part of its Contribution; or
- (b) its obligations in respect of all or part of its Commitment; or
- (c) a combination of (a) and (b),

to be (in the case of its rights) transferred to, or (in the case of its obligations) assumed by, in whole or in part any of its Affiliates or another bank or financial institution or a trust, fund or other entity which is regularly engaged in or established for the purpose of making, purchasing or investing in loans, securities or other financial assets (a “**Transferee Lender**”) by delivering to the Agent a completed certificate in the form set out in Schedule 4 (*Form of Transfer Certificate*) with any modifications approved or required by the Agent (a “**Transfer Certificate**”) executed by the Transferor Lender and the Transferee Lender.

However any rights and obligations of the Transferor Lender in its capacity as Agent or Security Trustee will have to be dealt with separately in accordance with the provisions of Clauses 26 (*Role of the Agent and the Joint Mandated Lead Arrangers*) and 27 (*The Security Trustee*) respectively.

24.2 Conditions of assignment or transfer

- (a) The consent of the Borrower is required at all times (subject to the provisions of Clauses 24.5 (*No transfer without Transfer Certificate*) and 24.17 (*Assignment or transfer to SACE*) for an assignment or transfer by an Existing Lender, unless (i) there is an Event of Default or (ii) the assignment or transfer is to another Lender or an Affiliate of a Lender.
- (b) The consent of the Borrower to an assignment or transfer must not be unreasonably withheld or delayed. The Borrower will be deemed to have given its consent ten (10) Business Days after the Existing Lender has requested it unless consent is expressly refused by that Borrower within that time.
- (c) The assignment or transfer must be with respect to a minimum Commitment of [*] Euros (€[*]) or, if less, the Existing Lender's full Commitment.

24.3 Transfer Certificate, delivery and notification

As soon as reasonably practicable after a Transfer Certificate is delivered to the Agent, it shall (unless it has reason to believe that the Transfer Certificate may be defective):

- (a) sign the Transfer Certificate on behalf of itself, the Borrower, any other Obligors, the Security Trustee and each of the other Lenders;
- (b) on behalf of the Transferee Lender, send to the Borrower and each Obligor letters or faxes notifying them of the Transfer Certificate and attaching a copy of it; and
- (c) send to the Transferee Lender copies of the letters or faxes sent under paragraph (b) above,

but the Agent shall only be obliged to execute a Transfer Certificate delivered to it by the Transferor Lender and the Transferee Lender once it is satisfied it has complied with all necessary "know your customer" or other similar checks under all applicable laws and regulations in relation to the transfer to that Transferee Lender.

24.4 Effective Date of Transfer Certificate

A Transfer Certificate becomes effective on the date, if any, specified in the Transfer Certificate as its effective date, provided that it is signed by the Agent under Clause 24.3 (*Transfer Certificate, delivery and notification*) on or before that date.

24.5 No transfer without Transfer Certificate

Except as provided in Clause 24.16 (*Security over Lenders' rights*), no assignment or transfer of any right or obligation of a Lender under any Finance Document is binding on, or effective in relation to, the Borrower, any Obligor, the Agent or the Security Trustee unless it is effected, evidenced or perfected by a Transfer Certificate.

24.6 Lender re-organisation; waiver of Transfer Certificate

However, if a Lender enters into any merger, de-merger or other reorganisation as a result of which all its rights or obligations vest in another person (the "**successor**"), the Agent may, if it sees fit, by notice to the successor and the Borrower and the Security Trustee waive the need for the execution and delivery of a Transfer Certificate; and, upon service of the Agent's notice, the successor shall become a Lender with the same Commitment and Contribution as were held by the predecessor Lender.

24.7 Effect of Transfer Certificate

A Transfer Certificate takes effect in accordance with English law as follows:

- (a) to the extent specified in the Transfer Certificate, all rights and interests (present, future or contingent) which the Transferor Lender has under or by virtue of the Finance Documents are assigned to the Transferee Lender absolutely, free of any defects in the Transferor Lender's title and of any rights or equities which the Borrower or any Obligor had against the Transferor Lender;
- (b) the Transferor Lender's Commitment is discharged to the extent specified in the Transfer Certificate;
- (c) the Transferee Lender becomes a Lender with the Contribution previously held by the Transferor Lender and a Commitment of an amount specified in the Transfer Certificate;
- (d) the Transferee Lender becomes bound by all the provisions of the Finance Documents which are applicable to the Lenders generally, including those about pro-rata sharing and the exclusion of liability on the part of, and the indemnification of, the Agent and the Security Trustee and, to the extent that the Transferee Lender becomes bound by those provisions (other than those relating to exclusion of liability), the Transferor Lender ceases to be bound by them;
- (e) any part of the Loan which the Transferee Lender advances after the Transfer Certificate's effective date ranks in point of priority and security in the same way as it would have ranked had it been advanced by the transferor, assuming that any defects in the transferor's title and any rights or equities of the Borrower or any Obligor against the Transferor Lender had not existed;
- (f) the Transferee Lender becomes entitled to all the rights under the Finance Documents which are applicable to the Lenders generally, including but not limited to those relating to the Majority Lenders and those under Clause 6.6 (*Market disruption*) and Clause 9 (*Fees*), and to the extent that the Transferee Lender becomes entitled to such rights, the Transferor Lender ceases to be entitled to them; and
- (g) in respect of any breach of a warranty, undertaking, condition or other provision of a Finance Document or any misrepresentation made in or in connection with a Finance Document, the Transferee Lender shall be entitled to recover damages by reference to the loss incurred by it as a result of the breach or misrepresentation, irrespective of whether the original Lender would have incurred a loss of that kind or amount.

The rights and equities of the Borrower or any Obligor referred to above include, but are not limited to, any right of set off and any other kind of cross-claim.

24.8 Maintenance of register of Lenders

During the Security Period the Agent shall maintain a register in which it shall record the name, Commitment, Contribution and administrative details (including the Facility Office) from time to time of each Lender holding a Transfer Certificate and the effective date (in accordance with Clause 24.4 (*Effective Date of Transfer Certificate*)) of the Transfer Certificate; and the Agent shall make the register available for inspection by any Lender, the Security Trustee and the Borrower during normal banking hours, subject to receiving at least 3 Business Days' prior notice.

24.9 Reliance on register of Lenders

The entries on that register shall, in the absence of manifest error, be conclusive in determining the identities of the Lenders and the amounts of their Commitments and Contributions and the effective dates of Transfer Certificates and may be relied upon by the Agent and the other parties to the Finance Documents for all purposes relating to the Finance Documents.

24.10 Authorisation of Agent to sign Transfer Certificates

The Borrower, the Security Trustee and each Lender irrevocably authorise the Agent to sign Transfer Certificates on its behalf.

24.11 Fees and Costs

In respect of any Transfer Certificate:

- (a) the Agent shall be entitled to recover a registration fee of five thousand Euros (€5,000) from the Transferor Lender or (at the Agent's option) the Transferee Lender;
- (b) the Transferee Lender shall pay to the Agent, upon demand, all reasonable costs and expenses, duties and fees, including but without limitation legal costs and out of pocket expenses, incurred by the Agent or the Lenders in connection with any necessary amendment to or supplementing of the Transaction Documents or any of them or the SACE Insurance Policy as a consequence of the assignment or transfer; and
- (c) the Transferee Lender shall pay to the Agent, upon demand, such amount as is payable to the Italian Authorities to cover its costs of giving its approval under Clause 24.1 (*Transfer by a Lender*).

24.12 Sub-participation; subrogation assignment

A Lender may sub-participate all or any part of its rights and/or obligations under or in connection with the Finance Documents without the consent of, or any notice to, the Borrower, any Obligor, the Agent or the Security Trustee but with the prior written consent of SACE.

24.13 Disclosure of information

A Lender may disclose to a potential Transferee Lender or sub participant any information which the Lender has received in relation to the Borrower, any Obligor or their affairs under or in connection with any Finance Document, unless the information is clearly of a confidential nature.

24.14 Change of Facility Office

Subject to the prior written consent of SACE, a Lender may change its Facility Office by giving notice to the Agent and the change shall become effective on the later of:

- (a) the date on which the Agent receives the notice; and
- (b) the date, if any, specified in the notice as the date on which the change will come into effect, provided that if (i) a Lender assigns or transfers any of its rights or obligations under the Finance Documents or changes its Facility Office, and (ii) as a result of circumstances existing at the date the assignment, transfer or change occurs, an Obligor would be obliged to make a payment or an increased payment to the new Lender or Lender acting through its new Facility Office under Clause 10 (*Taxes, Increased Costs, Costs and Related Charges*), then the new Lender or Lender acting through its new Facility Office is only entitled to receive payment under that Clause to the same extent as the existing Lender or Lender acting through its previous Facility Office would have been if the assignment, transfer or change had not occurred.

24.15 Notification

On receiving such a notice, the Agent shall notify the Borrower and the Security Trustee; and, until the Agent receives such a notice, it shall be entitled to assume that a Lender is acting through the Facility Office of which the Agent last had notice.

24.16 Security over Lenders' rights

In addition to the other rights provided to Lenders under this Clause 24 (*Changes to the Lenders*) each Lender may without consulting with or obtaining consent from the Borrower or any Obligor but subject to the prior written consent of SACE, at any time charge, assign or otherwise create a Security Interest in or over (whether by way of collateral or otherwise) all or any of its rights under any Finance Document to secure obligations of that Lender (i) to the benefit of any Affiliate and/or (ii) within the framework of its, or its Affiliates, direct or indirect funding operations including, without limitation:

- (a) any charge, assignment or other Security Interest to secure obligations to a federal reserve, central bank or a multilateral development bank (including the European Investment Bank and the European Investment Fund); and
- (b) in the case of any Lender which is a fund, any charge, assignment or other Security Interest granted to any holders (or trustee or representatives of holders) of obligations owed, or securities issued, by that Lender as security for those obligations or securities;

except that no such charge, assignment or Security Interest shall:

- (i) release a Lender from any of its obligations under the Finance Documents or substitute the beneficiary of the relevant charge, assignment or Security Interest for the Lender as a party to any of the Finance Documents; or
- (ii) alter the obligations of the Obligor or require any payments to be made by the Borrower or any Obligor or grant to any person any more extensive rights than those required to be made or granted to the relevant Lender under the Finance Documents.

24.17 Assignment or transfer to SACE

Notwithstanding the above provisions of this Clause 24 (*Changes to the Lenders*) each Lender and the Agent shall, if so instructed by SACE in accordance with the provisions of the SACE Insurance Policy and without any requirement for the consent of any Obligor, assign its rights or (as the case may be) transfer its rights and obligations to SACE (but for the avoidance of doubt, SACE will not assume any of the Lenders' obligations pursuant to Clauses 10 (*Taxes, Increased Costs, Costs and Related Charges*) or 33 (*Confidentiality*) of this Agreement), which assignment or transfer shall take effect upon the date stated in the relevant documentation subject to SACE being satisfied that it has complied with all necessary "know your customer" requirements in relation to such assignment or transfer;

- (b) The Agent shall promptly notify the Obligors of any such assignment or transfer to SACE and, following an Event of Default, the Obligors shall pay to the Agent, upon demand, all reasonable costs and expenses, duties and fees, including but without limitation legal costs and out of pocket expenses, incurred by SACE, the Agent or the Lenders in connection with any such assignment or transfer.

24.18 No prejudice to SACE rights

Nothing in the Finance Documents shall prejudice or otherwise limit:

- (a) the rights of any Lender to assign its rights or transfer its rights and obligations, under, or in connection with, any Finance Document to SACE or as directed by SACE; and
- (b) the right of SACE to be subrogated to any Lender's rights under, or in connection with, any Finance Document.

24.19 SACE's power to direct

The Creditor Parties agree and the Obligors acknowledge that SACE has the right to direct the decision-making of the Agent and/or the Security Trustee, including (without limitation) following an Event of Default.

25 CHANGES TO THE OBLIGORS

25.1 No change without consent

No Obligor may assign any of its rights or transfer any of its rights or obligations under the Finance Documents.

26 ROLE OF THE AGENT AND THE JOINT MANDATED LEAD ARRANGERS

26.1 Appointment of the Agent

- (a) Each other Secured Party appoints the Agent to act as its agent under and in connection with this Agreement and the other Finance Documents, the SACE Insurance Policy and the Interest Make Up Agreement.
- (b) Each other Secured Party authorises the Agent to exercise the rights, powers, authorities and discretions specifically given to the Agent under or in connection with the Finance Documents together with any other incidental rights, powers, authorities and discretions.

26.2 Duties of the Agent

- (a) The Agent shall promptly forward to a Party the original or a copy of any document which is delivered to the Agent for that Party by any other Party.
- (b) Except where a Finance Document specifically provides otherwise, the Agent is not obliged to review or check the adequacy, accuracy or completeness of any document it forwards to another Party.
- (c) If the Agent receives notice from a Party referring to this Agreement, describing an Event of Default and stating that the circumstance described is an Event of Default, it shall promptly notify the other Secured Parties.
- (d) If the Agent is aware of the non-payment of any principal, interest, commitment fee or other fee payable to a Secured Party (other than the Agent or a Joint Mandated Lead Arranger) under this Agreement it shall promptly notify the other Secured Parties.
- (e) The Agent's duties under the Finance Documents are solely administrative in nature.

26.3 Role of Joint Mandated Lead Arrangers

None of the Joint Mandated Lead Arrangers has any obligations of any kind to any other Party under or in connection with any Transaction Document, the Interest Make-Up Agreement or the SACE Insurance Policy.

26.4 No fiduciary duties

- (a) Nothing in this Agreement constitutes the Agent or any of the Joint Mandated Lead Arrangers as a trustee or fiduciary of any other person.
- (b) Neither the Agent nor any of the Joint Mandated Lead Arrangers shall be bound to account to any Lender for any sum or the profit element of any sum received by it for its own account.

26.5 Business with the Guarantor

The Agent and each of the Joint Mandated Lead Arrangers may accept deposits from, lend money to and generally engage in any kind of banking or other business with any Affiliate or Subsidiary of the Guarantor.

26.6 Rights and discretions of the Agent

- (a) The Agent may rely on:
 - (i) any representation, notice or document believed by it to be genuine, correct and appropriately authorised; and
 - (ii) any statement made by a director, authorised signatory or employee of any person regarding any matters which may reasonably be assumed to be within his knowledge or within his power to verify.
- (b) The Agent may assume (unless it has received notice to the contrary in its capacity as agent for the Lenders) that:
 - (i) no Event of Default has occurred (unless it has actual knowledge of an Event of Default); and
 - (ii) any right, power, authority or discretion vested in any Party or the Lenders has not been exercised.
- (c) The Agent may engage, pay for and rely on the advice or services of any lawyers, accountants, surveyors or other experts.
- (d) The Agent may act in relation to the Finance Documents through its personnel and agents.
- (e) The Agent may disclose to any other Party any information it reasonably believes it has received as the Agent under this Agreement.
- (f) Notwithstanding any other provision of any Finance Document to the contrary, neither the Agent nor any of the Joint Mandated Lead Arrangers is obliged to do or omit to do anything if it would or might in its reasonable opinion constitute a breach of any law or regulation or a breach of a fiduciary duty or duty of confidentiality.

26.7 Lenders' and SACE's instructions

- (a) Unless a contrary indication appears in a Finance Document, the Agent shall:
 - (i) exercise any right, power, authority or discretion vested in it as Agent in accordance with any instructions given to it by the Majority Lenders and SACE (or, if so instructed by the Majority Lenders and SACE, refrain from exercising any right, power, authority or discretion vested in it as the Agent); and

- (ii) not be liable for any act (or omission) if it acts (or refrains from taking any action) in accordance with an instruction of the Majority Lenders and SACE.
- (b) Unless a contrary indication appears in a Finance Document, any instructions given by the Majority Lenders and SACE will be binding on all the Secured Parties.
- (c) The Agent may refrain from acting in accordance with the instructions of the Majority Lenders and SACE until it has received such security as it may require for any cost, loss or liability (together with any associated VAT) which it may incur in complying with the instructions.
- (d) In the absence of instructions from the Majority Lenders and SACE the Agent may act (or refrain from taking action) as it considers to be in the best interest of the Secured Parties.

- (c) the Recovering Creditor Party shall, within three (3) Business Days of demand by the Agent, pay to the Agent an amount (the “**Sharing Payment**”) equal to such receipt or recovery less any amount which the Agent determines may be retained by the Recovering Creditor Party as its share of any payment to be made, in accordance with Clause 19 (*Application of sums received*) and Clause 30 (*Payment Mechanics*).

29.4 Reversal of redistribution

If any provision of a Finance Document is or subsequently becomes void, unenforceable or illegal, that shall not affect the validity, enforceability or legality of the other provisions of that Finance Document or of the provisions of any other Finance Document.

36.3 Counterparts

A Finance Document may be executed in any number of counterparts.

36.4 Third party rights

- (a) Except for SACE and its successors, transferees and assignees or as otherwise provided in a Finance Document, a person who is not a Party has no right under the Contracts (Rights of Third Parties) Act 1999 (the “**Third Party Act**”) to enforce or to enjoy the benefit of any term of this Agreement.

1.4 Non-applicable provisions between the Guarantor and German Lenders

The Guarantor acknowledges and agrees that to the extent required for compliance with Section 7 of the Foreign Commerce Regulation (*Außenwirtschaftsverordnung*) (the “Foreign Commerce Regulation”) and any other anti-boycott legislation, in connection with section 4 paragraph (1)(a)(3) of the Foreign Trade Law (*Außenwirtschaftsgesetz*) by any Lender incorporated or having its registered office or Facility Office in the Federal Republic of Germany (a **“German Lender”**), the Guarantor does not make (a) any representation under Clause 10.12 (*Sanctions*) or (b) any undertakings under any of Clause 11.19 (*Illicit Payments*), Clause 11.20 (*Prohibited Payments*), and Clause 11.21 (*Sanctions*) of this Guarantee, to or in favour of any German Lender.

The Guarantor unconditionally and irrevocably:

(a) guarantees to the Security Trustee punctual performance by the Borrower of all the Borrower's obligations under or in connection with the Loan Agreement and every other Finance Document;

(b) undertakes to the Security Trustee that whenever the Borrower does not pay any amount when due under or in connection with the Loan Agreement and the other Finance Documents, the Guarantor shall immediately on demand pay that amount as if it was the principal obligor;

(c) agrees that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify the Security Trustee and each other Secured Party immediately on demand by the Security Trustee against any cost, loss or liability it incurs as a result of the Borrower not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under the Loan Agreement or any other Finance Document on the date when it would have been due. Any such demand for indemnification shall be made through the Security Trustee, for itself or on behalf of the Secured Parties. The amount payable by the Guarantor under this indemnity will not exceed the amount it would have had to pay under this Clause 2.1 (*Guarantee and indemnity*) if the amount claimed had been recoverable on the basis of a guarantee.

2.2 No limit on number of demands

The Security Trustee may serve any number of demands under Clause 2.1 (*Guarantee and indemnity*).

3 LIABILITY AS PRINCIPAL AND INDEPENDENT DEBTOR

3.1 Principal and independent debtor

The Guarantor shall be liable under this Guarantee as a principal and independent debtor and accordingly it shall not have, as regards this Guarantee, any of the rights or defences of a surety.

3.2 Waiver of rights and defences

Without limiting the generality of Clause 3.1 (*Principal and independent debtor*), the obligations of the Guarantor under this Guarantee will not be affected by an act, omission, matter or thing which, but for this Clause, would reduce, release or prejudice any of its obligations under this Guarantee (without limitation and whether or not known to it or any Secured Party) including:

- (a) any time, waiver or consent granted to, or composition with, the Borrower or other person;
- (b) the release of the Borrower or any other person under the terms of any composition or arrangement with any creditor of any affiliate of the Borrower;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, the Borrower or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of the Borrower or any other person;
- (e) any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of any Finance Document or any other document or security including without limitation any change in the purpose of, any extension of or any increase in any facility or the addition of any new facility under any Finance Document or other document or security;

4.2 Fees and expenses payable under Loan Agreement

Clause 4.1 (*Costs of preservation of rights, enforcement etc*) is without prejudice to the Guarantor's liabilities in respect of the Borrower's obligations under clauses 9 (*Fees*) and 10 (*Taxes, Increased Costs, Costs and Related Charges*) of the Loan Agreement and under similar provisions of other Finance Documents.

5 ADJUSTMENT OF TRANSACTIONS

5.1 Reinstatement of obligation to pay

The Guarantor shall pay to the Security Trustee on its demand any amount which any Secured Party is required, or agrees, to pay pursuant to any claim by, or settlement with, a trustee in bankruptcy of the Borrower or of any other Obligor (or similar person) on the ground that the Loan Agreement or any other Finance Document, or a payment by the Borrower or of such other Obligor, was invalid or on any similar ground.

6 PAYMENTS

6.1 Method of payments

Any amount due under this Guarantee shall be paid:

- (a) in immediately available funds;
- (b) to such account as the Security Trustee may from time to time notify to the Guarantor;
- (c) without any form of set-off, cross-claim or condition; and

- (d) free and clear of any tax deduction except a tax deduction which the Guarantor is required by law to make.

6.2 Grossing-up for taxes

If the Guarantor is required by law to make a tax deduction, the amount due to the Security Trustee shall be increased by the amount necessary to ensure that the Security Trustee and (if the payment is not due to the Security Trustee for its own account) the Secured Party beneficially interested in the payment receives and retains a net amount which, after the tax deduction, is equal to the full amount that it would otherwise have received.

6.3 Tax Credits

If an additional payment is made by the Guarantor under this Clause and any Secured Party determines that it has received or been granted a credit against or relief of or calculated with reference to the deduction giving rise to such additional payment, such Secured Party shall, to the extent that it can do so without prejudice to the retention of the amount of such credit, relief, remission or repayment and provided that it has received the cash benefit of such credit, relief or remission, pay to the Guarantor such amount as such Secured Party shall in its reasonable opinion have concluded to be attributable to the relevant deduction. Any such payment shall be conclusive evidence of the amount due to the Guarantor hereunder and shall be accepted by the Guarantor in full and final settlement of its rights of reimbursement hereunder in respect of such deduction. Nothing herein contained shall interfere with the right of each Secured Party to arrange its tax affairs in whatever manner it thinks fit.

- 6.4** To the extent that this Clause 6 (*Payments*) imposes obligations or restrictions on a Secured Party, such obligations or restrictions shall not apply to SACE and SACE shall have no obligations hereunder nor be constrained by such restrictions.

7 INTEREST

7.1 Accrual of interest

Any amount due under this Guarantee shall carry interest after the date on which the Security Trustee demands payment of it until it is actually paid, unless interest on that same amount also accrues under the Loan Agreement.

7.2 Calculation of interest

Interest on sums payable under this Guarantee shall be calculated and accrue in the same way as interest under clause 6 (*Interest*) of the Loan Agreement.

7.3 Guarantee extends to interest payable under Loan Agreement

For the avoidance of doubt, it is confirmed that this Guarantee covers all interest payable under the Loan Agreement, including that payable under clause 17 (*Interest on Late Payments*) of the Loan Agreement.

8 SUBORDINATION

8.1 Subordination of rights of Guarantor

Until all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full and unless the Agent otherwise directs, all rights which the Guarantor at any time has (whether in respect of this Guarantee or any other transaction) against the Borrower, any other Obligor or their respective assets shall be fully subordinated to the rights of the Secured Parties under the Finance Documents; and in particular, the Guarantor shall not:

If the Guarantor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Secured Parties by the Obligors under or in connection with the Finance Documents to be repaid in full on trust for the Secured Parties and shall promptly pay or transfer the same to the Security Trustee or as the Security Trustee may direct for application in accordance with the Loan Agreement and the Finance Documents.

9 ENFORCEMENT

9.1 No requirement to commence proceedings against Borrower

The Guarantor waives any right it may have of first requiring the Security Trustee or any other Secured Party to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Guarantor under this Guarantee. Neither the Security Trustee nor any other Secured Party will need to make any demand under, commence any proceedings under, or enforce any guarantee or any Security Interest contained in or created by, the Loan Agreement or any other Finance Document before claiming or commencing proceedings under this Guarantee. 1. Description of Business and Organization

We are a leading global cruise company which operates the Norwegian Cruise Line, Oceania Cruises and Regent Seven Seas Cruises brands. As of March 31, 2017, we had 24 ships with approximately 46,500 Berths. We plan to introduce eight additional ships through 2025 and we have an option to introduce two additional ships for delivery in 2026 and 2027, subject to certain conditions. One of the eight ships, Norwegian Joy, a ship tailored for Chinese travelers, was delivered in April 2017. Norwegian Bliss and an additional Breakaway Plus Class Ship are on order for delivery in the spring of 2018 and fall of 2019. We have an Explorer Class Ship on order for delivery in the winter of 2020. Project Leonardo will introduce an additional four ships with expected delivery dates through 2025. These additions to our fleet (exclusive of the option for two additional ships) will increase our total Berths to approximately 72,300.

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying consolidated financial statements are unaudited and, in our opinion, contain all normal recurring adjustments necessary for a fair statement of the results for the periods presented.

Our operations are seasonal and results for interim periods are not necessarily indicative of the results for the entire fiscal year. Historically, demand for cruises has been strongest during the Northern Hemisphere's summer months. The interim consolidated financial statements should be read in conjunction with the audited consolidated financial statements for the year ended December 31, 2016, which are included in our most recently filed Annual Report on Form 10-K.

Reclassification

Certain amounts in prior periods have been reclassified to conform to the current period presentation.

Earnings Per Share

A reconciliation between basic and diluted earnings per share was as follows (in thousands, except share and per share data):

	Three Months Ended March 31,	
	2017	2016
Net income	\$ 61,910	\$ 73,229
Basic weighted-average shares outstanding	227,468,526	227,239,533
Dilutive effect of awards	1,087,426	872,502
Diluted weighted-average shares outstanding	228,555,952	228,112,035
Basic earnings per share	\$ 0.27	\$ 0.32
Diluted earnings per share	\$ 0.27	\$ 0.32

For the three months ended March 31, 2017 and 2016 a total of 7.5 million and 7.6 million shares, respectively, have been excluded from diluted weighted-average shares outstanding because the effect of including them would have been anti-dilutive.

Revenue and Expense Recognition

Revenue and expenses include port fees and taxes. The amounts included on a gross basis are \$71.7 million and \$62.5 million for the three months ended March 31, 2017 and 2016, respectively.

Foreign Currency

The majority of our transactions are settled in U.S. dollars. We translate assets and liabilities of our foreign subsidiaries at exchange rates in effect at the balance sheet date. Gains or losses resulting from transactions denominated in other currencies are recognized in our consolidated statements of operations within other income (expense), net and such losses were approximately \$2.7 million and \$4.2 million for the three months ended March 31, 2017 and 2016, respectively.

Recently Issued Accounting Pronouncements

In January 2017, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2017-04 which simplifies the test for goodwill impairment by eliminating Step 2 from the goodwill impairment test. Step 2 measures a goodwill impairment loss by comparing the implied fair value of a reporting unit's goodwill with the carrying amount of that goodwill. The guidance is effective for annual or any interim goodwill impairment tests in years beginning after December 15, 2019. Early adoption is permitted for interim or annual goodwill impairment tests performed on testing dates after January 1, 2017. We do not expect to early adopt this guidance. We are currently evaluating the impact of the adoption of this guidance to our consolidated financial statements.

In August 2016, the FASB issued ASU No. 2016-15 which amends Topic 230 (Statement of Cash Flows) to eliminate discrepancies in reporting certain items in the statement of cash flows. The guidance is effective for annual periods beginning after December 15, 2017 and interim periods within those annual periods with early adoption permitted. The transition should be made using a retrospective approach. We do not believe that the adoption of this guidance will be material to our consolidated statements of cash flows.

In May 2016, the FASB issued ASU No. 2016-12 which addresses improvements to the guidance on revenue from contracts from customers regarding collectability, noncash consideration, and completed contracts at transition. Additionally, it provides a practical expedient for contract modifications at transition and an accounting policy election related to the presentation of sales taxes and other similar taxes collected from customers. The effective date of this guidance is upon adoption of ASU No. 2014-09 which is presented below. We are currently evaluating the impact of the adoption of this guidance to our consolidated financial statements.

In May 2016, the FASB issued ASU No. 2016-11 which is a rescission of Securities and Exchange Commission guidance related to the issuance of ASU No. 2014-09 which is presented below. The effective date of this guidance is upon adoption of ASU No. 2014-09. We are currently evaluating the impact of the adoption of this guidance to our consolidated financial statements.

In April 2016, the FASB issued ASU No. 2016-10 which does not change the core principle of the guidance in ASU No. 2014-09 but clarifies two aspects: identifying performance obligations and the licensing implementation guidance, while retaining the related principles for those areas. The effective date of this guidance is upon adoption of ASU No. 2014-09. We are currently evaluating the impact of the adoption of this guidance to our consolidated financial statements.

In February 2016, the FASB issued ASU No. 2016-02 which sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract (i.e. lessees and lessors). The ASU requires lessees to recognize assets and liabilities on the balance sheet for the rights and obligations created by all leases with terms of more than 12 months. The ASU further modifies lessors' classification criteria for leases and the accounting for sales-type and direct financing leases. The ASU will also require qualitative and quantitative disclosures designed to give financial statement users additional information on the amount, timing, and uncertainty of cash flows arising from leases. The ASU is effective for annual reporting periods, and interim periods within those annual periods, beginning after December 15, 2018 with early adoption permitted. The ASU is to be applied using a modified retrospective approach. We are currently reviewing our existing leases to evaluate the impact of the adoption of this guidance to our consolidated financial statements.

In May 2014, the FASB issued ASU No. 2014-09 which requires entities to recognize revenue through the application of a five-step model, including identification of the contract, identification of the performance obligations, determination of the transaction price, allocation of the transaction price to the performance obligation and recognition of revenue as the entity satisfies the performance obligations. Entities have the option of using either a full retrospective or a modified approach to adopt the guidance.

In August 2015, the FASB issued ASU No. 2015-14 deferring the effective date for one year. We can elect to adopt the provisions of ASU No. 2014-09 for annual periods beginning after December 15, 2017 including interim periods within that reporting period or we can elect to early adopt the guidance as of the original effective date. We expect to adopt a modified retrospective application for annual periods beginning after December 15, 2017. We have initiated an assessment of our systems, data and processes related to the implementation of this guidance. This assessment is expected to be completed during 2017. Additionally, we are currently evaluating our performance obligations and believe that our application of the guidance could result in changes in classification and additional disclosures.

6. Fair Value Measurements and Derivatives

Fair value is defined as the price at which an orderly transaction to sell an asset or to transfer a liability would take place between market participants at the measurement date under current market conditions (that is, an exit price at the measurement date from the perspective of a market participant that holds the asset or owes the liability).

Fair Value Hierarchy

The following hierarchy for inputs used in measuring fair value should maximize the use of observable inputs and minimize the use of unobservable inputs by requiring that the most observable inputs be used when available:

Level 1	Quoted prices in active markets for identical assets or liabilities that are accessible at the measurement dates.
Level 2	Significant other observable inputs that are used by market participants in pricing the asset or liability based on market data obtained from independent sources.
Level 3	Significant unobservable inputs we believe market participants would use in pricing the asset or liability based on the best information available.

Derivatives

We are exposed to market risk attributable to changes in interest rates, foreign currency exchange rates and fuel prices. We attempt to minimize these risks through a combination of our normal operating and financing activities and through the use of derivatives. We assess whether derivatives used in hedging transactions are "highly effective" in offsetting changes in the cash flow of our hedged forecasted transactions. We use regression analysis for this hedge relationship and high effectiveness is achieved when a statistically valid relationship reflects a high degree of offset and correlation between the fair values of the derivative and the hedged forecasted transaction. Cash flows from the derivatives are classified in the same category as the cash flows from the underlying hedged transaction. The determination of ineffectiveness is based on the amount of dollar offset between the cumulative change in fair value of the derivative and the cumulative change in fair value of the hedged transaction at the end of the reporting period. If it is determined that a derivative is not highly effective as a hedge, or if the hedged forecasted transaction is no longer probable of occurring, then the amount recognized in accumulated other comprehensive income (loss) is released to earnings. In addition, the ineffective portion of our highly effective hedges is recognized in earnings immediately and reported in other income (expense), net in our consolidated statements of operations. There are no amounts excluded from the assessment of hedge effectiveness and there are no credit-risk-related contingent features in our derivative agreements.

We monitor concentrations of credit risk associated with financial and other institutions with which we conduct significant business. Credit risk, including but not limited to counterparty non-performance under derivatives and our New Revolving Loan Facility, is not considered significant, as we primarily conduct business with large, well-established financial institutions that we have established relationships with and that have credit risks acceptable to us or the credit risk is spread out among a large number of creditors. We do not anticipate non-performance by any of our significant counterparties. The following table sets forth our derivatives measured at fair value and discloses the balance sheet location (in thousands):

The following table sets forth our derivatives measured at fair value and discloses the balance sheet location (in thousands):

The fair values of swap and forward contracts are determined based on inputs that are readily available in public markets or can be derived from information available in publicly quoted markets. The Company determines the value of options and collars utilizing an option pricing model based on inputs that are either readily available in public markets or can be derived from information available in publicly quoted markets. The option pricing model used by the Company is an industry standard model for valuing options and is used by the broker/dealer community. The inputs to this option pricing model are the option strike price, underlying price, risk-free rate of interest, time to expiration, and volatility. The fair value of option contracts considers both the intrinsic value and any remaining time value associated with those derivatives that have not yet settled. The Company also considers counterparty credit risk and its own credit risk in its determination of all estimated fair values. Our derivatives and financial instruments were categorized as Level 2 in the fair value hierarchy, and we had no derivatives or financial instruments categorized as Level 1 or Level 3.

Our derivative contracts include rights of offset with our counterparties. We have elected to net certain assets and liabilities within counterparties when the rights of offset exist. We are not required to post cash collateral related to our derivative instruments.

The following table discloses the gross and net amounts recognized within assets and liabilities (in thousands):

March 31, 2017	Gross Amounts		Gross Amounts Offset		Total Net Amounts		Gross Amounts Not Offset		Net Amounts

Fuel Swaps

As of March 31, 2017, we had fuel swaps maturing through December 31, 2020 which are used to mitigate the financial impact of volatility in fuel prices pertaining to approximately 1.6 million metric tons of our projected fuel purchases.

The effects on the consolidated financial statements of the fuel swaps which were designated as cash flow hedges were as follows (in thousands):

	Three Months Ended March 31,	
	2017	2016
Loss recognized in other comprehensive income – effective portion	\$ —	\$ (9,506)
Loss recognized in other income (expense), net – ineffective portion	(370)	(5,227)
Amount reclassified from accumulated other comprehensive income (loss) into fuel expense	8,003	31,137

We had fuel swaps that matured which were not designated as cash flow hedges. These fuel swaps were previously designated as cash flow hedges and were dedesignated due to a change in our expected future fuel purchases mix.

The effects on the consolidated financial statements of the fuel swaps which were dedesignated and recognized into earnings were as follows (in thousands):

	Three Months Ended March 31,	
	2017	2016
Amount reclassified from accumulated other comprehensive income (loss) into other income (expense), net	\$ —	\$ 1,529

Foreign Currency Options

We had foreign currency options that matured which consisted of call options with deferred premiums. These options were used to mitigate the financial impact of volatility in foreign currency exchange rates related to our ship construction contracts denominated in euros. If the spot rate at the date the ships were delivered was less than the strike price under these option contracts, we would have paid the deferred premium and would not exercise the foreign currency options.

The effects on the consolidated financial statements of the foreign currency options which were designated as cash flow hedges were as follows (in thousands):

	Three Months Ended March 31,	
	2017	2016
Amount reclassified from accumulated other comprehensive income (loss) into depreciation and amortization expense	\$ 330	\$ 330

Foreign Currency Forward Contracts

As of March 31, 2017, we had foreign currency forward contracts which are used to mitigate the financial impact of volatility in foreign currency exchange rates related to our ship construction contracts denominated in euros. The notional amount of our foreign currency forward contracts was €2.6 billion, or \$2.8 billion based on the euro/U.S. dollar exchange rate as of March 31, 2017.

The effects on the consolidated financial statements of the foreign currency forward contracts which were designated as cash flow hedges were as follows (in thousands):

	Three Months Ended March 31,	
	2017	2016
Gain recognized in other comprehensive income – effective portion	\$ 18,636	\$ 82,511
Gain (loss) recognized in other income (expense), net – ineffective portion	(50)	11
Amount reclassified from accumulated other comprehensive income (loss) into depreciation and amortization expense	618	645

Foreign Currency Collar

We had foreign currency collars that matured and were used to mitigate the volatility of foreign currency exchange rates related to our ship construction contracts denominated in euros.

The effects on the consolidated financial statements of the foreign currency collar which was designated as a cash flow hedge was as follows (in thousands):

	Three Months Ended March 31,	
	2017	2016
Amount reclassified from accumulated other comprehensive income (loss) into depreciation and amortization expense	\$ (91)	\$ (91)

The effect on the consolidated financial statements of the foreign currency collar which was not designated as a cash flow hedge was as follows (in thousands):

	Three Months Ended March 31,	
	2017	2016
Gain recognized in other income (expense)	\$ —	\$ 13,625

Interest Rate Swaps

As of March 31, 2017, we had interest rate swap agreements to hedge our exposure to interest rate movements and to manage our interest expense. The notional amount of outstanding debt associated with the interest rate swap agreements was \$282.0 million as of March 31, 2017.

The effects on the consolidated financial statements of the interest rate swaps which were designated as cash flow hedges were as follows (in thousands):

	Three Months Ended March 31,	
	2017	2016
Gain (loss) recognized in other comprehensive income – effective portion	\$ 284	\$ (2,555)
Gain recognized in other income (expense), net – ineffective portion	—	3
Amount reclassified from accumulated other comprehensive income (loss) into interest expense, net	845	1,000

Long-Term Debt

As of March 31, 2017 and December 31, 2016, the fair value of our long-term debt, including the current portion, was \$6,294.0 million and \$6,525.7 million, respectively, which was \$8.7 million and \$11.6 million higher, respectively, than the carrying values. The difference between the fair value and carrying value of our long-term debt is due to our fixed and variable rate debt obligations carrying interest rates that are above or below market rates at the measurement dates. The fair value of our long-term debt was calculated based on estimated rates for the same or similar instruments with similar terms and remaining maturities resulting in Level 2 inputs in the fair value hierarchy. Market risk associated with our long-term variable rate debt is the potential increase in interest expense from an increase in interest rates. The calculation of the fair value of our long-term debt is considered a Level 2 input.

Other

The carrying amounts reported in the consolidated balance sheets of all other financial assets and liabilities approximate fair value.

7. Employee Benefits and Compensation Plans

Share-Based Compensation

As a result of our adoption of ASU No. 2016-09, in the first quarter of 2017, we began accounting for forfeitures as they occur, rather than estimating expected forfeitures. Pursuant to the modified-retrospective application, the net cumulative effect of this change was recognized as a \$2.2 million increase to retained earnings as of January 1, 2017 (we refer you to our consolidated statements of changes in shareholders' equity).

8. Commitments and Contingencies

Ship Construction Contracts

Norwegian Joy was delivered in April 2017, we refer you to Note 10— “Subsequent Events”. We have two other Breakaway Plus Class Ships on order for delivery in the spring of 2018 and fall of 2019, respectively. Norwegian Joy and the two other Breakaway Plus Class Ships are approximately 168,000 Gross Tons each with approximately 3,880 to 4,000 Berths each. We have an Explorer Class Ship on order for delivery in the winter of 2020. We have export credit financing in place that provides financing for 80% of each ship’s contract price. As of March 31, 2017, the aggregate cost of these four ships on order was approximately € 3.1 billion or \$3.3 billion based on the exchange rate as of March 31, 2017.

Project Leonardo will introduce an additional four ships with expected delivery dates through 2025 and we have an option to introduce two additional ships for delivery in 2026 and 2027, subject to certain conditions. These four ships are each approximately 140,000 Gross Tons with approximately 3,300 Berths. The contract price for each of the additional four ships is approximately €800.0 million or \$852.2 million based on the exchange rate as of March 31, 2017. For ships expected to be delivered after 2023, the contract price is subject to adjustment under certain circumstances. We have export credit financing in place for the four ships that provides financing for 80% of the contract price of each ship expected to be delivered through 2025, subject to certain conditions.

In connection with the contracts to build the ships, we do not anticipate any contractual breaches or cancellation to occur. However, if any would occur, it could result in, among other things, the forfeiture of prior deposits or payments made by us and potential claims and impairment losses which may materially impact our business, financial condition and results of operations.

Litigation

In the normal course of our business, various claims and lawsuits have been filed or are pending against us. Most of these claims and lawsuits are covered by insurance and, accordingly, the maximum amount of our liability is typically limited to our deductible amount.

Nonetheless, the ultimate outcome of these claims and lawsuits that are not covered by insurance cannot be determined at this time. We have evaluated our overall exposure with respect to all of our threatened and pending litigation and, to the extent required, we have accrued amounts for all estimable probable losses associated with our deemed exposure. We are currently unable to estimate any other potential contingent losses beyond those accrued, as discovery is not complete nor is adequate information available to estimate such range of loss or potential recovery. However, based on our current knowledge, we do not believe that the aggregate amount or range of reasonably possible losses with respect to these matters will be material to our consolidated results of operations, financial condition or cash flows. We intend to vigorously defend our legal position on all claims and, to the extent necessary, seek recovery.

Basis of Presentation

The accompanying consolidated financial statements are unaudited and, in our opinion, contain all normal recurring adjustments necessary for a fair statement of the results for the periods presented.

Our operations are seasonal and results for interim periods are not necessarily indicative of the results for the entire fiscal year. Historically, demand for cruises has been strongest during the Northern Hemisphere's summer months. The interim consolidated financial statements should be read in conjunction with the audited consolidated financial statements for the year ended December 31, 2016, which are included in our most recently filed Annual Report on Form 10-K.

Reclassification

Certain amounts in prior periods have been reclassified to conform to the current period presentation.

Earnings Per Share

A reconciliation between basic and diluted earnings per share was as follows (in thousands, except share and per share data):

	Three Months Ended March 31,			
	2017		2016	
Net income	\$	61,910	\$	73,229
Basic weighted-average shares outstanding		227,468,526		227,239,533
Dilutive effect of awards		1,087,426		872,502
Diluted weighted-average shares outstanding		228,555,952		228,112,035
Basic earnings per share	\$	0.27	\$	0.32
Diluted earnings per share	\$	0.27	\$	0.32

For the three months ended March 31, 2017 and 2016 a total of 7.5 million and 7.6 million shares, respectively, have been excluded from diluted weighted-average shares outstanding because the effect of including them would have been anti-dilutive.

Revenue and Expense Recognition

Revenue and expenses include port fees and taxes. The amounts included on a gross basis are \$71.7 million and \$62.5 million for the three months ended March 31, 2017 and 2016, respectively.

Foreign Currency

The majority of our transactions are settled in U.S. dollars. We translate assets and liabilities of our foreign subsidiaries at exchange rates in effect at the balance sheet date. Gains or losses resulting from transactions denominated in other currencies are recognized in our consolidated statements of operations within other income (expense), net and such losses were approximately \$2.7 million and \$4.2 million for the three months ended March 31, 2017 and 2016, respectively.

Recently Issued Accounting Pronouncements

In January 2017, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2017-04 which simplifies the test for goodwill impairment by eliminating Step 2 from the goodwill impairment test. Step 2 measures a goodwill impairment loss by comparing the implied fair value of a reporting unit's goodwill with the carrying amount of that goodwill. The guidance is effective for annual or any interim goodwill impairment tests in years beginning after December 15, 2019. Early adoption is permitted for interim or annual goodwill impairment tests performed on testing dates after January 1, 2017. We do not expect to early adopt this guidance. We are currently evaluating the impact of the adoption of this guidance to our consolidated financial statements.

In August 2016, the FASB issued ASU No. 2016-15 which amends Topic 230 (Statement of Cash Flows) to eliminate discrepancies in reporting certain items in the statement of cash flows. The guidance is effective for annual periods beginning after December 15, 2017 and interim periods within those annual periods with early adoption permitted. The transition should be made using a retrospective approach. We do not believe that the adoption of this guidance will be material to our consolidated statements of cash flows.

In May 2016, the FASB issued ASU No. 2016-12 which addresses improvements to the guidance on revenue from contracts from customers regarding collectability, noncash consideration, and completed contracts at transition. Additionally, it provides a practical expedient for contract modifications at transition and an accounting policy election related to the presentation of sales taxes and other similar taxes collected from customers. The effective date of this guidance is upon adoption of ASU No. 2014-09 which is presented below. We are currently evaluating the impact of the adoption of this guidance to our consolidated financial statements.

In May 2016, the FASB issued ASU No. 2016-11 which is a rescission of Securities and Exchange Commission guidance related to the issuance of ASU No. 2014-09 which is presented below. The effective date of this guidance is upon adoption of ASU No. 2014-09. We are currently evaluating the impact of the adoption of this guidance to our consolidated financial statements.

In April 2016, the FASB issued ASU No. 2016-10 which does not change the core principle of the guidance in ASU No. 2014-09 but clarifies two aspects: identifying performance obligations and the licensing implementation guidance, while retaining the related principles for those areas. The effective date of this guidance is upon adoption of ASU No. 2014-09. We are currently evaluating the impact of the adoption of this guidance to our consolidated financial statements.

In February 2016, the FASB issued ASU No. 2016-02 which sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract (i.e. lessees and lessors). The ASU requires lessees to recognize assets and liabilities on the balance sheet for the rights and obligations created by all leases with terms of more than 12 months. The ASU further modifies lessors' classification criteria for leases and the accounting for sales-type and direct financing leases. The ASU will also require qualitative and quantitative disclosures designed to give financial statement users additional information on the amount, timing, and uncertainty of cash flows arising from leases. The ASU is effective for annual reporting periods, and interim periods within those annual periods, beginning after December 15, 2018 with early adoption permitted. The ASU is to be applied using a modified retrospective approach. We are currently reviewing our existing leases to evaluate the impact of the adoption of this guidance to our consolidated financial statements.

In May 2014, the FASB issued ASU No. 2014-09 which requires entities to recognize revenue through the application of a five-step model, including identification of the contract, identification of the performance obligations, determination of the transaction price, allocation of the transaction price to the performance obligation and recognition of revenue as the entity satisfies the performance obligations. Entities have the option of using either a full retrospective or a modified approach to adopt the guidance.

In August 2015, the FASB issued ASU No. 2015-14 deferring the effective date for one year. We can elect to adopt the provisions of ASU No. 2014-09 for annual periods beginning after December 15, 2017 including interim periods within that reporting period or we can elect to early adopt the guidance as of the original effective date. We expect to adopt a modified retrospective application for annual periods beginning after December 15, 2017. We have initiated an assessment of our systems, data and processes related to the implementation of this guidance. This assessment is expected to be completed during 2017. Additionally, we are currently evaluating our performance obligations and believe that our application of the guidance could result in changes in classification and additional disclosures.
