ABOUT THE MEETING

Why are we calling this Annual Meeting?

We are calling the Annual Meeting to seek the approval of our stockholders:

- To elect six director nominees to serve as directors until the next annual meeting of stockholders;
- To ratify the appointment of EisnerAmper LLP as our independent registered public accounting firm for the year ending December 31, 2023;
- To approve an amendment to the Company’s certificate of incorporation, as amended (the “Charter”), to effect a reverse stock split of our issued and outstanding shares of common stock, at a specific ratio, ranging from two-for-one (2:1) to twenty-for-one (20:1), at any time prior to the one-year anniversary date of the annual meeting, with the exact ratio to be determined by the Board (the “Reverse Split”);

- To consider any other matters that may properly come before the Annual Meeting.

What are the Board’s recommendations?

Our Board believes that the election of the director nominees identified herein, the appointment of EisnerAmper LLP as our independent registered public accounting firm for the year ending December 31, 2023, the approval of an amendment of our Charter to effect the Reverse Split and the approval of the 2023 Amendment to the 2016 Plan are advisable and in the best interests of the Company and its stockholders and recommends that you vote FOR each of the proposals.

Why did I receive a notice in the mail regarding the Internet availability of the proxy materials instead of a paper copy of the proxy materials?

In accordance with rules adopted by the Securities and Exchange Commission (the “SEC”), we have elected to furnish to our stockholders this Proxy Statement and our 2022 Annual Report by providing access to these documents on the Internet rather than mailing printed copies. Accordingly, a Notice of Internet Availability of Proxy Materials (the “Notice”) is being mailed to our stockholders of record and

beneficial owners which will direct stockholders to a website where they can access our proxy materials and view instructions on how to vote online or by telephone. If you would prefer to receive a paper copy of our proxy materials, please follow the instructions included in the Notice.

Who is entitled to vote at the meeting?

Only stockholders of record at the close of business on the record date, August 2, 2023 (the “Record Date”), are entitled to receive notice of the Annual Meeting and to vote the shares of common stock that they held on that date at the meeting, or any postponement or adjournment of the meeting. Holders of our common stock are entitled to one vote per share on each matter to be voted upon.

As of the Record Date, we had outstanding shares of common stock.

Who can attend the meeting?

Stockholders may submit questions in writing during the Annual Meeting at www.viewproxy.com/motusgi/2023/vm. Stockholders will need their Control Number (which can be obtained by following the procedures described under the heading “***How do I attend and vote shares at the Annual Meeting?***” above).

As part of the Annual Meeting, we will hold a live question and answer session, during which we intend to answer questions submitted in writing during the meeting in accordance with the Annual Meeting procedures which are pertinent to the Company and the meeting matters, as time permits.

There will be technicians ready to assist you with any technical difficulties you may have accessing the Annual Meeting live via the internet. Please be sure to check in by 9:00 a.m. eastern time on September 21, 2023, the day of the Annual Meeting, so we may address any technical difficulties before the Annual Meeting begins live via the internet. If you encounter any difficulties accessing the Annual Meeting during the check-in or meeting time, please email VirtualMeeting@viewproxy.com or call (866) 612-8937.

What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of the holders of one-third of our common stock outstanding on the Record Date will constitute a quorum for our meeting. Signed proxies received but not voted and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

How do I vote?

- **Before the Annual Meeting:** You can vote on matters that come before the Annual Meeting via the Internet, by following the instructions in the Notice at <https://www.cstproxyvote.com/motusgi/2023>, or by submitting your proxy card by mail. If you would prefer to vote by mail, please follow the instructions included in the Notice to receive a paper copy of our proxy materials.

If you are a stockholder of record, to submit your proxy by mail or vote via the Internet, follow the instructions on the proxy card or Notice. If you hold your shares in street name, you may vote via the Internet as instructed by your broker, bank or other nominee.

Your shares will be voted as you indicate on your proxy card. If you sign your proxy but you do not indicate your voting preferences, and with respect to any other matter that properly comes before the meeting, the individuals named on the proxy card will vote your shares in accordance with the recommendations of the Board, or if no recommendation is given, in their own discretion.

- **During the Annual Meeting:** If you attend the Annual Meeting and prefer to vote during the Annual Meeting, you may do so even if you have already voted your shares by proxy.

Even if you plan to attend the Annual Meeting, we encourage you to vote in advance by internet or mail so that your vote will be counted if you later decide not to attend the Annual Meeting.

What if I vote and then change my mind?

You may revoke your proxy at any time before it is exercised by:

- filing with the Secretary of the Company a notice of revocation;
- sending in another duly executed proxy bearing a later date; or

- attending the Annual Meeting and casting your vote in the manner set forth above.

For purposes of submitting your vote online before the Annual Meeting, you may change your vote until 11:59 p.m. Eastern Time on September 20, 2023. At this deadline, the last vote submitted will be the vote that is counted.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Many of our stockholders hold their shares through a stockbroker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record

If your shares are registered directly in your name with our transfer agent, Continental Stock Transfer & Trust, you are considered, with respect to those shares, the stockholder of record. As the stockholder of record, you have the right to grant your voting proxy directly to us or to vote at the Annual Meeting.

Beneficial Owner

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker, bank or nominee which is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker as to how to vote and are also invited to attend the Annual Meeting. However, because you are not the stockholder of record, you may not vote these shares at the Annual Meeting unless you obtain a signed proxy from the record holder giving you the right to vote the shares. If you do not vote your shares or otherwise provide the stockholder of record with voting instructions, your shares may constitute broker non-votes. The effect of broker non-votes is more specifically described in “*What vote is required to approve each proposal?*” below.

What vote is required to approve each proposal?

The holders of one-third of our common stock outstanding on the Record Date must be present, in person or by proxy, at the Annual Meeting in order to have the required quorum for the transaction of business. Pursuant to Delaware corporate law, abstentions and broker non-votes will be counted for the purpose of determining whether a quorum is present.

Assuming that a quorum is present, the following votes will be required:

- With respect to the first proposal (election of directors, “Proposal 1”), directors are elected by a plurality of the votes present in person or represented by proxy and entitled to vote, and the director nominees who receive the greatest number of votes at the Annual Meeting (up to the total number of directors to be elected) will be elected. As a result, abstentions and “broker non-votes” (see below), if any, will not affect the outcome of the vote on this proposal.
- The second proposal, to ratify the appointment of EisnerAmper LLP as our independent registered public accounting firm for 2023 (“Proposal 2”), requires the affirmative vote of a majority of the total votes cast, in person or by proxy. As a result, abstentions and “broker non-votes” (see below), if any, will not affect the outcome of the vote on this proposal.
- Proposal 3, the approval of an amendment to our Charter to effect the Reverse Split, requires the affirmative vote of a majority of the total votes cast, in person or by proxy. As a result, abstentions and “broker non-votes” (see below), if any, will not affect the outcome of the vote on this proposal.
- Proposal 4, the approval of the 2023 Amendment to the 2016 Plan, requires the affirmative vote of a majority of the total votes cast, in person or by proxy. As a result, abstentions and “broker non-votes” (see below), if any, will not affect the outcome of the vote on this proposal.

Holders of the common stock will not have any dissenters’ rights of appraisal in connection with any of the matters to be voted on at the meeting.

What are “broker non-votes”?

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, your shares are held by your broker, bank or other agent as your nominee, or in “street name,” and you will need to obtain a proxy form from the organization that holds your shares and follow the instructions included on that form regarding how to instruct the organization to vote your shares. Banks, brokers and other agents acting as nominees are permitted to use discretionary voting authority to vote proxies for proposals that are deemed “routine” by the New York Stock Exchange, but are not permitted to use discretionary voting authority to vote proxies for proposals that are deemed “non-routine” by the New York Stock Exchange. A broker “non-vote” occurs when a proposal is deemed “non-routine” and a nominee holding shares for a beneficial owner does not have discretionary voting authority with respect to the matter being considered and has not received instructions from the beneficial owner. The determination of which proposals are deemed “routine” versus “non-routine” may not be made by the New York Stock Exchange until after the date on which this proxy statement has been mailed to you. As such, it is important that you provide voting instructions to your bank, broker or other nominee, if you wish to determine the voting of your shares.

Under the applicable rules governing such brokers, we believe the election of directors (Proposal No. 1) is not likely to be considered a “routine” matter. This means brokers may not be permitted to vote on this matter if the broker has not received instructions from the beneficial owner. We believe the ratification of our independent registered public accounting firm (Proposal No. 2) and the amendment to our certificate of incorporation, as amended (Proposal No. 3), are likely to be considered “routine” matters, and hence your brokerage firm will be able to vote on Proposals No. 2 and 3 even if it does not receive instructions from you, so long as it holds your shares in its name. However, if the approval of Proposals No. 2 or 3 is deemed by the New York Stock Exchange to be a “non-routine” matter, brokers will not be permitted to vote on such proposals if the broker has not received instructions from the beneficial owner. Accordingly, it is particularly important that beneficial owners instruct their brokers how they wish to vote their shares.

How are we soliciting this proxy?

We are soliciting this proxy on behalf of our Board and will pay all expenses associated therewith. Some of our officers, directors and other employees also may, but without compensation other than their regular compensation, solicit proxies by further mailing or personal conversations, or by telephone, facsimile or other electronic means.

In addition, we have engaged Alliance Advisors, LLC to assist us in soliciting proxies from individuals, brokers, bank nominees and other institutional holders in the same manner described above. The fees that will be paid to Alliance Advisors, LLC are not to exceed \$10,000, plus approved out of pocket expenses.

We will also, upon request, reimburse brokers and other persons holding stock in their names, or in the names of nominees, for their reasonable out-of-pocket expenses for forwarding proxy materials to the beneficial owners of the capital stock and to obtain proxies.

Proposals should be addressed to:

Motus GI Holdings, Inc.

Ft. Lauderdale, FL 33301

Forward-looking statements include statements with respect to our beliefs, plans, objectives, goals, expectations, anticipations, assumptions, estimates, intentions and future performance, and involve known and unknown risks, uncertainties and other factors, which may be beyond our control, and which may cause our actual results, performance or achievements to be materially different from future results, performance or achievements expressed or implied by such forward-looking statements. All statements other than statements of historical fact are statements that could be forward-looking statements. PROPOSAL 1: TO ELECT SIX DIRECTORS TO SERVE UNTIL THE NEXT ANNUAL MEETING AND UNTIL THEIR SUCCESSORS HAVE BEEN DULY ELECTED AND QUALIFIED

Our Board is currently composed of six directors. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board to fill a vacancy, including vacancies created by an increase in the number of directors, shall hold office for the remainder of the full term of the director for which the vacancy was created or occurred and until such director's successor shall have been duly elected and qualified or until his or her earlier resignation, death or removal.

Each of the nominees listed below is currently one of our directors. If elected at the Annual Meeting, each of these nominees would serve until the next annual meeting and until his or her successor has been duly elected and qualified, or, if sooner, until his or her earlier resignation, death or removal.

Directors are elected by a plurality of the votes of the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. Abstentions and broker non-votes will not be treated as a vote for or against any particular director nominee and will not affect the outcome of the election. Stockholders may not vote, or submit a proxy, for a greater number of nominees than the six nominees named below. The director nominees receiving the highest number of affirmative votes will be elected. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the six director nominees named below. If any director nominee becomes unavailable for election as a result of an unexpected occurrence, shares that would have been voted for that nominee will instead be voted for the election of a substitute nominee proposed by our Board. Each person nominated for election has agreed to serve if elected. Our management has no reason to believe that any nominee will be unable to serve.

Nominees for Election until the Next Annual Meeting

The following table sets forth the name, age, position and tenure of each of our directors who are up for re-election at the 2023 Annual Meeting:

Name	Age	Position(s)	Served as an Officer or Director Since
Mark Pomeranz	62	Chief Executive Officer and Director	2016
Timothy P. Moran	51	Chairman of the Board	2018
David Hochman	48	Director	2016
Darren Sherman	51	Director	2016
Sonja Nelson	50	Director	2021
Gary J. Pruden	61	Director	2017

The following includes a brief biography of each of the nominees standing for election to the Board at the Annual Meeting, based on information furnished to us by each director nominee, with each biography including information regarding the experiences, qualifications, attributes or skills that caused the Nominating and Corporate Governance Committee and the Board to determine that the applicable nominee should serve as a member of our Board.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE ELECTION OF THE DIRECTOR NOMINEES.

CORPORATE GOVERNANCE

Board of Director Composition

Our Board is currently composed of six directors. Our directors hold office until their successors have been elected and qualified or until the earlier of their resignation or removal.

We have no formal policy regarding board diversity. Our priority in selection of board members is identification of members who will further the interests of our stockholders through his or her established record of professional accomplishment, the ability to contribute positively to the collaborative culture among board members, knowledge of our business and understanding of the competitive landscape.

Board of Director Meetings

Our Board met 8 times in 2022. Each of the directors attended at least 95% of the aggregate of (i) the total number of meetings of our Board (held during the period for which such directors served on the Board) and (ii) the total number of meetings of all committees of our Board on which the director served (during the periods for which the director served on such committee or committees). We do not have a formal policy requiring members of the Board to attend our annual meetings. Our last annual meeting of stockholders was held on June 30, 2022. All of our directors serving at the time attended last year’s annual meeting.

Director Independence

Our common stock is listed on The NASDAQ Capital Market. Under the rules of The NASDAQ Capital Market, independent directors must comprise a majority of our Board. In addition, the rules of The NASDAQ Capital Market require that all the members of such committees be independent. Audit committee members must also satisfy the independence criteria set forth in Rule 10A-3 under the Securities Exchange Act of 1934, as amended, or the Exchange Act. Compensation committee members must also satisfy the independence criteria established by The NASDAQ Capital Market in accordance with Rule 10C-1 under the Exchange Act. Under the rules of The NASDAQ Capital Market, a director will only qualify as an “independent director” if, among other qualifications, in the

opinion of that company's board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Our Board undertook a review of its composition, the composition of its committees and the independence of each director. Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, including family relationships, our Board has determined that Mr. Hochman, Mr. Sherman, Ms. Nelson and Mr. Pruden do not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is "independent" as that term is defined under the Rules of The NASDAQ Capital Market and the SEC.

In making this determination, our Board considered the relationships that each non-employee director has with our Company and all other facts and circumstances our Board deemed relevant in determining their independence. We intend to comply with the other independence requirements for committees within the time periods specified above.

Board Committees

Our Board has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. Our Board may establish other committees to facilitate the management of our business. The composition and functions of each committee named above are described below. Members serve on these committees until their resignation or until otherwise determined by our Board.

Audit Committee. Our Audit Committee consists of Ms. Nelson, Mr. Pruden and Mr. Sherman, with Ms. Nelson serving as the Chair of the Audit Committee. The Audit Committee met 7 times in 2022. Our Board has determined that the directors currently serving on our Audit Committee are independent within the meaning of the NASDAQ Marketplace Rules and Rule 10A-3 under the Exchange Act. In addition, our Board has determined that Ms. Nelson qualifies as an audit committee financial expert within the meaning of SEC regulations and The NASDAQ Marketplace Rules.

The Audit Committee oversees and monitors our financial reporting process and internal control system, reviews and evaluates the audit performed by our registered independent public accountants and reports to our Board any substantive issues found during the audit. The Audit Committee is directly responsible for the appointment, compensation and oversight of the work of our registered independent public accountants. The Audit Committee reviews and approves all transactions with affiliated parties. Our Board has adopted a written charter for the Audit Committee. A copy of the charter is posted under the "Investors" tab under "Corporate Governance" in our website, which is located at www.motusgi.com.

Compensation Committee. Our Compensation Committee consists of Mr. Hochman and Mr. Pruden. Mr. Hochman serves as the Chair of the Compensation Committee. The Compensation Committee met 3 times in 2022. Our Board has determined that the three directors currently serving on our Compensation Committee are independent under the listing standards, are "non-employee directors" as defined in Rule 16b-3 promulgated under the Exchange Act and are "outside directors" as that term is defined in Section 162(m) of the Internal Revenue Code of 1986, as amended.

The Compensation Committee provides advice and makes recommendations to our Board in the areas of employee salaries, benefit programs and director compensation. The Compensation Committee also reviews and approves corporate goals and objectives relevant to the compensation of our President, Chief Executive Officer, and other officers and makes recommendations in that regard to our Board as a whole.

The Compensation Committee has directly engaged a compensation consultant, F.W. Cook & Co., to provide advice and recommendations on the structure, amount and form of executive and director compensation and the competitiveness thereof. At the request of the Compensation Committee, the compensation consultant provided, among other things, comparative data from selected peer companies. The compensation consultant reports directly to the Compensation Committee. The Compensation Committee's decision to hire the compensation consultant was not made or recommended by Company management. The compensation consultant has not performed any work for the Company except with respect to the work that it has done directly for the Compensation Committee.

F.W. Cook & Co. also provides compensation consulting services to Orchestra BioMed, Inc., a former greater than 5% holder of our common stock and entity in which David Hochman, the Chairman of our Board and of the Compensation Committee, serves as a director and as chief executive officer. Our Compensation Committee has considered this business relationship in connection with its continued engagement of F.W. Cook & Co.

Our Board has adopted a written charter for the Compensation Committee. A copy of the charter is posted under the “Investors” tab under “Corporate Governance” in our website, which is located at www.motusgi.com.

Nominating and Corporate Governance Committee. Our Nominating and Corporate Governance Committee consists of Mr. Sherman and Mr. Pruden. Mr. Sherman serves as the Chair of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee met 3 times in 2022. The Nominating and Corporate Governance Committee nominates individuals to be elected to the Board by our stockholders. The Nominating and Corporate Governance Committee considers recommendations from stockholders if submitted in a timely manner in accordance with the procedures set forth in our bylaws and will apply the same criteria to all persons being considered. All members of the Nominating and Corporate Governance Committee are independent directors as defined under the NASDAQ listing standards. Our Board has adopted a written charter for the Nominating and Corporate Governance Committee. A copy of the charter is posted under the “Investors” tab under “Corporate Governance” in our website, which is located at www.motusgi.com.

Stockholder nominations for directorships

Stockholders may recommend individuals to the Nominating and Corporate Governance Committee for consideration as potential director candidates by submitting their names and background to the Secretary of the Company at the address set forth below under “Stockholder Communications” in accordance with the provisions set forth in our bylaws. All such recommendations will be forwarded to the Nominating and Corporate Governance Committee, which will review and only consider such recommendations if appropriate biographical and other information is provided, including, but not limited to, the items listed below, on a timely basis. All security holder recommendations for director candidates must be received by the Company in the timeframe(s) set forth under the heading “Stockholder Proposals” below.

- the name and address of record of the security holder;
- a representation that the security holder is a record holder of the Company’s securities, or if the security holder is not a record holder, evidence of ownership in accordance with Rule 14a-8(b)(2) of the Securities Exchange Act of 1934;
- the name, age, business and residential address, educational background, current principal occupation or employment, and principal occupation or employment for the preceding five (5) full fiscal years of the proposed director candidate;
- a description of the qualifications and background of the proposed director candidate and a representation that the proposed director candidate meets applicable independence requirements;
- a description of any arrangements or understandings between the security holder and the proposed director candidate; and
- the consent of the proposed director candidate to be named in the proxy statement relating to the Company’s annual meeting of stockholders and to serve as a director if elected at such annual meeting.

Assuming that appropriate information is provided for candidates recommended by stockholders, the Nominating and Corporate Governance Committee will evaluate those candidates by following substantially the same process, and applying substantially the same criteria, as for candidates submitted by members of the Board or other persons, as described above and as set forth in its written charter.

Board Leadership Structure and Role in Risk Oversight

The positions of our chairman of the Board and chief executive officer are separated. Separating these positions allows our chief executive officer to focus on our day-to-day business, while allowing the chairman of the Board to lead our Board in its fundamental role of providing advice to and independent oversight of management. Our Board recognizes the time, effort and energy that the chief executive officer must devote to his position in the current business environment, as well as the commitment required to serve as our chairman, particularly as our Board’s oversight responsibilities continue to grow. Our Board also believes that this structure ensures a greater role for the independent directors in the oversight of our Company and active participation of the independent directors in setting agendas and establishing priorities and procedures for the work of our Board. Our Board believes its administration of its risk oversight function has not affected its leadership structure.

Although our bylaws do not require our chairman and chief executive officer positions to be separate, our Board believes that having separate positions is the appropriate leadership structure for us at this time and demonstrates our commitment to good corporate governance.

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. We face a number of risks, including those described under the section entitled “Risk Factors” in our Annual Report on Form 10-K for the fiscal year ended December 31, 2022 and other reports filed with the SEC. Our Board is actively involved in oversight of risks that could affect us. This oversight is conducted primarily by our full Board, which has responsibility for general oversight of risks.

Our Board will satisfy this responsibility through full reports by each committee chair regarding the committee’s considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within our Company. Our Board believes that full and open communication between management and our Board is essential for effective risk management and oversight.

Stockholder Communications

Our Board will give appropriate attention to written communications that are submitted by stockholders, and will respond if and as appropriate. Absent unusual circumstances or as contemplated by committee charters, and subject to advice from legal counsel, the Secretary of the Company is primarily responsible for monitoring communications from stockholders and for providing copies or summaries of such communications to the Board as he considers appropriate.

Communications from stockholders will be forwarded to all directors if they relate to important substantive matters or if they include suggestions or comments that the Secretary considers to be important for the Board to know. Communication relating to corporate governance and corporate strategy are more likely to be forwarded to the Board than communications regarding personal grievances, ordinary business matters, and matters as to which the Company tends to receive repetitive or duplicative communications.

Stockholders who wish to send communications to the Board should address such communications to: The Board of Directors, Motus GI Holdings, Inc., 1301 East Broward Boulevard, 3rd Floor Ft. Lauderdale, FL 33301, Attention: Secretary.

Evaluations of the Board of Directors

The Board evaluates its performance and the performance of its committees and individual directors on an annual basis through an evaluation process administered by the Nominating and Corporate Governance Committee. The Board discusses each evaluation to determine what, if any, actions should be taken to improve the effectiveness of the Board or any committee thereof or of the directors.

Code of Business Conduct and Ethics

We have adopted a written code of business conduct and ethics that applies to our employees, officers and directors. A copy of the code is posted under the “Investors” tab under “Corporate Governance” in our website, which is located at www.motusgi.com. We intend to disclose future amendments to certain provisions of our code of business conduct and ethics, or waivers of such provisions applicable to any principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions, and our directors, on our website identified above or in filings with the SEC.

Anti-Hedging Policy

Under the terms of our insider trading policy, we prohibit each officer, director and employee, and each of their family members and controlled entities, from engaging in certain forms of hedging or monetization transactions. Such transactions include those, such as zero-cost collars and forward sale contracts, that would allow them to lock in much of the value of their stock holdings, often in exchange for all or part of the potential for upside appreciation in the stock, and to continue to own the covered securities but without the full risks and rewards of ownership.

Family Relationships

There are no family relationships among any of the directors or executive officers.

Limitation of Directors Liability and Indemnification

The Delaware General Corporation Law (the “DGCL”) authorizes corporations to limit or eliminate, subject to certain conditions, the personal liability of directors to corporations and their stockholders for monetary damages for breach of their fiduciary duties. Our certificate of incorporation limits the liability of our directors to the fullest extent permitted by Delaware law. In addition, we have entered into indemnification agreements with each of our directors and officers whereby we have agreed to indemnify those directors and officers to the fullest extent permitted by law, including indemnification against expenses and liabilities incurred in legal proceedings to which the director or officer was, or is threatened to be made, a party by reason of the fact that such director or officer is or was a director, officer, employee or agent of the Company, provided that such director or officer acted in good faith and in a manner that the director or officer reasonably believed to be in, or not opposed to, the best interests of the Company.

We have director and officer liability insurance to cover liabilities our directors and officers may incur in connection with their services to us, including matters arising under the Securities Act. Our certificate of incorporation and bylaws also provide that we will indemnify our directors and officers who, by reason of the fact that he or she is one of our officers or directors, is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative related to their board role with us.

There is no pending litigation or proceeding involving any of our directors, officers, employees or agents in which indemnification will be required or permitted. We are not aware of any threatened litigation or proceeding that may result in a claim for such indemnification.

The employment agreements with Israeli employees of Motus GI Medical Technologies Ltd., our wholly owned subsidiary, contain standard provisions for a company in our industry regarding non-competition, confidentiality of information and assignment of inventions. The enforceability of covenants not to compete in Israel is subject to limitations. For example, Israeli courts have required employers seeking to enforce non-compete undertakings of a former employee to demonstrate that the competitive activities of the former employee will harm one of a limited number of material interests of the employer which have been recognized by the courts, such as the secrecy of a company's confidential commercial information or its intellectual property.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information regarding the beneficial ownership of our common stock as of June 30, 2023 by:

- each of our stockholders who is known by us to beneficially own 5% or more of our common stock;
- each of our named executive officers;
- each of our directors; and
- all of our directors and current officers as a group.

Beneficial ownership is determined based on the rules and regulations of the SEC. A person has beneficial ownership of shares if such individual has the power to vote and/or dispose of shares. This power may be sole or shared and direct or indirect. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of our Common Stock that are subject to options or warrants held by that person and exercisable as of, or within 60 days of, June 30, 2023 are counted as outstanding. These shares, however, are not counted as outstanding for the purposes of computing the percentage ownership of any other person(s). Except as otherwise noted in the footnotes to the table, we believe that each person or entity named in the table has sole voting and investment power with respect to all shares of the Company’s Common Stock shown as beneficially owned by that person or entity (or shares such power with his or her spouse). Unless indicated below, the address of each individual listed below is c/o Motus GI Holdings, Inc., 1301 East Broward Boulevard, 3rd Floor, Ft. Lauderdale, FL 33301.

The percentage of the Common Stock beneficially owned by each person or entity named in the following table is based on 5,305,441 shares of Common Stock issued and outstanding as of June 30, 2023 plus any shares issuable upon exercise of options or warrants that are exercisable on or within 60 days after June 30, 2023 held by such person or entity.

Beneficial ownership representing less than 1% is denoted with an asterisk (*).

TRANSACTIONS WITH RELATED PERSONS

Other than compensation arrangements for our named executive officers and directors, we describe below each transaction or series of similar transactions, since January 1, 2021 to which we were a party or will be a party, in which:

Royalty Payment Rights Certificates - Related Party Participation

Simultaneously with the closing of our IPO in February 2018, all 1,581,128 previously outstanding shares of our Series A Convertible Preferred Stock were converted, on a one-to-one basis, into an aggregate of 1,581,128 shares of our common stock. In connection with the conversion of the Series A Convertible Preferred Stock we issued Royalty Payment Rights Certificates (the “Royalty Payment Rights Certificates”) to each former holder of our Series A Convertible Preferred Stock, including certain of our directors and executive officers, and certain of our existing stockholders, including stockholders affiliated with certain of our directors including (i) a Royalty Payment

Rights Certificate for 0.05% of the aggregate royalty amount payable to the holders of the Royalty Payment Rights Certificates to David Hochman, the Chairman of our board of directors, (ii) a Royalty Payment Rights Certificate for 0.05% of the aggregate royalty amount payable to the holders of the Royalty Payment Rights Certificates to Darren Sherman, a member of our board of directors, (iii) Royalty Payment Rights Certificate for an aggregate of 10.79% of the aggregate royalty amount payable to the holders of the Royalty Payment Rights Certificates to Ascent Biomedical Ventures II, L.P. and Ascent Biomedical Ventures Synecor, L.P., former beneficial owners of more than five percent of our common stock, (iv) a Royalty Payment Rights Certificate for 6.31% of the aggregate royalty amount payable to the holders of the Royalty Payment Rights Certificates to Orchestra Medical Ventures II, L.P., a former beneficial owner of more than five percent of our common stock, (v) a Royalty Payment Rights Certificate for 4.11% of the aggregate royalty amount payable to the holders of the Royalty Payment Rights Certificates to Orchestra MOTUS Co-Investment Partners, LLC, a former beneficial owner of more than five percent of our common stock, (vi) a Royalty Payment Rights Certificate for 4.00% of the aggregate royalty amount payable to the holders of the Royalty Payment Rights Certificates to Jacobs Investment Company LLC, an investment firm in which Gary Jacobs, a former member of our board of directors, who resigned as a member of our board of directors effective January 6, 2020, serves as Founder and Managing Director, and (vii) a Royalty Payment Rights Certificate for 16.22% of the aggregate royalty amount payable to the holders of the Royalty Payment Rights Certificates to Perceptive Life Sciences Master Fund Ltd., a beneficial owner of more than five percent of our common stock. Pursuant to the terms of the Royalty Payment Rights Certificates, if and when we generate sales of the Pure-Vu System, or if we receive any proceeds from the licensing of the Pure-Vu System, then we will pay to the holders of the Royalty Payment Rights Certificates (the “Holders”) the allocation of such royalty payment rights as listed on such Holders Royalty Payment Rights Certificate, a royalty (the “Royalty Amount”) equal to, in the aggregate, in royalty payments in any calendar year for all products:

The Company Commercializes Product Directly	The Rights to Commercialize the Product is Sublicensed by the Company to a third-party
3% of Net Sales*	5% of any Licensing Proceeds**

Notwithstanding the foregoing, with respect to Net Sales based Royalty Amounts, (a) no Net Sales based Royalty Amount shall begin to accrue or become payable until we have first generated, in the aggregate, since inception, Net Sales equal to \$20 million (the “Initial Net Sales Milestone”), and royalties shall only be computed on, and due with respect to, Net Sales generated in excess of the Initial Net Sales Milestone, and (b) the total Net Sales based Royalty Amount due and payable in any calendar year shall be subject to a cap per calendar year of \$30 million. “Net Sales” is defined in the Royalty Payment Rights Certificates.

Notwithstanding the foregoing, with respect to Licensing Proceeds based Royalty Amounts, (a) no Licensing Proceeds based Royalty Amount shall begin to accrue or become payable until we have first generated, in the aggregate, since inception, Licensing Proceeds equal to \$3.5 million (the “Initial Licensing Proceeds Milestone”), and royalties shall only be computed on, and due with respect to, Licensing Proceeds in excess of the Initial Licensing Proceeds Milestone and (b) the total Licensing Proceeds based Royalty Amount due and payable in any calendar year shall be subject to a cap per calendar year of \$30 million. “Licensing Proceeds” is defined in the Royalty Payment Rights Certificates.

The royalty will be payable up to the later of (i) the latest expiration date of our patents issued as of December 22, 2016, or (ii) the latest expiration date of any pending patents as of December 22, 2016 that have since been issued or may be issued in the future (which is currently May 2036). Following the expiration of all such patents, the Holders of the Royalty Payment Rights Certificates will no longer be entitled to any further royalties for any period following the latest to occur of such patent expiration.

Between December 12, 2019 and February 24, 2020, we consented to the transfer of Royalty Payment Rights Certificates representing an aggregate of 53.01% of the aggregate royalty amount payable to the holders of the Royalty Payment Rights Certificates from certain of our directors and certain of our existing stockholders, including stockholders affiliated with certain of our directors including (i) David Hochman, the Chairman of our board of directors, (ii) Darren Sherman, a member of our board of directors, (iii) Ascent Biomedical Ventures II, L.P. and Ascent Biomedical Ventures Synecor, L.P., former beneficial owners of more than five percent of our common stock, (iv) Orchestra Medical Ventures II, L.P., a former beneficial owner of more than five percent of our common stock, (v) Orchestra MOTUS Co-Investment Partners, LLC, a former beneficial owner of more than five percent of our common stock, (vi) Perceptive Life Sciences Master Fund Ltd., a beneficial owner of more than five percent of our common stock, and (vii) certain other holders of our Royalty Payment Rights Certificates to Orchestra BioMed, Inc., formerly a greater than 5% holder of our common stock and entity in which David Hochman, the Chairman of our board of directors, serves as the Chairman of the board of directors and as chief executive officer, and Darren Sherman, a member of our board of directors, serves as a director and as president and chief operating officer, pursuant to a private transaction between such parties.

License Agreement with Orchestra BioMed, Inc.

In January 2020, we entered into a license agreement (the “License Agreement”) with Orchestra BioMed, Inc., formerly a greater than 5% holder of our Common Stock and entity in which David Hochman, the Chairman of our board of directors, serves as the Chairman of the board of directors and as chief executive officer, and Darren Sherman, a member of our board of directors, serves as a director and as president and chief operating officer, pursuant to which we granted a license to Orchestra BioMed, Inc. for the use of portions of the office space not being used by us in our leased facility in Fort Lauderdale, Florida (the “Premises”), and a proportionate share of common areas of such Premises, which comprises approximately 35% of the Premises as of January 2020 and will expand incrementally to approximately 60 to 70% of the Premises by September 2024. In January 2020, Orchestra BioMed, Inc. paid us a one-time fee of \$28.5 thousand, upon entering into the License Agreement and will continue to pay a monthly license fee to us until the expiration of the License Agreement in September 2024. Aggregate license fees will generally range from approximately \$162 thousand to approximately \$198 thousand in any given calendar year during the term of the License Agreement. In May 2022, the Company entered into an amendment to the Shared Space Agreement. Pursuant to the amendment, the area covered by the Shared Space Agreement was expanded to 95% of the premises and the aggregate license fees will generally range from approximately \$212 thousand to approximately \$270 thousand in any given calendar year during the term of the Shared Space Agreement until the termination of the lease in November 2024.

Indemnification Agreements

We have entered into indemnification agreements with all of our directors and named executive officers. These agreements require us to indemnify these individuals to the fullest extent permitted under Delaware law against liabilities that may arise by reason of their service to us, and to advance expenses incurred as a result of any proceeding against them as to which they could be indemnified. We also intend to enter into indemnification agreements with our future directors and executive officers.

Policies and Procedures for Related Party Transactions

Our board of directors has adopted a policy that our executive officers, directors, nominees for election as a director, beneficial owners of more than 5% of any class of our common stock, any members of the immediate family of any of the foregoing persons and any firms, corporations or other entities in which any of the foregoing persons is employed or is a partner or principal or in a similar position or in which such person has a 5% or greater beneficial ownership interest (collectively “related parties”), are not permitted to enter into a transaction with us without the prior consent of our board of directors acting through the Audit Committee or, in certain circumstances, the chairman of the Audit Committee. Any request for us to enter into a transaction with a related party, in which the amount involved exceeds \$100,000 and such related party would have a direct or indirect interest must first be presented to our Audit Committee, or in certain circumstances the chairman of our Audit Committee, for review, consideration and approval. In approving or rejecting any such proposal, our Audit Committee, or the chairman of our Audit Committee, is to consider the material facts of the transaction, including, but not limited to, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances, the extent of the benefits to us, the availability of other sources of comparable products or services and the extent of the related party’s interest in the transaction.

Director Independence

Our board of directors undertook a review of its composition, the composition of its committees and the independence of each director. Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, including family relationships, our board of directors has determined that Mr. Hochman, Mr. Sherman, Mr. Pruden and Ms. Nelson do not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is “independent” as that term is defined under the Rules of the Nasdaq Market and the SEC.

PROPOSAL 2: RATIFY THE APPOINTMENT OF EISNERAMPER LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2023

The Audit Committee has reappointed EisnerAmper LLP as our independent registered public accounting firm to audit our financial statements for the fiscal year ending December 31, 2023, and has further directed that management submit their selection of independent registered public accounting firm for ratification by our stockholders at the Annual Meeting. Neither the accounting firm nor any of its members has any direct or indirect financial interest in or any connection with us in any capacity other than as public registered accounting firm.

Principal Accountant Fees and Services

The following table summarizes the fees paid for professional services rendered by EisnerAmper LLP, our independent registered public accounting firm, for each of the last two fiscal years:

Fee Category	2022	2021
Audit Fees	\$ 272,369	\$ 246,421
Audit-Related Fees	\$ -	\$ -
Tax Fees	\$ 27,800	\$ 64,470
All Other Fees	\$ -	\$ -
Total Fees	\$ 300,169	\$ 310,891

Audit Fees

“Audit fees” consist of approximately \$207,000 and \$182,000 in 2022 and 2021, respectively, of fees for professional services provided in connection with the audit of our annual audited financial statements and the review of our quarterly financial statements, and approximately \$65,000 and \$64,000 in 2022 and 2021, respectively, of fees for consents and comfort letters provided in connection with the offerings of our Common Stock.

Tax Fees

“Tax fees” consist of approximately \$28,000 and \$27,000, in 2022 and 2021, respectively, for services related to tax preparation and filing, and \$0 and \$38,000, in 2022 and 2021, respectively, for tax consulting services associated with tax preparation and filings and intercompany transfer pricing activities.

Procedures for Approval of Fees

The Audit Committee is responsible for appointing, setting compensation and overseeing the work of the independent auditors. The Audit Committee has established a policy regarding pre-approval of all auditing services and the terms thereof and non-audit services (other than non-audit services prohibited under Section 10A(g) of the Exchange Act or the applicable rules of the SEC or the Public Company Accounting Oversight Board) to be provided to us by the independent auditor. However, the pre-approval requirement may be waived with respect to the provision of non-audit services for us if the “de minimis” provisions of Section 10A(i)(1)(B) of the Exchange Act are satisfied.

The Audit Committee has considered whether the provision of Audit-Related Fees, Tax Fees, and all other fees as described above is compatible with maintaining EisnerAmper LLP’s independence and has determined that such services for fiscal year 2021 were compatible. All such services were approved by the Audit Committee pursuant to Rule 2-01 of Regulation S-X under the Exchange Act to the extent that rule was applicable.

The Audit Committee is responsible for reviewing and discussing the audited financial statements with management, discussing with the independent registered public accountants the matters required in AS 1301, receiving written disclosures from the independent registered public accountants required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accountants’ communications with the Audit Committee concerning independence and discussing with the independent registered public accountants their independence, and recommending to our board of directors that the audited financial statements be included in our annual report on Form 10-K.

Attendance at Annual Meeting

Representatives of EisnerAmper LLP will be present at the Annual Meeting and will have an opportunity to make a statement if they so desire, and will be available to respond to appropriate questions from stockholders.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE RATIFICATION OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

PROPOSAL 3: APPROVAL OF AN AMENDMENT TO OUR CERTIFICATE OF INCORPORATION, AS AMENDED (THE “CHARTER”), TO EFFECT A REVERSE STOCK SPLIT OF OUR ISSUED AND OUTSTANDING SHARES OF COMMON STOCK, AT A SPECIFIC RATIO, RANGING FROM TWO-FOR-ONE (2:1) TO TWENTY-FOR-ONE (20:1), AT ANY TIME PRIOR TO THE ONE-YEAR ANNIVERSARY DATE OF THE ANNUAL MEETING, WITH THE EXACT RATIO TO BE DETERMINED BY THE BOARD

Our Board has determined that it is advisable and in the best interests of us and our stockholders, for us to amend our Charter (the “Reverse Split Charter Amendment”), to authorize our Board to effect a reverse stock split of our issued and outstanding shares of common stock at a specific ratio, ranging from two-for-one (2:1) to twenty-for-one (20:1) (the “Approved Split Ratios”), to be determined by the Board (the “Reverse Split”). A vote for this Proposal No. 3 will constitute approval of the Reverse Split that, once authorized by the Board and effected by filing the Reverse Split Charter Amendment with the Secretary of State of the State of Delaware, will combine between 2 and 20 shares of our common stock into one share of our common stock. If implemented, the Reverse Split will have the effect of decreasing the number of shares of our common stock issued and outstanding, but will have no effect on our authorized common stock. Because the number of authorized shares of our common stock will not be reduced in connection with the Reverse Split, the Reverse Split will result in an effective increase in the authorized number of shares of our common stock available for issuance in the future.

Accordingly, stockholders are asked to approve the Reverse Split Charter Amendment set forth in Appendix A to effect the Reverse Split consistent with those terms set forth in this Proposal No. 3, and to grant authorization to the Board to determine, in its sole discretion, whether or not to implement the Reverse Split, as well as its specific ratio within the range of the Approved Split Ratios. The text of Appendix A remains subject to modification to include such changes as may be required by the Secretary of State of the State of Delaware and as our Board deems necessary or advisable to implement the Reverse Split.

If approved by the holders of our outstanding voting securities, the Reverse Split would be applied at an Approved Split Ratio approved by the Board prior to the one-year anniversary date of the Annual Meeting and would become effective upon the time specified in the Reverse Split Charter Amendment as filed with the Secretary of State of the State of Delaware. The Board reserves the right to elect to abandon the Reverse Split if it determines, in its sole discretion, that the Reverse Split is no longer in the best interests of us and our stockholders.

Purpose and Rationale for the Reverse Split

Avoid Delisting from the Nasdaq. On March 31, 2023, we received a letter from the Listing Qualifications Department (the “Staff”) of The Nasdaq Stock Market LLC (“Nasdaq”) indicating that, based upon the closing bid price of our common stock for the prior 30 consecutive business days, we were not in compliance with the requirement to maintain a minimum bid price of \$1.00 per share for continued listing on Nasdaq, as set forth in Nasdaq Listing Rule 5550(a)(2) (the “Minimum Bid Price Requirement”). We were provided a compliance period of 180 calendar days from the date of the Minimum Bid Price Notice, or until September 27, 2023, to regain compliance with the Minimum Bid Price Requirement, pursuant to Nasdaq Listing Rule 5810(c)(3)(A). Accordingly, we have 180 calendar days from March 31, 2023, or until September 27, 2023 to regain compliance with the Minimum Bid Price Requirement, in accordance with Nasdaq Listing Rule 5810(c)(3)(A). If we do not regain compliance within the allotted compliance periods, including any extensions that may be granted by Nasdaq, Nasdaq will provide notice that our common stock will be subject to delisting. We would then be entitled to appeal that determination to a Nasdaq hearings panel.

Failure to approve the Reverse Split may potentially have serious, adverse effects on us and our stockholders. Our common stock could be delisted from Nasdaq because shares of our common stock may continue to trade below the requisite \$1.00 per share price needed to maintain our listing in accordance with the Minimum Bid Price Requirement. Our shares may then trade on the OTC Bulletin Board or other small trading markets, such as the pink sheets. In that event, our common stock could trade thinly as a microcap or penny stock, adversely decrease to nominal levels of trading and may be avoided by retail and institutional investors, resulting in the impaired liquidity of our common stock.

As of July 26, 2023, our common stock closed at \$0.61 per share on Nasdaq. The Reverse Split, if effected, would have the immediate effect of increasing the price of our common stock as reported on Nasdaq, therefore reducing the risk that our common stock could be delisted from Nasdaq.

Our Board strongly believes that the Reverse Split is necessary to maintain our listing on Nasdaq. Accordingly, the Board has approved resolutions proposing the Reverse Split Charter Amendment to effect the Reverse Split and directed that it be submitted to our stockholders for approval at the Annual Meeting.

Management and the Board have considered the potential harm to us and our stockholders should Nasdaq delist our common stock from trading. Delisting could adversely affect the liquidity of our common stock since alternatives, such as the OTC Bulletin Board and the pink sheets, are generally considered to be less efficient markets. An investor likely would find it less convenient to sell, or to obtain accurate quotations in seeking to buy, our common stock on an over-the-counter market. Many investors likely would not buy or sell our common stock due to difficulty in accessing over-the-counter markets, policies preventing them from trading in securities not listed on a national exchange, or other reasons.

Other Effects. The Board also believes that the increased market price of our common stock expected as a result of implementing the Reverse Split could improve the marketability and liquidity of our common stock and will encourage interest and trading in our common stock. The Reverse Split, if effected, could allow a broader range of institutions to invest in our common stock (namely, funds that are prohibited from buying stock whose price is below a certain threshold), potentially increasing the trading volume and liquidity of our common stock. The Reverse Split could help increase analyst and broker's interest in common stock, as their policies can discourage them from following or recommending companies with low stock prices. Because of the trading volatility often associated with low-priced stocks, many brokerage houses and institutional investors have internal policies and practices that either prohibit them from investing in low-priced stocks or tend to discourage individual brokers from recommending low-priced stocks to their customers. Some of those policies and practices may make the processing of trades in low-priced stocks economically unattractive to brokers. Additionally, because brokers' commissions on low-priced stocks generally represent a higher percentage of the stock price than commissions on higher-priced stocks, a low average price per share of our common stock can result in individual stockholders paying transaction costs representing a higher percentage of their total share value than would be the case if the share price were higher.

Our Board does not intend for this transaction to be the first step in a series of plans or proposals to effect a "going private transaction" within the meaning of Rule 13e-3 of the Exchange Act.

In addition, because the number of authorized shares of our common stock will not be reduced, the Reverse Split will result in an effective increase in the number of authorized and unissued shares of our common stock. The effect of the relative increase in the amount of authorized and unissued shares of our common stock would allow us to issue additional shares of common stock in connection with future financings, strategic transactions, employee and director benefit programs and other desirable corporate activities, without requiring our stockholders to approve an increase in the authorized number of shares of common stock each time such an action is contemplated.

We have no specific plan, commitment, arrangement, understanding or agreement, either oral or written, regarding the issuance of common stock subsequent to this proposed increase in the number of authorized shares at this time, and we have not allocated any specific portion of the proposed increase in the authorized number of shares to any particular purpose. However, we have in the past conducted certain public and private offerings of common stock, convertible preferred stock and warrants, and we will continue to require additional capital in the near future to fund our operations. As a result, it is foreseeable that we will seek to issue such additional shares of common stock in connection with any such capital raising activities, or any of the other activities described above. The Board does not intend to issue any common stock or securities convertible into common stock except on terms that the Board deems to be in the best interests of us and our stockholders.

Risks of the Proposed Reverse Split

We cannot assure you that the proposed Reverse Split will increase the price of our common stock and have the desired effect of maintaining compliance with Nasdaq.

If the Reverse Split is implemented, our Board expects that it will increase the market price of our common stock so that we are able to regain and maintain compliance with the Nasdaq minimum bid price requirement. However, the effect of the Reverse Split upon the market price of our common stock cannot be predicted with any certainty, and the history of similar stock splits for companies in like circumstances is varied. It is possible that (i) the per share price of our common stock after the Reverse Split will not rise in proportion to the reduction in the number of shares of our common stock outstanding resulting from the Reverse Split, (ii) the market price per post-Reverse Split share may not exceed or remain in excess of the \$1.00 minimum bid price for a sustained period of time, or (iii) the Reverse Split may not result in a per share price that would attract brokers and investors who do not trade in lower priced stocks. Even if the

Reverse Split is implemented, the market price of our common stock may decrease due to factors unrelated to the Reverse Split. In any case, the market price of our common stock will be based on other factors which may be unrelated to the number of shares outstanding, including our future performance. If the Reverse Split is consummated and the trading price of our common stock declines, the percentage decline as an absolute number and as a percentage of our overall market capitalization may be greater than would occur in the absence of the Reverse Split. Even if the market price per post-Reverse Split share of our common stock remains in excess of \$1.00 per share, we may be delisted due to a failure to meet other continued listing requirements, including Nasdaq requirements related to the minimum number of shares that must be in the public float and the minimum market value of the public float.

A decline in the market price of our common stock after the Reverse Split is implemented may result in a greater percentage decline than would occur in the absence of a reverse stock split.

If the Reverse Split is implemented and the market price of our common stock declines, the percentage decline may be greater than would occur in the absence of a reverse stock split. The market price of our common stock will, however, also be based upon our performance and other factors, which are unrelated to the number of shares of common stock outstanding.

The proposed Reverse Split may decrease the liquidity of our common stock.

The liquidity of our common stock may be harmed by the proposed Reverse Split given the reduced number of shares of common stock that would be outstanding after the Reverse Split, particularly if the stock price does not increase as a result of the Reverse Split.

Determination of the Ratio for the Reverse Split

If Proposal No. 3 is approved by stockholders and the Board determines that it is in the best interests of the Company and its stockholders to move forward with the Reverse Split, the Approved Split Ratio will be selected by the Board, in its sole discretion. However, the Approved Split Ratio will not be less than a ratio of two-for-one (2:1) or exceed a ratio of twenty-for-one (20:1). In determining which Approved Split Ratio to use, the Board will consider numerous factors, including the historical and projected performance of our common stock, prevailing market conditions and general economic trends, and will place emphasis on the expected closing price of our common stock in the period following the effectiveness of the Reverse Split. The Board will also consider the impact of the Approved Split Ratios on investor interest. The purpose of selecting a range is to give the Board the flexibility to meet business needs as they arise, to take advantage of favorable opportunities and to respond to a changing corporate environment. Based on the number of shares of common stock issued and outstanding as of June 30, 2023, after completion of the Reverse Split, we will have between 2,652,721 and 265,372 shares of common stock issued and outstanding, depending on the Approved Split Ratio selected by the Board.

Principal Effects of the Reverse Split

After the effective date of the proposed Reverse Split, each stockholder will own a reduced number of shares of common stock. Except for adjustments that may result from the treatment of fractional shares as described below, the proposed Reverse Split will affect all stockholders uniformly. The proportionate voting rights and other rights and preferences of the holders of our common stock will not be affected by the proposed Reverse Split (other than as a result of the payment of cash in lieu of fractional shares). For example, a holder of 2% of the voting power of the outstanding shares of our common stock immediately prior to a Reverse Split would continue to hold 2% of the voting power of the outstanding shares of our common stock immediately after such Reverse Split. The number of stockholders of record also will not be affected by the proposed Reverse Split, except to the extent that any stockholder holds only a fractional share interest and receives cash for such interest after the Reverse Split.

The following table contains approximate number of issued and outstanding shares of common stock, and the estimated per share trading price following a 2:1 to 20:1 Reverse Split, without giving effect to any adjustments for fractional shares of common stock or the issuance of any derivative securities, as of June 30, 2023.

After Each Reverse Split Ratio

	Current	2:1	7:1	14:1	20:1
Common Stock Authorized(1)	115,000,000	115,000,000	115,000,000	115,000,000	115,000,000
Common Stock Issued and Outstanding	5,305,441	2,652,721	757,920	378,960	265,272

Number of Shares of Common Stock Reserved for Issuance (2)	14,318,042	7,159,021	2,045,435	1,022,717	715,902
Number of Shares of Common Stock Authorized but Unissued and Unreserved	100,681,958	107,840,979	112,954,565	113,977,283	114,284,098
Price per share, based on the closing price of our common stock on July 26, 2023	\$ 0.61	1.22	4.27	8.54	12.20

(1) The Reverse Split will not have any impact in the number of shares of common stock we are authorized to issue under our Charter.

(2) Includes (i) warrants to purchase an aggregate of 8,303,669 shares of common stock with a weighted average exercise price of \$0.61 per share, (ii) options to purchase an aggregate of 304,165 shares of common stock with a weighted average exercise price of \$47.45 per share, (iii) 10,455 shares of common stock underlying unvested restricted stock units and (iv) 394,312 shares of common stock reserved for future issuance under the 2016 Omnibus Equity Incentive Plan.

After the effective date of the Reverse Split, our common stock would have a new committee on uniform securities identification procedures (CUSIP) number, a number used to identify our common stock.

Our common stock is currently registered under Section 12(b) of the Exchange Act, and we are subject to the periodic reporting and other requirements of the Exchange Act. The proposed Reverse Split will not affect the registration of our common stock under the Exchange Act. Our common stock would continue to be reported on Nasdaq under the symbol "MOTS", assuming that we are able to regain compliance with the minimum bid price requirement, although it is likely that Nasdaq would add the letter "D" to the end of the trading symbol for a period of twenty trading days after the effective date of the Reverse Split to indicate that the Reverse Split had occurred.

Effect on Outstanding Derivative Securities

The Reverse Split will require that proportionate adjustments be made to the conversion rate, the per share exercise price and the number of shares issuable upon the vesting, exercise or conversion of the outstanding derivative securities issued by us, in accordance with the Approved Split Ratio. The adjustments to such securities, as required by the Reverse Split and in accordance with the Approved Split Ratio, would result in approximately the same aggregate price being required to be paid under such securities upon exercise, and approximately the same value of shares of common stock being delivered upon such exercise or conversion, immediately following the Reverse Split as was the case immediately preceding the Reverse Split.

Effect on Stock Option Plans

Pursuant to the terms of the 2016 Plan, the Board, or a designated committee thereof, as applicable, will adjust the number of shares of common stock underlying outstanding awards, the exercise price per share of outstanding stock options and other terms of outstanding awards issued pursuant to the 2016 Plan to equitably reflect the effects of the Reverse Split. The number of shares subject to vesting under restricted stock awards and the number of shares issuable as contingent consideration as part of an acquisition by the Company will be similarly adjusted, subject to our treatment of fractional shares. Furthermore, the number of shares available for future grant under the 2016 Plan will be similarly adjusted.

Effective Date

The proposed Reverse Split would become effective on the date of filing of the Reverse Split Charter Amendment with the office of the Secretary of State of the State of Delaware. On the effective date, shares of common stock issued and outstanding shares of common stock held in treasury, in each case, immediately prior thereto will be combined and converted, automatically and without any action on the part of our stockholders, into new shares of common stock in accordance with the Approved Split Ratio set forth in this Proposal No. 3. If the proposed Reverse Split Charter Amendment is not approved by our stockholders, the Reverse Split will not occur.

Treatment of Fractional Shares

No fractional shares of common stock will be issued as a result of the Reverse Split. Instead, in lieu of any fractional shares to which a stockholder of record would otherwise be entitled as a result of the Reverse Split, we will pay cash (without interest) equal to such fraction multiplied by the average of the closing sales prices of our common stock on the Nasdaq during regular trading hours for

the five consecutive trading days immediately preceding the effective date of the Reverse Split (with such average closing sales prices being adjusted to give effect to the Reverse Split). After the Reverse Split, a stockholder otherwise entitled to a fractional interest will not have any voting, dividend or other rights with respect to such fractional interest except to receive payment as described above.

Upon stockholder approval of this Proposal No. 3, if the Board elects to implement the proposed Reverse Split, stockholders owning fractional shares will be paid out in cash for such fractional shares. For example, assuming the Board elected to consummate an Approved Split Ratio of 5:1, if a stockholder held six shares of common stock immediately prior to the Reverse Split, then such stockholder would be paid in cash for the one share of common stock but will maintain ownership of the remaining share of common stock.

Record and Beneficial Stockholders

If the Reverse Split is authorized by our stockholders and our Board elects to implement the Reverse Split, stockholders of record holding some or all of their shares of common stock electronically in book-entry form under the direct registration system for securities will receive a transaction statement at their address of record indicating the number of shares of common stock they hold after the Reverse Split along with payment in lieu of any fractional shares. Non-registered stockholders holding common stock through a bank, broker or other nominee should note that such banks, brokers or other nominees may have different procedures for processing the consolidation and making payment for fractional shares than those that would be put in place by us for registered stockholders. If you hold your shares with such a bank, broker or other nominee and if you have questions in this regard, you are encouraged to contact your nominee.

If the Reverse Split is authorized by the stockholders and our Board elects to implement the Reverse Split, stockholders of record holding some or all of their shares in certificate form will receive a letter of transmittal, as soon as practicable after the effective date of the Reverse Split. Our transfer agent will act as “exchange agent” for the purpose of implementing the exchange of stock certificates. Holders of pre-Reverse Split shares will be asked to surrender to the exchange agent certificates representing pre-Reverse Split shares in exchange for post-Reverse Split shares and payment in lieu of fractional shares (if any) in accordance with the procedures to be set forth in the letter of transmittal. Until surrender, each certificate representing shares before the Reverse Split would continue to be valid and would represent the adjusted number of whole shares based on the approved exchange ratio of the Reverse Split selected by the Board. No new post-Reverse Split share certificates will be issued to a stockholder until such stockholder has surrendered such stockholder’s outstanding certificate(s) together with the properly completed and executed letter of transmittal to the exchange agent.

STOCKHOLDERS SHOULD NOT DESTROY ANY PRE-SPLIT STOCK CERTIFICATE AND SHOULD NOT SUBMIT ANY CERTIFICATES UNTIL THEY ARE REQUESTED TO DO SO.

Accounting Consequences

The par value per share of common stock would remain unchanged at \$0.0001 per share after the Reverse Split. As a result, on the effective date of the Reverse Split, the stated capital on our balance sheet attributable to the common stock will be reduced proportionally, based on the Approved Split Ratio selected by the Board, from its present amount, and the additional paid-in capital account shall be credited with the amount by which the stated capital is reduced. The per share common stock net income or loss and net book value will be increased because there will be fewer shares of common stock outstanding. The shares of common stock held in treasury, if any, will also be reduced proportionately based on the Approved Split Ratio selected by the Board. Retroactive restatement will be given to all share numbers in the financial statements, and accordingly all amounts including per share amounts will be shown on a post-split basis. We do not anticipate that any other accounting consequences would arise as a result of the Reverse Split.

No Appraisal Rights

Our stockholders are not entitled to dissenters’ or appraisal rights under the Delaware General Corporation Law with respect to this Proposal No. 3 and we will not independently provide our stockholders with any such right if the Reverse Split is implemented.

Material Federal U.S. Income Tax Consequences of the Reverse Split

The following is a summary of certain material U.S. federal income tax consequences of a Reverse Split to our stockholders. The summary is based on the Internal Revenue Code of 1986, as amended (the “Code”), applicable Treasury Regulations promulgated thereunder, judicial authority and current administrative rulings and practices as in effect on the date of this Proxy Statement. Changes to the laws could alter the tax consequences described below, possibly with retroactive effect. We have not sought and will not seek

an opinion of counsel or a ruling from the Internal Revenue Service regarding the federal income tax consequences of a Reverse Split. This discussion only addresses stockholders who hold common stock as capital assets. It does not purport to be complete and does not address stockholders subject to special tax treatment under the Code, including, without limitation, financial institutions, tax-exempt organizations, insurance companies, dealers in securities, foreign stockholders, stockholders who hold their pre-reverse stock split shares as part of a straddle, hedge or conversion transaction, and stockholders who acquired their pre-reverse stock split shares pursuant to the exercise of employee stock options or otherwise as compensation. If a partnership (or other entity treated as a partnership for U.S. federal income tax purposes) is the beneficial owner of our common stock, the U.S. federal income tax treatment of a partner in the partnership will generally depend on the status of the partner and the activities of the partnership. Accordingly, partnerships (and other entities treated as partnerships for U.S. federal income tax purpose) holding our common stock and the partners in such entities should consult their own tax advisors regarding the U.S. federal income tax consequences of the proposed Reverse Split to them. In addition, the following discussion does not address the tax consequences of the Reverse Split under state, local and foreign tax laws. Furthermore, the following discussion does not address any tax consequences of transactions effectuated before, after or at the same time as the Reverse Split, whether or not they are in connection with the Reverse Split.

In general, the federal income tax consequences of a Reverse Split will vary among stockholders depending upon whether they receive cash for fractional shares or solely a reduced number of shares of common stock in exchange for their old shares of common stock. We believe that because the Reverse Split is not part of a plan to increase periodically a stockholder's proportionate interest in our assets or earnings and profits, the Reverse Split should have the following federal income tax effects. The Reverse Split is expected to constitute a "recapitalization" for U.S. federal income tax purposes pursuant to Section 368(a)(1)(E) of the Code. A stockholder who receives solely a reduced number of shares of common stock will not recognize gain or loss. In the aggregate, such a stockholder's basis in the reduced number of shares of common stock will equal the stockholder's basis in its old shares of common stock and such stockholder's holding period in the reduced number of shares will include the holding period in its old shares exchanged. The Treasury Regulations provide detailed rules for allocating the tax basis and holding period of shares of common stock surrendered in a recapitalization to shares received in the recapitalization. Stockholders of our common stock acquired on different dates and at different prices should consult their tax advisors regarding the allocation of the tax basis and holding period of such shares.

A stockholder that, pursuant to the proposed Reverse Split, receives cash in lieu of a fractional share of our common stock should recognize capital gain or loss in an amount equal to the difference, if any, between the amount of cash received and the portion of the stockholder's aggregate adjusted tax basis in the shares of our common stock surrendered that is allocated to such fractional share. Such capital gain or loss will be short term if the pre-Reverse Split shares were held for one year or less at the effective time of the Reverse Split and long term if held for more than one year. Stockholders should consult their own tax advisors regarding the tax consequences to them of a payment for fractional shares.

We will not recognize any gain or loss as a result of the proposed Reverse Split.

A stockholder of our common stock may be subject to information reporting and backup withholding on cash paid in lieu of a fractional share in connection with the proposed Reverse Split. A stockholder of our common stock will be subject to backup withholding if such stockholder is not otherwise exempt and such stockholder does not provide its taxpayer identification number in the manner required or otherwise fails to comply with backup withholding tax rules. Backup withholding is not an additional tax. Any amounts withheld under the backup withholding rules may be refunded or allowed as a credit against a stockholder's U.S. federal income tax liability, if any, provided the required information is timely furnished to the Internal Revenue Service. Stockholders of our common stock should consult their own tax advisors regarding their qualification for an exemption from backup withholding and the procedures for obtaining such an exemption.

THE PRECEDING DISCUSSION IS INTENDED ONLY AS A SUMMARY OF CERTAIN FEDERAL U.S. INCOME TAX CONSEQUENCES OF THE REVERSE SPLIT AND DOES NOT PURPORT TO BE A COMPLETE ANALYSIS OR DISCUSSION OF ALL POTENTIAL TAX EFFECTS RELEVANT THERETO. YOU SHOULD CONSULT YOUR OWN TAX ADVISORS AS TO THE PARTICULAR FEDERAL, STATE, LOCAL, FOREIGN AND OTHER TAX CONSEQUENCES OF THE REVERSE SPLIT IN LIGHT OF YOUR SPECIFIC CIRCUMSTANCES.

Required Vote and Recommendation

In accordance with our Charter and Delaware law, approval and adoption of this Proposal No. 3 requires the affirmative vote of a majority of the total votes cast, in person or by proxy. As a result, abstentions and broker non-votes, if any, will not affect the outcome of the vote on this proposal.

**THE BOARD RECOMMENDS A VOTE “FOR” THE APPROVAL OF AN AMENDMENT TO THE
CHARTER TO EFFECT THE REVERSE SPLIT.**

**PROPOSAL 4—APPROVAL OF AMENDMENT TO THE
MOTUS GI HOLDINGS, INC. 2016 EQUITY INCENTIVE PLAN**

Background and Reasons for Amendment

In this proposal, we are asking stockholders to approve an amendment to the Motus GI Holdings, Inc. 2016 Equity Incentive Plan (the “2016 Plan”), adopted by our Board on July 27, 2023, increasing the number of shares of our common stock available for issuance under the 2016 Plan by 318,232 shares (the “2023 Amendment”). Throughout this Proposal, the 2016 Plan refers to the 2016 Plan, as amended by the 2023 Amendment and a prior amendment, described below, adopted by our Board on February 6, 2020 and subsequently approved by stockholders (the “2020 Amendment”). A copy of the 2023 Amendment is attached as **Appendix B**.

Stockholder approval of the Amendment is necessary for us to meet the stockholder approval requirements of The NASDAQ Stock Market LLC Rules.

The 2016 Plan was originally adopted by the Board on December 14, 2016 and subsequently approved by our stockholders. Under the 2016 Plan, the Company initially reserved 2,000,000 shares of our common stock for issuance to eligible employees, officers, non-employee directors, consultants, and advisors of the Company and its subsidiaries, which number increased to 15% of the total number of shares of the Company outstanding, on a fully diluted basis, immediately following the final closing of our December 1, 2016 private placement. The 2016 Plan also provides that on the first day of each calendar year of the Company beginning after the effective date of the 2016 Plan and each January 1 thereafter, the number of shares of common stock authorized to be issued under the 2016 Plan will be increased by an amount equal to the lesser of (i) the number of shares necessary such that the aggregate number of shares available to be issued under the 2016 Plan equals 6% of the number of outstanding shares of the Company’s common stock on December 31 of the preceding year, and (ii) an amount to be determined by the Company’s Board (the “Evergreen Provision”). Pursuant to the 2020 Amendment, incentive stock options (“ISOs”) under Section 422 of the Internal Revenue Code of 1986, as amended (the “Code”) may be granted with respect to the lesser of the number of shares of common stock reserved for awards under the 2016 Plan or 10,000,000 shares. If the 2023 Amendment is approved, all of the additional 318,232 shares may be granted under the 2016 Plan as ISOs.

After taking into account the adjustment provisions of the 2016 Plan and the Evergreen Provision described above, the aggregate number of shares of our common stock that are currently reserved for issuance under the 2016 Plan is 804,371 shares, as of June 30, 2023. Of that number, 410,059 shares of our common stock have been issued under the 2016 Plan or are subject to outstanding awards under the 2016 Plan, leaving 394,312 shares available for grants of new awards under the 2016 Plan as of June 30, 2023. Additional shares are needed under the 2016 Plan to enable us to continue providing awards to attract and retain key personnel, encourage ownership of shares of our common stock in order to align their interests with those of stockholders, and promote our sustained long-term performance and the creation of stockholder value. The additional shares provided by the 2023 Amendment will also afford us flexibility to utilize awards under the 2016 Plan to offset cash compensation. Without the 2023 Amendment, we could be required to use additional cash incentives instead of equity-based awards. The 2023 Amendment will not affect the 2016 Plan’s Evergreen Provision, which will continue in effect.

A summary of the material terms of the 2016 Plan follows. This summary is not intended to be a complete description of the 2016 Plan and is qualified in its entirety by the actual text of the 2016 Plan attached as Appendix C and the 2020 Amendment and 2023 Amendment attached, respectively, as Appendix D and Appendix B.

Eligibility

Awards under the 2016 Plan may be granted to officers, employees, non-employee directors, consultants, advisors and other individual service providers of the Company and its subsidiaries, including any person who is determined by the Compensation Committee of the Board to be a prospective employee, director or consultant of our Company or our subsidiaries. ISOs may be granted only to employees of the Company or its subsidiaries. As of June 30, 2023, our Company and its subsidiaries had a total of 15 employees, including 2 officers and 1 executive officers (who are not included in the number of officers), and 5 non-employee directors.

34

Administration

The 2016 Plan is administered by the Compensation Committee. The Compensation Committee is authorized to grant options to purchase shares of our common stock, stock appreciation rights, restricted stock, stock units, performance shares, performance units, incentive bonus awards, other cash-based awards and other stock-based awards. The Compensation Committee also has authority to determine the terms and conditions of each award, prescribe, amend and rescind rules and regulations relating to the 2016 Plan, and amend the terms of awards in any manner not inconsistent with the 2016 Plan (provided that no amendment may adversely affect the rights of a participant without his or her consent), including authority to reduce or reprice the exercise price of outstanding options or stock appreciation rights. The Compensation Committee is permitted to delegate to officers and employees authority to grant options and other awards to employees (other than themselves), subject to applicable law and restrictions in the 2016 Plan. No award will be granted under the 2016 Plan on or after the ten year anniversary of the adoption of the 2016 Plan by the Board, but awards granted prior to the ten year anniversary may extend beyond that date.

Number of Authorized Shares

As of June 30, 2023, after taking into account the adjustment provisions of the 2016 Plan and the Evergreen Provision, the aggregate number of shares of our common stock that were reserved for issuance under the 2016 Plan is 804,371 shares. Of that number, 410,059 shares of our common stock have been issued under the 2016 Plan or are subject to outstanding awards under the 2016 Plan. As a result, as of June 30, 2023, there were 394,312 shares available for grants of new awards under the 2016 Plan. If stockholders approve the 2023 Amendment, the aggregate number of shares of common stock reserved for issuance under the 2016 Plan, excluding shares previously issued under the 2016 Plan and shares of common stock subject to outstanding awards under the 2016 Plan will increase by 318,232 shares to a total of 712,544 shares. The shares of common stock issuable under the 2016 Plan may consist of authorized and unissued shares, treasury shares, or shares purchased on the open market or otherwise.

The 2023 Amendment makes no changes to the 2016 Plan's Evergreen Provision or the 2016 Plan's share counting or recycling provisions. If any award granted under the 2016 Plan payable in shares of our common stock is forfeited, cancelled, returned for failure to satisfy vesting requirements, is otherwise forfeited, otherwise terminates without payment being made, or if shares of our common stock are surrendered in full or partial payment of the exercise price or withheld to cover withholding taxes on options or other awards, the number of shares of our common stock as to which such option or award was forfeited, or which were surrendered or withheld, will be available for future grants under the 2016 Plan.

Types of Awards

The 2016 Plan permits the granting of any or all of the following types of awards:

Stock Options. Stock options entitle the holder to purchase a specified number of shares of common stock at a specified price (the exercise price), subject to the terms and conditions of the stock option grant. The Compensation Committee may grant

- either ISOs, which must comply with Code Section 422, or nonqualified stock options. Pursuant to the 2020 Amendment, ISOs may be granted with respect to the lesser of the number of shares of common stock reserved for awards under the 2016 Plan or 10,000,000 shares.

The Compensation Committee sets exercise prices of stock options, except that options must be granted with an exercise price not less than 100% of the fair market value of our common stock on the date of grant (excluding stock options granted in connection with assuming or substituting stock options in acquisition transactions). At the time of grant, the Compensation Committee also determines the other terms and conditions of stock options, including the quantity, vesting periods, term (which cannot exceed 10 years), and other conditions on exercise. In general, the exercise price of an option is payable (a) in cash or by certified bank check, (b) through delivery of shares of our Common Stock having a fair market value equal to the purchase price, or (c) such other method as approved by the Compensation Committee and set forth in an award agreement. The Compensation Committee is also authorized to establish a cashless exercise program and to permit the exercise price to be satisfied by reducing from the shares otherwise issuable upon exercise a number of shares having a fair market value equal to the exercise price.

- *Stock Appreciation Rights.* A stock appreciation right entitles the holder to a number of shares (or an equivalent amount in cash) equal to (i) the number of shares for which the stock appreciation right is exercised times the appreciation in the

fair market value of a share of our common stock between the date the stock appreciation right was granted (which will not be less than 100% of the fair market value of our common stock on the date of grant) and its date of exercise; divided by (ii) the fair market value of a share of our common stock on the date that the stock appreciation right is exercised. The Compensation Committee will determine the extent to which a holder of a stock appreciation right may exercise the right following termination of service with us.

Restricted Stock and Stock Units. The Compensation Committee is authorized to award restricted common stock and/or stock units under the 2016 Plan. Restricted stock awards consist of shares of stock that are transferred to a participant subject to restrictions that may result in forfeiture if specified conditions are not satisfied. Stock units confer the right to receive shares of our common stock, cash, or a combination of shares and cash, at a future date upon or following the attainment of such conditions as may be specified by the Compensation Committee. The Compensation Committee is authorized to determine the restrictions and conditions applicable to each award of restricted stock or stock units, which may include performance-based conditions. The 2016 Plan provides that dividends with respect to restricted stock may be paid to the holder of the shares as and when dividends are paid to stockholders or at the time that the restricted stock vests, as determined by the Compensation Committee. Dividend equivalent amounts under the 2016 Plan may also be paid with respect to stock units, and are subject to the same restrictions on transferability as the stock units with respect to which they were paid. Unless the Compensation Committee determines otherwise, holders of restricted stock have the right to vote the shares.

- *Other Awards.* The 2016 Plan also permits the grant of performance share and performance unit awards, incentive bonus awards payable in cash or shares of our common stock, as well as other stock based and cash based awards.

Adjustments

Changes in Common Stock. Under the 2016 Plan, if (1) the number of outstanding shares of our common stock is increased or decreased or the shares are changed into or exchanged for a different number or kind of shares or other securities of the Company on account of any recapitalization, reclassification, stock split, reverse split, combination of shares, exchange of shares, stock dividend or other distribution payable in capital stock, or other increase or decrease in the shares effected without receipt of consideration by the Company or (2) there occurs any spin-off, split-up, extraordinary cash dividend, or other distribution of assets by the Company, then the number and kinds of shares for which grants of awards under the 2016 Plan may be made, including the limit on the number of shares that may be granted as ISOs, will be equitably adjusted by the Company. In addition, in the event of any such increase or decrease in the number of outstanding shares or other transaction described in clause (2) above, the number and kind of shares for which awards under the 2016 Plan are outstanding and the purchase prices of outstanding options will be equitably adjusted.

Effect of Certain Transactions. The Compensation Committee has the authority under the 2016 Plan to provide, at the time of the grant of an award, for the effect of a change in control (as defined in the 2016 Plan) on any award, including (i) accelerating or extending the time periods for exercising, vesting in, or realizing gain from any award, (ii) eliminating or modifying the performance or other conditions of an award, (iii) providing for the cash settlement of an award for an equivalent cash value, as determined by the Compensation Committee, or (iv) such other modification or adjustment to an award as the Compensation Committee deems appropriate to maintain and protect the rights and interests of participants following a change in control. The Compensation Committee has the authority, in its discretion and without the need for the consent of any recipient of an award, to also take one or more of the following actions contingent upon the occurrence of a change in control: (a) cause any or all outstanding options and stock appreciation rights to become immediately exercisable, in whole or in part; (b) cause any other awards to become non-forfeitable, in whole or in part; (c) cancel any option or stock appreciation right in exchange for a substitute option; (d) cancel any award of restricted stock, stock units, performance shares or performance units in exchange for a similar award of the capital stock of any successor corporation; (e) redeem any restricted stock for cash and/or other substitute consideration with a value equal to the fair market value of an unrestricted share of our common stock on the date of the change in control; (f) cancel any option or stock appreciation right in exchange for cash and/or other substitute consideration based on the value of our common stock on the date of the change in control, and cancel any option or stock appreciation right without any payment if its exercise price exceeds the value of our common stock on the date of the change in control; or (g) make such other modifications, adjustments or amendments to outstanding awards as the Compensation Committee deems necessary or appropriate.

Clawback

All cash and equity awards granted under the 2016 Plan will be subject to all applicable laws regarding the recovery of erroneously awarded compensation, any implementing rules and regulations under such laws, any policies adopted by the Company to implement such requirements, and any other compensation recovery policies as may be adopted from time to time by the Company.

Transferability

Awards under the 2016 Plan are not transferable other than by will or the laws of descent and distribution, except that in certain instances where authorized by the applicable award agreement transfers may be made to or for the benefit of designated family members of the participant for no value.

Limit on Options and Stock Appreciation Rights

The maximum number of shares of our common stock with respect to which any one participant may be granted stock options or stock appreciation rights under the 2016 Plan during any calendar year is 1,500,000 shares.

Israeli Aspects of the 2016 Plan

The 2016 Plan includes the 2016 Israeli Sub-Plan (the “Sub-Plan”) which provides for the grant of awards pursuant to the Israeli Income Tax Ordinance (New Version), 1960, as amended (the “Israeli Tax Ordinance”); that is, awards granted pursuant to (i) Section 102 of the Israeli Tax Ordinance (“Section 102 Awards”) and (ii) Section 3(i) of the Israeli Tax Ordinance (“Section 3(i) Awards”). The 2016 Plan and the Sub-Plan provide, subject to applicable law, that Section 102 Awards may be granted only to Israeli employees, officers and directors (excluding Controlling Shareholders as defined by the Israeli Tax Ordinance) and Section 3(i) Awards (which do not provide for similar tax benefits) may be granted to Israeli non-employees including consultants, service providers and Controlling Shareholders, in each case, of our Company or any subsidiary. The 2016 Plan and the Sub-Plan were approved by the Israeli Tax Authority in January 2017 pursuant to applicable law.

Term, Termination, and Amendment of the Amended Plan

Unless earlier terminated by the Board, the 2016 Plan will terminate on, and no further awards may be granted after, March 23, 2026 (the date that is ten years after the original effective date of the 2016 Plan). The Board may amend, suspend, or terminate the 2016 Plan at any time, except that, if required by applicable law, regulation, or stock exchange rule, stockholder approval will be required for any amendment. The amendment, suspension, or termination of the 2016 Plan or the amendment of an outstanding award generally may not, without a participant’s consent, materially impair the participant’s rights under an outstanding award.

New Plan Benefits

The grant of options and other awards under the 2016 Plan is discretionary. No determination has been made as to which of the individuals eligible to participate in the 2016 Plan will receive awards under the 2016 Plan in the future and, therefore, the future benefits to be allocated to any individual or to various groups of eligible participants are not presently determinable. However, the following table shows the awards that were made to the following individuals and groups of individuals under the 2016 Plan during the fiscal year ended December 31, 2022. As of July 26, 2023, the closing price of our common stock was \$0.61.

Federal Income Tax Information

The following is a brief summary of the U.S. federal income tax consequences of the 2016 Plan generally applicable to the Company and to participants in the 2016 Plan who are subject to U.S. federal taxes. The summary is based on the Code, applicable Treasury Regulations, and administrative and judicial interpretations thereof, each as in effect on the date of this proxy statement, and is, therefore, subject to future changes in the law, possibly with retroactive effect. The summary is general in nature and does not purport to be legal or tax advice. Furthermore, the summary does not address issues relating to any U.S. gift or estate tax consequences or the consequences of any state, local, or foreign tax laws.

Nonqualified Stock Options. A participant generally will not recognize taxable income upon the grant or vesting of a nonqualified stock option with an exercise price at least equal to the fair market value of our common stock on the date of grant and no additional deferral feature. Upon the exercise of a nonqualified stock option, a participant generally will recognize compensation taxable as ordinary income in an amount equal to the difference between the fair market value of the shares underlying the stock option on the date of exercise and the exercise price of the stock option. When a participant sells the shares, the participant will have short-term or long-term capital gain or loss, as the case may be, equal to the difference between the amount the participant received from the sale and the tax basis of the shares sold. The tax basis of the shares generally will be equal to the greater of the fair market value of the shares on the exercise date or the exercise price of the stock option.

Incentive Stock Options. A participant generally will not recognize taxable income upon the grant of an ISO. If a participant exercises an ISO during employment or within three months after employment ends (12 months in the case of permanent and total disability), the participant will not recognize taxable income at the time of exercise for regular U.S. federal income tax purposes (although the participant generally will have taxable income for alternative minimum tax purposes at that time). If a participant sells or otherwise disposes of the shares acquired upon exercise of an ISO after the later of (1) one year from the date the participant exercised the option or (2) two years from the grant date of the option, the participant generally will recognize long-term capital gain or loss equal to the difference between the amount the participant received in the disposition and the exercise price of the stock option. If a participant sells or otherwise disposes of shares acquired upon exercise of an ISO before these holding period requirements are satisfied, the disposition will constitute a “disqualifying disposition,” and the participant generally will recognize taxable ordinary income in the year of disposition equal to the excess of the fair market value of the shares on the date of exercise over the exercise price of the stock option (or, if less, the excess of the amount realized on the disposition of the shares over the exercise price of the stock option). The balance of the participant’s gain on a disqualifying disposition, if any, will be taxed as short-term or long-term capital gain, as the case may be.

With respect to both nonqualified stock options and ISOs, special rules apply if a participant uses shares of common stock already held by the participant to pay the exercise price or if the shares received upon exercise of the stock option are subject to a substantial risk of forfeiture by the participant.

Restricted Stock and Stock Units. A participant generally will not have taxable income upon the grant of restricted stock or stock units. Instead, the participant will recognize ordinary income at the time of vesting or payout equal to the fair market value (on the vesting or payout date) of the shares or cash received minus any amount paid. For restricted stock only, a participant may instead elect to be taxed at the time of grant.

Other Stock- or Cash-Based Awards. The U.S. federal income tax consequences of other stock- or cash-based awards will depend upon the specific terms and conditions of each award.

Tax Consequences to the Company. In the foregoing cases, we may be entitled to a deduction at the same time, and in the same amount, as a participant recognizes ordinary income, subject to certain limitations imposed under the Code, including Code Section 162(m). Section 162(m) of the Code generally disallows a tax deduction for compensation in excess of \$1 million paid in a taxable year by a publicly held corporation to its chief executive officer and certain other “covered employees”. The Compensation Committee intends to consider the potential impact of Section 162(m) on grants made under the 2016 Plan but reserves the right to approve grants of options and other awards for an executive officer that exceeds the deduction limit of Section 162(m).

Code Section 409A. We intend that awards granted under the 2016 Plan will comply with, or otherwise be exempt from, Code Section 409A, but make no representation or warranty to that effect.

Tax Withholding. We are authorized to deduct or withhold from any award granted or payment due under the 2016 Plan, or require a participant to remit to us, the amount of any withholding taxes due in respect of the award or payment and to take such other action as may be necessary to satisfy all obligations for the payment of applicable withholding taxes. We are not required to issue any shares of common stock or otherwise settle an award under the 2016 Plan until all tax withholding obligations are satisfied.

Vote Required for Approval

Approval of the 2023 Amendment requires the affirmative vote of a majority of the total votes cast, in person or by proxy. As a result, abstentions and broker non-votes, if any, will not affect the outcome of the vote on this proposal.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE APPROVAL OF THE AMENDMENT TO THE MOTUS GI HOLDINGS, INC. 2016 EQUITY INCENTIVE PLAN.

MOTUS GI HOLDINGS, INC.

2016 EQUITY INCENTIVE PLAN

1. Establishment and Purpose

1.1 The purpose of the Motus GI Holdings, Inc. 2016 Equity Incentive Plan (the “Plan”) is to provide a means whereby eligible employees, officers, non-employee directors and other individual service providers develop a sense of proprietorship and personal involvement in the development and financial success of the Company and to encourage them to devote their best efforts to the business of the Company, thereby advancing the interests of the Company and its stockholders. The Company, by means of the Plan, seeks to retain the services of such eligible persons and to provide incentives for such persons to exert maximum efforts for the success of the Company and its Subsidiaries.

1.2 The Plan permits the grant of Nonqualified Stock Options, Incentive Stock Options, Stock Appreciation Rights, Restricted Stock, Stock Units, Performance Shares, Performance Units, Incentive Bonus Awards, Other Cash-Based Awards and Other Stock-Based Awards. This Plan shall become effective upon the date set forth in Section 18.1 hereof.

2. Definitions

Wherever the following capitalized terms are used in the Plan, they shall have the meanings specified below:

2.1 “Affiliate” means, with respect to a Person, a Person that directly or indirectly Controls, or is Controlled by, or is under common Control with, such Person.

2.2 “Applicable Law” means the requirements relating to the administration of equity-based awards or equity compensation plans under U.S. state corporate laws, U.S. federal and state securities laws, the Code, any stock exchange or quotation system on which the Common Stock is listed or quoted and the applicable laws of any foreign country or jurisdiction that applies to Awards or Assumed Options.

2.3 “Assumed Option” means an option granted pursuant to the Prior Plan.

2.4 “Assumed Option Agreement” means an “Option Agreement” (as defined under the Prior Plan) that relates to an Assumed Option.

2.5 “Award” means an award of a Stock Option, Stock Appreciation Right, Restricted Stock, Stock Unit, Performance Share, Performance Unit, Incentive Bonus Award, Other Cash-Based Award and/or Other Stock-Based Award granted under the Plan.

2.6 “Award Agreement” means either (i) a written or electronic agreement entered into between the Company and a Participant setting forth the terms and conditions of an Award including any amendment or modification thereof, or (ii) a written or electronic statement issued by the Company to a Participant describing the terms and provisions of such Award, including any amendment or modification thereof. The Committee may provide for the use of electronic, internet or other non-paper Award Agreements, and the use of electronic, internet or other non-paper means for the acceptance thereof and actions thereunder by a Participant. Each Award Agreement shall be subject to the terms and conditions of the Plan and need not be identical. Unless the context requires otherwise, the term Award Agreement shall include an Assumed Option Agreement.

2.7 “Board” means the Board of Directors of the Company.

2.8 “Cause” means (i) conviction of, or the entry of a plea of guilty or no contest to, a felony or any other crime that causes the Company or its Affiliates public disgrace or disrepute, or materially and adversely affects the Company’s or its Affiliates’ operations or financial performance or the relationship the Company has with its customers, (ii) gross negligence or willful misconduct with respect to the Company or any of its Affiliates, including, without limitation fraud, embezzlement, theft or proven dishonesty in the course of his or her employment; (iii) refusal to perform any lawful, material obligation or fulfill any duty (other than any duty or obligation of the type described in clause (v) below) to the Company or its Affiliates (other than due to a Disability), which refusal, if curable, is not cured within 10 days after delivery of written notice thereof; (iv) material breach of any agreement with or duty owed to the Company or any of its Affiliates, which breach, if curable, is not cured within 10 days after the delivery of written notice thereof; or (v) any breach of any obligation or duty to the Company or any of its Affiliates (whether arising by statute, common law or agreement) relating to confidentiality, noncompetition, nonsolicitation or proprietary rights. Notwithstanding the foregoing, if a Participant and the Company (or any of its Affiliates) have entered into an employment agreement, consulting agreement or other similar agreement that specifically defines “cause,” then with respect to such Participant, “Cause” shall have the meaning defined in that employment agreement, consulting agreement or other agreement.

2.9 “Change in Control” means, unless otherwise provided in an Award Agreement, the occurrence of any one of the following events:

(i) any “person,” including a “group” (as such terms are used in Sections 13(d) and 14(d) of the Exchange Act, but excluding the Company, any entity controlling, controlled by or under common control with the Company, any trustee, fiduciary or other person or entity holding securities under any employee benefit plan or trust of the Company or any such entity, and, with respect to any particular Participant, the Participant and any “group” (as such term is used in Section 13(d)(3) of the Exchange Act) of which the Participant is a member), is or becomes the “beneficial owner” (as defined in Rule 13(d)(3) under the Exchange Act), directly or indirectly, of securities of the Company representing 50% or more of either (A) the combined voting power of the Company’s then outstanding securities or (B) the then outstanding shares of Common Stock (in either such case other than as a result of an acquisition of securities directly from the Company); or

(ii) any consolidation or merger of the Company where the stockholders of the Company, immediately prior to the consolidation or merger, would not, immediately after the consolidation or merger, beneficially own (as such term is defined in Rule 13d-3 under the Exchange Act), directly or indirectly, shares representing in the aggregate 50% or more of the combined voting power of the securities of the corporation issuing cash or securities in the consolidation or merger (or of its ultimate parent corporation, if any); or

(iii) there shall occur (A) any sale, lease, exchange or other transfer (in one transaction or a series of transactions contemplated or arranged by any party as a single plan) of all or substantially all of the assets of the Company, other than a sale or disposition by the Company of all or substantially all of the Company's assets to an entity, at least 50% of the combined voting power of the voting securities of which are owned by "persons" (as defined above) in substantially the same proportion as their ownership of the Company immediately prior to such sale or (B) the approval by stockholders of the Company of any plan or proposal for the liquidation or dissolution of the Company; or

(iv) the members of the Board at the beginning of any consecutive 24-calendar-month period (the "Incumbent Directors") cease for any reason other than due to death to constitute at least a majority of the members of the Board; provided that any Director whose election, or nomination for election by the Company's stockholders, was approved or ratified by a vote of at least a majority of the members of the Board then still in office who were members of the Board at the beginning of such 24-calendar-month period, shall be deemed to be an Incumbent Director.

Notwithstanding the foregoing, no event or condition shall constitute a Change in Control to the extent that, if it were, a 20% tax would be imposed under Section 409A of the Code; provided that, in such a case, the event or condition shall continue to constitute a Change in Control to the maximum extent possible (e.g., if applicable, in respect of vesting without an acceleration of distribution) without causing the imposition of such 20% tax.

2.10 "Code" means the Internal Revenue Code of 1986, as amended. For purposes of this Plan, references to sections of the Code shall be deemed to include references to any applicable regulations thereunder and any successor or similar provision.

2.11 "Committee" means the committee of the Board delegated with the authority to administer the Plan, or the full Board, as provided in Section 3 of the Plan. With respect to any decision involving an Award intended to satisfy the requirements of Section 162(m) of the Code, the Committee shall consist of two or more directors of the Company who are "outside directors" within the meaning of Section 162(m) of the Code. With respect to any decision relating to a Reporting Person, the Committee shall consist solely of two or more directors who are disinterested within the meaning of Rule 16b-3 promulgated under the Exchange Act, as amended from time to time, or any successor provision. The fact that a Committee member shall fail to qualify under any of these requirements shall not invalidate an Award if the Award is otherwise validly made under the Plan. The Board may at any time appoint additional members to the Committee, remove and replace members of the Committee with or without cause, and fill vacancies on the Committee however caused.

2.12 “Common Stock” means the Company’s Common Stock, par value \$0.0001 per share.

2.13 “Company” means Motus GI Holdings, Inc., a Delaware corporation, and any successor thereto as provided in Section 16.8.

2.14 “Continuous Service” means that the Participant’s service with the Company or an Affiliate, whether as an employee, Director or consultant, is not interrupted or terminated. A change in the capacity in which the Participant renders service to the Company or an Affiliate as an employee, Director or consultant or a change in the entity for which the Participant renders such service, provided that there is no interruption or termination of the Participant’s service with the Company or an Affiliate, will not terminate a Participant’s Continuous Service; provided, however, that if the entity for which a Participant is rendering services ceases to qualify as an Affiliate, as determined by the Committee in its sole discretion, such Participant’s Continuous Service will be considered to have terminated on the date such entity ceases to qualify as an Affiliate. For example, a change in status from an employee of the Company to a consultant of an Affiliate or to a director will not constitute an interruption of Continuous Service. To the extent permitted by law, the Committee or the chief executive officer of the Company, in that party’s sole discretion, may determine whether Continuous Service will be considered interrupted in the case of (i) any leave of absence approved by the Company or chief executive officer, including sick leave, military leave or any other personal leave, or (ii) transfers between the Company, an Affiliate, or their successors. Notwithstanding the foregoing, a leave of absence will be treated as Continuous Service for purposes of vesting in an Award only to such extent as may be provided in the Company’s (or an Affiliate’s) leave of absence policy, in the written terms of any leave of absence agreement or policy applicable to the Participant, or as otherwise required by law. Unless the Committee provides otherwise, in its discretion, or as otherwise required by Applicable Law, vesting of Options shall be tolled during any unpaid leave of absence by a Participant.

2.15 “Control” means, as to any Person, the power to direct or cause the direction of the management and policies of such Person, or the power to appoint directors of the Company, whether through the ownership of voting securities, by contract or otherwise (the terms “Controlled by” and “under common Control with” shall have correlative meanings).

Notwithstanding the preceding sentence, if the date for which Fair Market Value is determined is the date on which the final prospectus relating to the Company’s Initial Public Offering is filed, the Fair Market Value shall be the “Price to the Public” (or equivalent) set forth on the cover page for the final prospectus relating to the Company’s Initial Public Offering.

2.22 “Fully Diluted” means, as applied to a specific date, the total number of shares of Common Stock outstanding as of such date plus the number of shares of Common Stock issuable upon the exercise of outstanding warrants, stock options and other awards exercisable for (or convertible into) Common Stock under an equity compensation plan of the Company, as well as upon the exercise of outstanding warrants that are not part of any equity compensation plan, but excluding shares of Common Stock issuable upon the conversion of any convertible notes.

4. Shares Subject to the Plan

4.1 Share Limitation.

(a) Subject to adjustment pursuant to Section 4.2 and any other applicable provisions hereof, the maximum aggregate number of shares of Common Stock which may be issued under all Awards granted to Participants under the Plan and with respect to Assumed Options initially shall be 2,000,000 shares, which number shall increase to 15% of the total number of shares of the Company outstanding, on a Fully Diluted basis, immediately following the final closing of the Private Placement (at such time as the Board determines that the final closing has occurred). All 2,000,000 of such shares initially available pursuant to this Section 4.1(a) may, but need not, be issued in respect of Incentive Stock Options.

(b) The number of shares of Common Stock available for issuance under the Plan shall automatically increase on January 1st of each year commencing with the January 1 following the Effective Date and on each January 1 thereafter until the Expiration Date (as defined in Section 18.3 of the Plan), in an amount equal to six percent (6%) of the total number of shares of Common Stock outstanding on December 31st of the preceding calendar year. Notwithstanding the foregoing, the Board may act prior to the first day of any calendar year, to provide that there shall be no increase in the share reserve for such calendar year or that the increase in the share reserve for such calendar year shall be a lesser number of shares of Common Stock than would otherwise occur pursuant to the preceding sentence. For avoidance of doubt, none of the shares of Common Stock available for issuance pursuant to this Section 4.1(b) shall be issued in respect of Incentive Stock Options.

(c) Shares of Common Stock issued under the Plan may be either authorized but unissued shares or shares held in the Company's treasury. To the extent that any Award or Assumed Option payable in shares of Common Stock is forfeited, cancelled, returned to the Company for failure to satisfy vesting requirements or upon the occurrence of other forfeiture events, or otherwise terminates without payment being made thereunder, the shares of Common Stock covered thereby will no longer be counted against the foregoing maximum share limitations and may again be made subject to Awards under the Plan pursuant to such limitations. Shares of Common Stock that otherwise would have been issued upon the exercise of a Stock Option or Assumed Option or in payment with respect to any other form of Award, that are surrendered in payment or partial payment of the exercise price thereof and/or taxes withheld with respect to the exercise thereof or the making of such payment, will no longer be counted against the foregoing maximum share limitations and may again be made subject to Awards under the Plan pursuant to such limitations.

4.2 Adjustments. If there shall occur any change with respect to the outstanding shares of Common Stock by reason of any recapitalization, reclassification, stock dividend, extraordinary dividend, stock split, reverse stock split, or other distribution with respect to the shares of Common Stock, or any merger, reorganization, consolidation, combination, spin-off or other similar corporate change, or any other change affecting the Common Stock, the Committee shall, in the manner and to the extent that it deems appropriate and equitable to the Participants and consistent with the terms of the Plan, cause an adjustment to be made in (i) the maximum numbers and kind of shares provided in Section 4.1 hereof, (ii) the numbers and kind of shares of Common Stock, units, or other rights subject to then outstanding Awards and Assumed Options, (iii) the price for each share or unit or other right subject to then outstanding Awards and Assumed Options, (iv) the performance measures or goals relating to the vesting of an Award or Assumed Option and (v) any other terms of an Award or Assumed Option that are affected by the event to prevent dilution or enlargement of a Participant's rights under an Award or Assumed Option. Notwithstanding the foregoing, in the case of Incentive Stock Options, any such adjustments shall, to the extent practicable, be made in a manner consistent with the requirements of Section 424(a) of the Code.

5. Participation and Awards

5.1 Designation of Participants. All Eligible Persons are eligible to be designated by the Committee to receive Awards and become Participants under the Plan. The Committee has the authority, in its discretion, to determine and designate from time to time those Eligible Persons who are to be granted Awards, the types of Awards to be granted and the number of shares of Common Stock or units subject to Awards granted under the Plan. In selecting Eligible Persons to be Participants and in determining the type and amount of Awards to be granted under the Plan, the Committee shall consider any and all factors that it deems relevant or appropriate.

5.2 Determination of Awards. The Committee shall determine the terms and conditions of all Awards granted to Participants in accordance with its authority under Section 3.2 hereof. An Award may consist of one type of right or benefit hereunder or of two or more such rights or benefits granted in tandem or in the alternative. To the extent deemed appropriate by the Committee, an Award shall be evidenced by an Award Agreement as described in Section 16.1 hereof.

5.3 Israeli Sub-Plan. The “2016 Israeli Sub-Plan” annexed hereto as Exhibit A is hereby incorporated herein by reference and shall apply with respect to Awards granted under the Plan to “Israeli Participants” as defined in the 2016 Israeli Sub-Plan.

6. Stock Options

6.1 Grant of Stock Option. A Stock Option may be granted to any Eligible Person selected by the Committee. Subject to the provisions of Section 6.6 hereof and Section 422 of the Code, each Stock Option shall be designated, in the discretion of the Committee, as an Incentive Stock Option or as a Nonqualified Stock Option.

6.2 Exercise Price. The exercise price per share of a Stock Option shall not be less than 100% of the Fair Market Value of a share of Common Stock on the Date of Grant, subject to adjustments as provided for under Section 4.2, provided that the Committee may in its discretion specify for any Stock Option an exercise price per share that is higher than the Fair Market Value on the Date of Grant, and may establish an exercise price that is below Fair Market Value on the Date of Grant for Stock Options granted to Participants who are not residents of the U.S if permitted by applicable law and any applicable rules of the principal established stock exchange or national market system on which the Common Stock is traded.

6.3 Vesting of Stock Options. The Committee shall in its discretion prescribe the time or times at which, or the conditions upon which, a Stock Option or portion thereof shall become vested and/or exercisable. The requirements for vesting and exercisability of a Stock Option may be based on the Continuous Service of the Participant for a specified time period (or periods) and/or on the attainment of a specified performance goal (or goals) established by the Committee in its discretion. The Committee may, in its discretion, accelerate the vesting or exercisability of any Stock Option at any time. The Committee in its sole discretion may allow a Participant to exercise unvested Nonqualified Stock Options, in which case the shares of Common Stock then issued shall be Restricted Stock having analogous vesting restrictions to the unvested Nonqualified Stock Options.

6.4 Term of Stock Options. The Committee shall in its discretion prescribe in an Award Agreement the period during which a vested Stock Option may be exercised, provided that the maximum term of a Stock Option shall be ten (10) years from the Date of Grant. A Stock Option may be earlier terminated as specified by the Committee and set forth in an Award Agreement upon or following the termination of a Participant's Continuous Service for any reason, including by reason of voluntary resignation, death, Disability, termination for Cause or any other reason. Except as otherwise provided in this Section 6 or in an Award Agreement as such agreement may be amended from time to time upon authorization of the Committee, no Stock Option may be exercised at any time during the term thereof unless the Participant is then in Continuous Service. Notwithstanding the foregoing, unless an Award Agreement provides otherwise:

(a) If a Participant's Continuous Service terminates by reason of his or her death, any Stock Option held by such Participant may, to the extent then exercisable, be exercised by such Participant's estate or any person who acquires the right to exercise such Stock Option by bequest or inheritance at any time in accordance with its terms for up to one year after the date of such Participant's death (but in no event after the earlier of the expiration of the term of such Stock Option or such time as the Stock Option is otherwise canceled or terminated in accordance with its terms). Upon expiration of such one-year period, no portion of the Stock Option held by such Participant shall be exercisable and the Stock Option shall be deemed to be canceled, forfeited and of no further force or effect.

(b) If a Participant's Continuous Service terminates by reason of his or her Disability, any Stock Option held by such Participant may, to the extent then exercisable, be exercised by the Participant or his or her personal representative at any time in accordance with its terms for up to one year after the date of such Participant's termination of Continuous Service (but in no event after the earlier of the expiration of the term of such Stock Option or such time as the Stock Option is otherwise canceled or terminated in accordance with its terms). Upon expiration of such one-year period, no portion of the Stock Option held by such Participant shall be exercisable and the Stock Option shall be deemed to be canceled, forfeited and of no further force or effect.

(c) If a Participant's Continuous Service terminates for any reason other than death, Disability or Cause, any Stock Option held by such Participant may, to the extent then exercisable, be exercised by the Participant up until ninety (90) days following such termination of Continuous Service (but in no event after the earlier of the expiration of the term of such Stock Option or such time as the Stock Option is otherwise canceled or terminated in accordance with its terms). Upon expiration of such 90-day period, no portion of the Stock Option held by such Participant shall be exercisable and the Stock Option shall be deemed to be canceled, forfeited and of no further force or effect.

(d) To the extent that a Stock Option of a Participant whose Continuous Service terminates is not exercisable, such Stock Option shall be deemed forfeited and canceled on the ninetieth (90th) day after such termination of Continuous Service or at such earlier time as the Committee may determine.

6.5 Stock Option Exercise. Subject to such terms and conditions as shall be specified in an Award Agreement, a Stock Option or Assumed Option may be exercised in whole or in part at any time during the term thereof by notice in the form required by the Company, and payment of the aggregate exercise price by certified or bank check, or such other means as the Committee may accept. As set forth in an Award Agreement, Assumed Option Agreement or otherwise determined by the Committee, in its sole discretion, at or after grant, payment in full or in part of the exercise price of an Option or Assumed Option may be made: (i) in the form of shares of Common Stock that have been held by the Participant for such period as the Committee may deem appropriate for accounting purposes or otherwise, valued at the Fair Market Value of such shares on the date of exercise; (ii) by surrendering to the Company shares of Common Stock otherwise receivable on exercise of the Option or Assumed Option; (iii) by a cashless exercise program implemented by the Committee in connection with the Plan; and/or (iv) by such other method as may be approved by the Committee and set forth in an Award Agreement or Assumed Option Agreement. Subject to any governing rules or regulations, as soon as practicable after receipt of written notification of exercise and full payment of the exercise price and satisfaction of any applicable tax withholding pursuant to Section 17.5, the Company shall deliver to the Participant evidence of book entry shares of Common Stock, or upon the Participant's request, Common Stock certificates in an appropriate amount based upon the number of shares of Common Stock purchased under the Option or Assumed Option. Unless otherwise determined by the Committee, all payments under all of the methods indicated above shall be paid in United States dollars or shares of Common Stock, as applicable.

6.6 Additional Rules for Incentive Stock Options.

(a) Eligibility. An Incentive Stock Option may only be granted to an Eligible Person who is considered an employee under Treasury Regulation §1.421-7(h) of the Company or any Subsidiary.

(b) Annual Limits. No Incentive Stock Option shall be granted to an Eligible Person as a result of which the aggregate Fair Market Value (determined as of the Date of Grant) of the stock with respect to which Incentive Stock Options are exercisable for the first time in any calendar year under the Plan and any other stock option plans of the Company or any Subsidiary would exceed \$100,000, determined in accordance with Section 422(d) of the Code. This limitation shall be applied by taking Incentive Stock Options into account in the order in which granted.

(c) Ten Percent Stockholders. If a Stock Option granted under the Plan is intended to be an Incentive Stock Option, and if the Participant, at the time of grant, owns stock possessing ten percent or more of the total combined voting power of all classes of Common Stock of the Company or any Subsidiary, then (A) the Stock Option exercise price per share shall in no event be less than 110% of the Fair Market Value of the Common Stock on the date of such grant and (B) such Stock Option shall not be exercisable after the expiration of five (5) years following the date such Stock Option is granted.

(d) Termination of Employment. An Award of an Incentive Stock Option shall provide that such Stock Option may be exercised not later than three (3) months following termination of employment of the Participant with the Company and all Subsidiaries, or not later than one (1) year following death or a permanent and total disability within the meaning of Section 22(e)(3) of the Code, as and to the extent determined by the Committee to be necessary to comply with the requirements of Section 422 of the Code.

(e) Disqualifying Dispositions. If shares of Common Stock acquired by exercise of an Incentive Stock Option are disposed of within two (2) years following the Date of Grant or one (1) year following the transfer of such shares to the Participant upon exercise, the Participant shall, promptly following such disposition, notify the Company in writing of the date and terms of such disposition and provide such other information regarding the disposition as the Company may reasonably require.

7. Stock Appreciation Rights

7.1 Grant of Stock Appreciation Rights. A Stock Appreciation Right may be granted to any Eligible Person selected by the Committee. Stock Appreciation Rights may be granted on a basis that allows for the exercise of the right by the Participant or that provides for the automatic payment of the right upon a specified date or event.

7.2 Base Price. The base price of a Stock Appreciation Right shall be determined by the Committee in its sole discretion; provided, however, that the base price for any grant of a Stock Appreciation Right shall not be less than 100% of the Fair Market Value of a share of Common Stock on the Date of Grant, subject to adjustments as provided for under Section 4.2.

7.3 Vesting Stock Appreciation Rights. The Committee shall in its discretion prescribe the time or times at which, or the conditions upon which, a Stock Appreciation Right or portion thereof shall become vested and/or exercisable. The requirements for vesting and exercisability of a Stock Appreciation Right may be based on the Continuous Service of a Participant for a specified time period (or periods) or on the attainment of a specified performance goal (or goals) established by the Committee in its discretion. The Committee may, in its discretion, accelerate the vesting or exercisability of any Stock Appreciation Right at any time.

7.4 Term of Stock Appreciation Rights. The Committee shall in its discretion prescribe in an Award Agreement the period during which a vested Stock Appreciation Right may be exercised, provided that the maximum term of a Stock Appreciation Right shall be ten (10) years from the Date of Grant. A Stock Appreciation Right may be earlier terminated as specified by the Committee and set forth in an Award Agreement upon or following the termination of a Participant's Continuous Service for any reason, including by reason of voluntary resignation, death, Disability, termination for Cause or any other reason. Except as otherwise provided in this Section 7 or in an Award Agreement as such agreement may be amended from time to time upon authorization of the Committee, no Stock Appreciation Right may be exercised at any time during the term thereof unless the Participant is then in Continuous Service.

7.5 Payment of Stock Appreciation Rights. Subject to such terms and conditions as shall be specified in an Award Agreement, a vested Stock Appreciation Right may be exercised in whole or in part at any time during the term thereof by notice in the form required by the Company and payment of any exercise price. Upon the exercise of a Stock Appreciation Right and payment of any applicable exercise price, a Participant shall be entitled to receive an amount determined by multiplying: (i) the excess of the Fair Market Value of a share of Common Stock on the date of exercise of the Stock Appreciation Right over the base price of such Stock Appreciation Right, by (ii) the number of shares as to which such Stock Appreciation Right is exercised. Payment of the amount determined under the immediately preceding sentence may be made, as approved by the Committee and set forth in the Award Agreement, in shares of Common Stock valued at their Fair Market Value on the date of exercise, in cash, or in a combination of shares of Common Stock and cash, subject to applicable tax withholding requirements set forth in Section 17.5. If Stock Appreciation Rights are settled in shares of Common Stock, then as soon as practicable following the date of settlement the Company shall deliver to the Participant evidence of book entry shares of Common Stock, or upon the Participant's request, Common Stock certificates in an appropriate amount.

8. Restricted Stock Awards

8.1 Grant of Restricted Stock Awards. A Restricted Stock Award may be granted to any Eligible Person selected by the Committee. The Committee may require the payment by the Participant of a specified purchase price in connection with any Restricted Stock Award. The Committee may provide in an Award Agreement for the payment of dividends and distributions to the Participant at such times as paid to stockholders generally or at the times of vesting or other payment of the Restricted Stock Award. If any dividends or distributions are paid in stock while a Restricted Stock Award is subject to restrictions under Section 8.3 of the Plan or Code Section 162(m), the dividends or other distributions shares shall be subject to the same restrictions on transferability as the shares of Common Stock to which they were paid unless otherwise set forth in the Award Agreement. The Committee may also subject the grant of any Restricted Stock Award to the execution of a voting agreement with the Company or with any Affiliate of the Company.

8.2 Vesting Requirements. The restrictions imposed on shares of Common Stock granted under a Restricted Stock Award shall lapse in accordance with the vesting requirements specified by the Committee in the Award Agreement. Upon vesting of a Restricted Stock Award, such Award shall be subject to the tax withholding requirement set forth in Section 17.5. The requirements for vesting of a Restricted Stock Award may be based on the Continuous Service of the Participant for a specified time period (or periods) or on the attainment of a specified performance goal (or goals) established by the Committee in its discretion. The Committee may, in its discretion, accelerate the vesting of a Restricted Stock Award at any time. If the vesting requirements of a Restricted Stock Award shall not be satisfied, the Award shall be forfeited and the shares of Common Stock subject to the Award shall be returned to the Company. In the event that the Participant paid any purchase price with respect to such forfeited shares, unless otherwise provided by the Committee in an Award Agreement, the Company will refund to the Participant the lesser of (i) such purchase price and (ii) the Fair Market Value of such shares on the date of forfeiture.

8.3 Restrictions. Shares granted under any Restricted Stock Award may not be transferred, assigned or subject to any encumbrance, pledge, or charge until all applicable restrictions are removed or have expired, unless otherwise allowed by the Committee. The Committee may require in an Award Agreement that certificates representing the shares granted under a Restricted Stock Award bear a legend making appropriate reference to the restrictions imposed, and that certificates representing the shares granted or sold under a Restricted Stock Award will remain in the physical custody of an escrow holder until all restrictions are removed or have expired.

8.4 Rights as Stockholder. Subject to the foregoing provisions of this Section 8 and the applicable Award Agreement, the Participant to whom a Restricted Stock Award is made shall have all rights of a stockholder with respect to the shares granted to the Participant under the Restricted Stock Award, including the right to vote the shares and receive all dividends and other distributions paid or made with respect thereto, unless the Committee determines otherwise at the time the Restricted Stock Award is granted.

8.5 Section 83(b) Election. If a Participant makes an election pursuant to Section 83(b) of the Code with respect to a Restricted Stock Award, the Participant shall file, within 30 days following the Date of Grant, a copy of such election with the Company (directed to the Secretary thereof) and with the Internal Revenue Service, in accordance with the regulations under Section 83 of the Code. The Committee may provide in an Award Agreement that the Restricted Stock Award is conditioned upon the Participant's making or refraining from making an election with respect to the Award under Section 83(b) of the Code.

9. Stock Unit Awards

9.1 Grant of Stock Unit Awards. A Stock Unit Award may be granted to any Eligible Person selected by the Committee. The value of each stock unit under a Stock Unit Award is equal to the Fair Market Value of the Common Stock on the applicable date or time period of determination, as specified by the Committee. A Stock Unit Award shall be subject to such restrictions and conditions as the Committee shall determine. A Stock Unit Award may be granted together with a dividend equivalent right with respect to the shares of Common Stock subject to the Award, which may be accumulated and may be deemed reinvested in additional stock units, as determined by the Committee in its discretion. If any dividend equivalents are paid while a Stock Unit Award is subject to restrictions under Section 9 of the Plan or Code Section 162(m), the dividend equivalents shall be subject to the same restrictions on transferability as the Stock Units to which they were paid, unless otherwise set forth in the Award Agreement.

9.2 Vesting of Stock Unit Awards. On the Date of Grant, the Committee shall, in its discretion, determine any vesting requirements with respect to a Stock Unit Award, which shall be set forth in the Award Agreement. The requirements for vesting of a Stock Unit Award may be based on the Continuous Service of the Participant for a specified time period (or periods) or on the attainment of a specified performance goal (or goals) established by the Committee in its discretion. The Committee may, in its discretion, accelerate the vesting of a Stock Unit Award at any time. A Stock Unit Award may also be granted on a fully vested basis, with a deferred payment date as may be determined by the Committee or elected by the Participant in accordance with rules established by the Committee.

9.3 Payment of Stock Unit Awards. A Stock Unit Award shall become payable to a Participant at the time or times determined by the Committee and set forth in the Award Agreement, which may be upon or following the vesting of the Award. Payment of a Stock Unit Award may be made, at the discretion of the Committee, in cash or in shares of Common Stock, or in a combination thereof as described in the Award Agreement, subject to applicable tax withholding requirements set forth in Section 17.5. Any cash payment of a Stock Unit Award shall be made based upon the Fair Market Value of the Common Stock, determined on such date or over such time period as determined by the Committee. Notwithstanding the foregoing, unless specified otherwise in the Award Agreement, any Stock Unit, whether settled in Common Stock or cash, shall be paid no later than two and one-half months after the later of the calendar year or fiscal year in which the Stock Units vest. If Stock Unit Awards are settled in shares of Common Stock, then as soon as practicable following the date of settlement, the Company shall deliver to the Participant evidence of book entry shares of Common Stock, or upon the Participant's request, Common Stock certificates in an appropriate amount.

10. Performance Shares

10.1 Grant of Performance Shares. Performance Shares may be granted to any Eligible Person selected by the Committee. A Performance Share Award shall be subject to such restrictions and condition as the Committee shall specify. A Performance Share Award may be granted with a dividend equivalent right with respect to the shares of Common Stock subject to the Award, which may be accumulated and may be deemed reinvested in additional stock units, as determined by the Committee in its discretion.

10.2 Value of Performance Shares. Each Performance Share shall have an initial value equal to the Fair Market Value of a Share on the Date of Grant. The Committee shall set performance goals in its discretion that, depending on the extent to which they are met over a specified time period, shall determine the number of Performance Shares that shall be paid to a Participant.

10.3 Earning of Performance Shares. After the applicable time period has ended, the number of Performance Shares earned by the Participant over such time period shall be determined as a function of the extent to which the applicable corresponding performance goals have been achieved. This determination shall be made solely by the Committee. The Committee may, in its discretion, waive any performance or vesting conditions relating to a Performance Share Award.

10.4 Form and Timing of Payment of Performance Shares. The Committee shall pay at the close of the applicable Performance Period, or as soon as practicable thereafter, any earned Performance Shares in the form of cash or in shares of Common Stock or in a combination thereof, as specified in a Participant's Award Agreement, subject to applicable tax withholding requirements set forth in Section 17.5. Notwithstanding the foregoing, unless specified otherwise in the Award Agreement, all Performance Shares shall be paid no later than two and one-half months following the later of the calendar year or fiscal year in which such Performance Shares vest. Any shares of Common Stock paid to a Participant under this Section 10.4 may be subject to any restrictions deemed appropriate by the Committee. If Performance Shares are settled in shares of Common Stock, then as soon as practicable following the date of settlement the Company shall deliver to the Participant evidence of book entry shares of Common Stock, or upon the Participant's request, Common Stock certificates in an appropriate amount.

11. Performance Units

11.1 Grant of Performance Units. Performance Units may be granted to any Eligible Person selected by the Committee. A Performance Unit Award shall be subject to such restrictions and condition as the Committee shall specify in a Participant's Award Agreement.

11.2 Value of Performance Units. Each Performance Unit shall have an initial notional value equal to a dollar amount determined by the Committee, in its sole discretion. The Committee shall set performance goals in its discretion that, depending on the extent to which they are met over a specified time period, will determine the number of Performance Units that shall be settled and paid to the Participant.

11.3 Earning of Performance Units. After the applicable time period has ended, the number of Performance Units earned by the Participant, and the amount payable in cash, in shares or in a combination thereof, over such time period shall be determined as a function of the extent to which the applicable corresponding performance goals have been achieved. This determination shall be made solely by the Committee. The Committee may, in its discretion, waive any performance or vesting conditions relating to a Performance Unit Award.

11.4 Form and Timing of Payment of Performance Units. The Committee shall pay at the close of the applicable Performance Period, or as soon as practicable thereafter, any earned Performance Units in the form of cash or in shares of Common Stock or in a combination thereof, as specified in a Participant's Award Agreement, subject to applicable tax withholding requirements set forth in Section 17.5. Notwithstanding the foregoing, unless specified otherwise in the Award Agreement, all Performance Units shall be paid no later than two and one-half months following the later of the calendar year or fiscal year in which such Performance Units vest. Any shares of Common Stock paid to a Participant under this Section 11.4 may be subject to any restrictions deemed appropriate by the Committee. If Performance Units are settled in shares of Common Stock, then as soon as practicable following the date of settlement the Company shall deliver to the Participant evidence of book entry shares of Common Stock, or upon the Participant's request, Common Stock certificates in an appropriate amount.

12. Incentive Bonus Awards

12.1 Incentive Bonus Awards. The Committee, at its discretion, may grant Incentive Bonus Awards to such Participants as it may designate from time to time. The terms of a Participant's Incentive Bonus Award shall be set forth in the Participant's Award Agreement. Each Award Agreement shall specify such general terms and conditions as the Committee shall determine.

12.2 Incentive Bonus Award Performance Criteria. The determination of Incentive Bonus Awards for a given year or years may be based upon the attainment of specified levels of Company or Subsidiary performance as measured by pre-established, objective performance criteria determined at the discretion of the Committee, including any or all of the Performance Measures set forth in Exhibit A hereto. The Committee shall (i) select those Participants who shall be eligible to receive an Incentive Bonus Award, (ii) determine the performance period, (iii) determine target levels of performance, and (iv) determine the level of Incentive Bonus Award to be paid to each selected Participant upon the achievement of each performance level. The Committee generally shall make the foregoing determinations prior to the commencement of services to which an Incentive Bonus Award relates (or for Incentive Bonus Awards intended to satisfy Code Section 162(m), within the permissible time period established for exemption under Code Section 162(m) and the regulations promulgated thereunder), to the extent applicable, and while the outcome of the performance goals and targets is uncertain.

12.3 Payment of Incentive Bonus Awards.

(a) Incentive Bonus Awards shall be paid in cash or Common Stock, as set forth in a Participant's Award Agreement. Payments shall be made following a determination by the Committee that the performance targets were attained and shall be made within two and one-half months after the later of the end of the fiscal or calendar year in which the Incentive Award is no longer subject to a substantial risk of forfeiture.

(b) The amount of an Incentive Bonus Award to be paid upon the attainment of each targeted level of performance shall equal a percentage of a Participant's base salary for the fiscal year, a fixed dollar amount, or such other formula, as determined by the Committee.

13. Other Cash-Based Awards and Other Stock-Based Awards

13.1 Other Cash-Based and Stock-Based Awards. The Committee may grant other types of equity-based or equity-related Awards not otherwise described by the terms of this Plan (including the grant or offer for sale of unrestricted Shares) in such amounts and subject to such terms and conditions, as the Committee shall determine. Such Awards may involve the transfer of actual shares of Common Stock to a Participant, or payment in cash or otherwise of amounts based on the value of shares of Common Stock. In addition, the Committee, at any time and from time to time, may grant Cash-Based Awards to a Participant in such amounts and upon such terms as the Committee shall determine, in its sole discretion.

13.2 Value of Cash-Based Awards and Other Stock-Based Awards. Each Other Stock-Based Award shall be expressed in terms of shares of Common Stock or units based on shares of Common Stock, as determined by the Committee, in its sole discretion. Each Other Cash-Based Award shall specify a payment amount or payment range as determined by the Committee, in its sole discretion. If the Committee exercises its discretion to establish performance goals, the value of Other Cash-Based Awards that shall be paid to the Participant will depend on the extent to which such performance goals are met.

13.3 Payment of Cash-Based Awards and Other Stock-Based Awards. Payment, if any, with respect to Other Cash-Based Awards and Other Stock-Based Award shall be made in accordance with the terms of the Award, in cash or Shares as the Committee determines.

14. Section 162(m) Awards

14.1 Awards Granted Under Code Section 162(m). The Committee, at its discretion, may designate that a Restricted Stock, Stock Unit, Performance Share, Performance Unit, Incentive Bonus, Other Stock Award or Other Cash Award shall be granted as a Section 162(m) Award. Such an Award must comply with the following additional requirements, which shall control over any other provision that pertains to such Award.

14.2 Performance Measures.

(a) Each Section 162(m) Award shall be based upon the attainment of specified levels of pre-established, objective Performance Measures that are intended to satisfy the performance based compensation exemption requirements of Code Section 162(m) and the regulations promulgated thereunder. Further, at the discretion of the Committee, an Award also may be subject to goals and restrictions in addition to the Performance Measures.

(b) “Performance Measures” means the measures of performance of the Company and its Subsidiaries used to determine a Participant’s entitlement to an Award under the Plan. Such performance measures shall have the same meanings as used in the Company’s financial statements, or, if such terms are not used in the Company’s financial statements, they shall have the meaning applied pursuant to generally accepted accounting principles, or as used generally in the Company’s industry. Performance Measures shall be calculated with respect to the Company and each Subsidiary consolidated therewith for financial reporting purposes or such division or other business unit as may be selected by the Committee. For purposes of the Plan, the Performance Measures shall be calculated in accordance with generally accepted accounting principles to the extent applicable, but, unless otherwise determined by the Committee, prior to the accrual or payment of any Award under this Plan for the same performance period and excluding the effect (whether positive or negative) of any change in accounting standards or any extraordinary, unusual or nonrecurring item, as determined by the Committee, occurring after the establishment of the performance goals. Performance Measures shall be based on one or more of the criteria set forth in Exhibit B which is hereby incorporated by reference, as determined by the Committee.

(c) For each Section 162(m) Award, the Committee shall (i) select the Participant who shall be eligible to receive a Section 162(m) Award, (ii) determine the applicable performance period, (iii) determine the target levels of the Company or Subsidiary Performance Measures, and (iv) determine the number of shares of Common Stock or cash or other property (or combination thereof) subject to an Award to be paid to each selected Participant. The Committee shall make the foregoing determinations prior to the commencement of services to which an Award relates (or within the permissible time period established under Code Section 162(m)) and while the outcome of the performance goals and targets is uncertain.

14.3 Attainment of Code Section 162(m) Goals.

(a) After each performance period, the Committee shall certify in writing (which may include the written minutes for any meeting of the Committee): (i) if the Company has attained the performance targets, and (ii) the number of shares pursuant to the Award that are to become freely transferable, if applicable, or the cash or other property payable under the Award. The Committee shall have no discretion to waive all or part of the conditions, goals and restrictions applicable to the receipt of full or partial payment of an Award except in the case of a Change in Control of the Corporation or the death or Disability of a Participant.

(b) Notwithstanding the foregoing, the Committee may, in its discretion, reduce any Award based on such factors as may be determined by the Committee, including, without limitation, a determination by the Committee that such a reduction is appropriate in light of pay practices of competitors, or the performance of the Company, a Subsidiary or a Participant relative to the performance of competitors, or performance with respect to the Company's strategic business goals.

14.4 Individual Participant Limitations. Subject to adjustment as provided in Section 4.2, the maximum number of shares of Common Stock with respect to which Stock Options or Stock Appreciation Rights may be granted to any one individual under the Plan during any calendar year shall be 1,500,000 shares. Subject to adjustment as provided in Section 4.2, the maximum number of shares of Common Stock subject to Section 162(m) Awards (other than Stock Options and Stock Appreciation Rights) that may be paid to any one individual in respect of any calendar year if the applicable Performance Goals are attained is 1,500,000 shares. The maximum cash amount that may be paid pursuant to Section 162(m) Awards (other than Stock Options and Stock Appreciation Rights) to any one individual in respect of any calendar year if the applicable Performance Goals are attained is \$1,000,000. In the case of Performance Goals based on performance periods beginning and ending in different calendar years, the number of shares of Common Stock or cash amount which is paid in respect of each calendar year during the performance period shall be determined by multiplying the total number of shares or cash amount, as applicable, paid for the performance period by a fraction, of which (i) the numerator is the number of days during the performance period in that particular calendar year, and (ii) the denominator is the total number of days during the performance period. The limitations in this Section 14.4 shall be interpreted and applied in a manner consistent with Section 162(m) of the Code and the regulations thereunder. If an Award is cancelled, the cancelled Award shall continue to be counted towards the applicable limitations.

15. Change in Control

15.1 Effect of Change in Control.

(a) The Committee may, at the time of the grant of an Award and as set forth in an Award Agreement, provide for the effect of a “Change in Control” on an Award. Such provisions may include any one or more of the following: (i) the acceleration or extension of time periods for purposes of exercising, vesting in, or realizing gain from any Award, (ii) the elimination or modification of performance or other conditions related to the payment or other rights under an Award, (iii) provision for the cash settlement of an Award for an equivalent cash value, as determined by the Committee, or (iv) such other modification or adjustment to an Award as the Committee deems appropriate to maintain and protect the rights and interests of Participants upon or following a Change in Control. To the extent necessary for compliance with Section 409A of the Code, an Award Agreement shall provide that an Award subject to the requirements of Section 409A that would otherwise become payable upon a Change in Control shall only become payable to the extent that the requirements for a “change in control” for purposes of Section 409A have been satisfied.

(b) Notwithstanding anything to the contrary set forth in the Plan, unless otherwise provided by an Award Agreement, upon or in anticipation of any Change in Control, the Committee may, in its sole and absolute discretion and without the need for the consent of any Participant, take one or more of the following actions contingent upon the occurrence of that Change in Control: (i) cause any or all outstanding Stock Options, Assumed Options and Stock Appreciation Rights held by Participants affected by the Change in Control to become vested and immediately exercisable, in whole or in part; (ii) cause any or all outstanding Restricted Stock, Stock Units, Performance Shares, Performance Units, Incentive Bonus Award and any other Award held by Participants affected by the Change in Control to become non-forfeitable, in whole or in part; (iii) cancel any Stock Option, Assumed Option or Stock Appreciation Right in exchange for a substitute option in a manner consistent with the requirements of Treasury Regulation. §1.424-1(a) (notwithstanding the fact that the original Stock Option or Assumed Option may never have been intended to satisfy the requirements for treatment as an Incentive Stock Option); (iv) cancel any Restricted Stock, Stock Units, Performance Shares or Performance Units held by a Participant in exchange for restricted stock or performance shares of or stock or performance units in respect of the capital stock of any successor corporation; (v) redeem any Restricted Stock held by a Participant affected by the Change in Control for cash and/or other substitute consideration with a value equal to the Fair Market Value of an unrestricted share of Common Stock on the date of the Change in Control; (vi) cancel any Stock Option, Assumed Option or Stock Appreciation Right (vested or unvested) held by a Participant affected by the Change in Control in exchange for cash and/or other substitute consideration with a value equal to (A) the number of shares of Common Stock subject to that Stock Option, Assumed Option or Stock Appreciation Right, multiplied by (B) the difference, if any, between the Fair Market Value per share of Common Stock on the date of the Change in Control and the exercise price of that Stock Option, Assumed Option or Stock Appreciation Right; *provided*, that if the Fair Market Value per share of Common Stock on the date of the Change in Control does not exceed the exercise price of any such Stock Option, Assumed Option or Stock Appreciation Right, the Committee may cancel that Stock Option, Assumed Option or Stock Appreciation Right without any payment of consideration therefor; (vii) cancel any Stock Unit or Performance Unit held by a Participant affected by the Change in Control in exchange for cash and/or other substitute consideration with a value equal to the Fair Market Value per share of Common Stock on the date of the Change in Control (provided that such cancelation and exchange does not violate Section 409A of the Code); or (ix) make such other modifications, adjustments or amendments to outstanding Awards or this Plan as the Committee deems necessary or appropriate.

16. General Provisions

16.1 Award Agreement. To the extent deemed necessary by the Committee, an Award under the Plan shall be evidenced by an Award Agreement in a written or electronic form approved by the Committee setting forth the number of shares of Common Stock or units subject to the Award, the exercise price, base price, or purchase price of the Award, the time or times at which an Award will become vested, exercisable or payable and the term of the Award. The Award Agreement may also set forth the effect on an Award of termination of Continuous Service under certain circumstances. The Award Agreement shall be subject to and incorporate, by reference or otherwise, all of the applicable terms and conditions of the Plan, and may also set forth other terms and conditions applicable to the Award as determined by the Committee consistent with the limitations of the Plan. Award Agreements evidencing Incentive Stock Options shall contain such terms and conditions as may be necessary to meet the applicable provisions of Section 422 of the Code. The grant of an Award under the Plan shall not confer any rights upon the Participant holding such Award other than such terms, and subject to such conditions, as are specified in the Plan as being applicable to such type of Award (or to all Awards) or as are expressly set forth in the Award Agreement.

16.2 Forfeiture Events/Representations. The Committee may specify in an Award Agreement at the time of the Award that the Participant's rights, payments and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events shall include, but shall not be limited to, termination of Continuous Service for Cause, violation of material Company policies, breach of noncompetition, confidentiality or other restrictive covenants that may apply to the Participant, or other conduct by the Participant that is detrimental to the business or reputation of the Company. The Committee may also specify in an Award Agreement that the Participant's rights, payments and benefits with respect to an Award shall be conditioned upon the Participant making a representation regarding compliance with noncompetition, confidentiality or other restrictive covenants that may apply to the Participant and providing that the Participant's rights, payments and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture or recoupment on account of a breach of such representation. Notwithstanding the foregoing, the confidentiality restrictions set forth in an Award Agreement shall not, and shall not be interpreted to, impair a Participant from exercising any legally protected whistleblower rights (including under Rule 21 of the Exchange Act). In addition and without limitation of the foregoing, any amounts paid hereunder shall be subject to recoupment in accordance with The Dodd–Frank Wall Street Reform and Consumer Protection Act and any implementing regulations thereunder, any “clawback” policy adopted by the Company or as is otherwise required by applicable law or stock exchange listing condition.

16.3 No Assignment or Transfer; Beneficiaries.

(a) Awards under the Plan shall not be assignable or transferable by the Participant, except by will or by the laws of descent and distribution, and shall not be subject in any manner to assignment, alienation, pledge, encumbrance or charge. Notwithstanding the foregoing, the Committee may provide in an Award Agreement that the Participant shall have the right to designate a beneficiary or beneficiaries who shall be entitled to any rights, payments or other benefits specified under an Award following the Participant's death. During the lifetime of a Participant, an Award shall be exercised only by such Participant or such Participant's guardian or legal representative. In the event of a Participant's death, an Award may, to the extent permitted by the Award Agreement, be exercised by the Participant's beneficiary as designated by the Participant in the manner prescribed by the Committee or, in the absence of an authorized beneficiary designation, by the legatee of such Award under the Participant's will or by the Participant's estate in accordance with the Participant's will or the laws of descent and distribution, in each case in the same manner and to the same extent that such Award was exercisable by the Participant on the date of the Participant's death.

(b) Limited Transferability Rights. Notwithstanding anything else in this Section 16.3 to the contrary, the Committee may in its discretion provide in an Award Agreement that an Award in the form of a Nonqualified Stock Option, share-settled Stock Appreciation Right, Restricted Stock, Performance Share or share-settled Other Stock-Based Award may be transferred, on such terms and conditions as the Committee deems appropriate, either (i) by instrument to the Participant's "Immediate Family" (as defined below), (ii) by instrument to an inter vivos or testamentary trust (or other entity) in which the Award is to be passed to the Participant's designated beneficiaries, or (iii) by gift to charitable institutions. Any transferee of the Participant's rights shall succeed and be subject to all of the terms of the applicable Award Agreement and the Plan. "Immediate Family" means any child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, and shall include adoptive relationships.

16.4 Rights as Stockholder. A Participant shall have no rights as a holder of shares of Common Stock with respect to any unissued securities covered by an Award until the date the Participant becomes the holder of record of such securities. Except as provided in Section 4.2 hereof, no adjustment or other provision shall be made for dividends or other stockholder rights, except to the extent that the Award Agreement provides for dividend payments or dividend equivalent rights.

16.5 Employment or Continuous Service. Nothing in the Plan, in the grant of any Award or in any Award Agreement shall confer upon any Eligible Person or Participant any right to continue in Continuous Service, or interfere in any way with the right of the Company or any of its Subsidiaries to terminate the employment or other service relationship of an Eligible Person or Participant for any reason at any time.

16.6 Fractional Shares. In the case of any fractional share or unit resulting from the grant, vesting, payment or crediting of dividends or dividend equivalents under an Award, the Committee shall have the discretionary authority to (i) disregard such fractional share or unit, (ii) round such fractional share or unit to the nearest lower or higher whole share or unit, or (iii) convert such fractional share or unit into a right to receive a cash payment.

16.7 Other Compensation and Benefit Plans. The amount of any compensation deemed to be received by a Participant pursuant to an Award shall not constitute includable compensation for purposes of determining the amount of benefits to which a Participant is entitled under any other compensation or benefit plan or program of the Company or any Subsidiary, including, without limitation, under any bonus, pension, profit-sharing, life insurance, salary continuation or severance benefits plan, except to the extent specifically provided by the terms of any such plan.

16.8 Plan Binding on Transferees. The Plan shall be binding upon the Company, its transferees and assigns, and the Participant, the Participant's executor, administrator and permitted transferees and beneficiaries. In addition, all obligations of the Company under this Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

16.9 Foreign Jurisdictions. The Committee may adopt, amend and terminate such arrangements and grant such Awards, not inconsistent with the intent of the Plan, as it may deem necessary or desirable to comply with any tax, securities, regulatory or other laws of other jurisdictions with respect to Awards that may be subject to such laws. The terms and conditions of such Awards may vary from the terms and conditions that would otherwise be required by the Plan solely to the extent the Committee deems necessary for such purpose. Moreover, the Board may approve such supplements to or amendments, restatements or alternative versions of the Plan, not inconsistent with the intent of the Plan, as it may consider necessary or appropriate for such purposes, without thereby affecting the terms of the Plan as in effect for any other purpose.

16.10 No Obligation to Notify or Minimize Taxes. The Company will have no duty or obligation to any Participant to advise such holder as to the time or manner of exercising an Award. Furthermore, the Company will have no duty or obligation to warn or otherwise advise such holder of a pending termination or expiration of an Award or a possible period in which the Award may not be exercised. The Company has no duty or obligation to minimize the tax consequences of an Award to the holder of such Award.

16.11 Corporate Action Constituting Grant of Awards. Corporate action constituting a grant by the Company of an Award to any Participant will be deemed completed as of the date of such corporate action, unless otherwise determined by the Board, regardless of when the instrument, certificate, or letter evidencing the Award is communicated to, or actually received or accepted by, the Participant. In the event that the corporate records (e.g., Board or Committee consents, resolutions or minutes) documenting the corporate action constituting the grant contain terms (e.g., exercise price, vesting schedule or number of shares) that are inconsistent with those in the Award Agreement as a result of a clerical error in the papering of the Award Agreement, the corporate records will control and the Participant will have no legally binding right to the incorrect term in the Award Agreement.

16.12 Change in Time Commitment. In the event a Participant's regular level of time commitment in the performance of the Participant's services for the Company and any Affiliates is reduced (for example, and without limitation, if the Participant is an employee of the Company and the employee has a change in status from a full-time employee to a part-time employee) after the date of grant of any Award to the Participant, the Committee has the right in its sole discretion to (x) make a corresponding reduction in the number of shares subject to any portion of such Award that is scheduled to vest or become payable after the date of such change in time commitment and (y) in lieu of or in combination with such a reduction, extend the vesting or payment schedule applicable to such Award. In the event of any such reduction, the Participant will have no right with respect to any portion of the Award that is so reduced or extended.

16.13 Substitute Awards in Corporate Transactions. Nothing contained in the Plan shall be construed to limit the right of the Committee to grant Awards under the Plan in connection with the acquisition, whether by purchase, merger, consolidation or other corporate transaction, of the business or assets of any corporation or other entity. Without limiting the foregoing, the Committee may grant Awards under the Plan to an employee or director of another corporation who becomes an Eligible Person by reason of any such corporate transaction in substitution for awards previously granted by such corporation or entity to such person. The terms and conditions of the substitute Awards may vary from the terms and conditions that would otherwise be required by the Plan solely to the extent the Committee deems necessary for such purpose. Any shares of Common Stock subject to these substitute Awards shall not be counted against any of the maximum share limitations set forth in the Plan.

17. Legal Compliance

17.1 Securities Laws. No shares of Common Stock will be issued or transferred pursuant to an Award unless and until all then applicable requirements imposed by Federal and state securities and other laws, rules and regulations and by any regulatory agencies having jurisdiction, and by any exchanges upon which the shares of Common Stock may be listed, have been fully met. As a condition precedent to the issuance of shares pursuant to the grant or exercise of an Award, the Company may require the Participant to take any reasonable action to meet such requirements. The Committee may impose such conditions on any shares of Common Stock issuable under the Plan as it may deem advisable, including, without limitation, restrictions under the Securities Act, as amended, under the requirements of any exchange upon which such shares of the same class are then listed, and under any blue sky or other securities laws applicable to such shares. The Committee may also require the Participant to represent and warrant at the time of issuance or transfer that the shares of Common Stock are being acquired only for investment purposes and without any current intention to sell or distribute such shares. All Common Stock issued pursuant to the terms of this Plan shall constitute "restricted securities," as that term is defined in Rule 144 promulgated pursuant to the Securities Act, and may not be transferred except in compliance herewith and with the registration requirements of the Securities Act or an exemption therefrom. Certificates representing Common Stock acquired pursuant to an Award may bear such legend as the Company may consider appropriate under the circumstances. If an Award is made to an Eligible Person who is subject to Chinese jurisdiction, and approval of the Award by China's State Administration of Foreign Exchange is needed, the Award may be converted to cash or other equivalent amount if and to the extent that such approval is not obtained.

17.2 Incentive Arrangement. The Plan is designed to provide an on-going, pecuniary incentive for Participants to produce their best efforts to increase the value of the Company. The Plan is not intended to provide retirement income or to defer the receipt of payments hereunder to the termination of a Participant's employment or beyond. The Plan is thus intended not to be a pension or welfare benefit plan that is subject to Employee Retirement Income Security Act of 1974 ("ERISA"), and shall be construed accordingly. All interpretations and determinations hereunder shall be made on a basis consistent with the Plan's status as not an employee benefit plan subject to ERISA.

17.3 Unfunded Plan. The adoption of the Plan and any reservation of shares of Common Stock or cash amounts by the Company to discharge its obligations hereunder shall not be deemed to create a trust or other funded arrangement. Except upon the issuance of Common Stock pursuant to an Award, any rights of a Participant under the Plan shall be those of a general unsecured creditor of the Company, and neither a Participant nor the Participant's permitted transferees or estate shall have any other interest in any assets of the Company by virtue of the Plan. Notwithstanding the foregoing, the Company shall have the right to implement or set aside funds in a grantor trust, subject to the claims of the Company's creditors or otherwise, to discharge its obligations under the Plan.

17.4 Section 409A Compliance. To the extent applicable, it is intended that the Plan and all Awards hereunder comply with the requirements of Section 409A of the Code or an exemption thereto, and the Plan and all Award Agreements shall be interpreted and applied by the Committee in a manner consistent with this intent in order to avoid the imposition of any additional tax under Section 409A of the Code. Notwithstanding anything in the Plan or an Award Agreement to the contrary, in the event that any provision of the Plan or an Award Agreement is determined by the Committee, in its sole discretion, to not comply with the requirements of Section 409A of the Code or an exemption thereto, the Committee shall, in its sole discretion, have the authority to take such actions and to make such interpretations or changes to the Plan or an Award Agreement as the Committee deems necessary, regardless of whether such actions, interpretations, or changes shall adversely affect a Participant, subject to the limitations, if any, of applicable law. In no event whatsoever shall the Company be liable for any additional tax, interest or penalties that may be imposed on any Participant by Section 409A of the Code or any damages for failing to comply with Section 409A of the Code.

17.5 Tax Withholding.

(a) The Company shall have the power and the right to deduct or withhold, or require a participant to remit to the Company, the minimum statutory amount to satisfy federal, state, and local taxes, domestic or foreign, required by law or regulation to be withheld with respect to any taxable event arising as a result of this Plan, but in no event shall such deduction or withholding or remittance exceed the minimum statutory withholding requirements unless permitted by the Company and such additional withholding amount will not cause adverse accounting consequences and is permitted under Applicable Law.

(b) A Participant may, in order to fulfill the withholding obligation, tender previously-acquired shares of Common Stock or have shares of stock withheld from the exercise, provided that the shares have an aggregate Fair Market Value sufficient to satisfy in whole or in part the applicable withholding taxes. The broker-assisted exercise procedure described in Section 6.5 may also be utilized to satisfy the withholding requirements related to the exercise of a Stock Option or Assumed Option.

(c) Notwithstanding the foregoing, a Participant may not use shares of Common Stock to satisfy the withholding requirements to the extent that (i) there is a substantial likelihood that the use of such form of payment or the timing of such form of payment would subject the Participant to a substantial risk of liability under Section 16 of the Exchange Act; (ii) such withholding would constitute a violation of the provisions of any law or regulation (including the Sarbanes-Oxley Act of 2002), or (iii) such withholding would cause adverse accounting consequences for the Company.

17.6 No Guarantee of Tax Consequences. Neither the Company, the Board, the Committee nor any other Person make any commitment or guarantee that any federal, state, local or foreign tax treatment will apply or be available to any Participant or any other person hereunder.

17.7 Severability. If any provision of the Plan or any Award Agreement shall be determined to be illegal or unenforceable by any court of law in any jurisdiction, the remaining provisions hereof and thereof shall be severable and enforceable in accordance with their terms, and all provisions shall remain enforceable in any other jurisdiction.

17.8 Stock Certificates; Book Entry Form. Notwithstanding any provision of the Plan to the contrary, unless otherwise determined by the Committee or required by any applicable law, rule or regulation, any obligation set forth in the Plan pertaining to the delivery or issuance of stock certificates evidencing shares of Common Stock may be satisfied by having issuance and/or ownership of such shares recorded on the books and records of the Company (or, as applicable, its transfer agent or stock plan administrator).

17.9 Governing Law. The Plan and all rights hereunder shall be subject to and interpreted in accordance with the laws of the State of Delaware, without reference to the principles of conflicts of laws, and to applicable Federal securities laws.

18. Effective Date, Amendment and Termination

18.1 Effective Date. The effective date of the Plan shall be the date on which the Plan is approved by the requisite percentage of the holders of the Common Stock of the Company; provided, however, that Awards granted under the Plan subsequent to the approval of the Plan by the Board shall be valid if such stockholder approval occurs within one year of the date on which such Board approval occurs.

18.2 Successor to Prior Plan. This Plan succeeds and replaces the Prior Plan in its entirety; provided, however, that the terms of Assumed Option Agreements entered into with respect to Assumed Options shall continue in effect subject to such modifications or amendments thereto as may be made to such Assumed Option Agreements; and provided further however that Assumed Options and Assumed Option Agreements shall be subject to the additional terms and conditions of the 2016 Israeli Sub-Plan annexed hereto as Exhibit A. For avoidance of doubt, and without limitation, the terms of Sections 3, 4, 6.5, 15, 16, 17 and 18 of this Plan shall govern Prior Options, except to the extent that application of such terms demand otherwise.

18.3 Amendment; Termination. The Board may suspend or terminate the Plan (or any portion thereof) at any time and may amend the Plan at any time and from time to time in such respects as the Board may deem advisable or in the best interests of the Company or any Subsidiary; provided, however, that (a) no such amendment, suspension or termination shall materially and adversely affect the rights of any Participant under any outstanding Awards, without the consent of such Participant, (b) to the extent necessary and desirable to comply with any applicable law, regulation, or stock exchange rule, the Company shall obtain stockholder approval of any Plan amendment in such a manner and to such a degree as required, and (c) stockholder approval is required for any amendment to the Plan that (i) increases the number of shares of Common Stock available for issuance under the Plan, or (ii) changes the persons or class of persons eligible to receive Awards. The Plan will continue in effect until terminated in accordance with this Section 18.2; *provided, however*, that no Award will be granted hereunder on or after the 10th anniversary of the date of the Plan's initial adoption by the Board (the "Expiration Date"); *but provided further*, that Awards granted prior to such Expiration Date may extend beyond that date.

SECTION 3. Trustee 102 Awards.

(a) Awards granted pursuant to this Section 3 are intended to constitute Trustee 102 Awards and are subject to the provisions of Section 102 and the general terms and conditions specified in the Plan, except for such provisions of the Plan applying to Awards under a different tax law or regulation.

The Board shall have the right to determine whether the Election shall be that the Trustee 102 Awards be 102 Capital Gains Awards or 102 Ordinary Income Awards. After making an Election, the Company may grant only the type of Trustee 102 Awards it has elected (i.e., 102 Capital Gains Awards or 102 Ordinary Income Awards), and the Election shall apply to all grants to Israeli Employee Participants of Trustee 102 Awards until such Election is changed pursuant to the provisions of Section 102(g) of the Ordinance. The Employing Company may change such Election only after the passage of at least one year after the end of the year during which the applicable Employing Company first granted Trustee 102 Awards in accordance with the previous Election. For the avoidance of doubt, such Election shall not prevent the Company from granting Non-Trustee 102 Awards or 3(i) Awards.

(f) Trustee 102 Awards may be granted only after the passage of thirty (30) days (or a shorter period as, and if, approved by the ITA) following the delivery by the appropriate Employing Company to the ITA of a request for approval of the Plan (including this Sub-Plan) and the Trustee in accordance with Section 102. Notwithstanding the foregoing paragraph, if within ninety (90) days of delivery of the abovementioned request, the appropriate ITA officer notifies the Employing Company of his or her decision not to approve the Plan (including this Sub-Plan) or the Trustee, the Awards that were intended to be granted as a Trustee 102 Awards shall be deemed to be Non-Trustee 102 Awards, unless otherwise determined by the ITA officer.

(g) Anything herein to the contrary notwithstanding, all Trustee 102 Awards granted under this Plan shall be granted or issued to a Trustee. The Trustee shall hold each such Trustee 102 Award, all Shares issued upon exercise thereof, and all other rights resulting from such Trustee 102 Award or Shares, including bonus shares, in trust for the benefit of the Israeli Employee Participant to which such Award was granted. All certificates representing Awards or Shares issued to the Trustee under the Plan shall be issued in the Trustee's name, deposited with the Trustee, and shall be held by the Trustee until such time that such Awards or Shares are released from the trust.

(h) With respect to 102 Capital Gains Awards and 102 Ordinary Income Awards, such Awards or any Shares issued upon the exercise thereof and all rights resulting from such Awards or Shares, including bonus shares, will be held by the Trustee, from the date such Awards or Shares were deposited with the Trustee until the end of the applicable Lockup Period (currently 24 months with respect to 102 Capital Gains Awards and 12 months with respect to 102 Ordinary Income Awards) or such shorter period as approved by the ITA, under the terms set forth in Section 102.

(i) In accordance with Section 102, the Israeli Employee Participant shall not sell, cause the release from trust, or otherwise dispose of, any Trustee 102 Award, any Share issued upon the exercise thereof, or any rights resulting from such Award or Share, including bonus shares, until the end of the applicable Lockup Period. Notwithstanding the foregoing but without derogating from the provisions of the Plan and the terms and conditions set forth in the Award Agreement, if any such sale, release, or disposition occurs during the Lockup Period, then the provisions of Section 102 relating to non-compliance with the Lockup Period will apply and all sanctions and liability under Section 102 shall be borne by the Israeli Employee Participant. The Israeli Employee Participant will indemnify the Company, the Trustee and any other party which incurs any liability as a result of such sale, release or disposition.

(j) Anything herein to the contrary notwithstanding, the Trustee shall not release any unexercised Trustee 102 Awards, Shares issued upon the exercise of any Trustee 102 Awards, or any rights, including bonus shares, resulting from such Trustee 102 Awards or Shares, prior to the full payment of the Exercise Price and the Israeli Employee Participant's tax liability arising from the Trustee 102 Awards granted to him or her.

(k) In the event that the requirements for the Trustee 102 Awards are not met, then the Trustee 102 Awards shall be deemed Non-Trustee 102 Awards.

(l) Upon receipt of a Trustee 102 Award, the Israeli Employee Participant will sign an Award Agreement under which such Participant will agree to be subject to the trust agreement between the Company or its Affiliate and the Trustee, stating, *inter alia*, that the Trustee will be released from any liability in respect of any action or decision taken or executed in good faith with respect to this Sub-Plan, or any Trustee 102 Award or Share issued to him or her thereunder, or right resulting therefrom, including bonus shares.

(m) The validity of any order given to the Trustee by an Israeli Employee Participant shall be subject to the approval of the Employing Company. The Employing Company shall render its decision regarding whether to approve orders given by any Israeli Employee Participant to the Trustee within a reasonable period of time. The Employing Company shall not be required to approve any order which is incomplete, is not in accordance with the provisions of this Plan and the applicable Award Agreement or which the Employing Company believes should not be executed for any reasonable reason. The Employing Company shall notify the Israeli Employee Participant of the reason for not approving his or her order. Approval by the Employing Company of any order given to the Trustee by an Israeli Employee Participant shall not constitute proof of the Employing Company's recognition of any right of such Israeli Employee Participant.

(n) Without derogating from the above, the Employing Company shall have the authority to determine the specific procedures and conditions of the trusteeship with the Trustee in a separate agreement between the Employing Company and the Trustee.

(o) In the case of 102 Awards, the Trustee shall have no rights as a shareholder of the Company with respect to the Shares covered by such Award until the Trustee becomes the record holder for such Shares for the Israeli Participant's benefit, and the Israeli Participant shall have no rights as a shareholder of the Company with respect to the Shares covered by the Award until the date of the release of such Shares from the Trustee to the Israeli Participant and the transfer of record ownership of such shares to the Israeli Participant.

SECTION 4. Non-Trustee 102 Awards.

(a) Awards granted pursuant to this Section 4 are intended to constitute Non-Trustee 102 Awards and are subject to the provisions of Section 102 and the general terms and conditions specified in the Plan, except for such provisions of the Plan applying to Awards granted under a different tax law or regulations.

(b) Unless the Committee determines otherwise and subject to applicable law, Non-Trustee 102 Awards may be granted only to Israeli Employee Participants.

(c) Non-Trustee 102 Awards that shall be granted pursuant to the Plan may be issued directly to the Israeli Employee Participant or to a trustee appointed by the Board in its sole discretion. In the event that the Board determines that Non-Trustee 102 Awards, or Shares issued upon the exercise thereof, or rights resulting therefrom, including bonus shares, shall be deposited with a trustee, the provisions of Section 3(g), 3(h), 3(i), 3(j), 3(l), 3(m), 3(n), and 3(o) of this Sub-Plan shall apply, *mutatis mutandis*.

(d) In the event that an Israeli Employee Participant was granted a Non-Trustee 102 Award and thereafter such Israeli Employee Participant's employment by the Company, or any Affiliate thereof, terminates for any reason, such Israeli Employee Participant will be obligated to provide his or her employer, upon the termination of his or her employment, with a security or guarantee to cover any future tax obligation resulting from the grant, exercise or disposition of the Award, the Shares issuable upon the exercise thereof, or any rights resulting therefrom, in a form satisfactory to such employer in such employer's sole discretion.

SECTION 5. 3(i) Awards.

(a) Awards granted pursuant to this Section 5 are intended to constitute 3(i) Awards and are subject to the provisions of Section 3(i) of the Ordinance and the general terms and conditions specified the Plan, except for provisions of the Plan applying to Awards granted under a different tax law or regulations.

(b) Unless the Committee determines otherwise and subject to applicable law, 3(i) Awards may be granted only to Israeli Non-Employee Participants.

(c) 3(i) Awards that shall be granted pursuant to the Plan may be issued directly to the Israeli Non-Employee Participant or to a trustee appointed by the Board in its sole discretion. In the event that the Board determines that 3(i) Awards, or Shares issued upon the exercise thereof, or rights resulting therefrom, including bonus shares, shall be deposited with a trustee, the provisions of Section 3(g), 3(h), 3(i), 3(j), 3(l), 3(m), 3(n) and 3(o) of this Sub-Plan shall apply, *mutatis mutandis*.

(d) In the event that an Israeli Non-Employee Participant was granted a 3(i) Award and thereafter such Israeli Non-Employee Participant's employment by the Company, or any Affiliate thereof, terminates for any reason, such Israeli Non-Employee Participant will be obligated to provide his or her employer, upon the termination of his or her employment, with a security or guarantee to cover any future tax obligation resulting from the grant, exercise or disposition of the Award, the Shares issuable upon the exercise thereof, or any rights resulting therefrom, in a form satisfactory to such employer in such employer's sole discretion.

SECTION 6. The Award Agreement. The terms and conditions upon which the Awards shall be issued and exercised shall be as specified in an Award Agreement to be executed pursuant to the Plan and this Sub-Plan. Each Award Agreement shall state, inter alia, the number of Shares granted under the Award, the type of Award granted thereunder (whether such Award is a Trustee 102 Award, and if so, whether it is a 102 Capital Gains Award or 102 Ordinary Income Award, or a Non-Trustee 102 Award, or a 3(i) Award), the vesting provisions, the term of the Award, and the exercise price. Any grant of Awards shall be conditioned upon the Participant's undertaking to be subject to the provisions of Section 102 or Section 3(i) of the Ordinance, as applicable.

SECTION 7. Fair Market Value For Israeli Tax Purposes. Without derogating from Section 2.21 of the Plan and solely for the purpose of determining the tax liability pursuant to Section 102(b)(3) of the Ordinance, if at the date of grant of a 102 Capital Gains Award the Company's Shares are listed on any established stock exchange or a national market system, or if the Company's shares are registered for trading within ninety (90) days following the date of grant of the 102 Capital Gains Award, the fair market value of the Shares at the date of grant shall be determined in accordance with the average value of the Company's shares on the thirty (30) trading days preceding the date of grant or on the thirty (30) trading days following the date of registration for trading, as applicable.

SECTION 8. Exercise of Awards. Awards shall be exercised in accordance with the provisions of the Plan and the Award Agreement, and when applicable, in accordance with the requirements of Section 102.

SECTION 9. Assignability and Sale of Awards.

(a) Notwithstanding any other provision of the Plan to the contrary, no Awards, or any right with respect thereto or purchasable thereunder, whether fully paid or not, shall be assignable, transferable or given as collateral or any right with respect thereto granted to any third party whatsoever, without the prior written consent of the Board, and subject to the Ordinance. Any purported assignment, transfer, grant of collateral, or pledge of Awards, or any right with respect thereto or purchasable thereunder, contrary to the provisions of this Section, directly or indirectly, whether contemplated to be effective immediate effect or in the future, shall be null and void and cause the applicable Award to immediately expire. During the lifetime of the Israeli Participant all of such Israeli Participant's rights to purchase Shares or to otherwise exercise an Award hereunder shall be exercisable only by the Israeli Participant.

(b) Without derogating from Section 9(a) above, for as long as Awards or Shares purchased upon the exercise thereof are held by the Trustee on behalf of the Participant, all rights of the Participant with respect to such Awards and Shares shall be personal, and may not be transferred, assigned, pledged or mortgaged, other than by will or the laws of descent and distribution. Any purported assignment, transfer, grant of collateral, or pledge of an Award or Share in contradiction to the provisions of this Section, directly or indirectly, whether contemplated to be effective immediately or in the future, shall be null and void and cause the Award to expire immediately.

SECTION 10. Integration of Section 102 And Tax Assessing Officer's Permit.

(a) With respect to Trustee 102 Awards, the provisions of the Plan, this Sub-Plan and the Award Agreement shall be subject to the provisions of Section 102 and the Tax Assessing Officer's permit (to the extent that such permit is issued) and/or any pre-ruling obtained by the ITA (the "Permit"), and the provisions of the Permit shall be deemed integrated with, and a part of, the Plan, this Sub-Plan and the Award Agreement.

(b) Any provision of Section 102 or the Permit which is necessary in order to obtain or preserve any tax benefit pursuant to Section 102, which is not expressly specified in the Plan, this Sub-Plan, or the Award Agreement, shall be deemed to have been automatically incorporated into this Sub-Plan and binding upon the Company and the Participants who are Israeli Participants.

SECTION 11. Dividends. Without derogating from the provisions of the Plan, an Israeli Participant shall be entitled to receive (or the Trustee for the benefit of Participant if such Shares are held by the Trustee for his or her benefit) dividends with respect to Shares issued upon the exercise of his or her Awards, in accordance with the provisions of the Company's Certificate of Incorporation (including all amendments thereto), subject to any applicable taxation on distribution of dividends and, when applicable, subject to the provisions of Section 102.

SECTION 12. Tax Consequences.

(a) Any liability for any Tax arising with respect to the Awards and the Shares, including, but not limited to, as a result of the grant of Awards, the exercise of an Award for Shares, the receipt of cash, the transfer, waiver, or expiration of Awards or Shares or the disposal of Shares, shall be borne solely by the Israeli Participants, and in the event of their death, by their estates or heirs. Neither the Company nor any Affiliate nor the Trustee shall be required to pay such Taxes, directly or indirectly, nor shall they be required to gross up such Taxes in the Israeli Participants' salaries or remuneration. The applicable Tax may be deducted from any cash to be provided to the Israeli Participant or from the proceeds of the disposal of the Shares or shall be paid to the Trustee or to the Company or its Affiliates by the Israeli Participants at their request, or may be provided via any combination of the above.

(b) The Company, its Affiliates and the Trustee shall be entitled to withhold Taxes according to the requirements of any applicable laws, rules, and regulations, including by withholding Taxes at source and specifically under Rule 7(b) of the Rules.

(c) The Israeli Participants undertake to indemnify the Company, its Affiliates and the Trustee, immediately upon their request, for any Tax for which the Israeli Participant is liable under any applicable law, under the Plan or this Sub-Plan, and which was paid by the Company or the Trustee, or which the Company or the Trustee are required to pay and hold them harmless against and from any and all liability for any such tax or interest or penalty or indexation thereon, including without limitation, liabilities relating to the necessity to withhold, or to have withhold any such tax from payments made to the Israeli Participant. The Company may exercise its right to such indemnification by deducting the Tax subject to indemnification from Participant's salary or remuneration.

(d) The Board or, when applicable, the Trustee shall not be required to release any Awards, Shares, rights resulting therefrom, including bonus shares, or stock certificates, to an Israeli Participant until all required Tax payments and other payments to be borne by such Israeli Participant have been fully made.

(e) Notwithstanding any other provision No Israeli Participant shall have any of the rights of a shareholder with respect to any Shares until Participant pays all payments required to be paid under this Section 12 with respect to such Shares.

(f) The ramifications of any future modification of any applicable law with respect to the taxation of Awards or Shares granted to Participants shall apply to the Israeli Participants accordingly and the Israeli Participants shall bear the full cost thereof, unless such laws, as modified, mandatorily provide otherwise. For the avoidance of doubt, should the applicability of such taxing arrangements to the Plan, this Sub-Plan or to securities issued hereunder or thereunder be conditioned on a decision by the Company or by the Trustee that such arrangements shall apply, the Company shall be entitled to decide, at its absolute discretion, whether to apply such taxing arrangements and to instruct the Trustee to act accordingly.

(g) Unless the Committee determines otherwise at any time and subject to any applicable law, in the event that an Israeli Participant who was granted a Non-Trustee 102 Award is an employee of the Company or any Affiliate, such employee will be obligated to provide the Company or any its Affiliate, upon the termination of his or her employment for any reason, with a security or guarantee to cover any future tax obligation resulting from the grant, exercise or disposition of such Award or the Shares issuable upon the exercise thereof, in the form satisfactory to such employer in the latter's sole discretion.

(h) Each Participant agrees to, and undertakes to comply with, any ruling, settlement, closing agreement or other similar agreement or arrangement with ITA which is received and/or approved by the Company.

SECTION 13. Awards Excluded From Salary. The Awards and any Options, Restricted Stock, or Restricted Stock Units or Shares issued thereunder, are extraordinary one-time benefits granted to Israeli Participants, and are not and shall not be deemed a component of any such Israeli Participant's salary for any purpose, including, without limitation, in connection with calculating severance compensation under the Severance Compensation Law, 5723-1963, and the regulations promulgated thereunder.

SECTION 14. Governing Law & Jurisdiction. This Sub-Plan shall be governed by and construed and enforced in accordance with the laws of the State of Israel, without giving effect to the principles of conflict of laws. The competent courts in Tel-Aviv shall have sole jurisdiction in any matters pertaining to this Sub-Plan.
