Item 1.01 Entry into a Material Definitive Agreement.

Entry into Asset Purchase Agreement

On August 9, 2015, BioScrip, Inc. (the “Company”) entered into an Asset Purchase Agreement (the “Asset Purchase Agreement”) by and between the Company, BioScrip PBM Services, LLC (the “Seller”) and ProCare Pharmacy Benefit Manager Inc., a privately held pharmacy benefit manager and part of the ProCare Rx companies (the “Buyer”), for the sale of the Company’s PBM Services segment (the “PBM Business”). The sale of the PBM Business (the “Transaction”) pursuant to the Asset Purchase Agreement is in furtherance of the Company’s strategy to divest its non-core businesses and focus its growth initiatives and capital in its Infusion Services segment.

The closing of the Transaction is expected to occur on August 27, 2015 (the “Closing Date”). Pursuant to the Asset Purchase Agreement, the Buyer has agreed to acquire substantially all of the assets used solely in connection with the PBM Business and to assume certain PBM Business liabilities for a total cash purchase price of approximately \$25 million (the “Purchase Price”), subject to adjustment based on the total net working capital of the PBM Business as of the Closing Date. At the closing of the Transaction, the Buyer will pay the Purchase Price to the Seller. The Transaction and the other transactions contemplated by the Asset Purchase Agreement are subject to customary closing conditions, including compliance with covenants and receipt of certain contractual consents.

Pursuant to the Asset Purchase Agreement, the Company has guaranteed to the Buyer the payment in full of all amounts of the Sellers’s obligations to indemnify the Buyer under the Asset Purchase Agreement.

The Asset Purchase Agreement contains standard and customary representations, warranties, covenants and indemnification provisions, including indemnification by the Seller with respect to claims related to actions taken or events occurring prior to the Closing Date. The Asset Purchase Agreement may be terminated at any time prior to the Closing Date by mutual agreement of the Seller and Buyer, or by either the Seller or the Buyer if the other party fails to satisfy the applicable closing conditions under the Asset Purchase Agreement by September 30, 2015.

The Asset Purchase Agreement has been included to provide our shareholders with information regarding its terms. It is not intended to provide any other factual information about the Buyer, the PBM Business or the Company. The Asset Purchase Agreement contains representations and warranties that the parties to the Asset Purchase Agreement made to and solely for the benefit of each other. Moreover, information concerning the subject matter of such representations and warranties may change after the date of the Asset Purchase Agreement, which subsequent information may or may not be reflected in the Company’s public disclosures.

A copy of the Asset Purchase Agreement is filed as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated herein by reference. We encourage you to read the Asset Purchase Agreement for a more complete understanding of the Transaction. The foregoing description of the Asset Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Asset Purchase Agreement.

Fourth Amendment to Senior Credit Facilities

On August 6, 2015, the Company entered into a fourth amendment (the “Fourth Amendment”) to its credit agreement dated as of July 31, 2013, with SunTrust Bank, Jefferies Finance LLC and Morgan Stanley Senior Funding, Inc., as amended on December 23, 2013, January 31, 2014 and March 1, 2015 (the “Senior Credit Facilities”). The Fourth Amendment, among other things, provides additional relief with respect to measuring compliance with the maximum first lien net leverage ratio for the fiscal quarters ending September 30, 2015 through and including March 31, 2017 and modifies and extends an alternate leverage test for the fiscal quarters ending September 30, 2015 through and including March 31, 2017. The levels for the maximum first lien net leverage ratio for certain of these quarters were increased by the Fourth Amendment. The availability of the alternative first lien net leverage ratio is subject to a number of conditions, including a minimum liquidity requirement and a maximum utilization test.

A copy of the Fourth Amendment is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference. The foregoing description of the Fourth Amendment does not purport to be complete and is qualified in its entirety by reference to the full text of the Fourth Amendment.

The Company estimates that the Plan will be substantially completed by the end of the fourth quarter of 2015 and expects it will result in approximately 300 job losses. These targeted reductions are not expected to impact the Company’s ability to provide quality care and service to patients. The Company expects that it will incur costs related to the Plan.

The costs and expenses of the Independent Auditor shall be paid fifty percent (50%) by Buyer and fifty percent (50%) by Company. If the amount required to be paid as the Purchase Price based on the final, binding and non-appealable Closing Statements is greater than the amount paid to Company on the Closing Date, Buyer shall pay to Company such excess in readily available funds via wire transfer to an account designated by Company. If the amount required to be paid as the Purchase Price based on the final, binding and non-appealable Closing Statement is less than the amount paid to Company on the Closing Date, Company shall pay such shortfall to Buyer in readily available funds via wire transfer to an account designated by Buyer. 6.6 Compliance. Buyer and its Affiliates are in substantial compliance with all Laws, orders, judgments and decrees of any Governmental Entity applicable to Buyer or its Affiliates, except for such noncompliance as would not have a Material Adverse Effect or would not interfere with Buyer's ability to close this transaction.

6.7 No Knowledge of Misrepresentations or Omissions. Buyer, including its Affiliates, agents and advisors, has no knowledge that any of the representations and warranties of the Company in this Agreement are untrue or incorrect.

6.8 No Other Representations or Warranties. Except for the representations and warranties contained in this Article 6 (as qualified by the schedules hereto), the Buyer makes no express or implied representation or warranty, and the Company hereby disclaims any such representation or warranty with respect to the execution and delivery of this Agreement and the consummation of the transactions contemplated by this Agreement or otherwise.

ARTICLE 7
BUYER'S CONDITIONS PRECEDENT TO CLOSING

The obligations of Buyer to consummate the transactions described in this Agreement are subject to the satisfaction, before the Effective Time, of the following conditions precedent, any of which may be waived in writing by Buyer.

7.1 Representations and Warranties to be True and Correct. The representations and warranties of the Company and Parent set forth in this Agreement and in the schedules delivered pursuant hereto shall be complete, true and correct in all material respects as of the Effective Time, except to the extent that failure of such representations and warranties to be true and correct as of such date do not result in a Material Adverse Effect, and the pre-Closing agreements, covenants and conditions required by this Agreement to be performed and complied with by Company and Parent shall have been performed and complied with in all respects. The execution and delivery of the certificate described in Section 7.5.2 shall not serve to limit the Company's liabilities and obligations following the Closing Date.

7.2 No Claim Regarding the Assets or Sale Proceeds. There must not have been made or threatened by any Person any unresolved claim asserting that such Person (a) is the holder or the beneficial owner of, or has the right to acquire or to obtain beneficial ownership of, any of the Assets, or (b) is entitled to all or any portion of the purchase price payable for the Assets.

7.3 Consents. Each of the consents described on Schedule 7.3 ("**Required Consents**") shall have been obtained and shall be in full force and effect.

7.4 Release of Restrictions. Buyer shall have received evidence, satisfactory to Buyer in its sole discretion, of the release of all restrictive covenants related to the PBM Business for those individuals listed on Schedule 7.4.

7.5.4 An affidavit in the form attached hereto as Exhibit 7.5.4, stating under penalties of perjury that it is not a foreign person within the meaning of Section 1445(f)(3) of the Code, executed by Company;

7.5.8 A Domain Name Assignment Agreement between Buyer (or an Affiliate of Buyer) and Company (or Parent) in form and substance satisfactory to Buyer and Company (the "Domain Name Assignment");

7.5.9 Certificates of an authorized officer of the Company and Parent, as applicable (i) attaching and certifying copies of the resolutions of its board of directors or managers and members, as applicable, authorizing the execution, delivery and performance of this Agreement, the other agreements described herein to be delivered at the Closing to which it is a party and the transaction contemplated hereby; and (ii) certifying the name, title and true signature of each officer executing or authorized to execute this Agreement and the other agreements described herein to be delivered at the Closing to which it is a party; and

7.5.10 a Tax Clearance Certificate from the State of Delaware with respect to the Company.

**ARTICLE 8

The obligation of Company to consummate the transactions described in this Agreement is subject to the satisfaction, before the Effective Time, of the following conditions precedent, any of which may be waived in writing by Company:

8.1 Representations and Warranties to be True and Correct. The execution and delivery of the certificate described in Section 8.2.2 shall not serve to limit the Buyer's liabilities and obligations following the Closing Date.

8.2 Supporting Documents. Company shall have received the documents set forth below:

8.2.1 The Bill of Sale signed by an authorized representative of the Buyer;

8.2.2 A certificate signed by an authorized officer of Buyer dated the Closing Date and certifying that Buyer knows of no facts which would cause Buyer to be in breach of any of its representations and warranties hereunder as of the Effective Time;

**ARTICLE 9
COVENANTS**

9.1 Access to Books and Records. During the period from the date hereof to the earlier of immediately prior to the Closing and the date that this Agreement is terminated in accordance with its terms, the Company shall give Buyer and its authorized representatives reasonable access to designated personnel, books and records of Company that are in the possession or under the control of the Company to the extent relating to the transition of the PBM Business to Buyer; provided that any such access (a) shall be during normal business hours on reasonable notice, (b) shall not be required where such access would be prohibited or otherwise limited by, or would be in violation of, any applicable Law (including HIPAA) or agreement, and (c) shall not otherwise unreasonably interfere with the conduct of the business of the Company.

9.2 Operation of the PBM Business. Between the date of this Agreement and the Closing, Company shall (and Parent shall cause Company to):

9.2.1 conduct the PBM Business only in the ordinary course of business;

9.2.2 use commercially reasonable efforts to preserve intact the current business organization of the PBM Business, keep available the services of the officers, employees and agents of the PBM Business and maintain its relations and good will with suppliers, customers, landlords, creditors, employees, agents and others having business relationships with the PBM Business;

9.2.3 confer with Buyer prior to implementing operational decisions of a material nature with respect to the PBM Business, other than in the ordinary course of business;

9.2.4 make no material changes in management personnel of the PBM Business without prior consultation with Buyer;

9.2.5 continue in full force and effect the insurance coverage under the policies set forth on Schedule 5. 16 or substantially equivalent policies; and

9.2.6 maintain all books and Records of Company relating to the PBM Business in the ordinary course of business.

9.3 Contact with Customers, Suppliers, Etc. Buyer shall not contact and/or communicate with, and shall cause its Affiliates, representatives, agents and other advisors not to,

contact and/or communicate with any employee, officer, director, customer, client, patient, payor, referral source, supplier or other material business relation of the Company in connection with or addressing the transactions contemplated hereby or otherwise with respect to matters pertaining to the Company and/or any of its businesses, except with the prior written consent of the Company.

9.4 Confidentiality.

9.4.1 All nonpublic information provided to, or obtained by, Buyer in connection with the transactions contemplated hereby shall be treated as confidential and not disclosed to any third party (other than Buyer's officers, directors, employees or agents or others with a need to know in connection with the transactions contemplated hereunder and operation of the PBM Business following the Closing). The Buyer will treat and hold as such all of the confidential information relating to any Affiliate of Company, and refrain from using any of the confidential information of any Affiliate of Company except in connection with this Agreement. Until the Closing, the Buyer will treat and hold as such all of the Company's confidential information, refrain from using any of the Company's confidential information except in connection with this Agreement. In the event that the transactions contemplated hereby do not close, Buyer shall deliver promptly to the Company or destroy, at the request and option of Shareholder, all tangible embodiments (and all copies) of confidential information of the Company and any Affiliate of the Company which are in its possession. Following the Closing, the limitations on the Buyer's use of the Company's confidential information relating to the PBM Business shall be of no force or effect but the Buyer shall maintain the confidentiality of the information pertaining to Company's Affiliates.

9.4.2 Company will treat and hold as such all of the Buyer's confidential information, and refrain from using any of the Buyer's confidential information except in connection with this Agreement. Following the Closing, the Company will treat and hold as such all such confidential and proprietary information of the Buyer and PBM Business, refrain from using any such confidential and proprietary information of the Buyer and the PBM Business except in connection with this Agreement, and deliver promptly to the Buyer or destroy, at the request and option of Buyer, all tangible embodiments (and all copies) of any confidential and proprietary information which are in its possession, other than the Excluded Assets.

9.4.3 In the event that a party is requested or required pursuant to written or oral question or request for information or documents in any legal proceeding, interrogatory, subpoena, civil investigative demand, or similar process to disclose any confidential information of the other party, such party will notify the other party promptly of the request or requirement so that the other party may seek an appropriate protective order or waive compliance with the provisions of this Section 9.4.3. If, in the absence of a protective order or the receipt of a waiver hereunder, a party is, on the advice of counsel, compelled to disclose any of the other party's confidential information to any tribunal or else stand liable for contempt, such party may disclose such confidential information to the tribunal; provided, however, that the disclosing party shall use its reasonable efforts to obtain, at the request of the other party, an order or other assurance that confidential treatment will be accorded to such portion of the confidential information required to be disclosed as the non-disclosing party shall designate. The foregoing provisions shall not

apply to any information which is generally available to the public immediately prior to the time of disclosure unless such information is so available due to the actions of the restricted party.

9.5 Notification of Certain Matters. Prior to the Closing, the Company shall have the right from time to time to supplement, modify or update the disclosure schedules. Any such supplements, modifications and updates shall not be taken into account in determining whether the condition set forth in Section 7.1 is satisfied, but Company shall not be deemed to be in breach of any representation, warranty, covenant or agreement hereunder with respect to the information disclosed in any such supplement, modification or update. From and after the Closing, references to the disclosure schedules shall be references to the disclosure schedules as so supplemented, modified and/or updated.

9.6 Acknowledgment by Buyer.

9.6.1 Buyer acknowledges and agrees that in connection with the transactions contemplated hereby, it has conducted to its satisfaction, an independent investigation and due diligence process and is relying on the results of its own independent investigation and verification and the representations and warranties of the Company expressly and specifically set forth in this Agreement (as qualified by the Schedules hereto). Buyer acknowledges and agrees that such representations and warranties by the Company constitute the sole and exclusive representations and warranties of the Company to Buyer in connection with the transactions contemplated hereby, and Buyer understands, acknowledges and agrees that all other representations and warranties of any kind or nature express or implied are specifically disclaimed by the Company. Except as expressly set forth herein, the Company does not make or provide, and Buyer hereby waives, any warranty or representation, express or implied, as to the quality, merchantability, fitness for a particular purpose, conformity to samples, or condition of the Company's assets or any part thereto. Buyer acknowledges and agrees that no claim shall be brought or maintained by the Company or Buyer or their respective successors or permitted assigns against any officer, partner, director or employee (present or former) of any of the Company, and no recourse shall be brought or granted against the Company, by virtue of or based upon any alleged misrepresentation or inaccuracy in, or breach of any of the representations, warranties or covenants of the Company set forth or contained in, this Agreement or any certificate delivered hereunder, except to the extent provided in Article 11 hereof.

9.6.2 In connection with Buyer's investigation of the PBM Business, Buyer acknowledges and agrees that it has received from or on behalf of the Company certain estimates, projections and other forecasts and plans relating to the PBM Business. Buyer acknowledges and agrees that there are uncertainties inherent in attempting to make such estimates, projections and other forecasts and plans, that Buyer is familiar with such uncertainties, that Buyer is taking full responsibility for making its own evaluation of the adequacy and accuracy of all estimates, projections, plans and other forecasts and plans so furnished to it (including the reasonableness of the assumptions underlying such estimates, projections, plans and forecasts), and that Buyer shall have no claim against the Company or any direct or indirect equity holder of the Company with respect thereto. Accordingly, Buyer acknowledges and agrees that the Company makes no representations or warranties whatsoever with respect to such estimates, projections and other forecasts and plans

(including the reasonableness of the assumptions underlying such estimates, projections, plans and forecasts).

9.7 Payment of Certain Taxes. The Company shall be solely responsible for and shall pay all federal, state and local income taxes on the earnings from the operation of the PBM Business through the Effective Time.

9.8 Further Assurances. From time to time, as and when requested by any party hereto and at such requesting party's expense, any other party hereto shall execute and deliver, or cause to be executed and delivered, all such documents and instruments and shall take, or cause to be taken, all such further or other actions as the requesting party may reasonably deem necessary or desirable to evidence and effectuate the transactions contemplated by this Agreement on and subject to the terms and conditions hereof.

9.9 Employee List. At least ten (10) days prior to closing, Company will provide Buyer with an updated version of Schedule 5.18.1 that includes the employees' names.

9.10 Consents. Buyer acknowledges and agrees that certain consents to the transactions contemplated by this Agreement may be required from parties to contracts, leases, licenses or other agreements to which the Company is a party and such consents have not been (and may not be) obtained. Prior to the Closing, Buyer and the Company shall each use their respective commercially reasonable efforts to obtain such consents; provided that failure to obtain any such consent (other than the Required Consents as further described in Section 7.3 above) shall not delay or prevent the Closing.

9.11 Processing of Payables. If and to the extent that Company has issued, but not delivered at the time of the Closing, payment in consideration of certain accounts payable comprised of pharmacy network liabilities associated with previously invoiced pharmacy claims utilization, the amounts represented by such undelivered payment shall be taken into consideration as Current Liabilities for purposes of determining Closing Date Net Working Capital. Further, at the Buyer's request, Company will deliver such amounts in the ordinary course to the identified payees, provided that, prior to such delivery, Buyer has provided funds to the Company equal to the amount to be delivered. The first such pre-payment, comprised of the pharmacy network liability payment otherwise scheduled for release in normal course on August 31, 2015, will be due at Closing based on information provided by Company to Buyer at least 48 hours before the Closing. Any subsequent delivery of payment by Company will be preceded by payment by Buyer at least 5 business days prior to Company's transmittal of the payment. Prior to delivery of any funds by Buyer, Company will provide Buyer with a detailed schedule of all amounts to be transmitted to payees.

9.12 No Negotiation. Until such time as this Agreement shall be terminated pursuant to Section 12, neither Company nor Parent shall directly or indirectly solicit, initiate, encourage or entertain any inquiries or proposals from, discuss or negotiate with, provide any nonpublic information to or consider the merits of any inquiries or proposals from any Person (other than Buyer) relating to any business combination transaction involving only the PBM Business, including the sale of the PBM Business or any of the Assets (other than in the ordinary course of business). Company and Parent shall notify Buyer of any such inquiry or proposal within twenty-four (24) hours of receipt or awareness of the same by Company or Parent.

**ARTICLE 10
RESTRICTIVE COVENANTS**

10.1 **Nondisclosure.** For purposes of this Agreement, “Confidential Information” means any data or information, whether or not in writing, that is proprietary and valuable to the Company but solely related to the PBM Business and is not generally known by the public. To the extent consistent with the foregoing, Confidential Information includes, but is not limited to: (i) information about the business practices, customers, resellers, vendors, suppliers (including mailing lists and customer, reseller, vendor and supplier lists and records), financial information, business strategies, business methods, contracts and contractual arrangements, marketing plans, the type and volume of the PBM Business, personnel information, information about the PBM Business’ vendors, suppliers, resellers, customers and strategic partners, price lists, pricing policies, pricing information, intellectual property, technology, software, databases, trade secrets, research and development techniques and activities of the PBM Business, and all information located in the books and records of the PBM Business, and (ii) confidential information related to the business and operations of the Buyer and its Affiliates to the extent such information was disclosed or otherwise made available to Company or Seller during the course of the negotiations related to the transactions contemplated by this Agreement. Confidential Information also includes any information or data described above that the Company obtained from another party and relates solely to the PBM Business and that the Company treats as proprietary or reasonably designates as confidential information whether or not owned or developed by the Company. Company and Parent each acknowledge that it has had access to, and intimate knowledge of, the Confidential Information. Accordingly, Company and Parent each agree that during the period beginning as of the Closing Date and for the Restricted Period neither Company nor Parent shall use or disclose, in whole or in part, directly or indirectly, the Confidential Information; provided, however, that Company and Parent shall be permitted to use the Confidential Information for the benefit of the Buyer or its Affiliates as necessary in connection with the performance of the TSA.

10.1.2 Buyer agrees that during the period beginning as of the Closing Date and for the Restricted Period, Buyer shall not use or disclose, in whole or in part, directly or indirectly, the Confidential Information of Company or Parent, as applicable mutatis mutandi, except as required in connection with the operation of the PBM Business or as otherwise permitted under the terms hereof.

10.1.3 Notwithstanding the foregoing, the parties shall not be subject to the restrictions set forth in Section 10.1.1 with respect to information that:

(i) has previously become or becomes generally available to the public, other than as a result of disclosure by any recipient party or the breach by any recipient party of its or his obligations under this Agreement or any other agreement entered into in connection herewith;

(ii) has previously become or becomes available to a recipient party on a non-confidential basis from a source that lawfully obtained such information and is not bound by a confidentiality agreement with Buyer or any of its respective Affiliates;

(iii) has been independently developed by a recipient party or by others, as established by documentary evidence dated prior to the Closing Date, without reference to or use of, in whole or in part, any Confidential Information of the disclosing party;

(iv) is required by Law to be disclosed, in which case the recipient parties shall promptly notify its owner in writing; or

(v) is disclosed in connection with any legal proceeding arising in connection with enforcing (or defending against any enforcement action pertaining to) this Agreement or the transactions contemplated hereby.

10.1.4 Nothing in this Agreement is intended to alter, supersede or eliminate the applicable law, rights and remedies that Buyer may have pursuant to any applicable law pertaining to trade secrets, which law, rights and remedies shall be in addition to the obligations and rights of the parties hereunder.

10.2 Covenants Against Solicitation and Competition. Each of Company and Parent acknowledge and agree that it has (i) intimate knowledge of the PBM Business, including knowledge of the Confidential Information, and (ii) knowledge of and relationships with the customers, resellers, vendors, suppliers and referral sources of the PBM Business, and that such knowledge and relationships are such that if either Company or Parent were to engage in a Competing Business (as defined below) at any time during the Restricted Period (as defined below) or within the Restricted Area (as defined below), the value of the PBM Business to the Buyer, and the benefits that the Buyer bargained for under this Agreement, would be severely and irreparably damaged. Further, Company and Parent each acknowledge and agree that this Agreement, and the covenants not to solicit or compete or attempt to solicit or compete contained herein, are a fundamental element of this Agreement, and that this Agreement and the transactions contemplated hereby would not have been consummated in the absence of this Section 10. Accordingly, Company and Parent each covenant and agree that during the Restricted Period, neither shall, and Company and Parent shall each ensure that those of its respective Affiliates shall not, directly or indirectly, either individually, in partnership, jointly or in conjunction with, or on behalf of, any Person, other than for the direct benefit of Buyer or any of its Affiliates:

(i) (A) manage, operate or control a Competing Business during the Restricted Period within the Restricted Area, or (B) otherwise obtain any interest in, or participate in the ownership, management or control of, any Person that is engaged in a Competing Business during the Restricted Period within the Restricted Area, except Company and Parent may own not more than three percent (3%) of the capital stock of any Person whose stock is traded on a nationally recognized stock exchange, even if such Person is engaged in a Competing Business, provided such investment is completely passive in nature;

(ii) solicit or contact or attempt to solicit or contact any Restricted Customer (as defined below) during the Restricted Period, for the purpose of providing products or services within the Restricted Area that are the same as, or similar to, the Competing Business;

(iii) solicit, induce or encourage or attempt to solicit, induce or encourage any Restricted Customer to terminate or adversely modify any business relationship with Buyer;

(iv) solicit or persuade, or attempt to solicit or persuade, any employee of the Buyer at the time of such contact and with whom Company or Parent had contacts during the eighteen (18) month period immediately preceding the Closing Date to terminate or modify his or her employment relationship, whether or not pursuant to a written agreement, with Buyer, except for the individual listed on Schedule 10.2.1(v); or

(v) solicit or persuade, or attempt to solicit or persuade, any Person who performs services as an independent contractor or broker of or consultant to the Buyer, or any other individual who provides incidental services to Buyer, at the time of such contact and with whom Company or Parent had contacts during the eighteen (18) month period immediately preceding the Effective Date to terminate or adversely modify his or her relationship, whether or not pursuant to a written agreement, with Buyer.

10.2.2 For purposes of this Agreement, the following definitions shall apply:

(i) The term “Competing Business” means any person, firm, partnership, corporation or unincorporated association or entity of any kind that is engaged in the business of (i) pharmacy benefits management and/or (ii) pharmacy discount cards.

(ii) The term “Restricted Customer” means, but solely related to the PBM Business (A) (x) any actual customer, strategic partner or reseller that transacted business with the PBM Business within the twenty-four (24) month period prior to the Closing or (y) any prospective customers, strategic partners or resellers actively sought by the Company in connection with the PBM Business in the twelve (12) month period prior to the Closing; and (B) in each case, with whom Company had a contact.

10.3 Limitations. Notwithstanding the foregoing, neither Company’s nor Parent’s action, omission, or involvement with Buyer or its Affiliates pursuant to and consistent with TSA shall be deemed a violation of this Section 10.

10.4 Reasonableness. Each of Company and Parent has carefully considered the nature and extent of the restrictions upon it and the rights and remedies conferred on Buyer under this Agreement, and each of Company and Parent hereby acknowledges and agrees that:

10.4.1 the restrictions and covenants contained herein, and the rights and remedies conferred upon the Buyer, are necessary to protect the goodwill and other value of the PBM Business and the benefits bargained for by the Buyer under this Agreement; and

10.4.2 the restrictions placed upon Company and Parent hereunder are narrowly drawn, are fair and reasonable in time and territory and place no greater restraint upon

Company or Parent than is reasonably necessary to secure the goodwill and other value of the PBM Business and the benefits bargained for by the Buyer under this Agreement.

10.5 Modification. If a court of competent jurisdiction should declare the covenant contained in this Article 10 unenforceable because of any unreasonable restriction of activities, duration and/or geographical area, then the parties hereby acknowledge and agree that such court shall have the express authority to reform the covenants to provide for reasonable restrictions and/or grant Buyer such other relief at law or in equity reasonably necessary to protect the interests of Buyer.

10.6 Invalidity of Any Provision. Because the parties hereto seek to protect the goodwill and Confidential Information and the PBM Business, it is the intention of the parties that the provisions of this Agreement shall be enforced to the fullest extent permissible under the Law and public policies of each state, province and jurisdiction in which such enforcement is sought, but that the unenforceability (or the modification to conform with such laws or public policies) of any provision hereof shall not render unenforceable or impair the remainder of this Agreement, which shall be deemed amended to delete or modify, as necessary, the invalid or unenforceable provisions.

10.7 Injunctive Relief. Company and Parent each specifically agrees and acknowledges that the restrictions contained in this Article 10 are necessary to prevent harm to Buyer and that the restrictions contained herein will not result in unreasonable harm to it. Company and Parent each further acknowledges that a breach of any provision of this Article 10 by either of them could cause Buyer to suffer immediate and irreparable harm, which could not be remedied by the payment of money. In the event of a breach or threatened breach by Company or Parent of the provisions of the covenants contained in this Article 10, Buyer shall be entitled to seek injunctive relief to prevent or end such breach, without the requirement to post bond, and recovery of costs (including attorneys' fees) to enforce the covenant. Nothing herein shall be construed as prohibiting Buyer from pursuing any other remedies available to it for such breach or such threatened breach, including the recovery of damages.

ARTICLE 11 INDEMNIFICATION

11.1 Survival Period. The representations, warranties, covenants and agreements of the Company and Buyer set forth in this Agreement shall survive the Closing for a period beginning on the Closing Date and ending eighteen (18) months following the Closing Date and shall thereafter be of no further force or effect; provided, that, the representations and warranties provided for in Sections 5.1 and 6.1 (Organization and Corporate Power), Sections 5.1.1 and 6.2 (Authorization), and Section 5.19 and 6.3 (Brokerage) shall survive the Closing indefinitely; provided further, that, the representations and warranties provided for in Sections 5.12 (Tax Matters) and 5.13 (Employee Benefit Plans) (the "**Surviving Representations**") shall survive the Closing until thirty (30) days following the expiration of the applicable statute of limitations (any such period with respect to the survival of representations, warranties, covenants and agreements shall be referred to herein as a "**Survival Period**").

11.2 Indemnification by the Company and Parent for the Benefit of Buyer.

11.2.1 Subject to the applicable provisions and limitations of this Article 11, after the Closing, each of the Company and Parent shall indemnify, defend and hold harmless Buyer and the Buyer's Affiliates, officers, directors, partners, members, employees, agents, representatives, successors and permitted assigns (collectively, the "**Buyer Indemnified Parties**") from and against any Losses, which Buyer actually suffers as a result of: (i) any breach of any representation and warranty contained in this Agreement (without regard to any qualification or exception contained in such representation or warranty relating to materiality); (ii) any breach of any post-closing covenant or agreement of the Company contained in this Agreement; (iii) any failure by the Company to pay and discharge the Excluded Liabilities; (iv) the business, operations, properties, assets or obligations of Company related to the PBM Business conducted, existing or arising on or prior to the Closing Date; and (v) any Taxes of Company or Parent.

11.2.2 Notwithstanding any other provision in this Agreement to the contrary (but subject to the other applicable limitations on indemnification recovery set forth in this Article 11), the Company shall have no liability under this Section 11.2, unless the aggregate of all Losses relating thereto for which the Company would be liable, but for this Section 11.2.2, exceeds on a cumulative basis \$100,000 (the "**Deductible**"), and then only to the extent such Losses exceed the Deductible, up to the Cap (as defined below); provided that the Company's aggregate liability under this Section 11.2 shall in no event exceed an amount equal to \$2,500,000 (the "**Cap**"). Notwithstanding anything to the contrary contained herein, the Surviving Representations shall not be subject to either the Deductible or the Cap.

11.2.3 Buyer acknowledges and agrees that, except for claims for fraud or for intentional breach of a covenant or agreement, the indemnification provided by Section 11.2 (subject to the applicable provisions and limitations set forth in this Article 11) constitutes the Buyer Indemnified Parties' sole and exclusive remedy for any and all Losses or other claims relating to or arising from this Agreement or in connection with the transactions contemplated hereby or any exhibit, schedule or certificate delivered hereunder or otherwise with respect to the transactions contemplated hereby including, without limitation, with respect to any misrepresentation or inaccuracy in, or breach of, any representations or warranties or any breach or failure in performance of any covenants or agreements made by the Company in this Agreement or in any exhibits or schedules hereto or any certificate delivered hereunder or otherwise with respect to the transactions contemplated hereby; provided that this sentence shall not limit any rights Buyer may have (1) under Section 13.1 with respect to seeking specific performance or other equitable relief, (2) under Article 12 in connection with any termination of this Agreement prior to the Closing or (3) or to seek other damages in the case of claims for fraud or for intentional breach of a covenant or agreement.

11.3 Mitigation; Related Matters.

11.3.1 The Buyer Indemnified Parties shall make commercially reasonable efforts to mitigate all losses, costs, damages and expenses upon and after becoming aware of any event which could reasonably be expected to give rise to losses, costs, damages and expenses that are or may be indemnifiable under this Article 11.

11.3.2 The Buyer Indemnified Parties shall not be entitled to recover any Losses relating to any matter arising under one provision of this Agreement to the extent that the Buyer Indemnified Parties had already recovered Losses with respect to such matter pursuant to any other provision of this Agreement.

11.4 Indemnification by Buyer for the Benefit of the Company.

11.4.1 Subject to the applicable provisions of this Article 11, after the Closing, Buyer shall indemnify the Company and the Company's Affiliates, officers, directors, partners, members, employees, agents, representatives, successors and permitted assigns (collectively, the "**Company Indemnified Parties**") against any Losses which any of the Company Indemnified Parties actually suffer as a result of: (a) any breach of any representation or warranty of Buyer contained in this Agreement, (b) any breach of any post-closing covenant or agreement set forth in this Agreement to be performed by Buyer, (c) any failure by Buyer to pay and discharge any Assumed Liabilities, and (d) the business, operations, properties, assets or obligations of Buyer related to the PBM Business conducted, existing or arising after the Closing Date.

11.4.2 Notwithstanding any other provision in this Agreement to the contrary (but subject to the other applicable limitations on indemnification recovery set forth in this Article 11), Buyer shall have no liability under this Section 11.4, unless the aggregate of all Losses relating thereto for which the Company would be liable, but for this Section 11.4.2, exceeds the Deductible, and then only to the extent such Losses exceed the Deductible, up to the Cap. Notwithstanding anything to the contrary contained herein, the Surviving Representations shall not be subject to either the Deductible or the Cap.

11.4.3 Company and Parent acknowledge and agree that, except for claims for fraud or for intentional breach of a covenant or agreement, the indemnification provided by Section 11.4 (subject to the applicable provisions and limitations set forth in this Article 11) constitutes the Company Indemnified Parties' sole and exclusive remedy for any and all Losses or other claims relating to or arising from this Agreement or in connection with the transactions contemplated hereby or any exhibit, schedule or certificate delivered hereunder or otherwise with respect to the transactions contemplated hereby including, without limitation, with respect to any misrepresentation or inaccuracy in, or breach of, any representations or warranties or any breach or failure in performance of any covenants or agreements made by the Buyer in this Agreement or in any exhibits or schedules hereto or any certificate delivered hereunder or otherwise with respect to the transactions contemplated hereby; provided that this sentence shall not limit any rights Buyer may have (1) under Article 12 in connection with any termination of this Agreement prior to the Closing or (2) or to seek other damages in the case of claims for fraud or for intentional breach of a covenant or agreement.

11.5 Manner of Payment. Any indemnification payment pursuant to this Article 11 shall be effected by wire transfer of immediately available funds from (or on behalf of) the applicable indemnifying party to an account designated by each applicable indemnified party within twenty-one (21) days after the determination thereof.

11.6 Defense of Third Party Claims. Promptly after the assertion by any third party of any claim (a “**Third Party Claim**”) against any Person entitled to seek indemnification under Section 11.2 or Section 11.3.2 (an “**Indemnitee**”) that results or may result in the incurrance by such Indemnitee of any Loss for which such Indemnitee desires to seek indemnification under this Article 11, such Indemnitee shall notify each of the parties from whom such indemnification could be sought hereunder with respect to such claim (collectively, the “**Indemnitor**”) of such claim in writing promptly after receiving notice of such claim, describing the claim, the amount thereof (if known and quantifiable) and the basis thereof in reasonable detail; provided that the failure to so notify an Indemnitor shall not relieve the Indemnitor of its obligations hereunder except to the extent that such failure shall have caused the damages to be greater or the ability to defend the claim to be adversely affected. Any Indemnitor shall be entitled to participate in the defense of such action, lawsuit, proceeding, investigation or other claim giving rise to an Indemnitee’s claim for indemnification at such Indemnitor’s expense, and at its option shall be entitled to assume control of the defense thereof by appointing a reputable counsel reasonably acceptable to the Indemnitee to be the lead counsel in connection with such defense; provided that the Indemnitee shall be entitled to participate in the defense of such claim and to employ counsel of its choice for such purpose; provided, however, that the fees and expenses of such counsel shall be borne by the Indemnitee and shall not be recoverable from such Indemnitor(s) under this Article 11. If the Indemnitor shall control the defense of any such claim, the Indemnitor shall be entitled to settle such claim; provided that the Indemnitor shall obtain the express and unconditional release of the Indemnitee from all liabilities and obligations with respect to such claim. In all cases, the Indemnitee shall provide, and the Indemnitee shall cause its Affiliates to provide, their reasonable cooperation with the Indemnitor in defense of claims or litigation, including by making employees, information and documentation reasonably available. In no event shall an Indemnitee consent to the entry of any judgment or enter into any settlement with respect to any Third Party Claim without the written consent of the Indemnitor if any Indemnitee is seeking or shall seek indemnification hereunder with respect to such matter; it being understood and agreed, for the avoidance of doubt, that any such consent of the Indemnitor shall not be deemed to be an admission or acknowledgement that any Indemnitee is entitled to indemnification hereunder with respect to any such Third Party Claim.

11.7 Determination of Loss Amount. The amount of any Loss subject to indemnification under Section 11.2.1 shall be calculated net of (a) any Tax Benefit inuring to Buyer or its Affiliates on account of such Loss, and (b) any insurance proceeds or other third party indemnification or reimbursement proceeds to which any of them are entitled (regardless of whether claimed and received) on account of such Loss. If Buyer or its Affiliates realizes a Tax Benefit and such Tax Benefit was not included in the computation of the Loss, Buyer shall within ten (10) days of filing the Tax Return claiming the Tax Benefit (or, to the extent the Tax Benefit is in the form of a refund, within ten (10) days of receiving the refund from the Governmental Entity) pay to the Company the amount of such Tax Benefit. Buyer shall take all commercially reasonable actions to timely claim any Tax Benefit that shall reduce the amount of a Loss, or give rise to a payment to or for the benefit of the Company, under this Section 11.7. Buyer shall, and shall cause its Affiliates to, seek full recovery under all insurance policies and other third-party agreements covering any Loss to the same extent as they would if such Loss were not subject to indemnification hereunder. In the event that an insurance recovery or a recovery under any other third-party agreement is made by Buyer or its Affiliates with respect to any Loss for which any Buyer Indemnified Party has been indemnified by the Company hereunder, then a payment equal to the aggregate amount of the recovery shall be made promptly by Buyer to the Company. In all events, the Company shall be subrogated to all rights of Buyer in respect of any Losses indemnified by the Company.

11.8 Expiration of Indemnification. No Person shall be liable for any claim for indemnification under Section 11.2.1 or Section 11.3.2 unless written notice (stating in reasonable detail the nature of, and factual and legal basis for, any such claim for indemnification, and the provisions of this Agreement upon which such claim for indemnification is made) is delivered by the Person seeking indemnification to the Person from whom indemnification is sought prior to the expiration of the applicable Survival Period, in which case the representation, warranty, covenant or agreement which is the subject of such claim shall survive, to the extent of such claim only, until such claim is resolved, whether or not the amount of the Losses resulting from such breach has been finally determined at the time the notice is given, if, but only if, (a) in the case of a claim made by reason of a Third Party Claim, the written notice is accompanied by a copy of the written notice of the third party claimant, and (b) in the case of any claim made other than by reason of a Third Party Claim, some Losses shall have actually been incurred by the Person seeking indemnification with respect to such claim in good faith at or prior to the date such written notice is delivered to the Person from whom indemnification is sought.

11.9 Limitation on Recourse. No claim shall be brought or maintained by any Buyer Indemnified Party or any of their respective successors or permitted assigns against any present or former officer, director, employee or Affiliate of any party hereto which is not otherwise expressly identified as a party hereto, and no recourse shall be brought or granted against any of them, by virtue of or based upon any alleged misrepresentation or inaccuracy in or breach of any of the representations, warranties, agreements or covenants of any party hereto set forth or contained in this Agreement or any exhibit or schedule hereto or any certificate delivered hereunder. After the consummation of the Closing, no party may seek the rescission of the transactions contemplated by this Agreement.

ARTICLE 12 TERMINATION

12.1 Termination Events. This Agreement and the transactions contemplated herein may be terminated at any time prior to the occurrence of the Closing as follows:

12.1.1 by the mutual written agreement of Company and Buyer; or

12.1.2 Either the Company or Buyer may terminate this Agreement prior to the occurrence of the Closing if the other party fails to satisfy the conditions applicable to such party (under Article 7 or Article 8, as the case may be) by September 30, 2015.

12.2 Effect Of Termination. In the event of such a termination, this Agreement shall be rendered void and of no further force or effect, without any liability on the part of any of the parties hereto or their respective owners, directors, officers or employees, except with respect to the obligations of each party to preserve the confidentiality of documents, certificates, and information furnished to such party pursuant hereto.

ARTICLE 13 MISCELLANEOUS

13.1 Specific Performance. The Company agrees that the Buyer shall have the right, in addition to any other rights and remedies existing in its favor, to enforce its rights and the

obligations of the Company hereunder not only by an action or actions for damages but also by an action or actions for specific performance, injunctive and/or other equitable relief. Furthermore, the Buyer agrees that the Company shall have the right, in addition to any other rights and remedies existing in their favor, to enforce their rights and the obligations of the Buyer hereunder not only by an action or actions for damages but also by an action or actions for specific performance, injunctive and/or other equitable relief.

WITNESSETH:

WHEREAS, the Borrower, the banks and other financial institutions and lenders party thereto (collectively, the "Lenders"), and the Administrative Agent have executed and delivered that certain Credit Agreement dated as of July 31, 2013 (as amended by that certain First Amendment to Credit Agreement dated as of December 23, 2013, that certain Second Amendment to Credit Agreement dated as of January 31, 2014, and that certain Third Amendment to Credit Agreement dated as of March 1, 2015, and as the same may be further amended, restated, supplemented, or otherwise modified from time to time, the "Credit Agreement"); and

WHEREAS, the Borrower has requested that the Administrative Agent and the Lenders agree to amend certain provisions of the Credit Agreement as set forth herein, and the Administrative Agent and the Lenders party hereto have agreed to such amendments, in each case, subject to the terms and conditions set forth below.

NOW, THEREFORE, for and in consideration of the above premises and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the parties hereto, the parties hereto hereby covenant and agree as follows:

SECTION 1. Definitions. Unless otherwise specifically defined herein, each term used herein (and in the recitals above) which is defined in the Credit Agreement (as amended hereby) shall have the meaning assigned to such term in the Credit Agreement (as amended hereby). Each reference to "hereof," "hereunder," "herein," and "hereby" and each other similar reference and each reference to "the Agreement" and each other similar reference contained in the Credit Agreement shall from and after the date hereof refer to the Credit Agreement as amended hereby.

SECTION 2. Amendments to Credit Agreement. The Credit Agreement is hereby amended as follows:

(a) Section 1.1 of the Credit Agreement is hereby amended by adding the following new defined terms thereto in appropriate alphabetical order:

"Fourth Amendment" shall mean that certain Fourth Amendment to Credit Agreement dated as of August 6, 2015, by and among the Borrower, the Guarantors, the Administrative Agent, and the Required Revolving Lenders.

“Fourth Amendment Effective Date” shall mean the effective date of the Fourth Amendment.

“Specified Period” shall mean the period beginning on the Fourth Amendment Effective Date and ending on the date that the financial statements are delivered (or are required to be delivered) for the Fiscal Quarter ending March 31, 2017.

(b) Article VI of the Credit Agreement is hereby amended and restated so that it reads in its entirety as follows:

ARTICLE VI

CONSOLIDATED FIRST LIEN NET LEVERAGE RATIO COVENANT

The Borrower covenants and agrees that so long as any Lender has a Commitment hereunder or any Obligation remains unpaid or outstanding (other than Hedging Obligations owed by any Loan Party to any Lender-Related Hedge Provider, Bank Product Obligations and indemnities and other contingent obligations not then due and payable and as to which no claim has been made), except with the written consent of the Required Revolving Lenders, solely with respect to the Revolving Loans:

(a) The Borrower shall not permit the Consolidated First Lien Net Leverage Ratio as of the last day of the most recently ended Fiscal Quarter for which financial statements have been delivered (or were required to be delivered) pursuant to Section 5.1(a) or 5.1(b), as applicable, for the period of four (4) consecutive Fiscal Quarters ending on such date, to be greater than the ratio set forth below opposite such Fiscal Quarter (the “Original Leverage Test”):

<u>Fiscal Quarter Ending</u>	<u>Consolidated First Lien Net Leverage Ratio</u>
September 30, 2013 through and including March 31, 2014	6.25:1.00
June 30, 2014	6.00:1.00
September 30, 2014	5.75:1.00
December 31, 2014, and March 31, 2015	5.50:1.00

December 31, 2016, and continuing thereafter	4.00:1.00

(b) Notwithstanding the foregoing clause (a), during the Specified Period, in lieu of complying with the Original Leverage Test in clause (a) above, to the extent that the Borrower shall have satisfied the Alternate Leverage Test Conditions (as defined below) at all times during the Specified Period, the Borrower shall be in compliance with this Article VI so long as it does not permit the Consolidated First Lien Net Leverage Ratio as of the last day of the most recently ended Fiscal Quarter for which financial statements have been delivered (or were required to be delivered) pursuant to Section 5.1(a) or 5.1(b), as applicable, for the period of four (4) consecutive Fiscal Quarters ending on such date, to be greater than the ratio set forth below opposite such Fiscal Quarter (the “Alternate Leverage Test”); provided, that if at any time during the Specified Period, the Borrower shall breach any of the Alternate Leverage Test Conditions, the Borrower shall no longer be permitted to comply with the Alternate Leverage Test in this clause (b) and, instead, shall immediately be required to comply with the Original Leverage Test in clause (a) above after giving pro forma effect to the principal amount of all outstanding Revolving Loans, Swingline Loans and LC Exposure (including, without limitation, any proposed Borrowing):

<u>Fiscal Quarter Ending</u>	<u>Consolidated First Lien Net Leverage Ratio</u>
March 31, 2015	7.25:1.00
June 30, 2015	7.25:1.00
September 30, 2015	7.25:1.00

December 31, 2016	6.50:1.00
March 31, 2017	6.50:1.00

(c) For purposes of this Article VI, “Alternate Leverage Test Conditions” shall mean:

(i) at all times during the Specified Period, the Borrower shall have maintained Liquidity of at least \$10,000,000, and the Borrower shall have included a certification of the foregoing in each Compliance Certificate delivered by the Borrower hereunder during the Specified Period;

(ii) the Borrower shall have delivered to the Administrative Agent (for distribution to the Revolving Credit Lenders) 13-week cash flow statements within five (5) Business Days of the last day of each calendar week during the Specified Period;

(iii) in the event that the Administrative Agent elects to engage a consultant (whether or not a Default or Event of Default exists) at any time during the

Specified Period, (A) the Borrower shall have agreed to, and shall have caused each other Loan Party to agree to, subject to terms and conditions acceptable to the Administrative Agent, (x) reimburse the Administrative Agent for all costs and expenses related to the engagement of such consultant, (y) cooperate with the consultant in connection with such engagement (including providing information promptly and holding periodic calls with the consultant, in each case upon the request of Administrative Agent), and (z) provide access to the consultant from time to time upon the reasonable request of either the consultant or the Administrative Agent, and (B) the Borrower shall have, and shall have caused each Loan Party to, comply with the terms and conditions of the foregoing agreements at all times during the Specified Period; and

(iv) the Borrower shall have included a certification of its compliance with this Article VI (including, without limitation, the Alternate Leverage Test Conditions) in any Notice of Borrowing delivered by the Borrower hereunder during the Specified Period, after giving pro forma effect to the principal amount of all outstanding Revolving Loans, Swingline Loans and LC Exposure, including any Revolving Loans, Swingline Loans and LC Exposure requested pursuant to such Notice of Borrowing.

(d) Notwithstanding the foregoing, solely with respect to the Specified Period, to the extent that as of any day during the Specified Period, the aggregate outstanding principal amount of Revolving Loans, Swingline Loans and LC Exposure exceeds the lesser of (i) 80% of the Aggregate Revolving Commitment Amount in effect on such date and (ii) \$60,000,000, the Borrower shall no longer be permitted to comply with the Alternate Leverage Test in clause (b) above and, instead, shall be required to immediately comply with the Original Leverage Test in clause (a) above measured after giving pro forma effect to the principal amount of all outstanding Revolving Loans, Swingline Loans and LC Exposure (including, without limitation, any proposed Borrowing).

(e) For purposes of this Article VI only, the definition of Consolidated EBITDA will be amended to include the following sentence at the end thereof:

In addition, in connection with a reduction in force by the Borrower or any of its Subsidiaries, Consolidated EBITDA shall be adjusted on a pro forma basis for headcount reductions resulting from such reduction in force beginning on the date when such headcount reductions are enacted as if such headcount reductions were enacted on the first day of the period of four (4) consecutive Fiscal Quarters for which Consolidated EBITDA is being measured; provided, however, that for purposes of clause (c)(iv) above with respect to pro forma calculations of compliance with this Article VI based on the financial statements for the Fiscal Quarter ended June 30, 2015, such headcount reductions shall include, without duplication, actual and/or planned headcount reductions previously disclosed to the Administrative Agent in satisfactory detail which are reasonably believed by management of the Borrower to be likely to occur during the Fiscal Quarter ending September 30, 2015.

SECTION 3. Representations and Warranties. Each Loan Party hereby represents and warrants to the Administrative Agent and the Lenders as follows:

(a) Both immediately before and immediately after giving effect to this Amendment, all representations and warranties of each Loan Party set forth in the Loan Documents are true

and correct in all material respects (other than those representations and warranties (i) that are expressly qualified by a Material Adverse Effect or other materiality, in which case such representations and warranties are true and correct in all respects or (ii) that expressly relate to an earlier date, in which case such representations and warranties are true and correct in all material respect as of such earlier date).

(b) No Default or Event of Default has occurred and is continuing or would result from giving effect to the terms hereof.

(c) The execution, delivery and performance by each Loan Party of this Amendment are within such Loan Party's organizational powers and have been duly authorized by all necessary organizational and, if required, shareholder, partner or member action.

(d) This Amendment has been duly executed and delivered by each Loan Party and constitutes valid and binding obligations of such Loan Party, enforceable against it in accordance with its terms, except as may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general principles of equity.

SECTION 4. Conditions Precedent. This Amendment shall become effective only upon satisfaction of the following conditions precedent:

(a) the execution and delivery of this Amendment by each Loan Party, the Administrative Agent and each of the Required Revolving Lenders;

(b) in accordance with that certain Fee Letter dated as of August 6, 2015 executed by the Administrative Agent and accepted by the Borrower (the "Fee Letter"), the Borrower shall have paid to SunTrust Robinson Humphrey, Inc., for the account of each of the Revolving Credit Lenders party hereto, an amendment fee equal to 0.75% of the Revolving Commitment of such Revolving Credit Lender outstanding on the date hereof;

(c) the Borrower shall have paid to the Administrative Agent all other fees required to be paid by the Borrower under the Fee Letter; and

(d) the Borrower shall have paid all other costs, fees, and expenses owed by the Borrower to the Administrative Agent, including, without limitation, reasonable attorneys' fees and expenses.

SECTION 5. Release of Claims. The Loan Parties hereby acknowledge and agree that, through the date hereof, each of the Administrative Agent and the Lenders has acted in good faith and has conducted itself in a commercially reasonable manner in its relationships with the Loan Parties in connection with the Obligations, the Credit Agreement, and the other Loan Documents, and the Loan Parties hereby waive and release any claims to the contrary. The Loan Parties hereby release, acquit and forever discharge the Administrative Agent and each of the Lenders, their respective Affiliates, and their respective officers, directors, employees, agents, attorneys, advisors, successors and assigns, both present and former, from any and all claims and defenses, known or unknown as of the date hereof, with respect to the Obligations, this

Amendment, the Credit Agreement, the other Loan Documents and the transactions contemplated hereby and thereby.

SECTION 6. Miscellaneous Terms.

(a) Loan Document. For avoidance of doubt, the Borrower, the Lenders party hereto, and the Administrative Agent hereby acknowledge and agree that this Amendment is a Loan Document.

(b) Effect of Amendment. Except as set forth expressly hereinabove, all terms of the Credit Agreement and the other Loan Documents shall be and remain in full force and effect, and shall constitute the legal and binding obligation of the Borrower, enforceable against such Borrower Party in accordance with their respective terms. Except to the extent otherwise expressly set forth herein, the amendments set forth herein shall have prospective application only from and after the date of this Amendment.

(c) No Novation or Mutual Departure. The Loan Parties expressly acknowledge and agree that (i) there has not been, and this Amendment does not constitute or establish, a novation with respect to the Credit Agreement or any of the other Loan Documents, or a mutual departure from the strict terms, provisions, and conditions thereof, other than with respect to the amendments contained in Section 2 above and (ii) nothing in this Amendment shall affect or limit the Administrative Agent's or any Lender's right to demand payment of liabilities owing from any Loan Party to the Administrative Agent or any Lender under, or to demand strict performance of the terms, provisions, and conditions of, the Credit Agreement and the other Loan Documents, to exercise any and all rights, powers, and remedies under the Credit Agreement or the other Loan Documents or at law or in equity, or to do any and all of the foregoing, immediately at any time after the occurrence of a Default or an Event of Default under the Credit Agreement or the other Loan Documents.

(d) Ratification. The Borrower hereby restates, ratifies, and reaffirms each and every term, covenant, and condition set forth in the Credit Agreement and the other Loan Documents to which it is a party (as such terms, covenants, and conditions are amended by Section 2 above) effective as of the date hereof.

(e) No Offset. To induce the Administrative Agent and the Lenders to enter into this Amendment and to continue to make advances pursuant to the Credit Agreement (subject to the terms and conditions thereof), each Loan Party hereby acknowledges and agrees that, as of the date hereof, and after giving effect to the terms hereof, there exists no right of offset, defense, counterclaim, claim, or objection in favor of any Loan Party or arising out of or with respect to any of the Loans or other obligations of any Loan Party owed to the Administrative Agent or any Lender under the Credit Agreement or any other Loan Document.

(f) Counterparts. This Amendment may be executed in any number of counterparts and by the parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed to be an original and all of which counterparts, taken together, shall constitute but one and the same instrument.

(g) Fax or Other Transmission. Delivery by one or more parties hereto of an executed counterpart of this Amendment via facsimile, teletype, or other electronic method of transmission pursuant to which the signature of such party can be seen (including, without limitation, Adobe Corporation's Portable Document Format) shall have the same force and effect as the delivery of an original executed counterpart of this Amendment. Any party delivering an executed counterpart of this Amendment by facsimile or other electronic method of transmission shall also deliver an original executed counterpart, but the failure to do so shall not affect the validity, enforceability, or binding effect of this Amendment.

(h) Recitals Incorporated Herein. The preamble and the recitals to this Amendment are hereby incorporated herein by this reference.

(i) Section References. Section titles and references used in this Amendment shall be without substantive meaning or content of any kind whatsoever and are not a part of the agreements among the parties hereto evidenced hereby.

(j) Further Assurances. The Borrower agrees to take, at the Borrower's expense, such further actions as the Administrative Agent shall reasonably request from time to time to evidence the amendments set forth herein and the transactions contemplated hereby.

(k) Governing Law. This Amendment shall be governed by and construed and interpreted in accordance with the internal laws of the State of New York but excluding any principles of conflicts of law or other rule of law that would cause the application of the law of any jurisdiction other than the laws of the State of New York.

(l) Severability. Any provision of this Amendment which is prohibited or unenforceable shall be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof in that jurisdiction or affecting the validity or enforceability of such provision in any other jurisdiction.

(m) Reaffirmation of Guarantors. Each Guarantor (i) consents to the execution and delivery of this Amendment, (ii) reaffirms all of its obligations and covenants under the Guaranty and Security Agreement and the other Loan Documents to which it is a party, and (iii) agrees that none of its respective obligations and covenants shall be reduced or limited by the execution and delivery of this Amendment.

(n) Additional Acknowledgment. Solely for purposes of determining withholding Taxes imposed under FATCA, from and after the date hereof, the Borrower and the Administrative Agent shall treat (and the Required Revolving Lenders hereby authorize the Administrative Agent to treat) the Loan Agreement as not qualifying as a "grandfathered obligation" within the meaning of Treasury Regulation Section 1.1471-2(b)(2)(i).

Names Chris Luthin as Chief Operating Officer; Engages Scott Davido as Chief Implementation Officer and Announces Additional Executive Appointments

ELMSFORD, NY – August 10, 2015 – BioScrip, Inc. (NASDAQ: BIOS) (“BioScrip” or the “Company”) today announced a multi-step plan to enhance shareholder value, improve financial flexibility and position BioScrip as a pure play infusion services company focused on high-growth services. The BioScrip Board of Directors has formed a committee that will be chaired by R. Carter Pate that is tasked with overseeing the implementation and execution of this plan.

BioScrip also announced today that, while the Company implements its financial improvement plan, the Board of Directors has authorized a process to concurrently explore a range of strategic alternatives and has retained Jefferies LLC as its financial advisor to assist in the process.

Michael Goldstein, Chair of the Governance, Compliance and Nominating Committee of the BioScrip Board of Directors said, “BioScrip has a strengthened Board of Directors comprising seven directors, six of whom are independent and four of whom were added since March 2015. The new members include persons with industry, operations and financial turnaround experience. We are operating with a sense of urgency. We are highly committed to the successful turnaround of BioScrip and taking an active role in overseeing the Company’s operations and cost reduction initiatives to improve the operating performance and cash flow of the Company. We have also taken steps to strengthen the executive team, and look forward to working closely together to effect meaningful change and drive shareholder value.”

Rick Smith, President and Chief Executive Officer of BioScrip, said, “Our Board and management team are committed to taking immediate and rapid action to streamline the Company. Once complete, BioScrip will be a pure play infusion services provider focused on the higher-growth core infusion business. Importantly, we remain committed to continuing to provide high quality care and clinical service to patients.”

Cost Savings and Financial Improvement Initiatives to Create Value

BioScrip has updated the previously announced net savings it had targeted to achieve in 2015. As part of its financial improvement plan, the Company now expects \$35 million – \$40 million in annualized net cost savings to be realized over the next 12 months. For the full year 2016 the Company is providing EBITDA guidance of between \$50 million – \$60 million. Expected revenues for full year 2016 are projected to be between \$730 million – \$760 million.

The \$35 million – \$40 million in annualized net cost savings include savings as part of the 2015 cost reduction plan. Savings are expected to come from several areas, including:

- Implementing reductions of approximately 12% of the workforce which will result in \$19 million in total savings. The reductions are expected to be completed by the end of the third quarter of 2015. These targeted reductions are in specific areas, including corporate infrastructure and are not expected to impact BioScrip’s ability to provide quality care and service to patients;
- Consolidating corporate functions in the Company’s Eden Prairie, Minnesota facility and closing the Elmsford NY office by December 31, 2015;
- Selling or transitioning certain chronic, non-core infusion therapies to various alliance pharmacy providers; these patient service activities have not been profitable and represent approximately \$239 million of annual revenue and \$4 million in cost savings; and
- Improving efficiency in supply chain programs, reducing other controllable expenses and implementing improvement initiatives both in clinical operations as well as product pricing.

BioScrip has received an amendment to its senior credit facility to adjust its covenants for the actions it is announcing today. The amendment allows for greater flexibility on leverage covenants through early 2017 to implement and execute its financial improvement plan.

Non-Core Asset Divestitures

BioScrip also announced today that it has entered into an asset purchase agreement to sell its non-core PBM business to ProCare Pharmacy Benefit Manager Inc., a privately held pharmacy benefit manager and part of the ProCare Rx companies, for \$25 million in cash. The PBM transaction is expected to close in the third quarter, subject to customary closing conditions. Proceeds are projected to be used to pay down debt and support working capital needs. The PBM activities represent approximately \$66 million of annual revenue. SunTrust Robinson Humphrey acted as financial advisor and Polsinelli PC acted as legal advisor to BioScrip in connection with this transaction.

In addition, the Company is pursuing the divestiture of certain other non-core assets and will update the market, as appropriate.

Exploration of Strategic Alternatives

The Company will pursue its financial improvement plan and will also, with the assistance of its financial advisor, review a range of strategic alternatives, which could include, among other things, a sale of other non-core assets, transitioning chronic therapies to alliance partners or a potential sale or merger of the Company.

Mr. Smith continued, “As we execute on our financial improvement plan to drive liquidity and improve our results, the Board believes it is prudent to conduct a comprehensive strategic alternatives review process on a parallel path to ensure that we identify any and all opportunities to deliver value for shareholders.”

BioScrip noted that the exploration of strategic alternatives will not necessarily result in any changes to the Company's current business plan and financial improvement plan or any transactions or agreements. The Company does not intend to disclose developments regarding the exploration of strategic alternatives unless and until a final decision is made.

Strengthened Board and New Executive Leadership Team

The Company noted that its Board will be taking an active role to implement the necessary changes and is confident that the company has the right leadership in place. The Board is composed of seven directors, six of whom are independent and with four of those members appointed since March 2015, adding experience with healthcare industry operations and financial turnarounds.

The Company has also retained new executive leadership, effective immediately, to oversee and support the implementation of the Company's operations and financial improvement plan:

- Chris Luthin, Senior Vice President of Field Finance, has been appointed Chief Operating Officer, succeeding Thomas Pettit.
- Kathryn M. Stalmack has been named as the new General Counsel.
- FTI Consulting has been engaged and the Company has contracted Scott J. Davido, Senior Managing Director in the FTI Consulting Corporate Finance practice, as Chief Implementation Officer.

In addition, C. Britt Jeffcoat was appointed as Controller and Chief Accounting Officer in May 2015 and Jeffrey M. Kreger was appointed as the Company's Chief Financial Officer in April 2015.

Mr. Pate said, “We have a strong core of executive talent in place and we are confident in the ability of this team to quickly deliver on our financial improvement initiatives while working to identify additional opportunities to strengthen our company, drive cash flow and create value for our shareholders.”
