On December 19, 2012, the shareholders of Organic Plant Health, Inc. (the “Company”) approved a Certificate of Change effecting a one-for-fifty reverse split of the Company’s common stock. The Certificate of Amendment was approved by 52% of the issued and outstanding shares of the Company’s common stock. Subsequent to the shareholder approval the Company filed a Certificate of Amendment with the Secretary of the State of Nevada and received approval from FINRA for the reverse stock split.

The reverse stock split was effective as of the open of business on Wednesday, January 23, 2013. Fractional shares resulting from the reverse split were rounded up to the next whole number.

As a result of the reverse stock split, every fifty outstanding shares of the Company’s common stock combined automatically into one share of common stock. Each stockholder’s percentage ownership in the Company and proportional voting power remains unchanged after the reverse stock split, except for minor changes and adjustments resulting from the treatment of fractional shares.
