Annex II describes all of the securities or instruments issued by AGI that contain anti-dilution or similar provisions that will be triggered by, and all of the resulting adjustments that will be made, to such securities and instruments as a result of the issuance of securities pursuant to this Agreement and the COMCOR Agreement. AGI is not subject to any obligation (contingent or otherwise) to repurchase or otherwise acquire or retire any shares of its capital stock or any warrants, options or other rights to acquire its capital stock. Except as described in Annex II, other than the COMCOR Voting Agreement, AGI is not and, as of the Closing, will not be a party to any voting or similar agreement or proxies relating to the voting of shares of its capital stock and is not aware of any such agreements or proxies to which it is not a party.

B) any material change, except in the ordinary course of business, in the contingent Liabilities of AGI whether by way of guarantee, endorsement, indemnity, warranty or otherwise;

C) any damage, destruction or loss, whether or not covered by insurance, materially or adversely affecting the properties or business of AGI; or

Closing Date, other than those insurance coverages in respect of which the failure to continue in full force and effect could not reasonably be expected to have a Material Adverse Effect on AGI.

xiii) S-3 Registration. AGI is currently eligible to use Form S-3 for registration of the sale by the Transferors of the Registrable Securities (as such term is defined in the Registration Rights Agreement), and AGI has filed in the preceding twelve (12) months and will file all reports required to be filed by AGI with the Securities and Exchange Commission in a timely manner so as to obtain and maintain eligibility to use Form S-3 for the resale of the Registrable Securities.

AGI is not aware that any officer or key employee, or that any group of key employees, intends to terminate his or her employment with AGI, nor does AGI have a present intention to terminate the employment of any of the foregoing. Neither AGI nor, to its Knowledge, any employee of AGI is or will be in violation of any term of any employment contract or other contract or agreement because of the nature of the business conducted by AGI or the use by any employee of his or her best efforts with respect to such business. None of the employees of AGI belongs to any union or collective bargaining unit.

xv) Compliance with Laws. AGI is in compliance with all applicable Laws relating to the operation of its business and the maintenance and operation of its properties and assets, including without limitation those relating to environmental and occupational health and safety, except where the failure to so comply would not have a Material Adverse Effect on AGI. No material expenditures are, or to the Knowledge of AGI will be, required in order to comply with any existing statutes, Laws and regulations.

xvi) Title to Property and Assets; Leases. Except (A) as reflected in the SEC Documents, (B) for Liens for current Taxes not yet delinquent, (C) for Liens imposed by law and incurred in the ordinary course of business for obligations not past due to carriers, warehousemen, laborers, materialmen and the like, (D) for Liens in respect of pledges or deposits under worker compensation Laws or similar legislation, (E) for minor defects in title, none of which individually or in the aggregate materially interferes with the use of such property, or (F) with respect to property or assets that are leased, AGI has good and marketable title to its property and assets, free and clear of all Liens. With respect to any property and assets that it leases, AGI holds a valid leasehold interest free and clear of any Liens (subject to clauses (A) through (E) above).

xvii) Tax Matters. AGI has timely filed all tax returns and reports as required by law. AGI has paid all taxes and other assessments due pursuant to such returns or pursuant to any assessment received by it, other than those contested by it in good faith, except where the failure to pay such taxes

would not have a Material Adverse Effect on AGI. The provision for Taxes of AGI as shown in its financial statements filed in the SEC Documents is adequate, to the Knowledge of AGI, for Taxes due and accrued as of the date thereof.

xviii) Nasdaq Listing. The AGI Common Stock is listed on the Nasdaq National Market. AGI has no Knowledge of any proceedings to revoke such listing. VOTING AGREEMENT

THIS VOTING AGREEMENT (this "Agreement") is made and entered into as of February 23, 2004, by and among Moskovskaya Telekommunikatsionnaya Corporatsiya, an open joint stock company organized under the laws of the Russian Federation ("COMCOR"), Oliver Grace, Jr. ("Grace") and Francis E. Baker ("Baker")(Grace and Baker, collectively, the "Stockholders" and, individually, a "Stockholder") and Andersen Group, Inc., a Delaware corporation ("AGI")(AGI, COMCOR and the Stockholders are collectively referred to as the "Parties" and each individually, a "Party").

RECITALS

WHEREAS, COMCOR and AGI have entered into a Stock Subscription Agreement dated as of May 23, 2003, as amended from time to time (the "Subscription Agreement"), whereby AGI or its designee will acquire all of the capital stock of ZAO COMCOR-TV, a closed joint stock company organized under the laws of the Russian Federation ("CCTV") owned by COMCOR in exchange for common stock of AGI, par value \$.01 per share ("AGI Common Stock");

WHEREAS, immediately following the consummation of the transactions contemplated in the Subscription Agreement, Grace will possess voting control over 357, 286 shares of AGI Common Stock, which will represent an estimated 4.36% of the then issued and outstanding shares of AGI Common Stock;

WHEREAS, immediately following the consummation of the transactions contemplated in the Subscription Agreement, Baker will possess voting control over 158,301 shares of AGI Common Stock, which will represent an estimated 1.93% of the then issued and outstanding shares of AGI Common Stock;

WHEREAS, immediately following the consummation of the transactions contemplated in the Subscription Agreement, COMCOR will possess voting control over 4,000,000 shares of AGI Common Stock;

WHEREAS, the Parties wish to agree upon certain matters with respect to the voting of the shares of the AGI Common Stock owned by the Stockholders and COMCOR; and

WHEREAS, as an inducement for COMCOR and AGI to enter into the Subscription Agreement, and as a closing condition to the consummation of the transactions contemplated by the Subscription Agreement, the Parties have agreed to enter into this Agreement concurrent with the consummation of such transactions.

NOW, THEREFORE, in consideration of the premises and the mutual promises herein made, the Parties agree as follows:

1. Capitalized terms used but not defined herein shall have the meanings ascribed to such terms in the Subscription Agreement.
2. Agreement to Vote. Each of the Stockholders and COMCOR agrees, on behalf of himself or itself and on behalf of any Related Person (as hereinafter defined) that is the transferee or assignee of any such shares, to vote all of the shares of AGI Common Stock so held as well as any shares of AGI Common Stock subsequently acquired by the Stockholders or COMCOR, as the case may be (and any other securities of AGI issued with respect to, upon conversion of or in exchange or substitution for either the shares of AGI Common Stock held on the date hereof and

any AGI Common Stock subsequently acquired) (collectively, the "Shares"), at any regular or special meeting of the stockholders of AGI (or by written consent, if applicable) in accordance with the provisions of this Agreement. For purposes of this Agreement, a Related Person shall mean, as to any of the Stockholders or COMCOR, any entity in which 50% or more of the equity interests are beneficially owned by, controlled by or under common control with such Stockholder or COMCOR, any natural person who is an employee of such Stockholder or COMCOR or any natural person who is a sibling, lineal ancestor or descendent of such Stockholder or COMCOR or any other Related Person. Neither any Stockholder nor COMCOR shall transfer or assign any shares of AGI Common Stock to any Related Person, unless such Related Person shall execute a written instrument acknowledging that such Related Person intends to be bound by the terms of this Agreement.

3. Election of Directors. Except as otherwise provided herein, at any time at which the stockholders of AGI have a right to, or agree in writing to, elect any members of the board of directors of AGI, to the fullest extent permitted by law, each of the Stockholders and COMCOR agrees, on behalf of himself or itself and on behalf of any Related Person that is the transferee or assignee of any Shares, to vote all of the Shares so held in favor of, and otherwise to take all reasonable actions to effect, the following actions:

(a) to cause and maintain the number of directors of the board of directors of AGI to be fixed at seven (7);

(b) subject to and in accordance with Section 19, to cause and maintain both the nomination for election and the election to the board of directors of AGI of a total of not more than three (3) individuals designated by COMCOR (each a "COMCOR Director Designee")(except that COMCOR and its Related Persons shall have no obligation pursuant to this Section 3(b));

(c) to cause and maintain both the nomination for election and the election to the board of directors of AGI of a total of not less than four (4) individuals designated by the Stockholders (each a "Stockholders Director Designee")(except that AGI, Stockholders and their respective Related Persons shall have no obligation pursuant to this Section 3(c)); and

(d) to maintain in force in all material respects the provisions of the amendments to AGI's Certificate of Incorporation and Bylaws attached as Exhibit A-1 and Exhibit A-2 to the Subscription Agreement.

(e) COMCOR acknowledges that each Stockholder is a member of the board of directors of AGI, and so long as each Stockholder fulfills his obligations under this Agreement, nothing contained herein is intended to restrict the Stockholders from voting on any matter, or otherwise from acting, in any way as a director that would prevent the Stockholders from fulfilling their fiduciary duties to the stockholders of AGI or that would result in any violation of applicable Laws.

4. Voting Rights. The Stockholders and COMCOR further acknowledge that nothing contained herein is intended to limit in any way the voting rights of the Stockholders and COMCOR, in their respective capacities as stockholders of AGI, if in the opinion of their respective nationally recognized U.S. securities counsel that the voting arrangements contemplated hereby, in whole or in part, are in violation of applicable Delaware corporate or U.S. securities laws.

5. Third-Party Financing Transaction. The Stockholders and COMCOR agree that if AGI enters into a transaction with a non-affiliated third-party (the "Third-Party") pursuant to which AGI issues shares of AGI Common Stock to the Third-Party representing at least 10% of the then outstanding AGI Common Stock in return for financing or other consideration (a "Third-Party Financing Transaction"), to the extent contemplated by the Third-Party Financing Transaction, (i) this Agreement shall terminate as a condition to the consummation of the Third-Party Financing Transaction, (ii) simultaneously with the closing of the Third-Party Financing Transaction such Parties and the Third-Party shall execute and deliver a new voting agreement (the "New Voting Agreement") that will adjust the allocation of director designees and directors as necessary to reflect the Third-Party's ownership of AGI Common

Stock and (iii) the bylaws of AGI will be amended as promptly as practicable in order to reflect the terms and conditions of the New Voting Agreement.

6. Additional Voting Arrangements. Each of the Stockholders and COMCOR agrees, on behalf of himself or itself and on behalf of any Related Person that is the transferee or assignee of any Shares, to vote all of the Shares held by such Party together with the Shares of the other Parties subject to this Section 6, in the manner unanimously agreed among the Stockholders and COMCOR, at any regular or special meeting of the stockholders of AGI (or by written consent, if applicable), with regard to the following matters:

- (a) the merger or consolidation of AGI with or into another corporation or other entity of any kind or the merger or consolidation of another corporation or other entity into AGI;
- (b) the sale, conveyance, lease, transfer, exchange or disposition of all or substantially all of AGI's properties or assets in one or a series of related transactions;
- (c) the issuance by AGI of AGI Common Stock in one transaction or a series of transactions during any calendar year during the term of this Agreement in an amount which, upon issuance, will represent more than 19.9% of the highest number of shares of AGI Common Stock outstanding in the immediately preceding calendar year; provided, however, with respect to the year 2004, the maximum number of shares that AGI may issue without being subject to this Section 6(c) is 2,000,000 shares; notwithstanding the foregoing, during the term of this Agreement the following corporate transactions shall be excluded from any calculations made pursuant to this Section 6(c): (i) the issuance of AGI Common Stock pursuant to the exercise of AGI convertible securities or AGI stock option plans outstanding or existing, as the case may be, as of the date of this Agreement and (ii) any shares of AGI Common Stock issued pursuant to the AGI Rights Offering;
- (d) the voluntary dissolution, liquidation or winding-up of AGI or any subsidiary; or
- (e) the amendment or repeal of AGI's certificate of incorporation or bylaws as now in effect.

Notwithstanding the foregoing, if the Stockholders and COMCOR have not unanimously agreed on how to vote their Shares with respect to foregoing matters prior to the time at which such matter(s) will be voted upon, the Stockholders and COMCOR agree to abstain from voting their Shares on the proposal which is the subject of their disagreement.

7. Regulatory Filings. Each Party shall take all actions reasonably necessary to cause to be filed or cooperate in the preparation and filing of any governmental or other compliance or reporting requirements that may be required of any other Party, including without limitation any filings required by or on behalf of AGI under (a) any United States Laws pertaining to the ownership, control or voting of securities, or the ownership or control of United States entities by foreign persons, including without limitation Sections 13 or 16 of the Securities Exchange Act or the Hart-Scott-Rodino Act and (b) the rules and regulations of any securities exchange, including without limitation the Nasdaq National Market and the National Association of Securities Dealers, Inc. In addition, each Party hereby agrees to cooperate and comply with the reasonable request of any other Party in connection with the fulfillment of such requesting Party's obligations under this Section 7.

8. Manner of Voting. The voting of the Shares pursuant to this Agreement may be effected in person, by proxy, by written consent or in any other manner permitted by applicable Law.

9. Character. No Person who has been convicted of or is currently awaiting disposition of any case involving a felony, embezzlement, theft or any act of fraud or financial impropriety; who has been determined in a final decision, not subject to further appeal, by any court of any other conduct involving a breach of fiduciary duty; or who is under investigation by or has been subject to formal disciplinary action by the Securities and Exchange Commission or any other Governmental or Regulatory Authority with jurisdiction over a business in which such Person serves as an

officer or director shall be a COMCOR Director Designee or a Stockholders Director Designee.

10. Specific Performance. Each of the Stockholders and COMCOR acknowledges and agrees that the other Parties would be damaged irreparably in the event any of the provisions of this Agreement are not performed in accordance with their specific terms or otherwise are breached. Accordingly, each of the Stockholders and COMCOR agrees that the other Parties shall be entitled to an injunction or injunctions to prevent breaches of provisions of this Agreement in addition to any other remedy to which they may be entitled at law or in equity.

A Company Registration may be accomplished on Form S-3 under the Securities Act, if available, at the option of the Company. If the Company Registration has not been completed on or before the first anniversary of the date hereof, then the Company shall use commercially reasonable efforts to complete the Company Registration as soon as practicable thereafter. If any Holder does not agree to the terms of such underwriting, then the Registrable Securities of such Holder may be excluded from the Company Registration upon written notice by the Company or the representatives of the underwriters. Any Registrable Securities withdrawn from such underwriting shall be withdrawn from the Company Registration. (b) Priority. If the representative of the underwriters for the Company Registration gives written advice to Holders and the Company that, in its opinion, market conditions dictate that no more than a specified maximum number of securities (the "Underwriter's Maximum Number") could successfully be included in the Company Registration within a price range acceptable to Holders and the Company, then the Company shall be required by this Section 2.1 to include in the Company Registration only such number of securities as equals the Underwriter's Maximum Number. In such event, Holders, the Company and any other Person participating in the Company Registration shall participate in the Company Registration as follows:

- (i) First, there shall be included in the Company Registration that number of securities that the Company proposes to offer and sell for its own account to the full extent of the Underwriter's Maximum Number; and
- (ii) Second, if the Underwriter's Maximum Number has not yet been reached, there shall be included in the Company Registration that number of Registrable Securities that Holders have requested to be included in the Company Registration to the full extent of the remaining portion of the Underwriter's Maximum Number; and
- (iii) Third, if the Underwriter's Maximum Number has not yet been reached, there shall be included in the Company Registration that number of Registrable Securities that any Persons other than Holders and the Company have requested to be included in the Company Registration to the full extent of the remaining portion of the Underwriter's Maximum Number.

In the event that this Section 2.1(b) results in less than all of the Registrable Securities that are requested by Holders to be included in the Company Registration actually being included in the Company Registration, then the number of Registrable Securities that is included in the Company Registration shall be allocated pro rata among all Holders based on the number of Registrable Securities that each such Holder desires to offer. The Company shall promptly notify Holders if any Registrable Securities will not be included in the Company Registration pursuant to this Section 2.1(b). If any securities are withdrawn from the registration pursuant to Section 2.1(a) and if the number of Registrable Securities to be included in the Company Registration was previously reduced pursuant to this Section 2.1(b), then the

Company shall then offer to all Holders the right to include additional Registrable Securities in the Company Registration equal to the number of securities so withdrawn, with such Registrable Securities to be allocated among the Holders requesting additional inclusion on a pro rata basis.

V

SECTION 2.2. Requested Registration.

(a) Request for Registration. Subject to Section 2.2(b), if at any time after the first anniversary of this Agreement the Company shall receive a written request from any Holder (a "Registration Request") that the Company effect a registration under the Securities Act of all or any part of the Registrable Securities held by such Holder (a "Requested Registration") in accordance with the terms of this Section 2.2, then the Company shall use its best efforts to effect the registration under the Securities Act (and any related qualification under blue sky laws or other compliance) of the offering and sale of such Registrable Securities within 90 days after receipt of the Registration Request. The Company may also include in any Requested Registration other securities of the Company offered for the account of the Company or any other Person, including Registrable Securities held by other Holders entitled to include such securities in such Requested Registration pursuant to Section 2.3. A Requested Registration may be accomplished on Form S-3 under the Securities Act, if available, at the option of the Company.

(b) Limitation on Requested Registrations.

- i. Share Limitation. The Company shall not be obligated to effect a Requested Registration unless such registration involves the greater of: (i) an aggregate offering price of \$1,000,000, or (ii) one percent (1%) of the Common Stock issued and outstanding as of the date of such Registration Request.
- ii. Limitation on the Number of Requested Registrations. The Company shall only be obligated to effect one Requested Registration hereunder in any six month (calendar) period.
- iii. Prior Registration Limitation. If a registration statement related to another Registration has been declared effective under the Securities Act within the preceding six calendar months and the participating Holders have not sold all Registrable Securities included in such registration statement, then the Company shall have the right to defer a Requested Registration for a period of not more than 90 days.
- iv. Delay Limitation. If the Company shall furnish to Holders requesting a Requested Registration a certificate signed by the chief executive officer or chairman of the board of directors of the Company stating that, in the good faith judgment of the board of directors, the effecting of the Requested Registration at the time requested would be detrimental to the Company or its stockholders, then the Company shall have the right to defer such Requested Registration for a period of not more than 180 days.
- v. Simultaneous Company Registration Limitation. From the date of filing of any registration statement under the Securities Act by the Company until the date 180 days following the effective date of such registration statement, the Company shall not be obligated to effect a Requested Registration without the consent of the representative of the underwriters of the offering as to which such registration statement is filed, so long as the Company is actively employing in good faith all reasonable efforts to cause such registration statement to become or remain effective.
- vi. Termination. The right to request a Requested Registration shall terminate on the fifth anniversary of this Agreement.
- vii. Allocation. The inclusion of Securities in a Requested Registration shall be made on a pro rata basis among Holders. In the event that any Holder withdraws his Registrable Securities from a Requested Registration, then the Company shall promptly notify other Holders of such withdrawal. In such event, other Holders shall be entitled to increase the number of Registrable Securities to be included in such Requested Registration on a pro rata basis based on the number of Registrable Securities that each such Holder desires to include in such Requested Registration.

SECTION 2.3. Incidental Registrations.

(a) **Incidental Registration.** If the Company, for itself or any of its security holders other than pursuant to a Requested Registration, at any time after the first anniversary of the date hereof and through the fifth anniversary hereof, undertakes to effect a registration under the Securities Act of the offering and sale of any shares of its capital stock or other securities (other than (i) the registration of an offer, sale or other disposition of securities solely to employees of, or other Persons providing services to, the Company or any subsidiary of the Company pursuant to an employee or similar benefit plan or (ii) in connection with to a merger, acquisition or other transaction of the type described in Rule 145 under the Securities Act or a comparable or successor rule, registered on Form S-4 or similar or successor forms promulgated by the Commission), then on each such occasion the Company shall notify each Holder of such undertaking at least 30 days prior to the filing of a registration statement relating thereto. In such event, upon the written request of any Holder within 20 days after the receipt of such notice, subject to Section 2.2(b), the Company shall use its best efforts as soon as practicable thereafter to cause any Registrable Securities specified by such Holder to be included in such registration statement (an "Incidental Registration"). If a Holder desires to include less than all Registrable Securities held by it in any Incidental Registration, then such Holder shall nevertheless continue to have the right to include any remaining Registrable Securities in any subsequent Incidental Registration upon the terms and conditions set forth herein. The Company shall have the right to terminate or withdraw any Incidental Registration initiated by it under this Section 2.3 prior to the effectiveness of such registration, whether or not any Holder has elected to include Registrable Securities in such Incidental Registration. The Registration Expenses of such terminated or withdrawn registration shall be borne by the Company in accordance with Section 2.4.

(b) **Priority in Registration.** If an Incidental Registration is an underwritten offering, and the representative of the underwriters gives written advice to Holders and the Company that, in its opinion, market conditions dictate that no more than an Underwriter's Maximum Number could successfully be included in such Incidental Registration, then the Company shall be required by this Section 2.3 to include in such Incidental Registration only such number of securities as equals the Underwriter's Maximum Number. In such event, Holders, the Company and any other Person participating in such Incidental Registration shall participate in such Incidental Registration as follows:

(i) First, there shall be included in such Incidental Registration that number of securities that the Company proposes to offer and sell for its own account in such registration to the full extent of the Underwriter's Maximum Number; and

(ii) Second, if the Underwriter's Maximum Number has not yet been reached, there shall be included in such Incidental Registration that number of Registrable Securities that Holders have requested to be included in such Incidental Registration to the full extent of the remaining portion of the Underwriter's Maximum Number; and

(iii) Third, if the Underwriter's Maximum Number has not yet been reached, there shall be included in the Incidental Registration that number of Registrable Securities that any Persons other than Holders and the Company have requested to be included in the Incidental Registration to the full extent of the remaining portion of the Underwriter's Maximum Number.

In the event that this Section 2.3(b) results in less than all of the Registrable Securities that are requested by Holders to be included in such Incidental Registration actually being included in such Incidental Registration, then the number of Registrable Securities that is included in such Incidental Registration shall be allocated pro rata among all Holders based on the number of Registrable Securities that each such Holder desires to offer. The Company shall promptly notify Holders if any Registrable Securities will not be included in the Company Registration pursuant to this Section 2.3(b). If any securities are withdrawn from the registration pursuant to Section 2.3(a) and if the number of Registrable Securities to be included in such Incidental Registration was previously reduced pursuant to this Section 2.3(b), then the Company shall then offer to all Holders the right to include additional Registrable Securities in such Incidental Registration equal to the number of securities so withdrawn, with such Registrable Securities to be allocated among the Holders requesting additional inclusion on a pro rata basis.

SECTION 2.4. Expenses.

The Company shall pay all Registration Expenses incurred in connection with any Registration.

SECTION 2.5. Effective Registration Statement.

No Registration shall be deemed to have been effected unless the registration statement filed with respect thereto in accordance with the Securities Act has been declared effective by the Commission and remain effective in accordance with Section 3.1. Notwithstanding the foregoing, no registration shall be deemed to have been effected if (a) after the related registration statement has been declared effective by the Commission, such registration is made subject to any stop order, injunction or other order or requirement of the Commission or other governmental agency or any court proceeding for any reason, other than solely by reason of a misrepresentation or omission by any Holder, or (b) the conditions to closing specified in the underwriting agreement entered into in connection with such registration are not satisfied, other than solely by reason of an act or omission by any Holder.

SECTION 2.6. Jurisdictional Limitations.

Notwithstanding anything in this Agreement to the contrary, the Company shall not be obligated to take any action to effect registration, qualification or compliance with respect to Registrable Securities: (a) In any particular jurisdiction in which the Company would be required to execute a general consent to service of process, unless the Company is already subject to service in such jurisdiction and except as required by the Securities Act; (b) That would require it to qualify generally to do business in any jurisdiction in which it is not already so qualified or obligated to qualify; or (c) That would subject it to taxation in a jurisdiction in which it is not already subject generally to taxation.

ARTICLE III

- (c) Prepare and file with the Commission such amendments and supplements to such registration statement and the prospectus used in connection therewith as may be necessary to keep such registration statement effective and to comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such registration statement, until the earlier of such time as all of such securities have been disposed of in accordance with the intended methods of disposition by the seller or sellers thereof set forth in such registration statement or the expiration of 180 days after such registration statement becomes effective (such period of 180 days to be extended one day for each day or portion thereof during such period that such registration statement is subject to any stop order suspending the effectiveness of the registration statement, any order suspending or preventing the use of any related prospectus or any order suspending the qualification of any Registrable Securities included in such registration statement for sale in any jurisdiction);
- (d) Furnish to Holders that participate in such Registration, without charge to such Holders, such number of conformed copies of such registration statement and each such amendment and supplement thereto (in each case including all exhibits), such number of copies of the prospectus contained in such registration statement (including each preliminary prospectus and any summary prospectus) and any other prospectus filed under Rule 424 under the Securities Act, in conformity with the requirements of the Securities Act, and such other documents as the purchaser or any such Holder may reasonably request;
- (e) Use its best efforts to register or qualify all Registrable Securities covered by such registration statement under the United States state securities or blue sky laws of such jurisdictions as any Holder that participate in such Registration reasonably requests, keep such registration or qualification in effect for the time period set forth in Section 3.1(c) and take such other action as may be reasonably necessary or advisable to enable such Holders to sell the Registrable Securities covered by such Registration in such jurisdictions;
- (f) Use commercially reasonable efforts to cause all Registrable Securities covered by such registration statement to be registered with or approved by such other United States state governmental agencies or authorities as

may be necessary to enable any Holder that participates in such Registration to sell the Registrable Securities covered by such Registration as intended by such registration statement;

(g) Use its best efforts to obtain the withdrawal of any stop order suspending the effectiveness of such registration statement, or of any order suspending or preventing the use of any related prospectus or suspending the qualification of any Registrable Securities included in such registration statement for sale in any jurisdiction;

(h) Immediately notify Holders that participate in such Registration, at any time during which a prospectus relating to such registration statement is required to be delivered under the Securities Act, if the Company becomes aware of any event as result of which such prospectus, as then in effect, would include an untrue statement of material fact or would omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances under which they were made, and at the request of such Holders promptly prepare and furnish to such Holders a reasonable number of copies of a supplement to or an amendment of such prospectus as may be necessary so that, as thereafter delivered to the purchasers of such Registrable Securities, such prospectus would not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances under which they were made;

(i) Otherwise use its best efforts to comply with all applicable rules and regulations of the Commission and make available to its security holders, as soon as reasonably practicable, an earnings statement covering the period of at least 12 months but not more than 18 months, beginning with the first full calendar month after the effective date of such registration statement, which earnings statement shall satisfy the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder;

(j) Provide a transfer agent and registrar for all Registrable Securities covered by such registration statement not later than the effective date of such registration statement; and

(k) Use its best efforts to list all Registrable Securities covered by such registration statement on any securities exchange on which the same class of securities issued by the Company are then listed or to secure designation and quotation of all Registrable Securities covered by such Registration on the Nasdaq National Market System and, without limiting the generality of the foregoing, to arrange for at least two market makers to register with the National Association of Securities Dealers, Inc. as such with respect to such Registrable Securities and pay all fees and expenses in connection with the satisfaction of the obligations set forth in this Section 3.1(k).

SECTION 3.2. Holder Obligations.

(a) Each Holder that participates in a Registration shall furnish to the Company, upon its written request, such information as it may reasonably request in writing (i) regarding the proposed distribution by such Holder of the Registrable Securities held by such Holder and (ii) as required in connection with any registration (including an amendment to a registration statement or prospectus), qualification or compliance referred to in this Article III.

(b) Upon receipt of any notice from the Company, or upon a Holder's otherwise becoming aware, of the happening of any event of the kind described in Section 3.1(h), such Holder shall discontinue its disposition of Registrable Securities pursuant to the registration statement relating to the offering and sale of such Registrable Securities until the receipt by such Holder of the supplemented or amended prospectus contemplated by Section 3.1(h). If so directed by the Company, such Holder shall deliver to the Company all copies other than permanent file copies then in possession of such Holder of the prospectus relating to the offering and sale of such Registrable Securities current at the time of receipt of such notice. In addition, each Holder shall immediately notify the Company, at any time during which a prospectus relating to the registration of such Registrable Securities is required to be delivered under the Securities Act, of the happening of any event as a result of which information previously furnished in writing by such Holder to the Company specifically for inclusion in such prospectus contains an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances under which they were made. In the event that the Company or any such Holder shall give any such notice, the period referred to in Section 3.1(c) shall be extended by a number of days equal to the number of days during the period from and including the giving of notice pursuant to Section 3.1(c) to and including the date on which such Holder receives copies of the supplemented or amended prospectus contemplated by Section 3.1(c).

ARTICLE IV

UNDERWRITTEN OFFERINGS

SECTION 4.1. Underwritten Offerings.

(a) Underwritten Offering. In connection with any underwritten offering pursuant to the Company Registration, the Company shall enter into an underwriting agreement (and any other customary agreements) with the underwriters for such offering, such agreement to be in form and substance reasonably satisfactory to such underwriters in their reasonable judgment and to contain such representations and warranties by the Company and such other terms as are customarily contained in agreements of that type, including without limitation indemnities to the effect and to the extent provided in Section 5.1. Each Holder that participates in the Company Registration shall be a party to such underwriting agreement and may, at such Holder's option, require that any or all representations and warranties by, and the other agreements on the part of, the Company to and for the benefit of such underwriters be made to and for the benefit of such Holder and that any or all conditions precedent to the obligations of such underwriters under such underwriting agreement be conditions precedent to the obligations of such Holder. No such Holder participating in any such underwritten offering shall be required by the provisions hereof to make any representations or warranties to or agreements with the Company or the underwriters other than representations, warranties or agreements regarding such Holder and its intended method of distribution and any other representation required by law. (b)

Selection of Underwriters. In the Company Registration, the Company shall select the representative of the underwriters from underwriting firms of national reputation in the United States that are reasonably acceptable to Holders.

SECTION 4.2. Holdback Agreements.

In connection with any underwritten public offering of Registrable Securities by the Company under the Securities Act, no Holder shall effect directly or indirectly (except as part of such underwritten Registration in accordance with the provisions hereof or pursuant to a transaction exempt from registration other than pursuant to Rule 144 or Rule 145 of the Securities Act) any sale, distribution, short sale, loan, grant of options for the purchase of or other disposition of any Registrable Securities for such period as the representative of the underwriters requests, which period shall in no event commence earlier than seven days prior to, or end more than 180 days after, the date on which the registration statement related to such offering is declared effective. The Company shall be entitled to instruct its transfer agent to place stop transfer notations in its records to enforce this Section 4.2(a).

ARTICLE V

INDEMNIFICATION AND CONTRIBUTION

SECTION 5.1. Indemnification.

(a) Indemnification by the Company. In connection with any Registration, to the extent permitted by law, the Company shall and hereby does indemnify and hold harmless each Holder that participates in such Registration, each such Holder's legal counsel and independent accountants, each other Person who participates as an underwriter in the offering or sale of securities (if so required by such underwriter as a condition to including the Registrable Securities of such Holders in such registration) and each other Person, if any, who controls any such Holder or any such underwriter within the meaning of the Securities Act (collectively, the "Indemnified Parties"), against any losses, claims, damages or liabilities, joint or several, to which such Holder, underwriter or other Person may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions or proceedings, whether commenced or threatened, in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in any registration statement under which the offering and sale of such securities were registered under the Securities Act, any preliminary prospectus, final prospectus or summary prospectus contained therein or any document incorporated therein by reference, or any amendment or supplement thereto, or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein in light of the circumstances in which they were made not misleading, or arise out of any violation by the Company of any rule or regulation promulgated under the Securities Act or state securities law applicable to the Company and relating to action or inaction required of the Company in connection with any such registration. The Company shall reimburse the Indemnified Parties for any legal or any other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, liability, action or proceeding; *provided*, however, that the indemnity agreement contained in this Section 5.1(a) shall not apply to amounts paid in settlement of any such loss, claim, damage, liability or action if such settlement is effected without the consent of the Company (which consent shall not be unreasonably withheld); and *provided*, further, that the Company shall not be liable to any Indemnified Party in any such case to the extent that any such loss, claim, damage, liability (or action or proceeding in respect thereof) or expense arises out of or is based upon any untrue statement or alleged untrue statement or omission or alleged omission made in such registration statement, any such preliminary prospectus, final prospectus, summary prospectus, amendment or supplement in reliance upon and in conformity with information furnished to the Company in writing by any Indemnified Party specifically for use therein.

(b) Indemnification by Holders. As a condition to including any Registrable Securities in any Registration, to the extent permitted by law, each Holder shall and does hereby indemnify and hold harmless (in the same manner and to the same extent as set forth in Section 5.1(a)) the Company, each director of the Company, each officer of the Company and each other Person, if any, who controls the Company within the meaning of the Securities Act, with respect to any statement or alleged statement in or omission or alleged omission from any registration statement under which the offering and sale of such securities were registered under the Securities Act, any preliminary prospectus, final prospectus or summary prospectus contained therein, or any amendment or supplement thereto, if and only if and to the extent that such statement or alleged statement or omission or alleged omission was made in reliance upon and in conformity with information furnished in writing to the Company directly by such Person; *provided*, however, that the obligation of any such Holder under this Section 5.1(b) shall be limited to an amount equal to the gross proceeds received by such Holder upon the sale of Registrable Securities sold in such Registration, unless such liability arises out of or is based upon such Holder's willful misconduct. (c) Notices of Claims, etc. Promptly after receipt by an Indemnified Party of notice of the commencement of any action or proceeding involving a claim referred to in this Section 5.1, if a claim in respect thereof is to be made against a party required to provide indemnification (an "Indemnifying Party"), the Indemnified Party shall give written notice to the latter of the commencement of such action; *provided*, however, that the failure of any Indemnified Party to give notice as provided herein shall not relieve the Indemnifying Party of its obligation under this Section 5.1, except to the extent that the Indemnifying Party is actually prejudiced by such failure to give notice. In case any such action is brought against an Indemnified Party, unless in the reasonable judgment of such Indemnified Party a conflict of interest between such Indemnified Party and

the Indemnifying Party may exist in respect of such claim, then each Indemnifying Party shall be entitled to participate in and to assume the defense thereof, jointly with any other Indemnifying Party similarly notified to the extent that it may wish, with counsel reasonably satisfactory to such Indemnified Party. After notice from the Indemnifying Party to such Indemnified Party of its election so to assume the defense thereof, the Indemnifying Party shall not be liable to such Indemnified Party for any legal or other expenses subsequently incurred by the latter in connection with the defense thereof other than reasonable costs of investigation. No Indemnifying Party shall consent to entry of any judgment or enter into any settlement without the consent of the Indemnified Party if such judgment or settlement does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Party of a release from all liability in respect to such claim or litigation. (d) Other Indemnification. Indemnification similar to that specified in this Section 5.1 (with appropriate modifications) shall be given by the Company and each Holder that participates in a Registration to each other and to any underwriter, as applicable, with respect to any required registration or other qualification of securities under any United States federal or state law or regulation, other than the Securities Act, of any United States governmental authority. (e) Indemnification Payment. The indemnification required by this Section 5.1 shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received and as expense, loss, damage or liability is incurred. (f) Survival of Obligations. The obligations of the Company and Holders under this Section 5.1 and Section 5.2 shall survive the completion of any offering of Registrable Securities.

SECTION 5.2. Contribution.

If the indemnification provided for in Section 5.1 is unavailable or insufficient to hold harmless an Indemnified Party, then each Indemnifying Party shall contribute to the amount paid or payable to such Indemnified Party as a result of the losses, claims, damages or liabilities referred to in Section 5.1 an amount or additional amount, as the case may be, in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party or Indemnifying Parties, on the one hand, and the Indemnified Party, on the other, in connection with the statements or omissions which resulted in such losses, claims, demands or liabilities as well as any other relevant equitable considerations. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Indemnifying Party or Indemnifying Parties, on the one hand, or the Indemnified Party, on the other, and the relative, intent, knowledge, access to information and opportunity of the parties to correct or prevent such untrue statement or omission. The amount paid to an Indemnified Party pursuant to this Section 5.2 shall be deemed to include any legal or other expenses reasonably incurred by such Indemnified Party in connection with investigating or defending any action or claim subject to this Article V. No Person guilty of fraudulent misrepresentation within the meaning of Section 11(f) of the Securities Act shall be entitled to contribution from any Person that was not guilty of such fraudulent misrepresentation.

ARTICLE VI

SECTION 6.1. Covenants Relating to Rule 144; Reports Under Exchange Act.

With a view to (a) making available the benefits of certain rules and regulations of the Commission that may at any time permit the sale of securities of the Company to the public without registration after such time as a public market exists for the Common Stock and (b) causing the Company to be and remain eligible to file use Form S-3 under the Securities Act, the Company shall:

SECTION 6.2 Other Registration Rights.

The Company may from time to time grant additional registration rights to other holders of Common Stock, provided that (i) any such rights granted in connection with the transactions contemplated by the (a) ComCor Stock Subscription Agreement, (b) any third party financing obtained by the Company as contemplated by paragraph 5 of Annex III to the May 23, 2003 ComCor Stock Subscription Agreement between the Company and ComCor, (c) the vesting of shares of restricted stock specified in Annex II of the May 23, 2003 ComCor Stock Subscription Agreement shall be pari passu with the rights granted under this Agreement with respect to registration and cutback, and (ii) no such registration rights shall be senior to the rights granted under this Agreement with respect to registration and cutback (but that such rights may at all times be pari passu).

To the maximum extent permitted by applicable law, the parties agree not to assert any rights to have any court rule on a question of law affecting the arbitration or to hear any appeal from or entertain any judicial review of the arbitral award.

SECTION 7.7. Agreement Not to Asset Claims/Sovereign Immunity.

Each party hereby agrees, to the fullest extent permitted by applicable laws, that it will not assert a claim with regard to (i) any objection that it may have now or in the future to the venue of any action, suit, arbitral proceeding or proceeding in any court referred to in this Section 7.7, including forum non conveniens, (ii) any claim that any such action, suit or proceeding has been brought in an inconvenient forum, (iii) any and all rights to demand a trial by jury in any such action, suit, or proceeding brought pursuant to this Section 7.7 or (iv) with respect to all disputes, claims, controversies and all other matters of any nature whatsoever that may arise under or in connection with this Agreement, all immunity it may otherwise have as a sovereign, quasi-sovereign or state-owned entity (or similar entity) from any and all proceedings (whether legal, equitable, arbitral, administrative or otherwise), attachment of assets or enforceability of judicial or arbitral awards.

SECTION 7.8 Equitable Remedies.

The parties agree that irreparable harm would occur in the event that any of the agreements and provisions of this Agreement were not performed fully by the parties in accordance with their specific terms or conditions or were otherwise breached, and that money damages are an inadequate remedy for breach of this Agreement because of the difficulty of ascertaining and quantifying the amount of damage that would be suffered by the parties in the event that this Agreement were not performed in accordance with its terms or conditions or were otherwise breached. It is accordingly hereby agreed that the parties shall be entitled to an injunction or injunctions to restrain, enjoin and prevent breaches of this Agreement by the other party and to enforce specifically such terms and provisions of this Agreement, such remedy being in addition to and not in lieu of any other rights and remedies to which the other Party is entitled to at law or in equity.

SECTION 7.9 No Third-Party Beneficiaries.

This Agreement shall not confer any rights or remedies upon any Person other than the parties and their respective successors and permitted assigns.

SECTION 7.10 Severability; Titles and Subtitles; Gender; Singular and Plural; Counterparts; Facsimile.

Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction.

SECTION 7.11 Expenses.

Each party shall bear its own costs and expenses (including legal fees and expenses) incurred in connection with this Agreement and the transactions contemplated hereby except as expressly set forth herein.

SECTION 7.12 Construction.

The parties have participated jointly in the negotiation and drafting of this Agreement. In the event that an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the day and year first above written.
