SECURITY INVESTMENTS

AIM VARIABLE INSURANCE FUNDS

On December 13, 2007, the Board of Trustees (the "Board") of AIM Variable Insurance Funds on behalf of AIM V.I. High Yield Fund and AIM V.I. Diversified Income Fund (the "Funds"), approved permitting the Funds to borrow from banks for leverage in an amount not exceeding 5% of the Funds' total assets (not including the amount borrowed) at the time the borrowings is made.

AIM VARIABLE INSURANCE FUNDS

LEGAL PROCEEDINGS

SETTLED ENFORCEMENT ACTIONS AND INVESTIGATIONS RELATED TO MARKET TIMING

On October 8, 2004, INVESCO Funds Group, Inc. ("IFG") (the former investment advisor to certain AIM Funds), AIM and A I M Distributors, Inc. ("ADI") (the distributor of the retail AIM Funds) reached final settlements with certain regulators, including the Securities and Exchange Commission ("SEC") the New York Attorney General and the Colorado Attorney General, to resolve civil enforcement actions and/or investigations related to market timing and related activity in the AIM Funds, including those formerly advised by IFG. As part of the settlements, a \$325 million fair fund (\$110 million of which is civil penalties) has been created to compensate shareholders harmed by market timing and related activity in funds formerly advised by IFG. Additionally, AIM and ADI created a \$50 million fair fund (\$30 million of which is civil penalties) to compensate shareholders harmed by market timing and related activity in funds advised by AIM, which was done pursuant to the terms of the settlement. These two fair funds will be distributed in accordance with a methodology to be determined by AIM's independent distribution consultant, in consultation with AIM and the independent trustees of the AIM Funds and acceptable to the staff of the SEC.

On May 23, 2008, the SEC publicly posted its final approval of the Distribution Plans. The proposed Distribution Plans provide for distribution to all eligible investors, for the periods spanning January 1, 2000 through July 31, 2003 (for the IFG Fair Fund) and January 1, 2001 through September 30, 2003 (for the AIM Fair Fund), their proportionate share of the applicable Fair Fund to compensate such investors for injury they may have suffered as a result of market timing in the affected funds. The Distribution Plans include a provision for any residual amounts in the Fair Funds to be distributed in the future to the affected funds. AIM has informed the AIM Funds that AIM intends to make or cause to be made available further details regarding the IDC Plan and planned distributions thereunder on AIM's website, available at <http://www.aiminvestments.com>.

At the present time, management of Invesco AIM and the AIM Funds are unable to estimate the impact, if any, that the outcome of the Pending Litigation and Regulatory Inquiries described herein may have on Invesco Aim, IADI or the AIM Funds.

PENDING LITIGATION

Pending Regulatory Action Alleging Market Timing

On August 30, 2005, the West Virginia Office of the State Auditor - Securities Commission ("WVASC") issued a Summary Order to Cease and Desist and Notice of

Right to Hearing to AIM and ADI (Order No. 05-1318). The WVASC makes findings of fact that AIM and ADI entered into certain arrangements permitting market timing of the AIM Funds and failed to disclose these arrangements in the prospectuses for such Funds, and conclusions of law to the effect that AIM and ADI violated the West Virginia securities laws. The WVASC orders AIM and ADI to cease any further violations and seeks to impose monetary sanctions, including restitution to affected investors, disgorgement of fees, reimbursement of investigatory, administrative and legal costs and an "administrative assessment," to be determined by the Commissioner. Initial research indicates that these damages could be limited or capped by statute. By agreement with the

Commissioner of Securities, AIM's time to respond to that Order has been indefinitely suspended.

Private Civil Actions Alleging Market Timing

Multiple civil lawsuits, including purported class action and shareholder derivative suits, have been filed against various parties (including, depending on the lawsuit, certain AIM Funds, IFG, AIM, AIM Management Group Inc. All lawsuits based on allegations of market timing, late trading, and related

issues have been transferred to the United States District Court for the District of Maryland (the "MDL Court") for consolidated or coordinated pre-trial proceedings. Pursuant to an Order of the MDL Court, plaintiffs in the above lawsuits (with the exception of Carl E. Vonder Haar, et al. v. INVESCO Funds Group, Inc. et al. and Mike Sayegh v. Janus Capital Corporation, et al.) consolidated their claims for pre-trial purposes into three amended complaints against various AIM- and IFG-related parties: (i) a Consolidated Amended Class Action Complaint purportedly brought on behalf of shareholders of the AIM Funds (the Lepera lawsuit discussed below); (ii) a Consolidated Amended Fund Derivative Complaint purportedly brought on behalf of the AIM Funds and fund registrants (the Essenmacher lawsuit discussed below); and (iii) an Amended Class Action Complaint for Violations of the Employee Retirement Income Securities Act ("ERISA") purportedly brought on behalf of participants in INVESCO's 401(k) plan (the Calderon lawsuit discussed below). The plaintiffs in the Vonder Haar and Sayegh lawsuits continue to seek remand of their lawsuits to state court. Set forth below is detailed information about these three amended complaints.

- o RICHARD LEPERA, Individually and On Behalf of All Others Similarly Situated (LEAD PLAINTIFF: CITY OF CHICAGO DEFERRED COMPENSATION PLAN), v. INVESCO FUNDS GROUP, INC., ET AL, in the MDL Court (Case No. 04-MD-15864; No. 04-CV-00814-JFM) (originally in the United States District Court for the District of Colorado), filed on September 29, 2004.
- o CYNTHIA ESSENMACHER, ET AL., Derivatively on Behalf of the Mutual Funds, Trusts and Corporations Comprising the Invesco and AIM Family of Mutual Funds v. AMVESCAP, PLC, ET AL., in the MDL Court (Case No. 04-MD-15864-FPS; No. 04-819), filed on September 29, 2004.
- o MIRIAM CALDERON, Individually and On Behalf of All Others Similarly Situated, v. AVZ, INC., ET AL., in the MDL Court (Case No. 1:04-MD-15864-FPS), filed on September 29, 2004.

On March 1, 2006, the MDL Court entered orders on Defendants' Motions to dismiss in the derivative (Essenmacher) and class action (Lepera) lawsuits. The MDL Court dismissed all derivative causes of action in the Essenmacher lawsuit but two: (i) the excessive fee claim

under Section 36(b) of the Investment Company Act of 1940 (the "1940 Act"); and (ii) the "control person liability" claim under Section 48 of the 1940 Act. The MDL Court dismissed all claims asserted in the Lepera class action lawsuit but three: (i) the securities fraud claims under Section 10(b) of the Securities Exchange Act of 1934; (ii) the excessive fee claim under Section 36(b) of the 1940 Act (which survived only insofar as plaintiffs seek recovery of fees associated with the assets involved in market timing); and (iii) the "control person liability" claim under Section 48 of the 1940 Act. On June 14, 2006, the MDL Court entered an order dismissing the Section 48 claim in the derivative

(Essenmacher) lawsuit. Based on the MDL Court's March 1, 2006 and June 14, 2006 orders, all claims asserted against the Funds that have been transferred to the MDL Court have been dismissed, although certain Funds remain nominal defendants in the derivative (Essenmacher) lawsuit. Defendants filed their Original Answer in the class action (Lepera) lawsuit on March 31, 2006. The MDL Court has indefinitely deferred Defendants' obligation to answer the derivative (Essenmacher) lawsuit. The Plaintiffs in the class action (Lepera) lawsuit stipulated that their claims against AIM, ADI and AIM Investment Services, Inc. ("AIS") are based solely on successor liability for alleged timing in the AIM Funds formerly advised by IFG and that they are not making any claims based on alleged timing in the other AIM Funds. Based upon this stipulation, AIM withdrew its pending Motion to Dismiss the claims against AIM, ADI and AIS. On July 3, 2007, the Defendants filed an Omnibus Motion to Dismiss in both the class action (Lepera) and derivative (Essenmacher) lawsuits based on Plaintiffs' lack of standing to sue for injuries to funds the Plaintiffs do not own. On October 19, 2007, Judge Motz for the MDL Court denied the Defendants' Motion to Dismiss.

On September 15, 2006, Judge Motz for the MDL Court granted the AMVESCAP Defendants' motion to dismiss the ERISA (Calderon) lawsuit and dismissed such lawsuit. The Plaintiff appealed this decision. On June 16, 2008, the Fourth Court of Appeals reversed the dismissal and remanded this lawsuit back to the MDL Court for further proceedings.

Private Civil Actions Alleging Improper Use of Fair Value Pricing

Multiple civil class action lawsuits have been filed against various parties (including, depending on the lawsuit, certain AIM Funds, IFG and/or AIM) alleging that certain AIM Funds inadequately employed fair value pricing. These lawsuits allege a variety of theories of recovery, including but not limited to: (i) violations of various provisions of the Federal securities laws; (ii) common law breach of duty; and (iii) common law negligence and gross negligence. These lawsuits have been filed in both Federal and state courts and seek such remedies as compensatory and punitive damages; interest; and attorneys' fees and costs. The list below identifies such lawsuits that have been served on IFG, AIM, the AIM Funds or related entities, or for which service of process has been waived.

- o T.K. PARTHASARATHY, ET AL, Individually And On Behalf Of All Others Similarly Situated, v. T. ROWE PRICE INTERNATIONAL FUNDS, INC., ET AL., in the Third Judicial Circuit Court for Madison County, Illinois (Case No. 2003-L-001253), filed on September 23, 2003. The Third Judicial Circuit Court for Madison County, Illinois has issued an order severing the claims of plaintiff Parthasarathy from the claims of the other plaintiffs against AIM and other defendants. As a result, AIM is a defendant in the following severed action: EDMUND WOODBURY, STUART ALLEN SMITH and SHARON SMITH, Individually And On Behalf Of All Others Similarly Situated, v. AIM INTERNATIONAL FUNDS, INC., ET AL., in the Third Judicial Circuit Court for Madison County, Illinois (Case No. 03-L-1253A). The claims made by Plaintiffs and the relief sought in the Woodbury lawsuit are identical to those in the Parthasarathy lawsuit. Based on a recent Federal appellate court decision (the "Kircher" case), AIM and the

other defendants in the Woodbury lawsuit removed the action to Federal District Court (U.S. District Court, Southern District of Illinois, Cause No. 05-CV-302-DRH) on April 22, 2005. This case has been through various procedural steps, including complete dismissal and appeals. The parties were contesting whether the proper venue for this action is the Federal District Court or the Illinois state court. On July 17, 2007, the Court ordered this case remanded back to Illinois State Court. On January 1, 2008, the Court denied defendants' Motion to Dismiss this suit in the Illinois State Court. The parties settled this case and it was dismissed with prejudice on May 6, 2008.

- o JOHN BILSKI, Individually And On Behalf Of All Others Similarly Situated, v. AIM INTERNATIONAL FUNDS, INC., ET AL., in the United States District Court, Southern District of Illinois (East St. Louis) (Case No. 03-772), filed on November 19, 2003. This lawsuit has been transferred to the MDL Court by order of the United States District Court, Southern District of Illinois (East St. Louis).

Private Civil Actions Alleging Improper Mutual Fund Sales Practices and Directed-Brokerage Arrangements

Multiple civil lawsuits, including purported class action and shareholder derivative suits, were filed against various parties (including, depending on the lawsuit, AIM Management, IFG, AIM, AIS and/or certain of the trustees of the AIM Funds) alleging that the defendants improperly used the assets of the AIM Funds to pay brokers to aggressively promote the sale of the AIM Funds over other mutual funds and that the defendants concealed such payments from investors by disguising them as brokerage commissions. These lawsuits alleged a variety of theories of recovery, including but not limited to: (i) violation of various provisions of the Federal securities laws; (ii) breach of fiduciary duty; and (iii) aiding and abetting a breach of fiduciary duty. These lawsuits were filed in Federal courts and sought such remedies as compensatory and punitive damages; rescission of certain Funds' advisory agreements and distribution plans and recovery of all fees paid; an accounting of all fund-related fees, commissions and soft dollar payments; restitution of all unlawfully or discriminatorily obtained fees and charges; and attorneys' and experts' fees. The list below identifies such lawsuits that were served on IFG, AIM, the AIM Funds or related entities, or for which service of process was waived.

By order of the United States District Court for the Southern District of Texas, Houston Division, the claims made in the Beasley, Kehlbeck Trust, Fry, Apu and Bendix lawsuits discussed below were consolidated into the Boyce lawsuit discussed below and these other lawsuits were administratively closed. On September 29, 2006, the Court dismissed with prejudice all claims in the Boyce lawsuit except for the Section 36(b) claim, which Section 36(b) claim was

dismissed with leave to amend to plead it properly as a derivative claim. On December 7, 2006, the plaintiffs in the Boyce lawsuit filed an amended complaint. The amended complaint, which was pleaded as a Section 36(b) derivative claim, included new allegations that the defendants charged excessive fees. All remaining claims in the Boyce lawsuit were dismissed with prejudice by the United States District Court for the Southern District of Texas, Houston Division on September 17, 2007.

- o JOY D. BEASLEY and SHEILA McDAID, Individually and On Behalf of All Others Similarly Situated, v. AIM MANAGEMENT GROUP INC., in the United States District Court for the District of Colorado (Civil Action No. 04-B-0958), filed on May 10, 2004. The plaintiffs voluntarily dismissed this case in Colorado and re-filed it on July 2, 2004 in the United States District Court for the Southern District of Texas, Houston Division (Civil Action H-04-2589).

6

- o RICHARD TIM BOYCE v. AIM MANAGEMENT GROUP INC., ET AL., in the United States District Court for the District of Colorado (Civil Action No. 04-N-0989), filed on May 13, 2004. The plaintiff voluntarily dismissed this case in Colorado and re-filed it on July 1, 2004 in the United States District Court for the Southern District of Texas, Houston Division (Civil Action H-04-2587).
- o KEHLBECK TRUST DTD 1-25-93, BILLY B. KEHLBECK AND DONNA J. KEHLBECK, TTEES v. AIM MANAGEMENT GROUP INC., ET AL., in the United States District Court for the Southern District of Texas, Houston Division (Civil Action No. H-04-2802), filed on July 9, 2004.
- o JANICE R. FRY, ET AL. v. AIM MANAGEMENT GROUP INC., ET AL., in the United States District Court for the Southern District of Texas, Houston Division (Civil Action No. H-04-2832), filed on July 12, 2004.
- o ROBERT P. APU, ET AL. v. AIM MANAGEMENT GROUP INC., ET AL., in the United States District Court for the Southern District of Texas, Houston Division (Civil Action No. H-04-2884), filed on July 15, 2004.
- o HARVEY R. BENDIX, ET AL. v. AIM MANAGEMENT GROUP INC., ET AL., in the United States District Court for the Southern District of Texas, Houston Division (Civil Action No. H-04-3030), filed on July 27, 2004.

More detailed information regarding each of the civil lawsuits identified above, including the parties to the lawsuits and summaries of the various allegations and remedies sought, can be found in the Fund's statement of additional information.

As a result of the matters discussed above, investors in the AIM Funds might react by redeeming their investments. This might require the Funds to sell investments to provide for sufficient liquidity and could also have an adverse effect on the investment performance of the Funds.

MASTER INTERGROUP SUB-ADVISORY CONTRACT
FOR MUTUAL FUNDS

This contract is made as of May 1, 2008, by and among Invesco Aim Advisors, Inc. (the "Advisor") and each of AIM Funds Management Inc., Invesco Asset Management Deutschland GmbH, Invesco Asset Management Limited, Invesco Asset Management (Japan) Ltd., Invesco Australia Limited, Invesco Global Asset Management (N.A.), Inc., Invesco Hong Kong Limited, Invesco Institutional (N.A.), Inc., and Invesco Senior Secured Management, Inc. (each a "Sub-Advisor" and, collectively, the "Sub-Advisors").

WHEREAS:

- A) The Advisor has entered into an investment advisory agreement with AIM Variable Insurance Funds (the "Trust"), an open-end management investment company registered under the Investment Company Act of 1940, as amended (the "1940 Act"), with respect to the funds set forth in Exhibit A attached hereto (each a "Fund");
- B) The Advisor is authorized to delegate certain, any or all of its rights, duties and obligations under investment advisory agreements to sub-advisors, including sub-advisors that are affiliated with the Advisor;
- C) Each Sub-Advisor represents that it is registered with the U.S. Securities and Exchange Commission ("SEC") as an investment advisor under the Investment Advisors Act of 1940 ("Advisors Act") as an investment advisor, or will be so registered prior to providing any services to any of the Funds under this Contract, and engages in the business of acting as an investment advisor; and
- D) The Sub-Advisors and their affiliates have personnel in various locations throughout the world and have been formed in part for the purpose of researching and compiling information and recommendations on the economies of various countries and securities of issuers located in such countries or on various types of investments and investment techniques, and providing investment advisory services in connection therewith.

NOW THEREFORE, in consideration of the promises and the mutual covenants herein contained, it is agreed between the parties hereto as follows:

1. Appointment. The Advisor hereby appoints each Sub-Advisor as a sub-advisor of each Fund for the period and on the terms set forth herein. Each Sub-Advisor accepts such appointment and agrees to render the services herein set forth, for the compensation herein provided.

2. Duties as Sub-Advisor. Subject to paragraph 7 below, the Advisor may, in its discretion, appoint each Sub-Advisor to perform one or more of the following services with respect to all or a portion of the investments of each Fund. The services and the portion of the investments of each Fund to be advised or managed by each Sub-Advisor shall be as agreed upon from time to time by the Advisor and the Sub-Advisors. Each Sub-Advisor shall pay the salaries and fees of all personnel of such Sub-Advisor performing services for the Funds related to research, statistical and investment activities.

(a) Investment Advice. If and to the extent requested by the Advisor, each Sub-Advisor shall provide investment advice to one or more of the Funds and the Advisor with respect to all or a portion of the investments of such Fund(s) or with respect to various investment techniques, and in connection with such advice shall furnish such Fund(s) and the Advisor with such factual information, research reports and investment recommendations as the Advisor may reasonably require.

1

Sub-Item 77Q1(e)

(b) Order Execution. If and to the extent requested by the Advisor, each Sub-Advisor shall place orders for the purchase and sale of portfolio securities or other investments for one or more of the Funds. In so doing, each Sub-Advisor agrees that it shall comply with paragraph 3 below.

(c) Discretionary Investment Management. If and to the extent requested by the Advisor, each Sub-Advisor shall, subject to the supervision of the Trust's Board of Trustees (the "Board") and the Advisor, manage all or a portion of the investments of one or more of the Funds in accordance with the investment objectives, policies and limitations provided in the Trust's Registration Statement and such other limitations as the Trust or the Advisor may impose with respect to such Fund(s) by notice to the applicable Sub-Advisor(s) and otherwise in accordance with paragraph 5 below. With respect to the portion of the investments of a Fund under its management, each Sub-Advisor is authorized to: (i) make investment decisions on behalf of the Fund with regard to any stock, bond, other security or investment instrument, including but not limited to foreign currencies, futures, options and other derivatives, and with regard to borrowing money; (ii) place orders for the purchase and sale of securities or other investment instruments with such brokers and dealers as the Sub-Advisor may select; and (iii) upon the request of the Advisor, provide additional investment management services to the Fund, including but not limited to managing the Fund's cash and cash equivalents and lending securities on behalf of the Fund. In selecting brokers or dealers to execute trades for the Funds, each Sub-Advisor will comply with its written policies and procedures regarding brokerage and trading, which policies and procedures shall have been approved by the Board. All discretionary investment management and any other activities of each Sub-Advisor shall at all times be subject to the control and direction of the Advisor and the Board.

3. Broker-Dealer Relationships. Each Sub-Advisor agrees that, in placing orders with brokers and dealers, it will attempt to obtain the best net result in terms of price and execution. Consistent with this obligation, each Sub-Advisor may, in its discretion, purchase and sell portfolio securities from and to brokers and dealers who sell shares of the Funds or provide the Funds, the Advisor's other clients, or a Sub-Advisor's other clients with research, analysis, advice and similar services. Each Sub-Advisor may pay to brokers and dealers, in return for such research and analysis, a higher commission or spread than may be charged by other brokers and dealers, subject to such Sub-Advisor determining in good faith that such commission or spread is reasonable in terms either of the particular transaction or of the overall responsibility of the Advisor and such Sub-Advisor to the Funds and their other clients and that the total commissions or spreads paid by each Fund will be reasonable in relation to the benefits to the Fund over the long term. In no instance will portfolio securities be purchased from or sold to a Sub-Advisor, or any affiliated person thereof, except in accordance with the applicable securities laws and the rules and regulations thereunder and any exemptive orders currently in effect. Whenever a Sub-Advisor simultaneously places orders to purchase or sell the same security on behalf of a Fund and one or more other accounts advised by such Sub-Advisor, such orders will be allocated as to price and amount among all such accounts in a manner believed to be equitable to each account.

4. Books and Records. Each Sub-Advisor will maintain all required books and records with respect to the securities transactions of the Funds, and will furnish the Board and the Advisor with such periodic and special reports as the Board or the Advisor reasonably may request. Each Sub-Advisor hereby agrees that all records which it maintains for the Advisor are the property of the Advisor, and agrees to preserve for the periods prescribed by applicable law any records which it maintains for the Advisor and which are required to be maintained, and further agrees to surrender promptly to the Advisor any records which it maintains for the Advisor upon request by the Advisor.

5. Further Duties.

(a) In all matters relating to the performance of this Contract, each Sub-Advisor will act in conformity with the Agreement and Declaration of Trust, By-Laws and Registration Statement of the Trust and with the instructions and directions of the Advisor and the Board and will comply with the requirements of the 1940 Act, the rules, regulations, exemptive orders and no-action positions thereunder, and all other applicable laws and regulations.

(b) Each Sub-Advisor shall maintain compliance procedures for the Funds that it and the Advisor reasonably believe are adequate to ensure compliance with the federal securities laws (as

defined in Rule 38a-1 of the 1940 Act) and the investment

objective(s) and policies as stated in the Funds' prospectuses and statements of additional information. Each Sub-Advisor at its expense will provide the Advisor or the Trust's Chief Compliance Officer with such compliance reports relating to its duties under this Contract as may be requested from time to time. Notwithstanding the foregoing, each Sub-Advisor will promptly report to the Advisor any material violations of the federal securities laws (as defined in Rule 38a-1 of the 1940 Act) that it is or should be aware of or of any material violation of the Sub-Advisor's compliance policies and procedures that pertain to the Funds.

(c) Each Sub-Advisor at its expense will make available to the Board and the Advisor at reasonable times its portfolio managers and other appropriate personnel, either in person or, at the mutual convenience of the Advisor and the Sub-Advisor, by telephone, in order to review the investment policies, performance and other investment related information regarding the Funds and to consult with the Board and the Advisor regarding the Funds' investment affairs, including economic, statistical and investment matters related to the Sub-Advisor's duties hereunder, and will provide periodic reports to the Advisor relating to the investment strategies it employs. Each Sub-Advisor and its personnel shall also cooperate fully with counsel and auditors for, and the Chief Compliance Officer of, the Advisor and the Trust.

(d) Each Sub-Advisor will assist in the fair valuation of portfolio securities held by the Funds. The Sub-Advisor will use its reasonable efforts to provide, based upon its own expertise, and to arrange with parties independent of the Sub-Advisor such as broker-dealers for the provision of, valuation information or prices for securities for which prices are deemed by the Advisor or the Trust's administrator not to be readily available in the ordinary course of business from an automated pricing service. In addition, each Sub-Advisor will assist the Funds and their agents in determining whether prices obtained for valuation purposes accurately reflect market price information relating to the assets of the Funds at such times as the Advisor shall reasonably request, including but not limited to, the hours after the close of a securities market and prior to the daily determination of a Fund's net asset value per share.

(e) Each Sub-Advisor represents and warrants that it has adopted a code of ethics meeting the requirements of Rule 17j-1 under the 1940 Act and the requirements of Rule 204A-1 under the Advisors Act and has provided the Advisor and the Board a copy of such code of ethics, together with evidence of its adoption, and will promptly provide copies of any changes thereto, together with evidence of their adoption. Upon request of the Advisor, but in any event no less frequently than annually, each Sub-Advisor will supply the Advisor a written report that (A) describes any issues arising under the code of ethics or procedures since the Sub-Advisor's last report, including but not limited to material violations of the code of ethics or procedures and sanctions imposed in response to the material violations; and (B) certifies that the procedures contained in the Sub-Advisor's code of ethics are reasonably designed to prevent "access persons" from violating the code of ethics.

(f) Upon request of the Advisor, each Sub-Advisor will review draft reports to shareholders and other documents provided or available to it and

provide comments on a timely basis. In addition, each Sub-Advisor and each officer and portfolio manager thereof designated by the Advisor will provide on a timely basis such certifications or sub-certifications as the Advisor may reasonably request in order to support and facilitate certifications required to be provided by the Trust's Principal Executive Officer and Principal Financial Officer and will adopt such disclosure controls and procedures in support of the disclosure controls and procedures adopted by the Trust as the Advisor, on behalf of the Trust, deems are reasonably necessary.

(g) Unless otherwise directed by the Advisor or the Board, each Sub-Advisor will vote all proxies received in accordance with the Advisor's proxy voting policy or, if the Sub-Advisor has a proxy voting policy approved by the Board, the Sub-Advisor's proxy voting policy. Each Sub-Advisor shall maintain and shall forward to the Funds or their designated agent such proxy voting information as is necessary for the Funds to timely file proxy voting results in accordance with Rule 30b1-4 of the 1940 Act.

(h) Each Sub-Advisor shall provide the Funds' custodian on each business day with information relating to all transactions concerning the assets of the Funds and shall provide the Advisor with such information upon request of the Advisor.

Sub-Item 77Q1(e)

6. Services Not Exclusive. The services furnished by each Sub-Advisor hereunder are not to be deemed exclusive and such Sub-Advisor shall be free to furnish similar services to others so long as its services under this Contract are not impaired thereby. Nothing in this Contract shall limit or restrict the right of any director, officer or employee of a Sub-Advisor, who may also be a Trustee, officer or employee of the Trust, to engage in any other business or to devote his or her time and attention in part to the management or other aspects of any other business, whether of a similar nature or a dissimilar nature.

7. Use of Subsidiaries and Affiliates. Each Sub-Advisor may perform any or all of the services contemplated hereunder, including but not limited to providing investment advice to the Funds pursuant to paragraph 2(a) above and placing orders for the purchase and sale of portfolio securities or other investments for the Funds pursuant to paragraph 2(b) above, directly or through such of its subsidiaries or other affiliates, including each of the other Sub-Advisors, as such Sub-Advisor shall determine; provided, however, that performance of such services through such subsidiaries or other affiliates shall have been approved, when required by the 1940 Act, by (i) a vote of a majority of the independent Trustees who are not parties to this Contract or "interested persons" (as defined in the 1940 Act) of a party to this Contract, other than as Board members ("Independent Trustees"), cast in person at a meeting called for the purpose of voting on such approval, and/or (ii) a vote of a majority of that Fund's outstanding voting securities.

8. Compensation.

(a) The only fees payable to the Sub-Advisors under this Contract are for providing discretionary investment management services pursuant to paragraph 2(c) above. For such services, the Advisor will pay each Sub-Advisor a fee, computed daily and paid monthly, equal to (i) 40% of the monthly compensation that the Advisor receives from the Trust pursuant to its advisory agreement with the Trust, multiplied by (ii) the fraction equal to the net assets of such Fund as to which the Sub-Advisor shall have provided discretionary investment management services pursuant to paragraph 2(c) above for that month divided by the net assets of such Fund for that month. This fee shall be payable on or before the last business day of the next succeeding calendar month. This fee shall be reduced to reflect contractual or voluntary fee waivers or expense limitations by the Advisor, if any, in effect from time to time as set forth in paragraph 9 below. In no event shall the aggregate monthly fees paid to the Sub-Advisors under this Contract exceed 40% of the monthly compensation that the Advisor receives from the Trust pursuant to its advisory agreement with the Trust, as reduced to reflect contractual or voluntary fee waivers or expense limitations by the Advisor, if any.

(b) If this Contract becomes effective or terminates before the end of any month, the fees for the period from the effective date to the end of the month or from the beginning of such month to the date of termination, as the case may be, shall be prorated according to the proportion which such period bears to the full month in which such effectiveness or termination occurs.

(c) If a Sub-Advisor provides the services under paragraph 2(c) above to a Fund for a period that is less than a full month, the fees for such period shall be prorated according to the proportion which such period bears to the applicable full month.

9. Fee Waivers and Expense Limitations. If, for any fiscal year of a Fund, the amount of the advisory fee which such Fund would otherwise be obligated to pay to the Advisor is reduced because of contractual or voluntary fee waivers or expense limitations by the Advisor, the fee payable to each Sub-Advisor pursuant to paragraph 8 above shall be reduced proportionately; and to the extent that the Advisor reimburses the Fund as a result of such expense limitations, such Sub-Advisor shall reimburse the Advisor that proportion of such reimbursement payments which the fee payable to each Sub-Advisor pursuant to paragraph 8 above bears to the advisory fee under this Contract.

10. Limitation of Liability of Sub-Advisor and Indemnification. No Sub-Advisor shall be liable for any costs or liabilities arising from any error of judgment or mistake of law or any loss suffered by a Fund or the Trust in connection with the matters to which this Contract relates except a loss resulting from willful misfeasance, bad faith or gross negligence on the part of such Sub-Advisor in the performance by such Sub-Advisor of its duties or from reckless disregard by such

Sub-Advisor of its obligations and duties under this Contract. Any person, even though also an officer, partner, employee, or agent of a Sub-Advisor, who may be or become a Trustee, officer, employee or agent of the Trust, shall be deemed, when rendering services to a Fund or the Trust or acting with respect to any business of a Fund or the Trust, to be rendering such service to or acting solely for the Fund or the Trust and not as an officer, partner, employee, or agent or one under the control or direction of such Sub-Advisor even though paid by it.

11. Duration and Termination.

(a) This Contract shall become effective with respect to each Sub-Advisor upon the later of the date hereabove written and the date that such Sub-Advisor is registered with the SEC as an investment advisor under the Advisors Act, if a Sub-Advisor is not so registered as of the date hereabove written; provided, however, that this Contract shall not take effect with respect to any Fund unless it has first been approved (i) by a vote of a majority of the Independent Trustees, cast in person at a meeting called for the purpose of voting on such approval, and (ii) by vote of a majority of that Fund's outstanding voting securities, when required by the 1940 Act.

(b) Unless sooner terminated as provided herein, this Contract shall continue in force and effect until June 30, 2009. Thereafter, if not terminated, with respect to each Fund, this Contract shall continue automatically for successive periods not to exceed twelve months each, provided that such continuance is specifically approved at least annually (i) by a vote of a majority of the Independent Trustees, cast in person at a meeting called for the purpose of voting on such approval, and (ii) by the Board or by vote of a majority of the outstanding voting securities of that Fund.

(c) Notwithstanding the foregoing, with respect to any Fund(s) or any Sub-Advisor(s), this Contract may be terminated at any time, without the payment of any penalty, (i) by vote of the Board or by a vote of a majority of the outstanding voting securities of such Fund(s) on sixty days' written notice to such Sub-Advisor(s); or (ii) by the Advisor on sixty days' written notice to such Sub-Advisor(s); or (iii) by a Sub-Advisor on sixty days' written notice to the Trust. Should this Contract be terminated with respect to a Sub-Advisor, the Advisor shall assume the duties and responsibilities of such Sub-Advisor unless and until the Advisor appoints another Sub-Advisor to perform such duties and responsibilities. Termination of this Contract with respect to one or more Fund(s) or Sub-Advisor(s) shall not affect the continued effectiveness of this Contract with respect to any remaining Fund(s) or Sub-Advisor(s). This Contract will automatically terminate in the event of its assignment.

12. Amendment. No provision of this Contract may be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by the party against which enforcement of the change, waiver, discharge or termination is sought, and, when required by the 1940 Act, no amendment of this Contract shall

be effective until approved by vote of a majority of the Fund's outstanding voting securities.

13. Notices. Any notices under this Contract shall be in writing, addressed and delivered, telecopied or mailed postage paid, to the other party entitled to receipt thereof at such address as such party may designate for the receipt of such notice. Until further notice to the other party, it is agreed that the address of the Trust and the Advisor shall be 11 Greenway Plaza, Suite 100, Houston, Texas 77046-1173. Until further notice to the other party, it is agreed that the address of each Sub-Advisor shall be set forth in Exhibit B attached hereto.

14. Governing Law. This Contract shall be construed in accordance with the laws of the State of Texas and the 1940 Act. To the extent that the applicable laws of the State of Texas conflict with the applicable provisions of the 1940 Act, the latter shall control.

15. Multiple Sub-Advisory Agreements. This Contract has been signed by multiple parties; namely the Advisor, on one hand, and each Sub-Advisor, on the other. The parties have signed one document for administrative convenience to avoid a multiplicity of documents. It is understood and agreed that this document shall constitute a separate sub-advisory agreement between the Advisor and each Sub-Advisor

Sub-Item 77Q1(e)

with respect to each Fund, as if the Advisor and such Sub-Advisor had executed a separate sub-advisory agreement naming such Sub-Advisor as a sub-advisor to each Fund. With respect to any one Sub-Advisor, (i) references in this Contract to "a Sub-Advisor" or to "each Sub-Advisor" shall be deemed to refer only to such Sub-Advisor, and (ii) the term "this Contract" shall be construed according to the foregoing provisions.

16. Miscellaneous. The captions in this Contract are included for convenience of reference only and in no way define or delimit any of the provisions hereof or otherwise affect their construction or effect. If any provision of this Contract shall be held or made invalid by a court decision, statute, rule or otherwise, the remainder of this Contract shall not be affected thereby. This Contract shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors. Any question of interpretation of any term or provision of this Contract having a counterpart in or otherwise derived from a term or provision of the 1940 Act or the Advisors Act shall be resolved by reference to such term or provision of the 1940 Act or the Advisors Act and to interpretations thereof, if any, by the United States Courts or in the absence of any controlling decision of any such court, by rules, regulations or orders of the SEC issued pursuant to said Acts. In addition, where the effect of a requirement of the 1940 Act or the Advisors Act reflected in any provision of the Contract is revised by rule, regulation or order of the SEC, such provision

shall be deemed to incorporate the effect of such rule, regulation or order.

For and in consideration of the mutual terms and agreements set forth herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Funds and Invesco Aim agree as follows:

1. Each Fund, for itself and its Portfolios, and Invesco Aim agree that until the expiration date, if any, of the commitment set forth on the attached Exhibit "A" occurs, as such Exhibit "A" is amended from time to time, Invesco Aim has agreed that it will not charge any administrative fee under each Portfolio's advisory agreement in connection with securities lending activities without prior approval from the Portfolio's Board (such agreement is referred to as the "Waiver").
