PROXY STATEMENT
WALLSTREET-REVIEW, INC.

ANNUAL MEETING OF STOCKHOLDERS
To Be Held Monday, August 30, 2001

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Wallstreet-Review, Inc., a Florida corporation (the "Company"), to be voted at a ANNUAL MEETING of Stockholders of the Company to be held on Thursday, August 30, 2001 at 9:00 A.M., Eastern time, at 4701 North Federal Hwy. Suite 400, Lighthouse Point, Florida 33064 and at any adjournment thereof (the "Meeting"). The Proxy may be revoked by appropriate written notice at any time before it is exercised. See, "Voting and Solicitation of Proxies".

This Proxy Statement and the accompanying Notice and Form of Proxy are being mailed on or about August 15, 2001 to record holders of the Company's Common Stock as of August 13, 2001 (the "Record Date").

As of Record Date, 22,751,105 shares of Common Stock of the Corporation were issued and outstanding. Each share of Common Stock entitles the holder to one vote on all matters brought before the ANNUAL MEETING.

Wallstreet-Review, Inc. was incorporated on February 17, 1972 in the State of Utah. The principal business of Emery, in conjunction with H&H, was acquisition, operation, and sales of interests in oil and gas, coal, and other mineral properties located principally in the Rocky Mountain region.

Moody (a development stage company) was incorporated in the State of Utah on July 10, 1985. Moody was merged into La Jolla Energy Resources, Inc., an inactive wholly owned subsidiary of Emery, on March 28, 1986. La Jolla then changed its name to Moody. The principal business of Moody was to explore and develop natural resource properties. During the year ended March 31, 1992, Moody Corporation was dissolved. On December 19, 1986, Wallstreet-Review changed its name to Beryllium International Corporation.

Wallstreet-Review.Net, Inc. (a development stage company) was incorporated in the State of Florida on June 18, 1999. Wallstreet-Review.Net, Inc. was merged into Beryllium International Corporation. Wallstreet-Review had no operations in 1999. The acquisition was accounted for as a recapitalization of Wallstreet because the shareholders of Wallstreet controlled Beryllium after the acquisition. Wallstreet was treated as the acquiring entity for accounting purposes and Beryllium was the surviving entity for legal purposes. On November 15, 2000, Wallstreet-Review.Net, Inc. changed its name to Wallstreet-Review, Inc. Wallstreet-Review has elected to change the year end from March 31 to December 31 and its domicile from the State of Utah to the State of Florida. On November 1, 2000, Beryllium held a special shareholders meeting and increased the authorized common stock from 166,666 to 10,166,666 post-split shares.

In addition, Wallstreet-Review's Board of Directors determined to reverse-split Wallstreet-Review's common stock, one share of post-reverse split stock in exchange for 300 shares of pre-reverse split stock and to change Wallstreet-Review's trading symbol on the Over-The-Counter Market (OTC) from BERY to WAL.S.

We are in the business of offering financial consulting services to small companies seeking to become public companies through one or more combinations with primarily inactive publicly held companies, generally companies with little or no commercial operations and current in periodic reporting under the Securities Exchange Act of 1934 or otherwise. We now provide clients with management assistance, participating on the Boards of Directors of its client's companies and acquiring and retaining equity ownership in each case. We also have a wholly-owned subsidiary called WSR Energy Resources, Inc., a Florida Corporation that has majority share ownership in WSR Energy Resources, Inc., a

Delaware Corporation (OTCBB: WSRE) which is in the business of acquiring and developing oil & gas leases.
