Item 5. Other Events

A press release was issued January 12, 1994. The text of that release was as follows:

IMCERA'S MALLINCKRODT SPECIALTY CHEMICALS UNIT SIGNS  
AGREEMENT WITH PHILLIPS PETROLEUM COMPANY FOR PURCHASE OF  
CATALYST RESOURCES, INC.

NORTHBROOK, Illinois, January 12, 1994 -- IMCERA Group Inc. (NYSE:IMA) announced today that its Mallinckrodt Specialty Chemicals Company of Chesterfield, Missouri, has signed an agreement with Phillips Petroleum Company for the purchase of Catalyst Resources, Inc. (CRI), Phillips' catalyst subsidiary. CRI, which manufactures and sells a range of polymerization catalysts, is headquartered in Houston, Texas, and has a manufacturing facility in Pasadena, Texas.

Completion of the proposed sale is contingent upon CRI meeting certain conditions by the anticipated closing date of March 31. No financial terms were disclosed.

Mack G. Nichols, president and chief executive officer of Mallinckrodt Specialty Chemicals Company, said, "The acquisition of CRI enhances our global position in the catalyst industry. It represents a major addition in both sales and technology to our existing catalyst business." Mallinckrodt Specialty Chemicals' current catalyst business is known throughout the world as Calsicat and is located in Erie, Pennsylvania.

IMCERA, a Fortune 250 company with fiscal 1993 net sales of about \$1.8 billion, has two other international, technology-based businesses -- Mallinckrodt Medical of St. Louis, Missouri, and Pitman-Moore of Mundelein, Illinois.

###

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned thereunto duly authorized.
