APPLIED MATERIALS, INC.
NOTES TO CONSOLIDATED CONDENSED FINANCIAL STATEMENTS (Unaudited)
SIX MONTHS ENDED APRIL 30, 2000

1) Basis of Presentation

In the opinion of management, the unaudited interim consolidated condensed financial statements of Applied Materials, Inc. (Applied) included herein have been prepared on a basis consistent with the October 31, 1999 audited consolidated financial statements (as restated) and include all material adjustments, consisting of normal recurring adjustments, necessary to fairly present the information set forth therein. These unaudited interim consolidated condensed financial statements should be read in conjunction with the October 31, 1999 audited consolidated financial statements and notes thereto included in Applied's 1999 Annual Report, which is incorporated by reference in Applied's Form 10-K for the fiscal year ended October 31, 1999.

Applied's results of operations for the three and six months ended April 30, 2000 are not necessarily indicative of future operating results.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ materially from those estimates.

All historical financial information presented herein has been restated to reflect: 1) the acquisition of Etec Systems, Inc. (Etec), which was completed on March 29, 2000 and accounted for as a pooling-of-interests; and 2) a two-for-one stock split in the form of a 100 percent stock dividend, effective March 15, 2000.

During the fourth fiscal quarter of 1999, Applied Komatsu Technology, Inc. (AKT) became a wholly-owned subsidiary of Applied. Previously, AKT was a joint venture, in which Applied had a 50 percent ownership interest, that was accounted for as a discontinued operation. As a result of Applied's acquisition of AKT, certain prior year amounts were reclassified from discontinued operations to continuing operations. These reclassifications had no effect on net income for any affected prior period.

2) Business Combination

On March 29, 2000, Applied acquired Etec, a supplier of mask pattern generating equipment for the semiconductor and electronics industries, in a stock-for-stock merger accounted for as a pooling-of-interests. Applied issued approximately 29 million shares of its common stock in conjunction with this transaction, and recorded a one-time, pre-tax operating expense of \$40 million for costs associated with the merger. Additionally, Applied recorded a one-time, pre-tax operating expense of \$14 million (\$6.5 million in cost of products sold and \$7.5 million in general and administrative expenses) in the second fiscal quarter of 2000 to conform Etec's accounting policies to those of Applied.

Prior to the merger, Etec's fiscal year end (July 31) was different than Applied's (last Sunday in October). Fiscal 1999 amounts included herein for Etec have not been conformed to Applied's fiscal year. Therefore, the three- and six-month periods ended May 2, 1999 include Etec's three- and six-month periods ended January 31, 1999, and the October 31, 1999 consolidated condensed balance sheet includes Etec's balances as of July 31, 1999. Fiscal 2000 amounts included herein for Etec have been conformed to Applied's fiscal year. As a result, Etec's net loss for the three months ended October 31, 1999 has been reflected as an adjustment to retained earnings in the first fiscal quarter of 2000. Etec's net sales and net loss for the three months ended October 31, 1999 were \$43,305,000 and \$708,000, respectively.

Net sales and net income for each company from the beginning of the periods presented to the date of consummation of the merger (March 29, 2000) were as follows (in thousands):

	Three Months Ended		Six Months Ended	
	May 2, 1999	April 30, 2000	May 2, 1999	April 30, 2000

	=====	=====	=====	=====

*

Does not include amounts for the period from March 29, 2000 through April 30, Such amounts have been included with Applied's.

3) Earnings Per Share

Basic earnings per share has been determined using the weighted average number of common shares outstanding during the period. Diluted earnings per share has been determined using the weighted average number of common shares and equivalents (representing the dilutive effect of stock options) outstanding during the period. Applied's net income has not been adjusted for any period presented for purposes of computing basic or diluted earnings per share.

For purposes of computing diluted earnings per share, weighted average common share equivalents do not include stock options with an exercise price that exceeded the average fair market value of Applied's common stock for the period. For the three months ended April 30, 2000, options to purchase approximately 44,000 shares of common stock at an average exercise price of \$98.17 were excluded from the computation, and for the six months ended April 30, 2000, options to purchase approximately 2,462,000 shares of common stock at an average exercise price of \$84.33 were excluded from the computation.

4) Accounts Receivable, Net

Applied has numerous agreements with various financial institutions to sell accounts receivable from selected customers. During the six months ended May 2, 1999 and April 30, 2000, Applied sold \$410 million and \$763 million, respectively, of accounts receivable under these agreements. At April 30, 2000, \$385 million of sold receivables remained outstanding and subject to certain recourse provisions. Applied does not expect these recourse provisions to have a material effect on its financial condition or results of operations. Discounting fees were not material for the three- and six- month periods ended May 2, 1999 or April 30, 2000, and were recorded as interest expense.

5) Inventories

Inventories are stated at the lower of cost or market, with cost determined on a first-in, first-out (FIFO) basis. The components of inventories were as follows (in thousands):

	October 31, 1999	April 30, 2000
	-----	-----
Customer service spares.....	\$267,623	\$341,404
Raw materials.....	124,051	233,209

Finished goods.....	88,480	119,962
	-----	-----
	\$727,107	\$979,751

6) Other Assets

The components of other assets were as follows (in thousands):

	October 31, 1999	April 30, 2000
	-----	-----
Purchased technology, net.....	\$205,667	\$185,449
Goodwill, net.....	162,015	150,945
Other.....	57,839	62,562
	-----	-----

\$425,521	\$398,956
=====	=====

Purchased technology and goodwill are presented at cost, net of accumulated amortization, and are being amortized over their estimated useful lives of five to ten years using the straight-line method. Applied periodically analyzes these assets to determine whether an impairment in carrying value has occurred.

7) Accounts Payable and Accrued Expenses

The components of accounts payable and accrued expenses were as follows (in thousands):

	October 31, 1999	April 30, 2000	
	-----	-----	
Accounts payable.....	\$382,915	\$501,865	
Compensation and benefits.....	302,433	289,474

Other.....	431,409	457,269	
	-----	-----	
	\$1,442,718	\$1,633,690	
	=====	=====	

An accrual of \$7 million for restructuring actions taken in prior years, primarily in fiscal 1998, remains as of April 30, 2000, compared to \$16 million as of October 31, 1999, and is included above in Other. This balance is expected to be utilized in fiscal 2000 in accordance with the restructuring plan.

8) Non-recurring Items

During the first fiscal quarter of 1999, Applied recorded \$5 million of pre-tax, non-recurring operating expenses for costs incurred in connection with its December 1998 acquisition of Consilium, Inc. During the second fiscal quarter of 2000, Applied recorded \$40 million of pre-tax, non-recurring operating expenses for costs incurred in connection with its March 2000 acquisition of Etec.

9) Non-recurring Income

During the first fiscal quarter of 1999, Applied received a \$20 million payment from ASM International, N.V. (ASMI) related to a prior litigation settlement and recorded the amount as non-recurring income. During the second fiscal quarter of 2000, Applied recorded an additional \$68 million of pre-tax, non-operating income related to the ASMI litigation settlement. This amount consisted of: 1) the final cash payment from ASMI of \$35 million related to an outstanding note receivable; and 2) a net gain of \$33 million on the exercise of ASMI warrants and subsequent sale of the resulting shares.

10) Stockholders' Equity

Comprehensive Income

Components of comprehensive income, on an after-tax basis, are as follows (in thousands):

	Three Months Ended		Six Months Ended	
	May 2, 1999	April 30, 2000	May 2, 1999	April 30, 2000

	=====	=====	=====	=====

Accumulated other comprehensive income/(loss) presented in the accompanying consolidated condensed balance sheets consists entirely of foreign currency translation adjustments.

Stock Repurchase Program

Since March 1996, Applied has systematically repurchased shares of its common stock in the open market to partially fund its stock-based employee benefit and incentive plans. During the first six months of fiscal 1999, Applied repurchased 1,090,000 shares of its common stock at an average price of \$18.35, for a total cash outlay of \$20 million. During the six months ended April 30, 2000, Applied repurchased 548,000 shares at an average price of \$77.33, for a total cash outlay of \$42 million.

Stock Dividend

On February 15, 2000, Applied's Board of Directors approved a two-for-one stock split in the form of a 100 percent stock dividend. Shares issuable pursuant to the stock dividend were distributed on March 15, 2000 to stockholders of record as of February 25, 2000. All share and per share amounts presented herein have been restated to reflect the stock split.

11) Segment Information

In fiscal 1999, Applied adopted Statement of Financial Accounting Standards No. 131 (SFAS 131), "Disclosures About Segments of an Enterprise and Related Information." Applied operates in one segment for the manufacture, marketing and servicing of semiconductor wafer fabrication equipment. All material operating units qualify for aggregation under SFAS 131 due to their similar: economic characteristics; nature of products and services; procurement, manufacturing and distribution processes; and customer base. Since Applied operates in one segment, all required information regarding segment revenues, profit and total assets can be obtained from the consolidated condensed financial statements.

12) Recent Accounting Pronouncements

In June 1998, the Financial Accounting Standards Board issued Statement of Financial Accounting Standards No. 133 (SFAS 133), "Accounting for Derivative Instruments and Hedging Activities." Applied will adopt SFAS 133 in the first fiscal quarter of 2001, and does not expect the adoption to have a material effect on its financial condition or results of operations.

In December 1999, the Securities and Exchange Commission issued Staff Accounting Bulletin No. 101 (SAB 101), "Revenue Recognition in Financial Statements." SAB 101 provides guidance on the recognition, presentation and disclosure of revenue in the financial statements. Applied will be required to adopt SAB 101 in the first fiscal quarter of 2001. Management has not yet determined the potential effect of the implementation of SAB 101 on Applied's financial condition or results of operations. However, since the implementation of SAB 101 could result in changes to the timing of Applied's revenue recognition, its effect could be material and adverse to Applied's financial condition and results of operations in the period of implementation.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

Certain information contained in this Quarterly Report on Form 10-Q is forward-looking in nature. All statements included in this Quarterly Report on Form 10-Q or made by management of Applied Materials, Inc. and its subsidiaries (Applied), other than statements of historical fact, are forward-looking statements. Examples of forward-looking statements include statements regarding Applied's future financial results, operating results, business strategies, projected costs, products, competitive positions and plans and objectives of management for future operations. In some cases, forward-looking statements can be identified by terminology such as "may," "will," "should," "would," "expects," "plans," "anticipates," "believes," "estimates," "predicts," "potential," "continue," or the negative of these terms or other comparable terminology. Any expectations based on these forward-looking statements are subject to risks and uncertainties and other important factors, including those discussed in the section below entitled "Trends, Risks and Uncertainties" and in Note 12 of Notes to Consolidated Condensed Financial Statements in this Form 10-Q. Other risks and uncertainties are disclosed in Applied's prior SEC filings, including its Annual Report on Form 10-K for the fiscal year ended October 31, 1999. These and many other factors could affect Applied's future financial and operating results, and could cause actual results to differ materially from expectations based on forward-looking statements made in this document or elsewhere by Applied or on its behalf.

All historical financial information presented herein has been restated to reflect: 1) the acquisition of Etec Systems, Inc. (Etec), which was completed on March 29, 2000 and accounted for as a pooling-of-interests; and 2) a two-for-one stock split in the form of a 100 percent stock dividend, effective March 15, 2000.

Results of Operations

Applied is a supplier of semiconductor manufacturing equipment and services to the semiconductor industry. During the second fiscal quarter of 2000, demand for Applied's products continued to grow as semiconductor manufacturers added capacity and invested in new technology in response to strong demand for communications, server-related and consumer products and the resulting increase in semiconductor use. As a result, Applied's new orders, net sales and net income for the second fiscal quarter of 2000 reached new quarterly records. Historically, the semiconductor and semiconductor manufacturing equipment industries have been cyclical; therefore, Applied's results of operations for the three and six months ended April 30, 2000 may not necessarily be indicative of future operating results.

Applied received new orders of \$2.9 billion for the second fiscal quarter of 2000, versus \$2.5 billion for the first fiscal quarter of 2000 and \$1.5 billion for the second fiscal quarter of 1999. New orders by region were as follows (dollars in millions):

	Three Months Ended			
	January 30, 2000		April 30, 2000	
	(\$)	(%)	(\$)	(%)
North America*	642	26	735	25
Taiwan	616	25	741	25
Japan	352	14	425	15
Europe	286	12	410	14
Korea	332	14	290	10
Asia-Pacific	226	9	327	11
Total	2,454	100	2,928	100

*

Primarily the United States.

The increase in new orders from the first fiscal quarter of 2000 was primarily due to customers' capital spending for capacity, as they strive to meet increased demand for their products. Customers are also continuing to invest in advanced equipment to support 0.18 micron and below applications and new materials such as copper. Applied's backlog at April 30, 2000 was \$3.2 billion, compared to \$2.4 billion at January 30, 2000 and \$1.7 billion at October 31, 1999.

Net sales for the second fiscal quarter of 2000 increased 27 percent from the first fiscal quarter of 2000, and increased 87 percent from the second fiscal quarter of 1999. Net sales for the six months ended April 30, 2000 increased 96 percent from the comparable period in 1999. The increase from the first fiscal quarter of 2000 was due primarily to the factors mentioned in the preceding paragraph. Business volume was lower in the first half of fiscal 1999 than in fiscal 2000 because the semiconductor and semiconductor manufacturing equipment industries were just beginning to recover from a severe industry downturn that began in early-to-mid 1998. Net sales increased significantly from the comparable periods in fiscal 1999 as the industry recovered from the downturn and entered a new period of growth, driven by customer investments in both capacity and advanced technology to meet rising demand. Net sales by region were as follows (dollars in millions):

Applied's gross margin was 50.1 percent for the second fiscal quarter of 2000, compared to 49.8 percent for the first fiscal quarter of 2000 and 46.3 percent for the second fiscal quarter of 1999. Gross margin for the first six months of fiscal 2000 was 50.0 percent, compared to 45.3 percent for the first half of fiscal 1999. Increases from prior year periods were caused primarily by higher business volume. During the second fiscal quarter of 2000, Applied recorded a one-time, pre-tax expense of \$6.5 million in cost of products sold to conform Etec's accounting policies to those of Applied.

Excluding non-recurring items, operating expenses were 22 percent of net sales for the three months ended April 30, 2000, compared to 30 percent for the second fiscal quarter of 1999, and 23 percent of sales for the first six months of fiscal 2000, compared to 32 percent for the first half of fiscal 1999. The decreases can be attributed primarily to increased business volume in fiscal 2000. In terms of absolute dollars, operating expenses for the three and six months ended April 30, 2000 were higher than those for the comparable periods of fiscal 1999. Research and development spending increased primarily for the development of: 1) equipment for 300mm wafer processing; 2) copper applications; and 3) other advanced processes and technologies. Marketing, selling, general and administrative expenses increased to support Applied's increased business volume. During the second fiscal quarter of 2000, Applied recorded a one-time, pre-tax operating expense of \$7.5 million in general and administrative expenses to conform Etec's accounting policies to those of Applied.

Non-recurring items for the second fiscal quarter of 2000 consisted of \$40 million of pre-tax operating expenses incurred in connection with the acquisition of Etec.

Non-recurring income for the second fiscal quarter of 2000 resulted from Applied's prior settlement of all outstanding litigation with ASM International, N.V. For further details, see Note 9 of Notes to Consolidated Condensed Financial Statements in this Form 10-Q.

Net interest income for the three and six months ended April 30, 2000 was \$28 million and \$54 million, respectively, compared to \$13 million and \$27 million for the comparable periods of fiscal 1999. The increases can be attributed primarily to higher average cash and investment balances.

Applied's effective income tax rate for the three months ended April 30, 2000 was 30 percent, compared to 31 percent for the three months ended May 2, 1999. The lower rate resulted primarily from a shift in the geographic composition of pre-tax income to entities operating in countries with lower tax rates.

Financial Condition, Liquidity and Capital Resources

Applied's financial condition at April 30, 2000 remained strong, with a ratio of current assets to current liabilities of 3.4:1, compared to 3.1:1 at October 31, 1999. Applied had cash, cash equivalents and short-term investments of \$3.4 billion at April 30, 2000.

For the six months ended April 30, 2000, cash, cash equivalents and short-term investments increased by \$555 million. Significant sources of cash were net income (excluding depreciation and amortization expense), an increase in accounts payable and accrued expenses, and proceeds from stock issuances. These sources of cash were partially offset by uses of working capital, particularly increases in accounts receivable and inventories, required to support Applied's increased business volume. For further details, see the Consolidated Condensed Statements of Cash Flows in this Form 10-Q.

Applied utilized programs to sell accounts receivable of \$763 million during the first half of fiscal 2000. These receivable sales had the effect of increasing cash and reducing accounts receivable and days sales outstanding. For further details regarding accounts receivable sales, see Note 4 of Notes to Consolidated Condensed Financial Statements in this Form 10-Q.

As of April 30, 2000, Applied's principal sources of liquidity consisted of \$3.4 billion of cash, cash equivalents and short-term investments and approximately \$625 million of existing credit facilities. Applied's liquidity is affected by many factors, some of which are based on the normal ongoing operations of the business, and others of which relate to the uncertainties of global economies and the semiconductor and semiconductor equipment industries. Although Applied's cash requirements fluctuate based on the timing and extent of these factors, Applied believes that cash generated from operations, together with the liquidity provided by existing cash balances and borrowing capability, will be sufficient to satisfy liquidity requirements for the next 12 months.

Trends, Risks and Uncertainties

The industry that Applied serves is highly volatile and unpredictable.

The semiconductor industry has historically been cyclical because of sudden changes in semiconductor supply and demand, and corresponding pricing. The health of the semiconductor manufacturing equipment industry is affected by these semiconductor industry cycles, the timing, length and severity of which are difficult to predict. Although semiconductors are used in many different products, the markets for those products are interrelated to various degrees. During periods of rapid growth, Applied must be able to acquire and/or develop sufficient manufacturing capacity and inventory to meet customer demand, and to attract, hire, assimilate and retain a sufficient number of qualified people. During periods of declining demand for semiconductor manufacturing equipment, customers may reduce purchases, delay delivery of products and/or cancel orders. Therefore, Applied must be able to quickly and effectively align its cost structure with prevailing market conditions, to manage its inventory levels in order to reduce the possibility of future inventory write-downs resulting from obsolescence, and to motivate and retain key employees. If Applied is unable to achieve its objectives in a timely manner during these industry cycles, there could be a material adverse effect on its financial condition and results of operations.

Applied operates in a highly competitive industry characterized by increasingly rapid technological changes.

Applied's competitive advantage and future success depend on its ability to successfully develop new products and technologies, develop new markets in the semiconductor industry for its products and services, introduce new products to the marketplace in a timely manner, qualify new products with its customers, and commence and adjust production to meet customer demands. The introduction of new products and technologies grows increasingly complex over time. If Applied does not develop and introduce new products and technologies in a timely manner in response to changing market conditions or customer requirements, its financial condition and results of operations could be materially and adversely affected.

Applied is exposed to the risks of operating a global business.

Managing Applied's global operations presents challenges that could materially and adversely affect demand for Applied's systems and related services. These challenges include cultural diversities, periodic economic downturns (such as the Asian economic crisis in fiscal 1998), trade balance issues, political instability and fluctuations in interest and currency exchange rates, among other risks.

Applied is exposed to risks associated with acquisitions.

Applied has made, and may in the future make, acquisitions of, or significant investments in, businesses with complementary products, services and/or technologies. Acquisitions involve numerous risks, including, but not limited to: 1) difficulties and increased costs in connection with integration of the personnel, operations, technologies and products of acquired companies; 2) diversion of management's attention from other operational matters; 3) the potential loss of key employees of acquired companies; 4) lack of synergy, or the inability to realize expected synergies, resulting from the acquisition; and 5) acquired intangible assets becoming impaired as a result of technological advancements or worse-than-expected performance of the

acquired company. In addition, the Financial Accounting Standards Board has indicated that they plan to rescind the pooling-of-interests method of acquisition accounting. This could result in significant charges resulting from amortization of intangible assets recorded in connection with future acquisitions, and may alter Applied's acquisition strategy. Mergers and acquisitions, including Applied's acquisition of Etec, are inherently risky and the inability to effectively manage these risks could materially and adversely affect Applied's business, financial condition and results of operations.

Failure of critical suppliers to deliver sufficient quantities of product in a timely and cost-effective manner could negatively affect Applied's business.

Applied uses numerous vendors to supply parts, components and subassemblies (collectively "parts") for the manufacture and support of its products. Although Applied makes reasonable efforts to ensure that parts are available from multiple suppliers, this is not always possible; accordingly, some key parts may be obtained only from a single supplier or a limited group of suppliers. There can be no assurance that Applied's results of operations will not be materially and adversely affected if, in the future, Applied does not receive in a timely and cost-effective manner a sufficient quantity of parts to meet its production requirements.

Applied is exposed to various risks related to legal proceedings or claims.

Applied currently is, and in the future may be, involved in legal proceedings or claims regarding patent infringement, intellectual property rights, antitrust, environmental regulations, contracts and other matters (see Part II below). These legal proceedings and claims, whether with or without merit, could be time-consuming and expensive to defend, and could divert management's attention and resources. There can be no assurance regarding the outcome of current or future legal proceedings or claims. If Applied is not able to resolve a claim, negotiate a settlement of the matter, obtain necessary licenses on commercially reasonable terms, and/or successfully prosecute or defend its position, Applied's financial condition and results of operations could be materially and adversely affected.

Applied is subject to risks of non-compliance with environmental regulations.

Applied is subject to environmental regulations in connection with its business operations, including but not limited to regulations related to the development, manufacturing and use of its products. From time to time, Applied receives notices alleging violations of these regulations. It is Applied's policy to respond promptly to these notices and to take any necessary corrective actions. Failure or inability to comply with existing or future environmental regulations could result in significant remediation liabilities, the imposition of fines and/or the suspension or termination of development, manufacturing or use, each of which could have a material adverse effect on Applied's financial condition and results of operations.

Manufacturing interruptions or delays could affect Applied's ability to meet customer demand.

Applied's business depends on its ability to manufacture products that meet the rapidly changing demands of its customers. Significant interruptions of manufacturing operations as a result of natural disasters, software issues, infrastructure failure, or other cause, could result in delayed product deliveries or manufacturing inefficiencies, any or all of which could materially and adversely affect Applied's financial condition and results of operations.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

Applied purchases forward exchange and currency option contracts to hedge certain existing firm commitments and foreign currency denominated transactions expected to occur during the next year. Gains and losses on these contracts are recognized in income when the related transactions being hedged are recognized. Because the effect of movements in currency exchange rates on forward exchange and currency option contracts generally offsets the related effect on the underlying items being hedged, these financial instruments are not expected to subject Applied to risks that would otherwise result from changes in currency exchange rates. Net foreign currency gains and losses were not material for the three or six months ended April 30, 2000.

Applied has performed an analysis to assess the potential financial effect of reasonably possible near-term changes in interest and foreign currency exchange rates. Based upon Applied's analysis, the effect of such rate changes is not expected to be material to Applied's cash flows, financial condition or results of operations.

PART II. OTHER INFORMATION

Item 1. Legal Proceedings

Varian and Novellus

On June 13, 1997, Applied filed a lawsuit against Varian Associates, Inc. (Varian) captioned Applied Materials, Inc. v. Varian Associates, Inc. (case no. C-97-20523-RMW) in the United States District Court for the Northern District of California, alleging infringement of several of Applied's patents concerning physical vapor deposition (PVD) technology. The complaint was later amended on July 7, 1997 to include Novellus Systems, Inc. (Novellus) as a defendant as a result of Novellus' acquisition of Varian's thin film systems PVD business. Applied seeks damages for past infringement, a permanent injunction, treble damages for willful infringement, pre-judgment interest and attorneys' fees. Varian answered the complaint by denying all allegations, counterclaiming for declaratory judgment of invalidity and unenforceability and alleging conduct by Applied in violation of antitrust laws. On June 23, 1997, Novellus filed a separate lawsuit against Applied captioned Novellus Systems, Inc. v. Applied Materials, Inc. (case no. C-97-20551-EAI) in the United States District Court for the Northern District of California, alleging infringement by Applied of three PVD technology patents that were formerly owned by Varian. On July 8, 1997, Varian filed a separate lawsuit against Applied captioned Varian Associates, Inc. v. Applied Materials, Inc. (case no. C-97-20597-PVT) in the United States District Court for the Northern District of California, alleging a broad range of conduct in violation of federal antitrust laws and state unfair competition and business practice laws. On July 16, 1999, Varian was granted permission to file a First Amended Complaint in that action. On November 8, 1999, the Court granted in part Applied's partial motion to dismiss the First Amended Complaint. On December 10, 1999, Varian filed its Second Amended Complaint and Applied has answered. Discovery has commenced in these actions. The Court has scheduled trial of all patent claims for April 2001. No other trial dates have been set. Applied believes it has meritorious claims and defenses and intends to pursue them vigorously.

OKI

In November 1997, OKI Electric Industry, Co., Ltd. (OKI) filed suit against Applied's subsidiary, Applied Materials Japan (AMJ), in Tokyo District Court in Japan, alleging that AMJ is obligated to pay OKI relating to license payments OKI made to a third party. In February 2000, the dispute was resolved on mutually acceptable terms and conditions, and the case was dismissed on March 17, 2000.

Plasma Physics

On April 17, 2000, Applied filed a lawsuit in the United States District Court for the Eastern District of New York captioned Applied Materials, Inc. v. Plasma Physics Corp. ("PPC") and Solar Physics Corp. ("SPC") (case no. CV- 00-2199). The lawsuit seeks a judicial declaration that Applied's chemical vapor deposition equipment does not infringe two patents owned by PPC and exclusively licensed to SPC and/or that those patents are invalid or unenforceable. PPC and SPC are expected to respond to Applied's lawsuit shortly. No trial date or other deadlines have been set.

Applied is subject to various other legal proceedings and claims, either asserted or unasserted, that arise in the ordinary course of business. Although the outcome of these claims cannot be predicted with certainty, Applied does not believe that any of these other legal matters will have a material adverse effect on its financial condition or results of operations.

Item 4. Submission of Matters to a Vote of Security Holders

The Annual Meeting of Stockholders was held on March 21, 2000 in San Jose, California. Nine incumbent directors were re-elected and one new director was elected without opposition to serve one-year terms in office. The results of this election were as follows:

On a proposal to amend Applied's Certificate of Incorporation to increase the number of shares of common stock authorized for issuance from 1,100,000,000 to 2,500,000,000, there were 570,927,532 votes cast in favor, 89,413,234 votes cast against, 2,214,018 abstentions and 64,400 broker non-votes. 1. The affirmative vote of the holders of not less than sixty-six and sixty-seven hundredths percent (66.67%) of the outstanding shares of "Voting Stock" (as hereinafter defined) shall be required for the approval or authorization of any "Business Combination" (as hereinafter defined) of this corporation or any subsidiary of this corporation with any "Related Person" (as hereinafter defined), notwithstanding the fact that no vote may be required or that a lesser percentage may be specified by law, in any agreement with any national securities exchange or otherwise; provided, however, that the sixty-six and sixty-seven hundredths percent (66.67%) voting requirement shall not be applicable and such Business Combination shall require only such affirmative vote as is required by law, any agreement with any national securities exchange or otherwise if:

(a) The "Continuing Directors" (as hereinafter defined) of this corporation by at least a majority vote have expressly approved such Business Combination either in advance of or subsequent to such Related Person becoming a Related Person; or

(b) All of the following conditions are met:

(i) The cash or "Fair Market Value" (as hereinafter defined) as of the date of the consummation of the Business Combination (the "Combination Date") of the property, securities or other consideration to be received per share by holders of a particular class or series of capital stock, as the case may be, of this corporation in the Business Combination is not less than the highest of:

(A) the highest per share price (including brokerage commissions, transfer taxes and soliciting dealers' fees) paid by or on behalf of the Related Person in acquiring beneficial ownership of any of its holdings of such class or series of capital stock of this corporation (i) within the two-year period immediately prior to the Combination Date or (ii) in the transaction or series of transactions in which the Related Person became a Related Person, whichever is higher; or

(B) the Fair Market Value per share of the shares of

capital stock being acquired in the Business Combination (i) as of the Combination Date or (ii) the date on which the Related Person became a Related Person, whichever is higher; or

(C) in the case of Common Stock, the per share book value of the Common Stock as reported at the end of the fiscal quarter immediately prior to the Combination Date, and in the case of Preferred Stock, the highest preferential amount per share to which the holders of shares of such class or series of Preferred Stock would be entitled in the event of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the corporation, regardless of whether the Business Combination to be consummated constitutes such an event.

The provision of this paragraph 1(b)(i) shall be required to be met with respect to every class or series of outstanding capital stock, whether or not the Related Person has previously acquired any shares of a particular class or series of capital stock. In all of the above instances, appropriate adjustments shall be made for recapitalizations and for stock dividends, stock splits and like distributions; and

(ii) The consideration to be received by holders of a particular class or series of capital stock shall be in cash or in the same form as previously has been paid by or on behalf of the Related Person in connection with its direct or indirect acquisition of beneficial ownership of shares of such class or series of stock. If the consideration so paid for any such shares varied as to form, the form of consideration for such shares shall be either cash or the form used to acquire beneficial ownership of the largest number of shares of such class or series of capital stock previously acquired by the Related Person; and

(iii) After such Related Person has become a Related Person and prior to the consummation of such Business Combination: (a) except as approved by a majority of the Continuing Directors, there shall have been no failure to declare and pay at the regular date therefor any full quarterly dividends (whether or not cumulative) on the outstanding Preferred Stock; (b) there shall have been (1) no reduction in the annual rate of dividends paid on the Common Stock (except as necessary to reflect any subdivision of the Common Stock), except as approved by a majority of the Continuing Directors, and (2) an increase in such annual rate of dividends as necessary to reflect any reclassification (including any reverse stock split), recapitalization, reorganization or any similar transaction which has the effect of reducing the number of outstanding shares of the Common Stock, unless the failure so to increase such annual rate is approved by a majority of the Continuing Directors; and (c) such Related Person shall have not become the beneficial owner of any additional shares of Voting Stock except as part of the transaction which results

in such Related Person becoming a Related Person; and

(iv) After such Related Person has become a Related Person, such Related Person shall not have received the benefit, directly or indirectly (except as proportionately as a stockholder), of any loans, advances, guarantees, pledges or other financial assistance or any tax credits or other tax advantages provided by the corporation, whether in anticipation of or in connection with such Business Combination or otherwise; and

(v) A proxy or information statement describing the proposed Business Combination and complying with the requirements of the Securities Exchange Act of 1934 and the rules and regulations thereunder (or any subsequent provisions replacing such Act, rules or regulations) shall be mailed to public stockholders of the corporation at least 30 days prior to the consummation of such Business Combination (whether or not such proxy or information statement is required to be mailed pursuant to such Act or subsequent provisions).

2. For purposes of this Article NINTH:

If a majority of the Continuing Directors is not able to determine the price at which a Related Person has acquired a share of Voting Stock of this corporation, such price shall be deemed to be the Fair Market Value of the shares in question at the time when the Related Person became the beneficial owner thereof. With respect to shares owned by Affiliates, Associates or other persons whose ownership is attributed to a Related Person under the foregoing definition of Related Person, the price deemed to be paid therefor by such Related Person shall be the price paid upon the acquisition thereof by such Affiliate, Associate or other person, or, if such price is not determinable by a majority of the Continuing Directors, the Fair Market Value of the shares in question at the time when the Affiliate, Associate or other such person became the beneficial owner thereof.

3. The fact that any Business Combination complies with the provisions of paragraph 1(b) of this Article NINTH shall not be construed to impose any fiduciary duty, obligation or responsibility on the Board of Directors, or any member thereof, to approve such Business Combination or recommend its adoption or approval to the shareholders of this corporation, nor shall such compliance limit, prohibit or otherwise restrict in any manner the Board of Directors, or any member thereof, with respect to evaluations of or actions and responses taken with respect to such Business Combination.

4. A majority of the Continuing Directors of the corporation shall have the power and duty to determine for the purposes of this Article NINTH, on the basis of information known to them after reasonable inquiry, (A) whether a person is a Related Person, (B) the number of shares of Voting Stock beneficially owned by any person, and (C) whether a person is an Affiliate or Associate of another. A majority of the Continuing Directors of the corporation shall have the further power to interpret all of the terms and provisions of this Article NINTH.

TENTH: A director of the corporation shall not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the Delaware General Corporation Law, or (iv) for any transaction from which the director derived an improper personal benefit.

ELEVENTH:

1. Each person who was or is made a party or is threatened to be made a party to or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (hereinafter a "proceeding"), by reason of the fact that he or she, or a person of whom he or she is the legal representative, is or was a director, officer, employee or agent, of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, whether the basis of such proceeding is alleged action in an official capacity as a director, officer, employee or agent or in any other capacity while serving as a director, officer, employee or agent, shall be indemnified and held harmless by the corporation to the fullest extent authorized by the Delaware General Corporation Law, against all expense, liability and loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement) reasonably incurred or suffered by such person in connection therewith and such indemnification shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of his or her heirs, executors and administrators; provided, however, that, except as provided in paragraph 2 hereof, the corporation shall indemnify any such person seeking indemnification in connection with a proceeding (or part thereof) initiated by such person only if such proceeding (or part thereof) was authorized by the Board of Directors of the corporation. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking, if any is required, has been tendered to the corporation) that the claimant has not met the standards of conduct which make it permissible under the Delaware General Corporation Law for the corporation to indemnify the claimant for the amount claimed.

3. The right to indemnification conferred in this Article shall not be exclusive of any other right which any person may have or hereafter acquire under any statute, provision of the Certificate of Incorporation, bylaw, agreement, vote of stockholders or disinterested directors or otherwise.

4. The corporation may maintain insurance, at its expense, to protect itself and any director, officer, employee or agent of the corporation or another corporation, partnership, joint venture, trust or other enterprise against any such expense, liability or loss, whether or

not the corporation would have the power to indemnify such person against such expense, liability or loss under the Delaware General Corporation Law.

TWELFTH: The corporation reserves the right to amend, alter, change or repeal any provision contained in this Certificate of Incorporation, in the manner now or hereafter prescribed by statute, and all rights conferred on stockholders herein are granted subject to this reservation. Notwithstanding the foregoing, the provisions set forth in Articles NINTH, TENTH, ELEVENTH and TWELFTH may not be amended or repealed in any respect unless such amendment or repeal is approved by the affirmative vote of not less than sixty-six and sixty-seven hundredths percent (66.67%) of the total voting power of all outstanding shares of stock in this corporation entitled to vote thereon.

THE UNDERSIGNED, being the incorporator hereinbefore named, for the purpose of forming a corporation to do business both within and without the State of Delaware, and in pursuance of the Delaware Corporation Law, does hereby make and file this Certificate.

(c) Each Notice of Revolving Credit Borrowing shall be irrevocable and binding on the Borrower.

(d) Unless the Agent shall have received notice from a Lender prior to the date of any Revolving Credit Borrowing that such Lender will not make available to the Agent such Lender's ratable portion of such Revolving Credit Borrowing, the Agent may assume that such Lender has made such portion available to the Agent on the date of such Revolving Credit Borrowing in accordance with subsection (a) of this Section 2.02 and the Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If and to the extent that such Lender shall not have so made such ratable portion available to the Agent, such Lender and the Borrower severally agree to repay to the Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Agent, at (i) in the case of the Borrower, the interest rate applicable at the time to Revolving Credit Advances comprising such Revolving Credit Borrowing and (ii) in the case of such Lender, the Federal Funds Rate. If such Lender

shall repay to the Agent such corresponding amount, such amount so repaid shall constitute such Lender's Revolving Credit Advance as part of such Revolving Credit Borrowing for purposes of this Agreement.

(e) The failure of any Lender to make the Revolving Credit Advance to be made by it as part of any Revolving Credit Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Revolving Credit Advance on the date of such Revolving Credit Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Revolving Credit Advance to be made by such other Lender on the date of any Revolving Credit Borrowing.

SECTION 2.03. The Competitive Bid Advances. (a) Each Lender severally agrees that the Borrower may make Competitive Bid Borrowings under this Section 2.03 from time to time on any Business Day during the period from the date hereof until the date occurring 30 days prior to the Termination Date in the manner set forth below; provided that, following the making of each Competitive Bid Borrowing, the aggregate amount of the Advances then outstanding shall not exceed the aggregate amount of the Commitments of the Lenders (computed without regard to any Competitive Bid Reduction).

(i) The Borrower may request a Competitive Bid Borrowing under this Section 2.03 by delivering to the Agent, by telecopier or telex, a notice of a Competitive Bid Borrowing (a "Notice of Competitive Bid Borrowing"), in substantially the form of Exhibit B-2 hereto, specifying therein the requested (v) date of such proposed Competitive Bid Borrowing, (w) aggregate amount of such proposed Competitive Bid Borrowing, (x) in the case of a Competitive Bid Borrowing consisting of LIBO Rate Advances, Interest Period, or in the case of a Competitive Bid Borrowing consisting of Fixed Rate Advances, maturity date for repayment of each Fixed Rate Advance to be made as part of such Competitive Bid Borrowing (which maturity date may not be earlier than the date occurring 30 days after the date of such Competitive Bid Borrowing or later than the Termination Date), (y) interest payment date or dates relating thereto, and (z) other terms (if any) to be applicable to such Competitive Bid Borrowing, not later than 11:00 A.M. (New York City time) (A) at least one Business Day prior to the date of the proposed Competitive Bid Borrowing, if the Borrower shall specify in the Notice of Competitive Bid Borrowing that the rates of interest to be offered by the Lenders shall be fixed rates per annum (the Advances comprising any such Competitive Bid Borrowing being referred to herein as "Fixed Rate Advances") and (B) at least four Business Days prior to the date of the proposed Competitive Bid Borrowing, if the Borrower shall instead specify in the Notice of Competitive Bid Borrowing that the Advances comprising such Competitive Bid Borrowing shall be LIBO Rate Advances. The Agent shall in turn promptly notify each Lender of each request for a Competitive Bid Borrowing received by it from the Borrower by sending such Lender a copy of the related Notice of Competitive Bid Borrowing.

(ii) Each Lender may, if, in its sole discretion, it elects to do so, irrevocably offer to make one or more Competitive Bid Advances to the Borrower as part of such proposed Competitive Bid Borrowing at a rate or rates of interest specified by such Lender in its sole discretion, by notifying the Agent (which shall give prompt notice thereof to the Borrower), (A) before 9:30 A.M. (New York City time) on the date of such proposed Competitive Bid Borrowing, in the case of a Competitive Bid Borrowing consisting of Fixed Rate Advances, (B) before 10:00 A.M. (New York City time) three Business Days before the date of such proposed Competitive Bid Borrowing, in the case of a Competitive Bid Borrowing consisting of LIBO Rate Advances, of the minimum amount

and maximum amount of each Competitive Bid Advance which such Lender would be willing to make as part of such proposed Competitive Bid Borrowing (which amounts of such proposed Competitive Bid Advances may, subject to the proviso to the first sentence of this Section 2.03(a), exceed such Lender's Commitment), the rate or rates of interest therefor and such Lender's Applicable Lending Office with respect to such Competitive Bid Advance; provided that if the Agent in its capacity as a Lender shall, in its sole discretion, elect to make any such offer, it shall notify the Borrower of such offer at least 30 minutes before the time and on the date on which notice of such election is to be given to the Agent by the other Lenders. If any Lender shall elect not to make such an offer, such Lender shall so notify the Agent before 10:00 A.M. (New York City time) by the other Lenders, and such Lender shall not be obligated to, and shall not, make any Competitive Bid Advance as part of such Competitive Bid Borrowing; provided that the failure by any Lender to give such notice shall not cause such Lender to be obligated to make any Competitive Bid Advance as part of such proposed Competitive Bid Borrowing.

(iii) The Borrower shall, in turn, (A) before 11:00 A.M. (New York City time) on the date of such proposed Competitive Bid Borrowing, in the case of a Competitive Bid Borrowing consisting of Fixed Rate Advances, (B) before 12:00 noon (New York City time) three Business Days before the date of such proposed Competitive Bid Borrowing, in the case of a Competitive Bid Borrowing consisting of LIBO Rate Advances, either:

(x) cancel such Competitive Bid Borrowing by giving the Agent notice to that effect, or

(y) accept one or more of the offers made by any Lender or Lenders pursuant to paragraph (ii) above, in its sole discretion, by giving notice to the Agent of the amount of each Competitive Bid Advance (which amount shall be equal to or greater than the minimum amount, and equal to or less than the maximum amount, notified to the Borrower by the Agent on behalf of such Lender for such Competitive Bid Advance pursuant to paragraph (ii) above) to be made by each Lender as part of such Competitive Bid Borrowing, and reject any remaining offers made by Lenders pursuant to paragraph (ii) above by giving the Agent notice to that effect. The Borrower shall accept the offers made by any Lender or Lenders to make Competitive Bid Advances in order of the lowest to the highest rates of interest offered by such Lenders. If two or more Lenders have offered the same interest rate, the amount to be borrowed at such interest rate will be allocated among such Lenders in proportion to the amount that each such Lender offered at such interest rate.

(iv) If the Borrower notifies the Agent that such Competitive Bid Borrowing is cancelled pursuant to paragraph (iii)(x) above, the Agent shall give prompt notice thereof to the Lenders and such Competitive Bid Borrowing shall not be made.

(v) If the Borrower accepts one or more of the offers made by any Lender or Lenders pursuant to paragraph (iii)(y) above, the Agent, shall in turn promptly notify (A) each Lender that has made an offer as described in paragraph (ii) above, of the date and aggregate amount of such Competitive Bid Borrowing and whether or not any offer or offers made by such Lender pursuant to paragraph (ii) above have been accepted by the Borrower, (B) each Lender that is to make a Competitive Bid Advance as part of such Competitive Bid Borrowing, of the amount of each

Competitive Bid Advance to be made by such Lender as part of such Competitive Bid Borrowing, and (C) each Lender that is to make a Competitive Bid Advance as part of such Competitive Bid Borrowing, upon receipt, that the Agent has received forms of documents appearing to fulfill the applicable conditions set forth in Article III. Each Lender that is to make a Competitive Bid Advance as part of such Competitive Bid Borrowing shall, before 11:00 A.M. (New York City time) on the date of such Competitive Bid Borrowing specified in the notice received from the Agent pursuant to clause (A) of the preceding sentence or any later time when such Lender shall have received notice from the Agent pursuant to clause (C) of the preceding sentence, make available for the account of its Applicable Lending Office to the Agent at its address referred to in Section 8.02, in same day funds, such Lender's portion of such Competitive Bid Borrowing. Upon fulfillment of the applicable conditions set forth in Article III and after receipt by the Agent of such funds, the Agent will make such funds available to such Borrower at the location specified by such Borrower in its Notice of Competitive Bid Borrowing. Promptly after each Competitive Bid Borrowing the Agent will notify each Lender of the amount of the Competitive Bid Borrowing, the consequent Competitive Bid Reduction and the dates upon which such Competitive Bid Reduction commenced and will terminate.

(vi) If the Borrower notifies the Agent that it accepts one or more of the offers made by any Lender or Lenders pursuant to paragraph (iii)(y) above, such notice of acceptance shall be irrevocable and binding on the Borrower.

(b) Each Competitive Bid Borrowing shall be in an aggregate amount of \$10,000,000 or an integral multiple of \$1,000,000 in excess thereof and, following the making of each Competitive Bid Borrowing, the Borrower shall be in compliance with the limitation set forth in the proviso to the first sentence of subsection (a) above.

(c) Within the limits and on the conditions set forth in this Section 2.03, the Borrower may from time to time borrow under this Section 2.03, repay or prepay pursuant to subsection (d) below, and reborrow under this Section 2.03, provided that a Competitive Bid Borrowing shall not be made within three Business Days of the date of any other Competitive Bid Borrowing.

(d) The Borrower shall repay to the Agent for the account of each Lender that has made a Competitive Bid Advance, on the maturity date of each Competitive Bid Advance (such maturity date being that specified by the Borrower for repayment of such Competitive Bid Advance in the related Notice of Competitive Bid Borrowing delivered pursuant to subsection (a)(i) above and provided in the Competitive Bid Note evidencing such Competitive Bid Advance), the then unpaid principal amount of such Competitive Bid Advance. The Borrower shall have no right to prepay any principal amount of any Competitive Bid Advance unless, and then only on the terms, specified by the Borrower for such Competitive Bid Advance in the related Notice of Competitive Bid Borrowing delivered pursuant to subsection (a)(i) above and set forth in the Competitive Bid Note evidencing such Competitive Bid Advance.

(e) The Borrower shall pay interest on the unpaid principal amount of each Competitive Bid Advance from the date of such Competitive Bid Advance to the date the principal amount of such Competitive Bid Advance is repaid in full, at the rate of interest for such Competitive Bid Advance specified by the Lender making such Competitive Bid Advance in its notice with respect thereto delivered pursuant to subsection (a)(ii) above, payable on the interest payment date or dates specified by the Borrower for such Competitive Bid Advance in the related Notice of Competitive Bid Borrowing delivered

pursuant to subsection (a)(i) above, as provided in the Competitive Bid Note evidencing such Competitive Bid Advance. Upon the occurrence and during the continuance of an Event of Default, the Borrower shall pay interest on the amount of unpaid principal of and interest on each Competitive Bid Advance owing to a Lender, payable in arrears on the date or dates interest is payable thereon, at a rate per annum equal at all times to 2% per annum above the rate per annum required to be paid on such Competitive Bid Advance under the terms of the Competitive Bid Note evidencing such Competitive Bid Advance unless otherwise agreed in such Competitive Bid Note.

(f) The indebtedness of the Borrower resulting from each Competitive Bid Advance made to the Borrower as part of a Competitive Bid Borrowing shall be evidenced by a separate Competitive Bid Note of the Borrower payable to the order of the Lender making such Competitive Bid Advance.

SECTION 2.04. Fees. (a) Facility Fee. The Borrower agrees to pay to the Agent for the account of each Lender a facility fee on the aggregate amount of such Lender's Commitment from the date hereof in the case of each Initial Lender and from the effective date specified in the Assumption Agreement or in the Assignment and Acceptance pursuant to which it became a Lender in the case of each other Lender until the Termination Date at a rate per annum equal to the Applicable Percentage in effect from time to time, payable in arrears quarterly on the last day of each March, June, September and December, commencing March 31, 2000, and on the Termination Date.

(b) Agent's Fees. The Borrower shall pay to the Agent for its own account such fees as may from time to time be agreed in writing between the Borrower and the Agent.

SECTION 2.05. Termination or Reduction of the Commitments. (a) Optional. The Borrower shall have the right, upon at least three Business Days' notice to the Agent, to terminate in whole or reduce ratably in part the unused portions of the respective Commitments of the Lenders, provided that each partial reduction shall be in the aggregate amount of \$10,000,000 or an integral multiple of \$1,000,000 in excess thereof and provided further that the aggregate amount of the Commitments of the Lenders shall not be reduced to an amount that is less than the aggregate principal amount of the Competitive Bid Advances then outstanding.

(b) Mandatory. On the Termination Date, if the Borrower has made the Term Loan Election in accordance with Section 2.06 prior to such date, and from time to time thereafter upon each prepayment of the Revolving Credit Advances, the Commitments of the Lenders shall be automatically and permanently reduced on a pro rata basis by an amount equal to the amount by which (i) the aggregate Commitments immediately prior to such reduction exceeds (ii) the aggregate unpaid principal amount of all Revolving Credit Advances outstanding at such time.

SECTION 2.06. Repayment of Revolving Credit Advances. The Borrower shall, subject to the next succeeding sentence, repay to the Agent for the ratable account of the Lenders on the Termination Date the aggregate principal amount of the Revolving Credit Advances then outstanding. The Borrower may, upon not less than 15 days' notice to the Agent, elect (the "Term Loan Election") to convert all of the Revolving Credit Advances outstanding on the Termination Date in effect at such time into a term loan which the Borrower shall repay in full ratably to the lenders on the Maturity Date; provided that the Term Loan Election may not be exercised if a Default has occurred and is continuing on the date of notice of the Term Loan Election or on the date on which the Term Loan Election is to be effected. All

Revolving Credit Advances converted into a term loan pursuant to this Section 2.06 shall continue to constitute Revolving Credit Advances except that the Borrower may not reborrow pursuant to Section 2.01 after all or any portion of such Revolving Credit Advances have been prepared pursuant to Section 2.10.

SECTION 2.07. Interest on Revolving Credit Advances. (a) Scheduled Interest. The Borrower shall pay interest on the unpaid principal amount of each Revolving Credit Advance owing to each Lender from the date of such Revolving Credit Advance until such principal amount shall be paid in full, at the following rates per annum:

(i) Base Rate Advances. During such periods as such Revolving Credit Advance is a Base Rate Advance, a rate per annum equal at all times to the sum of (x) the Base Rate in effect from time to time plus (y) the Applicable Margin in effect from time to time plus (z) the Applicable Utilization Fee, if any, in effect from time to time, payable in arrears quarterly on the last day of each March, June, September and December during such periods and on the date such Base Rate Advance shall be Converted or paid in full.

(ii) Eurodollar Rate Advances. During such periods as such Revolving Credit Advance is a Eurodollar Rate Advance, a rate per annum equal at all times during each Interest Period for such Revolving Credit Advance to the sum of (x) the Eurodollar Rate for such Interest Period for such Revolving Credit Advance plus (y) the Applicable Margin in effect from time to time plus (z) the Applicable Utilization Fee, if any, in effect from time to time, payable in arrears on the last day of such Interest Period and, if such Interest Period has a duration of more than three months, on each day that occurs during such Interest Period every three months from the first day of such Interest Period and on the date such Eurodollar Rate Advance shall be Converted or paid in full.

(iii) Adjusted CD Rate Advances. During such periods as such Revolving Credit Advance is an Adjusted CD Rate Advance, a rate per annum equal at all times during each Interest Period for such Revolving Credit Advance to the sum of (x) the Adjusted CD Rate for such Interest Period for such Revolving Credit Advance plus (y) the Applicable Margin in effect from time to time plus (z) the Applicable Utilization Fee, if any, in effect from time to time, payable in arrears on the last day of such Interest Period and, if such Interest Period has a duration of more than 90 days, on each day that occurs during such Interest Period every 90 days from the first day of such Interest Period and on the date such Adjusted CD Rate Advance shall be Converted or paid in full.

(b) Default Interest. Upon the occurrence and during the continuance of an Event of Default, the Borrower shall pay interest on (i) the unpaid principal amount of each Revolving Credit Advance owing to each Lender, payable in arrears on the dates referred to in clause (a) (i), (a) (ii) or (a) (iii) above, at a rate per annum equal at all times to 2% per annum above the rate per annum required to be paid on such Revolving Credit Advance pursuant to clause (a) (i), (a) (ii) or (a) (iii) above and (ii) to the fullest extent permitted by law, the amount of any interest, fee or other amount payable hereunder that is not paid when due, from the date such amount shall be due until such amount shall be paid in full, payable in arrears on the date such amount shall be paid in full and on demand, at a rate per annum equal at all times to 2% per annum above the rate per annum required to be paid on Base Rate Advances pursuant to clause (a) (i) above.

SECTION 2.08. Interest Rate Determination. (a) Each Reference Bank agrees to furnish to the Agent timely information for the purpose of determining each Eurodollar Rate, each Adjusted CD Rate and each LIBO Rate.

If any one or more of the Reference Banks shall not furnish such timely information to the Agent for the purpose of determining any such interest rate, the Agent shall determine such interest rate on the basis of timely information furnished by the remaining Reference Banks. The Agent shall give prompt notice to the Borrower and the Lenders of the applicable interest rate determined by the Agent for purposes of Section 2.07(a)(i), (ii) or (iii), and the rate, if any, furnished by each Reference Bank for the purpose of determining the interest rate under Section 2.07(a)(ii) or (iii).

(b) If, with respect to any Eurodollar Rate Advances, the Required Lenders notify the Agent that the Eurodollar Rate for any Interest Period for such Advances will not adequately reflect the cost to such Required Lenders of making, funding or maintaining their respective Eurodollar Rate Advances for such Interest Period, the Agent shall forthwith so notify the Borrower and the Lenders, whereupon (i) each Eurodollar Rate Advance will automatically, on the last day of the then existing Interest Period therefor, Convert into a Base Rate Advance, and (ii) the obligation of the Lenders to make, or to Convert Revolving Credit Advances into, Eurodollar Rate Advances shall be suspended until the Agent shall notify the Borrower and the Lenders that the circumstances causing such suspension no longer exist.

(c) If the Borrower shall fail to select the duration of any Interest Period for any Eurodollar Rate Advances or Adjusted CD Rate Advances in accordance with the provisions contained in the definition of "Interest Period" in Section 1.01, the Agent will forthwith so notify the Borrower and the Lenders and such Advances will automatically, on the last day of the then existing Interest Period therefor, be Converted into Base Rate Advances.

(d) On the date on which the aggregate unpaid principal amount of Eurodollar Rate Advances or Adjusted CD Rate Advances comprising any Borrowing shall be reduced, by payment or prepayment or otherwise, to less than \$10,000,000, such Advances shall automatically Convert into Base Rate Advances.

(e) Upon the occurrence and during the continuance of any Event of Default, (i) each Eurodollar Rate Advance and each Adjusted CD Rate Advance will automatically, on the last day of the then existing Interest Period therefor Convert into a Base Rate Advance and (ii) the obligation of the Lenders to make, or to Convert Advances into, Eurodollar Rate Advances or Adjusted CD Rate Advances shall be suspended.

(f) If, with respect to Eurodollar Rate Advances, Dow Jones Markets Telerate Page 3750 (or any successor page) is unavailable and fewer than two Reference Banks furnish timely information to the Agent for determining the Eurodollar Rate or LIBO Rate for any Eurodollar Rate Advances or LIBO Rate Advances, as the case may be, or if fewer than two Reference Banks furnish timely information to the Agent for determining the Adjusted CD Rate for any Adjusted CD Rate Advances,

(i) the Agent shall forthwith notify the Borrower and the Lenders that the interest rate cannot be determined for such Eurodollar Rate Advances, LIBO Rate Advances or Adjusted CD Rate Advances, as the case may be,

(ii) with respect to Eurodollar Rate Advances or Adjusted CD Rate Advances, as the case may be, each such Advance will automatically, on the last day of the then existing Interest Period therefor, Convert into a Base Rate Advance (or if such Advance is then a Base Rate Advance, will continue as a Base Rate Advance), and

(iii) the obligation of the Lenders to make Eurodollar Rate Advances, LIBO Rate Advances or Adjusted CD Rate Advances, as the case may be, or to Convert Revolving Credit Advances into Eurodollar Rate Advances or Adjusted CD Rate Advances, as the case may be, shall be suspended until the Agent shall notify the Borrower and the Lenders that the circumstances causing such suspension no longer exist.

SECTION 2.09. Optional Conversion of Revolving Credit Advances. The Borrower may on any Business Day, upon notice given to the Agent not later than 12:00 noon (New York City time) on the third Business Day prior to the date of the proposed Conversion and subject to the provisions of Sections 2.08 and 2.12, Convert all Revolving Credit Advances of one Type comprising the same Borrowing into Revolving Credit Advances of another Type; provided, however, that any Conversion of Eurodollar Rate Advances or Adjusted CD Rate Advances into Advances of another type shall be made only on the last day of an Interest Period for such Advances, any Conversion of Base Rate Advances into Eurodollar Rate Advances or Adjusted CD Rate Advances shall be in an amount not less than the minimum amount specified in Section 2.02(b) and no Conversion of any Revolving Credit Advances shall result in more separate Revolving Credit Borrowings than permitted under Section 2.02(b). Each such notice of a Conversion shall, within the restrictions specified above, specify (i) the date of such Conversion, (ii) the Revolving Credit Advances to be Converted, and (iii) if such Conversion is into Eurodollar Rate Advances or Adjusted CD Rate Advances, the duration of the initial Interest Period for each such Advance. Each notice of Conversion shall be irrevocable and binding on the Borrower.

SECTION 2.10. Optional Prepayments of Revolving Credit Advances. The Borrower may, upon notice at least three Business Days' prior to the date of such prepayment, in the case of Eurodollar Rate Advances or Adjusted CD Rate Advances, and not later than 12:00 noon (New York City time) on the date of such prepayment, in the case of Base Rate Advances, to the Agent stating the proposed date and aggregate principal amount of the prepayment, and if such notice is given the Borrower shall, prepay the outstanding principal amount of the Revolving Credit Advances comprising part of the same Revolving Credit Borrowing in whole or ratably in part, together with accrued interest to the date of such prepayment on the principal amount prepaid; provided, however, that (x) each partial prepayment shall be in an aggregate principal amount of \$10,000,000 or an integral multiple of \$1,000,000 in excess thereof and (y) in the event of any such prepayment of a Eurodollar Rate Advance or an Adjusted CD Rate Advance, the Borrower shall be obligated to reimburse the Lenders in respect thereof pursuant to Section 8.04(c).

SECTION 2.11. Increased Costs. (a) If, due to either (i) the introduction of or any change in or in the interpretation of any law or regulation after the Effective Date or (ii) the compliance with any guideline or request from any central bank or other governmental authority (whether or not having the force of law) after the Effective Date, there shall be any increase in the cost to any Lender of agreeing to make or making, funding or maintaining Eurodollar Rate Advances, LIBO Rate Advances or Adjusted CD Rate Advances (excluding for purposes of this Section 2.11 any such increased costs resulting from (i) Taxes or Other Taxes (as to which Section 2.14 shall govern) and (ii) changes in the basis of taxation of overall net income or overall gross income by the United States or by the foreign jurisdiction or state under the laws of which such Lender is organized or has its Applicable Lending Office or any political subdivision thereof), then the Borrower shall from time to time, upon demand by such Lender (with a copy of such demand to the Agent), pay to the Agent for the account of such Lender additional amounts sufficient to compensate such Lender for such increased cost. A certificate as to the amount of such increased cost, submitted to the Borrower and the

Agent by such Lender, shall be conclusive and binding for all purposes, absent manifest error.

(b) If any Lender determines that compliance with any law or regulation or any guideline or request from any central bank or other governmental authority (whether or not having the force of law) affects or would affect the amount of capital required or expected to be maintained by such Lender or any corporation controlling such Lender and that the amount of such capital is increased by or based upon the existence of such Lender's commitment to lend hereunder and other commitments of this type, then, upon demand by such Lender (with a copy of such demand to the Agent), the Borrower shall pay to the Agent for the account of such Lender, from time to time as specified by such Lender, additional amounts sufficient to compensate such Lender or such corporation in the light of such circumstances, to the extent that such Lender reasonably determines such increase in capital to be allocable to the existence of such Lender's commitment to lend hereunder. A certificate as to such amounts submitted to the Borrower and the Agent by such Lender shall be conclusive and binding for all purposes, absent manifest error.

(c) If any Lender fails to give the Borrower any prompt notice required by this Section 2.11, the Borrower shall not be required to indemnify and compensate such Lender or the Agent under this Section 2.11 for any amounts attributable to the event or factual circumstance required to be disclosed in such notice and arising during or with respect to any period ending more than 90 days before notice thereof has been delivered to the Borrower, provided that this subsection (c) shall in no way limit the right of any Lender or the Agent to demand or receive compensation to the extent that such compensation relates to any law, rule, regulation, interpretation, administration, request or directive (or any change therein) which by its terms has retroactive application if such notice is given within 90 days after the date of enactment or effectiveness of such retroactive law, rule, regulation, interpretation, administration, request or directive (or change therein).

SECTION 2.12. Illegality. Notwithstanding any other provision of this Agreement, if any Lender shall notify the Agent that the introduction of or any change in or in the interpretation of any law or regulation makes it unlawful, or any central bank or other governmental authority asserts that it is unlawful, for any Lender or its Eurodollar Lending Office to perform its obligations hereunder to make Eurodollar Rate Advances or to fund or maintain Eurodollar Rate Advances hereunder, (a) each Eurodollar Rate Advance will automatically, upon such demand, Convert into a Base Rate Advance and (b) the obligation of the Lenders to make Eurodollar Rate Advances or LIBO Rate Advances or to Convert Revolving Credit Advances into Eurodollar Rate Advances shall be suspended until the Agent shall notify the Borrower and the Lenders that the circumstances causing such suspension no longer exist.

SECTION 2.13. Payments and Computations. (a) The Borrower shall make each payment hereunder not later than 11:00 A.M. (New York City time) on the day when due to the Agent at the Agent's Account in same day funds. The Agent will promptly thereafter cause to be distributed like funds relating to the payment of principal or interest or facility fees ratably (other than amounts payable pursuant to Section 2.03, 2.11, 2.14 or 8.04(c)) to the Lenders for the account of their respective Applicable Lending Offices, and like funds relating to the payment of any other amount payable to any Lender to such Lender for the account of its Applicable Lending Office, in each case to be applied in accordance with the terms of this Agreement. Upon any Assuming Lender becoming a Lender hereunder as a result of a Commitment Increase pursuant to Section 2.18 or an extension of the Termination Date

pursuant to Section 2.19, and upon the Agent's receipt of such Lender's Assumption Agreement and recording of the information contained therein in the Register, from and after the applicable Increase Date or Extension Date, as the case may be, the Agent shall make all payments hereunder and under any Notes issued in connection therewith in respect of the interest assumed thereby to the Assuming Lender. Upon its acceptance of an Assignment and Acceptance and recording of the information contained therein in the Register pursuant to Section 8.07(c), from and after the effective date specified in such Assignment and Acceptance, the Agent shall make all payments hereunder and under the Notes in respect of the interest assigned thereby to the Lender assignee thereunder, and the parties to such Assignment and Acceptance shall make all appropriate adjustments in such payments for periods prior to such effective date directly between themselves.

(b) All computations of interest based on the Base Rate shall be made by the Agent on the basis of a year of 365 or 366 days, as the case may be, all computations of interest based on the Eurodollar Rate, the LIBO Rate, the Adjusted CD Rate or the Federal Funds Rate or in respect of Fixed Rate Advances and of facility fees shall be made by the Agent on the basis of a year of 360 days, in each case for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest or facility fees are payable. Each determination by the Agent of an interest rate hereunder shall be conclusive and binding for all purposes, absent manifest error.

(c) Whenever any payment hereunder or under the Notes shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of payment of interest or facility fee, as the case may be; provided, however, that, if such extension would cause payment of interest on or principal of Eurodollar Rate Advances or LIBO Rate Advances to be made in the next following calendar month, such payment shall be made on the next preceding Business Day.

(d) Unless the Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Lenders hereunder that the Borrower will not make such payment in full, the Agent may assume that the Borrower has made such payment in full to the Agent on such date and the Agent may, in reliance upon such assumption, cause to be distributed to each Lender on such due date an amount equal to the amount then due such Lender. If and to the extent the Borrower shall not have so made such payment in full to the Agent, each Lender shall repay to the Agent forthwith on demand such amount distributed to such Lender together with interest thereon, for each day from the date such amount is distributed to such Lender until the date such Lender repays such amount to the Agent, at the Federal Funds Rate in the case of Advances denominated in Dollars.

SECTION 2.14. Taxes. (a) Any and all payments by the Borrower hereunder or under the Notes shall be made, in accordance with Section 2.13, free and clear of and without deduction for any and all present or future taxes, levies, imposts, deductions, charges or withholdings, and all liabilities with respect thereto, excluding, in the case of each Lender and the Agent, taxes imposed on its overall net income, and franchise taxes imposed on it in lieu of net income taxes, by the jurisdiction under the laws of which such Lender or the Agent (as the case may be) is organized or any political subdivision thereof and, in the case of each Lender, taxes imposed on its overall net income, and franchise taxes imposed on it in lieu of net income taxes, by the jurisdiction of such Lender's Applicable Lending Office or any political subdivision thereof (all such non-excluded taxes, levies, imposts, deductions, charges, withholdings and liabilities in respect of

payments hereunder or under the Notes being hereinafter referred to as "Taxes"). If the Borrower shall be required by law to deduct any Taxes from or in respect of any sum payable hereunder or under any Note to any Lender or the Agent, (i) the sum payable shall be increased as may be necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 2.14) such Lender or the Agent (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrower shall make such deductions and (iii) the Borrower shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law.

(b) In addition, the Borrower shall pay any present or future stamp or documentary taxes or any other excise or property taxes, charges or similar levies that arise from any payment made hereunder or under the Notes or from the execution, delivery or registration of, performing under, or otherwise with respect to, this Agreement or the Notes (hereinafter referred to as "Other Taxes").

(c) The Borrower shall indemnify each Lender and the Agent for and hold it harmless against the full amount of Taxes or Other Taxes (including, without limitation, taxes of any kind imposed by any jurisdiction on amounts payable under this Section 2.14) imposed on or paid by such Lender or the Agent (as the case may be) and any liability (including penalties, interest and expenses) arising therefrom or with respect thereto. This indemnification shall be made within 30 days from the date such Lender or the Agent (as the case may be) makes written demand therefor.

(d) Within 30 days after the date of any payment of Taxes, the Borrower shall furnish to the Agent, at its address referred to in Section 8.02, the original or a certified copy of a receipt evidencing such payment. In the case of any payment hereunder or under the Notes by or on behalf of the Borrower through an account or branch outside the United States or by or on behalf of the Borrower by a payor that is not a United States person, if the Borrower determines that no Taxes are payable in respect thereof, the Borrower shall furnish, or shall cause such payor to furnish, to the Agent, at such address, an opinion of counsel acceptable to the Agent stating that such payment is exempt from Taxes. For purposes of this subsection (d) and subsection (e), the terms "United States" and "United States person" shall have the meanings specified in Section 7701 of the Internal Revenue Code.

(e) Each Lender organized under the laws of a jurisdiction outside the United States, on or prior to the date of its execution and delivery of this Agreement in the case of each Initial Lender and on the date of the Assumption Agreement or the Assignment and Acceptance pursuant to which it becomes a Lender in the case of each other Lender, and from time to time thereafter as requested in writing by the Borrower (but only so long as such Lender remains lawfully able to do so), shall provide each of the Agent and the Borrower with two original Internal Revenue Service forms 1001 or 4224, as appropriate, or any successor or other form prescribed by the Internal Revenue Service, certifying that such Lender is exempt from or entitled to a reduced rate of United States withholding tax on payments pursuant to this Agreement or the Notes. If the form provided by a Lender at the time such Lender first becomes a party to this Agreement indicates a United States interest withholding tax rate in excess of zero, withholding tax at such rate shall be considered excluded from Taxes unless and until such Lender provides the appropriate forms certifying that a lesser rate applies, whereupon withholding tax at such lesser rate only shall be considered excluded from Taxes for periods governed by such form; provided, however, that, if at the date of the Assignment and Acceptance pursuant to which a Lender assignee becomes a party to this Agreement, the Lender assignor was entitled to payments under

subsection (a) in respect of United States withholding tax with respect to interest paid at such date, then, to such extent, the term Taxes shall include (in addition to withholding taxes that may be imposed in the future or other amounts otherwise includable in Taxes) United States withholding tax, if any, applicable with respect to the Lender assignee on such date. If any form or document referred to in this subsection (e) requires the disclosure of information, other than information necessary to compute the tax payable and information required on the date hereof by Internal Revenue Service form 1001 or 4224, that the Lender reasonably considers to be confidential, the Lender shall give notice thereof to the Borrower and shall not be obligated to include in such form or document such confidential information.

(f) For any period with respect to which a Lender has failed to provide the Borrower with the appropriate form described in Section 2.14(e) (other than if such failure is due to a change in law occurring subsequent to the date on which a form originally was required to be provided, or if such form otherwise is not required under subsection (e) above), such Lender shall not be entitled to indemnification under Section 2.14(a) or (c) with respect to Taxes imposed by the United States by reason of such failure; provided, however, that should a Lender become subject to Taxes because of its failure to deliver a form required hereunder, the Borrower shall take such steps as the Lender shall reasonably request to assist the Lender to recover such Taxes.

(g) Any Lender claiming any additional amounts payable pursuant to this Section 2.14 agrees to use reasonable efforts (consistent with its internal policy and legal and regulatory restrictions) to change the jurisdiction of its Eurodollar Lending Office if the making of such a change would avoid the need for, or reduce the amount of, any such additional amounts that may thereafter accrue and would not, in the reasonable judgment of such Lender, be otherwise disadvantageous to such Lender.

SECTION 2.15. Sharing of Payments, Etc. If any Lender shall obtain any payment (whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise) on account of the Revolving Credit Advances owing to it (other than pursuant to Section 2.11, 2.14 or 8.04(c)) in excess of its ratable share of payments on account of the Revolving Credit Advances obtained by all the Lenders, such Lender shall forthwith purchase from the other Lenders such participations in the Revolving Credit Advances owing to them as shall be necessary to cause such purchasing Lender to share the excess payment ratably with each of them; provided, however, that if all or any portion of such excess payment is thereafter recovered from such purchasing Lender, such purchase from each Lender shall be rescinded and such Lender shall repay to the purchasing Lender the purchase price to the extent of such recovery together with an amount equal to such Lender's ratable share (according to the proportion of (i) the amount of such Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered. The Borrower agrees that any Lender so purchasing a participation from another Lender pursuant to this Section 2.15 may, to the fullest extent permitted by law, exercise all its rights of payment (including the right of set-off) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation.

SECTION 2.16. Evidence of Debt. (a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Revolving Credit Advance owing to such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time

hereunder in respect of Revolving Credit Advances. The Borrower agrees that upon notice by any Lender to the Borrower (with a copy of such notice to the Agent) to the effect that a Revolving Credit Note is required or appropriate in order for such Lender to evidence (whether for purposes of pledge, enforcement or otherwise) the Revolving Credit Advances owing to, or to be made by, such Lender, the Borrower shall promptly execute and deliver to such Lender a Revolving Credit Note payable to the order of such Lender in a principal amount up to the Commitment of such Lender.

(b) The Register maintained by the Agent pursuant to Section 8.07(d) shall include a control account, and a subsidiary account for each Lender, in which accounts (taken together) shall be recorded (i) the date and amount of each Borrowing made hereunder, the Type of Advances comprising such Borrowing and, if appropriate, the Interest Period applicable thereto, (ii) the terms of each Assumption Agreement and each Assignment and Acceptance delivered to and accepted by it, (iii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iv) the amount of any sum received by the Agent from the Borrower hereunder and each Lender's share thereof.

(c) Entries made in good faith by the Agent in the Register pursuant to subsection (b) above, and by each Lender in its account or accounts pursuant to subsection (a) above, shall be prima facie evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement, absent manifest error; provided, however, that the failure of the Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrower under this Agreement.

SECTION 2.17. Use of Proceeds. The proceeds of the Advances shall be available (and the Borrower agrees that it shall use such proceeds) solely for general corporate purposes of the Borrower and its Subsidiaries, including commercial paper backstop.

SECTION 2.18. Increase in the Aggregate Commitments. (a) The Borrower may, at any time but in any event not more than once in any calendar year prior to the Termination Date, by notice to the Agent, request that the aggregate amount of the Commitment be increased by integral multiples of \$10,000,000 in excess thereof (each a "Commitment Increase") to be effective as of a date that is at least 90 days prior to the scheduled Termination Date then in effect (the "Increase Date") as specified in the related notice to the Agent; provided, however that (i) in no event shall the aggregate amount of the Commitments at any time exceed \$300,000,000 and (ii) on the date of any request by the Borrower for a Commitment Increase and on the related Increase Date, the applicable conditions set forth in Article III shall be satisfied.

(b) The Agent shall promptly notify the Lenders of a request by the Borrower for a Commitment Increase, which notice shall include (i) the proposed amount of such requested Commitment Increase, (ii) the proposed Increase Date and (iii) the date by which Lenders wishing to participate in the Commitment Increase must commit to an increase in the amount of their respective Commitments (the "Commitment Date"). Each Lender that is willing to participate in such requested Commitment Increase (each an "Increasing Lender") shall, in its sole discretion, give written notice to the Agent on or prior to the Commitment Date of the amount by which it is willing to increase its Commitment. If the Lenders notify the Agent that they are willing to increase the amount of their respective Commitments by an aggregate amount that exceeds the amount of the requested Commitment Increase, the requested

Commitment Increase shall be allocated among the Lenders willing to participate therein in such amounts as are agreed between the Borrower and the Agent.

(c) Promptly following each Commitment Date, the Agent shall notify the Borrower as to the amount, if any, by which the Lenders are willing to participate in the requested Commitment Increase. If the aggregate amount by which the Lenders are willing to participate in any requested Commitment Increase on any such Commitment Date is less than the requested Commitment Increase, then the Borrower may extend offers to one or more Eligible Assignees to participate in any portion of the requested Commitment Increase that has not been committed to by the Lenders as of the applicable Commitment Date; provided, however, that the Commitment of each such Eligible Assignee shall be in an amount of \$15,000,000 or an integral multiple of \$1,000,000 in excess thereof.

(d) On each Increase Date, each Eligible Assignee that accepts an offer to participate in a requested Commitment Increase in accordance with Section 2.18(c) (each such Eligible Assignee and each Eligible Assignee that agrees to an extension of the Termination Date in accordance with Section 2.18(c), an "Assuming Lender") shall become a Lender party to this Agreement as of such Increase Date and the Commitment of each Increasing Lender for such requested Commitment Increase shall be so increased by such amount (or by the amount allocated to such Lender pursuant to the last sentence of Section 2.18(b)) as of such Increase Date; provided, however, that the Agent shall have received on or before such Increase Date the following, each dated such date:

(i) (A) certified copies of resolutions of the Board of Directors of the Borrower or the Executive Committee of such Board approving the Commitment Increase and the corresponding modifications to this Agreement and (B) an opinion of counsel for the Borrower (which may be in-house counsel), in substantially the form of Exhibit D hereto;

(ii) an assumption agreement from each Assuming Lender, if any, in form and substance satisfactory to the Borrower and the Agent (each an "Assumption Agreement"), duly executed by such Eligible Assignee, the Agent and the Borrower; and

(iii) confirmation from each Increasing Lender of the increase in the amount of its Commitment in a writing satisfactory to the Borrower and the Agent.

On each Increase Date, upon fulfillment of the conditions set forth in the immediately preceding sentence of this Section 2.18(d), the Agent shall notify the Lenders (including, without limitation, each Assuming Lender) and the Borrower, on or before 1:00 P.M. (New York City time), by telecopier or telex, of the occurrence of the Commitment Increase to be effected on such Increase Date and shall record in the Register the relevant information with respect to each Increasing Lender and each Assuming Lender on such date.

SECTION 2.19. Extension of Termination Date. (a) At least 30 days but not more than 45 days prior to the Termination Date, the Borrower, by written notice to the Agent, may request an extension of the Termination Date in effect at such time by 364 days from its then scheduled expiration; provided, however, that the Borrower shall not have made the Term Loan Election for Revolving Credit Advances outstanding on such Termination Date prior to such time. The Agent shall promptly notify each Lender of such request, and each Lender shall in turn, in its sole discretion, not later than 20 days prior to the Termination Date, notify the Borrower and the Agent in

writing as to whether such Lender will consent to such extension. If any Lender shall fail to notify the Agent and the Borrower in writing of its consent to any such request for extension of the Termination Date at least 20 days prior to the Termination Date, such Lender shall be deemed to be a Non-Consenting Lender with respect to such request. The Agent shall notify the Borrower not later than 15 days prior to the Termination Date of the decision of the Lenders regarding the Borrower's request for an extension of the Termination Date.

(b) If all the Lenders consent in writing to any such request in accordance with subsection (a) of this Section 2.19, the Termination Date in effect at such time shall, effective as at the Termination Date (the "Extension Date"), be extended for 364 days; provided that on each Extension Date, the applicable conditions set forth in Article III shall be satisfied. If less than all of the Lenders consent in writing to any such request in accordance with subsection (a) of this Section 2.19, the Termination Date in effect at such time shall, effective as at the applicable Extension Date, be extended as to those Lenders that so consented (each a "Consenting Lender") but shall not be extended as to any other Lender (each a "Non-Consenting Lender"). To the extent that the Termination Date is not extended as to any Lender pursuant to this Section 2.19 and the Commitment of such Lender is not assumed in accordance with subsection (c) of this Section 2.19 on or prior to the applicable Extension Date, the Commitment of such Non-Consenting Lender shall automatically terminate in whole on such unextended Termination Date without any further notice or other action by the Borrower, such Lender or any other Person; provided that such Non-Consenting Lender's rights under Sections 2.11, 2.14 and 8.04, and its obligations under Section 7.05, shall survive the Termination Date for such Lender as to matters occurring prior to such date. It is understood and agreed that no Lender shall have any obligation whatsoever to agree to any request made by the Borrower for any requested extension of the Termination Date.

(c) If less than all of the Lenders consent to any such request pursuant to subsection (a) of this Section 2.19, the Agent shall promptly so notify the Consenting Lenders, and each Consenting Lender may, in its sole discretion, give written notice to the Agent not later than 10 days prior to the Termination Date of the amount of the Non-Consenting Lenders' Commitments for which it is willing to accept an assignment. If the Consenting Lenders notify the Agent that they are willing to accept assignments of Commitments in an aggregate amount that exceeds the amount of the Commitments of the Non-Consenting Lenders, such Commitments shall be allocated among the Consenting Lenders willing to accept such assignments in such amounts as are agreed between the Borrower and the Agent. If after giving effect to the assignments of Commitments described above there remains any Commitments of Non-Consenting Lenders, the Borrower may arrange for one or more Consenting Lenders or other Eligible Assignees as Assuming Lenders to assume, effective as of the Extension Date, any Non-Consenting Lender's Commitment and all of the obligations of such Non-Consenting Lender under this Agreement thereafter arising, without recourse to or warranty by, or expense to, such Non-Consenting Lender; provided, however, that the amount of the Commitment of any such Assuming Lender as a result of such substitution shall in no event be less than \$15,000,000 unless the amount of the Commitment of such Non-Consenting Lender is less than \$15,000,000, in which case such Assuming Lender shall assume all of such lesser amount; and provided further that:

(i) any such Consenting Lender or Assuming Lender shall have paid to such Non-Consenting Lender (A) the aggregate principal amount of, and any interest accrued and unpaid to the effective date of the assignment on, the outstanding Advances, if any, of such Non-Consenting Lender plus (B) any accrued but unpaid facility fees owing to such Non-Consenting Lender as of the effective date of such assignment;

(ii) all additional costs reimbursements, expense reimbursements and indemnities payable to such Non-Consenting Lender, and all other accrued and unpaid amounts owing to such Non-Consenting Lender hereunder, as of the effective date of such assignment shall have been paid to such Non-Consenting Lender; and

(iii) with respect to any such Assuming Lender, the applicable processing and recordation fee required under Section 8.07(a) for such assignment shall have been paid;

provided further that such Non-Consenting Lender's rights under Sections 2.11, 2.14 and 8.04, and its obligations under Section 7.05, shall survive such substitution as to matters occurring prior to the date of substitution. At least three Business Days prior to any Extension Date, (A) each such Assuming Lender, if any, shall have delivered to the Borrower and the Agent an Assumption Agreement, duly executed by such Assuming Lender, such Non-Consenting Lender, the Borrower and the Agent, (B) any such Consenting Lender shall have delivered confirmation in writing satisfactory to the Borrower and the Agent as to the increase in the amount of its Commitment and (C) each Non-Consenting Lender being replaced pursuant to this Section 2.19 shall have delivered to the Agent any Note or Notes held by such Non-Consenting Lender. Upon the payment or prepayment of all amounts referred to in clauses (i), (ii) and (iii) of the immediately preceding sentence, each such Consenting Lender or Assuming Lender, as of the Extension Date, will be substituted for such Non-Consenting Lender under this Agreement and shall be a Lender for all purposes of this Agreement, without any further acknowledgment by or the consent of the other Lenders, and the obligations of each such Non-Consenting Lender hereunder shall, by the provisions hereof, be released and discharged.

(d) If all of the Lenders (after giving effect to any assignments pursuant to subsection (b) of this Section 2.19) consent in writing to a requested extension (whether by execution or delivery of an Assumption Agreement or otherwise) not later than one Business Day prior to such Extension Date, the Agent shall so notify the Borrower, and, so long as no Default shall have occurred and be continuing as of such Extension Date, or shall occur as a consequence thereof, the Termination Date then in effect shall be extended for the additional 364-day period as described in subsection (a) of this Section 2.19, and all references in this Agreement, and in the Notes, if any, to the "Termination Date" shall, with respect to each Consenting Lender and each Assuming Lender for such Extension Date, refer to the Termination Date as so extended. Promptly following each Extension Date, the Agent shall notify the Lenders (including, without limitation, each Assuming Lender) of the extension of the scheduled Termination Date in effect immediately prior thereto and shall thereupon record in the Register the relevant information with respect to each such Consenting Lender and each such Assuming Lender.

ARTICLE III

CONDITIONS TO EFFECTIVENESS AND LENDING

SECTION 3.01. Conditions Precedent to Effectiveness of Sections 2.01 and 2.03. Sections 2.01 and 2.03 of this Agreement shall become effective on and as of the first date (the "Effective Date") on which the following conditions precedent have been satisfied:

(a) There shall have occurred no material adverse change in the properties, business, profits or condition (financial or otherwise) of

the Borrower or of the Borrower and its Subsidiaries taken as a whole since October 31, 1999.

(b) Except as set forth under the heading "Legal Proceedings" in the Borrower's 1999 Form 10-K, there shall exist no action, suit or proceeding pending against, or to the knowledge of the Borrower threatened against or affecting, the Borrower or any of its Subsidiaries before any court or arbitrator or any governmental body, agency or official (i) in which there is a reasonable possibility of an adverse determination which would have a Material Adverse Effect, or (ii) which in any manner draws into question the validity of this Agreement or the Notes.

(c) All governmental and third party consents and approvals necessary in connection with the transactions contemplated hereby shall have been obtained (without the imposition of any conditions that are not acceptable to the Lenders) and shall remain in effect, and no law or regulation shall be applicable in the reasonable judgment of the Lenders that restrains, prevents or imposes materially adverse conditions upon the transactions contemplated hereby.

(d) The Borrower shall have notified each Lender and the Agent in writing as to the proposed Effective Date.

(e) The Borrower shall have paid all accrued fees and expenses of the Agent and the Lenders (including the accrued fees and expenses of counsel to the Agent) as agreed separately in writing by the parties to such agreement.

(f) On the Effective Date, the following statements shall be true and the Agent shall have received for the account of each Lender a certificate signed by a duly authorized officer of the Borrower, dated the Effective Date, stating that:

(i) The representations and warranties contained in Section 4.01 are correct on and as of the Effective Date, and

(ii) No event has occurred and is continuing that constitutes a Default.

(g) The Agent shall have received on or before the Effective Date the following, each dated such day, in form and substance satisfactory to the Agent and (except for the Revolving Credit Notes) in sufficient copies for each Lender:

(i) The Revolving Credit Notes to the order of the Lenders to the extent requested by any Lender pursuant to Section 2.16.

(ii) Certified copies of the general resolutions of the Board of Directors of the Borrower which authorize the Borrower to enter into this Agreement and the Notes, and of all documents evidencing other necessary corporate action and governmental approvals, if any, with respect to this Agreement and the Notes.

(iii) A certificate of the Secretary or an Assistant Secretary of the Borrower certifying the names and true signatures of the officers of the Borrower authorized to sign this Agreement and the Notes and the other documents to be delivered hereunder.

(iv) A favorable opinion of the Managing Director, Legal

Affairs or of the Vice President, Legal Affairs and Intellectual Property of the Borrower, substantially in the form of Exhibit D hereto and as to such other matters as any Lender through the Agent may reasonably request.

(v) A favorable opinion of Orrick, Herrington & Sutcliffe L.L.P., counsel for the Borrower, substantially in the form of Exhibit E hereto and as to such other matters as any Lender through the Agent may reasonably request.

(vi) A favorable opinion of Shearman & Sterling, counsel for the Agent, in form and substance satisfactory to the Agent.

SECTION 3.02. Conditions Precedent to Each Revolving Credit Borrowing, Increase Date and Extension Date. The obligation of each Lender to make a Revolving Credit Advance on the occasion of each Revolving Credit Borrowing, each Commitment Increase and each extension of Commitments pursuant to Section 2.19 shall be subject to the conditions precedent that the Effective Date shall have occurred and on the date of such Revolving Credit Borrowing, the applicable Increase Date or the applicable Extension Date (a) the following statements shall be true (and each of the giving of the applicable Notice of Revolving Credit Borrowing, request for Commitment Increase, request for extension of Commitments and the acceptance by the Borrower of the proceeds of such Revolving Credit Borrowing shall constitute a representation and warranty by the Borrower that on the date of such Borrowing, such Increase Date or such Extension Date such statements are true):

(i) the representations and warranties contained in Section 4.01 (except, in the case of Revolving Credit Borrowings, the representations set forth in subsection (d)(ii) thereof and in subsection (e)(i) thereof) are correct on and as of the date of such Revolving Credit Borrowing, before and after giving effect to such Revolving Credit Borrowing and to the application of the proceeds therefrom, as though made on and as of such date, and

(ii) no event has occurred and is continuing, or would result from such Revolving Credit Borrowing or from the application of the proceeds therefrom, that constitutes a Default;

and (b) the Agent shall have received such other approvals, opinions or documents as any Lender through the Agent may reasonably request.

SECTION 3.03. Conditions Precedent to Each Competitive Bid Borrowing. The obligation of each Lender that is to make a Competitive Bid Advance on the occasion of a Competitive Bid Borrowing to make such Competitive Bid Advance as part of such Competitive Bid Borrowing is subject to the conditions precedent that (i) the Agent shall have received the written confirmatory Notice of Competitive Bid Borrowing with respect thereto, (ii) on or before the date of such Competitive Bid Borrowing, but prior to such Competitive Bid Borrowing, the Agent shall have received a Competitive Bid Note payable to the order of such Lender for each of the one or more Competitive Bid Advances to be made by such Lender as part of such Competitive Bid Borrowing, in a principal amount equal to the principal amount of the Competitive Bid Advance to be evidenced thereby and otherwise on such terms as were agreed to for such Competitive Bid Advance in accordance with Section 2.03, and (iii) on the date of such Competitive Bid Borrowing the following statements shall be true (and each of the giving of the applicable Notice of Competitive Bid Borrowing and the acceptance by the Borrower of the proceeds of such Competitive Bid Borrowing shall constitute a representation and warranty by the Borrower that on the date of such Competitive Bid Borrowing

such statements are true):

(a) the representations and warranties contained in Section 4.01 are correct on and as of the date of such Competitive Bid Borrowing, before and after giving effect to such Competitive Bid Borrowing and to the application of the proceeds therefrom, as though made on and as of such date (except in the case of the representations and warranties set forth in subsection (d)(ii) thereof and in subsection (e)(i) thereof, as may have been disclosed in the most recent quarterly report on Form 10-Q or in the most recent annual report on Form 10-K filed by the Borrower with the SEC),

(b) no event has occurred and is continuing, or would result from such Competitive Bid Borrowing or from the application of the proceeds therefrom, that constitutes a Default.

SECTION 3.04. Determinations Under Section 3.01. For purposes of determining compliance with the conditions specified in Section 3.01, each Lender shall be deemed to have consented to, approved or accepted or to be satisfied with each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to the Lenders unless an officer of the Agent responsible for the transactions contemplated by this Agreement shall have received notice from such Lender prior to the date that the Borrower, by notice to the Lenders, designates as the proposed Effective Date, specifying its objection thereto. The Agent shall promptly notify the Lenders of the occurrence of the Effective Date.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES

SECTION 4.01. Representations and Warranties of the Borrower. The Borrower represents and warrants as follows:

(a) Corporate Existence and Power. Each of the Borrower and each Subsidiary:

(i) is a corporation duly organized and validly existing under the laws of its jurisdiction of incorporation;

(ii) has all requisite power and authority and all necessary licenses and permits to own and operate its properties and to carry on its business as now conducted and as presently proposed to be conducted, except where failures to have such licenses and permits would not, in the aggregate, have a Material Adverse Effect; and

(iii) is duly licensed or qualified and is in good standing as a foreign corporation in each jurisdiction wherein the nature of the business transacted by it or the nature of the property owned or leased by it makes such licensing or qualification necessary, except where failures to be so licensed, qualified or in good standing would not, in the aggregate, have a Material Adverse Effect.

(b) Corporate and Governmental Authorization; No Contravention. The execution, delivery and performance by the Borrower of this Agreement and the Notes are within the Borrower's corporate powers, have been duly authorized by all necessary corporate action, require no action by or in respect of, or filing with, any governmental body,

agency or official and do not contravene, or constitute a default under, any provision of applicable law or regulation or of the certificate of incorporation or by-laws of the Borrower or of any agreement, judgment, injunction, order, decree or other instrument binding upon the Borrower or any of its Subsidiaries or result in the creation or imposition of any Lien on any asset of the Borrower or any of its Subsidiaries.

(c) Binding Effect. This Agreement constitutes a valid and binding agreement of the Borrower and each Note, when executed and delivered in accordance with this Agreement, will constitute a valid and binding obligation of the Borrower, in each case enforceable in accordance with its terms, except as limited by (i) bankruptcy, insolvency or similar laws affecting creditors' rights generally and (ii) general principles of equity.

(d) Financial Information. (i) The consolidated balance sheet of the Borrower and its Subsidiaries as of October 31, 1999 and the related consolidated statements of operations and cash flows for the fiscal year then ended, reported on by PricewaterhouseCoopers LLP and set forth in the Borrower's 1999 Form 10-K (or an exhibit thereto), a copy of which has been obtained by each of the Lenders, fairly present, in conformity with generally accepted accounting principles, the consolidated financial position of the Borrower and its Subsidiaries as of such date and their consolidated results of operations and cash flows for such fiscal year.

(ii) There has been no material adverse change since October 31, 1999 in the business, financial position or results of operations of the Borrower and its Subsidiaries, considered as a whole.

(e) Litigation. Except as set forth under the heading "Legal Proceedings" in the Borrower's 1999 Form 10-K, there is no action, suit or proceeding pending against, or to the knowledge of the Borrower threatened against or affecting, the Borrower or any of its Subsidiaries before any court or arbitrator or any governmental body, agency or official (i) in which there is a reasonable possibility of an adverse determination which would have a Material Adverse Effect, or (ii) which in any manner draws into question the validity of this Agreement or the Notes.

(f) Compliance with ERISA. Each member of the ERISA Group has fulfilled its obligations under the minimum funding standards of ERISA and the Internal Revenue Code with respect to each Plan and is in compliance in all material respects with the presently applicable provisions of ERISA and the Internal Revenue Code with respect to each Plan. No member of the ERISA Group has (i) sought a waiver of the minimum funding standard under Section 412 of the Internal Revenue Code in respect of any Plan, (ii) failed to make any contribution or payment to any Plan or Multiemployer Plan or in respect of any Benefit Arrangement, or made any amendment to any Plan or Benefit Arrangement, which has resulted or could result in the imposition of a Lien or the posting of a bond or other security under ERISA or the Internal Revenue Code which will violate Section 5.02(a) hereof or (iii) incurred any unpaid liability in excess of \$50,000,000 under Title IV of ERISA other than a liability to the PBGC for premiums under Section 4007 of ERISA.

(g) Environmental Matters. The Borrower has a process of conducting periodic internal reviews relating to compliance by the Borrower and its Subsidiaries with Environmental Laws and liabilities thereunder. On the basis of such reviews, except as set forth in the

Borrower's 1999 Form 10-K, nothing has come to the attention of the Borrower which would lead it to believe that costs associated with compliance with Environmental Laws or liabilities thereunder (including, without limitation, any capital or operating expenses required for cleanup, closure of properties or compliance with Environmental Laws or any permit, license or approval, any related constraints on operating activities and any potential liabilities to third parties) would have a Material Adverse Effect.

(h) Taxes. All federal and state income tax returns required to be filed by the Borrower or any Subsidiary in any jurisdiction have, in fact, been filed and all other tax returns required to be filed in any other jurisdiction have, in fact, been filed, except where the failure to so file in such jurisdictions (other than in connection with federal or state income tax returns) would not have a Material Adverse Effect, and all taxes, assessments, fees and other governmental charges upon the Borrower or any Subsidiary or upon any of their respective properties, income or franchises, which are shown to be due and payable in such returns, have been paid. For all taxable years ending on or before October 1994, the Federal income tax liability of the Borrower and its Subsidiaries has been satisfied and either the period of limitations on assessment of additional Federal income tax has expired or the Borrower and its Subsidiaries have entered into an agreement with the Internal Revenue Service closing conclusively the total tax liability for the taxable year. The provisions for taxes on the books of the Borrower and each Subsidiary are adequate for all open years, and for its current fiscal period.

(i) No Regulatory Restrictions on Borrowing. The Borrower is not (i) an "investment company" within the meaning of the Investment Company Act of 1940, as amended, (ii) a "holding company" or a "subsidiary company" of a holding company within the meaning of the Public Utility Holding Company Act of 1935, as amended, or (iii) otherwise subject to any regulatory scheme applicable to it which restricts its ability to incur debt under this Agreement.

(j) Full Disclosure. All written information heretofore furnished by the Borrower to the Agent or any Lender for purposes of or in connection with this Agreement or any transaction contemplated hereby does not, and all such written information hereafter furnished by the Borrower to the Agent or any Lender will not, contain any untrue statement of a material fact or in the aggregate omit a material fact necessary to make the statements therein not misleading on the date as of which such information is stated or certified. There is no fact peculiar to the Borrower or its Subsidiaries which the Borrower has not disclosed to the Lenders in writing which has had or, so far as the Borrower can now reasonably foresee, will have a Material Adverse Effect.

ARTICLE V

COVENANTS OF THE BORROWER

SECTION 5.01. Affirmative Covenants. So long as any Advance shall remain unpaid or any Lender shall have any Commitment hereunder, the Borrower will:

(a) Compliance with Laws, Etc. Comply, and cause each Subsidiary to comply, in all material respects with all applicable laws,

Notwithstanding anything to the contrary in the foregoing provisions of this Section 5.01(e), neither the Agent nor any Lender shall have access to, nor may they request copies of, any information constituting trade secrets relating to technology unless the Agent or such Lender shall have executed and delivered to the Borrower a confidentiality agreement satisfactory to the Borrower.

(v) Liens securing Indebtedness of a Subsidiary to the Borrower or to another Subsidiary;

(vi) Liens existing as of the Effective Date and reflected in Schedule 5.02(a) hereto, including any renewals, extensions or replacements of any such Lien, provided that:

As to any matters not expressly provided for by this Agreement (including, without limitation, enforcement or collection of the Notes), the Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the instructions of the Required Lenders, and such instructions shall be binding upon all Lenders and all holders of Notes; provided, however, that the Agent shall not be required to take any action that exposes the Agent to personal liability or that is contrary to this Agreement or applicable law. The Agent agrees to give to each Lender prompt notice of each notice given to it by the Borrower pursuant to the terms of this Agreement.

SECTION 7.02. Agent's Reliance, Etc. Neither the Agent nor any of its directors, officers, agents or employees shall be liable for any action taken or omitted to be taken by it or them under or in connection with this Agreement, except for its or their own gross negligence or willful misconduct. Without limitation of the generality of the foregoing, the Agent: (i) may treat the Lender that made any Advance as the holder of the Debt resulting therefrom until the Agent receives and accepts an Assumption Agreement entered into by an Assuming Lender as provided in Section 2.18 or 2.19, as the case may be, or an Assignment and Acceptance entered into by such Lender, as assignor, and an Eligible Assignee, as assignee, as provided in Section 8.07; (ii) may consult with legal counsel (including counsel for the Borrower), independent public accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts; (iii) makes no warranty or representation to any Lender and shall not be responsible to any Lender for any statements, warranties or representations (whether written or oral) made in or in connection with this Agreement; (iv) shall not have any duty to ascertain or to inquire as to the performance or observance of any of the terms, covenants or conditions of this Agreement on the part of the Borrower or to inspect the property (including the books and records) of the Borrower; (v) shall not be responsible to any Lender for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other instrument or document furnished pursuant hereto; and (vi) shall incur no liability under or in respect of this Agreement by acting upon any notice, consent, certificate or other instrument or writing (which may be by telecopier, telegram or telex) believed by it to be genuine and signed or sent by the proper party or parties.

SECTION 7.03. Citicorp and Affiliates. With respect to its Commitment, the Advances made by it and the Note issued to it, Citicorp shall have the same rights and powers under this Agreement as any other Lender and may exercise the same as though it were not the Agent; and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated, include Citicorp in its individual capacity. Citicorp and its Affiliates may accept deposits from, lend money to, act as trustee under indentures of, accept investment banking engagements from and generally engage in any kind of business with, the Borrower, any of its Subsidiaries and any Person who may do business with or own securities of the Borrower or any such Subsidiary, all as if Citicorp were not the Agent and without any duty to account therefor to the Lenders.

SECTION 7.04. Lender Credit Decision. Each Lender acknowledges that it has, independently and without reliance upon the Agent or any other Lender and based on the financial statements referred to in Section 4.01 and

such other documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Agent or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement.

SECTION 7.05. Indemnification. The Lenders agree to indemnify the Agent (to the extent not reimbursed by the Borrower), ratably according to the respective principal amounts of the Revolving Credit Advances then owed to each of them (or if no Revolving Credit Advances are at the time outstanding, ratably according to the respective amounts of their Commitments), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever that may be imposed on, incurred by, or asserted against the Agent in any way relating to or arising out of this Agreement or any action taken or omitted by the Agent under this Agreement (collectively, the "Indemnified Costs"), provided that no Lender shall be liable for any portion of the Indemnified Costs resulting from the Agent's gross negligence or willful misconduct. Without limitation of the foregoing, each Lender agrees to reimburse the Agent promptly upon demand for its ratable share of any out-of-pocket expenses (including reasonable counsel fees) incurred by the Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, to the extent that the Agent is not reimbursed for such expenses by the Borrower. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Costs, this Section 7.05 applies whether any such investigation, litigation or proceeding is brought by the Agent, any Lender or a third party.

SECTION 7.06. Successor Agent. The Agent may resign at any time by giving written notice thereof to the Lenders and the Borrower and may be removed at any time with or without cause by the Required Lenders. Upon any such resignation or removal, the Required Lenders shall have the right to appoint a successor Agent with the consent, so long as no Default has occurred and is continuing, of the Borrower (which consent shall not be unreasonably withheld or delayed). If no successor Agent shall have been so appointed by the Required Lenders, and shall have accepted such appointment, within 30 days after the retiring Agent's giving of notice of resignation or the Required Lenders' removal of the retiring Agent, then the retiring Agent may, on behalf of the Lenders, appoint a successor Agent, which shall be a commercial bank organized under the laws of the United States of America or of any State thereof and having a combined capital and surplus of at least \$50,000,000. Upon the acceptance of any appointment as Agent hereunder by a successor Agent, such successor Agent shall thereupon succeed to and become vested with all the rights, powers, discretion, privileges and duties of the retiring Agent, and the retiring Agent shall be discharged from its duties and obligations under this Agreement. After any retiring Agent's resignation or removal hereunder as Agent, the provisions of this Article VII shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this Agreement.

SECTION 7.07. Other Agents. Each Lender hereby acknowledges that neither the documentation agent nor any other Lender designated as any "Agent" on the signature pages hereof has any liability hereunder other than in its capacity as a Lender.

ARTICLE VIII

SECTION 8.01. Amendments, Etc. No amendment or waiver of any provision of this Agreement or the Revolving Credit Notes, nor consent to any departure by the Borrower therefrom, shall in any event be effective unless the same shall be in writing and signed by the Borrower and the Required Lenders, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that no amendment, waiver or consent shall, unless in writing and signed by all the Lenders, do any of the following: (a) waive any of the conditions specified in Section 3.01, (b) increase the Commitments of the Lenders or subject the Lenders to any additional obligations, (c) reduce the principal of, or interest on, the Revolving Credit Advances or any fees or other amounts payable hereunder, (d) postpone any date fixed for any payment of principal of, or interest on, the Revolving Credit Advances or any fees or other amounts payable hereunder, (e) change the percentage of the Commitments or of the aggregate unpaid principal amount of the Revolving Credit Advances, or the number of Lenders, that shall be required for the Lenders or any of them to take any action hereunder or (f) amend this Section 8.01; and provided further that no amendment, waiver or consent shall, unless in writing and signed by the Agent in addition to the Lenders required above to take such action, affect the rights or duties of the Agent under this Agreement or any Note.

SECTION 8.02. Notices, Etc. All notices and other communications provided for hereunder shall be in writing (including telecopier, telegraphic or telex communication) and mailed, telecopied, telegraphed, telexed or delivered, if to the Borrower, at its address at 3050 Bowers Avenue, Santa Clara, California 95054, Attention: Diane Gale/Randy Webb; if to any Initial Lender, at its Domestic Lending Office specified opposite its name on Schedule I hereto; if to any other Lender, at its Domestic Lending Office specified in the Assumption Agreement or the Assignment and Acceptance pursuant to which it became a Lender; and if to the Agent, at its address at Two Penns Way, New Castle, Delaware 19720, Attention: Bank Loan Syndications Department; or, as to the Borrower or the Agent, at such other address as shall be designated by such party in a written notice to the other parties and, as to each other party, at such other address as shall be designated by such party in a written notice to the Borrower and the Agent. All such notices and communications shall, when mailed, telecopied, telegraphed or telexed, be effective when deposited in the mails, telecopied, delivered to the telegraph company or confirmed by telex answerback, respectively, except that notices and communications to the Agent pursuant to Article II, III or VII shall not be effective until received by the Agent. Delivery by telecopier of an executed counterpart of any amendment or waiver of any provision of this Agreement or the Notes or of any Exhibit hereto to be executed and delivered hereunder shall be effective as delivery of a manually executed counterpart thereof.

SECTION 8.03. No Waiver; Remedies. No failure on the part of any Lender or the Agent to exercise, and no delay in exercising, any right hereunder or under any Note shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

SECTION 8.04. Costs and Expenses. (a) The Borrower shall pay (i) all out-of pocket expenses of the Agent, including reasonable fees and disbursements of special counsel for the Agent, in connection with the preparation of this Agreement (subject to any limits agreed upon in writing by the Borrower and the Agent), any waiver or consent hereunder or any amendment

hereof or any Default or alleged Default hereunder and (ii) if an Event of Default occurs, all out-of pocket expenses incurred by the Agent and each Lender, including (without duplication) the reasonable fees and disbursements of outside counsel and the allocated cost of inside counsel, in connection with such Event of Default and collection, bankruptcy, insolvency and other enforcement proceedings resulting therefrom.

(b) The Borrower agrees to indemnify and hold harmless the Agent and each Lender and each of their Affiliates and their officers, directors, employees, agents and advisors (each, an "Indemnified Party") from and against any and all claims, damages, losses, liabilities and expenses (including, without limitation, reasonable fees and expenses of counsel) that may be incurred by or asserted or awarded against any Indemnified Party, in each case arising out of or in connection with or by reason of (including, without limitation, in connection with any investigation, litigation or proceeding or preparation of a defense in connection therewith) (i) the Notes, this Agreement, any of the transactions contemplated herein or the actual or proposed use of the proceeds of the Advances or (ii) the actual or alleged presence of Hazardous Substances on any property of the Borrower or any of its Subsidiaries or any Environmental Action relating in any way to the Borrower or any of its Subsidiaries, except to the extent such claim, damage, loss, liability or expense resulted from such Indemnified Party's gross negligence or willful misconduct. In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 8.04(b) applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by the Borrower, its directors, shareholders or creditors or an Indemnified Party or any other Person or any Indemnified Party is otherwise a party thereto and whether or not the transactions contemplated hereby are consummated. The Borrower also agrees not to assert any claim for special, indirect, consequential or punitive damages against the Agent, any Lender, any of their Affiliates, or any of their respective directors, officers, employees, attorneys and agents, on any theory of liability, arising out of or otherwise relating to the Notes, this Agreement, any of the transactions contemplated herein or the actual or proposed use of the proceeds of the Advances.

(c) If any payment of principal with respect to any Eurodollar Rate Advance, LIBO Rate Advance or Adjusted CD Rate Advance, or any such Advance is Converted to a different Type of Advance (pursuant to Section 2.08(d) or (e), 2.10 or 2.12, acceleration of the maturity of the Advances pursuant to Section 6.01 or for any other reason) other than on the last day of the Interest Period for such Advance, or if the Borrower fails to borrow, prepay, Convert or continue any such Advance after notice has been given to any Lender in accordance with Section 2.02(a), 2.03(a), 2.06, 2.09 or 2.10, the Borrower shall reimburse each Lender for any resulting loss or expense (with interest if appropriate) incurred by it or by an existing or prospective assignee or participant in the related Advance, including (without limitation) any loss incurred in obtaining, liquidation or employing deposits from third parties, but excluding loss of margin for the period after any such payment or failure to borrow, prepay, Convert or continue; provided that such Lender shall have delivered to the Borrower a certificate as to the amount of such loss or expense, which certificate shall show in reasonable detail the basis for calculating such amount and shall be conclusive in the absence of manifest error.

(d) Without prejudice to the survival of any other agreement of the Borrower hereunder, the agreements and obligations of the Borrower contained in Sections 2.11, 2.14 and 8.04 shall survive the payment in full of principal, interest and all other amounts payable hereunder and under the Notes.

SECTION 8.05. Right of Set-off. Upon (i) the occurrence and during the continuance of any Event of Default and (ii) the making of the request or the granting of the consent specified by Section 6.01 to authorize the Agent to declare the Notes due and payable pursuant to the provisions of Section 6.01, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender or such Affiliate to or for the credit or the account of the Borrower against any and all of the obligations of the Borrower now or hereafter existing under this Agreement and the Note held by such Lender, without limitation of clauses (i) and (ii) above, whether or not such Lender shall have made any demand under this Agreement or such Note and although such obligations may be unmaturing. Each Lender agrees promptly to notify the Borrower after any such set-off and application, provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Lender and its Affiliates under this Section are in addition to other rights and remedies (including, without limitation, other rights of set-off) that such Lender and its Affiliates may have.

SECTION 8.06. Binding Effect. This Agreement shall become effective (other than Sections 2.01 and 2.03, which shall only become effective upon satisfaction of the conditions precedent set forth in Section 3.01) when it shall have been executed by the Borrower and the Agent and when the Agent shall have been notified by each Initial Lender that such Initial Lender has executed it and thereafter shall be binding upon and inure to the benefit of the Borrower, the Agent and each Lender and their respective successors and assigns, except that the Borrower shall not have the right to assign its rights hereunder or any interest herein without the prior written consent of the Lenders.

SECTION 8.07. Assignments and Participations. (a) Each Lender may with the consent of the Agent and the Borrower and, if demanded by the Borrower (following a demand by such Lender pursuant to Section 2.11 or 2.14 and so long as no Default has occurred and is continuing) upon at least five Business Days' notice to such Lender and the Agent, will assign to one or more Persons all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Commitment, the Revolving Credit Advances owing to it and the Revolving Credit Note or Notes held by it); provided, however, that (i) each such assignment shall be of a constant, and not a varying, percentage of all rights and obligations under this Agreement (other than any right to make Competitive Bid Advances, Competitive Bid Advances owing to it and Competitive Bid Notes), (ii) except in the case of an assignment to a Person that, immediately prior to such assignment, was a Lender or an assignment of all of a Lender's rights and obligations under this Agreement, the amount of the Commitment of the assigning Lender being assigned pursuant to each such assignment (determined as of the date of the Assignment and Acceptance with respect to such assignment) shall in no event be less than \$10,000,000 or an integral multiple of \$1,000,000 in excess thereof, (iii) each such assignment shall be to an Eligible Assignee, (iv) each such assignment made as a result of a demand by the Borrower pursuant to this Section 8.07(a) shall be arranged by the Borrower after consultation with the Agent and shall be either an assignment of all of the rights and obligations of the assigning Lender under this Agreement or an assignment of a portion of such rights and obligations made concurrently with another such assignment or other such assignments that together cover all of the rights and obligations of the assigning Lender under this Agreement, (v) no Lender shall be obligated to make any such assignment as a result of a demand by the Borrower pursuant to this Section 8.07(a)

unless and until such Lender shall have received one or more payments from either the Borrower or one or more Eligible Assignees in an aggregate amount at least equal to the aggregate outstanding principal amount of the Advances owing to such Lender, together with accrued interest thereon to the date of payment of such principal amount and all other amounts payable to such Lender under this Agreement, and (vi) the parties to each such assignment shall execute and deliver to the Agent, for its acceptance and recording in the Register, an Assignment and Acceptance, together with any Revolving Credit Note subject to such assignment and a processing and recordation fee of \$3,500. Upon such execution, delivery, acceptance and recording, from and after the effective date specified in each Assignment and Acceptance, (x) the assignee thereunder shall be a party hereto and, to the extent that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance, have the rights and obligations of a Lender hereunder and (y) the Lender assignor thereunder shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights and be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto).

(b) By executing and delivering an Assignment and Acceptance, the Lender assignor thereunder and the assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other instrument or document furnished pursuant hereto; (ii) such assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of the Borrower or the performance or observance by the Borrower of any of its obligations under this Agreement or any other instrument or document furnished pursuant hereto; (iii) such assignee confirms that it has received a copy of this Agreement, together with copies of the financial statements referred to in Section 4.01 and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (iv) such assignee will, independently and without reliance upon the Agent, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (v) such assignee confirms that it is an Eligible Assignee; (vi) such assignee appoints and authorizes the Agent to take such action as agent on its behalf and to exercise such powers and discretion under this Agreement as are delegated to the Agent by the terms hereof, together with such powers and discretion as are reasonably incidental thereto; and (vii) such assignee agrees that it will perform in accordance with their terms all of the obligations that by the terms of this Agreement are required to be performed by it as a Lender.

(c) Upon its receipt of an Assignment and Acceptance executed by an assigning Lender and an assignee representing that it is an Eligible Assignee, together with any Revolving Credit Note or Notes subject to such assignment, the Agent shall, if such Assignment and Acceptance has been completed and is in substantially the form of Exhibit C hereto, (i) accept such Assignment and Acceptance, (ii) record the information contained therein in the Register and (iii) give prompt notice thereof to the Borrower.

(d) The Agent shall maintain at its address referred to in Section 8.02 a copy of each Assumption Agreement and each Assignment and

Acceptance delivered to and accepted by it and a register for the recordation of the names and addresses of the Lenders and the Commitment of, and principal amount of the Advances owing to, each Lender from time to time (the "Register"). The entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and the Borrower, the Agent and the Lenders may treat each Person whose name is recorded in the Register as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower or any Lender at any reasonable time and from time to time upon reasonable prior notice.

(e) Each Lender may sell participations to one or more banks or other entities (other than the Borrower or any of its Affiliates) in or to all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Commitment, the Advances owing to it and any Note or Notes held by it); provided, however, that (i) such Lender's obligations under this Agreement (including, without limitation, its Commitment to the Borrower hereunder) shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) such Lender shall remain the holder of any such Note for all purposes of this Agreement, (iv) the Borrower, the Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and (v) no participant under any such participation shall have any right to approve any amendment or waiver of any provision of this Agreement or any Note, or any consent to any departure by the Borrower therefrom, except to the extent that such amendment, waiver or consent would reduce the principal of, or interest on, the Notes or any fees or other amounts payable hereunder, in each case to the extent subject to such participation, or postpone any date fixed for any payment of principal of, or interest on, the Notes or any fees or other amounts payable hereunder, in each case to the extent subject to such participation.

(f) Any Lender may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 8.07, disclose to the assignee or participant or proposed assignee or participant, any information relating to the Borrower furnished to such Lender by or on behalf of the Borrower; provided that, prior to any such disclosure, the assignee or participant or proposed assignee or participant shall agree in writing to be bound by the terms of Section 8.08.

(g) Notwithstanding any other provision set forth in this Agreement, any Lender may at any time create a security interest in all or any portion of its rights under this Agreement (including, without limitation, the Advances owing to it and any Note or Notes held by it) in favor of any Federal Reserve Bank in accordance with Regulation A of the Board of Governors of the Federal Reserve System.

SECTION 8.08. Confidentiality. Each Lender and the Agent agrees (on behalf of itself and each of its Affiliates, directors, employees and representatives) to use reasonable precautions to keep confidential, in accordance with safe and sound banking practices, any non-public information supplied to it by the Borrower pursuant to this Agreement after such information is identified by the Borrower as being confidential, provided that nothing herein shall limit the disclosure of any such information (a) to the extent required by statute, rule, regulation or judicial process, provided that the Borrower is given prompt written notice (to the extent permitted by law) that such disclosure is required, (b) to counsel for any of the Lenders of the Agent, (c) to bank examiners, auditors or accountants, (d) in connection with any litigation to which any one or more of the Lenders is a party, provided that the Borrower has been given prompt prior written notice

(to the extent permitted by law) of such proposed disclosure or (e) to any assignee or participant (or prospective assignee or participant) so long as such assignee or participant (or prospective assignee or participant) agrees in writing to be bound by the terms of this Section 8.08.

SECTION 8.09. Governing Law. This Agreement and the Notes shall be governed by, and construed in accordance with, the laws of the State of New York.

SECTION 8.10. Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by telecopier shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 8.11. Jurisdiction, Etc. (a) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any New York State court or federal court of the United States of America sitting in New York City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or the Notes, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in any such New York State court or, to the extent permitted by law, in such federal court. The Borrower hereby further irrevocably consents to the service of process in any action or proceeding in such courts by the mailing thereof by any parties hereto by registered or certified mail, postage prepaid, to the Borrower at its address specified pursuant to Section 8.02. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law, provided that this sentence shall not limit the right of any party hereto to appeal any judgment. Nothing in this Agreement shall affect any right that any party may otherwise have to bring any action or proceeding relating to this Agreement or the Notes in the courts of any jurisdiction.

(b) Each of the parties hereto irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the Notes in any New York State or federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

SECTION 8.12. Waiver of Jury Trial. Each of the Borrower, the Agent and the Lenders hereby irrevocably waives all right to trial by jury in any action, proceeding or counterclaim (whether based on contract, tort or otherwise) arising out of or relating to this Agreement or the Notes or the actions of the Agent or any Lender in the negotiation, administration, performance or enforcement thereof.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their respective officers thereunto duly authorized, as of the date first above written.

Ladies and Gentlemen:

Re: 364-Day Credit Agreement

I am the Vice President, Legal Affairs of Applied Materials, Inc. (the "Borrower") and have acted as its counsel in connection with the execution and delivery of that certain 364-Day Credit Agreement (the "Credit Agreement") dated as of March 10, 2000 among the Borrower, the Lenders signatory thereto, Bank of America, N.A., as Co-Agent, and Citicorp USA, Inc., as Agent. Except as otherwise defined herein, all terms used herein and defined in the Credit agreement or any agreement delivered thereunder shall have the meanings assigned to them therein.

In connection with this opinion, I have examined executed copies of the Credit Agreement and the Notes and such other documents, records, agreements and certificates as I have deemed appropriate. I have also reviewed such matters of law as I have considered relevant for the purpose of this opinion.

Based upon the foregoing, I am of the opinion that:

1. The Borrower is a corporation duly incorporated, validly existing and in good standing under the laws of the State of Delaware, and has the corporate power and authority to own its assets and to transact the business in which it is now engaged or proposes to be engaged.

2. The execution, delivery and performance by the Borrower of the Credit Agreement and the Notes are within the Borrower's corporate powers, have been duly authorized by all necessary corporate action, require no action by or in respect of, or filing with, any governmental body, agency or official and do not contravene, or constitute a default under, any provision of applicable law or regulation or of the certificate of incorporation or by-laws of the Borrower or, to the best of my knowledge, of (i) any judgment, injunction, order or decree, or (ii) any material agreement or other material instrument binding upon the Borrower, or result in the creating or imposition of any Lien on any asset of the Borrower.

3. To the best of my knowledge, except as set forth under the heading "Legal Proceedings" in the Company's 1999 Form 10-K, there are no pending or threatened actions, suits or proceedings against or affecting the Company or any of its Subsidiaries before any court, governmental agency or arbitrator in which there is a reasonable possibility of an adverse determination which would have a Material Adverse Effect, or which in any manner draws into question the validity of the Credit Agreement or the Notes.

Certain Assumptions

With your permission I have assumed the following: (a) the authenticity of original documents and the genuineness of all signatures; (b) the conformity to the originals of all documents submitted to me as copies and the truth, accuracy, and completeness of the information, representations and warranties contained in the records, documents, instruments and certificates I have reviewed; and (c) the absence of any evidence extrinsic to the provisions of the written agreements between the parties that the parties intended a meaning contrary to that expressed by those provisions.

Certain Limitations and Qualifications

I express no opinion as to laws other than laws of the State of California, the federal law of the United States of America and the General Corporation Law of the State of Delaware. I am licensed to practice law only in the State of California.

The phrase "to the best of my knowledge" is intended to indicate that, during the course of the performance of my duties as Managing Director, Legal Affairs, of the Borrower, no information that would give me current actual knowledge of the inaccuracy of such statement has come to my attention.

Use of Opinion

This opinion is solely for your benefit (and the benefit of any assignee which becomes a Lender pursuant to Section 8.07 of the Credit Agreement) in connection with the transaction covered by the first paragraph of this letter and may not be relied upon, used, circulated, quoted or referred to, nor may copies hereof be delivered to, any other person without my prior written approval. I disclaim any obligation to update this opinion for events occurring or coming to my attention after the date hereof.

To the Lenders and the Agent

Re: 364-Day Credit Agreement

We have acted as counsel to Applied Materials, Inc., a Delaware corporation (the "Borrower") in connection with that certain 364-Day Credit Agreement (the "Agreement") dated as of March 10, 2000 among the Borrower, the lenders signatory thereto (the "Lenders"), Bank of America, N.A., as Co-Agent,

and Citicorp USA, Inc., as Agent. The capitalized terms herein are used as defined in the Credit Agreement.

In this regard, we have examined executed originals or copies of the following, copies of which have been delivered to you:

- (a) The Agreement; and
- (b) The Notes.

Based upon such examination and having regard for legal considerations which we deem relevant, we are of the opinion that the Agreement is and, when delivered under the Agreement, each Note will be, the legal, valid and binding obligation of the Borrower, enforceable against the Borrower in accordance with its respective terms.

With your permission we have assumed the following: (a) authenticity of original documents and the genuineness of all signatures; (b) the conformity to the originals of all documents submitted to us as copies; (c) the truth, accuracy, and completeness of the information, representations and warranties contained in the records, documents, instruments and certificates we have reviewed; (d) that the documents referred to herein were duly authorized, executed and delivered on behalf of the respective parties thereto and, other than with respect to the Borrower, are legal, valid, and binding obligations of such parties; (e) the compliance by you with any state or federal laws or regulations applicable to you in connection with the transactions described in the Agreement and the Notes; and (f) the absence of any evidence extrinsic to the provisions of the written agreements between the parties that the parties intended a meaning contrary to that expressed by those provisions.

We express no opinion as to matters of law in jurisdictions other than the State of New York and the United States.

Our opinion that any document is legal, valid, binding, or enforceable in accordance with its term is qualified as to:

- (a) limitations imposed by bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium, or other laws relating to or affecting the enforcement of creditors' rights generally;
- (b) general principles of equity, including without limitation concepts of mutuality, reasonableness, good faith and fair dealing, and the possible unavailability of specific performance or injunctive relief, regardless of whether such enforceability is considered in a proceeding in equity or at law;
- (c) the possibility that certain covenants and provisions for the acceleration of the maturity of the Notes may not be enforceable if enforcement would be unreasonable under the then existing circumstances, but in our opinion acceleration would be available if an event of default occurred as a result of a material breach of a material covenant;
- (d) the unenforceability under certain circumstances of provisions imposing penalties, forfeiture, late payment charges or an increase in interest rate upon delinquency in payment or the occurrence of any event of default;
- (e) rights to indemnification and contribution which may be

limited by applicable law and equitable principles; and

(f) the unenforceability under certain circumstances of provisions expressly or by implication waiving broadly or vaguely stated rights (including, without limitation, waivers of any objection to venue and forum non conveniens and the rights to a jury trial), the benefits of statutory constitutional provisions, unknown future rights, and defenses to obligations or rights granted by law, where such waivers are against public policy or prohibited by law.

We note that you are receiving of even date herewith the opinion of Barry Quan, Managing Director, Legal Affairs of the Borrower, as to certain matters relating to the Borrower. We have made no independent examination of such matters. We note for your information that Donald A. Slichter, the Secretary of the Borrower, is a partner in our firm.

This opinion is solely for your benefit (and the benefit of the Lenders which become parties to the Agreement as assignees under Section 8.07 of the Agreement) in connection with the transaction covered by the first paragraph of this letter and may not be relied upon, used, circulated, quoted or referred to by, nor may copies hereof be delivered to, any other person without our prior written approval. We disclaim any obligation to update this opinion letter for events occurring or coming to our attention after the date hereof.
