Dear Sirs:

In connection with the public offering of shares of beneficial interest, \$.01 par value, of Dean Witter World Wide Investment Trust (the "Fund"), I have examined such corporate records and documents and have made such further investigation and examination as I have deemed necessary for the purpose of this opinion.

It is my opinion, as Legal Counsel for the Fund, that the Fund is a business trust duly organized and validly existing under the laws of the Commonwealth of Massachusetts and that the shares of beneficial interest covered by the Rule 24f-2 Notice, dated May 13, 1994 (File No. 811-3800 and 2-85148), were issued and paid for in accordance with the terms of the offering, as set forth in the prospectus filed as part of the Registration Statement, as amended, of the Trust and were legally issued, fully paid and non-assessable by the Trust.

I hereby consent to the filing of this opinion as an exhibit to the Notice pursuant to Rule 24f-2. In giving this consent, I do not thereby admit that I am within the category of persons whose consent is required under Section 7 of the Securities Act of 1933, as amended, or the rules and requisitions of the Securities and Exchange Commission thereunder.

Very truly yours,

/s/ Sheldon Curtis
