These restricted Units were granted effective December 1, 2004 under the 2004 Crescent Real Estate Equities Limited Partnership Long Term Incentive Plan (the “2004 LTIP Plan”) and the partnership agreement of the Operating Partnership. The restricted units vest in 20% increments when the average closing price of the Company’s common shares on the New York Stock Exchange for the immediately preceding 40 trading days equals or exceeds \$19.00, \$20.00, \$21.00, \$22.50 and \$24.00. The 2004 LTIP Plan also gives discretion to the General Partner to establish one or more alternative objective annual performance targets for the Company. Any restricted Unit that is not vested on or prior to June 30, 2010 will be forfeited. Each vested restricted Unit will be exchangeable, beginning on the second anniversary of the date of grant, for cash equal to the value of two Common Shares based on the closing price of the Common Shares on the date of exchange, and subject to a six-month holding period following vesting, unless, prior to the date of the exchange, the Company requests and obtains shareholder approval authorizing it, in its discretion, to deliver instead two Common Shares in exchange for each such restricted Unit. Regular quarterly distributions accrue on unvested restricted Units and are payable upon vesting of the restricted Units.

Compensation of Trust Managers

See Item 10. “Trust Managers and Executive Officers of the Registrant – Trust Manager Compensation.”

Employment Agreement

As part of the transactions in connection with formation of the Company, the Operating Partnership assumed an employment agreement between Rainwater, Inc. and John C. Goff. The Operating Partnership takes action through the General Partner. Mr. Goff serves as the sole member of the board of directors of the General Partner. On February 19, 2002, the Company, the Operating Partnership and Mr. Goff entered into a new employment agreement, which will terminate on February 19, 2007, pursuant to which Mr. Goff is entitled to an annual salary of \$900,000 for 2004 and a bonus as determined in the discretion of the Compensation Committee of the General Partner. In addition, pursuant to the employment agreement, Mr. Goff was provided the right to earn (i) 300,000 shares of restricted stock, one-third of which will be earned on each of February 19, 2005, 2006 and 2007 and (ii) 1,500,000 Unit Options, one-fifth of which will be earned on each of February 19, 2003 through 2007. The Units underlying such Unit Options are exchangeable into two Common Shares of the Company upon the satisfaction of certain conditions, including shareholder approval of the exchange right.

The salary under the employment agreement, which is not subject to a cap, may be increased at the discretion of the Operating Partnership or, upon the Operating Partnership’s request, the Executive Compensation Committee of the Company may review and ratify all such increases in salary. The Operating Partnership similarly determines any bonus to be paid under the employment agreement, unless it requests the Executive Compensation Committee to review and ratify any such bonuses granted to Mr. Goff.

Agreements Not to Compete

The Company and the Operating Partnership are dependent on the services of Richard E. Rainwater and John C. Goff. Mr. Rainwater serves as Chairman of the Board of Trust Managers but has no employment agreement with the Company and, therefore, is not obligated to remain with the Company for any specified term. In connection with the initial

[Table of Contents](#)

public offering of the Common Shares in May 1994, each of Messrs. Rainwater and Goff entered into a Noncompetition Agreement with the Company that restricts him from engaging in certain real estate-related activities during specified periods of time.

The restrictions that Mr. Rainwater's Noncompetition Agreement imposes will terminate one year after the later to occur of (i) the date on which Mr. Rainwater ceases to serve as a trust manager of the Company, and (ii) the date on which Mr. Rainwater's beneficial ownership of the Company (including Common Shares and Units) first represents less than a 2.5% ownership interest in the Company. The restrictions that Mr. Goff's Noncompetition Agreement imposes will terminate one year after Mr. Goff first ceases to be a trust manager or an executive officer of the Company. The Noncompetition Agreements do not, among other things, prohibit Messrs. Rainwater and Goff from engaging in certain activities in which they were engaged at the time of formation of the Company in 1994 or from making certain passive real estate investments.

Compensation Committee Interlocks and Insider Participation

Messrs. Frank, Rowsey and Worrell, all of whom are members of the Board of Trust Managers of the Company, served as members of the Executive Compensation Committee during 2004. Mr. Frank has borrowed certain funds from the Operating Partnership in connection with the exercise of Options, as described in "Certain Relationships and Related Transactions" below.

Transactions with COPI

On February 14 2002, the Company entered into an agreement with Crescent Operating, Inc., or COPI, pursuant to which the Company and COPI agreed to jointly seek approval by the bankruptcy court of a pre-packaged bankruptcy plan for COPI. The Company agreed to fund certain of COPI's costs, claims and expenses relating to the bankruptcy and related transactions. During the year ended December 31, 2004, the Company loaned to COPI, or paid directly on COPI's behalf, approximately \$2.6 million to fund these costs, claims and expenses. The Company also agreed to issue common shares with a minimum dollar value of approximately \$2.2 million to the COPI stockholders.

In addition, the Company agreed to use commercially reasonable efforts to assist COPI in arranging COPI's repayment of its \$15.0 million obligation to Bank of America, together with any accrued interest. COPI obtained the loan from Bank of America primarily to participate in investments with the Company. As a condition to making the loan, Bank of America required Richard E. Rainwater, the Chairman of the Company's Board of Trust Managers, and John C. Goff, the Vice-Chairman of the Company's Board of Trust Managers and the Company's Chief Executive Officer, to enter into a support agreement with COPI and Bank of America, pursuant to which Messrs. Rainwater and Goff agreed to make additional equity investments in COPI under certain circumstances. COPI used the proceeds of the sale of its interest in AmeriCold Logistics LLC to repay Bank of America in full.

Pursuant to the agreement, the current and former directors and officers of COPI and the Company's current and former trust managers and officers received a release from COPI of liability for any actions taken prior to February 14, 2002, and received certain liability releases from COPI and its stockholders under the COPI bankruptcy plan. Messrs. Rainwater and Goff are, respectively, the Chairman of the Board and the Vice Chairman of the Board of the Company and, until February 14, 2002, were also, respectively, the Chairman of the Board and the Vice Chairman of the Board of COPI. In addition, Mr. Goff serves as the Chief Executive Officer of the Company and the General Partner and as the sole director of the General Partner and, until February 14, 2002, also served as Chief Executive Officer of COPI. Messrs. Frank and Rowsey are members of the Board of the Company and, until their resignations on February 14, 2002, were members of the board of directors of COPI.

On March 10, 2003, COPI filed a plan under Chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Northern District of Texas. On June 22, 2004, the bankruptcy court confirmed the bankruptcy plan, as amended. On November 4, 2004, COPI sold its interest in AmeriCold Logistics, LLC to AmeriCold Realty Trust for approximately \$19.1 million. In accordance with the confirmed bankruptcy plan, COPI used approximately \$15.4 million of the proceeds to repay the loan from Bank of America, including accrued interest. In addition, in accordance with the bankruptcy plan, COPI used approximately \$4.4 million of the proceeds to satisfy a portion of its debt obligations to the Company.

On January 19, 2005, the bankruptcy plan became effective upon COPI's providing notification to the bankruptcy court that all conditions to effectiveness had been satisfied. Following the effectiveness of the bankruptcy plan, the Company issued 184,075 Common Shares to the stockholders of COPI in satisfaction of the Company's final obligation under the agreement with COPI. The Common Shares were valued at approximately \$3.0 million in accordance with the terms of the Company's agreement with COPI and the provisions of the bankruptcy plan. As stockholders of COPI, certain of the Company's trust managers and executive officers, as a group, received an aggregate of 25,946 Common Shares. Of this amount 19,347 Common Shares were issued to Richard E. Rainwater, the Chairman of the Board of Trust Managers of the Company, and certain of his affiliates and an aggregate of 6,599 Common Shares were issued to other trust managers and executive officers of the Company who held stock in COPI.

DBL Holdings, Inc.

Between June 1999 and December 2000, the Company contributed approximately \$24.2 million to DBL Holdings, Inc. ("DBL"). The contribution was used by DBL to make an equity contribution to DBL-ABC, Inc., a wholly owned subsidiary of DBL, which committed to purchase an affiliated partnership interest representing a 12.5% interest in G2 Opportunity Fund, LP ("G2"). G2 was formed for the purpose of investing principally in commercial mortgage backed securities and is managed and controlled by an entity (the "G2 General Partner") that is owned equally by Goff-Moore

Strategic Partners, L.P. (“GMSP”) and GMAC Commercial Mortgage Corporation. The G2 General Partner is entitled to an annual asset management fee. Additionally, the G2 General Partner has a 1% interest in profits and losses of G2 and, after payment of specified amounts to partners, a promoted interest based on payments to unaffiliated limited partners. As an affiliated limited partner, DBL-ABC, Inc.’s returns are not impacted by the G2 General Partner’s promoted interest. As of December 31, 2004, DBL-ABC, Inc. has received approximately \$22.4 million cumulative distributions. The investment balance as of December 31, 2004, was approximately \$13.0 million. In February 2005, the Company received a cash distribution of approximately \$17.9 million from DBL, bringing the total distributions to \$40.3 million on an initial investment of \$24.2 million.

The ownership structure of GMSP consists of an approximately 86% limited partnership interest owned directly and indirectly by Richard E. Rainwater, Chairman of the Board of Trust Managers of the Company, and an approximately 14% general partnership interest, of which approximately 6% is owned by Darla Moore, who is married to Mr. Rainwater, and approximately 6% is owned by John C. Goff, Vice-Chairman of the Company’s Board of Trust Managers and Chief Executive Officer of the Company. The remaining approximately 2% general partnership interest is owned by unrelated parties. The Company reimbursed GMSP for the part-time services of an accountant in the amount of \$130,180.00 for 2004.

Canyon Ranch

On January 18, 2005, the Company contributed the Canyon Ranch Tucson destination resort property, the Company’s 50% interest and the Company’s preferred interest in CR Las Vegas, LLC and the Company’s 30% interest in CR License, L.L.C., CR License II, L.L.C., CR Orlando LLC and CR Miami LLC, to two newly formed entities, CR Spa, LLC and CR Operating, LLC. In exchange, the Company received a 48% common equity interest in each new entity. The remaining 52% interest in these entities is held by the founders of Canyon Ranch, who contributed their interests in CR Las Vegas, LLC, CR License II, L.L.C., CR Orlando LLC and CR Miami LLC and the resort management contracts. In addition, the Company sold the Canyon Ranch Lenox destination resort property to a subsidiary of CR Operating, LLC. The founders of Canyon Ranch sold their interest in CR License, L.L.C. to a subsidiary of CR Operating, LLC. As a result of these transactions, the new entities own the following assets: Canyon Ranch Tucson, Canyon Ranch Lenox, Canyon Ranch SpaClub at the Venetian Resort in Las Vegas, Canyon Ranch SpaClub on the Queen Mary 2 ocean liner, Canyon Ranch Living Community in Miami, Florida, Canyon Ranch SpaClub at The Gaylord Palms Resort in Kissimmee, Florida, and the Canyon Ranch trade names and trademarks.

In addition, the newly formed entities completed a private placement of Mandatorily Redeemable Convertible Preferred Membership Units for aggregate gross proceeds of approximately \$110.0 million. In this private placement, Richard E. Rainwater, Chairman of the Company’s Board of Trust Managers, and certain of his family members purchased approximately \$27.1 million of these units on terms identical to those extended to all other investors. The units are convertible into a 25% common equity interest in CR Spa, LLC and CR Operating, LLC and pay distributions at the rate of 8.5% per year in years one through seven, and 11% in years eight through ten. At the end of this period, the holders of the units are entitled to receive a premium in an amount sufficient to result in a cumulative return of 11% per year. The units are redeemable after seven years. Also on January 18, 2005, the new entities completed a \$95.0 million financing with Bank of America. The loan has an interest-only term until maturity in February 2015, bears interest at 5.94% and is secured by the Canyon Ranch Tucson and Canyon Ranch Lenox destination resort properties. As a result of these transactions, the Company received proceeds of approximately \$91.9 million, which were used to pay down or defease debt related to the Company’s previous investment in the properties and to pay down the Company’s credit facility.

In connection with this transaction, the Company has agreed to indemnify the founders regarding the tax treatment of this transaction, not to exceed \$2.5 million, and other matters. The Company believes there is a remote likelihood that payment will ever be made related to these indemnities.

Other

The Company has a policy which allows employees to purchase the Company’s residential properties marketed and sold by the Company’s subsidiaries in the ordinary course of business. This policy requires the individual to purchase the property for personal use or investment and requires the property to be held for at least two years. In addition, this policy requires, among other things, that the prices paid by affiliates must be equivalent to the prices paid by unaffiliated third parties for similar properties in the same development and that the other terms and conditions of the transaction must be at least as beneficial to the Company as the terms and conditions with respect to the other properties in the same development. In the first quarter of 2005, two executive officers entered into binding contracts to purchase three condominium units at two of the Company’s residential development projects for aggregate consideration of approximately \$3,295,000.

Management believes that the foregoing transactions are on terms no less favorable than those that could have been obtained in comparable transactions with unaffiliated parties.
