PROXY STATEMENT/PROSPECTUS

_____, 2013

Introduction

This Proxy Statement/Prospectus contains information that shareholders of the Invesco High Yield Securities Fund (the “Target Fund”), a series of AIM Investment Securities Funds (Invesco Investment Securities Funds) (the “Trust”), should know before voting on the proposed reorganization that is described herein, and should be retained for future reference. This document is both the proxy statement of the Target Fund and also a prospectus for the Invesco High Yield Fund (the “Acquiring Fund”), which is a series of the Trust. The Target Fund and the Acquiring Fund are a series of a registered open-end management investment company. The Target Fund and the Acquiring Fund collectively are referred to as the “Funds” and individually as a “Fund.”

A special meeting of the shareholders of the Target Fund (the “Meeting”) will be held at 11 Greenway Plaza, Suite 1000, Houston, Texas 77046 on April 24, 2013, at 3:00 p.m., Central time. At the Meeting, shareholders of the Target Fund will be asked to consider the following proposal:

To approve an Agreement and Plan of Reorganization between the Target Fund and the Acquiring Fund, providing for: (a) the acquisition of all of the assets and assumption of all of the liabilities of the Target Fund by the Acquiring Fund in exchange for shares of a corresponding class of the Acquiring Fund; (b) the distribution of such shares of the corresponding class to the shareholders of the Target Fund; and (c) the liquidation and termination of the Target Fund (the “Reorganization”).

The total value of the Acquiring Fund shares of each class that shareholders will receive in the Reorganization will be the same as the total value of the shares of each corresponding class of the Target Fund that shareholders held immediately prior to the Reorganization. The Reorganization is anticipated to be a tax-free transaction, meaning that shareholders should not be required to pay any federal income tax in connection with the Reorganization. No sales charges will be imposed in connection with the Reorganization.

The Board of Trustees of the Trust (the “Board”) has fixed the close of business on January 24, 2013, as the record date (“Record Date”) for the determination of shareholders entitled to notice of and to vote at the Meeting and at any adjournment thereof. Shareholders of the Target Fund on the Record Date will be entitled to one vote for each share of the Target Fund held (and a proportionate fractional vote for each fractional share). This Proxy Statement/Prospectus, the enclosed Notice of Special Meeting of Shareholders, and the enclosed proxy card will be mailed on or about February 20, 2013, to all shareholders eligible to vote on the Reorganization.

The Board has approved the Agreement and Plan of Reorganization and has determined that the Reorganization is in the best interests of the Target Fund and the Acquiring Fund and will not dilute the interests of the existing shareholders of the Target Fund or the Acquiring Fund. If shareholders of the Target Fund do not approve the Reorganization, the Board will consider what further action is appropriate for the Target Fund.

PROPOSAL: TO APPROVE AN AGREEMENT AND PLAN OF REORGANIZATION

Shareholders of the Target Fund are being asked to consider and approve an Agreement and Plan of Reorganization (the “Agreement”) that will have the effect of reorganizing the Target Fund with and into the Acquiring Fund, as summarized below. The Agreement provides for (a) the acquisition of all of the assets and assumption of all of the liabilities of the Target Fund by the Acquiring Fund in exchange for shares of a corresponding class of the Acquiring Fund; (b) the distribution of such shares of the corresponding class to the shareholders of the Target Fund; and (c) the liquidation and termination of the Target Fund.

SUMMARY OF KEY INFORMATION

The following is a summary of certain information contained elsewhere in this Proxy Statement/Prospectus, in the Agreement, and/or in the prospectuses and SAIs of the Funds. Shareholders should read the entire Proxy Statement/Prospectus and the prospectus of the Acquiring Fund carefully for more complete information.

On what am I being asked to vote?

As a shareholder of the Target Fund, you are being asked to consider and vote to approve the Agreement under which the assets and liabilities of the Target Fund will be transferred to the Acquiring Fund.

If shareholders of the Target Fund approve the Agreement, shares of each class of the Target Fund will be exchanged for Acquiring Fund shares of the corresponding class of equal value, which will result in your holding shares of the Acquiring Fund equal to the value of your shares of the corresponding class of the Target Fund, and the Target Fund will be liquidated and terminated.

Has my Fund’s Board of Trustees approved the Reorganization?

Yes. The Board has carefully reviewed the proposal and unanimously approved the Agreement and the Reorganization. **The Board recommends that shareholders of the Target Fund vote “FOR” the Agreement.**

What are the reasons for the proposed Reorganization?

Invesco Ltd. (“Invesco”), the indirect parent company of Invesco Advisers, Inc., the Funds’ investment adviser (“Invesco Advisers” or “Adviser”) is continually reviewing its product line to sharpen its offerings to investors. The Reorganization proposed in this Proxy Statement/Prospectus is a result of this review and is part of a larger group of reorganizations across Invesco’s mutual fund platform. The reorganizations are designed to put forth Invesco’s most compelling investment processes and strategies, reduce product overlap and create scale in the resulting funds.

In considering the Reorganization and the Agreement, the Board considered these and other factors in concluding that the Reorganization would be in the best interest of the Funds. The Board’s considerations are described in more detail in the “THE PROPOSED REORGANIZATION – Board Considerations in Approving the Reorganization” section below.

What effect will the Reorganization have on me as a shareholder?

Immediately after the Reorganization, you will hold shares of a class of the Acquiring Fund that are equal in value to the shares of the corresponding class of the Target Fund that you held immediately prior to the closing of the Reorganization. The principal differences between the Target Fund and the Acquiring Fund are described in this Proxy Statement/Prospectus. The prospectus of the Acquiring Fund that accompanies this Proxy Statement/Prospectus contains additional information about the Acquiring Fund that you will hold shares of following the Reorganization, if approved.

How do the Funds' investment objectives, principal investment strategies and risks compare?

The Acquiring Fund and the Target Fund have similar investment objectives, as described below. Each Fund's investment objective is classified as non-fundamental, which means that it can be changed by the Board without shareholder approval, although there is no present intention to do so.

Investment Objectives

Invesco High Yield Securities (Target Fund)

To earn high level of current income. A secondary objective is capital appreciation but only to the extent consistent with the primary objective.

Invesco High Yield Fund (Acquiring Fund)

To provide total return, comprised of current income and capital appreciation.

The principal investment strategies of the Acquiring Fund are similar to the principal investment strategies of the Target Fund, although the Acquiring Fund may invest in securities rated one rating category lower than the Target Fund (i.e., BB/Ba versus BBB/Baa). As a result, the risks of owning shares of the Acquiring Fund are similar to the risks of owning shares of the Target Fund, although the risks of the Funds may not be exactly the same. The sections below entitled "ADDITIONAL INFORMATION ABOUT THE FUNDS – Comparison of Principal Investment Strategies" and "Comparison of the Principal Risks of Investing in the Funds" compare the principal investment strategies and risks of the Target Fund and the Acquiring Fund and highlight certain key differences.

How do the Funds' expenses compare?

The tables below provide a summary comparison of the expenses of the Target Fund and the Acquiring Fund, as well as estimated expenses on a *pro forma* basis giving effect to the proposed Reorganization. The *pro forma* expense ratios show projected estimated expenses, but actual expenses may be greater or less than those shown.

Expense ratios reflect annual fund operating expenses for the most recent fiscal year (as disclosed in the Funds' current prospectuses) of the Funds (February 29, 2012). *Pro forma* numbers are estimated as if the Reorganization had been completed as of March 1, 2011 and do not include the estimated costs of the Reorganization. The estimated Reorganization costs that the Target Fund will bear are \$100,000. Invesco Advisers estimates that shareholders will recoup these costs through reduced direct expenses in 6 months. For more information on the costs of the Reorganization to be borne by the Funds, see "Costs of the Reorganization" below.

(1) "Other Expenses" have been restated to reflect current fees, including litigation expenses.

The Acquiring Fund is current subject to a contractual fee waiver through which Invesco Advisers, Inc. (Invesco or the Adviser) has contractually agreed to waive advisory fees and/or reimburse expenses of all shares to the extent necessary to limit Total

(2) Annual Fund Operating Expenses (excluding certain items discussed in the Acquiring Fund' s SAI) of Class A, Class B, Class C, and Class Y to 0.89%, 1.64%, 0.64%, and 0.89% respectively, of average daily net assets. This fee waiver agreement will terminate on June 30, 2013.

Expense Example

This Example is intended to help you compare the costs of investing in different classes of the Target Fund and the Acquiring Fund with the cost of investing in other mutual funds. *Pro forma* combined costs of investing in different classes of the Acquiring Fund after giving effect to the Reorganization of the Target Fund into the Acquiring Fund are also provided. All costs are based upon the information set forth in the Fee Tables above.

The Example assumes that you invest \$10,000 for the time periods indicated and shows the expenses that you would pay if you redeem all of your shares at the end of those time periods. The Example also assumes that your investment has a 5% return each year and that the operating expenses remain the same. To the extent fees are waived and/or expenses are reimbursed on a voluntary basis, your expenses will be lower. Although your actual returns and costs may be higher or lower, based on these assumptions your costs would be:

<u>Fund/Class</u>	<u>One Year</u>	<u>Three Years</u>	<u>Five Years</u>	<u>Ten Years</u>
Invesco High Yield Securities Fund (Target) – Class A	\$ 589	\$ 932	\$ 1,299	\$ 2,328

The Example is not a representation of past or future expenses. Each Fund' s actual expenses, and an investor' s direct and indirect expenses, may be more or less than those shown. The table and the assumption in the Example of a 5% annual return are required by regulations of the SEC applicable to all mutual funds. The 5% annual return is not a prediction of and does not represent the Target Fund' s or the Acquiring Fund' s projected or actual performance.

For further discussion regarding the Board' s consideration of the fees and expenses of the Funds in approving the Reorganization, see the section entitled “THE PROPOSED REORGANIZATION – Board Considerations in Approving the Reorganization” in this Proxy Statement/Prospectus.

Portfolio Turnover

Each Fund pays transaction costs, such as commissions, when it buys and sells securities (or “turns over” its portfolio). A higher portfolio turnover rate may indicate higher transaction costs and may result in higher taxes when Fund shares are held in a taxable account. These costs, which are not reflected in annual fund operating expenses or in the examples, affect each Fund' s performance.

During the fiscal year ended February 29, 2012, the Target Fund' s portfolio turnover rate was 56% of the average value of the portfolio. During the fiscal year ended February 29, 2012, the Acquiring Fund' s portfolio turnover rate was 65% of the average value of the portfolio.

How do the performance records of the Funds compare?

The performance history of each Fund for certain periods as of November 30, 2012 is shown below. The returns below may not be indicative of a Fund' s future performance. The table below compares the performance history of the Acquiring Fund' s oldest share class, Class A, to the performance history of the comparable class of the Target Fund as of November 30, 2012. Other classes of shares that are not presented would have had substantially similar annual returns because the shares are invested in the same portfolio of securities and the annual returns will differ only to the extent that the classes do not have the same expenses. The prospectuses for the Funds contain additional performance information under the headings “Performance Information” and “Financial Highlights.” Additional performance information and a discussion of performance are also included in each Fund' s most recent annual report to shareholders.

<u>Average Annual Total Returns*</u>	<u>1 Year</u>	<u>5 Years</u>	<u>10 Years</u>

Return Before Taxes	13.22%	8.13%	9.52%
Return After Taxes on Distributions	10.85%	5.10%	6.59%
Return After Taxes on Distributions and Sale of Fund Shares	8.50 %	5.05%	9.52%
Invesco High Yield Securities Fund (Target Fund) – Class A (inception date: September 26, 1979)¹			
Return Before Taxes	14.56%	7.55%	8.86%
Return After Taxes on Distributions	12.15%	4.76%	6.09%
Return After Taxes on Distributions and Sale of Fund Shares	9.35 %	4.71%	5.94%

* The above total return figures reflect the maximum front-end sales charge (load) of 4.25% applicable to Class A shares.

1 The returns shown for periods prior to June 1, 2010 are those of the Class A shares of a predecessor fund that was advised by Morgan Stanley Investment Advisors Inc. and was reorganized into the Acquiring Fund on June 1, 2010. The returns shown for periods after June 1, 2010 are

those of the Acquiring Fund. The returns of the Acquiring Fund are different from the predecessor fund as they had different expenses and sales charges.

After-tax returns are calculated using the historical highest individual federal marginal income tax rates and do not reflect the impact of state and local taxes. Actual after-tax returns depend on an investor's tax situation and may differ from those shown, and after-tax returns shown are not relevant to investors who hold their Fund shares through tax-deferred arrangements, such as 401(k) plans or individual retirement accounts.

How do the management, investment adviser and other service providers of the Funds compare?

Each Fund is overseen by the same Board and officers. In addition, Invesco Advisers, a registered investment adviser, serves as primary investment adviser for each Fund pursuant to an investment advisory agreement that contains identical terms (except for fees) for each Fund. The effective advisory fee at current breakpoint levels of the Acquiring Fund is higher than the effective advisory fee of the Target Fund. Invesco Advisers is located at 1555 Peachtree Street, N.E., Atlanta, Georgia 30309. Invesco Advisers has acted as an investment adviser since its organization in 1976. As of November 30, 2012, Invesco Advisers had \$370 billion under management. Invesco Advisers is an indirect, wholly-owned subsidiary of Invesco.

The advisory agreement applicable to the Funds provides that Invesco Advisers may delegate any and all of its rights, duties, and obligations to one or more wholly-owned affiliates of Invesco as sub-advisers (the "Invesco Sub-Advisers"). Pursuant to Master Intergroup Sub-Advisory Contracts, the Invesco Sub-Advisers may be appointed by Invesco Advisers from time to time to provide discretionary investment management services, investment advice, and/or order execution services to a Fund. The Invesco Sub-Advisers, each of which is an indirect, wholly-owned subsidiary of Invesco and a registered investment adviser under the Investment Advisers Act of 1940, are:

Invesco Asset Management Deutschland GmbH;

Invesco Asset Management Limited;

Invesco Australia Limited;

Invesco Canada Ltd.;

Invesco Hong Kong Limited;

Invesco Asset Management (Japan) Limited; and

Invesco Senior Secured Management, Inc.

Other key service providers to the Target Fund, including the administrator, transfer agent, custodian, distributor and auditor, provide the same or substantially the same services to the Acquiring Fund. The Acquiring Fund's prospectus and SAI describe the services and other arrangements with these service providers.

How do the Funds' purchase and redemption procedures and exchange policies compare?

The purchase and redemption procedures and exchange policies for each class of the Target Fund are the same as those of the corresponding class of the Acquiring Fund.

How do the Funds' sales charges and distribution arrangements compare?

The sales charges and sales charge exemptions for each class of the Target Fund are the same as those of the corresponding class of the Acquiring Fund. However, as part of the Reorganization, Class B shareholders of the Target Fund will receive Class A shares of the Acquiring Fund. Any applicable CDSC will be waived for Class B shareholders when they receive Class A shares of the Acquiring Fund. Class A shares have a different sales load structure. For more information on the sales charges and distribution and shareholder servicing arrangements of the Funds, see the section entitled "Comparison of Share Classes and Distribution Arrangements."

Will the Acquiring Fund have different portfolio managers than the Target Fund?

No. The portfolio management team for the Target Fund is the same as the portfolio management team for the Acquiring Fund. The Acquiring Fund prospectus that accompanies this Proxy Statement/Prospectus provides biographical information about the key individuals that comprise the portfolio management team for the Acquiring Fund.

Will there be any tax consequences resulting from the proposal?

The Reorganization is designed to qualify as a tax-free reorganization for federal income tax purposes and the Target Fund anticipates receiving a legal opinion to that effect although there can be no assurance that the Internal Revenue Service (“IRS”) will adopt a similar position. This means that the shareholders of the Target Fund will recognize no gain or loss for federal income tax purposes upon the exchange of all of their shares in the Target Fund for shares in the Acquiring Fund. Shareholders should consult their tax adviser about state and local tax consequences of the Reorganization, if any, because the information about tax consequences in this Proxy Statement/Prospectus relates only to the federal income tax consequences of the Reorganization.

When is the Reorganization expected to occur?

If shareholders of the Target Fund approve the Reorganization, it is anticipated that the Reorganization will occur on or around July 15, 2013.

How do I vote on the Reorganization?

There are several ways you can vote your shares, including in person at the Meeting, by mail, by telephone, or via the Internet. The proxy card that accompanies this Proxy Statement/Prospectus provides detailed instructions on how you may vote your shares. If you properly fill in and sign your proxy card and send it to us in time to vote at the Meeting, your “proxy” (the individuals named on your proxy card) will vote your shares as you have directed. If you sign your proxy card but do not make specific choices, your proxy will vote your shares **FOR** the proposal, as recommended by the Board, and in their best judgment on other matters.

What will happen if shareholders of the Target Fund do not approve the Reorganization?

If the shareholders of the Target Fund do not approve the Reorganization, the Target Fund’s Board will consider other possible courses of action for the Target Fund.

What if I do not wish to participate in the Reorganization?

If you do not wish to have your shares of the Target Fund exchanged for shares of the Acquiring Fund as part of the Reorganization that is approved by shareholders, you may redeem your shares prior to the consummation of the Reorganization. If you redeem your shares, you will incur any applicable deferred sales charge, and if you hold shares in a taxable account, you will recognize a taxable gain or loss based on the difference between your tax basis in the shares and the amount you receive for them.

Why are you sending me the Proxy Statement/Prospectus?

You are receiving this Proxy Statement/Prospectus because you own shares in the Target Fund as of the Record Date and have the right to vote on the very important proposal described herein concerning your Target Fund. This Proxy Statement/Prospectus contains information that shareholders of the Target Fund should know before voting on the proposed Reorganization. This document is both a proxy statement of the Target Fund and also a prospectus for the Acquiring Fund.

Where can I find more information about the Funds and the Reorganization?

ADDITIONAL INFORMATION ABOUT THE FUNDS

Comparison of Principal Investment Strategies

The following section compares the principal investment strategies of the Target Fund with the principal investment strategies of the Acquiring Fund and highlights any key differences. In addition to the principal investment strategies described below, each Fund is also subject to certain additional investment policies and limitations, which are described in each Fund's prospectus and SAI. The cover page of this Proxy Statement/Prospectus describes how you can obtain copies of these documents. A comparison of the principal risks associated with the Funds' investment strategies is described below under "Comparison of Principal Risks of Investing in the Funds."

Investment Strategies. The investment strategies of the Acquiring Fund and the Target Fund are similar. Each Fund invests at least 80% of its assets in fixed income securities considered below investment grade quality. The Acquiring Fund considers debt securities to be below investment grade quality if they are rated BB/Ba or lower by Standard & Poor's Rating Services, Moody's Investors Services, Inc., or any other nationally recognized statistical rating organization (NRSRO), or are determined by the portfolio managers to be of comparable quality to such rated securities. The Target Fund considers debt securities to be below investment grade quality if they are rated below Baa by Moody's Investors Services, Inc., or below BBB by Standard & Poor's Rating Services, or non-rated securities considered by the Adviser to be appropriate investments for the Target Fund. Each Fund will principally invest in junk bonds rated B or above by an NRSRO or deemed to be of comparable quality by the portfolio managers.

In complying with the 80% investment requirement, each Fund may invest in derivatives that have economic characteristics similar to each Fund's direct investments that are counted toward the 80% investment requirement. These derivative instruments may include forward currency contracts, to mitigate the risk of foreign currency exposure, and credit default swaps and credit default swap indexes, to gain or reduce exposure to an asset class or a particular issuer.

The Target Fund may invest up to 30% of its total assets in foreign securities. The Acquiring Fund may invest up to 25% of its total assets in foreign securities.

In selecting securities, the portfolio managers of each Fund focus on junk bonds that they believe have favorable prospects for high current income and the possibility of growth of capital. Before purchasing securities, the portfolio managers of each Fund conduct a bottom-up fundamental analysis of an issuer that involves an evaluation by a team of credit analysts of an issuer's financial condition. The fundamental analysis is supplemented by (i) an ongoing review of the securities' relative value compared with other junk bonds, and (ii) a top-down analysis of sector and macro-economic trends.

The portfolio managers of each Fund attempt to control each Fund's risk by (i) limiting the Fund's portfolio assets that are invested in any one security, and (ii) diversifying the Fund's portfolio holdings across different industries. The portfolio managers will consider selling a security if (1) there appears to be a deterioration in a security's risk profile, or (2) they determine that other securities offer better value.

Comparison of Principal Risks of Investing in the Funds

The table below describes the principal risks that may affect each Fund's investment portfolio. The principal risks of the Target Fund and the Acquiring Fund are similar. For more detailed information on the risks associated with the Acquiring Fund, see the "Investment Strategies and Risks" section of the Acquiring Fund's SAI.

<u>Principal Risk</u>	<u>Funds Subject to Risk</u>
<i>Foreign Securities Risk.</i> The Fund's foreign investments may be affected by changes in a foreign country's exchange rates, political and social instability, changes in economic or taxation policies, difficulties when enforcing obligations, decreased liquidity, and increased volatility. Foreign companies may be subject to less regulation resulting in less publicly available information about the companies.	Acquiring Fund
	Target Fund

Principal Risk

Funds Subject to Risk

Developing/Emerging Markets Securities Risk. Securities issued by foreign companies and governments located in developing/emerging countries may be affected more negatively by inflation, devaluation of their currencies, higher transaction costs, delays in settlement, adverse political developments, the introduction of capital controls, withholding taxes, nationalization of private assets, expropriation, social unrest, war or lack of timely information than those in developed countries.

Acquiring Fund

Target Fund

Management Risk. The investment techniques and risk analysis used by the Fund' s portfolio managers may not produce the desired results.

Acquiring Fund

Target Fund

Market Risk. The prices of and the income generated by the Fund' s securities may decline in response to, among other things, investor sentiment, general economic and market conditions, regional or global instability, and currency and interest rate fluctuations.

Acquiring Fund

Target Fund

Derivatives Risk. The performance of derivative instruments is tied to the performance of an underlying currency, security, index or other instrument. In addition to risks relating to their underlying instruments, the use of derivatives may include other, possibly greater, risks. Derivatives involve costs, may be volatile, and may involve a small initial investment relative to the risk assumed. Risks associated with the use of derivatives may include counterparty, leverage, correlation, liquidity, tax, market, interest rate and management risks. Derivatives may also be more difficult to purchase, sell or value than other investments. The Fund may lose more than the cash amount invested on investments in derivatives. Investors should bear in mind that, while the Fund intends to use derivative strategies, it is not obligated to actively engage in these transactions, generally or in any particular kind of derivative, if the investment manager elects not to do so due to availability, cost, market conditions or other factors.

Acquiring Fund

Target Fund

Credit Risk. The issuer of instruments in which the Fund invests may be unable to meet interest and/or principal payments, thereby causing its instruments to decrease in value and lowering the issuer' s credit rating.

Acquiring Fund

Target Fund

Debt Securities Risk. The Target Fund may invest in debt securities that are affected by changing interest rates and changes in their effective maturities and credit quality

Acquiring Fund

Target Fund

High Yield Bond (Junk Bond) Risk. Junk bonds involve a greater risk of default or price changes due to changes in the credit quality of the issuer. The values of junk bonds fluctuate more than those of high-quality bonds in response to company, political, regulatory or economic developments. Values of junk bonds can decline significantly over short periods of time.

Acquiring Fund

Target Fund

Interest Rate Risk. Interest rate risk refers to the risk that bond prices generally fall as interest rates rise; conversely, bond prices generally rise as interest rates fall. Specific bonds differ in their sensitivity to changes in interest rates depending on their individual characteristics, including duration.

Acquiring Fund

Target Fund

Public Bank Loans. Certain public bank loans are illiquid, meaning the Fund may not be able to sell them quickly at a fair price. Illiquid securities are also difficult to value. Public bank loans are subject to the risk of default in the payment of interest or principal on a loan, which will result in a reduction of income to the Fund, and a potential decrease in the Fund' s net asset value. Public bank loans present a greater degree of investment risk due to the fact that the cash flow or other property of the borrower securing the bank loan may be insufficient to meet scheduled payments.

Target Fund

<u>Principal Risk</u>	<u>Funds Subject to Risk</u>
<i>Convertible Securities Risk.</i> The Fund may own convertible securities, the value of which may be affected by market interest rates, the risk that the issuer will default, the value of the underlying stock or the right of the issuer to buy back the convertible securities.	Target Fund
<i>Defaulted Securities Risk.</i> Defaulted securities involve the substantial risk that principal will not be repaid. Defaulted securities and any securities received in an exchange for such securities may be subject to restrictions on resale.	Target Fund
<i>Liquidity Risk.</i> The Fund may hold illiquid securities that it is unable to sell at the preferred time or price and could lose its entire investment in such securities. Rule 144A securities could have the effect of increasing the level of Fund illiquidity to the extent the Fund may be unable to find qualified institutional buyers interested in purchasing the securities.	Target Fund
<i>Reinvestment Risk.</i> Reinvestment risk is the risk that a bond's cash flows (coupon income and principal repayment) will be reinvested at an interest rate below that on the original bond.	Acquiring Fund
<i>Synthetic Securities Risk.</i> Fluctuations in the values of synthetic securities may not correlate perfectly with the instruments they are designed to replicate. Synthetic securities may be subject to interest rate changes, market price fluctuations, counterparty risk and liquidity risk.	Acquiring Fund

Comparison of Fundamental and Non-Fundamental Investment Restrictions

Both Funds have adopted fundamental investment restrictions concerning, among other things, diversification of the Fund's investment portfolio, concentration in particular industries, borrowing and loaning money, and investing in real estate and commodities. Fundamental investment restrictions of a Fund cannot be changed without shareholder approval. Non-fundamental investment restrictions of the Target Fund and those of the Acquiring Fund are the same. The non-fundamental investment restrictions of the Target Fund and the Acquiring Fund are also the same, except that the Target Fund has a non-fundamental investment restriction that requires the Fund to invest, under normal market conditions, at least 80% of its net assets, plus the amount of any borrowings for investment purposes, in fixed-income securities (including zero coupon securities) rated below Baa by Moody's or below BBB by S&P, or in non-rated securities considered by the Adviser to be appropriate investments for the Fund. The Acquiring Fund has a non-fundamental investment restriction that requires the Fund to invest, under normal market conditions, at least 80% of its net assets (plus any borrowings for investment purposes) in debt securities that are determined to be below investment grade quality.

The Target Fund and the Acquiring Fund may be subject to other investment restrictions that are not identified above. A full description of each Target Fund's and the Acquiring Fund's investment policies and restrictions may be found in its respective SAI.

Comparison of Share Classes and Distribution Arrangements

Shares of each class of the Target Fund will be exchanged for shares of a specific class of the Acquiring Fund. The following subsections identify the Acquiring Fund share class that corresponds with the Target Fund share class as well as the different distribution arrangements among the various share classes.

Class Structure. The Funds each offer multiple share classes. Each such class offers a distinct structure of sales charges, distribution and/or service fees, and reductions and waivers thereto, which are designed to address a variety of shareholder servicing needs. In addition, some share classes have certain eligibility requirements that must be met to invest in that class of shares. The eligibility requirements are the same for each Fund and are described in the Funds' prospectuses.

The share classes offered by the Target Fund and the corresponding share classes of the Acquiring Fund that Target Fund shareholders will receive in connection with the Reorganization are as follows:

Target Fund Share Classes	Acquiring Fund Share Classes
Class A	Class A
Class B	Class A
Class C	Class C
Class Y	Class Y

The Target Fund does not currently offer Class B shares to new investors. Target Fund shareholders who hold Class B shares will be reorganized into Class A shares of the Acquiring Fund.

Sales Charges. Class A shares of the Acquiring Fund can be purchased at the public offering price, which includes an initial sales charge ranging from 4.25% to zero, depending on the amount of your investment. The Acquiring Fund offers reductions and waivers of the initial sales charge on Class A shares to certain eligible investors or under certain circumstances, which are similar between the Funds. The prospectuses and statements of additional information of the Funds describe in detail these reductions and waivers. Class C shares of each Fund are sold with a contingent deferred sales charge that may be imposed when the shares are sold. Class A shares may also be subject to a contingent deferred sales charge on purchases of \$1 million or more if redeemed prior to 18 months after the date of purchase. Each Fund offers reductions and waivers of the initial sales charge and contingent deferred sales charge to certain eligible investors or under certain circumstances, which are substantially the same between the Funds. Class Y shares are sold without any initial sales charge or contingent deferred sales charge. Each share class except Class Y imposes an asset based sales charge or service fee under one or more plans adopted by the Board, which are described in the following section. The Funds' prospectuses describe the sales charge schedules and applicable waivers and exemptions of each such share class.

You will not pay an initial sales charge on Acquiring Fund Class A shares that you receive in connection with the Reorganization. In addition, the exchange of Class A shares or Class B shares of the Target Fund for Class A shares of the Acquiring Fund, or Class C shares of the Target Fund for Class C shares of the Acquiring Fund, at the consummation of the Reorganization will not result in the imposition of any contingent deferred sales charge that applies to those share classes. Any CDSC applicable to Class B shares of the Target Fund will be waived and will not apply to Class A shares of the Acquiring Fund received in the Reorganization. Upon consummation of the Reorganization, former Target Fund shareholders of Class A or Class C shares will be credited for the period of time from their original date of purchase of the Target Fund Class A shares or Class C shares for purposes of determining the amount of any contingent deferred sales charge that may be due upon subsequent redemption, if any. The Acquiring Fund initial sales charges for Class A shares and contingent deferred sales charges that apply to Class A shares and Class C shares will apply to any Class A shares or Class C shares of the Acquiring Fund purchased after the Reorganization, unless you are eligible for a reduction or waiver of the initial sales charge or contingent deferred sales charge.

The sales charge schedule (if any) of the other share classes of the Target Fund are the same as the sales charge schedule (if any) of the corresponding share classes of the Acquiring Fund. The Funds' prospectuses describe the principal sales charges applicable to each such share class.

Distribution Fees. The Funds have adopted distribution plans and service plans (together, the "Distribution Plans") pursuant to Rule 12b-1 under the Investment Company Act of 1940, as amended (the "1940 Act"), with respect to each of their Class A, Class B and Class C shares. Class Y shares of the Funds are not subject to the Distribution Plans.

Pursuant to the Target Fund's Distribution Plan, the Target Fund is authorized to make payments to Invesco Distributors, Inc., the Funds' principal underwriter ("IDI") in connection with the distribution of Target Fund shares and providing shareholder services at the annual rate of up to 0.25% of the Target Fund's average daily net assets attributable to Class A shares, at the annual rate of up to 0.75% of the Target Fund's average daily net assets attributable to Class B shares (Target Fund shareholders who hold Class B shares will be reorganized into Class A shares of the Acquiring Fund), and at the annual rate of 0.85% of the Target Fund's average daily net assets attributable to Class C shares. Notwithstanding the foregoing expense limits, however, IDI may be reimbursed from the Target Fund only up to the amount it has spent on activities or expenses primarily intended to result in the sale of shares or the servicing of shareholders. This type of Distribution Plan is sometimes referred to as a "reimbursement-type" plan because the underwriter is only entitled to be reimbursed for its plan-related expenses.

The Distribution Plans for the Acquiring Fund and the Target Funds are similar except that IDI is entitled to be paid by the Acquiring Fund the maximum amounts described above (i.e., 0.25% for Class A shares and 1.00% for Class B and Class C shares) regardless of the amount IDI has spent on activities or expenses intended to result in the sale of shares or the servicing of shareholders. This type of Distribution Plan is sometimes referred to as a “compensation-type” plan because the underwriter is compensated at a fixed rate, regardless of its actual distribution and service-related expenditures. Thus it is possible that under the Acquiring Fund’s Distribution Plan the underwriter could, in practice, receive payments in excess of the amounts actually paid under the Target Fund’s “reimbursement” type Distribution Plan.

The fee table under the “SUMMARY OF KEY INFORMATION – How do the Funds’ expenses compare” section of this Proxy Statement/Prospectus describes the fees paid under each Funds’ Distribution Plan for a recent period as well as an estimate of the fees to be paid under the Distribution Plan following the Reorganization.

Comparison of Purchase and Redemption Procedures

The purchase procedures employed by the Target Fund and the Acquiring Fund are the same. Each Fund offers shares through its distributor on a continuous basis. Shares of the Funds may be purchased directly through the transfer agent and through other authorized financial intermediaries. Investors may purchase both initial and additional shares by mail, wire, telephone or the internet. The Acquiring Fund prospectus enclosed with this Proxy Statement/Prospectus describes in detail how shareholders can purchase Acquiring Fund shares. Class A, Class B (closed to new investments, except dividend reinvestments), Class C, and Class Y shares of the Funds require a minimum investment of \$1,000 (\$250 for IRA, Roth IRA, and Coverdell Education Savings Accounts). There is no minimum investment required to purchase Class R shares. The Acquiring Fund’s prospectus describes the types of accounts to which the minimum initial investment applies. For accounts participating in a systematic investment program, the minimum investment is \$50 (\$25 for IRA, Roth IRA, and Coverdell Education Savings Accounts). Certain exemptions apply as set forth in the Funds’ prospectuses. The foregoing investment minimums will not apply to shares received in connection with the Reorganization. However, investors may be charged a small-account fee if account balances remain below the required investment minimum for certain periods. See the Funds’ prospectuses for details.

Comparison of Distribution Policies

Each Fund generally declares and pays dividends from net investment income, if any, monthly, and capital gains distributions, if any, at least annually. Each Fund may also declare and pay capital gains distributions more frequently, if necessary, in order to reduce or eliminate federal excise or income taxes on the Fund. Each Fund automatically reinvests any dividends from net investment income or capital gains distributions, unless otherwise instructed by a shareholder to pay dividends and distributions in cash.

Forms of Organization and Securities to be Issued

The Acquiring Fund and the Target Fund are series of the same Delaware statutory trust, with the same governing instruments, including the declaration of trust and bylaws. As a result, there are no material differences between the rights of shareholders under the governing state laws of the Target Fund and the Acquiring Fund. Each share of the Acquiring Fund represents an equal proportionate interest with each other share of the Fund, and each such share is entitled to equal dividend, liquidation, redemption and voting rights, except where class voting is required by the Trust’s governing instruments, the Board or applicable law, in which case shareholders of a class will have exclusive voting rights on matters affecting only that class. The assets and liabilities of each Fund are legally separate from the assets and liabilities of any other fund that is a series of the respective Trust. More information about the voting, dividend and other rights associated with shares of the Funds can be found in each Fund’s SAI.

At the Closing (defined below), Acquiring Fund shares will be credited to Target Fund shareholders only on a book-entry basis. The Acquiring Fund shall not issue certificates representing shares in connection with the exchange of Target Fund shares, irrespective of whether Target Fund shareholders hold their shares in certificated form. At the Closing, all outstanding certificates representing shares of the Target Fund will be cancelled.

Pending Litigation

There is no material litigation affecting the Funds. Detailed information concerning other pending litigation can be found in each Fund's SAI.

Where to Find More Information

For more information with respect to each Fund concerning the following topics, please refer to the following sections of the Funds' prospectuses: (i) see "Fund Management" for more information about the management of a Fund; (ii) see "Other Information" for more information about a Fund's policy with respect to dividends and distributions; and (iii) see "Shareholder Account Information" for more information about the pricing, purchase, redemption and repurchase of shares of a Fund, tax consequences to shareholders of various transactions in shares of a Fund, and distribution arrangements of a Fund.

THE PROPOSED REORGANIZATION

Summary of Agreement and Plan of Reorganization

The terms and conditions under which the Reorganization may be consummated are set forth in the Agreement. Significant provisions of the Agreement are summarized below; however, this summary is qualified in its entirety by reference to the form of Agreement, a copy of which is attached as Exhibit D to this Proxy Statement/Prospectus.

With respect to the Reorganization, if shareholders of the Target Fund approve the Agreement and other closing conditions are satisfied, the assets of the Target Fund will be delivered to the Acquiring Fund's custodian for the account of the Acquiring Fund in exchange for the assumption by the Acquiring Fund of the liabilities of the Target Fund and delivery by the Acquiring Fund to the Target Fund for further delivery to the holders of record as of the Effective Time (as defined below) of the issued and outstanding shares of the Target Fund of a number of shares of the Acquiring Fund (including, if applicable, fractional shares rounded to the nearest thousandth), having an aggregate net asset value equal to the value of the net assets of the Target Fund so transferred, all determined and adjusted as provided in the Agreement. The value of your account with the Acquiring Fund immediately after the Reorganization will be the same as the value of your account with the Target Fund immediately prior to the Reorganization.

The class or classes of Acquiring Fund shares that shareholders will receive in connection with the Reorganization will depend on the class or classes of Target Fund shares that shareholders hold, as described above under "Comparison of Share Classes and Distribution Arrangements."

The Target Fund and the Acquiring Fund will be required to make representations and warranties in the form of Agreement that are customary in matters such as the Reorganization.

If shareholders approve the Reorganization and if all of the closing conditions set forth in the Agreement are satisfied or waived, consummation of the Reorganization (the "Closing") is expected to occur on or around July 15, 2013 (the "Closing Date"), immediately prior to the opening of regular trading on the New York Stock Exchange on the Closing Date (the "Effective Time"). Following receipt of the requisite shareholder vote in favor of the Reorganization and as soon as reasonably practicable after the Closing, the outstanding shares of the Target Fund will be terminated in accordance with its governing documents and applicable law.

If shareholders of the Target Fund do not approve the Agreement or if the Reorganization does not otherwise close, the Board will consider what additional action to take. The Agreement may be terminated and the Reorganization may be abandoned at any time prior to Closing by mutual agreement of the parties. The Agreement may be amended or modified in a writing signed by the parties to the Agreement.

Board Considerations in Approving the Reorganization

The Reorganization is part of a larger group of Invesco Fund reorganizations, which are designed to put forth Invesco's most compelling investment processes and strategies, reduce product overlap and create additional scale in the resulting funds. The Board created an ad hoc committee (the "Ad Hoc Merger Committee") which met separately in October 2012 and December 2012 to discuss the proposed Reorganization. Two separate meetings of the full Board were also held to review and consider the Reorganization, including considering a recommendation

from the Ad Hoc Merger Committee. The Trustees who are not “interested persons,” as that term is defined in the 1940 Act, of the Trusts (the “Independent Trustees”) have been advised on this matter by independent counsel to the Independent Trustees and by the independent Senior Officer, an officer of the Trusts who reports directly to the Independent Trustees. The Board requested and received from Invesco Advisers and IDI written materials containing relevant information about the Funds and the proposed Reorganization, including fee and expense information on an actual and pro forma estimated basis, and comparative portfolio composition and performance data.

The Board considered the potential benefits and costs of the Reorganization to the Target Fund and the Acquiring Fund and their respective shareholders. The Board reviewed detailed information comparing the following information for the Target Fund and the Acquiring Fund: (1) investment objectives, policies and restrictions; (2) portfolio management; (3) portfolio composition; (4) short-term and long-term investment performance; (5) the current expense ratios and expense structures, including contractual investment advisory fees; (6) the expected federal income tax consequences to the Funds, including any impact on capital loss carry forwards; and (7) asset size and net purchase (redemption) trends. The Board also considered the benefits to the Target Fund of (i) combining with a similar fund to create a larger fund with a more diversified shareholder base and greater viability; and (ii) the expected tax free nature of the Reorganization for the Target Fund and its shareholders for federal income tax purposes. The Board also considered the overall goal of the Reorganization and other Invesco Fund reorganizations to rationalize the Invesco Funds to enable IDI to better focus on the combined funds to promote additional asset growth. With respect to each individual Reorganization, the Board considered the following additional matters.

The Board considered that the duration and yield of the Target Fund and Acquiring Fund are similar. The Board also considered the pending litigation in which the Target Fund is a plaintiff, which may result in ongoing legal expenses being spread across the larger asset base of the Acquiring Fund but if successful the recovery being paid to the Acquiring Fund and shared among all Acquiring Fund shareholders. The Board also considered certain benefits to the Target Fund shareholders, namely an estimated reduction in total expenses and the reorganization of Class B shares into Class A shares with a lower 12b-1 fee.

The Board further considered that (i) Target Fund shareholders would become shareholders of a Fund with an effective management fee rate that is higher than that of the Target Fund but which results from contractual rates that the Board has previously deemed to be reasonable and estimated lower overall total expense ratios on a pro forma basis; (ii) the investment objective, strategies and related risks of the Funds are similar; (iii) the Funds have the same portfolio management team; and (iv) Class C shareholders of the Target Fund would become shareholders of a Fund with a higher 12b-1 fee, although the total annual fund operating expense ratio for Class C is expected to be lower than the Target Fund.

Based upon the information and considerations described above, the Board, on behalf of the Target Fund and the Acquiring Fund, approved the Reorganization in order to combine the Target Fund with a compatible Fund to create a larger fund with a relatively more diversified shareholder base. The Board also determined that shareholders of the Funds could potentially benefit from the future growth in assets and greater viability facilitated by the Reorganization. The Board concluded that the Reorganization is in the best interests of the Target Fund and the Acquiring Fund and that no dilution would result from the Reorganization. Consequently, the Board approved the Agreement and the Reorganization on December 5, 2012.

Federal Income Tax Considerations

The following is a general summary of the material U.S. federal income tax considerations of the Reorganization and is based upon the current provisions of the Internal Revenue Code of 1986, as amended (the “Code”), the existing U.S. Treasury Regulations thereunder, current administrative rulings of the IRS and published judicial decisions, all of which are subject to change. These considerations are general in nature and individual shareholders should consult their own tax advisers as to the federal, state, local, and foreign tax considerations applicable to them and their individual circumstances. These same considerations generally do not apply to shareholders who hold their shares in a tax-deferred account.

The Reorganization is intended to be a tax-free reorganization pursuant to Section 368(a) of the Code. The principal federal income tax considerations that are expected to result from the Reorganization of the Target Fund into the Acquiring Fund are as follows:

- no gain or loss will be recognized by the Target Fund or the shareholders of the Target Fund as a result of the Reorganization;
- no gain or loss will be recognized by the Acquiring Fund as a result of the Reorganization;
- the aggregate tax basis of the shares of the Acquiring Fund to be received by a shareholder of the Target Fund will be the same as the shareholder's aggregate tax basis of the shares of the Target Fund; and
- the holding period of the shares of the Acquiring Fund received by a shareholder of the Target Fund will include the period that a shareholder held the shares of the Target Fund (provided that such shares of the Target Fund are capital assets in the hands of such shareholder as of the Closing).

Neither the Target Fund nor the Acquiring Fund have requested or will request an advance ruling from the IRS as to the federal tax consequences of the Reorganization. As a condition to Closing, Stradley Ronon Stevens & Young, LLP will render a favorable opinion to the Target Fund and the Acquiring Fund as to the foregoing federal income tax consequences of the Reorganization, which opinion will be conditioned upon, among other things, the accuracy, as of the Closing Date, of certain representations of the Target Fund and the Acquiring Fund upon which Stradley Ronon Stevens & Young, LLP will rely in rendering its opinion. Such opinion of counsel may state that no opinion is expressed as to the effect of the Reorganization on the Target Fund, Acquiring Fund, or any Target Fund shareholder with respect to any transferred asset as to which any unrealized gain or loss is required to be recognized for federal income tax purposes at the end of a taxable year (or on the termination or transfer thereof) under a mark-to-market system of accounting. A copy of the opinion will be filed with the SEC and will be available for public inspection. See "WHERE TO FIND ADDITIONAL INFORMATION."

Opinions of counsel are not binding upon the IRS or the courts. If the Reorganization is consummated but the IRS or the courts determine that the Reorganization does not qualify as a tax-free reorganization under the Code, and thus is taxable, the Target Fund would recognize gain or loss on the transfer of its assets to the Acquiring Fund and each shareholder of the Target Fund would recognize a taxable gain or loss equal to the difference between its tax basis in the Target Fund shares and the fair market value of the shares of the Acquiring Fund it receives.

Prior to the Closing of the Reorganization, the Target Fund will declare one or more dividends, and the Acquiring Fund may, but is not required to, declare a dividend, payable at or near the time of Closing to their respective shareholders to the extent necessary to avoid entity level tax or as otherwise deemed desirable. Such distributions, if made, are anticipated to be made in the 2013 calendar year and would be taxable to shareholders in such year.

The tax attributes, including capital loss carryovers, of the Target Fund move to the Acquiring Fund in the Reorganization. The capital loss carryovers of the Target Fund and the Acquiring Fund are available to offset future gains recognized by the combined Fund, subject to limitations under the Code. Where these limitations apply, all or a portion of a Fund's capital loss carryovers may become unavailable, the effect of which may be to accelerate the recognition of taxable gain to the combined Fund and its shareholders post-Closing. *First*, the capital loss carryovers of each Fund that experiences a more than 50% ownership change in the Reorganization (e.g., in a reorganization of two Funds, the smaller Fund), increased by any current year loss or decreased by any current year gain, together with any net unrealized depreciation in the value of its portfolio investments (collectively, its "aggregate capital loss carryovers"), are expected to become subject to an annual limitation. Losses in excess of that limitation may be carried forward to succeeding tax years, subject, in the case of net capital losses that arise in taxable years beginning on or before December 22, 2010, to an overall eight-year carryover period. The annual limitation will generally equal the net asset value of a Fund on the Closing Date multiplied by the "long-term tax-exempt rate" published by the IRS. In the case of a Fund with net unrealized built-in gains at the time of Closing of the Reorganization (i.e., unrealized appreciation in value of the Fund's investments), the annual limitation for a taxable year will be increased by the amount of such built-in gains that are recognized in the taxable year. *Second*, if a Fund has built-in gains at the time of Closing that are realized by the combined Fund in the five-year period following the Reorganization, such built-in gains, when realized, may not be offset by the losses (including any capital loss carryovers and "built in losses") of the other Fund. *Third*, the capital losses of the Target Fund that may be used by the Acquiring Fund (including to offset any "built-in gains" of the Target Fund itself) for the first taxable year ending after the Closing Date will be limited to an amount equal to the capital gain net income of the Acquiring Fund for such taxable year

(excluding capital loss carryovers) treated as realized post-Closing based on the number of days remaining in such year. *Fourth*, the Reorganization may result in an earlier expiration of the Target Fund's capital loss carryovers that are subject to an eight-year carryover period because the Reorganization causes the Target Fund's tax year to close early in the year of the Reorganization.

The aggregate capital loss carryovers of the Funds and the approximate annual limitation on the use by the Acquiring Fund, post-Closing, of the Target Fund's aggregate capital loss carryovers following the Reorganization are as follows:

	(Target Fund) (000,000s) at 8/31/2012	(Acquiring Fund) (000,000s) at 8/31/2012
Aggregate capital loss carryovers(1)	\$ 211.1	\$ 148.5
Unrealized net appreciation (depreciation) in investments on a tax basis	\$ 25.9	\$ 3.8
Aggregate net asset value	\$ 116.5	\$ 1,514.4
Approximate annual limitation(2)	\$ 3.3	N/A

(1) As of February 29, 2012; excludes capital loss carryovers expiring before the anticipated Reorganization date of July 15, 2013.

(2) Based on the long-term tax-exempt rate for ownership changes during December 2012 of 2.87%.

Based upon the Target Fund's capital loss position at August 31, 2012, the annual limitation on the use of the Target Fund's aggregate capital loss carryovers will likely limit the use of such losses by the Acquiring Fund, post-Closing, to offset capital gains, if any, it realizes. The effect of the annual limitation may be to cause the combined Fund, post-Closing, to distribute more capital gains in a taxable year than might otherwise have been the case if no such limitation had applied. The aggregate capital loss carryovers of the Acquiring Fund may continue to be available, provided the Acquiring Fund is the larger of the two Funds on the Closing Date. The ability of the Acquiring Fund to absorb its own capital loss carryovers and those of the Target Fund post-Closing depends upon a variety of factors that cannot be known in advance. For more information with respect to each Fund's capital loss carryovers, please refer to the Fund's shareholder report.

Shareholders of the Target Fund will receive a proportionate share of any taxable income and gains realized by the Acquiring Fund and not distributed to its shareholders prior to the Reorganization when such income and gains are eventually distributed by the Acquiring Fund. As a result, shareholders of the Target Fund may receive a greater amount of taxable distributions than they would have had the Reorganization not occurred. In addition, if the Acquiring Fund following the Reorganization has proportionately greater unrealized appreciation in its portfolio investments as a percentage of its net asset value than the Target Fund, shareholders of the Target Fund, post-Closing, may receive greater amounts of taxable gain as such portfolio investments are sold than they otherwise might have if the Reorganization had not occurred. The Target Fund's unrealized appreciation (depreciation) in value of investments on a tax basis as a percentage of its net asset value at August 31, 2010 is (22%) compared to the Acquiring Fund at August 31, 2012 of (0%), and on a combined basis of (2%).

Costs of the Reorganization(s)

The total cost of the Reorganization for the Acquiring Fund is estimated to be \$30,000. The total estimated costs of the Reorganization for the Target Fund, as well as the estimated proxy solicitation costs for the Target Fund, which are part of the total Reorganization costs, are estimated to be \$100,000 and \$15,000, respectively. Invesco Advisers will bear the Reorganization costs of the Acquiring Fund. The Target Fund will bear its Reorganization costs. The costs of the Reorganization include legal counsel fees, independent accountant fees, expenses related to the printing and mailing of this Proxy Statement/Prospectus, and fees associated with the proxy solicitation but do not include any portfolio transaction costs, such as brokerage and foreign stock transfer tax, arising from the Reorganization.

VOTING INFORMATION

Proxy Statement/Prospectus

We are sending you this Proxy Statement/Prospectus and the enclosed proxy card because the Board is soliciting your proxy to vote at the Meeting and at any adjournments of the Meeting. This Proxy Statement/Prospectus gives you information about the business to be conducted at the Meeting. Target Fund shareholders may vote by appearing in person at the Meeting and following the instructions below. You do not need to attend the Meeting to vote, however. Instead, you may simply complete, sign, and return the enclosed proxy card or vote by telephone or through a website established for that purpose.

This Proxy Statement/Prospectus, the enclosed Notice of Special Meeting of Shareholders, and the enclosed proxy card are expected to be mailed on or about February 20, 2013, to all shareholders entitled to vote. Shareholders of record of the Target Fund as of the close of business on January 24, 2013 (the "Record Date"), are entitled to vote at the Meeting. The number of outstanding shares of each class of the Target Fund on January 24, 2013, can be found at Exhibit A. Each share is entitled to one vote for each full share held and a proportionate fractional vote for each fractional share held.

Proxies will have the authority to vote and act on behalf of shareholders at any adjournment of the Meeting. If a proxy is authorized to vote for a shareholder, the shareholder may revoke the authorization at any time before it is exercised by sending in another proxy card with a later date or by notifying the Secretary of the Target Fund in writing at the address of the Target Fund set forth on the cover page of the Proxy Statement/Prospectus before the Meeting that the shareholder has revoked its proxy. In addition, although merely attending the Meeting will not revoke your proxy, if a shareholder is present at the Meeting, the shareholder may withdraw the proxy and vote in person. However, if your shares are held through a broker-dealer or other financial intermediary you will need to obtain a "legal proxy" from them in order to vote your shares at the Meeting.

Quorum Requirement and Adjournment

A quorum of shareholders is necessary to hold a valid shareholder meeting of the Target Fund. For the Target Fund, a quorum will exist if shareholders representing one-third of the outstanding shares of the Target Fund entitled to vote are present at the Meeting in person or by proxy.

Proxies received prior to the Meeting on which no vote is indicated will be voted "FOR" the Agreement. Because the proposal described in this Proxy Statement/Prospectus is considered "non-routine," under the rules applicable to broker-dealers, if your broker holds your shares in its name, the broker will not be entitled to vote your shares if it has not received instructions from you.

Abstentions and broker non-votes will count as shares present at the Meeting for purposes of establishing a quorum. If a quorum is not present at the Meeting or if a quorum is present but sufficient votes to approve the Agreement are not received, the person(s) presiding over the Meeting or the persons named as proxies may propose one or more adjournments of the Meeting to allow for further solicitation of votes. The persons named as proxies will vote those proxies that they are entitled to vote in favor of such an adjournment, provided that they determine that such an adjournment and additional solicitation is reasonable and in the interest of shareholders based on a consideration of all relevant factors, including, among other things, the percentage of votes then cast, the percentage of negative votes then cast, the nature of the proposed solicitation activities, and the nature of the reasons for such further solicitation.

Vote Necessary to Approve the Agreement

The Board has unanimously approved the Agreement, subject to shareholder approval. Shareholder approval of the Agreement requires the affirmative vote of the lesser of (i) 67% or more of the shares present at the Meeting, if the holders of more than 50% of the outstanding shares of the Target Fund are present in person or represented by proxy; or (ii) more than 50% of the outstanding shares of the Target Fund.

Abstentions and broker non-votes are counted as present but are not considered votes cast at the Meeting. As a result, abstentions and broker non-votes will have the same effect as a vote against the Agreement because approval of the Agreement requires the affirmative vote of a percentage of either the shares present at the Meeting or the outstanding shares of the Target Fund.

Proxy Solicitation

The Target Fund has engaged the services of Computershare Fund Services (“Solicitor”) to assist in the solicitation of proxies for the Meeting. Solicitor’s costs are described under the “Costs of the Reorganization” section of this Proxy Statement/Prospectus. Proxies are expected to be solicited principally by mail, but the Target Fund, Invesco Advisers or its affiliates or Solicitor may also solicit proxies by telephone, facsimile, or personal interview. The Target Fund’s officers and employees of Invesco Advisers or its affiliates may also solicit proxies but will not receive any additional or special compensation for any such solicitation.

Under the agreement with the Solicitor, the Solicitor will be paid a project management fee as well as telephone solicitation expenses incurred for reminder calls, outbound telephone voting, confirmation of telephone votes, inbound telephone contact, obtaining shareholders’ telephone numbers, and providing additional materials upon shareholder request. The agreement also provides that the Solicitor shall be indemnified against certain liabilities and expenses, including liabilities under the federal securities laws.

Other Meeting Matters

Management is not aware of any matters to be presented at the Meeting other than as is discussed in this Proxy Statement/Prospectus. Under the Target Fund’s bylaws, business transacted at a special meeting such as this Meeting shall be limited to (i) the purpose stated in the notice and (ii) adjournment of the special meeting with regard to the stated purpose. If any other matters properly come before the Meeting, the shares represented by proxies will be voted with respect thereto in accordance with their best judgment.

Share Ownership by Large Shareholders, Management and Trustees

A list of the name, address, and percent ownership of each person who, as of January 24, 2013, to the knowledge of the Target Fund and the Acquiring Fund, owned 5% or more of the outstanding shares of a class of such Target Fund or the Acquiring Fund, respectively, can be found at Exhibits B and C.

Information regarding the ownership of shares of the Target Fund and the Acquiring Fund by the Trustees and executive officers of the Trusts can be found at Exhibits B and C.

OTHER MATTERS

Capitalization

The following table sets forth as of August 31, 2012, the total net assets, number of shares outstanding, and net asset value per share of each class of each Fund. This information is generally referred to as the “capitalization” of a Fund. The term “*pro forma* capitalization” means the expected capitalization of the Acquiring Fund after it has combined with the Target Fund. The pro forma capitalization column in the table assumes that the Reorganization has taken place. The capitalizations of the Target Fund, the Acquiring Fund, and their classes are likely to be different on the Closing Date as a result of daily share purchase, redemption, and market activity.

Class Y net asset value per share	\$ 17.44	\$ 4.31	\$ -	\$ 4.31

- The Target Fund and the Acquiring Fund currently have Class A, Class B, Class C and Class Y shares outstanding. The Acquiring Fund also currently offers Investor Class and Class R5 shares. Shareholders of Class B shares of the Target Fund will receive Class A shares of the Acquiring Fund.
- The Target Fund is expected to incur \$100,000 in Reorganization costs and will bear 100% of those costs. The Acquiring Fund is expected to incur \$30,000 in Reorganization costs and Invesco will bear 100% of those costs. As a result Net Assets have been adjusted for the Target Fund' s expenses to be incurred in connection with the reorganization. The reorganization costs have been allocated among all classes based on relative net assets.
- Pro forma shares outstanding have been adjusted for the accumulated change in the number of shares of the Target Fund shareholder accounts based on the relative value of the Target Fund and the Acquiring Fund' s net asset value per share assuming the Reorganization would have taken place on August 31, 2012.
- Unaudited.

Dissenters' Rights

If the Reorganization is approved at the Meeting, Target Fund shareholders will not have the right to dissent and obtain payment of the fair value of their shares because the exercise of dissenters' rights is subject to the forward pricing requirements of Rule 22c-1 under the 1940 Act, which supersedes state law. Shareholders of the Target Fund, however, have the right to redeem their shares at net asset value subject to applicable deferred sales charges and/or redemption fees (if any) until the Closing Date of the Reorganization. After the Reorganization, Target Fund shareholders will hold shares of the Acquiring Fund, which may also be redeemed at net asset value subject to applicable deferred sales charges and/or redemption fees (if any).

Shareholder Proposals

The Funds do not generally hold annual meetings of shareholders. A shareholder desiring to submit a proposal intended to be presented at any meeting of shareholders of the Target Fund hereafter called should send the proposal to the Target Fund at the Target Fund' s principal offices so that it is received within a reasonable time before the proxy materials are printed and mailed. If the proposed Reorganization is approved and completed for the Target Fund, shareholders of such Target Fund will become shareholders of the Acquiring Fund and, thereafter, will be subject to the notice requirements of the Acquiring Fund. The mere submission of a proposal by a shareholder does not guarantee that such proposal will be included in a proxy statement because compliance with certain rules under the federal securities laws is required before inclusion of the proposal is required. Also, the submission does not mean that the proposal will be presented at a future meeting. For a shareholder proposal to be considered at a future shareholder meeting, it must be a proper matter for consideration under applicable law.

FORM OF AGREEMENT AND PLAN OF REORGANIZATION

THIS AGREEMENT AND PLAN OF REORGANIZATION ("Agreement") is adopted as of this ___ day of _____, 2013 by and among (I) each of the Invesco open-end registered investment companies identified as a Target Entity on Exhibit A hereto (each a "Target Entity") separately, on behalf of its respective series identified on Exhibit A hereto (each a "Target Fund"); (ii) each of the Invesco open-end registered investment companies identified as an Acquiring Entity on Exhibit A hereto (each an "Acquiring Entity"), separately on behalf of its respective series identified on Exhibit A hereto (each an "Acquiring Fund"); and (iii) Invesco Advisers, Inc. ("IAI").

WHEREAS, the parties hereto intend for each Acquiring Fund and its corresponding Target Fund (as set forth in Exhibit A hereto) to enter into a transaction pursuant to which: (I) the Acquiring Fund will acquire the assets and assume the liabilities of the Target Fund in exchange for the corresponding class or classes of shares (as applicable) of the Acquiring Fund identified on Exhibit A of equal value to the net assets of the Target Fund being acquired, and (ii) the Target Fund will distribute such shares of the Acquiring Fund to shareholders of the corresponding class of the Target Fund, in connection with the liquidation of the Target Fund, all upon the terms and conditions hereinafter set forth in this Agreement (each such transaction, a "Reorganization" and collectively, the "Reorganizations");

WHEREAS, each Target Entity and each Acquiring Entity is an open-end, registered investment company of the management type; and

WHEREAS, this Agreement is intended to be and is adopted as a plan of reorganization with respect to each Reorganization within the meaning of Section 368(a)(1) of the United States Internal Revenue Code of 1986, as amended (the "Code").

NOW, THEREFORE, in consideration of the premises and of the covenants and agreements hereinafter set forth, and intending to be legally bound, the parties hereto covenant and agree as follows:

1. DESCRIPTION OF THE REORGANIZATIONS

1.1. It is the intention of the parties hereto that each Reorganization described herein shall be conducted separately from the others, and a party that is not a party to a Reorganization shall incur no obligations, duties or liabilities with respect to such Reorganization by reason of being a party to this Agreement. If any one or more Reorganizations should fail to be consummated, such failure shall not affect the other Reorganizations in any way.

1.2. Provided that all conditions precedent to a Reorganization set forth herein have been satisfied as of the Closing Date (as defined in Section 3.1), and based on the representations and warranties each party provides to the others, each Target Entity and its corresponding Acquiring Entity agree to take the following steps with respect to their Reorganization(s), the parties to which and classes of shares to be issued in connection with which are set forth in Exhibit A:

(a) The Target Fund shall transfer all of its Assets, as defined and set forth in Section 1.2(b), to the Acquiring Fund, and the Acquiring Fund in exchange therefor shall assume the Liabilities, as defined and set forth in Section 1.2(c), and deliver to the Target Fund the number of full and fractional Acquiring Fund shares determined in the manner set forth in Section 2.

(b) The assets of the Target Fund to be transferred to the Acquiring Fund shall consist of all assets, property, and goodwill including, without limitation, all cash, securities, commodities and futures interests, claims (whether absolute or contingent, known or unknown, accrued or unaccrued and including, without limitation, any interest in pending or future legal claims in connection with past or present portfolio holdings, whether in the form of class action claims, opt-out or other direct litigation claims, or regulator or government-established investor recovery fund claims, and any and all resulting recoveries) and dividends or interest receivable that are owned by the Target Fund and any deferred or prepaid expenses shown as an asset on the books of the Target Fund on the Closing Date, except for cash, bank deposits or cash equivalent securities in an amount necessary to pay the estimated costs of extinguishing any Excluded Liabilities (as defined in Section 1.2(c)) and cash in an amount necessary to pay any distributions pursuant to Section 7.1(f) (collectively, with respect to each Target Fund separately, "Assets").

(c) The Acquiring Fund shall assume all of the liabilities of the Target Fund, whether accrued or contingent, known or unknown, existing at the Closing Date, except for the Target Fund's Excluded Liabilities (as defined below), if any, pursuant to this Agreement (collectively, with respect to each Target Fund separately, "Liabilities"). If prior to the Closing Date the Acquiring Entity identifies a liability that the Acquiring Entity and the Target Entity mutually agree should not be assumed by the Acquiring Fund, such liability shall be excluded from the definition of Liabilities hereunder and shall be listed on a Schedule of Excluded Liabilities to be signed by the Acquiring Entity and the Target Entity at Closing and attached to this Agreement as Schedule 1.2(c) (the "Excluded Liabilities"). The Assets minus the Liabilities of a Target Fund shall be referred to herein as the Target Fund's "Net Assets."

(d) As soon as is reasonably practicable after the Closing, the Target Fund will distribute to its shareholders of record ("Target Fund Shareholders") the shares of the Acquiring Fund of the corresponding class received by the Target Fund pursuant to Section 1.2(a), as set forth in Exhibit A, on a pro rata basis within that class, and the Target Fund will as promptly as practicable completely liquidate and dissolve. Such distribution and liquidation will be accomplished, with respect to each class of the Target Fund's shares, by the transfer of the Acquiring Fund shares of the corresponding class

then credited to the account of the Target Fund on the books of the Acquiring Fund to open accounts on the share records of the Acquiring Fund in the names of the Target Fund Shareholders of the class. The aggregate net asset value of the Acquiring Fund shares to be so credited to the corresponding Target Fund Shareholders shall be equal to the aggregate net asset value of the corresponding Target Fund' s shares owned by the Target Fund Shareholders on the Valuation Date. At the Closing, any outstanding certificates representing shares of a Target Fund will be cancelled. The Acquiring Fund shall not issue certificates representing shares in connection with such exchange, irrespective of whether Target Fund shareholders hold their Target Fund shares in certificated form.

(e) Ownership of Acquiring Fund shares will be shown on its books, as such are maintained by the Acquiring Fund' s transfer agent.

2. VALUATION

2.1. With respect to each Reorganization:

(a) The value of the Target Fund' s Assets shall be the value of such Assets computed as of immediately after the close of regular trading on the New York Stock Exchange ("NYSE"), which shall reflect the declaration of any dividends, on the business day next preceding the Closing Date (the "Valuation Date"), using the Target Fund' s valuation procedures established by the Target Entity' s Board of Trustees.

(b) The net asset value per share of each class of the Acquiring Fund shares issued in connection with the Reorganization shall be the net asset value per share of the corresponding class of each class computed on the Valuation Date using the Acquiring Fund' s valuation procedures established by the Acquiring Entity' s Board of Trustees, which are the same as the Target Fund' s valuation procedures.

(c) The number of shares issued of each class of the Acquiring Fund (including fractional shares, if any, rounded to the nearest thousandth) in exchange for the Target Fund' s Net Assets shall be determined by dividing the value of the Net Assets of the Target Fund attributable to each class of Target Fund shares by the net asset value per share of the corresponding share class of the Acquiring Fund.

(d) All computations of value shall be made by the Target Fund' s and the Acquiring Fund' s designated recordkeeping agent using the valuation procedures described in this Section 2.

3. CLOSING AND CLOSING DATE

3.1. Each Reorganization shall close on the date identified on Exhibit A or such other date as the parties may agree with respect to any or all Reorganizations (the "Closing Date"). All acts taking place at the closing of a Reorganization (the "Closing") shall be deemed to take place simultaneously as of immediately prior to the opening of regular trading on the NYSE on the Closing Date of that Reorganization unless otherwise agreed to by the parties (the "Closing Time").

3.2. With respect to each Reorganization:

(a) The Target Fund's portfolio securities, investments or other assets that are represented by a certificate or other written instrument shall be transferred and delivered by the Target Fund as of the Closing Date to the Acquiring Fund's Custodian for the account of the Acquiring Fund, duly endorsed in proper form for transfer and in such condition as to constitute good delivery thereof. The Target Fund shall direct the Target Fund's custodian (the "Target Custodian") to deliver to the Acquiring Fund's Custodian as of the Closing Date by book entry, in accordance with the customary practices of Target Custodian and any securities depository (as defined in Rule 17f-4 under the Investment Company Act of 1940, as amended (the "1940 Act")), in which the Assets are deposited, the Target Fund's portfolio securities and instruments so held. The cash to be transferred by a Target Fund shall be delivered to the Acquiring Fund's Custodian by wire transfer of federal funds or other appropriate means on the Closing Date.

(b) The Target Entity shall direct the Target Custodian for each Target Fund to deliver, at the Closing or promptly thereafter, a certificate of an authorized officer stating that (I) except as permitted by Section 3.2(a), the Assets have been delivered in proper form to the Acquiring Fund no later than the Closing Time on the Closing Date, and (ii) all necessary taxes in connection with the delivery of the Assets, including all applicable Federal, state and foreign stock transfer stamps, if any, have been paid or provision for payment has been made.

(c) At such time prior to the Closing Date as the parties mutually agree, the Target Fund shall provide (I) instructions and related information to the Acquiring Fund or its transfer agent with respect to the Target Fund Shareholders, including names, addresses, dividend reinvestment elections and tax withholding status of the Target Fund Shareholders as of the date agreed upon (such information to be updated as of the Closing Date, as necessary) and (ii) the information and documentation maintained by the Target Fund or its agents relating to the identification and verification of the Target Fund Shareholders under the USA PATRIOT ACT and other applicable anti-money laundering laws, rules and regulations and such other information as the Acquiring Fund may reasonably request. The Acquiring Fund and its transfer agent shall have no obligation to inquire as to the validity, propriety or correctness of any such instruction, information or documentation, but shall, in each case, assume that such instruction, information or documentation is valid, proper, correct and complete.

(d) The Target Entity shall direct each applicable transfer agent for a Target Fund (the "Target Transfer Agent") to deliver to the Acquiring Fund at the Closing a certificate of an authorized officer stating that its records, as provided to the Acquiring Entity, contain the names and addresses of the Target Fund Shareholders and the number of outstanding shares of each class owned by each such shareholder immediately prior to the Closing. The Acquiring Fund shall issue and deliver to the Secretary of the Target Fund a confirmation evidencing the Acquiring Fund shares to be credited on the Closing Date, or provide other evidence satisfactory to the Target Entity that such Acquiring Fund shares have been credited to the Target Fund Shareholders' accounts on the books of the Acquiring Fund. At the Closing, each party shall deliver to the other such bills of sale,

checks, assignments, certificates, if any, receipts or other documents as such other party or its counsel may reasonably request.

(e) In the event that on the Valuation Date or the Closing Date (a) the NYSE or another primary trading market for portfolio securities of the Target Fund (each, an “Exchange”) shall be closed to trading or trading thereupon shall be restricted, or (b) trading or the reporting of trading on such Exchange or elsewhere shall be disrupted so that, in the judgment of the Board of Trustees of the Acquiring Entity or the Target Entity or the authorized officers of either of such entities, accurate appraisal of the value of the net assets of the Acquiring Fund or the Target Fund, respectively, is impracticable, the Closing Date shall be postponed until the first business day after the day when trading shall have been fully resumed and reporting shall have been restored.

4. REPRESENTATIONS AND WARRANTIES

4.1. Each Target Entity, on behalf of itself or, where applicable, a Target Fund, represents and warrants to the corresponding Acquiring Entity and its corresponding Acquiring Fund as follows:

(a) The Target Fund is duly organized as a series of the Target Entity, which is a statutory trust duly formed, validly existing, and in good standing under the laws of the State of Delaware with power under its Agreement and Declaration of Trust, as amended, and by-laws (“Governing Documents”), to own all of its Assets, to carry on its business as it is now being conducted and to enter into this Agreement and perform its obligations hereunder;

(b) The Target Entity is a registered investment company classified as a management company of the open-end type, and its registration with the U.S. Securities and Exchange Commission (the “Commission”) as an investment company under the 1940 Act, and the registration of the shares of the Target Fund under the Securities Act of 1933, as amended (“1933 Act”), are in full force and effect;

(c) No consent, approval, authorization, or order of any court or governmental authority or the Financial Industry Regulatory Authority (“FINRA”) is required for the consummation by the Target Fund and the Target Entity of the transactions contemplated herein, except such as have been obtained or will be obtained at or prior to the Closing Date under the 1933 Act, the Securities Exchange Act of 1934, as amended (“1934 Act”), the 1940 Act and state securities laws;

(d) The current prospectus and statement of additional information of the Target Fund and each prospectus and statement of additional information of the Target Fund used at all times between the commencement of operations of the Target Fund and the date of this Agreement conforms or conformed at the time of its use in all material respects to the applicable requirements of the 1933 Act and the 1940 Act and the rules and regulations of the Commission thereunder and does not or did not at the time of its use include any untrue statement of a material fact or omit to state any material fact

required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not materially misleading;

(e) The Target Fund is in compliance in all material respects with the applicable investment policies and restrictions set forth in the Target Fund' s prospectus and statement of additional information;

(f) Except as otherwise disclosed to and accepted by or on behalf of the Acquiring Fund, the Target Fund will on the Closing Date have good title to the Assets and full right, power, and authority to sell, assign, transfer and deliver such Assets free of adverse claims, including any liens or other encumbrances, and upon delivery and payment for such Assets, the Acquiring Fund will acquire good title thereto, free of adverse claims and subject to no restrictions on the full transfer thereof, including, without limitation, such restrictions as might arise under the 1933 Act, provided that the Acquiring Fund will acquire Assets that are segregated as collateral for the Target Fund' s derivative positions, including without limitation, as collateral for swap positions and as margin for futures positions, subject to such segregation and liens that apply to such Assets;

(g) The financial statements of the Target Fund for the Target Fund' s most recently completed fiscal year have been audited by the independent registered public accounting firm identified in the Target Fund' s prospectus or statement of additional information included in the Target Fund' s registration statement on Form N-1A (the "Prospectus" and "Statement of Additional Information"). Such statements, as well as the unaudited, semi-annual financial statements for the semi-annual period next succeeding the Target Fund' s most recently completed fiscal year, if any, were prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP") consistently applied, and such statements present fairly, in all material respects, the financial condition of the Target Fund as of such date in accordance with GAAP, and there are no known contingent liabilities of the Target Fund required to be reflected on a balance sheet (including the notes thereto) in accordance with GAAP as of such date not disclosed therein;

(h) Since the last day of the Target Fund' s most recently completed fiscal year, there has not been any material adverse change in the Target Fund' s financial condition, assets, liabilities or business, other than changes occurring in the ordinary course of business;

(i) On the Closing Date, all material Returns (as defined below) of the Target Fund required by law to have been filed by such date (including any extensions) shall have been filed and are or will be true, correct and complete in all material respects, and all Taxes (as defined below) shown as due or claimed to be due by any government entity shall have been paid or provision has been made for the payment thereof. To the Target Fund' s knowledge, no such Return is currently under audit by any Federal, state, local or foreign Tax authority; no assessment has been asserted with respect to such Returns; there are no levies, liens or other encumbrances on the Target Fund or its assets resulting from the non-payment of any Taxes; no waivers of the time to assess any such Taxes are

outstanding nor are any written requests for such waivers pending; and adequate provision has been made in the Target Fund financial statements for all Taxes in respect of all periods ended on or before the date of such financial statements. As used in this Agreement, “Tax” or “Taxes” means (I) any tax, governmental fee or other like assessment or charge of any kind whatsoever (including, but not limited to, withholding on amounts paid to or by any person), together with any interest, penalty, addition to tax or additional amount imposed by any governmental authority (domestic or foreign) responsible for the imposition of any such tax. “Return” means reports, returns, information returns, elections, agreements, declarations, or other documents of any nature or kind (including any attached schedules, supplements and additional or supporting material) filed or required to be filed with respect to Taxes, including any claim for refund, amended return or declaration of estimated Taxes (and including any amendments with respect thereto);

(j) The Target Fund has elected to be a regulated investment company under Subchapter M of the Code and is a fund that is treated as a separate corporation under Section 851(g) of the Code. The Target Fund has qualified for treatment as a regulated investment company for each taxable year since inception that has ended prior to the Closing Date and will have satisfied the requirements of Part I of Subchapter M of the Code to maintain such qualification for the period beginning on the first day of its current taxable year and ending on the Closing Date. The Target Fund has no earnings or profits accumulated in any taxable year in which the provisions of Subchapter M of the Code did not apply to it. If Target Fund serves as a funding vehicle for variable contracts (life insurance or annuity), Target Fund, with respect to each of its taxable years that has ended prior to the Closing Date during which it has served as such a funding vehicle, has satisfied the diversification requirements of Section 817(h) of the Code and will continue to satisfy the requirements of Section 817(h) of the Code for the period beginning on the first day of its current taxable year and ending on the Closing Date. In order to (I) ensure continued qualification of the Target Fund for treatment as a “regulated investment company” for tax purposes and (ii) eliminate any tax liability of the Target Fund arising by reason of undistributed investment company taxable income or net capital gain, the Target Fund, before the Closing Date will declare on or prior to the Valuation Date to the shareholders of Target Fund a dividend or dividends that, together with all previous such dividends, shall have the effect of distributing (I) substantially all of its investment company taxable income (determined without regard to any deductions for dividends paid) and substantially all of its net capital gains (after reduction for any capital loss carryover), if any, for the period from the close of its last fiscal year to the Closing Time on the Closing Date; (ii) all of its investment company taxable income and net capital gains for its taxable year ended prior to the Closing Date to the extent not otherwise already distributed; and (iii) at least 90 percent of the excess, if any, of the Target Fund’s interest income excludible from gross income under Section 103(a) of the Code over its deductions disallowed under Sections 265 and 171(a)(2) of the Code for its taxable year ended prior to the Closing Date and at least 90 percent of such net tax-exempt income for the period from the close of its last fiscal year to the Closing Time on the Closing Date;

(k) All issued and outstanding shares of the Target Fund are, and on the Closing Date will be, duly and validly issued and outstanding, fully paid and non-

assessable by the Target Entity and, in every state where offered or sold, such offers and sales have been in compliance in all material respects with applicable registration and/or notice requirements of the 1933 Act and state and District of Columbia securities laws;

(l) The execution, delivery and performance of this Agreement will have been duly authorized prior to the Closing Date by all necessary action, if any, on the part of the Board of Trustees of the Target Entity, on behalf of the Target Fund, and subject to the approval of the shareholders of the Target Fund and the due authorization, execution and delivery of this Agreement by the other parties hereto, this Agreement will constitute a valid and binding obligation of the Target Fund, enforceable in accordance with its terms, subject, as to enforcement, to bankruptcy, insolvency, reorganization, moratorium and other laws relating to or affecting creditors' rights and to general equity principles;

(m) The books and records of the Target Fund are true and correct in all material respects and contain no material omissions with respect to information required to be maintained under the laws, rules and regulations applicable to the Target Fund;

(n) The Target Fund is not under the jurisdiction of a court in a Title 11 or similar case within the meaning of Section 368(a)(3)(A) of the Code; and

(o) The Target Fund has no unamortized or unpaid organizational fees or expenses.

4.2. Each Acquiring Entity, on behalf of the Acquiring Fund, represents and warrants to the Target Entity and its corresponding Target Fund as follows:

(a) The Acquiring Fund is duly organized as a series of the Acquiring Entity, which is a statutory trust duly formed, validly existing, and in good standing under the laws of the State of Delaware, with power under its Governing Documents, to own all of its properties and assets and to carry on its business as it is now being, and as it is contemplated to be, conducted, and to enter into this Agreement and perform its obligations hereunder;

(b) The Acquiring Entity is a registered investment company classified as a management company of the open-end type, and its registration with the Commission as an investment company under the 1940 Act and the registration of the shares of the Acquiring Fund under the 1933 Act are in full force and effect;

(c) No consent, approval, authorization, or order of any court, governmental authority or FINRA is required for the consummation by the Acquiring Fund and the Acquiring Entity of the transactions contemplated herein, except such as have been or will be obtained (at or prior to the Closing Date) under the 1933 Act, the 1934 Act, the 1940 Act and state securities laws;

(d) The prospectuses and statements of additional information of the Acquiring Fund to be used in connection with the Reorganization will conform at the time of their use in all material respects to the applicable requirements of the 1933 Act and the 1940 Act and the rules and regulations of the Commission thereunder and will

not include any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not materially misleading;

(e) The Acquiring Fund is in compliance in all material respects with the applicable investment policies and restrictions set forth in the Acquiring Fund' s prospectus and statement of additional information;

(f) The financial statements of the Acquiring Fund for the Acquiring Fund' s most recently completed fiscal year have been audited by the independent registered public accounting firm identified in the Acquiring Fund' s prospectus or statement of additional information included in the Acquiring Fund' s registration statement on Form N-1A. Such statements, as well as the unaudited, semi-annual financial statements for the semi-annual period next succeeding the Acquiring Fund' s most recently completed fiscal year, if any, were prepared in accordance with GAAP consistently applied, and such statements present fairly, in all material respects, the financial condition of the Acquiring Fund as of such date in accordance with GAAP, and there are no known contingent liabilities of the Acquiring Fund required to be reflected on a balance sheet (including the notes thereto) in accordance with GAAP as of such date not disclosed therein;

(g) Since the last day of the Acquiring Fund' s most recently completed fiscal year, there has not been any material adverse change in the Acquiring Fund' s financial condition, assets, liabilities or business, other than changes occurring in the ordinary course of business;

(h) On the Closing Date, all material Returns of the Acquiring Fund required by law to have been filed by such date (including any extensions) shall have been filed and are or will be true, correct and complete in all material respects, and all Taxes shown as due or claimed to be due by any government entity shall have been paid or provision has been made for the payment thereof. To the Acquiring Fund' s knowledge, no such Return is currently under audit by any Federal, state, local or foreign Tax authority; no assessment has been asserted with respect to such Returns; there are no levies, liens or other encumbrances on the Acquiring Fund or its assets resulting from the non-payment of any Taxes; and no waivers of the time to assess any such Taxes are outstanding nor are any written requests for such waivers pending; and adequate provision has been made in the Acquiring Fund financial statements for all Taxes in respect of all periods ended on or before the date of such financial statements;

(i) The Acquiring Fund has elected to be a regulated investment company under Subchapter M of the Code and is a fund that is treated as a separate corporation under Section 851(g) of the Code. The Acquiring Fund has no earnings or profits accumulated in any taxable year in which the provisions of Subchapter M of the

Code did not apply to it. If the Acquiring Fund serves as a funding vehicle for variable contracts (life insurance or annuity), the Acquiring Fund, with respect to each of its taxable years that has ended prior to the Closing Date during which it has served as such a funding vehicle, has satisfied the diversification requirements of Section 817(h) of the Code and will continue to satisfy the requirements of Section 817(h) of the Code for the period beginning on the first day of its current taxable year and ending on the Closing Date;

(j) All issued and outstanding Acquiring Fund shares are, and on the Closing Date will be, duly authorized and validly issued and outstanding, fully paid and non-assessable by the Acquiring Entity and, in every state where offered or sold, such offers and sales have been in compliance in all material respects with applicable registration and/or notice requirements of the 1933 Act and state and District of Columbia securities laws;

(k) The execution, delivery and performance of this Agreement will have been duly authorized prior to the Closing Date by all necessary action, if any, on the part of the trustees of the Acquiring Entity, on behalf of the Acquiring Fund, and subject to the approval of shareholders of the Target Fund and the due authorization, execution and delivery of this Agreement by the other parties hereto, this Agreement will constitute a valid and binding obligation of the Acquiring Fund, enforceable in accordance with its terms, subject, as to enforcement, to bankruptcy, insolvency, reorganization, moratorium and other laws relating to or affecting creditors' rights and to general equity principles;

(l) The shares of the Acquiring Fund to be issued and delivered to the Target Fund, for the account of the Target Fund Shareholders, pursuant to the terms of this Agreement, will on the Closing Date have been duly authorized and, when so issued and delivered, will be duly and validly issued Acquiring Fund shares, and, upon receipt of the Target Fund's Assets in accordance with the terms of this Agreement, will be fully paid and non-assessable by the Acquiring Entity;

(m) The books and records of the Acquiring Fund are true and correct in all material respects and contain no material omissions with respect to information required to be maintained under laws, rules, and regulations applicable to the Acquiring Fund;

5. COVENANTS OF THE ACQUIRING FUND AND THE TARGET FUND

5.1. With respect to each Reorganization:

(a) The Acquiring Fund and the Target Fund each: (I) will operate its business in the ordinary course and substantially in accordance with past practices between the date hereof and the Closing Date for the Reorganization, it being understood that such

ordinary course of business may include the declaration and payment of customary dividends and distributions, and any other distribution that may be advisable, and (ii) shall use its reasonable best efforts to preserve intact its business organization and material assets and maintain the rights, franchises and business and customer relations necessary to conduct the business operations of the Acquiring Fund or the Target Fund, as appropriate, in the ordinary course in all material respects.

(c) The Target Fund covenants that the Acquiring Fund shares to be issued pursuant to this Agreement are not being acquired for the purpose of making any distribution thereof, other than in accordance with the terms of this Agreement.

(d) The Target Fund will assist the Acquiring Fund in obtaining such information as the Acquiring Fund reasonably requests concerning the beneficial ownership of the Target Fund's shares.

(e) If reasonably requested by the Acquiring Fund, the Target Entity, on behalf of the Target Fund, will provide the Acquiring Fund with (1) a statement of the respective tax basis and holding period of all investments to be transferred by the Target Fund to the Acquiring Fund, (2) a copy (which may be in electronic form) of the shareholder ledger accounts including, without limitation, the name, address and taxpayer identification number of each shareholder of record, the number of shares of beneficial interest held by each shareholder, the dividend reinvestment elections applicable to each shareholder, and the backup withholding and nonresident alien withholding certifications, notices or records on file with the Target Fund with respect to each shareholder, for all of the shareholders of record of the Target Fund as of the close of business on the Valuation Date, who are to become holders of the Acquiring Fund as a result of the transfer of Assets (the "Target Fund Shareholder Documentation"), certified by its transfer agent or its President or Vice-President to the best of their knowledge and belief, (3) the tax books and records of the Target Fund for purposes of preparing any returns required by law to be filed for tax periods ending after the Closing Date, and (4) all FASB ASC 740-10-25 (formerly FIN 48) workpapers and supporting statements pertaining to the Target Fund (the "FIN 48 Workpapers"). (j) Any reporting responsibility of the Target Fund, including, but not limited to, the responsibility for filing regulatory reports, tax returns relating to tax periods ending on or prior to the Closing Date (whether due before or after the Closing Date), or other documents with the Commission, any state securities commission, and any Federal, state or local tax authorities or any other relevant regulatory authority, is and shall remain the responsibility of the Target Fund, except as otherwise is mutually agreed by the parties.

Item 15. Indemnification

Indemnification provisions for officers, trustees, and employees of the Registrant are set forth in Article VIII of the Registrant's Amended and Restated Agreement and Declaration of Trust and Article VIII of its Amended and Restated Bylaws, and are hereby incorporated by reference. See Item 16(1) and (2) below. Under the Amended and Restated Agreement and Declaration of Trust dated September 14, 2005, (i) Trustees or officers, when acting in such capacity, shall not be personally liable for any act, omission or obligation of the Registrant or any Trustee or officer except by reason of willful misfeasance, bad faith, gross negligence or reckless disregard of the duties involved in the conduct of his office with the Trust; (ii) every Trustee, officer, employee or agent of the Registrant shall be indemnified to the fullest extent permitted under the Delaware Statutory Trust Act, the Registrant's Bylaws and other applicable law; (iii) in case any shareholder or former shareholder of the Registrant shall be held to be personally liable solely by reason of his being or having been a shareholder of the Registrant or any portfolio or class and not because of his acts or omissions or for some other reason, the shareholder or former shareholder (or his heirs, executors, administrators or other legal representatives, or, in the case of a corporation or other entity, its corporate or general successor) shall be entitled, out of the assets belonging to the applicable portfolio (or allocable to the applicable class), to be held harmless from and indemnified against all loss and expense arising from such liability in accordance with the Bylaws and applicable law. The Registrant, on behalf of the affected portfolio (or class), shall upon request by the shareholder, assume the defense of any such claim made against the shareholder for any act or obligation of that portfolio (or class).

The Registrant and other investment companies and their respective officers and trustees are insured under a joint Mutual Fund Directors and Officers Liability Policy, issued by ICI Mutual Insurance Company and certain other domestic insurers, with limits up to \$80,000,000 (plus an additional \$20,000,000 limit that applies to independent directors/trustees only).

Section 16 of the Master Investment Advisory Agreement between the Registrant and Invesco Advisers, Inc. ("Invesco") provides that in the absence of willful misfeasance, bad faith, gross negligence or reckless disregard of obligations or duties hereunder on the part of Invesco or any of its officers, directors or employees, that Invesco shall not be subject to liability to the Registrant or to any series of the Registrant, or to any shareholder of any series of the Registrant for any act or omission in the course of, or connected with, rendering services hereunder or for any losses that may be sustained in the purchase, holding or sale of any security. Any liability of Invesco to any series of the Registrant shall not automatically impart liability on the part of Invesco to any other series of the Registrant. No series of the Registrant shall be liable for the obligations of any other series of the Registrant.

Section 9 of the Master Intergroup Sub-Advisory Contract for Mutual Funds (the “Sub-Advisory Contract”) between Invesco, on behalf of Registrant, and each of Invesco Asset Management Deutschland GmbH, Invesco Asset Management Ltd., Invesco Asset Management (Japan) Limited, Invesco Australia Limited, Invesco Hong Kong Limited, Invesco Senior Secured Management, Inc. and Invesco Canada Ltd. (each a “Sub-Adviser”, collectively the “Sub-Advisers”) provides that the Sub-Adviser shall not be liable for any costs or liabilities arising from any error of judgment or mistake of law or any loss, suffered by any series of the Registrant or the Registrant in connection with the matters to which the Sub-Advisory Contract relates except a loss resulting from willful misfeasance, bad faith or gross negligence on the part of the Sub-Adviser in the performance by the Sub-Adviser of its duties or from reckless disregard by the Sub-Adviser of its obligations and duties under the Sub-Advisory Contract.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 (the “Act”) may be permitted to trustees, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a trustee, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such trustee, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act will be governed by the final adjudication of such issue.

Re: Registration Statement on Form N-14

Ladies and Gentlemen:

We have acted as counsel to AIM Investment Securities Funds (Invesco Investment Securities Funds) (“AIS”), a Delaware statutory trust, in connection with the preparation and filing with the U.S. Securities and Exchange Commission (the “Commission”) of a Registration Statement on Form N-14 under the Securities Act of 1933, as amended (the “Registration Statement”). Pursuant to an Agreement and Plan of Reorganization (the “Agreement”), Invesco High Yield Fund (the “Acquiring Fund”), a series of AIS, will assume the assets and liabilities of Invesco High Yield Securities Fund (the “Target Fund”), also a series of AIS, in exchange for shares of a corresponding class of the Acquiring Fund, as set forth on Exhibit A (the “Reorganization”).

We have reviewed the Amended and Restated Agreement and Declaration of Trust and Amended and Restated Bylaws of AIS, in each case as amended to the date hereof, resolutions adopted by AIS in connection with the Reorganization, the form of Agreement, which has been approved by AIS’ s Board of Trustees, the Registration Statement and such other legal and factual matters as we have deemed appropriate.

This opinion is based exclusively on the provisions of the Delaware Statutory Trust Act governing the issuance of the shares of AIS and the reported case law thereunder, and does not extend to the securities or “blue sky” laws of the State of Delaware or other States.

We have assumed the following for purposes of this opinion:

1. The shares of the Acquiring Fund will be issued in accordance with AIS’ s Amended and Restated Agreement and Declaration of Trust (the “Trust Agreement”) and Amended and Restated Bylaws, each as amended to date, the Agreement, and resolutions of AIS’ s Board of Trustees relating to the creation, authorization and issuance of shares and the Reorganization.
 2. The shares of the Acquiring Fund will be issued against payment therefor as described in the Agreement, and such payment will be at least equal to the net asset value of such shares.
 3. The Agreement, substantially in the form reviewed by us, will be executed and delivered.
-

On the basis of and subject to the foregoing, we are of the opinion that the shares of the Acquiring Fund to be issued to Target Fund shareholders as provided by the Agreement are duly authorized, and upon delivery will be validly issued and outstanding, and will be fully paid and non-assessable by AIS.

Both the Delaware Statutory Trust Act, as amended, and the Trust Agreement provide that shareholders of AIS shall be entitled to the same limitation on personal liability as is extended under the Delaware General Corporation Law, as amended, to stockholders of private corporations for profit. There is a remote possibility, however, that, under certain circumstances, shareholders of a Delaware statutory trust may be held personally liable for that trust's obligations to the extent that the courts of another state that does not recognize such limited liability were to apply the laws of such state to a controversy involving such obligations. The Trust Agreement also provides for indemnification out of property of the Acquiring Fund for all loss and expense of any shareholder held personally liable for the obligations of such Fund. Therefore, the risk of any shareholder incurring financial loss beyond his or her investment due to shareholder liability is limited to circumstances in which the Acquiring Fund is unable to meet its obligations and the express limitation of shareholder liabilities is determined by a court of competent jurisdiction not to be effective.

We hereby consent to the filing of this opinion with the Commission as an exhibit to the Registration Statement.

Sincerely yours,

STRADLEY RONON STEVENS & YOUNG, LLP
