ITEM 4: CHANGES IN REGISTRANT' S CERTIFYING ACCOUNTANTS

On April 11, 2004, the Registrant engaged E. Randal Gruber as its independent accountant for the year ending December 31, 2004 and dismissed the former independent accountants, Madsen & Associates, CPA' s Inc. The report of the former accountants for the past two years did not contain an adverse opinion or a disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope, or accounting principles, except that the reports of Madsen & Associates for such fiscal years and interim periods indicated conditions which raised substantial doubt about the Company' s ability to continue as a going concern.

During the two most recent fiscal years and to the date hereof, there have been no disagreements between the Registrant and the former accountants on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which if not resolved to the satisfaction of the former accountant would have caused it to make reference to the subject matter.
