- (1) Assumes all of the shares of common stock offered are sold. Based on 36,777,000 shares of common stock issued and outstanding on December 7, 2007.
- (2) Beneficial ownership is determined in accordance with SEC rules and generally includes voting or investment power with respect to securities. Shares of common stock subject to options, warrants and convertible preferred stock currently exercisable or convertible, or exercisable or convertible within sixty (60) days, are counted as outstanding for computing the percentage of the person holding such options or warrants but are not counted as outstanding for computing the percentage of any other person. For this selling stockholder, common stock owned and total common stock registered represent shares of common stock issuable upon exercise of warrants, which are exercisable within sixty (60) days.

When taken together with the selling stockholder table in the prospectus and its accompanying supplements, the aggregate number of common stock owned by selling security holders reflected in information provided to us totals more than 18,266,666 because certain of the selling stockholders may have transferred all or a portion of their common stock or common stock warrants into a nominee or brokerage account or “street name” since the date on which they provided the information regarding their security holdings for inclusion in this table and the table included in the prospectus and its accompanying supplements. However, in no event will the selling stockholders, in the aggregate, sell pursuant to the prospectus, as supplemented from time-to-time, more than 18,266,666 shares of our common stock.

Information about other selling stockholders will be set forth in an amendment to the registration statement of which the prospectus is a part or in prospectus supplements, as required.

We prepared this table based on the information supplied to us by the selling stockholders named in the table.

**See “Risk Factors” beginning on page 6 of the accompanying prospectus to read about risks that you should consider before buying shares of our common stock.**

**Neither the Securities and Exchange Commission nor any other regulatory body has approved or disapproved these securities or passed upon the adequacy or accuracy of this prospectus. Any representation to the contrary is a criminal offense.**
