Item 1. Security and issuer.

The class of equity securities to which this statement relates is the Common Stock, \$.01 par value ("Shares"), of Medical Resources, Inc., a Delaware corporation ("MRI"), with principal executive offices at 155 State Street, Hackensack, NJ 07601.

Item 2. Identify and background.

(a) through (c) and (f). This Statement is filed on behalf of (i) MetLife, Inc. ("MetLife"), (ii) Metropolitan Life Insurance Company, a wholly owned subsidiary of MetLife ("MLIC"), (iii) GenAmerica Financial Corporation, a wholly owned subsidiary of MLIC ("GenAmerica"), (iv) General American Life Insurance Company, a wholly owned subsidiary of GenAmerica ("GenAm Life"), (v) Cova Corporation, a wholly owned subsidiary of GenAm Life ("Cova") and (vi) MetLife Investors Insurance Company (f/k/a Cova Financial Services Life Insurance Company), a wholly owned subsidiary of Cova ("MetLife IIC") (MetLife, MLIC, GenAmerica, GenAm Life, Cova and MetLife IIC are referred to herein collectively as the "Filing Parties"). MetLife, a Delaware corporation with its principal office and business at One Madison Avenue, New York, NY, 10010-3690, is a holding company which owns all of the issued and outstanding shares of common stock of MLIC. MetLife is not controlled by any person or persons. MLIC, a New York life insurance company, has its principal office and business at One Madison Avenue, New York, New York 10010-3690. GenAmerica and Cova are holding companies and GenAm Life and MetLife IIC are insurance companies. GenAmerica, GenAm Life and Cova are each Missouri corporations with the address of their principal offices and businesses at 700 Market Street, St. Louis, Missouri 63101.

MetLife IIC is a Missouri corporation with the address of its principal office and business at One Tower Lane, Suite 3000, Oakbrook Terrace, Illinois 60181.

Set forth on Exhibit A to this Statement, and incorporated herein by reference, is the name, residence or business address, present principal occupation or employment (and the name, principal business and address of any corporation or other organization in which such employment is conducted) and citizenship of each director and executive officer of the Filing Parties.

(d) During the last five years, none of the Filing Parties nor, to the best knowledge of the Filing Parties, any of their respective executive officers or directors has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

(e) During the last five years, none of the Filing Parties nor, to the best knowledge of the Filing Parties, any of their respective executive officers or directors has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and amount of funds or other consideration. The transaction reported herein is the cancellation of \$4,807,693 in principal amount of senior notes held by the Filing Parties in exchange for Shares as a result of the consummation of MRI's Third Amended Joint Plan of Reorganization dated November 6, 2000 and confirmed by the Bankruptcy Court of the Southern District of New York (the "Plan") The senior notes held by the Filing Parties were a part of a class of \$75,000,000 in aggregate principal amount of senior notes (the "Senior Notes") all of which were cancelled under the Plan in exchange for Shares.

Item 4. Purpose of transaction. The transaction requiring the filing of this statement is described in Item 3 above.

The Filing Parties currently intend to seek to dispose of their Shares in one or more privately negotiated sales or through a corporate merger or reorganization. Given MRI's business, prospects and financial condition and the market for Shares, an acceptable offer may not be received by the Filing Parties, in which event the Filing Parties may continue to hold their Shares for investment. The Filing Parties may be compelled, pursuant to the Stockholders Agreement described in Item 6, to vote their Shares in favor of and/or to dispose of their Shares in a sale or corporate transaction in certain circumstances. The Filing Parties have not received an offer for their Shares which they currently intend to accept nor are the Filing Parties aware of any proposed transaction which would require them to dispose of their Shares.

Upon consummation of the Plan the Board of Directors of MRI was reconstituted with seven members, six of whom were selected by the holders of the Senior Notes as a class (collectively with the Filing Parties, the "Former Holders") and one of whom was selected by DVI Financial Services, Inc. ("DVI"), another creditor of MRI. Pursuant to the Stockholders Agreement and the Voting Agreement, also described in Item 6, the Filing Parties have agreed to vote their Shares to maintain such Board composition. The Filing Parties have been made aware that Richard Teller and Mark Dunn, two of the directors selected by the Former Holders, have resigned from the Board and that the Board has voted to fill one of the resulting vacancies with Jeffrey Pollock, a person nominated by the remaining members of the Board originally nominated by the Former Holders.

The Filing Parties have been advised that as a result of the consummation of the Plan, MRI has filed a Form 15 to deregister the Shares. If such deregistration is effective, the Filing Parties do not intend to file any amendments to update any of the information contained in this Schedule 13D.

Except as set forth in this Item 4, the Filing Parties do not have any plans or proposals which would relate to or result in:

- (a) The acquisition by any person of additional securities of MRI, or the disposition of securities of MRI;
 - (b) An extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving MRI or any of its subsidiaries;
 - (c) A sale or transfer of a material amount of assets of MRI or any of its subsidiaries;
 - (d) Any change in the present board of directors or management of MRI, including any plans or proposals to change the number or terms of directors or to fill any existing vacancies on the board;
 - (e) Any material change in the present capitalization or dividend policy of MRI;
 - (f) Any other material change in MRI's business or corporate structure;
 - (g) Changes in MRI's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of MRI by any person;
 - (h) Causing a class of securities of MRI to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;
 - (i) A class of equity securities of MRI becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934; or
 - (j) Any action similar to any of those enumerated above.
- Item 5. Interest in securities of the issuer.

(a) The Filing Parties have beneficial ownership of 313,206 Shares. Based upon the 5,491,961 Shares the Filing Parties understand to be presently outstanding, this beneficial ownership would constitute approximately 5.7% of the Shares. The Filing Parties each share power to vote or to direct the disposition of all such Shares with each other.

As a result of the Stockholders Agreement and the Voting Agreement, the Filing Parties may be deemed to be beneficial owners of an additional 5,063,823 Shares owned or receivable by the other parties to the Voting Agreement and the Stockholders Agreement. The Filing Parties disclaim beneficial ownership of these other Shares.

(b) Other than as may be described in Item 3, no transactions in Shares have been effected during the past sixty days by the Filing Parties.

Item 6. Contracts, arrangements, understandings or relationships with respect to securities of the issuer. In connection with the transactions described in Item 3, the Filing Parties entered into a Voting Agreement with MRI, the other Former Holders and DVI and a Stockholders Agreement with MRI, the other Former Holders, DVI and Geoffrey Whynot ("Whynot") and Christopher Joyce ("Joyce"), the current Co-Chief Executives of MRI. The descriptions below of these agreements are qualified in their entirety by reference to the agreements, which are filed as Exhibits 1 and 2 to this Schedule and which are incorporated herein by reference.

The Voting Agreement provides that until the occurrence of certain events the Former Holders and DVI will vote to elect from time to time one nominee selected by DVI to MRI's Board of Directors and six nominees selected by a majority of the Former Holders. Pursuant to the Voting Agreement MRI has agreed to provide the Former Holders and DVI with certain rights, including the right to receive certain information relating to MRI and preemptive rights on future securities issuances.

The Stockholders Agreement provides that until the occurrence of certain events each of Joyce and Whynot will also vote their Shares from time to time in favor of six nominees to MRI's Board of Directors selected by a majority of the Former Holders and that each of the Former Holders, Joyce and Whynot will vote their Shares as directed from time to time by a majority of the Former Holders on a number of significant corporate issues. The Stockholder Agreement also provides that each of Joyce, Whynot and the Former Holders will be entitled to participate in any sale of Shares entered into by Former Holders owning at least 40% of the issued and outstanding Shares and if such sale is of at least 50% of the issued and outstanding Shares, will participate in such sale if so requested and certain conditions are met. Pursuant to the Stockholders Agreement MRI granted to the Former Holders two demand registration rights and granted to DVI, Joyce, Whynot and the Former Holders the right to piggyback on registrations of securities effected by MRI on its own behalf or for other holders of securities.

The Corporation will also furnish to each Stockholder, within five (5) business days after the date of filing or delivery thereof, copies of all materials of whatsoever nature filed or delivered by the Corporation with the SEC.

3.2 Rule 144 Reporting. With a view to making available to the

Stockholders the benefits of certain rules and regulations of the SEC which may permit the sale of Shares to the public without registration, the Corporation agrees to use its best efforts to:

- (a) Make and keep public information available, as those terms are understood and defined in SEC Rule 144 or any similar or analogous rule promulgated under the Securities Act, at all times after the effective date of the Initial Post-Effective Registration Statement;
- (b) File with the SEC, in a timely manner, all reports and other documents required of the Corporation under the Exchange Act; and

For so long as any Stockholder shall have any rights under this Agreement, the Corporation shall not enter into or become obligated under any agreement or contract, including without limitation, any loan agreement, promissory note (or other evidence of indebtedness), mortgage, security agreement or lease, which by its terms specifically prevents or restricts to the Corporation from performing its obligations under the Agreement.

ARTICLE 4. ISSUANCES BY THE CORPORATION

4.1 Right of First Refusal on Primary Offerings. Until such right is terminated pursuant to Section 4.4, each Stockholder shall have a right of first refusal to purchase its Pro Rata Share (as defined below) of all Equity Securities (as defined below) that the Corporation may, from time to time, propose to sell and issue after the date of this Agreement, other than Excluded Securities. The term "Equity Securities" shall mean (i) Common Stock or other capital stock of the Corporation, (ii) any security convertible, with or without consideration, into Common Stock or other capital stock of the Corporation (including any option to purchase such a convertible security), (iii) any security carrying any warrant or right to subscribe to or purchase Common Stock or other capital stock of the Corporation or (iv) any such warrant or right.

4.2 Exercise of Rights. If the Corporation proposes to issue any Equity Securities, it shall give each Stockholder written notice (a "Corporation Notice") of its intention, describing the Equity Securities and the price and the terms and conditions upon which the Corporation proposes to issue the same. Each Stockholder shall have twenty (20) days from the receipt of a Corporation Notice to agree to purchase up to its Pro Rata Share (as defined below) of such Equity Securities for the price and upon the terms and

conditions specified in such Corporation Notice by giving written notice to the Corporation and stating therein the quantity (up to its Pro Rata Share) of Equity Securities it agrees to purchase. Notwithstanding the foregoing, the Corporation shall not be required to offer or sell such Equity Securities to any Stockholder if such offer or sale would cause the Corporation to be in violation of any applicable federal or state securities or "blue sky" laws. The Corporation will use reasonable best efforts to comply with all federal and applicable state securities or "blue sky" laws provided in no event shall the Corporation be required to (i) file a registration statement or qualification statement under any such laws; (ii) qualify to do business in any jurisdiction; (iii) subject itself to taxation in any jurisdiction or (iv) consent to general service of process in any jurisdiction.

Each Stockholder's "Pro Rata Share" is equal to the ratio of (a) the number of Shares (including all Shares issuable upon conversion or exercise of any Equity Securities convertible or exercisable into shares of Common Stock but in all cases excluding any Excluded Securities) of which such Stockholder is deemed to be a holder immediately prior to the issuance of such Equity Securities to (b) the total number of shares of the Corporation's outstanding Common Stock (including all shares of Common Stock issued or issuable upon conversion or exercise of any Equity Securities convertible or exercisable into shares of Common Stock but in all cases excluding any Excluded Securities) immediately prior to the issuance of such Equity Securities.

4.3 Issuance of Equity Securities to Other Persons. If not all of the Stockholders elect to purchase their entire Pro Rata Share of the Equity Securities proposed to be issued, then the Corporation shall have ninety (90) days thereafter to sell the Equity Securities in respect of which the Stockholders' rights were not exercised to any other person(s), at a price and upon general terms and conditions no more favorable to the purchasers thereof than specified in the applicable Corporation Notice. If the Corporation has not sold such Equity Securities within such ninety (90) days, the Corporation shall not thereafter issue or sell any Equity Securities without first offering such Equity Securities to the Stockholders in the manner provided in Section 4.2.

4.4 Termination and Waiver of Right of First Refusal. The right of first refusal established by this Article 4 shall terminate upon the earlier of (a) the effective date of the registration statement pertaining to the Corporation's Initial Post-Effective Public Offering or (b) a Change of Control.

4.5 Excluded Securities. The rights of first refusal established by this Article 4 shall not apply to:

- (a) Equity Securities issued in the Corporation's Initial Post-Effective Public Offering;
- (b) shares of Common Stock (and any options, warrants or other Common Stock purchase rights for such

shares of Common Stock) issued or to be issued to employees, officers or directors of, or consultants or advisors to the Corporation or any subsidiary, pursuant to compensation plans, or other similar arrangements that are approved by the Corporation's Board of Directors;

(c) Equity Securities issued pursuant to exercise of warrants, options or other rights, or conversion of convertible Equity Securities outstanding as of the date of this Agreement or with respect to which the Stockholders were given rights under this Article 4 on the initial issuance thereof;

(d) any Equity Securities issued pursuant to a merger, consolidation, acquisition or similar business combination;

(e) shares of Common Stock issued in connection with any stock split, stock dividend or recapitalization by the Corporation; and

(f) Equity Securities issued in connection with the extension of credit or other financing (including leasing arrangements) to the Corporation or a subsidiary of the Corporation by any party who is not a Stockholder, an Affiliate of any Stockholder or an Affiliate of the Corporation.

4.6 Rights to Other Parties. Nothing in this Article 4 shall be deemed to prohibit the Corporation from extending the rights set forth in this Article 4 to any other holders of Common Stock.

ARTICLE 5. MISCELLANEOUS.

5.1 Successors and Assigns. This Agreement shall be binding upon the parties hereto and their Transferees; provided, no Transferee shall be entitled to any benefits under this Agreement unless such Transferee shall have executed and delivered to the Corporation its written agreement to be bound by the terms of this Agreement to the same extent as its transferor in form and substance satisfactory to the Requisite Former Senior Noteholders and (a) such Transferee is already a Stockholder or is an Affiliate Transferee or (b) the transfer to such Transferee is of Shares representing at least 5% of the then issued and outstanding Common Stock or (c) the transfer to such Transferee is of the original number of shares of Common Stock issued to the transferring Stockholder under the Plan (as such number may be adjusted to reflect any subsequent stock split, combination or reclassification of the Common Stock).

5.2 Term and Termination. Unless the rights granted hereby are sooner terminated by the express provisions herein, this Agreement shall terminate upon mutual written agreement of all of the Stockholders.

5.3 Amendments. This Agreement may be amended or modified in whole or in part only by an instrument in writing signed by all Stockholders and the Corporation.

5.8 Effect of Headings. Any title of an article or section heading herein contained is for convenience or reference only and shall not affect the meaning or construction of any of the provisions hereof.

5.9 Injunctive Relief. It is acknowledged that it will be impossible to measure the damages that would be suffered by a party if any other party fails to comply with the provisions of this Agreement and that in the event of any such failure, the non-defaulting parties will not have an adequate remedy at law. The non-defaulting parties shall, therefore, be entitled to obtain specific performance of the defaulting party's obligations hereunder and to obtain immediate injunctive relief. The defaulting party shall not argue, as a defense to any proceeding for such specific performance or injunctive relief, that the non-defaulting parties have an adequate remedy at law.

5.10 Severability. In case any provision of the Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

5.11 Delays or Omissions. It is agreed that no delay or omission to exercise any right, power or remedy accruing to any party, upon any breach, default or noncompliance of any other party under this Agreement shall impair any such right, power or remedy, nor shall it be construed to be a waiver of or in any such breach, default or noncompliance, or any acquiescence therein, or of or in any similar breach, default or noncompliance thereafter occurring. It is further agreed that any waiver, permit, consent or approval of any kind or character on the part of any party of any breach, default or noncompliance under the Agreement or any waiver on the part of any party of any provisions or conditions of this Agreement must be in writing and shall be effective only to the extent specifically set forth in such writing.

All notices and other written communications provided for hereunder shall be given in writing and sent by overnight delivery service (with charges prepaid) or by facsimile transmission with the original of such transmission being sent by overnight delivery service (with charges prepaid) by the next succeeding Business Day and (i) if to a Stockholder addressed to such Stockholder at such address or fax number as is specified for such Stockholder after its signature to this Agreement; and

5.12. Notice given in accordance with this Section 5.12 shall be effective upon the earlier of the date of delivery or the second Business Day at the place of delivery after dispatch.

5.13 Pronouns. All pronouns contained herein, and any variations thereof, shall be deemed to refer to the masculine, feminine or neutral, singular or plural, as to the identity of the parties hereto may require.

5.14 Legend. Each certificate evidencing any of the Shares shall bear a legend substantially as follows:

ARTICLE 3. RIGHTS OF CO-SALE; REQUIRED CO-SALE.

3.1 Tag-Along/Drag-Along. If one or more Former Senior Noteholders ("Selling Former Senior Noteholders") propose to sell, in a single transaction or series of related transactions, Shares representing more than 40% of the Common Stock at the time outstanding to a party who is not a Former Senior Noteholder or who will not be an Affiliate Transferee of a Former Senior Noteholder after such sale, the other Stockholders have the right to participate in such sale to the extent provided in Section 3.2. Further, if such sale of Shares by the Selling Former Noteholders represents more than 50% of the Common Stock at the time outstanding and is at a price per share not less than the current Plan Value, the other Stockholders shall, if requested by the Selling Former Senior Noteholders, sell to the purchaser of such Selling Former Senior Noteholders' Shares all of their Shares on the same terms and conditions as such Selling Former Senior Noteholders; provided, the other Stockholders shall not be obligated to sell their Shares pursuant to this sentence unless the Selling Former Senior Noteholders propose to sell all of their Shares in such transaction. Not less than thirty (30) days prior to any proposed sale of Shares by Selling Former Senior Noteholders, the Selling Former Senior Noteholders shall give the other Stockholders written notice of the proposed sale (a "Sale Notice") which shall specify the terms and conditions of such sale and whether or not the Selling Former Senior Noteholders are exercising their rights under clause (b) of this Section 3.1 to require to other Stockholders to sell their Shares on the same terms and conditions.

Selling Former Senior Noteholders written notice (a "Participation Notice") of its election to participate not later than fifteen (15) days after the date of the delivery of the Sale Notice and specifying the number of Shares which it wishes to sell. If the Selling Former Senior Noteholders receive any Participation Notices, they shall not sell any Shares in such transaction unless the purchaser thereof at the same time purchases from each Participating Stockholder on the same terms and conditions, that number of Shares at least equal to the lesser of:

(a) the total number of Shares which such Participating Stockholder specified in its Participation Notice that it wished to sell; or
(b) the number of Shares derived by multiplying the total number of Shares then owned by such Participating Stockholder by a fraction, the numerator of which is equal to the number of Shares that are to be purchased by the proposed purchaser from the Selling Former Senior Noteholders and the denominator of which is the aggregate number of Shares owned by the Selling Former Senior Noteholders prior to such sale;

provided, the number of Shares to be included by each Participating Stockholder and each Selling Former Senior Noteholders in such sale shall be reduced pro rata based on the number of Shares proposed to be included by each in such sale until the aggregate number of Shares to be sold is equal to the number of Shares that the proposed purchaser desires to purchase.

ARTICLE 4. REGISTRATION RIGHTS

4.1 Demand Registration.

(a) Requests for Registration. At any time following the first anniversary of the effective date of the Plan, Former Senior Noteholders owning Registrable Securities representing at least 15% of the then issued and outstanding shares of Common Stock shall be entitled to request registration (a "Demand Request") under the Securities Act of all or any portion of their Registrable Securities. A registration requested pursuant to this Section 4.1(a) is referred to in this Agreement as a "Demand Registration". The Demand Request shall specify the approximate number of Registrable Securities requested to be registered and the intended method of distribution thereof. Within ten days after receipt of a Demand Request, the Corporation shall give written notice of such requested registration to each other holder of Registrable Securities and shall include in such registration all Registrable Securities with respect to which the Corporation has received written requests for inclusion therein, including without limitation, but subject to Section 4.1(c), all Registrable Securities requested for inclusion pursuant to Section 4.2, and the intended method of distribution thereof within 30 days after the receipt of the Corporation's notice.

(b) Number of Demand Registrations. The Former Senior Noteholders as a group shall be entitled to request two Demand Registrations. The Corporation shall pay all

Registration Expenses in connection with the Demand Registration and shall pay all Registration Expenses in connection with a registration initiated as a Demand Registration whether or not it becomes effective or is not otherwise counted as a Demand Registration. A registration shall not count as a Demand Registration until it has become effective under the Securities Act and any blue sky laws of any applicable state and remains so effective until the earlier of the date all Registrable Securities included therein have been sold pursuant thereto or the time periods for which such registration statement is required to be maintained as effective under Section 4.4(a) have expired (unless such registration statement is withdrawn at the request of the holders of not less than a majority of the Registrable Securities included therein (other than a withdrawal in the case described in the next following sentence or in the case described in Section 4.1(d)). If so requested in the Demand Request and if the market value of the Registrable Securities to be included in such registration shall have current market value of not less than \$5,000,000, the Corporation shall use its best efforts to effect such Demand Registration as an underwritten offering on a firm commitment basis, provided if the Corporation is unable to effect the registration as an underwritten offering on a firm commitment basis, the Corporation will continue to effect such registration if requested to do so by holders of not less than a majority of the Registrable Securities to be included therein in accordance with the method of distribution as is specified by such holders and in such case the registration statement shall count as a Demand Registration; otherwise such Demand Request shall be deemed not to have been made and shall not count as a Demand Registration.

(c) Priority on Demand Registration. All Registrable Securities requested to be included in the Demand Registration shall be included unless the offering is to be underwritten and the managing underwriters advise the Corporation in writing that all of the Registrable Securities requested to be included may not be sold without adversely affecting the marketability of the offering. In such case, the number of such Registrable Securities included in the offering, if any, shall be allocated first, pro rata among the Former Senior Noteholders on the basis of the total number of Registrable Securities requested by each such holder to be included and second, pro rata among the other holders of Registrable Securities requested to be included pursuant to Section 4.2 on the basis of the total number of Registrable Securities requested to be included pursuant to Section 4.2. If all Registrable Securities requested to be included in the Demand Registration are so included, the Corporation may include in the Demand Registration other securities to be sold by the Corporation for its own account or to be sold by other Persons, unless the managing underwriters advise the Corporation in writing that in their opinion the inclusion of such other securities

will cause the number of Registrable Securities and other securities requested to be included in the offering to exceed the number which may be sold without adversely affecting the marketability of the offering.

(d) Restrictions on Demand Registration. The Corporation shall not be obligated to effect a Demand Registration within 120 days after the effective date of a previous registration of securities by the Corporation under the Securities Act if the holders of Registrable Securities were given piggyback rights in such previous registration pursuant to Section 4.2 and all Registrable Securities requested to be included in such registration pursuant to Section 4.2 were included therein. The Corporation shall be entitled to postpone, for up to 90 days (or for up to 120 days if the Demand Request relating to the registration statement is received during the month of December or the first quarter of any calendar year) the filing of any registration statement otherwise required to be prepared and filed by it pursuant hereto if, at the time it receives a Demand Request, the Corporation would be required to prepare for inclusion or incorporation into the registration statement any financial statements other than those that it customarily prepares or the Corporation determines in its reasonable business judgment that such registration and offering would materially interfere with any financing, refinancing, acquisition, disposition, corporate reorganization or other material corporate transactions or development involving the Corporation or any of its subsidiaries and promptly gives the holders of the Registrable Securities making the Demand Request written notice of such determination; provided, that if the Corporation shall so postpone the filing of a registration statement, the holders of a majority of the Registrable Securities making the Demand Request shall have the right to withdraw the Demand Request by giving written notice to the Corporation within 30 days after the receipt of notice of postponement and, in the event of such withdrawal, the withdrawn Demand Request shall be deemed not to have been made and shall not count as a Demand Registration.

(e) Selection of Underwriters. The Corporation shall have the right to select the investment banker(s) and manager(s) to administer the Demand Registration, subject to the approval of the holders of a majority of the Registrable Securities to be included therein, which approval shall not be unreasonably withheld.

(f) Grant of Other Demand Registration Rights. From and after the date hereof, the Corporation shall not grant to any Persons the right to request the Corporation to register any equity securities of the Corporation without the prior written consent of Former Senior Noteholders owning Registrable Securities representing a majority of Registrable Securities owned by all Former Senior Noteholders at the time provided, that the Corporation may without the consent of such Former Senior Noteholders, grant rights to other Persons to

(i) participate in Piggyback Registrations so long as such rights are subordinate to the rights of the holders

of Registrable Securities with respect to such registrations; and (ii) request registrations so long as the holders of Registrable Securities are entitled to participate in any such registrations pari passu with such Persons.

4.2 Piggyback Registrations.

(a) Right to Piggyback. Whenever the Corporation proposes to register any of its equity securities under the Securities Act (including, without limitation, in a Demand Registration) and the registration form to be used may be used for the registration of Registrable Securities, the Corporation shall give prompt written notice to each holder of Registrable Securities of its intention to effect such a registration and shall include in such registration (a "Piggyback Registration") all Registrable Securities with respect to which the Corporation has received written requests for inclusion therein (which request shall state the intended method of distribution thereof) within 30 days after the receipt of the Corporation's notice on the same terms and conditions as the other securities included therein.

(b) Piggyback Expenses. The Registration Expenses of the holders of Registrable Securities shall be paid by the Corporation in all Piggyback Registrations.

(c) Priority on Primary Registrations. If a Piggyback Registration is an underwritten primary registration on behalf of the Corporation, and the managing underwriters advise the Corporation in writing that in their opinion the number of securities requested to be included in such registration exceeds the number which can be sold in such offering without adversely affecting the marketability of the offering, the Corporation shall include in such registration first, the securities the Corporation proposes to sell and second, the Registrable Securities requested to be included therein and then (and only then) any other securities requested to be included in such registration. If less than all the Registrable Securities requested to be included in the Piggyback Registration may be so included, the number of Registrable Securities included in the Piggyback Registration shall be allocated pro rata among the holders of Registrable Securities on the basis of the number of Registrable Securities requested by each such holder to be included therein.

(d) Priority on Secondary Registrations. If a Piggyback Registration is an underwritten secondary registration on behalf of other holders of the Corporation's securities other than a Demand Registration, and the managing underwriters advise the Corporation in writing that in their opinion the number of securities requested to be included in such registration exceeds the number which can be sold in such offering without adversely affecting the marketability of the offering, the Corporation shall include in such registration the Registrable Securities and the other securities on whose behalf the registration was initially being made pro rata among the holders of the Registrable Securities and the holders of such other securities on the basis of the number of Registrable Securities and other securities requested by each such holder to

be included therein. If the Piggyback Registration is a Demand Registration and the managing underwriters advise the Corporation in writing that in their opinion the number of securities requested to be included in such registration exceeds the number which can be sold in such offering without adversely affecting the marketability of the offering, the provisions of Section 4.1(c) shall govern.

(e) Continued Obligation for Demand Registration. No registration of Registrable Securities effected under this Section 4.2 shall relieve the Corporation of its obligation to effect registration of the Registrable Securities upon any Demand Request made pursuant to the provisions of Section 4.1.

(f) Withdrawal or Delay. If at any time after giving written notice of its intention to register any securities and prior to the effective date of the registration statement filed in connection with such registration, the Corporation shall determine for any reason not to register or to delay registration of such securities, the Corporation may, at its election, give written notice of such determination to each holder of Registrable Securities requested to be included in such offering and (i) in the case of a determination not to register, shall be relieved of its obligation to register any Registrable Securities in connection with such registration (but not from any obligation of the Corporation to pay the Registration Expenses in connection therewith), without prejudice, however, to the rights of any holder of Registrable Securities to include Registrable Securities in any future registrations pursuant to this Section 4.2 or to cause a registration to be effected as a Demand Registration under Section 4.1, and (ii) in the case of a determination to delay registering, shall be permitted to delay registering any Registrable Securities, for the same period as the delay in registering such other securities.

4.3 Holdback Agreements.

(a) No holder of Registrable Securities shall effect any public sale or distribution (which shall not include any sales pursuant to Rule 144 or 144A) of equity securities of the Corporation, or any securities convertible into or exchangeable or exercisable for such securities, during the seven days prior to and the 120-day period following the effective date of the registration statement for a Demand Registration or any underwritten Piggyback Registration in which Registrable Securities are or may be included (except as part of the offering covered by such registration statement) unless the underwriters managing the registered public offering otherwise agree.

(b) The Corporation shall not effect any public sale or distribution of shares of Common Stock or any other equity securities of the Corporation, during the seven days prior to and during the 90-day period following the effective date of any underwritten Demand Registration or any underwritten Piggyback Registration (except as part of such underwritten registration or pursuant to registrations on Form S-8 or any successor form or pursuant to any shelf registration statement then in effect for

the benefit of any holders of the Corporation's securities), unless the underwriters managing the registered public offering otherwise agree.

4.4 Registration Procedures. Whenever any Registrable Securities are required to be registered pursuant to this Agreement, the Corporation shall use its reasonable best efforts to effect the registration and the sale of such Registrable Securities in accordance with the intended method of disposition thereof and pursuant thereto the Corporation shall as expeditiously as possible:

(a) prepare and file with the SEC a registration statement with respect to such Registrable Securities on Form S-1 or such other form of general applicability satisfactory to the managing underwriter (or if the offering is not underwritten, the holders of a majority of Registrable Securities included therein) and use its reasonable best efforts to cause such registration statement to become effective (provided that the Corporation may delay or discontinue any registration statement effected under Section 4.1 in accordance with Section 4.1(d) or Section 4.2 in accordance with Section 4.2(f)) and prepare and file with the SEC such amendments and post-effective amendments to such registration statement and supplements to the prospectus used in connection therewith as may be necessary to keep such registration statement effective under the Securities Act and the blue sky laws of any applicable state for a period of not less than 90 days in the case of an underwritten offering, and in any other offering, until the disposition of all Registrable Securities covered by such registration statement, but not longer than a period of six months, unless at the expiration of such six month period, less than 75% of the Registrable Securities covered by such Registration Statement have been sold, then such period shall automatically be extended for six additional months; provided that at any time after the registration statement has been continuously effective for six consecutive months, if the Corporation determines in its reasonable business judgment that having such registration statement remain in effect would materially interfere with any financing, refinancing, acquisition, disposition, corporate reorganization or other material corporate transaction or development involving the Corporation or any of its Subsidiaries or at any time after such registration statement has been declared effective if the Corporation becomes the subject of an unsolicited tender offer for at least a majority of its equity securities, the Corporation may, upon prior written notice to each holder of Registrable Securities included therein, suspend such registration statement for a period of not more than ninety (90) days, and in no event shall the Corporation be entitled to exercise such right more than once in any 12-month period;

(b) before filing a registration statement or prospectus or any amendments or supplements thereto or incorporating any document by reference therein, the Corporation shall furnish to the holders of Registrable Securities included in such registration statement copies of all such

documents proposed to be filed or incorporated therein, which documents shall be subject to the review and comment of such holders and one counsel selected by such holders;

(f) use its reasonable best efforts to register or qualify all Registrable Securities included in a registration statement under such other securities or blue sky laws of such jurisdictions as any holder of such Registrable Securities reasonably requests and do any and all other acts and things which may be reasonably necessary or advisable to enable such holder to consummate the disposition in such jurisdictions of such Registrable Securities (provided that the Corporation shall not be required to (i) qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify but for this subparagraph (f), (ii) subject itself to taxation in any such jurisdiction or (iii) consent to general service of process in any such jurisdiction);

(g) immediately notify each holder of Registrable Securities included in a registration statement, at any time when a prospectus relating thereto is required to be delivered under

the Securities Act, of the happening of any event as a result of which the prospectus included in such registration statement contains an untrue statement of a material fact or omits any fact necessary to make the statements therein not misleading, and shall prepare a supplement or amendment to such prospectus so that, as thereafter delivered to the purchasers of such Registrable Securities, such prospectus shall not contain an untrue statement of a material fact or omit to state any fact necessary to make the statements therein not misleading;

(h) cause all Registrable Securities included in a registration statement to be listed on each securities exchange on which similar securities issued by the Corporation are then listed and, if not so listed, but similar securities are then listed on the NASD automated quotation system, to be listed on the NASD automated quotation system and, if listed on the NASD automated quotation system, use its reasonable best efforts to secure designation of all such Registrable Securities as a NASDAQ national market system security within the meaning of Rule 11Aa2-1 of the SEC or failing that, at such time as the Corporation becomes eligible for such authorization, to secure NASDAQ authorization for such Registrable Securities if available and, without limiting the generality of the foregoing, to arrange for at least two market makers to register as such with respect to such Registrable Securities with the NASD;

(i) if the offering is underwritten, use its reasonable best efforts to furnish on the date that Registrable Securities are delivered to the underwriters for sale pursuant to such registration statement, and to the extent required by any underwriting agreement or from time to time upon request by any holder of Registrable Securities in connection with its disposition of its Registrable Securities under such registration statement: (i) an opinion dated such date of counsel representing the Corporation for the purposes of such registration, addressed to the underwriters and to each such holder, stating that such registration statement has become effective under the Securities Act and that (A) to the best knowledge of such counsel, no stop order suspending the effectiveness thereof has been issued and no proceedings for that purpose have been instituted or are pending or contemplated under the Securities Act, (B) the registration statement, the related prospectus and each amendment or supplement thereof appear on their face to be appropriately responsive in all material respects with the requirements of the Securities Act (except that such counsel need not express any opinion as to financial statements or financial data contained therein) and (C) to such other effect as may be reasonably requested by counsel for the underwriters or by such holder or its counsel if such offering is not underwritten and (ii) to the extent accounting standards then permit, a letter dated such date from the independent public accountants retained by the Corporation, addressed to the underwriters and to each such holder, stating that they are independent

(j) provide a transfer agent and registrar for all Registrable Securities included in a registration statement not later than the effective date of such registration statement, and a CUSIP number for all such Registrable Securities and provide the applicable transfer agent with printed certificates or instruments for such Registrable Securities which are in a form eligible for deposit with Depositary Trust Corporation and otherwise meeting the requirements of any securities exchange on which such Registrable Securities are then listed;

(o) permit any holder of Registrable Securities which, in such holder's sole and exclusive judgment, might be deemed to be an underwriter or a controlling person of the Corporation, to participate in the preparation of such registration or comparable statement and to require the insertion therein of material, furnished to the Corporation in writing, which in the reasonable judgment of such holder and its counsel should be included; and

(c) All underwriting discounts and selling commissions applicable to the sale of Registrable Securities and all fees and disbursements of counsel for the holders of Registrable Securities, other than fees and expenses referred to in Section 4.6(b), shall be paid by the holders of Registrable Securities.

4.7 Indemnification.

(a) The Corporation agrees to indemnify, hold harmless and reimburse, to the extent not prohibited by law, each holder of Registrable Securities included in a registration statement, its directors, officers, employees and each Person who controls such holder (within the meaning of the Securities Act) against all losses, claims, damages, liabilities and expenses, whether joint or several (including legal expenses and any expenses incurred in investigating any claims) caused by any untrue or alleged untrue statement of material fact contained in such registration statement, prospectus or preliminary prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading or any other violation or breach of the Securities Act, the Exchange Act or any state securities or blue sky law or any other law by the Corporation or its officers or directors or any other Person acting or purporting to act on the Corporation's behalf, except insofar as the same are caused by or contained in any information furnished in writing to the Corporation by such holder specifically stating that it is to be used in the preparation thereof or by such holder's failure to deliver a copy of the registration statement or prospectus or any amendments or supplements thereto after the Corporation has furnished such holder with a sufficient number of copies of the same. In connection with an underwritten offering, the Corporation shall indemnify such underwriters, their officers and directors and each Person who controls such underwriters (within the meaning of the Securities Act) to the same extent as provided above with respect to the indemnification of the holders of Registrable Securities.

(b) In connection with any registration statement in which a holder of Registrable Securities is

participating, each such holder shall indemnify the Corporation, its managers, officers and employees and each Person who controls the Corporation (within the meaning of the Securities Act) against any losses, claims, damages, liabilities and expenses (including legal expenses and any expenses incurred in investigating any claims) resulting from any untrue or alleged untrue statement of material fact contained in the registration statement, prospectus or preliminary prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, but only to the extent that such untrue statement or omission is contained in any information or affidavit so furnished in writing by such holder specifically stating that it is to be used in the preparation thereof; provided that the obligation to indemnify shall be individual to each holder and in no event shall the aggregate liability of a holder for indemnities pursuant to this Section 4.7 exceed the net amount of proceeds received by such holder from the sale of its Registrable Securities pursuant to such registration statement.

(c) Any Person entitled to indemnification hereunder (an "indemnified party") shall (i) give prompt written notice to any Person obligated to make such indemnification (an "indemnifying party") of any claim with respect to which it seeks indemnification (provided that the failure to give prompt notice shall not impair any Person's right to indemnification hereunder to the extent such failure has not prejudiced the indemnifying party) and (ii) unless in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist with respect to such claim, permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party shall not be subject to any liability for any settlement made by the indemnified party without its consent (but such consent shall not be unreasonably withheld). An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one counsel for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of any indemnified party a conflict of interest may exist between such indemnified party and any other of such indemnified parties with respect to such claim or that there may be reasonable defenses available to it which are different from or additional to those available to the indemnifying party or if the interests of the indemnified party reasonably may be deemed to conflict with the interests of the indemnifying party, the indemnified party shall have the right to select a separate counsel and to assume such legal defenses and otherwise to participate in the defense of such action, with the expenses and fees of such separate counsel and other expenses related to such participation to be reimbursed by the

indemnifying party as incurred.

(d) In order to provide for just and equitable contribution to joint liability in any case in which either (i) the indemnity provided for in this Section 4.7 is unavailable to a party that would otherwise have been an indemnified party, or (ii) contribution under the Securities Act or any other applicable law may be required on the part of any such holder of Registrable Securities or any controlling Person of such a holder in circumstances for which indemnification is provided under this Section 4.7; then, and in each such case, the indemnifying and indemnified party will contribute to the aggregate losses, claims, damages or liabilities to which they may be subject (after contribution from others) in such proportion as is appropriate to reflect the relative fault of the indemnifying party on the one hand and such indemnified party on the other in connection with the statement or omission or circumstance which resulted in such loss, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the indemnifying party or such indemnified party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission; provided, however, that, in any such case, (A) no such holder will be required to contribute any amount in excess of the amounts received by it from the sale of its Registrable Securities pursuant to such registration statement; and (B) no Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) will be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

(e) The indemnification provided for under this Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director or controlling Person of such indemnified party and shall survive the transfer of any Registrable Securities and any termination of this Agreement.

ARTICLE 5. MISCELLANEOUS.

5.1 Successors and Assigns. This Agreement shall be binding upon the parties hereto and their Transferees; provided:

- (a) in no event shall Executive Management be permitted to sell, gift, pledge, assign or otherwise transfer any of their Shares except to an Affiliate Transferee;
- (b) no Transferee shall be entitled to any benefits under this Agreement unless such Transferee shall have executed and delivered to the Corporation its written agreement to be bound by the terms of this Agreement to the same extent as its transferor in form and substance satisfactory to the Requisite Former Senior Noteholders; and
- (c) no Transferee shall be entitled to any benefits under Article 4

unless (x) such Transferee is already a Stockholder, DVI or an Affiliate Transferee or (y) the transfer to such Transferee is of Registrable Securities constituting at least 5% of the then issued and outstanding Common Stock or (z) the transfer to such Transferee is of the original number of shares of Common Stock issued to such Transferee's transferor under the Plan (as such number may be adjusted to reflect any subsequent stock split, combination or reclassification of Common Stock).

5.2 Term and Termination. The rights and obligations of the parties:

(a) under Articles 2 and 3 hereunder shall terminate upon the earlier of (i) the mutual written agreement of all of the Stockholders, (ii) 18 months following the effective date of the Plan, (iii) the effective date of the Corporation's Initial Post-Effective Public Offering or (iv) such time as the number of Shares owned by the Former Senior Noteholders is less than forty percent (40%) of the then issued and outstanding shares of Common Stock;

(b) under Article 4 shall terminate upon the earlier of (i) the time there are no more Registrable Securities or (ii) the consummation of any merger, consolidation, sale of stock or other transaction in which the holders of Common Stock of the Corporation, in the aggregate, immediately prior to such transaction will hold, immediately after such transaction, less than fifty percent (50%) of the aggregate voting power of outstanding stock of the surviving Corporation provided such transaction has been consented to by Former Senior Noteholders owning at least two-thirds of Shares then owned by Former Senior Noteholders or (iii) upon mutual written agreement of all parties hereto.

5.3 Amendments. This Agreement may be amended or modified in whole or in part only by an instrument in writing signed by all Stockholders and the Corporation; provided, no amendment which amends any provision of Article 4, this Article 5 or the defined terms as used herein or therein shall be effective without the consent of DVI or any Transferee thereof entitled to the benefits of Article 4 for so long as DVI or such Transferee owns any Registrable Securities.

5.4 Entire Agreement. This Agreement constitutes the entire agreement between the parties, and all premises, representations, understandings, warranties and agreements with reference to the subject matter hereof have been expressed herein or in the documents incorporated herein by reference.

5.5 Applicable Law. This Agreement shall be governed by and construed and enforced in accordance with the laws of the State of Delaware.

5.6 Counterparts. This Agreement may be executed in multiple counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument.

5.7 Effect of Headings. Any title of an article or section heading herein contained is for convenience or reference only and shall not affect the meaning or construction of any of the provisions hereof.

5.8 Injunctive Relief. It is acknowledged that it will be impossible to

measure the damages that would be suffered by a party if any other party fails to comply with the provisions of this Agreement and that in the event of any such failure, the non-defaulting parties will not have an adequate remedy at law. The non-defaulting parties shall, therefore, be entitled to obtain specific performance of the defaulting party's obligations hereunder and to obtain immediate injunctive relief. The defaulting party shall not argue, as a defense to any proceeding for such specific performance or injunctive relief, that the non-defaulting parties have an adequate remedy at law.

5.9 Severability. In case any provision of the Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

5.10 Delays or Omissions. It is agreed that no delay or omission to exercise any right, power or remedy accruing to any party, upon any breach, default or noncompliance of any other party under this Agreement shall impair any such right, power or remedy, nor shall it be construed to be a waiver of or in any such breach, default or noncompliance, or any acquiescence therein, or of or in any similar breach, default or noncompliance thereafter occurring. It is further agreed that any waiver, permit, consent or approval of any kind or character on the part of any party of any breach, default or noncompliance under the Agreement or any waiver on the part of any party of any provisions or conditions of this Agreement must be in writing and shall be effective only to the extent specifically set forth in such writing.

5.11 Notices and Consents; Notices. All notices and other written communications provided for hereunder shall be given in writing and sent by overnight delivery service (with charges prepaid) or by facsimile transmission with the original of such transmission being sent by overnight delivery service (with charges prepaid) by the next succeeding Business Day and (i) if to a Stockholder or DVI addressed to such Stockholder or DVI at such address or fax number as is specified for such Stockholder or DVI after its signature to this Agreement; and (ii) if to the Corporation, addressed to it at 155 State Street, Hackensack, New Jersey 07602, Attention: General Counsel, Fax No. (201) 488-8230 or at such other address or fax number as such Stockholder, DVI or the Corporation shall have specified to other party hereto in writing given in accordance with this Section 5.11. Notice given in accordance with this Section 5.11 shall be effective upon the earlier of the date of delivery or the second Business Day at the place of delivery after dispatch.

5.12 Pronouns. All pronouns contained herein, and any variations thereof, shall be deemed to refer to the masculine, feminine or neutral, singular or plural, as to the identity of the parties hereto may require.

5.13 Legend. Each certificate evidencing any of the Shares shall bear a legend substantially as follows:

"The shares represented by this certificate are subject to certain restrictions on transfer and voting agreements and may be entitled to certain benefits in accordance with and subject to all the terms and conditions of a certain Stockholders Agreement dated as of February 26, 2001, a copy of which the Corporation will furnish to the holder of this certificate upon request and without charge."

IN WITNESS WHEREOF, this Agreement has been executed under seal as of the date and year first written above.
