CITIBANK CREDIT CARD ISSUANCE TRUST

**Citiseries
Class 2007-A11 Notes**

**Issuer Certificate
Pursuant to Sections 202 and 301(h) of the Indenture**

Reference is made to the Indenture, dated as of September 26, 2000, as amended by Amendment No. 1 thereto dated as of November 14, 2001, each between Citibank Credit Card Issuance Trust (the "Issuer") and Deutsche Bank Trust Company Americas, as trustee (the "Indenture"). Capitalized terms used herein that are not otherwise defined have the meanings set forth in the Indenture. All references herein to designated Sections are to the designated Sections of the Indenture.

Section 301(h) provides that the Issuer may from time to time create a tranche of Notes either by or pursuant to an Issuer Certificate setting forth the principal terms thereof. Pursuant to this Issuer Certificate, there is hereby created a tranche of Notes having the following terms:

Series Designation: Citiseries. This series is included in Group 1.

Tranche Designation: \$900,000,000 Floating Rate Class 2007-A11 Notes of January 2015 (Legal Maturity Date January 2017) (hereinafter, the "Class 2007-A11 Notes")

Currency: The Class 2007-A11 Notes will be payable, and denominated, in Dollars.

Denominations: The Class 2007-A11 Notes will be issuable in minimum denominations of \$100,000 and multiples of \$1,000 in excess of that amount.

Issuance Date: December 10, 2007

Initial Principal Amount: \$900,000,000

Issue Price: 100%

Interest Rate: The Class 2007-A11 Notes will accrue interest with respect to any interest period at a per annum rate equal to the Class 2007-A11 Note Rate for such interest period, calculated on the basis of the actual number of days in such interest period divided by 360. The "Class 2007-A11 Note Rate" means, with respect to the first interest period, 5.79250% per annum and, with respect to each interest period thereafter, a per annum rate equal to LIBOR for such interest period plus 0.55%.

The Issuer will determine LIBOR for each applicable interest period on the second business day before the beginning of that interest period. For purposes of calculating LIBOR, a business day is any day on which dealings in deposits in U.S. Dollars are transacted in the London interbank market.

"LIBOR" means, as of any date of determination, the rate for deposits in U.S. Dollars for the Designated Maturity (commencing on the first day of the relevant interest period) which appears on the Reuters Screen LIBOR01 Page as of 11:00 a.m., London time, on such date. If such rate does not appear on the Reuters Screen LIBOR01 Page, the rate for that day will be determined on the basis of the rates at which deposits in U.S. Dollars are offered by the Reference Banks at approximately 11:00 a.m., London time, on that day to prime banks in the London interbank market for the Designated Maturity (commencing on the first day of the relevant interest period). The Issuer will request the principal London office of each of the Reference Banks to provide a quotation of its rate. If at least two such quotations are provided, the rate for that day will be the arithmetic mean of the quotations. If fewer than two quotations are provided as requested, the rate for that day will be the arithmetic mean of the rates quoted by major banks in New York City, selected by the Issuer, at approximately 11:00 a.m., New York City time, on that day for loans in U.S. Dollars to leading European banks for a period of the Designated Maturity (commencing on the first day of the relevant interest period).

"Reuters Screen LIBOR01 Page" means the display page currently so designated on the Reuters Monitor Money Rates service (or such other page as may replace that page on that service or any successor service for the purpose of displaying comparable rates or prices).

"Designated Maturity" means one month.

"Reference Banks" means four major banks in the London interbank market selected by the Issuer.

Scheduled Interest Payment Dates: The 10th day of each month, beginning January 2008.

Each payment of interest on the Class 2007-A11 Notes will include all interest accrued from and including the preceding Interest Payment Date -- or, for the first interest period, from and including the Issuance Date -- to and including the day preceding the current Interest Payment Date, plus any interest accrued but not previously paid.

The first deposit targeted to be made to the Interest Funding sub-Account for the Class 2007-A11 Notes will be on the January 9, 2008 Interest Deposit Date and in an amount equal to \$4,489,187.50.

Expected Principal Payment Date: January 12, 2015

Legal Maturity Date: January 10, 2017

Monthly Principal Date: For the month in which the Expected Principal Payment Date occurs, January 12, 2015, and for each other month, the 10th day of such month, or if such day is not a Business Day, the next following Business Day.

Required Subordinated Amount of Class B Notes: \$53,846,190.

Required Subordinated Amount of Class C Notes: \$71,794,890.

Controlled Accumulation Amount: \$75,000,000.

Form of Notes: The Class 2007-A11 Notes will be issued as Global Notes. The Global Notes will initially be registered in the name of Cede & Co., as nominee of The Depository Trust Company, and will be exchangeable for individual Notes only in accordance with the provisions of Section 204(c).

Additional Issuances of Class 2007-A11 Notes: The Issuer may at any time and from time to time issue additional Class 2007-A11 Notes, subject to the satisfaction of (i) the conditions precedent set forth in Section 311(a) and (ii) the following conditions:

(a) the Issuer has obtained written confirmation from each Rating Agency that there will be no Ratings Effect with respect to the then outstanding Class 2007-A11 Notes as a result of the issuance of such additional Class 2007-A11 Notes;

(b) as of the date of issuance of the additional Class 2007-A11 Notes, all amounts due and owing to the Holders of the then outstanding Class 2007-A11 Notes have been paid and there is no Nominal Liquidation Amount Deficit with respect to the then outstanding Class 2007-A11 Notes;

(c) the additional Class 2007-A11 Notes will be fungible with the original Class 2007-A11 Notes for federal income tax purposes;

(d) if Holders of the then outstanding Class 2007-A11 Notes have benefit of a Derivative Agreement, the Issuer will have obtained a Derivative Agreement for the benefit of the Holders of the additional Class 2007-A11 Notes; and

(e) the ratio of the Controlled Accumulation Amount to the Initial Dollar Principal Amount of the Class 2007-A11 Notes, including the additional Class 2007-A11 Notes, will be equal to the ratio of the Controlled Accumulation Amount (before giving effect to the additional issuance) to the Initial Dollar Principal Amount of the Class 2007-A11 Notes, excluding the additional Class 2007-A11 Notes.

As of the date of issuance of additional Class 2007-A11 Notes, the Outstanding Dollar Principal Amount and Nominal Liquidation Amount of the Class 2007-A11 Notes will be increased to reflect the Initial Dollar Principal Amount of the additional Class 2007-A11 Notes.

Any outstanding Class 2007-A11 Notes and any additional Class 2007-A11 Notes will be equally and ratably entitled to the benefits of the Indenture without preference, priority or distinction.

Optional Redemption Provisions other than Section 1202 "Clean-Up Call": None

Additional Early Redemption Events or changes to Early Redemption Events: None

Additional Events of Default or changes to Events of Default: None

Business Day: means any day other than (a) a Saturday or Sunday or (b) any other day on which national banking associations or state banking institutions in New York, New York or South Dakota, or any other state in which the principal executive offices of any Additional Seller are located, are authorized or obligated by law, executive order or governmental decree to be closed.

Securities Exchange Listing: Application will be made to list the Class 2007-A11 Notes on the Irish Stock Exchange.

The Class 2007-A11 Notes shall have such other terms as are set forth in the form of Note attached hereto as Exhibit A. Pursuant to Section 202, the form of Note attached hereto has been approved by the Issuer.

Ladies and Gentlemen:

I am the General Counsel, Finance and Capital Markets of Citigroup Inc. and, in such capacity, I have acted as counsel to Citibank (South Dakota), National Association in connection with the issuance and sale of \$900,000,000 aggregate principal amount of Citiseries Floating Rate Class 2007-A11 Notes of January 2015 (Legal Maturity Date January 2017) (the "Notes") by Citibank Credit Card Issuance Trust (the "Issuance Trust"). The Notes will be issued pursuant to an Indenture dated as of September 26, 2000 between the Issuance Trust and Deutsche Bank Trust Company Americas (formerly Bankers Trust Company), as Trustee, as amended by Amendment No. 1 thereto dated as of November 14, 2001 and an Issuer Certificate, dated as of December 10, 2007, relating to the Notes (the "Terms Document" and together, the "Indenture"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in or pursuant to the Indenture.

I, or attorneys under my supervision, have examined and relied upon the following: signed copies of the Indenture and the Registration Statement on Form S-3 (Registration No. 333-131355), as amended (the "Registration Statement"), for the registration of the Collateral Certificate and the Notes under the Securities Act of 1933, as amended (the "Act"); the prospectus dated February 5, 2007 and prospectus supplement dated November 28, 2007 relating to the Notes (together, the "Prospectus"); a specimen of the Notes, and originals, or copies certified or otherwise identified to my satisfaction, of such corporate records, certificates or documents as I have deemed appropriate as a basis for the opinion expressed below. The foregoing opinion is subject to applicable bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium or other similar laws affecting creditors' rights generally from time to time in effect and subject to general principles of equity, regardless of whether such is considered in a proceeding in equity or at law.

I am admitted to the practice of law only in the State of New York and my opinion is limited to matters governed by the laws of the State of New York and Federal laws of the United States of America.
