Item 1. Description of Proposed Transactions.

Item 1 of the Application-Declaration in this File, as previously amended, is hereby further amended to add at the end thereof the following:

"Entergy currently meets all of the "safe harbor" conditions set forth in Rule 53 under the Act. In accordance with Rule 53(a)(1), Entergy's "aggregate investment" in exempt wholesale generators ("EWGs") and foreign utility companies ("FUCOs") at September 30, 1994 was approximately \$175.7 million, representing approximately 7.5% of the Entergy System's consolidated retained earnings as of such date. Furthermore, Entergy has complied and will continue to comply with the record keeping requirements of Rule 53(a)(2) concerning affiliated EWGs and FUCOs. In addition, as required by Rule 53(a)(3), no more than 2% of the employees of the Entergy System's domestic public utility companies render services to affiliated EWGs and FUCOs. Finally, none of the provisions of Rule 53(b), under which the provisions of Rule 53 would not be available, have been met."
