Item 1.01 Entry into a Material Definitive Agreement.

On April 26, 2005, Marchex, Inc., a Delaware corporation (the “Registrant”), entered into a definitive asset purchase agreement (the “Asset Purchase Agreement”) with Pike Street Industries, Inc., a Washington corporation (“PSI”), and the holders of all of the issued and outstanding capital stock of PSI (the “Stockholders”) to acquire certain assets of PSI, an online yellow pages and lead generation provider for local merchants and simultaneously completed such acquisition. The aggregate consideration pursuant to the Asset Purchase Agreement is an amount of cash equal to \$12,500,000, 242,748 shares of the Registrant’s Class B common stock (which was obtained by dividing \$4,000,000 (the “Equity Consideration”) by the average of the last quoted sale price for shares of the Registrant’s Class B common stock on the Nasdaq National Market for the ten trading days immediately prior to the closing) (“Closing Market Price”) and 212,404 shares of the Registrant’s Class B common stock (which was obtained by dividing \$3,500,000 by the Closing Market Price) (the “Restricted Equity Consideration”). The Restricted Equity Consideration is subject to vesting over the three year period from the closing date and forfeiture upon the occurrence of certain events.

The Asset Purchase Agreement contains customary representations and warranties and requires PSI and the Stockholders to indemnify the Registrant for certain liabilities arising under the Asset Purchase Agreement, subject to certain limitations and conditions. At closing, the Registrant deposited into escrow for a period of twelve months from the closing \$1,250,000 in cash, 24,275 shares of the Registrant’s Class B common stock issued as the Equity Consideration and 81,927 shares of the Registrant’s Class B common stock issued as the Restricted Equity Consideration for the benefit of PSI and the Stockholders to secure their respective indemnification and other obligations under the Asset Purchase Agreement.

The Registrant has also agreed to use best efforts to file a registration statement to register the shares of Class B common stock issued as the Equity Consideration and Restricted Equity Consideration thereunder for resale with the SEC on or before June 5, 2005.

The foregoing description of the Asset Purchase Agreement is qualified in its entirety by reference to the full text of the Asset Purchase Agreement filed as Exhibit 2.1 to this Current Report, which is incorporated herein by reference.

A press release announcing the acquisition was filed as Exhibit 99.1 to the Current Report on Form 8-K that the Registrant furnished to the Securities and Exchange Commission on April 27, 2005.

Item 2.01 Completion of Acquisition or Disposition of Assets.

The information required by this item is contained in Item 1.01 above and is incorporated herein by reference.

Item 3.02 Unregistered Sale of Equity Securities.

The information contained in Item 1.01 above is incorporated herein by reference.

The issuance of the shares of Class B common stock to the Stockholders at closing on behalf of PSI in connection with the Asset Purchase Agreement was made in reliance upon an exemption from the registration provisions of the Securities Act of 1933, as amended, as set forth in Section 4(2) thereof on the basis that the offer and sale of the shares does not involve a public offering. No underwriters were involved in this transaction.

ARTICLE II

REPRESENTATIONS AND WARRANTIES OF THE COMPANY AND THE STOCKHOLDERS

The Company and the Stockholders jointly and severally represent and warrant to the Parent and Buyer as set forth below, subject to the exceptions set forth in the disclosure schedules hereto (the "Company Disclosure Schedules"), the section numbers and letters of which correspond to the section and subsection numbers and letters of this Agreement.

2.1 Corporate Organization.

The Company is a corporation duly organized and validly existing under the laws of the State of Washington. The Company has all requisite corporate power and authority to own, operate and lease the properties and assets it now owns, operates and leases and to carry on its Business as presently conducted. The Company is duly qualified to transact business as a foreign corporation and is in good standing in the jurisdictions set forth in Schedule 2.1(a) hereto, which are the only jurisdictions where such qualification is required by reason of the nature of the properties and assets currently owned, operated or leased by it or the Business currently conducted by it, except for such jurisdictions where the failure to be so qualified would not have a Company Material Adverse Effect (as defined below). The Company has previously delivered to the Parent complete and correct copies of the Articles of Incorporation of the Company (certified by the secretary of state for the State of Washington as of a recent date) and the By-Laws of the Company (certified by the Secretary of the Company as of a recent date). Neither the Company's Articles of Incorporation nor its By-Laws have been amended since the date of certification thereof, nor has any action been taken for the purpose of effecting any amendment of such instrument. The term "Company Material Adverse Effect" means, for purposes of this Agreement, any change, event or effect that is, or that is reasonably likely to be, materially adverse to the business, operations, assets, liabilities, financial condition or results of operations of the Company, taken as a whole.

2.2 Authorization. The Company has full corporate power and authority to enter into this Agreement and to consummate the transactions contemplated hereby. The Stockholders have the legal capacity to enter into this Agreement and to carry out the transactions contemplated hereby. The execution, delivery and performance of this Agreement by the Company and the Stockholders have been duly and validly authorized and approved by all necessary corporate actions. This Agreement constitutes the legal and binding obligation of the Company and the Stockholders, enforceable against each of them in accordance with its terms, except to the extent that enforceability may be limited by applicable bankruptcy, reorganization, insolvency, moratorium or other laws affecting the enforcement of creditors' rights generally and by general principles of equity, regardless of whether such enforceability is considered in a proceeding in law or in equity.

2.3 Consents and Approvals; No Violations. The Company has in force, and is in compliance with, in all material respects, all governmental permits, licenses, exemptions, consents, authorizations and approvals used in or required for the conduct of its Business as presently conducted, all of which shall continue in full force and effect, without requirement of any filing or the giving of any notice and without modification thereof, following the consummation of the transactions contemplated hereby. To the knowledge of the Company and the Stockholders, except as set forth on Schedule 2.16 hereto, the Company has not received any notice or other communication (written or oral) from any of the partners listed in Schedule 2.16 hereto terminating, amending or reducing in any material respect, or setting forth an intention to terminate, amend or reduce in the future, or otherwise reflecting a material adverse change in, the business relationship between such partner and the Company.

The Company is not in default under any of such policies, and the Company has not failed to give any notice or to present any claim under any such policy in a due and timely fashion. The

2.18 Brokers; Payments. No broker, investment banker, financial advisor or other person is entitled to any broker' s, finder' s, financial advisor' s or other similar fee or commission in connection with the transactions contemplated by this Agreement based upon arrangements made by or on behalf of the Company or the Stockholders. The Company has not failed to disclose to Parent any fact that is reasonably more likely than not to have a Company Material Adverse Effect or impede or impair the ability of the Company to perform its obligations under this Agreement in any material respect. No representation or warranty by the Company or the Stockholders contained in this Agreement and no statement contained, when considered together as a whole, in any of the Company Disclosure Schedules, and the certificates and other documents or instruments delivered or to be delivered pursuant to this Agreement by or on behalf of the Company and/or the Stockholders contains or will contain any untrue statement of a material fact or omits or will omit to state any material fact necessary to make the statements contained therein, in light of the circumstances under which they are made, not misleading.

ARTICLE III

REPRESENTATIONS AND WARRANTIES OF THE STOCKHOLDERS

Each of the Stockholders represents and warrants to the Parent and Buyer as follows:

(i) Each of the Stockholders understands that the shares of Parent Common Stock to be issued to such Stockholder as part of the Purchase Price will not have been registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities law by reason of specific exemptions under the provisions thereof which depend in part upon the other representations and warranties made by the Stockholders in this Agreement. Such Stockholder understands that the Parent is relying, in part, upon such Stockholder' s representation and warranties contained in this Section 3.2 for the purpose of determining whether this transaction meets the requirements for such exemptions.

(ii) Each of the Stockholders has such knowledge, skill and experience in business, financial and investment matters so that such Stockholder is capable of evaluating the merits and risks of an investment in the Parent Common Stock pursuant to the transactions contemplated by this Agreement or to the extent that such Stockholder has deemed it appropriate

to do so, such Stockholder has relied upon appropriate professional advice regarding the tax, legal and financial merits and consequences of an investment in Parent Common Stock pursuant to the transactions contemplated by this Agreement.

(iii) Each of the Stockholders has made, either alone or together with such Stockholder's advisors, such independent investigation of the Parent, its management and related matters as such Stockholder deems to be, or such advisors have advised to be, necessary or advisable in connection with an investment in the Parent Common Stock through the transactions contemplated by this Agreement; and such Stockholder and such advisors have received all information and data that such Stockholder and such advisors believe to be necessary in order to reach an informed decision as to the advisability of an investment in the Parent Common Stock pursuant to the transactions contemplated by this Agreement.

(iv) Each of the Stockholders has reviewed such Stockholder's financial condition and commitments, alone and together with such Stockholder's advisors, and, based on such review, such Stockholder is satisfied that (A) the Stockholder has adequate means of providing for the Stockholder's financial needs and possible contingencies and has assets or sources of income which, taken together, are more than sufficient so that he could bear the risk of loss of the Stockholder's entire investment in the Parent Common Stock, (B) the Stockholder has no present or contemplated future need to dispose of all or any portion of the Parent Common Stock to satisfy any existing or contemplated undertaking, need or indebtedness, and (C) the Stockholder is capable of bearing the economic risk of an investment in the Parent Common Stock for the indefinite future. Such Stockholder shall furnish any additional information about the Stockholder reasonably requested by the Parent to assure the compliance of this transaction with applicable federal and state securities laws.

(v) Notwithstanding Article XII, each of the Stockholders understands that the shares of the Parent Common Stock to be received by the Stockholders in the transactions contemplated hereby will be "restricted securities" under applicable federal securities laws and that the Securities Act and the rules of the Securities and Exchange Commission (the "SEC") promulgated thereunder provide in substance that the Stockholders may dispose of such shares only pursuant to an effective registration statement under the Securities Act or an exemption from registration if available, including but not limited to Rule 144 promulgated under the Securities Act. Each of the Stockholders further understands that applicable state securities laws may impose additional constraints upon the sale of securities. As a consequence, each of the Stockholders understands that such Stockholders may have to bear the economic risk of an investment in the Parent Common Stock to be received by such Stockholders pursuant to the transactions contemplated hereby for an indefinite period of time.

(vi) Except as provided in Article XII, each of the Stockholders is acquiring shares of the Parent Common Stock pursuant to the transactions contemplated hereby for investment only and not with a view to or intention of or in connection with any resale or distribution of such shares or any interest therein.

(vii) The certificate(s) evidencing the shares of the Parent Common Stock to be issued pursuant to the transactions contemplated hereby shall bear the following legend:

“The shares represented by this certificate have not been registered under the Securities Act of 1933, as amended, or any state securities laws and may not be sold or transferred in the absence of such registration or an exemption therefrom under the Securities Act of 1933, as amended, and applicable state securities laws.”

ARTICLE IV

REPRESENTATIONS AND WARRANTIES OF THE PARENT AND BUYER

The Parent and Buyer represent and warrant to the Company and the Stockholders as set forth below, subject to the exceptions set forth in the disclosure schedules hereto (the “Parent Disclosure Schedules”), the section numbers and letters of which correspond to the section and subsection numbers and letters of this Agreement.

4.1 Corporate Organization. Parent and Buyer is a corporation duly organized and validly existing and in good standing under the laws of the State of Delaware. Parent and Buyer have all requisite corporate power and authority to own, operate and lease the properties and assets Parent and/or Buyer now owns, operates and leases and to carry on Parent’s and/or Buyer’s business as presently conducted. The Parent and Buyer are duly qualified to transact business as a foreign corporation and are each in good standing in the jurisdictions where such qualification is required by reason of the nature of the properties and assets currently owned, operated or leased by the Parent and/or Buyer or the business currently conducted by them, except for such jurisdictions where the failure to be so qualified would not have a Parent Material Adverse Effect (as defined below). The Parent and Buyer has previously made available to the Company complete and correct copies of its Certificate of Incorporation and all amendments thereto as of the date hereof (certified by the Secretary of State of Delaware as of a recent date) and its By-Laws (certified by the Secretary of the Parent and Buyer as of a recent date). Neither the Certificate of Incorporation nor the By-Laws of the Parent and/or Buyer have been amended since the respective dates of certification thereof, nor has any action been taken for the purpose of effecting any amendment of such instruments. The term “Parent Material Adverse Effect” means for purposes of this Agreement, any change, event or effect that is, or that is reasonably likely to be, materially adverse to the business, operation, assets, liabilities, financial condition or results of operations of the Parent and its subsidiaries (including Buyer), taken as a whole.

4.2 Authorization. The Parent and Buyer have full corporate power and authority to execute and deliver this Agreement and to consummate the transactions contemplated hereby. The execution, delivery and performance of this Agreement by Parent and Buyer have been duly and validly authorized and approved by all necessary corporate action on the part of Parent and Buyer. This Agreement constitutes the legal and binding obligation of the Parent and Buyer,

enforceable against them in accordance with its terms, except to the extent that enforceability may be limited by applicable bankruptcy, reorganization, insolvency, moratorium or other laws affecting the enforcement of creditors' rights generally and by general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or in law).

4.3 Consents and Approvals; No Violations. The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby will not: (i) violate or conflict with any provisions of the Certificate of Incorporation or By-Laws of the Parent and/or Buyer; (ii) breach, violate or constitute an event of default (or an event which with the lapse of time or the giving of notice or both would constitute an event of default) under, give rise to any right of termination, cancellation, modification or acceleration under, or require any consent or the giving of any notice under, any note, bond, indenture, mortgage, security agreement, lease, license, franchise, permit, agreement or other instrument or obligation to which the Parent and/or Buyer are parties, or by which any of them or any of their respective properties or assets may be bound, or result in the creation of any lien, claim or encumbrance of any kind whatsoever upon the properties or assets of the Parent and/or Buyer pursuant to the terms of any such instrument or obligation, other than any breach, violation, default, termination, cancellation, modification or acceleration which would not have a Parent Material Adverse Effect; (iii) violate or conflict with any law, statute, ordinance, code, rule, regulation, judgment, order, writ, injunction or decree or other instrument of any federal, state, local or foreign court or governmental or regulatory body, agency, association, organization or authority applicable to the Parent and/or Buyer or by which any of their respective properties or assets may be bound, except for such violations or conflicts which would not have a Parent Material Adverse Effect; or (iv) require, on the part of the Parent and/or Buyer, any filing or registration with, or permit, license, exemption, consent, authorization or approval of, or the giving of any notice to, any governmental or regulatory body, agency or authority other than any filing, registration, permit, license, exemption, consent, authorization, approval or notice which if not obtained or made would not have a Parent Material Adverse Effect.

4.4 SEC Reports and Financial Statements. The Parent has heretofore delivered or made available to the Company complete and correct copies of all reports and other filings filed by the Parent with the SEC pursuant to the Securities Act and the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the rules and regulations thereunder (the "Acts") since and including the effective date of the Form SB-2 Registration Statement with respect to the Parent's initial public offering (such reports and other filings collectively referred to herein as the "SEC Filings"). The SEC Filings constitute all of the documents required to be filed by the Parent under the Securities Act and Exchange Act since such date. All documents that are required to be filed as exhibits to the SEC Filings have been so filed, and all contracts so filed as exhibits are in full force and effect, except those which are expired in accordance with their terms, and neither Parent nor any of its subsidiaries is in default thereunder. As of their respective dates, the SEC Filings did not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. The audited financial statements of the Parent included in the SEC Filings comply in all material respects with the published rules and regulations of the SEC with respect thereto, and such audited financial statements (i) were prepared from the books and records of the Parent, (ii) were prepared in

accordance with GAAP applied on a consistent basis (except as may be indicated therein or in the notes or schedules thereto) and (iii) present fairly the financial position of the Parent as at the dates thereof and the results of operations and cash flows for the periods then ended, subject to normal year-end adjustments and any other adjustments described therein or in the notes or schedules thereto. The unaudited financial statements included in the SEC Filings comply in all material respects with the published rules and regulations of the SEC with respect thereto and such unaudited financial statements (i) were prepared from the books and records of the Parent, (ii) were prepared in accordance with GAAP on a consistent basis (except as may be indicated therein or in the notes or schedules thereto) and (iii) present fairly the financial position of the Parent as at the dates thereof and the results of operations and cash flows for the periods then ended, subject to normal year-end adjustments and any other adjustments described therein or in the notes or schedules thereto. The foregoing representations and warranties in this Section 4.4 shall also be deemed to be made with respect to all filings made with the SEC on or before the Closing Date.

4.5 Brokers; Payments. No broker, investment banker, financial advisor or other person is entitled to any broker' s, finder' s, financial advisor' s or other similar fee or commission in connection with the transactions contemplated by this Agreement based upon arrangements made by or on behalf of the Parent and/or Buyer.

4.6 Capitalization. (a) As of the date of this Agreement and immediately prior to the Closing of the transaction contemplated herein, the authorized capital stock of the Parent consists of 137,500,000 shares of common stock, \$0.01 par value per share, of which 12,500,000 shares have been designated Class A common stock (the "Parent Class A Common Stock") and of which 11,987,500 shares are outstanding and of 125,000,000 shares have been designated Class B common stock, of which 23,161,886 shares are outstanding and 1,000,000 shares of preferred stock, \$0.01 par value per share (the "Parent Preferred Stock"), of which 230,000 shares have been designated 4.75% convertible exchangeable preferred stock and of which all 230,000 shares are outstanding (the Parent Class A Common Stock, the Parent Common Stock and the Parent Preferred Stock collectively shall be referred to herein as the "Parent Capital Stock"). All of the issued and outstanding shares of Parent Capital Stock are duly authorized, validly issued, fully paid and nonassessable. Except for options issued under Parent' s 2003 Amended and Restated Stock Incentive Plan and Parent' s 2004 Employee Stock Purchase Plan (together, the "Parent Option Plans") and warrants to purchase an aggregate of 120,000 shares of Parent Common Stock issued in connection with Parent' s initial public offering (together, the "Underwriters' Warrants"), there are no outstanding options, warrants or other rights to purchase, or securities convertible into or exchangeable for, shares of the capital stock of the Parent, and (except as contemplated by this Agreement and except with respect to options issued under the Parent Option Plans and the Underwriters' Warrants) there are no agreements or commitments to which the Parent is a party or by which it is bound pursuant to which the Parent is or may become obligated to issue additional shares of its capital stock.

4.7 Compliance with Applicable Law. Parent is not in violation in any respect of any applicable safety, health, environmental or other law, statute, ordinance, code, rule, regulation, judgment, order, injunction, writ or decree of any federal, state, local or foreign court or governmental or regulatory body, agency or authority having, asserting or claiming jurisdiction over it or over any part of its business, operations, properties or assets, except for any violation that would not have a Parent Material Adverse Effect.

4.8 Validity of Shares. Assuming the accuracy of the representations and warranties contained in Article III, the shares of Parent Common Stock to be issued in connection with this Agreement will, when issued in accordance with this Agreement, be duly authorized, validly issued, fully paid and nonassessable, will not be subject to any preemptive or other statutory right of stockholders, will be issued in compliance with applicable U.S. Federal and state securities laws and will be free of any liens or encumbrances, except for the Company's repurchase rights of the Restricted Equity Consideration pursuant to Section 6.9 below.

4.9 S-3 Eligibility. Parent is eligible to use Form S-3 for the registration for resale of the shares of Parent Common Stock to be received by the Stockholders on behalf of the Company in connection with the Closing.

4.10 Disclosure. Parent has not failed to disclose to the Company any fact that is reasonably more likely than not to have a Parent Material Adverse Effect or impede or impair the ability of the Parent to perform its obligations under this Agreement in any material respect. No representation or warranty by Parent or Buyer contained in this Agreement and no statement contained, when considered together as a whole, in any of the Parent Disclosure Schedules, and the certificates and other documents or instruments delivered or to be delivered pursuant to this Agreement by or on behalf of the Parent and/or the Buyer contains or will contain any untrue statement of a material fact or omits or will omit to state any material fact necessary to make the statements contained therein, in light of the circumstances under which they are made, not misleading.

(ii) if the Closing Date shall not have occurred on or before May 31, 2005, provided, however, that the right to terminate this Agreement pursuant to this Section 10.1(b)(ii) shall not be available to any party whose (or whose affiliate(s)') breach of any representation or warranty or failure to perform or comply with any obligation under this Agreement has been the cause of, or resulted in, the failure of the Closing Date to occur on or before such date; or

10.2 Effect of Termination. In the event of termination of this Agreement, this Agreement shall forthwith become void and there shall be no liability on the part of any of the parties hereto or (in the case of the Company, the Parent and Buyer) their respective officers or directors, except for Sections 6.4 and 13.6, and the last sentence of Section 6.1, which shall remain in full force and effect, and except that nothing herein shall relieve any party from liability for a breach of this Agreement prior to the termination hereof.

ARTICLE XI

INDEMNIFICATION; SURVIVAL OF REPRESENTATIONS AND WARRANTIES

11.1 Indemnity Obligations. (a) Subject to Sections 11.3 and 11.4 hereof, the Company and the Stockholders by adoption of this Agreement and approval of the transactions contemplated hereby, jointly and severally agree to indemnify and hold the Parent and Buyer (including their respective representatives and affiliates) harmless from, and to reimburse the Parent for, any Losses (as that term is hereinafter defined) directly or indirectly arising out of, based upon or resulting from (i) any inaccuracy in or breach of any representation or warranty of the Company and the Stockholders set forth in Article II of this Agreement or any Schedule or certificate delivered by the Company pursuant hereto; and (ii) any breach or nonfulfillment of, or any failure to perform, any of the covenants, agreements or undertakings of the Company which are contained in this Agreement or any agreement entered into in connection herewith including, without limitation, the covenants set forth in Article VII of this Agreement. For purposes of this Agreement, the term “Losses” shall mean any and all losses, damages, deficiencies, liabilities, obligations, actions, claims, suits, proceedings, demands, assessments, judgments, recoveries, fees, diminution in value, costs and expenses (including, without limitation, all out-of-pocket expenses, reasonable investigation expenses and reasonable fees and disbursements of accountants and counsel) of any nature whatsoever.

(b) Subject to Sections 11.3 and 11.4 hereof, the Company and the Stockholders by adoption of this Agreement and approval of the transactions contemplated hereby, the Company jointly and severally with respect to each of the Stockholders and the Stockholders severally and not jointly agree to indemnify and hold the Parent and Buyer (including their respective representatives and affiliates) harmless from, and to reimburse the Parent for, any Losses arising out of, based upon or resulting from (i) any inaccuracy in or breach of any representation or warranty of the respective Stockholder set forth in Article III of this Agreement, or any Schedule or certificate delivered by the respective Stockholder pursuant hereto or thereto; or (ii) any breach or nonfulfillment of, or any failure to perform, any of the covenants, agreements or undertakings of the respective Stockholder which are contained in this Agreement or any agreement entered into in connection herewith, including, without limitation, the covenants set forth in Article VII of this Agreement.

11.2 Notification of Claims.

(a) Subject to the provisions of Section 11.3 below, in the event of the occurrence of an event pursuant to which the Parent shall seek indemnity pursuant to Section 11.1, the Parent shall provide the Company and the Stockholders with prompt written notice (a “Claim Notice”) of such event and shall otherwise promptly make available to the Company and the Stockholders, all relevant information which is material to the claim and which is in the possession of the indemnified party. Parent’s failure to give a timely Claims Notice or to promptly furnish the Company and the Stockholders, with any relevant data and documents in connection with any Third-Party Claim (as that term is hereinafter defined) shall not constitute a defense (in part or in whole) to any claim for indemnification by such party, except and only to the extent that such failure shall result in any prejudice to the indemnified party.

(b) The Company and the Stockholders shall have the right to elect to join in, through counsel of its choosing reasonably acceptable to Parent, the defense, settlement, adjustment or compromise of any claim of any third party (a “Third Party Claim”) for which indemnification will be sought by the Parent; provided, however, that Parent shall control such defense, settlement, adjustment or compromise. The expense of any such defense, settlement, adjustment or compromise, including Parent’s counsel and any counsel chosen by the Company and the Stockholders shall be borne by the Company and the Stockholders (including from the Escrow Deposit). Parent shall have the right to settle any such Third Party Claim; provided, however, that Parent may not effect the settlement, adjustment or compromise of any such Third Party Claim without the written consent of the Company and the Stockholders, which consent shall not be unreasonably withheld.

11.3 Duration. All representations and warranties set forth in this Agreement and any Schedules or certificates delivered pursuant hereto or thereto, and all covenants, agreements and undertakings of the parties contained in or made pursuant to this Agreement and any Schedules or certificates delivered pursuant hereto or thereto, and the rights of the parties to seek indemnification with respect thereto (all of the foregoing collectively, the “Indemnifiable Matters”), shall survive the Closing but, except in respect of any claims for indemnification as to which a Claim Notice shall have been duly given prior to the Escrow Release Date (as defined below) and also as provided in the immediately following sentence, all Indemnifiable Matters shall expire on the one (1) year anniversary of the Closing Date (the “Escrow Release Date”). Notwithstanding the foregoing, (a) Indemnifiable Matters arising from breaches of the covenants contained in Article VII shall survive the Closing Date until the three (3) year anniversary of the Closing Date; (b) Indemnifiable Matters arising from breaches of the representations and warranties set forth in Section 2.9 and the covenant contained in Section 6.6 shall survive the Closing Date for the applicable statute of limitations period; (c) Indemnifiable Matters arising from breaches of the representations and warranties set forth in Sections 2.1, 2.2, 2.3, 2.4, 2.14 and Article III, shall each survive the Closing Date until the three (3) year anniversary of the Closing Date; and (d) Indemnifiable Matters arising from breaches of the representation and warranties set forth in Section 2.11 (except for domain and/or trademark infringement claims which shall not constitute Excluded Obligations) shall survive the Closing Date until the four (4) year anniversary of the Closing Date (all such obligations in (a), (b) (c) and (d), collectively, the “Excluded Obligations”). Notwithstanding the foregoing, claims relating to or arising from fraud shall be independent of, and shall not be limited by, the Agreement and shall survive the Closing Date indefinitely.

11.4 Escrow. The Escrow Deposit shall be held by the Escrow Agent for a period ending on the Escrow Release Date, except the Escrow Deposit may be withheld after the Escrow Release Date for so long as is reasonably necessary to satisfy claims for indemnification which are the subject to a Claims Notice delivered prior to the Escrow Release Date. The Escrow Deposit shall be held and disbursed by the Escrow Agent in accordance with an Escrow Agreement. If the Closing occurs, Parent and Buyer agree that the Parent’s right to indemnification pursuant to this Article XI shall constitute Parent’s and Buyer’s sole and

exclusive remedy and recourse against the Company and the Stockholders for Losses attributable to any Indemnifiable Matters. Except with respect to the Excluded Obligations or as otherwise provided in Section 6.11, the maximum liability of the Company and the Stockholders collectively shall be limited to the Escrow Deposit and of any Stockholder shall be limited to such Stockholder's Pro Rata Portion (as defined below) of the Escrow Deposit and the maximum liability of the Company and the Stockholders collectively for the Excluded Obligations shall be limited to the Purchase Price (less any amount previously recovered under this Article XII from the Escrow Deposit) and of any Stockholder for the Excluded Obligations shall be limited to such Stockholder's Pro Rata Portion (as defined below) of the Losses up to the aggregate amount of the Purchase Price which such Stockholder is entitled (less any amount previously recovered under this Article XI from such Stockholder's Pro Rata portion of the Escrow Deposit). For purposes of this Agreement, a "Pro Rata Portion" of a Stockholder as to any Losses or as to the Escrow Deposit shall be equal to the percentage of the Purchase Price to which such Stockholder is entitled as set forth on Schedule 11.4. To the extent that all or any portion of the Equity Consideration or Restricted Equity Consideration is sold, disposed of or otherwise transferred by the Stockholders or any affiliate in an arms-length transaction, then with respect to and in lieu of the shares of Parent Common Stock so sold, Parent shall be entitled to recover against any and all cash or other proceeds so obtained. Any Losses payable pursuant to this Section 11.4 from the Escrow Deposit shall be paid from the Cash Escrow and the Stock Escrow in the same proportion as such Cash Escrow and Stock Escrow bears to the total Escrow Deposit. Notwithstanding anything to the contrary contained herein, neither the Company nor the Stockholders shall have any liability for indemnification pursuant to this Article XI until the aggregate Losses are in excess of \$25,000, at which point the Company and the Stockholders shall be liable for the full amount of all Losses including such amount.

11.5 No Contribution. The Company and the Stockholders hereby waive, acknowledge and agree that the Company and the Stockholders shall not have and shall not exercise or assert (or attempt to exercise or assert), any right of contribution or right of indemnity against the Parent or Buyer in connection with any indemnification payments which the Company or the Stockholders are required to make under this Article XI. Nothing in this Article XI shall limit a Stockholder's right of contribution or right of indemnity from another Stockholder.

11.6 Registration Rights. The provisions of Section 12.5 hereof and not this Article XI shall govern any claim for indemnification pursuant to Article XII.

11.7 Treatment of Indemnity Payments. All payments made pursuant to this Article XI pertaining to any indemnification obligations shall be treated as adjustments to the Purchase Price for Tax purposes and such agreed treatment shall govern for purposes of this Agreement, unless otherwise required by law.

REGISTRATION RIGHTS

12.1 Registrable Shares. For purposes of this Agreement, “Registrable Shares” shall mean the shares of Parent Common Stock issued as the Equity Consideration and Restricted Equity Consideration.

12.2 Required Registration. Parent shall use best efforts to (i) promptly prepare and file with the SEC a registration statement on Form S-3 or alternatively a registration statement on a Form SB-2 (in the event Parent is not eligible to use a Form S-3) under the Securities Act with respect to the resale of the Registrable Shares (such Form S-3 or alternatively the Form SB-2 provided for above, the “Registration Statement”) on or before June 5, 2005, and (ii) effect all such registrations, qualifications and compliances (including, without limitation, obtaining appropriate qualifications under applicable state securities or “blue sky” laws and compliance with any other applicable governmental requirements or regulations) as the Stockholders may reasonably request and that would permit or facilitate the sale of Registrable Shares (provided however that Parent shall not be required in connection therewith to qualify to do business or to file a general consent to service of process in any such state or jurisdiction). Parent shall use best efforts to cause all Registrable Shares registered pursuant to the Registration Statement to be listed on the securities exchange on which Parent’s Common Stock is then listed.

12.3 Effectiveness; Suspension Right.

(a) Parent will use its best efforts to cause the Registration Statement to become effective under the Securities Act (including without limitation the filing of any amendments or other documents necessary for such effectiveness) and to maintain the effectiveness of the Registration Statement and other applicable registrations, qualifications and compliances until one (1) year from the Closing Date (collectively, the “Registration Effective Period”), and from time to time will amend or supplement the Registration Statement and the prospectus contained therein as and to the extent necessary to comply with the Securities Act, the Exchange Act and any applicable state securities statute or regulation, subject to the following limitations and qualifications.

(b) Following such date as the Registration Statement is first declared effective, the Stockholders will be permitted to offer and sell the Registrable Shares registered therein during the Registration Effective Period in the manner described in the Registration Statement provided that the Registration Statement remains effective and has not been suspended and provided further that with respect to the Restricted Equity Consideration, only Registrable Shares that shall have “vested” pursuant to Section 6.8 hereof may be offered and sold..

(c) Notwithstanding any other provision of this Article XII, Parent shall have the right at any time to require that the Stockholders suspend further open market offers and sales of Registrable Shares pursuant to the Registration Statement whenever, and for so long as, in the reasonable judgment of Parent, upon written advice of counsel, there is in existence material undisclosed information or events with respect to Parent (the “Suspension Right”). In the event Parent exercises the Suspension Right, such suspension will continue for the period of time reasonably necessary for disclosure to occur at the earliest time that such disclosure would not have a material adverse effect on Parent, as determined in good faith by Parent after consultation with counsel. Parent will promptly give the Stockholders written notice of any such suspension and will use its best efforts to minimize the length of the suspension.

12.4 Expenses. The costs and expenses to be borne by Parent for purposes of this Article XII shall include, without limitation, printing expenses (including a reasonable number of prospectuses for circulation by the Stockholders), legal fees and disbursements of counsel for Parent, “blue sky” expenses, accounting fees and filing fees, but shall not include underwriting commissions or similar charges, legal fees (if any) and disbursements of counsel for the Stockholders.

12.5 Indemnification.

(a) To the extent permitted by law, Parent will indemnify and hold harmless the Stockholders, any underwriter (as defined in the Securities Act) for the Stockholders, its officers, directors, stockholders or partners and each person, if any, who controls the Stockholders or underwriter within the meaning of the Securities Act or the Exchange Act, against any losses, claims, damages, or liabilities (joint or several) to which they may become subject under the Securities Act, the Exchange Act or other federal or state law, insofar as such losses, claims, damages, or liabilities (or actions in respect thereof) arise out of or are based upon any of the following statements, omissions or violations (collectively a “Violation”): (A) any untrue statement or alleged untrue statement of a material fact contained or incorporated by reference in the Registration Statement, including any preliminary prospectus or final prospectus contained therein or any amendments or supplements thereto, (B) the omission or alleged omission to state or incorporate by reference therein a material fact required to be stated or incorporated by reference therein, or necessary to make the statements included or incorporated by reference therein not misleading, or (C) any violation or alleged violation by Parent of the Securities Act, the Exchange Act, any state securities law or any rule or regulation promulgated under the Securities Act, the Exchange Act or any state securities law; and Parent will pay to such Stockholders, underwriter or controlling person, any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability, or action; provided, however, that the indemnity agreement contained in this Section 12.5(a) shall not apply to amounts paid in settlement of any such loss, claim, damage, liability, or action if such settlement is effected without the consent of Parent (which consent may not be unreasonably withheld); nor shall Parent be liable in any such case for any such loss, claim, damage, liability, or action to the extent that it arises out of or is based upon (i) a Violation which occurs in reliance upon and in conformity with written information furnished by such Stockholders expressly for use in the Registration Statement, or (ii) a Violation that would not have occurred if the Stockholders had delivered to the purchaser the version of the Prospectus most recently provided by Parent to the Stockholders as of a date prior to such sale.

(b) To the extent permitted by law, each Stockholder will indemnify and hold harmless Parent, each of its directors, each of its officers who has signed the Registration Statement, each person, if any, who controls Parent within the meaning of the Securities Act, any underwriter, and any controlling person of any such underwriter, against any losses, claims, damages, or liabilities (joint or several) to which any of the foregoing persons may become subject, under the Securities Act, the Exchange Act or other federal or state law, insofar as, and

only to the extent that, such losses, claims, damages, or liabilities (or actions in respect thereto) arise out of or are based upon any Violation (which includes without limitation the failure of such Stockholder to comply with the prospectus delivery requirements under the Securities Act, and the failure of such Stockholder to deliver the most current prospectus provided by Parent prior to the date of such sale), in each case to the extent (and only to the extent) that such Violation occurs in reliance upon and in conformity with written information furnished by such Stockholder expressly for use in the Registration Statement or such Violation is caused by such Stockholder's failure to deliver to the purchaser of such Stockholder's Registrable Shares a prospectus (or amendment or supplement thereto) that had been made available to the Stockholders by Parent prior to the date of the sale; and such Stockholder will pay any legal or other expenses reasonably incurred by any person intended to be indemnified pursuant to this Section 12.5(b) in connection with investigating or defending any such loss, claim, damage, liability, or action; provided, however, that the indemnity agreement contained in this Section 12.5(b) shall not apply to amounts paid in settlement of any such loss, claim, damage, liability or action if such settlement is effected without the consent of such Stockholder, which consent shall not be unreasonably withheld. The aggregate indemnification and contribution liability of such Stockholder under this Section 12.5(b) shall not exceed the net proceeds received by such Stockholder in connection with sale of shares pursuant to the Registration Statement.

(c) Each person entitled to indemnification under this Section 12.5 (the "Indemnified Party") shall give notice to the party required to provide indemnification (the "Indemnifying Party") promptly after such Indemnified Party has actual knowledge of any claim as to which indemnity may be sought and shall permit the Indemnifying Party to assume the defense of any such claim and any litigation resulting therefrom, provided that counsel for the Indemnifying Party who conducts the defense of such claim or any litigation resulting therefrom shall be approved by the Indemnified Party (whose approval shall not unreasonably be withheld), and the Indemnified Party may participate in such defense at such party's expense, and provided further that the failure of any Indemnified Party to give notice as provided herein shall not relieve the Indemnifying Party of its obligations under this Section 12.5 unless the Indemnifying Party is materially prejudiced thereby. No Indemnifying Party, in the defense of any such claim or litigation, shall (except with the consent of each Indemnified Party) consent to entry of any judgment or enter into any settlement that does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Party of a release from all liability in respect to such claim or litigation. Each Indemnified Party shall furnish such information regarding itself or the claim in question as an Indemnifying Party may reasonably request in writing and as shall be reasonably required in connection with the defense of such claim and litigation resulting therefrom.

(d) To the extent that the indemnification provided for in this Section 12.5 is held by a court of competent jurisdiction to be unavailable to an Indemnified Party with respect to any loss, liability, claim, damage or expense referred to herein, then the Indemnifying Party, in lieu of indemnifying such Indemnified Party hereunder, shall contribute to the amount paid or payable by such Indemnified Party as a result of such loss, liability, claim, damage or expense in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party on the one hand and of the Indemnified Party on the other in connection with the statements or omissions which resulted in such loss, liability, claim, damage or expense, as well as any other relevant

equitable considerations. The relative fault of the Indemnifying Party and of the Indemnified Party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Indemnifying Party or by the Indemnified Party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

12.6 Procedures for Sale of Shares Under Registration Statement.

(a) Notice and Approval. If a Stockholder shall propose to sell (which may include an intent to sell over a specific period of time) Registrable Shares pursuant to the Registration Statement, he, she or it shall notify Parent of its intent to do so (including the proposed manner and timing of all sales) at least one (1) full trading day prior to such sale, and the provision of such notice to Parent shall conclusively be deemed to reestablish and reconfirm an agreement by such Stockholder to comply with the registration provisions set forth in this Agreement. Unless otherwise specified in such notice, such notice shall be deemed to constitute a representation that any information previously supplied by such Stockholder expressly for inclusion in the Registration Statement (as the same may have been superseded by subsequent such information) is accurate as of the date of such notice. At any time within such one (1) trading-day period, Parent may refuse to permit such Stockholder to resell any Registrable Shares pursuant to the Registration Statement; provided, however, that in order to exercise this right, Parent must deliver a certificate in writing to such Stockholder to the effect that a delay in such sale is necessary because a sale pursuant to the Registration Statement in its then-current form without the addition of material, non-public information about Parent, could constitute a violation of the federal securities laws.

(b) Delivery of Prospectus. For any offer or sale of any of the Registrable Shares by a Stockholder in a transaction that is not exempt under the Securities Act, such Stockholder, in addition to complying with any other federal securities laws, shall deliver a copy of the final prospectus (or amendment of or supplement to such prospectus) of Parent covering the Registrable Shares in the form furnished to the Stockholders by Parent to the purchaser of any of the Registrable Shares on or before the settlement date for the purchase of such Registrable Shares.

(c) Copies of Prospectuses. Subject to the provisions of this Section 12.6, when a Stockholder is entitled to sell and gives notice of its intent to sell Registrable Shares pursuant to the Registration Statement, Parent shall, within two (2) trading days following the request, furnish to such Stockholder a reasonable number of copies of a supplement to or in amendment of such prospectus as may be necessary so that, as thereafter delivered to the purchasers of such Registrable Shares, such prospectus shall not as of the date of delivery to such Stockholder include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statement therein not misleading or incomplete in the light of the circumstances then existing.

13.4 Binding Effect; Assignment. This Agreement, and all of the provisions hereof shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. Neither this Agreement nor any rights, duties or obligations hereunder shall be assigned by any party hereto without the prior written consent of the other parties hereto, except (i) by Parent to any successor to its business or to any affiliate as long as Parent remains ultimately liable for all of Parent's obligations hereunder, and (ii) on or before Closing, Parent may assign its rights hereunder as Buyer to a wholly-owned subsidiary of Parent.

13.5 No Third Party Beneficiaries. Neither this Agreement or any provision hereof nor any Schedule, certificate or other instrument delivered pursuant hereto, nor any agreement to be entered into pursuant hereto or any provision hereof, is intended to create any right, claim or remedy in favor of any person or entity, other than the parties hereto and their respective successors and permitted assigns and any other parties indemnified under Article XI.

13.6 Public Announcements. Promptly after the date of execution hereof and the Closing Date, the Parent shall issue a press release in such form as reasonably acceptable to the Company and none of the parties hereto shall, except as agreed by the Parent and the Company, or except as may be required by law or applicable regulatory authority (including without limitation the rules applicable to Nasdaq National Market companies), issue any other reports, releases, announcements or other statements to the public relating to the transactions contemplated hereby.

13.7 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

13.8 Headings. The article and section headings contained in this Agreement are solely for convenience of reference, are not part of the agreement of the parties and shall not be used in construing this Agreement or in any way affect the meaning or interpretation of this Agreement.

13.9 Entire Agreement. This Agreement, and the Schedules, certificates and other instruments and documents delivered pursuant hereto, together with the other agreements referred to herein and to be entered into pursuant hereto, embody the entire agreement of the parties hereto in respect of, and there are no other agreements or understandings, written or oral, among the parties relating to the subject matter hereof, other than the nondisclosure agreement entered into between the Parent and the Company dated February 11, 2005, as amended (the "NDA Agreement"). This Agreement supercedes all other prior agreements and understandings, written or oral, between the parties with respect to such subject matter, other than the NDA Agreement (subject to the disclosure requirements of any applicable laws and/or governmental regulations).

13.10 Governing Law. The parties hereby agree that this Agreement, and the respective rights, duties and obligations of the parties hereunder, shall be governed by and construed in accordance with the General Corporation Law of the State of Delaware as to matters within the scope thereof and, as to all other matters, shall be governed by and construed with the laws of the State of Washington, without giving effect to principles of conflicts of law thereunder. Each of the parties hereby (i) irrevocably consents and agrees that any legal or equitable action or proceeding arising under or in connection with this Agreement shall be brought exclusively in the federal or state courts sitting in Seattle, Washington and any court to which an appeal may be taken in any such litigation, and (ii) by execution and delivery of this Agreement, irrevocably submits to and accepts, with respect to any such action or proceeding, for itself and in respect of its properties and assets, generally and unconditionally, the jurisdiction of the aforesaid courts, and irrevocably waives any and all rights such party may now or hereafter have to object to such jurisdiction.

13.11 Severability. In the event that any clause or portion of this Agreement shall be held to be invalid, illegal, unenforceable, or in violation of any law or public policy, such a finding shall not affect the balance of the terms contained herein, and the parties shall be charged with the responsibility of continuing to carry out the terms and conditions of this Agreement in a manner consistent therewith. Moreover, if one or more of the provisions contained in this Agreement shall for any reason be held to be excessively broad as to scope, activity or subject or otherwise unreasonable so as to be unenforceable at law, such provision or provisions shall be construed by the appropriate judicial body by limiting and reducing it or them, so as to be enforceable to the maximum extent compatible with the applicable law as it shall then appear.

13.12 Specific Performance. In addition to any and all other remedies that may be available at law in the event of any breach of this Agreement, the parties hereto shall be entitled to specific performance of the agreements and obligations hereunder and to such other injunctive or other equitable relief as may be granted by a court of competent jurisdiction, without the necessity of posting a bond or proving actual damages.

13.13 Waiver of Jury Trial. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY AND ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT, OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE ACTIONS OF ANY PARTY HERETO IN NEGOTIATION, ADMINISTRATION, PERFORMANCE OR ENFORCEMENT HEREOF.
