PROXY STATEMENT

General

This proxy statement, which is being mailed on or about August 25, 2015, to each person entitled to receive the accompanying notice of annual meeting, is furnished in connection with the solicitation by the Board of Directors of Pangaea Logistics Solutions Ltd. ("Pangaea" or the "Company"), of proxies to be voted at the annual meeting of shareholders to be held on September 22, 2015, at 10:00 a.m. at the Company's principal executive office, located at 109 Long Wharf, Newport, Rhode Island, and at any adjournments or postponements thereof.

Shareholders Who May Vote

All shareholders of record at the close of business on August 23, 2015 will be entitled to vote. As of June 30, 2015, Pangaea had outstanding 35,484,993 common shares, each of which is entitled to one vote with respect to each matter to be voted upon at the meeting. Proxies are solicited to give all shareholders who are entitled to vote on the matters that come before the meeting the opportunity to do so whether or not they attend the meeting in person.

Voting

If you are a holder of record of our common shares as of the record date, you may vote in person at the annual meeting or by submitting a proxy for the annual meeting. You may submit your proxy by completing, signing, dating and returning the enclosed proxy card in the accompanying pre-addressed postage paid envelope. If you hold your shares in "street name," which means your shares are held of record by a broker, bank or nominee, you should contact your broker, bank or nominee to ensure that votes related to the shares you beneficially own are properly counted. In this regard, you must provide the broker, bank or nominee with instructions on how to vote your shares or, if you wish to attend the meeting and vote in person, obtain a proxy from your broker, bank or nominee.

Changing or Revoking a Proxy

If you are a holder of record of our common shares as of the record date, you may change or revoke your proxy at any time before it is voted by submitting a new proxy with a later date, delivering a written notice of revocation to Pangaea's Secretary, or voting in person at the meeting. If your shares are held in the name of your broker or bank, you may change or revoke your voting instructions by contacting the bank or brokerage firm or other nominee holding the shares or by obtaining a legal proxy from such institution and voting in person at the annual meeting.

Required Vote

A quorum is required to conduct business at the meeting. A quorum requires the presence, in person or by proxy, of at least two shareholders representing the holders of at least thirty-three percent (33%) of the issued and outstanding shares entitled to vote at the meeting. Abstentions and broker "non-votes" are counted as present and entitled to vote for purposes of determining a quorum. A broker non-vote occurs when you fail to provide voting instructions to your broker for shares owned by you but held in the name of your broker and your broker does not have authority to vote without instructions from you. Under those circumstances, your broker may be authorized to vote for you without your instructions on routine matters but is prohibited from voting without your instructions on non-routine matters. Non-routine matters include the election of directors, approval of the amendment of the 2014 Long-Term Incentive Plan and approval of the amendment of the Company Bye-laws. Those are items for which your broker cannot vote and absent your instructions on how to vote will result in broker non-votes.

Any question proposed for consideration at the meeting shall be decided on by a simple majority of votes cast.

Costs of Proxy Solicitation

Pangaea pays the cost of this solicitation of proxies. This solicitation is being made by mail but also may be made by telephone or in person. Our directors, officers and employees may also solicit proxies in person, by telephone or by other electronic means.

Pangaea will request that persons who hold shares for others, such as banks and brokers, solicit the owners of those shares and will reimburse them for their reasonable out-of-pocket expenses for those solicitations.

Attending the Meeting

If your shares are held in the name of your bank or broker and you plan to attend the meeting, please bring proof of ownership with you to the meeting. A bank or brokerage account statement showing that you owned voting shares of Pangaea on August 23, 2015 is acceptable proof to establish share ownership and obtain admittance to the meeting. If you are a shareholder of record, no proof of ownership is required. All shareholders or their proxies should be prepared to present government-issued photo identification upon request for proof of ownership and/or admission to the meeting.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

Q. Why am I receiving this proxy statement?

- A.** Pangaea Logistics Solutions Ltd. is furnishing you this proxy statement to solicit proxies on behalf of its Board of Directors to be voted at the 2015 Annual Meeting of Shareholders of Pangaea Logistics Solutions Ltd. The meeting will be held at the Company's Executive Office, 109 Long Wharf, Newport, RI 02840 on September 22, 2015, at 3:00 p.m., Eastern Time. The proxies also may be voted at any adjournments or postponements of the meeting. When used in this proxy statement, "Pangaea," "Company," "we," "our," "ours" and "us" refer to Pangaea Logistics Solutions Ltd. and its consolidated subsidiaries, except where the context otherwise requires or as otherwise indicated.

This proxy statement contains important information about the matters to be acted upon at the annual meeting. Shareholders should read it carefully.

Q. What is a proxy?

- A.** A proxy is your legal designation of another person to vote the shares you own on your behalf. That other person is referred to as a "proxy." Our Board of Directors has designated Edward Coll and Mark Filanowski as proxies for the annual meeting. By completing and returning the enclosed proxy card, you are giving Mr. Coll and Mr. Filanowski the authority to vote your shares in the manner you indicate on your proxy card.

Q. What do I need to do now?

- A.** We urge you to read carefully and consider the information contained in this proxy statement. The vote of our shareholders is important. Shareholders are then encouraged to vote as soon as possible in accordance with the instructions provided in this proxy statement and on the enclosed proxy card.

Q. Who is entitled to vote?

- A.** We have fixed the close of business on August 23, 2015, as the "record date" for determining shareholders entitled to notice of and to attend and vote at the annual meeting. As of the close of business on August 23, 2015, there were 35,484,993 common shares outstanding and entitled to vote. Each common share is entitled to one vote per share at the annual meeting.

Q. How do I vote?

- A.** If you are a holder of record of our common shares as of the record date, you may vote in person at the annual meeting or by submitting a proxy for the annual meeting. You may submit your proxy by completing, signing, dating and returning the enclosed proxy card in the accompanying pre-addressed postage paid envelope. If you hold your shares in "street name," which means your shares are held of record by a broker, bank or nominee, you should contact your broker, bank or nominee to ensure that votes related to the shares you beneficially own are properly counted. In this regard, you must provide the broker, bank or nominee with instructions on how to vote your shares or, if you wish to attend the meeting and vote in person, obtain a proxy from your broker, bank or nominee.

Q. What does it mean if I receive more than one proxy card?

A. It indicates that you may have multiple accounts with us, brokers, banks, trustees, or other holders of record. Sign and return all proxy cards to ensure that all of your shares are voted. We encourage you to register all your accounts in the same name and address.

Q. If my shares are held in “street name,” will my broker, bank or nominee automatically vote my shares for me?

A. No. Your broker, bank or nominee cannot vote your shares unless you provide instructions on how to vote in accordance with the information and procedures provided to you by your broker, bank or nominee.

Q. What are my voting choices when voting for director nominees, and what vote is needed to elect directors?

A. In voting on the election of three director nominees to serve until the 2018 annual meeting of shareholders, shareholders may vote in one of the following ways:

- in favor of an individual nominee; or
- against an individual nominee; or
- withhold votes as to an individual nominee.

Each director will be elected by a simple majority of the votes of the common shares present or represented by proxy at the meeting.

Our Board of Directors recommends a vote “ **FOR** ” all nominees.

Q. What are my voting choices when voting on Proposal 2 and Proposal 3?

A. In voting on Proposal 2 or Proposal 3, shareholders may vote in one of the following ways:

- in favor of approval;
- against approval; or
- abstain from voting on approval.

Each proposal will be passed with a simple majority of the votes of common shares present in person or represented by proxy at the meeting.

Our Board of Directors recommends a vote “ **FOR** ” both of these proposals.

Q. What if a shareholder does not specify a choice for a matter when returning a proxy?

A. Shareholders should specify their choice for each matter on the enclosed form of proxy. If no instructions are given, proxies that are signed and returned will be voted “ **FOR** ” the election of the director nominees and “**FOR**” Proposal 2 and Proposal 3.

Q. What constitutes a quorum?

A. The presence, in person or by proxy, of at least two shareholders representing the holders of at least thirty-three percent (33%) of the outstanding common shares constitutes a quorum. We need a quorum of shareholders to hold a validly convened annual meeting. If you have signed and returned your proxy card, your shares will be counted toward the quorum. If a quorum is not present, the chairman may adjourn the meeting, without notice other than by announcement at the meeting, until the required quorum is present. As of the record date, 35,484,993 common shares were outstanding. Thus, the presence of the holders of common shares representing at least 11,710,048 shares will be required to establish a quorum.

Q. How are abstentions and broker non-votes counted?

A. Abstentions are counted for purposes of determining whether a quorum is present at the annual meeting. A properly executed proxy card marked “withhold” with respect to the election of the director will not be voted with respect to the director indicated, although it will be counted for purposes of determining whether there is a quorum.

Broker non-votes will have no effect on the outcome of the vote on any of the proposals.

Q. Will any other business be transacted at the meeting? If so, how will my proxy be voted?

A. We do not know of any business to be transacted at the annual meeting other than those matters described in this proxy statement. The period of time specified in our Bye-laws for submitting proposals to be considered at the meeting has expired and no proposals were submitted.

Q. May I change my vote after I have mailed my signed proxy card?

A. Yes. Send a later-dated, signed proxy card to our corporate secretary at the address set forth below so that it is received prior to the vote at the annual meeting or attend the annual meeting in person and vote. Shareholders also may revoke their proxy by sending a notice of revocation to our corporate secretary, which must be received by our corporate secretary prior to the vote at the annual meeting.

Q. Will I be able to view the proxy materials electronically?

A. Yes. To view this proxy statement and our 2014 annual report electronically, visit our website at www.Pangaeals.com, and select Investors - Financial Information - Annual Reports.

Q. What is the deadline for submitting proposals to be considered for inclusion in the 2016 proxy statement and for submitting a nomination for director for consideration at the Annual Meeting of Shareholders in 2016?

A. We expect to hold our 2016 Annual Meeting of Shareholders on or about September 20, 2016. Shareholder proposals made in accordance with the relevant provisions of the Companies Act 1981 of Bermuda (i.e. the jurisdiction of incorporation of the Company) requested to be included in our 2016 proxy statement must be received no later than March 31, 2016. Proposals and nominations should be directed to Anthony Laura, Chief Financial Officer and Secretary, Pangaea Logistics Solutions Ltd., 109 Long Wharf, Newport, RI 02840.

Director Independence

We adhere to the rules of Nasdaq in determining whether a director is independent. Our Board of Directors consults with our counsel to ensure that the Board's determinations are consistent with those rules and all relevant securities and other laws and regulations regarding the independence of directors. The Nasdaq listing standards define an "independent director" as a person, other than an executive officer of a company or any other individual having a relationship which, in the opinion of the issuer's Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Nasdaq also requires the majority of the Board to be independent. Consistent with these considerations, our Board of Directors has affirmatively determined that Messrs. Yu, du Moulin, Filanowski, Hong, Rosenfeld and Sgro are independent directors. These independent directors meet in executive session at least twice a year.

Meetings and Committees of our Board of Directors

During the period from October 1, 2014 through December 31, 2014, Pangaea's Board of Directors held three meetings. We expect our directors to attend all Board and any meetings of committees of the Board of which they are members and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities. Each of our current directors attended all of the meetings of the Board and meetings of committees of the Board of which he was a member in fiscal year 2014. Although we do not have any formal policy regarding director attendance at shareholder meetings, we will attempt to schedule our meetings so that all of our directors can attend.

Our Board of Directors has a standing Audit Committee, consisting of Messrs. Sgro, Hong and Rosenfeld (whose appointment was made on July 14, 2015 by unanimous consent of the Board of Directors following the resignation of Mr. Filanowski from the Audit Committee on June 30, 2015). Our Board of Directors also has a standing Nominating Committee, consisting of Messrs. du Moulin, Rosenfeld and Yu, and a standing Compensation Committee, consisting of Messrs. du Moulin, Rosenfeld and Yu.

Board Leadership Structure and Role in Risk Oversight

The Chairman of the Board is our Chief Executive Officer, we do not have a lead independent director. Our Board of Directors' primary function is one of oversight. The Board as a whole has responsibility for risk oversight and reviews management's risk assessment and risk management policies and procedures. We believe our board structure provides effective independent oversight of management due to the fact that six of the nine directors will be independent. Its Audit Committee discusses with management our major financial risk exposures and the committee reports findings to our Board of Directors in connection with its risk oversight review.

Audit Committee Information

Effective October 2014, we established an audit committee of the board of directors, which was comprised of Mark Filanowski, Paul Hong and David Sgro, each of whom is an independent director. Mr. Filanowski resigned from his position on the Audit Committee on June 30, 2015 and has been replaced by Mr. Eric Rosenfeld. The Audit Committee held one meeting during 2014. The Audit Committee's duties are specified in our Audit Committee Charter, which is posted on the Company's website at www.pangaeals.com. Such duties include, but are not limited to:

- appoint and retain the independent auditor and approve the independent auditor's compensation. The Committee shall have the sole authority to terminate the independent auditor;

- pre-approve all audit services and permitted non-audit services to be performed for the Company by the independent auditor. The Committee may delegate authority to pre-approve audit services, other than the audit of the Company's annual financial statements, and permitted non-audit services to one or more members, provided that decisions made pursuant to such delegated authority shall be presented to the full Committee at its next scheduled meeting;
- evaluate the independent auditor's qualification, performance and independence on an annual basis;
- review with management and the independent auditor the audited financial statements to be included in the Company's Annual Report on Form 10-K to be filed with the Securities and Exchange Commission;
- review with the independent auditor any difficulties the auditor encountered in the course of the audit work, including any restrictions on the scope of the independent auditor's activities and any significant disagreements with management and management's response;
- recommend to the full Board, based on the Committee's review and discussion with management and the independent auditor, that the audited financial statements be included in the Company's Form 10-K;
- review the interim financial statements with management and the independent auditor prior to the filing of the Company's Quarterly Report on Form 10 Q;
- discuss with management the disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations."
- prior to the filing of each quarterly report, the Committee shall discuss with management and the independent auditor the quality and adequacy of the Company's (1) internal controls for financial reporting, including any audit steps adopted in light of internal control deficiencies and (2) disclosure controls and procedures;
- discuss with the independent auditor the auditor's judgment about the quality, not just the acceptability, of the Company's accounting principles, as applied in its financial statements and as selected by management;
- monitor the Company's assessment and plan to manage any key enterprise risks assigned to the Committee by the Board from time to time and discuss the Company's major financial risk exposures and the steps that management has taken to monitor and control such exposures;
- establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters;
- review no less than annually management's programs governing codes of business conduct and ethics, conflicts of interest, legal, and environmental compliance and obtain reports from management regarding compliance with law and the Company's code of business conduct and ethics;
- discuss earnings press releases, as well as financial information and earnings guidance provided to analysts and rating agencies;
- review analyses prepared by management setting forth significant financial reporting issues and judgments made in connection with the preparation of financial statements, including the effects of alternative GAAP measures and off-balance sheet structures, if any, on the Company's financial statements;
- review and approve all changes in the selection or application of accounting principles other than those changes in accounting principles mandated by newly-adopted authoritative accounting pronouncements;

Financial Experts on Audit Committee

The Audit Committee is composed exclusively of "independent directors" who are "financially literate" as defined under the Nasdaq listing standards. The Nasdaq listing standards define "financially literate" as being able to read and understand fundamental financial statements, including a company's balance sheet, income statement and cash flow statement.

In addition, we must certify to Nasdaq that the committee has, and will continue to have, at least one member who has past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience or background that results in the individual's financial sophistication. The board of directors has determined that David Sgro qualifies as an "audit committee financial expert," as defined under rules and regulations of the SEC.

Nominating Committee Information

Effective October 2014, we established a nominating committee of the board of directors, which consists of Richard du Moulin, Eric Rosenfeld and Peter Yu, each of whom is an independent director. The nominating committee held one meeting in 2014. The nominating committee is responsible for overseeing the selection of persons to be nominated to serve on our board of directors. The nominating committee considers persons identified by its members, management, shareholders, investment bankers and others.

Guidelines for Selecting Director Nominees

The guidelines for selecting nominees, which are specified in our Nominating Committee Charter, generally provide that persons to be nominated:

- should have demonstrated notable or significant achievements in business, education or public service;
- should possess the requisite intelligence, education and experience to make a significant contribution to the board of directors and bring a range of skills, diverse perspectives and backgrounds to its deliberations; and
- should have the highest ethical standards, a strong sense of professionalism and intense dedication to serving the interests of our shareholders.

The Nominating Committee will consider a number of qualifications relating to management and leadership experience, background, integrity and professionalism in evaluating a person's candidacy for membership on the Board. The nominating committee may require certain skills or attributes, such as financial or accounting experience, to meet specific board needs that arise from time to time and will also consider the overall experience and makeup of its members to obtain a broad and diverse mix of board members. The nominating committee does not distinguish among nominees recommended by shareholders and other persons.

There have been no material changes to the procedures by which security holders may recommend nominees to our board of directors. The Nominating Committee Charter is available on the Company's website at www.pangaeals.com.

Compensation Committee Information

Effective October 2014, we established a Compensation Committee which is comprised of Richard du Moulin, Eric Rosenfeld and Peter Yu. The Compensation Committee held two meetings in 2014. The Compensation Committee reviews and approves compensation paid to the Company's officers and directors and administers the Company's incentive compensation plans, including authority to make and modify awards under such plans. The Compensation Committee Charter is available on the Company's website at www.pangaeals.com.

Compensation committee interlocks and insider participations

As of the date of this filing, none of the members of our Compensation Committee will be, or will have at any time during the past year been, one of our officers or employees. None of our executive officers currently serves or in the past year has served as a member of the board of directors or Compensation Committee of any entity that has one or more executive officers serving on our board of directors or Compensation Committee.

SHARE OWNERSHIP

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS

The following table sets forth the beneficial ownership of our common shares as of the most recent practicable date prior to filing by (1) each person, or group of affiliated persons, known by us to be the beneficial owner of 5% or more of our outstanding common shares, (2) each of our directors, (3) each of our named executive officers and (4) all of our directors and executive officers as a group.

To our knowledge, each person named in the table has sole voting and investment power with respect to all of the securities shown as beneficially owned by such person, except as otherwise set forth in the notes to the table. The number of securities shown represents the number of securities the person “beneficially owns,” as determined by the rules of the SEC. The SEC has defined “beneficial” ownership of a security to mean the possession, directly or indirectly, of voting power and/or investment power. A security holder is also deemed to be, as of any date, the beneficial owner of all securities that such security holder has the right to acquire within 60 days after that date through (1) the exercise of any option, warrant or right, (2) the conversion of a security, (3) the power to revoke a trust, discretionary account or similar arrangement, or (4) the automatic termination of a trust, discretionary account or similar arrangement.

The percentages reflect beneficial ownership prior to this offering as determined in accordance with Rule 13d-3 under the Exchange Act and assumes there are 35,484,993 common shares outstanding.

The percentage of beneficial ownership is calculated based on 35,484,993 outstanding common shares, which does not take into account the shares that may be issued to the former Pangaea shareholders (prior to the Mergers) upon achievement of certain net income targets. Unless otherwise indicated, we believe that all persons named in the table have sole voting and investment power with respect to all common shares beneficially owned by them upon consummation of the Mergers.

- (4) Shares owned by Lagoa Investments. (collectively, the “Pangaea One Entities”). Accordingly, solely for purposes of reporting beneficial ownership of such shares pursuant to Section 13(d) of the Exchange Act, Mr. Yu may be deemed to be the beneficial owner of the shares held by the Pangaea One Entities.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, officers and persons owning more than 10% of our common shares to file reports of ownership and changes of ownership with the SEC. Based on our review of the copies of such reports furnished to us, or representations from certain reporting persons that no other reports were required, we believe that all applicable filing requirements were complied with during the fiscal year ended December 31, 2014.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

All ongoing and future transactions between us and any of our officers and directors or their respective affiliates will be on terms believed by us to be no less favorable to us than are available from unaffiliated third parties. Such transactions will require prior approval by our Audit Committee and a majority of our disinterested independent directors, in either case who had access, at our expense, to our attorneys or independent legal counsel. We will not enter into any such transaction unless our Audit Committee and a majority of our disinterested independent directors determine that the terms of such transaction are no less favorable to us than those that would be available to us with respect to such a transaction from unaffiliated third parties.

Related Person Policy

Our Code of Ethics requires us to avoid, wherever possible, all related party transactions that could result in actual or potential conflicts of interests, except under guidelines approved by the board of directors (or the Audit Committee). Related-party transactions are defined as transactions in which (1) the aggregate amount involved will or may be expected to exceed \$120,000 in any calendar year, (2) we or any of our subsidiaries is a participant, and (3) any (a) executive officer, director or nominee for election as a director, (b) greater than 5% beneficial owner of our common shares, or (c) immediate family member, of the persons referred to in clauses (a) and (b), has or will have a direct or indirect material interest (other than solely as a result of being a director or a less than 10% beneficial owner of another entity). A conflict of interest situation can arise when a person takes actions or has interests that may make it difficult to perform his or her work objectively and effectively. Conflicts of interest may also arise if a person, or a member of his or her family, receives improper personal benefits as a result of his or her position.

We also require each of our directors and executive officers to complete a directors' and officers' questionnaire that elicits information about related party transactions.

These procedures are intended to determine whether any such related party transaction impairs the independence of a director or presents a conflict of interest on the part of a director, employee or officer.

PROPOSAL 2 - THE PANGAEA LOGISTICS SOLUTIONS LTD. 2014 SHARE INCENTIVE PLAN PROPOSAL

Overview

We are asking our shareholders to approve an amendment and restatement of the Pangaea Logistics Solutions Ltd. 2014 Long-Term Incentive Plan (the “2014 Plan”). The Board unanimously adopted the amended and restated 2014 Plan (the “Amended Plan”), subject to shareholder approval at the 2015 Annual Meeting. If approved by shareholders, the Amended Plan will become effective upon the approval of the Company’s shareholders.

Background

The 2014 Plan is currently the only share incentive plan maintained by the Company for the purpose of granting long-term incentive awards to the Company’s key employees, officers, directors and consultants. If approved by our shareholders, the Amended Plan would limit the value of awards that may be granted to non-employee directors in any calendar year at \$150,000 (calculating the value of any award based in shares to be determined based on the grant date fair value of such awards for financial reporting purposes), which limitation under the 2014 Plan is 10,000 shares.

As of August 7, 2015, there were 711,987 shares available for issuance under the 2014 Plan. No additional shares are being requested for future issuance under the Amended Plan pursuant to this proposal. There are currently no stock options outstanding under the 2014 Plan and the closing price of our common shares on the Nasdaq Capital Market as of August 7, 2015 was \$3.25 per share. If approved by our shareholders at the 2015 Annual Meeting, the Amended Plan will become effective upon such approval. If our shareholders do not approve the Amended Plan, the 2014 Plan will remain in full force and effect in accordance with its terms and conditions until September 30, 2024. The Company believes the revised annual limitation on the value of awards that may be granted to our non-employee directors in any calendar year sets forth a meaningful restriction on the number of awards that the Board (or a committee thereof) could potentially grant to its members in any given calendar year. The Board believes it is appropriate for this restriction to be denominated in dollars as opposed to the value of our shares.

In addition, we are seeking shareholder approval of the Amended Plan to ensure that the Company may grant long-term incentive awards that qualify as “performance-based compensation” for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”), to the extent applicable to the Company. To the extent our shareholders approve the Amended Plan, if, and to the extent we are subject to U.S. federal income tax, we will have the ability to grant incentive compensation that qualifies as “performance-based compensation” and will retain the corporate tax deductibility of such payments. We urge our shareholders to approve the Amended Plan.

Amended Plan Summary

The following is a summary of the material features of the Amended Plan, the complete text of which is attached to this proxy statement as Exhibit A.

Plan Administration. The Amended Plan is administered by the Board or such other committee consisting of two or more individuals appointed by the Board to administer the Amended Plan (the “Committee”). The Committee has the authority, among other things, to select participants, determine types of awards and terms and conditions of awards for participants, prescribe rules and regulations for the administration of the Amended Plan and make all decisions and determinations as deemed necessary or advisable for the administration of the Amended Plan. The Committee may delegate certain of its authority as it deems appropriate, pursuant to the terms of the Amended Plan, to officers or employees of the Company or its affiliates. The Committee’s actions will be final, conclusive and binding.

Authorized Shares. A total of 1,500,000 common shares are reserved and available for delivery under the Amended Plan. The number of common shares reserved and available for delivery under the Amended Plan is subject to adjustment, as described below. The maximum number of common shares reserved and available for delivery under the Amended Plan may be issued in respect of incentive stock options. Common shares issued under the Amended Plan may consist of authorized but unissued common shares or previously issued common shares. Common shares underlying awards that are settled in cash, canceled, forfeited, or otherwise terminated without delivery to a participant will again be available for issuance under the Amended Plan. Common shares withheld or surrendered in connection with the payment of an exercise price of an award or to satisfy tax withholding will again become available for issuance under the Amended Plan.

Individual Limits. The maximum value of awards that may be granted to any non-employee directors of the Company in any one calendar year will not exceed \$150,000 (calculating the value of any award based in shares based on the grant date fair value of such awards for financial reporting purposes and excluding, for this purpose, the value of any dividend equivalent payment paid pursuant to any award granted in a previous year. Previously, the limitation was 10,000 shares.

During any time that the Company is subject to Section 162(m) of the Code, the maximum number of shares of common stock subject to options, share appreciation rights or performance awards, in each case, that may be granted to any individual in any one calendar year may not exceed 200,000 common shares. Similarly, the maximum value of a performance award that is valued in dollars and that is intended to qualify as performance-based compensation under Section 162(m) of the Code that may be granted to any individual in any one year may not exceed \$1,000,000.

Types of Awards. The types of awards that may be available under the Amended Plan are described below. All of the awards described below will be subject to the terms and conditions determined by the Committee in its sole discretion, subject to certain limitations provided in the Amended Plan. Each award granted under the Amended Plan will be evidenced by an award agreement, which will govern that award's terms and conditions.

Non-qualified Stock Options. A non-qualified stock option is an option that is not intended to meet the qualifications of an incentive stock option, as described below. An award of a non-qualified stock option grants a participant the right to purchase a certain number of our common shares during a specified term in the future, or upon the achievement of performance or other conditions, at an exercise price set by the Committee on the grant date. The term of a non-qualified stock option will be set by the Committee but may not exceed 10 years from the grant date. The exercise price may be paid using cash, or by certified or bank cashier's check, and if approved by the Committee (i) by delivery of common shares previously owned by the participant, (ii) by a broker-assisted, cashless exercise in accordance with procedures approved by the Committee, or (iii) by any other means approved by the Committee.

Incentive Stock Options. An incentive stock option is an option that meets the requirements of Section 422 of the Code. Incentive stock options may be granted only to our employees or employees of certain of our subsidiaries and must have an exercise price of no less than 100% of the fair market value (or 110% with respect to a ten-percent shareholder) of a common share on the grant date and a term of no more than 10 years (or 5 years with respect to a ten-percent shareholder).

Share Appreciation Rights. A share appreciation right entitles the participant to receive an amount equal to the difference between the fair market value of our common shares on the exercise date and the base price of the share appreciation right that is set by the Committee on the grant date, multiplied by the number of shares subject to the share appreciation right. The term of a share appreciation right will be set by the Committee but may not exceed 10 years from the grant date. Payment to a participant upon the exercise of a share appreciation right may be either in cash, common shares, or specified property as determined by the Committee.

Restricted Shares. A restricted share award is an award of restricted common shares that does not vest until a specified period of time has elapsed, and/or upon the achievement of performance or other conditions determined by the Committee, and which will be forfeited if the conditions to vesting are not met. During the period that any restrictions apply, transfer of the restricted common shares is generally prohibited. Unless otherwise specified in their award agreement, participants generally have all of the rights of a shareholder as to the restricted common shares, including the right to vote such shares, provided, that any cash or share dividends with respect to the restricted common shares will be withheld by the Company and will be subject to forfeiture to the same degree as the restricted common shares to which such dividends relate.

Restricted Share Units. A restricted share unit is an unfunded and unsecured obligation to issue a common share (or an equivalent cash amount) to the participant in the future. Restricted share units become payable on terms and conditions determined by the Committee and will vest and be settled at such times in cash, common shares, or other specified property, as determined by the Committee.

Other Share-Based or Cash-Based Awards. Under the Amended Plan, the Committee may grant other types of equity-based or cash-based awards subject to such terms and conditions that the Committee may determine. Such awards may include the grant of dividend equivalents, which generally entitle the participant to receive amounts equal to the dividends that are paid on the shares underlying the award. The Committee may also grant common shares as a bonus, and may grant other awards in lieu of obligations of the Company or its affiliates to pay cash or deliver other property under the Amended Plan or under other plans or compensatory arrangements, subject to such terms and conditions as the Committee may determine.

Performance Awards. A performance award is an award of common shares or units subject (in whole or in part) to the achievement of pre-determined performance objectives specified by the Committee. Earned performance awards may be settled

in cash, common shares, or other awards (or in a combination thereof), at the discretion of the Committee. The Committee will be responsible for setting the applicable performance objectives, which will be limited to specific levels of or increases in one or more of the following business criteria: (i) earnings, including net earnings, total earnings, operating earnings, earnings growth, operating income, earnings before or after taxes, earnings before or after interest, depreciation, amortization, or extraordinary or special items or book value per share (which may exclude nonrecurring items); (ii) pre-tax income or after-tax income; (iii) earnings per share (basic or diluted); (iv) operating profit; (v) revenue, revenue growth, or rate of revenue growth; (vi) return on assets (gross or net), return on investment, return on capital, return on equity, financial return ratios, or internal rates of return; (vii) returns on sales or revenues; (viii) operating expenses; (ix) share price appreciation; (x) cash flow (including, but not limited to, operating cash flow and free cash flow), cash flow return on investment (discounted or otherwise), net cash provided by operations or cash flow in excess of cost of capital, working capital turnover; (xi) implementation or completion of critical projects or processes; (xii) economic value created; (xiii) balance sheet measurements (including, but not limited to, receivable turnover); (xiv) cumulative earnings per share growth; (xv) operating margin, profit margin, or gross margin; (xvi) share price or total shareholder return; (xvii) cost or expense targets, reductions and savings, productivity and efficiencies; (xviii) sales or sales growth; (xix) strategic business criteria, consisting of one or more objectives based on meeting specified market penetration, market share, geographic business expansion, customer satisfaction, employee satisfaction, human resources management, supervision of litigation, information technology, and goals relating to acquisitions, divestitures, joint ventures, and similar transactions, and budget comparisons; and (xx) personal professional objectives, including any of the foregoing performance goals, the implementation of policies and plans, the negotiation of transactions, the development of long term business goals, the formation of joint ventures, research or development collaborations, and the completion of other corporate transactions.

Performance objectives may be described in terms of Company-wide objectives or objectives that are related to the performance of an individual participant, a specific division, department or function of the Company or one of its subsidiaries or affiliates. Performance objectives may be expressed in absolute terms or on a relative basis. Relative performance may be measured by a comparison to a group of peer companies or to a financial market index. The Committee may adjust any performance objective and the related minimum acceptable level of achievement if, in the sole judgment of the Committee, events or transactions have occurred after the award's grant date that are unrelated to the performance of the Company or the participant and result in a distortion of the performance objectives or the related minimum acceptable level of achievement. However, in no event will any adjustment be made if the performance award is intended to qualify for the performance-based compensation exception under Section 162(m) and such adjustment would cause the award to fail to so qualify.

Adjustments. The aggregate number of common shares reserved and available for delivery under the Amended Plan, the individual limitations, the number of common shares covered by each outstanding award, and the price per common share underlying each outstanding award will be equitably and proportionally adjusted or substituted, as determined by the Committee, as to the number, price or kind of share or other consideration subject to such awards in connection with share dividends, extraordinary cash dividends, share splits, reverse share splits, recapitalizations, reorganizations, mergers, amalgamations, consolidations, combinations, exchanges, or other relevant changes in our capitalization affecting our common shares or our capital structure, or in the event of any change in applicable law or circumstances that results in or could result in, as determined by the Committee in its sole discretion, any substantial dilution or enlargement of the rights intended to be granted to, or available for, participants in the Amended Plan.

Corporate Events. In the event of a merger, amalgamation, or consolidation involving the Company in which the Company is not the surviving corporation or in which the Company is the surviving corporation but the holders of its common shares receive securities of another corporation or other property or cash, a "change in control" (as defined in the Amended Plan), or a reorganization, dissolution, or liquidation of the Company, the Committee may, in its discretion, provide for the assumption or substitution of outstanding awards, accelerate the vesting of outstanding awards, cash-out outstanding awards, or replace outstanding awards with a cash incentive program that preserves the value of the awards so replaced.

Transferability. Awards under the Amended Plan may not be sold, transferred, pledged, or assigned other than by the will or by the applicable laws of descent and distribution, unless (for awards other than incentive stock options) otherwise provided in an award agreement or determined by the Committee.

Amendment. The Board or the Committee may amend the Amended Plan or outstanding awards at any time. The Company's shareholders must approve any amendment if their approval is required pursuant to applicable law or the applicable rules of each national securities exchange on which the Company's common shares are traded. No amendment to the Amended Plan or outstanding awards which materially impairs the right of a participant is permitted unless the participant consents in writing. Shareholder approval will be required for any amendment that reduces the exercise price or base price of any outstanding award or that would be treated as repricing under generally accepted accounting principles. Shareholder approval

will also be required for the repurchase for cash or cancellation of an award at a time when its exercise price or base price, as applicable, exceeds the fair market value of a common share on the date of such repurchase or cancellation.

Termination. The Amended Plan will terminate on the day before the tenth anniversary of the Amended Plan's effective date. In addition, the Board or the Committee may suspend or terminate the Amended Plan at any time. Following any such suspension or termination, the Amended Plan will remain in effect to govern any then outstanding awards until such awards are forfeited, terminated or otherwise canceled or earned, exercised, settled or otherwise paid out, in accordance with their terms.

Clawback. All awards under the Amended Plan will be subject to any incentive compensation clawback or recoupment policy currently in effect, or as may be adopted by our board of directors or any committee thereof from time to time.

Certain U.S. Federal Income Tax Consequences

The following is a brief discussion of the U.S. federal income tax consequences for stock options granted under the Amended Plan. The Amended Plan is not subject to the requirements of the Employee Retirement Income Security Act of 1974, as amended, and it is not, nor is it intended to be, qualified under Section 401(a) of the Code. This discussion is based on current law, is not intended to constitute tax advice, and does not address all aspects of U.S. federal income taxation that may be relevant to a particular participant in light of his or her personal circumstances and does not describe foreign, state, or local tax consequences, which may be substantially different. Holders of stock options under the Amended Plan are encouraged to consult with their own tax advisors.

Non-Qualified Stock Options. With respect to non-qualified stock options, (i) no income is realized by a participant at the time the stock option is granted; (ii) generally, at exercise, ordinary income is realized by the participant in an amount equal to the difference between the exercise price for the shares and the fair market value of the shares on the date of exercise; and (iii) upon a subsequent sale of the stock received on exercise, appreciation (or depreciation) after the date of exercise is treated as either short-term or long-term capital gain (or loss) depending on how long the shares have been held, and no deduction will be allowed to such participant's employer.

Incentive Stock Options. No income is realized by a participant upon the grant or exercise of an incentive stock option, however, such participant will generally be required to include the excess of the fair market value of the shares at exercise over the exercise price in his or her alternative minimum taxable income. If shares are issued to a participant pursuant to the exercise of an incentive stock option, and if no disqualifying disposition of such shares is made by such participant within two years after the date of grant or within one year after the transfer of such shares to such participant, then upon sale of such shares, any amount realized in excess of the exercise price will be taxed to such participant as a long-term capital gain, and any loss sustained will be a long-term capital loss.

If shares acquired upon the exercise of an incentive stock option are disposed of prior to the expiration of either holding period described above, generally the participant will realize ordinary income in the year of disposition in an amount equal to the excess (if any) of the fair market value of such shares at exercise (or, if less, the amount realized on the disposition of such shares) over the exercise price paid for such shares. Any further gain (or loss) realized by the participant will be taxed as short-term or long-term capital gain (or loss), as the case may be, and will not result in any deduction by the employer.

Subject to certain exceptions for disability or death, if an incentive stock option is exercised more than three months following termination of employment, the exercise of the stock option will generally be taxed as the exercise of a non-qualified stock option.

New Plan Benefits

Because awards to be granted in the future under the Amended Plan are at the discretion of the Committee and/or the Board (including awards to non-employee directors of the Company), it is not possible to determine the benefits or the amounts received or that will be received under the Amended Plan by eligible participants.

Equity Compensation Plan Information

PROPOSAL 3 - APPROVAL OF THE AMENDMENT TO THE BYE-LAWS OF THE COMPANY

In addition, the Committee has discussed with Grant Thornton LLP the firm's independence from Company management and the Company, including the matters in the letter from the firm required by PCAOB Rule 3526, Communication with Audit Committees Concerning Independence, and considered the compatibility of non-audit services with Grant Thornton LLP's independence.

The Committee also reviewed and discussed together with management and Grant Thornton LLP the Company's audited consolidated financial statements for the year ended December 31, 2014 and the results of management's assessment of the effectiveness of the Company's internal control over financial reporting.

Notwithstanding the foregoing, (x) a Change in Control shall not be deemed to occur solely because any person acquires beneficial ownership of fifty percent (50%) or more of the Company Voting Securities as a result of an acquisition of Company Voting Securities by the Company that reduces the number of Company Voting Securities outstanding; provided that if after such acquisition by the Company such person becomes the beneficial owner of additional Company Voting Securities that increases the percentage of outstanding Company Voting Securities beneficially owned by such person, a Change in Control shall then occur, and (y) with respect to the payment of any amount that constitutes a deferral of compensation subject to Section 409A of the Code payable upon a Change in Control, a Change in Control shall not be deemed to have occurred unless the Change in Control constitutes a change in the ownership or effective control of the Company or in the ownership of a substantial portion of the assets of the Company under Section 409A(a)(2)(A)(v) of the Code.

Any action of the Committee shall be final, conclusive, and binding on all persons, including, without limitation, the Company, its Affiliates, Eligible Persons, Participants, and beneficiaries of Participants. Any action authorized by such a Qualifying Committee shall be deemed the action of the Committee for purposes of the Plan. The express grant of any specific power to the Committee and the taking of any action by the Committee shall not be construed as limiting any power or authority of the Committee.

(c) Delegation. To the extent permitted by applicable law, the Committee may delegate to officers or employees of the Company or any of its Affiliates, or committees thereof, the authority, subject to such terms as the Committee shall determine, to perform such functions under the Plan, including, but not limited to, administrative functions, as the Committee may determine appropriate. To the extent that an Award expires or is canceled, forfeited, settled in cash, or otherwise terminated without a delivery to the Participant of the full number of Shares to which the Award related, the undelivered Shares will again be available for grant. Shares withheld in payment of the exercise price or taxes relating to an Award and Shares equal to the number surrendered in payment of any exercise price or taxes relating to an Award shall be deemed to constitute shares not delivered to the Participant and shall be deemed to again be available for Awards under the Plan.

(d) Payment for Shares. Payment for Shares acquired pursuant to Options granted hereunder shall be made in full upon exercise of an Option in immediately available funds in United States dollars or by certified or bank cashier’s check, or if approved by the Committee (1) by delivery of Shares having a value equal to the exercise price, (2) by a broker-assisted cashless exercise in accordance with procedures approved by the Committee, whereby payment of the Option exercise price or tax withholding obligations may be satisfied, in whole or in part, with Shares subject to the Option by delivery of an irrevocable direction to a securities broker (on a form prescribed by the Committee) to sell Shares and to deliver all or part of the sale proceeds to the Company in payment of the aggregate exercise price and, if applicable, the amount necessary to satisfy the Company’s withholding obligations, or (3) by any other means approved by the Committee (including, by delivery of a notice of “net exercise” to the Company, pursuant to which the Participant shall receive the number of Shares underlying the Option so exercised reduced by the number of Shares equal to the aggregate exercise price of the Option divided by the Fair Market Value on the date of exercise). Anything herein to the contrary notwithstanding, if the Committee determines that any form of payment available hereunder would be in violation of Section 402 of the Sarbanes-Oxley Act of 2002, such form of payment shall not be available.

(e) Vesting. Options shall vest and become exercisable in such manner, on such date or dates, or upon the achievement of performance or other conditions, in each case as may be determined by the Committee and set forth in an Option Agreement; provided, however, that notwithstanding any such vesting dates, but in all cases subject to Section 11 below, the Committee may in its sole discretion accelerate the vesting of any Option at any time and for any reason. Unless otherwise specifically determined by the Committee, the vesting of an Option shall occur only while the Participant is employed

by or rendering services to the Service Recipient, and all vesting shall cease upon a Participant's Termination for any reason. If an Option is exercisable in installments, such installments or portions thereof that become exercisable shall remain exercisable until the Option expires.

(3) In the event of a Participant's Termination by the Service Recipient for Cause, all of such Participant's outstanding Options (whether or not vested) shall immediately expire as of the date of such Termination.

(g) Special Provisions Applicable to Incentive Stock Options.

(2) Performance Objectives may be described in terms of Company-wide objectives or objectives that are related to the performance of an individual Participant, the specific Service Recipient, or a division, department, or function within the Company or the Service Recipient. Performance Objectives may be measured on an absolute or relative basis. Relative performance may be measured by comparison to a group of peer companies or to a financial market index. With respect to Qualified Performance-Based Awards, Performance Objectives shall be limited to specified levels of or increases in one or more of the following: (i) earnings, including net earnings, total earnings, operating earnings, earnings growth, operating income, earnings before or after taxes, earnings before or after interest, depreciation, amortization, or extraordinary or special items or book value per share (which may exclude nonrecurring items); (ii) pre-tax income or after-tax income; (iii) earnings per share (basic or diluted); (iv) operating profit; (v) revenue, revenue growth, or rate of revenue growth; (vi) return on assets (gross or net), return on investment, return on capital, return on equity, financial return ratios, or internal rates of return; (vii) returns on sales or revenues; (viii) operating expenses; (ix) share price appreciation; (x) cash flow (including, but not limited to, operating cash flow and free cash flow), cash flow

return on investment (discounted or otherwise), net cash provided by operations or cash flow in excess of cost of capital, working capital turnover; (xi) implementation or completion of critical projects or processes; (xii) economic value created; (xiii) balance sheet measurements (including, but not limited to, receivable turnover); (xiv) cumulative earnings per share growth; (xv) operating margin, profit margin, or gross margin; (xvi) share price or total shareholder return; (xvii) cost or expense targets, reductions and savings, productivity and efficiencies; (xviii) sales or sales growth; (xix) strategic business criteria, consisting of one or more objectives based on meeting specified market penetration, market share, geographic business expansion, customer satisfaction, employee satisfaction, human resources management, supervision of litigation, information technology, and goals relating to acquisitions, divestitures, joint ventures, and similar transactions, and budget comparisons; and (xx) personal professional objectives, including any of the foregoing performance goals, the implementation of policies and plans, the negotiation of transactions, the development of long term business goals, the formation of joint ventures, research or development collaborations, and the completion of other corporate transactions.

NTD: Performance objectives to be reviewed by client.

(3) Each of the Committee and the Board may, in its independent judgment, adjust Performance Objectives and the related minimum acceptable level of achievement if events or transactions have occurred after the applicable date of grant of a Performance Award that are unrelated to the performance of the Company or Participant and result in a distortion of the Performance Objectives or the related minimum acceptable level of achievement. In the event of any conflict between the Committee's adjustment and the Board's adjustment, the Board's adjustments shall control. Potential transactions or events giving rise to adjustment include, but are not limited to, (i) restructurings, discontinued operations, extraordinary items or events, and other unusual or nonrecurring charges; (ii) an event either not directly related to the operations of the Company or not within the reasonable control of the Company's management; and (iii) a change in tax law or accounting standards required by generally accepted accounting principles. Notwithstanding the foregoing, except as otherwise determined by the Committee, no adjustment shall be made if the effect would be to cause a Qualified Performance-Based Award to fail to qualify as "qualified performance-based compensation" within the meaning of Section 162(m) of the Code. In addition, with respect to Qualified Performance-Based Awards, the Committee may, in its discretion, reduce or eliminate the amount payable to any Participant pursuant thereto, in each case based upon such factors as the Committee may deem relevant, but shall not increase the amount payable to any Participant pursuant thereto for any Performance Period.

10. Other Share-Based or Cash-Based Awards.

The Committee is authorized, subject to limitations under applicable law, to grant to Participants such other equity-based or cash-based Awards that may be denominated or payable in, valued in whole or in part by reference to, or otherwise based upon or related to Shares, as deemed by the Committee to be consistent with the purposes of the Plan. The Committee may also grant Shares as a bonus (whether or not subject to any vesting requirements or other restrictions on transfer) and may grant other awards in lieu of obligations of the Company or an Affiliate to pay cash or deliver other property under this Plan or under other plans or compensatory arrangements, subject to such terms as shall be determined by the Committee. The terms and conditions applicable to such Awards shall be determined by the Committee and evidenced by Award Agreements, which agreements need not be identical.

11. Adjustment for Recapitalization, Merger, etc.

(a) Capitalization Adjustments. The aggregate number of Shares that may be granted or purchased pursuant to Awards (as set forth in Section 4 hereof), the numerical share limits in Section 4, the number of Shares covered by each outstanding Award, and the price per Share underlying each such Award shall be equitably and proportionally adjusted or substituted, as determined by the Committee, as to the number, price, or kind of a Share or other consideration subject to such Awards (1) in the event of changes in the outstanding Shares or in the capital structure of the Company by reason of stock dividends, extraordinary cash dividends, stock splits, reverse stock splits, recapitalizations, reorganizations, mergers, amalgamations, consolidations, combinations, exchanges, or other relevant changes in capitalization occurring after the date of grant of any such Award (including any Corporate Event); (2) in connection with any extraordinary dividend declared and paid in respect of Shares, whether payable in the form of cash, stock, or any other form of consideration; or (3) in the event of any change in applicable laws or circumstances that results in or could result in, in either case, as determined by the Committee in its sole discretion, any substantial dilution or enlargement of the rights intended to be granted to, or available for, Participants in the Plan.

(b) Corporate Events. Notwithstanding the foregoing, except as provided by the Committee in an Award Agreement or otherwise, in connection with (i) a merger, amalgamation, or consolidation involving the Company in which the Company is not the surviving corporation, (ii) a merger, amalgamation, or consolidation involving the Company in which the Company is the surviving corporation but the holders of Shares receive securities of another corporation or other property or cash, (iii) a Change in Control, or (iv) the reorganization, dissolution or liquidation of the Company (each, a “Corporate Event”), the Committee may, in its discretion, provide for any one or more of the following:

1. The assumption or substitution of any or all Awards in connection with such Corporate Event, in which case the Awards shall be subject to the adjustment set forth in subsection (a) above, and to the extent that such Awards are Performance Awards or other Awards that vest subject to the achievement of Performance Objectives or similar performance criteria, such Performance Objectives or similar performance criteria shall be adjusted appropriately to reflect the Corporate Event;

2. The acceleration of vesting of any or all Awards, subject to the consummation of such Corporate Event, with any Performance Awards or other Awards that vest subject to the achievement of Performance Objectives or similar performance criteria deemed earned (i) based on actual performance through the date of the Corporate Event, or (ii) at the target level (or if no target is specified, the maximum level), in the event actual performance cannot be measured through the date of the Corporate Event, in each case, with respect to all unexpired Performance Periods;

3. The cancellation of any or all Awards (whether vested or unvested) as of the consummation of such Corporate Event, together with the payment to the Participants holding vested Awards (including any Awards that would vest upon the Corporate Event but for such cancellation) so canceled of an amount in respect of cancellation based upon the per-share consideration being paid for the Shares in connection with such Corporate Event, less, in the case of Options, Share Appreciation Rights, and other Awards subject to exercise, the applicable exercise or base price; provided, however, that holders of Options, Share Appreciation Rights, and other Awards subject to exercise shall be entitled to consideration in respect of cancellation of such Awards only if the per-share consideration less the applicable exercise or base price is greater than zero dollars (\$0), and to the extent that the per-share consideration is less than or equal to the applicable exercise or base price, such Awards shall be canceled for no consideration; and

4. The replacement of any or all Awards (other than Awards that are intended to qualify as “stock rights” that do not provide for a “deferral of compensation” within the meaning of Section 409A of the Code) with a cash incentive program that preserves the value of the Awards so replaced (determined as of the consummation of the Corporate Event), with subsequent payment of cash incentives subject to the same vesting conditions as applicable to the Awards so replaced and payment to be made within thirty (30) days of the applicable vesting date.

Payments to holders pursuant to paragraph (3) above shall be made in cash or, in the sole discretion of the Committee, in the form of such other consideration necessary for a Participant to receive property, cash, or securities (or a combination thereof) as such Participant would have been entitled to receive upon the occurrence of the transaction if the Participant had been, immediately prior to such transaction, the holder of the number of Shares covered by the Award at such time (less any applicable exercise or base price). In addition, in connection with any Corporate Event, prior to any payment or adjustment contemplated under this subsection (b), the Committee may require a Participant to (A) represent and warrant as to the unencumbered title to his Awards, (B) bear such Participant’s pro-rata share of any post-closing indemnity obligations, and be subject to the same post-closing purchase price adjustments, escrow terms, offset rights, holdback terms, and similar conditions as the other holders of Shares, and (C) deliver customary transfer documentation as reasonably determined by the Committee.

(c) Fractional Shares. Any adjustment provided under this Section 11 may, in the Committee’s discretion, provide for the elimination of any fractional share that might otherwise become subject to an Award.

12. Use of Proceeds.

The proceeds received from the sale of Shares pursuant to the Plan shall be used for general corporate purposes.

13. Rights and Privileges as a Shareholder.

Except as otherwise specifically provided in the Plan, no person shall be entitled to the rights and privileges of Share ownership in respect of Shares that are subject to Awards hereunder until such shares have been issued to that person.

14. Transferability of Awards.

Awards may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the applicable laws of descent and distribution, and to the extent subject to exercise, Awards may not be exercised during the lifetime of the grantee other than by the grantee. Notwithstanding the foregoing, except with respect to Incentive Stock Options, Awards and a Participant’s rights under the Plan shall be transferable for no value to the extent provided in an Award Agreement or otherwise determined at any time by the Committee.

15. Employment or Service Rights.

No individual shall have any claim or right to be granted an Award under the Plan or, having been selected for the grant of an Award, to be selected for the grant of any other Award. Neither the Plan nor any

action taken hereunder shall be construed as giving any individual any right to be retained in the employ or service of the Company or an Affiliate of the Company.

16. Compliance with Laws.

The obligation of the Company to deliver Shares upon vesting, exercise, or settlement of any Award shall be subject to all applicable laws, rules, and regulations, and to such approvals by governmental agencies as may be required. Notwithstanding any terms or conditions of any Award to the contrary, the Company shall be under no obligation to offer to sell or to sell, and shall be prohibited from offering to sell or selling, any Shares pursuant to an Award unless such shares have been properly registered for sale with the Securities and Exchange Commission pursuant to the Securities Act or unless the Company has received an opinion of counsel, satisfactory to the Company, that such shares may be offered or sold without such registration pursuant to an available exemption therefrom and the terms and conditions of such exemption have been fully complied with. The Company shall be under no obligation to register for sale or resale under the Securities Act any of the Shares to be offered or sold under the Plan or any Shares to be issued upon exercise or settlement of Awards. If the Shares offered for sale or sold under the Plan are offered or sold pursuant to an exemption from registration under the Securities Act, the Company may restrict the transfer of such shares and may legend the Share certificates representing such shares in such manner as it deems advisable to ensure the availability of any such exemption.

17. Withholding Obligations.

As a condition to the vesting, exercise, or settlement of any Award (or upon the making of an election under Section 83(b) of the Code), the Committee may require that a Participant satisfy, through deduction or withholding from any payment of any kind otherwise due to the Participant, or through such other arrangements as are satisfactory to the Committee, the minimum amount of all federal, state, and local income and other taxes of any kind required or permitted to be withheld in connection with such vesting, exercise, or settlement (or election). The Committee, in its discretion, may permit Shares to be used to satisfy tax withholding requirements, and such shares shall be valued at their Fair Market Value as of the vesting, exercise, or settlement date of the Award, as applicable; provided, however, that the aggregate Fair Market Value of the number of Shares that may be used to satisfy tax withholding requirements may not exceed the minimum statutorily required withholding amount with respect to such Award.

18. Amendment of the Plan or Awards.

(a) Amendment of Plan. The Board or the Committee may amend the Plan at any time and from time to time.

(b) Amendment of Awards. The Board or the Committee may amend the terms of any one or more Awards at any time and from time to time.

(c) Shareholder Approval; No Material Impairment. Notwithstanding anything herein to the contrary, no amendment to the Plan or any Award shall be effective without shareholder approval to the extent that such approval is required pursuant to applicable law or the applicable rules of each national securities exchange on which the Shares are listed. No amendment to the Plan or any Award shall materially impair a Participant's rights under any Award unless the Participant consents in writing (it being understood that no action taken by the Board or the Committee that is expressly permitted under the Plan, including, without limitation, any actions described in Section 11 hereof, shall constitute an amendment to the Plan or an Award for such purpose). Notwithstanding the foregoing, subject to the limitations of applicable law, if any, and without an affected Participant's consent, the Board or the Committee may amend the terms of the Plan or any one or more Awards from time to time as necessary to

bring such Awards into compliance with applicable law, including, without limitation, Section 409A of the Code.

(d) No Repricing of Awards Without Shareholder Approval. Notwithstanding subsection (a) or (b) above, or any other provision of the Plan, the repricing of Awards shall not be permitted without shareholder approval. For this purpose, a “repricing” means any of the following (or any other action that has the same effect as any of the following): (1) changing the terms of an Award to lower its exercise or base price (other than on account of capital adjustments resulting from share splits, etc., as described in Section 11(a)), (2) any other action that is treated as a repricing under generally accepted accounting principles, and (3) repurchasing for cash or canceling an Award in exchange for another Award at a time when its exercise or base price is greater than the Fair Market Value of the underlying Shares, unless the cancellation and exchange occurs in connection with an event set forth in Section 11(b).

19. Termination or Suspension of the Plan.

The Board or the Committee may suspend or terminate the Plan at any time. Unless sooner terminated, the Plan shall terminate on the day before the tenth (10th) anniversary of the Effective Date. No Awards may be granted under the Plan while the Plan is suspended or after it is terminated; provided, however, that following any suspension or termination of the Plan, the Plan shall remain in effect for the purpose of governing all Awards then outstanding hereunder until such time as all Awards under the Plan have been terminated, forfeited, or otherwise canceled, or earned, exercised, settled, or otherwise paid out, in accordance with their terms.

20. Effective Date of the Plan.

The Plan is effective as of the Effective Date, subject to shareholder approval.

21. Miscellaneous.

(a) Certificates. Shares acquired pursuant to Awards granted under the Plan may be evidenced in such a manner as the Committee shall determine. If certificates representing Shares are registered in the name of the Participant, the Committee may require that (1) such certificates bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Shares, (2) the Company retain physical possession of the certificates, and (3) the Participant deliver a stock power to the Company, endorsed in blank, relating to the Shares. Notwithstanding the foregoing, the Committee may determine, in its sole discretion, that the Shares shall be held in book-entry form rather than delivered to the Participant pending the release of any applicable restrictions.

(b) Clawback/Recoupment Policy. Notwithstanding anything contained herein to the contrary, all Awards granted under the Plan shall be and remain subject to any incentive compensation clawback or recoupment policy currently in effect or as may be adopted by the Board (or a committee or subcommittee of the Board) and, in each case, as may be amended from time to time. No such policy adoption or amendment shall in any event require the prior consent of any Participant.

(c) Data Privacy. As a condition of receipt of any Award, each Participant explicitly and unambiguously consents to the collection, use, and transfer, in electronic or other form, of personal data as described in this section by and among, as applicable, the Company and its Affiliates for the exclusive purpose of implementing, administering, and managing the Plan and Awards and the Participant’s participation in the Plan. In furtherance of such implementation, administration, and management, the

Company and its Affiliates may hold certain personal information about a Participant, including, but not limited to, the Participant's name, home address, telephone number, date of birth, social security or insurance number or other identification number, salary, nationality, job title(s), information regarding any securities of the Company or any of its Affiliates, and details of all Awards (the "Data"). In addition to transferring the Data amongst themselves as necessary for the purpose of implementation, administration, and management of the Plan and Awards and the Participant's participation in the Plan, the Company and its Affiliates may each transfer the Data to any third parties assisting the Company in the implementation, administration, and management of the Plan and Awards and the Participant's participation in the Plan. Recipients of the Data may be located in the Participant's country or elsewhere, and the Participant's country and any given recipient's country may have different data privacy laws and protections. By accepting an Award, each Participant authorizes such recipients to receive, possess, use, retain, and transfer the Data, in electronic or other form, for the purposes of assisting the Company in the implementation, administration, and management of the Plan and Awards and the Participant's participation in the Plan, including any requisite transfer of such Data as may be required to a broker or other third party with whom the Company or the Participant may elect to deposit any Shares. The Data related to a Participant will be held only as long as is necessary to implement, administer, and manage the Plan and Awards and the Participant's participation in the Plan. A Participant may, at any time, view the Data held by the Company with respect to such Participant, request additional information about the storage and processing of the Data with respect to such Participant, recommend any necessary corrections to the Data with respect to the Participant, or refuse or withdraw the consents herein in writing, in any case without cost, by contacting his local human resources representative. The Company may cancel the Participant's eligibility to participate in the Plan, and in the Committee's discretion, the Participant may forfeit any outstanding Awards if the Participant refuses or withdraws the consents described herein. For more information on the consequences of refusal to consent or withdrawal of consent, Participants may contact their local human resources representative.

(d) Participants Outside of the United States. The Committee may modify the terms of any Award under the Plan made to or held by a Participant who is then a resident, or is primarily employed or providing services, outside of the United States in any manner deemed by the Committee to be necessary or appropriate in order that such Award shall conform to laws, regulations, and customs of the country in which the Participant is then a resident or primarily employed or providing services, or so that the value and other benefits of the Award to the Participant, as affected by non-United States tax laws and other restrictions applicable as a result of the Participant's residence, employment, or providing services abroad, shall be comparable to the value of such Award to a Participant who is a resident, or is primarily employed or providing services, in the United States. An Award may be modified under this Section 21(d) in a manner that is inconsistent with the express terms of the Plan, so long as such modifications will not contravene any applicable law or regulation or result in actual liability under Section 16(b) of the Exchange Act for the Participant whose Award is modified. Additionally, the Committee may adopt such procedures and sub-plans as are necessary or appropriate to permit participation in the Plan by Eligible Persons who are non-United States nationals or are primarily employed or providing services outside the United States.

(e) No Liability of Committee Members. Neither any member of the Committee nor any of the Committee's permitted delegates shall be liable personally by reason of any contract or other instrument executed by such member or on his behalf in his capacity as a member of the Committee or for any mistake of judgment made in good faith, and the Company shall indemnify and hold harmless each member of the Committee and each other employee, officer, or director of the Company to whom any duty or power relating to the administration or interpretation of the Plan may be allocated or delegated, against all costs and expenses (including counsel fees) and liabilities (including sums paid in settlement of

a claim) arising out of any act or omission to act in connection with the Plan, unless arising out of such person's own fraud or willful misconduct; provided, however, that approval of the Board shall be required for the payment of any amount in settlement of a claim against any such person. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's certificate or articles of incorporation or bylaws, each as may be amended from time to time, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

(f) Payments Following Accidents or Illness. If the Committee shall find that any person to whom any amount is payable under the Plan is unable to care for his affairs because of illness or accident, or is a minor, or has died, then any payment due to such person or his estate (unless a prior claim therefor has been made by a duly appointed legal representative) may, if the Committee so directs the Company, be paid to his spouse, child, relative, an institution maintaining or having custody of such person, or any other person deemed by the Committee to be a proper recipient on behalf of such person otherwise entitled to payment. Any such payment shall be a complete discharge of the liability of the Committee and the Company therefor.

(g) Governing Law. The Plan shall be governed by and construed in accordance with the internal laws of Bermuda without reference to the principles of conflicts of laws thereof.

(h) Funding. No provision of the Plan shall require the Company, for the purpose of satisfying any obligations under the Plan, to purchase assets or place any assets in a trust or other entity to which contributions are made or otherwise to segregate any assets, nor shall the Company be required to maintain separate bank accounts, books, records, or other evidence of the existence of a segregated or separately maintained or administered fund for such purposes. Participants shall have no rights under the Plan other than as unsecured general creditors of the Company, except that insofar as they may have become entitled to payment of additional compensation by performance of services, they shall have the same rights as other employees and service providers under general law.

(i) Reliance on Reports. Each member of the Committee and each member of the Board shall be fully justified in relying, acting, or failing to act, and shall not be liable for having so relied, acted, or failed to act in good faith, upon any report made by the independent public accountant of the Company and its Affiliates and upon any other information furnished in connection with the Plan by any Person or Persons other than such member.

(j) Titles and Headings. The titles and headings of the sections in the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.
