Broker non-votes are not counted for any purpose in determining whether a matter has been approved by a majority of the shares represented in person or by proxy and entitled to vote. Abstentions and broker non-votes are counted toward a quorum.

8. Q: HOW MANY VOTES ARE NEEDED TO APPROVE EACH OF THE ITEMS?

Corporate Governance and Board Committees

Alliance's business is managed under the direction of our Board of Directors. The Board selects our officers, delegates responsibilities for the conduct of our operations to those officers, and monitors their performance.

Our Board of Directors has reviewed the independence of the members of our Board, in accordance with the guidelines set out in our Corporate Governance Guidelines (available at www.allianceimaging.com/investorrelations/corporategovernance) and Section 303A of the Listed Company Manual of the New York Stock Exchange, or NYSE. As a result of this review, the Board of Directors determined that Messrs. Dimick, Helfet and Samek meet the independence requirements of Section 303A. The Board of Directors believes that it is appropriate not to have made a determination that a majority of the members of our Board are independent directors because we are a "controlled" company, as defined in Section 303A.

Our Board of Directors meets four times a year in regularly scheduled meetings. It may meet more often if necessary. The Board held six meetings in the fiscal year ended December 31, 2004, referred to as fiscal 2004. During fiscal 2004 all directors, except for Mr. Clammer, attended 75% or more of the total of (i) all meetings of the Board of Directors and (ii) all meetings of Committees of the Board on which such director served. In addition to the formal meetings noted above, the Board and the committees of the Board are consulted frequently and often act by written consent taken without a meeting. Our directors are invited to attend our 2005 Annual Meeting. Our Chairman, Mr. Viviano, attended and presided over our 2004 Annual Meeting.

Executive management, in consultation with the Board of Directors, usually determines the agenda for the meetings. Board members receive the agenda and supporting information in advance of the meetings. Board members may raise other matters at the meetings. The chief executive officer, chief operating officer, chief financial officer, general counsel and other selected members of senior management make presentations to the Board at the meetings and a substantial portion of the meeting time is devoted to the Board's discussion of these presentations. Significant matters that require Board approval are voted on at the meetings. Board members have complete access to senior management.

Our Board of Directors currently has three committees, the Executive Committee, the Compensation Committee and the Audit Committee (Committee charters are available at www.allianceimaging.com/investorrelations/corporategovernance). The Board does not have a nominating and corporate governance committee or any related charter. The Board of Directors believes that it is appropriate not to have a

standing Nominating and Corporate Governance Committee because we are a “controlled” company as defined under Section 303A of the NYSE Listed Company Manual. Each director participates in the consideration of director nominees and corporate governance matters. The Executive Committee is responsible for identifying, screening and recommending candidates to the entire

Board for Board membership. The non-management directors meet regularly in executive session without the presence of our management. The position of presiding director of these executive sessions is assumed by the most senior member of our Executive Committee present at the meeting.

The Executive Committee exercises all powers and authority of the Board of Directors with some exceptions as provided under Delaware law. The purpose of the Executive Committee is to allow for decisions to be made on our behalf between regular meetings of the Board of Directors. The Committee’s current members are Messrs. Michelson, Momtazee and Viviano (Chairman). During fiscal 2004 the Executive Committee held 12 meetings.

The Executive Committee is also responsible for reviewing with the Board, on an annual basis, the appropriate characteristics, skills and experience required for the Board as a whole and its individual members. In evaluating the suitability of individual candidates (both new candidates and current Board members), the Executive Committee, in recommending candidates for election, and the Board, in approving (and, in the case of vacancies, appointing) such candidates, take into account many factors, including ability to make analytical inquiries, representation of significant stockholders, general understanding of marketing, finance and other elements relevant to the success of a publicly-traded company in today’s business environment, experience in our industry and with relevant social policy concerns, understanding of our business on a technical level, other board service and educational and professional background. Each candidate nominee must also possess fundamental qualities of intelligence, honesty, good judgment, high ethics and standards of integrity, fairness and responsibility. The Board evaluates each individual in the context of the Board as a whole, with the objective of assembling a group that can best perpetuate the success of the business and represent stockholder interests through the exercise of sound judgment using its diversity of experience in these various areas.

Stockholders may nominate candidates for election to our Board of Directors in accordance with our Bylaws, a copy of which can be obtained by writing to the Corporate Secretary of Alliance Imaging, Inc., 1900 S. State College Blvd., Suite 600, Anaheim, CA 92806. In general, such nominations must be received in writing by the Corporate Secretary not less than 90 nor more than 120 days before the first anniversary of the preceding year’s annual meeting, as set forth in our Bylaws. The nomination must be accompanied by the name and address of the nominating stockholder. It must state the number and class of shares held. It must include information regarding each nominee that would be required to be included in a proxy statement.

The Compensation Committee has the authority to determine executive base compensation and incentive compensation and approve the terms of stock option grants pursuant to our option plans and arrangements. The Committee’s current members are Messrs. Michelson (Chairman) and Momtazee. Our Board of Directors believes that it is appropriate not to have made a determination that it has a compensation committee composed entirely of independent directors because we are a “controlled” company, as defined in Section 303A. During fiscal 2004 the Compensation Committee held four meetings. For additional information concerning the Compensation Committee, see “Report of the Compensation Committee on Executive Compensation.”

The Audit Committee, which is solely responsible for appointing our independent registered public accounting firm, subject to stockholder approval, is also responsible for assisting our Board of Directors with its oversight responsibilities regarding: (i) the integrity of our financial statements; (ii) our compliance with legal and regulatory requirements; (iii) our independent registered public accounting firm’s qualifications and independence; and (iv) the performance of our internal audit function and independent registered public accounting firm. The members of the Audit Committee are Messrs. Dimick (Chairman), Helfet and Samek. Our Board of Directors has determined that the members of the Audit Committee are “independent” as defined in the NYSE Listing Company Manual. Our Board of Directors has also determined that each member of the Audit Committee is financially literate, as required under the NYSE

listing standards, and that Neil Dimick is an “audit committee financial expert” within the meaning of SEC rules. During fiscal 2004, the Audit Committee held eight meetings. For additional information concerning the Audit Committee, see “Report of the Audit Committee of the Board of Directors.”

Stockholders and other parties interested in communicating directly with our independent directors as a group, non-management directors as a group and our Audit Committee may do so by writing to Corporate Secretary, Alliance Imaging, Inc., 1900 S. State College Boulevard, Suite 600, Anaheim, California 92806. Our Corporate Secretary will review all such correspondence and forward to the Board of Directors a summary of that correspondence and copies of any correspondence that, in his opinion, deals with the functions of the Board of Directors or committees thereof or that he otherwise determines requires their attention. Directors may at any time review a log of all correspondence received by the Company that is addressed to members of the Board of Directors and request copies of any such correspondence. Any concerns relating to accounting, internal controls or auditing matters will be brought to the attention of our Audit Committee and handled in accordance with the procedures established by our Audit Committee with respect to such matters.

Hotline for Accounting or Auditing Matters

As part of the Audit Committee’s role to establish procedures for the receipt of complaints regarding accounting, internal accounting controls or auditing matters, the Audit Committee established a hotline for the receipt of complaints regarding our accounting, internal accounting controls, or auditing matters and the confidential, anonymous submission by our employees or shareholders of concerns regarding questionable accounting or auditing matters. Employees or shareholders may call the following number (800) 799-4605 to make anonymous submission of their concerns.

Directors’ Compensation

Our non-employee directors receive an annual fee of \$25,000 and reimbursement of travel expenses in consideration for their services as directors. Effective October 1, 2004 our Board increased the fees payable to directors who also serve as members of our Audit Committee by \$10,000 per annum and \$15,000 per annum with respect to the director which serves as Chairman of our Audit Committee. Effective January 1, 2000, we established a directors’ deferred compensation plan for all non-employee directors. Each of our seven non-employee directors has elected to participate in the director plan and have their annual board membership fee of \$25,000 deferred into a stock account and converted quarterly into phantom shares. Upon retirement, separation from the Board of Directors, or the occurrence of a change of control, each director has the option of being paid cash or issued common stock for their phantom shares. The following table summarizes the number of shares of phantom stock held in the respective accounts of our board members as of December 31, 2004:

<u>Name</u>	<u>Phantom Shares in Plan Account</u>

Name	Number of Securities Underlying Options Granted(1)	Percent of Total Options Granted to Employees in 2004	Exercise Price Per Share	Expiration Date	Potential Realizable Value at Assumed Annual Rates of Stock Price Appreciation for Option Term	
					5%(2)	10%(2)
Paul S. Viviano	120,000(3)	12.2%	\$ 3.67	2014	\$276,965	\$ 701,884

- (1) The option grants in 2004 were made under our 1999 Equity Plan. These options were issued at fair market value on the date of grant and expire ten years from the date of grant.
- (2) We are required to use a 5% and 10% assumed rate of appreciation over the ten-year option term from the respective exercise prices of the various options. The 5% and 10% assumed annual rates of stock price appreciation related to the options granted would result in the price of our common stock increasing to \$5.98 and \$9.52 per share, respectively, for Messrs. Viviano, Hayek, Phillips and Aihara. The 5% and 10% assumed annual rates of stock appreciation related to the options granted to Mr. Hanson would result in the price of our common stock increasing to \$6.83 and \$10.87, respectively. This does not represent our projection of the future stock price.
- (3) The options vest 5% on the first anniversary of the grant date; 20% on the second anniversary of the grant date; and 25% on each of the third through fifth anniversaries of the grant date.
- (4) The options granted to Mr. Ord in fiscal year 2004 were forfeited on Mr. Ord's final day of employment, August 9, 2004.

Employment Arrangements

We have entered into an employment agreement with Mr. Viviano. The base compensation under the employment agreement (currently \$460,000 per year) is subject to adjustment by the Board of Directors each year. In addition, Mr. Viviano was entitled to receive an annual cash bonus based upon our achievement of certain operating and financial goals, with an annual target bonus amount equal to 80% in 2004 of his then-current annual base salary. This bonus plan has been adopted and will be administered by the compensation committee of the Board of Directors.

The employment agreement has a term of one year. The term of the employment agreement automatically extends by three months on the last day of each quarterly period and will continue to be so extended unless either we or Mr. Viviano gives notice of a desire to modify or terminate the agreement at least thirty days prior to the quarterly extension date. We may terminate Mr. Viviano's employment at any time and for any reason and Mr. Viviano may resign at any time and for any reason. If we terminate the

employment of Mr. Viviano without cause, or he resigns with good cause, the employment agreement obligates us to:

- pay any earned but unpaid salary, benefits or bonuses, including a prorated bonus for the year in which the severance occurred;
- continue to provide for periods of one years' benefits at least equal to those received prior to severance; and

- provide Mr. Viviano with outplacement services the scope and provider of which shall be mutually agreed upon by us and Mr. Viviano.

Additionally, Mr. Viviano would receive, over time, an amount equal to at least one times his combined then-current annual salary and bonus for the prior year.

We have also entered into employment agreements with Messrs. Ord and Phillips. Base compensation under the employment agreement for each of these executives is subject to adjustment by the Board of Directors each year. In addition, Messrs. Ord and Phillips are entitled to receive an annual cash bonus based upon our achievement of certain operating and financial goals, with an annual target bonus amount equal to a specified percentage of their then-current annual base salary (50% in the case of Mr. Ord and 40% in the case of Mr. Phillips for 2004). This bonus plan has been adopted and will be administered by the compensation committee of the Board of Directors.

The employment agreements have terms of two years. The terms of Mr. Phillips' employment agreement automatically extend by three months on the last day of each quarterly period and will continue to be so extended unless either we or Mr. Phillips give notice of a desire to modify or terminate the agreement at least thirty days prior to the quarterly extension date. We may terminate the employment at any time and for any reason and the individual may resign at any time and for any reason. The employment agreements provide that if we terminate the employment of the executive without cause, or the executive resigns with good cause, the employment agreements obligate us to:

- pay any earned but unpaid salary, benefits or bonuses, including a prorated bonus for the year in which the severance occurred;
- continue to provide for periods of two years' benefits at least equal to those received prior to severance; and
- provide the executive with outplacement services at a cost not to exceed \$25,000.

Additionally, the executive would receive, over time, an amount equal to at least two times his combined then-current annual salary and bonus for the prior year. Mr. Ord is receiving the benefits outlined above upon his retirement from the position of Executive Vice President and Chief Financial Officer.

401(k) Plan

We established a tax deferred 401(k) savings plan in January 1990. Effective January 1, 2001, the 401(k) plan was amended and restated in its entirety. Currently, all employees who are over 21 years of age are eligible to participate after attaining three months of service. Employees may contribute between 1% and 15% of their annual compensation. We match 50 cents for every dollar of employee contributions up to 5% of their compensation, subject to statutory limitations. The rates of pre-tax and matching contributions may be reduced with respect to highly compensated employees, as defined in the Internal Revenue Code of 1986, as amended, so that the 401(k) plan will comply with Sections 401(k) and 401(m) of the Code. Pre-tax and matching contributions are allocated to each employee's individual account, which are invested in selected fixed income or stock managed accounts according to the directions

of the employee. An employee's pre-tax contributions are fully vested and nonforfeitable at all times. Matching contributions vest over four years of service. An employee may forfeit unvested amounts upon termination of employment, unless the termination is because of death, disability or retirement, in which case matching contributions vest in their entirety.

Matching contributions made by us pursuant to the 401(k) plan to the named executive officers for the 2004 fiscal year are included under "All Other Compensation" in the Summary Compensation Table.

Stock Option Plans

We have issued stock options to our employees under the following three plans:

- The 1999 Equity Plan for Employees of Alliance Imaging, Inc. and Subsidiaries dated November 2, 1999, or the 1999 Equity Plan;
- The Alliance Imaging, Inc. 1997 Stock Option Plan dated December 18, 1997, as amended, or the 1997 Option Plan; and
- The Three Rivers Holding Corp. 1997 Stock Option Plan dated October 14, 1997, as amended, or the Three Rivers Plan.

The 1999 Equity Plan, the 1997 Option Plan and the Three Rivers Plan are collectively referred to in this proxy statement as the plans. The plans are designed to promote our interests by providing eligible persons with the opportunity to acquire a proprietary interest, or otherwise increase their proprietary interest, in us as an incentive for them to remain in our service.

Types of Options. The Three Rivers Plan provides for the grant of options to our employees that are not qualified as incentive stock options as defined by Section 422 of the Internal Revenue Code. The 1997 Option Plan provides for the grant of options to employees that are either incentive stock options or non-qualified options. The 1999 Equity Plan provides for the grant of options to employees, consultants or other persons with a unique relationship to us or our subsidiaries, and that are non-qualified options.

Options Available and Outstanding. A total of 5,747,200 shares were reserved for issuance under the 1999 Equity Plan as of December 31, 2004, of which 3,417,700 were subject to outstanding options as of such date. As of December 31, 2004, there were options outstanding to purchase 104,000 shares under the 1997 Option Plan and 167,410 shares under the Three Rivers Plan. The 1997 Option Plan and the Three Rivers Plan were amended upon completion of our 1999 recapitalization to provide that no further options would be granted under those plans after November 2, 1999, and there are no additional shares reserved for issuance under those plans. Options under the 1997 Option Plan and the Three Rivers Plan that were not cancelled as part of the 1999 recapitalization remain outstanding subject to the terms and conditions of the 1997 Option Plan, the Three Rivers Plan and the option agreements under which they were granted, as they have been amended. All options granted under the 1997 Option Plan and the Three Rivers Plan are fully vested and exercisable.

Administration. The Compensation Committee administers each of the plans. The Compensation Committee has authority to select the employees, consultants or others to whom options will be granted under the plans, the number of shares to be subject to those options, and the terms and conditions of the options. In addition, the Compensation Committee has the authority to construe and interpret the plans and to adopt rules for the administration, interpretation and application of the plans that are consistent with the terms of the plans. Options granted under the 1999 Equity Plan become vested and exercisable as determined by the Compensation Committee at the time of the grant, at a price determined by the committee.

Stockholders' Agreement. The initial option grants and shares acquired upon exercise of such option grants made to an optionee under our 1999 Equity Plan are subject to the terms and conditions of stockholders' agreements entered into by the option holders. The stockholders' agreements provide that except for limited exceptions, the option holder may not transfer, sell or otherwise dispose of any shares prior to the fifth anniversary of the grant date.

Amendment. The 1997 Stock Option Plan and the Three Rivers Plan may be amended or modified by our Board of Directors. The 1999 Equity Plan may be amended or modified by the Compensation Committee, and may be terminated by our Board of Directors.

Exercise. Options granted under the plans may be exercised in cash or, at the discretion of the Compensation Committee, through the delivery of previously owned shares, through the surrender of shares which would otherwise be issuable upon exercise of the option, or any combination of the foregoing. In order to use previously owned shares to exercise an option granted under the Three Rivers Plan, the option holder must have owned the shares used for at least six months prior to the exercise of the option.

Change of Control. Under the 1999 Equity Plan, the Compensation Committee may, in its sole discretion, provide that options granted under the plan cannot be exercised after a change of control, in which case they will become fully vested and exercisable prior to the completion of the change of control. The committee may also provide that options remaining exercisable after the change of control may only be exercised for the consideration received by stockholders in the change of control, or its cash equivalent. A change of control is defined in the 1999 Equity Plan as the:

- merger or consolidation of our corporation into another corporation;
- exchange of all or substantially all of our assets for the securities of another corporation;
- acquisition by another corporation of 80% or more of our then outstanding shares of voting stock; or
- recapitalization, reclassification, liquidation or dissolution of our corporation, or other adjustment or event which results in shares of our common stock being exchanged for or converted into cash, securities or other property.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During fiscal 2004, Messrs. Michelson and Momtazee served as members of the Compensation Committee of our Board of Directors. Messrs. Michelson and Momtazee are affiliated with KKR. See "Certain Relationships and Related Party Transactions".

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

We believe that we have executed all of the transactions set forth below on terms no less favorable to us than we could have obtained from unaffiliated third parties. It is our intention to ensure that all future transactions between us and our officers, directors and principal stockholders and their affiliates, are on terms no less favorable to us than those that we could obtain from unaffiliated third parties.

We will address any conflicts of interest and future transactions we may have with our affiliates, including KKR, or other interested parties in accordance with applicable law. Delaware law provides that any transaction with any director or officer or other entity in which any of our directors or officers are also directors or officers, or have a financial interest, will not be void or voidable solely due to the fact of the interest or affiliation, nor because the votes of interested directors are counted in approving the transaction, so long as (i) the material facts of the relevant party and its interest are disclosed to the Board of Directors or the stockholders, as applicable, and the transaction is approved in good faith by a majority of the disinterested directors or by a specific vote of the stockholders, as applicable; or (ii) the transaction is fair to the company at the time it is authorized, approved or ratified.

KKR provides management, consulting and financial services to us and we paid KKR an annual fee of \$650,000 in 2004 in quarterly installments in arrears at the end of each calendar quarter, for these services. In addition, we reimburse KKR and its affiliates for all reasonable costs and expenses incurred in connection with the management, consulting and financial services provided by KKR. We are also contractually obligated to reimburse KKR and its affiliates for all reasonable costs and expenses incurred in connection with their ownership of our shares of common stock. However, no amounts have been sought by, or paid to, KKR or its affiliates in connection with this contractual obligation.

We sold 11,933 shares of our common stock to Mr. Hanson via a private placement of securities on July 26, 2004. Mr. Hanson paid cash in full for these shares at the fair market value price of \$4.19. The shares purchased by Mr. Hanson, his initial stock option grant and the shares acquired upon exercise of his initial stock option grant are subject to the terms and conditions of the stockholder's agreement described above. See "Stock Option Plans-Stockholder's Agreement."

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The compensation of Alliance's executive officers is determined by our Compensation Committee (the "Committee") which consists of Messrs. Michelson and Momtazee. In developing the executive compensation program of Alliance, the Committee has reviewed compensation packages of various peer group companies as well as published compensation data on companies of similar size.

Compensation Philosophy

The primary components of Alliance's executive compensation program are base salary, an annual cash incentive award based primarily on Alliance's performance, and a long term incentive program which consists of grants of stock options. It is the philosophy of the Board of Directors of Alliance generally to set base salary and the annual incentive award comparable to the salaries and bonus paid by a selected peer group of companies. Through the use of stock options, executive officers have the opportunity to receive total compensation, including base salary, annual incentive award and long term incentives, above the executives of the same peer group of companies. This opportunity depends, in part, on the performance of Alliance's Common Stock. This emphasis on long term incentives is intended to encourage the executives to focus on the growth of Alliance and the value of its Common Stock.

Base Salary

Base salaries for executives are set at levels consistent with the compensation philosophy, and that are considered appropriate in view of the responsibilities of each position. Individual performance is also considered. The Committee approves all salary increases for executive officers.

Annual Incentive Award

The annual incentive award program provides for cash awards to be determined shortly after audited financial results are available each fiscal year. The Committee establishes financial targets as an incentive

for superior corporate performance. Each executive has a target award based on a percentage of base salary. The payout of the award to executives is based primarily on the attainment of the financial targets established at the start of the fiscal year and, on a case-by-case basis, the accomplishment of extraordinary achievements during the fiscal year. In the case of the Chairman of the Board and Chief Executive Officer; the President and Chief Operating Officer, the Chief Financial Officer; the General Counsel; and our Corporate Controller, the payout in 2004 was based on Alliance's overall financial performance targets set annually by the Committee, subject to extraordinary achievements. Payout to the executives can range from zero to 175% of the target award based on achievement of the financial targets.

Long Term Incentive Plan Compensation

Long term incentives are addressed through grants of stock options. The Committee believes that using stock options as a long term incentive aligns the interests of the officers of Alliance with those of the stockholders. The Committee approves and recommends to the full Board all option grants for executive officers and the guidelines to be used for option grants for other management employees. Individual grants of stock options are made based on level of responsibility and individual performance.

Compensation of Chief Executive Officer

The Committee meets annually to review the performance of our Chairman and Chief Executive Officer. In December 2004, the Committee reviewed the salary of our Chief Executive Officer as well as other executive officers. In the light of: (1) the modest salary increases for executives in the healthcare industry during 2004; (2) bonus payments anticipated to be made for fiscal year 2004; and (3) management's commitment to Alliance's long-term success, the Compensation Committee did not increase either Mr. Viviano's base salary for 2005 or the base salaries of the other named executive officers with the exception of Mr. Hanson. Detailed compensation disclosure is contained in the Summary Compensation Table.

Tax Treatment of Executive Compensation

Section 162(m) of the Internal Revenue Code imposes a limitation on the deductibility of nonperformance-based compensation in excess of \$1 million paid to the named executive officers. The Committee intends that Alliance will generally manage its executive compensation program so as to preserve the related federal income tax deductions.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

During fiscal 2004, the Audit Committee of the Board of Directors consisted of three non-employee directors who met the independence requirements of the New York Stock Exchange listing standards. The Audit Committee operates under a written charter, approved and adopted by the Board, a copy of which is available at: www.allianceimaging.com/investorrelations/corporategovernance.

What are the responsibilities of management, the independent auditors and the Audit Committee?

The purpose of the Audit Committee, which is solely responsible for appointing our independent registered public accounting firm, subject to stockholder approval, is to assist the Board of Directors with its oversight responsibilities regarding: (i) the integrity of our financial statements and internal controls; (ii) our compliance with legal and regulatory requirements; (iii) the independent registered public

accounting firm's qualifications and independence; and (iv) the performance of our internal audit function and independent registered public accounting firm. The Audit Committee's responsibilities are limited to oversight.

Alliance' s management is responsible for the preparation, presentation and integrity of our financial statements as well as our financial reporting process, accounting policies, internal audit function, internal accounting controls and disclosure controls and procedures. Alliance' s independent registered public accounting firm, Deloitte & Touche LLP, are responsible for performing an audit of our annual financial statements, expressing an opinion as to the conformity of such annual financial statements with accounting principles generally accepted in the United States, auditing management' s assessment of internal controls over financial reporting as well as the effectiveness of those internal controls and reviewing our quarterly financial statements.

How does the Audit Committee carry out its responsibilities?

- The Audit Committee has convened eight times during the year to discuss the interim and annual financial statements and Alliance' s internal controls on the financial reporting process.
- The Audit Committee reviewed our audited financial statements for the fiscal year ended December 31, 2004 and met with both management and our independent registered public accounting firm, Deloitte & Touche LLP, to discuss those financial statements. Management and Deloitte & Touche LLP have represented to the Audit Committee that the financial statements were prepared in accordance with generally accepted accounting principles.
- The Audit Committee has received from and discussed with Deloitte & Touche LLP its written disclosure and letter regarding its independence from Alliance as required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).
- The Audit Committee has also reviewed and considered whether the provision of other non-audit services by Deloitte & Touche LLP is compatible with maintaining the independent registered public accounting firm' s independence.
- The Audit Committee has also discussed with Deloitte & Touche LLP any matters required to be discussed by Statement of Auditing Standard No. 61.

Based upon these reviews and discussions, the Audit Committee has recommended to the Board of Directors that the audited financial statements be included in Alliance' s Annual Report on Form 10-K for the year ended December 31, 2004 to be filed with the Securities and Exchange Commission. The Committee has also recommended, subject to stockholder ratification and approval, the appointment of Deloitte & Touche LLP as Alliance' s independent registered public accounting firm for fiscal year 2005.
