Biographical Information

Ronald Mann, our President/Chief Executive Officer/Director is a seasoned mining executive with a background in corporate finance. Mr. Mann served as President/Chief Executive Officer/Director of Yukon Gold Corp. from December 2007 to December 2008, which is listed on the Toronto Stock Exchange. Mr. Mann has worked in the mining industry for over 25 years staking claims, managing exploration programs and negotiating mining development agreements in northern Ontario, the Yukon and French West Africa. Mr. Mann has led financings of over \$40 million for a mining merchant bank, served as an Officer and Director of the Investment Dealer subsidiary of a Canadian Chartered Bank, and has served as an Officer and Director of public companies for over 20 years. He has been a member of the Law Society of Upper Canada since 1977. In 1973, Mr. Mann received his Juris Doctor Degree from the University of Toronto, and in 1970 he received a Bachelor of Science, degree from Dalhousie University.

James Chandik is our Executive Vice-President/Chief Operating Officer/Director. Mr. Chandik received an Economic Degree from McGill University in 1977. Since our inception until March 14, 2013, Mr. Chandik was our President/Chief Executive Officer. Mr. Chandik has served as a General Manager for Disaster Kleenup Canada from February 2009 to April 2010 and prior to that position, he was the General Manager of Datacom Wireless Corporation from September 2004 to October 2008. Mr. Chandik also served as a Manager from 1997 to 2001, with Navigata Communications, Metaphor Communications, Axxent Communication.

Yves Gagnon, our Vice-President of Operations and our Director, is a geological engineer with a master degree in geochemistry from the Polytechnic School of the Montréal University (1983). He has been actively working for the last 35 years within the mining industry, recently acting as professional consultant developing junior companies in the process of becoming public through the startup of small mining/milling operations (Sept. 2009 to Feb. 2013). Prior to that, he was President/Chief Executive Officer of C2C Inc., a public mining company involved in the startup of a gold mine in Ecuador (Jul. 2007 to Aug. 2009). Mr. Gagnon has expertise in exploration, in mining management and in environmental mine closure planning. He acted as president/director/manager or consultant for other public and private companies: Yorbeau Resources (1984-89), Géospex Sciences Inc. (1989-96), Espalau Corp. (1996-99), Abcourt Mines (2000-07) and Métanor Resources (2001-07). He managed multi-disciplinary teams of up to 400 peoples and multi-million dollar projects, both nationally and internationally. He was instrumental in the discovery of the Bell Allard South copper-zinc deposit (for Noranda), in the return to life of the Bachelor Mining Complex (with Espalau and then with Métanor), and in the closure and reclaim of the Goldfields Mining Complex (for Barrick).

Mr. Tony J. Giuliano, our Chief Financial Officer/ Director, is an experienced financial executive having worked for several public companies listed in the United States and Canada. Recently, from October 2010-June 2012, Mr. Giuliano was the Chief Financial Officer for Sand Technology Inc., a U.S. public company involved in the development of specialized software.
