PART I

ITEM 1. BUSINESS.

Vail Resorts, Inc. ("VRI"), formerly known as Gillett Holdings, Inc., is organized as a holding company and operates through various subsidiaries. VRI and its subsidiaries (collectively, the "Company") currently operate in two business segments, ski resorts and real estate development. Vail Associates, Inc., a wholly-owned subsidiary of Vail Resorts, Inc., and its subsidiaries (collectively, "Vail Associates") operate one of the world's largest skiing facilities on Vail Mountain and Beaver Creek Mountain in Colorado and have related real estate operations. Vail Associates Real Estate Group ("VAREG") is a wholly-owned subsidiary of Vail Associates, Inc. which conducts the Company's real estate development activities.

RESORTS

The Company operates skiing facilities on Vail Mountain and Beaver Creek Mountain in Colorado. For the 1995-1996 ski season, Vail Mountain and Beaver Creek Mountain had 2,228,057 total skiers, as compared to 2,136,063 total skiers for the previous year. The operation of a ski resort business is seasonal. The Company's ski areas typically open in mid-November and close in mid-April each year. Vail Associates currently employs approximately 800 year-round and 3,500 seasonal employees.

Vail Mountain consists of 4,112 acres of skiable terrain located on 12,590 permitted acres. Vail Mountain is the largest single ski mountain complex in the United States and for the 1996-97 ski season, will have a total of 26 lifts, including 10 high speed quads and a new high speed custom-designed gondola, constituting the largest network of high speed lifts in the world. Vail Mountain's 34th season ran from November 11, 1995 through May 1, 1996. Vail Mountain had a total of 1,652,191 skiers for the season, the highest number of skier days of any North American ski mountain and a new record for Vail Mountain. The Company has received approval, subject to a pending appeal, from the United States Forest Service (the "Forest Service") for infrastructure development of bowl skiing terrain within its current permit area known as Category III. (See "Business--Regulation and Legislation"). Category III will add approximately 2,000 additional acres of ski terrain to Vail Mountain's back bowls, including 850 acres of new trails and an additional 1,150 acres of undisturbed gladed skiing, increasing the ski terrain on Vail Mountain by approximately 50%. The terrain's high, north facing location typically yields reliable snow conditions and should allow for earlier and later ski season operations than is typical for Vail's existing south facing Back Bowls.

Beaver Creek Resort is a year-round recreational complex located on 2,126 acres of land located approximately ten miles west of the Town of Vail. Beaver Creek Mountain consists of the Beaver Creek, Arrowhead and Bachelor Gulch ski areas. Beaver Creek Mountain, opened in 1980, is located on approximately 2,775 permitted acres and consists of approximately 1,191 acres of skiable terrain. In 1993, the Company expanded Beaver Creek Mountain by acquiring privately owned ski terrain and development property on Arrowhead Mountain and in Bachelor Gulch. The Company recently completed initial development of ski infrastructure in Bachelor Gulch in connection with its real estate development activities (see "Real Estate" below), thereby interconnecting the Beaver Creek, Bachelor Gulch and Arrowhead ski areas, resulting in total skiable terrain on Beaver Creek Mountain of 1,521 acres for the 1996-97 ski season. Beaver Creek Mountain will operate 14 lifts for the 1996-97 ski season. Beaver Creek

Mountain is among the nation's 20 largest ski areas (based upon the annual number of skiers). During its 16th season, from November 18, 1995 through April 14, 1996, Beaver Creek Mountain had a total of 575,866 skiers.

Given their location in the Colorado Rocky Mountains, Vail Mountain and Beaver Creek Mountain receive some of the most reliable snowfall experienced anywhere in the world, averaging approximately 340 inches of annual snowfall over the last 20 years, which is significantly in excess of the average for all ski resorts in the Rocky Mountains for such period. Despite the substantial natural snowfall, the Company continues to invest in the latest technology in snowmaking systems and actively acquires additional water

2

rights, which has allowed it to offer its guests more predictable and consistent conditions, particularly during the early and late ski season. During 1995, the Company doubled its snowmaking capacity on Vail Mountain and purchased water rights sufficient to enable a further doubling of snowmaking capacity in the future. For the 1996-97 ski season, the Company will increase snowmaking capacity on Beaver Creek Mountain by 60% and, with the addition of a new reservoir planned for completion in 1997, will further increase snowmaking capacity on Beaver Creek Mountain by an additional 100%. For the 1996-97 ski season, approximately 800 acres of the Company's ski terrain will be covered by snowmaking. In addition, the Company has extensive snowgrooming equipment, including the largest fleet of snowcats in the world.

The Company's customers are primarily comprised of worldwide resort destination guests and, to a lesser extent, day skiers from the Denver Metropolitan area, and Eagle and Summit counties. For the 1995-96 ski season, the Company believes that destination guests represented 73% of total skier days. Although the Company's resorts accommodate a wide range of budgets and attract guests from different regions of the country and the world, they are particularly attractive to family-oriented guests who tend to generate higher and more diversified revenues per guest than day skiers from local population centers. Over forty percent of the Company's destination guests visited with their families during the 1995-96 ski season. International guests, who tend to have longer average stays and higher vacation expenditures than other destination guests, accounted for approximately 13% of the Company's destination skier days during the 1995-96 ski season.

Consistent with the trends in the overall ski market, snowboarders represent the fastest growing segment of the Company's guest demographic. The Company is committed to promoting snowboarding as an exciting outgrowth of traditional skiing. As an example of this commitment, the Company has upgraded its snowboard facilities, published trail maps for the convenience of snowboarders and created additional trails, half-pipes and other varied terrain to attract snowboarders.

The Company derives Resort Revenue from a wide variety of sources, including lift ticket sales, ski school, food service, retail stores, equipment rental, travel reservation services, lodging, property and club management, real estate brokerage, licensing and sponsorship activities and other recreational activities.

Lift Ticket Sales. Lift ticket revenue represents the Company's single largest revenue source. The Company's favorable demographics and world class resort facilities have enabled the Company to achieve premium ticket pricing. The lead ticket price, which for the 1995-96 ski season was \$48 a day, is among the highest in the industry. To maximize skier volume during non-peak periods and attract certain segments of the market, the Company also offers a wide variety of incentive ticket programs, including season passes, student rates, group discounts and senior discounts. The Company engages in sophisticated yield management analysis to maximize its effective ticket price (defined as total ticket revenue divided by total skier days) which was \$31.12 for the 1995-96 ski season, among the highest in the industry.

Ski School. The Company operates the world's largest ski school with approximately 1,300 instructors. The Company estimates that it has a guest participation rate of approximately 12% which it believes to be the highest in the industry.

The success of the ski school comes from (i) personalizing and enhancing the guest vacation experience, (ii) creating new teaching and learning systems (many of which have historically been purchased from the Company by the Professional Ski Instructors of America and adopted as the standard for the industry), (iii) introducing innovative teaching methods for children, including separate children's centers, mountain-wide attractions, themed entertainment and teaching systems geared toward specific age groups, and (iv) continually creating new techniques to react to technological advances in ski/snowboard equipment. Customer service is continually reviewed and improved as the result of feedback from customers. The Company has adopted a pay

incentive program to reward instructors based on guest satisfaction and repeat student visits.

3

Food Service. Food service is a key component in providing a satisfying guest experience and has been an important source of revenue growth for the Company. The Company believes that by owning and operating both on-mountain and base area restaurants, it can better ensure the quality of products and services offered to its guests, as well as capture a greater percentage of the guest's vacation expenditures. The strategies with respect to its food service operations include (i) focusing growth in venues which allow for food service throughout the day and throughout the year, including breakfast, lunch, apres-ski, dinner, evening entertainment, group functions and summer/non-ski season operations, (ii) creating unique themed environments to maximize guest enjoyment and revenue opportunities, (iii) further expanding on-mountain seating, (iv) offering affordable family lunchtime and evening dining and entertainment, (v) continuing to create additional private clubs and restaurants which are financed through memberships and the sale of related real estate and (vi) continuing affiliations with institutions such as Johnson and Wales, one of the largest culinary and restaurant management schools in the world. The large number of food service facilities operated by the Company allows it to improve margins through large quantity purchasing agreements and sponsorship relationships.

The Company's restaurant operations range from full service sit-down restaurants to trailside express food outlets and offer a wide variety of cuisine. The Company operates 19 restaurants on Vail Mountain and 11 restaurants on Beaver Creek Mountain and in Beaver Creek Village. The Company currently has indoor seating capacity on Vail Mountain of 3,136. On Beaver Creek Mountain the Company currently has 1,449 indoor seats. For the 1996-97 ski season, the Company plans to open five additional food service establishments on Vail Mountain, including two at the Golden Peak base area.

Retail/Rental Operations. The Company's retail division operates all on-mountain locations and selected base area locations. Over the last six months, the Company has taken several steps to significantly expand the scope of its retail and rental operations in order to maximize revenue derived from these activities. This expansion will increase retail space from 29,320 square feet in fiscal 1996 to 33,658 for fiscal 1997 and 42,273 square feet expected for fiscal 1998.

The Company's on-mountain retail locations offer ski accessories (i.e., hats, gloves, sunglasses, goggles, warmers), snack food and selected logo merchandise, all in locations which are conveniently located for skiers. Off-mountain, the Company operates both ski equipment rental and retail locations. The Company's retail operations typically feature Company or resort-related logo merchandise and products of the Company's sponsors. The Company's rental operations offer a wide variety of ski and snowboard equipment for daily and weekly use. The Company intends to utilize certain locations within the Company's newly created leasable space as new retail and rental operations, while continuing to maintain a significant presence of third party tenants.

Hospitality. The Company's hospitality operations are designed to offer the Company's guests a full complement of quality resort services and provide the Company with additional sources of revenue and profitability. These operations include reservations, tour and travel operations, lodging and property and club management.

The Company's reservation center provides information and access to the full complement of the resorts' services and activities. The center handles over 211,000 calls per year and is capable of booking and selling airline and ground transportation, lodging, lift tickets, ski school and most other Vail Valley activities, earning commissions on each third party sale. These advance reservation activities have had a significant impact on Vail Associates' ability to attract direct air service to the Vail/Eagle County Airport. Located 25 miles from Beaver Creek Resort, the Vail/Eagle County Airport provides direct air service from 8 U.S. cities and one-stop connections from 26 international destinations. For the 1996-97 season, scheduled inbound and outbound one-way seating capacity is 164,264, an increase of 36.6% over the prior season.

4

The Company's property management operation seeks to utilize the Company's hospitality expertise through the first class management of lodging properties owned by both the Company and third parties. The Company currently manages 13 properties, including hotels, timeshare projects and condominiums. In certain

situations, such as the Pines Lodge in Beaver Creek Resort (a 60 room luxury hotel), the Company will purchase properties whose financial performance can be improved through the Company's property management operation.

The Company is also active in the creation and management of private membership clubs, which allows the Company to provide high-end services and amenities to its upper income guest, and evening dining options and other services and activities to its overall guest population. The Company's current clubs include (i) the Beaver Creek Club, which offers members luncheon privileges at Beano's Cabin (which is open to the general public for dinner) and certain golf, tennis and skiing amenities, (ii) Game Creek Club, which offers members luncheon privileges and will be open to the general public for dinner commencing with the 1996-97 ski season, and (iii) the Passport Clubhouse at Golden Peak(TM), which, when completed, will provide members with a reserved parking space, concierge services, a private dining facility and locker and club facilities at the base of Vail Mountain. In addition to using membership sales to defray and in some cases entirely pay for the cost of construction, the Company earns management fees for overseeing club operations. The Company intends to create selected additional clubs over the next five years, including the Arrowhead Alpine Club at Arrowhead Village and a mountain club to be located in Bachelor Gulch Village similar to Beano's Cabin. These clubs allow the Company to add to its restaurant operations and related skier service and retail operations, at a relatively modest capital cost.

Commercial Leasing Operations. The Company owns significant on-mountain and base area restaurant, retail and commercial space at both Vail Mountain and Beaver Creek Mountain. The Company operates all on-mountain space and leases a portion of its base area space to third parties. The strategy of the Company's leasing operation is to secure the commercial locations adjacent to its resorts for retail, restaurant and entertainment venues and carefully select the appropriate tenant mix for these locations to provide a high quality and diverse selection of retailers and restaurateurs.

Licensing and Sponsorship. An important part of the Company's business strategy is to leverage its brand name by (i) entering into sponsorship relationships and strategic alliances with world-class business partners, (ii) building its logo and licensing business and (iii) gaining national and international exposure through the hosting of special events. The Company's leading industry position coupled with the demographics of its customer base make it an attractive partner. Examples of the Company's sponsors include (i) FILA, which is supplying the Company's employee ski uniforms over a six-year period and has launched a line of clothing using the Vail name and logo (ii) Chevy Trucks, which provides the Company with mountain vehicles and national marketing exposure, and (iii) Pepsi, which, among other things, provides substantial marketing benefits. The Company's sponsorship arrangements typically have a three to five year term and provide benefits in the form of cash payments, expense reductions, capital improvements and/or marketing exposure. The Company has licensed the use of its trademarks to over one hundred companies for a variety of products such as apparel and sunglasses. While the terms of each license agreement vary, such agreements generally are for a two-year term and provide for the payment by the licensee of quarterly royalty payments ranging from 6% to 8% of the gross wholesale price of the licensed goods.

Vail and Beaver Creek Mountains are frequently the sites of special events and promotions. In addition to hosting annual World Cup Skiing and World Cup Biking events, Vail Mountain and Beaver Creek Mountain have collectively been chosen as the site for the 1997 World Cup Skiing Finals and the 1999 World Alpine Skiing Championships, an event previously hosted by Vail in 1989, marking the first time a North American site has been selected twice. These events give the Company significant international exposure. TV viewership in Europe for World Cup Skiing and the World Alpine Skiing Championships is estimated to be in excess of 250 million viewers. These events will be organized by and co-hosted with the Vail Valley Foundation, a non-profit foundation whose mandate is to bring international sporting and cultural events to

the Vail Valley. The Foundation provides significant funding, volunteers and liability assumption in conjunction with such events. The Company's facilities are also the site of numerous skiing, snowboarding and music events sponsored by corporations. These events generate revenue for the Company through sponsorship fees and increased skier traffic, as well as provide national and international brand exposure through television and advertising campaigns. The Company also owns an interest in an events production company, Eclipse Television and Sports Marketing, LLC, which creates and produces made-for-TV events.

Brokerage. The Company's real estate brokerage operations are conducted through a joint venture in which the Company has a 50% interest. The joint

venture was created in June 1994 to facilitate the merger of the Company's brokerage operations, Vail Associates Real Estate, Inc., with the brokerage operations of Slifer, Smith and Frampton, which combined the two largest brokerage operations in the Vail Valley. The joint venture has a large share of both first time developer sales and resales throughout the Vail Valley, creating both a significant source of profitability and a valuable source of information in planning and marketing the Company's real estate projects. In addition to profit distributions from the joint venture, the Company will directly receive certain override payments on all brokerage revenue from sales of its own property.

Other Revenue Sources. The Company also derives revenue during the non-ski season by offering guests a variety of activities and services, including (i) gondola and chairlift rides, (ii) on-mountain and base area bike rentals, (iii) on-mountain lunch operations, (iv) wedding and group functions at mountain and village restaurants, (v) golf and tennis, (vi) horseback riding, fly fishing, hiking and barbecues at Piney River Ranch(TM) and (vii) shopping at the Company's retail locations.

REAL ESTATE.

The Company's real estate activities are conducted by VAREG. VAREG's principal activities include (i) the sale of single family homesites to individual purchasers; (ii) the sale of certain land parcels to third party developers for condominium, townhome, cluster home, lodge and mixed use developments; (iii) the zoning, planning and marketing of new resort communities (such as Beaver Creek Resort, Bachelor Gulch Village and Arrowhead); (iv) arranging for the construction of the necessary roads, utilities and mountain infrastructure for new resort communities; (v) the development of certain mixed use condominium projects integral to resort operations (such as the base facility at Golden Peak); and (vi) the purchase of selected strategic land parcels, which the Company believes can augment its existing land holdings or resort operations. The Company's current development activities are focused on (i) the completion of its three resort communities, Beaver Creek Resort, Bachelor Gulch Village and Arrowhead; (ii) preparing for the redevelopment of the Lionshead base area at Vail Mountain and adjacent land holdings; and (iii) the long-term planning of the Company's significant real estate holdings in and around Avon and at the entrance to Beaver Creek Resort.

In developing its real estate holdings, VAREG typically contracts to sell multi-family sites to third party developers who undertake the construction and sale of these projects. In this case, the Company typically receives an upfront cash payment and a residual interest in the profit realized by such developers. In connection with the sale of single-family homesites and VAREG's development of certain mixed use condominium projects, VAREG often seeks to sell such homesites or condominium residences to individual purchasers in advance of significant infrastructure investments. As a result, the Company is able to forecast a large portion of its real estate revenues 12 to 18 months in advance and reduce development risk prior to making significant expenditures.

The Company currently owns 574 acres of developable real estate, including land zoned for 1,144 residential units and 152,000 square feet of commercial space. The majority of the Company's undeveloped land holdings and current development activities are located in Beaver Creek Resort, Bachelor Gulch Village and Arrowhead. A summary of each of these resort communities is set forth below.

6

Beaver Creek Resort

Over the past 12 months, VAREG has completed extensive development planning to complete the Beaver Creek Resort village core. VAREG has sold the One Beaver Creek and Beaver Creek Village Center development sites to third party developers. These projects will be adjacent to the Company's existing retail operations and will contain the majority of the Company's retail and restaurant operations in Beaver Creek Resort.

In addition to the completion of the Beaver Creek Resort village core, the Company is engaged in the development of its residential property in Beaver Creek Resort. In 1994, the Company contracted to sell 30 single-family ski-in-ski-out homesites (averaging approximately two acres each), in an area known as Strawberry Park on Beaver Creek Mountain. All 30 lots were sold by VAREG in one day in a lottery format because demand significantly exceeded the number of homesites available for purchase. All of those sales closed during fiscal 1996 for total gross proceeds of 30.9 million, an average of over \$1.0 million per homesite.

The Company's remaining land holdings in Beaver Creek Resort consist of one single-family homesite as well as zoned multi-family sites (requiring limited

additional infrastructure expenditures) expected to contain approximately 200 multi-family residences located at the entrances to Beaver Creek Resort.

Bachelor Gulch Village

The Bachelor Gulch Village development, which will be the newest village on Beaver Creek Mountain, is comprised of 1,410 acres of Company-owned land located in a valley between Arrowhead and Beaver Creek Resort. A private residential resort community set in a natural ski mountain environment, Bachelor Gulch Village, when completed, will combine a skiing gateway to Beaver Creek Mountain, an intimate mountain village and private, upscale real estate enclaves with ski-in/ski-out access to a substantial portion of the homesites, and architecture modeled after the grand lodges of the U.S. National Parks. In addition, plans for Bachelor Gulch Village incorporate 67,880 square feet of retail, restaurant and commercial space. Commencing with the 1996-97 ski season, Bachelor Gulch Village will feature a high speed quad chairlift and approximately 150 acres of mostly intermediate ski terrain contiguous with Beaver Creek Mountain.

The Company is currently completing its master plan for the development of 715 residential units in Bachelor Gulch Village. Infrastructure development commenced in 1994 and is expected to be substantially complete in 1998. A significant portion of the infrastructure costs have already been incurred, including the majority of the mountain improvements.

During the summer of 1995 and the winter and summer of 1996, 93 single-family homesites (averaging approximately two acres per lot) were contracted for by purchasers at prices aggregating \$72 million (an average of \$776,000 per lot). All 93 homesites were sold in a lottery format because demand significantly exceeded homesites available for purchase. Closings of these sales are anticipated to occur in calendar 1996 and 1997.

The Company's current unsold inventory in Bachelor Gulch Village consists of 18 single-family homesites, 48 cluster homesites and development parcels zoned for 570 condominium, timeshare and lodge units.

Arrowhead

Arrowhead, known as "Vail's Private Address," is comprised of over 1,500 acres of Company-owned land and is recognized for its country club approach to residential and resort amenities. Home of the Country Club of the Rockies, a private golf club designed by Jack Nicklaus, Arrowhead features swimming, clay tennis courts, hiking, mountain biking, private fly-fishing on the Eagle River and privacy gates that assure controlled access 24 hours a day. Arrowhead contains the westernmost skiing access point to Beaver Creek Mountain.

7

The Company's current development activities are focused on the development of Arrowhead Village, a 218 unit staged development centered around an alpine club. The proposed Arrowhead Alpine Club is expected to serve as the social and athletic activity center of Arrowhead. The Arrowhead Alpine Club is expected to be a 79,000 square foot facility consisting of 23 residential condominiums and 14,500 square feet of spa and athletic training space and 5,800 square feet of restaurant, retail and skier service facilities. The Company's plans to build the Arrowhead Alpine Club are contingent upon the pre-sale of a sufficient number of condominium residences and Arrowhead Alpine Club memberships. The Company is currently marketing both condominium residences and Alpine Club memberships.

In Arrowhead Village, developers have commenced construction of 44 multi-family units on land purchased from the Company. Multi-family parcels planned for 13 additional units have been sold to developers and construction is expected to begin in the Spring of 1997. In addition to the remaining multi-family parcels in Arrowhead Village, the Company has extensive land holdings in Arrowhead, including land zoned for 28 single-family homesites, and 34 cluster homesites and 45 townhomes, and land for an additional 150 multi-family and 30 single family homesites which are planned, but not yet zoned.

In addition to the Company's extensive land holdings contained in the resort communities discussed above, the Company has substantial land holdings in Lionshead (located in the Town of Vail), Avon (located at the base of Beaver Creek Mountain) and elsewhere in the Vail Valley.

COMPETITION. The ski industry is highly competitive. Vail Associates competes directly with numerous ski areas in Colorado for the day skier, with major ski resort areas in the United States, Canada and Europe for the destination skier and with worldwide recreation resorts for the vacation guest. Vail Associates'

major U.S. competitors include the Utah ski areas, the Lake Tahoe area in California and Nevada, the New England ski areas and the major Colorado areas including the Summit County resorts, Crested Butte, Telluride, Steamboat Springs, Winter Park and the Aspen resorts. The competitive position of Vail Associates' ski areas is dependent upon many diverse factors such as proximity to population centers, availability and cost of transportation to the areas, including direct flight availability by major airlines, pricing, snowmaking facilities, type and quality of skiing offered, duration of the ski season, prevailing weather conditions, the number, quality and price of related services and lodging facilities, and the reputation of the areas. Based upon a review of these factors, management believes that Vail Associates is in a strong competitive position.

Maintaining the ski resorts and improving the facilities is capital intensive. In order to be competitive, Vail Associates has focused on improving the resort facilities and related amenities available to skiers at the Vail and Beaver Creek resorts and has substantially upgraded the facilities at both resorts. Resort capital expenditures for fiscal 1996 totaled \$13.9 million. In addition, the Company invested \$40.6 million in its real estate development activities.

The market for undeveloped real estate near ski resorts is subject to fluctuations due to many factors including changes in the general economy, costs and availability of borrowed money and conditions in the construction and real estate industry generally. In addition, changes in legislation and governmental regulations, such as local and federal tax laws, land-use and zoning restrictions, and environmental protection, could adversely affect real estate sales. With respect to the sale of undeveloped real estate in Vail, Beaver Creek Resort and Arrowhead, Vail Associates has many competitors, not only in the Vail and Beaver Creek Resort areas but also throughout the Colorado mountain country and in the other major ski areas in the United States. Management believes that the size, historically consistent snow conditions and existing amenities of the Vail and Beaver Creek resorts give Vail Associates a competitive advantage over many of its competitors.

REGULATION AND LEGISLATION. Vail Associates has been granted the right to use 12,590 acres of federal land adjacent to the Town of Vail and 2,775 acres of federal land adjacent to its Beaver Creek property as the site for ski lifts and trails and related activities under the terms of permits with the Forest Service. The Forest Service has the right to review and comment on the location, design and construction of improvements

8

in the permit area and on many operational matters. While virtually all of the skiable terrain on Vail Mountain is located on Forest Service land, a significant portion of the skiable terrain on Beaver Creek Mountain, primarily in the Bachelor Gulch and Arrowhead Mountain areas, is located on Company owned land. The Company has received approval from the Forest Service, subject to a pending appeal, for infrastructure development of bowl skiing terrain in Category III which is located within the current Vail Mountain permit area. On appeal, the Forest Service Supervisor was directed to verify that the administrative record includes appropriate information on potential off-site cumulative impacts to traffic/transportation, housing and wildlife. The Company believes that the appropriate information is included in the administrative record.

The permits originally granted to the Company, for the Vail and Beaver Creek mountain resorts consisted of (i) Term Special Use Permits which were granted for 30 year terms, but which may be terminated upon 30 days written notice by the Forest Service if it determines that the public interest requires such termination and (ii) Special Use Permits which are terminable at will by the Forest Service. In November 1986, a new law was enacted providing that Term Special Use Permits and Special Use Permits may be combined into a unified single term special use permit which can be issued for up to 40 years. On December 23, 1991, the Company exercised its statutory right to convert its dual permits for Vail Mountain into a unified permit covering 12,590 acres. The Vail permit expires on October 1, 2031, but can be terminated by the Forest Service if required in the public interest. The Beaver Creek property is covered by a Term Special Use Permit covering 80 acres and a Special Use Permit covering the remaining 2,695 acres. These permits will expire in 2006 but are terminable by the Forest Service at its discretion. In December 1992, the Company exercised its statutory right to convert its dual permits for the Beaver Creek mountain resort into a unified permit for the maximum period of 40 years and is currently in the process of negotiating the final terms of the unified permit. To the Company's knowledge, no recreational Special Use Permit or Term Special Use Permit for any major ski resort has ever been terminated by the Forest Service.

Under recently enacted legislation, retroactively effective to fiscal 1996, the Company pays a fee to the Forest Service ranging from 1.5% to 4.25% of

sales occurring on Forest Service land. However, through fiscal 1998, the Company must pay the greater of (i) the fee due under the new legislation or (ii) the fees actually paid for fiscal 1995. Included in the calculation are sales from, among other things, lift tickets, ski school lessons, food and beverages, rental equipment and retail merchandise sales.

BUSINESS SEGMENTS

Business segment information is presented in Note 11 to the accompanying consolidated financial statements.

INITIAL PUBLIC OFFERING

On June 6, 1996, the Company filed a Registration Statement on Form S-2 for an initial public offering ("Offering"). The Company plans to raise \$100 million in the Offering with certain selling stockholders raising an additional \$100 million. The consummation of the Offering is contingent upon the closing of the acquisition of Ralston Resorts, Inc. under a stock purchase agreement dated July 22, 1996 (see "Acquisition" below).

ACQUISITION

On July 22, 1996, the Company entered into a Stock Purchase Agreement ("Purchase Agreement") with Ralston Foods, Inc. and its wholly-owned subsidiary Ralston Resorts, Inc., pursuant to which the Company will acquire the capital stock of Ralston Resorts, Inc., the operator of the Breckenridge, Keystone and Arapahoe Basin ski resorts located in Summit County, Colorado (the "Acquisition"). Under the terms of the Purchase Agreement, the Company will assume and/or refinance \$165 million of indebtedness of Ralston Resorts, Inc. and will issue approximately 3.8 million shares of Common Stock to Ralston Foods, Inc. The closing of the Acquisition is dependent upon various conditions, including obtaining financing to refinance the indebtedness assumed, the continuing accuracy of representations and warranties made by the parties to the Purchase Agreement, and the receipt of necessary government approvals including those required under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended.

ITEM 5. MARKET FOR REGISTRANT'S COMMON EQUITY AND RELATED STOCKHOLDER MATTERS.

There is no established public trading market for the common stock of the Company. As of December 23, 1996, 10,372,241 shares of common stock were outstanding: 6,213,110 shares of Class A Common Stock held by approximately 6 holders and 4,159,131 shares of Common Stock held by approximately 10 holders.

On September 25, 1996, the Company distributed a right to receive up to \$4.87 per share of Common Stock (the "Rights") to all stockholders of record on October 11, 1996, with a maximum aggregate amount payable under the Rights of \$50.5 million. The purpose of the Rights is to provide cash to the existing stockholders of the Company as a partial return on their investment in the Company. As of September 30, 1996, the Company had outstanding contracts (the "Real Estate Contracts") for the sale of certain real estate and related amenities. The Company will make payments under the Rights only to the extent it receives sufficient gross proceeds under the Real Estate Contracts to make such payments. The Company currently estimates payments under the Rights will be made in January and in June 1997. In addition, the Company has amended certain option agreements held by management of the Company to eliminate the right of option holders to receive any portion of the payments made under the Rights. In connection with such amendment, the Company has accrued a payable to such option holders of approximately \$4.5 million (the "Option Payment"). The Rights and the Option Payment are hereinafter collectively referred to as the "Distribution."

Other than the Distribution, the Company has never paid or declared a cash dividend on its Common Stock or Class A Common Stock. The declaration of cash dividends in the future will depend on the Company's earnings, financial condition and capital needs and on other factors deemed relevant by the Board of Directors at that time. It is the current policy of the Company's Board of Directors to retain earnings to finance the operations and expansion of the Company's business, and the Company does not anticipate paying any cash dividends (other than the Distribution) on its shares of Common Stock or Class A Common Stock in the foreseeable future.

ITEM 6. SELECTED FINANCIAL DATA.

The Company previously owned subsidiaries which were engaged in the beef products and communications businesses. Packerland Packing Company, Inc. and its subsidiaries (collectively, "Packerland") operated one of the largest "lean beef" slaughtering and packing operations in the United States. GHTV, Inc. and its subsidiaries (collectively, "GHTV") owned and operated various broadcast stations and other related businesses. In 1991, due to an inability to service debt incurred in connection with the acquisition of certain assets in the communications business, the Company and these subsidiaries filed for relief under Chapter 11 of the Bankruptcy Code. On October 8, 1992 (the "Effective Date"), the Company, Packerland and GHTV emerged from bankruptcy pursuant to a plan of reorganization (the "Plan") under which the beef products and communications businesses were to be sold. Packerland was subsequently sold on August 31, 1994. All of the GHTV subsidiaries had been sold as of September 23, 1994. The results of operations of Packerland and GHTV subsequent to the Effective Date have been reported as discontinued and are therefore excluded from the following selected financial data for periods ending after the Effective Date.

On October 14, 1993, by consent of the Company's board of directors, the fiscal yearend of the Company and its corporate subsidiaries was changed to September 30, and the fiscal yearend of Packerland and its subsidiaries was changed to the Sunday nearest September 30 (October 3, 1993). Prior to this change, the reporting period of these entities was the 52/53 week year ending on the Sunday nearest December 31. This change was made to conform the fiscal yearend of these entities with that of Vail Associates, which has a September 30 fiscal yearend. Prior to this change, the operating results of Vail Associates and its subsidiaries were consolidated on a one quarter lag basis.

The following table presents selected historical consolidated financial data of the Company for the periods indicated. The financial data for the years ended September 30, 1996, 1995 and 1994 are derived from the consolidated financial statements of the Company, which have been audited by Arthur Andersen LLP, independent accountants whose 1994 report with respect to Packerland, is based on the report of Ernst & Young LLP. The financial data for the period from October 9, 1992 through September 30, 1993 and from December 30, 1991 through October 8, 1992 are derived from the consolidated financial statements of the Company, which have been audited by Ernst & Young LLP, whose reports with respect to Vail Associates, are based on the reports of Arthur Andersen LLP. The selected historical consolidated financial data set forth below should

be read in conjunction with the consolidated financial statements of the Company and the related notes thereto.

Due to certain accounting adjustments required by Statement of Position 90-7, "Financial Reporting by Entities in Reorganization under the Bankruptcy Code," issued by the American Institute of Certified Public Accountants and certain other events occurring on the Effective Date, the following selected financial data prior to the Effective Date are not comparable to the financial data as of and subsequent to the Effective Date.

The Other Data presented below include information on Resort Cash Flow. Resort Cash Flow is defined as revenues from resort operations less resort operating expenses, excluding depreciation and amortization. Resort Cash Flow is not a term that has an established meaning under generally accepted accounting principles. The Company has included information concerning Resort Cash Flow because management believes it is an indicative measure of a resort company's operating performance and is generally used by investors to evaluate companies in the resort industry. Resort Cash Flow does not purport to represent cash provided by operating activities and should not be considered in isolation or as a substitute for measures of performance prepared in accordance with generally accepted accounting principles. For information regarding the Company's historical cash flows from operating, investing and financing activities see the Company's consolidated financial statements included in Item 8. Furthermore, Resort Cash Flow is not available for the discretionary use of management and, prior to the payment of dividends, the Company uses Resort Cash Flow to meet its capital expenditure and debt service requirements. The data presented below are in thousands except per share amounts.

ITEM 7. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS.

The following discussion and analysis of financial condition and results of operations of the Company should be read in conjunction with the consolidated financial statements as of September 30, 1996 and 1995 and for the years ended September 30, 1996, 1995 and 1994, included in Item 8 to this Form 10-K, which provide additional information regarding financial condition and operating results.

RESULTS OF OPERATIONS

FISCAL YEAR ENDED SEPTEMBER 30, 1996 ("FISCAL 1996") VERSUS FISCAL YEAR ENDED SEPTEMBER 30, 1995 ("FISCAL 1995")

Resort Revenue. Resort Revenue for fiscal 1996 was \$140.3 million, an increase of \$13.9 million, or 11.0%, compared to fiscal 1995. The increase was attributable primarily to (i) an 8.4% increase in lift ticket revenue due to a 4.3% increase in skier days (a 5.3% increase at Vail Mountain and a 1.5% increase at Beaver Creek Mountain) and an increase in effective ticket price (defined as total lift ticket revenue divided by total skier days) ("ETP") from \$29.96 to \$31.12, or 3.9%, (ii) a 9.6% increase in ski school revenue due to increases in lesson prices and increases in lesson volume driven primarily by snowboarding and children's lessons, (iii) a 9.8% increase in food service revenues due to price increases and the increase in skier days, (iv) a 19.1% increase in retail and rental revenues due to favorable changes in product mix, the growth in popularity of snowboarding and new ski technology, and the increase in skier days, and (v) a 17.2% increase in hospitality revenues due primarily to enhanced marketing efforts for the Company's property management activities.

Resort Operating Expenses. Operating expenses from resort operations ("Resort Operating Expenses") were \$89.9 million for fiscal 1996, representing an increase of \$7.6 million, or 9.2%, as compared to fiscal 1995. As a percentage of Resort Revenue, Resort Operating Expenses declined from 65.1% to 64.1% in fiscal 1996. The increase in Resort Operating Expenses is primarily attributable to (i) increased variable expenses resulting from the increased level of Resort Revenue and skier days in fiscal 1996, (ii) a \$1.6 million increase in the accrual for long term incentive compensation associated with the improvement in the operating results of the resorts segment during fiscal 1996, and (iii) a \$1.1 million increase in labor related expenses due to

expanded operations.

Resort Cash Flow. Resort Cash Flow for fiscal 1996 was \$50.4 million, an increase of \$6.4 million, or 14.4%, compared to fiscal 1995. Resort Cash Flow as a percentage of Resort Revenue increased to 35.9% for fiscal 1996 as compared to 34.9% for fiscal 1995. The increase in Resort Cash Flow is primarily due to the increase in skier days and ETP as discussed above.

Real Estate Revenues. Revenues from real estate operations for fiscal 1996 were \$48.7 million, an increase of \$32.1 million, compared to fiscal 1995. The increase is due primarily to the closings of sales of 30 single family lots in the Strawberry Park development at Beaver Creek Resort in December 1995 and February 1996, which generated \$30.9 million in gross proceeds.

Real Estate Operating Expenses. Real estate operating expenses for fiscal 1996 were \$40.8 million, an increase of \$25.8 million, compared to fiscal 1995. The increase resulted primarily from the cost of sales and commissions associated with the sale of the Strawberry Park lots which totaled \$24.7 million.

Corporate Expense. Corporate expense was \$12.7 million for fiscal 1996, an increase of \$6.0 million as compared to fiscal 1995. Corporate expense for fiscal 1996 includes the following nonrecurring charges: (i) \$2.1 million related to the termination of an employment agreement with the Company's former Chairman and Chief Executive Officer, (ii) \$4.5 million related to the Option Payment, and (iii) \$1.9 million of compensation expense related to the exercise of stock options by the Company's former Chairman and Chief Executive Officer. Excluding the effect of those items, corporate expense decreased \$2.5 million. This decrease was primarily due to the inclusion in fiscal 1995, of \$1.6 million of compensation expense related to shares of Common Stock granted to the Company's former Chief Executive Officer pursuant to an employment

14

agreement dated October 8, 1992. Those shares were earned over the three year period beginning on the date of the employment agreement and ending on October 8, 1995. Accordingly, compensation expense was charged to corporate expense ratably over that period. The remaining decrease was attributable to reductions in payroll expense and other office expenses related to the partial closure of the Company's Denver office as of December 31, 1995.

Depreciation and Amortization. Depreciation and amortization expense increased by \$180,000 for fiscal 1996 over fiscal 1995, primarily due to capital expenditures made in fiscal 1995.

Interest Expense. During fiscal 1996 and fiscal 1995, the Company recorded interest expense of \$14.9 million and \$19.5 million, respectively, which relates primarily to the Company's Senior Subordinated Notes, the Industrial Development Bonds, and the Company's existing credit facilities. The decrease in interest expense from fiscal 1995 to fiscal 1996, is attributable to the redemptions of \$30 million and \$24.5 million in principal amount of Senior Subordinated Notes on December 11, 1995 and February 2, 1996, respectively, offset by call premiums paid in connection with those redemptions. See "Liquidity and Capital Resources."

Gain (loss) on disposal of fixed assets. The loss on disposal of fixed assets for fiscal 1996 was \$2.6 million compared to \$849,000 for fiscal 1995. The loss for fiscal 1996 consists primarily of a \$2.3 million loss on the retirement of the Lionshead gondola and a \$340,000 loss on the retirement of the Golden Peak chairlift. Both lifts are currently being replaced with upgraded equipment. The loss for fiscal 1995 consists primarily of a \$600,000 loss on the write off of lift equipment which was replaced during an upgrade of a Vail Mountain chairlift..

Other income (expense). The significant components of other income (expense) for fiscal 1996 are (i) a \$725,000 increase in the reserves related to the Company's indemnity to the purchaser of a former subsidiary of the Company, (ii) a \$690,000 increase in the estimate of the pension liability related to three founders of the Company, (iii) a \$600,000 increase in reserves related to a change in the estimate of the Company's obligation to a medical research foundation, and (iv) \$373,000 in income related to a favorable retrospective adjustment on a worker's compensation insurance policy of a former subsidiary of the Company. The significant components of other income (expense) for fiscal 1995 are (i) a \$1.2 million gain on the sale of securities, (ii) income of \$687,000 related to the elimination of reserves for pre-petition bankruptcy claims and (iii) \$1.6 million in income related to a change in the estimate of the Company's obligation to a medical research foundation.

YEAR ENDED SEPTEMBER 30, 1995 ("FISCAL 1995") VERSUS YEAR ENDED SEPTEMBER 30, 1994 ("FISCAL 1994")

Resort Revenue. Resort Revenue for fiscal 1995 was \$126.3 million, an increase of \$1.4 million, or 1.1%, compared to fiscal 1994. The increase was attributable primarily to (i) a 1.1% decrease in lift ticket revenue due to a 3.9% increase in skier days (a 2.7% increase at Vail Mountain and a 7.4% increase at Beaver Creek Mountain) offset by a decline in ETP from \$31.29 to \$29.96, or 4.3%, (ii) a 4.4% increase in ski school revenue due primarily to increases in corporate group sales at Vail Mountain and private lesson sales at Beaver Creek Mountain, (iii) a 0.7% increase in food service revenue attributable to significant decreases in summer sales due to poor weather conditions during June which delayed the opening of certain mountain facilities and minimal growth in winter food and beverage sales due to a higher proportion of local skiers who typically spend less at the Company's restaurants than destination skiers, (iv) a 20.8% increase in retail and rental sales due to the opening of two new retail outlets in fiscal 1995, (v) a 3.2% increase in hospitality revenue due to property management revenues from four properties which were managed by the Company for a full year in fiscal 1995 and (vi) increases in revenue from brokerage, commercial leasing, and licensing and sponsorship activities. The decline in ETP in fiscal 1995 resulted from increased skier days in the early and late season which have lower ETPs than those in the peak season. The increase in early and late season skiers was due to incentive programs targeted to attract increased corporate groups and skiers from the Denver metropolitan area. In addition, skier days in the peak season, which have higher ETPs, were adversely affected by a number of factors, including (i) an unusually high number of closings of Interstate 70 (the main highway from Denver to Vail) due to adverse weather conditions, and (ii) the December 1994 financial crisis in Mexico, the country of origin of a significant portion of the Company's international guests who typically visit the Company's resorts during the peak season. Following the 1994-95 ski season, the Company, working with state and local agencies, took steps designed to

15

improve snow removal operations on Interstate 70. As a result of these steps, the number and duration of highway closings were significantly reduced during the 1995-96 ski season.

Resort Operating Expenses. Resort Operating Expenses were \$82.3 million for fiscal 1995, representing an increase of \$3.9 million, or 5.0%, as compared to fiscal 1994. As a percentage of Resort Revenue, Resort Operating Expenses increased from 62.7% in fiscal 1994 to 65.1% in fiscal 1995. The increase in Resort Operating Expenses is primarily attributable to (i) a \$2.1 million increase in marketing expenditures primarily related to increased direct advertising expenditures, (ii) an increase of \$1.3 million in expenses related to an expansion of the Company's retail operations, write-downs of obsolete inventory purchased in prior seasons, and costs associated with the implementation of new point of sale inventory system, (iii) an increase of \$740,000 in rent and occupancy costs due to the relocation of certain of Vail Associates' offices from Company-owned space in the Town of Vail to leased office space in the Town of Avon and (iv) increased expenses resulting from the increased level of Resort Revenue in fiscal 1995.

Resort Cash Flow. Resort Cash Flow for fiscal 1995 was \$44.0 million, a decrease of \$2.6 million, or 5.5%, compared to fiscal 1994. Resort Cash Flow as a percentage of Resort Revenue decreased to 34.9% in fiscal 1995 as compared to 37.3% in fiscal 1994. The decrease in Resort Cash Flow was primarily due to the decline in ETP and increase in Resort Operating Expenses as discussed above.

Real Estate Revenues. Revenues from real estate operations for fiscal 1995 were \$16.5 million, a decrease of \$5.7 million, compared to fiscal 1994. The decrease is due primarily to a reduction in the number of closings of residential lot sales in Beaver Creek Resort due to the Company not having significant lots available for sale during the period.

Real Estate Operating Expenses. Real estate operating costs and expenses for fiscal 1995 were \$15.0 million, a decrease of \$5.4 million, compared to fiscal 1994 due to lower costs of sales associated with the reduced amount of lot sales activity.

Corporate Expense. Corporate expense decreased \$459,000 in fiscal 1995 as compared to fiscal 1994 due primarily to lower salary and service costs.

Depreciation and Amortization. Depreciation and amortization expense from continuing operations increased \$782,000 in fiscal 1995 as compared to fiscal 1994, primarily as a result of the capital expenditures made during fiscal 1994.

Interest Expense. During fiscal 1995, the Company recorded interest expense of \$19.5 million, which relates primarily to the interest on the Company's Senior Subordinated Notes and the Industrial Development Bonds and revolving

credit facilities of Vail Associates. See "--Liquidity and Capital Resources." The decrease in interest expense from \$22.5 million during fiscal 1994 to \$19.5 million during fiscal 1995 relates primarily to the redemption of the Company's Senior Secured Notes on September 29, 1994 and the redemption of \$24.9 million principal amount of Senior Subordinated Notes on December 15, 1994.

Other Income (Expense). The significant components of other income (expense) for fiscal 1995 are (i) income of \$1.6 million related to a reduction in the estimate of a liability related to the Company's obligation to a medical research foundation, (ii) a \$1.2 million gain on the sale of securities and (iii) income of \$687,000 related to the elimination of reserves for pre-petition bankruptcy claims.

LIQUIDITY AND CAPITAL RESOURCES

The Company has historically provided funds for debt service, capital expenditures and acquisitions through a combination of cash flow from operations, short term and long term borrowings and sales of real estate.

At September 30, 1995, the Company had outstanding \$117.2 million of Senior Subordinated Notes maturing on June 30, 2002. On December 11, 1995 and February 2, 1996, the Company redeemed principal

16

amounts of \$30.0 million and \$24.5 million, respectively, of the Senior Subordinated Notes. At September 30, 1996, the outstanding principal amount of Senior Subordinated Notes was \$62.6 million. The Company intends to use a portion of the net proceeds from the planned public stock offering to redeem all of the remaining outstanding Senior Subordinated Notes.

The Company has \$41.2 million of outstanding Industrial Development Bonds issued by Eagle County, Colorado which accrue interest at 8% per annum and mature on August 1, 2009. Interest is payable semi-annually on February 1 and August 1. The Company has provided the holder of these bonds a debt service reserve fund of \$3.3 million, which has been netted against the principal amount for financial reporting purposes.

The Company also has two revolving credit facilities ("Existing Credit Facilities") that provide for total availability of \$135 million, consisting of a \$105 million Facility A Revolver ("Facility A") and a \$30 million Facility B Revolver ("Facility B"). The maximum borrowings available under Facility A will be reduced by \$25 million on March 31, 1999 with all outstanding principal due on March 31, 2000. No borrowings under Facility B are permitted unless the maximum borrowings under Facility A are outstanding. The maximum borrowings available under Facility B will be reduced by \$10 million on March 31, 1997 and further reduced by an additional \$10 million on March 31, 1998 with all outstanding principal due on March 31, 1999. The Credit Facilities are available for the seasonal working capital needs of Vail Associates and for capital expenditures and other general corporate purposes, including the issuance of up to \$50 million of letters of credit. Outstanding letters of credit at June 30, 1996 totaled \$34.3 million and primarily related to bonds issued by a quasi-governmental entity in connection with the financing of infrastructure costs in Bachelor Gulch Village. At September 30, 1996, borrowings outstanding under Facility A totaled \$44.0 million.

The Company has received a commitment from NationsBank of Texas, N.A., as agent (the "Agent"), to provide financing for the Acquisition and the working capital needs of the Company upon the closing of the Acquisition ("New Credit Facilities"). The New Credit Facilities will provide for debt financing up to an aggregate principal amount of \$340 million. The New Credit Facilities are comprised of (i) a \$175 million Revolving Credit Facility ("Revolving Credit Facility"), (ii) a \$115 million Tranche A Term Loan Facility ("Tranche A") and (iii) a \$50 million Tranche B Term Loan Facility (together with the Tranche A, the "Term Loan Facilities"). The Term Loan Facilities will be used to refinance a portion of the \$165 million of debt assumed in connection with the Acquisition. The Revolving Credit Facility matures on April 15, 2003. The minimum amortization under the Term Loan Facilities will be \$11.5 million, \$14.0 million, \$19.0 million, \$21.5 million, \$26.5 million, \$31.5 million, and \$41 million during fiscal years ending September 30, 1998, 1999, 2000, 2001, 2002, 2003, and 2004, respectively. The Company will also be required to make mandatory amortization payments under the Term Loan Facilities with excess cash flow, as defined, proceeds from asset sales, and proceeds from equity and debt offerings.

The New Credit Facilities require that no more than \$125.0 million in the aggregate be outstanding under the Revolving Credit Facility for a period of 30 consecutive days during each fiscal year, such period to include April 15. The proceeds of the loans made under the Revolving Credit Facilities may be used to fund the Company's working capital needs, capital expenditures and

other general corporate purposes, including the issuance of letters of credit.

Resort capital expenditures for fiscal 1996 were \$13.9 million. Investments in real estate for fiscal 1996 were \$40.6 million, which included \$9.1 million of mountain improvements (such as ski lifts and snowmaking equipment) which are related to real estate development but will also benefit resort operations. The primary projects included in resort capital expenditures for fiscal 1996 are (i) the new Lionshead gondola, (ii) the creation of the Eagles Nest non-ski activity center and (iii) the allocated cost of the new retail, restaurant and skier service facilities to be created in the renovated Golden Peak base facility. The primary projects included in investments in real estate for fiscal 1996 are (i) the renovation of the Golden Peak base facility, including a new high speed quad chairlift, (ii) infrastructure related to Bachelor Gulch Village, including a new high

speed quad chairlift and related snowmaking equipment, (iii) construction related to the Beaver Creek Village Center, the majority of the related expenses of which will be recouped during fiscal 1996 from the third party developer of the project and certain homeowner, community and governmental organizations, (iv) infrastructure related to Arrowhead Village and (v) infrastructure related to the Strawberry Park development in Beaver Creek Resort.

The Company estimates that it will make resort capital expenditures totaling approximately \$42 million in fiscal 1997 which includes approximately \$18.2 million spent in the first fiscal quarter of 1997 to complete projects initiated in fiscal 1996. The primary new projects will include (i) infrastructure for the Category III expansion, (ii) expansion of snowmaking at Beaver Creek Mountain, (iii) upgrades to and expansions of food service operations at Beaver Creek Resort and (iv) the purchase of retail space at Beaver Creek Resort. Investments in real estate are expected to total approximately \$60 million during fiscal 1997. The primary projects included in these investments are (i) the completion of the Golden Peak base facility, (ii) infrastructure related to Bachelor Gulch Village and Arrowhead Village and (iii) completion of the Beaver Creek Village retail and parking facilities. The Company intends to fund these expenditures through cash flow from operations, and borrowings under the New Credit Facilities.

In connection with the Distribution, the Company will make payments aggregating \$55 million, which it estimates will be made in January and June 1997. The Company is limited to funding payments made under the Distribution from proceeds of the Real Estate Contracts.

Based on current levels of operations and cash availability, the Company believes that it will be able to satisfy its debt service and capital expenditure requirements from cash flow from operations, and borrowings under the Existing Credit Facilities.

The Company believes that inflation during the past three years has had little effect on its results of operations and any impact on costs has been largely offset by increased pricing.

REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS

To the Board of Directors of

We have audited the accompanying consolidated balance sheets of VAIL RESORTS, INC. formerly known as Gillett Holdings, Inc. (see Note 1) (a Delaware corporation) and subsidiaries as of September 30, 1996 and 1995, and the related consolidated statements of operations, stockholders' equity and cash flows for each of the three years in the period ended September 30, 1996. These consolidated financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We did not audit the consolidated financial statements of Packerland Packing Company, Inc. ("Packerland"), a wholly owned subsidiary of Vail Resorts, Inc.; 100% of the stock of Packerland was sold on August 31, 1994. The net revenues of Packerland included in the consolidated statements of operations for the year ended September 30, 1994 were \$630,928,000. The accompanying consolidated statements of operations for the year ended September 30, 1994 present the operations of Packerland as discontinued (see Note 3). Those statements were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for Packerland, is based solely on the report of the other auditors.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits and the report of other auditors provide a reasonable basis for our opinion.

In our opinion, based on our audits and the report of other auditors, the financial statements referred to above present fairly, in all material respects, the consolidated financial position of Vail Resorts, Inc. and subsidiaries as of September 30, 1996 and 1995 and the consolidated results of their operations and their cash flows for each of the three years in the period ended September 30, 1996 in conformity with generally accepted accounting principles.

VAIL RESORTS, INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. BASIS OF PRESENTATION

Vail Resorts, Inc. ("VRI"), formerly known as Gillett Holdings, Inc., is organized as a holding company and operates through various subsidiaries. VRI and its subsidiaries (collectively, the "Company") currently operate in two business segments, ski resorts and real estate development. Vail Associates, Inc. and its subsidiaries (collectively, "Vail Associates") operate one of the world's largest skiing facilities on Vail Mountain and Beaver Creek Mountain in Colorado and have related real estate operations. The ski resorts are operated on United States Forest Service land under Term Special Use Permits expiring in 2031 for Vail Mountain and 2006 for Beaver Creek Mountain. Vail Associates Real Estate Group ("VAREG") is a wholly-owned subsidiary of Vail Associates, Inc. and conducts the Company's real estate development activities. The accompanying consolidated financial statements include the accounts of the Company and its wholly owned subsidiaries. Investments in joint ventures are accounted for under the equity method. All significant intercompany transactions have been eliminated.

On June 6, 1996, the Company filed a Registration Statement on Form S-2 for an initial public offering ("Offering"). The Company plans to raise \$100 million in the Offering with certain selling stockholders raising an additional \$100 million. The consummation of the Offering is contingent upon the closing of the acquisition of Ralston Resorts, Inc. under a stock purchase agreement dated July 22, 1996 (see Note 4).

The Company previously owned subsidiaries which were engaged in the beef products and communications businesses. Packerland Packing Company, Inc. and its subsidiaries (collectively, "Packerland") operated one of the largest "lean beef" slaughtering and packing operations in the United States. GHTV, Inc. and its subsidiaries (collectively, "GHTV") owned and operated various broadcast stations and other related businesses. In 1991, due to an inability to service debt incurred in connection with the acquisition of certain assets in the communications business, the Company and these subsidiaries filed for relief under Chapter 11 of the Bankruptcy Code. On October 8, 1992 (the "Effective Date"), the Company, Packerland and GHTV emerged from bankruptcy pursuant to a plan of reorganization (the "Plan") under which the beef products and communications businesses were to be sold.

Packerland was sold on August 31, 1994. The results of its operations from October 1, 1993 through August 31, 1994, are included in income from discontinued operations in the consolidated statement of operations for the fiscal year ended September 30, 1994 (see Note 3).

As of the Effective Date, the stock of GHTV was transferred by the Company to a trust (the "GHTV Trust") due to foreign investment in the Company as of the Effective Date and FCC regulations which prohibit foreign ownership of broadcast stations. The beneficial interest in the GHTV Trust was sold to an independent third party subject to the terms of a repurchase agreement between the Company and the third party whereby the Company could repurchase the beneficial interest in the GHTV Trust or the underlying GHTV stock at a later date. As of September 23, 1994, all of GHTV's communications subsidiaries had been sold. On September 30, 1994, the Company repurchased the stock of GHTV from the GHTV Trust. Upon the repurchase, GHTV became a wholly-owned subsidiary of the Company and accordingly, the consolidated balance sheets of the Company as of and subsequent to September 30, 1994 include the remaining assets and liabilities of GHTV.

On the Effective Date, the Company held notes receivable from GHTV in the aggregate amount of \$194.0 million (the "GHTV Subsidiary Notes"). GHTV made payments on the GHTV Subsidiary Notes with proceeds from the sales of its subsidiaries. Through September 30, 1994, GHTV made aggregate principal payments of \$182.5 million to the Company. At September 30, 1994, the remaining principal amount receivable was written off by the Company concurrent with the write-off by GHTV of the remaining payable under the GHTV Subsidiary Notes recorded on its books. Since the Company was to be the ultimate recipient of substantially all gains or losses of GHTV through payments under the GHTV Subsidiary Notes, and its ability to repurchase the beneficial interest in GHTV, the operating results of GHTV have been included in the Company's consolidated statements of operations throughout the periods that the GHTV Stock was held

by the GHTV Trust. Accordingly, interest expense of GHTV related to the GHTV Subsidiary Notes was eliminated against the related interest income on the Company's books. This elimination of interest expense resulted in net income for GHTV, all of which was deferred and included as a component of the ultimate gain on the disposal of communications subsidiaries included in the consolidated statement of operations for the year ended September 30, 1994.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Cash and Cash Equivalents--The Company considers all highly liquid debt instruments with an original maturity of three months or less to be cash equivalents.

Inventories--The Company's inventories consist primarily of purchased retail goods, food, and spare parts. Inventories are valued at the lower of cost, determined using the first-in, first-out (FIFO) method, or market.

Property, Plant and Equipment--Property, plant and equipment is carried at cost net of accumulated depreciation. Depreciation is calculated generally on the straight-line method based on the following useful lives:

<TABLE> <CAPTION>	YEARS -----
<S>	<C>
Land improvements.....	40
Buildings and terminals.....	40
Ski lifts.....	15

Ski trails.....	20
Machinery, equipment, furniture and fixtures.....	3-12
Automobiles and trucks.....	3-5

</TABLE>

Deferred Financing Costs--Costs incurred with the issuance of debt securities are included in deferred charges and other assets, net of accumulated amortization. Amortization is charged to income over the respective original lives of the applicable issues and is included as an other expense.

Intangible Assets--"Reorganization Value in Excess of Amounts Allocable to Identifiable Assets" ("Excess Reorganization Value") represents the excess of the Company's reorganization value over the amounts allocated to the net tangible and other intangible assets of the Company as of the Effective Date (see Note 6). The Company amortizes Excess Reorganization Value over 20 years. The cost of other intangible assets with determinable lives is charged to operations based on their respective economic lives, which range from 7 to 40 years, using the straight line method.

Long-lived Assets--The Company evaluates potential impairment of long-lived assets and long-lived assets to be disposed of in accordance with Statement of Financial Accounting Standards No. 121, "Accounting for the Impairment of Long-Lived Assets and for Long-Lived Assets to be Disposed Of" ("SFAS No. 121"). SFAS No. 121 establishes procedures for review of recoverability, and measurement of impairment if necessary, of long-lived assets and certain identifiable intangibles held and used by an entity. SFAS No. 121 requires that those assets be reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be fully recoverable. SFAS No. 121 also requires that long-lived assets and certain identifiable intangibles to be disposed of be reported at the lower of carrying amount or fair value less estimated selling costs. As of September 30, 1996, management believes that there has not been any impairment of the Company's long-lived assets or other identifiable intangibles.

F-9

VAIL RESORTS, INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS--(CONTINUED)

Revenue Recognition--Resort Revenue is recognized as services are performed. Revenues from real estate sales are accounted for as follows:

- A. Revenue is not recognized until title has been transferred.
- B. Revenue is deferred if the receivable is subject to subordination until such time as all costs have been recovered.
- C. Until the initial down payment and subsequent collection of principal and interest are by contract substantial, cash received from the buyer is reported as a deposit on the contract.

The Company capitalizes as land held for sale the original acquisition cost (or appraised value as of the Effective Date), direct construction and development costs, property taxes, interest incurred on costs related to land under development, and other related costs (engineering, surveying, landscaping, etc.) until the property reaches its intended use. The cost of sales for individual parcels of real estate or condominium units within a project is determined using the relative sales value method. Selling expenses are charged against income in the period incurred. Interest capitalized on real estate development projects during fiscal years 1994, 1995 and 1996 totalled \$0.8 million, \$1.4 million and \$2.2 million, respectively.

Advertising Costs--Advertising costs are expensed the first time the advertising takes place. Advertising expense for the years ended September 30, 1994, 1995 and 1996 was \$4.4 million, \$6.3 million and \$6.9 million, respectively. At September 30, 1995 and 1996, advertising costs of \$1.2 million and \$1.7 million were reported as assets in the Company's consolidated balance sheet.

Income Taxes--The Company uses the liability method of accounting for income taxes as prescribed by Statement of Financial Accounting Standards No. 109, "Accounting for Income Taxes" ("SFAS No. 109"). Under SFAS No. 109, a deferred tax liability or asset is recognized for the effect of temporary differences between financial reporting and tax reporting.

Earnings Per Share--Earnings (loss) per common share are based on the weighted average number of shares outstanding during the period after consideration of the dilutive effect of stock grants, warrants and options (see Note 12).

Fair Value of Financial Instruments--The recorded amounts for cash and cash equivalents, receivables, other current assets, and accounts payable and accrued expenses approximate fair value due to the short-term nature of these financial instruments. The fair value of amounts outstanding under the Company's Credit Facilities approximates book value due to the variable nature of the interest rate associated with that debt. The fair values of the Company's Senior Subordinated Notes and Industrial Development Bonds have been estimated using discounted cash flow analyses based on current borrowing rates for debt with similar maturities and ratings.

The estimated fair values of the Senior Subordinated Notes and Industrial Development Bonds at September 30, 1996 are presented below:

Use of Estimates--The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Reclassifications--Certain reclassifications have been made to the accompanying consolidated financial statements for the years ended September 30, 1994 and 1995 to conform to the current period presentation.

3. DISCONTINUED OPERATIONS

On August 31, 1994, the Company sold 100% of the stock of Packerland to PPC Acquisition Co. ("PPC"), an entity owned in part by the existing management group of Packerland and the Company's former Chairman and Chief Executive Officer for net cash proceeds totaling approximately \$56,260,000. The net gain resulting from this transaction of \$10,678,000 is included in the gain on disposal of subsidiaries operating in discontinued segments for the year ended September 30, 1994, in the accompanying consolidated statements of operations. The Packerland portion of the gain on disposal of subsidiaries operating in discontinued segments included in the accompanying consolidated statement of cash flows for the year ended September 30, 1994 includes the net cash proceeds from the sale reduced by the net assets of Packerland as of August 31, 1994, and other costs associated with the transaction. The net revenues of Packerland included in the consolidated statements of operations were \$630,928,000 for the year ended September 30, 1994.

On September 23, 1994, GHTV sold substantially all of the assets of its remaining operating subsidiaries to an unaffiliated party for net cash proceeds totaling approximately \$35,372,000. Following this sale, GHTV no longer had an ownership interest in subsidiaries engaged in the communications business. On September 30, 1994, the Company repurchased the stock of GHTV from the GHTV Trust (see Note 1). As discussed in Note 1, the GHTV net income following the elimination of interest expense was deferred until the remaining GHTV subsidiaries were sold and then included as a component of the net gain on the disposal of the related subsidiaries. The net gain resulting from these sales of \$10,285,000 is included in the gain on disposal of subsidiaries operating in discontinued segments in the accompanying consolidated statements of operations for the year ended September 30, 1994.

Corporate expense related to the communications segment has been classified as income from discontinued operations for the year ended September 30, 1994 based upon the corporate expenses directly attributable to GHTV in excess of the \$250,000 expense reimbursement from GHTV during the year (see Note 9). Corporate expense related to Packerland has been classified as income from discontinued operations based upon the corporate expenses directly attributable to Packerland. Corporate expense classified as income from discontinued operations totaled \$762,000 for the year ended September 30, 1994. Corporate interest expense has been allocated to income from discontinued operations based upon the ratio of the net assets of Packerland and GHTV to the consolidated net assets of the Company. Total corporate interest expense allocated to income from discontinued operations was \$4,033,000 for the year

ended September 30, 1994.

Incentive payments to George N. Gillett Jr., the Company's former Chairman and Chief Executive Officer ("Mr. Gillett"), and certain other members of the Company's management related to the sales of Packerland and the GHTV subsidiaries totaling \$1.3 million have been included as a component of the net gain on the disposal of subsidiaries operating in discontinued segments in the consolidated statement of operations for the year ended September 30, 1994.

In connection with the sales of Packerland and the GHTV subsidiaries, the Company retained certain contingent liabilities that are customary for transactions of this nature. The Company does not anticipate that these contingencies will have a material effect on either future financial results or liquidity.

4. ACQUISITIONS

On November 30, 1993, Vail Associates purchased substantially all of the assets of Arrowhead for approximately \$31,000,000 in cash. These assets included (i) approximately 1,200 acres of land on Arrowhead Mountain, including 180 acres of skiable terrain, (ii) approximately 1,000 acres of undeveloped real estate on, at the base of and adjacent to Arrowhead Mountain and (iii) the rights to designate, and receive the proceeds from, certain membership privileges to the Country Club of the Rockies ("CCR") golf club.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS--(CONTINUED)

Arrowhead is currently a year round resort which offers membership to CCR and skiing as amenities to home owners to promote real estate sales.

On April 5, 1994, Vail Associates purchased SaddleRidge for approximately \$10,400,000 in cash. SaddleRidge is a 12 unit townhouse project with an adjoining clubhouse. Vail Associates has sold eleven of the townhouse units and currently operates a restaurant and meeting facilities in the clubhouse.

On July 22, 1996, the Company entered into a Stock Purchase Agreement ("Purchase Agreement") with Ralston Foods, Inc. and its wholly-owned subsidiary Ralston Resorts, Inc., pursuant to which the Company will acquire the capital stock of Ralston Resorts, Inc., the operator of the Breckenridge, Keystone and Arapahoe Basin ski resorts located in Summit County, Colorado (the "Acquisition"). Under the terms of the Purchase Agreement, the Company will assume and/or refinance \$165 million of indebtedness of Ralston Resorts, Inc. and will issue approximately 3.8 million shares of Common Stock to Ralston Foods, Inc. The closing of the Acquisition is dependent upon various conditions, including obtaining financing to refinance the indebtedness assumed (see Note 5), the continuing accuracy of representations and warranties made by the parties to the Purchase Agreement, and the receipt of necessary government approvals including those required under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended.

5. LONG-TERM DEBT

Long-term debt as of September 30, 1995 and 1996 is summarized as follows (in thousands):

(a) The Senior Subordinated Notes are unsecured, bear interest at 12 1/4% and mature on June 30, 2002. Interest is payable semi-annually on March 31 and September 30.

The Company redeemed \$30 million and \$24.5 million principal amounts of Senior Subordinated Notes on December 11, 1995 and February 2, 1996,

respectively, pursuant to the optional redemption provisions of the Senior Subordinated Note Indenture (the "Indenture"). Under these provisions, the Company was required to pay a call premium in the amount of 5% of the principal redeemed for each of these redemptions.

The Company, pursuant to the covenants in the Indenture, may not incur additional indebtedness unless expressly permitted in the Indenture; make certain Restricted Payments (as defined in the Indenture); sell assets of the Company or its subsidiaries unless within the guidelines set forth in the Indenture; engage in certain transactions with affiliates; or make certain acquisitions in excess of specific limitations.

- (b) The Company has \$41.2 million of outstanding Industrial Development Bonds issued by Eagle County, Colorado which accrue interest at 8% per annum and mature on August 1, 2009. Interest is payable semi-annually on February 1 and August 1. The Company has provided the holder of these bonds a debt service reserve fund of \$3.3 million, which has been netted against the principal amount for financial reporting purposes. The Industrial Development Bonds are secured by the stock of the subsidiaries of Vail Associates and the United States Forest Service permits.

- (c) The Company's revolving line of credit provides for total availability of \$135 million which is comprised of a \$105 million revolver ("Facility A") and a \$30 million revolver ("Facility B") (collectively, the "Credit Facilities"). The maximum availability under Facility A will be reduced to \$80 million on March 31, 1999 with the remaining principal balance due on March 31, 2000. Facility A also requires that no more than \$75 million be outstanding for a 30 day period each year. The maximum availability under Facility B will be reduced by \$10 million on March 31, 1997, 1998 and 1999. The Credit Facilities are available for the seasonal working capital needs of the Company and for capital expenditures and other general corporate purposes, including the issuance of up to \$50 million of letters of credit ("LOC"). Interest on outstanding advances under the Credit Facilities is payable monthly or quarterly at rates based upon either LIBOR plus a margin ranging from .75% to 2.0% (6.2% at September 30, 1996) or prime plus a margin of up to .25% (8.25% at September 30, 1996). These rates fluctuate depending on the ratio of funded debt to resort cash flow as defined in the Credit Facilities. The Company is also required to pay an unused commitment fee ranging from .25% to .375%. Of the \$50 million of LOC availability, approximately \$45 million will ultimately be used to credit enhance the Smith Creek Metropolitan District revenue bonds (see Note 10). As of September 30, 1996, the Company had \$27.6 million of LOCs outstanding related to this credit enhancement and is using approximately \$4.1 million of LOCs for other Vail Associates corporate purposes. Fees for LOCs outstanding are payable when LOCs are issued at rates ranging from .875% to 2.125%. Vail Associates is permitted under the Credit Facilities to make (i) quarterly dividend payments to the Company in the amount of net cash proceeds from real estate sales, (ii) annual dividend payments based upon annual excess cash flow excluding cash proceeds from real estate sales, and (iii) management fee payments not to exceed \$3 million per year. Borrowings under the Credit Facilities are secured by the stock of the subsidiaries of Vail Associates and the permits granted by the United States Forest Service (see Note 1). Due to the long term nature of the Credit Facilities, all amounts outstanding are considered to be noncurrent liabilities.

The Company has received a commitment from its lender, as agent, to provide financing for the Acquisition and the working capital needs of the Company upon the closing of the Acquisition ("New Credit Facilities"). The New Credit Facilities will provide for debt financing up to an aggregate principal amount of \$340 million. The New Credit Facilities are comprised of (i) a \$175 million Revolving Credit Facility ("Revolving Credit Facility"), (ii) a \$115 million Tranche A Term Loan Facility ("Tranche A") and (iii) a \$50 million Tranche B Term Loan Facility (together with the Tranche A, the "Term Loan Facilities"). The Term Loan Facilities will be used to refinance a portion of the \$165 million of debt assumed in connection with the Acquisition. The Revolving Credit Facility matures on April 15, 2003. The minimum amortization under the Term Loan Facilities will be \$11.5 million, \$14.0 million, \$19.0 million, \$21.5 million, \$26.5 million, \$31.5 million, and \$41 million during the fiscal years ending September 30, 1998, 1999, 2000, 2001, 2002, 2003, and 2004, respectively. The Company will also be required to make mandatory amortization payments under the Term Loan Facilities with excess cash flow, proceeds from asset sales, and proceeds from equity and debt offerings.

Aggregate maturities for debt outstanding are as follows (in thousands):

7. RETIREMENT AND PROFIT SHARING PLANS

During 1992, a defined benefit pension plan covering employees of certain companies which have been sold was terminated. The accrued benefits for those plan participants became vested as of the date of sale, with no additional benefits to be accrued. In connection with the termination of the plan, a group annuity contract was purchased for settlement of substantially all remaining plan obligations. The Company received the final \$500,000 of the total excess of the plan's assets over the cost of the annuity contract of \$7.3 million during the year ended September 30, 1994.

The Company maintains a defined contribution retirement plan, qualified under Section 401(k) of the Internal Revenue Code, for its employees. Employees are eligible to participate in the plan upon attaining the age of 21 and completing one year of employment with a minimum of 1,000 hours of service. Participants may

F-14

VAIL RESORTS, INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS--(CONTINUED)

contribute from 2% to 15% of their qualifying annual compensation up to the annual maximum specified by the Internal Revenue Code. The Company matches an amount equal to 50% of each participant's contribution up to 6% of a participant's annual qualifying compensation. The Company's matching contribution is entirely discretionary and may be reduced or eliminated at any time.

Total profit sharing plan expense recognized by the Company for the years ended September 30, 1994, 1995 and 1996 was \$784,000, \$493,000 and \$594,000, respectively.

8. INCOME TAXES

At October 8, 1992, the Company had net operating loss (NOL) carryforwards for federal income tax purposes of \$575 million ("Effective Date NOLs"). Due to discharge of indebtedness income relating to the restructuring, these NOLs were reduced by \$214 million. Pursuant to Section 382 of the Internal Revenue Code (IRC), due to the change in control of the Company as described in Note 1, the Company will be limited in its use of the NOLs which existed on the Effective Date. The Company will be able to use Effective Date NOLs to the extent of approximately \$8 million per year in each of the 15 years subsequent to the Effective Date. In addition, the Company will be able to use Effective Date NOLs to the extent that built-in gains (excess of fair market value over tax basis at October 8, 1992) are recognized on asset sales which occur through October 8, 1997. Accordingly, at October 8, 1992 the financial statements reflect the benefit of the expected use of \$120 million of Effective Date NOLs. As the likelihood is low that the Company will be able to recognize a significant portion of the remaining Effective Date NOLs, the accompanying financial statements and tables of deferred tax items below do not recognize any benefits related to the remaining Effective Date NOLs, except to the extent realized. To the extent any additional tax benefits from these Effective Date NOLs are recognized, there will be a reduction to the reorganization value in excess of amounts allocable to identifiable assets recorded at October 8, 1992. During the years ended September 30, 1994, 1995 and 1996, the Company recognized the benefit of Effective Date tax attributes which were recorded as reductions to the reorganization value in excess of amounts allocable to identifiable assets of \$2,764,000, \$278,000 and \$814,000, respectively. At September 30, 1996, the Company has total federal NOL carryforwards of approximately \$353 million for income tax purposes that expire in the years 2002 through 2008, \$49 million of which are not subject to any Section 382 limitation.

Deferred income taxes reflect the net tax effects of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and income tax purposes. Significant components of the Company's deferred tax liabilities and assets as of September 30, 1995 and 1996 are as follows (in thousands):

9. RELATED PARTY TRANSACTIONS

The Company provided administrative and other services to GHTV subsequent to the Effective Date pursuant to a Reimbursement Agreement between the Company and GHTV. Under the Reimbursement Agreement, GHTV reimbursed the Company for all costs incurred directly by the Company on behalf of GHTV, and for its allocated share of all Company corporate salaries and overhead expenses. In connection with the sale of a GHTV subsidiary on May 25, 1993, the

Reimbursement Agreement was amended to limit the GHTV reimbursement to the Company to \$250,000 per year. Accordingly, the Company received \$250,000 of expense reimbursements related to the Reimbursement Agreement during the year ended September 30, 1994. As a result of the repurchase by the Company of the stock of GHTV (see Note 1), the Reimbursement Agreement was no longer in effect subsequent to September 30, 1994. During that year, the Company received an additional \$760,000 from GHTV for its allocation of the costs of participating in certain of the Company's fringe benefit plans and in sharing the cost of master policies for business insurance coverage.

Packerland utilized related companies for repair, maintenance and leasing of transportation equipment. Services totaling \$881,000 were purchased from related parties during the year ended September 30, 1994. As a result of the sale of Packerland on August 31, 1994 (see Note 3), these costs were no longer incurred subsequent to that date.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS--(CONTINUED)

Corporate expense for each of the years end September 30, 1994, 1995 and 1996 includes an annual fee of \$500,000 for management services provided by an affiliate of the majority holder of the Company's Common Stock. This fee is generally settled partially through use of the Company's facilities and partially in cash. At September 30, 1996, the Company's liability with respect to this arrangement was \$319,000.

The Game Creek Club (the "Club") is a private club located at the top of Vail Mountain which began operations during fiscal 1996. Club members have luncheon privileges at the Club's facilities during the ski season. The Company operates the Club under an agreement which requires the Club to reimburse the Company for any operating losses sustained on the Club's operations. At September 30, 1996, the Club owed the Company \$1.0 million pursuant to this agreement.

Vail Associates has effective control of the Beaver Creek Resort Company (Resort Company), a non-profit entity formed for the benefit of property owners in Beaver Creek. As of December 31, 1995, Vail Associates relinquished its right to appoint certain directors, however, as of September 30, 1996, Vail Associates still controls the Board. Vail Associates has a management agreement with the Resort Company, renewable for one-year periods, to provide management services on a fixed fee basis without any profit. In accordance with a cash flow agreement which is effective through 2000, Vail Associates will fund the cash needs of the Resort Company that are not otherwise met through the Resort Company's operations or borrowings. During fiscal years 1991 through 1996, the Resort Company was able to meet its operating requirements through its own operations. Management fees paid to the Company under its agreement with the Resort Company during fiscal years 1994, 1995 and 1996 totaled \$5.8 million, \$7.0 million and \$5.5 million, respectively. Related amounts due the Company at September 30, 1995 and 1996 were \$34,000 and \$599,000, respectively.

In 1991, the Company loaned to Andrew P. Daly, the Company's President, \$300,000, \$150,000 of which bears interest at 9% and the remainder of which is non-interest bearing. The principal sum plus accrued interest is due no later than one year following the termination, for any reason, of Mr. Daly's employment with the Company. The proceeds of the loan were used to finance the purchase and improvement of real property. The loan is secured by a deed of trust on such property.

In 1995, Mr. Daly's spouse and James P. Thompson, President of VAREG, and his spouse received financial terms more favorable than those available to the general public in connection with their purchase of lots in the Bachelor Gulch development. Rather than payment of an earnest money deposit with the entire balance due in cash at closing, these contracts provide for no earnest money deposit with the entire purchase price (which was below fair market value) paid under promissory notes of \$438,750 and \$350,000 for Mr. Daly's spouse and Mr. and Mrs. Thompson, respectively, each secured by a first deed of trust and amortized over 25 years at 8% per annum interest, with a balloon payment due on the earlier of five years from the date of closing or one year from the date employment with the Company is terminated. The promissory notes will be executed upon the closings of the lot sales which are expected to occur in December 1996.

10. COMMITMENTS AND CONTINGENCIES

As of September 30, 1996, the Company had entered into real estate contracts for the sale of certain real estate and related amenities for gross proceeds of approximately \$106.9 million. The Company estimates that subsequent to September 30, 1996, it will incur additional selling, holding and infrastructure costs of \$24.5 million in connection with the sale of the

properties subject to those contracts. In addition, the Company expects that subsequent to September 30, 1996 it will make mountain improvements of \$17.2

F-17

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS--(CONTINUED)

million (a portion of which will be completed in connection with the sale of the properties subject to the real estate contracts), which will consist primarily of a high speed quad chairlift, base area improvements and snowmaking and will benefit the properties subject to the real estate contracts as well as the Company's remaining real estate holdings in Bachelor Gulch Village and Arrowhead. The Company has entered into repurchase agreements with certain developers who have purchased real estate from the Company to repurchase certain retail and residential space in the completed developments. At September 30, 1996, the Company has agreed to repurchase various retail and residential space for amounts totaling \$10.9 million.

On September 25, 1996, the Company declared a right to receive up to \$4.87 per share of Common Stock (the "Rights") to all stockholders of record on October 11, 1996, with a maximum aggregate amount payable under the Rights of \$50.5 million. The Company will make payments under the Rights only to the extent it receives sufficient gross proceeds under the real estate contracts referred to above to make such payments. The Company currently estimates payments under the Rights will be made in January and June 1997. Stockholders who purchase shares in the Company's anticipated Offering will not be entitled to any payments with respect to the Rights. In addition, the Company amended certain option agreements held by management of the Company to eliminate the right of option holders to receive any portion of the payments made under the Rights. In connection with such amendment, the Company accrued a payable to option holders of approximately \$4.5 million. The related expense is included in corporate expense in the consolidated statement of operations for the year ended September 30, 1996.

On July 9, 1996, the Company entered into a Standby Bond Purchase Agreement which could obligate the Company to purchase \$10.1 million of Eagle Country Air Terminal Corporation Revenue Bonds if certain events occur. The Company entered into this agreement to facilitate construction of a new terminal to allow expanded air service to the Eagle County Airport.

In June 1995, Vail Associates entered into an agreement with Cordillera Valley Club Investors Limited Partnership and Stag Gulch Partners to purchase 100 Cordillera Club memberships for resale to purchasers of residential lots. The obligation to purchase memberships is secured by a \$2.2 million letter of credit. As of September 30, 1996, Vail Associates has paid \$2.6 million in connection with this agreement and has resold memberships with a cost of \$977,500 to purchasers of residential lots.

In March 1995, the Smith Creek Metropolitan District ("SCMD") and the Bachelor Gulch Metropolitan District ("BGMD") were organized as quasi-municipal corporations and political subdivisions of the State of Colorado. The two districts will cooperate in the financing, construction and operation of basic public infrastructure serving the BGMD. SCMD was organized primarily to own, operate and maintain water, street, traffic and safety, transportation, fire protection, emergency medical, parks and recreation, television relay and translation, sanitation and certain other facilities and equipment of the BGMD. SCMD is comprised of approximately 150 acres of open space land owned by the Company and members of the Board of Directors of the SCMD. The BGMD is located adjacent to the SCMD and covers an area of approximately 1,250 acres of land in an unincorporated portion of Eagle County, Colorado between the Beaver Creek and Arrowhead ski mountains. All of the land in the BGMD has received final approval by Eagle County for development as two planned unit developments including various single family, two-family, cluster home and townhouse units and related uses. All of the land in the BGMD is currently owned by the Company. The Company has contracted to sell 94 single family lots, the closings of which are scheduled for December 1996 and May 1997. The Company is currently preparing to offer additional land for sale to persons, including builders, who may construct up to 600 units of various multi-family dwelling types over the next several years. Of the \$50 million of letter of credit availability under the Company's Credit Facilities (see Note 5), approximately \$45 million will ultimately be used to credit enhance the SCMD revenue bonds in order to secure the timely payment of principal and interest on the bonds. Currently, SCMD has issued \$26 million of revenue bonds which have been credit enhanced with a \$27.6 million letter of credit issued under the Credit Agreement.

VAIL RESORTS, INC.

The SCMD bonds are variable rate bonds which mature on October 1, 2035. It is anticipated that as the Bachelor Gulch community expands, the BGMD will begin to become self supporting and that within 25 to 30 years will issue general obligation bonds, the proceeds of which will be used to retire the SCMD revenue bonds. Until that time, the Company has agreed to subsidize the interest payments on the SCMD revenue bonds. During fiscal 1996, the subsidy totaled \$505,000. The Company estimates that the aggregate undiscounted future interest subsidy until the revenue bonds are retired will approximate \$40.1 million. The accompanying consolidated financial statements do not reflect this obligation.

Under the Stock Purchase Agreement dated August 31, 1994 for the sale of Packerland, the Company has agreed to indemnify the purchasers of Packerland for payments made to settle environmental claims which existed at the sale date. A liability of \$1.0 million related to these claims was recorded on the sale date. During fiscal 1996, the liability was increased by \$725,000 on the basis of revised estimates of the maximum potential liability. That amount was included in other income (expense) in the consolidated financial statements. Under the indemnification provisions of the Stock Purchase Agreement, the Company is to be reimbursed for any insurance proceeds, any reimbursements received under various government programs or any recoveries from third parties for items reimbursable under the Stock Purchase Agreement. Management is unable to estimate the amounts or likelihood of any potential reimbursements at this time and, accordingly, the accompanying consolidated financial statements do not reflect any receivable for such reimbursements.

As of the Effective Date, the Company's consolidated balance sheet included as a long-term liability an estimated potential obligation of \$3 million related to a fundraising agreement between the Company and Mr. Gillett, and a medical research foundation located in Vail, Colorado. As of September 30, 1994, the liability had been reduced to \$2.1 million on the basis of current estimates of the Company's maximum potential obligation. During the year ended September 30, 1995, the Company paid \$500,000 related to this agreement. As of September 30, 1995, the Company believed that it had no further obligation to the medical research foundation and accordingly, other income (expense) in the consolidated statement of operations for the year ended September 30, 1995 included related income of \$1.6 million. During the year ended September 30, 1996, the Company became aware that the medical research foundation believed that the Company still had a potential obligation related to this matter. On the basis of recent discussions between the parties to the agreement, the Company believes the maximum potential obligation is \$1.2 million, the amount of which is included in accounts payable and accrued expenses in the consolidated balance sheet at September 30, 1996. A receivable of \$600,000 from Mr. Gillett related to his contractual portion of the potential obligation, is included in other current assets at September 30, 1996. Other income (expense) for the year ended September 30, 1996 includes expense of \$600,000 related to the Company's portion of the potential obligation.

The Company has executed operating leases for the rental of office space, employee residential units, office equipment and snowcats through fiscal 2004. For the years ended September 30, 1996, 1995 and 1994, lease expense related to these agreements of \$3.8 million, \$3.8 million and \$3.1 million, respectively, is included in the accompanying consolidated statements of operations.

Future minimum lease payments under these leases as of September 30, 1996 are as follows:

(1) The Company's common stock is not publicly traded and, accordingly, there is no current market price for the common stock. For purposes of this calculation, the Company has estimated that the fair value of the Company's common stock as of September 30, 1996 was \$32.00 per share.

PENSION PLANS

The Company has no pension plans.

EMPLOYMENT AND CHANGE OF CONTROL AGREEMENTS OF THE COMPANY

The Company has entered into an employment agreement with Adam Aron (the "Employment Agreement"). Pursuant to the Employment Agreement, Mr. Aron serves as Chief Executive Officer of the Company. The initial term of his employment is for the period from August 1, 1996 through September 30, 1999, with a two-year automatic renewal thereafter, subject to notice of termination by either Mr. Aron or the Company. Mr. Aron's base salary is \$560,000 per year, and a bonus is guaranteed at an annualized rate of \$250,000 through fiscal 1997, after which Mr. Aron will participate in the Company's bonus plan.

Pursuant to the Employment Agreement, Mr. Aron will be granted 18,750 restricted shares of Common Stock and options to purchase 130,000 shares of Common Stock, which restricted stock and options vest over five years. The Company will provide Mr. Aron a life insurance policy of \$5 million and \$500,000 of annual disability income protection. The Company will purchase a home of Mr. Aron's choice in the Vail Valley (up to a maximum purchase price of \$1.5 million) for his use while employed by the Company. Mr. Aron is subject to a 12 month non-compete clause upon termination.

The Company has entered into an employment agreement with Andrew P. Daly. Such agreement provides that Mr. Daly will serve as President of the Company for a three-year term. Mr. Daly's base salary will be \$350,000 per year and Mr. Daly will participate in the Company's bonus Plan. In addition, pursuant to such agreement, Mr. Daly was granted 6,250 restricted shares of Common Stock and options to purchase 50,000 shares of Common Stock, all vesting over five years. The Company will provide Mr. Daly a life insurance policy of \$3 million and \$262,500 of annual disability income protection. Mr. Daly will be subject to a 12 month non-compete clause upon termination.

The Company will enter into an employment agreement with James P. Donohue. Such agreement will provide that Mr. Donohue will serve as Senior Vice President and Chief Financial Officer of the Company for a three-year term. Mr. Donohue's base salary will be \$300,000 per year and Mr. Donohue will participate in the Company's bonus plan. In addition, pursuant to such agreement, Mr. Donohue will be granted 6,000 restricted shares of Common Stock and options to purchase 30,000 shares of Common Stock, which restricted stock and options vest over three years. Mr. Donohue will be subject to a 12 month non-compete clause upon termination.

Vail Associates is currently negotiating employment contracts with Messrs. Ryman, Myers, Flynn and Thompson, which will provide for annual salaries, as well as participation in bonus, stock option and other employee benefit plans. Each agreement will be for a three-year term expiring May 31, 1999, subject to automatic renewal for successive one-year terms in the absence of notice of non-renewal by either party. Each agreement will provide that, in the event of (i) termination of the officer's employment by Vail Associates without "cause" as defined in the agreement, (ii) termination of employment by the officer for "good reason" as defined in the agreement, or (iii) non-renewal of the agreement by Vail Associates, the officer is entitled to continue to receive his then-current annual salary for a period of 12 months following such

termination or non-renewal (18 months if such termination or non-renewal occurs following a "change in control"). Each agreement will further provide that the officer may resign without good reason upon not less than 120 days' notice. Following termination of the officer's employment for any reason, the officer will be subject to a non-competition covenant for a period of one year. For purposes of the agreements, a "change in control" means the acquisition by any person or group of affiliated persons (other than Apollo Ski Partners and its affiliates) of equity securities of Vail Associates or the Company representing either a majority of the combined ordinary voting power of all outstanding voting securities of Vail Associates or the Company or a majority of the common equity interest in Vail Associates or the Company.

The Company and Vail Associates have separate employment agreements with Mr. Mandel pursuant to which Mr. Mandel receives a current aggregate salary of \$300,000 per year, as well as participation in bonus, stock option and other employee benefit plans. Mr. Mandel's employment agreements are effective until March 31, 1997, unless earlier terminated according to their terms. In the event the Company or Vail Associates terminates Mr. Mandel's employment agreements without cause, Mr. Mandel will be paid his aggregate salary and fringe benefits for a period of 12 months following the date of termination or through March 31, 1997, whichever period is longer. Payment of the severance benefits is conditioned upon Mr. Mandel's compliance with certain non-competition, confidentiality and loyalty provisions which survive the employment agreement.

Mr. Gillett resigned as Chairman of the Board, Chief Executive Officer, President and Director of the Company effective September 30, 1996. Since October 8, 1992, in connection with his employment by the Company, Mr. Gillett was granted (i) 357,488 shares of Common Stock as incentive based compensation (the "Gillett Stock"), (ii) options to purchase 204,082 shares of Common Stock at an exercise price of \$13.70 per share (the "\$13.70 Options") and (iii) options to purchase 582,404 shares of Common Stock at \$23.67 per share (the "\$23.67 Options"). Pursuant to the terms of an agreement dated October 11, 1996 between Mr. Gillett and the Company (the "Gillett Agreement"), Mr. Gillett (i) will be paid his base salary (currently \$1.7 million per annum) through October 7, 1997, (ii) exchanged the \$23.67 Options for 168,159 shares of Common Stock and (iii) waived his right to the Distribution with respect to the Gillett Stock and the \$13.70 Options as payment of the exercise price on the \$13.70 Options.

STOCK OPTION PLANS

The Company adopted a stock option plan (the "1992 Plan") pursuant to which options covering an aggregate of 1,022,755 shares of Common Stock may be issued to key employees, directors, consultants, and advisors of the Company or its subsidiaries. Options covering 916,650 shares of Common Stock have been issued to various key executives and managers of the Company. All of the options vest in equal installments over five years, with exercise prices ranging from \$13.70 per share to \$21.50 per share. As of September 30, 1996, 403,614 of these options were exercisable. The Company has amended certain option agreements under the 1992 Plan with certain members of the management of the Company to eliminate the right of those option holders to receive any portion of the payments made under the Rights. In connection with such amendment, the Company has accrued the Option Payment. See also "Item 5. Market for Registrant's Common Equity and Related Stockholder Matters."

26

In July 1996 the Company adopted a long term incentive and share award plan (the "1996 Plan") to attract, retain and motivate employees and directors of the Company. The Board of Directors of the Company has approved the 1996 Plan and the reservation of 750,000 shares of Common Stock for issuance under the 1996 Plan. As of September 30, 1996, under the 1996 Plan 31,000 shares of Common Stock had been awarded (subject to certain restrictions) and options to purchase an aggregate of 210,000 shares of Common Stock at an exercise price of \$40.00 per share had been granted to executives of the Company. Of these awards, 25,000 shares of restricted Common Stock and options to purchase 180,000 shares of Common Stock will vest in equal increments over five years. The remaining awards vest in equal increments over three years. None of the options were exercisable as of September 30, 1996.

PRINCIPAL STOCKHOLDERS

The following table sets forth the number and percentage (if more than 1%) of the outstanding shares of Common Stock owned beneficially as of December 20, 1996 by each director or nominee, by all directors and officers as a group and each person (including the address of each such person) who to the knowledge of the Company, beneficially owned more than 5% of the Company's outstanding common stock on December 20, 1996.

- (1) With the exception of 13,000 shares of Common Stock owned by Mr. Ressler, no directors or officers of the Company directly own shares of Common Stock. The Company does not believe that any director or executive officer of the Company beneficially owns Common Stock. (See "Item 10. Directors and Executive Officers of the Registrant.")
- (2) Apollo Ski Partners, L.P. is a Delaware limited partnership ("Apollo Ski") organized principally for the purpose of holding Common Stock of the Company. The general partner of Apollo Ski is Apollo Investment Fund, L.P., a Delaware limited partnership ("Apollo Fund"), a securities investment fund. The managing general partner of Apollo Fund is Apollo Advisors, L.P., a Delaware limited partnership, the general partner of which is Apollo Capital Management, Inc., a Delaware corporation ("Apollo Capital"). Mr. Black, a director of the Company, is also a director of Apollo Capital. All officers, directors and shareholders of Apollo Capital, including Messrs. Black, Katz, Mack, Rowan and Spector (directors of the Company), disclaim any beneficial ownership of the Common Stock of the Company (See also "Item 10. Directors and Executive Officers of the Registrant.")

27

- (3) Mr. Gillett resigned as Chairman of the Board, Chief Executive Officer, President and Director of the Company effective September 30, 1996. Since October 8, 1992, in connection with his employment by the Company, Mr. Gillett was granted (i) 357,488 shares of Common Stock as incentive based compensation, (ii) options to purchase 204,082 shares of Common Stock at an exercise price of \$13.70 per share (the "\$13.70 Options") and (iii) options to purchase 582,404 shares of Common Stock at \$23.67 per share (the "\$23.67 Options"). Pursuant to the terms of an agreement dated October 11, 1996 between Mr. Gillett and the Company, Mr. Gillett (i) exchanged the \$23.67 Options for 168,159 shares of Common Stock and (ii) exercised the \$13.70 Options.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS.

Each subsidiary of the Company is wholly-owned, either directly or indirectly, by the Company, except for minor amounts of stock issued to employees of various subsidiaries of Vail Associates required in connection with certain real estate brokerage licenses in Colorado.

The Company has distributed a right to receive up to \$4.87 per share of Common Stock (the "Rights") to all stockholders of record on October 11, 1996, with a maximum aggregate amount payable under the Rights of \$50.5 million. Under certain option agreements held by management, option holders would have been entitled to participate in this distribution. The Company has amended those agreements to eliminate their right of option holders to receive any portion of the payments made under the Rights. In connection with such amendment, the Company has accrued a payable to such option holders of approximately \$4.5 million (the "Option Payment"). The option holders will receive 60% of the Option Payment at the times that payments are made under the Rights and the remaining 40% at the time the options are exercised.

The Company pays a fee of \$500,000 per year to Apollo Advisors, L.P. for

management services and expenses related thereto. This fee has been incurred each year since 1993 and is paid partly in cash and partly in services rendered by the Company to Apollo Advisors, L.P. and its affiliates. This arrangement was approved by the Board of Directors of the Company in March 1993.

In 1995, Mr. Daly's spouse and Mr. Thompson and his spouse received financial terms more favorable than those available to the general public in connection with their purchase of homesites at Bachelor Gulch Village. Rather than payment of an earnest money deposit with the entire balance due in cash at closing, these contracts provide for no earnest money deposit with the entire purchase price (which was below fair market value) to be paid under promissory notes of \$438,750 and \$350,000 for Mr. Daly's spouse and Mr. and Mrs. Thompson, respectively, each to be secured by a first deed of trust and amortized over 25 years at 8% per annum interest, with a balloon payment due on the earlier of five years from the date of closing or one year from the date employment with the Company is terminated.

EMPLOYMENT AGREEMENT

EMPLOYMENT AGREEMENT dated as of October 1, 1996 by and between (i) VAIL RESORTS, INC., a Delaware corporation ("Resorts"), and VAIL ASSOCIATES, INC., a Colorado corporation and a wholly-owned subsidiary of Resorts ("Associates" and, together with Resorts, "Vail"), and (ii) ANDREW P. DALY (hereinafter referred to as "Daly").

RECITALS

1. Vail desires to employ Daly to render services to it for the period and upon the terms and conditions provided for in this Agreement; and
2. Daly wishes to serve in the employ of Vail for its benefit for the period and upon the terms and conditions provided for in this Agreement.

COVENANTS

NOW, THEREFORE, the parties hereto agree as follows:

1. Employment.

(a) Vail hereby employs Daly to serve as President of Resorts and President and Chief Executive Officer of Associates on the terms and conditions set forth herein. In such capacities, Daly shall have the responsibilities normally associated with such positions, subject to the supervision and control of the Board of Directors and chief executive officer of Resorts.

(b) Daly accepts employment by Vail and agrees that, during the term of his employment, he will devote substantially all his time and best efforts to the performance of his duties hereunder, which duties shall be performed in an efficient and competent manner and to the best of his ability. Daly further agrees that, during the term of this Agreement, he will not, without the prior written consent of the Board of Directors of Resorts, directly or indirectly engage in any manner in any business or other endeavor, either as an owner, employee, officer, director, independent contractor, agent, partner, advisor, or in any other capacity calling for the rendition of his personal services. This restriction will not preclude Daly from having passive investments, and devoting reasonable time to the supervision thereof (so long as such does not interfere with Daly's obligations hereunder), in any business or enterprise which is not in competition with any business or enterprise of Vail or any of its subsidiaries or affiliates (collectively the "Companies").

2. Compensation.

For all services rendered by Daly to or on behalf of Vail and the Companies, Associates shall pay to Daly, subject to any and all withholdings and deductions required by law, the following compensation in accordance with the normal payroll practices of Associates:

(a) Base Salary. Daly shall receive regular compensation at the initial

rate of Three Hundred Fifty Thousand Dollars (\$350,000) per year, subject to increase as provided in the following sentence (the "Base Salary"). Daly's Base Salary shall be reviewed annually by the Board of Directors of Resorts, but any increases in such Base Salary shall be at the discretion of the Board of Directors and Daly acknowledges that the Board is not obligated to make any increases. Daly's Base Salary shall not be lowered from its highest amount during the term of this Agreement without his consent.

(b) Bonuses, etc. Daly shall also be considered annually for bonuses,

deferred compensation, and/or stock options based upon his performance in light of objectives established by the Board of Directors of Resorts, it being understood that any such awards are at the discretion of the Board of Directors. Without limiting the generality of the foregoing, Daly shall be eligible to participate in (i) the Long-Term Incentive Plan of Associates (the "LTIP"), and (ii) any other bonus, incentive, deferred compensation and fringe benefit plans as Vail shall make generally available to other employees in senior management positions in accordance with the terms of the relevant contracts, policies or plans providing such benefits, specifically including health and dental insurance, any deferred incentive compensation plan and any discretionary annual bonus plan, all on such terms as the Board may determine. Daly's annual target bonus under the LTIP shall be 40% of his Base Salary; provided, however, that such target shall not create any obligation on the part of Vail to declare any bonus to Daly in any amount or otherwise alter the discretionary nature of the LTIP. If any such compensation or benefits are paid or made available, it shall be at such time or times as the Board shall determine, based upon such factors, if any, as the Board may establish.

(c) Insurance. Daly shall also receive, at Vail's expense, long-term

disability insurance which provides a benefit equal to 75% of Base Salary through the end of the term of this Agreement, and term life insurance which provides a death benefit of at least Three Million Dollars (\$3,000,000), subject in each case to the applicable underwriting limitations of such programs.

(d) Expense Reimbursement; Country Club. Daly shall also be reimbursed for

reasonable dues and assessments for business and service interests of Vail. Daly shall have a travel and entertainment budget which is reasonable in light of his position and responsibilities and shall be reimbursed for all reasonable

travel and entertainment expenses incurred by him thereunder upon submission of appropriate documentation thereof. Vail will reimburse Daly for 50% of the cost of his membership in Eagle Springs Country Club, which reimbursement shall

-2-

be payable in equal monthly installments during the first 36 months of the term of this Agreement.

(e) Loan Repayment. The maturity date of Daly's \$300,000 loan from

Associates is hereby extended to October 1, 1999 or, if earlier, the first anniversary of the date on which this Agreement is terminated for any reason other than (i) by Vail without "cause" or (ii) by Daly for "good reason" (in either case as defined below).

3. Term and Termination.

(a) Term and Renewal. The Effective Date of this Agreement shall be

October 1, 1996. Unless terminated earlier, as hereinafter provided, the term of this Agreement shall be for the period commencing with the Effective Date and continuing through October 1, 1999; provided, however, that unless either Vail or Daly gives written notice of non-renewal to the other not less than 120 days prior to the then-current scheduled expiration date, this Agreement shall be automatically renewed for successive one-year periods.

(b) Termination for Cause. Vail, acting through the Board of Directors of

Resorts, may terminate this Agreement at any time for "cause" by giving Daly written notice specifying the effective date of such termination and the circumstances constituting such cause. For purposes of this Agreement, "cause" shall mean (i) any conduct involving dishonesty, disloyalty or the unauthorized disclosure of confidential information or trade secrets which has a material detrimental impact on the reputation, goodwill or business position of Vail or any of the Companies; (ii) gross obstruction of business operations or illegal or disreputable conduct by Daly which materially impairs the reputation, goodwill or business position of Vail or any of the Companies, including acts of unlawful sexual harassment; or (iii) any action involving a material breach of the terms of the Agreement including, after 15 days' written notice and opportunity to cure to the Board's satisfaction, inattention to or neglect of duties. In the event of a termination for cause, Daly shall be entitled to receive his then-current Base Salary through the date of such termination.

(c) Termination Without Cause or Non-Renewal. Vail may terminate this

Agreement at any time without cause, by giving Daly written notice specifying the effective date of such termination. In the event of a termination without cause, or if Vail gives notice of non-renewal of this Agreement as provided in

Section 3(a), Daly shall be entitled to receive (i) his then-current Base Salary through the date of such termination or non-renewal, (ii) in the event that the applicable performance targets for the year are achieved, a pro-rated bonus for the portion of the year in which such termination or non-renewal occurs, which pro-rated bonus shall be payable in the same form and at the same time as bonus payments are made to senior executives generally, and (iii) continuation of his then-current Base Salary through the first anniversary of the date of termination or non-renewal. Notwithstanding the foregoing, should Vail and Daly mutually agree to waive Daly's compliance with the provisions of Section 4 hereof within 60 days of such termination or expiration, then Daly shall be under an obligation to mitigate

-3-

damages by seeking other employment and the Base Salary continuation shall be reduced by compensation received by Daly from other employment or self-employment following such waiver.

(d) Termination By Daly.

(1) Daly shall be entitled to terminate this Agreement at any time for "good reason" by giving Vail not less than ninety (90) days prior written notice. For purposes of this Agreement, "good reason" shall mean (i) Vail shall breach its obligations hereunder in any material respect and shall fail to cure such breach within 60 days following written notice thereof from Daly, (ii) Vail shall cease to operate a major ski resort in Colorado, (iii) Vail shall effect a material change in Daly's reporting responsibilities, titles, offices or duties as in effect immediately prior to such change, or shall remove Daly from, or fail to re-elect Daly to, any of such positions, which in either case shall have the effect of materially reducing the responsibility or authority of Daly as President of Resorts and President and Chief Executive Officer of Associates, or shall otherwise be materially inconsistent with the responsibility, authority or duties normally associated with such positions, or (iv) during the first 12 months of the term of this Agreement, Daly shall determine in good faith that he is unable to develop or maintain a satisfactory working relationship with the chief executive officer of Resorts. In such event, Daly shall be entitled to receive (i) his then-current Base Salary through the date of such termination, (ii) in the event that the applicable performance targets for the year are achieved, a pro-rated bonus for the portion of the year in which such termination occurs, which pro-rated bonus shall be payable in the same form and at the same time as bonus payments are made to senior executives generally, and (iii) continuation of his then-current Base Salary through the first anniversary of the date of such termination.

(2) Daly may also terminate this Agreement at any time without good reason by giving Vail at least one hundred twenty (120) days prior written notice. In such event, Daly shall be entitled to receive his then-current Base Salary through the date of termination.

(e) Termination Due To Disability. In the event that Daly becomes

permanently disabled (as determined by the Board of Directors of Resorts in good faith), Vail shall have the right to terminate this Agreement upon written notice to Daly; provided, however, that Daly shall be entitled to receive (i) his then-current Base Salary through the date of such termination, and (ii) continuation of his then-current Base Salary through the earlier of (x) the scheduled expiration date of this Agreement (but in no event less than 12 months from the date of disability) or (y) the date on which his long-term disability insurance payments commence.

(f) Termination Due To Death. This Agreement shall be deemed automatically

terminated upon the death of Daly. In such event, Daly's personal representative shall be entitled to receive (i) his then-current Base Salary through such date of termination, and (ii) in the event that the applicable performance targets for the year are achieved, a pro-rated bonus for the portion of the year in which such termination occurs, which pro-rated bonus shall be

-4-

payable in the same form and at the same time as bonus payments are made to senior executives generally. In addition, Vail shall continue to provide such health, dental or other medical insurance coverage to Daly's surviving spouse and dependents at Vail's expense as is made available to spouses and dependents of other employees in similar positions through the first anniversary of such termination.

(g) Change in Control. Notwithstanding the above, in the event that at any

time after a change in control of Vail (i) this Agreement is terminated by Vail without cause, (ii) this Agreement is terminated by Daly for good reason, or (iii) Vail gives notice of non-renewal of this Agreement, then in any such case Daly shall be entitled to receive (i) his then-current Base Salary through the date of such termination or non-renewal, (ii) in the event that the applicable performance targets for the year are achieved, a pro-rated bonus for the portion of the year in which such termination occurs, which pro-rated bonus shall be payable in the same form and at the same time as bonus payments are made to senior executives generally, and (iii) continuation of his then-current Base Salary for a period of 18 months from the date of termination or non-renewal. For purposes of this Agreement, a "change in control" shall mean the acquisition by any person or group of affiliated persons (other than Apollo Ski Partners, L.P. and its affiliates) of equity securities of Resorts or Associates representing either a majority of the combined ordinary voting power of all outstanding voting securities of Resorts or Associates or a majority of the common equity interest in Resorts or Associates.

(h) Other Benefits. During any period in which Daly is entitled to Base

Salary continuation following termination or expiration of this Agreement under

the terms of this Section 3, Daly shall also be entitled to continuation of then-current health, dental and other insurance benefits for Daly and his dependents at Vail's expense. Except as expressly set forth in this Section 3, Daly shall not be entitled to receive any compensation or other benefits in connection with termination of his employment; provided, however, that termination of Daly's employment hereunder shall not affect his right to receive deferred compensation earned prior to such termination (which amounts shall be payable at Vail's option either in a lump sum within 30 days of termination or in accordance with the terms of the applicable plan) or his rights to vested retirement benefits in accordance with the terms of the applicable plan. Notwithstanding the foregoing, all deferred compensation shall be forfeited by Daly in the event of termination of employment pursuant to Section 3(b) or Section 3(d) (2) of this Agreement.

(i) Payment of Salary Continuation. Payment of Base Salary following

termination of this Agreement as required by this Section 3 shall be made in accordance with Associates' normal payroll practices; provided, however, that in the event of a breach by Daly of the provisions of Sections 4 through 7, Vail shall be entitled to cease all such payments. No termination of this Agreement shall affect any of the rights and obligations of the parties hereto under Sections 4 through 7, but such rights and obligations shall survive such termination in accordance with the terms of such Sections.

-5-

4. Non Competition.

The provisions of this Section 4 shall apply for a period of one (1) year beginning with the date of the termination of Daly's employment with Vail for any reason. During such period, Daly will not, without the prior written consent of the Board, directly or indirectly, become associated, either as owner, employee, officer, director, independent contractor, agent, partner, advisor or in any other capacity calling for the rendition of personal services, with any individual, partnership, corporation, or other organization (i) in Eagle County, Colorado whose business or enterprise is competitive in any way with any of the businesses or enterprises of Vail and/or the Companies or (ii) in the states of Colorado and Utah whose business or enterprise is alpine or nordic ski area operation; provided, however, that the foregoing shall not preclude Daly from having passive investments in less than five percent (5%) of the outstanding capital stock of a competitive corporation which is listed on a national securities exchange or regularly traded in the over-the-counter market or which have been approved in writing by the Board.

(c) If, for any reason, any portion of this covenant shall be held to be unenforceable it shall be deemed to be reformed so that it is enforceable to the maximum extent permitted by law.

5. Document Return; Resignations.

Upon termination of Daly's employment with Vail for any reason, Daly agrees that he shall promptly surrender to Vail or the Companies all letters, papers, documents, instruments, records, books, products, and any other materials owned by Vail or the Companies or used by Daly in the performance of his duties under this Agreement. Additionally, upon termination of Daly's employment with Vail for any reason, Daly agrees to immediately resign from, and execute appropriate resignation letters relating to, all management or Board positions he may have by reason of his employment or involvement with Vail, specifically including but not limited to Vail, any of the Companies, the Beaver Creek Resort Company of Colorado and the various condominium associations in which Daly serves at the direction of Vail (the "Associations").

6. Confidentiality.

During the term of this Agreement, and at all times following the termination of Daly's employment with Vail for any reason, Daly shall not disclose, directly or indirectly, to any person, firm or entity, or any officer, director, stockholder, partner, associate, employee, agent or representative thereof, any confidential information or trade secrets of Vail or any of the Companies, the Beaver Creek Resort Company of Colorado or the Associations.

-6-

7. Nondisparagement.

For a period of five (5) years following the termination of Daly's employment with Vail for any reason, Daly agrees that he shall not make any statements disparaging of Vail or the Companies, the Board, and the officers, directors, stockholders, or employees of Vail or the Companies, the Beaver Creek Resort Company of Colorado or the Associations. Vail shall similarly not disparage Daly following such termination, it being understood that, subject to the terms of this Section 7, Vail and Daly, as appropriate, may respond truthfully to inquiries from prospective employers of Daly, the press and other relevant parties.

8. Injunctive Relief.

The parties acknowledge that the remedy at law for any violation or threatened violation of this Agreement will be inadequate and that, accordingly, either party shall be entitled to injunctive relief in the event of such a violation or threatened violation without being required to post bond or other surety. The above stated remedies shall be in addition to, and not in limitation of, any other rights or remedies to which either party is or may be entitled at law, in equity, or under this Agreement.

9. Non-Assignability.

It is understood that this Employment Agreement has been entered into personally by the parties. Neither party shall have the right to assign, transfer, encumber or dispose of any duties, rights or payments due hereunder, which duties, rights and payments with respect hereto are expressly declared to be non-assignable and non-transferable, being based upon the personal services of Daly, and any attempted assignment or transfer shall be null and void and without binding effect on either party; provided, however, that, subject to Daly's rights under Section 3(g) hereof, Vail may assign this Agreement to any affiliate or to any successor corporation.

10. Complete Agreement.

This Agreement constitutes the full understanding and entire employment agreement of the parties, and supersedes and is in lieu of any and all other understandings or agreements between Vail and Daly. Nothing herein is intended to limit any rights or duties Daly has under the terms of any applicable option, incentive or other similar agreements.

11. Arbitration.

Any controversy or claim arising out of or in relation to this Agreement or any breach thereof shall be settled by arbitration in Vail, Colorado in accordance with the Commercial Arbitration Rules then in effect of the American Arbitration Association (hereinafter "AAA Rules") before a panel of three arbitrators, one of whom shall be selected by Vail, the second of whom shall be selected by Daly and the third of whom shall be selected by the other two

-7-

arbitrators; provided, however, that to the extent that any of the AAA Rules or any portion thereof is inconsistent with the provisions of this Section 11, the provisions of this Section shall govern. If for any reason the AAA Rules cannot be followed or if any one of the parties fails or refuses to select an arbitrator within thirty (30) days after the time of notification of demand for arbitration by the other, or if the arbitrators selected by the parties to this Agreement cannot agree on the selection of a third arbitrator within thirty (30) days after such time as Vail and Daly have each been notified of the selection of the other's arbitrator, the necessary arbitrator or arbitrators shall be selected by the Chief Judge of the Fifth Judicial District or, if that officer fails or refuses to make an appointment, by the President of the Colorado Bar Association. In the event that any controversy or claim is submitted for arbitration hereunder relating to the failure or refusal by Vail or Daly to perform in full all of its obligations hereunder, Vail or Daly, as applicable, shall have the burden of proof (as to both production of evidence and persuasion) with respect to the justification for such failure or refusal. Any

award entered by the arbitrators shall be final, binding and non-appealable, and judgment may be entered thereon by any party in accordance with the applicable law in any court of competent jurisdiction. The arbitrators shall award the prevailing party its reasonable attorneys' fees and costs. The arbitrators shall not have the power to direct equitable relief.

12. Amendments.

Any amendment to this Agreement shall be made only in writing and signed by each of the parties hereto.

13. Governing Law.

The internal laws of the State of Colorado law shall govern the construction and enforcement of this Agreement.

14. Notices.

Any notice required or authorized hereunder shall be deemed delivered with deposited, postage prepaid, in the United States mail, certified, with return receipt requested, addressed to the parties as follows:

WHEREAS, the Company wishes to employ Executive as its Chairman of the Board and Chief Executive Officer and both parties desire to enter into an employment agreement to reflect Executive's new capacity upon the terms and conditions set forth herein:

NOW, THEREFORE, the parties hereto, intending to be legally bound, hereby agree as follows:

1. Employment. The Company hereby employs Executive as its Chairman of

1.1. Employment Term. The term of Executive's employment under this

Agreement shall commence as of the date hereof (the "Effective Date") and shall continue until September 30, 1999; provided, however, that on and after October 1, 1997, the Agreement shall automatically renew with the term of the Agreement always being at least two years. Notwithstanding the foregoing, Executive's employment and this Agreement may be terminated in accordance with Section 5 hereof. The period commencing on the Effective Date and ending on the date on which the term of Executive's employment under the Agreement shall terminate is hereinafter referred to as the "Employment Term."

1.2 Duties and Responsibilities. Executive shall serve as the

Company's Chairman of the Board and Chief Executive Officer and in such other senior positions, if any, to which he may be elected by the Board during the Employment Term. During the Employment Term, Executive shall perform all duties and accept all responsibilities incident to, and not inconsistent with, such positions as may be reasonably assigned to him by the Board.

1.3 Extent of Service. During the Employment Term, Executive agrees

to use his best efforts to carry out his duties and responsibilities under Section 1.2 hereof and, consistent with the other provisions of this Agreement, to devote substantially all his business time, attention and energy thereto except to the extent required by Executive's outside board

directorships, civic or charitable activities. Executive agrees not be become engaged in any other business, civic or charitable activity which, in his reasonable judgment, is likely to materially interfere with his ability to discharge his duties and responsibilities to the Company. Executive agrees to resign from or discontinue any other business, civic or charitable activity which, in the reasonable judgment of the Board, is likely to materially interfere with his ability to discharge his duties and responsibilities to the Company.

1.4 Base Salary. For all the services rendered by Executive

hereunder, the Company shall pay Executive a base salary ("Base Salary"), commencing on the Effective Date, at the annual rate of \$560,000, payable in installments at such times as the Company customarily pays its other senior level executives (but in any event no less often than monthly). Executive's Base Salary for each fiscal year of the Company commencing after the Effective Date shall be reviewed for appropriate adjustment (but shall not be reduced below \$560,000 in any case) by the Board pursuant to its normal performance review policies for senior level executives.

1.5 Retirement and Benefit Coverages. During the Employment Term,

Executive shall be entitled to participate in all (a) employee pension and retirement plans and programs ("Retirement Plans") and (b) welfare benefit plans and programs ("Benefit Coverages"), in each case as made available to the Company's senior level executives as a group or to its employees generally and as such Retirement Plans or Benefit Coverages may be in effect from time to time. However, Executive specifically acknowledges that the Company has no pension plan in effect as of the Effective Date. In addition, Executive shall be entitled to (i) the Company's regular holiday and vacation policy, (ii) annual membership in any clubs owned or managed by the Company (which shall terminate concurrently with the date of termination of the Employment Term pursuant to Section 5.1, 5.2, 5.3 or 5.6 and on the 90th day following the date of termination of the Employment Term pursuant to Section 5.4 or 5.5), (iii) customary use of the Company's products or services at no charge, and (iv) an additional \$5.0 million of term life insurance and \$500,000 of annual disability income protection (assuming Executive can medically qualify for coverage at reasonable cost).

1.6 Relocation Reimbursement. Executive shall be entitled to up to

\$250,000 to reimburse all documented moving and relocation expenses, including a tax equivalency payment (i.e., a "gross-up" for state and federal income taxes).

Reimbursement shall be made to Executive within 15 days of written request therefor accompanied by appropriate documentation of such expenses, and shall include repayment of (i) all costs incurred by Executive in selling his residences in Florida and Illinois, including legal fees, transfer and stamp taxes, brokers' commissions, and other customary closing costs; (ii) all costs of moving and/or storing Executive's furniture, other possessions and automobiles; and (iii) all costs of commuting between Colorado and Illinois for Executive or his family for up to 13 months; provided, however, in no case shall the Company's obligation to reimburse Executive in accordance with this Section exceed \$250,000 including the tax equivalency payment.

2

1.7(a) Special Incentive Compensation. Executive shall be entitled

to a bonus at the annual rate of \$250,000 (\$20,833.33 per full month of service) for the period from the Effective Date through September 30, 1997, to be paid on October 1, 1997.

1.7(b) Annual Incentive/Long-Term Incentive Program. On or after

October 1, 1997, Executive shall be entitled to participate in a short-term or long-term incentive compensation program established by the Company for its senior level executives generally. Payments under such programs shall depend upon achievement of certain business performance targets specified and approved annually in advance by the Board (or a Committee thereof) in its sole discretion; provided, however, that Executive's "target opportunity" under any such program shall be at least at the highest level of target award for any other senior level executive, with Executive's bonus being at least \$250,000 annually if the Company achieves the performance targets for such year. Executive's short-term and long-term incentive compensation shall be paid to him in the same form and at the same times that such compensation is paid to the Company's senior level executives generally. Executive specifically acknowledges that a portion of such incentive compensation may be deferred subject to subsequent year financial performance of the Company, if such a provision is consistent with the Company's then-existing compensation program for other senior level executives.

1.8 Restricted Stock. Executive shall be entitled to receive, as of

the Effective Date, 18,750 shares of the Company's common stock, \$.01 par value (the "Restricted Stock"). The number of shares of Restricted Stock shall be increased by 2,679 shares on March 31, 1997 in the event that both the Company's initial public offering of common stock (the "IPO") and the Company's proposed acquisition of Ralston Resorts, Inc. (the "Acquisition") have not occurred by such date. The certificates representing the Restricted Stock shall be retained by the Company until such shares have vested. Except as provided in Sections 5 and 6 below, Executive's right to 20% of such shares shall vest as of the completion of each year of Executive's employment beginning on the Effective

Date. Prior to vesting, Executive shall be entitled to vote the shares of Restricted Stock and to be credited with any dividends attributable to such shares; provided, however, that no payment of such dividends shall be made unless and until, and only to the extent that, the related shares are vested; and provided, further, that the Restricted Stock shall not be entitled to receive any of the proceeds of the \$55.0 million special dividend as described in the Company's 1996 S-2 filing. Upon termination of the Employment Term for any reason, that portion of the Restricted Stock that is not vested (after giving effect to any acceleration of vesting pursuant to Sections 5 and 6) shall be forfeited by Executive.

1.9 Stock Options. Executive shall receive, as of the Effective

Date, an option to purchase 130,000 shares of common stock of the Company divided into Tranche A and Tranche B of 65,000 shares each (the "Option"), which Option shall be a "non-qualified stock option" for federal income tax purposes. The number of shares subject to the Option shall be adjusted for stock splits, stock combinations or stock dividends but not for equity additions. The Option exercise price shall be \$40 per share, subject to reduction to \$35 per share on March 31, 1997 in the event that the IPO and the Acquisition have not occurred by such date. Except as

3

provided in Sections 5 and 6 below, the Option shall vest with respect to 20% of the shares covered thereby as of the completion of each year of Executive's employment beginning on the Effective Date. Upon termination of the Employment Term for any reason, that portion of the Option that is not vested (after giving effect to any acceleration of vesting pursuant to Sections 5 and 6) shall expire and be forfeited. The Option shall have a 10 year term; provided, however, that in the event of earlier termination of the Employment Term, the Option shall expire 90 days after the date of such termination if such termination is pursuant to Sections 5.3 or 5.6, and shall expire nine months after the date of such termination if such termination is for any other reason. Executive shall be credited with any dividends attributable to shares covered by the Option other than regular dividends paid out of the Company's current earnings in accordance with a multi-year dividend policy adopted and consistently applied by the Board (it being understood that, since the Company's current policy is not to pay regular dividends, the payment of dividends under a new dividend policy that is intended in good faith to result in periodic dividends over a multi-year period shall be deemed regular dividends). Payment of such credited dividends shall be made at the time of, and only if and to the extent that, the Option becomes vested and the shares are purchased upon exercise of the Option; provided, however, that the shares subject to the Option shall not be entitled to receive the proceeds of, and the related exercise price shall not be adjusted on account of, the \$55.0 million special dividend as described in the Company's 1996 S-2 filing.

1.10 Home Purchase. The Company shall purchase a home of Executive's

choosing in the Vail Valley for Executive's use as his personal residence during the Employment Term and extending through but not beyond 90 days thereafter. It shall be a condition of Executive's employment that Executive live in such residence, and that the residence be located at the Company's Vail, Beaver Creek, or Arrowhead resorts for the convenience of the Company. From such residence Executive shall be expected by the Company to observe the operation of the resorts, be on immediate 24-hour call in case of accident or emergency, maintain a Company telephone extension in the residence, as well as entertain customers and others important to the Company. The purchase price for such residence shall not exceed \$1.5 million, unless the Company at its sole option chooses to fund a higher purchase price. The Company shall pay for the real estate taxes, property insurance, homeowner's association assessments, and exterior painting as needed, and shall provide that the major operational systems of the residence are functional. Otherwise, Executive shall provide and pay for the maintenance of the residence, including snow removal and landscaping, interior painting as needed, insurance on Executive's possessions, maintenance or replacement (if necessary) of appliances, and other incidental repair. The Company agrees not to require Executive to change his residence during the Employment Term other than in connection with the relocation of Executive's office to another location in Eagle County, Summit County or the Denver metropolitan area. The foregoing shall not preclude Executive, at his sole option, from changing his personal residence to a new home during the Employment Term so long as such new residence meets all of the requirements of this Section and Executive bears all costs or losses resulting from such change, including all brokerage commissions, transfer and stamp taxes,

assessments and other charges as well as any loss to the Company from the sale of the previous home.

1.11 Reimbursement of Expenses. Executive shall be reimbursed for

customary travel, entertainment and other out-of-pocket expenses reasonably incurred by him on behalf of the Company in the performance of his duties hereunder, which reimbursement shall be made in accordance with the Company's normal reimbursement policies.

2. Confidential Information. Executive recognizes and acknowledges that,

by reason of his employment by and service to the Company before, during and, if applicable, after the Employment Term, he has had and will continue to have access to certain confidential and proprietary information relating to the Company's business, which may include, but is not limited to, trade secrets, trade "know-how", customer information, supplier information, cost and pricing information, marketing and sales techniques, strategies and programs, computer programs and software and financial information (collectively referred to as "Confidential Information"). Executive acknowledges that such Confidential Information is a valuable and unique asset of the Company and Executive covenants that he will not at any time during the course of his employment use

any Confidential Information or divulge or disclose any Confidential Information to any person, firm or corporation except in connection with Executive's good faith belief as to the proper performance of his duties for the Company. Executive also covenants that, at any time after the termination of his employment, he will not directly or indirectly use any Confidential Information for any purpose or divulge or disclose any Confidential Information to any person, firm or corporation, unless such information is in the public domain through no fault of Executive or except when required to do so by a court of law, by any governmental agency having supervisory authority over the business of the Company or over Executive or by any administrative or legislative body (including a committee thereof) with apparent jurisdiction to order him to divulge, disclose or make accessible such information, in which case Executive will inform the Company in writing promptly of such required disclosure.

3. Non-Competition, Non-Solicitation and Non-Disparagement.

(a) During his employment by the Company and for a period of one year thereafter, Executive will not, except with the prior written consent of the Board, directly or indirectly own, manage, operate, join, control, finance or participate in the ownership, management, operation, control or financing of, or be connected as an officer, director, employee, partner, principal, agent, representative, consultant or otherwise with, or use or permit his name to be used in connection with, any business or enterprise that is engaged in a "Competing Enterprise," which is defined as an entity whose operations are conducted within the ski industry in North America or in the real estate development, lodging or hospitality industries in the State of Colorado. Notwithstanding the foregoing, Executive may participate, own, finance, manage, obtain employment or otherwise be connected with a larger regional, national or international business or enterprise (a "New Employer") which owns or operates a

Competing Enterprise as a brand, branch, division, subsidiary or affiliate provided that (i) the Competing Enterprise accounts for less than 10% of the New Employer's annual revenues and annual net income on both a historical or pro forma basis for the New Employer's most recently completed fiscal year, and (ii) Executive's duties for the New Employer are not primarily related to the conduct of such Competing Enterprise.

(b) The foregoing restrictions shall not be construed to prohibit the ownership by Executive of less than five percent (5%) of any class of securities of any corporation which is engaged in any of the foregoing businesses having a class of securities registered pursuant to the Securities Exchange Act of 1934 (the "Exchange Act"), provided that such ownership represents a passive investment and that neither Executive nor any group of persons including Executive in any way, either directly or indirectly, manages or exercises control of any such corporation, guarantees any of its financial obligations, otherwise takes any part in its business (other than exercising his rights as a

shareholder), or seeks to do any of the foregoing.

(c) Executive further covenants and agrees that, during his employment by the Company and for the period of one year thereafter, Executive will not solicit for another business or enterprise any person who is a managerial or higher level employee of the Company at the time of Executive's termination.

(d) During Executive's employment and for a period of five years thereafter, Executive agrees that he shall not make any public statements disparaging of the Company or its subsidiaries, the Board, or the officers, directors, stockholders, or employees of the Company or its subsidiaries. The Company shall similarly not disparage Executive following such termination. Notwithstanding the foregoing, the parties may respond truthfully to inquiries from governmental agencies or from prospective employers of Executive. Similarly, nothing in this provision is intended to prevent either party from seeking to enforce the provisions of this Agreement through appropriate proceedings.

4. Equitable Relief.

(a) Executive acknowledges and agrees that the restrictions contained in Sections 2 and 3 are reasonable and necessary to protect and preserve the legitimate interests, properties, goodwill and business of the Company, that the Company would not have entered into this Agreement in the absence of such restrictions and that irreparable injury will be suffered by the Company should Executive breach any of the provisions of those Sections. Executive represents and acknowledges that (i) he has been advised by the Company to consult his own legal counsel in respect of this Agreement, and (ii) that he has had full opportunity, prior to execution of this Agreement, to review thoroughly this Agreement with his counsel.

(b) Executive further acknowledges and agrees that a breach of any of the restrictions in Sections 2 and 3 cannot be adequately compensated by monetary damages. Executive agrees that the Company shall be entitled to preliminary and permanent injunctive

relief, without the necessity of proving actual damages, as well as an equitable accounting of all earnings, profits and other benefits arising from any violation of Sections 2 or 3 hereof, which rights shall be cumulative and in addition to any other rights or remedies to which the Company may be entitled. In the event that any of the provisions of Sections 2 or 3 hereof should ever be adjudicated to exceed the time, geographic, service, or other limitations permitted by applicable law in any jurisdiction, it is the intention of the parties that the provision shall be amended to the extent of the maximum time, geographic, service, or other limitations permitted by applicable law, that such amendment shall apply only within the jurisdiction of the court that made such adjudication and that the provision otherwise be enforced to the maximum extent

permitted by law.

5. Termination. The Employment Term shall terminate upon the occurrence

of any one of the following events:

5.1 Disability. The Company may terminate the Employment Term if

Executive is unable substantially to perform his duties and responsibilities hereunder to the full extent required by the Board by reason of illness, injury or incapacity for six consecutive months, or for more than nine months in the aggregate during any period of 12 calendar months (a "Disability"); provided, however, that the Company shall continue to pay Executive his Base Salary until the Company acts to terminate the Employment Term and Executive shall be entitled to all Restricted Stock and Options that are vested as of the date of such termination. In addition, in the event Executive executes a written release in connection with such termination (such release to be effective only if the Company executes such release) substantially in the form attached hereto as Annex I (the "Release"), Executive shall be entitled to receive (i) upon the achievement of the Company's performance targets for such year, a pro rata portion of the incentive compensation Executive would have received under the plans described in Section 1.7(b) for the year in which such termination occurred, which amounts shall be payable in accordance with the terms of the applicable plan, (ii) all deferred incentive compensation earned by Executive with respect to prior years, which amounts shall be payable at the Company's option either in a lump sum within 30 days of termination or in accordance with the terms of the applicable plan, (iii) all amounts (including accrued vacation pay but excluding severance compensation) to which Executive is then entitled upon termination of employment under applicable plans and programs of the Company then in effect, and (iv) all other amounts then due and payable to Executive pursuant to the terms of this Agreement with respect to services rendered prior to termination of employment. In addition, if Executive executes the Release, all unvested shares of Restricted Stock and Tranche A of the Option shall automatically become 100% vested upon termination of the Employment Term pursuant to this Section 5.1. The Company shall have no further liability or obligation to Executive for compensation under this Agreement. In the event of any dispute under this Section 5.1 and to the extent determined by the Board to be job-related and consistent with business necessity, Executive shall submit to a physical examination by a licensed physician selected by the Board and approved by Executive, such approval not to be unreasonably withheld.

5.2 Death. The Employment Term shall terminate in the event of

Executive's death. In such event, the Company shall pay to Executive's executors, legal representatives or administrators, as applicable, an amount equal to the installment of his Base Salary set forth in Section 1.4 hereof for the month in which he dies. In addition, Executive's estate shall be entitled to receive (i) previously vested shares of Restricted Stock and Options, (ii)

upon the achievement of the Company's performance targets for such year, a pro rata portion of the incentive compensation Executive would have received under the plans described in Section 1.7(b) for the year in which such termination occurred, which amounts shall be payable in accordance with the terms of the applicable plan, (iii) all deferred incentive compensation earned by Executive with respect to prior years, which amounts shall be payable at the Company's option either in a lump sum within 30 days of termination or in accordance with the terms of the applicable plan, (iv) all amounts (including accrued vacation pay but excluding severance compensation) to which Executive is then entitled upon termination of employment under applicable plans and programs of the Company then in effect, and (v) all other amounts then due and payable to Executive pursuant to the terms of this Agreement with respect to services rendered prior to termination of employment. In addition, all unvested shares of Restricted Stock and Tranche A of the Option shall automatically become 100% vested upon termination of the Employment Term pursuant to this Section 5.2. The Company shall have no further liability or obligation under this Agreement to his executors, legal representatives, administrators, heirs or assigns or any other person claiming under or through him.

5.3 Cause. The Company may terminate the Employment Term at any time

for "cause" upon written notice to Executive, in which event all payments under this Agreement shall cease, except for (i) Base Salary to the extent already earned or accrued, (ii) previously vested shares of Restricted Stock and Options, (iii) all amounts (including accrued vacation pay but excluding severance compensation) to which Executive is then entitled upon termination of employment under applicable plans and programs of the Company then in effect, and (iv) all other amounts then due and payable to Executive pursuant to the terms of this Agreement with respect to services rendered prior to termination of employment. For purposes of this Agreement, Executive's employment may be terminated for "cause" if (i) Executive is convicted of a felony, (ii) in the reasonable determination of the Board, Executive has (x) committed an act of fraud, embezzlement, or theft in connection with Executive's duties in the course of his employment with the Company, or (y) engaged in gross mismanagement or gross negligence in the course of his employment with the Company or (iii) Executive has breached his obligations under this Agreement, including inattention to or neglect of duties, and shall not have remedied such breach within 30 days after receiving written notice from the Board specifying the details thereof; provided, however, that in any case under clause (ii) or (iii), the act or failure to act by Executive is materially harmful to the reputation, goodwill or business position of the Company or its subsidiaries.

5.4 Termination Without Cause.

(a) The Company may terminate the Employment Term at any time without cause upon written notice to Executive; provided, however, that in the event that such notice is given, Executive shall be under no obligation to render any

additional services to the Company and shall be allowed to seek other employment, subject to the restrictions set forth in Section 3(a). Upon any such termination, except as provided in Section 5.4(b) below, Executive shall be entitled to receive, as liquidated damages for the failure of the Company to continue to employ Executive, only the amount due to Executive under the Company's then-current severance pay plan for employees and (i) Base Salary to the extent already earned or accrued, (ii) all deferred incentive compensation earned by Executive with respect to prior years, which amounts shall be payable at the Company's option either in a lump sum within 30 days of termination or in accordance with the terms of the applicable plans, (iii) previously vested shares of Restricted Stock and Options, (iv) all amounts (including accrued vacation pay) to which Executive is then entitled upon termination of employment under applicable plans and programs of the Company then in effect, and (v) all other amounts then due and payable to Executive pursuant to the terms of this Agreement with respect to services rendered prior to termination of employment. The Company shall have no further liability or obligation to Executive for compensation under this Agreement.

(b) Notwithstanding the foregoing, upon such termination, in the event that Executive executes the Release, Executive shall be entitled to receive, in lieu of the payments described in subsection (a) hereof, which Executive agrees to waive, as liquidated damages for the failure of the Company to continue to employ Executive, (i) two years' of Executive's Base Salary in accordance with Section 1.4 or, if greater, for the balance of the current Employment Term (without regard to Executive's removal), payable in accordance with the Company's normal payroll practices over such period, (ii) previously vested shares of Restricted Stock and Options, (iii) upon the achievement of the Company's performance targets for such year, a pro rata portion of the incentive compensation Executive would have received under the plans described in Section 1.7(b) for the year in which such termination occurred, which amounts shall be payable in accordance with the terms of the applicable plan, (iv) all deferred incentive compensation earned by Executive with respect to prior years, which amounts shall be payable at the Company's option either in a lump sum within 30 days of termination or in accordance with the terms of the applicable plan, (v) all amounts (including accrued vacation pay but excluding severance compensation) to which Executive is then entitled upon termination of employment under applicable plans and programs of the Company then in effect, and (vi) all other amounts then due and payable to Executive pursuant to the terms of this Agreement with respect to services rendered prior to termination of employment. In addition, if Executive executes the Release, all unvested shares of Restricted Stock and Tranche A of the Option shall automatically become 100% vested upon termination of the Employment Term pursuant to this Section 5.4. The Company shall have no further liability or obligation to Executive for compensation under this Agreement.

5.5 Constructive Termination Without Cause.

(a) Resignation by Executive for good reason ("Constructive Termination Without Cause") shall mean a termination of Executive's employment at his initiative following the occurrence, without Executive's written consent, of (i) a material diminution in Executive's duties, responsibilities, authority, or status, (ii) a reduction in Executive's Base Salary below \$560,000 per year or failure to pay Executive's bonus or incentive compensation in violation of Section 1.7(a) or (b), (iii) a failure to convey, within 10 business days after written request of Executive, any vested Restricted Shares or any shares purchased upon exercise of the Option, (iv) the assignment to Executive of duties or obligations despite his stated written objection to the Board which would require Executive to violate any law, or interpretation thereof, of any governmental body of the United States or the state of Colorado, (v) an involuntary relocation of Executive's office outside of Eagle or Summit Counties or the Denver metropolitan area or away from the Company's principal executive offices, or (vi) a failure of the Company to comply with any of the material terms of this Agreement.

(b) In the event of a Constructive Termination Without Cause, if Executive executes the Release, Executive shall be entitled to receive (i) two years' of Executive's Base Salary in accordance with Section 1.4 or, if greater, for the balance of the current Employment Term (without regard to Executive's removal), payable in accordance with the Company's normal payroll practices over such period, (ii) previously vested shares of Restricted Stock and Options, (iii) upon the achievement of the Company's performance targets for such year, a pro rata portion of the incentive compensation Executive would have received under the plans described in Section 1.7(b) for the year in which such termination occurred, which amounts shall be payable in accordance with the terms of the applicable plan, (iv) all deferred incentive compensation earned by Executive with respect to prior years, which amounts shall be payable at the Company's option either in a lump sum within 30 days of termination or in accordance with the terms of the applicable plan, (v) all amounts (including accrued vacation pay but excluding severance compensation) to which Executive is then entitled upon termination of employment under applicable plans and programs of the Company then in effect, and (vi) all other amounts then due and payable to Executive pursuant to the terms of this Agreement with respect to services rendered prior to termination of employment. In addition, if Executive executes the Release, all unvested shares of Restricted Stock and Tranche A of the Option shall automatically become 100% vested upon termination of the Employment Term pursuant to this Section 5.5. In the event Executive refuses to execute the Release, he shall receive, as liquidated damages for the failure of the Company to continue to employ Executive, only the amount due to Executive under the Company's then current severance pay plan for employees and (i) Base Salary to the extent already earned or accrued, (ii) all deferred incentive compensation earned by Executive with respect to prior years, which amounts shall be payable at the Company's option either in a lump sum within 30 days of termination or in accordance with the terms of the applicable plans, (iii) previously vested shares of Restricted Stock and Options, (iv) all amounts (including accrued vacation pay) to which Executive is then entitled upon termination of employment under applicable plans and programs of the Company then in

effect, and (v) all other amounts then due and payable to Executive pursuant to the terms of this Agreement with respect to services rendered prior to termination of employment. The Company shall have no further liability or obligation to Executive for compensation under this Agreement.

(c) Prior to resigning under this Section, Executive shall give written notice to the Board and offer a 30-day period for the Company to cure. If, and only if, the Company cures an issue raised by the Executive under this Section, and Executive again feels it necessary to resign under this Section, Executive shall again give written notice to the Board and offer a new 30-day period for the Company to cure. If no cure has been effected by the end of the applicable cure period, Executive may resign immediately in accordance with the provisions of subsections (a) and (b) above. After two such cure periods, only written notice must be given but no cure period will be required.

5.6 Voluntary Termination. Executive may voluntarily terminate the

Employment Term upon 30 days' prior written notice for any reason. In such event, Executive shall be entitled only to (i) Base Salary to the extent already earned or accrued, (ii) previously vested shares of Restricted Stock and Options, (iii) all amounts (including accrued vacation pay but excluding severance compensation) to which Executive is then entitled upon termination of employment under applicable plans and programs of the Company then in effect, and (iv) all other amounts then due and payable to Executive pursuant to the terms of this Agreement with respect to services rendered prior to termination of employment. The Company shall have no further liability or obligation to Executive for compensation under this Agreement. A voluntary termination under this Section 5.6 shall not be deemed a breach of this Agreement.

6. Acceleration of Vesting Following a Change of Control. In the event

of a "change of control" of the Company, defined to mean that a person other than Apollo Ski Partners L.P. or its affiliates ("Apollo") owns at least 51% of the Company's outstanding common stock or controls at least 51% of the seats on the Board, all of Executive's rights under the Option and to the Restricted Stock shall immediately vest if either (i) Executive remains employed with the Company for at least six months after a change of control occurs, or (ii) Executive's employment is terminated following such change in control pursuant to Section 5.1, 5.2, 5.4, or 5.5. In the event Apollo sells two-thirds or more of its shares of common stock in connection with a change in control occurring prior to the IPO, at Executive's sole option, some or all of Executive's shares which are vested or become vested under this Section 6 (including shares covered by the Option) may be sold for the same price and terms as Apollo receives and the proceeds (net of the applicable exercise price in the case of shares covered by the Option, which exercise price shall be paid to the Company) shall be held in escrow by a mutually acceptable escrow agent and paid to Executive on the third business day following the completion of the six-month period referenced in clause (i) above or the date of termination of Executive's employment pursuant to Section 5.1, 5.2, 5.4 or 5.5, as applicable. In the event of termination of Executive's employment prior to completion of such six-month

period other than pursuant to Section 5.1, 5.2, 5.4 of 5.5, Executive shall be entitled to receive only that portion of such proceeds as is attributable to Executive's shares that are vested as of the date of

termination without regard to this Section 6, and the balance of such proceeds shall be forfeited to the Company.

7. Survivorship. The respective rights and obligations of the parties

hereunder shall survive any termination of Executive's employment and the Employment Term to the extent necessary to the intended preservation of such rights and obligations.

8. No Mitigation. Executive shall not be required to mitigate the amount

of any payment or benefit provided for in this Agreement by seeking other employment or otherwise and there shall be no offset against amounts due Executive under this Agreement on account of any remuneration attributable to any subsequent employment that he may obtain. All payments to be made by the Company to Executive hereunder shall be made without any offset or deduction for any amounts owed by Executive to the Company.

9. Arbitration; Expenses. In the event of any dispute under the

provisions of this Agreement other than a dispute in which the primary relief sought is an equitable remedy such as an injunction, the parties shall be required to have the dispute, controversy or claim settled by arbitration in the City of New York, New York in accordance with the National Rules for the Resolution of Employment Disputes then in effect of the American Arbitration Association, before a panel of three arbitrators, two of whom shall be selected by the Company and Executive, respectively, and the third of whom shall be selected by the other two arbitrators. Any award entered by the arbitrators shall be final, binding and nonappealable and judgment may be entered thereon by either party in accordance with applicable law in any court of competent jurisdiction. This arbitration provision shall be specifically enforceable. The arbitrators shall have no authority to modify any provision of this Agreement or to award a remedy for a dispute involving this Agreement other than a benefit specifically provided under or by virtue of the Agreement. The Company shall be responsible for all of its own legal fees and other expenses relating to such arbitration. The fees of the American Arbitration Association and the legal fees and expenses of Executive relating to such arbitration shall be borne in the manner determined by order of the arbitrators.

10. Notices. All notices and other communications required or permitted

or to such other names or addresses as the Company or Executive, as the case may be, shall designate by notice to each other person entitled to receive notices in the manner specified in this Section.

11. Contents of Agreement; Amendment and Assignment.

(a) This Agreement supersedes all prior agreements and sets forth the entire understanding between the parties hereto with respect to the subject matter hereof and cannot be changed, modified, extended or terminated except as provided herein or upon written amendment approved by the Company and executed on its behalf by a duly authorized officer and by Executive.

(b) All of the terms and provisions of this Agreement shall be binding upon and inure to the benefit of and be enforceable by the respective heirs, executors, administrators, legal representatives, successors and assigns of the parties hereto, except that the duties and responsibilities of Executive hereunder are of a personal nature and shall not be assignable or delegatable in whole or in part by Executive. The Company shall require any successor (whether direct or indirect, by purchase, merger, consolidation, reorganization or otherwise) to all or substantially all of the business or assets of the Company, by agreement in form and substance satisfactory to Executive, expressly to assume and agree to perform this Agreement in the same manner and to the extent the Company would be required to perform if no such succession had taken place, and upon request by the Company Executive shall acknowledge, by agreement in

form and substance reasonably acceptable to such successor, that this Agreement may be enforced against Executive by such successor.

12. Severability. If any provision of this Agreement or application

thereof to anyone or under any circumstances is adjudicated to be invalid or unenforceable in any jurisdiction, such invalidity or unenforceability shall not affect any other provision or application of this

Agreement which can be given effect without the invalid or unenforceable provision or application and shall not invalidate or render unenforceable such provision or application in any other jurisdiction. If any provision is held void, invalid or unenforceable with respect to particular circumstances, it shall nevertheless remain in full force and effect in all other circumstances.

13. Remedies Cumulative; No Waiver. No remedy conferred upon a party by

this Agreement is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to any other remedy given hereunder or now or hereafter existing at law or in equity. No delay or omission by a party in exercising any right, remedy or power hereunder or existing at law or in equity shall be construed as a waiver thereof, and any such right, remedy or power may be exercised by such party from time to time and as often as may be deemed expedient or necessary by such party in its sole discretion.

14. Beneficiaries/References. Executive shall be entitled, to the extent

permitted under any applicable law, to select and change a beneficiary or beneficiaries to receive any compensation or benefit payable hereunder following Executive's death by giving the Company written notice thereof. In the event of Executive's death or a judicial determination of his incompetence, references in this Agreement to Executive shall be deemed, where appropriate, to refer to his beneficiary, estate or other legal representative.

15. Miscellaneous. All section headings used in this Agreement are for

convenience only. This Agreement may be executed in counterparts, each of which is an original. It shall not be necessary in making proof of this Agreement or any counterpart hereof to produce or account for any of the other counterparts.

16. Withholding. The Company may withhold from any payments under this

Agreement all federal, state and local taxes as the Company is required to withhold pursuant to any law or governmental rule or regulation. Executive shall bear all expense of, and be solely responsible for, all federal, state and local taxes due with respect to any payment received hereunder.

17. Indemnification and Insurance. Executive shall be indemnified with

respect to his services hereunder to the full extent provided in the Company's by-laws, and the Company agrees during the Employment Term to maintain directors' and officers' liability insurance with coverage and other terms that are customary for similarly situated companies.

18. Governing Law. This Agreement shall be governed by and interpreted

under the laws of the State of Colorado without giving effect to any conflict of laws provisions.

IN WITNESS WHEREOF, the undersigned, intending to be legally bound, have executed this Agreement as of the date first above written.

MUTUAL RELEASE

This mutual release (this "Release") is entered into as of this ____ day of _____, ____ (the "Release Date") by Adam M. Aron ("Aron"), on the one hand and Vail Resorts, Inc. ("VRI") on the other hand.

1. Reference is hereby made to the employment agreement dated July 29, 1996 (the "Employment Agreement") by the parties hereto setting forth the agreements among the parties regarding the termination of the employment relationship between Aron and VRI. Capitalized terms used but not defined herein have the meanings ascribed to them in the Employment Agreement.

2. Aron, for himself, his wife, heirs, executors, administrators, successors, and assigns, hereby releases and discharges VRI and its respective direct and indirect parents and subsidiaries, and other affiliated companies, and each of their respective past and present officers, directors, agents and employees, from any and all actions, causes of action, claims, demands, grievances, and complaints, known and unknown, which Aron or his wife, heirs, executors, administrators, successors, or assigns ever had or may have at any time through the Release Date. Aron acknowledges and agrees that this Release is intended to and does cover, but is not limited to, (i) any claim of employment discrimination of any kind whether based on a federal, state, or

local statute or court decision, including the Age Discrimination in Employment Act with appropriate notice and recision periods observed; (ii) any claim, whether statutory, common law, or otherwise, arising out of the terms or conditions of Aron's employment at VRI and/or Aron's separation from VRI; enumeration of specific rights, claims, and causes of action being released shall not be construed to limit the general scope of this Release. It is the intent of the parties that by this Release Aron is giving up all rights, claims and causes of action occurring prior to the Release Date, whether or not any damage or injury therefrom has yet occurred. Aron accepts the risk of loss with respect to both undiscovered claims and with respect to claims for any harm hereafter suffered arising out of conduct, statements, performance or decisions occurring before the Release Date.

3. VRI hereby releases and discharges Aron, his wife, heirs, executors, administrators, successors, and assigns, from any and all actions, causes of actions, claims, demands, grievances and complaints, known and unknown, which VRI ever had or may have at any time through the Release Date. VRI acknowledges and agrees that this Release is intended to and does cover, but is not limited to, (i) any claim, whether statutory, common law, or otherwise, arising out of the terms or conditions of Aron's employment at VRI and/or Aron's separation from VRI, and (ii) any claim for attorneys' fees, costs, disbursements, or other like expenses. The enumeration of specific rights, claims, and causes of action being released shall not be construed to limit the general scope of this Release. It is the intent of the parties that by this Release VRI is giving up all of its respective rights, claims, and causes of action occurring

16

prior to the Release Date, whether or not any damage or injury therefrom has yet occurred. VRI accepts the risk of loss with respect to both undiscovered claims and with respect to claims for any harm hereafter suffered arising out of conduct, statements, performance or decisions occurring before the Release Date.

4. This Release shall in no event (i) apply to any claim by either Aron or VRI arising from any breach by the other party of its obligations under the Employment Agreement occurring on or after the Release Date, (ii) waive Aron's claim with respect to compensation or benefits earned or accrued prior to the Release Date to the extent such claim survives termination of Aron's employment under the terms of the Employment Agreement, or (iii) waive Aron's right to indemnification under the by-laws of the Company.

5. This Mutual Release shall be effective as of the Release Date and only if executed by both parties.

IN WITNESS WHEREOF, each party hereto, intending to be legally bound, has executed this Mutual Release on the date indicated below.
