PROXY STATEMENT
2012 ANNUAL MEETING OF STOCKHOLDERS

GENERAL INFORMATION ABOUT THE ANNUAL MEETING

Why Did You Send Me this Proxy Statement?

We sent you this proxy statement and the enclosed proxy card because our Board of Directors is soliciting your proxy to vote at the 2012 Annual Meeting of Stockholders and any adjournments or postponements of the meeting to be held at 10:00 a.m., Eastern Daylight Time, on Wednesday, June 6, 2012, at 7226 Lee DeForest Drive, Suite 104, Columbia, Maryland 21046. This proxy statement along with the accompanying Notice of Annual Meeting of Stockholders summarizes the purposes of the meeting and the information you need to know to vote at the annual meeting.

Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting to Be Held on June 6, 2012. The proxy statement and annual report to security holders are available at <http://www.cstproxy.com/thefigi/2012>.

On or around April 30, 2012, we began sending this proxy statement, the attached notice of annual meeting and the enclosed proxy card to all stockholders entitled to vote at the meeting. Although not part of this proxy statement, our 2011 Annual Report on Form 10-K, which includes our financial statements for the fiscal year ended December 31, 2011, accompanies this proxy statement. You can also find a copy of this proxy statement and our Annual Report on Form 10-K for the year ended December 31, 2011 at <http://www.cstproxy.com/thefigi/2012>.

Who Can Vote?

Only stockholders who owned our common stock at the close of business on April 27, 2012 are entitled to vote at the annual meeting. On this record date, there were 14,729,520 shares of our common stock outstanding and entitled to vote. Our common stock is our only class of voting stock.

You do not need to attend the annual meeting to vote your shares. Shares represented by valid proxies, received in time for the meeting and not revoked prior to the meeting, will be voted at the meeting. A stockholder may revoke a proxy before the proxy is voted by providing a signed statement of revocation or a duly executed proxy card bearing a later date to us at 7226 Lee DeForest Drive, Suite 104, Columbia, Maryland 21046, Attention: Timothy C. Dec, Chief Financial Officer. Any stockholder who has executed a proxy card but attends the meeting in person may revoke the proxy and vote at the meeting.

How Many Votes Do I Have?

Each share of our common stock that you own entitles you to one vote.

How Do I Vote?

Whether you plan to attend the annual meeting or not, we urge you to vote by proxy. Voting by proxy will not affect your right to attend the annual meeting. If your shares are registered directly in your name through our stock transfer agent, Continental Stock Transfer & Trust Company, 17 Battery Place, New York, NY 10004, or you have stock certificates, you may vote:

By mail. Complete and mail the enclosed proxy card in the enclosed postage prepaid envelope. Your proxy will be voted in accordance with your instructions. If you sign the proxy card but do not specify how you want your shares voted, they will be voted as recommended by our Board of Directors.

In person at the meeting. If you attend the annual meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which will be available at the meeting.

TABLE OF CONTENTS

If your shares are held in “street name” (held in the name of a bank, broker or other nominee), you must provide the bank, broker or other nominee with instructions on how to vote your shares and can do so as follows:

By mail. You will receive instructions from your bank, broker or other nominee explaining how to vote your shares.

In person at the meeting. Contact the bank, broker or other nominee who holds your shares to obtain a broker’s proxy card and bring it with you to the meeting. You will not be able to vote at the meeting unless you have a proxy card from your broker.

How Does the Board of Directors Recommend That I Vote on the Proposals?

The Board of Directors recommends that you vote as follows:

“**FOR**” the election of Mr. Gerard J. Gallagher as a Class I director; and

“**FOR**” the proposal to amend the 2006 Omnibus Incentive Compensation Plan; and

“**FOR**” the ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2012.

If any other matter is presented, the proxy card provides that your shares will be voted by the proxy holder listed on the proxy card in accordance with his or her best judgment. At the time this proxy statement was printed, we knew of no matters that needed to be acted on at the annual meeting, other than those discussed in this proxy statement.

May I Revoke My Proxy?

If you give us your proxy, you may revoke it at any time before the meeting. You may revoke your proxy in any one of the following ways:

signing a new proxy card and submitting it, as instructed above;

notifying us at 7226 Lee DeForest Drive, Suite 104, Columbia, Maryland 21046, Attention: Timothy C. Dec, Chief Financial Officer, in writing before the annual meeting that you have revoked your proxy; or

attending the meeting in person and voting in person. Attending the meeting in person will not in and of itself revoke a previously submitted proxy, unless you specifically request it.

What if I Receive More Than One Proxy Card?

You may receive more than one proxy card or voting instruction form if you hold shares of our common stock in more than one account, which may be in registered form or held in street name. Please vote in the manner described under “How Do I Vote?” for each account to ensure that all of your shares are voted.

Will My Shares be Voted if I Do Not Return My Proxy Card?

If your shares are registered in your name or if you have stock certificates, your shares will not be voted if you do not return your proxy card by mail or vote at the meeting as described above under “How Do I Vote?”

If your shares are held in street name and you do not provide voting instructions to the bank, broker or other nominee that holds your shares as described above under “How Do I Vote?,” the bank, broker or other nominee has the authority to vote your unvoted shares on Proposal 3, even if it does not receive instructions from you. We encourage you to provide voting instructions. This ensures your shares will be voted at the meeting in the manner you desire. If your bank, broker or other nominee cannot vote your shares on a particular matter because it has not received instructions from you and does not have discretionary voting authority on that matter, this is referred to as a “broker non-vote.”

TABLE OF CONTENTS

What Vote is Required to Approve Each Proposal and How are Votes Counted?

Proposal 1: Elect One Director

The affirmative vote of a plurality of the shares of common stock cast by stockholders present in person or represented by proxy at the annual meeting is required to elect Mr. Gerard Gallagher as a Class I director. You may vote either FOR the nominee or WITHHOLD your vote from the nominee. Votes that are withheld will not be included in the vote for the election of directors. Banks, brokers, and other nominees do NOT have the authority to vote your uninstructed shares in the election of directors. If you hold your shares in street name and you do not instruct your bank, broker, or other nominee how to vote your shares in the election of directors, no votes will be cast on your behalf. Broker non-votes will have no effect on the outcome of the election.

Proposal 2: Amend the 2006 Omnibus Incentive Compensation Plan

The affirmative vote of a majority of the votes present in person or represented by proxy and entitled to vote at the annual meeting is required to approve the amendment to the 2006 Omnibus Incentive Compensation Plan. Banks, brokers, and other nominees do NOT have the authority to vote your uninstructed shares on this proposal. If you hold your shares in street name and you do not instruct your bank, broker, or other nominee how to vote your shares in the approval of the amendment, no vote will be cast on your behalf. Abstentions and broker non-votes will be treated as shares represented at the meeting and will have the same effect as votes against this proposal.

Proposal 3: Ratify the Appointment of Independent Registered Public Accounting Firm

The affirmative vote of a majority of the votes present in person or represented by proxy and entitled to vote at the annual meeting is required to ratify the appointment of the independent registered public accounting firm. Abstentions will be treated as shares represented at the meeting and will have the same effect as votes against this proposal. Banks, brokers, and other nominees have discretionary authority to vote customers' uninstructed shares held by the firms in street name on this proposal. We are not required to obtain the approval of our stockholders to appoint our independent registered public accounting firm. If our stockholders do not ratify the appointment of Grant Thornton LLP as our independent registered public accounting firm for the year ending December 31, 2012, however, our Audit Committee of our Board of Directors will reconsider its appointment.

Is Voting Confidential?

We will keep all the proxies, ballots and voting tabulations private. We only let our Inspector of Election, Continental Stock Transfer & Trust Company, examine these documents. Management will not know how you voted on a specific proposal unless it is necessary to meet legal requirements. We will, however, receive any written comments you make on the proxy card or elsewhere.

What Are the Costs of Soliciting these Proxies?

We will pay all of the costs of soliciting these proxies. Our directors and employees may solicit proxies in person or by telephone, fax or email. We will pay these employees and directors no additional compensation for these services. We will ask banks, brokers and other institutions, nominees and fiduciaries to forward these proxy materials to their principals and to obtain authority to execute proxies. We will then reimburse them for their expenses.

TABLE OF CONTENTS

What Constitutes a Quorum for the Meeting?

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock as of the record date is necessary to constitute a quorum at the meeting. Votes of stockholders of record who are present at the meeting in person or by proxy, abstentions, and broker non-votes are counted for purposes of determining whether a quorum exists.

Attending the Annual Meeting

The annual meeting will be held at 10:00 a.m., Eastern Daylight Time, on Wednesday, June 6, 2012, at our corporate offices at 7226 Lee DeForest Drive, Suite 104, Columbia, Maryland 21046. When you arrive at our offices, signs will direct you to the appropriate meeting rooms. You need not attend the annual meeting in order to vote.

Householding of Annual Disclosure Documents

In December 2000, the Securities and Exchange Commission adopted a rule concerning the delivery of annual disclosure documents. The rule allows us, or your broker, to send a single set of our annual report and proxy statement to any household at which two or more of our stockholders reside, if we or your broker believe that the stockholders are members of the same family. This practice, referred to as “householding,” benefits both you and us. It reduces the volume of duplicate information received at your household and helps to reduce our expenses. The rule applies to our annual reports, proxy statements and information statements. Once you receive notice from your broker or from us that communications to your address will be “household,” the practice will continue until you are otherwise notified or until you revoke your consent to the practice. Each stockholder will continue to receive a separate proxy card or voting instruction card.

If you do not wish to participate in “householding” and would like to receive your own set of our annual disclosure documents in future years, follow the instructions described below. Conversely, if you share an address with another stockholder and together both of you would like to receive only a single set of our annual disclosure documents, follow these instructions:

If your shares are registered in your own name, please contact our transfer agent, Continental Stock Transfer & Trust Company, and inform them of your request by calling them at 212.509.4000 ext. 206, or by e-mail at cstmail@continentalstock.com, or writing them at 17 Battery Place, New York, NY 10004.

If a broker or other nominee holds your shares, please contact the broker or other nominee directly and inform them of your request. Be sure to include your name, the name of your brokerage firm and your account number.

MANAGEMENT AND CORPORATE GOVERNANCE

The Board of Directors

Our Certificate of Incorporation and Amended and Restated Bylaws provide that our business is to be managed by or under the direction of our Board of Directors. Effective January 3, 2012, Messrs. John Morton, III, William L. Jews, and Asa Hutchinson resigned from our Board of Directors and Peter H. Woodward was elected to our Board of Directors. On March 28, 2012, Thomas P. Rosato resigned from our Board of Directors.

We do not have a policy as to whether the role of Chief Executive Officer and Chairman of the Board of Directors should be separate or combined or whether the Chairman of the Board of Directors should be a management or non-management director. Following the resignation of Mr. Rosato as Chairman of our Board of Directors on March 28, 2012, our Board of Directors elected Mr. Woodward, who is an “independent director” as defined by the rules of the NASDAQ Stock Market, LLC, as the non-executive Chairman of our Board of Directors. Given the recent changes to our senior management and Board of Directors, our Board of Directors has determined that having an independent director serve as the non-executive Chairman of our Board of Directors is in the best interests of our stockholders at this time. This structure allows the Chairman of our Board of Directors to focus on the effectiveness of our Board of Directors while the Chief Executive Officer focuses on executing our strategic plan and managing our operations and performance.

In accordance with our Certificate of Incorporation, our Board of Directors is divided into three classes for purposes of election. One class is elected at each annual meeting of stockholders to serve for a three-year term. Our Board of Directors currently consists of four members, classified into three classes as follows:

Mr. Gerard J. Gallagher constitutes a class with a term ending at the 2012 annual meeting of stockholders;

Messrs. Anthony Angelini and Harvey L. Weiss constitute a class with a term ending at the 2013 annual meeting of stockholders; and

Mr. Peter H. Woodward constitutes a class with a term ending at the 2014 annual meeting of stockholders.

Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors.

Our Board of Directors has voted to nominate Mr. Gallagher for election at the 2012 annual meeting for a term of three years to serve until the 2015 annual meeting of stockholders and until his successor has been elected and qualified, or until their earlier death, resignation or removal.

Set forth below are the names of the persons nominated as directors and our current directors whose terms do not expire this year, their ages, their offices in the company, if any, their principal occupations or employment for the past five years, the length of their tenure as directors, the names of other public companies in which such persons have held directorships during the past five years, and the experience, qualifications, attributes and skills that support the conclusion that these persons should serve as members of our Board of Directors. Mr. Woodward is the sole member of the Audit Committee and the Compensation Committee.

<u>Name</u>	<u>Age</u>	<u>Position with the Company</u>
Peter H. Woodward	39	Chairman
Harvey L. Weiss	69	Vice-Chairman

Weiss, age 69, has served as our Vice-Chairman of the Board since December 2008 and prior to that he had served as Chairman of the Board from the closing of our acquisition of TSS/Vortech on January 19, 2007. From our inception through the closing of TSS/Vortech, Mr. Weiss had served as our Chief Executive Officer, President and a member of our Board. From 2000 to 2002, he served as President of Engineering Systems Solutions, Inc., a security and biometrics integration firm. During 1999, Mr. Weiss was the Chief Executive Officer and President of Global Integrity Corporation, a SAIC subsidiary specializing in information security and served as a Director until the company was sold in 2002. From 1996 to 1998, until sold to Network Associates, Inc., Mr. Weiss was President of the Commercial Division, Secretary and Director of Trusted Information Systems, Inc., a NASDAQ-listed security network company. Prior to that time, from 1994 to 1996, Mr. Weiss served as President of Public Sector Worldwide Division for Unisys Corporation. Anthony Angelini, age 48, became a Director and our Chief Executive Officer on January 3, 2012. Since September 2007, Mr. Angelini has run his own consulting company working with private and public companies in the areas of operations and growth strategy development. From February 2004 through September 2006, Mr. Angelini was the Chief Executive Officer of Zomax, Inc., a publicly traded provider of supply chain services. From 1998 to February 2004, Mr. Angelini held multiple executive-level positions at Zomax. From 1989 to 1998, Mr. Angelini founded and lead the growth of several service-based private companies that were sold to Zomax in 1998. Mr. Angelini received a Bachelor of Business Administration in Finance from California State University, Chico in 1986. Mr. Angelini has over 20 years of experience as an operator and manager, including as a chief executive officer of a publicly traded company, that will be valuable to our Board of Directors.

On June 9, 2005, the Securities and Exchange Commission filed a civil injunctive action charging certain executive officers of Zomax, Inc. with violations of the federal securities laws by misrepresenting or omitting to state material facts regarding Zomax's prospects of meeting quarterly revenue and earnings targets during a conference call with analysts. The SEC further charged that Mr. Angelini, Zomax's President and Chief Operating Officer at the time of such conference call, recklessly failed to act to prevent such disclosures and omissions of material facts from being made. Without admitting or denying the SEC's charges, Mr. Angelini consented to the entry of a court order enjoining him from any violations of certain provisions of the federal securities laws. In addition, Mr. Angelini agreed to disgorge \$43,700 plus prejudgment interest and pay a \$50,000 civil penalty.

Gerard J. Gallagher, age 55, became a Director and our President and Chief Operating Officer upon our acquisition of TSS/Vortech on January 19, 2007. Director Independence

The Board of Directors has adopted the director independence standards of The NASDAQ Stock Market, LLC. Our Board of Directors has reviewed the materiality of any relationship that each of our directors has with the company, either directly or indirectly. Based upon this review, our Board of Directors has determined that Mr. Woodward is an “independent director” as defined by The NASDAQ Stock Market, LLC and has no material relationship with us, except as a director and/or stockholder.

Role in Risk Oversight

As part of its general responsibility to manage our business, the Board of Directors has oversight responsibility with respect to risk management. The Board of Directors has delegated primary responsibility for risk oversight and the monitoring of our significant areas of risk to the Audit Committee. In accordance with its charter, the Audit Committee inquires of management and our independent registered accounting firm about significant risks or exposures to risks and discusses guidelines and policies to govern the steps management has taken to minimize these risks. The Audit Committee regularly reports the results of these inquiries and discussions to our Board of Directors.

Committees of the Board of Directors and Meetings

Meeting Attendance

Although we do not have any formal policy regarding director attendance at our annual meetings, we will attempt to schedule our annual meetings so that all of our directors can attend. The majority of our directors attended the 2011 annual meeting either in person or telephonically. During 2011, the Board of Directors met seven times. During the fiscal year ended December 31, 2011, all of our directors attended at least 75% of the meetings of the Board of Directors and committees of the Board of Directors on which they served.

Audit Committee

Our Audit Committee currently has one member, Peter H. Woodward. Our Audit Committee’s role and responsibilities are set forth in a written charter and include the authority to retain and terminate the services of our independent registered public accounting firm, review annual financial statements, review quarterly financial statement, consider matters relating to accounting policy and internal controls and review the scope of annual audits. The Audit Committee met four times in 2011.

Mr. Woodward satisfied the current independence standards promulgated by the Securities and Exchange Commission and The NASDAQ Stock Market, LLC, as such standards apply specifically to members of audit committees. The Board has determined that Mr. Woodward is an “audit committee financial expert,” as the Securities and Exchange Commission has defined that term in Item 407 of Regulation S-K. Please also see the report of the Audit Committee set forth elsewhere in this proxy statement.

A copy of the Audit Committee’s written charter is publicly available on our website at www.thefigi.com.

Compensation Committee

The Compensation Committee is responsible for the determination of the compensation of our Chief Executive Officer, President and Chief Operating Officer, and Chief Financial Officer and conducts its decision-making process with respect to their

compensation without the Chief Executive Officer, President and Chief Operating Officer, and Chief Financial Officer present. Mr. Woodward qualified as an independent director under the definition promulgated by The NASDAQ Stock Market, LLC. The Compensation Committee met six times in 2011.

- review, modify and approve our overall compensation strategy;
- recommend to the Board of Directors the compensation and terms of employment of our executive officers, including Anthony Angelini, our Chief Executive Officer, Gerard J. Gallagher, our President and Chief Operating Officer, and Timothy C. Dec, our Chief Financial Officer, and to evaluate their respective performance in light of relevant goals and objectives;

Our Compensation Committee approves and makes recommendations to our Board of Directors with respect to the compensation for our executive officers (other than Mr. Angelini) with the advice of Mr. Angelini and/or one or more other executive officers designated by Mr. Angelini. Although the Compensation Committee receives information and recommendations regarding the design and level of compensation for the executive officers from management, the Compensation Committee makes the final recommendations to the Board of Directors as to the design and compensation levels for the executive officers. To the extent we enter into employment agreements with our executive officers, those agreements would be subject to negotiation between us and the applicable executive officer. The Compensation Committee did not engage a compensation consultant in 2011.

A copy of the Compensation Committee's written charter is publicly available on our website at www.thefigi.com.

Nominations for Directors

We do not currently have a standing Nominating Committee since our Board of Directors determined that Mr. Woodward, the independent member of the Board of Directors, adequately fulfills the obligations of a nominating committee without the need of incurring additional costs of committee meetings.

The Board of Directors considers recommendations of potential candidates from current directors, management and stockholders. Stockholders' nominations for directors must be made in writing and must include the following information:

- the name, age, business address, and residence address of the nominee;
- the principal occupation or employment of the nominee;
- the number of shares of our common stock that are beneficially owned by the nominee;
- any other information relating to the nominee that is required to be disclosed in the solicitations for proxies for the election of directors under the rules and regulations of the Securities and Exchange Commission;

If a vacancy were to occur on the Board of Directors or if the Board were to increase the number of directors, the Board of Directors would identify potential candidates to fill the vacancy. Although there are no specific qualifications and standards that must be met by a candidate or any specific qualities or skills that a candidate must possess, the Board of Directors would evaluate a candidate on a wide variety of factors. These factors include the candidate's background and qualifications, diversity and business experience, and commitment to serving on the Board of Directors and its committees. It is preferable that candidates have a reputation for sound business judgment and integrity and inspire trust and confidence in the other directors. The Board of Directors does not have a formal policy regarding diversity in identifying candidates but rather considers diversity among the various factors relevant to any particular candidate.

Stockholder Communications to the Board

Stockholders who wish to address questions regarding our business directly with the Board of Directors, or any individual director, should direct his or her questions in writing to the Chairman of the Board of Directors at 7226 Lee DeForest Drive, Suite 104, Columbia, Maryland 21046. Communications will be distributed to the Board of Directors, or to any individual director or directors as appropriate, depending on the facts and circumstances outlined in the communications. Items that are unrelated to the duties and responsibilities of the Board of Directors may be excluded, such as:

- junk mail and mass mailings,
- resumes and other forms of job inquiries,
- surveys, or
- solicitations or advertisements.

In addition, any material that is unduly hostile, threatening, or illegal in nature may be excluded, provided that any communication that is filtered out will be made available to any outside director upon request.

**PROPOSALS TO BE VOTED UPON BY STOCKHOLDERS
ELECTION OF DIRECTORS**

(Notice Item 1)

Our Board of Directors has nominated Mr. Gerard J. Gallagher for election at the 2012 annual meeting of stockholders for a term of three years to serve until the 2015 annual meeting of stockholders, and until his respective successor has been elected and qualified, or until his earlier death, resignation or removal.

The Board of Directors currently consists of four members, classified into three classes as follows:

Mr. Gerard J. Gallagher constitutes a class with a term ending at the 2012 annual meeting of stockholders;

Messrs. Anthony Angelini and Harvey L. Weiss constitute a class with a term ending at the 2013 annual meeting of stockholders; and

Mr. Peter H. Woodward constitutes a class with a term ending at the 2014 annual meeting of stockholders.

At each Annual Meeting of Stockholders, directors are elected for a full term of three years to succeed those directors whose terms are expiring. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors.

The Board of Directors has nominated Mr. Gallagher for election at the 2012 Annual Meeting for a term of three years to serve until the 2015 Annual Meeting of Stockholders, and until their respective successors are elected and qualified, or until their earlier death, resignation or removal. The Class II directors, Messrs. Angelini and Weiss, and the Class III director, Mr. Woodward, will serve until the Annual Meetings of Stockholders to be held in 2013 and 2014, respectively, and until their respective successors have been elected and qualified, or until their earlier death, resignation or removal.

Unless authority to vote for any of these nominees is withheld, the shares represented by the enclosed proxy will be voted **FOR** the election of Mr. Gallagher. If Mr. Gallagher becomes unable or unwilling to serve, the shares represented by the enclosed proxy will be voted for the election of such other person as the Board of Directors may recommend in his place. We have no reason to believe that Mr. Gallagher will be unable or unwilling to serve as a director.

A plurality of the shares voted affirmatively at the annual meeting is required to elect each nominee as a director.

THE BOARD OF DIRECTORS RECOMMENDS THE ELECTION OF MR. GERARD J. GALLAGHER AS A DIRECTOR, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR THEREOF UNLESS A STOCKHOLDER HAS INDICATED OTHERWISE ON THE PROXY.

**AMENDMENT TO 2006 OMNIBUS INCENTIVE COMPENSATION PLAN
(Notice Item 2)**

The Board of Directors recommends that stockholders approve an amendment to the 2006 Omnibus Incentive Compensation Plan. Upon recommendation of the Compensation Committee, the Board of Directors approved the amendment to the plan, subject to stockholder approval at the annual meeting. The amendment increases the maximum total number of shares of common stock that may be issued under the plan by 2,000,000 shares from 3,050,000 shares to 5,050,000 shares.

Our stockholders approved the plan at the special meeting of stockholders held on January 17, 2007 and approved an increase of 950,000 shares to the maximum total number of shares of common stock that may be issued under the plan at the 2010 annual meeting of stockholders. The purpose of the plan is to optimize the profitability and growth of the company through incentives that are consistent with our goals and align the personal interests of plan participants with an incentive for individual performance. The plan is further intended to assist the company in motivating, attracting and retaining plan participants and allowing them to share in company successes. This plan is the only plan under which we award equity-based compensation. The purpose of the increase in available shares is to secure adequate shares to fund future awards under the plan for the next few years.

As of April 27, 2012, 288,772 shares of common stock were available for future grants under the plan. The following description of the plan describes the material terms of the plan but does not purport to describe all the terms of the plan. The complete text of the plan, as amended, is attached as Annex A to this proxy statement and is incorporated by reference into this proxy statement. We encourage all stockholders to read the plan in its entirety.

Summary of the 2006 Omnibus Incentive Compensation Plan

Administration. The plan is administered by the Compensation Committee. The Compensation Committee will determine who participates in the plan, the size and type of awards under the plan and the conditions applicable to the awards.

Eligibility. Those persons eligible to participate in the plan are officers and other key employees of the company and our subsidiaries and our non-employee directors. As of April 27, 2012, one non-employee director, three officers and approximately 89 employees are eligible to receive grants under the plan.

Shares Subject to the Plan. If the stockholders approve the proposal to amend the plan, 2,288,772 shares of our common stock, or approximately 13.6% of the shares outstanding as of April 29, 2012, will be available for future grants under the plan. Any shares tendered or withheld to pay taxes or a stock option's exercise price are not available for future grants under the plan.

Stock Options. Stock option awards may be granted in the form of non-statutory stock options or incentive stock options. Options are exercisable in whole or in such installments as may be determined by the Compensation Committee. The Compensation Committee establishes the exercise price of stock options, which exercise price may not be less than the fair market value of a share of our common stock on the date of the grant. The exercise price is payable in cash, shares of common stock or a combination of cash and common stock.

Stock options granted in the form of incentive stock options are also subject to certain additional limitations, as provided in Section 422 of the Internal Revenue Code of 1986, as amended. Incentive stock options may be made only to employees, and the aggregate fair market value of common stock with respect to which incentive stock options may become exercisable by an employee in any calendar year may not exceed \$100,000. In addition, incentive stock options may not be exercised after ten years from the grant date and any incentive stock option granted to an employee who owns shares of our common stock possessing more than 10% of the combined voting power of all classes of our shares must have an option price that is at least 110% of the fair market value of the shares and may not be exercisable after five years from the date of grant.

TABLE OF CONTENTS

Stock Appreciation Rights. Stock appreciation rights are granted pursuant to stock appreciation rights awards on terms set by the Compensation Committee. The Compensation Committee determines the grant price for a stock appreciation right, except that unless otherwise designated by the Compensation Committee, the strike price of a stock appreciation right granted as a freestanding award will not be less than 100% of the fair market value of a share of common stock on the date of grant. Upon exercise of a stock appreciation right, we will pay the participant an amount equal to the excess of the aggregate fair market value of our common stock on the date of exercise over the grant price. The Compensation Committee determines the term of stock appreciation rights granted under the plan, but unless otherwise designated by the Compensation Committee stock appreciation rights are not exercisable after the expiration of ten years from the date of grant. For each award of stock appreciation rights, the Compensation Committee will determine the extent to which the award recipient may exercise the stock appreciation rights after that recipient's service relationship with us ceases.

Restricted Stock Awards. The Compensation Committee may grant restricted stock awards, which will be subject to such terms, conditions, restrictions or limitations as the Compensation Committee may determine are appropriate, including restrictions on transferability, requirements of continued employment or individual performance, or our financial performance. Unless otherwise designated by the Compensation Committee at the time of grant, recipients of restricted shares may exercise full voting rights with respect to those restricted shares and received regular cash dividends paid with respect to the underlying shares of common stock during the period in which those shares are subject to restrictions.

Performance Shares/Units. The Compensation Committee may grant performance shares or units subject to such terms, conditions, restrictions or limitations as the Compensation Committee may determine are appropriate. Performance units will be assigned an initial value established by the Compensation Committee and performance shares will be assigned an initial value equal to the per share fair market value of our common stock on the date of the grant. The Compensation Committee will set performance goals in its discretion and the number and value of the payout for the performance shares/units will be determined based on the extent to which those performance goals are met. Payouts for performance shares/units may be payable in cash, shares of common stock or a combination of cash and common stock. The Compensation Committee may assign rights to performance shares/units that entitle the recipient to receive any dividends declared with respect to shares of common stock earned in connection with grants of performance shares/units. The Compensation Committee may also allow the recipient to exercise voting rights with respect to those shares.

Other Awards. The Compensation Committee may grant other awards to employees or non-employee directors in amounts and on terms determined by the Compensation Committee, including restricted stock units. A recipient of restricted stock units is entitled to receive shares of our common stock upon any terms and conditions imposed by the Compensation Committee. Unless otherwise designated by the Compensation Committee, the recipient of restricted stock units has no rights as a stockholder, including voting and dividend rights.

Change in Control. Upon the occurrence of a change in control of the company (as defined in the plan):

- stock options and/or stock appreciation rights not otherwise exercisable will become fully exercisable;
- all restrictions previously established with respect to restricted stock awards will lapse; and
- all performance shares/units or other awards will be deemed to be fully earned for the entire performance period applicable to them.

The vesting of all of these awards will be accelerated as of the effective date of the change in control.

Transferability. Except as explicitly set forth in an award agreement, the rights and interests of a participant under the plan may not be transferred, except by will or the applicable laws of descent and distribution in the event of the death of the participant.

TABLE OF CONTENTS

Adjustments upon Changes in Capitalization. The number of shares of our common stock as to which awards may be granted under the plan and shares of common stock subject to outstanding awards will be appropriately adjusted to reflect changes in our capitalization, including stock splits, stock dividends, mergers, reorganizations, consolidations and recapitalizations.

Amendments. The Board of Directors may suspend or terminate the plan at any time, except that no modification or termination of the plan may adversely affect in any material way any award previously granted under the plan without the written consent of the person holding that award.

Plan Benefits. The following table sets forth information regarding awards of stock options that were made under the plan on April 30, 2012 to the individuals and groups listed. These awards are subject to stockholder approval of the proposed amendment to the plan. If the stockholders do not approve the proposed amendment to the plan, these awards will be cancelled and become null and void.

<u>Name</u>	<u>Position</u>	<u>Number of Options</u>
Anthony Angelini	Chief Executive Officer and Director	750,000
Timothy C. Dec	Chief Financial Officer	150,000
Executive Officer Group (2 persons)		900,000
Non-Executive Director Group		-0-
Non-Executive Officer Employee Group		620,000

The exercise price per share for these stock options is equal to the average of the high and low bid prices for our common stock reported daily on the OTCQB marketplace during the 30 trading days following April 30, 2012. The options granted to Mr. Dec become exercisable when the fair market value of our common stock is at least \$3.00 for 20 consecutive business days. The options granted to Mr. Angelini become exercisable in installments when the fair market of our common stock is at least a specified amount for 20 consecutive business days as described below:

<u>Amount</u>	<u>Fair Market Value</u>
125,000	\$ 1.50
125,000	2.00
125,000	2.50
125,000	3.00
125,000	3.50
125,000	4.00

Other than the 250,000 options that become exercisable when the fair market value of our common stock is \$3.50 and \$4.00 per share for 20 consecutive days, the options granted to Mr. Angelini become immediately exercisable upon the termination of Mr. Angelini's employment by the Company for Cause (as defined in his employment agreement), by Mr. Angelini for a good reason (as defined in his employment agreement), or upon his death or disability, provided that the fair market value of our common stock is at least \$1.00 for five trading days between the grant date and the date Mr. Angelini's employment is terminated.

(1) The 2006 Omnibus Incentive Compensation Plan is the only plan under which we award equity-based compensation.

Certain Tax Consequences of the 2006 Omnibus Incentive Compensation Plan

The following discussion of the federal income tax consequences of the plan is based on the Internal Revenue Code provisions currently in effect, current regulations, and administrative rulings of the IRS. The discussion is limited to the tax consequences on United States citizens and does not consider the potential impact of state tax laws. It is not intended to be a complete discussion of all of the United States income tax consequences of the plan or of all of the requirements that must be satisfied to qualify for the tax treatment described in this discussion. Changes in the law and the regulations may modify the discussion, and, in some cases, changes may be retroactive. In addition, tax consequences may vary depending upon the personal circumstances of individual participants and the tax requirements applicable to residents of countries other than the United States.

Stock Options and Stock Appreciation Rights. A stock option holder will not recognize income upon the grant of a stock option, or at any other time prior to the exercise of the stock option. Upon exercise of a non-qualified stock option, the holder will recognize compensation taxable as ordinary income in an amount equal to the sum of the excess of the fair market value of the common stock on the date the stock option is exercised over the exercise price of the common stock. This income is subject to withholding and other employment taxes. We will be entitled to a deduction in a like amount for compensation recognized by the holder. The ordinary income recognized upon exercise of the stock option will constitute "personal service income" for purposes of federal income taxes.

A subsequent taxable disposition of shares of common stock acquired upon exercise of a non-qualified stock option and held as a capital asset will result in a capital gain or loss measured by the difference between the fair market value of the stock on the date the stock option was exercised and the amount realized on later disposition. The gain or loss will be long-term if the shares of common stock are held for more than 12 months and short-term if held for 12 months or less.

A holder will not recognize income upon the grant or exercise of an incentive stock option if no disposition of the common stock acquired upon exercise of the stock option is made within two years from the date the stock option was granted or within one year after the transfer of common stock to the holder, and if at all times during the period beginning on the date the stock option was granted and ending on the day three months before the date of exercise the holder was an employee of the company. The difference between the fair market value of the common stock on the date of exercise and the exercise price, however, is an item of tax preference for purposes of the alternative minimum tax. If a holder who has acquired shares of common stock by the exercise of an incentive stock option makes a taxable disposition of the stock after satisfying the holding period requirements, the holder generally will recognize long-term capital gain or loss measured by the difference between the exercise price and the selling price. If the holding period requirements are satisfied, there is no compensation income attributable to an incentive stock option, and we will not be entitled to any deduction.

TABLE OF CONTENTS

If a holder who has acquired shares of common stock by the exercise of an incentive stock option makes a taxable disposition of the stock within two years from the date the stock option was granted or within one year after the transfer of the stock to the holder, a disqualifying disposition occurs. In that event, the holder recognizes ordinary income equal to the lesser of the actual gain or the difference between the exercise price and the fair market value of the common stock on the date of exercise. This income is subject to withholding and other employment taxes. We will be entitled to a deduction in like amount for compensation recognized by the holder. If a loss is sustained on the disposition, the loss will generally be treated as a capital loss. If the amount received on the disqualifying disposition exceeds the fair market value of the common stock on the date of exercise, the excess will generally be either a long-term or short-term capital gain.

A holder will not recognize income upon the grant of a stock appreciation right or at any other time prior to the exercise of the stock appreciation right. Upon exercise of the stock appreciation right, the holder will recognize ordinary income in an amount equal to the stock appreciation right payment (or, if the stock appreciation right is settled in common stock, equal to the fair market value of the common stock received). All such income is subject to withholding and other employment taxes. We will be entitled to a deduction in like amount for compensation recognized by the holder. Upon a subsequent taxable disposition of shares received upon exercise of a stock appreciation right, the holder will recognize a long-term or short-term capital gain or loss measured by the difference between the selling price of the shares and the fair market value of the shares on the date of exercise.

Restricted Stock Awards. An employee will recognize ordinary compensation income in an amount equal to the fair market value of the shares subject to the grant of restricted stock at the time the restricted stock ceases to be subject to forfeiture. Dividends paid to an employee on the shares of restricted stock are treated as compensation income of the employee in the year received. The employee's holding period for long-term capital gains purposes will not begin to run until the stock is unrestricted. Subject to the limitations on deductibility contained in Section 162(m) of the Code, we will receive a deduction for federal income tax purposes equal to the compensation income recognized by the employee.

Performance Shares/Units. Because performance share or unit awards generally do not vest until the performance goals are satisfied, a participant receiving a grant of performance shares/units does not have compensation includable in his or her gross income for federal income tax purposes at the time the performance shares/units are granted. The participant, however, realizes ordinary income for federal income tax purposes in the year in which the performance shares/units are settled in shares of common stock or cash in an amount equal to the fair market value of a number of shares of common stock corresponding to the number of the performance shares/units. Any cash dividend equivalents received on the performance shares/units prior to settlement are ordinary compensation income in the year received. We generally are entitled to a deduction in the amount and for the period in which a participant realizes compensation income with respect to the performance shares/units, subject to the limitations under Section 162(m) of the Code.

Required Vote

The plan proposal to amend the 2006 Omnibus Incentive Compensation Plan must be approved by the affirmative vote of the majority of shares of our common stock present in person or represented by proxy at the special meeting and entitled to vote on the proposal.

Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE PROPOSAL TO AMEND THE 2006 OMNIBUS INCENTIVE COMPENSATION PLAN, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR THEREOF UNLESS A STOCKHOLDER HAS INDICATED OTHERWISE ON THE PROXY.

Consistent with policies of the Securities and Exchange Commission regarding auditor independence, the Audit Committee has responsibility, pursuant to its written charter, for appointing, setting compensation and overseeing the work of the independent registered public accounting firm. In recognition of this responsibility, the audit committee pre-approves all audit and permissible non-audit services provided by the independent registered public accounting firm. The Audit Committee’s policy is to approve all audit and non-audit services provided by our independent registered public accounting firm prior to the commencement of the services using a combination of pre-approvals for certain engagements up to predetermined dollar thresholds in accordance with the pre-approval policy and specific approvals for certain engagements on a case-by-case basis. The Audit Committee has delegated authority to the committee’s chairman to pre-approve between committee meetings those services that have not already been pre-approved by the committee. The chairman of the Audit Committee is required to report any such pre-approval decisions to the full committee at its next scheduled meeting.

Prior to engagement, the Audit Committee pre-approves these services by category of service. The fees are budgeted and the Audit Committee requires the independent registered public accounting firm and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent registered public accounting firm for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging the independent registered public accounting firm. The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

The affirmative vote of a majority of the shares present or represented and entitled to vote at the annual meeting is required to ratify the appointment of the independent registered public accounting firm. If the stockholders do not ratify the appointment of Grant Thornton LLP as our independent registered public accounting firm, the Audit Committee will reconsider its appointment.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO RATIFY THE SELECTION OF GRANT THORNTON LLP AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR OF SUCH RATIFICATION UNLESS A STOCKHOLDER INDICATES OTHERWISE ON THE PROXY.

ADMINISTRATION

3.1 THE COMMITTEE. The Plan shall be administered by the Compensation Committee of the Board or by any other Committee appointed by the Board. The members of the Committee shall be appointed from time to time by, and shall serve at the discretion of, the Board of Directors.

3.2 AUTHORITY OF THE COMMITTEE. Except as limited by law or by the Articles of Incorporation or Bylaws of the Company, and subject to the provisions herein, the Committee shall have full power to select Employees and Nonemployee Directors who shall participate in the Plan; determine the sizes and types of Awards; determine the terms and conditions of Awards in a manner consistent with the Plan; construe and interpret the Plan and any agreement or instrument entered into under the plan; establish, amend or waive rules and regulations for the Plan’s administration; and (subject to the provisions of Article 15 herein) amend the terms and conditions of any outstanding Award to the extent such terms and conditions are within the discretion of the Committee as provided in the Plan. Further, the Committee shall make all other determinations which may be necessary or advisable for the administration of the Plan. As permitted by law, the Committee may delegate its authority as identified herein.

ARTICLE FOUR

SHARES SUBJECT TO THE PLAN AND MAXIMUM AWARDS

4.1 NUMBER OF SHARES AVAILABLE FOR GRANTS. Subject to adjustment as provided in Section 4.3 herein, the number of Shares hereby reserved for issuance under the Plan shall be 5,050,000. The Committee shall determine the appropriate methodology for calculating the number of Shares issued pursuant to the Plan.

4.2 LAPSED AWARDS. If any Award granted under this Plan is canceled, terminates, expires, or lapses for any reason (with the exception of the termination of a Tandem SAR upon exercise of the related Option, or the termination of a related Option upon exercise of the corresponding Tandem SAR), any Shares subject to such Award shall again be available for the grant of an Award under the Plan.

4.3 ADJUSTMENTS IN AUTHORIZED SHARES. In the event of any change following Board adoption of the Plan (including any such change prior to the Effective Date) in corporate capitalization, such as a stock split, or a corporate transaction, such as any merger, consolidation, separation, including a spin-off, or other distribution of stock or property of the Company, any reorganization (whether or not such reorganization comes within the definition of such term in Code Section 368), or any partial or complete liquidation of the Company, such adjustment shall be made in the number and class of Shares available in the Share Pool and in the number and class of and/or price of Shares subject to outstanding Awards granted under the Plan, as may be determined to be appropriate and equitable by the Committee, in its sole discretion, to prevent dilution or enlargement of rights; *provided, however*, that the number of Shares subject to any Award shall always be a whole number.

ARTICLE FIVE

ELIGIBILITY AND PARTICIPATION

5.1 ELIGIBILITY. Persons eligible to participate in this Plan include (a) all officers and key employees of the Company, as determined by the Committee, including Employees who are members of the Board and (b) all Nonemployee Directors.

5.2 ACTUAL PARTICIPATION. Subject to the provisions of the Plan, the Committee may, from time to time, select from all eligible Employees and Nonemployee Directors those to whom Awards shall be granted and shall determine the nature and amount of each Award.

ARTICLE SIX

STOCK OPTIONS

6.1 GRANT OF OPTIONS. Subject to the terms and provisions of the Plan, Options may be granted, either by the Committee or the Board, to one or more Participants in such number, and upon such terms, and at any time and from time to time as shall be determined by the Committee. The Committee or the Board shall have the authority to grant Incentive Stock Options or to grant Nonqualified Stock Options or to grant both types of Options. In the case of Incentive Stock Options, the terms and conditions of such grants shall be subject to, and comply with, such rules as may be prescribed by Section 422 of the Code, as from time to time amended, and any regulations implementing such statute, including, without limitation, the requirements of Code Section 422(d) which limit the aggregate Fair Market Value of Shares (determined at the time that such Option is granted) for which Incentive Stock Options are exercisable for the first time to \$100,000 per calendar year, and the requirement that Incentive Stock Options may only be granted to Employees. Each provision of the Plan and of each written Award Agreement relating to an Option designated as an Incentive Stock Option shall be construed so that such Option qualifies as an Incentive Stock Option, and any provision that cannot be so construed shall be disregarded.

6.2 AWARD AGREEMENT. Each Option grant shall be evidenced by an Award Agreement that shall specify the Option Price, the duration of the Option, the number of Shares to which the Option pertains, and such other provisions as the Committee shall determine. The Award Agreement also shall specify whether the Option is intended to be an ISO or an NQSO.

TABLE OF CONTENTS

6.3 **OPTION PRICE.** The Option Price for each grant of an Option under this Plan shall be at least equal to one hundred percent (100%) of the Fair Market Value of a Share on the date the Option is granted. Notwithstanding any provision contained herein, in the case of an Incentive Stock Option, the exercise price at the time such Incentive Stock Option is granted to any Employee who, at the time of such grant, owns (within the meaning of Section 424(d) of the Code) more than ten percent of the voting power of all classes of stock of the Company or a Subsidiary, shall not be less than 110% of the per Share Fair Market Value on the date of grant.

6.4 **DURATION OF OPTIONS.** Each Option shall expire at such time as the Committee shall determine at the time of grant; provided, however, that in the case of an Incentive Stock Option, an Employee may not exercise such Incentive Stock Option after the date which is ten years (five years in the case of a Participant who owns more than ten percent of the voting power of the Company or a Subsidiary) after the date on which such Incentive Stock Option is granted.

6.5 **EXERCISE OF OPTIONS.** Options granted under this Article 6 shall be exercisable at such times and be subject to such restrictions and conditions as the Committee shall in each instance approve, which need not be the same for each grant or for each Participant.

6.6 **PAYMENT.** Options granted under this Article 6 shall be exercised by the delivery of a written notice of exercise to the Company, setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for the Shares.

The Option Price upon exercise of any Option shall be payable to the Company in full either: (a) in cash or its equivalent, or (b) by tendering previously acquired Shares having an aggregate Fair Market Value at the time of exercise equal to the total Option Price (provided that the Shares that are tendered must have been held by the Participant for at least six (6) months prior to their tender to satisfy the Option Price), or (c) by a combination of (a) and (b).

As soon as practicable after receipt of a written notification of exercise and full payment, the Company shall deliver to the Participant, in the Participant's name, Share certificates in an appropriate amount based upon the number of Shares purchased under the Option(s).

6.7 **RESTRICTIONS ON SHARE TRANSFERABILITY.** The Committee may impose such restrictions on any Shares acquired pursuant to the exercise of an Option granted under this Article 6 as it may deem advisable, including, without limitation, restrictions under applicable federal securities laws, under the requirements of any stock exchange or market upon which such Shares are then listed and/or traded, and under any blue sky or state securities laws applicable to such Shares.

6.8 **TERMINATION OF EMPLOYMENT.** Each Option Award Agreement shall set forth the extent to which the Participant shall have the right to exercise the Option following termination of the Participant's employment with (or service to) the Company and/or its Subsidiaries. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Options issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination of employment or service.

6.9 **NONTRANSFERABILITY OF OPTIONS.**

(a) **INCENTIVE STOCK OPTIONS.** No ISO granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, all ISOs granted to a Participant under the Plan shall be exercisable during his or her lifetime only by such Participant.

(b) **NON-QUALIFIED STOCK OPTIONS.** Except as otherwise provided in a Participant's Award Agreement, no NQSO granted under this Article 6 may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, except as otherwise provided in a Participant's Award Agreement, all NQSOs granted to a Participant under this Article 6 shall be exercisable during his or her lifetime only by such Participant.

ARTICLE SEVEN

STOCK APPRECIATION RIGHTS

7.1 GRANT OF SARs. Subject to the terms and conditions of the Plan, SARs may be granted to Participants at any time and from time to time as shall be determined by the Committee. The Committee may grant Freestanding SARs, Tandem SARs, or any combination of these forms of SAR.

The Committee shall have complete discretion in determining the number of SARs granted to each Participant (subject to Article 4 herein) and, consistent with the provisions of the Plan, in determining the terms and conditions pertaining to such SARs.

Unless otherwise designated by the Committee at the time of grant, the grant price of a Freestanding SAR shall equal the Fair Market Value of a Share on the date of grant of the SAR. The grant price of Tandem SARs shall equal the Option Price of the related Option.

7.2 EXERCISE OF TANDEM SARs. Tandem SARs may be exercised for all or part of the Shares subject to the related Option upon the surrender of the right to exercise the equivalent portion of the related Option. A Tandem SAR may be exercised only with respect to the Shares for which its related Option is then exercisable.

Notwithstanding any other provision of this Plan to the contrary, with respect to a Tandem SAR granted in connection with an ISO: (i) the Tandem SAR will expire no later than the expiration of the underlying ISO; (ii) the value of the payout with respect to the Tandem SAR may be for no more than one hundred percent (100%) of the difference between the Option Price of the underlying ISO and the Fair Market Value of the Shares subject to the underlying ISO at the time the Tandem SAR is exercised; and (iii) the Tandem SAR may be exercised only when the Fair Market Value of the Shares subject to the ISO exceeds the Option Price of the ISO.

7.3 EXERCISE OF FREESTANDING SARs. Freestanding SARs may be exercised upon whatever terms and conditions the Committee, in its sole discretion, imposes upon them.

7.4 SAR AGREEMENT. Each SAR grant shall be evidenced by an Award Agreement that shall specify the grant price, the term of the SAR, and such other provisions as the Committee shall determine.

7.5 TERM OF SARs. The term of an SAR granted under the Plan shall be determined by the Committee, in its sole discretion; provided, however, that unless otherwise designated by the Committee, such term shall not exceed ten (10) years.

7.6 PAYMENT OF SAR AMOUNT. Upon exercise of an SAR, a Participant shall be entitled to receive payment from the Company in an amount determined by multiplying:

- (a) The difference between the Fair Market Value of a Share on the date of exercise over the grant price; by
- (b) The number of Shares with respect to which the SAR is exercised.

At the discretion of the Committee, the payment upon SAR exercise may be in cash, in Shares of equivalent value, in Restricted Shares of equivalent value, or in some combination thereof.

7.7 TERMINATION OF EMPLOYMENT. Each SAR Award Agreement shall set forth the extent to which the Participant shall have the right to exercise the SAR following termination of the Participant's employment with (or service to) the Company and/or its Subsidiaries. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with Participants, need not be uniform among all SARs issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination of employment or service.

TABLE OF CONTENTS

7.8 NON-TRANSFERABILITY OF SARs. Except as otherwise provided in a Participant's Award Agreement, no SAR granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, except as otherwise provided in a Participant's Award Agreement, all SARs granted to a Participant under the Plan shall be exercisable during his or her lifetime only by such Participant.

ARTICLE EIGHT

RESTRICTED STOCK

8.1 GRANT OF RESTRICTED STOCK. Subject to the terms and provisions of the Plan, the Committee, at any time and from time to time, may grant Shares of Restricted Stock to Participants in such amounts as the Committee shall determine.

8.2 RESTRICTED STOCK AGREEMENT. Each Restricted Stock grant shall be evidenced by an Award Agreement that shall specify the Period(s) of Restriction, the number of Shares of Restricted Stock granted, and such other provisions as the Committee shall determine.

8.3 TRANSFERABILITY. Except as provided in this Article 8, the Shares of Restricted Stock granted herein may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated until the end of the applicable Period of Restriction established by the Committee and specified in the Restricted Stock Award Agreement, or upon earlier satisfaction of any other conditions, as specified by the Committee in its sole discretion and set forth in the Restricted Stock Agreement. All rights with respect to the Restricted Stock granted to a Participant under the Plan shall be available during his or her lifetime only to such Participant.

8.4 OTHER RESTRICTIONS. Subject to Article 11 herein, the Committee may impose such other conditions and/or restrictions on any Shares of Restricted Stock granted pursuant to the Plan as it may deem advisable including, without limitation, a requirement that Participants pay a stipulated purchase price for each Share of Restricted Stock, a requirement that Participants own a certain amount of Shares before vesting shall occur, restrictions based upon the achievement of specific performance goals (Company-wide, divisional, and/or individual), time-based restrictions on vesting following the attainment of the performance goals, requirement and/or restrictions under applicable federal or state securities laws.

The Company shall retain the certificates representing Shares of Restricted Stock in the Company's possession until such time as all conditions and/or restrictions applicable to such Shares have been satisfied.

Except as otherwise provided in this Article 8, Shares of Restricted Stock covered by each Restricted Stock grant made under the Plan shall become freely transferable by the Participant after the last day of the applicable Period of Restriction.

8.5 VOTING RIGHTS. Unless otherwise designated by the Committee at the time of grant, Participants holding Shares of Restricted Stock granted hereunder may exercise full voting rights with respect to those Shares during the Period of Restriction.

8.6 DIVIDENDS AND OTHER DISTRIBUTIONS. Unless otherwise designated by the Committee at the time of grant, Participants holding Shares of Restricted Stock granted hereunder may be credited with regular cash dividends paid with respect to the underlying Shares while they are so held during the Period of Restriction. The Committee may apply any restrictions to the dividends that the Committee deems appropriate.

8.7 TERMINATION OF EMPLOYMENT. Each Restricted Stock Award Agreement shall set forth the extent to which the Participant shall have the right to receive unvested Restricted Shares following termination of the Participant's employment with (or service to) the Company and/or its Subsidiaries. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Shares of Restricted Stock issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination of employment or service.

ARTICLE NINE

PERFORMANCE UNITS AND PERFORMANCE SHARES

9.1 GRANT OF PERFORMANCE UNITS AND PERFORMANCE SHARES. Subject to the terms of the Plan, Performance Units and/or Performance Shares may be granted to Participants in such amounts and upon such terms, and at any time and from time to time, as shall be determined by the Committee.

9.2 VALUE OF PERFORMANCE UNITS/SHARES. Each Performance Unit shall have an initial value that is established by the Committee at the time of grant. Each Performance Share shall have an initial value equal to the Fair Market Value of a Share on the date of grant. The Committee shall set performance goals in its discretion which, depending on the extent to which they are met, will determine the number and/or value of Performance Units/Shares that will be paid out to the Participant. For purposes of this Article 9, the time period during which the performance goals must be met shall be called a “*Performance Period* ..”

9.3 EARNING OF PERFORMANCE UNITS/SHARES. Subject to the terms of this Plan, after the applicable Performance Period has ended, the holder of Performance Units/Shares shall be entitled to receive payout on the number and value of Performance Units/Shares earned by the Participant over the Performance Period, to be determined as a function of the extent to which the corresponding performance goals have been achieved, as established by the Committee.

9.4 FORM AND TIMING OF PAYMENT OF PERFORMANCE UNITS/SHARES. Subject to the terms of this Plan, the Committee, in its sole discretion, may pay earned Performance Units/Shares in the form of cash or in Shares (or in a combination thereof) which have an aggregate Fair Market Value equal to the value of the earned Performance Units/Shares at the close of the applicable Performance Period. Such Shares may be granted subject to any restrictions deemed appropriate by the Committee.

At the discretion of the Committee, Participants may be entitled to receive any dividends declared with respect to Shares which have been earned in connection with grants of Performance Units and/or Performance Shares which have been earned, but not yet distributed to Participants (such dividends shall be subject to the same accrual, forfeiture, and payout restrictions as apply to dividends earned with respect to Shares of Restricted Stock, as set forth in Section 8.6 herein). In addition, Participants may, at the discretion of the Committee, be entitled to exercise their voting rights with respect to such Shares.

9.5 TERMINATION OF EMPLOYMENT DUE TO DEATH, DISABILITY OR RETIREMENT. Unless otherwise designated by the Committee, and set forth in the Participant’s Award Agreement, in the event the employment (or service) of a Participant is terminated due to death, Disability or retirement during a Performance Period, the Participant shall receive a prorated payout of the Performance Units/Shares. The prorated payout shall be determined by the Committee, shall be based upon the length of time that the Participant held the Performance Units/Shares during the Performance Period and shall further be adjusted based on the achievement of the preestablished performance goals. Payment of earned Performance Units/Shares shall be made at a time specified by the Committee in its sole discretion and set forth in the Participant’s Award Agreement.

9.6 TERMINATION OF EMPLOYMENT FOR OTHER REASONS. In the event that a Participant’s employment (or service) terminates for any reason other than those reasons set forth in Section 9.5 herein, all Performance Units/Shares shall be forfeited by the Participant to the Company unless determined otherwise by the Committee, as set forth in the Participant’s Award Agreement.

9.7 NONTRANSFERABILITY. Except as otherwise provided in a Participant’s Award Agreement, Performance Units/Shares may not be sold, transferred, pledged, assigned or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, except as otherwise provided in a Participant’s Award Agreement, a Participant’s rights under the Plan shall be exercisable during the Participant’s lifetime only by the Participant or the Participant’s legal representative.

10.2 OTHER INCENTIVE AWARD AGREEMENT. Each Other Incentive Award grant shall be evidenced by an Award Agreement that shall specify the amount of the Other Incentive Award granted, the terms and conditions applicable to such grant, the applicable Performance Period and performance goals, and such other provisions as the Committee shall determine, subject to the terms and provisions of the Plan.

10.3 NONTRANSFERABILITY. Except as otherwise provided in a Participant' s Award Agreement, Other Incentive Awards may not be sold, transferred, pledged, assigned or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution.

10.4 FORM AND TIMING OF PAYMENT OF OTHER INCENTIVE AWARDS. Payment of Other Incentive Awards shall be made at such times and in such form, in cash, in Shares, or in Restricted Shares (or a combination thereof), as established by the Committee subject to the terms of the Plan. ARTICLE ELEVEN

BENEFICIARY DESIGNATION

Each Participant under the Plan may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under the Plan is to be paid in case of his or her death before he or she receives any or all of such benefit. Each such designation shall revoke all prior designations by the same Participant, shall be in a form prescribed the Company, and will be effective only when filed by the Participant in writing with the Company during the Participant' s lifetime. In the absence of any such designation, benefits remaining unpaid at the Participant' s death shall be paid to the Participant' s estate.

ARTICLE TWELVE

DEFERRALS

The Committee may permit a Participant to defer such Participant' s receipt of the payment of cash or the delivery of Shares that would otherwise be due to such Participant by virtue of the exercise of an Option or SAR, the lapse or waiver of restrictions with respect to Restricted Stock, or the satisfaction of any requirements or goals with respect to Performance Units/Shares or Other Incentive Awards. If any such deferral election is required or permitted, the Committee shall, in its sole discretion, establish rules and procedures for such payment deferrals. Any such deferral shall be made in a manner consistent with the requirements of Section 409A of the Code.

ARTICLE THIRTEEN

RIGHTS OF EMPLOYEES AND NONEMPLOYEE DIRECTORS

13.1 EMPLOYMENT. Nothing in the Plan shall interfere with or limit in any way the right of the Company to terminate any Participant' s employment at any time, nor confer upon any Participant any right to continue in the employ of the Company.

13.2 PARTICIPATION. No Employee or Nonemployee Director shall have the right to be selected to receive an Award under this Plan or, having been so selected, to be selected to receive a future Award.

ARTICLE FOURTEEN

CHANGE IN CONTROL

14.1 TREATMENT OF OUTSTANDING AWARDS. Upon the occurrence of a Change in Control, unless otherwise specifically prohibited under applicable laws, or by the rules and regulations of any governing governmental agencies or national securities exchanges:

(a) Any and all Options and SARs granted hereunder shall become immediately exercisable, and shall remain exercisable throughout their entire term, and any cash or property received upon exercise of any Option or SAR shall be free from further restriction;

(b) Any restriction periods and restrictions imposed on Restricted Shares shall lapse; and

(c) Unless otherwise specified in a Participant's Award Agreement at time of grant, the target payout opportunities attainable under all outstanding Awards of Performance Units and Performance Shares and Other Incentive Awards shall be deemed to have been fully earned for the entire Performance period(s) as of the effective date of the Change in Control. The vesting of all such Awards shall be accelerated as of the effective date of the Change in Control and, in full settlement of such Awards, there shall be paid out to Participants (in Shares for Awards normally paid in Shares and in cash for Awards normally paid in cash) within thirty (30) days following the effective date of the Change in Control a pro rata portion of all targeted Award opportunities associated with such outstanding Awards, based on the number of complete and partial calendar months within the Performance Period which had elapsed as of such effective date.

14.2 TERMINATION, AMENDMENT AND MODIFICATIONS OF CHANGE IN CONTROL PROVISIONS. 16.2 SHARE WITHHOLDING. With respect to withholding required upon the exercise of Options or SARs, upon the lapse of restrictions on Restricted Stock, or upon any other taxable event arising as a result of Awards granted hereunder, Participants may elect, subject to the approval of the Committee, to satisfy the withholding requirement, in whole or in part, by having the Company withhold Shares having a Fair Market Value on the date the tax is to be determined equal to the minimum statutory total tax which could be imposed on the transaction. Each person who is or shall have been a member of the Committee, or of the Board, shall be indemnified by the Company against and from any loss, cost, liability or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under the Plan. Such person shall be indemnified by the Company for all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such action, suit or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Articles of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

ARTICLE EIGHTEEN

19.3 REQUIREMENTS OF LAW. The granting of Awards and the issuance of Shares under the Plan shall be subject to all applicable laws, rules and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.
