(a) The Guarantor's obligations under this Guaranty are absolute and unconditional regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of any Noteholder under its Notes or the Indenture. The obligations of the Guarantor under or in respect of this Guaranty are independent of the Guaranteed Obligations or any other obligations of the Issuer, the Issuer's Subsidiaries or the Guarantor's Subsidiaries under or in respect of the Indenture and the Notes or any other document or agreement, and a separate action or actions may be brought and prosecuted against the Guarantor to enforce this Guaranty, irrespective of whether any action is brought against the Issuer or whether the Issuer is joined in any such action or actions. (v) any taking, release or amendment or waiver of, or consent to departure from, any other guaranty or agreement similar in function to this Guaranty, for all or any of the obligations of the Issuer under the Indenture or the Notes;

8

(vii) any change, restructuring or termination of the corporate structure or existence of the Issuer or the Guarantor or any Subsidiary thereof or any change in the name, purposes, business, capital stock (including ownership thereof) or constitutive documents of the Issuer or the Guarantor;

(viii) any failure of the Trustee to disclose to the Guarantor any information relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of the Issuer or any of its Subsidiaries (the Guarantor hereby waiving any duty on the part of the Trustee or any Noteholders to disclose such information);

SECTION 4. Independent Obligation. The obligations of the Guarantor hereunder are independent of the Issuer's obligations under the Notes and the Indenture. The Trustee, on behalf of the Noteholders, may neglect or forbear to enforce payment under the Indenture and the Notes, without in any way affecting or impairing the liability of the Guarantor hereunder. The Trustee shall not be obligated to exhaust recourse or remedies against the Issuer to recover payments required to be made under the Indenture nor take any other action against the Issuer before being entitled to payment from the Guarantor of all amounts contemplated in Section 2 hereof owed hereunder or proceed against or have resort to any balance of any deposit account or credit on the books of the Trustee in favor of the Issuer or in favor of the Guarantor. Without limiting the generality of the foregoing, the Trustee shall have the right to bring a suit directly against the Guarantor, either prior or subsequent to or concurrently with any lawsuit against, or without bringing suit against, the Issuer.

SECTION 5. Waivers and Acknowledgments. (a) The Guarantor hereby unconditionally and irrevocably waives promptness, diligence, notice of acceptance, presentment, demand for performance, notice of nonperformance, default, acceleration, protest or dishonor and any other notice with respect to any of the Guaranteed Obligations and this Guaranty and any requirement that the Trustee, on behalf of the Noteholders, protect, secure, perfect or insure any Lien or any property subject thereto or exhaust any right or take any action against the Issuer or any other Person.

(b) The Guarantor hereby unconditionally and irrevocably waives any right to revoke this Guaranty and acknowledges that this Guaranty is continuing in nature and applies to the Guaranteed Obligations, whether the same are existing now or in the future.

(c) The Guarantor hereby unconditionally and irrevocably waives (i) any defense arising by reason of any claim or defense based upon an election of remedies by any Noteholder or the Trustee on behalf of the Noteholders that in any manner impairs, reduces, releases or otherwise adversely affects the subrogation, reimbursement, exoneration, contribution or indemnification rights of the Guarantor or other rights of the Guarantor to proceed against the Issuer or any other person or entity and (ii) any defense based on any right of set-off or counterclaim against or in respect of the Guaranteed Obligations of the Guarantor hereunder.

(d) The Guarantor hereby unconditionally and irrevocably waives any duty on the part of the Trustee or any Noteholder to disclose to the Guarantor any matter, fact or thing relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of the Issuer now or hereafter known by the Trustee or any Noteholder, as applicable.

(e) The Guarantor acknowledges that it will receive substantial direct and indirect benefits from the financing arrangements contemplated by the Transaction Documents and that the waivers set forth in this Section 5 are knowingly made in contemplation of such benefits.

(f) The recitals contained in this Guaranty shall be taken as the statements of the Issuer and the Guarantor, as applicable, and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representation as to the validity or sufficiency of this Guaranty, of any offering materials, the Indenture or of the Notes.

(g) The Guarantor unconditionally and irrevocably waives, to the fullest extent permitted under Brazilian law, any benefit it may be entitled to under Articles 827, 834, 835, 838 and 839 of the Brazilian Civil Code, and under Article 794, caput, of the Brazilian Civil Procedure Code.

SECTION 6. Claims Against the Issuer. The Guarantor hereby unconditionally and irrevocably agrees not to exercise any rights that it may now have or hereafter acquire against the Issuer or any other guarantor that arise from the existence, payment, performance or enforcement of the Guarantor's obligations under or in respect of this Guaranty or any other Transaction Document, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification, or to participate in any claim or remedy of the Trustee, on behalf of the Noteholders, against the Issuer or any other person, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from the Issuer or any other person, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security on account of such claim, remedy or right, unless and until all of the Guaranteed Obligations and all other amounts payable under this Guaranty shall have been paid in full in cash. If any amount shall be paid to the Guarantor in violation of the immediately preceding sentence at any time prior to the later of (a) the payment in full in cash of the Guaranteed Obligations and all other amounts payable under this Guaranty and (b) the date on which all of the obligations of the Issuer under the Indenture and the Notes have been discharged in full (the later of such dates being the "Termination Date"), such amount shall be paid over to and received and held by the Trustee in trust for the benefit of the Noteholders, shall be segregated from other property and funds of the Guarantor and shall forthwith be paid or delivered to the Trustee in the same form as so received (with any necessary endorsement or assignment) to be credited and applied to the Guaranteed Obligations and all other amounts payable under this Guaranty, whether matured or unmatured, in accordance with the terms of the Indenture. If (i) the Guarantor shall make payment to any Noteholder or the Trustee, on behalf of the Noteholders, of all or any part of the Guaranteed Obligations, (ii) all of the Guaranteed Obligations and all other amounts payable under this Guaranty shall have been paid in full in cash and (iii) the Termination Date shall have occurred, then the Trustee, on behalf of the Noteholders, will, at the Guarantor's written request and expense, execute and deliver to the Guarantor appropriate documents, without recourse and without representation or warranty, necessary to evidence the transfer by subrogation to the Guarantor of an interest in the Guaranteed Obligations resulting from such payment made by the Guarantor pursuant to this Guaranty.

SECTION 7. Covenants. For so long as the Notes remain outstanding or any amount remains unpaid on the Notes and the Indenture, the Guarantor will, and will cause each of its Subsidiaries, as applicable, to comply with the terms and covenants set forth below (except as otherwise provided in a duly authorized amendment to this Guaranty as provided herein):

(a) Performance of Obligations. The Guarantor shall pay all amounts owed by it and comply with all its other obligations under the terms of this Guaranty and the Indenture in accordance with the terms thereof.

(b) Maintenance of Corporate Existence. The Guarantor will (i) maintain in effect its corporate existence and all registrations necessary therefor except as otherwise permitted by Section 7(e) and (ii) take all actions to maintain all rights, privileges, titles to property, franchises, concessions and the like necessary or desirable in the normal conduct of its business, activities or operations; provided, however, that this Section 7(b) shall not require the Guarantor to maintain any such right, privilege, title to property or franchise if the failure to do so does not, and will not, have a Material Adverse Effect.

(c) Maintenance of Office or Agency. So long as any of the Notes are outstanding, the Guarantor will maintain in the United States, an office or agency where notices to and demands upon the Guarantor in respect of this Guaranty may be served, and the Guarantor will not change the designation of such office without prior written notice to the Trustee and designation of a replacement office or agency in the United States.

(d) Ranking. The Guarantor will ensure at all times that its obligations under this Guaranty will constitute the general, senior, unsecured and unsubordinated obligations of the Guarantor and will rank *pari passu*, without any preferences among themselves, with all other present and future senior unsecured and unsubordinated obligations of the Guarantor (other than obligations preferred by statute or by operation of law) that are not, by their terms, expressly subordinated in right of payment to the obligations of the Guarantor under this Guaranty.

(e) Limitation on Consolidation, Merger, Sale or Conveyance. (i) The Guarantor will not, in one or a series of transactions, consolidate or amalgamate with or merge into any corporation or convey, lease, spin-off or transfer substantially all of its properties,

assets or revenues to any person or entity (other than a direct or indirect Subsidiary of the Guarantor) or permit any person or entity (other than a direct or indirect Subsidiary of the Guarantor) to merge with or into it, unless:

(A) either the Guarantor is the continuing entity or the person (the “Successor Company”) formed by such consolidation or into which the Guarantor is merged or that acquired or leased such property or assets of the Guarantor will assume (jointly and severally with the Guarantor unless the Guarantor shall have ceased to exist as a result of such merger, consolidation or amalgamation), by an amendment to this Guaranty (the form and substance of which shall be previously approved by the Trustee), all of the Guarantor’s obligations under this Guaranty;

(B) the Successor Company (jointly and severally with the Guarantor unless the Guarantor shall have ceased to exist as part of such merger, consolidation or amalgamation) agrees to indemnify each Noteholder against any tax, assessment or governmental charge thereafter imposed on such Noteholder solely as a consequence of such consolidation, merger, conveyance, transfer or lease with respect to the payment of principal of, or interest on, the Notes pursuant to this Guaranty;

(C) immediately after giving effect to such transaction, no Event of Default, and no Default has occurred and is continuing; and

(D) the Guarantor has delivered to the Trustee an Officer’s Certificate and an Opinion of Counsel, each stating that such merger consolidation, sale, transfer or other conveyance or disposition and the amendment to this Guaranty comply with the terms of this Guaranty and that all conditions precedent provided for herein and relating to such transaction have been complied with.

(ii) Notwithstanding anything to the contrary in the foregoing, so long as no Default or Event of Default shall have occurred and be continuing at the time of such proposed transaction or would result therefrom and the Guarantor has delivered written notice of any such transaction to the Trustee (which notice shall contain a description of such merger, consolidation or conveyance):

(A) the Guarantor may merge, amalgamate or consolidate with or into, or convey, transfer, lease, spin-off or otherwise dispose of all or substantially all of its properties, assets or revenues to a direct or indirect Subsidiary of the Guarantor in cases when the Guarantor is the surviving entity in such transaction and such transaction would not have a Material Adverse Effect on the Guarantor and its Subsidiaries taken as a whole, it being understood that if the Guarantor is not the surviving entity, the Guarantor shall be required to comply with the requirements set forth in the previous paragraph; or

(B) any direct or indirect Subsidiary of the Guarantor may merge or consolidate with or into, or convey, transfer, lease, spin-off or otherwise dispose of assets to, any person (other than the Guarantor or any of its Subsidiaries or Affiliates) in cases when such transaction would not have a Material Adverse Effect on the Guarantor and its Subsidiaries taken as a whole; or

(C) any direct or indirect Subsidiary of the Guarantor may merge or consolidate with or into, or convey, transfer, lease, spin-off or otherwise dispose of assets to, any direct or indirect Subsidiary of the Guarantor; or

(D) any direct or indirect Subsidiary of the Guarantor may liquidate or dissolve if the Guarantor determines in good faith that such liquidation or dissolution is in the best interests of the Guarantor, and would not result in a Material Adverse Effect on the Guarantor and its Subsidiaries taken as a whole and if such liquidation or dissolution is part of a corporate reorganization of the Guarantor.

(f) Negative Pledge. So long as any Note remains outstanding, the Guarantor will not create or permit any Lien, other than a Permitted Lien, on any of its assets to secure (i) any of the Guarantor’s Indebtedness or (ii) the Indebtedness of any other person, unless the Guarantor contemporaneously creates or permits the lien to secure equally and ratably its obligations under the guaranties or the Guarantor provides other security for its obligations under this Guaranty and the Indenture as is duly approved by a resolution of the Noteholders in accordance with the Indenture. In addition, the Guarantor will not allow any of its Material Subsidiaries, if any, to create or permit any lien, other than a Permitted Lien, on any of the Guarantor’s assets to secure (i) any of the Guarantor’s Indebtedness; (ii) any of the Material Subsidiary’s Indebtedness or (iii) the Indebtedness of any other Person, unless the Guarantor contemporaneously

creates or permits the Lien to secure equally and ratably the Guarantor's obligations under this Guaranty and the Indenture or the Guarantor provides such other security for its obligations under this Guaranty and the Indenture as is duly approved by the Trustee, at the discretion of the Noteholders in accordance with the Indenture.

(g) Provision of Financial Statements and Reports. (i) The Guarantor will provide to the Trustee, in English or accompanied by a certified English translation thereof, (A) within 90 calendar days after the end of each fiscal quarter (other than the fourth quarter), its unaudited and consolidated balance sheet and statement of income calculated in accordance with IFRS and (B) within 120 calendar days after the end of each fiscal year, its audited and consolidated balance sheet and statement of income calculated in accordance with IFRS. For purposes of this Section 7(g), as long as the financial statements or reports are publicly available and accessible electronically by the Trustee, the filing or electronic publication of such financial statements or reports shall comply with the Guarantor's obligation to deliver such statements and reports to the Trustee hereunder. The Guarantor shall provide the Trustee with prompt written notification at such time that the Guarantor ceases to be a reporting company. The Trustee shall have no obligation to determine if and when the Guarantor's financial statements or reports are publicly available and accessible electronically.

(ii) The Guarantor will provide, together with each of the financial statements delivered pursuant to Sections 7(g)(i)(A) and (B), an Officer's Certificate stating that a review of the activities of the Guarantor and the Issuer has been made during the period covered by such financial statements with a view to determining whether the Guarantor and the Issuer have kept, observed, performed and fulfilled their covenants and agreements under this Guaranty and that no Default or Event of Default has occurred during such period or, if one or more have actually occurred, specifying all such events and what actions have been taken and will be taken with respect to such Default or Event of Default.

(iii) The Guarantor shall, whether or not it is required to file reports with the SEC, file with the SEC and deliver to the Trustee (for redelivery to all Noteholders) all reports and other information as it would be required to file with the SEC under the Exchange Act if it were subject to those regulations; provided, however, that if the SEC does not permit the filing described in the first sentence of this Section 7(g)(iii), the Guarantor will provide annual and interim reports and other information to the Trustee within the same time periods that would be applicable if the Guarantor were required and permitted to file these reports with the SEC.

(iv) Delivery of the above reports to the Trustee is for informational purposes only and the Trustee's receipt of such reports shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Guarantor's compliance with any of its covenants in the Indenture (as to which the Trustee is entitled to rely exclusively on an Officer's Certificate).

SECTION 8. Amendments, Etc. No amendment or waiver of any provision of this Guaranty and no consent to any departure by the Guarantor therefrom shall in any event be effective unless the same shall be in writing and signed by the Trustee and the Guarantor, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. For the avoidance of doubt, Article IX of the Indenture shall apply to an amendment to this Guaranty to determine whether the consent of Holders is required for an amendment and if so, the required percentage of Holders of the Notes required to approve the amendment.

SECTION 9. Indemnity. The Guarantor agrees to fully indemnify the Trustee and any predecessor Trustee and their agents for, and to hold it harmless against, any and all loss, liability, damages, claims or expense arising out of or in connection with the performance of its duties under this Guaranty, including the costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder except to the extent that any such loss, liability or expense may be attributable to its negligence or bad faith.

SECTION 10. Notices, Etc. (a) All notices and other communications provided for hereunder shall be in writing (including telegraphic or teletype) and mailed, teletyped or delivered by hand, if to the Guarantor, addressed to it at Avenida República

All such notices and other communications shall, when telecopied, be effective when transmitted. Delivery by telecopier of an executed counterpart of a signature page to any amendment or waiver of any provision of this Guaranty shall be effective as delivery of an original executed counterpart thereof.

(b) All payments made by the Guarantor to the Trustee hereunder shall be made to the Payment Account (as defined in the Indenture).

SECTION 11. Survival. Without prejudice to the survival of any of the other agreements of the Guarantor under this Guaranty or any of the other Transaction Documents, the agreements and obligations of the Guarantor contained in Section 2 (with respect to the payment of all other amounts owed under the Indenture), Section 9 and Section 14 shall survive the payment in full of the Guaranteed Obligations and all of the other amounts payable under this Guaranty, the termination of this Guaranty and/or the resignation or removal of the Trustee.

SECTION 12. No Waiver; Remedies. No failure on the part of the Trustee to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

SECTION 13. Continuing Agreement; Assignment of Rights Under the Indenture and the Notes. This Guaranty is a continuing guaranty and shall (a) remain in full force and effect until the later of (i) the repayment in full by the Issuer of all amounts due and owing under the Indenture with respect to the Notes and (ii) the repayment in full of all Guaranteed Obligations and all other amounts payable under this Guaranty, (b) be binding upon the Guarantor, its successors and assigns and (c) inure to the benefit of and be enforceable by the Trustee, on behalf of Noteholders, and their successors, transferees and assigns. Without limiting the generality of clause (c) of the immediately preceding sentence, any Noteholder may assign or otherwise transfer its rights and obligations under the Indenture (including, without limitation, the Note held by it) to any other person or entity, and such other person or entity shall thereupon become vested with all the benefits in respect thereof granted to such Noteholder herein or otherwise, in each case as and to the extent provided in the Indenture. The Guarantor shall not have the right to assign its rights hereunder or any interest herein without the prior written consent of all of the Noteholders.

SECTION 14. Currency Rate Indemnity. (a) The Guarantor shall (to the extent lawful) indemnify the Trustee and the Noteholders and keep them indemnified against:

(i) in the case of nonpayment by the Guarantor of any amount due to the Trustee, on behalf of the Noteholders, under this Guaranty any loss or damage incurred by any of them arising by reason of any variation between the rates of exchange used for the purposes of calculating the amount due under a judgment or order in respect thereof and those prevailing at the date of actual payment by the Guarantor; and

(ii) any deficiency arising or resulting from any variation in rates of exchange between (a) the date as of which the local currency equivalent of the amounts due or contingently due under this Guaranty or in respect of the Notes is calculated for the purposes of any bankruptcy, insolvency or liquidation of the Guarantor, and (b) the final date for ascertaining the amount of claims in such bankruptcy, insolvency or liquidation. The amount of such deficiency shall be deemed not to be increased or reduced by any variation in rates of exchange occurring between the said final date and the date of any bankruptcy, insolvency or liquidation or any distribution of assets in connection therewith.

(a) The Guarantor agrees that, if a judgment or order given or made by any court for the payment of any amount in respect of its obligations hereunder is expressed in a currency (the “Judgment Currency”) other than U.S. dollars (the “Denomination Currency”), it will indemnify the relevant Holder and the Trustee against any deficiency arising or resulting from any variation in rates of exchange between the date at which the amount in the Denomination Currency is notionally converted into the amount in the Judgment Currency for the purposes of such judgment or order and the date of actual payment thereof.

(b) The above indemnities shall constitute separate and independent obligations of the Guarantor from its obligations hereunder, will give rise to separate and independent causes of action, will apply irrespective of any indulgence granted from time to time and will continue in full force and effect notwithstanding any judgment or the filing of any proof or proofs in any bankruptcy, insolvency or liquidation of the Guarantor for a liquidated sum or sums in respect of amounts due under this Guaranty, or under the Indenture or the Notes or under any judgment or order.

SECTION 15. Governing Law; Jurisdiction; Waiver of Immunity, Etc.

(a) This Guaranty shall be governed by, and construed in accordance with, the laws of the State of New York.

(b) The Guarantor hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any state or Federal court in the Borough of Manhattan, The City of New York, State of New York, in any action or proceeding arising out of or relating to this Guaranty or any of the other Transaction Documents to which it is or is to be a party, or for recognition or enforcement of any judgment, and the Guarantor hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in any such state court or, to the extent permitted by law, in such federal court. The Guarantor agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Guaranty or any other Transaction Document shall affect any right that any party may otherwise have to bring any action or proceeding against the Issuer or the Guarantor, as the case may be, relating to this Guaranty or any other Transaction Document in the courts of any jurisdiction.

(c) The Guarantor hereby irrevocably appoints and empowers Petrobras America Inc., with offices located at 10350 Richmond Ave., Suite 1400, Houston, TX 77042 as its authorized agent (the "Process Agent") to accept and acknowledge for and on its behalf and on behalf of its property service of any and all legal process, summons, notices and documents which may be served in any such suit, action or proceedings in any state or Federal court in the Borough of Manhattan, The City of New York, State of New York, which service may be made on such designee, appointee and agent in accordance with legal procedures prescribed for such courts. The Guarantor will take any and all action necessary to continue such designation in full force and effect and to advise the Trustee of any change of address of such Process Agent and; should such Process Agent become unavailable for this purpose for any reason, the Guarantor will promptly and irrevocably designate a new Process Agent within the United States, which will agree to act as such, with the powers and for the purposes specified in this subsection (c). The Guarantor irrevocably consents and agrees to the service of any and all legal process, summons, notices and documents out of any of the aforesaid courts in any such action, suit or proceeding by hand delivery, to it at its address set forth in Section 10 or to any other address of which it shall have given notice pursuant to Section 10 or to its Process Agent. Service upon the Guarantor or the Process Agent as provided for herein will, to the fullest extent permitted by law, constitute valid and effective personal service upon it and the failure of the Process Agent to give any notice of such service to the Guarantor shall not impair or affect in any way the validity of such service or any judgment rendered in any action or proceeding based thereon.

(d) The Guarantor irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Guaranty or any of the other Transaction Documents to which it is or is to be a party in any state or Federal court in the Borough of Manhattan, The City of New York, State of New York. The Guarantor hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such suit, action or proceeding in any such court.

(e) THE GUARANTOR HEREBY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS GUARANTY, ANY OF THE TRANSACTION DOCUMENTS, THE ADVANCES OR THE ACTIONS OF ANY NOTEHOLDER IN THE NEGOTIATION, ADMINISTRATION, PERFORMANCE OR ENFORCEMENT THEREOF.

(f) This Guaranty and any other documents delivered pursuant hereto, and any actions taken hereunder, constitute commercial acts by the Guarantor. The Guarantor irrevocably and unconditionally and to the fullest extent permitted by law, waives, and agrees not to plead or claim, any immunity from jurisdiction of any court or from any legal process (whether through service of notice, attachment prior to judgment, attachment in aid of execution, execution or otherwise) for itself, the Issuer or any of their property, assets or revenues wherever located with respect to its obligations, liabilities or any other matter under or arising out of or in connection with this Guaranty, any of the Transaction Documents or any document delivered pursuant hereto, in each case for the benefit of each assigns, it being intended that the foregoing waiver and agreement will be effective, irrevocable and not subject to withdrawal in any and all jurisdictions, and, without limiting the generality of the foregoing, agrees that the waivers set forth in this subsection (f) shall have the fullest scope permitted under the United States Foreign Sovereign Immunities Act of 1976 and are intended to be irrevocable for the purposes of such act.

SECTION 16. Execution in Counterparts. This Guaranty and each amendment, waiver and consent with respect hereto may be executed in any number of counterparts and by different parties thereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Counterparts may be delivered via facsimile, electronic mail (including any electronic signature covered by the U.S. federal E-SIGN Act of 2000, Uniform Electronic Transactions Act, the Electronic Signatures and Records Act or other applicable law, e.g., www.docuSign.com) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

SECTION 17. Entire Agreement. This Guaranty, together with the Indenture and the Notes, sets forth the entire agreement of the parties hereto with respect to the subject matter hereof.

SECTION 18. The Trustee. In the performance of its obligations hereunder, the Trustee shall be entitled to all the rights, benefits, protections, indemnities and immunities afforded to it under the Indenture.

- (c) *Ranking*: The Notes (including any additional Add On Notes) shall be general senior unsecured and unsubordinated obligations of the Company and shall at all times rank *pari passu* among themselves and at least equal in right of payment with all of the Company’s other present and future unsecured and unsubordinated obligations from time to time outstanding that are not, by their terms, expressly subordinated in right of payment to the Notes (other than obligations preferred by statute or by operation of law).
- (d) *Maturity*: The entire outstanding principal of the Notes shall be payable in a single installment on June 10, 2051 (the “Stated Maturity”). (i) *Guaranty:* The Notes shall have the benefit of the Guaranty in the manner provided in Article 3 of this Fourth Supplemental Indenture.

(j) *Rating:* The Notes can be issued without the requirement that they have any rating from a nationally recognized statistical rating organization.

(k) *Optional Early Redemption at Par:* The Company will have the right at its option to redeem the Notes, in whole or in part, at any time or from time to time on or after the Notes Par Call Date, on at least 15 days’ but not more than 60 days’ notice, at a Redemption Price equal to 100% of the principal amount of the Notes to be redeemed plus accrued and unpaid interest on the principal amount of such Notes to the Redemption Date.

(l) *Optional Early Redemption With “Make-Whole” Amount.* The Company will have the right at its option to redeem the Notes, in whole or in part, at any time or from time to time prior to the Notes Par Call Date, on at least 15 days’ but not more than 60 days’ notice, at a Redemption Price equal to the greater of (A) 100% of the principal amount of such Notes and (B) the sum of the present values of each remaining scheduled payment of principal and interest thereon that would be due after the Redemption Date as if the Notes were redeemed on the Notes Par Call Date (exclusive of interest accrued to the date of redemption) discounted to the Redemption Date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 50 basis points (the “Make Whole Amount”), plus in each case accrued and unpaid interest on the principal amount of such Notes to (but not including) the Redemption Date.

(m) *Redemption Notice.* A redemption notice may at the Company’s option be subject to the satisfaction of one or more conditions precedent, and such notice may be rescinded or the applicable Redemption Date delayed in the event that any or all such conditions shall not have been satisfied by the applicable Redemption Date. Any conditions precedent shall be described in such notice.

(n) *Early Redemption for Tax Reasons.* The Notes may be redeemed at the option of the Company, in whole but not in part, at any time at a Redemption Price equal to the principal amount thereof plus accrued and unpaid interest to the Redemption Date if and when, as a result of any change in, execution of, or amendment to, any laws or regulations or ruling promulgated thereunder of the jurisdiction in which the Company is incorporated (or, in the case of a successor Person to the Company, of the jurisdiction in which such successor Person is organized or any political subdivision or taxing authority thereof or therein) or the official entry or any change in the official application or interpretation of such laws, regulations or rulings, or any change in the official application of or interpretation of, or any execution of or amendment to, any treaty or treaties affecting taxation to which such jurisdiction or such political subdivision or taxing authority (or such other jurisdiction or political subdivision or taxing authority) is a party, which change, execution or amendment becomes effective on or after the date hereof (or in the case of a successor Person to the Company, the date on which such successor Person became such pursuant to Section 8.01 and 8.02 of the Original Indenture), the Company would be required to pay Additional Amounts pursuant to Section 10.10 of the Original Indenture. For purposes of Section 11.08 of the Original Indenture, the reincorporation of the Company shall be treated as the adoption of a successor entity, provided, however, that redemption under Section 11.08 of the Original Indenture shall not be available if the reincorporation was performed in anticipation of a change in, execution of or amendment to any laws or treaties or the official application or interpretation of any laws or treaties of such new jurisdiction of incorporation that would result in an obligation to pay Additional Amounts.

(o) *Conversion:* The Notes will not be convertible into, or exchangeable for, any other securities.

(p) Except as described in Sections 2.05, the Notes will be subject to the covenants provided in Article 10 of the Original Indenture.

Notwithstanding the foregoing, if any Security shall have been authenticated and delivered hereunder but never issued and sold by the Company, and the Company shall deliver such Security to the Trustee for cancellation as provided in Section 3.09, for all purposes of this Indenture such Security shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.”

Section 2.04. Amendments Relating to Additional Amounts. As it applies to the Notes, Section 10.10(1) of the Original Indenture shall be amended and replaced to include the following:

As it applies to the Notes, Section 10.10(3) of the Original Indenture shall be amended and replaced to include the following:

“such Holder fails to comply with any certification, identification or other reporting requirements concerning its or any beneficial owner’s nationality, residence, identity or connection with the Taxing Jurisdiction, if (x) such compliance is required by applicable law, regulation, administrative practice or treaty as a precondition to exemption from all or a part of the tax, levy, deduction or other governmental charge, (y) such Holder is able to comply with such requirements without undue hardship and (z) at least 30 calendar days prior to the first payment date with respect to which such requirements under the applicable law, regulation, administrative practice or treaty will apply, the Company has notified all Holders that they will be required to comply with such requirements;”

As it applies to the Notes, Section 10.10(6) of the Original Indenture shall be amended and replaced to include the following:

As it applies to the Notes, a new Section 10.10(7) shall be included in the Original Indenture and the current Section 10.10(7) of the Original Indenture shall be amended and become Section 10.10(8) as follows:

“(7) a withholding or deduction is required to be made pursuant the Dutch Withholding Tax Act 2021; or

(8) any combination of items (1), (2), (3), (4), (5), (6) and (7) above”

“Section 10.03. Maintenance of Office or Agency.

So long as any Note remains Outstanding, the Company will maintain in the United States, an office or agency where notices to and demands upon the Company in respect of this Indenture and the Notes may be served, and the Company will not change the designation of such office without prior notice to the Trustee and designation of a replacement office in the United States. If at any time the Company shall fail to maintain any required office or agency or shall fail to furnish the Trustee with the address thereof, all presentations, surrenders, notices and demands may be served at the Corporate Trust Office and the Company hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.”

“Section 10.11 Negative Pledge

So long as any Note remains Outstanding, the Company will not create or permit any Lien, other than a Permitted Lien, on any of the Company’s assets to secure (a) any of the Company’s Indebtedness or (b) the Indebtedness of any other Person, unless the Company contemporaneously creates or permits such Lien to secure equally and ratably the Company’s obligations under the Notes and this Indenture or the Company provides such other security for the Notes as is duly approved by a resolution of the Holders of the Notes in accordance with this Indenture. In addition, the Company will not allow any of the Company’s Material Subsidiaries, if any, to create or permit any Lien, other than a Permitted Lien, on any of its assets to secure (a) any of the Company’s Indebtedness, (b) any of its Material Subsidiary’s Indebtedness or (c) the Indebtedness of any other Person, unless it contemporaneously creates or permits such Lien to secure equally and ratably the Company’s obligations under the Notes and this Indenture or the Company provides such other security for the Notes as is duly approved by a resolution of the Holders of the Notes in accordance with this Indenture.”

“Section 10.13 Use of Proceeds

The Company shall use the net proceeds from the sale of the Notes for general corporate purposes.”

Section 3.04. Taxes; Additional Amounts. For the avoidance of doubt, the Company’s obligations to pay any indemnity with respect to taxes, including the obligation to pay Additional Amounts pursuant to Section 10.10 of the Original Indenture, shall extend to any payments made by Petrobras pursuant to the Guaranty.

Reference is hereby made to the Indenture for a statement of the respective rights, limitations of interests, benefits, obligations and duties thereunder of the Issuer, the Trustee and the Holders, and of the terms upon which the Notes are, and are to be, authenticated and delivered. All capitalized terms used in this Note which are defined in the Indenture and not otherwise defined herein shall have the meanings assigned to them in the Indenture.

The Issuer, for value received, hereby promises to pay to Cede & Co., or its registered assigns, as nominee of The Depository Trust Company (“DTC”), and as the Holder of record of this Note, the principal amount specified above in U.S. dollars on June 10, 2051 (or earlier as provided for in the Indenture) upon presentation and surrender hereof, at the office or agency of the Trustee referred to below.

Ladies and Gentlemen:

We have acted as special United States counsel to Petróleo Brasileiro S.A. – Petrobras, a *sociedade de economia mista* (partially state-owned enterprise) organized and existing under the laws of the Federative Republic of Brazil (“Petrobras”), and Petrobras Global Finance B.V., a Dutch private company (“PGF” and, together with Petrobras, the “Companies”), in connection with PGF’s offering pursuant to a registration statement on Form F-3/A (Nos. 333-229096 and 333-229096-01) of U.S.\$1,500,000,000 aggregate principal amount of PGF’s 5.500% Global Notes due 2051 (the “Notes”). The Notes are to be issued under an indenture dated as of August 28, 2018 between PGF and The Bank of New York Mellon, a New York banking corporation, as trustee (the “Trustee”) (the “2018 Base Indenture”), as supplemented by the fourth supplemental indenture thereto dated as of June 10, 2021 (the “Fourth Supplemental Indenture” and, together with the 2018 Base Indenture, the “Indenture”) among PGF, Petrobras and the Trustee.

The Notes will have the benefit of a guaranty dated as of June 10, 2021 (the “Guaranty” and, together with the Notes, the “Securities”), in each case between Petrobras and the Trustee. Such registration statement, as amended as of its most recent effective date (June 2, 2021), insofar as it relates to the Securities (as determined for purposes of Rule 430B(f)(2) under the Securities Act of 1933, as amended (the “Securities Act”)), but excluding the documents incorporated by reference therein, is herein called the “Registration Statement.”

In arriving at the opinions expressed below, we have reviewed the following documents:

- (a) an executed copy of the 2018 Base Indenture;
- (b) a form of the Fourth Supplemental Indenture, including forms of global certificates representing the Notes; and
- (c) a form of the Guaranty.

Cleary Gottlieb Steen & Hamilton LLP or an affiliated entity has an office in each of the cities listed above.

Petróleo Brasileiro S.A. – Petrobras
Petrobras Global Finance B.V., p. 2

In addition, we have reviewed originals or copies certified or otherwise identified to our satisfaction of such other documents, and we have made such investigations of law, as we have deemed appropriate as a basis for the opinions expressed below.

In rendering the opinions expressed below, we have assumed the authenticity of all documents submitted to us as originals and the conformity to the originals of all documents submitted to us as copies. In addition, we have assumed and have not verified the accuracy as to factual matters of each document we have reviewed.

Based on the foregoing, and subject to the further assumptions and qualifications set forth below, it is our opinion that, when the Fourth Supplemental Indenture and the Guaranty have been duly executed and delivered by PGF and Petrobras, as applicable,

in the forms thereof that we have examined, and the Notes have been duly delivered to and paid for by the purchasers thereof in the manner described in the Registration Statement and executed and authenticated, in the form thereof that we have examined, in accordance with the terms of the Indenture, the Notes will be valid, binding and enforceable obligations of PGF, entitled to the benefits of the Indenture, and the Guaranty will be valid, binding and enforceable obligations of Petrobras.

Insofar as the foregoing opinion relates to the validity, binding effect or enforceability of any agreement or obligation of PGF or Petrobras, (a) we have assumed that each of Petrobras and PGF and each other party to such agreement or obligation has satisfied those legal requirements that are applicable to it to the extent necessary to make such agreement or obligation enforceable against it (except that no such assumption is made as to Petrobras and PGF regarding matters of the federal law of the United States of America or the law of the State of New York that in our experience normally would be applicable to general business entities in relation to transactions of the type contemplated in the Indenture and the Notes), (b) such opinions are subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally and to general principles of equity, and (c) such opinions are subject to the effect of judicial application of foreign laws or foreign governmental actions affecting creditors' rights.

We note that the enforceability of the waiver in Section 15 of the Guaranty and Section 1.15 of the 2018 Base Indenture by each of Petrobras and PGF, as applicable, of any immunities from court jurisdiction and from legal process is subject to the limitations imposed by the U.S. Foreign Sovereign Immunities Act of 1976.

We note that the designation in Section 15 of the Guaranty and Section 1.15 of the 2018 Base Indenture of any federal court in the Borough of Manhattan, the City of New York, State of New York, as the venue for actions or proceedings relating to the Guaranty, the Indenture and the Notes, are (notwithstanding the waiver in Section 15 of the Guaranty and Section 1.15 of the 2018 Base Indenture) subject to the power of such courts to transfer actions pursuant to 28 U.S.C. §1404(a) or to dismiss such actions or proceedings on the grounds that such a federal court is an inconvenient forum for such actions or proceedings.

We express no opinion as to the subject matter jurisdiction of any U.S. federal court to adjudicate any action relating to the Guaranty, the Indenture or the Notes where jurisdiction based on diversity of citizenship under 28 U.S.C. § 1332 does not exist.

Petróleo Brasileiro S.A. – Petrobras
Petrobras Global Finance B.V., p. 3

We express no opinion as to the enforceability of Section 14 of the Guaranty and Section 10.12 of the 2018 Base Indenture relating to currency indemnity.

We note that the waiver of defenses in Sections 3 and 5 of the Guaranty may be ineffective to the extent that any such defense involves a matter of public policy in the State of New York.

The foregoing opinions are limited to the federal law of the United States of America and the law of the state of New York.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement and to the reference to this firm in the prospectus constituting a part of the Registration Statement under the heading "Validity of Securities" and in the prospectus supplement related thereto under the heading "Legal Matters" as counsel for Petrobras and PGF who have passed on the validity of the Securities being registered by the Registration Statement. In giving such consent, we do not thereby admit that we are within the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission thereunder. The opinions expressed herein are rendered on and as of the date hereof, and we assume no obligation to advise you or any other person, or to make any investigations, as to any legal developments or factual matters arising subsequent to the date hereof that might affect the opinions expressed herein.

Very truly yours,

This opinion letter is strictly limited to the matters stated in it and may not be read as extending by implication to any matters not specifically referred to in it. Nothing in this opinion letter should be taken as expressing an opinion in respect of any representations or warranties, or other information, contained in the Supplemental Indenture, the Prospectus Supplement and the Notes or any other document reviewed in connection with this opinion letter, except as expressly confirmed in this opinion letter. This communication is confidential and may be subject to professional privilege. All legal relationships are subject to NautaDutilh N.V.'s general terms and conditions (see <https://www.nautadutilh.com/terms>), which apply mutatis mutandis to our relationship with third parties relying on statements of NautaDutilh N.V., include a limitation of liability clause, have been filed with the Rotterdam District Court and will be provided free of charge upon request. NautaDutilh N.V.; corporate seat Rotterdam; trade register no. 24338323.

In rendering the opinions expressed in this opinion letter, we have exclusively reviewed and relied upon pdf copies of the Supplemental Indenture, the Prospectus Supplement, each Global Note and the Corporate Documents and we have assumed that the Supplemental Indenture are entered into and the Notes are issued, for *bona fide* commercial reasons. We have not investigated or verified any factual matter disclosed to us in the course of our review.

This opinion letter sets out our opinion on certain matters of the laws with general applicability of the Netherlands, and, insofar as they are directly applicable in the Netherlands, of the European Union, as at today's date and as presently interpreted under published authoritative case law of the Dutch courts, the General Court and the Court of Justice of the European Union. For purposes of the opinions expressed in paragraph 5 (*No Violation of Law*) and paragraph 6 (*No Authorisations, Consents or Approvals*) we have given regard only to those laws that we, having exercised customary professional diligence, would reasonably be expected to recognise as being applicable to an entity, transaction or agreement to which this opinion letter relates. We do not express any opinion on tax law, regulatory law (except for the opinion expressed in paragraph 6 (*No Authorisations, Consents or Approvals*)), Dutch or European competition law or data protection law. No undertaking is assumed on our part to revise, update or amend this opinion letter in connection with or to notify or inform you of, any developments and/or changes of Dutch law subsequent to today's date.

The opinions expressed in this opinion letter are to be construed and interpreted in accordance with Dutch law. Our willingness to render this opinion letter is based on the condition that (i) the competent courts at Amsterdam, the Netherlands have exclusive jurisdiction to settle any issues of interpretation or liability arising out of or in connection with this opinion letter, (ii) any legal relationship arising out of or in connection with this opinion letter (whether contractual or non-contractual), including the above submission to jurisdiction, is governed by Dutch law and (iii) no person other than NautaDutilh may be held liable in connection with this opinion letter.

In this opinion letter, legal concepts are expressed in English terms. The Dutch legal concepts concerned may not be identical in meaning to the concepts described by the English terms as they exist under the law of other jurisdictions. In the event of a conflict or inconsistency, the relevant expression shall be deemed to refer only to the Dutch legal concepts described by the English terms.

For the purposes of this opinion letter, we have assumed that:

- a. each copy of a document conforms to the original, each original is authentic, and each signature is the genuine authentic or electronic signature of the individual purported to have placed that signature;
- b. the Deed of Incorporation is a valid notarial deed;
- c. (i) no regulations (*reglementen*) have been adopted by any corporate body of the Issuer and (ii) the Articles of Association are the Issuer's articles of association currently in force. The Extract supports item (ii) of this assumption;
- d. the Issuer has not (i) been dissolved (*ontbonden*), (ii) ceased to exist pursuant to a merger (*fusie*) or a division (*splitsing*), (iii) been converted (*omgezet*) into another legal form, either national or foreign, (iv) had its assets placed under administration (*onder bewind gesteld*), (v) been declared bankrupt (*failliet verklaard*), granted a suspension of payments (*surseance van betaling verleend*), or started or become subject to statutory proceedings for the restructuring of its debts (*akkoordprocedure*) (vi) been subjected to the appointment of an administrator (*curator*) in respect of any of its bodies or representatives on the basis of Article 1:76 DFSA, (vii) been subjected to any intervention, recovery or resolution measure pursuant to the BRRD, the SRM Regulation or the DFSA, as applicable or (viii) been made subject to similar proceedings in any jurisdiction or otherwise been limited in its power to dispose of its assets. The Extract and our inquiries of the date of this opinion letter with the

Insolvency Registers support the items (i) through (v) (except for any statutory proceedings for the restructuring of debts that have not been made public (*besloten akkoordprocedure*) or not yet been made public (*openbare akkoordprocedure*)) of this assumption. However, this information does not constitute conclusive evidence that the events set out in items (i) through (v) have not occurred;

- e. the resolutions recorded in the Resolutions are in full force and effect, and the factual statements made and the confirmations given in the Resolutions are complete and correct;
- f. the Power of Attorney (i) is in full force and effect, and (ii) under any applicable law other than Dutch law, validly authorises the person or persons purported to be granted power of attorney, to represent and bind the Issuer for the purposes stated therein;

4

- g. no works council (*ondernemingsraad*) has been established or is in the process of being established with respect to the business of the Issuer. This assumption is supported by the confirmation in this respect as included in the Resolutions of the management board of the Issuer;
- h. under any applicable law (other than, in relation to the Issuer, Dutch law):
 - i. the Supplemental Indenture constitutes the legal, valid and binding obligations of the persons expressed to be a party thereto, enforceable against them in accordance with their terms;
 - ii. the choice of law clause in the Supplemental Indenture constitutes a legal, valid and binding choice of law; and
 - iii. the agreement conferring jurisdiction in the Supplemental Indenture constitutes a legal, valid and binding agreement conferring jurisdiction;
- i. the issuance and offer of the Notes and the distribution of the Prospectus Supplement are made in conformity with the Prospectus Supplement in particular with the selling restrictions and legal requirements set out therein (including offering Notes in the European Economic Area only to qualified investors as defined in the Prospectus Regulation); and
- j. each Global Note will be duly executed, authenticated and delivered in accordance with the Supplemental Indenture and the Base Indenture.

Based upon and subject to the foregoing and subject to the qualifications set forth in this opinion letter and to any matters, documents or events not disclosed to us, we express the following opinions:

Incorporation and Corporate Status

- 1. The Issuer has been duly incorporated and is validly existing as a legal entity in the form of a *besloten vennootschap met beperkte aansprakelijkheid* (a private company with limited liability) under Dutch law.

Corporate Power

- 2. The Issuer has the corporate power to enter into the Supplemental Indenture and to perform its obligations thereunder, to publish the Prospectus Supplement and to issue the Notes and to perform its obligations thereunder. The Issuer does not violate any provision of its Articles of Association by entering into the Supplemental Indenture or performing its obligations thereunder, by the publication of the Prospectus Supplement or the issuance of the Notes and performance of its obligations thereunder.

Corporate Action

3. The Issuer has taken all corporate action required by its Articles of Association and Dutch law in connection with its entering into the Supplemental Indenture, the publication of the Prospectus Supplement and the issuance of the Notes and the performance of its obligations thereunder.

Choice of Law / Enforceability

4. The choice of the laws of the State of New York to govern the obligations of the Issuer under the Supplemental Indenture is recognised under Dutch law, and accordingly the enforceability of those obligations is determined under Dutch law by reference to the laws of the State of New York.

No Violation of Law

5. The entering into of the Supplemental Indenture and the Notes, the publication of the Prospectus Supplement and the issuance of the Notes by the Issuer and the performance of its obligations thereunder do not in themselves result in a violation of Dutch law which would affect the enforceability of the Issuer's obligations thereunder.

No Authorisations, Consents or Approvals

6. No authorisation, consent, approval, licence or order from or notice to or filing with any regulatory or other authority or governmental body of the Netherlands is required by the Issuer in connection with its entering into the Supplemental Indenture or the performance of its obligations thereunder, the publication of the Prospectus Supplement, or the issuance of the Notes or the performance of its obligations thereunder, the absence of which would affect the enforceability of the Issuer's obligations thereunder.

Jurisdiction

7. The agreement conferring jurisdiction in the Supplemental Indenture to the non-exclusive jurisdiction of any federal court in the Borough of Manhattan, the City of New York, State of New York are recognised under Dutch law and will be given effect to by the Dutch courts.

No Immunity

8. The Issuer does not enjoy any right of immunity from legal proceedings in the Netherlands in relation to the Supplemental Indenture, it cannot claim immunity from the enforcement of judgments of Dutch courts and its assets located in the Netherlands do not enjoy immunity from attachment or enforcement in the Netherlands.

The opinions expressed above are subject to the following qualifications:

A. As Dutch lawyers we are not qualified or able to assess the true meaning and purport of the terms of the Supplemental Indenture, the Prospectus Supplement or the Notes under the applicable law and the obligations of the parties to the Supplemental Indenture, the Prospectus Supplement or the Notes and we have made no investigation of that meaning and purport. Our review of the Supplemental Indenture, the Prospectus Supplement or the Notes and of any other documents subject or expressed to be subject to any law other than Dutch law has therefore been limited to the terms of these documents as they appear to us on their face.

B. The opinion expressed in paragraph 1 (*Incorporation and Corporate Status*) of this opinion letter must not be read to imply that the Issuer cannot be dissolved (*ontbonden*). A company such as the Issuer may be dissolved, *inter alia* by the competent court at the request of the company's management board, any interested party (*belanghebbende*) or the public prosecution office in certain circumstances, such as when there are certain defects in the incorporation of the company. Any such dissolution will not have retro-active effect.

C. The information contained in the Extract does not constitute conclusive evidence of the facts reflected in it.

D. Pursuant to Article 2:7 DCC, any transaction entered into by a legal entity may be nullified by the legal entity itself or its liquidator in bankruptcy proceedings (*curator*) if the objects of that entity were transgressed by the transaction and the other party to the transaction knew or should have known this without independent investigation (*wist of zonder eigen onderzoek moest weten*). The Dutch Supreme Court (*Hoge Raad der Nederlanden*) has ruled that in determining whether the objects of a legal entity are transgressed, not only the description of the objects in that legal entity's articles of association (*statuten*) is decisive, but all (relevant) circumstances must be taken into account, in particular whether the interests of the legal entity were served by the transaction.

E. A power of attorney granted by the Issuer:

a. shall as between the principal and the third party be governed by the law determined pursuant to the Convention on the Law Applicable to Agency (*het Haags Vertegenwoordigingsverdrag*) to the extent it concerns the existence and extent of the attorney's authority and the effects of the attorney's exercise or purported exercise of his or her authority; and

b. to the extent governed by the laws of the Netherlands, (i) unless otherwise provided, may only be used to perform a legal act with the attorney as counterparty, if the content of such act is so precisely determined that any conflict between the interests of the principal and the attorney is excluded, and (ii) can only be made irrevocable to the extent its purpose is the performance of legal acts in the interest of the attorney or a third party (it being noted that the competent Dutch court may, at the request of the principal, cancel the irrevocability for compelling reasons).

F. Despite any generally recognised choice of law clause contained in the Supplemental Indenture a court in the Netherlands (a) may apply overriding mandatory provisions of (i) Dutch law and (ii) the law of the country where the obligations arising out of the agreement have to be or have been performed, in so far as those overriding mandatory provisions render the performance of the agreement unlawful, (b) may refuse application of a provision of the chosen law if application thereof is manifestly incompatible with the public policy ("*ordre public*") of the Netherlands or the European Union, (c) may, in relation to the manner of performance of an agreement and the steps to be taken in the event of defective performance, have regard to the law of the country where performance of the agreement takes place and (d) will ignore the choice of law clause to the extent it relates to (i) an act of unfair competition or an act restricting free competition, or (ii) infringement of an intellectual property right.

G. The opinions expressed in this opinion letter may be limited or affected by:

- a. rules relating to Insolvency Proceedings or similar proceedings under a foreign law and other rules affecting creditors' rights generally, including the Temporary Covid-19 Act;
- b. the provisions of fraudulent preference and fraudulent conveyance (*Actio Pauliana*) and similar rights available in other jurisdictions to insolvency practitioners and insolvency office holders in bankruptcy proceedings or creditors;
- c. claims based on tort (*onrechtmatige daad*);
- d. sanctions and measures, including but not limited to those concerning export control, pursuant to European Union regulations, under the Sanctions Act 1977 (*Sanctiewet 1977*) or other legislation;
- e. the Anti-Boycott Regulation, Anti Money Laundering Laws and related legislation; and
- f. any intervention, recovery or resolution measure by any regulatory or other authority or governmental body in relation to financial enterprises or their affiliated entities.

H. An agreement conferring jurisdiction may be ignored pursuant to the Recast Enforcement Regulation, the Lugano II Convention, any instrument or national legislation referred to in Article 67 of the Recast Enforcement Regulation or the Lugano II Convention, or limited exceptions contained in the DCCP.

I. The attachment of or enforcement against assets located in the Netherlands is subject to limited restrictions, including that assets located in the Netherlands that are destined for the public service (*goederen bestemd voor de openbare dienst*) and the books and records of a company may not be attached whether by pre-judgment attachment or attachment for the purpose of a foreclosure sale.

J. The Rome I Regulation does not apply to obligations arising under the Notes to the extent that (i) these obligations arise out of the negotiable character of the Notes or, (ii) the Notes constitute a "promissory note", "bill of exchange" or "cheque" within the meaning of the 1930 Convention on the Settlement of Certain Conflicts of Laws in Connection with Bills of Exchange and Promissory Notes or the 1931 Convention on the Settlement of Certain Conflicts of Laws in Connection with Cheques. Consequently we do not express an opinion regarding the choice of law with respect to obligations arising under the Notes to the extent that (i) these obligations arise out of the negotiable character of the Notes and/or, (ii) the Notes qualify as promissory note, bill of exchange or cheque within the meaning of the respective conventions.

K. With respect to any trust to be created under the Supplemental Indenture pursuant to which the Issuer shall hold monies or other assets on trust, it should be noted that any assets held by the Issuer pursuant to any such provision may form part of the Issuer's estate and therefore be subject to recourse by any creditor of the Issuer. However, the Netherlands have ratified the Hague Convention on the Law Applicable to Trusts and their Recognition of 1985 (the "**Hague Trust Convention**") and consequently, if a trust purported to be created under the Supplemental Indenture has the characteristics of a trust under the Hague Trust Convention, the recognition of that trust by the courts of the Netherlands will be subject to the requirements and limitations of the Hague Trust Convention.

Sincerely yours,

/s/ NautaDutilh N.V.
