Dear Gores Holdings V, Inc. Stockholder:

We cordially invite you to attend a special meeting in lieu of the 2021 annual meeting of the stockholders of Gores Holdings V, Inc., a Delaware corporation ("we," "us," "our" or the "Company"), which, in light of public health concerns regarding the coronavirus ("COVID-19") pandemic, will be held via live webcast at _____, on _____, 2021, at _____ (the "Special Meeting"). The Special Meeting can be accessed by visiting _____, where you will be able to listen to the meeting live and vote during the meeting. Additionally, you have the option to listen only to the Special Meeting by dialing _____ (toll-free within the U.S. and Canada) or _____ (outside of the U.S. and Canada, standard rates apply). The passcode for telephone access is _____, but you cannot vote or ask questions if you choose to participate telephonically. Please note that you will only be able to access the Special Meeting by means of remote communication.

On February 22, 2021, the Company, Ardagh Metal Packaging S.A. ("AMPSPA"), a public limited liability company (*societe anonyme*) incorporated and existing under the laws of the Grand Duchy of Luxembourg, Ardagh Group S.A. ("AGSA"), a public limited liability company (*societe anonyme*) incorporated and existing under the laws of the Grand Duchy of Luxembourg, and Ardagh MP MergeCo Inc. ("MergeCo"), a Delaware corporation, entered into a Business Combination Agreement (the "Business Combination Agreement"). Pursuant to the Business Combination Agreement, a series of transactions will occur, including the following: (i) prior to the Closing, AGSA will effect a series of transactions that will result in (a) the subsidiaries of AGSA that are engaged in the AMP Business being wholly owned by AMPSPA and (b) assets and liabilities relating to the businesses of AGSA (other than the AMP Business) that are held by subsidiaries of AGSA that are engaged in the AMP Business being transferred to subsidiaries of AGSA that are not engaged in the AMP Business, and assets and liabilities relating to the AMP Business that are held by subsidiaries of AGSA (other than the AMP Entities) being transferred to the AMP Entities; (ii) prior to the Closing, AMPSPA intends to incur indebtedness in an amount yielding net proceeds of not less than \$2,315,000,000 and having an aggregate principal of no more than \$2,800,000,000; (iii) at the Closing, certain investors will subscribe for approximately 60,000,000 AMPSPA Shares for an aggregate purchase price payable to AMPSPA of approximately \$600,000,000 (excluding the GHV Sponsor Backstop); and (iv) at the Closing, MergeCo will merge with and into GHV, with GHV being the surviving corporation as a wholly owned subsidiary of AMPSPA, and all Class A Common Stock of the Company, par value \$0.0001 per share, outstanding immediately prior to the effective time of the Merger, other than any Excluded Shares (as defined in the Business Combination Agreement), will be contributed to AMPSPA in exchange for AMPSPA Shares, and all of the Company's warrants outstanding immediately prior to the effective time of the Merger will be converted into warrants of AMPSPA. **You are being asked to vote for the Merger Proposal.**

At the Special Meeting, Company stockholders will be asked to consider and vote upon a proposal (the "Merger Proposal" or "Proposal No. 1") to adopt the Business Combination Agreement, a copy of which is attached to the accompanying proxy statement/prospectus as Annex A, and approve the Merger. In addition, you are being asked to consider and vote upon: (i) a separate proposal with respect to certain governance provisions in AMPSPA's articles of association, which are being separately presented in accordance with SEC requirements and which will be voted on a non-binding advisory basis (the "Governance Proposal" or "Proposal No. 2"), and (ii) a proposal to adjourn the Special Meeting to a later date or dates, (A) to ensure that any supplement or amendment to the accompanying proxy statement/prospectus that our Board of Directors (the "Board") has determined in good faith is required by applicable law to be disclosed to the Company stockholders and for such supplement or amendment to be promptly disseminated to Company stockholders prior to the Special Meeting, (B) if, as of the time for which the Special Meeting is originally scheduled, there are insufficient shares of GHV Common Stock represented (either in person or by proxy) to constitute a quorum necessary to conduct business at the Special Meeting or (C) to permit further solicitation and vote of proxies if there are insufficient votes for, or otherwise in connection with, the approval of the Merger Proposal (the "Adjournment Proposal" or "Proposal No. 3").

Each of these proposals is more fully described in the accompanying proxy statement, which each stockholder is encouraged to read carefully.

Our publicly-traded GHV Class A Common Stock, GHV Units and Public Warrants are currently listed on the Nasdaq Capital Market under the symbols "GRSV," "GRSVU" and "GRSVW," respectively. AMPSPA intends to apply to list its AMPSPA Shares and AMPSPA Warrants on NYSE under the symbols "AMB" and "AMPW," respectively, upon the closing of the Merger.

Pursuant to our current certificate of incorporation, we are providing our Public Stockholders with the opportunity to redeem, upon the closing of the Merger, shares of GHV Class A Common Stock then held by them for cash equal to their pro rata share of the aggregate amount on deposit (as of two business days prior to the closing of the Merger) in the Trust Account that holds the proceeds of our IPO (including interest not previously released to the Company to fund its working capital

requirements plus regulatory compliance requirements and other costs related thereto, subject to an annual limit of \$1,250,000, for a maximum of 24 months, using funds released to the Company from the Trust Account ("Regulatory Withdrawals") and/or to pay its franchise and income taxes (less up to \$100,000 of interest to pay dissolution expenses)). The per-share amount we will distribute to investors who properly redeem their shares will not be reduced by the deferred underwriting commission totaling \$18,375,000 that we will pay to the underwriters of our IPO or transaction expenses incurred in connection with the Business Combination. For illustrative purposes, based on the balance of the Trust Account of \$525,020,571 as of December 31, 2020, the estimated per share redemption price would have been approximately \$10.00. **Public Stockholders may elect to redeem their shares even if they vote for the Merger Proposal.** A Public Stockholder, together with any of his, her or its affiliates or any other person with whom it is acting in concert or as a "group" (as defined under Section 13 of the Securities Exchange Act of 1934, as amended), will be restricted from redeeming in the aggregate his, her or its shares or, if part of such a group, the group's shares, in excess of 20% of the shares of GHV Class A Common Stock included in the GHV Units sold in our IPO. We refer to this as the "20% threshold." We have no specified maximum redemption threshold under our current certificate of incorporation, other than the aforementioned 20% threshold, but we are not permitted to redeem shares of our GHV Class A Common Stock in an amount that would result in the Company's failure to have net tangible assets exceeding \$5,000,000. Holders of our outstanding Public Warrants do not have redemption rights in connection with the Merger. Unless otherwise specified, the information in the accompanying proxy statement/prospectus assumes that none of our Public Stockholders exercise their redemption rights with respect to their shares of GHV Class A Common Stock.

Our Sponsor and current independent directors (our "Initial Stockholders"), as well as our officers and other current directors, have agreed to waive their redemption rights with respect to their shares of GHV Common Stock in connection with the consummation of the Merger, and the GHV Founder Shares will be excluded from the pro rata calculation used to determine the per-share redemption price. Our Initial Stockholders have also agreed to waive their right to a conversion price adjustment with respect to any shares of GHV Common Stock they may hold in connection with the consummation of the Merger. Currently, our Initial Stockholders own 20% of our issued and outstanding shares of GHV Common Stock, including all of the GHV Founder Shares. Our Initial Stockholders, directors and officers have agreed to vote any shares of the Company's GHV Common Stock owned by them in favor of the Merger Proposal. The GHV Founder Shares are subject to transfer restrictions.

We are providing the accompanying proxy statement/prospectus and accompanying proxy card to our stockholders in connection with the solicitation of proxies to be voted at the Special Meeting (including following any adjournments or postponements of the Special Meeting). Information about the Special Meeting, the Business Combination (including the Merger) and other related business to be considered by the Company's stockholders at the Special Meeting is included in the accompanying proxy statement/prospectus. **Whether or not you plan to attend the Special Meeting, we urge all Company stockholders to read the accompanying proxy statement/prospectus, including the Annexes and the accompanying financial statements of the Company and AMPSA, carefully and in their entirety. In particular, we urge you to read carefully the section entitled "Risk Factors" beginning on page 62 of the accompanying proxy statement/prospectus.**

After careful consideration, our Board has unanimously approved the Business Combination Agreement and the transactions effected pursuant thereto, including the Merger, and unanimously recommends that our stockholders vote "FOR" adoption of the Business Combination Agreement and approval of the Merger, and "FOR" all other proposals presented to our stockholders in the accompanying proxy statement. When you consider the Board's recommendation of these proposals, you should keep in mind that our directors and officers have interests in the Business Combination that may conflict with your interests as a stockholder. Please see the section entitled "*Proposal No. 1—Merger Proposal—Interests of GHV Initial Stockholders and GHV's Other Current Officers and Directors*" for additional information.

Approval of the Merger Proposal requires the affirmative vote of a majority of the outstanding shares of GHV Common Stock entitled to vote thereon at the Special Meeting. The approval of the Governance Proposal and the Adjournment Proposal requires the affirmative vote of a majority of the votes cast by holders of our outstanding shares of GHV Common Stock represented in person or by proxy and entitled to vote at the Special Meeting.

Your vote is very important. Whether or not you plan to attend the Special Meeting, please vote as soon as possible by following the instructions in the accompanying proxy statement/prospectus to make sure that your shares are represented at the Special Meeting. If you hold your shares in "street name" through a bank, broker or other nominee, you will need to follow the instructions provided to you by your bank, broker or other nominee to ensure that your shares are represented and voted at the Special Meeting. The Merger will be consummated only if the Merger Proposal is approved at the Special Meeting. Unless waived by the parties to the Business Combination Agreement, the closing of the Merger is conditioned upon the approval of the Merger Proposal. The Governance Proposal and the Adjournment Proposal are not conditioned on the approval of any other proposal set forth in this proxy statement/prospectus.

If you sign, date and return your proxy card without indicating how you wish to vote, your proxy will be voted "FOR" each of the proposals presented at the Special Meeting. If you fail to return your proxy card or fail to instruct your bank, broker or other nominee how to vote, and do not attend the Special Meeting in person, the effect will be that your shares will not be counted for purposes of determining whether a quorum is present at the Special Meeting. If you are a stockholder of record and you attend the Special Meeting and wish to vote in person, you may withdraw your proxy and vote in person.

TO EXERCISE YOUR REDEMPTION RIGHTS, YOU MUST DEMAND THAT THE COMPANY REDEEM YOUR SHARES FOR A PRO RATA PORTION OF THE FUNDS HELD IN THE TRUST ACCOUNT AND TENDER YOUR SHARES TO THE COMPANY'S TRANSFER AGENT AT LEAST TWO BUSINESS DAYS PRIOR TO THE VOTE AT SUCH MEETING. YOU MAY TENDER YOUR SHARES BY EITHER DELIVERING YOUR SHARE CERTIFICATE TO THE TRANSFER AGENT OR BY DELIVERING YOUR SHARES ELECTRONICALLY USING DEPOSITORY TRUST COMPANY'S DWAC (DEPOSIT WITHDRAWAL AT CUSTODIAN) SYSTEM. IF THE MERGER IS NOT COMPLETED, THEN THESE SHARES WILL NOT BE REDEEMED FOR CASH. IF YOU

HOLD THE SHARES IN STREET NAME, YOU WILL NEED TO INSTRUCT THE ACCOUNT EXECUTIVE AT YOUR BANK OR BROKER TO WITHDRAW THE SHARES FROM YOUR ACCOUNT IN ORDER TO EXERCISE YOUR REDEMPTION RIGHTS.

On behalf of our Board, I would like to thank you for your support of Gores Holdings V, Inc. and look forward to a successful completion of the Merger.

Sincerely,

, 2021

Alec E. Gores

Chairman of the Board of Directors

Gores Sponsor V, LLC, a Delaware limited liability company (our "Sponsor"), and Mr. Randall Bort, Mr. William Patton and Mr. Jeffrey Rea, the Company's independent directors (together with the Sponsor, the "Initial Stockholders"), officers and other current directors have agreed to vote any of the shares of GHV Class F Common Stock that are currently owned by our Initial Stockholders (the "GHV Founder Shares") and any Public Shares purchased during or after our initial public offering (our "IPO") in favor of the Merger Proposal. Currently, our Initial Stockholders own 20% of our issued and outstanding shares of GHV Common Stock, including all of the GHV Founder Shares.

Pursuant to our current certificate of incorporation, we will provide our Public Stockholders with the opportunity to redeem, effective upon the closing of the Merger, shares of the Company's GHV Class A Common Stock then held by them for cash equal to their pro rata share of the aggregate amount on deposit (as of two business days prior to the closing of the Merger) in our trust account (the "Trust Account") that holds the proceeds of our IPO (including interest not previously released to the Company to fund regulatory compliance requirements and other costs related thereto, subject to an annual limit of \$1,250,000, for a maximum of 24 months, using funds released to the Company from the Trust Account ("Regulatory Withdrawals") and/or to pay its franchise and income taxes). The per-share amount we will distribute to Public Stockholders who properly redeem their shares will not be reduced by the deferred underwriting commission totaling \$18,375,000 that we will pay to the underwriters of our IPO, as well as other transaction expenses incurred in connection with the Business Combination. For illustrative purposes, based on the balance of our Trust Account of \$525,020,571 as of December 31, 2020, the estimated per share redemption price would have been approximately \$10.00. **Public Stockholders may elect to redeem their shares even if they vote "FOR" the Merger Proposal.** A Public Stockholder, together with any of his, her or its affiliates or any other person with whom it is acting in concert or as a "group" (as defined under Section 13 of the Securities Exchange Act of 1934, as amended), will be restricted from redeeming in the aggregate his, her or its shares or, if part of such a group, the group's shares, in excess of 20% of the shares of GHV Common Stock included in the GHV Units sold in our IPO. Our Initial Stockholders, current officers and other current directors have agreed to waive their redemption rights with respect to their shares of GHV Common Stock in connection with the consummation of the Merger, and the GHV Founder Shares will be excluded from the pro rata calculation used to determine the per-share redemption price. Our Initial Stockholders have also agreed to waive their right to a conversion price adjustment with respect to any shares of GHV Common Stock they may hold in connection with the consummation of the Merger.

The Merger is conditioned on the approval of the Merger Proposal at the Special Meeting. The Governance Proposal and the Adjournment Proposal are not conditioned on the approval of any other proposal set forth in this proxy statement/prospectus.

ABOUT THIS PROXY STATEMENT/PROSPECTUS

This document, which forms part of a registration statement on Form F-4 filed with the U.S. Securities and Exchange Commission (the "SEC") by AMPSA, constitutes a prospectus of AMPSA under Section 5 of the Securities Act, with respect to the AMPSA Shares to be issued to the GHV stockholders if the Merger described herein is consummated. This document also constitutes a notice of meeting and a proxy statement/prospectus under Section 14(a) of the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act") with respect to the special meeting of GHV stockholders at which GHV stockholders will be asked to consider and vote upon the Merger Proposal, among other matters.

This document does not constitute an offer to sell or the solicitation of an offer to buy securities in any jurisdiction or to any person to whom it would be unlawful to make such offer.

This proxy statement/prospectus has been prepared on the basis that any offer of securities in any Member State of the European Economic Area ("EEA") will be made pursuant to an exemption under the Prospectus Regulation from the requirement to publish a prospectus for offers of securities. The expression "Prospectus Regulation" means Regulation (EU) 2017/1129 (as amended or superseded).

Prohibition of Sales to EEA Retail Investors—The securities are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA. For these purposes a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "MiFID II"); (ii) a customer within the meaning of Directive (EU) 2016/97, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129. Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended, the "PRIIPs Regulation") for offering or selling the securities or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the securities or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

MiFID II Product Governance / Professional Investors and ECPs Only Target Market—Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the securities has led to the conclusion that: (i) the target market for the securities is eligible counterparties and professional clients only, each as defined in MiFID II; and (ii) all channels for distribution of the securities to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the securities (for the purposes of this provision, a "distributor") should take into consideration the manufacturers' target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the securities (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.

This proxy statement/prospectus has been prepared on the basis that any offer of securities in the United Kingdom ("UK") will be made pursuant to an exemption from the requirement to publish a prospectus for offers of securities under section 85 of the Financial Services and Markets Act 2000 (the "FSMA").

Prohibition of Sales to United Kingdom Retail Investors—The securities are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the UK. For these purposes, a "retail investor" means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (as amended, the "EUWA"); (ii) a customer within the meaning of the provisions of the FSMA and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that

customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129. Consequently no key information document required by Regulation (EU) No 1286/2014 as it forms part of domestic law by virtue of the EUWA (the "UK PRIIPs Regulation") for offering or selling the securities or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the securities or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

UK Product Governance / Professional Investors and ECPs Only Target Market—Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the securities has led to the conclusion that: (i) the target market for the securities is only eligible counterparties, as defined in the UK Financial Conduct Authority ("FCA") Handbook Conduct of Business Sourcebook and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA; and (ii) all channels for distribution of the securities to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the securities (for the purposes of this provision, a "distributor") should take into consideration the manufacturers' target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook is responsible for undertaking its own target market assessment in respect of the securities (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.

This proxy statement/prospectus is for distribution only to persons who (i) have professional experience in matters relating to investments falling within Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005, as amended (the "Financial Promotion Order"), (ii) are persons falling within Article 49(2)(a) through (d) ("high net worth companies, unincorporated associations, etc.") of the Financial Promotion Order, (iii) are outside the United Kingdom, or (iv) are persons to whom an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the Financial Services and Markets Act 2000 (as amended)) in connection with the offering or sale of any securities may otherwise lawfully be communicated or caused to be communicated (all such persons together being referred to as "relevant persons"). This proxy statement/prospectus is directed only at relevant persons and must not be acted on or relied on by persons who are not relevant persons. Any investment or investment activity to which this proxy statement/prospectus relates is available only to relevant persons and will be engaged in only with relevant persons.

This proxy statement/prospectus includes trademarks, tradenames and service marks, certain of which belong to GHV or AMPSA and others that are the property of other organizations. Solely for convenience, trademarks, tradenames and service marks referred to in this proxy statement/prospectus appear without the ®, TM and SM symbols, but the absence of those symbols is not intended to indicate, in any way, that GHV or AMPSA will not assert its respective rights or that the applicable owner will not assert its rights to these trademarks, tradenames and service marks to the fullest extent under applicable law. Neither GHV nor AMPSA intend its use or display of other parties' trademarks, trade names or service marks to imply, and such use or display should not be construed to imply, a relationship with, or endorsement or sponsorship of GHV or AMPSA, as applicable, by, these other parties.

MARKET AND INDUSTRY DATA

Given the specialized nature of the metal packaging markets in which AMPSA operates, there does not exist a relevant and reliable third-party source of much of the relevant market information presented in this proxy statement/prospectus. Therefore, estimates provided by AMPSA regarding these markets as set forth in this proxy statement/prospectus, as well as estimated market shares of AMPSA or its competitors, are largely based on AMPSA's knowledge of these markets, developed primarily from analysis of public information, third-party reports to the extent available, competitors' public announcements and regulatory filings and information gathered in the course of acquisitions. The data relating to market sizes, market share and market position are based on the most recent data available. This information has not been confirmed by an independent organization, nor can there be assurance that third parties would arrive at the same results were they to employ different methods for gathering, analyzing and calculating such data. Breakdowns of market shares were established on the basis of the AMP Business's consolidated revenues and these data. Market positions and percentage shares are those that AMPSA believes it holds in terms of revenues. They are based on industry market sectors on which AMPSA's business is arranged.

Certain additional information regarding the global packaging industry, generally, and the metal packaging sector, specifically, has been sourced from Smithers Pira.

Any third-party information described above and included in this proxy statement/prospectus has been accurately reproduced and, as far as AMPSA is aware and is able to ascertain from the information published by such third parties, the reproduced information is accurate and no facts have been omitted which would render such information inaccurate or misleading. Market share data is subject to change, however, and such third-party information has been prepared for statistical and other informational purposes, which is limited by the availability and reliability of raw data, the voluntary nature of the data gathering process and other limitations and uncertainties inherent in any statistical survey of market share.

AMP BUSINESS FINANCIAL STATEMENT PRESENTATION

The Combined Financial Statements of the AMP Business included in this proxy statement/prospectus have been prepared in accordance with IFRS. The AMP Business's deemed transition date to IFRS and its interpretations as issued by the IASB is January 1, 2018. The preparation of financial statements in conformity with IFRS as issued by the IASB requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the AMP Business's accounting policies. The areas involving a higher degree of judgment or complexity, or areas where assumptions and estimates are significant to the combined financial statements, are disclosed in the financial statements.

The Combined Financial Statements included in this proxy statement/prospectus have been prepared based on a calendar year and are presented in U.S. dollars, rounded to the nearest million. Therefore, discrepancies in the tables between totals and the sums of the amounts listed may occur due to such rounding. The Combined Financial Statements have been prepared under the historical cost convention except for the following:

derivative financial instruments are stated at fair value; and

employee benefit obligations are measured at the present value of the future estimated cash flows related to benefits earned and pension assets valued at fair value.

SUMMARY TERM SHEET

This summary term sheet, together with the sections entitled "*Questions and Answers About the Proposals for Stockholders*" and "*Summary of the Proxy Statement/Prospectus*," summarizes certain information contained in this proxy statement/prospectus, but does not contain all of the information that is important to you. You should read carefully this entire proxy statement/prospectus, including the attached Annexes, for a more complete understanding of the matters to be considered at the Special Meeting. In addition, for definitions used commonly throughout this proxy statement/prospectus, including this summary term sheet, please see the section entitled "*Frequently Used Terms*."

Gores Holdings V, Inc., a Delaware corporation, which we refer to as "we," "us," "our," "GHV," or the "Company" within this Summary Term Sheet, is a special purpose acquisition company formed for the purpose of effecting a merger, capital stock exchange, asset acquisition, stock purchase, reorganization or similar business combination with one or more businesses.

There are currently 65,625,000 shares of GHV Common Stock, par value \$0.0001 per share, of the Company, issued and outstanding, consisting of (i) 52,500,000 shares of GHV Class A Common Stock originally sold as part of the IPO, and (ii) 13,125,000 shares of GHV Class F Common Stock, 11,500,000 of which were initially issued to our Sponsor prior to our IPO, 2,156,250 of which were the result of a stock dividend and 531,250 of which were forfeited following the expiration of the unexercised portion of underwriters' over-allotment option. To facilitate the Business Combination, our Sponsor agreed to forfeit 3,281,250 shares of its Class F Common Stock prior to the Merger. There are currently no shares of Company preferred stock issued and outstanding. In addition, we issued 10,500,000 Public Warrants to purchase GHV Class A Common Stock (originally sold as part of the GHV Units issued in our IPO) as part of our IPO along with 6,250,000 Private Placement Warrants issued to our Sponsor in a private placement on August 10, 2020 (the "IPO Closing Date"). Each Public Warrant entitles its holder to purchase one share of our GHV Class A Common Stock at an exercise price of \$11.50 per share, to be exercised only for a whole number of shares of our GHV Class A Common Stock. The Public Warrants will become exercisable on the later of 30 days after the completion of our initial business combination or 12 months from the closing of the IPO, and they expire five years after the completion of our initial business combination or earlier upon redemption or liquidation. Once the Public Warrants become exercisable, the Company may redeem the outstanding Public Warrants at a price of \$0.01 per warrant, if the last sale price of the Company's GHV Class A Common Stock equals or exceeds \$18.00 per share for any 20 trading days within a 30 trading day period ending on the third business day before the Company sends the notice of redemption to the warrant holders. The Private Placement Warrants, however, are non-redeemable so long as they are held by our Sponsor or its permitted transferees. In connection with the Merger, all the GHV Warrants, including the Public Warrants, will be converted into AMPSA Warrants. For more information regarding the Public Warrants, please see the section entitled "*Description of AMPSA's Securities*."

The aggregate consideration to be paid to AGSA pursuant to the Business Combination Agreement and the Transfer Agreement consists of (a) \$2,315,000,000, payable in cash (in U.S. dollars or euros or a combination of both) from the proceeds of the Debt Financing, (b) 484,956,250 AMPSA Shares, (c) a promissory note issued by AMPSA in the amount of \$1,085,000,000, to be paid in cash at the Closing or, in certain circumstances, a combination of cash and AMPSA Shares, and (d) the right to receive, during the five-year period commencing 180 days after the Closing, up to 60,730,000 additional AMPSA Shares in five equal installments if the price of AMPSA Shares maintains for a certain period of time a volume weighted average price greater than or equal to \$13.00, \$15.00, \$16.50, \$18.00 and \$19.50, as applicable (collectively, the "AGSA Consideration").

The Subscribers have agreed to purchase in the aggregate 60,000,000 shares of AMPSA for \$600,000,000 of gross proceeds, in the PIPE (in addition, the GHV Sponsor has agreed to the GHV Sponsor Backstop).

It is anticipated, upon completion of the Merger, and assuming that no shares are elected to be redeemed: (i) the Public Stockholders (other than the Subscribers) will retain an ownership interest of approximately 8.6% in AMPSA; (ii) the Subscribers will own approximately 9.9% of AMPSA (such that Public Stockholders, including Subscribers, will own approximately 18.5% of AMPSA); (iii) the Initial Stockholders (including our Sponsor) will own approximately 1.6% of AMPSA; and (iv) AGSA will own approximately 79.9% of AMPSA.

GHV's Board and management considered various factors in determining whether to approve the Business Combination Agreement and transactions effected pursuant thereto, including the fact that AMPSA is a pre-eminent pure play beverage can company, that AMPSA is a leader in sustainability and that there are long-term industry megatrends and environmentally conscious end consumers that are driving an inflection point in beverage can demand. For more information about the GHV Board decision-making process, see the section entitled "*The Business Combination—GHV's Board of Directors' Reasons for the Approval of the Business Combination.*"

Pursuant to GHV's current certificate of incorporation, in connection with the Merger, Public Stockholders may elect to have their GHV Class A Common Stock redeemed for cash at the applicable redemption price per share calculated in accordance with GHV's current certificate of incorporation. As of December 31, 2020, the redemption price would have been approximately \$10.00 per share. If a holder exercises its redemption rights, then such holder will be exchanging its shares of GHV Class A Common Stock for cash and will no longer own shares of AMPSA following the Closing. Such a holder will be entitled to receive cash for their GHV Class A Common Stock only if they properly demand redemption and deliver their shares (either physically or electronically) to our Transfer Agent, Continental Stock & Trust Company, at least two business days prior to the Special Meeting. Please see the section entitled "*Special Meeting in Lieu of 2021 Annual Meeting of GHV Stockholders—Redemption Rights.*"

In addition to voting to approve the Merger Proposal at the Special Meeting, the stockholders of the Company will be asked to vote on:

a separate proposal with respect to certain governance provisions in AMPSA's articles of association, which are being separately presented in accordance with SEC requirements and which will be voted on a non-binding advisory basis (the "Governance Proposal" or "Proposal No. 2") and

a proposal to adjourn the Special Meeting to a later date or dates, (A) to ensure that any supplement or amendment to this proxy statement/prospectus that the Board has determined in good faith is required by applicable law to be disclosed to Company stockholders and for such supplement or amendment to be promptly disseminated to Company stockholders prior to the Special Meeting, (B) if, as of the time for which the Special Meeting is originally scheduled, there are insufficient shares of GHV Common Stock represented (either in person or by proxy) to constitute a quorum necessary to conduct business at the Special Meeting or (C) to permit further solicitation and vote of proxies if there are insufficient votes for, or otherwise in connection with, the approval of the Merger Proposal (the "Adjournment Proposal" or "Proposal No. 3").

Please see the sections entitled "*GHV Stockholder Proposal No. 1–Merger Proposal*," "*GHV Stockholder Proposal No. 2–Governance Proposal*" and "*GHV Stockholder Proposal No. 3–The Adjournment Proposal*." The Merger is conditioned on the approval of the Merger Proposal. The

Governance Proposal and the Adjournment Proposal are not conditioned on the approval of any other proposal in this proxy statement/prospectus.

Unless waived by the parties to the Business Combination Agreement, and subject to applicable law, the closing of the Merger is subject to a number of conditions set forth in the Business Combination Agreement including, among others, that: (a) no action or governmental order or law shall have been enacted, issued, promulgated, enforced or entered that restrains, enjoins or otherwise prohibits the consummation of the Transactions or would cause any of the Transactions to be rescinded following the Closing; (b) the Merger Proposal shall have been approved and adopted by the requisite affirmative vote of the GHV stockholders; (c) a Luxembourg statutory independent auditor (*réviseur d'entreprises agréé*) of AMPSA shall have issued appropriate reports regarding the contributions in kind relating to the AMPSA Shares to be issued to AGSA and the GHV stockholders; (d) all closing conditions to the PIPE Investment shall have been satisfied or waived and the PIPE Investment Amount shall have been paid to AMPSA on the Closing Date; (e) the registration statement of which this proxy statement/prospectus forms a part shall have been declared effective under the Securities Act and no stop order or proceedings for purposes of suspending the effectiveness of the registration statement shall have been initiated by the SEC and not withdrawn; and (f) the AMPSA Shares shall have been approved for listing on NYSE, subject to official notice of issuance. For more information about the closing conditions to the Merger, please see the section entitled "*The Business Combination Agreement—Conditions to Closing the Merger.*"

The Business Combination Agreement may be terminated at any time prior to the consummation of the Merger upon agreement of the parties thereto, or by the Company, on the one hand, or AGSA, on the other hand, in specified circumstances. For more information about the termination rights under the Business Combination Agreement, please see the section entitled "*The Business Combination Agreement—Termination of the Business Combination Agreement.*"

The proposed Business Combination involves numerous risks. For more information about these risks, please see the section entitled "*Risk Factors.*"

In considering the recommendation of our Board to vote for the proposals presented at the Special Meeting, including the Merger Proposal, you should be aware that aside from their interests as stockholders, our Sponsor and certain members of our Board and officers have interests in the Business Combination that are different from, or in addition to, the interests of our stockholders generally. Our Board was aware of and considered these interests, among other matters, in evaluating and negotiating the Business Combination and transaction agreements and in recommending to our stockholders that they vote in favor of the proposals presented at the Special Meeting, including the Merger Proposal. Stockholders should take these interests into account in deciding whether to approve the proposals presented at the Special Meeting, including the Merger Proposal. These interests include, among other things:

the fact that the Initial Stockholders have agreed not to redeem any of the GHV Founder Shares in connection with a stockholder vote to approve a proposed initial business combination;

the fact that the GHV Sponsor paid an aggregate of \$25,000 for the GHV Founder Shares that will be exchanged for AMPSA Shares at the Merger Effective Time, and which AMPSA Shares would, if unrestricted and freely tradable, have a value of approximately \$98 million at the Merger Effective Time (based on per share price of \$10), but given the restrictions on such AMPSA Shares pursuant to the Registration Rights and Lock-Up Agreement, GHV believes such AMPSA Shares have less value;

the fact that the Initial Stockholders have agreed to waive their rights to liquidating distributions from the Trust Account with respect to their GHV Founder Shares if GHV fails to complete an initial business combination by August 10, 2022;

the fact that the GHV Sponsor paid an aggregate of approximately \$12,500,000 for its 6,250,000 Private Placement Warrants to purchase shares of GHV Class A Common Stock, and that such Private Placement Warrants will expire and become worthless if a business combination is not consummated by August 10, 2022;

if the Trust Account is liquidated, including in the event GHV is unable to complete an initial business combination within the required time period, the GHV Sponsor has agreed to indemnify GHV to ensure that the proceeds in the Trust Account are not reduced below \$10.00 per public share, or such lesser per public share amount as is in the Trust Account on the liquidation date, by the claims of prospective target businesses with which GHV has entered into an acquisition agreement or claims of any third party (other than its independent public accountants) for services rendered or products sold to GHV, but only if such a vendor or target business has not executed a waiver of any and all rights to seek access to the Trust Account;

the continued indemnification of GHV's existing directors and officers and the purchase of a tail policy with respect to GHV's directors' and officers' existing liability insurance;

the fact that the GHV Sponsor, officers and directors will lose their entire investment in GHV and will not be reimbursed for any out-of-pocket expenses if GHV does not consummate an initial business combination by August 10, 2022;

the fact that the GHV Sponsor has the right to nominate two independent directors to AMPSA's board of directors as of the Closing;

that, at the closing of the Merger, GHV will enter into the Registration Rights and Lock-Up Agreement, which provides for registration rights to the holders of AMPSA Shares that are parties thereto and their permitted transferees;

the fact that the GHV Sponsor and members of the GHV Board and management would hold the following number of shares in AMPSA at the Closing:

<u>Name of Person/Entity</u>	<u>Number of AMPSA Shares</u>	<u>Value of AMPSA Shares(1)</u>
Gores Sponsor V LLC		\$
Alec E. Gores		\$
Mark R. Stone		\$
Andrew McBride		\$
Randall Bort		\$

William Patton	\$
Jeffrey Rea	\$

(1) Based on a per share price of \$10.00.

the fact that the GHV Sponsor has entered into a Subscription Agreement with AMPSA and GHV, pursuant to which the GHV Sponsor has committed to purchase 2.5 million AMPSA Shares in the PIPE for an aggregate commitment of approximately \$25 million, provided that the GHV Sponsor has the right to syndicate the AMPSA Shares purchased under such Subscription Agreement in advance of the Closing;

that an affiliate of the GHV Sponsor, Mr. Alec E. Gores, has committed to purchase AMPSA Shares in the PIPE for an aggregate commitment of approximately \$ in connection with the syndication by the GHV Sponsor of its portion of the PIPE; and

the fact that the GHV Sponsor has committed to acquire up to 9.5 million AMPSA Shares at a per share price of \$10.00 in the event that there are redemptions from the Trust Account that are in excess of \$1 million.

Q: What are the specific proposals on which I am being asked to vote at the Special Meeting?

A: The Company's stockholders are being asked to approve the following proposals:

1. *Merger Proposal*—To adopt the Business Combination Agreement and approve the Merger (Proposal No. 1);
2. *Governance Proposal*—To consider and act upon a separate proposal with respect to certain governance provisions in AMPSA's articles of association which are being separately presented in accordance with SEC requirements and which will be voted upon on a non-binding advisory basis (Proposal No. 2); and

3. *Adjournment Proposal*—To consider and vote upon a proposal to approve the adjournment of the Special Meeting to a later date or dates, (A) to ensure that any supplement or amendment to this proxy statement/prospectus that the GHV Board has determined in good faith is required by applicable law to be disclosed to Company stockholders and for such supplement or amendment to be promptly disseminated to Company stockholders prior to the Special Meeting, (B) if, as of the time for which the Special Meeting is originally scheduled, there are insufficient shares of GHV Common Stock represented (either in person or by proxy) to constitute a quorum necessary to conduct business at the Special Meeting or (C) to permit further solicitation and vote of proxies in the event that there are insufficient votes for, or otherwise in connection with, the approval of the Merger Proposal. This proposal will only be presented at the Special Meeting if there are not sufficient votes to approve the Merger Proposal (Proposal No. 3).

Q: Are the proposals conditioned on one another?

A: No. The Merger is conditioned on the approval of the Merger Proposal only. It is important for you to note that in the event that the Merger Proposal does not receive the requisite vote for approval, we will not consummate the Merger. If we do not consummate the Merger and fail to complete an initial business combination by August 10, 2022, we will be required to dissolve and liquidate our Trust Account by returning the then remaining funds in such account to the Public Stockholders.

Q: Why is the Company providing stockholders with the opportunity to vote on the Business Combination Agreement?

A: Under our current certificate of incorporation, we must provide all holders of Public Shares with the opportunity to have their Public Shares redeemed upon the consummation of our initial business combination either in conjunction with a tender offer or in conjunction with a stockholder vote. Because the proposed business combination transaction is being effected through the Merger, our stockholders will have the opportunity to have their Public Shares redeemed in connection with a stockholder vote rather than a tender offer. The approval of the Merger Proposal is also a condition to the closing of the Merger under the Business Combination Agreement.

Q: What revenues and profits/losses has the AMP Business generated in the last three years?

A: For the years ended December 31, 2020, 2019 and 2018, the AMP Business had total revenue of \$3,451 million, \$3,344 million and \$3,338 million, respectively, and profit/ (loss) for the year of \$111 million, \$(40) million and \$(75) million, respectively. For more information, please see the sections entitled "*Selected Historical Combined Financial and Other Data of the AMP Business*," "*AMPSA Management's Discussion and Analysis of Financial Condition and Results of Operations*" and "*Unaudited Pro Forma Condensed Combined Financial Information*."

Q: What will happen in the Merger?

A: Pursuant to the Business Combination Agreement and the Related Agreements, and upon the terms and subject to the conditions set forth therein, AGSA, AMPSA, GHV and/or MergeCo will effect a series of transactions we collectively refer to as the Business Combination. Prior to the Closing, AGSA will effect the Pre-Closing Restructuring and AMPSA will incur indebtedness under the Debt Financing. At the Closing, (i) the Subscribers will subscribe for 60,000,000 AMPSA shares for an aggregate purchase price payable to AMPSA of \$600,000,000 (excluding the GHV Sponsor Backstop), (ii) MergeCo will merge with and into GHV, with GHV being the surviving corporation as a wholly owned subsidiary of AMPSA, and all shares of GHV Class A Common Stock outstanding immediately prior to the Merger Effective Time, other than any Excluded

Shares (as defined in the Business Combination Agreement), will be contributed to AMPSA in exchange for AMPSA Shares, and (iii) all GHV Warrants outstanding immediately prior to the Merger Effective Time will be converted into AMPSA Warrants.

Q: Following the Merger, will GHV's securities continue to trade on a stock exchange?

A: No. The GHV Common Stock, the GHV Units and the GHV Warrants are currently listed on Nasdaq under the symbols "GRSV," "GRSVU" and "GRSVW." Upon the Closing, AMPSA expects to delist GHV's securities from the Nasdaq and apply to list its AMPSA Shares and AMPSA Warrants on NYSE under the symbols "AMBP" and "AMBPW."

Q: How has the announcement of the Business Combination affected the trading price of the Company's GHV Class A Common Stock?

A: On February 22, 2021, the trading date before the public announcement of the Business Combination, GHV Units, GHV Class A Common Stock and Public Warrants closed at \$11.32, \$10.86 and \$2.13, respectively. On _____, 2021, the trading date immediately prior to the date of this proxy statement/prospectus, the GHV Units, GHV Class A Common Stock and Public Warrants closed at \$ _____, \$ _____ and \$ _____, respectively.

Q: Will the management of AMPSA change in the Merger?

A: No, the management of AMPSA is not expected to change following the consummation of the Merger. Prior to the consummation of the Merger, the directors of AMPSA are Paul Coulson, Shaun Murphy, Oliver Graham, David Matthews, Abigail Blunt, Yves Elsen, The Rt. Hon. The Lord Hammond of Runnymede, Hermanus Troskie and Edward White. Following the Merger, AMPSA's board of directors is expected to expand from 9 to 11 directors and consist of Paul Coulson, Shaun Murphy, Oliver Graham, David Matthews, Abigail Blunt, Yves Elsen, The Rt. Hon. The Lord Hammond of Runnymede, Hermanus Troskie and Edward White and two other directors to be designated for nomination by our Sponsor, who are expected to be identified and appointed prior to the Closing.

Q: What equity stake will current stockholders of the Company, Private Placement Investors and the AMPSA Shareholders hold in AMPSA after the Closing?

A: After the consummation of the Merger, and assuming that no shares of GHV are elected to be redeemed, it is anticipated: (i) the Public Stockholders (other than the Subscribers) will retain an ownership interest of approximately 8.6% in AMPSA; (ii) the Subscribers will own approximately 9.9% of AMPSA (such that Public Stockholders, including Subscribers, will own approximately 18.5% of AMPSA); (iii) the Initial Stockholders (including our Sponsor) will own approximately 1.6% of AMPSA; and (iv) AGSA will own approximately 79.9% of AMPSA.

Q: Will the Company or AMPSA raise new financing in connection with the Business Combination?

A: The Company will not obtain new financing in connection with the Business Combination, but AMPSA will consummate the PIPE and the Debt Financing as contemplated by the Business Combination Agreement. The proceeds from the Debt Financing and the PIPE, together with funds in the Trust Account, will be used to pay the AGSA Consideration and certain transaction expenses. The PIPE is contingent upon, among other things, the satisfaction or waiver of the closing conditions in the Business Combination Agreement. Neither GHV nor AMPSA anticipates obtaining any additional debt financing to fund the Business Combination.

Q: What conditions must be satisfied to complete the Merger?

A: There are a number of closing conditions in the Business Combination Agreement, including the approval by our stockholders of the Merger Proposal. For a summary of the conditions that must be satisfied or waived prior to completion of the Merger, please see the section entitled "*The Business Combination Agreement.*"

Q: Why is the Company proposing the Governance Proposal?

A: As required by applicable SEC guidance, we are requesting that our stockholders vote upon, on a non-binding advisory basis, a proposal to approve certain governance provisions contained in AMPSA's Articles of Association that materially affect stockholder rights. This separate vote is not otherwise required by Delaware law, but pursuant to SEC guidance, we are required to submit these provisions to our stockholders separately for approval. However, the stockholder vote regarding this proposal is an advisory vote, and is not binding on us or the GHV Board. Furthermore, the approval of the Merger Proposal is not conditioned on the separate approval of the Governance Proposal. For additional information, please see the section entitled "*GHV Stockholder Proposal No. 2–Governance Proposal.*"

Q: Why is the Company proposing the Adjournment Proposal?

A: We are proposing the Adjournment Proposal to allow the adjournment of the Special Meeting to a later date or dates (A) to ensure that any supplement or amendment to this proxy statement/prospectus that the GHV Board has determined in good faith is required by applicable law to be disclosed to Company stockholders and for such supplement or amendment to be promptly disseminated to Company stockholders prior to the Special Meeting, (B) if, as of the time for which the Special Meeting is originally scheduled, there are insufficient shares of GHV Common Stock represented (either in person or by proxy) to constitute a quorum necessary to conduct business at the Special Meeting or (C) to permit further solicitation of proxies in the event that there are insufficient votes for, or otherwise in connection with, the approval of the Merger Proposal. Please see the section entitled "*GHV Stockholder Proposal No. 3–The Adjournment Proposal*" for additional information.

Q: What happens if I sell my shares of GHV Class A Common Stock before the Special Meeting?

A: The record date for the Special Meeting is earlier than the date that the Merger is expected to be completed. If you transfer your shares of GHV Class A Common Stock after the record date, but before the Special Meeting, unless the transferee obtains from you a proxy to vote those shares, you will retain your right to vote at the Special Meeting. However, you will not be able to seek redemption of your shares of GHV Class A Common Stock because you will no longer be able to deliver them for cancellation upon consummation of the Merger. If you transfer your shares of GHV Class A Common Stock prior to the record date, you will have no right to vote those shares at the Special Meeting or redeem those shares for a pro rata portion of the proceeds held in our Trust Account.

Q: What constitutes a quorum at the Special Meeting?

A: A majority of the issued and outstanding shares of the GHV Common Stock entitled to vote as of the record date at the Special Meeting must be present, in person or represented by proxy, at the Special Meeting to constitute a quorum and in order to conduct business at the Special Meeting. Abstentions will be counted as present for the purpose of determining a quorum. Our Initial Stockholders, who currently own 20% of our issued and outstanding shares of GHV Common Stock, will count towards this quorum. In the absence of a quorum, the chairman of the Special

Meeting has power to adjourn the Special Meeting. As of the record date for the Special Meeting, _____ shares of our GHV Common Stock would be required to achieve a quorum.

Q: What vote is required to approve the proposals presented at the Special Meeting?

A: The approval of the Merger Proposal requires the affirmative vote of a majority of the outstanding shares of GHV Common Stock entitled to vote thereon at the Special Meeting. Accordingly, a Company stockholder's failure to vote by proxy or to vote in person at the Special Meeting, as well as an abstention from voting and a broker non-vote, with regard to the Merger Proposal will have the same effect as a vote "**AGAINST**" the Merger Proposal. Abstentions will be counted in connection with the determination of whether a valid quorum is established and will have the same effect as a vote "**AGAINST**" the Merger Proposal. Our Initial Stockholders have agreed to vote their shares of GHV Common Stock in favor of the Merger Proposal.

The approval of the Governance Proposal, which is a non-binding advisory vote, requires the affirmative vote of a majority of the votes cast by holders of our outstanding shares of GHV Common Stock represented in person or by proxy and entitled to vote thereon at the Special Meeting. Accordingly, a Company stockholder's failure to vote by proxy or to vote in person at the Special Meeting, as well as an abstention from voting and a broker non-vote with regard to the Governance Proposal will have no effect on the Governance Proposal. Abstentions will be counted in connection with the determination of whether a valid quorum is established but will have no effect on the Governance Proposal.

The approval of the Adjournment Proposal requires the affirmative vote of a majority of the votes cast by holders of our outstanding shares of GHV Common Stock represented in person or by proxy and entitled to vote thereon at the Special Meeting. Accordingly, a Company stockholder's failure to vote by proxy or to vote in person at the Special Meeting, as well as an abstention from voting and a broker non-vote will have no effect on the Adjournment Proposal. Abstentions will be counted in connection with the determination of whether a valid quorum is established but will have no effect on the Adjournment Proposal.

Q: What happens if the Merger Proposal is not approved?

A: If the Merger Proposal is not approved and we do not consummate a business combination by August 10, 2022, we will be required to dissolve and liquidate our Trust Account.

Q: May the Company, its Sponsor or the Company's directors or officers or their affiliates purchase shares in connection with the Business Combination?

A: In connection with the stockholder vote to adopt the Business Combination Agreement and approve the Merger, our Sponsor, directors or officers or their respective affiliates may privately negotiate transactions to purchase shares from stockholders who would have otherwise elected to have their shares redeemed in conjunction with a proxy solicitation pursuant to the proxy rules for a per-share pro rata portion of the Trust Account. None of our directors or officers or their respective affiliates will make any such purchases when they are in possession of any material non-public information not disclosed to the seller or during a restricted period under Regulation M under the Exchange Act. Such a purchase may include a contractual acknowledgement that such selling stockholder, although still the record holder of our shares, is no longer the beneficial owner thereof and therefore agrees not to exercise its redemption rights, and could include a contractual provision that directs such selling stockholder to vote such shares in a manner directed by the purchaser. In the event that our Sponsor, directors or officers or their affiliates purchase shares in privately negotiated transactions from Public Stockholders who have already elected to exercise their redemption rights, such selling stockholders would be required to revoke their prior elections to redeem their shares.

Any such privately negotiated purchases may be effected at purchase prices that are below or in excess of the per-share pro rata portion of the Trust Account.

Additionally, in connection with the execution of the Business Combination Agreement, the Sponsor entered into a Subscription Agreement pursuant to which it has agreed to subscribe for up to an additional 9,500,000 AMPSA Shares for a purchase price of \$10.00 per share in the event that redemptions of GHV's Class A Common Stock, if any, result in an aggregate redemption price of more than \$1,000,000. See "*Certain Agreements Related to the Business Combination-Subscription Agreements.*"

Q: How many votes do I have at the Special Meeting?

A: Our stockholders are entitled to one vote on each proposal presented at the Special Meeting for each share of GHV Common Stock held of record as of _____, 2021, the record date for the Special Meeting. As of the close of business on the record date, there were _____ outstanding shares of our GHV Common Stock.

Q: How do I vote?

A: If you were a holder of record of our GHV Common Stock on _____, 2021, the record date for the Special Meeting, you may vote with respect to the proposals in person via the virtual meeting platform at the Special Meeting, or by completing, signing, dating and returning the enclosed proxy card in the postage-paid envelope provided.

Voting by Mail. By signing the proxy card and returning it in the enclosed prepaid and addressed envelope, you are authorizing the individuals named on the proxy card to vote your shares at the Special Meeting in the manner you indicate. We encourage you to sign and return the proxy card even if you plan to attend the Special Meeting so that your shares will be voted if you are unable to attend the Special Meeting. If you receive more than one proxy card, it is an indication that your shares are held in multiple accounts. Please sign and return all proxy cards to ensure that all of your shares are voted. Votes submitted by mail must be received by 9:00 a.m. Eastern Time on _____, 2021.

Voting at the Special Meeting via the Virtual Meeting Platform. If you attend the Special Meeting and plan to vote in person via the virtual meeting platform, you will be provided with explicit instructions on how to vote in person via the virtual meeting platform. If your shares are registered directly in your name, you are considered the stockholder of record and you have the right to vote in person via the virtual meeting platform at the Special Meeting. If you hold your shares in "street name," which means your shares are held of record by a broker, bank or other nominee, you should follow the instructions provided by your broker, bank or nominee to ensure that votes related to the shares you beneficially own are properly counted. In this regard, you must provide the record holder of your shares with instructions on how to vote your shares or, if you wish to attend the Special Meeting and vote in person via the virtual meeting platform, you will need to contact your broker, bank or nominee to obtain a legal proxy that will authorize you to vote these shares. For additional information, please see the section entitled "*Special Meeting in Lieu of 2021 Annual Meeting of Company Stockholders.*"

Q: What will happen if I abstain from voting or fail to vote at the Special Meeting?

A: At the Special Meeting, we will count a properly executed proxy marked "**ABSTAIN**" with respect to a particular proposal as present for purposes of determining whether a quorum is present. For purposes of approval, a failure to vote or an abstention will have the same effect as a vote "**AGAINST**" the Merger Proposal but will have no effect on the Governance Proposal or the Adjournment Proposal.

Q: What will happen if I sign and return my proxy card without indicating how I wish to vote?

A: Signed and dated proxies received by us without an indication of how the stockholder intends to vote on a proposal will be voted "FOR" each proposal presented to the stockholders. The proxyholders may use their discretion to vote on any other matters which properly come before the Special Meeting.

Q: If I am not going to attend the Special Meeting via the virtual meeting platform, should I return my proxy card instead?

A: Yes. Whether you plan to attend the Special Meeting or not, please read the enclosed proxy statement/prospectus carefully, and vote your shares by completing, signing, dating and returning the enclosed proxy card in the postage-paid envelope provided.

Q: If my shares are held in "street name," will my broker, bank or nominee automatically vote my shares for me?

A: No. Under the rules of various national and regional securities exchanges, your broker, bank, or nominee cannot vote your shares with respect to non-routine matters unless you provide instructions on how to vote in accordance with the information and procedures provided to you by your broker, bank, or nominee. We believe the proposals presented to the stockholders at this Special Meeting will be considered non-routine and, therefore, your broker, bank, or nominee **cannot vote your shares without your instruction** on any of the proposals presented at the Special Meeting. If you do not provide instructions with your proxy, your broker, bank, or other nominee may deliver a proxy card expressly indicating that it is NOT voting your shares; this indication that a broker, bank, or nominee is not voting your shares is referred to as a "broker non-vote." Broker non-votes will not be counted for the purposes of determining the existence of a quorum or for purposes of determining the number of votes cast at the Special Meeting. Your bank, broker, or other nominee can vote your shares only if you provide instructions on how to vote. You should instruct your broker to vote your shares in accordance with directions you provide.

Q: How will a broker non-vote impact the results of each proposal?

A: Broker non-votes will have the same effect as a vote "AGAINST" the Merger Proposal.

Q: May I change my vote after I have mailed my signed proxy card?

A: Yes. You may change your vote by sending a later-dated, signed proxy card to our Secretary at the address listed below so that it is received by our Secretary prior to the Special Meeting or attend the Special Meeting in person and vote. You also may revoke your proxy by sending a notice of revocation to our Secretary, which must be received by our Secretary prior to the Special Meeting.

Q: What should I do if I receive more than one set of voting materials?

A: You may receive more than one set of voting materials, including multiple copies of this proxy statement/prospectus and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you will receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a holder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive in order to cast your vote with respect to all of your shares.

Q: How will the Company's Sponsor, directors and officers vote?

A: Prior to our IPO, we entered into agreements with our Sponsor and each of our directors and officers, pursuant to which each agreed to vote any shares of GHV Common Stock owned by them in favor of the Merger Proposal. None of our Sponsor, directors or officers has purchased any shares of our GHV Common Stock during or after our IPO and, as of the date of this proxy statement, neither we nor our Sponsor, directors or officers have entered into agreements, and are not currently in negotiations, to purchase shares prior to the consummation of the Merger. Currently, our Initial Stockholders own 20% of our issued and outstanding shares of GHV Common Stock, including all of the GHV Founder Shares, and will be able to vote all such shares at the Special Meeting.

Q: What interests do the Sponsor and the Company's current officers and directors have in the Business Combination?

A: Our Sponsor and certain members of the GHV Board and officers have interests in the Business Combination that are different from or in addition to (and which may conflict with) your interests. See "*Risk Factors—Risks Relating to GHV and the Merger—The exercise of discretion by our directors and officers in agreeing to changes to the terms of or waivers of closing conditions in the Business Combination Agreement may result in a conflict of interest when determining whether such changes to the terms of the Business Combination Agreement or waivers of conditions are appropriate and in the best interests of our stockholders.*" You should take these interests into account in deciding whether to approve the Merger Proposal. These interests include:

the fact that the Initial Stockholders have agreed not to redeem any of the GHV Founder Shares in connection with a stockholder vote to approve a proposed initial business combination;

the fact that the GHV Sponsor paid an aggregate of \$25,000 for the GHV Founder Shares that will be exchanged for AMPSA Shares at the Merger Effective Time, and which AMPSA Shares would, if unrestricted and freely tradable, have a value of approximately \$98 million at the Merger Effective Time (based on per share price of \$10), but given the restrictions on such AMPSA Shares pursuant to the Registration Rights and Lock-Up Agreement, GHV believes such AMPSA Shares have less value;

the fact that the Initial Stockholders have agreed to waive their rights to liquidating distributions from the Trust Account with respect to their GHV Founder Shares if GHV fails to complete an initial business combination by August 10, 2022;

the fact that the GHV Sponsor paid an aggregate of approximately \$12,500,000 for its 6,250,000 Private Placement Warrants to purchase shares of GHV Class A Common Stock, and that such Private Placement Warrants will expire and become worthless if a business combination is not consummated by August 10, 2022;

if the Trust Account is liquidated, including in the event GHV is unable to complete an initial business combination within the required time period, the GHV Sponsor has agreed to indemnify GHV to ensure that the proceeds in the Trust Account are not reduced below \$10.00 per public share, or such lesser per public share amount as is in the Trust Account on the liquidation date, by the claims of prospective target businesses with which GHV has entered into an acquisition agreement or claims of any third party (other than its independent public accountants) for services rendered or products sold to GHV, but only if such a vendor or target business has not executed a waiver of any and all rights to seek access to the Trust Account;

the continued indemnification of GHV's existing directors and officers and the purchase of a tail policy with respect to GHV's directors' and officers' existing liability insurance;

the fact that the GHV Sponsor, officers and directors will lose their entire investment in GHV and will not be reimbursed for any out-of-pocket expenses if GHV does not consummate an initial business combination by August 10, 2022;

the fact that the GHV Sponsor has the right to nominate two independent directors to AMPSA's board of directors as of the Closing;

that, at the closing of the Merger, GHV will enter into the Registration Rights and Lock-Up Agreement, which provides for registration rights to the holders of AMPSA Shares that are parties thereto and their permitted transferees;

the fact that the GHV Sponsor and members of the GHV Board and management would hold the following number of shares in AMPSA at the Closing:

<u>Name of Person/Entity</u>	<u>Number of AMPSA Shares</u>	<u>Value of AMPSA Shares(1)</u>
Gores Sponsor V LLC		\$
Alec E. Gores		\$
Mark R. Stone		\$
Andrew McBride		\$
Randall Bort		\$
William Patton		\$
Jeffrey Rea		\$

(1) Based on a per share price of \$10.00.

the fact that the GHV Sponsor has entered into a Subscription Agreement with AMPSA and GHV, pursuant to which the GHV Sponsor has committed to purchase 2.5 million AMPSA Shares in the PIPE for an aggregate commitment of approximately \$25 million, provided that the GHV Sponsor has the right to syndicate the AMPSA Shares purchased under such Subscription Agreement in advance of the Closing;

that an affiliate of the GHV Sponsor, Mr. Alec E. Gores, has committed to purchase _____ AMPSA Shares in the PIPE for an aggregate commitment of approximately \$ _____ in connection with the syndication by the GHV Sponsor of its portion of the PIPE; and

the fact that the GHV Sponsor has committed to acquire up to 9.5 million AMPSA Shares at a per share price of \$10.00 in the event that there are redemptions from the Trust Account that are in excess of \$1 million.

Q: Did the GHV Board obtain a third-party valuation or fairness opinion in determining whether or not to proceed with the Merger?

A: Yes. Although our current certificate of incorporation does not require the GHV Board to seek a third-party valuation or fairness opinion in connection with a business combination unless the target business is affiliated with our Sponsor, directors or officers, the GHV Board received a fairness opinion from Duff & Phelps as to the fairness from a financial point of view to GHV, as of the date of such opinion, of the consideration in the Business Combination. Please see the section entitled "*The Business Combination—Opinion of GHV's Financial Advisor*" and the opinion of Duff & Phelps attached hereto as Annex B for additional information.

Q: What happens if I vote against the Merger Proposal?

A: If you vote against the Merger Proposal but the Merger Proposal still obtains the affirmative vote of a majority of the outstanding shares of GHV Common Stock entitled to vote thereon at the

Special Meeting, then the Merger Proposal will be approved and, assuming the satisfaction or waiver of the other conditions to closing, the Merger will be consummated in accordance with the terms of the Business Combination Agreement.

If you vote against the Merger Proposal and the Merger Proposal does not obtain the affirmative vote of the outstanding shares of GHV Common Stock entitled to vote at the Special Meeting, then the Merger Proposal will fail and we will not consummate the Merger. If we do not consummate the Merger, we may continue to try to complete a business combination with a different target business until August 10, 2022. If we fail to complete an initial business combination by August 10, 2022, then we will be required to dissolve and liquidate the Trust Account by returning the then-remaining funds in such account to our Public Stockholders.

Q: Do I have redemption rights?

A: If you are a holder of Public Shares, you may redeem your Public Shares for cash at the applicable redemption price per share equal to the quotient obtained by dividing (i) the aggregate amount on deposit in the Trust Account as of two business days prior to the consummation of the Merger, including interest not previously released to the Company to fund Regulatory Withdrawals and/or to pay its franchise and income taxes, by (ii) the total number of then-outstanding Public Shares; *provided* that the Company will not redeem any shares of GHV Class A Common Stock issued in the IPO to the extent that such redemption would result in the Company's failure to have net tangible assets (as determined in accordance with Rule 3a51-1(g)(1) of the Exchange Act) in excess of \$5,000,000. A Public Stockholder, together with any of his, her or its affiliates or any other person with whom it is acting in concert or as a "group" (as defined under Section 13(d)(3) of the Exchange Act), will be restricted from redeeming in the aggregate his, her or its shares or, if part of such a group, the group's shares, in excess of 20% of the shares of GHV Class A Common Stock included in the GHV Units sold in our IPO. Holders of our outstanding Public Warrants do not have redemption rights in connection with the Merger. Our Sponsor, directors and officers have agreed to waive their redemption rights with respect to their shares of GHV Common Stock in connection with the consummation of the Merger, and the GHV Founder Shares will be excluded from the pro rata calculation used to determine the per-share redemption price. Our Initial Stockholders have also agreed to waive their right to a conversion price adjustment with respect to any shares of our GHV Common Stock they may hold in connection with the consummation of the Merger. For illustrative purposes, based on the balance of our Trust Account of \$525,020,571 as of December 31, 2020, the estimated per share redemption price would have been approximately \$10.00. Additionally, shares properly tendered for redemption will only be redeemed if the Merger is consummated; otherwise holders of such shares will only be entitled to a pro rata portion of the Trust Account (including interest not previously released to the Company to fund Regulatory Withdrawals and/or to pay its franchise and income taxes) in connection with the liquidation of the Trust Account, unless we complete an alternative business combination prior to August 10, 2022.

Q: Can the Company's Initial Stockholders redeem their GHV Founder Shares in connection with consummation of the Merger?

A: No. Our Initial Stockholders, officers and directors have agreed to waive their redemption rights with respect to their shares of GHV Common Stock in connection with the consummation of the Merger. Our Initial Stockholders have also agreed to waive their right to a conversion price adjustment with respect to any shares of our GHV Common Stock they may hold in connection with the consummation of the Merger.

Q: Is there a limit on the number of shares I may redeem?

A: Yes. A Public Stockholder, together with any affiliate of such stockholder or any other person with whom such stockholder is acting in concert or as a "group" (as defined under Section 13(d)(3) of the Exchange Act), is restricted from exercising redemption rights with respect to more than an aggregate of 20% of the shares sold in our IPO. Accordingly, all shares in excess of 20% owned by a holder or "group" of holders will not be redeemed for cash. On the other hand, a Public Stockholder who holds less than 20% of the Public Shares and is not a member of a "group" may redeem all of the Public Shares held by such stockholder for cash (subject to our requirement to have net tangible assets (as determined in accordance with Rule 3a51-1(g)(1) of the Exchange Act) in excess of \$5,000,000).

In no event is your ability to vote all of your shares (including those shares held by you or by a "group" in excess of 20% of the shares sold in our IPO) for or against the Merger Proposal restricted.

We have no specified maximum redemption threshold under our current certificate of incorporation, other than the aforementioned 20% threshold. Each redemption of shares of GHV Class A Common Stock by our Public Stockholders will reduce the amount in our Trust Account, which held cash and investment securities with a fair value of \$525,020,571 as of December 31, 2020. Taking into account the anticipated gross proceeds of approximately \$600,000,000 from the PIPE as well as the GHV Sponsor Backstop, all Public Stockholders could redeem their shares and the Minimum Cash Closing Conditions in the Business Combination Agreement could still be satisfied. However, in no event will we redeem shares of our GHV Class A Common Stock in an amount that would result in the Company's failure to have net tangible assets exceeding \$5,000,000, and so given the foregoing assumptions, the maximum number of shares we could redeem is 52,000,019 shares of GHV Class A Common Stock.

Q: Is there a limit on the total number of shares that may be redeemed?

A: Yes. Our current certificate of incorporation provides that we may not redeem our Public Shares in an amount that would result in the Company's failure to have net tangible assets in excess of \$5,000,000 (such that we are not subject to the SEC's "penny stock" rules) or any greater net tangible asset or cash requirement which may be contained in the Business Combination Agreement. Other than this limitation, our current certificate of incorporation does not provide a specified maximum redemption threshold.

Assuming the amount of \$525,020,571 in our Trust Account as of December 31, 2020, if all 52,500,000 shares of GHV Class A Common Stock are redeemed, they would be redeemed at a per share price of approximately \$10.00. Taking into account the anticipated gross proceeds of approximately \$600,000,000 from the PIPE as well as the GHV Sponsor Backstop, even if all Public Stockholders redeem their shares, the Minimum Cash Closing Conditions in the Business Combination Agreement could still be satisfied. However, in no event will we redeem shares of our GHV Class A Common Stock in an amount that would result in the Company's failure to have net tangible assets in excess of \$5,000,000, and so given the foregoing assumptions, the maximum number of shares we could redeem is 52,000,019 shares of GHV Class A Common Stock.

Q: How will the absence of a maximum redemption threshold affect the Merger?

A: The Business Combination Agreement provides for the Minimum Cash Closing Conditions. As a result, assuming the consummation of the PIPE (including, if applicable, the GHV Sponsor Backstop), we may be able to complete our proposed Merger Proposal even if all or a substantial portion of our Public Stockholders redeem their shares or enter into privately negotiated

agreements to sell their shares to our Sponsor, directors or officers or their affiliates. As of the date of this proxy statement/prospectus, no agreements with respect to the private purchase of Public Shares by the Company or the persons described above have been entered into with any such investor or holder. We will file a Current Report on Form 8-K with the SEC to disclose private arrangements entered into or significant private purchases made by any of the aforementioned persons that would affect the vote on the Merger Proposal or other proposals (as described in this proxy statement) at the Special Meeting. See "*The Business Combination Agreement—Conditions to Closing the Merger.*"

Q: Will how I vote affect my ability to exercise redemption rights?

A: No. You may exercise your redemption rights whether you vote your shares of GHV Common Stock for or against, or whether you abstain from voting on the Merger Proposal or any other proposal described by this proxy statement. As a result, the Merger Proposal can be approved by stockholders who will redeem their shares and no longer remain stockholders, leaving stockholders who choose not to redeem their shares holding shares in a company with a potentially less-liquid trading market, fewer stockholders, potentially less cash and the potential inability to meet the listing standards of NYSE.

Q: How do I exercise my redemption rights?

A: In order to exercise your redemption rights, you must (i) if you hold GHV Units, separate the underlying Public Shares and Public Warrants, and (ii) prior to 5:00 p.m. Eastern Time on _____, 2021 (two business days before the Special Meeting), tender your shares physically or electronically and submit a request in writing that we redeem your Public Shares for cash to Continental Stock Transfer & Trust Company, our transfer agent, at the following address:

Continental Stock Transfer & Trust Company

New York, New York 10004
Attention: Mark Zimkind
Email: mzimkind@continentalstock.com

Please check the box on the enclosed proxy card marked "Stockholder Certification" if you are not acting in concert or as a "group" (as defined in Section 13d-3 of the Exchange Act) with any other stockholder with respect to shares of GHV Common Stock. Notwithstanding the foregoing, a holder of the Public Shares, together with any affiliate or any other person with whom it, she or he is acting in concert or as a "group" (as defined in Section 13(d)(3) of the Exchange Act) will be restricted from exercising redemption rights with respect to more than an aggregate of 20% of the shares of GHV Class A Common Stock included in the GHV Units sold in our IPO. Accordingly, all Public Shares in excess of the 20% threshold beneficially owned by a Public Stockholder or group will not be redeemed for cash.

Stockholders seeking to exercise their redemption rights and opting to deliver physical certificates should allot sufficient time to obtain physical certificates from the transfer agent and time to effect delivery. It is our understanding that stockholders should generally allot at least two weeks to obtain physical certificates from the transfer agent. However, we do not have any control over this process and it may take longer than two weeks. Stockholders who hold their shares in street name will have to coordinate with their bank, broker or other nominee to have the shares certificated or delivered electronically.

Stockholders seeking to exercise their redemption rights, whether they are record holders or hold their shares in "street name" are required to either tender their certificates to our transfer agent prior to the date set forth in these proxy materials, or up to two business days prior to the vote on

the Merger Proposal at the Special Meeting, or to deliver their shares to the transfer agent electronically using Depository Trust Company's ("DTC") Deposit/Withdrawal At Custodian ("DWAC") system, at such stockholder's option. ***The requirement for physical or electronic delivery prior to the Special Meeting ensures that a redeeming stockholder's election to redeem is irrevocable once the Merger Proposal is approved.***

There is a nominal cost associated with the above-referenced tendering process and the act of certifying the shares or delivering them through the DWAC system. The transfer agent will typically charge a tendering broker a fee and it is in the broker's discretion whether or not to pass this cost on to the redeeming stockholder. However, this fee would be incurred regardless of whether or not we require stockholders seeking to exercise redemption rights to tender their shares, as the need to deliver shares is a requirement to exercising redemption rights, regardless of the timing of when such delivery must be effectuated.

Q: What are the U.S. federal income tax consequences of exercising my redemption rights?

A: The U.S. federal income tax consequences of the redemption depends on particular facts and circumstances. Please see the section entitled "*GHV Stockholder Proposal No. 1–Merger Proposal–Material U.S. Federal Income Tax Considerations.*" We urge you to consult your tax advisors regarding the tax consequences of exercising your redemption rights.

Q: If I am a Company warrant holder, can I exercise redemption rights with respect to my Public Warrants?

A: No. The holders of our Public Warrants have no redemption rights with respect to our Public Warrants.

Q: What are the U.S. federal income tax consequences of the Merger to U.S. holders of GHV Common Stock and/or GHV?

A: As described more fully under the section entitled "*Material U.S. Federal Income Tax Considerations,*" it is expected that the Merger, taken together with certain related transactions, should qualify as an exchange governed by Section 351 of the Code. GHV's obligation to effect the Merger is conditioned on the receipt by AMPSA of a written tax opinion from KPMG LLP, dated as of the closing date of the Merger, providing that for U.S. federal income tax purposes the Merger, taken together with certain related transactions, should qualify as a transaction under Section 351 of the Code and should not subject the GHV stockholders to tax under Section 367 of the Code (subject to entry into gain recognition agreements by any such stockholders required to enter into such agreements to preserve tax-free treatment under Section 367 of the Code) (the "Tax Opinion"). Such opinion will be based on customary assumptions and on representations made by AGSA and GHV, as well as certain covenants and undertakings by AGSA and GHV. If any of the assumptions, representations, covenants or undertakings by AGSA or GHV is incorrect, incomplete or inaccurate or is violated, the accuracy of the opinion described above may be affected and the tax consequences of the Merger could differ from those described herein. An opinion by KPMG LLP is not binding on the Internal Revenue Service (the "IRS") or any court. Neither AGSA nor GHV intends to request a ruling from the IRS regarding the U.S. federal income tax consequences of the Merger. Accordingly, even if AMPSA receives the Tax Opinion, no assurance can be given that the IRS will not challenge the conclusions reflected in the opinion or that a court would not sustain such a challenge.

The appropriate U.S. federal income tax treatment of the disposition of GHV Warrants in exchange for AMPSA Warrants in connection with the Merger is uncertain. It is possible that a U.S. holder (as defined in "*Material U.S. Federal Income Tax Considerations*") of GHV Warrants

could be treated as exchanging such GHV Warrants for "new" warrants. If so treated, a U.S. holder could be required to recognize gain or loss in such deemed exchange in an amount equal to the difference between the fair market value of the AMPSA Warrants held by such U.S. holder immediately following the Merger and the adjusted tax basis of the GHV Warrants held by such U.S. holder immediately prior to the Merger. Alternatively, it is also possible that a U.S. holder of GHV Warrants could be treated as transferring its GHV Warrants and shares of GHV Common Stock to AMPSA for AMPSA Warrants and AMPSA Shares in an exchange governed only by Section 351 of the Code (and not by Section 368 of the Code). If so treated, a U.S. holder should be required to recognize gain (but not loss) in an amount equal to the lesser of (i) the amount of gain realized by such holder (generally, the excess of (x) the sum of the fair market values of the AMPSA Warrants treated as received by such holder and the AMPSA Shares received by such holder over (y) such holder's aggregate adjusted tax basis in the GHV Warrants and GHV Common Stock treated as having been exchanged therefor) and (ii) the fair market value of the AMPSA Warrants treated as having been received by such holder in such exchange. However, if the deemed transfer of GHV Warrants also qualifies as part of a "reorganization" within the meaning of Section 368 of the Code, subject to Section 367(a) of the Code as discussed below, a U.S. holder of GHV Warrants generally should not recognize any gain or loss on any such deemed transfer of GHV Warrants. However, the requirements for qualification of the Merger as a "reorganization" under Section 368 of the Code are more stringent in certain respects than the requirements for qualification as an exchange under Section 351 of the Code. While not free from doubt, GHV and AMPSA intend to report the exchange of GHV Warrants for AMPSA Warrants as not qualifying as part of a "reorganization" within the meaning of Section 368 of the Code. U.S. holders of GHV Warrants are urged to consult with their tax advisors regarding the treatment of their GHV Warrants in connection with the Merger.

If, however, the exchange by GHV stockholders of GHV Common Stock for AMPSA Shares in the Merger does not qualify for nonrecognition of gain or loss under Section 351(a) or Section 368 of the Code, then a U.S. holder would generally recognize gain or loss in an amount equal to the difference, if any, between (i) the fair market value of the AMPSA Shares (and, if such U.S. holder is also surrendering GHV Warrants, AMPSA Warrants) received and (ii) such U.S. holder's adjusted tax basis in such GHV Common Stock (and GHV Warrants, if any). If the transfer is described in Section 351(a) or Section 368 of the Code but it is determined that Section 367(a) of the Code applies to the transfer of GHV Common Stock, then a U.S. holder would generally recognize gain (but not loss) to the extent that gain would have been recognized if such transfer did not qualify for non-recognition under Section 351(a) or Section 368 of the Code.

The summary above is qualified in its entirety by the more detailed discussion provided in the section entitled "*Material U.S. Federal Income Tax Considerations*." We urge you to consult your tax advisors regarding the tax consequences to you of the Merger.

Q: Do I have appraisal rights if I object to the Merger Proposal?

A: No. Appraisal rights are not available to holders of our GHV Common Stock in connection with the Merger.

Q: What happens to the funds held in the Trust Account upon consummation of the Merger?

A: The funds held in the Trust Account (together with the proceeds from the PIPE) will be used to (a) pay a portion of the AGSA Consideration and (b) pay GHV stockholders who properly exercise their redemption rights.

Q: What happens if the Merger is not consummated?

A: There are certain circumstances under which the Business Combination Agreement may be terminated. Please see the section entitled "*The Business Combination Agreement*" for information regarding the parties' specific termination rights.

If we do not consummate the Merger, we may continue to try to complete a business combination with a different target business until August 10, 2022. Unless we amend our current certificate of incorporation (which requires the affirmative vote of 65% of all then outstanding shares of GHV Class A Common Stock) and amend certain other agreements into which we have entered to extend the life of the Company, if we fail to complete an initial business combination by August 10, 2022, then we will: (i) cease all operations except for the purpose of winding up; (ii) as promptly as reasonably possible but not more than ten business days thereafter, redeem our Public Shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest not previously released to the Company to fund its working capital requirements plus Regulatory Withdrawals and/or to pay its franchise and income taxes (less up to \$100,000 of interest to pay dissolution expenses), divided by the number of then outstanding Public Shares, which redemption will completely extinguish our Public Stockholders' rights as stockholders (including the right to receive further liquidating distributions, if any), subject to applicable law; and (iii) as promptly as reasonably possible following such redemption, subject to the approval of our remaining stockholders and the GHV Board, dissolve and liquidate, subject in each case to our obligations under Delaware law to provide for claims of creditors and the requirements of other applicable law. In the event of such distribution, it is possible that the per share value of the residual assets remaining available for distribution (including Trust Account assets) will be less than the initial public offering price per unit in the IPO. Please see the section entitled "*Risk Factors—Risks Relating to GHV and the Merger*."

Holder of our GHV Founder Shares have waived any right to any liquidation distribution with respect to such shares. In addition, if we fail to complete an initial business combination by August 10, 2022, there will be no redemption rights or liquidating distributions with respect to our outstanding warrants, which will expire worthless.

Q: When is the Merger expected to be completed?

A: The closing of the Merger is expected to take place on or prior to the third business day following the satisfaction or waiver of the conditions described below in the subsection entitled "*The Business Combination Agreement—Conditions to Closing of the Merger*." Following the Closing, MergeCo will merge with and into GHV, with GHV being the surviving corporation as a wholly owned subsidiary of AMPSA, and all shares of GHV Class A Common Stock outstanding immediately prior to the Merger Effective Time, other than any Excluded Shares (as defined in the Business Combination Agreement), will be contributed to AMPSA in exchange for AMPSA Shares, and all GHV Warrants outstanding immediately prior to the Merger Effective Time will be converted into AMPSA Warrants. The completion of the Merger is expected to occur in the second quarter of 2021. The Business Combination Agreement may be terminated by AGSA or GHV if the Closing has not occurred by September 30, 2021.

For a description of the conditions to the completion of the Merger, see the section entitled "*The Business Combination Agreement—Conditions to Closing the Merger*."

Q: What do I need to do now?

A: You are urged to read carefully and consider the information contained in this proxy statement, including the Annexes, and to consider how the Merger will affect you as a stockholder. You should then vote as soon as possible in accordance with the instructions provided in this proxy

statement/prospectus and on the enclosed proxy card or, if you hold your shares through a brokerage firm, bank or other nominee, on the voting instruction form provided by the broker, bank or nominee.

Q: Who will solicit and pay the cost of soliciting proxies for the Special Meeting?

A: The Company is soliciting proxies on behalf of the GHV Board. The Company will pay the cost of soliciting proxies for the Special Meeting. The Company has engaged Morrow Sodali LLC ("Morrow") to assist in the solicitation of proxies for the Special Meeting. The Company has agreed to pay Morrow a fee of \$ _____, plus disbursements, and will reimburse Morrow for its reasonable out-of-pocket expenses and indemnify Morrow and its affiliates against certain claims, liabilities, losses, damages and expenses. The Company will also reimburse banks, brokers and other custodians, nominees and fiduciaries representing beneficial owners of shares of the Company's GHV Common Stock for their expenses in forwarding soliciting materials to beneficial owners of the Company's GHV Common Stock and in obtaining voting instructions from those owners. The description of AMPSA's business operations in this section refers to AMPSA's business following consummation of the Pre-Closing Restructuring pursuant to the Transfer Agreement.

Parties to the Business Combination Agreement

Gores Holdings V, Inc.

GHV is a special purpose acquisition company incorporated on June 25, 2020 as a Delaware corporation and formed for the purpose of effecting a merger, capital stock exchange, asset acquisition, stock purchase, reorganization or similar business combination with one or more businesses.

The GHV Units, the shares of GHV Class A Common Stock, and the Public Warrants trade on Nasdaq under the ticker symbols "GRSV," "GRSVU" and "GRSVW."

The mailing address of GHV's principal executive office is 9800 Wilshire Blvd., Beverly Hills, California 90212 and its telephone number is (310) 209-3010.

Ardagh Metal Packaging S.A.

AMPSA is one of the leading suppliers of consumer metal beverage cans in the world and believes that it holds the #2 or #3 market positions in Europe, the United States and Brazil. The global beverage can industry is a large, consumer-driven industry with attractive growth characteristics. AMPSA's end-use categories include beer, carbonated soft drinks, energy drinks, hard seltzers, juices, pre-mixed cocktails, teas, sparkling waters and wine. Its customers include a wide variety of leading beverage producers, which value its packaging products for their convenience and quality, as well as the end-user appeal they offer through design, innovation and brand promotion. With AMPSA's significant invested capital base, supported by consistent levels of re-investment, its extensive technical capabilities and manufacturing know-how, AMPSA believes it is well-positioned to continue to meet the dynamic needs of its global customers.

AMPSA was incorporated under the laws of the Grand Duchy of Luxembourg on January 20, 2021 as a public limited liability company (*société anonyme*) having its registered office at 56, rue Charles Martel, L-2134 Luxembourg, Luxembourg and registered with the Luxembourg Register of Commerce and Companies (*Registre de Commerce et des Sociétés de Luxembourg*) under number B 251465. After the consummation of the Merger, its principal executive office will remain at 56, rue Charles Martel, L-2134 Luxembourg, Luxembourg.

The mailing address of AMPSA's principal executive office is 56, rue Charles Martel, L-2134 Luxembourg, Luxembourg and its telephone number is +352 26 25 85 55. Prior to the consummation of the Merger, the directors of AMPSA are Paul Coulson, Shaun Murphy, Oliver Graham, David Matthews, Abigail Blunt, Yves Elsen, The Rt. Hon. The Lord Hammond of Runnymede, Hermanus Troskie and Edward White.

AMPSA expects to apply to list the AMPSA Shares and AMPSA Warrants on NYSE under the symbols "AMBP" and "AMBPW," respectively.

Upon the effectiveness of the registration statement of which this prospectus forms a part, AMPSA will report under the Exchange Act as a non-U.S. company with foreign private issuer status. As long as AMPSA continues to qualify as a foreign private issuer under the Exchange Act, AMPSA will be

exempt from certain provisions of the Exchange Act that are applicable to U.S. domestic public companies, including:

the sections of the Exchange Act regulating the solicitation of proxies, consents or authorizations in respect of a security registered under the Exchange Act;

the sections of the Exchange Act requiring insiders to file public reports of their stock ownership and trading activities and liability for insiders who profit from trades made in a short period of time; and

the rules under the Exchange Act requiring the filing with the Securities and Exchange Commission, or SEC, of quarterly reports on Form 10-Q containing unaudited financial and other specified information, or current reports on Form 8-K, upon the occurrence of specified significant events.

In addition, AMPSA will not be required to file annual reports and financial statements with the SEC as promptly as U.S. domestic companies whose securities are registered under the Exchange Act, and will not be required to comply with Regulation FD, which restricts the selective disclosure of material information.

Further, AMPSA will be exempt from certain corporate governance requirements of NYSE by virtue of being a foreign private issuer. Although AMPSA's foreign private issuer status exempts it from most of NYSE's corporate governance requirements, AMPSA intends to voluntarily comply with these requirements, except those from which AMPSA would be exempt by virtue of being a "controlled company." Following the consummation of the Merger, AGSA will continue to control, directly or indirectly, a majority of the voting power of AMPSA's issued and outstanding shares and thus AMPSA will be a controlled company within the meaning of NYSE corporate governance standards. Under these NYSE standards, AMPSA may elect not to comply with certain NYSE corporate governance requirements, including the requirements that:

a majority of the board of directors consist of independent directors;

the compensation committee be composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities;

the nominating and governance committee be composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities; and

there be an annual performance evaluation of the compensation and nominating and corporate governance committees.

Following the consummation of the Merger, AMPSA intends to utilize certain of these exemptions, including the exemption from the requirement to have a board of directors composed of a majority of independent directors. In addition, although AMPSA will have adopted charters for its audit, compensation and nominating and governance committees, its compensation and nominating and governance committees are not expected to be composed solely of independent directors. For more information about AMPSA, see the sections entitled "*Information About AMPSA*" and "*AMPSA Management's Discussion and Analysis of Financial Condition and Results of Operation*."

Pursuant to the Business Combination Agreement, each of the following transactions will occur in the following order:

prior to the Closing, pursuant to the Transfer Agreement, AGSA will effect a series of transactions that will result in (a) the AMP Business being owned by AMPSA and (b) any assets and liabilities relating to the business of AGSA (other than the AMP Business) that are held by the AMP Entities being transferred to subsidiaries of AGSA that are not engaged in the AMP Business, and assets and liabilities relating to the AMP Business that are held by subsidiaries of AGSA (other than the AMP Entities) being transferred to the AMP Entities (the "Pre-Closing Restructuring");

AMPSA intends to incur indebtedness under the documents related to the Debt Financing in an amount that would yield net proceeds of not less than \$2,315,000,000 and have an aggregate principal of no more than \$2,800,000,000 (which may be denominated in USD, Euros or a combination of the foregoing), which AMPSA expects to incur pursuant to the Notes Offering;

at Closing, the Subscribers will subscribe for 60,000,000 AMPSA Shares for an aggregate purchase price payable to AMPSA of \$600,000,000 (excluding the GHV Sponsor Backstop); and

Termination Rights

The Business Combination Agreement may be terminated, and the Merger may be abandoned, as follows:

by mutual written consent of GHV and AGSA;

by GHV, upon any breach of any representation, warranty, covenant or agreement set forth in the Business Combination Agreement on the part of the AGSA, AMPSA or MergeCo that remains uncured for more than 30 days after written notice of such breach is provided by GHV to AGSA, or if any representation or warranty of AGSA, AMPSA or MergeCo shall have become untrue or inaccurate, in either case such that the conditions set forth in Section 7.2(a) and Section 7.2(b) of the Business Combination Agreement would not be satisfied;

by AGSA, upon any breach of any representation, warranty, covenant or agreement set forth in the Business Combination Agreement on the part of GHV that remains uncured for more than 30 days after written notice of such breach is provided by AGSA to GHV, or if any representation or warranty of GHV shall have become untrue or inaccurate, in either case such that the conditions set forth in Section 7.3(a) and Section 7.3(b) of the Business Combination Agreement would not be satisfied;

by either GHV or AGSA, if the Merger Effective Time shall not have occurred on or prior to September 30, 2021, provided that the terminating party is not, either directly or indirectly through its affiliates, in breach or violation of any representation, warranty, covenant, agreement or obligation under the Business Combination Agreement and such breach or violation is the primary cause of the failure of a condition set forth in the Business Combination Agreement on or prior to September 30, 2021;

by either GHV or AGSA if the Merger Proposal fails to receive the requisite vote for approval at GHV's Special Meeting of stockholders; and

Certain Agreements Related to the Business Combination Agreement

Transfer Agreement

On February 22, 2021, AGSA and AMPSA entered into a Transfer Agreement, pursuant to which, prior to the Pre-Closing Restructuring Completion Date, AGSA will effect the Pre-Closing Restructuring through a series of transactions that will result in, among other things, AMPSA owning the AMP Business.

For more information about the Transfer Agreement, see the section entitled "*Certain Agreements Related to the Business Combination-Transfer Agreement.*"

Services Agreement

In connection with the Pre-Closing Restructuring, AGSA and AMPSA will enter into a services agreement (the "Services Agreement"), pursuant to which AGSA, either directly or indirectly through its affiliates, will provide certain corporate and business-unit services to AMPSA, and AMPSA, either directly or indirectly through its affiliates, will provide certain corporate and business-unit services to AGSA. The initial term of the Services Agreement is expected to end on December 31, 2024.

For more information about the Services Agreement, see the section entitled "*Certain Agreements Related to the Business Combination–Services Agreement.*"

Shareholders Agreement

In connection with the completion of the Merger, AGSA and AMPSA will enter into the Shareholders Agreement, pursuant to which, among other things, AGSA will have the right to nominate nine directors to the AMPSA's board of directors, of whom (a) one will initially be the current Chief Executive Officer of AGSA, who will serve as chairperson of the board; and (b) at least three shall satisfy the independence requirements of NYSE. Two independent directors will be appointed upon proposal for nomination by the Sponsor as Class I directors pursuant to the terms of the Business Combination Agreement. In addition, for so long as AGSA holds at least 20% of the outstanding AMPSA Shares, AGSA will also have the right to: (i) nominate a number of directors to the AMPSA's board of directors at least proportional to the number of AMPSA Shares owned by AGSA; (ii) designate the chairperson of the board of directors of AMPSA (who need not be a nominee of Ardagh Group); and (iii) appoint a number of representatives to each committee of the board of AMPSA that is at least proportional to the number of outstanding AMPSA Shares owned by AGSA. In addition, for so long as Ardagh Group holds at least 40% of the outstanding shares in AMPSA, Ardagh Group will also have the right to approve certain material actions to be taken by AMPSA.

For more information about the Shareholders Agreement, see the section entitled "*Certain Agreements Related to the Business Combination–Shareholders Agreement.*"

Subscription Agreements

In connection with the execution of the Business Combination Agreement, AMPSA and GHV entered into separate subscription agreements (collectively, the "Subscription Agreements") with a number of investors (collectively, the "Subscribers"), pursuant to which the Subscribers agreed to subscribe for, and AMPSA agreed to issue to the Subscribers, an aggregate of 60,000,000 AMPSA Shares (the "PIPE Shares"), for a purchase price of \$10.00 per share, for an aggregate cash amount of \$600,000,000 (such aggregate cash amount, the "PIPE Investment Amount", and such transactions, the "PIPE Investment").

The issuance of the PIPE Shares pursuant to the Subscription Agreements is contingent upon, among other customary closing conditions, the substantially concurrent consummation of the Merger.

Pursuant to the Subscription Agreements, AMPSA agreed that, within 30 calendar days after the Closing Date, it will file with the SEC (at AMPSA's sole cost and expense) a registration statement registering the resale of the PIPE Shares, and AMPSA will use its commercially reasonable efforts to have the registration statement declared effective as soon as practicable after the filing thereof.

Pursuant to the Subscription Agreement entered into by the GHV Sponsor, the GHV Sponsor committed to acquire 2,500,000 AMPSA Shares (which may be syndicated by it) and to the GHV Sponsor Backstop.

For more information about the Subscription Agreements, see the section entitled "*Certain Agreements Related to the Business Combination–Subscription Agreements.*"

Registration Rights and Lock-Up Agreement

In connection with the Closing, AMPSA, the Initial Stockholders and AGSA will enter into a Registration Rights and Lock-Up Agreement that provides customary demand and piggyback registration rights. Pursuant to the Registration Rights and Lock-Up Agreement, AMPSA will agree that, as soon as practicable, and in any event within 30 days after the Closing, it will file with the SEC (at AMPSA's sole cost and expense) a registration statement registering the resale of any outstanding AMPSA Shares or any other equity security held by a party to the Registration Rights and Lock-Up Agreement and any other equity security of AMPSA issued or issuable with respect to any such AMPSA Share by way of a dividend or stock split in connection with a combination of shares, recapitalization, merger, consolidation or other reorganization or otherwise, and AMPSA will use its reasonable efforts to have the registration statement declared effective as soon as practicable after the filing thereof, but no later than the 60th day (or the 90th day if the registration statement is reviewed by, and received comments from, the SEC) following the filing deadline.

Subject to certain exceptions, including in connection with certain exchanges involving AGSA shareholders, AGSA may not transfer any AMPSA Shares beneficially owned or owned of record by it during the period ending 180 days following the date of the Registration Rights and Lock-Up Agreement (the "Share Lock-Up Period"). During the Share Lock-Up Period, no Initial Stockholder may transfer AMPSA Shares beneficially owned or owned of record by such Initial Stockholder. During the period ending 30 days after the date of the Registration Rights and Lock-Up Agreement, no Initial Stockholder may transfer any GHV Warrants or any of the AMPSA Shares issued or issuable upon the exercise or conversion of such GHV Warrants beneficially owned or owned of record by such Initial Stockholder. The lock-up provisions are subject to a number of customary exceptions.

For more information about the Registration Rights and Lock-Up Agreement, see the section entitled "*Certain Agreements Related to the Business Combination—Registration Rights and Lock-Up Agreement.*"

Warrant Assignment, Assumption and Amendment Agreement

In connection with the Closing, AMPSA will enter into a Warrant Assignment, Assumption and Amendment Agreement with GHV and Continental Stock Transfer & Trust Company, a New York corporation, as warrant agent to assume GHV's obligations under the existing Warrant Agreement, dated August 10, 2020 with respect to the GHV Warrants.

For more information about the Warrant Agreement Amendment, see the section entitled "*Certain Agreements Related to the Business Combination—Warrant Assignment, Assumption and Agreement Amendment.*"

Interests of GHV Initial Stockholders and GHV's Other Current Officers and Directors

In considering the recommendation of the GHV Board to vote for the proposals presented at the Special Meeting, including the Merger Proposal, you should be aware that aside from their interests as stockholders, GHV's Sponsor and certain members of its Board and officers have interests in the Business Combination that are different from, or in addition to, the interests of GHV's stockholders generally. The GHV Board was aware of and considered these interests, among other matters, in evaluating and negotiating the Business Combination and transaction agreements and in recommending to its stockholders that they vote in favor of the proposals presented at the Special Meeting, including the Merger Proposal. Stockholders should take these interests into account in deciding whether to

approve the proposals presented at the Special Meeting, including the Merger Proposal. These interests include, among other things:

the fact that the Initial Stockholders have agreed not to redeem any of the GHV Founder Shares in connection with a stockholder vote to approve a proposed initial business combination;

the fact that the GHV Sponsor paid an aggregate of \$25,000 for the GHV Founder Shares that will be exchanged for AMPSA Shares at the Merger Effective Time, and which AMPSA Shares would, if unrestricted and freely tradable, have a value of approximately \$98 million at the Merger Effective Time (based on per share price of \$10.00), but given the restrictions on such AMPSA Shares pursuant to the Registration Rights and Lock-Up Agreement, GHV believes such AMPSA Shares have less value;

the fact that the Initial Stockholders have agreed to waive their rights to liquidating distributions from the Trust Account with respect to their GHV Founder Shares if GHV fails to complete an initial business combination by August 10, 2022;

the fact that the GHV Sponsor paid an aggregate of approximately \$12,500,000 for its 6,250,000 Private Placement Warrants to purchase shares of GHV Class A Common Stock, and that such Private Placement Warrants will expire and become worthless if a business combination is not consummated by August 10, 2022;

if the Trust Account is liquidated, including in the event GHV is unable to complete an initial business combination within the required time period, the GHV Sponsor has agreed to indemnify GHV to ensure that the proceeds in the Trust Account are not reduced below \$10.00 per public share, or such lesser per public share amount as is in the Trust Account on the liquidation date, by the claims of prospective target businesses with which GHV has entered into an acquisition agreement or claims of any third party (other than its independent public accountants) for services rendered or products sold to GHV, but only if such a vendor or target business has not executed a waiver of any and all rights to seek access to the Trust Account;

the continued indemnification of GHV's existing directors and officers and the purchase of a tail policy with respect to GHV's directors' and officers' existing liability insurance;

the fact that the GHV Sponsor, officers and directors will lose their entire investment in GHV and will not be reimbursed for any out-of-pocket expenses if GHV does not consummate an initial business combination by August 10, 2022;

the fact that the GHV Sponsor has the right to nominate two independent directors to AMPSA's board of directors as of the Closing;

that, at the closing of the Merger, GHV will enter into the Registration Rights and Lock-Up Agreement, which provides for registration rights to the holders of AMPSA Shares that are parties thereto and their permitted transferees;

the fact that the GHV Sponsor and members of the GHV Board and management would hold the following number of shares in AMPSA at the Closing:

<u>Name of Person/Entity</u>	<u>Number of AMPSA Shares</u>	<u>Value of AMPSA Shares(1)</u>
Gores Sponsor V LLC		\$
Alec E. Gores		\$
Mark R. Stone		\$
Andrew McBride		\$
Randall Bort		\$
William Patton		\$
Jeffrey Rea		\$

(1) Based on a per share price of \$10.00.

the fact that the GHV Sponsor has entered into a Subscription Agreement with AMPSA and GHV, pursuant to which the GHV Sponsor has committed to purchase 2.5 million AMPSA Shares in the PIPE for an aggregate commitment of approximately \$25 million, provided that the GHV Sponsor has the right to syndicate the AMPSA Shares purchased under such Subscription Agreement in advance of the Closing;

that an affiliate of the GHV Sponsor, Mr. Alec E. Gores, has committed to purchase AMPSA Shares in the PIPE for an aggregate commitment of approximately \$ in connection with the syndication by the GHV Sponsor of its portion of the PIPE; and

the fact that the GHV Sponsor has committed to acquire up to 9.5 million AMPSA Shares at a per share price of \$10.00 in the event that there are redemptions from the Trust Account that are in excess of \$1 million.

GHV's Board of Directors' Reasons for the Approval of the Business Combination

GHV was formed for the purpose of effecting an initial business combination with one or more businesses. GHV sought to do this by utilizing the networks and industry experience of both its Sponsor and its Board to identify, acquire and operate one or more businesses within or outside of the United States, although GHV was not limited to a particular industry or sector.

In particular, the GHV Board considered the following positive factors, although not weighted or in any order of significance:

Pre-eminent Pure Play Beverage Can Company. The GHV Board noted that the AMP Business is a pure play leader in the beverage can industry with its focus on sustainability, innovation and infinitely recyclable products. The GHV Board believes that this strong market position and customer and product mix positions the AMP Business as a leader in the industry and that it will continue to expand its sold volume and increase market share.

Long-Term Industry Megatrends and Environmentally-Conscious End Consumers Driving Inflection Point in Beverage Can Demand. The GHV Board noted the convergence of multiple factors, including growth with emerging categories such as health and wellness, hard seltzers, sparkling waters and coffee and tea, the

advantages of aluminum can packaging, as well as the importance of sustainability and regulatory changes, which should lead to additional growth opportunities across geographies. Additionally, due to the fast growing demand and current supply shortage in the beverage can industry, the structural shift from plastic and glass to beverage cans and the increased use of recyclable packaging as a key focus for large consumer products, the GHV Board believes that AMPSA has significant growth potential.

Leader in Sustainability. The GHV Board noted that a core tenet of AGSA's corporate philosophy for a number of years has been a focus on being a leader environmentally, ecologically and socially. AGSA began issuing sustainability reports in 2013 and has a Chief Sustainability Officer who is driving AGSA and AMPSA towards an ambitious set of sustainability targets. The GHV Board also noted that aluminum cans have the ability to achieve 100% recyclability, whereas substitute products such as glass and plastic achieve lower rates. The GHV Board believes that AMPSA's strong corporate focus on sustainability coupled with environmentally conscious customers and end consumers positions AMPSA to deliver continued growth in an environmentally friendly manner.

Multifaceted Growth Opportunity Backed by Long-Term Customer Contracts. The GHV Board was aware that the AMP Business has long term relationships with key customers that span decades.

Compelling Financial Profile. The GHV Board noted that AMPSA's financial profile is positioned for sustainable expansion with current and new customers and in new and emerging product categories. Additionally, the GHV Board believes AMPSA is positioned for significant margin expansion resulting from longer contracts, favorable customer and product mix trends, higher growth in specialty cans and continued network efficiency improvements and operating leverage from expanding capacity in existing facilities.

Entrepreneurial Owner Manager Culture. The GHV Board considered that AMPSA is managed by a team with extensive experience in the industry that has a sustained track record of delivering shareholder value, and that this team will be in place upon the closing of the Merger. Additionally, the GHV Board believes that AMPSA's proven management team and strategy will help enable AMPSA to deliver continued industry-leading growth.

Opinion of GHV's Financial Advisor. The GHV Board took into account the opinion of Duff & Phelps, dated February 22, 2021, addressed to the GHV Board as to the fairness from a financial point of view to GHV, as of the date of such opinion, of the consideration in the Business Combination, which opinion was based on and subject to the assumptions made, procedures followed, matters considered and limitations and qualifications set forth in such opinion as more fully described above under the caption "*Proposal No. 1–Approval of the Business Combination–Opinion of GHV's Financial Advisor.*"

Other Alternatives. The GHV Board believed, after a thorough review of other business combination opportunities reasonably available to GHV, that the Merger represents the best potential business combination for GHV based upon the process utilized to evaluate and assess other potential acquisition targets. The GHV Board and GHV management also believed that such processes had not presented a better alternative.

Due Diligence. The results of GHV's due diligence investigation of AMPSA conducted by GHV's management team and its financial and legal advisors.

Stockholder Approval. The GHV Board considered the fact that, in connection with the Merger, GHV stockholders have the option to (i) become and remain stockholders of AMPSA, (ii) sell their shares of GHV Class A Common Stock or, following the closing of the Merger, their AMPSA Shares, on the open market or (iii) redeem their GHV Class A Common Stock for the per share amount held in the Trust Account pursuant to the terms of GHV's existing certificate of incorporation.

Negotiated Terms of the Business Combination Agreement. The GHV Board considered the terms and conditions of the Business Combination Agreement and the Business Combination.

Independent Director Role. The GHV Board is comprised of a majority of independent directors who are not affiliated with the GHV Sponsor and its affiliates, including The Gores Group. In

connection with the Business Combination, GHV's independent directors, Messrs. Randall Bort, William Patton and Jeffrey Rea, took an active role in evaluating the proposed terms of the Business Combination, the Business Combination Agreement and the Related Agreements. GHV's independent directors evaluated and unanimously approved, as members of the GHV Board, the Business Combination Agreement and the Business Combination.

The GHV Board also considered a variety of uncertainties and risks and other potentially negative factors concerning the Business Combination, including, but not limited to, the following:

Benefits May Not Be Achieved. The risk that the potential benefits of the Business Combination may not be fully achieved, or may not be achieved within the expected timeframe.

Liquidation of GHV. The risks and costs to GHV if the Merger is not completed, including the risk of diverting management focus and resources from other initial business combination opportunities, which, if the Merger is not consummated, could result in GHV being unable to effect an initial business combination by August 10, 2022 and force GHV to liquidate and the Public Warrants to expire worthless.

Stockholder Vote. The risk that GHV's stockholders may fail to provide the votes necessary to effect the Merger.

Closing Conditions. The fact that completion of the Merger is conditioned on the satisfaction of certain closing conditions that are not within GHV's control.

Litigation. The possibility of litigation challenging the Merger or that an adverse judgment granting permanent injunctive relief could indefinitely enjoin consummation of the Business Combination.

Fees and Expenses. The fact that the fees and expenses associated with the transactions contemplated by the Business Combination Agreement will be borne by GHV if the Merger is not consummated.

Other Risks. Various other risks associated with the Business Combination, the business of GHV, the business of AMPSA and ownership of AMPSA's shares following the Merger described under the section entitled "*Risk Factors.*"

In addition to considering the factors described above, the GHV Board also considered that:

Interests of Certain Persons. Some of the GHV officers and directors may have interests in the Business Combination as individuals that are in addition to, and that may be different from, the interests of GHV stockholders (see "*The Business Combination—Interests of GHV Initial Stockholders and GHV's Other Current Officers and Directors.*"). GHV's independent directors reviewed and considered these interests during the negotiation of the Business Combination Agreement and in evaluating and unanimously approving, as members of the GHV Board, the Business Combination Agreement and the transactions contemplated thereby.

For more information about GHV's decision-making process, please see the section entitled "*The Business Combination—The Company's Board of Directors' Reasons for the Approval of the Business Combination.*"

Redemption Rights

Pursuant to GHV's current certificate of incorporation, holders of Public Shares may elect to have their shares redeemed for cash at the applicable redemption price per share equal to the quotient obtained by dividing (i) the aggregate amount on deposit in the Trust Account as of two business days prior to the consummation of the Merger, including interest not previously released to GHV to fund Regulatory Withdrawals and/or to pay its franchise and income taxes, by (ii) the total number of

then-outstanding Public Shares; provided that GHV will not redeem any shares of GHV Class A Common Stock issued in the IPO to the extent that such redemption would result in GHV's failure to have net tangible assets (as determined in accordance with Rule 3a51-1(g)(1) of the Exchange Act) in excess of \$5,000,000 or any greater net tangible asset or cash requirement which may be contained in the Business Combination Agreement. As of December 31, 2020, the redemption price would have been approximately \$10.00 per share. Notwithstanding the foregoing, a holder of the Public Shares, together with any affiliate of his or her or any other person with whom he or she is acting in concert or as a "group" (as defined in Section 13(d)-(3) of the Exchange Act) will be restricted from exercising redemption rights with respect to more than an aggregate of 20% of the shares of GHV Class A Common Stock included in the units sold in GHV's IPO.

If a holder exercises its redemption rights, then such holder will be exchanging its shares of GHV Class A Common Stock for cash and will not own shares of AMPSA following the Merger. Such a holder will be entitled to receive cash for its Public Shares only if it properly demands redemption and delivers its shares (either physically or electronically) to GHV's transfer agent in accordance with the procedures described herein. Please see the section entitled "*Special Meeting in Lieu of 2021 Annual Meeting of Company Stockholders—Redemption Rights*" for the procedures to be followed if you wish to redeem your shares for cash.

AMPSA's Public Float

It is anticipated that, upon completion of the PIPE and the Merger, the AMPSA Shares will be owned in the percentages set forth below, assuming no redemption of any shares of GHV Class A Common Stock. If any shares of GHV Class A Common Stock are redeemed, the percentage ownership amounts set forth below will be different, as, among other things, AGSA may receive additional AMPSA Shares (based on a \$10.00 per share price) for every dollar of cash less than \$3,400,000,000 it receives pursuant to the Transfer Agreement and the Business Combination Agreement. The following table illustrates the ownership levels in AMPSA (excluding the impact of the 16,750,000 shares underlying the AMPSA Warrants and the 60,730,000 Earnout Shares) immediately after the Closing based on the assumptions described above:

	No Redemptions of Public Shares	
	Number	Percentage
Public Stockholders (former GHV stockholders)	52,500,000	8.6%
Initial Stockholders (including the Sponsor)	9,843,750	1.6%
AGSA	484,956,250	79.9%
PIPE Subscribers	60,000,000	9.9%

Board of Directors of AMPSA Following the Merger

GHV and AMPSA anticipate that the current executive officers of AMPSA will remain the executive officers of AMPSA following the Merger. Following the Merger, AMPSA's board of directors is expected to expand from 9 to 11 directors and consist of Paul Coulson, Shaun Murphy, Oliver Graham, David Matthews, Abigail Blunt, Yves Elsen, The Rt. Hon. The Lord Hammond of Runnymede, Hermanus Troskie and Edward White and two other independent directors who are expected to be proposed by GHV and appointed prior to the Closing. Please see the section entitled "*Management of AMPSA.*"

Material Tax Consequences

For a detailed discussion of material U.S. federal income tax consequences and Luxembourg tax consequences of the Business Combination, see the sections titled "*Material U.S. Federal Income Tax Considerations*" and "*Material Luxembourg Tax Considerations*" in this proxy statement/prospectus.

Accounting Treatment of the Business Combination

As the first step within the Business Combination, AGSA will undertake the Pre-Closing Restructuring whereby AGSA will effect a series of transactions that will result in among other things, (a) the AMP Business being wholly owned by AMPSA and (b) any assets and liabilities relating to the business of AGSA (other than the AMP Business) that are held by the AMP Entities being transferred to subsidiaries of AGSA that are not the AMP Entities, and assets and liabilities relating to the AMP Business that are held by subsidiaries of AGSA (other than the AMP Entities) being transferred to the AMP Entities. These transactions are accounted for as a capital reorganization as, prior to the Pre-Closing Restructuring, AMPSA does not meet the definition of a business under IFRS 3 (Business Combination). Under a capital reorganization, the consolidated financial statements of AMPSA reflect the net assets transferred at pre-combination predecessor book values. Following this first step, AMPSA will continue to be a wholly owned subsidiary of AGSA.

The capital reorganization will be followed at closing by a Merger whereby MergeCo (a wholly owned subsidiary of AMPSA) will merge with and into GHV, with GHV being the surviving corporation as a wholly owned subsidiary of AMPSA. This Merger transaction will be accounted for within the scope of IFRS 2 (Share-based Payment). Under this method of accounting, there is no acquisition accounting and no recognition of goodwill, as GHV is not considered a business as defined by IFRS 3 (Business Combinations) given it consists predominantly of cash in the Trust Account. Under this method of accounting, GHV will be treated as the "acquired" company for financial reporting purposes. In order to reach this conclusion, the following factors were also taken into consideration: (i) the business will comprise the ongoing operations of AMPSA; (ii) senior management will comprise the senior management of AMPSA; and (iii) the pre-Business Combination shareholders of AMPSA will have the largest ownership of AMPSA and the right to appoint the highest number of board members relative to other shareholders.

In accordance with IFRS 2, the difference in the fair value of the consideration (shares and warrants issued by AMPSA) for the acquisition of GHV over the fair value of the identifiable net assets of GHV will represent a service for listing of AMPSA and be accounted for as an expense for a share-based payment. The consideration for the acquisition of GHV was determined using the closing price of GHV's publicly traded GHV Class A Common Stock and the Public Warrants traded on Nasdaq under the ticker symbols "GRSV" and "GRSVW" as of March 3, 2021.

Other Stockholder Proposals

In addition, the stockholders of GHV will be asked to vote on:

a proposal, on a non-binding advisory basis, to approve certain governance provisions contained in AMPSA's Articles of Associations that materially affect stockholder rights (Proposal No. 2); and

a proposal to adjourn the Special Meeting to a later date or dates, (A) to ensure that any supplement or amendment to this proxy statement/prospectus that the GHV Board has determined in good faith is required by applicable law to be disclosed to GHV stockholders and for such supplement or amendment to be promptly disseminated to GHV stockholders prior to the Special Meeting, (B) if, as of the time for which the Special Meeting is originally scheduled, there are insufficient shares of GHV Common Stock represented (either in person or by proxy) to constitute a quorum necessary to conduct business at the Special Meeting or (C) to permit further solicitation and vote of proxies if there are insufficient votes for, or otherwise in connection with, the approval of the Merger Proposal (Proposal No. 3).

Please see the sections entitled "*GHV Stockholder Proposal No. 2—Governance Proposal*" and "*GHV Stockholder Proposal No. 3—The Adjournment Proposal*" for more information.

Date, Time and Place of Special Meeting

In light of public health concerns regarding the coronavirus (COVID-19) pandemic, the Special Meeting will be held via live webcast at _____, on _____, 2021, at _____. The Special Meeting can be accessed by visiting _____, where you will be able to listen to the meeting live and vote during the meeting. Additionally, you have the option to listen only to the Special Meeting by dialing _____ (toll-free within the U.S. and Canada) or _____ (outside of the U.S. and Canada, standard rates apply). The passcode for telephone access is _____, but you cannot vote or ask questions if you choose to participate telephonically. Please note that you will only be able to access the Special Meeting by means of remote communication.

Voting Power; Record Date

Only GHV stockholders of record at the close of business on _____, 2021, the record date for the Special Meeting, will be entitled to vote at the Special Meeting. You are entitled to one vote for each share of GHV Common Stock that you owned as of the close of business on the record date. If your shares are held in "street name" or are in a margin or similar account, you should contact your broker, bank or other nominee to ensure that votes related to the shares you beneficially own are properly counted. On the record date, there were _____ shares of GHV Common Stock outstanding and entitled to vote, of which _____ are shares of GHV Class A Common Stock and 13,125,000 are GHV Founder Shares held by GHV's Initial Stockholders.

Appraisal Rights

Appraisal rights are not available to GHV's stockholders in connection with the Merger.

Proxy Solicitation

GHV is soliciting proxies on behalf of its Board. Proxies may be solicited by mail. GHV has engaged Morrow to assist in the solicitation of proxies.

If a stockholder grants a proxy, it, she or he may still vote their shares in person if they revoke their proxy before the Special Meeting. A stockholder may also change its, hers or his vote by submitting a later-dated proxy, as described in the section entitled "*Special Meeting in Lieu of 2021 Annual Meeting of Company Stockholders—Revoking Your Proxy.*"

Quorum and Required Vote for Proposals for the Special Meeting

A quorum of GHV stockholders is necessary to hold a valid meeting. A quorum will be present at the Special Meeting if a majority of GHV's Common Stock outstanding on the record date and entitled to vote at the Special Meeting is represented in person or by proxy. Abstentions will count as present for the purposes of establishing a quorum.

The approval of the Merger Proposal requires the affirmative vote of a majority of the outstanding shares of GHV Common Stock entitled to vote thereon at the Special Meeting. The approval of the Governance Proposal, which is a non-binding advisory vote, and the Adjournment Proposal requires the affirmative vote of a majority of the votes cast by holders of our outstanding shares of GHV Common Stock represented in person or by proxy and entitled to vote. Accordingly, a GHV stockholder's failure to vote by proxy or to vote in person at the Special Meeting, as well as an abstention from voting and a broker non-vote will have the same effect as a vote "AGAINST" the Merger Proposal, but will have no effect on the Governance Proposal or the Adjournment Proposal. GHV's Initial Stockholders have agreed to vote their shares of GHV Common Stock in favor of the Merger Proposal.

The Merger is conditioned on the approval of the Merger Proposal at the Special Meeting. The Governance Proposal and the Adjournment Proposal are not conditioned on the approval of any other proposal set forth in this proxy statement/prospectus.

It is important for you to note that in the event that the Merger Proposal does not receive the requisite vote for approval, GHV will not consummate the Merger. If GHV does not consummate the Merger and fails to complete an initial business combination by August 10, 2022, it will be required to dissolve and liquidate its Trust Account by returning the then remaining funds in such account to its Public Stockholders.

Opinion of GHV's Financial Advisor

At the meeting of the GHV Board on February 22, 2021 to evaluate and approve the Business Combination, Duff & Phelps delivered an oral opinion, which was confirmed by delivery of a written opinion, dated February 22, 2021, addressed to the GHV Board to the effect that, as of the date of the opinion and based upon and subject to the assumptions, conditions and limitations set forth in the opinion, the consideration in the Business Combination was fair, from a financial point of view, to GHV.

The full text of Duff & Phelps' written opinion dated February 22, 2021, is included as Annex B to this proxy statement/prospectus and describes the assumptions made, procedures followed, matters considered and limitations on the review undertaken by Duff & Phelps. The summary of Duff & Phelps' opinion in this proxy statement/prospectus is qualified in its entirety by reference to the full text of the opinion. The opinion was furnished for the benefit of the GHV Board of Directors (in its capacity as such) in connection with its consideration of the Business Combination, and is not intended to, and does not, confer any rights or remedies upon any other person, and is not intended to be used, and may not be used, by any other person or for any other purpose, without Duff & Phelps' express consent. Neither Duff & Phelps' opinion nor the summary of its opinion and the related analyses set forth in this proxy statement/prospectus is intended to be or constitutes a recommendation to any stockholder of GHV as to how such holder should act with respect to the Merger Proposal.

For more information, see the section entitled "*The Business Combination—Opinion of GHV's Financial Advisor*" of this proxy statement/prospectus and Annex B to this proxy statement/prospectus.

Independent Director Oversight

The GHV Board is comprised of a majority of independent directors who are not affiliated with its Sponsor and its affiliates, including The Gores Group. In connection with the Business Combination, GHV's independent directors, Messrs. Randall Bort, William Patton and Jeffrey Rea, took an active role in evaluating the proposed terms of the Business Combination, including the Business Combination Agreement and the Related Agreements. As part of their evaluation of the Business Combination, GHV's independent directors were aware of the potential conflicts of interest with its Sponsor and its affiliates, including The Gores Group, that could arise with regard to the proposed terms of the Business Combination Agreement and the PIPE. The GHV Board did not deem it necessary to, and did not form, a special committee of the Board to exclusively evaluate and negotiate the proposed terms of the Business Combination, as the Board is comprised of a majority of independent and disinterested directors and did not deem the formation of a special committee necessary or appropriate. GHV's independent directors reviewed and considered these interests during the negotiation of the Business Combination and in evaluating and unanimously approving, as members of the Board, the Business Combination Agreement and the Business Combination. Please see the section entitled "*GHV Stockholder Proposal No. 1—Merger Proposal—Independent Director Oversight*."

Recommendation to GHV Stockholders

The GHV Board believes that the Merger Proposal, the Governance Proposal and the Adjournment Proposal to be presented at the Special Meeting are in the best interests of GHV and its stockholders and unanimously recommends that its stockholders vote "FOR" each of the proposals.

When you consider the recommendation of the GHV Board in favor of approval of the Merger Proposal, you should keep in mind that GHV's Sponsor and certain members of its Board and officers have interests in the Business Combination that are different from or in addition to (or which may conflict with) your interests as a stockholder. Stockholders should take these interests into account in deciding whether to approve the proposals presented at the Special Meeting, including the Merger Proposal. Please see the section entitled "*The Business Combination—Interests of GHV Initial Stockholders and GHV's Other Current Officers and Directors.*"

Risk Factors

In evaluating the proposals set forth in this proxy statement/prospectus, you should carefully read this proxy statement/prospectus, including the annexes, and especially consider the factors discussed in the section entitled "*Risk Factors.*" The occurrence of one or more of the events or circumstances described in that section, alone or in combination with other events or circumstances, may have a material adverse effect on (i) the ability of GHV and AMPSA to complete the Business Combination, and (ii) the business, cash flows, financial condition and results of operations of AMPSA prior to the consummation of the Merger and following consummation of the Merger. Certain of the risks related to GHV and AMPSA are summarized below:
GHV

The Initial Stockholders have agreed to vote in favor of the Merger Proposal described in this proxy statement/prospectus, regardless of how the Public Stockholders vote.

The GHV Sponsor, certain members of the GHV Board and GHV's officers have interests in the Business Combination that are different from or are in addition to other stockholders in recommending that stockholders vote in favor of approval of the Merger Proposal and approval of the other proposals described in this proxy statement/prospectus.

The GHV Sponsor, AGSA, and each of their respective affiliates and their respective directors or officers may elect to purchase shares from Public Stockholders, which may influence a vote on the Merger Proposal and the other proposals described in this proxy statement/prospectus and reduce the public "float" of the GHV Class A Common Stock (or, following the Closing, the AMPSA Shares).

The GHV stockholders will experience substantial dilution as a consequence of the Merger. Having a minority share position will significantly reduce the influence that GHV's current stockholders have on the management of AMPSA relative to the current GHV stockholders' influence on the management of GHV.

GHV has no operating history and is subject to a mandatory liquidation and subsequent dissolution requirement. As such, there is a risk that GHV will be unable to continue as a going concern if GHV does not consummate an initial business combination by August 10, 2022. If GHV is unable to effect an initial business combination by

August 10, 2022, GHV will be forced to liquidate and the GHV Warrants will expire worthless.

The ability to successfully effect the Business Combination and to be successful thereafter will be dependent upon the efforts of key personnel, including AMPSA's key personnel whom GHV expects to stay with AMPSA following the Business Combination. The loss of key personnel

could negatively impact the operations and profitability of AMPSA and its financial condition could suffer as a result.

GHV may waive one or more of the conditions to the Merger.

The exercise of discretion by GHV's directors and officers in agreeing to changes to the terms of or waivers of closing conditions in the Business Combination Agreement may result in a conflict of interest when determining whether such changes to the terms of the Business Combination Agreement or waivers of conditions are appropriate and in the best interests of GHV's stockholders.

GHV and AMPSA will incur significant transaction and transition costs in connection with the Business Combination.

If third parties bring claims against GHV, the proceeds held in the Trust Account could be reduced and the per-share redemption amount received by stockholders may be less than \$10.00 per share.

GHV has no operating or financial history and its results of operations and those of AMPSA may differ significantly from the unaudited pro forma financial data included in this proxy statement/prospectus.

If the Business Combination's benefits do not meet the expectations of investors, stockholders or financial analysts, the market price of GHV's or AMPSA's securities may decline.

Past performance by The Gores Group, including its management team, may not be indicative of future performance of an investment in GHV or AMPSA

AMPSA

AMPSA's customers' beverage products are principally used by consumers. If economic conditions affect consumer demand, AMPSA's customers may be affected and so reduce the demand for AMPSA's products. Additionally, the global credit, financial and economic environment could have a material adverse effect on AMPSA's business, financial position, liquidity and results of operations.

AMPSA faces competition from other metal packaging producers, as well as from manufacturers of alternative forms of packaging.

An increase in metal beverage can manufacturing capacity, including that of AMPSA's competitors, without a corresponding increase in demand for metal beverage can packaging could cause prices to decline, which could

have a material adverse effect on AMPSA's business, financial condition and results of operations.

AMPSA is implementing a significant multi-year business growth investment program to increase its capacity. Failure to implement this program successfully may have a material impact on AMPSA's business and results of operations.

As AMPSA's customers are concentrated, AMPSA's business could be adversely affected if it were unable to maintain relationships with its largest customers.

Further consolidation of AMPSA's customer base may intensify pricing pressures or result in the loss of customers, either of which could have a material adverse effect on its business, financial condition and results of operations.

AMPSA's profitability could be affected by the availability and cost of raw materials, including as a result of changes in tariffs and duties.

AMPSA's inability to fully pass-through input costs may have an adverse effect on its financial condition and results of operations.

AMPSA is involved in a manufacturing process with fixed costs. Any interruption in the operations of AMPSA's manufacturing facilities, including its supply chain, may adversely affect its business, financial condition and results of operations.

AMPSA may not be able to integrate any future acquisitions effectively.

Climate change or legal, regulatory or other measures to address climate change or related concerns, may adversely affect AMPSA's ability to conduct its business, including the availability and cost of resources required for its production processes.

AMPSA is subject to various environmental and other legal requirements and may be subject to new requirements of this kind in the future that could impose substantial costs upon AMPSA.

Changes in product requirements and their enforcement may have a material impact on AMPSA's operations.

AMPSA may be subject to litigation, regulatory investigations, arbitration and other proceedings that could have an adverse effect on it.

Changes in consumer lifestyle, nutritional preferences, health-related concerns and consumer taxation could adversely affect AMPSA's business.

Increasing privacy and data security obligations or a significant data breach may adversely affect AMPSA's business.

AMPSA's heavy reliance on technology and automated systems to operate its business could mean any significant failure or disruption of the technology or these systems could materially harm its business.

AMPSA's substantial debt could adversely affect its financial health and its ability to effectively manage and grow its business.

AMPSA's ability to operate its business effectively depends in large part on certain administrative and other support functions provided to it by Ardagh Group pursuant to the Services Agreement. Following the expiration or termination of the Services Agreement, AMPSA's ability to operate its business effectively may suffer if it is unable to cost-effectively establish its own administrative and other support functions in order to operate as a stand-alone company.

Future sales of the AMPSA Shares, including by Ardagh Group, the Subscribers and the GHV Sponsor could have a negative impact on the price of the AMPSA Shares.

The rights of AMPSA Shareholders may differ from the rights they would have as shareholders of a U.S. corporation and consequently AMPSA Shareholders may have more difficulty protecting their interests.

If a business combination is not so consummated, GHV will be dissolved

and the proceeds held in the Trust Account will be distributed solely to its public stockholders (less up to \$100,000 of interest to pay dissolution expenses (which interest shall be net of taxes payable)).

GHV is seeking stockholder approval of the Merger Proposal, and will offer holders of its Public Shares the right to have their Public Shares redeemed (subject to the limitations described elsewhere in this proxy statement/prospectus) regardless of whether such stockholder votes for or against the Merger Proposal. In accordance with its second amended and restated certificate of incorporation, GHV will not redeem shares of GHV Class A Common Stock in an amount that would result in GHV's failure to have net tangible assets exceeding \$5,000,000.

SELECTED UNAUDITED PRO FORMA CONDENSED COMBINED FINANCIAL INFORMATION

The following summary unaudited pro forma condensed combined financial information (the "summary pro forma information") gives effect to the Business Combination transactions described in the section entitled "Unaudited Pro Forma Condensed Combined Financial Information." The first step within the Business Combination will be accounted for as a capital reorganization whereby AMPSA will acquire the assets, liabilities and subsidiaries of AGSA engaged in the AMP Business. The capital reorganization will be followed on closing by the acquisition of GHV, which is accounted for within the scope of IFRS 2.

Under this method of accounting, there is no acquisition accounting and no recognition of goodwill, as a result of GHV not being considered a business, as defined by IFRS 3 (Business Combination) given it consists predominantly of cash in the Trust Account. Under this method of accounting, GHV will be treated as the "acquired" company for financial reporting purposes. Accordingly, for accounting purposes, the Business Combination will be treated as the equivalent of AMPSA issuing shares and warrants as consideration for the net assets of GHV. The net assets acquired will be stated at historical cost, with no goodwill or other intangible assets recorded. The summary unaudited pro forma condensed combined statement of financial position data as of December 31, 2020 gives pro forma effect to the Business Combination transactions as if they had occurred on December 31, 2020. The summary unaudited pro forma condensed combined income statement data for the twelve months ended December 31, 2020 give pro forma effect to the Business Combination transactions as if they had been consummated on January 1, 2020.

The summary pro forma information has been derived from, and should be read in conjunction with, the unaudited pro forma condensed combined financial information appearing elsewhere in this proxy statement/prospectus and the accompanying notes. The unaudited pro forma condensed combined financial information is based upon, and should be read in conjunction with, the historical financial statements of the AMP Business and related notes and the historical financial statements of GHV and related notes included in this proxy statement/prospectus. The summary pro forma information has been presented for informational purposes only and are not necessarily indicative of what the combined company's financial position or results of operations actually would have been had the Business Combination and related transactions been completed as of the dates indicated. In addition, the summary pro forma information does not purport to project the future financial position or operating results of the combined company.

The following table presents summary pro forma information after giving effect to the Business Combination, assuming two redemption scenarios as follows:

No Redemptions: This presentation provides that no shares of GHV Class A Common Stock are redeemed by the Public Stockholders in connection with the Merger.

Maximum Redemptions: This presentation provides that 52,000,019 shares of GHV Class A Common Stock are redeemed for a per share redemption price of \$10.00 and an aggregate redemption payment of \$520,020,565. This redemption price assumes \$525,020,571 in the GHV Trust Account (as of December 31, 2020), divided by all 52,500,000 shares of Class A Common Stock, but takes into account GHV's obligation not to redeem shares in an amount that would result in GHV's failure to have net tangible assets exceeding \$5,000,000. Because the GHV Sponsor Backstop is a commitment to subscribe for up to 9.5 million AMPSA Shares at a price per share of \$10.00, this presentation reflects the possibility that, subject to GHV retaining net tangible assets with a value exceeding \$5,000,000, all of the outstanding shares of GHV Class A common stock are redeemed.

The foregoing factors and others described under "*Risk Factors*" should not be construed as exhaustive. There are other factors that may cause our actual results to differ materially from the forward-looking statements contained in this proxy statement/prospectus. Moreover, new risks emerge from time to time and it is not possible for AMPSA and GHV to predict all such risks. AMPSA and GHV cannot assess the impact of all risks on their respective business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statements. Given these risks and uncertainties, you should not place undue reliance on forward-looking statements as a prediction of actual results. AMPSA and GHV urge you to read the sections of this proxy statement/prospectus entitled "Summary of the Proxy Statement/Prospectus," "Risk Factors," "AMPSA Management's Discussion and Analysis of Financial Condition and Results of Operations" and "GHV Management's Discussion and Analysis of Financial Condition and Results of Operations," for a more complete discussion of the factors that could affect their respective future performance and the industry in which we operate.

All subsequent written and oral forward-looking statements attributable to AMPSA or GHV or to persons acting on behalf of AMPSA or GHV are expressly qualified in their entirety by the cautionary statements referred to above and contained elsewhere in this proxy statement/prospectus.

RISK FACTORS

In addition to the other information contained in this proxy statement/prospectus, including the matters addressed under the heading "Cautionary Note Regarding Forward-Looking Statements," you should carefully consider the following risk factors in deciding how to vote on the proposals presented in this proxy statement/prospectus. The occurrence of one or more of the events or circumstances described in these risk factors, alone or in combination with other events or circumstances, may have a material adverse effect on AMPSA's business, reputation, revenue, financial condition, results of operations, cash flows, working capital, and future prospects, in which event the market price of the AMPSA Shares could decline, and you could lose part or all of your investment. Except where the context otherwise requires or where otherwise indicated, all references in this section to "AMPSA" refer to Ardagh Metal Packaging S.A. and its consolidated subsidiaries following consummation of the Pre-Closing Restructuring pursuant to the Transfer Agreement.

Risks Relating to AMPSA

AMPSA's customers' beverage products are principally used by consumers. If economic conditions affect consumer demand, AMPSA's customers may be affected and so reduce the demand for AMPSA's products. Additionally, the global credit, financial and economic environment could have a material adverse effect on AMPSA's business, financial position, liquidity and results of operations.

Demand for AMPSA's packaging depends on demand for the products that use its packaging, which is primarily consumer driven. General economic conditions may adversely impact consumer confidence resulting in reduced spending on AMPSA's customers' products and, thereby, reduced or postponed demand for AMPSA's products.

Adverse economic conditions may also lead to more limited availability of credit, which may have a negative impact on the financial condition, particularly on the purchasing ability, of some of AMPSA's customers and distributors and may also result in requests for extended payment terms, and result in credit losses, insolvencies and diminished sales channels available to AMPSA. AMPSA's suppliers may have difficulties obtaining necessary credit, which could jeopardize their ability to provide timely deliveries of raw materials and other essentials to AMPSA. Adverse economic conditions may also lead to suppliers requesting credit support or otherwise reducing credit, which may have a negative effect on AMPSA's cash flows and working capital.

Volatility in exchange rates may also increase the costs of AMPSA's products that it may not be able to pass on to its customers; impair the purchasing power of its customers in different markets; result in significant competitive benefit to certain of its competitors that incur a material part of their costs in currencies different from those of AMPSA; hamper its pricing; or increase its hedging costs or limit its ability to hedge its exchange rate exposure.

Changes in global economic conditions may reduce AMPSA's ability to forecast developments in its industry and plan its operations and costs accordingly, resulting in operational inefficiencies. Negative developments in AMPSA's business, results of operations and financial condition due to changes in global economic conditions or other factors could cause ratings agencies to lower the credit ratings, or ratings outlook, of AMPSA's short- and long-term debt and, consequently, impair AMPSA's ability to raise new financing or refinance AMPSA's existing borrowings, as applicable, or increase AMPSA's costs of issuing any new debt instruments. Additionally, a significant weakening of AMPSA's financial position or operating results due to changes in global economic conditions or other factors could result in noncompliance with AMPSA's debt covenants and reduced cash flow from its operations, which, in turn, could adversely affect AMPSA's ability to execute its long-term strategy to continue to expand its packaging activities through investing in existing and new facilities to increase its capacity in line with the 2021-2024 business growth investment program or, in the future, by selectively evaluating and opportunistically acquiring other businesses.

Furthermore, the economic outlook could be adversely affected by the risk that one or more current eurozone countries could leave the European Monetary Union, or the euro as the single currency of the eurozone could cease to exist. Either of these developments, or the perception that either of these developments is likely to occur, could have a material adverse effect on the economic development of the affected countries and could lead to severe economic recession or depression, and a general anticipation that such risks will materialize in the future could jeopardize the stability of financial markets or the overall financial and monetary system. This, in turn, could have a material adverse effect on AMPSA's business, financial position, liquidity and results of operations. See below *"The United Kingdom's withdrawal from the European Union may have a negative effect on AMPSA's financial condition and results of operations."*

AMPSA faces competition from other metal packaging producers, as well as from manufacturers of alternative forms of packaging.

The sectors in which AMPSA operates are competitive and relatively mature. Prices for AMPSA's products are primarily driven by raw material costs. Competition in the market is based on price, as well as on innovation, sustainability, design, quality and service. Increases in productivity, combined with potential surplus capacity from planned new investment in the industry, could result in pricing pressures in the future. AMPSA's principal competitors include Ball Corporation, Crown Holdings and Can Pack. Some of AMPSA's competitors may have greater financial, technical or marketing resources or may, in the future, have excess capacity. To the extent that any one or more of AMPSA's competitors become more successful with respect to any key competitive factor, AMPSA's ability to attract and retain customers could be materially and adversely affected, which could have a material adverse effect on its business. Moreover, changes in the global economic environment could result in reductions in demand for AMPSA's products in certain instances, which could increase competitive pressures and, in turn, have a material adverse effect on its business.

AMPSA is subject to substantial competition from producers of packaging made from plastic, glass, carton and composites, for example, PET bottles for carbonated soft drinks. Changes in consumer preferences in terms of packaging materials, style and product presentation can significantly influence sales. An increase in AMPSA's costs of production or a decrease in the costs of, or an increase in consumer demand for, alternative packaging could have a material adverse effect on its business, financial condition and results of operations.

Certain customers meet some of their metal beverage packaging requirements through self-manufacturing, reducing their external purchases of packaging. For example, AB InBev manufactures metal beverage packaging through its Metal Container Corporation subsidiary in the United States, as well as directly in Brazil. The potential vertical integration of AMPSA's customers could introduce new production capacity in the market, which may create an imbalance between metal beverage packaging supply and demand. The growth of vertically integrated operations could have a material negative impact on AMPSA's future performance.

An increase in metal beverage can manufacturing capacity, including that of AMPSA's competitors, without a corresponding increase in demand for metal beverage can packaging could cause prices to decline, which could have a material adverse effect on AMPSA's business, financial condition and results of operations.

The profitability of metal beverage packaging companies is heavily influenced by the supply of, and demand for, metal packaging. In response to increased demand for beverage cans, AMPSA and others, including all of AMPSA's major competitors, have announced significant medium-term metal beverage can capacity expansions in the United States, Europe and Brazil.

AMPSA cannot assure you that metal beverage can manufacturing capacity in any of its markets, including the capacity of its competitors, will not increase further in the future, nor can AMPSA assure

you that demand for metal beverage packaging will continue to meet or exceed supply. While the metal beverage can market is currently experiencing demand that exceeds supply, if in the future metal beverage can manufacturing capacity increases and there is no corresponding increase in demand, the prices AMPSA receives for its products could decline, which could have a material adverse effect on its business, financial condition and results of operations.

AMPSA is implementing a significant multi-year business growth investment program to increase its capacity. Failure to implement this program successfully may have a material impact on AMPSA's business and results of operations.

In response to the positive forecast demand outlook for AMPSA's metal beverage cans Ardagh Metal Packaging announced a \$1.8 billion business growth investment program covering the period 2021 to 2024. This program principally involves capacity expansion initiatives, including the installation of multiple new lines, line speed-ups, brownfield and greenfield development, as well as additional investments in automation, digitalization and other efficiency measures.

Successful implementation of this complex and extensive program will require the availability of skilled employees, project managers and consultants with the experience and know-how to ensure successful commissioning of capacity on time and budget and in line with our customers' exacting requirements. It will also require the availability of specialist equipment, tooling, components, materials, related services and the required permits.

Failure to successfully complete these investment projects, including through a lack of suitably-skilled personnel, or through a lack of available equipment and materials on expected terms, or other delays or disruptions would impact AMPSA's capacity expansion and other efficiency initiatives. This could adversely impact AMPSA's ability to serve existing and new customers, thereby damaging its customer relationships, or could negatively affect AMPSA's cost base and could have a material adverse effect on its business, financial condition and results of operations.

As AMPSA's customers are concentrated, AMPSA's business could be adversely affected if it were unable to maintain relationships with its largest customers.

AMPSA's ten largest customers accounted for approximately 64% of its 2020 consolidated revenues.

AMPSA believes its relationships with these customers are good, but there can be no assurance that it will be able to maintain these relationships. Over 80% of AMPSA's revenue is backed by multi-year supply agreements, ranging from two to seven years in duration. Although these arrangements have provided, and AMPSA expects they will continue to provide, the basis for long-term partnerships with its customers, there can be no assurance that AMPSA's customers will not cease purchasing its products. These arrangements, unless they are renewed, expire in accordance with their respective terms and are terminable under certain circumstances, such as AMPSA's failure to meet quality, volume or other contractual commitments. If customers unexpectedly reduce the amount of metal beverage cans they purchase from AMPSA, or cease purchasing its metal beverage cans altogether, AMPSA's revenues could decrease and its inventory levels could increase, both of which could have an adverse effect on its business, financial condition and results of operations.

In addition, while AMPSA believes that the arrangements that it has with its customers will be renewed, there can be no assurance that such arrangements will be renewed upon their expiration or that the terms of any renewal will be as favorable to AMPSA as the terms of the current arrangements. There is also the risk that AMPSA's customers may shift their filling operations to locations in which AMPSA does not operate. The loss of one or more of these customers, a significant reduction in sales to these customers or a significant change in the commercial terms of the relationships with these customers could have a material adverse effect on AMPSA's business.

Further consolidation of AMPSA's customer base may intensify pricing pressures or result in the loss of customers, either of which could have a material adverse effect on its business, financial condition and results of operations.

Some of AMPSA's customers have previously acquired companies with similar or complementary product lines. For example, in 2016 AB InBev acquired SABMiller and in 2017 Heineken acquired Brasil Kirin. Such consolidation has increased the concentration of AMPSA's sales with its largest customers and may continue in the future, potentially accompanied by pressure from customers for lower prices. Increased pricing pressures from AMPSA's customers may have a material adverse effect on its business, financial condition and results of operations. In addition, this consolidation may lead manufacturers to rely on a reduced number of suppliers. If, following the combination of one of AMPSA's customers with another company, a competitor was to be the main supplier to the consolidated companies, this could have a material adverse effect on its business, financial condition or results of operations.

AMPSA's profitability could be affected by varied seasonal demands.

Demand for AMPSA's products is seasonal. AMPSA's sales in Europe and North America are typically, based on historical trends, greater in the second and third quarters of the year, with generally lower sales in the first and fourth quarters. In Brazil, sales are typically strongest in the first and fourth quarters. Unseasonably cool weather during the summer months in each of its regions can reduce demand for certain beverages packaged in metal beverage cans, such as those manufactured by AMPSA.

Additionally, climate change and the increasing frequency of severe weather events could adversely affect demand for AMPSA's products, its supply chain and the costs of inputs to its production and delivery of products in different regions around the world. Such severe weather events could have a material adverse effect on AMPSA's business, financial condition or results of operations. For more information see "*Climate change or legal, regulatory or other measures to address climate change or related concerns, may adversely affect AMPSA's ability to conduct its business, including the availability and cost of resources required for its production processes.*"

AMPSA's profitability could be affected by the availability and cost of raw materials, including as a result of changes in tariffs and duties.

The raw materials that AMPSA uses, principally aluminum, have historically been available in adequate supply from multiple sources. For certain raw materials, however, there may be temporary shortages due to transportation, production delays impacting supplier plant output, pandemic outbreaks, including COVID-19, or other factors. In such an event, no assurance can be given that AMPSA would be able to secure its raw materials from sources other than AMPSA's current suppliers on terms as favorable as its current terms, or at all. Any such shortages, as well as significant increases in the cost of any of the principal raw materials that AMPSA uses, including such shortages or material increases resulting from the introduction of tariffs, such as the introduction of tariffs of 10% on aluminum in the United States in 2018, which remain in effect, could have a material adverse effect on AMPSA's business, financial condition and results of operations. Further tariffs, sanctions, duties, other trade actions or increases in AMPSA's transportation costs, could have a material adverse effect on its business, financial condition and results of operations. Furthermore, the relative price of oil and its by-products may impact AMPSA's business, by affecting transport, coatings, lacquer and ink costs. Additionally, certain energy sources are vital to our operations, and future increases in energy costs could result in a significant increase in our operating costs, which could, if we are not able to recover these costs, have a material adverse effect on our business, financial condition and results of operations.

The primary raw materials that AMPSA uses are aluminum ingot and, to a much lesser extent, steel. Aluminum ingot is traded daily as a commodity on the London Metal Exchange, which has historically been subject to significant price volatility. Because aluminum is priced in U.S. dollars, fluctuations in the U.S. dollar/euro rate also affect the euro cost of aluminum ingot. AMPSA's business is exposed to both the availability of aluminum and the volatility of aluminum prices, including associated premia. While raw materials are generally available from a range of suppliers, they are subject to fluctuations in price and availability based on a number of factors, including general economic conditions, commodity price fluctuations (with respect to aluminum on the London Metal Exchange), the demand by other industries, such as automotive, aerospace and construction, for the same raw materials and the availability of complementary and substitute materials. In particular, the level of investment in beverage can capacity expansion by AMPSA and other beverage can producers will require a significant increase in can sheet production by the aluminum suppliers, which will in turn require significant investment and capital expenditures. Failure by the suppliers to increase capacity could cause supply shortages and significant increases in cost of these raw materials, notably aluminum. In addition, adverse economic or financial changes, industrial disputes or pandemic-related disruptions could impact AMPSA's suppliers, thereby causing supply shortages or increasing costs for AMPSA's business.

AMPSA may not be able to pass on all or substantially all raw material price increases. In addition, AMPSA may not be able to hedge successfully against raw material cost increases. Furthermore, aluminum prices are subject to considerable volatility in price and demand. While in the past sufficient quantities of aluminum have been generally available for purchase, these quantities may not be available in the future, and, even if available, AMPSA may not be able to continue to purchase them at current prices. Further increases in the cost of these raw materials could adversely affect AMPSA's operating margins and cash flows.

The supplier industries from which AMPSA receives its raw materials are relatively concentrated, and this concentration can impact raw material costs. Over the last ten years, the number of major aluminum and steel suppliers has decreased and there remains the possibility of further consolidation. Further consolidation could hinder AMPSA's ability to obtain adequate supplies of these raw materials and could lead to higher prices for aluminum and steel.

The failure to obtain adequate supplies of raw materials or increases in the cost of these products could have a material adverse effect on AMPSA's business, financial condition and results of operations.

Currency, interest rate fluctuations and commodity prices may have a material impact on AMPSA's business.

AMPSA's functional currency is the euro and AMPSA presents its financial information in U.S. dollar. Insofar as possible, AMPSA actively manages currency exposures through the deployment of assets and liabilities throughout AMPSA and, when necessary and economically justified, enters into currency hedging arrangements to manage its exposure to currency fluctuations by hedging against rate changes with respect to its functional currency, the euro. However, AMPSA may not be successful in limiting such exposure, which could adversely affect its business, financial condition and results of operations. In addition, AMPSA's presented results may be impacted as a result of fluctuations in the U.S. dollar exchange rate versus the euro.

AMPSA has production facilities in 9 different countries worldwide. It also sells products to, and obtains raw materials from, entities located in these and different regions and countries globally. As a consequence, a significant portion of AMPSA's consolidated revenue, costs, assets and liabilities are denominated in currencies other than the euro, which is AMPSA's functional currency, particularly the U.S. dollar and the British pound. For the year ended December 31, 2020, 71% of AMPSA's revenues were from countries with currencies other than the euro. The exchange rates between the currencies

which AMPSA is exposed to, such as the euro, the U.S. dollar and the British pound, have fluctuated significantly in the past and may continue to do so in the future.

In addition to currency translation risk, AMPSA is subject to currency transaction risk. AMPSA's policy is, where practical, to match net investments in foreign currencies with borrowings in the same currency. Fluctuations in the value of these currencies with respect to the euro may have a significant impact on AMPSA's financial condition and results of operations.

Changes in exchange rates can affect AMPSA's ability to purchase raw materials and sell products at profitable prices, reduce the value of its assets and revenues, and increase liabilities and costs.

AMPSA is also exposed to interest rate risk. Fluctuations in interest rates may affect AMPSA's interest expense on debt and the cost of new financing. AMPSA may use cross currency interest rate swaps, or CCIRS, to manage this type of risk, but sustained increases in interest rates could nevertheless materially adversely affect its business, financial condition and results of operations.

AMPSA is exposed to changes in prices of its main raw materials, primarily aluminum and energy. Aluminum ingot is traded daily as a commodity on the London Metal Exchange, which has historically been subject to significant price volatility. Because aluminum is priced in U.S. dollars, fluctuations in the U.S. dollar/euro rate also affect the euro cost of aluminum ingot. The price and foreign currency risk on the aluminum purchases in AMPSA are hedged by entering into swaps under which we pay fixed euro and U.S. dollar prices, respectively. Furthermore, the relative price of oil and its by-products may materially impact our business, affecting our transport, lacquer and ink costs.

AMPSA uses derivative agreements to manage some of the material cost risk. The use of derivative contracts to manage AMPSA's risk is dependent on robust hedging procedures. Increasing raw material costs over time has the potential, if AMPSA is unable to pass on price increases, to reduce sales volume and could therefore have a significant impact on its financial condition. AMPSA is also exposed to possible interruptions of supply of aluminum or other raw materials and any inability to purchase raw materials could negatively impact its operations.

As a result of the volatility of gas and electricity prices, AMPSA has developed an active hedging strategy to fix a significant proportion of its energy costs through contractual arrangements directly with its suppliers. AMPSA's policy is to purchase gas and electricity by entering into forward price-fixing arrangements with suppliers for the bulk of its anticipated requirements for the year ahead. Such contracts are used exclusively to obtain delivery of AMPSA's anticipated energy supplies. Ardagh Metal Packaging does not net settle, nor does it sell within a short period of time after taking delivery. Ardagh Metal Packaging avails itself of the own use exemption and, therefore, these contracts are treated as executory contracts. Ardagh Metal Packaging typically builds up these contractual positions in tranches of approximately 10% of the anticipated volumes. Any gas and electricity which is not purchased under forward price-fixing arrangements is purchased under index tracking contracts or at spot prices. To the extent this hedging strategy is not effective, it could negatively impact AMPSA's costs.

For a further discussion of these matters and the measures AMPSA has taken to seek to protect its business against these risks, see the section entitled "*AMPSA Management's Discussion and Analysis of Financial Condition and Results of Operations.*"

AMPSA's inability to fully pass-through input costs may have an adverse effect on its financial condition and results of operations.

A significant number of AMPSA's sales contracts with customers include provisions enabling AMPSA to pass-through increases and reductions in certain input costs, such as aluminum and coatings, which help it deliver consistent margins, although margin percentages may fluctuate as a result. Although contract structures have generally been improved in North America to more accurately

reflect the components of AMPSA's cost base, there can be no assurance that AMPSA will be in a position to fully recover increased input costs from all of its customers in the future.

AMPSA's manufacturing facilities are subject to operating hazards.

AMPSA's manufacturing processes include cutting, coating and shaping metal into containers. These processes, which are conducted at high speeds and involve operating heavy machinery and equipment, entail risks and hazards, including industrial accidents, leaks and ruptures, explosions, fires, mechanical failures and environmental hazards, such as spills, storage tank leaks, discharges or releases of toxic or hazardous substances and gases. These hazards may cause unplanned business interruptions, unscheduled downtime, transportation interruptions, personal injury and loss of life, severe damage to or the destruction of property and equipment, environmental contamination and other environmental damage, civil, criminal and administrative sanctions and liabilities, and third-party claims, any of which could have a material adverse effect on AMPSA's business, financial condition and results of operations.

AMPSA is involved in a manufacturing process with fixed costs. Any interruption in the operations of AMPSA's manufacturing facilities, including its supply chain, may adversely affect its business, financial condition and results of operations.

All of AMPSA's manufacturing activities take place at facilities that it owns or that it leases under long-term leases. AMPSA conducts regular maintenance on all its operating equipment. However, AMPSA cannot provide assurance that it will not incur unplanned business interruptions due to equipment breakdowns or similar manufacturing problems or that such interruptions will not have an adverse impact on its business, financial condition and results of operations. In such a scenario, it is very unlikely that alternative production capacity would be available in the future. A disruption in such circumstances could have a material adverse effect on AMPSA's business, financial condition and results of operations.

To the extent that AMPSA experiences any equipment failures or similar manufacturing problems, AMPSA may be required to make unplanned capital expenditures even though it may not have available resources at such time and it may not be able to meet customer demand, which would result in a loss of revenues. As a result, AMPSA's liquidity may be impaired as a result of such expenditures and loss of revenues or the incurrence of unplanned capital expenditures.

A mechanical failure or disruption affecting any major operating line may result in a disruption of AMPSA's ability to supply customers. The potential impact of any disruption would depend on the nature and extent of the damage caused to such facility. For example, the AMPSA industry's business model typically involves a beverage can ends plant supplying multiple beverage can plants. A failure or disruption in an ends plant could impact AMPSA's ability to supply multiple customers with ends and any inability to source ends from another location could result in a material loss of sales. Further, AMPSA's facilities in geographically vulnerable areas, including parts of the United States, may be disrupted by the occurrence of natural phenomena, such as earthquakes, hurricanes, floods and wildfires.

AMPSA may not be able to integrate any future acquisitions effectively.

AMPSA aims over the longer term to continue to expand its packaging activities. While this expansion strategy is expected to be largely focused on organic expansion and capital expenditure on existing and new facilities, it may in the future require AMPSA to capitalize on strategic opportunities, including the acquisition of existing businesses.

There is no certainty that any businesses AMPSA may acquire in the future will be effectively integrated. If AMPSA cannot successfully integrate acquired businesses within a reasonable time frame,

it may not be able to realize the potential benefits anticipated from those acquisitions. AMPSA's failure to successfully integrate such businesses and the diversion of management attention and other resources from its existing operations could have a material adverse effect on AMPSA's business, financial condition and results of operations.

Furthermore, even if AMPSA is able to integrate successfully the operations of acquired businesses, it may not be able to realize the cost savings, synergies and revenue enhancements that it anticipates either in the anticipated amount or time frame, and the costs of achieving these benefits may be higher than, and the timing may differ from, what it expects. AMPSA's ability to realize anticipated cost savings and synergies may be affected by a number of factors, including the following:

the use of more cash or other financial resources on integration and implementation activities than AMPSA expects, including restructuring and other exit costs;

conditions imposed in connection with obtaining required regulatory approvals; or

increases in acquisition costs and expenses, which may offset the cost savings and other synergies realized from such acquisitions.

To the extent AMPSA pursues an acquisition that causes it to incur unexpected costs or that fails to generate expected returns, this could have a material adverse effect on its business, financial condition and results of operations.

Climate change or legal, regulatory or other measures to address climate change or related concerns, may adversely affect AMPSA's ability to conduct its business, including the availability and cost of resources required for its production processes.

There is a growing concern that carbon dioxide and other greenhouse gases ("GHG") in the atmosphere have an adverse impact on global temperatures, weather and precipitation patterns and the frequency and severity of extreme weather conditions and natural disasters. The impact of climate change may over time affect AMPSA's operations and the markets in which it operates. This could include changes in weather, resulting in reduced availability of inputs such as water, or increased costs of such inputs, and/or transitional risks such as technological development, policy and regulatory change, and market and economic responses. Measures to address climate change through laws and regulations, for example by requiring reductions in emissions of GHGs or the introduction of compliance schemes could create economic risks and uncertainties for AMPSA's businesses, by increasing GHG related costs, the cost of abatement equipment to reduce emissions to comply with legal requirements on GHG emissions or required technological standards, as well as reduced demand for AMPSA's products.

The vast majority of AMPSA's Scope 3 emissions arise in the various stages of the manufacture of the aluminum and steel coils that AMPSA purchases. In line with AMPSA's commitment to Science Based Sustainability targets, AMPSA has a plan to reduce these emissions. AMPSA's failure to meet its targets and to reduce its emissions risks reputational damage and could adversely impact demand for AMPSA's products, resulting in an adverse impact on financial performance.

AMPSA is subject to various environmental and other legal requirements and may be subject to new requirements of this kind in the future that could impose substantial costs upon AMPSA.

AMPSA's operations and properties are subject to extensive laws, ordinances, regulations and other legal requirements relating to the protection of people and the environment. The laws and regulations that may affect AMPSA's operations include requirements regarding remediation of contaminated soil, groundwater and buildings, water supply and use, natural resources, water discharges, air emissions, waste management, noise pollution, asbestos and other deleterious materials, the generation, storage, handling, transportation and disposal of regulated materials, product safety, and workplace health and

safety. These laws and regulations are also subject to constant review by lawmakers and regulators which may result in further, including more stringent, environmental or health and safety legal requirements. AMPSA strives to mitigate risks related to environmental issues, including through the purchase of renewable energy, the adoption of sustainable practices, and by positioning itself as a sustainability leader in its industry.

AMPSA has incurred, and expects to continue to incur, costs to comply with such legal requirements, and these costs may increase in the future. Demands for more stringent pollution control devices could also result in the need for further capital upgrades to AMPSA's plant operations. Further, in order to comply with air emission restrictions, significant capital investments may be necessary at some sites. AMPSA requires a variety of permits to conduct its operations, including operating permits such as those required under various U.S. laws, including the federal Clean Air Act, and the EU Industrial Emissions Directive water and trade effluent discharge permits, water abstraction permits and waste permits. AMPSA is in the process of applying for, or renewing, permits at a number of its sites. Failure to obtain and maintain the relevant permits, as well as noncompliance with such permits, could have a material adverse effect on AMPSA's business, financial condition and results of operations.

If AMPSA violates or fails to comply with these laws and regulations or its permits, it could be subject to criminal, civil and administrative sanctions and liabilities, including substantial fines and orders, or a partial or total shutdown of its operations, as well as litigation, any of which could have a material adverse effect on its business, financial condition and results of operations.

In Europe, under the IED and its reference document for "Best Available Techniques" for metal manufacturing plants with surface treatment using solvents, permitted emissions levels from these plants including AMPSA's are substantially reduced periodically. EU member states introduce lower permitted emission levels into national legislation, which could potentially result in stricter emission limits in the future. These types of changes could require additional investment in AMPSA's affected operations. There may be greenhouse gas compliance or emission control schemes introduced in any jurisdiction on country and local municipality level which include metal packaging which may require any additional measures to control the emission of greenhouse gases could have a material adverse effect on AMPSA's business, financial condition and results of operations.

Changes to the laws and regulations governing the materials that are used in AMPSA's manufacturing operations may impact the price of such materials or result in such materials no longer being available, which could have a material adverse effect on AMPSA's business, financial condition and results of operations. The European Union passed regulations concerning REACH, which place onerous obligations on the manufacturers and importers of substances, preparations and articles containing substances, and which may have a material adverse effect on AMPSA's business. Furthermore, substances AMPSA uses may have to be removed from the market (under REACH's authorization and restriction provisions) or need to be substituted by alternative chemicals, which may also adversely impact upon its operations.

Sites at which AMPSA operates often have a long history of industrial activities and may be, or have been in the past, engaged in activities involving the use of materials and processes that could give rise to contamination and result in potential liability to investigate or remediate, as well as claims for alleged damage to persons, property or natural resources. Liability may be imposed on AMPSA as an owner, occupier or operator of contaminated facilities. These legal requirements may apply to contamination at sites that AMPSA currently or formerly owned, occupied or operated, or that were formerly owned, occupied or operated by companies AMPSA acquired or at sites where it has sent waste offsite for treatment or disposal. Regarding assets acquired by AMPSA, AMPSA cannot provide assurance that its due diligence investigations identified or accurately quantified all material environmental matters related to the acquired facilities. AMPSA's closure of a site may accelerate the need to investigate and remediate any contamination at the site.

In addition, AMPSA may be required to remediate contaminated third-party sites where it has sent waste for disposal. Liability for remediation of these third-party sites may be established without regard to whether the party disposing of the waste was at fault or the disposal activity was legal at the time it was conducted. For example, "Superfund" sites in the United States are the highest priority contaminated sites designated by the federal government as requiring remediation, and costs of their remediation tend to be high. Whether AMPSA will have any liability for investigation and remediation costs at any Superfund site or for costs relating to claims for natural resource damages, and what portion of the costs it must bear, has not been determined.

Changes in product requirements and their enforcement may have a material impact on AMPSA's operations.

Changes in laws and regulations relating to deposits on, and any limits or restrictions to recycling of, metal packaging could adversely affect AMPSA's business if implemented on a large scale in the major markets in which it operates. Changes in laws and regulations imposing restrictions on, and conditions for use of, food contact materials or on the use of materials and agents used in the production of AMPSA's products could likewise adversely affect its business. Changes to health and food safety regulations could increase costs and also could have a material adverse effect on AMPSA's revenues if, as a result, the public attitude toward end-products, for which it provides packaging, were substantially affected.

Additionally, the effectiveness of new standards, such as the ones related to recycling or deposits on different packaging materials, could result in excess costs or logistical constraints for some of AMPSA's customers, which could choose to reduce their consumption and limit the use of metal packaging for their products. AMPSA could thus be forced to reduce, suspend or even stop the production of certain types of products. The regulatory changes could also affect AMPSA's prices, margins, investments and activities, particularly if these changes resulted in significant or structural changes in the market for food packaging that might affect the market shares for metal packaging, the volumes produced or production costs.

Environmental concerns could lead U.S., Brazilian, European Union or United Kingdom bodies to implement other product regulations that are likely to impose restrictions on AMPSA and have a material adverse effect on its business, financial condition and results of operations. There is significant variation among countries where AMPSA sells its products in the limitation on certain constituents in packaging, which can have the effect of restricting the types of raw materials AMPSA uses. In turn, these restrictions can increase AMPSA's operating costs, by requiring increased energy consumption or greater environmental controls.

AMPSA's operations are subject to laws and regulations in multiple jurisdictions relating to some of the raw materials utilized in its container making process, such as epoxy-based coatings. Changes in regulatory agency statements, adverse information concerning bisphenol A or rulings made in certain jurisdictions may result in restrictions, for example, on bisphenol A in epoxy-based internal liners for some of AMPSA's products. Such restrictions have required AMPSA, together with its respective suppliers and customers, to develop substitutes for relevant products to meet legal and customer requirements.

Increasing legal requirements on the reporting, due diligence and restricted use of "conflict minerals" originating from mines in the Democratic Republic of the Congo and adjoining countries as well as any increasing regulatory requirements on the bauxite or cassiterite value chain could bear reputational and compliance risks along the supply chain and affect the sourcing, availability and economics of minerals used in the manufacture of steel and aluminum beverage cans.

AMPSA could incur significant costs due to the location of some of its industrial sites in urban areas.

Obtaining, renewing or maintaining permits and authorizations issued by administrative authorities necessary to operate AMPSA's production plants could be made more difficult due to the increasing urbanization of the sites where some of its manufacturing plants are located. Urbanization could lead to more stringent operating conditions (by imposing traffic restrictions for example), conditions for obtaining or renewing the necessary authorizations, the refusal to grant or renew these authorizations, or expropriations of these sites in order to allow urban planning projects to proceed.

The occurrence of such events could result in AMPSA incurring significant costs and there can be no assurance that the occurrence of such events would entitle AMPSA to partial or full compensation.

AMPSA may be subject to litigation, regulatory investigations, arbitration and other proceedings that could have an adverse effect on it.

AMPSA is currently involved in various litigation matters and anticipates that it will be involved in litigation matters from time to time in the future. The risks inherent in AMPSA's business expose it to litigation, including personal injury, environmental litigation, contractual litigation with customers and suppliers, intellectual property litigation, tax or securities litigation, and product liability lawsuits. AMPSA cannot predict with certainty the outcome or effect of any claim, regulatory investigation, or other litigation matter, or a combination of these. If AMPSA is involved in any future litigation, or if its positions concerning current disputes are found to be incorrect, this may have an adverse effect on AMPSA's business, financial condition and results of operations, including as a result of liabilities imposed on it, the costs associated with asserting its claims or defending such lawsuits, and the diversion of management's attention to these matters.

AMPSA is subject to an extensive, complex and evolving legal and regulatory framework, which may expose AMPSA to investigations by governmental authorities, legal proceedings and fines.

AMPSA's business encompasses multiple jurisdictions and complex legal and regulatory frameworks, including in relation to anti-trust, economic sanctions, anti-corruption and anti-money laundering matters. Laws and regulations in these areas are complex and constantly evolving and enforcement continues to increase. As a result, AMPSA may become subject to increasing limitations on its business activities and to the risk of fines or other sanctions for non-compliance. Additionally, AMPSA may become subject to governmental investigations and lawsuits by private parties. These could require significant expenditures and result in liabilities or governmental orders that could have a material adverse effect on AMPSA's business, financial condition or results of operations.

Changes in consumer lifestyle, nutritional preferences, health-related concerns and consumer taxation could adversely affect AMPSA's business.

Changes in consumer preferences and tastes could have an impact on demand for AMPSA's customers' products, which in turn could lead to reduced demand for AMPSA's products. Certain end-products represent a significant proportion of AMPSA's market. AMPSA's ability to develop new product offerings for a diverse group of global customers with differing preferences, while maintaining functionality and spurring innovation, is critical to its success. This requires a thorough understanding of AMPSA's existing and potential customers and end users on a global basis, particularly in potential high developing markets. Failure to adapt and deliver quality products that meet customer or end user needs, through research and development or licensing of new technology, ahead of competitors could have a material adverse effect on AMPSA's business.

Additionally, public health and government officials have become increasingly concerned about the health consequences associated with over-consumption of certain types of beverages, such as sugar-sweetened beverages, including those produced by certain of AMPSA's customers. For example, France

and the United Kingdom have introduced taxes on drinks with added sugar and artificial sweeteners that companies produce or import. France has also imposed taxes on energy drinks using certain amounts of taurine and caffeine. As a result of these taxes, demand decreased temporarily in these countries, and the imposition of similar taxes in the future may lower the demand for certain soft drinks and beverages that AMPSA's customers produce, which may cause its customers to respond by reducing their purchases of its metal packaging products. Consumer tax legislation and future attempts to tax sugar or energy drinks or to lower consumption of certain alcoholic and non-alcoholic categories in other jurisdictions could reduce the demand for AMPSA's products and adversely affect its profitability.

In addition, any decline in the popularity of these product types as a result of lifestyle, nutrition or health considerations, or AMPSA's inability to adapt to customer needs, could have a significant impact on AMPSA's customers and could have a material adverse effect on its business, financial condition and results of operations.

AMPSA faces costs and future funding obligations associated with post-retirement benefits provided to its employees, which could have an adverse effect on its financial condition.

As of December 31, 2020, AMPSA's accumulated post-retirement benefit obligation was approximately \$219 million, covering employees in multiple jurisdictions. The costs associated with these and other benefits to employees could have a material adverse effect on AMPSA's financial condition.

AMPSA operates and contributes to pension and other post-retirement benefit schemes (including both single employer and multiple employer schemes) funded by a range of assets that include property, derivatives, equities and/or bonds. The value of these assets is heavily dependent on the performance of markets, which are subject to volatility. The liability structure of the obligations to provide such benefits is also subject to market volatility in relation to its accounting valuation and management. Additional significant funding of AMPSA's pension and other post-retirement benefit obligations may be required if market underperformance is severe. In addition, AMPSA may have to make significant cash payments to some or all of these plans, including under guarantee agreements, as a consequence of this transaction or otherwise in the future, to provide additional funding, which would reduce the cash available for its businesses.

Under the United States Employee Retirement Income Security Act of 1974, as amended, the U.S. Pension Benefit Guaranty Corporation ("PBGC") has the authority to terminate pension plans regulated by the PBGC if certain funding requirements are not met; any such termination would further accelerate the cash obligations related to such a pension plan.

Organized strikes or work stoppages by unionized employees could have a material adverse effect on AMPSA's business.

Many of AMPSA's operating companies are party to collective bargaining agreements with trade unions. These agreements cover the majority of AMPSA's employees and although AMPSA considers its employee relations to be generally good, a prolonged work stoppage or strike at any facility with union employees could have a material adverse effect on its business, financial condition and results of operations. In addition, AMPSA cannot ensure that, upon the expiration of existing collective bargaining agreements, new agreements will be reached without union action or that AMPSA's operating companies will be able to negotiate acceptable new contracts with trade unions, which could result in strikes by the affected workers and increased operating costs as a result of higher wages or benefits paid to union members. If unionized workers at AMPSA's operating companies or any unionized workers were to engage in a strike or other work stoppage, AMPSA could experience a

significant disruption of operations and/or higher ongoing labor costs, which may have a material adverse effect on its business, financial condition and results of operations.

Failure of control measures and systems resulting in faulty or contaminated product could have a material adverse effect on AMPSA's business.

AMPSA has strict control measures and systems in place to ensure that the maximum safety and quality of its products is maintained. The consequences of a product not meeting these rigorous standards, due to, among other things, accidental or malicious raw materials contamination or due to supply chain contamination caused by human error or equipment fault, could be severe. Such consequences might include adverse effects on consumer health, litigation exposures, loss of market share, financial costs and loss of revenues.

In addition, if AMPSA's products fail to meet rigorous standards, AMPSA may be required to incur substantial costs in taking appropriate corrective action (up to and including recalling products from consumers) and to reimburse customers and/or end-consumers for losses that they suffer as a result of this failure. Customers and end-consumers may seek to recover these losses through litigation and, under applicable legal rules, may succeed in any such claim, despite there being no negligence or other fault on AMPSA's part. Placing an unsafe product on the market, failing to notify the regulatory authorities of a safety issue, failing to take appropriate corrective action and failing to meet other regulatory requirements relating to product safety could lead to regulatory investigation, enforcement action and/or prosecution. Any product quality or safety issue may also result in adverse publicity, which may damage AMPSA's reputation. This could in turn have a material adverse effect on AMPSA's business, financial condition and results of operations. Although AMPSA has not had material claims for damages for defective products in the past, and has not conducted any substantial product recalls or other material corrective action, these events may occur in the future.

In certain contracts, AMPSA provides warranties in respect of the proper functioning of its products and the conformity of a product to the specific use defined by the customer.

In addition, if a product contained in packaging manufactured by AMPSA is faulty or contaminated, it is possible that the manufacturer of the product may allege that AMPSA's packaging is the cause of the fault or contamination, even if the packaging complies with contractual specifications. Furthermore, in certain countries, certain participants in the distribution chain refill bottles, even though they may not be designed for this purpose.

In case of the failure of packaging produced by AMPSA to open properly or to preserve the integrity of its contents, AMPSA could face liability to its customers and to third parties for bodily injury or other tangible or intangible damages suffered as a result. Such liability, if it were to be established in relation to a sufficient volume of claims or to claims for sufficiently large amounts, could have a material adverse effect on AMPSA's business, financial condition and results of operations.

AMPSA's existing insurance coverage may be insufficient and future coverage may be difficult or expensive to obtain.

Although AMPSA believes that its insurance arrangements provide adequate coverage for the risks inherent in its business, these insurance arrangements typically exclude certain risks and are subject to certain thresholds and limits. AMPSA cannot assure you that its property, plant and equipment and inventories will not suffer damages due to unforeseen events or that the proceeds available from its insurance arrangements will be sufficient to protect it from all possible loss or damage resulting from such events. As a result, AMPSA's insurance coverage may prove to be inadequate for events that may cause significant disruption to its operations, which may have a material adverse effect on its business, financial condition and results of operations.

AMPSA may suffer indirect losses, such as the disruption of its business or third-party claims of damages, as a result of an insured risk event. While AMPSA carries business interruption coverage and general liability coverage, such coverage is to certain limitations, thresholds and limits, and may not fully cover all indirect losses.

AMPSA renews its insurance arrangements on an annual basis. The cost of coverage may increase to an extent that AMPSA may choose to reduce its coverage limits or agree to certain exclusions from its coverage. Among other factors, adverse political developments, security concerns and natural disasters in any country in which AMPSA operates may materially adversely affect available insurance coverage and result in increased premiums for available coverage and additional exclusions from coverage. ***AMPSA's business may suffer if it does not retain its executive and senior management. GHV's ability to successfully effect the Merger, and AMPSA's ability to successfully operate the business thereafter, will be largely dependent upon the efforts of certain key personnel of AMPSA.***

AMPSA believes its future success depends, in part, on its experienced executive team, who are identified under "Management of AMPSA." The loss of services of any of the members of AMPSA's executive team, members of senior management or other key personnel could adversely affect its business until a suitable replacement can be found. There may be a limited number of persons with the requisite skills to serve in these positions and there is no assurance that AMPSA would be able to locate or employ such qualified personnel on terms acceptable to AMPSA or at all.

AMPSA's ability to successfully operate the business following the Business Combination will be largely dependent upon the efforts of its key personnel. It is possible that AMPSA will lose some key personnel, the loss of which could negatively impact its operations and profitability. Although AMPSA anticipates that all of its executive and senior management will remain in place following the Business Combination, the loss of key personnel could negatively impact its operations and profitability and its financial condition could suffer as a result.

The United Kingdom's withdrawal from the European Union may have a negative effect on AMPSA's financial condition and results of operations.

Approximately 11% of AMPSA's total 2020 revenue was derived from revenues generated in the United Kingdom, and 3 of its 23 manufacturing facilities are located in the United Kingdom, as of December 31, 2020.

The relationship between the United Kingdom and the European Union is governed by a Withdrawal Agreement entered into at the end of January 2020, and a Trade and Cooperation Agreement, which took effect from January 1, 2021 (the "Brexit Agreements"). The Brexit Agreements provide for a zero tariff, zero quota arrangement on sales of goods and agriproducts between the United Kingdom and the European Union. Customs duties on goods originating outside the European Union or United Kingdom, or in the event that the zero tariff arrangements under the Brexit Agreements are amended or suspended, might lead to additional costs for products and materials shipped from the United Kingdom to Europe or from Europe to the United Kingdom respectively. Further, required changes to AMPSA's business systems and processes in order to comply with newly introduced customs procedures may lead to additional costs.

More generally, differences in standards or processes or risk aversion may mean that some businesses choose not to serve other markets on a temporary or permanent basis, causing supplier disruption. Uncertainty remains regarding the impact of the withdrawal of the United Kingdom from the European Union ("Brexit") and the Brexit Agreements on the United Kingdom and Europe, including among commercial parties in the United Kingdom and the European Union, financial institutions, suppliers and service providers and their respective customers. Any changes to the trading

relationship between the United Kingdom and the European Union arising from the Brexit Agreements may adversely affect the cost or timing of imports, including aluminum and coatings.

Some of its customers are based in the United Kingdom and export outside the local United Kingdom market. These customers may experience reduced demand or delays arising from these post-Brexit arrangements. Although AMPSA seeks to export through channels where delays would be minimized, AMPSA has nonetheless experienced delays in the transport of certain products, consumables and other materials particularly in relation to shipments from the United Kingdom to the European Union. The impact of these delays, if prolonged, could adversely affect AMPSA's financial condition and the results of AMPSA's operations.

Brexit may also have an adverse impact on AMPSA's business, employees and customers in the United Kingdom. In particular, the Brexit Agreements allow for the possibility of future changes in laws and regulations. Such changes could include import, tax and employment laws and regulations, which could adversely impact the results of operations of AMPSA's United Kingdom business. For example, there is uncertainty with regard to the upcoming regulatory regime relating to environmental permits and permissions, with such environmental permits and permissions currently governed by the EU Industrial Emissions Directive (Directive 2010/75/EU). More burdensome requirements imposed by the new upcoming regulatory regime could require that AMPSA commits additional resources to ensure compliance and although AMPSA will use reasonable efforts to ensure such compliance, the introduction of new regulations increases the risk of non-compliance.

Further, continued political uncertainty as a result of Brexit may result in negative effects on credit markets, and foreign direct investments in Europe and the United Kingdom. It may also result in volatility in the British pound foreign exchange markets and interest rates. See also the risk factor entitled "*Currency, interest rate fluctuations and commodity prices may have a material impact on AMPSA's business.*"

Brexit could also lead to legal and regulatory uncertainty and politically divergent national laws and regulations as a new relationship between the United Kingdom and the European Union is defined and the United Kingdom determines which European Union laws to replace or amend. Volatility in political, regulatory, economic or market conditions could adversely affect employment rates, increase consumer and commercial bankruptcy filings, negatively impact national and local economies, and cause other results that negatively affect household incomes.

The economic outlook could be further adversely affected by the risk that one or more European Union member states could also leave the European Union, the risk of a demand for independence by Scotland or Northern Ireland, or the risk that the euro as the single currency of any or all of the Eurozone member states could cease to exist. These developments, or the perception that any of them could occur, may have a material adverse effect on the stability of global financial markets, and could significantly reduce global market liquidity and restrict the ability of key market participants to operate in certain financial markets. Asset valuations, currency exchange rates and credit ratings may be especially subject to increased market volatility. These negative impacts could adversely affect AMPSA's business, financial condition and results of operations.

The COVID-19 pandemic and any future epidemics may have a negative impact on worldwide economic activity and AMPSA's business.

The COVID-19 global pandemic and measures to prevent its spread has impacted AMPSA's business in a number of ways.

The COVID-19 pandemic has reduced global economic activity resulting in lower demand for certain of AMPSA's customers' products and, therefore, the products AMPSA manufactures, though demand for "at-home" consumption has increased and therefore demand for many of AMPSA

customers' products and, as a result, for the products AMPSA manufactures, has proven to be resilient to date during the pandemic. The COVID-19 pandemic has at times caused, and may again give rise to an adverse effect on AMPSA's operations, including disruptions to its supply chain and workforce and the incurrence of increased costs. Although AMPSA's production has not been significantly impacted to date, its plants may be required to curtail or cease production in response to the spread of COVID-19. The COVID-19 impact on capital markets could also impact AMPSA's cost of borrowing. In addition, AMPSA's customers, distribution partners, service providers or suppliers may experience financial distress, file for bankruptcy protection, go out of business, or suffer disruptions in their business due to the outbreak of COVID-19, which would have a negative impact on AMPSA's business. The extent of the impacts of the COVID-19 pandemic on AMPSA's business and results of operations continues to be uncertain.

The ultimate significance of these disruptions, including the extent of their adverse impact on AMPSA's financial and operational results, will be determined by the duration of the ongoing pandemic, its severity in the markets that AMPSA serves and the nature and efficacy of government and other regulatory responses, protective measures and vaccination programs, and the related impact on macroeconomic activity and consumer behavior.

If the COVID-19 pandemic continues unabated despite containment efforts, it could cause a severe economic slowdown and potentially an extended recession or depression, which would adversely affect the demand for AMPSA's products or cause other unpredictable events, each of which would adversely affect its business, results of operations or financial condition. Any future epidemics may also have similar, or more severe, effects on global economic activity and on AMPSA's business, results of operations or financial condition.

Increasing privacy and data security obligations or a significant data breach may adversely affect AMPSA's business.

AMPSA will continue its efforts to meet its data security obligations and manage evolving cybersecurity threats. The loss, disclosure, misappropriation of or access to employees' or business partners' information or its failure to meet its obligations could result in lost revenue, increased costs, legal claims or proceedings, liability or regulatory penalties. A significant data breach or AMPSA's failure to meet its obligations could adversely affect AMPSA's reputation and financial condition.

AMPSA's heavy reliance on technology and automated systems to operate its business could mean any significant failure or disruption of the technology or these systems could materially harm its business.

Similar to most other business entities, AMPSA depends on automated systems and technology to operate its business, including accounting systems, manufacturing systems and telecommunication systems. AMPSA operates a cyber and information risk management program, including operating a global information security function, which partners with global leaders in the security industry to deliver an integrated information and cyber risk management service using state-of-the-art technologies in areas including antivirus & anti-malware, email and web security platforms, firewalls, intrusion detection systems, cyber threat intelligence services and advanced persistent threat detection. Such services will be provided by Ardagh Group S.A. pursuant to the Services Agreement. AMPSA also partners with global leaders to deliver high availability and resilient systems and communication platforms. However, these systems could suffer substantial or repeated disruptions due to various events, many of which are beyond AMPSA's control, including natural disasters, power failures, terrorist attacks, equipment or software failures, computer viruses or cyber security attacks.

Substantial or repeated systems failures or disruptions could result in the unauthorized release of confidential or otherwise protected information, improper use of AMPSA's systems and networks, defective products, harm to individuals or property, contractual or regulatory actions and fines,

penalties and potential liabilities, production downtime and operational disruptions and loss or compromise of important data, which may result in increased costs and lost revenue and competitiveness and may negatively impact its reputation, any of which could adversely affect AMPSA's business, results of operations and financial condition. Increased global IT security threats and more sophisticated and targeted computer crime may further increase this risk.

AMPSA's substantial debt could adversely affect its financial health and its ability to effectively manage and grow its business.

AMPSA will incur approximately \$2.8 billion of indebtedness in connection with the Pre-Closing Restructuring. For more information, see the description of AMPSA's debt facilities and the table outlining its principal financing arrangements in "*AMPSA Management's Discussion and Analysis of Financial Condition and Results of Operations—Liquidity and Capital Resources.*"

AMPSA's substantial debt could have important negative consequences for AMPSA and for its shareholders. For example, AMPSA's substantial debt could:

- require it to dedicate a large portion of its cash flow from operations to service debt and fund repayments on its debt, thereby reducing the availability of its cash flow to fund working capital, capital expenditures and other general corporate purposes;

- increase its vulnerability to adverse general economic or industry conditions;

- limit its flexibility in planning for, or reacting to, changes in its business or industry;

- limit its ability to raise additional debt or equity capital in the future;

- restrict AMPSA from making strategic acquisitions or exploiting business opportunities; and

- place AMPSA at a competitive disadvantage compared to its competitors that have less debt.

In addition, AMPSA expects that debt under its asset based liability facility will, and in the future, a portion of its debt may, bear interest at variable rates that are linked to changing market interest rates. Although AMPSA may hedge a portion of its exposure to variable interest rates by entering into interest rate swaps, AMPSA cannot assure you that it will do so in the future. As a result, an increase in market interest rates would increase AMPSA's interest expense and debt service obligations, which would exacerbate the risks associated with its leveraged capital structure.

Further, notwithstanding AMPSA's current indebtedness levels and restrictive covenants, AMPSA may still be able to incur substantial additional debt or make certain restricted payments, which could exacerbate the risks described above.

Negative developments in AMPSA's business, results of operations and financial condition due to changes in global economic conditions or other factors could cause ratings agencies to lower the credit ratings, or ratings outlook, of its short- and long-term debt and, consequently, impair its ability to raise new financing or refinance its current borrowings and increase its costs of issuing any new debt instruments.

If AMPSA fails to maintain an effective system of disclosure controls and internal control over financial reporting, its ability to produce timely and accurate financial statements or comply with applicable regulations could be impaired.

As a listed company on NYSE, AMPSA will be subject to the reporting requirements of the Exchange Act, the Sarbanes-Oxley Act, the Dodd-Frank Wall Street Reform and Consumer Protection Act, as well as rules adopted, and to be adopted, by the SEC and NYSE. The requirements of these rules and regulations will make some activities more difficult, time consuming and costly.

The Sarbanes-Oxley Act requires, among other things that, as a listed company, AMPSA's principal executive officer and principal financial officer certify the effectiveness of its disclosure controls and procedures and its internal controls over financial reporting. AMPSA continues to develop and refine its disclosure controls and procedures and its internal control over financial reporting. However, AMPSA has not yet assessed its internal control over financial reporting for the purposes of complying with item 404 of the Sarbanes-Oxley Act and will only be required to do so beginning with the fiscal year ended December 31, 2022. Material weaknesses in AMPSA's internal control over financial reporting may be discovered in the future. Any failure to maintain effective controls, or any difficulties encountered in their implementation or improvement, could harm AMPSA's operating results or cause it to fail to meet its reporting obligations and may result in a restatement of AMPSA's financial statements for prior periods. Any failure to implement and maintain effective internal control over financial reporting also could adversely affect the results of management evaluations and independent registered public accounting firm audits of AMPSA's internal control over financial reporting. Ineffective disclosure controls and procedures or ineffective internal control over financial reporting could also cause investors to lose confidence in AMPSA's reported financial information.

AMPSA will incur increased costs as a result of operating as a listed company on NYSE, and its management will devote substantial time to compliance initiatives.

If AMPSA completes the Merger and becomes a listed company on NYSE, it will incur certain additional legal, accounting and other expenses that it would not incur as a private company. As a listed company on NYSE, AMPSA will be subject to the reporting requirements of the Exchange Act, the Sarbanes-Oxley Act, the Dodd-Frank Wall Street Reform and Consumer Protection Act, as well as rules adopted, and to be adopted, by the SEC and NYSE. AMPSA's management and other personnel will need to devote a substantial amount of time to these compliance initiatives. Moreover, AMPSA expects these rules and regulations to substantially increase its legal and financial compliance costs and to make some activities more time consuming and costly. For example, AMPSA expects these rules and regulations to make it more difficult and more expensive for it to obtain director and officer liability insurance and it may be forced to accept reduced policy limits or incur substantially higher costs to maintain the same or similar coverage. AMPSA cannot predict or estimate the amount or timing of additional costs it may incur to respond to these requirements. The impact of these requirements could also make it more difficult for AMPSA to attract and retain qualified persons to serve on its board of directors or as executive officers.

There can be no assurance that the AMPSA Shares that will be issued in connection with the Merger or the AMPSA Warrants will be approved for listing on NYSE or, if approved, will continue to be so listed following the closing of the Merger, or that AMPSA will be able to comply with the continued listing standards of NYSE.

AMPSA's eligibility for listing may depend on, among other things, the number of shares of GHV Class A Common Stock that are redeemed. AMPSA intends to apply for the listing of the AMPSA Shares and AMPSA Warrants on NYSE. If NYSE denies its application for failure to meet the listing standards, AMPSA and its shareholders could face significant material adverse consequences including:

a limited availability of market quotations for its securities;

reduced liquidity for its securities;

a determination that AMPSA Shares are a "penny stock" which will require brokers trading in the AMPSA Shares to adhere to more stringent rules and possibly result in a reduced level of trading activity in the secondary trading market for its securities;

a limited amount of news and analyst coverage; and

a decreased ability to issue additional securities or obtain additional financing in the future.

The National Securities Markets Improvement Act of 1996, which is a federal statute, prevents or preempts the states from regulating the sale of certain securities, which are referred to as "covered securities." If the AMPSA Shares and Public Warrants are listed on NYSE, they will be covered securities. Although the states are preempted from regulating the sale of AMPSA's securities, the federal statute does allow the states to investigate companies if there is a suspicion of fraud, and, if there is a finding of fraudulent activity, then the states can regulate or bar the sale of covered securities in a particular case. Further, if the AMPSA Shares and Public Warrants are not listed on NYSE, its securities would not be covered securities and it would be subject to regulation in each state in which it offers its securities.

Anti-takeover provisions in AMPSA's articles of association ("Articles") might discourage or delay attempts to acquire it.

AMPSA's Articles contain provisions that may make the acquisition of AMPSA more difficult, including the following:

Classified Board. AMPSA's board of directors is classified into three classes of directors that are, as nearly as possible, of equal size. Each class of directors will be elected for a three-year term of office, but the terms are staggered so that the term of only one class of directors expires at each annual general meeting. The existence of a classified board could impede a proxy contest or delay a successful tender offeror from obtaining majority control of the board of directors, and the prospect of that delay might deter a potential offeror.

Notice Requirements for Shareholder Proposals. Luxembourg law and AMPSA's Articles provide that one or more shareholders together holding at least 10% of the share capital of AMPSA may request the addition of one or more items to the agenda of any general meeting. The request must be sent to the registered office by registered mail, at least five clear days before the meeting is held. AMPSA's Articles also specify certain requirements regarding the form and content of a shareholder's notice. These requirements may make it difficult for AMPSA's shareholders to bring matters before a general meeting.

Special Resolutions. AMPSA's Articles require special resolutions adopted at an extraordinary general meeting for any of the following matters, among other things: (a) an increase or decrease of the authorized or issued capital, (b) an amendment to the Articles and (c) dissolving AMPSA. Pursuant to AMPSA's Articles, for any special resolutions to be considered at a general meeting the quorum is in excess of one-half ($1/2$) of the share capital in issue present in person or by proxy unless otherwise mandatorily required by Luxembourg law. If such quorum is not met at a first extraordinary general meeting, a second meeting may be convened, and such second meeting shall validly deliberate regardless of the proportion of the capital represented. Any special resolution may be adopted at a general meeting at which a quorum is present (except as otherwise provided by mandatory law) by the affirmative votes of at least two-thirds ($2/3$) of the votes validly cast on such resolution by shareholders entitled to vote.

These anti-takeover provisions could discourage, delay or prevent a transaction involving a change in control of AMPSA, even if such transaction would benefit its shareholders.

AMPSA's ability to operate its business effectively depends in large part on certain administrative and other support functions provided to it by Ardagh Group pursuant to the Services Agreement. Following the expiration or termination of the Services Agreement, AMPSA's ability to operate its business effectively may suffer if it is unable to cost-effectively establish its own administrative and other support functions in order to operate as a stand-alone company.

AMPSA will rely on certain administrative and other resources of Ardagh Group, including information technology, financial reporting, tax, treasury, human resources, procurement, insurance and risk management and legal services, to operate its business. In connection with the Pre-Closing Restructuring, AMPSA expects to enter into a mutual Services Agreement with Ardagh Group to retain the ability to use these Ardagh Group resources. The mutual Services Agreement may be terminated as to any services or entirely by either AMPSA or Ardagh Group and for any reason as of and from December 31, 2024 or by either party upon a change of control of the other party, in either case with nine months' prior written notice to the party undergoing a change of control. See the section entitled "*Certain Agreements Related to the Business Combination—Services Agreement.*" These services may not be sufficient to meet AMPSA's needs and may not be provided at the same level as when the entities comprising AMPSA was part of Ardagh Group. AMPSA and Ardagh Group will each rely on the other to perform its obligations under the Services Agreement. If Ardagh Group were unable to satisfy its material obligations under the agreement, or if the agreement is terminated as to any services or entirely, AMPSA may not be able to obtain such services at all or obtain the services on terms as favorable as those in the Services Agreement, and could as a result suffer operational difficulties or significant losses.

In addition, the price for the corporate services provided pursuant to the Services Agreement have been fixed for calendar years 2021 through 2024 (subject to certain adjustments for third party pass-through costs and variations in volume-based services), but as of December 31, 2024, or if earlier, the date upon which AMPSA or Ardagh Group undergoes a change of control, the services will be provided at a price equal to the fully allocated cost of such services, or such other price to be negotiated in good faith by the parties, taking into consideration various factors, including the cost of providing such services and the level of services expected to be provided. There are no assurances that these fixed fees are more favorable than the price that AMPSA would have been able to pay if it obtained such services at a price equal to the fully allocated cost of such services or, if it had obtained such services from one or more third parties. There are also no assurances that the price of the services, when adjusted as of December 31, 2024 or upon a change of control of AMPSA or Ardagh Group, will not be significantly greater than the fixed price established for these services prior to such adjustment. In addition, prior to the date on which the Services Agreement was entered into, AMPSA and its subsidiaries have received informal support from Ardagh Group as wholly owned subsidiaries of Ardagh Group, and the level of this informal support may diminish following the Business Combination and as AMPSA becomes a more independent company. Any failure or significant interruption of AMPSA's own administrative systems or in Ardagh Group's administrative systems during the term of the Services Agreement could result in unexpected costs, impact AMPSA's results or prevent it from paying its suppliers or employees and performing other administrative services on a timely basis.

AMPSA may have received better terms from unaffiliated third parties than the terms it has received in the Services Agreement with Ardagh Group.

The terms of the Services Agreement were agreed while AMPSA was a wholly owned subsidiary of Ardagh Group and in the context that Ardagh Group will have a controlling interest of AMPSA following the Merger. Accordingly, during the period in which the Services Agreement was prepared, AMPSA did not have an independent board of directors or a management team that was independent of Ardagh Group. As a result, the terms of the agreement may not reflect terms that would have resulted from arms'-length negotiations between unaffiliated third parties and any such arms' length negotiations with an unaffiliated third party may have resulted in more favorable terms to AMPSA.

AMPSA does not have a history as a separate public company.

In the past, AMPSA's operations have been a part of Ardagh Group and Ardagh Group provided it with certain financial, operational and managerial resources for conducting its business. Following the Merger, while a number of these resources will continue to be at Ardagh Group and used to provide services to AMPSA under the Service Agreement, AMPSA will perform certain of its own financial, operational and managerial functions. There are no assurances that AMPSA will be able to successfully put in place the financial, operational and managerial resources necessary to perform these functions.

The AMP Business historical financial results and Combined Financial Statements may not be representative of AMPSA's results as a separate company.

The AMP Business historical financial information included in this proxy statement/prospectus has been derived on a carve-out basis from the consolidated financial statements and accounting records of Ardagh Group and does not necessarily reflect what AMPSA's financial position, results of operations or cash flows would have been had it been a separate company during the periods presented. Although Ardagh Group did account for AMPSA's business as separate reporting segments, AMPSA was not operated as a separate company for the historical periods presented. The historical costs and expenses reflected in the Combined Financial Statements include an allocation for certain corporate functions historically provided by Ardagh Group, most of which will continue to be provided pursuant to the Services Agreement. These allocations were based on what management considered to be reasonable reflections of the historical utilization levels of these services required in support of AMPSA's business. The historical information does not necessarily reflect what the cost to AMPSA of these functions will be in the future, pursuant to the Services Agreement or otherwise. For additional information in relation to materially significant related party transactions during the years ended December 31, 2020, 2019 and 2018, see note disclosures 2, 5, 15, 16, 17, 18 and 22 to the Combined Financial Statements as of and for the fiscal years ended December 31, 2020, 2019 and 2018 included elsewhere in this proxy statement/prospectus. Any further related party transactions in the fiscal years ended December 31, 2020, 2019 and 2018 were both immaterial and no more than incidental in nature.

A significant write down of goodwill would have a material adverse effect on AMPSA's financial condition and results of operations.

Goodwill at December 31, 2020 totaled \$1.06 billion. AMPSA evaluates goodwill annually following approval of the annual budget or whenever indicators suggest that impairment may have occurred. The determination of the recoverable amounts of goodwill requires the use of estimates and assumptions which are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The resulting accounting estimates will, by definition, seldom equal the related actual results. As described further in the Combined Financial Statements included elsewhere in this proxy statement/prospectus, AMPSA uses the value in use ("VIU") model for the purposes of goodwill impairment testing, as this reflects the intention to hold and operate the assets. However, if an impairment indicator exists for a CGU, AMPSA also uses the fair value less costs of disposal ("FVLCD") model in order to establish the recoverable amount being the higher of the VIU model and FVLCD model when compared to the carrying value of the CGU. Sensitivity analysis is performed reflecting potential variations in assumptions. Future changes in the estimates and assumptions used in the VIU or FVLCD models, general market conditions, or other factors may cause the goodwill to be impaired, resulting in a non cash charge against results of operations to write down goodwill for the amount of the impairment. If a significant write down is required, the charge would have a material adverse effect on AMPSA's financial condition and results of operations.

Additional Risks Related to the Merger

The results of operations of AMPSA may differ significantly from the unaudited pro forma financial data included in this proxy statement/prospectus.

This proxy statement/prospectus includes unaudited pro forma condensed combined financial statements for AMPSA after giving effect to the Business Combination. The unaudited pro forma condensed combined income statement combines GHV's historical audited statement of operations for the period from June 25, 2020 (inception) to December 31, 2020, as included elsewhere in this proxy statement/prospectus, with the AMP Business's historical audited combined income statement for the twelve months ended December 31, 2020, as included elsewhere in this proxy statement/prospectus, and gives pro forma effect to the Business Combination as if it had occurred as of January 1, 2020. The unaudited pro forma condensed combined statement of financial position combines GHV's historical audited balance sheet as of December 31, 2020, as included elsewhere in this proxy statement/prospectus, and the AMP Business's historical audited combined statement of financial position as of December 31, 2020, as included elsewhere in this proxy statement/prospectus and gives pro forma effect to the Business Combination as if it had been consummated as of December 31, 2020.

The unaudited pro forma condensed combined financial statements are presented for illustrative purposes only, are based on certain assumptions, address a hypothetical situation and reflect limited historical financial data. Therefore, the unaudited pro forma condensed combined financial statements are not necessarily indicative of the results of operations and financial position that would have been achieved had the Business Combination been consummated on the dates indicated above, or the future consolidated results of operations or financial position of AMPSA. Accordingly, AMPSA's business, assets, cash flows, results of operations and financial condition may differ significantly from those indicated by the unaudited pro forma condensed combined financial statements included in this document. For more information, see the section entitled "*Unaudited Pro Forma Condensed Combined Financial Information.*"

AMPSA will be controlled by Ardagh Group, whose interests may conflict with AMPSA's interests and, after the completion of the Merger, the interests of other shareholders.

Ardagh Group currently indirectly owns 100% of AMPSA's outstanding shares and, upon completion of the Merger, will own approximately 80% of the outstanding AMPSA Shares. In addition, pursuant to the Registration Rights and Lock-Up Agreement, Ardagh Group's ability to sell its AMPSA Shares will be restricted for 180 days after the closing of the Merger. As a controlling shareholder of AMPSA, Ardagh Group will be able to exercise significant influence over AMPSA's business policies and affairs, including the composition of its board of directors and any action requiring approval of its shareholders. In addition, after completion of the Merger and as long as Ardagh Group beneficially owns a specified number of the outstanding shares of AMPSA, pursuant to the Shareholders Agreement, Ardagh Group has the right to designate a specified number of directors, including the chair, to AMPSA's board of directors, receive access to certain information for the benefit of Ardagh Group, approve certain significant actions of AMPSA, receive AMPSA's cooperation with certain matters relating to AMPSA, and access certain information for registration rights with respect to its shares of AMPSA. For more information, see the section entitled "*Certain Agreements Related to the Business Combination–Shareholders Agreement.*"

Additionally, being a controlled company, relevant risks materializing at the ultimate parent level could have a negative impact on AMPSA's share price, financial condition, credit ratings or reputation. It is also possible that Ardagh Group's controlling shareholders may take actions in relation to AMPSA's business that are not entirely in its best interests or the best interests of the other shareholders of Ardagh Group or those of AMPSA.

Future sales of the AMPSA Shares, including by Ardagh Group, the Subscribers and the GHV Sponsor could have a negative impact on the price of the AMPSA Shares.

Pursuant to the Subscription Agreements with the Subscribers, AMPSA has agreed to file a registration statement with the SEC registering the shares issued to the Subscribers within 30 days of the closing of the Merger to facilitate their ability to sell their AMPSA Shares in the public market. In addition, pursuant to the Registration Rights and Lock-Up Agreement, following the expiration of a 180-day lock-up period, the GHV Sponsor and Ardagh Group have the right to request AMPSA to register their Shares for purposes of effecting sales of those AMPSA Shares in the public market. Future sales of the AMPSA Shares, or securities convertible or exchangeable into or exercisable for the AMPSA Shares, including by the Subscribers, the GHV Sponsor and Ardagh Group, or the perception that sales may be made by these shareholders could significantly reduce the market price of the AMPSA Shares. Further, even if none of these shareholders sell a large number of the AMPSA Shares into the market, their right to sell their AMPSA Shares as contemplated by these agreements may depress the price of the AMPSA Shares.

In addition, if AMPSA issues substantial additional Shares, the ownership of its existing shareholders would be diluted and its earnings per share could be reduced, which may negatively affect the market price of its Shares.

There may not be a robust market for AMPSA's securities, which would adversely affect the liquidity and price of its securities.

Following the Merger, the price of AMPSA's securities may fluctuate significantly due to the market's reaction to the Merger and general market and economic conditions. An active trading market for AMPSA's securities following the Merger may never develop or, if developed, it may not be sustained. In addition, the price of AMPSA's securities after the Merger can vary due to general economic conditions and forecasts, its general business condition and the release of its financial reports. Additionally, if AMPSA's securities become delisted from NYSE for any reason and are quoted on the OTC Bulletin Board, an inter-dealer automated quotation system for equity securities that is not a national securities exchange, the liquidity and price of its securities may be more limited than they were quoted or listed on NYSE or another national securities exchange. You may be unable to sell your AMPSA Shares and public warrants unless a market can be established or sustained.

If, following the Merger, securities or industry analysts do not publish research or reports about AMPSA or its business or cease publishing research or reports about its market, or if they make recommendations regarding AMPSA Shares that is unfavorable to AMPSA, then the price of AMPSA Shares could decline.

The trading market for AMPSA Shares will be influenced by the research and reports that industry or securities analysts may publish about the AMPSA, its business, its market, or its competitors. Securities and industry analysts do not currently, and may never, publish research on GHV or, except to the extent included in analysts' coverage reports of Ardagh Group, AMPSA. If no securities or industry analysts commence coverage of AMPSA as a public company, its share price and trading volume would likely be negatively impacted. If any of the analysts that cover AMPSA make an unfavorable recommendation regarding AMPSA Shares, or provide more favorable relative recommendations regarding AMPSA's competitors, the price of AMPSA Shares would likely decline. If in the future any analyst ceases coverage of AMPSA or fails to regularly publish reports regarding AMPSA, it could lose visibility in the financial markets, which could cause its share price to decline.

AMPSA and GHV will be subject to business uncertainties and contractual restrictions while the Merger is pending.

Uncertainty about the effects of the Merger on AMPSA's business, management team, employees, or third parties may have an adverse effect on AMPSA and GHV. These uncertainties may impair AMPSA's ability to retain and motivate key personnel and could cause third parties that deal with AMPSA to defer entering into contracts or making other decisions or seek to change existing business relationships. If key team members depart because of uncertainty about their future roles and the potential complexities of the Merger, AMPSA's business could be harmed.

Risks Related to Investment in a Luxembourg Company and AMPSA's Status as a Foreign Private Issuer

As a foreign private issuer, AMPSA will be exempt from a number of U.S. securities laws and rules promulgated thereunder and will be permitted to publicly disclose less information than U.S. public companies are required to disclose. This may limit the information available to holders of AMPSA Shares. Conversely, if AMPSA loses its foreign private issuer status in the future, this could result in significant additional costs and expenses.

AMPSA will qualify as a "foreign private issuer," as defined in the SEC's rules and regulations, and, consequently, will not be subject to all of the disclosure requirements applicable to public companies organized within the United States. For example, AMPSA will be exempt from certain rules under the Exchange Act that regulate disclosure obligations and procedural requirements related to the solicitation of proxies, consents or authorizations applicable to securities registered under the Exchange Act. In addition, AMPSA's officers and directors are exempt from the reporting and "short-swing" profit recovery provisions of Section 16 of the Exchange Act and related rules with respect to their purchases and sales of AMPSA's securities, such that any such sales will not be required to be disclosed as promptly as they would need to be disclosed if AMPSA was a public company organized within the United States. Accordingly, once such sales are eventually disclosed, the price of AMPSA Shares may decline significantly. Moreover, AMPSA will not be required to file periodic reports and financial statements with the SEC as frequently or as promptly as U.S. public companies are. AMPSA will also not be subject to Regulation FD under the Exchange Act, which would prohibit AMPSA from selectively disclosing material nonpublic information to certain persons without concurrently making a widespread public disclosure of such information. Accordingly, there may be less publicly available information concerning AMPSA than there is for U.S. public companies.

As a foreign private issuer, AMPSA will file an annual report on Form 20-F within four months of the close of each fiscal year ended December 31, and furnish reports on Form 6-K relating to certain material events promptly after AMPSA publicly announces these events. However, because of the exemptions for foreign private issuers, which AMPSA intends to rely on, AMPSA Shareholders may not be afforded the same information generally available to investors holding shares in public companies that are not foreign private issuers.

In the future, AMPSA could lose its foreign private issuer status if a majority of its shares are held by residents in the United States and it fails to meet any one of the additional "business contacts" requirements. Although AMPSA intends to follow certain practices that are consistent with U.S. regulatory provisions applicable to U.S. companies, AMPSA's loss of foreign private issuer status would make compliance with these provisions mandatory. The regulatory and compliance costs to AMPSA if it is deemed to be a U.S. domestic issuer may be significantly higher than if it retains its foreign private issuer status. If AMPSA is not a foreign private issuer, AMPSA will be required to file periodic reports and prospectuses on U.S. domestic issuer forms with the SEC, which are more detailed and extensive than the forms available to a foreign private issuer. For example, AMPSA would become subject to Regulation FD, aimed at preventing issuers from making selective disclosures of material information.

Additionally, AMPSA would be required to change its basis of accounting from IFRS as issued by the International Accounting Standards Boards ("IASB") to U.S. GAAP, which may be difficult and costly for it to comply with. If AMPSA loses its foreign private issuer status and fails to comply with U.S. securities laws applicable to U.S. domestic issuers, AMPSA may have to de-list from NYSE and could be subject to investigation by the SEC, NYSE and other regulators, among other potentially materially adverse consequences. ***AMPSA will qualify for and will rely on exemptions from certain corporate governance requirements.***

AMPSA will be exempt from certain corporate governance requirements of NYSE by virtue of being a "foreign private issuer" and a "controlled company." Although AMPSA's foreign private issuer status exempts it from most of NYSE's corporate governance requirements, AMPSA intends to voluntarily comply with these requirements, except those from which AMPSA would be exempt by virtue of being a "controlled company." Following the consummation of the Merger, Ardagh Group will continue to control, directly or indirectly, a majority of the voting power of AMPSA's issued and outstanding shares and thus AMPSA would be a controlled company within the meaning of NYSE corporate governance standards, entitled to certain limited corporate governance exemptions. Under these NYSE standards, a company of which more than 50% of the voting power is held by another person or group of persons acting together is a controlled company and may elect not to comply with certain NYSE corporate governance requirements, including the requirements that:

a majority of the board of directors consist of independent directors;

the nominating and governance committee be composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities;

the compensation committee be composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities; and

there be an annual performance evaluation of the nominating and corporate governance and compensation committees.

Following the consummation of the Merger, AMPSA will be a controlled company, and AMPSA intends to utilize these exemptions, including the exemption from the requirement to have a board of directors composed of a majority of independent directors. In addition, although AMPSA will have adopted charters for its audit, compensation and nominating and governance committees, its compensation and nominating and governance committees are not expected to be composed of independent directors.

As a result of the foregoing exemptions, AMPSA can cease voluntary compliance with NYSE's corporate governance requirements at any time, and you may not have the same protections afforded to shareholders of companies that are subject to all of NYSE corporate governance requirements.

AMPSA is organized under the laws of Luxembourg and a substantial amount of its assets are not located in the United States. It may be difficult for you to obtain or enforce judgments or bring actions against AMPSA or its directors and officers in the United States.

AMPSA is organized under the laws of Luxembourg. In addition, a substantial amount of its assets are located outside the United States. Furthermore, many of AMPSA's directors and officers, as well as certain other persons named herein, reside outside the United States, and will continue to reside outside the United States. As a result, although AMPSA has appointed an agent for service of process in the United States, investors may not be able to effect service of process within the United States upon AMPSA or these persons or enforce judgments obtained against AMPSA or these persons in U.S. courts, including judgments in actions predicated upon the civil liability provisions of the U.S. federal securities laws. Likewise, it also may be difficult for an investor to enforce in U.S. courts judgments

obtained against AMPSA or these persons in courts located in jurisdictions outside the United States, including judgments predicated upon the civil liability provisions of the U.S. federal securities laws. Awards of punitive damages in actions brought in the United States or elsewhere are generally not enforceable in Luxembourg.

Any judgments obtained in any U.S. federal or state court against AMPSA may have to be enforced in the courts of Luxembourg or other EU member states. As there is no treaty in force on the reciprocal recognition and enforcement of judgments in civil and commercial matters between the United States and Luxembourg, courts in Luxembourg will not automatically recognize and enforce a final judgment rendered by a U.S. court. A valid judgment obtained from a court of competent jurisdiction in the United States may be entered and enforced through a court of competent jurisdiction in Luxembourg, subject to compliance with the enforcement procedures (exequatur). The enforceability in Luxembourg courts of judgments rendered by U.S. courts will be subject, prior to any enforcement in Luxembourg, to the procedure and the conditions set forth in the Luxembourg procedural code, which conditions may include the following as of the date of this proxy statement/prospectus (which may change):

the judgment of the U.S. court is final and enforceable (*exécutoire*) in the United States and has not been enforced in the United States;

the U.S. court had jurisdiction over the subject matter leading to the judgment (that is, its jurisdiction was in compliance both with Luxembourg private international law and local law rules and with the applicable domestic U.S. federal or state jurisdictional rules);

the judgment was granted following proceedings where the counterparty had the opportunity to appear, and if it appeared, to present a defense and other conditions for a fair trial have been complied with taking into account all facts and circumstances whether occurring before, during or after trial or issue and delivery of the judgement, and the judgment has not been obtained by reason of fraud;

the U.S. court applied the substantive laws as designated by the Luxembourg conflict of law rules;

the U.S. judgment does not contravene international public policy (*ordre public*) or order, both substantive and procedural, as understood under the laws of Luxembourg or has been given in proceedings of a criminal nature; and

the absence of contradiction between such judgment and an already issued judgment of a Luxembourg court.

In addition, actions brought in a Luxembourg court against AMPSA, the members of its board of directors, its officers, or the experts named herein to enforce liabilities based on U.S. federal securities laws may be subject to certain restrictions. In particular, Luxembourg courts generally do not award punitive damages. Litigation in Luxembourg also is subject to rules of procedure that differ from the U.S. rules, including, with respect to the taking and admissibility of evidence, the conduct of the proceedings and the allocation of costs. Proceedings in Luxembourg would have to be conducted in the French or German language, and all documents submitted to the court would, in principle, have to be translated into French or German. For these reasons, it may be difficult for a U.S. investor to bring an action in a Luxembourg court predicated upon the civil liability provisions of the U.S. federal securities laws against AMPSA, the members of its board of directors, its officers, or the experts named herein. In addition, even if a judgment against AMPSA, the non-U.S. members of its board of directors, its officers, or the experts named in this proxy statement/prospectus based on the civil liability provisions of the U.S. federal securities laws is obtained, a U.S. investor may not be able to enforce it in U.S. or Luxembourg courts.

The directors and officers of AMPSA have entered into, or will enter into, indemnification agreements with AMPSA. Under such agreements, the directors and officers will be entitled to indemnification from AMPSA to the fullest extent permitted by Luxembourg law against liability and expenses reasonably incurred or paid by them in connection with claims, actions, suits or proceedings in which they become involved as a party or otherwise by virtue of performing or having performed as a director or officer, and against amounts paid or incurred by them in the settlement of such claims, actions, suits or proceedings. Luxembourg law and AMPSA's Articles permit AMPSA to indemnify directors against any expenses, judgments, fines and amounts paid in connection with liability of a director towards AMPSA or a third party for management errors, i.e., for wrongful acts committed during the execution of the mandate (*mandat*) granted to the director by AMPSA, except in connection with criminal offenses, gross negligence, fraud or dishonesty. The rights to and obligations of indemnification among or between AMPSA and any of its current or former directors and officers are generally governed by the laws of Luxembourg and subject to the jurisdiction of the Luxembourg courts, unless such rights or obligations do not relate to or arise out of such persons' capacities listed above. Although there is doubt as to whether U.S. courts would enforce this indemnification provision in an action brought in the United States under U.S. federal or state securities laws, this provision could make it more difficult to obtain judgments outside Luxembourg or from non-Luxembourg jurisdictions that would apply Luxembourg law against AMPSA's assets in Luxembourg.

Luxembourg and European insolvency and bankruptcy laws are substantially different from U.S. insolvency and bankruptcy laws and may offer AMPSA's shareholders less protection than they would have under U.S. insolvency and bankruptcy laws.

As a company organized under the laws of Luxembourg and with its registered office in Luxembourg, AMPSA is subject to Luxembourg insolvency and bankruptcy laws in the event any insolvency proceedings are initiated against it including, among other things, Council and European Parliament Regulation (EU) 2015/848 of 20 May 2015 on insolvency proceedings (recast). Should courts in another European country determine that the insolvency and bankruptcy laws of that country apply to AMPSA in accordance with and subject to such European Union regulations, the courts in that country could have jurisdiction over the insolvency proceedings initiated against AMPSA. Insolvency and bankruptcy laws in Luxembourg or the relevant other European country, if any, may offer AMPSA's shareholders less protection than they would have under U.S. insolvency and bankruptcy laws and make it more difficult for them to recover the amount they could expect to recover in a liquidation under U.S. insolvency and bankruptcy laws.

AMPSA's Articles include compulsory share transfer provisions that may not provide AMPSA minority shareholders with the same benefits as they would have as stockholders of a Delaware corporation.

AMPSA has included in its Articles provisions that give the holder of 75% of the number of its outstanding shares the right to acquire AMPSA's outstanding shares held by all other holders at such time for a purchase price payable in cash that is equal to the fair market value of such shares, as determined by an independent investment banking firm of international reputation in accordance with the procedures contained in AMPSA's Articles. Upon completion of the Business Combination, AGSA will own approximately 80% of the outstanding AMPSA Shares. AMPSA's Articles include a dispute resolution provision permitting holders of at least 10% of the shares of the Company held by AMPSA's minority shareholders at that time to dispute the purchase price proposed by the acquiring shareholder. It is uncertain whether AMPSA's minority shareholders will be able to coordinate with each other in a manner that will enable them to take full advantage of these provisions. There can be no assurance that these provisions would result in a price as favorable to AMPSA's minority shareholders as they would receive as stockholders of a corporation subject to Delaware law and appraisal rights.

The rights of AMPSA Shareholders may differ from the rights they would have as shareholders of a U.S. corporation and consequently AMPSA Shareholders may have more difficulty protecting their interests.

AMPSA's corporate affairs are governed by its Articles and Luxembourg law, including the Luxembourg law of 10 August 1915, on commercial companies, as amended. The rights of AMPSA's shareholders and the responsibilities of its directors and officers under Luxembourg law are different from those applicable to a corporation incorporated in the United States.

In the performance of its duties, the board of directors is required to act as a collegiate body in the interest of AMPSA. It is possible that AMPSA may have interests that are different from interests of the shareholders. If any member of AMPSA's board of directors has a direct or indirect financial interest in a matter which has to be considered by the board of directors which conflicts with the interests of AMPSA, Luxembourg Law provides that such director will not be entitled to participate in deliberations on and exercise his vote with respect to the approval of such transaction. If the financial interest of such a member of the board of directors does not conflict with the interests of AMPSA, then the applicable director with such interest may participate in deliberations on, and vote on the approval of, that transaction.

Further, under Luxembourg law, there may be less publicly available information about AMPSA than is regularly published by or about U.S. issuers. In addition, Luxembourg law governing the securities of Luxembourg companies may not be as extensive as those in effect in the United States, and Luxembourg law and regulations in respect of corporate governance matters might not be as protective of minority shareholders as state corporation laws in the United States. Therefore, AMPSA's shareholders may have more difficulty in protecting their interests in connection with actions taken by its directors and officers or its principal shareholders than they would as shareholders of a corporation incorporated in the United States.

Neither AMPSA's Articles nor Luxembourg law provides for appraisal rights for dissenting shareholders in certain extraordinary corporate transactions that may otherwise be available to shareholders under certain U.S. state laws. As a result of these differences, AMPSA's shareholders may have more difficulty protecting their interests in the event that any extraordinary corporate transactions were to occur than they would as shareholders of a U.S. issuer.

AMPSA anticipates that all of its shareholder meetings will take place in Luxembourg. Shareholders may vote by proxy or in person at any general meeting.

Risks Relating to GHV and the Merger

The Initial Stockholders have agreed to vote in favor of the Merger Proposal described in this proxy statement/prospectus, regardless of how the Public Stockholders vote.

Unlike some other special purpose acquisition companies in which the founders agree to vote their founder shares in accordance with the majority of the votes cast by the holders of public stock in connection with an initial business combination, the Initial Stockholders have agreed to vote any shares of GHV Common Stock owned by them in favor of the Merger Proposal. As of the date hereof, the Initial Stockholders own shares equal to 20% of our issued and outstanding shares of GHV Common Stock. Accordingly, it is more likely that the necessary stockholder approval will be received for the Merger Proposal than would be the case if the Initial Stockholders agreed to vote any shares of GHV Common Stock owned by them in accordance with the majority of the votes cast by the Public Stockholders.

The GHV Sponsor, certain members of the GHV Board and GHV's officers have interests in the Business Combination that are different from or are in addition to other stockholders in recommending that stockholders vote in favor of approval of the Merger Proposal and approval of the other proposals described in this proxy statement/prospectus.

In considering the recommendation of the GHV Board to vote for the proposals presented at the Special Meeting, including the Merger Proposal, you should be aware that aside from their interests as stockholders, the Sponsor and certain members of the GHV Board and officers have interests in the Business Combination that are different from, or in addition to, the interests of our stockholders generally. The GHV Board is aware of and considered these interests, among other matters, in evaluating and negotiating the Business Combination and transaction agreements and in recommending to GHV's stockholders that they vote in favor of the proposals presented at the Special Meeting, including the Merger Proposal. Stockholders should take these interests into account in deciding whether to approve the proposals presented at the Special Meeting, including the Merger Proposal. These interests include, among other things:

the fact that the Initial Stockholders have agreed not to redeem any of the GHV Founder Shares in connection with a stockholder vote to approve a proposed initial business combination;

the fact that the GHV Sponsor paid an aggregate of \$25,000 for the GHV Founder Shares that will be exchanged for AMPSA Shares at the Merger Effective Time, and which AMPSA Shares would, if unrestricted and freely tradable, have a value of approximately \$98 million at the Merger Effective Time (based on per share price of \$10), but given the restrictions on such AMPSA Shares pursuant to the Registration Rights and Lock-Up Agreement, GHV believes such AMPSA Shares have less value;

the fact that the Initial Stockholders have agreed to waive their rights to liquidating distributions from the Trust Account with respect to their GHV Founder Shares if GHV fails to complete an initial business combination by August 10, 2022;

the fact that the GHV Sponsor paid an aggregate of approximately \$12,500,000 for its 6,250,000 Private Placement Warrants to purchase shares of GHV Class A Common Stock, and that such Private Placement Warrants will expire and become worthless if a business combination is not consummated by August 10, 2022;

if the Trust Account is liquidated, including in the event GHV is unable to complete an initial business combination within the required time period, the GHV Sponsor has agreed to indemnify GHV to ensure that the proceeds in the Trust Account are not reduced below \$10.00 per public share, or such lesser per public share amount as is in the Trust Account on the liquidation date, by the claims of prospective target businesses with which GHV has entered into an acquisition agreement or claims of any third party (other than its independent public accountants) for services rendered or products sold to GHV, but only if such a vendor or target business has not executed a waiver of any and all rights to seek access to the Trust Account;

the continued indemnification of GHV's existing directors and officers and the purchase of a tail policy with respect to GHV's directors' and officers' existing liability insurance;

the fact that the GHV Sponsor, officers and directors will lose their entire investment in GHV and will not be reimbursed for any out-of-pocket expenses if GHV does not consummate an initial business combination by August 10, 2022;

the fact that the GHV Sponsor has the right to nominate two independent directors to AMPSA's board of directors as of the Closing;

that, at the closing of the Merger, GHV will enter into the Registration Rights and Lock-Up Agreement, which provides for registration rights to the holders of AMPSA Shares that are parties thereto and their permitted transferees;

the fact that the GHV Sponsor and members of the GHV Board and management would hold the following number of shares in AMPSA at the Closing:

<u>Name of Person/Entity</u>	<u>Number of AMPSA Shares</u>	<u>Value of AMPSA Shares(1)</u>
Gores Sponsor V LLC		\$
Alec E. Gores		\$
Mark R. Stone		\$
Andrew McBride		\$
Randall Bort		\$
William Patton		\$
Jeffrey Rea		\$

(1) Based on a per share price of \$10.00.

the fact that the GHV Sponsor has entered into a Subscription Agreement with AMPSA and GHV, pursuant to which the GHV Sponsor has committed to purchase 2.5 million AMPSA Shares in the PIPE for an aggregate commitment of approximately \$25 million, provided that the GHV Sponsor has the right to syndicate the AMPSA Shares purchased under such Subscription Agreement in advance of the Closing;

that an affiliate of the GHV Sponsor, Mr. Alec E. Gores, has committed to purchase AMPSA Shares in the PIPE for an aggregate commitment of approximately \$ in connection with the syndication by the GHV Sponsor of its portion of the PIPE; and

the fact that the GHV Sponsor has committed to acquire up to 9.5 million AMPSA Shares at a per share price of \$10.00 in the event that there are redemptions from the Trust Account that are in excess of \$1 million.

The personal and financial interests of GHV's officers and directors may have influenced their motivation in identifying and selecting AMPSA, completing a business combination with AMPSA and may influence their operation of AMPSA following the Merger. This risk may become more acute as the deadline of August 10, 2022 for completing an initial business combination nears. ***The GHV Sponsor, AGSA, and each of their respective affiliates and their respective directors or officers may elect to purchase shares from Public Stockholders, which may influence a vote on the Merger Proposal and the other proposals described in this proxy statement and reduce the public "float" of the GHV Class A Common Stock (or, following the Closing, the AMPSA Shares).***

The GHV Sponsor, AGSA, and each of their respective affiliates and their respective directors or officers may purchase shares in privately negotiated transactions or in the open market either prior to the completion of the Merger, although they are under no obligation to do so. A purchase may include a contractual acknowledgement that such stockholder, although still the record holder of our shares is no longer the beneficial owner thereof and therefore agrees not to exercise its redemption rights. In the event that the Sponsor, directors, officers or their affiliates purchase shares in privately negotiated transactions from Public Stockholders who have already elected to exercise their redemption rights, such selling stockholders would be required to revoke their prior elections to redeem their shares. The purpose of such purchases could be to vote such shares in favor of the Merger Proposal and thereby increase the likelihood of obtaining stockholder approval of the Merger Proposal. This may result in the completion of the Merger that may not otherwise have been possible.

In addition, if such purchases are made, the public "float" of the GHV Class A Common Stock (prior to the Closing) or the AMPSA Shares (following the Closing), and the number of beneficial holders of GHV's securities (prior to the Closing) or of the AMPSA Shares (following the Closing) may be reduced, possibly making it difficult to obtain or maintain the quotation, listing or trading of such securities on Nasdaq or NYSE or reducing the liquidity of the trading market for such securities.

The GHV stockholders will experience substantial dilution as a consequence of the Merger. Having a minority share position will significantly reduce the influence that GHV's current stockholders have on the management of AMPSA relative to the current GHV stockholders' influence on the management of GHV.

It is anticipated, upon completion of the Merger, and assuming that no shares are elected to be redeemed: (i) the Public Stockholders (other than the Subscribers) will retain an ownership interest of approximately 8.6% in AMPSA following the consummation of the Merger; (ii) the Subscribers will own approximately 9.9% of AMPSA (such that Public Stockholders, including Subscribers, will own approximately 18.5% of AMPSA); (iii) the Initial Stockholders (including our Sponsor) will own approximately 1.6% of AMPSA; and (iv) AGSA will own approximately 79.9% of AMPSA.

GHV has no operating history and is subject to a mandatory liquidation and subsequent dissolution requirement. As such, there is a risk that GHV will be unable to continue as a going concern if GHV does not consummate an initial business combination by August 10, 2022. If GHV is unable to effect an initial business combination by August 10, 2022, GHV will be forced to liquidate and the GHV Warrants will expire worthless.

GHV is a special purpose acquisition company, and as GHV has no operating history and is subject to a mandatory liquidation and subsequent dissolution requirement, there is a risk that GHV will be unable to continue as a going concern if GHV does not consummate an initial business combination by August 10, 2022. Unless GHV amends its current certificate of incorporation to extend the life of GHV and certain other agreements into which GHV has entered, if GHV does not complete an initial business combination by August 10, 2022, GHV will: (i) cease all operations except for the purpose of winding up; (ii) as promptly as reasonably possible but not more than ten business days thereafter, redeem the Public Shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account including interest not previously released to the GHV to fund its working capital requirements plus Regulatory Withdrawals and/or its franchise and income taxes (less up to \$100,000 of interest to pay dissolution expenses) divided by the number of then outstanding Public Shares, which redemption will completely extinguish Public Stockholders' rights as stockholders (including the right to receive further liquidating distributions, if any), subject to applicable law; and (iii) as promptly as reasonably possible following such redemption, subject to the approval of GHV's remaining stockholders and the GHV Board, dissolve and liquidate, subject in each case to GHV's obligations under the DGCL to provide for claims of creditors and the requirements of other applicable law. In the event of such distribution, it is possible that the per share value of the residual assets remaining available for distribution (including Trust Account assets) will be less than the initial public offering price per GHV Unit in the IPO. In addition, if GHV fails to complete an initial business combination by August 10, 2022, there will be no redemption rights or liquidating distributions with respect to the Public Warrants or the Private Placement Warrants, which will expire worthless. GHV expects to consummate the Merger and does not intend to take any action to extend the life of GHV beyond August 10, 2022 if GHV is unable to effect an initial business combination by that date.

The ability to successfully effect the Business Combination and to be successful thereafter will be dependent upon the efforts of key personnel, including AMPSA's key personnel whom GHV expects to stay with AMPSA following the Business Combination. The loss of key personnel could negatively impact the operations and profitability of AMPSA and its financial condition could suffer as a result.

The ability to successfully effect the Business Combination is dependent upon the efforts of key personnel of GHV, AMPSA and AGSA. It is possible that any of GHV, AMPSA or AGSA will lose some key personnel, the loss of which could negatively impact the ability to successfully effect the Business Combination. GHV anticipates that some or all of the management of AMPSA will remain in place following the Merger.

AMPSA's success depends to a significant degree upon the continued contributions of senior management, certain of whom would be difficult to replace. Departure by certain of AMPSA's officers could have a material adverse effect on AMPSA's business, financial condition, or operating results. AMPSA does not maintain key-man life insurance on any of its officers. The services of such personnel may not continue to be available to AMPSA.

GHV may waive one or more of the conditions to the Merger.

GHV may agree to waive, in whole or in part, one or more of the conditions to its obligations to complete the Merger, to the extent permitted by GHV's current certificate of incorporation and bylaws and applicable laws. However, if the GHV Board determines that a failure to satisfy the condition is not material, then the GHV Board may elect to waive that condition and close the Merger. GHV may not waive the condition that GHV's stockholders adopt the Business Combination Agreement and approve the Merger. Please see the section entitled "*The Business Combination Agreement—Conditions to Closing the Merger*" for additional information.

The exercise of discretion by GHV's directors and officers in agreeing to changes to the terms of or waivers of closing conditions in the Business Combination Agreement may result in a conflict of interest when determining whether such changes to the terms of the Business Combination Agreement or waivers of conditions are appropriate and in the best interests of GHV's stockholders.

In the period leading up to the closing of the Merger, other events may occur that, pursuant to the Business Combination Agreement, would require GHV to agree to amend the Business Combination Agreement, to consent to certain actions or to waive rights that GHV is entitled to under those agreements. Such events could arise because of changes in the course of AMPSA's business, a request by AMPSA to undertake actions that would otherwise be prohibited by the terms of the Business Combination Agreement or the occurrence of other events that would have a material adverse effect on AMPSA's business and would entitle GHV to terminate the Business Combination Agreement. In any of such circumstances, it would be in the discretion of the Company, acting through the GHV Board, to grant its consent or waive its rights. The existence of the financial and personal interests of the directors described elsewhere in this proxy statement may result in a conflict of interest on the part of one or more of the directors between what he or she may believe is best for GHV and its stockholders and what he or she may believe is best for himself or herself or his or her affiliates in determining whether or not to take the requested action. As of the date of this proxy statement/prospectus, GHV does not believe there will be any changes or waivers that GHV's directors and officers would be likely to make after stockholder approval of the Merger has been obtained. While certain changes could be made without further stockholder approval, if there is a change to the terms of the Business Combination Agreement that would have a material impact on the stockholders, GHV will be required to circulate a new or amended proxy statement or supplement thereto and resolicit the vote of GHV's stockholders with respect to the Merger Proposal.

GHV and AMPSA will incur significant transaction and transition costs in connection with the Business Combination.

GHV and AMPSA have both incurred and expect to incur significant, non-recurring costs in connection with consummating the Business Combination and operating as a public company following the consummation of the Merger. If the Merger fails to be consummated, all expenses incurred in connection with the Business Combination, including all legal, accounting, consulting, investment banking and other fees, expenses and costs, will be paid by the party incurring such fees and expenses. If the Merger is consummated, AMPSA will pay all such costs and expenses, whether incurred by GHV or Ardagh Group, subject to a \$50 million cap on GHV's expenses.

GHV's transaction expenses as a result of the Business Combination are currently estimated at approximately \$45,000,000, including \$18,375,000 in deferred underwriting commissions to the underwriters of our IPO. The amount of the deferred underwriting commissions will not be adjusted for any shares that are redeemed in connection with an initial business combination. The per-share amount GHV will distribute to stockholders who properly exercise their redemption rights will not be reduced by the deferred underwriting commissions and after such redemptions, the per-share value of shares held by non-redeeming stockholders will reflect GHV's obligation to pay the deferred underwriting commissions.

If GHV is unable to complete an initial business combination, GHV's Public Stockholders may receive only approximately \$10.00 per share on the liquidation of the Trust Account (or less than \$10.00 per share in certain circumstances where a third party brings a claim against GHV that the GHV Sponsor is unable to indemnify), and the GHV warrants will expire worthless.

If GHV is unable to complete an initial business combination by August 10, 2022, GHV's Public Stockholders may receive only approximately \$10.00 per share on the liquidation of the Trust Account (or less than \$10.00 per share in certain circumstances where a third-party brings a claim against GHV that the GHV Sponsor is unable to indemnify (as described herein)) and the GHV Warrants will expire worthless.

If third parties bring claims against GHV, the proceeds held in the Trust Account could be reduced and the per-share redemption amount received by stockholders may be less than \$10.00 per share.

GHV's placing of funds in the Trust Account may not protect those funds from third-party claims against GHV. Although GHV will seek to have all vendors, service providers (other than GHV's independent auditors), prospective target businesses or other entities with which GHV does business execute agreements with GHV waiving any right, title, interest or claim of any kind in or to any funds held in the Trust Account for the benefit of the Public Stockholders, such parties may not execute such agreements, or even if they execute such agreements they may not be prevented from bringing claims against the Trust Account, including, but not limited to, fraudulent inducement, breach of fiduciary responsibility or other similar claims, as well as claims challenging the enforceability of the waiver, in each case in order to gain advantage with respect to a claim against GHV's assets, including the funds held in the Trust Account. If any third party refuses to execute an agreement waiving such claims to the funds held in the Trust Account, GHV's management will perform an analysis of the alternatives available to it and will only enter into an agreement with a third-party that has not executed a waiver if management believes that such third party's engagement would be significantly more beneficial to GHV than any alternative.

Examples of possible instances where GHV may engage a third party that refuses to execute a waiver include the engagement of a third party consultant whose particular expertise or skills are believed by management to be significantly superior to those of other consultants that would agree to execute a waiver or in cases where management is unable to find a service provider willing to execute a

waiver. In addition, there is no guarantee that such entities will agree to waive any claims they may have in the future as a result of, or arising out of, any negotiations, contracts or agreements with GHV and will not seek recourse against the Trust Account for any reason. Upon redemption of the Public Shares, if GHV is unable to complete its initial business combination within the prescribed timeframe, or upon the exercise of a redemption right in connection with GHV's initial business combination, GHV will be required to provide for payment of claims of creditors that were not waived that may be brought against GHV within the ten years following redemption. Accordingly, the per-share redemption amount received by Public Stockholders could be less than the \$10.00 per share initially held in the Trust Account, due to claims of such creditors.

The GHV Sponsor has agreed that it will be liable to GHV if and to the extent any claims by a vendor (other than GHV's independent public accountants) for services rendered or products sold to GHV, or a prospective target business with which GHV has entered into a transaction agreement, reduce the amount of funds in the Trust Account to below (i) \$10.00 per public share or (ii) such lesser amount per public share held in the Trust Account as of the date of the liquidation of the Trust Account due to reductions in the value of the trust assets, in each case net of the interest which may be withdrawn to pay taxes, except as to any claims by a third party who executed a waiver of any and all rights to seek access to the Trust Account and except as to any claims under indemnity of the underwriters of the IPO against certain liabilities, including liabilities under the Securities Act. Moreover, in the event that an executed waiver is deemed to be unenforceable against a third party, the Sponsor will not be responsible to the extent of any liability for such third party claims. GHV has not independently verified whether the Sponsor has sufficient funds to satisfy its indemnity obligations and believes that the Sponsor's only assets are securities of GHV. GHV has not asked the Sponsor to reserve for such indemnification obligations. Therefore, GHV cannot assure you that the Sponsor would be able to satisfy those obligations. As a result, if any such claims were successfully made against the Trust Account, the funds available for the Business Combination and redemptions could be reduced to less than \$10.00 per Public Share. In such event, GHV may not be able to complete the Merger, and you would receive such lesser amount per share in connection with any redemption of your Public Shares. None of GHV's officers will indemnify GHV for claims by third parties including, without limitation, claims by vendors and prospective target businesses.

GHV's directors may decide not to enforce the indemnification obligations of GHV's Sponsor, resulting in a reduction in the amount of funds in the Trust Account available for distribution to the Public Stockholders.

In the event that the proceeds in the Trust Account are reduced below the lesser of (i) \$10.00 per public share or (ii) other than due to the failure to obtain a waiver to seek access to the Trust Account, such lesser amount per share held in the Trust Account as of the date of the liquidation of the Trust Account due to reductions in the value of the trust assets, in each case net of the interest which may be withdrawn to fund GHV's working capital requirements, Regulatory Withdrawals and/or to pay GHV's franchise and income tax obligations (less up to \$100,000 of such net interest to pay dissolution expenses), and the Sponsor asserts that it is unable to satisfy its obligations or that it has no indemnification obligations related to a particular claim, GHV's independent directors would determine whether to take legal action against the Sponsor to enforce its indemnification obligations. While GHV currently expects that its independent directors would take legal action on GHV's behalf against the Sponsor to enforce its indemnification obligations to GHV, it is possible that GHV's independent directors in exercising their business judgment may choose not to do so if, for example the cost of such legal action is deemed by the independent directors to be too high relative to the amount recoverable or if the independent directors determine a favorable outcome is unlikely. If GHV's independent directors choose not to enforce these indemnification obligations, the amount of funds in the Trust Account available for distribution to the Public Stockholders may be reduced below \$10.00 per share.

If, before distributing the proceeds in the Trust Account to the Public Stockholders, GHV files a bankruptcy petition or an involuntary bankruptcy petition is filed against GHV that is not dismissed, the claims of creditors in such proceeding may have priority over the claims of GHV's stockholders and the per-share amount that would otherwise be received by GHV's stockholders in connection with GHV's liquidation may be reduced.

If, before distributing the proceeds in the Trust Account to the Public Stockholders, GHV files a bankruptcy petition or an involuntary bankruptcy petition is filed against GHV that is not dismissed, the proceeds held in the Trust Account could be subject to applicable bankruptcy law, and may be included in GHV's bankruptcy estate and subject to the claims of third parties with priority over the claims of GHV's stockholders. To the extent any bankruptcy claims deplete the Trust Account, the per-share amount that would otherwise be received by GHV's stockholders in connection with our liquidation may be reduced.

GHV has no operating or financial history and its results of operations and those of AMPSA may differ significantly from the unaudited pro forma financial data included in this proxy statement/prospectus.

GHV is a special purpose acquisition vehicle and GHV has no operating history and no revenues. This proxy statement/prospectus includes unaudited pro forma condensed combined financial statements for AMPSA. The unaudited pro forma condensed combined statement of operations of AMPSA combines the historical audited results of operations of GHV for the period from June 25, 2020 (inception) to December 31, 2020, with the historical audited results of operations of AMPSA for the fiscal year ended December 31, 2020, respectively, and gives pro forma effect to the Business Combination as if it had been consummated on the fiscal year ended December 31, 2020. The unaudited pro forma condensed combined balance sheet of AMPSA combines the historical balance sheets of GHV as of the fiscal year ended December 31, 2020 and of AMPSA as of the fiscal year ended December 31, 2020 and gives pro forma effect to the Business Combination as if it had been consummated on December 31, 2020.

The unaudited pro forma condensed combined financial statements are presented for illustrative purposes only, are based on certain assumptions, address a hypothetical situation and reflect limited historical financial data. Therefore, the unaudited pro forma condensed combined financial statements are not necessarily indicative of the results of operations and financial position that would have been achieved had the Business Combination been consummated on the dates indicated above, or the future consolidated results of operations or financial position of AMPSA. Accordingly, AMPSA's business, assets, cash flows, results of operations and financial condition may differ significantly from those indicated by the unaudited pro forma condensed combined financial statements included in this document. For more information, please see the section entitled "*Unaudited Pro Forma Condensed Combined Financial Information.*" ***Unanticipated changes in effective tax rates or adverse outcomes resulting from examination of AMPSA's income or other tax returns could adversely affect AMPSA's financial condition and results of operations.***

AMPSA will be subject to income taxes in the Grand Duchy of Luxembourg and other jurisdictions, and AMPSA's tax liabilities will be subject to the allocation of expenses in differing jurisdictions. AMPSA's future effective tax rates could be subject to volatility or adversely affected by a number of factors, including:

changes in the valuation of AMPSA's deferred tax assets and liabilities;

expected timing and amount of the release of any tax valuation allowances;

tax effects of stock-based compensation;

costs related to intercompany restructurings;

changes in tax laws, regulations or interpretations thereof; or

lower than anticipated future earnings in jurisdictions where AMPSA has lower statutory tax rates and higher than anticipated future earnings in jurisdictions where AMPSA has higher statutory tax rates.

In addition, AMPSA may be subject to audits of AMPSA's income, sales and other transaction taxes by taxing authorities. Outcomes from these audits could have an adverse effect on AMPSA's financial condition and results of operations.

If the Business Combination's benefits do not meet the expectations of investors, stockholders or financial analysts, the market price of GHV's or AMPSA's securities may decline.

If the benefits of the Business Combination do not meet the expectations of investors or securities analysts, the market price of GHV's securities prior to the closing of the Merger may decline. The market values of GHV's securities at the time of the Merger may vary significantly from their prices on the date the Business Combination Agreement was executed, the date of this proxy statement/prospectus, or the date on which GHV's stockholders vote on the Merger Proposal.

In addition, following the Merger, fluctuations in the price of AMPSA's securities could contribute to the loss of all or part of your investment. Immediately prior to the Merger, there has not been a public market for AMPSA's stock and trading in the shares of the GHV Class A Common Stock has not been active. Accordingly, the valuation ascribed to AMPSA and the GHV Class A Common Stock in the Business Combination may not be indicative of the price of AMPSA that will prevail in the trading market following the Merger. If an active market for AMPSA's securities develops and continues, the trading price of AMPSA's securities following the Merger could be volatile and subject to wide fluctuations in response to various factors, some of which are beyond GHV's control. Any of the factors listed below could have a material adverse effect on your investment in our securities and our securities may trade at prices significantly below the price you paid for them. In such circumstances, the trading price of AMPSA's securities may not recover and may experience a further decline.

Factors affecting the trading price of AMPSA's securities following the Merger may include:

actual or anticipated fluctuations in AMPSA's quarterly financial results or the quarterly financial results of companies perceived to be similar to us;

changes in the market's expectations about AMPSA's operating results;

the public's reaction to AMPSA's press releases, our other public announcements and AMPSA's filings with the SEC;

speculation in the press or investment community;

success of competitors;

AMPSA's operating results failing to meet the expectation of securities analysts or investors in a particular period;

changes in financial estimates and recommendations by securities analysts concerning AMPSA or the market in general;

operating and stock price performance of other companies that investors deem comparable to AMPSA;

AMPSA's ability to market new and enhanced products on a timely basis;

changes in laws and regulations affecting AMPSA's business;

commencement of, or involvement in, litigation involving AMPSA;

changes in AMPSA's capital structure, such as future issuances of securities or the incurrence of additional debt;

the volume of shares of the GHV Class A Common Stock available for public sale;

any major change in AMPSA's board or management;

sales of substantial amounts of GHV Common Stock by GHV's directors, officers or significant stockholders or the perception that such sales could occur;

the realization of any of the risk factors presented in this proxy statement;

additions or departures of key personnel;

failure to comply with the requirements of NYSE;

failure to comply with SOX or other laws or regulations;

actual, potential or perceived control, accounting or reporting problems;

changes in accounting principles, policies and guidelines; and

general economic and political conditions such as recessions, interest rates, fuel prices, international currency fluctuations and health epidemics and pandemics (including the ongoing COVID-19 public health emergency), acts of war or terrorism.

Broad market and industry factors may materially harm the market price of AMPSA's securities irrespective of its operating performance. The stock market in general and NYSE have experienced price and volume fluctuations that have often been unrelated or disproportionate to the operating performance of the particular companies affected. The trading prices and valuations of these stocks, and of AMPSA's securities, may not be predictable. A loss of investor confidence in the market for the stocks of other companies that investors perceive to be similar to AMPSA could depress AMPSA's stock price regardless of its business, prospects, financial conditions or results of operations. A decline in the market price of AMPSA's securities also could adversely affect its ability to issue additional securities and its ability to obtain additional financing in the future.

In the past, securities class action litigation has often been initiated against companies following periods of volatility in their stock price. This type of litigation could result in substantial costs and divert the attention and resources of GHV and AMPSA management, and could also require GHV to make substantial payments to satisfy judgments or to settle litigation.

Past performance by The Gores Group, including its management team, may not be indicative of future performance of an investment in GHV or AMPSA.

Past performance by The Gores Group and by its management team, including with respect to Gores Holdings, Inc., a Delaware corporation ("Gores Holdings I"), Gores Holdings II, Inc., a Delaware corporation ("Gores Holdings II"), Gores Holdings III, Inc., a Delaware corporation ("Gores Holdings III"), Gores Holdings IV, Inc., a Delaware corporation ("Gores Holdings IV"), Gores Metropoulos, Inc., a Delaware corporation ("Gores Metropoulos") and Gores Holdings VI, Inc., a Delaware corporation ("Gores Holdings VI"), is not a guarantee of success with respect to the Business Combination. You should not rely on the historical record of The Gores Group or its management team's, Gores Holdings I's, Gores Holdings II's, Gores Holdings III's, Gores Holdings IV's, Gores Holdings VI's or Gores Metropoulos' performance as indicative of the future performance of an investment in GHV or AMPSA or the returns GHV or AMPSA will, or is likely to, generate going forward.

GHV's stockholders may be held liable for claims by third parties against GHV to the extent of distributions received by them upon redemption of their shares.

Under the DGCL, stockholders may be held liable for claims by third parties against a corporation to the extent of distributions received by them in a dissolution. The pro rata portion of the Trust Account distributed to GHV's Public Stockholders upon the redemption of the Public Shares in the event GHV does not complete an initial business combination by August 10, 2022 may be considered a liquidating distribution under Delaware law. If a corporation complies with certain procedures set forth in Section 280 of the DGCL intended to ensure that it makes reasonable provision for all claims against it, including a 60-day notice period during which any third-party claims can be brought against the corporation, a 90-day period during which the corporation may reject any claims brought, and an additional 150-day waiting period before any liquidating distributions are made to stockholders, any liability of stockholders with respect to a liquidating distribution is limited to the lesser of such stockholder's pro rata share of the claim or the amount distributed to the stockholder, and any liability of the stockholder would be barred after the third anniversary of the dissolution. However, it is GHV's intention to redeem the Public Shares as soon as reasonably possible following August 10, 2022 in the event GHV does not complete an initial business combination and, therefore, GHV does not intend to comply with the foregoing procedures.

Because GHV will not be complying with Section 280 of the DGCL, Section 281(b) of the DGCL requires GHV to adopt a plan, based on facts known to GHV at such time that will provide for GHV's payment of all existing and pending claims or claims that may be potentially brought against GHV within the ten years following GHV's dissolution. However, because GHV is a special purpose acquisition company, rather than an operating company, and GHV's operations are limited to searching for prospective target businesses to acquire, the only likely claims to arise would be from GHV's vendors (such as lawyers, investment bankers, etc.) or prospective target businesses. If GHV's plan of distribution complies with Section 281(b) of the DGCL, any liability of stockholders with respect to a liquidating distribution is limited to the lesser of such stockholder's pro rata share of the claim or the amount distributed to the stockholder, and any liability of the stockholder would likely be barred after the third anniversary of the dissolution. GHV cannot assure you that it will properly assess all claims that may be potentially brought against GHV. As such, GHV's stockholders could potentially be liable for any claims to the extent of distributions received by them (but no more) and any liability of GHV's stockholders may extend beyond the third anniversary of such date. Furthermore, if the pro rata portion of the Trust Account distributed to the Public Stockholders upon the redemption of the Public Shares in the event GHV does not complete an initial business combination by August 10, 2022 is not considered a liquidating distribution under Delaware law and such redemption distribution is deemed to be unlawful, then pursuant to Section 174 of the DGCL, the statute of limitations for claims of creditors could then be six years after the unlawful redemption distribution, instead of three years, as in the case of a liquidating distribution.

Risks Related to the Redemption

GHV does not have a specified maximum redemption threshold. The absence of such a redemption threshold may make it possible for GHV to complete a business combination with which a substantial majority of GHV's stockholders do not agree.

GHV's current certificate of incorporation does not provide a specified maximum redemption threshold, except that GHV will not redeem its Public Shares in an amount that would result in GHV's failure to have net tangible assets in excess of \$5,000,000 (such that GHV is not subject to the SEC's "penny stock" rules). In addition, the Business Combination Agreement provides for the Minimum Cash Closing Conditions. As a result, GHV may be able to complete the Merger even though a substantial portion of its Public Stockholders do not agree with the transaction and have redeemed their shares or have entered into privately negotiated agreements to sell their shares to GHV's

Sponsor, directors or officers or their affiliates. As of the date of this proxy statement/prospectus, no agreements with respect to the private purchase of Public Shares by GHV or the persons described above have been entered into with any such investor or holder. GHV will file a Current Report on Form 8-K with the SEC to disclose private arrangements entered into or significant private purchases made by any of the aforementioned persons that would affect the vote on the Merger Proposal or other proposals (as described in this proxy statement) at the Special Meeting.

If you or a "group" of stockholders of which you are a part are deemed to hold an aggregate of more than 20% of the GHV Class A Common Stock issued in the IPO, you (or, if a member of such a group, all of the members of such group in the aggregate) will lose the ability to redeem all such shares in excess of 20% of the GHV Class A Common Stock issued in the IPO.

A Public Stockholder, together with any of his, her or its affiliates or any other person with whom it is acting in concert or as a "group" (as defined under Section 13 of the Exchange Act), will be restricted from redeeming in the aggregate his, her or its shares or, if part of such a group, the group's shares, in excess of 20% of the shares of GHV Class A Common Stock included in the GHV Units sold in the IPO. In order to determine whether a stockholder is acting in concert or as a group with another stockholder, GHV will require each Public Stockholder seeking to exercise redemption rights to certify to GHV whether such stockholder is acting in concert or as a group with any other stockholder. Such certifications, together with other public information relating to stock ownership available to GHV at that time, such as Section 13D, Section 13G and Section 16 filings under the Exchange Act, will be the sole basis on which GHV makes the above-referenced determination. Your inability to redeem any such excess shares will reduce your influence over GHV's ability to consummate the Merger and you could suffer a material loss on your investment in GHV if you sell such excess shares in open market transactions. Additionally, you will not receive redemption distributions with respect to such excess shares if GHV consummates the Merger. As a result, you will continue to hold that number of shares aggregating to more than 20% of the shares sold in the IPO and, in order to dispose of such excess shares, would be required to sell your stock in open market transactions, potentially at a loss. GHV cannot assure you that the value of such excess shares will appreciate over time following the Merger or that the market price of the GHV Class A Common Stock will exceed the per-share redemption price. Notwithstanding the foregoing, stockholders may challenge GHV's determination as to whether a stockholder is acting in concert or as a group with another stockholder in a court of competent jurisdiction.

However, GHV's stockholders' ability to vote all of their shares (including such excess shares) for or against the Merger Proposal is not restricted by this limitation on redemption.

There is no guarantee that a stockholder's decision whether to redeem its shares for a pro rata portion of the Trust Account will put the stockholder in a better future economic position.

GHV can give no assurance as to the price at which a stockholder may be able to sell its Public Shares in the future following the completion of the Merger or any alternative business combination. Certain events following the consummation of any initial business combination, including the Merger, may cause an increase in GHV's share price, and may result in a lower value realized now than a stockholder of GHV might realize in the future had the stockholder not redeemed its shares. Similarly, if a stockholder does not redeem its shares, the stockholder will bear the risk of ownership of the Public Shares after the consummation of any initial business combination, and there can be no assurance that a stockholder can sell its shares in the future for a greater amount than the redemption price set forth in this proxy statement/prospectus. A stockholder should consult the stockholder's own tax and/or financial advisor for assistance on how this may affect his, her or its individual situation.

Stockholders of GHV who wish to redeem their shares for a pro rata portion of the Trust Account must comply with specific requirements for redemption that may make it more difficult for them to exercise their redemption rights prior to the deadline. If stockholders fail to comply with the redemption requirements specified in this proxy statement, they will not be entitled to redeem their shares of the GHV Class A Common Stock for a pro rata portion of the funds held in the Trust Account.

Public Stockholders who wish to redeem their shares for a pro rata portion of the Trust Account must, among other things (i) submit a request in writing and (ii) tender their certificates to GHV's transfer agent or deliver their shares to the transfer agent electronically through the DWAC system at least two business days prior to the Special Meeting. In order to obtain a physical stock certificate, a stockholder's broker and/or clearing broker, DTC and GHV's transfer agent will need to act to facilitate this request. It is GHV's understanding that stockholders should generally allot at least two weeks to obtain physical certificates from the transfer agent. However, because GHV does not have any control over this process or over the brokers, which it refers to as "DTC," it may take significantly longer than two weeks to obtain a physical stock certificate. If it takes longer than anticipated to obtain a physical certificate, stockholders who wish to redeem their shares may be unable to obtain physical certificates by the deadline for exercising their redemption rights and thus will be unable to redeem their shares.

Stockholders electing to redeem their shares will receive their pro rata portion of the Trust Account less Regulatory Withdrawals and franchise and income taxes payable, calculated as of two business days prior to the anticipated consummation of the Merger. Please see the section entitled "*Special Meeting in Lieu of 2021 Annual Meeting of Company Stockholders—Redemption Rights*" for additional information on how to exercise your redemption rights.

If a stockholder fails to receive notice of GHV's offer to redeem the Public Shares in connection with the Merger, or fails to comply with the procedures for tendering its shares, such shares may not be redeemed.

If, despite GHV's compliance with the proxy rules, a stockholder fails to receive GHV's proxy materials, such stockholder may not become aware of the opportunity to redeem its shares. In addition, the proxy materials that GHV is furnishing to holders of the Public Shares in connection with the Merger describes the various procedures that must be complied with in order to validly redeem Public Shares. In the event that a stockholder fails to comply with these procedures, its shares may not be redeemed.

Risks Related to U.S. Tax

There may be tax consequences of the Merger that may adversely affect holders of GHV Common Stock or GHV Warrants.

Although the matter is not free from doubt, the exchange of GHV Common Stock for AMPSA Shares pursuant to the Merger generally is expected to qualify as a tax-free exchange for U.S. federal income tax purposes and AMPSA expects to receive the Tax Opinion to that effect. To the extent the Merger does not so qualify, then a GHV stockholder that is a U.S. holder would generally recognize gain, if any, in an amount equal to the excess of (i) the fair market value of the AMPSA Shares (and, if such U.S. holder is also surrendering GHV Warrants, AMPSA Warrants) received over (ii) such U.S. holder's adjusted tax basis in such GHV Common Stock (and GHV Warrants, if any). In addition, while not free from doubt, GHV and AMPSA intend to report the exchange of GHV Warrants for AMPSA Warrants as not qualifying as part of a "reorganization" within the meaning of Section 368 of the Code. If such exchange does not qualify as part of such a reorganization, then a U.S. holder of GHV Warrants could be required to recognize gain in respect of the exchange. See the section titled "*Material U.S. Federal Income Tax Considerations.*"

The IRS may not agree that AMPSA (i) should be treated as a non-U.S. corporation for U.S. federal income tax purposes and (ii) should not be treated as a "surrogate foreign corporation" for U.S. federal income tax purposes.

A corporation generally is considered to be a tax resident for U.S. federal income tax purposes in the jurisdiction of its organization or incorporation. Accordingly, under the generally applicable U.S. federal income tax rules, AMPSA, which is incorporated under the laws of Luxembourg, would be classified as a non-U.S. corporation (and, therefore, not a U.S. tax resident) for U.S. federal income tax purposes. Section 7874 of the Code provides an exception to this general rule under which a non-U.S. incorporated entity may, in certain circumstances, be treated as a U.S. corporation for U.S. federal income tax purposes. If AMPSA were to be treated as a U.S. corporation for U.S. federal income tax purposes, it could be subject to substantial liability for additional U.S. income taxes, and the gross amount of any dividend payments to its non-U.S. holders could be subject to U.S. withholding tax. In addition, even if AMPSA is not treated as a U.S. corporation, it may be subject to unfavorable treatment as a "surrogate foreign corporation" in the event that ownership attributable to former GHV stockholders exceeds a threshold amount. If it were determined that AMPSA is treated as a surrogate foreign corporation for U.S. federal income tax purposes under Section 7874 of the Code and the Treasury regulations promulgated thereunder, dividends by AMPSA would not qualify for "qualified dividend income" treatment, and U.S. affiliates of AMPSA after the completion of the Merger could be subject to increased taxation under the inversion gain rules and Section 59A of the Code.

Both GHV and AMPSA do not currently expect AMPSA to be treated as a U.S. corporation for U.S. federal income tax purposes or otherwise be subject to unfavorable treatment as a surrogate foreign corporation for U.S. federal income tax purposes. However, the rules for determining ownership under Section 7874 must be finally determined after completion of the Merger, by which time there could be adverse changes to the relevant facts and circumstances or adverse rule changes. In addition, the rules for determining ownership under Section 7874 are complex and unclear. For additional discussion of the U.S. federal income tax treatment of AMPSA, see the section titled "*Material U.S. Federal Income Tax Considerations—U.S. Federal Income Tax Treatment of AMPSA.*"

The IRS may take the position that Section 367(a) of the Code requires a U.S. holder to recognize gain (but not loss) with respect to the exchange of GHV Common Stock for AMPSA Shares pursuant to the Merger.

Section 367(a) of the Code generally requires a U.S. holder of stock in a U.S. corporation to recognize gain (but not loss) when such stock is exchanged for stock of a non-U.S. corporation in an exchange that would otherwise qualify for nonrecognition treatment, unless certain conditions are met. It is currently expected that these conditions will be met and AMPSA does not expect Section 367(a) to apply with respect to the exchange of GHV Common Stock for AMPSA Shares by any stockholder who is not a "five-percent transferee shareholder" of AMPSA and AMPSA expects to receive the Tax Opinion to that effect. However, U.S. holders are cautioned that the potential application of Section 367(a) of the Code to the Merger is complex and depends on factors that cannot be determined until the closing of the Merger and the interpretation of legal authorities and facts relating to the Business Combination. U.S. holders should consult with their own tax advisors regarding the potential application of Section 367(a) of the Code in their particular situation. For additional discussion of material U.S. federal income tax considerations of the Merger, see the section titled "*Material U.S. Federal Income Tax Considerations.*"

If AMPSA were a passive foreign investment company for U.S. federal income tax purposes for any taxable year, U.S. holders of AMPSA Shares or AMPSA Warrants could be subject to adverse U.S. federal income tax consequences.

If AMPSA is or becomes a "passive foreign investment company," or a PFIC, within the meaning of Section 1297 of the Code for any taxable year during which a U.S. holder holds AMPSA Shares or

AMPSA Warrants, certain adverse U.S. federal income tax consequences may apply to such U.S. holder. PFIC status depends on the composition of a company's income and assets and the fair market value of its assets from time to time, as well as on the application of complex statutory and regulatory rules that are subject to potentially varying or changing interpretations. Based on the projected composition of AMPSA's income and assets, including goodwill, AMPSA is not expected to be a PFIC for U.S. federal income tax purposes in 2021 or in the foreseeable future. There can be no assurance that AMPSA will not be treated as a PFIC for any taxable year.

If AMPSA were treated as a PFIC, a U.S. holder of AMPSA Shares or AMPSA Warrants may be subject to adverse U.S. federal income tax consequences, such as taxation at the highest marginal ordinary income tax rates on capital gains and on certain actual or deemed distributions, interest charges on certain taxes treated as deferred, and additional reporting requirements. A mark-to-market election may be available to U.S. holders of AMPSA Shares to mitigate some of the adverse tax consequences resulting from PFIC treatment, but U.S. holders will not be able to make similar elections with respect to the AMPSA Warrants. See "*Material U.S. Federal Income Tax Considerations—U.S. Holders—Passive Foreign Investment Company Rules.*"

UNAUDITED PRO FORMA CONDENSED COMBINED FINANCIAL INFORMATION

Introduction

The following unaudited pro forma condensed combined financial information is being provided to aid you in your analysis of the financial aspects of the Business Combination and related transactions. The following unaudited pro forma condensed combined financial information has been prepared in accordance with Article 11 of Regulation S-X.

Description of the Business Combination

On February 22, 2021, GHV, AMPSA, AGSA and MergeCo entered into the Business Combination Agreement, which contains customary representations and warranties, covenants, closing conditions, termination provisions and other terms relating to the transactions contemplated thereby.

For more information about the Business Combination, please see the sections entitled "*The Business Combination*" and "*The Business Combination Agreement*."

Accounting Treatment of the Business Combination

As the first step within the Business Combination, AGSA will undertake the Pre-Closing Restructuring which will be accounted for as a capital reorganization whereby AGSA will effect a series of transactions that will result in among other things, (a) the AMP Business being wholly owned by AMPSA and (b) any assets and liabilities relating to the business of AGSA (other than the AMP Business) that are held by the AMP Entities being transferred to subsidiaries of AGSA that are not the AMP Entities, and assets and liabilities relating to the AMP Business that are held by subsidiaries of AGSA (other than the AMP Entities) being transferred to the AMP Entities. These transactions are accounted for as a capital reorganization as, prior to the Pre-Closing Restructuring, AMPSA does not meet the definition of a business under IFRS 3 (Business Combination). Under a capital reorganization, the consolidated financial statements of AMPSA reflect the net assets transferred at pre-combination predecessor book values. Following this first step, AMPSA will continue to be a wholly owned subsidiary of AGSA.

The capital reorganization will be followed at closing by a Merger whereby MergeCo (a wholly owned subsidiary of AMPSA) will merge with and into GHV, with GHV being the surviving corporation as a wholly owned subsidiary of AMPSA. This Merger transaction will be accounted for within the scope of IFRS 2 (Share-based Payment). Under this method of accounting, there is no acquisition accounting and no recognition of goodwill, as GHV is not considered a business as defined by IFRS 3 (Business Combinations) given it consists predominantly of cash in the Trust Account. Under this method of accounting, GHV will be treated as the "acquired" company for financial reporting purposes. In order to reach this conclusion, the following factors were also taken into consideration: (i) the business will comprise the ongoing operations of AMPSA; (ii) senior management will comprise the senior management of AMPSA; and (iii) the pre-Business Combination shareholders of AMPSA will have the largest ownership of AMPSA and the right to appoint the highest number of board members relative to other shareholders.

In accordance with IFRS 2, the difference in the fair value of the consideration, i.e. shares and warrants issued by AMPSA, for the acquisition of GHV over the fair value of the identifiable net assets of GHV will represent a service for listing of AMPSA and be accounted for as a share-based payment expense. The consideration for the acquisition of GHV was determined using the closing price of GHV's publicly traded GHV Class A Common Stock and the Public Warrants traded on Nasdaq under the ticker symbols "GRSV" and "GRSVW" as of March 3, 2021.

Basis of Pro Forma Presentation

The unaudited pro forma condensed combined statement of financial position as of December 31, 2020, gives pro forma effect to the Business Combination as if it had been consummated as of that date. The unaudited pro forma condensed combined income statement for the twelve months ended December 31, 2020, give pro forma effect to the Business Combination as if it had occurred as of January 1, 2020. This information should be read in conjunction with the AMP Business's audited combined financial statements and GHV's audited financial statements, respectively, and related notes, "*AMPSA Management's Discussion and Analysis of Financial Condition and Results of Operation*," "*GHV's Management's Discussion and Analysis of Financial Condition and Results of Operation*," "*Selected Historical Combined Financial and Other Data of the AMP Business*," "*Selected Historical Financial Data of GHV*," "*The Business Combination*," and other financial information included elsewhere in this proxy statement/prospectus.

The unaudited pro forma condensed combined statement of financial position as of December 31, 2020 has been prepared using the following:

AMP Business's historical audited combined statement of financial position as of December 31, 2020, as included elsewhere in this proxy statement/prospectus; and

GHV's historical audited balance sheet as of December 31, 2020, as included elsewhere in this proxy statement/prospectus.

The unaudited pro forma condensed combined income statement for the twelve months ended December 31, 2020 has been prepared using the following:

AMP Business's historical audited combined income statement for the twelve months ended December 31, 2020, as included elsewhere in this proxy statement/prospectus; and

GHV's historical audited statement of operations for the period from June 25, 2020 (inception) to December 31, 2020, as included elsewhere in this proxy statement/prospectus.

The unaudited pro forma condensed combined financial information has been prepared, assuming two redemption scenarios as follows:

No Redemptions: This presentation provides that no shares of GHV Class A Common Stock are redeemed by the Public Stockholders in connection with the Merger.

Maximum Redemptions: This presentation provides that 52,000,019 shares of GHV Class A Common Stock are redeemed for a per share redemption price of \$10.00 and an aggregate redemption payment of \$520,020,565. This redemption price assumes \$525,020,571 in the GHV Trust Account (as of December 31, 2020), divided by all 52,500,000 shares of Class A Common Stock, but takes into account GHV's obligation not to redeem shares in an amount that would result in GHV's failure to have net tangible assets exceeding \$5,000,000. Because the GHV Sponsor Backstop is a commitment to subscribe for up to 9.5 million AMPSA Shares at a price per share of \$10.00, this presentation reflects the possibility that, subject to GHV retaining net tangible assets with a value exceeding \$5,000,000, all of the outstanding shares of GHV Class A Common Stock are redeemed.

The unaudited pro forma condensed combined financial information has been presented for informational purposes only and is not necessarily indicative of what the AMPSA's actual financial position or results of operations would have been had the Business Combination been completed as of the dates indicated. In addition, the unaudited pro forma condensed combined financial information does not purport to project the future financial position or operating results of AMPSA following the Business Combination. The unaudited pro forma adjustments are based on information currently available as of the date of these unaudited pro forma condensed combined financial statements and are

subject to change as additional information becomes available and analyses are performed. The assumptions and estimates underlying the unaudited pro forma adjustments are described in the accompanying notes. **Actual results may differ materially from the assumptions used, including in respect of the matters further described in notes 14 and 15, to present the unaudited pro forma condensed combined financial information. Actual amounts as of the date of the consummation of the Business Combination might differ from the pro forma amounts presented below in the unaudited pro forma condensed statement of financial position below as of December 31, 2020, primarily as a result of 1) the timing of our investment in working capital which typically peak in the first quarter as a result of the seasonal demand pattern of beverage consumption, which generally peaks during the late spring and summer months and in the period prior to the winter holiday season, and 2) the timing of cash outflows in respect of capital expenditures including in relation to the announced business growth investment program.**

GHV Historical Presentation

1) The historical financial information of GHV was prepared in accordance with U.S. GAAP.

1a) Represents Preferred stock, \$0.0001 par value; 1,000,000 shares authorized, none issued or outstanding.

1b) Represents GHV Class A Common Stock, \$0.0001 par value; 400,000,000 shares authorized, 2,268,941 shares issued and outstanding (excluding 50,231,059 shares subject to possible redemption) at December 31, 2020.

1c) Represents GHV Class F Common Stock, \$0.0001 par value; 40,000,000 shares authorized, 13,125,000 shares issued and outstanding at December 31, 2020.

IFRS Conversion and Reclassification Adjustments

2) Reflects the reclassification adjustments to align GHV's historical financial statement balances prepared in accordance with U.S. GAAP with the presentation of AMP's financial statements prepared in accordance with IFRS.

3) Reflects the U.S. GAAP to IFRS conversion adjustment related to the reclassification of GHV's historical mezzanine equity (Class A common stock, 50,231,059 shares at December 31, 2020 (at redemption value of \$10.00 per share), subject to possible redemption) into borrowings within non-current liabilities.

Transaction Accounting Adjustments (Assuming No Redemption)

4) Reflects the proceeds from the Notes Offering net of deferred financing fees. The proceeds of the Euro notes issued thereby have been translated to USD using the December 31, 2020 spot exchange rate of \$1.227, used to prepare the combined statement of financial position.

- 5) Reflects the execution of the Pre-Closing Restructuring, with AGSA receiving the following consideration: 484,956,250 shares in AMPSA with a value of \$4,850 million at a price per share of \$10.00, reflected in issued capital at a par value of €0.01 and the remainder in share premium, a cash payment of \$2,315 million equivalent and a promissory note issued by AMPSA in the amount of \$1,085 million (the "AMPSA Promissory Note"). As part of the transfer, historical related-party debt of \$2,690 million with AGSA is settled, of which \$2,030 million is reflected as a non-cash capital contribution, reflected in other reserves, and the remaining \$660 million to be settled as part of the AMPSA Promissory Note. Following the transfers, the AMPSA Group will carry-forward the pre-combination predecessor book values of those acquired net assets and the liabilities assumed. The difference between the consideration paid for the acquired net assets and the liabilities assumed as recorded in AMPSA's consolidated financial statements is recognized in other reserves. In addition AGSA has the right to receive, upon the achievement of certain performance measures, the Earnout Shares. See footnote 14 for further details.
- 6) Reflects a reclassification adjustment to align the components of invested capital in the combined financial statements of the AMP business prepared on a carve-out basis from the consolidated financial statements of Ardagh Group S.A. with the presentation of the equity section within AMPSA's consolidated financial statements.
- 7) Represents non-recurring costs incurred in conjunction with the Pre-Closing Restructuring.
- 8) Reflects the release of cash held in the Trust Account that becomes available in connection with the Business Combination and, as a result, is classified as cash and cash equivalents.
- 9) Reflects the issuance of shares in AMPSA in exchange for \$502 million of GHV Class A Common Stock subject to possible redemption as well as in total \$5 million of GHV's historically reported components of stockholders' equity, in total reflected as an increase within issued capital at the par value of €0.01 and the remainder being an increase in share premium.
- 10) Reflects the cash proceeds from the Subscribers that have committed to participate in the Business Combination by purchasing 60 million of AMPSA Shares in a private placement for an aggregate purchase price of \$600 million reflected as an increase within issued capital at the par value of €0.01 per share with the remainder being an increase in share premium.
- 11) Reflects the cash settlement of the AMPSA Promissory Note referred to in footnote 5 above.
- 12) Reflects the incurrence and settlement in cash of non-recurring transaction cost incurred by GHV and Ardagh and not accrued at December 31, 2020 including, but not limited to, advisory fees, legal fees, and registration fees, as those transaction costs need to be refunded to GHV and AGSA upon the consummation of the Business Combination.
- 13) Reflects the cash settlement of GHV's deferred underwriting compensation incurred as part of GHV's initial public offering on August 10, 2020, expected to be paid upon consummation of the Business Combination.
- 14) As described in footnote 5 and as further detailed in "*The Business Combination Agreement—Consideration to be Received in the Business Combination*" and Section 3.6 of the Business Combination Agreement, Ardagh has a contingent right to receive, as a component of the AGSA Consideration, up to 60.73 million Earnout Shares. The Earnout Shares are issuable by AMPSA to AGSA subject to attainment of certain stock price hurdles over a five-year period from the 180th

day following the closing of the Merger. In accordance with IAS 32 (Financial Instruments–Presentation), the arrangement has been assessed to determine whether the Earnout Shares represent a liability or an equity instrument. As the arrangement may result in AMPSA issuing a variable number of shares in the future, albeit capped at a total of 60.73 million shares, the Earnout Shares have, in accordance with the requirements of IAS 32, been recognized as a financial liability measured at fair value in the unaudited condensed combined pro forma statement of financial position. A preliminary valuation assessment was performed for the purpose of determining an estimate of the financial liability using a Monte Carlo simulation using key assumptions for: volatility; risk-free rate; and beginning AMPSA share price. The preliminarily estimated valuation of the liability as of December 31, 2020 was approximately \$0.28 billion with the corresponding charge being directly reflected in other reserves. An increase or decrease in volatility of 5% would result in an increase or decrease in the liability of approximately \$0.05 billion.

- 15) The Merger is accounted for under IFRS 2. The difference in the estimated fair value of equity instruments, i.e. shares and warrants issued by AMPSA, over the fair value of identifiable net assets of GHV represents a service for listing of the AMPSA shares and is accounted for as a share based payment expense in accordance with IFRS 2. The cost of the service, which is a non-cash and non-recurring expense, is preliminarily estimated to be \$146 million, based on GHV market price of \$10.13 per share and \$1.28 per warrant as of March 3, 2021.

Transaction Accounting Adjustments (Assuming Maximum Redemption)

- 16) Reflects the withdrawal of funds from the Trust Account assuming that GHV stockholders exercise their redemption rights with respect to 52,000,019 shares of GHV Class A Common Stock upon consummation of the Merger. This represents the approximate maximum number of shares that can be redeemed in compliance with GHV's current certificate of incorporation prohibiting GHV from redeeming shares of GHV Class A Common Stock in an amount that would result in GHV's failure to have net tangible assets exceeding \$5,000,000. The maximum redemption would result in a reduction of \$520 million in cash and cash equivalents and a corresponding reduction in issued capital at the par value per share of €0.01 with the remainder being a reduction in share premium.
- 17) Reflects the cash proceeds from the Sponsor, who has committed in the Sponsor's Subscription Agreement to purchase 9.5 million AMPSA Shares in the Maximum Redemption Scenario, for an aggregate purchase price of \$95 million, which is reflected as an increase within issued capital at the par value of €0.01 per share with the remainder being an increase in share premium.
- 18) Reflects that \$385 million of the consideration payable to AGSA at the Closing is paid by the issuance to AGSA of additional AMPSA Shares as a result of the Maximum Redemption Scenario. This amount represents the value of the additional 38.5 million of shares in AMPSA that would be issued to AGSA at \$10.00 per share in settlement of the promissory note, with a corresponding increase in issued capital at the par value per share of €0.01 and the remainder being an increase in share premium.
- 19) This adjustment reflects the impact of the Maximum Redemption Scenario on the preliminarily estimated IFRS 2 charge described in footnote 15. The adjustment reflects the reduction in the number of shares in AMPSA to be issued in consideration for the net assets of GHV. The adjustment to the GHV net asset value reflects the reduction in the Trust Account. The combined effect is an approximate \$7 million reduction to \$139 million, in the non-cash and non-recurring preliminarily estimated expense as compared to the No Redemption Scenario.

Proposals at the Special Meeting

At the Special Meeting, Company stockholders will vote on the following proposals:

Merger Proposal—To adopt the Business Combination Agreement and approve the Merger (Proposal No. 1);

Governance Proposal—To consider and vote upon a separate proposal with respect to certain governance provisions in AMPSA's articles of association, which are being separately presented in accordance with SEC requirements and which will be voted upon on a non-binding advisory basis (Proposal No. 2); and

Adjournment Proposal—To consider and vote upon a proposal to approve the adjournment of the Special Meeting to a later date or dates, (A) to ensure that any supplement or amendment to this proxy statement/prospectus that the Board has determined in good faith is required by applicable law to be disclosed to Company stockholders and for such supplement or amendment to be promptly disseminated to Company stockholders prior to the Special Meeting, (B) if, as of the time for which the Special meeting is originally scheduled, there are insufficient shares of GHV Common Stock represented (either in person or by proxy) to constitute a quorum necessary to conduct business at the Special Meeting or (C) to permit further solicitation and vote of proxies in the event that there are insufficient votes for, or otherwise in connection with, the approval of the Merger Proposal. This proposal will only be presented at the Special Meeting if there are not sufficient votes to approve the Merger Proposal (Proposal No. 3).

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" EACH OF THESE PROPOSALS.

Vote of the Company's Sponsor, Directors and Officers

Prior to our IPO, we entered into agreements with our Initial Stockholders, other current directors and officers, pursuant to which each agreed to vote any shares of GHV Common Stock owned by them in favor of an initial business combination. These agreements apply to our Initial Stockholders, including our Sponsor, as it relates to the GHV Founder Shares and the requirement to vote all of the GHV Founder Shares in favor of the Merger Proposal and for all other proposals to be presented to our stockholders at the Special Meeting and described in this proxy statement/prospectus.

Our Initial Stockholders, other current directors and officers have waived any redemption rights, including with respect to shares of GHV Class A Common Stock purchased in our IPO or in the aftermarket, in connection with the Merger. The GHV Founder Shares held by our Initial Stockholders have no redemption rights upon our liquidation and will be worthless if no business combination is effected by us by August 10, 2022. However, our Initial Stockholders are entitled to redemption rights upon our liquidation with respect to any Public Shares they may own.

Quorum and Required Vote for Proposals for the Special Meeting

A quorum of Company stockholders is necessary to hold a valid meeting. A quorum will be present at the Special Meeting if a majority of the Company's GHV Common Stock outstanding on the record date and entitled to vote at the Special Meeting is represented in person or by proxy. Abstentions will count as present for the purposes of establishing a quorum.

The approval of the Merger Proposal requires the affirmative vote of a majority of the outstanding shares of GHV Common Stock entitled to vote at the Special Meeting. Accordingly, a Company stockholder's failure to vote by proxy or to vote in person at the Special Meeting, as well as an abstention from voting and a broker non-vote will have the same effect as a vote "AGAINST" the Merger Proposal. Our Initial Stockholders have agreed to vote their shares of GHV Common Stock in favor of the Merger Proposal.

The Governance Proposal, which is a non-binding advisory vote, and the Adjournment Proposal require the affirmative vote of a majority of the votes cast by holders of our outstanding shares of GHV Common Stock represented in person or by proxy and entitled to vote at the Special Meeting. Accordingly, a Company stockholder's failure to vote by proxy or to vote in person at the Special Meeting, as well as an abstention from voting and a broker non-vote will have no effect on the Governance Proposal and the Adjournment proposal.

The Merger is conditioned on the approval of the Merger Proposal at the Special Meeting. The Governance Proposal and the Adjournment Proposal are not conditioned on the approval of any other proposal set forth in this proxy statement/prospectus.

It is important for you to note that in the event that the Merger Proposal does not receive the requisite vote for approval, we will not consummate the Merger. If we do not consummate the Merger and fail to complete an initial business combination by August 10, 2022, we will be required to dissolve and liquidate our Trust Account by returning the then remaining funds in such account to our Public Stockholders.

Recommendation to Company Stockholders

Our Board believes that the Merger Proposal, the Governance Proposal and the Adjournment Proposal to be presented at the Special Meeting are in the best interests of the Company and our stockholders and unanimously recommends that its stockholders vote "FOR" each of the proposals.

In considering the recommendation of our Board to vote in favor of the Merger Proposal, stockholders should be aware that aside from their interests as stockholders, our Sponsor and certain members of our Board and officers have interests in the Business Combination that are different from, or in addition to, those of other stockholders generally. Our Board was aware of and considered these interests, among other matters, in evaluating and negotiating the Business Combination, and in recommending to stockholders that they approve the Merger Proposal. Stockholders should take these interests into account in deciding whether to approve the Merger Proposal.

These interests include, among other things:

the fact that the Initial Stockholders have agreed not to redeem any of the GHV Founder Shares in connection with a stockholder vote to approve a proposed initial business combination;

the fact that the GHV Sponsor paid an aggregate of \$25,000 for the GHV Founder Shares that will be exchanged for AMPSA Shares at the Merger Effective Time, and which AMPSA Shares would, if unrestricted and freely tradable, have a value of approximately \$98 million at the Merger Effective Time (based on per share price of \$10), but given the restrictions on such AMPSA Shares pursuant to the Registration Rights and Lock-Up Agreement, GHV believes such AMPSA Shares have less value;

the fact that the Initial Stockholders have agreed to waive their rights to liquidating distributions from the Trust Account with respect to their GHV Founder Shares if GHV fails to complete an initial business combination by August 10, 2022;

the fact that the GHV Sponsor paid an aggregate of approximately \$12,500,000 for its 6,250,000 Private Placement Warrants to purchase shares of GHV Class A Common Stock, and that such Private Placement Warrants will expire and become worthless if a business combination is not consummated by August 10, 2022;

if the Trust Account is liquidated, including in the event GHV is unable to complete an initial business combination within the required time period, the GHV Sponsor has agreed to indemnify GHV to ensure that the proceeds in the Trust Account are not reduced below \$10.00 per public share, or such lesser per public share amount as is in the Trust Account on the liquidation date, by the claims of prospective target businesses with which GHV has entered into an acquisition agreement or claims of any third party (other than its independent public accountants) for services rendered or products sold to GHV, but only if such a vendor or target business has not executed a waiver of any and all rights to seek access to the Trust Account;

the continued indemnification of GHV's existing directors and officers and the purchase of a tail policy with respect to GHV's directors' and officers' existing liability insurance;

the fact that the GHV Sponsor, officers and directors will lose their entire investment in GHV and will not be reimbursed for any out-of-pocket expenses if GHV does not consummate an initial business combination by August 10, 2022;

the fact that the GHV Sponsor has the right to nominate two independent directors to AMPSA's board of directors as of the Closing;

that, at the closing of the Merger, GHV will enter into the Registration Rights and Lock-Up Agreement, which provides for registration rights to the holders of AMPSA Shares that are parties thereto and their permitted transferees;

the fact that the GHV Sponsor and members of the GHV Board and management would hold the following number of shares in AMPSA at the Closing:

<u>Name of Person/Entity</u>	<u>Number of AMPSA Shares</u>	<u>Value of AMPSA Shares(1)</u>
Gores Sponsor V LLC		\$
Alec E. Gores		\$
Mark R. Stone		\$
Andrew McBride		\$
Randall Bort		\$
William Patton		\$
Jeffrey Rea		\$

(1) Based on a per share price of \$10.00.

the fact that the GHV Sponsor has entered into a Subscription Agreement with AMPSA and GHV, pursuant to which the GHV Sponsor has committed to purchase 2.5 million AMPSA Shares in the PIPE for an aggregate commitment of approximately \$25 million, provided that the GHV Sponsor has the right to syndicate the AMPSA Shares purchased under such Subscription Agreement in advance of the Closing;

that an affiliate of the GHV Sponsor, Mr. Alec E. Gores, has committed to purchase AMPSA Shares in the PIPE for an aggregate commitment of approximately \$ in connection with the syndication by the GHV Sponsor of its portion of the PIPE; and

the fact that the GHV Sponsor has committed to acquire up to 9.5 million AMPSA Shares at a per share price of \$10.00 in the event that there are redemptions from the Trust Account that are in excess of \$1 million.

Abstentions and Broker Non-Votes

Abstentions are considered present for the purposes of establishing a quorum. Abstentions will have the same effect as a vote "AGAINST" the Merger Proposal but will have no effect on the Governance Proposal and the Adjournment Proposal.

In general, if your shares are held in "street" name and you do not instruct your broker, bank or other nominee on a timely basis on how to vote your shares, your broker, bank or other nominee, in its sole discretion, may either leave your shares unvoted or vote your shares on routine matters, but not on any non-routine matters. **None of the proposals at the Special Meeting are routine matters. As such, without your voting instructions, your brokerage firm cannot vote your shares on any proposal to be voted on at the Special Meeting.**

Voting Your Shares—Stockholders of Record

If you are a Company stockholder of record, you may vote by mail or you can attend the Special Meeting in person via the virtual meeting platform and vote during the meeting by following the instructions on your proxy card. Each share of GHV Common Stock that you own in your name entitles you to one vote on each of the proposals for the Special Meeting. Your one or more proxy cards show the number of shares of GHV Common Stock that you own.

Voting by Mail. You can vote your shares by completing, signing, dating and returning the enclosed proxy card in the postage-paid envelope provided. By signing the proxy card and returning it in the enclosed prepaid and addressed envelope, you are authorizing the individuals named on the proxy card to vote your shares at the Special Meeting in the manner you indicate. We encourage you to sign and return the proxy card even if you plan to attend the Special Meeting so that your shares will be voted if you are unable to attend the Special Meeting. If you receive more than one proxy card, it is an indication that your shares are held in multiple accounts. Please sign and return all proxy cards to ensure that all of your shares are voted. If you sign and return the proxy card but do not give instructions on how to vote your shares, your shares of GHV Common Stock will be voted as recommended by our Board. Our Board recommends voting "**FOR**" the Merger Proposal, "**FOR**" the Governance Proposal and "**FOR**" the Adjournment Proposal. Votes submitted by mail must be received by 9:00 a.m. Eastern Time on _____, 2021.

Voting via the Virtual Meeting Platform. You can attend the Special Meeting in person via the virtual meeting platform and vote during the meeting by following the instructions on your proxy card. You can access the Special Meeting by visiting the website _____. You will need your control number for access. If you do not have a control number, please contact the transfer agent. Instructions on how to attend and participate at the Special Meeting are available at _____. If you hold your shares in "street name," which means your shares are held of record by a broker, bank or other nominee, you should follow the instructions provided by your broker, bank or nominee to ensure that votes related to the shares you beneficially own are properly counted. In this regard, you must provide the record holder of your shares with instructions on how to vote your shares. However, if your shares are held in the name of your broker, bank or other nominee, you must get a proxy from the broker, bank or other nominee. That is the only way we can be sure that the broker, bank or nominee has not already voted your shares of GHV Common Stock.

Voting Your Shares—Beneficial Owners

If your shares are held in an account at a brokerage firm, bank or other nominee, then you are the beneficial owner of shares held in "street name" and this proxy statement/prospectus is being sent to you by that broker, bank or other nominee. The broker, bank or other nominee holding your account is considered to be the stockholder of record for purposes of voting at the Special Meeting. As a beneficial owner, you have the right to direct your broker, bank or other nominee regarding how to vote the shares in your account by following the instructions that the broker, bank or other nominee provides you along with this proxy statement. As a beneficial owner, if you wish to vote at the Special Meeting, you must get a proxy from your broker, bank or other nominee. That is the only way we can be sure that the broker, bank or nominee has not already voted your shares of GHV Common Stock. Please see the section entitled "*Attending the Special Meeting*" below for more details.

Redemption Rights

Pursuant to our current certificate of incorporation, any holders of our Public Shares may demand that such shares be redeemed in exchange for a pro rata share of the aggregate amount on deposit in the Trust Account, less Regulatory Withdrawals and franchise and income taxes payable, calculated as of two business days prior to the consummation of the Merger. If demand is properly made and the Merger is consummated, these shares, immediately prior to the Merger, will cease to be outstanding and will represent only the right to receive a pro rata share of the aggregate amount on deposit in the Trust Account which holds the proceeds of our IPO (calculated as of two business days prior to the consummation of the Merger, less Regulatory Withdrawals and franchise and income taxes payable). For illustrative purposes, based on the balance of our Trust Account of \$525,020,571 as of December 31, 2020, the estimated per share redemption price would have been approximately \$10.00.

In order to exercise your redemption rights, you must:

if you hold GHV Units, separate the underlying Public Shares and Public Warrants;

check the box on the enclosed proxy card marked "Stockholder Certification" if you are not acting in concert or as a "group" (as defined in Section 13d-3 of the Exchange Act) with any other stockholder with respect to shares of GHV Common Stock and

prior to 5:00 p.m. Eastern Time on _____, 2021 (two business days before the Special Meeting), tender your shares physically or electronically and submit a request in writing that we

redeem your Public Shares for cash to Continental Stock Transfer & Trust Company, our transfer agent, at the following address:

Continental Stock Transfer & Trust Company
1 State Street 30th Floor
New York, New York 10004
Attention: Mark Zimkind
Email: mzimkind@continentalstock.com

and

deliver your Public Shares either physically or electronically through DTC's DWAC system to our transfer agent at least two business days before the Special Meeting. Stockholders seeking to exercise their redemption rights and opting to deliver physical certificates should allot sufficient time to obtain physical certificates from the transfer agent and time to effect delivery. It is our understanding that stockholders should generally allot at least two weeks to obtain physical certificates from the transfer agent. However, we do not have any control over this process and it may take longer than two weeks. Stockholders who hold their shares in street name will have to coordinate with their bank, broker or other nominee to have the shares certificated or delivered electronically. If you do not submit a written request and deliver your Public Shares as described above, your shares will not be redeemed.

Stockholders seeking to exercise their redemption rights, whether they are record holders or hold their shares in "street name" are required to either tender their certificates to our transfer agent prior to the date set forth in these proxy materials, or up to two business days prior to the vote to approve the Merger Proposal at the Special Meeting, or to deliver their shares to the transfer agent electronically using DTC's DWAC system, at such stockholder's option. ***The requirement for physical or electronic delivery prior to the Special Meeting ensures that a redeeming stockholder's election to redeem is irrevocable once the Merger Proposal is approved.***

Holders of outstanding GHV Units must separate the underlying Public Shares and Public Warrants prior to exercising redemption rights with respect to the Public Shares.

If you hold GHV Units registered in your own name, you must deliver the certificate for such GHV Units to Continental Stock Transfer & Trust Company, our transfer agent, with written instructions to separate such GHV Units into Public Shares and Public Warrants. This must be completed far enough in advance to permit the mailing of the Public Share certificates back to you so that you may then exercise your redemption rights upon the separation of the Public Shares from the GHV Units.

If a broker, dealer, commercial bank, trust company or other nominee holds your GHV Units, you must instruct such nominee to separate your GHV Units. Your nominee must send written instructions by facsimile to Continental Stock Transfer & Trust Company, our transfer agent. Such written instructions must include the number of GHV Units to be split and the nominee holding such GHV Units. Your nominee must also initiate electronically, using DTC's DWAC system, a withdrawal of the relevant units and a deposit of an equal number of Public Shares and Public Warrants. This must be completed far enough in advance to permit your nominee to exercise your redemption rights upon the separation of the Public Shares from the GHV Units. While this is typically done electronically on the same business day, you should allow at least one full business day to accomplish the separation. If you fail to cause your Public Shares to be separated in a timely manner, you will likely not be able to exercise your redemption rights.

Each redemption of shares of GHV Class A Common Stock by our Public Stockholders will reduce the amount in our Trust Account, which had a balance of \$525,020,571 as of December 31, 2020. While the Business Combination Agreement provides for the Minimum Cash Closing Conditions,

assuming the consummation of the PIPE (including, if applicable, the GHV Sponsor Backstop), we may be able to complete the Merger even though a substantial portion of our Public Stockholders do not agree with the transaction and have redeemed their shares or have entered into privately negotiated agreements to sell their shares to our Sponsor, directors or officers or their affiliates. In addition, in no event will we redeem shares of our GHV Class A Common Stock in an amount that would result in the Company's failure to have net tangible assets exceeding \$5,000,000.

Prior to exercising redemption rights, stockholders should verify the market price of our GHV Class A Common Stock as they may receive higher proceeds from the sale of their GHV Class A Common Stock in the public market than from exercising their redemption rights if the market price per share is higher than the redemption price. We cannot assure you that you will be able to sell your shares of our GHV Class A Common Stock in the open market, even if the market price per share is higher than the redemption price stated above, as there may not be sufficient liquidity in our GHV Class A Common Stock when you wish to sell your shares.

If you exercise your redemption rights, your shares of our GHV Class A Common Stock will cease to be outstanding immediately prior to the Merger and will only represent the right to receive a pro rata share of the aggregate amount on deposit in the Trust Account. You will no longer own those shares and will have no right to participate in, or have any interest in, the future growth of AMPSA, if any. You will be entitled to receive cash for these shares only if you properly and timely demand redemption.

If the Merger Proposal is not approved and we do not consummate an initial business combination by August 10, 2022, we will be required to dissolve and liquidate our Trust Account by returning the then remaining funds in such account to the Public Stockholders and our warrants will expire worthless.

Appraisal Rights

Appraisal rights are not available to holders of shares of GHV Common Stock in connection with the Merger.

Proxy Solicitation Costs

GHV is soliciting proxies on behalf of its Board. This proxy solicitation is being made by mail, but also may be made by telephone or in person. GHV has engaged Morrow to assist in the solicitation of proxies for the Special Meeting. GHV and its directors, officers and employees may also solicit proxies in person. GHV will ask banks, brokers and other institutions, nominees and fiduciaries to forward the proxy materials to their principals and to obtain their authority to execute proxies and voting instructions.

GHV will bear the entire cost of the proxy solicitation, including the preparation, assembly, printing, mailing and distribution of the proxy materials. GHV will pay Morrow a fee of \$ _____, plus disbursements, reimburse Morrow for its reasonable out-of-pocket expenses and indemnify Morrow and its affiliates against certain claims, liabilities, losses, damages and expenses for their services as our proxy solicitor. We will reimburse brokerage firms and other custodians for their reasonable out-of-pocket expenses for forwarding the proxy materials to our stockholders. Directors, officers and employees of GHV who solicit proxies will not be paid any additional compensation for soliciting proxies.

THE BUSINESS COMBINATION

Background of the Business Combination

GHV is a special purpose acquisition company incorporated as a Delaware corporation on June 25, 2020 for the purpose of effecting a merger, capital stock exchange, asset acquisition, stock purchase, reorganization or similar business combination with one or more businesses. The Business Combination was the result of an extensive search for a potential transaction utilizing the global network and investing and operating experience of GHV's management team and the GHV Board. The terms of the Business Combination were the result of extensive negotiations between GHV's management team, the GHV Sponsor and The Gores Group with respect to GHV (under the oversight of GHV's independent directors) and representatives of AGSA and AMPSA, with respect to AMPSA. The following is a brief description of the background of these negotiations and the Business Combination.

Prior to the consummation of the IPO, neither GHV, nor anyone on its behalf, contacted any prospective target business or had any substantive discussions, formal or otherwise, with respect to a transaction with GHV.

After the consummation of the IPO, GHV commenced an active search for prospective businesses and assets to acquire. Representatives of GHV, the GHV Sponsor and The Gores Group contacted and were contacted by a number of individuals and entities with respect to acquisition opportunities.

In evaluating potential businesses and assets to acquire, GHV, together with the GHV Sponsor and The Gores Group, generally surveys the landscape of potential acquisition opportunities based on its knowledge of, and familiarity, with the M&A marketplace. In general, GHV looks for acquisition targets that are (i) of a size relevant to the public marketplace, which GHV generally views as companies with an enterprise value of at least \$1.5 billion, and (ii) positioned, operationally and financially, to be successful as a public company. GHV further looks for those transactions that it believes, if entered into, would be well received by the public markets. In particular, GHV generally seeks to identify companies that (i) have an existing strong management team, (ii) are positioned for growth, and (iii) generate significant cash flow. GHV also seeks to identify companies that it believes would benefit from being a publicly-held entity, particularly with respect to access to capital for both organic growth and for use in acquisitions. GHV generally applies this criteria when evaluating potential targets.

After the consummation of the IPO, GHV's management, the GHV Sponsor and The Gores Group:

considered over 60 potential acquisition targets (other than AMPSA) (the "Other Potential Targets"), entering into non-disclosure agreements with 46 of the Other Potential Targets; and

ultimately engaged in detailed discussions, due diligence and negotiations with ten Other Potential Target businesses or their representatives.

The ten Other Potential Target businesses included a company in the business and consumer services and digital marketplace space ("Company A"), a company in the custom manufacturing and products space ("Company B"), a company in the financial services space ("Company C"), a company in the real estate financial services space ("Company D"), a company in the commercial building materials space ("Company E"), a company in the interior building materials space ("Company F"), a healthcare services technology company ("Company G"), a data services and infrastructure company ("Company H"), a healthcare services company ("Company I") and a engineering and construction company ("Company J").

As part of its regular evaluation of potential acquisition targets, the GHV Board and GHV's management generally discuss, on a monthly basis, the status of GHV's management's discussions with

various acquisition targets. These updates generally address the potential targets under consideration and the status of the discussions, if any, with the respective acquisition targets. These updates continued throughout the period of time when GHV was evaluating various acquisition targets.

GHV engaged in discussions with Company A from August 2020 until November 2020, until GHV decided to cease discussions with Company A after further diligence. GHV engaged in discussions with Company B during August 2020 until a natural disaster disrupted Company B's manufacturing capabilities, at which point Company B decided to discontinue discussions. GHV engaged in discussions with Company C during November 2020 until Company C informed GHV that Company C had decided to entertain a transaction with a different strategic special purpose acquisition company. GHV engaged in discussions with Company D from November 2020 through January 2021, at which point GHV ceased discussions in order to focus on the potential Business Combination with AMPSA. GHV engaged in discussions with Company E during October 2020 until Company E informed GHV that Company E had decided to entertain a transaction with a different special purpose acquisition company. GHV engaged in discussions with Company F from August 2020 through October 2020, until GHV ceased discussions following its due diligence evaluation of Company F. GHV engaged in discussions with Company G during October 2020 until GHV decided to cease discussions with Company G following its due diligence evaluation of Company G. GHV engaged in discussions with Company H from October 2020 until November 2020, until GHV decided to cease discussions with Company H following its due diligence evaluation of Company H. GHV engaged in discussions with Company I during October 2020, until GHV decided to cease discussions with Company I following its due diligence evaluation of Company I. GHV engaged in discussions with Company J during October 2020, until GHV decided to cease discussions with Company J following its due diligence evaluation of Company J.

Upon the cessation of conversations with Company D and in compliance with exclusivity agreement with AMPSA, GHV ceased discussions with any further acquisition targets to focus on the possible business combination with AMPSA.

On November 24, 2020, a representative of Citigroup Global Markets Inc. ("Citi"), financial advisor to AGSA, contacted Ms. Jennifer Chou, Managing Director and Chief Strategy Officer of The Gores Group, to ask whether GHV would be willing to evaluate a potential business combination related to the AMP Business, which would include carving out the AMP Business from AGSA. Ms. Chou advised the representative of Citi that The Gores Group and GHV would be interested in learning more about the potential business combination opportunity involving the AMP Business. The representative of Citi promptly provided Ms. Chou with a draft non-disclosure agreement.

On November 25, 2020, GHV executed the non-disclosure agreement and began receiving materials regarding AMPSA to further investigate the potential business combination.

On November 30, 2020, Mr. Alec E. Gores, Founder, Chairman of GHV and Chairman and Executive Officer of The Gores Group, Mr. Mark R. Stone, Chief Executive Officer of GHV and Senior Managing Director of The Gores Group, and Ms. Chou conducted an introductory virtual meeting with Mr. Paul Coulson, Chairman and Chief Executive Officer of AGSA. During this virtual meeting Mr. Coulson presented an overview of the AMP Business. Additionally, during this introductory virtual meeting, Mr. Stone reviewed with Mr. Coulson how a potential business combination involving the Company and AMPSA would be structured, including that GHV contemplated raising additional equity capital from private investors in connection with a potential business combination (the "Potential Private Placement"). Messrs. Gores and Stone further discussed the background of GHV and described how special purpose acquisition companies operated. At the end of this meeting, Messrs. Gores and Stone, together with Mr. Coulson, expressed mutual interest in continuing the discussions with respect to a potential business combination, and collectively agreed that

the next step in the process was to arrange a management presentation with respect to the AMP Business.

On December 3, 2020, Mr. Coulson, Mr. Oliver Graham, the Chief Executive Officer of AMPSA, and Mr. David Bourne, the Chief Financial Officer of AMPSA, conducted a virtual management presentation with respect to the AMP Business for Mr. Stone and other representatives of The Gores Group. During this meeting, the representatives of The Gores Group, AGSA and AMPSA discussed various aspects of the AMP Business, the timing of a potential business combination, the history and prior success of special purpose acquisition companies sponsored by affiliates of The Gores Group and the capital needs of AMPSA.

On December 7, 2020, Messrs. Gores and Coulson conducted a one-on-one virtual meeting to explore the core objectives of the potential business combination and how a business combination transaction involving the AMP Business might be structured.

On December 17, 2020, representatives of The Gores Group conducted a virtual meeting with members of AMPSA's management, including Mr. Bourne, to review in detail the financial forecast of the AMP Business.

On December 21, 2020, GHV submitted a preliminary non-binding business combination proposal to AGSA (the "Preliminary Proposal"). The Preliminary Proposal contemplated (i) a separation of the AMP Business from AGSA into a newly formed entity, (ii) the raising of new debt with respect to AMPSA, (iii) the Potential Private Placement and (iv) an earnout payable pursuant to certain milestones related to the public trading price of shares of AMPSA after the closing of the potential business combination.

On December 22, 2020, Mr. Stone and other representatives of The Gores Group conducted a virtual meeting with representatives of Citi to review the Preliminary Proposal.

On December 29, 2020, Messrs. Stone and other representatives of The Gores Group conducted a virtual meeting with representatives of AGSA, Citi and Deutsche Bank Securities Inc. ("Deutsche Bank"). Deutsche Bank and Morgan Stanley & Co. LLC ("Morgan Stanley") acted as underwriters to GHV in its IPO and will collectively forfeit \$18,375,000 in deferred commissions in the event a business combination is not completed by August 10, 2022. During the virtual meeting, Messrs. Stone and other representatives of The Gores Group highlighted GHV's proposed investment highlights and how GHV would approach future investor presentations and marketing materials if it were to pursue a business combination transaction involving the AMP Business.

On December 30, 2020, GHV submitted a revised non-binding proposal to AGSA, which contemplated higher enterprise and equity values for AMPSA than those contemplated by the Preliminary Proposal, as well as a higher cash payment to AGSA and additional earnout shares.

On January 1, 2021, GHV retained Weil Gotshal & Manges LLP ("Weil"), GHV's M&A counsel, to advise it in connection with a potential business combination transaction involving the AMP Business.

From December 29, 2020 through January 5, 2021, Messrs. Stone, Coulson and representatives of Citi, Shearman & Sterling LLP ("Shearman"), legal counsel to AGSA, and beginning January 1, 2021, Weil negotiated the key terms with respect to the business combination proposal and a definitive term sheet (the "Term Sheet"). The Term Sheet contemplated a post-Business Combination enterprise value of AMPSA of approximately \$10.468 billion and an equity value of \$8.144 billion, and contemplated that the potential business combination would be fully funded by the equity capital in GHV's trust account, fully committed funds from a Potential Private Placement of \$750 million, and newly raised net debt financing by AMPSA in the amount of \$2.165 billion. In addition, the Term Sheet provided that in order to facilitate the PIPE Investment, the GHV Sponsor and one or more of its related

investors would commit \$150 million to the PIPE (which represented 20% of the total PIPE amount); provided, that if the PIPE was oversubscribed or if elected by AGSA, the GHV Sponsor and one or more of its related investors would instead provide a backstop of up to \$150 million (at \$10 per share). The Term Sheet also required GHV, AGSA and AMPSA to refrain from negotiating alternative transactions with parties other than one another for a period of 30 days, subject to a 15-day extension if the parties were continuing to engage in good faith discussions regarding the proposed transactions.

On January 2, 2021, GHV contacted KPMG, GHV's independent registered public accounting firm to retain it in connection with the potential business combination, including to conduct accounting and tax due diligence of the AMP Business and provide tax structuring advice.

On January 5, 2021, the GHV Board held a meeting telephonically in which Mr. Stone and Mr. Andrew McBride, Chief Financial Officer and Secretary of GHV and representatives of Weil were in attendance. During this meeting, Mr. Stone provided the Board with an update on the status of the discussions with Company D and AMPSA. Additionally, Mr. Stone provided an update on GHV's diligence to date and the then-current contemplated transaction structure and terms for each of the two potential business combinations. Following this discussion, the GHV Board directed management to cease discussions with Company D and to continue to explore the potential business combination with AMPSA and to update the GHV Board as the discussions progressed. The GHV Board also discussed its desire to engage a financial advisor to provide a fairness opinion in connection with the potential business combination and suggested Duff & Phelps as a possibility, but wished first to conduct additional diligence on the AMP Business.

Also, on January 5, 2021, GHV and AGSA executed the Term Sheet and ceased discussions with Company D. In connection with the execution of the Term Sheet, representatives of GHV, Deutsche Bank, and Citi began undertaking additional diligence of the AMP Business and began the preparation of the investor presentation with respect to the Potential Private Placement.

From January 5, 2021, until February 22, 2021, Mr. Stone and other representatives of The Gores Group held regular discussions with various members of the GHV Board with respect to various aspects of the potential business combination, the timing and status of the potential business combination, the status of due diligence and the progress of the Potential Private Placement.

Between January 5, 2021 and the execution of the Business Combination Agreement on February 22, 2021, representatives of GHV, AGSA and AMPSA and their financial, accounting and legal advisors had multiple conversations with each other on a broad list of topics related to the potential business combination and related diligence matters.

From January 18, 2021, through February 17, 2021, Messrs. Stone, Coulson, Graham and Bourne held virtual meetings with the Potential Private Placement investors to discuss the terms of the potential business combination and details surrounding the Potential Private Placement. Each potential investor was informed in advance that the information that would be shared may constitute material non-public information of GHV and AGSA, and each potential investor agreed to be bound by certain confidentiality obligations as well as a prohibition on trading the securities of GHV or AGSA or using the information for purposes other than such potential investor's investment in connection with the potential business combination. During the meetings, Messrs. Stone, Coulson, Graham and Bourne reviewed with potential investors certain information regarding the AMP Business and AMPSA, including certain financial projections regarding the AMP Business. The feedback and responses received from potential investors regarding a potential business combination between GHV and AMPSA were generally positive.

On January 21, 2021, Shearman provided an initial draft of the Business Combination Agreement to Weil. The initial draft of the Business Combination Agreement contemplated, among other things (i) that AMPSA, a Luxembourg company newly formed by AGSA, would be the new holding company

of the AMP Business, (ii) the merger of MergeCo, a newly incorporated Delaware corporation wholly owned by AMPSA, with and into GHV with GHV continuing as the Surviving Corporation and as a direct, wholly owned subsidiary of AMPSA, (iii) no survival of representations, warranties and covenants, and, relatedly, no post-business combination stockholder indemnity, (iv) an earnout payable pursuant to certain previously agreed upon milestones related to the public trading price of shares of AMPSA, (v) a debt financing related to AMPSA and the Transactions, (vi) that GHV's transaction expenses could not exceed \$50,000,000, (vii) covenants regarding the waiver of claims against the Company's trust account and (viii) a Potential Private Placement of \$750,000,000. Additionally, in order to effectuate the separation of the AMP Business from AGSA, the initial draft of the Business Combination Agreement contemplated entering into the Transfer Agreement, the Services Agreement and the other Related Agreements.

From January 21, 2021 through February 22, 2021, Weil and Shearman negotiated the terms of, and exchanged several drafts of, the definitive agreements for the potential business combination, including the Business Combination Agreement. In addition, during this same period, representatives of GHV, representatives of AGSA and AMPSA, representatives of The Gores Group, Weil and Shearman conducted various virtual and telephonic conferences to discuss and resolve the open issues related to the potential business combination, including outstanding issues with respect to the Business Combination Agreement and the Related Agreements.

On January 23, 2021, after continued diligence of the AMP Business, Mr. Stone informed Mr. Randall Bort, an independent GHV Board member, that the potential business combination had progressed to the point of engaging a financial advisor to provide a fairness opinion.

On January 24, 2021, after consulting with the other independent directors of the GHV Board with respect to engaging a financial advisor to provide a fairness opinion, Mr. Bort contacted representatives of Duff & Phelps to discuss engaging Duff & Phelps to provide a fairness opinion to the GHV Board in connection with the potential business combination.

On January 26, 2021, the GHV Board held a meeting telephonically in which representatives of The Gores Group and Duff & Phelps were also in attendance by invitation of the GHV Board. Representatives of Duff & Phelps reviewed with the GHV Board a potential engagement with respect to providing a fairness opinion with respect to the potential business combination.

On January 28, 2021, Duff & Phelps provided a draft engagement letter for review by the GHV Board to Weil. The draft engagement letter advised GHV that Duff & Phelps had undertaken a review of its records to determine Duff & Phelps' professional relationship with GHV, and other parties of interest in the potential business combination, and had identified no current relationships that would preclude it from accepting the engagement to deliver a fairness opinion. Thereafter, Weil and Duff & Phelps discussed whether Duff & Phelps had any relationships with AGSA that would preclude it from accepting the engagement. Duff & Phelps informed Weil that during the previous two years, certain other groups within Duff & Phelps had provided tax and valuation services to other divisions of AGSA unrelated to AMPSA or the transactions contemplated by the Business Combination Agreement for which Duff & Phelps received an immaterial amount of fees. Such relationships and the fees received by Duff & Phelps are described in the section entitled "*Opinion of GHV's Financial Advisor*" in this proxy statement/prospectus. The GHV Board determined, in its business judgment, that none of these matters would impact Duff & Phelps' independence with respect to the potential business combination. Accordingly, the GHV Board unanimously approved the engagement of Duff & Phelps. GHV executed the Duff & Phelps engagement letter on February 2, 2021.

From January 26, 2021 through February 19, 2021, Messrs. Stone, Coulson, and representatives of Citi, Deutsche Bank and Morgan Stanley held frequent telephonic conferences and virtual meetings to discuss the status and progress of the Potential Private Placement.

From February 6, 2021 through February 10, 2021, Messrs. Stone and Coulson and representatives of Citi held frequent telephonic conferences and virtual meetings to continue negotiations with respect to the material terms of the potential business combination, which included reducing the implied equity value and enterprise value of AMPSA at the closing of the proposed business combination transaction from \$7.404 billion to \$6.073 billion and from \$9.728 billion to \$8.522 billion, respectively, reducing the size of the Potential Private Placement from \$750 million to \$600 million, increasing the amount of the new net debt that AMPSA would incur as part of the potential business combination from \$2.165 billion to \$2.315 billion, and increasing the number of earnout shares issuable to AGSA and modifying the terms on which they would be issued.

From February 9, 2021, through February 11, 2021, Messrs. Gores, Stone and Coulson met in person on multiple occasions to discuss the overall status of the potential business combination and to discuss post announcement strategy and messaging with respect to the potential business combination.

From February 15, 2021, through February 22, 2021, Messrs. Stone and Coulson conducted numerous meetings to finalize the remaining open business issues in the definitive documentation. This included items such as responsibility for pre-closing taxes and any transfer taxes incurred in connection with the proposed transactions, the delivery of a tax opinion as a condition to GHV's obligation to close the proposed business combination transaction, the GHV minimum cash amount condition, and the treatment of the Earnout Shares upon a future change of control transaction.

On February 22, 2021, the GHV Board held a meeting telephonically in which Mr. Stone, Mr. McBride and representatives of The Gores Group, representatives of Weil and representatives of Duff & Phelps were also in attendance. Representatives of Duff & Phelps provided a presentation to the GHV Board, a copy of which was provided to the GHV Board in advance of the meeting, regarding Duff & Phelps' financial analysis as to the fairness from a financial point of view to GHV, as of the date of such opinion, of the consideration in the potential business combination and delivered to the GHV Board an oral opinion, which was confirmed by delivery of a written opinion, dated February 22, 2021, and attached as Annex B to this proxy statement/prospectus, addressed to the GHV Board to the effect that, as of the date of the opinion and based upon and subject to the conditions and limitations set forth in the opinion, the consideration in the Business Combination is fair, from a financial point of view to GHV. Thereafter, representatives of Weil reviewed with the GHV Board the terms of the Business Combination, including the Business Combination Agreement and other definitive agreements, copies of which were provided to the GHV Board in advance of the meeting. The GHV Board concluded, after a thorough review of other business combination opportunities reasonably available to GHV, that the potential Business Combination was the best potential business combination for GHV based upon the process utilized to evaluate and assess other potential acquisition targets, and the GHV Board's and GHV management's belief that such processes had not presented a better alternative. In reaching this conclusion, the GHV Board took into account the criteria utilized by GHV to evaluate acquisition opportunities, and determined that the potential business combination met such criteria, was the most actionable and capable of being completed in a timely manner, and was being accomplished under terms attractive to GHV and its stockholders. After discussion and upon a motion duly made and seconded, the GHV Board unanimously resolved that the Business Combination Agreement, including the other transactions contemplated by the Business Combination Agreement, each of the Related Agreements and the Business Combination be approved. Later that day, GHV, AGSA, AMPSA and MergeCo executed the Business Combination Agreement.

On February 23, 2021, before the stock market opened, GHV and AGSA issued a joint press release announcing the execution of the Business Combination Agreement.

GHV's Board of Directors' Reasons for the Approval of the Business Combination

The GHV Board, in evaluating the Business Combination, consulted GHV's management and its legal counsel, financial advisors and other advisors. In reaching its unanimous resolution (i) that the terms and conditions of the Business Combination Agreement and the Business Combination, are advisable, fair to and in the best interests of GHV and its stockholders and (ii) to recommend that the stockholders adopt the Business Combination Agreement and approve the Merger, the GHV Board considered and evaluated a number of factors, including, but not limited to, the factors discussed below. In light of the number and wide variety of factors considered in connection with its evaluation of the Business Combination, the GHV Board did not consider it practicable to, and did not attempt to, quantify or otherwise assign relative weights to the specific factors that it considered in reaching its determination and supporting its decision. The GHV Board viewed its decision as being based on all of the information available and the factors presented to and considered by it. In addition, individual directors may have given different weight to different factors. This explanation of the GHV Board's reasons for the Business Combination and all other information presented in this section is forward-looking in nature and, therefore, should be read in light of the factors discussed under "*Cautionary Note Regarding Forward-Looking Statements*" beginning on page 59 of this document.

The GHV Board considered a number of factors as generally supporting its decision to enter into the Business Combination Agreement and the Business Combination, including but not limited to, the following material factors:

Pre-eminent Pure Play Beverage Can Company. The GHV Board noted that the AMP Business is a pure play leader in the beverage can industry with its focus on sustainability, innovation and infinitely recyclable products. The GHV Board believes that this strong market position and customer and product mix positions the AMP Business as a leader in the industry and that it will continue to expand its sold volume and increase market share.

Long-Term Industry Megatrends and Environmentally-Conscious End Consumers Driving Inflection Point in Beverage Can Demand. The GHV Board noted the convergence of multiple factors, including growth with emerging categories such as health and wellness, hard seltzers, sparkling waters and coffee and tea, the advantages of aluminum can packaging, as well as the importance of sustainability and regulatory changes, which should lead to additional growth opportunities across geographies. Additionally, due to the fast growing demand and current supply shortage in the beverage can industry, the structural shift from plastic and glass to beverage cans and the increased use of recyclable packaging as a key focus for large consumer products, the GHV Board believes that AMPSA has significant growth potential.

Leader in Sustainability. The GHV Board noted that a core tenet of AGSA's corporate philosophy for a number of years has been a focus on being a leader environmentally, ecologically and socially. AGSA began issuing sustainability reports in 2013 and has a Chief Sustainability Officer who is driving AGSA and AMPSA towards an ambitious set of sustainability targets. The GHV Board also noted that aluminum cans have the ability to achieve 100% recyclability, whereas substitute products such as glass and plastic achieve lower rates. The GHV Board believes that AMPSA's strong corporate focus on sustainability coupled with environmentally conscious customers and end consumers positions AMPSA to deliver continued growth in an environmentally friendly manner.

Multifaceted Growth Opportunity Backed by Long-Term Customer Contracts. The GHV Board was aware that the AMP Business has long term relationships with key customers that span decades.

Compelling Financial Profile. The GHV Board noted that AMPSA's financial profile is positioned for sustainable expansion with current and new customers and in new and emerging product categories. Additionally, the GHV Board believes AMPSA is positioned for significant margin

expansion resulting from longer contracts, favorable customer and product mix trends, higher growth in specialty cans and continued network efficiency improvements and operating leverage from expanding capacity in existing facilities.

Entrepreneurial Owner Manager Culture. The GHV Board considered that AMPSA is managed by a team with extensive experience in the industry that has a sustained track record of delivering shareholder value, and that this team will be in place upon the closing of the Merger. Additionally, the GHV Board believes that AMPSA's proven management team and strategy will help enable AMPSA to deliver continued industry-leading growth.

Opinion of GHV's Financial Advisor. The GHV Board took into account the opinion of Duff & Phelps, dated February 22, 2021, addressed to the GHV Board as to the fairness from a financial point of view to GHV, as of the date of such opinion, of the consideration in the Business Combination, which opinion was based on and subject to the assumptions made, procedures followed, matters considered and limitations and qualifications set forth in such opinion as more fully described above under the caption "*Proposal No. 1–Approval of the Business Combination–Opinion of GHV's Financial Advisor.*"

Other Alternatives. The GHV Board believed, after a thorough review of other business combination opportunities reasonably available to GHV, that the proposed Merger represents the best potential business combination for GHV based upon the process utilized to evaluate and assess other potential acquisition targets. The GHV Board and GHV management also believed that such processes had not presented a better alternative.

Due Diligence. The results of GHV's due diligence investigation of AMPSA conducted by GHV's management team and its financial and legal advisors.

Stockholder Approval. The GHV Board considered the fact that, in connection with the Merger, GHV stockholders have the option to (i) become and remain stockholders of AMPSA, (ii) sell their shares of GHV Class A Common Stock or, following the closing of the Merger, their AMPSA Shares, on the open market or (iii) redeem their GHV Class A Common Stock for the per share amount held in the Trust Account pursuant to the terms of GHV's existing certificate of incorporation.

Negotiated Terms of the Business Combination Agreement. The GHV Board considered the terms and conditions of the Business Combination Agreement and the Business Combination.

Independent Director Role. The GHV Board is comprised of a majority of independent directors who are not affiliated with the GHV Sponsor and its affiliates, including The Gores Group. In connection with the Business Combination, GHV's independent directors, Messrs. Randall Bort, William Patton and Jeffrey Rea, took an active role in evaluating the proposed terms of the Business Combination, the Business Combination Agreement and the Related Agreements. GHV's independent directors evaluated and unanimously approved, as members of the GHV Board, the Business Combination Agreement and the Business Combination.

The GHV Board also considered a variety of uncertainties and risks and other potentially negative factors concerning the Business Combination, including, but not limited to, the following:

Benefits May Not Be Achieved. The risk that the potential benefits of the Business Combination may not be fully achieved, or may not be achieved within the expected timeframe.

Liquidation of GHV. The risks and costs to GHV if the Merger is not completed, including the risk of diverting management focus and resources from other initial business combination opportunities, which, if the Merger is not consummated, could result in GHV being unable to effect an initial business combination by August 10, 2022 and force GHV to liquidate and the Public Warrants to expire worthless.

Stockholder Vote. The risk that GHV's stockholders may fail to provide the votes necessary to effect the Merger.

Closing Conditions. The fact that completion of the Merger is conditioned on the satisfaction of certain closing conditions that are not within GHV's control.

Litigation. The possibility of litigation challenging the Merger or that an adverse judgment granting permanent injunctive relief could indefinitely enjoin consummation of the Business Combination.

Fees and Expenses. The fact that the fees and expenses associated with the transactions contemplated by the Business Combination Agreement will be borne by GHV if the Merger is not consummated.

Other Risks. Various other risks associated with the Business Combination, the business of GHV, the business of AMPSA and ownership of AMPSA's shares following the Merger described under the section entitled "*Risk Factors*."

In addition to considering the factors described above, the GHV Board also considered that:

Interests of Certain Persons. Some of the GHV officers and directors may have interests in the Business Combination as individuals that are in addition to, and that may be different from, the interests of GHV stockholders (see "*The Business Combination—Interests of GHV Initial Stockholders and GHV's Other Current Officers and Directors*"). GHV's independent directors reviewed and considered these interests during the negotiation of the Business Combination and in evaluating and unanimously approving, as members of the GHV Board, the Business Combination Agreement and the transactions contemplated thereby.

The GHV Board concluded that the potential benefits it expected GHV and its stockholders to achieve as a result of the Business Combination outweighed the potentially negative factors associated with the Business Combination. Accordingly, the GHV Board unanimously determined that the Business Combination Agreement and the transactions contemplated thereby, including the Business Combination, were advisable, fair to, and in the best interests of GHV and its stockholders.

Opinion of GHV's Financial Advisor

Furthermore, in Duff & Phelps' analysis and in connection with the preparation of its opinion, Duff & Phelps has made numerous assumptions with respect to industry performance, general business, market and economic conditions and other matters, many of which are beyond the control of any party involved in the Business Combination.

Duff & Phelps has prepared its opinion effective as of the date of such opinion. Duff & Phelps' opinion was necessarily based upon market, economic, financial and other conditions as they existed and could be evaluated as of the date of the opinion, and Duff & Phelps disclaims any undertaking or obligation to advise any person of any change in any fact or matter affecting its opinion which may come or be brought to the attention of Duff & Phelps after the date hereof. The credit, financial and stock markets have experienced unusual volatility and Duff & Phelps expresses no opinion or view as to any potential effects of such volatility on GHV, AMPSA, or the Business Combination.

Duff & Phelps did not evaluate GHV's or AMPSA's solvency or conduct an independent appraisal or physical inspection of any specific assets or liabilities (contingent or otherwise). Duff & Phelps did not express any opinion as to the market price or value of the GHV Class A Common Stock (or anything else) after the announcement of the Business Combination. Duff & Phelps did not make, and assumed no responsibility to make, any representation, or render any opinion, as to any legal matter.

In rendering its opinion, Duff & Phelps did not express any opinion with respect to the amount or nature of any compensation to any of GHV's or AMPSA's officers, directors, or employees, or any class of such persons, relative to the consideration in the Business Combination, or with respect to the fairness of any such compensation.

Summary of Material Financial Analyses by Duff & Phelps

Set forth below is a summary of the material financial analyses performed by Duff & Phelps in connection with providing its opinion to the GHV Board of Directors. While this summary describes the analyses and factors that Duff & Phelps deemed material in its presentation to the GHV Board, it is not a comprehensive description of all analyses and factors considered by Duff & Phelps. The preparation of a fairness opinion is a complex process that involves various determinations as to appropriate and relevant methods of financial analysis and the application of these methods to the particular circumstances. Therefore, neither its opinion nor Duff & Phelps' underlying analysis is susceptible to partial analysis or summary description. In arriving at its opinion, Duff & Phelps did not attribute any particular weight to any analysis or factor considered by it, but rather made qualitative judgments as to the significance and relevance of each analysis and factor. Accordingly, Duff & Phelps' analyses must be considered as a whole and selecting portions of its analyses and of the factors considered by it in rendering its opinion, without considering all analyses and factors, could create a misleading or incomplete view of the evaluation process underlying its opinion. The conclusion reached by Duff & Phelps was based on all analyses and factors taken as a whole, and also on the application of Duff & Phelps' own experience and judgment.

Certain of the financial analyses summarized below include information presented in tabular format. In order for Duff & Phelps' financial analyses to be fully understood, where applicable, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses undertaken by Duff & Phelps. Considering the data below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of Duff & Phelps' financial analyses.

Discounted Cash Flow Analysis.

Duff & Phelps performed a discounted cash flow ("*DCF*") analysis of AMPSA using the financial forecast and other information and data provided by GHV's management and summarized in the section entitled "*Certain GHV Projected Financial Information*" to calculate the estimated present value of the future free cash flows projected to be generated by AMPSA from December 31, 2021 to December 31, 2024.

In performing the DCF analysis of AMPSA, Duff and Phelps utilized a pro forma tax rate of 25.0% during the projection period. Additionally, in performing the DCF analysis of AMPSA, Duff & Phelps utilized a range of discount rates of 9.0% to 10.0% based on an estimate of AMPSA's weighted average cost of capital ("*WACC*"). Duff & Phelps derived a terminal value using a perpetuity formula assuming a 3.25% terminal growth rate. Based on the information provided by AMPSA's management to GHV, with the consent of GHV's Board of Directors, Duff & Phelps assumed that (i) the total revenue increases at a compound annual growth rate of 12.5% from 2020 through 2024; (ii) capital

expenditures, including business growth investment, will average 12.7% of total revenue over the projection period; and (iii) that Adjusted EBITDA increases at a compound annual growth rate of 19.7% for the period from December 31, 2020 through December 31, 2024, with an average Adjusted EBITDA margin of 18.6% for the projection period. The DCF analysis indicated an implied enterprise value reference range for AMPSA of approximately \$8.1 billion to \$9.7 billion.

Selected Companies Analysis.

Duff & Phelps reviewed certain financial information for selected public companies that Duff & Phelps deemed relevant. The selected public companies were selected because they were deemed to be similar to AMPSA in one or more respects. In determining its reference range for its selected publicly traded companies analysis, Duff & Phelps focused on (i) two beverage can companies which directly compete with AMPSA: Ball Corporation and Crown Holdings, Inc., (ii) seven general food and beverage and consumer packaging companies: Silgan Holdings, Inc., Wipak LTD., Berry Global Group, Inc., Amcor plc, AptarGroup, Inc., Huhtamäki Oyj, and Sealed Air Corporation.

Enterprise value means the value as of a specified date of the relevant company's outstanding equity securities (taking into account outstanding options and other securities convertible, exercisable or exchangeable into or for equity securities of GHV), plus the amount of debt outstanding, capitalized leases, pension liabilities and preferred stock and non-controlling interests, and less the amount of cash and cash equivalents and net non-operating assets on its balance sheet. Enterprise values used in the selected companies analysis were calculated using the closing price of the common stock of the selected companies as of February 19, 2021. Historical and projected financial performance data for the selected companies was based on publicly available consensus research analysts' estimates and public filings and other publicly available information, all as of February 19, 2021.

Duff & Phelps analyzed the historical and projected financial performance of each of the selected public companies, including revenue growth, EBITDA growth and EBITDA margin for each of the selected public companies, as shown below:

Duff & Phelps selected a range of multiples for AMPSA, taking into account its size, growth outlook, profit margins and other characteristics relative to the selected public companies, specifically Ball Corporation and Crown Holdings, Inc. Based on the foregoing and using its professional judgment, the selected companies analysis indicated an implied enterprise value reference range for AMPSA of approximately \$8.1 billion to \$9.6 billion.

Selected Transactions Analysis.

Duff & Phelps reviewed, but did not utilize for purposes of its analysis or opinion, financial information for certain selected transactions involving target companies with businesses that were deemed relevant to its analysis. Duff & Phelps did not rely on its review of certain selected transactions due to the lack of transactions involving pure play beverage can target companies. Duff & Phelps included the values of such transactions for informational purposes only.

Earnout Valuation

Duff & Phelps also performed a valuation of the contingent consideration issuable by AMPSA to AGSA subject to attainment of certain stock price hurdles over a five year period from the 180th day following the closing of the Merger. The valuation was based on volatility scenarios of 20%, 25% and 30% as implied by the comparable companies. Based on such analysis, the total potential value of the earnout under the assumed scenarios ranged from approximately \$233 million to \$355 million.

Other Matters

Duff & Phelps was retained by GHV to provide an opinion to GHV Board of Directors as to the fairness, from a financial point of view, to GHV of the consideration in the Business Combination. Pursuant to the terms of its engagement, Duff & Phelps became entitled to a fee of \$500,000 for its services, \$250,000 of which was paid upon Duff & Phelps' delivery of the opinion to GHV's Board of Directors and the remainder of which will become payable upon closing of the Merger. No portion of Duff & Phelps' fee is contingent upon the conclusion expressed in its opinion. Furthermore, Duff & Phelps is entitled to be paid additional fees at Duff & Phelps' standard hourly rates for any time incurred should Duff & Phelps be called upon to support its findings subsequent to the delivery of its opinion. GHV has also agreed to reimburse Duff & Phelps for its out-of-pocket expenses and reasonable fees and expenses of counsel, consultants and advisors retained by Duff & Phelps in connection with the engagement. GHV has also agreed to indemnify Duff & Phelps for certain liabilities arising out of its engagement.

Other than this engagement, during the two years preceding the date its opinion was delivered, Duff & Phelps provided tax advisory services to certain subsidiaries of AMPSA for which it has received aggregate fees of approximately \$20,000 and customary expense reimbursement and indemnification.

Certain Financial Projections Provided to GHV's Board

In December 2020, AMPSA provided GHV with its internally prepared projections for the fiscal years ending December 31, 2021 through December 31, 2024. The prospective financial information was not prepared with a view towards compliance with the published guidelines of the SEC or the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of prospective financial information. These projections were prepared solely for internal use for capital budgeting and other management purposes, on a reasonable basis, using the best currently available estimates and judgements to management's knowledge and belief at the time. These projections are subjective in many respects and therefore susceptible to varying interpretations and the need for periodic revision based on actual experience and business developments. These projections were not intended for third-party use, including by investors or holders. You are cautioned not to rely on the projections in making a decision regarding the Business Combination, as the projections may be materially different than actual results.

While presented in this proxy statement/prospectus with numeric specificity, the projections reflect numerous assumptions, including assumptions with respect to general business, economic, market (including expected demand and supply expectations), regulatory and financial conditions and various other factors, all of which are difficult to predict and many of which are beyond AMPSA's control, such as the risks and uncertainties contained in the sections entitled "*Risk Factors*" and "*Cautionary Statement Regarding Forward-Looking Statements*" located elsewhere in this proxy statement/prospectus. The material assumptions underlying the projections included certain assumptions with respect to weighted average cost of capital, carry-forward net operating losses and terminal revenue multiples as well as certain revenue projections summarized in the first chart below that were provided by AMPSA. The projections reflect the consistent application of the accounting policies of AMPSA and should be read in conjunction with the accounting policies included in Note 2 of the Combined Financial Statements included elsewhere in this proxy statement/prospectus.

The financial projections, including total revenue, adjusted EBITDA, capital expenditures/Business Growth Investment and net working capital are forward-looking statements that are based on assumptions that are inherently subject to significant uncertainties and contingencies, many of which are beyond AMPSA's control. Since the unaudited forecasted financial information covers multiple years, such information, by its nature, becomes less predictive with each successive year. There will be

differences between actual and projected results, there can be no assurance that the projected results will be realized, and actual results may differ materially from those contained in the projections. The inclusion of the projections in this proxy statement/prospectus should not be regarded as an indication that AMPSA or its representatives consider the projections to be a reliable prediction of future events, and reliance should not be placed on the projections.

Certain of the measures included in the financial projections may be considered non-IFRS financial measures, including Adjusted EBITDA and Free Cash Flow. Non-IFRS financial measures should not be considered in isolation from, or as a substitute for, financial information presented in compliance with IFRS, and non-IFRS financial measures as presented below may not be comparable to similarly titled amounts used by other companies.

Financial measures provided to a financial advisor are excluded from the definition of non-IFRS financial measures and therefore, are not subject to SEC rules regarding disclosures of non-IFRS financial measures, which would otherwise require a reconciliation of a non-IFRS financial measure to a IFRS financial measure. Reconciliations of non-IFRS financial measures were not relied upon by Duff & Phelps for purposes of its financial analysis as described above in "Opinion of GHV's Financial Advisor" located elsewhere in this proxy statement/prospectus or by the GHV board of directors in connection with its consideration of the Merger. Accordingly, a reconciliation of the non-IFRS financial measures is not provided.

The projections were requested by, and disclosed to, GHV for use as a component in its overall evaluation of AMPSA. The projections are included in this proxy statement/prospectus because they were provided to the GHV Board for its evaluation of the Business Combination and were provided to Duff & Phelps for its use in connection with its financial analyses and opinion to the GHV Board, as described in the section entitled "*Opinion of GHV's Financial Advisor*" and as set forth as *Annex B* to this proxy statement/prospectus.

Neither AMPSA's management nor any of AMPSA's representatives has made or makes any representation to any person regarding the performance of AMPSA following the Business Combination compared to the information contained in the projections, and neither AMPSA's management nor any of AMPSA's representatives intends to or undertakes any obligation to update or otherwise revise the projections or to reflect the occurrence of future events in the event that any or all of the assumptions underlying the projections are no longer appropriate. Accordingly, they should not be looked upon as guidance of any sort. Following the Merger, AMPSA will not refer back to these forecasts in its future periodic reports filed under the Exchange Act. In light of the foregoing and the uncertainties inherent in the prospective financial information included in this section, stockholders of GHV are cautioned not to place undue, if any, reliance on such information.

Neither GHV's nor AMPSA's independent auditors, nor any other independent accountants, have audited, reviewed, compiled, examined, or performed any procedures with respect to the any prospective financial information provided to the GHV Board or contained herein, nor have they expressed any opinion or any other form of assurance on such information or its achievability, and assume no responsibility for, and disclaim any association with, the prospective financial information.

The projections are the responsibility of AMPSA's management. AMPSA management have no responsibility for, and were not consulted with respect to, any adjustments made by GHV or Duff & Phelps to the prospective financial information provided by AMPSA to GHV and summarized in the first chart below. PricewaterhouseCoopers, AMPSA's independent registered accounting firm, has not audited, reviewed, examined, compiled or otherwise performed procedures with respect to the accompanying financial information presented herein and, accordingly, expresses no opinion or any other form of assurance on it. The PricewaterhouseCoopers report included in this proxy statement/prospectus relates to previously issued financial statements of AMPSA. It does not extend to the projections and should not be read as if it does.

The key elements of the projections are summarized below:

GHV provided to Duff & Phelps the financial projections it had received from AMPSA for purposes of the financial analyses to be performed by Duff & Phelps in connection with rendering its fairness opinion. Duff & Phelps used those financial projections and other information and data provided by GHV (for which AMPSA has no responsibility) as the basis for a discounted cash flow analysis. Beyond the projection period, Duff & Phelps estimated the "terminal value" using a perpetuity formula assuming a 3.25% terminal growth rate. The resulting cash flows and an estimated

terminal value, set forth below, were discounted at a weighted average cost of capital range of 9.00% to 10.00%:

Interests of GHV Initial Stockholders and GHV's Other Current Officers and Directors

In considering the recommendation of GHV's Board to vote for the proposals presented at the Special Meeting, including the Merger Proposal, you should be aware that aside from their interests as stockholders, GHV's Sponsor and certain members of GHV's Board and officers have interests in the Business Combination that are different from, or in addition to, the interests of GHV's stockholders generally. GHV's Board was aware of and considered these interests, among other matters, in evaluating and negotiating the Business Combination and transaction agreements and in recommending to GHV's stockholders that they vote in favor of the proposals presented at the Special Meeting, including the Merger Proposal. Stockholders should take these interests into account in deciding whether to approve the proposals presented at the Special Meeting, including the Merger Proposal. These interests include, among other things:

the fact that the Initial Stockholders have agreed not to redeem any of the GHV Founder Shares in connection with a stockholder vote to approve a proposed initial business combination;

the fact that the GHV Sponsor paid an aggregate of \$25,000 for the GHV Founder Shares that will be exchanged for AMPSA Shares at the Merger Effective Time, and which AMPSA Shares would, if unrestricted and freely tradable, have a value of approximately \$98 million at the Merger Effective Time (based on per share price of \$10), but given the restrictions on such AMPSA Shares pursuant to the Registration Rights and Lock-Up Agreement, GHV believes such AMPSA Shares have less value;

the fact that the Initial Stockholders have agreed to waive their rights to liquidating distributions from the Trust Account with respect to their GHV Founder Shares if GHV fails to complete an initial business combination by August 10, 2022;

the fact that the GHV Sponsor paid an aggregate of approximately \$12,500,000 for its 6,250,000 Private Placement Warrants to purchase shares of GHV Class A Common Stock, and that such Private Placement Warrants will expire and become worthless if a business combination is not consummated by August 10, 2022;

if the Trust Account is liquidated, including in the event GHV is unable to complete an initial business combination within the required time period, the GHV Sponsor has agreed to indemnify GHV to ensure that the proceeds in the Trust Account are not reduced below \$10.00 per public share, or such lesser per public share amount as is in the Trust Account on the liquidation date, by the claims of prospective target businesses with which GHV has entered into an acquisition agreement or claims of any third party (other than its independent public accountants) for services rendered or products sold to GHV, but only if such a vendor or target business has not executed a waiver of any and all rights to seek access to the Trust Account;

the continued indemnification of GHV's existing directors and officers and the purchase of a tail policy with respect to GHV's directors' and officers' existing liability insurance;

the fact that the GHV Sponsor, officers and directors will lose their entire investment in GHV and will not be reimbursed for any out-of-pocket expenses if GHV does not consummate an initial business combination by August 10, 2022;

the fact that the GHV Sponsor has the right to nominate two independent directors to AMPSA's board of directors as of the Closing;

that, at the closing of the Merger, GHV will enter into the Registration Rights and Lock-Up Agreement, which provides for registration rights to the holders of AMPSA Shares that are parties thereto and their permitted transferees;

the fact that the GHV Sponsor and members of the GHV Board and management would hold the following number of shares in AMPSA at the Closing:

<u>Name of Person/Entity</u>	<u>Number of AMPSA Shares</u>	<u>Value of AMPSA Shares(1)</u>
Gores Sponsor V LLC		\$
Alec E. Gores		\$
Mark R. Stone		\$
Andrew McBride		\$
Randall Bort		\$
William Patton		\$
Jeffrey Rea		\$

(1) Based on a per share price of \$10.00.

the fact that the GHV Sponsor has entered into a Subscription Agreement with AMPSA and GHV, pursuant to which the GHV Sponsor has committed to purchase 2.5 million AMPSA Shares in the PIPE for an aggregate commitment of approximately \$25 million, provided that the GHV Sponsor has the right to syndicate the AMPSA Shares purchased

under such Subscription Agreement in advance of the Closing;

that an affiliate of the GHV Sponsor, Mr. Alec E. Gores, has committed to purchase AMPSA Shares in the PIPE for an aggregate commitment of approximately \$ in connection with the syndication by the GHV Sponsor of its portion of the PIPE; and

the fact that the GHV Sponsor has committed to acquire up to 9.5 million AMPSA Shares at a per share price of \$10.00 in the event that there are redemptions from the Trust Account that are in excess of \$1 million.

Potential Actions to Secure Requisite Stockholder Approvals

In connection with the stockholder vote to approve the Merger Proposal, the Sponsor and GHV's directors, officers, advisors or their affiliates may privately negotiate transactions to purchase shares of GHV Common Stock from stockholders who would have otherwise elected to have their shares redeemed in conjunction with the Merger for a per-share pro rata portion of the Trust Account. None of the Sponsor or GHV's directors, officers, advisors or their affiliates will make any such purchases when they are in possession of any material non-public information not disclosed to the seller. Such a purchase of shares may include a contractual acknowledgement that such stockholder, although still the record holder of the shares of GHV Class A Common Stock is no longer the beneficial owner thereof and therefore agrees not to exercise its redemption rights. In the event that the Sponsor or GHV's directors, officers, advisors or their affiliates purchase shares in privately negotiated transactions from Public Stockholders who have already elected to exercise their redemption rights, such selling stockholders would be required to revoke their prior elections to redeem their shares. Any such privately negotiated purchases may be effected at purchase prices that are in excess of the per-share pro rata portion of the Trust Account. The purpose of such share purchases would be to increase the likelihood of obtaining stockholder approval of the Merger Proposal or to satisfy the Minimum Cash Closing Conditions in the Business Combination Agreement.

Listing of AMPSA Shares

Approval of the listing on NYSE of the AMPSA Shares to be issued in the Business Combination, subject to official notice of issuance, is a condition to each party's obligation to complete the Merger.

Accounting Treatment of the Business Combination

As the first step within the Business Combination, AGSA will undertake the Pre-Closing Restructuring whereby AGSA will effect a series of transactions that will result in among other things, (a) the AMP Business being wholly owned by AMPSA and (b) any assets and liabilities relating to the business of AGSA (other than the AMP Business) that are held by the AMP Entities being transferred to subsidiaries of AGSA that are not the AMP Entities, and assets and liabilities relating to the AMP Business that are held by subsidiaries of AGSA (other than the AMP Entities) being transferred to the AMP Entities. These transactions are accounted for as a capital reorganization as, prior to the Pre-Closing Restructuring, AMPSA does not meet the definition of a business under IFRS 3 (Business Combination). Under a capital reorganization, the consolidated financial statements of AMPSA reflect the net assets transferred at pre-combination predecessor book values. Following this first step, AMPSA will continue to be a wholly owned subsidiary of AGSA.

The capital reorganization will be followed at closing by a Merger whereby MergeCo (a wholly owned subsidiary of AMPSA) will merge with and into GHV, with GHV being the surviving corporation as a wholly owned subsidiary of AMPSA. This Merger transaction will be accounted for within the scope of IFRS 2 (Share-based Payment). Under this method of accounting, there is no acquisition accounting and no recognition of goodwill, as GHV is not considered a business as defined by IFRS 3 (Business Combinations) given it consists predominantly of cash in the Trust Account. Under this method of accounting, GHV will be treated as the "acquired" company for financial reporting purposes. In order to reach this conclusion, the following factors were also taken into consideration: (i) the business will comprise the ongoing operations of AMPSA; (ii) senior management will comprise the senior management of AMPSA; and (iii) the pre-Business Combination shareholders of AMPSA will have the largest ownership of AMPSA and the right to appoint the highest number of board members relative to other shareholders.

In accordance with IFRS 2, the difference in the fair value of the consideration (shares and warrants issued by AMPSA) for the acquisition of GHV over the fair value of the identifiable net assets of GHV will represent a service for listing of AMPSA and be accounted for as an expense for a share-based payment. The consideration for the acquisition of GHV was determined using the closing price of GHV's publicly traded GHV Class A Common Stock and the Public Warrants traded on Nasdaq under the ticker symbols "GRSV" and "GRSVW" as of March 3, 2021.

THE BUSINESS COMBINATION AGREEMENT

This section of the proxy statement/prospectus describes the material provisions of the Business Combination Agreement, but does not purport to describe all of the terms of the Business Combination Agreement. This summary is qualified in its entirety by reference to the Business Combination Agreement, a copy of which is attached as Annex A hereto. The Business Combination Agreement was amended by amendment dated as of March 5, 2021 by the parties thereto to reflect certain typographical and other immaterial corrections, and the copy of the agreement attached hereto as Annex A reflects such amendment. Certain figures included in this section have been rounded for ease of presentation and, as a result, percentages may not sum to 100%.

The Business Combination

On February 22, 2021, GHV, AMPSA, AGSA and MergeCo entered into the Business Combination Agreement, which contains customary representations and warranties, covenants, closing conditions, termination provisions and other terms relating to the transactions contemplated thereby, as summarized below. Capitalized terms used in this section but not otherwise defined herein have the meanings given to them in the Business Combination Agreement.

The Structure of the Business Combination

Pursuant to the Business Combination Agreement, the parties intend to consummate the Business Combination. Following the merger of GHV with and into MergeCo, GHV would become a direct wholly owned subsidiary of AMPSA. Prior to the Closing, pursuant to the Transfer Agreement by and between AGSA and AMPSA, AGSA will effect the Pre-Closing Restructuring;

AMPSA intends to incur indebtedness under the documents related to the Debt Financing documents in an amount that would yield net proceeds of not less than \$2,315,000,000 and have an aggregate principal amount of no more than \$2,800,000,000 (which may be denominated in USD, Euros or a combination of the foregoing), which AMPSA expects to incur pursuant to the Notes Offering;

At Closing, the Subscribers will subscribe for 60,000,000 AMPSA Shares for an aggregate purchase price payable to AMPSA of \$600,000,000 (excluding the GHV Sponsor Backstop); and

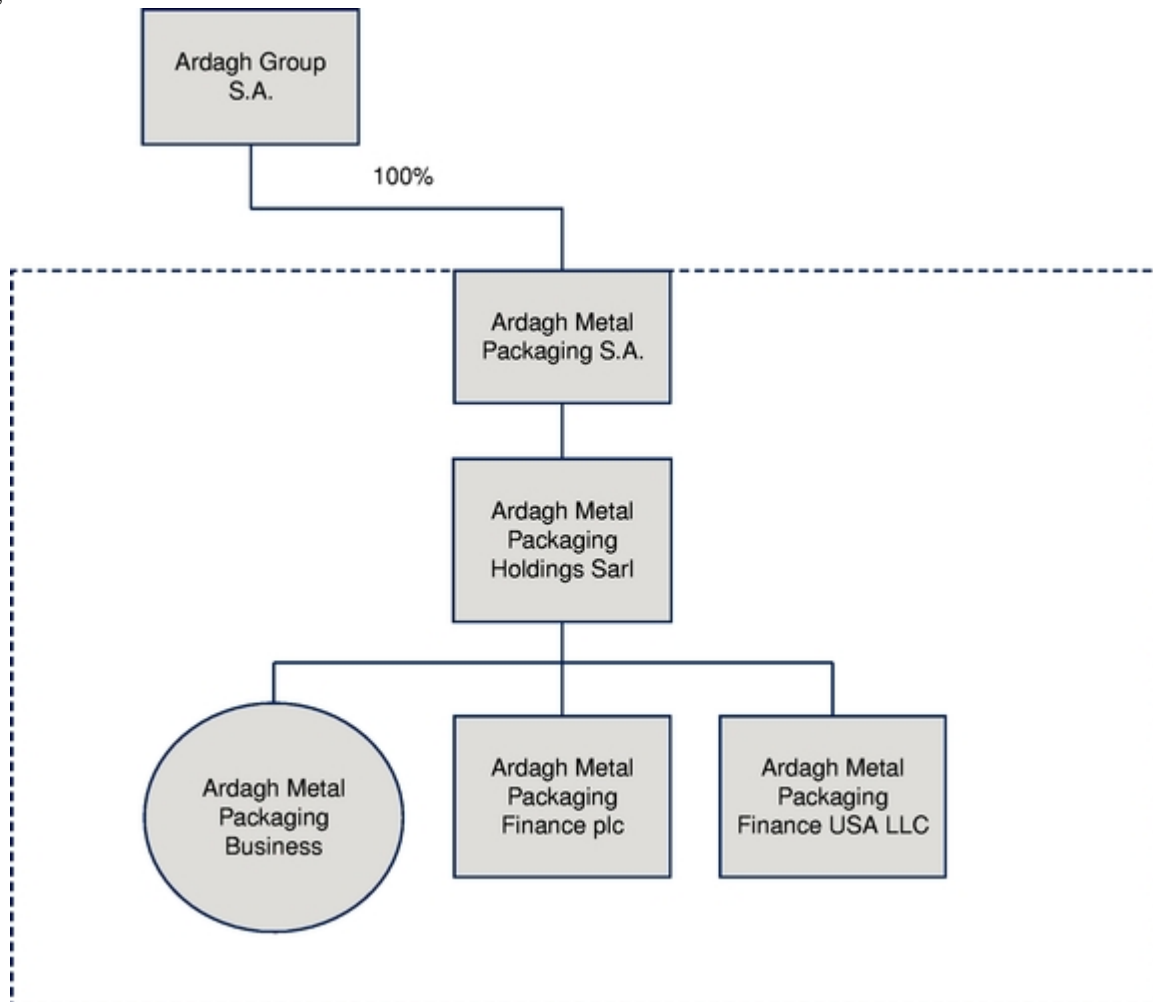

At Closing, MergeCo will merge with and into GHV, with GHV being the surviving corporation as a wholly owned subsidiary of AMPSA, and all shares of GHV Class A Common Stock outstanding immediately prior to the Merger Effective Time, other than any Excluded Shares (as defined in the Business Combination Agreement), will be contributed to AMPSA in exchange for AMPSA Shares, and all GHV Warrants outstanding immediately prior to the Merger Effective Time will be converted into AMPSA Warrants.

Ownership of AMPSA Upon Completion of the Business Combination

Following the Business Combination, GHV shall be a direct wholly owned subsidiary of AMPSA.

Representation and Warranties

The Business Combination Agreement contains customary representations, warranties and covenants of AMPSA, AGSA, GHV and MergeCo relating to, among other things, their ability to enter into the Business Combination Agreement and their outstanding capitalization.

CERTAIN AGREEMENTS RELATED TO THE BUSINESS COMBINATION

Transfer Agreement

On February 22, 2021, AGSA and AMPSA entered into a Transfer Agreement, pursuant to which, prior to the Pre-Closing Restructuring Completion Date, AGSA will effect the Pre-Closing Restructuring through a series of transactions that will result in, among other things, AMPSA owning the AMP Business.

The Transfer Agreement requires AMPSA to indemnify Ardagh Group and its affiliates for losses arising from AMPSA's business (including employee liabilities) and requires Ardagh Group to indemnify AMPSA for losses arising from Ardagh Group's business (including employee liabilities). The Transfer Agreement provides for other transactions, including the settlement of intercompany payables and receivables and the termination or transfer of various obligations and liabilities (including credit and support obligations) of the AMP Entities in favor of Ardagh Group's business, and of Ardagh Group in favor of the AMPSA's business.

In addition, the Transfer Agreement contains non-competition and employee non-solicitation obligations of both AMPSA and Ardagh Group. For a period commencing at the Pre-Closing Restructuring Completion Date and ending on the earlier of (i) the fifth anniversary of the Pre-Closing Restructuring Completion Date or (ii) the date on which Ardagh Group no longer is the beneficial owner of more than 50% of the voting stock of AMPSA, Ardagh Group and its subsidiaries (excluding any AMPSA entity) will not engage in AMPSA's business as conducted on the date of the Transfer Agreement with the exception of services provided under the Services Agreement, and AMPSA and its subsidiaries will not engage in Ardagh Group's businesses as conducted on the date of the Transfer Agreement with the exception of services provided under the Services Agreement. For a period commencing at the Pre-Closing Restructuring Completion Date and ending on the earlier of (i) the second anniversary of the Closing or (ii) the date on which Ardagh Group no longer is the beneficial owner of more than 50% of the voting stock of AMPSA, none of Ardagh Group or its subsidiaries (excluding any AMP Entity) will solicit for employment or hire any AMP Employee (as defined in the Transfer Agreement) with an annual base salary or wages greater than €150,000, subject to certain exceptions. Similarly, for the same period, none of AMPSA or its subsidiaries will solicit for employment or hire any employee of Ardagh Group with an annual base salary or wages greater than €150,000, subject to certain exceptions.

Services Agreement

In connection with the Pre-Closing Restructuring, AGSA and AMPSA will enter into a Services Agreement, pursuant to which AGSA, either directly or indirectly through its affiliates, will provide certain corporate and business-unit services to AMPSA and its subsidiaries, and AMPSA, either directly or indirectly through its affiliates, shall provide certain corporate and business-unit services to AGSA and its affiliates (other than the AMP Entities). The services provided pursuant to the Services Agreement include typical corporate functional support areas in order to complement the activities in areas which exist within the AMPSA Group (as defined in the Services Agreement). For each calendar year from 2021 through 2024, as consideration for the corporate services provided by Ardagh Group to AMPSA, AMPSA will provide corporate services to Ardagh Group and will pay Ardagh Group \$33 million for the calendar year 2021 (prorated to reflect the timing of the Pre-Closing Restructuring Completion Date), \$38 million for calendar year 2022, \$39 million for calendar year 2023 and \$39 million for calendar year 2024. The fees paid for services pursuant to the Services Agreement are subject to adjustment for third party costs and variations for certain volume-based services. As of December 31, 2024, or if earlier, the date upon which AMPSA or Ardagh Group undergoes a change of control, all corporate services provided pursuant to the Services Agreement will be provided at a price equal to the fully allocated cost of such services, or such other price to be negotiated in good

faith by the parties, taking into consideration various factors, including the cost of providing such corporate services and the level of services expected to be provided.

Shareholders Agreement

In connection with the completion of the Merger, AGSA and AMPSA will enter into the Shareholders Agreement, pursuant to which, among other things, AGSA will have the right to nominate nine directors to the AMPSA's board of directors, of whom (i) one will initially be the current Chief Executive Officer of AGSA, who will serve as chairperson of the board; and (ii) at least three shall satisfy the independence requirements of NYSE. Two independent directors will be appointed upon proposal for nomination by the Sponsor as Class I directors pursuant to the terms of the Business Combination Agreement. In addition, for so long as AGSA holds at least 20% of the outstanding AMPSA Shares, AGSA will also have the right to: (A) nominate a number of directors to the AMPSA's board of directors at least proportional to the number of outstanding AMPSA Shares owned by AGSA; (B) designate the chairperson of the board of directors of AMPSA (who need not be a nominee of Ardagh Group); and (C) appoint a number of representatives to each committee of the board of AMPSA that is at least proportional to the number of outstanding AMPSA Shares owned by AGSA. In addition, for so long as Ardagh Group holds at least 40% of the outstanding shares in AMPSA, Ardagh Group will also have the right to approve certain material actions to be taken by AMPSA.

Subscription Agreement

In connection with the execution of the Business Combination Agreement, AMPSA and GHV entered into the Subscription Agreements with the Subscribers, pursuant to which the Subscribers agreed to subscribe for, and AMPSA agreed to issue to the Subscribers, an aggregate of 60,000,000 AMPSA Shares, for a purchase price of \$10.00 per share, for an aggregate cash amount of \$600,000,000.

The issuance of the PIPE Shares pursuant to the Subscription Agreements is contingent upon, among other customary closing conditions, the substantially concurrent consummation of the Merger.

Pursuant to the Subscription Agreements, AMPSA agreed that, within 30 calendar days after the Closing Date, it will file with the SEC (at AMPSA's sole cost and expense) a registration statement registering the resale of the PIPE Shares, and AMPSA will use its commercially reasonable efforts to have the registration statement declared effective as soon as practicable after the filing thereof.

Pursuant to the Subscription Agreement entered into by the GHV Sponsor, the GHV Sponsor committed to acquire 2,500,000 AMPSA Shares (which may be syndicated by it) and to the GHV Sponsor Backstop.

Registration Rights and Lock-Up Agreement

In connection with the Closing, AMPSA, the Initial Stockholders and AGSA will enter into a Registration Rights and Lock-Up Agreement which provides customary demand and piggyback registration rights. Pursuant to the Registration Rights and Lock-Up Agreement, AMPSA will agree that, as soon as practicable, and in any event within 30 days after the Closing, it will file with the SEC (at AMPSA's sole cost and expense) a registration statement registering the resale of any outstanding AMPSA Shares or any other equity security held by a party to the Registration Rights and Lock-Up Agreement and any other equity security of AMPSA issued or issuable with respect to any such AMPSA Share by way of a dividend or stock split in connection with a combination of shares, recapitalization, merger, consolidation or other reorganization or otherwise, and AMPSA will use its reasonable efforts to have the registration statement declared effective as soon as practicable after the

filing thereof, but no later than the 60th day (or the 90th day if the registration statement is reviewed by, and received comments from, the SEC) following the filing deadline.

Subject to certain exceptions, including in connection with certain exchanges involving AGSA shareholders, AGSA may not transfer any AMPSA Shares beneficially owned or owned of record by it during the Share Lock-Up Period. During the Share Lock-Up Period, no Initial Stockholder may transfer AMPSA Shares beneficially owned or owned of record by such Initial Stockholder. During the period ending 30 days after the date of the Registration Rights and Lock-Up Agreement, no Initial Stockholder may transfer any GHV Warrants or any of the AMPSA Shares issued or issuable upon the exercise or conversion of such GHV Warrants beneficially owned or owned of record by such Initial Stockholder. The lock-up provisions are subject to a number of customary exceptions.

Warrant Assignment, Assumption and Amendment Agreement

In connection with the Closing, AMPSA will enter into a Warrant Assignment, Assumption and Amendment Agreement with GHV and Continental Stock Transfer & Trust Company, a New York corporation, as warrant agent to assume GHV's obligations under the existing Warrant Agreement, dated August 11, 2020 with respect to the GHV Warrants.

MATERIAL LUXEMBOURG TAX CONSIDERATIONS

The following is a general description of certain Luxembourg tax considerations relating to AMPSA and the holders of AMPSA Shares or AMPSA Warrants. It does not purport to be a complete analysis of all tax considerations in relation to the AMPSA Shares or AMPSA Warrants. Prospective purchasers should consult their own tax advisers as to which countries' tax laws could be relevant to acquiring, holding and disposing of the securities and the consequences of such actions under the tax laws of those countries. This overview is based upon the law as in effect on the date of this document and is subject to any change in law that may take effect after such date, even with retroactive effect.

The comments below are intended as a basic overview of certain tax consequences in relation to AMPSA and the purchase, ownership and disposition of AMPSA Shares or AMPSA Warrants under Luxembourg law. Tax matters are complex, and the tax consequences of the offering to a particular holder of AMPSA Shares or AMPSA Warrants will depend in part on such holder's circumstances. Accordingly, a holder is urged to consult his or her own tax advisor for a full understanding of the tax consequences of the offering to him or her, including the applicability and effect of Luxembourg tax laws.

The summary in this Luxembourg taxation paragraph does not address the Luxembourg tax consequences for a holder of AMPSA Shares or AMPSA Warrants who:

- (i) is an investor as defined in a specific law (such as the law on family wealth management companies of 11 May 2007, as amended, the law on undertakings for collective investment of 17 December 2010, as amended, the law on specialized investment funds of 13 February 2007, as amended, the law on reserved alternative investment funds of 23 July 2016, the law on securitisation of 22 March 2004, as amended, the law on venture capital vehicles of 15 June 2004, as amended and the law on pension saving companies and associations of 13 July 2005;
- (ii) is a Luxembourg resident individual;
- (iii) is, in whole or in part, exempt from tax; or
- (iv) acquires, owns or disposes of AMPSA Shares or AMPSA Warrants in connection with a membership of a management board, a supervisory board, an employment relationship, a deemed employment relationship or management role.

Where in this summary English terms and expressions are used to refer to Luxembourg tax concepts, the meaning to be attributed to such terms and expressions shall be the meaning to be attributed to the equivalent Luxembourg concepts under Luxembourg law.

Taxation of AMPSA

AMPSA is subject to Luxembourg tax on its worldwide profits at the current combined ordinary rate of 24.94% for Luxembourg City, including the 17% corporate income tax, a 6.75% municipal business tax and a solidarity surcharge (together the "Income Tax").

In principle, dividends and capital gains realized by AMPSA are subject to Income Tax in Luxembourg. However, provided the conditions of the Luxembourg participation exemption regime are met, dividends and capital gains realized by AMPSA upon the disposal of shares are not taxable in Luxembourg. Capital gains realized in relation to a participation qualifying for the Luxembourg participation exemption may, however, be taxable up to the amount of expenses or value adjustments in recapture, i.e. expenses economically connected to an exempt participation, which have been deducted from the tax base of the Luxembourg company. Certain general as well as specific anti-abuse provisions may apply.

Luxembourg net wealth tax ("NWT") will be due annually by AMPSA at the rate of 0.5% on its total net asset value below or equal to €500 million. The tranche above €500 million will be taxed at a rate of 0.05%.

Shareholdings qualifying for the Luxembourg participation exemption regime are excluded from the NWT basis provided that, the relevant entity holds a direct shareholding in a qualifying subsidiary representing at least 10% of the qualifying subsidiary's share capital or having an acquisition cost (including both share capital and share premium) of at least €1.2 million; there is no minimum holding period requirement.

Companies for which the sum of fixed financial assets (i.e., financial assets notably including shares and loans, transferable securities and cash) exceeds 90% of their total balance sheet and €350,000 are liable to a minimum annual NWT of €4,815. Other companies are liable to a minimum progressive tax (in an amount up to €32,100), depending on the total assets on their balance sheet.

Withholding taxation

Any dividends distributed by AMPSA will in principle be subject to a 15% withholding tax unless an exemption or a treaty reduction applies.

The concept "dividends distributed by AMPSA" as used in this Luxembourg taxation paragraph includes, but is not limited to, distributions in cash or in kind, proceeds paid by AMPSA upon a redemption or repurchase of ordinary AMPSA shares, repayments of capital and deemed and constructive distributions.

Luxembourg taxation of the holders

Luxembourg tax residence of the holders

Holders will not be deemed to be resident, domiciled or carrying on business in Luxembourg for income tax purposes solely by reason of holding, execution, performance, delivery, exchange and/or enforcement of the AMPSA Shares or AMPSA Warrants.

Taxation of Luxembourg non-residents

Holders who are non-residents of Luxembourg and who do not have a permanent establishment, a permanent representative, or a fixed place of business in Luxembourg with which the holding of the AMPSA Shares or AMPSA Warrants is connected, are not liable to any Luxembourg income tax (other than a tax potentially levied by way of withholding at source), whether they receive payments upon redemption or repurchase of all AMPSA Shares or AMPSA Warrants, or realize capital gains on the sale of any AMPSA Shares or AMPSA Warrants, unless they sell a participation of more than 10% in the capital of AMPSA within 6 months of its acquisition or they have been a resident of Luxembourg for tax purposes for at least 15 years and have become a non-resident within the five years preceding the realization of the gain.

Taxation of Luxembourg residents

Holders who are Luxembourg resident companies (*société de capitaux*) or foreign entities which have a permanent establishment or a permanent representative in Luxembourg with which the holding of the AMPSA Shares or AMPSA Warrants is connected, must include in their taxable income any income (including dividends) and the difference between the sale or redemption price and the tax book value of the AMPSA Shares or AMPSA Warrants sold or redeemed, unless the conditions of the Luxembourg participation exemption regime are met.

Net Wealth Tax

Luxembourg net wealth tax will not be levied on the AMPSA Shares or AMPSA Warrants held by a corporate holder, unless: (a) such holder is a Luxembourg resident or (b) such AMPSA Shares or AMPSA Warrants are attributable to an enterprise or part thereof which is carried on by a non-resident company in Luxembourg through a permanent establishment.

Other Taxes

No registration tax will be payable by a holder of AMPSA Shares or AMPSA Warrants upon the disposal of AMPSA Shares or AMPSA Warrants by sale or exchange. The issuance as well as the redemption of shares by a Luxembourg resident company as well as any other changes to its articles of association are subject to a fixed registration tax in Luxembourg amounting to EUR 75. Registration duties may, moreover, be due if documents relating to the AMPSA Shares or AMPSA Warrants are (i) voluntarily registered in Luxembourg, (ii) appended to a document that requires obligatory registration in Luxembourg or (iii) deposited with the official records of a Luxembourg notary.

There is no Luxembourg value added tax payable in respect of payments in consideration for the issuance of the AMPSA Shares or AMPSA Warrants or in respect of the payment under the AMPSA Shares or AMPSA Warrants or in respect of the transfer of the AMPSA Shares and/or AMPSA Warrants. Luxembourg value added tax may, however, be payable in respect of fees charged for certain services rendered to AMPSA if, for Luxembourg value added tax purposes, such services are rendered or are deemed to be rendered in Luxembourg and an exemption from Luxembourg value added tax does not apply with respect to such services.

No Luxembourg inheritance tax is levied on the transfer of the AMPSA Shares or AMPSA Warrants upon the death of a holder in cases where the deceased was not a resident of Luxembourg for inheritance tax purposes. Where a holder is a resident or a deemed resident of Luxembourg for at the time of his or her death, the AMPSA Shares or AMPSA Warrants are included in his taxable estate for inheritance tax assessment purposes. No Luxembourg gift tax will be levied on the transfer of the AMPSA Shares or AMPSA Warrants by way of gift unless the gift is registered in Luxembourg.

MATERIAL U.S. FEDERAL INCOME TAX CONSIDERATIONS

Subject to the qualifications, assumptions and limitations in the opinion attached as Exhibit 8.1, the statements of law and legal conclusions set forth below represent the opinion of Shearman & Sterling LLP.

This section describes the material U.S. federal income tax considerations for beneficial owners of GHV Common Stock and GHV Warrants (collectively, the "GHV Securities") (i) of electing to have their GHV Common Stock redeemed for cash if the Merger is completed, (ii) of the Merger and (iii) of the ownership and disposition of AMPSA Shares and AMPSA Warrants ("AMPSA Securities") acquired pursuant to the Merger. This discussion applies only to GHV Securities and AMPSA Securities held as capital assets for U.S. federal income tax purposes (generally, property held for investment) and does not discuss all aspects of U.S. federal income taxation that might be relevant to holders in light of their particular circumstances or status, including the Medicare contribution tax on net investment income, or holders who are subject to special rules, including:

brokers or dealers;

traders in securities that elect to use a mark-to-market method of accounting for their securities holdings;

tax-exempt organizations, qualified retirement plans, individual retirement accounts or other tax deferred accounts;

banks or other financial institutions, underwriters, insurance companies, real estate investment trusts or regulated investment companies;

U.S. expatriates or former long-term residents of the United States;

persons that own (directly, indirectly, or by attribution) 5% or more (by vote or value) of the GHV Common Stock or AMPSA Shares;

persons holding GHV Securities or AMPSA Securities as part of a straddle, hedging or conversion transaction, constructive sale, or other arrangement involving more than one position;

U.S. holders (as defined below) whose functional currency is not the U.S. dollar;

persons who purchase shares in AMPSA as part of the PIPE Investment;

persons that received GHV Securities or AMPSA Securities as compensation for services; or

controlled foreign corporations or passive foreign investment companies.

If a partnership (including any entity or arrangement treated as a partnership for U.S. federal income tax purposes) holds GHV Securities or AMPSA Securities, the tax treatment of a partner in such partnership will depend upon the status of the partner and the

activities of the partnership. Partners should consult their tax advisors regarding the U.S. federal income tax treatment of the Business Combination and of holding the GHV Securities or AMPSA Securities.

This discussion is based on the Code, its legislative history, existing and proposed Treasury regulations promulgated under the Code (the "Treasury Regulations"), published guidance by the Internal Revenue Service (the "IRS") and court decisions, all as of the date hereof. These laws are subject to change, possibly on a retroactive basis. This discussion is necessarily general and does not address all aspects of U.S. federal income taxation, including the effect of the U.S. federal alternative minimum tax, or U.S. federal estate and gift tax, or any state, local or non-U.S. tax laws to a holder of GHV Securities or AMPSA Securities. GHV and AMPSA have not sought and do not intend to seek any rulings from the IRS regarding the Business Combination. There is no assurance that the IRS will

not take positions concerning the tax consequences of the Business Combination that are different from those discussed below, or that any such different positions would not be sustained by a court.

ALL HOLDERS OF GHV SECURITIES SHOULD CONSULT WITH THEIR TAX ADVISORS REGARDING THE TAX CONSEQUENCES OF THE BUSINESS COMBINATION AND CONSIDERATIONS RELATING TO THE OWNERSHIP AND DISPOSITION OF AMPSA SECURITIES, INCLUDING THE EFFECTS OF U.S. FEDERAL, STATE, AND LOCAL AND NON-U.S. TAX LAWS.

U.S. Federal Income Tax Treatment of AMPSA

A corporation generally is considered to be a tax resident for U.S. federal income tax purposes in the jurisdiction of its organization or incorporation. Accordingly, under the generally applicable U.S. federal income tax rules, AMPSA, which is incorporated under the laws of Luxembourg, would be classified as a non-U.S. corporation (and, therefore, not a U.S. tax resident) for U.S. federal income tax purposes. Section 7874 of the Code provides an exception to this general rule (more fully discussed below), under which a non-U.S. incorporated entity may, in certain circumstances, be treated as a U.S. corporation for U.S. federal income tax purposes. These rules are complex and there is limited guidance regarding their application.

Under Section 7874, a corporation created or organized outside the United States (*i.e.*, a non-U.S. corporation) will nevertheless be treated as a U.S. corporation for U.S. federal income tax purposes (and, therefore, as a U.S. tax resident subject to U.S. federal income tax on its worldwide income) if each of the following three conditions are met: (i) the non-U.S. corporation, directly or indirectly, acquires substantially all of the properties held directly or indirectly by one or more U.S. corporations (including through the acquisition of all of the outstanding shares of a U.S. corporation); (ii) the non-U.S. corporation's "expanded affiliated group" does not have "substantial business activities" in the non-U.S. corporation's country of organization or incorporation and tax residence relative to the expanded affiliated group's worldwide activities (this test is referred to as the "substantial business activities test"); and (iii) after the acquisition, the percentage of the shares of the non-U.S. acquiring corporation held by former shareholders of the acquired U.S. corporation(s) by reason of holding shares in the U.S. acquired corporation(s) (taking into account the receipt of the non-U.S. corporation's shares in exchange for each U.S. corporation's shares) as determined for purposes of Section 7874 (the "Section 7874 ownership percentage") is at least 80% (by either vote or value) (this test is referred to as the "80% ownership test" and the three-prong test described in clauses (i)-(iii) above is referred to as the "Section 7874(b) expatriation test").

Further, Section 7874 can limit the ability of U.S. corporations and their U.S. affiliates acquired by "surrogate foreign corporations" to utilize certain U.S. tax attributes (including net operating losses and certain tax credits) to offset U.S. taxable income resulting from certain transactions. These limitations will potentially apply if the Section 7874(b) expatriation test would be satisfied if the 80% ownership test were applied by substituting "60%" for "80%", in which case the taxable income of the U.S. corporations (and any U.S. person considered to be related to the U.S. corporations pursuant to applicable rules) for any given year, within a period beginning on the first date the U.S. corporations' properties were acquired directly or indirectly by the non-U.S. acquiring corporation and ending 10 years after the last date the U.S. corporations' properties were acquired, will be no less than that person's "inversion gain" for that taxable year. A person's inversion gain includes gain from the transfer of shares or any other property (other than property held for sale to customers) and income from the license of any property that is either transferred or licensed as part of the acquisition or after the acquisition to a non-U.S. related person. In general, the effect of this provision is to deny the use of net operating losses, foreign tax credits or other tax attributes to offset the inversion gain. In addition, dividends paid by AMPSA would not qualify for "qualified dividend income" treatment. Further, the Tax Cuts and Jobs Act imposed additional requirements on a U.S. corporation that has

failed the substantial business activities test and met the 60% ownership test, including that such U.S. corporation must include, as base erosion payments that may be subject to a minimum tax, any amounts treated as reductions in gross income paid to a related non-U.S. person within the meaning of Section 59A of the Code.

Based upon the terms of the Pre-Closing Restructuring pursuant to the Transfer Agreement and the Merger, the rules for determining share ownership under Section 7874 and the Treasury Regulations promulgated thereunder, and certain factual assumptions, both GHV and AMPSA currently expect that the Section 7874 ownership percentage should be less than 60% after the Merger. Accordingly, AMPSA is not expected to be treated as a U.S. corporation for U.S. federal income tax purposes and the U.S. subsidiaries of AMPSA are not expected to be subject to the limitations and other rules described above under Section 7874. However, whether the 80% ownership test (or 60% ownership test) has been satisfied must be finally determined after completion of the Merger, by which time there could be adverse changes to the relevant facts and circumstances or adverse rule changes. In addition, the rules for determining ownership under Section 7874 are complex and unclear.

If AMPSA were to be treated as a U.S. corporation for U.S. federal income tax purposes, it could be subject to substantial liability for additional U.S. income taxes, and the gross amount of any dividend payments to its non-U.S. holders (as defined below) could be subject to 30% U.S. withholding tax, depending on the application of any income tax treaty that might apply to reduce the withholding tax. Furthermore, if the IRS were to successfully assert that the 60% ownership test has been met, the ability of the U.S. subsidiaries of AMPSA to utilize certain U.S. tax attributes against income or gain recognized pursuant to certain transactions may be limited.

The remainder of this discussion assumes that AMPSA will not be treated as a U.S. corporation for U.S. federal income tax purposes and the U.S. subsidiaries of AMPSA will not be subject to the limitations and other rules under Section 7874.

U.S. Holders

The section applies to you if you are a U.S. holder. For purposes of this discussion, a U.S. holder means a beneficial owner of GHV Securities or AMPSA Securities that is, for U.S. federal income tax purposes:

an individual who is a citizen or resident of the United States;

a corporation (or other entity taxable as a corporation for U.S. federal income tax purposes) created or organized in or under the laws of the United States, any state thereof or the District of Columbia;

an estate whose income is subject to U.S. federal income tax regardless of its source; or

a trust if (1) a U.S. court can exercise primary supervision over the trust's administration and one or more U.S. persons are authorized to control all substantial decisions of the trust; or (2) the trust has a valid election in effect under applicable Treasury Regulations to be treated as a U.S. person.

The Merger

GHV's obligation to effect the Merger is conditioned on the receipt by AMPSA of the Tax Opinion, providing that for U.S. federal income tax purposes the Merger, taken together with certain related transactions, should qualify as a transaction described under Section 351 of the Code and should not subject the GHV stockholders to U.S. federal income tax under Section 367 of the Code (subject to entry into gain recognition agreements by any such stockholders required to enter into such agreements to preserve tax-free treatment under Section 367 of the Code). Such opinion will be based

on customary assumptions and on representations made by AGSA and GHV, as well as certain covenants and undertakings by AGSA and GHV. If any of the assumptions, representations, covenants or undertakings by AGSA or GHV is incorrect, incomplete or inaccurate or is violated, the accuracy of the opinion described above may be affected and the U.S. federal income tax consequences of the Merger could differ from those described herein. An opinion by KPMG LLP is not binding on the IRS or any court. Neither AGSA nor GHV intends to request a ruling from the IRS regarding the U.S. federal income tax consequences of the Merger. Accordingly, even if AMPSA receives the Tax Opinion, no assurance can be given that the IRS will not challenge the conclusions reflected in the Tax Opinion or that a court would not sustain such a challenge.

Assuming the receipt and accuracy of the Tax Opinion described above, a U.S. holder that exchanges its GHV Common Stock in the Merger for AMPSA Shares generally should not recognize any gain or loss on such exchange. In such case, the aggregate adjusted tax basis of the AMPSA Shares received by a U.S. holder in the Merger should be equal to the adjusted tax basis of the GHV Common Stock surrendered in the Merger in exchange therefor. The holding period of the AMPSA Shares should include the holding period of the GHV Common Stock surrendered in the Merger in exchange therefor.

To the extent the Merger does not so qualify, then a GHV stockholder that is a U.S. holder generally would recognize gain, if any, in an amount equal to the excess of (i) the fair market value of the AMPSA Shares (and, if such U.S. holder is also surrendering GHV Warrants, AMPSA Warrants) received over (ii) such U.S. holder's adjusted tax basis in the GHV Common Stock (and GHV Warrants, if any) exchanged therefor. Any such gain would be capital gain, and would be long-term capital gain only if the U.S. holder's holding period for the GHV Common Stock (and GHV Warrants, if any) exceeds one year at the time of the Merger.

The appropriate U.S. federal income tax treatment of the disposition of GHV Warrants in exchange for AMPSA Warrants in connection with the Merger is uncertain. It is possible that a U.S. holder of GHV Warrants could be treated as exchanging such GHV Warrants for "new" warrants. If so treated, a U.S. holder could be required to recognize gain or loss in such deemed exchange in an amount equal to the difference between the fair market value of the AMPSA Warrants held by such U.S. holder immediately following the Merger and the adjusted tax basis of the GHV Warrants held by such U.S. holder immediately prior to the Merger. Alternatively, it is also possible that a U.S. holder of GHV Warrants could be treated as transferring its GHV Warrants and shares of GHV Common Stock to AMPSA for AMPSA Warrants and AMPSA Shares in an exchange governed only by Section 351 of the Code (and not by Section 368 of the Code). If so treated, a U.S. holder should be required to recognize gain (but not loss) in an amount equal to the lesser of (i) the amount of gain realized by such holder (generally, the excess of (x) the sum of the fair market values of the AMPSA Warrants treated as received by such holder and the AMPSA Shares received by such holder over (y) such holder's aggregate adjusted tax basis in the GHV Warrants and GHV Common Stock treated as having been exchanged therefor) and (ii) the fair market value of the AMPSA Warrants treated as having been received by such holder in such exchange. However, if the deemed transfer of GHV Warrants also qualifies as part of a "reorganization" within the meaning of Section 368 of the Code, subject to Section 367(a) of the Code as discussed below, a U.S. holder of GHV Warrants generally should not recognize any gain or loss on any such deemed transfer of GHV Warrants, and such U.S. holder's basis in the AMPSA Warrants deemed received should be equal to the U.S. holder's basis in its GHV Warrants deemed transferred. The requirements for qualification of the Merger as a "reorganization" under Section 368 of the Code are more stringent in certain respects than the requirements for qualification as an exchange under Section 351 of the Code.

While not free from doubt, GHV and AMPSA intend to report the exchange of GHV Warrants for AMPSA Warrants as not qualifying as part of a "reorganization" within the meaning of Section 368

of the Code. U.S. holders of GHV Warrants are urged to consult with their tax advisors regarding the treatment of their GHV Warrants in connection with the Merger.

Section 367(a)

Section 367(a) of the Code and the Treasury Regulations promulgated thereunder generally require a U.S. holder of stock in a U.S. corporation to recognize gain (but not loss) when such stock is exchanged for stock of a non-U.S. corporation in an exchange that would otherwise qualify for nonrecognition treatment, unless certain conditions are met. U.S. holders of GHV Common Stock will be deemed to transfer shares of such stock to AMPSA in exchange for AMPSA Shares, and Section 367(a) would require gain (but not loss) recognition by such stockholders unless each of the following conditions is met: (i) the U.S. corporation complies with certain reporting requirements; (ii) no more than 50% of both the total voting power and the total value of the stock of AMPSA is received in the exchange, in the aggregate, by "U.S. transferors" (as defined in the Treasury Regulations), computed by taking into account direct, indirect and constructive ownership; (iii) no more than 50% of each of the total voting power and the total value of the stock of AMPSA is owned, in the aggregate, immediately after the exchange by "U.S. persons" (as defined in the Treasury Regulations) that are officers, directors or "five-percent target shareholders" of GHV (as defined in the Treasury Regulations), computed by taking into account direct, indirect and constructive ownership; (iv) either (A) the U.S. holder is not a "five-percent transferee shareholder" of AMPSA (as defined in the Treasury Regulations) or (B) the U.S. holder is a "five-percent transferee shareholder" of AMPSA and enters into an agreement with the IRS to recognize gain on the transferred GHV Common Stock under certain circumstances; and (v) the "active trade or business test" as defined in Treasury Regulation Section 1.367(a)-3(c)(3) is satisfied. The active trade or business test generally requires (A) AMPSA or any qualified subsidiary of AMPSA to be engaged in an "active trade or business" outside of the United States for the 36-month period immediately before the transfer and neither the transferors nor AMPSA to have an intention to substantially dispose of or discontinue such trade or business and (B) the fair market value of AMPSA to be at least equal to the fair market value of GHV, as specifically determined for purposes of Section 367 of the Code, at the time of the transfer.

It is currently expected that conditions (i), (ii), (iii) and (v) above will be met and AMPSA expects to receive the Tax Opinion to that effect. As a result, AMPSA does not expect Section 367(a) to apply with respect to the exchange of GHV Common Stock for AMPSA Shares (subject to entry into gain recognition agreements by any "five-percent transferee shareholder" of AMPSA required to enter into such an agreement to preserve tax-free treatment under Section 367 of the Code). However, U.S. holders are cautioned that the potential application of Section 367(a) of the Code to the Merger is complex and depends on factors that cannot be determined until the closing of the Merger and upon the interpretation of legal authorities and facts relating to the Business Combination. U.S. holders should consult with their own tax advisors regarding the potential application of Section 367(a) of the Code in their particular situation.

To the extent that a U.S. holder of GHV Common Stock is required to recognize gain under Section 367(a) for any of the foregoing reasons, such U.S. holder would recognize gain, if any, in the Merger in an amount equal to the excess of (i) the sum of the fair market value of the AMPSA Shares (and, if such holder's GHV Warrants convert to AMPSA Warrants, the fair market value of the AMPSA Warrants) received by such holder, over (ii) such holder's adjusted tax basis in the GHV Common Stock (and GHV Warrants, if any) exchanged therefor. Any such gain would be capital gain, and generally would be long-term capital gain if the U.S. holder's holding period for the GHV Common Stock (and GHV Warrants, if any) exceeds one year at the time of the Merger.

Redemption of GHV Common Stock

In the event that a U.S. holder of GHV Common Stock exercises its right to have its GHV Common Stock redeemed pursuant to the redemption provisions described in the section of this registration statement captioned "*Special Meeting in Lieu of 2021 Annual Meeting of Company Stockholders—Redemption Rights*", the treatment of the transaction for U.S. federal income tax purposes will depend on whether the redemption qualifies as a sale of such stock pursuant to Section 302 of the Code or whether the U.S. holder will be treated as receiving a corporate distribution. Whether that redemption qualifies for sale treatment will depend largely on the total number of shares of GHV Common Stock treated as held by the U.S. holder (including any stock constructively owned by the U.S. holder as a result of, among other things, owning GHV Warrants) relative to all of shares of GHV Common Stock both before and after the redemption. The redemption of stock generally will be treated as a sale of the stock (rather than as a corporate distribution) if the redemption is "substantially disproportionate" with respect to the U.S. holder, results in a "complete termination" of the U.S. holder's interest in GHV or is "not essentially equivalent to a dividend" with respect to the U.S. holder. These tests are explained more fully below.

In determining whether any of the foregoing tests are satisfied, a U.S. holder takes into account not only stock actually owned by the U.S. holder, but also shares of GHV Common Stock that are constructively owned by such U.S. holder. A U.S. holder may constructively own, in addition to stock owned directly, stock owned by certain related individuals and entities in which the U.S. holder has an interest or that have an interest in such U.S. holder, as well as any stock the U.S. holder has a right to acquire by exercise of an option, which generally would include common stock that could be acquired pursuant to the exercise of the GHV Warrants. In order to meet the substantially disproportionate test, the percentage of GHV's outstanding voting stock actually and constructively owned by the U.S. holder immediately following the redemption of GHV Common Stock must, among other requirements, be less than 80% of the percentage of GHV's outstanding voting stock actually and constructively owned by the U.S. holder immediately before the redemption. There will be a complete termination of a U.S. holder's interest if either all the shares of GHV Common Stock actually and constructively owned by the U.S. holder are redeemed or all the shares of GHV Common Stock actually owned by the U.S. holder are redeemed and the U.S. holder is eligible to waive, and effectively waives in accordance with specific rules, the attribution of stock owned by certain family members and the U.S. holder does not constructively own any other stock. The redemption of the GHV Common Stock will not be essentially equivalent to a dividend if a U.S. holder's redemption results in a "meaningful reduction" of the U.S. holder's proportionate interest in GHV. Whether the redemption will result in a meaningful reduction in a U.S. holder's proportionate interest in GHV will depend on the particular facts and circumstances. However, the IRS has indicated in a published ruling that even a small reduction in the proportionate interest of a small minority stockholder in a publicly-held corporation who exercises no control over corporate affairs may constitute such a "meaningful reduction."

If the redemption qualifies as a sale of stock by the U.S. holder under Section 302 of the Code, the U.S. holder generally will be required to recognize gain or loss in an amount equal to the difference, if any, between the amount of cash received and the tax basis of the shares of GHV Common Stock redeemed. Such gain or loss should be treated as capital gain or loss if such shares were held as a capital asset on the date of the redemption. Any such capital gain or loss will generally be long-term capital gain or loss if the U.S. holder's holding period for such GHV Common Stock exceeds one year. It is unclear, however, whether the redemption rights of a U.S. holder with respect to the GHV Common Stock may suspend the running of the applicable holding period for this purpose. If the running of the holding period is suspended, then non-corporate U.S. holders may not be able to satisfy the one year holding period requirement for long-term capital gain treatment, in which case any gain on a sale or taxable disposition of the GHV Common Stock would be subject to short-term capital gain treatment and would be taxed at regular ordinary income tax rates. Long-term capital gains

recognized by non-corporate U.S. holders may be taxed at reduced rates. The deductibility of capital losses is subject to limitations. A U.S. holder's tax basis in such holder's shares of GHV Common Stock generally will equal the cost of such shares. A U.S. holder that purchased GHV units would have been required to allocate the cost between the shares of GHV Common Stock and the warrants comprising the units based on their relative fair market values at the time of the purchase.

If the redemption does not qualify as a sale of stock under Section 302 of the Code, then the U.S. holder will be treated as receiving a corporate distribution. Such distribution generally will constitute a dividend for U.S. federal income tax purposes to the extent paid from current or accumulated earnings and profits of GHV, as determined under U.S. federal income tax principles. Distributions in excess of current and accumulated earnings and profits will constitute a return of capital that will be applied against and reduce (but not below zero) the U.S. holder's adjusted tax basis in such U.S. holder's GHV Common Stock. Any remaining excess will be treated as gain realized on the sale or other disposition of the GHV Common Stock. After the application of the foregoing rules, any remaining tax basis of the U.S. holder in the redeemed GHV Common Stock will be added to the U.S. holder's adjusted tax basis in its remaining stock, or, to the basis of stock constructively owned by such holder if the stock actually owned by the holder is completely redeemed.

Dividends deemed paid by GHV to a U.S. holder that is a taxable corporation generally will qualify for the dividends received deduction if the requisite holding period is satisfied. With certain exceptions, and provided certain holding period requirements are met, dividends deemed paid by GHV to a non-corporate U.S. holder generally will constitute "qualified dividends" that will be subject to tax at the rates accorded to long-term capital gains. It is unclear whether the redemption rights with respect to the GHV Common Stock described in this proxy statement/prospectus may prevent a U.S. holder from satisfying the applicable holding period requirements with respect to the dividends received deduction or the preferential tax rate on qualified dividend income, as the case may be.

A U.S. holder should consult with its own tax advisors as to the tax consequences of a redemption.

Distributions on AMPSA Shares

Subject to the discussion below under "*Passive Foreign Investment Company Rules*," the gross amount of any distribution on AMPSA Shares generally will be taxable to a U.S. holder as ordinary dividend income on the date such distribution is actually or constructively received, but only to the extent that the distribution is paid out of AMPSA's current or accumulated earnings and profits (as determined under U.S. federal income tax principles). Because AMPSA does not maintain, nor is it required to maintain, calculations of its earnings and profits under U.S. federal income tax principles, it is expected that any distributions generally will be reported to U.S. Holders as dividends. Any such dividends generally will not be eligible for the dividends received deduction allowed to corporations in respect of dividends received from other U.S. corporations.

With respect to non-corporate U.S. holders, dividends will be taxed at the lower applicable long-term capital gains rate (see "*Sale, Exchange, Redemption or Other Taxable Disposition of AMPSA Shares and AMPSA Warrants*" below) if AMPSA Shares are readily tradable on an established securities market in the United States (which they will be if AMPSA shares are traded on the NYSE) and certain other requirements are met, including that AMPSA is not classified as a passive foreign investment company during the taxable year in which the dividend is paid or the preceding taxable year. There can be no assurance that AMPSA Shares will be considered readily tradable on an established securities market in future years. U.S. holders should consult their own tax advisors regarding the potential availability of the lower rate for any dividends paid with respect to AMPSA Shares.

As discussed in the section of this registration statement captioned "*Material Luxembourg Tax Considerations*", withholding taxes may be imposed under Luxembourg law upon dividends paid by AMPSA. Subject to certain conditions and limitations, withholding taxes on dividends paid by AMPSA

may be treated as foreign taxes eligible for credit or deduction against a U.S. holder's U.S. federal income tax liability under the U.S. foreign tax credit rules. For purposes of calculating the U.S. foreign tax credit, dividends paid on AMPSA Shares will generally be treated as income from sources outside the United States and will generally constitute passive category income. The rules governing the U.S. foreign tax credit are complex. U.S. holders should consult their tax advisors regarding the availability of the U.S. foreign tax credit or deduction under their particular circumstances.

Sale, Exchange, Redemption or Other Taxable Disposition of AMPSA Shares and AMPSA Warrants

Subject to the discussion below under "*Passive Foreign Investment Company Rules*," a U.S. holder generally will recognize gain or loss on any sale, exchange, redemption or other taxable disposition of AMPSA Securities in an amount equal to the difference between (i) the amount realized on the disposition and (ii) such U.S. holder's adjusted tax basis in such securities. Any gain or loss recognized by a U.S. holder on a taxable disposition of AMPSA Securities generally will be capital gain or loss and will be long-term capital gain or loss if the holder's holding period in such shares and/or warrants exceeds one year at the time of the disposition. Preferential tax rates may apply to long-term capital gains of non-corporate U.S. holders (including individuals). The deductibility of capital losses is subject to limitations. Any gain or loss recognized by a U.S. holder on the sale or exchange of AMPSA Securities generally will be treated as U.S. source gain or loss.

Exercise or Lapse of an AMPSA Warrant

Subject to the PFIC rules discussed below and except as discussed below with respect to the cashless exercise of an AMPSA Warrant, a U.S. holder generally will not recognize gain or loss upon the exercise of an AMPSA Warrant for cash. A U.S. holder's tax basis in an AMPSA Share received upon exercise of the AMPSA Warrant generally should be an amount equal to the sum of (i) the U.S. holder's tax basis in the AMPSA Warrant exchanged therefor and (ii) the exercise price. The U.S. holder's holding period for an AMPSA Share received upon exercise of the AMPSA Warrant will begin on the date following the date of exercise (or possibly the date of exercise) of the AMPSA Warrant and will not include the period during which the U.S. holder held the AMPSA Warrant. If an AMPSA Warrant is allowed to lapse unexercised, a U.S. holder generally will recognize a capital loss equal to such holder's tax basis in the AMPSA Warrant.

The tax consequences of a cashless exercise of an AMPSA Warrant are not clear under current U.S. federal income tax law. A cashless exercise may be tax-deferred, either because the exercise is not a realization event or because the exercise is treated as a recapitalization for U.S. federal income tax purposes. In either tax-deferred situation, a U.S. holder's basis in the AMPSA Shares received would equal the holder's basis in the AMPSA Warrants exercised therefor. If the cashless exercise were treated as not being a realization event, it is unclear whether a U.S. holder's holding period for the AMPSA Shares would be treated as commencing on the date of exercise of the warrants or the day following the date of exercise of the warrants. If the cashless exercise were treated as a recapitalization, the holding period of the AMPSA Shares would include the holding period of the AMPSA Warrants exercised therefor.

It is also possible that a cashless exercise of an AMPSA Warrant could be treated in part as a taxable exchange in which gain or loss would be recognized. In such event, a U.S. holder would recognize gain or loss with respect to the portion of the exercised AMPSA Warrants treated as surrendered to pay the exercise price of the AMPSA Warrants (the "surrendered warrants"). The U.S. holder would recognize capital gain or loss with respect to the surrendered warrants in an amount generally equal to the difference between (i) the fair market value of the AMPSA Warrants deemed surrendered and (ii) the U.S. holder's tax basis in the surrendered warrants. In this case, a U.S. holder's tax basis in the AMPSA Shares received would equal the U.S. holder's tax basis in the AMPSA Warrants exercised (meaning, the AMPSA Warrants disposed of by the U.S. holder in the

cashless exercise, other than the surrendered warrants) and the exercise price of such AMPSA Warrants. It is unclear whether a U.S. holder's holding period for the AMPSA Shares would commence on the date of exercise of the warrants or the day following the date of exercise of the warrants.

Due to the absence of authority on the U.S. federal income tax treatment of a cashless exercise of warrants, there can be no assurance which, if any, of the alternative tax consequences and holding periods described above would be adopted by the IRS or a court of law. Accordingly, U.S. holders should consult their tax advisors regarding the tax consequences of a cashless exercise of AMPSA Warrants.

Possible Constructive Distributions

The terms of each AMPSA Warrant provide for an adjustment to the number of AMPSA Shares for which the AMPSA Warrant may be exercised or to the exercise price of the AMPSA Warrant in certain events, as discussed in the section of this registration statement captioned "*Description of AMPSA's Securities*." An adjustment which has the effect of preventing dilution generally is not taxable. A U.S. holder of a AMPSA Warrant would, however, be treated as receiving a constructive distribution from AMPSA if, for example, the adjustment increases the holder's proportionate interest in AMPSA's assets or earnings and profits (e.g., through an increase in the number of AMPSA Shares that would be obtained upon exercise of such warrant) as a result of a distribution of cash to the holders of the AMPSA Shares which is taxable to the U.S. holders of such shares as described under "*Distributions on AMPSA Shares*" above. Such constructive distribution would be subject to tax as described under that section in the same manner as if the U.S. holder of such warrant received a cash distribution from AMPSA equal to the fair market value of such increased interest.

Passive Foreign Investment Company Rules

The treatment of U.S. holders of the AMPSA Securities could be materially different from that described above if AMPSA is treated as a passive foreign investment company, or PFIC, for U.S. federal income tax purposes. A PFIC is any non-U.S. corporation with respect to which either: (i) 75% or more of the gross income for a taxable year constitutes passive income for purposes of the PFIC rules, or (ii) 50% or more of such non-U.S. corporation's assets in any taxable year (generally based on the quarterly average of the value of its assets during such year) is attributable to assets, including cash, that produce passive income or are held for the production of passive income. Passive income generally includes dividends, interest, royalties and certain rents. The determination of whether a non-U.S. corporation is a PFIC is based upon the composition of such non-U.S. corporation's income and assets (including, among others, its proportionate share of the income and assets of any other corporation in which it owns, directly or indirectly, 25% or more (by value) of the stock), and the nature of such non-U.S. corporation's activities. A separate determination must be made after the close of each taxable year as to whether a non-U.S. corporation was a PFIC for that year. Once a non-U.S. corporation qualifies as a PFIC it is, with respect to a shareholder during the time it qualifies as a PFIC, and subject to certain exceptions, always treated as a PFIC with respect to such shareholder, regardless of whether it satisfied either of the qualification tests in subsequent years.

Based on the projected composition of AMPSA's income and assets (including the income and assets of each subsidiary for which AMPSA owns, directly or indirectly, 25% or more (by value) of its stock following the Merger), AMPSA does not expect to be classified as a PFIC for its taxable year that includes the date of the Merger or for any taxable year in the foreseeable future. However, the application of the PFIC rules is subject to uncertainty as the composition of AMPSA's income and assets (including the income and assets of its applicable subsidiaries following the Merger) may change in the future and, therefore, no assurances can be provided that AMPSA will not be a PFIC for the taxable year that includes the date of the Merger or in a future year.

If AMPSA is or becomes a PFIC during any year in which a U.S. holder holds AMPSA Securities and such holder does not make a mark-to-market election, as described below, the U.S. holder will be subject to special tax rules with respect to (i) any gain realized on a sale or other disposition (including a pledge) of its AMPSA Securities, and (ii) any "excess distributions" it receives on its AMPSA Shares (generally, any distributions in excess of 125% of the average of the annual distributions on AMPSA Shares during the preceding three years or the U.S. holder's holding period, whichever is shorter). Generally, under this excess distribution regime:

the gain or excess distribution will be allocated ratably over the period during which the U.S. holder held its AMPSA Securities;

the amount allocated to the current taxable year will be treated as ordinary income; and

the amount allocated to prior taxable years will be subject to the highest tax rate in effect for that taxable year and the interest charge generally applicable to underpayments of tax will be imposed on the resulting tax attributable to each such year.

In lieu of being subject to the special tax rules discussed above with regard to its AMPSA Shares, a U.S. holder may make a mark-to-market election with respect to its AMPSA Shares. A U.S. holder may make a mark-to-market election if such shares are treated as "marketable stock." The AMPSA Shares generally will be treated as marketable stock if they are regularly traded on a national securities exchange that is registered with the SEC, including the NYSE, or on a qualified non-U.S. exchange or other market (within the meaning of the applicable Treasury regulations). Although the AMPSA Shares are expected to be listed on the NYSE, no assurance can be given that the AMPSA Shares will be "regularly traded" for purposes of the mark-to-market election. AMPSA does not intend to provide information necessary for U.S. holders to make a "qualified electing fund" election which, if available, would result in tax treatment different from the general tax treatment for PFICs described above.

If AMPSA is classified as a PFIC for any taxable year, a U.S. holder of AMPSA Shares will be required to file an annual report on IRS Form 8621. Failure to file IRS Form 8621 for each applicable taxable year may result in substantial penalties and result in the U.S. holder's taxable years being open to audit by the IRS until such Forms are properly filed.

U.S. holders are urged to consult their tax advisors concerning the U.S. federal income tax consequences of holding AMPSA Securities in the event that AMPSA is considered a PFIC in any taxable year.

Additional Reporting Requirements

U.S. holders who are individuals and certain entities will be required to report information with respect to such U.S. holder's investment in "specified foreign financial assets" on IRS Form 8938 (Statement of Specified Foreign Financial Assets), subject to certain exceptions (including an exception for AMPSA Securities held in accounts maintained at certain financial institutions). An interest in AMPSA Securities constitutes a specified foreign financial asset for these purposes. Persons who are required to report specified foreign financial assets and fail to do so may be subject to substantial penalties and the period of limitations on assessment and collection of U.S. federal income taxes will be extended in the event of a failure to comply. U.S. holders are urged to consult their tax advisors regarding the foreign financial asset and other reporting obligations and their application to the ownership and disposition of AMPSA Securities.

Non-U.S. Holders

The section applies to you if you are a non-U.S. holder. For purposes of this discussion, a "non-U.S. holder" is a beneficial owner (other than a partnership or an entity or arrangement characterized as a partnership for U.S. federal income tax purposes) of GHV Securities or AMPSA

Securities that is not a U.S. holder, including a nonresident alien individual (other than certain former citizens and residents of the United States), a non-U.S. corporation, or a non-U.S. estate or trust.

This section generally does not apply to an individual who is present in the United States for 183 days or more in a taxable year. A holder that is such an individual should consult its tax advisor regarding the U.S. federal income tax consequences of holding GHV Securities or AMPSA Securities.

The Merger

The U.S. federal income tax consequences of the Merger to non-U.S. holders generally will correspond to the U.S. federal income tax consequences described under "*U.S. Holders—The Merger*," above, except that Section 367(a) of the Code will not apply to any non-U.S. holder and, to the extent the Merger results in a taxable exchange of GHV Common Stock or GHV Warrants, the consequences for a non-U.S. holder of recognizing gain in such a taxable exchange would be the same as the consequences of recognizing gain on a sale or other disposition of AMPSA Securities described below under the heading "*Non-U.S. Holders Generally*." *Redemption of GHV Common Stock*

The characterization for U.S. federal income tax purposes of the redemption of a non-U.S. holder's GHV Common Stock pursuant to the redemption provisions described in the section of this registration statement captioned "*Special Meeting in Lieu of 2021 Annual Meeting of Company Stockholders—Redemption Rights*", will generally correspond to the U.S. federal income tax characterization of such a redemption of a U.S. holder's GHV Common Stock, as described under "*U.S. Holders—Redemption of GHV Common Stock*," above.

The consequences for a non-U.S. holder of recognizing gain in such a redemption would be the same as the consequences of recognizing gain on a sale or other disposition of AMPSA Securities described below under the heading "*Non-U.S. Holders Generally*."

If the redemption does not qualify as a sale of stock under Section 302 of the Code, the portion of the redemption proceeds characterized as a distribution, which, to the extent of GHV's current or accumulated earnings and profits (as determined under U.S. federal income tax principles), will constitute a dividend for U.S. federal income tax purposes will be subject to a U.S. federal withholding tax on the gross amount of the dividend at a rate of 30%, unless (i) such dividends are effectively connected with the non-U.S. holder's conduct of a trade or business within the United States, or (ii) such non-U.S. holder is eligible for a reduced rate of withholding tax under an applicable income tax treaty and provides proper certification of its eligibility for such reduced rate (usually on an IRS Form W-8BEN or W-8BEN-E, as applicable). To the extent that the amount of the distribution exceeds GHV's current and accumulated earnings and profits (as determined under U.S. federal income tax principles), such excess amount will be treated first as a non-taxable return of capital to the extent of the non-U.S. holder's tax basis in its GHV Common Stock, and thereafter as gain realized, which will be treated the same as a sale or other disposition of AMPSA Securities described below under the heading "*Non-U.S. Holders Generally*." Dividends paid by GHV to a non-U.S. holder that are effectively connected with such non-U.S. holder's conduct of a trade or business within the United States (or if a tax treaty applies, are attributable to a U.S. permanent establishment or fixed base maintained by the non-U.S. holder in the United States) will generally not be subject to U.S. withholding tax, provided such non-U.S. holder complies with certain certification and disclosure requirements (usually by providing an IRS Form W-8ECI). Instead, the effectively connected income will be subject to regular U.S. income tax as if the non-U.S. holder were a U.S. resident, unless an applicable income tax treaty provides otherwise. A corporate non-U.S. holder receiving effectively connected dividends may also be subject to an additional "branch profits tax" imposed at a rate of 30% (or a lower treaty rate).

Non-U.S. Holders Generally

Assuming that AMPSA is not treated as a U.S. corporation under the rules discussed above under "*U.S. Federal Income Tax Treatment of AMPSA*", a non-U.S. holder of AMPSA Shares will not be subject to U.S. federal income tax or, subject to the discussion below under "*Information Reporting and Backup Withholding*," U.S. federal withholding tax on any dividends (including constructive dividends) received on AMPSA Securities or any gain recognized on a sale or other disposition of AMPSA Securities (including, any distribution to the extent it exceeds the adjusted basis in the non-U.S. holder's AMPSA Shares) unless such dividend or gain (i) is effectively connected with the non-U.S. holder's conduct of a trade or business in the United States, and (ii) if required by an applicable tax treaty, is attributable to a permanent establishment maintained by the non-U.S. holder in the United States.

Any such dividends and gains that are effectively connected with a non-U.S. holder's conduct of a trade or business in the United States (and, if required by an applicable income tax treaty, are attributable to a permanent establishment or fixed base in the United States) generally will be subject to U.S. federal income tax at the same regular U.S. federal income tax rates applicable to a comparable U.S. holder and, in the case of a corporate non-U.S. holder, also may be subject to an additional branch profits tax at a 30% rate or a lower applicable tax treaty rate.

The U.S. federal income tax treatment of a non-U.S. holder's exercise of an AMPSA Warrant, or the lapse of a AMPSA Warrant held by a non-U.S. holder, generally will correspond to the U.S. federal income tax treatment of the exercise or lapse of a warrant held by a U.S. holder, as described under "*U.S. Holders—Exercise or Lapse of a AMPSA Warrant*," above, although to the extent a cashless exercise results in a taxable exchange, the consequences for a non-U.S. holder of recognizing gain in such a taxable exchange would be the same as the consequences of recognizing gain on a sale or other disposition of AMPSA Securities described in the preceding paragraphs above regarding a non-U.S. holder's sale or other disposition of AMPSA Securities.

FATCA

Sections 1471 to 1474 of the Code (such Sections commonly referred to as the Foreign Account Tax Compliance Act, or "*FATCA*") impose a 30% withholding tax on payments of U.S.-source dividends (including a redemption of GHV Common Stock that is treated as a dividend), and subject to the discussion of certain proposed Treasury Regulations below, on the gross proceeds from a redemption treated as a sale, in each case if paid to "foreign financial institutions" (which is broadly defined for this purpose and in general includes investment vehicles) and certain other non-U.S. entities unless various U.S. information reporting and due diligence requirements (generally relating to ownership by U.S. persons of interests in or accounts with those entities) have been satisfied, or an exemption applies (typically certified as to by the delivery of a properly completed IRS Form W-8BEN-E). If FATCA withholding is imposed, certain non-U.S. holders generally will be able to obtain a refund of any amounts withheld by filing a U.S. federal income tax return (which may entail significant administrative burden). Non-U.S. holders located in jurisdictions that have an intergovernmental agreement with the U.S. governing FATCA may be subject to different rules. Non-U.S. holders should consult their tax advisers regarding the possible implications of FATCA upon the redemption of their GHV Common Stock.

The IRS released proposed Treasury Regulations that, if finalized in their present form, would eliminate the U.S. federal withholding tax of 30% applicable to the gross proceeds of a redemption of GHV Securities that is treated as sale. In its preamble to such proposed Treasury Regulations, the IRS stated that taxpayers may generally rely on the proposed Treasury Regulations until final Treasury Regulations are issued.

Information Reporting and Backup Withholding

Payments of dividends and sales proceeds that are made within the United States or through certain U.S.-related financial intermediaries are subject to information reporting, and may be subject to backup withholding. Backup withholding generally will not apply, however, to a U.S. holder if (i) the U.S. holder is a corporation or other exempt recipient or (ii) in the case of backup withholding, the U.S. holder provides a correct taxpayer identification number and certifies that it is not subject to backup withholding. A Non-U.S. holder generally will eliminate the requirement for information reporting and backup withholding by providing certification of its non-U.S. status, under penalties of perjury, on a duly executed applicable IRS Form W-8 or by otherwise establishing an exemption.

Backup withholding is not an additional tax. The amount of any backup withholding from a payment to a holder will be allowed as a credit against such holder's U.S. federal income tax liability and a holder may obtain a refund of any excess amounts withheld under the backup withholding rules by timely filing the appropriate claim for a refund with the IRS and furnishing any required information.

GHV STOCKHOLDER PROPOSAL NO. 1–MERGER PROPOSAL

Overview

We are asking our stockholders to adopt the Business Combination Agreement and approve the Merger. Our stockholders should read carefully this proxy statement/prospectus in its entirety for more detailed information concerning the Business Combination Agreement, which is attached as Annex A to this proxy statement/prospectus. Please see the subsection entitled "*The Business Combination*," "*The Business Combination Agreement*" and "*Certain Agreements Related to the Business Combination*" for additional information and a summary of certain terms of the Merger, the Business Combination Agreement and the Related Agreements. You are urged to read carefully the Business Combination Agreement in its entirety before voting on this proposal.

We may consummate the Merger only if it is approved by the affirmative vote of the holders of a majority of the outstanding shares of GHV Common Stock entitled to vote thereon at the Special Meeting.

Independent Director Oversight

The GHV Board is comprised of a majority of independent directors who are not affiliated with its Sponsor and its affiliates, including The Gores Group. In connection with the Business Combination, GHV's independent directors, Messrs. Randall Bort, William Patton and Jeffrey Rea, took an active role in evaluating the proposed terms of the Business Combination, including the Business Combination Agreement and the Related Agreements. As part of their evaluation of the Business Combination, GHV's independent directors were aware of the potential conflicts of interest with its Sponsor and its affiliates, including The Gores Group, that could arise with regard to the proposed terms of the Business Combination Agreement and the PIPE. The GHV Board did not deem it necessary to, and did not form, a special committee of the Board to exclusively evaluate and negotiate the proposed terms of the Business Combination, as the Board is comprised of a majority of independent and disinterested directors and did not deem the formation of a special committee necessary or appropriate. GHV's independent directors reviewed and considered these interests during the negotiation of the Business Combination and in evaluating and unanimously approving, as members of the Board, the Business Combination Agreement and the Business Combination.

GHV's Board of Directors' Reasons for the Approval of the Business Combination

Please see the section entitled "*The Business Combination—GHV's Board of Directors' Reasons for the Approval of the Business Combination.*"

Satisfaction of 80% Test

It is a requirement under GHV's current certificate of incorporation and the Nasdaq listing requirements that the business or assets acquired in GHV's initial business combination have a fair market value equal to at least 80% of the balance of the funds in the Trust Account (excluding the deferred underwriting commissions and taxes payable on the income earned on the Trust Account) at the time of the execution of a definitive agreement for our initial business combination. As of February 22, 2021, the date of the execution of the Business Combination Agreement, the balance of the Trust Account was approximately \$525,028,195 (excluding \$18,375,000 of deferred underwriting commissions and taxes payable on the income earned on the Trust Account) and 80% thereof represents approximately \$420,022,556. In reaching its conclusion that the Business Combination meets the 80% asset test, the GHV Board reviewed the enterprise value of AMPSA of approximately \$8.5 billion implied on February 22, 2021 by adding: (i) approximately \$4,850 million of equity consideration in the post-combination company to be issued to the AMPSA Shareholders; (ii) approximately \$3,400 million of cash consideration payable to the AMPSA Shareholders; (iii) the assumption of approximately \$134 million of AMPSA's existing net indebtedness; (iv) the payment of approximately \$45 million of certain transaction costs; and (v) the retention of GHV Founder Shares by our Initial Stockholders valued at approximately \$98 million (after giving effect to the cancellation of 3,281,250 such shares). In determining whether the enterprise value described above represents the fair market value of AMPSA, the GHV Board considered all of the factors described above in this section and the fact that the purchase price for AMPSA was the result of an arm's length negotiation. As a result, the GHV Board concluded that the fair market value of the business acquired was significantly in excess of 80% of the assets held in the Trust Account (excluding the deferred underwriting commissions and taxes payable on the income earned on the Trust Account).

Total Company Shares to be Issued in the Business Combination

It is anticipated that, upon completion of the Merger, and assuming that no shares are elected to be redeemed: (i) the Public Stockholders (other than the Subscribers) will retain an ownership interest of approximately 8.6% in AMPSA; (ii) the Subscribers will own approximately 9.9% of AMPSA (such that Public Stockholders, including Subscribers, will own approximately 18.5% of AMPSA); (iii) the Initial Stockholders (including our Sponsor) will own approximately 1.6% of AMPSA; and (iv) AGSA will own approximately 79.9% of AMPSA.

The Subscribers have agreed to purchase in the aggregate approximately 60,000,000 shares of GHV Class A Common Stock, for approximately \$600,000,000 of gross proceeds, in the PIPE (excluding the GHV Sponsor Backstop). In this proxy statement, we assume that approximately \$600,000,000 of the gross proceeds from the PIPE, in addition to funds from the Trust Account (plus any interest accrued thereon), will remain on AMPSA's balance sheet to fund ongoing growth initiatives and the payment of certain transaction expenses. The ownership percentage with respect to AMPSA following the Merger (i) does not take into account warrants to purchase GHV Class A Common Stock that will be converted into AMPSA Warrants but (ii) does include GHV Founder Shares, which will be converted into shares of GHV Class A Common Stock at the closing of the Merger on a one-for-one basis. If the actual facts are different than these assumptions (which they are likely to be), the percentage ownership retained by the Company's existing stockholders in AMPSA following the consummation of the Merger will be different. For more information, please see the sections entitled "*Summary of the Proxy Statement–AMPSA's Public Float*" and "*Unaudited Pro Forma Condensed Combined Financial Information*."

Name; Headquarters

The name of AMPSA after the Business Combination will be AMPSA. The headquarters of AMPSA is 56, rue Charles Martel, L-2134 Luxembourg, Luxembourg.

Redemption Rights

Pursuant to our current certificate of incorporation, holders of Public Shares may elect to have their shares redeemed for cash at the applicable redemption price per share calculated in accordance with our current certificate of incorporation. As of December 31, 2020, the redemption price would have been approximately \$10.00 per share. If a holder exercises its redemption rights, then such holder will be exchanging its shares of our GHV Class A Common Stock for cash and will not own shares of AMPSA following the consummation of the Merger. Such a holder will be entitled to receive cash for its Public Shares only if it properly demands redemption and delivers its shares (either physically or electronically) to our transfer agent in accordance with the procedures described herein. Notwithstanding the

foregoing, a holder of the Public Shares, together with any affiliate of his or her or any other person with whom he or she is acting in concert or as a "group" (as defined in Section 13d-3 of the Exchange Act) will be restricted from exercising redemption rights with respect to more than 20% of the shares of GHV Class A Common Stock included in the GHV Units sold in our IPO. Accordingly, all Public Shares in excess of the 20% threshold beneficially owned by a Public Stockholder or group will not be redeemed for cash.

We have no specified maximum redemption threshold under our current certificate of incorporation, other than the aforementioned 20% threshold. Each redemption of shares of GHV Class A Common Stock by our Public Stockholders will reduce the amount in our Trust Account, which

held cash and investment securities with a fair value of \$525,020,571 as of December 31, 2020. In addition, in no event will we redeem shares of our GHV Class A Common Stock in an amount that would result in the Company's failure to have net tangible assets exceeding \$5,000,000. Please see the section entitled "*Special Meeting in Lieu of 2021 Annual Meeting of Company Stockholders—Redemption Rights*" for the procedures to be followed if you wish to redeem your shares for cash.

Appraisal Rights

Appraisal rights are not available to our stockholders in connection with the Merger.

Accounting Treatment of the Business Combination

As the first step within the Business Combination, AGSA will undertake the Pre-Closing Restructuring whereby AGSA will effect a series of transactions that will result in among other things, (a) the AMP Business being wholly owned by AMPSA and (b) any assets and liabilities relating to the business of AGSA (other than the AMP Business) that are held by the AMP Entities being transferred to subsidiaries of AGSA that are not the AMP Entities, and assets and liabilities relating to the AMP Business that are held by subsidiaries of AGSA (other than the AMP Entities) being transferred to the AMP Entities. These transactions are accounted for as a capital reorganization as, prior to the Pre-Closing Restructuring, AMPSA does not meet the definition of a business under IFRS 3 (Business Combination). Under a capital reorganization, the consolidated financial statements of AMPSA reflect the net assets transferred at pre-combination predecessor book values. Following this first step, AMPSA will continue to be a wholly owned subsidiary of AGSA.

The capital reorganization will be followed at closing by a Merger whereby MergeCo (a wholly owned subsidiary of AMPSA) will merge with and into GHV, with GHV being the surviving corporation as a wholly owned subsidiary of AMPSA. This Merger transaction will be accounted for within the scope of IFRS 2 (Share-based Payment). Under this method of accounting, there is no acquisition accounting and no recognition of goodwill, as GHV is not considered a business as defined by IFRS 3 (Business Combinations) given it consists predominantly of cash in the Trust Account. Under this method of accounting, GHV will be treated as the "acquired" company for financial reporting purposes. In order to reach this conclusion, the following factors were also taken into consideration: (i) the business will comprise the ongoing operations of AMPSA; (ii) senior management will comprise the senior management of AMPSA; and (iii) the pre-Business Combination shareholders of AMPSA will have the largest ownership of AMPSA and the right to appoint the highest number of board members relative to other shareholders.

In accordance with IFRS 2, the difference in the fair value of the consideration (shares and warrants issued by AMPSA) for the acquisition of GHV over the fair value of the identifiable net assets of GHV will represent a service for listing of AMPSA and be accounted for as an expense for a share-based payment. The consideration for the acquisition of GHV was determined using the closing price of GHV's publicly traded GHV Class A Common Stock and the Public Warrants traded on Nasdaq under the ticker symbols "GRSV" and "GRSVW" as of March 3, 2021.

Material U.S. Federal Income Tax Considerations

For a detailed discussion of material U.S. federal income tax consequences and Luxembourg tax consequences of the Business Combination, see the sections titled "*Material U.S. Federal Income Tax Considerations*" and "*Material Luxembourg Tax Considerations*" in this proxy statement/prospectus.

Vote Required for Approval

The Merger is conditioned on the approval of the Merger Proposal at the Special Meeting.

This Merger Proposal (and consequently, the Business Combination Agreement and the Merger) will be adopted and approved only if at least a majority of the outstanding shares of GHV Common Stock entitled to vote thereon at the Special Meeting vote "**FOR**" the Merger Proposal. Failure to vote by proxy or to vote in person at the Special Meeting, abstentions and broker non-votes will have the same effect as a vote "**AGAINST**" the Merger Proposal.

Our Initial Stockholders have agreed to vote any shares of GHV Common Stock owned by them in favor of the Merger. As of the record date, our Sponsor, directors and officers own 20% of our issued and outstanding shares of GHV Common Stock.

GHV STOCKHOLDER PROPOSAL NO. 2–GOVERNANCE PROPOSAL

References in this section to "we," "our," "us," the "Company," or "Gores" generally refer to GHV.

Overview

Our stockholders are also being asked to vote on a separate proposal with respect to certain governance provisions in AMPSA's Articles, which are separately being presented in accordance with SEC guidance and which will be voted upon a non-binding advisory basis. Pursuant to the Business Combination Agreement, MergeCo will merge with and into the Company, with the Company being the surviving corporation as a wholly owned subsidiary of AMPSA. As such, AMPSA's Articles will govern the activities of the Company post-Business Combination. AMPSA's Articles, and the provisions described below, were specifically negotiated by AGSA and were essential to AGSA's and AMPSA's willingness to enter into the Business Combination Agreement. Accordingly, regardless of the outcome of the non-binding advisory vote on these proposals, and assuming the approval of the Business Combination Proposal, AMPSA's Articles will be in effect at the Closing.

Proposal No. 2A: Change in Authorized Shares

Description of the Provision of AMPSA's Articles

Under AMPSA's Articles, the authorized share capital of AMPSA is set at one billion Euro (EUR 1,000,000,000), divided into one hundred billion (100,000,000,000) shares, with a par value of one Euro cent (EUR 0.01) each. Under our current certificate of incorporation, we authorized the Company to issue (a) 440,000,000 shares of GHV Common Stock, including (i) 400,000,000 shares of GHV Class A Common Stock and (ii) 40,000,000 shares of GHV Class F Common Stock, and (b) 1,000,000 shares of preferred stock, \$0.0001 per share.

Reasons for the Provision of AMPSA's Articles

The increase in the total number of authorized shares provides AMPSA post-Business Combination the adequate authorized capital to provide flexibility for the future issuance of AMPSA Shares if determined by the board of AMPSA post-Business Combination to be in the best interest of AMPSA, without the necessity of, or the delay imposed by the need to seek, further stockholder approval.

Proposal No. 2B: Compulsory Share Transfer

Description of the Provision of AMPSA's Articles

AMPSA's Articles include a provision that gives a holder of 75% of its outstanding shares the right to acquire the remaining AMPSA's Shares held by all other holders at such time for a purchase price payable in cash that is equal to the fair market value of such shares, as determined by an independent investment banking firm of international reputation, subject to certain additional procedures under the AMPSA Articles, including a dispute resolution provision permitting holders of at least 10% of the shares of AMPSA to dispute the purchase price proposed by any acquiring shareholder. Upon completion of the Merger, AGSA will own approximately 80% of the outstanding AMPSA Shares and will have the right to invoke the compulsory share transfer provision after the completion of the Merger. See "*Description of AMPSA's Securities*," "*Comparison of Stockholder Rights*" and "*Risk Factors*." Under our current certificate of incorporation, no such provision exists.

Reasons for the Provision of AMPSA's Articles

The compulsory share transfer provision in AMPSA's Articles replicates a similar provision in AGSA's Articles, and is included in AMPSA's Articles to permit a shareholder that owns 75% of AMPSA Shares to acquire (without the approval of AMPSA's board of directors or any additional

shareholders) the remaining AMPSA Shares in accordance with, and subject to the protections for minority shareholders included in, that provision. This provision is included because, under Luxembourg law, such a transaction cannot otherwise be effected unless a person owns 95% of a Luxembourg company's outstanding voting shares and certain other requirements are satisfied. Under Delaware law, as a general matter, the holder of 90% of a Delaware corporation's voting shares can effect such a transaction without board of director or further stockholder approval.

GHV STOCKHOLDER PROPOSAL NO. 3–THE ADJOURNMENT PROPOSAL

References in this section to "we," "our," "us," the "Company," or "Gores" generally refer to GHV.

Overview

The Adjournment Proposal, if adopted, will allow us to adjourn the Special Meeting to a later date or dates to permit further solicitation of proxies. The Adjournment Proposal will only be presented to our stockholders (A) in the event that any supplement or amendment to this proxy statement/prospectus that the Board has determined in good faith is required by applicable law to be disclosed to Company stockholders and so that such supplement or amendment to be promptly disseminated to Company stockholders prior to the Special Meeting, (B) in the event that, as of the time for which the Special Meeting is originally scheduled, there are insufficient shares of GHV Common Stock represented (either in person or by proxy) to constitute a quorum necessary to conduct business at the Special Meeting or (C) in the event that there are insufficient votes for, or otherwise in connection with, the approval of the Merger Proposal.

Consequences if the Adjournment Proposal is Not Approved

If the Adjournment Proposal is not approved by our stockholders, we may not be able to adjourn the Special Meeting to a later date in the event that there are insufficient votes for, or otherwise in connection with, the approval of the Merger Proposal or any other proposal.

Vote Required for Approval

The approval of the Adjournment Proposal requires the affirmative vote of a majority of the votes cast by holders of outstanding shares of GHV Common Stock represented in person or by proxy and entitled to vote thereon at the Special Meeting. Accordingly, a Company stockholder's failure to vote by proxy or to vote in person at the Special Meeting, as well as an abstention from voting and a broker non-vote with regard to the Adjournment Proposal will have no effect on the Adjournment Proposal. Abstentions will be counted in connection with the determination of whether a valid quorum is established but will have no effect on the Adjournment Proposal.

INFORMATION ABOUT AMPSA

Except where the context otherwise requires or where otherwise indicated, all references in this section to "AMPSA," the "Company," "we," "our," and "us" refer to Ardagh Metal Packaging S.A. and its consolidated subsidiaries following consummation of the Pre-Closing Restructuring pursuant to the Transfer Agreement.

Overview

Ardagh Group

Ardagh Group operates as a global supplier of metal and glass packaging for the world's leading brands. As of December 31, 2020, Ardagh Group operated 56 production facilities in 12 countries across three continents, employing over 16,000 people. Prior to Closing, pursuant to the Transfer Agreement, AGSA will effect a series of transactions that will result in the subsidiaries of AGSA that are engaged in the business of developing, manufacturing, marketing and selling metal beverage cans and ends and providing related technical and customer services being wholly owned by AMPSA.

In 2016, Ardagh Group completed the acquisition of the AMP Business for total consideration of \$3.0 billion, comprising 22 beverage can production facilities in Europe, North America and Brazil which, on a combined basis, we believe established the third largest beverage can business globally.

Since 2016, Ardagh Group has expanded the beverage can business organically through strategic investments in new capacity to support our customers' growth, including a new beverage can ends facility in Manaus, Brazil, completed in 2018 and the addition of new production lines. In addition, the end use category mix of the beverage can business has been diversified through growing our presence in faster growing beverage categories.

As a leading supplier of sustainable, innovative, value added rigid packaging solutions, Ardagh Group's products have historically included metal beverage cans and glass containers, primarily for end use categories including beer, food, wine, spirits, carbonated soft drinks, energy drinks, juices and sparkling waters. Ardagh Group's customers include a wide variety of leading consumer product companies, with over 1,500 customers across more than 90 countries, as of December 31, 2020. In its target regions of Europe, North America and Brazil, Ardagh Group's customers include a wide variety of consumer-packaged goods companies owning some of the best known brands in the world.

AMPSA

We are one of the leading suppliers of consumer metal beverage cans in the world and believe that we hold the #2 or #3 market positions in Europe, the United States and Brazil. The global beverage can industry is a large, consumer-driven industry with attractive growth characteristics. Our end-use categories include beer, carbonated soft drinks, energy drinks, hard seltzers, juices, pre-mixed cocktails, teas, sparkling waters and wine. Our customers include a wide variety of leading beverage producers, which value our packaging products for their convenience and quality, as well as the end-user appeal they offer through design, innovation and brand promotion. With our significant invested capital base, supported by consistent levels of re-investment, our extensive technical capabilities and manufacturing know-how, we believe we are well-positioned to continue to meet the dynamic needs of our global customers.

Within the \$117 billion global metal packaging industry, the metal can packaging market is comprised of beverage cans (50%), food cans (28%), aerosol cans (5%) and other cans (17%), according to an October 2020 report from Smithers Pira, a leading independent market research firm with extensive specialized experience in the packaging, paper and print industries. We compete in the beverage can sector of the consumer metal packaging industry. We estimate the beverage can sector revenues to be approximately \$33 billion based on sales as of 2019 with more than 360 billion beverage

cans produced globally. Because the consumer metal beverage packaging industry primarily supplies packaging for food, drinks and other basic needs, it is considered to be a relatively stable market sector that is less sensitive to economic cycles than many other industries.

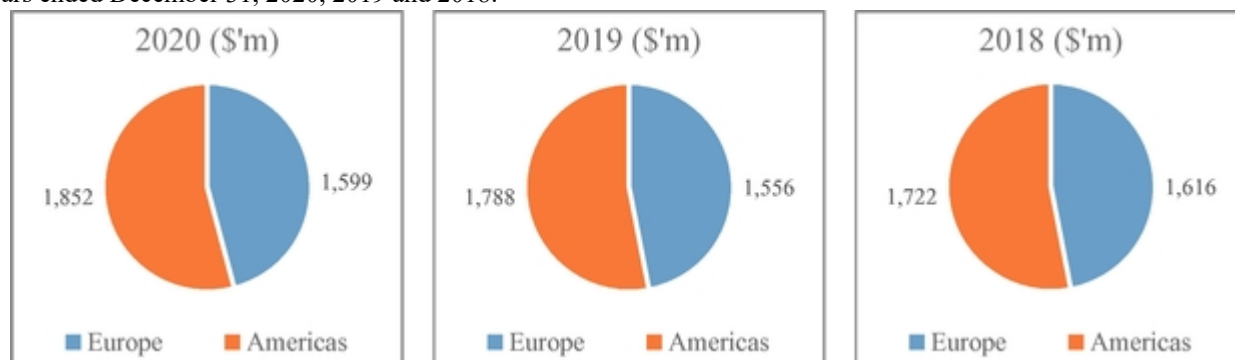

We serve over 200 customers across more than 40 countries, comprised of multi-national companies and large national and regional companies. In our target regions of Europe, North America and Brazil, our customers include a wide variety of companies owning some of the best-known beverage brands in the world. We have a stable customer base with long-standing relationships and approximately three-quarters of our sales are generated under multi-year contracts, with the remainder largely subject to annual arrangements. A significant portion of our sales volumes are supplied under contracts which include input cost pass-through provisions, which help us deliver generally consistent margins.

We operate 23 production facilities in 9 countries and employ approximately 4,900 personnel. Our plants are generally well located to serve our customers' filling locations. Certain facilities may also be dedicated to specific end-use categories, enhancing product-specific expertise and generating benefits of scale and production efficiency. Significant capital has been invested in our extensive network of long-lived production facilities, which, together with our skilled workforce and related manufacturing process know-how, supports our competitive positions.

We are committed to market-leading innovation and product development and maintain dedicated innovation, development and engineering centers in the United States and Europe to support these efforts. These facilities focus on three main areas: (i) innovations that provide enhanced product design, differentiation and user friendliness for our customers and end-use consumers; (ii) innovations that reduce input costs to generate cost savings for both our customers and us (downgauging); and (iii) developments to meet evolving product safety standards and regulations.

Revenues for the year ended December 31, 2020 were \$3,451 million. Adjusted EBITDA and net cash from operating activities for the year ended December 31, 2020 were \$545 million and \$334 million, respectively.

The following charts illustrate the breakdown of total revenue of our two operating and reportable segments, Europe and Americas, for the years ended December 31, 2020, 2019 and 2018:

Sustainability

Sustainability is a core pillar of our business, recognizing that long-term economic viability is dependent upon having a sustainable business model.

Our sustainability focus is centered on minimizing the impact of our operations and products on the environment, promoting a healthy, safe and inclusive workplace for our employees and contributing positively to the communities in which we operate. Upon consummation of the Merger, we will have a Sustainability Committee to oversee our sustainability initiatives, supported by our sustainability function.

In pursuance of our environmental objective we seek to promote recycling of our products, enhance our product design and target continuous improvement in our processes. Metal is infinitely recyclable, without any degradation in quality, differentiating it from many other packaging substrates. We expect these attributes to continue to enhance our products' appeal, as consumer awareness of sustainability and the environment grows.

Recycling rates for aluminum beverage cans are relatively high in the geographies in which we operate, estimated at 56% in the United States, 76% in Europe and 98% in Brazil as of 2018-2019. The use of recycled aluminum reduces energy consumption by over 90% compared with the alternative of producing aluminum cans from its virgin source.

We continuously aim to reduce the material and resource usage in the manufacturing of our products through lightweighting of our metal beverage cans. In addition, we have established specialist groups across our business and promote best practice sharing, in order to drive continuous improvement in our processes.

In 2020, Ardagh Group revised its sustainability strategy and set new targets, which apply to our business, including a 27% reduction in Ardagh Group's carbon emissions by 2030. These targets will be achieved through a wide range of initiatives, including (i) greater usage of renewable energy, including the installation of solar projects in multiple production facilities, (ii) promoting the use of recycled content, (iii) pursuing energy-efficiency projects across Ardagh Group's plant network, (iv) procuring electricity from renewable sources (v) sourcing sustainable inputs from Ardagh Group's supplier base and (vi) minimizing VOC and NOx emissions.

Ardagh Group has committed to adopt science-based sustainability targets through the Science-Based Targets initiative, which also apply to our business, whereby Ardagh Group will set specific goals for reducing greenhouse gas emissions in alignment with the Paris Agreement 2015, under which governments mutually pledged to limit the increase in global temperatures to 1.5 degrees Celsius.

Ardagh Group is a signatory to the United National Global Compact, and its strategy is linked to specific development goals, including Affordable and Clean Energy (Sustainable Development Goal #7), Responsible Consumption and Production (#12), Climate Action (#13), Partnerships for the Goals (#17), Good Health and Wellbeing (#3), Quality Education (#4) and Gender Equality (#5).

Ardagh Group has been awarded Leadership Class ratings by CDP (formerly the Carbon Disclosure Project), gaining an A- with respect to climate change and an A- with respect to water management.

We aim to ensure a safe and healthy workplace for all of our employees by embedding a culture of safety awareness. Broad principles are supported by detailed policies and procedures to minimize accidents and injuries through continuous training and education. We are committed to promoting diversity and inclusion in the workplace and are establishing diversity and inclusion councils across our business units.

We are a significant local employer and seek to play a positive role in our communities. This can involve promoting educational linkages with the community, through internships and apprenticeships, engaging with schools in relation to environmental awareness and recycling, and by promoting and supporting initiatives to help local charities and good causes.

Our Competitive Strengths

Leader in Metal Beverage Packaging. We believe we are one of the leading suppliers of metal beverage can packaging solutions, capable of supplying multi-national, national and regional beverage producers in our target markets. We believe that we are the #2 supplier of metal beverage cans by value in Europe. In addition, we believe that we are the #3 supplier of metal

beverage cans by value in each of the United States and Brazil. We believe the combination of our extensive footprint, proximity to customers, efficient manufacturing and high level of customer service underpins our leading positions.

Long-term relationships with diverse blue-chip customer base. We supply some of the world's best-known beverage brands with sustainable, innovative packaging solutions and have been recognized with numerous industry awards. We have longstanding relationships with many of our major customers, which include leading multinational, national and regional beverage companies. Some of our major customers include AB InBev, Britvic, Coca-Cola, Diageo, Heineken, Mark Anthony Brands, Monster Beverage, National Beverage Company, PepsiCo and Grupo Petrópolis, among others. In recent years, in North America in particular, we have significantly diversified our customer base.

Focus on stable economies and generally growing product demand. We derive over 89% of our revenues from Europe and North America, which are mature economies characterized by generally predictable consumer spending and relatively low cyclicity, with the balance largely derived from the Brazil beverage market. Our revenues are entirely generated from beverage end-use categories, including beer, carbonated soft drinks, energy drinks, hard seltzers, juices, sparkling waters, teas and other alcoholic and non-alcoholic beverages, demand for which is generally less impacted by economic cycles. In Europe, North America and Brazil, demand for metal beverage cans has accelerated in recent years, principally driven by new beverage product innovations, increased awareness by consumers of sustainability and, notably in Brazil, structural pack mix shifts by our customers. For our customers, beverage cans are more efficient to fill and easier to transport and store than other substrates. These advantages, together with beverage cans' high level of recyclability, combine to provide our customers the lowest total cost of ownership.

Highly contracted revenue base. Over 80% of our revenue is backed by multi-year supply agreements, ranging from two to seven years in duration, with the remainder largely pursuant to annual arrangements. A significant proportion of our sales volumes are supplied under contracts which include mechanisms that help to protect us from earnings volatility related to input costs, including aluminum and energy. Specifically, such arrangements include (i) multi-year contracts that include input cost pass-through and/or margin maintenance provisions and (ii) one-year contracts that allow us to negotiate pricing levels for our products on an annual basis at the same time that we determine our input costs for the relevant year.

Well-invested asset base with significant scale and operational excellence. We operate 23 strategically-located production facilities in 9 countries, enabling us to efficiently serve our customers with high quality and innovative products and services across multiple geographies. We pursue continuous improvement in our facilities and promote a culture of consistently pursuing excellence through standardizing and sharing best practices across our network of plants. We believe the total value proposition we offer our customers, in the form of geographic reach, customer service, product quality, reliability, design and innovation will enable us to continue to drive growth and profitability.

Significant and growing specialty can capacity. We have a significant presence in the specialty can segment, which has grown at a faster rate than the standard can segment in recent years and which typically offers more attractive margins. In 2020, specialty cans represented 43% of our total can shipments, with strong representation in both the Europe and Americas segments. Specialty can expansion represents over 80% of the capacity expansion under the \$1.8 billion business growth investment program, following which we expect specialty cans will represent approximately 55% to 60% of our total capacity.

Attractive presence in faster-growing end-use categories. Different beverage categories are experiencing varying rates of growth in the markets we serve. We have targeted growth in faster growing end-use categories of the beverage markets we serve, including hard seltzers and sparkling waters in North America and beer in Europe and in Brazil, while reducing our exposure to other end-use categories. We believe the mix of end-use categories we serve positions us well to continue to grow our business over the medium term.

Infinitely recyclable products respond to growing sustainability awareness. Metal beverage cans are infinitely recyclable without loss of quality. We estimate recycling rates to be at 76% in Europe, 56% in the United States and 98% in Brazil as of 2018-2019. We believe that an increasing awareness of the benefits of sustainable packaging in many of our markets will favor pack mix shifts to metal beverage cans in the future. We also believe that legislative and other measures designed to increase recycling rates will favor our substrates in the future.

Technical leadership and innovation. We have advanced technical and manufacturing capabilities in metal beverage packaging, including research and development and engineering centers in the United States and Europe, principally based in Elk Grove, Illinois, and Bonn, Germany. Our capabilities have enabled us to develop product and process innovations to meet the dynamic needs of our customers. We have significant expertise in the production of value-added metal beverage cans, principally aluminum, with features such as high-quality graphic designs, colored tabs and tactile finishes. We produce metal beverage cans in a range of sizes and have been a leader in the introduction of lighter aluminum cans.

Proven track record of generating attractive returns through organic expansion, strategic investment and continuous improvement. Ardagh Group has grown its business since acquisition in 2016, through a combination of organic expansion, strategic investment and continuous improvement. Ardagh Group has increased its exposure to faster growing categories of the beverage market, as well as diversifying its customer base, notably in North America, thereby improving its mix. Ardagh Group has also made strategic investments, including the construction of its ends plant in Manaus, Brazil, in 2018 which allowed it to become self-sufficient for ends supply in that market, as well as converting its Rugby, UK, facility from steel to aluminum beverage cans. In addition, Ardagh Group has focused on continuous improvement across its businesses to optimize costs and drive efficiencies. We expect our principal focus to be on growth through organic expansion and strategic development and investment with new and existing customers, including through the announced business growth investment program. We believe that we can maintain and grow attractive margins through business mix optimization, growth with new and existing customers, efficiency gains, cost reduction, working capital optimization and disciplined capital allocation.

Experienced management team with a proven track record and high degree of shareholder alignment. Members of our management team with extensive experience in the metal beverage packaging industry have demonstrated their ability to manage costs, adapt to changing market conditions, undertake strategic investments and acquire and integrate new businesses, thereby driving significant value creation. Our Chairman has a high degree of indirect ownership in our Company, which we believe promotes efficient capital allocation decisions and results in strong shareholder alignment and commitment to further shareholder value creation.

Our Business Strategy

Our principal objective is to increase long-term shareholder value by achieving growth in Adjusted EBITDA and cash generation. We aim to achieve this objective through organically growing our

business, but will also evaluate other acquisitions and strategic opportunities to enhance shareholder value. We plan to pursue these objectives through the following strategies:

Grow Adjusted EBITDA and cash flow. We seek to leverage our extensive footprint, proximity to customers, efficient manufacturing and high level of customer service to grow revenue with new and existing customers, improve our productivity, and reduce our costs. To increase Adjusted EBITDA, we will take actions with respect to our assets and invest in business growth opportunities, in line with our stringent investment criteria. To increase cash generation, we actively manage our working capital and capital expenditures. Ardagh Group announced a business growth investment program that will see \$1.8 billion invested in our business in the period from 2021 to 2024, the implementation of which is expected to grow our revenue, Adjusted EBITDA and cash flow generation.

Continue to enhance product mix and profitability. We have enhanced our product mix over the years by replacing lower margin business with higher margin business and by pursuing growth opportunities in new and emerging end-use categories of the beverage markets. We will continue to develop long-term partnerships with existing and new customers, including new and emerging growth customers, and selectively pursue such opportunities that will grow our business and improve our overall profitability. We are investing in significantly growing our specialty can mix and our investments will be supported by long-term customer contracts and commitments.

Emphasize operational excellence and optimize manufacturing base. In managing our businesses, we seek to improve our efficiency, control our costs and preserve and expand our margins. We aim to consistently reduce total costs through implementing operational efficiencies, promoting continuous improvement and investing to enhance our production capacity. We will continue to take actions to enhance efficiency through continuous improvement, best practice sharing and investment, enabling us to serve our existing and new customers' exacting requirements for sustainable packaging.

Enhance our environmental and social sustainability impact. We will continue to improve the sustainability profile of our business. In 2020, Ardagh Group updated its sustainability targets, which apply to our business, including a 27% reduction in Ardagh Group's carbon emissions by 2030, in addition to committing to adoption of science-based targets through the Science-Based Targets initiative, both of which apply to our business. We seek to ensure that we meet the evolving requirements of end consumers and our customers, while creating a safe and inclusive environment for our employees, contributing positively to the communities in which we operate, improving our efficiency, controlling our costs and preserving and expanding our margins, while at the same time growing our revenue, Adjusted EBITDA and free cash flow generation.

Evaluate and pursue strategic opportunities. We are a leading player in the beverage can sector in Europe, North America and Brazil, all of which are markets where beverage can demand is projected to grow. Our principal near and medium term focus is to organically grow our business through the implementation of the business growth investment program from 2021-2024 to support our customers' growth in each region. We may also evaluate and pursue other strategic opportunities, to grow with existing or new customers, including in new markets that offer attractive risk-adjusted returns, in line with our stringent investment criteria and focus on enhancing shareholder value.

Industry Overview

We operate in the beverage can segment of the consumer metal packaging industry.

The beverage can sector is growing in each of Europe, North America and Brazil. In each of these markets demand for metal beverage cans has accelerated in recent years, principally driven by new

beverage product innovations, increased awareness by consumers of sustainability and, notably in Brazil pack mix shifts. In addition, the convenience of filling, transporting and stocking beverage cans, compared with alternative substrates are believed to be contributing to this growth. Growth in unit volumes of specialty beverage cans has exceeded growth in standard beverage cans, thereby increasing specialty can penetration, a trend that is expected to continue.

We believe the purchasing decisions of retail consumers are significantly influenced by packaging. Consumer product manufacturers and marketers are increasingly using packaging to position their products in the market and differentiate them from alternative products. A growing awareness of sustainability issues among consumers, as well as potential regulatory or legislative changes in this area, are also expected to influence future packaging decisions by consumer product manufacturers. The development and production of premium, differentiated packaging products with additional value-added features require a higher level of design capabilities, manufacturing and process know-how and quality control than for more standardized products.

Customers

We operate production facilities in Europe, the United States and Brazil, and we sell metal beverage cans to multinational, regional and national customers in these regions. We supply leading manufacturers in each of the markets it serves, including AB InBev, Britvic, Coca-Cola, Diageo, Heineken, Mark Anthony Brands, Monster Beverage, National Beverage Company, PepsiCo and Grupo Petrópolis, among others.

The top ten AMPSA customers represented approximately 64% of our revenue in 2020. We estimate that over 80% of our revenue is backed by multi-year supply agreements, ranging from two to seven years in duration. These contracts generally provide for the pass-through of metal price fluctuations and, in most cases, most of variable cost movements, while others have tolling arrangements whereby customers arrange for the procurement of metal themselves. In addition, within multi-year relationships, both parties can work together to streamline the product, service and supply process, leading to significant cost reductions and improvements in product and service, with benefits arising to both parties. Wherever possible, we seek to enter into multi-year supply agreements with customers. In other cases, sales are made under commercial supply agreements, typically of one-year's duration, with prices based on expected purchase volumes.

Competitors

Our principal competitors include Ball Corporation, Crown Holdings, and Can Pack.

Raw Materials and Suppliers

The principal raw materials used in our business are aluminum, steel, coatings and lining compounds. Over 95% of our metal raw material spend in 2020 related to aluminum. Our major aluminum suppliers include Constellium, Hydro, Novelis and Tri-Arrows.

We continuously seek to minimize the price of raw materials and reduce our exposure to price movements in a number of ways, including the following:

harnessing the scale of our global metal purchasing requirements, to achieve better raw materials pricing;

entering into variable-priced pass-through contracts with customers, whereby selling prices are indexed to the price of the underlying raw materials;

maintaining our focus on metal content reduction;

continuing the process of reducing spoilage and waste in manufacturing;

rationalizing the number of both specifications and suppliers; and

hedging the price of aluminum ingot and the related euro/U.S. dollar exposure.

Aluminum is typically purchased under three-year contracts, with prices that are fixed in advance. Despite an increase in the level of aluminum production being targeted to new end-use applications, including automotive and aerospace, we believe that adequate quantities of the relevant grades of packaging aluminum will continue to be available from various producers and that we are not overly dependent upon any single supplier. Some of our aluminum requirements are subject to tolling arrangements with our customers, whereby risk and responsibility for the procurement of aluminum is managed by the customer.

Distribution

We use various freight and haulage contractors to make deliveries to customer sites or warehousing facilities. In some cases, customers make their own delivery arrangements and therefore may purchase from us on an ex-works basis. Warehousing facilities are primarily situated at our manufacturing facilities; however, in some regions, networks of externally-rented warehouses at strategic third-party locations, close to major customers' filling operations are used.

Innovation, Engineering and Development

The majority of our innovation, development and engineering activities are concentrated at our regional technical center in Elk Grove, Illinois and at our research facility in Bonn, Germany. These centers focus on identifying and serving the existing and potential needs of customers, including the achievement of cost reductions, particularly metal content reduction, and meeting new and anticipated legislative requirements, as well as providing technology, engineering and support services to our production facilities and customers.

We currently hold and maintain a number of patent families, filed in several jurisdictions and covering a range of different products.

Manufacturing and Production

As of December 31, 2020, we operated 23 production facilities in 9 countries. Our plants are currently located in 7 European countries, as well as in Brazil and the United States.

The following table summarizes our principal production facilities as of December 31, 2020.

<u>Location</u>	<u>Number of Production Facilities</u>
United States ⁽¹⁾	8
Germany	4
Brazil	3
United Kingdom	3
Other European countries ⁽²⁾	5
	<u>23</u>

(1) In December 2020, we acquired a facility in Huron, Ohio, which is under development but not yet in operation. This facility is not reflected in the number of production facilities above.

(2) One facility in each of Austria, France, The Netherlands, Poland and Spain.

Employees

As of December 31, 2020, we had approximately 4,900 employees, of which approximately 2,900 were located in Europe, approximately 1,300 were located in the United States and approximately 700 employees were located in Brazil.

We strive to maintain a safe working environment for all of our employees, with safety in the workplace being a key objective, measured through individual accident reports, detailed follow-up programs and key performance indicator reporting. We believe that our safety record is among the best in the industry.

The majority of our employees are members of labor unions or are subject to centrally negotiated collective agreements. We generally negotiate national contracts with our unions, with variations agreed at the local plant level. Most such labor contracts have a duration of one to two years. Our management believes that, overall, our current relations with our employees are good.

For the employees of our subsidiaries located in countries of the European Union, Ardagh Group has established a European Works Council ("EWC") in compliance with EU directives. The EWC acts as a communications conduit and consultative body between our EU subsidiaries and our employees. All the elected EWC country employee representatives meet at least once a year and senior management attends an annual EWC Forum meeting.

The EWC has the right to be notified of any special circumstances that would have a major impact on the interests of employees. In order to facilitate this process in an efficient and effective way, the EWC has elected a Select Committee which meets at least 4 times a year with a senior management delegation to discuss any matters which are of interest for the EWC.

EWC delegates are elected for four-year terms on the basis of legal principles or practices in the relevant countries, while the allocation of EWC delegates between countries is governed by EU directives.

Environmental, Health and Safety and Product Safety Regulations

AMPSA's operations and properties are regulated under a wide range of laws, ordinances and regulations and other legal requirements concerning the environment, health and safety and product safety in each jurisdiction in which we operate. We believe that our manufacturing facilities are in compliance, in all material respects, with these laws and regulations.

The principal environmental issues facing AMPSA include the environmental impact of the disposal of water used in AMPSA's production processes, generation and disposal of waste, the receiving, use and storage of hazardous and non-hazardous materials, the potential contamination and subsequent remediation of land, surface water and groundwater arising from AMPSA's operations and the impact on air quality through gas and particle emissions, including the emission of greenhouse gases.

Our substantial operations in the EU are subject to, among additional requirements, the requirements of the EU Industrial Emissions Directive ("IED") which requires that operators of industrial installations, including can making installations, take into account the whole environmental performance of the installation and obtain and maintain compliance with a permit, which sets emission limit values that are based on best available techniques.

Furthermore, the EU Directive on environmental liability with regard to the prevention and remedying of environmental damage aims to make those who cause damage to the environment (specifically damage to habitats and species protected by EU law, damage to water resources and land contamination which presents a threat to human health) financially responsible for its remediation. It requires operators of industrial premises (including those which hold a permit governed by the IED) to

take preventive measures to avoid environmental damage, inform the regulators when such damage has or may occur and to remediate contamination.

Our U.S. operations are also subject to stringent and complex U.S. federal, state and local laws and regulations relating to environmental protection, including the discharge of materials into the environment, health and safety and product safety including, but not limited to: the U.S. federal Clean Air Act, the U.S. federal Water Pollution Control Act of 1972, the U.S. federal Resource Conservation and Recovery Act and the Comprehensive Environmental Response, Compensation and Liability Act of 1980 ("CERCLA"). These laws and regulations may, among other things (i) require obtaining permits to conduct industrial operations; (ii) restrict the types and quantities and concentration of various substances that can be released into the environment; (iii) result in the suspension or revocation of necessary permits, licenses and authorizations; (iv) require that additional pollution controls be installed and (v) require remedial measures to mitigate pollution from former and ongoing operations, including related natural resource damages. Specifically, certain U.S. environmental laws, such as CERCLA, or Superfund, and analogous state laws, provide for strict, and under certain circumstances, joint and several liability for the investigation and remediation of releases or the disposal of regulated materials into the environment including soil and groundwater, as well as for damages to natural resources.

In North America, sales of beverage cans are affected by governmental regulation of packaging, including deposit return laws. As of January 1, 2019, there were ten U.S. states with container deposit laws in effect, requiring consumer deposits of between 5 and 15 cents (USD), depending on the size of the container or product. In Canada, there are 10 provinces and three territories. Deposit laws cover some form of beverage container in all provinces and territories except the territory of Nunavut, which does not have a deposit program. The range for deposits are between 5 and 40 cents (Canadian Dollar), depending on size of container and type of beverage.

A wider roll out of packaging deposit return systems in Europe, such as that proposed in Scotland from July 2022, can lead to cost increases for collection and recycling of beverage cans and therefore potentially have impacts on the packaging material mix at retailers.

Many beverages and containers, particularly new product innovations and unique alcohol beverage products, are not clearly defined in U.S. and Canadian deposit laws. The text of some U.S. and Canadian deposit laws expressly exempts certain beverages or containers from application of the deposit laws. In many states, certain common beverage categories are simply not found in the text of the deposit law. Local agencies provide final decisions on the application of deposit laws. Many states are defining their own beverage categories with local agencies providing final decisions on the application of deposit laws.

We are also committed to ensuring that safe operating practices are established, implemented and maintained throughout our organization. In addition, we have instituted active health and safety programs throughout our business. See the section entitled "*Risk Factors—Risks Relating to AMPSA—AMPSA is subject to various environmental and other legal requirements and may be subject to new requirements of this kind in the future that could impose substantial costs upon AMPSA.*"

Legal Proceedings

AMPSA is involved from time to time in various claims and lawsuits arising in the ordinary course of business, such as employee claims, disputes with its suppliers, environmental liability claims and intellectual property disputes. We believe that none of these proceedings, either individually or in aggregate, are expected to have a material adverse effect on its business, financial condition, results of operations or cash flows.

History and Development

Ardagh Group traces its origins back to 1932 in Dublin, Ireland, when the Irish Glass Bottle Company was founded and listed on the Irish Stock Exchange. Ardagh Group operated a single glass plant in Dublin, largely serving the domestic beverage and food customer base until 1998, when Yeoman International, led by the current Ardagh Group Chairman and Chief Executive Officer and major shareholder, Paul Coulson, took an initial stake in Ardagh, becoming Chairman later that year.

Since 1999, Ardagh Group has played a major role in the consolidation of the global metal and glass packaging industries, completing 23 acquisitions and significantly increasing its scope, scale, and geographic presence.

AMPSA was incorporated under the laws of the Grand Duchy of Luxembourg on January 20, 2021 as a public limited liability company (*société anonyme*) having its registered office at 56, rue Charles Martel, L-2134 Luxembourg, Luxembourg and registered with the Luxembourg Register of Commerce and Companies (*Registre de Commerce et des Sociétés de Luxembourg*) under number B 251465. AMPSA currently operates 23 production facilities globally, located in Europe (12), North America (8) and Brazil (3). These comprise 19 facilities producing beverage cans and four facilities producing can ends. The history and development of AMPSA's production facility footprint has been as follows:

In June 2016, Ardagh Group acquired the assets required to be divested by Ball Corporation and Rexam PLC to gain approval for the acquisition of Rexam PLC by Ball Corporation. The divested assets comprised 22 production facilities, located in Europe (12), North America (8) and Brazil (2).

The twelve production facilities acquired by Ardagh Group in Europe comprised ten former Ball Corporation plants, as well as two former Rexam PLC production facilities. Ball Corporation had established and grown its presence in Europe, principally through the acquisition of Schmalbach-Lubeca in 2008, at the time the second largest manufacturer of beverage cans in Europe. Rexam PLC had established and grown its beverage can business in Europe through the acquisitions of PLM, AB, a Swedish-listed beverage can and glass bottle manufacturer, acquired in 1999, and American National Can Corporation, acquired in 2000, as well as organic investments in new capacity. The eight production facilities acquired in North America represented part of the former Rexam PLC business. Finally, the two production facilities in Brazil were formerly owned by Latapack-Ball, a joint venture in which Ball Corporation had held an approximately 60% stake. In December 2015, Ball Corporation acquired full ownership of this joint venture, prior to divesting these two production facilities.

In 2018, the construction of a greenfield production facility in Manaus, Brazil was completed, which supplies can ends to our can production facilities in Jacarei, Brazil and Alagoinhas, Brazil.

In October 2020, Ardagh Group announced a \$1.8 billion business growth investment program to grow the Metal Beverage Packaging (\$1.5 billion) and Glass Packaging business. In February 2021, Ardagh Group announced its decision to undertake additional investments increasing its total investment in the business growth investment program to \$2.1 billion, with a total \$1.8 billion investment to grow the Metal Beverage Packaging business in the period from 2021 to 2024.

In December 2020, Ardagh Group acquired a large brownfield and building site in Huron, Ohio, which it intends to convert into a new beverage can and ends plant, commencing production in late 2021.

AMPSA MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The following discussion should be read together with, and is qualified in its entirety by reference to the Combined Financial Statements, included in this proxy statement/prospectus, beginning on page F-2. The following discussion should also be read in conjunction with "Presentation of Financial and Other Data" and "Selected Historical Combined Financial and Other Data of the AMP Business". Except for the historical information contained herein, the discussions in this section contain forward-looking statements that reflect AMP Business's plans, estimates and beliefs and involve risks and uncertainties. The AMP Business's actual results could differ materially from those discussed in these forward-looking statements. Factors that could cause or contribute to these differences include, but are not limited to, those discussed below and elsewhere in this proxy statement/prospectus, particularly in "Risk Factors" and "Cautionary Note Regarding Forward-Looking Statements."

Unless the context indicates otherwise, when we refer to the "AMP Business" we do not take into account the effects of the Business Combination. Some of the measures used in this proxy statement/prospectus are not measurements of financial performance under IFRS and should not be considered an alternative to cash flow from operating activities as a measure of liquidity or an alternative to operating profit/(loss) or profit/(loss) for the period as indicators of our operating performance or any other measures of performance derived in accordance with IFRS.

The AMP Business

AMPSA generates its revenue from supplying metal can packaging. The AMP Business is a leading global supplier of sustainable, value-added beverage cans, principally aluminum, to beverage companies serving end-use categories including beer, carbonated soft drinks, cocktails, energy drinks, hard seltzers, juices, teas, water (both carbonated and still) and wine. Our principal target regions are Europe, North America and Brazil, and our customers include a wide range of multinational beverage companies owning some of the best-known brands in the world, as well as leading regional and national beverage producers. Revenue is primarily dependent on sales volumes and sales prices.

Sales volumes are influenced by a number of factors, including factors driving customer demand, seasonality and the capacity of our metal beverage packaging plants. Demand for our metal beverage cans may be influenced by trends in the consumption of beverages, industry trends in packaging, including marketing decisions, and the impact of environmental regulations and shifts in consumer sentiment towards a greater awareness of sustainability issues.

The Acquisition of the AMP Business

The Beverage Can Acquisition

On June 30, 2016, Ardagh Group acquired the AMP Business for total consideration of \$3.0 billion.

Critical Accounting Policies

The Combined Financial Statements included elsewhere in this proxy statement/prospectus reflect the AMP Business, which has not in the past formed a separate accounting group. The AMP Business does not constitute a separate legal entity or group. The Combined Financial Statements have been prepared by aggregating the financial information for the metal beverage can businesses, comprising the entities constituting the AMP Business together with the assets, liabilities, revenue and expenses that management has determined are specifically attributable to the AMP Business.

For a complete description of the accounting principles followed in preparing the Combined Financial Statements, please see Note 2 "Summary of Significant Accounting Policies–Basis of

preparation" to the Combined Financial Statements included elsewhere in this proxy statement/prospectus. This basis of preparation sets out the method used in identifying the financial position, performance and cash flows of the beverage businesses included in the Combined Financial Statements.

The Combined Financial Statements have been prepared in accordance with IFRS as issued by the IASB. A summary of significant accounting policies is contained in Note 2 to the Combined Financial Statements. In applying accounting principles, we make assumptions, estimates and judgments which are often subjective and may be affected by changing circumstances or changes in our analysis. Material changes in these assumptions, estimates and judgments have the potential to materially alter our results of operations. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Impairment of goodwill

The value-in-use ("VIU") model for each annual impairment test respectively used the following year's approved budget and a three-year forecast for 2022 to 2024 (2019 and 2018 two-year forecast period; January 1, 2018: one-year period). The budget and forecast results were then extended for a further one year period (2019 and 2018: two-year period; January 1, 2018: four-year period) making certain assumptions, including that long-term depreciation equals capital expenditure, in addition to the how changes in input cost will impact customer pricing, in line with historic practice and contractual terms.

The terminal value assumed long-term growth based on a combination of factors including long-term inflation in addition to industry and market specific factors. The growth rate applied by management in respect of the terminal values applicable to the groups of CGUs for 2020 was 1.0% (2019: 1.0%; 2018: 1.5%; January 1, 2018: 1.5%).

Cash flows considered in the VIU model included the cash inflows and outflows related to the continuing use of the assets over their remaining useful lives, expected earnings, required maintenance capital expenditure, and working capital.

The discount rate applied to cash flows in the VIU model was estimated using the weighted average cost of capital as determined by the Capital Asset Pricing Model with regard to the risks associated with the cash flows being considered (country, market and specific risks of the asset).

The discount rates used in 2020 ranged from 5.1% - 7.9% (2019: 5.1% - 8.5%). These rates are pre-tax. These assumptions have been used for the analysis for each group of CGU. Management determined budgeted cash flows based on past performance and its expectations for market development

The modelled cash flows take into account the Business' established history of earnings, cash flow generation and the nature of the markets in which we operate, where product obsolescence is low. The key assumptions employed in modelling estimates of the net present value of future cash flows are subjective and include projected Adjusted EBITDA, discount rates and growth rates, replacement capital expenditure requirements, rates of customer retention and the ability to maintain margin through the pass through of input cost inflation.

A sensitivity analysis was performed reflecting potential variations in terminal growth rate and discount rate assumptions. In all cases the recoverable values calculated were significantly in excess of the carrying values of the CGUs. The variation applied to terminal value growth rates and discount rates was a 50 basis point decrease and increase respectively and represents a reasonably possible change to the key assumptions of the VIU model. Further, a reasonably possible change to the operating cash flows would not reduce the recoverable amounts below the carrying value of the CGUs.

As a result of the significant excess of recoverable amount, management consider that additional disclosures are not required under IAS36.

Lease term upon adoption of IFRS 16

Upon adoption of IFRS 16, several lease agreements included renewal and termination options. As part of the recognition of such leases, Ardagh Metal Packaging assessed all facts and circumstances that created an economic incentive to exercise a renewal option, or not exercise a termination option. Renewal options (or periods after termination options) were only included in the lease term if the conclusion was that the lease was reasonably certain to be renewed (or not terminated).

Income taxes

We are subject to income taxes in numerous jurisdictions and judgment is therefore required in determining the worldwide provision for income taxes. There are many transactions and calculations in the ordinary course of business for which the ultimate tax determination is uncertain. We recognize liabilities for anticipated tax audit matters based on estimates of whether additional taxes will be due. Where the final tax outcome of these matters is different from the amounts that were initially recorded, such differences will impact the income tax and deferred tax provisions in the period in which such determination is made.

Measurement of employee benefit obligations

We follow guidance of IAS 19(R) to determine the present value of our obligations to current and past employees in respect of defined benefit pension obligations, other long-term employee benefits and other end of service employee benefits, which are subject to similar fluctuations in value in the long-term. We, with the assistance of a network of professionals, value such liabilities designed to ensure consistency in the quality of the key assumptions underlying the valuations.

The principal pension assumptions used in the preparation of the financial statements take account of the different economic circumstances in the countries in which we operate and the different characteristics of the respective plans including the length of duration of liabilities.

The ranges of the principal assumptions applied in estimating defined benefit obligations were:

	Germany				UK				U.S.			
	2020	2019	2018	2017(i)	2020	2019	2018	2017(i)	2020	2019	2018	2017(i)

Assumptions regarding future mortality experience are set based on actuarial advice in accordance with published statistics and experience.

These assumptions translate into the following average life expectancy in years for a pensioner retiring at age 65. The mortality assumptions for the countries with the most significant defined benefit plans are set out below:

	Germany				UK				U.S.			
	2020	2019	2018	2017(i)	2020	2019	2018	2017(i)	2020	2019	2018	2017(i)
	Years	Years	Years	Years	Years	Years	Years	Years	Years	Years	Years	Years

Life expectancy, future pensioners	25	24	24	24	23	23	23	23	22	22	22	22

(i) At January 1, 2018

If the discount rate were to decrease by 50 basis points from management estimates, the carrying amount of the pension obligations would increase by an estimated \$54 million for 2020 (2019: \$49 million, 2018: \$44 million; January 1, 2018: \$50 million). If the discount rate were to increase by 50 basis points, the carrying amount of the pension obligations would decrease by an estimated \$47 million for 2020 (2019: \$42 million, 2018: \$39 million; January 1, 2018: \$44 million).

If the inflation rate were to decrease by 50 basis points from management estimates, the carrying amount of the pension obligations would decrease by an estimated \$23 million for 2020 (2019: \$20 million, 2018: \$22 million; January 1, 2018: \$24 million). If the inflation rate were to increase by 50 basis points, the carrying amount of the pension obligations would increase by an estimated \$24 million for 2020 (2019: \$22 million, 2018: \$24 million; January 1, 2018: \$26 million).

If the salary increase rate were to decrease by 50 basis points from management estimates, the carrying amount of the pension obligations would decrease by an estimated \$26 million for 2020 (2019: \$23 million, 2018: \$25 million; January 1, 2018: \$29 million). If the salary increase rate were to increase by 50 basis points, the carrying amount of the pension obligations would increase by an estimated \$27 million for 2020 (2019: \$26 million, 2018: \$28 million; January 1, 2018: \$32 million).

The impact of increasing the life expectancy by one year would result in an increase in the net pension obligation of the AMP Business of \$15 million at December 31, 2020 (December 31, 2019: \$12 million, December 31, 2018: \$8 million; January 1, 2018: \$12 million), holding all other assumptions constant.

Exceptional items

The combined income statement, combined statement of cash flows (cash generated from operations) and segmental analysis of the AMP Business separately identify results before specific items. Specific items are those that in management's judgment need to be disclosed by virtue of their size, nature or incidence to provide additional information. Such items include, however are not limited to, where significant, costs relating to permanent capacity realignment or footprint reorganization, start-up costs incurred in relation to and associated with plant builds, significant new line investments, impairment of non-current assets and directly attributable acquisition costs. In this regard, the determination of "significant" as included in our definition uses qualitative and quantitative factors. Judgment is used by the AMP Business in assessing the particular items, which by virtue of their scale and nature, are disclosed in the combined income statement, and related notes as exceptional items. The AMP Business considers columnar presentation to be appropriate in the combined income statement as it provides useful additional information and is consistent with the way that financial performance is measured by the Business. Exceptional restructuring costs are classified as restructuring provisions and all other exceptional costs when outstanding at the balance sheet date are classified as exceptional items payable.

Recent accounting pronouncements

The assessment of the board of Directors of AGSA of the impact of new standards, which are not yet effective and which have not been early adopted by the Business, on the consolidated financial statements of the AMP Business and related disclosures is on-going but no material impacts are expected.

The increase in revenue principally reflected favorable volume/mix effects of 5% and favorable foreign currency translation effects of \$10 million, partly offset by the pass through to customers of lower input costs in selling prices.

Cost of sales

Cost of sales in the year ended December 31, 2020 increased by \$71 million, or 3%, to \$2,903 million, compared with \$2,832 million in the year ended December 31, 2019. The increase in cost of sales is mainly due to the impact of higher sales as outlined above, unfavorable currency translation effects, higher exceptional cost of sales and higher operating costs. Further analysis of the movement in exceptional items is set out in the "Supplemental Management's Discussion and Analysis" section.

Gross profit

Gross profit in the year ended December 31, 2020 increased by \$36 million, or 7%, to \$548 million, compared with \$512 million in the year ended December 31, 2019. The increase in gross profit primarily reflected higher revenue, partly offset by the higher cost of sales. Gross profit as a percentage of revenue in the year ended December 31, 2020, increased by 60 basis points to 15.9%, compared with 15.3% in the year ended December 31, 2019. Excluding exceptional cost of sales, gross profit as a percentage of revenue in the year ended December 31, 2020, increased by 70 basis points to 16.1%, compared with 15.4% in the year ended December 31, 2019.

Further analysis of the movement in exceptional items is set out in the "Supplemental Management's Discussion and Analysis" section.

Intangible amortization

Intangible amortization in the year ended December 31, 2020 remained constant at \$149 million in the year ended December 31, 2019.

Operating profit

Operating profit in the year ended December 31, 2020 increased by \$12 million, or 6%, to \$210 million compared with \$198 million in the year ended December 31, 2019. The increase in operating profit primarily reflected higher gross profit, partly offset by the higher sales, general and administration expenses.

Net finance expense

Net finance expense in the year ended December 31, 2020 decreased by \$143 million, or 67%, to \$70 million, compared with \$213 million in the year ended December 31, 2019. Net finance expense for the years ended December 31, 2020 and 2019 comprised of the following:

Other finance expense	12	14
Other finance income	(3)	(2)
Finance expense before exceptional items	70	208
Exceptional finance expense	–	5

Interest expense in the year ended December 31, 2020 decreased by \$24 million, or 14%, to \$146 million, compared with \$170 million in the year ended December 31, 2019. The decrease was mainly due to the reduction in interest rates on related party borrowings.

Derivative financial instruments in the year ended December 31, 2020 reflected a loss of \$5 million, compared to \$2 million in the year ended December 31, 2019 which related primarily to the Business's forward foreign exchange contracts.

Foreign currency translation gain in the year ended December 31, 2020 was \$93 million, compared with a loss of \$20 million in the year ended December 31, 2019, which related to favorable currency translation effects driven by exchange rate fluctuations primarily in relation to USD-denominated related party borrowings in euro functional entities.

Exceptional finance expense of \$5 million for the year ended December 31, 2019 primarily related to the accelerated amortization of deferred debt issue costs.

Income tax charge

Income tax charge in the year ended December 31, 2020 was \$29 million, compared with income tax charge of \$25 million in the year ended December 31, 2019. The increase in income tax charge is primarily attributable to an increase in the profit before tax of \$155 million (tax effect of \$39 million at the standard rate of Luxembourg corporation tax). This increase was partially offset by a decrease of \$20 million in income tax charge in respect of prior years (which includes tax credits during the year ended December 31, 2020 related to the carry back of tax losses as a result of the enactment from March 27, 2020, of the Coronavirus Aid, Relief and Economic Security ("CARES") Act), a decrease of \$7 million in the income tax charge relating to income taxed at rates other than the standard rate of Luxembourg corporation tax, a decrease of \$5 million in non-deductible items, and a decrease of \$3 million in income subject to state and other local income taxes.

The effective income tax rate for the year ended December 31, 2020 was 21% compared to an effective income tax rate for the year ended December 31, 2019 of (167%). The effective income tax rate is a function of the profit or loss before tax and the tax charge or credit for the year. The primary drivers impacting the effective tax rate are non-taxable/deductible foreign currency translation gain/losses and non-deductible interest expense in certain territories.

Profit/(loss) for the year

As a result of the items described above, the profit for the year ended December 31, 2020 was \$111 million, compared with a loss of \$40 million in the year ended December 31, 2019, primarily due to higher operating profit and lower net finance expense, partly offset by higher income tax charge.

Income tax charge

Income tax charge in the year ended December 31, 2019 was \$25 million, compared with income tax charge of \$50 million in the year ended December 31, 2018. The decrease in income tax charge was primarily attributable to a decrease of \$18 million in the tax effect of non-deductible items (finance expense in the U.S. became tax deductible with effect from the year ended December 31, 2019), in addition to a decrease of \$8 million in the tax charge relating to income taxed at rates other than the standard rate of Luxembourg corporation tax, a decrease of \$1 million in tax charge in respect of prior years and a decrease of \$1 million in income subject to state and other local income taxes. These decreases were partially offset by a decrease in the loss before tax of \$10 million (tax effect of \$3 million at the standard rate of Luxembourg corporation tax).

The effective income tax rate for the year ended December 31, 2019 was (167%) compared to an effective income tax rate for the year ended December 31, 2018 of (200%). Loss for the year

As a result of the items described above, the loss for the year ended December 31, 2019 decreased by \$35 million, to \$40 million, compared with a loss of \$75 million in the year ended December 31,

2018, primarily due to lower net finance expense and lower income tax charge, partly offset by lower operating profit.

Supplemental Management's Discussion and Analysis

Key Operating non-GAAP Measures—Adjusted EBITDA

We include certain non-GAAP financial measures, including adjusted EBITDA. Adjusted EBITDA consists of profit/(loss) for the year before income tax charge/(credit), net finance expense, depreciation and amortization, and exceptional operating items. We use Adjusted EBITDA to evaluate and assess our segment performance. Adjusted EBITDA is presented because we believe that it is frequently used by securities analysts, investors and other interested parties in evaluating companies in the packaging industry. However, other companies may calculate Adjusted EBITDA in a manner different from ours. Adjusted EBITDA is not a measure of financial performance under IFRS and should not be considered an alternative to profit/(loss) as indicators of operating performance or any other measures of performance derived in accordance with IFRS.

Adjusted EBITDA is based on revenue derived from selling our metal beverage cans and is affected by a number of factors, primarily cost of sales. The elements of our cost of sales include (i) variable costs, such as electricity, raw materials (including the cost of aluminum), packaging materials, decoration and freight and other distribution costs, and (ii) fixed costs, such as labor and other plant-related costs including depreciation, maintenance and sales, marketing and administrative costs. Variable costs have typically constituted approximately 75% and fixed costs approximately 25% of the total cost of sales for our business in 2020.

Liquidity and Capital Resources

Cash Requirements Related to Operations

Our primary sources of liquidity have historically been (i) cash generated from our operations and (ii) related party borrowings and advances, which will no longer be available upon the completion of the Transactions. Consequently, we will seek external sources of financing to the extent cash generated from operations is not sufficient to meet our requirements. Following the Pre-Closing Restructuring, we will not have any commitments to guarantee or pledge our shares or assets as collateral for debt of AGSA and, following the Notes Offering, none of our cash flows will be used to service Ardagh's debt.

We currently expect that cash and cash equivalents, cash flows from operations and other available financing from the Notes Offering will be sufficient to meet our anticipated operating, capital expenditure, investment, debt service and other financing requirements during the next twelve months and for the foreseeable future. In addition to the Notes Offering, we expect to enter into a revolving credit facility, including potentially a global asset based loan facility or a super senior revolver, or other liquidity financing arrangements.

Our divisions' sales and cash flows are subject to seasonal fluctuations. Demand for our products is typically strongest during the summer months and in the period prior to December because of the seasonal nature of beverage consumption. Our investment in working capital typically peaks in the first quarter. We manage the seasonality of our working capital by supplementing operating cash flows with drawings under available credit facilities.

The following table outlines our principal financing arrangements as of December 31:

The AMP Business believes it has adequate liquidity to satisfy its cash needs for at least the next 12 months. In the year ended December 31, 2020, the AMP Business reported operating profit of \$210 million, cash generated from operations of \$530 million, net cash from operating activities of \$334 million, and generated Adjusted EBITDA of \$545 million.

The AMP Business generates substantial cash flow from its operations and had \$257 million in cash and cash equivalents and restricted cash as of December 31, 2020. We believe that our cash balances and future cash flow from operating activities, as well as credit facilities that we expect to enter into in the future, will provide sufficient liquidity to fund our capital expenditures in addition to our business growth investment projects, as well as interest payments on our notes and other credit facilities for at least the next 12 months.

Accordingly, the AMP Business believes that its long-term liquidity needs will primarily relate to the service of its debt obligations. We expect to satisfy our future long-term liquidity needs through a combination of cash flow from operating activities and, where appropriate, to refinance our debt obligations in advance of their respective maturity dates.

(1) Working capital is made up of inventories, trade and other receivables, contract assets, trade and other payables and current provisions.

Net cash from operating activities

Net cash from operating activities decreased by \$43 million from \$377 million in the year ended December 31, 2019, to \$334 million in the year ended December 31, 2020. The decrease was primarily due to a decrease in working capital inflows of \$95 million, and an increase of \$15 million in exceptional operating costs paid, partly offset by an increase of \$12 million in operating profit, an increase in depreciation and amortization of \$25 million and an increase in exceptional operating items expense of \$5 million. Net cash from operating activities was further impacted by interest paid and tax paid of \$155 million and \$41 million, respectively.

Net cash from operating activities increased by \$105 million from \$272 million in the year ended December 31, 2018, to \$377 million in the year ended December 31, 2019. The increase was primarily due to higher working capital inflows of \$84 million, a decrease in exceptional costs paid, including restructuring of \$29 million, lower income tax paid of \$9 million, and increased depreciation and amortization of \$2 million, partly offset by a decrease in exceptional operating items expense of \$12 million, lower operating profit of \$6 million and an increase in interest paid of \$1 million.

Net cash used in investing activities

Net cash used in investing activities increased by \$63 million to \$268 million in the year ended December 31, 2020, compared with the same period in 2019 due to increased capital expenditure, reflecting capital investment initiatives, and the timing of projects. Capital expenditure for the year ended December 31, 2020, includes \$168 million related to the Business' growth investment initiatives.

Net cash used in investing activities increased by \$23 million to \$205 million in the year ended December 31, 2019, compared with the same period in 2018 due to increased capital expenditure, reflecting capital investment initiatives and timing of projects. Capital expenditure for the year ended December 31, 2019, includes \$10 million related to the Business' short payback projects.

Net outflow from financing activities

In the year ended December 31, 2020, net cash from financing activities represented an outflow of \$98 million compared with \$36 million in the same period in 2019. The increase was due to a cash outflow of \$8 million in the net change in other current borrowings for the year ended December 31, 2020, primarily related to amounts collected from customers for accounts receivables sold under factoring arrangements but not yet remitted to the financial institutions at December 31, 2020, compared to a cash inflow of \$16 million in the year ended December 31, 2019. Lease repayments also increased by \$9 million compared to the same period in 2019 as a result of leasing activity levels.

In the year ended December 31, 2019, net cash from financing activities represented an outflow of \$36 million compared with \$90 million in the same period in 2018. The decrease primarily relates to consideration received on termination of derivative financial instruments of \$28 million, a decrease in cash remitted to Ardagh of \$19 million, and an increase in the cash inflow in net change in other borrowings of \$14 million, partly offset by an increase in lease repayments of \$7 million reflecting leasing activity levels.

Consideration received on termination of derivative financial instruments of \$28 million reflects the proceeds received on settlement of the CCIRS in August 2019.

Working capital

For the year ended December 31, 2020, working capital inflows decreased by \$95 million to \$7 million, compared to \$102 million in December 31, 2019. The decrease in working capital was primarily due to unfavorable cashflows generated from trade and other receivables and trade and other payables, partly offset by favorable cashflows generated from inventories.

For the year ended December 31, 2019, working capital inflows increased by \$84 million to \$102 million, compared to \$18 million in December 31, 2018. The increase in working capital was primarily due to favorable cashflows generated from trade and other payables and inventories, partly offset by unfavorable cashflows generated from trade and other receivables.

Income tax paid

Income tax paid during the year ended December 31, 2020, was \$41 million, which represents a decrease of \$2 million compared to \$43 million for the year ended December 31, 2019. The decrease is primarily attributable to the timing of tax payments and refunds received in certain jurisdictions.

Income tax paid during the year ended December 31, 2019, was \$43 million, which represents a decrease of \$9 million compared to \$52 million for the year ended December 31, 2018. The decrease is primarily attributable to the timing of tax payments and refunds received in certain jurisdictions, in addition to the phasing of tax incentives in certain jurisdictions.

Off-balance sheet arrangements

Receivables Factoring and Related Programs

The Business participates in several uncommitted accounts receivable factoring and related programs with various financial institutions for certain receivables, accounted for as true sales of receivables, without recourse to the Business. Receivables of \$332 million were sold under these programs at December 31, 2020 (December 31, 2019: \$370 million).

Trade Payables Processing

Our suppliers have access to independent third party payable processors. The processors allow suppliers, if they choose, to sell their receivables to financial institutions at the sole discretion of both the supplier and the financial institutions. We have no involvement in the sale of these receivables and the suppliers are at liberty to use these arrangements if they wish to receive early payment. As the original liability to our suppliers, including amounts due and scheduled payment dates, remains as agreed in our supply agreements and is neither legally extinguished nor substantially modified, the Business continues to present such obligations within trade payables

Quantitative and Qualitative Disclosures about Market Risk

The statements about market risk below relate to our historical financial information included in this proxy statement/prospectus.

Interest Rate

At December 31, 2020, AMPSA's related party borrowings were 100% (2019: 100%, 2018: 100%, January 1, 2018: 100%) fixed, and hence the AMP Business is not subject to interest rate risk.

Currency Exchange Risk

AMPSA presents its combined financial information in U.S. dollar.

AMPSA operates in 9 countries, across three continents and its main currency exposure in the year to December 31, 2020, from the U.S. dollar presentation currency, was in relation to the euro, British

pound, and Brazilian real. Currency exchange risk arises from future commercial transactions and recognized assets and liabilities.

AMPSA has a limited level of transactional currency exposure arising from sales or purchases by operating units in currencies other than their functional currencies.

Fluctuations in the value of these currencies with respect to the U.S. dollar presentation currency may have a significant impact on AMPSA's financial condition and results of operations. AMPSA believes that a strengthening of the U.S. dollar exchange rate by 1% against all other foreign currencies from the December 31, 2020 rate would increase invested capital by approximately \$5 million.

Commodity Price Risk

AMPSA is exposed to changes in prices of its main raw materials, primarily energy, and aluminum. Aluminum ingot is traded daily as a commodity on the London Metal Exchange, which has historically been subject to significant price volatility. Because aluminum is priced in U.S. dollar, fluctuations in the U.S. dollar/euro rate also affect the euro cost of aluminum ingot. The price and foreign currency risk on the aluminum purchases in Metal Beverage Packaging Europe and Metal Beverage Packaging Americas are hedged by entering into swaps under which we pay fixed euro and U.S. dollar prices, respectively. Furthermore, the relative price of oil and its by-products may materially impact our business, affecting our transport, lacquer and ink costs.

AMPSA uses derivative agreements with AGSA to manage some of the material cost risk. The use of derivative contracts to manage its risk is dependent on robust hedging procedures. Increasing raw material costs over time has the potential, if we are unable to pass on price increases, to reduce sales volume and could therefore have a significant impact on its financial condition. AMPSA is also exposed to possible interruptions of supply of aluminum or other raw materials and any inability to purchase raw materials could negatively impact its operations.

As a result of the volatility of gas and electricity prices, AMPSA has developed an active hedging strategy to fix a significant proportion of its energy costs through contractual arrangements directly with our suppliers. AMPSA policy is to purchase gas and electricity by entering into forward price-fixing arrangements with suppliers for the bulk of our anticipated requirements for the year ahead. Such contracts are used exclusively to obtain delivery of our anticipated energy supplies. AMPSA does not net settle, nor do we sell within a short period of time after taking delivery. AMPSA avails of the own use exemption and, therefore, these contracts are treated as executory contracts. AMPSA typically builds up these contractual positions in tranches of approximately 10% of the anticipated volumes. Any gas and electricity which is not purchased under forward price-fixing arrangements is purchased under index tracking contracts or at spot prices.

Credit Risk

Credit risk arises from derivative contracts, cash and deposits held with banks and financial institutions, as well as credit exposures to the customers of AMPSA, including outstanding receivables. The policy of AMPSA is to place excess liquidity on deposit with AMPSA Treasury who will, in turn, only place excess liquid funds with recognized and reputable financial institutions. For banks and financial institutions, only independently rated parties with a minimum rating of "BBB+" from at least two credit rating agencies are accepted, where possible. The credit ratings of banks and financial institutions are monitored to ensure compliance with Ardagh Group policy. Risk of default is controlled within a policy framework of dealing with high quality institutions and by limiting the amount of credit exposure to any one bank or institution.

Business policy is to extend credit to customers of good credit standing. Credit risk is managed on an on-going basis, by experienced people within AMPSA. AMPSA's policy for the management of

credit risk in relation to trade receivables involves periodically assessing the financial reliability of customers, taking into account their financial position, past experience and other factors. Provisions are made, where deemed necessary, and the utilization of credit limits is regularly monitored. AMPSA does not expect any significant counterparty to fail to meet its obligations. The maximum exposure to credit risk is represented by the carrying amount of each asset. For the year ended December 31, 2020, the ten largest customers of AMPSA accounted for approximately 64% of total revenues (2019: 65%; 2018: 66%). There is no recent history of default with these customers.

Liquidity Risk

AMPSA is exposed to liquidity risk which arises primarily from the maturing of short term and long-term debt obligations. AMPSA's policy has been to ensure that sufficient resources are available either from cash balances, cash flows or undrawn committed bank facilities, to ensure all obligations can be met as they fall due.

To effectively manage liquidity risk AMPSA:

has committed borrowing facilities that it can access to meet liquidity needs;

maintains cash balances and liquid investments with highly-rated counterparties;

limits the maturity of cash balances;

borrowes the bulk of its debt needs under long term fixed rate debt securities; and

has internal control processes to manage liquidity risk.

Cash flow forecasting is performed in the operating entities of AMPSA and results in rolling forecasts of AMPSA's liquidity requirements to ensure it has sufficient cash to meet operational needs while maintaining sufficient headroom on its undrawn committed borrowing facilities at all times so that AMPSA does not breach borrowing limits or covenants on any of its borrowing facilities. Such forecasting takes into consideration AMPSA's debt financing plans.

INFORMATION ABOUT GHV

References in this section to "we," "our," "us," the "Company," or "GHV" generally refer to GHV.

General

We are a special purpose acquisition company incorporated on June 25, 2020 as a Delaware corporation and formed for the purpose of effecting a merger, capital stock exchange, asset acquisition, stock purchase, reorganization or similar business combination with one or more businesses, which we refer to as a "business combination". Prior to our entering into the Business Combination Agreement, our acquisition and value creation strategy was to identify, acquire and, after an initial business combination, to build a company in an industry or sector that complements the experience of our management team and can benefit from our operational expertise. Our acquisition selection process has leveraged our team's network of potential transaction sources, ranging from owners and directors of private and public companies, private equity funds, investment bankers, lenders, attorneys, accountants and other trusted advisors across various sectors. We have neither engaged in any operations nor generated any revenue to date. Based on our business activities, we are a "shell company" as defined under the Exchange Act because we have no operations and nominal assets consisting solely of cash and/or cash equivalents.

On July 14, 2020, the Sponsor purchased 11,500,000 GHV Founder Shares for \$25,000, or approximately \$0.002 per share. On August 3, 2020, the Sponsor transferred 25,000 GHV Founder Shares to each of the Company's three independent director nominees at their original purchase price. On August 5, 2020, the Company effected a stock dividend with respect to its GHV Class F Common Stock of 2,156,250 shares thereof, resulting in an aggregate of 13,656,250 outstanding shares of GHV Class F Common Stock. On September 21, 2020, the Sponsor forfeited 531,250 Founder Shares following the expiration of the unexercised portion of the underwriters' overallotment option, so that the Founder Shares held by the Initial Stockholders would represent 20.0% of the outstanding shares of common stock following completion of the Public Offering. The shares and the associated amounts have been retroactively restated to reflect the dividend. The GHV Founder Shares are identical to the GHV Class A Common Stock included in the GHV Units sold in the IPO except that the GHV Founder Shares are convertible under the circumstances described below. The GHV Founder Shares will automatically convert into shares of GHV Class A Common Stock at the time of the Merger on a one-for-one basis, subject to adjustment as described in the Company's second amended and restated certificate of incorporation.

Pursuant to the IPO, on August 10, 2020 (the "IPO Closing Date"), the Company sold 52,500,000 GHV Units at a price of \$10.00 per unit, including 5,000,000 GHV Units as a result of the underwriters' partial exercise of its over-allotment option, generating gross proceeds of \$525,000,000. Each GHV Unit consists of one share of the Company's GHV Class A Common Stock and one-fifth of one Public Warrant. Each whole Public Warrant entitles the holder to purchase one share of GHV Class A Common Stock. Each Public Warrant will become exercisable on the later of 30 days after the completion of the Company's initial business combination or 12 months from the IPO Closing Date and will expire five years after the completion of the Company's initial business combination or earlier upon redemption or liquidation. However, if the Company does not complete an initial business combination on or prior to August 10, 2022, the Public Warrants will expire at the end of such period.

The Sponsor has purchased from the Company an aggregate of 6,250,000 Private Placement Warrants at a price of \$2.00 per warrant (a purchase price of approximately \$12,500,000) in a Private Placement that occurred simultaneously with the completion of the IPO. Each Private Placement Warrant entitles the holder to purchase one share of GHV Class A Common Stock at \$11.50 per share. A portion of the purchase price of the Private Placement Warrants was added to the proceeds from the IPO to be held in the Trust Account pending completion of the Merger. The Private Placement

Warrants have terms and provisions that are identical to those of the Public Warrants sold as part of the GHV Units in the IPO, except the Private Placement Warrants are not redeemable so long as they are held by the Sponsor or its permitted transferees. If the Company does not complete a business combination, then the Private Placement Warrants proceeds will be part of the liquidation distribution to the public stockholders and the Private Placement Warrants will expire worthless.

On February 22, 2021, the Company entered into the Business Combination Agreement. The Business Combination Agreement and the transactions contemplated thereby were unanimously approved by the Board of Directors of the Company on February 22, 2021 and the Board of Directors of AGSA on February 22, 2021.

Initial Business Combination

Nasdaq rules require that an initial business combination must be with one or more target businesses that together have a fair market value equal to at least 80% of the balance in our Trust Account (less any deferred underwriting commissions and taxes payable on interest earned) at the time of our signing a definitive agreement in connection with an initial business combination. Our Board has determined that the Merger meets the 80% test.

Redemption Rights for Holders of Public Shares

We are providing our Public Stockholders with the opportunity to redeem their Public Shares for cash equal to a pro rata share of the aggregate amount on deposit in the Trust Account as of two business days prior to the closing of the Merger, including interest not previously released to the Company to fund Regulatory Withdrawals and/or to pay its franchise and income taxes, divided by the number of then outstanding Public Shares, upon the consummation of the Merger, subject to the limitations described herein. As of December 31, 2020, the redemption price would have been approximately \$10.00 per share. Our Initial Stockholders, including our Sponsor, and our other current directors and officers have agreed to waive their redemption rights with respect to their shares of GHV Common Stock in connection with the consummation of the Merger. The GHV Founder Shares will be excluded from the pro rata calculation used to determine the per-share redemption price. Our Initial Stockholders have also agreed to waive their right to a conversion price adjustment with respect to any shares of our GHV Common Stock they may hold in connection with the consummation of the Merger.

Submission of Our Initial Business Combination to a Stockholder Vote

The Special Meeting of our stockholders to which this proxy statement/prospectus relates is to solicit your approval of the Merger Proposal. Unlike many other special purpose acquisition companies, our Public Stockholders are not required to vote against the Merger Proposal in order to exercise their redemption rights. If the Merger is not completed, then Public Stockholders electing to exercise their redemption rights will not be entitled to receive such payments. Our Initial Stockholders, including our Sponsor, have agreed to vote any shares of GHV Common Stock owned by them in favor of the Merger Proposal.

Limitations on Redemption Rights

Notwithstanding the foregoing, our current certificate of incorporation provides that a Public Stockholder, together with any affiliate of such stockholder or any other person with whom such stockholder is acting in concert or as a "group" (as defined under Section 13 of the Exchange Act), will be restricted from exercising redemptions with respect to more than an aggregate of 20% of the shares of GHV Class A Common Stock included in the GHV Units sold in our IPO.

Employees

We currently have three executive officers. Members of our management team are not obligated to devote any specific number of hours to our matters, but they intend to devote as much of their time as they deem necessary to our affairs until we have completed an initial business combination. We presently expect our officers to devote such amount of time as they reasonably believe is necessary to our business, and the amount of time that Mr. Gores or any other members of our management will devote in any time period will vary based on the current stage of the business combination process.

Alec E. Gores has been our Chairman since June 2020. Mr. Gores is the Founder, Chairman and Chief Executive Officer of The Gores Group, a global investment firm focused on acquiring businesses that can benefit from the firm's operating expertise. Mr. Gores implemented an operational approach to private equity investing when he founded The Gores Group in 1987 by operating businesses alongside management, or in some cases in lieu of management, to build value in those entities. Since then, the firm has acquired more than 120 businesses including a current portfolio of 8 active companies worldwide. Mr. Gores began his career as a self-made entrepreneur and operating executive. In 1978, he self-funded and founded Executive Business Systems (EBS), a developer and distributor of vertical business software systems. Within seven years, EBS had become a leading value-added reseller in Michigan and employed over 200 people. In 1986, CONTEL purchased EBS, and Mr. Gores subsequently began acquiring and operating non-core businesses from major corporations and building value in those entities, a decision that ultimately led to the founding of what has evolved into The Gores Group today. Under his leadership, The Gores Group has continued to acquire businesses in need of operational and financial resources, while creating value and working with management teams to establish an entrepreneurial environment as a foundation for sustainable growth. This philosophy has served the firm well. Stockholder Communications

Our board of directors has established a process for stockholders to send communications to our board of directors. Stockholders may communicate with our board of directors generally or a specific director at any time by writing to the Company's Secretary, Gores Holdings V, Inc., 9800 Wilshire Blvd., Beverly Hills, California 90212. We review all messages received, and forward any message that reasonably appears to be a communication from a stockholder about a matter of stockholder interest that is intended for communication to our board of directors. Communications are sent as soon as practicable to the director to whom they are addressed, or if addressed to our board of directors generally, to the Chairman of our board of directors. Because other appropriate avenues of communication exist for matters that are not of stockholder interest, such as general business complaints or employee grievances, communications that do not relate to matters of stockholder interest are not forwarded to our board of directors.

Board Leadership Structure and Role in Risk Oversight

Our board of directors recognizes that the leadership structure and combination or separation of the Chief Executive Officer and Chairman roles is driven by the needs of the Company at any point in time. As a result, no policy exists requiring combination or separation of leadership roles and our governing documents do not mandate a particular structure. This has allowed our board of directors the flexibility to establish the most appropriate structure for the Company at any given time. Currently, our Chief Executive Officer and Chairman roles are separately held by Mr. Mark R. Stone and Mr. Alec E. Gores, respectively. In addition, none of the officers of the Company is a member of our board of directors and none of the directors of our board of directors is an officer of the Company.

Our board of directors is actively involved in overseeing our risk management process. Our board of directors focuses on our general risk management strategy and ensures that appropriate risk mitigation strategies are implemented by management. Further, operational and strategic presentations by management to our board of directors include consideration of the challenges and risks of our businesses, and our Board and management actively engage in discussion on these topics. In addition, each of our board of directors' committees considers risk within its area of responsibility. For example, our Audit Committee provides oversight to legal and compliance matters and assesses the adequacy of our risk-related internal controls. In addition, our Compensation Committee considers risk and structures our executive compensation programs, if any, to provide incentives to appropriately reward executives for growth without undue risk taking.

Number and Terms of Office of Officers and Directors

We have four members of our board of directors. Our board of directors is divided into three classes with only one class of directors being elected in each year and each class (except for those directors appointed prior to our first annual meeting of stockholders) serving a three-year term. The term of office of the first class of directors, consisting of Randall Bort, expires at our first annual meeting of stockholders. The term of office of the second class of directors, consisting of William Patton and Jeffrey Rea, expires at the second annual meeting of stockholders. The term of office of the third class of directors, consisting of Alec E. Gores, expires at the third annual meeting of stockholders.

Our officers are appointed by the board of directors and serve at the discretion of the board of directors, rather than for specific terms of office. Our board of directors is authorized to appoint persons to the offices set forth in our bylaws as it deems appropriate. Our bylaws provide that our officers may consist of a Chairman of the board of directors, Chief Executive Officer, President, Chief Financial Officer, Vice Presidents, Secretary, Treasurer and such other offices as may be determined by the board of directors.

Director Independence

Nasdaq listing standards require that a majority of our board of directors be independent. An "independent director" is defined generally as a person other than an officer or employee of the company or its subsidiaries or any other individual having a relationship which in the opinion of the company's board of directors, would interfere with the director's exercise of independent judgment in carrying out the responsibilities of a director. Our board of directors has determined that Randall Bort, William Patton, and Jeffrey Rea are "independent directors" as defined in the Nasdaq listing standards and applicable SEC rules. Our independent directors have regularly scheduled meetings at which only independent directors are present.

Committees of the Board of Directors

Our board of directors has two standing committees: an audit committee and a compensation committee. Subject to phase-in rules and a limited exception, the rules of the Nasdaq and Rule 10A-3 of the Exchange Act require that the audit committee of a listed company be comprised solely of independent directors, and the rules of the Nasdaq require that the compensation committee of a listed company be comprised solely of independent directors.

Audit Committee

Our board of directors has established an audit committee of the board of directors. Audit committee members include Randall Bort, William Patton and Jeffrey Rea. Under the Nasdaq listing standards and applicable SEC rules, we are required to have at least three members of the audit

committee, all of whom must be independent. Messrs. Bort, Patton and Rea qualify as independent directors under applicable rules.

Each member of the audit committee is financially literate and our board of directors has determined that Randall Bort qualifies as an "audit committee financial expert" as defined in applicable SEC rules.

We have adopted an audit committee charter, which details the principal functions of the audit committee, including:

the appointment, compensation, retention, replacement, and oversight of the work of the independent auditors and any other independent registered public accounting firm engaged by us;

pre-approving all audit and permitted non-audit services to be provided by the independent auditors or any other registered public accounting firm engaged by us, and establishing pre-approval policies and procedures;

reviewing and discussing with the independent auditors all relationships the auditors have with us in order to evaluate their continued independence;

setting clear hiring policies for employees or former employees of the independent auditors;

setting clear policies for audit partner rotation in compliance with applicable laws and regulations;

obtaining and reviewing a report, at least annually, from the independent auditors describing (i) the independent auditor's internal quality-control procedures and (ii) any material issues raised by the most recent internal quality-control review, or peer review, of the audit firm, or by any inquiry or investigation by governmental or professional authorities within the preceding five years respecting one or more independent audits carried out by the firm and any steps taken to deal with such issues;

reviewing and approving any related party transaction required to be disclosed pursuant to Item 404 of Regulation S-K promulgated by the SEC prior to us entering into such transaction; and

reviewing with management, the independent auditors, and our legal advisors, as appropriate, any legal, regulatory or compliance matters, including any correspondence with regulators or government agencies and any employee complaints or published reports that raise material issues regarding our financial statements or accounting policies and any significant changes in accounting standards or rules promulgated by the Financial Accounting Standards Board, the SEC or other regulatory authorities.

Compensation Committee

Our board of directors has established a compensation committee of the board of directors. Compensation committee members include Randall Bort, William Patton and Jeffrey Rea. Under the Nasdaq listing standards and applicable SEC rules, we are required to have at least two members of the compensation committee, all of whom must be independent. Randall Bort, William Patton and Jeffrey Rea are independent.

We have adopted a compensation committee charter which details the principal functions of the compensation committee, including:

reviewing and approving on an annual basis the corporate goals and objectives relevant to our Chief Executive Officer's compensation, evaluating our Chief Executive Officer's performance in

light of such goals and objectives and determining and approving the remuneration (if any) of our Chief Executive Officer based on such evaluation;

reviewing and approving on an annual basis the compensation of all of our other officers;

reviewing on an annual basis our executive compensation policies and plans;

implementing and administering our incentive compensation equity-based remuneration plans;

assisting management in complying with our proxy statement and annual report disclosure requirements;

approving all special perquisites, special cash payments and other special compensation and benefit arrangements for our officers and employees;

if required, producing a report on executive compensation to be included in our annual proxy statement; and

reviewing, evaluating and recommending changes, if appropriate, to the remuneration for directors.

It is likely that prior to the consummation of an initial business combination, the compensation committee will only be responsible for the review and recommendation of any compensation arrangements to be entered into in connection with such initial business combination.

The charter also provides that the compensation committee may, in its sole discretion, retain or obtain the advice of a compensation consultant, legal counsel or other adviser and will be directly responsible for the appointment, compensation and oversight of the work of any such adviser. However, before engaging or receiving advice from a compensation consultant, external legal counsel or any other adviser, the compensation committee will consider the independence of each such adviser, including the factors required by the Nasdaq and the SEC.

Committee Membership, Meetings and Attendance

Each of the Audit Committee and Compensation Committee of our board of directors is comprised entirely of independent directors.

From June 25, 2020 (inception) through December 31, 2020, the end of our fiscal year, our board of directors acted by written consent two times. Our Audit Committee held two meetings in fiscal year 2020 and our Compensation Committee did not hold any meetings in fiscal year 2020.

We encourage all of our directors to attend our annual meetings of stockholders. This Special Meeting will be our first annual meeting.

Director Nominations

We do not have a standing nominating committee, though we intend to form a corporate governance and nominating committee as and when required to do so by law or Nasdaq rules. In accordance with Rule 5605(e)(2) of the Nasdaq rules, a majority of the independent directors may recommend a director nominee for selection by the board of directors. The board of directors believes that the independent directors can satisfactorily carry out the responsibility of properly selecting or approving director nominees without the formation of a standing nominating committee. In accordance with Rule 5605(e)(1)(A) of the Nasdaq rules, all such directors are independent. As there is no standing nominating committee, we do not have a nominating committee charter in place.

The board of directors will also consider director candidates recommended for nomination by our stockholders during such times as they are seeking proposed nominees to stand for election at the next annual meeting of stockholders (or, if applicable, a Special

Meeting of stockholders). Our stockholders that wish to nominate a director for election to the Board should follow the procedures set forth in our bylaws.

We have not formally established any specific, minimum qualifications that must be met or skills that are necessary for directors to possess. In general, in identifying and evaluating nominees for director, the board of directors considers educational background, diversity of professional experience, knowledge of our business, integrity, professional reputation, independence, wisdom, and the ability to represent the best interests of our stockholders.

Compensation Committee Interlocks and Insider Participation

None of our officers currently serves, and in the past year has not served, as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving on our board of directors.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our officers, directors and persons who beneficially own more than ten percent of our GHV Class A Common Stock to file reports of ownership and changes in ownership with the SEC. These reporting persons are also required to furnish us with copies of all Section 16(a) forms they file. Based solely upon a review of such Forms, we believe that during the year ended December 31, 2020 there were no delinquent filers.

Code of Ethics

We have adopted a Code of Ethics applicable to our directors, executive officers and employees that complies with the rules and regulations of the Nasdaq. The Code of Ethics codifies the business and ethical principles that govern all aspects of our business. We have previously filed copies of our form Code of Ethics, our form of Audit Committee Charter and our form of Compensation Committee Charter as exhibits to our registration statement in connection with our IPO. You may review these documents by accessing our public filings at the SEC's web site at www.sec.gov. In addition, a copy of the Code of Ethics will be provided without charge upon request to us in writing at 9800 Wilshire Blvd. Beverly Hills, California 90212 or by telephone at (310) 209-3010. We intend to disclose any amendments to or waivers of certain provisions of our Code of Ethics in a Current Report on Form 8-K.

Conflicts of Interest

The Gores Group manages several investment vehicles. Funds managed by The Gores Group or its affiliates may compete with us for acquisition opportunities. If these funds decide to pursue any such opportunity, we may be precluded from procuring such opportunities. In addition, investment ideas generated within The Gores Group, including by Mr. Gores, may be suitable for both us and for a current or future fund of The Gores Group and may be directed to such investment vehicle rather than to us. Neither The Gores Group nor members of our management team who are also employed by certain affiliates of The Gores Group have any obligation to present us with any opportunity for a potential initial business combination of which they become aware, unless presented to such member solely in his or her capacity as an officer of the Company. The Gores Group and/or our management, in their capacities as officers or managing directors of The Gores Group or in their other endeavors, may be required to present potential initial business combinations to the related entities described above, current or future investment vehicles of The Gores Group, or third parties, before they present such opportunities to us.

Each of our officers and directors presently has, and any of them in the future may have additional, fiduciary or contractual obligations to another entity pursuant to which such officer or director is or will be required to present an initial business combination opportunity to such entity. Accordingly, if any of our officers or directors becomes aware of an initial business combination

opportunity which is suitable for an entity to which he or she has then-current fiduciary or contractual obligations, he or she will honor these fiduciary obligations under applicable law. We do not believe, however, that the fiduciary duties or contractual obligations of our officers or directors will materially affect our ability to complete our initial business combination. Our current certificate of incorporation provides that we renounce our interest in any corporate opportunity offered to any director or officer unless such opportunity is expressly offered to such person solely in his or her capacity as a director or officer of our Company and such opportunity is one we are legally and contractually permitted to undertake and would otherwise be reasonable for us to pursue. The purpose for the surrender of corporate opportunities is to allow officers, directors or other representatives with multiple business affiliations to continue to serve as an officer of the Company or on our Board of directors . Our officers and directors may from time to time be presented with opportunities that could benefit both another business affiliation and us. In the absence of the "corporate opportunity" waiver in our charter, certain candidates would not be able to serve as an officer or director. We believe we substantially benefit from having representatives, who bring significant, relevant and valuable experience to our management, and, as a result, the inclusion of the "corporate opportunity" waiver in our current certificate of incorporation provides us with greater flexibility to attract and retain the officers and directors that we feel are the best candidates.

In addition, our Sponsor, officers and directors may participate in the formation of, or become an officer or director of, any other special purpose acquisition company prior to completion of our initial business combination. As a result, our Sponsor, officers or directors could have conflicts of interest in determining whether to present initial business combination opportunities to us or to any other special purpose acquisition company with which they may become involved. Although we have no formal policy in place for vetting potential conflicts of interest, our board of directors will review any potential conflicts of interest on a case-by-case basis.

In particular, an affiliate of our Sponsor is currently sponsoring several other special purpose acquisition companies, consisting of: Gores Holdings VI, Gores Metropoulos II, Gores Holdings VII, Gores Holdings VIII, Gores Technology I, Gores Technology II and Gores Guggenheim. On February 7, 2021, Gores Holdings VI entered into a definitive agreement to acquire Matterport. Gores Holdings VII, Gores Holdings VIII, and Gores Guggenheim may seek to complete a business combination in any location and is not focusing on any particular industry for business combinations. Gores Metropoulos II may seek to complete a business combination in any location and is focusing on a business combination in the consumer products and services industry, Gores Technology I and Gores Technology II may seek to complete a business combination in any location and are focusing on a business combination in the technology industry. Further, Mr. Gores, our Chairman, serves as the Chief Executive Officer of Gores Metropoulos II, Mr. Stone, our Chief Executive Officer, serves as the Chief Executive Officer of Gores Holdings VI, Gores Holdings VII, Gores Holdings VIII and Gores Guggenheim. Mr. McBride, our Chief Financial Officer, serves as the Chief Financial Officer for Gores Holdings VI, Gores Metropoulos II, Gores Holdings VII, Gores Holdings VIII, Gores Technology I, Gores Technology II, and Gores Guggenheim. Any such companies, including Gores Holdings VI, Gores Metropoulos II, Gores Holdings VII, Gores Holdings VIII, Gores Technology I, Gores Technology II, and Gores Guggenheim may present additional conflicts of interest in pursuing an acquisition target. However, we do not believe that any potential conflicts would materially affect our ability to complete our initial business combination. Investors should also be aware of the following other potential conflicts of interest:

the fact that the Initial Stockholders have agreed not to redeem any of the GHV Founder Shares in connection with a stockholder vote to approve a proposed initial business combination;

the fact that the GHV Sponsor paid an aggregate of \$25,000 for the GHV Founder Shares that will be exchanged for AMPSA Shares at the Merger Effective Time, and which AMPSA Shares would, if unrestricted and freely tradable, have a value of approximately \$98 million at the

Merger Effective Time (based on per share price of \$10), but given the restrictions on such AMPSA Shares pursuant to the Registration Rights and Lock-Up Agreement, GHV believes such AMPSA Shares have less value;

the fact that the Initial Stockholders have agreed to waive their rights to liquidating distributions from the Trust Account with respect to their GHV Founder Shares if GHV fails to complete an initial business combination by August 10, 2022;

the fact that the GHV Sponsor paid an aggregate of approximately \$12,500,000 for its 6,250,000 Private Placement Warrants to purchase shares of GHV Class A Common Stock, and that such Private Placement Warrants will expire and become worthless if a business combination is not consummated by August 10, 2022;

if the Trust Account is liquidated, including in the event GHV is unable to complete an initial business combination within the required time period, the GHV Sponsor has agreed to indemnify GHV to ensure that the proceeds in the Trust Account are not reduced below \$10.00 per public share, or such lesser per public share amount as is in the Trust Account on the liquidation date, by the claims of prospective target businesses with which GHV has entered into an acquisition agreement or claims of any third party (other than its independent public accountants) for services rendered or products sold to GHV, but only if such a vendor or target business has not executed a waiver of any and all rights to seek access to the Trust Account;

the continued indemnification of GHV's existing directors and officers and the purchase of a tail policy with respect to GHV's directors' and officers' existing liability insurance;

the fact that the GHV Sponsor, officers and directors will lose their entire investment in GHV and will not be reimbursed for any out-of-pocket expenses if GHV does not consummate an initial business combination by August 10, 2022;

the fact that the GHV Sponsor has the right to nominate two independent directors to AMPSA's board of directors as of the Closing;

that, at the closing of the Merger, GHV will enter into the Registration Rights and Lock-Up Agreement, which provides for registration rights to the holders of AMPSA Shares that are parties thereto and their permitted transferees;

the fact that the GHV Sponsor and members of the GHV Board and management would hold the following number of shares in AMPSA at the Closing:

<u>Name of Person/Entity</u>	<u>Number of AMPSA Shares</u>	<u>Value of AMPSA Shares(1)</u>
Gores Sponsor V LLC		\$
Alec E. Gores		\$
Mark R. Stone		\$
Andrew McBride		\$
Randall Bort		\$
William Patton		\$
Jeffrey Rea		\$

(1) Based on a per share price of \$10.00.

the fact that the GHV Sponsor has entered into a Subscription Agreement with AMPSA and GHV, pursuant to which the GHV Sponsor has committed to purchase 2.5 million AMPSA Shares in the PIPE for an aggregate commitment of approximately \$25 million, provided that the GHV Sponsor has the right to syndicate the AMPSA Shares purchased under such Subscription Agreement in advance of the Closing;

that an affiliate of the GHV Sponsor, Mr. Alec E. Gores, has committed to purchase AMPSA Shares in the PIPE for an aggregate commitment of approximately \$ in connection with the syndication by the GHV Sponsor of its portion of the PIPE; and

the fact that the GHV Sponsor has committed to acquire up to 9.5 million AMPSA Shares at a per share price of \$10.00 in the event that there are redemptions from the Trust Account that are in excess of \$1 million.

The conflicts described above may not be resolved in our favor.

Under Delaware law, officers and directors owe the following duties:

- i. duty to act in good faith, with the care of a prudent person, and in the best interest of the corporation as a whole.
- ii. duty to refrain from self-dealing, usurping corporate opportunities and receiving improper personal benefits
- iii. duty to make decisions on an informed basis, in good faith and in the honest belief that the action was taken in the best interest of the corporation and that these decisions will be protected by the "business judgment rule."

In general, officers and directors of a corporation incorporated under the laws of the State of Delaware are required to present business opportunities to a corporation if:

the corporation could financially undertake the opportunity;

the opportunity is within the corporation's line of business; and

it would not be fair to the corporation and its stockholders for the opportunity not to be brought to the attention of the corporation.

Accordingly, as a result of multiple business affiliations, our officers and directors may have similar legal obligations relating to presenting business opportunities meeting the above-listed criteria to multiple entities. Furthermore, our current certificate of incorporation provides that the doctrine of corporate opportunity will not apply with respect to any of our officers or directors in circumstances where the application of the doctrine would conflict with any fiduciary duties or contractual obligations

they may have. Below is a table summarizing the entities to which our executive officers and directors currently have fiduciary duties or contractual obligations that may present a conflict of interest:

- (1) This entity's amended and restated charter contains a waiver of the corporate opportunity doctrine. Accordingly, there is no conflicting obligation to bring opportunities to this entity before the Company.

Accordingly, if any of the above executive officers or directors become aware of an initial business combination opportunity which is suitable for any of the above entities to which he or she has then-current fiduciary or contractual obligations, he or she will honor these obligations to present such initial business combination opportunity to such entity, and only present it to us if such entity rejects the opportunity. We do not believe, however, that any of the foregoing fiduciary duties or contractual obligations will materially affect our ability to complete our initial business combination. Our current certificate of incorporation provides that we renounce our interest in any corporate opportunity offered to any director or officer unless such opportunity is expressly offered to such person solely in his or her capacity as a director or officer of our Company and such opportunity is one we are legally and contractually permitted to undertake and would otherwise be reasonable for us to pursue.

We are not prohibited from pursuing an initial business combination with a company that is affiliated with our Sponsor, executive officers or directors. In the event we seek to complete our initial business combination with such a company, we, or a committee of

independent directors, would obtain an opinion from an independent investment banking firm which is a member of FINRA, or from an independent accounting firm, that such an initial business combination is fair to our Company from a financial point of view.

Our Initial Stockholders have agreed to vote their shares of **GHV** Common Stock in favor of the Merger Proposal.

Limitation on Liability and Indemnification of Officers and Directors

Our current certificate of incorporation provides that our officers and directors will be indemnified by us to the fullest extent authorized by Delaware law, as it now exists or may in the future be amended. In addition, our current certificate of incorporation provides that our directors will not be personally liable for monetary damages to us for breaches of their fiduciary duty as directors unless they violated their duty of loyalty to us or our stockholders, acted in bad faith, knowingly or intentionally violated the law, authorized unlawful payments of dividends, unlawful stock purchases or unlawful redemptions, or derived an improper personal benefit from their actions as directors.

We have entered into agreements with our officers and directors to provide contractual indemnification in addition to the indemnification provided for in our current certificate of incorporation. Our bylaws also permit us to maintain insurance on behalf of any officer, director or employee for any liability arising out of his or her actions, regardless of whether Delaware law would permit such indemnification. We have obtained a policy of directors' and officers' liability insurance that insures our officers and directors against the cost of defense, settlement or payment of a judgment in some circumstances and insures us against our obligations to indemnify our officers and directors.

These provisions may discourage stockholders from bringing a lawsuit against our directors for breach of their fiduciary duty. These provisions also may have the effect of reducing the likelihood of derivative litigation against officers and directors, even though such an action, if successful, might otherwise benefit us and our stockholders. Furthermore, a stockholder's investment may be adversely affected to the extent we pay the costs of settlement and damage awards against officers and directors pursuant to these indemnification provisions.

We believe that these provisions, the insurance and the indemnity agreements are necessary to attract and retain talented and experienced officers and directors.

GHV MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

References in this section to "we," "our," "us," the "Company," or "GHV" generally refer to GHV.

The following discussion and analysis of GHV's financial condition and results of operations should be read in conjunction with its audited financial statements and the notes related thereto which are included elsewhere in this proxy statement/prospectus.

Overview

GHV is a special purpose acquisition company incorporated on June 25, 2020 as a Delaware corporation and formed for the purpose of effecting a business combination with one or more target businesses. GHV completed its IPO on August 10, 2020. As of December 31, 2020, GHV had not identified any business combination target.

GHV presently has no revenue, has had losses since inception from incurring formation costs and has had no operations other than the active solicitation of a target business with which to complete a business combination.

Since completing its IPO, GHV reviewed a number of opportunities to enter into a business combination with an operating business. GHV intends to effectuate a business combination using cash from the proceeds of its IPO and the sale of the Private Placement Warrants, its capital stock, debt, or a combination of cash, stock and debt.

Recent Developments

Proposed Business Combination

On February 22, 2021, the Company entered into a Business Combination Agreement, by and among the Company, Ardagh Metal Packaging S.A., Ardagh Group S.A. and Ardagh MP MergeCo Inc., which provides for, among other things: (a) a series of transactions that will result in the subsidiaries of AGSA that are engaged in the business of developing, manufacturing, marketing and selling metal beverage cans and ends and providing related technical and customer services becoming wholly owned by AMPSA, and (b) the merger of MergeCo with and into the Company, with the Company being the surviving corporation as a wholly owned subsidiary of AMPSA.

The Business Combination Agreement and the transactions contemplated thereby were unanimously approved by the GHV Board on February 22, 2021 and the Board of Directors of AGSA on February 22, 2021.

Results of Operations

For the period from June 25, 2020 to December 31, 2020, GHV had a net loss of (\$650,745). GHV's business activities during the year mainly consisted of identifying and evaluating prospective acquisition candidates for a business combination. GHV believes that it has sufficient funds available to complete its efforts to effect a business combination with an operating business by August 10, 2022. However, if GHV's estimates of the costs of identifying a target business, undertaking in-depth due diligence and negotiating a business combination are less than the actual amount necessary to do so, GHV may have insufficient funds available to operate its business prior to its business combination.

As indicated in the accompanying unaudited financial statements, at December 31, 2020, GHV had \$705,817 in cash and deferred offering costs of \$18,375,000. Further, GHV expects to continue to incur significant costs in the pursuit of its acquisition plans. GHV cannot assure you that its plans to complete the Merger will be successful.

Liquidity and Capital Resources

On July 14, 2020, the GHV Sponsor purchased 11,500,000 GHV Founder Shares for an aggregate purchase price of \$25,000, or approximately \$0.002 per share. Subsequently, the GHV Sponsor transferred an aggregate of 75,000 GHV Founder Shares to GHV's independent directors. On August 5, 2020, GHV effected a stock dividend with respect to GHV Founder Shares of 2,156,250 shares thereof, resulting in the Initial Stockholders holding an aggregate of 13,656,250 shares of GHV Class F Common Stock. On September 21, 2020, the GHV Sponsor forfeited 531,250 GHV Founder Shares following the expiration of the unexercised portion of underwriters' over-allotment option, so that the GHV Founder Shares held by the Initial Stockholders would represent 20.0% of the outstanding shares of common stock following completion of the IPO.

On August 10, 2020, GHV consummated its IPO of 52,500,000 GHV Units at a price of \$10.00 per GHV Unit, including 5,000,000 GHV Units as a result of the underwriters' partial exercise of its over-allotment option, generating gross proceeds of \$525,000,000. On the IPO Closing Date, GHV completed the private sale of an aggregate of 6,250,000 Private Placement Warrants, each exercisable to purchase one share of GHV Common Stock at \$11.50 per share, to the GHV Sponsor, at a price of \$2.00 per Private Placement Warrant, generating gross proceeds, before expenses, of \$12,500,000. After deducting the underwriting discounts and commissions (excluding the Deferred Discount, which amount will be payable upon consummation of the Merger, if consummated) and the estimated offering expenses, the total net proceeds from GHV's IPO and the sale of the Private Placement Warrants were \$526,055,000, of which \$525,000,000 (or \$10.00 per share sold in GHV's IPO) was placed in the Trust Account. The amount of proceeds not deposited in the Trust Account was \$1,055,000 at the closing of the IPO. Interest earned on the funds held in the Trust Account may be released to GHV to fund its Regulatory Withdrawals, for a maximum of 24 months and/or additional amounts necessary to pay its franchise and income taxes.

On July 14, 2020, GHV borrowed \$300,000 by the issuance of an unsecured promissory note from the GHV Sponsor for \$300,000 to cover expenses related to the IPO. This note was non-interest bearing and payable on the earlier of June 30, 2021 or the completion of the IPO. This note was repaid in full upon the completion of the IPO.

As of December 31, 2020, GHV had cash held outside of the Trust Account of approximately \$705,817, which is available to fund its working capital requirements. Additionally, interest earned on the funds held in the Trust Account may be released to GHV to fund its Regulatory Withdrawals, for a maximum of 24 months and/or additional amounts necessary to pay its franchise and income taxes.

At December 31, 2020, GHV had current liabilities of \$567,859 and working capital of \$492,046, largely due to amounts owed to professionals, consultants, advisors and others who are working on seeking a business combination. Such work is continuing after December 31, 2020 and amounts are continuing to accrue.

GHV intends to use substantially all of the funds held in the Trust Account, including interest (which interest shall be net of Regulatory Withdrawals and taxes payable) to consummate a business combination. Moreover, GHV may need to obtain additional financing either to complete a business combination or because it becomes obligated to redeem a significant number of shares of GHV Common Stock upon completion of a business combination. Subject to compliance with applicable securities laws, GHV would only complete such financing simultaneously with the completion of a business combination. If GHV is unable to complete a business combination because it does not have sufficient funds available to it, GHV will be forced to cease operations and liquidate the Trust Account. In addition, following the Merger, if cash on hand is insufficient, GHV may need to obtain additional financing in order to meet its obligations. To the extent that GHV's capital stock or debt is used, in whole or in part, in connection with the combination of the Business Combination, the remaining

proceeds held in GHV's Trust Account, if any, will be used as working capital to finance the operations (including growth strategy) of the combined company.

Off-balance sheet financing arrangements

At December 31, 2020, GHV had no obligations, assets or liabilities which would be considered off-balance sheet arrangements. GHV does not participate in transactions that create relationships with unconsolidated entities or financial partnerships, often referred to as variable interest entities, which would have been established for the purpose of facilitating off-balance sheet arrangements.

GHV has not entered into any off-balance sheet financing arrangements, established any special purpose entities, guaranteed any debt or commitments of other entities, or entered into any non-financial agreements involving assets.

Contractual obligations

As of December 31, 2020, GHV did not have any long-term debt obligations, capital lease obligations, operating lease obligations, purchase obligations or long-term liabilities. In connection with the IPO, GHV entered into an administrative services agreement to pay monthly recurring expenses of \$20,000 to The Gores Group for office space, utilities and secretarial support. The administrative services agreement terminates upon the earlier of the completion of a business combination or the liquidation of GHV.

The underwriters are entitled to underwriting discounts and commissions of 5.5% (\$28,875,000), of which 2.0% (\$10,500,000) was paid at the closing of the IPO, and 3.5% (\$18,375,000) was deferred. The Deferred Discount will become payable to the underwriters from the amounts held in the Trust Account solely in the event that GHV completes a business combination, subject to the terms of the underwriting agreement. The underwriters are not entitled to any interest accrued on the Deferred Discount.

Significant Accounting Policies

Basis of Presentation

The accompanying financial statements have been prepared in accordance with GAAP and pursuant to the accounting and disclosure rules and regulations of the SEC, and reflect all adjustments, consisting only of normal recurring adjustments, which are, in the opinion of management, necessary for a fair presentation of the financial position as of December 31, 2020 and the results of operations and cash flows for the periods presented. Operating results for the period ended December 31, 2020 are not necessarily indicative of results that may be expected for the full year or any other period. While GHV was formed on June 25, 2020, there were no transactions or operations between inception and July 14, 2020. Therefore, these financials statements do not include comparative statements to prior 2020 periods.

Offering Costs

GHV complies with the requirements of the Accounting Standards Codification (the "ASC") 340-10-S99-1 and SEC Staff Accounting Bulletin Topic 5A—"Expenses of Offering." Offering costs consist principally of professional and registration fees incurred through the balance sheet date that are related to the IPO and were charged to stockholders' equity upon the completion of the IPO. Accordingly, offering costs totaling \$29,563,654 (including \$28,875,000 in underwriters' fees), and were charged to stockholders' equity.

Net loss per common share

GHV has two classes of shares, the GHV Class A Common Stock and the GHV Founder Shares. Net income/(loss) per common share is computed utilizing the two-class method. The two-class method is an earnings allocation formula that determines earnings per share separately for each class of common stock based on an allocation of undistributed earnings per the rights of each class. At December 31, 2020, GHV did not have any dilutive securities or other contracts that could, potentially, be exercised or converted into common stock and then share in the earnings of GHV under the treasury stock method. As a result, diluted net income/(loss) per common share is the same as basic net income/(loss) per common share for the period.

Income Taxes

GHV follows the asset and liability method of accounting for income taxes under ASC 740, "Income Taxes." Deferred tax assets and liabilities are recognized for the estimated future tax consequences attributable to differences between the financial statements carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date. Valuation allowances are established, when necessary, to reduce deferred tax assets to the amount expected to be realized.

For those liabilities or benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. GHV recognizes accrued interest and penalties related to unrecognized tax liabilities as income tax expense. No amounts were accrued for the payment of interest and penalties at December 31, 2020.

GHV may be subject to potential examination by U.S. federal, states or foreign jurisdiction authorities in the areas of income taxes. These potential examinations may include questioning the timing and amount of deductions, the nexus of income amounts in various tax jurisdictions and compliance with U.S. federal, states or foreign tax laws.

GHV is incorporated in the State of Delaware and is required to pay franchise taxes to the State of Delaware on an annual basis.

Recently issued accounting pronouncements not yet adopted

GHV management does not believe that any recently issued, but not yet effective, accounting pronouncements, if currently adopted, would have a material effect on GHV's financial statements based on current operations of GHV. The impact of any recently issued accounting standards will be re-evaluated on a regular basis or if a business combination is completed where the impact could be material.

Quantitative and Qualitative Disclosures About Market Risk

Market risk is a broad term for the risk of economic loss due to adverse changes in the fair value of a financial instrument. These changes may be the result of various factors, including interest rates, foreign exchange rates, commodity prices and/or equity prices. Our business activities for the year ended December 31, 2020 consisted solely of organizational activities and activities relating to our IPO and the identification of a target company for our initial business combination. As of December 31, 2020, \$525,020,571 (including accrued interest and dividends and subject to reduction by the Deferred Discount due at the consummation of the Merger) was held in the Trust Account for the purposes of consummating initial business combination. As of December 31, 2020, investment securities in the Trust

Account consists of \$525,020,571 in money market funds. As of December 31, 2020, the effective annualized rate of return generated by our investments was approximately 0.0003%.

We have not engaged in any hedging activities during the year ended December 31, 2020. We do not expect to engage in any hedging activities with respect to the market risk to which we are exposed.

Controls and Procedures

Disclosure controls and procedures are controls and other procedures that are designed to ensure that information required to be disclosed in our reports filed or submitted under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed in company reports filed or submitted under the Exchange Act is accumulated and communicated to management, including our Chief Executive Officer and Chief Financial Officer, to allow timely decisions regarding required disclosure.

As required by Rules 13a-15 and 15d-15 under the Exchange Act, our Chief Executive Officer and Chief Financial Officer carried out an evaluation of the effectiveness of the design and operation of our disclosure controls and procedures as of December 31, 2020. Based upon their evaluation, our Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Exchange Act) were effective.

During the most recently completed fiscal quarter, there has been no change in our internal control over financial reporting that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

CERTAIN GHV RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

References in this section to "we," "our," "us," the "Company," or "GHV" generally refer to GHV.

The Company's Related Party Transactions

GHV Founder Shares

On July 14, 2020, the Sponsor purchased 11,500,000 shares of GHV Class F Common Stock (the "GHV Founder Shares") for \$25,000, or approximately \$0.002 per share. Subsequently, our Sponsor transferred an aggregate of 75,000 GHV Founder Shares to each of the Company's three independent director nominees at their original purchase price. On August 5, 2020, the Company effected a stock dividend with respect to its GHV Class F Common Stock of 2,156,250 shares thereof, resulting in an aggregate of 13,656,250 outstanding shares of GHV Class F Common Stock. The shares and the associated amounts have been retroactively restated to reflect the dividend. The GHV Founder Shares are identical to the GHV Class A Common Stock included in the GHV Units sold in the IPO except that the GHV Founder Shares are convertible under the circumstances described below. The Sponsor has agreed to forfeit up to 1,781,250 GHV Founder Shares depending on the extent to which the over-allotment option is exercised. The GHV Founder Shares will automatically convert into shares of GHV Class A Common Stock at the time of the Merger on a one-for-one basis, subject to adjustment as described in the Company's second amended and restated certificate of incorporation.

Private Placement Warrants

The Sponsor has purchased from the Company an aggregate of 6,250,000 Private Placement Warrants at a price of \$2.00 per warrant (a purchase price of approximately \$12,500,000) in a Private Placement that occurred simultaneously with the completion of the IPO. Each Private Placement Warrant entitles the holder to purchase one share of GHV Class A Common Stock at \$11.50 per share. A portion of the purchase price of the Private Placement Warrants was added to the proceeds from the IPO to be held in the Trust Account pending completion of a business combination.

The Private Placement Warrants have terms and provisions that are identical to those of the Public Warrants sold as part of the GHV Units in the IPO, except the Private Placement Warrants are not redeemable so long as they are held by the Sponsor or its permitted transferees.

If the Company does not complete a business combination, then the Private Placement Warrants proceeds will be part of the liquidation distribution to the public stockholders and the Private Placement Warrants will expire worthless.

Registration Rights

The holders of the GHV Founder Shares, the Private Placement Warrants and the Public Warrants issued upon the conversion of working capital loans, if any, hold registration rights (in the case of the GHV Founder Shares, only after conversion of such shares to shares of GHV Class A Common Stock) pursuant to the Registration Rights and Lock-Up Agreements. These holders will be entitled to certain demand and "piggyback" registration rights. The Company will bear the expenses incurred in connection with the filing of any such registration statements.

Sponsor Loans

Prior to the completion of the IPO, the Sponsor loaned the Company an aggregate of \$300,000 by the issuance of an unsecured promissory note (the "Note") issued by the Company in favor of the Sponsor to cover organization expenses and expenses related to the IPO. The Note was non-interest bearing and payable on the earlier of June 30, 2021 or the completion of the Public Offering. The Note was repaid in full on August 7, 2020.

Administrative Services Agreement

The Company entered into an administrative services agreement pursuant to which it agreed to pay to an affiliate of the Sponsor \$20,000 per month for office space, utilities and secretarial support. Services commenced on August 6, 2020 (the date the securities were first listed on Nasdaq) and will terminate upon the earlier of the consummation by the Company of a business combination or the liquidation of the Company.

For the period commencing August 3, 2020, through December 31, 2020 the Company has paid the affiliate \$96,774.

All issued shares will be fully paid and subscribed for. The authorized capital of AMPSA (including the issued share capital) is set at €1,000,000,000, divided into 100,000,000,000 AMPSA Shares with a nominal value of €0.01 each.

A shareholder in a Luxembourg *société anonyme* holding fully paid up shares is not liable, solely because of his, her or its shareholder status, for additional payments to AMPSA or its creditors.

Share Issuances

Pursuant to Luxembourg law, the issuance of AMPSA Shares requires approval by the general meeting of shareholders subject to necessary quorum and majority requirements. The general meeting of shareholders may approve an authorized capital and authorize the board of directors to increase the issued share capital in one or several tranches with or without share premium, against payment in (i) cash, including the setting off of claims against AMPSA that are certain, due and payable, (ii) in kind, and (iii) reallocation of the share premium, profit reserves or other reserves of AMPSA, through issuance of shares, the granting of options to subscribe for shares, or the issuance of any other instruments convertible into or repayable by or exchangeable for shares (whether provided in the terms at issue or subsequently provided), the issuance of bonds with warrants or other rights to subscribe for shares attached, or the issuance of standalone warrants or any other instrument carrying an entitlement to, or the right to subscribe for, shares, up to a maximum of the authorized but as yet unissued share capital of AMPSA to such persons and on such terms as the board of directors determines in its absolute discretion. The board of directors can be authorized to remove or limit the statutory preferential subscription right of the shareholders in case of issue of shares up to the maximum amount of such authorized capital for a maximum period of five years after the date that the minutes of the relevant general meeting approving such authorization are published in the Luxembourg official gazette (*Recueil Electronique des Sociétés et Associations*, "RESA"). The general meeting may amend, renew, or extend such authorized capital and such authorization to the board of directors to issue shares.

AMPSA's shareholders have authorized the board of directors to issue shares up to the maximum amount of the authorized unissued share capital of the AMPSA and to limit or withdraw any and all statutory preemptive rights which would be applicable in respect of such issuance for a period of five years from _____, 2021, to such persons, on such terms and for such consideration as the board of directors determines in its absolute discretion. Shareholders may at a general meeting renew or extend such authorized share capital and authorization to the board of directors to issue shares.

In addition, the general meeting of shareholders may authorize the board of directors to make an allotment of existing or newly issued shares without consideration to (a) employees of AMPSA or certain categories amongst those; (b) employees of companies or economic interest grouping in which AMPSA holds directly or indirectly at least ten per cent (10%) of the share capital or voting rights; (c) employees of companies or economic interest grouping holding directly or indirectly at least ten per cent (10%) of the share capital or voting rights of AMPSA (d) employees of companies or economic interest grouping in which at least fifty per cent (50%) of the share capital or voting rights is held directly or indirectly by a company which holds directly or indirectly at least fifty per cent (50%) of the share capital of AMPSA; (e) corporate officers of AMPSA or of the companies or economic interest grouping listed in points (b) to (d) above or certain categories amongst those, for a maximum period of five years after the date that the minutes of the relevant general meeting approving such authorization are published in the RESA.

AMPSA's Articles authorize the board of directors to issue shares free of charge within the limitations set out in article 430-15 of the Luxembourg law of August 10, 1915 on commercial companies, as amended (the "1915 Law").

AMPSA recognizes only one (1) holder per share. In case a share is owned by several persons, AMPSA shall treat the first named holder on the register of shareholders as having been appointed by the joint holders to receive all notices and to give a binding receipt for any dividend(s) payable in respect of such share(s) on behalf of all joint holders, without prejudice to the rights of the other holders to information as set out in the 1915 Law.

Upon the consummation of the Merger, the board of directors will resolve on the issuance of AMPSA Shares out of the authorized capital (*capital autorisé*) in accordance with the quorum and voting thresholds set forth in the articles of association and applicable law. The board of directors will also resolve on the applicable procedures and timelines to which such issuance will be subjected. If the proposal of the board of directors to issue new AMPSA Shares exceeds the limits of AMPSA's authorized share capital, the board of directors must then convene the shareholders to an extraordinary general meeting to be held in front of a Luxembourg notary for the purpose of increasing the issued share capital. Such meeting will be subject to the quorum and majority requirements required for amending AMPSA's Articles. If the capital call proposed by the board of directors consists of an increase in the shareholders' commitments, the board of directors must convene the shareholders to an extraordinary general meeting to be held in front of a Luxembourg notary for such purpose. Such meeting will be subject to the unanimous consent of the shareholders.

Preemptive Rights

Under Luxembourg law, existing shareholders benefit from a preemptive subscription right on the issuance of shares for cash consideration. However, AMPSA's shareholders have, in accordance with Luxembourg law, authorized the board of directors to suppress, waive, or limit any preemptive subscription rights of shareholders provided by law to the extent that the board of directors deems such suppression, waiver, or limitation advisable for any issuance or issuances of shares within the scope of AMPSA's authorized share capital. The general meeting of shareholders duly convened to consider an amendment to the articles of association also may, by two-thirds majority vote, limit, waive, or cancel such preemptive rights or renew, amend, or extend them, in each case for a period not to exceed five years. Such shares may be issued above, at, or below market value, and, following a certain procedure, even below the nominal value or below the accounting par value per share. The shares also may be issued by way of incorporation of available reserves, including share premium.

Share Repurchases

AMPSA cannot subscribe for its own shares. AMPSA may, however, repurchase issued shares or have another person repurchase issued shares for its account, subject to the following conditions:

prior authorization by a simple majority vote at an ordinary general meeting of shareholders, which authorization sets forth:

the terms and conditions of the proposed repurchase and in particular the maximum number of shares to be repurchased;

the duration of the period for which the authorization is given, which may not exceed five years; and

in the case of repurchase for consideration, the minimum and maximum consideration per share, provided that the prior authorization shall not apply in the case of shares acquired by either AMPSA, or by a person acting in his or her own name on its behalf, for the distribution thereof to its staff or to the staff of a company with which it is in a control relationship;

only fully paid-up shares may be repurchased;

the voting and dividend rights attached to the repurchased shares will be suspended as long as the repurchased shares are held by AMPSA; and the acquisition offer must be made on the same terms and conditions to all the shareholders who are in the same position, except for acquisitions which were unanimously decided by a general meeting at which all the shareholders were present or represented. In addition, listed companies may repurchase their own shares on the stock exchange without an acquisition offer having to be made to AMPSA's shareholders.

The authorization will be valid for a period ending on the earlier of five years from the date of such shareholder authorization and the date of its renewal by a subsequent general meeting of shareholders. Pursuant to such authorization, the board of directors is authorized to acquire and sell AMPSA's shares under the conditions set forth in article 430-15 of the 1915 Law, which are described above. Such purchases and sales may be carried out for any authorized purpose or any purpose that is authorized by the laws and regulations in force.

The articles of association of AMPSA authorize the board of directors to purchase AMPSA's own shares in accordance with Luxembourg law on such terms and in such manner as may be authorized by the general meeting of shareholders in an ordinary resolution, subject to the rules of any stock exchange on which AMPSA's shares are traded. The articles provide that the board of directors is authorized for a period of 5 years from _____, 2021 to make (i) open market repurchases of shares subject to certain conditions and (ii) repurchases of shares other than as described in (i) where the same terms are offered to all shareholders in a similar situation.

In addition, pursuant to Luxembourg law, AMPSA may directly or indirectly repurchase shares by resolution of its board of directors without the prior approval of the general meeting of shareholders if such repurchase is deemed by the board of directors to be necessary to prevent serious and imminent harm to AMPSA, or if the acquisition of shares has been made with the intent of distribution to its employees and/or the employees of any entity having a controlling relationship with it (i.e., its subsidiaries or controlling shareholder) or in any of the circumstances listed in article 430-16 of the 1915 Law.

Voting rights

Each AMPSA Share entitles the holder thereof to one vote. Neither Luxembourg law nor AMPSA's Articles contain any restrictions as to the voting of AMPSA Shares by non-Luxembourg

residents. The 1915 Law distinguishes general meetings of shareholders and extraordinary general meetings of shareholders with respect to voting rights.

Meetings

Ordinary General Meeting

At an ordinary general meeting, the holders in excess of one-third ($\frac{1}{3}$) of the share capital in issue present in person or by proxy shall form a quorum and resolutions are adopted by a simple majority of validly cast votes. Abstentions are not considered "votes."

Extraordinary General Meeting

Extraordinary resolutions are required for any of the following matters, among others: (i) an increase or decrease of the authorized or issued capital, (ii) a limitation or exclusion of preemptive rights, (iii) approval of a statutory merger or de-merger (scission), (iv) AMPSA's dissolution and liquidation, (v) any and all amendments to AMPSA's articles of association and (vi) change of nationality. Pursuant to AMPSA's articles of association, for any resolutions to be considered at an extraordinary general meeting of shareholders, the quorum shall be at least one half of AMPSA's issued share capital unless otherwise mandatorily required by law. If the said quorum is not present, a second meeting may be convened, for which the 1915 Law does not prescribe a quorum. Any extraordinary resolution shall be adopted at a quorate general meeting, except otherwise provided by law, by at least a two-thirds majority of the votes validly cast on such resolution by shareholders. Abstentions are not considered "votes."

Annual Shareholders Meetings

An annual general meeting of shareholders shall be held in the Grand Duchy of Luxembourg within 6 months of the end of the preceding financial year, except for the first annual general meeting of shareholders which may be held within 18 months from incorporation.

Warrants

Pursuant to the Warrant Assignment, Assumption and Amendment Agreement, GHV will assign to AMPSA all of GHV's right, title and interest in and to the existing Warrant Agreement and AMPSA will assume, and agree to pay, perform, satisfy and discharge in full, all of GHV's liabilities and obligations under the existing Warrant Agreement arising from and after the Merger Effective Time.

Each AMPSA Warrant is exercisable to subscribe for one AMPSA Share and only whole warrants are exercisable. The exercise price of the AMPSA Warrants is \$11.50 per share, subject to adjustment as described in the Warrant Agreement. An AMPSA Warrant may be exercised only during the period commencing on the later of (i) the date that is thirty (30) days after the consummation of the Merger, or (ii) the date that is twelve (12) months from the date of the IPO, and terminating at 5:00 p.m., New York City time on the earlier to occur of: (x) the date that is five (5) years after the date on which the Merger is completed, or (y) the redemption date as provided in Section 6.3 of the Warrant Agreement.

Redemptions of warrants for cash

Pursuant to the Warrant Agreement, once the public warrants become exercisable, they may be redeemed (i) in whole and not in part, (ii) at a price of \$0.01 per warrant, (iii) upon not less than 30 days' prior written notice of redemption to each warrant holder, and (iv) if, and only if, the reported last sale price of the AMPSA Shares equals or exceeds \$18.00 per share for any 20 trading days within a 30-trading day period ending three business days before sending the notice of redemption to each warrant holder.

If the public warrants are called for redemption for cash, management will have the option to require all holders that wish to exercise the public warrants to do so on a "cashless basis," as described in the Warrant Agreement.

Redemption of warrants for shares

Commencing ninety days after the warrants become exercisable, AMPSA may redeem the outstanding warrants (i) in whole and not in part, (ii) upon a minimum of 30 days' prior written notice of redemption at a price equal to a number of shares to be determined by reference to the table contained in Section 6.2 of the Warrant Agreement, based on the redemption date and the fair market value of the shares, (iii) if, and only if, the last reported sale price of the AMPSA Shares equals or exceeds \$10.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) on the trading day prior to the date on which the notice of redemption to the warrant holders is sent, (iv) if, and only if, the private warrants are also concurrently exchanged at the same price (equal to a number of AMPSA Shares) as the outstanding public warrants, and (v) if, and only if, there is an effective registration statement covering the shares issuable upon exercise of the warrants and a current prospectus relating thereto is available throughout the 30-day period after the written notice of redemption is given.

The private warrants are identical to the public warrants, except that the private warrants and the shares issuable upon the exercise of the private warrants will not be transferable, assignable or salable until 30 days after the completion of the Merger, subject to certain limited exceptions. Additionally, the private warrants will be exercisable on a cashless basis and be non-redeemable (except as mentioned above) so long as they are held by the initial purchasers or their permitted transferees. If the private warrants are held by someone other than the initial purchasers or their permitted transferees, the private warrants will be redeemable and exercisable by such holders on the same basis as the public warrants.

The foregoing description of the AMPSA Warrants is qualified in its entirety by reference to the full text of the Warrant Agreement, filed hereto as Exhibit 10.7, and the Assignment, Assumption and Amendment Agreement, filed hereto as Exhibit 10.6, and incorporated herein by reference.

Dividends

From the annual net profits of AMPSA, at least 5% shall each year be allocated to the reserve required by applicable laws (the "Legal Reserve"). That allocation to the Legal Reserve will cease to be required as soon and as long as the Legal Reserve amounts to 10% of the amount of the share capital of AMPSA. The general meeting of shareholders shall resolve how the remainder of the annual net profits, after allocation to the Legal Reserve, will be disposed of by allocating the whole or part of the remainder to a reserve or to a provision, by carrying it forward to the next following financial year or by distributing it, together with carried forward profits, distributable reserves or share premium to the shareholders, each AMPSA Share entitling to the same proportion in such distributions.

The board of directors may resolve that AMPSA pays out an interim dividend to the shareholders, subject to the conditions of article 461-3 of the 1915 Law and AMPSA's articles of association. The board of directors shall set the amount and the date of payment of the interim dividend. Any interim dividends declared by the board of directors and paid during a financial year will be put to the shareholders at the following general meeting to be declared as final.

Subject to applicable laws and regulations, in order for AMPSA to determine which shareholders shall be entitled to receipt of any dividend, the board of directors may fix a record date, which record date will be the close of business (or such other time as the board of directors may determine) on the date determined by the board of directors. In the absence of a record date being fixed, the record date

for determining shareholders entitled to receipt of any dividend shall the close of business in Luxembourg on the day the dividend is declared.

Any share premium, assimilated premium or other distributable reserve may be freely distributed to the shareholders subject to the provisions of the 1915 Law and AMPSA's articles of association. In case of a dividend payment, each shareholder is entitled to receive a dividend right pro rata according to his or her respective shareholding. The dividend entitlement lapses upon the expiration of a five-year prescription period from the date of the dividend distribution. The unclaimed dividends return to AMPSA's accounts.

COMPARISON OF STOCKHOLDER RIGHTS

	Delaware	Luxembourg
SHAREHOLDER APPROVAL OF BUSINESS COMBINATIONS	<p>Generally, under the DGCL, completion of a merger, consolidation, dissolution, or the sale, lease, or exchange of substantially all of a corporation's assets requires approval by the board of directors and by a majority (unless the certificate of incorporation requires a higher percentage) of outstanding stock of the corporation entitled to vote.</p> <p>Mergers in which less than 20% of the acquirer's stock is issued generally do not require acquirer stockholder approval. Mergers in which one corporation owns 90% or more of a second corporation may be completed without the vote of the second corporation's board of directors or stockholders.</p> <p>The DGCL also requires a special vote of stockholders in connection with a business combination with an "interested stockholder" as defined in section 203 of the DGCL.</p>	<p>Under Luxembourg law and the articles of association, the board of directors has the broadest powers to take any action necessary or useful to achieve the company's purpose. The board of directors' powers are limited only by law and AMPSA's articles of association.</p> <p>Any type of dissolution, voluntary liquidation or business combination that would require an amendment to the articles of association, such as a merger or de-merger, requires an extraordinary resolution of a general meeting of shareholders. Transactions such as a sale, lease, or exchange of substantial company assets require only the approval of the board of directors. Neither Luxembourg law nor AMPSA's articles of association contain any provision requiring the board of directors to obtain shareholder approval of a sale, lease, or exchange of substantial assets of AMPSA.</p>
SPECIAL VOTE REQUIRED FOR COMBINATIONS WITH INTERESTED SHAREHOLDERS	<p>Section 203 of the DGCL generally prohibits a Delaware corporation from engaging in specified corporate transactions (such as mergers, stock and asset sales, and loans) with an "interested stockholder" for three years following the time that the stockholder becomes an interested stockholder. Subject to specified exceptions, an "interested stockholder" is a person or group that owns 15% or more of the corporation's outstanding voting stock (including any rights to acquire stock pursuant to an option, warrant, agreement, arrangement, or understanding, or upon the exercise of conversion or exchange rights, and stock with respect to which the person has voting rights only), or is an affiliate or associate of the corporation and was the owner of 15% or more of the voting stock at any time within the previous three years.</p>	<p>Under Luxembourg law, no restriction exists as to the transactions that a shareholder may engage in with AMPSA. The transaction must, however, be in AMPSA's corporate interest, which for instance requires that the transactions are made on arm's length terms.</p>

**SHAREHOLDER
RIGHTS PLAN**

Under the DGCL, the certificate of incorporation of a corporation may give the board of directors the right to issue new classes of preferred shares with voting, conversion, dividend distribution, and other rights to be determined by the board of directors at the time of issuance, which could prevent a takeover attempt and thereby preclude stockholders from realizing a potential premium over the market value of their shares.

In addition, Delaware law does not prohibit a corporation from adopting a stockholder rights plan, or "poison pill," which could prevent a takeover attempt and also preclude stockholders from realizing a potential premium over the market value of their shares.

Pursuant to Luxembourg law, the shareholders may create an authorized share capital which allows the board of directors to increase the issued share capital in one or several tranches with or without share premium, against payment in (i) cash, including the setting off of claims against AMPSA that are certain, due and payable, (ii) in kind, and (iii) reallocation of the share premium, profit reserves or other reserves of AMPSA, through issuance of shares, the granting of options to subscribe for shares, or the issuance of any other instruments convertible into or repayable by or exchangeable for shares (whether provided in the terms at issue or subsequently provided), the issuance of bonds with warrants or other rights to subscribe for shares attached, or the issuance of standalone warrants or any other instrument carrying an entitlement to, or the right to subscribe for, shares, up to a maximum of the authorized but as yet unissued share capital of AMPSA to such persons and on such terms as the board of directors determines in its absolute discretion. The board of directors may be further authorized to, under certain conditions, limit, restrict, or waive preferential subscription rights of existing shareholders when issuing new shares within the authorized share capital. The rights attached to the new shares issued within the authorized share capital will be equal to those attached to existing shares and set forth in the articles of association.

In addition, the board of directors may be further authorized to make an allotment of existing or newly issued shares without consideration to (a) employees of AMPSA or certain categories amongst those; (b) employees of companies or economic interest grouping in which AMPSA holds directly or indirectly at least ten per cent (10%) of the share capital or voting rights; (c) employees of companies or economic interest grouping holding directly or indirectly at least ten per cent (10%) of the share capital or voting rights of AMPSA (d) employees of companies or economic interest grouping in which at least fifty per cent (50%) of the share capital or voting rights is held directly or indirectly by a company which holds directly or indirectly at least fifty per cent (50%) of the share capital of AMPSA; (e) corporate officers of AMPSA or of the companies or economic interest grouping listed in point (b) to (d) above or certain categories amongst those.

The authorization to the board of directors to issue additional shares or other instruments as described above within the authorized share capital (and to limit, restrict, or waive, as the case may be, preferential subscription rights) as well as the authorization to allot shares without consideration may be valid for a period of up to five years, starting from either the date of the minutes of the extraordinary general meeting resolving upon such authorization or starting from the date of the publication of the minutes of the extraordinary general meeting resolving upon such authorization in the Luxembourg official gazette (*Recueil Electronique des Sociétés et Associations "RESA"*). The authorization may be renewed, increased or reduced by a resolution of the extraordinary general meeting of shareholders, with the quorum and majority rules set for the amendment of the articles of association.

AMPSA's articles of association authorize its board of directors to issue new AMPSA Shares, to grant options to subscribe for new AMPSA Shares, to issue any other instruments convertible into or repayable by or exchangeable for new AMPSA Shares (whether provided in the terms at issue or subsequently provided), to issue bonds with warrants or other rights to subscribe for new AMPSA Shares attached, or through the issue of standalone warrants or any other instrument carrying an entitlement to, or the right to subscribe for, new AMPSA Shares, up to a maximum of the authorized but as yet unissued share capital of the Company to such persons and on such terms as the board of directors determines in its absolute discretion AMPSA for a period ending five years after , 2021 unless such period is extended, amended or renewed. Accordingly, the board of directors is authorized to issue AMPSA Shares up to the limits of authorized share capital until such date. AMPSA currently intends to seek renewals and/or extensions as required from time to time.

Under the DGCL, a stockholder of a corporation participating in some types of major corporate transactions may, under varying circumstances, be entitled to

APPRAISAL RIGHTS appraisal rights pursuant to which the stockholder may receive cash in the amount of the fair market value of his or her shares in lieu of the consideration he or she would otherwise receive in the transaction.

Neither Luxembourg law nor AMPSA's articles of association provide for appraisal rights.

**SHAREHOLDER
CONSENT TO
ACTION
WITHOUT
MEETING**

Under the DGCL, unless otherwise provided in a corporation's certificate of incorporation, any action that may be taken at a meeting of stockholders may be taken without a meeting, without prior notice, and without a vote if the holders of outstanding stock, having not less than the minimum number of votes that would be necessary to authorize such action, consent in writing.

A shareholder meeting must always be called if the matter to be considered requires a shareholder resolution under Luxembourg law or AMPSA's articles of association.

Pursuant to Luxembourg law, shareholders of a public limited liability company may not take actions by written consent. All shareholder actions must be approved at an actual meeting of shareholders held before a Luxembourg notary public or under private seal, depending on the nature of the matter. Shareholders may vote in person, by proxy or, if the articles of association provide for that possibility, by correspondence.

The articles of association of AMPSA provide for the possibility of vote in writing (by way of a voting form provided by the Company) on resolutions submitted to the general meeting, provided that the voting form includes (a) the name, first name, address and the signature of the relevant AMPSA Shareholder, (b) the indication of the shares for which the AMPSA Shareholder will exercise such right, (c) the agenda as set forth in the convening notice and (d) the voting instructions (approval, refusal, abstention) for each point of the agenda

MEETINGS OF SHAREHOLDERS

GHV's bylaws provide that annual meetings of stockholders are to be held on a date and at a time fixed by the board of directors and stated in the notice of the meeting. Under the DGCL, a special meeting of stockholders may be called by the board of directors or by any other person authorized to do so in the certificate of incorporation or the bylaws. GHV's bylaws provide that, subject to the rights of holders of any outstanding series of preferred stock and the requirement of applicable law, a special meeting of the stockholders of GHV may be called only by the Chairman of the Board of Directors of GHV, Chief Executive Officer, or the board of directors pursuant to a resolution adopted by a majority of the board of directors, and may not be called by any other person.

Under the DGCL, a corporation's certificate of incorporation or bylaws can specify the number of shares that constitute the quorum required to conduct business at a meeting, provided that in no event shall a quorum consist of less than one-third of the shares entitled to vote at a meeting. GHV's bylaws provide that at a stockholders meeting the holders of shares of outstanding capital stock of GHV representing a majority of the voting power of all outstanding shares of capital stock of GHV entitled to vote at such meeting shall constitute a quorum for the transaction of business at such meeting except that when specified business is to be voted on by a class or series of stock voting as a class, the holders of shares representing a majority of the voting power of the outstanding shares of such class or series shall constitute a quorum of such class or series for the transaction of such business.

Pursuant to Luxembourg law, at least one general meeting of shareholders must be held each year, within six months as from the close of the financial year. The purpose of such annual general meeting is to approve the annual accounts, allocate the results, proceed to statutory appointments and resolve on the discharge of the directors.

Other general meetings of shareholders may be convened.

Luxembourg law distinguishes between ordinary resolutions to be adopted and extraordinary resolutions to be adopted by the general meeting of shareholders. Extraordinary resolutions relate to proposed amendments to the articles of association and other limited matters. All other resolutions are ordinary resolutions.

Pursuant to Luxembourg law, there is no requirement of a quorum for any ordinary resolutions to be considered at a general meeting and such ordinary resolutions shall be adopted by a simple majority of votes validly cast on such resolution. The articles of association of AMPSA provide that ordinary general meetings (including the annual general meeting) the holders of in excess of one-third ($\frac{1}{3}$) of the share capital in issue present in person or by proxy shall form a quorum for the transaction of business and ordinary resolutions are approved by the affirmative votes of a simple majority of the votes validly cast. Abstentions are not considered "votes."

Extraordinary resolutions are required for, among others, any of the following matters: (i) an increase or decrease of the authorized or issued share capital, (ii) a limitation or exclusion of preemptive rights, (iii) approval of a statutory merger or de-merger (*scission*), (iv) dissolution, (v) an amendment of the articles of association and (vi) change of nationality.

Pursuant to Luxembourg law for any extraordinary resolutions to be considered at a general meeting, the quorum shall be at least

one half (50%) of the issued share capital. If the said quorum is not present, a second meeting may be convened at which Luxembourg law does not prescribe a quorum. Any extraordinary resolution shall be adopted at a quorate general meeting (except as otherwise provided by mandatory law) by a two-thirds majority of the votes validly cast on such resolution by shareholders. Abstentions are not considered "votes."

1915 Law provides that if, as a result of losses, net assets fall below half of the share capital of the company, the board of directors shall convene an extraordinary general meeting of shareholders so that it is held within a period not exceeding two months from the time at which the loss was or should have been ascertained by them and such meeting shall resolve on the possible dissolution of the company and possibly on other measures announced in the agenda. The board of directors shall, in such situation, draw up a special report which sets out the causes of that situation and justify its proposals eight days before the extraordinary general meeting. If it proposes to continue to conduct business, it shall set out in the report the measures it intends to take in order to remedy the financial situation of the company. The same rules apply if, as a result of losses, net assets fall below one-quarter of the share capital provided that in such case dissolution shall take place if approved by one-fourth of the votes casts at the extraordinary general meeting.

Under the DGCL, the board of directors, subject to any restrictions in the corporation's certificate of incorporation, may declare and pay dividends out of:

surplus of the corporation, which is defined as net assets less statutory capital; or

if no surplus exists, out of the net profits of the corporation for the year in which the dividend is declared and/or the preceding year.

If, however, the capital of the corporation has been diminished by depreciation in the value of its property, or by losses, or otherwise, to an amount less than the aggregate amount of capital represented by the issued and outstanding stock of all classes having a preference upon the distribution of assets, the board of directors shall not declare and pay dividends out of the corporation's net profits until the deficiency in the capital has been repaired.

**DISTRIBUTIONS
AND
DIVIDENDS;
REPURCHASES
AND
REDEMPTIONS**

Under the DGCL, any corporation may purchase or redeem its own shares, except that generally it may not purchase or redeem these shares if such repurchase or redemption would impair the capital of the corporation. A corporation may, however, purchase or redeem out of capital any of its own shares which are entitled upon any distribution of its assets to a preference over another class or series of its shares if such shares will be retired and the capital reduced.

Pursuant to the GHV Second Amended and Restated Certificate of Incorporation, GHV will provide all holders of shares of GHV Common Stock included as part of the units sold in the IPO with the opportunity to have their shares redeemed upon the consummation of the Merger for cash equal to the applicable redemption price per share; *provided, however*, that the GHV will only redeem or repurchase such shares so long as (after such redemption) GHV's net tangible assets will be in excess of \$5 million or any greater net tangible asset or cash requirement which may be contained in the Business Combination Agreement either immediately prior to or upon the consummation of the Merger. It is a condition to closing under the Business Combination Agreement that GHV has, in the aggregate, at least \$685,000,000 of available cash upon the consummation of the Merger.

Under Luxembourg law, the amount and payment of annual dividends or other distributions is determined by a simple majority vote at a general shareholders' meeting based on the recommendation of the board of directors. Pursuant to AMPSA's articles of association, the board of directors has the power to pay interim dividends or make other distributions in accordance with applicable Luxembourg law. Distributions may be lawfully declared and paid if AMPSA's net profits and/or distributable reserves are sufficient under Luxembourg law. All AMPSA Shares rank *pari passu* with respect to the payment of dividends or other distributions unless the right to dividends or other distributions has been suspended in accordance with AMPSA's articles of association or applicable law.

Under Luxembourg law, at least 5% of AMPSA's net profits per year must be allocated to the creation of a legal reserve until such reserve has reached an amount equal to 10% of AMPSA's issued share capital. The allocation to the legal reserve becomes compulsory again when the legal reserve no longer represents 10% of AMPSA's issued share capital. The legal reserve is not available for distribution.

Pursuant to Luxembourg law, AMPSA (or any party acting on its behalf) may repurchase its own shares and hold them in treasury, provided that:

the shareholders at a general meeting have previously authorized the board of directors to acquire its shares. The general meeting shall determine the terms and conditions of the proposed acquisition and in particular the maximum number of shares to be acquired, the period for which the authorization is given (which may not exceed five years), and, in the case of acquisition for value, the maximum and minimum consideration;

the acquisitions, including shares previously acquired by AMPSA and held by it and shares acquired by a person acting in his or her own name but on AMPSA's behalf, may not have the effect of reducing the net assets below the amount of the issued share capital plus the reserves (which may not be distributed by law or under the articles of association);

the shares repurchased are fully paid-up; and

the acquisition offer must be made on the same terms and conditions to all the shareholders who are in the same position, except for acquisitions which were unanimously decided by a general meeting at which all the shareholders were present or represented. In addition, listed companies may repurchase their own shares on the stock exchange without an acquisition offer having to be made to AMPSA's shareholders.

No prior authorization by shareholders is required (i) if the acquisition is made to prevent serious and imminent harm to AMPSA, provided that the board of directors informs the next general meeting of the reasons for and the purpose of the acquisitions made, the number and nominal values or the accounting value of the shares acquired, the proportion of the subscribed capital which they represent, and the consideration paid for them, and (ii) in the case of shares acquired by either AMPSA or by a person acting on its behalf with a view to redistributing the shares to its staff or staff of its controlled subsidiaries, provided that the distribution of such shares is made within twelve months from their acquisition.

Luxembourg law provides for further situations in which the above conditions do not apply, including the acquisition of shares pursuant to a decision to reduce AMPSA's share capital or the acquisition of shares issued as redeemable shares. Such acquisitions may not have the effect of reducing net assets below the aggregate of subscribed capital and reserves (which may not be distributed by law) and are subject to specific provisions on reductions in share capital and redeemable shares under Luxembourg law.

Any shares acquired in contravention of the above provisions must be resold within a period of one year after the acquisition or be cancelled at the expiration of the one-year period.

As long as shares are held in treasury, the voting rights attached thereto are suspended. Further, to the extent the treasury shares are reflected as assets on AMPSA's balance sheet a non-distributable reserve of the same amount must be reflected as a liability. AMPSA's articles of association provide that AMPSA Shares may be acquired in accordance with the law.

**NUMBER
OF
DIRECTORS**

A typical certificate of incorporation and bylaws would provide that the number of directors on the board of directors will be fixed from time to time by a vote of the majority of the authorized directors. The board of directors consists of four directors, divided into three classes, with only one class of directors being elected in each year, and each class serving a three-year term.

**VACANCIES
ON BOARD
OF
DIRECTORS**

The GHV Second Amended and Restated Certificate of Incorporation provides that any newly created directorships resulting from an increase in the number of directors and any vacancies on the board of directors may be filled solely and exclusively by a majority vote of the remaining directors then in office, even if less than a quorum, or by a sole remaining director (and not by stockholders). Any director so chosen shall hold office for the remainder of the full term of the class of directors in which the new directorship was added or in which the vacancy occurred and until such director's successor has been duly elected and qualified.

The articles of association of AMPSA authorize the board of directors to purchase AMPSA's own shares in accordance with Luxembourg law on such terms and in such manner as may be authorized by the general meeting of shareholders in an ordinary resolution, subject to the rules of any stock exchange on which AMPSA's shares are traded. The articles provide that the board of directors is authorized for a period of 5 years from _____, 2021 to make (i) open market repurchases of shares subject to certain conditions and (ii) repurchases of shares other than as described in (i) where the same terms are offered to all shareholders in a similar situation.

Pursuant to Luxembourg law, the AMPSA board must be composed of at least three directors. They are appointed by the general meeting of shareholders (by proposal of the board of directors, the shareholders, or a spontaneous candidacy) by a simple majority of the votes cast. Directors may be reelected, but the term of their office may not exceed six years.

AMPSA's articles of association provide that the board of directors shall be composed of at least three directors and no more than fifteen directors, to be elected by a simple majority vote at a general meeting. Abstentions are not considered "votes."

Under Luxembourg law in case of vacancy of the office of a director appointed by the general meeting, unless the vacancy results from the removal of a director by the shareholders, the remaining directors so appointed may fill the vacancy on a provisional basis. In such circumstances, the next general meeting shall make the final appointment. The decision to fill a vacancy is taken by the remaining directors by simple majority vote.

AMPSA's articles of association provide that in case of a vacancy the remaining members of the board of directors may elect a director to fill the vacancy. A director so appointed shall be appointed to the class of directors that the director he or she is replacing belonged to, provided that such director shall hold office only until ratification by the shareholders of his or her appointment at the next following general meeting and, if such general meeting does not ratify the appointment, such director shall vacate his or her office at the conclusion thereof.

REMOVAL OF DIRECTORS; STAGGERED TERM OF DIRECTORS

Under Delaware law, a board of directors can be divided into classes. The board of directors is divided into three classes, with only one class of directors being elected in each year and each class serving a three-year term. The GHV Second Amended and Restated Certificate of Incorporation provides that any or all directors may be removed from office at any time, but only for cause and only by the affirmative vote of holders of a majority of the voting power of all then outstanding shares of capital stock of the corporation entitled to vote generally in the election of directors, voting together as a single class.

COMMITTEES

GHV's bylaws authorizes the board of directors to designate one or more committees by resolution of the Board. Each committee is to consist of one or more directors.

CUMULATIVE VOTING

Under the DGCL, a corporation may adopt in its certificate of incorporation that its directors shall be elected by cumulative voting. When directors are elected by cumulative voting, a stockholder has a number of votes equal to the number of shares held by such stockholder multiplied by the number of directors nominated for election. The stockholder may cast all of such votes for one director or among the directors in any proportion. GHV has not adopted cumulative voting rights.

Under Luxembourg law, a director may be removed by the general meeting of shareholders (by proposal of the board of directors, the shareholders, or a spontaneous request) by a simple majority of the votes cast, with or without cause.

AMPSA's articles of association will provide for three different classes of directors designated Class I, Class II and Class III. The Class I Directors are appointed for a one (1) year term of office, the Class II Directors are appointed for a two (2) year term of office and the Class III Directors are appointed for a three (3) year term of office. At each succeeding annual general meeting, successors to the class of Directors whose term expires at that annual general meeting shall be elected for a three (3) year term of office.

AMPSA's articles of association provide that the board of directors may set up committees and determine their composition, powers, and rules.

Not applicable.

**AMENDMENT
OF
GOVERNING
DOCUMENTS**

<u>Delaware</u>	<u>Luxembourg</u>
<p>Under the DGCL, a certificate of incorporation may be amended if:</p> <p>the board of directors sets forth the proposed amendment in a resolution, declares the advisability of the amendment and directs that it be submitted to a vote at a meeting of stockholders; and</p> <p>the holders of at least a majority of shares of stock entitled to vote on the matter approve the amendment, unless the certificate of incorporation requires the vote of a greater number of shares.</p> <p>In addition, under the DGCL, class voting rights exist with respect to amendments to the charter that adversely affect the terms of the shares of a class. Class voting rights do not exist as to other extraordinary matters, unless the charter provides otherwise.</p> <p>Under the DGCL, the board of directors may amend a corporation's bylaws if so authorized in the charter. The stockholders of a Delaware corporation also have the power to amend bylaws.</p>	<p>Under Luxembourg law, amendments to AMPSA's articles of association require an extraordinary general meeting of shareholders held in front of a Luxembourg notary at which at least one half (50%) of the share capital is present or represented.</p> <p>The notice of the extraordinary general meeting shall set out the proposed amendments to the articles of association.</p> <p>If the aforementioned quorum is not reached, a second meeting may be convened by means of a notice published in the Luxembourg official electronic gazette (RESA) and in a Luxembourg newspaper 15 days before the meeting. The second meeting shall be validly constituted regardless of the proportion of the share capital present or represented.</p> <p>At both meetings, resolutions will be adopted if approved by at least two-thirds of the votes cast by shareholders (unless otherwise required by Luxembourg law or the articles of association). Where classes of shares exist and the resolution to be adopted by the general meeting of shareholders changes the respective rights attaching to such shares, the resolution will be adopted only if the conditions as to quorum and majority set out above are fulfilled with respect to each class of shares.</p> <p>An increase of the commitments of its shareholders requires the unanimous consent of the shareholders.</p> <p>AMPSA's articles of association provide that for any extraordinary resolutions to be considered at a general meeting, the quorum shall be at least one-half of AMPSA's issued share capital. If the said quorum is not present, a second meeting may be convened at which Luxembourg law does not prescribe a quorum. Any extraordinary resolution shall be adopted at a quorate general meeting (save as otherwise provided by mandatory law) by a two-thirds majority of the votes validly cast on such resolution by shareholders. Abstentions are not considered "votes."</p>

In very limited circumstances, the board of directors may be authorized by the shareholders to amend the articles of association, albeit always within the limits set forth by the shareholders at a duly convened shareholders' meeting. This is the case in the context of AMPSA's authorized share capital within which the board of directors is authorized to issue further AMPSA Shares. The board of directors is then authorized to appear in front of a Luxembourg notary to record the capital increase and to amend the share capital set forth in the articles of association. The above also applies in case of the transfer of AMPSA's registered office outside the current municipality.

The DGCL generally permits a corporation to indemnify its directors and officers against expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with a third-party action, other than a derivative action, and against expenses actually and reasonably incurred in the defense or settlement of a derivative action, provided that there is a determination made by the corporation that the individual acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the corporation. Such determination shall be made, in the case of an individual who is a director or officer at the time of the determination:

by a majority of the disinterested directors, even though less than a quorum;

by a committee of disinterested directors designated by a majority vote of disinterested, directors, even though less than a quorum;

by independent legal counsel, regardless of whether a quorum of disinterested directors exists; or

by the stockholders.

Without court approval, however, no indemnification may be made in respect of any derivative action in which an individual is adjudged liable to the corporation.

The DGCL requires indemnification of directors and officers for expenses relating to a successful defense on the merits or otherwise of a derivative or third-party action. The DGCL permits a corporation to advance expenses relating to the defense of any proceeding to

Luxembourg law permits AMPSA to keep directors indemnified against any expenses, judgments, fines and amounts paid in connection with liability of a director towards AMPSA or a third party for management errors i.e., for wrongful acts committed during the execution of the mandate (*mandat*) granted to the director by AMPSA, except in connection with criminal offences, gross negligence or fraud.

directors and officers contingent upon those individuals' commitment to repay any advances, unless it is determined ultimately that those individuals are entitled to be indemnified.

Delaware**Luxembourg****LIMITED
LIABILITY OF
DIRECTORS**

Delaware law permits limiting or eliminating the monetary liability of a director to a corporation or its stockholders, except with regard to breaches of duty of loyalty, intentional misconduct, unlawful repurchases or dividends, or improper personal benefit

Luxembourg law does not provide for an ex ante limitation of liability but it permits AMPSA to keep directors indemnified as set out above.

ADVANCE**NOTIFICATION
REQUIREMENTS
FOR PROPOSALS
OF
SHAREHOLDERS**

Under the GHV bylaws, any stockholder may bring proper business before an annual meeting, including nominations to the board of directors, but only if the stockholder gives timely notice, in writing and proper form, of the stockholder's intention to bring the business before the meeting.

One or several shareholders holding at least 10% of the share capital may request the addition of one or several items on the agenda of a general meeting. Such request must be addressed to the registered office of AMPSA by registered mail at least five days before the general meeting.

If one or more shareholders representing at least 10% of the share capital request so in writing, with an indication of the agenda, the convening of a general meeting, the board of directors or the statutory auditor must convene a general meeting. The general meeting must be held within a period of one month from receipt of such request.

Under Luxembourg law, the board of directors has sole authority to decide whether to initiate legal action to enforce a company's rights (other than, in certain circumstances, an action against board members).

**SHAREHOLDERS'
SUITS**

Under Delaware law, a stockholder may bring a derivative action on a company's behalf to enforce the rights of a company. An individual also may commence a class action lawsuit on behalf of himself or herself and other similarly situated stockholders if the requirements for maintaining a class action lawsuit under Delaware law are met. An individual may institute and maintain a class action lawsuit only if such person was a stockholder at the time of the transaction that is the subject of the lawsuit or his or her shares thereafter devolved upon him or her by operation of law. In addition, the plaintiff must generally be a stockholder through the duration of the lawsuit.

Shareholders generally do not have the authority to initiate legal action on a company's behalf unless the company fails abusively to exercise its legal rights. However, a company's shareholders may vote at a general meeting to initiate legal action against directors on grounds that the directors have failed to perform their duties.

Delaware law requires that a derivative plaintiff make a demand on the directors of the corporation to assert the corporate claim before the lawsuit may be prosecuted, unless such demand would be futile.

Luxembourg law does not provide for class action lawsuits.

However, it is possible for plaintiffs who have similar but separate claims against the same defendant(s) to

bring an action on a "group" basis by way of a joint action. It is also possible to ask the court, under article 206 of the Luxembourg New Civil Procedure Code, to join claims which are closely related and to rule on them together.

In addition, minority shareholders holding an aggregate of 10% of the voting rights and who voted against the discharge to a director at the annual general meeting of the company can initiate legal action against the director on behalf of the company.

SHARES ELIGIBLE FOR FUTURE SALE

Upon the Closing, AMPSA will have _____ AMPSA Shares authorized and, based on the assumptions set out elsewhere in this proxy statement/prospectus, up to _____ AMPSA Shares issued and outstanding, assuming no shares of GHV Class A Common Stock are redeemed in connection with the Merger, and 494,800,000 shares held by AGSA and the Initial Stockholders that will be subject to certain lock-up arrangements pursuant to the Registration Rights and Lock-Up Agreement. In addition, AMPSA is expected to have 16,750,000 warrants issued and outstanding, each warrant exercisable for one AMPSA Share at \$11.50 per share. All of the AMPSA Shares issued to the GHV stockholders in connection with the Merger will be freely transferable by persons other than by AMPSA's "affiliates" or GHV's "affiliates" without restriction or further registration under the Securities Act. Sales of substantial amounts of the AMPSA Shares in the public market could adversely affect prevailing market prices of the AMPSA Shares. Prior to the Merger, there has been no public market for AMPSA Shares. AMPSA intends to apply for listing of the AMPSA Shares and AMPSA Warrants on NYSE, but AMPSA cannot assure you that a regular trading market will develop in the AMPSA Shares and AMPSA Warrants.

Lock-up Agreements

In connection with the Closing, AMPSA, the Initial Stockholders and AGSA will enter into a Registration Rights and Lock-Up Agreement. AGSA may not transfer any AMPSA Shares beneficially owned or owned of record by it during the Share Lock-Up Period. During the Share Lock-Up Period, no Initial Stockholder may transfer AMPSA Shares beneficially owned or owned of record by such Initial Stockholder. During the period ending 30 days after the date of the Registration Rights and Lock-Up Agreement, no Initial Stockholder may transfer any GHV Warrants or any of the AMPSA Shares issued or issuable upon the exercise or conversion of such GHV Warrants beneficially owned or owned of record by such Initial Stockholder. The lock-up provisions are subject to a number of exceptions.

Rule 144

All of AMPSA's equity shares that will be outstanding upon the completion of the Business Combination, other than those equity shares issued to the GHV stockholders in connection with the Merger, are "restricted securities" as that term is defined in Rule 144 under the Securities Act, including the shares issued to the Subscribers in the PIPE, and may be sold publicly in the United States only if they are subject to an effective registration statement under the Securities Act or pursuant to an exemption from the registration requirement such as those provided by Rule 144 and Rule 701 promulgated under the Securities Act. In general, beginning 90 days after the date of this proxy statement/prospectus, a person (or persons whose shares are aggregated) who, at the time of a sale, is not, and has not been during the three months preceding the sale, an affiliate of AMPSA and has beneficially owned AMPSA's restricted securities for at least six months will be entitled to sell the restricted securities without registration under the Securities Act, subject only to the availability of current public information about AMPSA. Persons who are affiliates of AMPSA and have beneficially owned AMPSA's restricted securities for at least six months may sell a number of restricted securities within any three-month period that does not exceed the greater of the following:

1% of the then outstanding equity shares of the same class; or

the average weekly trading volume of AMPSA Shares of the same class during the four calendar weeks preceding the date on which notice of the sale is filed with the SEC.

Sales by affiliates of AMPSA under Rule 144 are also subject to certain requirements relating to manner of sale, notice and the availability of current public information about AMPSA.

Restrictions on the Use of Rule 144 by Shell Companies or Former Shell Companies

Rule 144 is not available for the resale of securities initially issued by shell companies (other than business combination related shell companies) or issuers that have been at any time previously a shell company. However, Rule 144 also includes an important exception to this prohibition if the following conditions are met:

the issuer of the securities that was formerly a shell company has ceased to be a shell company;

the issuer of the securities is subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act;

the issuer of the securities has filed all Exchange Act reports and material required to be filed, as applicable, during the preceding 12 months (or such shorter period that the issuer was required to file such reports and materials); and

at least one year has elapsed from the time that the issuer filed Form 20-F type information with the SEC, which is expected to be filed promptly after completion of the Merger, reflecting its status as an entity that is not a shell company.

Registration Rights

In connection with the Closing, AMPSA, the Initial Stockholders and AGSA will enter into a Registration Rights and Lock-Up Agreement. Pursuant to the terms of the Registration Rights and Lock-Up Agreement, AMPSA will be obligated to file a registration statement to register the resale of certain securities of AMPSA. In addition, pursuant to the terms of the Registration Rights and Lock-Up Agreement and subject to certain requirements and customary conditions, including with regard to the number of demand rights that may be exercised, certain holders may demand at any time or from time to time, that AMPSA file a registration statement on Form F-1, or any such other form of registration statement as is then available to effect a registration, or, if available, Form F-3, to register the securities of AMPSA. The Registration Rights and Lock-Up Agreement will also provide the Holders with "piggy-back" registration rights, subject to certain requirements and customary conditions.

Pursuant to the Subscription Agreements, AMPSA agreed that, within 30 calendar days after the Closing Date, it will file with the SEC (at AMPSA's sole cost and expense) a registration statement registering the resale of the PIPE Shares, and AMPSA will use its commercially reasonable efforts to have the registration statement declared effective as soon as practicable after the filing thereof.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information regarding the beneficial ownership of GHV Common Stock as of February 26, 2021, by: each person known by GHV to beneficially own more than 5% of the outstanding shares of GHV Common Stock;

each of GHV's current executive officers and directors; and

all of GHV's current executive officers and directors as a group.

The Sponsor and GHV's directors, officers, advisors or their affiliates may purchase shares of GHV Class A Common Stock (or, following the Closing, AMPSA Shares) in privately negotiated transactions or in the open market either prior to or following the completion of the Merger, although they are under no obligation to do so. Such a purchase may include a contractual acknowledgement that such stockholder, although still the record holder of such shares, is no longer the beneficial owner thereof and therefore agrees not to exercise its redemption rights. In the event that the Sponsor and GHV's directors, officers, advisors or their affiliates purchase shares in privately negotiated transactions from Public Stockholders who have already elected to exercise their redemption rights, such selling stockholders would be required to revoke their prior elections to redeem their shares. The purpose of such purchases could be to vote such shares in favor of the Merger Proposal and thereby increase the likelihood of obtaining stockholder approval of the Business Combination. This may result in the completion of the Merger that may not otherwise have been possible.

In addition, if such purchases are made, the public "float" of GHV Class A Common Stock and the number of beneficial holders of GHV's securities may be reduced, possibly making it difficult for AMPSA to obtain the quotation, listing or trading of its securities on a national securities exchange.

Unless otherwise indicated, GHV believes that all persons named in the table have sole voting and investment power with respect to all shares beneficially owned by them. The following table does not reflect record or beneficial ownership of the GHV Warrants because such warrants are not exercisable within 60 days of the date of this proxy statement/prospectus.

Mr. Gores disclaims beneficial ownership of these securities except to the extent of any pecuniary interest therein.

Unless otherwise indicated, AMPSA believes that all persons named in the table have sole voting and investment power with respect to all shares beneficially owned by them. The table does not include stock options and restricted shares held by the executive officers that do not vest or become exercisable, and do not provide voting rights, within 60 days of the date of this proxy statement/prospectus. Report of Independent Registered Public Accounting Firm

To the Board of Directors and Shareholders of Ardagh Group S.A.

Opinion on the Financial Statements

We have audited the accompanying combined statement of financial position of Ardagh Metal Packaging ("the Business") as of December 31, 2020, December 31, 2019, December 31, 2018 and January 1, 2018, and the related income statement, statement of comprehensive income, statement of changes in invested capital and statement of cash flows for each of the three years in the period ended December 31, 2020, including the related notes (collectively referred to as the "combined financial statements"). In our opinion, the combined financial statements present fairly, in all material respects, the financial position of the Business as of December 31, 2020, December 31, 2019, December 31, 2018 and January 1, 2018, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2020 in conformity with International Financial Reporting Standards as issued by the International Accounting Standards Board.

Basis for Opinion

These combined financial statements are the responsibility of the Business' management. Our responsibility is to express an opinion on the Business' combined financial statements based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Business in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits of these combined financial statements in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined financial statements are free of material misstatement, whether due to error or fraud.

Our audits included performing procedures to assess the risks of material misstatement of the combined financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the combined financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the combined financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matters

The critical audit matter communicated below is a matter arising from the current period audit of the combined financial statements that was communicated or required to be communicated to the audit committee and that (i) relates to accounts or disclosures that are material to the combined financial statements and (ii) involved our especially challenging, subjective, or complex judgments. The communication of critical audit matters does not alter in any way our opinion on the combined financial statements, taken as a whole, and we are not, by communicating the critical audit matter below, providing a separate opinion on the critical audit matter or on the accounts or disclosures to which it relates.

Carve-out basis of preparation—Allocation of Corporate Debt

As described in Note 2 and Note 16 to the combined financial statements, the financial statements have been prepared on a carve-out basis from the consolidated financial statements of Ardagh

Group S.A. to represent the financial position and performance of the Business as if the Business had existed on a stand-alone basis for each of the years ended December 31, 2020, 2019 and 2018 for the combined income statements, statements of comprehensive income and statements of cash flows and as at December 31, 2020, 2019, 2018 and January 1, 2018 for the combined statement of financial position. The combined financial statements have been prepared by aggregating the financial information from the entities, together with assets, liabilities, income and expenses that management has determined are specifically attributable to the Business including related party borrowings, and direct and indirect costs and expenses related to the operations of the Business. Related party borrowings to Ardagh, representing back-to-back agreements related to those components of the Ardagh Group's corporate debt used to fund the initial acquisition of the Business by Ardagh, is included in the combined financial statements reflecting the debt obligation and related interest costs of the Business. During 2019, the Business extinguished an existing \$154 million related party loan and entered into a new £128 million (\$154 million) related party loan in a non-cash refinancing transaction. As of December 31, 2018, the Business had issued preferred stock with a value of \$662 million to Ardagh with a mandatory redemption date at December 31, 2019. Such agreement has been treated as related party borrowing for the purpose of the combined financial statements. During 2019 such preferred stock was redeemed and converted in a non-cash transaction into a long-term related party loan.

The principal considerations for our determination that performing procedures relating to carve-out basis of preparation—allocation of corporate debt is a critical audit matter are (i) the significant judgment by management when determining the basis for allocation of the borrowings and (ii) the complexity in determining the accounting for the non-cash refinancing transaction in 2019 involving the extinguishment of a related party loan, the redemption of preferred stock, and its conversion to long-term related party loan. This in turn led to a high degree of auditor judgment, subjectivity, and effort in performing procedures to evaluate management's allocation of the Ardagh Group's corporate debt and related accounting treatment to the Combined Statement of Financial Position.

Addressing the matter involved performing procedures and evaluating audit evidence in connection with forming our overall opinion on the combined financial statements. These procedures also included, among others, testing that Ardagh Group's corporate debt allocated to the combined financial statements was complete, accurate and presented in accordance with the carve-out basis of preparation. Evaluating the carve-out allocation of the corporate debt included (i) testing completeness of the initial Ardagh Group S.A. corporate debt recorded in the financial statements and the basis for allocation of debt to the combined financial statements and, (ii) testing the judgment applied by management when determining the appropriate accounting treatment of the refinancing transactions and allocation of corporate debt.

THE AMP BUSINESS

NOTES TO THE COMBINED FINANCIAL STATEMENTS

1. General information

Ardagh Metal Packaging S.A. (the "Company") was incorporated on January, 21, 2021, in order to effect a reorganization and subject to its completion, acquire the Metal Beverage Packaging operations (the "AMP Business" or the "Business") of Ardagh Group S.A.. Prior to the reorganization and throughout the periods presented, the AMP Business was owned by Ardagh Group S.A. and its subsidiaries ("Ardagh" or "the Ardagh Group"). The Company has no assets or liabilities, other than those associated with its formation, and will conduct no operations until the completion of the reorganization.

The AMP Business has historically operated as part of Ardagh and not as a separate stand-alone entity or group.

The Business is a leading global supplier of sustainable, value-added beverage cans, principally aluminum, to beverage companies serving end-use categories including beer, carbonated soft drinks ("CSD"), cocktails, energy drinks, hard seltzers, juices, teas, water (both carbonated and still) and wine. Our principal target regions are Europe, North America and Brazil, and our customers include a wide range of multinational beverage companies owning some of the best-known brands in the world, as well as leading regional and national beverage producers.

The principal accounting policies of the Business that have been applied to the combined financial statements are described in note 2 below.

2. Summary of significant accounting policies

The Business has not previously prepared or reported any combined financial statements in accordance with any other generally accepted accounting principles ("GAAP"). The Business has prepared these combined financial statements in accordance with International Financial Reporting Standards ("IFRS") and related interpretations as issued by the International Accounting Standards Board ("IASB"). The Business' deemed transition date to IFRS and its interpretations as issued by the IASB is January 1, 2018. The principles and requirements for first time adoption of IFRS are set out in IFRS 1, 'First-time adoption of IFRS' ("IFRS 1"). The requirement in IFRS 1 to provide reconciliations of financial information prepared under legacy GAAP to IFRS is not relevant to the Business as the Business has not previously prepared or reported any financial statements in accordance with any other generally accepted accounting principles and has availed of the exemptions available under IFRS 1 for a subsidiary becoming a first-time adopter later than its parent. The combined financial statements of the Business have been prepared in accordance with, and are in compliance with, IFRS and its interpretations as issued by the IASB. References to IFRS hereafter should be construed as references to IFRS as issued by the IASB.

Basis of preparation

The combined financial statements of the Business have been prepared on a carve-out basis from the consolidated financial statements of Ardagh Group S.A., to represent the financial position and performance of the Business as if the Business had existed on a stand-alone basis for each of the years ended December 31, 2020, 2019 and 2018 for the combined income statements, statements of comprehensive income and statements of cash flows and as at December 31, 2020, 2019, 2018 and January 1, 2018, for the combined statements of financial position. However, the combined financial statements are not necessarily indicative of the results that would have occurred if the Business had been a stand alone entity during the period presented. After making enquiries and considering the

THE AMP BUSINESS

NOTES TO THE COMBINED FINANCIAL STATEMENTS (Continued)

2. Summary of significant accounting policies (Continued)

Business' future projections, it has been determined that the Business has adequate resources to continue operating for the foreseeable future, for this reason the combined financial statements have been prepared on a going concern basis.

The combined financial statements, are presented in U.S. dollar, rounded to the nearest million, and have been prepared under the historical cost convention except for the following:

derivative financial instruments are stated at fair value; and

employee benefit obligations are measured at the present value of the future estimated cash flows related to benefits earned and pension assets valued at fair value.

The preparation of combined financial statements in accordance with IFRS requires the use of critical accounting estimates, assumptions and judgments that affect the reported amounts of assets, liabilities, income and expenses. It also requires management to exercise judgment in the process of applying accounting policies, which have been applied consistently through the combined financial statements of the Business. These estimates, assumptions and judgments are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances and are subject to continual re-evaluation. These estimates, assumptions and judgments were historically deemed to be reasonable and prudent. However, actual outcomes may differ from those estimates. The areas involving a higher degree of judgment or complexity, or areas where assumptions and estimates are significant to the combined financial statements, are discussed in the critical accounting estimates, assumptions and judgments.

The combined financial statements have been prepared by aggregating the financial information from the entities as described in note 22, together with assets, liabilities, income and expenses that management has determined are specifically attributable to the Business including related party borrowings, and direct and indirect costs and expenses related to the operations of the Business. The following summarizes the principles applied in preparing the combined financial statements:

Controlled companies that are part of the Business have been included in the combined financial statements, as further described in note 22. Goodwill, customer relationship intangible assets and fair value adjustments directly attributable to the acquisition of the controlled companies that are part of the Business by Ardagh, have been included in the combined financial statements. No companies were acquired or disposed of during the financial periods presented;

The Business did not in the past form a separate legal group and therefore it is not possible to show issued share capital or a full analysis of reserves. For such reasons, no earnings per share is presented. The net assets of the Business are represented by the cumulative investment of Ardagh in the Business, shown as invested capital;

All intercompany balances, investments in subsidiaries and share capital within the Business have been eliminated upon combination in the combined financial statements;

All employee benefit obligations are directly attributable to the Business and are obligations of the entities described in note 22;

The Business adopted IFRS 16 applying the simplified approach, with the right-of-use assets being calculated as if IFRS 16 had always been applied and the lease liabilities being calculated

as the present value of expected remaining future lease payments, discounted at the Business' incremental borrowing rate as at January 1, 2018. The weighted average lessee's incremental borrowing rate applied to the lease liabilities recognized upon adoption of IFRS 16 was 5.0%. Upon adoption, the Business has availed of the practical expedients to use hindsight in determining the lease term where the contract contains options to extend or terminate the lease and has also elected not to apply IFRS 16 to contracts that were not identified before as containing a lease under IAS 17 and IFRIC 4;

Cumulative translation differences directly attributable to the controlled companies that are part of the Business, have been allocated at the amounts included in Ardagh's consolidated financial statements;

For the purposes of the preparation of these combined financial statements, Ardagh corporate center costs which were allocated by Ardagh, and therefore contained within the results of, the Business have been included in selling, general and administration ("SGA") expenses (2020: \$27 million, 2019: \$22 million, 2018: \$23 million). The Ardagh support provided to the Business included stewardship by Ardagh senior management personnel and functional support in terms of typical corporate areas such as Group finance, legal and risk, in addition to, discrete support which was provided from centralized management activities such as HR, Sustainability and IT in order to complement and support the activities in these areas which existed within the Business. The Ardagh corporate head office costs were allocated principally based on Adjusted EBITDA, with settlement of these costs recorded within invested capital. The allocations to the Business reflected all the costs of doing business and Management believes that the allocations were reasonable and materially reflected what the expenses would have been on a stand alone basis. These costs reflected the arrangements that existed in Ardagh and are not necessarily representative of costs that may arise in the future. In addition to these Ardagh corporate head office costs, shared divisional costs of \$15 million attributable to the Business, were incurred in respect of each of the years ended 31 December 2019 and 2018. The activities associated with these shared divisional costs subsequently formed part of the Ardagh shared corporate head office costs attributable to the Business, or were incurred specifically within the Business, for the year ended 31 December 2020;

Tax charges and credits and balances in the combined financial statements have been calculated as if the Business was a separate taxable entity using the separate return method. The tax charges and credits recorded in the combined income statement and tax balances recorded in the combined statement of financial position have been affected by the taxation arrangements within Ardagh and are not necessarily representative of the positions that may arise in the future. Differences between the tax charges and credits and balances in the combined financial statements, and the tax charges and credits and balances in the historical records of the Business are included in invested capital;

The Business has its own treasury functional team with certain treasury and risk management functions being performed by a central treasury function, which includes cash pooling and similar arrangement between Ardagh and the Business. Interest on related party borrowings and allocated costs and expenses as described below have generally been deemed to have been paid by the Business to Ardagh in the month in which the costs were incurred. In addition, all external debt used to fund Ardagh's operations is managed and held centrally. Related party

borrowings to Ardagh, representing back-to-back agreements related to those components of the Ardagh Group's corporate debt used to fund the initial acquisition of the Business by Ardagh, is included in the combined financial statements reflecting the debt obligation and related interest costs of the Business. Any cash balances reflected on the combined financial statements are legally owned by the Business. Ardagh has entered into certain derivative instruments with external counterparties on behalf of the business and on the back of those related-party derivatives between Ardagh and the Business have been executed, the impact of which have been included in the combined financial statements;

Other intercompany balances between Ardagh and the Business with the exception of the related party borrowings discussed above are deemed to be long term funding in nature and will not remain a liability upon separation from Ardagh and hence have been presented as part of invested capital in the combined financial statements.

The directors of Ardagh Group S.A. (the "Directors") are responsible for preparing the combined financial statements, on a carve-out basis from the consolidated financial statements of Ardagh Group S.A, in accordance with IFRS as adopted by the IASB and for being satisfied that they present fairly, in all material respects, the financial position and performance of the Business as if the Business had existed on a stand-alone basis for each of the years ended December 31, 2020, 2019 and 2018 for the combined income statements, statements of comprehensive income and statements of cash flows and as at December 31, 2020, 2019, 2018 and January 1, 2018, for the combined statements of financial position. In preparing these combined financial statements, the Directors are required to:

select suitable accounting policies and then apply them consistently;

make judgements and estimates that are reasonable and prudent;

state that the financial statements comply with IFRS as adopted by the IASB; and

prepare the financial statements on a going concern basis unless it is inappropriate to presume that the Business will continue in business.

The Directors confirm that they have complied with the above requirements in preparing the financial statements.

The combined financial statements were authorized for issuance by the Directors on 24 February, 2021.

Recent accounting pronouncements

The Business' assessment of the impact of new standards, which are not yet effective and which have not been early adopted by the Business, on the combined financial statements and disclosures is on-going but no material impacts are expected.

Basis of combination

(i) Controlled companies

The companies included in these combined financial statements are all entities over which the Business has control. The Business controls an entity when it is exposed to, or has rights to, variable

THE AMP BUSINESS

returns from its involvement with the entity and has the ability to affect those returns through its power to direct the activities of the entity.

The acquisition method of accounting is used to account for the acquisition of controlled companies by the Business. The cost of an acquisition is the consideration given in exchange for control of the identifiable assets, liabilities and contingent liabilities of the acquired legal entities. Directly attributable transaction costs are expensed and included as exceptional items within sales, general and administration expenses. The acquired net assets are initially measured at fair value. The excess of the cost of acquisition over the fair value of the identifiable net assets acquired is recorded as goodwill. Goodwill is stated at cost less any accumulated impairment losses. Goodwill is allocated to those groups of cash-generating units ("CGUs") that are expected to benefit from the business combination in which the goodwill arose for the purpose of assessing impairment. Goodwill is tested annually for impairment. Any goodwill and fair value adjustments are recorded as assets and liabilities of the acquired legal entity in the currency of the primary economic environment in which the legal entity operates (the "functional currency").

(ii) Transactions eliminated on combination

Transactions, balances and unrealized gains or losses on transactions between the controlled companies of the Business are eliminated on combination. The accounting policies of the controlled companies have been changed where necessary to ensure consistency with the policies adopted by the Business.

Foreign currency

(i) Presentation currency

The combined financial statements are presented in U.S. dollar which is the presentation currency of the Business. The business has availed of the practical expedient in IFRS 1 to set foreign currency translation reserve to zero upon transition to IFRS.

(ii) Foreign currency transactions

Items included in the financial statements of each of the entities included in the Business are measured using the functional currency of that entity.

Transactions in foreign currencies are translated into the functional currency at the foreign exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the reporting date are translated into the functional currency at the foreign exchange rate ruling at that date. Foreign exchange differences arising on translation are recognized in the combined income statement, except differences on certain derivative financial instruments discussed under "Derivative financial instruments" below.

(iii) Financial statements of foreign operations

The assets and liabilities of foreign operations held by the Business are translated into U.S. dollars at foreign exchange rates ruling at the reporting date. The revenues and expenses of foreign operations are translated to U.S. dollars at average exchange rates for the year. Foreign exchange differences

THE AMP BUSINESS

NOTES TO THE COMBINED FINANCIAL STATEMENTS (Continued)

arising on retranslation are recognized in other comprehensive income. Gains or losses accumulated in other comprehensive income are recycled to the combined income statement when the foreign operation is disposed of.

Non-monetary items measured at fair value in foreign currency are translated using the exchange rates as at the date when the fair value is determined.

Intangible assets

Intangible assets are initially recognized at cost.

Intangible assets acquired as part of a business combination are capitalized separately from goodwill if the intangible asset is separately identifiable or arises from contractual or other legal rights. They are initially recognized at cost which, for intangible assets arising in a business combination, is their fair value at the date of acquisition. Customer relationships acquired in a business combination are recognized at fair value at the acquisition date. Customer relationships have a finite useful economic life and are subsequently carried at cost less accumulated amortization.

Subsequent to initial recognition, intangible assets are carried at cost less any accumulated amortization and any accumulated impairment losses. The carrying values of intangible assets with finite useful lives are reviewed for indicators of impairment at each reporting date and are subject to impairment testing when events or changes in circumstances indicate that the carrying values may not be recoverable.

The amortization of intangible assets is calculated to write off the book value of finite lived intangible assets over their useful lives on a straight-line basis, on the assumption of zero residual value, as follows:

Computer software	2 - 7 years
Customer relationships	5 - 15 years
Technology	5 - 15 years

Property, plant and equipment

(i) Owned assets

Items of property, plant and equipment are stated at cost less accumulated depreciation and impairment losses, except for land which is shown at cost less impairment. Spare parts which form an integral part of plant and machinery and which have an estimated useful economic life greater than one year are capitalized.

Where components of property, plant and equipment have different useful lives, they are accounted for as separate items of property, plant and equipment.

(ii) Leased assets

At the lease commencement date or the effective date of a lease modification, the Business recognizes a lease liability as the present value of expected future lease payments, discounted at the Business' incremental borrowing rate unless the rate implicit in the lease is readily determinable, excluding any amounts which are variable based on the usage of the underlying asset and a right-of-use

THE AMP BUSINESS

NOTES TO THE COMBINED FINANCIAL STATEMENTS (Continued)

2. Summary of significant accounting policies (Continued)

asset generally at the same amount plus any directly attributable costs. The incremental borrowing rate is the discount rate the Business would have to pay to borrow, over a similar term and with a similar security, the funds necessary to obtain an asset of a similar value to the right-of-use asset in a similar economic environment. The Business combines lease and non-lease components and accounts for them as a single lease component with the exception of the dunnage asset class. Extension options or periods after termination options are considered by management if it is reasonably certain that the lease will be extended or not terminated.

(iii) Subsequent costs

The Business recognizes in the carrying amount of an item of property, plant and equipment, the cost of replacing the component of such an item when that cost is incurred, if it is probable that the future economic benefits embodied with the item will flow to the Business and the replacement cost of the item can be measured reliably. When a component is replaced the old component is de-recognized in the period. All other costs are recognized in the combined income statement as an expense as incurred. When a major overhaul is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria above are met.

(iv) Depreciation

Depreciation is charged to the combined income statement on a straight-line basis over the estimated useful lives of each part of an item of property, plant and equipment. Land is not depreciated. The estimated useful lives are as follows:

Buildings	30 - 40 years
Plant and machinery	3 - 20 years
Dunnage and other	3 - 10 years

Assets' useful lives and residual values are adjusted if appropriate, at each balance sheet date.

Impairment of non-financial assets

Assets that have an indefinite useful economic life are not subject to amortization and are tested annually for impairment or whenever indicators suggest that impairment may have occurred. Assets that are subject to amortization are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount.

For the purposes of assessing impairment, assets excluding goodwill and long lived intangible assets, are grouped at the lowest levels at which cash flows are separately identifiable. Goodwill and long lived intangible assets are allocated to groups of CGUs. The groupings represent the lowest level at which the related assets are monitored for internal management purposes.

Non-financial assets other than goodwill that suffered impairment are reviewed for possible reversal of the impairment at each reporting date.

The recoverable amount of other assets is the greater of their value in use and fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and

the risks specific to the asset. For an asset that does not generate largely independent cash inflows, the recoverable amount is determined for the CGU to which the asset belongs.

Inventories

Inventories are measured at the lower of cost and net realizable value. The cost of inventories is based on the first-in, first-out basis and includes expenditure incurred in acquiring the inventories and bringing them to their current location and condition. In the case of finished goods and work-in-progress, cost includes direct materials, direct labor and attributable overheads based on normal operating capacity.

Net realizable value is the estimated proceeds of sale less all further costs to completion, and less all costs to be incurred in marketing, selling and distribution.

Spare parts which are deemed to be of a consumable nature, are included within inventories and expensed when utilized.

Non-derivative financial instruments

Non-derivative financial instruments comprise trade and other receivables, contract assets, cash and cash equivalents, borrowings and trade and other payables. Non-derivative financial instruments are recognized initially at fair value plus any directly attributable transaction costs, except as described below. The Business applies the IFRS 9 simplified approach to measuring expected credit losses which uses a lifetime expected loss allowance for all trade receivables and contract assets. Subsequent to initial recognition, non-derivative financial instruments are measured as described below.

(i) Trade and other receivables

Trade and other receivables are recognized initially at the transaction price and are, thereafter, measured at amortized cost using the effective interest rate method less any provision for impairment, in accordance with the held to collect business model. The Business uses estimates based on expected credit losses and current information in determining the level of debts for which an allowance for impairment is required. For all other trade receivables, the Business uses an allowance matrix to measure the expected credit loss, based on historical actual credit loss experiences, adjusted for forward-looking information.

The Business participates in certain uncommitted accounts receivable factoring and related programs with various financial institutions for certain receivables, accounted for as true sales of receivables, without recourse to the Business. The Business has a selling business model related to those receivables and, as such, any unsold receivables under such programs are accounted for at fair value through profit or loss.

(ii) Securitized assets

The Business has entered into securitization transactions involving certain of its trade receivables. The securitization assets are recognized on the combined statement of financial position, until all of the rights to the cash flows from those assets have expired or have been fully transferred outside the Business, or until substantially all of the related risks, rewards and control of the related assets have been transferred to a third party.

THE AMP BUSINESS

NOTES TO THE COMBINED FINANCIAL STATEMENTS (Continued)

2. Summary of significant accounting policies (Continued)

(iii) Contract assets

Contract assets represent revenue required to be accelerated or recognized over time based on production completed in accordance with the Business' revenue recognition policy (as set out below). A provision for impairment of a contract asset will be recognized when there is evidence that the revenue recognized will not be recoverable. The provision is measured based on an allowance matrix to measure the expected credit loss, based on historical actual credit loss experiences, adjusted for forward-looking information.

(iv) Cash and cash equivalents

Cash and cash equivalents include cash on hand and call deposits held with banks and restricted cash. Cash and cash equivalents are carried at amortized cost.

(v) Borrowings (including related party borrowings)

Borrowings are recognized initially at fair value, net of transaction costs incurred. Borrowings are subsequently stated at amortized cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognized in the combined income statement of the Business over the period of the borrowings using the effective interest rate method.

Borrowings are classified as current liabilities unless the Business has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

(vi) Trade and other payables

Trade and other payables are recognized initially at fair value and subsequently measured at amortized cost using the effective interest rate method.

Derivative financial instruments

Derivatives are initially recognized at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value at each reporting date. The method of recognizing the resulting gain or loss depends on whether the derivative is designated as a hedging instrument, and if so, the nature of the item being hedged.

The fair values of various derivative instruments are disclosed in note 16. The full fair value of a hedging derivative is classified as a non-current asset or liability when the remaining maturity of the hedged instrument is more than twelve months after the balance sheet date and as a current asset or liability when the remaining maturity of the hedged instrument is less than twelve months after the balance sheet date. Trading derivatives are classified as a current asset or liability. No derivatives are held for speculative purposes.

(i) Cash flow hedges

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges are recognized in other comprehensive income, allocated between cash flow hedge gains or losses and cost of hedging gains or losses. For cash flow hedges which subsequently result in the recognition of a non-financial asset, the amounts accumulated in the cash flow hedge reserve within

invested capital are reclassified to the asset in order to adjust its carrying value. Amounts accumulated in the cash flow hedge reserve and cost of hedging reserve, or as adjustments to carrying value of non-financial assets, are recycled to the combined income statement in the periods when the hedged item will affect profit or loss.

The gain or loss relating to the ineffective portion is recognized immediately in the combined income statement. When a hedging instrument expires or is sold, or when a hedge no longer meets the criteria for hedge accounting, any cumulative gain or loss existing at that time remains within invested capital in equity and is recognized in the combined income statement when the forecast cash flow arises. When a forecast transaction is no longer expected to occur, the cumulative gain or loss that was reported in invested capital is immediately transferred to the combined income statement.

Fair value measurement

The Business measures derivative financial instruments and pension assets at fair value at each balance sheet date. Fair value related disclosures for financial instruments and pension assets that are measured at fair value or where fair values are disclosed, are summarized in the following notes:

Disclosures for valuation methods, significant estimates and assumptions (notes 16 and 17)

Quantitative disclosures of fair value measurement hierarchy (note 16)

Financial instruments (including those carried at amortized cost) (note 16)

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

in the principal market for the asset or liability; or

in the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Business.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Business uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

Employee benefits

(i) Defined benefit pension plans

Typically, defined benefit plans define an amount of pension benefit that an employee will receive on retirement, usually dependent on one or more factors such as age, years of service and compensation.

The liability recognized in the combined statement of financial position in respect of defined benefit pension plans is the present value of the defined benefit obligation at the reporting date less the fair value of plan assets. The defined benefit obligation is calculated annually by independent actuaries using the projected unit credit method. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using interest rates of high quality corporate bonds that are denominated in the currency in which the benefits will be paid, and that have terms to maturity approximating to the terms of the related pension liability.

Actuarial gains and losses arising from experience adjustments and changes in financial and actuarial assumptions are charged or credited to invested capital in other comprehensive income in the period in which they arise. Past service costs are recognized immediately in the combined income statement.

(ii) Other long term employee benefits

The obligation of the Business in respect of other long term employee benefit plans represents the amount of future benefit that employees have earned in return for service in the current and prior periods for post-retirement medical schemes, partial retirement contracts and long service awards. These are included in the category of employee benefit obligations on the combined statement of financial position. The obligation is computed on the basis of the projected unit credit method and is discounted to present value using a discount rate equating to the market yield at the reporting date on high quality corporate bonds of a currency and term consistent with the currency and estimated term of the obligations. Actuarial gains and losses are recognized in full in the comprehensive income in the period in which they arise.

(iii) Defined contribution plans

A defined contribution plan is a pension plan under which the Business pays fixed contributions into a separate entity. The contributions are recognized as employee benefit expense when they are due.

Provisions

Provisions are recognized when the Business has a present legal or constructive obligation as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and the amount can be reliably estimated.

Provisions are measured at the present value of the expenditures expected to be required to settle the obligation using a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the obligation.

Revenue recognition

The following is a description of the main activities from which the Business generates its revenue.

Our products include metal containers primarily for the beverage markets with consumer-driven demand. In addition to metal containers, the Business manufactures and supplies a wide range of can ends. Containers and ends are usually distinct items and can be sold separately from each other. A significant portion of our sales volumes are supplied under contracts which include input cost pass-through provisions.

The Business usually enters into framework agreements with its customers, which establish the terms under which individual orders to purchase goods or services may be placed. As the framework agreements do not identify each party's rights regarding the goods or services to be transferred, they do not create enforceable rights and obligations on a stand-alone basis. Therefore, the Business has concluded that only individual purchase orders create enforceable rights and obligations and meet the definition of a contract. The individual purchase orders have, in general, a duration of one year or less and, as such, the Business does not disclose any information about remaining performance obligations under these contracts. The payment terms of the Business are in line with customary business practice, which can vary by customer and region. The Business has availed of the practical expedient from considering the existence of a significant financing component as, based on past experience, we expect that, at contract inception, the period between when a promised good is transferred to the customer and when the customer pays for that good will be one year or less.

Revenue is recognized when control of a good or service has transferred to the customer. For certain contracts, the Business manufactures products for customers that have no alternative use and for which the Business has an enforceable right to payment for production completed to date. The Business has concluded that it has such enforceable right to payment plus a reasonable margin once it receives an individual purchase order. Therefore, for such products that have no alternative use and where an enforceable right to payment exists, the Business will recognize revenue over time based on the units produced output method such that a portion of revenue, net of any related rebates and cash discounts, excluding sales or value added tax, will be recognized prior to the dispatch of goods as the Business satisfies the contractual performance obligations for those contracts. For all other contracts, the Business will continue to recognize revenue primarily on dispatch of the goods, net of any related customer rebates, cash discounts and value added taxes.

The Business often sells products with rebates and cash discounts based on cumulative sales over a period. Such rebate and cash discount consideration is only recognised when it is highly probable that it will not be subsequently reversed and is recognised using the most likely amount depending on the individual contractual terms.

Exceptional items

The combined income statement, combined statement of cash flows and segmental analysis of the Business separately identify results before specific items. Specific items are those that in management's judgment need to be disclosed by virtue of their size, nature or incidence to provide additional information. Such items include, however are not limited to, where significant, costs relating to permanent capacity realignment or footprint reorganization, start-up costs incurred in relation to and associated with plant builds, significant new line investments, impairment of non-current assets and

THE AMP BUSINESS

NOTES TO THE COMBINED FINANCIAL STATEMENTS (Continued)

directly attributable acquisition costs. In this regard, the determination of "significant" as included in our definition uses qualitative and quantitative factors. Judgment is used by the Business in assessing the particular items, which by virtue of their scale and nature, are disclosed in the combined income statement, and related notes as exceptional items. The Business considers columnar presentation to be appropriate in the combined income statement as it provides useful additional information and is consistent with the way that financial performance is measured by the Business. Exceptional restructuring costs are classified as restructuring provisions and all other exceptional costs when outstanding at the balance sheet date are classified as exceptional items payable.

Net finance expense

Net finance expense comprises interest expense on related party borrowings, interest costs on leases, net foreign currency translation gains or losses related to financing, net interest cost on net pension plan liabilities, ineffective portions of derivative instruments designated as hedging instruments, losses on derivative instruments that are not designated as hedging instruments and are recognized in profit or loss, and other finance expense.

The Business capitalizes borrowing costs directly attributable to the acquisition, construction or production of manufacturing plants that require a substantial period of time to build that would have been avoided if the expenditure on the qualifying asset had not been made.

Income tax

Income tax on the profit or loss for the year comprises current and deferred tax. Income tax is recognized in the combined income statement except to the extent that it relates to items recognized in other comprehensive income.

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted at the reporting date and any adjustment to tax payable in respect of previous years.

Deferred income tax is recognized, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the combined financial statements. However, deferred tax liabilities are generally not recognized if they arise from the initial recognition of goodwill and deferred income tax is not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting nor taxable profit or loss. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the balance sheet date and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

Deferred income tax assets are recognized only to the extent that it is probable that future taxable profit will be available against which the temporary differences can be utilized. Deferred income tax is provided on temporary differences arising on investments in subsidiaries, except for deferred income tax liabilities where the timing of the reversal of the temporary difference is controlled by the Business and it is probable that the temporary difference will not reverse in the foreseeable future.

THE AMP BUSINESS
NOTES TO THE COMBINED FINANCIAL STATEMENTS (Continued)

2. Summary of significant accounting policies (Continued)

Deferred income tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets against current tax liabilities and when the deferred income tax assets and liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities where there is an intention to settle the balances on a net basis.

Differences between the tax charges and credits in the combined financial statements and the tax charges and credits in the historical records of the Business are included as offset in invested capital.

Segment reporting

As described in note 1, the Business has not historically operated as a separate stand-alone group and has been managed centrally by Ardagh. For the purposes of these combined financial statements, the Business has two operating and reporting segments: Europe and Americas, with internal reporting provided on this basis to the Executive Committee of Ardagh, being its Chief Operating Decision Maker ("CODM"). The internal information supporting this segmental organization is used by the CODM to allocate resources and assess segmental performance.

Critical accounting estimates, assumptions and judgments

Accounting estimates, assumptions and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The Business makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below. Please refer to the basis of preparation for details of the critical accounting estimates, assumptions and judgements exercised in preparing the combined financial statements.

(i) Estimated impairment of goodwill and other long lived assets

In accordance with IAS 36 "Impairment of assets" ("IAS 36"), the Business tests whether goodwill and other long lived assets have suffered any impairment in accordance with the accounting policies stated. The determination of the recoverable amounts of goodwill requires the use of estimates as outlined in note 8. The judgments made by the Business relating to the impairment of goodwill and other long lived assets are included in notes 8 and 9.

(ii) Lease term upon adoption of IFRS 16

Upon adoption of IFRS 16, several lease agreements included renewal and termination options. As part of the recognition of such leases, the Business assessed all facts and circumstances that created an economic incentive to exercise a renewal option, or not exercise a termination option. Renewal options (or periods after termination options) were only included in the lease term if the conclusion was that the lease was reasonably certain to be renewed (or not terminated).

(iii) Income taxes

The Business is subject to income taxes in numerous jurisdictions and judgment is therefore required in determining the worldwide provision for income taxes. There are many transactions and

THE AMP BUSINESS

calculations for which the ultimate tax determination is uncertain during the ordinary course of business. The Business recognizes liabilities for anticipated tax audit matters based on estimates of whether additional taxes will be due. Where the final tax outcome of these matters is different from the amounts that were initially recorded, such differences will impact the income tax and deferred tax provisions in the period in which such determination is made.

(iv) Measurement of employee benefit obligations

The Business follows guidance of IAS 19(R) to determine the present value of its obligations to current and past employees in respect of defined benefit pension obligations, other long term employee benefits, and other end of service employee benefits which are subject to similar fluctuations in value in the long term. The Business values its liabilities, with the assistance of professional actuaries, to ensure consistency in the quality of the key assumptions underlying the valuations. The critical assumptions and estimates applied are discussed in detail in note 17.

(v) Exceptional items

The combined income statement and segment analysis separately identify results before exceptional items. Exceptional items are those that in our judgment need to be disclosed by virtue of their size, nature or incidence.

The Business believes that this presentation provides additional analysis as it highlights exceptional items. The determination of "significant" as included in our definition uses qualitative and quantitative factors which remain consistent from period to period. The Business uses judgment in assessing the particular items, which by virtue of their scale and nature, are disclosed in the combined income statement and related notes as exceptional items. Management considers the combined income statement presentation of exceptional items to be appropriate as it provides useful additional information and is consistent with the way that financial information is measured by and presented to management. In that regard, management believes it to be consistent with paragraph 85 of IAS 1 "Presentation of financial statements" ("IAS 1"), which permits the inclusion of line items and subtotals that improve the understanding of performance.

3. Segment analysis

The two operating and reportable segments of the Business are Europe and Americas. This reflects the basis on which the Business performance is reviewed by the CODM.

Net finance expense is not allocated to segments as this is reviewed on a Business-wide basis. Performance of the segments is assessed based on Adjusted EBITDA. Adjusted EBITDA consists of profit/(loss) before income tax charge/(credit), net finance expense, depreciation and amortization and exceptional operating items. Segment revenues are derived from sales to external customers. Inter-segmental revenue is not material.

Segment assets consist of intangible assets, property, plant and equipment, derivative financial instrument assets, deferred tax assets, other non-current assets, inventories, contract assets, trade and other receivables and cash and cash equivalents. The accounting policies of the segments are the same as those in the combined financial statements of the Business as set out in note 2.

Reconciliation of income tax charge and the profit/(loss) before tax multiplied by the domestic tax rate of the Business for 2020, 2019 and 2018 is as follows:

	Year ended		
	December 31,		
	2020	2019	2018
	\$'m	\$'m	\$'m
Profit/(loss) before tax	140	(15)	(25)

Income taxed at rates other than standard tax rates	(3)	4	12
Non-deductible and other items	9	14	32
Income tax charge	29	25	50

Profit/(loss) before tax in the combined financial statements of the Business is multiplied by the standard rate of Luxembourg corporation tax, consistent with the presentation in the consolidated financial statements of the ultimate parent company of the Business and of Ardagh Group S.A, which is the parent company of the Business.

The total income tax charge outlined above for each year includes tax credits of \$14 million in 2020 (2019: \$3 million; 2018: \$5 million) in respect of exceptional items, being the tax effect of the items set out in note 4. The \$14 million exceptional income tax credit recognized in the year ended December 31, 2020, includes a credit of \$6 million relating to tax benefits arising from the enactment from March 27, 2020, of the Coronavirus Aid, Relief and Economic Security ("CARES") Act.

Non-deductible items principally relate to non-deductible interest expense in Ireland and Netherlands, in addition to the U.S. in 2018. Income taxed at non-standard rates takes account of foreign tax rate differences (versus the Luxembourg standard 24.94% rate) on earnings. Adjustments in respect of prior years includes tax credits in 2020 related to the carry back of tax losses in the United States as a result of the enactment from March 27, 2020, of the CARES Act, in addition to return to provision adjustments in certain EU territories.

Goodwill

Allocation of goodwill

Goodwill originated from the acquisition of the Business by Ardagh has been allocated to CGUs that are expected to benefit from synergies arising from that combination. Goodwill has been allocated to groups of CGUs for the purpose of impairment testing. The groupings represent the lowest level at which the related goodwill is monitored for internal management purposes.

The lowest level within the Business at which the goodwill is monitored for internal management purposes and consequently the CGUs to which goodwill is allocated, is set out below:

	At December 31,			
	2020	2019	2018	2017(i)

Impairment tests for goodwill

The annual goodwill impairment test is performed following the approval of the Ardagh Group's annual budget, or whenever indicators suggest that impairment may have occurred.

Recoverable amount and carrying amount

The value-in-use ("VIU") model for each annual impairment test respectively used the following year's approved budget and a three-year forecast for 2022 to 2024 (2019 and 2018 two-year forecast

period; January 1, 2018: one-year period). The budget and forecast results were then extended for a further one year period (2019 and 2018: two-year period; January 1, 2018: four-year period) making certain assumptions, including that long-term depreciation equals capital expenditure, in addition to the how changes in input cost will impact customer pricing, in line with historic practice and contractual terms.

Cash flows considered in the VIU model included the cash inflows and outflows related to the continuing use of the assets over their remaining useful lives, expected earnings, required maintenance capital expenditure and working capital.

The modelled cash flows take into account the Business' established history of earnings, cash flow generation and the nature of the markets in which we operate, where product obsolescence is low. The key assumptions employed in modelling estimates of the net present value of future cash flows are subjective and include projected Adjusted EBITDA, discount rates and growth rates, replacement capital expenditure requirements, rates of customer retention and the ability to maintain margin through the pass through of input cost inflation.

The discount rate applied to cash flows in the VIU model was estimated using the weighted average cost of capital as determined by the Capital Asset Pricing Model with regard to the risks associated with the cash flows being considered (country, market and specific risks of the asset). The discount rates applied in respect of groups of CGUs was Europe: 5.1% and Americas: 7.9% as of the most recent annual goodwill impairment test following approval of the annual budget for 2021. Discount rates in prior periods were as follows for Europe (2019: 5.1%, 2018: 6.7%, January 1, 2018: 7.4%) and Americas (2019: 8.5%, 2018: 9.6%, January 1, 2018: 9.6%).

The terminal value assumed long-term growth based on a combination of factors including long-term inflation in addition to industry and market specific factors. The range of growth rates applied by management in respect of the terminal values applicable to the groups of CGUs were 1.0% (2019: 1.0%; 2018: 1.5%; January 1, 2018: 1.5%) in respect of all groups of CGUs.

A sensitivity analysis was performed reflecting potential variations in terminal growth rate and discount rate assumptions. In all cases the recoverable values calculated were significantly in excess of the carrying values of the CGUs. The variation applied to terminal value growth rates and discount rates was a 50 basis points decrease and increase respectively and represents a reasonably possible change to the key assumptions of the VIU model. Further, a reasonably possible change to the operating cash flows would not reduce the recoverable amounts below the carrying value of the CGUs. As a result of the significant excess of recoverable amount, management consider that additional disclosures are not required under IAS36.

No provision has been made for temporary differences applicable to investments in subsidiaries as the Business is in a position to control the timing of reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future. Given that exemptions and tax credits would be available in the context of the Business' investments in subsidiaries in the majority of jurisdictions in which it operates, the aggregate amount of temporary differences in respect of which deferred tax liabilities have not been recognized would not be material.

The maximum exposure to credit risk at the reporting date is the carrying value of each class of receivable set out above.

Provisions against specific balances

Significant balances are assessed for evidence of increased credit risk. Examples of factors considered are high probability of bankruptcy, breaches of contract or major concession being sought by the customer. Instances of significant single customer related bad debts are rare and there is no significant concentration of risk associated with particular customers.

Providing against the remaining population of customers

The Business monitors actual historical credit losses and adjusts for forward-looking information to measure the level of expected losses. Adverse changes in the payment status of customers of the Business, or national or local economic conditions that correlate with defaults on receivables owing to the Business, may also provide a basis for an increase in the level of provision above historic loss experience.

As of December 31, 2020, trade receivables of \$7 million (2019: \$10 million; 2018: \$13 million; January 1, 2018: \$13 million) were past due but not impaired, of which \$5 million (2019: \$10 million; 2018: \$11 million; January 1, 2018: \$10 million) were up to three months past due and the remaining balance being three to six months past due.

15. Financial risk factors

The activities of the Business expose it to a variety of financial risks: capital risk, interest rate, currency exchange risk, commodity price risk, credit risk and liquidity risk.

Capital structure and risk

The Business has its own treasury functional teams. Certain treasury and risk management activities are performed by a central Ardagh Group Treasury team under policies approved by the board of directors of Ardagh. As described in note 2, the related party borrowings reported within these financial statements comprise related-party debt from Ardagh Group.

The objectives when managing capital are to safeguard the Business' ability to continue as a going concern and provide returns to its owners.

Financial risks are managed, on an on-going basis, by the Business' senior management team in cooperation with Ardagh's central Group Treasury. The Business does not use treasury instruments for speculative purposes, under any circumstances. Financial risk management includes regular reviews of the level of cash and debt facilities required to fund the activities of the Business, repayments and financing of related party debt obligations, and in order to potentially identify an appropriate amount of headroom to provide a reserve against unexpected funding requirements.

Interest rate

At December 31, 2020, the business' related party borrowings were 100% (2019: 100%, 2018: 100%, January 1, 2018: 100%) fixed.

Currency exchange risk

The Business presents its combined financial information in U.S. dollar.

The Business operates in 9 countries, across three continents and its main currency exposure in the year to December 31, 2020, from the U.S. dollar presentation currency, was in relation to the euro, British pound, and Brazilian real. Currency exchange risk arises from future commercial transactions and recognized assets and liabilities.

The Business has a limited level of transactional currency exposure arising from sales or purchases by operating units in currencies other than their functional currencies.

Fluctuations in the value of these currencies with respect to the U.S. dollar presentation currency may have a significant impact on the Business' financial condition and results of operations. The Business believes that a strengthening of the U.S. dollar exchange rate by 1% against all other foreign currencies from the December 31, 2020 rate would increase invested capital by approximately \$5 million (2019: \$5 million, 2018: \$3 million, January 1, 2018: \$2 million).

Commodity price risk

The Business is exposed to changes in prices of its main raw materials, primarily energy, and aluminum. Aluminum ingot is traded daily as a commodity on the London Metal Exchange, which has historically been subject to significant price volatility. Because aluminum is priced in U.S. dollar, fluctuations in the U.S. dollar/euro rate also affect the euro cost of aluminum ingot. The price and foreign currency risk on the aluminum purchases in Metal Beverage Packaging Europe and Metal

THE AMP BUSINESS
NOTES TO THE COMBINED FINANCIAL STATEMENTS (Continued)

15. Financial risk factors (Continued)

Beverage Packaging Americas are hedged by entering into swaps under which we pay fixed euro and U.S dollar prices, respectively. Furthermore, the relative price of oil and its by-products may materially impact our business, affecting our transport, lacquer and ink costs.

The Business uses derivative agreements with Ardagh to manage some of the material cost risk. The use of derivative contracts to manage its risk is dependent on robust hedging procedures. Increasing raw material costs over time has the potential, if we are unable to pass on price increases, to reduce sales volume and could therefore have a significant impact on its financial condition. The Business is also exposed to possible interruptions of supply of aluminum or other raw materials and any inability to purchase raw materials could negatively impact its operations.

As a result of the volatility of gas and electricity prices, the Business has developed an active hedging strategy to fix a significant proportion of its energy costs through contractual arrangements directly with our suppliers. The Business policy is to purchase gas and electricity by entering into forward price-fixing arrangements with suppliers for the bulk of our anticipated requirements for the year ahead. Such contracts are used exclusively to obtain delivery of our anticipated energy supplies. The Business does not net settle, nor do we sell within a short period of time after taking delivery. The Business avails of the own use exemption and, therefore, these contracts are treated as executory contracts. The Business typically builds up these contractual positions in tranches of approximately 10% of the anticipated volumes. Any gas and electricity which is not purchased under forward price-fixing arrangements is purchased under index tracking contracts or at spot prices.

Credit risk

Credit risk arises from derivative contracts, cash and deposits held with banks and financial institutions, as well as credit exposures to the customers of the Business, including outstanding receivables. The policy of the Business is to place excess liquidity on deposit with the central Ardagh Treasury entity who will, in turn, only place excess liquid funds with recognized and reputable financial institutions. For banks and financial institutions, only independently rated parties with a minimum rating of "BBB+" from at least two credit rating agencies are accepted, where possible. The credit ratings of banks and financial institutions are monitored to ensure compliance with Ardagh Group policy. Risk of default is controlled within a policy framework of dealing with high quality institutions and by limiting the amount of credit exposure to any one bank or institution.

Business policy is to extend credit to customers of good credit standing. Credit risk is managed on an on-going basis, by experienced people within the Business. The Business' policy for the management of credit risk in relation to trade receivables involves periodically assessing the financial reliability of customers, taking into account their financial position, past experience and other factors. Provisions are made, where deemed necessary, and the utilization of credit limits is regularly monitored. The Business does not expect any significant counterparty to fail to meet its obligations. The maximum exposure to credit risk is represented by the carrying amount of each asset. For the year ended December 31, 2020, the ten largest customers of the Business accounted for approximately 64% of total revenues (2019: 65%; 2018: 66%). There is no recent history of default with these customers.

Liquidity risk

The Business is exposed to liquidity risk which arises primarily from the maturing of short term and long term debt obligations. The Business' policy has been to ensure that sufficient resources are available either from cash balances, cash flows or undrawn committed bank facilities, to ensure all obligations can be met as they fall due.

THE AMP BUSINESS

NOTES TO THE COMBINED FINANCIAL STATEMENTS (Continued)

15. Financial risk factors (Continued)

To effectively manage liquidity risk the Business:

has committed borrowing facilities that it can access to meet liquidity needs;

maintains cash balances and liquid investments with highly-rated counterparties;

limits the maturity of cash balances;

borrowes the bulk of its debt needs under long term fixed rate debt securities; and

has internal control processes to manage liquidity risk.

Cash flow forecasting is performed in the operating entities of the Business and results in rolling forecasts of the Business' liquidity requirements to ensure it has sufficient cash to meet operational needs while maintaining sufficient headroom on its undrawn committed borrowing facilities at all times so that the Business does not breach borrowing limits or covenants on any of its borrowing facilities. Such forecasting takes into consideration the Business' debt financing plans.

The increase in net borrowings and derivative financial instruments primarily includes repayments of borrowings of \$8 million (2019: \$nil, 2018: \$nil) of which \$nil are to related parties, proceeds from borrowings of \$nil (2019: \$22 million, of which \$6 million was a non-cash transaction, with \$nil from related parties, 2018: \$2 million with \$nil from related parties), an increase in lease obligations of \$3 million (2019: \$26 million, 2018: \$25 million), foreign exchange loss on borrowings of \$60 million (2019: loss of \$9 million, 2018: gain of \$36 million), amortization of deferred financing costs of \$nil (2019: \$5 million, 2018: \$2 million), partly offset by a fair value movement on derivative financial instruments used to hedge foreign currency and interest rate risk of \$nil (2019: loss of \$17 million, 2018: gain of \$11 million) and a decrease in cash and cash equivalents of \$27 million (2019: increase of \$136 million, 2018: decrease of \$2 million).

During 2019, the Business extinguished an existing \$154 million related party loan and entered into a new £128 million (\$154 million) related party loan in a non-cash refinancing transaction.

As of December 31, 2018, the Business had issued preferred stock with a value of \$662 million to Ardagh with a mandatory redemption date at December 31, 2019. Such agreement has been treated as

related party borrowing for purpose of the combined financial statements. During 2019 such preferred stock was redeemed and converted in a non-cash transaction into a long-term related party loan.

Lease obligations at December 31, 2020, of \$136 million (2019: \$133 million; 2018: \$107 million) primarily reflect \$36 million of new or renewed leases (2019: \$55 million; 2018: \$47 million), offset by \$35 million (2019: \$26 million; 2018: \$19 million) of principal repayments and foreign currency movements in the year ended December 31, 2020.

THE AMP BUSINESS

NOTES TO THE COMBINED FINANCIAL STATEMENTS (Continued)

16. Financial assets and liabilities (Continued)

The Business uses the following hierarchy for determining and disclosing the fair value of financial instruments:

- Level 1 Quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices); and
- Level 3 Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

There were no transfers between Level 1 and Level 2 during the year.

Fair values are calculated as follows:

- (i) Related party borrowings–The fair value of the related party borrowings of the Business is linked to quoted market prices for Ardagh's corporate debt, considering the credit risk of the Business and represent Level 2 inputs.
- (ii) Other borrowings–The carrying amount of other borrowings is assumed to be a reasonable approximation of fair value.
- (iii) Cross currency interest rate swaps ("CCIRS")–The fair value of the CCIRS are based on quoted market prices and represent Level 2 inputs.
- (iv) Commodity contracts and forward foreign exchange contracts–The fair value of these derivatives are based on quoted market prices and represent Level 2 inputs.

The majority of derivative assets and liabilities mature within one year with the exception of certain metal forward contracts which mature at dates between January 2022 and December 2023. At the maturity date those derivative instruments are settled with Ardagh through invested capital.

Cross currency interest rate swaps

2019

On August 12, 2019, the Business terminated its \$150 million U.S. dollar to GBP CCIRS, due for maturity in 2022. The total fair value of this swap at termination was \$28 million and the cash receipt on these swaps was \$28 million.

2018

The Business hedges certain portions of its related party borrowings and interest payable thereon using CCIRS, with a net asset at December 31, 2018, of \$17 million (January 1, 2018: \$6 million).

Metal forward contracts

The Business hedges a portion of its anticipated metal purchases. Excluding conversion and freight costs, the physical metal deliveries are priced based on the applicable indices agreed with the suppliers for the relevant month. The Business determines the existence of an economic relationship between the hedged item and the hedging instrument based on common indices used. Ineffectiveness may arise if there are changes in the forecasted transaction in terms pricing, timing or quantities, or if there are

changes in the credit risk of the Business or the counterparty. The Business applies a hedge ratio of 1:1.

Fair values have been based on quoted market prices and are valued using Level 2 valuation inputs. The fair value of these contracts when initiated is \$nil; no premium is paid or received.

Forward foreign exchange contracts

The Business operates in a number of currencies and, accordingly, hedges a portion of its currency transaction risk. Certain forward contracts are designated as cash flow hedges and are set so to closely match the critical terms of the underlying cash flows. In hedges of forecasted foreign currency sales and purchases ineffectiveness may arise for similar reasons as outlined for metal forward contracts.

The fair values are based on Level 2 valuation techniques and observable inputs including the contract prices. The fair value of these contracts when initiated is \$nil; no premium is paid or received.

NYMEX gas swaps

The Business hedges a portion of its anticipated energy purchases on the New York Mercantile Exchange ("NYMEX").

Fair values have been based on NYMEX quoted market prices and Level 2 valuation inputs have been applied. The fair value of these contracts when initiated is \$nil; no premium is paid or received.

17. Employee benefit obligations

The Business operates defined benefit or defined contribution pension schemes in most of its countries of operation and the assets are held in separately administered funds. The principal funded defined benefit schemes, which are funded by contributions to separately administered funds, are in the United States and the United Kingdom.

Other defined benefit schemes are unfunded and the provision is recognized in the combined statement of financial position. The principal unfunded schemes are in Germany.

The contribution rates to the funded plans are agreed with the Trustee boards, plan actuaries and the local pension regulators periodically. The contributions paid in each period were those recommended by the actuaries.

In addition, the Business has other employee benefit obligations in certain territories.

Total employee obligations recognized in the combined statement of financial position of \$219 million (2019: \$184 million; 2018: \$151 million; January 1, 2018: \$139 million) includes other employee benefit obligations of \$52 million (2019: \$46 million; 2018: \$40 million; January 1, 2018: \$40 million).

returns while minimizing volatility. The asset classes include fixed income government and non-government securities and real estate, as well as cash.

Characteristics and associated risks

The pension plans in Germany operate under the framework of German Company Pension Law (BetrAVG) and general regulations based on German Labor Law. The entitlements of the plan members depend on years of service and final salary. Furthermore, the plans provide lifelong pensions. No separate assets are held in trust, i.e. the plans are unfunded defined benefit plans. During the years ended December 31, 2020 and 2019, the Business elected to re-design its pension scheme in Germany, moving to a contribution orientated scheme.

The U.K. pension plan is a trust-based U.K. funded final salary defined benefit scheme providing pensions and lump sum benefits to members and dependents. There is one pension plan in place relating to Ardagh Metal Beverage UK Limited and Ardagh Metal Beverage Trading UK Limited. It is closed to new entrants and was closed to future accrual effective December 31, 2018. For this plan, pensions are calculated either based on service to December 31, 2018, with members' benefits based on earnings as at December 31, 2018, for those members who were still active at that date, or based on service to the earlier of retirement or leaving date for members who stopped accruing benefits prior to 31 December 2018 based on earnings as at retirement or leaving date. The U.K. pension plan is governed by a board of trustees, which includes members who are independent of the Company. The trustees are responsible for managing the operation, funding and investment strategy. The U.K. pension plan is subject to the U.K. regulatory framework, the requirements of the Pensions Regulator and is subject to a statutory funding objective.

Metal Beverage Packaging Americas together with Ardagh's Glass business in North America sponsor a defined benefit pension plan as a single employer scheme which is subject to Federal law ("ERISA"), reflecting regulations issued by the Internal Revenue Service ("IRS") and the U.S. Department of Labor. The Metal Beverage Packaging Americas plan covers hourly employees only. Plan benefits are determined using a formula which reflects the employees' years of service and is based on a final average pay formula. If common ownership of the two sponsoring employers is below 80% as of any scheme valuation the scheme would no longer be able to operate as a single employer scheme.

NOTES TO FINANCIAL STATEMENTS

1. Organization and Business Operations

Organization and General

Gores Holdings V, Inc. (the "Company") was incorporated in Delaware on June 25, 2020. The Company was formed for the purpose of effecting a merger, capital stock exchange, asset acquisition, stock purchase, reorganization or similar Business Combination with one or more businesses (the "Business Combination"). The Company has neither engaged in any operations nor generated any revenue to date. The Company's management has broad discretion with respect to the Business Combination. The Company's Sponsor is Gores Sponsor V, LLC, a Delaware limited liability company (the "Sponsor"). The Company has selected December 31st as its fiscal year-end.

At December 31, 2020, the Company had not commenced any operations. All activity for the period from June 25, 2020 (inception) through December 31, 2020 relates to the Company's formation and initial public offering ("Public Offering") described below. The Company completed the Public Offering on August 10, 2020 (the "IPO Closing Date"). The Company will not generate any operating revenues until after the completion of its Business Combination, at the earliest. Subsequent to the Public Offering, the Company will generate non-operating income in the form of interest income on cash and cash equivalents from the proceeds derived from the Public Offering and the sale of the Private Placement Warrants (as defined below) held in the Trust Account (as defined below).

Proposed Business Combination

On February 22, 2021, the "Company" entered into a Business Combination Agreement (the "Business Combination Agreement"), by and among the Company, Ardagh Metal Packaging S.A. ("AMPSA"), Ardagh Group S.A. ("AGSA") and Ardagh MP MergeCo Inc. ("MergeCo"), which provides for, among other things: (a) a series of transactions that will result in the subsidiaries of AGSA that are engaged in the business of developing, manufacturing, marketing and selling metal beverage cans and ends and providing related technical and customer services becoming wholly-owned by AMPSA (the "Pre-Closing Restructuring"), and (b) the merger of MergeCo with and into the Company, with the Company being the surviving corporation as a wholly-owned subsidiary of AMPSA (the "Merger", and, together with the Pre-Closing Restructuring and other transactions contemplated in the Business Combination Agreement, the "Proposed Business Combination").

The Proposed Business Combination Agreement and the transactions contemplated thereby were unanimously approved by the Board of Directors of the Company on February 22, 2021 and the Board of Directors of AGSA on February 22, 2021.

The Business Combination Agreement

Proposed Business Combination Consideration

The aggregate consideration to be paid to AGSA pursuant to the Transfer Agreement (as defined within the Business Combination Agreement) and the Business Combination Agreement consists of (a) \$2,315,000,000, payable in cash and in equivalent in U.S. dollars or euros (or a combination thereof), (b) 484,956,250 shares of AMPSA, with a nominal value of EUR 0.01 per share (the "AMPSA Shares"), (c) a promissory note issued by AMPSA in the amount of \$1,085,000,000, to be paid in cash at the consummation of the Merger (the "Closing") or, in certain circumstances, a combination of cash and AMPSA Shares, and (d) the right to receive, during the five-year period commencing 180 days after the Closing 60,730,000 additional AMPSA Shares in five equal installments depending on whether

the price of AMPSA Shares maintains for a certain period of time a volume weighted average price of \$13.00, \$15.00, \$16.50, \$18.00 and \$19.50, as applicable (collectively, the "AGSA Consideration").

Representations and Warranties

The Business Combination Agreement contains customary representations, warranties and covenants of AMPSA, AGSA, GHV and MergeCo relating to, among other things, their ability to enter into the Business Combination Agreement and their outstanding capitalization.

Covenants

The Business Combination Agreement includes customary covenants of the parties with respect to operation of their respective businesses prior to consummation of the Proposed Business Combination and efforts to satisfy conditions to consummation of the Proposed Business Combination. The Business Combination Agreement also contains additional covenants of the parties, including, among others, covenants providing for the Company and AGSA to cooperate in the preparation of the Proxy Statement/Prospectus and Registration Statement (as each such term is defined in the Business Combination Agreement) required to be filed in connection with the Proposed Business Combination. The covenants of the parties to the Business Combination Agreement will not survive the Closing, except for those covenants that by their terms expressly apply in whole or in part after the Closing.

Conditions to Consummation of the Proposed Business Combination

The consummation of the Proposed Business Combination is conditioned upon, among other things, (a) no action or governmental order or law shall have been enacted, issued, promulgated, enforced or entered that restrains, enjoins or otherwise prohibits the consummation of the Proposed Business Combination or would cause any part of the Proposed Business Combination to be rescinded following the Closing; (b) the proposal to adopt the Business Combination Agreement and approve the Proposed Business Combination shall have been approved and adopted by the requisite affirmative vote of the Company stockholders; (c) a Luxembourg statutory independent auditor (réviseur d'entreprises agréé) of AMPSA shall have issued appropriate reports regarding the contributions relating to the AMPSA Shares to be issued to the Company stockholders or AGSA as set forth in the Business Combination Agreement; (d) all closing conditions to the private placement pursuant to which investors will purchase 60,000,000 AMPSA Shares for a purchase price of \$10.00 per share (the "PIPE Shares") shall have been satisfied or waived and the \$600,000,000 gross proceeds from the private placement shall have been paid to AMPSA on the date the Merger is consummated; (e) the Registration Statement of which the Proxy Statement/Prospectus forms a part shall have been declared effective under the Securities Act and no stop order or proceedings for purposes of suspending the effectiveness of the registration statement shall have been initiated by the SEC and not withdrawn; and (f) the AMPSA Shares shall have been approved for listing on NYSE, subject to official notice of issuance.

Private Placement Subscription Agreements

In connection with the execution of the Business Combination Agreement, on February 22, 2021, AMPSA and the Company entered into Subscription Agreements (each, a "Subscription Agreement" and collectively, the "Subscription Agreements") with certain investors and Gores Sponsor V LLC (the

"Sponsor"), pursuant to which the investors and the Sponsor agreed to purchase, and AMPSA agreed to sell to the investors and the Sponsor the PIPE Shares for an aggregate cash amount of \$600,000,000.

The issuance of the PIPE Shares pursuant to the Subscription Agreements is contingent upon, among other customary closing conditions, the substantially concurrent consummation of the Proposed Business Combination. Pursuant to the Subscription Agreements, AMPSA agreed that, within 30 calendar days after the date of Closing, it will file with the SEC (at AMPSA's sole cost and expense) a registration statement registering the resale of the PIPE Shares, and AMPSA will use its commercially reasonable efforts to have the registration statement declared effective as soon as practicable after the filing thereof.

Financing

Upon the closing of the Public Offering and the sale of the Private Placement Warrants, an aggregate of \$525,000,000 was placed in a Trust Account with Continental Stock Transfer & Trust Company (the "Trust Account") acting as Trustee.

The Company intends to finance a Business Combination with the net proceeds from its \$525,000,000 Public Offering and its sale of \$12,500,000 of Private Placement Warrants.

Trust Account

Funds held in the Trust Account can be invested only in U.S. government treasury bills with a maturity of one hundred and eighty (180) days or less or in money market funds meeting certain conditions under Rule 2a-7 under the Investment Company Act of 1940, as amended, that invest only in direct U.S. government obligations. As of December 31, 2020, the Trust Account consisted of money market funds.

The Company's second amended and restated certificate of incorporation provides that, other than the withdrawal of interest to fund regulatory compliance requirements and other costs related thereto (a "Regulatory Withdrawal") for a maximum 24 months and/or additional amounts necessary to pay franchise and income taxes, if any, none of the funds held in trust will be released until the earliest of: (i) the completion of the Business Combination; or (ii) the redemption of any public shares of common stock properly tendered in connection with a stockholder vote to amend the Company's second amended and restated certificate of incorporation to modify the substance or timing of the Company's obligation to redeem 100% of such public shares of common stock if the Company does not complete the Business Combination within 24 months from the closing of the Public Offering; or (iii) the redemption of 100% of the public shares of common stock if the Company is unable to complete a Business Combination within 24 months from the closing of the Public Offering, subject to the requirements of law and stock exchange rules.

Business Combination

The Company's management has broad discretion with respect to the specific application of the net proceeds of the Public Offering, although substantially all of the net proceeds of the Public Offering are intended to be generally applied toward consummating a Business Combination. The Business Combination must be with one or more target businesses that together have an aggregate fair market value of at least 80% of the assets held in the Trust Account (less any deferred underwriting

commissions and taxes payable on interest income earned) at the time of the Company signing a definitive agreement in connection with the Business Combination. Furthermore, there is no assurance that the Company will be able to successfully effect a Business Combination.

The Company, after signing a definitive agreement for a Business Combination, will either (i) seek stockholder approval of the Business Combination at a meeting called for such purpose in connection with which stockholders may seek to redeem their shares, regardless of whether they vote for or against the Business Combination, for cash equal to their pro rata share of the aggregate amount then on deposit in the Trust Account as of two business days prior to the consummation of the Business Combination, including interest income but less taxes payable, or (ii) provide stockholders with the opportunity to sell their shares to the Company by means of a tender offer (and thereby avoid the need for a stockholder vote) for an amount in cash equal to their pro rata share of the aggregate amount then on deposit in the Trust Account as of two business days prior to the consummation of the Business Combination, including interest income but less taxes payable. The decision as to whether the Company will seek stockholder approval of the Business Combination or will allow stockholders to sell their shares in a tender offer will be made by the Company, solely in its discretion, and will be based on a variety of factors such as the timing of the transaction and whether the terms of the transaction would otherwise require the Company to seek stockholder approval, unless a vote is required by law or under Nasdaq rules. If the Company seeks stockholder approval, it will complete its Business Combination only if a majority of the outstanding shares of common stock voted are voted in favor of the Business Combination. Currently, the Company will not redeem its public shares of common stock in an amount that would cause its net tangible assets to be less than \$5,000,001. In such case, the Company would not proceed with the redemption of its public shares of common stock and the related Business Combination, and instead may search for an alternate Business Combination.

As a result of the foregoing redemption provisions, the public shares of common stock will be recorded at redemption amount and classified as temporary equity, in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 480, "*Distinguishing Liabilities from Equity*" ("ASC 480") in subsequent periods.

The Company will have 24 months from the IPO Closing Date to complete its Business Combination. If the Company does not complete a Business Combination within this period of time, it shall (i) cease all operations except for the purposes of winding up; (ii) as promptly as reasonably possible, but not more than ten business days thereafter, redeem the public shares of common stock for a per share pro rata portion of the Trust Account, including interest income, but less taxes payable (less up to \$100,000 of such net interest income to pay dissolution expenses) and (iii) as promptly as possible following such redemption, dissolve and liquidate the balance of the Company's net assets to its remaining stockholders, as part of its plan of dissolution and liquidation. The Sponsor and the Company's officers and directors have entered into a letter agreement with the Company, pursuant to which they waived their rights to participate in any redemption with respect to their Founder Shares (as defined below); however, if the Sponsor or any of the Company's officers, directors or affiliates acquire public shares of common stock, they will be entitled to a pro rata share of the Trust Account in the event the Company does not complete a Business Combination within the required time period.

In the event of such distribution, it is possible that the per share value of the residual assets remaining available for distribution (including Trust Account assets) will be less than the initial public offering price per Unit in the Public Offering.

Emerging Growth Company

Section 102(b)(1) of the JOBS Act exempts emerging growth companies from being required to comply with new or revised financial accounting standards until private companies (that is, those that have not had a Securities Act registration statement declared effective or do not have a class of securities registered under the Securities Exchange Act of 1934, as amended (the "Exchange Act")) are required to comply with the new or revised financial accounting standards. The JOBS Act provides that a company can elect to opt out of the extended transition period and comply with the requirements that apply to non-emerging growth companies but any such election to opt out is irrevocable. The Company has elected not to opt out of such extended transition period which means that when a standard is issued or revised and it has different application dates for public or private companies, the Company, as an emerging growth company, can adopt the new or revised standard at the time private companies adopt the new or revised standard.

2. Significant Accounting Policies

Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") and pursuant to the accounting and disclosure rules and regulations of the Securities and Exchange Commission ("SEC"), and reflect all adjustments, consisting only of normal recurring adjustments, which are, in the opinion of management, necessary for a fair presentation of the financial position as of December 31, 2020 and the results of operations and cash flows for the periods presented. Operating results for the period ended December 31, 2020 are not necessarily indicative of results that may be expected for the full year or any other period.

Net Loss Per Common Share

The Company has two classes of shares, which are referred to as Class A common stock (the "Common Stock") and Class F Common Stock (the "Founders Shares"). Net income/(loss) per common share is computed utilizing the two-class method. The two-class method is an earnings allocation formula that determines earnings per share separately for each class of common stock based on an allocation of undistributed earnings per the rights of each class. At December 31, 2020, the Company did not have any dilutive securities or other contracts that could, potentially, be exercised or converted into common stock and then share in the earnings of the Company under the treasury stock

method. As a result, diluted net income/(loss) per common share is the same as basic net income/(loss) per common share for the period.

	Class A	Class F
Basic and diluted net income/(loss) per share:		
Numerator:

Denominator:		
Weighted-average shares outstanding	39,789,750	11,766,913
Basic and diluted net income/(loss) per share	\$ (0.01)	\$ (0.01)

Concentration of Credit Risk

Financial instruments that potentially subject the Company to concentrations of credit risk consist of cash accounts in a financial institution as well as the Trust Account, which at times, may exceed the Federal depository insurance coverage of \$250,000. The Company has not experienced losses on these accounts.

Financial Instruments

The fair value of the Company's assets and liabilities, which qualify as financial instruments under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, "Fair Value Measurements and Disclosures," approximates the carrying amounts represented in the balance sheet.

Offering Costs

The Company complies with the requirements of the Accounting Standards Codification (the "ASC") 340-10-S99-1 and SEC Staff Accounting Bulletin Topic 5A—"Expenses of Offering." Offering costs consist principally of professional and registration fees incurred through the balance sheet date that are related to our Public Offering and were charged to stockholders' equity upon the completion of our Public Offering. Accordingly, offering costs totaling \$29,563,655 (including \$28,875,000 in underwriters' fees), were charged to stockholders' equity.

Redeemable Common Stock

As discussed in Note 3, all of the 52,500,000 class A common stock sold as part of the Units in the Public Offering contain a redemption feature which allows for the redemption of such public shares in connection with the Company's liquidation, if there is a stockholder vote or tender offer in connection with the Business Combination and in connection with certain amendments to the Company's second amended and restated certificate of incorporation. In accordance with ASC 480, redemption provisions not solely within the control of the Company require common stock subject to redemption to be classified outside of permanent equity. Ordinary liquidation events, which involve the redemption and

GORES HOLDINGS V, INC.
NOTES TO FINANCIAL STATEMENTS (Continued)

2. Significant Accounting Policies (Continued)

liquidation of all of the entity's equity instruments, are excluded from the provisions of ASC 480. Although the Company did not specify a maximum redemption threshold, its charter provides that currently, the Company will not redeem its public shares in an amount that would cause its net tangible assets (stockholders' equity) to be less than \$5,000,001.

The Company recognizes changes in redemption value immediately as they occur and adjusts the carrying value of redeemable common stock to equal the redemption value at the end of each reporting period. Increases or decreases in the carrying amount of redeemable common stock are affected by charges against additional paid in capital.

Accordingly, at December 31, 2020, 50,231,059 of the 52,500,000 public shares are classified outside of permanent equity at their redemption value.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Company's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Company follows the asset and liability method of accounting for income taxes under ASC 740, "Income Taxes." Deferred tax assets and liabilities are recognized for the estimated future tax consequences attributable to differences between the financial statements carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date. Valuation allowances are established, when necessary, to reduce deferred tax assets to the amount expected to be realized.

For those liabilities or benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. The Company recognizes accrued interest and penalties related to unrecognized tax liabilities as income tax expense. No amounts were accrued for the payment of interest and penalties at December 31, 2020.

The Company may be subject to potential examination by U.S. federal, states or foreign jurisdiction authorities in the areas of income taxes. These potential examinations may include questioning the timing and amount of deductions, the nexus of income amounts in various tax jurisdictions and compliance with U.S. federal, states or foreign tax laws.

The Company is incorporated in the State of Delaware and is required to pay franchise taxes to the State of Delaware on an annual basis.

Cash and Cash Equivalents

The Company considers all highly liquid instruments purchased with an original maturity of three months or less to be cash equivalents. The Company continually monitors its positions with and the credit quality of the financial institutions with which it invests. Periodically, the Company may maintain balances in various operating accounts in excess of federally insured limits.

Investments and Cash Held in Trust Account

At December 31, 2020, the Company had \$525,020,571 in the Trust Account which may be utilized for Business Combinations. At December 31, 2020, the Trust Account consisted of money market funds.

The Company's second amended and restated certificate of incorporation provides that, other than the withdrawal of interest to pay taxes, if any, none of the funds held in trust will be released until the earlier of: (i) the completion of the Business Combination; (ii) the redemption of any public shares of common stock properly tendered in connection with a stockholder vote to amend the Company's second amended and restated certificate of incorporation to modify the substance or timing of the Company's obligation to redeem 100% of such public shares of common stock if the Company does not complete the Business Combination within 24 months from the closing of the Public Offering; or (iii) the redemption of 100% of the public shares of common stock if the Company is unable to complete a Business Combination within 24 months from the closing of the Public Offering, subject to the requirements of law and stock exchange rules.

Recently issued accounting pronouncements not yet adopted

Management does not believe that any recently issued, but not yet effective, accounting pronouncements, if currently adopted, would have a material effect on the Company's financial statements based on current operations of the Company. The impact of any recently issued accounting standards will be re-evaluated on a regular basis or if a business combination is completed where the impact could be material.

Going Concern Consideration

If the Company does not complete its Business Combination by August 10, 2022, the Company will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than ten business days thereafter, redeem 100% of the common stock sold as part of the units in the Public Offering, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest (which interest shall be net of franchise and income taxes payable and less up to \$100,000 of such net interest which may be distributed to the Company to pay dissolution expenses), divided by the number of then outstanding public shares, which redemption will completely extinguish public stockholders' rights as stockholders (including the right to receive further liquidation distributions, if any), subject to applicable law, and (iii) as promptly as reasonably possible following such redemption, subject to the approval of the Company's remaining stockholders and the Company's Board of Directors, dissolve and liquidate, subject in each case to the Company's obligations under Delaware law to provide for claims of creditors and the requirements of other applicable law.

GORES HOLDINGS V, INC.
NOTES TO FINANCIAL STATEMENTS (Continued)

2. Significant Accounting Policies (Continued)

In the event of such distribution, it is possible that the per share value of the residual assets remaining available for distribution (including Trust Account assets) will be less than the initial public offering price per unit in the Public Offering. In addition, if the Company fails to complete its Business Combination by August 10, 2022, there will be no redemption rights or liquidating distributions with respect to the warrants, which will expire worthless.

In addition, at December 31, 2020, the Company had current liabilities of \$567,859 and working capital of \$492,046, largely due to amounts owed to professionals, consultants, advisors and others who are working on seeking a Business Combination as described in Note 1. Such work is continuing after December 31, 2020 and amounts are continuing to accrue.

3. Public Offering

Public Units

On August 10, 2020, the Company sold 52,500,000 units at a price of \$10.00 per unit (the "Units"), including 5,000,000 Units as a result of the underwriters' partial exercise of its over-allotment option, generating gross proceeds of \$525,000,000. Each Unit consists of one share of the Company's Class A common stock, \$0.0001 par value, and one-fifth of one redeemable Class A common stock purchase warrant (the "Warrants"). Each Whole Warrant entitles the holder to purchase one share of Class A common stock for \$11.50 per share. Each Warrant will become exercisable on the later of 30 days after the completion of the Business Combination or 12 months from the closing of the Public Offering and will expire five years after the completion of the Business Combination or earlier upon redemption or liquidation. However, if the Company does not complete the Business Combination on or prior to the 24-month period allotted to complete the Business Combination, the Warrants will expire at the end of such period. The Warrants were issued in registered form under a warrant agreement between Continental Stock Transfer & Trust Company, as warrant agent, and the Company. The Company did not register the shares of common stock issuable upon exercise of the Warrants under the Securities Act of 1933, as amended (the "Securities Act") or any state securities law. Under the terms of the warrant agreement, the Company has agreed to use its best efforts to file a registration statement under the Securities Act following the completion of the Business Combination covering the shares of common stock issuable upon exercise of the Warrants. The Company paid an upfront underwriting discount of 2.00% (\$10,500,000) of the per Unit offering price to the underwriters at the closing of the Public Offering, with an additional fee (the "Deferred Discount") of 3.50% (\$18,375,000) of the per Unit offering price payable upon the Company's completion of a Business Combination. The Deferred Discount will become payable to the underwriters from the amounts held in the Trust Account solely in the event the Company completes its Business Combination.

4. Related Party Transactions

Founder Shares

On July 14, 2020, the Sponsor purchased 11,500,000 shares of Class F Common Stock (the "Founder Shares") for an aggregate purchase price of \$25,000, or approximately \$0.002 per share. On August 3, 2020, the Sponsor transferred 25,000 Founder Shares to each of the Company's three independent directors (together with the Sponsor, the "Initial Stockholders") at their original purchase price. On August 5, 2020, the Company effected a stock dividend with respect to the Company's Founder Shares of 2,156,250 shares thereof, resulting in the Company's Initial Stockholders holding an

aggregate of 13,656,250 shares of Class F Common Stock. On September 21, 2020, the Sponsor forfeited 531,250 Founder Shares following the expiration of the unexercised portion of underwriters' over-allotment option, so that the Founder Shares held by the Initial Stockholders would represent 20.0% of the outstanding shares of common stock following completion of the Public Offering. The Founder Shares are identical to the common stock included in the Units sold in the Public Offering except that the Founder Shares will automatically convert into shares of Class A common stock at the time of the Business Combination on a one-for-one basis, subject to adjustment as described in the Company's second amended and restated certificate of incorporation.

Private Placement Warrants

The Sponsor purchased from the Company an aggregate of 6,250,000 warrants at a price of \$2.00 per warrant (a purchase price of \$12,500,000) in a private placement that occurred simultaneously with the Public Offering (the "Private Placement Warrants"). Each Private Placement Warrant entitles the holder to purchase one share of Class A common stock at \$11.50 per share. A portion of the purchase price of the Private Placement Warrants was added to the proceeds from the Public Offering to be held in the Trust Account pending completion of the Business Combination.

The Private Placement Warrants have terms and provisions that are identical to those of the public warrants sold as part of the units in the Public Offering, except that the Private Placement Warrants may be physical (cash) or net share (cashless) settled and are not redeemable so long as they are held by the Sponsor or its permitted transferees.

If the Company does not complete a Business Combination, then the Private Placement Warrants proceeds will be part of the liquidation distribution to the public stockholders and the Private Placement Warrants will expire worthless.

Registration Rights

The holders of Founder Shares, Private Placement Warrants and warrants issued upon conversion of working capital loans, if any, have registration rights (in the case of the Founder Shares, only after conversion of such shares to common shares) pursuant to a registration rights agreement entered into by the Company, the Sponsor and the other security holders named therein on August 10, 2020. These holders will also have certain demand and "piggy back" registration rights. The Company will bear the expenses incurred in connection with the filing of any such registration statements.

Sponsor Loan

On July 14, 2020, Company borrowed \$300,000 by the issuance of an unsecured promissory note from the Sponsor for \$300,000 to cover expenses related to the Public Offering. This Note was non-interest bearing and payable on the earlier of June 30, 2021 or the completion of the Public Offering. This Note was repaid in full upon the completion of the Public Offering.

Administrative Services Agreement

The Company entered into an administrative services agreement on August 3, 2020, pursuant to which it agreed to pay to an affiliate of the Sponsor \$20,000 a month for office space, utilities and secretarial support. Services commenced on the date the securities were first listed on Nasdaq and will

with, the terms thereof. The headings preceding the text of Articles and Sections included herein are for convenience only and shall not be deemed part of this Agreement or be given any effect in interpreting

[Table of Contents](#)

this Agreement. The use of the masculine, feminine or neuter gender, or the singular or plural form of words, herein shall not limit any provision of this Agreement. The use of the terms "including" or "include" shall in all cases herein mean "including, without limitation" or "include, without limitation," respectively. Reference to any Person includes such Person's successors and permitted assigns. Reference to any Law means such Law as amended, modified, codified, replaced or re-enacted, in whole or in part, from time to time, including rules, regulations, enforcement procedures and any interpretations promulgated thereunder. Unless otherwise specified, references to Articles, Sections, clauses, Exhibits or Annexes shall refer to the Articles, Sections, clauses, Exhibits or Annexes to this Agreement, and any references to a clause shall, unless otherwise identified, refer to the appropriate clause within the same Section or sub-Section in which such reference occurs. The use of the terms "hereunder", "hereof", "hereto" and words of similar import shall refer to this Agreement as a whole and not to any particular Article, Section or clause of or Exhibit or Annex to this Agreement. References to amounts of currency are references to United States Dollars unless otherwise indicated. When calculating the period of time before which, within which or following which any act is to be done or step taken pursuant to this Agreement, the date that is the reference date in calculating such period shall be excluded, and if the last day of such period is not a Business Day, the period shall end on the immediately following Business Day. The words "made available," "provided" or "delivered" to a Party, or similar formulations, means that such materials were (i) provided by electronic transmission directly to a Party's legal counsel or financial advisors prior to such time or (ii) if applicable, available to such Party (without material redactions) in the electronic data room hosted by the providing Party in connection with the Transactions no later than two (2) calendar days prior to the date of this Agreement (and continuously available to such Party and its legal counsel and financial advisors through the date hereof). Where the context permits, the word "or" shall mean "and/or." Where any provision in this Agreement refers to action to be taken by any Person, or which such Person is prohibited from taking, such provision shall be applicable whether the action in question is taken directly or indirectly by such Person. References to "manager" shall refer to any individual holding a position equivalent to the position of "director" in a Luxembourg company.

(b) Notwithstanding anything to the contrary contained in the Ardagh Disclosure Schedule or GHV Disclosure Schedule, in this Agreement or in the Related Agreements, the information and disclosures contained in any Section of the Ardagh Disclosure Schedule or GHV Disclosure Schedule shall be deemed to be disclosed and incorporated by reference in each other Section of the Ardagh Disclosure Schedule or GHV Disclosure Schedule, as applicable, as though fully set forth in such other Section to the extent the applicability and relevance of such information to such other Section is reasonably apparent on the face of such information or disclosure, without reference to additional documents or information. Certain items and matters are listed in the Ardagh Disclosure Schedule or GHV Disclosure Schedule for informational purposes only and may not be required to be listed therein by the terms of this Agreement. No reference to, or disclosure of, any item or matter in any Section of the Ardagh Disclosure Schedule or GHV Disclosure Schedule shall be construed as an admission or indication that such item or matter is material or that such item or matter is required to be referred to or disclosed in the Ardagh Disclosure Schedule or GHV Disclosure Schedule, as applicable. Without limiting the foregoing, no reference to or disclosure of a possible breach or violation of any contract or Law shall be construed as an admission or indication to any third party that a breach or violation exists or has actually occurred.

(c) The Parties have participated jointly in negotiating and drafting this Agreement. If an ambiguity or a question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties, and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any provision of this Agreement.

Section 3.2 *The Merger.* At the Effective Time, upon the terms and subject to the conditions of this Agreement and in accordance with the applicable provisions of the DGCL, MergeCo and GHV shall consummate the Merger, pursuant to which MergeCo shall be merged with and into GHV, following which the separate corporate existence of MergeCo shall cease and GHV shall continue as the Surviving Corporation after the Merger and as a direct, wholly-owned subsidiary of AMPSA.

Section 3.3 *Effect of the Merger.* At the Effective Time, the effect of the Merger shall be as provided in this Agreement, the Certificate of Merger and the applicable provisions of the DGCL. For purposes of the 1915 Law a contribution-in-kind of the GHV Closing Shares shall be made to AMPSA by or on behalf of the GHV Stockholders, in connection with the Merger against issue of the GHV Shares Consideration upon a share capital increase realized by AMPSA by virtue of the foregoing.

Section 3.4 *Governing Documents.* At the Effective Time, the certificate of incorporation and bylaws of the Surviving Corporation shall be amended to read the same as the certificate of incorporation and bylaws of MergeCo as in effect immediately prior to the Effective Time, except that the name of the Surviving Corporation shall be "Ardagh MP USA Inc."

Section 3.5 *Directors and Officers.*

(a) Immediately after the Effective Time, the board of directors and executive officers of the Surviving Corporation shall be the board of directors and executive officers of MergeCo immediately prior to the Effective Time.

(ii) 12,146,000 Shares (the "*Second Level Contingent Consideration*") if the AMPSA VWAP is greater than or equal to \$15.00 over any ten (10) trading days within any thirty (30) trading day period during the Earnout Period (the "*Second Triggering Event*");

(iii) 12,146,000 Shares (the "*Third Level Contingent Consideration*") if the AMPSA VWAP is greater than or equal to \$16.50 over any ten (10) trading days within any thirty (30) trading day period during the Earnout Period (the "*Third Triggering Event*");

(v) 12,146,000 Shares (the "*Fifth Level Contingent Consideration*" and, together with the First Level Contingent Consideration, the Second Level Contingent Consideration, the Third Level Contingent Consideration and the Fourth Level Contingent Consideration, the "*Contingent Consideration*") if the AMPSA VWAP is greater than or equal to \$19.50 over any ten (10) trading days within any thirty (30) trading day period during the Earnout Period (the "*Fifth Triggering Event*" and, each of it and the First Triggering Event, the Second Triggering Event, the Third Triggering Event and the Fourth Triggering Event, a "*Triggering Event*").

(b) Within five (5) Business Days after the occurrence of a Triggering Event, if at all, AMPSA shall issue or cause to be issued to Ardagh the applicable Contingent Consideration. Each tranche of Contingent Consideration in respect of a Triggering Event shall be paid only once, if at all; *provided* that the achievement of any higher level Triggering Event shall also cause any applicable lower level Triggering Event to be achieved, to the extent not previously achieved; *provided, further*, that for the avoidance of doubt, Ardagh shall not, subject to *Section 3.6(d)*, be entitled to receive more than 60,730,000 Shares pursuant to this *Section 3.6*.

(c) If a Change of Control of AMPSA occurs during the Earnout Period that reflects a per Share price equal to or in excess of any applicable AMPSA VWAP required in connection with a Triggering Event, then, immediately prior to the consummation of such Change of Control, any Triggering Event with an AMPSA VWAP equal to or less than the per Share price with respect to the Change of Control of AMPSA that has not been previously achieved shall be deemed to be achieved and AMPSA shall issue or cause to be issued to Ardagh the applicable Contingent Consideration. (d) The Contingent Consideration and the AMPSA VWAP shall be appropriately adjusted to reflect the effect of any stock split, reverse stock split, stock dividend (including any dividend or distribution of securities convertible into Shares), reorganization, recapitalization, reclassification, combination, exchange of shares or other like change with respect to Shares (rounded to the nearest whole number), occurring on or after the date of this Agreement and prior to the time the applicable Contingent Consideration is delivered to Ardagh (i.e., the Contingent Consideration and AMPSA VWAP shall only be so adjusted with respect to tranches of such Contingent Consideration that, as of the date of such change, have not yet been issued to Ardagh).

(e) AMPSA shall, at all times, keep available for issuance a sufficient number of unissued Shares to permit AMPSA to satisfy its issuance obligations set forth in *Section 3.6(a)* and shall take all actions required to increase the authorized number of Shares if at any time there shall be insufficient unissued

[Table of Contents](#)

Within five (5) Business Days after the surrender to the Exchange Agent of all Certificates held by such holder for cancellation, together with a Letter of Transmittal, duly completed and validly executed in accordance with the instructions thereto and such other documents as may be required pursuant to such instructions, the holder of such Certificates shall be entitled to receive in exchange therefor, and AMPSA shall cause the Exchange Agent to deliver, the applicable GHV Shares Consideration, and the Certificates so surrendered shall forthwith be cancelled. Until surrendered as contemplated by this *Section 3.8*, each Certificate entitled to receive a portion of the GHV Shares Consideration in accordance with *Section 3.7(b)* shall be deemed at all times after the Effective Time, as the case may be, to represent only the right to receive upon such surrender the GHV Shares Consideration that such holder is entitled to receive in accordance with the provisions of *Section 3.7(b)*.

(c) The GHV Shares Consideration delivered upon the exchange of the GHV Closing Shares in accordance with the terms hereof shall be deemed to have been paid and issued in full satisfaction of all rights pertaining to such GHV Closing Shares.

(d) *Adjustments to GHV Shares Consideration.* The GHV Shares Consideration shall be appropriately adjusted to reflect the effect of any stock split, reverse stock split, stock dividend, reorganization, recapitalization, reclassification, combination, exchange of shares or other like change with respect to GHV Common Stock occurring on or after the date of this Agreement and prior to the Effective Time.

(e) *Termination of Exchange Fund.* Any portion of the Exchange Fund that remains unclaimed by the holders of GHV A Shares with respect to the GHV Shares Consideration for six (6) months after the Effective Time shall be delivered to AMPSA, and any holders of the GHV Closing Shares who have not theretofore complied with this *Section 3.8* shall thereafter look only to AMPSA for the GHV Shares Consideration. (f) *No Liability.* None of the Exchange Agent, GHV, AMPSA, the Surviving Corporation or any of their respective Affiliates shall be liable to any holder of GHV Common Stock for any such GHV Common Stock (or dividends or distributions with respect thereto) or cash delivered to a public official pursuant to any abandoned property, escheat or similar Law in accordance with this *Section 3.8*.

(g) *Fractional Shares.* Notwithstanding any other provision of this Agreement, no fractional Shares will be issued, and any GHV Stockholder otherwise entitled to receive a fractional Share but for this *Section 3.8(g)* (after aggregating all fractional Shares that otherwise would be received by such GHV Stockholder) shall be entitled to receive in lieu of such fractional Share: (i) one Share if the aggregate amount of the fractional Share such GHV Stockholder would otherwise be entitled to is

[Table of Contents](#)

equal to or exceeds 0.50; or (ii) no Share if the aggregate amount of the fractional Share such GHV Stockholder would otherwise be entitled to is less than 0.50.

(h) *Lost Certificates.* If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed, the Exchange Agent will deliver in exchange for such lost, stolen or destroyed Certificate, the GHV Shares Consideration, as the case may be, that such holder is otherwise entitled to receive pursuant to, and in accordance with, the provisions of *Section 3.7(b)*.

From and after the Effective Time, the holders of Certificates representing GHV Common Stock outstanding immediately prior to the Effective Time shall cease to have any rights with respect to such GHV Common Stock, except as otherwise provided in this Agreement (including the right to receive Shares pursuant to the terms and subject to the conditions of this Agreement) or by applicable Law. On or after the Effective Time, any Certificates validly presented to the Exchange Agent or AMPSA shall be converted into the right to receive the GHV Shares Consideration in accordance with the provisions of *Section 3.7(b)*.

Section 3.10 GHV Warrants. (e) Neither the execution, delivery or performance of this Agreement or the Related Agreements nor the consummation of the Transactions (either alone or in combination with another event) would, (i) result in any payment or benefit not otherwise due becoming due to any of the current or former director, manager, officer, consultant or employee of the AMP Business, including any AMP Business Employee; (ii) result in the acceleration, vesting, funding or creation of any rights of any current or former director, manager, officer, consultant or employee of the AMP Business, including any AMP Business Employee, under any AMP Business Plan; (iii) increase any amount of compensation or benefits payable to any current or former director, manager, officer, consultant, employee of the AMP Business, including any AMP Business Employees; or (iv) result in the payment of any amount that would not be deductible by reason of Section 280G of the Code or that would be subject to an excise tax under Section 4999 of the Code. To the Knowledge of Ardagh, there is no organizational effort currently being made, or threatened (in writing) by, or on behalf of any Employee Representative Body to organize any AMP Business Employees other than ordinary course activity related to Collective Bargaining Agreements covering AMP Business Employees. Except as set forth in *Section 4.12(a)* of the Ardagh Disclosure Schedule, the consent of, consultation of, rendering of formal advice by, issuance of notice to, or making of any filing with, any Employee Representative Body or any Governmental Authority is not required for Ardagh to enter into this Agreement or to consummate the Transactions. (b) Each of Ardagh, AMPSA and MergeCo acknowledges that it is not relying on, and that GHV and its Affiliates have not made, any representation or warranty except as specifically set forth in *Article V*.

ARTICLE V
REPRESENTATIONS AND WARRANTIES OF GHV

Except as set forth on the GHV Disclosure Schedules or in the SEC Reports (to the extent the qualifying nature of such disclosure is readily apparent from the content of such SEC Reports, but excluding disclosures referred to in "Forward Looking Statements", "Risk Factors" and any other disclosures therein to the extent they are of a predictive or cautionary nature or related to forward looking statements), GHV represents and warrants to Ardagh as follows as of the date of this Agreement and as of the Closing Date (*provided* that representations that by their terms speak specifically as of the date of this Agreement or another date, shall be deemed given as of such date):

Section 5.1 *Organization and Authority.*

GHV has all requisite power and authority to conduct its business as it is now being conducted and, if applicable, to own, lease and operate its property and assets, except where the failure to have such power and authority would not have a GHV Material Adverse Effect. GHV has all requisite corporate power and authority to enter into this Agreement and each of the Related Agreements to which it is a party, and, following receipt of the GHV Stockholder Approval, to carry out its obligations hereunder and thereunder and to consummate the transactions contemplated hereby and thereby. GHV is duly licensed or qualified to do business and is in good standing (to the extent such concepts are recognized under applicable Law) in each jurisdiction in which the properties owned or leased by it or the operation of its business requires such licensing or qualification, except to the extent that the failure to be so licensed, qualified or in good standing would not have a GHV Material Adverse Effect. GHV has made available to Ardagh true, correct and complete copies of the Organizational Documents of GHV as in effect on the date of this Agreement.

(b) The execution and delivery of this Agreement and each of the Related Agreements to which it is a party by GHV, the performance by GHV of its obligations hereunder and thereunder and the consummation by GHV of the transactions contemplated hereby and thereby have been duly authorized by all requisite action on the part of GHV, subject to the receipt of GHV Stockholder

Approval. Other than receipt of GHV Stockholder Approval, no other action on the part of GHV is necessary to authorize this Agreement and the Related Agreements to which GHV is a party or the consummation of the transactions contemplated hereby and thereby. This Agreement has been, and upon their execution and delivery each of the Related Agreements to which GHV is a party shall have been, duly executed and delivered by it, and (assuming due authorization, execution and delivery by the other parties thereto) this Agreement constitutes, and upon their execution the Related Agreements to which GHV is a party shall constitute, subject only to the receipt of GHV Stockholder Approval, the legal, valid and binding obligations of GHV, enforceable against it in accordance with their respective terms, except as the enforceability hereof may be limited by the Enforceability Exceptions.

Section 5.2 *Noncontravention.* The execution, delivery and performance by GHV of this Agreement and each of the Related Agreements to which GHV is party, and the consummation of the transactions contemplated hereby and thereby by GHV, subject to receipt of the GHV Stockholder Approval, do not and shall not (a) violate, conflict with or result in the breach of any provision of the Organizational Documents of GHV; (b) assuming that all applicable Regulatory Approvals have been obtained, contravene, conflict with or violate any Law or Governmental Order applicable to GHV; or (c) violate, conflict with, result in any breach of, constitute a default (or an event which, with or without the giving of notice or lapse of time, or both, would become a default) under, or result in the loss of any right or benefit under, or result in the creation or imposition of any Encumbrance (other than a Permitted Encumbrance) on, require any consent, approval or waiver under, or give to others any rights of termination, amendment, acceleration or cancellation of, any GHV Material Contract or Permit, except in the case of *clauses (b) and (c)* for any such breaches, defaults, loss of rights or benefits or Encumbrances as would not have a GHV Material Adverse Effect.

Section 5.3 *Governmental Authorities; Consents.* Except (a) for the Regulatory Approvals and (b) as may be necessary as a result of any facts or circumstances relating solely to Ardagh, no consent, waiver, authorization, license or approval of, action by, filing with or notification to any Governmental Authority is required for the consummation by GHV of the Transactions, except where the failure to obtain such consent, approval or action or to make such filing or notification would not have a GHV Material Adverse Effect.

Section 5.4 *Capitalization.*

(a) The authorized capital stock of GHV consists of (i) 400,000,000 shares of GHV Class A Common Stock, (ii) 40,000,000 shares of GHV Class F Common Stock and (iii) 1,000,000 shares of GHV Preferred Stock. As of the date of this Agreement, there are (A) 52,500,000 shares of GHV Class A Common Stock issued and outstanding, (B) 13,125,000 shares of GHV Class F Common Stock issued and outstanding, and immediately prior to the GHV Class F Conversion, 3,281,250 shares of GHV Class F Common Stock will be canceled for no consideration, (C) no shares of GHV Preferred Stock issued and outstanding and (D) GHV Warrants to purchase 16,750,000 shares of GHV Class A Common Stock at a price of \$11.50 per share. Except as expressly contemplated by this Agreement, there are no other shares of common stock, preferred stock or other equity interests of GHV authorized, reserved, issued (or planned to be issued) or outstanding.

(b) All of the outstanding shares of GHV capital stock (including any preferred stock and the GHV Warrants) have been duly authorized and are validly issued, fully paid and non-assessable and have been issued in accordance with all applicable Securities Laws. GHV does not have any outstanding bonds, debentures, notes or other obligations the holders of which have the right to vote (or are convertible into or exercisable for securities having the right to vote) with the GHV Stockholders on any matter. No issued and outstanding shares of any of the capital stock of GHV are held in treasury.

(c) Except for the GHV Warrants or as otherwise expressly contemplated by this Agreement, there are no outstanding options, warrants, purchase rights, subscription rights, conversion rights,

exchange rights or other Contracts or commitments that would require GHV to issue, sell or otherwise cause to become outstanding any of its equity securities. There are no outstanding or authorized stock appreciation, phantom stock or similar rights with respect to the equity securities of GHV. Except as set forth in the GHV Organizational Documents, there are no voting trusts or other agreements or understandings to which GHV is a party with respect to the voting of the capital stock or other equity interests of GHV.

(d) GHV does not directly or indirectly own any equity or similar interest in, or any interest convertible or exchangeable or exercisable for, any equity or similar interest in any corporation, partnership, joint venture, business association or other Person.

Section 5.5 *SEC Reports; Financial Statements.*

(a) GHV has timely filed or furnished, as applicable, all required registration statements, reports, schedules, forms, statements and other documents, including any exhibits thereto, required to be filed by it with the SEC since August 5, 2020 (collectively, as they have been amended since the time of their filing and including all exhibits or schedules thereto and any other information incorporated therein, the "*SEC Reports*"). GHV has made available to Ardagh true and correct copies of all amendments and modifications that have not been filed by GHV with the SEC to all agreements, documents and other instruments that were previously filed by GHV with the SEC and are currently in effect. Each of the SEC Reports at the time of its filing or being furnished complied, or if not yet filed or furnished, will comply or, if amended, complied as of the date of the most recent amendment, in all material respects with the applicable requirements of the Securities Act, the Exchange Act, the Sarbanes-Oxley Act of 2002 and any rules and regulations promulgated thereunder applicable to the SEC Reports in effect as of the respective dates thereof. None of the SEC Reports, as of their respective dates (or if amended or superseded by a filing prior to the date of this Agreement or the Closing Date, then on the date of such filing), contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading. As of the date of this Agreement, there are no outstanding or unresolved comments in comment letters received from the SEC with respect to the SEC Reports. The audited financial statements and unaudited interim financial statements (including, in each case, the notes and schedules thereto) included in the SEC Reports (the "*GHV Financial Statements*") complied or will comply, as the case may be, as to form in all material respects with the published rules and regulations of the SEC, the Exchange Act and the Securities Act in effect as of the respective dates thereof with respect thereto, were prepared or will be prepared, as the case may be, in accordance with GAAP applied on a consistent basis during the periods involved (except as may be indicated therein or in the notes thereto and except with respect to unaudited statements as permitted by Form 10-Q of the SEC) and fairly present (subject, in the case of the unaudited interim financial statements included therein, to normal year-end adjustments and the absence of complete footnotes) in all material respects the financial position, results of operations and cash flows of GHV as of the respective dates thereof and the results of their operations and cash flows for the respective periods then ended.

(b) GHV has established and maintains disclosure controls and procedures (as defined in Rule 13a-15 under the Exchange Act) that are designed to ensure that material information relating to GHV is made known to GHV's principal executive officer and its principal financial officer, particularly during the periods in which the periodic reports required under the Exchange Act are being prepared. To the Knowledge of GHV, such disclosure controls and procedures are effective in timely alerting GHV's principal executive officer and principal financial officer to material information required to be included in GHV's periodic reports required under the Exchange Act.

(c) GHV has established and maintained a system of internal controls and, to the Knowledge of GHV, such internal controls are sufficient to provide reasonable assurance regarding the reliability of

[Table of Contents](#)

GHV's financial reporting and the preparation of the GHV Financial Statements for external purposes in accordance with GAAP.

(d) To the Knowledge of GHV, each director and executive officer of GHV has filed with the SEC on a timely basis all statements required by Section 16(a) of the Exchange Act and the rules and regulations promulgated thereunder.

Section 5.6 *Undisclosed Liabilities.* Except for (a) Liabilities incurred in the ordinary course of business consistent with past practice after the date of GHV's balance sheet for the quarterly period ended December 31, 2020 (the "*GHV Balance Sheet Date*"), or (b) Liabilities reflected or reserved for in the SEC Reports, GHV does not have any Liabilities, except, in each case, those which would not have a GHV Material Adverse Effect.

Section 5.7 *Actions.* As of the date of this Agreement, no Action by or against GHV is pending or, to the Knowledge of GHV, threatened in writing, challenging the legality, validity or enforceability of this Agreement or the consummation of the Transactions. There is no Action pending or, to the Knowledge of GHV, threatened against (and there are no outstanding Governmental Orders with respect to) GHV by or before any Governmental Authority or by any third party, other than such Actions or Governmental Orders as would not have a GHV Material Adverse Effect.

Section 5.8 *Compliance with Laws; Permits.*

(a) GHV is not in violation of any Laws applicable to the conduct of its business, except as would not have a GHV Material Adverse Effect; *provided, however*, that this *Section 5.8* does not apply with respect to Taxes, which is exclusively the subject of the representations and warranties in *Section 5.16*.

(b) GHV holds all Permits necessary under applicable Laws for the conduct of its business as presently conducted (which Permits are in full force and effect) and is in compliance with the terms of such Permits, except where the failure to have or to be in compliance with such Permits would not have a GHV Material Adverse Effect. As of the date of this Agreement, no Action is pending or, to the Knowledge of GHV, threatened, seeking the revocation or cancellation of any such Permit relating to its business, except as would not have a GHV Material Adverse Effect.

Section 5.9 *Financial Ability; Trust Account.* There is at least \$525,000,000 (less, as of the Closing, the amount payable pursuant to GHV Stock Redemption) invested in a trust account (the "*Trust Account*"), maintained by Continental Stock Transfer & Trust Company, acting as trustee (the "*Trustee*"), pursuant to that certain Investment Management Trust Agreement, dated August 10, 2020, by and between GHV and the Trustee (the "*Trust Agreement*"). Prior to the Closing, none of the funds held in the Trust Account may be released, except in accordance with the Trust Agreement and GHV Organizational Documents. Amounts in the Trust Account are invested in United States "government securities" within the meaning of Section 2(a)(16) of the Investment Company Act, having a maturity of one hundred and eighty (180) days or less or in money market funds meeting certain conditions under Rule 2a-7 promulgated under the Investment Company Act. GHV has performed all material obligations required to be performed by it to date under, and is not in material default or delinquent in performance or any other respect (claimed or actual) in connection with, the Trust Agreement, and no event has occurred that, with due notice or lapse of time or both, would constitute such a default thereunder. There are no claims or proceedings pending with respect to the Trust Account. Since August 5, 2020, GHV has not released any money from the Trust Account except as permitted pursuant to the Trust Agreement and the GHV Organizational Documents. As of the Closing, the obligations of GHV to dissolve or liquidate pursuant to the GHV Organizational Documents shall terminate, and as of the Closing, GHV shall have no obligation whatsoever pursuant to the GHV Organizational Documents to dissolve and liquidate the assets of GHV by reason of the consummation of the Transactions. The Trust Agreement is valid and in full force and effect and enforceable in accordance with its terms and has not been amended or modified. There are no separate Contracts, side letters or

[Table of Contents](#)

other arrangements or understandings (whether written or unwritten, express or implied) that would cause the description of the Trust Agreement in the SEC Reports to be inaccurate or that would entitle any Person (other than pursuant to a GHV Stock Redemption, if any) to any portion of the proceeds in the Trust Account. There are no proceedings pending with or, to the Knowledge of GHV, threatened by any Governmental Authority with respect to the Trust Account.

Section 5.10 *Brokers' Fees; Transaction Expenses.*

(a) Except as set forth on *Section 5.10(a)* of the GHV Disclosure Schedule, no broker, finder or investment banker is entitled to any brokerage, finder's or other fee or commission in connection with the Transactions based upon arrangements made by or on behalf of GHV or any of its Affiliates. The fees of such brokers, finders or investment bankers set forth on *Section 5.10(a)* of the GHV Disclosure Schedule shall be the sole responsibility of GHV.

(b) *Section 5.10(b)* of the GHV Disclosure Schedule sets forth an estimate and description of the Transaction Expenses incurred by GHV to the date of this Agreement and GHV's good faith estimate of the Transaction Expenses to be incurred by GHV as of the Closing. Except as set forth on *Section 5.10(b)* of the GHV Disclosure Schedule and any Indebtedness expressly permitted to be incurred pursuant to *Section 6.2(f)*, none of the GHV Transaction Expenses are expenses payable or liabilities in respect of or obligations to the Sponsor or any of its Affiliates.

Section 5.11 *Business Activities.* Since its incorporation, GHV has not conducted any business activities other than activities directed toward completing a Business Combination. Except as set forth in the GHV Organizational Documents, there is no agreement, commitment or Governmental Order binding upon GHV or to which GHV is a party that has or would reasonably be expected to have the effect of prohibiting or impairing any business practice of GHV, other than such effects which would not have a GHV Material Adverse Effect.

Section 5.12 *Material Contracts.* *Section 5.12* of the GHV Disclosure Schedule sets forth a true, correct and complete list of each "material contract" (as such term is defined in Regulation S-K of the SEC) to which GHV is party which is not included in the SEC Reports (the material contracts included in *Section 5.12* of the GHV Disclosure Schedule and the SEC Reports, the "*GHV Material Contracts*"). Each GHV Material Contract is in full force and effect and, to the Knowledge of GHV, is valid and binding upon and enforceable against each of the parties thereto, except insofar as enforceability may be limited by the Enforceability Exceptions. True, correct and complete copies of all GHV Material Contracts have been made available to Ardagh.

Section 5.13 *Employees.*

(a) Other than as expressly described in the SEC Reports, GHV has no, and never had, any director, officer, employee or other individual service provider (collectively, "*GHV Employees*"). No GHV Employee is or has been covered by any Collective Bargaining Agreement nor is the consent of, consultation of, rendering of formal advice by, issuance of notice to, or making any filing with, any Employee Representative Body or any Governmental Authority required for GHV to enter into this Agreement or to consummate the Transactions. Other than reimbursement of any out-of-pocket expenses incurred by GHV's officers and directors in connection with activities on GHV's behalf in an aggregate amount not in excess of the amount of cash held by GHV outside of the Trust Account, GHV has no, and would not reasonably be expected to have any, unsatisfied Liability with respect to any GHV Employee.

No Affiliate of GHV sponsors, maintains or contributes to any Plan for the benefit of any GHV Employee or his or her dependents or beneficiaries, including any material Plan that would provide for post-termination or post-retirement health, medical or life insurance benefits for the benefit of any GHV Employee. None of GHV nor any of its ERISA Affiliates sponsor, maintain, participate in, contribute to or is obligated to contribute to or in the past six (6) years has sponsored, maintained, participated in, contributed to or was obligated to contribute to a Plan that is subject to Title IV of ERISA or is a "multiple employer plan" as defined in Section 413(c) of the U.S. Code or a "multiple employer welfare arrangement" within the meaning of Section 3(40) of ERISA.

(c) Neither the execution or delivery of this Agreement or the Related Agreements nor the consummation of the Transactions would reasonably be expected to (either alone or in combination with another event) result in: (i) any payment, compensation or benefit becoming due, or increase in the amount of any payment, compensation or benefit due, to any GHV Employee; (ii) the acceleration of the time of payment or vesting of any payment or benefits with respect to any GHV Employee; or (iii) any funding of compensation or benefits under any Plan or to any GHV Employee. None of GHV nor any of its Affiliates has any obligation to gross-up, indemnify or otherwise reimburse any GHV Employee for any Taxes incurred by such GHV Employee or any interest or penalty related thereto.

Section 5.14 *Listing.* The GHV Class A Common Stock is registered pursuant to Section 12(b) of the Exchange Act and listed on Nasdaq under the symbol "GRSV". The GHV Warrants are listed on Nasdaq under the symbol "GRSVW". The GHV Units are listed on Nasdaq under the symbol "GRSVU". GHV has not received any oral or written notice that the GHV Class A Common Stock, the GHV Warrants or the GHV Units are ineligible or will become ineligible for listing on Nasdaq nor that the GHV Class A Common Stock, the GHV Warrants or GHV Units do not meet all requirements for the continuation of such listing. GHV has not taken any action that is intended to terminate the registration of the GHV Class A Common Stock, the GHV Warrants or GHV Units under the Exchange Act. GHV satisfies all of the requirements for the continued listing of the GHV Class A Common Stock, the GHV Warrants and the GHV Units on Nasdaq. GHV is in material compliance with all applicable Nasdaq listing and corporate governance rules.

Section 5.15 *Investment Company.* GHV is not an "investment company" within the meaning of the Investment Company Act.

Section 5.16 *Taxes.*

(a) All material Tax Returns required to have been filed by or with respect to GHV have been timely filed (taking into account any valid extension of time to file granted or obtained) and such Tax Returns are true, correct and complete in all material respects.

(b) All material amounts of Taxes owed by GHV (whether or not shown on any Tax Return) have been fully and timely paid other than Taxes which are not yet due and payable and which have been adequately accrued and reserved in accordance with GAAP. Since the date of the most recent GHV Financial Statements, GHV has not incurred any material Tax liability outside the ordinary course of business other than Taxes resulting from the Transactions.

(c) There are no pending Actions against GHV for any material amount of Taxes, and GHV has not received notice of any such Action in writing from any Taxing Authority that asserts any deficiency or claim for a material amount of Taxes against GHV that has not been fully and timely paid, settled or adequately reserved in the most recent GHV Financial Statements.

(d) To the Knowledge of GHV as of the date hereof, no claim has been made within the prior three (3) years by any Taxing Authority in a jurisdiction where GHV does not file Tax Returns that GHV is or may be subject to taxation by, or required to file Tax Returns in, such jurisdiction.

Table of Contents

(e) There are no Tax liens on any assets of GHV (other than Permitted Liens).

(f) GHV has withheld and fully and timely paid to the appropriate Governmental Authority all material amounts of Taxes required to have been withheld and paid by GHV in connection with amounts paid or owing to any current or former employee, independent contractor, creditor, stockholder or other third party, and have complied in all material respects with applicable Law with respect to such Taxes.

(g) GHV has not constituted a "distributing corporation" or a "controlled corporation" (within the meaning of Section 355(a)(1)(A) of the Code) in a distribution of shares qualifying for tax-free treatment under Section 355 of the Code (or so much of Section 356 of the Code as relates to Section 355 of the Code) in the last two years prior to the date of this Agreement.

(h) GHV has not executed or entered into a closing agreement pursuant to Section 7121 of the Code or any similar provision of federal, state, provincial or local Law, and GHV is not subject to any private letter ruling of the IRS or comparable ruling of any other Taxing Authority.

(i) GHV will not be required to include any amounts in income in, or exclude any items of deduction from, taxable income for any Post-Closing Tax Period as a result of any: (i) adjustment pursuant to Section 481 of the Code (or any corresponding or similar provision of state, provincial or local Law) as a result of a change in method of accounting occurring prior to the Closing; (ii) intercompany transactions or excess loss account described in U.S. Treasury Regulations under Section 1502 of the Code (or any corresponding or similar provision of state, provincial or local Law) made or existing prior to the Closing; (iii) installment sale or open transaction disposition made prior to the Closing; or (iv) prepaid amount received or deferred revenue realized prior to the Closing.

(j) GHV has not elected the installment method for the payment of Taxes incurred pursuant to Section 965 of the Code.

(k) GHV has not been a party to any "listed transaction" within the meaning of U.S. Treasury Regulation Section 1.6011-4(b).

(l) GHV has no material liability for the Taxes of any Person under U.S. Treasury Regulation Section 1.1502-6 (or any similar provision of state, local or non-U.S. Law) as a transferee or successor, by Contract or otherwise.

(m) GHV is not a party to, or bound by, any Tax allocation, Tax sharing or Tax indemnification agreement (other than customary provisions in agreements entered into in the ordinary course of business the primary purpose of which does not relate to Taxes).

(n) To the Knowledge of GHV, there are no facts, circumstances or plans that, either alone or in combination, could reasonably be expected to prevent the Merger, taken together with the PIPE Investment and all or a portion of the steps in the Pre-Closing Restructuring from qualifying for the Intended Tax Treatment.

Section 5.17 *Proxy Statement/Prospectus and Registration Statement.* None of the information relating to GHV supplied by GHV in writing for inclusion in the Proxy Statement/Prospectus or Registration Statement will, as of the date the Registration Statement is declared effective, as of the date the Proxy Statement/Prospectus (or any amendment or supplement thereto) is first mailed to the GHV Stockholders, at the time of the GHV Stockholders' Meeting, or at the Effective Time, contain any misstatement of a material fact or omission of any material fact necessary to make the statements therein, in light of the circumstances under which they are made, not misleading; *provided*, that GHV and its Affiliates make no representation with respect to any forward-looking statements supplied by or on behalf of GHV or its Affiliates for inclusion in, or relating to information to be included in the Proxy Statement/Prospectus or Registration Statement.

(b) Without limiting the generality of *Section 5.18(a)*, (i) except in connection with or in preparation for the Transactions, since the GHV Balance Sheet Date and through the date of this Agreement, GHV has conducted its business in the ordinary course consistent with past practice in all material respects, and (ii) since the GHV Balance Sheet Date, GHV has not taken any action that, if taken during the period from the date of this Agreement through the Closing, would require the consent of Ardagh pursuant to *Section 6.2*.

Section 5.19 *No Other Representations or Warranties.*

(a) Except for the representations and warranties contained in this *Article V*, neither GHV nor any of its Affiliates is making, and expressly disclaims, any representation or warranty, express or implied, with respect to GHV or its Affiliates or their respective businesses with respect to any other information provided, or made available, to Ardagh or any of its Affiliates or Representatives in connection with the Transactions, including information, documents, projections, forecasts or other material made available to Ardagh, its Affiliates or Representatives in any "data rooms," management presentations or otherwise in connection with the Transactions.

(o) not enter into an enforceable agreement, or otherwise agree or commit to do any of the foregoing.

Section 6.2 *Conduct of Business by GHV.* During the Interim Period, GHV shall not directly or indirectly, take any action that would reasonably be likely to materially delay or prevent the Transactions; and except as (i) required by applicable Law, (ii) set forth on Section 6.2 of the GHV Disclosure Schedule, (iii) expressly contemplated by this Agreement or

(i) not (i) make, change or revoke any material Tax elections, (ii) change any method of Tax accounting, (iii) file any amended material Tax Return, (iv) enter into any closing agreement or similar agreement with respect to Taxes, or (v) settle or compromise any material Tax liability or surrender any right to claim a material Tax refund, offset or other reduction in a material Tax liability, in each case, unless otherwise required by applicable Law, except, in each case, in the ordinary course of business or not otherwise adverse to any AMP Entities;

Section 6.4 *GHV Public Filings.*

(a) During the Interim Period, GHV will keep current and timely file all of the forms, reports, schedules, statements and other documents required to be filed by GHV with the SEC, including all necessary amendments and supplements thereto, and otherwise comply in all material respects with applicable securities Laws (the "*Additional SEC Reports*"). All such Additional SEC Reports (including any financial statements or schedules included therein) (i) shall be prepared in all material respects in accordance with either the requirements of the Securities Act, the Exchange Act and the Sarbanes-Oxley Act, as the case may be, and the rules and regulations promulgated thereunder and (ii) will not, at the time they are filed, or, if amended, as of the date of such amendment, contain any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they are made, not misleading. As used in this *Section 6.4*, the term "file" shall be broadly construed to include any manner in which a document or information is furnished, supplied or otherwise made available to the SEC or Nasdaq. Any Additional SEC Reports which discuss or refer to this Agreement or the Transactions, the contents of which are inconsistent with that of, or otherwise not disclosed in, any prior or contemporaneous press release or public announcement by Ardagh or GHV (or Affiliate thereof) in compliance with this Agreement shall be subject to the prior review and approval of Ardagh (which approval shall not to be unreasonably withheld, delayed or conditioned); *provided* in the case of a current report required to be filed by GHV or an Affiliate thereof on Form 8-K, GHV shall, prior to the filing of any such current report on Form 8-K, consult with Ardagh as to the timing and contents of such current report on Form 8-K, unless such consultation would not be reasonably feasible.

(b) During the Interim Period, GHV shall use its reasonable best efforts prior to the Merger to maintain the listing of the GHV Units, the GHV Common Stock and the GHV Warrants on Nasdaq.

Section 6.5 Proxy Statement/Prospectus; Registration Statement.

(a) As promptly as practicable after the execution of this Agreement and the delivery of the PCAOB Financials, (i) GHV, Ardagh and AMPSA prepare and GHV shall file with the SEC the proxy statement/prospectus (as amended or supplemented from time to time, the "*Proxy Statement/Prospectus*") to be sent to the GHV Stockholders relating to the meeting of GHV Stockholders (the "*GHV Stockholders' Meeting*") for the purpose of soliciting proxies from GHV Stockholders for the matters to be acted upon at the GHV Stockholders' Meeting and providing the public stockholders an opportunity in accordance with GHV Organizational Documents to redeem their shares of GHV Common Stock (the "*GHV Stock Redemption*") in conjunction with the stockholder vote on the GHV Proposals and (ii) Ardagh, AMPSA and GHV shall prepare and AMPSA shall file with the SEC a registration statement on Form F-4 or such other applicable form as Ardagh and GHV may agree (as amended or supplemented from time to time, the "*Registration Statement*"), in which the Proxy Statement/Prospectus will be included, in connection with the registration under the Securities Act of the Shares and AMPSA Warrants to be issued in the Merger. Each Party shall use its reasonable best efforts to cause the Registration Statement and the Proxy Statement/Prospectus to comply with the applicable rules and regulations promulgated by the SEC, including providing any necessary opinions of counsel, to have the Registration Statement declared effective under the Securities Act as promptly as practicable after such filing, and to keep the Registration Statement effective as long as is necessary to consummate the Transactions. Each of Ardagh, AMPSA and GHV shall furnish all information as may be reasonably requested by the others in connection with any such action and the preparation, filing and distribution of the Registration Statement and the Proxy Statement/Prospectus. Ardagh and AMPSA also agree to use their respective reasonable best efforts to obtain all necessary Securities Law or "Blue Sky" permits and approvals required to carry out the Transactions, and GHV shall furnish all information concerning GHV as may be reasonably requested in connection with any such action; *provided* that without the prior written consent of GHV, neither Ardagh nor AMPSA shall use any such information for any purpose other than to obtain necessary Securities Law or "Blue Sky" permits and approvals.

(b) Promptly after the Registration Statement shall have become effective, GHV shall cause the Proxy Statement/Prospectus to be mailed to the GHV Stockholders. No filing of, or amendment or supplement to, the Registration Statement or the Proxy Statement/Prospectus will be made by GHV, Ardagh or AMPSA without providing the other with a reasonable opportunity to review and comment thereon and each Party shall give reasonable and good faith consideration to any comments made by any other Party and their counsel. Each of GHV, Ardagh and AMPSA will be given a reasonable opportunity to participate in the response to any SEC comments and to provide comments on that response (to which reasonable and good faith consideration shall be given), including by participating with GHV, Ardagh or AMPSA or their counsel in any discussions or meetings with the SEC. GHV shall comply in all material respects with all applicable rules and regulations promulgated by the SEC, any applicable rules and regulations of Nasdaq, GHV Organizational Documents, and this Agreement in the preparation, filing and distribution of the Proxy Statement/Prospectus, any solicitation of proxies thereunder, the calling and holding of the GHV Stockholders' Meeting and the GHV Stock Redemption.

(c) If at any time prior to the Effective Time, any information relating to GHV, Ardagh or AMPSA or any of their respective affiliates, directors or officers, should be discovered by GHV, Ardagh or AMPSA which should be set forth in an amendment or supplement to either the Registration Statement or the Proxy Statement/Prospectus, so that either such document would not include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they are made, not misleading, the Party that discovers such information shall promptly notify the other Parties and an appropriate amendment or supplement describing such information shall be promptly filed with the SEC and, to the extent required by Law, disseminated to the GHV Stockholders.

[Table of Contents](#)

(d) Each of GHV, Ardagh and AMPSA will advise the other Parties promptly after it receives any oral or written request by the SEC for amendment of the Proxy Statement/Prospectus or the Registration Statement, as applicable, or comments thereon and responses thereto, any oral or written comments or requests in relation to the GHV Stockholders' Meeting, or requests by the SEC for additional information and each Party will promptly provide the other with copies of any written communication between it or any of its Representatives, on the one hand, and the SEC, any state securities commission or their respective staffs, on the other hand, with respect to the Proxy Statement/Prospectus or the Registration Statement. GHV, Ardagh or AMPSA shall use their respective reasonable best efforts, after consultation with each other, to resolve all such requests or comments with respect to the Proxy Statement/Prospectus or the Registration Statement, as applicable, as promptly as reasonably practicable after receipt thereof.

(e) Without limiting the generality of the foregoing, each of GHV, Ardagh and AMPSA shall cooperate with each other in the preparation of each of the Proxy Statement/Prospectus and the Registration Statement, and each of Ardagh and GHV shall furnish AMPSA with all information concerning it and its affiliates as the providing party (after consulting with counsel) may deem reasonably necessary or advisable in connection with the preparation of the Proxy Statement/Prospectus or the Registration Statement, as applicable.

(f) GHV, Ardagh and AMPSA shall notify each other promptly of the time when the Registration Statement has become effective, of the issuance of any stop order or suspension of the qualification of the Shares or AMPSA Warrants issuable in connection with the Merger for offering or sale in any jurisdiction, or of the receipt of any comments from the SEC or the staff of the SEC and of any request by the SEC or the staff of the SEC for amendments or supplements to the Proxy Statement/Prospectus or the Registration Statement or for additional information.

(g) Subject to *Section 6.5(h)*, GHV, acting through the GHV Board, shall include in the Proxy Statement/Prospectus the recommendation of the GHV Board that the GHV stockholders vote in favor of each of the Transactions, as provided in *Section 5.5* (such recommendation as to each of the GHV Proposals, a "*GHV Board Recommendation*") and shall, consistent with the terms of this Agreement, otherwise use its reasonable best efforts to solicit proxies from the GHV Stockholders in favor of each of the GHV Proposals. Subject to *Section 6.5(h)*, none of the GHV Board or any committee thereof shall withdraw or modify, or propose publicly or by formal action of the GHV Board to withdraw or modify, in a manner adverse to Ardagh or any AMP Entity, any GHV Board Recommendation.

(h) Notwithstanding anything in this *Section 6.5* to the contrary, if, at any time prior to obtaining the GHV Stockholders' Meeting, the GHV Board determines, in good faith, after consultation with its outside legal counsel, that a GHV Intervening Event has occurred and that, as a result thereof, a failure to withdraw or modify a GHV Board Recommendation would be inconsistent with the GHV Board's fiduciary duties under applicable Law, then the GHV Board may withdraw or modify such GHV Board Recommendation; *provided* that GHV shall not withdraw or modify such GHV Board Recommendation unless (i) GHV first delivers to Ardagh a written notice advising Ardagh that the GHV Board proposes to take such action and containing the material facts underlying the GHV Board's determination that a GHV Intervening Event has occurred and that a failure to withdraw or modify a GHV Board Recommendation would constitute a breach by the GHV Board of its fiduciary obligations under applicable Law (a "*GHV Intervening Event Notice*"), and (ii) at or after 5:00 p.m. Eastern Time, on the fourth (4th) Business Day immediately following the day on which GHV delivered the GHV Intervening Event Notice (such period from the time the GHV Intervening Event Notice is provided until 5:00 p.m. Eastern Time on the fourth (4th) Business Day immediately following the day on which GHV delivered the GHV Intervening Event Notice (it being understood that any material development with respect to a GHV Intervening Event shall require a new notice, but with an additional three (3) Business Day (instead of four (4) Business Day) period from the date of such notice), the "*GHV Intervening Event Notice Period*"), the GHV Board reaffirms in good faith (after

[Table of Contents](#)

consultation with its outside legal counsel) that a failure to withdraw or modify such GHV Board Recommendation would be inconsistent with the GHV Board's fiduciary duties under applicable Law. If requested by Ardagh, GHV shall, and shall use its reasonable best efforts to cause its Representatives to, during the GHV Intervening Event Notice Period, engage in good faith negotiations with Ardagh and its respective Representatives to make such adjustments in the terms and conditions of this Agreement so as to obviate the need for any withdrawal or modification of such GHV Board Recommendation.

Section 6.6 *GHV Stockholders' Meetings.* GHV shall call the GHV Stockholders' Meeting in accordance with the GHV Organizational Documents and applicable Law for the purposes of voting upon the GHV Proposals as promptly as practicable after the date on which the SEC has declared the Registration Statement effective for the purpose of voting solely upon the GHV Proposals. GHV shall (a) consult with Ardagh in establishing the record date for the GHV Stockholders' Meeting and the date of the GHV Stockholders' Meeting, and (b) give notice to Ardagh of the GHV Stockholders' Meeting. Without the prior written consent of Ardagh, the GHV Proposals shall be the only matters (other than procedural matters) which GHV shall propose to be acted on by the GHV Stockholders at the GHV Stockholders' Meeting. Subject to *Section 6.5(h)*, GHV shall use its reasonable best efforts to obtain the approval of the GHV Proposals at the GHV Stockholders' Meeting, including by soliciting from the GHV Stockholders proxies as promptly as possible in favor of the GHV Proposals. GHV shall provide Ardagh with updates with respect to the tabulated vote counts received by GHV. If on the date for which the GHV Stockholders' Meeting is scheduled, based on the tabulated vote count, GHV will not obtain the required approval of the GHV Required Proposals, whether or not a quorum is present, GHV shall have the right to (and at Ardagh's request will) make one or more successive postponements or adjournments of the GHV Stockholders' Meeting (it being understood that, in the event of any postponement or adjournment pursuant to the foregoing, the GHV Stockholders' Meeting shall not be held later than five (5) Business Days prior to the Outside Date); *provided* that GHV shall not, without the prior written consent of Ardagh (which consent shall not be unreasonably withheld, conditioned or delayed), postpone or adjourn the special meeting more than three (3) times; *provided, further*, that Ardagh may not request the postponement or adjournment of the GHV Stockholders' Meeting more than once and such request shall not postpone or adjourn the GHV Stockholder's Meeting for more than five (5) Business Days.

Section 6.7 *Access to Information.* During the Interim Period, to the extent permitted by applicable Law, including applicable antitrust and competition Laws, or the requirements of any Governmental Authority, securities exchange or other regulatory organization with whose rules Ardagh or GHV is required to comply, each of Ardagh and GHV shall provide to the other and their respective Representatives reasonable access during normal business hours to all books, records, information, documents, personnel, offices, facilities and properties which such Party may reasonably request relating to the AMP Business or GHV's business, as applicable (including, for the avoidance of doubt, maintaining access to such Party's electronic data room); *provided* that such access shall only be upon the written request of Ardagh or GHV submitted reasonably in advance, shall not unreasonably disrupt personnel or interfere with the operations and properties of the AMP Business or GHV's business, as applicable, and shall be at the requesting Party's sole expense. In exercising its rights hereunder, the requesting Party shall conduct itself so as not to unreasonably interfere in the conduct of the AMP Business or GHV's business, as applicable. Each of Ardagh and GHV acknowledge and agree that any contact or communication by it and its Representatives with officers, employees or agents of the AMP Business or GHV's business, as applicable, hereunder shall be arranged and supervised by representatives of such Party granting access, unless such granting Party otherwise expressly consents in writing with respect to any specific contact. Notwithstanding anything to the contrary set forth in this Agreement, none of Ardagh, GHV or any of their respective Affiliates shall be required to disclose to the other Parties or any of their Representatives (a) any information (i) if doing so would violate any Contract or Law to which the Party granting access or any of its Affiliates is

[Table of Contents](#)

a party or is subject or which it believes in good faith would result in a loss of the ability to successfully assert a claim of privilege (including attorney-client and work product privileges), (ii) if the requesting Party or any of its Affiliates, on the one hand, and the Party from whom access has been requested or any of its Affiliates, on the other hand, are adverse parties in a litigation and such information is reasonably pertinent thereto, or (iii) if the Party from whom access has been requested reasonably determines that such information is competitively sensitive (*provided* that in such case such information shall be made available pursuant to mutually agreed "clean team" procedures, to the extent permissible and reasonably requested for the valuation and assessment of the AMP Business or GHV's business (as the case may be)), or (b) any other information relating to Taxes or Tax Returns to the extent unrelated to the AMP Business or the AMP Entities or GHV's business, as applicable. All information made available hereunder prior to the Closing shall be subject to the Confidentiality Agreement, and each of Ardagh and GHV shall not (and shall cause its respective Affiliates and Representatives not to) use any information obtained pursuant to this *Section 6.7* or otherwise under this Agreement for any purpose unrelated to the Transactions. No investigation pursuant to this *Section 6.7* shall affect any representation or warranty in this Agreement of Ardagh or GHV or any condition to the obligations of Ardagh, AMPSA, MergeCo or GHV.

Section 6.8 Further Assurances. Except as otherwise provided in this Agreement, during the Interim Period, each of the Parties shall, and shall cause its controlled Affiliates to, use their respective reasonable best efforts to take, or cause to be taken, all actions, to do or cause to be done all things, necessary, proper or advisable under applicable Law or otherwise to carry out the provisions of this Agreement and to consummate and make effective as promptly as reasonably practicable, on the terms and conditions set forth in this Agreement, the Transactions, including executing and delivering such documents and other instruments as may be required. Without limiting the foregoing, upon the reasonable request of Ardagh or GHV, the requested Party shall, and shall cause its controlled Affiliates to, execute, acknowledge and deliver all such further assurances, deeds, assignments, consequences, powers of attorney and other instruments and agreements as may reasonably be required to effect the Transactions.

Section 6.9 Publicity. The initial press release relating to this Agreement shall be a joint press release issued on the date of this Agreement, the text of which has been agreed to by each of GHV and Ardagh. Thereafter, no press releases or similar public announcements related to this Agreement or the Transactions shall be issued by Ardagh or GHV or any of their respective Affiliates, without the prior written consent of Ardagh and GHV (not to be unreasonably withheld, conditioned or delayed), except (a) as may be required by applicable Law or by the terms of any listing agreement with a securities exchange on which the securities of Ardagh or GHV are listed (in which case Ardagh and GHV shall, prior to the issuance of any such press release or public announcement consult with the other as to the timing and contents of any such press release or public announcement, unless such consultation would not be reasonably feasible), or (b) any such press release or public announcement, the content of which is consistent with that of any prior or contemporaneous press release or public announcement by Ardagh or GHV (or Affiliate thereof) in compliance with this Agreement.

Section 6.10 Non-Solicitation.

(a) During the Interim Period, other than in connection with the Transactions, GHV agrees that it shall not, and shall not authorize or (to the extent within its control) permit any of its directors, officers, employees, agents or Representatives acting on its behalf (including investment bankers, attorneys and accountants), to, directly or indirectly, (i) initiate, solicit, or knowingly facilitate the making of any offers or proposals related to, an Alternate GHV Combination, (ii) enter into, engage in or continue any discussions or negotiations with respect to an Alternate GHV Combination with, or provide any non-public information, data or access to employees to, any Person that has made, or informs it that such Person is considering making, a proposal with respect to an Alternate GHV Combination, (iii) approve, endorse or recommend any Alternate GHV Combination, or (iv) enter into

[Table of Contents](#)

any agreement, letter of intent, memorandum of understanding, term sheet or other Contract relating to an Alternate GHV Combination. GHV shall promptly (and in no event later than twenty-four (24) hours after becoming aware of such proposal, offer or request for information) notify Ardagh of any proposals, offers or requests for information made with respect to an Alternate GHV Combination following GHV's awareness thereof and provide Ardagh a copy of such proposal, offer or request for information, if in writing. GHV and its officers and directors shall, and shall instruct and cause its Representatives acting on its behalf to, immediately cease and terminate all discussions and negotiations with any Person that may be ongoing with respect to a possible Alternate GHV Combination, other than with respect to the Transactions.

(b) During the Interim Period, other than in connection with the Transactions, Ardagh and AMPSA each agree that it shall not, will direct their respective Affiliates not to, and shall not authorize or (to the extent within its control) permit any of its directors, officers, employees, agents or Representatives acting on its behalf (including investment bankers, attorneys and accountants), to, directly or indirectly, (i) initiate, solicit, or knowingly facilitate the making of any offers or proposals related to, an Alternate Ardagh Combination, (ii) enter into, engage in or continue any discussions or negotiations with respect to an Alternate Ardagh Combination with, or provide any non-public information, data or access to employees to, any Person that has made, or informs it that such Person is considering making, a proposal with respect to an Alternate Ardagh Combination, (iii) approve, endorse or recommend any Alternate Ardagh Combination, or (iv) enter into any agreement, letter of intent, memorandum of understanding, term sheet or other Contract relating to an Alternate Ardagh Combination. Ardagh or AMPSA, as applicable, shall promptly (and in no event later than twenty-four (24) hours after becoming aware of such proposal, offer or request for information) notify GHV of any proposals, offers or requests for information made with respect to an Alternate Ardagh Combination following the earlier of Ardagh's or AMPSA's awareness thereof and provide GHV a copy of such proposal, offer or request for information, if in writing. Ardagh, AMPSA and their respective officers and directors shall, and shall instruct and cause their respective Representatives acting on their behalf to, immediately cease and terminate all discussions and negotiations with any Person that may be ongoing with respect to a possible Alternate Ardagh Combination, other than with respect to the Transactions.

Section 6.11 *Directors' and Officers' Indemnification.*

(a) From and after the Effective Time, AMPSA agrees that it shall, or shall cause a credit-worthy Subsidiary to, indemnify and hold harmless each current or former director or officer of GHV (each, together with such person's heirs, executors or administrators, a "D&O Indemnified Party") against any Losses suffered or incurred in connection with any Action, whether civil, criminal, administrative or investigative, arising out of or pertaining to such D&O Indemnified Party's service as a director or officer of GHV at or prior to the Effective Time, whether asserted or claimed prior to, at or after the Effective Time, to the fullest extent that GHV would have been permitted under the GHV Organizational Documents as of the date hereof to indemnify such D&O Indemnified Parties (including the advancement of expenses). Without limiting the foregoing, AMPSA agrees that all rights to exculpation, indemnification and advancement of expenses existing as of the date hereof in favor of each D&O Indemnified Party, as provided in the GHV Organizational Documents or in any indemnification agreement with GHV shall survive the Closing and shall continue in full force and effect. For a period of six (6) years after the Closing Date, AMPSA shall cause the Surviving Corporation to maintain in effect the exculpation, indemnification and advancement of expenses provisions of the GHV Organizational Documents as in effect as of the date hereof or in any indemnification agreement between GHV and any D&O Indemnified Party as in effect as of the date hereof, and AMPSA shall cause the Surviving Corporation to not amend, repeal, or otherwise modify any such provision in any manner that would adversely affect the rights of any D&O Indemnified Party thereunder; *provided*, that all rights to exculpation, indemnification or advancement of expenses in

[Table of Contents](#)

respect of any Actions pending or asserted or any claim made within such period shall continue until the disposition of such Action or resolution of such claim. From and after the Closing, AMPSA shall cause its applicable Subsidiary and the Surviving Corporation to honor, in accordance with their respective terms, each of the covenants contained in this *Section 6.11(a)*.

(b) Prior to the Closing, GHV shall purchase a "tail" or "runoff" directors' and officers' liability insurance policy (the "*D&O Tail*") in respect of acts or omissions occurring prior to the Effective Time covering each director or officer of GHV who is currently covered by a directors' and officers' liability insurance policy of GHV on terms with respect to coverage, deductibles and amounts that are no less favorable to such person on the whole than those of such policy in effect on the date of this Agreement for the six (6)-year period following the Closing. AMPSA shall cause the Surviving Corporation to maintain the D&O Tail in full force and effect for its full term in accordance with this *Section 6.11(b)*.

(c) The rights of each D&O Indemnified Party hereunder shall be in addition to, and not in limitation of, any other rights such Person may have under the Organizational Documents of AMPSA, any other AMP Entity or their respective Subsidiaries, as applicable, any other indemnification agreement or arrangement with any of the foregoing to which they are a party, any Law or otherwise. The obligations of AMPSA, the other AMP Entities, the Surviving Corporation and their respective Subsidiaries under this *Section 6.11* shall not be terminated or modified in such a manner as to adversely affect any D&O Indemnified Party without the consent of such D&O Indemnified Party. The provisions of this *Section 6.11* shall survive the Closing and expressly are intended to benefit, and are enforceable by, each of the D&O Indemnified Parties, each of whom is an intended third party beneficiary of this *Section 6.11*.

(d) If AMPSA or, after the Closing, the Surviving Corporation or any of their respective Subsidiaries, successors or assigns (i) consolidates with or merges with or into any other Person and is not the continuing or surviving entity of such consolidation or merger or (ii) transfers or conveys all or substantially all of its properties and assets to any Person, then, in each such case, proper provision shall be made so that the successors and assigns of AMPSA, the Surviving Corporation or their Subsidiaries, as applicable, assume the obligations set forth in this *Section 6.11*.

Section 6.12 *Trust Account.*

(a) Upon satisfaction or waiver of the conditions set forth in *Article VII* and provision of notice thereof to the Trustee (which notice GHV shall provide to the Trustee in accordance with the terms of the Trust Agreement), (i) in accordance with and pursuant to the Trust Agreement, at the Closing, GHV shall (A) cause the documents, opinions and notices required to be delivered to the Trustee pursuant to the Trust Agreement to be so delivered, and (B) use reasonable best efforts to cause the Trustee to (1) pay as and when due all amounts payable to GHV Stockholders in accordance with the GHV Stock Redemption, and (2) immediately thereafter, pay all remaining amounts then available in the Trust Account in accordance with this Agreement and the Trust Agreement, and (ii) thereafter, the Trust Account shall terminate, except as otherwise provided therein.

(b) For and in consideration of GHV entering into this Agreement, the receipt and sufficiency of which are hereby acknowledged, Ardagh agrees that, notwithstanding any other provision contained in this Agreement, Ardagh and the AMP Entities do not now have, and shall not at any time prior to the Closing have, any claim to, or make any claim against, the Trust Account, regardless of whether such claim arises as a result of, in connection with or relating in any way to, the business relationship between, Ardagh or any of the AMP Entities, on the one hand, and GHV, on the other hand, this Agreement, or any other agreement or any other matter, and regardless of whether such claim arises based on contract, tort, equity or any other theory of legal liability. Notwithstanding any other provision contained in this Agreement, each of Ardagh and the AMP Entities hereby irrevocably waives any right, title, interest or claim it may have, now or in the future in or to the Trust Account and agrees

[Table of Contents](#)

not to seek recourse against the Trust Account or any funds distributed therefrom as a result of, or arising out of, this Agreement and any negotiations, contracts or agreements with GHV, and will not seek recourse against the Trust Account for any reason whatsoever in respect thereof; *provided, however*, that the foregoing waiver will not limit or prohibit or limit Ardagh or any of the AMP Entities from (i) pursuing a claim against GHV pursuant to this Agreement for specific performance or other equitable relief in connection with the Transactions or (ii) pursuing any claims that Ardagh or any of the AMP Entities may have against GHV's assets or funds that are not held in the Trust Account. In the event that Ardagh or any of the AMP Entities commences any Action based upon, in connection with, relating to or arising out of any matter relating to GHV, which Action seeks, in whole or in part, relief against the Trust Account in violation of the foregoing, GHV shall be entitled to recover from Ardagh or the AMP Entities the associated legal fees and costs in connection with any such Action, in the event GHV prevails in such Action.

Section 6.13 *Tax Matters.*

(a) *Tax Returns.*

(i) The Parties shall cause there to be filed no consolidated, combined or unitary Tax Return for any Post-Closing Tax Period for any Ardagh Consolidated Group (an "*Ardagh/AMPSA Group Tax Return*"), except to the extent any Ardagh/AMPSA Group Tax Return is required by applicable Law to be filed. If any Ardagh/AMPSA Group Tax Return is required to be filed, then the Parties will enter into (and cause the appropriate AMP Entities to enter into) a tax sharing or allocation agreement or arrangement having arm's length terms.

(ii) Notwithstanding the foregoing, for U.S. state and local Ardagh/AMPSA Group Tax Returns required to be filed by applicable Law for any Post-Closing Tax Periods, the tax sharing or allocation agreement or arrangement shall reflect the following principles:

(A) the Tax allocated to the AMP Entities shall equal the product of (i) the statutory rate imposed by the relevant jurisdiction for the Tax covered by such Tax Return and (ii) the amount (if any) of positive income calculated by multiplying the AMP Entities' tax base for that jurisdiction by the Ardagh Consolidated Group's apportionment formula for that jurisdiction, and taking into consideration nonapportionable items of income for the AMP Entities with respect to such Tax Return;

(B) the Tax liability of an Ardagh Consolidated Group shall be equitably apportioned between the AMP Entities and Ardagh Entities in such group in accordance with their contribution of Tax items to such Tax Liability;

(g) *Closing Deliverables.* Ardagh shall have delivered to GHV the Closing deliverables set forth in *Section 2.3(a)*.

(h) *Tax Opinion.* AMPSA shall have received an opinion from the AMPSA Tax Advisor to the effect that, on the basis of the facts, representations and reasonable assumptions set forth in such opinion, for U.S. federal income tax purposes, the Merger, taken together with the PIPE Investment and all or a portion of the steps in the Pre-Closing Restructuring, should qualify for the Intended Tax Treatment, which opinion may be relied on by GHV as if addressed to it. In rendering such opinion, the AMPSA Tax Advisor may rely upon the Tax Officer's Certificates, which certificates shall be effective as of the date of such tax opinion.

Section 7.3 Conditions to Obligations of Ardagh, AMPSA and MergeCo. The obligations of Ardagh, AMPSA and MergeCo to consummate, or cause to be consummated, the Merger is subject to the satisfaction of the following additional conditions, any one or more of which may be waived on behalf of all such Parties in writing by Ardagh:

(a) *Representations and Warranties.* Each of the representations and warranties of GHV contained in (i) *Section 5.1* (Organization and Authority) and *Section 5.10* (Brokers' Fees; Transaction Expenses), in each case, shall be true and correct (without giving any effect to any limitation as to "materiality" or "GHV Material Adverse Effect" or any similar limitation set forth therein) in all material respects as of the Closing Date as though made on and as of the Closing Date (except to the extent such representations and warranties expressly relate to an earlier date, and in such case, shall be true and correct in all material respects on and as of such earlier date), (ii) *Section 5.4* (Capitalization) shall be true and correct in all respects, other than de minimis inaccuracies, as of the Closing Date as though made on and as of the Closing Date, (iii) *Section 5.18* (Absence of Changes) shall be true and correct in all respects as of the date hereof and as of the Closing Date as though made on and as of the Closing Date, and (iv) *Article V* (other than those representations and warranties described in *clauses (i), (ii) and (iii)* of this *Section 7.3(a)*) shall be true and correct (without giving effect to any limitation as to "materiality" or "GHV Material Adverse Effect" or any similar limitation set forth therein) in all respects as of the Closing Date as though made on and as of the Closing Date (except to the extent such representations and warranties expressly relate to an earlier date, and in such case, shall be true and correct on and as of such earlier date), except, as it relates to such representations and warranties contained in *Article V* (other than those representations and warranties described in *clauses (i), (ii) and (iii)* of this *Section 7.3(a)*), where the failure to be true and correct would not have a GHV Material Adverse Effect.

[Table of Contents](#)

(b) *Performance of Obligations.* GHV shall have performed or complied in all material respects with all agreements and covenants required by this Agreement to be performed or complied with by it on or prior to the Closing.

(c) *Officer's Certificate.* GHV shall have delivered to Ardagh a certificate signed on behalf of GHV by an authorized officer of GHV to the effect that the conditions set forth in *Section 7.3(a)*, *Section 7.3(b)* and *Section 7.3(d)* as they relate to GHV have been satisfied.

(d) *No GHV Material Adverse Effect.* Since the date of this Agreement, there shall not have occurred a GHV Material Adverse Effect.

(e) *Minimum Cash Payment.* The cash portion of the Ardagh Consideration paid to Ardagh by AMPSA (inclusive of the payment made pursuant to the AMPSA Promissory Note) shall equal or exceed \$3,000,000,000; *provided, however*, that no more than \$2,315,000,000 of the Debt Financing shall be used for purposes of the cash portion of the Ardagh Consideration payable to Ardagh by AMPSA or to otherwise satisfy the condition set forth in this *Section 7.3(e)*.

(f) *Closing Deliverables.* GHV shall have delivered to Ardagh the Closing deliverables set forth in *Section 2.3(b)*.

Section 7.4 Frustration of Closing Conditions. No Party may rely on the failure of any condition set forth in this *Article VII* to be satisfied to excuse such Party's obligation to effect the Closing if such failure was caused by such Party's breach of a covenant, agreement, representation or warranty of this Agreement by such Party.

ARTICLE VIII TERMINATION

Section 8.1 Termination. This Agreement may be terminated and the Transactions abandoned:

(a) by written consent of GHV and Ardagh;

(b) by written notice from GHV to Ardagh if there has been a breach of any representation, warranty, covenant or other agreement made by Ardagh, AMPSA or MergeCo in this Agreement, or any such representation and warranty shall have become untrue or inaccurate after the date of this Agreement, in each case which breach, untruth or inaccuracy (i) would cause the conditions set forth in *Section 7.2(a)* or *Section 7.2(b)* to not be satisfied at the Closing Date (a "*Terminating Ardagh Breach*"), and (ii) shall not have been cured within thirty (30) days after written notice from GHV to Ardagh of such Terminating Ardagh Breach, or which breach, untruth or inaccuracy, by its nature, cannot be cured prior to the Outside Date; *provided* that GHV has not waived such Terminating Ardagh Breach and GHV is not then in breach of any representation, warranty, covenant or agreement such that the conditions set forth in *Section 7.3(a)* or *Section 7.3(b)* would not be satisfied;

(c) by written notice from Ardagh to GHV if there has been a breach of any representation, warranty, covenant or other agreement made by GHV in this Agreement, or any such representation and warranty shall have become untrue or inaccurate after the date of this Agreement, in each case which breach, untruth or inaccuracy (i) would cause the conditions set forth in *Section 7.3(a)* or *Section 7.3(b)* to not be satisfied as of the Closing Date (a "*Terminating GHV Breach*"), and (ii) shall not have been cured within thirty (30) days after written notice from Ardagh of such Terminating GHV Breach is delivered to GHV, or which breach, untruth or inaccuracy, by its nature, cannot be cured prior to the Outside Date; *provided* that Ardagh has not waived such Terminating GHV Breach and Ardagh is not then in breach of any representation, warranty, covenant or agreement such that the conditions set forth in *Section 7.2(a)* or *Section 7.2(b)* would not be satisfied;

(d) by written notice from Ardagh or GHV if the Closing has not occurred on or prior to September 30, 2021 (the "*Outside Date*"); *provided* that this Agreement may not be terminated under

[Table of Contents](#)

this *Section 8.1(d)* by or on behalf of any Party that is in breach or violation of any representation, warranty, covenant, agreement or obligation contained herein and such breach or violation is the primary cause of the failure of a condition set forth in *Article VII* to be satisfied on or prior to the Outside Date;

(e) by written notice from either Ardagh or GHV if this Agreement shall fail to receive the approval of the GHV Required Proposals at the GHV Stockholders' Meeting (subject to any adjournment or recess of the meeting); and

(f) by written notice from either Ardagh or GHV if any Governmental Authority shall have enacted, issued, promulgated, enforced or entered any Law or Governmental Order that has become final and nonappealable and has the effect of making consummation of the Transactions illegal or otherwise preventing or prohibiting consummation of the Transactions.

Section 8.2 Effect of Termination. Except as set forth in this *Section 8.2* or *Section 9.14*, in the event of the termination of this Agreement pursuant to *Section 8.1*, this Agreement shall forthwith become void and have no effect, without any liability on the part of any Party or its respective Affiliates, officers, directors or shareholders, other than liability of any Party for any fraud or intentional and material breach of this Agreement by such Party occurring prior to such termination. The provisions of *Section 6.12* (Trust Account), the last two sentences of *Section 6.7* (Access to Information), this *Section 8.2* and *Article IX* (collectively, the "Surviving Provisions") and any other Section or Article of this Agreement that is required to survive in order to give appropriate effect to the Surviving Provisions, shall survive any termination of this Agreement.

ARTICLE IX MISCELLANEOUS

Section 9.1 Non Survival of Representations, Warranties and Agreements. The representations, warranties, agreements and covenants in this Agreement shall terminate at the Closing, except that (a) those covenants and agreements contained herein that by their terms expressly apply in whole or in part after the Closing shall survive the Closing as provided therein and then only with respect to any breaches occurring after the Closing, (b) the covenants and agreements in *Section 3.6* (Earnout Shares) and *Section 6.11* (Directors' and Officers' Indemnification), and any other covenants and agreements contained in this Agreement that by their terms expressly apply in whole or in part after the Closing, shall survive the Closing for such time as provided in this Agreement, and (c) this *Article IX* shall survive the Closing indefinitely. Effective as of the Closing, there are no remedies available to the Parties with respect to any breach of the representations, warranties, covenants or agreements of the parties to this Agreement, except in the case of fraud, and except, with respect to those covenants and agreements contained herein that by their terms apply or are to be performed in whole or in part after the Closing, the remedies that may be available under *Section 9.14*.

Section 9.2 Modification or Amendment. This Agreement may be amended or modified in whole or in part, only by a duly authorized agreement in writing executed in the same manner as this Agreement and that makes reference to this Agreement. The approval of this Agreement by the applicable equityholders of any Party shall not restrict the ability of the board of directors (or comparable body) of any Party to terminate this Agreement in accordance with *Section 8.1* or to cause such Party to enter into an amendment to this Agreement pursuant to this *Section 9.2*.

Section 9.3 Extension; Waiver. GHV may, at any time prior to the Closing, by action taken by its board of directors or officers thereunto duly authorized, (a) extend the time for the performance of any obligation or other act of Ardagh, AMPSA or MergeCo, (b) to the extent permitted by Law, waive any inaccuracies in the representations and warranties of Ardagh contained herein or in any document, certificate or writing delivered pursuant hereto by Ardagh, AMPSA or MergeCo, or (c) waive compliance by Ardagh, AMPSA or MergeCo with any of the terms or conditions of this Agreement or

agree to an amendment or modification to this Agreement in the manner contemplated by *Section 9.2* and by an agreement in writing executed in the same manner (but not necessarily by the same Persons) as this Agreement. The failure or delay of any Party to exercise any of its rights under this Agreement shall not impair such right or be construed as a waiver by such Party of such right.

Section 9.4 Notices. All notices, requests, claims, demands and other communications hereunder shall be in writing and shall be deemed to have been given when delivered (a) in person or (b) by e-mail or other means of electronic transmission (so long as confirmation of transmission is electronically or mechanically generated or sent and kept on file by the sending party, and no "bounceback" or notice of non-delivery is received), and the sender may, in its sole discretion, deliver a copy by mail (postage prepaid) or by an internationally-recognized courier service (postage prepaid). Section 9.5 *Entire Agreement.* This Agreement (including the Disclosure Schedules and the Exhibits and Annexes hereto), the Confidentiality Agreement and the Related Agreements constitute the entire agreement among the Parties and supersede any prior understandings, agreements, or representations by or among the Parties, written or oral, that may have related in any way to the subject matter hereof. No representations, warranties, covenants, understandings, agreements, oral or otherwise, relating to the Transactions exist among the Parties, except as expressly set forth in this Agreement or the Related Agreements.

Section 9.6 *Assignment.* No Party shall assign this Agreement or any part hereof without the prior written consent of the other Parties. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the Parties and their respective permitted successors and assigns. Any attempted assignment in violation of the terms of this *Section 9.6* shall be null and void *ab initio*. Notwithstanding the foregoing, Ardagh may assign its rights, in whole or in part, to receive the Contingent Consideration to any Person or Persons.

Section 9.7 *Counterparts.* This Agreement may be executed in multiple counterparts, each of which when executed and delivered shall thereby be deemed to be an original and all of which taken together shall constitute one and the same instrument. Any Party may execute and deliver signed counterparts of this Agreement to the other Parties by electronic mail or other electronic transmission in portable document format (.PDF) or any other electronic signature complying with the United States ESIGN Act of 2000 (including www.docusign.com), each of which shall be deemed an original.

Section 9.8 *No Third-Party Beneficiaries.* Nothing expressed or implied in this Agreement is intended or shall be construed to confer upon or give any Person, other than the Parties, any right or remedies under or by reason of this Agreement; *provided*, that, notwithstanding the foregoing, in the event the Closing occurs, the present and former officers and directors of GHV (and their successors, heirs and Representatives) are intended third-party beneficiaries of, and may enforce, *Section 6.11*.

Section 9.9 *Governing Law.* This Agreement, and all claims or causes of action based upon, arising out of, or related to this Agreement or the Transactions, shall be governed by, and construed in accordance with, the Laws of the State of Delaware (except to the extent mandatorily governed by the laws of the Grand Duchy of Luxembourg), without giving effect to principles or rules of conflict of laws to the extent such principles or rules would require or permit the application of Laws of another jurisdiction.

[Table of Contents](#)

Section 9.10 *Jurisdiction.* In any action or proceeding arising out of or relating to this Agreement or any of the Transactions: (a) each of the Parties hereby irrevocably and unconditionally consents and submits to the exclusive jurisdiction and venue of the Court of Chancery of the State of Delaware (unless the federal courts have exclusive jurisdiction over the matter, in which case the United States District Court for the District of Delaware); (b) each of the Parties irrevocably waives and agrees that it will not attempt to deny or defeat such jurisdiction by motion or other request for leave from such court; and (c) each of the Parties agrees that it will not bring any such action in any court other than the Court of Chancery of the State of Delaware (unless the federal courts have exclusive jurisdiction over the matter, in which case the United States District Court for the District of Delaware).

Section 9.11 *WAIVER OF TRIAL BY JURY.* TO THE EXTENT PERMITTED BY LAW, EACH PARTY HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES (AND SHALL CAUSE ITS SUBSIDIARIES AND AFFILIATES TO WAIVE) THE RIGHT TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED HEREON, ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS OR ANY COURSE OF CONDUCT, COURSE OF DEALINGS, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PARTY IN CONNECTION HEREWITH. EACH PARTY ACKNOWLEDGES THAT (A) THIS WAIVER IS A MATERIAL INDUCEMENT FOR THE OTHER PARTIES TO ENTER INTO THIS AGREEMENT, AND (B) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THAT FOREGOING WAIVER.

Section 9.12 *Severability.* If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of Law, or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the Transactions is not affected in any manner materially adverse to any Party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the Transactions be consummated as originally contemplated to the fullest extent possible.

Section 9.13 *Fees and Expenses.* Each Party hereby agrees that if the Transactions are not consummated, except as otherwise provided herein, each Party shall bear or pay all of its own Transaction Expenses. If the Transactions are consummated, the Transaction Expenses of Ardagh, AMPSA, MergeCo and GHV shall be borne by AMPSA; *provided* that the Transaction Expenses of GHV shall not exceed \$50,000,000. No amounts payable in respect of Transaction Expenses shall reduce the cash portion of the Ardagh Consideration paid to Ardagh by AMPSA pursuant to this Agreement.

Section 9.14 *Specific Performance.* The Parties agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy, would occur in the event that any Party does not perform its obligations under the provisions of this Agreement (including failing to take such actions as are required of them hereunder to consummate the Transactions) in accordance with its specified terms or otherwise breach such provisions. The Parties acknowledge and agree that (a) the Parties shall be entitled to an injunction, specific performance, or other equitable relief, to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement, each without proof of damages, prior to the valid termination of this Agreement in accordance with *Section 8.1*, this being in addition to any other remedy to which they are entitled under this Agreement, and (b) the right of specific enforcement is an integral part of the Transactions and without that right, none of the Parties would have entered into this Agreement. Each Party agrees that it shall not oppose the granting of specific performance and other equitable relief on the basis that the

[Table of Contents](#)

other Parties have an adequate remedy at Law or that an award of specific performance is not an appropriate remedy for any reason at Law or equity. The Parties acknowledge and agree that any Party seeking an injunction to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this *Section 9.14* shall not be required to provide any bond or other security in connection with any such injunction.

Section 9.15 *Non-Recourse*. This Agreement may only be enforced against, and any claim or cause of action based upon, arising out of or related to this Agreement or the Transactions may only be brought against, the entities that are expressly named as Parties, and then only with respect to the specific obligations set forth herein with respect to such Party. Except to the extent a named party to this Agreement (and then only to the extent of the specific obligations undertaken by such named party to this Agreement), (a) no past, present or future director, manager, officer, employee, incorporator, member, partner, stockholder, Affiliate, agent, attorney, advisor or representative of any named party to this Agreement and (b) no past, present or future director, manager, officer, employee, incorporator, member, partner, stockholder, Affiliate, agent, attorney, advisor or representative or Affiliate of any of the foregoing shall have any liability (whether in contract, tort, equity or otherwise) for any one or more of the representations, warranties, covenants, agreements or other obligations or liabilities of any one or more of GHV, AMPSA, MergeCo or Ardagh under this Agreement of or for any claim based on, arising out of, or related to this Agreement or the Transactions.

Ladies and Gentlemen:

Gores Holdings V, Inc. (the "*Company*") has engaged Duff & Phelps, LLC ("*Duff & Phelps*") to serve as an independent financial advisor to the Board of Directors (the "*Board of Directors*") of the Company (solely in their capacity as members of the Board of Directors) to provide an opinion (the "*Opinion*") as of the date hereof as to the fairness, from a financial point of view, to the Company of the consideration in the contemplated transaction described below (the "*Proposed Transaction*").

Description of the Proposed Transaction

Duff & Phelps understands that the Proposed Transaction involves the acquisition of, or merger or other business combination with, certain subsidiaries of Ardagh Group S.A. that collectively hold the metal beverage packaging business (the "*Target*") of Ardagh Group S.A. by the Company. It is Duff & Phelps' further understanding that the Proposed Transaction will be funded by: (i) \$525 million of cash currently held in the Company's trust account; (ii) \$600 million of capital raised from private investors (the "*PIPE*"); (iii) \$2,315 million of new net debt raised in connection with the Proposed Transaction; (iv) \$4,850 million of Target rollover equity; and (v) up to 60.73 million shares of common stock, the issuance of which is subject to the attainment of certain stock price hurdles over a five year period from the 180th day following the closing of the Proposed Transaction.

Scope of Analysis

In connection with this Opinion, Duff & Phelps has made such reviews, analyses and inquiries as it has deemed necessary and appropriate under the circumstances. Duff & Phelps also took into account its assessment of general economic, market and financial conditions, as well as its experience in securities and business valuation, in general, and with respect to similar transactions, in particular. Duff & Phelps' procedures, investigations, and financial analysis with respect to the preparation of its Opinion included, but were not limited to, the items summarized below:

1. Reviewed the following documents:

 - b. Unaudited financial information for the Target for the years ended December 31, 2017 through December 31, 2020, which the Company's management identified as being the most current financial statements available for the Target;

- g. A draft of the Business Combination Agreement, dated as of February 19, 2021 (the "*Business Combination Agreement*", and together with the PIPE Agreement, the "*Agreements*");
2. Discussed the information referred to above and the background and other elements of the Proposed Transaction with the management of the Company;
3. Reviewed the historical trading price and trading volume of the Company's common stock and the publicly traded securities of certain other companies that Duff & Phelps deemed relevant;
4. Performed certain valuation and comparative analyses using generally accepted valuation and analytical techniques including a discounted cash flow analysis, an analysis of selected public companies that Duff & Phelps deemed relevant, and an analysis of selected transactions that Duff & Phelps deemed relevant; and
5. Conducted such other analyses and considered such other factors as Duff & Phelps deemed appropriate.

Assumptions, Qualifications and Limiting Conditions

In performing its analyses and rendering this Opinion with respect to the Proposed Transaction, Duff & Phelps, with the Company's consent:

1. Relied upon the accuracy, completeness, and fair presentation of all information, data, advice, opinions and representations obtained from public sources or provided to it from private sources, including Company management, and did not independently verify such information;
2. Assumed that any estimates, evaluations, forecasts and projections furnished to Duff & Phelps were reasonably prepared and based upon the best currently available information and good faith judgment of the person furnishing the same, and Duff & Phelps expresses no opinion with respect to such projections or the underlying assumptions;

3. Assumed that information supplied and representations made by Company management are substantially accurate regarding the Company, the Target, and the Proposed Transaction;
4. Assumed that the representations and warranties made in the Agreements are substantially accurate;
5. Assumed that the final versions of all documents reviewed by Duff & Phelps in draft form conform in all material respects to the drafts reviewed;
6. Assumed that there has been no material change in the assets, liabilities, financial condition, results of operations, business, or prospects of the Company or the Target since the date of the most recent financial statements and other information made available to Duff & Phelps,

Table of Contents

and that there is no information or facts that would make the information reviewed by Duff & Phelps incomplete or misleading;

7. Assumed at the Company's direction that the trust account balance of the Company per share and recent trading prices of the Company's common stock provide a reasonable basis upon which to evaluate the Company's common stock in connection with the Proposed Transaction and the PIPE;
8. Assumed that all of the conditions required to implement the Proposed Transaction will be satisfied and that the Proposed Transaction will be completed in accordance with the Agreements without any amendments thereto or any waivers of any terms or conditions thereof; and
9. Assumed that all governmental, regulatory or other consents and approvals necessary for the consummation of the Proposed Transaction will be obtained without any adverse effect on the Company, the Target, or the contemplated benefits expected to be derived in the Proposed Transaction.

To the extent that any of the foregoing assumptions or any of the facts on which this Opinion is based prove to be untrue in any material respect, this Opinion cannot and should not be relied upon. Furthermore, in Duff & Phelps' analysis and in connection with the preparation of this Opinion, Duff & Phelps has made numerous assumptions with respect to industry performance, general business, market and economic conditions and other matters, many of which are beyond the control of any party involved in the Proposed Transaction.

Duff & Phelps has prepared this Opinion effective as of the date hereof. This Opinion is necessarily based upon market, economic, financial and other conditions as they exist and can be evaluated as of the date hereof, and Duff & Phelps disclaims any undertaking or obligation to advise any person of any change in any fact or matter affecting this Opinion which may come or be brought to the attention of Duff & Phelps after the date hereof. As you are aware, the credit, financial and stock markets have been experiencing unusual volatility and we express no opinion or view as to any potential effects of such volatility on the Company, the Target, or the Proposed Transaction.

Duff & Phelps did not evaluate the Company's or the Target's solvency or conduct an independent appraisal or physical inspection of any specific assets or liabilities (contingent or otherwise). Duff & Phelps has not been requested to, and did not, (i) initiate any discussions with, or solicit any indications of interest from, third parties with respect to the Proposed Transaction, the assets, businesses or operations of the Company or the Target, or any alternatives to the Proposed Transaction, (ii) negotiate the terms of the Proposed Transaction, and therefore, Duff & Phelps has assumed that such terms are the most beneficial terms, from the Company's perspective, that could, under the circumstances, be negotiated among the parties to the Agreements and the Transaction, or (iii) advise the Board of Directors or any other party with respect to alternatives to the Proposed Transaction.

Duff & Phelps is not expressing any opinion as to the market price or value of the Company's common stock (or anything else) after the announcement of the Proposed Transaction. This Opinion should not be construed as a valuation opinion, credit rating, solvency opinion, an analysis of the Company's, the Target's, or any other party's credit worthiness, as tax advice, or as accounting advice. Duff & Phelps has not made, and assumes no responsibility to make, any representation, or render any opinion, as to any legal matter.

In rendering this Opinion, Duff & Phelps is not expressing any opinion with respect to the amount or nature of any compensation to any of the Company's or the Target's officers, directors, or employees, or any class of such persons, relative to the Consideration in the Proposed Transaction, or with respect to the fairness of any such compensation.

Table of Contents

This Opinion is furnished solely for the use and benefit of the Board of Directors in connection with its consideration of the Proposed Transaction and is not intended to, and does not, confer any rights or remedies upon any other person, and is not intended to be used, and may not be used, by any other person or for any other purpose, without Duff & Phelps' express consent or as otherwise permitted by the Engagement Letter (as defined below). This Opinion (i) does not address the merits of the underlying business decision to enter into the Proposed Transaction versus any alternative strategy or transaction; (ii) other than assuming the consummation thereof in accordance with the terms set forth in the Agreements, does not address any transaction related to the Proposed Transaction; (iii) is not a recommendation as to how the Board of Directors or any stockholder should vote or act with respect to any matters relating to the Proposed Transaction, or whether to proceed with the Proposed Transaction or any related transaction, and (iv) does not indicate that the consideration is the best possibly attainable under any circumstances; instead, it merely states whether the consideration in the Proposed Transaction is within a range suggested by certain financial analyses. The decision as to whether to proceed with the Proposed Transaction or any related transaction may depend on an assessment of factors unrelated to the financial analysis on which this Opinion is based. This letter should not be construed as creating any fiduciary duty on the part of Duff & Phelps to any party.

This Opinion is solely that of Duff & Phelps, and Duff & Phelps' liability in connection with this letter shall be limited in accordance with the terms set forth in the engagement letter between Duff & Phelps and the Company dated February 2, 2021 (the "*Engagement Letter*"). This letter is confidential, and its use and disclosure is strictly limited in accordance with the terms set forth in the Engagement Letter.

Disclosure of Prior Relationships

Duff & Phelps has acted as financial advisor to the Board of Directors and will receive a fee for its services. No portion of Duff & Phelps' fee is contingent upon the conclusion expressed in this Opinion. Pursuant to the terms of the Engagement Letter, a portion of Duff & Phelps' fee is payable upon delivery of this Opinion. Other than this engagement, during the two years preceding the date of this Opinion, Duff & Phelps has provided certain tax advisory services to certain subsidiaries of Ardagh Group S.A., the Target's parent company. For these prior engagements, Duff & Phelps has received aggregate fees of approximately \$20,000 and customary expense reimbursement and indemnification.

Item 20. Indemnification of Directors and Officers

Article 441-8 of the 1915 Law provides that the directors shall not incur any personal obligation by reason of the commitments of the company.

Article 441-9 of the 1915 Law provides that the directors, the members of the management committee and the managing executive officer shall be liable to the company in accordance with general law for the execution of the mandate given to them and for any misconduct in the management of the company's affairs. The directors and members of the management committee shall be jointly and severally liable towards either the company or any third parties for damages resulting from this violation of the 1915 Law or the company's articles of association. The directors and members of the management committee shall be discharged from such liability in the case of a violation to which they were not a party provided no misconduct is attributable to them and they have reported such violation, as regards members of the board of directors, to the first general meeting and, as regards members of the management committee, during the first meeting of the board of directors after they had acquired knowledge thereof.

AMPSA's articles of association, which will become effective upon completion of the Business Combination, will provide that directors of AMPSA are not held personally liable for the indebtedness or other obligations of AMPSA. As agents of AMPSA, they are responsible for the performance of their duties. Subject to the exceptions and limitations listed in AMPSA's articles of association and mandatory provisions of law, every person who is, or has been, a director or officer of AMPSA (and his or her heirs, executors and administrators) shall be indemnified by AMPSA to the fullest extent permitted by law against liability and against all expenses reasonably incurred or paid by such person in connection with any claim, action, suit or proceeding which he becomes involved as a party or otherwise by virtue of his or her being or having been a director or officer of AMPSA, or, at the request of AMPSA, of any other company of which AMPSA is a shareholder or creditor and by which he is not entitled to be indemnified, and against amounts paid or incurred by him or her in the settlement thereof. The words "claim", "action", "suit" or "proceeding" shall apply to all claims, actions, suits or proceedings (civil, criminal or otherwise including appeals) actual or threatened and the words "liability" and "expenses" shall include without limitation attorneys' fees, costs, judgments, amounts paid in settlement and other liabilities. However, no indemnification shall be provided to any director, officer or shareholder of AMPSA (i) against any liability by reason of willful misfeasance, bad faith, gross negligence or reckless disregard of the duties involved in the conduct of his or her office (ii) with respect to any matter as to which he or she shall have been finally adjudicated to have acted in bad faith and not in the interest of AMPSA or (iii) in the event of a settlement, unless the settlement has been approved by a court of competent jurisdiction or by the board of directors of AMPSA.

AMPSA's articles of association will provide that the right of indemnification provided by such articles of association shall be severable, shall not affect any other rights to which any director or officer may now or hereafter be entitled, shall continue as to a person who has ceased to be such director or officer and shall inure to the benefit of the heirs, executors and administrators of such a person. Nothing contained in such articles of association shall affect or limit any rights to indemnification to which corporate personnel, including directors and officers, may be entitled by contract or otherwise under law. AMPSA shall specifically be entitled to provide contractual indemnification to and may purchase and maintain insurance for any corporate personnel, including directors and officers of AMPSA, as AMPSA may decide upon from time to time.

In connection with the Business Combination, AMPSA will enter into indemnification agreements with each of its directors and executive officers. These agreements will provide that AMPSA will indemnify each of its directors and such officers to the fullest extent permitted by law and its charter and its bylaws.

AMPSA will also maintain a general liability insurance policy, which will cover certain liabilities of directors and officers of AMPSA arising out of claims based on acts or omissions in their capacities as directors or officers.

Item 22. Undertakings

A. AMPSA hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the U.S. Securities Act of 1933.
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.
- (2) That, for the purpose of determining any liability under the U.S. Securities Act of 1933, as amended, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) To file a post-effective amendment to the registration statement to include any financial statements required by Item 8.A of Form 20-F at the start of any delayed offering or throughout a continuous offering.
- (5) For purposes of determining any liability under the U.S. Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the U.S. Securities Exchange Act of 1934 (and, where applicable,

each filing of an employee benefit plan's annual report pursuant to section 15(d) of the U.S. Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new

registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

B. AMPSA hereby undertakes:

- (1) that prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.

- (2) That every prospectus: (i) that is filed pursuant to paragraph (1) immediately preceding, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Act and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the U.S. Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the U.S. Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

D. The undersigned registrant hereby undertakes (i) to respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11, or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

E. The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.

Pursuant to the requirements of the U.S. Securities Act of 1933, the registrant has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in London, United Kingdom on March 8, 2021.

(a) All the agreements (including this Agreement), documents or instruments herein defined (excluding any agreements, documents or instruments disclosed in the Disclosure Schedules) mean such agreements, documents or instruments as the same may from time to time be supplemented or amended or the terms thereof waived or modified to the extent permitted by, and in accordance with, the terms thereof. The headings preceding the text of Articles and Sections included herein are for convenience only and shall not be deemed part of this Agreement or be given any effect in interpreting this Agreement. The use of the masculine, feminine or neuter gender, or the singular or plural form of words, herein shall not limit any provision of this Agreement. The use of the terms “including” or “include” shall in all cases herein mean “including, without limitation” or “include, without limitation,” respectively. Reference to any Person includes such Person’ s successors and permitted assigns. Reference to any Law means such Law as amended, modified, codified, replaced or re-enacted, in whole or in part, from time to time, including rules, regulations, enforcement procedures and any interpretations promulgated thereunder. Unless otherwise specified, references to Articles, Sections, clauses, Exhibits or Annexes shall refer to the Articles, Sections, clauses, Exhibits or Annexes to this Agreement, and any references to a clause shall, unless otherwise identified,

refer to the appropriate clause within the same Section or sub-Section in which such reference occurs. The use of the terms “hereunder”, “hereof”, “hereto” and words of similar import shall refer to this Agreement as a whole and not to any particular Article, Section or clause of or Exhibit or Annex to this Agreement. References to amounts of currency are references to United States Dollars unless otherwise indicated. When calculating the period of time before which, within which or following which any act is to be done or step taken pursuant to this Agreement, the date that is the reference date in calculating such period shall be excluded, and if the last day of such period is not a Business Day, the period shall end on the immediately following Business Day. The words “made available,” “provided” or “delivered” to a Party, or similar formulations, means that such materials were (i) provided by electronic transmission directly to a Party’s legal counsel or financial advisors prior to such time or (ii) if applicable, available to such Party (without material redactions) in the electronic data room hosted by the providing Party in connection with the Transactions no later than two (2) calendar days prior to the date of this Agreement (and continuously available to such Party and its legal counsel and financial advisors through the date hereof). Where the context permits, the word “or” shall mean “and/or.” Where any provision in this Agreement refers to action to be taken by any Person, or which such Person is prohibited from taking, such provision shall be applicable whether the action in question is taken directly or indirectly by such Person. References to “manager” shall refer to any individual holding a position equivalent to the position of “director” in a Luxembourg company.

(b) Notwithstanding anything to the contrary contained in the Ardagh Disclosure Schedule or GHV Disclosure Schedule, in this Agreement or in the Related Agreements, the information and disclosures contained in any Section of the Ardagh Disclosure Schedule or GHV Disclosure Schedule shall be deemed to be disclosed and incorporated by reference in each other Section of the Ardagh Disclosure Schedule or GHV Disclosure Schedule, as applicable, as though fully set forth in such other Section to the extent the applicability and relevance of such information to such other Section is reasonably apparent on the face of such information or disclosure, without reference to additional documents or information. Certain items and matters are listed in the Ardagh Disclosure Schedule or GHV Disclosure Schedule for informational purposes only and may not be required to be listed therein by the terms of this Agreement. No reference to, or disclosure of, any item or matter in any Section of the Ardagh Disclosure Schedule or GHV Disclosure Schedule shall be construed as an admission or indication that such item or matter is material or that such item or matter is required to be referred to or disclosed in the Ardagh Disclosure Schedule or GHV Disclosure Schedule, as applicable. Without limiting the foregoing, no reference to or disclosure of a possible breach or violation of any contract or Law shall be construed as an admission or indication to any third party that a breach or violation exists or has actually occurred.

(c) The Parties have participated jointly in negotiating and drafting this Agreement. If an ambiguity or a question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties, and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any provision of this Agreement.

Section 3.8 Exchange of Certificates.

(a) Exchange Agent. On the Closing Date and upon the Effective Time, in accordance with Section 3.7(b)(i), AMPSA shall issue, and shall deposit with a bank or trust company that shall be designated by GHV and is reasonably satisfactory to Ardagh (the "Exchange Agent"), for the benefit of the holders of the GHV Closing Shares, for exchange in accordance with this Section 3.8, the number of Shares (in uncertificated form or book-entry form) sufficient to deliver the GHV Shares Consideration (the "Exchange Fund"). AMPSA shall cause the Exchange Agent, pursuant to irrevocable instructions, to deliver the GHV Shares Consideration out of the Exchange Fund in accordance with this Agreement. Except as contemplated by this Section 3.8, the Exchange Fund shall not be used for any other purpose.

(b) Exchange Procedures. As promptly as practicable after the Effective Time, AMPSA shall use its reasonable best efforts to cause the Exchange Agent to mail to each holder of record of the GHV Closing Shares entitled to receive the GHV Shares Consideration pursuant to Section 3.7(b) a letter of transmittal, which shall be in a form reasonably acceptable to GHV and Ardagh (the "Letter of Transmittal"), along with instructions for use in effecting the surrender of the certificates evidencing such GHV A Shares (collectively, the "Certificates") pursuant to the Letter of Transmittal. Within five (5) Business Days after the surrender to the Exchange Agent of all Certificates held by such holder for cancellation, together with a Letter of Transmittal, duly completed and validly executed in accordance with the instructions thereto and such other documents as may be required pursuant to such instructions, the holder of such Certificates shall be entitled to receive in exchange therefor, and AMPSA shall cause the Exchange Agent to deliver, the applicable GHV Shares Consideration, and the Certificates so surrendered shall forthwith be cancelled. Until surrendered as contemplated by this Section 3.8, each Certificate entitled to receive a portion of the GHV Shares Consideration in accordance with Section 3.7(b) shall be deemed at all times after the Effective Time, as the case may be, to represent only the right to receive upon such surrender the GHV Shares Consideration that such holder is entitled to receive in accordance with the provisions of Section 3.7(b).

(c) The GHV Shares Consideration delivered upon the exchange of the GHV Closing Shares in accordance with the terms hereof shall be deemed to have been paid and issued in full satisfaction of all rights pertaining to such GHV Closing Shares.

(d) Adjustments to GHV Shares Consideration. The GHV Shares Consideration shall be appropriately adjusted to reflect the effect of any stock split, reverse stock split, stock dividend, reorganization, recapitalization, reclassification, combination, exchange of shares or other like change with respect to GHV Common Stock occurring on or after the date of this Agreement and prior to the Effective Time.

(e) Termination of Exchange Fund. Any portion of the Exchange Fund that remains unclaimed by the holders of GHV A Shares with respect to the GHV Shares Consideration for six (6) months after the Effective Time shall be delivered to AMPSA, and any holders of the GHV Closing Shares who have not theretofore complied with this Section 3.8 shall thereafter look only to AMPSA for the GHV Shares Consideration. Any portion of the Exchange Fund with respect to the GHV Shares Consideration remaining unclaimed by holders of the GHV Closing Shares, as may be applicable, as of a date which is immediately prior to such time as such amounts would otherwise escheat to or become property of any government entity shall, to the extent permitted by applicable Law, become the property of AMPSA free and clear of any claims or interest of any person previously entitled thereto.

(f) No Liability. None of the Exchange Agent, GHV, AMPSA, the Surviving Corporation or any of their respective Affiliates shall be liable to any holder of GHV Common Stock for any such GHV Common Stock (or dividends or distributions with respect thereto) or cash delivered to a public official pursuant to any abandoned property, escheat or similar Law in accordance with this Section 3.8.

(g) Fractional Shares. Notwithstanding any other provision of this Agreement, no fractional Shares will be issued, and any GHV Stockholder otherwise entitled to receive a fractional Share but for this Section 3.8(g) (after aggregating all fractional Shares that otherwise would be received by such GHV Stockholder) shall be entitled to receive in lieu of such fractional Share: (i) one Share if the aggregate amount of the fractional Share such GHV Stockholder would otherwise be entitled to is equal to or exceeds 0.50; or (ii) no Share if the aggregate amount of the fractional Share such GHV Stockholder would otherwise be entitled to is less than 0.50.

(h) Lost Certificates. If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed, the Exchange Agent will deliver in exchange for such lost, stolen or destroyed Certificate, the GHV Shares Consideration, as the case may be, that such holder is otherwise entitled to receive pursuant to, and in accordance with, the provisions of Section 3.7(b).

Section 3.9 Stock Transfer Books. At the Effective Time, following the recordation of the Transactions in the share records of AMPSA, the stock transfer books of GHV shall be closed and there shall be no further registration of transfers of GHV Common Stock thereafter on the records of GHV. From and after the Effective Time, the holders of Certificates representing GHV Common Stock outstanding immediately prior to the Effective Time shall cease to have any rights with respect to such GHV Common Stock, except as otherwise provided in this Agreement (including the right to receive Shares pursuant to the terms and subject to the conditions of this Agreement) or by applicable Law. On or after the Effective Time, any

Certificates validly presented to the Exchange Agent or AMPSA shall be converted into the right to receive the GHV Shares Consideration in accordance with the provisions of Section 3.7(b).

Section 3.10 GHV Warrants. At the Effective Time, each GHV Warrant that is outstanding immediately prior to the Effective Time shall, pursuant to the GHV Warrant Agreement, cease to represent a right to acquire the number of GHV A Shares set forth in such GHV Warrant and shall be converted in accordance with the terms of such GHV Warrant Agreement, at the Effective Time, into a right to acquire that number of Shares equal to the number of GHV A Shares set forth in such GHV Warrant (an “AMPSA Warrant” and collectively, the “AMPSA Warrants”) on substantially the same terms as were in effect immediately prior to the Effective Time under the terms of the GHV Warrant Agreement. The Parties shall take all lawful action to effect the aforesaid provisions of this Section 3.10, including entering into, together with the warrant agent under the GHV Warrant Agreement, the Warrant Assignment, Assumption and Amendment Agreement substantially in the form attached hereto as Exhibit F (the “Warrant Assignment, Assumption and Amendment Agreement”).

Section 4.1 Organization and Authority.

(a) Each of Ardagh, AMPSA and MergeCo is a legal entity duly organized, validly existing and in good standing under the Laws of its jurisdiction of incorporation or organization (to the extent such concepts are recognized under applicable Law). Each of Ardagh, AMPSA and MergeCo has all requisite power and authority to conduct its respective business as it is now being conducted and, if applicable, to own, lease and operate its property and assets, except where the failure to have such power and authority would not, individually or in the aggregate, be material to the AMP Business or the AMP Entities, taken as a whole. Each of Ardagh, AMPSA and MergeCo has all requisite corporate or limited liability company power and authority to enter into this Agreement and each of the Related Agreements to which it is a party, and, following receipt of the MergeCo Stockholder Approval, to carry out its obligations hereunder and thereunder and to consummate the transactions contemplated hereby and thereby. Each of Ardagh, AMPSA and MergeCo is duly licensed or qualified to do business and is in good standing (to the extent such concepts are recognized under applicable Law) in each jurisdiction in which the properties owned or leased by it or the operation of its business requires such licensing or qualification, except to the extent that the failure to be so licensed, qualified or in good standing would not, individually or in the aggregate, be material to the AMP Business or the AMP Entities, taken as a whole. Ardagh has made available to GHV true, correct and complete copies of the Organizational Documents of each of Ardagh, AMPSA and MergeCo as in effect on the date of this Agreement.

(b) The execution and delivery of this Agreement and each of the Related Agreements to which it is a party by Ardagh, AMPSA or MergeCo, the performance by Ardagh, AMPSA or MergeCo of its obligations hereunder and thereunder and the consummation by Ardagh, AMPSA or MergeCo of the transactions contemplated hereby and thereby have been duly authorized by all requisite action on the part of Ardagh, AMPSA or MergeCo, as applicable, including receipt of any necessary board, manager, member, stockholder or similar approvals, subject to the receipt of MergeCo Stockholder Approval. Other than the receipt of the MergeCo Stockholder Approval, no other action on the part of Ardagh, AMPSA or MergeCo (or any of the stockholders or other equityholders of any such Person) is necessary to authorize this Agreement and the Related Agreements to which Ardagh, AMPSA or MergeCo is a party or the consummation of the Transactions. This Agreement has been, and upon their execution and delivery each of the Related Agreements to which Ardagh, AMPSA or MergeCo is a party shall have been, duly executed and delivered by it, and (assuming due authorization, execution and delivery by the other parties thereto) this Agreement constitutes, and upon their execution the Related Agreements to which Ardagh, AMPSA or MergeCo is a party shall constitute, subject only to the receipt of MergeCo Stockholder Approval, the legal, valid and binding obligations of Ardagh, AMPSA or MergeCo, as applicable, enforceable against it in accordance with their respective terms, except as the enforceability hereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar Laws affecting the enforcement of creditors' rights generally or applicable equitable principles (whether considered in a proceeding at law or in equity) (the "Enforceability Exceptions").

Section 4.2 Noncontravention. The execution, delivery and performance by Ardagh, AMPSA and MergeCo of this Agreement and each of the Related Agreements to which Ardagh, AMPSA or MergeCo is party, and the consummation of the Transactions by Ardagh, AMPSA or MergeCo, do not and will not (a) violate, conflict with or result in the breach of any provision of the Organizational Documents of Ardagh, AMPSA and MergeCo; (b) assuming that all applicable Regulatory Approvals have been obtained, contravene, conflict with or violate any Law or Governmental Order applicable to the AMP Business, or to Ardagh, AMPSA or MergeCo or any of their respective properties or assets; (c) violate, conflict with, result in any breach of, constitute a default (or an event which, with or without the giving of notice or lapse of time, or both, would become a default) under, or result in the loss of any right or benefit under, or result in the creation or imposition of any Encumbrance (other than a Permitted Encumbrance) on, require any consent, approval or waiver under, or give to others any rights of termination, amendment, acceleration or cancellation of, any AMP Material Contract or Permit, or any Ardagh Existing Indebtedness; or (d) otherwise result in the creation of any Encumbrance (other than a Permitted Encumbrance) upon any of the material properties or assets of the AMP Business, except in the case of clauses (b), (c) and (d) for any such breaches, violations, defaults, rights or Encumbrances as would not, individually or in the aggregate, be material to the AMP Business or the AMP Entities, taken as a whole.

Section 4.3 Governmental Authorities; Consents. Except (a) for the Regulatory Approvals, (b) the recording of the issuance of Shares in a *constat d'augmentation de capital* passed by a Luxembourg notary and the subsequent registration of such capital increase with the Luxembourg *Registre de Commerce et des Sociétés* and (c) as may be necessary as a result of any facts or circumstances relating solely to GHV, no consent, waiver, authorization, license or approval of, action by, filing with or notification to any Governmental Authority is

required for the consummation by Ardagh, AMPSA or MergeCo (or any AMP Entity) of the Transactions or the execution, delivery and performance of this Agreement and the Related Agreements to which they are a party, except where the failure to obtain such consent, waiver, authorization, license, approval or action or to make such filing or notification would not, individually or in the aggregate, be material to the AMP Business or the AMP Entities, taken as a whole.

Section 4.4 Capitalization.

(a) A true, correct and complete list of the AMP Entities, together with the jurisdiction of organization or incorporation of each AMP Entity and a description of the capitalization of each such AMP Entity and the names of the record owners of all securities and other equity interests in each AMP Entity, in each case, as of the date of this Agreement, is set forth on Section 4.4 of the Ardagh Disclosure Schedule. Each AMP Entity has been duly formed or organized and is validly existing under the Laws of its jurisdiction of incorporation or organization and has the requisite corporate or entity power and authority to own, lease or operate its assets and to conduct its business as it is now being conducted, except where the failure to have such power and authority would not, individually or in the aggregate, be material to the AMP Business or the AMP Entities, taken as a whole. Each AMP Entity is duly licensed or qualified and in good standing as a foreign corporation (or other entity, if applicable) in each jurisdiction in which its ownership of property or the character of its activities requires it to be so licensed or qualified and in good standing, as applicable, except where the failure to be so licensed or qualified, would not have an AMP Material Adverse Effect. All of the issued and outstanding equity or other ownership interests of the AMP Entities have been issued in all material respects with the applicable Organizational Documents of each AMP Entity and with applicable Law, and have not been issued in violation of any preemptive or similar rights. All of the issued and outstanding equity or other ownership interests of the AMP Entities are owned, directly or indirectly, by Ardagh free and clear of all Encumbrances other than Permitted Encumbrances and, as of the Closing, all of the issued and outstanding equity or other ownership interests of the AMP Entities (other than AMPSA) will be owned, directly or indirectly, by AMPSA, free and clear of all Encumbrances other than Permitted Encumbrances. Ardagh has made available to GHV true, correct and complete copies of the Organizational Documents of each AMP Entity as in effect on the date of this Agreement.

(b) As of the date hereof, the authorized share capital of AMPSA consists of 100,000,000,000 Shares, of which 3,000,000 Shares are outstanding, and Ardagh is the sole record and beneficial holder of such Shares. The Shares and AMPSA Warrants constituting the GHV Merger Consideration shall be duly and validly issued, fully paid and nonassessable, and each such Share and AMPSA Warrant to be issued as part of the GHV Merger Consideration shall be issued in compliance with in all material respects with the AMPSA Organizational Documents and applicable Law, free and clear of all Encumbrances, other than those imposed under applicable Securities Laws or any of the Related Agreements. Except as expressly contemplated by this Agreement and the Related Agreements, (i) there are no other options, warrants, preemptive rights, calls, convertible securities, conversion rights, exchange rights, subscription rights or other rights, agreements, arrangements or commitments of any character relating to the issued or unissued capital stock of AMPSA or obligating AMPSA to issue or sell, or otherwise cause to become outstanding, any shares of capital stock of, or other equity interests

in, AMPSA, (ii) AMPSA is not a party to, or otherwise bound by, and AMPSA has not granted, any equity appreciation rights, participations, phantom equity, incentive equity or similar rights and (iii) there are no voting trusts, voting agreements, proxies, shareholder agreements or other similar agreements with respect to the voting or transfer of the Shares or any of the equity interests or other securities of AMPSA.

(c) All of the issued and outstanding capital stock of MergeCo is, and immediately prior to the Effective Time will be owned, directly or indirectly, by AMPSA. MergeCo was formed solely for the purpose of entering into the Transactions and, since the date of its formation, has not carried on any business, other than the execution of this Agreement, the performance of its obligations hereunder and matters ancillary thereto.

True, correct and complete copies of the AMP Consolidated Financial Statements are set forth on Section 4.5 of the Ardagh Disclosure Schedule.

(c) Ardagh and the AMP Entities have established and maintain a system of internal accounting controls that are sufficient to provide reasonable assurance regarding the reliability of the financial reporting and the preparation of the financial statements of Ardagh (to the extent relevant to the preparation of the AMP Consolidated Financial Statements and the PCAOB Financials) and the AMP Entities for external purposes in accordance with IFRS. None of Ardagh or any AMP Entity has identified or been made aware of any fraud, whether or not material, that involves the management or other employees of Ardagh or any AMP Entity that have a significant role in Ardagh’ s (to the extent related to the AMP Business) or any AMP Entity’ s internal control over financial reporting or any claim or allegation regarding any of the foregoing.

Section 4.6 Undisclosed Liabilities. Except for Liabilities incurred in the ordinary course of business consistent with past practice after December 31, 2020 (the “AMP Balance Sheet Date”), neither the AMP Business nor any AMP Entity has any Liabilities that would be required to be reflected or reserved against in a combined balance sheet of the AMP

Entities prepared in accordance with IFRS, except, in each case, those which would not have an AMP Material Adverse Effect.

No Action by or against Ardagh or its Affiliates (to the extent related to the AMP Business) or any AMP Entity is pending or, to the Knowledge of Ardagh, threatened, challenging the legality, validity or enforceability of this Agreement or the consummation of the Transactions. There is no Action pending or, to the Knowledge of Ardagh, threatened in writing against (and there are no outstanding Governmental Orders with respect to) Ardagh or its Affiliates (to the extent related to the AMP Business), any AMP Entity or any of their respective properties or assets, or, to the Knowledge of Ardagh, against any of their respective directors, managers or officers, by or before any Governmental Authority or by any third party, other than such Actions or Governmental Orders as would not, individually or in the aggregate, be material to the AMP Business or the AMP Entities, taken as a whole. There is no pending or, to the Knowledge of Ardagh, threatened (in writing) audit, examination or investigation by any Governmental Authority against Ardagh or any of its Affiliates (to the extent related to the AMP Business) or any AMP Entity, or any of their respective directors, officers, properties or assets, other than any such audit, examination or investigation as would not, individually or in the aggregate, be material to the AMP Business or the AMP Entities, taken as a whole. During the past three (3) years, (i) no event has occurred and, to the Knowledge of Ardagh, no condition or circumstance exists, that would reasonably be expected, with or without notice or the lapse of time or both, to constitute, or result in, directly or indirectly, a default under, a breach or violation in any material respect of, or a failure to comply in any material respect with, any applicable Laws by any AMP Entity or any AMP Business Employee, or by Ardagh or any of its Affiliates (other than any AMP Entity) or any employee thereof solely with respect to the AMP Business, (ii) no AMP Entity has been, and none of Ardagh or any of its other Affiliates has been (in each case, solely with respect to the AMP Business), sanctioned, fined or penalized for any violation of or failure to comply with any applicable Law, and (iii) no AMP Entity has received, and none of Ardagh or any of its other Affiliates has received (with respect to the AMP Business), any written or, to the Knowledge of Ardagh, other notice from any Governmental Authority alleging a violation of any applicable Law by any such Person, which, individually or in the aggregate, would be material to the AMP Business or the AMP Entities, taken as a whole.

(b) The AMP Entities hold all Permits necessary under applicable Laws for the conduct of the AMP Business as currently conducted and to own, lease and operate the properties of the AMP Business (which Permits are valid and in full force and effect) and are, and for the past three (3) years have been, in compliance with the terms of such Permits, except

for such failure or noncompliance which, individually or in the aggregate, would not be material to the AMP Business or the AMP Entities, taken as a whole. No Action is pending or, to the Knowledge of Ardagh, threatened in writing, seeking the revocation, cancellation, suspension or adverse modification of any such Permit.

Neither Ardagh nor any of its Subsidiaries (including any AMP Entity) has leased, licensed or otherwise granted to any Person the right to use or occupy such Owned Real Property or any material portion thereof, and there are no outstanding options, rights of first offer, rights of first

Section 4.23 Sufficiency of Assets. On the Closing Date, the assets owned, leased or licensed by the AMP Entities, together with the rights granted or services to be provided by Ardagh and its Subsidiaries to the AMP Entities pursuant to the Services Agreement, will constitute all of the assets, rights, title, interest and properties that are necessary for the AMP Entities to operate the AMP Business substantially in the manner in which it is conducted on the date hereof and as it will be conducted as of immediately prior to the Closing. As of the Closing, the AMP Entities will own and have good and marketable title to, or a valid leasehold interest in or right to use, all of such assets or properties that are material tangible assets or personal property, free and clear of all Encumbrances (other than Permitted Encumbrances). All material tangible assets and personal property have been maintained in all material respects in accordance with generally accepted industry practice, and are in good working order and condition, ordinary wear and tear excepted, and except as would not, individually or in the aggregate, be material to the AMP Business or the AMP Entities, taken as a whole.

Section 4.24 Product Liability; Product Warranties.

(a) Section 4.24(a) of the Ardagh Disclosure Schedule sets forth a true, correct and complete list of all material third-party product liability claims asserted against the AMP Entities or otherwise against Ardagh or any of its Affiliates (in each case, to the extent related to the AMP Business) over the past three (3) years. To the Knowledge of Ardagh, except as set forth on Section 4.24(a), (i) no AMP Entity has any material liability arising out of any injury to individuals or property as a result of the ownership, possession or use of any product designed, manufactured, maintained, delivered or sold by or on behalf of any AMP Entity or otherwise in respect of the AMP Business during the past three (3) years (each, a “Product”), and (ii) none of the AMP Entities has committed any act, or failed to commit any act, which would result in any material product liability or material liability for breach of warranty on the part of any AMP Entity with respect to the Products.

(b) All Products are processed, manufactured and marketed, in all material respects, in accordance with the specifications and standards (i) required by applicable Law and (ii) contained in customer Contracts. Except as set forth on Section 4.24(b) of the Ardagh Disclosure Schedule, during the past three (3) years, there have been no material warranty claims or voluntary or involuntary product recalls involving the Products.

(c) Except as set forth on Section 4.24(c) of the Ardagh Disclosure Schedule, during the past three (3) years, none of the AMP Entities or the AMP Business has been subject to a Governmental Authority shutdown or import or export prohibition or received any “warning letters” or “untitled letters” from any Governmental Authority or any written notice from any Governmental Authority alleging or asserting noncompliance, in any material respect, with any applicable Law related thereto, and, to the Knowledge of Ardagh, no Governmental Authority has threatened such action in writing.

Section 4.25 Debt Financing. FinanceCo has, as of the date of this Agreement, committed financing in the aggregate amount of \$2,650,000,000 (the “Committed Debt Financing”) pursuant to one or more executed commitment letters (the “Commitment Letter”), and one or more executed fee letters, in each case dated on or prior to the date of this Agreement,

among one or more substantially wholly-owned Affiliates controlled by Ardagh (the “AMPSA Financing Parties”) and the debt financing sources parties thereto (the “Commitment Debt Financing Sources”), copies of which have been provided to GHV, together with the related fee letter(s) (the “Commitment Financing Documents”). All conditions precedent to the funding of the Committed Debt Financing (the “Commitment Conditions Precedent”) are set forth in the Commitment Financing Documents delivered to GHV. As of the date of this Agreement, (a) there are no conditions precedent related to the funding of the full amount of the Committed Debt Financing other than the Commitment Conditions Precedent expressly set forth in the Commitment Financing Documents delivered to GHV, and (b) there are no, and there are not contemplated to be any, agreements, side letters or arrangements relating to the Committed Debt Financing that would affect the availability or conditionality of the Committed Debt Financing other than the Commitment Financing Documents delivered to GHV. None of the Commitment Financing Documents have been amended, restated or otherwise modified or waived as of the date of this Agreement, and the respective commitments contained therein have not been withdrawn, rescinded, amended, restated or otherwise modified in any respect as of the date of this Agreement. As of the date of this Agreement, each of the Commitment Financing Documents is in full force and effect and constitutes the legal, valid and binding obligations of the applicable AMPSA Financing Parties (subject to the Enforceability Exceptions), and to the Knowledge of Ardagh, each of the other parties thereto, and enforceable against the AMPSA Financing Parties, and, to the Knowledge of Ardagh, each of the other parties thereto, in accordance with its terms. As of the date of this Agreement, no event has occurred which would constitute a breach or default (or an event which with notice or lapse of time or both would constitute a default) or prevent any of the Commitment Conditions Precedent from being satisfied, in each case on the part of the AMPSA Financing Parties, or, to the Knowledge of Ardagh, any other parties thereto, under the Commitment Financing Documents. As of the date of this Agreement, Ardagh does not have any reason to believe that any of the Commitment Conditions Precedent will not be satisfied, or that the Debt Financing (or any portion thereof) will be delayed or otherwise not be available to be funded to the applicable AMPSA Financing Parties. Ardagh has fully paid, or caused to be fully paid, all commitment fees and other fees to the extent required to be paid on or prior to the date of this Agreement in connection with the Committed Debt Financing.

Section 4.26 No Other Representations or Warranties.

(a) Except for the representations and warranties contained in this Article IV, neither Ardagh nor any of its Affiliates is making, and expressly disclaims, any representation or warranty, express or implied, with respect to Ardagh, its Affiliates or the AMP Business or with respect to any other information provided, or made available, to GHV or any of its Affiliates or Representatives in connection with the Transactions, including information, documents, projections, forecasts or other material made available to GHV, its Affiliates or Representatives in any “data rooms,” management presentations or otherwise in connection with the Transactions.

(b) Each of Ardagh, AMPSA and MergeCo acknowledges that it is not relying on, and that GHV and its Affiliates have not made, any representation or warranty except as specifically set forth in Article V.

ARTICLE V
REPRESENTATIONS AND WARRANTIES OF GHV

Except as set forth on the GHV Disclosure Schedules or in the SEC Reports (to the extent the qualifying nature of such disclosure is readily apparent from the content of such SEC Reports, but excluding disclosures referred to in “Forward Looking Statements”, “Risk Factors” and any other disclosures therein to the extent they are of a predictive or cautionary nature or related to forward looking statements), GHV represents and warrants to Ardagh as follows as of the date of this Agreement and as of the Closing Date (provided that representations that by their terms speak specifically as of the date of this Agreement or another date, shall be deemed given as of such date):

Section 5.1 Organization and Authority.

(a) GHV is a legal entity duly organized, validly existing and in good standing under the Laws of the State of Delaware. GHV has all requisite power and authority to conduct its business as it is now being conducted and, if applicable, to own, lease and operate its property and assets, except where the failure to have such power and authority would not have a GHV Material Adverse Effect. GHV has all requisite corporate power and authority to enter into this Agreement and each of the Related Agreements to which it is a party, and, following receipt of the GHV Stockholder Approval, to carry out its obligations hereunder and thereunder and to consummate the transactions contemplated hereby and thereby. GHV is duly licensed or qualified to do business and is in good standing (to the extent such concepts are recognized under applicable Law) in each jurisdiction in which the properties owned or leased by it or the operation of its business requires such licensing or qualification, except to the extent that the failure to be so licensed, qualified or in good standing would not have a GHV Material Adverse Effect. GHV has made available to Ardagh true, correct and complete copies of the Organizational Documents of GHV as in effect on the date of this Agreement.

(b) The execution and delivery of this Agreement and each of the Related Agreements to which it is a party by GHV, the performance by GHV of its obligations hereunder and thereunder and the consummation by GHV of the transactions contemplated hereby and thereby have been duly authorized by all requisite action on the part of GHV, subject to the receipt of GHV Stockholder Approval. Other than receipt of GHV Stockholder Approval, no other action on the part of GHV is necessary to authorize this Agreement and the Related Agreements to which GHV is a party or the consummation of the transactions contemplated hereby and thereby. This Agreement has been, and upon their execution and delivery each of the Related Agreements to which GHV is a party shall have been, duly executed and delivered by it, and (assuming due authorization, execution and delivery by the other parties thereto) this Agreement constitutes, and upon their execution the Related Agreements to which GHV is a party shall constitute, subject only to the receipt of GHV Stockholder Approval, the legal, valid and binding obligations of GHV, enforceable against it in accordance with their respective terms, except as the enforceability hereof may be limited by the Enforceability Exceptions.

Section 5.2 Noncontravention. The execution, delivery and performance by GHV of this Agreement and each of the Related Agreements to which GHV is party, and the consummation of the transactions contemplated hereby and thereby by GHV, subject to receipt

of the GHV Stockholder Approval, do not and shall not (a) violate, conflict with or result in the breach of any provision of the Organizational Documents of GHV; (b) assuming that all applicable Regulatory Approvals have been obtained, contravene, conflict with or violate any Law or Governmental Order applicable to GHV; or (c) violate, conflict with, result in any breach of, constitute a default (or an event which, with or without the giving of notice or lapse of time, or both, would become a default) under, or result in the loss of any right or benefit under, or result in the creation or imposition of any Encumbrance (other than a Permitted Encumbrance) on, require any consent, approval or waiver under, or give to others any rights of termination, amendment, acceleration or cancellation of, any GHV Material Contract or Permit, except in the case of clauses (b) and (c) for any such breaches, defaults, loss of rights or benefits or Encumbrances as would not have a GHV Material Adverse Effect.

Section 5.3 Governmental Authorities; Consents. Except (a) for the Regulatory Approvals and (b) as may be necessary as a result of any facts or circumstances relating solely to Ardagh, no consent, waiver, authorization, license or approval of, action by, filing with or notification to any Governmental Authority is required for the consummation by GHV of the Transactions, except where the failure to obtain such consent, approval or action or to make such filing or notification would not have a GHV Material Adverse Effect.

Section 5.4 Capitalization.

(a) The authorized capital stock of GHV consists of (i) 400,000,000 shares of GHV Class A Common Stock, (ii) 40,000,000 shares of GHV Class F Common Stock and (iii) 1,000,000 shares of GHV Preferred Stock. As of the date of this Agreement, there are (A) 52,500,000 shares of GHV Class A Common Stock issued and outstanding, (B) 13,125,000 shares of GHV Class F Common Stock issued and outstanding, and immediately prior to the GHV Class F Conversion, 3,281,250 shares of GHV Class F Common Stock will be canceled for no consideration, (C) no shares of GHV Preferred Stock issued and outstanding and (D) GHV Warrants to purchase 16,750,000 shares of GHV Class A Common Stock at a price of \$11.50 per share. Except as expressly contemplated by this Agreement, there are no other shares of common stock, preferred stock or other equity interests of GHV authorized, reserved, issued (or planned to be issued) or outstanding.

(b) All of the outstanding shares of GHV capital stock (including any preferred stock and the GHV Warrants) have been duly authorized and are validly issued, fully paid and non-assessable and have been issued in accordance with all applicable Securities Laws. GHV does not have any outstanding bonds, debentures, notes or other obligations the holders of which have the right to vote (or are convertible into or exercisable for securities having the right to vote) with the GHV Stockholders on any matter. No issued and outstanding shares of any of the capital stock of GHV are held in treasury.

(c) Except for the GHV Warrants or as otherwise expressly contemplated by this Agreement, there are no outstanding options, warrants, purchase rights, subscription rights, conversion rights, exchange rights or other Contracts or commitments that would require GHV to issue, sell or otherwise cause to become outstanding any of its equity securities. There are no outstanding or authorized stock appreciation, phantom stock or similar rights with respect to the equity securities of GHV. Except as set forth in the GHV Organizational Documents, there are

no voting trusts or other agreements or understandings to which GHV is a party with respect to the voting of the capital stock or other equity interests of GHV.

(d) GHV does not directly or indirectly own any equity or similar interest in, or any interest convertible or exchangeable or exercisable for, any equity or similar interest in any corporation, partnership, joint venture, business association or other Person.

Section 5.5 SEC Reports; Financial Statements.

(a) GHV has timely filed or furnished, as applicable, all required registration statements, reports, schedules, forms, statements and other documents, including any exhibits thereto, required to be filed by it with the SEC since August 5, 2020 (collectively, as they have been amended since the time of their filing and including all exhibits or schedules thereto and any other information incorporated therein, the “SEC Reports”). GHV has made available to Ardagh true and correct copies of all amendments and modifications that have not been filed by GHV with the SEC to all agreements, documents and other instruments that were previously filed by GHV with the SEC and are currently in effect. Each of the SEC Reports at the time of its filing or being furnished complied, or if not yet filed or furnished, will comply or, if amended, complied as of the date of the most recent amendment, in all material respects with the applicable requirements of the Securities Act, the Exchange Act, the Sarbanes-Oxley Act of 2002 and any rules and regulations promulgated thereunder applicable to the SEC Reports in effect as of the respective dates thereof. None of the SEC Reports, as of their respective dates (or if amended or superseded by a filing prior to the date of this Agreement or the Closing Date, then on the date of such filing), contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading. As of the date of this Agreement, there are no outstanding or unresolved comments in comment letters received from the SEC with respect to the SEC Reports. The audited financial statements and unaudited interim financial statements (including, in each case, the notes and schedules thereto) included in the SEC Reports (the “GHV Financial Statements”) complied or will comply, as the case may be, as to form in all material respects with the published rules and regulations of the SEC, the Exchange Act and the Securities Act in effect as of the respective dates thereof with respect thereto, were prepared or will be prepared, as the case may be, in accordance with GAAP applied on a consistent basis during the periods involved (except as may be indicated therein or in the notes thereto and except with respect to unaudited statements as permitted by Form 10-Q of the SEC) and fairly present (subject, in the case of the unaudited interim financial statements included therein, to normal year-end adjustments and the absence of complete footnotes) in all material respects the financial position, results of operations and cash flows of GHV as of the respective dates thereof and the results of their operations and cash flows for the respective periods then ended.

(b) GHV has established and maintains disclosure controls and procedures (as defined in Rule 13a-15 under the Exchange Act) that are designed to ensure that material information relating to GHV is made known to GHV’s principal executive officer and its principal financial officer, particularly during the periods in which the periodic reports required under the Exchange Act are being prepared. To the Knowledge of GHV, such disclosure controls and procedures are effective in timely alerting GHV’s principal executive officer and

principal financial officer to material information required to be included in GHV' s periodic reports required under the Exchange Act.

(c) GHV has established and maintained a system of internal controls and, to the Knowledge of GHV, such internal controls are sufficient to provide reasonable assurance regarding the reliability of GHV' s financial reporting and the preparation of the GHV Financial Statements for external purposes in accordance with GAAP.

(d) To the Knowledge of GHV, each director and executive officer of GHV has filed with the SEC on a timely basis all statements required by Section 16(a) of the Exchange Act and the rules and regulations promulgated thereunder.

Section 5.6 Undisclosed Liabilities. Except for (a) Liabilities incurred in the ordinary course of business consistent with past practice after the date of GHV' s balance sheet for the quarterly period ended December 31, 2020 (the "GHV Balance Sheet Date"), or (b) Liabilities reflected or reserved for in the SEC Reports, GHV does not have any Liabilities, except, in each case, those which would not have a GHV Material Adverse Effect.

Section 5.7 Actions. As of the date of this Agreement, no Action by or against GHV is pending or, to the Knowledge of GHV, threatened in writing, challenging the legality, validity or enforceability of this Agreement or the consummation of the Transactions. There is no Action pending or, to the Knowledge of GHV, threatened against (and there are no outstanding Governmental Orders with respect to) GHV by or before any Governmental Authority or by any third party, other than such Actions or Governmental Orders as would not have a GHV Material Adverse Effect.

Section 5.8 Compliance with Laws; Permits.

(a) GHV is not in violation of any Laws applicable to the conduct of its business, except as would not have a GHV Material Adverse Effect; provided, however, that this Section 5.8 does not apply with respect to Taxes, which is exclusively the subject of the representations and warranties in Section 5.16.

(b) GHV holds all Permits necessary under applicable Laws for the conduct of its business as presently conducted (which Permits are in full force and effect) and is in compliance with the terms of such Permits, except where the failure to have or to be in compliance with such Permits would not have a GHV Material Adverse Effect. As of the date of this Agreement, no Action is pending or, to the Knowledge of GHV, threatened, seeking the revocation or cancellation of any such Permit relating to its business, except as would not have a GHV Material Adverse Effect.

Section 5.9 Financial Ability; Trust Account. There is at least \$525,000,000 (less, as of the Closing, the amount payable pursuant to GHV Stock Redemption) invested in a trust account (the "Trust Account"), maintained by Continental Stock Transfer & Trust Company, acting as trustee (the "Trustee"), pursuant to that certain Investment Management Trust Agreement, dated August 10, 2020, by and between GHV and the Trustee (the "Trust Agreement"). Prior to the Closing, none of the funds held in the Trust Account may be released, except in accordance with the Trust Agreement and GHV Organizational Documents. Amounts

in the Trust Account are invested in United States “government securities” within the meaning of Section 2(a)(16) of the Investment Company Act, having a maturity of one hundred and eighty (180) days or less or in money market funds meeting certain conditions under Rule 2a-7 promulgated under the Investment Company Act. GHV has performed all material obligations required to be performed by it to date under, and is not in material default or delinquent in performance or any other respect (claimed or actual) in connection with, the Trust Agreement, and no event has occurred that, with due notice or lapse of time or both, would constitute such a default thereunder. There are no claims or proceedings pending with respect to the Trust Account. Since August 5, 2020, GHV has not released any money from the Trust Account except as permitted pursuant to the Trust Agreement and the GHV Organizational Documents. As of the Closing, the obligations of GHV to dissolve or liquidate pursuant to the GHV Organizational Documents shall terminate, and as of the Closing, GHV shall have no obligation whatsoever pursuant to the GHV Organizational Documents to dissolve and liquidate the assets of GHV by reason of the consummation of the Transactions. The Trust Agreement is valid and in full force and effect and enforceable in accordance with its terms and has not been amended or modified. There are no separate Contracts, side letters or other arrangements or understandings (whether written or unwritten, express or implied) that would cause the description of the Trust Agreement in the SEC Reports to be inaccurate or that would entitle any Person (other than pursuant to a GHV Stock Redemption, if any) to any portion of the proceeds in the Trust Account. There are no proceedings pending with or, to the Knowledge of GHV, threatened by any Governmental Authority with respect to the Trust Account.

Section 5.10 Brokers’ Fees; Transaction Expenses.

(a) Except as set forth on Section 5.10(a) of the GHV Disclosure Schedule, no broker, finder or investment banker is entitled to any brokerage, finder’ s or other fee or commission in connection with the Transactions based upon arrangements made by or on behalf of GHV or any of its Affiliates. The fees of such brokers, finders or investment bankers set forth on Section 5.10(a) of the GHV Disclosure Schedule shall be the sole responsibility of GHV.

(b) Section 5.10(b) of the GHV Disclosure Schedule sets forth an estimate and description of the Transaction Expenses incurred by GHV to the date of this Agreement and GHV’ s good faith estimate of the Transaction Expenses to be incurred by GHV as of the Closing. Except as set forth on Section 5.10(b) of the GHV Disclosure Schedule and any Indebtedness expressly permitted to be incurred pursuant to Section 6.2(f), none of the GHV Transaction Expenses are expenses payable or liabilities in respect of or obligations to the Sponsor or any of its Affiliates.

Section 5.11 Business Activities. Since its incorporation, GHV has not conducted any business activities other than activities directed toward completing a Business Combination. Except as set forth in the GHV Organizational Documents, there is no agreement, commitment or Governmental Order binding upon GHV or to which GHV is a party that has or would reasonably be expected to have the effect of prohibiting or impairing any business practice of GHV, other than such effects which would not have a GHV Material Adverse Effect.

Section 5.12 Material Contracts. Section 5.12 of the GHV Disclosure Schedule sets forth a true, correct and complete list of each “material contract” (as such term is

defined in Regulation S-K of the SEC) to which GHV is party which is not included in the SEC Reports (the material contracts included in [Section 5.12](#) of the GHV Disclosure Schedule and the SEC Reports, the “[GHV Material Contracts](#)”). Each GHV Material Contract is in full force and effect and, to the Knowledge of GHV, is valid and binding upon and enforceable against each of the parties thereto, except insofar as enforceability may be limited by the Enforceability Exceptions. True, correct and complete copies of all GHV Material Contracts have been made available to Ardagh.

Section 5.13 [Employees.](#)

(a) Other than as expressly described in the SEC Reports, GHV has no, and never had, any director, officer, employee or other individual service provider (collectively, “[GHV Employees](#)”). No GHV Employee is or has been covered by any Collective Bargaining Agreement nor is the consent of, consultation of, rendering of formal advice by, issuance of notice to, or making any filing with, any Employee Representative Body or any Governmental Authority required for GHV to enter into this Agreement or to consummate the Transactions. Other than reimbursement of any out-of-pocket expenses incurred by GHV’s officers and directors in connection with activities on GHV’s behalf in an aggregate amount not in excess of the amount of cash held by GHV outside of the Trust Account, GHV has no, and would not reasonably be expected to have any, unsatisfied Liability with respect to any GHV Employee.

(b) GHV has never sponsored, maintained or contributed, or been obligated to contribute to, any material Plan nor does GHV have or would reasonably be expected to have any Liability with respect to any material Plan. No Affiliate of GHV sponsors, maintains or contributes to any Plan for the benefit of any GHV Employee or his or her dependents or beneficiaries, including any material Plan that would provide for post-termination or post-retirement health, medical or life insurance benefits for the benefit of any GHV Employee. None of GHV nor any of its ERISA Affiliates sponsor, maintain, participate in, contribute to or is obligated to contribute to or in the past six (6) years has sponsored, maintained, participated in, contributed to or was obligated to contribute to a Plan that is subject to Title IV of ERISA or is a “multiple employer plan” as defined in Section 413(c) of the U.S. Code or a “multiple employer welfare arrangement” within the meaning of Section 3(40) of ERISA.

(c) Neither the execution or delivery of this Agreement or the Related Agreements nor the consummation of the Transactions would reasonably be expected to (either alone or in combination with another event) result in: (i) any payment, compensation or benefit becoming due, or increase in the amount of any payment, compensation or benefit due, to any GHV Employee; (ii) the acceleration of the time of payment or vesting of any payment or benefits with respect to any GHV Employee; or (iii) any funding of compensation or benefits under any Plan or to any GHV Employee. None of GHV nor any of its Affiliates has any obligation to gross-up, indemnify or otherwise reimburse any GHV Employee for any Taxes incurred by such GHV Employee or any interest or penalty related thereto.

Section 5.14 [Listing.](#) The GHV Class A Common Stock is registered pursuant to Section 12(b) of the Exchange Act and listed on Nasdaq under the symbol “GRSV”. The GHV Warrants are listed on Nasdaq under the symbol “GRSVW”. The GHV Units are listed on Nasdaq under the symbol “GRSVU”. GHV has not received any oral or written notice that the

GHV Class A Common Stock, the GHV Warrants or the GHV Units are ineligible or will become ineligible for listing on Nasdaq nor that the GHV Class A Common Stock, the GHV Warrants or GHV Units do not meet all requirements for the continuation of such listing. GHV has not taken any action that is intended to terminate the registration of the GHV Class A Common Stock, the GHV Warrants or GHV Units under the Exchange Act. GHV satisfies all of the requirements for the continued listing of the GHV Class A Common Stock, the GHV Warrants and the GHV Units on Nasdaq. GHV is in material compliance with all applicable Nasdaq listing and corporate governance rules.

Section 5.15 Investment Company. GHV is not an “investment company” within the meaning of the Investment Company Act.

Section 5.16 Taxes.

(a) All material Tax Returns required to have been filed by or with respect to GHV have been timely filed (taking into account any valid extension of time to file granted or obtained) and such Tax Returns are true, correct and complete in all material respects.

(b) All material amounts of Taxes owed by GHV (whether or not shown on any Tax Return) have been fully and timely paid other than Taxes which are not yet due and payable and which have been adequately accrued and reserved in accordance with GAAP. Since the date of the most recent GHV Financial Statements, GHV has not incurred any material Tax liability outside the ordinary course of business other than Taxes resulting from the Transactions.

(c) There are no pending Actions against GHV for any material amount of Taxes, and GHV has not received notice of any such Action in writing from any Taxing Authority that asserts any deficiency or claim for a material amount of Taxes against GHV that has not been fully and timely paid, settled or adequately reserved in the most recent GHV Financial Statements.

(d) To the Knowledge of GHV as of the date hereof, no claim has been made within the prior three (3) years by any Taxing Authority in a jurisdiction where GHV does not file Tax Returns that GHV is or may be subject to taxation by, or required to file Tax Returns in, such jurisdiction.

(e) There are no Tax liens on any assets of GHV (other than Permitted Liens).

(f) GHV has withheld and fully and timely paid to the appropriate Governmental Authority all material amounts of Taxes required to have been withheld and paid by GHV in connection with amounts paid or owing to any current or former employee, independent contractor, creditor, stockholder or other third party, and have complied in all material respects with applicable Law with respect to such Taxes.

(g) GHV has not constituted a “distributing corporation” or a “controlled corporation” (within the meaning of Section 355(a)(1)(A) of the Code) in a distribution of shares qualifying for tax-free treatment under Section 355 of the Code (or so much of Section 356 of the Code as relates to Section 355 of the Code) in the last two years prior to the date of this Agreement.

56

(h) GHV has not executed or entered into a closing agreement pursuant to Section 7121 of the Code or any similar provision of federal, state, provincial or local Law, and GHV is not subject to any private letter ruling of the IRS or comparable ruling of any other Taxing Authority.

(i) GHV will not be required to include any amounts in income in, or exclude any items of deduction from, taxable income for any Post-Closing Tax Period as a result of any: (i) adjustment pursuant to Section 481 of the Code (or any corresponding or similar provision of state, provincial or local Law) as a result of a change in method of accounting occurring prior to the Closing; (ii) intercompany transactions or excess loss account described in U.S. Treasury Regulations under Section 1502 of the Code (or any corresponding or similar provision of state, provincial or local Law) made or existing prior to the Closing; (iii) installment sale or open transaction disposition made prior to the Closing; or (iv) prepaid amount received or deferred revenue realized prior to the Closing.

(j) GHV has not elected the installment method for the payment of Taxes incurred pursuant to Section 965 of the Code.

(k) GHV has not been a party to any “listed transaction” within the meaning of U.S. Treasury Regulation Section 1.6011-4(b).

(l) GHV has no material liability for the Taxes of any Person under U.S. Treasury Regulation Section 1.1502-6 (or any similar provision of state, local or non-U.S. Law) as a transferee or successor, by Contract or otherwise.

(m) GHV is not a party to, or bound by, any Tax allocation, Tax sharing or Tax indemnification agreement (other than customary provisions in agreements entered into in the ordinary course of business the primary purpose of which does not relate to Taxes).

(n) To the Knowledge of GHV, there are no facts, circumstances or plans that, either alone or in combination, could reasonably be expected to prevent the Merger, taken together with the PIPE Investment and all or a portion of the steps in the Pre-Closing Restructuring from qualifying for the Intended Tax Treatment.

Section 5.17 Proxy Statement/Prospectus and Registration Statement. None of the information relating to GHV supplied by GHV in writing for inclusion in the Proxy Statement/Prospectus or Registration Statement will, as of the date the Registration Statement is declared effective, as of the date the Proxy Statement/Prospectus (or any amendment or supplement thereto) is first mailed to the GHV Stockholders, at the time of the GHV Stockholders’ Meeting, or at the Effective Time, contain any misstatement of a material fact or omission of any material fact necessary to make the statements therein, in light of the circumstances under which they are made, not misleading; provided, that GHV and its Affiliates make no representation with respect to any forward-looking statements supplied by or on behalf of GHV or its Affiliates for inclusion in, or relating to information to be included in the Proxy Statement/Prospectus or Registration Statement.

Section 5.18 Absence of Changes.

(a) Since the GHV Balance Sheet Date, there has not occurred a GHV Material Adverse Effect.

(b) Without limiting the generality of Section 5.18(a), (i) except in connection with or in preparation for the Transactions, since the GHV Balance Sheet Date and through the date of this Agreement, GHV has conducted its business in the ordinary course consistent with past practice in all material respects, and (ii) since the GHV Balance Sheet Date, GHV has not taken any action that, if taken during the period from the date of this Agreement through the Closing, would require the consent of Ardagh pursuant to Section 6.2.

Section 5.19 No Other Representations or Warranties.

(a) Except for the representations and warranties contained in this Article V, neither GHV nor any of its Affiliates is making, and expressly disclaims, any representation or warranty, express or implied, with respect to GHV or its Affiliates or their respective businesses with respect to any other information provided, or made available, to Ardagh or any of its Affiliates or Representatives in connection with the Transactions, including information, documents, projections, forecasts or other material made available to Ardagh, its Affiliates or Representatives in any “data rooms,” management presentations or otherwise in connection with the Transactions.

(b) GHV acknowledges that it is not relying on, and that Ardagh and its Affiliates have not made, any representation or warranty except as specifically set forth in Article IV.

Section 6.1 Conduct of the AMP Business. During the period commencing on the date of this Agreement and ending as of the earlier of (i) the termination of this Agreement in accordance with Article VIII, and (ii) the Closing (the “Interim Period”), except (A) as required by applicable Law, Governmental Order or other directive by a Governmental Authority (including any COVID-19 Measures), (B) as set forth on Section 6.1 of the Ardagh Disclosure Schedule, (C) for the Pre-Closing Restructuring, (D) as expressly contemplated by this Agreement or (E) with the prior written consent of GHV (such consent not to be unreasonably withheld, conditioned or delayed), Ardagh shall (solely with respect to the AMP Business), and shall cause the AMP Entities to:

(a) conduct the AMP Business in the ordinary course of business consistent with past practice in all material respects; provided, that, in the case of actions that are taken (or omitted to be taken) reasonably in response to an emergency or urgent condition or conditions arising from COVID-19 or legal requirements related to COVID-19 (including any COVID-19 Measures), Ardagh and the AMP Entities shall not be deemed to be acting outside of the ordinary course of business, so long as such actions or omissions are reasonably designed to protect the health or welfare of employees, directors, officers or agents or to meet such legal requirements;

(d) not sell, transfer, assign, lease, sublease, license or otherwise dispose of any material assets (excluding Intellectual Property) of any AMP Entity or of the AMP Business, other than in the ordinary course of business consistent with past practice (which ordinary course of business consistent with past practice includes, for the avoidance of doubt, the financing or sale of accounts receivable in connection with any factoring or other supply chain financing arrangements of a type that have historically been entered into in the operation of the AMP Business);

(e) not (i) amend the Organizational Documents of any of the AMP Entities, (ii) authorize, recommend, propose or announce an intention to adopt a plan of complete or partial liquidation, restructuring, recapitalization, dissolution or winding up of any of the AMP Entities, or (iii) form or establish a Subsidiary that would be an AMP Entity;

(h) not incur, assume or guarantee any Indebtedness for borrowed money other than (i) in connection with the Debt Financing, (ii) Indebtedness that shall be repaid, settled, canceled or terminated prior to the Closing (iii) intercompany Indebtedness between AMP Entities, and (iv) to replace Indebtedness (on substantially similar terms) that is maturing, expiring or otherwise terminating;

any other Person (other than in the ordinary course of business to a Person bound by customary written confidentiality obligations);

(j) except as required under the terms of any Plan or Collective Bargaining Agreement as in effect on the date of this Agreement or applicable Law or as contemplated by this Agreement, not (i) enter into, adopt or amend any Plan that would be an AMP Business Plan if in effect on the date hereof, other than amendments that are generally applicable to employees of Ardagh and its Affiliates and do not disproportionately impact AMP Business Employees, (ii) increase the compensation and benefits provided to any AMP Business Employee or former employee of, or other current or former service provider (who is a natural person) to, the AMP Business, other than any AMP Business Employees with annual base salary or wages of less than \$150,000, or (iii) terminate (other than for cause) any director or executive officer providing services primarily to the AMP Business, or give notice of any such action;

(k) not enter into or materially amend any Collective Bargaining Agreement (or enter into any other material commitment with any Employee Representative Body) covering any AMP Business Employee, except to renew or replace an existing Collective Bargaining Agreement on substantially similar terms or as required as a result of the Transactions or by Law;

(m) not enter into any (i) material line of business or (ii) business that is unrelated to the AMP Business;

(n) not release, assign, compromise, settle or agree to settle any Action material to the AMP Entities or their respective properties or assets, or to the AMP Business, unless such Action or settlement is solely monetary in nature and involves payments of less than \$1,000,000 in the aggregate; or

(o) not enter into an enforceable agreement, or otherwise agree or commit to do any of the foregoing.

Nothing contained in this Agreement shall be construed to give to GHV or any of its Affiliates, directly or indirectly, rights to control or direct the operations of the AMP Business during the Interim Period.

Section 6.2 Conduct of Business by GHV. During the Interim Period, GHV shall not directly or indirectly, take any action that would reasonably be likely to materially delay or prevent the Transactions; and except as (i) required by applicable Law, (ii) set forth on Section 6.2 of the GHV Disclosure Schedule, (iii) expressly contemplated by this Agreement or

(iv) with the prior written consent of Ardagh (such consent not to be unreasonably withheld, conditioned or delayed), GHV shall not:

- (a) amend the GHV Organizational Documents;

Section 6.3 PCAOB Financials. Ardagh shall deliver to GHV the combined income statements, statements of comprehensive income and statements of cash flows of the AMP Business for each of the years ended December 31, 2020, 2019 and 2018 and as at December 31, 2020, 2019, 2018 for the combined statements of financial position, which have been prepared on a carve-out basis from the consolidated financial statements of Ardagh to represent the financial position and performance of the AMP Business as if the AMP Business had existed on a stand-alone basis for each of the years ended December 31, 2020, 2019 and 2018 and as at December 31, 2020, 2019, and 2018 (together with the notes, if any, relating thereto), audited in accordance with the auditing standards of the PCAOB applicable to carve-out financial statements (collectively, the “PCAOB Financials”) as soon as reasonably practicable following the date hereof, but in any extent no later than February 28, 2021.

Section 6.4 GHV Public Filings.

(a) During the Interim Period, GHV will keep current and timely file all of the forms, reports, schedules, statements and other documents required to be filed by GHV with the SEC, including all necessary amendments and supplements thereto, and otherwise comply in all material respects with applicable securities Laws (the “Additional SEC Reports”). All such Additional SEC Reports (including any financial statements or schedules included therein) (i) shall be prepared in all material respects in accordance with either the requirements of the Securities Act, the Exchange Act and the Sarbanes-Oxley Act, as the case may be, and the rules and regulations promulgated thereunder and (ii) will not, at the time they are filed, or, if amended, as of the date of such amendment, contain any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they are made, not misleading. As used in this Section 6.4, the term “file” shall be broadly construed to include any manner in which a document or information is furnished, supplied or otherwise made available to the SEC or Nasdaq. Any Additional SEC Reports which discuss or refer to this Agreement or the Transactions, the contents of which are inconsistent with that of, or otherwise not disclosed in, any prior or contemporaneous press release or public announcement by Ardagh or GHV (or Affiliate thereof) in compliance with this Agreement shall be subject to the prior review and approval of Ardagh (which approval shall not to be unreasonably withheld, delayed or conditioned); provided in the case of a current report required to be filed by GHV or an Affiliate thereof on Form 8-K, GHV shall, prior to the filing of any such current report on Form 8-K, consult with Ardagh as to the timing and contents of such current report on Form 8-K, unless such consultation would not be reasonably feasible.

(b) During the Interim Period, GHV shall use its reasonable best efforts prior to the Merger to maintain the listing of the GHV Units, the GHV Common Stock and the GHV Warrants on Nasdaq.

Section 6.5 Proxy Statement/Prospectus; Registration Statement.

(a) As promptly as practicable after the execution of this Agreement and the delivery of the PCAOB Financials, (i) GHV, Ardagh and AMPSA prepare and GHV shall file with the SEC the proxy statement/prospectus (as amended or supplemented from time to time, the “Proxy Statement/Prospectus”) to be sent to the GHV Stockholders relating to the meeting of GHV Stockholders (the “GHV Stockholders’ Meeting”) for the purpose of soliciting proxies from GHV Stockholders for the matters to be acted upon at the GHV Stockholders’ Meeting and providing the public stockholders an opportunity in accordance with GHV Organizational Documents to redeem their shares of GHV Common Stock (the “GHV Stock Redemption”) in conjunction with the stockholder vote on the GHV Proposals and (ii) Ardagh, AMPSA and GHV shall prepare and AMPSA shall file with the SEC a registration statement on Form F-4 or such other applicable form as Ardagh and GHV may agree (as amended or supplemented from time to time, the “Registration Statement”), in which the Proxy Statement/Prospectus will be included, in connection with the registration under the Securities Act of the Shares and AMPSA Warrants to be issued in the Merger. Each Party shall use its reasonable best efforts to cause the Registration Statement and the Proxy Statement/Prospectus to comply with the applicable rules and regulations promulgated by the SEC, including providing any necessary opinions of counsel, to have the Registration Statement declared effective under the Securities Act as promptly as practicable after such filing, and to keep the Registration Statement effective as long as is necessary to consummate the Transactions. Each of Ardagh, AMPSA and GHV shall furnish all information as may be reasonably requested by the others in connection with any such action and the preparation, filing and distribution of the Registration Statement and the Proxy Statement/Prospectus. Ardagh and AMPSA also agree to use their respective reasonable best efforts to obtain all necessary Securities Law or “Blue Sky” permits and approvals required to carry out the Transactions, and GHV shall furnish all information concerning GHV as may be reasonably requested in connection with any such action; provided that without the prior written consent of GHV, neither Ardagh nor AMPSA shall use any such information for any purpose other than to obtain necessary Securities Law or “Blue Sky” permits and approvals.

(b) Promptly after the Registration Statement shall have become effective, GHV shall cause the Proxy Statement/Prospectus to be mailed to the GHV Stockholders. No filing of, or amendment or supplement to, the Registration Statement or the Proxy Statement/Prospectus will be made by GHV, Ardagh or AMPSA without providing the other with a reasonable opportunity to review and comment thereon and each Party shall give reasonable and good faith consideration to any comments made by any other Party and their counsel. Each of GHV, Ardagh and AMPSA will be given a reasonable opportunity to participate in the response to any SEC comments and to provide comments on that response (to which reasonable and good faith consideration shall be given), including by participating with GHV, Ardagh or AMPSA or their counsel in any discussions or meetings with the SEC. GHV shall comply in all material respects with all applicable rules and regulations promulgated by the SEC, any applicable rules and regulations of Nasdaq, GHV Organizational Documents, and this Agreement in the preparation, filing and distribution of the Proxy Statement/Prospectus, any solicitation of proxies thereunder, the calling and holding of the GHV Stockholders’ Meeting and the GHV Stock Redemption.

(c) If at any time prior to the Effective Time, any information relating to GHV, Ardagh or AMPSA or any of their respective affiliates, directors or officers, should be discovered by GHV, Ardagh or AMPSA which should be set forth in an amendment or

supplement to either the Registration Statement or the Proxy Statement/Prospectus, so that either such document would not include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they are made, not misleading, the Party that discovers such information shall promptly notify the other Parties and an appropriate amendment or supplement describing such information shall be promptly filed with the SEC and, to the extent required by Law, disseminated to the GHV Stockholders.

(d) Each of GHV, Ardagh and AMPSA will advise the other Parties promptly after it receives any oral or written request by the SEC for amendment of the Proxy Statement/Prospectus or the Registration Statement, as applicable, or comments thereon and responses thereto, any oral or written comments or requests in relation to the GHV Stockholders' Meeting, or requests by the SEC for additional information and each Party will promptly provide the other with copies of any written communication between it or any of its Representatives, on the one hand, and the SEC, any state securities commission or their respective staffs, on the other hand, with respect to the Proxy Statement/Prospectus or the Registration Statement. GHV, Ardagh or AMPSA shall use their respective reasonable best efforts, after consultation with each other, to resolve all such requests or comments with respect to the Proxy Statement/Prospectus or the Registration Statement, as applicable, as promptly as reasonably practicable after receipt thereof.

(e) Without limiting the generality of the foregoing, each of GHV, Ardagh and AMPSA shall cooperate with each other in the preparation of each of the Proxy Statement/Prospectus and the Registration Statement, and each of Ardagh and GHV shall furnish AMPSA with all information concerning it and its affiliates as the providing party (after consulting with counsel) may deem reasonably necessary or advisable in connection with the preparation of the Proxy Statement/Prospectus or the Registration Statement, as applicable.

(f) GHV, Ardagh and AMPSA shall notify each other promptly of the time when the Registration Statement has become effective, of the issuance of any stop order or suspension of the qualification of the Shares or AMPSA Warrants issuable in connection with the Merger for offering or sale in any jurisdiction, or of the receipt of any comments from the SEC or the staff of the SEC and of any request by the SEC or the staff of the SEC for amendments or supplements to the Proxy Statement/Prospectus or the Registration Statement or for additional information.

(g) Subject to Section 6.5(h), GHV, acting through the GHV Board, shall include in the Proxy Statement/Prospectus the recommendation of the GHV Board that the GHV stockholders vote in favor of each of the Transactions, as provided in Section 5.5 (such recommendation as to each of the GHV Proposals, a "GHV Board Recommendation") and shall, consistent with the terms of this Agreement, otherwise use its reasonable best efforts to solicit proxies from the GHV Stockholders in favor of each of the GHV Proposals. Subject to Section 6.5(h), none of the GHV Board or any committee thereof shall withdraw or modify, or propose publicly or by formal action of the GHV Board to withdraw or modify, in a manner adverse to Ardagh or any AMP Entity, any GHV Board Recommendation.

(h) Notwithstanding anything in this Section 6.5 to the contrary, if, at any time prior to obtaining the GHV Stockholders' Meeting, the GHV Board determines, in good faith, after consultation with its outside legal counsel, that a GHV Intervening Event has occurred and that, as a result thereof, a failure to withdraw or modify a GHV Board Recommendation would be inconsistent with the GHV Board's fiduciary duties under applicable Law, then the GHV Board may withdraw or modify such GHV Board Recommendation; provided that GHV shall not withdraw or modify such GHV Board Recommendation unless (i) GHV first delivers to Ardagh a written notice advising Ardagh that the GHV Board proposes to take such action and containing the material facts underlying the GHV Board's determination that a GHV Intervening Event has occurred and that a failure to withdraw or modify a GHV Board Recommendation would constitute a breach by the GHV Board of its fiduciary obligations under applicable Law (a "GHV Intervening Event Notice"), and (ii) at or after 5:00 p.m. Eastern Time, on the fourth (4th) Business Day immediately following the day on which GHV delivered the GHV Intervening Event Notice (such period from the time the GHV Intervening Event Notice is provided until 5:00 p.m. Eastern Time on the fourth (4th) Business Day immediately following the day on which GHV delivered the GHV Intervening Event Notice (it being understood that any material development with respect to a GHV Intervening Event shall require a new notice, but with an additional three (3) Business Day (instead of four (4) Business Day) period from the date of such notice), the "GHV Intervening Event Notice Period"), the GHV Board reaffirms in good faith (after consultation with its outside legal counsel) that a failure to withdraw or modify such GHV Board Recommendation would be inconsistent with the GHV Board's fiduciary duties under applicable Law. If requested by Ardagh, GHV shall, and shall use its reasonable best efforts to cause its Representatives to, during the GHV Intervening Event Notice Period, engage in good faith negotiations with Ardagh and its respective Representatives to make such adjustments in the terms and conditions of this Agreement so as to obviate the need for any withdrawal or modification of such GHV Board Recommendation.

Section 6.6 GHV Stockholders' Meetings. GHV shall call the GHV Stockholders' Meeting in accordance with the GHV Organizational Documents and applicable Law for the purposes of voting upon the GHV Proposals as promptly as practicable after the date on which the SEC has declared the Registration Statement effective for the purpose of voting solely upon the GHV Proposals. GHV shall (a) consult with Ardagh in establishing the record date for the GHV Stockholders' Meeting and the date of the GHV Stockholders' Meeting, and (b) give notice to Ardagh of the GHV Stockholders' Meeting. Without the prior written consent of Ardagh, the GHV Proposals shall be the only matters (other than procedural matters) which GHV shall propose to be acted on by the GHV Stockholders at the GHV Stockholders' Meeting. Subject to Section 6.5(h), GHV shall use its reasonable best efforts to obtain the approval of the GHV Proposals at the GHV Stockholders' Meeting, including by soliciting from the GHV Stockholders proxies as promptly as possible in favor of the GHV Proposals. GHV shall provide Ardagh with updates with respect to the tabulated vote counts received by GHV. If on the date for which the GHV Stockholders' Meeting is scheduled, based on the tabulated vote count, GHV will not obtain the required approval of the GHV Required Proposals, whether or not a quorum is present, GHV shall have the right to (and at Ardagh's request will) make one or more successive postponements or adjournments of the GHV Stockholders' Meeting (it being understood that, in the event of any postponement or adjournment pursuant to the foregoing, the GHV Stockholders' Meeting shall not be held later than five (5) Business Days prior to the Outside Date); provided that GHV shall not, without the prior written consent of Ardagh (which consent shall not be

unreasonably withheld, conditioned or delayed), postpone or adjourn the special meeting more than three (3) times; provided, further, that Ardagh may not request the postponement or adjournment of the GHV Stockholders' Meeting more than once and such request shall not postpone or adjourn the GHV Stockholder's Meeting for more than five (5) Business Days.

Section 6.7 Access to Information. During the Interim Period, to the extent permitted by applicable Law, including applicable antitrust and competition Laws, or the requirements of any Governmental Authority, securities exchange or other regulatory organization with whose rules Ardagh or GHV is required to comply, each of Ardagh and GHV shall provide to the other and their respective Representatives reasonable access during normal business hours to all books, records, information, documents, personnel, offices, facilities and properties which such Party may reasonably request relating to the AMP Business or GHV's business, as applicable (including, for the avoidance of doubt, maintaining access to such Party's electronic data room); provided that such access shall only be upon the written request of Ardagh or GHV submitted reasonably in advance, shall not unreasonably disrupt personnel or interfere with the operations and properties of the AMP Business or GHV's business, as applicable, and shall be at the requesting Party's sole expense. In exercising its rights hereunder, the requesting Party shall conduct itself so as not to unreasonably interfere in the conduct of the AMP Business or GHV's business, as applicable. Each of Ardagh and GHV acknowledge and agree that any contact or communication by it and its Representatives with officers, employees or agents of the AMP Business or GHV's business, as applicable, hereunder shall be arranged and supervised by representatives of such Party granting access, unless such granting Party otherwise expressly consents in writing with respect to any specific contact. Notwithstanding anything to the contrary set forth in this Agreement, none of Ardagh, GHV or any of their respective Affiliates shall be required to disclose to the other Parties or any of their Representatives (a) any information (i) if doing so would violate any Contract or Law to which the Party granting access or any of its Affiliates is a party or is subject or which it believes in good faith would result in a loss of the ability to successfully assert a claim of privilege (including attorney-client and work product privileges), (ii) if the requesting Party or any of its Affiliates, on the one hand, and the Party from whom access has been requested or any of its Affiliates, on the other hand, are adverse parties in a litigation and such information is reasonably pertinent thereto, or (iii) if the Party from whom access has been requested reasonably determines that such information is competitively sensitive (provided that in such case such information shall be made available pursuant to mutually agreed "clean team" procedures, to the extent permissible and reasonably requested for the valuation and assessment of the AMP Business or GHV's business (as the case may be)), or (b) any other information relating to Taxes or Tax Returns to the extent unrelated to the AMP Business or the AMP Entities or GHV's business, as applicable. All information made available hereunder prior to the Closing shall be subject to the Confidentiality Agreement, and each of Ardagh and GHV shall not (and shall cause its respective Affiliates and Representatives not to) use any information obtained pursuant to this Section 6.7 or otherwise under this Agreement for any purpose unrelated to the Transactions. No investigation pursuant to this Section 6.7 shall affect any representation or warranty in this Agreement of Ardagh or GHV or any condition to the obligations of Ardagh, AMPSA, MergeCo or GHV.

Section 6.8 Further Assurances. Except as otherwise provided in this Agreement, during the Interim Period, each of the Parties shall, and shall cause its controlled Affiliates to, use their respective reasonable best efforts to take, or cause to be taken, all actions,

to do or cause to be done all things, necessary, proper or advisable under applicable Law or otherwise to carry out the provisions of this Agreement and to consummate and make effective as promptly as reasonably practicable, on the terms and conditions set forth in this Agreement, the Transactions, including executing and delivering such documents and other instruments as may be required. Without limiting the foregoing, upon the reasonable request of Ardagh or GHV, the requested Party shall, and shall cause its controlled Affiliates to, execute, acknowledge and deliver all such further assurances, deeds, assignments, consequences, powers of attorney and other instruments and agreements as may reasonably be required to effect the Transactions.

Section 6.9 Publicity. The initial press release relating to this Agreement shall be a joint press release issued on the date of this Agreement, the text of which has been agreed to by each of GHV and Ardagh. Thereafter, no press releases or similar public announcements related to this Agreement or the Transactions shall be issued by Ardagh or GHV or any of their respective Affiliates, without the prior written consent of Ardagh and GHV (not to be unreasonably withheld, conditioned or delayed), except (a) as may be required by applicable Law or by the terms of any listing agreement with a securities exchange on which the securities of Ardagh or GHV are listed (in which case Ardagh and GHV shall, prior to the issuance of any such press release or public announcement consult with the other as to the timing and contents of any such press release or public announcement, unless such consultation would not be reasonably feasible), or (b) any such press release or public announcement, the content of which is consistent with that of any prior or contemporaneous press release or public announcement by Ardagh or GHV (or Affiliate thereof) in compliance with this Agreement.

Section 6.10 Non-Solicitation.

(a) During the Interim Period, other than in connection with the Transactions, GHV agrees that it shall not, and shall not authorize or (to the extent within its control) permit any of its directors, officers, employees, agents or Representatives acting on its behalf (including investment bankers, attorneys and accountants), to, directly or indirectly, (i) initiate, solicit, or knowingly facilitate the making of any offers or proposals related to, an Alternate GHV Combination, (ii) enter into, engage in or continue any discussions or negotiations with respect to an Alternate GHV Combination with, or provide any non-public information, data or access to employees to, any Person that has made, or informs it that such Person is considering making, a proposal with respect to an Alternate GHV Combination, (iii) approve, endorse or recommend any Alternate GHV Combination, or (iv) enter into any agreement, letter of intent, memorandum of understanding, term sheet or other Contract relating to an Alternate GHV Combination. GHV shall promptly (and in no event later than twenty-four (24) hours after becoming aware of such proposal, offer or request for information) notify Ardagh of any proposals, offers or requests for information made with respect to an Alternate GHV Combination following GHV's awareness thereof and provide Ardagh a copy of such proposal, offer or request for information, if in writing. GHV and its officers and directors shall, and shall instruct and cause its Representatives acting on its behalf to, immediately cease and terminate all discussions and negotiations with any Person that may be ongoing with respect to a possible Alternate GHV Combination, other than with respect to the Transactions.

(b) During the Interim Period, other than in connection with the Transactions, Ardagh and AMPSA each agree that it shall not, will direct their respective Affiliates not to, and

shall not authorize or (to the extent within its control) permit any of its directors, officers, employees, agents or Representatives acting on its behalf (including investment bankers, attorneys and accountants), to, directly or indirectly, (i) initiate, solicit, or knowingly facilitate the making of any offers or proposals related to, an Alternate Ardagh Combination, (ii) enter into, engage in or continue any discussions or negotiations with respect to an Alternate Ardagh Combination with, or provide any non-public information, data or access to employees to, any Person that has made, or informs it that such Person is considering making, a proposal with respect to an Alternate Ardagh Combination, (iii) approve, endorse or recommend any Alternate Ardagh Combination, or (iv) enter into any agreement, letter of intent, memorandum of understanding, term sheet or other Contract relating to an Alternate Ardagh Combination. Ardagh or AMPSA, as applicable, shall promptly (and in no event later than twenty-four (24) hours after becoming aware of such proposal, offer or request for information) notify GHV of any proposals, offers or requests for information made with respect to an Alternate Ardagh Combination following the earlier of Ardagh's or AMPSA's awareness thereof and provide GHV a copy of such proposal, offer or request for information, if in writing. Ardagh, AMPSA and their respective officers and directors shall, and shall instruct and cause their respective Representatives acting on their behalf to, immediately cease and terminate all discussions and

negotiations with any Person that may be ongoing with respect to a possible Alternate Ardagh Combination, other than with respect to the Transactions.

Section 6.11 Directors' and Officers' Indemnification.

(a) From and after the Effective Time, AMPSA agrees that it shall, or shall cause a credit-worthy Subsidiary to, indemnify and hold harmless each current or former director or officer of GHV (each, together with such person's heirs, executors or administrators, a "D&O Indemnified Party") against any Losses suffered or incurred in connection with any Action, whether civil, criminal, administrative or investigative, arising out of or pertaining to such D&O Indemnified Party's service as a director or officer of GHV at or prior to the Effective Time, whether asserted or claimed prior to, at or after the Effective Time, to the fullest extent that GHV would have been permitted under the GHV Organizational Documents as of the date hereof to indemnify such D&O Indemnified Parties (including the advancement of expenses). Without limiting the foregoing, AMPSA agrees that all rights to exculpation, indemnification and advancement of expenses existing as of the date hereof in favor of each D&O Indemnified Party, as provided in the GHV Organizational Documents or in any indemnification agreement with GHV shall survive the Closing and shall continue in full force and effect. For a period of six (6) years after the Closing Date, AMPSA shall cause the Surviving Corporation to maintain in effect the exculpation, indemnification and advancement of expenses provisions of the GHV Organizational Documents as in effect as of the date hereof or in any indemnification agreement between GHV and any D&O Indemnified Party as in effect as of the date hereof, and AMPSA shall cause the Surviving Corporation to not amend, repeal, or otherwise modify any such provision in any manner that would adversely affect the rights of any D&O Indemnified Party thereunder; provided, that all rights to exculpation, indemnification or advancement of expenses in respect of any Actions pending or asserted or any claim made within such period shall continue until the disposition of such Action or resolution of such claim. From and after the Closing, AMPSA shall cause its applicable Subsidiary and the Surviving Corporation to honor, in accordance with their respective terms, each of the covenants contained in this Section 6.11(a).

(b) Prior to the Closing, GHV shall purchase a “tail” or “runoff” directors’ and officers’ liability insurance policy (the “D&O Tail”) in respect of acts or omissions occurring prior to the Effective Time covering each director or officer of GHV who is currently covered by a directors’ and officers’ liability insurance policy of GHV on terms with respect to coverage, deductibles and amounts that are no less favorable to such person on the whole than those of such policy in effect on the date of this Agreement for the six (6)-year period following the Closing. AMPSA shall cause the Surviving Corporation to maintain the D&O Tail in full force and effect for its full term in accordance with this Section 6.11(b).

(c) The rights of each D&O Indemnified Party hereunder shall be in addition to, and not in limitation of, any other rights such Person may have under the Organizational Documents of AMPSA, any other AMP Entity or their respective Subsidiaries, as applicable, any other indemnification agreement or arrangement with any of the foregoing to which they are a party, any Law or otherwise. (b) Performance of Obligations. GHV shall have performed or complied in all material respects with all agreements and covenants required by this Agreement to be performed or complied with by it on or prior to the Closing.

(c) Officer’s Certificate. GHV shall have delivered to Ardagh a certificate signed on behalf of GHV by an authorized officer of GHV to the effect that the conditions set forth in Section 7.3(a), Section 7.3(b) and Section 7.3(d) as they relate to GHV have been satisfied.

(f) Closing Deliverables. GHV shall have delivered to Ardagh the Closing deliverables set forth in Section 2.3(b).

Section 7.4 Frustration of Closing Conditions. No Party may rely on the failure of any condition set forth in this Article VII to be satisfied to excuse such Party’s obligation to effect the Closing if such failure was caused by such Party’s breach of a covenant, agreement, representation or warranty of this Agreement by such Party.

ARTICLE VIII TERMINATION

Section 8.1 Termination. This Agreement may be terminated and the Transactions abandoned:

(a) by written consent of GHV and Ardagh;

(b) by written notice from GHV to Ardagh if there has been a breach of any representation, warranty, covenant or other agreement made by Ardagh, AMPSA or MergeCo in this Agreement, or any such representation and warranty shall have become untrue or inaccurate after the date of this Agreement, in each case which breach, untruth or inaccuracy (i) would cause the conditions set forth in [Section 7.2\(a\)](#) or [Section 7.2\(b\)](#) to not be satisfied at the Closing Date (a “[Terminating Ardagh Breach](#)”), and (ii) shall not have been cured within thirty (30) days after written notice from GHV to Ardagh of such Terminating Ardagh Breach, or which breach, untruth or inaccuracy, by its nature, cannot be cured prior to the Outside Date; provided that GHV has not waived such Terminating Ardagh Breach and GHV is not then in breach of any representation, warranty, covenant or agreement such that the conditions set forth in [Section 7.3\(a\)](#) or [Section 7.3\(b\)](#) would not be satisfied;

(c) by written notice from Ardagh to GHV if there has been a breach of any representation, warranty, covenant or other agreement made by GHV in this Agreement, or any such representation and warranty shall have become untrue or inaccurate after the date of this Agreement, in each case which breach, untruth or inaccuracy (i) would cause the conditions set forth in [Section 7.3\(a\)](#) or [Section 7.3\(b\)](#) to not be satisfied as of the Closing Date (a “[Terminating GHV Breach](#)”), and (ii) shall not have been cured within thirty (30) days after written notice from Ardagh of such Terminating GHV Breach is delivered to GHV, or which breach, untruth or inaccuracy, by its nature, cannot be cured prior to the Outside Date; provided that Ardagh has not waived such Terminating GHV Breach and Ardagh is not then in breach of any representation, warranty, covenant or agreement such that the conditions set forth in [Section 7.2\(a\)](#) or [Section 7.2\(b\)](#) would not be satisfied;

(d) by written notice from Ardagh or GHV if the Closing has not occurred on or prior to September 30, 2021 (the “[Outside Date](#)”); provided that this Agreement may not be terminated under this [Section 8.1\(d\)](#) by or on behalf of any Party that is in breach or violation of any representation, warranty, covenant, agreement or obligation contained herein and such breach or violation is the primary cause of the failure of a condition set forth in [Article VII](#) to be satisfied on or prior to the Outside Date;

(e) by written notice from either Ardagh or GHV if this Agreement shall fail to receive the approval of the GHV Required Proposals at the GHV Stockholders’ Meeting (subject to any adjournment or recess of the meeting); and

(f) by written notice from either Ardagh or GHV if any Governmental Authority shall have enacted, issued, promulgated, enforced or entered any Law or Governmental Order that has become final and nonappealable and has the effect of making consummation of the Transactions illegal or otherwise preventing or prohibiting consummation of the Transactions.

Section 8.2 Effect of Termination. Except as set forth in this [Section 8.2](#) or [Section 9.14](#), in the event of the termination of this Agreement pursuant to [Section 8.1](#), this Agreement shall forthwith become void and have no effect, without any liability on the part of any Party or its respective Affiliates, officers, directors or shareholders, other than liability of any Party for any fraud or intentional and material breach of this Agreement by such Party occurring prior to such termination. The provisions of [Section 6.12](#) (Trust Account), the last two

sentences of Section 6.7 (Access to Information), this Section 8.2 and Article IX (collectively, the “Surviving Provisions”) and any other Section or Article of this Agreement that is required to survive in order to give appropriate effect to the Surviving Provisions, shall survive any termination of this Agreement.

ARTICLE IX MISCELLANEOUS

Section 9.1 Non Survival of Representations, Warranties and Agreements. The representations, warranties, agreements and covenants in this Agreement shall terminate at the Closing, except that (a) those covenants and agreements contained herein that by their terms expressly apply in whole or in part after the Closing shall survive the Closing as provided therein and then only with respect to any breaches occurring after the Closing, (b) the covenants and agreements in Section 3.6 (Earnout Shares) and Section 6.11 (Directors’ and Officers’ Indemnification), and any other covenants and agreements contained in this Agreement that by their terms expressly apply in whole or in part after the Closing, shall survive the Closing for such time as provided in this Agreement, and (c) this Article IX shall survive the Closing indefinitely. Effective as of the Closing, there are no remedies available to the Parties with respect to any breach of the representations, warranties, covenants or agreements of the parties to this Agreement, except in the case of fraud, and except, with respect to those covenants and agreements contained herein that by their terms apply or are to be performed in whole or in part after the Closing, the remedies that may be available under Section 9.14.

Section 9.2 Modification or Amendment. This Agreement may be amended or modified in whole or in part, only by a duly authorized agreement in writing executed in the same manner as this Agreement and that makes reference to this Agreement. The approval of this Agreement by the applicable equityholders of any Party shall not restrict the ability of the board of directors (or comparable body) of any Party to terminate this Agreement in accordance with Section 8.1 or to cause such Party to enter into an amendment to this Agreement pursuant to this Section 9.2.

Section 9.3 Extension; Waiver. GHV may, at any time prior to the Closing, by action taken by its board of directors or officers thereunto duly authorized, (a) extend the time for the performance of any obligation or other act of Ardagh, AMPSA or MergeCo, (b) to the extent permitted by Law, waive any inaccuracies in the representations and warranties of Ardagh contained herein or in any document, certificate or writing delivered pursuant hereto by Ardagh, AMPSA or MergeCo, or (c) waive compliance by Ardagh, AMPSA or MergeCo with any of the terms or conditions of this Agreement or agree to an amendment or modification to this Agreement in the manner contemplated by Section 9.2 and by an agreement in writing executed in the same manner (but not necessarily by the same Persons) as this Agreement. Ardagh may (on its own behalf and on behalf of AMPSA and MergeCo), at any time prior to the Closing, by action taken by its board of directors or officers thereunto duly authorized, (i) extend the time for the performance of any obligation or other act of GHV, (ii) to the extent permitted by Law, waive any inaccuracies in the representations and warranties of GHV contained herein or in any document, certificate or writing delivered pursuant hereto by GHV, or (iii) waive compliance by GHV with any of the terms or conditions of this Agreement or agree to an amendment or modification to this Agreement in the manner contemplated by Section 9.2 and by an agreement

in writing executed in the same manner (but not necessarily by the same Persons) as this Agreement. The failure or delay of any Party to exercise any of its rights under this Agreement shall not impair such right or be construed as a waiver by such Party of such right.

Section 9.4 Notices. All notices, requests, claims, demands and other communications hereunder shall be in writing and shall be deemed to have been given when delivered (a) in person or (b) by e-mail or other means of electronic transmission (so long as confirmation of transmission is electronically or mechanically generated or sent and kept on file by the sending party, and no “bounceback” or notice of non-delivery is received), and the sender may, in its sole discretion, deliver a copy by mail (postage prepaid) or by an internationally-recognized courier service (postage prepaid). Section 9.5 Entire Agreement. This Agreement (including the Disclosure Schedules and the Exhibits and Annexes hereto), the Confidentiality Agreement and the Related Agreements constitute the entire agreement among the Parties and supersede any prior understandings, agreements, or representations by or among the Parties, written or oral, that may have related in any way to the subject matter hereof. No representations, warranties, covenants, understandings, agreements, oral or otherwise, relating to the Transactions exist among the Parties, except as expressly set forth in this Agreement or the Related Agreements.

Section 9.6 Assignment. No Party shall assign this Agreement or any part hereof without the prior written consent of the other Parties. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the Parties and their respective permitted successors and assigns. Any attempted assignment in violation of the terms of this Section 9.6 shall be null and void *ab initio*. Notwithstanding the foregoing, Ardagh may assign its rights, in whole or in part, to receive the Contingent Consideration to any Person or Persons.

Section 9.7 Counterparts. This Agreement may be executed in multiple counterparts, each of which when executed and delivered shall thereby be deemed to be an original and all of which taken together shall constitute one and the same instrument. Any Party may execute and deliver signed counterparts of this Agreement to the other Parties by electronic mail or other electronic transmission in portable document format (.PDF) or any other electronic signature complying with the United States ESIGN Act of 2000 (including www.docusign.com), each of which shall be deemed an original.

Section 9.8 No Third-Party Beneficiaries. Nothing expressed or implied in this Agreement is intended or shall be construed to confer upon or give any Person, other than the Parties, any right or remedies under or by reason of this Agreement; provided, that, notwithstanding the foregoing, in the event the Closing occurs, the present and former officers and directors of GHV (and their successors, heirs and Representatives) are intended third-party beneficiaries of, and may enforce, Section 6.11.

Section 9.9 Governing Law. This Agreement, and all claims or causes of action based upon, arising out of, or related to this Agreement or the Transactions, shall be governed by, and construed in accordance with, the Laws of the State of Delaware (except to the

extent mandatorily governed by the laws of the Grand Duchy of Luxembourg), without giving effect to principles or rules of conflict of laws to the extent such principles or rules would require or permit the application of Laws of another jurisdiction.

Section 9.10 Jurisdiction. In any action or proceeding arising out of or relating to this Agreement or any of the Transactions: (a) each of the Parties hereby irrevocably and unconditionally consents and submits to the exclusive jurisdiction and venue of the Court of Chancery of the State of Delaware (unless the federal courts have exclusive jurisdiction over the matter, in which case the United States District Court for the District of Delaware); (b) each of the Parties irrevocably waives and agrees that it will not attempt to deny or defeat such jurisdiction by motion or other request for leave from such court; and (c) each of the Parties agrees that it will not bring any such action in any court other than the Court of Chancery of the State of Delaware (unless the federal courts have exclusive jurisdiction over the matter, in which case the United States District Court for the District of Delaware).

Section 9.11 WAIVER OF TRIAL BY JURY. TO THE EXTENT PERMITTED BY LAW, EACH PARTY HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES (AND SHALL CAUSE ITS SUBSIDIARIES AND AFFILIATES TO WAIVE) THE RIGHT TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED HEREON, ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS OR ANY COURSE OF CONDUCT, COURSE OF DEALINGS, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PARTY IN CONNECTION HERewith. EACH PARTY ACKNOWLEDGES THAT (A) THIS WAIVER IS A MATERIAL INDUCEMENT FOR THE OTHER PARTIES TO ENTER INTO THIS AGREEMENT, AND (B) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THAT FOREGOING WAIVER.

Section 9.12 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of Law, or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the Transactions is not affected in any manner materially adverse to any Party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the Transactions be consummated as originally contemplated to the fullest extent possible.

Section 9.13 Fees and Expenses. Each Party hereby agrees that if the Transactions are not consummated, except as otherwise provided herein, each Party shall bear or pay all of its own Transaction Expenses. If the Transactions are consummated, the Transaction Expenses of Ardagh, AMPSA, MergeCo and GHV shall be borne by AMPSA; provided that the Transaction Expenses of GHV shall not exceed \$50,000,000. No amounts payable in respect of Transaction Expenses shall reduce the cash portion of the Ardagh Consideration paid to Ardagh by AMPSA pursuant to this Agreement.

Section 9.14 Specific Performance. The Parties agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy, would occur in the event that any Party does not perform its obligations under the provisions of this Agreement (including failing to take such actions as are required of them hereunder to consummate the Transactions) in accordance with its specified terms or otherwise breach such provisions. The Parties acknowledge and agree that (a) the Parties shall be entitled to an injunction, specific performance, or other equitable relief, to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement, each without proof of damages, prior to the valid termination of this Agreement in accordance with Section 8.1, this being in addition to any other remedy to which they are entitled under this Agreement, and (b) the right of specific enforcement is an integral part of the Transactions and without that right, none of the Parties would have entered into this Agreement. Each Party agrees that it shall not oppose the granting of specific performance and other equitable relief on the basis that the other Parties have an adequate remedy at Law or that an award of specific performance is not an appropriate remedy for any reason at Law or equity. The Parties acknowledge and agree that any Party seeking an injunction to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 9.14 shall not be required to provide any bond or other security in connection with any such injunction.

Section 9.15 Non-Recourse. This Agreement may only be enforced against, and any claim or cause of action based upon, arising out of or related to this Agreement or the Transactions may only be brought against, the entities that are expressly named as Parties, and then only with respect to the specific obligations set forth herein with respect to such Party. Except to the extent a named party to this Agreement (and then only to the extent of the specific obligations undertaken by such named party to this Agreement), (a) no past, present or future director, manager, officer, employee, incorporator, member, partner, stockholder, Affiliate, agent, attorney, advisor or representative of any named party to this Agreement and (b) no past, present or future director, manager, officer, employee, incorporator, member, partner, stockholder, Affiliate, agent, attorney, advisor or representative or Affiliate of any of the foregoing shall have any liability (whether in contract, tort, equity or otherwise) for any one or more of the representations, warranties, covenants, agreements or other obligations or liabilities of any one or more of GHV, AMPSA, MergeCo or Ardagh under this Agreement of or for any claim based on, arising out of, or related to this Agreement or the Transactions.

Any such Shareholder shall be bound by such waiver, which shall be enforceable by the Company from the date of the Company' s receipt of Notice from such Shareholder of such waiver.

REGISTRATION OF SHARES

11.2 The Board shall cause to be kept a Register of Shareholders and shall enter therein the particulars required by the Act.

11.3 The Company shall be entitled to treat the registered holder of any Share as the absolute owner thereof and accordingly shall not be bound to recognise any equitable claim or other claim to, or interest in, such Share on the part of any other person.

11.4 Where Shares are recorded in the Register of Shareholders on behalf of one or more persons in the name of a securities settlement system or the operator of such system, or in the name of a professional depository of securities, or any other depository (such system, professional or other depository, being referred to as “**Depository**”) or of a sub-depository designated by one or more Depositories, the Company, subject to it having received from the Depository with which those Shares are kept in account satisfactory evidence of the underlying ownership of Shares by those persons and their authority to vote the Shares, will permit those persons to exercise the rights attaching to those Shares, including admission to and voting at general meetings. A Notice may be given by the Company to the holders of Shares held through a Depository by giving such Notice to the Depository the name of which is listed in the Register of Shareholders in respect of the Shares, and any such Notice shall be regarded as proper Notice to all underlying holders of Shares. Notwithstanding the foregoing, the Company shall make payments, by way of dividends or otherwise, in cash, shares or other assets as permitted pursuant to these Articles, only to the Depository or sub-depository recorded in the Register of Shareholders or in accordance with its instructions, and such payment by the Company shall release the Company from any and all obligations in respect of such payment.

11.5 In the case of joint holders of Shares, the Company shall treat the first named holder on the Register of Shareholders as having been appointed by the joint holders to receive all Notices and to give a binding receipt for any dividend(s) payable in respect of such Share(s) on behalf of all joint holders, without prejudice to the rights of the other holders to information as set out in the Act.

12. Transfer of Shares

12.1 Any Shareholder may, subject to the provisions of the Act and the restrictions contained in these Articles, transfer all or any of such Shareholder's Shares by written instrument of transfer; provided that shares listed or admitted to trading on a stock exchange may be transferred in accordance with the rules and regulations of such exchange.

13. Compulsory Transfer of Shares

13.1 If, at any time, a person is or becomes, directly or indirectly, the owner of seventy-five per cent (75%) or more of the number of Share Capital In Issue, such person (the "**Acquiror**") may require the holders of the remaining Share Capital In Issue (such holders, the "**Remaining Holders**" and such Shares, the "**Remaining Shares**") to sell such Remaining Shares to the Acquiror. The Acquiror shall exercise its right to acquire the Remaining Shares by giving Notice to the Company (an "**Article 13 Notice**") that specifies: (a) the identity and contact details of the Acquiror, (b) if then determined, the price that the Acquiror will pay for the Remaining Shares (being the fair market value thereof as determined in accordance with this Article 13) and the identity of the independent investment banking firm of international reputation (the "**Acquiror Expert**") engaged or that will be engaged by the Acquiror to determine the fair market value of the Remaining Shares; (c) the Acquiror's sources of payment of the purchase price for the Remaining Shares (which payment must be in the form of cash), and evidence that the Acquiror has secured funds sufficient to make such payment; and (d) subject to this Article 13, any other conditions governing the purchase of the the Remaining Shares.

13.2 Promptly (but, in any event, within fourteen (14) days) following receipt by the Company of an Article 13 Notice, the Company shall serve Notice on all the Remaining Holders (the "**Compulsory Acquisition Notice**"), setting forth (a) that the Acquiror has served an

Article 13 Notice and outlining the consequences of such Article 13 Notice pursuant to this Article 13, (b) the name of the Acquiror Expert retained or to be retained by the Acquiror to determine the fair market value of the Remaining Shares, and (c) if the Acquiror has so notified the Company, the price determined by the Acquiror Expert as the fair market value of the Remaining Shares (the “**Acquiror Purchase Price**”). If the Acquiror Purchase Price has not been determined by the Acquiror Expert on the date of the delivery by the Acquiror of the Article 13 Notice, the Acquiror shall cause the Acquiror Expert to determine the Acquiror Purchase Price within twenty-one (21) days of such date, and shall promptly (but in any event within three (3) days) following such determination, give Notice to the Company thereof. The Company shall promptly thereafter serve Notice on all the Remaining Holders setting forth the Acquiror Purchase Price.

13.3 If Remaining Holders holding at least ten per cent 10% of the Remaining Shares object to the Acquiror Purchase Price, such Remaining Holders may provide Notice of such objection to the Acquiror (the “**Notice of Objection**”), with a copy to the Company, no later than ten (10) days after the date on which the Company notified the Remaining Holders of the Acquiror Purchase Price. If no Notice of Objection is provided to the Acquiror within such time period, the Acquiror Purchase Price shall be final and binding on the Acquiror and all the Remaining Holders and shall be the “**Purchase Price**” for purposes of this Article 13. The Acquiror and the objecting Remaining Holders may attempt to agree on the fair market value of the Remaining Shares, and any fair market value agreed by the Acquiror and Remaining Holders holding a majority of the Remaining Shares held by all objecting Remaining Holders shall be final and binding on the Acquiror and all the Remaining Holders and shall be the “**Purchase Price**” for purposes of this Article 13. Failing agreement on such fair market value within fifteen (15) days of the date of the Notice of Objection, the objecting Remaining Holders may engage, at the expense of the Company, an investment banking firm of international reputation (the “**Remaining Holder Expert**”) to determine the fair market value of the Remaining Shares. The Remaining Holder Expert shall determine such fair market value within thirty-five (35) days of the date of the Notice of Objection. If the difference between the fair market value determined by the Remaining Holder Expert and the Acquiror Purchase Price is

not more than ten percent (10%) of the higher valuation, the purchase price for the Remaining Shares shall be the average of the Acquiror Purchase Price and the fair market value determined by the Remaining Holder Expert. If the difference between the fair market value determined by the Remaining Holder Expert and the Acquiror Purchase Price is greater than ten percent (10%) of the higher valuation, the Acquiror Expert and the Remaining Holder Expert shall select and engage, at the expense of the Company, a third investment banking firm of international reputation to determine the fair market value of the Remaining Shares within sixty-five (65) days of the date of the Notice of Objection. The fair market value of the Remaining Shares shall be the average of the fair market value of the two (2) closest valuations of the three (3) investment banking firms, and such valuation shall be final and binding on the Acquiror and all the Remaining Holders (the fair market value as determined by the Acquiror Expert, as agreed by the Acquiror and the objecting Remaining Holders in accordance with the second sentence of this Article 13.3 or as determined by the investment banking firms in accordance with this Article 13.3, the “**Purchase Price**”). Subject to execution by the Acquiror Expert, the Remaining Holder Expert and the third investment banking firm of customary confidentiality agreements, the Company shall provide each of them with such financial and other information as they reasonably request to enable them to make their determinations under this Article 13; provided that all three (3) investment banking firms shall receive the same financial and other information. Promptly following the determination of the Purchase Price, the Company shall serve Notice on all the Remaining Holders setting forth the Purchase Price.

13.4 Upon the service of the Compulsory Acquisition Notice, or, if later, the date on which the Remaining Holders are notified by the Company of the Purchase Price, subject to Article 13.5, each of the Remaining Holders shall be required to sell all of the Remaining Shares held by them to the Acquiror, and, subject to Article 13.4, Article 13.5 and the conditions set forth in the Article 13 Notice, the Acquiror shall be bound to acquire all of such Remaining Shares, for the Purchase Price, and, in furtherance thereof, pay to the Company at the closing of the sale and purchase of the Remaining Shares, for remittance to the Remaining Holders, the consideration to be paid by the Acquiror for all the Remaining Shares.

13.5 In selling its Remaining Shares to the Acquiror and accepting the Purchase Price therefor, each Remaining Holder shall represent (or be deemed by virtue of Article 13.7 to represent) to the Acquiror that (a) it has full right, title and interest to such Remaining Holder's Remaining Shares, (b) has all necessary power and authority, and has taken all necessary actions to sell such Remaining Holder's Remaining Shares to the Acquiror, and (c) such Remaining Holder's Remaining Shares are free and clear of all liens or encumbrances except those imposed by applicable law or these Articles. Other than the foregoing representations, no Remaining Holder shall be required to (i) make any representations to the Acquiror in connection with the sale of its Remaining Shares under this Article 13, (ii) provide or otherwise grant any right to indemnification in favor of such Acquiror in connection with such sale or (iii) otherwise agree to be bound by any restrictive covenants in connection with such sale. If any Remaining Holder does not (or cannot) make any such representations, or the Acquiror determines before or after its acquisition of the Remaining Shares held by such Remaining Holder that such representations are incorrect, then the Acquiror may, at its option, determine not to acquire such Remaining Holder's Remaining Shares or, if it has already acquired such shares, pursue any remedies it has against such Remaining Holder for breach of such representations, as applicable.

13.6 The closing of such sale and purchase shall occur as promptly as practicable after the service of the Compulsory Acquisition Notice or the determination of the Purchase Price (whichever is later); provided that no Remaining Holder shall be required to sell, and the Acquiror shall not be required to purchase, any Remaining Shares if such purchase or sale would violate any applicable law, regulation or order.

13.7 Upon the service of the Compulsory Acquisition Notice, the Company shall be required to take all such actions as may reasonably be requested by the Acquiror to enable it to implement the acquisition by it, and registration in the Register of Shareholders in its name (and/or those of its designee(s)), of all of the Remaining Shares on the terms and conditions set forth in this Article 13.

13.8 In furtherance (but not in limitation) of the provisions of this Article 13, the Chairman for the time being (or some other person appointed by the Company for this purpose) shall be deemed to have been appointed attorney of each of the Remaining Holders with full

power (and obligation, if so requested by the Acquiror) to execute, complete and deliver, in the name and on behalf of each Remaining Holder (a) a transfer in favor of the Acquiror and/or its designee(s) of all of the Remaining Shares held by such Remaining Holder against delivery to the Company of the Purchase Price for such Remaining Holder's Remaining Shares and (b) subject to Article 13.4, such other closing documents and deliverables as the Acquiror may reasonably require so as to vest all rights and entitlements in or in respect of the shares held by such Remaining Holder in the Acquiror and/or its designee(s) (including a power of attorney in favor of the Acquiror and/or its designee(s) to vote and exercise all rights in respect of such shares pending the registration in the Register of Shareholders of the Acquiror and/or its designee(s) as the holder(s) of such shares).

13.9 The Acquiror, on delivery to the Company of the consideration to which the Remaining Holders are entitled in accordance with this Article 13, shall be deemed to have obtained a good discharge for such consideration and, on delivery of such consideration and execution and delivery of the closing documents required to be executed by the Acquiror to effect its purchase of the Remaining Shares, the Acquiror shall be entitled to require the Company to register its name (or that of its designee) in the Register of Shareholders as the holder by transfer of each of the Remaining Shares.

13.10 The Company shall, as soon as practicable after its receipt of the consideration for the Remaining Shares and the other closing documents and deliverables required to effect the transfer of such shares, deliver to each Remaining Holder the consideration to which such Remaining Holder is entitled in accordance with this Article 13 or, if in the opinion of the Board it is not reasonably practical to do so at such time, pay the same into a separate bank account, in the name of the Company and shall hold such consideration in trust for the applicable Remaining Holder until such time as the Board considers it appropriate to release such consideration.

13.11 If, at the end of the one hundred and eightieth (180th) day after delivery by the Acquiror of the Article 13 Notice, the sale of all of the Remaining Shares has not been completed because of the failure of the Acquiror to take any action required to effect such sale within such time period, the Article 13 Notice shall be deemed null and void, the Acquiror shall

no longer have the right (or obligation) to purchase the Remaining Shares under this Article 13, and each Remaining Holder and the Company shall be released from their obligations under this Article 13 in respect of the sale of the Remaining Shares.

ALTERATION OF SHARE CAPITAL

14. Power to Alter Capital

14.1 The Company may from time to time by Special Resolution and subject to any greater quorum or majority requirements as may be provided for in the Act, increase, divide, consolidate, subdivide, change the currency denomination of, diminish or otherwise alter or reduce its Share Capital In Issue in any manner permitted by the Act or these Articles; provided, that nothing herein shall affect or diminish the authority granted to the Board under Article 7 or Article 8.

14.2 If, following any alteration or reduction of the Share Capital In Issue, a Shareholder would receive a fraction of a Share, the Board may, subject to the Act, address such issue in such manner as it thinks fit, including by disregarding such fractional entitlement.

DIVIDENDS, OTHER DISTRIBUTIONS AND LEGAL RESERVE

15. Dividends and Other Distributions

15.1 Subject to the provisions of the Act, the general meeting may declare dividends by Ordinary Resolution, but no dividend shall exceed the amount recommended by the Board.

15.2 The Board may, subject to these Articles and the terms and conditions provided for and under the Act, declare an interim dividend (*acompte sur dividendes*) if it determines that it is appropriate to pay such an interim dividend based on the amount of distributable reserves of the Company. Any such interim dividend will be paid to the Shareholders, in proportion to the number of Shares held by them, and such dividend may be paid in cash or wholly or partly in specie in which case the Board may fix the value for

distribution in specie of any assets. Any interim dividends declared by the Board and paid during a financial year will be put to the Shareholders at the following general meeting to be declared as final. The Company shall not be required to pay interest with respect to any dividend or distribution declared by the Company, regardless of when or if paid.

15.3 Subject to applicable laws and regulations, in order for the Company to determine which Shareholders shall be entitled to receipt of any dividend, the Board may fix a record date, which record date will be the close of business (or such other time as the Board may determine) on the date determined by the Board. In the absence of a record date being fixed, the record date for determining Shareholders entitled to receipt of any dividend shall be the close of business in Luxembourg on the day the dividend is declared.

15.4 The Board may propose to the general meeting such other distributions (in cash or in specie) to the Shareholders as may be lawfully made out of the assets of the Company.

15.5 Any dividend or other payment to any particular Shareholder or Shareholders may be paid in such currency or currencies as may from time to time be determined by the Board and any such payment shall be made in accordance with such rules and regulations (including in relation to the conversion rate or rates) as may be determined by the Board in relation thereto.

15.6 Any dividend or other payment which has remained unclaimed for five (5) years from the date the dividend or other payment became due for payment shall, if the Board so resolves, be forfeited and cease to remain owing by the Company. The payment by the Board of any unclaimed dividend or other moneys payable in respect of a Share into a separate account shall not constitute the Company a trustee in respect thereof.

16. Legal Reserve

The Company shall be required to allocate a sum of at least five per cent (5%) of its annual net profit to a legal reserve, until such time as the legal reserve amounts to ten per cent (10%) of the Share Capital in Issue. If and to the extent that this legal reserve falls below such ten per cent (10%) amount, the Company shall allocate a sum of at least five per cent (5%) of its annual net profit to restore the legal reserve to the minimum amount required by law.

MEETINGS OF SHAREHOLDERS

17. General Meetings

17.1 An annual general meeting shall be held in each year (commencing in 2022) within six (6) months following the end of the financial year at the Company's registered office or at such other place in Luxembourg as may be specified in the convening Notice.

17.2 For at least eight (8) days prior to the annual general meeting, each Shareholder may obtain a copy of the annual accounts of the Company for the preceding financial year at the registered office of the Company and inspect all documents of the Company required by the Act to be made available by the Company for their inspection.

17.3 Other general meetings may be held at such place and time as may be specified in the respective convening Notices of the meeting whenever such a meeting is necessary.

18. Record Date For Shareholder Notice; Voting.

18.1 In order for the Company to determine which Shareholders are entitled to Notice of or to vote at any meeting of Shareholders or any adjournment thereof, the Board may fix, in advance, a record date, which shall not be more than sixty (60) days before the date of such meeting. If the Board does not fix a record date, the record date for determining Shareholders entitled to Notice of or to vote at a meeting of Shareholders shall be at the close of business in Luxembourg on the day that is not a Saturday, Sunday or Luxembourg public holiday next preceding the day on which Notice is given.

18.2 A determination of Shareholders of record entitled to Notice of or to vote at a meeting of Shareholders shall apply to any adjournment of the meeting; provided, however, that the Board may, acting in its sole discretion, fix a new record date for the adjourned meeting.

19. Convening of General Meetings

19.1 The Board may convene a general meeting whenever in its judgment such a meeting is necessary. The Board may delegate its authority to call the general meeting to the Chairman or any committee of the Board or to one or more board members by resolution. The convening notice for every general meeting shall contain the agenda, be communicated to Shareholders in accordance with the provisions of the Act on at least eight (8) Clear Days' Notice, unless otherwise provided in the Act, and specify the time and place of the meeting and the general nature of the business to be transacted. The convening notice need not bear the signature of any Director or Officer of the Company.

19.2 The Board shall convene a general meeting within a period of one (1) month upon Notice to the Company from Shareholders representing at least ten per cent (10%) of the Share Capital in Issue on the date of such Notice. In addition, one or more Shareholders that

together hold at least ten per cent (10%) of the Share Capital in Issue on the date of the Notice to the Company may require that the Company include on the agenda of such general meeting one or more additional items. Such Notice to the Company shall be sent at least five (5) Clear Days prior to the holding of such general meeting. The rights of Shareholders under this Article 19.2 to require that a general meeting be convened or an item be included on the agenda for a general meeting shall be subject to compliance by such Shareholders with Article 19.3.

19.3 To be in proper form for purposes of the actions to be taken pursuant to Article 19.2, the Notice to the Company given pursuant to Article 19.2 must set forth as to each Shareholder(s) requesting the general meeting or the addition of an item to the agenda for a general meeting: (a) a brief description of, as applicable, the purpose of the general meeting or the business desired to be brought before the general meeting, the text of the proposal or business (including the text of any resolutions proposed for consideration and, in the event that such business includes a proposal to amend these Articles, the language of the proposed amendment) and the reasons for conducting such business at the general meeting; (b) the name and record address of such Shareholder(s) and the name and address of the beneficial owner, if any, on behalf of which the business is being proposed; (c) the class or series and number of Shares which are registered in the name of or beneficially owned by such Shareholder(s) or beneficial owner (including any shares as to which such Shareholder(s) or beneficial owner has a right to acquire ownership at any time in the future); (d) a description of all derivatives, swaps or other transactions or series of transactions engaged in, directly or indirectly, by such Shareholder(s) or beneficial owner, the purpose or effect of which is to give such Shareholder(s) or beneficial owner economic risk similar to ownership of Shares; and (e) a description of all agreements, arrangements, understandings or relationships between such Shareholder(s) or beneficial owner and any other person or persons (including their names) in connection with the proposal of such business by such Shareholder(s) and any material interest of such Shareholder(s) or beneficial owner in such business.

19.4 No business may be transacted at a general meeting, other than business that is properly brought before the general meeting by or at the direction of the Board, including upon the request of any Shareholder or Shareholders in accordance with the Act or these Articles.

Except as otherwise provided by law, the chairman of the general meeting at which the business proposed by a Shareholder is to be transacted shall have the power and duty to determine whether such Shareholder has complied with this Article 19 in proposing such business, and if any such proposal was not made in accordance with this Article 19, to declare that such proposed business shall not be transacted.

20. Participation by telephone or video conference

The Board may organise participation of the Shareholders in general meetings by telephone or video conference and participation in such a meeting shall constitute presence in person at such meeting. The participation in a meeting by these means is deemed equivalent to a participation in person at the general meeting.

21. Quorum at General Meetings

21.1 At any ordinary general meeting (including the annual general meeting) the holders of in excess of one-third (1/3) of the Share Capital in Issue present in person or by proxy shall form a quorum for the transaction of business.

21.2 At any extraordinary general meeting the holders of in excess of one half (1/2) of the Share Capital in Issue present in person or by proxy shall form a quorum for the transaction of business.

22. Voting on Ordinary and Special Resolutions

22.1 Subject to the Act, any question proposed for the consideration of the Shareholders at any ordinary general meeting shall be decided by the affirmative votes of a simple majority of the votes validly cast on such resolution by Shareholders entitled to vote in accordance with these Articles and in the case of an equality of votes the resolution shall fail.

22.2 Subject to the Act, any question proposed for the consideration of the Shareholders at any extraordinary general meeting shall be decided by the affirmative votes of at least two-thirds (2/3) of the votes validly cast on such resolution by Shareholders entitled to vote in accordance with these Articles.

22.3 For the avoidance of doubt, votes validly cast shall not include votes attaching to Shares in respect of which the Shareholder has not taken part in the vote or has abstained or has returned a blank or invalid vote.

23. Instrument of Proxy

23.1 A Shareholder may appoint a proxy by an instrument in writing in such form as the Board may approve from time to time and make available to Shareholders to represent such Shareholder at the general meetings of Shareholders.

23.2 The Shareholders may vote in writing (by way of a voting form provided by the Company) on resolutions submitted to the general meeting, provided that the voting form includes (a) the name, first name, address and the signature of the relevant Shareholder, (b) the indication of the shares for which the Shareholder will exercise such right, (c) the agenda as set forth in the convening Notice and (d) the voting instructions (approval, refusal, abstention) for each point of the agenda.

23.3 The appointment of a proxy or submission of a completed voting form must be received by the Company no later than forty-eight (48) hours prior to the scheduled meeting date (or such other time as may be determined by the Company and notified in writing to the Shareholders) at the registered office or at such other place or in such manner as is specified in the Notice convening the meeting or in any instrument of proxy or voting form sent out by the Company in relation to the meeting at which the person named in the appointment proposes to vote, and appointment of a proxy or the submission of a voting form which is not received in the manner so permitted shall be invalid.

23.4 A Shareholder that is the holder of two (2) or more shares may appoint more than one (1) proxy to represent such Shareholder and vote on its behalf in respect of different shares.

23.5 The decision of the chairman of any general meeting as to the validity of any appointment of a proxy or any voting form shall be final.

24. Adjournment of General Meeting

24.1 The chairman of a general meeting is entitled, at the request or with the authorisation of the Board, to adjourn a general meeting, while in session, for four (4) weeks. The chairman shall so adjourn the meeting at the request of one or more Shareholders representing at least one tenth (1/10) of the Share Capital in Issue. No general meeting may be

adjourned more than once. Any adjournment of a general meeting shall cancel any resolution passed at such meeting prior to such adjournment.

24.2 Unless the meeting is adjourned to a specific date, place and time announced at the meeting being adjourned, which date, place and time will be publicly announced by the Company, Notice of the date, place and time for the resumption of the adjourned meeting shall be given to each Shareholder entitled to attend and vote at the meeting in accordance with these Articles. No business shall be transacted at any adjourned meeting other than business which might properly have been transacted at the meeting had the adjournment not taken place.

DIRECTORS AND OFFICERS

25. Number of Directors

The Board shall consist of no fewer than three (3) Directors and no more than fifteen (15) Directors, with the number of Directors within that range being determined by the Board from time to time. Notwithstanding the foregoing, for so long as the Company has one Shareholder, the Board may consist of one Director or such other number of Directors as determined by such Shareholder.

26. Election of Directors

26.1 The Board or one or more Shareholders that together hold at least ten per cent (10%) of the Share Capital in Issue on the date of the Notice to the Company may nominate any person for election as a Director. Where any person, other than a person proposed for re-election or election as a Director by the Board, is to be nominated for election as a Director, Notice to the Company, complying with the requirements of this Article 26.1, must be given of the intention to nominate such person. Where a person is nominated for election as a Director other than by the Board:

(a) such Notice to the Company must set forth: (i) in respect of each person whom the Shareholder proposes to nominate for election as a Director, (A) the name, age, business address and residence address of each such person, (B) the principal occupation or employment of each such person, (C) the class or series and number of Shares owned beneficially or of record by each such person and (D) any other information relating to each such person that would be required to be disclosed in a proxy statement or other filings required to be made in

connection with solicitations of proxies for election of Directors pursuant to applicable laws or regulations or that the Company may reasonably request in order to determine the eligibility of each such person to serve as a Director; (ii) the name and record address of each Shareholder giving the Notice and the name and address of the beneficial owner, if any, on behalf of which the person is being nominated; and (iii) the class or series and number of Shares which are registered in the name of or beneficially owned by such Shareholder or beneficial owner (including any shares as to which any such Shareholder or beneficial owner has a right to acquire ownership at any time in the future); (iv) a description of all derivatives, swaps or other transactions or series of transactions engaged in, directly or indirectly, by such Shareholder or beneficial owner, the purpose or effect of which is to give such Shareholder or beneficial owner economic risk similar to ownership of Shares; and (v) a description of all agreements, arrangements, understandings or relationships between such Shareholder or beneficial owner and any other person or persons (including their names) in connection with the proposed nomination by such Shareholder and any material relationship between such Shareholder or beneficial owner and the person proposed to be nominated for election; and

(b) such Notice must be accompanied by a written consent of each person whom the Shareholder proposes to nominate for election as a Director to being named as a nominee and to serve as a Director if elected.

26.2 Except as otherwise provided by law, the chairman of the general meeting at which Directors are to be elected shall have the power and duty to determine whether a proposal to elect Directors made by a Shareholder was made in accordance with this Article 26, and if any such proposal was not made in accordance with this Article 26, to declare that such proposal shall be disregarded.

26.3 Except in the case of a vacancy in the office of Director filled by the Board, as provided for in Article 30, the Company may elect Directors by Ordinary Resolution. In a contested election where the number of persons validly proposed for election or re-election to the Board exceeds the number of seats to be filled on the Board at the applicable general meeting, Directors shall be elected by the votes cast by Shareholders present in person or by proxy at such meeting, such that the persons receiving the most affirmative votes (up to the

number of Directors to be elected) shall be elected as Directors at such general meeting, and the affirmative vote of a simple majority of the votes cast by Shareholders present in person or by proxy at such meeting shall not be required to elect Directors in such circumstance. No Shareholder shall be entitled to cumulate its vote in such circumstance, but may only cast a vote for or against each candidate for each Share it owns.

27. Classes of Directors

The Directors shall be divided into three (3) classes designated Class I, Class II and Class III. The Board shall designate the Directors who will initially serve in each of Class I, Class II and Class III. Each class of Directors shall consist, as nearly as possible, of one third (1/3) of the total number of Directors constituting the entire Board.

28. Term of Office of Directors

At the first general meeting which is held after the date of adoption of these Articles for the purpose of electing Directors, the Class I Directors shall be elected for an one (1) year term of office, the Class II Directors shall be elected for a two (2) year term of office and the Class III Directors shall be elected for a three (3) year term of office. At each succeeding annual general meeting, successors to the class of Directors whose term expires at that annual general meeting shall be elected for a three (3) year term of office. If the number of Directors is changed, any increase or decrease shall be apportioned by the Board among the classes so as to maintain the number of Directors in each class as near to equal as possible, and any Director of any class elected to fill a vacancy shall hold office for a term that shall coincide with the remaining term of the other Directors of that class, but in no case shall a decrease in the number of Directors shorten the term of any Director then in office. A Director shall hold office until the annual general meeting for the year in which his or her term expires, subject to his or her office being vacated pursuant to Article 30.

29. Removal of Directors

29.1 The mandate of any Director may be terminated, at any time and with or without cause, by the general meeting of Shareholders by means of an Ordinary Resolution in favour of such termination.

29.2 If a Director is removed from the Board under Article 29.1, the Shareholders may by means of an Ordinary Resolution fill the vacancy at the meeting at which such Director is removed, provided that any nominee for the vacancy who is proposed by Shareholders shall be proposed in accordance with Article 26.1.

30. Vacancy in the Office of Director

30.1 The office of Director shall be vacated if the Director:

- (a) is removed from office pursuant to these Articles or is prohibited from being a Director by law;
- (b) is or becomes bankrupt, or makes any arrangement or composition with his or her creditors generally;
- (c) is or becomes of unsound mind or dies; or
- (d) resigns his or her office by Notice to the Company.

30.2 The Board shall have the power to appoint any person as a Director to fill a vacancy on the Board occurring for any reason other than where the appointment of a Director to fill a vacancy has been made by the Shareholders in accordance with Article 29.2. A Director so appointed shall be appointed to the class of Directors that the Director he or she is replacing belonged to, provided that such Director shall hold office only until ratification by the Shareholders of his or her appointment at the next following general meeting and, if such general meeting does not ratify the appointment, such Director shall vacate his or her office at the conclusion thereof.

31. Remuneration of Directors

The remuneration (if any) of the Directors shall be determined by the Board subject to ratification by Shareholders at a general meeting of Shareholders. Such remuneration shall be deemed to accrue from day to day. Any Director who holds an executive office (including for this purpose the office of Chairman) or who serves on any Board committee, or who otherwise performs services that in the opinion of the Board are outside the scope of the ordinary duties of a director, may be paid such additional remuneration for such additional services as the Board may determine. The Directors may also be paid all travel, hotel and other expenses properly

30

incurred by them in attending and returning from Board meetings or general meetings, or in connection with the business of the Company or their duties as Directors generally.

32. Directors to Manage Business

The business of the Company shall be managed and conducted by or under the direction of the Board. In managing the business of the Company, the Board may exercise all such powers of the Company as are not, by the Act or by these Articles, required to be exercised by the Company in a general meeting.

33. Powers of the Board of Directors

Without limiting the powers of the Board as described in Article 32, the Board shall represent and bind the Company vis-à-vis third parties and may:

- (a) appoint, suspend, or remove any manager, secretary, clerk, agent or employee of the Company and may fix their remuneration and determine their duties;
- (b) exercise all the powers of the Company to borrow money and to mortgage or charge or otherwise grant a security interest in its undertaking, property and uncalled capital, or any part thereof, and may authorise the issuance by the Company of

debentures, debenture stock and other securities whether outright or as security for any debt, liability or obligation of the Company or any third party;

(c) appoint one or more persons to the office of chief executive officer of the Company, who shall, subject to the Control of the Board, supervise and administer all of the general business and affairs of the Company;

(d) appoint a person to act as manager of the Company' s day-to-day business (*délégué à la gestion journalière*) and may entrust to and confer upon such manager such powers and duties as it deems appropriate for the management and conduct of such daily management and affairs of the Company;

(e) by power of attorney, appoint any one or more persons, whether nominated directly or indirectly by the Board, to be an attorney of the Company for such purposes and with such powers, authorities and discretions (not exceeding those vested in or exercisable by the Board) and for such period and subject to such conditions as it may think fit and any such power of attorney may contain such provisions for the protection and convenience of persons

dealing with any such attorney as the Board may think fit and may also authorise any such attorney to sub-delegate all or any of the powers, authorities and discretions so vested in the attorney;

(f) delegate any of its powers (including the power to sub-delegate) to one or more committees of one or more persons appointed by the Board which may consist partly of non-Directors, provided that every such committee shall consist of a majority of the Directors and shall conform to such directions as the Board shall impose on them, and the meetings and proceedings of any such committee shall be governed by the provisions of these Articles regulating the meetings and proceedings of the Board, so far as the same are applicable and are not superseded by directions imposed by the Board;

(g) delegate any of its powers (including the power to sub-delegate) to any person(s) on such terms and in such manner as the Board may see fit (not exceeding those vested in or exercisable by the Board);

(h) present any petition and make any application in connection with the liquidation or reorganisation of the Company, take any action, both as plaintiff and as defendant before any court, obtain any judgments, decrees, decisions, awards and proceed therewith to execution, acquiesce in settlement, compound and compromise any claim in any manner determined by the Board to be in the interest of the Company;

(i) in connection with the issue of any Share, pay such commission and brokerage as may be permitted by law;

(j) subject to the provisions of Article 31, provide benefits, whether by way of pensions, gratuities or otherwise, for any Director, former Director or other officer or former officer of the Company or to any person who holds or has held any employment with the Company or any of its Subsidiaries or associated companies or any predecessor of the Company or of any such Subsidiary or associated company and to any member of his or her family or any person who is or was dependent on him or her, and may set up, establish, support, alter, maintain and continue any scheme for providing all or any such benefits, and for such purposes any Director may be, become or remain a member of, or rejoin, any scheme and receive or retain for his or her own benefit all benefits to which such Director may be or become entitled

thereunder, and the Board may authorise the payment out of the funds of the Company of any premiums, contributions or sums payable by the Company under the provisions of any such scheme in respect of any of the persons described in this Article 33(j); and

(k) authorise any person or persons to act on behalf of the Company for any specific purpose and in connection therewith to execute any deed, agreement, document or instrument on behalf of the Company.

34. Interested Directors

34.1 No contract or transaction between the Company and one or more of its Directors, or between the Company and any other person in which its Director has a direct or indirect financial interest conflicting with that of the Company, shall be void or voidable solely for this reason, or solely because the Director is present at the meeting of the Board or Board committee that authorizes the contract or transaction so long as the provisions of this Article 34 are observed.

34.2 If a Director has a direct or indirect financial interest in any contract or transaction to which the Company will be party, such interested Director shall advise the Board thereof, cause a record of his or her statement to be included in the minutes of the meeting, and may not take part in the deliberations of the Board or any Board committee with respect to such contract or transaction.

34.3 If one or more Directors are prevented from participating in the deliberations of the Board or of a Board committee by reasons of a direct or indirect financial interest in a contract or transaction, the required quorum for the deliberations on the relevant item will be two (2) non-conflicted Directors present in person at the meeting and the required vote for decisions on such item to be approved by the Board or the Board committee will be the majority of the non-conflicted Directors or the majority of the non-conflicted members of the Board committee, in each case, present in person (or by representation in accordance with Article 40.2) at the meeting; provided that, if there are only two non-conflicted Directors, the affirmative vote of both will be required. To the extent the quorum cannot be reached at the level of a Board committee, the decision shall be referred by the Board committee to the Board. To the extent the quorum cannot be reached at the level of the Board, the Board may decide to refer the

decision on such item to the general meeting of Shareholders to be approved by means of an Ordinary Resolution. If the Board consists of one Director in accordance with the provisions of Article 25, and such Director is a conflicted Director, the decision shall be referred by this Director to the general meeting of Shareholders to be approved by means of an Ordinary Resolution.

34.4 The provisions of this Article 34 shall not apply to any contract or transaction that is within the ordinary course of business of the Company or its Subsidiaries and is entered into on an arms' length basis under market conditions.

35. Competition and Corporate Opportunities

35.1 In recognition and anticipation that members of the Board who are not employees of the Company (the "**Non-Employee Directors**") and their respective Affiliates and Affiliated Entities may engage in the same or similar activities or related lines of business as those in which the Company, directly or indirectly, may engage or other business activities that overlap with or compete with those in which the Company, directly or indirectly, engages, the provisions of this Article 35 are set forth to regulate and define the conduct of certain affairs of the Company with respect to certain classes or categories of business opportunities as they may involve any of the Non-Employee Directors or their respective Affiliates and the powers, rights, duties and liabilities of the Company and its Directors and Officers in connection therewith.

35.2 For purposes of this Article 35 (a) "**Affiliate**" means, in respect of each (i) Non-Employee Director, any person that, directly or indirectly, is Controlled by such Non-Employee Director (other than the Company and any entity that is Controlled by the Company), and (ii) in respect of the Company, any person that, directly or indirectly, is Controlled by the Company; and (b) "**Affiliated Entity**" means (i) any person of which a Non-Employee Director serves as an officer, director, employee, agent or other representative (other than the Company and any person that is Controlled by the Company), (ii) any direct or indirect partner, shareholder, member, manager or other representative of such person or (iii) any affiliate of any of the foregoing.

35.3 No Non-Employee Director (including any Non-Employee Director who serves as an officer of the Company in both his or her director and officer capacities) or his or her Affiliates or Affiliated Entities (such persons being referred to, collectively, as “**Identified Persons**” and, individually, as an “**Identified Person**”) shall, to the fullest extent permitted by law, have any duty to refrain from directly or indirectly (a) engaging in the same or similar business activities or lines of business in which the Company or any of its Affiliates now engages or proposes to engage or (b) otherwise competing with the Company or any of its Affiliates, and, to the fullest extent permitted by law, no Identified Person shall be liable to the Company or its Shareholders or to any Affiliate of the Company for breach of any fiduciary duty solely by reason of the fact that such Identified Person engages in any such activities.

35.4 To the fullest extent permitted by law, the Company, on behalf of itself and its Affiliates, hereby renounces any interest or expectancy in, or right to be offered an opportunity to participate in, any business opportunity that may be a corporate opportunity for an Identified Person and the Company or any of its Affiliates, except as provided in Article 35.5. Subject to Article 35.5, in the event that any Identified Person acquires knowledge of a potential transaction or other business opportunity that may be a corporate opportunity for itself, herself or himself and the Company or any of its Affiliates, such Identified Person shall, to the fullest extent permitted by law, have no duty to communicate or offer such transaction or other business opportunity to the Company or any of its Affiliates and, to the fullest extent permitted by law, shall not be liable to the Company or its Shareholders or to any Affiliate of the Company for breach of any fiduciary duty as a shareholder, director or officer of the Company solely by reason of the fact that such Identified Person pursues or acquires such corporate opportunity for itself, herself or himself, or offers or directs such corporate opportunity to another person.

35.5 The Company does not renounce its interest in any corporate opportunity offered to any Non-Employee Director (including any Non-Employee Director who serves as an officer of this Company) if such opportunity is expressly offered to such person solely in his or her capacity as a Director or Officer of the Company, and the provisions of Article 35.4 shall not apply to any such corporate opportunity.

35.6 In addition to and notwithstanding the foregoing provisions of this Article 35, a corporate opportunity shall not be deemed to be a potential corporate opportunity for the Company or any of its Affiliates if it is a business opportunity that (a) the Company or its Affiliates are unable, financially or legally, or not contractually permitted to undertake, (b) from its nature, is not in the line of the Company's or its Affiliates' business or is of no practical advantage to the Company or its Affiliates or (c) is one in which the Company or its Affiliates has no interest or reasonable expectancy.

35.7 To the fullest extent permitted by applicable law, any person purchasing or otherwise acquiring any interest in any Shares shall be deemed to have Notice of and to have consented to the provisions of this Article 35.

36. Appointment of Chairman and Secretary

36.1 A Chairman may be appointed by the Board from among its members from time to time for such term as the Board deems fit. Unless otherwise determined by the Board, the Chairman shall preside at all meetings of the Board and of the Shareholders. In the absence of the Chairman from any meeting of the Board or of the Shareholders, the Board shall designate an alternative person to serve as the chairman of such meeting.

37.3 The Officers shall receive such remuneration as the Board may determine.

38. Indemnification of Directors and Officers

38.1 The Directors, Chairman, Secretary and other Officers (such term to include any person appointed to any committee by the Board) acting in their capacities as such or, at the request of the Company, as a director, officer, employee or agent of another person, including any Subsidiary of the Company, or as the liquidator or trustee (if any) for the Company or any Subsidiary thereof, and every one of them (whether for the time being or formerly), and their heirs, executors and administrators (each, an “**Indemnified Party**”), shall, to the extent possible under applicable law, be indemnified and held harmless by the Company from and against all actions, costs, charges, losses, damages and expenses which any of them incur or sustain by or by reason of any act performed or omitted to be performed by any Director, Chairman, Secretary or Officer in their capacities as such or in the other capacities described above, and, to the extent possible under applicable law, no Director, Chairman, Secretary or Officer shall be liable for the actions, omissions or defaults of any other Indemnified Party, or for the actions of any advisors to the Company or any other persons, including financial institutions, with which any moneys or assets belonging to the Company are lodged or deposited for safe custody, or for insufficiency or deficiency of any security received by the Company in respect of any of its moneys or assets, or for any other loss, misfortune or damage which may happen in the course of their serving as a Director, Chairman, Secretary or Officer of the Company or, at the request of the Company, as a director, officer, employee or agent of another person, including any Subsidiary of the Company, or as the liquidator or trustee (if any) for the Company or any Subsidiary thereof, or in connection therewith, provided that these indemnity and exculpation provisions shall not extend to any matter in respect of any fraud or dishonesty, gross negligence, wilful misconduct or action giving rise to criminal liability in relation to the Company which may attach to any of the indemnified parties. Each Shareholder agrees to waive any claim or right of action such Shareholder might have, whether individually or by or in the right of the Company, against any Director, Chairman, Secretary or Officer on account of any action taken by such person, or the failure of such person to take any action in the performance of his or her duties with or for the Company or, at the request of the Company, any other person, provided that such waiver shall not extend to any matter in respect of any fraud or dishonesty, gross

negligence, wilful misconduct or action giving rise to criminal liability in relation to the Company which may attach to such person.

38.2 The Company may, to the extent possible under applicable law, purchase and maintain insurance for the benefit of any Director or Officer against any liability (to the extent permitted by law) incurred by him or her under the Act in his or her capacity as a Director or Officer or indemnifying such Director or Officer in respect of any loss arising or liability attaching to him or her by virtue of any rule of law in respect of any negligence, default, breach of duty or breach of trust of which the Director or Officer may be guilty in relation to the Company or any Subsidiary thereof.

38.3 The Company may, to the extent possible under applicable law, advance moneys to an Indemnified Party for the costs, charges and expenses incurred by such Indemnified Party in defending any civil or criminal proceedings against such person, on condition that such Indemnified Party shall repay the advance if any allegation of fraud or dishonesty in relation to the Company is proved against such person.

38.4 The rights conferred on indemnified parties under this Article 38 are contract rights, and any right to indemnification or advancement of expenses under this Article 38 shall not be eliminated or impaired by an amendment to these Articles after the occurrence of the act or omission with respect to which indemnification or advancement of expenses is sought.

38.5 The Company is authorised to enter into agreements with any Indemnified Party providing indemnification or advancement of expenses rights to any such person, to the extent possible under applicable law.

39. Binding Signatures

Towards third parties, the Company is in all circumstances committed either by the joint signatures of any two (2) Directors irrespective of their class or by the sole signature of the delegate of the Board acting within the limits of his or her powers.

A Director may, and the Secretary on the requisition of a Director shall, at any time convene a Board meeting. Notice of a Board meeting shall be deemed to be duly given to a Director if it is given to such Director verbally (including in person or by telephone) or otherwise communicated or sent to such Director by mail or facsimile or electronic mail (with customary proof of confirmation that such Notice has been transmitted) at such Director' s last known address or in accordance with any other instructions given by such Director to the Company for this purpose.

42. Participation by telephone or video conference

All actions taken at any meeting of the Board or by any Director, notwithstanding that it is subsequently discovered that there was a defect in the appointment of a Director or that a Director was disqualified from holding office or had vacated office, shall be as valid as if such Director had been duly appointed, was qualified or had continued to be a Director and had been entitled to take any such action.

47.1 The minutes of general meetings of Shareholders shall be drawn up and shall be signed by the Chairman of the general meeting.

47.2 Copies of or extracts from the minutes of the general meeting of Shareholders may be certified by the Chairman or the Secretary.

48. Minutes of the Meetings of the Board

The minutes of any meeting of the Board, or extracts thereof, shall be signed by the Chairman or any Director who participated in the meeting.

49. Place Where Corporate Records Kept

Minutes prepared in accordance with the Act and these Articles shall be kept by the Secretary at the registered office of the Company.

50. Service of Notices

50.1 A Notice (including a Notice convening a general meeting) or any other document to be served or delivered by the Company to Shareholders pursuant to these Articles may be served on or delivered to any Shareholder by the Company:

(a) by hand delivery to such Shareholder or its authorised agent (and in the case of a Notice convening a general meeting, only if such Shareholder has individually agreed to receive Notice in such manner);

(b) by mailing such Notice or document to such Shareholder at its address as recorded in the Register of Shareholders (and in the case of a Notice convening a general meeting, only if such Shareholder has individually agreed to receive Notice in such manner);

(c) by facsimile telecommunication, when directed to a number at which such Shareholder has individually consented in writing to receive Notices or documents from the Company (including a Notice convening a general meeting);

(d) by electronic mail, when directed to an electronic mail address at which such Shareholder has individually consented in writing to receive Notice or documents from the Company (including a Notice convening a general meeting); or

(e) by registered letter to such Shareholder at its address as recorded in the Register of Shareholders in respect of a Notice convening a general meeting in circumstances where a Shareholder has not individually consented to receiving Notice by other means of communication.

50.2 Where a Notice or document is served or delivered pursuant to Article 50.1(a), the service or delivery thereof shall be deemed to have been affected at the time such Notice or document was delivered to the Shareholder or its authorised agent.

50.3 Where a Notice or document is served or delivered pursuant to Article 50.1(b), service or delivery thereof shall be deemed to have been affected at the expiration of forty-eight (48) hours after such Notice or document was mailed. In proving service or delivery it shall be

sufficient to prove that the envelope containing such Notice or document was properly addressed, stamped and mailed.

50.4 Where a Notice or document is served or delivered pursuant to Article 50.1(c) or Article 50.1(d), service or delivery thereof shall be deemed to be affected at the time the facsimile or electronic mail was sent, as evidenced by the records of the Company generated at such time and available to the recipient of such electronically transmitted Notice or document upon its request.

50.5 Without prejudice to the provisions of Articles 50.1(b) and 50.3, if at any time by reason of the suspension or curtailment of postal services within Luxembourg, the Company is unable to convene a general meeting by Notices sent through the mail, a general meeting may be convened by a Notice advertised in at least one (1) leading national daily newspaper in Luxembourg, filed with the register of commerce and companies and published on the *Recueil Electronique des Sociétés et Associations* at least fifteen (15) days before the affected general meeting. In such case, such Notice shall be deemed to have been duly served on all Shareholders entitled thereto at noon on the day on which such advertisement shall appear. In any such case the Company shall send, from Luxembourg or elsewhere (as the Board in its opinion considers practical), confirmatory copies of the Notice convening the general meeting at least eight (8) days before the meeting by mail (or by facsimile or electronic mail in the case of Shareholders that have consented in writing to receive Notices by facsimile or electronic mail as described in Article 50.1(c) and Article 50.1(d)) to those Shareholders the registered addresses of which are outside Luxembourg or are in areas of Luxembourg unaffected by such suspension or curtailment of postal services. If at least eight (8) days prior to the time appointed for the holding of the general meeting, the mailing of Notices to Shareholders in Luxembourg, or any part thereof that was previously affected, has again (in the opinion of the Board) become practical, to the extent such Shareholders have not received Notices convening such meeting by facsimile or electronic mail, the Company shall send confirmatory copies of the Notice by mail to such Shareholders. The accidental omission to give any such confirmatory copy of a Notice of a general meeting to, or the non-receipt of any such confirmatory copy by, any Shareholder (whether by mail or, if applicable, facsimile or electronic mail) shall not invalidate the

proceedings at such general meeting, and no proof need be given that this formality has been complied with.

50.6 Notwithstanding anything contained in this Article 50, the Company shall not be obliged to take account of or make any investigations as to the existence of any suspension or curtailment of postal services within or in relation to all or any part of any jurisdiction or other area other than Luxembourg.

In the event of dissolution of the Company, liquidation shall be carried out by one or more liquidators, who may be natural or legal persons, appointed by the general meeting, which shall determine the powers and remuneration of such liquidators.

53.2 If the Company shall be dissolved and the assets available for distribution among the Shareholders shall be insufficient to repay the total paid up share capital of the Shares, such

If in a dissolution the assets available for distribution among the Shareholders shall be more than sufficient to repay the total paid up share capital of Shares at the commencement of the dissolution, the excess shall be distributed among the Shareholders in proportion to the number of Shares held by them at the commencement of the dissolution, without regard to the par value of their Shares.

53.3 The liquidator may, with the sanction of the Shareholders by means of an Ordinary Resolution, divide amongst the Shareholders in specie or in kind the whole or any part of the assets of the Company (whether they shall consist of property of the same kind or not) and may, for such purpose, set such value as the liquidator deems fair upon any property to be divided as aforesaid and, subject to these Articles and the rights attaching to each Share, may determine how such division shall be carried out as between the Shareholders or different classes of Shareholders. k. A copy of each form, report, statement, schedule, prospectus, proxy, registration statement and other document, if any, filed by the Company on or prior to the Closing Date (the “SEC Documents”) is available to the undersigned via the SEC’s EDGAR system. None of the SEC Documents contained, when filed or, if amended, as of the date of such amendment with respect to those disclosures that are amended, any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, that with respect to the information about the Company’s affiliates contained in any SEC Document to be filed by the Company the representation and warranty in this sentence is made to the Company’s knowledge. The Company has not received any written communication from a governmental authority that alleges that the Company is not in compliance with or is in default or violation of any applicable law, except where such non-compliance, default or violation would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

m. Except for such matters as have not had and would not be reasonably likely to have, individually or in the aggregate, a Material Adverse Effect, there is no (i) action, suit, claim or other proceeding, in each case by or before any governmental authority pending, or, to the knowledge of the Company as of the date of this Agreement, threatened in writing against the Company, or (ii) judgment, decree, injunction, ruling or order of any governmental entity or arbitrator outstanding against the Company.

n. The Other Subscription Agreements entered into or to be entered into by the Company in connection with the Transaction (or any agreements or understandings (including side letters) entered into or to be entered into in connection therewith or in connection with the purchase of Shares by the Other Purchasers) reflect the same per Share Purchase Price as set forth in this Agreement and do not contain any provisions that are more favorable from an economic perspective to such Other Subscribers or any affiliate or any party related thereto than the provisions of this Agreement (it being acknowledged and agreed that the right to syndicate Class A Shares pursuant to the Other Subscription Agreement with Gores Sponsor V LLC will not be a right provided to any Other Purchaser).

6. **GHV Representations and Warranties.** GHV represents and warrants to the Purchaser that at the date of signature of this Agreement and as of the Closing Date:

a. This Agreement has been duly executed and delivered by GHV, and (assuming due authorization, execution and delivery by the Company and Purchaser) this Agreement constitutes the legal, valid and binding obligation of GHV, enforceable against it in accordance with its terms, except as the enforceability hereof may be limited by the Enforceability Exceptions.

c. A copy of each form, report, statement, schedule, prospectus, proxy, registration statement and other document filed by GHV on or prior to the Closing Date (the "GHV SEC Documents") is available to the undersigned via the SEC's EDGAR system. None of the GHV SEC Documents contained, when filed or, if amended, as of the date of such amendment with respect to those disclosures that are amended, any untrue statement of a material fact or omitted to

state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, that with respect to the information about GHV' s affiliates contained in any SEC Document to be filed by GHV the representation and warranty in this sentence is made to GHV' s knowledge. The financial statements of GHV included in the GHV SEC Documents comply in all material respects with applicable accounting requirements and the rules and regulations of the SEC with respect thereto as in effect at the time of filing and fairly present in all material respects the financial condition of GHV as of and for the dates thereof and the results of operations and cash flows for the periods then ended, subject, in the case of unaudited statements, to normal, year-end audit adjustments. There are no material outstanding or unresolved comments in comment letters from the staff of the Division of Corporation Finance of the SEC with respect to any of the GHV SEC Documents.

d. GHV is in compliance with all applicable laws, except where such non-compliance would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the business, properties, assets, financial condition or results of operations of GHV and its subsidiaries, taken as a whole (a “GHV Material Adverse Effect”). GHV has not received any written communication from a governmental authority that alleges that GHV is not in compliance with or is in default or violation of any applicable law, except where such non-compliance, default or violation would not reasonably be expected to have, individually or in the aggregate, a GHV Material Adverse Effect.

e. Except for such matters as have not had and would not be reasonably likely to have, individually or in the aggregate, a GHV Material Adverse Effect, there is no (i) action, suit, claim or other proceeding, in each case by or before any governmental authority pending, or, to the knowledge of GHV, threatened against GHV, or (ii) judgment, decree, injunction, ruling or order of any governmental entity or arbitrator outstanding against GHV.

The Purchaser acknowledges that the Acquired Shares will not be eligible for resale pursuant to Rule 144A promulgated under the Securities Act. The Purchaser understands and agrees that the Acquired Shares will be subject to the foregoing transfer restrictions and, as a result of these transfer restrictions, the Purchaser may not be able to readily resell the Acquired Shares and may be required to bear the financial risk of an investment in the Acquired Shares for an indefinite period of time. The Purchaser understands that it has been advised to consult legal counsel prior to making any offer, resale, pledge or transfer of any of the Acquired Shares.

c. The Purchaser further acknowledges that there have been no representations, warranties, covenants and agreements made to the Purchaser, expressly or by implication, other than those representations, warranties, covenants and agreements included in this Agreement (and any other agreements executed and delivered in connection with the Transaction to which the Purchaser is party, if any).

d. The Purchaser's subscription for and holding of the Acquired Shares does not constitute or result in a non-exempt prohibited transaction under Section 406 of the United States Employee Retirement Income Security Act of 1974, as amended ("ERISA"), Section 4975 of the United States Internal Revenue Code of 1986, as amended (the "Code"), or any applicable similar law.

e. The Purchaser acknowledges and agrees that the Purchaser has received such information as the Purchaser deems necessary in order to make an investment decision with respect to the Acquired Shares, including, with respect to the Company, the AMP Business, the Transaction, GHV and Amsterdam. Without limiting the generality of the foregoing, the Purchaser acknowledges that it has received a copy of the Investor Presentation, dated as of February 11, 2021, provided by the Company and GHV (the "Disclosure Package"), and made its own assessment and is satisfied concerning the relevant tax and other economic considerations relevant to the Purchaser's investment in the Acquired Shares. The Purchaser acknowledges that it has reviewed the documents made available to the Purchaser by the Company and GHV in the electronic data room hosted by the GHV in connection with the transactions contemplated by this Agreement. The Purchaser represents and agrees that the Purchaser and the Purchaser's professional advisor(s), if any, have had the full opportunity to ask such questions, receive such answers and obtain such additional information about the Company, the AMP Business, the Transaction, GHV and Amsterdam as the Purchaser and such Purchaser's professional advisor(s), if any, have requested. The Purchaser acknowledges and agrees that (i) none of the Placement Agents, or any affiliate of the Placement Agents, has provided the Purchaser with any information or advice with respect to the Acquired Shares nor is such information or advice necessary or desired and (ii) none of the Placement Agents nor any of their respective affiliates has prepared any disclosure or offering document in connection with the offer and sale of the Acquired Shares. None of the Placement Agents or any of their respective affiliates has made or makes any representation as to the Company or the quality or value of the Acquired Shares and the Placement

Agents and any of their respective affiliates may have acquired non-public information with respect to the Company which the Purchaser agrees need not be provided to it. In connection with the issuance of the Acquired Shares to the Purchaser, none of the Placement Agents or any of their respective affiliates has acted as a financial advisor or fiduciary to the Purchaser. The Purchaser agrees that none of the Placement Agents shall be liable to any Purchaser for any action heretofore or hereafter taken or omitted to be taken by any of them in connection with the Purchaser's purchase of the Acquired Shares.

f. The Purchaser became aware of this offering of the Acquired Shares solely by means of direct contact between the Purchaser and the Company, GHV or a representative of the Company or GHV, and the Acquired Shares were offered to the Purchaser solely by direct contact between the Purchaser and the Company, GHV or a representative of the Company or GHV. The Purchaser did not become aware of this offering of the Acquired Shares, nor were the Acquired Shares offered to the Purchaser, by any other means. The Purchaser acknowledges that the Company represents and warrants that the Acquired Shares (i) were not offered by any form of general solicitation or general advertising and (ii) are not being offered in a manner involving a public offering under, or in a distribution in violation of, the Securities Act, or any state securities laws.

g. The Purchaser acknowledges that it is aware that there are substantial risks incident to the subscription for and ownership of the Acquired Shares, including those set forth in the Disclosure Package. The Purchaser has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of an investment in the Acquired Shares, and the Purchaser has sought such accounting, legal and tax advice as the Purchaser has considered necessary to make an informed investment decision. The Purchaser (i) is an institutional account as defined in FINRA Rule 4512(c), (ii) is a sophisticated investor, experienced in investing in private equity transactions and capable of evaluating investment risks independently, both in general and with regard to all transactions and investment strategies involving a security or securities, and (iii) has exercised independent judgment in evaluating its participation in the purchase of the Acquired Shares. The Purchaser understands and acknowledges that the purchase and sale of the Acquired Shares hereunder meets (i) the exemptions from filing under FINRA Rule 5123(b)(1)(A) and (ii) the institutional customer exemption under FINRA Rule 2111(b).

h. Alone, or together with any professional advisor(s), the Purchaser has analyzed and considered the risks of an investment in the Acquired Shares and determined that the Acquired Shares are a suitable investment for the Purchaser and that the Purchaser is able at this time and in the foreseeable future to bear the economic risk of a total loss of the Purchaser's investment in the Company. The Purchaser acknowledges specifically that a possibility of total loss exists.

i. In making its decision to purchase the Acquired Shares, the Purchaser has relied solely upon independent investigation made by the Purchaser. Without limiting the generality of the foregoing, the Purchaser has not relied on any statements or other information provided by the Placement Agents concerning the Company, Amsterdam or the Acquired Shares.

j. The Purchaser understands and acknowledges that no federal or state agency has passed upon or endorsed the merits of the offering of the Acquired Shares or made any findings or

determination as to the fairness of this investment or the accuracy or adequacy of the Disclosure Package.

k. If the Purchaser is not an individual, the Purchaser has been duly formed or incorporated and is validly existing in good standing under the laws of its jurisdiction of incorporation or formation. The Purchaser has the power and authority to enter into, deliver and perform the Purchaser's obligations under this Agreement.

l. The execution, delivery and performance by the Purchaser of this Agreement are within the powers of the Purchaser, have been duly authorized and will not constitute or result in a breach or default under or conflict with any order, ruling or regulation of any court or other tribunal or of any governmental commission or agency, or any agreement or other undertaking, to which the Purchaser is a party or by which the Purchaser is bound, and will not violate any provisions of the Purchaser's charter documents, including, without limitation, its incorporation or formation papers, bylaws, indenture of trust or partnership or operating agreement, as may be applicable. The Purchaser's signature on this Agreement is genuine, and the signatory has been duly authorized and has legal competence and capacity to execute the same, and this Agreement is enforceable against the Purchaser in accordance with its terms, except as the enforceability hereof may be limited by Enforceability Exceptions.

m. Neither the due diligence investigation conducted by the Purchaser in connection with making its decision to subscribe for the Acquired Shares nor any representations and warranties made by the Purchaser herein shall modify, amend or affect the Purchaser's right to rely on the truth, accuracy and completeness of the Company's representations and warranties contained herein.

n. The Purchaser is not (i) a person or entity named on the List of Specially Designated Nationals and Blocked Persons administered by the United States Treasury Department's Office of Foreign Assets Control ("OFAC") or in any Executive Order issued by the President of the United States and administered by OFAC ("OFAC List"), or a person or entity prohibited by any OFAC sanctions program, (ii) a Designated National as defined in the United States Cuban Assets Control Regulations, 31 C.F.R. Part 515, or (iii) a non-U.S. shell bank or providing banking services indirectly to a non-U.S. shell bank. The Purchaser agrees to provide law enforcement agencies, if requested thereby, such records as required by applicable law, provided that the Purchaser is permitted to do so under applicable law. If the Purchaser is a financial institution subject to the United States Bank Secrecy Act (31 U.S.C. Section 5311 et seq.) (the "BSA"), as amended by the USA PATRIOT Act of 2001 (the "PATRIOT Act"), and its implementing regulations (collectively, the "BSA/PATRIOT Act"), the Purchaser maintains written policies and procedures reasonably designed to comply with applicable obligations under the BSA/PATRIOT Act. To the extent required, it maintains policies and procedures reasonably designed for the screening of its investors against the OFAC sanctions programs, including the OFAC List. To the extent required by applicable law, the Purchaser maintains policies and procedures reasonably designed to ensure that the funds held by the Purchaser and used to subscribe for the Acquired Shares were legally derived.

10

o. To the Purchaser's knowledge, no disclosure (other than the Disclosure Package) or offering document has been prepared by the Company, GHV or the Placement Agents in connection with the offer and subscription for the Acquired Shares.

p. The Purchaser acknowledges that the Placement Agents and each of its directors, officers, employees, representatives and controlling persons have made no independent investigation with respect to the Company or the Acquired Shares or the accuracy, completeness or adequacy of any information supplied to the undersigned by the Company.

q. In connection with the subscription for the Acquired Shares, the Placement Agents have not acted as the Purchaser's financial advisor or fiduciary.

r. The Purchaser will have sufficient funds to pay the Purchase Price at the Closing.

s. The Placement Agents may rely upon these representations and warranties of the Purchaser.

t. The Purchaser hereby agrees that from the date of this Agreement until the Closing (or the earlier termination of this Agreement in accordance with its terms), none of the Purchaser, its controlled affiliates, or any person or entity acting on behalf of the Purchaser or any of its controlled affiliates or pursuant to any understanding with the Purchaser or any of its controlled affiliates will engage in any Short Sales with respect to securities of GHV. For purposes of this Section 7, “Short Sales” shall include, without limitation, all “short sales” as defined in Rule 200 promulgated under Regulation SHO under the United States Securities Exchange Act of 1934, as amended (the “Exchange Act”), and, except as otherwise consented to by GHV and the Company, all types of direct and indirect stock pledges (other than pledges in the ordinary course of business as part of prime brokerage arrangements), forward sale contracts, options, puts, calls, swaps and similar arrangements (including on a total return basis), and sales and other transactions through non-U.S. broker dealers or foreign regulated brokers. Notwithstanding anything to the contrary set forth herein, (i) nothing herein shall prohibit any entities under common management or that share an investment advisor with Purchaser that have no knowledge of this Agreement or of Purchaser’s participation in the transaction contemplated hereby (including Purchaser’s controlled affiliates and/or other affiliates) from entering into any Short Sales; and (ii) in the case of a Purchaser that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Purchaser’s assets and the portfolio managers have no knowledge of the investment decisions made by the portfolio managers managing other portions of such Purchaser’s assets, this Section 7(t) shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Acquired Shares.

u. The Purchaser acknowledges that it is not acquiring the Acquired Shares with a view to, or for offer or sale in connection with, a distribution thereof in violation of the Securities Act.

v. The Purchaser is not currently (and at all times through Closing will refrain from being or becoming) a member of a “group” (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Exchange Act or any successor provision) acting for the purpose of acquiring,

holding, voting or disposing of equity securities of the Company (within the meaning of Rule 13d-5(b)(1) under the Exchange Act).

w. If the Purchaser is an employee benefit plan that is subject to Title I of ERISA, a plan, an individual retirement account or other arrangement that is subject to section 4975 of the Code or an employee benefit plan that is a governmental plan (as defined in section 3(32) of ERISA), a church plan (as defined in section 3(33) of ERISA), a non-U.S. plan (as described in section 4(b)(4) of ERISA) or other plan that is not subject to the foregoing but may be subject to provisions under any other federal, state, local, non-U.S. or other laws or regulations that are similar to such provisions of ERISA or the Code, or an entity whose underlying assets are considered to include “plan assets” of any such plan, account or arrangement (each, a “Plan”) subject to the fiduciary or prohibited transaction provisions of ERISA or section 4975 of the Code, the Purchaser represents and warrants that it has not relied on the Company or any of its affiliates for investment advice as the Plan’s fiduciary with respect to its decision to acquire and hold the Acquired Shares, and none of the Company or any of its affiliates shall at any time be relied upon as the Plan’s fiduciary with respect to any decision to acquire, continue to hold or transfer the Acquired Shares.

8. Registration Rights.

a. The Company agrees that, no later than the date that is thirty (30) calendar days after the consummation of the Transaction, the Company will file with the SEC (at the Company’s sole cost and expense) a registration statement registering the resale by the Purchaser of the Acquired Shares (the “Registration Statement”), and the Company shall use its commercially reasonable efforts to have the Registration Statement declared effective by the SEC as soon as practicable after the filing thereof, but no later than the earlier of (i) the sixtieth (60th) calendar day (or the ninetieth (90th) calendar day if the SEC notifies the Company that it will “review” the Registration Statement) following the Closing Date and (ii) the 10th business day after the date the Company is notified (orally or in writing, whichever is earlier) by the SEC that the Registration Statement will not be “reviewed” or will not be subject to further review. A substantially complete draft of the Registration Statement shall be provided to the Purchaser at least two (2) Business Days prior to filing. The Company agrees to cause such registration statement or another shelf registration statement to remain effective until the earlier of (a) two (2) years from the issuance of the Acquired Shares, or (b) the first date on which the Purchaser can sell all of its Acquired Shares (or shares received in exchange therefor) under Rule 144 of the United States Securities Act within ninety (90) days without limitation as to the amount or manner of sale of such securities that may be sold and without the requirement for the Company to be in compliance with the current public information required under Rule 144(c)(1) (or Rule 144(i)(2), if applicable). The Purchaser agrees to disclose its ownership to the Company upon request to assist the Company in making the determination described above. The Company’s obligations to include the Acquired Shares (or shares issued in exchange therefor) in the Registration Statement are contingent upon the Purchaser furnishing in writing to the Company such information regarding the Purchaser, the securities of the Company held by the Purchaser and the intended method of disposition of the Acquired Shares as shall be reasonably requested by the Company to effect the registration of the Acquired Shares, and shall execute such documents in connection with such registration as the Company may reasonably request that are customary of a selling stockholder in similar situations, provided that Purchaser shall not in connection with the foregoing be required to execute any lock-up or similar

agreement or otherwise be subject to any contractual restriction on the ability to transfer the Acquired Shares. Notwithstanding the foregoing, if the SEC prevents the Company from including any or all of the shares proposed to be registered under the Registration Statement due to limitations on the use of Rule 415 of the Securities Act for the resale of the Acquired Shares or otherwise, such Registration Statement shall register the resale of a number of shares which is equal to the maximum number of shares as is permitted by the SEC. In such event, the number of shares to be registered for each selling shareholder named in the Registration Statement shall be reduced pro rata among all such selling shareholders, and the Company will use its commercially reasonable efforts to file with the SEC, as promptly as allowed by the SEC, one or more registration statements to register the resale of those Acquired Shares that were not registered on the initial Registration Statement, as so amended. For as long as the Purchaser holds Acquired Shares, the Company will use commercially reasonable efforts to file all reports for so long as the condition in Rule 144(c)(1) (or Rule 144(i)(2), if applicable) is required to be satisfied, and provide all customary and reasonable cooperation, necessary to enable the Purchaser to resell the Acquired Shares pursuant to Rule 144 of the Securities Act.

b. The Company may delay the filing of the registration statement or suspend the use of any such registration statement if it reasonably determines that in order for the registration statement to not contain a material misstatement or omission, an amendment thereto would be needed to include information that would at that time not otherwise be required in a current, quarterly, or annual report under the Exchange Act (a “Suspension Event”); provided, however, that the Company may not delay or suspend the Registration Statement on more than two (2) occasions or for more than sixty (60) consecutive calendar days, or more than ninety (90) total calendar days, in each case during any twelve-month period. The Company shall not, when so advising Purchaser of such Suspension Event, provide Purchaser with any material, nonpublic information regarding the Company other than to the extent that providing notice to Purchaser of the occurrence of the Suspension Event might constitute material, nonpublic information regarding the Company. Upon receipt of any written notice from the Company of the happening of any Suspension Event during the period that the Registration Statement is effective or if as a result of a Suspension Event the Registration Statement or related prospectus contains any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein (in light of the circumstances under which they were made, in the case of the prospectus) not misleading, Purchaser agrees that it will immediately discontinue offers and sales of the Acquired Shares under the Registration Statement (excluding, for the avoidance of doubt, sales conducted pursuant to Rule 144) until Purchaser receives copies of a supplemental or amended prospectus (which the Company agrees to promptly prepare) that corrects the misstatement(s) or omission(s) referred to above and receives notice that any post-effective amendment has become effective or unless otherwise notified by the Company that it may resume such offers and sales. If so directed by the Company, Purchaser will deliver to the Company or, in Purchaser’s sole discretion destroy, all copies of the prospectus covering the Acquired Shares in Purchaser’s possession; provided, however, that this obligation to deliver or destroy all copies of the prospectus shall not apply (A) to the extent Purchaser is required to retain a copy of such prospectus (1) in order to comply with applicable legal, regulatory, self-regulatory or professional requirements or (2) in accordance with a bona fide pre-existing document retention policy or (B) to copies stored electronically on archival servers as a result of automatic data back-up.

c. Indemnification.

i. The Company shall, notwithstanding any termination of this Agreement indemnify and hold harmless, to the extent permitted by law, Purchaser, its directors officers, members, stockholders, partners, agents, brokers, investment advisors and employees, and each person who controls Purchaser (within the meaning of the Securities Act) and the directors, officers, members, stockholders, partners, agents, brokers, investment advisors and employees of each such controlling person, to the fullest extent permitted by law, from and against all losses, claims, damages, liabilities, costs and expenses (including, without limitation, reasonable and documented attorneys' fees) (collectively, "Losses") based on any untrue or alleged untrue statement of material fact contained in any Registration Statement, prospectus included in any Registration Statement ("Prospectus") or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of a Prospectus, in the light of the circumstances under which they were made) not misleading, except insofar as the same are based on or contained in any information or affidavit so furnished in writing to the Company by or on behalf of such Purchaser expressly for use therein.

ii. In connection with any Registration Statement in which Purchaser is participating, Purchaser shall, to the extent permitted by law, indemnify the Company, its directors and officers and each person or entity who controls the Company (within the meaning of the Securities Act) against any losses, claims, damages, liabilities and expenses (including, without limitation, reasonable outside attorneys' fees) resulting from any untrue statement of material fact contained or incorporated by reference in any Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of a Prospectus, in the light of the circumstances under which they were made) not misleading, but only to the extent that such untrue statement or omission is contained (or not contained in, in the case of an omission) in any information or affidavit so furnished in writing by on behalf of such Purchaser expressly for use therein; provided, however, that the liability of Purchaser shall be several and not joint with any other investor and shall be limited to the net proceeds received by Purchaser from the sale of Acquired Shares giving rise to such indemnification obligation.

d. The Company shall use its commercially reasonable efforts, at its sole expense, to cause its legal counsel to (i) issue to the transfer agent a legal opinion instructing the transfer agent that, in connection with a sale or transfer of "restricted securities" (*i.e.*, securities issued pursuant to an exemption from the registration requirements of Section 5 of the Securities Act), the resale or transfer of which restricted securities has been registered pursuant to an effective Registration Statement by the holder thereof named in such Registration Statement, upon receipt of an appropriate broker representation letter and other such documentation as the Company' s counsel deems necessary and appropriate and after confirming compliance with relevant prospectus delivery requirements, is authorized to remove any applicable restrictive legend in connection with such sale or transfer and (ii) if the Acquired Shares are not registered pursuant to an effective Registration Statement, issue to the transfer agent a legal opinion to facilitate the sale or transfer of the Acquired Shares and removal of any restrictive legends pursuant to any exemption from the registration requirements of Section 5 of the Securities Act that may be available to a requesting

Purchaser; provided that, (A) the Company and its counsel may request and rely upon customary representations from the Purchaser in connection with delivery of such opinion and (B) notwithstanding the foregoing, the Company and its counsel will not be required to deliver any such opinion, authorization, certificate or direction if it reasonably believes that removal of the legend could result in or facilitate transfers of securities in violation of applicable law.

9. Termination. This Agreement shall terminate and be void and of no further force and effect, and all rights and obligations of the parties hereunder shall terminate without any further liability on the part of any party in respect thereof, upon the earlier to occur of (a) such date and time as the Business Combination Agreement is terminated in accordance with its terms, including if the Transaction has not been consummated by the Outside Date (as defined in the Business Combination Agreement), (b) upon the mutual written agreement of each of the parties hereto to terminate this Agreement or (c) at the election of the Purchaser, if the consummation of the Transaction shall not have occurred on or prior to September 30, 2021; provided, that nothing herein will relieve any party from liability for any willful breach hereof prior to the time of termination, and each party will be entitled to any remedies at law or in equity to recover losses, liabilities or damages arising from such breach. If the Transaction is not consummated, the Company shall notify the Purchaser of the termination of the Business Combination Agreement promptly after the termination of such agreement. This Agreement shall further terminate and be of no further force or effect, without any liability to any party hereto, if the Company notifies the Purchaser in writing that it has abandoned its plans to move forward with the Transaction and/or terminates the Purchaser's obligations with respect to the Subscription without the delivery of the Acquired Shares having occurred, provided that if the Purchase Price has been already paid pursuant to this Agreement at such time it shall be returned promptly by the Company to the Purchaser without any deduction for or on account of any tax, withholding, charges, or set-off.

10. Trust Account Waiver. The Purchaser acknowledges that GHV is a blank check company with the powers and privileges necessary or convenient to the conduct, promotion or attainment of the business or purposes of GHV, including, but not limited to effecting a merger, asset acquisition, reorganization or similar business combination involving GHV and one or more businesses or assets. The Purchaser further acknowledges that, as described in GHV prospectus relating to its initial public offering dated August 5, 2020 (the "IPO Prospectus") available at www.sec.gov, substantially all of GHV's assets consist of the cash proceeds of GHV's initial public offering and private placements of its securities, and substantially all of those proceeds have been deposited in a trust account (the "Trust Account") for the benefit of GHV, its public stockholders and the underwriters of GHV's initial public offering. Except with respect to interest earned on the funds held in the Trust Account that may be released to GHV to pay its tax obligations, if any, and for working capital, the cash in the Trust Account may be disbursed only for the purposes set forth in the IPO Prospectus. The Purchaser hereby irrevocably waives any and all right, title and interest, or any claim of any kind it has or may have in the future, in or to any monies held in the Trust Account, and agrees not to seek recourse against the Trust Account as a result of, or arising out of, this Agreement, provided however, that nothing in this Section 10 shall be deemed to limit the Purchaser's right, title, interest or claim to the Trust Account by virtue of the Purchaser's record or beneficial ownership of shares of common stock of GHV.

11. Miscellaneous.

a. Neither this Agreement nor any rights or obligations that may accrue to the Purchaser hereunder may be transferred or assigned, in whole nor in part, without the prior written consent of the Company and GHV, which may be withheld by the Company and GHV in their absolute discretion, other than an assignment to any affiliate of the Purchaser or any fund or account managed by the same investment manager as the Purchaser or an affiliate thereof, subject to, if such transfer or assignment is prior to the Closing, such transferee or assignee, as applicable, executing a joinder to this Agreement or a separate subscription agreement in substantially the same form as this Agreement.

b. The Company may request from the Purchaser such additional information as the Company may deem necessary to evaluate the eligibility of the Purchaser to subscribe for the Acquired Shares, and the Purchaser shall provide such information as may reasonably be requested, to the extent readily available and to the extent consistent with its internal policies and procedures provided that the Company agrees to keep any such information confidential except to the extent required to be disclosed by applicable law, including the securities laws or in connection with such filings, or the NYSE. The Purchaser acknowledges that GHV and the Company shall file a copy of this Agreement with the SEC.

c. The Purchaser acknowledges that each of the Company, GHV, the Placement Agents and others will rely on the acknowledgments, understandings, agreements, representations and warranties contained in this Agreement. Prior to the Closing, the Purchaser agrees to promptly notify the Company, GHV and the Placement Agents if any of the acknowledgments, understandings, agreements, representations and warranties set forth herein are no longer accurate. The Purchaser acknowledges and agrees that each purchase by the Purchaser of the Acquired Shares from the Company will constitute a reaffirmation of the acknowledgments, understandings, agreements, representations and warranties herein (as modified by any such notice) by the Purchaser as of the time of the purchase.

d. Each of the Company, GHV and the Placement Agents is irrevocably authorized to produce this Agreement or a copy hereof to any interested party in any administrative or legal proceeding or official inquiry with respect to the matters covered hereby.

e. All the agreements, representations and warranties made by each party hereto in this Agreement shall survive the Closing.

f. This Agreement may not be modified, waived or terminated except by an instrument in writing, signed by the party against whom enforcement of such modification, waiver, or termination is sought. No failure or delay of any party in exercising any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such right or power, or any course of conduct, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereunder are cumulative and are not exclusive of any rights or remedies that they would otherwise have hereunder.

g. This Agreement (and any other agreements executed and delivered in connection with the Transaction to which the Purchaser is party, if any) constitutes the entire agreement, and supersedes all other prior agreements, understandings, representations and warranties, both written and oral, among the parties, with respect to the subject matter hereof. This Agreement shall not confer any third-party beneficiary, or other rights or remedies upon any person other than the parties hereto and their respective successors and assigns.

h. Except as otherwise provided herein, this Agreement shall be binding upon, and inure to the benefit of the parties hereto and their heirs, executors, administrators, successors, legal representatives, and permitted assigns, and the agreements, representations, warranties, covenants and acknowledgments contained herein shall be deemed to be made by, and be binding upon, such heirs, executors, administrators, successors, legal representatives and permitted assigns.

i. If any provision of this Agreement shall be adjudicated by a court of competent jurisdiction to be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions of this Agreement shall not in any way be affected or impaired thereby and shall continue in full force and effect.

j. This Agreement may be executed in multiple counterparts, each of which when executed and delivered shall thereby be deemed to be an original and all of which taken together shall constitute one and the same instrument. Any party hereto may execute and deliver signed counterparts of this Agreement to the other parties hereto by electronic mail or other electronic transmission in portable document format (.PDF) or any other electronic signature complying with the United States E-SIGN Act of 2000 (including www.docusign.com), each of which shall be deemed an original.

k. The parties hereto agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement, this being in addition to any other remedy to which such party is entitled at law, in equity, in contract, in tort or otherwise.

l. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO THE PRINCIPLES OF CONFLICTS OF LAWS THAT WOULD OTHERWISE REQUIRE THE APPLICATION OF THE LAW OF ANY OTHER STATE. EACH PARTY HERETO HEREBY WAIVES ANY RIGHT TO A JURY TRIAL IN CONNECTION WITH ANY LITIGATION PURSUANT TO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY.

m. Any action based upon, arising out of or related to this Agreement, or the transactions contemplated hereby, shall be brought in any federal or state court located in New York County, New York, and each of the parties irrevocably submits to the exclusive jurisdiction of each such court in any such action, waives any objection it may now or hereafter have to personal jurisdiction, venue or to convenience of forum, agrees that all claims in respect of the action shall be heard and determined only in any such court, agrees that service of process upon

such party in any such action shall be effective if given as may be permitted by applicable law, and agrees not to bring any action arising out of or relating to this Agreement or the transactions contemplated hereby in any other court. Nothing herein contained shall be deemed to affect the right of any party to serve process in any manner permitted by law, or to commence legal proceedings or otherwise proceed against any other party in any other jurisdiction, in each case, to enforce judgments obtained in any action brought pursuant to this Section 11(m).

n. The Purchaser acknowledges that it is not relying upon, and has not relied upon, any statement, representation or warranty made by any person, firm or corporation (including, without limitation, Amsterdam, the Company, GHV or the Placement Agents or any of their respective affiliates or any of their control persons, officers, directors and employees) including the Disclosure Package, other than the statements, representations and warranties of the Company and GHV contained in this Agreement, in making its investment or decision to invest in the Company. Purchaser acknowledges and agrees that each of the Placement Agents is a third-party beneficiary of the representations and warranties of the Purchaser contained in this Agreement to the extent such representations and warranties relate to the Placement Agents. The Purchaser further acknowledges and agrees that none of (i) any Other Purchaser pursuant to any Other Subscription Agreement or any other agreement related to the private placement of the Shares (including such other investor's respective affiliates or any control persons, officers, directors, partners, agents, employees or representatives of any of the foregoing) or (ii) any of the Company's or GHV's respective affiliates' control persons, officers, directors, partners, agents, employees or representatives, shall be liable to any Other Purchaser pursuant to this Agreement or any Other Subscription Agreement or any other agreement related to the private placement of the Shares for any action heretofore or hereafter taken or omitted to be taken by any of them in connection with the purchase of the Shares or with respect to any claim (whether in tort, contract or otherwise) for breach of this Agreement or in respect of any written or oral representations made or alleged to be made in connection herewith, except as expressly provided herein, or for any actual or alleged inaccuracies, misstatements or omissions with respect to any information or materials of any kind furnished by the Company, GHV, the Placement Agents or any Non-Party Affiliate concerning the Company, GHV, the AMP Business, the Placement Agents, any of their controlled affiliates, this Agreement or the transactions contemplated hereby. For purposes of this Agreement, "Non-Party Affiliates" means each former, current or future officer, director, employee, partner, member, manager, direct or indirect equityholder or affiliate of the Company, GHV, any Placement Agent or any of the Company's, GHV's or any Placement Agent's controlled affiliates or any family member of the foregoing.

o. The parties hereto intend for the Subscription, together with the Transaction, to qualify together as an exchange under Section 351 of the Code and will not take any inconsistent position on any tax return or during the course of any audit, litigation or other proceeding with respect to taxes, except as otherwise required by a determination within the meaning of Section 1313(a) of the Code.

p. GHV shall, by 9:00 a.m., New York City time, on the first (1st) Business Day immediately following the date of this Agreement, issue one or more press releases or file with the SEC a Current Report on Form 8-K (collectively, the "Disclosure Document") disclosing all material terms of the transactions contemplated hereby, the Transaction and any other material, nonpublic information that the Company or GHV has provided to Purchaser at any time prior to

the filing of the Disclosure Document. From and after the issuance of the Disclosure Document, to the Company' s and GHV' s knowledge, Purchaser shall not be in possession of any material, nonpublic information received from the Company or GHV, and Purchaser shall no longer be subject to any confidentiality or similar obligations under any current agreement, whether written or oral with the Company, GHV, the Placement Agents or any of their respective affiliates with respect to the transactions contemplated hereby. Notwithstanding anything in this Agreement to the contrary, neither the Company nor GHV shall, without the prior written consent of Purchaser, publicly disclose the name of Purchaser or any of its affiliates or advisors, or include the name of Purchaser or any of its affiliates or advisors (i) in any press release or marketing materials or (ii) in any filings with the SEC or any regulatory agency or trading market except (A) required by the federal securities law in connection with the Registration Statement, and (B), to the extent such disclosure is required by law, at the request of the Staff of the SEC or regulatory agency or under the regulations of the NYSE or by any other governmental authority, in which case GHV and/or the Company shall provide Purchaser with prior written notice of such disclosure permitted under this subclause (B).

q. ARTICLE II REGISTRATIONS

Section 2.1 Shelf Registration.

(a) The Company shall, as soon as practicable, but in any event no later than the date that is thirty (30) calendar days after the date hereof, file a Registration Statement under the Securities Act to permit the public resale by the Holders of all the Registrable Securities held by the Holders from time to time as permitted by Rule 415 under the Securities Act (or any successor or similar provision adopted by the Commission then in effect) on the terms and conditions specified in this Section 2.1(a) and shall use its reasonable best efforts to cause such Registration Statement to be declared effective as soon as practicable after the filing thereof, but in no event later than sixty (60) calendar days following the filing deadline (the “Effectiveness Deadline”); provided that the Effectiveness Deadline shall be extended to ninety (90) calendar days after the filing deadline if the Registration Statement is reviewed by, and receives comments from, the Commission. The Registration Statement filed with the Commission pursuant to this Section 2.1(a) shall be on a shelf registration statement on Form F-1 (a “Form F-1 Shelf”) or such other form of registration statement as is then available to effect a registration for resale of such Registrable Securities, covering such Registrable Securities, and shall contain a Prospectus in such form as to permit any Holder to sell such Registrable Securities pursuant to Rule 415 under the Securities Act (or any successor or similar provision adopted by the Commission then in effect)

at any time beginning on the effective date for such Registration Statement. A Registration Statement filed pursuant to this [Section 2.1\(a\)](#) shall provide for the resale pursuant to any method or combination of methods legally available to, and requested by, the Holders. The Company shall use its reasonable best efforts to cause a Registration Statement filed pursuant to this [Section 2.1\(a\)](#) to remain effective, and to be supplemented and amended to the extent necessary to ensure that such Registration Statement is available or, if not available, that another Registration Statement is available, for the resale of all the Registrable Securities held by the Holders until all such Registrable Securities have ceased to be Registrable Securities. When effective, a Registration Statement filed pursuant to this [Section 2.1\(a\)](#) (including the documents incorporated therein by reference) will comply as to form in all material respects with all applicable requirements of the Securities Act and the Exchange Act and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading (in the case of any Prospectus contained in such Registration Statement, in the light of the circumstances under which such statement is made).

(b) The Company shall use its reasonable best efforts to convert the Form F-1 Shelf filed pursuant to [Section 2.1\(a\)](#) to a shelf registration statement on Form F-3 (a “[Form F-3 Shelf](#)”) as promptly as practicable after the Company is eligible to use a Form F-3 Shelf and have the Form F-3 Shelf declared effective as promptly as practicable and to cause such Form F-3 Shelf to remain effective, and to be supplemented and amended to the extent necessary to ensure that such Registration Statement is available or, if not available, that another Registration Statement is available, for the resale of all the Registrable Securities held by the Holders until all such Registrable Securities have ceased to be Registrable Securities.

(c) Subject to the limitations set forth in [Section 2.7\(a\)](#), at any time and from time to time following the effectiveness of the shelf registration statement required by [Section 2.1\(a\)](#) or [Section 2.1\(b\)](#), each of the Sponsor or AGSA may request to sell all or a portion of their Registrable Securities in an underwritten offering that is registered pursuant to such shelf registration statement, including a Block Trade (a “[Shelf Underwritten Offering](#)”) provided that the Sponsor or AGSA, as the case may be, (i) reasonably expects to sell Registrable Securities yielding aggregate gross proceeds in excess of 50,000,000 from such Shelf Underwritten Offering or (ii) reasonably expects to sell all of the Registrable Securities held by such Holder in such Shelf Underwritten Offering (the amount of Registrable Securities pursuant to the foregoing clause (i) or (ii), as applicable, the “[Minimum Amount](#)”). All requests for a Shelf Underwritten Offering shall be made by giving written notice to the Company (the “[Shelf Take Down Notice](#)”). Each Shelf Takedown Notice shall specify the approximate number of Registrable Securities proposed to be sold in the Shelf Underwritten Offering and the expected price range (net of underwriting discounts and commissions) of such Shelf Underwritten Offering. Within five (5) Business Days after receipt of any Shelf Take Down Notice, the Company shall give written notice of such requested Shelf Underwritten Offering to all other Holders of Registrable Securities (the “[Company Shelf Takedown Notice](#)”) and, subject to the provisions of [Section 2.2\(d\)](#) shall include in such Shelf Underwritten Offering all Registrable Securities with respect to which the Company has received written requests for inclusion therein, within five (5) Business Days after sending the Company Shelf Takedown Notice, or, in the case of a Block Trade, as provided in [Section 2.5](#). The Company shall enter into an underwriting agreement in a form as is customary in Underwritten Offerings of securities by the Company with the managing Underwriter or Underwriters selected by the Holders and reasonably acceptable to the Company and shall take all such other reasonable actions as are

requested by the managing Underwriter or Underwriters in order to expedite or facilitate the disposition of such Registrable Securities. In connection with any Shelf Underwritten Offering contemplated by this Section 2.1(c), subject to Section 3.3 and Article IV, the underwriting agreement into which each Holder and the Company shall enter shall contain such representations, covenants, indemnities and other rights and obligations as are customary in underwritten offerings of securities by the Company. Any Shelf Underwritten Offering effected pursuant to this Section 2.1(c) shall be counted as a Registration for purposes of the limit on the number of Registrations that can be effected under Section 2.2.

Section 2.2 Demand Registration.

(a) Subject to the provisions of Section 2.7, at any time and from time to time on or after the date hereof, each of (i) the Gores Holders of at least a majority in interest of the then-outstanding number of Registrable Securities held by the Gores Holders (the “Gores Demanding Holders”), and (ii) AGSA (together with the Gores Demanding Holders, the “Demanding Holders”), may make a written demand for Registration of all or part of their Registrable Securities on (1) Form F-1 or (2) if available, Form F-3, which in the case of either clause (1) or (2), may be a shelf registration statement filed pursuant to Rule 415 under the Securities Act, which written demand shall describe the amount and type of securities to be included in such Registration and the intended method(s) of distribution thereof (such written demand a “Demand Registration”). The Company shall, promptly following the Company’s receipt of a Demand Registration, notify, in writing all other Holders of Registrable Securities of such demand, and each Holder of Registrable Securities who thereafter wishes to include all or a portion of such Holder’s Registrable Securities in a Registration pursuant to a Demand Registration (each such Holder that includes all or a portion of such Holder’s Registrable Securities in such Registration, a “Requesting Holder”) shall so notify the Company, in writing, within ten (10) days after the receipt by the Holder of the notice from the Company. For the avoidance of doubt, to the extent a Requesting Holder also separately possesses Demand Registration rights pursuant to this Section 2.2, but is not the Holder who exercises such Demand Registration rights, the exercise by such Requesting Holder of its rights pursuant to the foregoing sentence shall not count as the exercise by it of one of its Demand Registration rights. Upon receipt by the Company of any such written notification from a Requesting Holder(s) to the Company, subject to Section 2.2(d), such Requesting Holder(s) shall be entitled to have their Registrable Securities included in a Registration pursuant to a Demand Registration and the Company shall effect, as soon thereafter as practicable, the Registration of all Registrable Securities requested by the Demanding Holders and Requesting Holders pursuant to such Demand Registration.

(b) Notwithstanding the provisions of Section 2.2(a) or any other part of this Agreement, a Registration pursuant to a Demand Registration shall not count as a Registration unless and until (i) the Registration Statement filed with the Commission with respect to a Registration pursuant to a Demand Registration has been declared effective by the Commission and (ii) the Company has complied with all of its obligations under this Agreement with respect thereto; provided, further, that if, after such Registration Statement has been declared effective, an offering of Registrable Securities in a Registration pursuant to a Demand Registration is subsequently interfered with by any stop order or injunction of the Commission, federal or state court or any other governmental agency, the Registration Statement with respect to such Registration shall be deemed not to have been declared effective, unless and until, (1) such stop

order or injunction is removed, rescinded or otherwise terminated, and (2) a majority-in-interest of the Demanding Holders initiating such Demand Registration thereafter affirmatively elect to continue with such Registration and accordingly notify the Company in writing, but in no event later than ten (10) days after the removal, rescission or other termination of such stop order or injunction, of such election; provided, further, that the Company shall not be obligated or required to file another Registration Statement until the Registration Statement that has been previously filed with respect to a Registration pursuant to a Demand Registration by the same Demand Holder becomes effective or is subsequently terminated.

(c) Subject to the provisions of Section 2.2(d) and Section 2.7, if a majority-in-interest of the Demanding Holders so advise the Company as part of their Demand Registration that the offering of the Registrable Securities pursuant to such Demand Registration shall be in the form of an Underwritten Offering, then the right of such Demanding Holder or Requesting Holder (if any) to include its Registrable Securities in such Registration shall be conditioned upon such Holder's participation in such Underwritten Offering and the inclusion of such Holder's Registrable Securities in such Underwritten Offering to the extent provided herein. All such Holders proposing to distribute their Registrable Securities through an Underwritten Offering under this Section 2.2(c), subject to Section 3.3 and Article IV, shall enter into an underwriting agreement in customary form with the Company and the Underwriter(s) selected for such Underwritten Offering by the majority-in-interest of the Demanding Holders initiating the Demand Registration, which Underwriter(s) shall be reasonably satisfactory to the Company.

(d) If a Demand Registration is to be an Underwritten Offering and the managing Underwriter or Underwriters, in good faith, advises the Company, the Demanding Holders and the Requesting Holders (if any) in writing that, in its opinion, the dollar amount or number of Registrable Securities that the Demanding Holders and the Requesting Holders (if any) desire to sell, taken together with all other Shares or other equity securities that the Company desires to sell for its own account and the Shares, if any, as to which a Registration has been requested pursuant to separate written contractual piggy-back registration rights held by any other stockholders of the Company who desire to sell, exceeds the maximum dollar amount or maximum number of equity securities that can be sold in such Underwritten Offering without adversely affecting the proposed offering price, the timing, the distribution method, or the probability of success of such offering (such maximum dollar amount or maximum number of such securities, as applicable, the "Maximum Number of Securities"), then the Company shall include in such Underwritten Offering, as follows: (i) first, the Registrable Securities of the Demanding Holders and the Requesting Holders (if any) (pro rata based on the total amount of Registrable Securities held by each such Demanding Holder and Requesting Holder (if any) (such proportion is referred to herein as "Pro Rata")) that can be sold without exceeding the Maximum Number of Securities; (ii) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (i), the Shares or other equity securities that the Company desires to sell for its own account, which can be sold without exceeding the Maximum Number of Securities; and (iii) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (i) and (ii), the Shares or other equity securities of other persons or entities that the Company is obligated to register in a Registration pursuant to separate written contractual arrangements with such persons and that can be sold without exceeding the Maximum Number of Securities.

Section 2.3 Withdrawal of Securities. A Demanding Holder or a Requesting Holder shall have the right to withdraw all or a portion of its Registrable Securities included in a Demand Registration pursuant to Section 2.2(a) or a Shelf Underwritten Offering pursuant to Section 2.1(c) for any or no reason whatsoever upon written notification to the Company and the Underwriter or Underwriters (if any) of its intention to so withdraw at any time prior to (i) in the case of a Demand Registration not involving an Underwritten Offering, the effectiveness of the applicable Registration Statement or (ii) in the case of any Demand Registration involving an Underwritten Offering or any Shelf Underwritten Offering, prior to the pricing of such Underwritten Offering or Shelf Underwritten Offering; provided, however, that upon withdrawal by a majority-in-interest of the Demanding Holders initiating a Demand Registration (or in the case of a Shelf Underwritten Offering, withdrawal of an amount of Registrable Securities included by the Holders in such Shelf Underwritten Offering, in their capacity as Demanding Holders, being less than the Minimum Amount), the Company shall cease all efforts to secure effectiveness of the applicable Registration Statement or complete the Underwritten Offering, as applicable. Notwithstanding anything to the contrary in this Agreement, the Company shall be responsible for the Registration Expenses incurred in connection with a Registration pursuant to a Demand Registration or a Shelf Underwritten Offering prior to and including its withdrawal under this Section 2.3.

Section 2.4 Piggyback Registration.

(a) If the Company proposes to file a Registration Statement under the Securities Act with respect to an offering of equity securities, or securities or other obligations exercisable or exchangeable for, or convertible into equity securities, for its own

account or for the account of stockholders of the Company (or by the Company and by the stockholders of the Company including pursuant to Section 2.2), other than an Exempted Registration Statement, then the Company shall give written notice of such proposed filing to all of the Holders of Registrable Securities as soon as practicable but not less than twenty (20) days (or, in the case of a Block Trade, five (5) Business Days) before the anticipated filing date of such Registration Statement, which notice shall (i) describe the amount and type of securities to be included in such offering, the intended method(s) of distribution (including whether such registration will be pursuant to a shelf registration statement), and the proposed price and name of the proposed managing Underwriter or Underwriters, if any, in such offering, (ii) such Holders' rights under this Section 2.4 and (iii) offer to all of the Holders of Registrable Securities the opportunity to register the sale of such number of Registrable Securities as such Holders may request in writing within ten (10) days after receipt of such written notice (or in the case of a Block Trade, within two (2) Business Days) (such Registration a "Piggyback Registration"). The Company shall, in good faith, cause such Registrable Securities identified in a Holder' s response noticed described in the foregoing sentence to be included in such Piggyback Registration and shall use its reasonable best efforts to cause the managing Underwriter or Underwriters of a proposed Underwritten Offering, if any, to permit the Registrable Securities requested by the Holders pursuant to this Section 2.4(a) to be included in a Piggyback Registration on the same terms and conditions as any similar securities of the Company or Company stockholder(s) for whose account the Registration Statement is to be filed included in such Registration and to permit the sale or other disposition of such Registrable Securities in accordance with the intended method(s) of distribution thereof. All such Holders proposing to distribute their Registrable Securities through an Underwritten Offering under this Section 2.4(a), subject to Section 3.3 and Article IV, shall enter into an underwriting

agreement in customary form with the Underwriter(s) selected for such Underwritten Offering by the Company or Company stockholder(s) for whose account the Registration Statement is to be filed. For purposes of this Section 2.4, the filing by the Company of an automatic shelf registration statement for offerings pursuant to Rule 415(a) that omits information with respect to any specific offering pursuant to Rule 430B shall not trigger any notification or participation rights hereunder until such time as the Company amends or supplements such Registration Statement to include information with respect to a specific offering of Securities (and such amendment or supplement shall trigger the notice and participation rights provided for in this Section 2.4).

(b) If a Piggyback Registration is to be an Underwritten Offering and the managing Underwriter or Underwriters, in good faith, advises the Company and the Holders of Registrable Securities participating in the Piggyback Registration in writing that, in its opinion, the dollar amount or number of the Shares that the Company desires to sell, taken together with (x) the Shares, if any, as to which Registration has been demanded pursuant to separate written contractual arrangements with persons or entities other than the Holders of Registrable Securities hereunder, (y) the Registrable Securities as to which registration has been requested pursuant Section 2.4, and (z) the Shares, if any, as to which Registration has been requested pursuant to separate written contractual piggy-back registration rights of other stockholders of the Company, exceeds the Maximum Number of Securities, then:

(i) if the Registration is undertaken for the Company's account, the Company shall include in any such Registration (1) first, the Shares or other equity securities that the Company desires to sell for its own account, which can be sold without exceeding the Maximum Number of Securities, (2) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (1), the Registrable Securities of Holders exercising their rights to register their Registrable Securities pursuant to Section 2.4(a), Pro Rata, which can be sold without exceeding the Maximum Number of Securities and (3) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (1) and (2), the Shares, if any, as to which Registration has been requested pursuant to written contractual piggy-back registration rights of other stockholders of the Company, which can be sold without exceeding the Maximum Number of Securities; and

(ii) if the Registration is pursuant to a request by persons or entities other than the Holders of Registrable Securities, then the Company shall include in any such Registration (1) first, the Shares or other equity securities, if any, of such requesting persons or entities, other than the Holders of Registrable Securities, which can be sold without exceeding the Maximum Number of Securities, (2) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (1), the Registrable Securities of Holders exercising their rights to register their Registrable Securities pursuant to this Section 2.4(a), Pro Rata, which can be sold without exceeding the Maximum Number of Securities, (3) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (1) and (2), the Shares or other equity securities that the Company desires to sell for its own account, which can be sold without exceeding the Maximum Number of Securities and (4) fourth, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (1), (2) and (3), the Shares or other equity securities for the account of other persons or entities

that the Company is obligated to register pursuant to separate written contractual arrangements with such persons or entities, which can be sold without exceeding the Maximum Number of Securities.

(c) Any Holder of Registrable Securities shall have the right to withdraw all or any portion of its Registrable Securities in a Piggyback Registration for any or no reason whatsoever upon written notification to the Company and the Underwriter or Underwriters (if any) of his, her or its intention to withdraw such Registrable Securities from such Piggyback Registration prior to (i) in the case of a Piggyback Registration not involving an Unwritten Offering or Shelf Underwritten Offering, the effectiveness of the applicable Registration Statement or (ii), in the case of any Piggyback Registration involving an Underwritten Offering or any Shelf Underwritten Offering, prior to the pricing of such Underwritten Offering or Shelf Underwritten Offering. The Company (whether on its own good faith determination or as the result of a request for withdrawal by persons pursuant to separate written contractual obligations) may withdraw a Registration Statement filed with the Commission in connection with a Piggyback Registration at any time prior to the effectiveness of such Registration Statement. Notwithstanding anything to the contrary in this Agreement, the Company shall be responsible for the Registration Expenses incurred in connection with the Piggyback Registration prior to and including its withdrawal under this Section 2.4(c).

(d) For purposes of clarity, any Registration effected pursuant to Section 2.4 shall not be counted as a Registration pursuant to a Demand Registration effected under Section 2.2 or a Shelf Underwritten Offering effected under Section 2.1(c).

Section 2.5 Block Trades. Subject to Section 2.7, if the Holders desire to effect a Block Trade, then notwithstanding any other time periods in this Article II, the Holders shall provide written notice to the Company at least five (5) Business Days prior to the date such Block Trade will commence. As expeditiously as possible, the Company shall use its reasonable best efforts to facilitate such Block Trade. The Holders shall use reasonable best efforts to work with the Company and the Underwriters (including by disclosing the maximum number of Registrable Securities proposed to be the subject of such Block Trade) in order to facilitate preparation of the Registration Statement, Prospectus and other offering documentation related to the Block Trade and any related due diligence and comfort procedures. In the event of a Block Trade, and after consultation with the Company, the Demanding Holders and the Requesting Holders (if any) shall determine the Maximum Number of Securities, the underwriter or underwriters and share price of such offering.

Section 2.6 Rule 415; Removal. If at any time the Commission takes the position that the offering of some or all of the Registrable Securities in a Registration Statement on Form F-3 filed pursuant to this Article II is not eligible to be made on a delayed or continuous basis under the provisions of Rule 415 under the Securities Act (provided, however, the Company shall be obligated to use diligent efforts to advocate with the Commission for the registration of all of the Registrable Securities in accordance with the Commission Guidance, including Compliance and Disclosure Interpretation 612.09) or requires a Holder to be named as an “underwriter,” the Company shall (a) promptly notify each holder of Registrable Securities thereof (or in the case of the Commission requiring a Holder to be named as an “underwriter,” the Holder) and (b) use reasonable best efforts to persuade the SEC that the offering contemplated by such

Registration Statement is a valid secondary offering and not an offering “by or on behalf of the issuer” as defined in Rule 415 and that none of the Holders is an “underwriter.” The Holders shall have the right to select one legal counsel designated by the holders of a majority of the Registrable Securities subject to such Registration Statement to review and oversee any registration or matters pursuant to this Section 2.6, including participation in any meetings or discussions with the Commission regarding the Commission’s position and to comment on any written submission made to the Commission with respect thereto. No such written submission with respect to this matter shall be made to the Commission to which the applicable Holders’ counsel reasonably objects. In the event that, despite the Company’s reasonable best efforts and compliance with the terms of this Section 2.6, the Commission refuses to alter its position, the Company shall (a) remove from such Registration Statement such portion of the Registrable Securities (the “Removed Shares”) or (b) agree to such restrictions and limitations on the registration and resale of the Registrable Securities as the Commission may require to assure the Company’s compliance with the requirements of Rule 415; provided, however, that the Company shall not agree to name any Holder as an “underwriter” in such Registration Statement without the prior written consent of such Holder. In the event of a share removal pursuant to this Section 2.6, the Company shall give the applicable Holders at least five (5) days prior written notice along with the calculations as to such Holder’s allotment. Subject to the Company’s obligations under the Subscription Agreements, any removal of shares of the Holders pursuant to this Section 2.6 shall first be applied to Holders other than the Holders with securities registered for resale under the applicable Registration Statement and thereafter allocated between the Holders on a pro rata basis based on the aggregate amount of Registrable Securities held by the Holders. In the event of a share removal of the Holders pursuant to this Section 2.6, the Company shall promptly register the resale of any Removed Shares pursuant to Section 2.1(b). In the case of a Form F-1 Shelf filed to register the resale of Removed Shares, upon such date as the Company becomes eligible to register all of the Removed Shares for resale on a Form F-3 Shelf pursuant to the Commission Guidance and, if applicable, without a requirement that any of the Holders be named as an “underwriter” therein, the Company shall use its reasonable best efforts to file a Form F-3 Shelf as promptly as practicable to replace the applicable Form F-1 Shelf and have the Form F-3 Shelf declared effective as promptly as practicable and to cause such Form F-3 Shelf to remain effective, and to be supplemented and amended to the extent necessary to ensure that such Registration Statement is available or, if not available, that another Registration Statement is available, for the resale of all the Registrable Securities thereunder held by the applicable Holders until all such Registrable Securities have ceased to be Registrable Securities.

Section 2.7 Restrictions on Registration and Block Trade Rights; Suspension of Sales; Adverse Disclosure.

(a) Notwithstanding anything in this Agreement to the contrary, in no event will the Gores Holders be entitled, on a collective basis, to initiate more than an aggregate of three (3) Registrations pursuant to a Demand Registration or a Shelf Underwritten Offering (including a Block Trade) under Section 2.1(c) (including with respect to a Block Trade) or Section 2.2(a), as the case may be; provided, however, that a Registration shall not be counted for such purposes unless a Registration Statement that may be available at such time has become effective.

(b) Notwithstanding anything to the contrary contained herein, upon receipt of written notice from the Company that a Registration Statement or Prospectus contains a

Misstatement, or in the opinion of counsel for the Company it is necessary to supplement or amend such Prospectus to comply with law, each of the Holders shall forthwith discontinue disposition of Registrable Securities until it has received copies of a supplemented or amended Prospectus correcting the Misstatement or including the information counsel for the Company believes to be necessary to comply with law (it being understood that the Company hereby covenants to prepare and file such supplement or amendment as soon as practicable after the time of such notice such that the Registration Statement or Prospectus, as so amended or supplemented, as applicable, will not include a Misstatement and complies with law), or until it is advised in writing by the Company that the use of the Prospectus may be resumed. The Company shall promptly notify the Holders of the expiration of any period during which it exercised its rights under this Section 2.7(b).

(c) Notwithstanding anything to the contrary contained herein, the Company shall not be obligated to (i) effect any Demand Registration or Underwritten Offering or (ii) file a Registration Statement (or any amendment thereto) or effect an Underwritten Offering (or, if the Company has filed a Registration Statement that includes Registrable Securities, the Company shall be entitled to suspend the offer and sale of Registrable Securities pursuant to such Registration Statement) for a period of up to forty-five (45) days if the Company has determined that the sale of Registrable Securities pursuant a Registration Statement would require the Company to make an Adverse Disclosure or would require the inclusion in such Registration Statement of financial statements that are unavailable to the Company for reasons beyond the Company's control (any such period, a "Blackout Period"); provided, however, that in no event shall any Blackout Period together with other Blackout Periods exceed an aggregate of ninety (90) days in any twelve (12)-month period. In the event the Company exercises its rights under this Section 2.7(c), the Holders agree to suspend, immediately upon their receipt of the notice referred to above, their use of any Prospectus relating to any Registration in connection with any sale or offer to sell Registrable Securities. The Company shall promptly notify the Holders of the expiration of any period during which it exercised its rights under this Section 2.7(c). The Holders receiving notice of a Blackout Period (and the expiration thereof) shall maintain the confidentiality of the existence (and circumstances, to the extent known) of a Blackout Period. In connection with any notice of a Blackout Period, the Company may not deliver any material non-public information, and, for avoidance of doubt, solely the receipt of notice of a Blackout Period without additional information shall not constitute material non-public information.

ARTICLE III COMPANY PROCEDURES

Section 3.1 General Procedures. If the Company is required to effect the Registration of Registrable Securities, the Company shall use its reasonable best efforts to effect such Registration to permit the sale of such Registrable Securities in accordance with the intended method of distribution thereof, and pursuant thereto the Company shall, as expeditiously as reasonably possible:

(a) prepare and file with the Commission as soon as reasonably practicable a Registration Statement with respect to such Registrable Securities and use its reasonable best efforts to cause such Registration Statement to become effective and remain effective until all Registrable Securities covered by such Registration Statement have been sold;

(b) prepare and file with the Commission such amendments and post-effective amendments to the Registration Statement, and such supplements to the Prospectus as may be required by the Securities Act or rules and regulations thereunder to keep the Registration Statement effective until all Registrable Securities covered by such Registration Statement are sold in accordance with the intended method of distribution set forth in such Registration Statement or supplement to the Prospectus;

(c) prior to filing a Registration Statement or Prospectus, or any amendment or supplement thereto, furnish without charge to the Underwriters, if any, and the Holders of Registrable Securities included in such Registration, and such Holders' legal counsel, copies of such Registration Statement as proposed to be filed, each amendment and supplement to such Registration Statement (in each case including all exhibits thereto and documents incorporated by reference therein), the Prospectus included in such Registration Statement (including each preliminary Prospectus), and such other documents as the Underwriters and the Holders of Registrable Securities included in such Registration or the legal counsel for any such Holders may reasonably request in order to facilitate the disposition of the Registrable Securities owned by such Holders;

(d) prior to any public offering of Registrable Securities, but in any case no later than the effective date of the applicable Registration Statement, use its reasonable best efforts to (i) register or qualify the Registrable Securities covered by the Registration Statement under such securities or "blue sky" laws of such jurisdictions in the United States as the Holders of Registrable Securities included in such Registration Statement (in light of their intended method of distribution) may reasonably request and to keep such registration or qualification in effect for so long as such Registration Statement remains in effect and (ii) take such action as may be necessary to cause such Registrable Securities covered by the Registration Statement to be registered with or approved by such other governmental authorities as may be necessary by virtue of the business and operations of the Company or otherwise and do any and all other acts and things that may be necessary to enable the Holders of Registrable Securities included in such Registration Statement to consummate the disposition of such Registrable Securities in such jurisdictions; provided, however, that the Company shall not be required to qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify or take any action to which it would be subject to general service of process or taxation in any such jurisdiction where it is not then otherwise so subject;

(e) cause all such Registrable Securities to be listed on each securities exchange or automated quotation system on which the Shares are then listed no later than the effective date of such Registration Statement;

(f) provide a transfer agent or warrant agent, as applicable, and registrar for all such Registrable Securities no later than the effective date of such Registration Statement;

(g) furnish to each seller of Registrable Securities covered by such Registration Statement such number of conformed copies of such Registration Statement and of each such amendment and supplement thereto (in each case including all exhibits), such number of copies of the Prospectus contained in such Registration Statement (including each preliminary Prospectus and any summary Prospectus) and any other Prospectus filed under Rule 424 under the Securities

Act, in conformity with the requirements of the Securities Act, and such other documents as such seller may reasonably request;

(h) advise each seller of such Registrable Securities, promptly after it shall receive notice or obtain knowledge thereof, of the issuance of any stop order by the Commission suspending the effectiveness of such Registration Statement or Prospectus the initiation or threatening of any proceeding for such purpose and promptly use its reasonable best efforts to amend or supplement such Registration Statement or Prospectus or prevent the issuance of any stop order or to obtain its withdrawal if such stop order should be issued, as applicable;

(i) advise each Holder of Registrable Securities covered by such Registration Statement, promptly after the Company receives notice thereof, of the time when such registration statement has been declared effective or a supplement to any Prospectus forming a part of such registration statement has been filed;

(j) notify the Holders at any time when a Prospectus relating to such Registration Statement is required to be delivered under the Securities Act, of the happening of any event or the existence of any condition as a result of which the Prospectus included in such Registration Statement, as then in effect, includes a Misstatement, or in the opinion of counsel for the Company it is necessary to supplement or amend such Prospectus to comply with law, and then to correct such Misstatement or include such information as is necessary to comply with law, in each case as set forth in Section 2.7, at the request of any such Holder promptly prepare and furnish to such Holder a reasonable number of copies of a supplement to or an amendment of such Prospectus as may be necessary so that, as thereafter delivered to the purchasers of such securities, such Prospectus shall not include a Misstatement or such Prospectus, as supplemented or amended, shall comply with law;

(k) make available for inspection, at such place and in such manner as determined by the Company in its sole discretion, permit a representative of the Holders, the Underwriters, if any, and any attorney or accountant retained by such Holders or Underwriter access to the Company's books and records and such opportunities to discuss the business, finances and accounts of the Company and its subsidiaries with its officers, directors and the independent public accountants who have certified its financial statements as shall be necessary, in the opinion of such Holders' and such Underwriters' respective counsel, to conduct a reasonable investigation within the meaning of the Securities Act, and will cause the Company's officers, directors and employees to supply all information reasonably requested by any such representative, Underwriter, attorney or accountant in connection with the Registration; provided, however, that (i) if requested by the Company, such representatives, Holders or Underwriters enter into a confidentiality agreement, in form and substance reasonably satisfactory to the Company, prior to the release or disclosure of any such information and (ii) any records, information or documents that are furnished by the Company and that are non-public shall be used only in connection with the Registration;

(l) obtain a "comfort" letter from the Company's independent registered public accountants in the event of an Underwritten Offering, in customary form and covering such matters of the type customarily covered by "comfort" letters as the managing Underwriter may reasonably request, and reasonably satisfactory to a majority-in-interest of the participating Holders and any Underwriter;

(m) on the date the Registrable Securities are delivered for sale pursuant to such Registration, obtain an opinion and negative assurance letter, dated such date, of counsel representing the Company for the purposes of such Registration, addressed to the placement agent or sales agent, if any, and the Underwriters, if any, covering such legal matters with respect to the Registration as are customarily included in such opinions and negative assurance letters;

(n) in the event of any Underwritten Offering, enter into an underwriting agreement, in usual and customary form, with the managing Underwriter of such offering;

(o) otherwise use its reasonable best efforts to comply with all applicable rules and regulations of the Commission, and to make available to its security holders, as soon as reasonably practicable, an earnings statement covering a period of at least twelve (12) months which satisfies the provisions of Section 11(a) of the Securities Act and the rules and regulations thereunder, including Rule 158 thereunder (or any successor rule promulgated thereafter by the Commission); and

(p) use its reasonable efforts to make available senior executives of the Company to participate in customary “road show” presentations that may be reasonably requested by the Underwriter in any Underwritten Offering.

Section 3.2 Registration Expenses. The Registration Expenses of all Registrations shall be borne by the Company. It is acknowledged by the Holders that the Holders shall bear all incremental selling expenses relating to the sale of Registrable Securities, such as Underwriters’ commissions and discounts, brokerage fees and, other than as set forth in the definition of “Registration Expenses,” all fees and expenses of any legal counsel representing the Holders. In addition, the Company will pay its internal expenses (including all salaries and expenses of its officers and employees performing legal or accounting duties), the expense of any annual audit or quarterly review, the expense of any liability insurance obtained by the Company and the expenses and fees for listing the securities to be registered on each securities exchange.

Section 3.3 Participation in Underwritten Offerings.

(a) No person may participate in any Underwritten Offering for equity securities of the Company pursuant to a Registration initiated by the Company hereunder unless such person (i) agrees to sell such person’s securities on the basis provided in any underwriting arrangements approved by the Company and (ii) completes and executes all customary questionnaires, indemnities, lock-up agreements, underwriting agreements and other customary documents as may be reasonably required under the terms of such underwriting arrangements.

(b) The Company will use its reasonable best efforts to ensure that no Underwriter shall require any Holder to make any representations or warranties to or agreements with the Company or the Underwriters other than representations, warranties or agreements regarding such Holder and such Holder’s intended method of distribution and any other representation required by law, and if, despite the Company’s reasonable best efforts, an Underwriter requires any Holder to make additional representation or warranties to or agreements with such Underwriter, such Holder may elect not to participate in such Underwritten Offering (but shall not have any claims against the Company as a result of such election). Any liability of

such Holder to any Underwriter or other person under such underwriting agreement shall be limited to an amount equal to the proceeds (net of expenses and underwriting discounts and commissions) that it derives from such registration.

Section 3.4 Covenants of the Company. As long as any Holder shall own Registrable Securities, the Company hereby covenants and agrees:

(a) the Company will not file any Registration Statement or Prospectus included therein with the Commission which refers to any Holder of Registrable Securities by name or otherwise without the prior written approval of such Holder, which may not be unreasonably withheld, conditioned or delayed;

(b) at all times while it shall be a reporting company under the Exchange Act, to file timely (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Company after the date hereof pursuant to Sections 13(a) or 15(d) of the Exchange Act and to promptly furnish the Holders with true and complete copies of all such filings. The Company further covenants that it shall take such further action as any Holder may reasonably request, all to the extent required from time to time to enable such Holder to sell Shares held by such Holder without registration under the Securities Act within the limitation of the exemptions provided by Rule 144 promulgated under the Securities Act (or any successor rule promulgated thereafter by the Commission), including providing any legal opinions. Upon the request of any Holder, the Company shall deliver to such Holder a written certification of a duly authorized officer as to whether it has complied with such requirements; and

(c) promptly following the effectiveness of the shelf registration statement required by Section 2.1(a), the Company shall cause the transfer agent to remove any restrictive legends (including any electronic transfer restrictions) from Shares or GHV Warrants held by such Holder and provide or cause any customary opinions of counsel to be delivered to the transfer agent in connection with such removal.

ARTICLE IV INDEMNIFICATION AND CONTRIBUTION

Section 4.1 Indemnification.

(a) The Company agrees to indemnify, to the extent permitted by law, each Holder of Registrable Securities, its officers, directors, partners, stockholders or members, employees, agents, investment advisors and each person who controls such Holder (within the meaning of the Securities Act and Exchange Act) from and against all losses, claims, damages, liabilities and expenses (including attorneys' fees), joint or several (or actions or proceedings, whether commenced or threatened, in respect thereof) (collectively, "Claims"), to which any such Holder or other persons may become subject, insofar as such Claims arise out of or are based on any untrue or alleged untrue statement of any material fact contained in any Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, and the Company will reimburse such Holder or other person for any legal or any other expenses reasonably incurred by them in connection with

investigating or defending any such Claim; except insofar as the Claim or expense arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in such filing in reliance upon and in conformity with information furnished in writing to the Company by such Holder expressly for use therein. The Company shall indemnify the Underwriters, their officers and directors and each person who controls such Underwriters (within the meaning of the Securities Act and Exchange Act) to the same extent as provided in the foregoing with respect to the indemnification of the Holder.

(b) In connection with any Registration Statement in which a Holder of Registrable Securities is participating, as a condition to including any Registrable Securities in any Registration Statement, the Company shall have received an undertaking reasonably satisfactory to it from such Holder, to indemnify the Company, its directors and officers and agents and each person who controls the Company (within the meaning of the Securities Act and Exchange Act) from and against any Claims, to which any the Company or such other persons may become subject, insofar as such Claims arise out of or are based on any untrue statement of any material fact contained in the Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, but only to the extent that such untrue statement or omission is contained in any information furnished in writing by such Holder expressly for use therein; provided, however, that the obligation to indemnify shall be several, not joint and several, among such Holders of Registrable Securities, and the liability of each such Holder of Registrable Securities shall be in proportion to and limited to the net proceeds received by such Holder from the sale of Registrable Securities pursuant to such Registration Statement. The Holders of Registrable Securities shall indemnify the Underwriters, their officers, directors and each person who controls such Underwriters (within the meaning of the Securities Act and Exchange Act) to the same extent as provided in the foregoing with respect to indemnification of the Company and the Company shall use its reasonable best efforts to ensure that no Underwriter shall require any Holder of Registrable Securities to provide any indemnification other than that provided hereinabove in this Section 4.1(b), and, if, despite the Company's reasonable best efforts, an Underwriter requires any Holder of Registrable Securities to provide additional indemnification, such Holder may elect not to participate in such Underwritten Offering (but shall not have any claim against the Company as a result of such election).

(c) Any person entitled to indemnification herein shall (i) give prompt written notice to the indemnifying party of any Claim with respect to which it seeks indemnification (provided that the failure to give prompt notice shall not impair any person's right to indemnification hereunder to the extent such failure has not materially prejudiced the indemnifying party) and (ii) unless in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist with respect to such Claim, permit such indemnifying party to assume the defense of such Claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party shall not be subject to any liability for any settlement made by the indemnified party without its consent (but such consent shall not be unreasonably withheld). An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one (1) counsel for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of any indemnified party a conflict of interest may exist between such indemnified party and any other of such indemnified parties with respect to such

claim. No indemnifying party shall, without the consent of the indemnified party, consent to the entry of any judgment or enter into any settlement which cannot be settled in all respects by the payment of money (and such money is so paid by the indemnifying party pursuant to the terms of such settlement) and which settlement includes a statement or admission of fault or culpability on the part of such indemnified party or does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.

(d) The indemnification provided for under this Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director, partners, stockholders or members, employees, agents, investment advisors or controlling person of such indemnified party and shall survive the Transfer of Registrable Securities.

(e) If the indemnification provided under Section 4.1 from the indemnifying party is unavailable or insufficient to hold harmless an indemnified party in respect of any Claims, then the indemnifying party, in lieu of indemnifying the indemnified party, shall contribute to the amount paid or payable by the indemnified party as a result of such Claims (i) in such proportion as is appropriate to reflect the relative benefits received by the indemnifying party or parties on the one hand and the indemnified party or parties on the other hand from the offering of the Registrable Securities or (ii) if the allocation provided by clause (i) above is not permitted by

applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (ii) above but also to reflect the relative fault of the indemnifying party or parties on the other hand in connection with the statements or omissions that resulted in such Claims, as well as any other relevant equitable considerations; provided, however, that the liability of any Holder or any director, officer, employee, agent, investment advisor or controlling person thereof under this Section 4.1(e) shall be limited to the amount of the net proceeds received by such Holder in such offering giving rise to such liability. The amount paid or payable by a party as a result of the losses or other liabilities referred to above shall be deemed to include, subject to the limitations set forth in Section 4.1(a), Section 4.1(b) and Section 4.1(c) above, any legal or other fees, charges or expenses reasonably incurred by such party in connection with any investigation or proceeding. The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 4.1(e) were determined by pro rata allocation or by any other method of allocation, which does not take account of the equitable considerations referred to in this Section 4.1(e). No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution pursuant to this Section 4.1(e) from any person who was not guilty of such fraudulent misrepresentation.

ARTICLE V LOCK-UP

Section 5.1 Transfer Restrictions. Except for a Transfer to a Permitted Transferee as permitted by Section 5.2, (a) during the Share Lock-Up Period, AGSA shall not Transfer any Shares beneficially owned or owned of record by AGSA, (b) during the Share Lock-up Period, no Gores Holder shall Transfer any Founder Shares beneficially owned or owned of record by such Holder, and (c) during the GHV Warrant Lock-up Period, no Gores Holder shall

- (k) Transfers by AGSA or its Affiliates in one transaction or a series of related transactions under which Shares held by AGSA or its Permitted Transferees are exchanged with its securityholders for securities issued by AGSA, provided that AGSA shall use commercially reasonable efforts to consult with the Sponsor prior to taking such action or entering into any definitive agreement with respect to such action;

provided, that in the case of any Transfer or distribution pursuant to Section 5.2(b) through Section 5.2(h), each donee, distributee or other transferee shall agree in writing, in form and substance reasonably satisfactory to the Company, to be bound by the provisions of this Agreement in the same manner as the transferring Holder.

(b) Prior to the expiration of the Share Lock-up Period or the GHV Warrant Lock-up Period, as the case may be, no Holder may assign or delegate such Holder's rights, duties or obligations under this Agreement, in whole or in part, except in connection with a transfer of Registrable Securities by such Holder to a Permitted Transferee (but subject to such Permitted Transferee, if required pursuant to Section 5.2, agreeing in writing, in form and substance reasonably satisfactory to the Company, to be bound by the provisions of this Agreement).

(c) This Agreement and the provisions hereof shall be binding upon and shall inure to the benefit of each of the parties and its successors and the permitted assigns of the applicable Holders, which shall include Permitted Transferees.

(d) This Agreement shall not confer any rights or benefits on any persons that are not parties hereto, other than as expressly set forth in this Agreement and this Section 6.2.

Any Transfer or assignment made other than as provided in this Section 6.2 shall be null and void.

Section 6.3 Counterparts. This Agreement may be executed in multiple counterparts, each of which when executed and delivered shall thereby be deemed to be an original and all of which taken together shall constitute one and the same instrument. Any party hereto may execute and deliver signed counterparts of this Agreement to the other Parties by electronic mail or other electronic transmission in portable document format (.PDF) or any other electronic signature complying with the United States ESIGN Act of 2000 (including www.docusign.com), each of which shall be deemed an original.

Section 6.4 Governing Law. This Agreement, and all claims or causes of action based upon, arising out of, or related to this Agreement or the transactions contemplated herein, shall be governed by, and construed in accordance with, the laws of the State of Delaware (except to the extent mandatorily governed by the laws of the Grand Duchy of Luxembourg), without giving effect to principles or rules of conflict of laws to the extent such principles or rules would require or permit the application of laws of another jurisdiction.

Section 6.5 Jurisdiction. In any action or proceeding arising out of or relating to this Agreement or any of the transactions contemplated herein: (a) each of the parties hereto hereby irrevocably and unconditionally consents and submits to the exclusive jurisdiction and venue of the Court of Chancery of the State of Delaware (unless the federal courts have exclusive jurisdiction over the matter, in which case the United States District Court for the District of Delaware); (b) each of the parties hereto irrevocably waives and agrees that it will not attempt to deny or defeat such jurisdiction by motion or other request for leave from such court; and (c) each of the parties hereto agrees that it will not bring any such action in any court other than the Court of Chancery of the State of Delaware (unless the federal courts have exclusive jurisdiction over the matter, in which case the United States District Court for the District of Delaware).

Section 6.6 WAIVER OF TRIAL BY JURY. TO THE EXTENT PERMITTED BY LAW, EACH PARTY HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES (AND SHALL CAUSE ITS SUBSIDIARIES AND AFFILIATES TO WAIVE) THE RIGHT TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED HEREON, ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREIN OR ANY COURSE OF CONDUCT, COURSE OF DEALINGS, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PARTY IN CONNECTION HERewith. EACH PARTY ACKNOWLEDGES THAT (A) THIS WAIVER IS A MATERIAL INDUCEMENT FOR THE OTHER PARTIES TO ENTER INTO THIS AGREEMENT, AND (B) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THAT FOREGOING WAIVER.

Section 6.7 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of law, or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated herein is not affected in any manner materially adverse to any party hereto. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties hereto as closely as possible in a mutually acceptable manner in order that the transactions contemplated herein be consummated as originally contemplated to the fullest extent possible.

Section 6.8 Modification or Amendment. Upon the written consent of the Company and the Holders of at least a majority in interest of the Registrable Securities at the time in question, compliance with any of the provisions, covenants and conditions set forth in this Agreement may be waived, or any of such provisions, covenants or conditions may be amended or modified; provided, however, that notwithstanding the foregoing, (a) any amendment hereto or waiver hereof that adversely affects one Holder, solely in its capacity as a holder of Shares or other Registrable Securities, in a manner that is adverse and different from the other Holders (in such capacity) shall require the consent of the Holder so affected, (b) any amendment hereto or waiver hereof that adversely affects the Gores Holders solely in their capacity as Gores Holders in a manner that is adverse and different from the other Holders, shall require the consent of a majority-in-interest of the then-outstanding number of Registrable Securities held by the Gores Holders. No course of dealing between any Holder or the Company and any other party hereto or any failure or delay on the part of a Holder or the Company in exercising any rights or remedies under this Agreement shall operate as a waiver of any rights or remedies of any Holder or the Company. No single or partial exercise of any rights or remedies under this Agreement by a party shall operate as a waiver or preclude the exercise of any other rights or remedies hereunder or thereunder by such party.

Section 6.9 Other Registration Rights. Other than pursuant to the terms of the Subscription Agreements, the Company represents and warrants that no person, other than a Holder of Registrable Securities, has any right to require the Company to register any securities of the Company for sale or to include such securities of the Company in any Registration filed by the Company for the sale of securities for its own account or for the account of any other person.

Further, the Company represents and warrants that this Agreement supersedes any other registration rights agreement or agreement with similar terms and conditions among the parties thereto and in the event of a conflict between any such agreement or agreements and this Agreement, the terms of this Agreement shall prevail.

Section 6.10 Term. This Agreement shall terminate upon the earlier of the date as of which (a) all of the Registrable Securities have been sold pursuant to a Registration Statement (but in no event prior to the applicable period referred to in Section 4(a)(3) of the Securities Act and Rule 174 thereunder (or any successor rule promulgated thereafter by the Commission)) or (b) as to any Holder individually, such Holder is permitted to sell all of such Holder's Registrable Securities under Rule 144 (or any similar provision) under the Securities Act without limitation on the amount of securities sold or the manner of sale and the reporting requirements of Rule 144(i)(2) are not applicable or has otherwise sold all of the Registrable Securities held by such Holder. The provisions of Article IV shall survive any termination to the extent related to a Claim arising prior to the termination of this Agreement.

Section 6.11 Interpretation. The parties hereto have participated jointly in negotiating and drafting this Agreement. If an ambiguity or a question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto, and no presumption or burden of proof shall arise favoring or disfavoring any party hereto by virtue of the authorship of any provision of this Agreement. Whenever the words "include", "includes" or "including" are used in this Agreement they shall be deemed to be followed by the words "without limitation." Words in the singular form will be construed to include the plural and vice versa, unless the context requires otherwise. Reference to any law means such law as amended, modified, codified, replaced or re-enacted, in whole or in part, from time to time, including rules, regulations, enforcement procedures and any interpretations promulgated thereunder. Underscored references to Articles or Sections shall refer to those portions of this Agreement, and any underscored references to a clause shall, unless otherwise identified, refer to the appropriate clause within the same Section in which such reference occurs. The headings for this Agreement are for reference purposes only and do not affect in any way the meaning or interpretation of this Agreement. The use of the terms "hereunder", "hereof", "hereto" and words of similar import shall refer to this Agreement as a whole and not to any particular Article, Section or clause of this Agreement. The word "or" is not exclusive and is deemed to have the meaning "and/or" unless expressly indicated otherwise. Any reference to "days" means calendar days unless Business Days are expressly specified. When calculating the period of time before which, within which or following which any act is to be done or step taken pursuant to this Agreement, the date that is the reference date in calculating such period shall be excluded, and if the last day of such period is not a Business Day, the period shall end on the immediately following Business Day. References to "writing", "written" and comparable terms refer to printing, typing and other means of reproducing words (including electronic media) in a visible form. References to a Person are also to its successors and permitted assigns.

SERVICES

SECTION 2.1 Description of Services.

(a) On the terms and subject to the conditions of this Agreement, commencing on the date hereof (i) AGSA shall provide, or cause to be provided by one or more of the other AGSA Entities, the services set forth in Exhibit A hereto to the AMP Entities, in each case, in support of the AMP Business (the “AGSA Services”), and (ii) AMPSA shall provide, or cause to be provided by one or more of the other AMP Entities, the services set forth in Exhibit B hereto (the “AMPSA Services” and together with the AGSA Services, the “Corporate Services”) to the AGSA Entities in support of their respective businesses (which for the avoidance of doubt shall exclude the AMP Business) (the “AGSA Retained Business”, and each of the AGSA Retained Business and the AMP Business, a “Business”). In addition, prior to the date hereof, certain operating companies of AGSA’s Group provided certain services and recharges to operating companies of AMPSA’s Group, and vice versa, in each case, as reflected in AGSA’s reported results for the “Metal Beverage Packaging” segment and its 2020 to 2024 long range plan for such segment, (such services and recharges, collectively, the “Business Unit Services” and together with the Corporate Services, and any ancillary services that are reasonably necessary in connection with the Business Unit Services or the Corporate Services or inherent to the successful delivery of such services the “Services”). On the terms and subject to the conditions of this Agreement, commencing on the date hereof, such Business Unit Services shall continue to be provided by the applicable AMP Entities or AGSA Entities, in each case in a manner and on terms consistent with past practices. The Services may only be modified pursuant to, and in accordance with, the terms of this Agreement.

(b) The Parties acknowledge and agree that (i) a Party (in its capacity as a provider of Services, the “Providing Party”) may satisfy its obligations hereunder to provide Services to the other Party (such other Party or its Affiliates, the “Receiving Party”) by causing one or more of its Affiliates to provide or procure such Services (in which case, such Affiliates shall be included in the definition of “Providing Party” for all purposes hereof in respect of such Services), which Affiliates such Providing Party may change in its discretion from time to time and without prior notice to the Receiving Party (provided that such change does not cause any material disruption to the delivery of Services), and (ii) a Providing Party or its Affiliates may be providing similar services, or services that involve the same resources as those used to provide the Services, to its internal organizations, other Affiliates or third parties. The Providing Party reserves the right to modify any or all of the Services to the extent reasonably necessary so that the provision or use of any of the Services hereunder would not violate any Law applicable to the

Services, the Providing Party or any of its Affiliates and Representatives, including any applicable antitrust and competition Law; provided that the Providing Party shall provide the Receiving Party with prior written notice of any such modification and the Parties shall work together in good faith to provide for a replacement to such Services.

(c) Notwithstanding anything to the contrary in this Agreement, the obligations of the Providing Parties to provide any Service relating to real property and facilities under this Agreement shall be subject to, in all cases, the terms and conditions of any relevant underlying lease, sublease or agreement or instrument with a party other than an Affiliate of the Providing Party (each, an “Underlying Document”); provided that, to the extent the Underlying Document prohibits provision of the applicable Service, the applicable Providing Party shall use commercially reasonable efforts to amend or modify the Underlying Document, or obtain a waiver or consent from the applicable third party, in each case, such that the applicable Service is no longer prohibited, and the Receiving Party shall reasonably cooperate in connection therewith. Without limitation to the foregoing, any Service of the type described in the preceding sentence shall immediately terminate without any further action on the part of the Parties in the event that the Underlying Document terminates in accordance with its terms and is not replaced by a similar arrangement; provided that the Providing Party shall provide the Receiving Party with prior notice of any such termination as promptly as practicable and the Providing Party and the Receiving Party shall work together in good faith to provide for a replacement to such terminated Service, or shall otherwise discuss and agree in good faith on an appropriate adjustment to the Fees for such terminated Service. In the event of any conflict between this Agreement and the terms and conditions of any Underlying Document, the terms and conditions of the Underlying Document shall control.

(d) To the extent not set forth in Exhibit A or Exhibit B or included in the Business Unit Services, and as reasonably required to perform the Services, the Providing Party may request and, subject to the prior written consent of the Receiving Party (such consent not to be unreasonably conditioned, withheld or delayed), the Receiving Party shall provide, subject to compliance with applicable Law (including any applicable antitrust and competition Law) and the Receiving Party’s standard rules and procedures for access to its real property or facilities, designated members of the Providing Party or its Affiliates with access to the Receiving Party’s premises and such equipment, telecommunications systems, computer systems, records and personnel designated by the Receiving Party as involved in receiving or overseeing the Services; provided that such access shall be subject to the Receiving Party’s overall supervision and control; provided, further, that if the failure to receive such access renders the Providing Party unable to perform any Services pursuant to the terms of this Agreement, the Providing Party shall be relieved of its obligations with respect to such Services until access is provided.

SECTION 2.2 Shared Space.

(a) The premises leased by an AGSA Entity or an AMP Entity, as lessee, as applicable (the “Shared Leased Premises”), pursuant to the leases set forth on Exhibit C (each, a “Shared Space Lease” and collectively, the “Shared Space Leases”) are used in both of the Businesses.

(b) For the term of this Agreement or such other period as set forth on Exhibit C (each, a “Shared Space Term”), each AMP Entity, on the one hand, or AGSA Entity, on the other hand, shall have the right to use and occupy that portion of the Shared Leased Premises and to use that portion of the common areas related to the Shared Leased Premises, in each case, in accordance with the terms and conditions of the Shared Space Leases. For the purposes of this Section 2.2, an AGSA Entity or AMP Entity, as applicable, being the tenant under the applicable Shared Space Lease immediately following the Closing, is the Providing Party, and an AMP Entity or an AGSA Entity, as applicable, using the Shared Leased Premises pursuant to the terms hereof, is the Receiving Party. During the applicable Shared Space Term (and included in the Fees payable pursuant to Section 3.2) with respect to each Shared Leased Premises (including all common areas related thereto), all costs relating to such Shared Leased Premises, including rent, maintenance, water, sewer, telephone, electricity and gas service, common area charges, amounts of public liability, damage, fire and extended coverage insurance as may be required under the Shared Space Lease, and any real estate property taxes owed by the Providing Party shall be borne by the Providing Party on the one hand, and the Receiving Party, on the other hand, based on the portion of such Shared Leased Premises used or occupied by the Providing Party or the Receiving Party.

(c) The Receiving Party shall vacate its portion of the Shared Leased Premises on or prior to the expiration of the Shared Space Term applicable to the Shared Leased Premises; provided, that the Providing Party shall provide reasonable advance notice thereof to the Receiving Party. The Receiving Party shall be responsible for all moving and similar costs associated with vacating such Shared Leased Premises and will leave its portion of such Shared Leased Premises in broom clean condition; provided that the Receiving Party shall not be responsible for returning its portion of the Shared Leased Premises to any pre-existing condition, unless such obligation is imposed upon the Providing Party pursuant to the applicable Shared Space Lease and known to the Receiving Party.

SECTION 2.3 Third Party Services. The Parties acknowledge and agree that certain of the Services to be provided under this Agreement have been, and will continue to be, provided (in accordance with this Agreement) by a Person that is not an Affiliate of the Providing Party (a “Third Party”). To the extent so provided prior to the date hereof, the Providing Party shall use commercially reasonable efforts to (a) cause such Third Party to provide such Services under this Agreement or (b) enable the Receiving Party to avail itself of such Services directly; provided that, without limiting Section 2.4, if any such Third Party is unable or unwilling or not contractually obligated to provide any such Services to the Receiving Party, the Providing Party shall consult with the Receiving Party to determine an alternative manner in which such Services can be provided to the Receiving Party, and shall use commercially reasonable efforts to ensure that such alternative arrangement is procured without interruption in or delay to the Services provided to the Receiving Party. Except as may be consented to by the Providing Party (which consent will not be unreasonably withheld, conditioned or delayed) or as shall be reasonably necessary to effectively provide the Services, the Providing Party will have the sole right to instruct, direct, control and supervise all Third Parties in connection with their provision of the Services.

SECTION 2.4 Consents.

(a) The Providing Party shall, and shall cause its Affiliates to, use commercially reasonable efforts to provide all notices and obtain all waivers, consents, authorizations and approvals necessary to allow the Providing Party (directly or by way of a Third Party) to provide the Services, and to allow the Receiving Party to access and use the Services, in a manner that is consistent with the way such services were provided in the ordinary course of business prior to the date hereof or as otherwise agreed by the Parties in writing, including on Exhibit A or Exhibit B, as applicable (the “Required Consents”), and the Receiving Party shall reasonably cooperate in connection therewith.

(b) In the event that any Required Consent is not obtained, then, unless and until such Required Consent is obtained or a reasonable alternative arrangement is implemented (including any Required Consents for the provision of pass-through supply arrangements or licenses by Third Parties), the Parties shall discuss in good faith a reasonable alternative arrangement and use commercially reasonable efforts to achieve such reasonable alternative arrangement, in each case, for the Receiving Party to continue to operate its business in a manner that does not materially and negatively affect such business and for the Providing Party (directly or by way of a Third Party) to perform or provide Services in a manner that does not materially decrease the standard of services or materially increase the costs to the Providing Party in providing such Services. Any fees or expenses incurred in connection with any Required Consents shall be paid by the Receiving Party; provided that the Providing Party shall not agree to the payment of any such fees or expenses without the prior written consent of the Receiving Party. If any Required Consent or alternative arrangement is not available despite the commercially reasonable efforts of the Parties or as a result of the Receiving Party failing to consent to the incurrence of the fees and expenses relating to obtaining any Required Consent, the Providing Party shall not be required to provide the applicable Services and the Parties will in good faith discuss and agree on an appropriate adjustment to the Fees to reflect that such Service will not be provided.

SECTION 2.5 Standard of Services. Unless otherwise expressly provided in this Agreement or the Parties agree in writing to a different arrangement, the Providing Party shall at all times perform the Services (a) in a manner that is consistent, in all material respects, in nature, scope, quality and timeliness with how the applicable Services were provided to the applicable Business during the twelve (12)-month period prior to the date hereof and (b) with the use of reasonable care and good industry practice. Upon written notice to the Receiving Party, the Providing Party may modify, change or enhance the manner, methodology, systems or applications used to provide any Service to the Receiving Party (but not the quality of such Service or the standard of care used to provide such Service) to the extent that the Providing Party is making a similar change in the performance of such services for its businesses or its Affiliates; provided that such change does not have a material adverse effect on the standard of service set forth in this Section 2.5.

SECTION 2.6 Provision of Services.

(a) All labor matters relating to employees of the Providing Party (including employees involved in the provision of the Services to the Receiving Party) shall be within the

exclusive control of the Providing Party, and the Receiving Party shall not take any action affecting such matters. Nothing in this Agreement is intended to transfer the employment of employees engaged in the provision of any Service from one Party to the other. The Providing Party shall have the sole responsibility to employ, pay, supervise, manage, control, direct and discharge all of the personnel used in its provision of Services hereunder. Except as may otherwise be expressly provided in this Agreement, the Providing Party may terminate the employment of any employee involved in the provision of the Services without obtaining the consent of the Receiving Party. The Providing Party shall be solely responsible for the payment of all employee wages, benefits and any other direct and indirect compensation for any of its personnel assigned to perform Services under this Agreement, as well as worker's compensation insurance, employment taxes and other employer liabilities relating to such personnel as required by Law.

(b) The Providing Party may hire or engage one or more subcontractors to perform all or any of its obligations under this Agreement; provided that (i) the Providing Party shall use the same degree of care in selecting any subcontractors as it would if such subcontractor was being retained to provide similar services to the Providing Party and (ii) the Providing Party shall in all cases remain responsible for ensuring that obligations with respect to the standards of services set forth in this Agreement are satisfied with respect to any Service provided by a subcontractor hired or engaged by the Providing Party.

(c) Except as may otherwise be expressly provided in this Agreement, the management and supervision of, and control over, the provision of the Services by the Providing Party shall reside solely with the Providing Party.

(d) Each of the Parties acknowledges that they are separate entities, each of which has entered into this Agreement for independent business reasons. The Providing Party shall be an independent contractor in connection with the performance of Services hereunder for any and all purposes (including federal, state or local tax purposes), and the employees performing Services in connection herewith shall not be deemed to be employees or agents of the Receiving Party and nothing contained herein shall be deemed to create a "partnership", "single employer", "joint employer", "alter ego" or "co-employer" relationship or a principal-agent relationship.

(e) Each of the Providing Party and the Receiving Party shall, during the term of this Agreement, comply with all applicable Laws, including any competition and investment Laws and, to the extent applicable, any Laws related to the privacy or security of Personal Information, including the EU General Data Protection Regulation 2016/679 (as amended and replaced from time to time) and the California Consumer Privacy Act. If either Party will receive, store, or otherwise process any Personal Information on behalf of the other Party in connection with any of the Services, the Parties agree to enter into a data processing addendum to this Agreement prior to Closing, which shall set forth the terms applicable to such receipt, storage, or other processing, including any terms required by applicable Law and, to the extent applicable, any terms necessary to provide appropriate safeguards for the international transfer of Personal Information.

SECTION 2.7 Cooperation. The Parties shall, and shall cause each of their respective Affiliates and each of the foregoing entities' respective directors, managers, officers, employees, agents or advisors (collectively, "Representatives") to, cooperate with each other in good faith (a) in the performance of the Services and the Parties' respective obligations under this Agreement to provide required services specified herein and (b) to maintain business continuity. Where necessary for the Providing Party to provide the Services, the Receiving Party shall (i) provide information and documentation reasonably sufficient for the Providing Party to perform, or cause to be performed, the Services and (ii) make available, as reasonably requested by the Providing Party, sufficient resources, timely decisions, approvals and acceptances so that the Providing Party may accomplish its obligations hereunder in a timely manner.

SECTION 2.8 Services Managers. Each of the Parties shall appoint and designate to act as its services manager hereunder (each such person in respect of a Party, a "Services Manager"). Each Services Manager (a) will be directly responsible for coordinating and managing the delivery or receipt of the applicable Services and (b) shall be the principal point of contact for the Parties for all matters relating to the applicable Services. Each month during the term of this Agreement (or such other period as agreed between the Parties), the Services Managers for both Parties will meet to coordinate and manage the delivery or receipt of, and review any changes or other issues relating to, the Services. Any Party may replace its Services Manager at any time and for any reason and, upon any such replacement, the applicable Party shall provide written notice to the other Party of such replacement.

SECTION 2.9 Service Interruption. Upon reasonable prior notice to the Receiving Party, the Providing Party or any relevant Third Party that is providing Services pursuant to the terms hereof will have the right to temporarily interrupt or suspend (a) the provision of Services for emergency maintenance purposes (including to IT Systems) or (b) the operation of the facilities or IT Systems of the Providing Party or Third Party providing any Services if it is the commercially reasonable judgment of the Providing Party or Third Party that such action is necessary for maintenance or safety purposes. Whenever emergency maintenance is required, the Providing Party shall notify the Receiving Party as far in advance as reasonably practicable under the circumstances that maintenance is required. Any routine maintenance or preventative services shall take place at such time and in the manner determined by the Providing Party, consistent in all respects with its historical practices for such routine maintenance or preventative services. In performing any maintenance contemplated by this Section 2.9, the Providing Party shall use commercially reasonable efforts to minimize the impact of such maintenance on the Services and the Receiving Party' s business. The Providing Party will be relieved of its obligations to provide Services only for the period of time that the relevant facilities or systems are shut down during maintenance but shall also use commercially reasonable efforts to minimize each period of shutdown for such purpose. Immediately following any such shutdown, the Providing Party shall promptly resume providing, or causing to be provided, the Services to the Receiving Party.

SECTION 2.10 Force Majeure. Neither the Providing Party nor any Third Party providing any Services shall be liable for any interruption, delay or failure to fulfill any obligation under this Agreement, including any interruption, delay or failure of any Service or the quality or quantity thereof if such interruption, delay or failure results from causes beyond its reasonable control, including acts of God, acts of any public enemy, floods, riots, fires,

epidemics, pandemics, sabotage, civil commotion or civil unrest, interference by Governmental Authorities, declaration, continuation, escalation or acts of war or terrorism, strike, walkout, lockout or other labor dispute, failure or shortage of energy sources, raw materials or components or other similar events outside the control of the Providing Party or applicable Third Party (“Force Majeure Event”). Upon the occurrence of a Force Majeure Event, the Providing Party shall (or in the case of a Force Majeure Event affecting any Third Party providing Services, shall request such Third Party to) reasonably promptly notify the Receiving Party of the Force Majeure Event and the estimated extent and duration of its inability to perform its obligations. The Providing Party (or such Third Party) shall reasonably promptly notify the Receiving Party upon the cessation of any Force Majeure Event and shall resume the performance of the applicable Services as soon as reasonably practicable. The Providing Party shall use its commercially reasonable efforts to minimize the effect of the Force Majeure Event on its obligations hereunder; provided that nothing in this Section 2.10 shall be construed to require the settlement of any strike, walkout, lockout or other labor dispute on terms that, in the reasonable judgment of the Providing Party, are contrary to its interests. If the Providing Party or any relevant Third Party is unable to provide any of the Services due to a Force Majeure Event, the Parties shall use commercially reasonable efforts to cooperatively seek a solution that is mutually satisfactory. During the period of any such Force Majeure Event, the Receiving Party shall be free to acquire such Services from an alternate source, at the Receiving Party’s sole cost and expense, for such period and during the continuation of any agreement entered into with such alternate source. For the avoidance of doubt, the Receiving Party shall not be obligated to pay the Providing Party for those Services during the period when the Providing Party is not itself providing, or providing through a Third Party, such Services (and the Parties shall engage in good faith discussions to determine the applicable portion of the Fee applicable to such Services, if such Services are Corporate Services).

SECTION 2.11 Obligations. The provision of Services hereunder is subject to the following:

- (a) No Party or any of its Affiliates shall be liable for any action or inaction taken or omitted to be taken by it or a relevant Third Party pursuant to, and in accordance with, written instructions received from the other Party.
- (b) Any Party, its Affiliates and any relevant Third Party may rely upon any written notice or other written or electronic communication of any nature provided by the other Party, and no Party or any of its Affiliates shall have any duty to verify the identity or authority of the other Party representative signing or making any such notice or communication in accordance with this Agreement.
- (c) Any Party and its Affiliates may refuse to take any action requested by the other Party if it is not an action required to be taken under this Agreement.
- (d) The Providing Party shall not have any obligation to perform any Service to the extent that performing such Service is dependent upon, or otherwise requires, the Receiving Party or any of its Affiliates to perform some service, operation or function prior to the Providing Party performing any such Service, unless the Receiving Party or its Affiliates

shall have, in fact, prior to when the Providing Party is required to perform such Service, performed such other service, operation or function.

(e) No Party shall, and each Party shall take commercially reasonable efforts to cause its Affiliates and its and their Representatives not to, tamper with, compromise or circumvent any security system of the other Party or any of its respective Affiliates or any Third Party providing Services hereunder, or obtain access to any program or data other than that to which access has been specifically granted by the other Party or any of its Affiliates or any Third Party providing Services hereunder. Each Party shall, and shall cause its Affiliates and its and their Representatives to, use commercially reasonable efforts to ensure that, in connection with the receipt or provision of Services by such Party or its Affiliates, no computer virus or other malicious code is introduced to the IT Systems of the other Party or its Affiliates.

(f) Representatives of the Receiving Party receiving the Services or working with the Providing Party in connection with the provision of Services shall at all times be instructed to, and the applicable Party shall take commercially reasonable efforts to cause them to, comply with all physical and technological security rules, policies and procedures of the other Party, its Affiliates and any relevant Third Party provided in writing or made known or available to such Party by such other Party, its Affiliates or a relevant Third Party.

(g) Subject to Sections 2.4 and 2.5 hereof, in providing the Services, the Providing Party shall not be obligated to: (a) hire or train any additional employees; (b) maintain the employment of any specific employee; (c) purchase, lease or license any additional equipment, additional software, additional Intellectual Property or additional other personal property; or (d) except as may be set forth on Exhibit A or Exhibit B, convert or transfer any of the Receiving Party's data to any alternate supplier of the Services or pay any costs related thereto.

SECTION 2.12 Data and IT Systems Protection. Without limiting Section 2.11, the provision of Services hereunder is subject to, and each Party acknowledges and agrees to, the following:

(a) From and after the date hereof, any access or use by either Party or its Affiliates of the computer software, hardware, networks or other information technology systems (collectively, "IT Systems") of the other Party or its Affiliates, and any such access or use shall be subject to the terms and conditions of this Section 2.12.

(b) To the extent that the performance or receipt of any Services hereunder contemplates or requires (i) the Receiving Party or its Affiliates to have access to or use of any IT Systems of the Providing Party or its Affiliates or (ii) the Providing Party or its Affiliates to have access to or use any IT Systems of the Receiving Party or its Affiliates, the Party having such access shall, and shall cause its Affiliates to, comply with all reasonable and generally applicable written information security and firewall policies, procedures and limitations of the other Party or its Affiliates with respect to such access or use, each as the same having been communicated to the Party or its Affiliate receiving access in writing from time to time (collectively, the "IT Security Policies"). The Party receiving such access shall be responsible

hereunder for each of its Representatives' compliance with the applicable IT Security Policies of the Party providing such access.

(c) In the event of a cyber-incident for which the Providing Party reasonably believes the Providing Party's IT Systems have been or could be compromised by a malicious threat actor, the Receiving Party agrees that the Providing Party may take all steps it deems necessary or advisable in its sole and absolute discretion as long as such does not cause harm to the Receiving Party's IT Systems, with advance notice to the extent practicable or legally permissible in the event such cyber-incident affects the Receiving Party's business or the Services, to remediate such cyber incident, including termination of or blocking the Receiving Party's and its personnel's access and connectivity to the Providing Party's IT Systems; provided that in the event that, given the nature of the incident, it is not practicable or legally permissible to provide advance notice to the Receiving Party, the Providing Party may remediate such cyber-incident and provide notice to the Receiving Party as soon as reasonably practical thereafter (unless such cyber-incident did not relate to or affect the Receiving Party or the Services); provided, further, that during the pendency of any such termination or blocking of access and connectivity, the Providing Party shall use commercially reasonable efforts to continue providing the applicable Services to the Receiving Party. Without limiting any of the rights provided herein, if the Providing Party reasonably believes that the Receiving Party or its personnel has failed to comply with the security guidelines of the Providing Party in any material respect, the Receiving Party agrees that the Providing Party may do the following: (i) if such failure to comply is malicious, the Providing Party may, upon notice to the Receiving Party describing such non-compliance, terminate or block the Receiving Party's and its personnel's access and connectivity to the Providing Party's IT Systems until such time as the Receiving Party has remedied such non-compliance, or (ii) if such failure to comply is not malicious, the Providing Party may provide the Receiving Party written notice describing such non-compliance and, if the Receiving Party fails to remedy such non-compliance, after cooperation with the Providing Party, within twenty five (25) days after receipt of such notice, the Providing Party may terminate or block the Receiving Party's and its personnel's access and connectivity to the Providing Party's IT Systems until such time as the Receiving Party has remedied such non-compliance.

(d) Without limiting the foregoing in this Section 2.12, in providing and using the Services, each Party shall comply with all applicable Laws in connection with any access to or use of IT Systems hereunder, including by limiting any access to or disclosure of sensitive proprietary information of a Party by or to the other Party to the extent such access or disclosure is prohibited by applicable Laws.

ARTICLE III

FEES AND PAYMENT

SECTION 3.1 Fees for Corporate Services.

(a) From the date hereof until December 31, 2024 (such time period, the "Initial Term" and such date, the "Assessment Date"), subject to adjustment as set forth in this Agreement, (i) AMPSA shall receive from AGSA as consideration for the AMPSA Services, the

AGSA Services, and (ii) AGSA shall receive from AMPSA as consideration for the AGSA Services, (A) the AMPSA Services and (B) for each calendar year from 2021 through 2024, the fees set forth in Exhibit A.

(b) Unless the Parties otherwise agree in writing, effective as of the Assessment Date and for the remainder of the term of this Agreement, the Fees for Corporate Services shall be computed based on the fully allocated cost of each such Service with the intention that the Providing Party incurs no gain or loss in providing such Service. At least sixty (60) days prior to the Assessment Date and thereafter at least sixty (60) days prior to each annual anniversary of the Assessment Date (each such date, a “Reset Date”), the Parties shall in good faith negotiate and agree on (i) adjustments to the then-applicable fees for such Services that would take effect starting on the next applicable Reset Date, which shall take into account the then-current costs of providing such Services and the level of Services expected to be provided hereunder until the next Reset Date, and (ii) with respect to the Ardagh Name License, the appropriate consideration for the Ardagh Name License.

(c) Certain Corporate Services are noted on Exhibit A and Exhibit B to be based on fixed volumes. If in any month (including during the Initial Term) the volume relating to such Corporate Service varies by over twenty percent (20%) relative to the prior calendar quarter, the Parties will in good faith discuss and agree on an appropriate adjustment to the Fees for such Corporate Service.

(d) The Fees for each Corporate Service (including during the Initial Term) shall adjust in the case of any pass-through Corporate Services provided by a Third Party, (i) upward at such time that any incremental costs are incurred by the Providing Party resulting from the underlying change in pricing by the Third Party, and (ii) downward at such time that the Third Party decreases the pricing charged to the Providing Party in connection with the provision of such Services.

SECTION 3.2 Fees for Business Unit Services. The Parties acknowledge and agree that fees payable by AMPSA to AGSA and by AGSA to AMPSA for their respective Business Unit Services (collectively with the fees set forth in Section 3.1, the “Fees”) shall be computed based on the fully allocated cost of each such Service with the Providing Party incurring no gain or loss in providing such Service.

SECTION 3.3 Employee Transfers. The Parties acknowledge and agree that, during the Initial Term, the employment of employees of either Group engaged in providing Services hereunder may be transferred to members of the other Group, which may result in a decrease in the level of Services required to be provided to the transferee of such employment. The Parties intend that any such transfers involving employees providing Corporate Services would occur on a “cost neutral” basis, and will discuss in good faith and agree on any appropriate resulting adjustments to the level or nature of the Corporate Services provided by the transferring Party hereunder and the Fees payable by the transferee under Section 3.1(a) in respect thereof.

SECTION 3.4 Invoice and Payment. A Providing Party shall deliver to the Receiving Party a monthly invoice for Fees hereunder, as such Fees may be adjusted in

accordance with the terms of this Agreement (or pursuant to any amendment to this Agreement); provided that during the Initial Term, a Providing Party shall have no obligation to deliver any invoices for the Fees for any Corporate Services in any month except for such months in which such Fees have been adjusted pursuant to Section 2.1(c), Section 2.4(b), Section 2.10, Section 3.1(c) or Section 3.1(d) (and Exhibit A or Exhibit B, as applicable, has not been updated to reflect such adjustment). Subject to the preceding sentence, each Providing Party shall invoice the Receiving Party on a monthly basis for (a) the Fees for the upcoming month for any Service identified by the Providing Party in writing as a “Fixed Price Service,” and (b) the Fees for the prior month for any Service identified by the Providing Party in writing as a “Variable Price Service.” The actual invoice date will be determined according to the Providing Party’s regular business practices and systems capabilities. Subject to Section 3.6, the invoiced Fees of each Party shall, if practicable, be netted against one another and the Party owing the greater amount shall pay the other Party in arrears in cash by wire transfer of immediately available funds to such account or accounts designated by the other Party, the net of the invoiced Fees, netting such Fees owed to the other Party against the Fees invoiced by the Party owing the greater amount, within thirty (30) days of the date both invoices with respect to the applicable month have been provided (the “Payment Date”). With respect to the Initial Term, the “Payment Date” with respect to Corporate Services, unless adjusted pursuant to Section 2.1(c), Section 2.4(b), Section 2.10, Section 3.1(c) or Section 3.1(d), shall be the last Business Day of each applicable month in which a payment is due.

SECTION 3.5 Failure to Make Payment. If payment in full in respect of any invoice is not received by the Providing Party from the Receiving Party by the Payment Date (except for any amount in good faith disputed as provided in Section 3.6), the Providing Party shall have the right, after giving forty-five (45) days’ prior written notice thereof to the Receiving Party, to suspend all or any portion of the Services until such time as the Receiving Party has paid in full all amounts then overdue. After such payment in full is received, the Providing Party shall promptly resume providing, or causing to be provided, the Services to the Receiving Party until the termination of such Services or this Agreement in accordance with Article VIII, subject to (a) any further suspension in accordance with this Section 3.5 or (b) earlier termination thereof in accordance with Section 8.1.

SECTION 3.6 Disputes and Resolution. The Receiving Party shall promptly (and in any event within thirty (30) days following the receipt of the applicable invoice or any audit performed in accordance with Section 3.7, or within thirty (30) days of the applicable month during the Initial Term if the Receiving Party determines that any Fees should have been adjusted pursuant to Section 2.1(c), Section 2.4(b), Section 2.10, Section 3.1(c) or Section 3.1(d)) notify the Providing Party in writing of any amounts billed to it (or required to be paid by it) that are in dispute and reasonably detail the basis therefor. Upon receipt of such notice, the Providing Party will research the items in question in a reasonably prompt manner and cooperate with the Receiving Party to resolve any such dispute. The amount of Fees payable by the Receiving Party shall be reduced by the amount of any Fees disputed in accordance with this Section 3.6, which disputed Fees shall be paid to the Providing Party within fifteen (15) days (or by the applicable Payment Date, if such Payment Date has not yet passed) after settlement of such dispute to the extent owed to the Providing Party; provided that any undisputed portion of such amount shall be included in the calculation of the amount due and paid in accordance with Section 3.4. If any such Fees have already been paid by the Receiving Party to the Providing

Party, the Providing Party shall promptly (and in any event within fifteen (15) days) refund to the Receiving Party the amount of such overpayment or, at the option of the Receiving Party, netted against future payments owed by the Receiving Party to the Providing Party pursuant to this Agreement.

SECTION 3.7 Audit Rights. During the term of this Agreement and for a six (6) month period thereafter or such longer period as required by an applicable Contract or under any applicable Law (including any competition Law, investment Law or Law relating to data privacy and protection), and upon thirty (30) days' advance written notice, either Party may audit (including through an independent third-party auditor), during regular business hours, the books and records of the other Party pertaining to the Service in question. For any given Service, either Party shall have the right to audit such books and records of the Providing Party once for each twelve (12) month period during which payment obligations are due with respect to such Service. The Party requesting an audit pursuant to this Section 3.7 shall be responsible for all costs of conducting such audit, and shall reimburse the other Party for any reasonable and documented out-of-pocket costs and expenses incurred in connection with such audit; provided, that if the audit of any Business Unit Services during the Initial Term or any Services following the Assessment Date reveals an overpayment by the Party requesting the audit in excess of ten percent (10%) of the applicable Fees being audited, the other Party shall reimburse such initial Party for the reasonable and documented out-of-pocket costs and expenses incurred in connection with such audit. Notwithstanding the foregoing, during the Initial Term, the audit rights set forth in this Section 3.7 shall not apply to any Fees for Corporate Services except to the extent such Fees have been adjusted pursuant to Section 2.1(c), Section 2.4(b), Section 2.10, Section 3.1(c) or Section 3.1(d).

SECTION 3.8 Records. Each Providing Party shall maintain records of all receipts, invoices, license usage reports and other documents relating to the Services rendered under this Agreement, including the means of calculating the Fees billed to the Receiving Party hereunder, in accordance with its standard, commercially reasonable, accounting practices and procedures. Each Providing Party shall retain such accounting records and make them reasonably available to the Receiving Party and its auditors for a period of three (3) years from the close of each fiscal year of such Receiving Party during which Services were provided. Each Providing Party will cooperate with the applicable Receiving Party and its auditors, as reasonably requested by such Receiving Party, in connection with any such audit.

SECTION 3.9 Taxes.

(a) The Receiving Party agrees to pay to the Providing Party, or, to the extent permitted by applicable Law, directly to the relevant Governmental Authority, amounts equal to any sales, use, value-added or other similar Taxes, however designated or levied, that are reasonably invoiced by the Providing Party based upon any (i) Fees due under this Agreement, (ii) the provision of the Services or (iii) the provision or use of materials provided under this Agreement, as provided to the Receiving Party by the Providing Party (such Taxes, "Covered Taxes"). The Providing Party shall provide to the Receiving Party, on a timely basis, all statements, receipts and other customary documentation in connection therewith reflecting such Covered Taxes, required to be delivered to the Receiving Party under applicable Law. In addition, the Providing Party shall provide such other information reasonably requested by the

Receiving Party that is necessary for the Receiving Party to report such Covered Taxes on its Tax returns (including for purposes of claiming Tax deductions or Tax refunds). To the extent any such Covered Taxes are paid to the Providing Party, the Providing Party shall timely pay such Covered Taxes to the proper Governmental Authority and use commercially reasonable efforts to assist the Receiving Party, at the Receiving Party's sole cost and expense, in its efforts to obtain a credit for such Covered Taxes upon the reasonable request of the Receiving Party. If additional Covered Taxes are determined to be due and payable as a result of an audit by a Tax jurisdiction, the Receiving Party agrees to reimburse the Providing Party for such Covered Taxes to the extent that the Covered Taxes for which the Providing Party seeks reimbursement are linked to specifically identified Services invoices that are subject to the imposition by such Tax jurisdiction of Covered Taxes. In the event the Providing Party receives any credit, reduction or refund of Covered Taxes (a "Tax Benefit"), the Providing Party shall promptly pay or credit the Receiving Party with an amount equal to such Tax Benefit to the extent the Receiving Party has previously paid to the Providing Party, or to the relevant Governmental Authority, any such Taxes that are linked to specifically identified Services invoices that are the subject of such Tax Benefit. The Parties shall cooperate in good faith in obtaining any lawful exemption, refund, return, rebate or the like of any Covered Taxes, including filing any necessary exemption or other similar forms, certificates or other similar documents to minimize or eliminate Covered Taxes to the extent permitted by applicable Law. The Parties further agree that, for the avoidance of doubt, Covered Taxes shall not include any franchise Taxes, Taxes imposed on or measured by the gross or net income of the other Party or personal or real property Taxes on property owned or leased by a Party.

(b) If any withholding or deduction from any payment under this Agreement by the Receiving Party in relation to any Service is required in respect of any Covered Taxes pursuant to any applicable Law, the Receiving Party shall (i) make any such required withholding or deduction from the amount payable to the Providing Party, (ii) timely pay the withheld or deducted amount to the relevant Governmental Authority and promptly forward to the Providing Party a withholding tax certificate or receipt evidencing that payment, and (iii) increase the amount payable such that the Providing Party receives an amount equal to the sum it would have received had no such Covered Taxes (taking into account, for the avoidance of doubt, any additional taxes applicable to additional sums payable under this Section 3.9(b)) been imposed, and the Receiving Party shall indemnify and hold harmless the Providing Party with respect thereto.

ARTICLE IV

DISCLAIMER AND LIMITATION OF LIABILITY

SECTION 4.1 Disclaimer of Warranties. EXCEPT AS SET FORTH IN SECTION 2.5 AND SECTION 2.6(e) (OR, IF APPLICABLE, AS OTHERWISE EXPRESSLY SET FORTH IN ANY APPLICABLE EXHIBIT HERETO), NO PARTY MAKES ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE SERVICES OR LICENSES TO BE PROVIDED BY IT OR OTHERWISE WITH RESPECT TO THIS AGREEMENT OR THE MATTERS CONTEMPLATED HEREBY AND EACH PARTY ACKNOWLEDGES AND AGREES THAT THE SERVICES, ARDAGH NAME AND ARDAGH LOGO ARE PROVIDED "AS IS," WITHOUT WARRANTY OF

ANY KIND, THAT THE RECEIVING PARTY AND, WITH RESPECT TO THE ARDAGH NAME AND ARDAGH LOGO, AMPSA, ASSUMES ALL RISKS AND LIABILITY ARISING FROM OR RELATING TO ITS AND ITS AFFILIATES' USE OF AND RELIANCE UPON THE SERVICES, THE ARDAGH NAME AND THE ARDAGH LOGO, AS APPLICABLE, AND THAT THE PROVIDING PARTY AND, WITH RESPECT TO THE ARDAGH NAME AND ARDAGH LOGO, AGSA, DOES NOT MAKE, AND (ON BEHALF OF ITSELF AND ITS AFFILIATES) HEREBY SPECIFICALLY DISCLAIMS, TO THE MAXIMUM EXTENT PERMITTED BY LAW, ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED (INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF NON-INFRINGEMENT, SUFFICIENCY, QUALITY, USEFULNESS, COMMERCIAL UTILITY, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE AND IMPLIED WARRANTIES ARISING FROM COURSE OF DEALING OR COURSE OF PERFORMANCE); PROVIDED, HOWEVER, THE FOREGOING SHALL NOT LIMIT EITHER PARTY' S EXPRESS OBLIGATIONS UNDER THIS AGREEMENT, INCLUDING WITH RESPECT TO THE SERVICE LEVEL STANDARDS AND EITHER PARTY' S INDEMNIFICATION OBLIGATIONS.

SECTION 4.2 Limitation of Liability.

(a) Except as may be otherwise expressly set forth in this Agreement and except for any Party' s fraud, gross negligence or willful misconduct, no Party shall be liable for, or required to indemnify any other Person for, any consequential, special or punitive damages hereunder (except to the extent actually awarded to a third party by a court of competent jurisdiction) due to, resulting from or arising in connection with any of the Services or the performance of or failure to perform any of a Party' s respective obligations under this Agreement, and no Party shall be liable to the other Party for an amount in excess of the amount paid for such Services, except in the case of death, bodily injury, or damage to tangible property arising from a Party' s or its Affiliates' fraud, gross negligence, willful misconduct or intentional breach of this Agreement.

(b) A Receiving Party shall use commercially reasonable efforts to minimize its damages and those of any of its Affiliates, whether direct or indirect, due to, resulting from or arising in connection with, any failure by a Providing Party to comply fully with its obligations under this Agreement.

(c) The Parties acknowledge and agree that the Parties would be irreparably damaged if any of the provisions of this Agreement are not performed in accordance with their specific terms or are otherwise breached and that any non-performance or breach of this Agreement by any Party could not be adequately compensated by monetary damages alone and that the Parties would not have any adequate remedy at law. Accordingly, in addition to any other right or remedy to which any Party may be entitled, at law or in equity (including monetary damages), such Party shall be entitled to seek to enforce any provision of this Agreement by a decree of specific performance and to temporary, preliminary and permanent injunctive relief to prevent breaches or threatened breaches of any of the provisions of this Agreement without posting any bond or other undertaking. The Parties agree that they will not contest the appropriateness of specific performance as a remedy.

ARTICLE V

INTELLECTUAL PROPERTY

SECTION 5.1 Intellectual Property.

(a) Each Party shall retain all right, title and interest in and to all Intellectual Property, and all software, source and object code, specifications, designs, processes, techniques, concepts, improvements, discoveries and inventions (including any modifications, improvements, enhancements or derivative works of any of the foregoing), in each case, owned or controlled by such Party and created, developed or conceived prior to, or independently outside of performing any of the Services during, the term of this Agreement or any extension thereof ("Background Intellectual Property").

(b) With respect to all Intellectual Property rights in data and other Intellectual Property that is generated by the Providing Party in performing a Service ("Foreground Intellectual Property"), as between the Parties, (i) the Receiving Party shall own all such Foreground Intellectual Property to the extent it is exclusively used in and related to, in the case of AMPSA, the AMP Business or, in the case of AGSA, the AGSA Retained Business and (ii) the Providing Party shall own all other such Foreground Intellectual Property, including, for the avoidance of doubt, all improvements, modifications enhancements and derivative works created, developed or conceived by or on behalf of such Providing Party to such Service. To the extent any right, title or interest in or to any Foreground

Intellectual Property designated to be owned by a Party pursuant to the foregoing sentence vests in the other Party or any of its Affiliates, such other Party, on behalf of itself and such Affiliates, hereby irrevocably assigns to such first Party all such right, title and interest in and to such Foreground Intellectual Property. Each Party shall take, and shall cause its Affiliates to take, all reasonable actions requested by the other Party, at such other Party' s sole cost and expense, to effectuate or perfect such other Party' s ownership of Foreground Intellectual Property as contemplated hereunder.

(c) Without prejudice to the foregoing, the Receiving Party hereby grants, under the Receiving Party' s Background Intellectual Property rights, a non-exclusive, non-transferable (except in accordance with [Section 9.6](#)), non-sublicensable (except to service providers of the Providing Party solely for use for the benefit of the Providing Party) license to the Providing Party to use the Background Intellectual Property owned or licensable hereunder (without requiring consent of or payment to a Third Party) by the Receiving Party solely to the extent necessary to enable the Providing Party to provide the Services in accordance with this Agreement during the term of the relevant Services hereunder. Without prejudice to the foregoing, but subject to [Section 2.4](#) (Consents), the Providing Party hereby grants, under the Providing Party' s Background Intellectual Property rights, a non-exclusive, non-transferable (except in accordance with [Section 9.6](#)), non-sublicensable (except to service providers of the Receiving Party solely for use for the benefit of the Receiving Party) license to the Receiving Party to use all Intellectual Property owned or licensable hereunder (without requiring consent of or payment to any Third Party) by the Providing Party to enable the Receiving Party to receive and use the Services and the Deliverables. Solely for purposes of the licenses granted in this [Section 5.1\(c\)](#), a Party' s Background Intellectual Property includes such Party' s Foreground Intellectual Property discussed in [Section 5.1\(b\)](#). On expiry or termination of this Agreement,

the foregoing licenses shall automatically terminate; provided that, notwithstanding such expiry or termination of this Agreement or such termination of the foregoing licenses, the Receiving Party shall continue to have the right, and the Providing Party shall not object to the Receiving Party continuing, even after such expiry or termination, to use any documents, data or other tangible materials delivered to the Receiving Party by the Providing Party in connection with any of the Services (including any information included in any of the foregoing) (the “Deliverables”), unless required to do so by any Third Party that has the right and authority to require such Providing Party to so object.

SECTION 5.2 Ardagh Name License.

(a) Subject to the terms and conditions of this Agreement (including Exhibit D), effective as of the date hereof and lasting for the period set forth in Section 5.2(e), AGSA hereby grants to AMPSA and each of the other AMP Entities a worldwide, non-exclusive, non-sublicensable (except as set forth in this Section 5.2) indivisible and revocable (pursuant to Article VIII) license (the “Ardagh Name License”) to use the Ardagh Name (as that term is defined in Exhibit D) solely as a part of AMPSA’ s corporate name or the corporate name of any other AMP Entity, and such corporate name or names (including the Ardagh Name) may be used (i) as Internet domain names or as part of Internet domain names, (ii) on or in relation to any products and services supplied by any AMP Entity from time to time, or (iii) otherwise in the course of the conduct or operation of the AMP Business (including on, in connection with or in relation to any products and services of the AMP Business), subject in each such case to the terms of this Agreement. The Fees payable for Corporate Services during the Initial Term pursuant to Section 3.1 are inclusive of the entire consideration due in respect of the Ardagh Name License.

(b) The AMP Entities may grant sublicenses to their respective suppliers, vendors, distributors, sub-distributors, resellers, marketing representatives and agents (collectively, “Permitted Sublicensees”) for their respective use of any of the AMP Entities’ corporate names (including the Ardagh Name) and solely for the uses set forth in Section 5.2(a) in connection with the conduct or operation of the AMP Business. Any such sublicense shall be subject to the terms and conditions of this Agreement.

(c) None of the AMP Entities may assign the Ardagh Name License or grant any sublicense of its rights under it (other than as set forth in Section 5.2(b)) without the prior written consent of AGSA. Each of the AMP Entities shall be responsible hereunder for all actions of its sublicensees as if such actions were the actions of such AMP Entity.

(d) For the avoidance of doubt, nothing in this Agreement shall prevent AGSA from using, and sublicensing or otherwise permitting others to use, the Ardagh Name in any way whatsoever.

(e) Unless earlier terminated in accordance with Article VIII, the Ardagh Name License shall commence as of the date of this Agreement and shall remain in effect until the later of (i) the date that is the fourth (4th) anniversary of the date of this Agreement and (ii) (A) with respect to AMPSA, the date that AMPSA is no longer a Subsidiary of AGSA and (B)

with respect to each Subsidiary of AMPSA, the date that is the earlier of (1) AMPSA no longer being a Subsidiary of AGSA or (2) such Subsidiary no longer being a Subsidiary of AMPSA.

SECTION 5.3 Transitional License. Subject to the terms and conditions of this Agreement (including Exhibit D) and without limiting the license or any rights granted to AMPSA and each of the other AMP Entities under Section 5.2 with respect to the Ardagh Name, effective as of the date hereof, AGSA hereby grants to AMPSA and each of the other AMP Entities a worldwide, non-sublicensable (except as set forth in this Section 5.3), indivisible license to, for a period of twelve (12) months after the date hereof unless an extension is agreed to by AGSA (and AGSA hereby acknowledges and agrees that (i) its agreement to an extension shall not be unreasonably withheld and (ii) an extension for a period of twelve (12) months shall not be considered unreasonable), continue to use, and continue to permit its and their respective suppliers, vendors, distributors, sub-distributors, resellers, marketing representatives, agents and other Persons (the "Transitional Sublicensees") to use, the Ardagh Name and the following logo:

(the "Ardagh Logo") (including the Ardagh Name and the Ardagh Logo in combination) solely for uses generally consistent with the uses (including with respect to quality of goods and services and, with respect to the Transitional Sublicensees, solely for the benefit of the AMP Business and generally consistent with the current uses by such Persons), as applicable, of the Ardagh Name and Ardagh Logo (including in combination) in connection with the AMP Business as of the date of this Agreement (including uses on, in connection with or in relation to any products and services of the AMP Business) (the "Transitional License"). AMPSA shall, and shall cause the other AMP Entities and the Transitional Sublicensees, to use commercially reasonable efforts to transition the AMP Business reasonably promptly away from any uses by the AMP Business of the Ardagh Name and the Ardagh Logo (including in combination) that are not within the scope of the Ardagh Name License. The Fees payable for Corporate Services during the Initial Term pursuant to Section 3.1 are inclusive of the entire consideration due in respect of the Transitional License.

ARTICLE VI

CONFIDENTIALITY

SECTION 6.1 Specified Confidentiality Matters. The Parties acknowledge and agree that, with respect to any Services of a legal nature to be provided by employees of a Providing Party that are attorneys, the attorney-client privilege, attorney work-product protection and expectation of client confidence involving (a) general business matters of the Providing Party and arising prior to the provision of Services in accordance with Article II shall inure for the benefit of the Providing Party, and the Receiving Party and its Affiliates shall not have the right to assert any privilege or protection and no such privilege or protection may be waived by the Receiving Party and its Affiliates without the prior written consent of the Providing Party; provided that upon receipt of a disclosure request, the Receiving Party shall notify the Providing Party promptly in writing of the terms and circumstances surrounding the disclosure request so that the Providing Party may seek a protective order or other remedy, and (b) any general business matters relating to the Receiving Party and arising during or following the provision of Services in accordance with Article II shall be subject to the sole control of the Receiving Party,

which shall be solely entitled to control the assertion or waiver of the privilege or protection, whether or not such information is in the possession or under the control of the Providing Party, the Receiving Party or any of their respective Affiliates. Each of the Parties agrees to waive, and to obtain a waiver from each of its Affiliates, any conflicts of interest between the Providing Party and the Receiving Party that would otherwise give such Party or its Affiliates a basis on which to object to any Services of a legal nature to be provided hereunder.

ARTICLE VII

INDEMNIFICATION

SECTION 7.1 Indemnification by Receiving Party. The Receiving Party shall indemnify, defend and hold harmless the Providing Party, its Affiliates, their respective successors and permitted assigns and the Representatives of each of the foregoing (collectively, the “Provider Indemnitees”), from and against any and all direct costs incurred by the Provider Indemnitees due to (a) the Receiving Party’s gross negligence or willful misconduct or (b) Third Party Claims arising out of, resulting from or incident to, directly or indirectly, the Providing Party providing Services hereunder, other than Third Party Claims arising out of, resulting from or incident to, directly or indirectly, (i) the gross negligence or willful misconduct of any Provider Indemnitee or any Third Party or independent contractor providing Services on behalf of the Providing Party hereunder, (ii) any breach of this Agreement by any Provider Indemnitee, (iii) any Provider Indemnitee’s failure to timely remit amounts received from the Receiving Party to the Third Party that provided such Services hereunder or (iv) any infringement, misappropriation or other violation of any Intellectual Property of any Third Party by the Receiving Party as a result of the Receiving Party’s or any member of its Group’s receipt or use of any Services (including any Deliverables, but excluding the Ardagh Name License and the Transitional License (which are addressed in Section 7.3)) or of any information or materials provided or made available to or accessible by any Provider Indemnitee to the Receiving Party hereunder, except to the extent such infringement, misappropriation or other violation results from the use of any information or materials provided, or instructions or directions given, by or on behalf of the Receiving Party. Nothing in this Article VII regarding indemnification rights and obligations shall be deemed to override any obligations with respect to mitigation of losses existing under applicable Law.

SECTION 7.2 Indemnification by the Providing Party. The Providing Party shall indemnify, defend and hold harmless the Receiving Party, its Affiliates, their respective successors and permitted assigns and the Representatives of each of the foregoing (collectively, the “Receiver Indemnitees”) from and against any and all direct costs incurred by the Receiver Indemnitees due to (a) the Providing Party’s gross negligence or willful misconduct, (b) Third Party Claims arising out of, resulting from or incident to, directly or indirectly, the material breach by the Providing Party of any of its obligations under this Agreement or the gross negligence or willful misconduct of the Providing Party, (c) the Providing Party’s failure to pay wages and benefits to personnel assigned to perform Services under this Agreement or (d) any infringement, misappropriation or other violation of any Intellectual Property of any Third Party by the Providing Party as a result of the Providing Party’s provision of (or causing to provide) any Services (including any Deliverables, but excluding the Ardagh Name License and the Transitional License (which are addressed in Section 7.3)) to the Receiver Indemnitees

hereunder or of any information or materials provided or made available to or accessible by the Providing Party to the Receiver Indemnitees hereunder, except to the extent such infringement, misappropriation or other violation results from the use of any information or materials provided, or instructions or directions given, by or on behalf of the Receiving Party. Nothing in this Article VII regarding indemnification rights and obligations shall be deemed to override any obligations with respect to mitigation of losses existing under applicable Law or Section 4.2(b).

SECTION 7.3 Indemnification Regarding Ardagh Name and Ardagh Logo. AMPSA shall indemnify, defend and hold harmless the AGSA Entities, their respective successors and the Representatives of each of the foregoing (collectively, the “AGSA Indemnitees”) from and against any and all direct costs incurred by the AGSA Indemnitees due to any claim or action resulting from the use of the Ardagh Name or Ardagh Logo by or on behalf of any AMP Entity, including such use on or in connection with the products or services supplied by any AMP Entity (including product liability claims with respect to such products), excluding any claim or action to the extent alleging that the Ardagh Name or Ardagh Logo infringes, misappropriates, dilutes or otherwise violates any Intellectual Property of any Third Party. Nothing in this paragraph regarding indemnification rights and obligations shall be deemed to override any obligations with respect to mitigation of losses existing under applicable Law.

SECTION 7.4 Procedures for Indemnification.

(a) Any Person seeking any indemnification under this Article VII (an “Indemnified Party”), acting through AGSA or AMPSA, as applicable, shall give the Party from which indemnification is being sought (an “Indemnifying Party”) prompt notice (a “Claim Notice”) of any matter which such Indemnified Party has determined has given or could give rise to a right of indemnification under this Article VII; provided, however, that if an Indemnified Party shall receive written notice of any Third Party Claim, the Indemnified Party shall give the Indemnifying Party a Claim Notice within twenty (20) days after receipt by the Indemnified Party of such notice. The Claim Notice shall (i) indicate whether the matter for which indemnification is sought (an “Indemnity Claim”) results from or arises out of a Third Party claim (a “Third Party Claim”) or a direct claim, (ii) describe with reasonable specificity the nature of the Indemnity Claim and (iii) state the amount of direct costs sought pursuant to such Indemnity Claim to the extent then known. The failure to deliver or timely deliver the Claim Notice shall not affect the rights of the Indemnified Party to indemnification under this Article VII, except and only to the extent that the Indemnifying Party shall have been actually and materially prejudiced by reason of such failure.

(b) Third Party Claims.

(i) The Indemnifying Party shall have the right to conduct, at its sole cost and expense, the defense of a Third Party Claim, upon delivery of written notice to the Indemnified Party (the “Defense Notice”) within twenty (20) days after the Indemnifying Party’s receipt of the Claim Notice (or sooner if the nature of the Third Party Claim so requires); provided that the Defense Notice shall specify the counsel the Indemnifying Party will appoint to defend such Third Party Claim (such counsel to be reasonably satisfactory to the Indemnified Party). The Indemnified Party shall be entitled

to be indemnified in accordance with the terms of this Agreement for the reasonable fees and expenses of counsel for any period during which the Indemnifying Party has not assumed the defense of any such Third Party Claim in accordance herewith. If the Indemnifying Party timely delivers a Defense Notice and thereby elects to conduct the defense of the Third Party Claim, (A) the Indemnifying Party shall keep the Indemnified Party apprised of all material developments with respect to such Third Party Claim and (B) the Indemnified Party will cooperate with and make available to the Indemnifying Party such assistance and materials as the Indemnifying Party may reasonably request, all at the sole expense of the Indemnifying Party, and the Indemnified Party shall have the right at its expense to participate in the defense assisted by counsel of its own choosing.

(ii) The Indemnifying Party shall not be entitled to control the defense of any Third Party Claim if (A) such Third Party Claim is with respect to a criminal proceeding, action, indictment, allegation or investigation, (B) it fails to actively and diligently conduct its defense of such Third Party Claim, (C) the Indemnified Party has been advised by counsel that a reasonable likelihood exists of a material conflict of interest between the Indemnifying Party and the Indemnified Party with respect to such Third Party Claim or (D) such Third Party Claim seeks an injunction or other equitable relief against the Indemnified Party. In the event of any of the foregoing circumstances and the Indemnified Party has nonetheless permitted the Indemnifying Party to control the defense of such Third Party Claim, and the Indemnifying Party desires to so control such defense, the Indemnified Party shall be entitled to retain its own counsel, and the Indemnifying Party shall pay the reasonable and documented fees and expenses of one counsel (in addition to any required local counsel) of the Indemnified Party.

(iii) The Indemnifying Party shall not, without the prior written consent of the Indemnified Party, (A) settle or compromise a Third Party Claim or consent to the entry of any order which does not include an unconditional written release by the claimant or plaintiff of the Indemnified Party from all liability in respect of the Third Party Claim, (B) settle or compromise any Third Party Claim if the settlement imposes equitable or other non-monetary remedies or other obligations on the Indemnified Party or (C) settle or compromise any Third Party Claim if the result is to admit civil or criminal liability or culpability on the part of the Indemnified Party that gives rise to criminal liability with respect to the Indemnified Party. No Third Party Claim which is being defended by the Indemnifying Party in accordance with the terms of this Agreement shall be settled or compromised by the Indemnified Party without the prior written consent of the Indemnifying Party (such consent not to be unreasonably conditioned, withheld or delayed).

ARTICLE VIII

TERM AND TERMINATION

SECTION 8.1 Term; Termination of Services.

(a) As provided in Section 3.1(a), the Initial Term of this Agreement shall terminate on the Assessment Date. Thereafter, subject to the other provisions of this Section 8.1,

this Agreement shall automatically renew for additional one (1) year terms from such date unless (i) the Parties otherwise mutually agree in writing or (ii) a Party delivers a Termination Notice in accordance with [Section 8.1\(d\)](#), [Section 8.1\(e\)](#) or [Section 8.1\(f\)](#). Subject to [Section 8.3](#), this Agreement shall automatically terminate on the date all Services have been terminated in accordance with this [Section 8.1](#).

(b) Notwithstanding anything to the contrary herein, if there is a Change of Control of AMPSA during the Initial Term, (i) AGSA may terminate all or any portion of this Agreement by providing not less than nine (9) months prior written notice to AMPSA and (ii) the date on which such Change of Control of AMPSA is consummated shall automatically be deemed to be the Assessment Date for purposes of [Article III](#). As used herein, “[Change of Control of AMPSA](#)” means any of the following events: (A) the consummation of any transaction, or series of related transactions (including a merger or consolidation), the result of which is that any Person or group of related Persons or Persons acting in concert with each other, other than one or more AGSA Entities, is, or as a result of such transaction becomes, the beneficial owner, directly or indirectly, of more than fifty percent (50)% of the voting stock of AMPSA; (B) the sale, transfer, conveyance or other disposition, whether in one transaction or a series of related transactions, of all or substantially all of the assets of (including capital stock owned by) the AMP Entities, on a consolidated basis, to any Person or group of related Persons or Persons acting in concert with each other, other than the AGSA Entities; or (C) AMPSA is liquidated or dissolved or adopts a plan of liquidation or dissolution (other than in connection with any internal restructuring that does not change the ultimate beneficial ownership of AMPSA) or files any voluntary or involuntary petition under any bankruptcy Law. Notwithstanding anything to the contrary in this Agreement, AGSA shall not have the right to terminate the Ardagh Name License pursuant to this [Section 8.1\(b\)](#) until the date that is the fourth (4th) anniversary of the date of this Agreement.

(c) Notwithstanding anything to the contrary herein, if there is a Change of Control of AGSA during the Initial Term, (i) AMPSA may terminate all or any portion of this Agreement by providing not less than nine (9) months prior written notice to AGSA and (ii) the date on which such Change of Control of AGSA is consummated shall automatically be deemed to be the Assessment Date for purposes of [Article III](#). As used herein, “[Change of Control of AGSA](#)” means any of the following events: (A) the consummation of any transaction, or series of related transactions (including a merger or consolidation), the result of which is that any Person or group of related Persons or Persons acting in concert with each other, other than one or more Permitted Holders, is, or as a result of such transaction becomes, the beneficial owner, directly or indirectly, of more than fifty percent (50)% of the voting stock of AGSA; (B) the sale, transfer, conveyance or other disposition, whether in one transaction or a series of related transactions, of all or substantially all of the assets of (including capital stock owned by) the AGSA Entities, on a consolidated basis, to any Person or group of related Persons or Persons acting in concert with each other, other than the Permitted Holders; or (C) AGSA is liquidated or dissolved or adopts a plan of liquidation or dissolution (other than in connection with any internal restructuring that does not change the ultimate beneficial ownership of AGSA) or files any voluntary or involuntary petition under any bankruptcy Law.

(d) The Receiving Party may terminate its right to receive any particular Service with an effective Termination Date during the Initial Term, with the prior written

consent of the Providing Party (not to be unreasonably withheld, conditioned or delayed), and on no less than nine (9) months prior written notice (or such longer notice as may be required by Law) (such notice, or any notice to terminate this Agreement as provided herein, the “Termination Notice”), setting forth in reasonable detail the Services to be terminated (the “Terminated Services”) and the Termination Date for each Terminated Service; provided that in the event of any material increase of the Fees of any Corporate Service pursuant to Section 3.1(d), the Receiving Party may terminate the applicable Services pursuant to this Section 8.1(d) without the prior written consent of the Providing Party.

(e) Either Party may terminate this Agreement or its obligation to provide or receive any particular Service, for any or no reason, effective no earlier than the Assessment Date, by providing the other Party a Termination Notice not fewer than nine (9) months prior to the Termination Date, which notice will, if one or more Services are being terminated, set forth in reasonable detail the Terminated Services and the Termination Date for each Terminated Service. Notwithstanding anything to the contrary in this Agreement, AGSA shall not have the right to terminate the Ardagh Name License pursuant to this Section 8.1(e).

(f) If a Party materially breaches any of its obligations under this Agreement, and, if such breach is curable, does not cure such breach within sixty (60) days after receiving written notice thereof from the non-breaching Party, then the non-breaching Party may, at its option, terminate any Service affected by such breach by providing a Termination Notice to the breaching Party effective as of the tenth (10th) day following the date of such notice; provided that if such breach is a material breach by AMPSA of any of its obligations under this Agreement with respect to the Ardagh Name or Ardagh Logo, the Ardagh Name License and Transitional License, as applicable, shall terminate effective as of the date of delivery of the Termination Notice therefor.

(g) This Agreement and any Service may be terminated by mutual consent of the Parties in writing at any time.

(h) From and after the Termination Date, the Receiving Party shall not be obligated to pay any Fees in connection with any validly Terminated Services other than (i) Fees owed for such Terminated Services rendered but not paid for prior to the Termination Date and (ii) any Third Party costs incurred by the Providing Party in connection with the termination of such Terminated Services, solely to the extent such Third Party costs would not have otherwise been incurred but for the requirement or request to provide Services to the Receiving Party. Upon the termination of any Services hereunder, the Parties will in good faith discuss and agree on an appropriate adjustment to the Fees to reflect that such Service is no longer being provided.

SECTION 8.2 Migration Plan: Transition Assistance.

(a) Upon the termination of any Services by the Receiving Party, the Receiving Party shall, to the extent the Receiving Party desires to migrate such Terminated Services from the Providing Party to the Receiving Party’s Group, develop a migration plan, which shall be in form reasonably satisfactory to the Providing Party, no later than ninety (90) days prior to the applicable Termination Date on a migration plan to facilitate an orderly and efficient transition of such Terminated Services (the “Migration Plan”). The Migration Plan

shall set forth the responsibilities of each of the Parties in sufficient detail to provide each Party a clear transition roadmap at a functional level, and each Party shall appoint a migration manager to oversee the Migration Plan' s development and execution.

(b) The Providing Party shall reasonably cooperate with the Receiving Party (including responding to any reasonable inquiries by the Receiving Party) to facilitate the transfer of responsibility for such Terminated Service from the Providing Party to the Receiving Party (or its designee) as of the applicable Termination Date. If requested by the Receiving Party, subject to applicable Law, the Providing Party will provide reasonable cooperation and use commercially reasonable efforts to assist the Receiving Party in accomplishing an orderly transition, as of the applicable Termination Date, to the Receiving Party or an alternative provider of the applicable Terminated Services, including, to the extent reasonably necessary in connection therewith, providing, upon reasonable advance notice, reasonable access during normal business hours to the Providing Party' s applicable books, records, systems, facilities and employees; provided that in the event the Providing Party determines in its reasonable discretion that affording any such access to the Receiving Party would be commercially detrimental in any material respect or violate any applicable Law or agreement to which the Providing Party or any of its Affiliates is a party, or waive or result in the waiver of any attorney-client privilege applicable to the Providing Party or any of its Affiliates, the Parties shall take such steps as are reasonably necessary to permit the Providing Party' s compliance with such request in a manner that avoids any such detriment, harm or consequence.

(c) The Providing Party shall, upon the reasonable request of the Receiving Party, use commercially reasonable efforts to cooperate with the Receiving Party to support any transfer of data concerning the relevant Terminated Services to the Receiving Party; provided that the Providing Party shall bear the fees, costs and expenses associated with the extraction and transfer of such data to the Receiving Party, and the Receiving Party shall bear the fees, costs and expenses associated with the receipt and any transformation and remediation of such data (including any transformation or remediation requested by the Receiving Party prior to extraction and transfer). Subject to Article V and Article VI, if reasonably requested by the Receiving Party, the Providing Party shall deliver, or cause to be delivered, to the Receiving Party, within such time periods as the Parties may reasonably agree, all records, data, files and other information received or generated for the primary benefit of the Receiving Party in connection with the provision of such Terminated Services; provided, however, that the Providing Party (i) shall not be obligated to deliver, or cause to be delivered, any information that is proprietary or privileged or subject to any restrictions on disclosure or use arising from any legal, contractual or fiduciary obligation of the Providing Party and (ii) may retain a copy of any such records, data, files or other information to the extent required by applicable Law, consistent with its existing record retention policies and related to its own business, assets or liabilities.

SECTION 8.3 Survival. Articles I (Definitions), III (Fees and Payment), IV (Disclaimer and Limitation of Liability), V (Intellectual Property), VI (Confidentiality), VII (Indemnification), VIII (Term and Termination) and IX (Miscellaneous) shall survive the expiration or any termination of this Agreement. Subject to applicable Law and the relevant statute of limitations, the indemnification obligations of the Parties set forth in Article VII (Indemnification) shall expire six (6) months after the termination of this Agreement. Notwithstanding the foregoing, in the event of any termination with respect to one or more, but

less than all of the Services, this Agreement shall continue in full force and effect with respect to any Services not terminated hereby.

ARTICLE IX

SECTION 9.2 Interpretation. The Parties have participated jointly in negotiating and drafting this Agreement. If an ambiguity or a question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties, and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any provision of this Agreement. Whenever the words “include”, “includes” or “including” are used in this Agreement they shall be deemed to be followed by the words “without limitation.” Words in the singular form will be construed to include the plural and vice versa, unless the context requires otherwise. Reference to any Law means such Law as amended, modified, codified, replaced or re-enacted, in whole or in part, from time to time, including rules, regulations, enforcement procedures and any interpretations promulgated thereunder. Underscored references to Articles, Sections, clauses or Exhibits shall refer to those portions of

this Agreement, and any underscored references to a clause shall, unless otherwise identified, refer to the appropriate clause within the same Section in which such reference occurs. The table of contents and headings for this Agreement are for reference purposes only and do not affect in any way the meaning or interpretation of this Agreement. The use of the terms “hereunder”, “hereof”, “hereto” and words of similar import shall refer to this Agreement as a whole and not to any particular Article, Section or clause of or Exhibit to this Agreement. The word “or” is not exclusive and is deemed to have the meaning “and/or” unless expressly indicated otherwise. Any reference to “days” means calendar days unless Business Days are expressly specified. When calculating the period of time before which, within which or following which any act is to be done or step taken pursuant to this Agreement, the date that is the reference date in calculating such period shall be excluded, and if the last day of such period is not a Business Day, the period shall end on the immediately following Business Day. References to “writing”, “written” and comparable terms refer to printing, typing and other means of reproducing words (including electronic media) in a visible form. References to a Person are also to its successors and permitted assigns.

SECTION 9.3 Execution in Counterparts. This Agreement may be executed in multiple counterparts, each of which when executed and delivered shall thereby be deemed to be an original and all of which taken together shall constitute one and the same instrument. Any Party may execute and deliver signed counterparts of this Agreement to the other Party by electronic mail or other electronic transmission in portable document format (.PDF).

SECTION 9.4 Entire Agreement. This Agreement (including the Exhibits hereto) and the other agreements specifically referenced herein, when executed, and any other instrument delivered in connection herewith or therewith embodies the entire agreement and understanding among the Parties with respect to the subject matter hereof and thereof, and supersedes any agreements, representations, warranties or understandings, oral or written, among the Parties entered into prior to the date hereof. Each Exhibit attached hereto or referenced herein is hereby incorporated into and shall form a part of this Agreement by reference; provided that the terms contained in any Exhibit shall only apply with respect to the Services provided under such Exhibit. In the event of a conflict between the terms contained in an individual Exhibit and the terms in the body of this Agreement, the terms in this Agreement shall control.

SECTION 9.5 Severability. If any provision of this Agreement is held invalid or unenforceable by any court of competent jurisdiction, the other provisions of this Agreement will remain in full force and effect. Any provision of this Agreement held invalid or unenforceable only in part or degree will remain in full force and effect to the extent not held invalid or unenforceable.

SECTION 9.6 Assignment. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by a Party (whether by operation of law or otherwise) without the prior written consent of the other Party, and any attempt to make any purported assignment or other transfer without such consent shall be void and unenforceable. Except for Article VII which is intended to benefit, and to be enforceable by, the parties specified therein, this Agreement shall be binding upon and inure solely to the benefit of each Party and, subject to the foregoing sentence, their respective permitted successors and assigns, and nothing in this Agreement, express or implied, is intended to or shall confer upon any other

Person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement. Nothing in this Section 9.6 shall limit the right of any Party to provide, subject to the terms of this Agreement, any applicable Services through a Third Party pursuant to Section 2.3 or an independent contractor pursuant to Section 2.6(b).

SECTION 9.7 Amendment. This Agreement may be amended, supplemented or restated only by a written agreement executed by each of the Parties.

SECTION 9.8 Waiver. The failure of any Party to enforce any condition or part of this Agreement at any time shall not be construed as a waiver of that condition or part, nor shall it forfeit any rights to future enforcement thereof. Any waiver hereunder shall be effective only if delivered to the other Parties in writing by the Party making such waiver.

SECTION 9.9 Governing Law. This Agreement, and all claims or causes of action based upon, arising out of, or related to this Agreement shall be governed by, and construed in accordance with, the Laws of the Grand Duchy of Luxembourg. Any Action arising in connection with this Agreement shall be submitted to the jurisdiction of the courts of Luxembourg City.

TRANSFER AGREEMENT, dated as of February 22, 2021, by and between Ardagh Group S.A., a public limited liability company (*société anonyme*) organized under the laws of the Grand Duchy of Luxembourg with its registered office at 56, Rue Charles Martel, L-2134 Luxembourg, Luxembourg and registered with the Luxembourg Trade and Companies Register under registration number B160804 (“AGSA”), and Ardagh Metal Packaging S.A., a public limited liability company (*société anonyme*) organized under the laws of the Grand Duchy of Luxembourg with its registered office at 56, Rue Charles Martel, L-2134 Luxembourg, Luxembourg and registered with the Luxembourg Trade and Companies Register under registration number B251465 (“AMPSA”).

WHEREAS, as of the date hereof, AGSA, indirectly through the AMP Entities (other than AMPSA), is engaged in the business of developing, manufacturing, marketing and selling metal beverage cans and ends and providing related technical and customer services (the “AMP Business”);

WHEREAS, AMPSA is a newly formed wholly-owned subsidiary of AGSA;

WHEREAS, AGSA, AMPSA, Gores Holdings V, Inc., a Delaware corporation (“GHV”), and Ardagh MP MergeCo Inc., a Delaware corporation and a wholly owned subsidiary of AMPSA, have entered into a Business Combination Agreement, dated as of the date hereof (the “BCA”), which, among other things, provides that, as a condition to GHV’s obligations to close the transactions contemplated by the BCA, the AMP Transfer and the other transactions contemplated by this Agreement shall have been completed;

WHEREAS, upon the terms and subject to the conditions set forth in this Agreement, AGSA and its Subsidiaries will effect the AMP Transfer through a series of transactions in accordance with the Steps Plan (as defined in the BCA), that will result in all of the AMP Equity Interests being directly or indirectly owned by AMPSA in exchange for aggregate consideration consisting of (a) \$2,315,000,000, payable in cash (in USD or the EUR equivalent thereof (based on an exchange rate as of a date to be agreed by the parties hereto) or both) in a series of transactions, including contributions for shares and the repayment of intercompany payables, (b) 484,956,250 shares, each with a par value of EUR 0.01, of AMPSA to be issued against contributions in kind made by AGSA to AMPSA (“Shares”), (c) a promissory note issued by a Subsidiary of AMPSA in the amount of \$1,085,000,000, and (d) if the transactions contemplated by the BCA are consummated, a contingent right to receive an additional 60,730,000 Shares in accordance with the terms and subject to the conditions set forth in Section 3.6 of the BCA or if the transactions contemplated by the BCA are not consummated, such other consideration in form and amount as agreed by the parties hereto (the consideration set forth in clauses (a), (b), (c) and (d), the “AGSA Consideration”); and

From and after the AMP Closing Date, AGSA shall indemnify and hold harmless each AMP Entity and each of their respective equityholders, directors, managers, officers, employees, agents, successors and assigns (other than any AGSA Entity) (collectively, the “AMP/SA Indemnified Parties”) from and against any and all Liabilities, claims, losses, damages, costs, expenses, interest, awards, judgments and penalties (including reasonable attorneys’ and consultants’ fees and expenses) actually suffered or incurred by them (collectively, “Losses”) (other than any Transaction Expenses (as defined in the BCA)) to the extent arising out of or resulting from (a) any of the AGSA Retained Business, the AGSA Retained Employees, the AGSA Retained Plans (except any AMP Employee Liabilities) or the AGSA Retained Employee Liabilities, whether arising before, on or following the AMP Closing Date, and including any Losses arising out of or resulting from any failure by AGSA, AMP/SA or any AGSA Entity (including any AGSA Retained Subsidiary) or AMP Entity to comply with the requirements of the Applicable Transfer Regulations in relation to the transfer of the Specified Employees under Section 4.1(a) or (b) a Third Party Claim to the extent that the facts of such Action arise out of or are based upon the actions of any AGSA Entity with respect to the AGSA Retained Business, but, in each case, excluding any Losses to the extent arising out of or resulting from any action taken by any AMP Entity with respect to the AGSA Retained Business following the AMP Closing, other than pursuant to a Contract between an AMP Entity and any AGSA Entity or with the written consent of an AGSA Entity.

SECTION 3.2 Indemnification by AMP/SA. From and after the AMP Closing Date, AMP/SA shall indemnify and hold harmless each AGSA Entity and each of their respective equityholders, directors, managers, officers, employees, agents, successor and assigns (collectively, the “AGSA Indemnified Parties”) from and against any and all Losses to the extent arising out of or resulting from (a) any of the AMP Business, the AMP Employees, the AMP Plans (except any AGSA Retained Employee Liabilities) or the AMP Employee Liabilities, whether arising before, on or following the AMP Closing Date, or (b) a Third Party Claim to the extent that the facts of such Action arise out of or are based upon the actions of any AMP Entity (including any of their predecessors) with respect to the AMP Business, but, in each case, excluding any Losses to the extent arising out of or resulting from any action taken by any AGSA Entity with respect to the AMP Business following the AMP Closing, other than pursuant to a Contract between an AGSA Entity and any AMP Entity or with the written consent of an AMP Entity.

SECTION 3.3 Limitations on Indemnification.

(a) For all purposes of this Article III, “Losses” shall be net of (i) any recovery or benefit (including insurance and indemnification, but not including taxes) actually received by the Indemnified Party or any member of its Group, net of reasonable expenses incurred in obtaining such recovery or benefit, in connection with such Losses and, if the Indemnified Party or any member of its Group receives such recovery or benefit after receipt of payment from the Indemnifying Party, then the amount of such recovery or benefit, net of reasonable expenses incurred in obtaining such recovery or benefit, shall be promptly paid to the

Indemnifying Party; and (ii) any tax benefit actually realized by the Indemnified Party or any member of its Group arising as a result of the accrual, incurrence or payment of any such Losses, reduced by any tax detriment resulting from the receipt or accrual of the related indemnification payment hereunder.

(b) Each party hereto shall, and shall cause any member of its Group that is an Indemnified Party to, take commercially reasonable steps to mitigate its Losses upon and after becoming aware of any event that could reasonably be expected to give rise to any Losses, and indemnification shall not be available with respect to any portion of any Loss to the extent such portion of such Loss is attributable to a failure by a party to take (or cause its Representatives to take) commercially reasonable steps to mitigate such Loss after becoming aware of such event that could reasonably be expected to give rise to such Loss. Neither party hereto shall be entitled to any payment, adjustment or indemnification more than once with respect to the same matter.

(c) The indemnification provisions in this Article III will not require any party hereto to indemnify the other for Losses arising out of or resulting from the performance (or non-performance) of any other Contract between an AGSA Entity, on the one hand and an AMP Entity, on the other, which matters will be addressed in the applicable Contract.

SECTION 3.4 Procedures for Indemnification.

(a) Any Person seeking any indemnification under this Article III (an "Indemnified Party"), acting through AGSA or AMPSA, as applicable, shall give the Party from which indemnification is being sought (an "Indemnifying Party") prompt notice (a "Claim Notice") of any matter which such Indemnified Party has determined has given or could give rise to a right of indemnification under this Article III; provided, however, that if an Indemnified Party shall receive written notice of any third party claim (a "Third Party Claim"), the Indemnified Party shall give the Indemnifying Party a Claim Notice within twenty (20) days after receipt by the Indemnified Party of such notice. The Claim Notice shall (i) indicate whether the matter for which indemnification is sought (an "Indemnity Claim") results from or arises out of a Third Party Claim or a direct claim, (ii) describe with reasonable specificity the nature of the Indemnity Claim and (iii) state the amount of Losses sought pursuant to such Indemnity Claim to the extent then known. The failure to deliver or timely deliver the Claim Notice shall not affect the rights of the Indemnified Party to indemnification under this Article III, except and only to the extent that the Indemnifying Party shall have been actually and materially prejudiced by reason of such failure.

(b) Third Party Claims.

(i) The Indemnifying Party shall have the right to conduct, at its sole cost and expense, the defense of a Third Party Claim, upon delivery of written notice to the Indemnified Party (the "Defense Notice") within twenty (20) days after the Indemnifying Party's receipt of the Claim Notice (or sooner if the nature of the Third Party Claim so requires); provided that the Defense Notice shall specify the counsel the Indemnifying Party will appoint to defend such Third Party Claim (such counsel to be reasonably satisfactory to the Indemnified Party). The Indemnified Party shall be entitled to be indemnified in accordance with the terms of this Agreement for the reasonable fees

and expenses of counsel for any period during which the Indemnifying Party has not assumed the defense of any such Third Party Claim in accordance herewith. If the Indemnifying Party timely delivers a Defense Notice and thereby elects to conduct the defense of the Third Party Claim, (A) the Indemnifying Party shall keep the Indemnified Party apprised of all material developments with respect to such Third Party Claim and (B) the Indemnified Party will cooperate with and make available to the Indemnifying Party such assistance and materials as the Indemnifying Party may reasonably request, all at the sole expense of the Indemnifying Party, and the Indemnified Party shall have the right at its expense to participate in the defense assisted by counsel of its own choosing.

(ii) The Indemnifying Party shall not be entitled to control the defense of any Third Party Claim if (A) such Third Party Claim is with respect to a criminal proceeding, action, indictment, allegation or investigation, (B) it fails to actively and diligently conduct its defense of such Third Party Claim, (C) the Indemnified Party has been advised by counsel that a reasonable likelihood exists of a material conflict of interest between the Indemnifying Party and the Indemnified Party with respect to such Third Party Claim or (D) such Third Party Claim seeks an injunction or other equitable relief against the Indemnified Party. In the event of any of the foregoing circumstances and the Indemnified Party has nonetheless permitted the Indemnifying Party to control the defense of such Third Party Claim, and the Indemnifying Party desires to so control such defense, the Indemnified Party shall be entitled to retain its own counsel, and the Indemnifying Party shall pay the reasonable and documented fees and expenses of one counsel (in addition to any required local counsel) of the Indemnified Party.

(iii) The Indemnifying Party shall not, without the prior written consent of the Indemnified Party, (A) settle or compromise a Third Party Claim or consent to the entry of any order which does not include an unconditional written release by the claimant or plaintiff of the Indemnified Party from all liability in respect of the Third Party Claim, (B) settle or compromise any Third Party Claim if the settlement imposes equitable or other non-monetary remedies or other obligations on the Indemnified Party or (C) settle or compromise any Third Party Claim if the result is to admit civil or criminal liability or culpability on the part of the Indemnified Party that gives rise to criminal liability with respect to the Indemnified Party. No Third Party Claim which is being defended by the Indemnifying Party in accordance with the terms of this Agreement shall be settled or compromised by the Indemnified Party without the prior written consent of the Indemnifying Party (such consent not to be unreasonably conditioned, withheld or delayed).

SECTION 3.5 Taxes. For the avoidance of doubt, this Article III does not apply to taxes, the indemnification for which shall be governed by the terms of the BCA.

ARTICLE IV

EMPLOYEE MATTERS

SECTION 4.1 Transfer of Employment or Engagement; Collective Bargaining Agreements.

(a) Transfer of Employment or Engagement. On or prior to the AMP Closing Date, AGSA and AMPSA will take all actions required to be taken by them to effect the transfer of the employment or novation of the engagement, as applicable (save for any Specified Employee who submits a valid objection to such transfer in accordance with and subject to the Applicable Transfer Regulations), of each Specified Employee to an AGSA Retained Subsidiary designated by AGSA.

(b) Collective Bargaining Agreements. AGSA shall cause the AMP Entities to assume or retain, as the case may be, each Collective Bargaining Agreement and, to the extent applicable, recognize (to the extent not yet recognized) each Employee Representative Body covering AMP Employees.

SECTION 4.2 Transfer of Plans.

(a) General. Effective as of the AMP Closing, AGSA and AMPSA shall cause (i) the AMP Entities to, assume or retain, as the case may be, all obligations with respect to each AMP Plan and honor and discharge all obligations under each AMP Plan and (ii) the AGSA Entities to, assume or retain, as the case may be, all obligations with respect to each AGSA Retained Plan and honor and discharge all obligations under each AGSA Retained Plan.

(b) Certain Incentive Compensation. AGSA's Annual Incentive Bonus Plan and the Long Term Incentive Plan (which, for the avoidance of doubt, is in effect prior to the date hereof and is not the Executive Long Term Incentive Plan) shall be AGSA Retained Plans; provided that (i) the amount of any payments due to current or former AMP Employees under the Annual Incentive Bonus Plan and the AGSA Long Term Incentive Plan shall be determined under the plans, and in the ordinary course of business, consistent with past practice, and in consultation with AMPSA and (ii) the cost of any payments due to current or former AMP Employees under the Annual Incentive Bonus Plan and the AGSA Long Term Incentive Plan shall be borne by an AMP Entity.

(c) Defined Benefit Pension Plans.

(i) In the event AGSA and AMPSA mutually determine or are otherwise required by applicable Law to separate the AGSA North America Retirement Plan (the "AGSA US DB Plan"), AMPSA and AGSA shall cooperate and use their respective reasonable best efforts to cause their applicable Subsidiaries to transfer all of the AGSA US DB Plan assets and Liabilities, including any related funding obligations, related to current or former AMP Employees out of the AGSA US DB Plan into another appropriate arrangement established by an AMP Entity designated by AMPSA and separate from the AGSA US DB Plan (the "AMP US DB Plan"). Any transfer of assets and Liabilities from the AGSA US DB Plan to the AMP US DB Plan shall be in

accordance with applicable accounting standards and ERISA and other applicable Law, and AGSA and AMPSA shall cooperate to make such transfer tax efficient, to the extent reasonably possible. To the extent any assets are transferred from the AGSA US DB Plan to the AMP US DB Plan in excess of assets contributed to the AGSA US DB Plan on behalf of current or former AMP Employees, AMPSA will or will cause an AMP Entity to promptly reimburse AGSA in an amount equal to such excess on a tax-effected basis (such that the excess will be reduced by any tax benefit in respect of contribution of such assets to the AGSA US DB Plan). The AMP US DB Plan, if established, shall be an AMP Plan. AMPSA or an AMP Entity shall make the required minimum funding contributions to the AMP US DB Plan in relation to the separation from the AGSA US DB Plan. The AGSA US DB Plan will be operated in good faith with respect to AMPSA. No AMP Employee shall accrue any additional benefits under the AGSA US DB Plan following the time of the separation of the AMP US DB Plan; instead, AMP Employees, if eligible, shall accrue benefits under the AMP US DB Plan to the extent provided in the AMP US DB Plan. AGSA and AMPSA, as applicable, shall timely provide notices, if any, required under Law to the affected AMP Employees, and to the Pension Benefit Guaranty Corporation. AGSA's actuary shall provide all certifications required for the transfers of assets and Liabilities contemplated under this Section 4.2(c).

(ii) Determinations under Section 4.2(c)(i) shall be made using reasonable assumptions that are consistent with past practice, to the extent applicable, and agreed upon by certified actuaries retained by each of AGSA and AMPSA. All calculations of assets and Liabilities, and methodologies related thereto, shall be proposed by AGSA's certified actuary and shall be subject to review and approval by AMPSA's certified actuary. In the event of a dispute regarding the calculation or allocation of assets and Liabilities or funding obligations, or the methodologies or assumptions used for such calculations or allocations, in each case under this Section 4.2(c), such dispute shall be exclusively and finally determined, at the request of either party, by an independent certified actuary at a nationally recognized actuarial or accounting firm. Such independent actuary shall be selected by mutual agreement of the parties, and all fees of such independent actuary shall be shared equally by AGSA and AMPSA. The parties agree to comply with any determination made by such independent actuary.

SECTION 4.3 Transfer of Liabilities. Without limiting the generality of Section 3.2, effective as of the AMP Closing, AGSA and AMPSA shall cause (i) the AMP Entities to, assume or retain, as the case may be, and be responsible for all obligations with respect to (and indemnify, defend and hold harmless the AGSA Entities from and against) any and all AMP Employee Liabilities, whether arising before, on or after the AMP Closing, and (ii) the AGSA Entities to, assume or retain, as the case may be, and be responsible for all obligations with respect to (and indemnify, defend and hold harmless the AMP Entities from and against) any and all AGSA Retained Employee Liabilities, whether arising before, on or after AMP Closing. Upon request by AMPSA, AGSA shall promptly provide financial and other reasonable information regarding AMP Employee Liabilities to AMPSA.

SECTION 4.4 Terms and Conditions of Employment.

(a) AMPSA will cause the other AMP Entities to undertake commercially reasonable efforts to (i) comply with any obligations or standards arising under applicable Laws governing the terms and conditions of the employment of AMP Employees and (ii) provide terms and conditions of employment in a manner that does not unreasonably result in any obligation, contingent or otherwise, of any AGSA Entity to pay any severance, vacation payout, termination indemnity, termination related payment or other similar benefit (including such benefits required under applicable Laws) to any AMP Employee.

(b) AGSA will cause the other AGSA Entities to undertake commercially reasonable efforts to (i) comply with any obligations or standards arising under applicable Laws governing the terms and conditions of the employment of AGSA Retained Employees and (ii) provide terms and conditions of employment in a manner that does not unreasonably result in any obligation, contingent or otherwise, of any AMP Entity to pay any severance, vacation payout, termination indemnity, termination related payment or other similar benefit (including such benefits required under applicable Laws) to any AGSA Retained Employee.

SECTION 4.5 No Third Party Beneficiaries; No Amendment. Without limiting the generality of Section 7.8, all provisions contained in this Article IV are included for the sole benefit of the parties hereto, and nothing in this Agreement, whether express or implied, shall create any third party beneficiary or other rights (a) in any other Person, including any employees, former employees, any participant in any Plan or any dependent or beneficiary thereof (including any AMP Employee or AGSA Retained Employee), or (b) to continued employment with any AGSA Retained Subsidiary or any AMP Entity. Nothing contained herein, whether express or implied, shall be treated as an amendment or other modification or adoption of any Plan or Collective Bargaining Agreement, or shall limit the right of any AGSA Entity or any AMP Entity to amend, terminate or otherwise modify any Plan or

Collective Bargaining Agreement following the AMP Closing in accordance with its terms. In the event that (i) a party other than the parties hereto makes a claim or takes other action to enforce any provision in this Agreement as an amendment to any Plan or Collective Bargaining Agreement, and (ii) such provision is deemed in any judicial proceeding to be an amendment to such Plan or Collective Bargaining Agreement even though not explicitly designated as such in this Agreement, then such provision, to the extent covered by such deemed amendment, shall lapse retroactively and shall have no amendatory effect.

AMP Entities to (i) retain the books and records and financial and operational data relating to the AMP Business for periods prior to the AMP Closing Date (to the extent in AMPSA' s or the other AMP Entities' possession); and (ii) upon reasonable advance notice, afford the Representatives of the AGSA Entities reasonable access (including the right to make, at AGSA' s expense, copies), during normal business hours, to such books and records. After the expiration of such period, AMPSA shall offer to turn over possession of such books and records to AGSA at least sixty (60) days prior to disposing of or destroying any of such books and records.

(a) The parties hereto acknowledge and agree that the AGSA Entities' and the AMP Entities' attorney-client privilege, attorney work-product protection and expectation of client confidence with respect to any communications concerning any proposed transfer of the AMP Business or any other transaction contemplated by this Agreement, the BCA, the Services Agreement or any Local Conveyance document, and all information and documents covered by such privilege, protection or expectation shall be retained and controlled by AGSA, and may be waived only by AGSA. AGSA and AMPSA acknowledge and agree that (i) the foregoing attorney-client privilege, work product protection and expectation of client confidence shall not be controlled, owned, used, waived or claimed by the AMP Entities upon consummation of the AMP Closing; and (ii) in the event of a dispute between an AMP Entity, on the one hand, and a third party, on the other hand, or any other circumstance in which a third party requests or demands that an AMP Entity produce privileged materials or attorney work-product of AGSA or another AGSA Entity (including the privileged communications and attorney work-product covered by this Section 5.2(a)), AMPSA shall, and shall cause such AMP Entity to assert such attorney-client privilege on behalf of AGSA or the applicable AGSA Entity to prevent disclosure of privileged communications or attorney work-product to such third party.

(b) Notwithstanding anything to the contrary set forth in this Agreement, the parties hereto acknowledge and agree that the attorney-client privilege, attorney work-product protection and expectation of client confidence with respect to any communications concerning general business matters related to the AMP Business and the AMP Entities and arising prior to the AMP Closing Date for the benefit of both the AGSA Entities and the AMP Entities shall be

subject to a joint privilege and protection between AGSA, on the one hand, and AMPSA, on the other hand, and AGSA and AMPSA shall, on behalf of their applicable Group members, have equal right to assert such joint privilege and protection and no such joint privilege or protection may be waived by (i) any AGSA Entity without the prior written consent of AMPSA; or (ii) any AMP Entity without the prior written consent of AGSA; provided that any such privileged communications or attorney-work product, whether arising prior to, or after the AMP Closing Date, with respect to any matter for which a party hereto has an indemnification obligation hereunder, shall be subject to the sole control of such party with respect to such matter giving rise to such indemnification obligation, which shall be solely entitled to control the assertion or waiver of the privilege or protection in connection with such matter, whether or not such communications or work product is in the possession of or under the control of such party.

SECTION 5.3 EAPA and Cross-License Assignment and Assumption. Effective as of the AMP Closing

(a) AGSA hereby assigns and transfers to AMPSA, and AMPSA hereby accepts and assumes, all of AGSA's rights and obligations under (i) that certain Equity and Asset Purchase Agreement, dated as of April 22, 2016, by and among AGSA, Ball Corporation and Rexam PLC (the "EAPA") and (ii) that certain Intellectual Property Cross-License Agreement, dated October 31, 2019, by and between AGSA and Trivium Packaging B.V. SECTION 5.4 Litigation Cooperation.

(a) Effective as of the AMP Closing Date, the applicable AMP Entities shall assume and thereafter be responsible for all Liabilities that may result from any Actions to the extent related to the AMP Business (the "AMP Actions") and, subject to Section 3.4, all fees and costs relating to the defense of the AMP Actions, including attorneys,' accountants,' consultants' and other professionals' fees and expenses that have been incurred prior to the AMP Closing Date and are unpaid as of the AMP Closing Date, or that are incurred on or after the AMP Closing Date.

(c) The parties hereto agree that at all times from and after the AMP Closing Date, if an Action relates to the AMP Business and the AGSA Retained Business or is commenced by a third party naming an AMP Entity (with respect to any Action related to the AGSA Retained Business) or an AGSA Entity (with respect to any Action related to the AMP

Business) as a defendant thereto, then the parties hereto shall cooperate and consult to the extent necessary or advisable with respect to the defense of such Action.

(d) Each party hereto shall use reasonable efforts to make available to the other party hereto and its attorneys, accountants, consultants and other designated representatives, upon written request, its directors, managers, officers, employees and representatives as witnesses, and shall otherwise cooperate with the other party hereto, to the extent reasonably requested in connection with any Action, the facts of which arise prior to the AMP Closing Date in which the requesting party hereto may from time to time be involved.

SECTION 5.5 Insurance Matters. Unless otherwise agreed by the parties or provided in the Services Agreement the AMP Business shall, pursuant to and in accordance with the terms of the Services Agreement, continue to be insured by insurance policies held by the AGSA Entities or by any of their self-insured programs.

SECTION 5.6 Intercompany Accounts. All intercompany receivables, payables and loans between any AGSA Retained Subsidiary, on the one hand, and any AMP Entity, on the other hand, other than the AGSA Hedging Arrangements or receivables or payables in respect of ordinary course of business transactions on arms' length terms, shall, prior to the AMP Closing or as promptly as reasonably practicable thereafter, be settled, paid, capitalized, contributed to the capital of the applicable Person, distributed or otherwise terminated, in each case, as determined by AGSA, and AGSA and, if applicable, AMPSA, shall cause the applicable AGSA Retained Subsidiaries and AMP Entities to make all payments, capital contributions, transfers or distributions necessary or appropriate to effectuate such settlement, payment, capitalization, contribution, distribution or other termination of such intercompany receivables, payables and loans with the result that there shall not be any material intercompany receivables, payables and loans between any AGSA Retained Subsidiary, on the one hand, and any AMP Entity, on the other hand, after the AMP Closing Date. Notwithstanding the foregoing, the parties hereto agree that certain payments in respect of intercompany payables arising in connection with the AMP Transfer will be made following the BCA Closing Date or, if applicable, at such other times contemplated by the Steps Plan.

SECTION 5.7 Hedging Arrangements.

(a) From and after AMP Closing, AGSA shall cause each applicable AGSA Retained Subsidiary to maintain all currency and commodity hedging that such Person has entered into for the benefit of an AMP Entity for purposes of such AMP Entity receiving the economic benefits, and being subject to the economic risks, of such hedging arrangements (such arrangements the "AGSA Hedging Arrangements") at the direction of AMPSA pursuant to and in accordance with the Services Agreement, and AGSA and AMPSA shall implement arrangements reasonably acceptable to each of them to both (i) provide the applicable AMP Entity, to the fullest extent practicable, with all claims, rights and benefits under the AGSA Hedging Arrangements, including, for the avoidance of doubt, the mark-to-market position existing on the AMP Closing Date and (ii) cause the applicable AMP Entity to bear all Liabilities thereunder, including, for the avoidance of doubt, the mark-to-market position existing on the AMP Closing Date. respect of any such hedging arrangements that are in-the-money and AMPSA will remit funds to AGSA (or its designee) in respect of any such hedging arrangements that are out-of-the money, in each case, on the relevant date of settlement in accordance with market convention.

(b) Either AGSA or AMPSA may request cash collateral in respect of open trades where the net mark to market position across all open trades is greater than a \$10,000,000 margin call tolerance limit. The amount of such cash collateral to be paid shall be any amount above the margin call tolerance limit. Any such cash collateral paid may be netted against future settlements of trades as agreed between AGSA and AMPSA.

SECTION 5.8 Credit and Performance Support Obligations.

(a) AGSA and AMPSA shall cooperate and use their commercially reasonable efforts to cause each AGSA Retained Subsidiary to be, prior to the AMP Closing Date, replaced or removed as a guarantor or obligor under, and released or relieved from any Liability arising out of, any letters of credit, performance bonds, corporate guarantees, statutory guarantees or obligations and other similar obligations outstanding in favor of a third party in connection with the AMP Business (together the “Transferred Guarantees”). Without limiting the generality of Section 3.3, from and after the AMP Closing, AMPSA shall indemnify each AGSA Entity against any Losses arising from or relating to any Transferred Guarantees. AGSA and AMPSA shall cooperate and use their commercially reasonable efforts after the AMP Transfer to relieve, remove, release or replace each AGSA Retained Subsidiary from any remaining Transferred Guarantees.

(b) AGSA shall use its commercially reasonable efforts to cause each AMP Entity to be, prior to the AMP Closing Date, replaced or removed as a guarantor or obligor under, and released or relieved from any Liability arising out of, any letters of credit, performance bonds, corporate guarantees, statutory guarantees or obligations, collateral or security agreements or arrangements and other similar obligations in favor of a third party in connection with the AGSA Retained Business (together, the “Excluded Guarantees”); provided, that notwithstanding the foregoing, prior to, or substantially concurrently with, the AMP Closing Date, AGSA shall cause (i) each AMP Entity to be released from all guarantees of the Ardagh Existing Indebtedness (as defined in the BCA) and all other obligations and liabilities of the AMP Entities in respect of the Ardagh Existing Indebtedness, to be terminated and released and (ii) all Encumbrances granted by the AMP Entities, or otherwise existing with respect to the assets of the AMP Entities or the AMP Business, securing any Ardagh Existing Indebtedness or guarantees or other obligations or liabilities with respect to Ardagh Existing Indebtedness, to be released, in the case of each of the foregoing (i) and (ii), pursuant to documentation in form and substance reasonably satisfactory to GHV as set forth in the BCA. Without limiting the generality of Section 3.1, from and after the AMP Transfer, AGSA shall indemnify and hold harmless each AMP Entity against any Losses arising from or relating to the Excluded Guarantees. AGSA and AMPSA shall use their commercially reasonable efforts after the AMP Transfer to relieve, remove, release or replace each AMP Entity from any remaining Excluded Guarantees.

SECTION 5.9 Further Actions. From time to time after the AMP Closing, without additional consideration, each party hereto shall, and shall cause its Subsidiaries to,

execute and deliver such further instruments and take such other action as may be necessary or is reasonably requested by another party hereto to make effective the transactions contemplated by this Agreement. Without limiting the foregoing, reasonably promptly following the AMP Closing, AGSA shall, and shall cause the AGSA Retained Subsidiaries to, take all action necessary, including by filing all necessary documentation with the applicable Governmental Authority (or Internet domain name registrar, in the case of Internet domain names), to cause AMPSA or one of the other AMP Entities designated by AMPSA to be the legal, beneficial and record owner of each item of Registered Owned Intellectual Property (as defined in the BCA) set forth or required to be set forth on Section 4.14(b) of the AGSA Disclosure Schedule, and AGSA shall reasonably promptly deliver evidence of the foregoing to GHV.

SECTION 5.10 Non-Competition; Non-Solicitation.

(a) For a period from the BCA Closing Date until the earlier of (i) the fifth (5th) anniversary of the BCA Closing Date or (ii) the date on which AGSA no longer, directly or indirectly, is the beneficial owner of more than fifty percent (50%) of the voting stock of AMPSA (such period, the “Non-Compete Period”), none of AGSA or its Subsidiaries (excluding any AMP Entity) shall, directly or indirectly, and except with respect to the AMP Entities, engage in the development, manufacture, marketing or sale of metal beverage cans and ends (excluding, in each case, kegs and aluminum bottles) or the provision of related technical and customer services, in each case, as developed, manufactured, marketed, sold or provided by the AMP Business on the date hereof. Except as otherwise contemplated by Section 3.3 of the Services Agreement, for a period from the BCA Closing Date until the earlier of (A) the second (2nd) anniversary of the BCA Closing Date, or (B) the date on which AGSA no longer, directly or indirectly, is the beneficial owner of more than fifty percent (50%) of the voting stock of AMPSA (such period, the “Non-Solicit Period”), none of AGSA or its Subsidiaries (excluding any AMP Entity) shall, directly or indirectly, solicit for employment or hire, or cause to be solicited or hired, any AMP Employee with an annual base salary or wages greater than 150,000; provided that this Agreement shall not prohibit any (1) advertisement, general solicitation or search firm engagement (or hiring as a result thereof) that is not specifically targeted at such persons or (2) direct solicitation of any AMP Employee whose employment by or term in office with any AMP Entity is terminated prior to the date of the applicable solicitation.

(b) For the duration of the Non-Compete Period, no AMP Entity shall, directly or indirectly (but excluding any services provided to the AGSA Entities pursuant to the Services Agreement), engage in the AGSA Retained Business as it is conducted by the AGSA Entities on the date hereof. Except for AMP Employees and except as otherwise contemplated by Section 3.3 of the Services Agreement, for the duration of the Non-Solicit Period, the AMP Entities shall not, directly or indirectly, solicit for employment or hire, or cause to be solicited or hired, any AGSA Retained Employee with an annual base salary or wages greater than 150,000, provided that this Agreement shall not prohibit any (i) advertisement, general solicitation or search firm engagement (or hiring as a result thereof) that is not specifically targeted at such persons or (ii) direct solicitation of any AGSA Retained Employee whose employment by or term in office with any AGSA Entity is terminated prior to the date of the applicable solicitation.

(c) The covenants and undertakings in this Section 5.10 relate to matters which are of a special, unique and extraordinary character and a violation of any of the terms of this Section 5.10 will cause irreparable injury to the AGSA Entities or the AMP Entities, as applicable, the amount of which will be impossible to estimate or determine and which cannot be adequately compensated. Accordingly, the remedy at law for any breach of this Section 5.10 will be inadequate. Therefore, AGSA and AMPSA, as applicable, will be entitled to seek a temporary and permanent injunction, restraining order or other equitable relief from any court of competent jurisdiction in the event of any breach of this Section 5.10 without the necessity of proving actual damage or posting any bond whatsoever. The rights and remedies provided by this Section 5.10(c) are cumulative and in addition to any other rights and remedies which AGSA or AMPSA, as applicable, may have hereunder at law or in equity.

SECTION 5.11 No Right to Set-Off. Neither party hereto shall have any right to set off any payments payable to the other party under this Agreement (including any payments required to be made pursuant to Section 2.3(c) or Article III) against any payments to be made by such party pursuant to this Agreement or any other agreement between the parties hereto and no party hereto may withhold any such funds pursuant to this Agreement in the event there is a dispute regarding any other matter set forth in this Agreement or the Services Agreement.

SECTION 7.3 Severability. If any term or other provision of this Agreement is declared invalid, illegal or incapable of being enforced by any Governmental Authority, all other terms and provisions of this Agreement shall nevertheless remain in full force and effect for so long as the economic or legal substance of the transactions contemplated by this Agreement is not affected in any manner materially adverse to any party hereto. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties hereto as closely as possible in a mutually acceptable manner in order that the transactions contemplated by this Agreement are consummated as originally contemplated to the greatest extent possible.

SECTION 7.4 Entire Agreement. This Agreement, and, to the extent applicable hereto, the BCA, the Services Agreement and the Local Conveyances constitute the entire agreement of the parties hereto with respect to the subject matter hereof and thereof and supersede all prior agreements and undertakings, both written and oral, among the parties hereto with respect to the subject matter hereof and thereof.

SECTION 7.5 Assignment. This Agreement and the rights and obligations hereunder may not be assigned by operation of Law or otherwise without the express written consent of AGSA and AMPSA, as the case may be (which consent may be granted or withheld in the sole discretion of AGSA or AMPSA, as applicable), and any attempted assignment that is not in accordance with this Section 7.5 shall be null and void.

SECTION 7.6 Amendment. This Agreement may not be amended or modified except by an instrument in writing signed by, or on behalf of, each party hereto that expressly references the Section of this Agreement to be amended or by a waiver in accordance with Section 7.7.

SECTION 7.7 Waiver. Either party to this Agreement may (a) extend the time for the performance of any of the obligations or other acts of the other party; (b) waive any inaccuracies in the representations and warranties of the other party contained herein or in any document delivered by the other party pursuant to this Agreement; or (c) waive compliance with any of the agreements of the other party or conditions to such obligations contained herein. Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the parties to be bound thereby. Notwithstanding the foregoing, no failure or delay by any party hereto in exercising any right hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or future exercise of any other right hereunder. Any waiver of any term or condition hereof shall not be construed as a waiver of any subsequent breach or as a subsequent waiver of the same term or condition, or a waiver of any other term or condition of this Agreement.

SECTION 7.8 No Third-Party Beneficiaries. This Agreement shall be binding upon and inure solely to the benefit of, and be enforceable by, only the parties hereto and their respective successors and permitted assigns and nothing herein, express or implied, is intended to, or shall confer upon, any other Person any right, benefit or remedy of any nature whatsoever, including any rights of employment for any specified period, under or by reason of this Agreement; provided, that the other AMP Entities and the AGSA Retained Subsidiaries, as applicable, shall be intended third party beneficiaries of the terms of this Agreement applicable to such Persons.

SECTION 7.9 Specific Performance. The parties hereto acknowledge and agree that the parties hereto would be irreparably damaged if any of the provisions of this Agreement are not performed in accordance with their specific terms or are otherwise breached and that any non-performance or breach of this Agreement by either party hereto could not be adequately compensated by monetary damages alone and that the parties hereto would not have any adequate remedy at law. Accordingly, in addition to any other right or remedy to which either party hereto may be entitled, at law or in equity (including monetary damages), such party shall be entitled to seek to enforce any provision of this Agreement by a decree of specific

performance and to seek temporary, preliminary and permanent injunctive relief to prevent breaches or threatened breaches of any of the provisions of this Agreement, without posting any bond or other undertaking. The parties hereto agree that they will not contest the appropriateness of specific performance as a remedy.

SECTION 7.10 Governing Law. This Agreement, and all claims or causes of action based upon, arising out of, or related to this Agreement shall be governed by, and construed in accordance with, the Laws of the Grand Duchy of Luxembourg. Any Action arising in connection with this Agreement shall be submitted to the jurisdiction of the courts of Luxembourg City.

SECTION 7.11 Termination. This Agreement may be terminated at any time by the mutual written consent of AGSA and AMPSA.

SECTION 7.12 Counterparts. Any party hereto may execute and deliver signed counterparts of this Agreement to the other parties hereto by electronic mail or other electronic transmission in portable document format (.PDF).

3.5 Applicable Law. WARRANT AGREEMENT

between

GORES HOLDINGS V, INC.

and

CONTINENTAL STOCK TRANSFER & TRUST COMPANY

THIS WARRANT AGREEMENT (this “*Agreement*”), dated as of August 10, 2020, is by and between Gores Holdings V, Inc., a Delaware corporation (the “*Company*”), and Continental Stock Transfer & Trust Company, a New York corporation, as warrant agent (the “*Warrant Agent*”, also referred to herein as the “*Transfer Agent*”).

WHEREAS, on August 5, 2020, the Company entered into that certain Sponsor Warrants Purchase Agreement with Gores Sponsor V LLC, a Delaware limited liability company (the “*Sponsor*”), pursuant to which the Sponsor will purchase an aggregate of 5,750,000 warrants (or up to 6,462,500 warrants if the Over-allotment Option (as defined below) in connection with the Company’s Offering (as defined below) is exercised in full) simultaneously with the closing of the Offering bearing the legend set forth in Exhibit B hereto (the “*Private Placement Warrants*”) at a purchase price of \$2.00 per Private Placement Warrant; and

WHEREAS, the Company is engaged in an initial public offering (the “*Offering*”) of units of the Company’s equity securities, each such unit comprised of one share of Common Stock (as defined below) and one-fifth of one Public Warrant (as defined below) (the “*Units*”) and, in connection therewith, has determined to issue and deliver up to 10,925,000 warrants (including up to 1,425,000 warrants subject to the Over-allotment Option) to public investors in the Offering (the “*Public Warrants*” and, together with the Private Placement Warrants, the “*Warrants*”). Each whole Warrant entitles the holder thereof to purchase one share of Class A common stock of the Company, par value \$0.0001 per share (“*Common Stock*”), for \$11.50 per share, subject to adjustment as described herein; and

WHEREAS, the Company has filed with the Securities and Exchange Commission (the “*Commission*”) the registration statement on Form S-1, Nos. 333-239962 and 333-241145 (the “*Registration Statement*”) and prospectus (the “*Prospectus*”), for the registration, under the Securities Act of 1933, as amended (the “*Securities Act*”), of the Units, the Public Warrants and the Common Stock included in the Units; and

WHEREAS, the Company desires the Warrant Agent to act on behalf of the Company, and the Warrant Agent is willing to so act, in connection with the issuance, registration, transfer, exchange, redemption and exercise of the Warrants; and

WHEREAS, the Company desires to provide for the form and provisions of the Warrants, the terms upon which they shall be issued and exercised, and the respective rights, limitation of rights, and immunities of the Company, the Warrant Agent, and the holders of the Warrants; and

WHEREAS, all acts and things have been done and performed which are necessary to make the Warrants, when executed on behalf of the Company and countersigned by or on behalf of the Warrant Agent, as provided herein, the valid, binding and legal obligations of the Company, and to authorize the execution and delivery of this Agreement.

NOW, THEREFORE, in consideration of the mutual agreements herein contained, the parties hereto agree as follows:

1. Appointment of Warrant Agent. The Company hereby appoints the Warrant Agent to act as agent for the Company for the Warrants, and the Warrant Agent hereby accepts such appointment and agrees to perform the same in accordance with the terms and conditions set forth in this Agreement.

2. Warrants.

2.1 Form of Warrant. Each Warrant shall be issued in registered form only.

2.2 Effect of Countersignature. If a physical certificate is issued, unless and until countersigned by the Warrant Agent pursuant to this Agreement, a Warrant shall be invalid and of no effect and may not be exercised by the holder thereof.

2.3 Registration.

2.3.1 Warrant Register. The Warrant Agent shall maintain books (the "**Warrant Register**"), for the registration of original issuance and the registration of transfer of the Warrants. Upon the initial issuance of the Warrants, the Warrant Agent shall issue and register the Warrants in the names of the respective holders thereof in such denominations and otherwise in accordance with instructions delivered to the Warrant Agent by the Company. Ownership of beneficial interests in the Public Warrants shall be shown on, and the transfer of such ownership shall be effected through, records maintained by institutions that have accounts with the Depository Trust Company (the "**Depository**") (such institution, with respect to a Warrant in its account, a "**Participant**").

If the Depository subsequently ceases to make its book-entry settlement system available for the Public Warrants, the Company may instruct the Warrant Agent regarding making other arrangements for book-entry settlement. In the event that the Public Warrants are not eligible for, or it is no longer necessary to have the Public Warrants available in, book-entry form, the Warrant Agent shall provide written instructions to the Depository to deliver to the Warrant Agent for cancellation each book-entry Public Warrant, and the Company shall instruct the Warrant Agent to deliver to the Depository definitive certificates in physical form evidencing such Warrants which shall be in the form annexed hereto as Exhibit A.

Physical certificates, if issued, shall be signed by, or bear the facsimile signature of, the Chairman of the Board, Chief Executive Officer, Chief Financial Officer, Secretary or other principal officer of the Company. In the event the person whose facsimile signature has been placed upon any Warrant shall have ceased to serve in the capacity in which such person signed the Warrant before such Warrant is issued, it may be issued with the same effect as if he or she had not ceased to be such at the date of issuance.

2.3.2 Registered Holder. Prior to due presentment for registration of transfer of any Warrant, the Company and the Warrant Agent may deem and treat the person in whose name such Warrant is registered in the Warrant Register (the “**Registered Holder**”) as the absolute owner of such Warrant and of each Warrant represented thereby (notwithstanding any notation of ownership or other writing on any physical certificate made by anyone other than the Company or the Warrant Agent), for the purpose of any exercise thereof, and for all other purposes, and neither the Company nor the Warrant Agent shall be affected by any notice to the contrary.

2.4 Detachability of Warrants. The Common Stock and Public Warrants comprising the Units shall begin separate trading on the 52nd day following the date of the Prospectus or, if such 52nd day is not on a day, other than a Saturday, Sunday or federal holiday, on which banks in New York City are generally open for normal business (a “**Business Day**”), then on the immediately succeeding Business Day following such date, or earlier (the “**Detachment Date**”) with the consent of Deutsche Bank Securities Inc. and Morgan Stanley & Co. LLC, on behalf of the underwriters, but in no event shall the Common Stock and the Public Warrants comprising the Units be separately traded until (A) the Company has filed a current report on Form 8-K with the Commission containing an audited balance sheet reflecting the receipt by the Company of the gross proceeds of the Offering, including the proceeds received by the Company from the exercise by the underwriters of their right to purchase additional Units in the Offering (the “**Over-allotment Option**”), if the Over-allotment Option is exercised prior to the filing of the Form 8-K, and (B) the Company issues a press release and files with the Commission a current report on Form 8-K announcing when such separate trading shall begin.

2.5 No Fractional Warrants Other Than as Part of Units. The Company shall not issue fractional Warrants other than as part of Units, each of which is comprised of one share of Common Stock and one-fifth of one Public Warrant. If, upon the detachment of Public Warrants from Units or otherwise, a holder of Warrants would be entitled to receive a fractional Warrant, the Company shall round down to the nearest whole number the number of Warrants to be issued to such holder.

2.6 Private Placement Warrants. The Private Placement Warrants shall be identical to the Public Warrants, except that so long as they are held by the Sponsor or any of its Permitted Transferees (as defined below) the Private Placement Warrants: (i) may be exercised for cash or on a cashless basis, pursuant to subsection 3.3.1(c) hereof, (ii) may not be transferred, assigned or sold until thirty (30) days after the completion by the Company of an initial Business Combination (as defined below), and (iii) shall not be redeemable by the Company pursuant to Section 6.1 hereof; provided, however, that in the case of (ii), the Private Placement Warrants and any shares of Common Stock held by the Sponsor or any of its Permitted Transferees and issued upon exercise of the Private Placement Warrants may be transferred by the holders thereof:

(a) to the Company' s officers or directors, any affiliates or family members of any of the Company' s officers or directors, any members of the Sponsor, or any affiliates of the Sponsor;

(b) in the case of an individual, by gift to a member of one of the members of the individual' s immediate family or to a trust, the beneficiary of which is a member of one of the individual' s immediate family, an affiliate of such person or to a charitable organization;

(c) in the case of an individual, by virtue of the laws of descent and distribution upon death of the individual;

(d) in the case of an individual, pursuant to a qualified domestic relations order;

(e) by private sales or transfers made in connection with the consummation of the Company' s initial Business Combination at prices no greater than the price at which the Warrants were originally purchased;

(f) in the event of the Company' s liquidation prior to the completion of the Company' s initial Business Combination; or

(g) by virtue of the laws of Delaware or the Sponsor' s limited liability company agreement upon dissolution of the Sponsor; or

(h) in the event of the Company' s liquidation, merger, capital stock exchange, reorganization or other similar transaction which results in all of the Company' s stockholders having the right to exchange their shares of common stock for cash, securities or other property subsequent to the completion of the Company' s initial Business Combination;

provided, however, that in the case of clauses (a) through (e), these permitted transferees (the "*Permitted Transferees*") must enter into a written agreement agreeing to be bound by these transfer restrictions.

3. Terms and Exercise of Warrants.

3.1 Warrant Price. Each Warrant shall, when countersigned by the Warrant Agent, entitle the Registered Holder thereof, subject to the provisions of such Warrant and of this Agreement, to purchase from the Company the number of shares of Common Stock stated therein, at the price of \$11.50 per share, subject to the adjustments provided in Section 4 hereof and in the last sentence of this Section 3.1. The term "Warrant Price" as used in this Agreement shall mean the price per share at which shares of Common Stock may be purchased at the time a Warrant is exercised. The Company in its sole discretion may lower the Warrant Price at any time prior to the Expiration Date (as defined below) for a period of not less than twenty (20) Business Days, provided, that the Company shall provide at least three (3) Business Days prior written notice of such reduction to Registered Holders of the Warrants and, provided further that any such reduction shall be identical among all of the Warrants.

3.2 Duration of Warrants. A Warrant may be exercised only during the period (the “*Exercise Period*”) commencing on the later of: (i) the date that is thirty (30) days after the first date on which the Company completes a merger, capital stock exchange, asset acquisition, stock purchase, reorganization or similar business combination, involving the Company and one or more businesses (a “*Business Combination*”), or (ii) the date that is twelve (12) months from the date of the closing of the Offering, and terminating at 5:00 p.m., New York City time on the earlier to occur of: (x) the date that is five (5) years after the date on which the Company completes its Business Combination, (y) the liquidation of the Company if the Company fails to complete a Business Combination, or (z) other than with respect to the Private Placement Warrants then held by the Sponsor or any Permitted Transferees with respect to a redemption pursuant to Section 6.1 hereof, the Redemption Date (as defined below) as provided in Section 6.3 hereof (the “*Expiration Date*”); provided, however, that the exercise of any Warrant shall be subject to the satisfaction of any applicable conditions, as set forth in subsection 3.3.2 below with respect to an effective registration statement. Except with respect to the right to receive the Redemption Price (as defined below) (other than with respect to a Private Placement Warrant then held by the Sponsor or any Permitted Transferees with respect to a redemption pursuant to Section 6.1 hereof) in the event of a redemption (as set forth in Section 6 hereof), each Warrant (other than a Private Placement Warrant then held by the Sponsor or any Permitted Transferees with respect to a redemption pursuant to Section 6.1 hereof) not exercised on or before the Expiration Date shall become void, and all rights thereunder and all rights in respect thereof under this Agreement shall cease at 5:00 p.m. New York City time on the Expiration Date. The Company in its sole discretion may extend the duration of the Warrants by delaying the Expiration Date; provided, that the Company shall provide at least twenty (20) days prior written notice of any such extension to Registered Holders of the Warrants and, provided further that any such extension shall be identical in duration among all the Warrants.

3.3 Exercise of Warrants.

3.3.1 Payment. Subject to the provisions of the Warrant and this Agreement, a Warrant, when countersigned by the Warrant Agent, may be exercised by the Registered Holder thereof by surrendering it, at the office of the Warrant Agent, or at the office of its successor as Warrant Agent, in the Borough of Manhattan, City and State of New York, with the subscription form, as set forth in the Warrant, duly executed, and by paying in full the Warrant Price for each full share of Common Stock as to which the Warrant is exercised and any and all applicable taxes due in connection with the exercise of the Warrant, the exchange of the Warrant for the shares of Common Stock and the issuance of such shares of Common Stock, as follows:

- (a) in lawful money of the United States, in good certified check or good bank draft payable to the Warrant Agent;
- (b) in the event of a redemption pursuant to Section 6 hereof in which the Company’s board of directors (the “*Board*”) has elected to require all holders of the Warrants to exercise such Warrants on a “cashless basis,” by surrendering the Warrants for that number of shares of Common Stock equal to the quotient obtained by dividing (x) the product of the number of shares of Common Stock underlying the Warrants, multiplied by the difference between the Warrant Price and the “Fair Market Value”, as defined in this subsection 3.3.1(b) by

(y) the Fair Market Value. Solely for purposes of this subsection 3.3.1(b), Section 6.2 and Section 6.4, the “Fair Market Value” shall mean the average last sale price of the Common Stock for the ten (10) trading days ending on the third trading day prior to the date on which the notice of redemption is sent to the holders of the Warrants, pursuant to Section 6 hereof;

(c) with respect to any Private Placement Warrant, so long as such Private Placement Warrant is held by the Sponsor or a Permitted Transferee, by surrendering the Warrants for that number of shares of Common Stock equal to the quotient obtained by dividing (x) the product of the number of shares of Common Stock underlying the Warrants, multiplied by the difference between the Warrant Price and the “Fair Market Value”, as defined in this subsection 3.3.1(c), by (y) the Fair Market Value. Solely for purposes of this subsection 3.3.1(c), the “Fair Market Value” shall mean the average last sale price of the Common Stock for the ten (10) trading days ending on the third trading day prior to the date on which notice of exercise of the Warrant is sent to the Warrant Agent; or

(d) as provided in Section 7.4 hereof.

3.3.2 Issuance of Shares of Common Stock on Exercise. As soon as practicable after the exercise of any Warrant and the clearance of the funds in payment of the Warrant Price (if payment is pursuant to subsection 3.3.1(a)), the Company shall issue to the Registered Holder of such Warrant a book-entry position or certificate, as applicable, for the number of full shares of Common Stock to which he, she or it is entitled, registered in such name or names as may be directed by him, her or it, and if such Warrant shall not have been exercised in full, a new book-entry position or countersigned Warrant, as applicable, for the number of shares of Common Stock as to which such Warrant shall not have been exercised. Notwithstanding the foregoing, the Company shall not be obligated to deliver any shares of Common Stock pursuant to the exercise of a Warrant and shall have no obligation to settle such Warrant exercise unless a registration statement under the Securities Act with respect to the shares of Common Stock underlying the Public Warrants is then effective and a prospectus relating thereto is current, subject to the Company’s satisfying its obligations under Section 7.4. No Warrant shall be exercisable and the Company shall not be obligated to issue shares of Common Stock upon exercise of a Warrant unless the Common Stock issuable upon such Warrant exercise has been registered, qualified or deemed to be exempt under the securities laws of the state of residence of the Registered Holder of the Warrants. In the event that the conditions in the two immediately preceding sentences are not satisfied with respect to a Warrant, the holder of such Warrant shall not be entitled to exercise such Warrant and such Warrant may have no value and expire worthless, in which case the purchaser of a Unit containing such Public Warrants shall have paid the full purchase price for the Unit solely for the shares of Common Stock underlying such Unit. The Company may require holders of Public Warrants to settle the Warrant on a “cashless basis” pursuant to Section 7.4. If, by reason of any exercise of Warrants on a “cashless basis”, the holder of any Warrant would be entitled, upon the exercise of such Warrant, to receive a fractional interest in a share of Common Stock, the Company shall round down to the nearest whole number, the number of shares of Common Stock to be issued to such holder.

3.3.3 Valid Issuance. All shares of Common Stock issued upon the proper exercise of a Warrant in conformity with this Agreement shall be validly issued, fully paid and non-assessable.

3.3.4 Date of Issuance. Each person in whose name any book-entry position or certificate, as applicable, for shares of Common Stock is issued shall for all purposes be deemed to have become the holder of record of such shares of Common Stock on the date on which the Warrant, or book-entry position representing such Warrant, was surrendered and payment of the Warrant Price was made, irrespective of the date of delivery of such certificate in the case of a certificated Warrant, except that, if the date of such surrender and payment is a date when the share transfer books of the Company or book-entry system of the Warrant Agent are closed, such person shall be deemed to have become the holder of such shares of Common Stock at the close of business on the next succeeding date on which the share transfer books or book-entry system are open.

3.3.5 Maximum Percentage. A holder of a Warrant may notify the Company in writing in the event it elects to be subject to the provisions contained in this subsection 3.3.5; however, no holder of a Warrant shall be subject to this subsection 3.3.5 unless he, she or it makes such election. If the election is made by a holder, the Warrant Agent shall not effect the exercise of the holder's Warrant, and such holder shall not have the right to exercise such Warrant, to the extent that after giving effect to such exercise, such person (together with such person's affiliates), to the Warrant Agent's actual knowledge, would beneficially own in excess of 9.8% (the "**Maximum Percentage**") of the shares of Common Stock outstanding immediately after giving effect to such exercise. For purposes of the foregoing sentence, the aggregate number of shares of Common Stock beneficially owned by such person and its affiliates shall include the number of shares of Common Stock issuable upon exercise of the Warrant with respect to which the determination of such sentence is being made, but shall exclude shares of Common Stock that would be issuable upon (x) exercise of the remaining, unexercised portion of the Warrant beneficially owned by such person and its affiliates and (y) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company beneficially owned by such person and its affiliates (including, without limitation, any convertible notes or convertible preferred stock or warrants) subject to a limitation on conversion or exercise analogous to the limitation contained herein. Except as set forth in the preceding sentence, for purposes of this paragraph, beneficial ownership shall be calculated in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended (the "**Exchange Act**"). For purposes of the Warrant, in determining the number of outstanding shares of Common Stock, the holder may rely on the number of outstanding shares of Common Stock as reflected in (1) the Company's most recent annual report on Form 10-K, quarterly report on Form 10-Q, current report on Form 8-K or other public filing with the Commission as the case may be, (2) a more recent public announcement by the Company or (3) any other notice by the Company or the Transfer Agent setting forth the number of shares of Common Stock outstanding. For any reason at any time, upon the written request of the holder of the Warrant, the Company shall, within two (2) Business Days, confirm orally and in writing to such holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of equity securities of the Company by the holder and its affiliates since the date as of which such number of outstanding

shares of Common Stock was reported. By written notice to the Company, the holder of a Warrant may from time to time increase or decrease the Maximum Percentage applicable to such holder to any other percentage specified in such notice; provided, however, that any such increase shall not be effective until the sixty-first (61st) day after such notice is delivered to the Company.

4. Adjustments.

4.1 Stock Dividends.

4.1.1 Split-Ups. If after the date hereof, and subject to the provisions of Section 4.6 below, the number of outstanding shares of Common Stock is increased by a stock dividend payable in shares of Common Stock, or by a split-up of shares of Common Stock or other similar event, then, on the effective date of such stock dividend, split-up or similar event, the number of shares of Common Stock issuable on exercise of each Warrant shall be increased in proportion to such increase in the outstanding shares of Common Stock. A rights offering to holders of the Common Stock entitling holders to purchase shares of Common Stock at a price less than the “Fair Market Value” (as defined below) shall be deemed a stock dividend of a number of shares of Common Stock equal to the product of (i) the number of shares of Common Stock actually sold in such rights offering (or issuable under any other equity securities sold in such rights offering that are convertible into or exercisable for the Common Stock) multiplied by (ii) one (1) minus the quotient of (x) the price per share of Common Stock paid in such rights offering divided by (y) the Fair Market Value. For purposes of this subsection 4.1.1, (i) if the rights offering is for securities convertible into or exercisable for Common Stock, in determining the price payable for Common Stock, there shall be taken into account any consideration received for such rights, as well as any additional amount payable upon exercise or conversion and (ii) “Fair Market Value” means the volume weighted average price of the Common Stock as reported during the ten (10) trading day period ending on the trading day prior to the first date on which the shares of Common Stock trade on the applicable exchange or in the applicable market, regular way, without the right to receive such rights.

4.1.2 Extraordinary Dividends. If the Company, at any time while the Warrants are outstanding and unexpired, shall pay a dividend or make a distribution in cash, securities or other assets to the holders of the Common Stock on account of such shares of Common Stock (or other shares of the Company’ s capital stock into which the Warrants are convertible), other than (a) as described in subsection 4.1.1 above, (b) Ordinary Cash Dividends (as defined below), (c) to satisfy the redemption rights of the holders of the Common Stock in connection with a proposed initial Business Combination, (d) to satisfy the redemption rights of the holders of Common Stock in connection with a stockholder vote to amend the Company’ s second amended and restated certificate of incorporation to modify the substance or timing of the Company’ s obligation to redeem 100% of Common Stock if the Company does not complete the Business Combination within 24 months from the closing of the Offering, or (e) in connection with the redemption of public shares upon the failure of the Company to complete its initial Business Combination and any subsequent distribution of its assets upon its liquidation (any such non-excluded event being referred to herein as an “**Extraordinary Dividend**”), then the Warrant Price shall be decreased, effective immediately after the effective date of such Extraordinary Dividend, by the amount of cash and/or the fair market value (as determined by the Board, in

good faith) of any securities or other assets paid on each share of Common Stock in respect of such Extraordinary Dividend. For purposes of this subsection 4.1.2, “**Ordinary Cash Dividends**” means any cash dividend or cash distribution which, when combined on a per share basis, with the per share amounts of all other cash dividends and cash distributions paid on the Common Stock during the 365-day period ending on the date of declaration of such dividend or distribution (as adjusted to appropriately reflect any of the events referred to in other subsections of this Section 4 and excluding cash dividends or cash distributions that resulted in an adjustment to the Warrant Price or to the number of shares of Common Stock issuable on exercise of each Warrant) does not exceed \$0.50 (being 5% of the offering price of the Units in the Offering).

4.2 Aggregation of Shares. If after the date hereof, and subject to the provisions of Section 4.6 hereof, the number of outstanding shares of Common Stock is decreased by a consolidation, combination, reverse stock split or reclassification of shares of Common Stock or other similar event, then, on the effective date of such consolidation, combination, reverse stock split, reclassification or similar event, the number of shares of Common Stock issuable on exercise of each Warrant shall be decreased in proportion to such decrease in outstanding shares of Common Stock.

4.3 Adjustments in Exercise Price. Whenever the number of shares of Common Stock purchasable upon the exercise of the Warrants is adjusted, as provided in subsection 4. 1.1 or Section 4.2 above, the Warrant Price shall be adjusted (to the nearest cent) by multiplying such Warrant Price immediately prior to such adjustment by a fraction (x) the numerator of which shall be the number of shares of Common Stock purchasable upon the exercise of the Warrants immediately prior to such adjustment, and (y) the denominator of which shall be the number of shares of Common Stock so purchasable immediately thereafter.

4.4 Replacement of Securities upon Reorganization, etc. In case of any reclassification or reorganization of the outstanding shares of Common Stock (other than a change under subsections 4. 1.1 or 4.1.2 or Section 4.2 hereof or that solely affects the par value of such shares of Common Stock), or in the case of any merger or consolidation of the Company with or into another corporation (other than a consolidation or merger in which the Company is the continuing corporation and that does not result in any reclassification or reorganization of the outstanding shares of Common Stock), or in the case of any sale or conveyance to another corporation or entity of the assets or other property of the Company as an entirety or substantially as an entirety in connection with which the Company is dissolved, the holders of the Warrants shall thereafter have the right to purchase and receive, upon the basis and upon the terms and conditions specified in the Warrants and in lieu of the shares of Common Stock of the Company immediately theretofore purchasable and receivable upon the exercise of the rights represented thereby, the kind and amount of shares of stock or other securities or property (including cash) receivable upon such reclassification, reorganization, merger or consolidation, or upon a dissolution following any such sale or transfer, that the holder of the Warrants would have received if such holder had exercised his, her or its Warrant(s) immediately prior to such event (the “**Alternative Issuance**”); provided, however, that (i) if the holders of the Common Stock were entitled to exercise a right of election as to the kind or amount of securities, cash or other assets receivable upon such consolidation or merger, then the kind and amount of securities, cash or other assets constituting the Alternative Issuance for which each Warrant shall become exercisable shall be deemed to be the weighted average of the kind and amount received

per share by the holders of the Common Stock in such consolidation or merger that affirmatively make such election, and (ii) if a tender, exchange or redemption offer shall have been made to and accepted by the holders of the Common Stock (other than a tender, exchange or redemption offer made by the Company in connection with redemption rights held by stockholders of the Company as provided for in the Company's second amended and restated certificate of incorporation or as a result of the repurchase of shares of Common Stock by the Company if a proposed initial Business Combination is presented to the stockholders of the Company for approval) under circumstances in which, upon completion of such tender or exchange offer, the maker thereof, together with members of any group (within the meaning of Rule 13d-5(b)(1) under the Exchange Act (or any successor rule)) of which such maker is a part, and together with any affiliate or associate of such maker (within the meaning of Rule 12b-2 under the Exchange Act (or any successor rule)) and any members of any such group of which any such affiliate or associate is a part, own beneficially (within the meaning of Rule 13d-3 under the Exchange Act (or any successor rule)) more than 50% of the outstanding shares of Common Stock, the holder of a Warrant shall be entitled to receive as the Alternative Issuance, the highest amount of cash, securities or other property to which such holder would actually have been entitled as a stockholder if such Warrant holder had exercised the Warrant prior to the expiration of such tender or exchange offer, accepted such offer and all of the Common Stock held by such holder had been purchased pursuant to such tender or exchange offer, subject to adjustments (from and after the consummation of such tender or exchange offer) as nearly equivalent as possible to the adjustments provided for in this Section 4; provided, further, that if less than 70% of the consideration receivable by the holders of the Common Stock in the applicable event is payable in the form of common stock in the successor entity that is listed for trading on a national securities exchange or is quoted in an established over-the-counter market, or is to be so listed for trading or quoted immediately following such event, and if the Registered Holder properly exercises the Warrant within thirty (30) days following the public disclosure of the consummation of such applicable event by the Company pursuant to a Current Report on Form 8-K filed with the Commission, the Warrant Price shall be reduced by an amount (in dollars) equal to the difference of (i) the Warrant Price in effect prior to such reduction minus (ii) (A) the Per Share Consideration (as deemed below) (but in no event less than zero) minus (B) the Black-Scholes Warrant Value (as defined below). The "**Black-Scholes Warrant Value**" means the value of a Warrant immediately prior to the consummation of the applicable event based on the Black-Scholes Warrant Model for a Capped American Call on Bloomberg Financial Markets ("**Bloomberg**"). For purposes of calculating such amount, (1) Section 6 of this Agreement shall be taken into account, (2) the price of each share of Common Stock shall be the volume weighted average price of the Common Stock as reported during the ten (10) trading day period ending on the trading day prior to the effective date of the applicable event, (3) the assumed volatility shall be the 90 day volatility obtained from the HVT function on Bloomberg determined as of the trading day immediately prior to the day of the announcement of the applicable event, and (4) the assumed risk-free interest rate shall correspond to the U.S. Treasury rate for a period equal to the remaining term of the Warrant. "**Per Share Consideration**" means (i) if the consideration paid to holders of the Common Stock consists exclusively of cash, the amount of such cash per share of Common Stock, and (ii) in all other cases, the volume weighted average price of the Common Stock as reported during the ten (10) trading day period ending on the trading day prior to the effective date of the applicable event. If any reclassification or reorganization also results in a change in shares of Common Stock covered by subsection 4.1.1, then such adjustment shall be

made pursuant to subsection 4.1.1 or Sections 4.2, 4.3 and this Section 4.4. The provisions of this Section 4.4 shall similarly apply to successive reclassifications, reorganizations, mergers or consolidations, sales or other transfers. In no event will the Warrant Price be reduced to less than the par value per share issuable upon exercise of the Warrant.

4.5 Notices of Changes in Warrant. Upon every adjustment of the Warrant Price or the number of shares of Common Stock issuable upon exercise of a Warrant, the Company shall give written notice thereof to the Warrant Agent, which notice shall state the Warrant Price resulting from such adjustment and the increase or decrease, if any, in the number of shares of Common Stock purchasable at such price upon the exercise of a Warrant, setting forth in reasonable detail the method of calculation and the facts upon which such calculation is based. Upon the occurrence of any event specified in Sections 4.1, 4.2, 4.3 or 4.4, the Company shall give written notice of the occurrence of such event to each holder of a Warrant, at the last address set forth for such holder in the Warrant Register, of the record date or the effective date of the event. Failure to give such notice, or any defect therein, shall not affect the legality or validity of such event.

4.6 No Fractional Shares. Notwithstanding any provision contained in this Agreement to the contrary, the Company shall not issue fractional shares of Common Stock upon the exercise of Warrants. If, by reason of any adjustment made pursuant to this Section 4, the holder of any Warrant would be entitled, upon the exercise of such Warrant, to receive a fractional interest in a share, the Company shall, upon such exercise, round down to the nearest whole number the number of shares of Common Stock to be issued to such holder.

4.7 Form of Warrant. The form of Warrant need not be changed because of any adjustment pursuant to this Section 4, and Warrants issued after such adjustment may state the same Warrant Price and the same number of shares of Common Stock as is stated in the Warrants initially issued pursuant to this Agreement; provided, however, that the Company may at any time in its sole discretion make any change in the form of Warrant that the Company may deem appropriate and that does not affect the substance thereof, and any Warrant thereafter issued or countersigned, whether in exchange or substitution for an outstanding Warrant or otherwise, may be in the form as so changed.

4.8 Other Events. In case any event shall occur affecting the Company as to which none of the provisions of preceding subsections of this Section 4 are strictly applicable, but which would require an adjustment to the terms of the Warrants in order to (i) avoid an adverse impact on the Warrants and (ii) effectuate the intent and purpose of this Section 4, then, in each such case, the Company shall appoint a firm of independent public accountants, investment banking or other appraisal firm of recognized national standing, which shall give its opinion as to whether or not any adjustment to the rights represented by the Warrants is necessary to effectuate the intent and purpose of this Section 4 and, if they determine that an adjustment is necessary, the terms of such adjustment. The Company shall adjust the terms of the Warrants in a manner that is consistent with any adjustment recommended in such opinion.

5. Transfer and Exchange of Warrants.

5.1 Registration of Transfer. The Warrant Agent shall register the transfer, from time to time, of any outstanding Warrant upon the Warrant Register, upon surrender of such Warrant for transfer, properly endorsed with signatures properly guaranteed and accompanied by appropriate instructions for transfer. Upon any such transfer, a new Warrant representing an equal aggregate number of Warrants shall be issued and the old Warrant shall be cancelled by the Warrant Agent. The Warrants so cancelled shall be delivered by the Warrant Agent to the Company from time to time upon request.

5.2 Procedure for Surrender of Warrants. Warrants may be surrendered to the Warrant Agent, together with a written request for exchange or transfer, and thereupon the Warrant Agent shall issue in exchange therefor one or more new Warrants as requested by the Registered Holder of the Warrants so surrendered, representing an equal aggregate number of Warrants; provided, however, that in the event that a Warrant surrendered for transfer bears a restrictive legend (as in the case of the Private Placement Warrants), the Warrant Agent shall not cancel such Warrant and issue new Warrants in exchange thereof until the Warrant Agent has received an opinion of counsel for the Company stating that such transfer may be made and indicating whether the new Warrants must also bear a restrictive legend.

5.3 Fractional Warrants. The Warrant Agent shall not be required to effect any registration of transfer or exchange which shall result in the issuance of a warrant certificate or book-entry position for a fraction of a warrant, except as part of the Units.

5.4 Service Charges. No service charge shall be made for any exchange or registration of transfer of Warrants.

5.5 Warrant Execution and Countersignature. The Warrant Agent is hereby authorized to countersign and to deliver, in accordance with the terms of this Agreement, the Warrants required to be issued pursuant to the provisions of this Section 5, and the Company, whenever required by the Warrant Agent, shall supply the Warrant Agent with Warrants duly executed on behalf of the Company for such purpose.

5.6 Transfer of Warrants. Prior to the Detachment Date, the Public Warrants may be transferred or exchanged only together with the Unit in which such Warrant is included, and only for the purpose of effecting, or in conjunction with, a transfer or exchange of such Unit. Furthermore, each transfer of a Unit on the register relating to such Units shall operate also to transfer the Warrants included in such Unit. Notwithstanding the foregoing, the provisions of this Section 5.6 shall have no effect on any transfer of Warrants on and after the Detachment Date.

6. Redemption.

6.1 Redemption of Warrants for Cash. Subject to Sections 6.5 and 6.6 hereof, not less than all of the outstanding Warrants may be redeemed, at the option of the Company, at any time while they are exercisable and prior to their expiration, at the office of the Warrant Agent, upon notice to the Registered Holders of the Warrants, as described in Section 6.3 below, at the price of \$0.01 per Warrant (the "**Redemption Price**"), provided that the last sales price of the Common Stock reported has been at least \$18.00 per share (subject to adjustment in

compliance with Section 4 hereof), on each of twenty (20) trading days within the thirty (30) trading-day period ending on the third Business Day prior to the date on which notice of the redemption is given and provided that there is an effective registration statement covering the shares of Common Stock issuable upon exercise of the Warrants, and a current prospectus relating thereto, available throughout the 30-day Redemption Period (as defined in Section 6.3 below) or the Company has elected to require the exercise of the Warrants on a “cashless basis” pursuant to subsection 3.3.1.

6.2 Redemption of Warrants for Common Stock. Subject to Sections 6.5 and 6.6 hereof, not less than all of the outstanding Warrants may be redeemed, at the option of the Company, ninety (90) days after they are first exercisable and prior to their expiration, at the office of the Warrant Agent, upon notice to the Registered Holders of the Warrants, as described in Section 6.3 below, at a price equal to a number of shares of Common Stock determined by reference to the table below, based on the redemption date (calculated for purposes of the table as the period to expiration of the Warrants) and the “Fair Market Value” (as such term is defined in subsection 3.3.1(b)) (the “*Alternative Redemption Price*”), provided (i) that the last sales price of the Common Stock reported has been at least \$10.00 per share (subject to adjustment in compliance with Section 4 hereof), on the trading day prior to the date on which notice of the redemption is given, (ii) the Private Placement Warrants are also concurrently exchanged at the same price (equal to a number of shares of Common Stock) as the outstanding Public Warrants and (iii) there is an effective registration statement covering the Common Stock issuable upon exercise of the Warrants, and a current prospectus relating thereto, available throughout the 30-day Redemption Period (as defined in Section 6.3 below) or the Company has elected to require the exercise of the Warrants on a “cashless basis” pursuant to subsection 3.3.1.

The exact Fair Market Value and Redemption Date (as defined below) may not be set forth in the table above, in which case, if the Fair Market Value is between two values in the table or the Redemption Date is between two redemption dates in the table, the number of Common Stock to be issued for each Warrant redeemed will be determined by a straight-line

interpolation between the number of shares set forth for the higher and lower Fair Market Values and the earlier and later redemption dates, as applicable, based on a 365- or 366-day year, as applicable.

The stock prices set forth in the column headings of the table above shall be adjusted as of any date on which the number of shares issuable upon exercise of a Warrant is adjusted pursuant to Section 4. The adjusted stock prices in the column headings shall equal the stock prices immediately prior to such adjustment, multiplied by a fraction, the numerator of which is the number of shares deliverable upon exercise of a Warrant immediately prior to such adjustment and the denominator of which is the number of shares deliverable upon exercise of a Warrant as so adjusted. The number of shares in the table above shall be adjusted in the same manner and at the same time as the number of shares issuable upon exercise of a Warrant.

6.3 Date Fixed for, and Notice of, Redemption. In the event that the Company elects to redeem all of the Warrants pursuant to Section 6.1 or Section 6.2, the Company shall fix a date for the redemption (the “**Redemption Date**”). In the event that the Company elects to redeem all of the Warrants pursuant to Section 6.2, the Company shall fix a date for redemption (the “**Alternative Redemption Date**”). Notice of redemption shall be mailed by first class mail, postage prepaid, by the Company not less than thirty (30) days prior to the Redemption Date (the “**30-day Redemption Period**”) to the Registered Holders of the Warrants to be redeemed at their last addresses as they shall appear on the registration books. Any notice mailed in the manner herein provided shall be conclusively presumed to have been duly given whether or not the Registered Holder received such notice.

6.4 Exercise After Notice of Redemption. The Warrants may be exercised, for cash (or on a “cashless basis” in accordance with subsection 3.3.1(b) of this Agreement) at any time after notice of redemption shall have been given by the Company pursuant to Section 6.3 hereof and prior to the Redemption Date or the Alternative Redemption Date. In the event that the Company determines to require all holders of Warrants to exercise their Warrants on a “cashless basis” pursuant to subsection 3.3.1, the notice of redemption shall contain the information necessary to calculate the number of shares of Common Stock to be received upon exercise of the Warrants, including the “Fair Market Value” (as such term is defined in subsection 3.3.1(b) hereof) in such case. On and after the Redemption Date or the Alternative Redemption Price, as applicable, the record holder of the Warrants shall have no further rights except to receive, upon surrender of the Warrants, the Redemption Price or the Alternative Redemption Price, as applicable.

6.5 Exclusion of Private Placement Warrants. The Company agrees that the redemption rights provided in Section 6.1 shall not apply to the Private Placement Warrants if at the time of the redemption such Private Placement Warrants continue to be held by the Sponsor or its Permitted Transferees. However, once such Private Placement Warrants are transferred (other than to Permitted Transferees under Section 2.5), the Company may redeem the Private Placement Warrants pursuant to Section 6.1 hereof, provided that the criteria for redemption are met, including the opportunity of the holder of such Private Placement Warrants to exercise the Private Placement Warrants prior to redemption pursuant to Section 6.4. Private Placement Warrants that are transferred to persons other than Permitted Transferees shall upon such transfer cease to be Private Placement Warrants and shall become Public Warrants under this Agreement.

6.6 Public Warrants held by the Company's officers or directors. The Company agrees that if Public Warrants are held by any of the Company's officers or directors, the Public Warrants held by such officers and directors will be subject to the redemption rights provided in Section 6.2, except that such officers and directors shall only receive "**Fair Market Value**" ("Fair Market Value" in this Section 6.6 shall mean the last sale price of the Public Warrants on the Alternative Redemption Date) for such Public Warrants so redeemed.

7. Other Provisions Relating to Rights of Holders of Warrants.

7.1 No Rights as Stockholder. A Warrant does not entitle the Registered Holder thereof to any of the rights of a stockholder of the Company, including, without limitation, the right to receive dividends, or other distributions, exercise any preemptive rights to vote or to consent or to receive notice as stockholders in respect of the meetings of stockholders or the election of directors of the Company or any other matter.

7.2 Lost, Stolen, Mutilated, or Destroyed Warrants. If any Warrant is lost, stolen, mutilated, or destroyed, the Company and the Warrant Agent may on such terms as to indemnity or otherwise as they may in their discretion impose (which shall, in the case of a mutilated Warrant, include the surrender thereof), issue a new Warrant of like denomination, tenor, and date as the Warrant so lost, stolen, mutilated, or destroyed. Any such new Warrant shall constitute a substitute contractual obligation of the Company, whether or not the allegedly lost, stolen, mutilated, or destroyed Warrant shall be at any time enforceable by anyone.

7.3 Reservation of Common Stock. The Company shall at all times reserve and keep available a number of its authorized but unissued shares of Common Stock that shall be sufficient to permit the exercise in full of all outstanding Warrants issued pursuant to this Agreement.

7.4 Registration of Common Stock; Cashless Exercise at Company's Option.

7.4.1 Registration of the Common Stock. The Company agrees that as soon as practicable, but in no event later than fifteen (15) Business Days after the closing of its initial Business Combination, it shall use its commercially reasonable efforts to file with the Commission a registration statement for the registration, under the Securities Act, of the shares of Common Stock issuable upon exercise of the Warrants. The Company shall use its best efforts to cause the same to become effective and to maintain the effectiveness of such registration statement, and a current prospectus relating thereto, until the expiration of the Warrants in accordance with the provisions of this Agreement. If any such registration statement has not been declared effective by the 60th Business Day following the closing of the Business Combination, holders of the Warrants shall have the right, during the period beginning on the 61st Business Day after the closing of the Business Combination and ending upon such registration statement being declared effective by the Commission, and during any other period when the Company shall fail to have maintained an effective registration statement covering the shares of Common Stock issuable upon exercise of the Warrants, to exercise such Warrants on a "cashless basis," by exchanging the Warrants (in accordance with Section 3(a)(9) of the Securities Act (or any successor rule) or another exemption) for that number of shares of Common Stock equal to the quotient obtained by dividing (x) the product of the number of

shares of Common Stock underlying the Warrants, multiplied by the difference between the Warrant Price and the “Fair Market Value” (as defined below) by (y) the Fair Market Value. Solely for purposes of this subsection 7.4.1, “Fair Market Value” shall mean the volume weighted average price of the Common Stock as reported during the ten (10) trading day period ending on the trading day prior to the date that notice of exercise is received by the Warrant Agent from the holder of such Warrants or its securities broker or intermediary. The date that notice of cashless exercise is received by the Warrant Agent shall be conclusively determined by the Warrant Agent. In connection with the “cashless exercise” of a Public Warrant, the Company shall, upon request, provide the Warrant Agent with an opinion of counsel for the Company (which shall be an outside law firm with securities law experience) stating that (i) the exercise of the Warrants on a cashless basis in accordance with this subsection 7.4.1 is not required to be registered under the Securities Act and (ii) the shares of Common Stock issued upon such exercise shall be freely tradable under United States federal securities laws by anyone who is not an affiliate (as such term is defined in Rule 144 under the Securities Act (or any successor rule)) of the Company and, accordingly, shall not be required to bear a restrictive legend. Except as provided in subsection 7.4.2, for the avoidance of any doubt, unless and until all of the Warrants have been exercised, the Company shall continue to be obligated to comply with its registration obligations under the first three sentences of this subsection 7.4.1.

7.4.2 Cashless Exercise at Company’s Option. If the Common Stock is at the time of any exercise of a Warrant not listed on a national securities exchange such that it satisfies the definition of a “covered security” under Section 18(b)(1) of the Securities Act (or any successor rule), the Company may, at its option, (i) require holders of Public Warrants who exercise Public Warrants to exercise such Public Warrants on a “cashless basis” in accordance with Section 3(a)(9) of the Securities Act (or any successor rule) as described in subsection 7.4.1 and (ii) in the event the Company so elects, the Company shall (x) not be required to file or maintain in effect a registration statement for the registration, under the Securities Act, of the Common Stock issuable upon exercise of the Warrants, notwithstanding anything in this Agreement to the contrary, and (y) use its best efforts to register the Common Stock issuable upon exercise of the Public Warrant under the blue sky laws of the state of residence of the exercising Public Warrant holder to the extent an exemption is not available.

8. Concerning the Warrant Agent and Other Matters.

8.1 Payment of Taxes. The Company shall from time to time promptly pay all taxes and charges that may be imposed upon the Company or the Warrant Agent in respect of the issuance or delivery of shares of Common Stock upon the exercise of the Warrants, but the Company shall not be obligated to pay any transfer taxes in respect of the Warrants or such shares of Common Stock.

8.2 Resignation, Consolidation, or Merger of Warrant Agent.

8.2.1 Appointment of Successor Warrant Agent. The Warrant Agent, or any successor to it hereafter appointed, may resign its duties and be discharged from all further duties and liabilities hereunder after giving sixty (60) days’ notice in writing to the Company. If the office of the Warrant Agent becomes vacant by resignation or incapacity to act or otherwise, the Company shall appoint in writing a successor Warrant Agent in place of the Warrant Agent.

If the Company shall fail to make such appointment within a period of thirty (30) days after it has been notified in writing of such resignation or incapacity by the Warrant Agent or by the holder of a Warrant (who shall, with such notice, submit his Warrant for inspection by the Company), then the holder of any Warrant may apply to the Supreme Court of the State of New York for the County of New York for the appointment of a successor Warrant Agent at the Company' s cost. Any successor Warrant Agent, whether appointed by the Company or by such court, shall be a corporation organized and existing under the laws of the State of New York, in good standing and having its principal office in the Borough of Manhattan, City and State of New York, and authorized under such laws to exercise corporate trust powers and subject to supervision or examination by federal or state authority. After appointment, any successor Warrant Agent shall be vested with all the authority, powers, rights, immunities, duties, and obligations of its predecessor Warrant Agent with like effect as if originally named as Warrant Agent hereunder, without any further act or deed; but if for any reason it becomes necessary or appropriate, the predecessor Warrant Agent shall execute and deliver, at the expense of the Company, an instrument transferring to such successor Warrant Agent all the authority, powers, and rights of such predecessor Warrant Agent hereunder; and upon request of any successor Warrant Agent the Company shall make, execute, acknowledge, and deliver any and all instruments in writing for more fully and effectually vesting in and confirming to such successor Warrant Agent all such authority, powers, rights, immunities, duties, and obligations.

8.2.2 Notice of Successor Warrant Agent. In the event a successor Warrant Agent shall be appointed, the Company shall give notice thereof to the predecessor Warrant Agent and the Transfer Agent for the Common Stock not later than the effective date of any such appointment.

8.2.3 Merger or Consolidation of Warrant Agent. Any corporation into which the Warrant Agent may be merged or with which it may be consolidated or any corporation resulting from any merger or consolidation to which the Warrant Agent shall be a party shall be the successor Warrant Agent under this Agreement without any further act.

8.3 Fees and Expenses of Warrant Agent.

8.3.1 Remuneration. The Company agrees to pay the Warrant Agent reasonable remuneration for its services as such Warrant Agent hereunder and shall, pursuant to its obligations under this Agreement, reimburse the Warrant Agent upon demand for all expenditures that the Warrant Agent may reasonably incur in the execution of its duties hereunder.

8.3.2 Further Assurances. The Company agrees to perform, execute, acknowledge, and deliver or cause to be performed, executed, acknowledged, and delivered all such further and other acts, instruments, and assurances as may reasonably be required by the Warrant Agent for the carrying out or performing of the provisions of this Agreement.

8.4 Liability of Warrant Agent.

8.4.1 Reliance on Company Statement. Whenever in the performance of its duties under this Agreement, the Warrant Agent shall deem it necessary or desirable that any

fact or matter be proved or established by the Company prior to taking or suffering any action hereunder, such fact or matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a statement signed by the Chief Executive Officer, Chief Financial Officer, Secretary or Chairman of the Board of the Company and delivered to the Warrant Agent. The Warrant Agent may rely upon such statement for any action taken or suffered in good faith by it pursuant to the provisions of this Agreement.

8.4.2 Indemnity. The Warrant Agent shall be liable hereunder only for its own gross negligence, willful misconduct or bad faith. The Company agrees to indemnify the Warrant Agent and save it harmless against any and all liabilities, including judgments, costs and reasonable counsel fees, for anything done or omitted by the Warrant Agent in the execution of this Agreement, except as a result of the Warrant Agent's gross negligence, willful misconduct or bad faith.

8.4.3 Exclusions. The Warrant Agent shall have no responsibility with respect to the validity of this Agreement or with respect to the validity or execution of any Warrant (except its countersignature thereof). The Warrant Agent shall not be responsible for any breach by the Company of any covenant or condition contained in this Agreement or in any Warrant. The Warrant Agent shall not be responsible to make any adjustments required under the provisions of Section 4 hereof or responsible for the manner, method, or amount of any such adjustment or the ascertaining of the existence of facts that would require any such adjustment; nor shall it by any act hereunder be deemed to make any representation or warranty as to the authorization or reservation of any shares of Common Stock to be issued pursuant to this Agreement or any Warrant or as to whether any shares of Common Stock shall, when issued, be valid and fully paid and non-assessable.

8.5 Acceptance of Agency. The Warrant Agent hereby accepts the agency established by this Agreement and agrees to perform the same upon the terms and conditions herein set forth and among other things, shall account promptly to the Company with respect to Warrants exercised and concurrently account for, and pay to the Company, all monies received by the Warrant Agent for the purchase of shares of Common Stock through the exercise of the Warrants.

8.6 Waiver. The Warrant Agent has no right of set-off or any other right, title, interest or claim of any kind ("**Claim**") in, or to any distribution of, the Trust Account (as defined in that certain Investment Management Trust Agreement, dated as of the date hereof, by and between the Company and the Warrant Agent as trustee thereunder) and hereby agrees not to seek recourse, reimbursement, payment or satisfaction for any Claim against the Trust Account for any reason whatsoever. The Warrant Agent hereby waives any and all Claims against the Trust Account and any and all rights to seek access to the Trust Account.

9. Miscellaneous Provisions.

9.1 Successors. All the covenants and provisions of this Agreement by or for the benefit of the Company or the Warrant Agent shall bind and inure to the benefit of their respective successors and assigns.

9.2 Notices. Any notice, statement or demand authorized by this Agreement to be given or made by the Warrant Agent or by the holder of any Warrant to or on the Company shall be sufficiently given when so delivered if by hand or overnight delivery or if sent by certified mail or private courier service within five (5) days after deposit of such notice, postage prepaid, addressed (until another address is filed in writing by the Company with the Warrant Agent), as follows:

9.3 Applicable Law. The validity, interpretation, and performance of this Agreement and of the Warrants shall be governed in all respects by the laws of the State of New York, without giving effect to conflicts of law principles that would result in the application of the substantive laws of another jurisdiction. The Company hereby agrees that any action, proceeding or claim against it arising out of or relating in any way to this Agreement shall be brought and enforced in the courts of the State of New York or the United States District Court for the Southern District of New York, and irrevocably submits to such jurisdiction, which jurisdiction shall be exclusive. The Company hereby waives any objection to such exclusive jurisdiction and that such courts represent an inconvenient forum.

9.4 Persons Having Rights under this Agreement. Nothing in this Agreement shall be construed to confer upon, or give to, any person or corporation other than the parties hereto and the Registered Holders of the Warrants any right, remedy, or claim under or by reason of this Agreement or of any covenant, condition, stipulation, promise, or agreement hereof. All covenants, conditions, stipulations, promises, and agreements contained in this Agreement shall be for the sole and exclusive benefit of the parties hereto and their successors and assigns and of the Registered Holders of the Warrants.

9.5 Examination of the Warrant Agreement. A copy of this Agreement shall be available at all reasonable times at the office of the Warrant Agent in the Borough of Manhattan, City and State of New York, for inspection by the Registered Holder of any Warrant. The Warrant Agent may require any such holder to submit his Warrant for inspection by it.

9.6 Counterparts. This Agreement may be executed in any number of original or facsimile counterparts and each of such counterparts shall for all purposes be deemed to be an original, and all such counterparts shall together constitute but one and the same instrument.

9.7 Effect of Headings. The section headings herein are for convenience only and are not part of this Agreement and shall not affect the interpretation thereof.

9.8 Amendments. This Agreement may be amended by the parties hereto without the consent of any Registered Holder for the purpose of curing any ambiguity, or curing, correcting or supplementing any defective provision contained herein or adding or changing any other provisions with respect to matters or questions arising under this Agreement as the parties may deem necessary or desirable and that the parties deem shall not adversely affect the interest of the Registered Holders. All other modifications or

amendments, including any amendment to increase the Warrant Price or shorten the Exercise Period and any amendment to the terms of only the Private Placement Warrants, shall require the vote or written consent of the Registered Holders of 50% of the then outstanding Public Warrants. Notwithstanding the foregoing, the Company may lower the Warrant Price or extend the duration of the Exercise Period pursuant to Sections 3.1 and 3.2, respectively, without the consent of the Registered Holders.

9.9 Severability. This Agreement shall be deemed severable, and the invalidity or unenforceability of any term or provision hereof shall not affect the validity or enforceability of this Agreement or of any other term or provision hereof. Furthermore, in lieu of any such invalid or unenforceable term or provision, the parties hereto intend that there shall be added as a part of this Agreement a provision as similar in terms to such invalid or unenforceable provision as may be possible and be valid and enforceable.

Form of Warrant Certificate

[Reverse]

The Warrants evidenced by this Warrant Certificate are part of a duly authorized issue of Warrants entitling the holder on exercise to receive shares of Common Stock and are issued or to be issued pursuant to a Warrant Agreement dated as of [], 2020 (the “*Warrant Agreement*”), duly executed and delivered by the Company to Continental Stock Transfer & Trust Company, a New York corporation, as warrant agent (the “*Warrant Agent*”), which Warrant Agreement is hereby incorporated by reference in and made a part of this instrument and is hereby referred to for a description of the rights, limitation of rights, obligations, duties and immunities thereunder of the Warrant Agent, the Company and the holders (the words “*holders*” or “*holder*” meaning the Registered Holders or Registered Holder) of the Warrants. A copy of the Warrant Agreement may be obtained by the holder hereof upon written request to the Company. Defined terms used in this Warrant Certificate but not defined herein shall have the meanings given to them in the Warrant Agreement.

Warrants may be exercised at any time during the Exercise Period set forth in the Warrant Agreement. The holder of Warrants evidenced by this Warrant Certificate may exercise them by surrendering this Warrant Certificate, with the form of election to purchase set forth hereon properly completed and executed, together with payment of the Exercise Price as specified in the Warrant Agreement (or through “cashless exercise” as provided for in the Warrant Agreement) at the principal corporate trust office of the Warrant Agent. In the event that upon any exercise of Warrants evidenced hereby the number of Warrants exercised shall be less than the total number of Warrants evidenced hereby, there shall be issued to the holder hereof or his, her or its assignee, a new Warrant Certificate evidencing the number of Warrants not exercised.

Notwithstanding anything else in this Warrant Certificate or the Warrant Agreement, no Warrant may be exercised unless at the time of exercise (i) a registration statement covering the shares of Common Stock to be issued upon exercise is effective under the Securities Act and (ii) a prospectus thereunder relating to the shares of Common Stock is current, except through “cashless exercise” as provided for in the Warrant Agreement.

The Warrant Agreement provides that upon the occurrence of certain events the number of shares of Common Stock issuable upon exercise of the Warrants set forth on the face hereof may, subject to certain conditions, be adjusted. If, upon exercise of a Warrant, the holder thereof would be entitled to receive a fractional interest in a share of Common Stock, the Company shall, upon exercise, round down to the nearest whole number of shares of Common Stock to be issued to the holder of the Warrant.

Warrant Certificates, when surrendered at the principal corporate trust office of the Warrant Agent by the Registered Holder thereof in person or by legal representative or attorney duly authorized in writing, may be exchanged, in the manner and subject to the limitations provided in the Warrant Agreement, but without payment of any service charge, for another Warrant Certificate or Warrant Certificates of like tenor evidencing in the aggregate a like number of Warrants.

Upon due presentation for registration of transfer of this Warrant Certificate at the office of the Warrant Agent a new Warrant Certificate or Warrant Certificates of like tenor and evidencing in the aggregate a like number of Warrants shall be issued to the transferee(s) in exchange for this Warrant Certificate, subject to the limitations provided in the Warrant Agreement, without charge except for any tax or other governmental charge imposed in connection therewith.

The Company and the Warrant Agent may deem and treat the Registered Holder(s) hereof as the absolute owner(s) of this Warrant Certificate (notwithstanding any notation of ownership or other writing hereon made by anyone), for the purpose of any exercise hereof, of any distribution to the holder(s) hereof, and for all other purposes, and neither the Company nor the Warrant Agent shall be affected by any notice to the contrary. Neither the Warrants nor this Warrant Certificate entitles any holder hereof to any rights of a stockholder of the Company.

Election to Purchase

(To Be Executed Upon Exercise of Warrant)

The undersigned hereby irrevocably elects to exercise the right, represented by this Warrant Certificate, to receive _____ shares of Common Stock and herewith tenders payment for such shares of Common Stock to the order of Gores Holdings V, Inc. In the event that the Warrant has been called for redemption by the Company pursuant to Section 6 of the Warrant Agreement and the Company has required cashless exercise pursuant to Section 6.4 of the Warrant Agreement, the number of shares of Common Stock that this Warrant is exercisable for shall be determined in accordance with subsection 3.3.1(b) and Section 6.4 of the Warrant Agreement.

In the event that the Warrant is a Private Placement Warrant that is to be exercised on a “cashless” basis pursuant to subsection 3.3.1(c) of the Warrant Agreement, the number of shares of Common Stock that this Warrant is exercisable for shall be determined in accordance with subsection 3.3.1 (c) of the Warrant Agreement.

In the event that the Warrant is to be exercised on a “cashless” basis pursuant to Section 7.4 of the Warrant Agreement, the number of shares of Common Stock that this Warrant is exercisable for shall be determined in accordance with Section 7.4 of the Warrant Agreement.
