Re: Application-Declaration on Form U-1 of
Entergy Corporation, et al. (File No. 70-8529)

Gentlemen:

I am legal counsel for Entergy Corporation, Entergy Services, Inc., System Fuels, Inc., Entergy Enterprises, Inc., Gulf States Utilities Company, System Energy Resources, Inc., Arkansas Power & Light Company, Louisiana Power & Light Company, Mississippi Power & Light Company, New Orleans Public Service, Inc., Entergy Power, Inc., and Entergy Operations, Inc. and am familiar with the participation of Entergy Corporation and its above-named subsidiaries in the matters described in Item 1 of the Application-Declaration on Form U-1, as amended, filed with the Securities and Exchange Commission on November 21, 1994, under the Public Utility Holding Company Act of 1935 in File No. 70-8529, relating generally to transactions between Entergy Corporation's Non-Utility Businesses and its Regulated Utilities (as such terms are therein defined).

This is to advise you that, in my opinion, in the event the proposed transactions, as aforesaid, are carried out in accordance with the Application-Declaration and the order of the Commission permitting the Application-Declaration to become effective, (a) insofar as the participation by Entergy, and its above-named subsidiaries in said transaction is concerned, all laws applicable thereto will have been complied with; and (b) the consummation of the proposed transaction by Entergy will not violate the legal rights of the holders of any securities issued by Entergy or any associate company thereof.

I am a member of the Louisiana, Texas and Virginia Bars and do not hold myself out as an expert on the laws of any other states.

I hereby consent to the use of this opinion as an exhibit to the Application-Declaration.

Very truly yours,

/s/ Laurence M. Hamric
