The registrant is a trust with no voting securities outstanding.

This Annual Report on Form 10-K is filed by First Security Bank, N.A. (the Bank; formerly First Security Bank of Idaho, N.A. and First Security Bank of Utah, N.A., which merged on June 21, 1996) on behalf of the First Security Auto Grantor Trust 1995-A (the Trust) pursuant to Section 15(d) of the Securities Exchange Act of 1934, as amended. This Annual Report on Form 10-K omits responses or responds in a modified fashion to certain items required by Form 10-K in accordance with the responses of the Office of Chief Counsel, Division of Corporation Finance of the Securities and Exchange Commission contained in a letter dated March 21, 1989 and made orally to the Bank's counsel in response to the Bank's requests for exemptive relief from such reporting requirements.

## Part I

### 1. Business

The Trust has as its only assets a pool of motor vehicle instalment sales contracts and instalment loans (the loan pool) originated by the Bank. At the origination date of the Trust, the loan pool totaled \$250,899,110.59.

Interests in the Trust are divided into: Class A Certificates, which constituted 95.5% of the total loan pool at origination; and Class B Certificates, which constituted 4.5%.

### 2. Properties

The Trust was created pursuant to a Pooling and Servicing Agreement (the Agreement) dated June 23, 1995, among the Bank and First National Bank of Chicago (the Trustee). The Trust is the owner of receivables and related motor vehicle collateral generated in connection with credit extensions to purchasers of such motor vehicles, primarily passenger cars and light trucks.

The following table describes the current property of the Trust, and is a summary of the monthly reports filed previously on Form 8-K during 1998.

### 3. Legal Proceedings

There were no material legal proceedings pending at December 31, 1998 that would have a materially adverse effect on the Trust, the Bank, the Trustee, or the Underwriters in the performance of their obligations to the holders and beneficial owners of the Certificates of the Trust.

### 4. Submission of Matters to a Vote of Security Holders

There were no matters submitted to a vote of Certificate Holders in 1998.

## Part II

### 5. Market for Registrant's Common Equity and Related Security Holder Matters

The holder of record of all the Certificates as of December 31, 1998, was Cede & Co., the nominee of The Depository Trust Company (DTC) in the United States. Direct participants active in the DTC system include securities brokers and dealers, banks, trust companies, and clearing corporations. The Certificates are not listed on any exchange.

### 6. Selected Financial Data

Omitted Per No-Action Letter dated March 21, 1989.

### 7. Management's Discussion and Analysis of Results of Operations and Financial Condition

Omitted per No-Action Letter dated March 21, 1989.

### 8. Financial Statements and Supplementary Data

Omitted per No-Action Letter dated March 21, 1989.

None.

## Part III

### 10. Directors and Executive Officers

Omitted per No-Action Letter dated March 21, 1989.

### 11. Executive Compensation

Omitted per No-Action Letter dated March 21, 1989.

12. Security Ownership of Certain Beneficial Owners and Management

(a) The holder of record of all of the Certificates as of December 31, 1998, was Cede & Co., the nominee of The Depository Trust Company (DTC) in the United States. Direct participants active in the DTC system include securities brokers and dealers, banks, trust companies, and clearing corporations.

(b) and (c) Because the Trust does not have any directors or officers, and since the usual meaning of control is not applicable to the Trust, no response is made to subparagraphs (b) and (c) per No-Action Letter dated March 21, 1989.

13. Certain Relationships and Related Transactions

There have been no transactions during 1998 between the Trustee, the Trust, and/or the Bank that qualify for disclosure under Item 404 of Regulation S-K.

During 1998, the Bank received a total of \$242,885.46 in compensation for servicing the Trust portfolio. The Trustee received a total of \$3,508.96 for its services to the Trust during 1998.

14. Exhibits, Financial Statement Schedules, and Reports on Form 8-K

(a) Exhibit Index

4.1, Pooling and Servicing Agreement (Ex. 4 to the Trust's Registration Statement on Form S-1, Reg. No. 33-92836, incorporated by reference.)

(b) Financial Statement Schedules and Reports on Form 8-K

Subsequent Events

On January 15, 1999, FSCO exercised its right under the Trust Agreement to repurchase the remainder of loans outstanding, the combined balance of which amounted to less than 5% of the original loan pool balance of \$250,899,110.59.

Signatures

Because the Trust has no directors or individual trustees, and because the Bank is merely the originator and servicer of the Trust, the Annual Report on Form 10-K will not be signed by a majority of the directors of the Bank or by any individuals other than an authorized officer of the Bank.
