PROXY STATEMENT FOR THE ANNUAL MEETING OF  
SHAREHOLDERS TO BE HELD JUNE 2, 2005

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of The Buckle, Inc. ("the Company") for use at the Annual Meeting of Shareholders of the Company to be held June 2, 2005, or at any adjournments of said meeting (the "Meeting"). The enclosed form of proxy, if executed, may nevertheless be revoked at any time insofar as it has not been exercised. When such proxy is properly executed and returned, the shares it represents will be voted at the meeting in accordance with any directions noted thereon; or if no direction is indicated, it will be voted in favor of the proposals set forth in the notice attached hereto.

The Company will bear the cost of solicitation of proxies, including the charges

and expenses of brokerage firms and others for forwarding solicitation materials to beneficial owners of stock. In addition to the use of mail, proxies may be solicited by personal interview, by telegram or by telephone. Copies of the Proxy Statement and proxy form will be first provided to shareholders on May 2, 2005.

#### VOTING INFORMATION

As of March 30, 2005, the Company has outstanding 18,712,956 shares of Common Stock. Each share of Common Stock is entitled to one vote. Only holders of Common Stock of record on March 30, 2005 will be entitled to vote at the Annual Meeting of Shareholders. A holder of Common Stock is entitled to cumulate his or her votes in the election of directors and may give one or more candidates as many votes as the number of directors to be elected multiplied by the total number of shares owned by such shareholder. Under Nebraska law there are no conditions precedent to the exercise of cumulative voting rights. On all other matters which may come before the Meeting, each holder of Common Stock will be entitled to one vote for each share owned.

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the election inspector appointed for the meeting and will determine whether or not a quorum is present. The election inspector will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but as unvoted for purposes of determining the approval of any matter submitted to the shareholders for a vote. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present and entitled to vote with respect to that matter.

## PROPOSAL 3

PROPOSAL TO APPROVE THE COMPANY'S  
2005 MANAGEMENT INCENTIVE PLAN

The Board of Directors believes that the continued success of the Company depends on its ability to attract, retain and motivate key employees. Accordingly, the Compensation Committee of the Board of Directors has reviewed the

7

Company's executive incentive compensation program and recommends that the Company's shareholders approve the 2005 Management Incentive Plan (the "2005 Incentive Plan"). In order for payment of certain incentive awards to be deductible under the current Internal Revenue Code (the "Code"), such awards must be paid under a plan like the 2005 Incentive Plan which has been approved by the shareholders. The 2005 Incentive Plan is set forth in Exhibit "A" to this Proxy Statement. The following discussion is qualified in its entirety by reference to the text of the 2005 Incentive Plan.

BACKGROUND.

The 2005 Incentive Plan is modeled after the 2004 Management Incentive Plan approved by the Shareholders of the Company at the Annual Meeting held in 2004 (the "2004 Incentive Plan"). The 2004 Incentive Plan was designed to motivate the Company's key employees to improve stockholder value by linking a portion of their compensation to the Company's financial performance. The 2004 Incentive Plan was a one-year plan. The 2005 Incentive Plan is also a one-year plan.

The goals of the Compensation Committee with regard to cash compensation have been and continue to be:

- o to establish base salaries at a competitive level;
- o to establish a cash bonus program that rewards exceptional performance;
- o to eliminate cash bonuses based upon participation in the first dollar of profits; and
- o to eliminate an automatic and mathematical bonus in the event that the Company's performance does not at least equal performance for the immediately preceding fiscal year.

DESCRIPTION OF THE INCENTIVE PLAN.

The 2005 Incentive Plan is administered by the Compensation Committee of the Board of Directors. The Compensation Committee must be comprised solely of Directors who are "outside Directors" as defined in Section 162(m) of the Code. The 2005 Incentive Plan encompasses two types of incentive.

- o an annual Cash Award; and
- o an annual grant of Restricted Stock pursuant to the 2005 Restricted Stock Plan.

The Committee's powers include authority, within the limitations set forth in the 2005 Incentive Plan, to:

- o select the persons to be granted Cash Awards and Shares of Restricted Stock;
- o determine the time when Cash Awards and Restricted Stock will be granted;
- o determine whether objectives and conditions for earning Cash Awards and Restricted Stock have been met;
- o determine whether payment of Cash Awards and Restricted Stock will be made at the end of an award period or deferred; and
- o approve discretionary year-end cash incentives for extraordinary events.

Any employee of the Company whose performance the Committee determines can have a significant effect on the success of the Company - designated a Key Employee by the Plan - will be granted annual incentive Cash Awards under the 2005 Incentive Plan. Because the number of Key Employees may change over time and because the selection of participants is discretionary, it is impossible to determine the number of persons who will be eligible for awards under the 2005 Incentive Plan during its term. However, it is anticipated that seven persons

will receive Cash Awards for fiscal 2005 under the 2005 Incentive Plan.

The 2005 Incentive Plan includes the creation of a Bonus Pool as a Cash Incentive for executives. This Bonus Pool will be calculated based upon dollars of growth in key performance categories compared to the Base Year Amounts, multiplied by the applicable percentage amounts as outlined in the Plan, multiplied by a factor determined by the growth in Pre-Bonus Net Income (the "Pre-Bonus Net Income Factor") and multiplied by a factor determined by the growth in Gross Margin (the "Margin Factor") (see Exhibit A). The applicable percentage amounts for the 2005 Incentive Plan include 8.5% of the increase in Same Store Sales, 5% of the increase in Margin, and 15% of the increase in Pre-Bonus Net Income. The Base Year Amounts are determined using the immediately preceding fiscal year for Same Store Sales and the prior three-year rolling average for the Margin and Pre-Bonus Net Income, with the prior fiscal year receiving a weighting factor of 4 and the other two years receiving a weighting factor of 1. The Pre-Bonus Net Income Factor is .80 of the 15% of the increase in Pre-Bonus Net Income for increases from 0% to 19.99%; .70 for growth in Pre-Bonus Net Income of at least 20.0% and up to 29.99%; 0.64 for growth in Pre-Bonus

8

Net Income of at least 30.0% and up to 39.99%; and .55 for growth in Pre-Bonus Net Income of 40% or greater. The Margin Factor is .80 for growth in Margin up to 19.99%; .70 for growth in Margin of at least 20.0% and up to 39.99%; and .64 for growth in Margin of 40% or greater. Bonus Pool Awards pursuant to the 2005 Incentive Plan will be in addition to Base Salaries.

Base salaries for fiscal 2005 for the executive officers included in the Summary Compensation Table are as follows:

NAME	BASE SALARY
----	-----
Dennis H. Nelson	\$785,000
James E. Shada	\$445,000
Kari G. Smith	\$256,000
Patricia K. Whisler	\$275,000
Brett P. Milkie	\$260,000

#### CASH AWARDS.

Each Participant in the Plan shall receive a Cash Award equal to 100% of the Participant's share of the Bonus Pool. The President's share of the Bonus Pool is 40.0%, and the share of each other Participant in the Bonus Pool shall be determined by the President prior to the first day of each Plan Year (or immediately upon adoption of the Plan).

No payment of a Cash Award for the year may be made to an Executive until the Company's Same Store Sales, Margin and Pre-Bonus Net Income for the year are certified by the Committee. A Participant shall not be entitled to receive payment of an Award unless such Participant is still in the employ of (and shall not have delivered notice of resignation to) the Company on the last day of the fiscal year for which the Cash Award is earned.

#### RESTRICTED STOCK

Restricted Stock was granted, subject to shareholder approval, to Participants pursuant to the 2005 Restricted Stock Plan as of February 22, 2005. Shares awarded under the Plan will vest according a performance feature whereby shares granted will vest over four years if an 8% increase in fiscal 2005 Pre-Bonus Net Income is achieved. Upon the Compensation Committee's certification of the achievement of the performance results, 20% of the Restricted Stock Shares would vest immediately, with 20% vesting in January of 2007, 30% in January of 2008 and 30% in January of 2009.

If the Performance Goal is not met (i.e. if an 8% increase in fiscal 2005 Pre-Bonus Net Income is not achieved), then the Restricted Stock may vest upon the attainment of a second performance feature based upon the Fair Market Value of the Company's Common Stock. Fair Market Value for this purpose means the closing price of a Share of Common Stock of the Company as reported on the composite tape for securities listed on the New York Stock Exchange on the applicable date. The Base Date for measuring the initial Fair Market Value of

the Company Stock is April 30, 2005, the last day of the first fiscal quarter of fiscal 2005. Shares will vest 20%, 20%, 30% and 30% in fiscal years 2006, 2007, 2008 and 2009, respectively, on condition that on the last day of the first fiscal quarter in each fiscal year, the Fair Market Value of the Company's Stock has increased at a cumulative rate of 7.2% per year over the Fair Market Value of the Common Stock of the Company as of the Base Date. The targets for an increase in the Fair Market Value of the Common Stock of the Company are cumulative, so that, by way of example, if as of the last day of the first fiscal quarter in the year 2006, the Fair Market Value of the Company's Common Stock has not increased by at least 7.2%, then the 20% of the Shares shall not vest as of that date, but in the event that the Fair Market Value of the Company's Common Stock on the last day of the first fiscal quarter in the year 2007 shall increase from the Base Date at the cumulative rate of 7.2% per year, then 40% of the Shares will vest as of the last day of the first fiscal quarter in the year 2007. In all events, Shares shall be vested only upon certification of the Fair Market Value of the Company's Common Stock by the Compensation Committee. The Participant must remain in the employ of the Company on the Determination Date in order to become Vested in the Shares.

AMENDMENTS.

The Committee may amend the 2005 Incentive Plan from time to time, provided that no amendment to the 2005 Incentive Plan shall be effective unless approved by the Company's shareholders, to the extent that such shareholder approval is required under Section 162(m) of the Code with respect to awards which are intended to qualify under that Section.

NEW PLAN BENEFITS.

No Cash Awards have been granted under the 2005 Incentive Plan, and it is not determinable what Cash Awards will be received by any employee under the 2005 Incentive Plan. However, the following table provides information concerning the Cash Award and Restricted Stock that would have been received by each of the following persons and groups for the last completed fiscal year had the 2005 Incentive Plan been in effect.

Approval of this Proposal requires a favorable vote of the holders of a majority of the votes cast by all holders of the outstanding shares of Common Stock voting together as a single class at the meeting. Therefore, an abstention will not have the effect of a vote for or against the Proposal and will not be counted in determining the number of votes required for approval, but will be counted in determining the presence of a quorum.

With respect to Proposal 3, the Board of Directors recommends the shareholders

vote FOR approval of the COMPANY'S 2005 MANAGEMENT INCENTIVE Plan.

PROPOSAL 4

PROPOSAL TO APPROVE  
THE 2005 RESTRICTED STOCK PLAN

The Board of Directors of the Company has adopted, subject to shareholder approval, the following 2005 Restricted Stock Plan (the "Executive Plan"):

DESCRIPTION OF THE 2005 RESTRICTED STOCK PLAN

The 2005 Restricted Stock Plan is administered by the Compensation Committee of the Board of Directors, which Committee is composed of Directors who are not eligible to participate in the 2005 Restricted Stock Plan and who qualify as "non-employee directors" as contemplated by Rule 16(b)(3) adopted by the Securities and Exchange Commission and as "outside directors" under Section 162(m) of the Internal Revenue Code. The Compensation Committee has authority under the 2005 Restricted Stock Plan to grant awards of Restricted Stock. Non-employee Directors are not eligible to receive awards under the 2005 Restricted Stock Plan.

A total of 200,000 shares of Common Stock are reserved for issuance under the 2005 Restricted Stock Plan. There is no limit on the number of Shares of Restricted Stock that may be issued to any Participant. Shares subject to the 2005 Restricted Stock Plan are authorized but unissued shares. Shares reacquired by the Company are returned to the status of authorized but unissued shares pursuant to the Business Corporation Act of Nebraska.

The provisions governing the disposition of specific awards granted under the 2005 Restricted Stock Plan in the event of the retirement, disability, death or other termination of employment of the Participant, as well as the restrictions and vesting requirements with respect to shares will be determined by the Compensation Committee at the time such awards are granted. The 2005 Restricted Stock Plan provides that the Compensation Committee can take certain actions to protect Participants' rights in the event of a change in control of the Company. Restricted stock shares are not transferable other than by will or by the laws of descent and distribution or pursuant to a qualified domestic relations order as defined in the Code.

10

The 2005 Restricted Stock Plan grants the Compensation Committee the ability to qualify grants of Restricted Stock as Qualified Performance Based Compensation. "Qualified Performance Based Compensation" means compensation that is intended to qualify as "Qualified Performance Based Compensation" as described in Section 162(m)(4)(C) of the Internal Revenue Code of 1986, as amended (the "Code"). In making grants of Restricted Stock as Qualified Performance Based Compensation the Compensation Committee is granted the authority under the Plan to determine and select the Performance Criteria and the applicable Performance Period, and to establish Performance Goals. The Plan provides that Performance Criteria that will be used to establish Performance Goals are limited to the following: net earnings (either before or after interest, taxes, depreciation and amortization), net losses, sales or revenue, operating earnings, operating cash flow, return on net assets, return on stockholders equity, return on assets, return on capital, stockholder returns, gross or net profit margin, earnings per share, price per share of Stock, and market share, any of which may be measured either in absolute terms or as compared to any incremental increase or as compared to results of a peer group. Performance Periods may be one or more periods of time, which may be of varying and overlapping durations, as the Committee may select, over which the attainment of one or more Performance Goals will be measured for the purpose of determining a Participant's right to, and payment of, a Performance Based Award.

The Compensation Committee may amend or terminate the 2005 Restricted Stock Plan. However, no such amendment or termination may impair any shares previously awarded under the Plan. Shareholder approval is required for any amendment (i) which must be approved by shareholders under applicable law or the rules of any stock exchange on which shares of the Common Stock are traded, or (ii) which must be approved by shareholders in order to maintain the qualifications of the 2005 Restricted Stock Plan under Section 162(m) of the Internal Revenue Code. The 2005 Restricted Stock Plan was effective February 10, 2005 and will remain

in effect until terminated by the Compensation Committee.

Stock awarded pursuant to the 2005 Restricted Stock Plan will be taxed at the earlier of vesting or removal of restriction of sale or transfer. Generally, no income will be realized by the employee at the time the shares are granted, except by individual voluntary election filed with the Internal Revenue Service. When the shares vest, ordinary income in an amount equal to then fair market value of the shares will be realized. The holding period to determine whether at disposition any appreciation (or depreciation) after the shares vested is treated as short-term or long-term capital gain or loss will begin on the date of vesting. The Company generally will be entitled to a deduction equal to the amount that is taxable as ordinary income to the employee in the year that such income becomes taxable.

SHAREHOLDER ACTION

The Board of Directors believes that the above-described 2005 Restricted Stock Plan is appropriate and consistent with the Company's objectives of attracting and retaining executives of outstanding competence and aligning their interests with those of the shareholders of the Company. Accordingly, the Board believes that approval of the Amendment is in the best interest of the Company and its shareholders.

Approval of this Proposal requires a favorable vote of the holders of a majority of the votes cast by all holders of the outstanding shares of Common Stock voting together as a single class at the meeting. Therefore, an abstention will not have the effect of a vote for or against the Proposal and will not be counted in determining the number of votes required for approval, but will be counted in determining the presence of a quorum.

With respect to Proposal 4, the Board of Directors recommends that the shareholders vote FOR approval of the 2005 RESTRICTED STOCK PLAN.

PROPOSAL 5

PROPOSAL TO APPROVE PERFORMANCE-BASED AWARDS GRANTED PURSUANT TO THE COMPANY'S 2005 RESTRICTED STOCK PLAN

On February 22, 2005, the Compensation Committee approved grants of Restricted Stock to certain executive officers of the Company, as follows:

<TABLE>  
<CAPTION>

Name	Number of Restricted Shares	Name	Number of Restricted Shares
----	-----	----	-----
<S>	<C>	<C>	<C>
Dennis Nelson	21,200	Pat Whisler	4,750
James Shada	9,800	Kari Smith	4,750
Brett Milkie	4,750		

</TABLE>

The Shares of Restricted Stock were granted subject to a Performance Feature that requires that the Company's fiscal 2005 Pre-Bonus, Pre-Tax Net Income to increase at least 8% above the fiscal 2004 Pre-Bonus, Pre-Tax Net Income for Shares of Restricted Stock to be Vested. The grant of Restricted Stock provides that if the performance target is met, the Restricted Stock will vest 20% upon the Compensation Committee's certification of the performance results, 20% in January of 2007, 30% in January of 2008 and 30% in January of 2009.

If the Performance Goal is not met (i.e. if an 8% increase in fiscal 2005 Pre-Bonus Net Income is not achieved), then the Restricted Stock may vest upon the attainment of a second performance feature based upon the Fair Market Value of the Company's Common Stock. Fair Market Value for this purpose means the closing price of a Share of Common Stock of the Company as reported on the composite tape for securities listed on the New York Stock Exchange on the applicable date. The Base Date for measuring the initial Fair Market Value of the Company Stock is April 30, 2005, the last day of the first fiscal quarter of fiscal 2005. Shares will vest 20%, 20%, 30% and 30% in fiscal years 2006, 2007, 2008 and 2009, respectively, on condition that on the last day of the first fiscal quarter in each fiscal year, the Fair Market Value of the Company's Stock

has increased at a cumulative rate of 7.2% per year over the Fair Market Value of the Common Stock of the Company as of the Base Date. The targets for an increase in the Fair Market Value of the Common Stock of the Company are cumulative, so that, by way of example, if as of the last day of the first fiscal quarter in the year 2006, the Fair Market Value of the Company's Common Stock has not increased by at least 7.2%, then the 20% of the Shares shall not vest as of that date, but in the event that the Fair Market Value of the Company's Common Stock on the last day of the first fiscal quarter in the year 2007 shall increase from the Base Date at the cumulative rate of 7.2% per year, then 40% of the Shares will vest as of the last day of the first fiscal quarter in the year 2007. In all events, Shares shall be vested only upon certification of the Fair Market Value of the Company's Common Stock by the Compensation Committee. The Participant must remain in the employ of the Company on the Determination Date in order to become Vested in the Shares.

You are being asked to approve the terms of the performance goals. This approval is required under the Internal Revenue Code and Internal Revenue Service Regulations (the "Code") in order to preserve the Company's federal income tax deduction with respect to the grant of these restricted shares. The terms of the Restricted Share Plan, pursuant to which the restricted shares were granted, is subject to approval by our shareholders at the Annual Meeting of Shareholders to be held on June 2, 2005.

#### PURPOSE OF PROPOSAL.

As discussed in the Report of the Compensation Committee in this Proxy Statement, the Company generally seeks to preserve its ability to claim tax deductions for compensation paid to executives to the greatest extent practicable. Section 162(m) of the Code sets limits on the Company's federal income tax deduction for compensation paid in any taxable year to an individual who, on the last day of the taxable year, was (i) the Chief Executive Officer or (ii) among the four other highest-compensated executive officers whose compensation is reported in the Summary Compensation Table of the Proxy Statement. "Qualified performance-based compensation" which can include compensation from stock options, cash awards and certain grants Restricted Stock, is not subject to this deduction limit, and therefore is fully deductible, if certain conditions are met. One of the conditions is shareholder approval of the material terms of the performance goals under which the compensation is paid.

The Restricted Stock granted by the Compensation Committee on February 22, 2005, was granted subject to the condition that the shareholders approve the performance features.

#### MATERIAL TERMS OF THE PERFORMANCE GOALS.

Under the grant of Restricted Stock, the performance goals apply to fiscal 2005, and require that the Pre-Bonus, Pre-Tax Net Income for the year increase at least 8% over the Pre-Bonus, Pre-Tax Net Income for the prior fiscal year before the Restricted Stock is Vested. If an 8% Increase in Pre-Bonus, Pre-Tax Net Income is not achieved, then the Shares of Restricted Stock may vest over four years if the Fair Market Value of the Company's Stock increases at the cumulative rate of 7.2% per year for those four years, commencing April 30, 2005. Shares of Restricted Stock shares were granted to all executive officers.

12

Approval of this Proposal requires a favorable vote of the holders of a majority of the votes cast by all holders of the outstanding shares of Common Stock voting together as a single class at the meeting. Therefore, an abstention will not have the effect of a vote for or against the Proposal and will not be counted in determining the number of votes required for approval, but will be counted in determining the presence of a quorum.

WITH RESPECT TO PROPOSAL 5, THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR APPROVAL OF THE PERFORMANCE-BASED AWARDS GRANTED PURSUANT TO THE COMPANY'S 2005 RESTRICTED STOCK PLAN.

The executive officers' bonuses for fiscal 2003 were calculated based upon the Company's 2003 Management Incentive Plan, as approved at the 2003 Annual Meeting of Stockholders. The executive officers' bonuses for fiscal 2002 were calculated based upon the Company's 2002 Management Incentive Plan, as approved at the 2002 Annual Meeting of Stockholders. (See "Report of the Compensation Committee")

REPORT OF THE COMPENSATION COMMITTEE

The Company is engaged in a highly competitive industry, with fashion, selection, quality, price, location, store environment and service being the principal competitive factors. In order to succeed, the Company believes that it must be able to attract and retain highly qualified executives. The Company

emphasizes the promotion of store managers and other management personnel from within. The Company's compensation philosophy is that each member in a position to make the Company grow should be rewarded more highly than other team members. Historically, this compensation philosophy has been reflected in the Company's policy of basing compensation of its key sales and merchandising employees primarily on performance bonuses.

For fiscal 2004, the compensation program for executive officers, including Mr. Nelson, who serves as President and Chief Executive Officer, consisted of:

- o salary;
- o incentive cash bonus, based upon the actual performance of the Company;
- o 401(k) plan, together with a supplemental non-qualified retirement plan to provide officers with a benefit more comparable to that being currently provided to other employees under the 401(k) plan; and
- o stock options

Stock options were paid and granted in accordance with the 2004 Management Incentive Plan which was previously approved by the Shareholders.

SALARY. Fiscal 2004 salaries for the executive officers were set in January of 2004, and were increased over the salaries paid for fiscal 2003. The salary amounts are reported in the Summary Compensation Table on page 13.

#### CASH AWARDS.

The 2004 Management Incentive Plan, which was approved by the stockholders at the annual meeting in 2004, in addition to creating a Bonus Pool as a Cash Incentive for executive officers, granted the Compensation Committee discretion to grant year-end cash incentives for extraordinary events as may be determined by the Compensation Committee. The Bonus Pool for fiscal 2004 included 8.5% of the increase in Same Store Sales (as defined in the Plan), 5% of the increase in Gross Profit (as defined in the Plan) and 15% of the increase in Pre-Bonus Net Income. The base year amounts under the Plan are the immediately preceding fiscal year for Same Store Sales, and the prior three-year rolling average for the Gross Profit and Pre-Bonus Net Income.

For fiscal 2004, the Company achieved the incentive goal in each of the following three criteria: Comparable Store Sales, Gross Profit and Pre-Bonus Net Income. The Bonus Pool, computed in accordance with the 2004 Management Incentive Plan, was \$4,272,332, which was allocated among the executive officers as follows:

Dennis H. Nelson	\$1,857,536
James E. Shada	\$ 928,768
Brett P. Milkie	\$ 371,507
Patricia K. Whisler	\$ 371,507
Kari G. Smith	\$ 371,507

#### STOCK OPTIONS.

Options were granted pursuant to the 1997 Executive Stock Option Plan as of the last day of the fiscal year preceding the Plan Year for which the Options are granted. Options granted under the Plan vest according to the same terms as the 1997 Management Incentive Plan. Those terms include a performance feature whereby one-half of the Options granted will vest over three years if a 10% increase in Pre-Bonus Net Income is achieved, and the second one-half of the Options granted vest over three years if a 30% increase in Pre-Bonus Net Income is achieved. If the

14

performance goals are not met the Options will ultimately vest thirty days prior to the expiration date. This Plan includes an "accelerator" feature whereby the Options vest upon the occurrence of the Fair Market Value of the Company's common stock being equal to or greater than twice the option price for a respective grant.

All Options also include a "reload" feature under this Plan.

Dennis H. Nelson	103,500
James E. Shada	51,750

Kari G. Smith	25,200
Patricia K. Whisler	25,200
Brett P. Milkie	25,200

The Company achieved both performance goals set for fiscal 2004, thus all options granted to executive officers and others on January 31, 2004, vested one-third immediately upon certification by the Compensation Committee that both goals had been met, with the remaining two-thirds vesting in equal portions on the last day fiscal 2005 and the last day of fiscal 2006.

The Compensation Committee has considered the application of the Internal Revenue Code which disallows a public company's deduction for top executive's compensation in the excess of \$1,000,000. The Committee intends that all of the compensation payable to its executive officers be deductible for income tax purposes.

This report was submitted by the Compensation Committee, which is comprised of:

Bill L. Fairfield	William D. Orr
Robert E. Campbell	Ralph M. Tysdal
Bruce L. Hoberman	David A. Roehr

#### REPORT OF THE AUDIT COMMITTEE

The audit committee currently consists of six members of the Board, each of whom is independent of the Company and its management, as defined by the New York Stock Exchange listing standards.

In March 2000, the Board adopted a charter for the audit committee, a copy of which was attached as Appendix A to the Company's proxy statement for the meeting held in 2001. The charter specifies the scope of the audit committee's responsibilities and how it carries out those responsibilities. A copy of the Audit Committee Charter is also available free of charge on the Company's website, WWW.BUCKLE.COM, or upon written request to the Corporate Secretary, The Buckle, Inc., 2407 West 24th St., Kearney, NE 68845.

The audit committee has reviewed and discussed the Company's January 29, 2005 audited financial statements with management and with Deloitte & Touche LLP, the Company's independent registered public accounting firm. The audit committee also has discussed with Deloitte & Touche LLP the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended by Statement on Auditing Standards No. 90 (Audit Committee Communications).

The audit committee also has received from Deloitte & Touche LLP the written disclosures and the letter required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with Deloitte & Touche LLP their independence from the Company. The audit committee also has considered whether the provision of non-audit services to the Company is compatible with the independence of Deloitte & Touche LLP.

Based on the review and discussion referred to above, the audit committee recommended to the Board that the January 29, 2005 audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended January 29, 2005 to be filed with the Securities and Exchange Commission.

This report was submitted by the Audit Committee of the Board, which is comprised of:

Bill L. Fairfield	William D. Orr
Robert E. Campbell	Ralph M. Tysdal
Bruce L. Hoberman	David A. Roehr

- (1) The shares granted January 31, 2004 at \$25.75 vested one-third on March 21, 2005 (upon certification that both performance goals had been met during Fiscal 2004) and the remaining two-thirds shall vest in equal portions on the last day of fiscal 2005 and the last day of fiscal 2006.
- (2) The Company granted options totaling 505,150 to employees during fiscal 2004.
- (3) As suggested by the Commission's rules on executive compensation disclosure, the Company used the Black-Scholes model of option valuation to determine grant date present value. The Company does not advocate or necessarily agree that the Black-Scholes model can properly determine the value of an option. The present value calculations are based on a ten-year option term with an expected life of seven years. Assumptions include: interest rate of 4.0%; annual dividend yield of 1.50%; and volatility of 65%.

EMPLOYMENT AGREEMENTS

The Company has no employment agreements under which any employee, including the executive officers, is entitled to employment for any specific period of time. Each fiscal year each executive officer signs an acknowledgment which contains the anticipated compensation arrangement for the employee for the current fiscal year, and acknowledges that the employee is an employee at will, and that the terms of the employment arrangement can be changed by the Company or terminated by either the Company or the officer at any time. Each executive officer listed in the summary compensation table above receives a salary plus a cash incentive, based on growth in key performance categories, and stock options, as provided for in the 2004 Executive Compensation Plan. For fiscal 2004 the acknowledgments provided base salary for each of these executive officers as follows: Dennis H. Nelson \$760,000, James E. Shada \$430,000, Kari G. Smith \$248,000, Patricia K. Whisler \$248,000, and Brett P. Milkie \$250,000. For fiscal 2003 and 2002, the bonus amounts were paid according to the 2003 Executive Compensation Plan and the 2002 Management Incentive Plan, respectively. (See "Report of the Compensation Committee.")

Bonuses are payable before April 15 of the year following the year to which they related and are contingent upon the employee being employed by the Company on the last day of the fiscal year for which the bonus was earned. For purposes of computing bonuses for all executive officers identified in the summary compensation table "profits" mean Pre-Bonus, Pre-Tax Net Income, excluding income on cash and investments and after deducting bonus draws.

(c) RESTRICTIONS ON TRANSFER OF RESTRICTED STOCK.

- (i) GENERAL RULE ON PERMISSIBLE TRANSFER OF RESTRICTED STOCK. Unvested Restricted Stock may not be transferred. Vested Restricted Stock may be Transferred only in accordance with the specific limitations on the Transfer of Restricted Stock imposed by the Restricted Stock Agreement or by applicable state or federal securities laws and set forth below, and subject to certain undertakings of the transferee (subsection 6(c)(iii)). All Transfers of Restricted Stock not meeting the conditions set forth in this Section 6(c) are expressly prohibited.
- (II) EFFECT OF PROHIBITED TRANSFER. Any prohibited Transfer of Restricted Stock is void and of no effect. Should such a Transfer purport to occur, the Company may refuse to carry out the Transfer on its books, attempt to set aside the Transfer, enforce any undertaking or right under this subsection 6(c), or exercise any other legal or equitable remedy.
- (III) REQUIRED UNDERTAKING. Any Transfer that would otherwise be permitted under the terms of this Plan is prohibited unless the transferee executes such documents as the Company may reasonably require to ensure that the Company's rights under a Restricted Stock Purchase Agreement and this Plan are adequately protected with respect to the Restricted Stock so Transferred. Such documents may include, without limitation, an agreement by the transferee to be bound by all of the terms of this Plan, and of the applicable Restricted Stock Agreement, as if the transferee were the original Holder of such Restricted Stock.
- (IV) ESCROW. To facilitate the enforcement of the restrictions on Transfer set forth in this Plan, the Committee may, at its discretion, require the Holder of shares of Restricted Stock to deliver the certificate(s) for such shares with a stock power executed in blank by Holder and Holder's spouse (if required for transfer), to the Secretary of the Company or his or her designee, to hold said certificate(s) and stock power(s) in escrow and to take all such actions and to effectuate all such Transfers and/or releases as are in accordance with the terms of this Plan. The certificates may be held in escrow so long as the shares of Restricted Stock whose ownership they evidence are subject to any right of repurchase or of first refusal under this Plan or under a Restricted Stock Agreement.

25

Each Holder acknowledges that the Secretary of the Company (or his or her designee) is so appointed as the escrow holder with the foregoing authorities as a material inducement to the issuance of shares of Restricted Stock under this Plan, that the appointment is coupled with an interest, and that it accordingly will be irrevocable. The escrow holder will not be liable to any party to a Restricted Stock Agreement (or to any other party) for any actions or omissions unless the escrow holder is grossly negligent relative thereto. The escrow holder may rely upon any letter, notice or other document executed by any signature purported to be genuine.

- (d) ADDITIONAL RESTRICTIONS ON TRANSFER. By accepting Restricted Stock under this Plan, the Holder will be deemed to represent, warrant and agree as follows:

(I) APPLICABLE LAWS. The Holder understands that each Transfer of the Restricted Stock requires full compliance with the provisions of all applicable laws.

(II) INVESTMENT INTENT. Unless a registration statement is in effect with respect to the sale and issuance of the Restricted Stock to the Holder hereunder: (1) the Holder is purchasing the Restricted Stock for his or her own account and not with a view to distribution within the meaning of the 1933 Act, other than as may be effected in compliance with the 1933 Act and the rules and regulations promulgated thereunder; (2) no one else will have any beneficial interest in the Restricted Stock; and (3) Holder has no present intention of disposing of the Restricted Stock at any particular time.

(e) COMPLIANCE WITH LAW. Notwithstanding any other provision of this Plan, Restricted Stock may be issued pursuant to this Plan only after there has been compliance with all applicable federal and state securities laws, and such issuance will be subject to this overriding condition. The Company will not be required to register or qualify Restricted Stock with the Securities and Exchange Commission or any State agency, except that the Company will register with, or as required by local law, file for and secure an exemption from, the applicable securities administrator and other officials of each jurisdiction in which an Eligible Participant would be issued Restricted Stock hereunder prior to such issuance.

(f) STOCK CERTIFICATES. Certificates representing the Restricted Stock issued pursuant to this Plan will bear all legends required by law and necessary to effectuate this Plan's provisions. The Company may place a "stop transfer" order against shares of the Restricted Stock until all restrictions and conditions set forth in this Plan and in the legends referred to in this Section 6(f) have been complied with.

(g) LOCK-UP. To the extent requested by the Company and any underwriter of securities of the Company in connection with a firm commitment underwriting, no Holder of any shares of Restricted Stock will sell or otherwise Transfer any such shares not included in such underwriting, or not previously registered pursuant to a registration statement filed under the 1933 Act, during the one hundred twenty (120) day period following the effective date of the registration statement filed with the Securities and Exchange Commission in connection with such offering.

(h) NOTICES. Any notice to be given to the Company under the terms of a Restricted Stock Agreement will be addressed to the Company at its principal executive office, Attn: Corporation Secretary, or at such other address as the Company may designate in writing. Any notice to be given to a Holder will be addressed to the Holder at the address provided to the Company by the Holder. Any such notice will be deemed to have been duly given if and when enclosed in a properly sealed envelope, addressed as aforesaid, registered and deposited, postage and registry fee prepaid, in a post office or branch post office regularly maintained by the United States Postal Service.

(i) OTHER PROVISIONS. The Restricted Stock Agreement may contain such other terms, provisions and conditions, including such special forfeiture conditions, rights of repurchase, rights of first refusal and other restrictions on Transfer of Restricted Stock issued hereunder, not inconsistent with this Plan, as may be determined by the Committee in its sole discretion.

## 7. PERFORMANCE BASED AWARDS.

(a) PURPOSE. The purpose of this Section 7 is to provide the Committee the ability to qualify grants of Restricted Stock as Qualified Performance Based Compensation. If the Committee, in its discretion, decides to grant a Performance Based Award to a Covered Employee, the provisions of this Section 7 shall control over any contrary provision contained in the Plan.

- (b) **APPLICABILITY.** This Section 7 shall apply only to those Covered Employees selected by the Committee to receive Performance Based Awards. The designation of a Covered Employee as a Participant for a Performance Period shall not in any manner entitle the Participant to receive an Award for the period. Moreover, designation of a Covered Employee as a Participant for a particular Performance Period shall not require designation of such Covered Employee as a Participant in any subsequent Performance Period and designation of one Covered Employee as a Participant shall not require designation of any other Covered Employee as a Participant in such period or in any other period.
- (c) **PROCEDURES WITH RESPECT TO PERFORMANCE BASED AWARDS.** To the extent necessary to comply with the Qualified Performance Based Compensation requirements of Section 162(m)(4)(C) of the Code, with respect to any Award granted under this Plan which may be granted to one or more Covered Employees, no later than ninety (90) days following the commencement of any fiscal year in question or any other designated fiscal period or period of service (or such other time as may be required or permitted by Section 162(m) of the Code), the Committee shall, in writing, (i) designate one or more Covered Employees, (ii) select the Performance Criteria applicable to the Performance Period, (iii) establish the Performance Goals, and amounts of such Awards, as applicable, which may be earned for such Performance Period, and (iv) specify the relationship between Performance Criteria and the Performance Goals and the amounts of such Awards, as applicable, to be earned by each Covered Employee for such Performance Period. Following the completion of each Performance Period, the Committee shall certify in writing whether the applicable Performance Goals have been achieved for such Performance Period. In determining the amount earned by a Covered Employee, the Committee shall have the right to reduce or eliminate (but not to increase) the amount payable at a given level of performance to take into account additional factors that the Committee may deem relevant to the assessment of individual or corporate performance for the Performance Period.
- (d) **PAYMENT OF PERFORMANCE BASED AWARDS.** Unless otherwise provided in the applicable Restricted Stock Agreement, a Participant must be employed by the Company or a Subsidiary on the day a Performance Based Award for such Performance Period becomes vested. Furthermore, a Participant shall become vested pursuant to a Performance Based Award for a Performance Period only if the Performance Goals for such period are achieved. In determining the amount earned under a Performance Based Award, the Committee may reduce or eliminate the amount of the Performance Based Award earned for the Performance Period, if in its sole and absolute discretion, such reduction or elimination is appropriate.
- (e) **ADDITIONAL LIMITATIONS.** Notwithstanding any other provision of the Plan, any Award which is granted to a Covered Employee and is intended to constitute Qualified Performance Based Compensation shall be subject to any additional limitations set forth in Section 162(m) of the Code (including any amendment to Section 162(m) of the Code) or any regulations or rulings issued thereunder that are requirements for qualification as qualified performance based compensation as described in Section 162(m)(4)(C) of the Code, and the Plan shall be deemed amended to the extent necessary to conform to such requirements.

#### 8. PROCEEDS FROM SALE OF STOCK.

Cash proceeds from the sale of shares of Restricted Stock, if any, issued from time to time pursuant to this Plan will be added to the general funds of the Company and as such will be used from time to time for general corporate purposes.

#### 9. AMENDMENT AND DISCONTINUANCE.

The Committee may amend, suspend or discontinue this Plan at any time or from time to time; provided that no such action of the Committee shall alter or impair any rights previously granted to Holders under the Plan without the

consent of such affected Holders (or their successors or assignees).

#### 10. GENERAL PROVISIONS.

- (a) NO RIGHTS TO AWARDS. No Eligible Participant or other person shall have any claim to be granted any Award pursuant to the Plan, and neither the Company nor the Committee is obligated to treat Eligible Participants, Participants or other persons uniformly.
- (b) WITHHOLDING. The Company shall have the authority and the right to deduct or withhold, or require an Eligible Participant or Holder to remit to the Company, an amount sufficient to satisfy federal, state, local and foreign taxes (including the Holder's FICA obligation) required by law to be withheld with respect to

27

any taxable event concerning a Holder arising as a result of this Plan. The Committee may in its discretion and in satisfaction of the foregoing requirement allow an Eligible Participant or Holder to elect to have the Company withhold shares of Stock otherwise issuable under an Award (or allow the return of shares of Stock) having a fair market value equal to the sums required to be withheld. Notwithstanding any other provision of the Plan, the number of shares of Stock which may be withheld with respect to the issuance, vesting, exercise or payment of any Award (or which may be repurchased from the Participant of such Award within six (6) months (or such other period as may be determined by the Committee) after such shares of Stock were acquired by the Participant from the Company) in order to satisfy the Participant's federal, state, local and foreign income and payroll tax liabilities with respect to the issuance, vesting, exercise or payment of the Award shall be limited to the number of shares which have a fair market value on the date of withholding or repurchase equal to the aggregate amount of such liabilities based on the minimum statutory withholding rates for federal, state, local and foreign income tax and payroll tax purposes that are applicable to such supplemental taxable income.

- (c) INDEMNIFICATION. To the extent allowable pursuant to applicable law, each member of the Committee or of the Board shall be indemnified and held harmless by the Company from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by such member in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any proceeding against him or her; PROVIDED he or she gives the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled pursuant to the Company's Articles of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify or hold them harmless.
- (d) EXPENSES. The expenses of administering the Plan shall be borne by the Company and its Subsidiaries.
- (e) TITLES AND HEADINGS. The titles and headings of the Sections in the Plan are for convenience of reference only and, in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.
- (f) FRACTIONAL SHARES. No fractional shares of Stock shall be issued and the Committee shall determine, in its discretion, whether cash shall be given in lieu of fractional shares or whether such fractional shares shall be eliminated by rounding up or down is appropriate.
- (g) LIMITATIONS APPLICABLE TO SECTION 16 PERSONS. Notwithstanding any other provision of the Plan, the Plan, and any Award granted or awarded to any Participant who is then subject to Section 16 of the 1934 Act, shall be subject to any additional limitations set forth in any applicable exemptive rule under Section 16 of the 1934 Act

(including any amendment to Rule 16b-3 of the 1934 Act) that are requirements for the application of such exemptive rule. To the extent permitted by applicable law, the Plan and Awards granted or awarded hereunder shall be deemed amended to the extent necessary to conform to such applicable exemptive rule.
