AMENDMENT NO. 3 TO SCHEDULE 13D

This Amendment No. 3 to Schedule 13D (this "Amendment") amends and supplements the Schedule 13D previously filed by Acuitas Group Holdings, LLC, a California limited liability company ("Acuitas"), and Terren S. Peizer ("Mr. Peizer") (collectively, the "Reporting Persons") on July 3, 2018, as amended by Amendment No. 1 filed on September 25, 2019, and Amendment No. 2 filed on

September 23, 2020 (as so amended, the “Original Statement” and, as amended and supplemented by this Amendment, the “Statement”), relating to the Class A common stock, par value \$0.0001 per share (“Common Stock”), of BioVie Inc., a Nevada corporation (the “Company” or “Issuer”). The address of the Issuer’s principal executive office is 2120 Colorado Avenue, #230, Santa Monica, California 90404.

Except as specifically amended by this Amendment, items in the Original Statement are unchanged. Capitalized terms used herein that are not defined have the meaning ascribed to them in the Original Statement.

ITEM 4. PURPOSE OF TRANSACTION

Item 4 of the Statement is hereby amended and supplemented to include the following information:

“On April 27, 2021, Acuitas and NeurMedix, Inc., a Delaware corporation that is indirectly wholly owned by Mr. Peizer (“NeurMedix”), entered into an Asset Purchase Agreement, dated as of April 27, 2021 (the “Purchase Agreement”), by and among the Company, NeurMedix and Acuitas (solely for purposes of Section 10.16 thereof). A copy of the Purchase Agreement is attached hereto as Exhibit 10.2.

Pursuant to the Purchase Agreement, the Company has agreed to acquire certain assets from NeurMedix and assume certain liabilities of NeurMedix, in exchange for the consideration described below (the “Transaction”). The purchased assets include, among others, those related to certain drug candidates being developed by NeurMedix, including NE3107, a small molecule orally administered inhibitor of insulin resistance and the pathological inflammatory cascade, with a novel mechanism of action that has potential applications for treatment against Alzheimer’s Disease and Parkinson’s Disease.

Pursuant to the Purchase Agreement, at the closing of the Transaction, the Company will issue to NeurMedix 8,356,240 newly issued shares of the Issuer’s Common Stock and make a cash payment equal to the aggregate amount of NeurMedix’s direct and documented cash expenditures to advance certain clinical programs from March 1, 2021 through the closing, which cash payment is estimated to be approximately \$3.0 million. Immediately following the consummation of the Transaction, the Reporting Persons will beneficially own in the aggregate 87.5% of the issued and outstanding shares of the Issuer’s Common Stock. In addition, subject to the terms and conditions of the Purchase Agreement, following the closing, the Company will be obligated to deliver contingent consideration to NeurMedix (or its successor) consisting of (i) a cash payment of approximately \$7.3 million, subject to a pivotal clinical trial for NE3107 meeting its primary endpoint(s) and the Company having successfully raised at least \$50 million in new capital after the date of the Purchase Agreement, and (ii) newly issued shares of the Issuer’s Common Stock having an aggregate value of up to \$3.0 billion (determined as set forth in the Purchase Agreement), but not to exceed such number of shares that, together with all other shares of the Issuer’s Common Stock beneficially owned by the Reporting Persons as of such time, would represent in the aggregate 89.9999% of the total shares of the Issuer’s Common Stock issued and outstanding immediately upon such issuance, subject to the achievement of certain clinical, regulatory and commercial milestones related to the drug candidates to be acquired by the Company from NeurMedix, as more fully set forth in the Purchase Agreement. The Transaction is anticipated to close in the second quarter of calendar year 2021.

The foregoing summary of the Purchase Agreement is qualified in its entirety by reference to the complete copy of the Purchase Agreement attached hereto as Exhibit 10.2 and incorporated herein by reference.”

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER

Items 5(a) and (b) of the Statement are hereby amended and restated as follows:

“(a) The approximate aggregate percentage of the Issuer’s Common Stock beneficially owned by the Reporting Persons, as reported herein, is based on 13,958,516 shares of Common Stock of the Company issued and outstanding as of April 26, 2021, resulting in the Reporting Persons beneficially owning approximately 80.0% of the issued and outstanding Common Stock of the Issuer.

(b) The Reporting Persons beneficially own an aggregate of 11,168,538 shares of Common Stock, representing in the aggregate approximately 80.0% of the total issued and outstanding shares of Common Stock of the Company. The Reporting Persons have the shared power to vote or direct to vote, and the shared power to dispose of or direct the disposition of, such shares of Common

Stock. Although Mr. Peizer does not directly own any of the Company's securities, he may be deemed a beneficial owner of the securities owned by Acuitas pursuant to Rule 13d-3 of the Securities Exchange Act of 1934, as amended."

Item 5(c) of the Statement is hereby supplemented with the following:

"Except as described in this Statement, the Reporting Persons had no transactions in the Common Stock of the Company in the past sixty (60) days."

ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER

Item 6 of the Statement is hereby amended and supplemented to include the following information:

"The information set forth in Item 4 of this Statement is incorporated herein by reference."

ITEM 7. MATERIALS TO BE FILED AS EXHIBITS

Item 7 of the Statement is hereby amended and supplemented to include the following information:

"10.2 [Asset Purchase Agreement, dated as of April 27, 2021, by and among BioVie Inc., NeurMedix, Inc., and Acuitas Group Holdings, LLC, solely for purposes of Section 10.16.](#)"

ASSET PURCHASE AGREEMENT

THIS ASSET PURCHASE AGREEMENT (this “Agreement”) is made and entered into as of April 27, 2021, by and among BioVie Inc., a Nevada corporation (“Buyer”), NeurMedix, Inc., a Delaware corporation (“Seller”), and Acuitas Group Holdings, LLC, a California limited liability company (“Guarantor”), solely for purposes of Section 10.16. Buyer, Seller and the Guarantor may be referred to herein, collectively, as the “Parties” and, individually, as a “Party.”

WHEREAS, Seller desires to sell, transfer and assign (or cause to be sold, transferred and assigned) to Buyer, and Buyer desires to purchase from Seller, the Acquired Assets, upon the terms and subject to the conditions set forth in this Agreement; and

WHEREAS, for U.S. federal income tax purposes, it is intended that the purchase of the Acquired Assets, followed by the Seller Liquidation (as defined below), will qualify as a “reorganization” within the meaning of Section 368(a)(1)(D) of the Code, and that this Agreement will be, and hereby is, adopted as a “plan of reorganization” for purposes of the Code and the Treasury Regulations; and

NOW, THEREFORE, in consideration of the premises and of the mutual representations, warranties, covenants and agreements herein contained, and for other good and valuable consideration (the receipt and sufficiency of which are hereby acknowledged), the Parties, intending to be legally bound, hereby agree as follows:

ARTICLE I SALE AND PURCHASE OF ASSETS; CLOSING

1.1 Sale and Purchase of Assets; Assumption of Assumed Liabilities.

(a) Upon the terms and subject to the conditions hereof, at the Closing, Seller shall sell, assign, transfer and deliver (or cause to be sold, assigned, transferred and delivered) to Buyer, and Buyer shall purchase from Seller, all right, title and interest in, to and under the Acquired Assets, free and clear of all Liens (other than Permitted Liens) in exchange for (i) the Purchase Price, which shall be payable as set forth in Section 1.4(b) and Section 1.5, and (ii) the assumption by Buyer of the Assumed Liabilities.

(b) Upon the terms and subject to the conditions hereof, at the Closing, Buyer shall assume and agree to pay, perform and discharge when due the Assumed Liabilities. Notwithstanding anything to the contrary in any Transaction Document, (i) Buyer shall not assume, and Seller shall remain primarily liable for, and shall pay, perform and discharge when due, the Retained Liabilities and (ii) Buyer shall not acquire any Excluded Assets.

(c) Anything in this Agreement to the contrary notwithstanding, this Agreement shall not constitute an agreement to assign or transfer, and the Acquired Assets shall not include, any Contract or Permit, or any claim, right or benefit arising thereunder or resulting therefrom, if (i) an attempted assignment or transfer thereof, without the consent of a Third Party thereto or of the issuing Governmental Authority, as the case may be, would constitute a breach thereof and (ii) such consent is not obtained prior to the Closing (each, a “Deferred Item”). In such case, (A) such Deferred Item shall be withheld from sale pursuant to this Agreement without any reduction in the Purchase Price due pursuant to Section 1.1(a), (B) from and after the Closing, Seller and Buyer will cooperate and use commercially reasonable efforts to obtain such consent as soon as practicable after the Closing, and (C) until such consent is obtained, Seller and Buyer will cooperate with each other in any reasonable alternative arrangement (including subleasing or subcontracting, if permitted) to provide (or cause to be provided) to Buyer the economic benefits under such Deferred Item, including, to the extent permitted by applicable Law or the applicable Contract or Permit, enforcement for the benefit of Buyer of all claims or rights arising thereunder, and, if Buyer so receives such economic benefits, to relieve Seller of the burdens intended hereby to be assigned to and assumed by Buyer in respect of such Deferred Item.

1.2 Pre-Closing. No less than three (3) Business Days prior to the Closing Date, Seller shall deliver to Buyer wire transfer instructions for payment of the Initial Cash Payment to Seller by wire transfer.

1.3 Location and Date. The consummation of the transactions contemplated pursuant to this Agreement (the “Closing”) shall take place by remote exchange of documents and signatures on the second (2nd) Business Day following the date on which all conditions to the Closing set forth in Article VI shall have been satisfied or waived (other than those that by their terms are not contemplated to be satisfied until the time of the Closing, but subject to the fulfillment or waiver of such conditions at the time of the Closing), or on such other date and/or time as Buyer and Seller may mutually agree in writing. The date on which the Closing actually occurs is referred to herein as the “Closing Date.”

1.5 Contingent Consideration. The Contingent Consideration shall be payable by Buyer as set forth in this Section 1.5.

(a) Contingent Cash Amount. Subject to the terms and conditions of this Agreement, Buyer shall pay to the Seller Successor additional cash payments up to an aggregate of \$7,261,224.21 (the "Contingent Cash Amount") contingent upon the satisfaction of the following conditions: (i) a Pivotal Clinical Trial for NE3107 for the treatment of Alzheimer's Disease meeting its primary endpoint(s); and (ii) Buyer having successfully raised (in one or more transactions) at least \$50,000,000 in new capital after the date of this Agreement (together, the "Contingent Cash Conditions"). Subject to the satisfaction of the Contingent Cash Conditions, on the closing date for each capital raise completed by Buyer from and after the Closing (including the first capital raise upon completion of which the Contingent Cash Condition set forth in clause (ii) above has been satisfied, provided that the net proceeds of such capital raise exceed \$75,000,000, and provided, further, that if the managing underwriter for such capital raise advises Buyer in writing that, in its reasonable view, marketing and execution factors require a reduction in the Contingent Cash Amount payable from such capital raise, then Buyer shall so inform the Seller Successor and the Contingent Cash Amount shall be so reduced), Buyer shall pay to the Seller Successor an amount in cash equal to 10% of the net proceeds of the applicable capital raise (up to the Contingent Cash Amount), by

wire transfer of immediately available funds in accordance with wire transfer instructions delivered by the Seller Successor to Buyer at least two (2) Business Days prior to the closing date for such capital raise, until the Contingent Cash Amount has been paid in full.

(b) Contingent Stock Consideration.

(i) Upon the achievement of the milestones set forth in the table below (the “Milestones”) for any of the products set forth on Schedule 1.5(b) (the “Milestone Products”), Buyer shall issue to the Seller Successor shares of Buyer Common Stock (the “Contingent Stock Consideration”) having the aggregate value set forth with respect to the applicable Milestone in the table below, which shall be determined as set forth in clause (ii) below (it being understood, for the avoidance of doubt, that each Milestone may be achieved only once).

Milestone	Value of Buyer Common Stock
A. A Pivotal Clinical Trial for any Milestone Product meets its primary endpoint(s).	\$ 350,000,000
B. The FDA accepts an NDA for any Milestone Product, provided that 50% of this Milestone shall be payable earlier upon the filing of a marketing authorization application for any Milestone Product with the European Medicines Agency.	\$ 700,000,000
C. The FDA approves an NDA for any Milestone Product, provided that 50% of this Milestone shall be payable earlier upon the grant by the European Commission of marketing authorization for any Milestone Product.	\$ 1,200,000,000
D. Net Sales for all Milestone Products together reach at least \$1,000,000,000 during any fiscal year of the Buyer.	\$ 750,000,000

(ii) The number of shares of Buyer Common Stock to be issued by Buyer to the Seller Successor pursuant to this Section 1.5(b) upon the achievement of any Milestone shall be determined by dividing (x) the value of the Buyer Common Stock set forth with respect to the applicable Milestone in the table set forth in Section 1.5(b)(i) above by (y) the Buyer Trading Price for the ten (10) consecutive Business Days commencing on the third (3rd) Business Day following public announcement of the applicable Milestone, which, in the case of Milestones A, B and C in the table set forth in this Section 1.5(b), Buyer shall publicly announce on a Current Report on Form 8-K within four (4) Business Days of the occurrence of the applicable Milestone, and, in the case of Milestone D in the table set forth in this Section 1.5(b), Buyer shall publicly announce in its Annual Report on Form 10-K for the applicable fiscal year. Buyer shall issue the shares of Buyer Common Stock constituting the Contingent Stock Consideration with respect to any applicable Milestone to the Seller Successor within five (5) Business Days following the determination of the number of shares of Buyer Common Stock to be issued. Notwithstanding the foregoing, if, following the issuance by Buyer of the shares of Buyer Common Stock constituting the Contingent Stock Consideration following the achievement of a Milestone, the total ownership of the Seller Successor and its Affiliates of shares of Buyer Common Stock (including in the numerator of such calculation any shares of Buyer Common Stock Transferred by the Seller Successor or its Affiliates to a Third Party after the date of this Agreement) would exceed 89.9999% of the Buyer Outstanding Shares, Buyer shall reduce the number of shares of Buyer Common Stock issuable upon achievement of the applicable Milestone such that, following issuance of the applicable shares of Buyer Common Stock, the Seller Successor and its Affiliates would own 89.9999% of the Buyer Outstanding Shares (including in the numerator of such calculation any shares of Buyer Common Stock Transferred by the Seller Successor or its Affiliates to a Third Party after the date of this Agreement).

(c) Upon consummation of any Fundamental Transaction, the applicable Successor Entity shall expressly assume Buyer’s obligations under this Section 1.5 and deliver to the Seller Successor confirmation in writing, duly executed by such Successor Entity, that (i) subject to the satisfaction of the Contingent Cash Condition set forth in clause (i) of the definition thereof, the Successor Entity shall pay (or cause to be paid) to the Seller Successor an amount equal to the Contingent Cash Amount, in the manner described in Section 1.5(a) (it being understood, for the avoidance of doubt, that the Contingent Cash Condition set forth in clause (ii) of the definition thereof shall be deemed to have been satisfied upon consummation of such Fundamental Transaction), and (ii) following achievement of any remaining Milestones after the consummation of such Fundamental Transaction, the Successor Entity shall pay or issue, as applicable (or cause to be paid or issued, as applicable), to the Seller Successor, in lieu of the shares of Buyer Common Stock constituting the Contingent Stock Consideration that would otherwise have been issuable to the Seller Successor pursuant to Section 1.5(b), at the Seller Successor’s election, either (A) an amount in cash equal to the value of Buyer Common Stock with respect

to the applicable Milestone, as set forth in the table set forth in Section 1.5(b)(i), or (B) such shares of stock, securities, cash, assets or any other property whatsoever, if any, that the Seller Successor would have been entitled to receive upon the closing of such Fundamental Transaction had the shares of Buyer Common Stock constituting the Contingent Stock Consideration with respect to the applicable Milestone been issued immediately prior to the closing of such Fundamental Transaction (it being understood and agreed that, if the Buyer Common Stock no longer trades on a national securities exchange following such Fundamental Transaction, the price per share paid for Buyer Common Stock in such Fundamental Transaction shall be substituted for the Buyer Trading Price in calculating the number of shares of Buyer Common Stock constituting the Contingent Stock Consideration that the Seller Successor would have been entitled to receive upon the achievement of the applicable Milestone). No later than the closing date of any Fundamental Transaction, Buyer shall disclose to the Seller Successor all material information relating to such Fundamental Transaction (including the material terms and conditions thereof). The provisions of this Section 1.5(c) shall apply similarly and equally to all successive Fundamental Transactions.

(d) Contingent Consideration Books and Records. Buyer shall keep, and cause its Affiliates and sublicensees to keep, complete and accurate Books and Records in sufficient detail to calculate and verify all Contingent Consideration payable under this Agreement. At the request of the Seller Successor, Buyer shall permit the Seller Successor or an independent, nationally recognized auditor designated by the Seller Successor and reasonably acceptable to Buyer, at reasonable times and upon reasonable notice, to audit the Books and Records maintained pursuant to this Section 1.5(d) to ensure the accuracy of all Contingent Consideration paid hereunder.

(e) Preservation of 368(a) Reorganization. Prior to making any payment of cash or other property (other than Buyer Common Stock) pursuant under this Agreement (including the Initial Cash Payment and any portion of the Contingent Cash Amount), Buyer shall determine whether any such payment could reasonably be expected to cause the acquisition by Buyer of the Acquired Assets pursuant to this Agreement to fail to meet the “continuity of interest” requirement set forth in Section 1.368-1(e) of the Treasury Regulations (treating the required percentage of the “proprietary interests in the target” that must be preserved as 40%), and, if so determined, then Buyer shall, in lieu of making any such payment of such amount in the form of cash, make such payment in the form of shares of Buyer Common Stock to the extent necessary to cause such acquisition to satisfy the “continuity of interest” requirement set forth in Section 1.368-1(e) of the Treasury Regulations (it being understood and agreed that the number of shares of Buyer Common Stock to be issued pursuant to this Section 1.5(e) shall be determined by dividing (x) the amount of such cash payment by (y) the Buyer Trading Price for the ten (10) consecutive Business Days ending the third (3rd) Business Day before such cash payment would have otherwise been payable in accordance with Section 1.5(a) or Section 1.5(b), as applicable).

- 5 -

(f) Offset; Withholding.

(i) Notwithstanding any other provision in this Agreement to the contrary, prior to Buyer making a payment of the Contingent Cash Amount pursuant to Section 1.5(a) or delivering shares of Buyer Common Stock constituting Contingent Stock Consideration pursuant to Section 1.5(b) to the Seller Successor, Buyer may offset against such Contingent Consideration any amounts then owed by Seller or the Seller Successor to Buyer pursuant to this Agreement (it being understood and agreed that any shares of Buyer Common Stock so offset shall be valued by reference to the Buyer Trading Price for the applicable Milestone, as determined in accordance with Section 1.5(b)(ii)).

(ii) Buyer or its agent shall be entitled to deduct and withhold, or cause to be deducted and withheld, from any amounts otherwise payable pursuant to this Agreement any amounts as are required to be deducted and withheld with respect to the making of such payment under the Code or any provision of any Tax Law with respect to the making of such payment. To the extent any amounts are so deducted or withheld and timely paid over to the appropriate Governmental Authority, the deducted or withheld amounts, as applicable, shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction or withholding was made.

(e) Seller either owns or has full rights of access to and possession of all scientific data, results and findings, including laboratory and clinical data and raw data created by Seller, its Licensors or any Third Party on behalf of Seller or any Licensor with respect to the Products.

Seller acknowledges and agrees that Seller does not presently have any contract, undertaking, agreement or arrangement with any Person to sell, transfer or grant participations to such Person or to any Third Party, with respect to any of the shares of Buyer Common Stock to be received by it pursuant to this Agreement. Prior to filing with the SEC, Buyer shall provide Seller and its counsel a reasonable opportunity to review and comment on the Information Statement and shall consider in good faith for inclusion in the Information Statement any comments made by Seller or its counsel that are provided in a timely manner. 4.8 Bulk Transfers Law. Each of Buyer and Seller hereby waives compliance with the provisions of the bulk transfer laws of any jurisdiction in connection with the transactions contemplated by this Agreement.

ARTICLE V OTHER COVENANTS

5.1 Cooperation in Litigation. In the event that a claim is asserted against any Party or any of its Subsidiaries or Affiliates with respect to any of the transactions contemplated hereby, the other Parties shall reasonably cooperate in the defense of such claim. Each Party shall reasonably consult with the other Parties regarding the defense of any proceedings or litigation relating to any of the transactions contemplated hereby.

5.2 Tax Matters.

(a) Any personal property or similar Taxes applicable to the Acquired Assets for a Straddle Period shall be paid by Buyer or Seller, as applicable, and such Taxes shall be apportioned on a pro rata basis between Seller and Buyer. The amount of such Taxes for a Straddle Period that relate to the Pre-Closing Tax Period shall be the amount of such Tax for the entire Straddle Period multiplied by a fraction, the numerator of which is the number of days in the portion of the Straddle Period ending on the Closing Date and the denominator of which is the number of days in the Straddle Period (with the remaining amount of such Taxes for such Straddle

Period allocable to the Post-Closing Tax Period). Seller shall pay Buyer an amount equal to any such Taxes payable by Buyer which are attributable to the Pre-Closing Tax Period, and Buyer shall pay Seller an amount equal to any such Taxes payable by Seller which are not attributable to the Pre-Closing Tax Period. Such payments shall be made on or prior to the Closing Date or, if later, on the date such Taxes are due (or thereafter, promptly after request by Buyer or Seller if such Taxes are not identified by Buyer or Seller on or prior to the Closing Date). All other Taxes (if any) for a Pre-Closing Tax Period shall be determined based on an interim closing of the books as of the close of business on the Closing Date. Buyer shall prepare and file any Tax Return for a Straddle Period.

- 24 -

(b) All transfer, sales, and use Taxes, deed excise stamps and similar charges related to the transfer of the Acquired Assets contemplated by this Agreement shall be borne equally by Buyer and Seller. Buyer will file all necessary Tax Returns and other documentation with respect to all such Taxes and, if required by applicable Law, Seller will, and will cause its Subsidiaries to, join in the execution of any such Tax Returns and other documentation.

(c) Buyer and Seller agree to furnish or cause to be furnished to each other, upon request, as promptly as practicable, such information and assistance relating to the Acquired Assets (including access to books and records) as is reasonably necessary for the filing of all Tax Returns, the making of any election relating to Taxes, the preparation for any audit by any Governmental Authority, and the prosecution or defense of any claim, suit or proceeding relating to any Tax. Seller and Buyer shall cooperate with each other in the conduct of any audit or other proceeding relating to Taxes involving (i) the qualification of the transactions contemplated by this Agreement as a reorganization within the meaning of Section 368(a) of the Code, (ii) the Acquired Assets with respect to any Pre-Closing Tax Period, and (iii) any audit or proceeding relating to a Pre-Closing Tax Period for which Buyer (as transferee, successor or otherwise) is liable for the relevant Taxes. Buyer shall keep Seller reasonably informed of the status of any such Tax audit or proceeding (including providing Seller with copies of all written correspondence regarding such matter), and shall not settle any such proceedings without Seller's written consent (not to be unreasonably withheld or delayed).

(d) The Parties intend that Buyer's acquisition of the Acquired Assets pursuant to this Agreement, taken together with the Seller Liquidation, be treated, and each of them shall use its reasonable best efforts to cause the transactions to be treated, for federal income tax purposes as a "reorganization" under Section 368(a)(1)(D) of the Code, and each Party shall file all Tax Returns consistent with, and take no position inconsistent with, such treatment unless there is a determination within the meaning of Section 1313(a) of the Code that such transactions do not qualify as a reorganization described in Section 368(a)(1)(D) of the Code. No Party shall take any action, cause any action to be taken, fail to take any action or fail to cause any action to be taken (including any action or failure to act otherwise permitted by this Agreement) that would prevent Buyer's acquisition of the Acquired Assets pursuant to this Agreement, taken together with the Seller Liquidation, from being treated, and each of them shall use its reasonable best efforts to cause such transactions to be treated, for federal income tax purposes, as a "reorganization" under Section 368(a)(1)(D) of the Code.

(e) Consistent with the Seller Plan of Liquidation, as promptly as reasonably practicable after the Closing, Seller will distribute all of its assets (including the shares of Buyer Common Stock constituting the Initial Stock Consideration, other than money or other property in a reasonable amount to pay outstanding debts of Seller, to Seller's shareholders in pursuance of the liquidation of Seller (the "Seller Liquidation").

(f) The Parties hereby adopt this Agreement as a "plan of reorganization" within the meaning of Treasury Regulations Sections 1.368-2(g) and 1.368-3(a).

5.3 Non-Solicitation and Confidentiality.

(a) Prohibited Activities. As further consideration for the purchase and sale of the Acquired Assets and the other transactions contemplated hereby, Seller covenants and agrees with Buyer that it shall not, and shall cause its Affiliates not to, until the fifth (5th) anniversary of the Closing Date (the "Non-Solicitation Term"), directly or indirectly, for such Person or on behalf of or in conjunction with any other Person, (A) employ or hire away from Buyer any Restricted Person or (B) solicit or communicate with any Restricted Person for the purpose or with the intent of enticing, or in a manner reasonably likely to entice, such Restricted Person away from Buyer; provided that this Section 5.3(a) shall not at any time prohibit the placement of advertisements in publications of general circulation not directed at any Restricted Person. The Non-Solicitation Term shall be automatically extended by the number of days that Seller is found to have been in violation of the provisions of this Section 5.3(a). For purposes of this Section 5.3(a), the term "Buyer" means Buyer and any present or future Affiliate of Buyer during the Non-Solicitation Term.

(b) Confidentiality. Seller recognizes that by reason of (i) its ownership of the Business and (ii) the information provided by or on behalf of Buyer or any of its Affiliates to Seller in connection with the transactions contemplated hereby, Seller has acquired and/or will acquire Confidential Information, the use or disclosure of which in violation of this Section 5.3(b) could cause the Business, Buyer and/or its Affiliates substantial loss and damages that could not be readily calculated and for which no remedy at law would be adequate. Accordingly, Seller covenants and agrees with Buyer that Seller will not, and will cause its Affiliates not to, at any time, directly or indirectly, use, disclose or publish, any Confidential Information, unless (A) such information becomes generally known to the public through no breach of this Section 5.3(b) by Seller or any of its Affiliates, (B) such information is developed independently by Seller without the use of any Confidential Information or (C) the disclosing Party is advised in writing by counsel that disclosure is required by Law or the order of any Governmental Authority of competent jurisdiction under color of Law; provided that prior to disclosing any information pursuant to clause (C) above, such Person shall, to the extent legally permissible, give prior written notice thereof to Buyer and provide Buyer with the opportunity to contest such disclosure and shall, at Buyer's expense, reasonably cooperate with efforts to prevent such disclosure.

(c) Reasonable Restraint. Seller acknowledges, in connection with the prohibited activities restrictions herein that: (i) the covenants in this Section 5.3 impose a reasonable restraint in light of the activities the Business on the date of this Agreement and the current plans of Buyer, Seller and the Business; (ii) it is the intention of the Parties that the entire goodwill of the Business be transferred to Buyer as part of the transactions contemplated hereby; (iii) that Seller and Buyer explicitly considered the value of the goodwill to be transferred and that such goodwill is valued as a component of the consideration to be paid by Buyer pursuant to the terms hereof; and (iv) that the covenants set forth in this Section 5.3 are a material and substantial part of the transactions contemplated hereby (supported by adequate consideration), and Buyer's failure to receive the entire goodwill contemplated hereby would have the effect of significantly reducing the value of the Business to Buyer.

(d) Reformation. If the courts of any one or more jurisdictions hold any of the covenants or agreements contained in this Section 5.3 to be unenforceable by reason of its extending for too long a period of time or over too large a geographical area or by reason of its being too extensive in any other respect, it shall be interpreted to extend only over the longest period of time for which it may be enforceable, and/or over the largest geographical area as to which it may be enforceable and/or to the maximum extent in all other respects as to which it may be enforceable, all to the fullest extent which such courts deems reasonable and the Agreement shall thereby be reformed. If the courts of any one or more of such jurisdictions hold any of such covenants or agreements wholly unenforceable by reason of the breach of their scope or otherwise, it is the intention of the Parties that such determination not bar or in any way affect any Party's right to relief provided in the courts of any other jurisdiction within the geographical scope of such covenants or agreements, with breaches of such covenants or agreements in such other jurisdiction being, for this purpose, severable into diverse and independent covenants.

(e) Specific Performance. Seller acknowledges that Buyer will be irreparably harmed and that remedies at law would be inadequate for any actual or threatened breach (for the avoidance of doubt, "threatened breach" as used in this paragraph shall mean the anticipatory repudiation by a Party of its obligations under this Section 5.3) by Seller of any of the covenants or agreements contained in this Section 5.3. It is accordingly agreed that, in addition to any other remedies which may be available upon the actual or threatened breach of any such covenants or agreements, Buyer shall have the right to equitable relief (including in the form of injunctions and orders for specific performance (in each case, without the proof of actual damages) to restrain a breach or threatened breach of, or otherwise to obtain specific performance of, Seller's covenants and agreements contained in this Section 5.3, in any court having jurisdiction over the Parties and the matter. Seller agrees to waive any requirement for the security or the posting of any bond in connection with any such remedy or relief.

(f) Independent Covenant. All of the covenants in this Section 5.3 shall be construed as an agreement independent of any other provision in the Transaction Documents, and the existence of any claim or cause of action of Seller against Buyer, whether predicated on this Agreement or otherwise, shall not constitute a defense to the enforcement by Buyer of such covenants. The Parties expressly acknowledge that the terms and conditions of this Section 5.3 are independent of the terms and conditions of any other agreements including any employment agreements entered into in connection with this Agreement. The covenants contained in Section 5.3 shall not be affected by any breach of any other provision hereof by any Party.

5.4 Further Assurances.

(a) From time to time after the Closing Date, upon request of any Party, each Party shall execute, acknowledge and deliver all such other instruments and documents and shall take all such other actions required to consummate and make effective the transactions contemplated by the Transaction Documents, to put Buyer in possession and control of all of the Acquired Assets of a tangible nature and to vest Buyer with responsibility for all Assumed Liabilities; provided that Buyer shall not be required to pay any further consideration or amounts therefor (other than the Contingent Consideration, if, when and to the extent payable hereunder).

(b) If at any time or from time to time after the Closing, Seller or any of its Affiliates, on the one hand, or Buyer or any of its Affiliates, on the other hand, shall receive or otherwise possess any asset or right (including cash) that constitutes an Acquired Asset or an Excluded Asset, as the case may be, pursuant to this Agreement, Seller or Buyer (as the case may be) shall promptly transfer, or cause to be transferred, such asset or right to the Person so entitled thereto. Prior to any such transfer in accordance with this Section 5.4(b), the Person receiving or possessing such asset shall hold such asset in trust for such other Person. Without limitation of the foregoing, in the event Seller or any of its Affiliates receives any payment in respect of any Acquired Asset or Buyer or any of its Affiliates receives any payment in respect of an Excluded Asset, Seller or Buyer (as applicable) shall promptly deliver such payment to an account designated in writing by Buyer or Seller (as applicable) by wire transfer of immediately available funds.

(c) Buyer acknowledges that Seller intends to sell, transfer, assign or convey all or part of its rights to Contingent Consideration under Section 1.5 of this Agreement to the Sole Shareholder and/or its other Affiliates. Buyer hereby consents to any such sale(s), transfer(s), assignment(s) or conveyance(s) and agrees, in connection therewith, to, from time to time after the Closing Date upon the reasonable request of Seller and/or the Sole Shareholder, (i) to provide access to Seller, the Sole Shareholder and/or their respective Affiliates to such financial and operating data and other information relating to the Business, as Seller and/or the Sole Shareholder may from time to time reasonably request, (ii) to waive any requirement to deliver an opinion of counsel in connection with such transactions and (iii) to execute, acknowledge and deliver all such other instruments and documents and take all such other actions required to consummate and make effective such transactions.

5.5 Sharing of Data. Buyer shall have the right for a period of seven (7) years following the Closing Date to have reasonable access to those books, records and accounts, including financial and accounting records (including the work papers of Seller's independent accountants), Tax records, correspondence, production records, employment records and other records that are retained by Seller pursuant to the terms of this Agreement to the extent that any of the foregoing is needed by Buyer for the purpose of conducting the Business after the Closing and complying with its obligations under applicable securities, Tax, environmental, employment or other Laws. Seller shall not destroy any such books, records or accounts retained by it without first providing Buyer with the opportunity to obtain or copy such books, records, or accounts at Buyer's expense. Promptly upon request by Buyer made at any time following the Closing Date, Seller shall authorize the release to Buyer of all files pertaining to the Acquired Assets or the Business held by any federal, state, county or local authorities, agencies or instrumentalities.

- 27 -

5.6 Use of Business Name. Seller shall not use, and shall not permit any Affiliate to use, the Business Name after the Closing Date in connection with any business related to, competitive with, or an outgrowth of, the Business. Within ten (10) Business Days after the Closing Date, Seller shall amend its Charter Documents and other corporate records, if necessary, to comply with this provision, unless earlier liquidated.

5.7 Public Announcements and Communications. No Party shall issue any press release or public announcement relating to the subject matter of this Agreement except as may be mutually agreed upon by the Parties; provided, however, that any Party may make any public disclosure it believes in good faith is required by applicable Law or stock market rule (in which case the disclosing party shall use reasonable best efforts to advise (a) Seller in the event that the disclosing party is Buyer or (b) Buyer in the event the disclosing party is Seller, and provide the applicable advised party with a copy of the proposed disclosure prior to making the disclosure).

5.8 Additional Post-Closing Covenants Regarding Adverse Event Reporting. From and after the Closing and at no cost to Buyer, Seller shall promptly forward or cause to be promptly forwarded to Buyer any adverse drug event calls or reports with respect to any of the Products.

8.5 Indemnification Procedures. All claims for indemnification under this Article VIII ("Claims") shall be asserted and resolved as follows:

(a) In the event that any Person entitled to indemnification hereunder (the "Indemnified Party") has a Claim against any Party obligated to provide indemnification pursuant to Section 8.1 or 8.2, as applicable (the "Indemnifying Party"), which Claim has been asserted against an Indemnified Party by a Third Party (a "Third Party Claim"), the following provisions shall apply:

(i) The Indemnified Party shall with reasonable promptness notify the Indemnifying Party of such Third Party Claim, specifying the nature of such Third Party Claim and the amount or the estimated amount thereof to the extent then feasible (which estimate shall not be conclusive of the final amount of such Third Party Claim) (the "Claim Notice"). The Indemnified Party's failure to give reasonably prompt notice as required by this Section 8.5 of any Third Party Claim which may give rise to a right of indemnification hereunder shall not relieve the Indemnifying Party of any Liability which the Indemnifying Party may have to the Indemnified Party, except to the extent the failure to give such notice materially prejudiced the Indemnifying Party.

- 33 -

(ii) If any Indemnified Party asserts a Claim involving a Third Party Claim, the Indemnifying Party shall, within fifteen (15) days from delivery of the Claim Notice (the “Notice Period”), notify the Indemnified Party (A) whether or not such Indemnifying Party disputes the Liability to the Indemnified Party hereunder with respect to such Third Party Claim and (B) if such Indemnifying Party does not dispute such Liability, whether or not the Indemnifying Party desires, at the sole cost and expense of the Indemnifying Party, to defend against such Third Party Claim, provided that the Indemnified Party is hereby authorized (but not obligated) prior to and during the Notice Period to file any motion, answer or other pleading and to take any other action which the Indemnified Party shall deem necessary or appropriate to protect the Indemnified Party’s interests. If, and for so long as, (x) the Indemnifying Party notifies the Indemnified Party within the Notice Period that the Indemnifying Party does not dispute the Indemnifying Party’s obligation to indemnify hereunder and desires to defend the Indemnified Party against such Third Party Claim, and (y) the Third Party Claim does not (1) involve criminal liability or any admission of wrongdoing, (2) seek equitable relief or any other non-monetary remedy against the Indemnified Party, (3) involve any Governmental Authority as a party thereto or (4) involve an *ad damnum* that, taken together with the estimated costs of defense thereof, the claimed amount with respect to any unresolved claims for indemnification then pending, is greater than the Cap, then except as hereinafter provided, such Indemnifying Party shall have the right to defend against such Third Party Claim by appropriate proceedings with legal counsel reasonably acceptable to the Indemnified Party, which proceedings shall be diligently prosecuted by such Party to a final conclusion; provided that, unless the Indemnified Party otherwise agrees in writing, the Indemnifying Party may not settle any matter (in whole or in part) unless such settlement (I) includes a complete and unconditional release of the Indemnified Party and its Affiliates in respect of the Third Party Claim, (II) involves no admission of wrongdoing by the Indemnified Party or its Affiliates and (III) excludes any injunctive or non-monetary relief applicable to the Indemnified Party or its Affiliates. If the Indemnified Party desires to participate in, but not control, any such defense or settlement the Indemnified Party may do so at its sole cost and expense.

(iii) If (A) the Indemnifying Party elects not to defend the Indemnified Party against such Third Party Claim, or fails to diligently defend such Claims, or (B) the terms of this Agreement do not permit the Indemnifying Party to defend the Indemnified Party against such Third Party Claim, or (C) the Indemnified Party advises that there are issues that raise actual or potential conflicts of interest between the Indemnifying Party and the Indemnified Party, or (D) the Indemnified Party has different or additional defenses available to it, then the Indemnified Party, without waiving any rights against the Indemnifying Party, may settle or defend against any such Third Party Claim in the Indemnified Party’s sole and absolute discretion and the Indemnified Party shall be entitled to recover from the Indemnifying Party the amount of any settlement or judgment and, on an ongoing basis, all Losses of the Indemnified Party with respect thereto, including interest from the date such Losses were incurred.

(b) Notwithstanding anything to the contrary herein, an Indemnified Party may make a Claim hereunder even where the full amount of any Losses is not yet known, provided the Claim Notice sets forth the specific basis for any such Claim to the extent then feasible.

8.6 Exclusive Remedy. Absent Fraud, after the Closing, the Parties’ sole and exclusive remedy for any and all claims arising under, out of or related to this Agreement or with respect to the transactions contemplated hereby shall be indemnification provided in this Article VIII. Notwithstanding anything to the contrary, and without limiting the preceding sentence, in the event of Fraud by any Party, no limitations contained in this Article VIII shall apply to any Claims against such Party with respect to the matter that is the subject of such Fraud. Nothing in this Section 8.6 or elsewhere in this Agreement shall affect the Parties’ rights to specific performance pursuant to Section 10.15 or other equitable remedies with respect to the covenants referred to in this Agreement to be performed after the Closing). Seller and Buyer each hereby waive any provision of any applicable Law to the extent that it would limit or restrict the agreement contained in this Section 8.6.

8.7 Payments. Once any Losses are agreed to by the Indemnifying Party or finally adjudicated to be payable pursuant to this Article VIII, the Indemnifying Party shall satisfy its indemnification obligations with respect to such Losses within fifteen (15) Business Days of such agreement or final, non-appealable adjudication, by wire transfer of immediately available funds. The Parties agree that should an Indemnifying Party not make full payment of any such obligations within such fifteen (15) Business Day period, any amount payable shall accrue interest from and including the date of agreement of the Indemnifying Party or final, non-appealable adjudication to but excluding the date such payment has been made at a rate per annum equal to ten percent (10%). Such interest shall be calculated daily on the basis of a 365-day year and the actual number of days elapsed.

8.8 Tax Treatment. All indemnification payments made hereunder shall be treated by all parties as adjustments to the Purchase Price for Tax purposes unless otherwise required by Law.
