Accordingly, if your shares are held in street name and you do not submit voting instructions to your broker, bank or other nominee,

If you hold your shares in street name, we encourage you to provide voting instructions to your broker, bank, or other nominee so that your voice is heard on these proposals.

PROXY STATEMENT FOR
2023 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON APRIL 26, 2023
GENERAL QUESTIONS AND ANSWERS

The following questions and answers are intended to provide brief answers to frequently asked questions concerning the proposals described in this proxy statement and the proxy solicitation process. These questions and answers do not, and are not intended to, address all the questions that may be important to you. You should carefully read the remainder of this proxy statement. This proxy statement and the accompanying proxy card are being mailed to the stockholders of Westwood Holdings Group, Inc. THE ANNUAL MEETING

Q: When and where is the annual meeting?

A: The annual meeting will be held virtually on Wednesday, April 26, 2023, at 10:00 a.m., Central Time, at www.virtualshareholdermeeting.com/WHG2023.

Q: What am I being asked to vote on?

A: Our stockholders are being asked to vote on the following proposals at the annual meeting:

- Proposal 1 - To elect six directors to hold office until the next annual meeting of Westwood's stockholders and until their respective successors shall have been duly elected and qualified; and
- Proposal 2 - To ratify the appointment of BDO USA, LLP ("BDO") as Westwood's independent auditors for the year ending December 31, 2023; and
- Proposal 3 - To approve the Ninth Amended and Restated Westwood Holdings Group, Inc. Stock Incentive Plan; and
- Proposal 4 - To cast a non-binding, advisory vote on the Company's executive compensation; and
- Proposal 5 - To cast a non-binding, advisory vote on the frequency of future advisory votes on the Company's executive compensation.

Q: How does the Board of Directors recommend that I vote?

A: The Board of Directors recommends that you vote your shares (i) "FOR" each of the six director nominees for election to the Board of Directors, (ii) "FOR" the ratification of the appointment of BDO as Westwood's independent auditors for the year ending December 31, 2023, (iii) "FOR" the approval of the Ninth Amended and Restated Westwood Holdings Group, Inc. Stock Incentive Plan, and (iv) "FOR" the approval, on a non-binding, advisory basis, of the Company's executive compensation, and (v) "One Year" for the non-binding, advisory vote on the recommended frequency of future advisory votes on the Company's executive compensation.

If you submit your properly executed proxy without voting instructions, your shares represented by that proxy will be voted as recommended by the Board of Directors.

Q: Who is entitled to vote at the annual meeting?

A: Stockholders of record at the close of business on March 6, 2023 (the "record date") are entitled to notice of, and to vote at, the virtual annual meeting and any adjournments or postponements thereof. A holder of shares of our common stock as of the record date is entitled to one vote at the meeting or by proxy for each share of common stock owned by such holder on all matters properly brought before the annual meeting or at any adjournments or postponements thereof. As of March 6, 2023, there were 9,245,779 shares of common stock outstanding and entitled to vote on each of the proposals.

Q: What constitutes a quorum?

A: We must have a quorum in order to carry out the business of the annual meeting. This means at least a majority of the shares of common stock outstanding as of the record date must be represented at the annual meeting, either by proxy or virtually. Abstentions and broker non-votes, which are described in more detail below, are counted as shares present at the annual meeting for purposes of determining whether a quorum exists.

Q: What is the difference between holding shares as a "stockholder of record" and as a "beneficial owner"?

A: Stockholder of Record: A stockholder of record holds shares registered directly in the stockholder's name with our transfer agent. As a stockholder of record, you have the right to grant your voting proxy directly to us in accordance with the procedures described below or to vote virtually at the annual meeting.

Beneficial Owner: If your shares are held through a bank, broker or other nominee, you are the "beneficial owner" of shares held in "street name," and these proxy materials are being forwarded to you by your bank, broker or other nominee, which is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your bank, broker or other nominee on how to vote your shares by completing the instructions provided to you by your bank, broker or other nominee. However, since you are not a stockholder of record, you may not virtually vote these shares at the annual meeting unless you obtain a valid proxy from your bank, broker or other nominee (who must be the stockholder of record) giving you the right to vote the shares.

Q: What is a broker non-vote?

A: Generally, a broker non-vote occurs when a bank, broker or other nominee that holds shares in "street name" for customers is precluded from exercising voting discretion on a particular proposal because (i) the beneficial owner has not instructed the bank, broker or other nominee how to vote, and (ii) the bank, broker or other nominee lacks discretionary voting power to vote such shares. A bank, broker or other nominee does not have discretionary voting power with respect to the approval of "non-routine" matters absent specific voting instructions from the beneficial owners of such shares.

Under applicable rules, Proposals 1, 3, 4 and 5 are considered "non-routine" matters, on which banks, brokers and other nominees are not allowed to vote unless they have received voting instructions from the beneficial owners of such shares. The proposal to ratify the appointment of BDO as Westwood's independent auditors for the year ending December 31, 2023 (Proposal 2) is considered a routine matter on which banks, brokers and other nominees may vote in their discretion on behalf of beneficial owners who have not provided voting instructions. Your bank, broker or other nominee will send you instructions on how you can instruct them to vote on Proposal 2. If you do not provide voting instructions, your bank, broker or other nominee will have discretionary authority to vote your shares with respect to Proposal 2.

Q: What vote is required to approve each proposal?

A: Proposal 1: The election of directors requires the affirmative "FOR" vote of a majority of the shares present in person (or virtually) or represented by proxy and entitled to vote on the election of directors at the annual meeting at which a quorum is present. You may vote "FOR," "AGAINST" or "ABSTAIN" with respect to the election of each director nominee. Abstentions will have the effect of votes "AGAINST" a director nominee, and broker non-votes will have no effect on the outcome of the election of directors.

Proposal 2: The ratification of the appointment of BDO as Westwood's independent auditors for the year ending December 31, 2023 requires the affirmative "FOR" vote of a majority of the votes cast at the annual meeting. You may vote "FOR," "AGAINST" or "ABSTAIN" with respect to the ratification of our auditors. This proposal is considered a "routine" matter under applicable rules on which banks, brokers and other nominees may vote in their discretion on behalf of beneficial owners who have not provided voting instructions. Abstentions will have no effect on the outcome of this proposal.

Proposal 3: The approval of the Ninth Amended and Restated Westwood Holdings Group, Inc. Stock Incentive Plan requires the affirmative "FOR" vote of a majority of the votes cast at the annual meeting. You may vote "FOR," "AGAINST" or "ABSTAIN" with respect to this proposal. As the approval of Proposal 3 is a non-routine matter under applicable rules, your bank, broker or other nominee cannot vote without instructions from you. A broker non-vote is not a vote cast under applicable law or applicable NYSE rules and will have no effect on the outcome of this proposal. An abstention, however, is a vote cast under applicable NYSE rules and, as a result, abstentions will have the effect of votes "AGAINST" this proposal.

Proposal 4: The non-binding, advisory vote on the Company's executive compensation requires the affirmative "FOR" vote of a majority of the votes cast at the annual meeting. You may vote "FOR," "AGAINST" or "ABSTAIN" with respect to this proposal. As the advisory vote on the Company's executive compensation is a non-routine matter under applicable rules, your bank, broker or other nominee cannot vote without instructions from you. Abstentions and broker non-votes will have no effect on the outcome of this proposal.

Proposal 5: The Board of Directors is seeking a non-binding, advisory vote on the recommended frequency for which the Company is to hold future stockholder advisory votes on the Company's executive compensation. Stockholders may indicate whether they recommend an advisory vote on our executive compensation once every one, two or three years or they may abstain from voting on this proposal. As the advisory vote on the frequency of future advisory votes on the Company's executive compensation is a non-routine matter under applicable rules, your bank, broker or other nominee cannot vote without instructions from you. Broker non-votes and abstentions will have no effect on the outcome of this proposal.

PROCEDURES FOR VOTING

Q: Who is entitled to vote?

A: Only stockholders of record as of the close of business on March 6, 2023, the record date, will be entitled to vote on the proposals at the annual meeting. Each share of common stock is entitled to one vote.

Q: How do I vote?

A: If you are the record holder of your shares, you can vote by attending the annual virtual meeting or by completing, signing and returning your proxy card in the enclosed postage-paid envelope. You can also vote by Internet at www.virtualshareholdermeeting.com/WHG2023 using the control number shown on your proxy card or voting instruction card. If your shares are held by your broker as your nominee (that is, in "street name"), you will need to obtain a proxy form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker to vote your shares. If your shares are held in street name, your proxy card may contain instructions from your broker that allow you to vote your shares using the Internet or telephone. Please consult with your broker if you have any questions regarding the electronic voting of your shares held in street name.

Q: Is my proxy revocable and can I change my vote?

A: If you are a stockholder of record you may revoke your proxy at any time before it is officially voted by doing one of the following:

- Sending a written notice revoking your proxy to our Corporate Secretary at 200 Crescent Court, Suite 1200, Dallas, Texas 75201;
- Signing and mailing to us a proxy bearing a later date;
- Changing your vote by Internet (if you voted by Internet); or
- Attending our virtual annual meeting and voting then.

If you are not a stockholder of record, but instead hold your shares in "street name" through a bank, broker or other nominee, the above-described options for revoking your proxy do not apply. Instead, you will need to follow the instructions provided to you by your bank, broker or other nominee in order to revoke your proxy and submit new voting instructions.

Q: Is my vote confidential?

A: Yes. Only the inspector of votes and certain of our employees will have access to your proxy card. All comments will remain confidential, unless you ask that your name be disclosed.

OUR CURRENT STOCK OWNERSHIP

Q: What percentage of stock do the directors and executive officers own?

A: Collectively, our named executive officers and directors beneficially owned approximately 933,405 shares, or approximately 10.1%, of our outstanding common stock as of March 1, 2023.

We believe that our executive officers and directors intend to vote their shares of our common stock on each of the proposals presented in this proxy statement as recommended by the Board of Directors.

Q: Who are the largest principal stockholders?

A: Based on our review of Schedule 13G, Schedule 13D and Form 13F filings, as of March 6, 2023, the ten institutional stockholders with the largest percentage ownership of our outstanding common stock were JCP Investment Management, LLC (9.1%), Allspring Global Investments Holding LLC (6.3%), DePrince, Race & Zollo, Inc. (6.0%), Renaissance Technologies LLC (4.9%), GAMCO Investors, Inc. (4.9%), The Vanguard Group, Inc. (3.8%), Dimensional Fund Advisors LP (2.7%), Luther King Capital Management Corp (2.6%), North Star Investment Management Corp. (2.4%) and BlackRock Fund Advisors (1.9%).

Brian O. Casey, our Chief Executive Officer, owned 4.7%, and Susan M. Byrne, our Vice Chairman, owned 2.9% of our outstanding common stock as of March 1, 2023. Our employees and directors, including Mr. Casey, collectively owned approximately 28.0% of our outstanding common stock as of March 1, 2023.

OTHER INFORMATION

Q: Who is soliciting my proxy and who will pay the solicitation expenses?

A: The Company is soliciting your proxy by and on behalf of our Board of Directors, and we will pay the cost of preparing and distributing this proxy statement and the cost of soliciting votes. We will reimburse stockbrokers and other custodians, nominees and fiduciaries for forwarding proxy and solicitation material to the owners of our common stock.

A: Stockholders who would like additional copies, without charge, of this proxy statement or have additional questions about this proxy statement, including the procedures for voting their shares, should contact:

This question and answer section is qualified in its entirety by the more detailed information contained in this proxy statement.

This proxy statement contains important information that should be read before you vote on the proposals herein. You are strongly urged to read this proxy statement in its entirety. You are also strongly urged to read our Annual Report on Form 10-K for the year ended December 31, 2022, filed with the Securities and Exchange Commission ("SEC") on March 13, 2023 (the "2022 Form 10-K"), which is being sent to you with this proxy statement.

PROPOSAL 1:
Election of Directors

Our Bylaws provide that the Board of Directors of the Company (the "Board") will consist of between three and eleven directors, as may be determined from time to time by resolution of the Board. The Board has previously set the number of directors at eight but reduced the number of directors to six whose terms expire at the 2023 Annual Meeting. Each director elected at the 2023 Annual Meeting will serve until the 2024 Annual Meeting and thereafter until his or her successor has been elected and qualified or until the director's earlier death, resignation or removal. The Board of Directors has nominated the nominees listed below. Each nominee has consented to being named in this proxy statement and to serve if elected.

We have no reason to believe that any of the nominees will not serve if elected but, if any of them should become unavailable to serve as a director, and if the Board of Directors designates a substitute nominee, the persons named in the accompanying proxy will vote for the substitute nominee designated by the Board of Directors, unless a contrary instruction is given in the proxy.

Each stockholder is entitled to cast one vote for each director nominee per share of common stock held by them at the close of business on March 6, 2023. The affirmative "FOR" vote of a majority of the shares present in person (or virtually) or represented by proxy and entitled to vote on the election of directors is required for the election of directors. Stockholders may vote "FOR," "AGAINST" or "ABSTAIN" with respect to the election of each director nominee. Abstentions will have the same effect as votes against a director nominee, and broker non-votes will have no effect on the outcome of the election of directors.

Board Committees

Audit Committee. The Audit Committee operates pursuant to a charter approved by our Board of Directors, which the Audit Committee reviews periodically to determine if revisions are necessary or appropriate. A copy of the charter is posted on our website at westwoodgroup.com. In addition, a copy of the charter is available upon written request to our Corporate Secretary at our principal executive office (200 Crescent Court, Suite 1200, Dallas, Texas 75201). The Audit Committee monitors our independent auditors as well as the preparation of our financial statements and our system of internal control over financial reporting. The Audit Committee selects an independent accounting firm to conduct the annual audit, monitors the independence of our independent accountants, monitors our accounting and financial reporting processes and the audits of our financial statements. The Audit Committee is responsible for reviewing reports from management relating to our financial condition and other matters that may have a material impact on our financial statements and compliance policies. The Audit Committee is responsible for asking our management and independent auditors about the appropriateness of the accounting principles we follow, as well as reviewing changes in accounting principles and their impact on our financial statements in terms of the scope of audits conducted or scheduled to be conducted. The Audit Committee is further responsible for preparing a report stating, among other things, whether our audited financial statements should be included in our Annual Report on Form 10-K. Finally, the Audit Committee evaluates the adequacy and effectiveness of our risk assessment, risk management policies, cybersecurity testing and policies, and overall enterprise risk management, including Environmental, Social and Governance ("ESG"). The Audit Committee met five times during 2022. Mr. Wooldridge did not stand for

re-election at the 2022 Annual Shareholder meeting and therefore did not attend Audit Committee meetings following the February meeting. All other members of the Audit Committee attended all meetings held in 2022 during their respective appointments.

Compensation and Human Capital Committee. The Compensation and Human Capital Committee operates pursuant to a charter approved by our Board of Directors, which the Compensation and Human Capital Committee reviews periodically to determine if revisions are necessary or appropriate. A copy of the charter is posted on our website at westwoodgroup.com. In addition, a copy of the charter is available upon written request to our Corporate Secretary at our principal executive office (200 Crescent Court, Suite 1200, Dallas, Texas 75201). The Compensation and Human Capital Committee supports the Board of Directors by establishing the Company's executive compensation philosophy and objectives, overseeing the development and implementation of the Company's compensation, benefits and retirement policies and programs, reviewing and approving Company and individual goals relevant to the compensation of the CEO and other executive officers, recommending the compensation of the CEO for approval by the Board of Directors, and determining and administering the compensation for our other executive officers. In addition, the Compensation and Human Capital Committee oversees the Company's incentive compensation plans, determines any incentive awards to be made to our officers, oversees our stock incentive and other equity ownership plans, reviews management development and succession plans related to executive officers, reviews the Company's human capital initiatives related to diversity, equity and inclusion programs and other workforce initiatives, as well as oversees other matters relating to compensation and benefits. The Compensation and Human Capital Committee met five times during 2022. Mr. Wooldridge did not stand for re-election at the 2022 Annual Shareholder meeting and therefore did not attend

Compensation and Human Capital Committee meetings after the February meeting. All other members of the Compensation and Human Capital Committee attended all meetings held in 2022 during their respective appointments.

The CEO, who is not a member of the Compensation and Human Capital Committee, attended all of the Committee's meetings held in 2022 in order to contribute to and understand the Committee's oversight of our executive compensation. The CEO did not attend portions of meetings relating to his own compensation. The Compensation and Human Capital Committee regularly conducts executive sessions without management present.

The Compensation and Human Capital Committee engages in an ongoing dialog with the CEO and the Committee's independent compensation consultants in the evaluation and establishment of our executive compensation program and received input from the Senior Vice President, Head of Human Capital when making executive compensation decisions.

The Compensation and Human Capital Committee retained Meridian Compensation Partners, LLC ("Meridian") in 2022 to serve as an independent consultant to the Committee regarding executive compensation. The Committee did not direct Meridian to perform its services in any particular manner or under any particular method. The Committee has the final authority to retain the compensation consultant and it evaluates the compensation consultant annually. Meridian does not provide any services to the Company other than as an advisor to the Committee and the Committee has determined that no conflicts of interest exist as a result of the engagement of Meridian.

Governance/Nominating Committee. The Governance/Nominating Committee operates pursuant to a charter approved by our Board of Directors, which the Governance/Nominating Committee reviews periodically to determine if revisions are necessary or appropriate. A copy of the charter is posted on our website at westwoodgroup.com. In addition, a copy of the charter is available upon written request to our Corporate Secretary at our principal executive office (200 Crescent Court, Suite 1200, Dallas, Texas 75201). The primary function of the Governance/Nominating Committee is to develop and oversee the application of corporate governance principles to Westwood, to identify and evaluate qualified candidates for Board membership, recommend director nominees to the Board to be voted on at the annual meeting of stockholders, and communicate with members of the Board regarding Board and committee meeting format and procedures. The Governance/Nominating Committee met four times during 2022. Mr. Wooldridge did not stand for re-election at the 2022 Annual Shareholder meeting and therefore did not attend Governance/Nominating Committee meetings after the February meeting. All other members of the Governance/Nominating Committee attended all meetings held in 2022 during their respective appointments.

Director Independence

Our Board of Directors has adopted Corporate Governance Guidelines regarding director independence, among other matters. The full text of our Corporate Governance Guidelines is available on our website at westwoodgroup.com. In addition, a copy of our Corporate Governance Guidelines is available upon written request to our Corporate Secretary at our principal executive office (200 Crescent Court, Suite 1200, Dallas, Texas 75201).

Pursuant to our Corporate Governance Guidelines, a majority of the members of our Board, as well as all members of each committee of the Board, must be non-management directors who meet the "independence" requirements of the NYSE Corporate Governance Listing Standards and other governing laws and regulations. In addition, all members of the Audit Committee must meet additional "independence" standards required under the Exchange Act. Our Board of Directors reviews director independence annually. In the 2022 review, the Board reviewed directors' responses to a questionnaire asking about their relationships, and the relationships of their family members, with us, and other potential conflicts of interest. Our Board is aware that some of our directors and individuals or entities affiliated with such directors have asset management accounts held by one of our subsidiaries and managed by us. Our Board of Directors reviewed 2022 donations made during 2022 by Messrs. Casey, Norman and Ms. Byrne to AT LAST! and did not consider the donations to be an impairment of Mr. Bowman's independence. After noting such items, our Board of Directors unanimously determined that none of these relationships constituted a material relationship with us that would affect the "independence" of any such director under SEC and NYSE rules.

The Board affirmatively determined that Messrs. Frank, Norman, Bowman and Ms. Masterson are “independent” as defined under SEC and NYSE rules. Ms. Byrne, who currently serves as a consultant to the Company, and Mr. Casey, who served as an executive officer of the Company during 2022, are not independent directors.

Board Leadership Structure

Our Board of Directors currently separates the roles of Chief Executive Officer and Chairman of the Board; however, the Board does not have a policy that requires these two roles to remain separate. Brian O. Casey serves as our Chief Executive Officer and director, and Richard M. Frank serves as our Chairman of the Board. As Chief Executive Officer, Mr. Casey has primary responsibility for the day-to-day operations of the Company and provides leadership on the Company’s key strategic objectives. As Chairman of the Board, Mr. Frank (i) provides leadership to the Board and chairs its meetings, (ii) chairs executive sessions of the non-management directors, and (iii) sets the agendas for such meetings and sessions. In accordance with our Corporate Governance Guidelines, our non-management directors meet in executive session without the presence of management on a regular basis.

With a supermajority of independent directors, an Audit Committee, a Compensation and Human Capital Committee and a Governance/Nominating Committee each comprised entirely of independent directors, a Chairman of the Board who chairs all executive sessions of the non-management directors and who has extensive knowledge with regard to executive and board level oversight of a public company through his significant experience as chief executive officer, chairman and board director of CEC, and who also has a deep understanding of business, governance, compensation and financial matters, the Board of Directors believes that its current leadership structure provides an appropriate balance that best serves the Company and its stockholders.

Board's Role in Risk Oversight

The Board's role in the Company's risk oversight process includes receiving regular reports from members of senior management on the Company's enterprise risk management committee regarding areas of material risk to the Company, including operational, financial, legal and regulatory, cybersecurity, ESG and strategic risks. The Audit Committee is responsible for oversight of risks relating to accounting matters, financial reporting, cybersecurity and legal and regulatory compliance. To satisfy these oversight responsibilities, the Audit Committee meets regularly with management, the Company's internal auditor and BDO, the Company's independent auditor. The Audit Committee also oversees and approves the engagement of a third-party service provider to perform cybersecurity assistance services and cybersecurity testing throughout the year. The Compensation and Human Capital Committee is responsible for overseeing risks relating to employment policies and the Company's compensation and benefits programs, including diversity, equity and inclusion. To satisfy these oversight responsibilities, the Compensation and Human Capital Committee meets regularly with management to understand the implications of compensation decisions, particularly the risks the Company's compensation policies may pose to the Company's financial condition, human resources and stockholders. The Governance/Nominating Committee is responsible for overseeing risks relating to overall corporate governance and succession planning. To satisfy these oversight responsibilities, the Governance/Nominating Committee annually reviews Board composition, as well as Board and committee performance, and periodically reports to the Board on corporate governance and succession planning matters.

Our Board's risk oversight function is supported by our directors, Mr. Casey and Ms. Byrne, whose industry knowledge and experience provide the Board with a deep understanding of the risks facing the Company. The Board believes that having Mr. Casey and Ms. Byrne on the Board, together with a supermajority of independent directors and three wholly independent Board committees, provides the appropriate leadership structure for effective risk oversight by the Board.

Risks Related to Compensation Policies and Practices

As part of its oversight of the Company's executive and non-executive compensation programs, the Compensation and Human Capital Committee considers the impact on our risk profile of our compensation programs, and the incentives created by the compensation awards that it administers. The Committee reviews the Company's compensation policies and procedures, including incentives and factors that may influence excessive risk-taking, to determine whether they present a material risk to the Company. The Compensation and Human Capital Committee also utilizes the following risk mitigating factors:

- Overall compensation levels that are competitive with the market;
- Limits on annual cash incentive awards;
- Discretionary authority to reduce annual cash incentive awards;
- Long-term equity incentive awards to reward executives and other key employees for driving sustainable, profitable growth for stockholders and clients;
- Vesting periods for long-term equity incentive awards that encourage key employees to focus on sustained stock price appreciation;
- Internal controls over financial reporting and other financial, operational and compliance policies and practices that are intended to prevent manipulation of performance;

- Maintain key risk mitigating policies, including a clawback policy to recover incentives for financial restatements due to misconduct or fraud, and stock ownership guidelines that require officers and directors to own a significant amount of Company stock; and
- Policies related to the promotion of diversity, equity and inclusion in our workforce.

Environmental, Social and Governance

ESG Core Principles

Since inception, we have deliberately tried to create a corporate culture focused on core values. In pursuit of that goal, we have found meaningful inspiration in Coach John Wooden's, *Pyramid of Success*TM which helps us to reach for and maintain a culture of teamwork and integrity that always puts our clients' interests ahead of our own.

At Westwood, impacted by cultural shifts affecting the industry as well as by Covid, we have reflected on and further refined the criteria that we believe will keep us relevant. Our ESG focus is guided by the following six pillars:

1. Environmental impact;
2. Diversity, equity and inclusion;
3. Community;
4. Responsible investing;
5. Privacy and data protection; and
6. Governance.

We consider ESG issues not only in our investment process but also in our daily business lives because it makes good business sense to do so. It enables us to create an environment that values true diversity, inclusiveness and transparency and ultimately it supports employee growth over the long term.

As an active asset manager, we take a fundamental, financial materiality-based approach to identifying high-quality companies and strong businesses around the world. Our responsible investment commitment is linked to our investment process across our broad range of high-conviction equity and outcome-oriented solutions. We integrate ESG into our proprietary investment process and believe material ESG-related issues are important in conducting bottom-up, fundamental analysis when evaluating the merits of a company's strategy, downside risk and valuation. Based on our research, we find sustainability plays a critical role in company selection and it has always been an input to our analytical process. As ESG evaluation techniques evolve, we will continue to adapt our investment approach to stay true to our fiduciary responsibilities.

Being an active manager describes more than our approach to investing. It also sums up how we run our business as a publicly traded company. Our focus on transparency, corporate governance, life principles, ethical conduct and giving back to our communities is central to our values. Diversity is also an important part of our culture: approximately 43% of our employees are women, including 33% at or above the Vice President level and about 25% of our employees self-identify as members of minority communities.

Westwood is a signatory of the United Nations Principles for Responsible Investment ("UNPRI") and is committed to adopting and implementing responsible investment principles in a manner consistent with our fiduciary duties. We support the UNPRI and recognize the importance of considering ESG issues in our overall investment process.

Governance

Westwood is committed to the successful integration and promotion of ESG at both corporate and investment levels. We have established two governing structures, a Responsible Investment Committee and a Corporate Responsibility Committee, to ensure we have the strategic influence and leadership in place to create a clear corporate sustainability strategy across our business. The separation of responsibilities among these two structures was designed to ensure accountability across our firm.

The Responsible Investment Committee directs the maintenance, development and implementation of investment practices to support our ESG policy. The Corporate Responsibility Committee oversees and implements our corporate sustainability strategy and ESG policies, engaging leadership across corporate functions to provide oversight and strategic guidance. Westwood has embraced Diversity, Equity and Inclusion as an essential part of our history, culture and identity. We support opportunity for individuals from all backgrounds and are committed to fostering an environment that values unique ideas, perspectives and experiences. In such an environment, we want all of our employees to feel valued, included and empowered to do their best work and deliver the best possible service to our clients.

Using available data on Diversity, Equity & Inclusion best practices, the Committee's efforts focus on the following goals:

- Partnering with managers on recruiting and managing a diverse workforce.
- Creating an inclusive work environment that ensures equal opportunity for professional growth and advancement.

- Developing cultural competence and responsiveness to maximize our effectiveness in interpersonal interactions to best meet client needs.

ESG Integration

Across all our strategies, our ESG analysis focuses on material factors. We acknowledge that fundamental ESG analysis is highly nuanced by security (sector, size, geography) and investment strategy (holding period, position size, share rights). The specifics of integration and execution are at the discretion of the investment teams.

ESG analysis is performed by our industry analysts during the first step of our fundamental investment process in which analysts conduct deep, forward-looking research. As part of this process, our analysts meet with management and investor relations at target companies to understand their business strategy and financial strength. When ESG issues are of specific concern, our team identifies the target company's plans to address them and establishes a "tracking" perspective to monitor their progress. Analysts have access to multiple third-party ESG metric providers and often generate their own inputs which are integrated into a proprietary financial statement projection as part of our investment recommendation.

Proxy Voting

Westwood treats proxy voting rights as valuable portfolio assets. Our overarching principle is to exercise voting responsibilities solely in the best interests of our clients. We view proxy voting as a way to address corporate governance issues and to encourage corporate actions that enhance stockholder value. Westwood uses guidelines from a third-party proxy research service, Glass-Lewis, that we believe create value for our clients. The Investment Operations Team oversees the implementation of our proxy voting policy. Our Corporate Responsibility Committee, in collaboration with our investment team's bi-monthly review of ballots, confirms that Westwood's proxy voting ESG guidelines generally match the Glass-Lewis policy, which is to vote in favor when a clear link exists between the proposal and value enhancement or risk mitigation to stockholders. Our goal is to vote all proxies and, although we generally agree with the recommendations of our proxy research service, we will vote against Glass-Lewis recommendations when we believe it to be in our clients' best interests. An annual summary of voting is sent to each client for whom proxies are voted.

Social Impact and Corporate Giving

Community involvement is a cornerstone of our culture, which drives employee engagement and makes employees proud to work at Westwood. Every year we donate to local and national nonprofits and are pleased to support clients and employees in their volunteer efforts. Westwood employees participate in various community volunteer activities throughout the year, such as serving food to the homeless and at-risk individuals at The Stewpot or building homes with Habitat for Humanity.

Environment

At Westwood, the ways in which we care about our communities and the world around us include our initiative to calculate our carbon footprint and buy offsetting carbon credits. In addition to a 6% carbon footprint reduction from air travel in 2022 vs. 2021, despite a pickup in business travel, Westwood purchased carbon credits to offset the remaining annual carbon footprint generated by air travel. Our Green Committee establishes initiatives to support this important work.

Stockholder Recommendations for Director Candidates

The Board of Directors has delegated specific responsibilities to the Governance/Nominating Committee relating to selection of directors to serve on the Board. The Governance/Nominating Committee is responsible for identifying potential candidates for Board membership and for recommending a slate of director candidates to stand for election at the annual meeting of our stockholders. The Governance/Nominating Committee seeks to identify director candidates who (i) have significant business experience that is relevant and beneficial to the Board and Westwood, (ii) are willing and able to make a sufficient time commitment to the affairs of Westwood to effectively perform the duties of a director, including regular attendance at Board and committee meetings, (iii) are committed to the long-term growth and profitability of Westwood, (iv) are individuals of character and integrity, (v) are individuals with inquiring minds willing to challenge and stimulate management and (vi) represent the interests of Westwood as a whole and not just the interests of a particular stockholder or group. The Governance/Nominating Committee does not have a specific policy considering diversity in identifying director candidates, but use of the criteria listed above has led to a diverse board including 33% female and 16% minority directors. The Governance/Nominating Committee believes these criteria are the key factors in identifying qualified director candidates.

The Governance/Nominating Committee has a policy for considering new director candidates recommended by our stockholders if such recommendations are made in compliance with applicable laws, rules and regulations, our Bylaws, and procedures established by the Committee. Director candidates recommended by stockholders are evaluated by the Governance/Nominating Committee using the same criteria described in the previous paragraph.

Under our Bylaws, stockholders can nominate persons for election to our Board of Directors. Any director nomination must comply with the requirements set forth in our Bylaws and must be received by our Corporate Secretary at our principal executive offices not later than the close of business on January 26, 2024 and not earlier than the close of business on December 27, 2023. In the event that the date of the 2024 annual meeting of stockholders is more than 30 days before or more than 60 days after the one-year anniversary of the 2023 Annual Meeting of Stockholders, notice of such stockholder proposal must be received no earlier than the close of business on the 120th day before 2024 annual meeting of stockholders and no later than the close of business on the later of the two following dates: the 90th day prior to 2024 annual meeting of stockholders, or the 10th day following the day on which public announcement of the date our 2024 annual meeting of stockholders is first made.

For the 2023 Annual Meeting, our Governance/Nominating Committee has not received a candidate recommendation or nomination from any stockholder (or group of stockholders), including any stockholder (or group of stockholders) that beneficially owns more than five percent of our common stock.

Communications with the Board

Stockholders or other interested parties may communicate with the Board of Directors or particular Board members (including our Chairman or non-management directors as a group) by mailing a written communication to our Corporate Compliance Officer at 200 Crescent Court, Suite 1200, Dallas, Texas 75201, by email to legal@westwoodgroup.com or by telephone to 214-756-6900. All communications are received and processed by the Corporate Compliance Officer before being referred to the appropriate Board member(s). Complaints relating to our accounting, internal controls or auditing matters, and concerns regarding questionable accounting or auditing matters, are referred to the Chairman of the Audit Committee. Other communications intended for the Board of Directors at large are referred to our Chairman, while communications intended for

specific Board members are referred to those Board members. Advertisements, solicitations for periodicals or other subscriptions, and similar communications are not forwarded to Board members. In the event that a complaint or concern appears to involve the Corporate Compliance Officer, the stockholder or other interested party is encouraged to contact directly the Chairman of the Audit Committee, Ellen H. Masterson at emasterson@westwoodgroup.com.

Stockholders may also communicate with Board members at the annual meetings of stockholders, as it is our policy that Board members should attend such meetings and make themselves available to address any matters properly brought before the meetings. Instructions for methods to communicate with Board members at any virtual annual meeting of stockholders will be explained at the outset of the meeting. All of our Board members attended the 2022 annual meeting of stockholders.

Code of Business Conduct

All of our employees, including our principal executive officer, principal financial officer and principal accounting officer, and all of our directors, are required by our Code of Business Conduct to conduct business in the highest legal and ethical manner. The full text of the Code of Business Conduct is available on our website at westwoodgroup.com. In addition, a copy of the Code of Business Conduct is available upon written request to our Corporate Secretary at our principal executive office address. We intend to post amendments to or waivers from the Code of Business Conduct as required by applicable rules on our website.

Our employees are required to report any conduct that they believe could be construed as a fraudulent or illegal act or otherwise be in violation of the Code of Business Conduct. The Audit Committee has established procedures to receive, retain and address complaints regarding accounting, internal accounting controls or auditing matters and to allow for the confidential and anonymous submission by employees of related concerns.

Director Compensation

For 2022, we paid each non-employee member of our Board of Directors a \$62,000 annual retainer. The Chairman of the Board received an additional \$20,000 annual retainer, the committee chairs for the Audit and Compensation and Human Capital Committees each received an additional \$15,000 annual retainer and the committee chair for the Governance/Nominating Committee received an additional \$5,000 annual retainer. There are no specific fees for attendance at Board or committee meetings. Additionally, upon election or re-election as a member of our Board of Directors, each non-employee director is awarded restricted shares of our common stock, which generally vest 12 months from the date of grant. Each restricted share award is made in a number of shares equal in value to \$95,000 on the date of the award. Stock awards include a \$90,000 award for each non-employee director and a \$5,000 award for each non-employee director serving on the separate Board of Directors for Westwood Trust.

The Board has established a policy that non-employee directors should own a minimum number of shares of our common stock equal to five times the dollar amount of their annual retainer within five years of their initial election or the establishment of this policy, whichever is later. In the event a decline in the price of the Company's common stock causes a non-employee director's holdings to fall below the applicable threshold, the non-employee director will not be required to purchase additional shares to meet the threshold but is required to hold 50% of net shares acquired through vesting of equity-based compensation programs until holdings above the threshold have again been achieved. Compliance with these stock ownership guidelines is evaluated periodically as determined by our Board. Given the decline in the price of the Company's stock over the course of recent years, the value of shares held by certain directors fell below the minimum holding requirements. All such directors are in compliance with the policy by holding the required net vested shares until such time as the minimum is achieved.

The Compensation and Human Capital Committee reviews our compensation arrangements for directors from time to time. Brian O. Casey, our Chief Executive Officer, is not included in this table as he is a Company employee and receives no compensation for his service as director. See "Executive Compensation" for information concerning Mr. Casey's compensation. The Company's executive officers do not make recommendations regarding the non-employee directors' compensation.

EXECUTIVE COMPENSATION

Executive Summary

The Company is a “smaller reporting company” under Item 10 of Regulation S-K promulgated under the Securities and Exchange Act of 1934 and the following compensation disclosure is intended to comply with the requirements applicable to smaller reporting companies. Although the rules allow the Company to provide less detail about its executive compensation program, the Compensation and Human Capital Committee is committed to providing the information necessary to help stockholders understand its executive compensation-related decisions. Accordingly, this section includes supplemental narratives that describe the 2022 executive compensation program for our named executive officers.

Named Executive Officers

This section provides information regarding our executive compensation program in 2022 for the following executive officers of the Company (collectively, the "named executive officers"):

Name	Position
Brian O. Casey	Chief Executive Officer
Fabian Gomez	President
Leah Bennett	President, Westwood Wealth Management

Fiscal Year 2022 Performance Highlights

Highlights of our 2022 performance include:

- We closed the acquisition of Salient Partners’ asset management business (Salient) in November 2022, bringing differentiated investment strategies, expanded distribution, and highly accretive earnings
- After year-end, we increased our ownership of Broadmark Asset Management - Salient’s tactical asset affiliate - to approximately 80%
- Driven by the Salient acquisition, assets under management and advisement increased 10%
- Numerous investment strategies beat their primary benchmarks and delivered strong, competitive performance
- The net loss of \$4.6 million was driven by depressed market conditions and one-time Salient acquisition expenses
- Headcount increased from 128 employees to 152 employees at year-end, reflecting the addition of Salient personnel as part of the acquisition
- We held \$39.2 million in cash and short-term investments at year end and have no debt
- We paid out \$5.6 million in dividends to shareowners during 2022

Key 2022 Compensation Decisions for Named Executive Officers

Executive compensation was determined based on the performance objectives developed at the beginning of the year listed below in the Summary Compensation section. Due to lower revenues, the overall bonus pool declined by approximately 25% and executive compensation decreased accordingly. The successful acquisition of Salient and Broadmark played a large role in determining compensation for Messrs. Casey and Gomez. Ms. Bennett’s compensation is determined based on the Wealth Management Revenue Share objectives listed below. While some objectives were not met, Ms. Bennett represents a strong asset for Wealth Management and, having been promoted to her new position as President of Wealth Management mid-year, she did not have a full year to implement her plans. Accordingly, the Company decided to award Ms. Bennett a combined incentivization and retention bonus.

Overview of our Executive Compensation Program

The intellectual capabilities of our employees are among our most important assets. Our financial results primarily depend on the level of assets we manage, which reflects our generating competitive long-term investment performance, building strong relationships with clients, investment consulting firms and other financial intermediaries, providing attentive client service, and developing new client relationships.

We believe that the quality, expertise and commitment of our named executive officers are critical to delivering superior long-term results to our clients and shareholders and to achieving our overall business objectives. Our executive compensation program therefore aims to deliver competitive total direct compensation (i.e., base salary, annual cash incentive awards, and long-term equity awards) that attract, motivate and retain the talented executives who contribute to our success.

Our executive compensation and related governance policies and practices are designed to reward the named executive officers for achieving the strategic and operational goals we believe will lead to increases in stockholder returns, while discouraging unnecessary or excessive risk taking. They incorporate many best practices, including the following:

What We Do	What We Do Not Do
✓ Variable "at risk" compensation targeted at a significantly larger share vs. fixed base salary	✗ We do not provide significant perquisites to executives
✓ Compensation aligned with performance achievements	✗ We prohibit hedging and short-sales of Company stock by executives and directors
✓ Incentive plan payouts capped on amounts that executives can earn	✗ We discourage executives and directors from pledging Company stock or holding shares in a margin account
✓ Change-in-control severance is a "double trigger" for our CEO	✗ We do not pay dividends on unvested equity-based compensation awards
✓ Officers and directors are required to own significant amounts of Company stock	✗ We prohibit repricing of stock options without stockholder approval
✓ Clawback policy allows recovery of incentives for financial restatements due to misconduct or fraud	✗ We do not gross-up change-in-control related benefits for excise tax
✓ Appropriate post-employment and change-in-control arrangements	
✓ McLagan Partners survey results used for competitive compensation market data	

Compensation Philosophy and Objectives

In designing and implementing our executive compensation program, the Compensation and Human Capital Committee is guided by the following philosophy and objectives:

- Deliver competitive compensation at levels that attract, motivate and retain talented executives who contribute to the success of our business
- Award compensation that motivates and rewards short- and long-term individual and company performance while discouraging excessive risk-taking
- Align named executive officers' interests with those of our stockholders.

As an executive's leadership role expands in scope, duties and responsibilities, we believe that (1) an increasing share of total targeted compensation should be performance-based, (2) compensation plans should incentivize retention of key executives, and (3) base salary should be a relatively smaller portion of total targeted compensation. We further believe that a named executive officer's compensation should reflect a mix of Company and individual performance. In 2022, Mr. Casey's compensation continued to align his interests with other stockholders as well as with our compensation philosophy as he received both a cash incentive and long-term stock incentive awards.

Market Compensation Data.

The Compensation and Human Capital Committee reviewed market compensation data obtained from the McLagan 2022 Survey–U.S., a widely-used source for compensation information for public and private investment firms (the "McLagan Survey"), primarily focusing on firms with assets under management below \$15 billion.

The McLagan Survey provides compensation details for investment management employees in greater depth than those available from public peers and focuses specifically on the asset management industry. The McLagan Survey provides market compensation data for 157 public and private investment management firms. Confidentiality obligations to McLagan Partners and its survey participants prevent disclosure of the firms included in the survey. The Committee considers the market compensation data derived from the

McLagan Survey to be relevant. The Committee refers to this source of information to ensure, in its subjective judgment, that individual pay components remain competitive. The Committee does not target any individual pay component of the named executive officers to fall within a specific range or percentile of the market compensation data derived from the McLagan Survey.

The grants shown in 2022 were for the 2021 performance year, the grant shown in 2021 was for the 2020 performance year, and the grant shown in 2020 was for the 2019 performance year.

For 2022, the amounts contained in column (e) reflect (i) for Mr. Casey, the grant date fair value of his time-vested restricted stock award (18,657 shares) (ii) for Mr. Gomez, the grant date fair value of his time-vested restricted stock award (15,392 shares), and (iii) for Ms. Bennett, the grant date fair value of her time-vested restricted stock award (14,030 shares).

The above grant date fair values reported in column (e) were calculated in accordance with Accounting Standards Codification Topic 718 ("ASC 718"), "Stock Compensation." The assumptions used in the valuation of the time-vested restricted stock awards are discussed in Note 7 "Employee Benefits" of our audited financial statements, which are included in our 2022 Form 10-K. See the "Executive Compensation" section above for a further description of these restricted stock awards.

Amounts reported in the stock awards column of the Summary Compensation Tables set forth in the Company's 2021 and 2022 proxy statements included the grant date fair values of restricted stock awards that were granted shortly after the end of the applicable covered year, but which were determined based on the applicable named executive officer's performance for the covered year. Pursuant to Item 402(c)(2)(v) of SEC Regulation S-K, amounts reported in the stock awards column in the Summary Compensation Table above have been revised to report the grant date fair value of each restricted stock award in the year in which the award was granted.

(3) For 2022, the amounts for Messrs. Casey and Gomez and Ms. Bennett reflect the cash payments made under our executive compensation program. Each of these payments was approved in 2023.

(4) Amounts in column (g) reflect each named executive officer's 401(k) Company matching contribution. See "Other Benefits and Perquisites" below for a description of plan contributions. They also reflect commission payments made to Ms. Bennett under the New Business Incentive Program for Wealth Management. Ms. Bennett's 401(k) Company matching contribution was \$18,300 and commission payments were \$106,095.

Narrative Disclosure to Summary Compensation Table

For 2022, the principal components of compensation for our named executive officers were base salary, an annual cash incentive award, a long-term equity award paid in restricted stock, commission payments, and employee and post-retirement benefits as further described below. 48% of average 2022 direct compensation for the named executive officers represented "at risk" compensation delivered in the form of performance-based annual cash incentive awards and time-based long-term equity awards.

Base Salary

Base salary is the fixed component of our named executive officers' annual cash compensation. The Company provides its named executive officers with a base salary for services rendered during the year and in recognition of their expertise, knowledge and experience.

Salary levels are typically addressed annually as part of our performance review process, as well as upon promotions, changes in job responsibilities, or in connection with the terms of initial employment. In connection with their May 2022 promotions, Mr. Gomez and Ms. Bennett received base salary increases of 45% and 20%, respectively, to align their base compensation with market practice and in recognition of the extensive experience, skill and knowledge they bring to their respective new positions as President of Westwood and President of Westwood Wealth Management.

Annual Cash Incentive Awards

The Compensation and Human Capital Committee sets performance objectives and subsequently approves annual cash incentive awards for each of our named executive officers. These awards are intended to focus the named executive officers

on achieving short-term business objectives and strategies and enable them to participate in our growth and profitability. The Committee reviews mid-year and end-of-year performance against objectives and determines annual incentive payouts.

The Committee reviews the bonus pool for executive officers annually to ensure that, in its judgment, its levels reflect industry practices, that it will adequately fund potential bonuses and provide sufficient capacity to reward extraordinary performance. The amount and calculation of the bonus pool are subject to change at the Committee's discretion.

The annual target compensation for the CEO and our other named executive officers for 2022 follows:

Name	Performance Objectives	Weight	Maximum	Annual	Achievement	Incentive

(1) Ms. Bennett's incentive compensation is based upon the Wealth Revenue Share Plan which generates a pool for the entire Wealth team. The percentage shown is maximum percent payout for the plan.

(2) Mr. Gomez's achievement reflects what he earned with his objectives. However, due to the decrease in bonus pool, senior leaders of the Company received reduced incentive.

Long-Term Equity Awards

Each year, the Compensation and Human Capital Committee determines long-term equity awards for our named executive officers under the Westwood Holdings Group, Inc. Stock Incentive Plan (the "Stock Incentive Plan"). These awards are intended to attract, retain and motivate our named executive officers and focus them on achieving short- and long-term performance goals and financial results. The Committee also performs periodic benchmarking against peers.

The Stock Incentive Plan authorizes several types of equity awards, however, the Compensation and Human Capital Committee awarded only time-based stock awards to named executive officers in 2022 for 2021 performance.

Dividends on restricted stock awards are accrued and paid when underlying restricted shares vest. Accrued dividends on forfeited shares are not paid. Restricted shares may not be sold, transferred, or pledged during the restricted period.

In 2022, the vesting schedule for grants approved at the regular Compensation and Human Capital Committee meeting held on February 8, 2022 and issued on February 23, 2022 were as follows:

- 34% of awards vest upon the first anniversary of the grant date;
- 33% of awards vest upon the second anniversary of the grant date; and
- 33% of awards vest upon the third anniversary of the grant date.

Restricted stock award amounts are determined as a component of total compensation for each executive and are designed to retain and motivate our employees and align them with Company performance. In February 2022, the Compensation and Human Capital Committee evaluated the following criteria regarding time-based restricted stock grants:

- Overall company performance in 2021;
- Performance and accomplishments of individuals in 2021;
- Market data;
- Overall Company dilution and share utilization;
- The Company's stock price performance; and

- The size of historical award grants.

The Compensation and Human Capital Committee determined the Restricted stock award amounts granted in 2022 based on the achievement of the performance goals in 2021 as described in the table below.

New Business Incentive Program

Wealth Management employees are eligible to participate in the New Business Incentive Program, which is designed to incentivize new client relationships. When a new client is generated directly as a result of an employee's efforts, we pay the employee 20% of the account's fees received during the first year. If the employee refers the client to a Private Wealth Advisor eligible to establish the new client relationship, the 20% payout is split equally between the employee and the Advisor handling the relationship as a quarterly payment based on actual client fees.

Other Benefits and Perquisites

Employee Benefits

We offer employee and post-retirement benefits to all full-time employees, including named executive officers, in order to provide them with financial support in the event of injury, illness or disability and to help them accumulate retirement savings on a tax-favored basis. Our employees are generally eligible to participate in benefit programs including medical, dental, vision, disability, life insurance, and health savings or flexible spending accounts. The cost of health insurance and savings plans is partially borne by the Company, including costs for named executive officers. We pay for disability insurance and a set amount of term life insurance for all employees.

Savings Plan and Matching Contributions

Under Westwood Holdings Group, Inc.'s Savings Plan (the "Savings Plan"), all U.S. employees, including named executive officers, are eligible to make 401(k) contributions subject to annual IRS limits. We fully match employee contributions up to 6% of their eligible compensation (subject to IRS limits). Employees are vested immediately in their 401(k) contributions as well as in the Company matching portion.

Profit Sharing Contributions

The Company's Savings Plan authorizes us to make discretionary annual contributions to U.S. employees' Savings Plan accounts based on our profitability and performance. The profit-sharing component of the Savings Plan is broad-based and all employees, including the named executive officers, are eligible for discretionary profit-sharing contributions. Profit sharing contributions are subject to a four-year vesting schedule based on an employee's years of service.

The Company did not make any profit-sharing contributions during 2022.

Perquisites

We did not provide significant perquisites to our named executive officers during 2022.

Other Compensation Policies

Stock Ownership Guidelines

The Board has established stock ownership guidelines for the CEO and certain other executives requiring the following minimum holdings:

- CEO holdings must equal 6x base salary; and
- Named executive officers and officers reporting directly to the CEO holdings must equal 3x base salary.

Executives subject to stock ownership guidelines are required to hold 50% of net shares acquired through vesting of equity-based compensation programs until the minimum guideline level is met. In the event a decline in the price of the Company's common stock causes an executive's holdings to fall below the applicable threshold, the executive will not be required to purchase additional shares but is required to hold 50% of net shares acquired through vesting of equity-based compensation programs until the threshold is regained. Compliance with stock ownership guidelines is evaluated periodically by our Board of Directors. With the decline in the price of the Company's stock over the last few years, the value of shares held by certain executives fell below the applicable thresholds. As of March 1, 2023, Mr. Casey was in compliance with the stock ownership holding requirement. All NEOs are in compliance by holding the required net vested shares until such time as the minimum is achieved.

Employment and Related Agreements

The Compensation and Human Capital Committee believes that our Chief Executive Officer, Brian O. Casey, is critical to our future success due to his significant responsibilities and contributions to the ongoing day-to-day operation of the business, his involvement in marketing our products, his development and direction of strategic initiatives and corporate development, as well as his participation in the development of new products. Accordingly, in December 2015, the Committee entered into a new employment agreement with Mr. Casey, which auto-renewed for an additional one-year period on January 1, 2023 and is subject to potential automatic renewals for subsequent one-year periods.

Mr. Casey's employment agreement broadly addresses the terms of his employment with the Company including, among other things, his duties, compensation and benefits, termination, and the effects of termination. In addition, the employment agreement includes non-solicitation covenants and non-competition covenants that apply in specified circumstances for a period of one year following the date of termination.

There is no written employment agreement with Mr. Gomez however, in connection with his appointment as President on May 26, 2022, the Company and Mr. Gomez entered into a letter agreement (the "Gomez Letter Agreement") and an Employee Confidentiality and Non-Compete Agreement (the "Gomez CNCA"). The Gomez Letter Agreement, which supersedes and replaces the severance agreement between the Company and Mr. Gomez dated February 9, 2018, provides for continued vesting of Mr. Gomez's outstanding unvested restricted stock awards (time-based and performance-based) upon his involuntary termination of employment by the Company without "cause" (as defined in the Gomez Letter Agreement) or his voluntary termination of employment with the Company for "good reason" (as defined in the Gomez Letter Agreement), provided he (a) complies fully with all obligations under the Gomez Letter Agreement and the Gomez CNCA, and (b) executes and does not revoke a general release of all claims arising out of or related to his employment with the Company. The Gomez CNCA contains (a) customary confidentiality provisions, (b) a non-competes covenant that applies during Mr. Gomez's employment and for 12 months thereafter and which restricts him from performing services for any person or entity in the United States that is or was a client of Westwood with respect to whom Mr. Gomez did business and/or had personal contact during his employment with Westwood, and (c) customary employee and client non-solicitation restrictive covenants that apply during Mr. Gomez's employment and for 24 months thereafter. In addition, under the Gomez CNCA, Westwood can elect to restrict Mr. Gomez from competing against Westwood in any capacity for up to six months following his termination of employment in exchange for monthly salary continuation payments and monthly prorated bonus payments (based on the most recent annual cash bonus paid to Mr. Gomez before his termination).

There is no written employment agreement with Ms. Bennett; however, in connection with her appointment as President, Westwood Wealth Management on May 26, 2022, the Company and Ms. Bennett entered into a letter agreement (the "Bennett Letter

Agreement” and an Employee Confidentiality and Non-Compete Agreement (the “Bennett CNCA”). The Bennett Letter Agreement provides for continued vesting for Ms. Bennett’s outstanding unvested restricted stock awards (time-based and performance-based) upon her involuntary termination of employment by the Company without “cause” (as defined in the Bennett Letter Agreement) or her voluntary termination of employment with the Company for “good reason” (as defined in the Bennett Letter Agreement), provided she (a) complies fully with all obligations under the Bennett Letter Agreement and the Bennett CNCA, and (b) executes and does not revoke a general release of all claims arising out of or related to her employment with the Company. The Bennett CNCA contains (a) customary confidentiality provisions, (b) a non-compete covenant that applies during Ms. Bennett’s employment and for 12 months thereafter and which restricts her from performing services for any person or entity in the United States that is or was a client of Westwood with respect to whom Ms. Bennett did business and/or had personal contact during her employment with Westwood, and (c) customary employee and client non-solicitation restrictive covenants that apply during Ms. Bennett’s employment and for 24 months thereafter. In addition, under the Bennett CNCA, Westwood can elect to restrict Ms. Bennett from competing against Westwood in any capacity for up to six months following her termination of employment in exchange for monthly salary continuation payments.

Potential Payments Upon Termination or Change in Control

Set forth below is a summary of the compensation and benefits payable to Messrs. Casey, Gomez and Ms. Bennett in the event their employment is terminated.

Under the terms of our Stock Incentive Plan, in the event of their death or a "change in control" of the Company, unvested time-vested restricted stock awards would vest. Other than the terms of Mr. Gomez's severance benefit agreement discussed in "Employment and Related Agreements" above and the acceleration of restricted stock awards for Mr. Gomez and Ms. Bennett upon death or a "change in control," they are not contractually entitled to any other severance payments upon their termination or a "change in control" of the Company.

Under the employment agreement in place, payments to Mr. Casey could vary depending on the cause of termination and whether or not the Board elects to enforce a non-compete agreement. Mr. Casey's agreement contains a "double trigger" change in control related to cash severance, requiring a qualifying termination of employment within 24 months following a qualifying change in control event, which is consistent with external market practice.

The various payment scenarios for Mr. Casey are:

Payments upon termination without cause, by the executive for good reason or non-renewal by the Company (the non-compete agreement is automatically enforced)

Amounts under this scenario include the following to the extent Mr. Casey has not been already paid:

- an amount equal to 1.5 times the sum of one year's salary plus the annual bonus paid for the most recently completed year, to be paid in monthly installments over eighteen months;
- bonus and incentive compensation earned as of the termination date;
- vacation time, earned and unused;
- medical benefits for eighteen months following termination; and
- all unvested stock options and unvested restricted shares shall be fully vested; provided, however, that to the extent that any such awards are subject to performance-based vesting conditions then those awards will only become vested if and to the extent that such awards would have become vested in accordance with their terms if Mr. Casey's employment had continued; and provided further that, if such award is subject to periodic vesting based upon performance conditions established for each vesting period, then the annual performance conditions applicable to any such award following the termination of Mr. Casey's employment shall be the same as the last periodic performance goal established with respect to such award prior to the termination of Mr. Casey's employment or, if more favorable to Mr. Casey, the periodic performance conditions established for performance-based vesting of equity or equity-based awards granted to other senior executives who are then still employed by the Company.

Payments upon termination with cause, by Mr. Casey without good reason or non-renewal by Mr. Casey where the non-compete agreement is enforced

Amounts under this scenario include the following to the extent they have not been already paid:

- one year's salary paid in monthly installments, less the amount of medical insurance premiums that would have paid had he remained employed;
- bonus and incentive compensation earned as of the termination date;
- vacation time, earned and unused; and
- medical benefits for twelve months following termination.

All unvested stock options and all unvested restricted shares shall be forfeited under this scenario.

Payments upon termination with cause, by Mr. Casey without good reason or non-renewal by Mr. Casey where the non-compete agreement is not enforced

Amounts under this scenario include the following to the extent he has not been already paid:

- bonus and incentive compensation earned as of the termination date;
- vacation time, earned and unused; and
- medical benefits for twelve months following termination.

All unvested stock options and all unvested restricted shares shall be forfeited under this scenario.

Payments upon termination due to a change in control (the non-compete agreement is automatically enforced)

Amounts under this scenario include the following to the extent Mr. Casey not been already paid:

- an amount equal to two times the sum of one year's salary plus the annual bonus paid for the most recently completed year, to be paid in monthly installments over twenty-four months;
- bonus and incentive compensation earned as of the termination date;
- vacation time, earned and unused;
- medical benefits for eighteen months following termination; and
- all unvested stock options and all unvested restricted shares shall be fully vested; provided, however, that to the extent that any such awards are subject to performance-based vesting conditions, the performance goals were achieved at 100% of the target performance.

Payments upon termination due to death

Amounts under this scenario include the following to the extent they have not been already paid:

- bonus and incentive compensation earned as of the termination date;
- vacation time, earned and unused;
- medical benefits for eighteen months following termination; and
- all unvested stock options and all unvested restricted shares shall be fully vested.

Payments upon termination due to disability

Amounts under this scenario include the following to the extent they have not been already paid:

- bonus and incentive compensation earned as of the termination date;
- vacation time, earned and unused;
- disability benefits, if any, at least equal to those then provided by the Company to disabled executives and their families;
- medical benefits for twelve months following termination; and
- all unvested stock options and all unvested restricted shares shall be fully vested.

Stock Incentive Plan

All equity-based incentive awards are governed by the Stock Incentive Plan (the “Plan”).

In 2022, equity awards under the Plan consisted of our authorized restricted common stock. Awards under the Plan may be made to employees, including officers and directors who may be employees, non-employee directors, and consultants. Any shares issued under the Plan may consist of authorized but unissued shares or forfeited shares, or a combination thereof.

The Plan authorizes the grant of several types of equity-based awards, including incentive stock options (“ISOs”), nonstatutory stock options (“NSOs”) restricted stock, mutual fund awards, stock purchase rights, stock appreciation rights (“SARS”), restricted stock units (“RSU”) and performance shares (in the form of deferred stock awards). The Plan also authorizes cash awards in the form of annual incentive awards, performance-based awards, and discretionary bonus awards. The various types of awards authorized under the Plan may be utilized in the future if determined to be appropriate by the Compensation and Human Capital Committee (the “Committee”). Currently, the Committee limits its equity-based awards under the Plan to restricted stock and mutual fund awards. The Committee believes that restricted stock awards are the most effective vehicle to align the interests of employees with stockholders and clients. Unless the Committee determines otherwise, the recipient of restricted shares will generally have the right to vote the restricted shares. No dividends are payable with respect to unvested restricted stock. The Committee has determined that dividends payable on unvested restricted stock will be accrued and therefore dividends are subject to forfeiture conditions and payable to the recipient only when the underlying shares of restricted stock vest. The Committee believes that these terms and conditions for restricted stock awards offer the best balance of providing value to the employee as we succeed as a company as well as providing a mechanism to retain key employees over the long-term as they build a meaningful portion of their wealth in the form of Company equity.

The Board or the Committee administers the Plan with respect to all eligible individuals. Cash incentive awards are typically communicated to employees and paid in the first quarter of the following year to coincide with year-end performance reviews. Annual time-vested restricted stock awards are generally awarded in the first quarter of the year and reflect performance in the prior year.

Determinations of the Committee are final, conclusive, and binding upon all persons having an interest in the Plan. Any action or determination by the Committee regarding an award to a non-employee director must be approved by the Board.

Pay Versus Performance Disclosure

The Compensation and Human Capital Committee did not consider the pay versus performance disclosure below in making its pay decisions for any of the years shown.

PROPOSAL 2:

Ratification of Appointment of BDO USA, LLP as Independent Auditors

Our Audit Committee has appointed BDO USA, LLP ("BDO") as our independent auditors for 2023. Representatives of BDO will attend the annual meeting to answer questions and may make a statement if they so desire.

Fees Billed by BDO and Deloitte & Touche LLP

BDO was appointed to serve as independent auditor for the Company in 2022. In addition to performing the audit of the Company's consolidated financial statements, BDO also provides various other services to the Company and to common trust funds sponsored by Westwood Trust. The following table presents aggregate fees billed to the Company and the common trust funds by BDO as well as Deloitte & Touche LLP ("Deloitte") for the years ended December 31, 2022 and December 31, 2021. Because we changed auditors from Deloitte to BDO in 2022, we have included fees charged to us by both accounting firms in the table below.

	Fiscal Year Ended December 31,		
	2021	2022	
	Deloitte	Deloitte	BDO
Audit fees ⁽¹⁾	\$ 569,000	\$ 52,000	\$ 551,000
Audit-related fees ⁽²⁾	250,000	268,000	165,000
Tax fees ⁽³⁾	171,000	—	114,000
Total	\$ 990,000	\$ 320,000	\$ 830,000

- (1) Includes the aggregate fees billed for professional services in connection with the audit of our annual financial statements, the review of the financial statements included in our Form 10-Qs and testing required by Sarbanes-Oxley Section 404, as well as for services that are normally provided in connection with statutory or regulatory filings or engagements.
- (2) Includes the aggregate fees billed for financial audit services to common trust funds sponsored by Westwood Trust. These fees are not paid by Westwood but are paid by the common trust funds.
- (3) Includes the aggregate fees billed for tax services provided to the common trust funds. These fees were partly paid by the common trust funds.

Pre-approval policies and procedures for audit and non-audit services. The Audit Committee has established a policy regarding pre-approval of all audit and non-audit services provided by our independent auditors. Each year the Audit Committee considers for approval the independent auditor's engagement to render audit services, as well as a list prepared by management of anticipated non-audit services and related budget estimates. During the course of the year, management and the independent auditor are responsible for tracking all services and fees to ensure that they are within the scope pre-approved by the Audit Committee. To ensure prompt handling of unexpected matters, the Audit Committee has delegated to its chairperson the authority to represent the Committee in reviewing and approving audit and non-audit services, however, the Committee must ratify any such actions by the chairperson.

The Audit Committee or the chairperson acting on its behalf pre-approved all services provided by BDO for the year ended December 31, 2022.

Vote Sought and Recommendation

Although stockholder action on this matter is not required, the appointment of BDO is being recommended to the stockholders for ratification. The affirmative "FOR" vote of a majority of the votes cast at the annual meeting will serve to ratify the appointment of BDO as independent auditors for 2023. Abstentions will not affect the outcome of a vote on this proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF BDO AS OUR INDEPENDENT AUDITORS FOR 2023.

PROPOSAL 3:

Approval of the Ninth Amended and Restated Westwood Holdings Group, Inc. Stock Incentive Plan

The Compensation and Human Capital Committee (the "Committee") and the Board of Directors have approved and have proposed that our stockholders approve the Ninth (the "Amendment") Amended and Restated Westwood Holdings Group, Inc. Stock Incentive Plan (the "Plan") at the annual meeting. Westwood originally adopted the Plan on February 1, 2002. On April 27, 2022, our stockholders approved the Plan (effective as of March 2, 2022), with a reserve of 5,898,100 shares of common stock. If approved by our stockholders, the Plan will be amended to increase the maximum number of shares available for issuance by 350,000 shares to 6,248,100 shares.

Westwood is seeking stockholder approval for the Amendment. Stockholder approval is required under the requirements of the NYSE Corporate Governance Listing Standards, which are applicable to Westwood.

Awards under the Plan are a major component of our long-term incentive program for our employees and members of our Board. As noted in the "Executive Compensation" section, we recognize that having an ownership interest in the Company is critical to aligning the financial interests of our employees and stockholders. The Committee believes it is important to authorize an additional 350,000 shares for granting under the Plan. As of March 1, 2023, approximately 5,740,218 shares had been issued under the Plan, leaving 157,731 shares available under the Plan for issuance. The Committee does not believe that this amount is sufficient to meet the Company's anticipated grants of awards through the date of our 2024 Annual Meeting of Stockholders. If stockholders do not approve the Amendment, the Plan will remain in effect; however, we anticipate the shares available for equity-based compensation will be quickly depleted, and we will lose the ability to use equity as a compensation tool. Based on our historical granting practices, the Committee believes that the additional shares requested will enable the Company to maintain its current equity compensation program for at least two years; however, it plans to request additional shares on an annual basis to accommodate anticipated grants related to the hiring, retention and promotion of employees. In 2022, 2021 and 2020, the number of shares of common stock underlying equity awards granted was approximately 380,000, 150,000, and 260,000, respectively. The Committee expects to continue to grant awards under the Plan consistent with the Company's historical share utilization rates.

Our equity plan dilution rate (or overhang) as of fiscal-year ended December 31, 2022 was 16.1% (calculated by dividing (1) the number of shares subject to awards outstanding as of December 31, 2022 plus the number of shares remaining available for issuance as of December 31, 2022, by (2) our fully diluted shares outstanding as of December 31, 2022. Our equity plan dilution rate as of March 1, 2023 was also 13.5%, calculated using the same methodology. If shareholders approve our share request, the issuance of an additional 350,000 shares would increase our dilution rate by 3.8%. We believe that the expected potential dilution that will result from the Plan is reasonable for a Company of our size in our industry.

As highlighted below, the Plan includes several features that are consistent with protecting the interests of our stockholders and sound corporate governance practices, including the following:

- **Award Vesting Limitations.** Awards granted under the Plan will vest no earlier than the first anniversary of the date an award is granted, with a carve-out exception for up to 5% of the aggregate shares available for issuance under the Plan.
- **No Discount Stock Options.** The Plan prohibits the grant of a stock option with an exercise price less than the fair market value of Westwood's stock on the date of grant.
- **No Repricing or Cash Buyouts.** The Plan prohibits the repricing or replacement of stock options or stock appreciation rights without stockholder approval.
- **Dividends and Dividend Equivalents Not Paid Until Award Vests.** Any dividends paid with respect to restricted stock or dividend equivalents paid with respect to restricted stock units will be subject to the same restrictions on vesting as the award with respect to which they are paid.

- Awards to Non-Employee Directors. In any calendar year, the grant of an award to a non-employee director, acting in his or her capacity as director, taken together with fees paid in cash to the non-employee director, cannot exceed \$350,000 for a non-employee director other than the Chairman of the Board, or \$500,000 for the Chairman of the Board.

We have more fully described these plan features in the description of the Plan, as amended, provided below, as well as in the full text of the Plan included in Appendix A to this proxy statement.

Description of the Ninth Amended and Restated Plan, as amended

A summary of the material features of the Plan, as it would be amended, is set forth below. This description and summary are qualified in their entirety by the full text of the Plan included in Appendix A to this proxy statement.

Key Features of the Plan. Awards under the Plan will consist of cash or Westwood's authorized common stock. The fair market value of Westwood's common stock as of March 1, 2023 was \$13.06 per share. The Plan provides for the grant of incentive stock options, nonstatutory options, shares of restricted stock, stock appreciation rights, restricted stock units, annual incentive awards, performance-based awards (in the form of cash or deferred stock awards) and discretionary bonus awards. Awards under the Plan may be made to key employees, including officers and directors who may be employees, and non-employee directors or advisors. There are currently 152 Westwood employees and five non-employee directors who may be eligible to receive awards under the Plan. The total number of shares of common stock available pursuant to awards under the Plan over its entire term is 6,248,100, plus any shares of common stock represented by awards under the Plan that are forfeited, terminated, expired, or canceled without delivery of shares of common stock. Any shares issued under the Plan may consist, in whole or in part, of authorized and unissued shares or forfeited shares, or a combination thereof. Shares that are exchanged by a participant or withheld by the Company as full or partial payment of the exercise price of a stock option or to cover any taxes payable as a result of the grant, exercise, vesting or settlement of an award, will not be available for issuance under the Plan. Subject to adjustment, no more than 316,033 shares of common stock may be covered by stock-based awards granted to any participant under the Plan in a calendar year.

Term of the Plan. No awards may be made under the Plan after March 10, 2027.

Types of Awards. The Plan authorizes the grant of several types of stock-based awards, including, without limitation, incentive stock options ("ISOs"), nonstatutory stock options ("NSOs"), restricted stock, stock appreciation rights ("SARs"), restricted stock units ("RSUs"), performance-based shares and other stock-based awards. The Plan also authorizes cash awards, including annual incentive awards, performance-based awards, and discretionary bonus awards. The various types of awards authorized under the Plan may be utilized in the future if determined appropriate by the Compensation and Human Capital Committee. To date the Committee has only granted stock-based awards under the Plan in the form of restricted stock and NSOs.

Award Vesting Limitations. Awards granted under the Plan will vest no earlier than the first anniversary of the date an award is granted, with a carve-out exception for up to 5% of the aggregate shares available for issuance under the Plan.

No Discount Stock Options. The Plan prohibits the grant of a stock option with an exercise price less than the fair market value of Westwood's stock on the date of grant.

Share Counting Rules. Any shares subject to an award under the Plan that are forfeited, settled for cash, expire, or otherwise are terminated without issuance of such shares, become available for awards under the Plan. In addition, cash awards do not reduce the shares available under the Plan or to a participant in any calendar year.

Administration. Unless our Board of Directors determines otherwise, the Plan will be administered by the Committee, whose determinations will be final and binding on any interested person. Such determinations include selecting participants, determining awards made under the Plan, interpreting plan provisions, and deciding the terms and conditions of any award.

Amendment. The Plan may be amended by the Board of Directors or by the Committee. Amendments will be subject to stockholder approval if and to the extent required by applicable law, regulations or rules. Any amendment that would increase the aggregate number of shares of stock that may be issued under the Plan must be approved by our stockholders.

Antidilution. In the event of any stock dividend, stock split, reverse stock split, recapitalization, combination, reclassification or similar change in the capital structure of the Company, appropriate adjustments will be made in the number and class of shares subject to the Plan and to any outstanding awards (if applicable) and in the exercise price per share of any outstanding awards (if applicable), as the Committee or the Board of Directors determines fair and equitable.

Persons Eligible for Grants. Any employee or non-employee director of Westwood or any of its parents or subsidiaries is eligible to be selected as a participant and receive an award under the Plan as determined by the Committee, acting in its discretion. ISOs will be granted only to participants who are employees of Westwood or a subsidiary thereof.

Change in Control. In the event of a change in control, each outstanding award under the Plan shall become 100% vested and exercisable as of the date ten (10) days prior to the date of the change in control.

Types of Awards

Options. ISOs and NSOs are stock options allowing the recipient to purchase a fixed number of shares of common stock at a fixed price (which may not be less than the fair market value on the option grant date as determined under the Plan). Options will be exercisable at such time or times, or upon such event or events, and subject to such terms, conditions, performance criteria and restrictions as shall be determined by the Committee and set forth in the option agreement evidencing such option; provided, however, that (i) no option shall be exercisable after the expiration of ten years after the effective date of grant of such option, (ii) no ISO granted to a stockholder who owns more than ten percent of our common stock will be exercisable after the expiration of five years after the effective date of grant of such option, and (iii) no option granted to a prospective employee, prospective consultant or prospective director may become exercisable prior to the date on which such person commences service with the Company. Subject to the foregoing, unless otherwise specified by the Committee in the grant of an option, any option granted hereunder shall terminate ten years after the effective date of grant of the option, unless earlier terminated in accordance with its provisions.

Subject to the limitations of the Plan, payment of the exercise price of an option shall be made (i) in cash, by check or cash equivalent, (ii) by tender to the Company, or attestation to the ownership, of shares of our common stock owned by the participant having a fair market value not less than the exercise price, (iii) through the cashless exercise procedures set forth in the Plan, (iv) with such other considerations approved by the Committee to the extent permitted by applicable law, or (v) by any combination thereof.

Restricted Stock Awards. The Committee may also make awards of restricted shares of our stock. The vesting of restricted stock may be conditioned upon the lapse of time and/or the satisfaction of other factors determined by the Committee. Unless the Committee determines otherwise, the recipient of restricted shares will generally have the right to vote the shares. Dividends and dividend equivalents will not be payable with respect to restricted stock; however, the Committee may provide that dividends will be accrued with respect to restricted shares (at the same rate paid to our stockholders generally) and, if so, that the dividends will be subject to the vesting conditions applicable to the corresponding restricted stock. None of the restricted shares may be sold, transferred or pledged during the restricted period, and, except for termination due to death or as otherwise determined by the Committee, all restricted shares shall be forfeited and, all rights to the shares will terminate, if the recipient ceases to be an employee, consultant or director of the Company or any of our subsidiaries before the expiration or termination of the restricted period and satisfaction of any other conditions prescribed by us with respect to the shares.

Stock Appreciation Rights. The Committee may also make awards of SARs, which allow the recipient to exercise all or a specified portion of the SAR for an amount equal to the product of (i) the excess of (A) the fair market value of the shares of our stock on the date the SAR is exercised over (B) the grant price of the SAR and (ii) the number of shares of our stock with respect to which the SAR was exercised. Payment will be in cash, shares of our stock or a combination thereof, as determined by the Committee. Dividends and dividend equivalents will not be payable with respect to SARs.

Restricted Stock Units. The Compensation and Human Capital Committee may also make awards of RSUs. The settlement of RSUs may be satisfied by delivery of shares of our stock, cash in an amount equal to the fair market value of the specified number of shares of our stock, or a combination thereof, as determined by the Committee. Dividends and dividend equivalents will not be payable with respect to RSUs, however the Committee may provide that dividends will be accrued with respect to RSUs (at the same rate that is paid to our stockholders generally) and, if so, that the dividends will be subject to the vesting conditions applicable to the corresponding RSUs.

Other Stock-based Awards. The Committee may also make awards denominated or payable in, valued in whole or in part by reference to, or otherwise based on shares of our stock, including without limitation purchase rights for shares of our stock, awards with value and payment contingent upon performance of the Company or any other factors designated by the Committee, and awards valued by reference to the book value of a share of our stock.

Awards to Non-Employee Directors. Non-employee directors are eligible to receive any type of award under the Plan other than ISOs. The grant of an award to a non-employee director, acting in his or her capacity as director, taken together with fees paid in cash to the non-employee director, cannot exceed \$350,000 for a non-employee director other than the Chairman of the Board, or \$500,000 for the Chairman of the Board.

Annual Incentive Awards. The Committee may also grant annual incentive awards of stock, cash or any combination of stock and cash to our employees and other eligible persons, in such amounts and subject to such terms and conditions as the Committee may determine. The Committee shall establish the maximum level of annual incentive awards that may be granted for each year. The Committee may, in its sole discretion, reduce, but not increase, the proposed annual incentive award payable to any participating employee during a year.

Performance-Based Awards. The Plan allows the Committee to grant awards the vesting, exercise or settlement of which is contingent upon the satisfaction of one or more performance conditions. The list of performance measures upon which performance goals may be based currently includes: (i) net earnings or net income (loss) (before or after taxes, depreciation and amortization); (ii) cash earnings; (iii) earnings per share; (iv) net sales or revenue growth; (v) net operating income; (vi) return measures (including, but not limited to, return on assets, capital, invested capital, equity, sales, or revenue); (vii) cash flow (including, but not limited to, operating cash flow, free cash flow, cash flow return on equity, and cash flow return on investment (discounted or otherwise)); (viii) operating income before interest, taxes, depreciation and amortization; (ix) return

on stockholders' equity; (x) operating margins or operating expenses; (xi) value of the Company's stock or total return to stockholders; (xii) value of an investment in the Company's stock assuming the reinvestment of dividends; (xiii) assets under management; (xiv) performance of one or more of our investment products on an absolute basis or relative to a benchmark or peer group; (xv) adjusted pre-tax income; (xvi) cost targets, reductions and savings, productivity and efficiencies; (xvii) strategic business criteria, consisting of one or more objectives based on meeting specified market penetration, geographic business expansion, customer satisfaction, employee satisfaction, human resources management, supervision of litigation, information technology and goals relating to acquisitions, divestitures, joint ventures and similar transactions and budget comparisons; (xviii) personal professional objectives, consisting of one or more objectives based on the implementation of plans and policies, the negotiation of transactions, the development of long term business goals, formation of joint ventures, research or development collaborations and the completion of other corporation transactions; (xix) any other criteria selected by the Committee; and/or (xx) a combination of any or all of the foregoing criteria. Any evaluation of performance in relation to performance-based awards may include or exclude, as applicable: asset write-downs, litigation or claim judgments or settlements, changes in tax laws, accounting principles or other laws or provisions, reorganization or restructuring programs, acquisitions or divestitures, foreign exchange gains and losses, or gains and losses that are treated as unusual in nature or what occur infrequently under Accounting Standards Codification Topic 225. Nothing amended and restated in the Plan is intended to materially amend any outstanding performance-based award granted on or before November 2, 2017 that was designed to qualify as "performance-based compensation" under Section 162(m) of the Internal Revenue Code (as in effect prior to the Tax Cuts and Jobs Act of 2017).

Discretionary Bonus Awards. The Committee may also grant discretionary bonus awards of stock, cash or any combination of stock and cash to our officers and key employees in such amounts and subject to such terms and conditions as the Committee may determine.

Material Federal Income Tax Consequences of the Plan

The following is a summary of material United States federal income tax consequences associated with awards granted under the Plan based upon present federal income tax laws and regulations and does not purport to be a complete description of the federal income tax consequences applicable to a participant or to Westwood. This summary does not cover any federal employment tax consequences or any foreign, state, local, estate and gift, or other tax consequences.

Incentive Stock Options. A participant will generally not recognize any taxable income upon either the grant or exercise of an ISO. However, for purposes of the alternative minimum tax, upon the exercise of an ISO, a participant is required to include the difference between the option exercise price and the fair market value of the common stock received in alternative minimum taxable income for purposes of calculating the alternative minimum tax. If a participant sells or otherwise disposes of the common stock acquired pursuant to the exercise of an ISO within either two years from the date of grant or one year from the date of exercise of the option (an "Early Disposition"), the participant will recognize ordinary income at the time of the Early Disposition in an amount equal to the lesser of (i) the excess of the amount realized by the participant on the Early Disposition over the exercise price of the option, or (ii) the excess of the fair market value of the common stock on the date of exercise over the exercise price of the option. The excess, if any, of the amount realized by the participant on the Early Disposition over the fair market value of the common stock on the date of exercise will be treated as a capital gain, and will either be short term (taxable at ordinary income tax rates) or long term gain, depending on the participant's holding period. If a participant disposes of the common stock for an amount below the participant's tax basis, the difference between the amount realized in the Early Disposition and the tax basis will generally be a capital loss and will either be short-term or long-term depending on the participant's holding period.

Nonqualified Stock Options. A participant will not recognize any taxable income upon the grant of an NSO. In general, a participant will recognize ordinary income upon the exercise of an NSO in an amount equal to the difference between the fair market value of the common stock received on the date of exercise and the exercise price paid for the stock.

Annual Incentive Awards, Performance-Based Awards and Discretionary Bonus Awards. In general, a participant who receives cash pursuant to an award made under the Plan will recognize ordinary income equal to the amount of cash that is received. Except as discussed below in the section entitled "*Common Stock Subject to a Substantial Risk of Forfeiture*," a participant who receives shares of

common stock pursuant to an award under the Plan will recognize ordinary income at the time the shares are received in an amount equal to the fair market value of the shares.

Common Stock Subject to a Substantial Risk of Forfeiture. In general, if a participant receives common stock pursuant to an award made under the Plan that is subject to a substantial risk of forfeiture, then, unless the participant files an early income recognition election under Section 83(b) of the Internal Revenue Code of 1986, as amended ("Section 83(b)") (discussed below), the participant will not recognize any income at the time of receipt of the stock, but will recognize ordinary income when the shares become vested (i.e., when they are no longer subject to a substantial risk of forfeiture) in an amount equal to the difference between the fair market value of the stock at the time the restrictions lapse and the amount paid, if any, for the stock. However, a participant who receives common stock subject to a substantial risk of forfeiture may elect under Section 83(b) to recognize ordinary income at the time the stock is received in an amount equal to the fair market value of the stock at that time, reduced by the amount, if any, paid for the stock. An 83(b) election may be made, if at all, within 30 days after the date on which the non-vested restricted stock is received.

Availability of Tax Deduction for Westwood. When ordinary income is recognized by a participant in connection with the receipt or exercise of an award under the Plan (including the filing of an election under section 83(b) of the Code), we will generally be entitled to a deduction for federal income tax purposes at the same time and in the same amount, assuming the requisite withholding requirements are met. However, compensation paid by us to Covered Employees is generally subject to the \$1 million annual deduction limitation of Section 162(m). For awards granted before November 2, 2017, this limitation does not apply to performance-based compensation that meets certain requirements of Section 162(m).

Tax Withholding. Our obligation to make payments or issue shares in connection with any award will be subject to and conditioned upon the satisfaction of applicable tax withholding obligations. The Compensation and Human Capital Committee may allow a participant to satisfy a withholding tax obligation in whole or in part by having us withhold shares that would otherwise be issued to the participant, or by having the participant deliver cash or shares to us, in either case with a value equal to the minimum amount of the withholding obligation. Shares that are withheld to satisfy part or all of a withholding tax obligation are not eligible for reissuance under the Plan.

Plan Benefits

Future awards that may be made to eligible participants under the Plan are subject to the discretion of the Committee and, therefore, cannot be determined with certainty at this time. Awards made under the Plan in 2022 to our Named Executive Officers are set forth under the "2022 Summary Compensation Table" table.

Vote Sought and Recommendation

The approval of the Amendment requires the affirmative vote of a majority of the votes cast with respect to this Proposal. All proxies submitted will be voted "FOR" this Proposal unless stockholders specify a contrary vote in their proxies. Broker non-votes will not be counted as votes cast with respect to this Proposal; however, abstentions will have the same effect as votes against this Proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR APPROVAL OF THE NINTH AMENDED AND RESTATED WESTWOOD HOLDINGS GROUP, INC. STOCK INCENTIVE PLAN

PROPOSAL 4:

Advisory Vote on Executive Compensation

We are seeking a non-binding, advisory vote from our stockholders to approve the compensation paid to our named executive officers as disclosed in this proxy statement pursuant to Item 402 of Regulation S-K.

The Compensation and Human Capital Committee has structured our executive compensation program to reflect our "pay-for-performance" philosophy. The compensation opportunities provided to the named executive officers are dependent on the Company's financial performance and the named executive officers' individual performances and are intended to drive the creation of sustainable stockholder value. The Committee will continue to emphasize responsible compensation arrangements that attract, retain, and motivate high caliber executive officers to achieve the Company's business strategies and objectives.

You can vote "FOR" or "AGAINST" or to "ABSTAIN" from voting on the following non-binding resolution relating to executive compensation:

"Resolved, that the stockholders approve, on a non-binding, advisory basis, the compensation paid to the Company's named executive officers as disclosed in the Company's proxy statement for the 2023 Annual Meeting of Stockholders pursuant to Item 402 of Regulation S-K, including the executive compensation section, the compensation tables, and the narrative discussion."

In deciding how to vote on this proposal, you are encouraged to consider the Company's executive compensation philosophy and objectives and the components of the Company's executive compensation program as set forth in the Executive Compensation section above, as well as the following key aspects of our executive compensation program:

- A significant portion of each named executive officer's total direct compensation -- an average of 52% (excluding Mr. Casey as discussed above in "Executive Compensation") -- was "at risk" compensation in 2022 delivered in the form of an annual cash incentive award and an annual equity incentive award.
- Over the past three years, our named executive officers have not received any significant perquisites.
- The Committee endeavors to structure our executive compensation program to motivate and reward our executive officers for taking appropriate business risks, while avoiding pay practices that incentivize excessive risk-taking.

While your vote on this proposal is advisory and is not binding on the Compensation and Human Capital Committee, our Board of Directors and the Committee value the opinions of our stockholders on executive compensation matters and will take the results of this advisory vote into consideration for future decisions regarding our executive compensation program.

Vote Sought and Recommendation

The affirmative "FOR" vote of a majority of the votes cast at the annual meeting is required to approve, on a non-binding, advisory basis, the Company's executive compensation. Broker non-votes and abstentions will have no effect on the outcome of the proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR APPROVAL, ON A NON-BINDING, ADVISORY BASIS, OF THE COMPENSATION PAID TO THE NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT PURSUANT TO ITEM 402 OF REGULATION S-K.

PROPOSAL 5:

Advisory Vote on the Frequency of the Advisory Vote on Executive Compensation

The fifth proposal to be considered at the annual meeting is the advisory vote for stockholders to express a preference for the frequency with which we hold future stockholder say-on-pay votes, which is required pursuant to Section 14A of the Securities Exchange Act of 1934 (the "Exchange Act"). Companies subject to say-on-pay rules are required to: (1) at least once every six calendar years, hold an advisory stockholder say-on-frequency vote regarding whether stockholders prefer to conduct their advisory say-on-pay vote annually, biannually, or triennially, and (2) at least once every three calendar years, hold an advisory stockholder say-on-pay vote.

The Company is subject to these rules and, therefore, conducted a say-on-frequency vote six years ago at our 2017 Annual Meeting of Stockholders. At that time, our stockholders expressed a preference to conduct say-on-pay votes on an annual basis, consistent with the Board's recommendation. The Board recommended that our stockholders select an annual frequency in response to changing investor sentiments and in order to give our stockholders an opportunity to provide feedback on our executive compensation program on a more frequent basis.

Since 2017, we have conducted our say-on-pay vote on an annual basis in accordance with the preference expressed by our stockholders in 2017. In accordance with Section 14A of the Exchange Act, we are bound to hold an advisory stockholder vote on both say-on-pay and say-on-frequency in our 2023 Annual Meeting of Stockholders. Proposal 4 concerns say-on-pay, and Proposal 5 requests stockholder input on how often we should solicit advisory say-on-pay votes with respect to our executive compensation.

Vote Sought and Recommendation

Our Board of Directors continues to recommend an annual vote frequency in order to give stockholders the opportunity to provide frequent feedback on our executive compensation program. Stockholders may (1) vote in favor of holding the say-on-pay vote annually (i.e., once every year), (2) vote in favor of holding the say-on-pay vote biannually (i.e., once every two years), (3) vote in favor of holding the say-on-pay vote triennially (i.e., once every three years), or (4) abstain from voting.

Because it is advisory, the results of the say-on-frequency are not binding upon the Compensation and Human Capital Committee, the Board of Directors, or Westwood. The Board may decide that it is in the best interests of our stockholders and the Company to hold an advisory vote on executive compensation more or less frequently than the frequency receiving the most votes cast by our stockholders. However, as was the case with the say-on-frequency vote at the 2017 Annual Meeting of Stockholders, we expect that the Board of Directors and the Committee will consider the outcome of this vote when determining how often to conduct the advisory stockholder say-on-pay vote. Broker non-votes and abstentions will have no effect on the outcome of this proposal.

We will hold the Company's next say-on-frequency vote at the 2029 Annual Meeting of Stockholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE, ON A NON-BINDING, ADVISORY BASIS, OF "ONE YEAR" WITH RESPECT TO THIS PROPOSAL.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Other Relationships and Related Transactions

John Porter Montgomery, the stepson of our Vice Chairman Ms. Byrne, was employed by Westwood Holdings Group, Inc., throughout 2022 and received total compensation of \$467,400. He currently serves as Chief Operating Officer and is compensated in a manner consistent with our policies that apply to all employees.

The Company earned revenues from an affiliate of a 5% beneficial owner, GAMCO Investors, Inc., in the amount of \$228,000 during fiscal year 2022 in connection with sub-advisory services provided by the Company.

Management Accounts

Certain of our directors, executive officers and their affiliates invest their personal funds directly in accounts held and managed by us. All such funds are managed along with, and on the same terms as, funds deposited by our other clients. These individuals are charged management fees for our services at a preferred fee rate, consistent with fees charged to other select clients who are not members of our Board of Directors or executive officers..

Review and Approval of Related Party Transactions

All future material transactions involving affiliated parties will be subject to approval by a majority of our disinterested directors. We have a written policy, entitled the “Conflict of Interest Policy” (the “Policy”) that addresses the review and approval of related party transactions. The Policy provides that, except with the Board’s prior knowledge and consent, no director, officer or employee of Westwood or its subsidiaries may be involved in a transaction or relationship that gives rise to a “conflict of interest” with Westwood. The policy defines “conflict of interest” as an occurrence where a director, officer or employee’s private interests interfere, or appear to interfere, in any way with our interests taken as a whole and specifically includes all related party transactions and relationships that we are required to disclose in our proxy statement.

In the event the Board’s consent to a conflict of interest is sought, the request must be addressed to our compliance officer (or, where the matter involves the compliance officer, to the Audit Committee) and referred to the Audit Committee for its consideration. If the matter involves any member of the Audit Committee, the matter is required to be addressed by the disinterested members of the Board of Directors. A majority of the members of the Audit Committee (or a majority of the disinterested members of the Board of Directors, where applicable) must approve any request. The terms of any such transaction must be as favorable to us as the terms would be if the transaction were entered into with an unrelated third party.

REPORT OF THE AUDIT COMMITTEE

In accordance with its written charter adopted by the Board of Directors, the Audit Committee assists the Board in fulfilling its oversight responsibilities by, among other things, reviewing the financial reports and other financial information provided by us to any governmental body or the public. The Audit Committee charter is available on our website *westwoodgroup.com* under the corporate governance section. The Audit Committee reviews the adequacy of and compliance with such charter annually.

In discharging its oversight responsibilities, the Audit Committee reviewed and discussed the audited consolidated financial statements of Westwood Holdings Group, Inc. ("Westwood") as of and for the fiscal year ended December 31, 2022 with management and BDO USA, LLP ("BDO"), our independent auditors. Management is responsible for Westwood's financial reporting process, including its system of internal control over financial reporting (as defined in Rule 13a-15(f) and 15d-15(f) promulgated under the Securities Exchange Act of 1934), and for the preparation of Westwood's consolidated financial statements in accordance with generally accepted accounting principles. BDO is responsible for auditing those financial statements and expressing an opinion on the conformity of the financial statements with generally accepted accounting principles. The Audit Committee's responsibility is to monitor and review these processes. The members of the Audit Committee are "independent" as defined by SEC and NYSE rules, and, although the Board of Directors has determined that Ms. Masterson and Mr. Norman are "audit committee financial experts" as defined by SEC rules, neither Ms. Masterson, Mr. Norman, nor any other member of the Audit Committee, represent themselves to be, or to serve as, accountants or auditors by profession or experts in the field of accounting or auditing.

The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the work of BDO. In fulfilling this responsibility, the Audit Committee engages in an annual evaluation of the independent auditing firm's qualifications, performance, independence, tenure and work quality as part of its decision as to whether the current firm should be retained for the upcoming year's audit. The Audit Committee discussed with BDO the overall scope and plan for its audits and met with the firm throughout the year, with and without management present, to monitor the firm's progress and results obtained from their audits.

The Audit Committee received from BDO a formal written statement describing all relationships between the firm and Westwood that might bear on the auditors' independence consistent with Independent Standards Board Standard No. 1, discussed with BDO any relationships that might impact their objectivity and independence and, based on such information, satisfied itself as to BDO's independence. The Audit Committee also approved in advance all audit and permitted non-audit services to be provided and concluded that BDO's provision of other permitted non-audit services to Westwood and related entities is compatible with BDO's independence.

The Audit Committee discussed with management, Westwood's internal auditors and BDO the quality and adequacy of Westwood's internal controls over financial reporting and the audit scope and plans for audits performed by the internal auditors and BDO.

The Audit Committee discussed with BDO all communications required by generally accepted auditing standards used in the United States, including those described in Statement on Auditing Standards No. 16, as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

For the fiscal year 2022, management completed the documentation, testing and evaluation of Westwood's system of internal control over financial reporting in response to the requirements set forth in Section 404 of the Sarbanes-Oxley Act of 2002, and related regulations. In making its assessment, management used the criteria set forth by the Committee of Sponsoring Organizations of the Treadway Commission ("COSO") in Internal Control - Integrated Framework (2013 framework). The Audit Committee monitored the progress of the evaluation and provided oversight and guidance to management and internal audit during the process. In connection with this oversight, the Audit Committee received periodic updates provided by management, internal audit and BDO. At the conclusion of the process, management provided the Audit Committee with a report on management's assessment of the effectiveness of Westwood's internal control over financial reporting as of December 31, 2022. The Audit Committee discussed with management and BDO the significant accounting policies used and significant estimates made by management in the preparation of our audited consolidated financial statements and the overall quality of management's financial reporting process. In addition, the Audit Committee reviewed the quarterly and annual earnings reports with management and BDO prior to earnings announcements throughout the year.

Based upon the above-mentioned review and discussions with management and BDO, the Audit Committee recommended to the Board of Directors that Westwood's audited consolidated financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2022, for filing with the Securities and Exchange Commission.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our directors, executive officers and persons who own more than ten percent of our common stock to file with the SEC initial statements of beneficial ownership of securities and subsequent changes in beneficial ownership. Our officers, directors and greater-than-ten-percent stockholders are required by the SEC's regulations to furnish us with copies of all Section 16(a) forms they file.

To Westwood's knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required, we believe that our officers, directors and greater-than-ten-percent beneficial owners complied in a timely fashion with all Section 16(a) filing requirements applicable to them, with the exception of a late Form 3 filing made for each of Adrian Helfert, J. Porter Montgomery, Matthew Lockridge and Leah Bennett, each a newly designated Section 16 officer, resulting from a delay in obtaining the necessary EDGAR filing codes, and one late Form 4 filing made for Leah Bennett, an executive officer, resulting in a failure to timely report one transaction as to Ms. Bennett.

STOCKHOLDER PROPOSALS

Stockholders may present proper proposals for inclusion in our proxy statement and form of proxy for consideration at the 2024 annual meeting of stockholders pursuant to Rule 14a-8 under the Exchange Act by submitting their proposals to our Corporate Secretary in a timely manner. Such proposals must be received at our principal executive offices no later than the close of business on November 21, 2023. Proposals should be submitted in writing to 200 Crescent Court, Suite 1200, Dallas, Texas 75201, Attn: Corporate Secretary. Such stockholder proposals must comply with all applicable legal requirements, including Rule 14a-8 under the Exchange Act.

For stockholder proposals not intended to be submitted in next year's proxy materials, but sought to be presented at next year's annual meeting of stockholders, our Bylaws provide that such proposals, including director nominations, must be received by our Corporate Secretary at our principal executive offices not later than the close of business on January 26, 2024 and not earlier than the close of business on December 27, 2023. In the event that the date of the 2024 annual meeting of stockholders is more than 30 days before or more than 60 days after the one-year anniversary of the 2023 Annual Meeting of Stockholders, notice of such any such stockholder proposal must be received no earlier than the close of business on the 120th day before 2024 annual meeting of stockholders and no later than the close of business on the later of the two following dates: the ninetieth 90th day prior to 2024 annual meeting of stockholders, or the 10th day following the day on which public announcement of the date our 2024 annual meeting of stockholders is first made.

ANNUAL REPORT

Our 2022 Annual Report to Stockholders, which includes our consolidated financial statements as of and for the year ended December 31, 2022, is being mailed to you along with this proxy statement. Upon written request, we will provide, without charge to stockholder, a copy of our 2022 Form 10-K, including the financial statements and financial statement schedules to such report. Requests should be directed to 200 Crescent Court, Suite 1200, Dallas, Texas 75201, Attn: Corporate Secretary.

HOUSEHOLDING OF PROXY MATERIALS

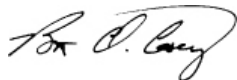

Unless we have received contrary instructions, we may send a single copy of this proxy statement and notice of annual meeting to any household at which two or more stockholders reside if we believe the stockholders are members of the same family. Each stockholder in the household will continue to receive a separate proxy card. This process, known as "householding," reduces the volume of duplicate information received at any one household and helps to reduce our expenses. However, if stockholders prefer to receive multiple sets of our disclosure documents at the same address this year or in future years, they should follow the instructions described below. Similarly, if an address is shared with another stockholder and both stockholders would like to receive only a single set of our disclosure documents, they should follow these instructions:

- If the shares are registered in the name of the stockholder, stockholders should contact us at our offices at 200 Crescent Court, Suite 1200, Dallas, Texas 75201, Attention: Corporate Secretary, or by telephone at 214-756-6900, to inform us of the request.
- If a bank, broker or other nominee holds the shares, stockholders should contact the bank, broker or other nominee directly.

OTHER MATTERS

Our Board of Directors knows of no other matters that will be presented for consideration at the annual meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named as proxy holder in the accompanying proxy to vote on such matters in their discretion.

By Order of the Board of Directors,

Brian O. Casey
Chief Executive Officer

4. SHARES SUBJECT TO PLAN.

1. **Maximum Number of Shares Issuable.** Subject to adjustment as provided in Section 4.3, the maximum aggregate number of shares of Stock that may be issued under the Plan shall be **6,248,100**. Shares issued under the Plan shall consist of authorized but unissued or reacquired shares of Stock or any combination thereof. If all or a portion of an outstanding Award for any reason expires, terminates, is canceled or settled in cash, any shares of Stock subject to that portion of the Award that expired, terminated, was cancelled or was settled in cash shall again be available for issuance under the Plan. If shares of Restricted Stock are forfeited, the shares of Stock so forfeited shall again be available for issuance under the Plan. Notwithstanding the foregoing, shares of Stock that are exchanged by a Participant or withheld by the Company as full or partial payment of the exercise price of an Option, as well as any shares of Stock exchanged by a Participant or withheld by the Company or any Subsidiary to satisfy the tax withholding obligations related to any Award under the Plan, shall not be available for subsequent Awards under the Plan. If any shares of Stock delivered to a Participant upon the exercise of an Option, or any shares of Stock issued to a Participant pursuant to any other Award, shall for any reason be repurchased by the Company under a repurchase option provided under any Award Agreement, the shares of Stock repurchased by the Company under such repurchase option shall revert to and become available for issuance again under the Plan.
2. **Award Limits.** Subject to adjustment as provided in Section 4.3, the maximum aggregate number of shares of Stock with respect to which Awards may be granted in a single calendar year to an individual Participant may not exceed 316,033 shares. The maximum amount a Participant may earn for any calendar year under cash incentive awards (including Annual Incentive Awards and cash Performance Based Awards) granted to such Participant under the Plan is \$5 million.
3. **Adjustments for Changes in Capital Structure.**
 - a. In the event of any stock dividend, stock split, reverse stock split, recapitalization, combination, reclassification or similar change in the capital structure of the Company, appropriate adjustments shall be made (i) in the number and class of shares subject to the Plan and to any outstanding Awards (if applicable), (ii) in the exercise or grant price per share of any outstanding Awards (if applicable), and (iii) in the maximum number of shares with respect to which Awards may be granted to any Participant in a calendar year. If a majority of the shares which are of the same class as the shares that are subject to outstanding Awards are exchanged for, converted into, or otherwise become (whether or not pursuant to an Ownership Change Event, as defined in Section 17.1) shares of another corporation (the “*New Shares*”), the Committee may unilaterally amend the outstanding Awards to provide that such Awards are exercisable for or settled in New Shares. In the event of any such amendment, the number of shares subject to, and the exercise price per share of, the outstanding Awards shall be adjusted in a fair and equitable manner as determined by the Committee, in its discretion. Notwithstanding the foregoing, any fractional share resulting from an adjustment pursuant to this Section 4.3 shall be rounded down to the nearest whole number, and in no event may the exercise price of any Award be decreased to an amount less than the par value, if any, of the stock subject to the Award. The adjustments determined by the Committee pursuant to this Section 4.3 shall be final, binding and conclusive.
 - b. In addition to the adjustments permitted under paragraph (a) above, the Committee, in its sole discretion, may make such other adjustments or modifications in the terms of any Awards that it deems appropriate to reflect any of the events described in Section 4.3(a), including, but not limited to, (i) modifications of performance goals and changes in the length of Performance Cycles or performance periods, (ii) the substitution of other property of equivalent value (including, without limitation, cash, other securities and securities of entities other than the Company that agree to such substitution) for the shares of Stock available

under the Plan or the shares of Stock covered by outstanding Awards, including arranging for the assumption, or replacement with new awards, of Awards held by Participants, but in either case only to the extent permitted by Prior Section 162(m) of the Code with respect to Awards intended to qualify for the Performance-Based Exception, or (iii) in connection with any sale of a Subsidiary, arranging for the assumption, or replacement with new

awards, of Awards held by Participants employed by the affected Subsidiary by the Subsidiary or an entity that controls the Subsidiary following the sale of such Subsidiary.

- c. The determination of the Committee as to the foregoing adjustments set forth in this Section 4.3(c), if any, shall be made in accordance with Sections 409A or 424 of the Code, to the extent applicable, and shall be conclusive and binding on Participants under the Plan.

5. ELIGIBILITY AND OPTION LIMITATIONS.

1. **Persons Eligible for Awards.** Awards may be granted pursuant to this Plan only to Employees, Consultants, and Directors. For purposes of the foregoing sentence, “Employees,” “Consultants” and “Directors” shall include prospective Employees, prospective Consultants and prospective Directors to whom Awards are granted in connection with written offers of an employment or other service relationship with the Participating Company Group. Eligible persons may be granted more than one Award.
2. **Option Grant Restrictions.** Any person who is not an Employee on the effective date of the grant of an Option to such person may be granted only a Nonstatutory Stock Option. An Incentive Stock Option granted to a prospective Employee upon the condition that such person become an Employee shall be deemed granted effective on the date such person commences Service with a Participating Company, with an exercise price determined as of such date in accordance with Section 6.1.
3. **Fair Market Value Limitation.** To the extent that Options designated as Incentive Stock Options (granted under all stock option plans of the Participating Company Group, including the Plan) become exercisable by a Participant for the first time during any calendar year for Stock having a Fair Market Value greater than One Hundred Thousand Dollars (\$100,000), the portions of such Options which exceed such amount shall be treated as Nonstatutory Stock Options. For purposes of this Section 5.3, options designated as Incentive Stock Options shall be taken into account in the order in which they were granted, and the Fair Market Value of Stock shall be determined as of the time the Option with respect to such Stock is granted. If the Code is amended to provide for a different limitation from that set forth in this Section 5.3, such different limitation shall be deemed incorporated herein effective as of the date and with respect to such Options as required or permitted by such amendment to the Code. If an Option is treated as an Incentive Stock Option in part and as a Nonstatutory Stock Option in part by reason of the limitation set forth in this Section 5.3, the Participant may designate which portion of such Option the Participant is exercising. In the absence of such designation, the Participant shall be deemed to have exercised the Incentive Stock Option portion of the Option first. Separate certificates representing each such portion shall be issued upon the exercise of the Option.

6. TERMS AND CONDITIONS OF OPTIONS.

Options shall be evidenced by Option Agreements specifying the number of shares of Stock covered thereby, in such form as the Committee shall from time to time establish. No Option or purported Option shall be a valid and binding obligation of the Company unless evidenced by a fully executed Option Agreement. Option Agreements may incorporate all or any of the terms of the Plan by reference and shall comply with and be subject to the following terms and conditions:

1. **Exercise Price.** The exercise price for each Option shall be established in the discretion of the Committee; provided, however, that (a) the exercise price per share for an Option shall be not less than the Fair Market Value of a share of Stock on the effective date of grant of the Option, and (b) no Incentive Stock Option granted to a Ten Percent Owner Participant shall have an exercise price per share less than one hundred ten percent (110%) of the Fair Market Value of a share of Stock on the effective date of grant of the Option. Notwithstanding the foregoing, an Option (whether an Incentive Stock Option or a Nonstatutory Stock Option) may be granted with an exercise price lower than the minimum exercise price set forth above if such Option is granted pursuant to an assumption or substitution for another option in a manner qualifying under the provisions of Section 424(a) of the Code.
2. **Exercisability and Term of Options.** Options shall be exercisable at such time or times, or upon such event or events, and subject to such terms, conditions, performance criteria and restrictions as shall be determined by the

Committee and set forth in the Option Agreement evidencing such Option; provided, however, that (a) no Option shall be exercisable after the expiration of ten (10) years after the effective date of grant of such Option, (b) no Incentive Stock Option granted to a Ten Percent Owner Participant shall be exercisable after the expiration of five (5) years after the effective date of grant of such Option, and (c) no Option granted to a prospective Employee, prospective Consultant or prospective Director may become exercisable prior to the date on which such person commences Service with a Participating Company. Subject to the foregoing, unless otherwise specified by the Committee in the grant of an Option, any Option granted hereunder shall terminate ten (10) years after the effective date of grant of the Option, unless earlier terminated in accordance with its provisions.

3. **Payment of Exercise Price.**

- a. **Forms of Consideration Authorized.** Except as otherwise provided below, payment of the exercise price for the number of shares of Stock being purchased pursuant to any Option shall be made (i) in cash, by check or cash equivalent, (ii) by tender to the Company, or attestation to the ownership, of shares of Stock owned by the Participant having a Fair Market Value (as determined by the Company without regard to any restrictions on transferability applicable to such stock by reason of federal or state securities laws or agreements with an underwriter for the Company) not less than the exercise price, (iii) by delivery of a properly executed notice together with irrevocable instructions to a broker providing for the assignment to the Company of the proceeds of a sale or loan with respect to some or all of the shares being acquired upon the exercise of the Option (including, without limitation, through an exercise complying with the provisions of Regulation T as promulgated from time to time by the Board of Governors of the Federal Reserve System) (a “*Cashless Exercise*”), (iv) by such other consideration as may be approved by the Committee from time to time to the extent permitted by applicable law, or (v) by any combination thereof. In no event shall the Company accept a promissory note in payment of the exercise price, or make a loan to a Participant to enable the Participant to exercise an Option. The Committee may at any time or from time to time, by approval of or by amendment to the standard forms of Option Agreement described in Section 6.6, or by other means, grant Options which do not permit all of the foregoing forms of consideration to be used in payment of the exercise price or which otherwise restrict one or more forms of consideration.
- b. **Limitations on Forms of Consideration.**
- i. **Tender of Stock.** Notwithstanding the foregoing, an Option may not be exercised by tender to the Company, or attestation to the ownership, of shares of Stock to the extent such tender or attestation would constitute a violation of the provisions of any law, regulation or agreement restricting the redemption of the Company’s stock.
- ii. **Cashless Exercise.** The Company reserves, at any and all times, the right, in the Company’s sole and absolute discretion, to establish, decline to approve or terminate any program or procedures for the exercise of Options by means of a Cashless Exercise.

4. **Effect of Termination of Service**

- a. **Option Exercisability.** Subject to earlier termination of the Option as otherwise provided herein and unless otherwise provided by the Committee in the grant of an Option and set forth in the Option Agreement, an Option shall be exercisable after a Participant’s termination of Service only during the applicable time period determined in accordance with this Section 6.4 and thereafter shall terminate:
- i. **Disability.** If the Participant’s Service with the Participating Company Group terminates because of the Disability of the Participant, the Option, to the extent unexercised and exercisable on the date on which the Participant’s Service terminated, may be exercised by the Participant (or the Participant’s guardian or legal representative) at any time prior to the expiration of one (1) year (or such other period of time as determined by the Committee, in its discretion) after the date on which the Participant’s Service terminated, but in any event no later than the date of expiration of the Option’s term as set forth in the Option Agreement evidencing such Option (the “*Option Expiration Date*”).
- ii. **Death.** If the Participant’s Service with the Participating Company Group terminates because of the death of the Participant, the Option, to the extent unexercised and exercisable on the date on which the Participant’s Service terminated, may be exercised by the Participant’s legal representative or other person who acquired the right to exercise the Option by reason of the Participant’s death at any time prior to the expiration of one (1) year (or such other period of time as determined by the Committee, in its discretion) after the date on which the Participant’s Service terminated, but in any

event no later than the Option Expiration Date. The Participant's Service shall be deemed to have terminated on account of death if the Participant dies within three (3) months (or such other period of time as determined by the Committee, in its discretion) after the Participant's termination of Service.

- iii. **Cause.** If the Participant's Service with the Participating Company Group is terminated for Cause, the Option shall terminate and cease to be exercisable immediately upon such termination of Service.
- iv. **Termination of Service.** If the Participant's Service with the Participating Company Group terminates for any reason, except Disability, death or Cause, the Option, to the extent unexercised and exercisable by the Participant on the date on which the Participant's

Service terminated, may be exercised by the Participant at any time prior to the expiration of three (3) months (or such other period of time as determined by the Committee, in its discretion) after the date on which the Participant's Service terminated, but in any event no later than the Option Expiration Date.

- b. **Extension if Exercise Prevented by Law.** Notwithstanding the foregoing, if the exercise of an Option within the applicable time periods set forth in Section 6.4(a) is prevented by the provisions of Section 20 below, the Option shall remain exercisable until three (3) months (or such longer period of time as determined by the Committee, in its discretion) after the date the Participant is notified by the Company that the Option is exercisable, but in any event no later than the Option Expiration Date.
 - c. **Extension if Participant Subject to Section 16(b).** Notwithstanding the foregoing, if a sale within the applicable time periods set forth in Section 6.4(a) of shares acquired upon the exercise of the Option would subject the Participant to suit under Section 16(b) of the Exchange Act, the Option shall remain exercisable until the earliest to occur of (i) the tenth (10th) day following the date on which a sale of such shares by the Participant would no longer be subject to such suit, (ii) the one hundred and ninetieth (190th) day after the Participant's termination of Service, or (iii) the Option Expiration Date.
 - d. **Option Vesting.** Every Option awarded under the Plan (including those Options awarded prior to the Effective Date, which are hereby amended to incorporate the following terms) shall become 100% vested if the Participant's Service with the Participating Company Group terminates because of the death of the Participant, as of the date of the Participant's death.
5. **Dividend Payments.** No dividends or dividend equivalents will be accrued or paid with respect to Options.
6. **Standard Forms of Option Agreement.**
- a. **Option Agreement.** Unless otherwise provided by the Committee at the time the Option is granted, an Option shall comply with and be subject to the terms and conditions set forth in the form of Option Agreement approved by the Committee concurrently with its adoption of the Plan and as amended from time to time.
 - b. **Authority to Vary Terms.** The Committee shall have the authority from time to time to vary the terms of any standard form of Option Agreement described in this Section 6.6 either in connection with the grant or amendment of an individual Option or in connection with the authorization of a new standard form or forms; provided, however, that the terms and conditions of any such new, revised or amended standard form or forms of Option Agreement are not inconsistent with the terms of the Plan.

7. STOCK APPRECIATION RIGHTS

1. **Grant of Stock Appreciation Rights.**

- a. A Stock Appreciation Right may be granted to any eligible person selected by the Committee. A Stock Appreciation Right shall be subject to such terms and conditions not inconsistent with the Plan as the Committee shall impose and shall be evidenced by an Award Agreement, provided that the term of any Stock Appreciation Right shall not exceed ten years.
- b. A Stock Appreciation Right shall entitle the Participant (or other person entitled to exercise the Stock Appreciation Right pursuant to the Plan) to exercise all or a specified portion of the Stock Appreciation Right (to the extent then exercisable pursuant to its terms) and to receive from the Company an amount equal to the product of (i) the excess of (A) the Fair Market Value of the shares of Stock on the date the Stock Appreciation Right is exercised over (B) the grant price of the Stock Appreciation Right and (ii) the number of shares of Stock with respect to which the Stock Appreciation Right is exercised, subject to any limitations the Committee may impose.

- c. The grant price per share of Stock subject to a Stock Appreciation Right shall be determined by the Committee and set forth in the Award Agreement; *provided that*, the grant price for any Stock Appreciation Right shall not be less than 100% of the Fair Market Value of a share of Stock on the date of grant.
 - d. The provisions set forth in Section 6.4 with respect to the exercise of Options following termination of employment shall apply as well to such exercise of SARs.
2. **Payment and Limitations on Exercise.** Payment of the amounts determined under Section 7.1(b) hereof shall be in cash, in shares of Stock (based on the Fair Market Value as of the date the Stock Appreciation Right is exercised) or a combination of both, as determined by the Committee.

3. **Dividend Payments.** No dividends or dividend equivalents will be accrued or paid with respect to SARs.

8. **AWARDS TO NON-EMPLOYEE DIRECTORS.**

Non-Employee Directors are eligible to receive any type of Award under this Plan other than Incentive Stock Options. The grant of an Award to a Non-Employee Director shall be made by the Committee, subject to approval by the Board. Notwithstanding anything in the Plan to the contrary, the aggregate grant date fair value for financial reporting purposes of Awards granted during a calendar year to a Non-Employee Director as compensation for his or her services as a Director, taken together with the cash fees paid during the calendar year to the Non-Employee Director as compensation for his or her services as a Director, shall not exceed (a) \$350,000 in total value in the case of a Non-Employee Director other than the Chairman of the Board, and (b) \$500,000 in total value in the case of the Chairman of the Board. For the avoidance of doubt, Awards granted to Non-Employee Directors shall be subject to all of the other limitations set forth in the Plan.

9. **AWARD AND DELIVERY OF RESTRICTED STOCK.**

1. **Restricted Period.** At the time an award of Restricted Stock is made, the Committee shall establish a period or periods of time (each a "**Restricted Period**") or such other restrictions on the vesting of the Restricted Stock as it shall deem appropriate or applicable to such award. Each award of Restricted Stock may have a different Restricted Period or Restricted Periods. The Committee may, in its sole discretion, at the time an award is made, provide for the incremental lapse of Restricted Periods with respect to a portion or portions of the Restricted Stock awarded, and for the lapse or termination of restrictions upon all or any portion of the Restricted Stock upon the satisfaction of other conditions in addition to or other than the expiration of the applicable Restricted Period. The Committee may also, in its sole discretion, shorten or terminate a Restricted Period or waive any conditions for the lapse or termination of restrictions with respect to all or any portion of the Restricted Stock.
2. **Rights and Privileges.** At the time a grant of Restricted Stock is made to a Participant, a stock certificate representing a number of shares of the Company's common stock equal to the number of shares of such Restricted Stock shall be registered in the Participant's name but shall be held in custody by the Company for such Participant's account. The Participant shall generally have the rights and privileges of a stockholder as to such Restricted Stock, including, without limitation, the right to vote the Restricted Stock, except that, subject to the earlier lapse or termination of restrictions as herein provided, the following restrictions shall apply: (i) the Participant shall not be entitled to delivery of the stock certificate evidencing Restricted Stock until the expiration or termination of the Restricted Period applicable to such shares and the satisfaction of any other conditions prescribed by the Committee; (ii) none of the shares then subject to a Restricted Period shall be sold, transferred, assigned, pledged, or otherwise encumbered or disposed of during the Restricted Period applicable to such shares and until the satisfaction of any other conditions prescribed by the Committee; and (iii) all of the shares then subject to a Restricted Period shall be forfeited and all rights of the Participant to such Restricted Stock shall terminate without further obligation on the part of the Company if the Participant ceases to be an Employee, Consultant or Director of the Company or any of its subsidiaries before the expiration or termination of such Restricted Period and the satisfaction of any other conditions prescribed by the Committee applicable to such Restricted Stock. No dividends or dividend equivalents will be paid with respect to outstanding shares of Restricted Stock then subject to a Restricted Period. The Committee may provide that dividends or dividend equivalents will be accrued with respect to such shares of Restricted Stock, in which event the dividends will be subject to the vesting conditions applicable to the corresponding shares of Restricted Stock. Accordingly, such dividends will be forfeited if and to the extent such vesting conditions are not satisfied. If the Committee determines that dividends with respect to Restricted Stock will be paid in the form of additional shares of Restricted Stock, then the Committee may, in its sole discretion, cause the Company to register in the name of a Participant a stock certificate representing such shares of Restricted Stock issued as a dividend, and may cause the Company to hold such certificate in custody for the Participant's account subject to the applicable vesting and other terms and conditions. Upon a forfeiture of any shares of Restricted Stock (including, without limitation, shares of Restricted Stock issued as

dividends), such forfeited shares of Restricted Stock shall be transferred to the Company without further action by the Participant.

3. **Expiration of Restricted Period.** Upon the expiration or termination of the Restricted Period applicable to Restricted Stock and the satisfaction of any other conditions prescribed by the Committee or at such earlier time as provided for herein, the restrictions applicable to the Restricted Stock to such Restricted Period shall lapse and a certificate for a number of shares of Common Stock equal to the number of shares of Restricted Stock with respect to which the restrictions have expired or terminated shall be delivered, free of all such restrictions, except any that may be imposed by law, to the Participant. The Company shall not be required to deliver any fractional share of Common Stock but shall pay to the Participant, in lieu thereof, the product of (i) the Fair Market Value per share (determined as of the date the restrictions expire or terminate) and (ii) the fraction of a share to which such Participant would otherwise be entitled.

4. **Vesting Events for Restricted Stock.** If the Employee terminates employment by reason of death, all of his or her shares of Restricted Stock shall become 100% vested upon the date of death. All Restricted Stock awards prior to the Effective Date are hereby amended to incorporate these terms.

10. RESTRICTED STOCK UNITS.

The Committee is authorized to grant Restricted Stock Units to eligible persons, subject to the following terms and conditions:

1. **Award and Restrictions.** Restricted Stock Units shall be subject to such restrictions (which may include a risk of forfeiture) as the Committee may impose, if any, which restrictions may lapse at the expiration of the deferral period or at earlier specified times (including based on achievement of performance goals and/or future service requirements), separately or in combination, in installments or otherwise, as the Committee may determine.
2. **Settlement.** Settlement of Restricted Stock Units shall occur upon expiration of the deferral period specified for such Restricted Stock Unit by the Committee (or, if permitted by the Committee, as elected by the Participant). Restricted Stock Units shall be satisfied by the delivery of (a) a number of shares of Stock equal to the number of RSUs vesting on such date, or (b) cash in an amount equal to the Fair Market Value of the specified number of shares of Stock covered by the vesting Restricted Stock Units, or a combination thereof, as determined by the Committee at the date of grant or thereafter.
3. **Dividends on Restricted Stock Units.** The Committee may, in its sole discretion and as would be set forth in the applicable Award Agreement, require each Restricted Stock Unit to be credited with dividends paid by the Company with respect to one share of Stock (“dividend equivalents”). Dividend equivalents shall be withheld by the Company and credited to the Participant’s account, and interest may be credited on the amount of cash dividend equivalents credited to the Participant’s account at a rate and subject to such terms as determined by the Committee in its sole discretion. Dividend equivalents credited to a Participant’s account and attributable to any particular Restricted Stock Unit (and earnings thereon, if applicable) shall be distributed in cash or, at the sole discretion of the Committee, in shares of Stock having a Fair Market Value equal to the amount of such dividend equivalents and earnings, if applicable, to the Participant upon settlement of such Restricted Stock Unit and, if such Restricted Stock is forfeited, the Participant shall have no right to such dividend equivalents.
4. **Effect of Termination of Employment.**
 - a. Unless the applicable Award Agreement or the Committee determines otherwise, Restricted Stock Units that have not vested, together with Dividend Equivalents, if any, credited on such Restricted Stock Units, shall be forfeited upon the Participant’s termination of employment for any reason other than death.
 - b. If the Employee terminates employment by reason of death, all of his or her shares of Restricted Stock shall become 100% vested upon the date of death.

11. ANNUAL INCENTIVE AWARDS.

1. **Annual Incentive Awards.** The Committee may grant annual incentive awards of Stock or cash (each an “*Annual Incentive Award*”) to such Participants as the Committee may from time to time recommend, in such amounts and subject to such terms and conditions as the Committee in its discretion may determine. The Committee shall establish the maximum amount of Annual Incentive Awards that may be granted for each Performance Cycle. Notwithstanding the foregoing, all Annual Incentive Awards shall be subject to the provisions of paragraphs (a) through (d) below:
 - a. Annual Incentive Awards shall be granted in connection with a 12-month Performance Cycle, which shall be the fiscal year of the Company.
 - b. Subject to Section 4.1, the Committee shall determine the Participants who shall be eligible to receive an Annual Incentive Award for such Performance Cycle.

- c. The Committee shall fix and establish, in writing, (A) the Performance Measure(s) that shall apply to such Performance Cycle, (B) an objective formula for computing the amount of the Annual Incentive Awards for such Performance Cycle, where the amount shall be based upon the attainment of various Performance Goals for the applicable Performance Measure(s).
- d. Annual Incentive Awards shall be paid in the form of cash, Stock (including Restricted Stock) or any combination thereof, in the discretion of the Committee.

12. PERFORMANCE-BASED AWARDS.

1. **Performance-Based Awards.** Notwithstanding anything to the contrary contained herein, the Committee may designate any of the Awards available under the Plan (including but not limited to Options, Restricted

Stock, Annual Incentive Awards and Discretionary Bonus Awards) as conditioned on the achievement of specified Performance Measures (each such Award a “*Performance-Based Award*”). The grant, exercise, vesting or settlement of Performance-Based Awards may be conditioned on the achievement of specified Performance Goals. The Performance Cycle or performance period(s) applicable to a Performance-Based Award shall be any period of time determined by the Committee.

2. **Objective Performance Goals and Performance Measures.** A Performance Goal established in connection with a Performance-Based Award must be based on any one or more of the following performance measures (each, a “*Performance Measure*”) (which may be applied to an individual, a subsidiary, a business unit or division, or the Company and any one or more of its subsidiaries as a whole, as determined by the Committee):
- a. Net earnings or net income (loss) (before or after taxes, depreciation and amortization);
 - b. Cash earnings;
 - c. Earnings per share;
 - d. Net sales or revenue growth;
 - e. Net operating income;
 - f. Return measures (including, but not limited to, returns on assets, capital, invested capital, equity, sales, or revenue);
 - g. Cash flow (including, but not limited to, operating cash flow, free cash flow, cash flow return on equity, and cash flow return on investment (discounted or otherwise));
 - h. Operating income before interest, taxes, depreciation and amortization;
 - i. Return on stockholders’ equity;
 - j. Operating margins or operating expenses;
 - k. Value of the Company’s Stock or total return to stockholders;
 - l. Value of an investment in the Company’s Stock assuming the reinvestment of dividends;
 - m. Assets under management;
 - n. Performance of one or more of our investment products on an absolute basis or relative to a benchmark or peer group;
 - o. Adjusted pre-tax income;
 - p. Cost targets, reductions and savings, productivity and efficiencies;
 - q. Strategic business criteria, consisting of one or more objectives based on meeting specified market penetration, geographic business expansion, customer satisfaction, employee satisfaction, human resources management, supervision of litigation, information technology and goals relating to acquisitions, divestitures, joint ventures and similar transactions and budget comparisons;
 - r. Personal professional objectives, consisting of one or more objectives based on the implementation of plans and policies, the negotiation of transactions, the development of long term business goals, formation of joint ventures, research or development collaborations and the completion of other corporation transactions;
 - s. Any other criteria as determined by the Committee in its sole discretion; and/or
 - t. A combination of any or all of the foregoing criteria.

The targeted level or levels of performance with respect to such Performance Measures may be established at such levels, with such adjustments (including, as applicable, inclusion or exclusion of taxes, depreciation, amortization, compensation, start-up, non-recurring, mergers and acquisitions, lift-outs and/or other items of income or expense) and in such other terms as the Committee may determine, in its discretion, including, without limitation, in absolute terms, as a goal relative to performance in prior periods, or as a goal compared to the performance of one or more comparable companies or an index covering multiple companies.

3. **Calculation of Performance-Based Award.** At the expiration of the applicable performance period, the Committee shall determine the extent to which the Performance Goals established pursuant to this Article are achieved and the extent to which each Performance-Based Award has been earned. The Committee may not exercise its discretion to increase the amount or value of an award that would otherwise be payable in accordance with the terms of a Performance-Based Award that is intended to meet the requirements for the Performance-Based Exception.

13. DISCRETIONARY BONUS AWARDS.

1. **Discretionary Bonus Awards.** The Committee may grant discretionary bonus awards of Stock or cash (each a “*Discretionary Bonus Award*”) to officers and other key Employees of either the Company or any Subsidiary, in such amounts and subject to such terms and conditions as the Committee in its discretion may determine.
2. The Committee may grant Discretionary Bonus Awards to eligible Participants in such amounts as the Committee may determine, subject to the limitations set forth in Section 4.1.
3. Discretionary Bonus Awards shall be paid in the form of cash, Stock (including Restricted Stock) or any combination thereof, in the discretion of the Committee.

14. OTHER STOCK-BASED AWARDS.

The Committee is authorized, subject to limitations under applicable law, to grant to eligible persons such other Awards that may be denominated or payable in, valued in whole or in part by reference to, or otherwise based on, or related to, shares of Stock, as deemed by the Committee to be consistent with the purposes of this Plan, including without limitation purchase rights for shares of Stock, Awards with value and payment contingent upon performance of the Company or any other factors designated by the Committee, and Awards valued by reference to the book value of a share of Stock. The Committee shall determine the terms and conditions of such Other Stock-Based Awards. Stock delivered pursuant to an Other-Stock Based Award in the nature of a purchase right granted under this Section 14 shall be purchased for such consideration, paid for at such times, by such methods, and in such forms, including, without limitation, cash, Stock, other Awards, or other property, as the Committee shall determine.

15. AWARD VESTING LIMITATIONS.

Notwithstanding any other provision of the Plan to the contrary, but subject to Section 4.3, Awards granted under the Plan shall vest no earlier than the first anniversary of the date the Award is granted; *provided, however*, that, notwithstanding the foregoing, Awards that result in the issuance of an aggregate of up to 5% of the shares of Stock available pursuant to Section 4.1 may be granted to any one or more Participants without respect to such minimum vesting provisions. Nothing in this Section 15 shall preclude the Committee from providing in an Award Agreement that all or a portion of the Award shall vest, or exercising its discretion to cause all or a portion of an Award to become vested, upon a Participant’s death or Disability, or, subject to Section 17.2, in connection with the consummation of a Change in Control.

16. TRANSFERABILITY OF AWARDS.

1. Except as provided in Section 16.3 below, each Option and SAR shall be exercisable only by the Participant during the Participant’s lifetime, or by the Person to whom the Participant’s rights shall pass by will or the laws of descent and distribution. Notwithstanding the foregoing, an ISO shall not be transferable other than by will or the laws of descent and distribution.
2. Except as provided in Section 16.3 below, no Award and no right under any such Award may be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by a Participant and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or any Subsidiary.
3. To the extent specifically provided by the Committee, and on such terms and conditions as the Committee may from time to time establish, an Award may be transferred by a Participant without consideration to one or more Permitted Transferees.

17. CHANGE IN CONTROL.

1. **Definitions.**
 - a. An “*Ownership Change Event*” shall be deemed to have occurred if any of the following occurs with respect to the Company: (i) the direct or indirect sale or exchange in a single or series of related transactions

by the stockholders of the Company of more than fifty percent (50%) of the voting stock of the Company; (ii) a merger or consolidation in which the Company is a party; (iii) the sale, exchange, or transfer of all or substantially all of the assets of the Company; or (iv) a liquidation or dissolution of the Company.

- b. A “**Change in Control**” shall mean (i) a merger or consolidation of the Company with or into another corporation in which the Company shall not be the surviving corporation (other than a merger undertaken solely in order to reincorporate in another state) (for purposes hereof, the Company shall not be deemed the surviving corporation in any such transaction if, as the result thereof, it becomes a wholly-owned subsidiary of another corporation), (ii) a dissolution of the Company, (iii) a transfer of all or substantially all of the assets of the Company in one transaction or a series of related transactions to one or more other persons or entities, (iv) a transaction or series of transactions that results in any entity, “Person” or “Group” (as defined below), becoming the

beneficial owner, directly or indirectly, of securities of the Company representing more than 50% of the combined voting power of the Company's then outstanding securities, or (v) during any period of two (2) consecutive years commencing on or after January 1, 2005, individuals who, at the beginning of the period constituted the Company's Board of Directors cease for any reason to constitute at least a majority, unless the election of each director who was not a director at the beginning of the period has been approved in advance by directors representing at least two-thirds (2/3) of the directors then in office who were directors at the beginning of the period; provided, however, that a "Change in Control" shall not be deemed to have occurred if the ownership of 50% or more of the combined voting power of the surviving corporation, asset transferee or Company (as the case may be), after giving effect to the transaction or series of transactions, is directly or indirectly held by (A) a trustee or other fiduciary under an employee benefit plan maintained by the Company, (B) one or more of the "executive officers" of the Company that held such positions prior to the transaction or series of transactions, or any entity, Person or Group under their control. As used herein, "Person" and "Group" shall have the meanings set forth in Sections 13(d)(3) and/or 14(d)(2) of the Securities Exchange Act of 1934, as amended, and "executive officer" shall have the meaning set forth in Rule 3b-7 promulgated under such Act .

2. **Effect of Change in Control on Awards.** Upon a Change in Control, each outstanding Award shall become 100% vested (with any performance conditions imposed with respect to such Award deemed to be achieved at "target" performance levels) and exercisable as of the date ten (10) days prior to the date of the Change in Control, provided that the Participant's Service has not terminated prior to such date. The exercise or vesting of any Award that was permissible solely by reason of this Section 17.2 shall be conditioned upon the consummation of the Change in Control. Any Option or SAR which is neither assumed or substituted for by the surviving, continuing, successor, or purchasing corporation of Parent thereof, as the case may be (the "**Acquiring Corporation**") in connection with the Change in Control nor exercised as of the date of the Change in Control shall terminate and cease to be outstanding effective as of the date of the Change in Control; except as would otherwise result in adverse tax consequences under Section 409A of the Code; *provided, however*, that the Committee may, in its discretion, provide that any Option or SAR shall, immediately prior to the occurrence of a Change in Control, be cancelled in exchange for a payment in cash or securities in an amount equal to (a) the excess of the consideration paid per share of Stock in the Change in Control over the exercise price or grant price per share of Stock subject to the Option or SAR, *multiplied by* (b) the number of shares of Stock subject to the Option or SAR. Notwithstanding the foregoing, shares acquired pursuant to an Award prior to the Change in Control and any consideration received pursuant to the Change in Control with respect to such shares shall continue to be subject to all applicable provisions of the applicable Award Agreement, except as otherwise provided therein. Furthermore, notwithstanding the foregoing, if the Change in Control results from an Ownership Change Event described in Section 17.1(a)(i) and the Company is the surviving or continuing corporation and immediately after such Change in Control less than fifty percent (50%) of the total combined voting power of its voting stock is held by another corporation or by other corporations that are members of an affiliated group within the meaning of Section 1504(a) of the Code without regard to the provisions of Section 1504(b) of the Code, the outstanding Awards shall not terminate unless the Committee otherwise provides in its discretion. For the avoidance of doubt, all Restricted Stock awards prior to the Effective Date are hereby amended to incorporate these terms.

18. WITHHOLDING.

The Company or any Subsidiary, as appropriate, shall have the authority and the right to deduct or withhold, or require a Participant to remit to the Company or Subsidiary, an amount sufficient to satisfy U.S. federal, state, and local taxes and taxes imposed by jurisdictions outside of the United States (including income tax, social insurance contributions, payment on account and any other taxes that may be due) that the Company or a Subsidiary determines are required to be withheld with respect to any taxable event concerning a Participant arising as a result of this Plan or to take such other action as may be necessary in the opinion of the Company or a Subsidiary, as appropriate, to satisfy withholding obligations for the payment of taxes. Without limiting the foregoing, the Company or a Subsidiary shall have the right, but not the obligation, to deduct from the shares of Stock issuable upon the grant, vesting or exercise of an Award,

or to accept from the Participant the tender of, a number of whole shares of Stock having a Fair Market Value, as determined by the Company, equal to all or any part of the federal, state, local and foreign taxes, if any, required by law to be withheld with respect to an Award. Alternatively or in addition, in its discretion, the Company or a Subsidiary shall have the right to require the Participant, through payroll withholding, cash payment or otherwise, including, with respect to an Option, by means of a Cashless Exercise, to make adequate provision for any such tax withholding obligations of the Company or a Subsidiary arising in connection with an Award. The amount of tax required to be withheld may be determined using rates of up to, but not exceeding, the maximum federal, state, local and/or foreign statutory tax rates applicable in a particular jurisdiction on the date that the amount of tax to be withheld is to be determined. No shares of Stock shall be delivered hereunder to any Participant or other person until the Participant or such

other person has made arrangements acceptable to the Committee for the satisfaction of these tax obligations with respect to any taxable event concerning the Participant or such other person arising as a result of Awards made under this Plan.

19. PROVISION OF INFORMATION.

Each Participant shall be given access to information concerning the Company equivalent to that information generally made available to the Company's common stockholders.

20. COMPLIANCE WITH SECURITIES LAW.

The grant of an Award and the issuance of shares of Stock upon exercise of an Award, if applicable, shall be subject to compliance with all applicable requirements of federal, state and foreign law with respect to such securities. An Award may not be exercised for shares of Stock if the issuance of such shares would constitute a violation of any applicable federal, state or foreign securities laws or other law or regulations or the requirements of any stock exchange or market system upon which the Stock may then be listed. In addition, no Award may be exercised for shares of Stock unless (a) a registration statement under the Securities Act shall at the time of exercise of the Award be in effect with respect to the shares of Stock issuable upon exercise of the Award or (b) in the opinion of legal counsel to the Company, the shares of Stock issuable upon exercise of the Award may be issued in accordance with the terms of an applicable exemption from the registration requirements of the Securities Act. The inability of the Company to obtain from any regulatory body having jurisdiction the authority, if any, deemed by the Company's legal counsel to be necessary to the lawful issuance and sale of any shares of Stock hereunder shall relieve the Company of any liability in respect of the failure to issue or sell such shares of Stock as to which such requisite authority shall not have been obtained. As a condition to the exercise of any Award, the Company may require the Participant to satisfy any qualifications that may be necessary or appropriate, to evidence compliance with any applicable law or regulation and to make any representation or warranty with respect thereto as may be requested by the Company.

21. TERMINATION OR AMENDMENT OF PLAN.

The Board may terminate or amend the Plan at any time. However, subject to changes in applicable law, regulations or rules that would permit otherwise, without the approval of the Company's stockholders, there shall be (a) no increase in the maximum aggregate number of shares of Stock that may be issued under the Plan (except by operation of the provisions of Section 4.3), (b) no change in the class of persons eligible to receive Incentive Stock Options, and (c) no other amendment of the Plan that would require approval of the Company's stockholders under any applicable law, regulation or rule. No termination or amendment of the Plan shall affect any then outstanding Award unless expressly provided by the Board. In any event, no termination or amendment of the Plan may adversely affect any then outstanding Award without the consent of the Participant, unless such termination or amendment is required to enable an Option designated as an Incentive Stock Option to qualify as an Incentive Stock Option or is necessary to comply with any applicable law, regulation or rule.

22. STOCKHOLDER APPROVAL.

Any increase in the maximum aggregate number of shares of Stock issuable under the Plan as provided in Section 4.1 (the "*Authorized Shares*") shall be approved by the stockholders of the Company within twelve (12) months of the date of adoption thereof by the Board. Awards granted in excess of the Authorized Shares previously approved by the stockholders shall become exercisable no earlier than the date of stockholder approval of such increase in the Authorized Shares.
