CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION

Under the Private Securities Litigation Reform Act of 1995, companies are provided with a “safe harbor” for making forward-looking statements about the potential risks and rewards of their strategies. Some of the statements contained in this Annual Report on Form 10-K are forward-looking statements about 360 Global Investments (“we,” “us,” “360 Global”, the “Debtor”, or the “Company”), including but not limited to those specifically identified as such, that involve risks and uncertainties. The statements contained in the Report on Form 10-K that are not purely historical are forward looking statements within the meaning of Section 27A of the Securities Act and Section 21E of the Exchange Act, including, without limitation, statements regarding our expectations, beliefs, intentions or strategies regarding the future. In some cases, you can identify forward-looking statements by terminology such as “may,” “will,” “should,” “expects,” “plans,” “anticipates,” “believes,” “estimates,” “predicts,” “potential” or “continue” or the negative of these terms or other comparable terminology.

Our ability to achieve our goals depends on many known and unknown risks and uncertainties, including risks and uncertainties specific to our Company, our Chapter 11 filing, our industry, and changes in general economic and business conditions. These factors could cause our actual performance and results to differ materially from those described or implied in forward-looking statements. Although we believe that the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, levels of activity, performance or achievements. Moreover, neither we nor any other person can assume responsibility for the accuracy and completeness of such statements.

All forward-looking statements included in this Report on Form 10-K are based on information available to us on the date hereof, and we assume no obligation to update any such forward-looking statements, beyond those obligations required by law.

Other Information

No assurance can be given as to what values, if any, will be ascribed in our bankruptcy proceedings to our various pre-petition liabilities, common stock and other securities. As of the date of the Chapter 11 filing, all pending litigation (including actions described below) is stayed, and absent further order of the Bankruptcy Court, no party, subject to certain exceptions, may take any action, also subject to certain exceptions, to recover on pre-petition claims against us. It is not possible to predict the outcome of the Chapter 11 proceedings or their effect on our business. On December 21, 2007, 360 Viansa’s Disclosure Statement and Plan of Reorganization (“Viansa Plan”) was confirmed by United States Bankruptcy Court for the District of Nevada. In March, 2007 the Company filed for Chapter 11 protection under the U.S. Bankruptcy code to reorganize. It subsequently disposed of its wholly owned operating subsidiary, 360 Viansa LLC, and all other assets as part of the 360 Viansa Plan of Reorganization (“Viansa Plan”, “Viansa POR”) - as approved by the United States Bankruptcy Court for the District of Nevada (the “Bankruptcy Court”).

In December, 2007 360 Viansa, LLC was sold to Laurus Master Fund, Ltd. (“Laurus”). In March, 2008, 360 Global sold the Texas Property to the City of Granite Shoals and the Christ Redeemer Fellowship. Under the Viansa plans all funds except for a residual interest of \$250,000 went to the 360 Global trust for the benefit of the creditors. The \$250,000 was designated for payment of professional fees under the bankruptcy plan and subsequently distributed in February, 2009.

The confirmed Viansa Plan is attached as Exhibit 33.1.

On December 12, 2008, 360 Global’s Disclosure Statement and Plan of Reorganization (“Global Plan”) was confirmed by United States Bankruptcy Court for the District of Nevada and can be found as Exhibit 34.1 to this document.

As described in this Global Plan, the Company’s business plan is made up of two activities. First, undertaking the administrative, accounting, SEC related, and all other work necessary to prepare and file updated financial statements and annual and quarterly reports with the SEC and any other governmental organizations, in order to re-establish Reorganized Global as a fully reporting public company and re-list its common stock on a nationally recognized stock exchange or market quotation system.

In order to accomplish this goal, Reorganized Global's plan is to complete the following SEC filings (among other filings and reports), which Reorganized Global will complete as soon as practical taking into account the general economic climate:

10K annual report and audit for the year ended December 31, 2009
10Q for the 1st quarter of 2010
10Q for the 2nd quarter of 2010
10Q for the 3rd quarter of 2010
10K annual report and audit for the year ended December 31, 2010
10Q for the 1st quarter of 2011
10Q for the 2nd quarter of 2011
10Q for the 3rd quarter of 2011
10K annual report and audit for the year ended December 31, 2011
10Q for the 1st quarter of 2012
10Q for the 2nd quarter of 2012
10Q for the 3rd quarter of 2012
10K annual report and audit for the year ended December 31, 2012

The second activity is to conduct the appropriate search, perform the necessary analysis, negotiate a price and structure, plan the financing, and raise the necessary capital to acquire an operating business or effect a merger or acquisition, or capital stock exchange, asset acquisition, or other similar business combination with an operating business. The business going forward shall not be inconsistent with the business prior to filing for Chapter 11. However, Reorganized Global is not necessarily limited to a particular industry. Nevertheless, management of Global has initially focused on the same sectors. As of the first quarter of 2012, efforts have been limited to exploring financing and acquisition opportunities with the intent to maximize the value of the business for Reorganized Global's Creditors and new equity interest holders. Global's efforts in identifying a prospective target business have been ongoing since January 2008. Global has examined over 100 business opportunities including a wide range of detailed discussions with financing and management partners.

The subsequent 2009 global recession caused delays in the first and second activities.

The Board of Directors shall determine in their discretion the rights, privileges and restrictions granted or imposed on such shares.

Corporate History

The Company was originally incorporated in the State of Nevada on May 15, 2000 under the name Tech-net Communications, Inc.

On August 1, 2003, a share exchange was conducted between the Company and Knightsbridge Fine Wines, Inc. (“Knightsbridge”), a Nevada corporation. As a result of the share exchange, Knightsbridge became a wholly owned subsidiary of the 360 Global. In exchange, the company issued 12,402,500 shares of Common Stock to the former shareholders of Knightsbridge. This share exchange resulted in change of control, as the former shareholders of Knightsbridge subsequently owned a majority of the Company’s voting stock (82.89%).

Effective August 13, 2003, the Company’s common shares underwent a two for one forward stock split. Also on August 13, 2003, the Company’s Articles of Incorporation were amended to change the name of the Company to Knightsbridge Fine Wines, Inc., as agreed to by a majority of the voting shareholders.

On October 16, 2003, the Company entered into a purchase agreement with Gryphon Master Fund, L.P. (“Gryphon”), a Bermuda limited partnership. Pursuant to this agreement, Gryphon purchased a \$1,500,000 7.5% convertible note due October 16, 2006 from the Company. Gryphon also received warrants to purchase 416,667 shares of the Company’s common stock.

On November 6, 2003, a closing was held in Argentina under a stock purchase agreement for the acquisition by the Company’s wholly-owned subsidiary, KFWBA Acquisition Corp., a Nevada corporation (“KFWBA”), of Bodegas y Venedos Anguinan S.A. (“Bodegas y Venedos”). The purchase price consisted of a combination of \$200,000 (USD) and one million shares of the Company’s restricted common stock. Additionally, KFWBA entered into put options agreements with both of the former shareholders Bodegas y Venedos, which provide that those former shareholders can compel KFWBA to purchase a specific portion of the Company’s shares delivered as a part of the purchase price of Bodegas y Venedos.

On December 22, 2003, the Company entered into a second purchase agreement with Gryphon. Pursuant to this agreement, Gryphon purchased a \$2,000,000 7.5% convertible note due December 22, 2006 from the Company. Gryphon also received warrants to purchase 1,111,111 shares of the Company’s common stock.

On April 21, 2004, the Company acquired a 50% interest in Kirkland Knightsbridge, LLC, a California limited liability company (the “Joint Venture Sub”) pursuant to a certain capital stock contribution agreement by and among the Company, the Joint Venture Sub, Kirkland Ranch, LLC, a California limited liability company, and Mr. Larry Kirkland. In exchange for its 50% membership interest, the Company made a capital contribution equal to \$10,000,000 through the issuance of 4,255,320 share of its common stock.

Also on April 21, 2004, the Company entered into a securities exchange agreement with Gryphon. The Company issued a \$5,500,000 7.5% senior secured convertible note due April 21, 2006 and a warrants to purchase 8,055,556 shares of the Company’s common stock. In exchange, the Company received \$2,000,000 in cash and the Company’s 7.5% convertible notes previously sold to Gryphon (total face value of \$3,500,000).

On May 28, 2004, the Company entered into a note purchase agreement with each of Longview Fund, LP, Longview Equity Fund, LP, and Longview International Equity Fund, LP (collectively, the “Purchasers”). The Purchasers purchased from the Company convertible promissory notes due August 26, 2004 in the total principal amount of \$500,000. This agreement was amended on September 30, 2004 because the Company was in default with respect to the convertible notes. The amendment extended the maturity date of the notes to November 9, 2004 and provided for the Company to issue 300,000 shares of common stock to the Purchasers.

On September 30, 2004, the Company and Gryphon entered into a debt restructuring agreement. Pursuant to the agreement, Gryphon agreed to cancel certain penalties owed to it under the senior secured convertible note dated April 21, 2004 in return for the Company issuing a new 6% promissory note due August 31, 2005 in the amount of \$700,000.

On February 15, 2005, the Company’s Articles of Incorporation were amended to change the name of the Company to 360 Global Wine Company, as agreed to by a majority of the voting shareholders.

In the first quarter of 2005, the Company agreed to acquire 18.7% of the outstanding shares of First Montauk Financial Corp. (FMFC) from a group of individuals and an entity (BMAC). The Company retained 360 Global Financial LLC2 (360GF) (not a related party) to provide investment-banking services in our acquisition of the shares of FMFC common stock. The agreement with 360GF provided for the payment of 1,200,000 shares of our common stock payable in three separate payments of 400,000 shares based upon the completion of certain milestones. We issued the first 400,000 shares of our common stock with a fair value of \$2,735,005. BMAC, the entity that was selling the FMFC shares to us, was not able to deliver its shares as contemplated in the original agreement. Accordingly, the FMFC share acquisition transaction has been cancelled and we instructed our transfer agent that the shares issued to BMAC are to be cancelled and are currently awaiting the receipt of the stock certificate issued to 360GF for cancellation.

On June 21, 2005, the Company's wholly-owned subsidiary 360 Viansa LLC ("360 Viansa"), a Nevada limited liability company, entered into an asset purchase agreement with Viansa Winery, a California Limited Partnership (the "Partnership"), and La Fontana di Viansa, LLC, a California limited liability company (the "LLC"). 360 Viansa purchased certain winery, wine bar, and restaurant assets from the Partnership and the LLC for \$31,000,000 cash.

On July 7, 2005, the Company entered into a security and purchase agreement with Laurus, a Cayman Islands company. Pursuant to the agreement, the Company issued to Laurus a three-year term note in the aggregate principal amount of \$34,500,000 and a three-year revolving note equal to up to \$3,000,000.

On January 13, 2006, the Company entered into a stock purchase agreement with BMAC Corp. ("BMAC"), a Nevada corporation, and the stockholders of BMAC. The Company was to acquire all of the outstanding shares of common stock of BMAC in return for \$1,465,875 payable in shares of the Company's common stock. Also on January 13, 2006, the Company entered into stock purchase agreements with each of 10 stockholders of First Montauk Financial Corp., a New Jersey corporation ("FMFC"). The Company was to acquire all of the outstanding shares of FMFC owned by such stockholders for \$3,759,953 payable in shares of the Company's common stock. BMAC was, however, unable to fulfill its obligations under the agreement. Accordingly, the FMFC share acquisition transaction was cancelled.

On February 28, 2006, the Company effected a 1-for-150 reverse stock split of its common stock.

On March 31, 2006, the Company invested in the business of extractive minerals and processing. 360 Global acquired all of the stock of Springer Mining Company ("Springer") for \$3,000,000. The purchase price consisted of \$600,000 in cash and a note issued by us for \$2,400,000 to the prior owner of Springer (General Electric Company). In addition to this, we entered into an agreement to purchase the processing rights to the mineral Kaolin. The acquisition agreement with the holder of the mineral processing rights required us to issue them 6,800,000 shares of our common stock. The seller was unable to deliver the mineral processing rights; so, we terminated the agreement. We did not physically deliver the 6,800,000 shares to the seller of the mineral processing rights and have entered into an agreement whereby both parties have relinquished all potential claims against the other.

On March 7, 2007, the Company and its wholly owned subsidiary, 360 Viansa, filed for protection under Chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the District of Nevada.

On March 25, 2008, the Debtor sold the Texas Property (properties related to the mining, and mineral extraction, mineral processing, residential real estate, and vacation properties) to the City of Granite Shoals and the Christ Redeemer Fellowship for the aggregate sale price of \$3,200,000. Global's residual interest in this sale was limited to \$250,000.

On December 12, 2008, the Global Plan was confirmed by the Bankruptcy Court. The Plan can be found in Exhibit 33.2. The Effective Date of the Global Plan was January 10, 2009.

On June 10, 2010, pursuant to the confirmed Global Plan, all our common stock, warrants, and equity interests were cancelled and 5,000,000 shares of New Common Stock were issued.

On May 10, 2012 the Articles of the Company were amended in order to conduct a name change. The name of the Company changed from 360 Global Wine Company to 360 Global Investments.

Employees

On December 31, 2009, we have 1 employee and officer, A. John A. Bryan, Jr., who is the Chief Executive Officer of the Company, as well as several consultants who research investment opportunities in the various fields the Company is active in as described in Item 1.

None of our employees is represented by a labor union and we consider our relationships with our employees and consultants to be excellent.

ITEM 1A. RISK FACTORS

Investing in our common stock involves a high degree of risk. Our auditors have expressed substantial doubt about our ability to continue as a going concern. This is due in large part to the Company's history of significant operating losses and its previous securing of operating capital through the sale of its securities. Currently, the growth and success of our business depends largely upon obtaining future financings, without which we may not have the necessary capital to continue our business.

The risks and uncertainties described below are not the only ones we may face. Additional risks and uncertainties not currently known to us or that we currently deem immaterial may also adversely affect our business, financial condition, and/or operating results. If any of the following risks, or any other risks not described below, actually occur, it is likely that our business, financial condition, and operating results could be seriously harmed. As a result, the trading price of our common stock could decline and you could lose part or all of your investment.

RISKS RELATING TO OUR BUSINESS

The Company has suffered significant losses and will require additional working capital to develop its business. After emerging from Chapter 11, the Company intends to raise additional capital. There are no assurances that the Company will be able to (1) generate a level revenue from operations or (2) obtain additional financing through either private placement, public offerings, bank financing or shareholder funding to support the Company's needs. No assurance can be given that additional financing will be available, or if available, will be on terms acceptable to the Company. If adequate working capital is not available, the Company may be forced to liquidate.

RISKS RELATED TO OUR COMMON STOCK

THE PLAN OF REORGANIZATION WILL RESULT IN THE CANCELLATION OF OUR COMMON STOCK PURSUANT TO THE GLOBAL PLAN. THERE IS NO ASSURANCE THAT EQUITY HOLDERS WILL RECEIVE ANY VALUE WHATSOEVER.

Our common stock is subject to the "penny stock" rules of the sec and the trading market in our securities is limited, which makes transactions in our common stock cumbersome and may reduce the value of an investment in our stock.

The Securities and Exchange Commission has adopted Rule 3a51-1 which establishes the definition of a "penny stock," for the purposes relevant to us, as any equity security that has a market price of less than \$5.00 per share or with an exercise price of less than \$5.00 per share, subject to certain exceptions. For any transaction involving a penny stock, unless exempt, Rule 15g-9 requires:

- that a broker or dealer approve a person's account for transactions in penny stocks; and
- the broker or dealer receive from the investor a written agreement to the transaction, setting forth the identity and quantity of the penny stock to be purchased.
- In order to approve a person's account for transactions in penny stocks, the broker or dealer must:
- obtain financial information and investment experience objectives of the person; and
- make a reasonable determination that the transactions in penny stocks are suitable for that person and the person has sufficient knowledge and experience in financial matters to be capable of evaluating the risks of transactions in penny stocks.

The broker or dealer must also deliver, prior to any transaction in a penny stock, a disclosure schedule prescribed by the SEC relating to the penny stock market, which, in highlight form:

- sets forth the basis on which the broker or dealer made the suitability determination; and
- that the broker or dealer received a signed, written agreement from the investor prior to the transaction.

Generally, brokers may be less willing to execute transactions in securities subject to the "penny stock" rules. This may make it more difficult for investors to dispose of our common stock and cause a decline in the market value of our stock.

Disclosure also has to be made about the risks of investing in penny stocks in both public offerings and in secondary trading and about the commissions payable to both the broker-dealer and the registered representative, current quotations for the securities and the rights and remedies available to an investor in cases of fraud in penny stock transactions. Finally, monthly statements have to be sent disclosing recent price information for the penny stock held in the account and information on the limited market in penny stocks.

In particular, the statements herein regarding industry prospects and future results of operations or financial position are forward-looking statements. Because such statements include risks and uncertainties, actual results may differ materially from those expressed or implied by such forward-looking statements as a result of certain factors, including, but not limited to, risks associated with the integration of businesses following an acquisition, competitors with broader product lines and greater resources, emergence into new markets, the termination of any of our significant contracts, our inability to maintain working capital requirements to fund future operations, or our inability to attract and retain highly qualified management, technical and sales personnel.

Overview

On March 7, 2007 the Company and its wholly owned subsidiary 360 Viansa filed a voluntary petition for reorganization under Chapter 11 of the Bankruptcy Code in the Bankruptcy Court. As approved by the Bankruptcy Court in the Global Plan and Disclosure Statement, Reorganized Global's business plan is made up of two activities. First, undertaking the administrative, accounting, SEC related, and all other work necessary to prepare and file updated financial statements and annual and quarterly reports with the SEC and any other governmental organizations, in order to re-establish Reorganized Global as a fully reporting public company and re-list its common stock on a nationally recognized stock exchange or market quotation system. In order to accomplish this goal,

Reorganized Global's plan is to complete the following SEC filings (among other filings and reports), which Reorganized Global will complete as soon as practical taking into account the general economic climate:

10K annual report and audit for the year ended December 31st 2009
10Q for the 1st quarter of 2010
10Q for the 2nd quarter of 2010
10Q for the 3rd quarter of 2010
10K annual report and audit for the year ended December 31st 2010
10Q for the 1st quarter of 2011
10Q for the 2nd quarter of 2011
10Q for the 3rd quarter of 2011
10K annual report and audit for the year ended December 31st 2011
10Q for the 1st quarter of 2012
10Q for the 2nd quarter of 2012
10Q for the 3th quarter of 2012
10K annual report and audit for the year ended December 31st 2012

The second activity is to conduct the appropriate search, perform the necessary analysis, negotiate a price and structure, plan the financing, and raise the necessary capital to acquire an operating business or effect a merger or acquisition, or capital stock exchange, asset acquisition, or other similar business combination with an operating business. The business going forward shall not be inconsistent with the business prior to filing for Chapter 11. However, Reorganized Global is not necessarily limited to a particular industry. Nevertheless, management of Global has initially focused on the same sectors. As of the first quarter of 2012, efforts have been limited to exploring financing and acquisition opportunities with the intent to maximize the value of the business for Reorganized Global's Creditors and new equity interest holders. Global's efforts in identifying a prospective target business have been ongoing since January 2008. Global has examined over 100 business opportunities including a wide range of detailed discussions with financing and management partners.

Correction of Errors in Previously Issued Financial Statements

There are no corrections of previously issued financial statements.

As of December 31st 2009 and 2008, the Company's inventory equals \$0.

Liquidity and Capital Resources

The Company has suffered significant operating losses since its inception in its efforts to establish and execute the business strategy of previous management. The Company anticipates that it will continue to require additional working capital so that it can find, analyze, and make new investments. The Company intends to continue as an investment Company. In the event the Company is unable to raise additional funds to sustain its ongoing operations it would raise substantial doubt about the Company's ability to continue as a going concern.

There is no reasonable assurance at this time that new management can raise additional capital or find suitable investments.

Cautionary Information Regarding Forward-Looking Statements

Under the Private Securities Litigation Reform Act of 1995, companies are provided with a "safe harbor" for making forward-looking statements about the potential risks and rewards of their strategies. Some of the statements contained in this Annual Report on Form 10-K are forward-looking statements about the Company, including but not limited to those specifically identified as such, that involve risks and uncertainties. The statements contained in the Report on Form 10-K that are not purely historical are forward looking statements within the meaning of Section 27A of the Securities Act and Section 21E of the Exchange Act, including, without limitation, statements regarding our expectations, beliefs, intentions or strategies regarding the future. In some cases, you can identify forward-looking statements by terminology such as "may," "will," "should," "expects," "plans," "anticipates," "believes," "estimates," "predicts," "potential" or "continue" or the negative of these terms or other comparable terminology.

Our ability to achieve our goals depends on many known and unknown risks and uncertainties, including risks and uncertainties specific to our Company, our recent Chapter 11 filing, our industry, and changes in general economic and business conditions. These factors could cause our actual performance and results to differ materially from those described or implied in forward-looking statements. Although we believe that the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, levels of activity, performance or achievements. Moreover, neither we nor any other person can assume responsibility for the accuracy and completeness of such statements.

All forward-looking statements included in this Report on Form 10-K are based on information available to us on the date hereof, and we assume no obligation to update any such forward-looking statements, beyond those obligations required by law.

ITEM 7A. QUANTITATIVE AND QUALITATIVE DISCLOSURE ABOUT MARKET RISK

RISKS RELATING TO OUR BUSINESS

The Company has suffered significant losses and will require additional working capital to develop its business. After emerging from Chapter 11, the Company intends to raise additional capital. There are no assurances that the Company will be able to (1) generate a level revenue from operations or (2) obtain additional financing through either private placement, public offerings, bank financing or shareholder funding to support the Company's needs. No assurance can be given that additional financing will be available, or if available, will be on terms acceptable to the Company. If adequate working capital is not available, the Company may be forced to liquidate.

RISKS RELATED TO OUR COMMON STOCK

MANAGEMENT FILED A PLAN OF REORGANIZATION THAT WILL RESULT IN THE CANCELLATION OF OUR COMMON STOCK PURSUANT TO THE GLOBAL PLAN. THERE IS NO ASSURANCE THAT EQUITY HOLDERS WILL RECEIVE ANY VALUE WHATSOEVER.

Our common stock is subject to the "penny stock" rules of the sec and the trading market in our securities is limited, which makes transactions in our common stock cumbersome and may reduce the value of an investment in our stock.

The Securities and Exchange Commission has adopted Rule 3a51-1 which establishes the definition of a "penny stock," for the purposes relevant to us, as any equity security that has a market price of less than \$5.00 per share or with an exercise price of less than \$5.00 per share, subject to certain exceptions. For any transaction involving a penny stock, unless exempt, Rule 15g-9 requires:

- that a broker or dealer approve a person's account for transactions in penny stocks; and
- the broker or dealer receive from the investor a written agreement to the transaction, setting forth the identity and quantity of the penny stock to be purchased.

In order to approve a person's account for transactions in penny stocks, the broker or dealer must:

- obtain financial information and investment experience objectives of the person; and
- make a reasonable determination that the transactions in penny stocks are suitable for that person and the person has sufficient knowledge and experience in financial matters to be capable of evaluating the risks of transactions in penny stocks.

The broker or dealer must also deliver, prior to any transaction in a penny stock, a disclosure schedule prescribed by the SEC relating to the penny stock market, which, in highlight form:

- sets forth the basis on which the broker or dealer made the suitability determination; and
- that the broker or dealer received a signed, written agreement from the investor prior to the transaction.

Generally, brokers may be less willing to execute transactions in securities subject to the "penny stock" rules. This may make it more difficult for investors to dispose of our common stock and cause a decline in the market value of our stock.

Disclosure also has to be made about the risks of investing in penny stocks in both public offerings and in secondary trading and about the commissions payable to both the broker-dealer and the registered representative, current quotations for the securities and the rights and remedies available to an investor in cases of fraud in penny stock transactions. Finally, monthly statements have to be sent disclosing recent price information for the penny stock held in the account and information on the limited market in penny stocks.

On June 10, 2010, pursuant to the confirmed Global Plan, all our common stock, warrants, and equity interests were cancelled and 5,000,000 shares of New Common Stock will be issued. The New Common Stock (CUSIP 885573 303) will be distributed as follows pursuant to the Global Plan:

- 3,750,000 shares of New Common Stock will be distributed to the Administrative Claimants and Allowed Professional Claimants;
- 1,000,000 shares of New Common Stock will be distributed to Class 4 General Unsecured Creditors;
- 50,000 shares of New Common Stock will be distributed to Class 5 General Unsecured Creditor;
- 100,000 shares of New Common Stock will be distributed to Class 6 equity security holders;
- 100,000 shares of New Common Stock will be distributed to the 360 Global Liquidating Trust.

The New Common Stock is to be issued pursuant to the Global Plan as confirmed in December of 2008 and does not need not be registered under the Securities Act or any state or local securities laws, except as provided in the Global Plan.

(a) EVALUATION OF DISCLOSURE CONTROLS AND PROCEDURES. We continuously investigate and apply procedures and processes as necessary to ensure the reliability of our financial reporting and are continuously evaluating and adopting measures designed to remediate any weaknesses.

Implementation and improvement in these areas will be limited by our human and financial resources.

Chief Executive Officer and Principal Financial and Accounting Officer

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholders of
360 Global Investments (Formerly 360 Global Wine Company)
Los Angeles, California

We have audited the accompanying balance sheets of 360 Global Investments (Formerly 360 Global Wine Company) as of December 31, 2009 and 2008 and the related statements of operations, comprehensive income, stockholders' equity and cash flows for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the consolidated financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of 360 Global Investments (Formerly 360 Global Wine Company) as of December 31, 2009 and 2008, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 13 to the financial statements, the Company has suffered significant losses and will require additional capital to develop its business until the Company either (1) achieves a level of revenues adequate to generate sufficient cash flows from operations; or (2) obtains additional financing necessary to support its working capital requirements. In addition, the Company has filed for Chapter 11 bankruptcy protection in order to reorganize and work out its debt arrangements. These conditions raise substantial doubt about the Company's ability to continue as a going concern. Management's plans in regard to these matters are also described in Note 13. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

1. Business and the Basis of Presentation, Organization and Nature of Operation

- Electricity Trading and Marketing to commercial and residential customers.

In March, 2007 the Company filed for Chapter 11 protection under the U.S. Bankruptcy code to reorganize. It subsequently disposed of its wholly owned operating subsidiary, 360 Viansa LLC, and all other assets as part of the 360 Viansa Plan of Reorganization (“Viansa Plan”, "Viansa POR") - as approved by the United States Bankruptcy Court for the District of Nevada (the “Bankruptcy Court”).

In December, 2007 360 Viansa, LLC was sold to Laurus Master Fund, Ltd. (“Laurus”). In March, 2008, 360 Global sold the Texas Property to the City of Granite Shoals and the Christ Redeemer Fellowship. Under the Viansa plans all funds except for a residual interest of \$250,000 went to the 360 Global trust for the benefit of the creditors The \$250,000 was designated for payment of professional fees under the bankruptcy plan and subsequently distributed in February, 2009.

The confirmed Viansa Plan is attached as Exhibit 33.1.

On December 12, 2008, 360 Global’s Disclosure Statement and Plan of Reorganization (“Global Plan”) was confirmed by United States Bankruptcy Court for the District of Nevada and can be found as Exhibit 34.1 to this document.

As described in this Global Plan, the Company’s business plan is made up of two activities. First, undertaking the administrative, accounting, SEC related, and all other work necessary to prepare and file updated financial statements and annual and quarterly reports with the SEC and any other governmental organizations, in order to re-establish Reorganized Global as a fully reporting public company and re-list its common stock on a nationally recognized stock exchange or market quotation system.

In order to accomplish this goal, Reorganized Global’s plan is to complete the following SEC filings (among other filings and reports), which Reorganized Global will complete as soon as practical taking into account the general economic climate:

- 10K annual report and audit for the year ended December 31, 2009
- 10Q for the 1st quarter of 2010
- 10Q for the 2nd quarter of 2010
- 10Q for the 3rd quarter of 2010
- 10K annual report and audit for the year ended December 31, 2010

10Q for the 1st quarter of 2011
10Q for the 2nd quarter of 2011
10Q for the 3rd quarter of 2011
10K annual report and audit for the year ended December 31, 2011
10Q for the 1st quarter of 2012
10Q for the 2nd quarter of 2012
10Q for the 3rd quarter of 2012
10K annual report and audit for the year ended December 31, 2012

The second activity is to conduct the appropriate search, perform the necessary analysis, negotiate a price and structure, plan the financing, and raise the necessary capital to acquire an operating business or effect a merger or acquisition, or capital stock exchange, asset acquisition, or other similar business combination with an operating business. The business going forward shall not be inconsistent with the business prior to filing for Chapter 11. However, Reorganized Global is not necessarily limited to a particular industry. Nevertheless, management of Global has initially focused on the same sectors. As of the first quarter of 2012, efforts have been limited to exploring financing and acquisition opportunities with the intent to maximize the value of the business for Reorganized Global's Creditors and new equity interest holders. Global's efforts in identifying a prospective target business have been ongoing since January 2008. Global has examined over 100 business opportunities including a wide range of detailed discussions with financing and management partners.

The subsequent 2009 global recession caused delays in the first and second activities.

Basis of Presentation

The condensed financial statements included herein have been prepared by 360 Global, and reflect, in the opinion of management, all adjustments necessary to present fairly the financial information for the Company. All such adjustments are of a normal recurring nature. Certain information and footnote disclosures normally included in financial statements, prepared in accordance with generally accepted accounting principles ("GAAP").

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates and Assumptions

Preparing the Company's financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenues and expenses during the periods reported. Actual results could differ from those estimates.

The financial statements include some amounts that are based on management's best estimates and judgments. The most significant estimates are the valuation of financial instrument derivatives and the related original issue discount and beneficial conversion features identified in the issuance of convertible debt instruments, the valuation of the net assets of discontinued operations, the valuation of Company issued securities used as employee compensation and for services, the valuation of securities used in business acquisitions, the allocation of the purchase price in business combinations, the determination of the allowance for uncollectible accounts receivable, the valuation reserve for inventories, and the valuation reserve for the deferred income tax asset. The Company's estimation process requires assumptions to be made about future events and conditions, and as such, is inherently subjective and uncertain. Actual results could differ materially from the Company's estimates.

Revenue Recognition

In 2008 and 2009 the Company had no revenue. Historically, the Company's primary streams of revenue include the sale and disposal of investments as well as revenue from operations. Investment revenue is recognized in the period earned. Revenues for operations consist primarily of sales and are recognized upon shipment.

Cost of Goods Sold

In 2008 and 2009 the Company had no cost of goods sold.

Selling, General and Administrative Costs

The Company continues to accrue general and administrative costs as incurred. General and administrative cost included salaries, professional fees and other operating costs of the investment holding company.

Advertising Costs

Advertising costs if any are included in selling, general and administrative costs. Advertising costs were \$0 for both the years ended December 31, 2009 and 2008.

Cash and Cash Equivalents

Cash and cash equivalents include cash and all highly liquid financial instruments with purchased maturities of three months or less.

Other Receivable – Funds held in trust

Other Receivable – funds held in trust represents proceeds from the sale of property which are being held by a trustee for payment of professional fees by order of the bankruptcy court. As such the cash is not available for use in the operations of the business.

Fair Value of Financial Instruments

The carrying amounts of cash and cash equivalents, marketable securities, accounts receivable, accounts payable, other current and accrued liabilities, as reported on the balance sheet, are considered to approximate their fair value given the short-term maturity and/or the liquidity of these financial instruments.

Assets Held for Sale

The assets held-for-sale are removed from property, plant and equipment classification and shown separately on the balance sheet at their fair value (anticipated sales price less the cost to sell) at such time as management determine they are to be sold. The fair values that are less than the recorded net book value of the assets at the time they are identified are charged to operations and no further depreciation is recognized.

Basic and Diluted Net Loss per Share

In accordance with ASC 260, "Earnings per Share", the Company calculates basic and diluted net loss per share using the weighted average number of common shares outstanding during the periods presented. Net losses were incurred in certain of the periods presented, and in those instances, did not include the effect of potentially dilutive common stock equivalents in the diluted net loss per share calculation, as their effect would be anti-dilutive. Potentially dilutive common stock equivalents would include the common stock issuable based upon conversion features provided in debt security instruments and the exercise of warrants.

On June 10, 2010, pursuant to the confirmed Global Plan, as discussed in Note 6, all our common stock, warrants, and equity interests were cancelled and 5,000,000 shares of New Common Stock will be issued. The New Common Stock (CUSIP 885573 303) will be distributed as follows pursuant to the Global Plan:

- 3,750,000 shares of New Common Stock will be distributed to the Administrative Claimants and Allowed Professional Claimants;
- 1,000,000 shares of New Common Stock will be distributed to Class 4 General Unsecured Creditors;
- 50,000 shares of New Common Stock will be distributed to Class 5 General Unsecured Creditor;
- 100,000 shares of New Common Stock will be distributed to Class 6 equity security holders;
- 100,000 shares of New Common Stock will be distributed to the 360 Global Liquidating Trust.

The New Common Stock is to be issued pursuant to the Global Plan as confirmed in December of 2008 and does not need not be registered under the Securities Act or any state or local securities laws, except as provided in the Global Plan.

NOTE 3 – SALE OF PROPERTY

In June 2005, the Company acquired the property, facilities and mineral deposits consisting of granite blocks and other stone remnants (the "Texas property") for \$12,500,000. The Texas property purchase price was allocated to the real property and facilities based on fair value as determined by appraisal and the remainder allocable to the granite block and other stone remnants. The Texas property is located in Burnet County, Texas, near the city of Granite Shoals, is identified as the Cold Springs Granite Quarry, and had been dormant for more than two years prior to its acquisition. The Texas property is comprised of approximately 136 acres, 130,000 square feet of office, warehouse and mixed use space, along with mineral deposits consisting of granite block and other stone remnant.

In April 2006, in connection with its strategies planning to redirect Company efforts and assets towards premium wine production and sales, the Company decided to sell land, buildings and mineral deposits described as the Texas property. As a result, the Company transferred the fixed assets and mineral deposits to assets held-for-sale. Based on an initial review of the property at that time it was believed the property's net book value was less than its market value thus the property was reclassified as an asset held-for-sale at its net book value of \$10,524,269 and ceased recording depreciation of the property for financial reporting purposes.

Under the bankruptcy plan approved in December, 2007 the court limited the Company's residual interest in the property to \$250,000, designated to pay administrative fees, with all proceeds from the sales of the property in excess of the \$250,000 to go the bankruptcy trust for the benefit of the creditors. At that time the asset held for sale was written down to \$250,000 and an accrual was made for the administrative fees of the same amount.

By Bankruptcy Court Order entered on March 25, 2008, the Company sold the Texas Property (properties related to the mining, and mineral extraction, mineral processing, residential real estate, and vacation properties) to the City of Granite Shoals and the Christ Redeemer Fellowship for the aggregate sale price of \$3,200,000 and received a residual interest of \$250,000. The funds were held in trust until February, 2009 when they were distributed.

NOTE 4 – OTHER RECEIVABLE – FUNDS HELD IN TRUST

The funds received from the sale of the Granite Shoals property were designated by order of the bankruptcy court under the Viansa plan for payment of professional fees related to the bankruptcy. They were held in trust from the sale until they were distributed in February, 2009. December 31, 2009 and 2008 the balance of the account was \$0 and \$250,000, respectively.

NOTE 5 – ACCRUED COMPENSATION

Under the Global reorganization plan as confirmed by the court on December 22, 2008 John Bryan as Chief Operating Officers accrues a salary of \$150,000 annually. The Salary is payable only upon a funding event and is not eligible to be converted into stock.

NOTE 6 – EQUITY

Common Stock Activity

There was no common stock activity in 2008 or 2009. All outstanding warrants were stayed by the Chapter 11 filing and subsequently cancelled.

NOTE 7 – COMMITMENTS AND CONTINGENCIES

Lease Commitments

All lease commitments of the Company were cancelled under the bankruptcy filing. As of December 31, 2009 the Company has no new lease commitments.

Litigation and Disputes

The Company is involved in various lawsuits, claims, and proceedings which arose in the ordinary course of business. In accordance with *ASC 450, Accounting for Contingencies*, the Company makes a provision for a liability when it is both probable that a liability has been incurred and the amount of the loss can be reasonably estimated. The Company believes it has adequate provisions for all such matters that have come to the attention of the Company. The Company reviews these provisions at least quarterly and adjusts these provisions to reflect the impacts of negotiations, settlements, rulings, advice of legal counsel, and other information and events pertaining to a particular case. Litigation is inherently unpredictable. However, the Company believes that it has valid defenses with respect to legal matters pending against it. Nevertheless, it is possible that cash flows or results of operations could be materially affected in any particular period by the unfavorable resolution of one or more of these contingencies.

In March, 2007 the Company filed a voluntary petition for reorganization under Chapter 11 of the Bankruptcy Code in the Bankruptcy Court. We continued to operate our business as “debtors-in-possession” under the jurisdiction of the Bankruptcy Court and in accordance with the applicable provisions of the Bankruptcy Code and orders of the Bankruptcy Court. As of the date of the Chapter 11 filing, virtually all pending litigation was stayed.

With the confirmation of the Bankruptcy plan by the court in December, 2008 all liability under such lawsuits was transferred to the Global trust. The Company is not aware of any other material legal proceedings against the Company.

NOTE 8 – RELATED PARTY TRANSACTIONS

For the years ended December 31, 2009 and 2008, there were no related party transactions.

NOTE 9 – INCOME TAXES

The Company accounts for income taxes in accordance with *ASC 740, Accounting for Income Taxes*. Under ASC 740, deferred tax assets and liabilities are computed based on the difference between the financial statement and income tax bases of assets and liabilities using the enacted marginal tax rate. SFAS No. 109 requires that the net deferred tax asset be reduced by a valuation allowance if, based on the weight of available evidence, it is more likely than not that some portion or all of the net deferred tax asset will not be realized. The Company continues to reduce its net deferred tax assets by a 100% valuation allowance.

NOTE 10 – FAIR VALUE MEASUREMENTS

Cash, accounts receivable, accounts payable and other accrued expenses and other current assets and liabilities are carried at amounts which reasonably approximate their fair values because of the relatively short maturity of those instruments.

ASC 820, “Fair Value Measurements and Disclosures”, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Company has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Company believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. As of December 31, 2009 and 2008, all of the Company's assets and liabilities were considered current and due to the short maturity the carrying amounts are considered to approximate fair value.

NOTE 11 - RECENT ACCOUNTING PRONOUNCEMENTS

The Company does not expect the adoption of recently issued accounting pronouncements to have a significant impact on the Company's results of operations, balance sheet or cash flow.

NOTE 12 – SUBSEQUENT EVENTS

Cancellation of common stock and issuance of New Common Stock.

On June 10, 2010, pursuant to the confirmed Global Plan all our common stock, warrants, and equity interests were cancelled and 5,000,000 shares of New Common Stock was issued. The New Common Stock (CUSIP 885573 303) will be distributed as follows pursuant to the Global Plan:

- 3,750,000 shares of New Common Stock will be distributed to the Administrative Claimants and Allowed Professional Claimants;
- 1,000,000 shares of New Common Stock will be distributed to Class 4 General Unsecured Creditors;
- 50,000 shares of New Common Stock will be distributed to Class 5 General Unsecured Creditor;
- 100,000 shares of New Common Stock will be distributed to Class 6 equity security holders;
- 100,000 shares of New Common Stock will be distributed to the 360 Global Liquidating Trust.

The New Common Stock is to be issued pursuant to the confirmed Global Plan and does not need not be registered under the Securities Act or any state or local securities laws, except as provided in the Global Plan.

NOTE 13 – GOING CONCERN

The Company has suffered significant losses and will require additional working capital to develop its business. After emerging from Chapter 11, the Company intends to raise additional capital. There are no assurances that the Company will be able to (1) generate a level revenue from operations or (2) obtain additional financing through either private placement, public offerings, bank financing or shareholder funding to support the Company's needs. No assurance can be given that additional financing will be available, or if available, will be on terms acceptable to the Company. If adequate working capital is not available, the Company may be forced to liquidate.

3. The Plan, as modified pursuant to the Confirmation Memo and agreement of the parties at the hearing, and as reflected in the Findings of Fact and Conclusions of Law in support of order confirming 360 Viansa, LLC's Second Amended Plan of Reorganization and hereby adopted by this Court, is hereby confirmed pursuant to Sections 1129(a) and 1129(b) of the Bankruptcy Code.
4. All terms which are used herein and are not defined in this Order (the “Confirmation Order”) shall have the definitions assigned to such terms in the Plan.

5. Notwithstanding anything to the contrary under Section 1141 of the Bankruptcy Code, upon the Effective Date of the Plan:

- a. the provisions of the Plan and this Confirmation Order shall be binding on the Debtor, any entity issuing securities under the Plan, any entity acquiring property under the Plan, and any creditor or equity security holder of the Debtor, whether or not the claim or interest of such creditor or equity security holder is impaired under the Plan and whether or not such creditor or equity security holder has accepted the Plan;

9. The consideration provided by Laurus for the Plan Assets under the Asset Purchase Agreement is, and shall be deemed, to constitute reasonably equivalent value and fair consideration under the Bankruptcy Code and under the laws of the United States, any State (including Nevada), territory, possession, or the District of Columbia.

10. This Confirmation Order (a) shall be effective as a determination that, on the Closing, all Interests of any kind or nature whatsoever existing as to the Plan Assets (other than any Assumed Liabilities) prior to the Closing have been unconditionally released, discharged and terminated and that the conveyances described herein have been effected, and (b) shall be binding upon and shall govern the acts of all entities including without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal, state, and local officials, and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any of the Plan Assets.

11. This Confirmation Order shall direct each and every federal, state, and local governmental agency or department to accept any and all documents and instruments necessary and appropriate to consummate the transactions contemplated by the Plan.

12. All entities who are presently, or on the Closing may be, in possession of any or all of the Plan Assets are directed to surrender possession of the Plan Assets to Reorganized Debtor on the Closing.

13. Any Claims for damages arising from the rejection of any executory contracts and unexpired leases must be filed and served no later than the Administrative Claims Bar Date.

The Master Lease Agreement dated August 22, 2000 and the schedules executed thereunder entered into between GECC, as successor-in-interest to Mellon US Leasing and Viansa Winery is also assumed by the Reorganized Debtor. The cure payment to be delivered to GECC pursuant to the Settlement and Release Agreement is \$700,000. Upon delivery of such payment and the execution of the Settlement and Release Agreement, all equipment subject to said leases, including all property identified in the lease schedules attached to the Declaration of Dale Shores filed on November 28, 2007, as Docket No. 601, shall be fully and solely vested in Reorganized Debtor, free and clear of all adverse claims and interests.

15. This Court retains jurisdiction as set forth in Article XII of the Plan, including the jurisdiction to enforce and implement the terms and provisions of this Plan and this Confirmation Order, all amendments thereto, any waivers and consents thereunder, in all respects, including, but not limited to, retaining jurisdiction to: (a) compel delivery of the Plan Assets to Laurus pursuant to the terms of this Plan; and (b) to protect Laurus against any Claims or Interests which may be asserted by creditors of Debtors or with respect to the Plan Assets.

16. Under no circumstances shall Laurus be deemed a successor of or to Debtor or otherwise be responsible for any claims or interests against or in Debtor or the Plan Assets of any kind or nature whatsoever. The sale, transfer, assignment and delivery of the Plan Assets shall not be subject to any Claims or Interests (other than Assumed Liabilities), and all Claims or Interests of any kind or nature whatsoever shall receive only the distribution set forth in the Plan. All Persons holding Interests against or in Debtor or the Plan Assets of any kind or nature whatsoever (including but not limited to, Debtors and/or their respective successors, including any trustees thereof, Creditors, lenders to any of Debtor, members, managers, directors, former members, borrowers, employees, unions, former employees, administrative agencies, governmental units, secretaries of state, federal, state and local officials (including those maintaining any authority relating to any environmental, health and safety laws), and their respective successors or assigns, other than the Assumed Liabilities, shall be, and are, forever barred, estopped, and permanently enjoined from asserting, prosecuting, or otherwise pursuing such Claims or Interests of any kind or nature whatsoever against Laurus, Reorganized Debtor; its property, its successors and assigns, or the Plan Assets, as an alleged successor or otherwise, with respect to any Interest of any kind or nature whatsoever such person or entity had, has, or may have against or in Debtor, its estates, officers, managers, members, directors, or the Plan Assets. Following the Closing, no holder of any Claim or Interest in Debtor shall interfere with Laurus' title to or use and enjoyment of the Plan Assets based on or related to such Interest, or any actions that Debtor may take in its Chapter 11 Case.

17. The transactions contemplated by the Asset Purchase Agreement are undertaken by Laurus in good faith, as that term is used in section 363(m) of the Bankruptcy Code, and accordingly, the reversal or

modification on appeal of the authorization provided herein to consummate the transfer of the Plan Assets shall not affect the validity of the transfer of the Plan Assets or any rights or protections accorded Laurus under this Plan or this Confirmation Order unless such authorization is duly stayed pending such appeal. Laurus is a purchaser in good faith of the Plan Assets, and is entitled to all of the protections afforded by section 363(m) of the Bankruptcy Code.

18. The transfer of the Plan Assets to Laurus pursuant to the Plan is a transfer pursuant to section 1146(c) of the Bankruptcy Code, and accordingly, the transfer of the Plan Assets (including without limitation both real and personal property) to Laurus does not and will not subject Debtor, Reorganized Debtor or Laurus, their affiliates or designees to any liability for any law imposing a mortgage or recording tax, transfer tax, stamp tax, sales tax, use or similar tax or any so-called "bulk-sale", to the fullest extent permitted by Section 1146(c) of the Bankruptcy Code. Each and every federal, state and local government agency or department is directed to accept any and all documents and instruments necessary and appropriate to consummate the transfer of any of the Plan Assets, all without imposition or payment of any stamp tax, transfer tax, or similar tax.

19. Debtor shall promptly make all filings, take all actions, and use commercially reasonable efforts to obtain any and all other approvals and orders necessary or appropriate for consummation of the transfer of the Plan Assets consistent with the terms herein. In the event that an appeal is taken, or a stay pending appeal is requested, from any order relating to the Plan or to the Plan Assets, generally, Debtor shall promptly notify

Laurus of such appeal or stay request and, upon the request of Laurus, shall provide to Laurus within two (2) business days after Debtor's receipt thereof, a copy of the related notice of appeal or order of stay. Debtor shall also provide Laurus with reasonable prior written notice of any motion, application, brief or other pleading to be filed in connection with any appeal relating to the transactions contemplated hereunder.

20. The Debtor is hereby authorized to take all steps necessary to implement and consummate the provisions of the Plan.

21. From and after the Effective Date, Laurus shall have complete authority to act on behalf of Reorganized Viansa, including, but not limited to, the power to execute documents, distribute equity interests, direct the disposition of assets (including designation of signatories on all bank or other accounts), control, assert or settle claims belonging to Reorganized Viansa, and take any and all acts authorized by Nevada Revised Statutes §86.281.

21. Post-Confirmation Status Reports shall be filed by the Trust.

22. Pursuant to §1.66 of the Plan, any party wishing to receive post-confirmation notices in this Case shall be required to file a request for post-effective date notice. Such parties, along with Viansa, Laurus, and Gryphon, are the only parties to whom post-confirmation filings need be served.

23. Once the Debtor's estate has been fully administered in accordance with Rule 3022 of the Federal Rules of Bankruptcy Procedure, the Trust shall file a motion to obtain a final decree closing the Case. The Trust shall be solely responsible for the timely payment of all fees incurred pursuant to 28 U.S.C. Section 1930(a)(6) until the entry of a final decree closing this Case.

24. Any conflict between the terms of this Order and the Plan shall be resolved in favor of this Order.

25. This Order shall be effective upon entry and the ten day stay provided for under Rule 3020(e) of the Federal Rules of Bankruptcy Procedure shall not be applicable.

**360 VIANSA, LLC'S SECOND AMENDED DISCLOSURE STATEMENT AND PLAN OF
REORGANIZATION**

I. INTRODUCTION

1. 360 Viansa, LLC, a Nevada limited liability company (“Viansa”), along with its parent company, 360 Global Wine Company, Inc., a Nevada corporation (“Global”), are the debtors and debtors in possession (collectively, the “Debtors”) in the above-captioned jointly-administered Chapter 11 bankruptcy cases (the “Cases”). On March 7, 2007 (“Petition Date”), the Debtors commenced the Cases by filing voluntary Chapter 11 petitions under the United States Bankruptcy Code (“Bankruptcy Code”), 11 U.S.C. § 101 et seq.

2. A Chapter 11 allows the debtor, its creditors and other parties in interest to propose a plan of reorganization. A plan of reorganization may provide for a debtor to reorganize by continuing to operate, to liquidate by selling assets of the estate, or a combination of both. This Plan of Reorganization (the “Plan”), which is proposed solely by Viansa and not Global, is a “new value” reorganization plan. This Plan proposes to sell up to 100% of the equity in the Reorganized Viansa to the highest bidder free and clear of all liens, interests and encumbrances, to fund and implement this Plan. The sale of up to 100% of the equity in the Reorganized Viansa will be conducted through an orderly sale process, including the right of secured creditors to submit credit bids, to be conducted at the Confirmation Hearing¹.

All holders of Claims are encouraged to read this Plan and Disclosure Statement in its entirety before voting to accept or reject the Plan. No materials, other than this Plan and Disclosure Statement and the Exhibits and Schedules attached hereto and referenced herein, have been approved by the United States Bankruptcy Court for the District of Nevada for use in soliciting acceptances or rejections of this Plan.

B. Exhibits.

All Exhibits to this Plan are incorporated into and are a part of this Plan and Disclosure Statement as if set forth in full herein.

III. VIANSAS BACKGROUND, OWNERSHIP, AND OPERATING HISTORY

Viansa's Operating History prior to the Petition Date is described in the Omnibus Statement of Facts in Support of First Day Motions filed on March 9, 2007, a copy of which is attached hereto as Exhibit "1." As discussed therein, Viansa and its parent, Global, experienced a significant financial crisis derived, in part, from their dispute with Kirkland Knightsbridge, LLC ("KKLLC"), with whom Global entered into a joint venture in 2004. KKLLC filed for bankruptcy protection in September of 2006, at which time KKLLC was in possession of substantial inventory of Viansa.

For purposes of this Plan, of particular importance in Viansa's history is its use of certain wine-making equipment (the "GE Equipment") in connection with its business operations. Prior to Global's acquisition of Viansa from Viansa Winery, a California limited partnership ("Prior Owner") in 2005, Prior Owner's GE Equipment was being leased from General Electric Capital Corporation, directly and as successor-in-interest to Mellon US Leasing ("GE"). Upon the acquisition of the winery, the lease was not assigned to Viansa. Instead, Former Owner continued to be the lessee of the GE Equipment from GE and Viansa utilized such equipment, and

continues to utilize such equipment, pursuant to a Consent To Use Agreement (the “Consent Agreement”) with Former Owner, a copy of which is attached hereto as Exhibit “4”. Paragraph 4 of the Consent Agreement provides that if a default occurs and GE provides notice of such default, then Viansa will become the lessee

under the respective leases and be obligated as a lessee. In September 2006, default notices, copies of which are collectively attached hereto as Exhibit “5”, were sent to Viansa at its regular business address. It is Viansa’s position that, to the extent that Viansa did not already have successor interest in the GE Equipment to that of Former Owner, such interest was acquired as a result of the default notices and the Consent Agreement. Viansa has been advised that Former Owner and/or GE disagree with the foregoing characterization. The Former Owner has indicated that it might file a motion for relief from stay with regard to the GE Equipment to be heard at or immediately following the Confirmation Hearing.

IV. VIANSA’S BANKRUPTCY CASE

On March 7, 2007 (the “Petition Date”), the Debtors each filed a voluntary petition for relief with the Bankruptcy Court under the Bankruptcy Code. On March 23, 2007, this Court issued an Order granting joint administration of the Cases.

Shortly after the Petition Date, KKLLC filed its motion to transfer venue of the cases to Northern District of California, Santa Rosa Division. The Debtors, as well as numerous creditors, opposed the motion, which was eventually denied by this Court.

The Committee was appointed in both Cases on April 23, 2007.

On June 27, 2007 the Bankruptcy Court entered the Laurus Cash Collateral Order and the DIP Order, and on July 27, 2007 the Bankruptcy Court entered the Gryphon Cash Collateral Order. Pursuant to these orders, Debtors are continuing to operate pursuant to terms approved by Croesus, Laurus, Gryphon, and the Bankruptcy Court.

On June 6, 2007, the Bankruptcy Court entered an Order Granting Motion for Authority to Pay Grape Grower’s Statutory Liens, and such liens were paid with the proceeds of the DIP Loan. Viansa has made all required payments to its grape growers in accordance with this Court’s order.

The Debtors sought and obtained Bankruptcy Court approval of a settlement with KKLLC, which was approved by order entered on August 16, 2007. Pursuant to the settlement, all litigation (including appeals)

between the Debtors and KKLLC have been dismissed. In addition, Viansa has obtained a turnover of its wine inventory (and related items) which were maintained in KKLLC's possession to the exclusion of Viansa.

///

///

Debtors have engaged Gordian Financial Services to assist with marketing Viansa's business; and have employed Capital City Sotheby's International Realty to assist with the marketing of the Texas Property.³

The Committee has engaged BBK, Ltd. as its financial advisor in connection with these Cases.

3. Pursuant to the Bankruptcy Code, Viansa's exclusive periods to file plan(s) of reorganization and obtain acceptances thereof, without any extension, would have expired on July 5, 2007 and September 3, 2007, respectively. Viansa filed a motion, and the Bankruptcy Court entered an order, extending its exclusive periods to file plan(s) of reorganization and obtain acceptances thereof through and including October 3, 2007 and December 2, 2007, respectively, without prejudice to seek further extensions of the foregoing periods.

Viansa has filed its Monthly Operating Reports with the Bankruptcy Court. Creditors may refer to these reports for detailed information regarding Viansa's post-petition financial operations.

V. SUMMARY OF ASSETS AND LIABILITIES

Viansa's assets consist primarily of its winery and tasting room located in Sonoma, California, along with related assets (including real property, personal property, inventory, and wine club). A detailed description of Viansa's assets is contained in Viansa's Amended Schedules filed on May 11, 2007 in Case No. BK-S-07-50206-GWZ as docket nos. 76-80; and 92-84. Viansa believes that these assets may have a value ranging from \$45 to \$70 million. While the Debtors have been marketing Viansa's business for a cash infusion or sale, to date, no offer has been received. As a result, the valuation of the Assets is uncertain.

Claims asserted against Viansa are listed in Exhibit "2" attached hereto. Viansa's secured liabilities include amounts owed to Croesus, Laurus and Gryphon, which aggregate in excess of \$57 million. New Vine asserts a security interest in inventory and a Claim of approximately \$440,000. There are asserted Secured

Claims by grape growers which, Viansa believes, have been paid during the Case pursuant to authority granted by the Bankruptcy Court. There are several equipment and vehicle leases, and Secured and Priority tax Claims. The total pre-petition Claims asserted are approximately as follows:

Secured claims	\$57,000,000
Unsecured claims	\$ 4,300,000
Priority claims	\$ 635,000
TOTAL	\$59,735,000

In addition, Viansa has incurred post-petition obligations to Croesus, amounts due to professionals hired in the Cases, certain unpaid Administrative Claims and ordinary course payables.

VI. SUMMARY OF PLAN AND TREATMENT OF CLAIMS

This is a "new value" Plan. On the date of the Confirmation Hearing, an auction will be held in Court for up to 100% of the Equity Security Interest in the Reorganized Viansa, excluding the Assigned Litigation and excluding the Carneros Escrow, free and clear of all liens, claims and encumbrances, but subject to terms of this Plan. Thus, the Successful bidder will own up to 100% of the membership interests in Reorganized Viansa, including all of Viansa's operating assets, subject only to those liabilities assumed pursuant to the terms of this Plan (e.g., Priority Tax Claims and executory contracts, to the extent assumed) with a clean balance sheet (i.e, no debt). Laurus has agreed to be the stalking horse bidder with an opening credit bid equal to Laurus' principal plus non-default interest, for a total of \$40,667,075.38. .

4. Unless otherwise ordered by the Bankruptcy Court, to participate in the overbid process, each person or entity other than Laurus (a "Potential Bidder") must deliver (unless previously delivered) to Viansa the following documents (the "Required Bid Documents") not later than November 20, 2007:

5. (a) Current financial statements or other financial information of the Potential Bidder, or if the Potential Bidder is an entity formed for the purpose of acquiring the Reorganized Equity, current financial statements or other financial information of the equity holder(s) of the Potential Bidder, or such other form of financial disclosure acceptable to Viansa, demonstrating such Potential Bidder's ability to close the proposed

transaction;

6. (b) The Potential Bidder's written agreement that its offer is irrevocable until the Confirmation Hearing;

(c) An executed copy of an equity purchase agreement in the form acceptable to Viansa;

(d) A good faith nonrefundable deposit in the amount of \$1,800,000, which funds shall be maintained in a segregated interest-bearing account, and which shall only be refundable in the event that the Court does not approve the sale to the Potential Bidder; and

(e) Written evidence of a commitment for financing or other evidence of ability to consummate the proposed transaction satisfactory to Viansa; and

(f) A statement of intention as to the assumption or rejection of each of the executory contracts listed on Exhibit 3 hereto, along with proof of funds sufficient to effect cure payments as to such contracts to be assumed.

7. A Qualified Overbidder is a Potential Bidder that delivers the documents described in subparagraphs (a), (b), (c), (d) and (e) above, whose financial information demonstrates the financial capability of the Potential Bidder to consummate the transaction.

8. At any time prior to the sale, after a Potential Bidder delivers all of the materials required by subparagraphs (a), (b), (c), (d) and (e) above, Viansa shall share such information with the Committee and Laurus. For purposes of this Plan, Laurus shall be deemed to be a Qualified Bidder.

On or before the close of the “new value” sale transaction, which shall occur not later than 15 days after date of entry of the Confirmation Order, the Successful Bidder will be required to:

A. Pay the balance of the purchase price in cash (or such financing with the secured creditor(s) as such secured creditor(s) may agree to);

B. Designate as to whether the Successful Bidder intends to pay the Priority tax Claims on the Effective Date or over time and, if over time, provide cash flow projections and other evidence to support the ability to make such payments; and

C. Designate which executory contracts and unexpired leases are to be assumed and which are to be rejected and, to the extent assumed, proof of availability of funds to make the necessary “cure” payments (in the absence of such designation, the contracts to be assumed and rejected shall be as set forth on Exhibit “3” hereto)..

Upon the close of the “new value” sale transaction, proceeds of the sale will be used to satisfy the

obligations in the Viansa Case as follows:

- A. First, the Carve-Out for both Cases, in the amount of \$1,500,000⁴;
- B. Second, the Croesus Secured Claim, in the approximate amount of \$5,300,000 (except in the event Laurus is the successful Credit Bidder, in which case the sale shall be subject to the Croesus Secured Claim);
- C. Third, the New Vine Secured Claim, in the approximate amount of \$440,000 (although Viansa believes that a settlement has been reached pursuant to which New Vine has agreed to accept \$417,000 on account of its claim in the Viansa Case, which settlement should be consummated, and payment should be made, prior to the Confirmation Hearing);
- D. Fourth, the general unsecured claims, in the amount of \$300,000⁵;
- E. Fifth, the Laurus Secured Claim, in the approximate amount of \$40.5 million;
- F. Sixth, the Gryphon Cured Secured Claim, in the approximate amount of \$4 million, to the extent that funds exist (otherwise Gryphon will be treated as a general unsecured creditor subject to treatment pursuant to Class 11 or Class 12 at Gryphon's election); and
- G. Seventh, to the extent funds exist, to the Class 12 general unsecured claims, on a *pro rata* basis.

In addition, the Carneros Escrow and the Assigned Litigation shall remain with the Estate. The Carneros Escrow Balance will be utilized to fund the fees and costs of the Committee's professionals. The Assigned Litigation shall be prosecuted for the benefit of unpaid Administrative Claimants and Class 12 creditors. A discussion of such payments is set forth in Section VII (C), below.

VII. CLASSIFICATION AND TREATMENT OF CLAIMS AND INTERESTS

A. General Overview.

As required by the Bankruptcy Code, this Plan classifies claims and interests in various Classes according to their right to priority. This Plan states whether each Class is either impaired or unimpaired, and proposes the treatment that each Class will receive.

B. Unclassified Claims.

Certain types of Claims are not placed into voting Classes; instead they remain unclassified. These Claims are not considered impaired and are therefore not entitled to vote on this Plan because they are automatically entitled to specific treatment provided for them in the Bankruptcy Code. As such, Viansa has not placed the following Claims in a Class:

1. Administrative Claims.

Administrative Claims are claims for costs or expenses of administering the Cases that are allowed under Bankruptcy Code § 507(a)(2). The Bankruptcy Code requires that all Administrative Claims be paid on

the Effective Date unless a particular holder of an Administrative Claim agrees to a different treatment.

U.S. Trustee fees, to the extent not previously paid, will be paid in full on the Effective Date, or at such later date as such fees may become due and payable. Viansa estimates that the total administrative claims of Professionals will be in the range of \$1.5 - \$2 million. All allowed fees and costs of the Professionals, as to be ordered by the Bankruptcy Court, up to the amount of the Carve-Out, will be paid on the later of the (a) Effective Date; and (b) date of entry of order allowing such fees and costs.

The following Professionals have been employed by Viansa:

1. Levene, Neale, Bender, Rankin & Brill L.L.P. (“LNBRB”), Viansa’s general bankruptcy counsel.
2. Lewis & Roca LLP (formerly Beckley Singleton, Chtd) (“LR”), Viansa’s local bankruptcy counsel.
3. Gordian Group, LLC, Viansa’s investment bankers.
4. Ives, Kirwan & Dibble, Viansa’s special litigation counsel.

In addition, Viansa intends to file an application to employ The Watley Group to provide CEO/CRO services to Viansa, through A. John A. Bryan, Jr.. Allowed Professional Fees of the Debtors’ professionals shall be paid from the Carve-Out in an amount of up to \$1,250,000. Any unpaid Allowed Professional Fees shall be paid from the Trust (See Section VIII(B) hereinbelow).

The Committee has retained Winston & Strawn LLP (“WS”), as its general counsel; McDonald Carano Wilson LLP. (“MCW”), as its local counsel; and BBK Ltd. (“BBK”), as its financial advisors. Allowed Professional Fees of WS, MCW and BBK shall be paid from (a) the Carve-Out in an amount of up to \$250,000 (the portion of the Carve Out available for payment of the Committee’s professionals) plus (b) the Carneros Escrow Balance available on the Effective Date.

Requirement of Court Approval of Fees: The Court must rule on all fees of professionals listed above before such fees will become Allowed Administrative Claims. For all fees except Clerk’s Office fees and U.S. Trustee fees, the professional in question must file and serve a properly noticed fee application, and the Court

must rule on the application. Only the amount of fees allowed by the Court will become Allowed Administrative Claims and will be eligible to be paid under this Plan.

In addition to the foregoing professional fees, Viansa has incurred, and continues to incur, post-petition administrative expenses related to the operations of Viansa's business (the "Operating Administrative Claims"). The Operating Administrative Claims shall be assumed by, and shall become the obligation of Reorganized Viansa.

2. Priority Tax Claims.

The Bankruptcy Code requires that each holder of a Priority Tax Claim receive the present value of such claim in deferred Cash payments. Except as otherwise allowed by the Bankruptcy Court, holders of Priority Tax Claims shall not be entitled to receive any penalties with respect to or arising in connection with such claims.

Viansa believes that the Priority Tax Claims amount to approximately \$635,000. At the option of Reorganized Viansa, Allowed Priority Tax Claims shall be paid either (1) in cash on the Effective Date; or (2) deferred cash payments, in equal quarterly installments, over the period ending five (5) years from the Petition Date, with interest to accrue at the federal interest rate, estimated to be 6% per annum (or such other interest rate as agreed to by Viansa and the holder of such Allowed Priority Tax Claim, or such rate as determined by the Bankruptcy Court to be appropriate, if such a determination is requested by the holder of such Allowed Priority Tax Claim no later than the date upon which objections to Confirmation of this Plan are due). At the option of Reorganized Viansa, such payments may be prepaid, in whole or in part.

C. Classified Claims and Interests.

1. **Class 1** consists of the New Vine Secured Claim. Unless already paid, on the Effective Date, New Vine shall receive a Cash payment in the amount of \$417,000 in full and complete satisfaction of the New Vine Secured Claim. This Class is impaired and entitled to vote on this Plan.

2. **Class 2** consists of the Allowed Claims of holders of statutory liens, other than Priority Tax Claims and the New Vine Secured Claim, but including Secured Claims for real or personal property taxes. Viansa believes that the only such Claims consist of real property taxes in the approximate amount of \$20,000. Any Class 2 Claims which were filed prior to the Bar Date, and delinquent real property taxes of record, shall be paid in full on the Effective Date. Any Class 2 Claims which were not filed prior to the Bar Date shall be

disallowed. Since all Allowed Class 2 Claims will be paid in full on the Effective Date, Viansa believes that this Class is unimpaired and, therefore, not entitled to vote on this Plan.

3. **Class 3** consists of the Croesus Secured Claim. Upon the closing of the sale, Croesus shall be paid in full, on the Effective Date, from the proceeds of the sale, subject to the payment of the Carve Out. However, if Laurus is the Successful Bidder, the Croesus Class 3 Claim shall remain in place with the Reorganized Viansa. Based on the fact that this is a post-petition administrative obligation, this Class is not entitled to vote on this Plan.

4. **Class 4** consists of the Laurus Secured Claim. Upon the closing of the sale, Laurus shall be paid in full, on the Effective Date, from the proceeds of the sale, subject to the payment of the Carve Out. This Class is impaired and entitled to vote on this Plan.

5. **Class 5** consists of the Gryphon Secured Claim. To the extent the sale results in payment of cash in a sufficient amount for payment of the Carve-Out and Classes 1, 2, 3 and 4 claims, the balance of the sale proceeds shall be paid to Gryphon until the Gryphon Secured Claim is paid in full. To the extent not paid as a Class 5 Secured Claim, any balance owed to Gryphon shall be treated as an Unsecured Claim. For purposes of voting, the Gryphon Secured Claim shall be estimated pursuant to 11 U.S.C. §502(c)(1) at \$1; and Gryphon shall be permitted to vote the balance of its Claim as either a Class 11 or Class 12 Unsecured Creditor, at the election of Gryphon.

6. **Class 6** consists of the Secured Claim asserted by Dell Financial Services, LP (“DFS”), which is purportedly secured by certain computer equipment. The Successful Bidder shall have the option of paying such Secured Claim pursuant to the terms of the pre-petition agreement between Viansa and DFS, or relinquishing the collateral to DFS in full and complete satisfaction of its Secured Claim. This Class is unimpaired and, therefore, not entitled to vote on this Plan.

7. **Class 7** consists of the Secured Claims asserted by General Motors Acceptance Corporation (“GMAC”), which are secured by certain motor vehicles. The Successful Bidder shall have the option, on a contract by contract basis, of paying such Secured Claims pursuant to the terms of the pre-petition agreement between Viansa and GMAC, or surrendering the collateral to GMAC in full and complete satisfaction of its Secured Claims. This Class is unimpaired and, therefore, not entitled to vote on this Plan.

8. **Class 8** consists of the Secured Claim asserted by Key Equipment Finance (“KEF”), which is purportedly secured by certain wine-making equipment. The Successful Bidder shall have the option of paying such Secured Claim pursuant to the terms of the pre-petition agreement between Viansa and KEF, or relinquishing the collateral to KEF in full and complete satisfaction of its Secured Claim. This Class is unimpaired and, therefore, not entitled to vote on this Plan.

9. **Class 9** consists of the Secured Claims of US Bancorp (“USB”), which are purportedly secured by certain office equipment. The Successful Bidder shall have the option of paying such Secured Claims pursuant to the terms of the pre-petition agreement between Viansa and USB, or relinquishing the collateral to USB in full and complete satisfaction of its Secured Claims. This Class is unimpaired and, therefore, not entitled to vote on this Plan.

10. **Class 10** consists of all GE (including claims assigned to GE by Mellon Bank), which are purportedly secured by the GE Equipment. Viansa believes that the agreements with GE (the “GE Agreements”) may be interpreted as either executory contracts or disguised security agreement and, if the latter, may not be properly perfected, resulting in a general unsecured claim. The Successful Bidder shall step into the shoes of Viansa and shall have the right to seek a determination that the GE Agreements are disguised security

agreements, requiring payment of the secured claim pursuant to 11 U.S.C. § 506, and not executory contracts requiring cure payments pursuant to 11 U.S.C. § 365, and shall retain all other claims and defenses with regard to the GE Agreements and Claims related to GE, including, but not limited, any avoidance rights under the Code. Notwithstanding the foregoing, any Potential Bidder and Qualified Bidder are advised to conduct their own analysis of the facts and circumstances surrounding the transactions with GE, including review of the attached Consent Agreement and default notices, as well as the underlying GE Agreements. The Successful Bidder shall state its intention with regard to GE on or before the conclusion of the Confirmation Hearing.

a. In the event that the Successful Bidder designates that it seeks to treat the GE Agreements as executory contracts, and assume such GE Agreements, Successful Bidder (other than Laurus) shall set aside, or show evidence of, sufficient funds to pay the cure in accordance with Exhibit “3” hereto, unless otherwise ordered by the Court. In such case, GE’s Claim shall not be a classified Claim and shall not be treated as a classified Claim under the Plan.

b. In the event that the Successful Bidder designates that it seeks to treat the GE Agreements as executory contracts and reject such GE Agreements, GE’s lease rejection Claims shall be treated as Class 11 or Class 12 General Unsecured Claims, at the election of GE. In such case, GE’s Claim shall not be treated as a Class 10 Secured Claim under the Plan.

c. In the event that the Successful Bidder designates that it intends to treat the GE Agreements as disguised security agreements and that the Successful Bidder seeks to surrender the GE Equipment to GE, then on the Effective Date, the GE Equipment will be surrendered to GE in full and complete satisfaction of GE’s Class 10 Secured Claim. In such case, Class 10 will be deemed to be an impaired Class and entitled to vote on the Plan. GE’s deficiency Claims, if any, shall be treated as Class 11 or Class 12 General Unsecured Claims, at the election of GE.

d. In the event that the Successful Bidder designates that it intends to treat the GE Agreements as disguised security agreements and that the Successful Bidder seeks to retain the GE Equipment, Successful Bidder shall commence, within 30 days of the Effective Date, an

adversary proceeding before the Court for such determination, including a determination as to whether GE has a perfected security interest in the GE Equipment. Upon final Court order with respect to the amount of GE's Class 10 Secured Claim, such amount will be paid in full 30

days after entry of final order setting forth the amount of GE's Secured Claim, if any, with respect to the GE Equipment. In such case, Class 10 will be deemed to be an impaired Class and entitled to vote on the Plan. GE's deficiency Claims, if any, shall be treated as Class 11 or Class 12 General Unsecured Claims, at the election of GE. In the event that a determination is made that the GE Agreements are disguised security agreements and that GE does not have a perfected security interest in the GE Equipment, then GE will not hold a Class 10 Secured Claim and GE's Claims, if any, shall be treated as Class 11 or Class 12 General Unsecured Claims, at the election of GE.

11. **Class 11** (Administrative Convenience Class) consists of General Unsecured Claims, either: (i) in the amount of \$10,000 or less (except that the holders of such Claims may elect to have their Claims treated as Class 12 Claims); or (ii) the holders of which Claims elect to reduce their claims to \$10,000. Viansa believes that such General Unsecured Claims total approximately \$600,000. Class 11 Claims shall receive *pro rata* distribution of a lump sum of \$150,000, as soon as practicable after the Effective Date. Laurus shall not share in any proceeds distributed to holders of Class 11 Claims. This Class is impaired and entitled to vote on this Plan.

12. **Class 12** consists of all General Unsecured Claims other than Class 11 Claims. Viansa believes that such General Unsecured Claims total approximately \$1.5 million, not including any potential deficiency claim of Gryphon. Class 12 Claims shall receive *pro rata* distribution of a lump sum of \$150,000, to be paid as soon as practicable after the Effective Date. In addition, Class 12 shall receive the net proceeds (after deduction of all fees and costs related to pursuing such actions) from the Assigned Litigation, after all Allowed Professional Fees are paid in full. Laurus shall not share in any proceeds distributed to holders of Class 12 Claims. This Class is impaired and entitled to vote on this Plan.

13. **Class 13** consists of Global's Equity Security Interest in Viansa. Global's existing 100% ownership of the Equity Security Interests in Reorganized Viansa shall be cancelled. Up to 100% of the new Equity Security Interests in the Reorganized Viansa shall be issued to the Successful Bidder at the Confirmation Hearing. In light of the fact that this Class does not receive a distribution under the Plan, this Class is deemed to have rejected the Plan and, therefore, not entitled to vote on this Plan.

VIII. MEANS OF IMPLEMENTATION OF PLAN

A. Funding for the Plan.

The Plan will be funded from the proceeds of the sale of up to 100% equity in the Reorganized Viansa and the pursuit of the Assigned Litigation. In addition, a portion of the Allowed Professional Fees for the Committee's professionals shall be funded from the Carneros Escrow Balance, if any.

B. Composition of Reorganized Viansa and Post-Confirmation Management.

Reorganized Viansa will continue to be a Nevada limited liability company in good standing with the Secretary of State. Reorganized Viansa contemplates post-confirmation operations under management to be designated by the Successful Bidder. A. John A. Bryan, Jr., has expressed his willingness and desire to continue as Chief Executive Officer of Reorganized Viansa after the Effective Date. Mr. Bryan reserves the right to negotiate an employment agreement for the period after the Effective Date, including, without limitation, the ability to receive equity in Reorganized Viansa, in the form of stock grants, stock options and/or warrants, in connection with such future employment. In addition, the Trust will be created for the benefit of Administrative Claimants and the general unsecured creditors in Class 12.

1. Creation of the Trust.

On the Effective Date, Viansa shall create the Trust for the benefit of holders of Administrative Claims and Class 12 allowed claims pursuant to the Plan, and the Liquidating Trust Agreement shall be executed by the parties to the Liquidating Trust Agreement. The Trust shall be a creditors' liquidating trust for all purposes, including Treasury Regulations Section 301.7701-4(d). The Trust will be organized for the purpose of liquidating the property, claims, rights and causes of action of Viansa and its Estate with no objective to continue or engage in the conduct of a trade or business. As more fully set forth below, and except as set forth below, on the Effective Date, Viansa shall be deemed to have transferred all of its remaining property, claims, rights and causes of action to the Trust. The Trust shall receive, liquidate and distribute the property, claims, rights and causes of action of Viansa and its Estate in accordance with the Plan and the Liquidating Trust Agreement as promptly as is reasonably practicable, in an expeditious but orderly manner. The Trust is not a successor of Viansa for purposes of incurring its liabilities. To the extent there are any inconsistencies between the Plan and the Trust, the terms of the Plan shall prevail.

2. Appointment of the Liquidating Trustee.

The Liquidating Trustee (“Trustee”) of the Trust shall be designated by the Committee (in consultation with Gryphon) on or before the Confirmation Hearing. The Trustee shall administer the Liquidating Trust pursuant to the Plan and the Liquidating Trust Agreement, and in accordance with guidelines set forth by the

Ninth Circuit Bankruptcy Appellate Panel in In Re Consolidated Pioneer Mortgage Entities, 248 B.R. 368 (9th Cir. B.A.P. 2000). The Trustee shall act in accordance with the Plan and the Liquidating Trust Agreement. The Trustee shall perform all of the obligations of the Trustee under the Plan and the Liquidating Trust Agreement. The Trustee shall be the authorized representatives of the Viansa Estate for the purposes of performing and consummating the Plan pursuant to the Bankruptcy Code and the Confirmation Order. The Trustee shall serve for the duration of the Trust, subject to earlier death, resignation, incapacity or removal as provided in the Liquidating Trust Agreement. The Liquidating Trustee shall serve without any bond. The Liquidating Trustee shall receive as compensation three percent (3%) of the funds recovered by the Trust. The Trustee shall act in accordance with the Plan and the Liquidating Trust Agreement.

3. Transfer of Claims, Rights and Causes of Action to the Trust.

On the Effective Date, all Assigned Litigation and the right to assert objections to claims, including rights of offset, as set forth in this Plan, shall be transferred to, and vested in, the Trust free and clear of all liens, claims, encumbrances and other interests. All property, claims, rights, and causes of action received or held by the Trust shall be held in trust for the benefit of holders of Administrative Claim and Class 12 Allowed Claims, subject to the provisions of the Plan and the Liquidating Trust Agreement. Reorganized Viansa shall retain no interest in such property, claims, rights, and causes of action transferred to Trust.

4. Sale or Other Disposition of Property.

After the Effective Date, the Trust may use, acquire, sell or otherwise dispose of the property it acquires in accordance with the Plan and the Liquidating Trust Agreement without supervision of, or approval by, the Bankruptcy Court or the United States Trustee and free of any restrictions in the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure or Local Bankruptcy Rules (the "Bankruptcy Rules").

5. Investigation and Prosecution of Claims.

The Trust shall investigate all Assigned Litigation and determine which, if any, should be prosecuted in its sole discretion in accordance with the Plan and the Liquidating Trust Agreement. All claims, rights and causes of action encompassed in the Assigned Litigation are preserved by the Plan, and the Trust shall have full power and authority to settle, adjust, retain, enforce or abandon any claim, right or cause of action as the representative of the Viansa Estate under section 1123(b) of the Bankruptcy Code or otherwise in accordance with the Plan and the Liquidating Trust Agreement without supervision of, or approval by, the Bankruptcy Court or the United States

Trustee and free of any restriction of the Bankruptcy Code or the Bankruptcy Rules, except that the compromise of any single claim, right or cause of action that is \$100,000 or more shall, until Viansa's bankruptcy case is closed, be subject to the approval of the Bankruptcy Court after notice and opportunity for hearing have been provided to the entities that have requested special notice.

6. Bankruptcy Powers.

As to the Assigned Litigation, the Trust shall have all of the rights, claims, powers, objections, counterclaims, defenses, setoffs and actions of Viansa and its Estate under sections 363, 365 and 501 to 558, inclusive, of the Bankruptcy Code. (All other such rights shall be retained by Reorganized Viansa.) After the Effective Date, all claims, rights and causes of action of Viansa and its Estate shall be filed and prosecuted in the name of the Trust. The merger, consolidation, combination, winding-up, liquidation, closing or dissolution of

Viansa or its Estate contemplated by the Plan shall not: (a) create any claim, including any claim, right or cause of action, or any counterclaim, defense or objection that did not exist prior to such merger, consolidation, combination, winding-up, liquidation, closing or dissolution; or (b) eliminate any claim, including any claim, right or cause of action, or any counterclaim, defense or objection that existed prior to such merger, consolidation, combination, winding-up, liquidation, closing or dissolution.

7. Employment of Employees and Professionals.

On and after the Effective Date, the Trust shall employ and compensate such employees and professionals, including, without limitation, any professionals employed by the Estate, agents and representatives, including disbursing agents, as the Trust determines is necessary or appropriate to implement all of the provisions of the Plan and the Liquidating Trust Agreement without any supervision of, or approval by, the Bankruptcy Court or the United States Trustee. The Trust shall be allowed to compensate the fees and costs of its professionals without the requirement to file fee applications and seek approval of the Bankruptcy Court. The Bankruptcy Court will retain jurisdiction to resolve any fee disputes between the Trust and its professionals.

///

///

8. Creation of Reserves, Investment of Cash, and Distribution of Cash.

After the Effective Date, the Trust shall: (i) pay or provide for all expenses of the Trust from property in the Trust, (ii) establish and maintain a reserve for expenses of the Trust, (iii) establish and maintain a reserve for disputed claims, (iv) establish and maintain a reserve for unclaimed distributions, (v) establish any other reserves or accounts it deems necessary or appropriate, and (vi) make distributions of cash to the holders of allowed claims from the Trust in accordance with the Plan and the Liquidating Trust Agreement. The procedures that govern the reserves and distributions by the Trust are set forth in the Liquidating Trust Agreement. All cash held by the Trust shall be invested only in investments permitted under the Liquidating Trust Agreement.

9. Non-transferability of Trust Interests.

The interests of the holders of Allowed Administrative Claims and Allowed Claims in the Trust will not be evidenced by any certificate or other instrument or document. The interests in the Trust are non-transferable and non-assignable other than to successors in interest, or by will, the laws of descent and distribution, or by operation of law.

10. No Action Against Viansa or the Trust Without Bankruptcy Court Approval.

On and after the Effective Date, no action or proceeding may be commenced or continued by any entity, other than the Trust, in any court or other tribunal, other than the Bankruptcy Court, against Viansa, Reorganized Viansa, the Trust, the Liquidating Trustee, or any of their directors, officers, shareholders, employees, professionals, agents or representatives, without the prior approval of the Bankruptcy Court pursuant to a final order. On and after the Effective Date, no act to collect or recover from, or offset against, or to create, perfect or enforce any right, claim, interest or remedy by any entity, other than the Trust, against Viansa, Reorganized Viansa, the Trust, the Liquidating Trustee or any of their officers, employees,

professionals, agents or representatives, may be taken without the prior approval of the Bankruptcy Court in a final order. This provision of the Plan does not require that a defendant in a proceeding filed by the Trust obtain the approval of the Bankruptcy Court to assert any defense or setoff in such proceeding.

11. Termination of the Trust.

The Trust shall be irrevocable. The Trust shall terminate when the Liquidating Trustee has performed all of his duties under the Plan and the Liquidating Trust Agreement, including the liquidation of all of the property, claims, rights and causes of action of Viansa and its Estate, which date shall not be more than five (5) years from and after the Effective Date; provided, however, that, if in the reasonable determination of the Liquidating Trustee, in light of existing facts and circumstances, the liquidation of the property, claims, rights and causes of action in the Trust and the distribution of all cash will not be completed within that time, then, not more than ninety (90) days prior to that date, the Liquidating Trustee may amend the Liquidating Trust Agreement to provide that the Trust shall extend for an additional period of up to one (1) year. Prior to the expiration of such one (1) year period, the Liquidating Trustee may seek and, for cause shown, obtain an order from the Bankruptcy Court extending the Trust for any additional time the Bankruptcy Court deems necessary or appropriate, after notice and opportunity for hearing have been provided to the entities that have requested special notice.

12. Reports By the Trust.

The fiscal year of the Trust shall end on December 31 of each year. In accordance with the Plan and the Liquidating Trust Agreement, in conjunction with any interim or final distributions, but in any event, at least once a year, the Trust shall serve the following unaudited annual financial statements prepared in accordance with generally accepted accounting principles and the following unaudited written reports and accounts on the those entities that have requested special notice: (a) financial statements showing the assets and liabilities of the Trust, including the expense reserve, the reserve for unclaimed distributions and the reserve for disputed claims at the end of the period, (b) financial statements showing the receipts and disbursements of the Trust during the period, (c) a brief written report from the Trust about the disposition of any remaining property, claims, rights and causes of action of the Trust and distributions remaining, (d) a written report showing the number and amount of trust interests, disputed administrative expenses and disputed claims and changes during the period, and (e) any other written reports the Liquidating Trustee elects to include. Until the Viansa Case is closed through the entry of a final decree by the Court, a copy of the financial statements and reports shall be filed with the Bankruptcy Court

and served on the United States Trustee. The Trust shall serve the United States Trustee with any and all documents that it files with the Bankruptcy Court after the Effective Date. In addition, the Trust is responsible for the timely payment of fees incurred pursuant to 28 U.S.C. § 1930(a)(6); and in calculating such fees, the Trust shall file with the Bankruptcy Court and serve on the United States Trustee a quarterly Post Confirmation Status Report regarding all income and disbursements, including all plan payments, for each quarter (or portion thereof) the bankruptcy case remains open. The Trust shall prepare and distribute any other reports or other information that may be required by the Bankruptcy Court or the Bankruptcy Rules or that the Liquidating Trustee determines are necessary or appropriate.

13. No Recourse Against the Trustee.

No recourse shall ever be had, directly or indirectly, against the Liquidating Trustee or any of the officers, employees, professionals, agents or representatives of the Trust, whether by legal, equitable or other proceedings, by virtue of any law, statute, regulation or otherwise, or by virtue of any indebtedness of Viansa, its Estate or the Trust, it being expressly understood and agreed that all liabilities of the Trust shall be enforceable only against and be satisfied only out of the property, claims, rights and causes of action in the Trust or shall be evidence only of a right to payment out of such assets in the Trust, as the case may be.

C. Disbursing Agent.

LNBRB, counsel for the Debtors, will act as the disbursing agent for the purpose of making the initial Distributions to Administrative Claimants and Class 11 Claimants provided for under this Plan. The Trust will act as the disbursing agent for the purpose of making all the other Distributions to all other Classes of Claims provided for under this Plan.

D. Authorization to Take Required Actions.

Viansa's corporate officers and agents are authorized to take any and all action necessary or appropriate to effectuate the terms of this Plan, and to consummate the transactions contemplated hereunder, including without limitation, the execution, verification, acknowledgement, filing, and publication of any and all instruments or documents that may be required in order to effectuate the transfer and sale of the equity in Reorganized Viansa pursuant to this Plan, including any actions related thereto, subject to the approval of the Bankruptcy Court.

IX. LIQUIDATION ANALYSIS

While Viansa's real estate is very valuable, the most valuable asset of the Viansa Estate is the winery operation. This operation consists primarily of (a) the winery located in Sonoma and retail operations related thereto; (b) the wine club with thousands of members located nationwide enjoying monthly shipments of wines; and (c) special events (e.g., weddings, corporate retreats, birthdays) held at the events center at the winery. Viansa does not sell its wines through retail stores, but directly to the retail customers. As a result,

Viansa depends on its wine club members for its operations. Since the wine club members pay on a monthly basis, liquidation would result in cessation of operations, which would result in termination of memberships. Without members, the wine club will have minimal, if any value. Similarly, the value of Viansa's inventory can only be maximized through retail sales to wine club members and visitors to the winery. In the event of a liquidation, and without the ability to continue operating and servicing the wine club member and the general public, membership and visits to the winery will plummet. Since Viansa sells its wines directly to the customer, it does not have retail distribution channels or exposure to retailers. The wine will not be able to be sold at retail prices since, *among other things*, Viansa's reputation will be damaged. Inventory will, therefore, have to be sold on a wholesale basis, resulting in a fraction of revenues as compared to retail sales.

In short, in the event of a liquidation under Chapter 7, Viansa believes that its assets would be insufficient to pay Croesus and Laurus, and that all other creditors would receive no distribution.

X. MANNER OF DISTRIBUTION OF ASSETS

A. Objections to Claims

1. Authority to Object to, and to Compromise, Claims.

The Trust, or any other party in interest, will have the right to file objections to the allowance of any Claims filed on or prior to the Claims Objection Bar Date. The Trust's right to object to the allowance of any Claims shall include the right to assert counterclaims and setoff rights related to the Asset Purchase Agreement provided that the Trust's right to assert counterclaims and setoff rights related to the Asset Purchase Agreement shall be limited to defenses to a Claim and not to obtain affirmative recovery from the holder of the Disputed Claim. The Trust will have the authority, in the reasonable exercise of its business judgment, to settle or compromise any Claim following the Effective Date by submitting an appropriate stipulation to the Court, with notice to the Post-Effective Date Notice Parties, so long as no objection to such stipulation is filed within ten (10) calendar days of such notice.

2. Estimation of Claims.

As provided by Section 502(c) of the Bankruptcy Code, the Bankruptcy Court may estimate any contingent, unliquidated, or disputed Claim for the limited purpose of determining the Claimant's eligibility to participate in the Confirmation of this Plan. Such estimation will be of a temporary and limited nature, and will not in any way affect the ultimate disallowance or allowance of the Claim, or the ability of any party in interest to subsequently object to the allowance of such Claim.

3. Retention of Jurisdiction to Determine Allowance of Claims Post-Effective Date.

The Court will retain jurisdiction over the Viansa Case to resolve any objections to Claims which are filed after the Effective Date or which are filed prior to the Effective Date but which are not resolved to final order prior to the Effective Date. The Confirmation Order shall not be res judicata, collateral estoppel, or other bar to Reorganized Viansa's, the Trust's or other party in interest's, right to object to such Claims after the Effective Date.

B. Distribution Upon Resolution of Disputed Claims.

The Disbursing Agent or the Trust, however the case may be, will not make any Distribution to the holder of a Disputed Claim until such Disputed Claim becomes an Allowed Claim. Pending a resolution of the Disputed Claim, the Disbursing Agent or the Trust, however the case may be, will create a Reserve Account which will contain a proposed Distribution based on the treatment that the Disputed Claim would receive if it became an Allowed Claim.

Within sixty (60) days after a Disputed Claim becomes an Allowed Claim, the Disbursing Agent or the Trust, however the case may be, will make the Distribution to the holder of such Allowed Claim from the Reserve Account in an amount equal to what the holder of such Allowed Claim would have received if the Claim had been allowed in such amount as of the Effective Date.

In the event that the Disputed Claim is disallowed, that portion of the Reserve Account which was designated for payment of the Disputed Claim will be distributed to Allowed Claims in accordance with the treatment set forth in this Plan.

C. Pursuit of Avoidance Actions and Other Actions.

Viansa or the Trust, however the case may be, shall have the right to pursue the Assigned Litigation, with the proceeds of such litigation to be vested in the Trust for the benefit of unpaid Administrative Claims and Class 12 Allowed Claims. Viansa or the Trust, however the case may be, shall have the authority, in the reasonable exercise of its business judgment, to settle or compromise any Assigned Litigation following the Effective Date by submitting a stipulation to the Court, with notice to Post-Effective Date Notice Parties, so long as no objection to such stipulation is filed within ten days of the Post-Effective Date Notice Parties' receipt of such notice.

D. Exculpations and Releases.

To the maximum extent permitted by law, neither Viansa, the Liquidating Trustee, the Viansa Estate, the Committee, Laurus, Croesus, Gryphon, nor any of their employees or the professionals employed or retained by any of them, whether or not by Bankruptcy Court order (each, a "Released Person"), shall have or incur liability to any person or entity for an act taken or omission made in good faith in connection with or related to the formulation of the Plan, the Disclosure Statement, or a contract, instrument, release, or other agreement or document created in connection therewith, the solicitation of acceptances for or confirmation of the Plan, or the

consummation and implementation of the Plan and the transactions contemplated therein. Each Released Person shall in all respects be entitled to reasonably rely on the advice of counsel with respect to its duties and

responsibilities under the Plan.

Viansa, the Committee, the Viansa Estate and all professionals employed by the Viansa Estate will be deemed to be forever released, waived and discharged of all claims, obligations, suits, judgments, damages, demands, debts, rights, causes of action and liabilities whatsoever in connection with, or related to, Viansa, the Viansa Estate, and this Plan whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, then existing or thereafter arising, in law, equity or otherwise that are based in whole or part on any act, omission, transaction, event or other occurrence taking place on or prior to the Effective Date in any way relating to Viansa, the Viansa Estate, the Committee or this Plan. Notwithstanding anything contained herein, the foregoing release shall not apply to any officers, managing members or directors of Viansa, except for A. John A. Bryan, Jr.

E. Injunctions.

The Confirmation Order shall enjoin the prosecution, whether directly, derivatively or otherwise, of any claim, obligation, suit, judgment, damage, demand, debt, right, cause of action, liability or interest released, discharged or terminated pursuant to this Plan.

Except as provided in this Plan or the Confirmation Order, as of the Effective Date, all entities that have held, currently hold or may hold a Claim or other debt or liability that is discharged or an interest or other right of an Equity Security Holder that is terminated pursuant to the terms of this Plan are permanently enjoined from taking any of the following actions against Viansa, the Viansa Estate, the Committee, the Trust or their property on account of any such discharged claims, debts or liabilities or terminated interests or rights: (i) commencing or continuing, in any manner or in any place, any action or other proceeding; (ii) enforcing, attaching, collecting or recovering in any manner any judgment, award, decree or order; (iii) creating, perfecting or enforcing any lien or encumbrance; (iv) asserting a setoff, right of subrogation or recoupment of any kind against any debt, liability or obligation due to Viansa; and (v) commencing or continuing any action in any manner, in any place that does not comply with or is inconsistent with the provisions of this Plan.

By accepting distribution pursuant to this Plan, each holder of an Allowed Claim receiving distributions pursuant to this Plan will be deemed to have specifically consented to the injunctions set forth in this Section.

XI. EXECUTORY CONTRACTS AND UNEXPIRED LEASES

A. Assumptions and Assignments.

Attached as Exhibit “3” to this Disclosure Statement is a list of all of Viansa’s executory contracts and unexpired leases which Viansa believes will be assumed and assigned upon the closing of the sale transaction, with the rights and obligations to the other parties to such executory contracts and unexpired leases to become rights and obligations of the purchaser of the Assets.

Also set forth in Exhibit “3” to this Disclosure Statement is an itemization of the defaults which Viansa contends exist under the executory contracts and unexpired leases that Viansa believes will be to assumed, and that must be cured on the Effective Date in connection with such assumption, unless otherwise agreed to among the parties to such executory contracts and unexpired leases. Viansa estimates that the total Cure Amounts that will be required to pay on the Effective Date will be approximately \$381,000⁶. The Confirmation Order will also constitute an order of the Bankruptcy Court approving the assumption and assignment of all such executory contracts and unexpired leases, and fixing the Cure Amounts for each such executory contract and unexpired lease in the amounts asserted by Viansa.

In addition, the Debtor’s right to occupy Space 30 at 21481 Eighth Street, Sonoma, California, which is owned by Carneros, is set to expire on December 31, 2007 pursuant to the Order Approving Settlement between Debtor and Carneros entered on June 18, 2007. Debtor anticipates successfully negotiating a new lease with Carneros, the approval of which will be sought through a separately filed motion. The Successful Bidder will be required to guarantee the terms of any new lease with Carneros, and Carneros will have the right to approve the Successful Bidder; otherwise, it is anticipated that Debtor’s right of occupancy will terminate on December 31, 2007 as provided in the Order Approving Settlement entered on June 18, 2007 (Docket 389).

B. Rejections.

Attached as Exhibit “3” to the Disclosure Statement is a list of all of the executory contracts and unexpired leases which Viansa believes will be rejected. On the Effective Date, all such executory contracts and unexpired leases will be deemed rejected by Viansa. Additionally, all executory contracts and unexpired leases

to which Viansa is a party which are not set forth in Exhibit “3” to the Disclosure Statement will also be deemed rejected by Viansa. The Confirmation Order will also constitute an order of the Bankruptcy Court approving the rejection of all such executory contracts and unexpired leases. Notwithstanding the foregoing, Viansa shall have the right to amend the attached schedule at any time prior to the Effective Date.

Any Claims for damages arising from the rejection of any executory contracts and unexpired leases shall be filed and served no later than the Administrative Claims Bar Date, and any objections to the allowance of such Claims shall be filed and served no later than the Claims Objection Deadline.

XII. RETENTION OF JURISDICTION

After the Confirmation of this Plan and occurrence of the Effective Date, in addition to jurisdiction which exists in any other court, the Bankruptcy Court will retain such jurisdiction as is legally permissible including for the following purposes:

- A. To resolve any and all disputes regarding the operation and interpretation of the Plan and the Confirmation Order;
- B. To determine the allowability, classification, or priority of Claims and Equity Security Interests upon objection by Viansa, the Trust, or any other party in interest with standing to bring such objection or proceeding;
- C. To determine the extent, validity and priority of any lien asserted against any Assets of the Viansa Estate, or any lien asserted against Viansa arising prior to the Effective Date;
- D. To construe and take any action to enforce this Plan, the Confirmation Order, and any other order of the Bankruptcy Court issued in this Case; to issue such orders as may be necessary for the implementation, execution, performance, and consummation of this Plan, the Confirmation Order, and all matters referred to in this Plan, the Confirmation Order; and to determine all matters that may be pending before the Bankruptcy Court in this Case on or before the Effective Date with respect to any person or entity related thereto;
- E. To resolve any dispute regarding the implementation, execution, performance, consummation, or interpretation of this Plan or the Confirmation Order;
- F. To determine, to the extent necessary, any and all Professional Fee Applications;
- G. To determine any and all Administrative Claims;

H. To determine motions, filed before the Effective Date, for the rejection, assumption, or assignment of any executory contracts or unexpired leases not otherwise assumed or rejected under this Plan, as well as the allowance of any Claims resulting therefrom;

I. To determine all applications, motions, adversary proceedings, contested matters, and any other litigated matters relating to this Case and instituted during the pendency of this Case, whether before, on, or after the Effective Date;

J. To determine such other matters and for such other purposes as may be provided in the Confirmation Order.

K. To modify this Plan under Section 1127 of the Bankruptcy Code in order to remedy any apparent defect or omission in this Plan or to reconcile any inconsistency in this Plan such as may be necessary to effectuate its expressed intent and purpose;

L. Except as otherwise provided in this Plan or the Confirmation Order, to issue injunctions or to take such other actions or make such other orders as may be necessary or appropriate to restrain interference with this Plan or the Confirmation Order, or to facilitate the execution or implementation by any person or entity of this Plan or the Confirmation Order;

M. To issue such orders in aid of consummation of this Plan or the Confirmation Order, notwithstanding any otherwise applicable non-bankruptcy law, with respect to any person or entity, to the fullest extent authorized by the Bankruptcy Code or the Bankruptcy Rules; and

N. To enter a final decree closing this Case.

XIII. CHANGES IN RATES SUBJECT TO REGULATORY COMMISSION APPROVAL

Viansa is not subject to governmental regulatory commission approval of its rates.

XIV. MISCELLANEOUS ISSUES REGARDING PLAN DISTRIBUTIONS

A. Unclaimed Property.

Any distribution to be distributed to any Claimant under this Plan shall be forfeited to the Trust unless claimed by the Claimant before the later of: (i) one (1) year after the Confirmation Date; or (ii) sixty (60) days after an order allowing that Claimant's Claim becomes a final order.

B. De Minimus Cash Distributions.

Notwithstanding anything to the contrary in this Plan, no cash distributions shall be made on account of any Allowed Claim if the cash distribution amount is less than \$5.00. Holders of Allowed Claims who would otherwise be entitled to a distribution in an amount of less than \$5.00 shall receive no distribution on account of such Allowed Claim because the value of such Allowed Claim would be de minimus and the administrative costs associated with processing and mailing the distribution to the holder of such Allowed Claim would likely exceed the amount of the distribution.

XV. EFFECT OF CONFIRMATION OF THIS PLAN

A. Discharge.

On the Effective Date, Viansa will be discharged of liability for payment of debts incurred prior to the Confirmation Date as provided in § 1141(d) of the Bankruptcy Code; however, liabilities or obligations imposed by this Plan will not be discharged .

B. Revesting of Property in the Reorganized Debtor.

Except as provided elsewhere in this Plan, Confirmation will revest all Assets of the Viansa Estate in Reorganized Viansa.

C. Default.

Except as otherwise provided herein or in the Confirmation Order, in the event that the Trust shall default in the performance of any of its obligations under the Plan and shall not have cured such a default within thirty (30) days after receipt of written notice of default from the creditor to whom the performance is due, then the entity or individual to whom the performance is due may pursue such remedies as are available at law or in equity. An event of default occurring with respect to one claim shall not be any event of default with respect to any other claim.

D. Modification of Plan.

Viansa may modify this Plan at any time prior to Confirmation, subject to the requirements of Fed. R. Bankr. P. 3019(a).

Viansa or the Trust, as the case may be, may seek to modify this Plan at any time after the Confirmation Date only if: (1) the Plan has not been substantially consummated; and (2) the Bankruptcy Court authorizes the proposed modifications after notice and a hearing.

E. Dissolution of Committee.

On the Effective Date, the Committee, to the extent that it serves as the Official Unsecured Creditors' Committee in the Viansa Case, shall be dissolved and its members shall be released and discharged from all rights and duties arising from or relating to the Viansa Case.

F. Post-Confirmation Status Report.

Within 120 days of the entry of the Confirmation Order, the Trust will file a Post-Confirmation Status Report with the Bankruptcy Court, reporting as to the progress that has been made in the implementation and consummation of the confirmed Plan. The Post Confirmation Status Report shall be served upon the United States Trustee, counsel for the Committee⁷, and the Post-Effective Date Notice Parties. The Trust will file further Post Confirmation Status Reports every 120 days, consecutively, and serve such further Post

Confirmation Status Reports on the same parties. The obligation to file post-confirmation status reports shall terminate upon the entry of the Final Decree, which may be requested by the Trust at any time after the Effective Date.

///

G. Post-Confirmation Conversion/Dismissal.

Any creditor or party in interest may bring a motion to convert or dismiss the Case under § 1112(b) after Confirmation if there is a default in the performance under this Plan. If the Bankruptcy Court orders the Case converted to Chapter 7 after Confirmation, then all of the assets that have been transferred to the Trust and that had not yet been disbursed pursuant to the terms of this Plan, will be automatically transferred to the newly-created Chapter 7 estates. The automatic stay will be reimposed with respect to such assets, but only to the extent that relief from stay was not previously authorized by the Bankruptcy Court during the Case. Notwithstanding the foregoing, all transfers to the successful bidder shall be deemed final and irrevocable and not subject to reversion to the Estate in the event of conversion to Chapter 7 or dismissal of the Case.

H. Revocation of Confirmation Order.

The Confirmation Order may be revoked by the Bankruptcy Court solely upon a finding by the Bankruptcy Court that the Confirmation Order was procured by fraud, and if the party seeking its revocation brings an adversary proceeding within 180 days after the Confirmation Date.

I. Final Decree.

Once the Viansa Estate has been fully administered as contemplated by Bankruptcy Rule 3022, then the Trust will file a motion with the Court to obtain a final decree to close the Viansa Case. After the Effective Date, the Trust will be responsible for timely payment of all fees incurred pursuant to 28 U.S.C. § 1930(a)(6) through the closing of the Viansa Case.

XVI. REQUEST FOR FINDING OF FAIR AND EQUITABLE TREATMENT OF IMPAIRED CLASSES

Pursuant to Section 1129(b) of the Bankruptcy Code, Viansa, as the proponent of this Plan, hereby request that the Bankruptcy Court find that the provisions of this Plan provide fair and equitable treatment to those Classes which are impaired under this Plan and who elect not to accept the Plan, and that the Bankruptcy Court confirm this Plan notwithstanding the requirement of Section 1129(a)(8) of the Bankruptcy Code as to such Classes.

¹ In the event of an asset sale, secured creditors are authorized to credit bid up to the amount of their secured claim pursuant to 11 U.S.C. § 363(k). While Section 363(k) is not applicable in the case of selling equity under a “new value” plan, Viansa submits that the net effect is identical. For example, if a creditor holds a secured claim in the amount of \$40 million, the secured creditor can credit bid such amount pursuant to Section 363(k), which would not result in a cash payment by the secured creditor, but only satisfaction of its secured claim. In the alternative, the secured creditor may pay \$40 million in connection with a “new value” plan, which proceeds would inure back to the secured creditor on account of its secured claim. The net result is the same. Thus, Viansa believes it would be appropriate for the secured creditors to be allowed to bid the amount of their secured claims as “new value,” subject to payment or satisfaction of senior obligations. Viansa refers to such bidding as a credit bid.

² Gryphon has indicated that it will amend its proof of claim on file to disclose the amount claimed with regard to pre-petition attorneys’ fees.

³ A settlement as to the treatment of the Gryphon Claims in the Viansa Case, as well as the distribution of the Texas Property Sale Proceeds in the Global Case, has been executed by Debtors, Gryphon, Laurus, and Croesus, and is being separately presented for approval by the Bankruptcy Court.

⁴ In addition to the Carve-Out, the Carneros Escrow Balance will be available for payment of allowed professional fees of the Committee’s professionals. Moreover, in the event that Laurus is the Successful Bidder, then, on the Effective Date, Laurus will cause Reorganized Viansa to fund the Carve Out in the amount of \$1.5 million. In the event that Reorganized Viansa does not have sufficient

funds on hand on the Effective Date to fund the Carve Out, Laurus will fund \$1.5 million directly to LNBRB as the Disbursing Agent for this purpose

⁵ In the event that Laurus is the Successful Bidder, then, on the Effective Date, Laurus will cause Reorganized Viansa to fund \$300,000 for the benefit of the general unsecured creditors. In the event that Reorganized Viansa does not have sufficient funds on hand on the Effective Date to fund this amount, Laurus will fund \$300,000 directly to LNBRB as the Disbursing Agent for this purpose.

⁶ This amount includes approximately \$323,000 in potential cure owed to GE. In the event that a determination is made that the leases with GE are disguised security agreements and not leases, this payment will not be required.

⁷ On the Effective Date, the Committee will be deemed to have been terminated.

AND PLAN OF REORGANIZATION, AS MODIFIED**

I. INTRODUCTION

On March 7, 2007 (“Petition Date”), the Debtor commenced the Case by filing a voluntary Chapter 11 petition under the United States Bankruptcy Code (“Bankruptcy Code”), 11 U.S.C. § 101 et seq.

2. A Chapter 11 allows the debtor, its creditors and other parties in interest to propose a plan of reorganization. A plan of reorganization may provide for a debtor to reorganize by continuing to operate, to liquidate by selling assets of the estate, or a combination of both. This Plan of Reorganization (the “Plan”), which is proposed by Global, is a reorganization plan. This Plan proposes to reorganize the Debtor by issuing its securities and distributing proceeds from the recovery of Assigned Litigation to Creditors in full satisfaction of their Claims in a manner which preserves the Debtor’s substantial financial and nonfinancial attributes and allows Creditors and Interest Holders to participate in the Reorganized Debtor’s future operations.

All holders of Claims are encouraged to read this Plan and Disclosure Statement in its entirety before voting to accept or reject the Plan. No materials, other than this Plan and Disclosure Statement and the Exhibits and Schedules attached hereto and referenced herein, have been approved by the United States Bankruptcy Court for the District of Nevada for use in soliciting acceptances or rejections of this Plan.

B. Exhibits.

All Exhibits to this Plan are incorporated into and are a part of this Plan and Disclosure Statement as if set forth in full herein.

III. GLOBAL'S BACKGROUND AND OPERATING HISTORY

The Debtor was incorporated in the State of Nevada on October 8, 2002. On August 1, 2003, the Debtor completed a reverse acquisition of Tech-Net Communications, Inc., a Nevada corporation that was incorporated on May 15, 2000. Following the reverse acquisition, the Debtor changed the name of Tech-Net Communications, Inc. to "Knightsbridge Fine Wines, Inc." Effective February 15, 2005, the Debtor changed its name from Knightsbridge Fine Wines, Inc. to "360 Global Wine Company." Global is a public company whose stock trades under the symbol "TSIXQ".

Global's Operating History prior to the Petition Date is described in the Omnibus Statement of Facts in Support of First Day Motions filed on March 9, 2007, a copy of which is attached hereto as Exhibit "1." As discussed in more detail therein, Global and its operating subsidiary, Viansa, experienced a significant financial crisis derived, in part, from their dispute with Kirkland Knightsbridge, LLC ("KKLLC"), with whom Global entered into a joint venture in 2004. KKLLC filed for bankruptcy protection in September of 2006, at which time KKLLC was in possession of substantial inventory of Viansa. Without access to this inventory, Viansa was unable to ship the wines to its wine club members. As a result, its revenues declined precipitously and Viansa was unable to service its debt with Laurus. Shortly prior to the Petition Date, Laurus sent a notice of default to Viansa and Global and called its loan due. Viansa and Global commenced their bankruptcy cases in order to protect the value of their assets.

IV. GLOBAL'S BANKRUPTCY CASE

On March 7, 2007 (the "Petition Date"), Global and Viansa each filed a voluntary petition for relief with the Bankruptcy Court under the Bankruptcy Code. On March 23, 2007, this Court issued an Order granting joint administration of the two cases.

Shortly after the Petition Date, KKLLC filed its motion to transfer venue of the cases to Northern District of California, Santa Rosa Division. The Debtors, as well as numerous creditors, opposed the motion, which was eventually denied by this Court.

The Committee was appointed in both of the cases on April 23, 2007.

On June 27, 2007 the Bankruptcy Court entered the Laurus Cash Collateral Order and the DIP Order, and on July 27, 2007 the Bankruptcy Court entered the Gryphon Cash Collateral Order. Pursuant to these orders, the Debtors continued to operate pursuant to terms approved by Croesus, Laurus, Gryphon, and the Bankruptcy Court until confirmation of Viansa's Plan of Reorganization.

The Debtors sought and obtained Bankruptcy Court approval of a settlement with KKLLC, which was approved by order entered on August 16, 2007. Pursuant to the settlement, all litigation (including appeals) between the Debtors and KKLLC has been dismissed. In addition, Viansa obtained a turnover of its wine inventory (and related items) which was maintained in KKLLC's possession to the exclusion of Viansa. KKLLC was allowed General Unsecured Claims in this Case totaling \$10 million as part of the settlement.

The Debtors engaged Gordian Financial Services to assist with marketing Viansa's business; and Global employed Capital City Sotheby's International Realty to assist with the marketing of the Texas Property.

The Committee engaged BBK, Ltd. as its financial advisor in connection with the two bankruptcy cases.

The Debtor retained The Hall Group as its auditor by Order entered June 6, 2007 and retained Sichenzia Ross Friedman Ference LLP as its special SEC counsel by Order entered October 15, 2007.

By Bankruptcy Court Order entered on March 25, 2008, the Debtor sold the Texas Property to the City of Granite Shoals and the Christ Redeemer Fellowship for the aggregate sale price of \$3,200,000.

On March 27, 2008, the Bankruptcy Court entered its Order Granting the Motion of the Official Committee of Unsecured Creditors for Authority to Pursue Claims on Behalf of the Debtor's Estate, whereby the Committee was authorized to pursue claims and causes of action of the Debtor against its officers, directors and shareholders.

By Bankruptcy Court order entered on July 30, 2008, the Bankruptcy Court approved a settlement with certain Creditors whereby their Claims against the Debtor, including any possible Administrative Claims, were resolved by the allowance of a total of \$375,000 in General Unsecured Claims in favor of those Creditors.

3. V. SUMMARY OF ASSETS AND LIABILITIES

Global's primary asset consisted of the Texas Property, which was sold pursuant to Bankruptcy Court Order on March 25, 2008 for \$3,200,000.00. The proceeds of sale were primarily used to pay costs of sale, Secured Claims including the Gryphon Secured Claim, as well as to fund the Carve Out. A detailed description of Global's assets as of the Petition Date is set forth in Global's Amended Schedules filed on May 11, 2007.

Claims asserted against Global are listed in Exhibit "2" attached hereto, which exhibit lists all Claims scheduled by Global in its bankruptcy schedules and all Claims filed with the Bankruptcy Court. Pursuant to Rule 3003(c)(2) of the Federal Rules of Bankruptcy Procedure, those Creditors whose Claims were scheduled as disputed, contingent or unliquidated and who did not timely file a proof of Claim shall not be treated as Creditors for purposes of voting or distribution under this Plan. All such Creditors are listed on Exhibit "2" as having a Claim in a zero amount. All of Global's Secured Claims of Croesus, Laurus and Gryphon have been satisfied by the sale of the Texas Property or by the confirmation of Viansa's plan of reorganization. As a result of the sale of the Texas Property for less than the liens against it, Gryphon claims an unsecured deficiency Claim of approximately \$5.9 million. General Unsecured Claims aggregate approximately \$20 million. There are filed priority Tax Claims (which the Debtor disputes) totaling approximately \$210,000. The total pre-petition Claims asserted are approximately as follows:

Secured claims	\$ 0.00
Unsecured claims	\$20,000,000.00
Priority claims	<u>\$ 210,000.00</u>
TOTAL	\$20,210,000.00

In addition, Global has incurred amounts due to professionals hired in the Case as set forth in Section VII.B.1. herein.

VI. SUMMARY OF PLAN AND TREATMENT OF CLAIMS

This is a reorganization Plan. The Reorganized Debtor will continue with its operations after Confirmation as a publicly-held company engaged in the business of strategic business acquisitions. The Carve-Out will be used to pay the CEO/CRO Administrative Claim and Allowed Professional Fees on a pro rata basis, with the balance of these Claims to be paid from the recovery of the Assigned Litigation, which will be pursuant by the Global Trust. In addition, these Claimants will share in a pro rata distribution of 3,750,000 shares of the New Common Stock. Priority Tax Claims (if any) will either be paid in Cash on Confirmation or will receive deferred cash payments over a five (5) year period from the Petition Date. Class 4 General Unsecured Creditors will receive for pro rata distribution 1,000,000 shares of New Common Stock and the Class 5 General Unsecured Creditor will receive 50,000 shares of New Common Stock. Class 6 equity security holders will receive 100,000 shares of New Common Stock for pro rata distribution.

VII. CLASSIFICATION AND TREATMENT OF CLAIMS AND INTERESTS

A. General Overview.

As required by the Bankruptcy Code, this Plan classifies Claims and interests in various Classes according to their right to priority. This Plan states whether each Class is either impaired or unimpaired, and proposes the treatment that each Class will receive.

B. Unclassified Claims.

Certain types of Claims are not placed into voting Classes; instead they remain unclassified. These Claims are not considered impaired and are therefore not entitled to vote on this Plan because they are automatically entitled to specific treatment provided for them in the Bankruptcy Code. As such, Global has not placed the following Claims in a Class:

1. Administrative Claims.

Administrative Claims are claims for costs or expenses of administering the Case that are allowed under Bankruptcy Code § 507(a)(2). The Bankruptcy Code requires that all Administrative Claims be paid on the Effective Date unless a particular holder of an Administrative Claim agrees to a different treatment. Unpaid Administrative Claims include the CEO/CRO Administrative Claim, estimated to be approximately \$550,000 at Confirmation.

U.S. Trustee fees, to the extent not previously paid, will be paid in full on the Effective Date, or at such later date as such fees may become due and payable. Global estimates that the total Allowed Professional Fees will be in the range of \$850,000 to \$910,000.

All Allowed Professional Fees and the CEO/CRO Administrative Claim will receive an initial distribution on a pro rata basis from the Carve-Out on the later of the (a) Effective Date; and (b) date of entry of the order allowing the professional fees and costs.

Professionals employed by Order of the Court and the estimated amounts of their fees as of Confirmation¹ are as follows:

Name of Professional	Estimated Fees and Costs
Levene, Neale, Bender, Rankin & Brill L.L.P. (“LNBRB”), Global’s general bankruptcy counsel	\$ 450,000.00
Lewis & Roca LLP (formerly Beckley Singleton, Chtd.), Global’s local bankruptcy counsel	\$10,000.00 for Lewis & Roca LLP \$ 30,648.57 for Beckley, Singleton, Chtd.
Gordian Group, LLC , Global’s investment bankers.	\$39,406.44
Sichenzia Ross Friedman Ference LLP, Global’s SEC counsel.	\$65,000.00
The Hall Group, Global’s auditors.	\$160,000.00
Winston & Strawn, LLP, Committee’s general counsel.	\$60,000.00
McDonald Carano Wilson LLP, Committee’s local counsel.	\$32,000.00
BBK, Ltd. (“BBK”), the Committee’s financial advisors	\$ 20,555.77

In addition to a pro rata distribution of the Carve-Out, a pro rata distribution of 3,750,000 shares of New Common Stock will be made to professionals and the CEO/CRO based upon the total amount of the CEO/CRO Administrative Claim and the Allowed Professional Fees. The unpaid balance of such fees after distribution of the Carve-Out shall be paid on a pro rata basis from the proceeds of the Assigned Litigation.

Requirement of Court Approval of Fees: The Court must rule on all fees of professionals listed above before such fees will become Allowed Administrative Claims. For all fees except Clerk's Office fees and U.S. Trustee fees, the professional in question must file and serve a properly noticed fee application, and the Court must rule on the application. Only Allowed Professional Fees will be eligible to be paid under this Plan.

2. Priority Tax Claims.

The Bankruptcy Code requires that each holder of a Priority Tax Claim receive the present value of such Claim in deferred Cash payments. Except as otherwise allowed by the Bankruptcy Court, holders of Priority Tax Claims shall not be entitled to receive any penalties with respect to or arising in connection with such Claims and such penalties shall be treated as General Unsecured Claims.

Global believes that the Priority Tax Claims will not exceed the sum of \$5,000.00. Priority Tax Claims filed by the IRS and the California Franchise Tax Board were filed as estimated Claims since the Debtor had not filed its Federal or State tax returns by the Petition Date. The Debtor has filed its Federal and State income tax returns, which show no income taxes owing to either the IRS or the Franchise Tax Board.

At the option of Reorganized Global, Allowed Priority Tax Claims shall be paid either (1) in cash on the Effective Date; or (2) deferred cash payments, in equal quarterly installments, over the period ending five (5) years from the Petition Date, with interest to accrue at the federal interest rate as set forth in 26 U.S.C. § 6621(a)(2), which is 5% per annum as of September 30, 2008 (or such other interest rate as agreed to by Global and the holder of such Allowed Priority Tax Claim, or such rate as determined by the Bankruptcy Court to be appropriate, if such a determination is requested by the holder of such Allowed Priority Tax Claim no later than the date upon which objections to Confirmation of this Plan are due). At the option of Reorganized Global, such deferred payments may be prepaid, in whole or in part.

C. Classified Claims and Interests.

1. **Class 1** consists of the Allowed Claims of holders of statutory liens, other than Priority Tax Claims, but including Secured Claims for real or personal property taxes. Global believes that there are no such Claims since all of its tangible assets have been liquidated.

2. **Class 2** consists of the Laurus Secured Claim. Upon the closing of the Texas Real Property sale, Laurus' Secured Claim was paid in full from the proceeds of the sale in accordance with the Settlement Agreement. Class 2 is therefore not impaired under this Plan.

3. **Class 3** consists of the Gryphon Secured Claim. Upon the closing of the Texas Real Property sale, the Gryphon Secured Claim was paid in full from the proceeds of sale in accordance with the Settlement Agreement. Class 3 is therefore not impaired under this Plan.

4. **Class 4** consists of all General Unsecured Claims, except for the Class 5 Claim of KKLLC. Global estimates that such General Unsecured Claims total approximately \$15 million. Class 4 shall receive for pro rata distribution 1,000,000 shares of New Common Stock. In addition, Class 4 shall receive for pro rata distribution any net recovery obtained from the Assigned Litigation after payment of unpaid Administrative Claims and unpaid Priority Tax Claims. Class 4 is impaired under this Plan.

5. **Class 5** consists of the KKLLC Subordinated Claim in the sum of \$5 million. Class 5 shall receive 50,000 shares of New Common Stock in full satisfaction of the Class 5 Claim. Class 5 is impaired under this Plan.

6. **Class 6** consists of Equity Security Interests in Global. The existing common stock of Global shall be canceled and Class 6 shall receive for pro rata distribution 100,000 shares of New Common Stock. The record date for stock ownership for such distribution shall be December 1, 2008. Class 6 is impaired under this Plan.

VIII. MEANS OF IMPLEMENTATION OF PLAN

A. Funding for the Plan.

The Plan will be funded from the Carve-Out, the pursuit of the Assigned Litigation and the issuance to Creditors and Equity Security interest holders of New Common Stock.

B. Composition of Reorganized Global and Post-Confirmation Management.

The Global Trust shall be a creditors' liquidating trust for all purposes, including Treasury Regulations Section 301.7701-4(d). The Global Trust will be organized for the purpose of collecting and distributing to Creditors the Assigned Litigation of Global and its Estate with no objective to continue or engage in the conduct of a trade or business. As more fully set forth below, and except as set forth below, on the Effective Date, Global and/or the Committee shall be deemed to have transferred all of Global's rights to prosecute the Assigned Litigation to the Global Trust to collect and prosecute for the benefit of Creditors of Global. The Global Trust shall receive, liquidate and distribute the New Common Stock received by it and the recoveries on the claims, rights and causes of action of Global and its Estate in accordance with the Plan and the Liquidating Trust Agreement as promptly as is reasonably practicable, in an expeditious but orderly manner. The Global Trust is not a successor of Global for purposes of incurring its liabilities. To the extent there are any inconsistencies between the Plan and the Global Trust, the terms of the Plan shall prevail.

2. Appointment of the Liquidating Trustee.

The Liquidating Trustee (the “Global Trustee”) of the Trust shall be Laurens Nuyens. Mr. Nuyens has a Masters in General Management (M.B.A. program) from Vlerick Leuven Ghent Management School in Ghent, Belgium and a Bachelors Degree in Economics and Business from Kalamazoo College. He has worked for Makro Belgium, a multinational Corporation, and, as an independent contractor for The Watley Group, was a consultant to the CEO of Viansa. Mr. Bryan is the managing member of The Watley Group and is Mr. Nuyen’s brother-in-law. The Global Trustee shall administer the Liquidating Trust pursuant to the Plan and the Liquidating Trust Agreement, and in accordance with guidelines set forth by the Ninth Circuit Bankruptcy Appellate Panel in In Re Consolidated Pioneer Mortgage Entities, 248 B.R. 368 (9th Cir. B.A.P. 2000). The Global Trustee shall act in accordance with the Plan and the Liquidating Trust Agreement. The Global Trustee shall perform all of the obligations of the Global Trustee under the Plan and the Liquidating Trust Agreement. The Global Trustee shall serve for the duration of the Global Trust, subject to earlier death, resignation, incapacity or removal as provided in the Liquidating Trust Agreement. The Global Trustee shall serve without any bond. The Global Trustee shall receive as compensation three percent (3%) of the funds recovered by the Global Trust. The Global Trustee shall act in accordance with the Plan and the Liquidating Trust Agreement.

3. Transfer of Claims, Rights and Causes of Action to the Global Trust.

On the Effective Date, all Assigned Litigation and the right to assert objections to claims, including rights of offset, as set forth in this Plan, shall be transferred to, and vested in, the Global Trust free and clear of all liens, claims, encumbrances and other interests. All property, claims, rights, and causes of action received or held by the Global Trust shall be held in trust for the benefit of holders of Administrative Claims, Priority Tax Claims and Class 4 Allowed Claims, subject to the provisions of the Plan and the Liquidating Trust Agreement. Reorganized Global shall retain no interest in such property, claims, rights, and causes of action transferred to the Global Trust. In addition, 5 million shares of New Common Stock will be irrevocably transferred and conveyed by Reorganized Global to the Global Trust for distribution pursuant to the terms of this Plan. As soon as practical after receipt of the New Common Stock, the Global Trust shall use its best efforts to distribute the New Common Stock to Class 4 and Class 5 Claimants and Class 6 Equity Security Interests.

4. Sale or Other Disposition of Property.

After the Effective Date, the Global Trust may use, acquire, sell or otherwise dispose of the property it acquires in accordance with the Plan and the Liquidating Trust Agreement without supervision of, or approval by, the Bankruptcy Court or the United States Trustee and free of any restrictions in the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure or Local Bankruptcy Rules (the “Bankruptcy Rules”), provided, however, that the Global Trust shall not have the right to liquidate New Common Stock designated for holders of Allowed Claims in the Case.

5. Investigation and Prosecution of Claims.

The Global Trust shall investigate all Assigned Litigation and determine which, if any, should be prosecuted in its sole discretion in accordance with the Plan and the Liquidating Trust Agreement. All claims, rights and causes of action encompassed in the Assigned Litigation are preserved by the Plan, and the Global Trust shall have full power and authority to settle, adjust, retain, enforce or abandon any claim, right or cause of action as the representative of the Global Estate under section 1123(b) of the Bankruptcy Code or otherwise in accordance with the Plan and the Liquidating Trust Agreement without supervision of, or approval by, the Bankruptcy Court or the United States Trustee and free of any restriction of the Bankruptcy Code or the Bankruptcy Rules, except that the compromise of any single claim, right or cause of action that is \$100,000 or more shall, until the Case is closed, be subject to the approval of the Bankruptcy Court after notice and opportunity for hearing have been provided to the entities that have requested special notice.

6. Bankruptcy Powers.

As to the Assigned Litigation, the Global Trust shall have all of the rights, claims, powers, objections, counterclaims, defenses, setoffs and actions of Global and its Estate under sections 363, 365 and 501 to 558, inclusive, of the Bankruptcy Code. (All other such rights shall be retained by Reorganized Global.) After the Effective Date, all claims, rights and causes of action of Global and its Estate shall be filed and prosecuted in the name of the Global Trust.

7. Employment of Employees and Professionals.

On and after the Effective Date, the Global Trust shall employ and compensate such employees and professionals, including, without limitation, any professionals employed by the Estate, agents and representatives, including disbursing agents, as the Global Trust determines is necessary or appropriate to implement all of the provisions of the Plan and the Liquidating Trust Agreement without any supervision of, or approval by, the Bankruptcy Court or the United States Trustee. The Global Trust shall be allowed to compensate the fees and costs of its professionals without the requirement to file fee applications and seek approval of the Bankruptcy Court. The Bankruptcy Court will retain jurisdiction to resolve any fee disputes between the Global Trust and its professionals.

8. Creation of Reserves, Investment of Cash, and Distribution of Cash.

After the Effective Date, the Global Trust shall: (i) pay or provide for all expenses of the Global Trust from property in the Global Trust, (ii) establish and maintain a reserve for expenses of the Trust, (iii) establish and maintain a reserve for disputed Claims, (iv) establish and maintain a reserve for unclaimed distributions, (v) establish any other reserves or accounts it deems necessary or appropriate, and (vi) make distributions of Cash to the holders of Allowed Claims from the Global Trust in accordance with the Plan and the Liquidating Trust Agreement. The procedures that govern the reserves and distributions by the Global Trust are set forth in the Liquidating Trust Agreement. All cash held by the Global Trust shall be invested only in investments permitted under the Liquidating Trust Agreement.

9. Non-transferability of Trust Interests.

The interests of the holders of Allowed Administrative Claims, Allowed Priority Tax Claims and Allowed Claims in the Global Trust will not be evidenced by any certificate or other instrument or document. The interests in the Global Trust are non-transferable and non-assignable other than to successors in interest, or by will, the laws of descent and distribution, or by operation of law.

10. No Action Against Global or the Global Trust Without Bankruptcy Court Approval.

On and after the Effective Date, no action or proceeding may be commenced or continued by any entity holding a pre-Confirmation Claim, other than the Global Trust, in any court or other tribunal, other than the Bankruptcy Court, against Global, Reorganized Global, the Global Trust, the Global Trustee, or any of their officers, employees, professionals, agents or representatives, without the prior approval of the Bankruptcy Court pursuant to a final order. On and after the Effective Date, no act to collect or recover from, or offset against, or to create, perfect or enforce any right, claim, interest or remedy by any entity, other than the Global Trust, against Global, Reorganized Global, the Global Trust, the Global Trustee or any of their officers, employees, professionals, agents or representatives on account of a pre-Confirmation Claim, may be taken without the prior approval of the Bankruptcy Court in a final order. This provision of the Plan does not require that a defendant in a proceeding filed by the Global Trust obtain the approval of the Bankruptcy Court to assert any defense or setoff in such proceeding.

11. Termination of the Global Trust.

The Global Trust shall be irrevocable. The Global Trust shall terminate when the Global Trustee has performed all of his duties under the Plan and the Global Trust Agreement, including the liquidation of all of the property, claims, rights and causes of action of Global and its Estate, which date shall not be more than five (5) years from and after the Effective Date; provided, however, that, if in the reasonable determination of the Global Trustee, in light of existing facts and circumstances, the liquidation of the property, claims, rights and causes of action in the Global Trust and the distribution of all Cash will not be completed within that time, then, not more than ninety (90) days prior to that date, the Global Trustee may amend the Liquidating Trust Agreement to provide that the Global Trust shall extend for an additional period of up to one (1) year. Prior to the expiration of such one (1) year period, the Global Trustee may seek and, for cause shown, obtain an order from the Bankruptcy Court extending the Global Trust for any additional time the Bankruptcy Court deems necessary or appropriate, after notice and opportunity for hearing have been provided to the entities that have requested special notice.

12. Reports By the Global Trust.

The fiscal year of the Global Trust shall end on December 31 of each year. In accordance with the Plan and the Liquidating Trust Agreement, in conjunction with any interim or final distributions, but in any event, at least once a year, the Global Trust shall serve the following unaudited annual financial statements prepared in accordance with generally accepted accounting principles and the following unaudited written reports and accounts on the those entities that have requested special notice: (a) financial statements showing the assets and liabilities of the Global Trust, including the expense reserve, the reserve for unclaimed distributions and the reserve for disputed claims at the end of the period, (b) financial statements showing the receipts and disbursements of the Global Trust during the period, (c) a brief written report from the Global Trust about the disposition of any remaining property, claims, rights and causes of action of the Global Trust and distributions remaining, (d) a written report showing the number and amount of trust interests, disputed administrative expenses and disputed claims and changes during the period, and (e) any other written reports the Global Trustee elects to include. Until the Case is closed through the entry of a final decree by the Bankruptcy Court, a copy of the financial statements and reports shall be filed with the Bankruptcy Court and served on the United States Trustee. The Global Trust shall serve the United States Trustee with any and all documents that it files with the Bankruptcy Court after the Effective Date. In addition, the Global Trust is responsible for the timely payment of fees incurred pursuant to 28 U.S.C. § 1930(a)(6); and in calculating such fees, the Global Trust shall file with the Bankruptcy Court and serve on the United States Trustee a quarterly Post Confirmation Status Report regarding all income and disbursements, including all plan payments, for each quarter (or portion thereof) the bankruptcy case remains open. The Global Trust shall prepare and distribute any other reports or other information that may be required by the Bankruptcy Court or the Bankruptcy Rules or that the Global Trustee determines are necessary or appropriate.

13. No Recourse Against the Global Trustee.

No recourse shall ever be had, directly or indirectly, against the Global Trustee or any of the officers, employees, professionals, agents or representatives of the Global Trust, whether by legal, equitable or other proceedings, by virtue of any law, statute, regulation or otherwise, or by virtue of any indebtedness of Global, its Estate or the Global Trust, it being expressly understood and agreed that all liabilities of the Global Trust shall be enforceable only against and be satisfied only out of the property, claims, rights and causes of action in the Global Trust or shall be evidence only of a right to payment out of such assets in the Global Trust, as the case may be.

C. Disbursing Agent.

LNBRB, counsel for the Debtor, will act as the disbursing agent for the purpose of making the initial pro rata distribution of the Carve-Out to professionals and the CEO/CRO. The Global Trust will act as the disbursing agent for the purpose of making all of the other Distributions provided for under this Plan, including the distribution of New Common Stock to Class 4, Class 5 and Class 6 Claimants and Equity Security Interests.

D. Authorization to Take Required Actions.

Global's corporate officers and agents are authorized to take any and all action necessary or appropriate to effectuate the terms of this Plan, and to consummate the transactions contemplated hereunder.

IX. BUSINESS PLAN FOR REORGANIZED GLOBAL

Reorganized Global's business plan is made up of two activities:

First, undertaking the administrative, accounting, SEC related, and all other work necessary to prepare and file updated financial statements and annual and quarterly reports with the SEC and any other governmental organizations, in order to re-establish Reorganized Global as a fully reporting public company and re-list its common stock on a nationally recognized stock exchange or market quotation system. In order to accomplish this goal, Reorganized Global's plan is to complete the following SEC filings (among other filings and reports), which Reorganized Global will utilize best efforts to complete within 12 months from the Effective Date of the Plan:

10Q for the 4th quarter of 2007

10K annual report and audit for the year ended December 31st 2007

10Q for the 1st quarter of 2008

10Q for the 2nd quarter of 2008

10Q for the 3rd quarter of 2008 (not yet due)

10K annual report and audit for the year ended December 31st 2008 (not yet due)

The second activity is to conduct the search, perform the necessary analysis, negotiate a price and structure, plan the financing, and raise the necessary capital to acquire an operating business or effect a merger or acquisition, or capital stock exchange, asset acquisition, or other similar business combination with an operating business. The business going forward shall not be inconsistent with the business prior to filing for Chapter 11. However, Reorganized Global will not be limited to a particular industry. Nevertheless, management of Global has initially focused on the wine, communications, Global Positioning Systems, and related industries. To date, their efforts have been limited to exploring financing and acquisition opportunities with the intent to maximize the value of the business for Global's Creditors. Global's efforts in identifying a prospective target business have been ongoing since January 2008. Global has examined over 100 business opportunities including a wide range of detailed discussions with financing and management partners. Examples of acquisitions currently under examination are:

- A technology based public company with a market cap of approximately \$150 million

- Acquisition of \$20,000,000 of assets from a Chapter 7 liquidation case generating \$6,000,000 of income.

- Acquisition of a \$150,000,000 wine business in partnership with a major wine group that would benefit from Global's operating losses

- Acquisition of 50% of a technology based company specializing in music and film

Reverse merger opportunities: i.e., establishment of an investment fund in which Reorganized Global would be the general partner and limited partners would fund acquisitions; Reorganized Global would receive 85% of the income of the partnership and the limited partners would receive 85% of the capital gains, thus maximizing the assets of Reorganized Global for Creditors

Global has received an informal offer to purchase the Global shell for \$20,000. However, Debtor's management believes that the potential value to be received by Creditors from Reorganized Global's stock under this Plan is considerably higher. The following is a chart of the types of transactions and potential value Creditors might recover under optimal circumstances:

Sale of Global shell \$ 20,000
Reverse merger \$ 350,000
Acquisition and continuation of Global business \$1,000,000

X. LIQUIDATION ANALYSIS

The Plan must provide that a nonconsenting impaired Claimant or interest holder of a consenting Class receive at least as much as would be available had the Debtor filed a Chapter 7 petition instead.

In a Chapter 7 case, the general rule is that the Debtor's assets are sold by a trustee. Unsecured creditors share in the proceeds of sale only after secured Creditors and administrative Claimants are paid.

A Creditor would recover from the assets of the bankruptcy Estate less under Chapter 7 than under Chapter 11 for at least two reasons. First, the recovery by Creditors in a liquidation would be less than the recovery proposed under the Plan because the Plan proposes to distribute 4,800,000 shares of the New Common Stock to Creditors. In a Chapter 7, there would be no stock to distribute since the Debtor would be liquidated and its stock would be worthless. Second, in a Chapter 7 case, a trustee is appointed and is entitled to compensation from the bankruptcy estate pursuant to Section 326(a) of the Bankruptcy Code (11 U.S.C. § 326(a)) in an amount no more than 25% of the first \$5,000 of all moneys disbursed, 10% on any amount over \$5,000 but no more than \$50,000, 5% on any amount over \$50,000 but no more than \$1,000,000, and such reasonable compensation no more than 3% of moneys over \$1,000,000. Pursuant to the terms of the Plan, the Global Trustee will receive a flat fee of three percent (3%) of any recovery. This fee will be less than a Chapter 7 trustee's fee calculated pursuant to Section 326(a).

XI. MANNER OF DISTRIBUTION OF ASSETS

A. Objections to Claims

1. Authority to Object to, and to Compromise, Claims.

The Global Trust, or any other party in interest, will have the right to file objections to the allowance of any Claims filed on or prior to the Claims Objection Bar Date. The Global Trust's right to object to the allowance of any Claims shall include the right to assert counterclaims and setoff rights. The Global Trust will have the authority, in the reasonable exercise of its business judgment, to settle or compromise any Claim following the Effective Date by submitting an appropriate stipulation to the Court with notice to the Post-Effective Date Notice Parties. So long as no objection and request for hearing on such stipulation is filed within ten (10) calendar days of such notice, the Global Trust shall be entitled to effectuate the settlement of the Claim.

2. Disallowance of Certain Scheduled Claims.

Pursuant to Rule 3003(c)(2) of the Federal Rules of Bankruptcy Procedure, those Creditors whose Claims were scheduled as disputed, contingent or unliquidated and who did not timely file a proof of Claim shall not be treated as Creditors for purposes of voting or distribution under this Plan. All such Creditors are listed on Exhibit "2" as having a Claim that is disputed and in a zero (0.00) amount. The Order confirming this Plan shall include a provision that all such Claims are disallowed and shall not receive a distribution under the Plan.

3. Estimation of Claims.

As provided by Section 502(c) of the Bankruptcy Code, the Bankruptcy Court may estimate any contingent, unliquidated, or disputed Claim for the limited purpose of determining the Claimant's eligibility to participate in the Confirmation of this Plan. Such estimation will be of a temporary and limited nature, and will not in any way affect the ultimate disallowance or allowance of the Claim, or the ability of any party in interest to subsequently object to the allowance of such Claim.

4. Retention of Jurisdiction to Determine Allowance of Claims Post-Effective Date.

The Court will retain jurisdiction over the Case to resolve any objections to Claims which are filed after the Effective Date or which are filed prior to the Effective Date but which are not resolved to final order prior to the Effective Date. The Confirmation Order shall not be res judicata, collateral estoppel, or other bar to Reorganized Global's, the Global Trust's or other party in interest's, right to object to such Claims after the Effective Date.

B. Distribution Upon Resolution of Disputed Claims.

The Disbursing Agent or the Global Trust, however the case may be, will not make any Distribution to the holder of a Disputed Claim until such Disputed Claim becomes an Allowed Claim. Pending a resolution of the Disputed Claim, the Disbursing Agent or the Global Trust, however the case may be, will create a Reserve Account which will contain a proposed Distribution based on the treatment that the Disputed Claim would receive if it became an Allowed Claim.

Within sixty (60) days after a Disputed Claim becomes an Allowed Claim, the Disbursing Agent or the Global Trust, however the case may be, will make the Distribution to the holder of such Allowed Claim from the Reserve Account in an amount equal to what the holder of such Allowed Claim would have received if the Claim had been allowed in such amount as of the Effective Date.

In the event that the Disputed Claim is disallowed, that portion of the Reserve Account which was designated for payment of the Disputed Claim will be distributed to Allowed Claims in accordance with the treatment set forth in this Plan.

C. Pursuit of Assigned Litigation and Other Actions.

Global or the Global Trust, however the case may be, shall have the right to pursue the Assigned Litigation, with the proceeds of such litigation to be vested in the Global Trust for the benefit of unpaid Administrative Claims, Priority Tax Claims and Class 4 Allowed Claims. Global or the Global Trust, however the case may be, shall have the authority, in the reasonable exercise of its business judgment, to settle or compromise any Assigned Litigation following the Effective Date by submitting a stipulation to the Court with notice to Post-Effective Date Notice Parties. So long as no objection and request for hearing on such stipulation is filed within ten days of the filing of such notice, the Global Trust shall be entitled to effectuate such settlement.

D. Exculpations and Releases.

To the maximum extent permitted by law, neither Global, the Global Trustee, the Global Estate, the Committee, Gryphon, nor any of their employees or the professionals employed or retained by any of them, whether or not by Bankruptcy Court order (each, a "Released Person"), shall have or incur liability to any person or entity for an act taken or omission made in good faith after the Petition Date in connection with or related to the formulation of the Plan, the Disclosure Statement, or a contract, instrument, release, or other agreement or document created in connection therewith, the solicitation of acceptances for or confirmation of the Plan, or the consummation and implementation of the Plan and the transactions contemplated therein. Each Released Person shall in all respects be entitled to reasonably rely on the advice of counsel with respect to its duties and responsibilities under the Plan.

Global, the Committee, the Global Estate and all professionals employed by the Global Estate will be deemed to be forever released, waived and discharged of all claims, obligations, suits, judgments, damages, demands, debts, rights, causes of action and liabilities whatsoever in connection with, or related to, Global, the Global Estate, and this Plan whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, then existing or thereafter a rising, in law, equity or otherwise that are based in whole or part on any act, omission, transaction, event or other occurrence taking place on or prior to the Effective Date in any way relating to Global, the Global Estate, the Committee or this Plan. Notwithstanding anything contained herein, the foregoing release shall not apply to any officers or directors of Global, except for A. John A. Bryan, Jr., shall not apply to any actions found to have been taken in bad faith or not in conformance with the Bankruptcy Code, and shall not apply to actions taken outside of the purview of the Committee's official duties.

1. Release of Claims Against Gryphon.

In settlement negotiations with respect to the Debtor's Objection to the Gryphon Claim (the "Debtor's Objection") and Gryphon's joinder to the Committee's objection to the Plan (the "Gryphon Joinder"), Gryphon requested that the Debtor provide Gryphon a general release of any and all Claims which the Debtor's Estate may hold against Gryphon. Although the Debtor's investigation did not reveal any Estate Claims against Gryphon, other than those already asserted in the Debtor's Objection, the Debtor advised Gryphon that in light of the fact that this Case is being administered for the benefit of Creditors, Gryphon should seek the approval of the Committee regarding a release of any and all Claims which the Debtor's Estate may hold against Gryphon.

On or about December 10, 2008, the Committee advised the Debtor that the Committee believed it would be appropriate for the Estate to provide the requested release to Gryphon in connection with the Plan. Based on the Committee's recommendation, and because this Case is being administered for the benefit of Creditors, the Debtor has agreed to do so. In light of the foregoing, the entry of the Confirmation Order shall have the effect of releasing Gryphon of any and all Claims of the Estate.

E. Injunctions.

The Confirmation Order shall enjoin the prosecution, whether directly, derivatively or otherwise, of any claim, obligation, suit, judgment, damage, demand, debt, right, cause of action, liability or interest released, discharged or terminated pursuant to this Plan.

Except as provided in this Plan or the Confirmation Order, as of the Effective Date, all entities that have held, currently hold or may hold a Claim or other debt or liability that is discharged or an interest or other right of an Equity Security Holder that is impaired pursuant to the terms of this Plan are permanently enjoined from taking any of the following actions against Global, the Global Estate, the Committee, the Global Trust or their property on account of any such discharged claims, debts or liabilities or terminated interests or rights: (i) commencing or continuing, in any manner or in any place, any action or other proceeding; (ii) enforcing, attaching, collecting or recovering in any manner any judgment, award, decree or order; (iii) creating, perfecting or enforcing any lien or encumbrance; (iv) asserting a setoff, right of subrogation or recoupment of any kind against any debt, liability or obligation due to Global and (v) commencing or continuing any action in any manner, in any place that does not comply with or is inconsistent with the provisions of this Plan.

By accepting distribution pursuant to this Plan, each holder of an Allowed Claim receiving distributions pursuant to this Plan will be deemed to have specifically consented to the injunctions set forth in this Section.

XII. EXECUTORY CONTRACTS AND UNEXPIRED LEASES

On the Effective Date, all executory contracts and unexpired leases that have not previously been rejected will be deemed rejected by Global. The Confirmation Order will also constitute an order of the Bankruptcy Court approving the rejection of all such executory contracts and unexpired leases.

Any claims for damages arising from the rejection of any executory contracts and unexpired leases shall be filed and served no later than the Administrative Claims Bar Date, and any objections to the allowance of such Claims shall be filed and served no later than the Claims Objection Deadline.

XIII. RETENTION OF JURISDICTION

After the Confirmation of this Plan and occurrence of the Effective Date, in addition to jurisdiction which exists in any other court, the Bankruptcy Court will retain such jurisdiction as is legally permissible including for the following purposes:

A. To resolve any and all disputes regarding the operation and interpretation of the Plan and the Confirmation Order;

B. To determine the allowability, classification, or priority of Claims and Equity Security Interests upon objection by Global, the Global Trust, or any other party in interest with standing to bring such objection or proceeding;

C. To determine the extent, validity and priority of any lien asserted against any Assets of the Global Estate, or any lien asserted against Global arising prior to the Effective Date;

D. To construe and take any action to enforce this Plan, the Confirmation Order, and any other order of the Bankruptcy Court issued in this Case; to issue such orders as may be necessary for the implementation, execution, performance, and consummation of this Plan, the Confirmation Order, and all matters referred to in this Plan, the Confirmation Order; and to determine all matters that may be pending before the Bankruptcy Court in this Case on or before the Effective Date with respect to any person or entity related thereto;

E. To resolve any dispute regarding the implementation, execution, performance, consummation, or interpretation of this Plan or the Confirmation Order;

F. To determine, to the extent necessary, any and all Professional Fee Applications;

G. To determine any and all Administrative Claims;

H. To determine motions, filed before the Effective Date, for the rejection, assumption, or assignment of any executory contracts or unexpired leases not otherwise assumed or rejected under this Plan, as well as the allowance of any Claims resulting therefrom;

I. To determine all applications, motions, adversary proceedings, contested matters, and any other litigated matters relating to this Case and instituted during the pendency of this Case, whether before, on, or after the Effective Date;

J. To determine such other matters and for such other purposes as may be provided in the Confirmation Order.

K. To modify this Plan under Section 1127 of the Bankruptcy Code in order to remedy any apparent defect or omission in this Plan or to reconcile any inconsistency in this Plan such as may be necessary to effectuate its expressed intent and purpose;

L. Except as otherwise provided in this Plan or the Confirmation Order, to issue injunctions or to take such other actions or make such other orders as may be necessary or appropriate to restrain interference with this Plan or the Confirmation Order, or to facilitate the execution or implementation by any person or entity of this Plan or the Confirmation Order;

M. To issue such orders in aid of consummation of this Plan or the Confirmation Order, notwithstanding any otherwise applicable non-bankruptcy law, with respect to any person or entity, to the fullest extent authorized by the Bankruptcy Code or the Bankruptcy Rules; and

N. To enter a final decree closing this Case.

XIV. CHANGES IN RATES SUBJECT TO REGULATORY COMMISSION APPROVAL

Global is not subject to governmental regulatory commission approval of its rates.

XV. MISCELLANEOUS ISSUES REGARDING PLAN DISTRIBUTIONS

A. Unclaimed Property.

Any Distribution to be distributed to any Claimant under this Plan shall be forfeited to Reorganized Global unless claimed by the Claimant before the later of: (i) one (1) year after the Confirmation Date; or (ii) sixty (60) days after an order allowing that Claimant's Claim becomes a final order.

B. De Minimus Cash and Stock Distributions.

Notwithstanding anything to the contrary in this Plan, no Cash Distributions shall be made on account of any Allowed Claim if the Cash Distribution amount is less than \$25.00. Holders of Allowed Claims who would otherwise be entitled to a Distribution in an amount of less than \$25.00 shall receive no Distribution on account of such Allowed Claim because the value of such Allowed Claim would be de minimus and the administrative costs associated with processing and mailing the Distribution to the holder of such Allowed Claim would likely exceed the amount of the Distribution. No Distribution of less than 100 shares of New Common Stock shall be made to any holder of an Allowed Claim or a Class 6 interest, as such a Distribution would be de minimus.

///

///

///

C. No Fractional Shares.

No fractional shares of New Common Stock shall be issued and all fractional shares shall be rounded down to the nearest whole share. Holders of Allowed Claims who would be entitled to fractional shares but for this provision shall receive no consideration therefore because such amount will be de minimus.

D. Final Distribution.

Upon resolution of all outstanding objections to disputed Claims, and the payment of all expenses and other obligations, the Global Trust shall cause the distribution of all remaining available assets of the Global Trust: (i) first, to each holder of an Allowed Administrative Claim, (ii) second, to each holder of an Allowed Tax Priority Claim; and (iii) third, to each holder of an Allowed Claim in Class 4 pro rata in the proration that each holder's Allowed Class 4 Claim bears to the aggregate amount of all Class 4 Allowed Claims.

XVI. EXEMPTION FROM REGISTRATION, RESALE ISSUES AND RESTRICTIONS ON SALE

In reliance upon an exemption from the registration requirements of the Securities Act of 1933, as amended (the "Securities Act"), and of state and local securities laws afforded by Section 1145 of the Bankruptcy Code, Reorganized Debtor's new common stock to be issued pursuant to the Plan on and after the Effective Date need not be registered under the Securities Act or any state or local securities laws. The Reorganized Debtor's common stock will not be subject to any statutory restrictions on transferability and may be resold by any holder without registration under the Securities Act or other federal securities laws pursuant to the exemption provided by section 4(1) of the Securities Act, unless the holder is an "underwriter" with respect to such securities, as that term is defined in Section 1145(b) of the Code. Entities who believe they may be "underwriters" under the definition contained in Section 1145 of the Code are advised to consult their own counsel with respect to the availability of the exemption provided by Section 1145. The foregoing exemption provided for under Section 1145 applies to issuance of securities in connection with the Plan and the exemption shall not be effective as to future issuance of stock (other than pursuant to the Plan). Notwithstanding anything contained herein to the contrary, the 100,000 shares of New Common Stock to be issued to the Global Trust are not being issued pursuant of Section 1145. Rather, those shares are being issued pursuant to Section 4(2) of the Securities Act of 1933 and the resale of those securities will be governed by Rule 144 of the Securities Act of 1933.

ANY CREDITOR OR ADMINISTRATIVE EXPENSE CLAIMANT RECEIVING MORE THAN 3,000 SHARES OF THE REORGANIZED DEBTOR'S COMMON STOCK ISSUED PURSUANT TO THE PLAN SHALL BE LIMITED IN THE SALE OF SUCH STOCK TO NO MORE THAN 1,000 SHARES PER TRADING DAY UNLESS OTHERWISE AUTHORIZED IN WRITING BY THE TRUSTEE OF THE LIQUIDATING TRUST.

Except as provided elsewhere in this Plan, Confirmation will revest all property of the Global Estate in Reorganized Global.

C. Default .

Except as otherwise provided herein or in the Confirmation Order, in the event that the Global Trust shall default in the performance of any of its obligations under the Plan and shall not have cured such a default within thirty (30) days after receipt of written notice of default from the Creditor to whom the performance is due, then the entity or individual to whom the performance is due may pursue such remedies as are available at law or in equity. An event of default occurring with respect to one claim shall not be any event of default with respect to any other claim.

D. Modification of Plan.

Global may modify this Plan at any time prior to Confirmation, subject to the requirements of Fed. R. Bankr. P. 3019(a).

Reorganized Global or the Global Trust, as the case may be, may seek to modify this Plan at any time after the Confirmation Date only if: (1) the Plan has not been substantially consummated; and (2) the Bankruptcy Court authorizes the proposed modifications after notice and a hearing.

E. Dissolution of Committee.

On the Effective Date, the Committee, to the extent that it serves as the Official Unsecured Creditors' Committee in the Case, shall be dissolved and its members shall be released and discharged from all rights and duties arising from or relating to the Case.

F. Post-Confirmation Status Report.

Within 120 days of the entry of the Confirmation Order, the Global Trust will file a Post-Confirmation Status Report with the Bankruptcy Court, reporting as to the progress that has been made in the implementation and consummation of the confirmed Plan. The Post Confirmation Status Report shall be served upon the United States Trustee, counsel for the Committee, and the Post-Effective Date Notice Parties. The Global Trust will file further Post Confirmation Status Reports every 120 days, consecutively, and serve such further Post Confirmation Status Reports on the same parties. The obligation to file post-confirmation status reports shall terminate upon the entry of the Final Decree, which may be requested by the Reorganized Debtor or the Global Trust at any time after the Effective Date.

G. Post-Confirmation Conversion/Dismissal.

Any creditor or party in interest may bring a motion to convert or dismiss the Case under § 1112(b) after Confirmation if there is a default in the performance under this Plan. If the Bankruptcy Court orders the Case converted to Chapter 7 after Confirmation, then all of the assets that have been transferred to the Global Trust and that had not yet been disbursed pursuant to the terms of this Plan, will be automatically transferred to the newly-created Chapter 7 estate. The automatic stay will be reimposed with respect to such assets, but only to the extent that relief from stay was not previously authorized by the Bankruptcy Court during the Case.

H. Revocation of Confirmation Order.

The Confirmation Order may be revoked by the Bankruptcy Court solely upon a finding by the Bankruptcy Court that the Confirmation Order was procured by fraud, and if the party seeking its revocation brings an adversary proceeding within 180 days after the Confirmation Date.

I. Final Decree.

Once the Global Estate has been fully administered as contemplated by Bankruptcy Rule 3022, then the Reorganized Debtor or the Global Trust will file a motion with the Court to obtain a final decree to close the Case. After the Effective Date, the Global Trust will be responsible for timely payment of all fees incurred pursuant to 28 U.S.C. § 1930(a)(6) through the closing of the Case.

REQUEST FOR FINDING OF FAIR AND EQUITABLE TREATMENT OF
XIX. IMPAIRED CLASSES

Pursuant to Section 1129(b) of the Bankruptcy Code, Global, as the proponent of this Plan, hereby request that the Bankruptcy Court find that the provisions of this Plan provide fair and equitable treatment to those Classes which are impaired under this Plan and who elect

not to accept the Plan, and that the Bankruptcy Court confirm this Plan notwithstanding the requirement of Section 1129(a)(8) of the Bankruptcy Code as to such Classes.
