This Warrant shall be exercisable, at the option of the Holder, at any time and from time to time on or prior to 5 p.m. (New York City time) of January 12, 2023) (the “Expiration Date”) for all or any part of the Shares (but not for a fraction of a Share) which may be purchased hereunder.

- 1 -

Any portion of this Warrant not exercised prior to or on the Expiration Date shall be and become void and of no value and this Warrant shall be terminated and no longer outstanding immediately following the Expiration Date.

2. Exercise of the Warrant.

(a) Exercise. The purchase rights represented by this Warrant may be exercised at the election of the Holder, in whole or in part, at any time and from time to time before the Expiration Date, in accordance with Section 1, by:

(i) delivery to the Company of a duly executed facsimile copy or PDF copy submitted by e-mail (ore-mail attachment) of a notice of exercise in the form of EXHIBIT A (the “Notice of Exercise”), duly completed and executed by or on behalf of the Holder; and

(ii) the payment to the Company of an amount equal to (x) the Exercise Price multiplied by (y) the number of Shares being purchased, by wire transfer or certified, cashier’s or other check acceptable to the Company and payable to the order of the Company.

No ink-original Notice of Exercise shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Exercise be required. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company until the Holder has purchased all of the Warrant Shares available hereunder and this Warrant has been exercised in full, in which case, the Holder shall surrender this Warrant to the Company for cancellation within five (5) Business Days of the date on which the final Notice of Exercise is delivered to the Company. Partial exercises of this Warrant resulting in purchases of a portion of the total number of Warrant Shares available hereunder shall have the effect of lowering the outstanding number of Warrant Shares purchasable hereunder in an amount equal to the applicable number of Warrant Shares purchased. The Holder and the Company shall maintain records showing the number of Warrant Shares purchased and the date of such purchases.

(b) Share Certificates. The rights under this Warrant shall be deemed to have been exercised and the Shares issuable upon such exercise shall be deemed to have been issued immediately prior to the close of business on the date this Warrant is exercised in accordance with its terms, and the person entitled to receive the Shares issuable upon such exercise shall be treated for all purposes as the holder of record of such Shares as of the close of business on such date. As promptly as reasonably practicable on or after such date but in no event within three (3) Business Days after such date, the Company shall issue and deliver to the person or persons entitled to receive the same (i) a certificate or certificates (or a notice of issuance of uncertificated shares, if applicable) for that number of Shares issuable upon such exercise and (ii) a scan copy of an extract of the register of members of the Company reflecting the Holder’s ownership of the Shares, duly certified by the registered agent of the Company.

(c) Amendment of Warrants. If this Warrant is partially exercised, at the request of the Holder and upon surrender of this Warrant certificate, the Company shall, as promptly as reasonably practicable on or after such request date but in no event within three (3) Business Days after such date, issue an amended Warrant representing the remaining number of Shares purchasable thereunder. All other terms and conditions of such amended Warrant shall be identical to those contained herein.

(d) No Fractional Shares or Scrip. No fractional shares or scrip representing fractional Shares shall be issued upon the exercise of the rights under this Warrant. In lieu of such fractional Share to which the Holder would otherwise be entitled, the Company shall make a cash payment equal to the Exercise Price multiplied by such fraction.

- 2 -

(e) Reservation of Shares. The Company agrees, during the term the rights under this Warrant are exercisable, to reserve, free from preemptive rights or any other contingent purchase rights of persons other than the Holder, and keep available from its authorized and unissued Shares for the purpose of effecting the exercise of this Warrant such number of Shares as shall be sufficient to effect the exercise of the rights under this Warrant, and for issuance and delivery upon conversion of the Shares, such number of Class A Ordinary Shares/ADSs or such other share capital of the Company (collectively the “Issuable Securities”). All Issuable Securities shall be duly authorized and, when issued upon such exercise or conversion, shall be validly issued, fully paid and nonassessable, free and clear of all liens, security interests, charges and other encumbrances or restrictions, and free and clear of all preemptive and similar rights, other than transfer restrictions imposed by applicable securities laws and provisions under the current Memorandum and Articles of the Company. The Company will take all such action as may be necessary to assure that such Issuable Securities shall be issued as provided herein without violation of any applicable law.

(f) No Setoff. To the extent permitted by law, the Company’s obligations to issue and deliver Shares in accordance with and subject to the terms hereof are absolute and unconditional, irrespective of any action or inaction by the Holder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any person or entity or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination, or any breach or alleged breach by the

Holder or any other person or entity of any obligation to the Company or any violation or alleged violation of law by the Holder or any other person or entity, and irrespective of any other circumstance that might otherwise limit such obligation of the Company to the Holder in connection with the issuance of Shares. Nothing herein shall limit the Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver certificates representing Shares upon exercise of the Warrant as required pursuant to the terms hereof.

3. Replacement of the Warrant. Subject to the receipt of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of this Warrant and, in the case of loss, theft or destruction, on delivery of an indemnity agreement reasonably satisfactory in form and substance to the Company or, in the case of mutilation, on surrender and cancellation of this Warrant, the Company at the expense of the Holder shall execute and deliver, in lieu of this Warrant, a new warrant of like tenor and amount.

4. Transfer of the Warrant.

(a) Transferability of the Warrant. Subject to the provisions of this Warrant with respect to compliance with the Securities Act of 1933, as amended (the "Securities Act") and all applicable federal and state securities laws, this Warrant and all rights hereunder are transferable, in whole or in part, upon the delivery to the Company or its designated agent of PDF copies submitted by e-mail (or e-mail attachment) of this Warrant (or an amended Warrant issued to the Holder pursuant to Section 2(c) above to the Company) and a written assignment (the "Assignment Form") of this Warrant substantially in the form attached hereto as EXHIBIT B duly executed by the Holder or its agent or attorney delivery in the same manner as a negotiable instrument transferable by endorsement and delivery.

(b) Exchange of the Warrant upon a Transfer. On delivery of this Warrant (or an amended Warrant issued to the Holder pursuant to Section 2(c) above) and a properly endorsed Assignment Form (and other documents set forth in Section 5) for exchange, subject to the provisions of this Warrant with respect to compliance with the Securities Act, the Company shall issue to on the order of the Holder a new warrant of like tenor, in the name as the Holder may direct (on payment by the Holder of any applicable transfer taxes), for the number of Shares issuable upon exercise of such warrant, as indicated in the Assignment Form. If the Holder transfers only part of this Warrant, an amended Warrant representing the remaining number of Shares purchasable thereunder after such partial transfer of this Warrant shall be issued to the Holder at the same time.

- 3 -

(c) Taxes. In no event shall the Company be required to pay any tax which may be payable in respect of any transfer involved in the issue and delivery of any certificate, or a book entry, in a name other than that of the Holder, and the Company shall not be required to issue or deliver any such certificate, or make such book entry, unless and until the person or persons requesting the issue or entry thereof shall have paid to the Company the amount of such tax or shall have established to the reasonable satisfaction of the Company that such tax has been paid or is not payable.

5. Certain Agreements on Transfer of the Warrant and Shares; Compliance with Securities Laws. By acceptance of this Warrant, subject to the provisions in Section 4, the Holder agrees to comply with the following:

(a) Transfers. Any transfer of this Warrant or the Shares issuable upon exercise hereof (the "Securities") must be in compliance with all applicable federal and state securities laws. The Holder agrees not to make any sale, assignment, transfer or other disposition of all or any portion of the Securities, or any beneficial interest therein, unless and until the transferee thereof has agreed in writing for the benefit of the Company to take and hold such Securities subject to, and to be bound by, the terms and conditions set forth in this Warrant to the same extent as if the transferee were the original Holder hereunder, and

(i) If there is then in effect a registration statement under the Securities Act covering such proposed disposition, such disposition is made in accordance with such registration statement, or

(ii) (A) such Holder shall have given prior written notice to the Company of such Holder's intention to make such disposition and shall have furnished the Company with a description of the manner and circumstances of the proposed disposition, and (B) if requested by the Company, such Holder shall have furnished the Company, at the Holder's expense, with (i) an opinion of counsel, reasonably satisfactory to the Company, to the effect that such disposition will not require registration of such Securities under the Securities Act or (ii) a "no action" letter from the SEC to the effect that the transfer of such Securities without

registration will not result in a recommendation by the staff of the SEC that action be taken with respect thereto, whereupon such Holder shall be entitled to transfer such Securities in accordance with the terms of the notice delivered by the Holder to the Company.

Notwithstanding anything to the contrary herein, if the Securities are sold, assigned, transferred or otherwise disposed of (i) pursuant to an effective registration statement under the Securities Act, or (ii) in a public sale in accordance with Rule 144 under the Securities Act, none of the transfer restrictions herein shall apply.

(b) Securities Law Legend. Each certificate, instrument or book entry representing the Securities shall (unless otherwise permitted by the provisions of this Warrant) be notated with a legend substantially similar to the following (in addition to any legend required by state securities laws):

- 4 -

THE SECURITIES REPRESENTED HEREBY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “ACT”), OR UNDER THE SECURITIES LAWS OF CERTAIN STATES. THESE SECURITIES MAY NOT BE OFFERED, SOLD OR OTHERWISE TRANSFERRED EXCEPT AS PERMITTED UNDER THE ACT AND APPLICABLE STATE SECURITIES LAWS IN ACCORDANCE WITH APPLICABLE REGISTRATION REQUIREMENTS OR AN EXEMPTION THEREFROM. THE ISSUER OF THESE SECURITIES MAY REQUIRE AN OPINION OF COUNSEL REASONABLY SATISFACTORY TO THE ISSUER THAT SUCH OFFER, SALE OR TRANSFER OTHERWISE COMPLIES WITH THE ACT AND ANY APPLICABLE STATE SECURITIES LAWS.

(c) Instructions Regarding Transfer Restrictions. The Holder consents to the Company making a notation on its records and giving instructions to any transfer agent in order to implement the restrictions on transfer established in this Section 5.

(d) Removal of Legend. The legend referring to federal and state securities laws identified in Section 5(b) notated on any certificate evidencing the Shares and the share transfer instructions and record notations with respect to such Securities shall be removed, and the Company shall issue a certificate without such legend to the holder of such Securities (to the extent the Securities are certificated), if (i) such Securities are registered under the Securities Act, or (ii) the Company has obtained the opinion of an outside counsel that a sale or transfer of such Securities may be made without registration, qualification or legend.

(e) No Transfers to Bad Actors; Notice of Bad Actor Status. Except in the case of a public sale pursuant to an effective registration statement or in accordance with Rule 144 under the Securities Act, the Holder agrees not to sell, assign, transfer, pledge or otherwise dispose of any Securities, or any beneficial interest therein, to any person (other than the Company) unless and until the proposed transferee confirms to the reasonable satisfaction of the Company that neither the proposed transferee nor any of its directors, executive officers, other officers that may serve as a director or officer of any company in which it invests, general partners or managing members nor any person that would be deemed a beneficial owner of those Securities (in accordance with Rule 506(d) of the Securities Act) is subject to any of the “bad actor” disqualifications described in Rule 506(d)(1)(i) through (viii) under the Securities Act, except as set forth in Rule 506(d)(2)(ii) or (iii) or (d)(3) under the Securities Act and disclosed, reasonably in advance of the transfer, in writing in reasonable detail to the Company. As long as it remains a holder of the Warrant, the Holder will promptly notify the Company in writing if the Holder becomes subject to any of the “bad actor” disqualifications described in Rule 506(d)(1)(i) through (viii) under the Securities Act.

(f) Encumbrance. For avoidance of any doubt, the Holder and its Affiliate may directly or indirectly, place any charge, mortgage, lien, pledge, restrictions, security interest or other encumbrance in respect of this Warrant and the Shares issuable upon exercise hereof in connection with the Holder’s (or any of its Affiliates’) margin loans, collars, derivative transactions or other such downside protection transactions to be entered into on or after the date hereof by the Holder (or any of its Affiliates), and the beneficiary of such transaction (the “Beneficiary”) will be entitled to foreclose or enforce following default by the Holder or its Affiliates, including sell (or instruct its agent to sell) the Securities, provided that such Beneficiary shall be bound by the Holder’s obligations in Section 5 of this Warrant to the same extent as if such Beneficiary were an original Holder.

- 5 -

6. Adjustments. Subject to the expiration of this Warrant, the number and kind of Shares purchasable hereunder and the Exercise Price therefor are subject to adjustment from time to time, as follows:

(a) Business Combination. In case of the approval of any shareholders of the Company shall be required in connection with any reclassification of the Shares, any consolidation or merger to which the Company is a party, any sale or transfer of all or substantially all of the assets of the Company, or any compulsory share exchange whereby the Shares are converted into other securities, cash or property, the Holder's right to receive the Shares issuable upon exercise hereof shall be converted into the right to exercise this Warrant to acquire the number of shares or other securities or property (including cash) which the Shares issuable (at the time of such reclassification, consolidation, merger, sale or transfer of all or substantially all of the assets, or share exchange) upon exercise hereof immediately prior to such reclassification, consolidation, merger, sale or transfer of all or substantially all of the assets, or share exchange would have been entitled to receive upon consummation of such reclassification, consolidation, merger, sale or transfer of all or substantially all of the assets, or share exchange; and in any such case, if necessary, the provisions set forth herein with respect to the rights and interests thereafter of the Holder shall be appropriately adjusted so as to be applicable, as nearly as may reasonably be, to the Holder's right to exercise this Warrant in exchange for any shares or other securities or property pursuant to this Section 6(a). If and to the extent that the holders of Shares have the right to elect the kind or amount of consideration receivable upon consummation of such reclassification, consolidation, merger, sale or transfer of all or substantially all of the assets, or share exchange, then the consideration that the Holder shall be entitled to receive upon exercise of this Warrant shall be specified by the Holder, which specification shall be made by the Holder by the later of (i) ten (10) Business Days after the Holder is provided with a final version of all material information concerning such choice as is provided to the holders of Shares, and (ii) the last time at which the holders of Shares are permitted to make their specifications known to the Company; *provided, however*, that if the Holder fails to make any specification within such time period, the Holder's choice shall be deemed to be whatever choice is made by a plurality of all holders of Shares that are not affiliated with the Company (or, in the case of a consolidation, merger, sale or similar transaction, any other party thereto) and affirmatively make an election (or of all such holders if none of them makes an election). From and after any such reclassification, consolidation, merger, sale or transfer of all or substantially all of the assets, or share exchange, all references to "Shares" herein shall be deemed to refer to the consideration to which the Holder is entitled pursuant to this Section 6(a).

(b) Reclassification of Shares. If the Shares issuable upon exercise hereof are changed into the same or a different number of securities of any other class or classes by reclassification, capital reorganization or otherwise (other than as otherwise provided for herein) (a "Reclassification"), then, in any such event, in lieu of the number of Shares which the Holder would otherwise have been entitled to receive, the Holder shall have the right thereafter to exercise this Warrant for a number of shares of such other class or classes of stock that a holder of the number of securities deliverable upon exercise of this Warrant immediately before that change would have been entitled to receive in such Reclassification, all subject to further adjustment as provided herein with respect to such other shares.

(c) Subdivisions and Combinations. In the event that the outstanding Shares are subdivided (by stock split, by payment of a stock dividend or otherwise) into a greater number of shares of such securities, the number of Shares issuable upon exercise hereof immediately prior to such subdivision shall, concurrently with the effectiveness of such subdivision, be proportionately increased, and the Exercise Price shall be proportionately decreased, and in the event that the outstanding Shares are combined (by reclassification or otherwise) into a lesser number of shares of such securities, the number of Shares issuable upon exercise hereof immediately prior to such combination shall, concurrently with the effectiveness of such combination, be proportionately decreased, and the Exercise Price shall be proportionately increased.

- 6 -

(d) Notice of Adjustments. Upon any adjustment in accordance with this Section 6, the Company shall give notice thereof to the Holder, which notice shall state the event giving rise to the adjustment, the Exercise Price as adjusted and the number of securities or other property purchasable upon the exercise of the rights under this Warrant, setting forth in reasonable detail the method of calculation of each. The Company shall, upon the written request of any Holder, furnish or cause to be furnished to such Holder a certificate setting forth (i) such adjustments, (ii) the Exercise Price at the time in effect and (iii) the number of securities and the amount, if any, of other property that at the time would be received upon exercise of this Warrant.

(e) No Change Necessary. The form of this Warrant need not be changed because of any adjustment in the Exercise Price or in the number of Shares issuable or any shares and kind of securities purchasable upon exercise of this Warrant.

7. No Rights as a Shareholder. Nothing contained herein shall entitle the Holder to any rights as a shareholder of the Company or to be deemed the holder of any securities that may at any time be issuable upon exercise hereof for any purpose nor

shall anything contained herein be construed to confer upon the Holder, as such, any right to vote for the election of directors or upon any matter submitted to shareholders at any meeting thereof, or to give or withhold consent to any corporate action (whether upon any recapitalization, issuance of stock, reclassification of stock, change of par value or change of stock to no par value, consolidation, merger, conveyance or otherwise) or to receive notice of meetings, or to receive dividends or subscription rights or any other rights of a shareholder of the Company until the rights under the Warrant shall have been exercised and the Shares purchasable upon exercise of the rights hereunder shall have become deliverable as provided herein.

8. Miscellaneous.

(a) Amendments. Except as expressly provided herein, neither this Warrant nor any term hereof may be amended, waived, discharged or terminated other than by a written instrument referencing this Warrant and signed by the Company and the Holder. Any amendment, waiver, discharge or termination effected in accordance with this Section 8(a) shall be binding upon each Holder, each future holder of such Warrant and the Company.

(b) Waivers. No waiver of any single breach or default shall be deemed a waiver of any other breach or default theretofore or thereafter occurring.

(c) Notices. The notice provision under Section 9.01 in the Subscription Agreement shall apply *mutatis mutandis* to this Warrant.

(d) Governing Law; Arbitration; Specific Performance. The governing law, arbitration and specific performance provision under Sections 9.08, 9.09 and 9.13 in the Subscription Agreement shall apply *mutatis mutandis* to this Warrant.

(e) Titles and Subtitles. The titles and subtitles used in this Warrant are used for convenience only and are not to be considered in construing or interpreting this Warrant. All references in this Warrant to sections, paragraphs and exhibits shall, unless otherwise provided, refer to sections and paragraphs hereof and exhibits attached hereto.

(f) Severability. If any provision of this Warrant becomes or is declared by a court of competent jurisdiction to be illegal, unenforceable or void, portions of such provision, or such provision in its entirety, to the extent necessary, shall be severed from this Warrant, and such illegal, unenforceable or void provision shall be replaced with a valid and enforceable provision that will achieve, to the extent possible, the same economic, business and other purposes of the illegal, unenforceable or void provision. The balance of this Warrant shall be enforceable in accordance with its terms.

- 7 -

(g) Saturdays, Sundays and Holidays. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then, such action may be taken or such right may be exercised on the next succeeding Business Day.

(h) Rights and Obligations Survive Exercise of the Warrant. Except as otherwise provided herein, the rights and obligations of the Company and the Holder under this Warrant shall survive exercise of this Warrant.

(i) Entire Agreement. Except as expressly set forth herein, this Warrant (including the exhibits attached hereto) and other Transaction Documents (as such term is defined in the Subscription Agreement) constitute the entire agreement and understanding of the Company and the Holder with respect to the subject matters hereof and thereof, and supersede all prior agreements and understandings relating to the subject matters hereof and thereof.

(j) Further Assurances. Each party shall do and perform, or cause to be done and performed, all such further acts and things, and shall execute and deliver all such other agreements, certificates, instruments and documents, as any other party may reasonably request in order to carry out the intent and accomplish the purposes of this Warrant and the consummation of the transactions contemplated hereby.

(k) Counterparts. This Warrant may be executed by way of electronic signatures and this Warrant, or any part thereof, shall not be challenged or denied any legal effect, validity and/or enforceability solely on the ground that it is in the form of an electronic

record. A facsimile or "PDF" signature shall be considered due execution and shall be binding upon the signatory thereto with the same force and effect as if the signature were an original.

1. Lock-Up Provisions.

(a) The undersigned and its affiliates (which means any other person and/or entity directly or indirectly controlling or controlled by or under direct or indirect common control with the undersigned), during the period commencing from the First Closing Date until nine (9) months from the First Closing Date (the “**Lock-Up Period**”), shall not: (i) lend, offer, pledge, hypothecate, encumber, donate, assign, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, or otherwise transfer or dispose of, directly or indirectly, any Restricted Securities (as defined below) owned or to be owned by the undersigned and its affiliates, (ii) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of the Restricted Securities, or (iii) publicly disclose the intention to do any of the foregoing (any of the foregoing described in clauses (i), (ii) or (iii), a “**Prohibited Transfer**”). Section 3.01 *Accuracy of Disclosure*. The Company has filed or furnished, as applicable, on a timely basis, all registration statements, proxy statements and other statements, reports, schedules, forms and other documents required to be filed or furnished by it with the SEC (all of the foregoing documents filed with or furnished to the SEC and all exhibits included therein and financial statements, notes and schedules thereto and documents incorporated by reference therein, the “SEC Documents”). As of their respective effective dates (in the case of the SEC Documents that are registration statements filed pursuant to the requirements of the Securities Act) and as of their respective SEC filing dates (in the case of all other SEC Documents), or in each case, if amended prior to the date hereof, as of the date of the last such amendment: (A) each of the SEC Documents complied in all material respects with the applicable requirements of the Securities Act, the Exchange Act and the Sarbanes-Oxley Act and any rules and regulations promulgated thereunder applicable to the SEC Documents (as the case may be) and (B) none of the SEC Documents contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. (h) The Company is not, and has never been, an issuer of the type described in paragraph (i) of Rule 144.

Section 3.04 *Capacity, Authorization and Enforceability.* The Company has the requisite power and authority to enter into and perform its obligations under this Agreement and the Transaction Documents and to consummate the transactions contemplated hereby and thereby. This Agreement and the Transaction Documents have been duly authorized, executed and delivered by the Company, and assuming the due authorization, execution and delivery by each of the other Parties, this Agreement and the Transaction Documents are valid and binding agreements of the Company, enforceable in accordance with their terms, subject to applicable bankruptcy, insolvency or similar laws affecting creditors' rights generally and general principles of equity. Without limiting the generality of the foregoing, as of the First Closing and the Second Closing, no approval by the shareholders of the Company is required in connection with this Agreement or other Transaction Documents, the performance by the Company of its obligations hereunder or thereunder, or the consummation by the Company of the transactions contemplated hereby or thereby, except for those that have been obtained, waived or exempted on or prior to such First Closing and Second Closing.

Section 3.05 *Non-Contravention.* Neither the execution, delivery and performance of this Agreement, nor the consummation of the transactions contemplated hereby, will (i) violate any provision of the Memorandum and Articles or other constitutional documents of the Company or (ii) violate any constitution, statute, regulation, rule, injunction, judgment, order, decree, ruling, charge, or other restriction of any government, Governmental Entity or court to which the Company is subject (including federal and state securities laws and regulations of any self-regulatory organization to which the Company or its securities are subject, including all Trading Markets), or (iii) conflict with, result in a breach of, constitute a default under, result in the acceleration of or creation of an

There is no Action, suit or proceeding, pending or, to the knowledge of the Company, threatened against the Company that questions the validity of this Agreement or the right of the Company to enter into this Agreement to consummate the transactions contemplated hereby.

Section 3.06 *Consents and Approvals.* Assuming the accuracy of the representations and warranties of the Investors under this Agreement, neither the execution and delivery by the Company of this Agreement, nor the consummation by the Company of any of the transactions contemplated hereby, nor the performance by the Company of this Agreement in accordance with its terms requires the consent, approval, order or authorization of, or registration with, or the giving notice to, any governmental or public body or authority or any third party, except such as have been or will have been obtained, made or given on or prior to the applicable Closing and those filings required to be made with the SEC and Nasdaq (including, without limitation, a Form 6-K).

Except as disclosed in the SEC Documents, there are no material weaknesses or significant deficiencies in the Company's internal controls. The Company's auditors and the audit committee of the Board have not been advised of any fraud, whether or not material, that involves management or other employees who have a significant role in the Company's internal controls over financial reporting. Since December 31, 2020, there has been no change in the Company's internal control over financial reporting that has materially affected, or is reasonably likely to materially affect, the Company's internal control over financial reporting.

(c) The "disclosure controls and procedures" (as defined in Rules 13a-15(e) or 15d-15(e), as applicable, under the Exchange Act) of the Company are designed to ensure that all material information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is accumulated and communicated to the management of the Company as appropriate to allow timely decisions regarding required disclosure.

Unless otherwise disclosed in an SEC Document filed prior to the date hereof, the Company has not: (i) issued any securities or incurred any liability or obligation, direct or contingent, for borrowed money; or (ii) declared or paid any dividend or made any other distribution on or in respect to its capital stock.

Section 3.0 *Litigation*. Except as disclosed in the SEC Documents, there are no Actions by or against the Company or its Subsidiaries or affecting the business or any of the assets of the Company or its Subsidiaries pending before any Governmental Entity, or, to the Company's knowledge, threatened to be brought by or before any Governmental Entity that (i) adversely affects or challenges the legality, validity or enforceability of the transactions contemplated by this Agreement or the Company Securities; or (ii) if adversely determined, would reasonably be expected to result in a Material Adverse Effect. Except as disclosed in the SEC documents, neither the Company, any Subsidiary, nor, to the Company's knowledge, any of their respective officers, directors or any of its employees is a party or is named as subject to the provisions of any Action involving a claim of violation of or liability under federal or state securities laws or a claim of breach of fiduciary duty. There has not been, and to the knowledge of the Company, there is not pending or contemplated, any investigation by the SEC involving the Company or, to the knowledge of the Company, any current or former director or officer of the Company relating to the Company or its business. The SEC has not issued any stop order or other order suspending the effectiveness of any registration statement filed by the Company or any Subsidiary under the Exchange Act or the Securities Act. The foregoing includes, without limitation, Actions pending or threatened in writing (or any basis therefor known to the Company) involving the prior employment of any of the Company's employees, their services provided in connection with the Company's business, any information or techniques allegedly proprietary to any of their former employers or their obligations under any agreements with prior employers.

Section 3.10 *Compliance With Laws*.

(a) Except as disclosed in the SEC Documents, the Company or its Subsidiaries is and has been since January 1, 2015, in compliance with all Applicable Laws of any Governmental Entity in all material respects. Since January 1, 2015, except as set forth in the SEC Documents, neither the Company nor any Subsidiary (i) is or has been in default under or in violation of (and no event has occurred that has not been waived that, with notice or lapse of time or both, would result in a default), nor has the Company or any Subsidiary received notice of a claim that it is in default under or is in violation of any indenture, loan or credit agreement or any other agreement or instrument to which it is a party or by which it or any of its properties is bound (whether or not such default or violation has been waived), (ii) is or has been in violation of any order of any court, arbitrator or any Governmental Entity, or (iii) is or has been in violation of any Applicable Law of any Governmental Entity, including, without limitation, all Applicable Laws relating to taxes, environmental protection, occupational health and safety, and employment and labor matters, anti-bribery and anti-money laundering, in each case in any material respects.

(b) Except as disclosed in the SEC Documents, the Company and each of its Subsidiaries have all permits, licenses, authorizations, consents, orders and approvals (collectively, “**Permits**”), and have made all filings, applications and registrations with, any Governmental Authority that are required in order to carry on their business as presently conducted in all material respects. (c) The Company is not in violation of any listing requirements of the Nasdaq and has no knowledge of any facts that would reasonably be expected to lead to delisting or suspension of its ADSs from the Nasdaq in the foreseeable future.

Section 3.11 *No Securities Act Registration.* Assuming the accuracy of the representations of the Investors contained in Sections 4.06 and 4.07, it is not necessary in connection with the issuance and sale to the Investors of the Subscription Securities to register the Subscription Securities under the Securities Act or to qualify or register the Subscription Securities under applicable U.S. state securities laws.

Section 3.12 *Tax.*

All Taxes (whether or not shown on any Tax Return) for which the Company or any Subsidiary may be liable have been timely paid, except for Taxes the failure of which to pay would not have a Material Adverse Effect. The Company and each Subsidiary have set aside on its books provision reasonably adequate for the payment of all material Taxes for periods subsequent to the periods to which such Tax Returns apply.

(b) Except where such unpaid Tax would not have a Material Adverse Effect, there are no unpaid Taxes claimed to be due by the Taxing authority of any jurisdiction, and the officers of the Company and each Subsidiary know of no basis for any such claim. The provisions for Taxes payable, if any, shown on the financial statements filed with the SEC Documents are sufficient for all accrued and unpaid Taxes, whether or not disputed, and for all periods to and including the dates of such financial statements.

(c) Neither the Company nor any Subsidiary is a party to any claim, dispute, audit, pending Action or proceeding, nor is any such claim, dispute, Action or proceeding threatened by any Taxing authority, for the assessment or collection of any Taxes and no claim for the assessment or collection of any Taxes has been asserted against the Company or any Subsidiary that has not been settled with all amounts due having been paid.

ARTICLE VIII INDEMNIFICATION

Section 8.01 *Indemnification.*

(a) Subject to the other provisions of this Article VIII, the Company (the “**Indemnifying Party**”) shall indemnify and hold each Investor and its Affiliates, and each of their respective directors, officers, employees, advisors and agents (each an “**Indemnified Party**”, and collectively, the “**Indemnified Parties**”) harmless from and against any losses, liabilities, obligations, claims, contingencies, damages, costs and expenses, including all judgments, amounts paid in settlements, court costs and reasonable attorney’s fees and costs of investigation (collectively, “**Losses**”) resulting from or arising out of: (i) any breach or violation of, or inaccuracy in, any representation or warranty made by the Indemnifying Party or its applicable Affiliates under this Agreement or the Transaction Documents; or (ii) any breach or violation of, or failure to perform, any covenants or agreements made by or on behalf of, or to be performed by, the Indemnifying Party or its applicable Affiliates under this Agreement or the Transaction Documents, (iii) any Action instituted against the Indemnified Parties in any capacity by (A) any current or former shareholder of the Company who is not an Affiliate of such Indemnified Party, with respect to any of the transactions contemplated by the Transaction Documents or (B) any other third party with respect to any of the transactions contemplated by the Transaction Documents (unless, in either case, such Action is based upon a breach of such Indemnified Party’s representations, warranties or covenants under the Transaction Documents or any agreements or understandings such Indemnified Party may have with any such shareholder or any violations by such Indemnified Party of state or federal securities laws of the United States or any conduct by such Indemnified Party which constitutes fraud, gross negligence or willful misconduct).

(b) The Indemnifying Party shall indemnify any Indemnified Party and hold each Indemnified Party for any Losses suffered by such Indemnified Party resulting from or arising out of (i) any Group Company’s failure to withhold or pay any Tax

(including any non-payment or underpayment) in accordance with Applicable Laws for all tax periods ending on or before the Closing Date and the portion through the end of the Closing Date for any tax period that includes (but does not end on) the Closing Date; (ii) such matters as set forth in SCHEDULE V. The indemnification under this Section 8.01(b) shall not be prejudiced by or be otherwise subject to any disclosure in the SEC Documents or otherwise) and shall apply regardless of whether the Indemnifying Party has any actual or constructive knowledge with respect thereto.

(c) The Indemnifying Party shall not be liable for any Loss consisting of punitive damages (except to the extent that such punitive damages are awarded to a third party against an Indemnified Party in connection with a Third Party Claim).

(d) Solely for the purpose of determining the amount of any Losses (and not for determining any breach) for which the Indemnified Parties may be entitled to indemnification pursuant to this Article VIII, any representation or warranty contained in this Agreement that is qualified by a term or terms such as “material,” “materially,” or “Material Adverse Effect” shall be deemed made or given without such qualification and without giving effect to such words.

(e) No Indemnified Party shall be entitled to recover any Losses under clause (i) of Section 8.01(a), other than with respect to breaches of Fundamental Company Representations or Fundamental Investor Representations (as applicable), until such time as the aggregate amount of all such Losses that have been suffered or incurred by any one or more of the Indemnified Parties under clause (i) of Section 8.01(a) exceeds \$112,500 (the “**Loss Threshold**”), provided, however, that once the aggregate amount of all such Losses under clause (i) of Section 8.01(a) exceeds the Loss Threshold, the Indemnifying Party shall be liable for all such Losses under clause (i) of Section 8.01(a) (including the Loss Threshold).

(f) The maximum aggregate amount of Losses that each Indemnified Party will be entitled to recover under clause (i) of Section 8.01(a), other than with respect to breaches of any Fundamental Company Representations or Fundamental Investor Representations (as applicable), shall be limited to the aggregate amount of the Purchase Prices paid hereunder and the exercise price paid under the applicable Warrant (if any) by each Investor plus an amount accruing thereon at a compound annual rate of eight percent (8%) of the foregoing aggregate amount. Notwithstanding the foregoing or anything else to the contrary contained herein, the limitations on indemnification set forth in this Agreement (including, without limitation, the limitations set forth in this Section 8.01) shall not apply to any claim based on fraud or willful misconduct of the Indemnifying Party or its Subsidiaries or Affiliates.

(g) The Indemnified Parties shall not be entitled to recover from the Indemnifying Party under this Agreement more than once in respect of the same Losses suffered.

(h) Notwithstanding any other provision contained herein, the remedies contained in this Article VIII shall be the sole and exclusive monetary remedy of the Indemnified Parties for any claim arising out of or resulting from this Agreement, except that no limitation or exceptions with respect to the obligations or liabilities of the Indemnifying Party provided hereunder shall apply to a Loss incurred by any Indemnified Party arising due to fraud of the Indemnifying Party or its Subsidiaries or Affiliates. Nothing in this Article VIII or elsewhere in this Agreement shall affect any parties’ rights to specific performance or other equitable or non-monetary remedies with respect to the covenants and agreements in this Agreement or that are to be performed at or after the applicable Closing; provided that for the avoidance of doubt, except in the case of fraud, nothing contained herein shall permit any party to rescind this Agreement.

Section 8.02 *Third Party Claims.*

(a) If any third party shall notify an Indemnified Party in writing with respect to any matter involving a claim by such third party (a “**Third Party Claim**”) and such Indemnified Party believes such claim would give rise to a claim for indemnification against the Indemnifying Party under this Article VIII, then the Indemnified Party shall promptly (i) notify the Indemnifying Party thereof in writing and (ii) transmit to the Indemnifying Party a written notice (“**Claim Notice**”) describing in reasonable detail the nature of the Third Party Claim, a copy of all papers served with respect to such claim (if any), and the basis of the Indemnified Party’s request for indemnification under this Agreement. The failure to so notify the Indemnifying Party shall not relieve the Indemnifying Party of its obligations hereunder except to the extent that the Indemnifying Party shall have been materially prejudiced by such failure.

(b) Upon receipt of a Claim Notice with respect to a Third Party Claim, the Indemnifying Party shall have the right to assume the defense of any Third Party Claim with counsel of its own choosing reasonably acceptable to the Indemnified Party, which right shall remain in effect if and for so long as the Indemnifying Party continues to diligently defend against such Action; provided, that in no event shall the Indemnifying Party be entitled to assume the defense of any Action if such Action (i) is with respect to a criminal proceeding, action, indictment, allegation or investigation or (ii) seeks an injunction or other equitable relief against any Indemnified Party. To the extent the Indemnifying Party is entitled to and elects to assume the defense of such Third Party Claim, the Indemnifying Party shall provide written notice of its intention to do so within thirty (30) days of its receipt of the Claim Notice. Upon delivery of such notice by the Indemnifying Party, the Indemnifying Party shall diligently defend such Action to a final non-appealable adjudication or settlement, provided, that, (i) any such settlement or compromise shall be permitted hereunder only with the written consent of the Indemnified Party which consent shall not be unreasonably withheld or delayed, and (ii) and the Indemnifying Party shall keep the Indemnified Party reasonably informed of the progress of such defense on a regular basis.

(c) If requested by the Indemnifying Party and to the extent practicable, the Indemnified Party shall, at the sole cost and expense of the Indemnifying Party, cooperate with the Indemnifying Party and its counsel in contesting any Third Party Claim which the Indemnifying Party elects to contest. The Indemnified Party shall have the right to receive copies of all pleadings, notices and communications with respect to any Third Party Claim for which indemnity is sought under this Agreement, other than any privileged communications between the Indemnifying Party and its counsel, and shall be entitled, at its sole cost and expense, to retain separate co-counsel and participate in, but not control, any defense or settlement (except for its consent required under Section 8.02(b) above) of any Third Party Claim assumed by the Indemnifying Party pursuant to Section 8.02(b), provided, that the Indemnifying Party shall be responsible for the reasonable fees and expenses of a separate counsel where there is, in the reasonable opinion of counsel, a material conflict on any material issue between the position of the Indemnifying Party and the position of such Indemnified Party.

(d) In the event of a Third Party Claim for which the Indemnifying Party elects not to assume the defense or fails to make such an election within thirty (30) days of the Claim Notice, the Indemnified Party may, at its option, defend, settle, compromise or pay such Action or claim at the expense of the Indemnifying Party; provided that, any such settlement or compromise shall be permitted hereunder only with the written consent of the Indemnifying Party, which consent shall not be unreasonably withheld or delayed.

(e) The indemnification required by this Section 8.02 shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received or are incurred.

Section 8.03 Other Claims. In the event any Indemnified Party should have a claim against the Indemnifying Party hereunder which does not involve a Third Party Claim, the Indemnified Party shall promptly transmit to the Indemnifying Party a written notice (the “**Indemnity Notice**”) describing in reasonable detail the nature of the claim, the Indemnified Party’s good faith estimate of the amount of Losses attributable to such claim and the basis of the Indemnified Party’s request for indemnification under this Agreement; provided, that no failure, delay or deficiency in providing such notice shall constitute a waiver or otherwise modify the Indemnified Party’s right to indemnity hereunder, except to the extent that the Indemnifying Party shall have been materially prejudiced by such failure, delay or deficiency. If the Indemnifying Party does not notify the Indemnified Party within thirty (30) days from its receipt of the Indemnity Notice that the Indemnifying Party disputes such claim, the Indemnifying Party shall be deemed to have accepted and agreed with such claim.

Section 9.02 *Severability*. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction or other Governmental Entity to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such a determination, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.

Section 9.03 *Entire Agreement*. This Agreement and the other Transaction Documents constitute the entire agreement and understanding among the parties hereto and thereto with respect to the subject matters hereof and thereof and supersede any prior understandings, agreements or representations by or among the parties, written or oral, related to the subject matter hereof and thereof.

Section 9.04 *Counterparts*. This Agreement may be executed in separate counterparts, each of which shall be an original and all of which taken together shall constitute one and the same agreement. Signatures in the form of facsimile or electronically imaged "PDF" shall be deemed to be original signatures for all purposes hereunder. The parties irrevocably and unreservedly agree that this Agreement may be executed by way of electronic signatures and the parties agree that this Agreement, or any part thereof, shall not be challenged or denied any legal effect, validity and/or enforceability solely on the ground that it is in the form of an electronic record.

Section 9.05 *Assignments*. This Agreement is personal to each of the Parties. Neither party may assign or delegate any rights or obligations hereunder without first obtaining the written consent of the other party, except for assignment by an Investor to its Affiliates.

Section 9.06 *Descriptive Headings; Construction*. The descriptive headings of this Agreement are inserted for convenience only and do not constitute a part of this Agreement. The Parties agree that this Agreement is the product of negotiation between sophisticated parties and individuals, all of whom were represented by counsel, and each of whom had an opportunity to participate in and did participate in the drafting of each provision hereof. Accordingly, ambiguities in this Agreement, if any, shall not be construed strictly or in favor of or against any party but rather shall be given a fair and reasonable construction without regard to the rule of *contra proferentem*.

Section 9.07 *Amendment*. This Agreement may be amended only by a written instrument executed by each of the Parties.

Section 9.08 *Governing Law*. This Agreement shall be governed by and construed in accordance with the laws of Hong Kong, without regard to its principles of conflicts of laws.

Section 9.09 *Dispute Resolution*. (a) Each of the Parties hereto irrevocably (i) agrees that any dispute or controversy arising out of, relating to, or concerning any interpretation, construction, performance or breach of this Agreement, shall be settled by arbitration to be held in Hong Kong and administered by the Hong Kong International Arbitration Centre ("HKIAC") in accordance with the Hong Kong International Arbitration Centre Administered Arbitration Rules in force at the time of the commencement of the arbitration, (ii) waives, to the fullest extent it may effectively do so, any objection which it may now or hereafter have to the laying of venue of any such arbitration, and (iii) submits to the exclusive jurisdiction of Hong Kong in any such arbitration. There shall be three (3) arbitrators. The claimant shall appoint one (1) arbitrator, and the respondent shall appoint one (1) arbitrator no more than ten (10) days following the official appointment of the arbitrator appointed by the claimant, failing which such arbitrator shall be appointed by HKIAC; the third arbitrator shall be the presiding arbitrator and shall be appointed jointly by the arbitrators appointed by the claimant

and respondent within ten (10) days of the later of the appointment of the arbitrators appointed by the said Parties, failing which such arbitrator shall be appointed by HKIAC.

(b) The arbitration shall be conducted in English.

(c) The Parties acknowledge and agree that, in addition to contract damages, the arbitrator may award provisional and final equitable relief, including injunctions, specific performance and lost profits.

(d) The decision of the arbitration tribunal shall be final, conclusive and binding on the Parties to the arbitration. Judgment may be entered on the arbitration tribunal's decision in any court having jurisdiction.

(e) When any dispute occurs and when any dispute is under arbitration, except for the matters in dispute, the Parties shall continue to fulfil their respective obligations and shall be entitled to exercise their rights under this Agreement.

(f) The Parties understand and agree that this provision regarding arbitration shall not prevent any Party from pursuing preliminary, equitable or injunctive relief in a judicial forum pending arbitration in order to compel another Party to comply with this provision, to preserve the status quo prior to the invocation of arbitration under this provision, or to prevent or halt actions that may result in irreparable harm. A request for such equitable or injunctive relief shall not waive this arbitration provision.

(g) The Parties expressly consent to the joinder of additional part(ies) in connection with the other Transaction Documents to the arbitration proceedings commenced hereunder and/or the consolidation of arbitration proceedings commenced hereunder with arbitration proceedings commenced pursuant to the arbitration agreements contained in the other Transaction Documents. In addition, the Parties expressly agree that any disputes arising out of or in connection with this Agreement and the other Transaction Documents concern the same transaction or series of transactions.

(h) If any action at law or in equity is necessary to enforce or interpret the terms of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees, costs and necessary disbursements in addition to any other relief to which such party may be entitled.

Section 9.10 *Expenses*. The Company shall pay the Investors' fees and expenses, including legal, accounting and out-of-pocket costs incurred by the Investors in connection with the transactions contemplated hereby (including for purposes of the Antitrust Filing, if applicable), provided that such fees and expenses shall not exceed \$[***], regardless of whether any Closing has occurred. With respect to professional fees and related expenses payable by the Investors, the Company has received copies of the engagement letters between the Investors and their counsel and/or accountants (the "**Professional Advisors**"), and the Company agrees to the terms including without limitation fee estimates, assumptions and payment schedule included therein, and shall pay such amounts at such times directly to the Professional Advisors according to such terms. The Company hereby agrees and acknowledges that such Professional Advisors may enforce their rights to receive such fees and expenses under this Section 9.10 against the Company. With respect to other fees and expenses, the Company agrees to pay amounts owing to the Investors within fifteen (15) Business Days of having notified the Investors in writing. The Company further agrees and acknowledges that each Investor may deduct any amounts owed pursuant to this Section 9.10 from the amount of Purchase Price at the First Closing.

Section 9.11 *Independent Nature of Investors' Obligations*. Each Investor's respective obligations, undertaking, representations, warranties and liabilities under this Agreement shall be several and not joint and several, and no Investor is responsible in any way for the performance or conduct of any other Investor in connection with the transactions contemplated hereby. Nothing contained herein or in any other Transaction Documents, and no action taken by any Investor pursuant hereto or thereto, shall be or shall be deemed constitute a partnership, association, joint venture or joint group with respect to the Investors. Each Investor agrees that no other Investor has acted as an agent for such Investor in connection with the transactions contemplated hereby. In the event that an Investor fails to or decides not to pay its respective Purchase Price for the Subscription Securities contemplated hereunder, it shall not impact other Investors' obligation to proceed with the Closing and payment of relevant Purchase Price, provided that if any Investor elects not to proceed with the Closing and pay its relevant Purchase Price, the relevant provisions under the Transaction Documents shall be deemed to be adjusted accordingly as appropriate.

Section 9.12 *Third Party Beneficiaries*. Except as otherwise expressly set forth in this Agreement (which shall include without limitation Article VIII and Section 9.10), there are no third party beneficiaries of this Agreement and nothing in this Agreement, express or implied, is intended to confer on any Person any rights, remedies or obligations.

Section 9.13 *Specific Performance*. The Parties agree that irreparable damage would occur if any provision of this Agreement were not performed in accordance with the terms hereof and that the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement or to enforce specifically the performance of the terms and provisions hereof in any court of competent jurisdiction, in addition to any other remedy to which they are entitled at law or in equity.

Section 9.14 *No Waiver; Cumulative Remedies*. Except as specifically set forth herein, the rights and remedies of the parties to this Agreement are cumulative and not alternative. No failure or delay on the part of any party in exercising any right, power or remedy under this Agreement will operate as a waiver of such right, power or remedy, and no single or partial exercise of any such right, power or remedy will preclude any other or further exercise of such right, power or remedy or the exercise of any other right, power or remedy. To the maximum extent permitted by Applicable Law, (a) no claim or right arising out of this Agreement can be discharged by one party, in whole or in part, by a waiver or renunciation of the claim or right unless in writing signed by the other party; (b) no waiver that may be given by a party will be applicable except in the specific instance for which it is given; and (c) no notice to or demand on one party will be deemed to be a waiver of any obligation of that party or of the right of the party giving such notice or demand to take further action without notice or demand as provided in this Agreement.

Section 9.15 *Non-recourse*. All actions, obligations, losses or causes of action (whether in contract, in tort, in law or in equity, or granted by statute whether by or through attempted piercing of the corporate, limited partnership or limited liability company veil) that may be based upon, in respect of, arise under, out or by reason of, be connected with, or relate in any manner to (i) this Agreement, (ii) the negotiation, execution or performance of this Agreement (including any representation or warranty made in connection with, or as inducement to, this Agreement), (iii) any breach or violation of this Agreement, and (iv) any failure of the transactions contemplated hereby or thereby to be consummated, in each case, may be made only against (and are those solely of) the Persons that are expressly identified as Parties to this Agreement subject to the terms and conditions hereof, and for avoidance of doubt, in respect of the Company, shall not be made against the holders of the 2019 Notes.

Section 9.16 *Replacement of Shares*. If any certificate or instrument evidencing the Subscription Securities is mutilated, lost, stolen or destroyed, the Company shall issue or cause to be issued in exchange and substitution for and upon cancellation thereof (in the case of mutilation), or in lieu of and substitution therefor, a new certificate or instrument, but only upon receipt of evidence reasonably satisfactory to the Company of such loss, theft or destruction. The Investor applying for a new certificate or instrument under such circumstances shall also pay any reasonable third-party costs (including customary indemnity) associated with the issuance of such replacement certificate or instrument.

Section 9.17 *Termination*.

This Agreement may be terminated with respect to any Investor, (i) by mutual written consent of the Company and such Investor, (ii) by the Company or such Investor, if the First Closing has not been consummated by the sixtieth (60th) calendar day following the date of this Agreement, due to the reason not attributable to the Company or such Investor (as applicable), (iii) by such Investor, by written notice to the Company if there has been a material misrepresentation or material breach of a covenant or agreement contained in this Agreement on the part of the Company, or (iv) by such Investor if, due to any change of the Applicable Laws, the consummation of the transactions contemplated hereunder would become prohibited under Applicable Laws.

In the event of termination by the Company and/or any Investor pursuant to *Section 9.17* hereof, written notice thereof shall forthwith be given to the other Parties and this Agreement shall terminate with respect to such Investor, without further action by the Parties hereto. If this Agreement is so terminated as provided, this Agreement will be of no further force or effect between such Investor and the other Parties, except for provisions of *Article VIII, Section 9.01, Section 9.02, Section 9.08, Section 9.09, Section 9.10, Section 9.12* and *Section 9.13*, provided that the termination will not relieve any Party from any liability for any breach or violation of this Agreement. Any termination of this Agreement as between the Company on the one hand and any Investor on the other hand shall not impact the continuing validity of this Agreement being in full force and effect as between the Company on the one hand and any other Investor on the other hand.

2. Registration Rights.

2.1 Shelf Registration.

(a) Registration Statements.

For the Registrable Securities issued or issuable upon the conversion of (i) the Senior Preferred Shares issued at or prior to the First Closing, (ii) the Warrant Shares, and (iii) the Senior Preferred Shares issuable at the Second Closing, to the extent such Senior Preferred Shares have been issued by such time, on or no later than three (3) Business Days after: (i) the date on which the Company files its annual report for its fiscal year ended March 31, 2021 with the SEC on Form 20-F, and (ii) July 31, 2021 (the “Filing Deadline”), the Company shall prepare and file with the SEC a Registration Statement on Form F-3 (or, if Form F-3 is not then available to the Company, on such form of registration statement as is then available to effect a registration for resale of the applicable Registrable Securities) for an offering to be made on a continuous basis pursuant to Rule 415 under the Securities Act (the “Shelf Registration Statement”). Such Shelf Registration Statement shall, subject to the limitations of Form F-3, include without limitation the aggregate amount of Registrable Securities to be registered therein and shall contain (except if otherwise required pursuant to written comments received from the Commission upon a review of such Shelf Registration Statement) the “Plan of Distribution” section in substantially the form attached hereto as Annex A. To the extent the staff of the SEC does not permit all of the Registrable Securities to be registered on the Shelf Registration Statement filed pursuant to this Section 2.1(a) or for any other reason any Registrable Securities are not then included in a Registration Statement filed under this Agreement, the Company shall (i) inform each of the Holders thereof and use its commercially reasonable efforts to file amendments to the Shelf Registration Statement as required by the Commission; and/or (ii) withdraw the Shelf Registration Statement and file a new registration statement (a “New Registration Statement”), in either case covering without limitation the maximum number of Registrable Securities permitted to be registered by the SEC, on Form F-3 or such other form available to register for resale the Registrable Securities as a secondary offering; provided, however, that prior to filing such amendment or New Registration Statement, the Company shall be obligated to use its commercially reasonable efforts to advocate with the SEC for the registration of all of the Registrable Securities in accordance with the SEC Guidance, including without limitation, the Manual of Publicly Available Telephone Interpretations D.29. Notwithstanding any other provision of this Agreement and subject to the payment of Liquidated Damages in Section 2.1(c), if any SEC Guidance sets forth a limitation of the number of Registrable Securities permitted to be registered on a particular Registration Statement as a secondary offering (and notwithstanding that the Company used diligent efforts to advocate with the SEC for the registration of all or a greater number of Registrable Securities), unless otherwise directed in writing by a Holder as to its Registrable Securities, the number of Registrable Securities to be registered on such Registration Statement will first be reduced by Registrable Securities not acquired pursuant to the Subscription Agreement and the Warrants (whether pursuant to registration rights, or otherwise, for the avoidance of doubt, the Senior Preferred Shares issued to certain Investor prior to the First Closing, and the Registrable Securities owned by such Investor issued or issuable upon the conversion of such Senior Preferred Shares, shall be regarded as acquired pursuant to the Subscription Agreement), and second by Registrable Securities represented by the Conversion Shares issued or issuable upon conversion of the Senior Preferred Shares acquired pursuant to the Subscription Agreement and the Warrants (applied, in the case that some Registrable Securities may be registered, to the Holders on a pro rata basis based on the total number of unregistered Registrable Securities held by such Holders), subject to a determination by the Commission that certain Holders must be reduced first based on the number of Registrable Securities held by such Holders. In addition, if any SEC Guidance requires any Person seeking to sell securities under a Registration Statement filed pursuant to this Agreement to be specifically identified as an “underwriter” in order to permit such Registration Statement to become effective, and such Person does not consent to being so named as an underwriter in such Registration Statement, then, in each such case, the Company shall reduce the total number of Registrable Securities to be registered on behalf of such Person, until such time as the Commission does not require such identification or until such Person accepts such identification and the manner thereof. In the event the Company amends the Shelf Registration Statement or files a New Registration Statement, as the case may be, under clauses (i) or (ii) above, the Company will use its commercially reasonable efforts to file with the SEC, as promptly as allowed by SEC or SEC Guidance provided to the Company or to registrants of securities in general, one or more Registration Statements on Form F-3 or such other form available to register for resale those Registrable Securities that were not registered for resale on the Shelf Registration Statement, as amended, or the New Registration Statement (the “Remainder Registration Statement”).

(b) Effectiveness.

- The Company shall use reasonable best efforts to have the Shelf Registration Statement or New Registration Statement declared effective as soon as practicable but in no event later than the applicable Effectiveness Deadline (including filing with the Commission a request for acceleration of effectiveness in accordance with Rule 461 promulgated under the Securities Act), and shall use its commercially reasonable efforts to keep the Shelf Registration Statement or New Registration Statement continuously effective under the Securities Act until the earlier of (a) such time as all of the Registrable Securities covered by such Registration Statement have been publicly sold by the Holders; or (b) the date that all Registrable Securities covered by such Registration Statement may be sold without volume or manner-of-sale restrictions pursuant to Rule 144, without the requirement for the Company to be in compliance with the current public information requirement under Rule 144 as determined by the counsel to the Company pursuant to a written opinion letter to such effect,
- (i) addressed and reasonably acceptable to the Depositary and the affected Holders (the “Effectiveness Period”). The Company shall notify each Investor by facsimile or e-mail as promptly as practicable, and in any event, within twenty-four (24) hours, after any Registration Statement is declared effective and shall simultaneously provide each Investor with copies of any related Prospectus to be used in connection with the sale or other disposition of the securities covered thereby.

- During the Effectiveness Period, the Company shall use its reasonable best efforts to prevent the issuance of any stop order or other suspension of effectiveness of each Registration Statement or the use of any Prospectus contained therein, or the suspension of the qualification, or the loss of an exemption from qualification, of any of the Registrable Securities for sale in any jurisdiction and, if such an order or suspension is issued, to obtain the withdrawal of such order or suspension at the earliest possible moment.
- (ii)

- If: (i) the Shelf Registration Statement is not filed with the SEC on or prior to the Filing Deadline; (ii) the Shelf Registration Statement or the New Registration Statement, as applicable, is not declared effective by the SEC (or otherwise does not become effective) for any reason on or prior to the Effectiveness Deadline; (iii) after its Effective Date, (A) such Registration Statement ceases for any reason (including without limitation by reason of a stop order, or the Company’s failure to update the Registration Statement), to remain continuously effective as to all Registrable Securities included in such Registration Statement or (B) the Company suspends the use of the Prospectus contained in the Registration Statement; or (iv) the Company fails to satisfy the current public information requirement pursuant to Rule 144(c)(1) as a result of which the Holders are unable to sell Registrable Securities without restriction under Rule 144 (or any successor thereto) and fails to cure any such failure to satisfy the Rule 144(c)(1) requirement within fifteen (15) Business Days following the date upon which the Holder notifies the Company in writing that such Holder is unable to sell Registrable Securities as a result thereof, (any such failure or breach in clauses (i) through (iv) above being referred to as an “Event,” and the date on which such Event occurs, being referred to as an “Event Date”), then in addition to any other rights the Holders may have hereunder or under applicable law, on each such Event Date and on each monthly anniversary of each such Event Date (if the applicable Event shall not have been cured by such date) until the earlier of (1) the applicable Event is cured or (2) the Registrable Securities are eligible for resale pursuant to Rule 144 without manner of sale or volume restrictions, the Company shall pay to each Holder an amount in cash, as partial liquidated damages and not as a penalty (“Liquidated Damages”), equal to one percent (1.0%) of the aggregate purchase price paid by such Holder pursuant to the Subscription Agreement and the Warrants for any unregistered Registrable Securities then held by such Holder. The parties agree that (1) notwithstanding anything to the contrary herein or in the Subscription Agreement and/or the Warrants, no Liquidated Damages shall be payable with respect to any period after the expiration of the Effectiveness Period (it being understood that this sentence shall not relieve the Company of any Liquidated Damages accruing
- (c)

prior to the Effectiveness Deadline) and in no event shall, the aggregate amount of Liquidated Damages payable to a Holder exceed, in the aggregate, three percent (3%) of the aggregate purchase price paid by such Holder pursuant to the Subscription Agreement and the Warrants and (2) in no event shall the Company be liable in any thirty (30) day period for Liquidated Damages under this Agreement in excess of one percent (1.0%) of the aggregate purchase price paid by the Holders pursuant to the Subscription Agreement and the Warrants. If the Company fails to pay any Liquidated Damages pursuant to this Section 2.1(c) in full within five (5) Business Days after the date payable, the Company will pay interest thereon at a rate of one percent (1.0%) per month (or such lesser maximum amount that is permitted to be paid by applicable law) to the Holder, accruing daily from the date such Liquidated Damages are due until such amounts, plus all such interest thereon, are paid in full. The Liquidated Damages pursuant to the terms hereof shall apply on a daily pro-rata basis for any portion of a month prior to the cure of an Event, except in the case of the first Event Date. The Company shall not be liable for Liquidated Damages under this Agreement as to any Registrable Securities which are not permitted by the Commission to be included in a Registration Statement due solely to SEC Guidance from the time that it is determined that such Registrable Securities are not permitted to be registered until such time as the provisions of this Agreement as to the Remainder Registration Statements required to be filed hereunder are triggered, in which case the provisions of this Section 2.1(c) shall once again apply, if applicable. In such case, the Liquidated Damages shall be calculated to only apply to the percentage of Registrable Securities which are permitted in accordance with SEC Guidance to be included in such Registration Statement. The Effectiveness Deadline for a Registration Statement shall be extended without default or Liquidated Damages hereunder in the event that the Company's failure to obtain the effectiveness of such Registration Statement on a timely basis results from the failure of any Investor to timely provide the Company with information requested by the Company and necessary to complete the Registration Statement in accordance with the requirements of the Securities Act (in which the Effectiveness Deadline would be extended with respect to Registrable Securities held by such Investor).

- (d) In the event that Form F-3 is not available for the registration of the resale of Registrable Securities hereunder, the Company shall (i) register the resale of the Registrable Securities on another appropriate form reasonably acceptable to the Holders and (ii) undertake to register the Registrable Securities on Form F-3 promptly after such form is available, *provided* that the Company shall maintain the effectiveness of the Registration Statement then in effect until such time as a Registration Statement on Form F-3 covering the Registrable Securities has been declared effective by the Commission.

- (e) To the extent not already covered by an effective Registration Statement filed pursuant to Section 2.1(a), for the Registrable Securities issued or issuable on conversion of the Senior Preferred Shares issued at the Second Closing, within forty-five (45) days after the Second Closing Date (and such date shall be deemed the "Filing Deadline" with respect to such Registrable Securities), the Company shall (i) amend the Shelf Registration Statement and file with the SEC an updated Shelf Registration Statement, which shall cover all Registrable Securities issued or issuable on the Second Closing, or (ii) prepare and file with the SEC a new Registration Statement on Form F-3 (or, if Form F-3 is not then available to the Company, on such form of registration statement as is then available to effect a registration for resale of the Registrable Securities issued or issuance on the Second Closing) for an offering to be made on a continuous basis pursuant to Rule 415 under the Securities Act. The provisions in this Section 2.1 shall *mutatis mutandis* apply.

2.2 Piggyback Registrations.

- (a) If at any time after the Shelf Registration Statement is declared effective, there is not then an effective registration statement covering all of the Registrable Securities, and the Company determines to prepare and file with the SEC a Registration Statement relating to an offering for its own account or the account of others

of any of its equity securities other than (x) a registration pursuant to a Registration Statement on Form S-8 (or other registration solely relating to an offering or sale to employees or directors of the Company pursuant to any employee stock plan or other employee benefit arrangement), (y) pursuant to a Registration Statement on Form F-4 (or similar form that relates to a transaction subject to Rule 145 under the Securities Act or any successor rule thereto), or (z) in connection with any dividend or distribution reinvestment or similar plan, then the Company shall send to each Holder written notice of such determination and, if within 15 Business Days after the date of such notice, any such Holder shall so request in writing, the Company shall include in such Registration Statement all or any part of the Registrable Securities such Holder requests to be registered.

- (b) The Company shall have the right, in its sole discretion, to postpone, terminate or withdraw any registration initiated by it under this Section 2.2 prior to the effectiveness of such registration whether or not any Holder has elected to include Registrable Securities in such registration.

2.3 Removal of Legend, Share Certificates.

- Each Investor shall have the right to request removal of the legend set forth in Section 2.06 of the Subscription Agreement, Section 5(b) of the respective Warrant or any other legend from certificates evidencing Registrable Securities in any of the following circumstances: (i) when the Registrable Securities are eligible for resale under Rule 144 without restriction; (ii) when such Registrable Securities are eligible for resale pursuant to the applicable Registration Statement; or (iii) if such legend is not required under applicable requirements of the Securities Act (including, without limitation, controlling judicial interpretations and pronouncements issued by the SEC).
- (a)

- Upon receipt of a request from such Investor under Section 2.3(a) above, the Company shall, at its own expense, no later than three (3) Business Days following the delivery by such Investor to the Company of a legended certificate representing such Registrable Securities (endorsed or with stock powers attached, signatures guaranteed, and otherwise in form necessary to affect the reissuance and/or transfer, if applicable), as directed by such Investor, issue and dispatch by overnight courier to such Investor, a certificate representing such Registrable Securities that is free from all restrictive and other legends, registered in the name of such Investor or its designee.
- (b)

- Expenses. All expenses incident to the Company's performance of or compliance with this Agreement shall be paid by the Company, other than underwriting discounts or commissions deducted from the proceeds in respect of any Registrable Securities, including (i) all registration and filing fees, and any other fees and expenses associated with filings required to be made with the SEC, FINRA or any other regulatory authority and, if applicable, the fees and expenses of any "qualified independent underwriter" as such term is defined in NASD Rule 2720 (or any successor provision) and of its counsel, (ii) all fees and expenses in connection with compliance with any securities or "Blue Sky" laws (including fees and disbursements of counsel for the underwriters in connection with "Blue Sky" qualifications of the Registrable Securities), (iii) all printing, duplicating, word processing, messenger, telephone, facsimile and delivery expenses (including expenses of printing certificates for the Registrable Securities in a form eligible for deposit with The Depository Trust Company and of printing Prospectuses and Free Writing Prospectuses), (iv) all fees and disbursements of counsel for the Company and of all independent certified public accountants of the Company (including the expenses of any special audit and cold comfort letters required by or incident to such performance), (v) Securities Act liability insurance or similar insurance if the Company so desires or the underwriters so require in accordance with then-customary underwriting practice, (vi) all fees and expenses incurred in connection with the listing of Registrable Securities on any securities exchange or quotation of the Registrable Securities on any inter-dealer quotation system, (vii) all fees and expenses of any special experts or other Persons retained by the Company in connection with any registration, (viii) all of the Company's internal expenses (including all salaries and expenses of its officers and employees performing legal or accounting duties), (ix) all transfer agent fees required for same-day processing of any notice of conversion and all fees to the Depository and The Depository Trust Company (or another established clearing corporation performing similar functions), including without limitation any ADS conversion fees, required for same-day electronic delivery of the Conversion Shares, and (x) all expenses related to the "road-show" for any underwritten offering, including all travel, meals and lodging. such Investor or such Investor Representative is required to make a disclosure pursuant to clause (x) hereof, it shall provide to the Board prompt notice of such disclosure and allow the Company, at the Company's expense, to undertake appropriate action to prevent disclosure of, or to seek to obtain a protective order for, such information (other than any such disclosure required by any administrative body or other governmental authority in the exercise of its regulatory or other oversight authority with respect to such Investor or such Investor Representative). The confidentiality obligations herein shall, with respect to each Investor, expire on the earlier of (i) with respect to each confidential information, third (3rd) anniversary of disclosure of such confidential information; and (ii) second (2nd) anniversary of the date on which such Investor ceases to hold any Senior Preferred Shares, Class A Ordinary Shares or ADSs. The Company shall hold in confidence and not make any disclosure of information concerning any Investor provided to the Company unless (i) disclosure of such information is necessary to comply with federal or state securities laws, (ii) the disclosure of such information is necessary to avoid or correct a misstatement or omission in any Registration Statement or is otherwise required to be disclosed in such Registration Statement pursuant to the Securities Act, (iii) the release of such information is ordered pursuant to a subpoena or other final, non-appealable order from a court or governmental body of competent jurisdiction, or (iv) such information has been made generally available to the public other than by disclosure in violation of this Agreement or any other Transaction Document. The Company agrees that it shall, upon learning that disclosure of such information concerning any Investor is sought in or by a court or governmental body of competent jurisdiction or through other means, give prompt written notice to such Investor and allow such Investor, at such Investor's expense, to undertake appropriate action to prevent disclosure of, or to obtain a protective order for, such information.

2.6 Obligations of the Investors.

- (a) Each Investor shall furnish in writing to the Company such information regarding itself, the Registrable Securities held by it and the intended method of disposition of the Registrable Securities held by it, as shall be reasonably required to effect the registration of such Registrable Securities and shall execute such documents in connection with such registration as the Company may reasonably request. At least seven (7) Business Days prior to the first anticipated filing date of any Registration Statement, the Company shall notify each Investor of the information the Company requires from such Investor if such Investor elects to have any of its Registrable Securities included in the Registration Statement. Each such Investor shall provide such information to the Company at least three (3) Business Days prior to the first anticipated filing date of such Registration Statement if such Investor elects to have any of its Registrable Securities included in the Registration Statement.

13

- (b) Each Investor, by its acceptance of the Registrable Securities agrees to timely cooperate with the Company as reasonably requested by the Company in connection with the preparation and filing of a Registration Statement hereunder, unless such Investor has notified the Company in writing of its election to exclude all of its Registrable Securities from such Registration Statement.

- (c) Each Investor agrees that, upon receipt of any notice from the Company of the happening of an event pursuant to Section 2.5(d)(C), Section 2.5(d)(D) and Section 2.5(e) hereof, such Investor will immediately discontinue disposition of Registrable Securities pursuant to the Registration Statement covering such Registrable Securities, until such Investor is advised by the Company that such dispositions may again be made. Notwithstanding anything to the contrary in this Section 2.6(c), each Investor may dispose of the Class A Ordinary Shares or ADSs it holds and the Company shall cause its transfer agent to deliver unlegended Class A Ordinary Shares to a transferee of such Investor in connection with any sale of Registrable Securities with respect to which such Investor has entered into a contract for sale prior to such Investor's receipt of a notice from the Company of the happening of any event of the kind described in the first sentence of this Section 2.6(c), and for which such Investor has not yet settled.

- (d) Notwithstanding the foregoing or anything to the contrary contained in this Agreement, nothing in this Agreement shall require any Investor to provide any non-public financial information with respect to itself or its Affiliates.

2.7 Indemnification.

- Indemnification by the Company. The Company will indemnify and hold harmless each Investor and its officers, directors, members, employees and agents, successors and assigns, and each other person, if any, who controls such Investor within the meaning of the Securities Act, against any losses, claims, damages or liabilities, joint or several, to which they may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon: (i) any untrue statement or alleged untrue statement of any material fact contained in any Registration Statement, any preliminary Prospectus or final Prospectus, or any amendment or supplement thereof or any omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus or form of prospectus or supplement thereto, in light of the circumstances under which they were made) not misleading; (ii) any “Blue Sky” application or other document executed by the Company specifically for that purpose or based upon written information furnished by the Company filed in any state or other jurisdiction in order to qualify any or all of the Registrable Securities under the securities laws thereof (any such application, document or information herein called a “Blue Sky Application”); (iii) the omission or alleged omission to state in a Blue Sky Application a material fact required to be stated therein or necessary to make the statements therein not misleading, in light of the circumstances in which they were made; (iv) any violation by the Company or its agents of any rule or regulation promulgated under the Securities Act applicable to the Company or its agents and relating to action or inaction required of the Company in connection with such registration; or (v) any failure to register or qualify the Registrable Securities included in any such Registration Statement in any state where the Company or its agents has affirmatively undertaken or agreed in writing that the Company will undertake such registration or qualification on each Investor’s behalf and will reimburse each Investor, and each such officer, director or member and each such controlling person for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Company will not be liable in any such case if and to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission so made in conformity with information furnished by each Investor or any such controlling person in writing specifically for use in such Registration Statement or Prospectus.
- (a)

- Indemnification by the Investors. Each Investor agrees, severally but not jointly, to indemnify and hold harmless, to the fullest extent permitted by law, the Company, its directors, officers, employees, shareholders and each person who controls the Company (within the meaning of the Securities Act) against any losses, claims, damages, liabilities and expense (including reasonable attorney fees) resulting from (i) any untrue statement or alleged untrue statement of a material fact or any omission or alleged omission of a material fact required to be stated in the Registration Statement or Prospectus or preliminary Prospectus or amendment or supplement thereto or necessary to make the statements therein (in the case of any Prospectus or form of prospectus or supplement thereto, in light of the circumstances under which they were made) not misleading; (ii) the omission or alleged omission to state in a Blue Sky Application a material fact required to be stated therein or necessary to make the statements therein not misleading; or (iii) any violation by such Investor or its agents of any rule or regulation promulgated under the Securities Act applicable to such Investor or its agents and relating to action or inaction required of such Investor under this Agreement, to the extent, but only to the extent that such untrue statement or alleged untrue statement or omission or alleged omission is contained in any information furnished in writing by such Investor to the Company specifically for inclusion in such Registration Statement or Prospectus or amendment or supplement thereto. In no event shall the liability of each Investor be greater in amount than the dollar amount of the proceeds (net of all expense paid by such Investor in connection with any claim relating to this Section 2.7 and the amount of any damages such Investor has otherwise been required to pay by reason of such untrue statement or omission) received by such Investor upon the sale of the Registrable Securities included in the Registration Statement giving rise to such indemnification obligation.
- (b)

- Conduct of Indemnification Proceedings. Any Person entitled to indemnification hereunder shall (i) give prompt notice to the indemnifying party of any claim with respect to which it seeks indemnification and (ii) permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party (provided, however, that such indemnified party shall, at the expense of the indemnifying party, be entitled to counsel of its own choosing to monitor such defense); provided that, subject to the preceding sentence, any Person entitled to indemnification hereunder shall have the right to employ separate counsel and to participate in the defense of such claim, but the fees and expenses of such counsel shall be at the expense of such Person unless (a) the indemnifying party has agreed to pay such fees or expenses, or (b) the indemnifying party shall have failed to assume the defense of such claim and employ counsel reasonably satisfactory to such person or (c) in the reasonable judgment of any such Person, based upon written advice of its counsel, a conflict of interest exists between such person and the indemnifying party with respect to such claims (in which case, if the Person notifies the indemnifying party in writing that such Person elects to employ separate counsel at the expense of the indemnifying party, the indemnifying party shall not have the right to assume the defense of such claim on behalf of such Person); and provided, further, that the failure of any indemnified party to give notice as provided herein shall not relieve the indemnifying party of its obligations hereunder, except to the extent that such failure to give notice shall materially adversely affect the indemnifying party in the defense of any such claim or litigation. It is understood that the indemnifying party shall not, in connection with any proceeding in the same jurisdiction, be liable for fees or expenses of more than one separate firm of attorneys at any time for all such indemnified parties. No indemnifying party will, except with the consent of the indemnified party, consent to entry of any judgment or enter into any settlement that does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect of such claim or litigation.
- (c)

- Contribution. If for any reason the indemnification provided for in the preceding paragraphs (a) and (b) is unavailable to an indemnified party or insufficient to hold it harmless, other than as expressly specified therein, then the indemnifying party shall contribute to the amount paid or payable by the indemnified party as a result of such loss, claim, damage or liability in such proportion as is appropriate to reflect the relative fault of the indemnified party and the indemnifying party, as well as any other relevant equitable considerations. No Person guilty of fraudulent misrepresentation within the meaning of Section 11(f) of the Securities Act shall be entitled to contribution from any Person not guilty of such fraudulent misrepresentation. In no event shall the contribution obligation of a Holder of Registrable Securities be greater in amount than the dollar amount of the proceeds (net of all expenses paid by such Holder in connection with any claim relating to this Section 2.7 and the amount of any damages such holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission) received by it upon the sale of the Registrable Securities giving rise to such contribution obligation.
- (d)

2.8 Facilitation of ADS Conversion.

- (a) The Company acknowledges that each Investor intends to convert the Senior Preferred Shares (including any Warrant Shares) into Class A Ordinary Shares and deposit such Class A Ordinary Shares with the Depository in exchange for ADSs as soon as practicable for future sale (the “ADS Conversion”).

- (b) At any time from and from time to time, upon written request of any Investor, the Company shall promptly and in any event no later than three (3) Trading Days following receipt of such Investor’s request, effect, or cause the Depository to effect, the ADS Conversion, if there is an effective Registration Statement on file with the SEC covering the re-sale of such Investor’s Class A Ordinary Shares (issued or issuable upon conversion of Senior Preferred Shares (including any Warrant Shares)) or such Class A Ordinary Shares may be re-sold without restriction by such Investor pursuant to Rule 144, provided that, if requested by the Company, such Investor shall provide reasonable and timely cooperation to facilitate the ADS Conversion to the extent reasonably required.

- For purposes of completing the ADS Conversion contemplated under Section 2.8(b) above, the Company shall, at its sole cost and expense, take all necessary actions to cause the ADS Conversion, including but not limited to directing its Depository (including to provide any consent or confirmation and to satisfy any other procedural or substantive requirements under that certain deposit agreement dated June 27, 2018 among the Company, the Depository and the holders and beneficial owners of American depository shares issued thereunder (as amended, restated, supplemented or modified from time to time)), share registrar, transfer agent and an outside counsel to take all necessary actions (including the removal of the restrictive legend) in accordance with the procedures for conversion of Senior Preferred Shares (including any Warrant Shares) or Conversion Shares into ADSs.

- 2.9 Termination of Registration Rights. The registration rights provided to the Holders under Section 2 shall terminate in their entirety upon such time as there are no Registrable Securities and all Senior Preferred Shares (including any Warrant Shares) and Conversion Shares have been converted into ADSs that are fully tradable. Notwithstanding the foregoing, Sections 2.4, 2.7 and 3 shall survive the termination of such registration rights.

3. Miscellaneous.

- 3.1 Governing Law; Dispute Resolution. The provisions of Sections 9.08 (Governing Law) and 9.09 (Dispute Resolution) of the Subscription Agreement shall be incorporated herein by reference and shall apply as if set forth in full herein, *mutatis mutandis*.

- 3.2 Successors and Assigns. Except as otherwise expressly provided herein, the provisions hereof shall inure to the benefit of, and be binding upon, the successor and assigns of the parties hereto. The Company may not assign its rights or obligations hereunder except with the prior written consent of each Holder. Each Holder may assign their respective rights hereunder to any assignees or successors of any of its Registrable Securities.

- 3.3 Entire Agreement; Amendment. This Agreement and the other Transaction Documents constitute the full and entire understanding and agreement between the parties with regard to the subjects hereof and thereof. Any previous agreements among the parties relative to the specific subject matter hereof are superseded by this Agreement. Neither this Agreement nor any provision hereof may be amended, changed, waived, discharged or terminated other than by a written instrument signed by the party against who enforcement of any such amendment, change, waiver, discharge or termination is sought.

- 3.4 Notices. All notices and other communications provided for or permitted hereunder shall be made as set forth in Section 9.01 of the Subscription Agreement.

- 3.5 Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction to be invalid, illegal, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions set forth herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated, and the parties hereto shall use their commercially reasonable efforts to find and employ an alternative means to achieve the same or substantially the same result as that contemplated by such term, provision, covenant or restriction. It is hereby stipulated and declared to be the intention of the parties that they would have executed the remaining terms, provisions, covenants and restrictions without including any of such that may be hereafter declared invalid, illegal, void or unenforceable.

- 3.6 Headings. The headings herein are for convenience only, do not constitute a part of this Agreement and shall not be deemed to limit or affect any of the provisions hereof.

- 3.7 Counterparts. This Agreement may be executed in two or more counterparts, all of which when taken together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to each other party, it being understood that the parties need not sign the same counterpart. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a “.pdf” format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with

the same force and effect as if such facsimile or “.pdf” signature page were an original thereof. The parties irrevocably and unreservedly agree that this Agreement may be executed by way of electronic signatures and the parties agree that this Agreement, or any part thereof, shall not be challenged or denied any legal effect, validity and/or enforceability solely on the ground that it is in the form of an electronic record.

3.8 Delays or Omissions. It is agreed that no delay or omission to exercise any right, power or remedy accruing to any party upon any breach or default of any other party under this Agreement shall impair any such right, power or remedy, nor shall it be construed to be a waiver of any such breach or default, or any acquiescence therein, or of any similar breach or default thereafter occurring; nor shall any waiver of any single breach or default be deemed a waiver of any other breach or default theretofore or thereafter occurring. It is further agreed that any waiver, permit, consent or approval of any kind or character of any breach or default under this Agreement, or any waiver of any provisions or conditions of this Agreement must be in writing and shall be effective only to the extent specifically set forth in writing, and that all remedies, either under this Agreement, by law or otherwise, shall be cumulative and not alternative.

3.9 Consents. Any permission, consent, or approval of any kind or character under this Agreement shall be in writing and shall be effective only to the extent specifically set forth in such writing.

3.10 SPECIFIC PERFORMANCE. THE PARTIES HERETO AGREE THAT IRREPARABLE DAMAGE WOULD OCCUR IN THE EVENT THAT ANY OF THE PROVISIONS OF THIS AGREEMENT WERE NOT PERFORMED IN ACCORDANCE WITH ITS SPECIFIC INTENT OR WERE OTHERWISE BREACHED. IT IS ACCORDINGLY AGREED THAT THE PARTIES SHALL BE ENTITLED TO AN INJUNCTION OR INJUNCTIONS, WITHOUT BOND, TO PREVENT OR CURE BREACHES OF THE PROVISIONS OF THIS AGREEMENT AND TO ENFORCE SPECIFICALLY THE TERMS AND PROVISIONS HEREOF, THIS BEING IN ADDITION TO ANY OTHER REMEDY TO WHICH THEY MAY BE ENTITLED BY LAW OR EQUITY, AND ANY PARTY SUED FOR BREACH OF THIS AGREEMENT EXPRESSLY WAIVES ANY DEFENSE THAT A REMEDY IN DAMAGES WOULD BE ADEQUATE.

3.11 Obligations of Investors. The Company acknowledges that the obligations of each Investor under this Agreement are several and not joint with the obligations of any other Investor, and no Investor shall be responsible in any way for the performance of the obligations of any other Investor under this Agreement. The decision of each Investor to enter into to this Agreement has been made by such Investor independently of any other Investor. The Company further acknowledges that nothing contained in this Agreement, and no action taken by any Investor pursuant hereto, shall be deemed to constitute the Investors as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Investors are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated hereby. Each Investor shall be entitled to independently protect and enforce its rights, including without limitation, the rights arising out of this Agreement, and it shall not be necessary for any other Investor to be joined as an additional party in any proceeding for such purpose.

3.12 Construction of Agreement. No provision of this Agreement shall be construed against either party as the drafter thereof.

3.13 Section References. Unless otherwise stated, any reference contained herein to a Section or subsection refers to the provisions of this Agreement.

3.14 Variations of Pronouns. All pronouns and all variations thereof shall be deemed to refer to the masculine, feminine, or neuter, singular or plural, as the context in which they are used may require.

Annex A

PLAN OF DISTRIBUTION

We are registering the Class A Ordinary Shares and/or ADSs issued to the selling shareholders to permit the resale of these Class A Ordinary Shares and/or ADSs by the holders of the Class A Ordinary Shares and/or ADSs from time to time after the date of this prospectus. We will not receive any of the proceeds from the sale by the selling shareholders of the Class A Ordinary Shares and/or ADSs. We will bear all fees and expenses incident to our obligation to register the Class A Ordinary Shares and/or ADSs.

The selling shareholders may sell all or a portion of the Class A Ordinary Shares and/or ADSs beneficially owned by them and offered hereby from time to time directly or through one or more underwriters, broker-dealers or agents. If the Class A Ordinary Shares and/or ADSs are sold through underwriters or broker-dealers, the selling shareholders will be responsible for underwriting discounts or commissions or agent's commissions. The Class A Ordinary Shares and/or ADSs may be sold on any national securities exchange or quotation service on which the securities may be listed or quoted at the time of sale, in the over-the-counter market or in transactions otherwise than on these exchanges or systems or in the over-the-counter market and in one or more transactions at fixed prices, at prevailing market prices at the time of the sale, at varying prices determined at the time of sale, or at negotiated prices. The selling shareholders may use any one or more of the following methods when selling such Class A Ordinary Shares and/or ADSs:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the Class A Ordinary Shares or ADSs as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- settlement of short sales entered into after the Effective Date of the registration statement of which this prospectus is a part;
- broker-dealers may agree with the selling shareholders to sell a specified number of such Selling Securities at a stipulated price per security;
- through the writing or settlement of options or other hedging transactions, whether such options are listed on an options exchange or otherwise;
- a combination of any such methods of sale; and
- any other method permitted pursuant to applicable law.

The selling shareholders also may resell all or a portion of the Class A Ordinary Shares or ADSs in open market transactions in reliance upon Rule 144 under the Securities Act, as permitted by that rule, or Section 4(1) under the Securities Act, if available, rather than under this prospectus, provided that they meet the criteria and conform to the requirements of those provisions.

Broker-dealers engaged by the selling shareholders may arrange for other broker-dealers to participate in sales. If the selling shareholders effect such transactions by selling the Selling Securities to or through underwriters, broker-dealers or agents, such underwriters, broker-dealers or agents may receive commissions in the form of discounts, concessions or commissions from the selling shareholders or commissions from purchasers of the Selling Securities for whom they may act as agent or to whom they may sell as principal. Such commissions will be in amounts to be negotiated, but, except as set forth in a supplement to this prospectus, in the case of an agency transaction will not be in excess of a customary brokerage commission in compliance with FINRA Rule 5110.

Annex A-1

In connection with sales of the Class A Ordinary Shares or ADSs or otherwise, the selling shareholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the Selling Securities in the course of hedging in positions they assume. The selling shareholders may also sell Selling Securities short and if such short sale shall take place after the date that this Registration Statement is declared effective by the Commission, the selling shareholders may deliver Selling Securities covered by this prospectus to close out short positions and to return borrowed shares in connection with such short

sales. The selling shareholders may also loan or pledge Selling Securities to broker-dealers that in turn may sell such shares, to the extent permitted by applicable law. The selling shareholders may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction). Notwithstanding the foregoing, the selling shareholders have been advised that they may not use shares registered on this registration statement to cover short sales of our ordinary shares made prior to the date the registration statement, of which this prospectus forms a part, has been declared effective by the SEC.

The selling shareholders may, from time to time, pledge or grant a security interest in some or all of the warrants or Class A Ordinary Shares or ADSs owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the Selling Securities from time to time pursuant to this prospectus or any amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act of 1933, as amended, amending, if necessary, the list of selling shareholders to include the pledgee, transferee or other successors in interest as selling shareholders under this prospectus. The selling shareholders also may transfer and donate the Class A Ordinary Shares or ADSs in other circumstances in which case the transferees, donees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

The selling shareholders and any broker-dealer or agents participating in the distribution of the Selling Securities may be deemed to be “underwriters” within the meaning of Section 2(11) of the Securities Act in connection with such sales. In such event, any commissions paid, or any discounts or concessions allowed to, any such broker-dealer or agent and any profit on the resale of the shares purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. Selling Shareholders who are “underwriters” within the meaning of Section 2(11) of the Securities Act will be subject to the prospectus delivery requirements of the Securities Act and may be subject to certain statutory liabilities of, including but not limited to, Sections 11, 12 and 17 of the Securities Act and Rule 10b-5 under the Securities Exchange Act of 1934, as amended, or the Exchange Act.

Each selling shareholder has informed the Company that it is not a registered broker-dealer and does not have any written or oral agreement or understanding, directly or indirectly, with any person to distribute the ordinary shares. Upon the Company being notified in writing by a selling shareholder that any material arrangement has been entered into with a broker-dealer for the sale of ordinary shares through a block trade, special offering, exchange distribution or secondary distribution or a purchase by a broker or dealer, a supplement to this prospectus will be filed, if required, pursuant to Rule 424(b) under the Securities Act, disclosing (i) the name of each such selling shareholder and of the participating broker-dealer(s), (ii) the number of shares involved, (iii) the price at which such Class A Ordinary Shares or ADSs were sold, (iv) the commissions paid or discounts or concessions allowed to such broker-dealer(s), where applicable, (v) that such broker-dealer(s) did not conduct any investigation to verify the information set out or incorporated by reference in this prospectus, and (vi) other facts material to the transaction. In no event shall any broker-dealer receive fees, commissions and markups, which, in the aggregate, would exceed eight percent (8%).

Under the securities laws of some states, the Selling Securities may be sold in such states only through registered or licensed brokers or dealers. In addition, in some states the Selling Securities may not be sold unless such shares have been registered or qualified for sale in such state or an exemption from registration or qualification is available and is complied with.

Annex A-2

There can be no assurance that any selling shareholder will sell any or all of the Class A Ordinary Shares or ADSs registered pursuant to the shelf registration statement, of which this prospectus forms a part.

Each selling shareholder and any other person participating in such distribution will be subject to applicable provisions of the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder, including, without limitation, Regulation M of the Exchange Act, which may limit the timing of purchases and sales of any of the Selling Securities by the selling shareholder and any other participating person. Regulation M may also restrict the ability of any person engaged in the distribution of the Selling Securities to engage in market-making activities with respect to the Selling Securities. All of the foregoing may affect the marketability of the Selling Securities and the ability of any person or entity to engage in market-making activities with respect to the Selling Securities.

We will pay all expenses of the registration of the Class A Ordinary Shares or ADSs pursuant to the registration rights agreement, including, without limitation, Securities and Exchange Commission filing fees and expenses of compliance with state securities or “blue sky” laws; provided, *however*, that each selling shareholder will pay all underwriting discounts and selling commissions, if any, and any legal expenses incurred by it. We will indemnify the selling shareholders against certain liabilities, including some liabilities under the

Securities Act, in accordance with a registration rights agreement, or the selling shareholders will be entitled to contribution. We may be indemnified by the selling shareholders against civil liabilities, including liabilities under the Securities Act, that may arise from any written information furnished to us by the selling shareholders specifically for use in this prospectus, in accordance with the related registration rights agreements, or we may be entitled to contribution.

We have agreed with the selling shareholders to keep the registration statement of which this prospectus constitutes a part effective until the earlier of (1) such time as all of the securities covered by this prospectus have been disposed of pursuant to and in accordance with the registration statement, or (2) the date on which all of the securities may be sold without restriction pursuant to Rule 144 of the Securities Act.

In the event the Company proposes to undertake an allotment and issuance of New Securities, the Company hereby undertakes to the Investors that it shall not undertake such allotment and issuance of New Securities unless it first delivers to the Investors a Participation Notice and complies with the provisions set forth in this Article III.

Section 3.02 **First Participation Notice.** In the event that the Company proposes to undertake an issuance of any New Securities (in a single transaction or a series of related transactions), it shall give to each Investor (the “**Participation Rights Holder**”) written notice of its intention to issue such New Securities (the “**First Participation Notice**”), describing the amount and class of the New Securities, the price and the general terms upon which the Company proposes to issue such New Securities. Each Participation Rights Holder shall have fifteen (15) days from the date of receipt of any such First Participation Notice (the “**First Participation Period**”) to agree on behalf of itself or its Affiliates in writing to purchase such Participation Rights Holder’s Pro Rata Share of such New Securities for the price and upon the terms and conditions specified in the First Participation Notice by giving written notice to the Company and stating therein the quantity of the New Securities to be purchased (not to exceed such Participation Rights Holder’s Pro Rata Share). If any Participation Rights Holder fails to so agree in writing within the First Participation Period to purchase such Participation Rights Holder’s full Pro Rata Share of an offering of such New Securities, then such Participation Rights Holder shall forfeit the right hereunder to purchase that part of its Pro Rata Share of such New Securities that it did not agree to purchase. A Participation Rights Holder’s “Pro Rata Share” for purposes of the right of participation in this Article III is the ratio of (a) the number of Ordinary Shares into which the then outstanding Senior Preferred Shares held by such Participation Rights Holder are convertible (calculated on an as-converted basis), to (b) the total number of the Ordinary Shares into which the then outstanding Senior Preferred Shares held by all Participation Rights Holders are convertible (calculated on an as-converted basis) immediately prior to the issuance of the New Securities giving rise to the Right of Participation.

Section 3.03 **Second Participation Notice; Oversubscription.** If any Participation Rights Holder fails or declines to fully exercise its Right of Participation in accordance with Section 3.02 above, the Company shall promptly (but no later than three (3) Business Days after the expiration of the First Participation Period) give notice (the “**Second Participation Notice**”) to other Participation Rights Holders who have fully exercised their Right of Participation (the “**Fully Participating Investors**”) in accordance with Section 3.02 above, which notice shall set forth the number of the New Securities not purchased by the other Participation Rights Holders pursuant to Section 3.02 above (such shares, the “**Overallotment New Securities**”). Each Fully Participating Investor shall have fifteen (15) days from the date of receipt of the Second Participation Notice (the “**Second Participation Period**”) to notify the Company of its desire to purchase more than its Pro Rata Share of the New Securities, stating the number of the additional New Securities it proposes to buy (the “**Additional Number**”). Such notice may be made by telephone if confirmed in writing within two (2) Business Days thereafter. If, as a result thereof, the total number of additional New Securities the Fully Participating Investors (the “**Oversubscribing Fully Participating Investors**”) propose to buy exceeds the total number of the Overallotment New Securities, the number each such Oversubscribing Fully Participating Investor is entitled to subscribe will equal to the lesser of (x) its Additional Number and (y) the product obtained by multiplying (i) the number of the Overallotment New Securities available for subscription by (ii) a fraction, the numerator of which is the number of the Ordinary Shares into which the then outstanding Senior Preferred Shares held by such Oversubscribing Fully Participating Investor are convertible (calculated on an as-converted basis) and the denominator of which is the total number of the Ordinary Shares into which the then outstanding Senior Preferred Shares held by all the Oversubscribing Fully Participating Investors are convertible (calculated on an as-converted basis).

Section 3.04 **Sale by the Company.** If Participation Rights Holders fail or decline to exercise their rights or purchase all New Securities included in the First Participation Notice within the First Participation Period or the Second Participation Period under Section 3.02 or Section 3.03 (as the case may be), the Company shall have one hundred and twenty (120) days after the date of the First Participation Notice or Second Participation Notice, as the case may be, to sell the New Securities described in the First Participation Notice (with respect to which the Right of Participation hereunder were not exercised) at the same or higher price and upon non-price terms no more favorable to the purchasers thereof than specified in the First Participation Notice. At the request of any Investor, the purchaser (which is not a party to this Agreement) shall be subject to all the terms and conditions of this Agreement by executing a deed of adherence. ARTICLE V
TRANSFER RESTRICTIONS.

Section 5.01 **Principal Lock-up.** Subject to Section 5.02, during the Principal Lock-up Period, no Principal Party shall Transfer, or publicly announce an intention to Transfer, any Equity Securities in the Company directly or indirectly held by the Principal Party as of the date hereof, without the prior written consent of the Investors. The Principal irrevocably agrees to cause and guarantee the performance by the Principal Holding Company of all of its covenants and obligations under this Section 5.01. Any purported Transfer by any Principal Party in violation of this Section 5.01 shall be null and void and of no force and effect and the Company shall refuse to recognize any such Transfer and shall not register or otherwise reflect on its records any change in ownership of such Equity Securities in the Company purported to have been Transferred.

Section 5.02 **Permitted Transfers.**

(i) Regardless of anything else contained herein, Section 5.01 shall not apply to Transfers of Equity Securities of the Company by the Principal Holding Company (i) to the Principal, a Relative of the Principal, a trust formed for the exclusive benefit of the Principal or his Relatives, or an entity 100% Controlled exclusively by the Principal, or (ii) through will or intestacy, in each case where the transferee shall have executed and delivered to each of the Parties (other than the transferor) an instrument, reasonably acceptable to the other Parties, agreeing to be bound by the terms and conditions of this agreement as if such transferee were the transferor.

14

(ii) Any transferee of Equity Securities expressly contemplated under Section 5.02 is hereinafter referred to as a “Permitted Transferee”. If any Permitted Transferee to which Equity Securities of the Company are Transferred ceases to be a Permitted Transferee of the Party from which or whom it acquired such Equity Securities of the Company pursuant to such provision, such Person shall reconvey such Equity Securities of the Company to such transferring Party (or another Permitted Transferee of such Party) immediately before such Person ceases to be a Permitted Transferee of such transferring Party so long as such Person knows of its upcoming change of status immediately prior thereto. If such change of status is not known until after its occurrence, the former Permitted Transferee shall make such transfer to such transferring Party (or another Permitted Transferee of such Party) as soon as practicable after the former Permitted Transferee receives notice thereof.

Section 5.03 **Right of First Refusal.**

(i) **Transfer Notice.** Subject to Section 5.01 and Section 5.02, if any of the Principal Parties, any of his/its Permitted Transferee (the “**Selling Shareholder**”) proposes to Transfer all or any Equity Securities of the Company directly or indirectly held by it/him, then the Selling Shareholder shall promptly give written notice (the “**Transfer Notice**”) to each of the Investors (collectively, the “**Non-Selling Shareholders**”) and the Company prior to such Transfer. The Transfer Notice shall describe in reasonable detail the proposed Transfer including, without limitation, the number of Equity Securities to be Transferred (the “**Offered Shares**”), the nature of such Transfer, the consideration to be paid, and the name and address of each prospective purchaser or transferee or acquirer. The Transfer Notice shall also include a copy of any written proposal, term sheet or letter of intent or other agreement relating to the proposed Transfer (if any).

(ii) Each Non-Selling Shareholder shall have the right for a period of fifteen (15) Business Days following the Non-Selling Shareholder’s receipt of the Transfer Notice (the “**Investor ROFR Period**”) to elect to purchase up to its respective pro rata share of the Offered Shares at the same price and subject to the same material terms and conditions as described in the Transfer Notice. Each Non-Selling Shareholder may exercise such right of first refusal and, thereby, purchase all or any portion of its pro rata share of the Offered Shares, by notifying the Selling Shareholder and the Company in writing, before expiration of the Investor ROFR Period as to the number of such Offered Shares that it wishes to purchase. Each Non-Selling Shareholder’s pro rata share of the Offered Shares shall be a fraction, the numerator of which shall be the total number of the Ordinary Shares into which the then outstanding Senior Preferred Shares held by such Non-Selling Shareholder on the date of the Transfer Notice are convertible (calculated on an as-converted basis) and the denominator of which shall be the total number of the Ordinary Shares into which the then outstanding Senior Preferred Shares held by all the Non-Selling Shareholders on such date are convertible (calculated on an as-converted basis).

(iii) If any Non-Selling Shareholder elects not to exercise or fully exercise or fails to fully exercise such right of first refusal pursuant to Section 5.03(ii), the Selling Shareholder shall, within three (3) Business Days after the expiration of the Investor ROFR Period, give notice of such election or failure (the “**Re-allotment Notice**”) to each other Non-Selling Shareholder that elected to purchase its entire pro rata share of the Offered Shares (the “**Purchasing Holders**”), which notice shall set forth the number of the Offered Shares not purchased by the other Non-Selling Shareholders pursuant to Section 5.03(ii) (such shares, the “**Remaining Offered Shares**”). Such Re-allotment Notice may be made by telephone if confirmed in writing within five (5) Business Days. The Purchasing Holders shall have a right of re-allotment such that they shall have ten (10) Business Days from the date of such Re-allotment Notice was given (the “**Extension Period**”) to elect to increase the number of the Offered Shares they agreed to purchase under Section 5.03(ii). Such right of re-allotment shall be subject to the following conditions: Each Purchasing Holder shall first, within the Extension Period, notify the Selling Shareholder of its desire to increase the number of the Offered Shares it agreed to purchase under Section 5.03(ii), stating the number of the additional Offered Shares it proposes to buy (the “**Additional Offered Shares**”). Such notice may be made by telephone if confirmed in writing within two (2) Business Days. If, as a result thereof, the total number of Additional Offered Shares the Purchasing Holders propose to buy exceeds the total number of the Remaining Offered Shares, each such Purchasing Holder (an “**Over-Purchasing Holder**”) shall be entitled to buy such number of Remaining Offered Shares equal to the lesser of (x) its Additional Offered Shares and (y) the product obtained by multiplying (i) the number of the Remaining Offered Shares available to the Over-Purchasing Holders for over-purchase by (ii) a fraction, the numerator of which is the number of the Ordinary Shares into which the then outstanding Senior Preferred Shares held by such Over-Purchasing Holder are convertible (calculated on an as-converted basis) and the denominator of which is the total number of the Ordinary Shares into which the then outstanding Senior Preferred Share held by all the Over-Purchasing Holders are convertible (calculated on an as-converted basis), calculated as at the date of Transfer Notice.

(iv) Subject to applicable securities laws and other Applicable Laws, the Non-Selling Shareholders shall be entitled to apportion the Offered Shares to be purchased among its partners and Affiliates upon written notice to the Company and the Selling Shareholder; provided that such partners and Affiliates (which are not parties to this Agreement) shall be subject to all the terms and conditions of this Agreement by executing the deed of adherence.

(v) If a Non-Selling Shareholder gives the Selling Shareholder notice that it desires to purchase the Offered Shares, then payment for the Offered Shares to be purchased shall be made by check or wire transfer in immediately available funds of the appropriate currency, against delivery of such Offered Shares to be purchased and the delivery of updated register of members of the Company reflecting the purchase of such Offered Shares by such Non-Selling Shareholder, at a place agreed by the Selling Shareholder and all the participating Non-Selling Shareholders and at the time of the scheduled closing therefor, which shall be no later than forty-five (45) Business Days after the Non-Selling Shareholder’s receipt of the Transfer Notice, unless such notice contemplated a later closing with the prospective third party transferee or unless the value of the purchase price has not yet been established pursuant to Section 5.03(ii).

(vi) **Purchase Price.** The purchase price for the Offered Shares to be purchased by the Company or the Non-Selling Shareholders exercising their right of first refusal will be the price set forth in the Transfer Notice. If the purchase price in the Transfer Notice includes consideration other than cash, the cash equivalent value of the non-cash consideration will be as previously determined by the Board in good faith, which determination will be binding upon the Company and the Non-Selling Shareholder, absent fraud or error.

(vii) **Rights of Selling Shareholder.** If any Non-Selling Shareholder exercises its right of first refusal to purchase the Offered Shares, then, upon the date the notice of such exercise is given by such Non-Selling Shareholder, the Selling Shareholder will have no further rights as a holder of such Offered Shares except the right to receive payment for such Offered Shares from the Non-Selling Shareholder in accordance with the terms of this Agreement, and the Selling Shareholder will forthwith cause all certificate(s) evidencing such Offered Shares to be surrendered to the Non-Selling Shareholder for transfer to the Non-Selling Shareholder.

(viii) **Application of Co-Sale Right.** Within seven (7) Business Days after expiration of the Extension Period (or if no Extension Period, the Investor ROFR Period), the Selling Shareholder shall give each Non-Selling Shareholder a written notice (the “**First Refusal Expiration Notice**”) specifying either (i) that all of the Offered Shares have been purchased by the Non-Selling Shareholders exercising rights of first refusal, or (ii) that the Non-Selling Shareholders have not purchased for all of the Offered Shares. If the Non-Selling Shareholders have not purchased for all of the Offered Shares, then the sale of the remaining Offered Shares will become subject to the co-sale right set forth in Section 5.04 below.

Section 5.04 Co-Sale Right.

Each of the Non-Selling Shareholders that has not exercised its right of first refusal with respect to any Offered Share proposed to be Transferred by the Selling Shareholder (the “**Co-Sale Holder**”) shall have the right, exercisable upon written notice to the Selling Shareholder and the Company (the “**Co-Sale Notice**”) within twenty (20) Business Days after receipt of the First Refusal Expiration Notice (the “**Co-Sale Right Period**”), to participate in the sale of the Offered Shares at the same price and subject to the same terms and conditions as set forth in the Transfer Notice. The Co-Sale Notice shall set forth the number of Shares (on an as-converted basis) that such Co-Sale Holder wishes to include in such Transfer, which amount shall not exceed the Co-Sale Pro Rata Portion (as defined below) of such Co-Sale Holder. To the extent any Co-Sale Holder exercises such right of co-sale in accordance with the terms and conditions set forth below, the number of the Offered Shares that the Selling Shareholder may sell in the transaction shall be correspondingly reduced. The co-sale right of each Co-Sale Holder shall be subject to the following terms and conditions:

(i) **Co-Sale Pro Rata Portion.** A Co-Sale Holder may sell all or any part of that number of Ordinary Shares held by or issuable to it (on an as-converted basis) that is equal to the product obtained by multiplying (x) the aggregate number of the Offered Shares subject to the co-sale right hereunder by (y) a fraction, the numerator of which is the number of Ordinary Shares into which the then outstanding Senior Preferred Shares held by such Co-Sale Holder are convertible (calculated on an as-converted basis) at the time of the date of First Refusal Expiration Notice and the denominator of which is the combined number of Ordinary Shares held by the Selling Shareholder and Ordinary Shares into which the then outstanding Senior Preferred Shares held by all the Co-Sale Holders exercising the co-sale right hereunder are convertible (calculated on an as-converted basis) at the time of the date of First Refusal Expiration Notice (the “**Co-Sale Pro Rata Portion**”). The co-sale right under this Section 5.04 shall not apply with respect to any Shares sold or to be sold to the Non-Selling Shareholders under the right of first refusal under Section 5.03.

(ii) **Transferred Shares.** A Co-Sale Holder shall effect its participation in the co-sale by promptly delivering to the Selling Shareholder for transfer to the prospective purchaser instrument(s) of transfer executed by such Co-Sale Holder and one or more certificates, properly endorsed for transfer, which represent:

(a) the number of the Ordinary Shares which such Co-Sale Holder elects to sell;

(b) Senior Preferred Shares, in the event that the Co-Sale Holder delivers certificates for that number of Senior Preferred Shares which is at such time convertible into the number of Ordinary Shares that the Co-Sale Holder elects to sell (on an as-converted basis); provided in such case that, if the prospective purchaser objects to the Transfer of the Senior Preferred Shares in lieu of the Ordinary Shares, the Co-Sale Holder shall convert such Senior Preferred Shares into Ordinary Shares and deliver certificates for Ordinary Shares as provided in Section 5.04(ii)(a) above. The Company agrees to make any such conversion concurrent with the actual Transfer of such shares to the prospective purchaser; or

(c) a combination of the above.

provided however, if the Selling Shareholder proposes to transfer any ADSs to the prospective purchaser, or if the prospective purchaser objects to the Transfer of the Ordinary Shares and/or Senior Preferred Shares in lieu of the ADSs, upon written request of such Co-sale Holder, the Company shall, and the Principal Parties shall cause the Company to, use its best efforts to convert such Ordinary Shares and/or Senior Preferred Shares into ADSs pursuant to the Registration Right Agreement.

(iii) **Payment to Co-Sale Holders; Registration of Transfer.** The share certificate or certificates that a Co-Sale Holder delivers to the Selling Shareholder pursuant to Section 5.04(ii) above shall be transferred to the prospective purchaser in consummation of the Transfer of the Offered Shares pursuant to the terms and conditions specified in the Transfer Notice, and the Selling Shareholder shall concurrently therewith remit to the Co-Sale Holder exercising the co-sale right that portion of the sale proceeds to which the Co-Sale Holder is entitled by reason of its participation in such Transfer. To the extent that any prospective purchaser or purchasers prohibits such assignment or otherwise refuses to purchase Shares or other securities from the Co-Sale Holders exercising the co-sale right hereunder, the Selling Shareholder shall not Transfer to such prospective purchaser or purchasers any Offered Shares unless and until, simultaneously with such Transfer, the Selling Shareholder shall purchase such Shares or other securities from the Co-Sale Holders exercising the co-sale right. The Company shall, upon surrendering by the Co-Sale Holder or the Selling Shareholder of the certificates for the Shares or other securities being Transferred from the Co-Sale Holders as provided above, make proper entries in the register of members of the Company and cancel the surrendered certificates and issue any new certificates in the name of the prospective purchase or

the Selling Shareholder, as the case may be, as necessary to consummate the transactions in connection with the exercise by the Co-Sale Holder of its co-sale rights under this Section 5.04.

A request for such equitable or injunctive relief shall not waive this arbitration provision.
