VERIDIEN ANNOUNCES “4 PILLARS OF SUCCESS FOR 2008” TO EXPAND UPON RECORD 2007 SALES

LARGO, Fla.–(BUSINESS WIRE)–December 10, 2007–Veridien Corporation (OTCBB: VRDE) announced today its new marketing programs for its Infection Control products planned for 2008 called “4 Pillars Of Success”. Paul Dunnigan, VP-Marketing Group, described the four Pillars:

1. Medical sales expansion supported by a new coast to coast sales representative network targeting Hospital buying groups, independent surgical centers and medical wholesale distributors. The network is scheduled to launch in January 2008 with 15 sales representatives and is expected to double by the end of 2008.
2. Expanded sales programs to E. I DuPont de Nemours to achieve growth in First Responder and Industrial Safety markets.
3. New “Employee Health and Safety” programs for large corporations and property management companies. The first installation will be in December 2007.
4. Sales expansion into multiple markets, including spa and salon, fitness facilities, consumer marketing partnerships and hospitality markets.

Sheldon Fenton, CEO said “Veridien will continue to build upon its record sales in 2007 with focused marketing plans for each “Pillar”. Supported by a strategic sales representative network from coast to coast, we expect to achieve revenues in excess of \$3.6 Million dollars in 2008. These revenues, on top of record sales expectations of \$2.5 Million in 2007, are strong indicators of the potential for Veridien’s products in the marketplace.”
