Proxy Statement for the
Annual Meeting of Shareholders
To Be Held on Tuesday, April 19, 2022

This Proxy Statement is furnished in connection with a solicitation of proxies by the Board of Directors (the “Board” and each member thereof, a “Director”), of Credit Suisse Asset Management Income Fund, Inc. (the “Fund”) for use at the Annual Meeting of Shareholders of the Fund to be held in virtual meeting format on Tuesday, April 19, 2022 (commencing at 2:00 p.m. Eastern time) and at any adjournments thereof (collectively, the “Meeting”). A Notice of Annual Meeting of Shareholders and a proxy card (the “Proxy”) accompany this Proxy Statement.

Proxy solicitations will be made primarily by mail, but solicitations may also be made by telephone or personal interviews conducted by officers or employees of the Fund; Credit Suisse Asset Management, LLC (“Credit Suisse”), the investment adviser to the Fund; State Street Bank and Trust Company, the administrator of the Fund (the “Administrator”); or AST Fund Solutions, LLC (“AST”), a professional proxy solicitation firm that has been retained by the Fund for a fee not to exceed \$1,500 plus all reasonable out of pocket expenses (mailings, emails, and shareholder telephone calls) incurred on behalf of the Fund. All costs of solicitation, including (a) printing and mailing of this Proxy Statement and accompanying material, (b) the reimbursement of brokerage firms and proxy solicitation firms for their expenses in forwarding solicitation material to the beneficial owners of the Fund’ s shares, (c) payment of AST for its services in soliciting Proxies and (d) supplementary solicitations to submit Proxies, will be borne by the Fund. This Proxy Statement and accompanying Proxy are expected to be mailed to shareholders on or about March 29, 2022.

The principal executive office of the Fund and Credit Suisse is Eleven Madison Avenue, 9th Floor, New York, New York 10010. The principal executive office of the Administrator is One Lincoln Street, Boston, Massachusetts 02111.

The Fund’ s Annual Report containing audited financial statements for the fiscal year ended December 31, 2021 has previously been furnished to all shareholders of the Fund. The Fund’ s Annual Report is not to be regarded as proxy-soliciting material.

If the enclosed Proxy is properly executed and returned in time to be voted at the Meeting, the shares represented thereby will be voted in accordance with the instructions marked on the Proxy. If no instructions are marked on the Proxy, the Proxy will be voted “FOR” each proposal presented for approval at the Meeting and will be voted on any matters that may properly come before the Meeting in

accordance with the judgment of the persons named in the Proxy. Any shareholder giving a Proxy has the power to revoke it by mail (addressed to the Secretary of the Fund, c/o Credit Suisse Asset Management, LLC, Eleven Madison Avenue, 9th Floor, New York, New York 10010), voting again through the toll-free number or the Internet address listed in the Proxy or at the Meeting by executing a superseding Proxy or by submitting a notice of revocation. Merely attending the Meeting, however, will not revoke any previously submitted Proxy.

A quorum of shareholders is constituted by the presence at the virtual meeting or by proxy of the holders of one-third of the outstanding shares of the Fund entitled to vote at the Meeting. In the event that a quorum is not present at the Meeting, the holders of a majority of the shares present in person or by proxy or the Chairman of the Meeting will have the power to adjourn the Meeting, without notice other than an announcement at the Meeting, until the requisite number of shares entitled to vote at the Meeting is present. In the event that a quorum is present at the Meeting but sufficient votes to approve any of the proposals are not received, the Meeting may be adjourned by the Chairman of the Meeting or the shareholders may propose an adjournment of the Meeting to permit further solicitation of Proxies. Any such adjournment by the shareholders will require the affirmative vote of a majority of the Fund's shares represented at the Meeting in person or by proxy, and the persons named as proxies will vote those Proxies that they are entitled to vote "FOR" any proposal in favor of such adjournment and will vote those proxies required to be voted "AGAINST" any proposal against any such adjournment. Absent the establishment of a subsequent record date and the giving of notice to the holders of record thereon, the adjourned Meeting must take place not more than 120 days after the record date. At such adjourned Meeting, any business may be transacted which might have been transacted at the original Meeting. If a quorum is present, a shareholder vote may be taken on one or more of the proposals properly brought before the Meeting prior to any adjournment if sufficient votes have been received and it is otherwise appropriate.

For purposes of determining the presence of a quorum for transacting business at the Meeting, abstentions and broker "non-votes" (that is, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular matter with respect to which the brokers or nominees do not have discretionary power) will be treated as shares that are present at the Meeting but which have not been voted. Accordingly, shareholders are urged to forward their voting instructions promptly.

The election of a Director in Proposal 1 will require that the candidate receive a plurality of the votes cast at the Meeting virtually or by proxy. A "plurality" vote means the candidate who receives the largest number of votes cast (even if they receive less than a majority) will be elected as a Director. Since the candidate for election as a Director in Proposal 1 is running unopposed, the candidate only needs one vote to be elected if there is a quorum present at the Meeting. Because abstentions and broker non-votes are not treated as shares voted, any abstentions and broker non-votes would have no impact on the election.

Each amendment to the Fund's charter in Proposals 2, 3 and 4 will require the vote of a majority of the shares of the Fund outstanding and entitled to vote at the Meeting virtually or by proxy. Abstentions and broker non-votes will be treated as votes against the amendments.

No Proposal is contingent upon the approval of any other Proposal.

Credit Suisse and its affiliates have advised the Fund that they intend to vote the shares over which they have voting power at the Meeting, including shares that are held directly or on behalf of employees, in the manner instructed by the customers or employees for which such shares are held.

The Fund has one class of shares of capital stock, par value \$0.001 per share (the "Shares"). On the record date, March 11, 2022, there were 52,338,992 Shares outstanding. Each Share is entitled to one vote at the Meeting, and fractional Shares are entitled to a proportionate share of one vote. In accordance with the rules of the Securities and Exchange Commission ("SEC"), the Fund is advising its shareholders of the availability on the Internet of the proxy materials relating to the Meeting. These rules allow companies to provide access to proxy materials in one of two ways. Because the Fund has elected to utilize the "full set delivery" option, the Fund is delivering to all shareholders paper copies of all of the proxy materials, as well as providing access to those proxy materials on a publicly accessible website.

In order that your Shares may be represented at the Meeting, you are requested to:

- indicate your instructions on the Proxy;
- date and sign the Proxy;
- mail the Proxy promptly in the enclosed envelope; and
- allow sufficient time for the Proxy to be received and processed on or before 2:00 p.m. Eastern Time on April 19, 2022.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Shareholders of the Fund to Be Held on Tuesday, April 19, 2022. The Notice of Annual Meeting of Shareholders, Proxy Statement and the Fund's most recent annual report are available on the Internet at www.credit-suisse.com/us. The Fund will furnish, without charge, a copy of the Fund's annual report for its fiscal year ended December 31, 2021 to any Fund shareholder upon request. To request a copy, please write to the Fund c/o Credit Suisse Asset Management, LLC, Eleven Madison Avenue, 9th Floor, New York, NY 10010, or call Telephone: 1-800-293-1232. You may also call for information on how to obtain directions to be able to attend the Meeting and vote virtually.

PROPOSAL 1: ELECTION OF DIRECTOR

The first proposal to be submitted at the Meeting will be the election of one (1) Non-Interested Director (as defined below) of the Fund to hold office for the term set forth below and until her respective successor is duly elected and qualified. Directors who are not "interested persons" (as that term is defined in Section 2(a)(19) of the

Investment Company Act of 1940, as amended (the “1940 Act”) of the Fund and the Fund’s investment adviser, Credit Suisse, are referred to in this Proxy Statement as “Non-Interested Directors”. “Interested persons” of a fund include, among others, persons who currently have or have had certain affiliations or relationships with the fund or its investment adviser or principal underwriter.

Pursuant to the Fund’s Articles of Incorporation, the Board is divided into three classes, with each class having a term of three years. Each year the term of one class will expire. Laura A. The Board is responsible for overseeing Credit Suisse and other service providers in the operations of the Fund in accordance with the provisions of the 1940 Act, applicable provisions of state and other laws and the Fund's charter. The Board is currently composed of five members each of whom, other than Mr. Popp, is a Non-Interested Director. The Board meets at regularly scheduled quarterly meetings each year. In addition, the Board may hold special meetings or informal conference calls to discuss specific matters that may arise or require action between regular meetings. As described below, the Board has established a Nominating Committee and an Audit Committee, and may establish ad hoc committees or working groups from time to time, to assist the Board in fulfilling its oversight responsibilities. The Non-Interested Directors have also engaged independent legal counsel to assist them in performing their oversight responsibilities.

The Board has appointed Steven Rappaport, a Non-Interested Director, to serve in the role of Chairman. The Chairman's role is to preside at all meetings of the Board and to act as a liaison with Credit Suisse, counsel and other Directors generally between meetings. The Chairman serves as a key point person for dealings between management and the Directors. The Chairman may also perform such other functions as may be delegated by the Board from time to time. The Board reviews matters related to its leadership structure annually. The Board has determined that the Board's leadership structure is appropriate because it allows the Board to exercise informed and independent judgment over the matters under its

purview and it allocates areas of responsibility among committees of Directors and the full Board in a manner that enhances effective oversight.

The Fund is subject to a number of risks, including investment, compliance, operational and valuation risks, among others. Risk oversight forms part of the Board's general oversight of the Fund and is addressed as part of various Board and committee activities. Day-to-day risk management functions are subsumed within the responsibilities of Credit Suisse and other service providers (depending on the nature of the risk), which carry out the Fund's investment management and business affairs. Credit Suisse and other service providers employ a variety of processes, procedures and controls to identify various events or circumstances that give rise to risks, to lessen the probability of their occurrence and/or to mitigate the effects of such events or circumstances if they do occur. Each of Credit Suisse and other service providers has their own independent interest in risk management, and their policies and methods of risk management will depend on their functions and business models. The Board recognizes that it is not possible to identify all of the risks that may affect the Fund or to develop processes and controls to eliminate or mitigate their occurrence or effects. As part of its regular oversight of the Fund, the Board interacts with and reviews reports from, among others, Credit Suisse, the Fund's Chief Compliance Officer, the Fund's independent registered public accounting firm and counsel, as appropriate, regarding risks faced by the Fund and applicable risk controls. The Board may, at any time and in its discretion, change the manner in which it conducts risk oversight.

All of the Directors, except for John Popp, constitute the Fund's Audit Committee, which is composed of Directors who are not interested persons of the Fund and who are independent (as such term is defined by the listing standards of the NYSE American, LLC, formerly known as NYSE MKT, LLC (the "NYSE American")). The Audit Committee convened four times during the fiscal year ended December 31, 2021. The Audit Committee advises the full Board with respect to accounting, auditing and financial matters affecting the Fund.

All of the Directors, except for John Popp, constitute the Fund's Nominating Committee, which is composed of Directors who are not interested persons of the Fund and who are independent (as such term is defined by the listing standards of the NYSE American). The Nominating Committee met three times during the fiscal year ended December 31, 2021. At a meeting of the Nominating Committee held on February 22, 2022, the Nominating Committee (with the nominee abstaining from voting) determined to recommend to the full Board the nomination of Laura A. DeFelice for a three-year term. The Nominating Committee selects and recommends to the full Board candidates for nomination as Directors. The Board has adopted a Nominating Committee Charter (a copy of which was included as Appendix A to the Fund's proxy statement dated March 19, 2021). In nominating candidates, the Nominating Committee will take into consideration such factors as it deems appropriate. These factors may include judgment, skill, diversity, experience with investment companies and other organizations of comparable

purpose, complexity, size and subject to similar legal restrictions and oversight, the interplay of the candidate's experience with the experience of other Board members, and the extent to which the candidate would be a desirable addition to the Board and any committees thereof. With respect to diversity, the Nominating Committee considers whether a candidate's background, experience and skills will contribute to the diversity of the Board.

The Nominating Committee will consider candidates submitted by shareholders or from other sources it deems appropriate. Any recommendation should be submitted to the Secretary of the Fund, c/o Credit Suisse Asset Management, LLC, Eleven Madison Avenue, 9th Floor, New York, New York 10010. Shareholders or shareholder groups submitting proposed candidates must substantiate compliance with the requirements in the Fund's By-laws at the time of submitting their proposed candidate. Any submission should include, at a minimum, the following information: As to each individual proposed for election or re-election as director, the name, age, business address, residence address and principal occupation or employment of such individual, the class, series and number of shares of stock of the Fund that are beneficially owned by such individual, the date such shares were acquired and the investment intent of such acquisition, whether such shareholder believes such individual is, or is not, an "interested person" of the Fund (as defined in the 1940 Act), and information regarding such individual that is sufficient, in the discretion of the Nominating Committee, to make such determination, and all other information relating to such individual that is required to be disclosed in solicitation of proxies for election of directors in an election contest (even if an election contest is not involved) or is otherwise required, in each case pursuant to Regulation 14A (or any successor provision) under the 1934 Act, and the rules thereunder (including such individual's written consent to being named in the proxy statement as a nominee and to serving as a director (if elected)). To be considered for inclusion in the Fund's proxy statement, the submission must be delivered to or mailed and received at the principal executive offices of the Fund not later than 120 days, nor earlier than 150 days, before the first anniversary of the date on which the Fund first mailed its proxy materials for the annual meeting held in the prior year; provided, however, that in the event that the date of the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the preceding year's annual meeting, notice by such shareholder to be timely must be so received not earlier than 150 days prior to such annual meeting and not later than the close of business on the 10th day following the day on which notice or public announcement of the date of such meeting was given or made. Any such submission must also be submitted by such date and contain such information as may be specified in the Fund's By-laws, or as required by any relevant stock exchange listing standards.

The Fund does not have a Compensation Committee.

COMPENSATION

The following table shows certain compensation information for the Directors for the fiscal year ended December 31, 2021. All officers of the Fund are employees of and are compensated by Credit Suisse. None of the Fund's executive officers

or Directors who are also officers or directors of Credit Suisse received any compensation from the Fund for such period. The Fund has no bonus, profit sharing, pension or retirement plans.

Recommendation of the Board of Directors

The Board unanimously recommends a vote “FOR” the election of the nominee to the Board.

PROPOSAL 2: CONSIDERATION OF AN AMENDMENT TO CIK’ S CHARTER TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

Description of the Proposed Amendment

The Board has unanimously approved, and has recommended that the CIK shareholders approve, an amendment to CIK’ s charter to increase the number of CIK’ s authorized shares of common stock from 100,000,000 to 1,000,000,000 shares. A form of the proposed amendment is attached as Appendix A to this Proxy Statement.

Article V of CIK’ s charter, filed on March 10, 1987, currently provides that the total number of shares of all classes of stock that CIK has authority to issue is 100,000,000 shares of common stock. If this proposal is approved, CIK will be authorized to issue a total of 1,000,000,000 shares of stock.

If Proposal 2 is not approved by shareholders at the Meeting but Proposal 3 (discussed below) is approved, the authorized capital of CIK nonetheless will be increased to 1,000,000,000 shares of common stock in reliance on the authority granted to the Board in the charter amendment contemplated by Proposal 3.

Potential Benefits of the Proposed Amendment

The proposed amendment to CIK’ s charter authorizing an increase in the number of authorized shares of common stock to 1,000,000,000 shares will provide CIK with sufficient shares of authorized common stock to continue issuing new

shares in connection with CIK' s ongoing at-the-market ("ATM") offering program. It will also give CIK the flexibility to make future issuances of stock in furtherance of its investment objectives without the necessity of delaying such activities for further shareholder approval (except to the extent that shareholder approvals may be required in particular cases by CIK' s charter documents, applicable laws or the rules of any stock exchange on which CIK' s securities are listed).

Pursuant to the Fund' s shelf registration statement on Form N-2 (the "Shelf Registration Statement"), CIK may issue and sell, from time to time, new shares of common stock with an aggregate value of up to \$250 million. CIK is currently engaged in an at-the-market offering of up to \$150 million of shares of common stock (the "ATM offering program"). Under the ATM offering program, shares of the Fund may be made in negotiated transactions or transactions that are deemed to be "at the market" as defined in Rule 415 under the Securities Act of 1933, as amended, including sales made directly on the NYSE American or sales made to or through a market maker other than on an exchange, at prices related to the prevailing market prices or at negotiated prices. Any proceeds raised through the ATM offering program will be used for investment purposes. CIK cannot currently offer the full \$250 million of shares of common stock registered under the Shelf Registration Statement in the ATM offering program because of the current limit on the number of authorized shares of common stock in the Fund' s charter. New shares of common stock issued and sold through the ATM offering program need to be authorized for issuance under CIK' s charter. As of February 28, 2022, CIK has 47,661,008 remaining authorized shares of common stock under its current charter, and currently expects to exhaust those remaining shares within approximately thirty-one months. If those shares are exhausted before the charter is amended to increase the number of authorized shares of common stock, CIK will be unable to continue issuing and offering new shares pursuant to the the ATM offering program or otherwise. If the charter amendment is approved, the Fund intends to increase the size of the ATM offering program to the full \$250 million of shares of common stock registered under the Shelf Registration Statement.

Potential Risks of the Proposed Amendment

Any future issuances of additional shares of common stock would have the effect of diluting the voting rights of existing shareholders, and could have the effect of diluting earnings per share and book value per share of existing shareholders. In addition, the availability for issuance of additional shares of common stock could discourage and make more difficult efforts to obtain control of CIK. For example, CIK' s authorized but unissued common stock could be issued in one or more transactions that could delay, defer or prevent a transaction or change in control of CIK that might involve a premium price for its shareholders or otherwise be in their best interest. As of the date of this proxy statement, CIK and the Board are not aware of any attempt or plan to obtain control of CIK, and anti-takeover considerations are not part of the Board' s rationale for recommending the proposed amendment. Other than in connection with its existing ATM offering program and

any future ATM offering programs, CIK has no present intention or plans to issue any additional shares of common stock.

Board Approval of the Proposed Amendment

On February 22, 2022, CIK's Board, based on its review and evaluation of the materials it received from the Adviser and CIK's administrator, and after receiving advice from independent legal counsel, unanimously adopted resolutions setting forth the foregoing amendment to CIK's charter, declaring the amendment to be advisable, directing that the amendment be submitted for consideration at the annual meeting of CIK's shareholders and recommending that shareholders vote for the approval of the amendment. The Board took both the potential benefits and the potential risk factors into account when making its determination that increasing the number of authorized shares of CIK's common stock is in the best interests of CIK and its shareholders.

When the Proposed Amendment Would Become Effective

If approved by CIK's shareholders, the proposed charter amendment would become effective as of the date when Articles of Amendment are filed with the State Department of Assessments and Taxation of the State of Maryland or as of such other date as set forth in the Articles of Amendment, not to exceed 30 days after the Articles of Amendment are filed with the Department. It is expected that the Articles of Amendment, if the proposed amendment is approved by the shareholders, would be filed as soon as practicable following the annual meeting. The exact timing of the filing, however, would be determined by CIK, which reserves the right to delay the filing following shareholder approval until such time as determined by the Board in its sole discretion. In addition, CIK reserves the right, notwithstanding shareholder approval and without further action by the shareholders, to elect not to proceed with the amendment if, at any time prior to the effective time of the Articles of Amendment, the Board, in reliance Section 2-612 of the Maryland General Corporation Law (the "MGCL"), determines in its sole discretion that the amendment is no longer in the best interests of CIK or its shareholders.

Recommendation of the Board of Directors

The Board, unanimously recommends a vote "FOR" the foregoing amendment to the CIK charter.

PROPOSAL 3: CONSIDERATION OF AN AMENDMENT TO CIK' S CHARTER GRANTING AUTHORITY TO THE BOARD TO INCREASE OR DECREASE THE NUMBER OF AUTHORIZED SHARES OF ANY CLASS OR SERIES

Description of the Proposed Amendment

The members of the Board have unanimously approved, and have recommended that the CIK shareholders approve, an amendment to CIK' s charter to permit the Board, without any action by the shareholders, to amend CIK' s charter from time to time to increase or decrease the aggregate number of shares of stock that CIK has authority to issue. A form of the amendment is attached as Appendix B to this Proxy Statement.

The provision permitting the Board to amend CIK' s charter to increase or decrease the number of authorized shares was not permissible when CIK was incorporated as a Maryland corporation in 1987. At that time, the Maryland General Corporation Law required a vote of the corporation' s shareholders to approve any amendment to the number of authorized shares specified in a corporation' s charter. However, Section 2-105(a)(13) of the MGCL now permits the charter of a Maryland corporation to include a provision permitting the board of directors, by a majority vote of the entire board, to amend the charter to increase or decrease the number of authorized shares of stock or the number of authorized shares of any class or series of stock, without the need for shareholder approval. In order to take advantage of that simpler procedure for changing the number of authorized shares of stock, a corporation needs to amend its charter to add a specific provision giving the board that authority, and any such amendment needs to be approved by the shareholders.

If Proposal 3 is not approved by shareholders at the Meeting but Proposal 2 (discussed above) is approved, the authorized capital of CIK nonetheless will be increased to 1,000,000,000 shares of common stock in reliance on the authority granted to the Board in the charter amendment contemplated by Proposal 2.

Potential Benefits of the Proposed Amendment

The Board believes that it is in the best interests of CIK and its shareholders to grant the Board the flexibility to increase CIK' s authorized shares of capital stock without incurring the additional costs associated with soliciting a shareholder vote at an annual or special meeting. Furthermore, the Board believes that, in the future, occasions may arise where the time required to obtain shareholder approval might adversely delay CIK' s ability to enter into a desirable transaction. In particular, granting the Board the flexibility to increase CIK' s authorized shares of capital stock will permit CIK to continue issuing new shares in connection with the current ATM offering program and any future ATM offering programs without seeking shareholder approval of future issuances. See "Proposal 2–Potential Benefits of the Proposed Amendment" for further discussion of the ATM offering program.

Potential Risks of the Proposed Amendment

Any future issuances of additional shares of common stock would have the effect of diluting the voting rights of existing shareholders, and could have the effect of diluting earnings per share and book value per share of existing shareholders. In addition, the availability for issuance of additional shares of common stock could discourage and make more difficult efforts to obtain control of CIK. For example, CIK's authorized but unissued common stock could be issued in one or more transactions that could delay, defer or prevent a transaction or change in control of CIK that might involve a premium price for its shareholders or otherwise be in their best interest. As of the date of this proxy statement, CIK and the Board are not aware of any attempt or plan to obtain control of CIK, and anti-takeover considerations are not part of the Board's rationale for recommending the proposed amendment. Other than in connection with its existing ATM offering program and any future ATM offering programs, CIK has no present intention or plans to issue any additional shares of common stock.

If Proposal 3 is approved by shareholders, shareholders will no longer have the authority to approve increases or decreases in the number of authorized shares.

Board Approval of the Proposed Amendment

On February 22, 2022, the CIK Board, based on its review and evaluation of the materials it received from the Adviser and CIK's administrator, and after receiving advice from independent legal counsel, adopted resolutions setting forth the foregoing amendment to CIK's charter, declaring the amendment to be advisable, directing that the amendment be submitted for consideration at the annual meeting of CIK's shareholders and recommending that shareholders vote for the approval of the amendment. The Board took both the potential benefits and the potential risk factors into account when making its determination that granting the Board the authority to change the number of authorized shares of CIK's stock, or any class or series of CIK's stock, is in the best interests of CIK and its shareholders.

When the Proposed Amendment Would Become Effective

If approved by CIK's shareholders, the proposed charter amendment would become effective as of the date when Articles of Amendment are filed with the State Department of Assessments and Taxation of the State of Maryland or as of such other date as set forth in the Articles of Amendment, not to exceed 30 days after the Articles of Amendment are filed with the Department. It is expected that the Articles of Amendment, if the proposed amendment is approved by the shareholders, would be filed as soon as practicable following the annual meeting. The exact timing of the filing, however, would be determined by CIK, which reserves the right to delay the filing following shareholder approval until such time as determined by the Board in its sole discretion. In addition, CIK reserves the right, notwithstanding shareholder approval and without further action by the shareholders, to elect not to proceed with the amendment if, at any time prior to the

effective time of the Articles of Amendment, the Board, in reliance on Section 2-612 of the MGCL, determines in its sole discretion that the amendment is no longer in the best interests of CIK or its shareholders.

Recommendation of the Board of Directors

The Board unanimously recommends a vote “FOR” the foregoing amendment to CIK’ s charter.

PROPOSAL 4: CONSIDERATION OF AN AMENDMENT TO CIK’ S CHARTER GRANTING AUTHORITY TO THE BOARD TO ISSUE STOCK

Description of the Proposed Amendment

The members of the Board have unanimously approved, and have recommended that the CIK shareholders approve, an amendment to CIK’ s charter to permit the Board, without any action by the shareholders, to authorize the issuance from time to time of shares of stock of CIK. A form of the amendment is attached as Appendix C to this Proxy Statement.

Section 2-204 of the MGCL requires shareholder consent to issue stock of a corporation unless either (i) the charter of the corporation expressly permits the board of directors to authorize the issuance, (ii) the charter does not require shareholder approval of the issuance and the value of the consideration to be received is at least equal to the par value of the stock to be issued, or (iii) the issuance as authorized by the board of directors was submitted for and approved at either an annual or special meeting of the shareholders. Given the broad authority for these types of actions otherwise provided to the board of directors by statute and typically in charters, it is common for a Maryland corporation to specify in its charter that its board of directors has full authority to issue stock in all circumstances.

Potential Benefits of the Proposed Amendment

The Board believes that it is in the best interests of CIK and its shareholders to amend CIK’ s charter to clarify the Board’ s authority to issue stock so as to potentially avoid incurring additional costs associated with soliciting a shareholder vote at an annual or special meeting where such authority may be unclear under CIK’ s current charter. If the proposed amendment is approved by the CIK shareholders, CIK would not need to seek shareholder approvals prior to the issuance of any additional shares of common stock, except to the extent that shareholder approvals may be required in particular cases by CIK’ s charter documents, applicable laws or the rules of any stock exchange on which CIK’ s securities are listed. The rights and privileges of holders of CIK’ s common stock would not be changed in any other way by the proposed amendment, and any additional shares of common stock that are authorized in the future would have the same rights and privileges as the shares of common stock currently outstanding.

In addition, providing the Board the explicit authority to issue stock from time to time in CIK' s charter reflects authority that the Board mostly has under the MGCL and clarifies the Board' s authority all instances.

Potential Risks of the Proposed Amendment

Any future issuances of additional shares of common stock would have the effect of diluting the voting rights of existing shareholders, and could have the effect of diluting earnings per share and book value per share of existing shareholders. In addition, the availability for issuance of additional shares of common stock could discourage and make more difficult efforts to obtain control of CIK. For example, CIK' s authorized but unissued common stock could be issued in one or more transactions that could delay, defer or prevent a transaction or change in control of CIK that might involve a premium price for its shareholders or otherwise be in their best interest. As of the date of this proxy statement, CIK and the Board are not aware of any attempt or plan to obtain control of CIK, and anti-takeover considerations are not part of the Board' s rationale for recommending the proposed amendment. Other than in connection with its existing ATM offering program and any future ATM offering programs, CIK has no present intention or plans to issue any additional shares of common stock.

Board Approval of the Proposed Amendment

On February 22, 2022, the CIK Board, based on its review and evaluation of the materials it received from the Adviser and CIK' s administrator, and after receiving advice from independent legal counsel, adopted resolutions setting forth the foregoing amendment to CIK' s charter, declaring the amendment to be advisable, directing that the amendment be submitted for consideration at the annual meeting of CIK' s shareholders and recommending that shareholders vote for the approval of the amendment. The Board took both the potential benefits and the potential risk factors into account when making its determination that clarifying the Board' s authority to issue stock in CIK' s charter is in the best interests of CIK and its shareholders.

When the Proposed Amendment Would Become Effective

If approved by CIK' s shareholders, the proposed charter amendment would become effective as of the date when Articles of Amendment are filed with the State Department of Assessments and Taxation of the State of Maryland or as of such other date as set forth in the Articles of Amendment, not to exceed 30 days after the Articles of Amendment are filed with the Department. It is expected that the Articles of Amendment, if the proposed amendment is approved by the shareholders, would be filed as soon as practicable following the annual meeting. The exact timing of the filing, however, would be determined by CIK, which reserves the right to delay the filing following shareholder approval until such time as determined by the Board in its sole discretion. In addition, CIK reserves the

right, notwithstanding shareholder approval and without further action by the shareholders, to elect not to proceed with the amendment if, at any time prior to the effective time of the Articles of Amendment, the Board, in reliance on Section 2-612 of the MGCL, determines in its sole discretion that the amendment is no longer in the best interests of CIK or its shareholders.

Recommendation of the Board of Directors

The Board unanimously recommends a vote “FOR” the foregoing amendment to CIK’ s charter.

OTHER BOARD-RELATED MATTERS

Shareholders who wish to send communications to the Board should send them to the address of the Fund and to the attention of the Board c/o the Secretary of the Fund. All such communications will be directed to the Board’ s attention.

The Fund does not have a formal policy regarding Board member attendance at the Annual Meeting of Shareholders.

REPORT OF THE AUDIT COMMITTEE

Pursuant to the Audit Committee Charter adopted by the Board (a copy of which was included as Appendix B to the Fund’ s proxy statement dated March 19, 2021), the Audit Committee is responsible for conferring with the Fund’ s independent registered public accounting firm, reviewing annual financial statements, approving the selection of the Fund’ s independent registered public accounting firm and overseeing the Fund’ s internal controls. The Fund’ s Audit Committee charter also contains provisions relating to the pre-approval by the Audit Committee of certain non-audit services to be provided by the independent registered public accounting firm to the Fund and to Credit Suisse and certain of its affiliates. The Audit Committee advises the full Board with respect to accounting, auditing and financial matters affecting the Fund. The independent registered public accounting firm is responsible for planning and carrying out audits in accordance with standards established by the Public Company Accounting Oversight Board (United States) (“PCAOB”).

The Audit Committee has met with the Fund’ s management to discuss, among other things, the Fund’ s audited financial statements for the fiscal year ended December 31, 2021. The Audit Committee has also met with the Fund’ s independent registered public accounting firm, PricewaterhouseCoopers LLP (“PwC”), and discussed with them certain matters required to be discussed by the applicable requirements of the PCAOB and the SEC. The Audit Committee has received from PwC the letter required by the SEC’ s independence rules describing any relationships between it and the Fund, Credit Suisse and its affiliates that may be thought to bear upon the independence of the independent registered public accounting firm. The Audit Committee has discussed with PwC its independence and has considered whether the provision of services by PwC to the Fund, Credit Suisse and its affiliates was compatible with maintaining PwC’ s independence.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent registered public accounting firm. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with generally accepted auditing standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based upon these reviews and discussions, the Audit Committee recommended to the Board that the Fund's audited financial statements be included in the Fund's 2021 Annual Report to Shareholders for the fiscal year ended December 31, 2021 and be mailed to shareholders and filed with the SEC.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

On June 25, 2020, the Board approved the dismissal of KPMG LLP ("KPMG") as the independent registered public accounting firm for the Fund. The Board's decision to approve the dismissal of KPMG was recommended by the Audit Committee of the Board. The reports of KPMG on the Fund's financial statements as of and for the fiscal years ended December 31, 2019 and December 31, 2018 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainties, audit scope or accounting principles. During the Fund's fiscal years ended December 31, 2019 and December 31, 2018 and during the period from the end of the fiscal year ended December 31, 2019 through June 25, 2020, there were no disagreements between the Fund and KPMG on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of KPMG, would have caused them to make reference to the subject matter of the disagreements in its report on the financial statements of the Fund for such periods. During the Fund's fiscal years ended December 31, 2019 and December 31, 2018 and during the period from the end of fiscal year ended December 31, 2019 through June 25, 2020, there were no "reportable

events” (as defined in Item 304(a)(1)(v) of Regulation S-K under the 1934 Act). The Fund previously provided KPMG with a copy of the foregoing disclosure and requested that KPMG furnish the Fund with a letter addressed to the SEC stating whether or not it agreed with the statements made above. A copy of KPMG’s letter dated June 26, 2020 was filed as Exhibit 16.1 to the Fund’s Current Report on Form 8-K filed on June 29, 2020 with the SEC.

On June 25, 2020, upon the recommendation of the Audit Committee, the Board approved the engagement of PwC as the independent registered public accounting firm for the Fund for the fiscal year ending December 31, 2020. A representative of PwC will be available by telephone at the Meeting and will have the opportunity to make a statement, if the representatives so desire, and will be available to answer any questions that may arise.

During the period from the end of the fiscal year ended December 31, 2019 through June 25, 2020, neither the Fund, nor anyone on its behalf consulted with PwC, on behalf of the Fund, regarding the application of accounting principles to a specified transaction (either completed or proposed), the type of audit opinion that might be rendered on the Fund’s financial statements, or any matter that was either the subject of a “disagreement,” as defined in Item 304(a)(1)(iv) of Regulation S-K under the 1934 Act and the instructions thereto, or a “reportable event,” as defined in Item 304(a)(1)(v) of Regulation S-K under the 1934 Act.

The information in the table below is provided for services rendered to the Fund showing the amount of fees billed to the Fund during the Fund’s last two fiscal years by PwC and KPMG. The tax fees billed to the Fund for the fiscal year 2020 are the only fees that have been billed to the Fund by KPMG. All other fees listed in the tables below were billed to the Fund by PwC. For engagements with PwC and KPMG the Audit Committee approved in advance all audit services and non-audit services that PwC and KPMG provided to the Fund for its fiscal years ended December 31, 2020 and December 31, 2021.

The Audit Committee is responsible for pre-approving (i) all audit and permissible non-audit services to be provided by the independent registered public accounting firm to the Fund and (ii) all permissible non-audit services to be provided by the independent registered public accounting firm to Credit Suisse and any service provider to the Fund controlling, controlled by or under common control with Credit Suisse that provided ongoing services to the Fund (each a “Covered Services Provider”) if the engagement relates directly to the operations and financial reporting of the Fund. The Audit Committee may delegate its responsibility to pre-approve any such audit and permissible non-audit services to the Chairperson of the Audit Committee, and the Chairperson shall report to the Audit Committee, at its next regularly scheduled meeting after the Chairperson’s pre-approval of such services, his or her decision(s). The Audit Committee may also establish detailed pre-approval policies and procedures for pre-approval of such services in accordance with applicable laws, including the delegation of some or all of the Audit Committee’s pre-approval responsibilities to other persons (other than Credit Suisse or the Fund’s officers). Pre-approval by the Audit Committee of any permissible non-audit services shall not be required so long as: (i) the aggregate amount of all such permissible non-audit services provided to the Fund, Credit Suisse and any Covered Services Provider constitutes not more than 5% of the total amount of revenues paid by the Fund to its independent registered public accounting firm during the fiscal year in which the permissible non-audit services are provided; (ii) the permissible non-audit services were not recognized by the Fund at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Audit Committee and approved by the Audit Committee (or its delegate(s)) prior to the completion of the audit.

The aggregate fees billed by KPMG and PwC for the fiscal years ended December 31, 2020 and December 31, 2021 for non-audit services rendered to the Fund, Credit Suisse or Covered Service Providers for the fiscal years ended December 31, 2020 and December 31, 2021 were \$4,940 and \$104,000, respectively.

Delinquent Section 16(a) Reports

Based solely upon its review of the copies of such forms and amendments thereto filed electronically with the SEC during the fiscal year ended December 31, 2021 received by it and written representations from such persons, to the knowledge of the Fund, for the fiscal year ended December 31, 2021, such reports were filed on a timely basis, with the exception of a Form 3 submission relating to Jason Gossett's appointment as Interim Chief Compliance Officer, which was inadvertently not filed in a timely manner and has since been filed.
