**Explanation of Responses:**

1. Represents restricted stock units that will fully vest on the third anniversary of the date of grant subject to continuous employment and settle in stock only. These restricted stock units were granted as follows: 3,750 in 2005, 3,750 in 2006 and 3,750 in 2007.
2. Ten-year option vesting in one-third increments on the first, second and third anniversaries of the grant date.
3. Represents phantom shares underlying 1,101.438 units of the phantom stock account of the Wyeth Supplemental Employee Savings Plan, which is unitized. The value of the account units is determined by the market value of the underlying phantom shares and a small percentage (usually between 1% and 3%) is based on the market value of the money market instruments. The market value of the phantom stock portion may then be divided by the market price on any given day to determine the number of phantom shares held underlying the units.
