Integrated Healthcare Holdings, Inc. Announces Expected Filing Date of 2005 Annual Report on Form 10-K; Receives Notification from OTCBB

Santa Ana, Calif. - (BUSINESS WIRE) - May 5, 2006 - Integrated Healthcare Holdings Inc. (OTCBB:IHCH) announced today that it currently anticipates filing its fiscal 2005 Annual Report on Form 10-K with the Securities and Exchange Commission on or about June, 2006. The Company has not yet filed its 2005 Annual Report, which was due on March 31, 2006. The Company filed for an extension under Rule 12b-25 to file the Annual Report by April 17, 2006, but it was unable to file by that date. The Company will also likely delay the filing of its Quarterly Report on Form 10-Q for the first quarter of 2006 until shortly after the 2005 Annual Report is filed.

The Company's Audit Committee did not complete its selection and engagement of an independent accountant to audit fiscal years 2005 and 2004 until March 17, 2006, and, consequently, Ramirez International was unable to complete its audit field work by March 31, 2006. In addition, the Company undertook restatements of its 2005 quarterly financial statements on April 7, 2006, which created additional complexity for the Company in completing the work in a timely manner.

On May 2, 2006, the Company received an OTCBB Delinquency Notification stating that the Company is delinquent in filing its 2005 Annual Report, and pursuant to Rule 6530 of the OTC Bulletin Board Service, if the Company does not cure the delinquency by May 19, 2006, the Company's securities would be removed from quotation on the OTC Bulletin Board effective May 23, 2006. In accordance with the rules of the OTCBB, the Company intends to request a hearing before a hearing panel for continued listing on the OTCBB. Pending a decision by the hearing panel, the Company's securities will remain listed on the OTCBB. There can be no assurance that the hearing panel will grant the Company's request for continued listing on OTCBB.
