Item 8.01. Other Events.

On May 25, 2010, the Board of Directors (the “Board”) of Accuray Incorporated (the “Company”) adopted Corporate Governance Guidelines in order to help ensure that the Company is managed in the best long term interests of shareholders, promote effective functioning of the Board and its committees and provide a flexible framework within which the Board may conduct its oversight of the business of the Company. The Corporate Governance Guidelines address topics which include, without limitation, Board and committee structure and composition, Board and committee procedures, and the Board’ s roles and responsibilities.

In addition, the Corporate Governance Guidelines include Executive Officer and non-employee director stock ownership guidelines that take effect July 1, 2010, pursuant to which, non-employee directors and Executive Officers of the Company are encouraged to own shares of the Company’ s common stock, as follows:

Non-employee directors: the lesser of (a) the number of shares having a value equal to at least three times the non-employee director’ s regular annual cash retainer and (b) 10,000 shares;

Chief Executive Officer: the lesser of (a) the number of shares having a value equal to three times annual base salary and (b) 175,000 shares;

Chief Financial Officer, Chief Operating Officer and Chief Marketing Officer: the lesser of (a) the number of shares having a value equal to one times annual base salary and (b) 40,000 shares; and

General Counsel: the lesser of (a) the number of shares having a value equal to one times annual base salary and (b) 17,500 shares.

Non-employee directors and Executive Officers shall have five years from the later of July 1, 2010 and the date of election or appointment to attain the foregoing ownership levels. The Company expects each Executive Officer and non-employee director to retain at least 25% of the net shares they receive pursuant to all Company equity awards (subject to certain exclusions), until the foregoing ownership levels are achieved.

In addition, the Compensation Committee may, in its discretion, encourage additional senior executives of the Company with a rank of Senior Vice President to comply with stock ownership guidelines determined by the Compensation Committee. The number of shares any such senior executive shall be encouraged to own shall not exceed the number of shares which have a value equal to one times such senior executive’ s annual base salary.

The foregoing description is qualified by reference to the full text of the Corporate Governance Guidelines, a copy of which is available on the Company’ s website at www.accuray.com, under the section titled “Investor Relations” and under the subsection “Corporate Governance,” or a printed copy can be obtained by writing to Accuray Incorporated, Corporate Secretary, 1310 Chesapeake Terrace, Sunnyvale, California 94089.

Any amendments to the Corporate Governance Guidelines will be posted on the Company’ s website, and the Company assumes no obligation to announce or file any such amendments on Form 8-K.
