ITEM 5. OTHER EVENTS AND REGULATION FD DISCLOSURE

On February 4, 2003 Mr. Ken Thorpe resigned as President and Director of Zepelin Energy Inc. ("The Company"). The resignation was not as a result of any disagreement with the Company on any matters relating to the Company's operations, policies, or practices. Because the emphasis of the Company is now in the oil and gas business, the Board of Directors decided it appropriate to

have Mr. William Hennessey, currently a Director of the Company and someone with oil and gas experience, become President. Subsequently, as of February 5, 2002, Mr. Hennessey has agreed to assume the role of President of Zeppelin Energy Inc.
