General

Worlds Online is a 3D entertainment portal which leverages its proprietary licensed technology to offer visitors a network of virtual, multi-user environments which we call "worlds". These worlds are visually engaging online environments featuring animation, motion and content where people can come together and, by navigating through the website, shop, interact with others, attend events and be entertained. In support of this portal and our overall business strategy, we design and develop software, content and related technology for the creation of interactive, three-dimensional ("3D") Internet web sites. Using our licensed technology, we create our own Internet sites, as well as sites available through third-party online service providers.

Sites using our technology allow numerous, simultaneous visitors to enter, navigate and share interactive "worlds". Our 3D Internet sites are designed to promote frequent, repeat and prolonged visitation by users by providing them with unique online communities featuring dynamic graphics, highly useful and entertaining information content, and interactive capabilities. We believe that our sites are highly attractive to advertisers because they offer access to demographic-specific user bases comprised of people that visit the site frequently and stay for relatively long periods of time.

Our 3D platform has been upgraded making it competitive with, current industry standards. We also have a micro-economy system which is tied into a Visa debit card platform for online and off line usage.

In addition to our current business of developing and/or maintaining worlds for our customers, we also plan to facilitate revenue generation through the acquisition of target companies that are either related to our core online virtual world properties or are operating in the areas of mobile content, casual games, virtual currency/ micro transactions, online advertising and e-learning. We believe that targeted acquisition candidates offer a new cross platform opportunity to acquire customers and revenue while synergistically complimenting our core competencies and technology platforms.

Recent developments

We were formed on January 25, 2011 as a wholly-owned subsidiary of Worlds Inc. (formerly known as Worlds.com Inc.). Effective May 16, 2011 Worlds Inc. transferred to us the majority of its operations and related operational assets, except for its patent portfolio. Worlds Inc. has also given us a perpetual world-wide license to its patented technology. Pursuant to the license, we have the right to issue unlimited sublicenses to the licensed technology, subject to Worlds Inc.'s reasonable consent.

The assets transferred to us include: Worlds Inc.'s technology platform, Worlds Chat, Aerosmith World, DMC Worlds, Cinema Virtual, Pearson contracts and related revenue, the following URLs: Worlds.com, Cybersexworld.com, Hang.com, and Worldsfunds.com, a digital inventory of over 10,000 3D objects, animation sequences, an extensive avatar library, texture maps and virtual world architectures.

Our Technology

There has been a tremendous amount of activity and press with respect to the 3D space on the Internet supporting our belief that the timing is right for our strategy and it is our intention, as the pioneers in 3D, to position ourselves as a leading participant in this market. For example:

The Gartner Group reports:

“The collaborative and community-related aspects of these environments will dominate in the future, and significant transaction-based commercial opportunities will be limited to niche areas, which have yet to be clearly identified,” said Steve Prentice, vice president and distinguished analyst at Gartner.

Fleishman Hillard

“While everyone was buzzing about Second Life, a lot was happening under the radar regarding avatars and virtual worlds. It's early still, but it is developing rapidly. If these applications continue to become easier to use and 3D content is further developed, the opportunity in this area will explode.”

We license our technology to produce three-dimensional portals and web sites for ourself and for third parties. We believe that our core technology delivers a considerably faster frame rate for user experiences and, in some cases, a meaningful productivity increase in art production and integration over its previous generation production tools. Our licensed technology permits the development of virtual worlds which have broad applications. These applications include but are not limited to:

- o a virtual meeting place (such as a fan club);
- o a 3D e-commerce store (where merchandise can be viewed in 3D and purchased online); and
- o a virtual classroom (where content can be viewed via video streaming and then discussed in real time).

The core technology has substantial elements written in, Java, including WorldsBrowser and WorldsShaper, so we expect that it can be made portable across Windows and UNIX Platforms because of Java's platform independence.

Our core technology includes:

o WorldsShaper: WorldsShaper is the visual authoring component of our platform. It allows for quick assembly of pieces to create multi-user, shared state, virtual worlds. The WorldsShaper is an advanced compositing 3D building tool that integrates pre-existing or custom content, such as 3D models, textures or images created in Adobe's Photoshop, or midi or wave sound files, with architectural geometry and interactive behaviors and actions written in Java. The architectural building blocks for creating 3D worlds, the flexibility and power of integrating professional modeling and imaging tools, and the extensibility via Java make the WorldsShaper a tool well-suited for rapid creation of 3D environments.

o WorldsServer: WorldsServer is the scalable software that we use to control and operate our on-line virtual communities. WorldsServer manages the registration and authentication of users, the locations of users within the 3D environment, the physical structure of the 3D environment, all information regarding objects that are "shared" by the participants and any of the interactions between the users such as text chat. This platform also integrates an HTTP server for the delivery of other content such as audio and video streaming and secure e-commerce applications.

o WorldsBrowser: WorldsBrowser is used to access the 3D environments. The browser is optimized for speed, delivering relatively fast frame rates per second in highly textured virtual 3D worlds.

o WorldsPlayer™: The WorldsPlayer allows users to view and experience our multi-user, interactive technology. Any world created with the WorldsShaper will be viewable and navigable with the WorldsPlayer. The WorldsPlayer has a high frame rate for fast, quality graphics, an easy-to-use graphic user interface, 2D web browser integration, automatic upgrade capability over the internet and a complete communication tool set including text chat, voice-to-voice chat, e-mail and animation.

o Worlds Gamma Libraries: The Worlds Gamma Libraries are composed of sample worlds, textures, models, avatars, actions, sensors, sounds, motion sequences, and other behaviors.

Worlds 3D Chat

We license a proprietary online 3D Internet chat site known as Worlds.com, an interactive site employing our licensed 3D technology.. Our licensed 3D technology enhances users' chat experiences by allowing users to see a representation of each other in the form of highly textured characters, known as avatars, and to explore a 3D environment together. Users have the option to create their own avatars or choose from pre-defined figures in our library. Users communicate with each other through text chat, as well as voice-to-voice chat and can move through the many virtual "worlds" of the 3D environment.

The user moves his or her avatar through these worlds using a mouse or keyboard arrow keys and can:

- o engage other avatars in one-on-one text-based or real voice-to-voice discussions;
- o enter theme-based chat rooms featuring group discussions on numerous music styles, specific recording artists and other topics;
- o experience interactive advertising and promotions;
- o access information on various recording artists, concert schedules and other music-related and non-music-related information;
- o view new music videos by leading recording artists;
- o listen to selections from newly released CDs by numerous recording artists;
- o purchase music and recording artist-related merchandise online; and
- o design their own unique avatar as a VIP subscriber.

We believe that the user base to the Worlds 3D Chat site will develop into a valuable asset. Worlds 3D Chat also contains an e-commerce component in the form of a real 3D virtual store online, selling music merchandise of various major recording artists.

In order to increase the number of potential subscribers to our 3D music sites, we offer a modified demo version of our Worlds 3D Chat product as a free download. By reducing the price barrier, we hope to generate new members to our Chat service. The proliferation of Worlds 3D Chat may also increase corporate brand identity that could translate into valuable consumer data and related advertising potential. The free demo can be accessed by going to www.worldsonline.com and following instructions for a log-in account.

We believe that there is an opportunity to further exploit the Worlds 3D Chat product in modified form. We are now exploring the modification of Worlds 3D Chat as a corporate Intranet chat and information service for corporate clients. The modified application of Worlds 3D Chat, if successfully modified and then marketed, could provide us with an ongoing revenue stream based on the licensing fees for our server technology, as well as annual membership subscription fees.

Our Strategy

Our goal is to become a provider of interactive 3D Internet sites where entertainment content, interactive chat and e-commerce opportunities converge to provide communities for users and advertisers. Keys to achieving our goal are:

- o Producing interactive multimedia 3D sites. We believe that music and entertainment brands readily lend themselves to exploitation through web sites utilizing our technology. We also believe that the highly graphic, interactive nature of sites using our technology appeals to users drawn to music and entertainment based sites, differentiates such sites from other non-3D music and entertainment based sites and thereby encourages repeat visitation. Because our technology allows for the creation of multiple worlds accessible from a web site, it allows such sites to segregate users of different tastes and demographics.
- o Creating effective offline distribution partnerships with recording artists and their record companies. We are now actively seeking to enter into alliances with recording artists and their record companies.
- o Creating Brand Identity for Worldsonline.com. Public awareness of our site and products is critical to our success. We are now actively seeking to build this awareness by entering into co-branding arrangements with other high-profile Internet companies and music and entertainment companies.
- o Creating Other Services Using Our Interactive 3D Technology.
- o Pursuing Alliances and Cross Promotional Opportunities. Our strategy for expanding brand recognition through online advertising depends to some extent on our relationships with our distribution and content partners. We have entered into strategic alliances with several leading enterprises and regularly seek additional opportunities to provide our 3D Internet technology and content to other companies for their use in connection with the marketing and delivery of their own products and services.

Continuing the work begun by Worlds Inc., we are currently negotiating Joint Venture partnerships with brand leaders in seven primary strategic verticals which we believe have the potential to provide us with growth opportunities in each vertical for substantial revenue.

We have identified the following primary verticals which we are pursuing with current potential strategic partners and in which we are engaged in discussions with for world development and deployment:

- Music/entertainment
- Publishing
- Web to Mobile interface
- Hispanic language markets
- Eastern Europe
- Education – Distant learning
- Health and rehabilitation

No assurance can be given that we will be successful in closing any deals or, even if we successfully close any deals, that we will see any revenues from such transactions.

Representative alliances and customers

Worlds Inc. established strategic relationships and/or provided 3D content related services to the music group Aerosmith, among others. In January 2001, Worlds Inc. entered into a revenue sharing agreement with Aerosmith to create and operate an official 3D Aerosmith environment entitled "Aerosmith World" and to redesign Aerosmith's official website, which currently resides at www.Aerosmith.com. "Aerosmith World" is currently available for download from www.WorldsOnline.com.

Worlds Inc. developed DMC World for Hip Hop Rapper, Darryl McDaniels, and this service is available for download from www.dmcworlds.com.

Worlds Inc. also established a strategic relationship with Pearson to develop a series of virtual worlds to potentially be used within the existing Pearson education programs.

To the extent owned by Worlds Inc., all of these sites have been transferred to us and are now our assets and are being operated and maintained by us.

Competition

The markets in which we currently operate and those we intend to enter are characterized by intense competition and an increasing number of new market entrants which have developed or are developing competitive products. We will face competition from numerous sources, including prospective customers which may develop and market their own competitive products and services, software companies, and online and Internet service providers. We believe that competition will be based primarily on ease of use, price and features, including communications capabilities and content.

In addition, certain companies have developed, and others may be expected to develop, technologies or products in related market segments which could compete with certain technologies or products we have and/or are developing. We expect that such companies, as well as other companies including established and newly formed companies, may attempt to develop products that will be in direct competition with ours. Many of our competitors have advantages over us, including:

- o longer operating histories and greater financial, technical, marketing and other resources;
- o a wider range of services and financial products;
- o greater name recognition and larger customer bases;
- o more extensive promotional activities; and
- o cooperative relationships among themselves and with third parties to enhance services and products.

Currently, there are many companies collaborating to establish standardization of 3D usage on the Internet, the adoption of which may require changes to our technology. If we fail to recognize or address the need for new service or product introductions our business and financial condition could be materially adversely affected. Competitors may develop superior technology or determine as a group to adopt standards with which our technology is not compatible.

Many companies now compete with us in one way or another and new ones may emerge in the future. The competition may be through entry into the same markets, or through technology that either obviates our advantages or lowers the barrier to entry in one of our markets. The markets in which we compete are characterized by rapid changes in technology and customer requirements, frequent new service and product introductions and evolving industry standards which could result in product obsolescence or short product life cycles. Accordingly, our ability to compete will be

dependent upon our ability to develop and successfully introduce new products into the marketplace in a timely manner and to continually enhance and improve our technology to meet the increasingly sophisticated and varied needs of our users and prospective users.

Intellectual Property

Trademark: Worldsplayer™ - The WorldsPlayer is especially designed to allow users to view and experience the multi-user, interactive Worlds Gamma technology. Any world created with the WorldsShaper will be viewable and navigable with WorldsPlayer. Utilizing the WorldsPlayer, a user assumes a persona (via a digital actor, or Avatars), and can then move, view, chat, play, express one's self via gestures and animations, voice chat, send email, join discussion groups, listen to music, shop at Worlds 3D stores, and watch videos, all in the company of users from around the world, within the 3D environment. The WorldsPlayer boasts high frame rate for fast, high quality graphics, an easy to use graphic user interface, seamless 2D Web browser integration, auto-upgrade capability over the Internet, and a complete communication tool set including chat, voice-to-voice chat, email and animation. The WorldsPlayer offers users the unique and creative experience of customizing their Avatars, while maintaining the ability to animate and activate their Avatars.

In addition to our trademarks, we intend to enter into confidentiality agreements with key employees and consultants to protect our IP and general know-how.

During 2009 and 2010, our former parent, Worlds Inc., invested approximately \$150,000 in software development. In the event sufficient funds are available we expect to spend at least \$500,000 in software development during 2011.

Employees

We currently have one full time employee, our president and CEO, Thomas Kidrin, who is also the president and CEO of our former parent, Worlds, Inc. for whom he continues provides services on an as-needed basis. We do not believe that Mr. Kidrin's obligations to Worlds Inc. will interfere with his ability to act as our president and CEO. Mr. Chris Ryan, our chief financial officer is a part-time employee who provides services to us on an as-needed basis. Mr. Ryan, who has the same arrangement with Worlds Inc., also has a full time job but based upon his past performance of his duties for Worlds Inc. we do not believe his outside duties will affect his ability to perform services for us as-needed. In the event our future growth requires a full time CFO, we expect to make any necessary arrangement's which could include hiring Mr. Ryan on a full time basis or hiring a new full time CFO. We similarly expect to monitor Mr. Kidrin's performance to determine if his duties to Worlds Inc. are interfering with his obligations to us.

Inasmuch as we anticipate that we will be acquiring other companies with synergistic technologies and businesses, it is possible that our current management team will be supplemented with officers of the acquired companies. In such event, if another individual is selected as our CEO, Mr. Kidrin may leave our employ to become a full-time employee of Worlds Inc. Alternatively, if Mr. Kidrin's services are truly needed by us full time, we expect he will resign his position with Worlds Inc. In either event, following a transition period of not more than 12 months, we expect Mr. Kidrin will be employed either by us or by Worlds Inc., but not by both companies, unless a majority of the independent directors of both companies determine that he is indispensable to both companies.

Item 1A. Risk Factors.

Our business is subject to numerous risks, including but not limited to those set forth below. Our operations and performance could also be subject to risks that do not exist as of the date of this report but emerge thereafter as well as risks that we do not currently deem material.

Risks related to our operations

Our auditors have expressed doubt about our ability to continue as a going concern. If we do not generate substantial revenue from our new relationships and are also unable to obtain capital from other resources, we will significantly curtail our operations or halt them entirely.

Our capital requirements for the development and commercialization of our technology, creation of our 3D sites and our general operations have been, when owned by Worlds Inc., and will continue to be now that we own it, significant. We will be dependent on financings to fund our development, working capital needs and the cost of future acquisitions. We have only limited cash or cash equivalents. Accordingly, if we do not develop any new projects or acquire profitable companies, we would have to severely diminish our operations or halt them entirely. The opinion of our auditors contains an explanatory paragraph regarding our ability to continue as a going concern.

We have experienced relatively large losses during our development and, without significant increases in the market penetration of our services and improvements to our operating margins, we will not achieve profitability.

Historically, our former parent incurred significant net losses over the last 16+ years developing our technology and developing our business model and assets. We anticipate that we will continue to incur significant losses for at least the short-term. We will not achieve profitable operations until we successfully attract and retain a significant number of advertisers to and users of our 3D sites and customers for our other services and generate revenues from these sources that are sufficient to offset the substantial up-front expenditures and operating costs associated with developing and commercializing our services. We may never be able to accomplish these objectives.

It will be difficult for you to evaluate us based on our past performance because we are a relatively new company with a limited operating history.

We have been actively engaged in the commercial sale of our 3D Internet-based services for a relatively short period of time and, accordingly, have only limited financial results on which you can evaluate our company and operations. We are subject to, and must be successful in addressing, the risks typically encountered by new enterprises and companies operating in the rapidly evolving Internet marketplace, including those risks relating to:

- o the failure to develop brand name recognition and reputation;
- o the failure to achieve market acceptance of our services;
- o a slow down in general consumer acceptance of the Internet as a vehicle for commerce; and
- o an inability to grow and adapt our business and technology to evolving consumer demand.

We may not be able to successfully compete in our markets, which are characterized by intense competition and the presence of large competitors and rapidly changing technology.

Operating with relatively limited resources but more than we currently have, our former parent was unable to effectively compete in our target markets. These markets are characterized by intense competition, rapidly changing technology and increasing numbers of new market entrants who have developed or are developing potentially competitive products and services, often resulting in product obsolescence or short product life cycles. Our competitors include other enterprises utilizing 3D-based technology for online entertainment and marketing purposes, online and Internet service providers, online shopping malls, online direct music retailers, online music and book sites and traditional music retailers. Most of our competitors have significantly greater financial and operating resources compared to us. Our ability to compete will be dependent on our ability to enhance and upgrade our technology platform in a timely manner and to effectively offer our target customers attractive and exciting 3D content and services, all of which require the expenditure of funds that we currently do not have. In addition, the very companies with which we do business, such as the larger Internet service providers and record labels, may determine to create and distribute their own 3D Internet sites. If we are unable to overcome these obstacles, we will not be successful.

We may not be able to develop and maintain marketing relationships with other Internet companies.

Our strategy for expanding brand recognition through online advertising depends to some extent on our relationship with other Internet companies. We are now seeking to enter into marketing agreements with those companies that will permit us to advertise our products and services on their web pages. There can be no assurance that we will be able to negotiate these agreements on favorable terms or at all. Additionally, other e-commerce and music-related sites, which advertise on popular web sites, may have exclusive advertising relationships with such sites or may otherwise object to our attempts to enter into marketing agreements or relationships with such sites. If we cannot secure or maintain these marketing agreements on favorable terms, our business prospects could be substantially harmed.

Our limited resources may restrict our ability to manage any growth we may experience.

Growth of our business may place a significant strain on our management systems and resources and may require us to implement new operating and financial systems, procedures and controls. Our failure to manage our growth and expansion could adversely affect our business, results of operations and financial condition. Moreover, our present technology backbone may not be adequate to accommodate rapid growth in user demand. Our inability to add additional hardware and software to upgrade our existing technology or network infrastructure to accommodate increased traffic may cause decreased levels of customer service and satisfaction. Failure to implement new systems effectively or within a reasonable period of time could adversely affect our business, results of operations and financial condition.

In addition to our own technology, we use the technology of others in the creation of our products and we are dependent upon our continued ability to access these other technologies.

Although our license to Worlds Inc.'s proprietary technology is the foundation of our products, we also use the technology of other companies in the creation and delivery of our products. Accordingly, any delay or termination by any of these third-party providers in the provision of their technologies to us because of our failure, or perceived inability, to pay such vendors or otherwise could cause a disruption in the commercial distribution of our own products. Further, any material increases in the prices these providers charge us for use of their technologies could force us to increase the prices we charge for our own products or possibly make the creation and distribution of our products no longer economically feasible or desirable. We cannot assure you that any of these companies will continue to provide their technology to us in an efficient, timely and cost-effective manner. An interruption in, or termination of, our access to any necessary third party technologies, and our subsequent inability to make alternative arrangements in a timely manner, if at all, would likely have a material adverse effect on our business and financial condition.

We are dependent, in part, on the sale of our services to foreign customers, and accordingly, are subject to the risks of doing business internationally.

We market and provide our services both in the United States and internationally. Servicing our foreign clients and marketing our services abroad requires the dedication of significant management and financial resources, which we currently do not have. Our international operations are, and will be, subject to a variety of risks associated with conducting business internationally, many of which are beyond our control. Operating internationally subjects us to risks relating to the following areas:

- o expenses associated with customizing products for foreign countries;
- o political and economic instabilities;
- o potentially adverse tax consequences and regulatory requirements;

- o uncertainty of product acceptance by different cultures;
- o dependence on local partners who may not be able to meet the needs of a growing international market;
- o greater difficulty in accounts receivable collection and longer collection periods;
- o difficulties and costs of staffing and managing foreign operations;
- o unexpected changes in regulatory requirements related to the Internet; and
- o limited or unfavorable intellectual property protection.

The market may not readily accept our products.

Demand and market acceptance for relatively new products, such as our 3D chat, are subject to a high level of uncertainty. The successful introduction of any new product requires a focused, efficient strategy to create awareness of and desire for the products. For example, in order to achieve market acceptance for our Worlds 3D chat sites, we will need to educate the members of the music industry, such as record companies, record labels and recording artists, about the marketing benefits this product could provide them. Similarly, we will have to make music buyers and Internet consumers aware of this product's existence, draw users to the site and compel them to return to the site for repeat visitations.

Our marketing strategy may be unsuccessful and is subject to change as a result of a number of factors, including changes in market conditions (including the emergence of market segments other than music which in our judgment can be readily exploited through the use of our technology), the nature of possible license and distribution arrangements and strategic alliances which may become available to us in the future and general economic, regulatory and competitive factors. There can be no assurance that our strategy will result in successful product commercialization or that our efforts will result in initial or continued market acceptance for our proposed products.

If we are unable to protect our intellectual property rights, competitors may be able to use our technology or trademarks, which could weaken our competitive position.

In addition to having to rely on Worlds Inc. protecting and expanding its patents, we rely on a combination of copyright, trademark and trade secret laws and restrictions on disclosure to protect our intellectual property rights. We also intend to enter into confidentiality or license agreements with our employees, consultants and customers, and control access to and distribution of our software, documentation and other proprietary information. Despite our efforts to protect our proprietary rights, unauthorized parties may attempt to copy or otherwise obtain and use our products or technology, particularly in foreign countries where the laws may not protect our proprietary rights as fully as in the United States. Although Worlds Inc. has never been involved as a defendant in any intellectual property litigation, as a licensee of Worlds Inc.'s patents, we could become a party to litigation as a result of alleged infringement of others' intellectual property. These claims and any resulting lawsuits could subject us to significant liability for damages and invalidation of our proprietary rights.

If we lose our key employee or fail to hire and retain other talented employees when necessary, our operations could be harmed.

Our success is currently dependent, in large part, on the personal efforts of Thomas Kidrin, our president and chief executive officer. The loss of Mr. Kidrin's services could have a material adverse effect on our business and prospects. Our success is also dependent upon our ability to hire and retain additional qualified management, marketing, technical, financial, and other personnel if and when our growth so requires. Competition for qualified personnel is intense and we may not be able to hire or retain such additional qualified personnel. Any inability to attract and retain qualified management and other personnel would have a material adverse effect on our ability to grow our business and operations.

In order to be successful, we must be able to enhance our existing technology and products and develop and introduce new products and services to respond to changing market demand.

The markets in which we operate are characterized by frequently changing customer demand and the introduction of new technologies. In order to be successful, we must be able to enhance our existing technology and products

and develop and introduce new products and services to respond to changing market demand. The development and enhancement of services and products entails significant risks, including:

- o the inability to effectively adapt new technologies to our business;
- o the failure to conform our services and products to evolving industry standards;
- o the inability to develop, introduce and market enhancements to our existing services and products or new services and products on a timely basis; and
- o the non acceptance by the market of such new service and products.

We currently have only limited resources to enhance our technology or to develop new products.

Our future results depend on continued evolution of the Internet.

Our future results depend on continued growth in the use of the Internet for information, publication, distribution and commerce. Our growth is also dependent on increasing availability to residential consumers of broadband Internet access which will allow such persons to access higher-capacity content through the Internet. Our business could suffer if Internet usage and broadband availability does not continue to grow and evolve.

In addition, changes in network infrastructure, transmission and content delivery methods and underlying software platforms, and the emergence of new Internet access, such as television set-top boxes, could dramatically change the structure and competitive dynamic of the market for Internet real-time 3D products. We may not be able to adopt our technology and services for use in connection with other emerging technologies.

We may not be able to economically comply with any new government regulation that may be adopted with respect to the Internet.

New Internet legislation or regulation, or the application of existing laws and regulations to the Internet and e-commerce could add additional costs and risks to doing business on the Internet. We are subject to regulations applicable to businesses generally and laws or regulations directly applicable to communications over the Internet and access to e-commerce. Although there are currently few laws and regulations directly applicable to e-commerce, it is possible that a number of laws and regulations may be adopted with respect to the Internet, covering issues such as user privacy, pricing, content, copyrights, distribution, antitrust, taxation and characteristics and quality of products and services.

Legislation regarding privacy of personal information about users may affect our communities.

We are subject to and must comply with data protection legislation which restricts our ability to collect and exploit users' personal data. Our business is particularly dependent on the existing and future data protection laws in the United States, Europe, and in each specific country where we operate or have members. European data protections legislation is drafted in very broad terms, and there are few sources of guidance as to its interpretation. It is difficult to foresee the extent to which its enforcement by relevant authorities will restrict our operations. We believe that a rigid interpretation of data protection legislation could hinder our ability to conduct our business as planned. Our failure to comply with applicable law could subject us to severe legal sanctions which could have a material adverse effect on our business and results of operations. We maintain a privacy policy which is to not disclose individually identifiable information about any user of our products or services to a third party without the user's consent. Despite this policy, however, if third persons were able to penetrate our network security or otherwise misappropriate users' personal information, we could be subject to liability claims.

We face potential liability for the content delivered over our sites.

While we intend to acquire all licenses and other rights necessary to conduct our business without violating any copyrights, there can be no assurance that we will be able to do so. Due to the nature of our business, we could become involved in litigation regarding the music, video and other content transmitted over our sites which could force us to incur significant legal defense costs, could result in substantial damage awards against us and could otherwise damage our brand name and reputation.

In addition, because music materials may be downloaded from our sites and may be subsequently distributed to others, claims could be made against us for "pirating" and copyright or trademark infringement. Claims could also be made

against us if material deemed inappropriate for viewing by children is accessed or accessible through our sites. While we intend to carry insurance policies, our insurance may not cover these types of claims or may not be otherwise adequate to cover liability that may be imposed. Any partially or completely uninsured claim against us, if successful and of sufficient magnitude, would have a material adverse effect on us.

Risks related to our common stock

Possible issuances of our capital stock would cause dilution to our existing shareholders.

While we expect to have approximately 30 million shares of common stock outstanding following the initial round of financing and dividend distribution, we are authorized to issue up to 100,000,000 shares of common stock. Therefore, we will be able to issue a substantial number of additional shares without obtaining shareholder approval. In the event we elect to issue additional shares of common stock in connection with any financing, acquisition or otherwise, current shareholders could find their holdings substantially diluted, which means they will own a smaller percentage of our company. In addition, we are authorized to issue up to 5,000,000 shares of blank preferred stock that our board of directors can issue under any terms it wants and without any shareholder approval.

No dividends have been paid on our common stock.

We do not expect to declare or pay dividends on the common stock in the foreseeable future. In addition, the payment of cash dividends may be limited or prohibited by the terms of any future loan agreements.

We are subject to "penny stock" regulations which may adversely impact the liquidity and price of our common stock.

Our common stock is currently deemed a "penny stock." Penny stocks generally are equity securities with a price of less than \$5.00 (other than securities registered on certain national securities exchanges). The penny stock rules require a broker-dealer, prior to a transaction in a penny stock not otherwise exempt from the rules, to deliver a standardized risk disclosure document that provides information on penny stocks and the nature and level of risks in the penny stock market. The broker-dealer also must provide the customer with current bid and offer quotations for the penny stock, the compensation of the broker-dealer and its salesperson in the transaction, and if the broker-dealer is the sole market-maker, the broker-dealer must disclose this fact and the broker-dealer's presumed control over the market, and monthly account statements showing the market value of each penny stock held in the customer's account. In addition, broker-dealers who sell such securities to persons other than established customers and accredited investors (generally, those persons with assets in excess of \$1,000,000 or annual income exceeding \$200,000 or \$300,000 together with their spouse), the broker-dealer must make a special written determination that the penny stock is a suitable investment for the purchaser and receive the purchaser's written agreement to the transaction.

These requirements could reduce the level of trading activity, if any, in the secondary market for our common stock. As a result of the foregoing, our shareholders may find it more difficult to sell their shares.

Item 2. Financial Information.

Forward Looking Statements

When used in this Form 10 and in future filings by the Company with the Commission, the words or phrases such as "anticipate," "believe," "could," "would," "should," "estimate," "expect," "intend," "may," "plan," "predict," "project," "will" or similar expressions are intended to identify "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Readers are cautioned not to place undue reliance on any such forward looking statements, each of which speak only as of the date made. Such statements are subject to certain risks and uncertainties that could cause actual results to differ materially from historical earnings and those presently anticipated or projected. The Company has no obligation to publicly release the result of any revisions which may be made to any forward-looking statements to reflect anticipated or unanticipated events or circumstances occurring after the date of such statements.

These forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause actual results to be materially different. These factors include, but are not limited to, changes that may occur to general economic and business conditions; changes in current pricing levels that we can charge for our services or which we pay to our suppliers and business partners; changes in political, social and economic conditions in the jurisdictions in which we operate; changes to regulations that pertain to our operations; changes in technology that render our technology relatively inferior, obsolete or more expensive compared to others; foreign currency fluctuations; changes in the business prospects of our business partners and customers; increased competition, including from our business partners; delays in the delivery of broadband capacity to the homes and offices of persons who use our services; general disruptions to Internet service; and the loss of customer faith in the Internet as a means of commerce.

The following discussion should be read in conjunction with the financial statements and related notes which are included in this registration statement under Item 13.

We do not undertake to update our forward-looking statements or risk factors to reflect future events or circumstances.

Overview

General

We are a 3D entertainment portal which leverages its proprietary technology to offer visitors a network of virtual, multi-user environments which we call "worlds". These worlds are visually engaging online environments featuring animation, motion and content where people can come together and, by navigating through the website, shop, interact with others, attend events and be entertained.

Sites using our technology allow numerous simultaneous visitors to enter, navigate and share interactive "worlds". Our 3D Internet sites are designed to promote frequent, repeat and prolonged visitation by users by providing them with unique online communities featuring dynamic graphics, highly useful and entertaining information content, and interactive capabilities. We believe that our sites are highly attractive to advertisers because they offer access to demographic-specific user bases comprised of people that visit the site frequently and stay for relatively long periods of time.

We were formed on January 25, 2011 and effective May 16, 2011 Worlds Inc. (formerly known as Worlds.com Inc.) transferred to us a substantial portion of its operational assets and granted us a world-wide license to its existing, and future, 3-D related patent portfolio. Accordingly, we have only had operations of our own since May 16, 2011.

Revenues

Revenue that was generated resulted from VIP subscriptions to the Worlds Ultimate 3-D Chat service and software development fees to provide a site for a 3-D world under a deferred revenue agreement.

Expenses

We currently classify our expenses into two broad groups:

- O cost of revenues; and
- O selling, general and administrative.

Liquidity and Capital Resources

We raised a small amount of capital to enable us to begin upgrading our technology, develop new products and actively solicit additional business. We expect to continue to pursue additional sources of capital though we have no current arrangements with respect to, or sources of, additional financing at this time and there can be no assurance that any such financing will become available. If we cannot raise additional capital, form an alliance of some nature with another entity, or start to generate sufficient revenues, we may need to scale back operations.

RESULTS OF OPERATIONS

Net revenues for the period from formation, January 25, 2011, through May 31, 2011 were \$50,219. Revenue was derived from developing a 3-D world under a deferred revenue agreement and VIP subscriptions to Worlds 3-D chat service.

Cost of revenues was \$0.

Selling general and administrative (SG&A) was \$85,628.

Other expenses include options expense of \$195,615.

As a result of the foregoing, we realized a net loss of \$231,024 for the period from January 25, 2011 through May 31, 2011.

For comparative purposes, while we will be almost seamlessly continuing the business and operations of Worlds Inc., we will not have any of the expenses relating to enforcement of the patents.

Liquidity and Capital Resources

In May 2011, we raised \$300,070 through the issuance of 526,315 shares of our common stock at a price of \$0.57 per share.

The funds raised in our recent financing will be used to develop new products and services, pay salaries to management and pay professional fees to our attorneys and auditors to prepare and file reports with the Securities and Exchange Commission and other legal expenses arising from our day-to-day operations and acquisitions, if any. We hope to raise additional funds to be used for advertising our existing products and services and to fund the development of additional products and services. No assurances can be given that we will be able to raise any additional funds. As described above, we are currently negotiating with various musical artists, educational companies and other entities to develop worlds for them. While no assurance can be given that any of these deals will be concluded, if successful they would likely generate additional cash flows.

Recent Accounting Pronouncements

We have reviewed all recently issued, but not yet effective, accounting pronouncements and do not believe the future adoption of any such pronouncements may be expected to cause a material impact on our financial condition or the results of our operations.

FASB Accounting Standards Codification (Accounting Standards Update (“ASU”) 2009-01)

In June 2009, FASB approved the FASB Accounting Standards Codification (“the Codification”) as the single source of authoritative nongovernmental GAAP. All existing accounting standard documents, such as FASB, American Institute of Certified Public Accountants, Emerging Issues Task Force and other related literature, excluding guidance from the Securities and Exchange Commission (“SEC”), have been superseded by the Codification. All other non-grandfathered, non-SEC accounting literature not included in the Codification has become non-authoritative. The Codification did not change GAAP, but instead introduced a new structure that combines all authoritative standards into a comprehensive, topically organized online database. The Codification is effective for interim or annual periods

ending after September 15, 2009, and impacts the Company's consolidated financial statements as all future references to authoritative accounting literature will be referenced in accordance with the Codification.

Subsequent Events

(Included in Accounting Standards Codification ("ASC") 855 "Subsequent Events", previously SFAS No. 165 "Subsequent Events")

SFAS No. 165 established general standards of accounting for and disclosure of events that occur after the balance sheet date, but before the consolidated financial statements are issued or available to be issued ("subsequent events"). An entity is required to disclose the date through which subsequent events have been evaluated and the basis for that date. For public entities, this is the date the consolidated financial statements are issued. SFAS No. 165 does not apply to subsequent events or transactions that are within the scope of other GAAP and did not result in significant changes in the subsequent events reported by the Company. SFAS No. 165 became effective for interim or annual periods ending after June 15, 2009 and did not impact the Company's consolidated financial statements. The Company evaluated for subsequent events through the issuance date of the Company's consolidated financial statements.

Determination of the Useful Life of Intangible Assets

(Included in ASC 350 "Intangibles — Goodwill and Other", previously FSP SFAS No. 142-3 "Determination of the Useful Lives of Intangible Assets")

FSP SFAS No. 142-3 amended the factors that should be considered in developing renewal or extension assumptions used to determine the useful life of a recognized intangible asset under previously issued goodwill and intangible assets topics. This change was intended to improve the consistency between the useful life of a recognized intangible asset and the period of expected cash flows used to measure the fair value of the asset under topics related to business combinations and other GAAP. The requirement for determining useful lives must be applied prospectively to intangible assets acquired after the effective date and the disclosure requirements must be applied prospectively to all intangible assets recognized as of, and subsequent to, the effective date. FSP SFAS No. 142-3 became effective for consolidated financial statements issued for fiscal years beginning after December 15, 2008, and interim periods within those fiscal years.

Noncontrolling Interests

(Included in ASC 810 "Consolidation", previously SFAS No. 160 "Noncontrolling Interests in Consolidated Financial Statements an amendment of ARB No. 51")

SFAS No. 160 changed the accounting and reporting for minority interests such that they will be recharacterized as noncontrolling interests and classified as a component of equity. SFAS No. 160 became effective for fiscal years beginning after December 15, 2008 with early application prohibited. The Company will implement SFAS No. 160 and will not record an intangible asset when the purchase price of a noncontrolling interest exceeds the book value at the time of buyout.

Consolidation of Variable Interest Entities — Amended

(To be included in ASC 810 "Consolidation", SFAS No. 167 "Amendments to FASB Interpretation No. 46(R)")

SFAS No. 167 amends FASB Interpretation No. 46(R) "Consolidation of Variable Interest Entities regarding certain guidance for determining whether an entity is a variable interest entity and modifies the methods allowed for determining the primary beneficiary of a variable interest entity. The amendments include: (1) the elimination of the exemption for qualifying special purpose entities, (2) a new approach for determining who should consolidate a variable-interest entity, and (3) changes to when it is necessary to reassess who should consolidate a variable-interest entity. SFAS No. 167 is effective for the first annual reporting period beginning after November 15, 2009, with earlier adoption prohibited.

Presently, we are operating out of offices in our president's residence at 11 Royal Road, Brookline, Massachusetts 02445, where we occupy approximately 800 square feet. This space is adequate for our present and our planned future operations. We currently pay no rent to our president for use of this space, although when funds are available we may do so in the future. In addition we have no written agreement or formal arrangement with our president pertaining to the use of this space. Worlds Inc. also operates from this office. In order to prevent a trading market from beginning prior to the Commission's completion of its review of this registration statement, none of the dividend shares have physically been distributed at this time.

Item 6. Executive Compensation.

Executive Officer Employment Agreement

On September 4, 2007, the board of directors of Worlds Inc. approved entry into an employment agreement with its president and CEO, Thom Kidrin. The agreement, dated as of September 1, 2007, is for five years with a one-year renewal option held by Mr. Kidrin. The agreement provides for a base salary of \$200,000, which increases 10% on January 1 of each year; a monthly car allowance of \$1,000; an annual bonus equal to 2.5% of Pre-Tax Income (as defined in the agreement); an additional bonus as follows: \$75,000, if Pre-Tax Income for the year is between 150% and 200% of the prior fiscal year's Pre-Tax Income or (B) \$100,000, if Pre-Tax Income for the year is between 201% and 250% of the prior fiscal year's Pre-Tax Income or (C) \$200,000, if Pre-Tax Income for the year is 251% or greater than the prior fiscal year's Pre-Tax Income, but in no event shall this additional bonus exceed five (5%) percent of Pre-Tax Income for such year; payment of up to \$10,000 in life insurance premiums; options to purchase 15 million shares of our common stock at an exercise price of \$0.05 per share, of which one-third vested on September 4, 2007, one-third vested on August 31, 2008 and the balance vested on August 31, 2009; a death benefit equal to one year of the then base salary and a disability benefit equal to two years of the then base salary; and a payment equal to 2.99 times his base amount (as defined in the agreement) in the event of a Change of Control (as defined in the agreement). The agreement also provides that Mr. Kidrin can be terminated for cause (as defined in the agreement) and that he is subject to restrictive covenants for 12 months after termination. Effective April 1, 2011, this employment agreement was transferred to us by Worlds Inc. and we have assumed responsibility for the agreement. Our board has advised Mr. Kidrin that it will review his employment agreement in light of the current restructuring between us and Worlds Inc. and determine if any changes are appropriate in the interest of fairness.

Mr. Ryan does not currently have an employment agreement with us (nor did he with Worlds Inc.) and is compensated at the rate of \$125 per hour payable one-half in stock and one-half in cash.

Compensation of Directors

The Board of Directors adopted a compensation program for the directors whereby each non-employee director will receive compensation in the form of stock options for serving on the board. Five-year non-qualified stock options to purchase 100,000 shares of the Corporation's common stock are to be granted annually on January 1 to each non-employee director then in office at an exercise price equal to the last reported trading price of our common stock on that day, with such options to vest in 12 months, provided the director serves for at least six months, following the date of grant. In addition, every non-employee director upon first joining our board receives 150,000 stock options that vest immediately and are exercisable for five years at a price equal to the last reported trading price of our common stock on that day. Persons becoming a non-employee director in the middle of a year will receive a pro rata amount of options. The above notwithstanding, the exercise price of the initial options issued to our non-employee directors shall be the price per share paid by investors in our initial financing.

Inasmuch as our initial board was not formed until March 30, 2011, no director received any compensation for a previous fiscal year. However, as described above, each director owns 225,000 options exercisable at \$0.57 per share, of which 150,000 are fully vested and 75,000 will vest on March 30, 2012, provided such person is a director on September 30, 2011.

Stock Option Plan

On May 31, 2011, our board of directors adopted the 2011 Stock Award and Incentive Plan which plan was presented to, and approved by, our then sole stockholder, Worlds Inc. That approval notwithstanding, we intend to present the plan

to our shareholders for their ratification at our next annual meeting. The plan provides for the issuance of up to nine million options and/or shares of restricted stock of which not more than eight million can be incentive stock options. To date, 6,245,829 options have been issued under the plan.

Compensation Committee Interlocks and Insider Participation

All of our officers and directors currently hold the same positions with our former parent, Worlds Inc, although as described elsewhere herein it is the intent that our current non-employee directors will only serve during a transition period not to exceed 12 months. Worlds Inc. does not have a compensation committee and all of its directors perform the function of a compensation committee. Similarly, we too do not have a compensation committee and all of our directors perform the functions of a compensation committee, except that Mr. Kidrin, our president and CEO, does not participate in any deliberations with respect to his compensation and physically removes himself from the presence of the other directors while they deliberate over his compensation and bonuses. Accordingly, Mr. Kidrin, who is both our president and CEO and of Worlds Inc. may be deemed to fall within the parameters of a compensation committee interlock. To address this situation, as described above, Mr. Kidrin recuses himself from all deliberations of the board with respect to his compensation.

Item 7. Certain Relationships and Related Transactions, and Director Independence.

We are not currently subject to the requirements of any stock exchange or inter-dealer quotation system with respect to having a majority of “independent directors” although we believe that we meet that standard inasmuch as Messrs. Stolar, Coleman and Fireman are “independent” and only Mr. Kidrin, by virtue of being our president and CEO, is not independent. Although we are not currently subject to such rule, the independence of our directors meets the definition of such term as contained in NASDAQ Rule 5605(a)(2).

We have not engaged in any related party transaction since our inception.

Worlds Inc., our former parent and currently a 19.7% owner of our outstanding common stock has officers and directors which mirror ours, although as described elsewhere herein it is the intent that our current non-employee directors will only serve during a transition period not to exceed 12 months. During 2010 Worlds Inc. entered into the following transaction with a person who is currently one of our directors, but was not one of directors at the time of such transaction: Robert Fireman, one of our directors, received 100,000 stock options of Worlds Inc. exercisable for 3 years at a price of \$0.05 per share, which was the closing price of Worlds Inc.’s common stock on the date of grant, as compensation for his efforts in assisting Worlds Inc. in negotiating and settling various patent matters with respect to its patent advisors.

Item 8. Legal Proceedings.

None.

Item 9. Market Price of and Dividends on the Registrant’s Common Equity and related Stockholder Matters.

There is no established trading market for our common stock. We will have 30,206,890 shares of our common stock outstanding upon actual distribution of the shares from the dividend declaration to shareholders of record of Worlds Inc. on May 16, 2011. In addition, we have granted an aggregate of 6,245,829 options, of which five million are owned by our president and an aggregate of 1,174,996 by our non-employee directors. All of these options are exercisable at a price of \$0.57 per share. Following the date when we receive notice from the SEC that it has no further comments on this registration statement, Worlds Inc. has stated that it will issue an aggregate of approximately 23,744,460 shares of our common stock as a dividend to all shareholders of record of Worlds Inc. as of the close of business on May 16, 2011, which represents the issuance of one of our shares for each three shares owned of Worlds Inc., and will retain 5,936,115 shares. All of these shares will be unrestricted, unless issued to an affiliate. Finally, as a result of our recent private placement, we issued an aggregate of 526,315 shares of restricted stock which may not currently be sold into the market pursuant to Rule 144, as promulgated under the Securities Act of 1933. On or around the date that Worlds Inc. distributes the dividend, we expect to have our shares quoted for trading on the OTC Bulletin Board. No assurance can be given that our shares will be accepted for such quotation.

Holders

As of May 16, 2011 we had approximately 639 shareholders of record of our common stock. This is the number of Worlds Inc. shareholders who are entitled to the dividend distribution plus the three investors who invested directly into the Company.

Dividends

We have never paid a dividend on our common stock and do not anticipate paying any dividends in the near future.

Company Equity Compensation Plans

The following table sets forth information as of May 31, 2011 with respect to compensation plans (including individual compensation arrangements) under which equity securities of the Company are authorized for issuance.

Plan Category	Number of securities to be issued upon exercise of outstanding options, warrants and rights	Weighted-average exercise price of outstanding options, warrants and rights	Number of securities remaining available for future issuance under equity compensation plans
Equity compensation plans approved by stockholders	6,245,829	\$ 0.57	2,754,171
Equity compensation plans not approved by stockholders	0	\$ N/A	-
Total	6,245,829	\$ 0.57	2,754,171

Item 10. Recent Sales of Unregistered Securities.

In May 2011, we completed a private placement of an aggregate of 526,315 shares of our common stock at a price per share of \$0.57 for aggregate proceeds of \$300,070. This issuance was exempt pursuant to Rule 506 inasmuch as the shares were sold to a total of only three persons, each of whom was an “accredited investor” in a private placement without advertising or the payment of any commissions.

Item 11. Description of Registrant’s Securities to Be Registered.

Common Stock

Our authorized capital stock consists of 100,000,000 shares of common stock, par value \$ 0.001 per share, and 5,000,000 shares of blank check preferred stock, par value \$0.001 per share.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and
Stockholders of Worlds Online Inc.

We have audited the accompanying balance sheet of Worlds Online Inc. (the "Company") as of May 31, 2011 and the related statements of operations, stockholders' deficit, and cash flows for the period from inception (January 25, 2011) through May 31, 2011. These financial statements are the responsibility of the company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Worlds Online Inc. (a Delaware corporation) as of May 31, 2011 and the results of its operations and its cash flows for period from inception (January 25, 2011) through May 31, 2011 in conformity with accounting principles generally accepted in the United States of America.

The accompanying financial statements have been prepared assuming the Company will continue as a going concern. The Company has suffered recurring operating losses, has an accumulated stockholders' deficit, has negative working capital, has had minimal revenues from operations, and has yet to generate an internal cash flow that raises substantial doubt about its ability to continue as a going concern. Management's plans in regard to these matters are described in Note 2. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

Worlds Online Inc.
NOTES TO FINANCIAL STATEMENTS
For the period of inception (January 25, 2011) through May 31, 2011
(audited)

NOTE 1 – DESCRIPTION OF BUSINESS AND SUMMARY OF ACCOUNTING POLICIES

Description of Business

Worlds Online Inc. (the "Company") designs and develops software content and related technologies for the creation of interactive, three-dimensional ("3D") Internet sites on the World Wide Web. Using licensed technology the Company creates its own Internet sites, as well as sites available through third party on-line service providers.

The Company was formed on January 25, 2011 as a wholly-owned subsidiary of Worlds Inc. (formerly known as Worlds.com Inc.). On May 16, 2011, Worlds Inc. transferred to the Company the majority of its operations and related operational assets, except for its patent portfolio. Worlds Inc. has also given to the Company a perpetual world-wide license to its patented technology. Pursuant to the license, the Company has the right to issue unlimited sublicenses to the licensed technology, subject to World Inc.'s reasonable consent.

The assets transferred to us include: Worlds Inc.'s technology platform, Worlds Ultimate Chat, Aerosmith World, DMC Worlds, Cinema Virtual, Pearson contracts and related revenue, the following URLs: Worlds.com, Cybersexworld.com, Hang.com, and Worldsfunds.com, a digital inventory of over 10,000 3D objects, animation sequences, an extensive avatar library, texture maps and virtual world architectures. None of the transferred assets have any carrying value on the financial statements of the Company.

Basis of Presentation

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America ("US GAAP"), which contemplates continuation of the Company as a going concern. The Company will require substantial additional funds for development and marketing of its products. There can be no assurance that the Company will be able to obtain the substantial additional capital resources necessary to pursue its business plan or that any assumptions relating to its business plan will prove to be accurate. Worlds Online Inc. was not able to generate sufficient revenue or obtain sufficient financing which had a material adverse effect on Worlds Online Inc., including requiring Worlds Online Inc. to reduce operations. These factors raise substantial doubt about the Company's ability to continue as a going concern.

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Cash and Cash Equivalents

Cash and cash equivalents are comprised of highly liquid money market instruments, which have original maturities of three months or less at the time of purchase.

Revenue Recognition

The Company has the following sources of revenue: (1) consulting/licensing revenue from the performance of development work performed on behalf of the Company, licensing revenue or from the sale of certain software to third parties; and (2) VIP subscriptions to our Worlds Ultimate 3-D Chat service. The Company recognizes revenue when all of the following criteria are met: evidence of an arrangement exists such as a signed contract, delivery has occurred, the price is fixed or determinable, and collectibility is reasonable assured. This will usually be in the form of a receipt of a customer's acceptance indicating the product has been completed to their satisfaction except for development work and service revenue which is recognized when the services have been performed. Deferred revenue represents cash payments received in advance to be recorded as revenue when earned. The corresponding cost associated with those contracts is also deferred as deferred costs until the revenue is ultimately recognized.

Research and Development Costs

Research and development costs will be charged to operations as incurred.

Property and Equipment

Property and equipment will be stated at cost. Depreciation will be provided on a straight line basis over the estimated useful lives of the assets ranging from three to five years. When assets are retired or disposed of, the cost and accumulated depreciation are removed from the accounts, and any resulting gains or losses are included in income. Maintenance and repairs will be charged to expense in the period incurred.

Impairment of Long Lived Assets

The Company evaluates the recoverability of its fixed assets and other assets in accordance with section 360-10-15 of the FASB Accounting Standards Codification for disclosures about Impairment or Disposal of Long-Lived Assets. Disclosure requires recognition of impairment of long-lived assets in the event the net book value of such assets exceeds its expected cash flows. If so, it is considered to be impaired and is written down to fair value, which is determined based on either discounted future cash flows or appraised values.

Stock-Based Compensation

The Company accounts for stock-based compensation using the fair value method following the guidance set forth in section 718-10 of the FASB Accounting Standards Codification for disclosure about Stock-Based Compensation. This section requires a public entity to measure the cost of employee services received in exchange for an award of equity instruments based on the grant-date fair value of the award (with limited exceptions). That cost will be recognized over the period during which an employee is required to provide service in exchange for the award- the requisite service period (usually the vesting period). No compensation cost is recognized for equity instruments for which employees do not render the requisite service.

Commitments and Contingencies

The Company is committed to an employment agreement with our President and CEO, Thom Kidrin. The agreement was transferred to the Company as part of the operations and related operational assets that was transferred to the Company on May 16, 2011. The agreement, dated as of September 1, 2007, is for five years with a one-year renewal option held by Mr. Kidrin. The agreement provides for a base salary of \$200,000, which increases 10% on January 1 of each year; a monthly car allowance of \$1,000; an annual bonus equal to 2.5% of Pre-Tax Income (as defined in the agreement); an additional bonus as follows: \$75,000, if Pre-Tax Income for the year is between 150% and 200% of the prior fiscal year's Pre-Tax Income or (B) \$100,000, if Pre-Tax Income for the year is between 201% and 250% of the prior fiscal year's Pre-Tax Income or (C) \$200,000, if Pre-Tax Income for the year is 251% or greater than the prior fiscal year's Pre-Tax Income, but in no event shall this additional bonus exceed five (5%) percent of Pre-Tax Income for such year; payment of up to \$10,000 in life insurance premiums; options to purchase 15 million shares of our Worlds Inc. common stock at an exercise price of \$0.05 per share, of which one-third vested on September 4, 2007, one-third vest on August 31, 2008 and the balance vested on August 31, 2009; a death benefit equal to one year of the then base salary and a disability benefit equal to two years of the then base salary; and a payment equal to 2.99 times his base amount (as defined in the agreement) in the event of a Change of Control (as defined in the agreement). The agreement also provides that Mr. Kidrin can be terminated for cause (as defined in the agreement) and that he is subject to restrictive covenants for 12 months after termination.

Income Taxes

The Company accounts for income taxes under Section 740-10-30 of the FASB Accounting Standards Codification. Deferred income tax assets and liabilities are determined based upon differences between the financial reporting and tax basis of assets and liabilities and are measured using the enacted tax rates and laws that will be in effect when the differences are expected to reverse. Deferred tax assets are reduced by a valuation allowance to the extent management concludes it is more likely than not that the assets will not be realized. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in the consolidated statements of operations in the period that includes the enactment date.

Deferred Revenue

As part of a debt refinancing in 2000 with Worlds Inc. (formerly Worlds.com), \$631,950 of debt was renegotiated to deferred revenue representing future services to be provided by the Company. \$355,000 has been amortized into income through December 31, 2010. The balance, \$276,950 has been transferred to the Company. During the period presented herein, \$50,000 has been amortized into income.

Related Party Transactions

The Company was formed on January 25, 2011 as a wholly-owned subsidiary of Worlds Inc. (formerly known as Worlds.com Inc.). On May 16, 2011 Worlds Inc. transferred to the Company the majority of its operations and related operational assets, except for its patent portfolio. Worlds Inc. has also given to the Company a perpetual world-wide license to its patented technology. Pursuant to the license, the Company has the right to issue unlimited sublicenses to the licensed technology, subject to World Inc.'s reasonable consent.

The assets transferred to us include: Worlds Inc.'s technology platform, Worlds Ultimate Chat, Aerosmith World, DMC Worlds, Cinema Virtual, Pearson contracts and related revenue, the following URLs: Worlds.com, Cybersexworld.com, Hang.com, and Worldsfunds.com, a digital inventory of over 10,000 3D objects, animation sequences, an extensive avatar library, texture maps and virtual world architectures. None of the transferred assets have any carrying value on the financial statements of the Company.

Comprehensive Income (Loss)

The Company reports comprehensive income and its components following guidance set forth by section 220-10 of the FASB Accounting Standards Codification which establishes standards for the reporting and display of comprehensive income and its components in the consolidated financial statements. There were no items of comprehensive income (loss) applicable to the Company during the period covered in the financial statements.

Loss Per Share

Net loss per common share is computed pursuant to section 260-10-45 of the FASB Accounting Standards Codification. Basic net loss per share is computed by dividing net loss by the weighted average number of shares of common stock outstanding during the period. Diluted net loss per share is computed by dividing net loss by the weighted average number of shares of common stock and potentially outstanding shares of common stock during each period. There were no potentially dilutive shares outstanding as of May 31, 2011.

Risk and Uncertainties

The Company is subject to risks common to companies in the service and technology industries, including, but not limited to, litigation, development of new technological innovations and dependence on key personnel.

Recent Accounting Pronouncements

The Company has reviewed all recently issued, but not yet effective, accounting pronouncements and do not believe the future adoption of any such pronouncements may be expected to cause a material impact on its financial condition or the results of its operations.

FASB Accounting Standards Codification (Accounting Standards Update (“ASU”) 2009-01)

In June 2009, FASB approved the FASB Accounting Standards Codification (“the Codification”) as the single source of authoritative nongovernmental US GAAP. All existing accounting standard documents, such as FASB, American Institute of Certified Public Accountants, Emerging Issues Task Force and other related literature, excluding guidance from the Securities and Exchange Commission (“SEC”), have been superseded by the Codification. All other non-grandfathered, non-SEC accounting literature not included in the Codification has become nonauthoritative. The Codification did not change US GAAP, but instead introduced a new structure that combines all authoritative standards into a comprehensive, topically organized online database. The Codification is effective for interim or annual periods ending after September 15, 2009, and impacts the Company’s consolidated financial statements as all references to authoritative accounting literature will be referenced in accordance with the Codification.

Subsequent Events

(Included in Accounting Standards Codification (“ASC”) 855 “Subsequent Events”, previously SFAS No. 165 “Subsequent Events”)

SFAS No. 165 established general standards of accounting for and disclosure of events that occur after the balance sheet date, but before the consolidated financial statements are issued or available to be issued (“subsequent events”). An entity is required to disclose the date through which subsequent events have been evaluated and the basis for that date. For public entities, this is the date the consolidated financial statements are issued. SFAS No. 165 does not apply to subsequent events or transactions that are within the scope of other GAAP and did not result in significant changes in

the subsequent events reported by the Company. SFAS No. 165 became effective for interim or annual periods ending after June 15, 2009 and did not impact the Company's consolidated financial statements. The Company evaluated for subsequent events through the issuance date of the Company's consolidated financial statements.

Determination of the Useful Life of Intangible Assets

(Included in ASC 350 "Intangibles — Goodwill and Other", previously FSP SFAS No. 142-3 "Determination of the Useful Lives of Intangible Assets")

FSP SFAS No. 142-3 amended the factors that should be considered in developing renewal or extension assumptions used to determine the useful life of a recognized intangible asset under previously issued goodwill and intangible assets topics. This change was intended to improve the consistency between the useful life of a recognized intangible asset and the period of expected cash flows used to measure the fair value of the asset under topics related to business combinations and other GAAP. The requirement for determining useful lives must be applied prospectively to intangible assets acquired after the effective date and the disclosure requirements must be applied prospectively to all intangible assets recognized as of, and subsequent to, the effective date. FSP SFAS No. 142-3 became effective for consolidated financial statements issued for fiscal years beginning after December 15, 2008, and interim periods within those fiscal years.

Non-controlling Interests

(Included in ASC 810 "Consolidation", previously SFAS No. 160 "Noncontrolling Interests in Consolidated Financial Statements an amendment of ARB No. 51")

SFAS No. 160 changed the accounting and reporting for minority interests such that they will be recharacterized as noncontrolling interests and classified as a component of equity. SFAS No. 160 became effective for fiscal years beginning after December 15, 2008 with early application prohibited. The Company will implement SFAS No. 160 and will not record an intangible asset when the purchase price of a non-controlling interest exceeds the book value at the time of buyout.

Consolidation of Variable Interest Entities — Amended

(To be included in ASC 810 "Consolidation", SFAS No. 167 "Amendments to FASB Interpretation No. 46(R)")

SFAS No. 167 amends FASB Interpretation No. 46(R) "Consolidation of Variable Interest Entities regarding certain guidance for determining whether an entity is a variable interest entity and modifies the methods allowed for determining the primary beneficiary of a variable interest entity. The amendments include: (1) the elimination of the exemption for qualifying special purpose entities, (2) a new approach for determining who should consolidate a variable-interest entity, and (3) changes to when it is necessary to reassess who should consolidate a variable-interest entity. SFAS No. 167 is effective for the first annual reporting period beginning after November 15, 2009, with earlier adoption prohibited.

NOTE 2 - GOING CONCERN

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. Worlds Online Inc. has had only minimal revenues from operations, has a negative working capital, has a negative stockholders deficit and negative cash flows from operations. There can be no assurance that the Company will be able to obtain the substantial additional capital resources necessary to fully implement its business plan or that any assumptions relating to its business plan will prove to be accurate. The Company is pursuing sources of additional financing and there can be no assurance that any such financing will be available to the Company on commercially reasonable terms, or at all. Any inability to obtain additional financing will likely have a material adverse effect on the Company, including possibly requiring the Company to reduce and/or cease operations.

These factors raise substantial doubt about the ability of the Company to continue as a going concern. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

NOTE 3 - PRIVATE PLACEMENTS OF EQUITY

During May of 2011, the Company completed a private placement of 526,315 shares of its common stock at a price per share of \$0.57 for aggregate proceeds of \$300,070 from three "accredited" investors. These shares will be issued after May 31, 2011.

NOTE 4 – DEFERRED REVENUE

Deferred revenue represents advance payments for the license, the design and development of the software, content and related technology for the creation of an interactive, 3D entertainment portal on the internet. During the period herein, \$50,000 worth of services was provided leaving a deferred revenue balance of \$226,950.

NOTE 5- PROPERTY AND EQUIPMENT

There is no property and equipment on the balance sheet at May 31, 2011. The Company does have property and equipment, however, for accounting purposes, the property and equipment that was transferred was fully depreciated by Worlds Inc. prior to the transfer therefore it has no carrying value to the Company.

NOTE 6 – STOCK OPTIONS

During the period, the Company issued 675,000 stock options to various Directors. The stock options allow the parties to purchase shares of the Company's common stock at various prices per share per each individual option agreement. The options allow the various parties to purchase one share of its stock for each option. The options expire at various times through December 31, 2013 per each individual option agreement. The Company did not grant any registration rights with respect to any shares of common stock issuable upon exercise of the options. During the period from inception (January 25, 2011) through May 31, 2011, the Company recorded an expense of \$195,615, equal to the estimated fair value of the options at the date of grants. These options were granted to the Directors for services to be performed. The fair market value was calculated using the Black-Scholes options pricing model, assuming approximately 1.8% risk-free interest, 0% dividend yield, 65% volatility, and expected life of two and three quarter years.

During the period from inception (January 25, 2011) through May 31, 2011 we also issued 5,570,829 stock options exercisable at \$0.57 per share to various option holders of Worlds Inc. The options were issued on the same basis as the

stock dividend i.e. one stock option for every three stock options held in Worlds Inc. However, the exercise price of all such options was increased to \$0.57 per share.

Stock Warrants and Options

Stock warrants and options outstanding and exercisable as of May 31, 2011 are as follows:

NOTE 7 - INCOME TAXES

At May 31, 2011, the Company had federal and state net operating loss carry forwards of approximately \$231,000 that expire in 2024.

Due to operating losses, there is no provision for current federal or state income taxes for the period ended May 31, 2011.

Deferred income taxes reflect the net tax effects of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amount used for federal and state income tax purposes.

The Company's deferred tax asset at May 31, 2011 consists of a net operating loss calculated using federal and state effective tax rates equating to approximately \$92,000 less a valuation allowance in the amount of approximately \$92,000. Because of the Company's lack of earnings history, the deferred tax asset has been fully offset by a valuation allowance.

The Company's total deferred tax asset as of May 31, 2011 is as follows:

Net operating loss	\$	92,000
Valuation allowance		(92,000)
Net deferred tax asset	\$	<u>—</u>

The reconciliation of income taxes computed at the federal and state statutory income tax rate to total income taxes for the period ended May 31, 2011 is as follows:

Income tax computed at the federal statutory rate	34%
Income tax computed at the state statutory rate	5%
Valuation allowance	(39%)
Total deferred tax asset	<u>0%</u>

Written notice of the Annual Meeting stating the place, date and hour of the meeting shall be given to each stockholder entitled to vote at such meeting not less than ten nor more than sixty days before the date of the meeting.

Section 3. Special Meetings. Unless otherwise prescribed by law or by the Certificate of Incorporation, Special Meetings of Stockholders, for any purpose or purposes, may be called by either (i) the Chairman, if there be one, or (ii) the President, (iii) any Vice President, if there be one, (iv) the Secretary, or (v) any Assistant Secretary, if there be one, and shall be called by any such officer at the request in writing of a majority of the Board of Directors or at the request in writing of stockholders owning a majority of the capital stock of the Corporation issued and outstanding and entitled to vote. Such request shall state the purpose or purposes of the proposed meeting. Written notice of a Special Meeting stating the place, date and hour of the meeting and the purpose or purposes for which the meeting is called shall be given not less than ten nor more than sixty days before the date of the meeting to each stockholder entitled to vote at such meeting.

Section 4. Quorum. Except as otherwise provided by law or by the Certificate of Incorporation, the holders of a majority of the capital stock issued and outstanding and entitled to vote thereat, present in person or represented by proxy, shall constitute a quorum at all meetings of the stockholders for the transaction of business. If, however, such quorum shall not be present or represented at any meeting of the stockholders, the stockholders entitled to vote thereat, present in person or represented by proxy, shall have power to adjourn the meeting from time to time, without notice other than announcement at the meeting, of the time and place of the adjourned meeting, until a quorum shall be present or represented. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally noticed. If the adjournment is for more than thirty days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder entitled to vote at the meeting.

Section 5. Voting. Unless otherwise required by law, the Certificate of Incorporation or these By-Laws, any question brought before any meeting of stockholders shall be decided by the vote of the holders of a majority of the stock represented and entitled to vote thereat. Such list shall be open to the examination of any stockholder, for any purpose to the meeting, during ordinary business hours, for a period of at least ten days prior to the meeting, either at a place within the city where the meeting is to be held, which place shall be specified in the notice of the meeting, or, if not so specified, at the place where the meeting is to be held. The list shall also be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder of the Corporation who is present.

Section 8. Stock Ledger. The stock ledger of the Corporation shall be the only evidence as to who are the stock-holders entitled to examine the stock ledger, the list required by Section 7 of this Article II or the books of the Corporation, or to vote in person or by proxy at any meeting of stockholders.

ARTICLE III DIRECTORS

Except as provided in Section 2 of this Article, directors shall be elected by a plurality of the votes cast at Annual Meetings of Stockholders, and each director so elected shall hold office until the next Annual Meeting and until his successor is duly elected and qualified, or until his earlier resignation or removal. Any director may resign at any time upon written notice to the Corporation. Directors need not be stockholders.

Vacancies and newly created directorships resulting from any increase in the authorized number of directors may be filled by a majority of the directors then in office, though less than a quorum, or by a sole remaining director, and the directors so chosen shall hold office until the next annual election and until their successors are duly elected and qualified, or until their earlier resignation or removal.

Section 3. Duties and Powers. The business of the Corporation shall be managed by or under the direction of the Board of Directors which may exercise all such powers of the Corporation and do all such lawful acts and things as are not by statute or by the Certificate of Incorporation or by these By-Laws directed or required to be exercised or done by the stockholders.

Section 4. Meetings. The Board of Directors of the Corporation may hold meetings, both regular and special, either within or without the State of Delaware. Regular meetings of the Board of Directors may be held without notice at such time and at such place as may from time to time be determined by the Board of Directors. Special meetings of the Board of Directors may be called by the Chairman, if there be one, the President, or any one (1) director. Notice thereof stating the place, date and hour of the meetings shall be given to each director either by mail not less than forty-eight (48) hours before the date of the meeting, by telephone or telegram on twenty-four (24) hours' notice, or on such shorter notice as the person or persons calling such meeting may deem necessary or appropriate in the circumstances.

Section 5. Quorum. Except as may be otherwise specifically provided by law, the Certificate of Incorporation or these By-Laws, at all meetings of the Board of Directors, a majority of the entire Board of Directors shall constitute a quorum for the transaction of business and the act of a majority of the directors present at any meeting at which there is a quorum shall be the act of the Board of Directors. Section 6. Actions of Board. Unless otherwise provided by the Certificate of Incorporation or these By-Laws, any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting, if all the members of the Board of Directors or committee, as the case may be, consent thereto in writing, and the writing or writings are filed with the minutes of proceedings of the Board of Directors or committee.

Section 7. Meetings by Means of Conference Telephone. Unless otherwise provided by the Certificate of Incorporation or these By-Laws, members of the Board of Directors of the Corporation, or any committee designated by the Board of Directors, may participate in a meeting of the Board of Directors or such committee by means of a conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting pursuant to the Section 7 shall constitute presence in person at such meeting.

The Board of Directors may, by resolution passed by a majority of the entire Board of Directors, designate one or more committees, each committee to consist of one or more of the directors of the Corporation. The Board of Directors may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of any such committee. No such payment shall preclude any director from serving the Corporation in any other capacity and receiving compensation therefor. Members of special or standing committees may be allowed like reimbursement of expenses for attending committee meetings.

Section 10. Interested Directors. No contract or transaction between the Corporation and one or more of its directors or officers, or between the Corporation and any other corporation, partnership, association, or other organization in which one or more of its directors or officers are directors or officers, or have a financial interest, shall be void or voidable solely for this reason, or solely because the director or officer is present at or participates in the meeting of the Board of Directors or committee thereof which authorizes the contract or transaction, or solely because his or their votes are counted for such purpose if (i) the material facts as to his or their relationship or interest and as to the contract or transaction are disclosed or are known to the Board of Directors or their committee, and the Board of Directors or committee in good faith authorizes the contract or transaction by the affirmative votes of a majority of the disinterested directors, even though the disinterested directors be less than a quorum; or (ii) the material facts as to his or their relationship or interest and as to the contract or transaction are disclosed or are known to the shareholders entitled to vote thereon, and the contract or transaction is specifically approved in good faith by vote of the shareholders; or (iii) the contract or transaction is fair as to the Corporation as of the time it is authorized, approved or ratified, by the Board of Directors, a committee thereof or the shareholders. 3. Compensation.

(a) As compensation for his services hereunder, the Company shall pay to Executive during the Term:

(i) a base salary at the rate of \$200,000 per annum (the "Base Salary"), such Base Salary to be paid in substantially equal installments no less often than twice monthly;

(ii) the Base Salary shall be increased by 10% on January 1 of each year of the Term over the prior year's Base Salary;

(iii) a car allowance in the amount of \$1,000 per month, payable monthly;

(iv) a bonus (the "2.5% Bonus") in respect of each Bonus Period (as hereinafter defined), payable within ninety (90) days after the end of such Bonus Period, in an amount equal to two and one-half percent (2.5%) of Pre-Tax Income (as hereinafter defined);

(v) a bonus (the "Additional Bonus") in respect of each Bonus Period, payable within ninety (90) days after the end of such Bonus Period, as follows: (A) \$75,000, if Pre-Tax Income for the Bonus Period is between 150% and 200% of the prior fiscal year's Pre-Tax Income; or (B) \$100,000, if Pre-Tax Income for the Bonus Period is between 201% and 250% of the prior fiscal year's Pre-Tax Income; or (C) \$200,000, if Pre-Tax Income for the Bonus Period is 251% or greater than the prior fiscal year's Pre-Tax Income; but in no event shall the Additional Bonus payable to Executive with respect to any Bonus Period exceed five (5%) percent of Pre-Tax Income for such Bonus Period; and

(vi) such additional incentive or bonus compensation as the Company's Board of Directors may from time to time determine.

(b) For the purposes of paragraph 3(a):

(i) "Bonus Period" is a fiscal year of the Company ending during the Term; and

(ii) The "Pre-Tax Income" in any Bonus Period is the Company's income before provision for income taxes.

The determination of the Pre-Tax Income and the 2.5% Bonus and Additional Bonus for any Bonus Period shall be determined by the Company's then Chief Financial Officer (or other senior most accounting official if no one holds a position with that title) in accordance with the Company's audited financial statements as prepared by the Company's independent auditor, which shall be conclusive and binding upon the Company and Executive.

(c) The Company shall provide major medical, hospitalization and dental insurance for the benefit of Executive and his family consistent with benefits made available to other of the Company's senior executives and if no such benefits are then available or paid to other executives, than in amount of, and providing coverage for, no lesser benefits than Executive has prior to the date hereof, and the Company shall pay all premiums and any other costs or expenses incurred to maintain such policies in effect during the Term.

(d) In addition to his Base Salary and other compensation provided herein, Executive shall be entitled to participate, to the extent he is eligible under the terms and conditions thereof, in any stock, stock option or other equity participation plan and any profit-sharing, pension, retirement, insurance, medical service or other employee benefit plan generally available to the executive officers of the Company, and to receive any other benefits or perquisites generally available to the executive officers of the Company pursuant to any employment policy or practice, which may be in effect from time to time during the Term. The above notwithstanding, the Company shall use its commercially

reasonable efforts to obtain for the benefit of Executive a life insurance policy with a death benefit of at least \$2 million payable to a beneficiary of Executive's choice, provided, however, that the Company shall not be obligated to spend more than \$10,000 annually on the premiums for such policy. Except as otherwise expressly provided herein, the Company shall be under no obligation hereunder to institute or to continue any such employee benefit plan or employment policy or practice.

(e) No provision hereof is intended, or shall be deemed, to impair or limit Executive's eligibility to receive, or any right he may now or at any time hereafter have to receive, hold or dispose of any common stock, par value \$.001 per share, of the Company (the "Common Stock") or other securities of the Company or to receive, hold or exercise any options, warrants or other rights to acquire any Common Stock or other securities of the Company.

(f) During the Term, Executive shall not be entitled to additional compensation for serving in any office of the Company (or any subsidiary thereof) to which he is elected or appointed, except that, throughout any period or periods during which he shall serve as a director of the Company (or such subsidiary), Executive shall be entitled to directors' fees in accordance with the policies and practices of the Company (or such subsidiary) then in effect.

4. Stock Options.

(a) By its approval of this Agreement, the Company's Board of Directors has approved the issuance to Executive of an option to acquire 15,000,000 shares of the Company's Common Stock, under and pursuant to the provisions of the Worlds.com, Inc. 2007 Stock Option Plan, as adopted by the Company's Board of Directors and as will be submitted to the Company's Shareholders for approval (the "Plan") and on the terms set forth in the Stock Option Agreement annexed to this Agreement as Exhibit A (the "Option Agreement"), which provides *inter alia* that such option shall vest as set forth below, and be exercisable at the exercise price of \$0.05 per share at any time during the five (5) year period following the date hereof (subject to earlier termination as provided under the Plan):

- (i) the option to acquire 5,000,000 shares shall vest immediately;
- (ii) the option to acquire 5,000,000 shares shall vest on August 31, 2008; and
- (iii) the option to acquire 5,000,000 shares shall vest on August 31, 2009.

(b) The option being granted hereby is subject in all respects to the terms and provisions of the Plan and the Option Agreement, including, without limitation, the termination provisions contained in the Plan, and in the event of any conflict between the terms of this Agreement and the Plan or the Option Agreement, the Plan or the Option Agreement shall control. The option granted hereby is also subject to the approval of the Plan by the Company's shareholders. It is the intention of the parties hereto that, to the extent possible, the options granted herein shall be "incentive stock options" as such term is defined in the Internal Revenue Code of 1986 and any of the terms of the options shall be modified, as minimally as necessary, to maintain their status as incentive stock options.

(c) Executive shall receive such other option, restrictive stock awards or other security-based compensation as the Board of Directors shall approve.

5. Expense Allowance. The Company shall pay directly, or advance funds to Executive or reimburse Executive for, all expenses reasonably incurred by him in connection with the performance of his duties as an employee or consultant hereunder, upon the submission to the Company of itemized expense reports, receipts or vouchers in accordance with its then customary policies and practices.

6. Location; Office. Except for routine travel and temporary accommodation reasonably required to perform his services hereunder, Executive shall not be required to perform his services hereunder at any location other than the principal executive office of the Company, which office shall be located throughout the Term at its location on the date hereof, or, if relocated, at a location within a distance of 30 miles from its location on the date hereof, or at such other office or site to which Executive may, in his sole discretion, consent; nor shall he be required to relocate his principal residence to, or otherwise to reside at, any location specified by the Company. The Company shall provide Executive with suitable office space, furnishings and equipment, secretarial and clerical services and such other facilities and office support as Executive may reasonably request.

7. Vacation. Executive shall be entitled to four (4) weeks paid vacation during each year of his full time employment hereunder, such vacation to be taken at such time or times as shall be agreed upon by Executive and the Company. Vacation time shall be cumulative from year to year, except that Executive shall not be entitled to take more than six weeks vacation during any consecutive 12-month period during the Term. Accrued but unused vacation time shall be paid in cash on the Termination Date, except that in the event of a Termination pursuant to Section 12, the amount of accrued vacation time to be paid on the Termination Date shall be limited to six weeks and in the event of a Termination pursuant to Section 13, the amount of vacation time to be paid on the Termination Date shall be limited to four weeks.

8. Key-Man Insurance. The Company shall have the right from time to time to purchase, increase, modify or terminate insurance policies on the life of Executive for the benefit of the Company in such amounts as the Company may determine in its sole discretion. In connection therewith, Executive shall, at such time or times and at such place or places as the Company may reasonably direct, submit himself to such physical examinations and execute and deliver such documents as the Company may deem necessary or appropriate.

9. Trade Secrets.

(a) Executive shall hold in a fiduciary capacity for the benefit of the Company all confidential or proprietary information relating to or concerned with the Company or its Affiliates (as defined below) or its products or services, prospective products or services, operations, business and affairs (“Confidential Information”), and he shall not, at any time hereafter, use or disclose any Confidential Information to any person other than to the Company or its designees or except as may otherwise be required in connection with the business and affairs of the Company, and in furtherance of the foregoing Executive agrees that:

(i) Executive will receive, maintain and hold Confidential Information in strict confidence and will use the same level of care in safeguarding it that he uses with his own confidential material of a similar nature;

(ii) Executive will take all such steps as may be reasonably necessary to prevent the disclosure of Confidential Information; and

(iii) Executive will not utilize Confidential Information for his personal benefit without first having obtained the Company’s consent to such utilization.

“Affiliate” of a Person means another Person directly or indirectly controlling, controlled by, or under common control with, such Person; for this purpose, “control” of a Person means the power (whether or not exercised) to direct the policies, operations or activities of such Person by virtue of the ownership of, or right to vote or direct the manner of voting of, securities of such Person, or pursuant to agreement or law or otherwise. The term “Person” includes without limitation a natural person, corporation, joint stock company, limited liability company, partnership, joint venture, association, trust, governmental authority, or any group of the foregoing acting in concert.

(b) The commitments set forth in paragraph 9(a) shall not extend to any portion of Confidential Information:

(i) that is generally available to the public;

(ii) that was not acquired, directly or indirectly and/or in any manner, from the Company and which Executive lawfully had in his possession prior to the date of this Agreement; or

(iii) that, hereafter, through no act or omission on the part of the Executive, becomes information generally available to the public.

(c) At any time upon written request by the Company (i) the Confidential Information, including any copies, shall be returned to the Company, and (ii) all documents, drawings, specifications, computer software, and any other material whatsoever in the possession of the Executive that relates to such Confidential Information, including all copies and/or any other form of reproduction and/or description thereof made by Executive shall, at the Company’s option, be returned to the Company or destroyed.

(d) In the event that Executive becomes legally compelled (by deposition, interrogatory, request of documents, subpoena, civil investigative demand or similar process) to disclose any of the Confidential Information, the Executive shall provide the Company with prompt prior written notice of such requirement so that it (or its designees) may seek a protective order or other appropriate remedy and/or waive compliance with the terms of this Agreement. In the event that such protective order or other remedy is not obtained, or the Company waives compliance with the provisions hereof, the Executive agrees to furnish only such portion of the Confidential Information which is legally required to be furnished.

10. Intellectual Property. Any idea, invention, design, process, system, procedure, improvement, development or discovery conceived, developed, created or made by Executive, alone or with others, during the Term and applicable to

the business of the Company, whether or not patentable or registrable, shall become the sole and exclusive property of the Company. Executive shall disclose the same promptly and completely to the Company and shall, during the Term or thereafter, (i) execute all documents requested by the Company for vesting in the Company the entire right, title and interest in and to the same, (ii) execute all documents requested by the Company for filing and procuring such applications for patents, trademarks, service marks or copyrights as the Company, in its sole discretion, may desire to prosecute, and (iii) give the Company all assistance it may reasonably require, including the giving of testimony in any Proceeding (as defined below), in order to obtain, maintain and protect the Company's right therein and thereto.

A "Proceeding" is any suit, action, arbitration, audit, investigation or other proceeding before or by any court, magistrate, arbitration panel or other tribunal, or any governmental agency, authority or instrumentality of competent jurisdiction.

11. No Competition.

(a) During the Restricted Period (as defined below), Executive shall not, directly or indirectly:

(i) own, control, manage, operate, participate or invest in, or otherwise be connected with, in any manner, any business activity, venture or enterprise which is engaged in any business in the United States in which the Company (or any subsidiary thereof) is currently engaged or is engaged at the time of termination of Executive's employment hereunder, or

(ii) for himself or on behalf of any other person, employ or engage any person who at the time shall have been within the preceding 12-month period an employee of the Company (or such subsidiary) or contact any supplier, customer or employee of the Company (or such subsidiary) for the purpose of soliciting or diverting any supplier, customer or employee from the Company (or such subsidiary).

(b) The provisions of paragraph 11(a) notwithstanding, Executive may invest his funds in securities of an issuer if the securities of such issuer are listed for trading on a registered securities exchange or actively traded in an over-the-counter market and Executive's holdings therein represent less than 5% of the total number of shares or principal amount of the securities of such issuer outstanding.

(c) Executive acknowledges that the provisions of this Section, and the period of time, geographic area and scope and type of restrictions on his activities set forth herein, are reasonable and necessary for the protection of the Company.

(d) "Restricted Period" shall mean the period commencing on the date hereof and ending August 31, 2012; provided, however, that if Executive has exercised his option to extend the Term to August 31, 2013 in accordance with Section 2 hereof, the Restricted Period shall end August 31, 2014.

12. Termination Upon Disability. In the event that the Board of Directors determines that the Executive is unable to perform his duties hereunder by reason of any disability or incapacity (due to any physical or mental injury, illness or defect) for an aggregate of 180 days in any consecutive 12-month period, the Company shall have the right to terminate Executive's employment hereunder within 60 days after the 180th day of his disability or incapacity by giving Executive notice to such effect at least 30 days prior to the date of termination set forth in such notice, and on such date such employment shall terminate. The Board of Directors' determination shall be made after due inquiry, on the basis of convincing evidence presented in at least two medical opinions rendered by reputable physicians with experience in diagnosing and treating the condition described in the opinion.

13. Termination for Cause.

(a) In addition to any other rights or remedies provided by law or in this Agreement, the Company may terminate Executive's employment under this Agreement if:

(i) Executive is convicted of, or enters a plea of guilty or *nolo contendere* (which plea is not withdrawn prior to its approval by the court) to, a felony offense or the commission of a fraud against, or embezzlement or misappropriation of funds or other assets of, the Company (or any subsidiary thereof) and either Executive fails to perfect an appeal of such conviction prior to the expiration of the maximum period of time within which, under applicable law or rules of court, such appeal may be perfected or, if Executive does perfect such an appeal, his conviction of such as offense is sustained on appeal; or

(ii) the Company's Board of Directors determines, after due inquiry, based on convincing evidence, that Executive has:

- (A) violated, or caused the Company (or any subsidiary thereof) or any officer, employee or other agent thereof, or any other person to violate, any material law, regulation or ordinance or any material rule, regulation, policy or practice established by the Company's Board of Directors;
- (B) willfully, or because of gross or persistent negligence, (x) failed properly to perform his duties hereunder or (y) acted in a manner detrimental to, or adverse to the interests of, the Company; or
- (C) violated, or failed to perform or satisfy any material covenant, condition or obligation required to be performed or satisfied by Executive hereunder;

and that, in the case of any violation or failure referred to in clause (A), (B) or (C) of this paragraph (ii) of Section 13(a), such violation or failure has caused, or is reasonably likely to cause, the Company to suffer or incur a substantial casualty, loss, penalty, expense or other liability or cost.

(b) The Company may effect such termination for cause by giving Executive notice to such effect, setting forth in reasonable detail the factual basis for such termination, at least thirty (30) days prior to the date of termination set forth therein; *provided, however*, that Executive may avoid such termination if Executive, prior to the date of termination set forth in such notice, explains to the reasonable satisfaction of the Company's Board of Directors why the facts relied upon by the Company in terminating Executive's employment do not constitute a For Cause Event (as defined below) or that Executive has ceased any such claimed violation and/or cured any such failure to perform within such 20 day period.

(c) In making any determination pursuant to Section 13(a) as to the occurrence of any act or event described in clauses (A) to (C) of paragraph (ii) thereof (each, a "For Cause Event"), each of the following shall constitute convincing evidence of such occurrence:

(i) if Executive is made a party to, or target of, any Proceeding arising under or relating to any For Cause Event, Executive's failure to defend against such Proceeding or to answer any complaint filed against him therein, or to deny any claim, charge, averment, or allegation thereof asserting or based upon the occurrence of a For Cause Event;

(ii) any judgment, award, order, decree or other adjudication or ruling in any such Proceeding finding or based upon the occurrence of a For Cause Event; or

(iii) any settlement or compromise of, or consent decree issued in, any such Proceeding in which Executive expressly admits the occurrence of a For Cause Event;

provided that none of the foregoing shall be dispositive or create an irrebuttable presumption of the occurrence of such For Cause Event; and *provided further* that the Company's Board of Directors may rely on any other factor or event as convincing evidence of the occurrence of a For Cause Event.

(d) In determining and assessing the detrimental effect of any For Cause Event on the Company and whether such For Cause Event warrants the termination of Executive's employment hereunder, the Company's Board of Directors shall take the following factors, to the extent applicable and material, into account:

(i) whether the Company's Board of Directors directed or authorized Executive to take, or to omit to take, any action involved in such For Cause Event, or approved, consented to or acquiesced in his taking or omitting to take such action;

(ii) any award of damages, penalty or other sanction, remedy or relief granted or imposed in any Proceeding based upon or relating to such For Cause Event, and whether such sanction, remedy or relief is sufficient to recompense the Company or any other injured person, or to prevent or to deter the recurrence of such For Cause Event;

(iii) whether any lesser sanction would be appropriate and effective; and

(iv) any adverse effect that the loss of Executive's services would have, or be reasonably likely to have, upon the Company.

14. Termination by Executive for Good Reason. In addition to any other rights or remedies provided by law or in this Agreement, Executive may terminate his employment hereunder:

(i) if (A) the Company violates, or fails to perform or satisfy any material covenant, condition or obligation required to be performed or satisfied by it hereunder or, (B) as a result of any action or failure to act by the Company, there is a material change in the nature or scope of the duties, obligations, rights or powers of Executive's employment, by giving the Company notice to such effect, setting forth in reasonable detail the factual basis for

such termination, at least thirty (30) days prior to the date of termination set forth therein; *provided however* that the Company may avoid such termination if it, prior to the date of termination set forth in such notice, cures or explains to the reasonable satisfaction of Executive the factual basis for termination set forth therein; or

(ii) if a Change of Control (as hereinafter defined) occurs while Executive is a full-time employee of the Company, by giving the Company notice to such effect within ninety (90) days after the occurrence of such Change of Control, setting forth the event or circumstance constituting such Change of Control, such termination to be effective upon the date of termination, not more than thirty (30) days after the date of such notice, set forth therein or, if no such date is set forth therein, immediately upon delivery of such notice to the Company.

15. Voluntary Termination. In addition to any other rights or remedies provided by law or in this Agreement, from and after the date hereof, Executive may terminate his employment hereunder by giving the Company written notice to such effect at least ninety (90) days prior to the date of termination set forth therein.

16. Compensation and Benefits upon Termination.

(a) Upon termination of Executive's employment hereunder, he shall be entitled to receive, in any case, any Base Salary pursuant to Section 3(a)(i) accrued but unpaid to the Termination Date. Any amount payable to Executive under this subparagraph shall be paid promptly, and in any event within thirty (30) days after the Termination Date.

(b) If Executive's employment is terminated as a result of a "For Cause Event" pursuant to Section 13, except for the payment of any amount required to be made by Section 16(a), from and after the Termination Date, the Company shall have no further obligation to Executive hereunder, including without limitation any obligation pursuant to Section 18.

(c) If the Executive's employment is terminated (i) by him pursuant to Section 14(i); or (ii) by the Company other than as a result of a "For Cause Event" pursuant to Section 13; he shall be entitled to receive an amount equal to the full value of any Base Salary still remaining until the end of the Term plus an amount equal to three times the Base Salary at the time of termination. Notwithstanding the foregoing, if the Executive's employment (but not consultancy) is terminated by the Company after a Change of Control has occurred for any reason other than as a result of a "For Cause Event" pursuant to Section 13, he shall be entitled to receive, upon the terms and subject to the conditions set forth in Section 17, the Parachute Amount (as hereinafter defined in Section 17). Any amount payable to Executive under this subparagraph shall be paid promptly, and in any event within thirty (30) days after the Termination Date.

(d) If the Executive's employment terminates as a result of a Change of Control pursuant to Section 14(ii), he shall be entitled to receive, upon the terms and subject to the conditions set forth in Section 17, the Parachute Amount. Any amount payable to Executive under this subparagraph shall be paid promptly, and in any event within thirty (30) days after the Termination Date.

(e) If the Executive's employment is terminated by him pursuant to Section 14(i) or 14(ii) of this Agreement, or by the Company other than as a result of a "For Cause Event" pursuant to Section 13, or if the Executive voluntarily terminates his employment pursuant to Section 15(a) of this Agreement, the Company shall for the two (2) year period following the Termination Date maintain and pay for Executive and his family, or reimburse Executive, for the cost of medical, dental, and hospitalization benefits comparable to such benefits maintained by the Company during the twelve (12) months prior to the Termination Date.

(f) Executive shall have no obligation hereunder to seek or to accept any other employment after the Termination Date or otherwise to mitigate the payments required to be made by this Section. No compensation or other amount received or receivable by Executive on account of any employment or engagement after the Termination Date shall be offset against or deducted from any payment required to be made by this Section 16 or Section 17.

(g) In the event the Company terminates Executive other than as a result of a "For Cause Event" pursuant to Section 13, or if the Executive's employment is terminated by him pursuant to Section 14(i) or 14(ii) of this Agreement, Executive shall receive as his sole and exclusive remedy and damages the payments he would otherwise be entitled to receive under the applicable provisions of this Section 16 (and, if applicable, the other benefits provided under clause (g) of this Section 16).

(h) In the event of Executive's death or if the Company terminates Executive for disability pursuant to Section 12, the Company shall pay, in the case of Executive's death, Executive's estate an amount equal to his then

current Base Salary and in the event of termination for disability, an amount equal to two times his then current Base Salary. Any amount payable to Executive (or his estate) under this subparagraph shall be paid promptly, and in any event within thirty (30) days after the date Executive dies or is terminated for disability, as the case may be.

17. Change of Control.

(a) For the purposes of this Section 17:

(i) The “Act” is the Securities Exchange Act of 1934, as amended.

(ii) A “person” includes a “group” within the meaning of Section 13(d)(3) of the Act.

(iii) “Control” is used herein as defined in Rule 12b-2 under the Act.

(iv) “Beneficially owns” and “acquisition” are used herein as defined in Rules 13d-3 and 13d-5, respectively, under the Act.

(v) “Non-Affiliated Person” means any person, other than Executive, an employee stock ownership trust of the Company (or any trustee thereof for the benefit of such trust), or any person controlled by Executive, the Company or such a trust.

(vi) “Voting Securities” includes Common Stock and any other securities of the Company that ordinarily entitle the holders thereof to vote, together with the holders of Common Stock or as a separate class, with respect to matters submitted to a vote of the holders of Common Stock, but securities of the Company as to which the consent of the holders thereof is required by applicable law or the terms of such securities only with respect to certain specified transactions or other matters, or the holders of which are entitled to vote only upon the occurrence of certain specified events (such as default in the payment of a mandatory dividend on preferred stock or a scheduled installment of principal or interest of any debt security), shall not be Voting Securities.

(vii) “Right” means any option, warrant or other right to acquire any Voting Security (other than such a right of conversion or exchange included in a Voting Security).

(viii) The “Code” is the Internal Revenue Code of 1986, as amended.

(ix) “Base amount,” “present value” and “parachute payment” are used herein as defined in Section 280G of the Code.

(b) A “Change of Control” occurs when:

(i) a Non-Affiliated Person acquires control of the Company;

(ii) upon an acquisition of Voting Securities or Rights by a Non-Affiliated Person from persons other than the Executive (or persons controlled by the Executive) or any change in the number or voting power of outstanding Voting Securities, such Non-Affiliated Person beneficially owns Voting Securities or Rights entitling such person to cast a number of votes (determined in accordance with Section 16(g)) equal to or greater than 25% of the sum of (A) the number of votes that may be cast by all other holders of outstanding Voting Securities and (B) the number of votes that may be cast by such Non-Affiliated Person (determined in accordance with Section 17(g)); or

(iii) upon any change in the membership of the Company’s Board of Directors, a majority of the directors are persons who are not nominated or appointed by the Company’s Board of Directors as constituted prior to such change.

(c) The “Parachute Amount” to which Executive shall be entitled pursuant to Sections 16(c) and (d) shall equal 2.99 multiplied by the Executive’s base amount.

(d) It is intended that the present value of any payments or benefits to Executive, whether hereunder or otherwise, that are includible in the computation of the Parachute Amount shall not exceed 2.99 times the Executive's base amount. Accordingly, if Executive receives any payment or benefit from the Company prior to payment of the Parachute Amount which, when added to the Parachute Amount, would subject any of the payments or benefits to Executive to the excise tax imposed by Section 4999 of the Code, the Parachute Amount shall be reduced by the least amount necessary to avoid such tax. The Company shall have no obligation hereunder to make any payment or provide any benefit to Executive after the payment of the Parachute Amount which would subject any of such payments or benefits to the excise tax imposed by Section 4999 of the Code.

(e) Any other provision hereof notwithstanding, Executive may (but only to the extent not prohibited by the United States securities laws, as then amended), prior to his receipt of the Parachute Amount pursuant to Section 17(d), waive the payment thereof, or, after his receipt of the Parachute Amount thereunder, treat some or all of such amount as a loan from the Company which Executive shall repay to the Company within 180 days after the receipt thereof, together with interest thereon at the rate provided in Section 7872 of the Code, in either case, by giving the Company notice to such effect.

(f) Any determination of the Executive's base amount, the Parachute Amount, any liability for excise tax under Section 4999 of the Code or other matter required to be made pursuant to this Section 17, shall be made by the Company's regularly-engaged independent certified public accountants, whose determination shall be conclusive and binding upon the Company and Executive; *provided* that such accountants shall give to Executive, on or before the date on which payment of the Parachute Amount or any later payment or benefit would be made, a notice setting forth in reasonable detail such determination and the basis therefor, and stating expressly that Executive is entitled to rely thereon.

(g) The number of votes that may be cast by holders of Voting Securities or Rights upon the issuance or grant thereof shall be deemed to be the largest number of votes that may be cast by the holders of such securities or the holders of any other Voting Securities into which such Voting Securities or Rights are convertible or for which they are exchangeable or exercisable, determined as though such Voting Securities or Rights were immediately convertible, exchangeable or exercisable and without regard to any anti-dilution or other adjustments provided for therein.

18. Other Termination Provisions.

(a) Throughout the 7-year period following the Termination Date, the Company shall indemnify Executive, and hold him harmless from, any loss, damages, liability, obligation or expense that he may suffer or incur in connection with any claim made or Proceeding commenced during such period relating to his service as a director, officer, employee or agent of the Company (or any subsidiary thereof) to the same extent and in same manner as the Company shall be obligated so to indemnify Executive immediately prior to the Termination Date; *provided* that, if during such 7-year period the Company adopts or assumes any indemnification policy or practice with respect to its directors, officers, employees or agents that is more favorable than that in effect on the Termination Date, Executive shall be entitled to such more favorable indemnification.

(b) Throughout the 7-year period following the Termination Date, the Company shall maintain for the benefit of Executive directors' and officers' liability insurance (on a "claims made" basis) providing coverage at least as favorable to Executive (including with respect to limits of liability, exclusions, and deductible and retention amounts) as that in effect on the Termination Date.

19. Limitation of Authority. Except as expressly provided herein, no provision hereof shall be deemed to authorize or empower either party hereto to act on behalf of, obligate or bind the other party hereto.

20. Notices. Any notice or demand required or permitted to be given or made hereunder to or upon either party hereto shall be deemed to have been duly given or made for all purposes if (a) in writing and sent by (i) messenger or an overnight courier service against receipt, or (ii) certified or registered mail, postage paid, return receipt requested, or (b) sent by telegram, telecopy, telex or similar electronic means, *provided* that a written copy thereof is sent on the same day by postage-paid first-class mail, to such party at the following address:

21. Amendment. Except as otherwise provided herein, no amendment of this Agreement shall be valid or effective, unless in writing and signed by or on behalf of the parties hereto.
22. Waiver. No course of dealing or omission or delay on the part of either party hereto in asserting or exercising any right hereunder shall constitute or operate as a waiver of any such right. No waiver of any provision hereof shall be effective, unless in writing and signed by or on behalf of the party to be charged therewith. No waiver shall be deemed a continuing waiver or waiver in respect of any other or subsequent breach or default, unless expressly so stated in writing.
23. Governing Law. This Agreement shall be governed by, and interpreted and enforced in accordance with, the laws of the State of New York without regard to principles of choice of law or conflict of laws.
24. Jurisdiction. Each of the parties hereto hereby irrevocably consents and submits to the jurisdiction of the courts of the State of New York and the United States District Court for the Southern District of New York in connection with any suit, action or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby, waives any objection to venue in the County of New York or Rockland, State of New York, or such District, and agrees that service of any summons, complaint, notice or other process relating to such proceeding may be effected in the manner provided by clause (a) (ii) of Section 20.
25. Remedies. In the event of any actual or prospective breach or default by either party hereto, the other party shall be entitled to equitable relief, including remedies in the nature of rescission, injunction and specific performance. All remedies hereunder are cumulative and not exclusive, and nothing herein shall be deemed to prohibit or limit either party from pursuing any other remedy or relief available at law or in equity for such actual or prospective breach or default, including the recovery of damages.
26. Severability. The provisions hereof are severable and in the event that any provision of this Agreement shall be determined to be invalid or unenforceable in any respect by a court of competent jurisdiction, the remaining provisions hereof shall not be affected, but shall, subject to the discretion of such court, remain in full force and effect, and any invalid or unenforceable provision shall be deemed, without further action on the part of the parties hereto, amended and limited to the extent necessary to render the same valid and enforceable.
27. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original and which together shall constitute one and the same agreement.
28. Assignment. This Agreement, and each right, interest and obligation hereunder, may not be assigned by either party hereto without the prior written consent of the other party hereto, and any purported assignment without such consent shall be void and without effect, except that this Agreement shall be assigned to, and assumed by, any person with or into which the Company merges or consolidates, or which acquires all or substantially all of its assets, or which otherwise succeeds to and continues the Company's business substantially as an entirety. Except as otherwise expressly provided herein or required by law, Executive shall not have any power of anticipation, assignment or alienation of any payments required to be made to him hereunder, and no other person may acquire any right or interest in any thereof by reason of any purported sale, assignment or other disposition thereof, whether voluntary or involuntary, any claim in a bankruptcy or other insolvency proceeding against Executive, or any other ruling, judgment, order, writ or decree.
29. Binding Effect. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. This Agreement is not intended, and shall not be deemed, to create or confer any right or interest for the benefit of any person not a party hereto.

30. Titles and Captions. The titles and captions of the Articles and Sections of this Agreement are for convenience of reference only and do not in any way define or interpret the intent of the parties or modify or otherwise affect any of the provisions hereof.

31. Grammatical Conventions. Whenever the context so requires, each pronoun or verb used herein shall be construed in the singular or the plural sense and each capitalized term defined herein and each pronoun used herein shall be construed in the masculine, feminine or neuter sense.

32. References. The terms "herein," "hereto," "hereof," "hereby," and "hereunder," and other terms of similar import, refer to this Agreement as a whole, and not to any Article, Section or other part hereof.

33. No Presumptions. Each party hereto acknowledges that it has had an opportunity to consult with counsel and has participated in the preparation of this Agreement. No party hereto is entitled to any presumption with respect to the interpretation of any provision hereof or the resolution of any alleged ambiguity herein based on any claim that the other party hereto drafted or controlled the drafting of this Agreement.

34. Entire Agreement. This Agreement embodies the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes any prior agreement, commitment or arrangement relating thereto, written or oral, if any, which shall terminate immediately upon the commencement of the Term, except that each party thereto shall (a) remain required to perform any act and to satisfy any obligation or condition that such party is required to perform or satisfy thereunder with respect to any event occurring or circumstance existing prior to the commencement of the Term hereof (including without limitation the payment or delivery to Executive of any compensation, reimbursable expense or employee benefit or perquisite to which he may be entitled, but which has not yet been paid to him, on account of his employment under any such prior arrangement) that has not been so performed or satisfied, and (b) retain his or its right under any such prior assignment to assert or to allege any claim or cause of action relating to or based upon, or otherwise to enforce, any provision thereof with respect to any event occurring or circumstance existing during the term thereof.

IN WITNESS WHEREOF, the undersigned have duly executed this Agreement as of the day and year first above written.

WORLDS ONLINE INC.
2011 Stock Award and Incentive Plan

1. *Purpose.* The purpose of this 2011 Stock Award and Incentive Plan (the “Plan”) is to aid Worlds Online Inc., a Delaware corporation (the “Company”), in attracting, retaining, motivating and rewarding employees (including executive officers and employee directors), non-employee directors, and other persons (including consultants and advisors) who provide substantial services to the Company or its subsidiaries or affiliates, to provide for equitable and competitive compensation opportunities, to recognize individual contributions and reward achievement of Company goals, and promote the creation of long-term value for stockholders by closely aligning the interests of Participants with those of stockholders. The Plan authorizes stock-based and cash-based incentives for Participants.

2. *Definitions.* In addition to the terms defined in Section 1 above and elsewhere in the Plan, the following capitalized terms used in the Plan have the respective meanings set forth in this Section:

(a) “Annual Incentive Award” means a type of Performance Award granted to a Participant under Section 7(c) representing a conditional right to receive cash, Stock or other Awards or payments, as determined by the Committee, based on performance in a performance period of one fiscal year or a portion thereof.

(b) “Award” means any Option, SAR, Restricted Stock, Deferred Stock, Stock granted as a bonus or in lieu of another award, Dividend Equivalent, Other Stock-Based Award, Performance Award or Annual Incentive Award, together with any related right or interest, granted to a Participant under the Plan.

(c) “Beneficiary” means the legal representatives of the Participant’s estate entitled by will or the laws of descent and distribution to receive the benefits under a Participant’s Award upon a Participant’s death, provided that, if and to the extent authorized by the Committee, a Participant may be permitted to designate a Beneficiary, in which case the “Beneficiary” instead will be the person, persons, trust or trusts (if any are then surviving) which have been designated by the Participant in his or her most recent written beneficiary designation filed with the Committee to receive the benefits specified under the Participant’s Award upon such Participant’s death. Unless otherwise determined by the Committee, any designation of a Beneficiary other than a Participant’s spouse shall be subject to the written consent of such spouse.

(d) “Board” means the Company’s Board of Directors.

(e) “Change in Control” and related terms have the meanings specified in Section 9.

(f) “Code” means the Internal Revenue Code of 1986, as amended. References to any provision of the Code or regulation (including a proposed regulation) thereunder shall include any successor provisions and regulations.

(g) “Committee” means a committee of two or more directors designated by the Board to administer the Plan; provided, however, that, directors appointed or serving as members of a Board committee designated as the Committee shall not be employees of the Company or any subsidiary or affiliate. In appointing members of the Committee, the Board will consider whether a member is or will be a Qualified Member, but such members are not required to be Qualified Members at the time of appointment or during their term of service on the Committee. The full Board may perform any function of the Committee hereunder, in which case the term “Committee” shall refer to the Board.

(h) “Covered Employee” means an Eligible Person who is a Covered Employee as specified in Section 11(j).

- (i) “Deferred Stock” means a right, granted to a Participant under Section 6(e), to receive Stock or other Awards or a combination thereof at the end of a specified deferral period.
- (j) “Dividend Equivalent” means a right, granted to a Participant under Section 6(g), to receive cash, Stock, other Awards or other property equal in value to all or a specified portion of the dividends paid with respect to a specified number of shares of Stock.
- (k) “Effective Date” means the effective date specified in Section 11(q).
- (l) “Eligible Person” has the meaning specified in Section 5.
- (m) “Exchange Act” means the Securities Exchange Act of 1934, as amended. References to any provision of the Exchange Act or rule (including a proposed rule) thereunder shall include any successor provisions and rules.

- (n) “Fair Market Value” shall mean the amount determined by the Board or the Committee, except that if the Stock is listed on a national securities exchange (or traded on the over-the-counter market), the fair market value shall be the closing price of the Stock on such exchange (or market as reported by the National Quotation Bureau) on the day on which an Award is granted hereby (or with respect to a Change in Control or other event requiring the valuation of the Stock, the closing price on the appropriate date as determined by the Board or Committee), or, if there is no trading or closing price on that day, the closing price on the most recent day preceding the day for which such prices are available.
- (o) “Incentive Stock Option” or “ISO” means any Option designated as an incentive stock option within the meaning of Code Section 422 or any successor provision thereto and qualifying thereunder.
- (p) “Option” means a right, granted to a Participant under Section 6(b), to purchase Stock or other Awards at a specified price during specified time periods.
- (q) “Other Stock-Based Awards” means Awards granted to a Participant under Section 6(h).
- (r) “Participant” means a person who has been granted an Award under the Plan which remains outstanding, including a person who is no longer an Eligible Person.
- (s) “Performance Award” means a right, granted to a Participant under Sections 6(i) and 7, to receive Awards or payments based upon performance criteria specified by the Committee.
- (t) “Preexisting Plan” means the Company’s Third Amended and Restated 1995 Stock Option Plan.
- (u) “Qualified Member” means a member of the Committee who is a “Non-Employee Director” within the meaning of Rule 16b-3(b)(3) and an “outside director” within the meaning of Regulation 1.162-27 under Code Section 162(m).
- (v) “Restricted Stock” means Stock granted to a Participant under Section 6(d) that is subject to certain restrictions and to a risk of forfeiture.
- (w) “Rule 16b-3” means Rule 16b-3, as from time to time in effect and applicable to Participants, promulgated by the Securities and Exchange Commission under Section 16 of the Exchange Act.
- (x) “Stock” means the Company’s Common Stock, par value \$.001 per share, and any other equity securities of the Company that may be substituted or resubstituted for Stock pursuant to Section 11(c).
- (y) “Stock Appreciation Rights” or “SAR” means a right granted to a Participant under Section 6(c).

3. Administration.

(a) *Authority of the Committee.* The Plan shall be administered by the Committee (subject to the Board's authority to restrict the Committee), which shall have full and final authority, in each case subject to and consistent with the provisions of the Plan, to select Eligible Persons to become Participants; to grant Awards; to determine the type and number of Awards, the dates on which Awards may be exercised and on which the risk of forfeiture or deferral period relating to Awards shall lapse or terminate, the acceleration of any such dates, the expiration date of any Award, whether, to what extent, and under what circumstances an Award may be settled, or the exercise price of an Award may be paid, in cash, Stock, other Awards, or other property, and other terms and conditions of, and all other matters relating to, Awards; to prescribe documents evidencing or setting terms of Awards (such Award documents need not be identical for each Participant), amendments thereto, and rules and regulations for the administration of the Plan and amendments thereto; to construe and interpret the Plan and Award documents and correct defects, supply omissions or reconcile inconsistencies therein; and to make all other decisions and determinations as the Committee may deem necessary or advisable for the administration of the Plan. Decisions of the Committee with respect to the administration and interpretation of the Plan shall be final, conclusive, and binding upon all persons interested in the Plan, including Participants, Beneficiaries, transferees under Section 11(b) and other persons claiming rights from or through a Participant, and stockholders. The foregoing notwithstanding, the Board shall perform the functions of the Committee for purposes of granting Awards under the Plan to non-employee directors (authority with respect to other aspects of non-employee director awards is not exclusive to the Board, however). In the event the Board does not establish a Committee, all of the powers of the Committee enumerated above shall repose in the Board.

(b) *Manner of Exercise of Committee Authority.* At any time that a member of the Committee is not a Qualified Member, (i) any action of the Committee relating to an Award intended by the Committee to qualify as "performance-based compensation" within the meaning of Code Section 162(m) and regulations thereunder may be taken by a subcommittee, designated by the Committee or the Board, composed solely of two or more Qualified Members, and (ii) any action relating to an Award granted or to be granted to a Participant who is then subject to Section 16 of the Exchange Act in respect of the Company may be taken either by such a subcommittee or by the Committee but with each such member who is not a Qualified Member abstaining or recusing himself or herself from such action, provided that, upon such abstention or recusal, the Committee remains composed solely of two or more Qualified Members. Such action, authorized by such a subcommittee or by the Committee upon the abstention or recusal of such non-Qualified Member(s), shall be the action of the Committee for purposes of the Plan. The express grant of any specific power to the Committee, and the taking of any action by the Committee, shall not be construed as limiting any power or authority of the Committee. The Committee may delegate to officers or managers of the Company or any subsidiary or affiliate, or committees thereof, the authority, subject to such terms as the Committee shall determine, to perform such functions, including administrative functions, as the Committee may determine. Notwithstanding the foregoing, no action may be taken pursuant to this Section 3(b) if such action would result in the loss of an exemption under Rule 16b-3(d) for Awards granted to Participants subject to Section 16 of the Exchange Act in respect of the Company and would cause Awards intended to qualify as "performance-based compensation" under Code Section 162(m) to fail to so qualify.

(c) *Limitation of Liability.* The Committee and each member thereof, and any person acting pursuant to authority delegated by the Committee, shall be entitled, in good faith, to rely or act upon any report or other information furnished by any executive officer, other officer or employee of the Company or a subsidiary or affiliate, the Company's independent auditors, consultants or any other agents assisting in the administration of the Plan. Members of the Committee, any person acting pursuant to authority delegated by the Committee, and any officer or employee of the Company or a subsidiary or affiliate acting at the direction or on behalf of the Committee or a delegee shall not be personally liable for any action or determination taken or made in good faith with respect to the Plan, and shall, to the extent permitted by law, be fully indemnified and protected by the Company with respect to any such action or determination.

4. *Stock Subject to Plan.*

(a) *Overall Number of Shares Available for Delivery.* Subject to adjustment as provided in Section 11(c), the total number of shares of Stock reserved and available for delivery in connection with Awards under the Plan shall be 9,000,000; provided, however, that (A) the total number of shares with respect to which ISOs may be granted shall not exceed 8,000,000 and (B) no more than 2,000,000 shares shall be used for Awards other than options or SARs. Any shares of Stock delivered under the Plan shall consist of authorized and unissued shares or treasury shares.

(b) *Share Counting Rules.* The Committee may adopt reasonable counting procedures to ensure appropriate counting, avoid double counting (as, for example, in the case of tandem or substitute awards) and make adjustments if the number of shares of Stock actually delivered differs from the number of shares previously counted in connection with an Award. Shares subject to an Award or an award under the Preexisting Plan that is canceled, expired, forfeited, settled in cash or otherwise terminated without a delivery of shares to the Participant will again be available for Awards, and shares withheld in payment of the exercise price or taxes relating to an Award or Preexisting Plan award and shares equal to the number surrendered in payment of any exercise price or taxes relating to an Award or Preexisting Plan award shall be deemed to constitute shares not delivered to the Participant and shall be deemed to again be available for Awards under the Plan. In addition, in the case of any Award granted in substitution for an award of a company or business acquired by the Company or a subsidiary or affiliate, shares issued or issuable in connection with such substitute Award shall not be counted against the number of shares reserved under the Plan, but shall be available under the Plan by virtue of the Company's assumption of the plan or arrangement of the acquired company or business. This Section 4(b) shall apply to the number of shares reserved and available for ISOs only to the extent consistent with applicable regulations relating to ISOs under the Code.

5. *Eligibility; Per-Person Award Limitations.* Awards may be granted under the Plan only to Eligible Persons. For purposes of the Plan, an “Eligible Person” means an employee of the Company or any subsidiary or affiliate, including any executive officer, a non-employee director of the Company, a consultant, advisor or other person who provides substantial services to the Company or a subsidiary or affiliate, and any person who has been offered employment by the Company or a subsidiary or affiliate, provided that such prospective employee may not receive any payment or exercise any right relating to an Award until such person has commenced employment with the Company or a subsidiary or affiliate. An employee on leave of absence may be considered as still in the employ of the Company or a subsidiary or affiliate for purposes of eligibility for participation in the Plan. For purposes of the Plan, a joint venture in which the Company or a subsidiary has a substantial direct or indirect equity investment shall be deemed an affiliate, if so determined by the Committee. In each calendar year during any part of which the Plan is in effect, an Eligible Person may be granted Awards intended to qualify as “performance-based compensation” under Code Section 162(m) under each of Section 6(b), 6(c), 6(d), 6(e), 6(f), 6(g) or 6(h) relating to up to his or her Annual Limit (such Annual Limit to apply separately to the type of Award authorized under each specified subsection, except that the limitation applies to Dividend Equivalents under Section 6(g) only if such Dividend Equivalents are granted separately from and not as a feature of another Award). A Participant’s Annual Limit, in any calendar year during any part of which the Participant is then eligible under the Plan, shall equal 1,000,000 shares plus the amount of the Participant’s unused Annual Limit relating to the same type of Award as of the close of the previous year, subject to adjustment as provided in Section 11(c). In the case of an Award which is not valued in a way in which the limitation set forth in the preceding sentence would operate as an effective limitation satisfying Treasury Regulation 1.162-27(e)(4) (including a Performance Award under Section 7 not related to an Award specified in Section 6), an Eligible Person may not be granted Awards authorizing the earning during any calendar year of an amount that exceeds the Participant’s Annual Limit, which for this purpose shall equal \$5,000,000 plus the amount of the Participant’s unused cash Annual Limit as of the close of the previous year (this limitation is separate and not affected by the number of Awards granted during such calendar year subject to the limitation in the preceding sentence). For this purpose, (i) “earning” means satisfying performance conditions so that an amount becomes payable, without regard to whether it is to be paid currently or on a deferred basis or continues to be subject to any service requirement or other non-performance condition, and (ii) a Participant’s Annual Limit is used to the extent an amount or number of shares may be potentially earned or paid under an Award, regardless of whether such amount or shares are in fact earned or paid.

6. *Specific Terms of Awards.*

(a) *General.* Awards may be granted on the terms and conditions set forth in this Section 6. In addition, the Committee may impose on any Award or the exercise thereof, at the date of grant or thereafter (subject to Section 11(e)), such additional terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall determine, including terms requiring forfeiture of Awards in the event of termination of employment or service by the Participant and terms permitting a Participant to make elections relating to his or her Award. The Committee shall retain full power and discretion with respect to any term or condition of an Award that is not mandatory under the Plan. The Committee shall require the payment of lawful consideration for an Award to the extent necessary to satisfy the requirements of the Delaware General Corporation Law, and may otherwise require payment of consideration for an Award except as limited by the Plan.

(b) *Options.* The Committee is authorized to grant Options to Eligible Persons on the following terms and conditions:

(i) *Exercise Price.* The exercise price per share of Stock purchasable under an Option (including both ISOs and non-qualified Options) shall be determined by the Committee, provided that such exercise price shall be not less than the Fair Market Value of a share of Stock on the date of grant of such Option, subject to Sections 6(f) and 9(a).

(ii) *Option Term; Time and Method of Exercise.* The Committee shall determine the term of each Option, provided that in no event shall the term of any ISO or SAR in tandem therewith exceed a period of ten years from the date of grant. The Committee shall determine the time or times at which or the circumstances under which an Option may be exercised in whole or in part (including based on achievement of performance goals and/or future service requirements), the methods by which such exercise price may be paid or deemed to be paid and the form of such payment (subject to Section 11(k)), including, without limitation, cash, Stock, other Awards or awards granted under other plans of the Company or any subsidiary or affiliate, or other property (including notes and other contractual obligations of Participants to make payment on a deferred basis, such as through “cashless exercise” arrangements, to the extent permitted by applicable law), and the methods by or forms in which Stock will be delivered or deemed to be delivered in satisfaction of Options to Participants (including deferred delivery of shares representing the Option “profit,” at the election of the Participant or as mandated by the Committee, with such deferred shares subject to any vesting, forfeiture or other terms as the Committee may specify).

(iii) *ISOs.* The terms of any ISO granted under the Plan shall comply in all respects with the provisions of Code Section 422, including but not limited to the requirement that no ISO shall be granted more than ten years after the Effective Date.

(c) *Stock Appreciation Rights.* The Committee is authorized to grant SARs to Eligible Persons on the following terms and conditions:

(i) *Right to Payment.* An SAR shall confer on the Participant to whom it is granted a right to receive, upon exercise thereof, the excess of (A) the Fair Market Value of one share of Stock on the date of exercise (or, in the case of a “Limited SAR,” the Fair Market Value determined by reference to the Change in Control Price, as defined under Section 9(d) hereof) over (B) the grant price of the SAR as determined by the Committee.

(ii) *Other Terms.* The Committee shall determine at the date of grant or thereafter the time or times at which and the circumstances under which an SAR may be exercised in whole or in part (including based on achievement of performance goals and/or future service requirements), the method of exercise, method of settlement, form of consideration payable in settlement, method by or forms in which Stock will be delivered

or deemed to be delivered to Participants, and whether or not an SAR shall be free-standing or in tandem or combination with any other Award. Limited SARs that may only be exercised in connection with a Change in Control or other event as specified by the Committee may be granted on such terms, not inconsistent with this Section 6(c), as the Committee may determine.

(d) *Restricted Stock*. The Committee is authorized to grant Restricted Stock to Eligible Persons on the following terms and conditions:

(i) *Grant and Restrictions*. Restricted Stock shall be subject to such restrictions on transferability, risk of forfeiture and other restrictions, if any, as the Committee may impose, which restrictions may lapse separately or in combination at such times, under such circumstances (including based on achievement of performance goals and/or future service requirements), in such installments or otherwise and under such other circumstances as the Committee may determine at the date of grant or thereafter. Except to the extent restricted under the terms of the Plan and any Award document relating to the Restricted Stock, a Participant granted Restricted Stock shall have all of the rights of a stockholder, including the right to vote the Restricted Stock and the right to receive dividends thereon (subject to any mandatory reinvestment or other requirement imposed by the Committee).

(ii) *Forfeiture*. Except as otherwise determined by the Committee, upon termination of employment or service during the applicable restriction period, Restricted Stock that is at that time subject to restrictions shall be forfeited and reacquired by the Company; provided that the Committee may provide, by rule or regulation or in any Award document, or may determine in any individual case, that restrictions or forfeiture conditions relating to Restricted Stock will lapse in whole or in part, including in the event of terminations resulting from specified causes.

(iii) *Certificates for Stock*. Restricted Stock granted under the Plan may be evidenced in such manner as the Committee shall determine. If certificates representing Restricted Stock are registered in the name of the Participant, the Committee may require that such certificates bear an appropriate legend referring to the terms, conditions and restrictions applicable to such Restricted Stock, that the Company retain physical possession of the certificates, and that the Participant deliver a stock power to the Company, endorsed in blank, relating to the Restricted Stock.

(iv) *Dividends and Splits*. As a condition to the grant of an Award of Restricted Stock, the Committee may require that any dividends paid on a share of Restricted Stock shall be either (A) paid with respect to such Restricted Stock at the dividend payment date in cash, in kind, or in a number of shares of unrestricted Stock having a Fair Market Value equal to the amount of such dividends, or (B) automatically reinvested in additional Restricted Stock or held in kind, which shall be subject to the same terms as applied to the original Restricted Stock to which it relates, or (C) deferred as to payment, either as a cash deferral or with the amount or value thereof automatically deemed reinvested in shares of Deferred Stock, other Awards or other investment vehicles, subject to such terms as the Committee shall determine or permit a Participant to elect. Unless otherwise determined by the Committee, Stock distributed in connection with a Stock split or Stock dividend, and other property distributed as a dividend, shall be subject to restrictions and a risk of forfeiture to the same extent as the Restricted Stock with respect to which such Stock or other property has been distributed.

(e) *Deferred Stock*. The Committee is authorized to grant Deferred Stock to Eligible Persons, which are rights to receive Stock, other Awards, or a combination thereof at the end of a specified deferral period, subject to the following terms and conditions:

(i) *Award and Restrictions.* Issuance of Stock will occur upon expiration of the deferral period specified for an Award of Deferred Stock by the Committee (or, if permitted by the Committee, as elected by the Participant). In addition, Deferred Stock shall be subject to such restrictions on transferability, risk of forfeiture and other restrictions, if any, as the Committee may impose, which restrictions may lapse at the expiration of the deferral period or at earlier specified times (including based on achievement of performance goals and/or future service requirements), separately or in combination, in installments or otherwise, and under such other circumstances as the Committee may determine at the date of grant or thereafter. Deferred Stock may be satisfied by delivery of Stock, other Awards, or a combination thereof (subject to Section 11 (k)), as determined by the Committee at the date of grant or thereafter.

(ii) *Forfeiture.* Except as otherwise determined by the Committee, upon termination of employment or service during the applicable deferral period or portion thereof to which forfeiture conditions apply (as provided in the Award document evidencing the Deferred Stock), all Deferred Stock that is at that time subject to such forfeiture conditions shall be forfeited; provided that the Committee may provide, by rule or regulation or in any Award document, or may determine in any individual case, that restrictions or forfeiture conditions relating to Deferred Stock will lapse in whole or in part, including in the event of terminations resulting from specified causes.

(iii) *Dividend Equivalents.* Unless otherwise determined by the Committee, Dividend Equivalents on the specified number of shares of Stock covered by an Award of Deferred Stock shall be either (A) paid with respect to such Deferred Stock at the dividend payment date in cash or in shares of unrestricted Stock having a Fair Market Value equal to the amount of such dividends, or (B) deferred with respect to such Deferred Stock, either as a cash deferral or with the amount or value thereof automatically deemed reinvested in additional Deferred Stock, other Awards or other investment vehicles having a Fair Market Value equal to the amount of such dividends, as the Committee shall determine or permit a Participant to elect.

(f) *Bonus Stock and Awards in Lieu of Obligations.* The Committee is authorized to grant Stock as a bonus, or to grant Stock or other Awards in lieu of obligations of the Company or a subsidiary or affiliate to pay cash or deliver other property under the Plan or under other plans or compensatory arrangements, subject to such terms as shall be determined by the Committee.

(g) *Dividend Equivalents.* The Committee is authorized to grant Dividend Equivalents to Eligible Persons, which are rights to receive cash, Stock, other Awards, or other property equivalent to all or a portion of the dividends paid with respect to a specified number of shares of Stock. Dividend Equivalents may be awarded on a free-standing basis or in connection with another Award. The Committee may provide that Dividend Equivalents shall be paid or distributed when accrued or shall be deemed to have been reinvested in additional Stock, Awards, or other investment vehicles, and subject to restrictions on transferability, risks of forfeiture and such other terms as the Committee may specify.

(h) *Other Stock-Based Awards.* The Committee is authorized, subject to limitations under applicable law, to grant to Eligible Persons such other Awards that may be denominated or payable in, valued in whole or in part by reference to, or otherwise based on, or related to, Stock or factors that may influence the value of Stock, including, without limitation, convertible or exchangeable debt securities, other rights convertible or exchangeable into Stock, purchase rights for Stock, Awards with value and payment contingent upon performance of the Company or business units thereof or any other factors designated by the Committee, and Awards valued by reference to the book value of Stock or the value of securities of or the performance of specified subsidiaries or affiliates or other business units. The Committee shall determine the terms and conditions of such Awards. Stock delivered pursuant to an Award in the nature of a purchase right granted under this Section 6(h) shall be purchased for such consideration, paid for at such times, by such methods, and in such forms, including, without limitation, cash, Stock, other Awards, notes, or other property, as the Committee

shall determine. Cash awards, as an element of or supplement to any other Award under the Plan, may also be granted pursuant to this Section 6(h).

(i) *Performance Awards*. Performance Awards, denominated in cash or in Stock or other Awards, may be granted by the Committee in accordance with Section 7.

7. Performance Awards, Including Annual Incentive Awards.

(a) *Performance Awards Generally.* The Committee is authorized to grant Performance Awards on the terms and conditions specified in this Section 7. Performance Awards may be denominated as a cash amount, number of shares of Stock, or specified number of other Awards (or a combination) which may be earned upon achievement or satisfaction of performance conditions specified by the Committee. In addition, the Committee may specify that any other Award shall constitute a Performance Award by conditioning the right of a Participant to exercise the Award or have it settled, and the timing thereof, upon achievement or satisfaction of such performance conditions as may be specified by the Committee. The Committee may use such business criteria and other measures of performance as it may deem appropriate in establishing any performance conditions, and may exercise its discretion to reduce or increase the amounts payable under any Award subject to performance conditions, except as limited under Sections 7(b) and 7(c) in the case of a Performance Award intended to qualify as “performance-based compensation” under Code Section 162(m).

(b) *Performance Awards Granted to Covered Employees.* If the Committee determines that a Performance Award to be granted to an Eligible Person who is designated by the Committee as likely to be a Covered Employee should qualify as “performance-based compensation” for purposes of Code Section 162(m), the grant, exercise and/or settlement of such Performance Award shall be contingent upon achievement of a preestablished performance goal and other terms set forth in this Section 7(b).

(i) *Performance Goal Generally.* The performance goal for such Performance Awards shall consist of one or more business criteria and a targeted level or levels of performance with respect to each of such criteria, as specified by the Committee consistent with this Section 7(b). The performance goal shall be objective and shall otherwise meet the requirements of Code Section 162(m) and regulations thereunder (including Regulation 1.162-27 and successor regulations thereto), including the requirement that the level or levels of performance targeted by the Committee result in the achievement of performance goals being “substantially uncertain.” The Committee may determine that such Performance Awards shall be granted, exercised and/or settled upon achievement of any one performance goal or that two or more of the performance goals must be achieved as a condition to grant, exercise and/or settlement of such Performance Awards. Performance goals may differ for Performance Awards granted to any one Participant or to different Participants.

(ii) *Business Criteria.* One or more of the following business criteria for the Company, on a consolidated basis, and/or for specified subsidiaries or affiliates or other business units of the Company shall be used by the Committee in establishing performance goals for such Performance Awards: (1) growth in revenues or assets; (2) earnings from operations, earnings before or after taxes, earnings before or after interest, depreciation, amortization, or extraordinary or special items; (3) net income or net income per common share (basic or diluted); (4) return on assets, return on investment, return on capital, or return on equity; (5) cash flow, free cash flow, cash flow return on investment, or net cash provided by operations; (6) interest expense after taxes; (7) economic profit; (8) operating margin or gross margin; (9) stock price or total stockholder return; and (10) strategic business criteria, consisting of one or more objectives based on environmental or safety standards, market penetration, geographic business expansion goals, cost targets, customer satisfaction, employee satisfaction, management of employment practices and employee benefits, supervision of litigation and information technology, and goals relating to acquisitions or divestitures of subsidiaries, affiliates or joint ventures. The targeted level or levels of performance with respect to such business criteria may be established at such levels and in such terms as the Committee may determine, in its discretion, including in absolute terms, as a goal relative to performance in prior periods, or as a goal compared to the performance of one or more comparable companies or an index covering multiple companies.

(iii) *Performance Period; Timing for Establishing Performance Goals.* Achievement of performance goals in respect of such Performance Awards shall be measured over a performance period of up to one year or more than one year, as specified by the Committee. A performance goal shall be established not later than the earlier of (A) 90 days after the beginning of any performance period applicable to such Performance Award or (B) the time 25% of such performance period has elapsed.

(iv) *Performance Award Pool.* The Committee may establish a Performance Award pool, which shall be an unfunded pool, for purposes of measuring performance of the Company in connection with Performance Awards. The amount of such Performance Award pool shall be based upon the achievement of a performance goal or goals based on one or more of the business criteria set forth in Section 7(b)(ii) during the given performance period. The Committee may specify the amount of the Performance Award pool as a percentage of any of such business criteria, a percentage thereof in excess of a threshold amount, or as another amount which need not bear a strictly mathematical relationship to such business criteria.

(v) *Settlement of Performance Awards; Other Terms.* Settlement of such Performance Awards shall be in cash, Stock, other Awards or other property, in the Committee's discretion. The Committee may increase or reduce the amount of a settlement otherwise to be made in connection with such Performance Awards, but may not exercise discretion to increase any such amount payable to a Covered Employee in respect of a Performance Award subject to Section 7(b). Any settlement which changes the form of payment from that originally specified shall be implemented in a manner such that the Performance Award and other related Awards do not, solely for that reason, fail to qualify as "performance-based compensation" for purposes of Code Section 162(m). The Committee shall specify the circumstances in which such Performance Awards shall be paid or forfeited in the event of termination of employment by the Participant or other event (including a Change in Control) prior to the end of a performance period or settlement of such Performance Awards.

(c) *Annual Incentive Awards Granted to Designated Covered Employees.* The Committee may grant an Annual Incentive Award to an Eligible Person who is designated by the Committee as likely to be a Covered Employee. Such Annual Incentive Award will be intended to qualify as "performance-based compensation" for purposes of Code Section 162(m), and therefore its grant, exercise and/or settlement shall be contingent upon achievement of preestablished performance goals and other terms set forth in this Section 7(c).

(i) *Grant of Annual Incentive Awards.* Not later than the earlier of 90 days after the beginning of any performance period applicable to such Annual Incentive Award or the time 25% of such performance period has elapsed, the Committee shall determine the Covered Employees who will potentially receive Annual Incentive Awards, and the amount(s) potentially payable thereunder, for that performance period. The amount (s) potentially payable shall be based upon the achievement of a performance goal or goals based on one or more of the business criteria set forth in Section 7(b)(ii) in the given performance period, as specified by the Committee. The Committee may designate an annual incentive award pool as the means by which Annual Incentive Awards will be measured, provided that the portion of such pool potentially payable to the Covered Employee shall be preestablished. In all cases, the maximum Annual Incentive Award of any Participant shall be subject to the limitation set forth in Section 5.

(ii) *Payout of Annual Incentive Awards.* After the end of each performance period, the Committee shall determine the amount, if any, of the Annual Incentive Award for that performance period payable to each Participant. The Committee may determine that the amount payable to any Participant as a final Annual Incentive Award shall be reduced from the amount of his or her potential Annual Incentive Award, including a determination to make no final Award whatsoever, but may not exercise discretion to increase any such amount. The Committee shall specify the circumstances in which an Annual Incentive Award shall be paid or forfeited in the event of termination of employment by the Participant or other event (including a Change in Control) prior to the end of a performance period or settlement of such Annual Incentive Award.

(d) *Written Determinations.* Determinations by the Committee as to the establishment of performance goals, the amount potentially payable in respect of Performance Awards and Annual Incentive Awards, the level of actual achievement of the specified performance goals relating to Performance Awards and Annual Incentive Awards, and the amount of any final Performance Award and Annual Incentive Award shall be recorded in writing in the case of Performance Awards intended to qualify under Code Section 162(m). Specifically, the Committee shall certify in writing, in a manner conforming to applicable regulations under Code Section 162(m), prior to settlement of each such Award granted to a Covered Employee, that the performance objective relating to the Performance Award and other material terms of the Award upon which settlement of the Award was conditioned have been satisfied.

8. *Certain Provisions Applicable to Awards.*

(a) *Stand-Alone, Additional, Tandem, and Substitute Awards.* Awards granted under the Plan may, in the discretion of the Committee, be granted either alone or in addition to, in tandem with, or in substitution or exchange for, any other Award or any award granted under another plan of the Company, any subsidiary or affiliate, or any business entity to be acquired by the Company or a subsidiary or affiliate, or any other right of a Participant to receive payment from the Company or any subsidiary or affiliate. Awards granted in addition to or in tandem with other Awards or awards may be granted either as of the same time as or a different time from the grant of such other Awards or awards. Subject to Section 11(k), the Committee may determine that, in granting a new Award, the in-the-money value of any surrendered Award or award may be applied to reduce the exercise price of any Option, grant price of any SAR, or purchase price of any other Award.

(b) *Term of Awards.* The term of each Award shall be for such period as may be determined by the Committee, subject to the express limitations set forth in Section 6(b)(ii).

(c) *Form and Timing of Payment under Awards; Deferrals.* Subject to the terms of the Plan (including Section 11(k)) and any applicable Award document, payments to be made by the Company or a subsidiary or affiliate upon the exercise of an Option or other Award or settlement of an Award may be made in such forms as the Committee shall determine, including, without limitation, cash, Stock, other Awards or other property, and may be made in a single payment or transfer, in installments, or on a deferred basis. The settlement of any Award may be accelerated, and cash paid in lieu of Stock in connection with such settlement, in the Committee's discretion or upon occurrence of one or more specified events (subject to Section 11(k)). Installment or deferred payments may be required by the Committee (subject to Section 11(e)) or permitted at Participant's election on terms and conditions established by the Committee. Payments may include, without limitation, provisions for the payment or crediting of reasonable interest on installment or deferred payments or the grant or crediting of Dividend Equivalents or other amounts in respect of installment or deferred payments denominated in Stock.

(d) *Exemptions from Section 16(b) Liability.* With respect to a Participant who is then subject to the reporting requirements of Section 16(a) of the Exchange Act in respect of the Company, the Committee shall implement transactions under the Plan and administer the Plan in a manner that will ensure that each transaction with respect to such a Participant is exempt from liability under Rule 16b-3 (or otherwise not subject to liability under Section 16(b)), except that this provision shall not limit sales by such a Participant, and such a Participant may engage in other non-exempt transactions under the Plan. The Committee may authorize the Company to repurchase any Award or shares of Stock deliverable or delivered in connection with any Award (subject to Section 11(k)) to avoid a Participant who is subject to Section 16 of the Exchange Act incurring liability under Section 16(b). Unless otherwise specified by the Participant, equity securities or derivative securities acquired under the Plan which are disposed of by a Participant shall be deemed to be disposed of in the order acquired by the Participant.

(e) *Loan Provisions.* With the Committee's consent, and subject at all times to, and only to the extent, if any, permitted under and in accordance with, laws and regulations and other binding obligations or provisions applicable to the Company, the Company may make, guarantee, or arrange for a loan or loans to a Participant with respect to the exercise of any Option or other payment in connection with any Award, including the payment by a Participant of any or all federal, state, or local income or other taxes due in connection with any Award. Subject to such limitations, the Committee shall have full authority to decide whether to make a loan or loans hereunder and to determine the amount, terms, and provisions of any such loan or loans, including the interest rate, if any, to be charged in respect of any such loan or loans, whether the loan or loans are to be with or without recourse against the borrower, the terms on which the loan is to be repaid and conditions, if any, under which the loan or loans may be forgiven.

9. *Change in Control.*

(a) *Effect of “Change in Control” on Non-Performance Based Awards.* Unless otherwise provided by the Committee in the Award document, in the event of a “Change in Control,” the following provisions shall apply to non-performance based Awards, including Awards as to which performance conditions previously have been satisfied or are deemed satisfied under Section 9(b):

(i) All deferral of settlement, forfeiture conditions and other restrictions applicable to Awards granted under the Plan shall lapse and such Awards shall be fully payable as of the time of the Change in Control without regard to deferral and vesting conditions, except to the extent of any waiver by the Participant or other express election to defer beyond a Change in Control and subject to applicable restrictions set forth in Section 11(a);

(ii) Any Award carrying a right to exercise that was not previously exercisable and vested shall become fully exercisable and vested as of the time of the Change in Control and shall remain exercisable and vested for the balance of the stated term of such Award without regard to any termination of employment or service by the Participant other than a termination for “cause” (as defined in any employment or severance agreement between the Company or a subsidiary or affiliate and the Participant then in effect or, if none, as defined by the Committee and in effect at the time of the Change in Control), subject only to applicable restrictions set forth in Section 11(a); and

(iii) The Committee may, in its discretion, determine to extend to any Participant who holds an Option the right to elect, during the 60-day period immediately following the Change in Control, in lieu of acquiring the shares of Stock covered by such Option, to receive in cash the excess of the Change in Control Price over the exercise price of such Option, multiplied by the number of shares of Stock covered by such Option, and to extend to any Participant who holds other types of Awards denominated in shares the right to elect, during the 60-day period immediately following the Change in Control, in lieu of receiving the shares of Stock covered by such Award, to receive in cash the Change in Control Price multiplied by the number of shares of Stock covered by such Award.

(b) *Effect of “Change in Control” on Performance-Based Awards.* In the event of a “Change in Control,” with respect to an outstanding Award subject to achievement of performance goals and conditions, such performance goals and conditions will be deemed to be met if and to the extent so provided by the Committee in the Award document governing such Award or other agreement with the Participant.

(c) *Definition of “Change in Control.”* A “Change in Control” shall be deemed to have occurred if, after the Effective Date, there shall have occurred any of the following:

(i) any Person (other than the Company), any trustee or other fiduciary holding securities under any employee benefit plan of the Company, or any company owned, directly or indirectly, by the stockholders of the Company immediately prior to the occurrence with respect to which the evaluation is being made in substantially the same proportions as their ownership of the common stock of the Company) becomes the Beneficial Owner (except that a Person shall be deemed to be the Beneficial Owner of all shares that any such Person has the right to acquire pursuant to any agreement or arrangement or upon exercise of conversion rights, warrants or options or otherwise, without regard to the sixty day period referred to in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company or any Significant Subsidiary (as defined below), representing 30% of the combined voting power of the Company’s or such subsidiary’s then outstanding securities;

(ii) during any period of two consecutive years, individuals who at the beginning of such period constitute the Board, and any new director (other than a director designated by a person who has entered into an agreement with the Company to effect a transaction described in clause (i), (iii), or (iv) of this paragraph) whose election by the Board or

nomination for election by the Company's stockholders was approved by a vote of at least two-thirds of the directors then still in office who either were directors at the beginning of the two-year period or whose election or nomination for election was previously so approved but excluding for this purpose any such new director whose initial assumption of office occurs as a result of either an actual or threatened election contest (as such terms are used in Rule 14a-11 of Regulation 14A promulgated under the

Exchange Act) or other actual or threatened solicitation of proxies or consents by or on behalf of an individual, corporation, partnership, group, associate or other entity or Person other than the Board, cease for any reason to constitute at least a majority of the Board;

(iii) the consummation of a merger or consolidation of the Company or any subsidiary owning directly or indirectly all or substantially all of the consolidated assets of the Company (a "Significant Subsidiary") with any other entity, other than a merger or consolidation which would result in the voting securities of the Company or a Significant Subsidiary outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving or resulting entity) more than 50% of the combined voting power of the surviving or resulting entity outstanding immediately after such merger or consolidation; or

(iv) the stockholders of the Company approve a plan or agreement for the sale or disposition of all or substantially all of the consolidated assets of the Company (other than such a sale or disposition immediately after which such assets will be owned directly or indirectly by the Company's stockholders in substantially the same proportions as their ownership of the Company's common stock immediately prior to such sale or disposition) in which case the Board shall determine the effective date of the Change in Control resulting therefrom. For purposes of this definition:

(A) The term "Beneficial Owner" shall have the meaning ascribed to such term in Rule 13d-3 under the Exchange Act (including any successor to such Rule).

(B) The term "Person" shall have the meaning ascribed to such term in Section 3(a)(9) of the Exchange Act and used in Sections 13(d) and 14(d) thereof, including "group" as defined in Section 13(d) thereof.

(d) *Definition of "Change in Control Price."* The "Change in Control Price" means an amount in cash equal to the higher of (i) the amount of cash and fair market value of property that is the highest price per share paid (including extraordinary dividends) in any transaction triggering the Change in Control or any liquidation of shares following a sale of substantially all assets of the Company, or (ii) the highest Fair Market Value per share at any time during the 60-day period preceding and 60-day period following the Change in Control.

10. *Awards to Non-Employee Directors.* Unless otherwise determined by the Board in writing, non-employee directors of the Company shall be entitled to receive Options in accordance with the following:

(a) On the date any non-employee director of the Company first becomes a director, such person shall automatically be granted, without further action by the Board or the Committee, an Option to purchase 150,000 shares of the Company's Stock.

(b) On January 1 of each year during the term of this Plan, non-employee directors of the Company then serving in such capacity, shall each be granted an Option to purchase 100,000 shares of the Company's Stock, which shall be adjusted on a pro rata basis for directors first joining the Board after January 1.

(c) The exercise price of the shares subject to the Options set forth in Sections 10(a) and 10(b) hereof shall be the Fair Market Value of the Company's Stock on the date such Options are granted. All of such Options shall be non-qualified Options. Unless otherwise determined by the Board in an award agreement at the time of the Award, the Options granted pursuant to this Section 10 shall vest entirely on the date they are granted and shall be exercisable for a period of ten (10) years.

(d) Non-employee directors of the Company include attorneys, accountants, consultants and advisors of the Company who, in addition to providing services in such capacity, serve as directors of the Company.

11. *General Provisions.*

(a) *Compliance with Legal and Other Requirements.* The Company may, to the extent deemed necessary or advisable by the Committee, postpone the issuance or delivery of Stock or payment of other benefits under any Award until completion of such registration or qualification of such Stock or other required action under any federal or state law, rule or regulation, listing or other required action with respect to any stock exchange or automated quotation system upon which the Stock or other securities of the Company are listed or quoted, or compliance with any other obligation of the Company, as the Committee may consider appropriate, and may require any Participant to make such representations, furnish such information and comply with or be subject to such other conditions as it may consider appropriate in connection with the issuance or delivery of Stock or payment of other benefits in compliance with applicable laws, rules, and regulations, listing requirements, or other obligations.

(b) *Limits on Transferability; Beneficiaries.* No Award or other right or interest of a Participant under the Plan shall be pledged, hypothecated or otherwise encumbered or subject to any lien, obligation or liability of such Participant to any party (other than the Company or a subsidiary or affiliate thereof), or assigned or transferred by such Participant otherwise than by will or the laws of descent and distribution or to a Beneficiary upon the death of a Participant, and such Awards or rights that may be exercisable shall be exercised during the lifetime of the Participant only by the Participant or his or her guardian or legal representative, except that Awards and other rights (other than ISOs and SARs in tandem therewith) may be transferred to one or more transferees during the lifetime of the Participant, and may be exercised by such transferees in accordance with the terms of such Award, but only if and to the extent such transfers are permitted by the Committee, subject to any terms and conditions which the Committee may impose thereon (including limitations the Committee may deem appropriate in order that offers and sales under the Plan will meet applicable requirements of registration forms under the Securities Act of 1933 specified by the Securities and Exchange Commission). A Beneficiary, transferee, or other person claiming any rights under the Plan from or through any Participant shall be subject to all terms and conditions of the Plan and any Award document applicable to such Participant, except as otherwise determined by the Committee, and to any additional terms and conditions deemed necessary or appropriate by the Committee.

(c) *Adjustments.* In the event that any large, special and non-recurring dividend or other distribution (whether in the form of cash or property other than Stock), recapitalization, forward or reverse split, Stock dividend, reorganization, merger, consolidation, spin-off, combination, repurchase, share exchange, liquidation, dissolution or other similar corporate transaction or event affects the Stock such that an adjustment is determined by the Committee to be appropriate under the Plan, then the Committee shall, in such manner as it may deem equitable, adjust any or all of (i) the number and kind of shares of Stock which may be delivered in connection with Awards granted thereafter, (ii) the number and kind of shares of Stock by which annual per-person Award limitations are measured under Section 5, (iii) the number and kind of shares of Stock subject to or deliverable in respect of outstanding Awards and (iv) the exercise price, grant price or purchase price relating to any Award or, if deemed appropriate, the Committee may make provision for a payment of cash or property to the holder of an outstanding Option (subject to Section 11(k)). In addition, the Committee is authorized to make adjustments in the terms and conditions of, and the criteria included in, Awards (including Performance Awards and performance goals and any hypothetical funding pool relating thereto) in recognition of unusual or nonrecurring events (including, without limitation, events described in the preceding sentence, as well as acquisitions and dispositions of businesses and assets) affecting the Company, any subsidiary or affiliate or other business unit, or the financial statements of the Company or any subsidiary or affiliate, or in response to changes in applicable laws, regulations, accounting principles, tax rates and regulations or business conditions or in view of the Committee's assessment of the business strategy of the Company, any subsidiary or affiliate or business unit thereof, performance of comparable organizations, economic and business conditions, personal performance of a Participant, and any other circumstances deemed relevant; provided that no such adjustment shall be authorized or made if and to the extent that the existence of such authority (i) would cause Options, SARs, or Performance

Awards granted under Section 7 to Participants designated by the Committee as Covered Employees and intended to qualify as “performance-based compensation” under Code Section 162(m) and regulations thereunder to otherwise fail to qualify as “performance-based compensation” under Code Section 162(m) and regulations thereunder, or (ii) would cause the Committee to be deemed to have authority to change the targets, within the meaning of Treasury Regulation 1.162-27(e)(4)(vi), under the performance goals relating to Options or SARs granted to Covered Employees and intended to qualify as “performance-based compensation” under Code Section 162(m) and regulations thereunder.

(d) *Tax Provisions.*

(i) *Withholding.* The Company and any subsidiary or affiliate is authorized to withhold from any Award granted, any payment relating to an Award under the Plan, including from a distribution of Stock, or any payroll or other payment to a Participant, amounts of withholding and other taxes due or potentially payable in connection with any transaction involving an Award, and to take such other action as the Committee may deem advisable to enable the Company and Participants to satisfy obligations for the payment of withholding taxes and other tax obligations relating to any Award. This authority shall include authority to withhold or receive Stock or other property and to make cash payments in respect thereof in satisfaction of a Participant's withholding obligations, either on a mandatory or elective basis in the discretion of the Committee. Other provisions of the Plan notwithstanding, only the minimum amount of Stock deliverable in connection with an Award necessary to satisfy statutory withholding requirements will be withheld.

(ii) *Requirement of Notification of Code Section 83(b) Election.* If any Participant shall make an election under Section 83(b) of the Code (to include in gross income in the year of transfer the amounts specified in Code Section 83(b)) or under a similar provision of the laws of a jurisdiction outside the United States, such Participant shall notify the Company of such election within ten days of filing notice of the election with the Internal Revenue Service or other governmental authority, in addition to any filing and notification required pursuant to regulations issued under Code Section 83(b) or other applicable provision.

(iii) *Requirement of Notification Upon Disqualifying Disposition Under Code Section 421(b).* If any Participant shall make any disposition of shares of Stock delivered pursuant to the exercise of an Incentive Stock Option under the circumstances described in Code Section 421(b) (relating to certain disqualifying dispositions), such Participant shall notify the Company of such disposition within ten days thereof.

(e) *Changes to the Plan.* The Board may amend, suspend or terminate the Plan or the Committee's authority to grant Awards under the Plan without the consent of stockholders or Participants; provided, however, that any amendment to the Plan shall be submitted to the Company's stockholders for approval not later than the earliest annual meeting for which the record date is after the date of such Board action if such stockholder approval is required by any federal or state law or regulation or the rules of any stock exchange or automated quotation system on which the Stock may then be listed or quoted, and the Board may otherwise, in its discretion, determine to submit other amendments to the Plan to stockholders for approval; and provided further, that, without the consent of an affected Participant, no such Board action may have a material adverse affect on the rights of such Participant under any outstanding Award.

(f) *Right of Setoff.* The Company or any subsidiary or affiliate may, to the extent permitted by applicable law, deduct from and set off against any amounts the Company or a subsidiary or affiliate may owe to the Participant from time to time, including amounts payable in connection with any Award, owed as wages, fringe benefits, or other compensation owed to the Participant, such amounts as may be owed by the Participant to the Company, although the Participant shall remain liable for any part of the Participant's payment obligation not satisfied through such deduction and setoff. By accepting any Award granted hereunder, the Participant agrees to any deduction or setoff under this Section 11(f).

(g) *Unfunded Status of Awards; Creation of Trusts.* The Plan is intended to constitute an "unfunded" plan for incentive and deferred compensation. With respect to any payments not yet made to a Participant or obligation to deliver Stock pursuant to an Award, nothing contained in the Plan or any Award shall give any such Participant any rights that are greater than those of a general creditor of the Company; provided that the Committee may authorize the creation of trusts and deposit therein cash, Stock, other Awards or other property, or make other arrangements to meet the Company's obligations under the Plan. Such trusts or other arrangements shall be consistent with the "unfunded" status of the Plan unless the Committee otherwise determines with the consent of each affected Participant.

(h) *Nonexclusivity of the Plan.* Neither the adoption of the Plan by the Board nor its submission to the stockholders of the Company for approval shall be construed as creating any limitations on the power of the Board or a committee thereof to adopt such other incentive arrangements, apart from the Plan, as it may deem desirable, including incentive arrangements and awards which do not qualify under Code Section 162(m), and such other arrangements may be either applicable generally or only in specific cases.

(i) *Payments in the Event of Forfeitures; Fractional Shares.* No fractional shares of Stock shall be issued or delivered pursuant to the Plan or any Award. The Committee shall determine whether cash, other Awards or other property shall be issued or paid in lieu of such fractional shares or whether such fractional shares or any rights thereto shall be forfeited or otherwise eliminated.

(j) *Compliance with Code Section 162(m).* It is the intent of the Company that Options and SARs granted to Covered Employees and other Awards designated as Awards to Covered Employees subject to Section 7 shall constitute qualified “performance-based compensation” within the meaning of Code Section 162(m) and regulations thereunder, unless otherwise determined by the Committee at the time of allocation of an Award. Accordingly, the terms of Sections 7(b), (c), and (d), including the definitions of Covered Employee and other terms used therein, shall be interpreted in a manner consistent with Code Section 162(m) and regulations thereunder. The foregoing notwithstanding, because the Committee cannot determine with certainty whether a given Participant will be a Covered Employee with respect to a fiscal year that has not yet been completed, the term Covered Employee as used herein shall mean only a person designated by the Committee as likely to be a Covered Employee with respect to a specified fiscal year. If any provision of the Plan or any Award document relating to a Performance Award that is designated as intended to comply with Code Section 162(m) does not comply or is inconsistent with the requirements of Code Section 162(m) or regulations thereunder, such provision shall be construed or deemed amended to the extent necessary to conform to such requirements, and no provision shall be deemed to confer upon the Committee or any other person discretion to increase the amount of compensation otherwise payable in connection with any such Award upon attainment of the applicable performance objectives.

(k) *Certain Limitations Relating to Accounting Treatment of Awards.* Other provisions of the Plan notwithstanding, the Committee’s authority under the Plan is limited to the extent necessary to ensure that any Option or other Award of a type that the Committee has intended to be subject to fixed accounting with a measurement date at the date of grant or the date performance conditions are satisfied under APB 25 shall not become subject to “variable” accounting solely due to the existence of such authority, unless the Committee specifically determines that the Award shall remain outstanding despite such “variable” accounting.

(l) *Governing Law.* The validity, construction, and effect of the Plan, any rules and regulations relating to the Plan and any Award document shall be determined in accordance with the laws of the State of Delaware, without giving effect to principles of conflicts of laws, and applicable provisions of federal law.

(m) *Awards to Participants Outside the United States.* The Committee may modify the terms of any Award under the Plan made to or held by a Participant who is then resident or primarily employed outside of the United States in any manner deemed by the Committee to be necessary or appropriate in order that such Award shall conform to laws, regulations, and customs of the country in which the Participant is then resident or primarily employed, or so that the value and other benefits of the Award to the Participant, as affected by foreign tax laws and other restrictions applicable as a result of the Participant’s residence or employment abroad, shall be comparable to the value of such an Award to a Participant who is resident or primarily employed in the United States. An Award may be modified under this Section 11(m) in a manner that is inconsistent with the express terms of the Plan, so long as such modifications will not contravene any applicable law or regulation or result in actual liability under Section 16(b) of the Exchange Act for the Participant whose Award is modified.

(n) *Limitation on Rights Conferred under Plan.* Neither the Plan nor any action taken hereunder shall be construed as (i) giving any Eligible Person or Participant the right to continue as an Eligible Person or Participant or in the employ or service of the Company or a subsidiary or affiliate, (ii) interfering in any way with the right of the Company or a subsidiary or affiliate to terminate any Eligible Person’s or Participant’s employment or service at any time, (iii) giving an Eligible Person or Participant any claim to be granted any Award under the Plan or to be treated uniformly with

other Participants and employees, or (iv) conferring on a Participant any of the rights of a stockholder of the Company unless and until the Participant is duly issued or transferred shares of Stock in accordance with the terms of an Award or an Option is duly exercised. Except as expressly provided in the Plan and an Award document, neither the Plan nor any Award document shall confer on any person other than the Company and the Participant any rights or remedies thereunder.

(o) *Severability; Entire Agreement.* If any of the provisions of this Plan or any Award document is finally held to be invalid, illegal or unenforceable (whether in whole or in part), such provision shall be deemed modified to the extent, but only to the extent, of such invalidity, illegality or unenforceability, and the remaining provisions shall not be affected thereby; provided, that, if any of such provisions is finally held to be invalid, illegal, or unenforceable because it exceeds the maximum scope determined to be acceptable to permit such provision to be enforceable, such provision shall be deemed to be modified to the minimum extent necessary to modify such scope in order to make such provision enforceable hereunder. The Plan and any Award documents contain the entire agreement of the parties with respect to the subject matter thereof and supersede all prior agreements, promises, covenants, arrangements, communications, representations and warranties between them, whether written or oral with respect to the subject matter thereof.

(p) *Awards Under Preexisting Plans.* Upon approval of the Plan by stockholders of the Company as required under Section 11(q) hereof, no further awards shall be granted under the Preexisting Plan; however, existing awards under the Preexisting Plan shall continue to be governed by the terms and conditions of such plan.

(q) *Plan Effective Date and Termination.* The Plan shall become effective if, and at such time as, the stockholders of the Company have approved it by the affirmative votes of the holders of a majority of the voting securities of the Company present, or represented, and entitled to vote on the subject matter at a duly held meeting of stockholders. Unless earlier terminated by action of the Board, the Plan will remain in effect until such time as no Stock remains available for delivery under the Plan and the Company has no further rights or obligations under the Plan with respect to outstanding Awards under the Plan.

(r) *Repricing.* No award that could be characterized as a “repricing” shall be made pursuant to this Plan without shareholder approval.
