Item 3. Source and Amount of Funds or Other Consideration

The information set forth in Items 2, 4, 5 and 6 of this Schedule 13D is incorporated by reference in its entirety into this Item 3.

Item 4. Purpose of Transaction

On August 23, 2021 (the “Closing Date”), the Business Combination Agreement (the “Business Combination Agreement”) entered into on February 24, 2021 and amended on May 17, 2021 between RMG II, Philip Kassin solely in the capacity as the representative for the shareholders of RMG II (the “RMG II Representative”), the Issuer, ReNew Power Global Merger Sub (“Merger Sub”), ReNew Power Private Limited (“Renew India”) and certain shareholders of ReNew India (including GSW) (the “Major Shareholders”) was consummated.

Pursuant to the Business Combination Agreement, on the business day immediately prior to the Closing Date, Merger Sub, a subsidiary of the Issuer, merged with and into RMG Acquisition Corporation II (“RMG II”), a special purpose acquisition company (the “Merger”). As consideration, shareholders of RMG II received Class A Shares in exchange for their existing shares in RMG II and warrants for shares of RMG II became exercisable for Class A Shares of the Issuer. Subsequent to consummation of the Merger, on the Closing Date, GSW and the other Major Shareholders exchanged Ordinary Shares (“ReNew India Ordinary Shares”) of ReNew India for shares of the Issuer and/or cash. GSW exchanged 184,709,600 Renew India Ordinary Shares for 34,133,476 Class A Shares, 106,074,525 Class C Shares and \$112.0 million.

Also pursuant to the Business Combination Agreement, all of the Series A compulsorily and fully convertible preference shares of Renew India, including those held by GSW, were converted into ReNew India Ordinary Shares on August 18, 2021. Subsequent to closing occurring under the Business Combination Agreement on the Closing Date (“Closing”), on August 26, 2021, GSW exchanged all of its 14,825,749 ReNew India Ordinary Shares for 12,289,241 Class C Shares.

GSW and its affiliates intend to dispose of at least 20,500,000 Class A Shares as soon as possible but, as of the date of this filing, GSW has not entered into any agreement to dispose of any such Class A Shares.

Registration Rights, Coordination and Put Option Agreement

At the Closing, the Issuer, certain shareholders of the Issuer (including GSW) (the “Significant Shareholders”), certain founding investors of Renew India (the “Founder Investors”) and ReNew India entered into the Registration Rights, Coordination and Put Option Agreement, pursuant to which, among other things, (i) the Significant Shareholders and the Founder Investors are entitled to certain registration rights in respect of the resale of Class A Shares and Class C Shares received in connection with the above described transactions (the “Significant Shareholder Registrable Securities”), (ii) the Significant Shareholders (other than GEF SACEF India (“SACEF”) and RMG Sponsor II, LLC (“RMG Sponsor”) (for so long as it is not an affiliate of the Issuer)) agreed to certain obligations to coordinate transfers and sales of Significant Shareholder Registrable Securities, (iii) the Founder Investors are entitled to require the Issuer to purchase certain ReNew India Ordinary Shares held by the Founder Investors and the Issuer will agree to register the Founder Investors’ Registrable Securities, subject to certain terms conditions and (iv) the Significant Shareholders (other than SACEF) and the Founder Investors agreed to certain post-Closing transfer restrictions in respect of shares of the Issuer held by them.

Registration Rights

Under the Registration Rights, Coordination and Put Option Agreement, the Issuer is required to file a registration statement on Form F-1 within thirty (30) days of the Closing for the resale of all of the securities that the parties to such agreement have agreed shall be registrable (“Registrable Securities”), pursuant to Rule 415 under the Securities Act, and use its commercially reasonable efforts to have such registration statement declared effective as soon as practicable and to maintain such effectiveness until such time that there are no longer any Registrable Securities.

Sales by GSW pursuant to an underwritten offering conducted pursuant to the Registration Rights, Coordination and Put Option Agreement will, where the managing underwriter(s) appointed by the Issuer in respect of such offering advise that marketing factors require a cut-back in the number of Registrable Securities requested to be sold under the offering, have priority over proposed sales by other parties to that agreement under the following circumstances:

(i) if GSW is the Significant Shareholder initially requesting such offering, in respect of an amount of Registrable Securities equal to the greater of

(A) such number of Registrable Securities, when taken together with the amount of all Registrable Securities sold by GSW in all prior offerings requested by GSW, equal to 5% of the then issued and outstanding shares of the Issuer and

(B) such number of Registrable Securities as may be necessary to enable GSW to reduce (x) the GSW Total Equity Interest (as defined below) to 33% and/or (y) the GSW Voting Interest to 4.9% (as defined below); or

(ii) if GSW is not the Significant Shareholder initially requesting such offering, in respect of an amount of Registrable Securities as may be necessary to enable GSW to reduce

(A) the GSW Total Equity Interest to 33% and/or

(B) the GSW Voting Interest to 4.9%;

(each, a “GS Priority Offering”).

If GSW exercises its GSW Priority Offering right, in each subsequent offering that is not a GSW Priority Offering, each of the Significant Shareholders other than GSW will be entitled to have their Registrable Securities sold (pro rata to the number of Registrable Securities requested to be sold by each such Significant Shareholder in aggregate in each GSW Priority Offering) in priority to any Registrable Securities requested to be sold by GSW in such offering, until each such Significant Shareholder (other than GSW) has sold such number of Registrable Securities it had requested to sell and would have been entitled to sell in prior GSW Priority Offerings but for the exercise of the GSW Priority Offering right.

“GSW Total Equity Interest” means, with respect to GSW at a particular time of determination, the percentage equal to (a) the sum of (i) the number of ReNew India Ordinary Shares held by GSW at such time multiplied by 0.8289 (as proportionally adjusted for any share dividends, share combinations or consolidations, share splits, bonus issues or merger, consolidation or other reorganization or recapitalization effected with respect to the Issuer’s shares or the ReNew India Ordinary Shares after the Closing), plus (ii) the number of Class A Shares and Class C Shares held by GSW at such time, divided by (b) the sum of (i) the number calculated pursuant to (a) above, plus (ii) the number of issued and outstanding Class A Shares as of such time that are held by persons other than GSW or any of its affiliates, plus (iii) the number of issued and outstanding Class C Shares as of such time, if any, that are held by persons other than GSW or any of its affiliates.

“GSW Voting Interest” means, with respect to GSW at a particular time of determination, the percentage equal to (a) the number of Class A Shares held by GSW or any of its affiliates as of such time, divided by (b) the aggregate number of Class A Shares, Class B Shares of the Issuer (the “Class B Shares”) and Class D Shares of the Issuer (the “Class D Shares”) issued and outstanding as of such time.

Coordination

Each Significant Shareholder (other than SACEF and, for so long as it is not an affiliate of the Issuer, RMG Sponsor) (each, a “Coordinating Significant Shareholder”) has agreed to use its best efforts to coordinate all sales and/or transfers of shares of the Issuer pursuant to (A) registered underwritten offerings of Registrable Securities, except for underwritten block trades conducted during the two (2) year period following Closing, and (B) any registered non-underwritten offering and sales pursuant to Rule 144 under the Securities Act (or any similar provision) until the earlier of (x) the date falling two (2) years after the Closing or (y) in respect of any particular Significant Shareholder, the date on which it holds an Effective Economic Interest (as defined below) less than or equal to 25% of the Effective Economic Interest it held immediately following the Closing. The agreement described in the preceding sentence does not apply to transactions:

(i) pursuant to an exception to such Significant Shareholder’s post-Closing lock-up; and

(ii) by GSW, to the extent a transfer of shares by the Issuer is (i) necessary to enable GSW to reduce (x) the GSW Total Equity Interest to 33% and/or (y) the GSW Voting Interest to 4.9%.

No later than ten (10) days prior to the commencement of each calendar quarter following the date that is 180 days following the Closing, each Coordinating Significant Shareholder shall provide the other Coordinating Significant Shareholders with a written notice of its intention to sell any shares of the Issuer during such calendar quarter (provided that the first notice shall be provided no later than ten (10) days after the date that is 180 days following the Closing and shall apply for that calendar quarter). Such notice shall facilitate all Coordinating Significant Shareholders electing to transfer shares of the Issuer to coordinate the timing and process for such transfers in an orderly manner. Each Coordinating Significant Shareholder receiving such notice shall be entitled to effect a transfer of such number of its shares of the Issuer during the relevant calendar quarter on a pro rata basis to the aggregate number of shares of the Issuer proposed to be transferred by the other Coordinating Significant Shareholders during that calendar quarter. Furthermore, any transfer of shares of the Issuer by a Coordinating Significant Shareholder or any issuance of shares by the Issuer which would result in change of control of the Issuer will not be consummated unless the Issuer has purchased in full all ReNew India Ordinary Shares that the Founder Investors have elected to sell to the Issuer in connection with such change of control pursuant to the Founder Investors’ put rights contained in the Registration Rights, Coordination and Put Option Agreement.

“Effective Economic Interest” means with respect to any Significant Shareholder or Founder Investor (each, an “Investor” and, collectively, the “Investors”) at a particular time of determination, the percentage equal to (a) the number of such Investor’s Equivalent Economic Beneficial Shares (as defined below) as of such time, divided by (b) the number of Equivalent Outstanding Beneficial Shares (as defined below) as of such time.

“Equivalent Economic Beneficial Shares” means with respect to an Investor as of a particular time of determination, an amount (rounded down to the nearest whole number) equal to (a) (i) the number of ReNew India Ordinary Shares, if any, held as of such time by such Investor and its affiliates, multiplied by (ii) 0.8289 (as proportionally adjusted for any share dividends, share combinations or consolidations, share splits, bonus issues or merger, consolidation or other reorganization or recapitalization effected with respect to the Issuer’s shares or the ReNew India Ordinary Shares after the Closing), plus (b) the number of Class A Shares, if any, held by such Investor and its affiliates as of such time, plus (c) the number of Class C Shares, if any, held by such Investor and its affiliates as of such time.

“Equivalent Outstanding Beneficial Shares” shall mean, as of a particular time of determination, an amount equal to (a) the aggregate of each Investor’s Equivalent Economic Beneficial Shares as of such time, plus (b) the number of issued and outstanding Class A Shares as of such time that are held by persons other than an Investor or any of its affiliates, plus (c) the number of issued and outstanding Class C Shares as of such time, if any, that are held by persons other than an Investor or any of its affiliates.

Lock-up

GSW has agreed, subject to certain exceptions, not to transfer any shares of the Issuer during the period commencing on the Closing Date and ending on the date that is 180 days following the Closing Date, except that, during such lock-up period, GSW will be

permitted to sell shares of the Issuer held by it equal to the greater of (i) 5% of the total issued and outstanding shares of the Issuer as of immediately following the Closing; and (ii) such number of shares as may be necessary to enable GSW to reduce (A) the GSW Total Equity Interest to 33% and/or (B) the GSW Voting Interest to 4.9%; provided that any third party transferee of such shares from GSW shall also have agreed to be subject to the lock-up restrictions under the Registration Rights, Coordination and Put Option Agreement for the remainder of the lock-up period.

Shareholders Agreement

At the Closing, the Issuer entered into the Shareholders Agreement with certain shareholders (including GSW) (the “Shareholders Agreement Investors”), pursuant to which, among other things, the Shareholders Agreement Investors agreed on the composition of the board of directors of the Issuer (the “Renew Global Board”) and certain committees, including an audit committee, a remuneration committee, a nomination committee and a finance and operations committee. Certain of the Shareholders Agreement Investors, including GSW, have the right to appoint or reappoint certain directors to the ReNew Global Board. Pursuant to the Shareholders Agreement, GSW has the right to appoint one director to the Renew Global Board until the later of (i) the second anniversary of the Closing Date and (ii) so long as GSW, together with its affiliates, holds Class A Shares and Class C Shares that, together with any ReNew India Ordinary Shares held by GSW, represent an Effective Economic Interest (as defined in the Shareholders Agreement) of at least 10% (disregarding dilution resulting from certain share issuances by the Issuer). GSW has designated Mr. Michael Bruun to serve on the Renew Global Board.

The Issuer and the Shareholders Agreement Investors agreed to take all necessary actions to give effect to the director appointment rights of the applicable Shareholders Agreement Investors (including, with respect to the Shareholders Agreement Investors, voting their shares in the Issuer in favor of the appointment, reappointment or removal, as applicable, of such Shareholders Agreement Investors’ respective appointed directors).

Voting Agreement

At the Closing, pursuant to provisions in the articles of association of ReNew India, each of GSW, Canada Pension Plan Investment Board (“CPP Investments”) and the Founder Investors have undertaken that for so long as: (i) it holds equity shares of ReNew India (“Obligor Shares”), and (ii) to the extent that it was issued any Class B Shares or Class D Shares and remains entitled to vote on any such Class B Shares or Class D Shares, it shall (a) provide exclusive proxies on the Obligor Shares held by it to the authorized representative(s) of the Issuer, and do all other acts that may be required by the Issuer to ensure that the Issuer or its nominee exercises all voting rights on the Obligor Shares at all general meetings of the shareholders of ReNew India; and (b) in the event that the provisions of (a) above cannot be or have not been given effect to for any reason, if requested by the Issuer, vote on all Obligor Shares in the general meetings of the shareholders of ReNew India solely in compliance with the instructions of the Issuer, provided that the Issuer shall (i) exercise its right to vote on such equity shares in the same manner as it has voted on its own equity shares in ReNew India; (ii) for so long as GSW holds equity shares in ReNew India, vote on its own equity shares in ReNew India or exercise its right to vote on the equity shares on behalf of GSW, only with the prior written consent of GSW, in any matter to the extent such matter would result in (A) the amendment, variation or deletion of any provision in the articles of association of ReNew India relating to tax which would materially adversely affect GSW; or (B) any increase in GSW’s proportionate holding of equity shares that would materially adversely affect GSW; and (iii) for so long as any of GSW, CPP Investments or the Founder Investors hold equity shares in ReNew India, vote on its own equity shares in ReNew India or exercise its right to vote on the equity shares on behalf of such shareholder, only with the prior written consent of such shareholder, in any matter to the extent such matter would result in (A) an action being undertaken by ReNew India, or (B) an amendment to the rights attaching to the equity shares in ReNew India, in each case that would materially adversely and disproportionately affect the rights of such shareholder in ReNew India as compared to the securities of the other shareholders or materially adversely and disproportionately affect the effective economic interest of the shareholders in the Issuer, as compared to the economic interest of the other shareholders in the Issuer.

The Class C Shares

Each Class C Share shall automatically be re-designated as one Class A Share in the hands of a transferee (other than where such transferee is an affiliate, within the meaning of BHCA, of the transferor) upon the transfer of such Class C Share (including a transfer of depositary receipts or Identified Rights (as defined in the articles of association of the Issuer (the "A&R Articles"))) in respect of such Class C Shares) to such transferee, if such transfer is made:

(i) pursuant to a widespread public distribution, within the meaning of the BHCA;

(ii) to the Issuer;

(iii) in transfers in which no transferee (or group of associated transferees, within the meaning of the BHCA, of the transferring holder) receives equal to or more than 2% of the issued and outstanding Class A Shares (including depositary receipts or Identified Rights in respect of such Class A Shares) or a class of voting shares of the Issuer (including depositary receipts or Identified Rights (as defined in the A&R Articles) in respect of such voting shares) representing 2% or more of the voting power attached to such class of voting shares; or

(iv) to a transferee that controls more than 50% of the issued and outstanding Class A Shares (including depositary receipts or Identified Rights (as defined in the A&R Articles) in respect of such Class A Shares) and more than 50% of the issued and outstanding shares (including depositary receipts or Identified Rights (as defined in the A&R Articles) in respect of such shares) of each other class of voting shares of the Issuer (without including any Class C Shares or depositary receipts or Identified Rights (as defined in the A&R Articles) in respect of such Class C Shares transferred to such transferee).

As of the date hereof, GSW holds a total of 34,133,476 Class A Shares and 118,363,766 Class C Shares.

Without limiting the foregoing, the GS Reporting Persons may, from time to time, acquire or cause affiliates to acquire additional shares of Common Stock or other securities of the Issuer, dispose, or cause affiliates to dispose, of some or all of Class A Shares, Class C Shares or other securities of the Issuer (including in the open market, private transactions, block trades, registered sales or otherwise) or continue to hold, or cause affiliates to hold, securities of the Issuer (or any combination or derivative thereof). In particular and without limiting the foregoing, and subject to the terms of the above described agreements, the GS Reporting Persons intend, from time to time depending on the various factors described above, to dispose of Class A Shares and Class C Shares, including pursuant to registered sales under any available shelf registration statement and to deliver to the Issuer demand requests or take-down notices in connection therewith.

In addition, the GS Reporting Persons may from time to time engage in discussions with management, the board of directors and/or other shareholders of the Issuer and other relevant parties or take other actions concerning any extraordinary corporate transaction (including but not limited to a merger, reorganization or liquidation) or the business, operations, assets, strategy, future plans, prospects, corporate structure, board composition, management, capitalization, dividend policy, articles of incorporation, regulations, corporate documents, agreements, delisting or deregistration of the Issuer.

Other than as described herein and subject to the terms of the applicable agreements described above, none of the GS Reporting Persons nor, to the best knowledge of the GS Reporting Persons, without independent verification, any of the persons listed in Schedule I hereto, currently has any plans or proposals that relate to, or would result in, any of the matters listed in Items 4(a)–(j) of Schedule 13D, although subject to the applicable provisions of the agreements described above, the GS Reporting Persons or any of the persons listed on such Schedules hereto, may, at any time and from time to time, review or reconsider its position and/or change its purpose and/or formulate plans or proposals with respect thereto.

References to and descriptions of the Business Combination Agreement, Registration Rights, Coordination and Put Option Agreement and Shareholders Agreement set forth above do not purport to be complete and are qualified in their entirety by reference to the full text of the such agreements, which have been filed as Exhibits hereto and are incorporated by reference herein.

Item 5. Interest in Securities of the Issuer

SCHEDULE III

The U.S. Securities and Exchange Commission (the “SEC”) has alleged that Goldman Sachs & Co. LLC (“Goldman Sachs”) violated Regulation SHO under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) by improperly relying on Goldman Sachs’s automated locate function in the order management system without having confirmed the availability of the securities to be located. In addition, the SEC alleged that Goldman Sachs employees did not provide sufficient and accurate information with respect to these locates in Goldman Sachs’s locate log, which must reflect the basis upon which Goldman Sachs provided the locates. The SEC alleged that Goldman Sachs willfully violated Rule 203(b)(1) of Regulation SHO and Section 17(a) of the Exchange Act. Without admitting or denying the violations, Goldman Sachs consented to the entry by the SEC of an Order Instituting Administrative and Cease-and-Desist Proceedings, pursuant to Sections 15(b) and 21C of the Exchange Act, Making Findings, and Imposing Remedial Sanctions and a Cease-and-Desist Order (Release No. 34-76899, Jan. 14, 2016). Pursuant to the Order, Goldman Sachs must cease and desist from committing or causing any violations and any future violations of Rule 203(b)(1) of Regulation SHO, and any violations and any future violations of Section 17(a) of the Exchange Act and Rule 203(b)(1)(iii) thereunder relating to short sale locate records. Also pursuant to the Order, Goldman Sachs was censured and paid a civil money penalty in the amount of \$15,000,000 on January 20, 2016. The SEC stated that, in determining to accept Goldman Sachs’s offer of settlement, it considered certain remedial acts taken by Goldman Sachs.

On October 22, 2020, The Goldman Sachs Group, Inc. (“GS Group”) entered into an order instituting cease and desist proceedings with the SEC, which alleged GS Group failed to reasonably maintain a sufficient system of internal accounting controls between 2012 and 2015 with respect to the process by which it reviewed and approved the commitment of firm capital in large, significant and complex transactions, such as the three bond offerings for 1Malaysia Development Berhad (“1MDB”), and that documentation prepared in connection with the 1MDB transactions did not accurately reflect certain aspects of the bond offerings, including the involvement of a third party intermediary in the offerings. GS Group has agreed to pay a civil money penalty in the amount of \$400,000,000 and disgorgement of \$606,300,000.
