SkyPeople Fruit Juice New Beverage Production Line Started Operation in Northeastern China

XI'AN , China , April 30, 2012 -- SkyPeople Fruit Juice, Inc. (NASDAQ: [SPU](#) - [News](#)) ("SkyPeople" or "the Company"), a producer of fruit juice concentrates, fruit beverages and other fruit-related products, today announced that it has commenced operation of a new fruit juice beverage production line (the "New Production Line") in Huludao Wonder Fruit Co., Ltd., a subsidiary of the Company in Liaoning province of northeastern China ("Huludao Wonder").

On April 28, 2012, the Company was informed by Liaoning Bureau of Quality and Technical Supervision (the "Bureau") that a "China Food Production License" for production of Beverage (including fruit juice and vegetable juice) has been granted to Huludao Wonder by the Bureau. On the same day, Huludao Wonder commenced operation of the New Production Line on April 28, 2012.

The New Production Line was designed to have maximum production capacity of 6,000 bottles per hour of a variety of fruit juice and vegetable juice. The Company plans to produce fruit juice beverages to meet market demand. The capital expenditures for the New Production Line were approximately \$3 million.

"Liaoning province, where Huludao Wonder is located, is famous for its production of high-quality apples. The strategic location of our manufacturing facilities enables us to lower transportation costs and better preserve the freshness of the fruits" commented Mr. Yongke Xue, Chief Executive Officer of SkyPeople Fruit Juice. "The addition of the New Production Line helps us take advantage of economies of scale and focus on producing high margin fruit juice beverages. We expect the New Production Line to present another growth opportunity for the Company."
