Dear Stockholder:

You are invited to attend the Annual Meeting of Stockholders of PDI, Inc. to be held on June 7, 2005, at 3:00 p.m., Eastern time, at PDI, Inc., Saddle River Executive Centre, 1 Route 17 South, Saddle River, New Jersey 07458.

At this meeting, you will be asked to elect three directors, to ratify the selection of the Company's independent registered public accounting firm for fiscal 2005 and to transact such other business as may properly come before the meeting. The accompanying Notice of Meeting and Proxy Statement describe these proposals. We urge you to read this information carefully.

Your Board of Directors unanimously believes that the election of its nominees for directors and the ratification of its selection of Ernst & Young LLP as the Company's independent registered public accounting firm are in the best interests of PDI and its stockholders, and, accordingly, recommends a vote FOR the election of the nominees for director and FOR proposal 2 to ratify Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2005.

In addition to the formal business to be transacted at the Annual Meeting, management will make a presentation on developments of the past year and respond to comments and questions of general interest to stockholders. I personally look forward to greeting those PDI stockholders able to attend the meeting.

Whether or not you plan to attend the Annual Meeting in person, it is important that your shares are represented. Therefore, please promptly complete, sign, date, and return the enclosed proxy card in the accompanying envelope, which requires no postage if mailed in the United States. You are, of course, welcome to attend the Annual Meeting and vote in person even if you previously returned your proxy card.

Thank you.

Sincerely,

PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of PDI, Inc., a Delaware corporation (the "Company" or "PDI", "we", "us" or "our"), of proxies in the form enclosed for the Annual Meeting of Stockholders to be held at PDI, Inc., Saddle River Executive Centre, 1 Route 17 South, Saddle River, New Jersey 07458 on June 7, 2005 at 3:00 p.m., Eastern time, and for any adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. The Board of Directors knows of no other business which will come before the meeting. This Proxy Statement will be mailed to stockholders on or about May 3, 2005.

RECORD DATE AND QUORUM

Stockholders of record at the close of business on April 27, 2005 are entitled to notice of and to vote at the Annual Meeting. As of the record date, there were 14,865,292 shares of common stock of the Company outstanding. Each share of common stock outstanding on the record date is entitled to one vote on each matter presented for action at the meeting. Shares of common stock were the only voting securities of the Company outstanding on the record date. A quorum will be present at the Annual Meeting if a majority of the shares of common stock outstanding on the record date are present at the meeting in person or by proxy.

VOTING OF PROXIES

The persons acting as proxies pursuant to the enclosed proxy will vote the shares represented as directed in the signed proxy. Unless otherwise directed in the proxy, the proxyholders will vote the shares represented by the proxy: (i) for election of the three Class III director nominees named in this Proxy Statement; (ii) for ratification of the appointment of Ernst & Young LLP as independent registered public accounting firm to audit the financial statements of the Company for the fiscal year ending December 31, 2005; and (iii) in the proxyholders' discretion, on any other business that may come properly before the meeting and any adjournments of the meeting.

All votes will be tabulated by the inspector of election appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. Under the Company's bylaws and Delaware law: (1) shares represented by proxies that reflect abstentions or "broker non-votes" (i.e., shares held by a broker or nominee that are represented at the meeting, but with respect to which such broker or nominee is not empowered to vote on a particular proposal) will be counted as shares that are present and entitled to

vote for purposes of determining the presence of a quorum; (2) there is no cumulative voting, and the director nominees receiving the highest number of votes, up to the number of directors to be elected, are elected and, accordingly, abstentions, broker non-votes and withholding of authority to vote will not affect the election of directors; and (3) proxies that reflect abstentions or non-votes will be

treated as unvoted for purposes of determining approval of that proposal and will not be counted as votes for or against that proposal.

VOTING REQUIREMENTS

ELECTION OF DIRECTORS. The election of directors requires a plurality of the votes cast for the election of directors; accordingly, the directorships to be filled at the Annual Meeting will be filled by the nominees receiving the highest number of votes. In the election of directors, votes may be cast in favor of or withheld with respect to any or all nominees; votes that are withheld will be excluded entirely from the vote and will have no effect on the outcome of the vote.

RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM. The affirmative vote of a majority of the votes cast for or against the matter by stockholders entitled to vote at the Annual Meeting is required to ratify the appointment of our independent registered public accounting firm. An abstention from voting on this matter will be treated as "present" for quorum purposes. However, since an abstention is not treated as a "vote" for or against the matter, it will have no effect on the outcome of the vote.

REVOCABILITY OF PROXY

A stockholder who has signed and returned the enclosed proxy may revoke it at any time before it is voted by (i) submitting to the Company a properly executed proxy bearing a later date, (ii) submitting to the Company a written revocation of the proxy or (iii) voting in person at the Annual Meeting.

EXPENSES OF SOLICITATION

We will pay the expenses of the preparation of proxy materials and the solicitation of proxies for the Annual Meeting. In addition to the solicitation of proxies by mail, solicitation may be made by certain directors, officers or employees of PDI telephonically, electronically or by other means of communication. We will reimburse brokers and other nominees for costs incurred by them in mailing proxy materials to beneficial owners in accordance with applicable rules.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

The Board of Directors consists of nine members and is divided into three classes, with three directors in each of Classes I, II and III. Directors serve for three-year terms with one class of directors being elected by the Company's stockholders at each annual meeting.

At the Annual Meeting, three Class III directors will be elected to serve until the annual meeting of stockholders in 2008 and until each director's successor is elected and qualified.

2

Larry Ellberger, John Federspiel and Jan Martens Vecsi are the nominees for re-election as the Class III directors. All of the nominees currently are members of the Board of Directors who have been approved, recommended and nominated for re-election to the Board of Directors by the Nominating and Corporate Governance Committee and by the Board of Directors. The accompanying proxy will be voted for the election of Larry Ellberger, John Federspiel, and Jan Martens Vecsi as directors, unless the proxy contains contrary instructions. Management has no reason to believe that any of Mr. Ellberger, Mr. Federspiel or Ms. Vecsi will not be a candidate or will be unable to serve. However, in the event that any of the nominees should become unable or unwilling to serve as a

director, the proxy will be voted for the election of such person or persons as shall be designated by the Board of Directors.

THE BOARD OF DIRECTORS RECOMMENDS A
VOTE FOR THE ELECTION OF THE FOREGOING NOMINEES AND
PROXIES THAT ARE RETURNED WILL BE SO VOTED
UNLESS OTHERWISE INSTRUCTED.

CORPORATE GOVERNANCE

Our Guidelines on Corporate Governance, Code of Business Conduct and the charters for each Board committee can be found on our website at [HTTP://WWW.PDI-INC.COM](http://www.pdi-inc.com). We believe that we are in compliance with the relevant provisions of the Sarbanes-Oxley Act of 2002 and the corporate governance rules of the Nasdaq Stock Market ("Nasdaq").

BOARD OF DIRECTORS MEETINGS AND COMMITTEES

During the year ended December 31, 2004, the Board of Directors held nine meetings, the Audit Committee held sixteen meetings, the Compensation and Management Development Committee held seven meetings, the Nominating and Corporate Governance Committee held four meetings, and the Science and

Technology Committee did not hold any meetings. As discussed below, the Science and Technology Committee was eliminated on February 9, 2005.

5

Each committee member is a non-employee director of the Company who meets the independence requirements of Nasdaq and applicable law. Each of our incumbent directors attended at least 85% of the total number of Board of Directors meetings and committee meetings on which he or she served during 2004.

We adopted a policy encouraging our directors to attend annual meetings of stockholders and believe that attendance at annual meetings is just as important as attendance at meetings of the Board of Directors. In the future we expect to schedule Board of Directors and committee meetings to coincide with the dates of our annual meetings. Five of our directors who were serving at the time attended our annual meeting held on June 16, 2004, either in person or telephonically.

Our Board of Directors has three standing committees, each of which is described below. In light of the shift in our corporate strategy to deemphasize the PDI Products Group segment of our business, the Science and Technology Committee, formerly a standing committee, was eliminated on February 9, 2005.

AUDIT COMMITTEE

The Audit Committee is currently composed of Mr. Ellberger (chairperson), Mr. Sullivan and Dr. Curti. The primary purposes of our Audit Committee are: (a) to assist the Board of Directors in its oversight of (i) the integrity of our financial statements, (ii) our compliance with legal and regulatory requirements, (iii) our independent registered public accounting firm's qualifications and independence and (iv) the performance of our internal audit function and independent registered public accounting firm; and (b) to prepare any report of the Audit Committee required by the rules and regulations of the Securities and Exchange Commission (the "SEC") for inclusion in our annual proxy statement.

Our Board of Directors and the Nominating and Corporate Governance Committee have determined that each of the members of our Audit Committee is independent within the meaning of the rules of both Nasdaq and the SEC. No member of the Audit Committee is an officer of the Company or employed or affiliated with Ernst & Young LLP, nor has any member of the Audit Committee been an officer of the Company within the past three years. No member of the Audit Committee has any relationship with the Company that, in the opinion of the Board of Directors, would interfere with his independence from management and the Company. Each member of the Audit Committee is, in the judgment of the Board of Directors and the Nominating and Corporate Governance Committee, financially literate, and at least one member of the Audit Committee has accounting or related financial management experience. The Board of Directors and the Nominating and Corporate Governance Committee have determined that the Chairperson of the Audit Committee, Mr. Ellberger, is an "audit committee financial expert," as that term is defined in Item 401(h) of Regulation S-K, and "independent" for purposes of Nasdaq listing standards and Section 10A(m)(3) of the Securities Exchange Act of 1934 (the "Exchange Act").

The Audit Committee and our Board of Directors have established a procedure whereby complaints or concerns with respect to accounting, internal controls and auditing matters may be

6

submitted to the Audit Committee, which is described under "Other Matters -- Policies on Reporting of Concerns Regarding Accounting and Other Matters and on Communicating with Non-Management Directors" below.

Our Audit Committee Charter was included as Appendix A to our proxy statement in connection with our 2003 annual meeting of stockholders. Additionally, it is posted and can be viewed on our website at www.pdi-inc.com.

COMPENSATION AND MANAGEMENT DEVELOPMENT COMMITTEE

The Compensation and Management Development Committee is currently comprised of Messrs. Ryan (chairperson), Pietruski and Federspiel. Each member

of our Compensation and Management Development Committee is "independent" within the meaning of the rules of Nasdaq and as required by the Compensation and Management Development Committee Charter. The primary purposes of our Compensation and Management Development Committee are: (a) to establish and maintain executive compensation policies for the Company consistent with corporate objectives and stockholder interests; (b) to oversee the competency and qualifications of our senior management personnel and the provisions of senior management succession planning; and (c) to prepare a report on executive compensation required by the rules and regulations of the SEC for inclusion in our annual proxy statement. The Compensation and Management Development Committee also administers our equity compensation plans.

Our Compensation and Management Development Committee Charter is posted and can be viewed on our website at www.pdi-inc.com.

NOMINATING AND CORPORATE GOVERNANCE COMMITTEE

The Nominating and Corporate Governance Committee is currently comprised of Messrs. Pietruski (chairperson), Federspiel and Sullivan and Dr. Curti. Each member of our Nominating and Corporate Governance Committee is "independent" within the meaning of the rules of Nasdaq. The primary purposes of the Nominating and Corporate Governance Committee are: (a) to select individuals qualified to serve as directors of the Company and on committees of the Board of Directors; (b) to advise the Board of Directors with respect to the board composition, procedures and committees; (c) to advise the Board of Directors with respect to the corporate governance principles applicable to the Company; (d) to advise the Board of Directors with respect to director compensation issues; and (e) to oversee the evaluation of the Board of Directors. In identifying and recommending nominees for positions on the Board of Directors, the Nominating and Corporate Governance Committee places primary emphasis on (i) a candidate's judgment, character, expertise, skills and knowledge useful to the oversight of our business; (ii) a candidate's business or other relevant experience; and (iii) the extent to which the interplay of the candidate's expertise, skills, knowledge and experience with that of other members of the Board of Directors will build a Board of Directors that is effective, collegial and responsive to our needs.

7

The Nominating and Corporate Governance Committee does not set specific, minimum qualifications that nominees must meet in order for the committee to recommend them to the Board of Directors, but rather believes that each nominee should be evaluated based on his or her individual merits, taking into account our needs and the composition of the Board of Directors. Members of the Nominating and Corporate Governance Committee discuss and evaluate possible candidates in detail, and suggest individuals to explore in more depth. Outside consultants have also been employed to help in identifying candidates. Once a candidate is identified whom the committee wants to seriously consider and move toward nomination, the chairperson of the Nominating and Corporate Governance Committee enters into a discussion with that nominee. The Nominating and Corporate Governance Committee will consider nominees recommended by stockholders. The policy adopted by the Nominating and Corporate Governance Committee provides that nominees recommended by stockholders are given appropriate consideration in the same manner as other nominees. Stockholders who wish to submit nominees for director for consideration by the Nominating and Corporate Governance Committee for election at our 2006 annual meeting of stockholders may do so by submitting in writing such nominees' names, in compliance with the procedures and along with the other information required by our bylaws, to Beth R. Jacobson, Executive Vice President, General Counsel and Corporate Secretary at PDI, Inc., Saddle River Executive Centre, 1 Route 17 South, Saddle River, NJ 07458 between December 1, 2005 and December 24, 2005.

The Company's Nomination and Corporate Governance Committee Charter is posted and can be viewed on the Company's website at www.pdi-inc.com.

COMPENSATION OF DIRECTORS

Each of our non-employee directors receives an annual director's fee of \$40,000, payable quarterly in arrears. In addition, the chairperson of the Audit Committee, Compensation and Management Development Committee, and Nominating and Corporate Governance Committee receives an additional annual fee of \$25,000, \$10,000 and \$5,000, respectively. Under our stock option plans, each non-employee director is granted options to purchase 10,000 shares upon first being elected to our Board of Directors. In addition, each non-employee director will receive options to purchase an additional 7,500 shares of common stock on

the date of each annual stockholders' meeting. All options have an exercise price equal to the fair market value of the common stock on the date of grant and vest one-third on the date of grant and one-third at the end of each of the next two subsequent years of service on the Board of Directors.

STOCKHOLDER RETURN PERFORMANCE GRAPH

Set forth below is a line graph comparing the yearly percentage change in the cumulative total stockholder return on the Company's common stock, based on the market price of the Company's common stock, with the total return of companies included within the Nasdaq Stock Market Index for the period commencing December 31, 1999 and ending December 31, 2004. The calculation of total cumulative return assumes a \$100 investment in the Company's common stock and the Nasdaq Stock Market Index on December 31, 1999, and the reinvestment of all dividends.

PROPOSAL NO. 2

RATIFICATION OF APPOINTMENT
OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of our Board of Directors has appointed Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2005. Although stockholder approval is not required, we desire to obtain from the stockholders an indication of their approval or disapproval of the Board of Directors' action in appointing Ernst & Young LLP as the independent registered public accounting firm of the Company and its subsidiaries. If the stockholders do not ratify this appointment, such appointment will be reconsidered by the Audit Committee.

A representative of Ernst & Young LLP will be present at the Annual Meeting and will be afforded an opportunity to make a statement and to respond to questions.

12

PricewaterhouseCoopers LLP ("PWC") served as the Company's independent auditors from 1998 until 2004. Effective April 18, 2005, PWC was dismissed as the Company's independent public accountants.

PWC's reports on the financial statements for the fiscal years ended December 31, 2004 and 2003 did not contain an adverse opinion or a disclaimer of opinion, and none of such reports was qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended December 31, 2004 and 2003, there were no disagreements between the Company and PWC on any matter of accounting principles or practices, financial statement disclosures, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of PWC, would have caused it to make reference to the subject matter of the disagreements in connection with its reports.

During the years ended December 31, 2004 and 2003 and through April 18, 2005, there have been no reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K), except that in September 2004, the Company became aware of the applicability of the accounting pronouncement, EITF 01-14, to the Company's financial statements. EITF 01-14 should have been applied to such financial statements beginning with the first quarter of 2002. Due to the non-application of EITF 01-14 since 2002, the Company discovered certain errors in the classification of reimbursable costs in its consolidated statements of operations from 2002 through June 30, 2004. As a result, the Company determined that a material weakness existed in its financial reporting and disclosure controls regarding the selection and application of generally accepted accounting principles and the preparation of the consolidated financial statements at such time. The Company has since remediated this material weakness and based on its evaluation under the framework in INTERNAL CONTROL - INTEGRATED FRAMEWORK, the Company's management concluded that its internal control over financial reporting was effective as of December 31, 2004. The Audit Committee of the Board of Directors of the Company discussed this matter with PWC and has

authorized PWC to respond fully to any inquiries that may be made by the Company's successor independent registered public accounting firm regarding this matter.

The Company requested that PWC furnish a letter addressed to the SEC stating whether PWC agreed with the above statements. On April 22, 2005, PWC filed the letter that the Company requested with the SEC stating that PWC had read the Company's statements and agreed with such statements.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE
APPOINTMENT OF ERNST & YOUNG FOR FISCAL YEAR 2005 AND
PROXIES THAT ARE RETURNED WILL BE SO VOTED
UNLESS OTHERWISE INSTRUCTED.

AUDIT COMMITTEE REPORT

Each member of the Audit Committee is "independent" within the meaning of the rules of both Nasdaq and the SEC (including the SEC's additional independence requirements for

13

members of audit committees), as determined by our Board of Directors upon the recommendation of our Nominating and Corporate Governance Committee. Our Board of Directors has also determined that each member is financially literate and at least one member of the Audit Committee has accounting or related financial management expertise, as such qualifications are defined under the rules of Nasdaq, and that Mr. Ellberger is an "audit committee financial expert" within the meaning of the rules of the SEC. The Audit Committee operates pursuant to a written charter that is available on our website at <http://www.pdi-inc.com>. The Audit Committee's primary purposes are: (a) to assist our Board of Directors in its oversight of (i) the integrity of our financial statements; (ii) our compliance with legal and regulatory requirements; (iii) our independent registered public accounting firm's qualifications and independence; and (iv) the performance of our internal audit function and the independent registered public accounting firm; and (b) to prepare this Report. During fiscal 2004, the Audit Committee held sixteen meetings and sixteen private sessions with the independent registered public accounting firm. Each current member of the Audit Committee has attended every Audit Committee meeting held since joining the Audit Committee.

Management is responsible for the preparation, presentation and integrity of our financial statements, accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations, including the effectiveness of internal control over financial reporting. The independent registered public accounting firm is responsible for performing an independent audit of our financial statements, expressing an opinion as to their conformity with generally accepted accounting principles and on management's assessment of the effectiveness of internal control over financial reporting. The independent registered public accounting firm has free access to the Audit Committee to discuss any matters they deem appropriate.

In performing its oversight role, the Audit Committee has considered and discussed with management and the independent registered public accounting firm our audited financial statements for fiscal 2004, management's assessment of the effectiveness of our internal control over financial reporting and the independent registered public accounting firm's evaluation of our internal control over financial reporting. The Audit Committee has also discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, COMMUNICATION WITH AUDIT COMMITTEES, as currently in effect. The Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1, INDEPENDENCE DISCUSSIONS WITH AUDIT COMMITTEES, as currently in effect, and has discussed with the independent registered public accounting firm, such independent registered public accounting firm's independence. All non-audit services performed by the independent registered public accounting firm must be specifically pre-approved by the Audit Committee or a member thereof.

During fiscal 2004, the Audit Committee performed all of its duties and responsibilities under the Audit Committee Charter. In addition, based on the reports and discussions described in this Report, the Audit Committee recommended to the Board of Directors that our audited financial statements for fiscal 2004 be included in our Annual Report on Form 10-K for such fiscal year.

AUDIT COMMITTEE MATTERS AND FEES PAID TO INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Under its charter, the Audit Committee must pre-approve all engagements of our independent registered public accounting firm unless an exception to such pre-approval exists under the Exchange Act or the rules of the SEC. Each year, the independent registered public accounting firm's retention to audit our financial statements and permissible non-audit services, including the associated fees, is approved by the Audit Committee before the filing of the preceding year's Annual Report on Form 10-K. At the beginning of the fiscal year, the Audit Committee will evaluate other known potential engagements of the independent registered public accounting firm, in light of the scope of the work proposed to be performed and the proposed fees, and approve or reject each service, taking into account whether the services are permissible under applicable law and the possible impact of each non-audit service on the independent registered public accounting firm's independence. At each subsequent Audit Committee meeting, the Audit Committee will receive updates on the services actually provided by the independent registered public accounting firm, and management may present additional services for approval. Typically, these would be services, such as due diligence for an acquisition, that were not known at the beginning of the year. The Audit Committee has delegated to the Chairperson of the Audit Committee the authority to evaluate and approve engagements on behalf of the Audit Committee in the event that a need arises for pre-approval between committee meetings. This might occur, for example, if we proposed to execute a financing on an accelerated timetable. If the Chairperson so approves any such engagements, he will report that approval to the full Audit Committee at the next Audit Committee meeting.

Since the May 6, 2003 effective date of the SEC rules stating that an auditor is not independent of an audit client if the services it provides to the client are not appropriately approved, each new engagement of PWC was approved in advance by the Audit Committee, and none of those engagements made use of the DE MINIMIS exception to the pre-approval requirement contained in the SEC's rules.

COMPENSATION AND
MANAGEMENT DEVELOPMENT COMMITTEE
REPORT ON EXECUTIVE COMPENSATION

The purpose of our executive compensation program is to attract, retain and motivate qualified executives to lead and manage our business in a manner consistent with strategic, financial and stock performance goals. In order to

enhance the effectiveness of the compensation package provided to our executives, the Compensation and Management Development Committee of the Board of Directors has engaged and consulted with a nationally recognized human resource consulting firm to assist in the review of our current compensation methods and to make recommendations regarding modification of the compensation elements within the executive compensation package. After careful analysis of our needs and an examination of the competitive practices among peer organizations, the Board of Directors approved the adoption of a compensation plan that provides short-term and long-term incentives to officers and key executives, based on performance tied to our success and growth. In addition, the Board of Directors adopted deferred compensation arrangements which provide for the deferral of cash compensation by executives.

The executive compensation package is made up of a number of key elements which address current and future performance and reflect competitive market practices. These include the executive's annual base salary, an annual incentive opportunity and a long term equity component that provides awards under the PDI, Inc. 2004 Stock Award and Incentive Plan. The Compensation and Management Development Committee annually considers and makes recommendations to the Board of Directors as to changes in these plans, as well as considering the addition of new compensation components that are consistent with our goals. The Compensation and Management Development Committee has recently considered and has recommended to the Board of Directors changes to these plans for fiscal 2005. In recommending any changes to the annual compensation of our executive officers, the Compensation and Management Development Committee considers the overall performance of the Company, the performance of the business unit of the Company for which the executive has responsibility, and the individual contribution and performance level of the executive. Increases in stockholders'

16

value is considered important by the Compensation and Management Development Committee, and as such the annual compensation program focuses on our strategic plans and corporate performance in relation to those plans.

ANNUAL INCENTIVE PROGRAM

The Company's officers, executives and senior management are eligible to participate in PDI's incentive compensation plan. Under the plan, participants can earn annual awards based on our financial and strategic performance, their contributions to the success of their business unit, as well as on their achievement of individual performance objectives. Annual performance measures and relative targets are determined at the beginning of each fiscal year, based on our business focus, and may change from year to year. Each participant's target bonus is expressed as a percentage of his or her base salary. Awards are payable under the plan only if pre-defined threshold performance levels are met. If performance targets are exceeded, a participant may earn additional awards, determined by the extent by which the performance exceeds the target. Awards under the plan are subject to the determination and final approval of the Compensation and Management Development Committee.

LONG-TERM INCENTIVE PROGRAM

The Company's officers, executives and senior management are eligible to participate in the PDI, Inc. long term incentive plan. Long-term incentive awards, including stock-based awards such as stock options, stock appreciation rights, restricted stock and performance shares, may be granted under the PDI, Inc. long term incentive plan. In determining individual eligibility for awards, the value of the award, and the type of the incentive, the Compensation and Management Development Committee considers factors including the overall performance of the Company, the executive's strategic impact, competitive market practices, alignment with stockholder interests based on equity ownership of the management team, total stockholder dilution and annual share utilization rates, and the balance with other pay elements. The Compensation and Management Development Committee believes that long-term incentives, and especially stock-based incentive compensation, enhance the Company's ability to attract and retain qualified personnel and provide the motivation to improve the long-term performance of the Company and its subsidiaries.

DEFERRED COMPENSATION

In order to complement the total compensation package of its key employees, in December 1999, the Compensation and Management Development Committee adopted the Officer and Director Deferred Compensation Plans, covering officers, selected highly compensated executives and members of the Board of

Directors. Subsequently, the Compensation and Management Development Committee adopted the Senior Management Deferred Compensation Plan, covering selected members of senior management. The purpose of each of the plans is to allow participants to defer receipt of current cash compensation, which would allow them to maximize deferrals that could not otherwise be put into Qualified Plans, such as the 401(k). The plans also allow members of the Board of Directors to defer board fees.

17

For each year, a participant may make an irrevocable election to defer all or a portion of his or her cash compensation. The Company may, but is not required to, make supplemental contributions on a totally discretionary basis. A participant is immediately 100% vested in his/her account with respect to the cash compensation deferred that he/she would have received, had it not been deferred; Company contributions, if any, would vest to the participant over a five-year period. A deferred account is established for each participant in a grantor "rabbi" trust that tracks deferrals and any interest that may be accrued, and will be held under a trust to be established by and between the Company and a named trustee. All funds within a participant's deferred account remain subject to the claims of the creditors of the Company regardless of vesting, in the event of the Company's bankruptcy or insolvency.

COMPENSATION OF THE CHIEF EXECUTIVE OFFICER

Mr. Saldarini's base salary of \$432,000 was paid in accordance with his Employment Agreement with the Company entered into in November 2001. Mr. Saldarini's Employment Agreement provides for bonuses and incentive compensation at the discretion of the Board of Directors or a committee thereof. In determining the compensation for Mr. Saldarini, the Compensation and Management Development Committee reviews performance factors consistent with those used to determine the compensation of other executives. Based upon the Company's performance in 2004 as measured by specific performance benchmarks established by the Compensation and Management Development Committee, Mr. Saldarini received a cash bonus of \$277,137 for his 2004 performance.

COMPLIANCE WITH SECTION 162(M) OF THE CODE

Section 162(m) of the Internal Revenue Code of 1996, as amended (the "Code"), generally disallows a tax deduction to public companies for compensation over \$1 million paid to the Company's chief executive officer and the four other most highly compensated executive officers, unless the compensation is considered performance based. The 2004 compensation disclosed in this Proxy Statement does not exceed the \$1 million limit. The executive compensation for 2004 is expected to qualify for deductibility. The Company currently intends to structure the performance based portion of its executive officers' compensation to achieve maximum deductibility under Section 162(m) of the Code with minimal sacrifices in flexibility and corporate objectives.

18

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION IN COMPENSATION DECISIONS

During 2004, the Compensation and Management Development Committee consisted of Messrs. Ryan, Pietruski and Federspiel, all of whom are non-employee directors. No member of the Compensation and Management Development Committee has a relationship that would constitute an interlocking relationship with executive officers or directors of another entity.

(1) For the year ended December 31, 2003, a portion of the named executive officers' annual bonus was paid in restricted stock. For the years ended December 31, 2004 and 2002, there were no bonuses awarded in restricted stock. The number of shares were calculated by dividing the portion of bonus expense attributable to restricted stock by a trailing 20-day average stock price on December 31, 2003 which was \$26.67. The fair market value of the restricted shares owned by the named executive officers on December 31, 2004, based upon the closing price of our common stock of \$22.28 on that date, was as follows: Mr. Saldarini -- \$835,500 (37,500 shares); Mr. Budd -- \$466,164 (20,923 shares); Mr. Boyle -- \$266,580 (11,965 shares); and Mr. Tama -- \$174,475 (7,831 shares).

(2) We disclose stock option awards in the year they are issued. Our Compensation and Management Development Committee considers prior year performance in determining the size of the award.

(3) All other compensation includes the following: company car or auto allowance, 401K employer-match, financial planning services, annual physical exams and group term life insurance.

(4) Effective April 18, 2005, Mr. Rubino resigned from his position with the Company.

Actual gains, if any, on stock option exercises are dependent on our future financial performance, overall market conditions and the option holder's continued employment through the vesting period. This table does not take into account any appreciation in the price of the common stock from the date of grant to the date of this Proxy Statement.

EMPLOYMENT CONTRACTS

In January 1998, the Company entered into an agreement with John P. Dugan providing for his appointment as chairman of the Board of Directors and director of strategic planning. The agreement provides for an annual salary of \$150,000.

In November 2001, the Company entered into an employment agreement with Charles T. Saldarini providing for his employment as chief executive officer and vice chairman of the Board of Directors for a term expiring on October 31, 2005 subject to automatic one-year renewals unless either party gives written notice one year prior to the end of the then current term of the agreement. The agreement provides for an annual base salary of \$350,000 (subject to yearly increases as determined by the Compensation and Management Development Committee) and for participation in all executive benefit plans. The agreement also provides that Mr. Saldarini will be entitled to bonus and incentive compensation awards as determined by the Compensation and Management Development Committee. Further, the agreement provides, among other things, that, if Mr. Saldarini's employment is terminated without cause (as defined) or if he terminates his employment for good reason (as defined), the Company will pay him an amount equal to three times the sum of his then current base salary plus the average incentive compensation paid to him during the three years immediately preceding the termination date.

In May 2001, the Company entered into an amended and restated employment agreement with Steven K. STOCK COMPENSATION PLANS

PDI, INC. 2004 STOCK AWARD AND INCENTIVE PLAN

In June 2004, the Board and the shareholders approved the PDI, Inc. 2004 Stock Award and Incentive Plan ("the 2004 Plan"). The 2004 Plan replaced the 2000 Omnibus Incentive Compensation Plan ("the Omnibus Plan") and the 1998 Stock Option Plan ("the 1998 Plan"). The 2004 Plan reserved an additional 893,916 shares for new awards as well as combined the remaining shares available under the old plans. The maximum number of shares as to which awards or options may at any time be granted under the 2004 Plan is approximately 2.9 million shares. Eligible participants under the 2004 Plan include officers and other employees of the Company, members of the Board of Directors and outside consultants, as specified under the 2004 Plan and designated by the Compensation and Management Development Committee of the Board. Unless earlier terminated by action of the Board of the Directors, the 2004 Plan will remain in effect until such time as no stock remains available for delivery under the 2004 Plan and the Company has no further rights or obligations under the 2004 Plan with respect to outstanding awards under the 2004 plan. No participant may be granted more than the annual limit of 400,000 shares plus the amount of the participant's unused annual limit relating to share-based awards as of the close of the previous year, subject to adjustment for splits and other extraordinary corporate events.

2000 OMNIBUS INCENTIVE COMPENSATION PLAN

On May 5, 2000, our Board of Directors approved the Omnibus Plan. The purpose of the Omnibus Plan is to provide a flexible framework that will permit the Board of Directors to develop and implement a variety of stock-based incentive compensation programs based on our changing needs, our competitive market and the regulatory climate. The maximum number of shares as to which awards or options may at any time be granted under the Omnibus Plan is 2.2 million shares of our common stock. The Omnibus Plan is administered by the Compensation and Management Development Committee of the Board of Directors, which is responsible for developing and implementing specific stock-based plans that are consistent with the intent and specific terms of the framework created by the Omnibus Plan. Eligible participants under the Omnibus Plan include our officers and other employees, members of our Board of Directors, and outside consultants. The right to grant awards under the Omnibus Plan will terminate upon the expiration of 10 years after the date the Omnibus Plan was adopted. No participant may be granted more than 100,000 shares of our stock from all awards

1998 STOCK OPTION PLAN

In order to attract and retain persons necessary for our success, in March 1998, our Board of Directors adopted the 1998 Plan reserving for issuance up to 750,000 shares. Officers, directors, key employees and consultants are eligible to receive incentive and/or non-qualified stock options under this plan. The plan, which has a term of ten years from the date of its adoption, is administered by the Compensation and Management Development Committee. The selection of participants, allotment of shares, determination of price and other conditions relating to the purchase of options is determined by the Compensation and Management Development Committee in its sole discretion. Incentive stock options granted under the plan are exercisable for a period of up to 10 years from the date of grant at an exercise price which is not less than the fair market value of the common stock on the date of the grant, except that the term of an incentive stock option granted under the plan to a stockholder owning more than 10% of the outstanding common stock may not exceed five years and its exercise price may not be less than 110% of the fair market value of the common stock on the date of the grant.

OUTSTANDING OPTIONS

At March 31, 2005, options for an aggregate of 1,302,011 shares were outstanding under our stock option plans, including 209,668 granted to Charles T. The outstanding options also include 48,750 granted to each of John M. Pietruski and Jan Martens Vecsi, 32,500 granted to John C. Federspiel, 25,000 granted to each of Frank Ryan and Larry Ellberger, 17,500 granted to Dr. Joseph Curti, and 10,000 granted to Stephen Sullivan, our outside directors. 401(K) PLAN

We maintain a 401(k) retirement plan (the "401(k) Plan") for all of our employees. The 401(k) Plan is intended to qualify under sections 401(a) and 401(k) of the Code and is a defined contribution plan. Effective January 1, 2004, the 401(k) Plan provided all "Safe Harbor Eligible" 401(k) Plan participants with company matching contributions ("Safe Harbor Matching Contributions) in accordance with the formula described below:

- o Employee contributions of up to 3% of base salary will be matched 100%; and
- o Employee contributions which exceed 3% but do not exceed 5% will be matched 50%.

Employees must meet all Safe Harbor Matching Contributions eligibility requirements as defined in the 401(k) Plan in order to participate. Employees' account balances derived from the Safe Harbor Matching Contributions are always 100% vested. In addition we can make discretionary contributions to the 401(k) Plan. Under the 401(k) Plan, there is no option for employees to

invest any of their 401(k) funds in our common stock. Our contribution expense related to the 401(k) Plan for 2004 was approximately \$1.6 million.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In connection with our efforts to recruit sales representatives, we place advertisements in various print publications. Until December 31, 2004 these ads were placed on our behalf through Boomer & Son, Inc. ("B&S"), which receives commissions from the publications. Prior to 1998, B&S was wholly-owned by John P. Dugan, our chairman of the Board of Directors. At the end of 1997, Mr. Dugan transferred his interest in B&S to his son, Thomas Dugan, and daughter-in-law, Kathleen Dugan. John P. Dugan is not actively involved in B&S; however, his son, Thomas Dugan, is active in B&S. For the year ended December 31, 2004, we purchased approximately \$180,000 of advertising through B&S and B&S received commissions of approximately \$22,000. All ads were placed at the stated rates set by the publications in which they appeared. In addition, we believe that the amounts paid to B&S were no less favorable than would be available in an arms-length negotiated transaction with an unaffiliated entity. We are no longer using this company as of December 31, 2004.

Peter Dugan, the son of John P. Dugan, our chairman of the Board of Directors, is employed by us as executive director - investor relations. In 2004, compensation paid or accrued to Peter Dugan was \$180,353.
