PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS
September 23, 2003

SOLICITATION OF PROXIES

General Information This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of Scholastic Corporation, a Delaware corporation (the "Company"), to be voted at its Annual Meeting of Stockholders (the "Annual Meeting"), which will be held at 557 Broadway, New York, New York at 9:00 a.m., local time, on Tuesday, September 23, 2003, and at any adjournments thereof. Shares represented by each proxy properly submitted, either by mail, the internet or telephone as indicated on the enclosed form of proxy, will be voted in accordance with the instructions indicated in such proxies unless revoked. A stockholder may revoke a proxy at any time before it is exercised by: (i) filing with the Secretary of the Company a written revocation thereof or a duly executed proxy bearing a later date, (ii) providing subsequent telephone or internet voting instructions or (iii) voting in person at the Annual Meeting. Any written notice revoking a proxy should be sent to the attention of Charles B. Deull, Senior Vice President, General Counsel and Secretary, Scholastic Corporation, 557 Broadway, New York, New York 10012. If no instructions are specified, your shares will be voted: (i) FOR the election of the directors indicated; (ii) in the case of the Class A Stockholders, FOR the approval of proposals 2 and 3; and (iii) in the discretion of the proxy holders, if any other matter properly comes before the Annual Meeting. This proxy statement and the accompanying form of proxy, together with the Company's Annual Report on Form 10-K for the fiscal year ended May 31, 2003, are being mailed to stockholders on or about August 15, 2003. The cost of soliciting proxies will be borne by the Company. Solicitation other than by mail may be made personally or by telephone, facsimile or e-mail by regularly employed officers and employees who will not be additionally compensated therefor. The Company may also

reimburse brokers, custodians, nominees and other fiduciaries for their reasonable expenses in forwarding proxy materials to principals.

Voting Securities of the Company Only holders of record of the Company's Class A Stock, \$0.01 par value ("Class A Stock"), and Common Stock, \$0.01 par value ("Common Stock"), at the close of business on August 1, 2003 (the "Record Date") are entitled to vote at the Annual Meeting. As of the Record Date, there were outstanding 1,656,200 shares of Class A Stock and 37,609,332 shares of Common Stock. The Amended and Restated Certificate of Incorporation of the Company (the "Certificate") provides that, except as otherwise provided by law, the holders of shares of Class A Stock, voting as a class, have the right: (i) to fix the size of the Board so long as it does not consist of less than three nor more than 15 directors, (ii) to elect all the directors, subject to the right of the holders of shares of Common Stock, voting as a class, to elect such minimum number of the members of the Board as shall equal at least one-fifth of the members of the Board, and (iii) to exercise, exclusive of the holders of the shares of Common Stock, all other voting rights of stockholders of the Company. The Certificate also provides that, except as otherwise provided by law, the voting rights of the holders of shares of Common Stock are limited to the right, voting as a class, to elect such minimum number of the members of the Board as shall equal at least one-fifth of the members of the Board. Each share of Class A Stock and Common Stock is entitled to one vote. No holders of either class of stock have cumulative voting rights. At the Annual Meeting, holders of the Class A Stock will vote on the election of nine members of the Board and the holders of the Common Stock will vote on the election of three members of the Board. All other proposals set forth in the notice attached to this proxy statement for consideration at the Annual Meeting will be voted on by the holders of the Class A Stock. If any other matters were to properly come before the Annual Meeting, they would be voted on by the holders of the Class A Stock. The vote required for each proposal is specified in the description of such proposal. In the election of directors, withheld votes and abstentions have no effect on the vote. Under the Company's Bylaws, for the purpose of determining whether a proposal has received the required vote, abstentions will not be considered as votes cast and will have no effect. Because none of the shares of Class A Stock are held by brokers, the effect of broker non-votes is not applicable in the case of the Class A Stock. Because the only proposal before the holders of Common Stock is the election of three directors, the effect of broker non-votes is not applicable in the case of the Common Stock.

Principal Holders of Class A Stock and Common Stock The following sets forth information regarding persons who, to the best of the Company's knowledge, beneficially owned five percent or more of the Class A Stock or the Common Stock outstanding on August 1, 2003. Under the applicable rules and regulations of the Securities and Exchange Commission (the "SEC"), a person who directly or indirectly has, or shares, voting power or investment power with respect to a security is considered a beneficial owner of such security. Voting power is the power to vote or direct the voting of shares, and investment power is the power to dispose of or direct the disposition of shares.

(1) Each of Richard Robinson, Barbara Robinson Buckland, Mary Sue Robinson Morrill, William W. Robinson and the Maurice R. Robinson Trust have filed Statements on Schedule 13G with the SEC (the "13G Filings") regarding their beneficial ownership of Common Stock. Richard Robinson, Chairman of the Board, President and Chief Executive Officer of the Company, and Barbara Robinson Buckland, Mary

Sue Robinson Morrill and William W. Robinson, all of whom are siblings of Richard Robinson, are trustees of the Trust under the Will of Maurice R. Robinson (the "Maurice R. In addition, Richard Robinson and Mary Sue Robinson Morrill are the co-trustees of the Trust under the Will of Florence L. Robinson (the "Florence L. Robinson Trust"), with shared voting and investment power with respect to the shares owned by the Florence L. Robinson Trust. Any acts by the Florence L. Robinson Trust require the approval of each Trustee. Each such trust directly owns the shares attributed to it in the table and each person listed herein as a trustee of such trust is deemed to be the beneficial owner of the shares directly owned by such trust. Based on their 13G filings and subsequent information made available to the Company, the aggregate beneficial ownership of the Class A Stock by the following persons is: Richard Robinson—890,904 shares (sole voting and investment power) and 765,296 shares (shared voting and investment power); Barbara Robinson Buckland—0 shares (sole voting and investment power) and 648,620 shares (shared voting and investment power); Mary Sue Robinson Morrill—0 shares (sole voting and investment power) and 765,296 shares (shared voting and investment power); William W. (2) The shares of Class A Stock are convertible at the option of the holder into shares of Common Stock at any time on a share-for-share basis. The number of shares of Common Stock and percentage of the outstanding shares of Common Stock for each beneficial owner of Class A Stock assumes the conversion of such holder's shares of Class A Stock. Based on their 13G filings and subsequent information made available to the Company, the aggregate beneficial ownership of Common Stock by the following holders is: Richard Robinson—3,392,683 shares (sole voting and investment power) and 2,922,794 shares (shared voting and investment power); Barbara Robinson Buckland—278,876 shares (sole voting and investment power) and 2,331,712 shares (shared voting and investment power); Mary Sue Robinson Morrill—0 shares (sole voting and investment power) and 3,279,068 shares (shared voting and investment power); William W. Does not include 261,132 shares of Common Stock owned by Helen V. Benham, the wife of Richard Robinson, as to which Mr. Robinson disclaims beneficial ownership, and 37,278 restricted stock units ("RSUs") held under the Scholastic Corporation Management Stock Purchase Plan (the "MSPP"), as more fully described herein. (4) Does not include an aggregate of 213,396 shares of Common Stock held under Trusts for which Ms. Morrill's spouse and sister are trustees, as to which Ms. Morrill disclaims beneficial ownership. (6) The information for Massachusetts Financial Services Company ("MFS") is derived from Amendment No. 5 to Schedule 13G dated January 21, 2003, as filed with the SEC, which states that, as of December 31, 2002, MFS had the sole dispositive and voting power with regard to 2,115,025 shares of Common Stock. (7) The information for T. Rowe Price Associates, Inc. is derived from a Schedule 13G dated August 8, 2003, as filed with the SEC, which states that, as of July 31, 2003, T. Rowe Price had the sole voting power with regard to 908,700 shares of Common Stock and the sole dispositive power with regard to 4,827,315 shares of Common Stock.

Change of Control Arrangements Pursuant to an agreement dated July 23, 1990 between the Maurice R. Robinson Trust and Richard Robinson, the Maurice R. Robinson Trust has agreed that if it receives an offer from any person to purchase any or all of the shares of Class A Stock owned by the Maurice R. Robinson Trust and it desires to accept such offer, Richard Robinson shall have the right of first refusal to purchase all, but not less than all, of the shares of Class A Stock that such person has offered to purchase for the same price and on the same terms and conditions offered by such person. In the event Richard Robinson does not elect to exercise such option, the Maurice R. Robinson Trust shall be free to sell such shares of Class A Stock in accordance with the offer it has received. In addition, if Richard Robinson receives an offer from any person to purchase any or all of his shares of Class A Stock and the result of that sale would be to transfer to any person

other than Richard Robinson or his heirs voting power sufficient to enable such other person to elect the majority of the Board, either alone or in concert with any person other than Richard Robinson, his heirs or the Maurice R. Robinson Trust (a "Control Offer"), and Mr. Robinson desires to accept the Control Offer, the Maurice R. Robinson Trust shall have the option to sell any or all of its shares of Class A Stock to the person making the Control Offer at the price and on the terms and conditions set forth in the Control Offer. If the Maurice R. Robinson Trust does not exercise its option, Mr. Robinson shall be free to accept the Control Offer and to sell his shares of Class A Stock in accordance with the terms of the Control Offer. If the Maurice R. Robinson Trust exercises its option, Mr. Robinson cannot accept the Control Offer unless the person making the Control Offer purchases the shares of Class A Stock that the Maurice R. Robinson Trust has elected to sell.

Section 16(a) Beneficial Ownership Reporting Compliance Section 16(a) of the Securities Exchange Act of 1934 (the "Exchange Act") requires directors, executive officers and persons who are the beneficial owners of more than 10% of the Common Stock to file reports of their ownership and changes in ownership of the Company's equity securities with the SEC. The reporting persons are required by SEC regulation to furnish the Company with copies of all Section 16(a) reports they file. Based solely on a review of the copies of such forms furnished to the Company and other written representations that no other reports were required during the fiscal year ended May 31, 2003, the Company believes its directors, executive officers and greater than ten percent beneficial owners timely filed all Section 16(a) reports required during such fiscal year.

Share Ownership of Management On August 1, 2003, each director, director nominee and Named Executive reported under the caption "Executive Compensation" and all directors and executive officers as a group beneficially owned shares of the Class A Stock and Common Stock as follows:

10%, respectively, of her/his fiscal 2000 bonus, in respect of which 2,388, 4,578, 2,654 and 916 RSUs, respectively, were allocated to them in fiscal 2001. (3) For Mr. Robinson, All Other Compensation for fiscal 2003, 2002 and 2001 includes \$6,050, \$5,550, and \$5,150, respectively, in matching contributions made by the Company for Mr. Robinson's benefit under the 401(k) Plan and for fiscal 2002 and 2001 includes \$233,290, and \$233,577, respectively, representing the annual premium paid by the Company in respect of a split dollar life insurance policy for the benefit of Mr. Robinson and Helen Benham, which premiums represent the non-term life insurance portion of such policy. The Company did not pay any of the premium in respect of such policy in fiscal 2003. All premiums paid by the Company in respect of the non-term portion of the split dollar life insurance policy will be repaid to the Company (without interest) not later than upon the death of the last to survive of Mr. Robinson and Ms. Benham. The split dollar life insurance arrangements for the benefit of Mr. Robinson and Ms. Benham were approved by the Board of Directors of the Company. The amounts shown for the other Named Executives reflect the matching contributions made by the Company under the 401(k) Plan. **Option Grants in Fiscal 2003** The following table sets forth information concerning individual stock option grants made to the Named Executives during the fiscal year ended May 31, 2003.

(1) All options are exercisable for Common Stock at an exercise price equal to the fair market value of the Common Stock at the date of grant. All options are exercisable in four equal annual installments beginning one year from the date of grant, except for 5,850, 5,080, 3,040, 2,180 and 2,040 options granted to each of Mr. Robinson, Ms. Marcus, Ms. Forte, Mr. McEnery and Mr. Deull, respectively, which vest 100% on the first anniversary from the date of grant and were received in lieu of 10% of the bonus he or she would have otherwise received under the Company's Executive Performance Incentive Plan for fiscal 2002. (2) The dollar amounts under the 5% and 10% columns in the table above are the result of calculations required by the SEC and therefore are not intended to forecast the possible future appreciation of the price of the Common Stock. Although permitted by SEC rules, the Company did not use an alternate formula for grant date valuation because the Company is not aware of any formula that will determine with reasonable accuracy a present value based on future unknown or volatility factors. No gain on the stock options awarded to the Named Executives is possible without appreciation in the price of the Common Stock during the applicable period.

Pension Plan The Company maintains a retirement plan for substantially all of its employees based in the United States, including the Named Executives (the "Retirement Plan"). As a cash balance plan, the Retirement Plan provides participants with benefits based on monthly contributions and interest credits. Individual participant contributions are not required under the Retirement Plan. The Retirement Plan provides for an annual allocation by the Company to a participant's account, calculated as follows: for less than five years of service, 3.5% of the first \$25,000 of annual base pay and 2.0% of the remainder up to the government-mandated maximum limit for five years but less than ten years of service, 4.5% of the first \$25,000 of annual base pay and 3.0% of the remainder up to the government-mandated maximum limit for ten years of service but less than 20 years of service, 5.5% of the first \$25,000 of annual base pay and 4.0% of the remainder up to the government-mandated maximum limit and for 20 years or more of service, 6.5% of the first \$25,000 of annual base pay and 5% of the remainder up to the government-mandated maximum limit. Interest on account balances is accrued monthly based on the average rate for one-year U.S. Treasury Bills plus 1.0%. Participants in the Retirement Plan become fully vested in their accrued benefits upon completion of five years of service. Vested retirement benefits are payable in the form of a lump-sum or annuity payment upon retirement, termination, death or disability. At August 1, 2003, Ms. Marcus, Ms. Forte, Mr. McEnery and Mr. Deull, had earned estimated annual benefit payments under the Retirement Plan of \$56,577, \$8,456, \$19,752 and \$8,199, respectively.

10

The Retirement Plan was amended and restated to a cash balance plan effective June 1, 1999. All plan participants as of July 1, 1998 who were at least age 50 at such time were given the option to remain under a modified version of the Retirement Plan's benefit formula used prior to such amendment and restatement. Mr. Robinson elected to continue participation under such prior benefit formula. This formula provides covered participants with retirement benefits based upon career average compensation. Individual participant contributions are not required and the Company makes all required contributions. The formula provides for an annual benefit payable at retirement equal to, for each year of credited service, 1.5% of that portion of the participant's basic annual compensation up to \$13,650, plus 2.0% of that portion of the participant's basic annual compensation in excess of \$13,650. On May 22, 2003, the Retirement Plan Committee of the Board, upon the recommendation of the Human Resources and Compensation Committee of the Board, approved an amendment to the Retirement Plan that provides for supplemental retirement benefits for Mr. Robinson, increasing his annual retirement benefit by \$14,366. At August 1, 2003, Mr. Robinson had earned an estimated annual benefit payment using the prior benefit formula, including the supplemental benefit, of \$88,559, payable upon retirement. **The Human Resources and Compensation Committee's**

Report on Executive Compensation The Company's compensation program for its executive officers and other senior management is administered by the Human Resources and Compensation Committee (the "HRCC") of the Board of Directors. The HRCC believes that compensation for executive officers and other senior management should be determined according to a competitive framework, taking into account the financial performance of the Company, individual contributions, teamwork and division results. Such factors are critical to enhancing the value and continued development of the Company's operating segments, which in turn builds stockholder value. In determining the compensation of the Company's executive officers, the HRCC seeks to achieve the following objectives through a combination of fixed and variable compensation:

Pay Competitively—Provide a total compensation package that is consistent with competitive practices, enabling the Company to attract, motivate and retain qualified executives; and

Pay for Performance—Create a direct link between the aggregate compensation paid to each executive officer and the financial performance of the Company and the results of the specific business division for which the executive is responsible, as well as specific corporate goals identified from time to time; and

Executives as Stockholders—Link a portion of each executive officer's compensation opportunity directly to the value of the Common Stock through the use of stock-based awards.

11

The programs adopted in order to implement the HRCC's compensation philosophy and to reflect the Company's financial performance have been developed with the assistance of independent consultants and counsel. The HRCC periodically reviews the Company's compensation practices in light of the HRCC's compensation philosophy, and views variable compensation as an integral part of the total compensation package.

Competitive Base Salaries

In establishing each executive officer's base salary, the HRCC considers several factors, including individual performance, competitive market conditions for recruiting and retaining executive talent and changes in responsibilities.

Base salaries are reviewed annually and generally approximate the median level of competitive rates, as adjusted for individual performance. In determining base salaries, the HRCC's focus is on recruiting and retaining executive talent. Accordingly, the HRCC considers the executive compensation of a broad group of companies in the publishing and entertainment fields, including the companies comprising the "Peer Group" used in the Stock Performance Graph in this proxy statement. As a general practice, the Company does not enter into employment agreements with executive officers. During fiscal 2003, the base salaries of executive officers were generally increased in accordance with the foregoing practices.

Annual Bonus Incentive

For fiscal 2003, the Company's annual bonus targets were established by the HRCC based on corporate and divisional performance. Bonus potentials for executive officers were set at percentages of their base salaries deemed appropriate for their current positions and are generally based on earnings per share targets, divisional performance and other objectives specified by the HRCC, including certain diversity goals, subject to meeting a threshold earnings per share target before any portion of bonus is paid. Bonus awards for the Named Executives were set and determined under the Company's stockholder-approved Executive Incentive Performance Plan, which is designed to be exempt from the application of Section 162(m) of the Internal Revenue Code of 1986 (the "Code"), as discussed below. No bonus was earned by participants in respect of fiscal 2003 and, based on its review of the Company's overall performance during fiscal 2003, and in keeping with its goal of "pay for performance," the HRCC did not otherwise recommend any discretionary bonus payments for senior management in respect of fiscal 2003.

Equity-Based Incentives

Stock options historically have been the Company's form of equity-based incentives and its primary form of long-term incentive compensation. The Company grants stock options as part

of executive compensation as a means to encourage superior performance and to more directly link the economic interests of executives with those of other stockholders.

The Scholastic Corporation 2001 Stock Incentive Plan (the "2001 Plan") provides for the grant of non-qualified stock options, incentive stock options, restricted stock and other stock-based awards. The 2001 Plan also authorizes the HRCC to grant to specified employees of the Company reload and transfer rights in connection with stock option grants. While the HRCC anticipates that stock options will remain the Company's primary form of long-term compensation, and to date only non-qualified options have been granted under the 2001 Plan, the HRCC recommended that the 2001 Plan include optional design and award features in order to make the 2001 Plan more competitive with the Company's peer group and provide the Company with additional flexibility in structuring an individual's total compensation package, if it determines other forms of stock awards are appropriate in the future. 4,000,000 shares of Common Stock were reserved for issuance under the 2001 Plan, of which 1,215,240 shares currently remain available for grant.

During fiscal 2003, 234 employees, including 14 executive officers, received stock option awards to purchase an aggregate of 1,392,240 shares of Common Stock. All of the option awards in fiscal 2003 were made at fair market value of the Common Stock on the date of grant. The size of each senior management option award was based on the HRCC's subjective evaluation of a number of factors, including the level of responsibility of the individual, competitive market practice, past grants and other matters relating to the individual's performance and ability to influence corporate results. The actual grant of stock options is made by the Stock Grant Committee of the Board of Directors, which is comprised solely of non-employee directors, each of whom is also a member of the HRCC. In fiscal 2003, Ms. Marcus, Ms. Forte and Mr. McEnery were each awarded options to purchase 25,000 shares of Common Stock and Mr. Deull was awarded options to purchase 20,000 shares of Common Stock, all of which vest in four equal annual installments commencing on the first anniversary of the date of grant. In addition, in July 2002, options to purchase an aggregate of 33,490 shares of Common Stock were granted to 15 members of senior management in lieu of 10% of their fiscal 2002 cash bonus awards. These options had a one-year vesting period. Of these options, Mr. Robinson, Ms. Marcus, Ms. Forte, Mr. McEnery and Mr. Deull received options to purchase 5,850, 5,080, 3,040, 2,180 and 2,080 shares of Common Stock, respectively. In July 2003, options to purchase an additional 1,124,000 shares of Common Stock were granted to 279 employees, including 13 executive officers, of which Ms. Marcus, Ms. Forte, Mr. McEnery and Mr. Deull received options to purchase 30,000, 35,000, 30,000 and 30,000 shares of Common Stock, respectively.

In addition to its stock option plans, the Company also maintains two stockholder-approved, stock-based incentive programs: the Scholastic Corporation Employee Stock Purchase Plan (as amended, the "ESPP") and the Scholastic Corporation Management Stock Purchase Plan (the "MSPP"). The ESPP and the MSPP were designed to augment the Company's stock-

based incentive programs by providing participating employees with equity opportunities intended to further align their interests with the Company and its stockholders. The purpose of the ESPP is to encourage broad-based employee stock ownership. The ESPP is offered to United States-based employees generally. The ESPP permits participating employees to purchase, through after-tax payroll deductions, Common Stock at a 15% discount from the lower of the fair market value of the Common Stock on the first or last business day of each fiscal quarter. On July 15, 2003, the Board of Directors, upon the recommendation of the HRCC, approved an amendment to the ESPP, subject to Class A Stockholder approval, which provides for an increase in the number of shares of Common Stock reserved for issuance under the ESPP by 500,000 shares. A description of the ESPP as proposed to be amended is included herein as Proposal 2 under Matters Submitted to Stockholders.

Under the MSPP, eligible members of senior management may use all or a portion of their annual cash bonus payments on a tax-deferred basis to make equity investments in the Company at a discounted purchase price. In order to encourage increased participation in the MSPP and based on the recommendation of the Company's independent consultants and a review of practices adopted by other companies, the HRCC recommended that, commencing for fiscal 2002, purchases under the MSPP should be at a 25% discount for senior management (an increase from the previous 15% rate) and that MSPP participants should also be entitled to participate in the ESPP, for which they were previously ineligible. Accordingly, under the amended MSPP, senior management participants could use all or a portion of their annual cash bonus payments on a tax deferred basis to acquire RSUs at a 25% discount from the lowest fair market value of the underlying Common Stock during the first fiscal quarter (ending on August 31) immediately following the fiscal year in respect of which the bonuses are paid. On December 18, 2002, the HRCC approved an additional amendment to the MSPP to provide that certain divisional management would be entitled to participate in the MSPP using a 10% discount for RSU purchases. During the deferral period, which may not be less than three years, bonus payments deferred under the MSPP are allocated as RSUs, based on the applicable acquisition price, which are converted into shares of Common Stock on a 1-to-1 basis upon expiration of the deferral period. During fiscal 2003, 21 members of senior management had elected to participate in the MSPP; however, no RSUs will be allocated to such participants since there were no bonuses paid to senior management for fiscal 2003.

Mr. Robinson's compensation is based on the same objectives and policies applicable to all members of senior management and includes base salary, bonus opportunities and stock option grants. Effective October 1, 2002, Mr. Robinson's base salary was increased by 3.5% from \$800,000 to \$828,000, which was the recommended salary increase percentage for employees generally. During fiscal 2003, the HRCC increased Mr. Robinson's bonus opportunity percentage to 100% of his base salary from 75% in fiscal 2002. In determining Mr. Robinson's base

compensation and bonus opportunity for fiscal 2003, the HRCC considered the compensation of the chief executive officers of a broad group of companies in the publishing and entertainment fields, including the companies comprising the "peer group" used in the Stock Performance Graph in this proxy statement, as well as the Company's financial performance for fiscal 2002 and Mr. Robinson's individual performance and long-term contributions to the success of the Company. As discussed above, as a result of the Company's fiscal 2003 performance, neither Mr. Robinson nor other members of senior management received a bonus for fiscal 2003. Also, other than the options to purchase 5,850 shares of Common Stock granted in July 2002 in lieu of the 10% reduction recommended by the HRCC for his 2002 bonus, Mr. Robinson did not receive any grants of stock options during fiscal 2003 or as part of the July 2003 grant.

Policy as to Section 162(m) of the Code

Section 162(m) of the Code generally denies a publicly traded company a Federal income tax deduction for compensation in excess of \$1 million paid to certain of its executive officers, unless the amount of such excess is payable based solely upon the attainment of objective performance criteria. The Company has undertaken to qualify substantial components of the incentive compensation it makes available to its executive officers for the performance exception to nondeductibility. Most equity-based awards available for grant under the Company's equity compensation plans, and all of the equity-based awards actually granted to executive officers, are intended to so qualify. Amounts payable under the Company's stockholder-approved Executive Performance Incentive Plan are also intended to be exempt from the application of Section 162(m) as performance based compensation. However, in appropriate circumstances, the HRCC may in the future deem it appropriate to pay compensation or make incentive or retentive awards that do not meet the performance-based criteria and therefore may not be deductible by reason of Section 162(m).

The HRCC comprises five outside directors, none of whom is an employee or former employee of the Company. In addition, none of these five directors has a relationship with another corporation or entity that would require specific disclosure of such relationship in the proxy statement or preclude him or her from serving on this committee.

Stock Price Performance Graph The graph below provides an indicator of cumulative total stockholder returns for the Common Stock for the period June 1, 1998 to May 31, 2003 compared with the NASDAQ Composite Index and a composite peer group of publicly

traded companies with which the Company competes in its principal operating segments. The members of the peer group are: The McGraw Hill Companies, Reader's Digest Association, Inc., John Wiley and Sons, Inc. and Pearson plc. The graph assumes a \$100 investment on June 1, 1998, together with the reinvestment of all dividends, if any, except in the case of Pearson plc, which is included on the basis of a \$100 investment as of September 1, 2000, following the initial public offering of its American Depository Receipts in the United States.

MATTERS SUBMITTED TO STOCKHOLDERS

PROPOSAL 1—ELECTION OF DIRECTORS The Amended and Restated Certificate of Incorporation of the Company provides that the holders of shares of Class A Stock, voting as a class, have the right to fix the size of the Board so long as it does not consist of less than three nor more than fifteen directors. The Class A Stockholders have previously fixed the size of the Board at twelve directors. The Board has designated the twelve persons listed below under the sections captioned "Nominees for Election by Holders of Class A Stock" and "Nominees for Election by Holders of Common Stock" for nomination to serve as directors of the Company until the next annual meeting and until their respective successors are elected and qualified, or until their earlier retirement, resignation or removal. Proxies are solicited in favor of the nine nominees to be elected by the holders of Class A Stock and the three nominees to be elected by the holders of Common Stock, and it is intended that the proxies will be voted for such nominees unless otherwise specified. Should any one or more of the nominees become unable to serve for any reason, unless the holders of the Class A Stock provide for a lesser number of directors, the persons named in the enclosed proxy may act with discretionary authority in respect of the election of a substitute nominee or nominees. The Board has no reason to believe that any nominees will be unable to serve. **Recommendation** **The Board recommends that holders of Class A Stock vote FOR each of the nine nominees for election by such holders.** Assuming the presence of a quorum, the affirmative vote of a plurality of the votes cast by the holders of shares of Class A Stock present and entitled to vote on this item at the Annual Meeting is required to elect each of the nominees. **The Board recommends that holders of Common Stock vote FOR each of the three nominees for election by such holders.** Assuming the presence of a quorum, the affirmative vote of a plurality of the votes cast by the holders of shares of Common Stock present and entitled to vote on this item at the Annual Meeting is required to elect each of the nominees.

All incumbent directors attended 75% or more of the aggregate of such meetings and of the meetings held by all standing committees of the Board of which they were a member. The following are the current members and functions of the standing committees of the Board of Directors. **Executive Committee.** Richard Robinson (Chairperson), Charles T. Harris III, Andrew S. Hedden, Peter M. Mayer, Augustus K. Oliver and Richard M. Spaulding are the members of the Executive Committee. In the intervals between meetings of the Board of Directors, the Executive Committee is authorized to exercise, with certain exceptions, all of the powers of the Board in the management of the business and affairs of the Company. All actions taken by the Executive Committee are submitted for ratification by the Board. No meetings of the Executive Committee were held during the fiscal year ended May 31, 2003. **Audit Committee.** Augustus K. Oliver (Chairperson), John L. Davies and Linda B. Keene are the members of the Audit Committee. Each member of the Audit Committee is independent of the management of the Company, neither a current nor former employee of the Company or its subsidiaries, and free of any relationship that, in the judgment of the Board of Directors, would interfere with his or her exercise of independent judgment as a committee member. All Audit Committee members are also financially literate, and at least one member has accounting or related financial management expertise. During fiscal 2003, in order to fulfill its

responsibilities to the stockholders and the investment community, this committee reviewed the corporate accounting and financial reporting practices of the Company, including its disclosure controls, and the quality and integrity of the financial reports of the Company, including a review of the Company's Quarterly Reports on Form 10-Q and Annual Report on Form 10-K. This committee also appointed the accounting firm to act as independent auditors for the fiscal year ended May 31, 2003. During fiscal 2003, the committee met with both the internal and the independent auditors, with and without the presence of company management, to discuss the scope, staffing and procedures of their respective audit plans for the year. The committee also discussed the proposed fee for the audit and the results of the audit with the independent auditors (including the comments or recommendations arising therefrom). In addition, this committee reviewed the Company's financial accounting policies and decisions, including reports thereon from the independent auditors, and reported thereon to the Board prior to the issuance of the annual financial statements. Furthermore, this committee reviewed any non-audit services proposed to be performed by the independent auditors and considered the possible effects of such services on the auditors' independence. The Audit Committee held nine meetings during the fiscal year ended May 31, 2003. Four of the meetings were held for the purpose of reviewing and discussing the Company's Quarterly Reports on Form 10-Q and Annual Report on Form 10-K. **Retirement Plan Committee.** Richard M. Spaulding (Chairperson), Charles T. Harris III, Andrew S. Hedden and Augustus K. Oliver are the members of the Retirement Plan Committee. This committee acts on behalf of the Board in its capacity as settlor of the trust underlying the Retirement Plan and the 401(k) Plan (collectively "the Plans"), and with respect to the powers enumerated therein, including, without limitation, the power to amend or terminate the Plans. This committee also oversees the Administrative Committee, comprised of Company employees who are responsible for the day-to-day administration of the Plans. In addition, this committee approves the appointment of one or more trustees, or other professionals, necessary for the proper administration and operation of the Plans. Furthermore, this committee, which reports its actions to the Board, oversees the policies and practices related to the Plans and evaluates the Company's overall retirement benefit plan philosophy and the Plans in the context of the Company as a separate company and competitively within the publishing industry. This committee also reviews investment performance

under the Plans. The Retirement Plan Committee held three meetings during the fiscal year ended May 31, 2003. **Human Resources and Compensation Committee.** John L. Davies (Chairperson), Ramon C. Cortines, Linda B. Keene, Peter Mayer and John G. McDonald are the members of the Human Resources and Compensation Committee. This committee has the responsibility for setting the compensation of the Chief Executive Officer and reviewing the recommendations of the Chief Executive Officer for compensation of the other executive officers and other members of senior management prior to approval by the Board. This committee evaluates the Company's overall compensation plans and practices as a separate company and competitively within the industry.

This committee, in overseeing the administration of all of the Company's compensation plans and arrangements, reviews and approves the annual bonus award target payouts (including awards under the Company's Executive Performance Incentive Plan) and any proposed contractual relationships with executive officers and also reviews the Company's recruitment practices, including the Company's Human Resource and Diversity Programs. Each member of the committee is independent of the management of the Company and free of any relationship that, in the judgment of the Board, would interfere with his or her exercise of independent judgment as a committee member. Members of this committee may not be employees or former employees of the Company or its subsidiaries, nor may their membership on this committee disqualify the Company for available exemptions pursuant to Section 162(m) of the Code or Rule 16b-3 under the Exchange Act. The Human Resources and Compensation Committee held five meetings during the fiscal year ended May 31, 2003. **Nominating Committee.** Ramon C. Cortines (Chairperson), Rebeca M. Barrera, Charles T. Harris III and Mae C. Jemison are the members of the Nominating Committee. This committee identifies and recommends to the Board candidates for election as directors, and recommends any changes it believes desirable in the size and composition of the Board as well as Board committee structure and membership. The Nominating Committee held two meetings during the fiscal year ended May 31, 2003. The Nominating Committee would be pleased to receive suggestions from stockholders about persons it should consider recommending as possible members of the Board. Any such suggestions should be sent to the Nominating Committee of the Board of Directors, c/o Corporate Secretary, Scholastic Corporation, 557 Broadway, New York, New York 10012. **Stock Grant Committee.** John G. McDonald (Chairman), John L. Davies, Linda B. Keene and Peter M. Mayer are the standing members of the Stock Grant Committee and, as permitted under Delaware law, Ramon C. Cortines is an alternate member of the Stock Grant Committee. The committee authorizes and approves grants, awards or issuances of options, warrants, restricted stock or other rights under the Company's stock-based compensation plans. Each member (or alternate) of the committee is independent of the management of the Company and free of any relationship that, in the judgment of the Board, would interfere with his or her exercise of independent judgment as a committee member. Members of this committee may not be employees or former employees of the Company or its subsidiaries, nor may their membership on this committee disqualify the Company for available exemptions pursuant to Section 162(m) of the Code or Rule 16b-3 under the Exchange Act. This committee held five meetings during the fiscal year ended May 31, 2003. **Strategic Planning Committee.** Mae C. Jemison (Chairperson), Rebeca M. Barrera, Ramon C. Cortines, Peter M. Mayer and Richard M. Spaulding are members of the Strategic Planning Committee. This committee advises the Company's management on achieving and implementing its strategic plan and reports its findings to the Board. This committee held one meeting during the fiscal year ended May 31, 2003.

Director Compensation For the fiscal year ended May 31, 2003, each non-employee director of the Company (an "Outside Director") was paid a cash annual retainer of \$25,000 for his or her services as a director, a fee of \$5,000 if he or she was the chairperson of a standing Board Committee, except in the case of the chairperson of the Audit Committee, who received a \$10,000 fee, and an attendance fee of \$1,500 for attendance at each Board or Committee meeting, whether in person or telephonically. The Company reimburses directors for travel, lodging and related expenses they may incur in connection with their services as directors. Under the terms of the Scholastic Corporation 1997 Outside Directors' Stock Option Plan, as amended (the "1997 Directors' Plan"), an option to purchase 6,000 shares of Common Stock at a purchase price per share equal to the fair market value of a share of Common Stock on the date of grant is automatically granted to each Outside Director on the date of the annual meeting of stockholders. As a result, in fiscal 2003 each Outside Director (other than Andrew S. Hedden, who declined his award) was granted options to purchase 6,000 shares of Common Stock on September 24, 2002, at an exercise price of \$43.54 per share. The options vest one year from the date of grant and expire on September 24, 2012. Under the terms of the Scholastic Corporation Directors' Deferred Compensation Plan, directors are permitted to defer 50% or 100% of their cash retainers and meeting fees. Deferred amounts accrue interest at a rate that extrapolates a 30-year Treasury bill rate and are paid in cash upon the later of termination from

Board service or age 62, unless paid earlier due to death, disability, change of control of the Company or severe financial hardship. Two directors have chosen to have 100% of their director's compensation deferred. For the fiscal year ended May 31, 2003, the Company recorded \$21,731 in accrued interest expense under this plan. **Certain Relationships** Andrew S. Hedden is a partner of the law firm of Coudert Brothers LLP, which has provided legal services to the Company in the past and is expected to continue to do so in the future.

Equity Compensation Plan Information The following table presents information regarding the Company's equity compensation plans at May 31, 2003:

(1) Includes 75,939 shares of Common Stock under the ESPP; 299,671 shares of Common Stock under the MSPP; and 2,411,250 shares of Common Stock under the 2001 Plan, which may be issued pursuant to the exercise of stock options or as restricted stock or other stock-based awards. **PROPOSAL 2—APPROVAL OF AN AMENDMENT TO THE SCHOLASTIC**

CORPORATION EMPLOYEE STOCK PURCHASE PLAN As of June 1, 1999, the Company began offering the opportunity to participate in the ESPP to its United States-based employees. The ESPP was approved by written consent of the Class A Stockholders on November 30, 1998. The Board believes that the ESPP helps the Company attract and retain employees by providing participating employees with equity opportunities intended to further align their interests with the Company and its stockholders. The purpose of the ESPP, which is designed to qualify under Section 423 of the Code, is to encourage broad-based employee stock ownership. The number of employees participating in the ESPP has increased steadily since inception and, as of the date hereof, approximately 1,300 employees currently participate and a total of 324,061 shares have been issued under the ESPP, with 75,939 shares remaining available for issuance. Pursuant to the ESPP, employees of the Company and its designated subsidiaries may periodically purchase shares of Common Stock at a discount through payroll deductions. On July 15, 2003, the Board unanimously adopted an amendment to the ESPP to provide for an increase in the number of shares of Common Stock available for issuance under the ESPP by 500,000 shares, in addition to the 75,939 shares currently remaining available. Such increase is necessary in order to provide for the issuance of shares consistent with current and anticipated participant purchase elections. A copy of the proposed amendment to the ESPP is attached hereto as Appendix A.

Summary of the ESPP Eligibility. To be eligible to participate in the ESPP, an employee must (i) be employed by the Company or certain of its subsidiaries for at least 20 hours per week, (ii) not own 5% or more of the combined voting power or value of the Company's capital stock or that of any related company, and (iii) have been employed for at least six months prior to the first day of an offering period. Outside Directors are not eligible to participate in the ESPP. As of July 31, 2003, approximately 6,900 employees were eligible to participate in the ESPP, including 13 executive officers. *Offering Periods.* The ESPP is divided into three-month offering periods that begin on June 1, September 1, December 1 and March 1 of each year and end, respectively, on the following August 31, November 30, February 28 and

May 31. During each offering period, participating employees accumulate funds in an account used to buy Common Stock through payroll deductions. At the end of each offering period, the purchase price is determined and the participating employee's accumulated funds are used to purchase shares of Common Stock. *Limitations on the Number of Shares Purchased.* Payroll deductions accrue at a rate of not less than 1% and not more than 10% of the employee's base pay during each payroll period in the offering period. No employee may purchase more than \$25,000 worth of Common Stock (based on the fair market value of the Common Stock on the first day of an offering period, which under the terms of the ESPP is the closing price of the Common Stock on the NASDAQ National Market System on that date) during any calendar year under the ESPP or any other employee stock purchase plan intended to meet the requirements of Section 423 of the Code. *Purchase Price.* The purchase price per share of Common Stock is 85% of the lesser of (i) the fair market value of the Common Stock on the first day of an offering period and (ii) the fair market value of the Common Stock on the last day of an offering period. On August 1, 2003, the closing price for the Common Stock was \$28.70 per share. *Shares Available for Grant.* Under the ESPP, 200,000 shares of Common Stock (400,000 shares as adjusted following the 100% stock dividend in the form of a 2-for-1 stock split paid on January 16, 2001 (the "Stock Split")) were originally reserved for issuance. The maximum number of shares of Common Stock that will be available for further issuance under the ESPP, if this Proposal is approved by the Class A Stockholders, will be 575,939 shares, consisting of 500,000 additional shares to be authorized by the proposed amendment and 75,939 shares previously authorized and remaining available for issuance. Shares reserved for issuance under the ESPP are subject to adjustment for stock dividends, stock splits and certain other events as provided in the ESPP. The Common Stock issued under the ESPP will be from the Company's authorized but unissued shares of the Common Stock or from treasury stock.

Effect of Termination. Employees have no right to acquire Common Stock under the ESPP in the event of termination of employment for any reason prior to the last business day of an offering period. Upon termination of employment, the Company will pay the cash balance in the employee's account to the employee or to his or her estate. No interest will be paid on such amounts. *Administration.* The ESPP is administered by the HRCC, which is authorized to interpret the ESPP and to make such rules and regulations as it deems necessary in connection therewith, so long as any such interpretation or other action taken by the HRCC does not conflict with the requirements of Section 423 of the Code. *Amendment of the ESPP.* The Board or the HRCC has the power to amend, suspend or terminate the ESPP, except that neither the Board nor the HRCC may amend the ESPP without stockholder approval if such approval is required by Section 423 of the Code. *Federal Income Tax Consequences.* The following discussion summarizes the material federal income tax consequences to the Company and the participating employees in connection with the ESPP under existing applicable provisions of the Code and the accompanying regulations. The discussion is general in nature and does not address issues relating to income tax circumstances of any individual employee. The discussion is based on federal income tax laws in effect on the date of this Proxy Statement and is, therefore, subject to possible future changes in the law. The discussion does not address the consequences of state, estate, inheritance, local or foreign tax laws. Under the Code, the Company is deemed to grant employees participating in the ESPP an "option" on the first day of each three-month offering period to purchase as many shares of Common Stock as the employee will be able to purchase with the amounts expected to be credited to his or her account during the offering period. On the last day of the offering period, the purchase price is determined and the employee is deemed to have exercised the "option" and purchased that number of shares of Common Stock that his or her accumulated payroll deductions will purchase at the purchase price. Under Section 423 of the Code, no taxable income is recognized by participants in the ESPP at the beginning or end of the offering period. The required holding period for favorable tax treatment under Section 423 of the Code upon disposition of any Common Stock acquired under the ESPP is the later of: (i) two years after the "option" is granted (the first day of an offering period) or (ii) one year after the "option" is exercised and the Common Stock is purchased (the last day of an offering period). Thus, the Common Stock generally must be held for at least one year and nine months after it is purchased to gain favorable tax treatment. When any Common Stock purchased under the ESPP is disposed of after this period, the employee realizes ordinary income to the extent of the lesser of: (a) the amount by which the fair market value of the Common Stock at the time the "option"

was granted exceeded the "option price" and (b) the amount by which the fair market value of the Common Stock at the time of the disposition exceeded the "option price." The "option price" is equal to 85% of the lesser of: (1) the fair market value of the Common Stock on the first day of the offering period and (2) the fair market value of the Common Stock on the last day of the offering period. Any further gain is taxed at long-term capital gain rates. If the sale price is less than the "option price," there is no ordinary income and the employee recognizes a long-

term capital loss. When an employee sells Common Stock purchased under the ESPP before the expiration of the required holding period, the employee generally recognizes ordinary income to the extent of the difference between the price actually paid for the Common Stock and the fair market value of the Common Stock at the date option was exercised (the last day of an offering period), regardless of the price at which the Common Stock is sold. If the sale price is less than the fair market value of the Common Stock at the date of exercise, then the employee will also have a capital loss equal to such difference. Even though an employee who meets the requisite holding period must treat part of his or her gain on a disposition of the Common Stock as ordinary income, the Company may not take an income tax deduction for such amount. However, if an employee disposes of Common Stock before the end of the requisite holding period, the amount of income that the employee must report as ordinary income qualifies as an income tax deduction for the Company during the year of such disposition. *Recommendation*
The Board recommends that the holders of the Class A Stock vote FOR the approval of Proposal 2. Assuming the presence of a quorum, the affirmative vote of a majority of the votes cast by the holders of the Class A Stock present and entitled to vote thereon at the Annual Meeting is required to approve Proposal 2.

PROPOSAL 3—APPROVAL OF AN AMENDMENT TO THE SCHOLASTIC CORPORATION 1997 OUTSIDE DIRECTORS' STOCK OPTION PLAN

The 1997 Directors' Plan, which was initially approved by the holders of the Class A Stock on September 16, 1997, provides for the automatic grant of options to purchase shares of Common Stock to Outside Directors on an annual basis. On September 20, 2001, the Board approved an amendment to the 1997 Directors' Plan to increase the number of options granted annually to 6,000 from 3,000 following the Stock Split. Such amendment did not require the approval of the Class A Stockholders. On July 15, 2003, the Board, upon the recommendation of the HRCC, unanimously approved an additional amendment to the 1997 Directors' Plan, subject to approval by the Class A Stockholders at the Annual Meeting. The proposed amendment (i) increases the number of shares of Common Stock that may be issued upon the exercise of options granted under the 1997 Directors Plan by 270,000 shares and (ii) clarifies that the HRCC has the authority to make appropriate equitable adjustments under the Plan in the event that certain changes in the capitalization of the Company occur. A copy of the proposed amendment is attached hereto as Appendix B. The Company currently has in effect the Scholastic Corporation 1992 Outside Directors' Stock Option Plan, which provided for option grants to Outside Directors upon their joining the Board, and the 1997 Directors' Plan. The 1997 Directors' Plan replaced the 1992 Directors' Stock Option Plan, under which no further options may be granted. As of the date of this proxy statement, 24,000 shares of Common Stock remained available for issuance upon the exercise of options to be granted under the 1997 Directors' Plan. The purpose of the 1997 Directors' Plan is to use periodic stock option grants to attract and retain the services of experienced and knowledgeable Outside Directors, while further aligning their interests with the Company and its stockholders. Under the terms of the 1997 Directors' Plan, each Outside Director is automatically granted, on the date of the annual meeting of stockholders in each year, a stock option to purchase 6,000 shares of Common Stock at a purchase price per share equal to the fair market value of a share of Common Stock, determined under the terms of the plan as the average of the high and low price of the Common Stock on such date. Under the 1997 Directors' Plan, 180,000 shares of Common Stock (360,000 shares as adjusted following the Stock Split) were originally reserved for issuance upon the exercise of options to be granted to Outside Directors, of which 24,000 shares of Common Stock remain available for issuance. The proposed amendment provides for an additional 270,000 shares to be available for issuance, and therefore the maximum number of shares of Common Stock that will be available for issuance under the 1997 Directors' Plan as proposed to be amended will be 294,000 shares. Currently, there are nine directors participating in the 1997 Directors' Plan. Accordingly, the current Outside Directors as a group would receive annual automatic grants of options to purchase an aggregate of 54,000

shares of Common Stock under the 1997 Directors' Plan. During the last fiscal year, a total of 54,000 stock options were granted to nine Outside Directors under the 1997 Directors' Plan at an exercise price of \$43.54 per share. The 1997 Directors' Plan provides for certain adjustments to be made with respect to outstanding options and shares remaining available for issuance in the event that changes in the capitalization of the Company occur as a result of certain events, such as a stock dividend, stock split, combination of shares, recapitalization, merger or similar corporate event. The proposed amendment clarifies that the HRCC will have the authority to determine the appropriate adjustments to be made upon the occurrence of such events. In addition, the proposed amendment clarifies that such adjustments include appropriate adjustments to the number and type of shares or other securities to be subject to the automatic annual option grant to participating

Outside Directors as a result of the occurrence of any such event, as well as to the number or type of shares or other securities to be issued in respect of outstanding options and reserved for future option grants. Except as described below, each option granted to an Outside Director under the 1997 Directors' Plan will expire on the tenth anniversary of the date of grant and may not be exercised during the twelve-month period immediately following the date of grant. In the event an Outside Director ceases to be a director other than on account of death or disability, options may be exercised within six months thereafter, but only to the extent exercisable at the date he or she ceased to be a director. In the event an Outside Director ceases to be a director by reason of disability, options may be exercised in full within twelve months thereafter, regardless of whether or not the initial twelve-month vesting period had been met at the date he or she ceased to be a director. In the event an Outside Director dies while serving as a director or within three months after cessation of service as a director (twelve months if the cessation of service was caused by disability), options may be exercised within twelve months thereafter to the extent otherwise exercisable at the date of death, except that, in the case of the death of an Outside Director while serving as a director, options will be exercisable in full regardless of whether or not the initial twelve-month vesting period had been met at the date of death. Notwithstanding the foregoing, in no event may an option granted under the 1997 Directors' Plan be exercised within six months of its date of grant or after its original ten-year expiration date. The 1997 Directors' Plan provides that options may be exercised at any time and from time to time during the period that they are exercisable and may not be transferred by the Outside Director other than by will or the laws of descent and distribution. An option granted under the 1997 Directors' Plan may be exercised by paying the exercise price in cash or Common Stock or any combination of cash and Common Stock having a value equal to the exercise price.

The 1997 Directors' Plan is administered by the Board. The administration of the 1997 Directors' Plan includes the authority to adopt and revise administrative rules, guidelines and practices governing the plan, to interpret the terms thereof and of any option granted thereunder and to settle any claims or disputes arising thereunder. Since the grant of options and the terms thereof are non-discretionary under the 1997 Directors' Plan, the Board will have no discretion as to the selection of individuals to receive options, the number of shares to be covered by any option or the pricing or timing thereof. There is no immediate federal income tax effect on the grant of a stock option under the 1997 Directors' Plan; the Outside Director does not recognize taxable income, and the Company does not receive a tax deduction. When stock options are exercised, the Outside Director will recognize ordinary income in an amount equal to the difference between the exercise price and the fair market value of the Common Stock on the date of exercise, and the Company is entitled to a tax deduction in the same amount. When shares of Common Stock received upon exercise of a stock option are sold, any gain or loss will be treated by the Outside Director as either long- or short-term capital gain or loss, depending on how long the shares have been held. **Recommendation The Board recommends that the holders of the Class A Stock vote FOR the approval of Proposal 3.** Assuming the presence of a quorum, the affirmative vote of a majority of the votes cast by the holders of the Class A Stock present and entitled to vote thereon at the Annual Meeting is required to approve Proposal 3.

INDEPENDENT PUBLIC ACCOUNTANTS The Audit Committee has appointed Ernst & Young LLP (E&Y) to be the independent auditors of the Company for the fiscal year ending May 31, 2004. A representative of E&Y will be present at the Annual Meeting and will be afforded the opportunity to make a statement. Such representative will also be available to respond to appropriate questions. The aggregate fees billed by E&Y for professional services to the Company were \$2,142,154 for fiscal 2003 and \$2,116,000 for fiscal 2002. The total fees for services provided by E&Y to the Company during the fiscal years ended May 31, 2003 and May 31, 2002 are summarized in the table below:

	Fiscal 2003	Fiscal 2002
Audit Fees	\$ 1,578,300	\$ 1,455,867
Audit-Related Fees	\$ 187,929	\$ 118,938
Tax Fees	\$ 375,925	\$ 430,500
All Other Fees	\$ –	\$ 110,695
TOTAL FEES PAID	\$ 2,142,154	\$ 2,116,000

Audit Fees include fees for auditing the Company's consolidated financial statements for the fiscal year and reviewing the Company's Quarterly Reports on Form 10-Q. Audit-Related Fees include fees for services such as benefit plan audits, business acquisitions, accounting consultations and SEC Registration Statements. Tax Fees are for the preparation of tax returns for certain international operations and consulting on tax planning opportunities and entity restructuring. In fiscal 2003, in accordance with Section 10A(i) of the Exchange Act, the Audit Committee pre-approved the tax services provided by E&Y, as permitted by Section 10A. All Other Fees in fiscal 2002 primarily related to the provision of cost analysis services in connection with the construction and improvement of the Company's headquarters facilities in New York City. *Audit Committee's Report* The Audit Committee of the Board of Directors is comprised of three directors. For fiscal 2003, the Board determined that each Committee member was "independent" as required under the Exchange Act and National Association of Securities Dealers listing standards. During fiscal 2003, it was the responsibility of the Audit Committee to oversee the Company's financial reporting process on behalf of the Board of Directors. The Audit Committee operates under a written charter, which is included as Appendix C to this Proxy Statement. Under its charter, which was revised and adopted on September 24, 2002, Company management has the primary responsibility for the preparation, presentation and integrity of the

Company's financial statements and the financial reporting process and disclosure and internal controls. The independent auditors, E&Y, are responsible for auditing and expressing an opinion on the conformity of the Company's audited financial statements with generally accepted accounting principles. In fulfilling its oversight responsibilities during fiscal 2003, the Audit Committee discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. The Audit Committee met with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's disclosure and internal controls and the overall quality of the Company's financial reporting. The Audit Committee reviewed and discussed, with both management and the independent auditors, the consolidated financial statements of the Company for the fiscal year ended May 31, 2003, including a discussion of critical accounting policies, the quality and integrity, not just the acceptability, of the accounting principles followed, the reasonableness of significant judgments reflected in such financial statements and the clarity of disclosures in the financial statements. The Audit Committee also reviewed with the independent auditors the other matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees). In addition, the Audit Committee discussed with the independent auditors their independence from management, and the Committee pre-approved all non-audit services provided to the Company by E&Y, considering such non-audit services to be compatible with maintaining the auditors' independence. The Audit Committee has received from the independent auditors the written disclosures and letter required by the Independence Standards Board No. 1 (Independence Discussion with Audit Committee). Based on its review and discussions with management and the independent auditors, the Audit Committee recommended to the Board (and the Board has approved) the inclusion of the audited financial statements in the Company's Annual Report on Form 10-K for the fiscal year ended May 31, 2003 for filing with the SEC.

All interpretations and determinations of the Committee shall be made in its sole and absolute discretion based on the Plan document and shall be final, conclusive and binding on all parties.

(b) The Committee may employ such legal counsel, consultants, brokers and agents as it may deem desirable for the administration of the Plan and may rely upon any opinion received from any such counsel or consultant and any computation received from any such consultant, broker or agent. The Committee may, in its sole discretion, designate an Agent to administer the Plan, purchase and sell Shares in accordance with the Plan, keep records, send statements of account to employees and to perform other duties relating to the Plan, as the Committee may request from time to time. The Agent shall serve as custodian for purposes of the Plan and, unless otherwise requested by the Participant, Common Stock purchased under the Plan shall be held by and in the name of, or in the name of a nominee of, the custodian for the benefit of each Participant, who shall thereafter be a beneficial stockholder of the Company. The Committee may adopt, amend or repeal any guidelines or requirements necessary for the custody and delivery of the Common Stock, including, without limitation, guidelines regarding the imposition of reasonable fees in certain circumstances.

(c) The Company shall, to the fullest extent permitted by law and the Certificate of Incorporation and By-laws of the Company and, to the extent not covered by insurance, indemnify each director, officer or employee of the Employer (including the heirs, executors, administrators and other personal representatives of such person) and each member of the Committee against all expenses, costs, liabilities and losses (including attorneys' fees, judgments, fines, excise taxes or penalties, and amounts paid or to be paid in settlement) actually and reasonably incurred by such person in connection with any

threatened, pending or actual suit, action or proceeding (whether civil, criminal, administrative or investigative in nature or otherwise) in which such person may be involved by reason of the fact that he or she is or was serving this Plan in any capacity at the request of the Company, except in instances where any such person engages in willful neglect or fraud. Such right of indemnification shall include the right to be paid by the Company for expenses incurred or reasonably anticipated to be incurred in defending any such suit, action or proceeding in advance of its disposition; provided, however, that the payment of expenses in advance of the settlement or final disposition of a suit, action or

<Page>

proceeding, shall be made only upon delivery to the Company of an undertaking by or on behalf of such person to repay all amounts so advanced if it is ultimately determined that such person is not entitled to be indemnified hereunder. Such indemnification shall be in addition to any rights of indemnification the person may have as a director, officer or employee or under the Certificate of Incorporation of the Company or the By-Laws of the Company. Expenses incurred by the Committee or the Board of Directors in the engagement of any such counsel, consultant or agent shall be paid by the Company.

5. PARTICIPATION IN THE PLAN.

Options to purchase the Company's Common Stock under the Plan shall be granted to all Eligible Employees; provided, however, that solely to the extent allowable under Section 423 of the Code, the Committee may determine that any offering of Common Stock under the Plan will not be extended to all or some officers, highly compensated employees of the Employer or to those employees whose principal duties consist of supervising the work of other employees. Any decision relating to the inclusion or exclusion of any executive officer (as defined in Rule 3b-7 promulgated under the Exchange Act as then in effect or any successor provisions) of the Employer pursuant to this Section shall be made only by the members of the Committee who are not executive officers of the Employer and who have not participated or been eligible to participate in this Plan or any similar employee stock option plan for a period of at least one year prior to such determination.

6. PURCHASE PRICE.

The purchase price for Shares purchased pursuant to the Plan shall be determined by the Committee, in its sole discretion, and shall remain in effect unless modified at least thirty (30) days prior to the applicable Offering Date, but in no event shall be less than the lesser of: (i) eighty-five percent (85%) of the Market Price of a Share of Common Stock on the first business day of the Purchase Period or (ii) eighty-five (85%) of the Market Price of a Share of Common Stock on the Exercise Date. Effective as of the effective date of the Plan until modified by the Committee, the price per Share of the Common Stock subject to an offering shall be the lesser of: (i) eighty-five percent (85%) of

the Market Price of a Share of Common Stock on the first business day of the Purchase Period or (ii) eighty-five (85%) of the Market Price of a Share of Common Stock on the Exercise Date.

7. METHOD OF PAYMENT.

Payment for Shares purchased pursuant to the Plan shall be made in installments through payroll deductions, with no right of prepayment.

8. EMPLOYEE'S ELECTION TO PURCHASE. GRANTS OF OPTIONS.

(a) In order to participate in the Plan, an Eligible Employee must sign an election to purchase Shares on a form provided by the Company stating the Eligible Employee's desire to purchase Shares under the Plan and showing the amount which the Eligible Employee

6

<Page>

elects to have withheld from his or her pay for such payroll period during the Purchase Period. The election to purchase Shares must be delivered on or before the last day of the Subscription Period to the person or office designated to receive and accept such elections. An Eligible Employee may increase or decrease such payroll deductions prior to the beginning of any subsequent Subscription Period by giving sufficient prior written notice to the Committee on a form provided by, or acceptable to, the Committee for such purpose. An Eligible Employee may terminate a payroll deduction authorization at any time pursuant to Section 14(a) hereof on a form provided by the Company. An authorization shall remain in effect until modified or terminated by the Eligible Employee or until the percentage used to determine the Option price is effectively increased or decreased. Any changes in the election to purchase Shares, other than a full cancellation, shall become effective as of the next succeeding Purchase Period; provided that such election is made during the succeeding Subscription Period.

(b) All payroll deductions made by a Participant shall be credited to such Participant's account under the Plan. A Participant may not make any additional payments into such account except as otherwise provided herein.

(c) In the event a Participant makes a hardship withdrawal of employee deferral (401 (k)) contributions under a 401 (k) profit sharing plan of the Company, a Subsidiary, or a Parent or an affiliate or any other plan qualified under Section 401(a) of the Code that contains a Code Section 401(k) feature, to the extent required by such plan, such Participant's payroll deductions and the purchase of Shares under the Plan shall be suspended until the first payroll period following the Offering Date commencing after the twelve (12) month period after such hardship withdrawal. If a Participant who elects a hardship withdrawal under such a 401 (k) profit sharing plan or such other plan has a cash balance accumulated in his or her account at the time of withdrawal that has not already been applied to purchase Shares, such cash balance shall be returned to the Participant as soon as administratively practicable.

9. EXERCISE OF OPTION.

(a) A Participant's election to purchase Shares shall be exercised automatically on the Exercise Date, and the maximum number of whole and/or fractional Shares subject to such Option shall be purchased for such Participant at the applicable Option price with the accumulated payroll deductions in such Participant's account. If all or any portion of the Shares cannot reasonably be purchased on the Exercise Date in the sole discretion of the Committee because of unavailability or any other reason, such purchase shall be made as soon thereafter as feasible. In no event shall certificates for any fractional Shares be issued under the Plan. Shares shall be credited to the Participant's account as soon as administratively feasible after the Exercise Date.

(b) If the total number of Shares which would otherwise be subject to Options granted on an Offering Date exceeds the number of Shares then available under the Plan (after deduction of all Shares for which Options have been exercised or are then outstanding), the Committee shall make a pro rata allocation of the Shares remaining available for Option grant in as uniform a manner as shall be practicable and as it shall determine to be equitable. In such

7

<Page>

event, the Committee shall give written notice to each Participant of such reduction of the number of Option Shares affected thereby and shall similarly reduce the rate of payroll deductions, if necessary.

(c) All Shares included in any offering under the Plan in excess of the total number of Shares which all Participants elect to purchase and all Shares with respect to which elections to purchase are canceled as provided in Section 14 shall continue to be reserved for the Plan and shall be available for inclusion in any subsequent offering under the Plan.

10. DELIVERY OF COMMON STOCK.

(a) Certificates for whole shares of Common Stock shall not be issued to Participants unless and until requested or as otherwise provided herein. Such certificates shall be issued as soon as administratively feasible following the Participant's request for issuance. If a Participant requests certificates for whole shares of Common Stock, any fractional shares of Common Stock shall remain in the Participant's account during his or her employment, unless he or she requests cash in lieu of the fractional shares. A fee fixed by the Plan's Agent or transfer agent, as the case may be, may be charged to the Participant for the issuance of certificates of shares of Common Stock and for the replacement of lost certificates. Certificates for a fractional share of Common Stock shall not be issued under any circumstance. The Committee or the Plan's Agent may establish limitations on the issuance of certificates to the extent allowable by applicable law.

(b) A Participant may request the Agent to sell all or a portion of Shares for which certificates have not been issued and receive cash for such Shares, subject to any brokerage fees or commissions.

(c) Notwithstanding any other provision of the Plan to the contrary, following a Participant's termination of employment, death or retirement from the Company, any Subsidiary and any Parent, the Participant (or, in the case of death, his or her legal representative) shall elect, within such period as prescribed by the Committee to (i) direct the Committee or Agent to sell all or a portion of Shares for which certificates have not been issued and receive cash for such Shares, subject to any brokerage fees or commissions; (ii) receive certificates for all of the whole Shares and cash in lieu of any fractional Shares credited to the Participant's account under the Plan; or (iii) receive payment from the Plan for all Shares in such other manner permitted by the Committee in its sole discretion, including permitting the transfer of certificates for all Shares (including fractional Shares) credited to the Participant's account under the Plan to an individual brokerage account established by the Agent for the benefit of the Participant or for the benefit of the Participant and his or her spouse as joint tenants with rights of survivorship. The Committee may establish and adopt rules dictating the default election of a Participant (or, in the case of death, his or her legal representative) who does not make a timely election pursuant to this paragraph (c). A fee fixed by the Plan's Agent may be charged to the Participant for the issuance of certificates of Shares.

11. LIMITATIONS OF NUMBER OF SHARES WHICH MAY BE PURCHASED.

<Page>

(a) Notwithstanding any provisions of the Plan to the contrary, no individual shall be granted an Option under the Plan:

(i) if, immediately after the grant, such individual (or any other person whose stock would be attributed to such individual pursuant to Section 424(d) of the Code) would own stock and/or hold outstanding Options to purchase stock possessing five percent (5%) or more of the total combined voting power or value of all classes of stock of the Company or of any Subsidiary or Parent; or

(ii) which permits such individual's right to purchase stock under all employee stock purchase plans (as described in Section 423 of the Code) of the Company and any Subsidiary or Parent to accrue at a rate which exceeds twenty five thousand dollars (\$25,000) of fair market value of such stock (determined at the time such option is granted) for any calendar year in which such option is outstanding at any time; or

(iii) which permits an Eligible Employee to purchase Shares during any one offering pursuant to the Plan for an aggregate purchase

price (which shall be computed on an annual basis in the event the Purchase Period is more or less than twelve (12) months) in excess of ten percent (10%) of his or her Annual Pay.

(b) An Eligible Employee may elect to purchase less than the number of Shares which he or she is entitled to elect to purchase.

12. STOCKHOLDER RIGHTS.

The Common Stock purchased upon exercise of an Option hereunder shall be credited to the Participant's account under the Plan and shall be deemed to be transferred to the Participant on the Exercise Date. Only upon the issuance of Shares to a Participant or his agent (and only in respect to such Shares purchased) shall a Participant obtain the rights of stockholders, including, without limitation, any right to vote the Shares or receive any dividends or any other distributions thereon. The Shares purchased will be issued as soon as practicable after the Exercise Date.

13. RIGHTS TO PURCHASE SHARES NOT TRANSFERABLE.

(a) Neither payroll deductions credited to a Participant's account nor any rights with regard to the exercise of an Option or to receive Shares under the Plan may be sold, pledged, assigned or transferred in any manner otherwise than by will or the laws of descent and distribution. Any such attempt at assignment, transfer, pledge or other disposition shall be without effect, except that the Company may treat such act as an election to withdraw funds in accordance with Section 10 hereof.

(b) All rights of a Participant granted under this Plan, including but not limited to, the grant of an Option, the right to exercise an Option and the ability to authorize

<Page>

payroll deductions shall relate solely to a Participant, except as otherwise provided in Section 17 hereof.

14. CANCELLATION OF ELECTION TO PURCHASE.

(a) An Eligible Employee who has elected to purchase Shares during a Purchase Period may cancel his or her election with respect to such Purchase Period in the amount which he or she has authorized the Company to withhold from his pay for each payroll period during the Purchase Period. Any such cancellation shall be effective as soon as feasible after the delivery by the Eligible Employee of sufficient prior written notice of cancellation on a form provided by, or acceptable to, the Committee for such purpose to the office or person designated by the Committee to receive such elections. Such notice of full cancellation must be so delivered no later than the close of business on the 20th day of the month preceding the Exercise Date.

(b) An Eligible Employee's rights upon the full cancellation of his or her election to purchase Shares shall be limited to receiving in cash, as soon as practicable after delivery of the notice of cancellation, the cash balance (without interest) then credited to his or her account.

(c) A Participant's cancellation of his or her election to purchase Shares in an offering shall not have any effect upon such Participant's eligibility to participate in a subsequent offering or in any similar plan which may hereafter be adopted by the Company.

15. LEAVE OF ABSENCE OR LAYOFF.

(a) If a Participant who is granted a leave of absence (including a military leave) or who is laid off during a Purchase Period, his or her election to purchase shall be deemed to have been canceled at the time of the leave of absence or layoff. An Participant's Eligible Employee's rights upon leave of absence (including a military leave) or layoff shall, subject to any rights under law, be limited to having the cash balance credited to his or her account at the time of such leave of absence or layoff becomes effective applied to the purchase of the number of Shares such amount will then purchase at the end of the Purchase Period.

(b) In the event that such individual's leave of absence ends and such individual again becomes an Eligible Employee within 90 days from the date of his or her leave of absence or layoff, payroll deductions shall resume automatically in accordance with his or her most recent payroll deduction authorization form in effect prior to the leave of absence or layoff.

16. EFFECT OF FAILURE TO MAKE PAYMENTS WHEN DUE.

(a) If in any payroll period, for any reason not set forth in Section 14, a Participant who has filed an election to purchase Shares under the Plan has no pay or his or her pay is insufficient (after other authorized deductions) to permit deduction of his or her installment payment, the Participant may make a payment to the Plan in cash at such time equal to the amount of the installment payment deficiency. If such cash payment is not so made, the

<Page>

Participant, when his or her pay is again sufficient to permit the resumption of installment payments, must pay in cash the amount of the deficiency in his or her account or arrange for uniformly increased installment payments so that, assuming the maximum purchase price per Share, payment for the maximum number of Shares covered by his or her Option will be completed in the last month of the Purchase Period. If the Participant elects to make increased installment payments, he or she may, nevertheless, at any time make up the remaining deficiency by making a lump sum payment.

(b) Subject to paragraph (a) above and other provisions of the Plan

permitting postponement, the Company may treat the failure by a Participant to make any payment as a cancellation of his or her election to purchase Shares. Such cancellation will be affected by mailing notice to him or her at his or her last known business or home address. Upon such mailing, his or her only right will be to receive in cash the amount credited to his or her account.

17. RETIREMENT.

(a) Upon "Retirement" (as hereinafter defined), a Participant will be deemed canceled as of the date of retirement and the only right of the Participant will be to receive in cash, the cash amount credited to his or her account.

(b) For the purposes of this Plan, "Retirement shall mean a Participant's attainment of age sixty-five (65).

18. DEATH.

If a Participant dies and has an election to purchase Shares in effect at the time of his or her death, the election will be deemed canceled as of the date of death, and the only right of such legal representative will be to receive in cash, the cash amount credited to the deceased Participant's account.

<Page>

19. TERMINATION OF EMPLOYMENT OTHER THAN FOR RETIREMENT OR DEATH.

If an Eligible Employee's employment is terminated for any reason other than Retirement or death prior to the end of the Purchase Period, his or her election to purchase shall thereupon be deemed canceled as of the date on which his or her employment ended. In such an event, no further payments under such election will be permitted, and the Eligible Employee's only right will be to receive in cash the amount credited to his or her account.

20. DIVIDENDS AND INTEREST.

(a) Cash dividends, if any, on Shares acquired through the Plan will be automatically paid by check directly to the Participant by the Company, or if applicable, the transfer agent. Dividends paid in property other than cash or Common Stock shall be distributed to Participants as soon as practicable.

(b) Except as required by law, including without limitation, the Investment Company Act of 1940, as amended, no interest shall accrue on or be payable with respect to the payroll deductions of a Participant in the Plan.

21. APPLICATION OF FUNDS.

All funds received by the Company in payment for Shares purchased under the Plan and held by the Company at any time may be used for any valid corporate

purpose.

22. AMENDMENT AND TERMINATION.

The Company, by action of the Board of Directors (or a duly authorized committee) or the Committee may at any time terminate, amend or freeze the Plan. No such termination shall adversely affect Options previously granted and no amendment may make any change in any Option theretofore granted which adversely affects the rights of any Participant. No amendment shall be effective unless approved by the stockholders of the Company if stockholder approval of such amendment is required to comply with Section 423 of the Code or to comply with any other applicable law, regulation or stock exchange rule. Upon termination of the Plan, the Company shall return or distribute the payroll deductions credited to a Participant's account (that have not been used to purchase Shares) and shall distribute or credit Shares credited to a Participant's account. Upon the freezing of the Plan, any payroll deductions credited to a Participant's account (that have not been used to purchase Shares) shall be used to purchase Shares in accordance with Section 9, substituting the term Exercise Date with the effective date of the freezing of the Plan.

23. REPORTS.

Individual accounts shall be maintained for each Participant in the Plan. Statements of account shall be given to Participants at such times prescribed by the Committee; such statements shall set forth the amounts of payroll deductions, the purchase price per Share,

12

<Page>

the number of Shares purchased, the aggregate Shares in the Participant's account and the remaining cash balance, if any.

24. EFFECTIVE DATE; GOVERNMENTAL APPROVALS OR CONSENTS.

The Plan was originally approved by the holders of the Company's Class A Stock pursuant to written consent dated November 30, 1998 and adopted by the Board of Directors the Company effective as of January 1, 1999 and was amended and restated by action of the Board of Directors of the Company effective as of March 1, 2000. The Plan and any offerings and sales to Eligible Employees under it are subject to any governmental approvals or consents that may be or become applicable in connection therewith. The Board of Directors or the Committee may make such changes in the Plan and include such terms in any offering under the Plan as may be necessary or desirable, in the opinion of counsel, so that the Plan will comply with the rules and regulations of any governmental authority and so that Eligible Employees participating in the Plan will be eligible for tax benefits under the Code or the laws of any state.

25. NOTICES.

All notices or other communications by a Participant to the Company or the Committee under or in connection with the Plan shall be deemed to have been duly given when received in the form specified by the Company or Committee at the location, or by the person, designated for the receipt thereof and within the time period prescribed by the Company or Committee. Each Participant shall be responsible for furnishing the Committee with the current and proper address for the mailing of notices and the delivery of other information. Any notices or communications by the Company to a Participant shall be deemed given if directed to such address and mailed by regular United States mail, first-class and prepaid. If any item mailed to such address is returned as undeliverable to the addressee, mailing shall be suspended until the Participant furnishes the proper address.

26. REGULATIONS AND OTHER APPROVALS; GOVERNING LAW.

(a) This Plan and the rights of all persons claiming hereunder shall be construed and determined in accordance with the laws of the State of Delaware without giving effect to the choice of law principles thereof, except to the extent that such law is preempted by federal law.

(b) The obligation of the Company to sell or deliver Shares with respect to Options granted under the Plan shall be subject to all applicable laws, rules and regulations, including all applicable federal and state securities laws, and the obtaining of all such approvals by governmental agencies as may be deemed necessary or appropriate by the Committee.

(c) To the extent required, the Plan is intended to comply with Rule 16b-3 and the Committee shall interpret and administer the provisions of the Plan in a manner consistent therewith. Any provisions inconsistent with Rule 16b-3 shall be inoperative and shall not affect the validity of the Plan. The Committee may establish and adopt administrative guidelines,

13

<Page>

designed to facilitate compliance with Section 16(b) of the Exchange Act and Rule 16b-3, as it may deem necessary or proper for the administration and operation of the Plan and the transaction of business thereunder.

27. WITHHOLDING OF TAXES.

(a) If the Participant makes a disposition, within the meaning of Section 424(c) of the Code and regulations promulgated thereunder, of any Share or Shares issued to such Participant pursuant to such Participant's exercise of an Option, and such disposition occurs within the two-year period commencing on the day after the Offering Date or within the one-year period commencing on the day after the Exercise Date, such Participant shall immediately, or as soon as practicable thereafter, notify the Company thereof and thereafter immediately deliver to the Company any amount of federal, state or local income taxes and other amounts which the Company informs the Participant the Company is required

to withhold.

(b) Notwithstanding anything herein to the contrary, the Employer shall have the right to make such provisions as it deems necessary to satisfy any obligations to withhold federal, state, or local income taxes or other taxes incurred by reason of the issuance of Common Stock pursuant to the Plan. Notwithstanding anything herein to the contrary, the Employer may require a Participant to remit an amount equal to the required withholding amount and may invalidate any election if the Participant does not remit applicable withholding taxes. Without limiting the generality of the foregoing, any withholding obligation with regard to any Participant may be satisfied by: (i) reducing the number of shares of Common Stock otherwise deliverable to the Participant; (ii) subject to the Committee's prior consent, any method approved by the Committee; or (iii) by the Participant paying cash directly to the Company.

28. LEGEND.

(a) The Committee may require each person receiving shares pursuant to the exercise of an Option under the Plan to represent to and agree with the Company in writing that the Participant is acquiring the shares without a view to distribution thereof. In addition to any legend required by this Plan, the certificates for such Shares may include any legend which the Committee deems appropriate to reflect any restrictions on transfer.

(b) All certificates for Shares delivered under the Plan shall be subject to such stock transfer orders and other restrictions as the Committee may deem advisable to assist in the compliance with any applicable tax withholding laws or under the rules, regulations and other requirements of the Securities and Exchange Commission, any stock exchange upon which the Common Stock is then listed or any national securities association system upon whose system the Common Stock is then quoted, any applicable Federal or state securities law, and any applicable corporate law and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

29. NO EMPLOYMENT RIGHTS.

<Page>

The establishment and operation of this Plan shall not confer any legal rights upon any Participant or other person for a continuation of employment, nor shall it interfere with the rights of an Employer to discharge any employee and to treat him or her without regard to the effect which that treatment might have upon him or her as a Participant or potential Participant under the Plan.

30. SEVERABILITY OF PROVISIONS.

If any provision of the Plan shall be held invalid or unenforceable, such invalidity or unenforceability shall not affect any other provisions hereof, and the Plan shall be construed and enforced as if such provisions had

not been included.

The headings and captions herein are provided for reference and convenience only, shall not be considered part of the Plan, and shall not be employed in the construction of the Plan.

AMENDMENT NUMBER ONE
TO THE AMENDED AND RESTATED
SCHOLASTIC CORPORATION EMPLOYEE STOCK PURCHASE PLAN

WHEREAS, Scholastic Corporation (the "Corporation") maintains the Scholastic Corporation Employee Stock Purchase Plan, (Amended and Restated as of March 1, 2000) (the "Plan"); and

1. Paragraph (c) of Section 8 of the Plan is amended by substituting "six (6) month period" for "twelve (12) month period" where it appears therein.

Subject to the foregoing, the Restated Plan remains in full force and effect in accordance with the terms thereof.

SCHOLASTIC CORPORATION 1997 OUTSIDE DIRECTORS' STOCK OPTION PLAN

1. NAME AND GENERAL PURPOSE

The name of this plan is the Scholastic Corporation 1997 Outside Directors' Stock Option Plan (the "Plan"). The purpose of the Plan is to attract and retain the services, for the benefit of Scholastic Corporation, a Delaware corporation (the "Company"), of experienced and knowledgeable directors who are not employees of the Company ("Outside Directors") and to provide an additional incentive for such Outside Directors through continuing ownership of the common stock, par value \$.01 per share, of the Company (the "Common Stock").

2. AUTOMATIC OPTION GRANTS TO OUTSIDE DIRECTORS

Subject to the provisions of Section 13 hereof, each individual (other than any director electing not to participate hereunder) who is, as of each January 7 (or, if such date is not a business day, as of the next succeeding business day) occurring after the effective date of the Plan, an incumbent Outside Director, excluding Directors Emereti, shall automatically be granted, as of each such January 7 (or, if applicable, the next succeeding business day), an option to purchase 3,000 shares of Common Stock at a price per share equal to 100% of the Fair Market Value of the Common Stock on such date.

For purposes of this Section 2, "Fair Market Value" shall mean the average of the high and low selling prices of the Common Stock on the date on which the Common Stock is to be valued hereunder, or, if none, on the last preceding date prior to such date on which such prices were quoted, as reported by the Automated Quotation System of the National Association of Securities Dealers, Inc. ("NASDAQ"). All options granted under the Plan shall be non-qualified stock options.

3. EXERCISE OF OPTIONS

Subject to the provisions of Section 5 hereof, an option granted hereunder may not be exercised within twelve (12) months after the date of grant.

Except as provided in Section 5 below, an option may be exercised, in whole or in part at any time and from time to time during the period beginning with the expiration of twelve months following the date of grant and ending on the option expiration date, by giving written notice of exercise to the Company specifying the number of shares of Common Stock to be purchased. Such notice shall be accompanied by payment in full of the option price, either in cash or by certified check or bank check or in shares of Common Stock of the Company (valued at Fair Market Value on the date of exercise), actually or by

attestation, or in any combination thereof. The option price may also be paid by delivery of an irrevocable notice of exercise to the Company and a broker-dealer acceptable to the Company under such circumstances as the Board of Directors shall authorize.

No shares of Common Stock shall be issued until full payment therefor has been made. An Outside Director will have no rights as a shareholder of the Company with respect to any shares of Common Stock subject to an option until such time as the Outside Director has properly exercised his or her option, paid in full for the shares subject to such option and executed any representations required by the Company.

4. EXPIRATION OF OPTIONS

Each option granted hereunder shall expire on the tenth anniversary of the date on which it was granted, if not sooner terminated as provided herein.

5. TERMINATION OF SERVICES OF OUTSIDE DIRECTORS

(a) In the event that an Outside Director to whom an option has been granted under the Plan shall cease to serve as a Director on the Board of Directors of the Company, otherwise than by reason of death or disability, such option may be exercised (to the extent that the Outside Director was entitled to do so at the time of such cessation of service) at any time and from time to time within six (6) months after such cessation of service, but not thereafter, and in no event after the date on which, except for such cessation of service, the option would otherwise expire; provided, however, that, in the event an Outside Director to whom an option has been granted under the Plan shall

<Page>

cease to serve on the Board of Directors but shall have been designated as a Director Emeritus, his or her option shall continue to be exercisable as though such Director Emeritus continued to serve as an Outside Director until six (6) months after termination of his or her Director Emeritus status or expiration of the option, whichever occurs first.

(b) In the event that an Outside Director to whom an option has been granted under the Plan shall cease to serve on the Board of Directors by reason of disability (as determined by the Board of Directors on the basis of all the facts and circumstances), such option may be exercised, in full or in part, by the Outside Director or his or her legally appointed representative (notwithstanding that the option may not yet otherwise have become exercisable with respect to all or part of such shares as of the date of disability) at any time and from time to time within twelve (12) months after such cessation of service, but not thereafter, and in no event after the date on which, except for such disability, the option would otherwise expire.

(c) If an Outside Director to whom an option has been granted under the Plan dies (i) while he or she is serving on the Board of Directors, (ii) within three (3) months after cessation of service on the Board of Directors other than by reason of disability, or (iii) within twelve (12) months after cessation of

service on the Board of Directors by reason of disability, such option may be exercised:

1) in the case of death while serving on the Board of Directors, as to all or any part of the remaining unexercised portion of the option, notwithstanding that the option may not yet otherwise have become exercisable with respect to all or part of such shares as of the date of death; and

2) in the case of death after cessation of service on the Board of Directors or death after termination of such service by reason of disability, to the extent that the Outside Director was entitled to do so at the date of his or her death, giving effect to the provisions of subsections (a) and (b) above of this Section 5;

in each case by the person who acquired the right to exercise such option by bequest or inheritance or by reason of the death of the Outside Director, at any time and from time to time within twelve (12) months after the date of death of the Outside Director, but in no event after the date on which the option would otherwise expire under Section 4 of the Plan.

(d) Notwithstanding the provisions of subsections (b) and (c) above of this Section 5, in no event shall any option granted under the Plan be exercisable within six (6) months of the date of grant.

6. TRANSFERABILITY

No option granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated, other than by will or by the laws of descent and distribution.

7. SHARES RESERVED

The aggregate number of shares reserved for issuance pursuant to the Plan shall be 180,000 shares of Common Stock, or the number and kind of shares of stock or other securities which shall be substituted for such shares or to which such shares shall be adjusted as provided in Section 8.

Such number of shares may be set aside out of the authorized but unissued shares of Common Stock not reserved for any other purpose, or out of issued shares of Common Stock acquired for and held in the treasury of the Company.

Shares subject to, but not sold or issued under, any option terminating, expiring or cancelled for any reason prior to its exercise in full will again be available for options thereafter granted during the balance of the term of the Plan.

8. ADJUSTMENTS DUE TO STOCK SPLITS, MERGERS, CONSOLIDATIONS, ETC.

If, at any time, the Company shall take any action, whether by stock

dividend, stock split, combination of shares, or otherwise, which results in a proportionate increase or decrease in the number of shares of Common Stock theretofore issued and outstanding, (i) the number of shares which are reserved under the Plan shall be automatically adjusted, and (ii) the number of shares which, at such time, are subject to outstanding options shall be adjusted in the same

2

<Page>

proportion (with appropriate adjustments in the option price); provided, however, that the Company shall not be obligated to issue fractional shares.

In the event of any change in the outstanding shares of Common Stock by reason of any recapitalization, merger, consolidation, combination, exchange of shares, or other similar corporate change, equitable substitution or adjustment shall be made in the number or kind of shares of Common Stock or other securities issued or reserved for issuance pursuant to the Plan, including pursuant to outstanding options granted under the Plan.

9. WITHHOLDING OR DEDUCTION OF TAXES

If, at any time, the Company is required under applicable laws or regulations to withhold, or to make any deduction for, any taxes or take any other action in connection with the exercise of any option hereunder, the Company shall have the right to deduct from all amounts payable in cash any taxes required by law to be withheld therefrom, and, in the case of payments in the form of Common Stock, the Outside Director to whom such payments are to be made shall be required to pay to the Company the amount of any taxes required to be withheld, or, in lieu thereof, the Company shall have the right to retain, or sell without notice, a sufficient number of shares of Common Stock to cover the amount required to be withheld.

10. ADMINISTRATION

The Plan shall be administered by the Board of Directors. Subject to the provisions of the Plan, the Board of Directors shall have the discretionary authority to:

(a) adopt, revise and repeal such administrative rules, guidelines and practices governing the Plan as it shall from time to time deem advisable,

(b) interpret the terms of the Plan and any option issued under the Plan (and any agreements relating thereto), and otherwise settle all claims and disputes arising under the Plan;

(c) delegate responsibility and authority for the operation and administration of the Plan, including to a committee of the Board of Directors, and appoint employees and officers of the Company and its affiliates to act on its behalf and employ persons to assist in fulfilling its responsibilities under the Plan; and

(d) otherwise supervise the administration of the Plan;

provided, however, that the Board of Directors shall have no discretion with respect to the selection of individuals eligible to receive options hereunder, the number of shares of Common Stock covered by any such option or the price or timing of any option granted hereunder (all of which determinations are automatic under the terms of the Plan).

The entire expense of administering the Plan shall be borne by the Company.

11. COMPLIANCE WITH APPLICABLE LAW

Notwithstanding any other provision of the Plan, the Company shall not be obligated to issue any shares of Common Stock, or grant any option with respect thereto, unless it is advised by counsel of its selection that it may do so without violation of the applicable federal and state laws pertaining to the issuance of securities or the provisions of any national securities exchange or NASDAQ, and the Company may require any securities so issued to bear a legend, may give its transfer agent instructions, and may take such other steps as in its judgment are reasonably required to prevent any such violation.

12. AMENDMENT AND TERMINATION

The Board of Directors may amend or discontinue the Plan at any time and from time to time; provided, however, that (a) unless otherwise required by law, no amendment, alteration or discontinuation shall be made which would impair the rights of an Outside Director with respect to any option which has been granted under the Plan without such individual's consent and (b) no amendment shall be effective without approval of stockholders of

the Company if stockholder approval of the amendment is then required pursuant to Rule 16b-3 under the Securities Exchange Act of 1934, as amended, or the applicable rules of any national securities exchange or NASDAQ.

13. EFFECTIVE DATE

The effective date of this Plan is August 20, 1997, the date on which it was adopted by the Board of Directors; provided, however, that this Plan is subject to approval by the holders of Class A Stock. The Plan shall terminate on August 19, 2007.

SCHOLASTIC CORPORATION 1997 OUTSIDE DIRECTORS'
STOCK OPTION PLAN
(Amended and Restated as of May 25, 1999)

1. NAME AND GENERAL PURPOSE

The name of this plan is the Scholastic Corporation 1997 Outside Directors' Stock Option Plan (the "Plan"). The Plan was originally adopted effective September 16, 1997 and was subsequently amended and restated as of May 25, 1999. The purpose of the Plan is to attract and retain the services, for the benefit of Scholastic Corporation, a Delaware corporation (the "Company"), of experienced and knowledgeable directors who are not employees of the Company ("Outside Directors") and to provide an additional incentive for such Outside Directors through continuing ownership of the common stock, par value \$.01 per share, of the Company (the "Common Stock").

2. AUTOMATIC OPTION GRANTS TO OUTSIDE DIRECTORS

Subject to the provisions of Section 13 hereof, each individual (other than any director electing not to participate hereunder) who is, as of each January 7 (or, if such date is not a business day, as of the next succeeding business day) occurring after the effective date of the Plan, an incumbent Outside Director, excluding Directors Emereti, shall automatically be granted, as of each such January 7 (or, if applicable, the next succeeding business day), an option to purchase 3,000 shares of Common Stock at a price per share equal to 100% of the Fair Market Value of the Common Stock on such date.

For purposes of this Section 2, "Fair Market Value" shall mean the average of the high and low selling prices of the Common Stock on the date on which the Common Stock is to be valued hereunder, or, if none, on the last preceding date prior to such date on which such prices were quoted, as reported by the Automated Quotation System of the National Association of Securities Dealers, Inc. ("NASDAQ"). All options granted under the Plan shall be non-qualified stock options.

3. EXERCISE OF OPTIONS

Subject to the provisions of Section 5 hereof, an option granted hereunder may not be exercised within twelve (12) months after the date of grant.

Except as provided in Section 5 below, an option may be exercised, in whole or in part at any time and from time to time during the period beginning with the expiration of twelve months following the date of grant and ending on the option expiration date, by giving written notice of

exercise to the Company specifying the number of shares of Common Stock to be purchased. Such notice shall be accompanied by payment in full of the option price, either in cash or by certified check or bank check or in shares of Common Stock of the

<Page>

Company (valued at Fair Market Value on the date of exercise), actually or by attestation, or in any combination thereof. The option price may also be paid by delivery of an irrevocable notice of exercise to the Company and a broker-dealer acceptable to the Company under such circumstances as the Board of Directors shall authorize.

No shares of Common Stock shall be issued until full payment therefor has been made. An Outside Director shall have no rights as a shareholder of the Company with respect to any shares of Common Stock subject to an option until such time as the Outside Director has properly exercised his or her option, paid in full for the shares subject to such option and executed any representations required by the Company.

4. EXPIRATION OF OPTIONS

Each option granted hereunder shall expire on the tenth anniversary of the date on which it was granted, if not sooner terminated as provided herein.

5. TERMINATION OF SERVICES OF OUTSIDE DIRECTORS

(a) In the event that an Outside Director to whom an option has been granted under the Plan shall cease to serve as a Director on the Board of Directors of the Company, otherwise than by reason of death or disability, such option may be exercised (to the extent that the Outside Director is entitled to do so at the time of such option exercise) at any time and from time to time within six (6) months after such cessation of service, but not thereafter, and in no event after the date on which, except for such cessation of service, the option would otherwise expire; provided, however, that, in the event an Outside Director to whom an option has been granted under the Plan shall cease to serve on the Board of Directors but shall have been designated as a Director Emeritus, his or her option shall continue to be exercisable (to the extent his or her options have become exercisable at the time of such exercise) until six (6) months after termination of his or her Director Emeritus status or expiration of the option, whichever occurs first.

(b) In the event that an Outside Director to whom an option has been granted under the Plan shall cease to serve on the Board of Directors by reason of disability (as determined by the Board of Directors on the basis of all the facts and circumstances), such option may be exercised, in full or in part, by the Outside Director or his or her legally appointed representative (notwithstanding that the option may not yet otherwise have become exercisable with respect to all or part of such shares as of the date of disability) at any

time and from time to time within twelve (12) months after such cessation of service, but not thereafter, and in no event after the date on which, except for such disability, the option would otherwise expire.

(c) If an Outside Director to whom an option has been granted under the Plan dies (i) while he or she is serving on the Board of Directors, (ii) within three (3) months after cessation of service on the Board of Directors other than by reason of disability, or (iii) within

2

<Page>

twelve (12) months after cessation of service on the Board of Directors by reason of disability, such option may be exercised:

1) in the case of death while serving on the Board of Directors, as to all or any part of the remaining unexercised portion of the option, notwithstanding that the option may not yet otherwise have become exercisable with respect to all or part of such shares as of the date of death;

2) in the case of death after cessation of service on the Board of Directors or death after termination of such service by reason of disability, to the extent that the Outside Director was entitled to do so at the date of his or her death, giving effect to the provisions of subsections (a) and (b) above of this Section 5; and

3) in each case by the person who acquired the right to exercise such option by bequest or inheritance or by reason of the death of the Outside Director, at any time and from time to time within twelve (12) months after the date of death of the Outside Director, but in no event after the date on which the option would otherwise expire under Section 4 of the Plan.

4) Notwithstanding the provisions of subsections (b) and (c) above of this Section 5, in no event shall any option granted under the Plan be exercisable within six (6) months of the date of grant.

6. TRANSFERABILITY

No option granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated, other than by will or by the laws of descent and distribution.

7. SHARES RESERVED

The aggregate number of shares reserved for issuance pursuant to the Plan shall be 180,000 shares of Common Stock, or the number and kind of shares of stock or other securities which shall be substituted for such shares or to which such shares shall be adjusted as provided in Section 8.

Such number of shares may be set aside out of the authorized but unissued shares of Common Stock not reserved for any other purpose, or out of issued shares of Common Stock acquired for and held in the treasury of the Company.

Shares subject to, but not sold or issued under, any option terminating, expiring or cancelled for any reason prior to its exercise in full will again be available for options thereafter granted during the balance of the term of the Plan.

8. ADJUSTMENTS DUE TO STOCK SPLITS, MERGERS, CONSOLIDATIONS, ETC.

If, at any time, the Company shall take any action, whether by stock dividend, stock split, combination of shares, or otherwise, which results in a proportionate increase or decrease in the number of shares of Common Stock theretofore issued and outstanding, (i) the number of shares which are reserved under the Plan shall be automatically adjusted, and (ii) the number of shares which, at such time, are subject to outstanding options shall be adjusted in the same proportion (with appropriate adjustments in the option price); provided, however, that the Company shall not be obligated to issue fractional shares.

In the event of any change in the outstanding shares of Common Stock by reason of any recapitalization, merger, consolidation, combination, exchange of shares, or other similar corporate change, equitable substitution or adjustment shall be made in the number or kind of shares of Common Stock or other securities issued or reserved for issuance pursuant to the Plan, including pursuant to outstanding options granted under the Plan.

9. WITHHOLDING OR DEDUCTION OF TAXES

If, at any time, the Company is required under applicable laws or regulations to withhold, or to make any deduction for, any taxes or take any other action in connection with the exercise of any option hereunder, the Company shall have the right to deduct from all amounts payable in cash any taxes required by law to be withheld therefrom, and, in the case of payments in the form of Common Stock, the Outside Director to whom such payments are to be made shall be required to pay to the Company the amount of any taxes required to be withheld, or, in lieu thereof, the Company shall have the right to retain, or sell without notice, a sufficient number of shares of Common Stock to cover the amount required to be withheld.

10. ADMINISTRATION

The Plan shall be administered by the Board of Directors. Subject to the provisions of the Plan, the Board of Directors shall have the discretionary authority to:

(a) adopt, revise and repeal such administrative rules, guidelines and practices governing the Plan as it shall from time to time deem advisable;

(b) interpret the terms of the Plan and any option issued under the Plan (and any agreements relating thereto), and otherwise settle all claims and disputes arising under the Plan;

(c) delegate responsibility and authority for the operation and administration of the Plan, including to a committee of the Board of Directors, and appoint employees and officers of the Company and its affiliates to act on its behalf and employ persons to assist in fulfilling its responsibilities under the Plan; and

4

<Page>

(d) otherwise supervise the administration of the Plan;

provided, however, that the Board of Directors shall have no discretion with respect to the selection of individuals eligible to receive options hereunder, the number of shares of Common Stock covered by any such option or the price or timing of any option granted hereunder (all of which determinations are automatic under the terms of the Plan).

The entire expense of administering the Plan shall be borne by the Company.

11. COMPLIANCE WITH APPLICABLE LAW

Notwithstanding any other provision of the Plan, the Company shall not be obligated to issue any shares of Common Stock, or grant any option with respect thereto, unless it is advised by counsel of its selection that it may do so without violation of the applicable federal and state laws pertaining to the issuance of securities or the provisions of any national securities exchange or NASDAQ, and the Company may require any securities so issued to bear a legend, may give its transfer agent instructions, and may take such other steps as in its judgment are reasonably required to prevent any such violation.

12. AMENDMENT AND TERMINATION

The Board of Directors may amend or discontinue the Plan at any time and from time to time; provided, however, that (a) unless otherwise required by law, no amendment, alteration or discontinuation shall be made which would impair the rights of an Outside Director with respect to any option which has been granted under the Plan without such individual's consent and (b) no amendment shall be effective without approval of stockholders of the Company if stockholder approval of the amendment is then required pursuant to Rule 16b-3 under the Securities Exchange Act of 1934, as amended, the applicable rules of any national securities exchange or NASDAQ, or the Delaware corporation law or

other applicable laws.

13. EFFECTIVE DATE

The effective date of this Plan is August 20, 1997, the date on which it was adopted by the Board of Directors; provided, however, that this Plan is subject to approval by the holders of Class A Stock. The Plan shall terminate on August 19, 2007.

14. GOVERNING LAW

The Plan shall be governed by, and construed in accordance with, the laws of the State of Delaware.
